

607A.48 Public access to juror information.

1. Public access to juror and prospective juror information shall be limited. Information on the year of birth and address information identifying the city and zip code of prospective jurors shall be available to the public. However, more specific address information, phone numbers, and the date and month of birth of prospective jurors are confidential and not subject to disclosure without an order of the court.

2. Notwithstanding [subsection 1](#), attorneys representing parties to the case are entitled to the complete juror questionnaires of jurors and prospective jurors without order of the court. [2024 Acts, ch 1104, §2](#)
