222.1 Purpose of chapter — state resource centers.

1. [This chapter](#) addresses the public and private services available in this state to meet the needs of persons with an intellectual disability.

2. The Glenwood state resource center and the Woodward state resource center are established and shall be maintained as the state's regional resource centers for the purpose of providing treatment, training, instruction, care, habilitation, and support of persons with an intellectual disability or other disabilities in this state, and providing facilities, services, and other support to the communities located in the region being served by a state resource center. In addition, the state resource centers are encouraged to serve as a training resource for community-based program staff, medical students, and other participants in professional education programs. A resource center may request the approval of the department to change the name of the resource center for use in communication with the public, in signage, and in other forms of communication.

222.7 Transfers.

The department may transfer patients from one state resource center to the other and may at any time transfer patients from the resource centers to the hospitals for persons with mental illness. The department may also transfer patients from a hospital for persons with mental illness to a resource center if consent is given or obtained as follows:

1. In the case of a patient who entered the hospital for persons with mental illness voluntarily, consent is given in advance by the patient or, if the patient is a minor or is incompetent, the person responsible for the patient.

2. In the case of a patient hospitalized pursuant to [sections 229.6 through 229.15](#), the consent of the court which hospitalized the patient is obtained in advance, rather than afterward as otherwise permitted by [section 229.15, subsection 4](#).

222.10 Duty of peace officer.

When any person with an intellectual disability departs without proper authority from a facility in another state and is found in this state, any peace officer in any county in which such patient is found may take and detain the patient without warrant or order and shall report such detention to the department. The department shall provide for the return of the patient to

the authorities in the state from which the unauthorized departure was made. Pending return, such patient may be detained temporarily at one of the institutions of this state governed by the department. The provisions of [this section](#) relating to the department shall also apply to the return of other nonresident persons with an intellectual disability having legal residency outside the state of Iowa.

222.12 Deaths investigated.

1. Upon the death of a patient of a resource center, a preliminary investigation of the death shall be conducted as required by [section 218.64](#) by the county medical examiner as provided in [section 331.802](#). Such a preliminary investigation shall also be conducted in the event of a sudden or mysterious death of a patient in a private institution for persons with an intellectual disability. The chief administrative officer of any private institution may request an investigation of the death of any patient by the county medical examiner.

2. The parent, guardian, or other person responsible for the admission of a patient to a private institution for persons with an intellectual disability may also request such a preliminary investigation by the county medical examiner in the event of the death of the patient that is not sudden or mysterious. The person or persons making the request are liable for the expense of such preliminary investigation and payment for the expense may be required in advance.

222.13 Voluntary admissions.

1. If an adult person is believed to be a person with an intellectual disability, the adult person or the adult person's guardian may apply to the department and the superintendent of any state resource center for the voluntary admission of the adult person either as an inpatient or an outpatient of the resource center. The superintendent shall accept the application if a preadmission diagnostic evaluation confirms or establishes the need for admission, except that an application shall not be accepted if the institution does not have adequate facilities available or if the acceptance will result in an overcrowded condition.

2. If the resource center does not have an appropriate program for the treatment of an adult or minor person with an intellectual disability applying under [this section](#) or [section 222.13A](#), the department shall arrange for the placement of the person in any public or private facility within or outside of the state, approved by the director, which offers appropriate services for the person.

[C24, 27, 31, 35, 39, §3464, 3477.2; C46, 50, 54, 58, 62, §222.54, 223.13; C66, 71, 73, 75, 77, 79, 81, §222.13]

Section amended

222.13A Voluntary admissions — minors.

1. If a minor is believed to be a person with an intellectual disability, the minor's parent, guardian, or custodian may apply to the department for admission of the minor as a voluntary patient in a state resource center. If the resource center does not have appropriate services for the minor's treatment, the department may arrange for the admission of the minor in a public or private facility within or without the state, approved by the director, which offers appropriate services for the minor's treatment.

2. Upon receipt of an application for voluntary admission of a minor, the department shall provide for a preadmission diagnostic evaluation of the minor to confirm or establish the need for the admission. The preadmission diagnostic evaluation shall be performed by a person who meets the qualifications of a qualified intellectual disability professional who is designated by the department.

3. During the preadmission diagnostic evaluation, the minor shall be informed both orally and in writing that the minor has the right to object to the voluntary admission. Notwithstanding [section 222.33](#), if the preadmission diagnostic evaluation determines that the voluntary admission is appropriate but the minor objects to the admission, the minor shall not be admitted to the state resource center unless the court approves of the admission. A petition for approval of the minor's admission may be submitted to the juvenile court by the minor's parent, guardian, or custodian.

4. As soon as practicable after the filing of a petition for approval of the voluntary admission, the court shall determine whether the minor has an attorney to represent the minor in the proceeding. If the minor does not have an attorney, the court shall assign an attorney to the minor. If the minor is unable to pay for an attorney, the attorney shall be compensated by an administrative services organization at an hourly rate to be established in substantially the same manner as provided in [section 815.7](#).

5. The court shall order the admission of a minor who objects to the admission, only after a hearing in which it is shown by clear and convincing evidence that both of the following circumstances exist:

a. The minor needs and will substantially benefit from treatment or habilitation.

b. A placement which involves less restriction of the minor's liberties for the purposes of treatment or habilitation is not feasible.

222.15 Discharge of patients admitted voluntarily.

[This section](#) applies to any person who was voluntarily admitted to a state resource center or other facility in accordance with the provisions of [section 222.13](#) or [222.13A](#). Except as

otherwise provided by [this section](#), if the person or the person's parent, guardian, or custodian submits a written request for the person's release, the person shall be immediately released.

1. If the person is an adult and was admitted pursuant to an application by the person or the person's guardian and the request for release is made by a different person, the release is subject to the agreement of the person voluntarily admitted or the person's guardian, if the guardian submitted the application.

2. If the person is a minor who was admitted pursuant to the provisions of [section 222.13A](#), the person's release prior to becoming eighteen years of age is subject to the consent of the person's parent, guardian, or custodian, or to the approval of the court if the admission was approved by the court.

222.73 Billing of patient charges — computation of actual costs — cost settlement.

1. The superintendent of each resource center shall compute by February 1 the average daily patient charge and outpatient treatment charges for which each county will be billed for services provided to patients chargeable to the county during the fiscal year beginning the following July 1. The department shall certify the amount of the charges and notify the counties of the billing charges.

a. The superintendent shall compute the average daily patient charge for a resource center for services provided in the following fiscal year, in accordance with generally accepted accounting procedures, by totaling the expenditures of the resource center for the immediately preceding calendar year, by adjusting the expenditures by a percentage not to exceed the percentage increase in the consumer price index for all urban consumers for the immediately preceding calendar year, and by dividing the adjusted expenditures by the total inpatient days of service provided during the immediately preceding calendar year.

b. The department shall compute the outpatient treatment charges, in accordance with generally accepted accounting procedures, on the basis of the actual cost of the outpatient treatment provided during the immediately preceding calendar year.

2. The superintendent shall compute in January the actual per-patient-per-day cost for each resource center for the immediately preceding calendar year, in accordance with generally accepted accounting procedures, by totaling the actual expenditures of the resource center for the calendar year and by dividing the total actual expenditures by the total inpatient days of service provided during the calendar year.

3. A superintendent of a resource center may request that the director enter into a contract with a person for the resource center to provide consultation or treatment services or for fulfilling other purposes which are consistent with the purposes stated in [section 222.1](#). The contract provisions shall include charges which reflect the actual cost of providing the services. Any income from a contract authorized under [this subsection](#) may be retained by the resource center to defray the costs of providing the services or fulfilling the other purposes. Except for a contract voluntarily entered into by a county under [this subsection](#), the costs or income associated with a contract authorized under [this subsection](#) shall not be considered in computing charges and per diem costs in accordance with the provisions of [subsections 1 and 2](#).

222.78 Parents and others liable for support.

1. The father and mother of any patient admitted to a resource center, as either an inpatient or an outpatient, and any person, firm, or corporation bound by contract made for support of the patient, are liable for the support of the patient. The patient and those legally bound for the support of the patient shall be liable to the state for all sums advanced relating to reasonable attorney fees and court costs for the patient's admission to the resource center, and for the treatment, training, instruction, care, habilitation, support, transportation, or other expenditures made on behalf of the patient pursuant to [this chapter](#).

2. The liability of any person, other than the patient, who is legally bound for the support of a patient who is under eighteen years of age in a resource center or a special unit shall not exceed the average minimum cost of the care of a minor without an intellectual disability of the same age and sex as the minor patient. The department shall establish the scale for this purpose but the scale shall not exceed the standards for personal allowances established under the family investment program. The father or mother shall incur liability only during any period when the father or mother either individually or jointly receive a net income from whatever source, commensurate with that upon which they would be liable to make an income tax payment to this state. The father or mother of a patient shall not be liable for the support of the patient upon the patient attaining eighteen years of age. Nothing in [this section](#) shall be construed to prevent a relative or other person from voluntarily paying the full actual cost as established by the department for caring for the patient with an intellectual disability.

222.92 Net general fund appropriation — state resource centers.

1. The department shall operate the state resource centers on the basis of net appropriations from the general fund of the state. The appropriation amounts shall be the net amounts of state moneys projected to be needed for the state resource centers for the fiscal year of the appropriations. The purpose of utilizing net appropriations is to encourage the state resource centers to operate with increased self-sufficiency, to improve quality and efficiency, and to support collaborative efforts between the state resource centers and providers of funding for the services available from the state resource centers. The state resource centers shall not be operated under the net appropriations in a manner that results in a cost increase to the state or in cost shifting between the state, the medical assistance program, or other sources of funding for the state resource centers.

2. The net appropriation made for a state resource center may be used throughout the fiscal year in the manner necessary for purposes of cash flow management, and for purposes of cash flow management, a state resource center may temporarily draw more than the amount appropriated, provided the amount appropriated is not exceeded at the close of the fiscal year.

3. Subject to the approval of the department, except for revenues segregated as provided in [section 249A.11](#), revenues received that are attributed to a state resource center for a fiscal year shall be credited to the state resource center's account and shall be considered appropriated receipts as defined in [section 8.2](#), including but not limited to all of the following:

- a. The federal share of medical assistance program revenue received under [chapter 249A](#).
- b. Federal Medicare program payments.
- c. Moneys received from client financial participation.
- d. Other revenues generated from current, new, or expanded services that the state resource center is authorized to provide.

4. Notwithstanding [section 8.33](#), up to five hundred thousand dollars of a state resource center's revenue that remains unencumbered or unobligated at the close of the fiscal year

shall not revert but shall remain available for expenditure for purposes of the state resource center until the close of the succeeding fiscal year.
