

12.83 School infrastructure fund moneys — allocation to department of inspections, appeals, and licensing.

During the term of the school infrastructure program established in [section 292.2](#), up to fifty thousand dollars of the moneys deposited each fiscal year in the school infrastructure fund shall be allocated each fiscal year to the department of inspections, appeals, and licensing for the use of the department. The funds shall be used by the department solely for the purpose of retaining an architect or architectural firm to evaluate structures for which school infrastructure program grant applications are made, to consult with school district representatives, to review construction drawings and blueprints, and to perform related duties at the direction of the department to ensure the best possible use of moneys received by a school district under the school infrastructure program. The department shall provide for the review of plans, drawings, and blueprints in a timely manner.
