

8A.231 Library compact authorized.

The department is hereby authorized to enter into interstate library compacts on behalf of the state of Iowa with any state bordering on Iowa which legally joins therein in substantially the following form and the contracting states agree that:

1. *Article I — Purpose.* Because the desire for the services provided by public libraries transcends governmental boundaries and can be provided most effectively by giving such services to communities of people regardless of jurisdictional lines, it is the policy of the states who are parties to this compact to cooperate and share their responsibilities in providing joint and cooperative library services in areas where the distribution of population makes the provision of library service on an interstate basis the most effective way to provide adequate and efficient services.

2. *Article II — Procedure.* The appropriate state library officials and agencies having comparable powers with those of the Iowa commission of libraries of the party states or any of their political subdivisions may, on behalf of said states or political subdivisions, enter into agreements for the cooperative or joint conduct of library services when they shall find that the execution of agreements to that end as provided herein will facilitate library services.

3. *Article III — Content.* Any such agreement for the cooperative or joint establishment, operation or use of library services, facilities, personnel, equipment, materials or other items not excluded because of failure to enumerate shall, as among the parties of the agreement:

a. Detail the specific nature of the services, facilities, properties or personnel to which it is applicable;

b. Provide for the allocation of costs and other financial responsibilities;

c. Specify the respective rights, duties, obligations and liabilities;

d. Stipulate the terms and conditions for duration, renewal, termination, abrogation, disposal of joint or common property, if any, and all other matters which may be appropriate to the proper effectuation and performance of said agreement.

4. *Article IV — Conflict of laws.* Nothing in this compact or in any agreement entered into hereunder shall alter, or otherwise impair any obligation imposed on any public library by otherwise applicable laws, or be constituted to supersede.

5. *Article V — Administrator.* Each state shall designate a compact administrator with whom copies of all agreements to which the state or any subdivision thereof is party shall be filed. The administrator shall have such powers as may be conferred by the laws of the administrator's state and may consult and cooperate with the compact administrators of other party states and take such steps as may effectuate the purposes of this compact.

6. *Article VI — Effective date.* This compact shall become operative when entered in by two or more entities having the powers enumerated herein.

7. *Article VII — Renunciation.* This compact shall continue in force and remain binding upon each party state until six months after any such state has given notice of repeal by the legislature. Such withdrawal shall not be construed to relieve any party to an agreement authorized by articles II and III of the compact from the obligation of that agreement prior to the end of its stipulated period of duration.

8. *Article VIII — Severability — construction.* The provisions of this compact shall be severable. It is intended that the provisions of this compact be reasonably and liberally construed.
