

147A.17 Applications for emergency medical care services training programs — approval or denial — disciplinary actions.

1. An Iowa college approved by any federally recognized accreditor of postsecondary educational institutions, an Iowa hospital in this state, or a medical care ambulance service or nontransport service that desires to provide emergency medical care services training leading to certification as an emergency medical care provider shall apply to the department for authorization to establish a training program.

2. The department shall approve an application submitted in accordance with [subsection 1](#) when the department is satisfied that the program proposed by the application will be operated in compliance with [this subchapter](#) and the rules adopted pursuant to [this subchapter](#).

3. The department may deny an application for authorization, or may place on probation, suspend or revoke the authorization of, or otherwise discipline a training program with an existing authorization if the department finds reason to believe the program has not been or will not be operated in compliance with [this subchapter](#) and the rules adopted pursuant to [this subchapter](#), or that there is insufficient assurance of adequate protection for the public. The authorization denial, period of probation, suspension, or revocation, or other disciplinary action shall be effected and may be appealed as provided by [section 17A.12](#).
