

306.15 Purchase and sale of property.

If as to any one or more properties affected by the proposed vacation and closing of a secondary road, it appears to the board of supervisors to be in the interest of economy or public welfare, the board may purchase or condemn, by proceeding as [this chapter](#) provides, the entire properties, and make payment for them. After the road has been vacated and closed the board shall sell the properties at the best attainable price.
