SUBCHAPTER II
COMMITTEE ORGANIZATION — DUTIES OF OFFICERS

68A.201 Organization statement.
1. a. Every committee, as defined in this chapter, shall file a statement of organization within ten days from the date of its organization. Unless formal organization has previously occurred, a committee is deemed to have organized as of the date that committee transactions exceed the financial activity threshold established in section 68A.102, subsection 5 or 18. If committee transactions exceed the financial activity threshold prior to the due date for filing a disclosure report as established under section 68A.402, the committee shall file a disclosure report whether or not a statement of organization has been filed by the committee.

b. A person who makes one or more independent expenditures and files all statements required by section 68A.404 shall not be required to organize a committee or file the statement of organization required under this section.

2. The statement of organization shall include:

a. The name, purpose, mailing address, and telephone number of the committee. The committee name shall not duplicate the name of another committee organized under this section. For candidate’s committees filing initial statements of organization on or after July 1, 1995, the candidate’s name shall be contained within the committee name.

b. The name, mailing address, and position of the committee officers.

c. The name, address, office sought, and the party affiliation of all candidates whom the committee is supporting and, if the committee is supporting the entire ticket of any party, the name of the party. If, however, the committee is supporting several candidates who are not identified by name or are not of the same political affiliation, the committee may provide a statement of purpose in lieu of candidate names or political party affiliation.

d. Such other information as may be required by this chapter or rules adopted pursuant to this chapter.

e. A signed statement by the treasurer of the committee and the candidate, in the case of a candidate’s committee, which shall verify that they are aware of the requirement to file disclosure reports if the committee, the committee officers, the candidate, or both the committee officers and the candidate receive contributions in excess of one thousand dollars in the aggregate, make expenditures in excess of one thousand dollars in the aggregate, or incur indebtedness in excess of one thousand dollars in the aggregate in a calendar year to expressly advocate the nomination, election, or defeat of any candidate for public office. In the case of political committees, statements shall be made by the treasurer of the committee and the chairperson.
68A.201A Contributions from federal and out-of-state committees or organizations.

1. When either a committee or organization not organized as a committee under section 68A.201 makes a contribution to a committee organized in Iowa, that committee or organization shall disclose each contribution in excess of fifty dollars to the board.

2. A committee or organization not organized as a committee under section 68A.201 that is not registered and filing full disclosure reports of all financial activities with the federal election commission or another state’s disclosure commission shall register and file full disclosure reports with the board pursuant to this chapter. The committee or organization shall either appoint an eligible Iowa elector as committee or organization treasurer, or shall maintain all committee funds in an account in a financial institution located in Iowa.

3. A committee that is currently filing a disclosure report in another jurisdiction shall either file a statement of organization under section 68A.201 and file disclosure reports under section 68A.402, or shall file a verified statement with the board within fifteen days of the contribution being made.

4. The verified statement shall be on forms prescribed by the board and shall attest that the committee is filing reports with the federal election commission or in a jurisdiction with reporting requirements which are substantially similar to those of this chapter, and that the contribution is made from an account that does not accept contributions that would be in violation of section 68A.503.

5. The verified statement shall include the complete name, address, and telephone number of the contributing committee, the state or federal jurisdiction under which it is registered or operates, the identification of any parent entity or other affiliates or sponsors, its purpose, the name and address of an Iowa resident authorized to receive service of original notice, the name and address of the receiving committee, the amount of the cash or in-kind contribution, and the date the contribution was made.

6. The verified statement shall be filed by 4:30 p.m. of the day the filing is due.

68A.202 Candidate’s committee.

1. Each candidate for state, county, city, or school office shall organize one, and only one, candidate’s committee for a specific office sought when the candidate receives contributions in excess of one thousand dollars in the aggregate, makes expenditures in excess of one thousand dollars in the aggregate, or incurs indebtedness in excess of one thousand dollars in the aggregate in a calendar year.

2. a. A political committee shall not be established to expressly advocate the nomination, election, or defeat of only one candidate for office. However, a political committee may be established to expressly advocate the passage or defeat of approval of a single judge standing
for retention. A permanent organization, as defined in section 68A.402, subsection 9, may make a one-time contribution to only one candidate for office in excess of one thousand dollars.

b. The prohibition in paragraph “a” does not apply to a political committee described in section 68A.102, subsection 18, paragraph “c”, until the individual becomes a candidate for public office. A political committee organized to expressly advocate that an individual should or should not seek election to a public office prior to the individual becoming a candidate for public office shall be dissolved when the individual becomes a candidate for public office.

68A.203 Committee treasurer and chairperson — duties.

1. a. Every candidate’s committee shall appoint a treasurer who shall be an Iowa resident who has reached the age of majority. Every political committee, state statutory political committee, and county statutory political committee shall appoint both a treasurer and a chairperson, each of whom shall have reached the age of majority.

b. Every candidate’s committee shall maintain all of the committee’s funds in bank accounts in a financial institution located in Iowa. Every political committee, state statutory political committee, and county statutory political committee shall either have an Iowa resident as treasurer or maintain all of the committee’s funds in bank accounts in a financial institution located in Iowa.

c. An expenditure shall not be made by the treasurer or treasurer’s designee for or on behalf of a committee without the approval of the chairperson of the committee, or the candidate. Expenditures shall be remitted to the designated recipient within fifteen days of the date of the issuance of the payment.

2. a. An individual who receives contributions for a committee without the prior authorization of the chairperson of the committee or the candidate shall be responsible for either rendering the contributions to the treasurer within fifteen days of the date of receipt of the contributions, or depositing the contributions in the account maintained by the committee within seven days of the date of receipt of the contributions.

b. A person, other than a candidate or committee officer, who receives contributions for a committee shall, not later than fifteen days from the date of receipt of the contributions or on demand of the treasurer, render to the treasurer the contributions and an account of the total of all contributions, including the name and address of each person making a contribution in excess of twenty-five dollars, the amount of the contributions, and the date on which the contributions were received.

c. The treasurer shall deposit all contributions within seven days of receipt by the treasurer in an account maintained by the committee.

d. All funds of a committee shall be segregated from any other funds held by officers, members, or associates of the committee or the committee’s candidate. However, if a candidate’s committee receives contributions only from the candidate, or if a permanent organization temporarily engages in activity that qualifies it as a political committee and all expenditures of the organization are made from existing general operating funds and funds are not solicited or received for this purpose from sources other than operating funds, then that committee is not required to maintain a separate account in a financial institution.

e. Committee funds or committee property shall not be used for the personal benefit of a candidate, officer, member, or associate of the committee. The funds of a committee are not attachable for the personal debt of the committee’s candidate or an officer, member, or associate of the committee.

3. The treasurer of a committee shall keep a detailed and exact account of:

a. All contributions made to or for the committee.
b. The name and mailing address of every person making contributions in excess of twenty-five dollars, and the date and amount of the contribution.

c. All disbursements made from contributions by or on behalf of the committee.

d. The name and mailing address of every person to whom any expenditure is made, the purpose of the expenditure, the date and amount of the expenditure and the name and address of, and office sought by each candidate, if any, on whose behalf the expenditure was made. Notwithstanding this paragraph, the treasurer may keep a miscellaneous account for disbursements of less than five dollars which need only show the amount of the disbursement so long as the aggregate miscellaneous disbursements to any one person during a calendar year do not exceed one hundred dollars.

e. Notwithstanding the provisions of subsection 3, paragraph “d”, of this section, when an expenditure is made by a committee in support of the entire state or local political party ticket, only the name of the party shall be given.

4. The treasurer and candidate in the case of a candidate’s committee, and the treasurer and chairperson in the case of a political committee, shall preserve all records required to be kept by this section for a period of five years. However, a committee is not required to preserve any records for more than three years from the certified date of dissolution of the committee. For purposes of this section, the five-year period shall commence with the due date of the disclosure report covering the activity documented in the records.
