

8A.505 Cost allocation system — appropriation.

The department shall develop and administer an indirect cost allocation system for state agencies. The system shall be based upon standard cost accounting methodologies and shall be used to allocate both direct and indirect costs of state agencies or state agency functions in providing centralized services to other state agencies. A cost that is allocated to a state agency pursuant to this system shall be billed to the state agency and the cost is payable to the general fund of the state. The source of payment for the billed cost shall be any revenue source except for the general fund of the state. If a state agency is authorized by law to bill and recover direct expenses, the state agency shall recover indirect costs in the same manner.
