

148.13A Board authority over physicians supervising certain psychologists.

The board of medicine shall, in consultation with the board of behavioral health professionals, establish by rule all of the following:

1. Specific minimum standards for the appropriate supervision of a psychologist prescribing medication pursuant to a conditional prescription certificate under [chapter 154B](#). Such standards shall include requiring a physician serving as a supervising licensed physician to notify the board of medicine of the identity of the psychologist the physician is supervising and any change in the status of the supervisory relationship.

2. The process for initiating and conducting disciplinary proceedings under [chapter 17A](#) if a licensed physician fails to adequately supervise a psychologist prescribing psychotropic medications pursuant to a prescription certificate under [chapter 154B](#). The rule shall take into account the deliberations of the board in making such a determination.
