

100B.6 Fire service training bureau.

1. The state fire service and emergency response council shall assist in operation of a fire service training bureau for instructing the general public and fire protection personnel throughout the state, providing service to public and private fire departments in the state, conducting research in the methods of maintaining and improving fire education consistent with the needs of Iowa communities, and performing any other functions assigned to the bureau by the state fire marshal in consultation with the state fire service and emergency response council.

2. Enrollment and attendance in fire service training bureau programs may include persons engaged with a unit of government or a public or private fire department in the state, including volunteer, trainee, or employed fire fighters.

3. Programs conducted by the fire service training bureau shall include at a minimum instruction in the subjects necessary for the certification of persons in accordance with a nationally recognized fire fighter qualification system as approved by the state fire service and emergency response council. At the direction of the state fire marshal in consultation with the state fire service and emergency response council, the fire service training bureau may develop and conduct programs which extend beyond the programs directly related to such system.
