

514I.5 Hawki board.

1. A Hawki board for the Hawki program is established. The board shall meet not less than six and not more than twelve times annually, for the purposes of establishing policy for, directing the department on, and adopting rules for the program. The board shall consist of seven voting members and four ex officio, nonvoting members, including all of the following:

- a. The commissioner of insurance, or the commissioner's designee.
- b. The director of the department of education, or the director's designee.
- c. The director of health and human services, or the director's designee.
- d. Four public members appointed by the governor and subject to confirmation by the senate. The public members shall be members of the general public who have experience, knowledge, or expertise in the subject matter embraced within [this chapter](#).
- e. Two members of the senate and two members of the house of representatives, serving as ex officio, nonvoting members. The legislative members of the board shall be appointed one each by the majority leader of the senate, after consultation with the president of the senate, and by the minority leader of the senate, and by the speaker of the house of representatives, after consultation with the majority leader of the house of representatives, and by the minority leader of the house of representatives. Legislative members shall receive compensation pursuant to [section 2.12](#).

2. Members appointed by the governor shall serve two-year staggered terms as designated by the governor, and legislative members of the board shall serve two-year terms. The filling of positions reserved for the public representatives, vacancies, membership terms, payment of compensation and expenses, and removal of the members are governed by [chapter 69](#). Members of the board are entitled to receive reimbursement of actual expenses incurred in the discharge of their duties. Public members of the board are also eligible to receive compensation as provided in [section 7E.6](#). A majority of the voting members constitutes a quorum and the affirmative vote of a majority of the voting members is necessary for any substantive action to be taken by the board. The members shall select a chairperson on an annual basis from among the membership of the board.

3. The board shall approve any contract entered into pursuant to [this chapter](#). All contracts entered into pursuant to [this chapter](#) shall be made available to the public.

4. The department shall act as support staff to the board.

5. The board may receive and accept grants, loans, or advances of funds from any person and may receive and accept from any source contributions of money, property, labor, or any other thing of value, to be held, used, and applied for the purposes of the program.

6. The Hawki board shall do all of the following:

a. Define, in consultation with the department, the regions of the state for which plans are offered in a manner as to ensure access to services for all children participating in the program.

b. Approve the benefit package design, review the benefit package design on a periodic basis, and make necessary changes in the benefit design to reflect the results of the periodic reviews.

c. Develop, with the assistance of the department, an outreach plan, and provide for periodic assessment of the effectiveness of the outreach plan. The plan shall provide outreach to families of children likely to be eligible for assistance under the program, to inform them of the availability of and to assist the families in enrolling children in the program. The outreach efforts may include, but are not limited to, solicitation of cooperation from programs, agencies, and other persons who are likely to have contact with eligible children, including but not limited to those associated with the educational system, and the development of community plans for outreach and marketing. Other state agencies shall assist the department in data collection related to outreach efforts to potentially eligible children and their families.

d. In consultation with the clinical advisory committee, assess the initial health status of children participating in the program, establish a baseline for comparison purposes, and develop appropriate indicators to measure the subsequent health status of children participating in the program.

e. Review, in consultation with the department, and take necessary steps to improve interaction between the program and other public and private programs which provide services to the population of eligible children.

f. By January 1, annually, prepare, with the assistance of the department, and submit a report to the governor, the general assembly, and the council on health and human services, concerning the board's activities, findings, and recommendations.

g. Solicit input from the public regarding the program and related issues and services.

h. Establish and consult with a clinical advisory committee to make recommendations to the board regarding the clinical aspects of the Hawki program.

i. Prescribe the elements to be included in a health improvement program plan required to be developed by a participating insurer. The elements shall include but are not limited to health maintenance and prevention and health risk assessment.

j. Establish an advisory committee to make recommendations to the board and to the general assembly by January 1 annually concerning the provision of health insurance coverage to children with special health care needs. The committee shall include individuals with experience in, knowledge of, or expertise in this area. The recommendations shall address, but are not limited to, all of the following:

(1) The definition of the target population of children with special health care needs for the purposes of determining eligibility under the program.

(2) Eligibility options for and assessment of children with special health care needs for eligibility.

(3) Benefit options for children with special health care needs.

(4) Options for enrollment of children with special health care needs in and disenrollment of children with special health care needs from qualified child health plans utilizing a capitated fee form of payment.

(5) The appropriateness and quality of care for children with special health care needs.

(6) The coordination of health services provided for children with special health care needs under the program with services provided by other publicly funded programs.

k. Develop options and recommendations to allow children eligible for the Hawki program to participate in qualified employer-sponsored health plans through a premium assistance program. The options and recommendations shall ensure reasonable alignment between the benefits and costs of the Hawki program and the employer-sponsored health plans consistent with federal law. In addition, the board shall implement the premium assistance program options described under the federal Children's Health Insurance Program Reauthorization Act of 2009, Pub. L. No. 111-3, for the Hawki program.

7. The Hawki board, in consultation with the department, shall adopt rules which address, but are not limited to addressing, all of the following:

a. Implementation and administration of the program.

b. Qualifying standards for selecting participating insurers for the program.

c. The benefits to be included in a qualified child health plan which are those included in a benchmark or benchmark equivalent plan and which comply with Tit. XXI of the federal Social Security Act. Benefits covered shall include but are not limited to all of the following:

(1) Inpatient hospital services including medical, surgical, intensive care unit, mental health, and substance use disorder services.

(2) Nursing care services including skilled nursing facility services.

(3) Outpatient hospital services including emergency room, surgery, lab, and x-ray services and other services.

(4) Physician services, including surgical and medical, and including office visits, newborn care, well-baby and well-child care, immunizations, urgent care, specialist care, allergy testing and treatment, mental health visits, and substance use disorder visits.

(5) Ambulance services.

(6) Physical therapy.

(7) Speech therapy.

(8) Durable medical equipment.

(9) Home health care.

(10) Hospice services.

- (11) Prescription drugs.
 - (12) Dental services including preventive services.
 - (13) Medically necessary hearing services.
 - (14) Vision services including corrective lenses.
 - (15) Translation and interpreter services as specified pursuant to the federal Children's Health Insurance Program Reauthorization Act of 2009, Pub. L. No. 111-3.
 - (16) Chiropractic services.
 - (17) Occupational therapy.
- d. Presumptive eligibility criteria for the program. Beginning January 1, 2010, presumptive eligibility shall be provided for eligible children.
- e. The amount of any cost sharing under the program which shall be assessed based on family income and which complies with federal law.
- f. The reasons for disenrollment including, but not limited to, nonpayment of premiums, eligibility for medical assistance or other insurance coverage, admission to a public institution, relocation from the area, and change in income.
- g. Conflict of interest provisions applicable to participating insurers and between public members of the board and participating insurers.
- h. Penalties for breach of contract or other violations of requirements or provisions under the program.
- i. A mechanism for participating insurers to report any rebates received to the department.
- j. The data to be maintained by the department including data to be collected for the purposes of quality assurance reports.
- k. The use of provider guidelines in assessing the well-being of children, which may include the use of the bright futures for infants, children, and adolescents program as developed by the federal maternal and child health bureau and the American academy of pediatrics guidelines for well-child care.
8. a. The Hawki board may provide approval to the director to contract with participating insurers to provide dental-only services. In determining whether to provide such approval to the director, the board shall take into consideration the impact on the overall program of single source contracting for dental services.
- b. The Hawki board may provide approval to the director to contract with participating insurers to provide the supplemental dental-only coverage to otherwise eligible children who have private health care coverage as specified in the federal Children's Health Insurance Program Reauthorization Act of 2009, Pub. L. No. 111-3.
9. The Hawki board shall monitor the capacity of Medicaid managed care organizations acting pursuant to a contract with the department to administer the Hawki program to specifically and appropriately address the unique needs of children and children's health delivery.
