

**100.51 Application for warrant.**

If consent to inspect property damaged or destroyed by fire to determine the cause, origin and circumstances of the fire or to inspect property subject to rules adopted under [section 10A.523](#) has been refused to the official authorized to make the inspection, the state fire marshal, a state arson investigator or official authorized to make such an inspection may apply to the district court for a special inspection warrant for authority to conduct the inspection.

[[81 Acts, ch 47, §3](#)]
