

453A.52A Vapor products — requirements.

Beginning October 1, 2024, or on the date the director first makes the vapor products directory available for public inspection on the department's internet site, whichever is later, all of the following shall apply to vapor products in this state:

1. A person shall not sell or offer for sale a vapor product in this state that is not included in the vapor products directory, and a vapor products manufacturer shall not sell, either directly or through a distributor, wholesaler, retailer, or similar intermediary or intermediaries, a vapor product in this state that is not included in the vapor products directory.

2. A retailer shall purchase vapor products for resale to consumers only from a distributor or subjobber with a valid license issued pursuant to [this chapter](#).
