

**279.19A Extracurricular contracts.**

1. School districts employing individuals to coach interscholastic athletic sports shall issue a separate extracurricular contract for each of these sports. An extracurricular contract offered under [this section](#) shall be separate from the contract issued under [section 279.13](#). An extracurricular contract shall be in writing, and shall state the number of contract days for that sport, the annual compensation to be paid, and any other matters as may be mutually agreed upon. The contract shall be for a single school year.

2. a. If the school district offers an extracurricular contract for a sport for the subsequent school year to an employee who is currently performing under an extracurricular contract for that sport, and the employee does not wish to accept the extracurricular contract for the subsequent year, the employee may resign from the extracurricular contract within twenty-one days after it has been received.

b. If the provisions of an extracurricular contract executed under [this section](#) conflict with a collective bargaining agreement negotiated under [chapter 20](#) and effective when the extracurricular contract is executed or renewed, the provisions of the collective bargaining agreement shall prevail.

3. The board of directors of a school district may require an employee who has resigned from an extracurricular contract to accept, as a condition of employment under [section 279.13](#), the extracurricular contract for no longer than one additional school year if all the following conditions apply:

a. The employee has accepted a teaching contract issued by the board pursuant to [section 279.13](#) for the subsequent school year.

b. The board of directors has made a good faith effort to fill the coaching position with a licensed or authorized replacement.

c. The position has not been filled by June 1 of the year in which the employee resigned the extracurricular contract.

4. As a condition of employment under [section 279.13](#), the board of directors of a school district may require an employee who has been issued a teaching contract pursuant to [section 279.13](#) to accept an extracurricular contract for which the employee is licensed, or may require as a condition of employment that an applicant for a teaching contract under [section 279.13](#) accept an extracurricular contract if all of the following conditions apply:

a. The individual who held the coaching position during the year has not been issued a teaching contract by the board pursuant to [section 279.13](#) for the subsequent school year, or has been terminated from the extracurricular contract.

b. The board of directors has made a good faith effort to fill the coaching position with a licensed or authorized replacement.

c. The position has not been filled by June 1 of the year in which the vacancy occurred for the interscholastic athletic sport.

5. a. Within seven days following June 1 of that year, the board shall notify the employee in writing if the board intends to require the employee to accept an extracurricular contract for the subsequent school year under [subsection 3 or 4](#). If the employee believes that the board did not make a good faith effort to fill the position the employee may appeal the decision by notifying the board in writing within ten days after receiving the notification.

b. The appeal shall state why the employee believes that the board did not make a good faith effort to fill the position. If the parties are unable to informally resolve the dispute, the parties shall attempt to agree upon an alternative means of resolving the dispute.

c. If the dispute is not resolved by mutual agreement, either party may appeal to the district court.

6. [Subsections 3, 4, and 5](#) do not apply if the terms of a collective bargaining agreement provide otherwise.

7. An extracurricular contract may be terminated prior to the expiration of that contract for any lawful reason following an informal, private hearing before the board of directors. The decision of the board to terminate an extracurricular contract shall be final.

8. a. A termination proceeding regarding an extracurricular contract shall not affect a contract issued pursuant to [section 279.13](#).

b. A termination of a contract entered into pursuant to [section 279.13](#), or a resignation from that contract by the teacher, constitutes an automatic termination or resignation of the extracurricular contract in effect between the same teacher and the employing school board.

9. For the purposes of [this section](#), “*good faith effort*” includes advertising for the position in an appropriate publication, interviewing applicants, and giving serious consideration to those licensed or authorized, and otherwise qualified, applicants who apply.

10. The licensure requirements of [subsections 3, 4, and 9](#) shall not apply to community colleges.
