

225A.9 Application for services — minors.

A minor who is twelve years of age or older shall have the legal capacity to act and give consent to the provision of tobacco cessation coaching services pursuant to a tobacco cessation telephone and internet-based program approved by the department through the behavioral health service system established in [section 225A.3](#). Consent shall not be subject to later disaffirmance by reason of such minority. The consent of another person, including but not limited to the consent of a spouse, parent, custodian, or guardian, shall not be necessary.
