

34A.12 Delivery of 911 calls — reimbursement.

The program manager may request reimbursement from each joint 911 service board for reasonable costs under [section 34A.7A](#) related to the delivery of 911 call traffic to public safety answering points. Upon request, each joint 911 service board shall reimburse the department of homeland security and emergency management for such costs within thirty days.

[2025 Acts, ch 159, §42](#)
