

157.8A Use of schools of barbering and cosmetology arts and sciences.

1. A school of barbering and cosmetology arts and sciences may be used for purposes other than student instruction so long as the other activities do not disrupt classes.
2. An instructor employed by a school of barbering and cosmetology arts and sciences may perform barbering and cosmetology arts and sciences services at the school of barbering and cosmetology arts and sciences for compensation while not instructing students.
3. The board shall adopt rules for the implementation of [this section](#).
