484A.4 Use of revenue.

1. All revenue generated from the migratory game bird fee shall be used for projects approved by the commission for the purpose of protecting and propagating migratory game birds and for the acquisition, development, restoration, maintenance, or preservation of wetlands, except for that part which is specified by the commission for use in paying administrative expenses as provided in section 456A.17.

2. The commission may enter into contracts with nonprofit organizations for the use of fifteen percent of such funds outside the United States if the commission finds that such contracts are necessary for carrying out the purposes of this chapter.
