

HUMAN SERVICES DEPARTMENT[441]

Rules transferred from Social Services Department[770] to Human Services Department[498], see 1983 Iowa Acts, Senate File 464, effective July 1, 1983.

Rules transferred from agency number [498] to [441] to conform with the reorganization numbering scheme in general, IAC Supp. 2/11/87.

TITLE I

GENERAL DEPARTMENTAL PROCEDURES

CHAPTER 1

DEPARTMENTAL ORGANIZATION AND PROCEDURES

- 1.1(17A) Director
- 1.2(17A) Council
- 1.3(17A) Organization at state level
- 1.4(17A) Field operations structure
- 1.5 Reserved
- 1.6(17A) Mental health and developmental disabilities commission
- 1.7(17A) Governor's developmental disabilities council (governor's DD council)
- 1.8(17A,217) Waivers of administrative rules (hereinafter referred to as exceptions to policy)
- 1.9 Reserved
- 1.10(17A,514I) HAWK-I board

CHAPTER 2

CONTRACTING OUT DEPARTMENT OF HUMAN SERVICES EMPLOYEES AND PROPERTY

- 2.1(23A,225C) Definitions
- 2.2(23A,225C) Contracts for use of the services of department employees
- 2.3(23A,225C) Contract provisions
- 2.4(23A,225C) Leasing of space at state institutions
- 2.5(23A,225C) Requirements prior to leasing

CHAPTER 3

DEPARTMENT PROCEDURE FOR RULE MAKING

- 3.1(17A) Applicability
- 3.2(17A) Advice on possible rules before notice of proposed rule adoption
- 3.3(17A) Public rule-making docket
- 3.4(17A) Notice of proposed rule making
- 3.5(17A) Public participation
- 3.6(17A) Regulatory analysis
- 3.7(17A,25B) Fiscal impact statement
- 3.8(17A) Time and manner of rule adoption
- 3.9(17A) Variance between adopted rule and published notice of proposed rule adoption
- 3.10(17A) Exemptions from public rule-making procedures
- 3.11(17A) Concise statement of reasons
- 3.12(17A) Contents, style, and form of rule
- 3.13(17A) Department rule-making record
- 3.14(17A) Filing of rules
- 3.15(17A) Effectiveness of rules prior to publication
- 3.16(17A) Review by department of rules

CHAPTER 4

PETITIONS FOR RULE MAKING

- 4.1(17A) Petition for rule making
- 4.2(17A) Briefs

- 4.3(17A) Inquiries
- 4.4(17A) Agency consideration

CHAPTER 5 DECLARATORY ORDERS

- 5.1(17A) Petition for declaratory order
- 5.2(17A) Notice of petition
- 5.3(17A) Intervention
- 5.4(17A) Briefs
- 5.5(17A) Inquiries
- 5.6(17A) Service and filing of petitions and other papers
- 5.7(17A) Consideration
- 5.8(17A) Action on petition
- 5.9(17A) Refusal to issue order
- 5.10(17A) Contents of declaratory order—effective date
- 5.11(17A) Copies of orders
- 5.12(17A) Effect of a declaratory order

CHAPTER 6 Reserved

CHAPTER 7 APPEALS AND HEARINGS

- 7.1(17A) Definitions
 - 7.2(17A) Conditions of an aggrieved person
- #### DIVISION I
- 7.3(17A) Presiding officer
 - 7.4(17A) Notification of hearing procedures
 - 7.5(17A) The right to appeal
 - 7.6(17A) Informing persons of their rights
 - 7.7(17A) Notice of intent to approve, deny, terminate, reduce, or suspend assistance or deny reinstatement of assistance
 - 7.8(17A) Opportunity for hearing
 - 7.9(17A) Continuation of assistance pending a final decision on appeal
 - 7.10(17A) Procedural considerations
 - 7.11(17A) Information and referral for legal services
 - 7.12(17A) Subpoenas
 - 7.13(17A) Rights of appellants during hearings
 - 7.14(17A) Limitation of persons attending
 - 7.15(17A) Medical examination
 - 7.16(17A) The appeal decision
 - 7.17(17A) Exhausting administrative remedies
 - 7.18(17A) Ex parte communication
 - 7.19(17A) Accessibility of hearing decisions
 - 7.20(17A) Right of judicial review and stays of agency action
 - 7.21(17A) Food assistance hearings and appeals
 - 7.22 Reserved
 - 7.23(17A) Contested cases with no factual dispute
 - 7.24(17A) Emergency adjudicative proceedings
 - 7.25 to 7.40 Reserved

DIVISION II

APPEALS BASED ON THE COMPETITIVE PROCUREMENT BID PROCESS

- 7.41(17A) Scope and applicability
- 7.42(17A) Requests for timely filing of an appeal
- 7.43(17A) Bidder appeals
- 7.44(17A) Procedures for bidder appeal
- 7.45(17A) Stay of agency action for bidder appeal
- 7.46(17A) Request for review of the proposed decision
- 7.47(17A) Other procedural considerations
- 7.48(17A) Appeal record
- 7.49(17A) Pleadings
- 7.50(17A) Ex parte communications
- 7.51(17A) Right of judicial review

CHAPTER 8

PAYMENT OF SMALL CLAIMS

- 8.1(217) Authorization to reimburse

CHAPTER 9

PUBLIC RECORDS AND FAIR
INFORMATION PRACTICES

- 9.1(17A,22) Definitions
- 9.2(17A,22) Statement of policy
- 9.3(17A,22) Requests for access to records
- 9.4(17A,22) Access to confidential records
- 9.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examinations
- 9.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records
- 9.7(17A,22,228) Consent to disclosure by the subject of a confidential record
- 9.8(17A,22) Notice to suppliers of information
- 9.9(17A,22) Release to subject
- 9.10(17A,22) Use and disclosure without consent of the subject
- 9.11(22) Availability of records
- 9.12(22,252G) Personally identifiable information
- 9.13(217) Distribution of informational materials
- 9.14(17A,22) Special policies and procedures for protected health information
- 9.15(17A,22) Person who may exercise rights of the subject

CHAPTER 10

Reserved

CHAPTER 11

COLLECTION OF PUBLIC ASSISTANCE DEBTS

- 11.1(217) Definitions
- 11.2(217) Establishment of claim
- 11.3(217) Application of payment
- 11.4(217) Setoff against state income tax refund, rebate, or other state payments, including, for example, state employee wages
- 11.5(234) Setoff against federal income tax refund or other federal payments, including, for example, federal employee wages

CHAPTER 12
VOLUNTEER SERVICES

- 12.1(234) Definition
- 12.2(234) Allocation of block grant funds
- 12.3(234) Requirements for volunteers
- 12.4(234) Volunteer service programs
- 12.5(234) Services and benefits available to volunteers

CHAPTER 13
PROGRAM EVALUATION

- 13.1(234,239B,249A) Definitions
- 13.2(234,239B,249A) Review of public assistance records by the department
- 13.3(234,239B,249A) Who shall be reviewed
- 13.4(234,239B,249A) Notification of review
- 13.5(234,239B,249A) Review procedure
- 13.6(234,239B,249A) Failure to cooperate
- 13.7(234,239B,249A) Report of findings
- 13.8(234,239B,249A) Federal rereview

CHAPTER 14
OFFSET OF COUNTY DEBTS OWED DEPARTMENT

- 14.1(217,234) Definitions
- 14.2(217,234) Identifying counties with liabilities
- 14.3(217,234) List of counties with amounts owed
- 14.4(217,234) Notification to county regarding offset
- 14.5(217,234) Implementing the final decision
- 14.6(217,234) Offset completed

CHAPTER 15
RESOLUTION OF LEGAL SETTLEMENT DISPUTES

- 15.1(225C) Definitions
- 15.2(225C) Assertion of legal settlement dispute
- 15.3(225C) Response to dispute notification
- 15.4(225C) Contested case hearing
- 15.5(225C) Change in determination

TITLE II

CHAPTERS 16 to 21

Reserved

TITLE III
MENTAL HEALTH

CHAPTER 22
AUTISM SUPPORT PROGRAM

- 22.1(225D) Definitions
- 22.2(225D) Eligibility and application requirements
- 22.3(225D) Cost-sharing requirements and graduated schedule of cost sharing
- 22.4(225D) Review of financial eligibility, cost-sharing requirements, exemption from cost sharing, and disenrollment in the program
- 22.5(225D) Initial service authorization and renewal of service authorization
- 22.6(225D) Provider network

- 22.7(225D) Financial management of the program
- 22.8(225D) Appeal

CHAPTER 23
 MENTAL HEALTH AND DISABILITY SERVICES
 REDESIGN TRANSITION FUND

- 23.1(225C,84GA,SF2315) Definitions
- 23.2(225C,84GA,SF2315) Eligibility
- 23.3(225C,84GA,SF2315) Application requirements
- 23.4(225C,84GA,SF2315) Guidelines for the management of transition funds
- 23.5(225C,84GA,SF2315) Allocation of transition funds

CHAPTER 24
 ACCREDITATION OF PROVIDERS OF SERVICES TO PERSONS WITH MENTAL ILLNESS,
 INTELLECTUAL DISABILITIES, OR DEVELOPMENTAL DISABILITIES

DIVISION I
 SERVICES FOR INDIVIDUALS WITH DISABILITIES

- 24.1(225C) Definitions
- 24.2(225C) Standards for policy and procedures
- 24.3(225C) Standards for organizational activities
- 24.4(225C) Standards for services
- 24.5(225C) Accreditation
- 24.6(225C) Deemed status
- 24.7(225C) Complaint process
- 24.8(225C) Appeal procedure
- 24.9(225C) Exceptions to policy
- 24.10 to 24.19 Reserved

DIVISION II
 CRISIS RESPONSE SERVICES

- 24.20(225C) Definitions
- 24.21(225C) Standards for crisis response services
- 24.22(225C) Standards for policies and procedures
- 24.23(225C) Standards for organizational activities
- 24.24(225C) Standards for crisis response staff
- 24.25(225C) Standards for services
- 24.26(225C) Accreditation
- 24.27(225C) Deemed status
- 24.28(225C) Complaint process
- 24.29(225C) Appeal procedure
- 24.30(225C) Exceptions to policy
- 24.31(225C) Standards for individual crisis response services
- 24.32(225C) Crisis evaluation
- 24.33(225C) Twenty-four-hour crisis response
- 24.34(225C) Twenty-four-hour crisis line
- 24.35(225C) Warm line
- 24.36(225C) Mobile response
- 24.37(225C) Twenty-three-hour crisis observation and holding
- 24.38(225C) Crisis stabilization community-based services (CSCBS)
- 24.39(225C) Crisis stabilization residential services (CSRS)
- 24.40(225C) Medication—administration, storage and documentation

CHAPTER 25
DISABILITY SERVICES MANAGEMENT

DIVISION I
REGIONAL SERVICES

25.1(331)	Definitions
25.2(331)	Core service domains
25.3(331)	Implementation dates
25.4(331)	Access standards
25.5(331)	Practices
25.6(331)	Intensive mental health services
25.7(331)	Non-core services
25.8 to 25.10	Reserved

DIVISION II
REGIONAL SERVICE SYSTEM

25.11(331)	Definitions
25.12(331)	Regional governance structure
25.13(331)	Regional finances
25.14(331)	Regional governance agreement
25.15(331)	Eligibility, diagnosis, and functional assessment criteria
25.16(331)	Financial eligibility requirements
25.17(331)	Exempted counties
25.18(331)	Annual service and budget plan
25.19(331)	Annual service and budget plan approval
25.20(331)	Annual report
25.21(331)	Policies and procedures manual for the regional service system
25.22 to 25.40	Reserved

DIVISION III
MINIMUM DATA SET

25.41(331)	Minimum data set
25.42 to 25.50	Reserved

DIVISION IV
INCENTIVE AND EFFICIENCY POOL FUNDING

25.51(77GA, HF2545)	Desired results areas
25.52(77GA, HF2545)	Methodology for applying for incentive funding
25.53(77GA, HF2545)	Methodology for awarding incentive funding
25.54(77GA, HF2545)	Subsequent year performance factors
25.55(77GA, HF2545)	Phase-in provisions
25.56 to 25.60	Reserved

DIVISION V
RISK POOL FUNDING

25.61(426B)	Definitions
25.62(426B)	Risk pool board
25.63(426B)	Application process
25.64(426B)	Methodology for awarding risk pool funding
25.65(426B)	Repayment provisions
25.66(426B)	Appeals
25.67 to 25.70	Reserved

DIVISION VI
TOBACCO SETTLEMENT FUND RISK POOL FUNDING

25.71(78GA, ch1221)	Definitions
25.72(78GA, ch1221)	Risk pool board

25.73(78GA,ch1221)	Rate-setting process
25.74(78GA,ch1221)	Application process
25.75(78GA,ch1221)	Methodology for awarding tobacco settlement fund risk pool funding
25.76(78GA,ch1221)	Repayment provisions
25.77(78GA,ch1221)	Appeals
25.78 to 25.80	Reserved

DIVISION VII
COMMUNITY MENTAL HEALTH CENTER WAIVER REQUEST

25.81(225C)	Waiver request
25.82 to 25.90	Reserved

DIVISION VIII

25.91 to 25.94	Reserved
----------------	----------

DIVISION IX
DATA SUBMISSION TO DETERMINE MEDICAID OFFSET FOR COUNTIES

25.95(426B)	Definitions
25.96(426B)	Data to determine Medicaid offset
25.97 to 25.100	Reserved

DIVISION X
MENTAL HEALTH ADVOCATES

25.101(229)	Definitions
25.102(229)	Advocate appointment and qualifications
25.103(229)	Advocate assignment
25.104(229)	Advocate responsibilities
25.105(229)	County responsibilities
25.106(229)	Data collection requirements
25.107(229)	Quality assurance system

CHAPTERS 26 and 27

Reserved

CHAPTER 28
POLICIES FOR MENTAL HEALTH
INSTITUTES AND RESOURCE CENTERS

28.1(218)	Definitions
28.2(218,222)	Selection of facility
28.3	Reserved
28.4(225C,229)	Grievances
28.5(217,218)	Photographing and recording of individuals and use of cameras
28.6(217,218)	Interviews and statements
28.7(218)	Use of grounds, facilities, or equipment

28.9(218)	Donations
28.10 and 28.11	Reserved
28.12(217)	Release of confidential information
28.13(218)	Applying county institutional credit balances

CHAPTER 29
MENTAL HEALTH INSTITUTES

29.1(218)	Catchment areas
29.2(218,229)	Voluntary admissions
29.3(229,230)	Certification of county of residence
29.4(218,230)	Charges for care

- 29.5(229) Authorization for treatment
- 29.6(217,228,229) Rights of individuals
- 29.7(218) Visiting

CHAPTER 30
STATE RESOURCE CENTERS

- 30.1(218,222) Catchment areas
- 30.2(218,222) Admission
- 30.3(222) Non-Medicaid payment-eligible individuals
- 30.4(222) Liability for support
- 30.5(217,218,225C) Rights of individuals
- 30.6(218) Visiting

CHAPTER 31
CIVIL COMMITMENT UNIT

- 31.1(229A) Definitions
- 31.2(229A) Visitation
- 31.3(229A) Group visitation
- 31.4(229A) Grievances
- 31.5(229A) Photographing and recording individuals
- 31.6(229A) Release of information
- 31.7(229A) Communication with individuals
- 31.8(229A) Building and grounds
- 31.9(8,218) Gifts and bequests
- 31.10(229A) Cost of care

CHAPTERS 32 and 33
Reserved

CHAPTER 34
ALTERNATIVE DIAGNOSTIC FACILITIES

- 34.1(225C) Definitions
- 34.2(225C) Function
- 34.3(225C) Standards

CHAPTER 35
Reserved

CHAPTER 36
FACILITY ASSESSMENTS

DIVISION I
ASSESSMENT FEE FOR INTERMEDIATE CARE FACILITIES FOR PERSONS WITH AN INTELLECTUAL DISABILITY

- 36.1(249A) Assessment of fee
- 36.2(249A) Determination and payment of fee
- 36.3 Reserved
- 36.4(249A) Termination of fee assessment
- 36.5 Reserved

- DIVISION II
QUALITY ASSURANCE ASSESSMENT FOR NURSING FACILITIES
- 36.6(249L) Assessment
 - 36.7(249L) Determination and payment of assessment
 - 36.8 and 36.9 Reserved

DIVISION III
HEALTH CARE ACCESS ASSESSMENT FOR HOSPITALS

- 36.10(249M) Application of assessment
36.11(249M) Determination and payment of assessment
36.12(249M) Termination of health care access assessment

CHAPTER 37
Reserved

CHAPTER 38
DEVELOPMENTAL DISABILITIES BASIC STATE GRANT

- 38.1(225C,217) Definitions
38.2(225C,217) Program eligibility
38.3(225C,217) Contracts
38.4(225C,217) Conflict of interest policy

73.13(249A)	Appeal to department
73.14(249A)	Continuation of benefits
73.15(249A)	Grievances
73.16(249A)	Written record
73.17(249A)	Information concerning procedures relating to the review of managed care organization decisions and actions
73.18(249A)	Records and reports
73.19(249A)	Audits
73.20(249A)	Marketing
73.21(249A)	Enrollee education
73.22(249A)	Payment to the managed care organization
73.23(249A)	Claims payment by the managed care organization
73.24(249A)	Quality assurance
73.25(249A)	Certifications and program integrity

CHAPTER 74

IOWA HEALTH AND WELLNESS PLAN

74.1(249A,85GA,SF446)	Definitions
74.2(249A,85GA,SF446)	Eligibility factors
74.3(249A,85GA,SF446)	Application
74.4(249A,85GA,SF446)	Financial eligibility
74.5(249A,85GA,SF446)	Enrollment period
74.6(249A,85GA,SF446)	Reporting changes
74.7(249A,85GA,SF446)	Reenrollment
74.8(249A,85GA,SF446)	Terminating enrollment
74.9(249A,85GA,SF446)	Recovery
74.10(249A,85GA,SF446)	Right to appeal
74.11(249A,85GA,SF446)	Financial participation
74.12(249A,85GA,SF446)	Benefits and service delivery

74.13(249A,85GA,SF446) Claims and reimbursement methodologies

74.14(249A,85GA,SF446) Discontinuance of program

CHAPTER 75 CONDITIONS OF ELIGIBILITY

DIVISION I

GENERAL CONDITIONS OF ELIGIBILITY, COVERAGE GROUPS, AND SSI-RELATED PROGRAMS

75.1(249A)	Persons covered
75.2(249A)	Medical resources
75.3(249A)	Acceptance of other financial benefits
75.4(249A)	Medical assistance lien
75.5(249A)	Determination of countable income and resources for persons in a medical institution
75.6(249A)	Entrance fee for continuing care retirement community or life care community
75.7(249A)	Furnishing of social security number
75.8(249A)	Medical assistance corrective payments
75.9(249A)	Treatment of Medicaid qualifying trusts
75.10(249A)	Residency requirements
75.11(249A)	Citizenship or alienage requirements
75.12(249A)	Inmates of public institutions
75.13(249A)	Categorical relatedness
75.14(249A)	Establishing paternity and obtaining support
75.15(249A)	Disqualification for long-term care assistance due to substantial home equity
75.16(249A)	Client participation in payment for medical institution care
75.17(249A)	Verification of pregnancy
75.18(249A)	Continuous eligibility for pregnant women
75.19(249A)	Continuous eligibility for children
75.20(249A)	Disability requirements for SSI-related Medicaid
75.21(249A)	Health insurance premium payment (HIP) program
75.22(249A)	AIDS/HIV health insurance premium payment program
75.23(249A)	Disposal of assets for less than fair market value after August 10, 1993
75.24(249A)	Treatment of trusts established after August 10, 1993
75.25(249A)	Definitions
75.26	Reserved
75.27(249A)	AIDS/HIV settlement payments
75.28(249A)	Recovery
75.29(249A)	Investigation by quality control or the department of inspections and appeals
75.30 to 75.49	Reserved

DIVISION II

ELIGIBILITY FACTORS SPECIFIC TO COVERAGE GROUPS RELATED TO THE FAMILY MEDICAL ASSISTANCE PROGRAM (FMAP)

75.50(249A)	Definitions
75.51	Reserved
75.52(249A)	Continuing eligibility
75.53(249A)	Iowa residency policies specific to FMAP and FMAP-related coverage groups
75.54(249A)	Eligibility factors specific to child
75.55(249A)	Eligibility factors specific to specified relatives
75.56(249A)	Resources
75.57(249A)	Income
75.58(249A)	Need standards

- 75.59(249A) Persons who may be voluntarily excluded from the eligible group when determining eligibility for the family medical assistance program (FMAP) and FMAP-related coverage groups
- 75.60(249A) Pending SSI approval
- 75.61 to 75.69 Reserved

DIVISION III
FINANCIAL ELIGIBILITY BASED ON MODIFIED ADJUSTED GROSS INCOME (MAGI)

- 75.70(249A) Financial eligibility based on modified adjusted gross income (MAGI)
- 75.71(249A) Income limits

CHAPTER 76
ENROLLMENT AND REENROLLMENT

- 76.1(249A) Definitions
- 76.2(249A) Application with the department
- 76.3(249A) Referrals from a health insurance marketplace
- 76.4(249A) Express lane eligibility
- 76.5(249A) Enrollment through SSI
- 76.6(249A) Referral for Medicare savings program
- 76.7(249A) Presumptive eligibility
- 76.8(249A) Applicant responsibilities
- 76.9(249A) Responsible persons and authorized representatives
- 76.10(249A) Right to withdraw the application
- 76.11(249A) Choice of electronic notifications
- 76.12(249A) Application not required
- 76.13(249A) Initial enrollment
- 76.14(249A) Reenrollment
- 76.15(249A) Report of changes
- 76.16(249A) Action on information received
- 76.17(249A) Automatic redetermination of eligibility

CHAPTER 77
CONDITIONS OF PARTICIPATION FOR PROVIDERS
OF MEDICAL AND REMEDIAL CARE

- 77.1(249A) Physicians
- 77.2(249A) Retail pharmacies
- 77.3(249A) Hospitals
- 77.4(249A) Dentists
- 77.5(249A) Podiatrists
- 77.6(249A) Optometrists
- 77.7(249A) Opticians
- 77.8(249A) Chiropractors
- 77.9(249A) Home health agencies
- 77.10(249A) Medical equipment and appliances, prosthetic devices and medical supplies
- 77.11(249A) Ambulance service
- 77.12(249A) Behavioral health intervention
- 77.13(249A) Hearing aid dispensers
- 77.14(249A) Audiologists
- 77.15(249A) Community mental health centers
- 77.16(249A) Screening centers
- 77.17(249A) Physical therapists
- 77.18(249A) Orthopedic shoe dealers and repair shops
- 77.19(249A) Rehabilitation agencies

77.20(249A)	Independent laboratories
77.21(249A)	Rural health clinics
77.22(249A)	Psychologists
77.23(249A)	Maternal health centers
77.24(249A)	Ambulatory surgical centers
77.25(249A)	Home- and community-based habilitation services
77.26(249A)	Behavioral health services
77.27(249A)	Birth centers
77.28(249A)	Area education agencies
77.29(249A)	Case management provider organizations
77.30(249A)	HCBS health and disability waiver service providers
77.31(249A)	Occupational therapists
77.32(249A)	Hospice providers
77.33(249A)	HCBS elderly waiver service providers
77.34(249A)	HCBS AIDS/HIV waiver service providers
77.35(249A)	Federally qualified health centers
77.36(249A)	Advanced registered nurse practitioners
77.37(249A)	Home- and community-based services intellectual disability waiver service providers
77.38(249A)	Assertive community treatment
77.39(249A)	HCBS brain injury waiver service providers
77.40(249A)	Lead inspection agencies
77.41(249A)	HCBS physical disability waiver service providers
77.42(249A)	Public health agencies
77.43(249A)	Infant and toddler program providers
77.44(249A)	Local education agency services providers
77.45(249A)	Indian health facilities
77.46(249A)	HCBS children's mental health waiver service providers
77.47(249A)	Health home services providers
77.48(249A)	Speech-language pathologists
77.49(249A)	Physician assistants
77.50(249A)	Ordering and referring providers
77.51(249A)	Child care medical services
77.52(249A)	Community-based neurobehavioral rehabilitation services
77.53(249A)	Qualified Medicare beneficiary (QMB) providers
77.54(249A)	Health insurance premium payment (HIPP) providers
77.55(249A)	Crisis response services
77.56(249A)	Subacute mental health services

CHAPTER 78

AMOUNT, DURATION AND SCOPE OF MEDICAL AND REMEDIAL SERVICES

78.1(249A)	Physicians' services
78.2(249A)	Prescribed outpatient drugs
78.3(249A)	Inpatient hospital services
78.4(249A)	Dentists
78.5(249A)	Podiatrists
78.6(249A)	Optometrists
78.7(249A)	Opticians
78.8(249A)	Chiropractors
78.9(249A)	Home health agencies
78.10(249A)	Durable medical equipment (DME), prosthetic devices and medical supplies

78.11(249A)	Ambulance service
78.12(249A)	Behavioral health intervention
78.13(249A)	Nonemergency medical transportation
78.14(249A)	Hearing aids
78.15(249A)	Orthopedic shoes
78.16(249A)	Community mental health centers
78.17(249A)	Physical therapists
78.18(249A)	Screening centers
78.19(249A)	Rehabilitation agencies
78.20(249A)	Independent laboratories
78.21(249A)	Rural health clinics
78.22(249A)	Family planning clinics
78.23(249A)	Other clinic services
78.24(249A)	Psychologists
78.25(249A)	Maternal health centers
78.26(249A)	Ambulatory surgical center services
78.27(249A)	Home- and community-based habilitation services
78.28(249A)	List of medical services and equipment requiring prior authorization, preprocedure review or preadmission review
78.29(249A)	Behavioral health services
78.30(249A)	Birth centers
78.31(249A)	Hospital outpatient services
78.32(249A)	Area education agencies
78.33(249A)	Case management services
78.34(249A)	HCBS ill and handicapped waiver services
78.35(249A)	Occupational therapist services
78.36(249A)	Hospice services
78.37(249A)	HCBS elderly waiver services
78.38(249A)	HCBS AIDS/HIV waiver services
78.39(249A)	Federally qualified health centers
78.40(249A)	Advanced registered nurse practitioners
78.41(249A)	HCBS intellectual disability waiver services
78.42(249A)	Pharmacies administering influenza vaccine to children
78.43(249A)	HCBS brain injury waiver services
78.44(249A)	Lead inspection services
78.45(249A)	Assertive community treatment
78.46(249A)	Physical disability waiver service
78.47(249A)	Pharmaceutical case management services
78.48(249A)	Public health agencies
78.49(249A)	Infant and toddler program services
78.50(249A)	Local education agency services
78.51(249A)	Indian health service 638 facility services
78.52(249A)	HCBS children's mental health waiver services
78.53(249A)	Health home services
78.54(249A)	Speech-language pathology services
78.55(249A)	Services rendered via telehealth
78.56(249A)	Community-based neurobehavioral rehabilitation services
78.57(249A)	Child care medical services
78.58(249A)	Qualified Medicare beneficiary (QMB) provider services
78.59(249A)	Health insurance premium payment (HIP) provider services
78.60(249A)	Crisis response services
78.61(249A)	Subacute mental health services

CHAPTER 79
OTHER POLICIES RELATING TO PROVIDERS OF
MEDICAL AND REMEDIAL CARE

79.1(249A)	Principles governing reimbursement of providers of medical and health services
79.2(249A)	Sanctions
79.3(249A)	Maintenance of records by providers of service
79.4(249A)	Reviews and audits
79.5(249A)	Nondiscrimination on the basis of handicap
79.6(249A)	Provider participation agreement
79.7(249A)	Medical assistance advisory council
79.8(249A)	Requests for prior authorization
79.9(249A)	General provisions for Medicaid coverage applicable to all Medicaid providers and services
79.10(249A)	Requests for preadmission review
79.11(249A)	Requests for preprocedure surgical review
79.12(249A)	Advance directives
79.13(249A)	Requirements for enrolled Medicaid providers supplying laboratory services
79.14(249A)	Provider enrollment
79.15(249A)	Education about false claims recovery
79.16(249A)	Electronic health record incentive program

CHAPTER 80
PROCEDURE AND METHOD OF PAYMENT

80.1	Reserved
80.2(249A)	Submission of claims
80.3(249A)	Payment from other sources
80.4(249A)	Time limit for submission of claims and claim adjustments
80.5(249A)	Authorization process
80.6(249A)	Payment to provider—exception
80.7(249A)	Health care data match program

CHAPTER 81
NURSING FACILITIES

DIVISION I
GENERAL POLICIES

81.1(249A)	Definitions
81.2	Reserved
81.3(249A)	Initial approval for nursing facility care
81.4(249A)	Arrangements with residents
81.5(249A)	Discharge and transfer
81.6(249A)	Financial and statistical report and determination of payment rate
81.7(249A)	Continued review
81.8	Reserved
81.9(249A)	Records
81.10(249A)	Payment procedures
81.11(249A)	Billing procedures
81.12(249A)	Closing of facility
81.13(249A)	Conditions of participation for nursing facilities
81.14(249A)	Audits
81.15	Reserved
81.16(249A)	Nurse aide requirements and training and testing programs
81.17	Reserved

81.18(249A)	Sanctions
81.19	Reserved
81.20(249A)	Out-of-state facilities
81.21(249A)	Outpatient services
81.22(249A)	Rates for Medicaid eligibles
81.23(249A)	State-funded personal needs supplement
81.24 to 81.30	Reserved

DIVISION II
ENFORCEMENT OF COMPLIANCE

81.31(249A)	Definitions
81.32(249A)	General provisions
81.33(249A)	Factors to be considered in selecting remedies
81.34(249A)	Available remedies
81.35(249A)	Selection of remedies
81.36(249A)	Action when there is immediate jeopardy
81.37(249A)	Action when there is no immediate jeopardy
81.38(249A)	Action when there is repeated substandard quality of care
81.39(249A)	Temporary management
81.40(249A)	Denial of payment for all new admissions
81.41(249A)	Secretarial authority to deny all payments
81.42(249A)	State monitoring
81.43(249A)	Directed plan of correction
81.44(249A)	Directed in-service training
81.45(249A)	Closure of a facility or transfer of residents, or both
81.46(249A)	Civil money penalties—basis for imposing penalty
81.47(249A)	Civil money penalties—when penalty is collected
81.48(249A)	Civil money penalties—notice of penalty
81.49(249A)	Civil money penalties—waiver of hearing, reduction of penalty amount
81.50(249A)	Civil money penalties—amount of penalty
81.51(249A)	Civil money penalties—effective date and duration of penalty
81.52(249A)	Civil money penalties—due date for payment of penalty
81.53(249A)	Use of penalties collected by the department
81.54(249A)	Continuation of payments to a facility with deficiencies
81.55(249A)	State and federal disagreements involving findings not in agreement when there is no immediate jeopardy
81.56(249A)	Duration of remedies
81.57(249A)	Termination of provider agreement

CHAPTER 82
INTERMEDIATE CARE FACILITIES FOR PERSONS
WITH AN INTELLECTUAL DISABILITY

82.1(249A)	Definition
82.2(249A)	Licensing and certification
82.3(249A)	Conditions of participation for intermediate care facilities for persons with an intellectual disability
82.4	Reserved
82.5(249A)	Financial and statistical report
82.6(249A)	Eligibility for services
82.7(249A)	Initial approval for ICF/ID care
82.8(249A)	Determination of need for continued stay
82.9(249A)	Arrangements with residents
82.10(249A)	Discharge and transfer

82.11 and 82.12	Reserved
82.13(249A)	Records
82.14(249A)	Payment procedures
82.15(249A)	Billing procedures
82.16(249A)	Closing of facility
82.17(249A)	Audits
82.18(249A)	Out-of-state facilities
82.19(249A)	State-funded personal needs supplement

CHAPTER 83 MEDICAID WAIVER SERVICES

DIVISION I—HCBS HEALTH AND DISABILITY WAIVER SERVICES

83.1(249A)	Definitions
83.2(249A)	Eligibility
83.3(249A)	Application
83.4(249A)	Financial participation
83.5(249A)	Redetermination
83.6(249A)	Allowable services
83.7(249A)	Service plan
83.8(249A)	Adverse service actions
83.9(249A)	Appeal rights
83.10 to 83.20	Reserved

DIVISION II—HCBS ELDERLY WAIVER SERVICES

83.21(249A)	Definitions
83.22(249A)	Eligibility
83.23(249A)	Application
83.24(249A)	Client participation
83.25(249A)	Redetermination
83.26(249A)	Allowable services
83.27(249A)	Service plan
83.28(249A)	Adverse service actions
83.29(249A)	Appeal rights
83.30(249A)	Enhanced services
83.31 to 83.40	Reserved

DIVISION III—HCBS AIDS/HIV WAIVER SERVICES

83.41(249A)	Definitions
83.42(249A)	Eligibility
83.43(249A)	Application

83.129(249A)	Appeal rights

CHAPTER 84

EARLY AND PERIODIC SCREENING, DIAGNOSIS, AND TREATMENT

84.1(249A)	Definitions
84.2(249A)	Eligibility
84.3(249A)	Screening services
84.4(249A)	Referral
84.5(249A)	Follow up

CHAPTER 85
SERVICES IN PSYCHIATRIC INSTITUTIONS

DIVISION I
PSYCHIATRIC HOSPITALS

- 85.1(249A) Acute care in psychiatric hospitals
- 85.2(249A) Out-of-state placement
- 85.3(249A) Eligibility of persons under the age of 21
- 85.4(249A) Eligibility of persons aged 65 and over
- 85.5(249A) Client participation
- 85.6(249A) Responsibilities of hospitals
- 85.7(249A) Psychiatric hospital reimbursement
- 85.8(249A,81GA,ch167) Eligibility of persons aged 21 through 64
- 85.9 to 85.20 Reserved

DIVISION II
PSYCHIATRIC MEDICAL INSTITUTIONS FOR CHILDREN

- 85.21(249A) Conditions for participation
- 85.22(249A) Eligibility of persons under the age of 21
- 85.23(249A) Client participation
- 85.24(249A) Responsibilities of facilities
- 85.25(249A) Reimbursement to psychiatric medical institutions for children
- 85.26(249A) Outpatient day treatment for persons aged 20 or under
- 85.27 to 85.40 Reserved

DIVISION III
NURSING FACILITIES FOR PERSONS WITH MENTAL ILLNESS

- 85.41(249A) Conditions of participation
- 85.42(249A) Out-of-state placement
- 85.43(249A) Eligibility of persons aged 65 and over
- 85.44(249A) Client participation
- 85.45(249A) Responsibilities of nursing facility
- 85.46(249A) Policies governing reimbursement
- 85.47(249A) State-funded personal needs supplement

CHAPTER 86
HEALTHY AND WELL KIDS IN IOWA (HAWK-I) PROGRAM

- 86.1(514I) Definitions
- 86.2(514I) Eligibility factors
- 86.3(514I) Application process
- 86.4(514I) Coordination with Medicaid
- 86.5(514I) Effective date of coverage
- 86.6(514I) Selection of a plan
- 86.7(514I) Cancellation
- 86.8(514I) Premiums and copayments
- 86.9(514I) Annual reviews of eligibility
- 86.10(514I) Reporting changes
- 86.11(514I) Notice requirements
- 86.12(514I) Appeals and fair hearings
- 86.13(514I) Third-party administrator
- 86.14(514I) Covered services
- 86.15(514I) Participating health and dental plans
- 86.16(514I) Clinical advisory committee
- 86.17(514I) Use of donations to the HAWK-I program
- 86.18(505) Health insurance data match program

- 86.19(514I) Recovery
- 86.20(514I) Supplemental dental-only coverage

CHAPTER 87
FAMILY PLANNING PROGRAM

- 87.1(217) Definitions
- 87.2(217) Eligibility
- 87.3(217) Enrollment
- 87.4(217) Effective date of eligibility
- 87.5(217) Period of eligibility
- 87.6(217) Reporting changes
- 87.7(217) Funding of family planning services program
- 87.8(217) Availability of services
- 87.9(217) Payment of covered services
- 87.10(217) Submission of claims
- 87.11(217) Providers eligible to participate

CHAPTER 88
SPECIALIZED MANAGED CARE PROGRAMS

DIVISION I
PREPAID HEALTH PLANS

- 88.1(249A) Definitions
- 88.2(249A) Participation
- 88.3(249A) Enrollment
- 88.4(249A) Disenrollment
- 88.5(249A) Covered services
- 88.6(249A) Emergency services
- 88.7(249A) Access to service
- 88.8(249A) Grievance procedures
- 88.9(249A) Records and reports
- 88.10(249A) Marketing
- 88.11(249A) Patient education
- 88.12(249A) Payment to the PHP
- 88.13(249A) Quality assurance
- 88.14 to 88.20 Reserved

DIVISION II
PROGRAMS OF ALL-INCLUSIVE CARE FOR THE ELDERLY

- 88.21(249A) Scope and definitions
- 88.22(249A) PACE organization application and waiver process
- 88.23(249A) PACE program agreement
- 88.24(249A) Enrollment and disenrollment
- 88.25(249A) Program services
- 88.26(249A) Access to PACE services
- 88.27(249A) Program administrative requirements
- 88.28(249A) Payment

CHAPTER 89
DEBTS DUE FROM TRANSFERS OF ASSETS

- 89.1(249F) Definitions
- 89.2(249F) Creation of debt
- 89.3(249F) Exceptions
- 89.4(249F) Presumption of intent
- 89.5(249F) Notice of debt

- 89.6(249F) No timely request of a hearing
- 89.7(249F) Timely request for a hearing
- 89.8(249F) Department-requested hearing
- 89.9(249F) Filing and docketing of the order
- 89.10(249F) Exemption from Iowa Code chapter 17A

CHAPTER 90

TARGETED CASE MANAGEMENT

- 90.1(249A) Definitions
- 90.2(249A) Eligibility
- 90.3(249A) Determination of need for service
- 90.4(249A) Application
- 90.5(249A) Service provision
- 90.6(249A) Terminating services
- 90.7(249A) Appeal rights
- 90.8(249A) Provider requirements

CHAPTER 91

MEDICARE DRUG SUBSIDY

- 91.1(249A) Definitions
- 91.2(249A) Application
- 91.3(249A) Eligibility determination
- 91.4(249A) Notice of decision
- 91.5(249A) Effective date
- 91.6(249A) Changes in circumstances
- 91.7(249A) Reinvestigation
- 91.8(249A) Appeals

CHAPTER 92

Reserved

TITLE IX

WORK INCENTIVE DEMONSTRATION

CHAPTER 93

PROMISE JOBS PROGRAM

- 93.1(239B) Definitions
- 93.2(239B) Program administration
- 93.3(239B) Registration and referral
- 93.4(239B) The family investment agreement (FIA)
- 93.5(239B) Assessment
- 93.6(239B) Job readiness and job search activities
- 93.7(239B) Work activities
- 93.8(239B) Education and training activities
- 93.9(239B) Other FIA activities
- 93.10(239B) Required documentation and verification
- 93.11(239B) Supportive payments
- 93.12(239B) Recovery of PROMISE JOBS expense payments
- 93.13(239B) Resolution of participation issues
- 93.14(239B) Problems that may provide good cause for participation issues
- 93.15(239B) Right of appeal
- 93.16(239B) Resolution of a limited benefit plan
- 93.17(239B) Worker displacement grievance procedure

TITLE X

SUPPORT RECOVERY

CHAPTER 95

COLLECTIONS

95.1(252B)	Definitions
95.2(252B)	Child support recovery eligibility and services
95.3(252B)	Crediting of current and delinquent support
95.4(252B)	Prepayment of support
95.5(252B)	Lump sum settlement
95.6(252B)	Offset against state income tax refund or rebate
95.7(252B)	Offset against federal income tax refund and federal nontax payment
95.8(96)	Child support offset of unemployment insurance benefits
95.9 to 95.11	Reserved
95.12(252B)	Procedures for providing information to consumer reporting agencies
95.13(17A)	Appeals
95.14(252B)	Termination of services
95.15(252B)	Child support recovery unit attorney
95.16(252B)	Handling and use of federal 1099 information
95.17(252B)	Effective date of support
95.18(252B)	Continued services available to canceled family investment program (FIP) or Medicaid recipients
95.19(252B)	Cooperation of public assistance recipients in establishing and obtaining support
95.20(252B)	Cooperation of public assistance applicants in establishing and obtaining support
95.21(252B)	Cooperation in establishing and obtaining support in nonpublic assistance cases
95.22(252B)	Charging pass-through fees
95.23(252B)	Reimbursing assistance with collections of assigned support
95.24(252B)	Child support account
95.25(252B)	Emancipation verification

CHAPTER 96

INFORMATION AND RECORDS

96.1(252B)	Access to information and records from other sources
96.2(252B)	Refusal to comply with written request or subpoena
96.3(252B)	Procedure for refusal
96.4(252B)	Conference conducted
96.5(252B)	Fine assessed
96.6(252B)	Objection to fine or failure to pay

CHAPTER 97

COLLECTION SERVICES CENTER

97.1(252B)	Definitions
97.2(252B)	Transfer of records and payments
97.3(252B)	Support payment records
97.4(252B)	Method of payment
97.5(252D)	Electronic transmission of payments
97.6(252B)	Authorization of payment
97.7(252B)	Processing misdirected payments

CHAPTER 98
SUPPORT ENFORCEMENT SERVICES

DIVISION I
MEDICAL SUPPORT ENFORCEMENT

98.1(252E)	Definitions
98.2(252E)	Provision of services
98.3 and 98.4	Reserved
98.5(252E)	Health benefit plan information
98.6(252E)	Insurer authorization
98.7(252E)	Enforcement
98.8(252E)	Contesting the order
98.9 to 98.20	Reserved

DIVISION II
INCOME WITHHOLDING
PART A
DELINQUENT SUPPORT PAYMENTS

98.21(252D)	When applicable
98.22 and 98.23	Reserved
98.24(252D)	Amount of withholding
98.25(252D)	Amendment of amount of withholding due to hardship
98.26(252D)	Additional information about hardship
98.27 to 98.30	Reserved

PART B
IMMEDIATE INCOME WITHHOLDING

98.31(252D)	Effective date
98.32(252D)	Withholding automatic
98.33	Reserved
98.34(252D)	Approval of request for immediate income withholding
98.35	Reserved
98.36(252D)	Immediate income withholding amounts
98.37(252D)	Immediate income withholding amounts when current support has ended
98.38	Reserved

PART C
INCOME WITHHOLDING—GENERAL PROVISIONS

98.39(252D,252E)	Provisions for medical support
98.40(252D,252E)	Maximum amounts to be withheld
98.41(252D)	Multiple obligations
98.42(252D)	Notice to employer and obligor
98.43(252D)	Contesting the withholding
98.44(252D)	Termination of order
98.45(252D)	Modification of income withholding
98.46(252D)	Refunds of amounts improperly withheld
98.47 to 98.50	Reserved

DIVISION III
REVIEW AND ADJUSTMENT OF CHILD SUPPORT OBLIGATIONS

98.51 to 98.60	Reserved
----------------	----------

DIVISION IV
PUBLICATION OF NAMES

98.61(252B)	List for publication
98.62(252B)	Releasing the list
98.63 to 98.70	Reserved

DIVISION V
ADMINISTRATIVE SEEK EMPLOYMENT ORDERS

98.71(252B)	Seek employment order
98.72(252B)	Effective date of order
98.73(252B)	Method and requirements of reporting
98.74(252B)	Reasons for noncompliance
98.75(252B)	Method of service
98.76(252B)	Duration of order
98.77 to 98.80	Reserved

DIVISION VI
DEBTOR OFFSET

98.81(252B)	Offset against payment owed to a person by a state agency
98.82 to 98.90	Reserved

DIVISION VII
ADMINISTRATIVE LEVY

98.91(252I)	Administrative levy
98.92	Reserved
98.93(252I)	Verification of accounts
98.94(252I)	Notice to financial institution
98.95(252I)	Notice to support obligor
98.96(252I)	Responsibilities of financial institution
98.97(252I)	Challenging the administrative levy
98.98 to 98.100	Reserved

DIVISION VIII
LICENSE SANCTION

98.101(252J)	Referral for license sanction
98.102(252J)	Reasons for exemption
98.103(252J)	Notice of potential sanction of license
98.104(252J)	Conference
98.105(252J)	Payment agreement
98.106(252J)	Staying the process due to full payment of support
98.107(252J)	Duration of license sanction
98.108 to 98.120	Reserved

DIVISION IX
EXTERNAL ENFORCEMENT

98.121(252B)	Difficult-to-collect arrearages
98.122(252B)	Enforcement services by private attorney entitled to state compensation

CHAPTER 99
SUPPORT ESTABLISHMENT AND ADJUSTMENT SERVICES

DIVISION I
CHILD SUPPORT GUIDELINES

99.1(234,252B,252H)	Income considered
99.2(234,252B)	Allowable deductions
99.3(234,252B)	Determining net income
99.4(234,252B)	Applying the guidelines
99.5(234,252B)	Deviation from guidelines
99.6 to 99.9	Reserved

DIVISION II
PATERNITY ESTABLISHMENT
PART A
JUDICIAL PATERNITY ESTABLISHMENT

99.10(252A) Temporary support
99.11 to 99.20 Reserved

PART B
ADMINISTRATIVE PATERNITY ESTABLISHMENT

99.21(252F) When paternity may be established administratively
99.22(252F) Mother's certified statement
99.23(252F) Notice of alleged paternity and support debt
99.24(252F) Conference to discuss paternity and support issues
99.25(252F) Amount of support obligation
99.26(252F) Court hearing
99.27(252F) Paternity contested
99.28(252F) Paternity test results challenge
99.29(252F) Agreement to entry of paternity and support order
99.30(252F) Entry of order establishing paternity only
99.31(252F) Exception to time limit
99.32(252F) Genetic test costs assessed
99.33 to 99.35 Reserved

PART C
PATERNITY DISESTABLISHMENT

99.36(598,600B) Definitions
99.37(598,600B) Communication between parents
99.38(598,600B) Continuation of enforcement
99.39(598,600B) Satisfaction of accrued support
99.40 Reserved

DIVISION III
ADMINISTRATIVE ESTABLISHMENT OF SUPPORT

99.41(252C) Establishment of an administrative order
99.42 to 99.60 Reserved

DIVISION IV
REVIEW AND ADJUSTMENT OF CHILD SUPPORT OBLIGATIONS

99.61(252B,252H) Definitions
99.62(252B,252H) Review of permanent child support obligations
99.63(252B,252H) Notice requirements
99.64(252B,252H) Financial information
99.65(252B,252H) Review and adjustment of a child support obligation
99.66(252B,252H) Medical support
99.67(252B,252H) Confidentiality of financial information
99.68(252B,252H) Payment of service fees and other court costs
99.69(252B,252H) Denying requests
99.70(252B,252H) Withdrawing requests
99.71(252H) Effective date of adjustment
99.72 to 99.80 Reserved

DIVISION V
ADMINISTRATIVE MODIFICATION

99.81(252H) Definitions
99.82(252H) Availability of service
99.83(252H) Modification of child support obligations
99.84(252H) Notice requirements

99.85(252H)	Financial information
99.86(252H)	Challenges to the proposed modification action
99.87(252H)	Misrepresentation of fact
99.88(252H)	Effective date of modification
99.89(252H)	Confidentiality of financial information
99.90(252H)	Payment of fees
99.91(252H)	Denying requests
99.92(252H)	Withdrawing requests
99.93 to 99.100	Reserved

DIVISION VI
SUSPENSION AND REINSTATEMENT OF SUPPORT
PART A
SUSPENSION BY MUTUAL CONSENT

99.101(252B)	Definitions
99.102(252B)	Availability of service
99.103(252B)	Basis for suspension of support
99.104(252B)	Request for assistance to suspend
99.105(252B)	Order suspending support
99.106(252B)	Suspension of enforcement of current support

PART B
SUSPENSION BY PAYOR'S REQUEST

99.107(252B)	Definitions
99.108(252B)	Availability of service
99.109(252B)	Basis for suspension of support
99.110(252B)	Request for assistance to suspend
99.111(252B)	Determining eligibility for suspension
99.112(252B)	Order suspending support
99.113(252B)	Suspension of enforcement of current support

PART C
REINSTATEMENT OF SUPPORT

99.114(252B)	Request for reinstatement
99.115(252B)	Reinstatement
99.116(252B)	Reinstatement of enforcement of support
99.117(252B)	Temporary suspension becomes final

CHAPTER 100
CHILD SUPPORT PROMOTING OPPORTUNITIES FOR PARENTS PROGRAM

100.1(252B)	Definitions
100.2(252B)	Incentives
100.3(252B)	Establishment of designated providers
100.4(252B)	Selection of designated providers
100.5(252B)	Termination of designated providers
100.6(252B)	Reports and records
100.7(252B)	Receipt of incentives

106.1(237C)	Definitions
106.2(237C)	Application of the standards
106.3(237C)	Application for a certificate of approval
106.4(237C)	Certificate of approval
106.5(237C)	Denial, suspension, or revocation
106.6(237C)	Providing for basic needs
106.7(237C)	Educational programs and services
106.8(237C)	Protection from mistreatment, physical abuse, sexual abuse, and neglect
106.9(237C)	Discipline
106.10(237C)	Record checks
106.11(237C)	Seclusion and restraints
106.12(237C)	Health
106.13(237C)	Safety
106.14(237C)	Emergencies
106.15(237C)	Buildings and physical premises
106.16(237C)	Sanitation, water, and waste disposal
106.17(237C)	Staffing
106.18(237C)	Reports and inspections
106.19(232)	Mandatory reporting of child abuse

CHAPTER 107

CERTIFICATION OF ADOPTION INVESTIGATORS

107.1(600)	Introduction
107.2(600)	Definitions
107.3(600)	Application
107.4(600)	Requirements for certification
107.5(600)	Granting, denial, or revocation of certification
107.6(600)	Certificate
107.7(600)	Renewal of certification
107.8(600)	Investigative services
107.9(600)	International adoptions postplacement report
107.10(600)	Retention of adoption records
107.11(600)	Reporting of violations
107.12(600)	Appeals

CHAPTER 108

LICENSING AND REGULATION OF CHILD-PLACING AGENCIES

108.1(238)	Definitions
108.2(238)	Licensing procedure
108.3(238)	Administration and organization
108.4(238)	Staff qualifications
108.5(238)	Staffing requirements
108.6(238)	Personnel administration
108.7(238)	Foster care services

- 108.8(238) Foster home studies
- 108.9(238) Adoption services
- 108.10(238) Supervised apartment living placement services

CHAPTER 109
CHILD CARE CENTERS

- 109.1(237A) Definitions
- 109.2(237A) Licensure procedures
- 109.3(237A) Inspection and evaluation
- 109.4(237A) Administration
- 109.5(237A) Parental participation
- 109.6(237A) Personnel
- 109.7(237A) Professional growth and development
- 109.8(237A) Staff ratio requirements
- 109.9(237A) Records
- 109.10(237A) Health and safety policies
- 109.11(237A) Physical facilities
- 109.12(237A) Activity program requirements
- 109.13(237A) Extended evening care
- 109.14(237A) Get-well center
- 109.15(237A) Food services

CHAPTER 110
CHILD DEVELOPMENT HOMES

- 110.1(237A) Definitions
- 110.2(237A) Application for registration
- 110.3(237A) Renewal of registration
- 110.4(237A) Compliance checks
- 110.5(237A) Parental access
- 110.6(237A) Number of children
- 110.7(237A) Provider requirements
- 110.8(237A) Standards
- 110.9(237A) Files
- 110.10(237A) Professional development
- 110.11(234) Registration decision
- 110.12(237A) Complaints
- 110.13(237A) Additional requirements for child development home category A
- 110.14(237A) Additional requirements for child development home category B
- 110.15(237A) Additional requirements for child development home category C
- 110.16(237A) Registration actions for nonpayment of child support
- 110.17(237A) Prohibition from involvement with child care

CHAPTER 111
FAMILY-LIFE HOMES

- 111.1(249) Definitions
- 111.2(249) Application for certification
- 111.3(249) Provisions pertaining to the certificate
- 111.4(249) Physical standards
- 111.5(249) Personal characteristics of family-life home family
- 111.6(249) Health of family
- 111.7(249) Planned activities and personal effects
- 111.8(249) Client eligibility
- 111.9(249) Medical examinations, records, and care of a client

- 111.10(249) Placement agreement
- 111.11(249) Legal liabilities
- 111.12(249) Emergency care and release of client
- 111.13(249) Information about client to be confidential

CHAPTER 112

LICENSING AND REGULATION OF CHILD FOSTER CARE FACILITIES

- 112.1(237) Applicability
- 112.2(237) Definitions
- 112.3(237) Application for license
- 112.4(237) License
- 112.5(237) Denial
- 112.6(237) Revocation
- 112.7(237) Provisional license
- 112.8(237) Adverse actions
- 112.9(237) Suspension
- 112.10(232) Mandatory reporting of child abuse
- 112.11(237) Required training on the reasonable and prudent parent standard

CHAPTER 113

LICENSING AND REGULATION OF FOSTER FAMILY HOMES

- 113.1(237) Applicability
- 113.2(237) Definitions
- 113.3(237) Licensing procedure
- 113.4(237) Provisions pertaining to the license
- 113.5(237) Physical standards
- 113.6(237) Sanitation, water, and waste disposal
- 113.7(237) Safety
- 113.8(237) Foster parent training
- 113.9(237) Involvement of kin
- 113.10(237) Information on the foster child
- 113.11(237) Health of foster family
- 113.12(237) Characteristics of foster parents
- 113.13(237) Record checks
- 113.14(237) Reference checks
- 113.15(237) Unannounced visits
- 113.16(237) Planned activities and personal effects
- 113.17(237) Medical examinations and health care of the child
- 113.18(237) Training and discipline of foster children
- 113.19(237) Emergency care and release of children
- 113.20(237) Changes in foster family home

CHAPTER 114

LICENSING AND REGULATION OF ALL GROUP LIVING FOSTER CARE FACILITIES FOR CHILDREN

- 114.1(237) Applicability
- 114.2(237) Definitions
- 114.3(237) Physical standards
- 114.4(237) Sanitation, water, and waste disposal
- 114.5(237) Safety
- 114.6(237) Organization and administration
- 114.7(237) Policies and record-keeping requirements
- 114.8(237) Staff

114.9(237)	Intake procedures
114.10(237)	Program services
114.11(237)	Case files
114.12(237)	Drug utilization and control
114.13(237)	Children's rights
114.14(237)	Personal possessions
114.15(237)	Religion—culture
114.16(237)	Work or vocational experiences
114.17(237)	Family involvement
114.18(237)	Children's money
114.19(237)	Child abuse
114.20(237)	Discipline
114.21(237)	Illness, accident, death, or absence from the facility
114.22(237)	Records
114.23(237)	Unannounced visits
114.24(237)	Standards for private juvenile shelter care and detention homes

CHAPTER 115

LICENSING AND REGULATION OF COMPREHENSIVE RESIDENTIAL FACILITIES FOR CHILDREN

115.1(237)	Applicability
115.2(237)	Definitions
115.3(237)	Information upon admission
115.4(237)	Staff
115.5(237)	Program services
115.6(237)	Restraints
115.7(237)	Control room
115.8(237)	Locked cottages
115.9(237)	Mechanical restraint
115.10(237)	Chemical restraint

CHAPTER 116

LICENSING AND REGULATION OF RESIDENTIAL FACILITIES FOR CHILDREN WITH AN INTELLECTUAL DISABILITY

116.1(237)	Applicability
116.2(237)	Definitions
116.3(237)	Qualifications of staff
116.4(237)	Staff to client ratio
116.5(237)	Program components
116.6(237)	Restraint

CHAPTER 117

FOSTER PARENT TRAINING

117.1(237)	Required preservice training
117.2(237)	Required orientation
117.3(237)	Application materials for in-service training
117.4(237)	Application process for in-service training
117.5(237)	Application decisions
117.6(237)	Application conference available
117.7(237)	Required in-service training
117.8(237)	Specific in-service training required
117.9(237)	Foster parent training expenses

CHAPTER 118
CHILD CARE QUALITY RATING SYSTEM

118.1(237A)	Definitions
118.2(237A)	Application for quality rating
118.3(237A)	Rating standards for child care centers and preschools (sunsetting on July 31, 2011)
118.4(237A)	Rating criteria for child development homes (sunsetting on July 31, 2011)
118.5(237A)	Rating standards for child care centers, preschools, and programs operating under the authority of an accredited school district or nonpublic school
118.6(237A)	Rating criteria for child development homes
118.7(237A)	Award of quality rating
118.8(237A)	Adverse actions

CHAPTER 119
RECORD CHECK EVALUATIONS FOR
CERTAIN EMPLOYERS AND EDUCATIONAL TRAINING PROGRAMS

119.1(135B,135C)	Definitions
119.2(135B,135C)	When record check evaluations are requested
119.3(135C)	Request for evaluation
119.4(135B,135C)	Completion of evaluation
119.5(135B,135C)	Appeal rights

CHAPTER 120
CHILD CARE HOMES

120.1(237A)	Definitions
120.2(237A)	Application for payment
120.3(237A)	Renewal of agreement
120.4(237A)	Compliance checks
120.5(237A)	Parental access
120.6(237A)	Number of children
120.7(237A)	Provider requirements
120.8(237A)	Standards
120.9(237A)	Children's files
120.10(237A)	Professional development
120.11(237A)	Child care assistance provider agreement decision
120.12(237A)	Complaints
120.13(237A)	Prohibition from involvement with child care

CHAPTERS 121 to 129
Reserved

TITLE XIII
SERVICE ADMINISTRATION

CHAPTER 130
GENERAL PROVISIONS

130.1(234)	Definitions
130.2(234)	Application
130.3(234)	Eligibility
130.4(234)	Fees
130.5(234)	Adverse service actions
130.6(234)	Social casework
130.7(234)	Case plan
130.8	Reserved
130.9(234)	Entitlement

CHAPTER 131
SOCIAL CASEWORK

- 131.1(234) Definitions
- 131.2(234) Eligibility
- 131.3(234) Service provision
- 131.4 Reserved
- 131.5(234) Adverse actions

CHAPTER 132
Reserved

CHAPTER 133
IV-A EMERGENCY ASSISTANCE PROGRAM

- 133.1(235) Definitions
- 133.2(235) Application
- 133.3(235) Eligibility
- 133.4(235) Method of service provision
- 133.5(235) Duration of services
- 133.6(235) Discontinuance of the program

CHAPTERS 134 to 141
Reserved

CHAPTER 142
INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN

- 142.1(232) Compact agreement
- 142.2(232) Compact administrator
- 142.3(232) Article II(d)
- 142.4(232) Article III(a)
- 142.5(232) Article III(a) procedures
- 142.6(232) Article III(c)
- 142.7(232) Article VIII(a)
- 142.8(232) Applicability
- 142.9(232) NEICE database

CHAPTER 143
INTERSTATE COMPACT ON JUVENILES

- 143.1(232) Compact agreement
- 143.2(232) Compact administrator
- 143.3(232) Sending a juvenile out of Iowa under the compact
- 143.4(232) Receiving cases in Iowa under the interstate compact
- 143.5(232) Runaways

CHAPTER 151
JUVENILE COURT SERVICES DIRECTED PROGRAMS

DIVISION I
GENERAL PROVISIONS

151.1(232)	Definitions
151.2(232)	Administration of funds for court-ordered services and graduated sanction services
151.3(232)	Administration of juvenile court services programs within each judicial district
151.4(232)	Billing and payment
151.5(232)	Appeals
151.6(232)	District program reviews and audits
151.7 to 151.19	Reserved

DIVISION II
COURT-ORDERED SERVICES

151.20(232)	Juvenile court services responsibilities
151.21(232)	Certification process
151.22(232)	Expenses
151.23 to 151.29	Reserved

DIVISION III
GRADUATED SANCTION SERVICES

151.30(232)	Community-based interventions
151.31(232)	School-based supervision
151.32(232)	Supportive enhancements
151.33	Reserved
151.34(232)	Administration of graduated sanction services
151.35(232)	Contract development for graduated sanction services

CHAPTER 152
FOSTER CARE CONTRACTING

152.1(234)	Definitions
152.2(234)	Conditions of participation
152.3(234)	Provider reviews
152.4(234)	Sanctions against providers
152.5(234)	Adverse actions

CHAPTER 153
FUNDING FOR LOCAL SERVICES

DIVISION I
SOCIAL SERVICES BLOCK GRANT

153.1(234)	Definitions
153.2(234)	Development of preexpenditure report
153.3(234)	Amendment to preexpenditure report
153.4(234)	Service availability
153.5(234)	Allocation of block grant funds
153.6 and 153.7	Reserved
153.8(234)	Expenditure of supplemental funds
153.9 and 153.10	Reserved

DIVISION II
DECATEGORIZATION OF CHILD WELFARE AND JUVENILE JUSTICE FUNDING

153.11(232)	Definitions
153.12(232)	Implementation requirements
153.13(232)	Role and responsibilities of decategorization project governance boards
153.14(232)	Realignment of decategorization project boundaries

- 153.15(232) Decategorization services funding pool
- 153.16(232) Relationship of decategorization funding pool to other department child welfare funding
- 153.17(232) Relationship of decategorization funding pool to juvenile court services funding streams
- 153.18(232) Requirements for annual services plan
- 153.19(232) Requirements for annual progress report
- 153.20 to 153.30 Reserved

DIVISION III
MENTAL ILLNESS, MENTAL RETARDATION, AND
DEVELOPMENTAL DISABILITIES—LOCAL SERVICES

- 153.31 to 153.50 Reserved

DIVISION IV
STATE PAYMENT PROGRAM FOR LOCAL MENTAL HEALTH, MENTAL RETARDATION, AND
DEVELOPMENTAL DISABILITIES SERVICES TO ADULTS WITHOUT LEGAL SETTLEMENT

- 153.51(331) Definitions
- 153.52(331) Eligibility requirements
- 153.53(331) Application procedure
- 153.54(331) Eligibility determination
- 153.55(331) Eligible services
- 153.56(331) Program administration
- 153.57(331) Reduction, denial, or termination of benefits
- 153.58(331) Appeals

TITLE I
GENERAL DEPARTMENTAL PROCEDURES
CHAPTER 1
DEPARTMENTAL ORGANIZATION AND PROCEDURES

[Prior to 7/1/83, Social Services [770] Ch 1]

[Prior to 2/11/87, Human Services[498]]

MISSION STATEMENT

The Iowa department of human services is a public expression of Iowa's desire for a stronger community. Working cooperatively with others, the department of human services meets the unique needs of individuals who are experiencing personal, economic, social, or health problems. The primary responsibilities of the department are to help and empower individuals and families to become increasingly self-sufficient and productive, and strive to improve the well-being of all the people of the state of Iowa.

441—1.1(17A) Director. All operations of the department of human services are, by law, the responsibility of the director. The director's responsibilities include:

1.1(1) The formulation of department policy within the limits set forth in the statutes of the state of Iowa;

1.1(2) Establishing standards of performance for all divisions and offices of the department;

1.1(3) Maintaining liaison with the governor, other agencies of the state, and public and private agencies outside of state government on behalf of the department;

1.1(4) Fully informing the public of department programs;

1.1(5) Serving as principal agent for the department in all legal matters and development of legislative programs to support and improve agency efforts.

This rule is intended to implement Iowa Code section 17A.3(1) "a."

441—1.2(17A) Council. The director of the department has, by statute, the advice and counsel of the council on human services. This seven-member council is appointed by the governor with consent of two-thirds of the Senate and its powers and duties are policymaking and advisory with respect to the services and programs operated by the department.

1.2(1) A quorum shall consist of two-thirds of the membership appointed and qualified to vote.

1.2(2) Where a quorum is present, a position is carried by a majority of the qualified members of the council.

1.2(3) Copies of administrative rules and other materials considered are made a part of the minutes by reference.

1.2(4) Copies of the minutes are kept on file in the director's office.

1.2(5) Tentative approval of departmental actions may be given by telephone when approval is needed prior to a formal meeting. A memorandum shall be kept of the approval and formal action taken at the next scheduled meeting.

1.2(6) At each meeting the council shall set the date and location of the next meeting.

a. The communications media shall be notified at least one week in advance of the meeting.

b. When it is necessary to hold an emergency meeting, the communications media shall be notified as far in advance of the meeting as time allows. The nature of the emergency shall be stated in the minutes.

1.2(7) In cases not covered by these rules, Robert's Rules of Order shall govern.

1.2(8) The department of inspections and appeals shall be the authorized representative to conduct hearings and appeals for the council on human services.

This rule is intended to implement Iowa Code section 17A.3(1) "a."

441—1.3(17A) Organization at state level. The director oversees all service and administrative functions of the department including continuous quality improvement. The deputy director for administration, the deputy director for policy, the deputy director for operations, and the office of communications report directly to the director.

1.3(1) Deputy director for administration. The deputy director for administration manages the general support functions of all divisions of the department. Principal responsibilities include development of program and operational budgets, accounting and administrative control of appropriation expenditures, design and development of data processing systems, and monitoring and processing of provider payments.

The administrators of the divisions of data management, fiscal management, support services, and organization development and support report directly to the deputy director for administration.

a. The administrator of the division of data management is responsible for the development and operation of the automated systems that collect and process information to generate client and vendor payments, track cases and caseloads, monitor and control agency business applications, and assess social programs. Additionally, the administrator is responsible for providing a wide range of technical support for the state institutions, personal computing assistance, office automation support, program and operational research and analysis, forecasting of program expenditures, and utilization and report development and preparation.

b. The administrator of the division of fiscal management is responsible for developing annual budgets to be presented to the council on human services, governor's office, and legislature; for monitoring expenditures; for providing management with monthly forecasts for all department budget units and subunits; and for filing quarterly federal expenditures and estimate of expenditure reports. Additionally, the administrator is responsible for providing the accounting for the department's programs and operations; for coordinating payment and contracting for purchased services; for processing claims, invoices, and payroll checks; and for operating the cost allocation system which enables recovery of federal dollars.

c. The administrator of the division of support services has responsibility for equipment, purchasing, space allocation, printing, food stamp issuance and accountability, supplies management, cash receipts, manual distribution, fixed assets inventory control, central information delivery system (CIDS) teleconferencing and the mail. Additionally, the administrator is responsible for providing administration of surplus food distribution programs, nutrition consulting services, state vehicle fleet management, and liaison with the department of general services in the development of capital improvements and major maintenance projects for department institutions.

d. The administrator of the division of organization development and support has responsibility for providing leadership, direction, and oversight of organization staff development (learning resource team) and employee services (human resource team) including labor relations, compensation, recruitment, health and safety, disaster assistance, volunteer programs, professional library services, and diversity, affirmative action, and equal opportunity programs for employees, vendors, and department clients.

1.3(2) Deputy director for policy. The deputy director for policy manages the development of the financial, medical and social services programs for eligible Iowans.

The administrators of the divisions of adult, children and family services, economic assistance, medical services, mental health and developmental disabilities, and policy and rule integration report directly to the deputy director for policy.

a. The administrator of the division of adult, children and family services is responsible for the development and direction of service, regulatory, and financial reimbursement programs for children, families and dependent adults, including programs for foster care, adoption, child protection, family services, day care, and child and adult abuse registries. Additionally, the administrator is responsible for setting program policy for the following institutions:

- (1) The state training school in Eldora.
- (2) The Iowa juvenile home in Toledo.

b. The administrator of the division of economic assistance is responsible for the development and direction of financial assistance programs, including the family investment program, the food stamp program, emergency assistance, PROMISE JOBS, entrepreneurial training, refugee cash assistance, the family development and self-sufficiency demonstration program, systematic alien verification for entitlements, diversion programs, individual development accounts, and the food stamp employment and training program.

c. The administrator of the division of medical services is responsible for the development and direction of medical service programs, including Medicaid, state supplementary assistance, refugee medical assistance, the child health insurance program (HAWK-I), and interim assistance reimbursement.

d. The administrator of the division of mental health and developmental disabilities is responsible for the development and direction of supports and services as well as the financing of such services for persons with mental illness, mental retardation, and developmental disabilities. Additionally, the administrator is responsible for setting program policy for the following institutions and programs:

- (1) Cherokee Mental Health Institute.
- (2) Clarinda Mental Health Institute, located on the grounds of the Clarinda Treatment Complex Institute Campus.
- (3) Independence Mental Health Institute.
- (4) Mount Pleasant Mental Health Institute, located on the grounds of the Mount Pleasant Treatment Center Complex.
- (5) Glenwood State Hospital-School.
- (6) Woodward State Hospital-School.
- (7) The Civil Commitment of Sexual Offenders Unit at Oakdale.

e. The administrator of the division of policy and rule integration is responsible for providing leadership and direction agencywide for the integration of policy development and the consistency of rules, including ensuring that program policies are consistent with state and federal law and are designed to achieve programmatic goals and results; monitoring state and federal programmatic policy and financial changes; and identifying policy and rule changes to ensure alignment with program and administrative divisions to facilitate alignment with the department's mission.

1.3(3) Deputy director for operations. The deputy director for operations manages the delivery of the financial, medical and social services programs for eligible Iowans. The administrators of the division of child support, case management, and refugee services and the office of field support and the administrators of the five departmental regions report directly to the deputy director for operations. Additionally, the deputy director is responsible for policy implementation and day-to-day operations at the following institutions: the state training school in Eldora; the Iowa juvenile home in Toledo; Cherokee Mental Health Institute; Clarinda Mental Health Institute, located on the grounds of the Clarinda Treatment Complex Institute Campus; Independence Mental Health Institute; Mount Pleasant Mental Health Institute, located on the grounds of the Mount Pleasant Treatment Center Complex; Glenwood State Hospital-School; Woodward State Hospital-School; and the Civil Commitment of Sexual Offenders Unit at Oakdale.

a. The administrator of the division of child support, case management, and refugee services is responsible for primary support services to all line elements of the department in the areas of child support and foster care collections and refugee services, and has responsibility for the department's Title XIX case management policy and budget.

b. The chief of the office of field support is responsible for the day-to-day contact with the regional offices on administrative and program operation issues and addressing client or constituent concerns.

1.3(4) Office of communications. The office of communications addresses the different facets of the department's internal and external communication needs. The office of communications is responsible for providing public information to clients, constituency groups, and the media, while also facilitating internal communications within the department.

a. The legislative liaison provides federal and state liaison services, maintains legislative relations, and reviews client and constituent concerns.

b. The internal communications consultant addresses the different facets of the department's internal communication needs.

c. The public information officer is responsible for the department's external communication to the media and other outside stakeholders.

441—1.4(17A) Field operations structure.

1.4(1) *Delivery system.* The department's community service delivery system is based on service areas with offices in each county that are strategically located for purposes of client accessibility. Each service area is headed by a service area manager who is responsible for the following within the service area: effective management of the delivery of social services within the area, management of the department offices, directing all personnel, implementation of departmental policies and procedures, support for the development of social service resources within the community, and resolution of service delivery complaints. The services delivered in a service area include income maintenance and social service programs, child protection and other specialized services.

1.4(2) *Local offices.* There shall be at least one local office in each county. These local offices may be full-time or less than full-time. Full-time offices will provide income maintenance and social service program delivery and will serve as a base for the less than full-time office staff. Additional services offered in local offices may include child protection and other specialized services. Less than full-time offices will be operated on a reduced number of days per week based on county need and will provide income maintenance and social services.

This rule is intended to implement Iowa Code section 17A.3(1) "a."

441—1.5 Rescinded, effective October 1, 1987.

441—1.6(17A) Mental health and developmental disabilities commission. The administrator of the division of mental health and developmental disabilities has, by statute, the advice and counsel of the mental health and mental retardation commission. This 15-member commission is appointed by the governor with confirmation by two-thirds of the members of the senate. The commission's powers and duties are policymaking and advisory with respect to mental health and mental retardation, services, and programs administered by the division of mental health and developmental disabilities.

1.6(1) A quorum shall consist of two-thirds of the membership appointed and qualified to vote.

1.6(2) Where a quorum is present, a position is carried by a majority of the qualified members of the commission.

1.6(3) Copies of administrative rules and other materials considered are made a part of the minutes by reference.

1.6(4) Copies of the minutes are kept on file in the office of the administrator of the division of mental health and developmental disabilities.

1.6(5) At each meeting the commission shall determine the next meeting date. Special meetings may be called by the chair or at the request of the majority of commission members.

1.6(6) Any person wishing to make a presentation at a commission meeting shall notify the Administrator, Division of Mental Health and Developmental Disabilities, Hoover State Office Building, Des Moines, Iowa 50319-0114, (515)281-5874, at least 15 days prior to the commission meeting.

1.6(7) In cases not covered by these rules, Robert's Rules of Order shall govern.

1.6(8) The department of inspections and appeals shall be the authorized representative to conduct hearings and appeals for the mental health and mental retardation commission.

This rule is intended to implement Iowa Code section 17A.3.

441—1.7(17A) Governor's developmental disabilities council (governor's DD council). Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act (DD Act), 42 U.S. Code, Section 6000 et seq., each state shall establish a state planning council to serve as an advocate for people with developmental disabilities. The department shall act as the council's designated state agency for the purposes of receiving funds under the DD Act.

1.7(1) *Governor's DD council responsibilities.* The governor's DD council shall:

a. Develop a state plan which meets the requirements of the DD Act.

b. Prepare and approve a budget to fund all activities and to hire staff and obtain services necessary to carry out its functions under the DD Act.

c. Hire after conferring with the director, supervise, and evaluate an executive director who shall hire and supervise council staff.

d. Prepare, submit and maintain all records and reports required by the Secretary of Health and Human Services.

1.7(2) Governor's DD council membership. The governor's DD council shall consist of up to 26 members appointed by the governor.

a. The principal state agencies, including, at a minimum, the departments of education, human services, and elder affairs, higher education training facilities, the university affiliated program, Iowa Protection and Advocacy Services, Inc., local agencies and nongovernmental agencies and private, nonprofit groups concerned with services to people with developmental disabilities in the state, shall be represented.

b. Consumers. At least one-half of the membership of the governor's DD council shall consist of people with developmental disabilities or their parents or guardians, or immediate relatives or guardians of people with mentally impairing developmental disabilities, and who are not employees of a state agency which receives funds or provides services under the provisions for state planning councils under the DD Act, who are not managing employees of any other entity which receives funds or provides services under the provisions for state planning councils under the DD Act, and who do not have an ownership or control interest with respect to such an entity.

(1) At least one-third of the consumer representatives shall be people with developmental disabilities.

(2) At least one-third of the consumer representatives shall be immediate relatives or guardians of people with mentally impairing developmental disabilities.

(3) At least one person shall be an immediate relative or guardian of an institutionalized or previously institutionalized person with a developmental disability.

1.7(3) Governor's DD council terms. Members shall be appointed for three-year terms.

a. Appointments shall be staggered so that at least one-third of the members are appointed each year.

b. Governor's DD council members shall be appointed for a maximum of two consecutive, full terms. Members who have been reappointed for more than two consecutive terms on July 1, 1993, may complete the full term of their last appointment.

c. Governor's DD council members are not eligible to receive a per diem during their term. They shall receive reimbursement for expenses, including individual and family supports necessary for participation, subject to the limitations set for state boards and commissions.

1.7(4) Governor's DD council action.

a. A quorum shall consist of two-thirds of the members eligible to vote.

b. Where a quorum is present, a position is carried by a majority of the members eligible to vote.

c. The use of proxies shall not be allowed.

d. Any council member representing the council before any legislative committee, public body, governmental agency or media representative shall support the council's mission, guiding principles, goals, objectives and strategies approved by the council in its state plan and other policy positions adopted by the council.

1.7(5) Governor's DD council minutes. Copies of the minutes are kept on file in the office of the Governor's DD Council, 617 E. Second Street, Des Moines, Iowa 50309.

1.7(6) Governor's DD council meetings. The governor's DD council will meet at least four times a year. Dates will be determined by the governor's DD council. Special meetings may be called by the chair or upon the written request of a majority of governor's DD council members.

a. Any person wishing to make a presentation at a governor's DD council meeting shall submit a request to the executive director of the governor's DD council. The request shall be considered by the governor's DD council chair in setting the next meeting agenda.

b. The governor's DD council shall coordinate activities with the mental health and mental retardation commission in accordance with Iowa Code chapter 225C.

1.7(7) Attendance.

a. A member shall be considered to have submitted a resignation when absent for three consecutive, regular governor's DD council meetings or a total of more than one-half of all regular governor's DD council meetings during a calendar year in accordance with Iowa Code section 69.15.

b. The governor's office shall be immediately notified by the governor's DD council executive director of a resignation under this subrule.

1.7(8) Organization. No later than October 1 of each year, the governor's DD council shall organize by electing a chair, vice-chair, and executive committee.

a. The executive committee shall consist of the governor's DD council chair, vice-chair and three members at large, one of whom shall be the immediate past chair if a current member of the governor's DD council.

b. The executive committee may exercise the power of the governor's DD council between regular governor's DD council meetings but may not override a decision of the governor's DD council.

c. The governor's DD council has the authority to create other standing and special committees and task forces as deemed necessary and to create terms of office for officers, committees, and committee chairs.

(1) The members and chairs of standing and special committees shall be appointed by the chairperson from the governor's DD council's membership. Appointments shall be approved by the governor's DD council.

(2) Noncouncil members may serve as voting members of committees if approved by the governor's DD council and shall be subject to terms as determined by the governor's DD council.

(3) Committees may act based on a simple majority of those present.

(4) Committees may create temporary task forces to assist them in their work.

1.7(9) Procedure. In cases not covered by this rule, Robert's Rules of Order shall govern.

This rule is intended to implement Iowa Code sections 217.6 and 225C.3.

441—1.8(17A,217) Waivers of administrative rules (hereinafter referred to as exceptions to policy). Exceptions to the department's rules may be granted in individual cases upon the director's own initiative or upon request. No exception will be granted to a rule required by state statute or by federal statute or regulation. Any exception granted must be consistent with state and federal law.

1.8(1) Procedures for requests.

a. Requests for exceptions must be submitted in writing to the Appeals Section, Department of Human Services, 1305 E. Walnut Street, 5th Floor, Des Moines, Iowa 50319-0114.

b. A request for an exception is independent from a departmental appeal under 441—Chapter 7. However, a request for an exception may be combined with an appeal of a proposed decision to the director under 441—Chapter 7. A request for an exception made prior to an appeal under 441—Chapter 7 may be denied pending an appeal where factual matters need to be developed.

c. A party requesting an exception must establish that the exception is appropriate. A request for an exception should include the following information where applicable and known to the requester:

(1) The name, address, and case number or state identification number of the person or entity for whom an exception is being requested and the person requesting the exception, if different from the person for whom an exception is being requested.

(2) The specific rule to which an exception is requested or the substance thereof.

(3) The specific exception requested.

(4) Facts relevant to the factors listed in subrule 1.8(2).

(5) A history of the department's action on the case.

(6) Any information known to the requester regarding the department's treatment of similar cases.

(7) The name, address, and telephone number of any person inside or outside the department with knowledge of the matter with respect to which the exception is requested.

(8) Releases of information authorizing persons with knowledge regarding the request to furnish the department information pertaining to the request.

d. Requests for exceptions shall be acknowledged within seven days. The department may give notice of the request to other affected parties. The department may also request additional information from the applicant.

e. The department shall issue a written decision on the request for an exception to policy within 120 days of receipt, unless the applicant agrees to a later date. If a request for an exception to policy has been filed in a contested case proceeding, the department may pend the request until after a final decision is issued.

f. A denial of a request for an exception is absolutely final and is not appealable under 441—Chapter 7.

g. A request for an exception does not delay the time to request an appeal under 441—Chapter 7 or for filing a petition for judicial review of a final decision in a contested case under Iowa Code section 17A.19.

h. A request for an exception is not required to exhaust administrative remedies before judicial review of department action under Iowa Code section 17A.19.

i. The department shall maintain a deidentified record of exceptions granted and denied indexed by rule available for public inspection.

1.8(2) Policy.

a. The director may grant an exception if the director finds, based on clear and convincing evidence, that:

- (1) Failure to grant the exception will result in undue hardship;
- (2) The exception will not substantially affect another person in an adverse manner;
- (3) The exception is not prohibited by state or federal law; and
- (4) The exception will not endanger public health, safety, or welfare.

b. The decision on whether an exception should be granted will be made at the complete discretion of the director after consideration of all relevant factors including, but not limited to, those in paragraph “a” and the following:

- (1) The need of the person or entity directly affected by the exception. Exceptions will be granted only in cases of extreme need.
- (2) Whether there are exceptional circumstances justifying an exception to the general rule applicable in otherwise similar circumstances.
- (3) Whether granting the exception would result in net savings to the state or promote efficiency in the administration of programs or service delivery. Net savings or efficiency will make an exception more likely.
- (4) In the case of services, assistance, or grants, whether other possible sources have been exhausted. Exceptions will not generally be granted if other sources are available.
- (5) The cost of the exception to the state and the availability of funds in the department’s budget.

This rule is intended to implement Iowa Code section 217.6 and 2000 Iowa Acts, House File 2206.

441—1.9(17A) Commission on children, youth and families. Rescinded IAB 10/7/98, effective 12/1/98.

441—1.10(17A,514I) HAWK-I board. The director of the department has, by statute, the advice and counsel of the HAWK-I board on the healthy and well kids in Iowa program. This seven-member board consists of the commissioner of insurance or the commissioner’s designee, the director of the department of education or the director’s designee, the director of the department of public health or the director’s designee, and four public members appointed by the governor, subject to confirmation by two-thirds of the members of the senate. The board shall also include two members of the senate and two members of the house of representatives, serving as ex officio members.

1.10(1) Organization.

a. The members of the board shall annually elect from the board’s voting membership a chairperson of the board.

b. Members appointed by the governor and the legislative members shall serve two-year terms.

1.10(2) Duties and powers of the board. The board's powers and duties are to make policy and to provide direction for the administration of all aspects of the healthy and well kids in Iowa program which is administered by the division of financial, health and work supports. In carrying out these duties, the board shall do all of the following:

- a.* Adopt rules of the department.
- b.* Develop criteria for and approve all contracts.
- c.* Establish a clinical advisory committee.
- d.* Establish an advisory committee on children with special health care needs.
- e.* Conduct studies and evaluations and provide reports as directed by legislation.
- f.* Define regions of the state for which plans are offered.
- g.* Solicit input from the public about the program.
- h.* Improve interaction between the program and other public and private programs which provide services to eligible children.
- i.* Receive and accept grants, loans, or other advances of funds from any person and may receive and accept from any source contributions of money, property, labor, or any other thing of value, to be held, used, and applied for the purpose of the program.

1.10(3) Board action.

- a.* A quorum shall consist of two-thirds of the membership appointed and qualified to vote.
- b.* When a quorum is present, a position is carried by a majority of the qualified members of the board.

1.10(4) Board minutes.

- a.* Copies of administrative rules and other materials considered are made part of the minutes by reference.
- b.* Copies of the minutes are kept on file in the office of the administrator of the division of financial, health and work supports.

1.10(5) Board meetings.

- a.* The board shall meet at regular intervals at least six times each year and may hold special meetings at the call of the chairperson or at the request of a majority of the voting members, but no more than twelve times per year.
- b.* Any person wishing to make a presentation at a board meeting shall notify the Administrator, Division of Financial, Health and Work Supports, Department of Human Services, 1305 E. Walnut Street, Des Moines, Iowa 50309-0114, telephone (515)281-6080, at least 15 days before the board meeting.

1.10(6) Robert's Rules of Order. In cases not covered by these rules, Robert's Rules of Order shall govern.

This rule is intended to implement Iowa Code sections 17A.3(1)“a” and 514I.5.

CHAPTER 2
CONTRACTING OUT DEPARTMENT OF HUMAN SERVICES
EMPLOYEES AND PROPERTY

PREAMBLE

In certain circumstances the department of human services has determined it to be permissible to enter into contracts with service providers (contractors) for the use of department employees in a service program or the use of buildings and grounds of state institutions. These rules describe the conditions and processes under which these contractual arrangements will operate and will ensure uniform procedures on all campuses regarding the contracting out of department employees and leasing of state campus buildings and grounds. These rules do not supersede existing policies regarding the sharing of department employees with other state agencies under the authority of the Iowa department of personnel. The department shall implement procedures consistently.

441—2.1(23A,225C) Definitions.

“*Contract manager*” is the person identified within the department of human services, division of administration, who will act as the central point of contact regarding all use and leasing of state institution buildings and grounds.

“*Contractor*” means a nonprofit entity as defined by Iowa Code chapter 504A that purchases the services of the department, including department employees, to be used to supplement its own service provision.

“*Department*” means the Iowa department of human services.

“*Division*” includes the divisions of mental health and developmental disabilities; and adult, children and family services.

“*Lessee*” means a nonprofit provider of services or other approved activity or other nonprofit entity as defined by Iowa Code chapter 504A that has been permitted to lease space in certain buildings or grounds on one or more of the mental health institutes, state hospital schools, the Iowa Juvenile Home at Toledo, Iowa, or the State Training School at Eldora, Iowa, from the department.

“*State institutions*” (also referred to as campuses), for the purposes of this chapter, include: the Glenwood and Woodward state hospital-schools; the Cherokee, Clarinda, Independence, and Mt. Pleasant mental health institutions; the Iowa Juvenile Home in Toledo; and the State Training School in Eldora.

“*Superintendents*” are the administrators of these state institutions as defined by Iowa Code chapter 218 as well as those administrators appointed by the director of the department of human services pursuant to Iowa Code chapters 233A and 233B at the Iowa Juvenile Home in Toledo and the State Training School in Eldora.

441—2.2(23A,225C) Contracts for use of the services of department employees. All determinations regarding whether the department shall enter into a contract for services shall be made by the director of the department or designee. All determinations are considered final and binding and are not subject to appeal. The director of the department or designee shall weigh the following criteria in making the decision.

2.2(1) Expertise. Department employees shall possess certain expertise and skills needed by a contractor.

2.2(2) Mutual benefit. There shall be a mutual benefit to the department and the contractor.

2.2(3) Payment. Payment for the full cost, both direct and indirect, of department employees shall be received from the contractor.

2.2(4) Supplementation of services. The intent of the department is to permit its employees to provide services to on-campus lessees. Department employees may supplement the direct service provided by the contractor, but department employees shall not assume full responsibility for the care and treatment of consumers of services of the contractor.

2.2(5) *Use of department employees.* Department employees shall not be used to fill vacancies of full-time staff positions of the contractor, nor can the full time of a single department employee be contracted to a single contractor. For time-limited periods, and when it is in the best interest of the state, a state institution, with approval of the director of the department and the director of the Iowa department of personnel, may contract to provide department employees to a contractor on a full-time basis.

2.2(6) *Nonprofit status.* Department employees shall only be contracted out to nonprofit entities as defined by Iowa Code chapter 504A.

2.2(7) *Conflict of interest.* A contract shall not be entered into if it creates a conflict of interest as defined by Iowa and federal law for either the department employees, the department in general, the state of Iowa, or the contractor.

2.2(8) *Services to department clients.* Department employees' time shall be made available to a potential contractor only if it can be done without harm to the department's institution clients who are receiving services on an inpatient or outpatient basis.

2.2(9) *Subcontracting.* The department shall not subcontract out the time or services of a person under contract to the department. Persons who perform services as independent contractors to the state of Iowa, pursuant to a personal services contract, shall not be included in any agreement entered into pursuant to this chapter. However, this does not prohibit an independent contractor from directly entering into a contractual relationship with a contractor.

441—2.3(23A,225C) Contract provisions. A contract for service entered into pursuant to this chapter shall include the following provisions, plus other provisions as determined by the director of the department or designee:

2.3(1) *Rate setting.* All contract rates will be set by the department. The contract shall cover the full costs of the department including, but not limited to, any base salary or wage, vacation, applicable leave, and other fringe benefits paid for by the state of Iowa at the time of the contract and any subsequent increases.

2.3(2) *Collective bargaining agreements.* If the department employees to be included in the contract are covered by a collective bargaining agreement, the contractor shall be bound by the applicable collective bargaining agreement. The contractor shall further agree that any decision relative to the collective bargaining agreement between the department and its employees shall be binding on the contractor. Should any provision of the agreement between the parties be found to violate the terms and conditions of an applicable collective bargaining agreement, the provision or condition contained in the agreement entered into pursuant to this chapter shall be void.

2.3(3) *Conditions of employment.* The contract shall not impose any conditions of employment outside of those conditions of employment currently imposed by the state of Iowa.

2.3(4) *Liability.* The contractor agrees to defend, indemnify, and hold harmless the state and the department against all claims, damages, losses, costs, and expenses, including attorney fees, arising out of any services performed pursuant to an agreement entered into under this chapter.

2.3(5) *Private contracting.* A department employee covered by an agreement entered into pursuant to this chapter shall be prohibited from contracting privately with the same contractor.

2.3(6) *Conditions.* All contracts must comply with conditions and negotiations mutually agreed upon by the department and the Iowa department of personnel.

2.3(7) *Term of contract.* Contracts shall be for a specific term and shall be cosigned by the department and the Iowa department of personnel on behalf of the state of Iowa and by the contractor.

2.3(8) *Copies of contract.* Copies of the contract shall be maintained by the respective division, the business office of the respective campus, and the contractor.

2.3(9) *Program name.* Without the prior written approval of the director, the entity seeking to contract with the state shall not use or cause to be used a name for the program or project that is in any way similar to the name or part of the name of the institution.

441—2.4(23A,225C) Leasing of space at state institutions. All determinations regarding leasing space at state institutions shall be made by the director of the department or designee. All determinations are

considered final and binding and are not appealable. The director of the department or designee shall weigh the following criteria in making the determination.

2.4(1) Available space. Space shall be available on one or more of the campuses.

2.4(2) Activities. Lessees may not engage in activities that will interfere with, impede, or conflict with the basic treatment, habilitation, or care programs operated on the campuses by the department. Lessees may not engage in activities that will endanger or otherwise threaten the safety and well-being of department consumers of services, the community at large, or department employees.

2.4(3) Nonprofit status. Lessees must be public or private nonprofit entities as defined by Iowa Code chapter 504A and must provide documentation of nonprofit status upon request of the department.

2.4(4) Needs and priorities. Needs of the residents of Iowa shall be considered before needs of the residents of other states. Needs shall be prioritized as follows:

- a. Needs of the department other than current occupancy and use.
- b. Needs of other state or local governmental bodies for human or social service related purposes that benefit Iowans before citizens of other states.
- c. Needs of other state or local governmental bodies for other than human or social service related purposes.
- d. Needs of private, nonprofit entities for human or social service related purposes.
- e. Needs of private, nonprofit entities for other than human or social service related purposes that are determined to be compatible uses of state institution buildings and grounds.

2.4(5) Services. Lessees must use the leased premises to provide disability services or other services normally delivered by the lessee.

441—2.5(23A,225C) Requirements prior to leasing. The following shall be required prior to the leasing of campus buildings or grounds.

2.5(1) Referral to contract manager. A campus superintendent may show available space to a potential lessee but has no authority to approve any leasing arrangements or to commit buildings or grounds to potential lessees. Superintendents shall notify the contract manager if contacted by a potential lessee. If space is available or expected to be available on the campus, the superintendent shall direct all entities interested in pursuing lease arrangements to write the contract manager in the department's central office.

2.5(2) Written proposal. The potential lessee shall submit a written program proposal to the contract manager that contains, at a minimum, the following information:

- a. A brief history and description of the business operations of the potential lessee, including documentation of nonprofit status if needed.
- b. Details regarding the proposed usage of the leased space or grounds.
- c. If the proposal is to lease space for office use, the information submitted shall include the type of business to be conducted in the leased space, the proposed number of employees to be housed in the space, the expected hours of operation, and the numbers and types of persons expected to use the office for business purposes.
- d. If the proposal is to provide either residential or nonresidential treatment, habilitation, care or educational services in the leased space, the information submitted shall include a detailed program description specifying the age, numbers and types of persons to be served, the habilitation or treatment modalities to be used, including the guidelines for admission to service, and the anticipated referral sources (e.g., other institutions, courts, persons from Iowa or other states).
- e. If the proposal is to provide either residential or nonresidential treatment, habilitation, care or educational services, written documentation of all applicable approvals, certifications, accreditations, or licenses that authorize the potential lessee to provide the proposed service shall be submitted. Failure to obtain or maintain legally required approvals, certifications, accreditations, or licenses shall prevent the development of or cause the termination of lease agreements. Temporary leasing arrangements may be considered if deemed necessary in order for the lessee to receive the needed documentation per the above.

f. A description of the potential lessees' service and support expectations of the department such as whether department employees will be needed to assist the program and what arrangements the lessee intends to make for services such as janitorial, laundry, and food services.

g. Identification of proposed renovations that will be needed in order for the lessee to carry out its proposed activities. The lessee shall propose how and by whom the renovations would be completed. The lessee shall be responsible for the full cost involved in all renovations, and all renovations must comply with applicable federal, state, and local requirements including, but not limited to, the Americans With Disabilities Act, and health, safety, and fire codes.

h. Verification of terms and conditions that allow the department to have a cost-neutral lease (rent must cover expenses).

i. Other information deemed necessary by the contract manager.

2.5(3) *Evaluation of proposals.* The contract manager, in collaboration with the respective division administrator and the respective superintendents, shall evaluate all proposals to determine if they meet the general principles identified above. The contract manager shall recommend whether to proceed with the leasing process to the director or designee. The contract manager shall notify the potential lessee in writing of the director's or designee's decision and, if applicable, identify the reasons for denial. All decisions are considered final and binding and are not subject to appeal.

2.5(4) *Indemnity and insurance.* All contracts shall include clauses that address the following:

a. All contractors shall indemnify, hold harmless and defend the state, the department, and its officers and employees from and against all suits, actions, or claims for personal injury or death, or damage to property because of any act, omission or neglect of the contractor, its officers, agents or employees in the provision of services or other activities as provided for by administrative rule and contracts developed pursuant to this chapter, including, but not limited to:

(1) Personal injury, death or property damage of a client receiving care or services, or while on a premises owned, leased or operated by the contractor, or while being transported by the provider, either directly or by arrangement.

(2) Personal injury, death or property damage of another caused by a client while receiving care or services from the contractor.

This provision does not create any right or cause of action in the public or a third party to bring a claim or suit under or pursuant to its terms.

b. The contractor agrees that it shall have in force and effect a liability insurance policy covering all its operations in providing the care and services required by the administrative rules and by contract, including the indemnity provision above. A "Certificate of Insurance" identifying the insurance company, the policy period, the type of policy and the limits of coverage shall be filed with the department. The insurance policy and the certificate of insurance shall show the state of Iowa and the department of human services as additional named insured. The contractor further agrees that anyone transporting, or authorized to transport, clients in privately owned vehicles shall have liability insurance in force and effect covering any claim which may arise from this transport.

2.5(5) *Request for proposal.* When only one party is expressing interest in leasing space, the department, before entering into a lease agreement, shall review the proposal and determine whether the proposal and use of the space requires the department to publish a request for proposal in lieu of executing a lease between the parties. If it is determined that publishing a request for proposal is needed, the proposed lessee can then respond to the request for proposal.

2.5(6) *Program name.* Without the prior written approval of the director, the entity seeking to contract with the state shall not use or cause to be used a name for the program or project that is in any way similar to the name or part of the name of the institution.

These rules are intended to implement Iowa Code sections 23A.2 and 225C.13.

[Filed 4/11/97, Notice 2/26/97—published 5/7/97, effective 7/1/97]

CHAPTER 3
DEPARTMENT PROCEDURE FOR RULE MAKING

[Ch 3, 1973 IDR, renumbered as [770] Ch 77]

[Prior to 7/1/83, Social Services[770] Ch 3]

[Prior to 2/11/87, Human Services[498]]

441—3.1(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the department are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

441—3.2(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the department may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1)“a,” solicit comments from the public on a subject matter of possible rule making by the department by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

441—3.3(17A) Public rule-making docket.

3.3(1) Docket maintained. The department shall maintain a current public rule-making docket.

3.3(2) Anticipated rule making. Rescinded IAB 3/6/02, effective 5/1/02.

3.3(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1)“a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule’s becoming effective. For each rule-making proceeding, the docket shall indicate:

- a. The subject matter of the proposed rule.
- b. A citation to all published notices relating to the proceeding.
- c. Where written submissions on the proposed rule may be inspected.
- d. The time during which written submissions may be made.
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made.
- f. Whether a written request for the issuance of a regulatory analysis or a concise statement of reasons has been filed, whether such an analysis or statement or a fiscal impact statement has been issued, and where any such written request, analysis, or statement may be inspected.
- g. The current status of the proposed rule and any department determinations with respect thereto.
- h. Any known timetable for department decisions or other action in the proceeding.
- i. The date of the rule’s adoption.
- j. The date of the rule’s filing, indexing, and publication.
- k. The date on which the rule will become effective.
- l. Where the rule-making record may be inspected.

441—3.4(17A) Notice of proposed rule making.

3.4(1) Contents. At least 35 days before the adoption of a rule the department shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule.
- b. The specific legal authority for the proposed rule.
- c. Except to the extent impracticable, the text of the proposed rule.
- d. Where, when, and how persons may present their views on the proposed rule.
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the department shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the department for the resolution of each of those issues.

3.4(2) *Copies of notices by mail.* Persons desiring to receive copies of future Notices of Intended Action by subscription shall complete Form 470-2250, Notice Subscription, which is available from the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114, indicating the name and address to which the notices shall be sent. Persons may subscribe to all notices of the department, or only to notices pertaining to the service, income maintenance, or medical programs. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail a copy of the notice to subscribers who have completed Form 470-2250 and paid the subscription price. The subscription price includes the cost of labor and supplies for copying and mailing of the notices. At the end of each calendar year, subscribers will be sent Form 470-2250 to complete if they wish to continue on the mailing list.

3.4(3) *Subscription to Web site.* Persons desiring to receive a weekly memo via E-mail listing new rules under proposal by the department shall go to the department's Web site at <http://www.dhs.state.ia.us/policyanalysis/> to subscribe or E-mail the department's rules administrator at policyanalysis@dhs.state.ia.us indicating the E-mail address to which the memo shall be sent. This service shall be available without charge.

441—3.5(17A) Public participation.

3.5(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing or via electronic transmission, on the proposed rule. These submissions should identify the proposed rule to which they relate and should be submitted to the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114, or to the department's rules administrator at policyanalysis@dhs.state.ia.us.

3.5(2) *Oral proceedings.* The department may, at any time, schedule an oral proceeding on a proposed rule. The department shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the department by the administrative rules review committee, a governmental subdivision, a state agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by a state agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

The department may waive technical compliance with these procedures.

Oral proceedings scheduled by the department regarding rules directly affecting indigent clients shall be held in each of the service areas defined in rule 441—1.4(17A).

In the case of rules not directly affecting indigent clients, the department shall determine for each rule for which oral proceedings are scheduled whether it will be necessary to hold presentations in all eight locations. Anyone may object to the department's decision prior to the date of the proceedings by writing the same addressee specified in the Notice of Intended Action for receiving written data, views, or arguments. The department shall review the adequacy of the number of locations in light of the comments received.

3.5(3) Conduct of oral proceedings.

a. Applicability. This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1) "b" or subrule 3.5(2).

b. Scheduling and notice. An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. Presiding officer. An employee of the department shall preside at the oral proceeding on the proposed rules and shall present a prepared statement on the substance of the rules. The presiding officer shall transcribe the proceeding or prepare a written summary of the presentations made.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at the proceeding are encouraged to notify the department at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the department decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Whenever possible, persons making oral presentations should submit their testimony in writing.

(3) To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. These submissions become the property of the department.

(6) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(8) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

3.5(4) Additional information. In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the department may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

The department may send notices of proposed rule making and a request for comments to any agency, organization, or association known to it to have a direct interest or expertise pertaining to the substance of the proposed rule.

3.5(5) Accessibility. The department shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the office of policy analysis at (515)281-8440 in advance to arrange access or other needed services.

441—3.6(17A) Regulatory analysis.

3.6(1) *Definition of small business.* A “small business” is defined in Iowa Code section 17A.4A(7).

3.6(2) *Distribution list.* Small businesses or organizations of small businesses may be registered on the department’s small business impact list by making a written application addressed to the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. The application for registration shall state:

- a. The name of the small business or organization of small businesses;
- b. Its address;
- c. The name of a person authorized to transact business for the applicant;
- d. A description of the applicant’s business or organization. An organization representing 25 or more persons who qualify as a small business shall indicate that fact.
- e. Whether the registrant desires copies of Notices of Intended Action at cost or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The department may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The department may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses shall be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

3.6(3) *Time of distribution.* Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the department shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

3.6(4) *Qualified requestors for regulatory analysis—economic impact.* The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(2) “a” after a proper request from:

- a. The administrative rules coordinator.
- b. The administrative rules review committee.

3.6(5) *Qualified requestors for regulatory analysis—business impact.* The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(2) “b” after a proper request from:

- a. The administrative rules review committee.
- b. The administrative rules coordinator.
- c. At least 25 or more persons who sign the request provided that each represents a different small business.
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

3.6(6) *Time period for analysis.* Upon receipt of a timely request for a regulatory analysis, the agency shall adhere to the time lines described in Iowa Code section 17A.4A(4).

3.6(7) *Contents of request.* A request for a regulatory analysis is made when it is mailed or delivered to the department. The request shall be in writing and satisfy the requirements of Iowa Code section 17A.4A(1).

3.6(8) *Contents of concise summary.* The contents of the concise summary shall conform to the requirements of Iowa Code sections 17A.4A(4) and (5).

3.6(9) *Publication of a concise summary.* The department shall make available to the maximum extent feasible, copies of the published summary in conformance with Iowa Code section 17A.4A(5).

3.6(10) *Regulatory analysis contents—rules review committee or rules coordinator.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee or the administrative rules coordinator, the regulatory analysis shall conform to the

requirements of Iowa Code section 17A.4A(2) “a,” unless a written request expressly waives one or more of the items listed therein.

3.6(11) *Regulatory analysis contents—substantial impact on small business.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of Iowa Code section 17A.4A(2) “b.”

441—3.7(17A,25B) Fiscal impact statement. A rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions, or agencies and entities which contract with political subdivisions to provide services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

If the department determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the department shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

441—3.8(17A) Time and manner of rule adoption.

3.8(1) *Time of adoption.* The department shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the department shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

3.8(2) *Consideration of public comment.* Before the adoption of a rule, the department shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any written summary of the oral submissions and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

3.8(3) *Reliance on department expertise.* Except as otherwise provided by law, the department may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

441—3.9(17A) Variance between adopted rule and published notice of proposed rule adoption.

3.9(1) *Allowable variances.* The department shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action or the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

3.9(2) *Fair warning.* In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question the department shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests.
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action.
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

3.9(3) *Petition for rule making.* The department shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the

department finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

3.9(4) *Concurrent rule-making proceedings.* Nothing in this rule disturbs the discretion of the department to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

441—3.10(17A) Exemptions from public rule-making procedures.

3.10(1) *Omission of notice and comment.* To the extent the department for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the department may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

3.10(2) *Categories exempt.* The following narrowly tailored category of rules is exempted from the usual public notice and participation requirements because those requirements are unnecessary, impracticable, or contrary to the public interest with respect to each and every member of the defined class: rules mandated by state or federal law, including federal statutes or regulations establishing conditions for federal funding of departmental programs under Titles IV, XIX, XX, or XXI to the Social Security Act, or under the federal Food Stamp Act, where the department is not exercising any options under federal law.

3.10(3) *Public proceedings on rules adopted without them.* The department may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 3.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, a state agency, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the department shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 3.10(1). This petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must be commenced within 60 days of the receipt of the petition. After a standard rule-making proceeding commenced pursuant to this subrule, the department may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 3.10(1) or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

441—3.11(17A) Concise statement of reasons.

3.11(1) *General.* When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the department shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests shall be considered made on the date received.

3.11(2) *Contents.* The concise statement of reasons shall contain:

- a. The reasons for adopting the rule;
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any change;
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the department's reasons for overruling the arguments made against the rule.

3.11(3) *Time of issuance.* After a proper request, the department shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

441—3.12(17A) Contents, style, and form of rule.

3.12(1) Contents. Each rule adopted by the department shall contain the text of the rule and, in addition:

- a.* The date the department adopted the rule;
- b.* A brief explanation of the principal reasons for the rule-making action if the reasons are required by Iowa Code section 17A.4(1) “*b*,” or the department in its discretion decides to include the reasons;
- c.* A reference to all rules repealed, amended, or suspended by the rule;
- d.* A reference to the specific statutory or other authority authorizing adoption of the rule;
- e.* Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f.* A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if the reasons are required by Iowa Code section 17A.4(1) “*b*,” or the department in its discretion decides to include the reasons; and
- g.* The effective date of the rule.

3.12(2) References to materials not published in full. When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the department shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the department. The department shall provide a copy of that full text at actual cost upon request and shall make copies of the full text available for review either electronically or at the State Law Library.

At the request of the administrative code editor, the department shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

3.12(3) Style and form. In preparing its rules, the department shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

441—3.13(17A) Department rule-making record.

3.13(1) Requirement. The department shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference shall be available for public inspection.

3.13(2) Contents. The department rule-making record shall contain:

- a.* Copies of or citations to all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of department submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based;
- b.* Copies of Form 470-0096, Rule Log, containing dates of actions and Iowa Administrative Bulletin references relating to the rule or the proceeding upon which the rule is based;
- c.* All written petitions, requests, and submissions received by the department, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the department and considered by the council of human services, mental health and developmental disabilities commission, or HAWK-I board in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the department is authorized by law to keep them confidential; provided, however, that when any materials are deleted because they are authorized by law to be kept confidential, the department shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code subsection 17A.4(4), and any department response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any requests for an exception to policy for the rule; and

k. A copy of any executive order concerning the rule.

3.13(3) *Effect of record.* Except as otherwise required by a provision of law, the department rule-making record required by this rule need not constitute the exclusive basis for department action on that rule.

3.13(4) *Maintenance of record.* The department shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective or the date of the Notice of Intended Action.

441—3.14(17A) *Filing of rules.* The department shall file each rule it adopts in the office of the administrative rules coordinator. The filing shall be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule shall have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the fiscal impact statement or concise statement is issued. In filing a rule, the department shall use the standard form prescribed by the administrative rules coordinator.

441—3.15(17A) *Effectiveness of rules prior to publication.*

3.15(1) *Grounds.* The department may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

3.15(2) *Special notice.* When the department makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3), the department shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule’s indexing and publication. The term “all reasonable efforts” requires the department to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the department of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice, or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2)“b”(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 3.15(2).

441—3.16(17A) Review by department of rules.

3.16(1) Request for review. Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator for the department to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the department shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The department may refuse to conduct a review if it has conducted a review of the specified rule within five years prior to the filing of the written request.

3.16(2) Conduct of review. In conducting the formal review, the department shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report shall include a concise statement of the department’s findings regarding the rule’s effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any requests for exceptions to the rule received by the department or granted by the department. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the department’s report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report shall also be available for public inspection.

These rules are intended to implement Iowa Code chapter 17A and Iowa Code section 25B.6.

CHAPTER 4
PETITIONS FOR RULE MAKING

[Ch 4, 1974 IDR, renumbered as [770] Ch 78]

[Prior to 7/1/83, Social Services[770] Ch 4]

[Prior to 2/11/87, Human Services[498]]

441—4.1(17A) Petition for rule making. Any person or state agency may file a petition for rule making with the department at the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. A petition is deemed filed when it is received by that office. The department must provide the petitioner with a file-stamped copy of the petition if the petitioner provides the department an extra copy for this purpose. The petition must be typewritten or legibly handwritten in ink and must substantially conform to the following form:

BEFORE THE DEPARTMENT OF HUMAN SERVICES

Petition by (Name of Petitioner) for the (adoption, amendment, or repeal) of rules relating to (state subject matter).	}	PETITION FOR RULE MAKING
--	---	-----------------------------

The petition must provide the following information:

1. A statement of the specific rule-making action sought by the petitioner including the text or a summary of the contents of the proposed rule or amendment to a rule and, if it is a petition to amend or repeal a rule, a citation and the relevant language to the particular portion or portions of the rule proposed to be amended or repealed.
2. A citation to any law deemed relevant to the department's authority to take the action urged or to the desirability of that action.
3. A brief summary of petitioner's arguments in support of the action urged in the petition.
4. A brief summary of any data supporting the action urged in the petition.
5. The names and addresses of other persons, or a description of any class of persons, known by petitioner to be affected by, or interested in, the proposed action which is the subject of the petition.
6. Any request by petitioner for a meeting provided for by subrule 4.4(1).

4.1(1) The petition must be dated and signed by the petitioner or the petitioner's representative. It must also include the name, mailing address, and telephone number of the petitioner and petitioner's representative, and a statement indicating the person to whom communications concerning the petition should be directed.

4.1(2) The department may deny a petition because it does not substantially conform to the required form.

441—4.2(17A) Briefs. The petitioner may attach a brief to the petition in support of the action urged in the petition. The department may request a brief from the petitioner or from any other person concerning the substance of the petition.

441—4.3(17A) Inquiries. Inquiries concerning the status of a petition for rule making may be made to Rules Administrator, Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114.

441—4.4(17A) Agency consideration.

4.4(1) Forwarding of petition and meeting. Within five working days after the filing of a petition, the department shall submit a copy of the petition and any accompanying brief to the administrative rules coordinator and to the administrative rules review committee. Upon request by the petitioner in the petition, the department shall schedule a brief and informal meeting between the petitioner and a member of the staff of the department to discuss the petition. The department may request the petitioner to submit additional information or argument concerning the petition. The department may also solicit

comments from any person on the substance of the petition. Also, comments on the substance of the petition may be submitted to the department by any person.

4.4(2) *Action on petition.* Within 60 days after the filing of the petition, or within any longer period agreed to by the petitioner, the department shall, in writing, deny the petition, and notify petitioner of its action and the specific grounds for the denial, or grant the petition and notify petitioner that it has instituted rule-making proceedings on the subject of the petition. Petitioner shall be deemed notified of the denial or grant of the petition on the date when the department mails or delivers the required notification to petitioner.

4.4(3) *Denial of petition for nonconformance with form.* Denial of a petition because it does not substantially conform to the required form does not preclude the filing of a new petition on the same subject that seeks to eliminate the grounds for the department's rejection of the petition.

These rules are intended to implement Iowa Code section 17A.7.

[Filed 9/19/75, Notice 8/11/75—published 10/6/75, effective 11/10/75]

[Filed without Notice 5/8/78—published 5/31/78, effective 7/5/78]

CHAPTER 5
DECLARATORY ORDERS

[Ch 5, 1973 IDR, renumbered as [770] Ch 79]
[Prior to 7/1/83, Social Services[770] Ch 5]
[Prior to 2/11/87, Human Services[498]]

441—5.1(17A) Petition for declaratory order. Any person may file a petition with the department for a declaratory order as to the applicability to specified circumstances of a statute, rule, or order within the primary jurisdiction of the department at the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. A petition is deemed filed when it is received by that office. The department shall provide the petitioner with a file-stamped copy of the petition if the petitioner provides the department an extra copy for this purpose. The petition must be typewritten or legibly handwritten in ink and should substantially conform to the following form:

BEFORE THE DEPARTMENT OF HUMAN SERVICES

Petition by (Name of Petitioner) for a Declaratory Order on (Cite provisions of law involved).	}	PETITION FOR DECLARATORY ORDER
--	---	-----------------------------------

The petition must provide the following information:

1. A clear and concise statement of all relevant facts on which the order is requested. For public assistance policy rulings, the request should state facts such as the amount of income and resources of a person who may be affected by the policy.
2. A citation and the relevant language of the specific statutes, rules, or orders, whose applicability is questioned, and any other relevant law.
3. The questions petitioner wants answered, stated clearly and concisely.
4. The answers to the questions desired by the petitioner and a summary of the reasons urged by the petitioner in support of those answers. A request which seeks to change rather than to declare or determine policy will be denied.
5. The reasons for requesting the declaratory order and disclosure of the petitioner’s interest in the outcome.
6. A statement indicating whether the petitioner is currently a party to another proceeding involving the questions at issue and whether, to the petitioner’s knowledge, those questions have been decided by, are pending determination by, or are under investigation by, any governmental entity.
7. The names and addresses of other persons, or a description of any class of persons, known by the petitioner to be affected by, or interested in, the questions presented in the petition.
8. Any request by the petitioner for a meeting provided for by rule 441—5.7(17A).
9. The petitioner’s state identification number, if applicable.

The petition must be dated and signed by the petitioner or the petitioner’s representative. It must also include the name, mailing address, and telephone number of the petitioner and petitioner’s representative and a statement indicating the person to whom communications concerning the petition should be directed.

441—5.2(17A) Notice of petition. Within five working days of receipt of a petition for a declaratory order, the department shall give notice of the petition to all persons not served by the petitioner pursuant to rule 441—5.6(17A) to whom notice is required by any provision of law.

441—5.3(17A) Intervention.

5.3(1) Nondiscretionary intervention. Persons who qualify under any applicable provision of law as an intervenor and who file a petition for intervention within 15 working days of the filing of a petition for declaratory order and before the 30-day time for department action under rule 441—5.8(17A) shall be allowed to intervene in a proceeding for a declaratory order.

5.3(2) Discretionary intervention. Any person who files a petition for intervention at any time prior to the issuance of an order may be allowed to intervene in a proceeding for a declaratory order at the discretion of the department.

5.3(3) Filing and form of petition for intervention. A petition for intervention shall be filed at the office of policy analysis. A petition is deemed filed when it is received by that office. The department shall provide the petitioner with a file-stamped copy of the petition for intervention if the petitioner provides an extra copy for this purpose. A petition for intervention must be typewritten or legibly handwritten in ink and should substantially conform to the following form:

BEFORE THE DEPARTMENT OF HUMAN SERVICES

Petition by (Name of Original Petitioner) for a Declaratory Order on (Cite provisions of law cited in original petition).	}	PETITION FOR INTERVENTION
---	---	------------------------------

The petition for intervention must provide the following information:

1. Facts supporting the intervenor's standing and qualifications for intervention.
2. The answers urged by the intervenor to the question or questions presented and a summary of the reasons urged in support of those answers.
3. Reasons for requesting intervention and disclosure of the intervenor's interest in the outcome.
4. A statement indicating whether the intervenor is currently a party to any proceeding involving the questions at issue and whether, to the intervenor's knowledge, those questions have been decided by, are pending determination by, or are under investigation by, any governmental entity.
5. The names and addresses of any additional persons, or a description of any additional class of persons, known by the intervenor to be affected by, or interested in, the questions presented.
6. Whether the intervenor consents to be bound by the determination of the matters presented by the declaratory order proceeding.

The petition must be dated and signed by the intervenor or the intervenor's representative. It must also include the name, mailing address, and telephone number of the intervenor and the intervenor's representative, and a statement indicating the person to whom communications should be directed.

441—5.4(17A) Briefs. The petitioner or any intervenor may file a brief in support of the position urged. The department may request a brief from the petitioner, any intervenor, or any other person concerning the questions raised.

441—5.5(17A) Inquiries. Inquiries concerning the status of a declaratory order proceeding may be made to the Rules Administrator, Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114.

441—5.6(17A) Service and filing of petitions and other papers.

5.6(1) Service. Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order shall be served by mailing or personal delivery upon each of the parties of record to the proceeding, and on all other persons identified as affected by or interested in the questions presented, simultaneously with their filing. The party filing a document is responsible for service on all parties and other affected or interested persons. All documents filed shall indicate all parties or other persons served and the date and method of service.

5.6(2) Filing. All petitions for declaratory orders, petitions for intervention, briefs, or other papers in a proceeding for a declaratory order shall be filed with the Office of Policy Analysis, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114. All documents are considered filed upon receipt.

441—5.7(17A) Consideration. Upon request by the petitioner, the department shall schedule a brief and informal meeting between the original petitioner, all intervenors, and a member of the staff of the department, to discuss the questions raised. The department may solicit comments from any person on the questions raised. Also, comments on the questions raised may be submitted to the department by any person.

441—5.8(17A) Action on petition.

5.8(1) Time frames for action. Within 30 days after receipt of a petition for a declaratory order, the director or the director's designee shall take action on the petition as required by Iowa Code section 17A.9(5).

5.8(2) Date of issuance of order. The date of issuance of an order or of a refusal to issue an order is the date of mailing of the order or refusal or date of delivery if service is by other means unless another date is specified in the order.

441—5.9(17A) Refusal to issue order.

5.9(1) Reasons for refusal to issue order. The department shall not issue a declaratory order where prohibited by Iowa Code section 17A.9(1) and may refuse to issue a declaratory order on some or all questions raised for the following reasons:

1. The petition does not substantially comply with the required form.
2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the department to issue an order.
3. The department does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other department or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge a department decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
10. The petitioner requests the department to determine whether a statute is unconstitutional on its face.

5.9(2) Action on refusal. A refusal to issue a declaratory order must indicate the specific grounds for the refusal and constitutes final department action on the petition.

5.9(3) Filing of new petition. Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the department's refusal to issue a ruling.

441—5.10(17A) Contents of declaratory order—effective date. In addition to the ruling itself, a declaratory order must contain the date of its issuance, the name of petitioner and all intervenors, the specific statutes, rules, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion.

A declaratory order is effective on the date of issuance.

441—5.11(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to the original petitioner and all intervenors.

441—5.12(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the department, the petitioner, and any intervenors who consent to be bound and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the department. The issuance of a declaratory order constitutes final agency action on the petition.

These rules are intended to implement Iowa Code section 17A.9.

CHAPTER 7
APPEALS AND HEARINGS

[Ch 7, July 1973 IDR Supplement, renumbered as Ch 81]

[Prior to 7/1/83, Social Services[770] Ch 7]

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

This chapter applies to contested case proceedings conducted by or on behalf of the department. The definitions in rule 441—7.1(17A) apply to the rules in both Division I and Division II of Chapter 7. [ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.1(17A) Definitions.

“*Administrative hearing*” means a type of hearing that an appellant may elect in which the presiding officer reviews the written record only and makes a decision based on the facts available within the appeal file. An administrative hearing does not require an in-person or teleconference hearing. The final determination to establish whether an administrative hearing may be held will be made by the appeals section or the presiding officer.

“*Administrative law judge*” means an employee of the department of inspections and appeals who conducts appeal hearings.

“*Agency*” means the Iowa department of human services, including any of its local, institutional, or central administrative offices.

“*Aggrieved person*” means a person against whom the department has taken an adverse action. This includes a person who meets any of the conditions in rule 441—7.2(17A).

“*Appeal*” denotes a review and hearing request made by a person who is affected by a decision made by the agency or its designee. An appeal shall be considered a contested case within the meaning of Iowa Code chapter 17A.

“*Appeals advisory committee*” means a committee consisting of central office staff who represent the department in the screening of proposed decisions for the director.

“*Appeals section*” means the unit within the department of human services that receives appeal requests, certifies requests for hearing, and issues final appeal decisions.

“*Appellant*” denotes the person who claims or asserts a right or demand or the party who takes an appeal from a hearing to an Iowa district court.

“*Attribution appeal*” means an appeal to determine if additional resources can be allocated for the community spouse when the other spouse has entered a medical institution or is applying for home-and community-based waiver services. The result of the attribution appeal may affect Medicaid eligibility. An appellant may elect to have an attribution appeal held by administrative hearing.

“*Authorized representative*” means a person or organization designated by an appellant to act on the appellant’s behalf or who has legal authority to act on behalf of the appellant, such as a guardian or power of attorney.

“*Bidder*” means an individual or entity that submits a proposal in response to a competitive procurement issued by the department of human services.

“*Contested case*” means a proceeding defined by Iowa Code section 17A.2(5) and includes any matter defined as a “no factual dispute” contested case under Iowa Code section 17A.10A.

“*Department*” means the Iowa department of human services.

“*Department of inspections and appeals*” means the state agency that contracts with the department to conduct appeal hearings.

“*Director*” means the director of the department of human services or the director’s designee.

“*Due process*” denotes the right of a person affected by an agency decision to receive a notice of decision or notice of action and an opportunity to be heard at an appeal hearing and to present an effective defense.

“*Electronic account*” means a web-based account established by the department for an applicant or member for communication between the department and the applicant or member.

“Electronic case record” means an electronic file that includes all information collected and generated by the department regarding each individual’s Medicaid or healthy and well kids in Iowa eligibility and enrollment, including all documentation required for eligibility and any information collected or generated as part of a fair hearing process conducted by the department or through the exchange appeals process.

“Ex parte communication” means written, oral, or other forms of communication between a party to the appeal and the presiding officer while an appeal is pending when all parties were not given the opportunity to participate.

“Exchange” means an American health benefit exchange established pursuant to Section 1311 of the Patient Protection and Affordable Care Act of 2010 (Pub. L. 111-148). This entity makes qualified health plans available to qualified individuals and qualified employers.

“First-level review” means a review process that must be exhausted through a managed care organization before an appeal hearing is granted. Once the first-level review process is complete, a notice of decision will be issued by the managed care organization and will identify further appeal rights, if applicable.

“FMAP-related” describes coverage groups whose eligibility criteria are derived in relation to the family medical assistance program, directed toward children and their parents or caretakers.

“Food assistance administrative disqualification hearing” means a type of hearing used to determine if an individual fraudulently received benefits for which the individual was not eligible. A presiding officer shall determine if the individual will be banned from participating in the food assistance program for a period of time.

“Group hearings” denotes an opportunity for two or more persons to present their case jointly when all have the same complaint against agency policy.

“Informal conference” means a type of meeting between the appellant and the appellant’s representative, unless precluded by federal law or state statute, and a representative of the department. The purpose of the informal conference is to provide information as to the reasons for the intended adverse action, to answer questions, to explain the basis for the adverse action, to provide an opportunity for the appellant to explain the appellant’s action or position, and to provide an opportunity for the appellant to examine the contents of the case record, including any electronic case record, plus all documents and records to be used by the department at the hearing in accordance with 441—Chapter 9.

“In person or face-to-face hearing” means an appeal hearing conducted by an administrative law judge who is physically present in the same location as the appellant.

“Intentional program violation” means deliberately making a false or misleading statement; or misrepresenting, concealing, or withholding facts; or committing any act that is a violation of the Food and Nutrition Act of 2008, food assistance program regulations, or any state law relating to the use, presentation, transfer, acquisition, receipt, possession, or trafficking of an electronic benefit transfer (EBT) card. An intentional program violation is determined through a food assistance administrative disqualification hearing. The hearing may result in a period of ineligibility for the program, a claim for overpayment of benefits, or both.

“Local office” means the county, institution or district office of the department of human services.

“Managed care organization” or *“MCO”* means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of “health maintenance organization” in Iowa Code section 514B.1.

“Party” means a party as defined in Iowa Code subsection 17A.2(8).

“Prehearing conference” means a type of meeting between the appellant and the appellant’s representative, unless precluded by federal law or state statute, a representative of the department and a presiding officer. The purpose of the prehearing conference is to discuss the appealed issue, to inquire as to the potential for voluntary settlement, to establish the hearing date, to establish the location of the hearing including whether the hearing will be by telephone or in person, and to discuss procedural matters relevant to the case.

“*Presiding officer*” means an administrative law judge employed by the department of inspections and appeals. The presiding officer may also be the department’s director or the director’s designee. The presiding officer has the authority to conduct appeal hearings and render proposed and final decisions.

“*Presumption*” denotes an inference as to the existence of a fact not known or drawn from facts that are known.

“*PROMISE JOBS discrimination complaint*” means any written complaint filed in accordance with the provisions of rule 441—7.8(17A) by a PROMISE JOBS participant or the participant’s representative which alleges that an adverse action was taken against the participant on the basis of race, creed, color, sex, national origin, religion, age, physical or mental disability, or political belief.

“*PROMISE JOBS displacement grievance*” means any written complaint filed with a PROMISE JOBS contractee by regular employees or their representatives that alleges that the work assignment of an individual under the PROMISE JOBS program violates any of the prohibitions against displacement of regular workers described in rule 441—93.17(239B).

“*Proposed decision*” means the presiding officer’s recommended findings of fact, conclusions of law, and decision and order in contested cases where the department did not preside.

“*Reconsideration*” means a review process that must be exhausted before an appeal hearing is granted. Such review processes include, but are not limited to, a reconsideration request through:

1. The Iowa Medicaid enterprise (IME),
2. A division or bureau within the department,
3. The mental health and disability services commission,
4. A licensed health care professional as specified in 441—paragraph 9.9(1)“i,” or
5. Any division or bureau within the department, from a bidder in a competitive procurement bid process.

Once the reconsideration process is complete, a notice of decision or notice of action will be issued with appeal rights.

“*Sent*” means deposited in the mail with first-class postage or posted to an individual’s electronic account.

“*SSI-related*” describes medical assistance coverage groups whose eligibility criteria, except for income and resource limits, are derived from the supplemental security income (SSI) program for people who are aged, blind, or disabled.

“*Teleconference hearing*” means an appeal hearing conducted by an administrative law judge over the telephone.

“*Timely notice period*” is the time from the date a notice is sent to the effective date of action. That period of time shall be at least ten calendar days, except in the case of probable fraud of a beneficiary. When probable fraud exists, “timely notice period” shall be at least five calendar days from the date a notice is sent.

“*Vendor*” means a provider of health care under the medical assistance program or a provider of services under a service program.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 8994B, IAB 8/11/10, effective 10/1/10; ARC 9254B, IAB 12/1/10, effective 1/1/11; ARC 0304C, IAB 9/5/12, effective 11/1/12; ARC 0487C, IAB 12/12/12, effective 2/1/13; ARC 0583C, IAB 2/6/13, effective 4/1/13; ARC 0819C, IAB 7/10/13, effective 9/1/13; ARC 1206C, IAB 12/11/13, effective 1/15/14; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 1611C, IAB 9/3/14, effective 11/1/14; ARC 3093C, IAB 6/7/17, effective 7/12/17]

441—7.2(17A) Conditions of an aggrieved person. To be eligible for an appeal hearing, a person must meet the definition of “aggrieved person” in rule 441—7.1(17A) and qualify on a program-specific basis.

7.2(1) Financial assistance. Financial assistance includes, but is not limited to, the family investment program; refugee cash assistance; child care assistance; emergency or disaster assistance; family or community self-sufficiency grants; family investment program hardship exemptions; and state supplementary assistance dependent person, in-home health-related care, and residential care facility benefits. Issues may include:

- a. A request to be given an application was denied.
- b. An application for assistance has been denied or has not been acted on in a timely manner.
- c. The effective date of assistance is contested.

- d. The amount of benefits granted is contested.
- e. The assistance will be reduced or canceled.
- f. An overpayment of benefits has been established, and repayment is requested.

7.2(2) Food assistance. Issues may include:

- a. A request to be given an application was denied.
- b. An application for assistance has been denied or has not been acted on in a timely manner.
- c. The effective date of assistance is contested.
- d. The amount of benefits granted is contested.
- e. The assistance will be reduced or canceled.
- f. A request to receive a credit for benefits from an electronic benefit transfer (EBT) account has been denied.

- g. An overpayment of benefits has been established, and repayment is requested.

7.2(3) Medical assistance eligibility. Medical assistance eligibility includes, but is not limited to, FMAP-related coverage groups, SSI-related coverage groups, the breast and cervical cancer treatment program, the health insurance premium payment program, healthy and well kids in Iowa (HAWK-I), the Iowa Health and Wellness Plan, and waiver services. Issues may include:

- a. A request to be given an application was denied.
- b. An application has been denied or has not been acted on in a timely manner.
- c. The person's eligibility has been terminated, suspended or reduced.
- d. The level of benefits the person is eligible to receive has been reduced.
- e. A determination of the amount of medical expenses that must be incurred to establish income eligibility for the medically needy program or a determination of income for the purposes of imposing any premiums, enrollment fees or cost sharing is contested.
- f. The level of care requirements have not been met.
- g. The failure to take into account the appellant's choice in assignment to a coverage group.
- h. The effective date of assistance is contested.
- i. The amount or effective date of one of the following is contested:
 - (1) Health insurance premiums,
 - (2) Healthy and well kids in Iowa premiums,
 - (3) Medicaid for employed people with disabilities premiums,
 - (4) Iowa Health and Wellness Plan contributions,
 - (5) Client participation, or
 - (6) Medically needy program spenddown.
- j. An overpayment of benefits has been established, and repayment is requested.

7.2(4) Fee-for-service medical coverage. Issues may include:

- a. The level of services that the person is eligible to receive has been reduced.
- b. The level of services provided by a nursing facility is not needed based on a preadmission screening and resident review (PASRR) evaluation.
- c. The effective date of services is contested.
- d. A claim for payment or prior authorization has been denied.
- e. The medical assistance hotline has issued notification that services not received or services for which an individual is billed are not payable by medical assistance.
- f. Nonemergency medical transportation services by the broker designated by the department pursuant to rule 441—78.13(249A) have been denied.

7.2(5) Managed care organization medical coverage.

a. A Medicaid member, an authorized representative or a provider who is acting on behalf of a member has been notified that the first-level review process through a managed care organization has been exhausted and remains dissatisfied with the outcome.

b. If a provider or authorized representative is acting on behalf of a member by filing this type of appeal, the member's written consent to appeal must be submitted on Form 470-5526, Authorized Representative for Managed Care Appeals, with the appeal request. If the appeal is filed verbally, the

managed care organization or agency is responsible for obtaining the member's written consent for the provider or authorized representative.

c. If the managed care organization fails to adhere to the notice and timing requirements in 42 CFR 438.408, the Medicaid member, authorized representative or provider who is acting on behalf of the member is deemed to have exhausted the managed care organization's appeals process. The Medicaid member, authorized representative or provider who is acting on behalf of the member may initiate a state fair hearing.

7.2(6) Providers. Providers can be an individual or an entity. Issues may include:

a. A license, certification, registration, approval or accreditation has been denied or revoked or has not been acted on in a timely manner.

b. A fee-for-service claim for payment or request for prior authorization of payment has been denied in whole or in part and the provider states that the denial was not made according to department policy.

c. A medical assistance patient manager contract has been terminated.

d. A payment has been withheld to recover a prior overpayment, or an order to repay an overpayment pursuant to 441—subrule 79.4(7) has been received.

e. An application for child care quality rating has not been acted upon in a timely fashion.

f. A child care quality rating decision is contested.

g. A certificate of child care quality rating has been revoked.

h. An adverse action has been taken relating to the Iowa electronic health record incentive program pursuant to rule 441—79.16(249A), including:

(1) Provider eligibility determination,

(2) Incentive payments, or

(3) Demonstration of adopting, implementing, upgrading and meaningful use of technology.

i. An application or reapplication for licensure was issued as a provisional license.

j. A license has been issued for a limited time.

7.2(7) Social services. Social services include, but are not limited to, adoption, foster care, and family-centered services. Issues may include:

a. A request to be given an application was denied.

b. An application for services or payment for adoption subsidy or foster care has been denied or has not been acted on in a timely manner.

c. An application or license has been denied based on a record check evaluation.

d. A determination that a person must participate in a service program is contested.

e. A claim for payment of services has been denied.

f. A protective or vendor payment has been established.

g. The services have been reduced or canceled.

h. An overpayment of services has been established, and repayment is requested.

i. An adoptive placement of a child has been denied or delayed when an adoptive family is available outside the jurisdiction with responsibility for handling the child's case.

j. A referral to community care was not made as provided in rule 441—186.2(234).

k. A referral to community care as provided in rule 441—186.2(234) was made and the community care provider's dispute resolution process has been exhausted.

7.2(8) Child support recovery. Issues may include:

a. A person is not entitled to a support payment in full or in part because of the date of collection, as provided under rule 441—95.13(17A), or a dispute based on the date of collection has not been acted on in a timely manner.

b. A claim or offset is contested as provided in 441—subrule 95.6(3), 95.7(8), or 98.81(3) by a person's alleging a mistake of fact. "Mistake of fact" means a mistake in the identity of the obligor or in whether the delinquency meets the criteria for referral or submission. The issue on appeal shall be limited to a mistake of fact. Any other issue may be determined only by a court of competent jurisdiction.

c. A name has been certified for passport sanction as provided in Iowa Code section 252B.5.

d. A termination in services has occurred as provided in rule 441—95.14(252B).

7.2(9) PROMISE JOBS. Issues may include:

- a. A claim for participation allowances has been denied, reduced, or canceled.
- b. The contents of the family investment agreement are not sufficient or necessary for the family to reach self-sufficiency.
- c. The results of informal grievance resolution procedures are contested, an opportunity for an informal grievance resolution has been declined, or a decision was not made within the 14-day period.
- d. PROMISE JOBS services will be canceled due to imposition of a limited benefit plan.
- e. An overpayment of benefits has been established, and repayment is requested.
- f. Acts of discrimination are alleged on the basis of race, creed, color, sex, age, physical or mental disability, religion, national origin, or political belief.

7.2(10) Child abuse registry, dependent adult abuse registry, or record check evaluation. Issues may include:

- a. A person is alleged responsible for child abuse.
- b. A correction of dependent adult abuse information has been requested.
- c. A record check evaluation restricted or denied employment in a health care facility, state institution, or other facility. "Employment" includes, but is not limited to, service as an employee, a volunteer, a provider, or a contractor. "Facility" includes, but is not limited to, county or multicounty juvenile detention homes and juvenile shelter care homes, child-placing agencies, substance abuse treatment programs, group living foster care facilities, child development homes, child care centers, state resource centers, mental health institutes, and state training schools.
- d. A record check evaluation results in the restriction of participation in an educational training program.

7.2(11) Mental health and disability services. Issues may include:

- a. An application for state payment under 441—Chapter 153, Division IV, has been denied or has not been acted upon in a timely manner.
- b. Services under the state payment program have been reduced or canceled.
- c. A request to be given an application was denied.
- d. The person's eligibility has been terminated, suspended or reduced.
- e. The level of benefits or services the person is eligible to receive has been reduced.
- f. The effective date of assistance or services is contested.
- g. The reconsideration process has been exhausted, and a person remains dissatisfied with the outcome.
- h. The amount or effective date of cost-sharing requirements for the autism support program is contested.
- i. A service authorization request for applied behavioral analysis services has been denied or reduced.

7.2(12) HIPAA (Health Insurance Portability and Accountability Act). A current or former applicant for or recipient of Medicaid or HAWK-I, or a person currently or previously in a department facility whose request:

- a. To restrict use or disclosure of protected health information was denied.
- b. To change how protected health information is provided was denied.
- c. For access to protected health information was denied. When the denial is subject to reconsideration under 441—paragraph 9.9(1) "i," persons denied access due to a licensed health care professional's opinion that the information would constitute a danger to that person or another person must first exhaust the reconsideration process.
- d. To amend protected health information was denied.
- e. For an accounting of disclosures was denied.

7.2(13) Drug manufacturers. A manufacturer that has received a notice of decision regarding disputed drug rebates pursuant to the dispute resolution procedures of a national drug rebate agreement or an Iowa Medicaid supplemental drug rebate agreement disagrees with the decision.

7.2(14) Bidders that have participated in a competitive procurement bid process. Appeals resulting from a competitive procurement bid process will be handled pursuant to Chapter 7, Division II.

7.2(15) Family planning program. Issues may include:

- a. A request to be given an application was denied.
- b. An application has been denied or has not been acted on in a timely manner.
- c. The person's eligibility has been terminated or reduced.
- d. Who contests the effective date of assistance or services.
- e. Whose claim for payment or prior authorization has been denied.
- f. Who has received notice from the medical assistance hotline that services not received or services for which an individual is being billed are not payable by the family planning program.
- g. Who has been notified that an overpayment of benefits has been established and repayment is requested.

7.2(16) Other individuals or providers. Individuals or providers that are not listed in rule 441—7.2(17A) may meet the definition of an aggrieved person if the department has taken an adverse action against that individual or provider.

[ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3199C, IAB 7/19/17, effective 7/1/17; ARC 3389C, IAB 10/11/17, effective 11/15/17; ARC 3871C, IAB 7/4/18, effective 8/8/18]

DIVISION I

441—7.3(17A) Presiding officer. Appeal hearings shall be conducted by a presiding officer appointed by the department of inspections and appeals pursuant to Iowa Code section 10A.801. The presiding officer shall not be connected in any way with the previous actions or decisions on which the appeal is made. Nor shall the presiding officer be subject to the authority, direction, or discretion of any person who has prosecuted or advocated in connection with that case, the specific controversy underlying that case, or any pending factually related contested case or controversy involving the same parties.

441—7.4(17A) Notification of hearing procedures. Hearing procedures shall be published in the form of rules and shall be made available to all applicants, recipients, appellants, and other interested groups and individuals. Procedures for hearings shall be identified in the notice of hearing issued to all parties as provided in subrule 7.10(7).

7.4(1) Hearing procedures must be furnished in electronic and paper format and orally as appropriate. The procedures must be written in plain language and in a manner that is accessible:

- a. To individuals who are limited English proficient through oral interpretation, written translations, and taglines in non-English languages indicating the availability of language services. The services shall be at no cost to the individual.
- b. To individuals living with disabilities through the provision of auxiliary aids in accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. The services shall be at no cost to the individual.

7.4(2) The department shall inform individuals of the availability of the services and how to access such services.

[ARC 1261C, IAB 1/8/14, effective 3/1/14]

441—7.5(17A) The right to appeal. An aggrieved person who qualifies for an appeal as stated in rule 441—7.2(17A) may file an appeal. The appeals section shall determine whether a hearing shall be granted.

7.5(1) When a hearing is granted. A hearing shall be granted to any appellant when the right to a hearing is granted by state or federal law, except as limited in subrules 7.5(2) and 7.5(4).

7.5(2) When a hearing is not granted. A hearing shall not be granted when:

- a. One of the following issues is appealed:
 - (1) The service is no longer available through the department.
 - (2) Repayment of food assistance benefits as a result of trafficking has been requested on Form 470-4179, Notice of Food Assistance Trafficking Debt.
 - (3) Payment for a medical claim has been made in accordance with the Medicaid payment schedule for the service billed.

- (4) Children have been removed from or placed in a specific foster care setting.
- (5) Children have not been placed with or have been removed from a preadoptive family.
- (6) A qualified provider or qualified entity has denied a person presumptive eligibility for Medicaid under 441—subrule 75.1(30), 75.1(40), or 75.1(44).
- (7) A qualified provider or qualified entity has determined a person to be presumptively eligible for Medicaid under 441—subrule 75.1(30), 75.1(40), or 75.1(44), but presumptive eligibility ends due to the person's failure to file an application.
- (8) Notice has been issued from the treasury offset program for a food assistance overpayment.
- (9) A rate determination for foster group care services has been reviewed under rule 441—152.3(234).
- (10) The maximum provider rate ceiling has been contested for child care assistance under 441—subrule 170.4(7).
- (11) The risk pool board has accepted or rejected an application for assistance from the risk pool fund or the tobacco settlement fund risk pool fund in whole or in part under rules 441—25.66(426B) and 441—25.77(78GA,ch1221).
- (12) The appellant has a complaint about child support recovery matters other than those described in numbered paragraph “5” of the definition of an aggrieved person in rule 441—7.1(17A). This includes collection of an annual fee for child support services as specified in Iowa Code chapter 252B.
- (13) The appellant has a complaint about a local office employee (when this is the only issue of the appeal).
- (14) A request for an exception to policy under 441—subrule 1.8(1) has been denied.
- (15) A final decision from a previous hearing with a presiding officer has been implemented.
- (16) The issue appealed is not eligible for further hearing based on the doctrine of issue preclusion.
- (17) The appeal involves patient treatment interventions outlined in the patient handbook of the civil commitment unit for sexual offenders.
- (18) A provider or an authorized representative, for a managed care appeal, fails to submit Form 470-5526, Authorized Representative for Managed Care Appeals, providing the member's approval of the request for appeal.
- (19) Notice was issued by the exchange regarding determination of eligibility for enrollment in a qualified health plan or for advance payment of the premium tax credit or cost-sharing reductions.
- (20) Notice has been issued regarding the completion of a family assessment that indicates no determination of child abuse or neglect has been made and no information has been reported to the child abuse registry.
- (21) Notice has been issued regarding an MCO grievance request.
- (22) Notice has been issued by an MCO to a provider regarding a claims dispute issue.
 - b.* Either state or federal law requires automatic grant adjustment for classes of recipients. The director of the department shall decide whether to grant a hearing in these cases. When the reason for an individual appeal is incorrect grant computation in the application of these automatic adjustments, a hearing may be granted.
 - c.* State or federal law or regulation provides for a different forum for appeals.
 - d.* The appeal is filed prematurely as:
 - (1) There is no adverse action by the department,
 - (2) The appellant has not exhausted the reconsideration process, or
 - (3) The appellant has not exhausted the first-level review process with a managed care organization except as provided at paragraph 7.2(5)“c.”
 - e.* Upon review, it is determined that the appellant does not meet the criteria of an aggrieved person as defined in rule 441—7.1(17A).
 - f.* The sole basis for denying, terminating or limiting assistance under 441—Chapter 47, 441—Chapter 58 or 441—Chapter 87 is that funds for the respective programs have been reduced, exhausted, eliminated or otherwise encumbered.
 - g.* Rescinded IAB 6/7/17, effective 7/12/17.
 - h.* The issue appealed is moot.

i. The issue appealed has previously been determined in another appeal by the same appellant.

7.5(3) Group hearings. The appeals section may respond to a series of individual requests for hearings by requesting the department of inspections and appeals to conduct a single group hearing in cases in which the sole issue involved is one of state or federal law or policy or change in state or federal law or policy. An appellant scheduled for a group hearing may withdraw and request an individual hearing.

7.5(4) Time limit for granting hearing to an appeal. Subject to the provisions of subrule 7.5(1), when an appeal is made, the granting of a hearing to that appeal shall be governed by the following timeliness standards:

a. General standards. In general, a hearing shall be held if the appeal is made within 30 days after official notification of an action or before the effective date of action. When the appeal is made more than 30 days but less than 90 days after notification, the director shall determine whether a hearing shall be granted.

(1) The director may grant a hearing if one or more of the following conditions existed:

1. There was a serious illness or death of the appellant or a member of the appellant's family.
2. There was a family emergency or household disaster, such as a fire, flood, or tornado.
3. The appellant offers a good cause beyond the appellant's control, which can be substantiated.
4. There was a failure to receive the department's notification for a reason not attributable to the appellant. Lack of a forwarding address is attributable to the appellant. A hearing may be granted if an appellant provides proof that a forwarding address was not supplied due to fear of domestic violence, homelessness, or other good cause.

(2) The time in which to appeal an agency action shall not exceed 90 days. Appeals made more than 90 days after notification shall not be heard.

(3) The day after the official notice is sent is the first day of the period within which an appeal must be filed. When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

b. Food assistance, medical assistance eligibility, fee-for-service medical coverage, family planning program or autism support program standard. For appeals regarding food assistance, medical assistance eligibility, fee-for-service medical coverage, the family planning program or the autism support program, a hearing shall be held if the appeal is made within 90 days after official notification of an action.

c. Managed care organization medical coverage. For appeals regarding a health care decision made by a managed care organization, a hearing shall be held if the appeal is made within 120 days after written notification that the first-level review process through the managed care organization has been exhausted. A hearing shall be held if the appeal is made within 120 days after the appeal is deemed to have exhausted the managed care organization's appeals process, as provided in paragraph 7.2(5) "c."

d. Offset standards. For appeals regarding state or federal tax or debtor offsets, a hearing shall be held if the appeal is made within 15 days after official notification of the action. Counties have 30 days to appeal offsets, as provided in 441— subrule 14.4(3). When the appeal is made more than 15 days but less than 90 days after notification, the director shall determine whether a hearing shall be granted.

(1) The director may grant a hearing if one or more of the following conditions existed:

1. There was a serious illness or death of the appellant or a member of the appellant's family.
2. There was a family emergency or household disaster, such as a fire, flood, or tornado.
3. The appellant offers a good cause beyond the appellant's control, which can be substantiated.
4. There was a failure to receive the department's notification for a reason not attributable to the appellant. Lack of a forwarding address is attributable to the appellant. A hearing may be granted if an appellant provides proof that a forwarding address was not supplied due to fear of domestic violence, homelessness, or other good cause.

(2) The time in which to appeal an offset action shall not exceed 90 days. Appeals made more than 90 days after notification shall not be heard.

(3) The day after the official notice is sent is the first day of the period within which an appeal must be filed. When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

e. Abuse standard.

(1) For appeals regarding dependent adult abuse, a hearing shall be held if the appeal is made within six months after official notification of the action as provided in Iowa Code section 235B.10.

(2) For appeals regarding child abuse, a hearing shall be held if the appeal is made by a person alleged responsible for the abuse within 90 days after official notification of the action as provided in Iowa Code section 235A.19. A subject of a child abuse report, other than the alleged person responsible for the abuse, may file a motion to intervene in the hearing within 10 calendar days after the appeal notification.

(3) The day after the official notice is sent is the first day of the period within which an appeal must be filed. When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

f. Displacement and discrimination standard. PROMISE JOBS displacement and discrimination appeals shall be granted hearing on the following basis:

(1) An appeal of an informal grievance resolution on a PROMISE JOBS displacement grievance shall be made in writing within 10 days of issuance (i.e., mailing) of the resolution decision or within 24 days of the filing of the displacement grievance, whichever is the shorter time period, unless good cause for late filing as described in subparagraph 7.5(4)“a”(1) is found.

(2) An appeal of a PROMISE JOBS discrimination complaint shall be made within the time frames provided in paragraph 7.5(4)“a” in relation to the action alleged to have involved discrimination.

g. Risk assessment standard. An appeal of a sex offender risk assessment shall be made in writing within 14 calendar days of issuance of the notice.

7.5(5) Informal settlements. The time limit for submitting an appeal is not extended while attempts at informal settlement are in progress.

7.5(6) Appeals of family investment program (FIP), refugee cash assistance (RCA), and PROMISE JOBS overpayments.

a. Subject to the time limits described in subrule 7.5(4), a person’s right to appeal the existence, computation, and amount of a FIP, RCA, or PROMISE JOBS overpayment begins when the department sends the first notice informing the person of the overpayment. The notice shall be sent on:

- (1) Form 470-4683, Notice of FIP or RCA Overpayment; or
- (2) Form 470-4688, Notice of PROMISE JOBS Overpayment.

b. A hearing shall not be held if an appeal is filed in response to a second or subsequent notice as identified in paragraph “a.”

c. Subject to the time limits described in subrule 7.5(4), a person’s right to appeal the recovery of an overpayment through benefit reduction, as described at rule 441—46.25(239B), but not the existence, computation, or amount of an overpayment, begins when the person receives Notice of Decision or Notice of Action, Form 470-0485, 470-0485(S), 470-0486, or 470-0486(S), informing the person that benefits will be reduced to recover a FIP or RCA overpayment.

7.5(7) Appeals of medical assistance, state supplementary assistance (SSA), and HAWK-I program overpayments.

a. Subject to the time limits described in subrule 7.5(4), a person’s right to appeal the existence and amount of a medical assistance, state supplementary assistance, or healthy and well kids in Iowa (HAWK-I) program overpayment begins when the department sends the first notice informing the person of the overpayment. The notice shall be sent on:

- (1) Form 470-2891, Notice of Medical Assistance Overpayment; or
- (2) Form 470-3984, Notice of Healthy and Well Kids in Iowa (HAWK-I) Premium Overpayment.

b. A hearing shall not be held if an appeal is filed in response to a second or subsequent notice as identified in paragraph “a.”

c. A program overpayment means medical assistance, state supplementary assistance, or healthy and well kids in Iowa (HAWK-I) assistance was received by or on behalf of a person in excess of that

allowed by law, rules or regulations for any given month or in excess of the dollar amount of assistance. Subrule 7.5(7) relates to overpayments received by recipients, not by providers of the medical assistance program.

7.5(8) *Appeal rights under the family investment program limited benefit plan.* A participant only has the right to appeal the establishment of the limited benefit plan once at the time the department issues the timely and adequate notice that establishes the limited benefit plan. However, when the reason for the appeal is based on an incorrect grant computation, an error in determining the eligible group, or another worker error, a hearing shall be granted when the appeal otherwise meets the criteria for hearing.

7.5(9) *Appeals of child care assistance benefit overpayments.*

a. Subject to the time limits described in subrule 7.5(4), a person's right to appeal the existence, computation, and amount of a child care assistance benefit overissuance or overpayment begins when the department sends the first notice informing the person of the child care assistance overpayment. The notice shall be sent on Form 470-4530, Notice of Child Care Assistance Overpayment.

b. A hearing shall not be held if an appeal is filed in response to a second or subsequent notice about the same overpayment.

c. A program overpayment means child care assistance was received by or on behalf of a person in excess of that allowed by law, rules or regulations for any given month or in excess of the dollar amount of assistance. Subrule 7.5(9) relates to overpayments received by recipients and child care providers. Either entity may be responsible for repayment.

7.5(10) *Appeals of food assistance overpayments.*

a. Subject to the time limits described in subrule 7.5(4), a person's right to appeal the existence, computation, and amount of a food assistance overpayment begins when the department sends the first notice informing the person of the food assistance overpayment. The notice shall be sent on Form 470-4668, Notice of Food Assistance Overpayment.

b. Subject to the time limits described in subrule 7.5(4), a person's right to appeal the recovery of an overpayment through benefit reduction, but not the existence, computation, or amount of an overpayment, begins when the person receives Notice of Decision or Notice of Action, Form 470-0485, 470-0485(S), 470-0486, or 470-0486(S), informing the person that benefits will be reduced to recover a food assistance overpayment.

7.5(11) *Appeals of family planning program overpayments.*

a. Subject to the time limits described in subrule 7.5(4), a person's right to appeal the existence and amount of a family planning program overpayment begins when the department sends the first notice informing the person of the overpayment. The notice shall be sent on Form 470-5483, Notice of Family Planning Program Assistance Overpayment.

b. A hearing shall not be held if an appeal is filed in response to a second or subsequent notice as identified in paragraph 7.5(11) "a."

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 8439B, IAB 1/13/10, effective 3/1/10; ARC 9698B, IAB 9/7/11, effective 8/15/11; ARC 0304C, IAB 9/5/12, effective 11/1/12; ARC 0487C, IAB 12/12/12, effective 2/1/13; ARC 0583C, IAB 2/6/13, effective 4/1/13; ARC 0819C, IAB 7/10/13, effective 9/1/13; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3199C, IAB 7/19/17, effective 7/1/17; ARC 3389C, IAB 10/11/17, effective 11/15/17; ARC 3787C, IAB 5/9/18, effective 7/1/18; ARC 3871C, IAB 7/4/18, effective 8/8/18]

441—7.6(17A) Informing persons of their rights.

7.6(1) *Written and oral notification.* The department shall advise each applicant and recipient of the right to appeal any adverse decision affecting the person's status.

a. Written notification of the following shall be given at the time of application and at the time of any agency action affecting the claim for assistance:

- (1) The right to request a hearing.
- (2) The procedure for requesting a hearing.
- (3) The right to be represented by others at the hearing unless otherwise specified by statute or federal regulation.
- (4) Provisions, if any, for payment of legal fees by the department.

b. Written notification shall be given on the application form and on all notices of decisions. Oral explanation shall also be given regarding the policy on appeals during the application process and at the time of any contemplated action by the agency when the need for an explanation is indicated.

c. Persons not familiar with English shall be provided a translation into the language understood by them in written form or orally. Appellants are entitled to have an interpreter present during appeal hearings. In all cases when a person is illiterate or semiliterate, the person shall be advised of each right to the satisfaction of the person's understanding.

d. Persons living with disabilities shall be provided assistance through the use of auxiliary aids and services at no cost to the individual in accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act.

7.6(2) Authorized representation or responsible party. Persons may be represented for purposes of this chapter by an authorized representative or an individual, organization, or provider recognized by the department as acting responsibly for an applicant or beneficiary pursuant to policy governing a particular program (hereinafter referred to as a "responsible party"), unless otherwise specified by statute or federal regulations.

a. The designation of an authorized representative must be in writing and include the signature of the person designating the authorized representative. Medicaid members may appoint an authorized representative or provider to act on their behalf during the appeals process regarding an adverse benefit determination made by a managed care organization by signing Form 470-5526, Authorized Representative for Managed Care Appeals. Legal documentation of authority to act on behalf of a person, such as a court order establishing legal guardianship or a power of attorney, shall serve in place of a signed designation by the person.

b. An authorized representative or responsible party must agree to maintain, or be legally bound to maintain, the confidentiality of any information regarding an applicant or beneficiary provided by the department.

c. A provider or staff member or volunteer of an organization serving as an authorized representative or responsible party must affirm that such provider, staff member or volunteer will adhere to the regulations in Part 431, Subpart F, of 42 CFR Chapter IV and in 45 CFR 155.260(f) (relating to confidentiality of information), § 447.10 of 42 CFR Chapter IV (relating to the prohibition against reassignment of provider claims as appropriate for a health facility or an organization acting on the facility's behalf), as well as other relevant state and federal laws concerning conflict of interest and confidentiality of information.

d. An authorized representative or responsible party may file an appeal on the appellant's behalf, receive copies of appeal correspondence, and act on behalf of the appellant in all other matters regarding the appeal.

e. The authorized representative or responsible party is responsible for fulfilling all responsibilities encompassed within the scope of the authorized representation to the same extent as the individual the authorized representative or responsible party represents.

f. The power to act as an authorized representative is valid until the appellant modifies the authorization or notifies the department that the representative is no longer authorized to act on the appellant's behalf, or the authorized representative informs the agency that the authorized representative is no longer acting in such capacity, or there is a change in the legal authority upon which the individual's or organization's authority was based. Such notice must be in writing and include the appellant's, authorized representative's or responsible party's signature as appropriate.

g. Designations of authorized representatives, legal documentation of authority to act on behalf of a person, and modifications or terminations of designations or legal authority may be submitted by mail, by electronic mail, by facsimile transmission or in person.

h. Designations of authorized representatives, legal documentation of authority to act on behalf of a person, and modifications or terminations of designations or legal authority previously submitted to the department that comply with the requirements of this rule will continue to apply for purposes of appeals, consistent with their terms.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 3871C, IAB 7/4/18, effective 8/8/18]

441—7.7(17A) Notice of intent to approve, deny, terminate, reduce, or suspend assistance or deny reinstatement of assistance.**7.7(1) Notification.**

a. Whenever the department proposes to cancel or reduce assistance or services or to revoke a license, certification, approval, registration, or accreditation, it shall give timely and adequate notice of the pending action, except:

(1) When a service is deleted from the state's comprehensive annual service plan in the social services block grant program at the onset of a new program year, or

(2) As provided in subrule 7.7(2).

b. For the purpose of this subrule, "assistance" includes food assistance, medical assistance, the family investment program, refugee cash assistance, child care assistance, emergency assistance, the family planning program, family or community self-sufficiency grant, PROMISE JOBS, state supplementary assistance, healthy and well kids in Iowa (HAWK-I) program, foster care, adoption, aftercare services, or other programs or services provided by the department.

c. The department shall give adequate notice of the approval or denial of assistance or services; the approval or denial of a license, certification, approval, registration, or accreditation; and pending action for a state or federal tax or debtor offset.

d. "Timely" means that the notice is sent at least ten calendar days before the date the action would become effective. The timely notice period shall begin on the day after the notice is sent.

e. "Adequate" means a written notice that includes:

(1) A statement of what action is being taken,

(2) The effective date of such action,

(3) A clear statement of the specific reasons supporting the intended action,

(4) The corresponding rule reference,

(5) An explanation of the appellant's right to appeal, and

(6) The circumstances under which assistance is continued when an appeal is filed.

7.7(2) Dispensing with timely notice. Timely notice may be dispensed with, but adequate notice shall be sent no later than the date benefits would have been issued when:

a. There is factual information confirming the death of a recipient or of the family investment program payee when there is no relative available to serve as a new payee.

b. The recipient provides a clear written, signed statement that the recipient no longer wishes assistance, or gives information which requires termination or reduction of assistance, and the recipient has indicated, in writing, that the recipient understands this must be the consequence of supplying the information.

c. The recipient has been admitted or committed to an institution that does not qualify for payment under an assistance program.

d. The recipient has been placed in skilled nursing care, intermediate care, or long-term hospitalization.

e. The recipient's whereabouts are unknown and mail directed to the recipient has been returned by the post office indicating no known forwarding address. When the recipient's whereabouts become known during the payment period covered by the returned warrant, the warrant shall be made available to the recipient.

f. The agency establishes that the recipient has been accepted for assistance in another state.

g. Cash assistance or food assistance is changed because a child is removed from the home as a result of a judicial determination or is voluntarily placed in foster care.

h. A change in the level of medical care is prescribed by the recipient's physician.

i. A special allowance or service granted for a specific period is terminated and the recipient has been informed in writing at the time of initiation that the allowance or service shall terminate at the end of the specified period.

j. The notice involves an adverse determination made with regard to the preadmission screening requirements.

k. The department terminates or reduces benefits or makes changes based on a completed Form 470-2881, 470-2881(S), 470-2881(M), or 470-2881(MS), Review/Recertification Eligibility Document, as described at 441—subrule 40.27(3) or rule 441—75.52(249A).

l. The agency terminates benefits for failure to return a completed report form, as described in paragraph “*k.*”

m. The agency approves or denies an application for assistance.

n. The agency implements a mass change based on law or rule changes that affect a group of recipients.

7.7(3) Action due to probable fraud. When the agency obtains facts indicating that assistance should be canceled, suspended, or reduced because of the probable fraud of the recipient, and, where possible, the facts have been verified through collateral sources, notice of the action shall be timely when sent at least five calendar days before the action would become effective. The notice shall be sent by certified mail, return receipt requested.

7.7(4) Conference during the timely notice period. Rescinded IAB 7/10/13, effective 9/1/13.

7.7(5) Notification not required. Notification is not required in the following instances:

a. When services in the social service block grant preexpenditure report are changed from one plan year to the next, or when the plan is amended because funds are no longer available.

b. When service has been time-limited in the social service block grant preexpenditure report, and as a result the service is no longer available.

c. When the placement of a person(s) in foster care is changed.

d. When payment has been in accordance with the Medicaid payment schedule for the service billed because there is no adverse action.

7.7(6) Reinstatement.

a. Whenever the department determines that a previously canceled case must remain canceled for a reason other than that covered by the original notice, timely and adequate notice shall be sent except as specified in subrule 7.7(2).

b. Whenever the department determines that a previously canceled case is eligible for reinstatement at a lower level of benefits, for a reason other than that covered by the original notice, timely and adequate notice shall be sent except as specified in subrule 7.7(2).

c. Food assistance cases are eligible for reinstatement only in circumstances found in rule 441—65.44(234). FIP cases are eligible for reinstatement only in circumstances found in 441—subrule 40.22(5).

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 0819C, IAB 7/10/13, effective 9/1/13; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3199C, IAB 7/19/17, effective 7/1/17; ARC 3389C, IAB 10/11/17, effective 11/15/17]

441—7.8(17A) Opportunity for hearing.

7.8(1) Initiating an appeal. To initiate an appeal, a person, the person’s authorized representative or an individual or organization recognized by the department as acting responsibly for the person pursuant to policy governing a particular program must state in writing that the person disagrees with a decision, action, or failure to act on the person’s case.

a. Food assistance, medical assistance, child care assistance, family planning program and family investment program appeals may be made in person, by telephone or in writing as specified in subrule 7.8(2).

b. All other appeals, subject to paragraph 7.8(1)“*a.*,” shall be made in writing.

c. A written request may be submitted via the appeals section’s website or may be delivered by mail, electronic mail, facsimile transmission or personal delivery to the appeals section, to the local office, or to the department office that took the adverse action.

d. A request by telephone or in person may be made to the appeals section or to the department office that took the adverse action.

e. A Medicaid provider or an authorized representative requesting a hearing on behalf of the member regarding an adverse benefit determination made by a managed care organization must have the prior express written consent of the member or the member’s lawfully appointed guardian on Form

470-5526, Authorized Representative for Managed Care Appeals. Legal documentation of authority to act on behalf of a person, such as a court order establishing legal guardianship or a power of attorney, shall serve in place of a signed designation by the person. No hearing will be granted unless the provider submits a document providing the member's consent to the request for a hearing.

7.8(2) *Filing the appeal.* The appellant shall be encouraged, but not required, to make written appeal on Form 470-0487 or 470-0487(S), Appeal and Request for Hearing, and the worker shall provide any instructions or assistance required in completing the form. When the appellant is unwilling to complete or sign this form, nothing in this rule shall be construed to preclude the right to perfect the appeal, as long as the appeal is in writing (except for food assistance, medical assistance, child care assistance, family planning program and family investment program appeals) and has been communicated to the department by the appellant or appellant's representative.

A written appeal submitted by mail is filed on the date postmarked on the envelope sent to the department or, when the postmarked envelope is not available, on the date the appeal is stamped received by the agency. When an appeal is submitted through an electronic delivery method, such as electronic mail, submission of an online form, or facsimile, the appeal is filed on the date it is submitted. The electronic delivery method shall record the date and time the appeal request was submitted. If there is no date recorded by the electronic delivery method, the date of filing is the date the appeal is stamped received by the agency. Receipt date of all appeals shall be documented by the office where the appeal is received.

7.8(3) *Informal conference.* When requested by the appellant, an informal conference with a representative of the department or one of its contracted partners, including a managed care organization, shall be held as soon as possible after the appeal has been filed. An appellant's representative shall be allowed to attend and participate in the informal conference, unless precluded by federal rule or state statute.

An informal conference need not be requested for the appellant to examine the contents of the case record, including any electronic case record, as provided in subrule 7.13(1) and 441—Chapter 9.

7.8(4) *Prehearing conference.* When requested, a prehearing conference may be held with the appellant, a representative of the department and a presiding officer as soon as possible after the appeal has been filed. An appellant's representative shall be allowed to attend and participate in the prehearing conference, unless precluded by federal rule or state statute.

7.8(5) *Interference.* Neither an informal conference nor a prehearing conference shall be used to discourage appellants from proceeding with their appeals. The right of appeal shall not be limited or interfered with in any way, even though the person's complaint may be without basis in fact, or because of the person's own misinterpretation of law, agency policy, or methods of implementing policy.

7.8(6) *Right to deny or dismiss an appeal.* The appeals section or the department of inspections and appeals has the right to deny or dismiss the appeal when:

- a. It has been withdrawn by the appellant pursuant to subrule 7.8(8).
- b. The sole issue is one of state or federal law requiring automatic grant adjustments for classes of recipients.
- c. It has been abandoned.
- d. The agency, by written notice, withdraws the action appealed and restores the appellant's status that existed before the action appealed was taken.
- e. The agency implements action and issues a notice of decision or notice of action to correct an error made by the agency which resulted in the appeal.
- f. An individual has waived the individual's right to an administrative disqualification hearing, agreed to repay any overpayment and agreed to be disqualified from the food assistance program for the period specified by signing and returning Form 470-5530, Waiver of Right to an Administrative Disqualification Hearing.

Abandonment may be deemed to have occurred when the appellant, the appellant's authorized representative, or the department fails, without good cause, to appear at the prehearing or hearing.

7.8(7) *Denial of due process.* Facts of harassing, threats of prosecution, denial of pertinent information needed by the appellant in preparing the appeal, as a result of the appellant's communicated

desire to proceed with the appeal shall be taken into consideration by the administrative law judge in reaching a proposed decision.

7.8(8) *Withdrawal.* When the appellant desires to voluntarily withdraw an appeal, the worker, the presiding officer, or the appeals section shall accept a request from the appellant to withdraw the appeal by telephone, in writing or in person. A written request may be submitted in person, by mail or through an electronic delivery method, such as electronic mail, submission of an online form, or facsimile. The appellant may use Form 470-0492 or 470-0492(S), Request for Withdrawal of Appeal, for this purpose. For child abuse and dependent adult abuse appeals, the request to withdraw an appeal must be made on the record before an administrative law judge or in writing and signed by the appellant or the appellant's legal counsel.

7.8(9) *Department's responsibilities.* Unless the appeal is voluntarily withdrawn, the department worker or agent responsible for representing the department at the hearing shall:

a. Within one working day of receipt of an appeal request, forward Form 470-0487 or 470-0487(S), Appeal and Request for Hearing, the written appeal, the postmarked envelope, if there is one, and a copy of the notification of the proposed adverse action to the appeals section.

b. Forward a summary and supporting documentation of the worker's or agent's factual basis for the proposed action to the appeals section within ten days of the receipt of the appeal.

c. Provide the appellant and the appellant's representative copies of all materials sent to the appeals section or the presiding officer to be considered in reaching a decision on the appeal at the same time as the materials are sent to the appeals section or the presiding officer.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 0487C, IAB 12/12/12, effective 2/1/13; ARC 0819C, IAB 7/10/13, effective 9/1/13; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3199C, IAB 7/19/17, effective 7/1/17; ARC 3389C, IAB 10/11/17, effective 11/15/17; ARC 3871C, IAB 7/4/18, effective 8/8/18; ARC 4064C, IAB 10/10/18, effective 12/1/18]

441—7.9(17A) Continuation of assistance pending a final decision on appeal.

7.9(1) *General standards for when assistance continues.*

a. Assistance, subject to paragraph 7.9(1)“*b*,” shall not be suspended, reduced, restricted, or canceled, nor shall a license, registration, certification, approval, or accreditation be revoked or other proposed adverse action be taken pending a final decision on an appeal when:

(1) An appeal is filed before the effective date of the intended action; or

(2) The appellant requests a hearing within ten days from receipt of a notice suspending, reducing, restricting, or canceling benefits or services.

The date on which the notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period.

b. If it is determined at a hearing that the issue involves only federal or state law or policy, assistance will be immediately discontinued.

c. Assistance shall be continued on the basis authorized immediately prior to the notice of adverse action, subject to paragraph 7.9(2)“*c*.”

d. The appellant may ask to have the appellant's benefits continue on Form 470-0487 or 470-0487(S), Appeal and Request for Hearing. If the form does not positively indicate that the appellant has waived continuation of benefits, the department shall assume that continuation of benefits is desired.

e. Once benefits are continued or reinstated, the department will not reduce or terminate benefits while the appeal is pending, subject to subrule 7.9(2).

7.9(2) *General standards for when assistance does not continue.* Assistance shall be suspended, reduced, restricted, or canceled; a license, registration, certification, approval, or accreditation shall be revoked; and other proposed action shall be taken pending a final decision on appeal when:

a. An appeal is not filed before the effective date of the intended action or within ten days from the date notice is received. The date on which notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period.

b. Benefits or services were time-limited through a certification period or prior authorization for which notice was given when established or for which adequate notice was provided.

- c. The appellant directs the worker in writing to proceed with the intended action.
- d. Adverse action was taken because the appellant failed to return a complete review form.

7.9(3) *When assistance continues for food assistance.*

a. Assistance, subject to paragraph 7.9(3)“b,” shall not be suspended, reduced, restricted, or canceled or other proposed adverse action taken pending a final decision on an appeal when the appellant requests a hearing within ten days from receipt of a notice suspending, reducing, restricting, or canceling benefits.

The date on which the notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period.

b. If it is determined at a hearing that the issue involves only federal or state law or policy, assistance will be immediately discontinued.

c. Assistance shall be continued on the basis authorized immediately prior to the notice of adverse action, subject to paragraph 7.9(4)“c.”

d. The appellant may ask to have the appellant’s benefits continue on Form 470-0487 or 470-0487(S), Appeal and Request for Hearing. If the form does not positively indicate that the appellant has waived continuation of benefits, the department shall assume that continuation of benefits is desired.

e. Once benefits are continued or reinstated, the department must not reduce or terminate benefits while the appeal is pending, subject to subrule 7.9(4).

7.9(4) *When assistance does not continue for food assistance.* Assistance shall be suspended, reduced, restricted, or canceled or other proposed action shall be taken pending a final decision on appeal when:

a. An appeal is not filed within ten days from the date notice is received. The date on which notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period.

b. Benefits or services were time-limited through a certification period or for which adequate notice was provided.

c. The appellant directs the worker in writing to proceed with the intended action.

d. Adverse action was taken because the appellant failed to return a complete review form.

7.9(5) *When assistance continues for managed care organization health care services.*

a. Health care services may not be reduced, limited, suspended, canceled or other proposed adverse action taken pending a final decision on an appeal when:

(1) An appeal is filed timely. “Timely” means the appeal is filed on or before the effective date of the adverse benefit determination or within ten calendar days of the date the managed care organization sent the notice of adverse benefit determination. The date on which the notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period;

(2) The appeal involves the termination, suspension, or reduction of a previously authorized course of treatment;

(3) The services were ordered by an authorized provider;

(4) The period covered by the original authorization has not expired; and

(5) The appellant requests that health care services be continued.

b. If, at the appellant’s request, the managed care organization continues or reinstates the member’s health care services while the appeal is pending, the benefits must continue until one of the following occurs:

(1) The appellant withdraws the appeal.

(2) The appellant fails to request an appeal within ten calendar days from the date the managed care organization mails the notice of action.

(3) A hearing decision is issued that is adverse to the appellant.

7.9(6) *When assistance does not continue for health care services managed by a managed care organization.* Health care services may be reduced, limited, suspended, canceled or other proposed adverse action taken pending a final decision on an appeal when:

a. An appeal is not filed timely. “Timely” means the appeal is filed on or before the effective date of the adverse benefit determination or within ten calendar days of the date the managed care organization sent the notice of adverse benefit determination. The date on which the notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period;

b. The appeal does not involve the termination, suspension, or reduction of a previously authorized course of treatment;

c. The services were not ordered by an authorized provider;

d. The period covered by the original authorization has expired; or

e. The appellant fails to request that health care services be continued.

7.9(7) *Recovery of excess assistance paid pending a final decision on appeal.* Continued assistance is subject to recovery by the department if the department’s action is affirmed, except as specified at subrule 7.9(9).

When the department’s action is sustained, excess assistance paid pending a final decision shall be recovered to the date of the decision. This recovery is not an appealable issue. However, appeals may be heard on the computation of excess assistance paid pending a final decision.

7.9(8) *Recovery of excess assistance paid when the appellant’s benefits are changed prior to a final decision.* Recovery of excess assistance paid will be made to the date of change which affects the improper payment. The recovery shall be made when the appellant’s benefits are changed due to one of the following reasons:

a. A determination is made at the hearing that the sole issue is one of state or federal law or policy or change in state or federal law or policy and not one of incorrect grant computation, and the grant is adjusted.

b. A change affecting the appellant’s grant occurs while the final decision is pending and the appellant fails to request a hearing after notice of the change.

7.9(9) *Recovery of assistance when a new limited benefit plan is established.* Assistance issued pending the final decision of the appeal is not subject to recovery when a new limited benefit plan period is established. A new limited benefit plan period shall be established when the department is affirmed in a timely appeal of the establishment of the limited benefit plan. All of the following conditions shall exist:

a. The appeal is filed either:

(1) Before the effective date of the intended action on the notice of decision or notice of action establishing the beginning date of the limited benefit plan, or

(2) Within ten days from the date on which a notice establishing the beginning date of the limited benefit plan is received. The date on which notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period.

b. Assistance is continued pending the final decision of the appeal.

c. The department’s action is affirmed.

7.9(10) *Recovery of assistance when a new ineligibility period is established for the use of an electronic access card at a prohibited location.* Assistance issued pending the final decision of the appeal is not subject to recovery when a new ineligibility period is established for the use of an electronic access card at a prohibited location. A new ineligibility period pursuant to 441—paragraph 41.25(11)“e” shall be established when the department is affirmed in an appeal of the establishment of an ineligibility period for the use of an electronic access card at a prohibited location. All of the following conditions shall exist:

a. The appeal is filed either:

(1) Before the effective date of the intended action on the notice of decision or notice of action establishing the beginning date of the ineligibility period, or

(2) Within ten days from the date on which a notice establishing the beginning date of the ineligibility period is received. The date on which notice is received is considered to be five days after

the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period.

b. Assistance is continued pending the final decision of the appeal.

c. The department's action is affirmed.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 1478C, IAB 6/11/14, effective 8/1/14; ARC 1694C, IAB 10/29/14, effective 1/1/15; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3871C, IAB 7/4/18, effective 8/8/18]

441—7.10(17A) Procedural considerations.

7.10(1) Registration. Upon receipt of the notice of appeal, the appeals section shall register the appeal.

7.10(2) Acknowledgment.

a. Upon receipt of the notice of appeal, the appeals section shall send an acknowledgment of receipt of the appeal to the appellant, representative, or both. A copy of the acknowledgment of receipt of appeal will be sent to the appropriate departmental office.

b. For an appeal regarding child abuse, all subjects other than the person alleged responsible (appellant) will be notified of the opportunity to file a motion to intervene as provided in Iowa Code section 235A.19.

c. The department shall advise the person of any legal services which may be available and that the person may be represented by counsel at the person's own expense.

7.10(3) Granting a hearing. The appeals section shall determine whether an appellant may be granted a hearing and the issues to be discussed at that hearing in accordance with the applicable rules, state statutes, or federal regulations.

a. The appeals of those appellants who are granted a hearing shall be certified to the department of inspections and appeals for the hearing to be conducted. The appeals section shall indicate at the time of certification the issues to be discussed at that hearing.

b. The appeals of those appellants who are denied a hearing shall not be closed until issuance of a letter to the appellant and the appellant's representative, advising of the denial of hearing and the basis upon which that denial is made. Any appellant who disagrees with a denial of hearing may present additional information relative to the reason for denial and request reconsideration by the appeals section or a hearing over the denial within 30 calendar days of the date on the denial letter.

7.10(4) Hearing scheduled. For those records certified for hearing, the department of inspections and appeals shall establish the date, time, method and place of the hearing, with due regard for the convenience of the appellant as set forth in 481—Chapter 10 of the department of inspections and appeals' rules unless otherwise designated by federal or state statute or regulation.

a. In cases involving individual appellants, the hearing shall be held by teleconference call or in the appropriate department office.

b. In cases of appeals by agencies, the hearing shall be scheduled by teleconference call or at the most appropriate department office.

c. In cases involving the determination of the community spouse resource allowance, the hearing shall be held within 30 days of the date of the appeal request.

d. In cases involving an appeal of a sex offender risk assessment, the hearing or administrative review shall be held within 30 days of the date of the appeal request.

e. Emergency assistance appeals shall be expedited.

f. In cases involving appellants who indicate that their lives, physical or mental health, or ability to attain, maintain or regain maximum function could seriously be jeopardized if they wait for standard resolution of their appeals, the hearing shall be held within three working days of the date on the appeal request if:

(1) The managed care organization handled the first-level review expeditiously; and

(2) The appellant or a provider acting on the appellant's behalf requested an expedited appeal hearing.

7.10(5) Method of hearing. The department of inspections and appeals shall determine whether the appeal hearing is to be conducted in person, by videoconference or by teleconference call. The parties

to the appeal may participate from multiple sites for videoconference or teleconference hearings. Any appellant is entitled to an in-person hearing if the appellant requests one. Upon advance request, a witness shall be permitted to appear by teleconference unless the administrative law judge determines that the physical presence of the witness is necessary for the administration of justice and does not impose an undue burden on the witness. All parties shall be granted the same rights during a teleconference hearing as specified in rule 441—7.13(17A). The appellant may request to have a presiding officer render a decision for attribution appeals through an administrative hearing.

7.10(6) Reschedule requests. Requests by the appellant or the department to set another date, time, method or place of hearing shall be made to the department of inspections and appeals directly except as otherwise noted. The granting of the requests will be at the discretion of the department of inspections and appeals.

a. The appellant may request that the teleconference hearing be rescheduled as an in-person hearing. All requests made to the appeals section or to the department of inspections and appeals for a teleconference hearing to be rescheduled as an in-person hearing shall be granted. Any appellant request for an in-person hearing made to the appeals section shall be communicated to the department of inspections and appeals immediately.

b. For food assistance appeals, the hearing may be rescheduled if requested by the appellant; however, the postponement shall not exceed 30 days.

c. For intentional program violation appeals, the hearing may be rescheduled provided that the request for postponement is made at least ten days in advance of the date of the scheduled hearing. The hearing shall not be postponed for more than a total of 30 days.

d. Reschedule requests made by the department shall only be granted in instances of inclement weather when the department office is closed. The department's representative shall arrange coverage by a coworker in instances including, but not limited to, when inclement weather is present, but the department office remains open or when a family emergency, sudden illness or death occurs.

e. All other requests, subject to paragraph 7.10(6) "a," concerning the scheduling of a hearing shall be made to the department of inspections and appeals directly.

7.10(7) Notification. For those appeals certified for hearing, the department of inspections and appeals shall send a notice to the appellant at least ten calendar days in advance of the hearing date.

a. The notice, as prescribed in Iowa Code section 17A.12(2), shall set forth:

- (1) The date, time, method and place of the hearing;
- (2) That evidence may be presented orally or documented to establish pertinent facts; and
- (3) That the appellant may question or refute any testimony, may bring witnesses of the appellant's choice and may be represented by others, including an attorney, subject to federal law and state statute. The department will not pay for the cost of legal representation.

b. A copy of this notice shall be forwarded to the department employee who took the action and to other persons when circumstances peculiar to the case indicate that the notification may be desirable.

c. Notices of hearing regarding an intentional program violation shall be served upon the appellant by first-class mail, postage prepaid, addressed to the appellant at the last-known address at least 30 days in advance of the date the hearing is scheduled. All other notices of hearing shall be mailed by first-class mail, postage prepaid, addressed to the appellant at the appellant's last-known address.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 0487C, IAB 12/12/12, effective 2/1/13; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 4064C, IAB 10/10/18, effective 12/1/18]

441—7.11(17A) Information and referral for legal services. The local office shall advise persons appealing any agency decision of legal services in the community that are willing to assist them.

441—7.12(17A) Subpoenas. The department shall have all subpoena power conferred upon it by statute. Departmental subpoenas shall be issued to a party on request or will be served by the department when requested at least one week in advance of the hearing date.

441—7.13(17A) Rights of appellants during hearings.

7.13(1) Examination of the evidence. The department shall provide the appellant, or representative, opportunity prior to, as well as during, the hearing, to examine all materials permitted under rule 441—9.1(17A,22) or to be offered as evidence. Off the record, or confidential information which the appellant or representative does not have the opportunity to examine shall not be included in the record of the proceedings or considered in reaching a decision.

7.13(2) Conduct of hearing.

a. The hearing shall be conducted by an administrative law judge designated by the department of inspections and appeals. It shall be an informal rather than a formal judicial procedure and shall be designed to serve the best interest of the appellant. The appellant shall have the right to introduce any evidence on points at issue believed necessary, to challenge and cross-examine any statement made by others, and to present evidence in rebuttal. A verbatim record shall be kept of the evidence presented.

b. For an appeal hearing regarding child abuse, the administrative law judge, upon request of any party to the hearing, may stay the hearing until the conclusion of the adjudicatory phase of a pending juvenile or district court case relating to the data or findings as provided in Iowa Code section 235A.19.

7.13(3) Opportunity for response. Opportunity shall be afforded all parties to respond and present evidence and arguments on all issues involved and to be represented by counsel at their own expense.

7.13(4) Default. If a party to the appeal fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing pursuant to subrules 7.13(1), 7.13(2) and 7.13(3) and render a proposed decision on the merits in the absence of the defaulting party.

a. Where appropriate and not contrary to law, any party may move for a default decision against a party who has failed to file a required pleading or has failed to appear after proper service for a hearing. A proposed decision on the merits may be issued in the absence of a defaulting party.

b. A default decision or a proposed decision rendered on the merits in the absence of the defaulting party may award any relief against the defaulting party consistent with the relief requested before the default, but the relief awarded against the defaulting party may not exceed the requested relief before the default.

c. Proceedings after a default decision are specified in subrule 7.13(5).

d. Proceedings after a hearing and a proposed decision on the merits in the absence of a defaulting party are specified in subrule 7.13(6).

7.13(5) Proceedings after default decision.

a. Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final agency action unless a motion to vacate the decision is filed within the time allowed for an appeal of a proposed decision by subrule 7.16(5).

b. A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for the party's failure to appear or participate at the contested case proceeding. A party must file the motion with the Department of Human Services, Appeals Section, Fifth Floor, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. The department or its representative shall file a motion to vacate as specified in subrule 7.16(6). Each fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact. Each affidavit must be attached to the motion. In lieu of submitting an affidavit, the moving party may submit business records or other acceptable documentation from a disinterested third party that substantiates the claim of good cause.

(1) The appeals section shall be responsible for serving all parties with the motion to vacate. All parties to the appeal shall have ten days from service by the appeals section to respond to the motion to vacate. All parties to the appeal shall be allowed to conduct discovery as to the issue of good cause and shall be allowed to present evidence on the issue before a decision on the motion, if a request to do so is included in that party's response. If the department responds to any party's motion to vacate, all parties shall be allowed another ten days to respond to the appeals section.

(2) The appeals section shall certify the motion to vacate to the department of inspections and appeals for the presiding officer to review the motion, hold any additional proceedings, as appropriate, and determine if good cause exists to set aside the default.

c. Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party.

d. "Good cause" for purposes of this rule is defined as an emergency circumstance that is beyond the control of the party and that prevents the party from being able to participate in the hearing.

(1) Examples of good cause include, but are not limited to:

1. Sudden, severe illness or accident involving the party or the party's immediate family (spouse, partner, children, parents, sibling).

2. Death or serious illness in the party's immediate family.

3. Other circumstances evidencing an emergency situation which was beyond the party's control and was not reasonably foreseeable.

(2) Examples of circumstances that do not constitute good cause include, but are not limited to:

1. A lost or misplaced notice of hearing.

2. Confusion as to the date and time for the hearing.

3. Failure to follow the directions on the notice of hearing.

4. Oversleeping.

5. Other acts demonstrating a lack of due care by the party.

e. Upon determining whether good cause exists, the presiding officer shall issue a proposed decision on the motion to vacate, which shall be subject to review by the director pursuant to rule 441—7.16(17A).

f. Once the time limit to appeal a proposed decision has expired, the contested case hearing shall proceed accordingly, after proper service of notice to all parties. The situation shall be treated as the filing of a new appeal for purposes of calculating time limits, with the filing date being the date the decision granting the motion to vacate became final.

g. Upon a final decision denying a motion to vacate, the default decision becomes final agency action.

7.13(6) *Proceedings after hearing and proposed decision on the merits in the absence of a defaulting party.*

a. Proposed decisions on the merits after a party has failed to appear or participate in a contested case become final agency action unless:

(1) A motion to vacate the proposed decision is filed by the defaulting party based on good cause for the failure to appear or participate, within the time allowed for an appeal of a proposed decision by subrule 7.16(5); or

(2) Any party requests review on the merits by the director pursuant to rule 441—7.16(17A).

b. If a motion to vacate and a request for review on the merits are both made in a timely manner after a proposed decision on the merits in the absence of a defaulting party, the review by the director on the merits of the appeal shall be stayed pending the outcome of the motion to vacate.

c. A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for the party's failure to appear or participate at the contested case proceeding. A party must file a motion with the Department of Human Services, Appeals Section, Fifth Floor, 1305 East Walnut Street, Des Moines, Iowa 50319-0114.

(1) The appeals section shall be responsible for serving all parties with the motion to vacate. All parties to the appeal shall have ten days from service by the appeals section to respond to the motion to vacate. All parties to the appeal shall be allowed to conduct discovery as to the issue of good cause and shall be allowed to present evidence on the issue before a decision on the motion, if a request to do so is included in that party's response. If the department responds to any party's motion to vacate, all parties shall be allowed another ten days to respond to the appeals section.

(2) The appeals section shall certify the motion to vacate to the department of inspections and appeals for the presiding officer to review the motion, hold any additional proceedings, as appropriate, and determine if good cause exists to set aside the default.

d. Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party.

e. “Good cause” for purposes of this rule is defined as an emergency circumstance that is beyond the control of the party and that prevents the party from being able to participate in the hearing.

(1) Examples of good cause include, but are not limited to:

1. Sudden, severe illness or accident involving the party or the party’s immediate family (spouse, partner, children, parents, sibling).

2. Death or serious illness in the party’s immediate family.

3. Other circumstances evidencing an emergency situation which was beyond the party’s control and was not reasonably foreseeable.

(2) Examples of circumstances that do not constitute good cause include, but are not limited to:

1. A lost or misplaced notice of hearing.

2. Confusion as to the date and time for the hearing.

3. Failure to follow the directions on the notice of hearing.

4. Oversleeping.

5. Other acts demonstrating a lack of due care by the party.

f. Upon determining whether good cause exists, the presiding officer shall issue a proposed decision on the motion to vacate, which shall be subject to review by the director pursuant to rule 441—7.16(17A).

g. Once the time limit to appeal a proposed decision has expired, a new contested case hearing shall be held after proper service of notice to all parties. The situation shall be treated as the filing of a new appeal for purposes of calculating time limits, with the filing date being the date the decision granting the motion to vacate became final.

h. Upon a final decision denying a motion to vacate, the proposed decision on the merits in the absence of a defaulting party becomes final unless there is request for review on the merits by the director made pursuant to paragraph 7.13(6) “*a*” or “*j*.”

i. Any review on the merits by the director requested pursuant to paragraph 7.13(6) “*a*” and stayed pursuant to paragraph 7.13(6) “*b*” pending a decision on a motion to vacate shall be conducted upon a final decision denying the motion to vacate.

j. Upon a final decision denying a motion to vacate a proposed decision issued in the absence of a defaulting party, any party to the contested case proceeding may request a review on the merits by the director pursuant to rule 441—7.16(17A), treating the date that the denial of the motion to vacate became final as the date of the proposed decision.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 0304C, IAB 9/5/12, effective 11/1/12; ARC 0487C, IAB 12/12/12, effective 2/1/13; ARC 3093C, IAB 6/7/17, effective 7/12/17]

441—7.14(17A) Limitation of persons attending.

7.14(1) The hearing shall be limited in attendance to the following persons, unless otherwise specified by statute or federal regulations: appellant, appellant’s representative, agency employees, agency’s legal representatives, other persons present for the purpose of offering testimony pertinent to the issues in controversy, and others upon mutual agreement of the parties. The administrative law judge may sequester witnesses during the hearing. Nothing in this rule shall be construed to allow members of the press, news media, or any other citizens’ group to attend the hearing without the written consent of the appellant.

7.14(2) For an appeal hearing regarding child abuse:

a. Subjects who file a motion to intervene, as provided in Iowa Code section 235A.19, will have the opportunity to appear at the prehearing conference. Any motion to intervene shall be considered by the administrative law judge at the prehearing conference.

b. The department shall not be considered to be a party who can adequately represent the interests of any other subject.

c. Subjects allowed to intervene as specified in subrule 7.5(4) will be considered parties to the hearing and will be allowed to attend the proceedings as provided in Iowa Code section 235A.19.

[ARC 0487C, IAB 12/12/12, effective 2/1/13]

441—7.15(17A) Medical examination. When the hearing involves medical issues, a medical assessment or examination by a person or physician other than the one involved in the decision under question shall be obtained and the report made a part of the hearing record when the administrative law judge or appellant considers it necessary. Any medical examination required shall be performed by a physician satisfactory to the appellant and the department at agency expense.

Forms 470-0502, Authorization for Examination and Claim for Payment, and 470-0447, Report on Incapacity, shall be utilized in obtaining medical information to be used in the appeal and to authorize payment for the examination.

441—7.16(17A) The appeal decision.

7.16(1) Record. The record in a contested case shall include, in addition to those materials specified in Iowa Code section 17A.12(6):

a. The notice of appeal.

b. All evidence received or considered and all other submissions, including the verbatim record of the hearing.

7.16(2) Findings of fact. Any party may submit proposed findings of fact. The presiding officer will rule on the proposed findings of fact. Findings of fact shall be based solely on the evidence in the record and on matters officially noticed in the record. The findings of fact and conclusions of law in the proposed or final decision shall be limited to contested issues of fact, policy, or law.

7.16(3) Proposed decision. Following the reception of evidence, the presiding officer shall issue a proposed decision, consisting of the issues of the appeal, the decision, the findings of fact and the conclusions of law. Each item shall be separately stated under individual headings. The proposed decision shall be sent by first-class mail, postage prepaid, addressed to the appellant at the appellant's last-known address.

7.16(4) Appeal of the proposed decision. After issuing a proposed decision, the administrative law judge shall submit it to the appeals section with copies to the appeals advisory committee.

a. The appellant, appellant's representative, a subject allowed to intervene as specified in subrule 7.5(4), the representative of a subject allowed to intervene as specified in subrule 7.5(4), or the department may appeal for the director's review of the proposed decision.

b. When the appellant, a subject allowed to intervene as specified in subrule 7.5(4), or the department has not appealed the proposed decision or when an appeal for the director's review of the proposed decision is not granted, the proposed decision shall become the final decision.

c. The director's review on appeal of the proposed decision shall be on the basis of the record as defined in subrule 7.16(1), except that the director need not listen to the verbatim record of the hearing in a review or appeal. The review or appeal shall be limited to issues raised prior to that time and specified by the party requesting the appeal or review. The director may designate another to act on the director's behalf in making final decisions.

7.16(5) Time limit for appeal of a proposed decision. Appeal for the director's review of the proposed decision must be made in writing to the director. The written request must be mailed or submitted in person or through an electronic delivery method, such as electronic mail, submission of an online form, or facsimile. The request must be postmarked or received within ten calendar days of the date on which the proposed decision was sent. The day after the proposed decision is sent is the first day of the time period within which a request for review must be filed. When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

7.16(6) Appeal of the proposed decision by the department. The appeals advisory committee acts as an initial screening device for the director and may recommend that the director review a proposed decision. That recommendation is not binding upon the director, and the director may decide to review a proposed decision without that committee's recommendation.

A request by the department for director's review of the proposed decision must be made in writing. The written request must be submitted to the appeals advisory committee in person or submitted through an electronic delivery method, such as electronic mail or facsimile, within ten calendar days of the date on which the proposed decision was sent. The day after the proposed decision is sent is the first day of

the time period within which a request for director's review must be filed. When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

When the director grants a review of a proposed decision on the department's request, the appeals section shall notify all other parties to the appeal of the review and send a copy of the request to all other parties. All other parties shall be provided ten calendar days from the date of notification to submit further written arguments or objections for consideration upon review.

Written arguments or objections must be mailed or submitted in person to the appeals section or submitted through an electronic delivery method, such as electronic mail, submission of an online form, or facsimile.

The day after the notification is sent is the first day of the time period within which a response to the department's request for review must be filed. When the time limit for responding falls on a holiday or a weekend, the time will be extended to the next workday.

7.16(7) *Appeal of the proposed decision by the managed care organization.* The appeals advisory committee acts as an initial screening device for the director and may recommend that the director review a proposed decision. That recommendation is not binding upon the director, and the director may decide to review a proposed decision without that committee's recommendation.

A request by the managed care organization for director's review of the proposed decision must be made in writing. The written request must be submitted to the appeals advisory committee in person or submitted through an electronic delivery method, such as electronic mail or facsimile, within 72 hours of the date on which the proposed decision was sent. The day after the proposed decision is sent is the first day of the time period within which a request for director's review must be filed.

When the director grants a review of a proposed decision on the managed care organization's request, the appeals section shall notify all other parties to the appeal of the review and send a copy of the request to all other parties. All other parties shall be provided ten calendar days from the date of notification to submit further written arguments or objections for consideration upon review.

Written arguments or objections must be mailed or submitted in person to the appeals section or submitted through an electronic delivery method, such as electronic mail, submission of an online form, or facsimile.

The day after the notification is sent is the first day of the time period within which a response to the department's request for review must be filed. When the time limit for responding falls on a holiday or a weekend, the time will be extended to the next workday.

7.16(8) *Appeal of the proposed decision by the appellant.* When the director grants a review of a proposed decision, all other parties shall be so notified.

7.16(9) *Opportunity for oral presentation of appeal of the proposed decision.* In cases where there is an appeal of a proposed decision, each party shall be afforded an opportunity to present oral arguments with the consent of the director. Any party wishing oral argument shall specifically request it. When oral argument is granted, all parties shall be notified of the time and place.

7.16(10) *Time limits.*

a. A final decision on the appeal shall be issued within the following time frames:

(1) Appeals for all programs, except food assistance and intentional program violations, shall be rendered within 90 days from the date of the appeal.

(2) Food assistance-only decisions shall be rendered within 60 days.

(3) PROMISE JOBS displacement grievance decisions shall be rendered within 90 days from the date the displacement grievance was filed with the PROMISE JOBS contractee.

(4) Intentional program violation decisions shall be rendered within 90 days of the date the individual is notified in writing that a hearing initiated by the department has been scheduled. If the hearing was postponed pursuant to paragraph 7.21(4) "b," the 90-day period for notifying the individual of the final decision shall be extended for as many days as the hearing is postponed.

b. Failure to reach a decision within the time frames set forth in paragraph 7.16(10) "a" shall not affect the merits of the appellant's appeal.

c. Time frames may be extended based on continuances or additional time frames as approved by the presiding officer. Should the appellant request a delay in the hearing in order to prepare the case

or for other essential reasons, reasonable time, not to exceed 30 days except with the approval of the administrative law judge, shall be granted and the extra time shall be added to the maximum for final administrative action.

d. For an appeal regarding child abuse, if the proposed decision is not appealed within 10 days from the date of the proposed decision, the proposed decision shall be the final agency action. If a party files an appeal within 10 days from the date of the proposed decision, the director has 45 days from the date of the proposed decision to issue a ruling. If the director does not rule within that 45-day period, the proposed decision becomes the final decision as provided in Iowa Code section 235A.19.

e. The department shall take prompt, definite and final administrative action to carry out the decision rendered within seven calendar days of receipt of a copy of the final decision for all programs, except as provided in paragraph 7.6(10) “*f.*”

f. If the administrative law judge reverses a decision to deny, limit or delay services that were not furnished while the appeal was pending, the managed care organization must authorize or provide the disputed services promptly and as expeditiously as the appellant’s health condition requires but no later than 72 hours from the date on the proposed decision.

If the administrative law judge reverses a decision to deny authorization of services and the appellant received the disputed services while the appeal was pending, the managed care organization must pay for those services pursuant to subrules 7.9(5) and 7.9(6).

g. When the final decision is favorable to the appellant or when the department decides in favor of the appellant before the hearing, the department shall make any additional corrective payments due, retroactive to the date of the incorrect action.

7.16(11) Final decision. The department shall mail the final decision to the appellant at the appellant’s last-known address by first-class mail, postage prepaid.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 0487C, IAB 12/12/12, effective 2/1/13; ARC 1261C, IAB 1/8/14, effective 3/1/14; ARC 1611C, IAB 9/3/14, effective 11/1/14; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3787C, IAB 5/9/18, effective 7/1/18; ARC 4064C, IAB 10/10/18, effective 12/1/18]

441—7.17(17A) Exhausting administrative remedies. To have exhausted all adequate administrative remedies, a party need not request a rehearing under Iowa Code section 17A.16(2) where the party accepts the findings of fact as prepared by the administrative law judge, but wishes to challenge the conclusions of law, or departmental policy.

441—7.18(17A) Ex parte communication.

7.18(1) Prohibited communication. There shall be no written, oral, or other type of communication between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in the case while an appeal is pending, without all parties being notified of an opportunity to participate, unless specifically authorized by statute or rule.

a. This provision does not prevent the presiding officer from communicating with members of the agency or seeking the advice or help of persons other than those defined in paragraph “*c.*”

b. Persons described in paragraph “*c.*” shall not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

c. For purposes of this rule:

(1) People with a direct or indirect interest in a case include any member of the appeals advisory committee and any person engaged in personally investigating, prosecuting, or advocating in either the case under appeal or a pending factually related case involving the same parties.

(2) The term “personally investigating” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other agency functions, including fact gathering for purposes other than investigation of the matter which culminates in a contested case.

7.18(2) *Commencement of prohibition.* Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

7.18(3) *When communication is ex parte.* Rescinded IAB 4/30/03, effective 7/1/03.

7.18(4) *Avoidance of ex parte communication.* To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Written communications shall be provided to all parties to the appeal.

7.18(5) *Communications not prohibited.* Communications with the presiding officer involving uncontested scheduling or procedural matters do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines.

7.18(6) *Disclosure of prohibited communications.* A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified from the case. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be disclosed. If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of communication.

7.18(7) *Disclosure of prior receipt of information through ex parte communication.* Promptly after being assigned to serve as presiding officer at any stage in a contested case proceeding, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section 17A.13(2) or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

7.18(8) *Imposition of sanctions.* The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule, including default, a decision against the offending party, censure, or suspension or revocation of the privilege to practice before the agency. Violation of ex parte communication prohibitions by department personnel shall be reported to the department for possible sanctions, including censure, suspension, dismissal, or other disciplinary action.

441—7.19(17A) Accessibility of hearing decisions. Summary reports of all hearing decisions shall be made available to local offices and the public upon request. The information shall be presented in a manner consistent with requirements for safeguarding personal information concerning applicants and recipients.

[ARC 3093C, IAB 6/7/17, effective 7/12/17]

441—7.20(17A) Right of judicial review and stays of agency action.

7.20(1) *Right of judicial review.* If a director's review is requested, the final decision shall advise the appellant or the appellant's representative of the right to judicial review by the district court. When the appellant or the appellant's representative is dissatisfied with the final decision and requests judicial review of the decision to the district court, the department shall furnish copies of the documents or supporting papers to district court, including a written transcript of the hearing. An appeal of the final decision to district court does not itself stay execution or enforcement of an agency action.

7.20(2) *Stays of agency action.*

a. Any party to a contested case proceeding may petition the director for a stay or other temporary remedies pending judicial review, of all or part of that proceeding. The petition shall state the reasons justifying a stay or other temporary remedy.

b. In determining whether to grant a stay pending judicial review, the director shall consider the factors listed in Iowa Code section 17A.19(5)“c.”

c. A stay may be vacated by the director pending judicial review upon application of the department or any other party.

441—7.21(17A) Food assistance hearings and appeals.

7.21(1) Appeal hearings. All appeal hearings in the food assistance program shall be conducted in accordance with 7 CFR 273.15.

7.21(2) Food assistance administrative disqualification hearings. All food assistance administrative disqualification hearings shall be conducted in accordance with 7 CFR 273.16.

7.21(3) Waiver of right to an administrative disqualification hearing. An individual accused of an intentional program violation may waive the individual’s right to a food assistance administrative disqualification hearing.

a. When a case is referred for an administrative disqualification hearing, the appeals section shall advise the individual that the individual may waive the individual’s right to an administrative disqualification hearing by signing and returning Form 470-5530, Waiver of Right to an Administrative Disqualification Hearing.

b. By signing the waiver, the individual gives up the right to an administrative disqualification hearing, agrees to repay any overpayment and agrees to be disqualified from the food assistance program for the period specified.

c. If the individual does not sign and return Form 470-5530, Waiver of Right to an Administrative Disqualification Hearing, within ten days of the date of the written notification, an administrative disqualification hearing shall be initiated.

d. Even after the administrative disqualification hearing is scheduled, the individual may sign and return Form 470-5530, Waiver of Right to an Administrative Disqualification Hearing, prior to or during the administrative disqualification hearing. The presiding officer shall dismiss the administrative disqualification hearing since the individual has agreed to repay any overpayment and agreed to be disqualified from the food assistance program.

e. The signed waiver shall carry the same penalties as the penalties for an individual found guilty in an administrative disqualification hearing.

f. No further administrative appeal procedure exists after an individual waives the individual’s right to an administrative disqualification hearing and a disqualification penalty has been imposed. The disqualification penalty shall not be changed by a subsequent fair hearing decision. The individual is entitled to seek relief in a court having appropriate jurisdiction. The period of disqualification may be subject to stay by a court of appropriate jurisdiction or other injunctive remedy.

7.21(4) Conduct of a food assistance administrative disqualification hearing. Hearings over disqualification of a household member for an intentional program violation shall be conducted by a presiding officer.

a. The department of inspections and appeals shall serve an Intentional Program Violation Hearing Notice upon the household member by first-class mail, postage prepaid, addressed to household member at the last-known address 30 calendar days before the initial hearing date.

b. The household member or that person’s representative may request to postpone the hearing for up to 30 days, provided the request is made at least 10 calendar days before the scheduled hearing date.

c. At the hearing, the presiding officer shall advise the household member or that person’s representative that the household member has the right to refuse to answer questions during the hearing and that the state or federal government may use the information in a civil or criminal action.

7.21(5) Consolidating hearings. Appeal hearings and food assistance administrative disqualification hearings may be consolidated if the issues arise out of the same or related circumstances and the household member has been provided with notice of the consolidation by the department of inspections and appeals.

a. If the hearings are combined, the time frames for conducting a food assistance administrative disqualification hearing shall apply.

b. If the hearings are combined for the purpose of setting the amount of the overpayment at the same time as determining whether or not an intentional program violation has occurred, the household shall lose its right to a subsequent hearing on the amount of the overpayment.

7.21(6) Attendance at hearing. The household member shall be allowed ten days from the scheduled hearing to present reasons indicating good cause for not attending the hearing.

a. The appeals section shall certify the motion to vacate to the department of inspections and appeals for the presiding officer to review the motion, hold any additional proceedings, as appropriate, and determine if good cause exists for the default as specified in subrule 7.13(5). Timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party.

b. Unless good cause is determined, when the household member or that person's representative cannot be located or fails to appear at the scheduled hearing, the hearing shall be conducted without that person. In that instance, the presiding officer shall consider the evidence and determine if the evidence is clear and convincing that an intentional program violation was committed.

c. If the household member who failed to appear at the hearing is found to have committed an intentional program violation, but the presiding officer later determines that this person or the person's representative had good cause for not appearing, the previous hearing decision shall no longer be valid. A new hearing shall be conducted.

d. When good cause for failure to appear is based upon a showing of nonreceipt of the hearing notice, the household member has 30 days after the date of the proposed decision to claim good cause for failure to appear.

e. "Good cause" for purposes of this rule is defined as an emergency circumstance that is beyond the control of the party and that prevents the party from being able to participate in the hearing.

(1) Examples of good cause include, but are not limited to:

1. Sudden, severe illness or accident involving the party or the party's immediate family (spouse, partner, children, parents, sibling).

2. Death or serious illness in the party's immediate family.

3. Other circumstances evidencing an emergency situation which was beyond the party's control and was not reasonably foreseeable.

(2) Examples of circumstances that do not constitute good cause include, but are not limited to:

1. A lost or misplaced notice of hearing.

2. Confusion as to the date and time for the hearing.

3. Failure to follow the directions on the notice of hearing.

4. Oversleeping.

5. Other acts demonstrating a lack of due care by the party.

7.21(7) Food assistance administrative disqualification hearing decisions. The presiding officer shall base the determination of an intentional program violation on clear and convincing evidence that demonstrates the person committed, and intended to commit, an intentional program violation.

a. The proposed and final hearing decisions shall be made in accordance with rule 441—7.16(17A) unless otherwise specified.

b. The appeals section shall notify the household member and the local office of the final decision within 90 days of the date the household member is notified in writing that the hearing has been scheduled. If the hearing was postponed pursuant to 7.21(4) "b," the 90-day period for notifying the household member of the final decision shall be extended for as many days as the hearing is postponed.

c. The department shall take no action to disqualify a person from receiving food assistance before receiving the final appeal decision finding that the person has committed an intentional program violation.

d. No further administrative appeal procedure shall exist after the final decision is issued. The determination of an intentional program violation shall not be reversed by a subsequent hearing decision. However, the person may appeal the case to the Iowa district court.

e. When a court decision reverses a determination of an intentional program violation, the appeals section shall notify the local office of the specifics of the court decision.

[ARC 8003B, IAB 7/29/09, effective 9/2/09; ARC 3093C, IAB 6/7/17, effective 7/12/17; ARC 3787C, IAB 5/9/18, effective 7/1/18; ARC 4064C, IAB 10/10/18, effective 12/1/18]

441—7.22(17A) FIP disqualification hearings. Rescinded IAB 4/30/03, effective 7/1/03.

441—7.23(17A) Contested cases with no factual dispute. If the parties in a contested case agree that there is no dispute of material fact, the parties may present all admissible evidence either by stipulation, or as otherwise agreed, in lieu of an evidentiary hearing. If an agreement is reached, the parties shall jointly submit a schedule for submission of the record, briefs and oral arguments to the presiding officer for approval.

441—7.24(17A) Emergency adjudicative proceedings.

7.24(1) Necessary emergency action. To the extent necessary to prevent or avoid immediate danger to the public health, safety, or welfare, and consistent with the United States Constitution and the Iowa Constitution and other provisions of law, the department of inspections and appeals may issue a written order in compliance with Iowa Code section 17A.18 to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the agency by emergency adjudicative order. Before issuing an emergency adjudicative order, the department of inspections and appeals shall consider factors including, but not limited to, the following:

a. Whether there has been sufficient factual investigation to ensure that the agency is proceeding on the basis of reliable information.

b. Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing.

c. Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare.

d. Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare.

e. Whether the specific action contemplated by the agency is necessary to avoid the immediate danger.

7.24(2) Issuance of order.

a. An emergency adjudicative order shall contain findings of fact, conclusions of law, and policy reasons to justify the determination of an immediate danger and the department's decision to take immediate action.

b. The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by using one or more of the following procedures:

(1) Personal delivery.

(2) Certified mail, return receipt requested, to the last address on file with the department.

(3) Certified mail to the last address on file with the department.

(4) First-class mail to the last address on file with the department.

(5) Fax. Fax may be used as the sole method of delivery if the person required to comply with the order has filed a written request that department orders be sent by fax and has provided a fax number for that purpose.

c. To the degree practicable, the agency shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

7.24(3) Oral notice. Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the department shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

7.24(4) Completion of proceedings. After the issuance of an emergency adjudicative order, the agency shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger. Issuance of a written emergency adjudicative order shall include notification of the date on which agency proceedings are scheduled for completion. After

issuance of an emergency adjudicative order, continuance of further agency proceedings to a later date will be granted only in compelling circumstances upon application in writing.

441—7.25 to 7.40 Reserved.

DIVISION II
APPEALS BASED ON THE COMPETITIVE PROCUREMENT BID PROCESS

441—7.41(17A) Scope and applicability. The rules in Division II apply to appeals based on the department's competitive procurement bid process.
[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.42(17A) Requests for timely filing of an appeal. Any bidder that receives either a notice of disqualification or a notice of award, and has first exhausted the reconsideration process, is considered an aggrieved party and may file a written appeal with the department.

7.42(1) An aggrieved party in a competitive procurement must seek reconsideration of a disqualification or a notice of award prior to filing any appeal. The request for reconsideration must be received by the department within five days of the date of either a disqualification notice or notice of award. The department will expeditiously address the request for reconsideration and issue a decision on the reconsideration. If the party seeking reconsideration continues to be an aggrieved party following receipt of the decision on reconsideration, the aggrieved party may file an appeal within five days of the date of the department's decision on reconsideration.

7.42(2) The written appeal shall state the grounds upon which the appellant challenges the department's decision.

7.42(3) The day after the department's decision on reconsideration is issued is the first day of the period in which the appeal may be filed. The mailing address is: Department of Human Services, Appeals Section, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. Appeals may also be sent by fax, email, or in-person delivery.

When an appeal is submitted through an electronic delivery method, such as electronic mail or facsimile, the appeal is filed on the date it is submitted. The electronic delivery method shall record the date and time the appeal request was submitted. If there is no date recorded by the electronic delivery method or the appeal was filed via in-person delivery, the date of filing is the date the appeal is stamped received by the agency. Receipt date of all appeals shall be documented by the office where the appeal is received.

When the time limit for filing falls on a holiday or a weekend, the time will be extended to the next workday.

[ARC 1206C, IAB 12/11/13, effective 1/15/14; ARC 3093C, IAB 6/7/17, effective 7/12/17]

441—7.43(17A) Bidder appeals. The bidder appeal shall be a contested case proceeding and shall be conducted in accordance with the provisions of Division II. Division I of this chapter does not apply to competitive procurement bid appeals, unless otherwise noted.

7.43(1) Hearing time frame. The presiding officer shall hold a hearing on the bidder appeal within 60 days of the date the notice of appeal was received by the department.

7.43(2) Registration. Upon receipt of the notice of appeal, the department shall register the appeal.

7.43(3) Acknowledgment. Upon receipt of the notice of appeal, the department shall send a written acknowledgment of receipt of the appeal to the appellant, representative, or both. The appropriate department staff will be notified of the appeal.

7.43(4) Granting a hearing. The department shall determine whether an appellant may be granted a hearing and the issues to be discussed at the hearing in accordance with the applicable rules, statutes or federal regulations or request for proposal.

a. The appeals of those appellants who are granted a hearing shall be certified to the department of inspections and appeals for the hearing to be conducted. The department shall indicate at the time of certification the issues to be discussed at the hearing.

b. Appeals of those appellants that are denied a hearing shall not be closed until a letter is sent to the appellant and the appellant's representative advising of the denial of the hearing and the basis upon which that denial is made. Any appellant that disagrees with a denial may present additional information relative to the reason for denial and request reconsideration by the department over the denial.

7.43(5) *Hearing scheduled.* For those records certified for hearing, the department of inspections and appeals shall establish the date, time, method and place of the hearing, with due regard for the convenience of the appellant as set forth in the department of inspections and appeals rules in 481—Chapter 10 unless otherwise designated by federal or state statute or regulation.

7.43(6) *Method of hearing.* The department of inspections and appeals shall determine whether the appeal hearing is to be conducted in person, by videoconference or by teleconference call. The parties to the appeal may participate from multiple sites for videoconference or teleconference hearings. Any appellant is entitled to an in-person hearing if the appellant requests one. All parties shall be granted the same rights during a teleconference hearing as specified in rule 441—7.13(17A).

7.43(7) *Reschedule requests.* Requests made by the appellant or the department to set another date, time, method or place of hearing shall be made to the department of inspections and appeals, except as otherwise noted. The granting of the requests will be at the discretion of the department of inspections and appeals. All requests concerning the scheduling of a hearing shall be made to the department of inspections and appeals directly.

7.43(8) *Notification.* For those appeals certified for hearing, the department of inspections and appeals shall send a notice to the appellant at least ten calendar days in advance of the hearing date.

a. The notice shall comply with Iowa Code section 17A.12(2), and include a statement that opportunity shall be afforded to all parties to respond and present evidence on all issues involved and to be represented by counsel at their own expense.

b. A copy of this notice shall be made available to the department employee who took the action and to any other parties to the appeal.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.44(17A) Procedures for bidder appeal.

7.44(1) *Discovery.* The parties shall serve any discovery requests upon other parties at least 30 days prior to the date set for the hearing. The parties must serve responses to discovery at least 15 days prior to the date set for the hearing.

7.44(2) *Witnesses and exhibits.* The parties shall contact each other regarding witnesses and exhibits at least ten days prior to the date set for the hearing. The parties must meet prior to the hearing regarding the evidence to be presented in order to avoid duplication or the submission of extraneous materials.

7.44(3) *Amendments to notice of appeal.* The aggrieved bidder may amend the grounds upon which the bidder challenges the department's award no later than 15 days prior to the date set for the hearing.

7.44(4) *If the hearing is not conducted in person, the parties must deliver all exhibits to the office of the presiding officer at least three days prior to the time the hearing is conducted.*

7.44(5) *The presiding officer shall issue a proposed decision in writing that includes findings of fact and conclusions of law stated separately. The decision shall be based on the record of the contested case and shall conform to Iowa Code chapter 17A. The presiding officer shall send the proposed decision to the appellant and representative by mail.*

7.44(6) *The record of the contested case shall include all materials specified in Iowa Code subsection 17A.12(6).*

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.45(17A) Stay of agency action for bidder appeal.

7.45(1) *When a stay may be requested.*

a. Any party appealing the issuance of a notice of disqualification or notice of award may petition for stay of the decision pending its review. The petition for stay shall be filed with the notice of appeal, shall state the reasons justifying a stay, and shall be accompanied by an appeal bond equal to 120 percent of the contract value.

b. Any party adversely affected by a final decision and order may petition the department for a stay of that decision and order pending judicial review. The petition for stay shall be filed with the director within five days of receipt of the final decision and order and shall state the reasons justifying a stay.

7.45(2) *When a stay is granted.* In determining whether to grant a stay, the director shall consider the factors listed in Iowa Code section 17A.19(5)“c.”

7.45(3) *Vacation.* A stay may be vacated by the issuing authority upon application of the department or any other party.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.46(17A) Request for review of the proposed decision. A request for review of the proposed decision shall follow the provisions outlined in subrules 7.16(5) to 7.16(8).

[ARC 1206C, IAB 12/11/13, effective 1/15/14; ARC 3787C, IAB 5/9/18, effective 7/1/18]

441—7.47(17A) Other procedural considerations.

7.47(1) *Consolidation—severance.*

a. Consolidation. The presiding officer may, upon motion by any party or the presiding officer’s own motion, consolidate any or all matters at issue in two or more contested case proceedings where:

- (1) The matters at issue involve common parties or common questions of fact or law;
- (2) Consolidation would expedite and simplify consideration of the issues; and
- (3) Consolidation would not adversely affect the rights of parties to those proceedings.

At any time prior to the hearing, any party may on motion request that the matters not be consolidated, and the motion shall be granted for good cause shown.

b. Severance. The presiding officer may, upon motion by any party or upon the presiding officer’s own motion, for good cause shown, order any proceeding or portion thereof severed.

7.47(2) *Presiding officer.* Appeal hearings shall be conducted by an administrative law judge appointed by the department of inspections and appeals pursuant to rule 441—7.3(17A).

7.47(3) *Rights of appellants during hearings.* All rights afforded appellants at rule 441—7.13(17A) shall apply.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.48(17A) Appeal record.

7.48(1) The appeal record shall consist of all items specified in subrule 7.16(1).

7.48(2) The party that requests a transcription of the proceedings shall bear the cost.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.49(17A) Pleadings.

7.49(1) Pleadings may be required by rule, by the notice of hearing or by order of the presiding officer.

7.49(2) *Petition.* When an action of the department is appealed and pleadings are required under subrule 7.49(1), the aggrieved party shall file the petition.

a. Any required petition shall be filed within 20 days of delivery of the notice of hearing, unless otherwise ordered.

b. The petition shall state in separately numbered paragraphs the following:

- (1) On whose behalf the petition is filed;
- (2) The particular provisions of the statutes and rules involved;
- (3) The relief demanded and the facts and law relied upon for relief; and
- (4) The name, address and telephone number of the petitioner and the petitioner’s attorney, if any.

7.49(3) *Answer.* If pleadings are required, the answer shall be filed within 20 days of service of the petition or notice of hearing, unless otherwise ordered.

a. Any party may move to dismiss or apply for a more definite, detailed statement when appropriate.

b. The answer shall show on whose behalf it is filed and specifically admit, deny or otherwise answer all material allegations of the pleading to which it responds. It shall state any facts deemed to show an affirmative defense and may contain as many defenses as the pleader may claim.

c. The answer shall state the name, address and telephone number of the person filing the answer and of the attorney representing that person, if any.

d. Any allegation in the petition not denied in the answer is considered admitted. The presiding officer may refuse to consider any defense not raised in the answer which could have been raised on the basis of facts known when the answer was filed if any party would be prejudiced.

7.49(4) Amendment. Any notice of hearing, petition or other charging document may be amended before a responsive pleading has been filed. Amendments to pleadings after a responsive pleading has been filed and to an answer may be allowed with the consent of the other parties or in the discretion of the presiding officer who may impose terms or grant a continuance.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.50(17A) Ex parte communications. The rules regarding ex parte communications listed at 441—7.18(17A) apply.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

441—7.51(17A) Right of judicial review. The rules regarding right of judicial review listed at 441—7.20(17A) apply.

[ARC 1206C, IAB 12/11/13, effective 1/15/14]

These rules are intended to implement Iowa Code chapter 17A.

CHAPTER 8
PAYMENT OF SMALL CLAIMS

[Prior to 7/1/83, Social Services[770] Ch 8]

[Prior to 2/11/87, Human Services[498]]

441—8.1(217) Authorization to reimburse. The department is authorized to expend moneys as reimbursement for replacement or repair of personal items of the department's employees damaged or destroyed by clients of the department during the employee's tour of duty. The following requirements shall apply for filing small claims with the employee's agency:

8.1(1) Claimant shall provide the supervisor with a detailed written account of incident, and when possible include a name of a witness.

8.1(2) Written reports shall be supplemented with vendor's estimate of repair or replacement cost when practical. Replacement items shall be of similar quality or cost.

8.1(3) The supervisor shall review all reports and approve or deny the claim based on available information.

8.1(4) Claims which are approved for payment shall be paid from the support allocation of the department and shall not exceed \$150 per item.

8.1(5) Vouchers submitted for payment of claims shall be supported with a vendor's invoice of claimant's receipt for expense.

This rule is intended to implement Iowa Code section 217.23.

CHAPTER 9
PUBLIC RECORDS AND FAIR
INFORMATION PRACTICES

PREAMBLE

These rules describe the records of the Iowa department of human services and procedures for access to these records. All records of the department are open to the public except those that the department is authorized or required by law to keep confidential.

These rules also implement the federal Health Insurance Portability and Accountability Act (HIPAA) regulations at 45 CFR Parts 160 and 164 as amended to August 14, 2002. These rules set forth the standards the department of human services must meet to protect the privacy of protected health information. The department has chosen to be considered a hybrid entity for purposes of HIPAA because there are parts of the department that are not part of the covered entity for purposes of HIPAA compliance.

The rules on protected health information apply only to those parts of the department that are considered part of the covered entity: the named health plans and health care providers defined in these rules and the divisions or programs that perform functions on behalf of a named health plan. Targeted case management, refugee services, and the child support recovery unit are examples of parts of the department that are not included in the covered entity.

441—9.1(17A,22) Definitions. As used in this chapter:

“Business associate” means a person or organization, other than a member of the department’s workforce, who meets one of the following criteria:

1. Performs, or assists in the performance of, a function or activity on behalf of the department which involves the use or disclosure of protected health information, including claims processing or administration, data analysis, research, utilization review, quality assurance, billing, benefit management, practice management, and repricing, or any other function or activity regulated by the rules on protected health information.
2. Provides legal, actuarial, accounting, consulting, data aggregation, management, administrative, accreditation, or financial services to or for the department. The provision of the service shall involve the disclosure of protected health information from the department or from another business associate of the department to the person or organization.

“Client” means a person who has applied for or received services or assistance from the department.

“Confidential record” means a record which is not available as a matter of right for examination and copying by members of the public under applicable provisions of law. Confidential records include:

1. Records or information contained in records that the department is prohibited by law from making available for examination by members of the public, and
2. Records or information contained in records that is specified as confidential by Iowa Code section 22.7, or other provision of law, but that may be disclosed upon order of a court, the lawful custodian of the record, or by another person duly authorized to release the record.

Mere inclusion in a record of information declared confidential by an applicable provision of law does not necessarily make that entire record a confidential record.

“Covered entity” means:

1. A health plan.
2. A health care clearinghouse.
3. A health care provider that transmits any health information in electronic form in connection with a transaction covered by the HIPAA regulations.

“Covered functions” means the functions performed by a covered entity which make the covered entity a health plan, health care clearinghouse, or health care provider.

“Custodian” means the department or a person who has been given authority by the department to act for the department in implementing Iowa Code chapter 22. For local offices, the custodian is the service area manager. For a child support recovery office, the custodian is the regional administrator.

For an institution, the custodian is the institution superintendent. For a central office unit, or for requests dealing with more than one service area, region, or institution, the custodian is the division administrator.

“*Data aggregation*” means the action by which a business associate combines protected health information of the department with protected health information of another covered entity to permit data analyses that relate to the health care operations of the respective covered entities.

“*Department*” means the Iowa department of human services.

“*Designated record set*” means a group of records maintained by or for the department that is:

1. The medical records about subjects that are maintained for facilities;
2. The enrollment, payment, and eligibility record systems maintained for Medicaid; or
3. The enrollment, payment, and eligibility record systems maintained for the HAWK-I program that are used, in whole or in part, by the HAWK-I program to make decisions about subjects.

For purposes of this definition, the term “record” means any item, collection, or grouping of information that includes protected health information and is maintained, collected, used, or disseminated by or for the department.

“*Disclosure*” means releasing, transferring, providing access to, or divulging in any other manner information outside the organization holding the information.

“*Facility*” or “*facilities*” means, with respect to HIPAA rules about health information, one or more of these department institutions: Cherokee Mental Health Institute, Clarinda Mental Health Institute, Glenwood Resource Center, Independence Mental Health Institute, Mount Pleasant Mental Health Institute, and Woodward Resource Center.

“*Health care*” means care, services, or supplies related to the health of a subject. “Health care” includes, but is not limited to, the following:

1. Preventive, diagnostic, therapeutic, rehabilitative, maintenance, or palliative care, and counseling, service, assessment, or procedures with respect to the physical or mental condition, or functional status, of a subject or affecting the structure or function of the body; and
2. Sale or dispensing of a drug, device, equipment, or other item in accordance with a prescription.

“*Health care clearinghouse*” means a public or private organization, including a billing service, repricing company, community health management information system or community health information system, and “value-added” networks and switches, that performs either of the following functions:

1. Processes or facilitates the processing of health information received from another organization in a nonstandard format or containing nonstandard data content into standard data elements or a standard transaction.
2. Receives a standard transaction from another organization and processes or facilitates the processing of health information into nonstandard format or nonstandard data content for the receiving organization.

“*Health care operations*” has the same definition as that stated in 45 CFR 164.501 as amended to August 14, 2002. For a covered entity in the department, “health care operations” has the following meaning:

1. For Medicaid, “health care operations” means any of the following activities of the department to the extent that the activities are related to covered functions:
 - Conducting quality assessments and evaluating outcomes.
 - Developing clinical guidelines.
 - Improving general health or reducing costs.
 - Developing protocols, including case management and care coordination models for MediPASS and pharmacy case management as well as for other service areas and client populations under the Medicaid program.
 - Informing clients of treatment alternatives and related functions.
 - Reviewing competence or qualifications or performance of health care professionals using the surveillance and utilization review subsystem.
 - Reviewing health plan performance from encounter data.
 - Premium rating and rate setting.

- Performing activities in reinsurance of risk with the health maintenance organizations.
- Reviewing medical level of care and prior authorizations.
- Obtaining legal services through the attorney general's office or the county attorney's office.
- Cooperating in audits and fraud detection by Iowa and federal auditors, the Iowa Medicaid enterprise, or the department of inspections and appeals.
 - Conducting business planning and development including formulary development by the drug utilization review commission and the department's research and statistics staff.
 - Managing activities, which include claiming of federal financial participation, recovering unknown third-party liability, recovering nursing care funds and other expenditures through estate recovery, Grouper programming for hospitals, lock-in activities, and federal reporting of paid claims.
 - Providing customer service, which includes income maintenance workers answering questions about lock-in providers, copayment for pregnant women, and claims payment problems; and the Iowa Medicaid enterprise provider services unit answering questions on claims payment.
 - Coordinating care and monitoring the effective delivery of child welfare services to ensure the safety and well-being of children, including reporting and providing testimony to the court of jurisdiction on the condition and service progress of a client receiving services from the department. These care coordination and monitoring activities include providing information concerning the client to attorneys representing the various parties in the court proceedings.

2. For the HAWK-I program, "health care operations" means any of the following activities of the department to the extent that the activities are related to covered functions:

- Conducting quality assessment and improvement activities, including evaluation of outcomes and development of clinical guidelines; population-based activities relating to improving health or reducing health care costs, protocol development and related functions that do not include treatment.
- Reviewing health plan performance.
- Premium rating and other activities relating to the creation, renewal or replacement of a contract of health insurance or health benefits.
- Conducting or arranging for medical review, legal services, and auditing functions, including fraud and abuse detection and compliance programs.
- Performing business planning and development functions, such as conducting cost-management and planning-related analyses relating to management and operations and the development or improvement of methods of payment or coverage policies.
- Performing business management and general administrative activities, including, but not limited to, management activities relating to implementation of and compliance with privacy requirements, customer service, and resolution of internal grievances.

3. For the facilities, "health care operations" means any of the following activities of the department to the extent that the activities are related to covered functions:

- Conducting quality assessment and improvement activities, including evaluation of outcomes and development of clinical guidelines, provided that the obtaining of generalizable knowledge is not the primary purpose of any studies resulting from these activities; population-based activities relating to improving health or reducing health care costs; protocol development; case management and care coordination; contacting of health care providers and patients with information about treatment alternatives; and related functions that do not include treatment.
 - Reviewing the competence or qualifications of health care professionals.
 - Evaluating performance of practitioners, providers and health plans.
 - Conducting training programs in which students, trainees, or practitioners in areas of health care learn under supervision to practice or improve their skills as health care providers.
 - Training of non-health care professionals.
 - Performing accreditation, certification, licensing, or credentialing activities.
 - Conducting or arranging for medical review, legal services, and auditing functions, including fraud and abuse detection and compliance programs.
 - Performing business planning and development functions, such as conducting cost-management and planning-related analyses related to managing and operating the organization,

including formulary development and administration, development or improvement of methods of payment or coverage policies.

- Performing business management and general administrative activities, including, but not limited to, management activities related to implementation of and compliance with the requirements of HIPAA; customer service, which includes the provision of data analyses for policyholders, plan sponsors, or other customers, provided that protected health information is not disclosed to the policyholder, plan sponsor, or customer; resolution of internal grievances; and activities consistent with the applicable requirements of subrule 9.10(29) on creating de-identified health information or a limited data set.

“Health care provider” means a provider of services, as defined in Section 1861(u) of the Social Security Act and 42 U.S.C. 1395x(u); a provider of medical or health services, as defined in Section 1861(s) of the Social Security Act and 42 U.S.C. 1395x(s); and any other person or organization that furnishes, bills, or is paid for health care in the normal course of business. In the department, “health care provider” means one of the department’s facilities.

“Health information” means any information, whether oral or recorded in any form or medium, that relates to the past, present, or future physical or mental health or condition of a subject; the provision of health care to a subject; or the past, present, or future payment for the provision of health care to a subject.

“Health maintenance organization (HMO)” means a public or private organization licensed as an HMO under the commerce department, insurance division, 191—Chapter 40.

“Health oversight agency” means an agency or authority of the United States, a state, a territory, a political subdivision of a state or territory, or an Indian tribe, or a person or organization acting under a grant of authority from or contract with a public agency, that is authorized by law to:

1. Oversee the health care system (whether public or private) or government programs in which health information is necessary to determine eligibility or compliance; or
2. Enforce civil rights laws for which health information is relevant.

The term “health oversight agency” includes the employees or agents of the public agency and its contractors or persons or organizations to which the agency has granted authority.

“Health plan” means an individual or group plan that provides or pays the cost of medical care, as defined at 45 CFR 160.103 as amended to August 14, 2002. In the department, “health plan” means Medicaid or HAWK-I.

“HIPAA” means the Health Insurance Portability and Accountability Act of 1996.

“Law enforcement official” means an officer or employee of any agency or authority of the United States, a state, a territory, a political subdivision of a state or territory, or an Indian tribe, who is empowered by law to:

1. Investigate or conduct an official inquiry into a potential violation of law; or
2. Prosecute or otherwise conduct a criminal, civil, or administrative proceeding arising from an alleged violation of law.

“Legal representative” is a person recognized by law as standing in the place or representing the interests of another for one or more purposes. For example, guardians, conservators, custodians, attorneys, parents of a minor, and executors, administrators, or next of kin of a deceased person are legal representatives for certain purposes.

“Mental health information” means oral, written, or otherwise recorded information which indicates the identity of a person receiving professional services (as defined in Iowa Code section 228.1(8)) and which relates to the diagnosis, course, or treatment of the person’s mental or emotional condition. Mental or emotional conditions include mental illness, mental retardation, degenerative neurological conditions and any other condition identified in professionally recognized diagnostic manuals for mental disorders.

“Open record” means a record other than a confidential record.

“Payment,” with respect to HIPAA rules about protected health information, has the same definition as that stated in 45 CFR 164.501 as amended to August 14, 2002. In the department, “payment” applies to subjects for whom health care coverage is provided under the Medicaid program or the HAWK-I program. “Payment” has the following meanings for these health plans:

1. For Medicaid, “payment” includes activities undertaken by this health plan to:
 - Determine or fulfill its responsibility for coverage and provision of benefits under the health plan.
 - Obtain or provide reimbursement for the provision of health care.
 - Determine eligibility, including spenddown for the medically needy program or obtaining premiums for the Medicaid for employed people with disabilities program, or coverage, including coordination of benefits or the determination of cost-sharing amounts, and adjudication or subrogation of health benefit claims.
 - Perform risk adjustment of amounts due based on enrollee health status and demographic characteristics.
 - Bill; manage claims; collect; obtain payment under a contract for reinsurance, including stop-loss insurance and excess of loss insurance; and conduct related health care data processing.
 - Review health care services with respect to medical necessity, coverage under a health plan, appropriateness of care, or justification of charges.
 - Perform utilization review activities, including precertification and preauthorization of services and concurrent and retrospective review of services.
2. For the HAWK-I program, “payment” includes activities undertaken by this health plan to:
 - Obtain reimbursement or pay for providing health care services.
 - Obtain premiums or determine or fulfill its responsibility for coverage and providing benefits. Activities include, but are not limited to, determinations of eligibility for coverage, including coordination of benefits or the determination of cost-sharing amounts; billing and collection activities; review of health care services with respect to coverage under a health plan; and utilization review activities.

“*Personally identifiable information*” means information about or pertaining to the subject of a record which identifies the subject and which is contained in a record system. The incidental mention of another person’s name in a subject’s record (e.g., as employer, landlord, or reference) does not constitute personally identifiable information.

“*Personal representative*” means someone designated by another as standing in the other’s place or representing the other’s interests for one or more purposes. The term “personal representative” includes, but is not limited to, a legal representative. For disclosure of protected health information, the definition of “personal representative” is more restrictive, as described at rule 441—9.15(17A,22).

“*Plan sponsor*” has the same definition as that stated in Section 3(16)(B) of ERISA, 29 U.S.C. 1002(16)(B).

“*Protected health information*” means information that contains a subject’s medical information, including past, present, or future treatment and payment information. “Protected health information” is a composite of multiple fields that grouped together give detailed accumulative information about a subject’s health. When joined together in an accessible record set, the following three distinct areas of health-care-processing file information constitute protected health information:

1. Information that identifies the subject.
2. Medical information describing condition, treatment, or health care.
3. Health care provider information.

Identification information together with any information from one of the other two categories constitutes protected health information. When the information that identifies the subject is present in the record set, any information that ties health care data to the subject’s identification information constitutes protected health information.

“*Psychotherapy notes*” means notes that are recorded in any medium by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the subject’s medical record. “Psychotherapy notes” excludes medication prescription and monitoring, counseling session start and stop times, the methods of therapy and frequencies of treatment furnished, results of clinical tests, and any summary of the following items: diagnosis, functional status, the treatment plan, symptoms, prognosis, and progress to date.

“*Public health authority*” means an agency or authority of the United States, a state, a territory, a political subdivision of a state or territory, or an Indian tribe, or a person or organization acting under a grant of authority from or contract with a public agency that is responsible for public health matters as part of its official mandate. “Public health authority” includes the employees or agents of the public agency and its contractors or persons or organizations to which it has granted authority.

“*Record*” means the whole or a part of a “public record” as defined in Iowa Code section 22.1, that is owned by or in the physical possession of the department.

“*Record system*” means any group of records under the control of the department from which a record may be retrieved by a personal identifier such as the name of a subject, number, symbol, or other unique identifier assigned to a subject.

“*Required by law*” means a mandate contained in federal law, federal regulation, state law, state administrative rule, case law, or court order that is enforceable in a court of law. For the purposes of this chapter, “required by law” includes statutes or regulations that require the production of information, such as statutes or regulations that require the information if payment is sought under a government program that provides public benefits.

“*Research*” means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge.

“*Subject*” means the person who is the subject of the record, whether living or deceased.

“*Substance abuse information*” means information which indicates the identity, diagnosis, prognosis, or treatment of any person in an alcohol or drug abuse program.

“*Transaction*” means the electronic transmission of information between two parties to carry out financial or administrative activities related to health care. The term includes the following defined HIPAA standard transactions:

- Health care claims or equivalent encounter information.
- Health care payment and remittance advice.
- Coordination of benefits.
- Health care claim status.
- Enrollment and disenrollment in a health plan.
- Eligibility for a health plan.
- Health plan premium payments.
- Referral certification and authorization.
- Other transactions that the Secretary of Health and Human Services may prescribe by regulation.

“*Treatment,*” with respect to HIPAA rules about protected health information, means the provision, coordination, or management of health care and related services by one or more health care providers, including the coordination or management of health care by a health care provider with a third party; consultation among health care providers about a patient; and the referral of a patient from one health care provider to another.

“*Use,*” with respect to protected health information, means the sharing, application, utilization, examination, or analysis of the information within an organization that maintains the protected health information.

“*Workforce*” means employees, volunteers, trainees, and other people whose conduct, in the performance of work for the covered entity, is under the direct control of the covered entity, whether or not these people are paid by the covered entity.

441—9.2(17A,22) Statement of policy. The purpose of this chapter is to facilitate broad public access to open records. It also seeks to facilitate sound department determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. This department is committed to the policies set forth in Iowa Code chapter 22. Department staff shall cooperate with members of the public in implementing the provisions of that chapter.

441—9.3(17A,22) Requests for access to records.

9.3(1) Location of record. A request for access to a record should be directed to the director or the particular department office where the record is kept.

a. If the location of the record is not known by the requester, the request shall be directed to the Office of Policy Analysis, Department of Human Services, 1305 East Walnut Street, Des Moines, Iowa 50319-0114.

b. If a request for access to a record is misdirected, department personnel will promptly forward the request to the appropriate person within the department.

9.3(2) Office hours. Open records shall be made available during all customary office hours, which are 8 a.m. to 4:30 p.m. daily, excluding Saturdays, Sundays and legal holidays.

9.3(3) Request for access. Requests for access to open records may be made in writing, in person, or by telephone. Requests shall identify the particular records sought by name or description in order to facilitate the location of the record. Mail or telephone requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record.

9.3(4) Response to requests. Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing.

The custodian of a record may deny access to the record by members of the public only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court order. Access by members of the public to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the provisions of rule 441—9.4(17A,22) and other applicable provisions of law.

9.3(5) Security of record. No person may, without permission from the custodian, search or remove any record from department files. Examination and copying of department records shall be supervised by the custodian or a designee of the custodian. Records shall be protected from damage and disorganization.

9.3(6) Copying. A reasonable number of copies of an open record may be made in the department office. If photocopy equipment is not available in the department office where an open record is kept, the custodian shall permit its examination in that office and shall arrange to have copies promptly made elsewhere.

9.3(7) Fees.

a. When charged. The department may charge fees in connection with the examination or copying of records only if the fees are authorized by law. To the extent permitted by applicable provisions of law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.

b. Copying and postage costs. Price schedules for published materials and for photocopies of records supplied by the department shall be prominently posted in department offices. Copies of records may be made by or for members of the public on department photocopy machines or from electronic storage systems at cost as determined and posted in department offices by the custodian. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester.

c. Supervisory fee. An hourly fee may be charged for actual department expenses in supervising the examination and copying of requested records when the supervision time required is in excess of one-half hour. The custodian shall prominently post in department offices the hourly fees to be charged for supervision of records during examination and copying. That hourly fee shall not be in excess of the hourly wage of a department clerical employee who ordinarily would be appropriate and suitable to perform this supervisory function.

d. Advance deposits.

(1) When the estimated total fee chargeable under this subrule exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require advance payment of the full amount of any estimated fee before the custodian processes a new request from that requester.

e. Summary of health information. The department may charge a fee for the cost of preparing an explanation or summary of health information as provided in paragraph 9.9(1)“c.” The department and the subject requesting the information shall agree to the amount of any fee imposed before the department prepares the explanation or summary.

441—9.4(17A,22) Access to confidential records. Under Iowa Code section 22.7 or other applicable provisions of law, the lawful custodian may disclose certain confidential records to one or more members of the public. Other provisions of law authorize or require the custodian to release specified confidential records under certain circumstances or to particular persons. In requesting the custodian to permit the examination and copying of such a confidential record, the following procedures apply and are in addition to those specified for requests for access to records in rule 441—9.3(17A,22).

9.4(1) Proof of identity. A person requesting access to a confidential record may be required to provide proof of identity or authority to secure access to the record.

9.4(2) Requests. The custodian may require a request to examine and copy a confidential record to be in writing. A person requesting access to such a record may be required to sign a certified statement or affidavit enumerating the specific reasons justifying access to the confidential record and to provide any proof necessary to establish relevant facts.

9.4(3) Notice to subject of record and opportunity to obtain injunction.

a. Except as provided in 441—subrule 175.41(2), after receiving a request for access to a confidential record and before releasing the record, the custodian may make reasonable efforts to promptly notify any person:

- (1) Who is a subject of that record,
- (2) Who is identified in that record, and
- (3) Whose address or telephone number is contained in the record.

b. To the extent such a delay is practicable and in the public interest, the custodian may give the notified subject a reasonable time to seek an injunction under Iowa Code section 22.8. The custodian shall inform the subject identified in the record of how much time the subject has to seek an injunction before the information will be released.

9.4(4) Request denied. When the custodian denies a request for access to a confidential record, the custodian shall promptly notify the requester. If the requester indicates to the custodian that a written notification of the denial is desired, the custodian shall promptly provide such a notification that is signed by the custodian and that includes:

a. The name and title or position of the custodian responsible for the denial; and

b. A citation to the provision of law vesting authority in the custodian to deny disclosure of the record and a brief statement of the reasons for the denial to this requester.

9.4(5) Request granted. Except as provided in 441—subrule 175.41(2), when the custodian grants a request for access to a confidential record, the custodian shall notify the requester or the person who is to receive the information and include any limits on the examination and copying of the record.

9.4(6) Records requiring special procedures. Special procedures are required for access to:

a. Child abuse information. Access to child abuse information is obtained according to rules 441—175.41(235A) and 441—175.42(235A).

b. Dependent adult abuse information. Access to adult abuse information is governed by rule 441—176.10(235A).

c. Quarterly list. Rescinded IAB 10/4/00, effective 12/1/00.

441—9.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examinations. The custodian may treat a record as a confidential record and withhold it from

examination only to the extent that the custodian is authorized by Iowa Code section 22.7, another applicable provision of law, or a court order, to refuse to disclose that record to members of the public.

9.5(1) *Persons who may request.* Any person who would be aggrieved or adversely affected by disclosure of a record and who asserts that Iowa Code section 22.7, another applicable provision of law, or a court order, authorizes the custodian to treat the record as a confidential record, may request the custodian to treat that record as a confidential record and to withhold it from public inspection.

9.5(2) *Request.* A request that a record be treated as a confidential record and be withheld from public inspection shall be in writing and shall be filed with the custodian.

a. The request must set forth the legal and factual basis justifying such confidential record treatment for that record, and the name, address, and telephone number of the person authorized to respond to any inquiry or action of the custodian concerning the request.

b. A person requesting treatment of a record as a confidential record may also be required to sign a certified statement or affidavit stating the specific reasons justifying the treatment of that record as a confidential record and to provide any proof necessary to establish relevant facts.

c. Requests to temporarily treat a record as a confidential record shall specify the precise period of time for which that treatment is requested.

d. A person filing such a request shall, if possible, provide a copy of the record in question from which those portions for which such confidential record treatment has been requested have been deleted. If the original record is being submitted to the department by the person requesting confidential treatment at the time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are confidential.

9.5(3) *Failure to request.* Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the department does not request that it be withheld from public inspection under Iowa Code sections 22.7(3) and 22.7(6), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

9.5(4) *Timing of decision.* A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed, or when the custodian receives a request for access to the record by a member of the public.

9.5(5) *Request granted or deferred.* If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

9.5(6) *Request denied and opportunity to seek injunction.* If a request that a record be treated as a confidential record and be withheld from public inspection is denied, the custodian shall notify the requester in writing of that determination and the reasons therefor. On application by the requester, the custodian may engage in a good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief under the provisions of Iowa Code section 22.8, or other applicable provision of law. However, such a record shall not be withheld from public inspection for any period of time if the custodian determines that the requester had no reasonable grounds to justify the treatment of that record as a confidential record. The custodian shall notify requester in writing of the time period allowed to seek injunctive relief or the reasons for the determination that no reasonable grounds exist to justify the treatment of that record as a confidential record. The custodian may extend the period of good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief only if no request for examination of that record has been received, or if a court directs the custodian to treat it as a confidential record, or to the extent permitted by another applicable provision of law, or with the consent of the person requesting access.

9.5(7) Rights to request privacy protection for protected health information. When the subject is requesting a restriction or confidential communication of protected health information, the department shall follow the provisions of this subrule, as applicable, in addition to the provisions of subrules 9.5(1) through 9.5(6).

a. Restriction of uses and disclosures.

(1) The subject may request that the department restrict uses or disclosures of the subject's protected health information:

1. To carry out treatment, payment, or health care operations; and
2. To persons involved in the subject's care or for notification purposes as permitted under subrule 9.7(3).

(2) The subject shall submit a request to the department on Form 470-3953, Request to Restrict Use or Disclosure of Health Information. If applicable, the subject shall provide verification that it is reasonable to anticipate the use or disclosure will endanger the subject.

(3) The department is not required to agree to a restriction. The department shall deny any restriction when the restriction would adversely affect the quality of the subject's care or services, the restriction would limit or prevent the department from making or obtaining payment for services, or federal or state law requires the use or disclosure. The department shall approve the request for restriction only when the use or disclosure would endanger the subject and none of the above reasons for denial apply.

(4) The department shall send the subject a written notice to accept or deny the restriction.

(5) If the department agrees to a restriction, it may not use or disclose protected health information in violation of the restriction. **EXCEPTION:** The department may use restricted protected health information or disclose the information to a health care provider when needed for the emergency treatment of the subject who requested the restriction. If restricted protected health information is disclosed to a health care provider for emergency treatment, the department shall request that the health care provider not further use or disclose the information.

(6) A restriction agreed to by the department under paragraph 9.5(7) "a" shall not prevent disclosures of protected health information to the Secretary of Health and Human Services to investigate or determine the department's compliance with federal HIPAA regulations. Also, a restriction shall not prevent uses or disclosures permitted or required for the categories listed in subparagraphs 9.14(5) "a"(1) through (11).

(7) The department may terminate its agreement to a restriction in writing if:

1. The subject agrees to or requests the termination in writing;
2. The subject orally agrees to the termination and the oral agreement is documented; or
3. The department informs the subject that it is ending its agreement to a restriction for protected health information created or received after it has so informed the subject.

b. Confidential communications. Subjects may ask to receive communications of protected health information by alternative means or at alternative locations. The department shall accommodate reasonable requests. For Medicaid and HAWK-I, the subject is required to clearly indicate the reason for requesting the confidential communication. Facilities shall not require the subject to explain the basis for the request as a condition of providing confidential communications.

(1) The subject shall request a confidential communication from the department using Form 470-3947, Request to Change How Health Information Is Provided.

(2) The department may require the subject to provide:

1. When appropriate, information as to how payment, if any, will be handled; and
2. An alternative address or other method of contact.

441—9.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records.

9.6(1) All programs. Except as otherwise provided by law, a subject may file a request with the custodian to review, and to have a written statement of additions, dissents, or objections entered into, a record containing personally identifiable information pertaining to that subject. However, the subject is

not authorized to alter the original copy of the record or to expand the official record of any department proceeding.

a. The subject shall send the request to review such a record or the written statement of additions, dissents, or objections to the custodian or to the office of policy analysis.

b. The request to review such a record or the written statement of additions, dissents, or objections must be dated and signed by the subject, and shall include the current address and telephone number of the subject or the subject's representative.

9.6(2) Additional procedures for protected health information.

a. Right to amend. A subject may request that the department amend protected health information or a record about the subject in a designated record set for as long as the protected health information is maintained in the designated record set. A subject shall submit a request to the department using Form 470-3950, Request to Amend Health Information. The subject shall provide a reason to support the requested amendment.

b. Timely action.

(1) The department shall act on a subject's request for an amendment no later than 60 days after receipt of the request.

(2) If the department is unable to act on the amendment within 60 days, the department may extend the due date one time, for a period not to exceed 30 days. In order to extend the due date, the department shall provide the subject with a written statement of the reasons for the delay and the date by which the department will complete its action on the request. The department shall provide this written statement within the 60-day period after receipt of the request.

c. Action on amendment. If the department grants the requested amendment, in whole or in part, the department shall comply with the following requirements.

(1) The department shall timely inform the subject that the amendment is accepted. The subject shall identify relevant persons with whom the amendment needs to be shared and agree to have the department share the amendment with these persons.

(2) The department shall make the appropriate amendment to the protected health information or record by, at a minimum, identifying the records in the designated record set that are affected by the amendment and appending or otherwise providing a link to the location of the amendment.

(3) The department shall make reasonable efforts to inform and provide the amendment to:

1. Persons identified by the subject as having received protected health information about the subject and as needing the amendment; and

2. Persons, including business associates, that the department knows have the subject's protected health information and that may have relied, or could foreseeably rely, on the information to the detriment of the subject.

d. Denial of amendment. The department may deny a subject's request for amendment, if the department determines that the protected health information or record that is the subject of the request:

(1) Was not created by the department, unless the subject provides a reasonable basis for the department to find that the originator of the protected health information is no longer available to act on the requested amendment;

(2) Is not part of the designated record set;

(3) Would not be available for inspection under rule 441—9.9(17A,22); or

(4) Is accurate and complete.

e. Action on denial of amendment. If the department denies the requested amendment, in whole or in part, the department shall provide the subject with a timely, written denial.

(1) The subject may submit to the department a written statement of disagreement with the denial of all or part of a requested amendment and the basis of the disagreement, in accordance with 45 CFR 164.526 as amended to August 14, 2002. The subject shall submit the statement of disagreement by filing an appeal request under subrule 9.14(7). The appeal request constitutes the statement of disagreement.

(2) The department shall prepare a written rebuttal to the subject's statement of disagreement, in accordance with 45 CFR 164.526 as amended to August 14, 2002. The appeal decision constitutes

the rebuttal statement. The department shall provide a copy of the appeal decision to the subject who submitted the appeal request.

f. Record keeping of disputed amendments. The department shall, as appropriate, identify the record or protected health information in the designated record set that is the subject of the disputed amendment. The department shall append or otherwise link the subject's request for an amendment, the department's denial of the request, and the subject's appeal and the final decision, if any, to the designated record set.

g. Future disclosures regarding disputed amendments.

(1) If an appeal has been submitted by the subject, the department shall include the material appended in accordance with paragraph 9.6(2) "f" or, at the election of the department, an accurate summary of the information, with any subsequent disclosure of the protected health information to which the disagreement relates.

(2) If the subject has not submitted an appeal, the department shall include the subject's request for amendment and its denial, or an accurate summary of the information, with any subsequent disclosure of the protected health information only if the subject has requested this action.

(3) When a subsequent disclosure is made using a standard transaction that does not permit the additional material to be included with the disclosure, the department may separately transmit the material required by subparagraph 9.6(2) "g"(1) or (2), as applicable, to the recipient of the standard transaction.

h. Actions on notices of amendment. When the department is informed by another covered entity of an amendment to a subject's protected health information, the department shall amend the protected health information in designated record sets as provided by subparagraph 9.6(2) "c"(2).

441—9.7(17A,22,228) Consent to disclosure by the subject of a confidential record. To the extent permitted by any applicable provision of law, the subject of a confidential record may have a copy of the portion of that record concerning the subject disclosed to a third party. A request for such a disclosure must be in writing and must identify the particular record or records to be disclosed, the particular person or class of persons to whom the record may be disclosed, and the time period during which the record may be disclosed. The subject of the record and, where applicable, the person to whom the record is to be disclosed may be required to provide proof of identity.

No confidential information about clients of the department shall be released without the client's consent, except as provided in rule 441—9.10(17A,22). Release of information includes:

1. Granting access to or allowing the copying of a record,
2. Providing information either in writing or orally, or
3. Acknowledging information to be true or false.

9.7(1) Forms.

a. General. Department staff shall use Form 470-2115, Authorization for the Department to Release Information, for releases by the subject that do not involve health information requiring use of the authorization form described in paragraph 9.7(1) "c."

b. Obtaining information from a third party. The department is required to obtain information to establish eligibility, determine the amount of assistance, and provide services. Requests to third parties for this information involve release of confidential identifying information about clients. Except as provided in rule 441—9.9(17A,22), the department may make these requests only when the client has authorized the release on one of the following forms.

- (1) Form 470-0461, Authorization for Release of Information.
- (2) Form 470-1630, Household Member Questionnaire.
- (3) Form 470-1631, Bank or Credit Union Information.
- (4) Form 470-4670, Addendum for Application and Review Forms for Release of Information.
- (5) Form 470-1638, Request for School Verification.
- (6) Form 470-2844, Employer's Statement of Earnings.
- (7) Form 470-1640, Verification of Educational Financial Aid.
- (8) Form 470-3742, Financial Institution Verification.

(9) Form 470-3951, Authorization to Obtain or Release Health Care Information.

c. Health information.

(1) When consent or authorization for use or disclosure of health information is required, facilities and department staff responding to third-party requests for health information shall use Form 470-3951, Authorization to Obtain or Release Health Care Information, or a form from another source that meets HIPAA requirements.

The department shall not require a subject to sign a HIPAA authorization form as a condition of treatment, payment, enrollment in a health plan, or eligibility for benefits. The department as a health care provider may require a subject to sign a HIPAA authorization form for the use or disclosure of protected health information for research, as a condition of the subject's receiving research-related treatment.

A subject may revoke a HIPAA authorization provided under subparagraph 9.7(1) "c"(1) at any time, provided that the revocation is in writing using Form 470-3949, Request to End an Authorization, except to the extent that the department has taken action in reliance thereon.

(2) Except as provided in subparagraph 9.7(1) "c"(1), department staff shall release mental health or substance abuse information only with authorization on Form 470-0429, Consent to Obtain and Release Information, or a form from another source that meets requirements of law.

d. Photographs and recordings. The department uses Form 470-0060, Authorization to Take and Use Photographs, and Form 470-0064, Authorization to Take and Use Photographs of Minor or Ward, for permission to use photographs in department publications. The department shall obtain authorization from the subject or person responsible for the subject (such as a guardian, custodian, or personal representative) before taking photographs or making any type of recording for any purpose other than those specifically allowed by law or for internal use within an institution.

e. Veteran's Home. Rescinded IAB 10/29/03, effective 11/1/03.

9.7(2) Exceptions to use of forms.

a. Counsel. Appearance of counsel before the department on behalf of the subject of a confidential record is deemed to constitute consent for the department to disclose records about the subject to the subject's attorney.

b. Public official. A letter from the subject to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the department shall be treated as an authorization to release information. The department shall release sufficient information about the subject to the official to resolve the matter.

c. Medical emergency. Department staff may authorize release of confidential information to medical personnel in a medical emergency if the subject is unable to give or withhold consent. As soon as possible after the release of information, the subject shall be advised of the release.

d. Abuse information. Consent to release information is not required to gather information for investigations of child abuse or dependent adult abuse.

9.7(3) Opportunity for subject to agree or object. This subrule describes when the department may use or disclose protected health information, without a written authorization, to persons involved in the subject's care and for notification purposes. However, the department shall give the subject an opportunity to agree or object, unless this requirement is waived as specified in paragraph 9.7(3) "e."

a. Involvement in the subject's care. The department may disclose protected health information that is directly relevant either to a subject's care or to payment related to the subject's care, provided payment is relevant to the person's involvement in the subject's care. The person involved must be:

- (1) A family member;
- (2) Another relative;
- (3) A close personal friend of the subject; or
- (4) Any other person identified by the subject.

b. Notification purposes. The department may use or disclose protected health information to notify, or assist in notifying, identifying or locating a family member, a personal representative of the subject, or another person responsible for the care of the subject of the subject's location, general condition or death. For disaster relief purposes, the use or disclosure shall be in accordance with paragraph 9.7(3) "f."

c. Uses and disclosures with the subject present. If the subject is present for, or available before, a use or disclosure permitted by this subrule and has the capacity to make health care decisions, the department may use or disclose the protected health information if the department:

- (1) Obtains the subject's agreement;
- (2) Provides the subject with the opportunity to object to the disclosure, and the subject does not express an objection; or
- (3) Reasonably infers from the circumstances, based on the exercise of professional judgment, that the subject does not object to the disclosure.

d. Informing the subject. The department may orally inform the subject of and obtain the subject's oral agreement or objection to a use or disclosure permitted by this subrule.

e. Limited uses and disclosures when the subject is not present. When the subject is not present, or the opportunity to agree or object to the use or disclosure cannot practicably be provided because of the subject's incapacity or an emergency circumstance, the department may, in the exercise of professional judgment, determine that disclosure is in the best interest of the subject.

(1) When the department determines that disclosure is in the subject's best interest, the department may disclose only the protected health information that is directly relevant to the person's involvement with the subject's health care.

(2) The department may use professional judgment and its experience with common practice to make reasonable inferences of the subject's best interest in allowing a person to act on behalf of the subject to pick up filled prescriptions, medical supplies, X-rays, or other similar forms of protected health information.

f. For disaster relief purposes. The department may use protected health information or disclose protected health information to a public or private organization authorized by law or by its charter to assist in disaster relief efforts for the purpose of coordinating with these organizations the uses or disclosures permitted by paragraph 9.7(3) "b." The requirements in paragraphs 9.7(3) "c" and "d" apply to these uses and disclosures to the extent that the department, in the exercise of professional judgment, determines that the requirements do not interfere with the ability to respond to the emergency circumstances.

[ARC 0420C, IAB 10/31/12, effective 1/1/13]

441—9.8(17A,22) Notice to suppliers of information. When the department requests a person to supply information about that person, the department shall notify the person of how the information will be used, which persons outside the department might routinely be provided this information, which parts of the requested information are required and which are optional, and the consequences of a failure to provide the information requested.

9.8(1) This notice may be given in these rules, on the written form used to collect the information, on a separate fact sheet or letter, in brochures, in formal agreements, in contracts, in handbooks, in manuals, verbally, or by other appropriate means.

9.8(2) The notice shall generally be given at the first contact with the department and need not be repeated. Where appropriate, the notice may be given to a person's legal or personal representative. Notice may be withheld in an emergency or where it would compromise the purpose of a department investigation.

9.8(3) In general, the department requests information to determine eligibility and benefit levels for assistance, to provide appropriate services or treatment, and to perform regulatory and administrative functions. Information is routinely shared outside the department when required by rules or law. Consequences of failure to provide information include ineligibility for public assistance, denial of licensure or regulatory approval, or inadequate service provision.

441—9.9(17A,22) Release to subject.

9.9(1) *Access by subjects to protected health information.*

a. Right of access. Except as otherwise provided in paragraphs 9.9(1) "f" and "g," a subject has a right of access to inspect or to obtain a copy of the protected health information about the subject that

is maintained in a designated record set. Subjects shall submit all requests for access to the department using Form 470-3952, Request for Access to Health Information.

If the department does not maintain the protected health information that is the topic of the subject's request for access, and the department knows where the requested information is maintained, the department shall inform the subject where to direct the request for access.

b. Timely action.

(1) The department shall act on a request for access no later than 30 days after receipt of the request unless the protected health information is not maintained or accessible to the department on site.

(2) If the requested information is not maintained or accessible to the department on site, the department shall take action no later than 60 days from the receipt of the request.

(3) If the department is unable to act within 30 days or 60 days as appropriate, the department may extend the time for the action by no more than 30 days. Within the applicable time limit, the department shall provide the subject with a written statement of the reasons for the delay and the date by which the department will complete its action on the request. The department shall have only one extension of time for action on a request for access.

c. Action on providing access. If the department grants the request, in whole or in part, the department shall inform the subject that the request is accepted and shall provide the access requested. Access includes inspecting the protected health information about the subject in designated record sets, obtaining a copy of the information, or both. If the same protected health information that is the subject of a request for access is maintained in more than one designated record set or at more than one location, the department need only produce the protected health information once in response to a request for access.

(1) The department shall provide the subject with access to the protected health information in the form or format requested by the subject, if the requested format is readily producible. If the requested format is not readily producible, the department shall provide the information in a readable hard-copy form or other format as agreed to by the department and the subject.

(2) The department may provide the subject with a summary of the protected health information requested instead of providing access to the protected health information. The department may provide an explanation of the protected health information to which access has been provided. The subject must agree in advance to a summary or explanation and to any fees imposed by the department for the summary or explanation.

d. Time and manner of access. The department shall provide the access as requested by the subject in a timely manner as described in paragraph 9.9(1) "b." The department shall arrange with the subject for a time and place to inspect or obtain a copy of the protected health information that is convenient for both the subject and the department, or shall mail the copy of the protected health information at the subject's request. The department may discuss the scope, format, and other aspects of the request for access with the subject as necessary to facilitate the timely provision of access.

e. Fees for access. If the subject requests a copy of the protected health information or agrees to a summary or explanation of the information, the department may impose a reasonable, cost-based fee, as set forth in subrule 9.3(7).

f. Mandatory reasons for denial of access. The department shall deny a subject access to protected health information when the requested information is:

(1) Psychotherapy notes;

(2) Information compiled in reasonable anticipation of, or for use in, a civil, criminal, or administrative action or proceeding; or

(3) Protected health information maintained by the department that is:

1. Subject to the Clinical Laboratory Improvements Amendments of 1988, 42 U.S.C. Section 263a, to the extent the provision of access to the subject would be prohibited by law; or

2. Exempt from the Clinical Laboratory Improvements Amendments of 1988, pursuant to 42 CFR 493.3(a)(2).

g. Optional reasons for denial of access. The department may deny a subject access in the following circumstances.

(1) The department may temporarily suspend a subject's access to protected health information created or obtained by a covered health care provider in the course of research that includes treatment. The subject must have agreed to the denial of access when consenting to participate in the research that includes treatment. The suspension may last for as long as the research is in progress. The department shall inform the subject that the right of access will be reinstated upon completion of the research.

(2) The department may deny a subject's access to protected health information that is contained in records that are subject to the Privacy Act, 5 U.S.C. Section 552a, if the denial of access under the Privacy Act would meet the requirements of that law.

(3) The department may deny a subject's access if the protected health information was obtained from someone other than a health care provider under a promise of confidentiality and the access requested would be reasonably likely to reveal the source of the information.

(4) State or federal law prohibits a subject's access to protected health information, such as the state law limitations described in subrule 9.9(2).

(5) The department may deny a subject access, provided that the subject is given a right to have the denials reviewed as required by paragraph 9.9(1) "i," in the following circumstances:

1. A licensed health care professional has determined, in the exercise of professional judgment, that the access requested is reasonably likely to endanger the life or physical safety of the subject or another person;

2. The protected health information makes reference to another person (unless the other person is a health care provider) and a licensed health care professional has determined, in the exercise of professional judgment, that the access requested is reasonably likely to cause substantial harm to the other person; or

3. The request for access is made by the subject's personal representative, subject to the more restrictive definition of personal representative for protected health information, and a licensed health care professional has determined, in the exercise of professional judgment, that the provision of access to the personal representative is reasonably likely to cause substantial harm to the subject or another person.

h. Action on denial of access. If the department denies access, in whole or in part, to protected health information, the department shall comply with the following requirements.

(1) The department shall, to the extent possible, give the subject access to any other protected health information requested, after excluding the protected health information to which the department has a reason to deny access.

(2) The department shall provide a timely, written denial to the subject, in accordance with paragraph 9.9(1) "b."

i. Review of denial of access. If access is denied for a reason permitted under subparagraph 9.9(1) "g"(5), a subject may submit a written request for a review of a denial. If the subject requests a review, the department shall promptly refer the request to a licensed health care professional who is designated by the department to act as a reviewing official and who did not participate in the original decision to deny.

(1) The designated reviewing official shall determine, within 30 days, whether or not to deny the access requested based on the standards in subparagraph 9.9(1) "g"(5).

(2) The department shall promptly provide written notice to the subject of the determination made by the designated reviewing official and shall take other action as required to carry out the designated reviewing official's determination.

9.9(2) Access by subjects to other confidential information. The department shall release confidential records to the subject of the record. However, when a record has multiple subjects with interest in the confidentiality of the record, the department may take reasonable steps to protect confidential information relating to another subject. The department need not release the following records to the subject:

a. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

b. The identity of a person reporting suspected abuse to the department need not be disclosed to the subject. (See 441—subrule 175.41(2) and Iowa Code section 235A.19.)

c. The identity of a person providing information to the department need not be disclosed directly or indirectly to the subject of the information when that information is authorized to be held confidential pursuant to Iowa Code section 22.7(18).

d. Peace officers' investigative reports may be withheld from the subject, pursuant to Iowa Code section 22.7(5).

e. The department may withhold disclosure of confidential information when the department has reason to believe that disclosure of the information would cause substantial and irreparable harm and would not be in the public interest. The department may withhold disclosure to seek an injunction to restrain examination of the record according to procedures in Iowa Code section 22.8 or to notify the person who would be harmed to allow that person to seek an injunction.

f. The department may withhold information as otherwise authorized by law.

441—9.10(17A,22) Use and disclosure without consent of the subject. Open records are routinely disclosed without the consent of the subject. To the extent allowed by law, the department may also use and disclose confidential information without the consent of the subject or the subject's representative.

9.10(1) Internal use. Confidential information may be disclosed to employees and agents of the department as needed for the performance of their duties. The custodian of the record shall determine what constitutes legitimate need to use confidential records.

People affected by this rule include:

1. County-paid staff, field work students, and volunteers working under the direction of the department.

2. Council and commission members.

3. Policy review and advisory committees.

4. Consultants to the department.

9.10(2) Audits and health oversight activities.

a. *Audits.* Information concerning program expenditures and client eligibility is released to staff of the state executive and legislative branches who are responsible for ensuring that public funds have been managed correctly. Information is also released to auditors from federal agencies when those agencies provide program funds.

b. *Health oversight activities.* The department shall disclose protected health information to the Secretary of Health and Human Services to investigate or determine the department's compliance with federal HIPAA regulations.

(1) Except as specified in paragraph 9.10(2) "c," the department may also use protected health information, or disclose it to a health oversight agency, for other health oversight activities authorized by law. Health oversight activities include audits; civil, administrative, or criminal investigations; inspections; licensure or disciplinary actions; civil, administrative, or criminal proceedings or actions; or other activities necessary for appropriate oversight of:

1. The health care system;

2. Government benefits programs for which protected health information is relevant to client eligibility;

3. Organizations subject to government regulatory programs for which protected health information is necessary for determining compliance with program standards; or

4. Organizations subject to civil rights laws for which protected health information is necessary for determining compliance.

(2) If a health oversight activity or investigation is conducted in conjunction with an oversight activity or investigation relating to a claim for public benefits not related to health, the joint activity or investigation shall be considered a health oversight activity for purposes of subrule 9.10(2).

c. *Exception to health oversight activities.* For the purpose of the disclosures permitted by paragraph 9.10(2) "b," a health oversight activity shall not include an investigation or other activity in which the subject is also the subject of the investigation or activity, unless the investigation or other activity directly relates to:

(1) The receipt of health care;

- (2) A claim for public health benefits; or
- (3) Qualification for or receipt of public benefits or services, when a patient's health is integral to the claim for public benefits or services.

9.10(3) Program review. Information concerning client eligibility and benefits is released to state or federal officials responsible for determining whether the department is operating a program lawfully. These officials include the citizens' aide office under Iowa Code section 2C.9, the auditor of state under Iowa Code section 11.2, the Office of Inspector General in the federal Department of Health and Human Services, and the Centers for Medicare and Medicaid Services.

9.10(4) Contracts and agreements with agencies and persons.

a. The department may enter into contracts or agreements with public or private agencies, such as the department of inspections and appeals, and business associates, such as, but not limited to, the Iowa Medicaid enterprise units, in order to carry out the department's official duties. Information necessary to carry out these duties may be shared with these agencies. The department may disclose protected health information to a business associate and may allow a business associate to create or receive protected health information on its behalf, if the department obtains satisfactory assurance that the business associate will appropriately safeguard the information.

b. The department may enter into agreements to share information with agencies administering federal or federally assisted programs which provide assistance or services directly to persons on the basis of need. Only information collected in the family investment program, the child care assistance program, the food assistance program, the refugee resettlement program, or the child support recovery program may be shared under these agreements.

c. To meet federal income and eligibility verification requirements, the department has entered into agreements with the department of workforce development, the United States Internal Revenue Service, and the United States Social Security Administration.

The department obtains information regarding persons whose income or resources are considered in determining eligibility and the amount of benefits for the family investment program, refugee cash assistance, child care assistance, food assistance, Medicaid, state supplementary assistance and foster care. Identifying information regarding clients of these programs is released to these agencies. The information received may be used for eligibility and benefit determinations.

d. To meet federal requirements under the Immigration Reform and Control Act of 1986 (IRCA) relating to the Systematic Alien Verification for Entitlements (SAVE) program, the department has entered into an agreement with the Bureau of Citizenship and Immigration Service (BCIS). Under the agreement, the department exchanges information necessary to verify alien status for the purpose of determining eligibility and the amount of benefits for the family investment program, refugee cash assistance, food assistance, Medicaid, state supplementary assistance and foster care assistance. Identifying information regarding these subjects is released to the BCIS. The information received may be used for eligibility and benefit determinations.

e. The department has entered into an agreement with the department of workforce development to provide services to family investment program clients participating in the PROMISE JOBS program as described at 441—Chapter 93. Information necessary to carry out these duties shall be shared with the department of workforce development, as well as with its subcontractors.

The department has entered into an agreement with the department of human rights to provide services to family investment program clients participating in the family development and self-sufficiency program as described at 441—Chapter 165. Information necessary to carry out these duties shall be shared with the department of human rights, as well as with that agency's subcontractors.

f. State legislation requires that all emergency assistance households apply for and accept benefits for which they may qualify from the energy assistance, county general relief and veteran's affairs programs before approval for emergency assistance. To meet this requirement, the department may enter into agreements with the agencies that administer these programs under which they may provide services to emergency assistance households as described at 441—Chapter 58. Information necessary to carry out these duties shall be shared with these agencies.

g. The department has entered into an agreement with the department of education, vocational rehabilitation, disability determination services, to assist with Medicaid disability determinations.

h. The department has entered into an agreement with the department of education to share information that assists both schools and department clients in carrying out the annual verification process required by the United States Department of Agriculture, Food and Nutrition Service. That federal agency requires the department of education and local schools to verify eligibility of a percentage of the households approved for free-meal benefits under the school lunch program.

When a department office receives a written request from the local school, the department office responds in writing with the current family investment program and food assistance program status of each recipient of free meals listed in the request. Other client-specific information is made available only with written authorization from the client.

9.10(5) Release for judicial and administrative proceedings. Information is released to the court as required in Iowa Code sections 125.80, 125.84, 125.86, 229.8, 229.10, 229.13, 229.14, 229.15, 229.22, 232.48, 232.49, 232.52, 232.71B, 232.81, 232.97, 232.98, 232.102, 232.111, 232.117 and 235B.3.

a. The department may disclose protected health information in the course of any judicial or administrative proceeding in response to an order of a court or administrative tribunal, provided that the department discloses only the protected health information expressly authorized by the order and the court makes the order knowing that the information is confidential.

b. When a court subpoenas information that the department is prohibited from releasing, the department shall advise the court of the statutory and regulatory provisions against disclosure of the information and shall disclose the information only on order of the court.

9.10(6) Fraud. Information concerning suspected fraud or misrepresentation to obtain department services or assistance is disclosed to the department of inspections and appeals and to law enforcement authorities.

9.10(7) Service referrals. Information concerning clients may be shared with purchase of service providers under contract to the department.

a. Information concerning the client's circumstances and need for service is shared with prospective providers to obtain placement for the client. If the client is not accepted for service, all written information released to the provider shall be returned to the department.

b. When the information needed by the provider is mental health information or substance abuse information, the subject's specific consent is required in subrule 9.3(4).

9.10(8) Medicaid billing. Only the following information shall be released to bona fide providers of medical services in the event that the provider is unable to obtain it from the subject and is unable to complete the Medicaid claim form without it:

- a. Patient identification number.
- b. Health coverage code as reflected on the subject's medical card.
- c. The subject's date of birth.
- d. The subject's eligibility status for the month that the service was provided.
- e. The amount of spenddown.
- f. The bills used to meet spenddown.

9.10(9) County billing. Information necessary for billing is released to county governments that pay part of the cost of care for intermediate care facility services for the mentally retarded under 441—subrule 82.14(2) or Medicaid waiver services under rule 441—83.70(249A) or 441—83.90(249A). This information includes client names, identifying numbers, provider names, number of days of care, amount of client payment, and amount of payment due.

9.10(10) Child support recovery. The child support recovery unit has access to information from most department records for the purpose of establishing and enforcing support obligations. Information about absent parents and recipients of child support services is released according to the provisions of Iowa Code chapters 234, 252A, 252B, 252C, 252D, 252E, 252F, 252G, 252H, 252I, 252J, 252K, 598, 600B, and any other support chapter. Information is also released to consumer reporting agencies as specified in rule 441—95.12(252B).

9.10(11) Refugee resettlement program. Contacts with both sponsor and resettlement agencies are made as a part of the verification process to determine eligibility or the amount of assistance. When a refugee applies for cash or Medicaid, the refugee's name, address, and telephone number are given to the refugee's local resettlement agency.

9.10(12) Abuse investigation. The central abuse registry disseminates child abuse information and dependent adult abuse information as provided in Iowa Code sections 235A.15 and 235B.7, respectively. Reports of child abuse and dependent adult abuse investigations are submitted to the county attorney as required in Iowa Code sections 232.71B and 235B.3. Results of the investigation of a report by a mandatory reporter are communicated to the reporter as required in Iowa Code sections 235A.17(2) and 235A.15(2) "b"(5).

9.10(13) Foster care. Information concerning a child's need for foster care is shared with foster care review committees or foster care review boards and persons named in the case permanency plan.

9.10(14) Adoption. Adoptive home studies completed on families who wish to adopt a child are released to licensed child-placing agencies, to the United States Immigration and Naturalization Service, and to adoption exchanges. Information is released from adoption records as provided in Iowa Code sections 600.16 and 600.24.

9.10(15) Disclosures to law enforcement.

a. Disclosures by workforce members who are crime victims. The department is not considered to have violated the requirements of this chapter if a member of its workforce who is the victim of a criminal act discloses confidential information to a law enforcement official, provided that:

(1) The confidential information disclosed is about the suspected perpetrator of the criminal act and intended for identification and location purposes; and

(2) The confidential information disclosed is limited to the following information:

1. Name and address.

2. Date and place of birth.

3. Social security number.

4. ABO blood type and Rh factor.

5. Type of injury.

6. Date and time of treatment.

7. Date and time of death, if applicable.

8. A description of distinguishing physical characteristics, including height, weight, gender, race, hair and eye color, presence or absence of facial hair (beard or moustache), scars, and tattoos.

b. Crime on premises. The department may disclose to a law enforcement official protected health information that the department believes in good faith constitutes evidence of criminal conduct that occurred on the premises of the department.

c. Decedents. The department may disclose protected health information to a law enforcement official about a subject who has died when the death resulted from child abuse or neglect or the death occurred in a department facility.

d. Other. The department may disclose confidential information to a law enforcement official when otherwise required or allowed by this chapter, such as disclosures about victims of child abuse or neglect; disclosures to avert a threat to health or safety, or to report suspected fraud; disclosures required by due process of law, such as disclosures for judicial and administrative proceedings; or other disclosures required by law.

9.10(16) Response to law enforcement. The address of a current recipient of family investment program benefits may be released upon request to a federal, state or local law enforcement officer if the officer provides the name of the recipient, and the officer demonstrates that:

a. The recipient is a fugitive felon who is fleeing prosecution, custody or confinement after conviction under state or federal law, or who is a probation or parole violator under state or federal law, or

b. The recipient has information that is necessary for the officer to conduct the officer's official duties, and

c. The location or apprehension of the recipient is within the officer's official duties.

9.10(17) Research. Information that does not identify individual clients may be disclosed for research purposes with the consent of the division administrator responsible for the records. The division administrator shall investigate the credentials of the researcher.

a. Mental health information may be disclosed for purposes of scientific research as provided in Iowa Code section 228.5, subsection 3, and section 229.25. Requests to do research involving records of a department facility shall be approved by the designated authority.

b. Abuse registry information may be disclosed for research purposes as provided in rules 441—175.42(235A) and 441—176.11(235B) and authorized by Iowa Code sections 235A.15(2) “e”(1) and 235B.6(2) “e”(1).

c. For research relating to protected health information, the researcher shall provide the department with information about the nature of the research, the protocol, the type of information being requested, and any other relevant information that is available concerning the request. If the researcher feels that contact with the subject is needed, the researcher shall demonstrate to the department that the research cannot be conducted without contact with the subject. The researcher shall pay for the costs of obtaining authorizations needed to contact the subjects and for the cost of files and preparation needed for the research.

9.10(18) Threat to health or safety.

a. All programs. A client’s name, identification, location, and details of a client’s threatened or actual harm to department staff or property may be reported to law enforcement officials. Other information regarding the client’s relationship to the department shall not be released.

When a department staff person believes a client intends to harm someone, the staff person may warn the intended victim or police or both. Only the name, identification, and location of the client and the details of the client’s plan of harm shall be disclosed.

b. Protected health information. The department may, consistent with applicable law and standards of ethical conduct, use or disclose protected health information, if the department, in good faith, believes the use or disclosure:

(1) Is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public; and is to a person or persons reasonably able to prevent or lessen the threat, including the target of the threat; or

(2) Is necessary for law enforcement purposes as described in this chapter.

c. When the department uses or discloses protected health information pursuant to paragraph 9.10(18) “b,” the department is considered to have acted in good faith if the action is based on the department’s actual knowledge or on a credible representation by a person with apparent knowledge or authority.

9.10(19) Required by law.

a. Information is shared with other agencies without a contract or written agreement when federal law or regulations require it.

b. The department may use or disclose protected health information to the extent that use or disclosure is required by law and the use or disclosure complies with and is limited to the relevant requirements of the law.

c. State law shall preempt rules in this chapter about protected health information when any one of the following conditions exists:

(1) Exception granted by Secretary of Health and Human Services. A determination is made by the Secretary of Health and Human Services under 45 CFR 160.204 as amended to August 14, 2002, that the provision of state law:

1. Is necessary:

- To prevent fraud and abuse related to the provision of or payment for health care;
- To ensure appropriate state regulation of insurance and health plans to the extent expressly authorized by statute or regulation;
- For state reporting on health care delivery or costs; or

- For purposes of serving a compelling need related to public health, safety, or welfare, and, if a requirement under this chapter is at issue, the Secretary of Health and Human Services determines that the intrusion into privacy is warranted when balanced against the need to be served; or

2. Has as its principal purpose, the regulation of the manufacture, registration, distribution, dispensing, or other control of any controlled substances, as defined in 21 U.S.C. 802, or that is deemed a controlled substance by state law.

(2) State law more stringent. The provision of state law relates to the privacy of protected health information and is more stringent than a requirement of this chapter, within the meaning of “more stringent” found at 45 CFR 160.202 as amended to August 14, 2002.

(3) Reporting requirements. The provision of state law, including state procedures established under the law, as applicable, provides for the reporting of disease or injury, child abuse, birth, or death, or for the conduct of public health surveillance, investigation, or intervention.

(4) Requirements related to audits, monitoring, evaluation, licensing, and certification. The provision of state law requires a health plan to report, or to provide access to, information for the purpose of management audits, financial audits, program monitoring and evaluation, or the licensure or certification of facilities and persons.

9.10(20) School attendance. Rescinded IAB 7/7/04, effective 7/1/04.

9.10(21) Treatment, payment, or health care operations.

a. The department may use or disclose protected health information for treatment, payment, or health care operations, as described in this paragraph, except for psychotherapy notes, which are subject to the limits described in paragraph 9.10(21) “b.” The use or disclosure shall be consistent with other applicable requirements of this chapter.

(1) The department may use or disclose protected health information for its own treatment, payment, or health care operations.

(2) The department may disclose protected health information for treatment activities of a health care provider.

(3) The department may disclose protected health information to another covered entity or a health care provider for the payment activities of the person or organization that receives the information.

(4) The department may disclose protected health information to another covered entity for health care operations activities of the covered entity that receives the information, if each covered entity either has or had a relationship with the person who is the subject of the protected health information being requested, the protected health information pertains to the relationship, and the disclosure is:

1. For a purpose listed in numbered paragraph “1” or “2” of the definition of health care operations in 45 CFR 164.501 as amended to August 14, 2002; or

2. For the purpose of health care fraud and abuse detection or compliance.

b. The department may use or disclose psychotherapy notes without an authorization for any one of the following reasons:

(1) To carry out the following treatment, payment, or health care operations:

1. Use by the originator of the psychotherapy notes for treatment.

2. Use or disclosure by the department for its own training programs in which students, trainees, or practitioners in mental health learn under supervision to practice or improve their skills in group, joint, family, or individual counseling.

3. Use or disclosure by the department to defend itself in a legal action or other proceeding brought by the subject.

(2) When required by the Secretary of Health and Human Services to investigate or determine the department’s compliance with federal HIPAA regulations.

(3) For health oversight activities, as described at subrule 9.10(2), with respect to the oversight of the originator of the psychotherapy notes.

(4) When necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public as described at subrule 9.10(18).

(5) When required by law as described at subrule 9.10(19).

(6) To disclose protected health information in the designated record set to a coroner or medical examiner as described at subrule 9.10(24).

9.10(22) *Public health activities.* The department may disclose protected health information for the public health activities and purposes described in this subrule. This disclosure is in addition to any other disclosure to a public health authority allowed by this chapter, such as a disclosure to report child abuse or neglect. For the purposes of this subrule, a public health authority includes state and local health departments, the Food and Drug Administration (FDA), and the Centers for Disease Control and Prevention.

a. The department may disclose protected health information to a public health authority that is authorized by law to collect or receive the information for the purpose of preventing or controlling disease, injury, or disability.

(1) The information that may be disclosed includes, but is not limited to, the reporting of disease, injury, vital events such as birth or death, and the conduct of public health surveillance, public health investigations, and public health interventions.

(2) At the direction of a public health authority, the department may also report this information to an official of a foreign government agency that is acting in collaboration with a public health authority.

b. The department may disclose protected health information to a person or organization that is subject to the jurisdiction of the FDA for public health purposes related to the quality, safety, or effectiveness of an FDA-regulated product or activity for which that person or organization has responsibility. These purposes include:

(1) To collect or report adverse events (or similar activities with respect to food or dietary supplements), product defects or problems (including problems with the use or labeling of a product).

(2) To track FDA-regulated products.

(3) To enable product recalls, repairs, or replacement, or lookback (including locating and notifying subjects who have received products that have been recalled, withdrawn, or are the subject of lookback).

(4) To conduct postmarketing surveillance.

c. The department may disclose protected health information to a person who is at risk of contracting or spreading a disease or condition. The disclosure must be necessary to carry out public health interventions or investigations or to notify a person that the person has been exposed to a communicable disease to prevent or control the spread of the disease.

9.10(23) *Victims of domestic violence.* The department shall disclose confidential information about an individual whom the department reasonably believes to be a victim of domestic violence when required by state law.

9.10(24) *Disclosures to coroners, medical examiners, and funeral directors.*

a. Coroners and medical examiners. The department may disclose protected health information about a subject that is contained in the designated record set to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death, or other duties as authorized by law.

b. Funeral directors. The department may disclose protected health information about a subject that is contained in the designated record set to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent. If necessary for funeral directors to carry out their duties, the department may disclose the protected health information before, and in reasonable anticipation of, the subject's death.

9.10(25) *Disclosures for cadaveric organ, eye or tissue donation purposes.* The department may disclose protected health information about a subject that is contained in the designated record set to organ procurement organizations or other organizations engaged in the procurement, banking, or transplantation of cadaveric organs, eyes, or tissue for the purpose of facilitating organ, eye or tissue donation and transplantation. The department shall make a disclosure only when the disclosure has been approved by the deceased subject's authorized legal representative and there is evidence that the decedent had given approval for organ, eye, or tissue donation procedures before the decedent's death.

9.10(26) *Specialized government functions.* Protected health information may be shared under the circumstances described at 45 CFR 164.512, paragraph "k," as amended to August 14, 2002, if

otherwise allowable under state law, such as sharing protected health information with the Social Security Administration in determining Medicaid eligibility for supplemental security income applicants and recipients.

9.10(27) Whistle blowers. The department is not considered to have violated the requirements of this chapter when a member of its workforce or a business associate discloses protected health information, provided that:

a. The workforce member or business associate has a good-faith belief that the department or a business associate has engaged in conduct that is unlawful or otherwise violates professional or clinical standards, or has provided care, services, or conditions that potentially endanger one or more patients, workers, or the public; and

b. The disclosure is made to one of the following:

(1) A health oversight agency or public health authority authorized by law to investigate or oversee conduct or conditions for the purpose of reporting the allegation of failure to meet professional standards or misconduct.

(2) An appropriate health care accreditation organization.

(3) An attorney retained by or on behalf of the workforce member or business associate for the purpose of determining the legal options of the workforce member or business associate.

9.10(28) Secondary to a use or disclosure of protected health information. The department may use or disclose protected health information that is secondary to a use or disclosure otherwise permitted or required by these rules, such as when a visitor in a facility overhears a doctor speaking to a subject about the subject's health.

9.10(29) De-identified data or a limited data set.

a. De-identified information. The department may use or disclose protected health information to create information that is de-identified under the conditions specified in 45 CFR 164.514, paragraphs "a" through "c," as amended to August 14, 2002.

b. Limited data set. The department may use or disclose a limited data set under the conditions specified at 45 CFR 164.514, paragraph "e," as amended to August 14, 2002, when the department enters into a data use agreement for research, public health, or health care operations.

441—9.11(22) Availability of records. This rule lists the department records which are open to the public, those which are confidential, and those which are partially open and partially confidential.

Department records are listed by category according to the legal basis for confidential treatment (if any). A single record may contain information from several categories.

The department administers several federally funded programs and is authorized by Iowa Code section 22.9 to enforce confidentiality standards from federal law and regulation as required for receipt of the funds. Where federal authority is cited in this rule, the department has determined that the right to examine and copy public records under Iowa Code section 22.2 would cause the denial of funds, services, or essential information from the United States government that would otherwise be available to the department.

The chart indicates whether the records in this category contain personally identifiable information and indicates the legal authority for confidentiality and for the collection of personally identifiable information.

Abbreviations are used in the chart as follows:

<u>Code</u>	<u>Meaning</u>
O	The records are open for public inspection.
C	The records are confidential and are not open to public inspection.
O/C	The record is partly open and partly confidential.
PI	Personally identifiable information
NA	Not applicable

DESCRIPTION OF RECORD	TYPE OF RECORD	LEGAL AUTHORITY FOR CONFIDENTIALITY	PERSONALLY IDENTIFIABLE INFORMATION	LEGAL AUTHORITY FOR PI INFORMATION
Records of council, commission and statutory committees	O/C	Iowa Code 21.5(4)	No	NA

441—9.12(22,252G) Personally identifiable information. The confidentiality provisions affecting records described in this rule are addressed in rule 441—9.11(22).

9.12(1) Nature and extent. The personally identifiable information collected by the department varies by the type of record. The nature and extent of personally identifiable information is described below:

a. Recipients of assistance. Several different types of department records contain personally identifiable information about recipients of assistance programs such as food assistance, Medicaid, the family investment program, child care assistance, state supplementary assistance, refugee cash and medical assistance, and commodity supplemental foods.

(1) Client case file. Local office case files contain identifying information, demographic information, household composition, and income and resource information about applicants for and recipients of assistance, as well as any other persons whose circumstances must be considered in determining eligibility. Records may contain information about employment, disability, or social circumstances. Records identify the kind and amount of benefits received and what proof was obtained to verify the recipient's eligibility. Case files contain correspondence, appeal requests and decisions, and documentation of department actions.

(2) Local office administrative records. Client names and program data are kept in card files, appointment logs, worker case lists, and issuance records.

(3) Data processing systems. Client identifying information, eligibility data, and payment data are kept in the following systems. Some of these records are also kept on microfiche.

<u>System</u>	<u>Function</u>
Automated Benefit Calculation System	Determines eligibility for FIP, food assistance, Medicaid
Automated Child Abuse and Neglect System	Inactive child abuse/neglect system
Appeals Logging and Tracking System	Tracks client appeals
BCCT Program	Establishes Medicaid eligibility for breast and cervical cancer clients
Change Reporting System	Tracks client-reported changes and produces forms needed for client-reported changes
Diversion System	Tracks clients using diversion benefits
Electronic Payment Processing and Inventory Control System	Electronically issues food assistance
Eligibility Tracking System	Tracks clients' FIP eligibility and hardship status
Family and Children's Services System	Tracks foster care, adoption, family-centered and family preservation services
Food Stamps Case Reading Application	Food assistance accuracy tool used to record case reading information
Health Insurance Premium Payment System	Health insurance premium payment
Iowa Collection and Reporting System	Tracks child support recovery processes
Iowa Central Employee Registry	Child support new hire reporting system
Iowa Eligibility Verification System	Federal social security number verification and benefits
Iowa Plan Program	Assigns group codes for Iowa Plan clients
Individualized Services Information System	Used to establish facility eligibility, process data to and from ABC and Medicaid fiscal agent, establish waiver services, providers, and eligibility
Issuance History	Displays benefit issuances for FIP and food assistance
KACT System	Authorizes foster care service units
MEPD Premium Payment Program	Accounting system for billing and payment for Medicaid for employed people with disabilities program
Managed Health Care Program	Assigns managed health care providers to clients
Medicaid Management Information Systems	Process clients' Medicaid claims and assign Medicaid coverage to clients
Overpayment Recoupment System	Used to recover money from FIP, Food Assistance, Medicaid, Child Care Assistance, PROMISE JOBS, and HAWK-I clients
Public Information Exchange	Data exchange between states
PJCASE	Iowa Workforce Development interface with PROMISE JOBS
Purchase of Social Services System	Purchased services (mostly child care and in-home health clients)
Presumptive Eligibility Program	Establishes Medicaid eligibility for presumptive eligibility clients

<u>System</u>	<u>Function</u>
Quality Control System	Selects sample for quality control review of eligibility determination
RTS Claims Processing System	Processes rehabilitative treatment claims for federal match
State Data Exchange Display	State data exchange information for supplemental security income recipients
Social Security Buy-In System	Medicare premium buy-in
Social Services Reporting System	Services reporting system for direct and purchased services
Statewide Tracking of Assessment Reports	Tracks child abuse reports

(4) Quality control records. Files are developed containing data required to verify the correctness of department eligibility and benefit decisions for selected clients.

(5) Appeals. Records containing client eligibility and payment information are created by the department of inspections and appeals when a client (or, for Medicaid, a provider) requests a hearing on a department action.

(6) Fraud. When a client is suspected of fraud, the department of inspections and appeals generates an investigative record containing information pertinent to the circumstances of the case.

(7) Recoupment. When benefits have been overpaid, a record is established by the department of inspections and appeals concerning the circumstances of the overpayment and the client's repayment.

b. Recipients of social services. Several kinds of department records contain personally identifiable information about applicants for and recipients of direct or purchased social services.

(1) Client case records. Local offices create client case files containing identifying information and demographic information; income data; information substantiating the need for services, which may include medical, psychological or psychiatric reports; social history; the department evaluation of the client's situation; documentation of department actions; and provider reports. Records may contain court orders and reports.

(2) Local office administrative records. Client names and services data appear in records such as card files, case lists, and appointment logs.

(3) Data processing systems. Client identifying information, demographic data, and services eligibility data are stored in the service reporting system. The purchase of services system contains invoice and service payment data. The child and adult protection system contains information from abuse reports and investigations. Some of these records are also kept on microfiche.

(4) Appeals. Records containing client identifying information and eligibility information are created by the department of inspections and appeals when a client requests a hearing on a department action.

(5) Adoption records. The department keeps a master card file on all adoptions in Iowa as required in Iowa Code section 235.3, subsection 7. This record is also kept on microfilm.

The Iowa Adoption Exchange contains records on special needs children available for adoption and on families that have indicated an interest in adopting special needs children.

The department also keeps records on adoptions in which it has provided services. These files include the home study, information about the child, and legal documents. These records are also kept on microfiche.

(6) Abuse registry. Child and dependent adult abuse records contain names and information of the alleged victim and the victim's family, data on the reported abuse, details of injury, investigative data, name of alleged perpetrator, names of reporters, collateral contacts and findings.

(7) Interstate compact records. The department maintains records on placement of children across state lines. These records contain identifying information about the children and the conditions of their placement, as well as progress reports. Some of the records are kept on microfiche.

(8) Guardianship records. The department maintains records on all children under its guardianship. The records concern the children's characteristics and placements. Some of these records are kept on microfiche.

c. Institutions. Institution resident records may contain identifying and demographic information, medical and social histories, treatment records, treatment plans, educational information, admission procedures, financial accounts, county billings, residential unit notes, vocational information, economic data and information about personal effects. Some of this information is kept on microfiche.

Automated data processing systems associated with institutional client records include admission and discharge systems for the juvenile institutions and for the mental health and mental retardation institutions, institutional billing systems, client banking systems, and client data systems.

d. Child support recovery unit (CSRU) records. These records contain information such as client identifiers, demographic information, divorce decrees, child support orders, absent parent identifiers, employment history and physical characteristics of absent parents, payment history records, and termination of parental rights.

e. Collection services center. The collection services center maintains records of support orders issued or filed in Iowa that have been converted to the collection services center system. These records identify the person paying and the person receiving support, specify the support obligations, and contain a record of payments made. Most records are on an automated data processing system. Paper records may also be kept, including conversion documents, orders, and correspondence.

f. Contractor records for individual providers. Records of individual purchase of service and Medicaid providers contain information such as names of owners and employees, names of clients served, eligibility data, amounts of payment for clients, and kinds of services received by clients.

g. Regulatory files on individual providers. Files on persons who apply to be licensed, certified, registered, or approved by the department contain identifying information, a description of the person's operation or premises, and a department evaluation of the information collected. Files may contain data on criminal records and abuse registry records on the person and any employees. Files may contain information naming clients served (for example, in complaints or incident reports). Some of these records are also kept on microfilm.

h. Personnel files. The department maintains files containing information about employees, families and dependents, and applicants for paid or volunteer positions within the department. The files contain payroll records, biographical information, medical information pertaining to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding and information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship.

9.12(2) Data processing matching.

a. Internal. All data processing systems operated by the department which have comparable personally identifiable data elements permit the matching of personally identifiable information. (See subrule 9.12(1) for a description of these systems.) Matches which are routinely done include the following:

(1) Data from the service reporting system is matched with data from the purchase of service payment system for service eligibility and with the activity reporting system for cost allocation. Matches are also done with the state identification portion of the automated benefit calculation system.

(2) The automated benefit calculation system matches with the Medicaid eligibility system, the facility payment system, the child support collections system, the employment and training systems, the electronic payment processing and inventory control system, the eligibility tracking system, the Medicare buy-in system, the individualized services information system-waiver payment system, and the income eligibility and verification system.

(3) The Medicaid eligibility system matches information with the Medicaid management information system and the collection and recovery system.

b. External.

(1) The state data exchange matches information on department clients with records on recipients of supplemental security income.

(2) The Medicare buy-in system matches information with the Social Security Administration.

(3) The income and eligibility verification system matches information on department clients with income records from department of workforce development records on unemployment compensation and wages, tax records from the Internal Revenue Service, wage records and social security benefit records from the Social Security Administration, and public assistance records from other states.

(4) Data from the collections and reporting system is matched with state and federal tax records, and with client records on the automated benefit calculation system.

(5) Data on department clients is matched with the administering agency for the Workforce Investment Act and with private agencies working to help employers collect benefits under the work opportunity tax credit program.

(6) Reports on disqualified food stamp recipients from other states are received from the United States Department of Agriculture to ensure that recipients are not evading penalties by reapplying in Iowa.

(7) A list of recipients of benefits under the family investment program is released annually to the Internal Revenue Service for matching with records of dependents claimed.

(8) A list of applicants for and recipients of the family investment program (FIP), the Medicaid program, and the food assistance program is matched with records on Iowa motor vehicle registration files to assist in the identification of countable resources.

(9) The Medicaid management information system matches data on medical assistance recipients against data on insureds that is submitted by insurance carriers under rule 441—76.13(249A) in order to identify third-party payers for medical assistance recipients.

c. Centralized employee registry (CER) database. The CER receives data concerning employees and contractors who perform labor in Iowa. Information reported by Iowa employers about employees includes the employee's name, address, social security number, date of birth, beginning date of employment, whether health insurance is available, and when it may be available. Information reported by Iowa income payers about contractors is limited to the contractor's name, address, social security number, and date of birth, if known.

State agencies accessing the CER shall participate in proportionate cost sharing for accessing and obtaining information from the registry. Cost sharing shall include all costs of performing the match including costs for preparing the tapes and central processing unit time. Costs shall be specified in a 28E agreement with each agency. CER matches include the following data matches with:

(1) The child support collections and reporting system for the establishment and enforcement of child and medical support obligations.

(2) Other department of human services systems for the purpose of gathering additional information and verification for use in the determination of eligibility or calculation of benefits.

(3) The department of employment services for the determination of eligibility or calculation of unemployment benefits, and to monitor employer compliance with job insurance tax liability requirements.

(4) The department of workforce development to verify employment of participants in the PROMISE JOBS program.

(5) The department of revenue for the recoupment of debts to the state.

(6) The department of inspections and appeals for the recoupment of debts owed to the department of human services.

441—9.13(217) Distribution of informational materials.

9.13(1) Requirements for distribution. All material sent or distributed to clients, vendors, or medical providers shall:

a. Directly relate to the administration of the program.

b. Have no political implications.

c. Contain the names only of persons directly connected with the administration of the program.

d. Identify them only in their official capacity with the agency.

9.13(2) *Distribution prohibited.* The department shall not distribute materials such as holiday greetings, general public announcements, voting information, and alien registration notices.

9.13(3) *Distribution permitted.* The department may distribute materials directly related to the health and welfare of clients, such as announcements of free medical examinations, availability of surplus food, and consumer protection information.

441—9.14(17A,22) Special policies and procedures for protected health information.

9.14(1) *Minimum necessary.* When using or disclosing protected health information or when requesting protected health information from another covered entity, the department shall make reasonable efforts, as described in paragraphs 9.14(1)“a” through “e,” to limit protected health information to the minimum necessary to accomplish the intended purpose of the use, disclosure, or request.

a. This requirement does not apply in the following circumstances:

- (1) Disclosures to or requests by a health care provider for treatment.
- (2) Uses or disclosures made to the subject.
- (3) Uses or disclosures made pursuant to an authorization.
- (4) Disclosures made to the Secretary of Health and Human Services.
- (5) Uses or disclosures that are required by law.
- (6) Uses or disclosures that are required for compliance with this chapter.

b. The department shall take the following actions:

(1) Identify those persons or classes of persons, as appropriate, in its workforce who need access to protected health information to carry out their duties.

(2) For each person or class of persons, identify the category or categories of protected health information to which access is needed and any conditions appropriate to the access.

(3) Make reasonable efforts to limit the access of these persons or classes.

c. For any type of disclosure that it makes on a routine and recurring basis, the department shall implement policies and procedures (which may be standard protocols) that limit the amount of the protected health information disclosed to that reasonably necessary to achieve the purpose of the disclosure.

For all other disclosures, the department shall develop criteria designed to limit the protected health information disclosed to the information reasonably necessary to accomplish the purpose for which disclosure is sought. The department shall review requests for disclosure on an individual basis in accordance with the criteria.

The department may rely, if reasonable under the circumstances, on a requested disclosure as the minimum necessary for the stated purpose when:

(1) Making permitted disclosures to a public official, provided the public official indicates that the information requested is the minimum necessary for the stated purposes;

(2) The information is requested by another covered entity; or

(3) The information is requested for the purpose of providing professional services to the department by a professional who is a workforce member or business associate of the department if the professional indicates that the information requested is the minimum necessary for the stated purpose.

d. Minimum necessary requests.

(1) When requesting information from other covered entities, the department shall limit any request for protected health information to that which is reasonably necessary to accomplish the purpose for which the request is made.

(2) For a request that is made on a routine and recurring basis, the department shall implement policies and procedures (which may be standard protocols) that limit the protected health information requested to the amount reasonably necessary to accomplish the purpose for which the request is made.

(3) For all other requests, the department shall develop criteria designed to limit the request for protected health information to the information reasonably necessary to accomplish the purpose for which the request is made and to review requests for disclosure on an individual basis in accordance with the criteria.

e. For all uses, disclosures, or requests to which the minimum necessary requirements apply, the department shall not use, disclose or request an entire medical record, except when the entire medical record is specifically justified as the amount that is reasonably necessary to accomplish the purpose of the use, disclosure, or request.

9.14(2) *Uses and disclosures for premium rating and related purposes.* If a health plan receives protected health information for the purpose of premium rating or other activities relating to the creation, renewal, or replacement of a contract of health insurance or health benefits, and if the health insurance or health benefits are not placed with the health plan, the health plan shall not use or disclose the protected health information for any other purpose, except as may be required by law.

9.14(3) *Verification and documentation.*

a. Before any disclosure of protected health information, the department shall obtain verification or documentation as follows:

(1) Verify the identity of a person requesting protected health information and the person's authority to access protected health information, if the department does not know the identity or authority of the person. This requirement is waived for disclosures to persons involved in the subject's care or for notification purposes, as described at subrule 9.7(3).

(2) Obtain any oral or written documentation, including statements and representations, from the person requesting the protected health information when this is a condition of the disclosure under this chapter.

b. The following constitute appropriate verification or documentation, if reasonable under the circumstances:

(1) Documentation, statements, or representations. The department may rely on documentation, statements, or representations that, on their face, meet the applicable requirements.

(2) Identity of public officials. When disclosure of protected health information is requested by a public official or a person acting on behalf of the public official, the department may rely on any of the following to verify identity:

1. In-person presentation of an agency identification badge, other official credentials, or other proof of government status.

2. A written request on the appropriate government letterhead.

3. A written statement on appropriate government letterhead that the person is acting under the government's authority or other evidence or documentation of agency, such as a contract for services, memorandum of understanding, or purchase order, that establishes the person is acting on behalf of the public official.

(3) Authority of public officials. When the disclosure of protected health information is requested by a public official or a person acting on behalf of the public official, the department may rely on any of the following to verify authority:

1. A written statement of the legal authority under which the information is requested.

2. If a written statement would be impracticable, an oral statement of the legal authority.

3. An order issued by a judicial or administrative tribunal.

(4) Exercise of professional judgment. The requirements of this subrule are met if the department relies on the exercise of professional judgment in use or disclosure to persons involved in the subject's care or for notification purposes, in accordance with subrule 9.7(3), or acts on a good-faith belief in making a disclosure to avert a serious threat to health or safety, in accordance with subrule 9.10(18).

9.14(4) *Notice of privacy practices for protected health information.* A subject has a right to adequate notice of the uses and disclosures of protected health information that may be made by the department, and of the subject's rights and the department's legal duties with respect to protected health information.

9.14(5) *Right to receive an accounting of disclosures.* Within the limits described in this subrule, a subject has a right to receive an accounting of the disclosures of protected health information listed in paragraph 9.14(5) "a," including disclosures to or by business associates of the department. A subject shall request an accounting using Form 470-3985, Request for a List of Disclosures.

a. Disclosures that may be included in an accounting. A subject's right to receive an accounting of disclosures made by the department, or to or by business associates of the department, is limited to the following disclosures that do not require an authorization or an opportunity for the subject to agree or object:

- (1) For health oversight activities described at subrule 9.10(2).
- (2) For judicial and administrative proceedings described at subrule 9.10(5).
- (3) For law enforcement purposes described at subrule 9.10(15).
- (4) For averting a threat to health or safety described at subrule 9.10(18).
- (5) To meet requirements of law described at subrule 9.10(19).
- (6) For public health activities described at subrule 9.10(22).
- (7) For disclosures about suspected victims of domestic violence described at subrule 9.10(23).
- (8) For disclosures about suspected victims of abuse or neglect described in 441—Chapter 9.
- (9) To coroners, medical examiners, and funeral directors described at subrule 9.10(24).
- (10) For cadaveric organ, eye, or tissue donation described at subrule 9.10(25).
- (11) For specialized government functions described at subrule 9.10(26), except those made for national security or intelligence purposes.
- (12) By whistle blowers as described at subrule 9.10(27).

b. Content of the accounting. The department shall provide the subject who submits Form 470-3985, Request for a List of Disclosures, with a written accounting of disclosures that meets the following requirements.

(1) The accounting shall include disclosures of protected health information that occurred during the six years (or the shorter time requested by the subject) before the date of the request. However, disclosures that occurred before April 14, 2003, are not included in an accounting.

(2) Except for limitations regarding multiple disclosures to the same person or organization, the accounting shall include for each disclosure:

1. The date of the disclosure.
2. The name of the organization or person who received the protected health information and, if known, the address of the organization or person.
3. A brief description of the protected health information disclosed.
4. A brief statement of the purpose of the disclosure that reasonably informs the subject of the basis for the disclosure or, instead of the statement, a copy of a written request for a disclosure.

(3) If, during the period covered by the accounting, the department has made multiple disclosures of protected health information to a person or organization requesting a disclosure, the accounting may, with respect to the multiple disclosures, provide:

1. The information required by subparagraph 9.14(5) "b"(2), for the first disclosure during the accounting period;
2. The frequency, periodicity, or number of the disclosures made during the accounting period; and
3. The date of the last disclosure during the accounting period.

c. Time limits for providing the accounting. The department shall act on the subject's request for an accounting no later than 60 days after receipt of a request, as follows:

- (1) The department shall provide the subject with the accounting requested; or
- (2) If the department is unable to provide the accounting within these 60 days, the department may extend the due date one time, for a period not to exceed 30 days. In order to extend the due date, the department shall provide the subject with a written statement of the reasons for the delay and the date by which the department shall provide the accounting. The department shall provide this written statement within the 60-day period after receipt of the request for an accounting.

d. Fee for accounting. The department shall provide to a subject one accounting without charge in any 12-month period. The department may impose a reasonable, cost-based fee for each subsequent request for an accounting by the same subject within the 12-month period, as set forth in subrule 9.3(7), provided that the department:

- (1) Informs the subject in advance of the fee; and

(2) Provides the subject with an opportunity to withdraw or modify the request for a subsequent accounting in order to avoid or reduce the fee.

e. Suspension of right. The department shall temporarily suspend a subject's right to receive an accounting of disclosures made to a health oversight agency or law enforcement official, as permitted in this chapter, if the agency or official provides the department with a statement that the accounting would likely impede the agency's activities and specifies the time for which a suspension is required.

(1) If the agency or official statement is submitted in writing, the department shall suspend the right to receive accounting for the time specified by the agency or official.

(2) If the agency or official statement is made orally, the department shall:

1. Document the statement, including the identity of the agency or official making the statement;
2. Temporarily suspend the subject's right to an accounting of disclosures subject to the statement;

and

3. Limit the temporary suspension to no longer than 30 days from the date of the oral statement, unless the agency or official statement is submitted in writing during that time.

9.14(6) Complaint procedure. A person who believes the department is not complying with the rules on protected health information or with the applicable requirements of 45 CFR Part 160 as amended to August 14, 2002, or with the applicable standards, requirements, and implementation specifications of 45 CFR of Subpart E of Part 164 as amended to August 14, 2002, may file a complaint with the department's privacy office or with the Secretary of Health and Human Services.

a. Complaints to the department's privacy office shall be in writing and may be delivered personally or by mail to the DHS Privacy Office, 1305 E. Walnut Street, First Floor, Des Moines, Iowa 50319-0114. Complaints regarding facilities may be sent to the applicable facility.

b. Complaints to the Secretary of Health and Human Services shall be made using the procedures set forth in 45 CFR 160.306 as amended to August 14, 2002.

9.14(7) Appeal rights.

a. If the subject disputes a decision by the privacy officer, the department's designated licensed health care professional, or the facility administrator on any of the following requests, the subject may appeal the decision in accordance with 441—Chapter 7.

- (1) A request for restriction on use or disclosure of protected health information.
- (2) A request for confidential communication of protected health information.
- (3) A request for access to protected health information.
- (4) A request to amend protected health information.
- (5) A request for accounting of disclosures.

b. The privacy officer or facility shall assist the subject in making the appeal, if needed.

c. Appeals shall be:

(1) Mailed to the Appeals Section, Fifth Floor, Iowa Department of Human Services, 1305 E. Walnut Street, Des Moines, Iowa 50319-0114; or

(2) Submitted electronically at www.dhs.state.ia.us/appeals.asp.

9.14(8) Record retention. Notwithstanding any other department rule to the contrary, protected health information shall be retained for at least six years from the date of creation or the date when the information last was in effect, when required by 45 CFR 164.530, paragraph "j," as amended to August 14, 2002.

441—9.15(17A,22) Person who may exercise rights of the subject.

9.15(1) Adults. When the subject is an adult, including an emancipated minor, the subject's rights under this rule may also be exercised by the subject's legal or personal representative, except as provided in subrule 9.15(3).

9.15(2) Minors. Within the limits of subrule 9.15(3), when the subject is an unemancipated minor, the subject's rights under this rule shall be exercised only by the subject's legal representative, except as follows:

a. When the department otherwise deals with the minor as an adult, as in the case of minor parents under the family investment program.

b. When otherwise specifically provided by law. However, minor subjects shall be granted access to their own records upon request, subject to the limits in rule 441—9.9(17A,22).

9.15(3) Exceptions.

a. *Scope of authority.* Legal and personal representatives may act only within the scope of their authority. For protected health information, the designation must reflect the subject's ability to make health care decisions and receive protected health information. For example, court-appointed conservators shall have access to and authority to release only the following information:

- (1) Name and address of subject.
- (2) Amounts of assistance or type of services received.
- (3) Information about the economic circumstances of the subject.

b. *Mental health information.* Only an adult subject or a subject's legal representative may consent to the disclosure of mental health information. Records of involuntary hospitalization shall be released only as provided in Iowa Code section 229.24. Medical records of persons hospitalized under Iowa Code chapter 229 shall be released only as provided in Iowa Code section 229.25.

c. *Substance abuse information.* Only the subject may consent to the disclosure of substance abuse information, regardless of the subject's age or condition.

d. *Failure to act in good faith.* If the department has reason to believe that the legal or personal representative is not acting in good faith in the best interests of the subject, the department may refuse to release information on the authorization of the legal or personal representative.

e. *Abuse, neglect, and endangerment situations.* Notwithstanding a state law or any other requirement of this chapter, the department, in the exercise of professional judgment, may elect not to treat a person as a subject's personal representative if:

- (1) The department has reason to believe that the subject has been or may be subjected to domestic violence, abuse, or neglect by the person; or
- (2) The department has reason to believe that treating the person as a personal representative could endanger the subject.

f. *Protected health information.* A parent, guardian, or other person acting in place of a parent who does not represent the minor for protected health information may still access protected health information about the minor if required by law.

g. *Deceased subjects.* If, under applicable law, an executor, administrator, or other person has authority to act on behalf of a deceased subject or of the subject's estate, the department shall treat that person as a personal representative.

h. *Other.* If, under applicable law, the subject of a confidential record is precluded from having a copy of a record concerning the subject disclosed to a third party, the department shall not treat the third party as a personal representative.

These rules are intended to implement Iowa Code sections 17A.3, 22.11, 217.6 and 217.30, Iowa Code chapters 228 and 252G, and the Health Insurance Portability and Accountability Act of 1996.

CHAPTER 10
INDIVIDUAL DEVELOPMENT ACCOUNTS
Rescinded IAB 12/2/09, effective 11/10/09

CHAPTER 11
COLLECTION OF PUBLIC ASSISTANCE DEBTS
[Prior to 2/11/87, Human Services[498]]

PREAMBLE

These rules define the department's policies regarding the collection of public assistance debts. These rules outline what information must be maintained for each claim for an overpayment or other debt owed the department and how the payments are to be applied. These rules also outline the criteria for withholding part or all of federal or state refunds or other state payments owed to the debtor and how they are applied to the debtor's claim for payment of the debt.

441—11.1(217) Definitions.

"Current" shall mean that amount which is due and owing within the previous 12 months from the date of submission to the department of administrative services or that amount which is due and owing from the date the repayment agreement or court order is implemented, if less than 12 months, before the date of submission to the department of administrative services.

"Current repayment" shall mean that payment of the cumulative sum due and owing in accordance with a repayment agreement or court order for the preceding 12 months or the date of the order or agreement if the order or agreement is more recent.

"Debtor" shall mean a current or former recipient of public assistance that has been determined by the department to be responsible for the repayment of a particular debt. For food assistance, "debtor" shall include all adult members of the food assistance household participating at the time the food assistance overpayment or program violation occurred and shall include nonrecipients found guilty of violating food assistance program rules by committing an act such as, but not limited to, trafficking. For child care assistance, "debtor" may include the current or former provider or current or former recipient of child care assistance. For Medicaid, "debtor" shall include any Medicaid member or nonmember who fraudulently receives services or owes a debt of unpaid premium payments for medical assistance.

"Department" shall mean the department of human services.

"Public assistance" shall mean family investment program, food assistance, Medicaid, state supplementary assistance, PROMISE JOBS, child care assistance, refugee cash assistance, IowaCare, and HAWK-I program.

"Repayment agreement" shall mean an agreement entered into voluntarily between the department and the debtor for the repayment of debts. Agreements shall be made on Form 470-0495, Agreement to Pay a Debt, or on a notice of debt listed in subrule 11.2(2).

"Written notification" shall mean the notification sent to a debtor by the department on Form 470-1668, Notice of Setoff of an Iowa Income Tax Refund for Debts Owed the Department of Human Services, Form 470-4139, Notice of Income Offset Against State Warrants, and Form 470-4140, Notice of Income (Payroll) Offset.

[ARC 7829B, IAB 6/3/09, effective 7/8/09; ARC 9701B, IAB 9/7/11, effective 9/1/11]

441—11.2(217) Establishment of claim.

11.2(1) Accounts. The department shall maintain an account for each debt that has occurred. The account shall contain the following:

- a. A debtor name and account number.
- b. Program in which the debt occurred.
- c. Date the debt was discovered.
- d. Inclusive dates of the debt.
- e. Total dollar amount of each debt.
- f. Primary cause of the debt.
- g. Any transaction applied to this debt.

11.2(2) Notice of debt. A claim is established when the first notice of the debt is issued to the household on one of the following forms:

- a. Form 470-0338, Demand Letter for Food Assistance Agency Error Overissuance (no longer issued).
- b. Form 470-2616, Demand Letter for FIP/RCA Agency Error Overissuance (no longer issued).
- c. Form 470-2891, Notice of Medical Assistance Overpayment.
- d. Form 470-3486, Demand Letter for Food Assistance Intentional Program Violation Overissuance (no longer issued).
- e. Form 470-3487, Demand Letter for Food Assistance Inadvertent Household Error Overissuance (no longer issued).
- f. Form 470-3490, Demand Letter for FIP/RCA Client Error Overissuance (no longer issued).
- g. Form 470-3984, Notice of Healthy and Well Kids in Iowa (HAWK-I) Premium Overpayment.
- h. Form 470-3990, Demand Letter for PROMISE JOBS Agency Error Overissuance (no longer issued).
- i. Form 470-3991, Demand Letter for PROMISE JOBS Client Error Overissuance (no longer issued).
- j. Form 470-3992, Demand Letter for PROMISE JOBS Provider Error Overissuance (no longer issued).
- k. Form 470-4179, Notice of Food Assistance Debt.
- l. Form 470-4530, Notice of Child Care Assistance Overpayment.
- m. Form 470-4668, Notice of Food Assistance Overpayment.
- n. Form 470-4683, Notice of FIP or RCA Overpayment.
- o. Form 470-4688, Notice of PROMISE JOBS Overpayment.

11.2(3) *Change in debt.* An additional notice of debt shall be issued if a change occurs in the amount or period of the debt.

11.2(4) *Collection action.* No collection action shall be initiated on:

- a. A debt for which no notice of debt has been issued to the household.
- b. A debt that is in appeal status.
- c. A debt that is in suspended status due to an exception to policy.

[ARC 7829B, IAB 6/3/09, effective 7/8/09]

441—11.3(217) Application of payment. Payment shall be applied only to debts subject to collection pursuant to subrule 11.2(4).

11.3(1) *Application of payment to single program area.*

- a. If there is more than one debt in a program, payment shall be applied:
 - (1) First to all debts which have an agreement in chronological order of discovery, and
 - (2) Then to debts which do not have an agreement in chronological order of discovery until all debts have been paid in full or the full payment amount has been exhausted.
- b. For food assistance, payment shall be applied first to all debts with an agreement and then to debts without an agreement. Within those two groupings, payment shall be applied in the following order:
 - (1) First to state-only debts in chronological order of discovery,
 - (2) Then to intentional program violation (IPV) debts in chronological order of discovery,
 - (3) Then to inadvertent household error (IHE) debts in chronological order of discovery, and
 - (4) Then to agency error debts in chronological order of discovery.

11.3(2) *Application of payment to multiple program areas.* If there are debts in more than one program area of public assistance, payments received shall be applied to those program areas as indicated by the mode of repayment (food assistance benefits, FIP benefits) or as indicated by the client at the time of payment.

11.3(3) *Application of undesignated cash payment.* If an undesignated cash payment is received, it shall be applied to each program area proportionally based on the cumulative balance of all debts in all program areas combined.

11.3(4) *Application of payment prohibited.* Rescinded IAB 11/7/07, effective 11/1/07.

441—11.4(217) Setoff against state income tax refund, rebate, or other state payments, including, for example, state employee wages.**11.4(1) Criteria for setoff.**

a. A claim against a debtor may be made by the department for public assistance debts when:

(1) A debtor has failed to negotiate a repayment agreement for that program area of public assistance, or

(2) A repayment agreement is not current, and

(3) The cumulative balance of the applicable debts in 11.4(1)“a”(1) and (2) exceeds \$50.

b. A claim against a debtor will not be made by the department for debts when:

(1) The debt is in suspended status due to an exception to policy or is in an appeal status, or

(2) The debt is being recovered through grant or benefit reduction.

11.4(2) Frequency of submission. The department shall submit to the department of administrative services twice each month a list of those debtors who have a debt meeting the criteria in subrule 11.4(1).

11.4(3) Pre-setoff notice. The department shall mail written notification to a debtor to inform the debtor of the amount the department intends to claim and apply to debts in each program when:

a. The department is notified by the department of administrative services that the debtor is entitled to a state income tax refund, rebate, or other state payment;

b. The department makes claim against the debtor.

11.4(4) Method for division of joint payments. When either spouse wishes to request a division of a jointly or commonly owned right to payment, a written request shall be submitted to the department within 15 days after the written notification is mailed. When the request is received within the 15-day limit, the spouse’s proportionate share of a jointly or commonly owned right to payment, as determined by the department of administrative services, shall be released by the department of administrative services unless:

a. Other claims are made on that portion of the jointly or commonly owned right to payment, or

b. That spouse was also a member of the same household and the spouse’s income and resources were or should have been considered in the calculation of public assistance.

11.4(5) Appeal rights. When a debtor wishes to contest the claim of the department, a written request shall be submitted to the department within 15 days after the written notification is mailed. When the request is received within the 15-day limit, a hearing shall be granted pursuant to rules in 441—Chapter 7.

a. If the department is upheld in the final decision, the setoff process shall continue and the refund, rebate, or other state payment shall be applied to the appropriate delinquent debts.

b. If the department is reversed in the final decision, the debtor’s refund, rebate, or other state payment shall be released to the debtor by the department of administrative services.

11.4(6) Debt setoff. If the department has not received a request for an appeal hearing or a request for division of a jointly or commonly owned right to payment within 15 days after the date the written notification is mailed, the department shall notify a debtor of the final decision regarding the claim by mailing the Debt Setoff Credit Letter, Form 470-1667, to the debtor.

11.4(7) Application of setoff. The department shall apply any setoff received from the department of administrative services as a result of this rule to the debtor’s debts as indicated on the written notification mailed to the debtor and in accordance with rule 441—11.3(217).

Any amount remaining after the setoff shall be released back to the individual.

441—11.5(234) Setoff against federal income tax refund or other federal payments, including, for example, federal employee wages.**11.5(1) Criteria for setoff.**

a. Debtors not participating in the food assistance program shall be subject to collection action through the treasury offset program (TOP) which includes, but is not limited to, federal salary offset and federal tax refund offset.

(1) Debtors shall be referred to TOP if they are delinquent in repaying their food assistance debt and there is a claim or combination of claims with an unpaid balance which exceeds \$25.

(2) No claim which is less than three months old or more than ten years old as of January 31 of the offset year shall be referred. EXCEPTION: Claims which have had a final judgment entered are not subject to the ten-year time limit.

(3) Debtors are delinquent in repaying their food assistance debt if:

1. A repayment agreement has not been signed and 120 days have elapsed since the due date of the demand letter as defined in 441—subrule 65.21(4) minus any days the claim was not subject to collection action because of an appeal.

2. A repayment agreement has been signed but the debtor has failed to make the agreed-upon payments and has failed to make up the missed payments. The debtor shall be referred to TOP when 120 days have elapsed since the first of the month following the month that the debtor failed to make the agreed-upon payment and has not subsequently made up the missed payment.

b. A claim against an individual will not be referred to TOP by the department of inspections and appeals (DIA) for debts when:

(1) The debt is in suspended status due to an exception to policy or is in an appeal status, or

(2) The debt is being recovered through benefit reduction.

11.5(2) *Setoff under TOP.* DIA shall, by December 1 of each year, submit a notification of liability for delinquent claims to the Department of the Treasury.

11.5(3) *Pre-setoff notice.* DIA shall mail Form 470-3488, Treasury Offset Program (TOP) 60-Day Notice, to a debtor identifying the amount the department intends to refer to TOP for offset.

11.5(4) *Offset fee.* For each offset that the Treasury Department effects against an individual referred to TOP, Treasury will charge the individual a fee.

11.5(5) *Appeal rights.* When an individual wishes to contest the delinquent status of a claim as identified by DIA, a written request shall be submitted to DIA within 60 days of the date of the pre-offset notice. When the request is received within the 60-day limit, a review shall be granted.

DIA shall determine if the claim is past due and legally enforceable and shall notify the individual in writing of the decision.

11.5(6) *Application of setoff.* DIA shall apply any setoff received as a result of this rule to the individual's food assistance debts.

Any amount remaining after the setoff shall be released back to the individual.

[ARC 2884C, IAB 1/4/17, effective 12/14/16]

These rules are intended to implement Iowa Code sections 217.34, 234.12, 239B.14, and 249A.5.

CHAPTER 12
VOLUNTEER SERVICES
[Prior to 2/11/87, Human Services[498]]

PREAMBLE

The department of human services' volunteer program is designed as a method of enhancing services provided to Iowans who reside in state institutions and to those who experience personal economic and social problems in order to relieve their constraining conditions and develop and enhance their individual productivity and family life.

Examples of roles volunteers assume include parent aides, friendly visitors, commodity distributors, clerical assistants, and medical transporters. The program allows services to be delivered in a manner most appropriate for individual counties and institutions, recognizing that the needs for volunteer services vary from county to county and from institution to institution.

441—12.1(234) Definition. “Volunteer” means a person registered with the department who provides services to clients without wages.

441—12.2(234) Allocation of block grant funds. Volunteer services in the eight department districts are funded with federal social services block grant funds and state-appropriated funds. An equal amount of money is allocated to each district. Costs incurred in providing volunteer services to the department's nine institutions are included in the institution's budgets and are not block grant funds.

The districts enter into administrative support contracts either with individuals or agencies to recruit volunteers to assist the department in service delivery. Rules governing these contracts are found in rule 441—150.5(234).

441—12.3(234) Requirements for volunteers.

12.3(1) Individuals wanting to become volunteers for the department must complete Form 470-0649, Volunteer Application, to apply, and Form 470-2347, Volunteer Registration, upon approval. Groups wanting to become volunteers must complete Form 470-2071, Volunteer Group Application and Registration.

12.3(2) Prospective volunteers must agree to have the references they list on the application checked by the department.

12.3(3) Volunteers must attend orientation and training for the volunteer position.

12.3(4) All volunteers must comply with the confidentiality requirements of the department. Breach of confidentiality is a violation of the criminal law and reason for immediate termination as a departmental volunteer.

12.3(5) The volunteers are expected to adhere to the general rules and regulations in the local offices in which they may be working, such as hours of work and completing reports. Failure to comply with the rules and regulations may lead to dismissal as a volunteer.

441—12.4(234) Volunteer service programs. Programs for the use of volunteer services may be established by the district administrator, county director, and institution superintendent or their designees to broaden and strengthen the delivery of services to department clients. Volunteers may be used to supplement, but not to take the place of, personnel whose services are obtained through the usual employment procedures.

441—12.5(234) Services and benefits available to volunteers.

12.5(1) Volunteers are entitled to liability protection on the same basis as state employees under Iowa Code chapter 669.

12.5(2) Volunteers may also be provided other benefits which would be set forth in the district's volunteer contract or in the institution's volunteer handbook.

These rules are intended to implement Iowa Code section 234.6.

[Filed 12/12/85, Notice 10/23/85—published 1/1/86, effective 3/1/86]

[Filed emergency 1/15/87—published 2/11/87, effective 1/15/87]

[Filed 11/25/87, Notice 9/23/87—published 12/16/87, effective 2/1/88]
[Filed 12/13/90, Notice 10/31/90—published 1/9/91, effective 3/1/91]

CHAPTER 13
PROGRAM EVALUATION

PREAMBLE

The purpose of this chapter is to define the methods and procedures used by the department to provide a systematic method for measuring the validity of the eligibility determinations in the aid to dependent children (ADC), food stamp, and Medicaid programs; to provide a basis for establishing state agency liability for errors that exceed the national standard and state agency eligibility for enhanced funding; and to provide program information which can be used by the department in determining a corrective action plan to ensure the rules and regulations are implemented in accordance with the ADC, food stamp and Medicaid rules.

441—13.1(234,239B,249A) Definitions.

“*Active case*” means a case that was receiving assistance for the month of review.

“*Case record*” means the record used to establish a client’s eligibility.

“*Client*” means a current or former applicant or recipient of aid to dependent children, food stamps, or Medicaid.

“*Collateral contact*” means a source of information which can be used to verify the client’s circumstances.

“*Department*” means the Iowa department of human services.

“*Field investigation*” means a contact involving the public or other agencies to obtain information about the client’s circumstances for the appropriate month of review.

“*Local agency*” means the local or district office of the department.

“*Month of review*” means the specific calendar or fiscal month for which the assistance under review is received.

“*Negative case*” means a case that was terminated or denied assistance for the month of review.

“*Public assistance programs*” means those programs involving federal funds, i.e., aid to dependent children, food stamps, Medicaid.

“*Random sample*” means a systematic (or every nth unit) sample drawn monthly for which each item in the universe has an equal probability of being selected. Sample size is determined by federal guidelines.

“*State policies*” means the rules and regulations used by the local agency to administer the aid to dependent children, food stamp, and Medicaid programs.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, and 249A.4.

441—13.2(234,239B,249A) Review of public assistance records by the department.

13.2(1) Authorized representatives of the department shall have the right to review case records to determine the following:

a. If the client has provided complete, correct and accurate information to the local agency to be used in the determination of the assistance benefits.

b. If the local agency has correctly administered the state policies in determination of assistance for the public assistance programs.

c. Whether overpayments or underpayments have been made correctly to the public assistance client during the month of review.

d. If there is indication of fraudulent practice or abuse of the public assistance programs by either the client or local agency.

13.2(2) All pertinent case records within the department may be used by the reviewer to assist in substantiating an accurate reflection as to the correctness of the assistance paid to the client.

This rule is intended to implement Iowa Code sections 234.12, 239B.4 and 249A.4.

441—13.3(234,239B,249A) Who shall be reviewed. Any active or negative public assistance case may be reviewed at any time at the discretion of the department based upon a random sample to:

13.3(1) Ensure federal and state requirements for quality control are met.

13.3(2) Detect error prone case issues to assist in corrective action.

13.3(3) Maintain public assistance program integrity.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, and 249A.4.

441—13.4(234,239B,249A) Notification of review. On positive case actions, clients shall be notified, either orally or in writing, that their case has been selected for review. The client will be contacted in a negative case only if a discrepancy exists which cannot be resolved from the case record.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, and 249A.4.

441—13.5(234,239B,249A) Review procedure. The department will select the appropriate method of conducting the review. Review procedures may include, but are not limited to, the following:

13.5(1) A random sampling of active and negative case actions shall be used to determine the case records to be studied.

13.5(2) The case record shall be analyzed for discrepancies, correct application of policies and procedures and shall be used as the basis for a field investigation.

13.5(3) Client interviews shall be required as follows:

a. Personal interviews are required on all active aid to dependent children and food stamp reviews. Form 470-1065, Appointment Confirmation, may be sent to the client requesting written confirmation of the appointment time.

b. In lieu of the personal interview, Medicaid clients or their representatives are required to provide all information requested on Form 470-1633, Medicaid Questionnaire.

c. Client contacts are only required in negative case reviews when there is a discrepancy which cannot be resolved from the case record.

13.5(4) Collateral contacts are required whenever the client is unable to furnish information needed or the reviewer needs additional information to establish the correctness of eligibility and payment. The following forms shall be used to contact the collateral source in order to verify information specified below. The collateral contact shall complete the requested information and return the form to the reviewer.

a. The client shall not be required to give written permission of the following collateral contacts:

(1) Absent Parent Questionnaire, Form 470-0457, sent to the absent parent in order to determine whether or not the absent parent had provided any income to or had any resources for the client or children which would have affected the review month.

(2) Grandparent Questionnaire, Form 470-1643, sent to the child(ren)'s grandparents to determine whether or not the grandparents had provided any income or had any resources for the client or child(ren) which would have affected the review month.

(3) Motor Vehicle Information Request, Form 470-1634, used to determine whether or not the client had any registered vehicles.

(4) Property Verification Request, Form 470-1641, used to determine whether or not the client had any recorded property.

(5) Application for Confidential Verification of Vital Statistics, Form 470-0474, used to verify birth, death, and marital status when the event took place in Iowa.

(6) Address Information Request, Form 470-0176, used to contact the post office to determine a person's mailing address.

(7) Facility Questionnaire, Form 470-0100, used in Medicaid cases to determine information concerning a client's stay in a facility.

(8) Parent Questionnaire for Foster Children, Form 470-2014, used to contact the natural parents of the foster care child to determine the resources and income of the child.

(9) Foster Parent Questionnaire, Form 470-2013, used to contact the foster parents of the foster child to determine any resources and income of the child.

(10) Child Support Verification Request, Form 470-2009, used to contact the clerk of court or the friend of court in order to determine if child support or alimony was paid.

b. The client shall be required to sign the following specified release of information forms whenever necessary to verify information essential to the determination of eligibility and payment:

(1) Household Member Questionnaire, Form 470-1630, used to obtain information concerning a client's household composition.

(2) Landlord Questionnaire, Form 470-1632, used to contact the client's landlord.

(3) Financial Institution Questionnaire, Form 470-1631, used to verify information from a financial institution.

(4) Request for School Verification, Form 470-1638, used to verify information in the child(ren)'s school records.

(5) Earned Income Verification, Form 470-1639, used to verify information concerning a client's employment.

(6) Verification of Educational Financial Aid, Form 470-1640, used to verify information from an institution of higher learning.

(7) Authorization for Release of Information, Form 470-0461, used whenever it is necessary to verify information which is not covered by a specific release in order to establish the correctness of eligibility and payment.

c. Should the client refuse to authorize the department to contact an informant to verify information that is necessary for the completion of the review, collateral contacts shall still be made through use of the general release statement contained in the:

(1) Health and Financial Support Application, Form 470-0462 or 470-0466 (Spanish);

(2) Health Services Application, Form 470-2927 or 470-2927(S);

(3) Public Assistance Eligibility Report, Form 470-0454, 470-0455, or 470-3719(S);

(4) Application for Food Assistance, Form 470-0306 or 470-0307 (Spanish);

(5) Review/Recertification Eligibility Document, Form 470-2881, 470-2881(M), 470-4083 (Spanish), or 470-4083(M);

(6) Food Assistance Interim Report, Form 470-4026, 470-4026(M), or 470-4026(S).

13.5(5) On aid to dependent children and Medicaid reviews, the quality control reviewer shall seek to identify potential third-party payment resources for health services in noncasualty situations, and to identify accidents that occurred prior to or during the review month.

This rule is intended to implement Iowa Code sections 234.12, 239B.4 and 249A.4.

441—13.6(234,239B,249A) Failure to cooperate. Client cooperation with quality control is a program eligibility requirement as set forth in 441—subrule 40.7(4), paragraph “d,” and rules 441—65.3(234) and 441—76.8(249A). When quality control determines that the client has refused to cooperate with the review process, the client is no longer eligible for the program benefits and will not be eligible for the program benefits until the client has cooperated.

This rule is intended to implement Iowa Code sections 234.12, 239B.4 and 249A.4.

441—13.7(234,239B,249A) Report of findings. The quality control review findings are utilized by the department in the following ways:

13.7(1) The local agency will use the findings in taking the appropriate case actions where an overpayment or underpayment has been found in a client's case record.

13.7(2) The department will use the overall findings to identify error prone program issues to be used in planning their corrective action plan.

13.7(3) The department will use the findings of the overall sample period to determine the error rate used to establish state agency liability or enhanced funding.

This rule is intended to implement Iowa Code sections 234.12, 239B.4 and 249A.4.

441—13.8(234,239B,249A) Federal rereview. A sample of the cases selected by the department for review will also be reviewed by the applicable federal agency to determine the correctness of the department's review of the case.

[Filed 3/26/87, Notice 1/28/87—published 4/22/87, effective 6/1/87]

[Filed emergency 10/10/03—published 10/29/03, effective 11/1/03]
[Filed emergency 11/16/05—published 12/7/05, effective 12/1/05]

CHAPTER 14
OFFSET OF COUNTY DEBTS OWED DEPARTMENT

PREAMBLE

These rules provide a process for the department (1) to identify counties that owe liabilities to the department and (2) to cooperate with the department of administrative services for offsetting the counties' claims against state agencies with the liabilities which those counties owe the department. The process for identifying counties that owe liabilities and the process for offset each include notice and opportunity to be heard.

441—14.1(217,234) Definitions.

“Department” means the Iowa department of human services.

“Director” is the director of the Iowa department of human services.

“Liability” or *“debt”* means any liquidated sum due and owing to the department which has accrued through contract, subrogation, tort, operation of law, or any legal theory regardless of whether there is an outstanding judgment for that sum. Before setoff, the amount of a county's liability to the department shall be at least \$50.

“Offset” shall mean to set off or compensate the department which has a legal claim against a county where there exists a county's valid claim on a state agency that is in the form of a liquidated sum due, owing and payable. Before setoff, the amount of a county's claims on a state agency shall be at least \$50. The offset process shall not begin until the department has responded in writing to the county's request to resolve the unpaid bill.

441—14.2(217,234) Identifying counties with liabilities.

14.2(1) *Notice to county regarding liability.* When a bill to the county remains unpaid 60 calendar days following the date of the bill, the county shall be given written notice by the department. This notice shall:

- a. State the amount due, the name of the patient or client, and the dates of service.
- b. State the department's intent to use the offset program as provided in department of administrative services rules 11—Chapter 40.
- c. Require the county to send a written request for review to the division of fiscal management within 30 calendar days of the date of notification if the county disputes the bill.

14.2(2) *Request for administrative review.* The county may request an administrative review by providing to the division of fiscal management within 30 calendar days of the date of the notice of liability a written response that states why the county disagrees with the amount owed. The county shall provide any relevant legal citations, client identifiers, and any additional information supporting the county's position.

14.2(3) *Administrative review.* The division of fiscal management shall review within 30 calendar days of receipt of the written request the basis for the bill and the county's position as stated in the written request for review. The division of fiscal management shall notify the county of the findings of the review in writing within 30 days of receipt of the written request.

- a. The division shall make the necessary adjustments to subsequent billings sent to the county when the division agrees with the county's position regarding the liability and shall so notify the county.
- b. Any further disputes concerning the amount due shall be addressed when the offset notice is issued pursuant to rule 441—14.4(217,234).

441—14.3(217,234) List of counties with amounts owed.

14.3(1) *Notification to department of administrative services.* The division of fiscal management shall provide to the department of administrative services a list of the counties with amounts owed as established through rule 441—14.2(217,234). This list shall be maintained by the department of administrative services in a liability file.

14.3(2) Notification of change. The division of fiscal management shall notify the department of administrative services of any change in the status of a debt in the liability file within 30 calendar days from the occurrence of the change.

14.3(3) Certification of file. The division of fiscal management shall certify the file to the department of administrative services semiannually in a manner prescribed by the department of administrative services.

441—14.4(217,234) Notification to county regarding offset.

14.4(1) Notice. The division of fiscal management shall send notification to the county within ten calendar days from the date the department of administrative services notifies the division of a potential offset. This notification shall include:

- a. The department's right to the payment in question.
- b. The department's right to recover the payment through this offset procedure.
- c. The basis of the department's case in regard to the debt.
- d. The right of the county to request the split of the payment between parties when the payment in question is jointly owned or otherwise owned by two or more persons.
- e. The county's right to appeal the offset pursuant to 441—Chapter 7.
(1) and (2) Rescinded IAB 8/7/02, effective 9/11/02.
- f. Rescinded IAB 2/5/03, effective 2/1/03.
- g. The telephone number for the county to contact in the case of questions.

14.4(2) Copy of notice. The department of administrative services may require a copy of this notice be sent to it.

14.4(3) Appeal request.

- a. The county shall have 30 days to request an appeal. The county shall waive any right to appeal if the county fails to respond within 30 calendar days of the date of the notification.
- b. The request for appeal should include any relevant legal citations and any additional information supporting the county's position. If the county believes it has provided all relevant information as a part of the disputed-billing process, the county may instead note that the department already has the relevant information.
- c. The county's request for appeal shall suspend the offset action until a final appeal decision is issued.

441—14.5(217,234) Implementing the final decision. When the final decision issued pursuant to rule 441—7.16(17A) upholds the department's action or modifies the amount of offset, the division of fiscal management shall certify to the department of administrative services that the requirements for offset under Iowa Code section 8A.504 have been met. When the final decision reverses the department's action, the division of fiscal management shall notify the department of administrative services to release the offset.

14.5(1) and 14.5(2) Rescinded IAB 8/7/02, effective 9/11/02.

441—14.6(217,234) Offset completed.

14.6(1) Offset implemented. The department of administrative services shall make the offset as prescribed in rule 11—40.7(8A).

14.6(2) Notification to county. Once the offset has been completed, the division of fiscal management shall notify the county of the action taken along with the balance, if any, still due to the department.

14.6(3) Duty of the department. The department shall pay to the county any payment offset by the department of administrative services to which the department is not entitled, in accordance with established procedures.

These rules are intended to implement Iowa Code sections 217.6 and 234.6.

¹ Effective date of amendments to 14.2 to 14.6 delayed 70 days by the Administrative Rules Review Committee at its meeting held September 10, 2002.

CHAPTER 15
RESOLUTION OF LEGAL SETTLEMENT DISPUTES

These rules provide a mechanism for resolution of legal settlement disputes related to county liability for the cost of care provided in a state mental health institute, in a state resource center, or through the state medical assistance program. When a county and the department cannot agree on a legal settlement determination, the matter shall be resolved through a contested case hearing before an administrative law judge.

441—15.1(225C) Definitions. The following definitions apply within this chapter.

“*Certification*” means the process of accepting or rejecting a determination of legal settlement, as defined in rules 441—29.4(230) and 441—30.3(222).

“*Department*” means the Iowa department of human services.

“*Legal settlement*” means a person’s status as defined in Iowa Code sections 252.16 and 252.17.

“*Notice*” or “*notification*” includes written or electronic mailing.

“*Services*” means mental health, mental retardation, developmental disability, brain injury, or substance abuse services.

“*State case*” means a person who does not have a county of legal settlement as defined in Iowa Code sections 252.16 and 252.17.

441—15.2(225C) Assertion of legal settlement dispute.

15.2(1) Notification of dispute.

a. By county. A county shall provide written notice of dispute to the department when the county objects to a billing for services rendered on or after July 1, 2004, that are a county obligation under Iowa Code chapter 222, 230, or 249A or objects to a certification of legal settlement made by the department or another county.

(1) The county shall provide the notice within 120 days of receipt of the billing or certification. A billing shall be considered received 5 days after mailing by the department, unless the county affirmatively shows that the billing was received later. If notification of a dispute does not occur within 120 days of the receipt date, the dispute shall not be eligible for resolution pursuant to subrule 15.3(2).

(2) The notice of dispute may be mailed to Administrator, DHS Division of Fiscal Management, 1305 E. Walnut Street, Des Moines, Iowa 50319-0114; faxed to (515)281-6237; or sent by E-mail to LegalSettlementCases@dhs.state.ia.us.

(3) When a county asserts that a person has legal settlement in another county, the written notice of dispute shall also be given to that county at the same time as notice is given to the department.

b. By department. Within 120 days of receipt of a certification of a legal settlement, the department shall notify all affected counties when the department objects to the certification of legal settlement.

15.2(2) Supporting evidence. A notification of a legal settlement dispute pursuant to subrule 15.2(1) shall be accompanied by evidence supporting the determination. The evidence shall include all available information used to make a determination of legal settlement as defined in Iowa Code sections 252.16 and 252.17.

a. Supporting evidence shall include, but need not be limited to:

(1) The current and former addresses of the person, including the dates for the period when the person resided at each address;

(2) The person’s current services and service history, including the name and location of the provider and the dates when services were received;

(3) The history of addresses and services received by the person’s custodial parent or guardian (when the person takes the legal settlement of the custodial parent or guardian as defined in Iowa Code section 252.16);

(4) Copies of any court orders affecting a minor’s custody or guardianship; and

(5) Any other information needed to make a determination of legal settlement.

b. Copies of the following forms may be submitted as supportive evidence, if properly completed:

- (1) Form 470-3439, Legal Settlement Worksheet.
- (2) A county central point of coordination application.
- (3) Form 470-4160, Notice of Court Action on Mental Health Hospitalization.

c. If a county asserts that a person's legal settlement is unknown so that the person is deemed a state case, the county that makes the assertion shall provide documentation of all attempts made by the county to ascertain the facts necessary to make a legal settlement determination. Documentation shall include:

- (1) Information about each person contacted during the investigation, including the person's name, address, telephone number, and E-mail address if available;
- (2) The information obtained during the investigation; and
- (3) Identification of the person conducting the investigation.

[ARC 8341B, IAB 12/2/09, effective 11/10/09]

441—15.3(225C) Response to dispute notification.

15.3(1) *Verification of receipt.* Within 45 days of receipt of a notification of dispute, the department and the county shall each verify the date of receipt by responding to the party providing the notification.

15.3(2) *Failure to resolve dispute.* Any of the affected counties or the department may request a contested case hearing conducted under Iowa Code chapter 17A if:

- a. The dispute is not resolved within 90 days of receipt of the notification of dispute; or
- b. The affected counties and the department agree at any time that the dispute cannot be resolved within the 90-day period.

15.3(3) *Preparation of motion.* The party requesting the contested case hearing shall:

- a. Prepare a written motion that the matter be referred to the department of inspections and appeals for a contested case hearing; and
- b. Submit copies to all affected counties and the department's division of fiscal management.

15.3(4) *Response to motion.* The division of fiscal management shall certify the matter to the department of inspections and appeals, division of appeals, for a contested case hearing by an administrative law judge to determine the person's legal settlement status.

15.3(5) *Motion not submitted.* If a party does not submit a motion for a contested case hearing within 120 days after receipt of the notification of dispute, the matter shall be closed and the person's legal settlement shall be in the county that was billed for services provided to the person.

441—15.4(225C) Contested case hearing. The determination of legal settlement by the administrative law judge is considered a final agency action.

15.4(1) *Application of hearing decision.* The decision of the administrative law judge shall include an order for payment for services as follows:

- a. If legal settlement is found to be with a county, the county shall pay amounts due for the person's services and shall reimburse the department or another county for amounts that were paid for the person's services before the issuance of the decision. If payment is not made within 45 days of the date of decision, a penalty may be applied pursuant to Iowa Code section 222.68, 222.75, or 230.22.
- b. If the person is deemed a state case, the department shall credit the county for any amounts paid for the person's services before the issuance of the decision. The credit shall be issued on a county billing no later than the end of the quarter following the date of decision.

15.4(2) *Judicial review.* Any of the parties may file an application for rehearing in accordance with Iowa Code section 17A.16(2). Judicial review of the determination may be filed in district court in accordance with Iowa Code section 17A.19. The party that does not prevail in the determination or in a judicial review is liable for costs associated with the proceeding. The costs of the judicial review process, including reimbursement of the actual costs to the department of inspections and appeals, shall be assessed against the losing party.

441—15.5(225C) Change in determination. If, after a determination of legal settlement by mutual agreement or by decision of an administrative law judge, additional evidence becomes available that could change the outcome of the determination, the procedures in rule 441—15.2(225C) apply.

15.5(1) The affected counties or the department may change the determination by mutual agreement.

15.5(2) A party may make a motion for reconsideration by the department of inspections and appeals.

These rules are intended to implement Iowa Code section 225C.8.

CHAPTER 22
AUTISM SUPPORT PROGRAM

PREAMBLE

These rules provide for definitions of diagnostic and financial eligibility, provider qualifications, and appeal procedures related to the autism support program created in 2013 Iowa Acts, Senate File 446, division XVII. The purpose of the autism support program is to provide funding for applied behavioral analysis services and care coordination for children with a diagnosis of autism who meet certain financial and clinical eligibility criteria.

[ARC 1329C, IAB 2/19/14, effective 4/1/14]

441—22.1(225D) Definitions.

“Administrator” means the entity selected by the department through a request for proposal process or other contractual arrangement to administer the autism support program.

“Applicant” means an individual on whose behalf an application has been submitted but who has not been identified as an eligible individual, or an individual who has received a denial of eligibility for the program.

“Applied behavioral analysis” or *“ABA”* means the same as defined in Iowa Code section 225D.1.

“Autism” means autism spectrum disorders as defined in Iowa Code section 514C.28.

“Autism service provider” means a person providing applied behavioral analysis, who meets both of the following criteria:

1. The person:

- Is certified as a behavior analyst by the Behavior Analyst Certification Board, is a psychologist licensed under Iowa Code chapter 154B, or is a psychiatrist licensed under Iowa Code chapter 148; or
- Is a board-certified assistant behavior analyst who performs duties, identified by and based on the standards of the Behavior Analyst Certification Board, under the supervision of a board-certified behavior analyst.

2. Is approved as a member of the provider network by the department.

“Autism support fund” or *“fund”* means the autism support fund created in Iowa Code section 225D.2.

“Autism support program” or *“program”* means the program created in Iowa Code section 225D.2 to provide funding for applied behavioral analysis and care coordination for eligible individuals with a diagnosis of autism.

“Clinically relevant” means medically necessary and resulting in the development, maintenance, or restoration, to the maximum extent practicable, of the functioning of an individual.

“Department” means the department of human services.

“Diagnostic assessment of autism” means medically necessary assessment, evaluations, or tests performed by a licensed child psychiatrist, developmental pediatrician, or clinical psychologist.

“Eligible individual” means a child less than 14 years of age who has been diagnosed with autism based on a diagnostic assessment of autism, is not otherwise eligible for coverage for applied behavioral analysis treatment or applied behavior analysis treatment under the medical assistance program, Iowa Code section 514C.28, Iowa Code section 514C.31, or private insurance coverage, and whose household income does not exceed 500 percent of the federal poverty level.

“Federal poverty level” means the most recently revised poverty income guidelines published by the United States Department of Health and Human Services.

“Household income” means household income, reported on the tax return on which the eligible individual is claimed as a dependent, as determined using the modified adjusted gross income methodology pursuant to Section 2002 of the federal Patient Protection and Affordable Care Act, Pub. L. No. 111-148. If the eligible individual’s parents live together and file separate tax returns, the income reported on both parents’ tax returns must be combined.

“*Household size*” means the total number of personal and dependent exemptions claimed on the tax return on which the eligible individual is claimed as a dependent plus any child under the age of 19 living in the household who is claimed for tax purposes by a noncustodial parent through a release of claim to exemption by the custodial parent.

“*Integrated health home*” means the same as defined in 441—subrule 78.53(1).

“*Maximum amount of treatment*” means a maximum of 24 months of applied behavioral analysis funded by the autism support program. Months of service are not required to be consecutive.

“*Maximum annual benefit*” means a maximum annual benefit amount of \$36,000 per year for autism support program services for an eligible individual. For the purposes of this program, the annual benefit is calculated by using as a starting date the date the first service is reimbursed by the program and an ending date 12 months from the starting date. Expenditures included in the calculation of the maximum annual benefit include reimbursements to autism service providers for provision of applied behavioral analysis and reimbursements to integrated health homes for costs of care coordination. Cost-sharing paid by the eligible individual is not included in the calculation of the individual’s annual benefit.

“*Medical assistance*” or “*Medicaid*” means assistance provided under the medical assistance program pursuant to Iowa Code chapter 249A and Title XIX of the Social Security Act.

“*Month of service*” means any month in which an individual receives at least one billable unit of applied behavioral analysis service funded by the autism support program.

“*Provider network*” means a network of autism service providers approved by the department to provide services to eligible individuals through the autism support program.

“*Regional autism assistance program*” or “*RAP*” means the regional autism assistance program created in Iowa Code section 256.35.

“*Treatment plan*” means a plan for the treatment of autism developed by a licensed physician or licensed psychologist pursuant to a comprehensive evaluation or reevaluation performed in consultation with the patient and the patient’s representative.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17; ARC 3057C, IAB 5/10/17, effective 7/1/17; ARC 3788C, IAB 5/9/18, effective 7/1/18]

441—22.2(225D) Eligibility and application requirements. To be determined eligible for funding for services through the autism support program, an individual must meet the following requirements:

22.2(1) An individual shall submit an application to the department using a standardized application form available through the administrator’s and the department’s websites, members of the provider network, the regional autism assistance program, and advocacy organizations.

22.2(2) An applicant for autism program services shall be less than the age of 14 at the time of application for the program. Proof of age must be provided at the time of application. An individual who reaches the age of 14 prior to receipt of the maximum benefits of the program may continue to receive services from the program in accordance with the individual’s treatment plan, up to a maximum of 24 months of applied behavioral analysis treatment.

22.2(3) An individual shall have a diagnosis of autism based on a diagnostic assessment of autism dated 24 months or less from the date of application for the program.

22.2(4) An individual shall be determined ineligible for coverage of applied behavioral analysis services under the medical assistance program, Iowa Code section 514C.28, Iowa Code section 514C.31, or other private insurance coverage. Proof of insurance coverage and noneligibility for coverage for applied behavioral analysis shall be provided at the time of application and shall include a written denial of coverage or a benefits summary indicating that the applied behavioral analysis treatment or applied behavior analysis treatment is not a covered benefit for which the applicant is eligible under the Medicaid program, Iowa Code section 514C.28, Iowa Code section 514C.31, or other private insurance coverage.

22.2(5) An individual shall have a household income equal to or less than 500 percent of the federal poverty level. Information needed to determine household income using modified adjusted gross income methodology shall be identified on the program application. Household size will be determined according to the standards in this chapter. The information shall be provided at the time of application.

22.2(6) The department shall provide to the parent or guardian a written notice of decision determining initial eligibility or denial within 30 calendar days of receipt of the application.

22.2(7) The department shall refer an applicant determined to be an eligible individual to care coordination services. The referral will occur within 5 business days of determination of eligibility for the program. Care coordination services will be provided by the University of Iowa regional autism assistance program (RAP) or an integrated health home. Eligible individuals who reside in counties where integrated health homes for children with a serious emotional disturbance are operational may choose to receive care coordination through the University of Iowa RAP program or an integrated health home that serves residents of the eligible individual's county of residence. Care coordination is not required as a condition of receiving services through the autism support program.

22.2(8) The department shall provide information to an applicant determined to be an eligible individual regarding all available administrators. The eligible individual may choose any available administrator.

22.2(9) The administrator shall maintain a list of individuals determined eligible for the program but unable to access services due to lack of available providers and shall work to connect eligible individuals on the list to network providers.

22.2(10) The department shall stop processing applications at the point where available funds are fully obligated for eligible individuals and additional eligible individuals would cause expenditures in excess of the funds available to the program. The department shall maintain a waiting list of individuals denied access to the program due to lack of available funds. If additional funds become available, the department shall contact individuals on the list in order of the earliest date and time of the receipt of the original application. The applicant shall be allowed 30 calendar days to submit an updated application and any required information needed to determine eligibility. If the applicant does not submit required information, the applicant will be denied eligibility and removed from the waiting list maintained for individuals denied access to the program due to lack of funding. The age of the applicant at the time of the most recent application will be used when determining eligibility for the program.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17; ARC 3788C, IAB 5/9/18, effective 7/1/18]

441—22.3(225D) Cost-sharing requirements and graduated schedule of cost sharing.

22.3(1) An individual with a household income equal to or greater than 200 percent of the federal poverty level, up to a maximum of 500 percent of the federal poverty level, shall be subject to cost-sharing requirements. Cost sharing shall be implemented incrementally up to a maximum of 15 percent of the costs of the services provided through the program for an individual with a household income equal to 500 percent of the federal poverty level. The following is a chart of the cost-sharing requirements:

Family income as a % of FPL	% of cost sharing of service costs	Family income as a % of FPL	% of cost sharing of service costs
200–209%	0.5%	350–359%	8.0%
210–219%	1.0%	360–369%	8.5%
220–229%	1.5%	370–379%	9.0%
230–239%	2.0%	380–389%	9.5%
240–249%	2.5%	390–399%	10.0%
250–259%	3.0%	400–409%	10.5%
260–269%	3.5%	410–419%	11.0%
270–279%	4.0%	420–429%	11.5%
280–289%	4.5%	430–439%	12.0%

Family income as a % of FPL	% of cost sharing of service costs	Family income as a % of FPL	% of cost sharing of service costs
290–299%	5.0%	440–449%	12.5%
300–309%	5.5%	450–459%	13.0%
310–319%	6.0%	460–469%	13.5%
320–329%	6.5%	470–479%	14.0%
330–339%	7.0%	480–489%	14.5%
340–349%	7.5%	490–500%	15.0%

22.3(2) An individual may request an exemption from cost sharing due to financial hardship. To qualify for an exemption, an individual shall submit written documentation to the department that the individual or the individual's family does not have the financial means to fulfill cost-sharing requirements.

22.3(3) Criteria to determine financial hardship include, but are not limited to, a change in income, change in employment of the parent or guardian, additional medical expenditures, other family members' health conditions, or other conditions which may affect the ability to fulfill cost-sharing requirements. The department shall provide a written determination regarding eligibility for exemption from cost-sharing requirements. Eligibility for exemption from cost sharing expires at the end of the financial eligibility period.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17]

441—22.4(225D) Review of financial eligibility, cost-sharing requirements, exemption from cost sharing, and disenrollment in the program.

22.4(1) An eligible individual's continued financial eligibility for the program, cost-sharing requirements, and exemption from cost sharing shall be determined on an annual basis.

22.4(2) The administrator shall request needed information from the eligible individual's parent or guardian for redetermination of financial eligibility, cost-sharing requirements, and exemption from cost sharing at least 30 days prior to the expiration of the eligible individual's eligibility period. The notice requesting information needed for renewal of eligibility shall include the ending date of eligibility for services.

22.4(3) The department shall provide a written notice of decision determining ongoing eligibility or denial within 15 calendar days of receipt of the continued financial eligibility documentation.

22.4(4) If the signed application and verification of continuing eligibility are not received by the department by the last working day of the renewal month, the individual's eligibility for the program shall be terminated.

22.4(5) Reasons for disenrollment in the autism support program include:

- a. Death of the eligible individual.
- b. The family no longer meets one or more of the eligibility criteria outlined in rule 441—22.2(225D).
- c. The parent or legal guardian has failed to provide information required for redetermination of eligibility.
- d. The eligible individual has failed to access authorized services for a period of three consecutive months and has not made arrangements with the autism service provider or administrator to access authorized services.

e. No funds are appropriated for the autism support program.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17]

441—22.5(225D) Initial service authorization and renewal of service authorization.

22.5(1) All services reimbursed through the program shall be prior-authorized by the administrator.

22.5(2) An autism service provider shall submit an initial treatment plan to the administrator specifying a plan of treatment for a period of no more than six months. The initial treatment plan shall

specify the amount of units of applied behavioral analysis services requested for the eligible individual and include a baseline standardized assessment score.

22.5(3) Family engagement and participation are required for participation in the autism support program. Treatment plans shall identify specific activities and responsibilities of parents or guardians in the treatment plan.

22.5(4) The treatment plan shall reflect the autism service provider's engagement with the school in which the eligible individual is enrolled. Treatment plans shall identify specific actions taken by the autism service provider to engage the eligible individual's school and the results of such actions.

22.5(5) The treatment plan may include services provided by staff with a minimum of a bachelor's degree in a human services or education field, working under the supervision of an autism service provider who is board-certified as a behavior analyst. The treatment plan shall identify which services shall be provided directly by the board-certified behavior analyst and which services shall be provided by staff under the supervision of a board-certified behavior analyst.

22.5(6) For renewal or modification of service authorizations, the autism service provider shall submit an updated plan of treatment with a request for the number of units of applied behavioral analysis the provider believes is medically necessary to address the eligible individual's ongoing treatment needs. The autism service provider shall also provide evidence of the eligible individual's progress on identified treatment goals. The administrator shall consider the eligible individual's updated standardized assessment score along with other clinical information when reviewing requests for renewal or modification of service authorizations. Ongoing service authorization requests shall not exceed six months in duration.

22.5(7) The administrator shall provide approval, request for modification, or denial within five business days of receipt of all service authorization requests.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17]

441—22.6(225D) Provider network. The administrator shall establish and maintain a network of department-approved autism service providers so that applied behavioral analysis services are available to eligible individuals statewide to the maximum extent possible.

22.6(1) A provider shall be approved to participate in the autism support program provider network if the provider meets one of the following standards in paragraph 22.6(1) "a," "b" or "c":

a. The autism service provider is certified as a behavior analyst by the Behavior Analyst Certification Board; or

b. The autism service provider is a psychologist licensed under Iowa Code chapter 154B; or

c. The autism service provider is a psychiatrist licensed under Iowa Code chapter 148; and

d. A provider shall be deemed eligible to participate in the autism support program provider network if the autism service provider meets the standards in paragraph 22.6(1) "a," "b" or "c" and the provider is approved to provide applied behavioral analysis services through Medicaid.

22.6(2) The administrator's provider network shall accept the rate established by the department through the department's contract with the administrator as payment in full for the services rendered and will not charge eligible individuals any additional fees for services rendered, except for those eligible individuals who are required to pay a portion of the cost of services due to cost-sharing requirements.

22.6(3) The department is responsible for calculating the cost-sharing amount according to standards established in this chapter.

22.6(4) The autism service provider is responsible for collecting the cost-sharing amount from the eligible individual and will only be reimbursed by the administrator for the balance of the service fee minus the amount of cost sharing.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17]

441—22.7(225D) Financial management of the program.

22.7(1) The department shall:

a. Not take new applications for the program that would cause expenditures of the program to exceed the budgeted amount.

b. Limit expenditure of program funds to services for those individuals determined to be eligible individuals and for related administrative costs.

c. Allocate available funds for eligible individuals' services in a manner that allows for funding for all eligible individuals' services authorized by the administrator without exceeding the department's funding limits.

22.7(2) The administrator shall:

a. Limit annual expenditures for each eligible individual to the amount identified in Iowa Code section 225D.2(2) "a."

b. Limit length of service through the program to the amount identified in Iowa Code section 225D.2(2) "b."

c. Limit payment for applied behavioral analysis services to an hourly or equivalent quarter-hour unit rate that is equal to the contracted rate currently paid by Medicaid for applied behavioral analysis services.

d. Limit payment for integrated health home services to an amount consistent with the monthly per-member per-month amount paid by Medicaid to approved providers of integrated health home services for children with a serious emotional disturbance.

e. Not provide financial compensation to the University of Iowa regional autism assistance program for care coordination services.

[ARC 1329C, IAB 2/19/14, effective 4/1/14; ARC 2816C, IAB 11/23/16, effective 1/1/17]

441—22.8(225D) Appeal. Notice of adverse action and right to appeal shall be given in accordance with 441—Chapter 7.

[ARC 1329C, IAB 2/19/14, effective 4/1/14]

These rules are intended to implement Iowa Code chapter 225D.

CHAPTER 23
MENTAL HEALTH AND DISABILITY SERVICES
REDESIGN TRANSITION FUND

PREAMBLE

This chapter provides rules for gathering information and guiding the development of recommendations to the governor and legislature for the mental health and disability services transition fund for state fiscal year 2013.

441—23.1(225C,84GA,SF2315) Definitions.

“*Commission*” or “*MHDS commission*” means the mental health and disability services commission.

“*County-operated program*” means services directly provided by county employees.

“*Current core county mental health and disability services*” means those services defined in the county management plan approved by the commission and effective as of June 30, 2012.

“*Department*” means the Iowa department of human services.

“*Documentation information and materials*” means source documents, worksheets, notes, or any written material used in completing the application for transition funds.

“*Independently verified*” means a signed written opinion of accuracy and reasonableness of financial information submitted in the application by the county auditor based on a review and verification of the documentation information and materials used to complete the application.

“*Subsidize*” means that the county provides additional funding for county-operated services over and above amounts reimbursed from third-party payers, including Medicaid or Medicare, or costs in excess of usual and customary charges for the service.

“*Sustainability plan*” means financial estimates and a description of estimates and assumptions used to ensure that services requested to be funded by the transition fund can and will continue when the transition fund is discontinued at the end of state fiscal year 2013.

“*Target population*” means an adult diagnosed with a mental illness as defined in Iowa Code section 4.1(21A) or an individual with an intellectual disability as defined in Iowa Code section 4.1(9A).

“*Transition fund*” means the mental health and disability services redesign transition fund that has been established pursuant to 2012 Iowa Acts, Senate File 2315, section 23, and, once funds have been appropriated, will provide one-time assistance in state fiscal year 2013 to support county continuation of current core county mental health and disability services to target populations not funded by Medicaid. [ARC 0346C, IAB 10/3/12, effective 9/11/12; ARC 0573C, IAB 2/6/13, effective 4/1/13]

441—23.2(225C,84GA,SF2315) Eligibility. A county is eligible for one-time transition funds in state fiscal year 2013, once transition funds are appropriated, if the county meets the following eligibility requirements. Each county shall:

1. Demonstrate that the county levy certified for its services fund under Iowa Code section 331.424A for state fiscal year 2013 is the maximum amount authorized by law.

2. Demonstrate that the county’s projected expenditures for state fiscal year 2013, excluding increased costs for county administration and subsidies for county-operated programs, are in excess of the county’s projected available funds for state fiscal year 2013.

3. Demonstrate that a reduction in the amount, scope, and duration of current core county mental health and disability services is necessary in the absence of transition funding.

4. Submit an application that meets the application requirements.

[ARC 0346C, IAB 10/3/12, effective 9/11/12; ARC 0573C, IAB 2/6/13, effective 4/1/13]

441—23.3(225C,84GA,SF2315) Application requirements. All of the following requirements must be met for a county to be eligible for transition funds.

23.3(1) The application must be:

a. Submitted using Form 470-5125, MHDS Transition Fund Application, prescribed by the department.

b. Completed with all forms and information.

c. Signed by the chairperson of the county board of supervisors, county auditor, and central point of coordination administrator.

d. Verified independently by the county auditor.

e. Delivered no later than 4:30 p.m. on November 1, 2012.

23.3(2) The application for transition funds must include the following current core county mental health and disability services information:

a. County eligibility criteria for an individual to receive county mental health and disability services.

b. A copy of the copay and sliding fee schedule as established in the county management plan.

c. A complete list of fees and copays that the county charges for each service provided.

d. The number of individuals who received non-Medicaid-funded services paid for by the county in state fiscal year 2012.

e. The projected number of individuals who will receive non-Medicaid-funded services paid by the county in state fiscal year 2013, state fiscal year 2014, and state fiscal year 2015.

23.3(3) The application for transition funds shall include actual unaudited county financial information for state fiscal year 2012 and projected county financial information for state fiscal year 2013, state fiscal year 2014, and state fiscal year 2015 reported on a cash basis.

a. Financial information regarding available funds.

(1) Amount of funds carried forward from the previous state fiscal year excluding any amount received from the risk pool in state fiscal year 2012.

(2) Amount of county funding levied and how amount of county funding levied compares with the maximum amount authorized by law.

(3) Amount of state fiscal year 2012 risk pool funds awarded to the county listed by the state fiscal year in which risk pool funds were or will be used, including an explanation of any amounts of state fiscal year 2012 risk pool funds that are projected to be returned.

(4) Amount of funding received in state fiscal year 2012 through the state payment program for non-Medicaid-funded services for individuals for whom legal settlement has not been determined, including this same amount for projected state fiscal year 2013, state fiscal year 2014, and state fiscal year 2015.

b. Financial information regarding expenditures.

(1) Amount for county administrative costs, excluding administrative costs of county-operated programs, determined using cost allocation methods consistent with principles contained in OMB Circular A-87.

(2) Total amount needed to pay for expenses due and owing that were incurred in previous state fiscal years including, but not limited to:

1. County administrative costs.

2. Provider payments including the cost of services for county-operated programs and excluding any costs that subsidize county-operated programs.

3. State charges for the cost of services listed by the state fiscal year in which the charge was incurred:

- Including the county's portion of the nonfederal share of Medicaid.

- Including the county's share of mental health institutes and state resource centers minus credits.

- Excluding any state charges that will be forgiven consistent with 2012 Iowa Acts, Senate File 2315, section 27.

(3) Amount paid to private service providers for non-Medicaid-funded services.

(4) Amount paid for non-Medicaid-funded county-operated programs including an allocation of administrative costs for such services consistent with principles contained in OMB Circular A-87 and excluding any amounts to subsidize county-operated programs.

(5) Service expenditures reported in subparagraphs 23.3(3) “b”(3) and (4) above shall be divided into the following eligibility categories:

1. Individuals in the target population whose income is equal to or less than 150 percent of the federal poverty level.
 2. Individuals in the target population whose income is greater than 150 percent of the federal poverty level.
 3. Individuals with a disability other than the target population whose income is equal to or less than 150 percent of the federal poverty level.
 4. Individuals with a disability other than the target population whose income is greater than 150 percent of the federal poverty level.
- c. The county shall retain the county’s documentation information and materials used to complete the application for transition funding and shall have this documentation information and materials available for review by the department or its designee.

23.3(4) For a county to be considered for transition funds, it must submit a sustainability plan that includes projected expenditures for state fiscal year 2014 and state fiscal year 2015 and a justification for the projections including:

- a. A description of the facts and assumptions used when estimating revenues and expenditures for state fiscal year 2013, state fiscal year 2014, and state fiscal year 2015.
- b. Identification of key steps that will be taken to ensure that the level of current core county mental health and disability services continues beyond state fiscal year 2013.
- c. An explanation of how the requested moneys will be used during the transition year to provide services in a manner that shall enable the county to continue to provide services at current levels in future years within the amount of funding the county has available.

[ARC 0346C, IAB 10/3/12, effective 9/11/12; ARC 0573C, IAB 2/6/13, effective 4/1/13]

441—23.4(225C,84GA,SF2315) Guidelines for the management of transition funds. This rule establishes guidelines for the department for the receiving, analyzing, recommending, and reporting of transition fund applications.

23.4(1) The department shall provide each county’s central point of coordination administrator and the county board of supervisors a set of rules for transition funds and a copy of the application form to be used for applying for transition funds.

23.4(2) The department shall only accept county applications that are complete, submitted on the required forms, properly signed, independently verified, and received by the department by 4:30 p.m. on November 1, 2012.

23.4(3) The department shall develop a recommendation regarding the amount of transition funding the county should receive to continue the current core county mental health and disability services. The department’s recommendation shall:

- a. Exclude projected costs that reflect an increase in the amount, scope, or duration of services above that provided in state fiscal year 2012 based on an analysis of the number of individuals served and the cost per individual in state fiscal year 2013, state fiscal year 2014, and state fiscal year 2015.
- b. Exclude increased costs of county administration above that expended in state fiscal year 2012.
- c. Include recommendations for adjustments based on a review of the county’s documentation information and materials.
- d. Include costs of current core county mental health and disability services that are in excess of available funds, excluding the costs as shown in paragraphs 23.4(3) “a” and “b” above.

23.4(4) The department’s report to the governor and the legislature on December 1, 2012, shall include:

- a. The names of counties that applied for transition funds.
- b. The department’s recommendation of the amount that the county shall receive to continue current core county mental health and disability services in state fiscal year 2013.
- c. The department’s opinion regarding whether or not the county has a viable sustainability plan.

[ARC 0346C, IAB 10/3/12, effective 9/11/12; ARC 0573C, IAB 2/6/13, effective 4/1/13]

441—23.5(225C,84GA,SF2315) Allocation of transition funds. The department shall allocate funds to eligible counties consistent with legislative appropriations. If the amount appropriated by the legislature for transition funds is insufficient to provide for the full cost recommended by the department, and the legislation does not state anything to the contrary, the department shall distribute funds based on the following priorities:

1. Individuals in the target population whose income is equal to or less than 150 percent of the federal poverty level.
2. Individuals in the target population whose income is greater than 150 percent of the federal poverty level.
3. Individuals with a disability other than the target population whose income is equal to or less than 150 percent of the federal poverty level.
4. Individuals with a disability other than the target population whose income is greater than 150 percent of the federal poverty level.

[ARC 0346C, IAB 10/3/12, effective 9/11/12; ARC 0573C, IAB 2/6/13, effective 4/1/13]

These rules are intended to implement Iowa Code chapter 225C and 2012 Iowa Acts, Senate File 2315, section 23, and 2012 Iowa Acts, Senate File 2336, sections 56 and 66.

[Filed Emergency ARC 0346C, IAB 10/3/12, effective 9/11/12]

[Filed ARC 0573C (Notice ARC 0348C, IAB 10/3/12), IAB 2/6/13, effective 4/1/13]

CHAPTER 24
ACCREDITATION OF PROVIDERS OF SERVICES TO PERSONS WITH MENTAL ILLNESS,
INTELLECTUAL DISABILITIES, OR DEVELOPMENTAL DISABILITIES

PREAMBLE

The mental health and disability services commission has adopted this set of standards to be met by all providers of services to people with mental illness, intellectual disabilities, or developmental disabilities. These standards apply to providers that are not required to be licensed by the department of inspections and appeals. These providers include community mental health centers, mental health services providers, case management providers, supported community living providers, and crisis response providers in accordance with Iowa Code chapter 225C.

The standards serve as the foundation of a performance-based review of those organizations for which the department holds accreditation responsibility, as set forth in Iowa Code chapters 225C and 230A. The mission of accreditation is to assure individuals using the services and the general public of organizational accountability for meeting best practices performance levels, for efficient and effective management, and for the provision of quality services that result in quality outcomes for individuals using the services.

The department's intent is to establish standards that are based on the principles of quality improvement and are designed to facilitate the provision of excellent quality services that lead to positive outcomes. The intent of these standards is to make organizations providing services responsible for effecting efficient and effective management and operational systems that enhance the involvement of individuals using the services and to establish a best practices level of performance by which to measure provider organizations.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

DIVISION I
SERVICES FOR INDIVIDUALS WITH DISABILITIES

PREAMBLE

This set of standards in this division has been established to be met by all providers of case management, day treatment, intensive psychiatric rehabilitation, supported community living, partial hospitalization, outpatient counseling and emergency services.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.1(225C) Definitions.

“Accreditation” means the decision made by the commission that the organization has met the applicable standards.

“Advanced registered nurse practitioner” means a nurse who has current licensure as a registered nurse in Iowa, or licensure in another state that is recognized in Iowa pursuant to Iowa Code chapter 152E, and who is also registered as certified in psychiatric mental health specialties pursuant to board of nursing rules in 655—Chapter 7.

“Advisory board” means the board that reviews and makes recommendations to the organization on the program being accredited. The advisory board shall meet at least three times a year and shall have at least three members, at least 51 percent of whom are not providers. The advisory board shall include representatives who have disabilities or family members of persons with disabilities. The advisory board's duties include review and recommendation of policies, development and review of the organizational plan for the program being accredited, review and recommendation of the budget for the program being accredited, and review and recommendation of the performance improvement program of the program being accredited.

“Anticipated discharge plan” means the statement of the condition or circumstances by which the individual using the service would no longer need each of the specific services accredited under this chapter.

“Appropriate” means the degree to which the services or supports or activities provided or undertaken by the organization are suitable and desirable for the needs, situation, or problems of the individual using the service.

“Assessment” means the review of the current functioning of the individual using the service in regard to the individual’s situation, needs, strengths, abilities, desires and goals.

“Benchmarks” means the processes of an organization that lead to implementation of the indicators.

“Chronic mental illness” means the condition present in people aged 18 and over who have a persistent mental or emotional disorder that seriously impairs their functioning relative to such primary aspects of daily living as personal relations, living arrangements, or employment. People with chronic mental illness typically meet at least one of the following criteria:

1. They have undergone psychiatric treatment more intensive than outpatient care more than once in a lifetime (e.g., emergency services, alternative home care, partial hospitalization or inpatient hospitalization).

2. They have experienced at least one episode of continuous, structured, supportive residential care other than hospitalization.

In addition, people with chronic mental illness typically meet at least two of the following criteria on a continuing or intermittent basis for at least two years:

1. They are unemployed, employed in a sheltered setting, or have markedly limited skills and a poor work history.

2. They require financial assistance for out-of-hospital maintenance and may be unable to procure this assistance without help.

3. They show severe inability to establish or maintain a personal social support system.

4. They require help in basic living skills.

5. They exhibit inappropriate social behavior that results in demand for intervention by the mental health or judicial system.

In atypical instances, a person who varies from these criteria could still be considered to be a person with chronic mental illness.

“Commission” means the mental health and disability services commission (MH/DS commission) as established and defined in Iowa Code section 225C.5.

“Community” means a natural setting where people live, learn, work, and socialize.

“Community mental health center” means an organization providing mental health services that is established pursuant to Iowa Code chapters 225C and 230A.

“Crisis intervention plan” means a personalized, individualized plan developed with the individual using the service that identifies potential personal psychiatric, environmental, and medical emergencies. This plan shall also include those life situations identified as problematic and the identified strategies and natural supports developed with the individual using the service to enable the individual to self-manage, alleviate, or end the crisis. This plan shall also include how the individual can access emergency services that may be needed.

“Deemed status” means acceptance by the commission of accreditation or licensure of a program or service by another accrediting body in lieu of accreditation based on review and evaluation by the division.

“Department” means the Iowa department of human services.

“Developmental disability” means a severe, chronic disability that:

1. Is attributable to a mental or physical impairment or combination of mental and physical impairments;

2. Is manifested before the age of 22;

3. Is likely to continue indefinitely;

4. Results in substantial functional limitations in three or more of the following areas of major life activity: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency; and

5. Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

A person from birth to the age of nine, inclusive, who has a substantial developmental delay or specific congenital or acquired condition may be considered to have a developmental disability without meeting three or more of the criteria described above if the person, without services and supports, has a high probability of meeting those criteria later in life.

"Direct services" means services providing therapy, habilitation, or rehabilitation activities or support services such as transportation.

"Division" means the division of behavioral, developmental, and protective services for families, adults, and children of the department of human services.

"Doctor of medicine or osteopathic medicine" means a person who is licensed in the state of Iowa under Iowa Code chapter 148 as a physician and surgeon or under Iowa Code chapter 150A as an osteopathic physician and surgeon.

"Functional assessment" means the analysis of daily living skills. The functional assessment also takes into consideration the strengths, stated needs, and level and kind of disability of the individual using the service.

"Goal achieving" means to gain the required skills and supports to obtain the goal of choice. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

"Goal keeping" means assisting the individual using the service in maintaining successful and satisfying role performance to prevent the emergence of symptoms associated with role deterioration. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

"Incident," for the purposes of this chapter, means an occurrence involving the individual using the service that:

1. Results in a physical injury to or by the individual that requires a physician's treatment or admission to a hospital, or
2. Results in someone's death, or
3. Requires emergency mental health treatment for the individual, or
4. Requires the intervention of law enforcement, or
5. Results from any prescription medication error, or
6. Is reportable to protective services.

"Indicators" means conditions that will exist when the activity is done competently and benchmarks are achieved. Indicators also provide a means to assess the activity's effect on outcomes of services.

"Informed consent" refers to time-limited, voluntary consent. The individual using the service or the individual's legal guardian may withdraw consent at any time without risk of punitive action. "Informed consent" includes a description of the treatment and specific procedures to be followed, the intended outcome or anticipated benefits, the rationale for use, the risks of use and nonuse, and the less restrictive alternatives considered. The individual using the service or the legal guardian has the opportunity to ask questions and have them satisfactorily answered.

"Intellectual disability" means a diagnosis of intellectual disability (intellectual developmental disorder), global developmental delay, or unspecified intellectual disability (intellectual developmental disorder) under these rules which shall be made only when the onset of the person's condition was during the developmental period and shall be based on an assessment of the person's intellectual functioning and level of adaptive skills. A licensed psychologist or psychiatrist who is professionally trained to administer the tests required to assess intellectual functioning and to evaluate a person's adaptive skills shall make the diagnosis. A diagnosis of intellectual disability shall be made in accordance with the criteria provided in the current version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association.

"Intensive psychiatric rehabilitation practitioner" means a person who has at least 60 contact hours of training in intensive psychiatric rehabilitation and either:

1. Is certified as a psychiatric rehabilitation practitioner by the United States Psychiatric Rehabilitation Association; or

2. Holds a bachelor's degree with 30 semester hours or equivalent quarter hours in a human services field (including, but not limited to, psychology, social work, mental health counseling, marriage and family therapy, nursing, education, occupational therapy, and recreational therapy) and has at least one year of experience in the delivery of services to the population groups that the person is hired to serve.

"Leadership" means the governing board, the chief administrative officer or executive director, managers, supervisors, and clinical leaders who participate in developing and implementing organizational policies, plans and systems.

"Marital and family therapist" means a person who is licensed under Iowa Code chapter 154D in the application of counseling techniques in the assessment and resolution of emotional conditions. This includes the alteration and establishment of attitudes and patterns of interaction relative to marriage, family life, and interpersonal relationships.

"Mental health counselor" means a person who is licensed under Iowa Code chapter 154D in counseling services involving assessment, referral, consultation, and the application of counseling, human development principles, learning theory, group dynamics, and the etiology of maladjustment and dysfunctional behavior to individuals, families, and groups.

"Mental health professional" means a person who meets all of the following conditions:

1. Holds at least a master's degree in a mental health field including, but not limited to, psychology, counseling and guidance, psychiatric nursing and social work; or is a doctor of medicine or osteopathic medicine; and

2. Holds a current Iowa license when required by the Iowa professional licensure laws (such as a psychiatrist, a psychologist, a marital and family therapist, a mental health counselor, an advanced registered nurse practitioner, a psychiatric nurse, or a social worker); and

3. Has at least two years of postdegree experience supervised by a mental health professional in assessing mental health problems, mental illness, and service needs and in providing mental health services.

"Mental health service provider" means an organization whose services are established to specifically address mental health services to individuals or the administration of facilities in which these services are provided. Organizations included are:

1. Those contracting with a county board of supervisors to provide mental health services in lieu of that county's affiliation with a community mental health center (Iowa Code chapter 230A).

2. Those that may contract with a county board of supervisors for special services to the general public or special segments of the general public and that are not accredited by any other accrediting body.

These standards do not apply to individual practitioners or partnerships of practitioners covered under Iowa's professional licensure laws.

"Natural supports" means those services and supports an individual using the service identifies as wanted or needed that are provided at no cost by family, friends, neighbors, and others in the community, or by organizations or entities that serve the general public.

"New organization" means an entity that has never been accredited under 441—Chapter 24 or an accredited entity under 441—Chapter 24 that makes a significant change in its ownership, structure, management, or service delivery.

"Organization" means:

1. A governmental entity or an entity that meets Iowa Code requirements for a business organization as a for-profit or not-for-profit business. These entities include, but are not limited to, a business corporation under Iowa Code chapter 490 or a nonprofit corporation under Iowa Code chapter 504 that provides a service accredited pursuant to the rules in this chapter.

2. A county, consortium of counties, or the department of human services that provides or subcontracts for the provision of case management.

3. A division or unit of a larger entity, such as a unit within a hospital or parent organization.

“Organization” does not include: an individual for whom a license to engage in a profession is required under Iowa Code section 147.2, any person providing a service if the person is not organized as a corporation or other business entity recognized under the Iowa Code, or an entity that provides only financial, administrative, or employment services and that does not directly provide the services accredited under this chapter.

“*Outcome*” means the result of the performance or nonperformance of a function or process or activity.

“*Policies*” means the principles and statements of intent of the organization.

“*Procedures*” means the steps taken to implement the policies of the organization.

“*Program*” means a set of related resources and services directed to the accomplishment of a fixed set of goals for the population of a specified geographic area or for special target populations.

“*Psychiatric crisis intervention plan*” means a personalized, individualized plan developed with the individual using the service that identifies potential personal psychiatric emergencies. This plan shall also include those life situations identified as problematic and the identified strategies and natural supports developed with the individual using the service to enable the individual to self-manage, alleviate, or end the crisis. This plan shall also include how the individual can access emergency services that may be needed.

“*Psychiatric nurse*” means a person who meets the requirements of a certified psychiatric nurse, is eligible for certification by the American Nursing Association, and is licensed by the state of Iowa to practice nursing as defined in Iowa Code chapter 152.

“*Psychiatrist*” means a doctor of medicine or osteopathic medicine who is certified by the American Board of Psychiatry and Neurology or who is eligible for certification and who is fully licensed to practice medicine in the state of Iowa.

“*Psychologist*” means a person who:

1. Is licensed to practice psychology in the state of Iowa or meets the requirements of eligibility for a license to practice psychology in the state of Iowa as defined in Iowa Code chapter 154B; or
2. Is certified by the Iowa department of education as a school psychologist or is eligible for certification by the Iowa department of education.

“*Qualified case managers and supervisors*” means people who have the following qualifications:

1. A bachelor’s degree with 30 semester hours or equivalent quarter hours in a human services field (including, but not limited to, psychology, social work, mental health counseling, marriage and family therapy, nursing, education, occupational therapy, and recreational therapy) and at least one year of experience in the delivery of services to the population groups that the person is hired as a case manager or case management supervisor to serve; or
2. An Iowa license to practice as a registered nurse and at least three years of experience in the delivery of services to the population group the person is hired as a case manager or case management supervisor to serve.

People employed as case management supervisors on or before August 1, 1993, who do not meet these requirements shall be considered to meet these requirements as long as they are continuously employed by the same case management provider.

“*Readiness assessment*” means a process of involving the individual using the service in clarifying motivational readiness to participate in the recovery process. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

“*Readiness development*” means services designed to develop or increase an individual’s interest, motivation, and resolve to engage in the rehabilitation services process, as a means of enhancing independent functioning and quality of life. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

“*Registered nurse*” means a person who is licensed to practice nursing in the state of Iowa as defined in Iowa Code chapter 152.

“*Rehabilitation services*” means services designed to restore, improve, or maximize the individual’s optimal level of functioning, self-care, self-responsibility, independence and quality of life and to minimize impairments, disabilities and dysfunction caused by a serious and persistent mental or emotional disability.

“*Rights restriction*” means limitations not imposed on the general public in the areas of communication, mobility, finances, medical or mental health treatment, intimacy, privacy, type of work, religion, place of residence, and people with whom the individual using the service may share a residence.

“*Serious emotional disturbance*” means a diagnosable mental, behavioral, or emotional disorder that (1) is of sufficient duration to meet diagnostic criteria for the disorder specified by the current version of the Diagnostic and Statistical Manual of Mental Disorders (DSM) published by the American Psychiatric Association; and (2) has resulted in a functional impairment that substantially interferes with or limits a consumer’s role or functioning in family, school, or community activities. “Serious emotional disturbance” shall not include neurodevelopmental disorders, substance-related disorders, or conditions or problems classified in the current version of the DSM as “other conditions that may be a focus of clinical attention,” unless those conditions co-occur with another diagnosable serious emotional disturbance.

“*Service plan*” means an individualized goal-oriented plan of services written in language understandable by the individual using the service and developed collaboratively by the individual and the organization.

“*Staff*” means people paid by the organization to perform duties and responsibilities defined in the organization’s policies and procedures.

[ARC 1660C, IAB 10/15/14, effective 12/1/14; ARC 2164C, IAB 9/30/15, effective 10/1/15]

441—24.2(225C) Standards for policy and procedures.

24.2(1) *Performance benchmark.* The organization has written policy direction for the organization and each service being accredited.

24.2(2) *Performance indicators.*

a. The organization has a policies and procedures manual with policy guidelines and administrative procedures for all organizational activities and services specific to its organization that addresses the standards in effect at the time of review.

b. The policies and procedures cover each benchmark and indicator in this chapter.

c. The policies and procedures manual is made available to all staff.

441—24.3(225C) Standards for organizational activities.

24.3(1) *Performance improvement system.*

a. Performance benchmark. The organization has a systematic, organizationwide, planned approach to designing, measuring, evaluating, and improving the level of its performance.

b. Performance indicators. The organization:

(1) Annually measures and assesses organizational activities and services accredited in this chapter.

(2) Gathers information from individuals using the services, from staff, and from family members.

(3) Implements an internal review of individual records for those services accredited under this chapter. For outpatient psychotherapy and counseling services, the organization:

1. Reviews the individual’s involvement in and with treatment.

2. Ensures that treatment activities are documented and are relevant to the diagnosis or presenting problem.

(4) Reviews the organization’s response to incidents reported under subrule 24.4(5) for necessity, appropriateness, effectiveness and prevention. This review includes analysis of incident data at least annually to identify any patterns of risk to the health and safety of consumers.

(5) Reviews the organization’s response to any situation that poses a danger or threat to staff or to individuals using the services for necessity, appropriateness, effectiveness, and prevention.

(6) Identifies areas in need of improvement.

(7) Has a plan to address the areas in need of improvement. Where applicable, the organization establishes a plan to resolve the problem of patients missing appointments.

(8) Implements the plan and documents the results.

24.3(2) Leadership.

a. Performance benchmark. Organization leaders provide the framework for the planning, designing, directing, coordination, provision and improvement of services that are responsive to the individuals using the services and the community served by the organization.

b. Performance indicators.

(1) There are clearly articulated mission and values statements that are reflected in the long-range organizational plans and in organization policies.

(2) The annual and long-range budgeting process involves appropriate governing and managing levels of leadership and reflects the organization's mission and values. An independent auditor or other person as provided by law performs an annual financial audit.

(3) Individuals using the services or family members of individuals using the services are represented on the organization's governing board or on an advisory board.

(4) The organization's decision-making process, including policy decisions affecting the organization, reflects involvement of the various levels of leadership and responsiveness to staff.

(5) Organization leaders solicit input from leaders of the various community groups representing individuals served by the organization in designing responsive service delivery systems.

(6) Organization leaders develop and implement a service system appropriate to the needs of the individuals served by the organization.

(7) Organization leaders make educational information, resources, and service consultation available to community groups.

24.3(3) Management information system.

a. Performance benchmark. Information is obtained, managed, and used in an efficient and effective method to document, enhance, and improve organizational performance and service delivery.

b. Performance indicators.

(1) The organization has a system in place to maintain current individual-specific information documenting the provision and outcomes of services and treatments provided.

(2) The organization has a system in place to maintain the confidentiality and security of information that identifies specific individuals using the services, including mail, correspondence, and electronic files.

24.3(4) Human resources.

a. Performance benchmark. The organization provides qualified staff to support the organization's mission and facilitate the provision of quality services.

b. Performance indicators. The organization:

(1) Has a job description in the personnel file of each staff member that clearly defines responsibilities and qualifications.

(2) Has a process to verify qualifications of staff, including degrees, licenses, medication management training, and certification as required by the position, within 90 days of the staff person's employment. For staff hired after July 1, 2006, personnel files contain evidence that verification of professional licenses and college degrees at the bachelor's level or higher, as required by the position, was obtained from the primary source.

(3) Evaluates staff annually.

(4) Includes a plan for staff development for each staff member in the annual evaluation.

(5) Provides training and education to all staff relevant to their positions.

(6) Provides for approved training on child and dependent adult abuse reporter requirements to all organization staff who are mandatory abuse reporters. The organization documents in personnel records training on child and dependent adult abuse reporter requirements.

(7) Has staff members sign a document indicating that they are aware of the organization's policy on confidentiality and maintains these documents in the personnel files.

(8) Provides an initial orientation to new staff and documents this orientation in the employee's personnel file.

(9) Has mechanisms in place that afford staff the right to express concerns about a particular care issue or to file a grievance concerning a specific employment situation.

(10) Completes criminal and abuse record checks and evaluations as required in Iowa Code section 135C.33(5) before employment for any employee who meets with individuals using the services in the individuals' homes.

(11) Establishes and implements a code of ethics for all staff addressing confidentiality, individual rights, and professional and legal issues in providing services and documents in the personnel records that the code of ethics in effect at the time of review has been reviewed with each staff member.

24.3(5) Organizational environment.

a. Performance benchmark. The organization provides services in an organizational environment that is safe and supportive for the individuals being served and the staff providing services.

b. Performance indicators.

(1) The environment enhances the self-image of the individual using the service and preserves the individual's dignity, privacy, and self-development.

(2) The environment is safe and accessible and meets all applicable local, state, and federal regulations.

(3) The processes that service and maintain the environment and the effectiveness of the environment are reviewed within the organization's monitoring and improvement system.

(4) The organization establishes intervention procedures for behavior that presents significant risk of harm to the individual using the service or others. The interventions also ensure that the individual's rights are protected and that due process is afforded.

(5) The organization meets state and federal regulations in the way it implements the safe storage, provision, administration, and disposal of medication when used within the service.

(6) All toys and other materials used by children are clean and safe.

441—24.4(225C) Standards for services. Providers for the services set forth in subrules 24.4(9) through 24.4(13) shall meet the standards in subrules 24.4(1) through 24.4(8) in addition to the standards for the specific service. Providers of outpatient psychotherapy and counseling services shall also meet standards in subrules 24.4(1), 24.4(2), 24.4(4), 24.4(6), 24.4(7), and 24.4(8). Providers of emergency services or evaluation services shall meet the benchmark for the services they provide.

24.4(1) Social history.

a. Performance benchmark. The organization completes a social history for each individual served.

b. Performance indicators.

(1) The organization collects and documents relevant historical information and organizes the information in one distinct document.

(2) The social history includes:

1. Relevant information regarding the onset of disability.

2. Family, physical, psychosocial, behavioral, cultural, environmental, and legal history.

3. Developmental history for children.

4. Any history of substance abuse, domestic violence, or physical, emotional, or sexual abuse.

(3) Staff review and update the social history at least annually.

24.4(2) Assessment.

a. Performance benchmark. The organization develops a written assessment for each individual served. The assessment is the basis for the services provided to the individuals.

b. Performance indicators.

(1) The assessment includes information about the individual's current situation, diagnosis, needs, problems, wants, abilities and desired results, gathered with the individual's involvement.

(2) Staff solicit collateral provider information as appropriate to the individual situation in order to compile a comprehensive and full assessment.

(3) Staff base decisions regarding the level, type and immediacy of services to be provided, or the need for further assessment or evaluation, upon the analysis of the information gathered in the assessment.

(4) Staff complete an annual reassessment for each individual using the service and document the reassessment.

(5) Documentation supporting the diagnosis is contained in the individual's record. A diagnosis of intellectual disability is supported by a psychological evaluation conducted by a qualified professional. A diagnosis of developmental disability is supported by professional documentation. A determination of chronic mental illness is supported by a psychiatric or psychological evaluation conducted by a qualified professional.

24.4(3) Individual service plan.

a. Performance benchmark. Individualized, planned, and appropriate services are guided by an individual-specific service plan developed in collaboration with the individual using the service, staff, and significantly involved others as appropriate. Services are planned for and directed to where the individuals live, learn, work, and socialize.

b. Performance indicators.

(1) The service plan is based on the current assessment.

(2) The service plan identifies observable or measurable individual goals and action steps to meet the goals.

(3) The service plan includes interventions and supports needed to meet those goals with incremental action steps, as appropriate.

(4) The service plan includes the staff, people, or organizations responsible for carrying out the interventions or supports.

(5) Services defined in the service plan are appropriate to the severity level of problems and specific needs or disabilities.

(6) The plan reflects desired individual outcomes.

(7) Activities identified in the service plan encourage the ability and right of the individual using the service to make choices, to experience a sense of achievement, and to modify or continue participation in the treatment process.

(8) Staff monitor the service plan with review occurring regularly. At least annually, staff assess and revise the service plan to determine achievement, continued need, or change in goals or intervention methods. The review includes the individual using the service, with the involvement of significant others as appropriate.

(9) Staff develop a separate, individualized, anticipated discharge plan as part of the service plan that is specific to each service the individual receives.

(10) The service plan includes documentation of any rights restrictions, why there is a need for the restriction, and a plan to restore those rights or a reason why a plan is not necessary or appropriate.

24.4(4) Documentation of service provision.

a. Performance benchmark. Individualized and appropriate intervention services and treatments are provided in ways that support the needs, desires, and goals identified in the service plan, and that respect the rights and choices of the individual using the service.

b. Performance indicators.

(1) Staff document in the narrative the individual's participation in the treatment process.

(2) Responsible staff document the individual's progress toward goals, the provision of staff intervention, and the individual's response to those interventions.

(3) Documentation of service provision is in a legible, written format in accordance with organizational policies and procedures.

24.4(5) Incident reports.

a. Performance benchmark. The organization completes an incident report when organization staff first become aware that an incident has occurred.

b. Performance indicators.

(1) The organization documents the following information:

1. The name of the individual served who was involved in the incident.
 2. The date and time the incident occurred.
 3. A description of the incident.
 4. The names of all organization staff and others who were present or responded at the time of the incident. (For confidentiality reasons, other individuals who receive services should be identified by initials or some other accepted means.)
 5. The action the organization staff took to handle the situation.
 6. The resolution of or follow-up to the incident.
- (2) The staff who were directly involved at the time of the incident or who first became aware of the incident prepare and sign the incident report before forwarding it to the supervisor.
- (3) Staff file a copy of the completed incident report in a centralized location and make a notation in the individual's file.
- (4) Staff send a copy of the incident report to the individual's Medicaid targeted case manager or county case worker who is involved in funding the service and notify the individual's legal guardian within 72 hours of the incident.

24.4(6) Confidentiality and legal status.

a. Performance benchmark. Staff release medical and mental health information only when properly authorized.

b. Performance indicators.

(1) The organization obtains voluntary written authorization from the individual using the service, the individual's legal guardian, or other people authorized by law before releasing personal identifying information, medical records, mental health records, or any other confidential information.

(2) Staff complete voluntary written authorization forms in accordance with existing federal and state laws, rules, and regulations and maintain them in each individual file.

(3) Documentation regarding restrictions on the individual, such as guardianship, power of attorney, conservatorship, mental health commitments, or other court orders, is placed in the individual's record, if applicable.

24.4(7) Service systems.

a. Performance benchmark. The organization develops a clear description of each of the services offered. The organization develops an admission and discharge system of services. Staff coordinate services with other settings and providers.

b. Performance indicators.

(1) The organization has established and documented the necessary admission information to determine each individual's eligibility for participation in the service.

(2) Staff include verification in each individual's file that a service description was provided to the individual using the service and, when appropriate, to family or significant others.

(3) Continuity of services occurs through coordination among the staff and professionals providing services. Coordination of services through linkages with other settings and providers has occurred, as appropriate.

(4) Staff include a written discharge summary in each individual record at the time of discharge.

24.4(8) Respect for individual rights.

a. Performance benchmark. Each individual using the service is recognized and respected in the provision of services, in accordance with basic human, civil, and statutory rights.

b. Performance indicators.

(1) Staff provide services in ways that respect and enhance the individual's sense of autonomy, privacy, dignity, self-esteem, and involvement in the individual's own treatment. Staff take language barriers, cultural differences, and cognitive deficits into consideration and make provisions to facilitate meaningful individual participation.

(2) Staff inform individuals using the service and, when appropriate, family and significant others of their rights, choices, and responsibilities.

(3) The organization has a procedure established to protect the individuals using the service during any activities, procedure or research that requires informed consent.

(4) The organization verifies that individuals using the service and their guardians are informed of the process to express questions, concerns, complaints, or grievances about any aspect of the individual's service, including the appeal process.

(5) The organization provides the individuals and their guardians the right to appeal the application of policies, procedures, or any staff action that affects the individual using the service. The organization has established written appeal procedures and a method to ensure that the procedures and appeal process are available to individuals using the service.

(6) All individuals using the service, their legal representatives, and other people authorized by law have access to the records of the individual using the service in accordance with state and federal laws and regulations.

24.4(9) *Case management services.* "Case management services" means those services established pursuant to Iowa Code section 225C.20.

a. Performance benchmark. Case management services link individuals using the service to service agencies and support systems responsible for providing the necessary direct service activities and coordinate and monitor those services.

b. Performance indicators.

(1) Staff clearly define the need for case management and document it annually.

(2) At a minimum, the team is composed of the individual using the service, the case manager, and providers or natural supports relevant to the individual's service needs. The team may also include family members, at the discretion of the individual using the service.

(3) The team works with the individual using the service to establish the service plan that guides and coordinates the delivery of the services.

(4) The case manager advocates for the individual using the service.

(5) The case manager coordinates and monitors the services provided to the individual using the service.

(6) Documentation of contacts includes the date, the name of the individual using the service, the name of the case manager, and the place of service.

(7) The case manager holds individual face-to-face meetings at least quarterly with the individual using the service.

(8) Case managers do not provide direct services. Individuals using the service are linked to appropriate resources, which provide necessary direct services and natural supports.

(9) Individuals using the service participate in developing an individualized crisis intervention plan that includes natural supports and self-help methods.

(10) Documentation shows that individuals using the service are informed about their choice of providers as provided in the county management plan.

(11) Within an accredited case management program, the average caseload is no more than 45 individuals per each full-time case manager. The average caseload of children with serious emotional disturbance is no more than 15 children per full-time case manager.

(12) The case manager communicates with the team and then documents in the individual's file a quarterly review of the individual's progress toward achieving the goals.

24.4(10) *Day treatment services.* "Day treatment" means an individualized service emphasizing mental health treatment and intensive psychosocial rehabilitation activities designed to increase the individual's ability to function independently or facilitate transition from residential placement. Staff use individual and group treatment and rehabilitation services based on individual needs and identified behavioral or mental health issues.

a. Performance benchmark. Individuals using the service who are experiencing a significantly reduced ability to function in the community are stabilized and improved by the receipt of psychosocial rehabilitation, mental health treatment services, and in-home support services, and the need for residential or inpatient placement is alleviated.

b. Performance indicators.

(1) Individuals using the service participate with the organizational staff in identifying the problem areas to be addressed and the goals to be achieved that are based on the individual's need for services.

(2) Individuals using the service receive individualized services designed to focus on those identified mental health or behavioral issues that are causing significant impairment in their day-to-day functioning.

(3) Individuals who receive intensive outpatient and day treatment services receive a comprehensive and integrated schedule of recognized individual and group treatment and rehabilitation services.

(4) Individuals using the service and staff review their progress in resolving problems and achieving goals on a frequent and regular basis.

(5) Individuals using the service receive services appropriate to defined needs and current risk factors.

(6) Individuals using the service receive services from staff who are appropriately qualified and trained to provide the range and intensity of services required by the individual's specific problems or disabilities. A mental health professional provides or directly supervises the provision of treatment services.

(7) Individuals using the service participate in discharge planning that focuses on coordinating and integrating individual, family, and community and organization resources.

(8) Family members of individuals using the service are involved in the planning and provision of services, as appropriate and as desired by the individual.

(9) Individuals using the service participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

24.4(11) Intensive psychiatric rehabilitation services. "Intensive psychiatric rehabilitation services" means services designed to restore, improve, or maximize level of functioning, self-care, responsibility, independence, and quality of life; to minimize impairments, disabilities, and disadvantages of people who have a disabling mental illness; and to prevent or reduce the need for services in a hospital or residential setting. Services focus on improving personal capabilities while reducing the harmful effects of psychiatric disability, resulting in an individual's recovering the ability to perform a valued role in society.

a. Performance benchmark. Individuals using the service who are experiencing a significantly reduced ability to function in the community due to a disability are stabilized and experience role recovery by the receipt of intensive psychiatric rehabilitation services.

b. Performance indicators.

(1) Individuals using the service receive services from staff who meet the definition of intensive psychiatric rehabilitation practitioner. The intensive psychiatric rehabilitation supervisor has at least a bachelor's degree in a human services field and 60 hours of training in intensive psychiatric rehabilitation.

(2) Individuals using the service receive four to ten hours per week of recognized psychiatric rehabilitation services. All services are provided for an identified period.

(3) Whenever possible, intensive psychiatric rehabilitative services are provided in natural settings where individuals using the service live, learn, work, and socialize.

(4) Significantly involved others participate in the planning and provision of services as appropriate and as desired by the individual using the service.

(5) Individuals using the service participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

(6) A readiness assessment is initially completed with staff to assist the individual in choosing a valued role and environment. The readiness assessment culminates in a score that documents the individual's motivational readiness.

(7) During the readiness development phase, staff document monthly in the individual's file changes in the individual's motivational readiness to choose valued roles and environments.

(8) During the goal-choosing phase, staff and the individual identify personal criteria, describe alternative environments, and choose the goal. These activities are documented in the individual's file.

(9) During the goal-achieving phase, the functional assessment and resource assessment are completed. Skill programming or skill teaching takes place. These activities are documented in the individual's file.

(10) During goal keeping, individuals using the service participate in discharge planning that focuses on coordinating and integrating individual, family, community, and organization resources for successful community tenure and the anticipated end of psychiatric rehabilitation services. Staff document increases in skill acquisition and skill competency.

(11) Staff document any positive changes in environmental status, such as moving to a more independent living arrangement, enrolling in an education program, getting a job, or joining a community group.

(12) On an ongoing basis and at discharge, staff or the individual using the service documents the level of individual satisfaction with intensive psychiatric rehabilitation services in each individual's file.

24.4(12) Supported community living services. "Supported community living services" means those services provided to individuals with a mental illness, mental retardation, or developmental disability to enable them to develop supports and learn skills that will allow them to live, learn, work and socialize in the community. Services are individualized, need- and abilities-focused, and organized according to the following components: outreach to appropriate support or treatment services; assistance and referral in meeting basic human needs; assistance in housing and living arrangements; crisis intervention and assistance; social and vocational assistance; the provision of or arrangement for personal, environmental, family, and community supports; facilitation of the individual's identification and development of natural support systems; support, assistance, and education to the individual's family and to the community; protection and advocacy; and service coordination.

These services are to be provided by organizational staff or through linkages with other resources and are intended to be provided in the individual's home or other natural community environment where the skills are learned or used. Supported community living is not part of an organized mental health support or treatment group, drop-in center, or clubhouse. Skill training groups may be one of the activities in the service plan and part of supported community living. Skill training groups cannot stand alone as a supported community living service.

a. Performance benchmark. Individuals using the service live, learn, work, and socialize in the community.

b. Performance indicators.

(1) Individuals receive services within their home and community setting where the skills are learned or used.

(2) At intake, the individuals using the service participate in a functional assessment to assist in defining areas of service need and establishing a service plan. Staff summarize the findings of the functional assessment in a narrative that describes the individual's current level of functioning in the areas of living, learning, working, and socialization. Staff review functional assessments on a regular basis to determine progress.

(3) Individuals using the service receive skill training and support services directed to enabling them to regain or attain higher levels of functioning or to maximize functioning in the current goal areas.

(4) Services are delivered on an individualized basis in the place where the individual using the service lives or works.

(5) Documentation that steps have been taken to encourage the use of natural supports and develop new ones is in the individual file.

(6) Individuals using the service participate in developing a detailed individualized crisis intervention plan that includes natural supports and self-help methods.

24.4(13) Partial hospitalization services. "Partial hospitalization services" means an active treatment program providing intensive group and individual clinical services within a structured therapeutic environment for individuals who are exhibiting psychiatric symptoms of sufficient severity to cause significant impairment in day-to-day functioning. Short-term outpatient crisis stabilization and rehabilitation services are provided to avert hospitalization or to transition from an acute care setting. Services are supervised and managed by a mental health professional, and psychiatric consultation is routinely available. Clinical services are provided by a mental health professional.

a. Performance benchmark. Individuals who are experiencing serious impairment in day-to-day functioning due to severe psychiatric distress are enabled to remain in their community living situation through the receipt of therapeutically intensive milieu services.

b. Performance indicators.

(1) Individuals using the service and staff mutually develop an individualized service plan that focuses on the behavioral and mental health issues and problems identified at admission. Goals are based on the individual's need for services.

(2) Individuals using the service receive clinical services that are provided and supervised by mental health professionals. A licensed and qualified psychiatrist provides psychiatric consultation and medication services.

(3) Individuals using the service receive a comprehensive schedule of active, planned, and integrated psychotherapeutic and rehabilitation services provided by qualified professional staff.

(4) Individuals using the service receive group and individual treatment services that are designed to increase their ability to function independently.

(5) Individuals using the service are involved in the development of an anticipated discharge plan that includes linkages to family, provider, and community resources and services.

(6) Individuals using the service have sufficient staff available to ensure their safety, to be responsive to crisis or individual need, and to provide active treatment services.

(7) Individuals using the service receive services commensurate with current identified risk and need factors.

(8) Support systems identified by individuals using the service are involved in the planning and provision of services and treatments as appropriate and desired by the individual using the service.

(9) Individuals using the service participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

24.4(14) Outpatient psychotherapy and counseling services. "Outpatient psychotherapy and counseling services" means a dynamic process in which the therapist uses professional skills, knowledge and training to enable individuals using the service to realize and mobilize their strengths and abilities, take charge of their lives, and resolve their issues and problems. Psychotherapy services may be individual, group, or family, and are provided by a person meeting the criteria of a mental health professional or by a person with a master's degree or an intern working on a master's degree in a mental health field who is directly supervised by a mental health professional.

a. Performance benchmark. Individuals using the service realize and mobilize their own strengths and abilities to take control of their lives in the areas where they live, learn, work, and socialize.

b. Performance indicators.

(1) Individuals using the service are prepared for their role as partners in the therapeutic process at intake where they define their situations and evaluate those factors that affect their situations.

(2) Individuals using the service establish desired problem resolution at intake during the initial assessment.

(3) Psychiatric services other than psychopharmacological services are available from the organization as needed by the individual using the service.

(4) Psychopharmacological services are available from the organization as needed.

(5) Staff document mutually agreed-upon treatment goals during or after each session. A distinct service plan document is not required.

(6) Staff document mutually agreed-upon supports and interventions during or after each session. A distinct service plan document is not required.

(7) Staff document in the progress notes the individual's status at each visit and the reasons for continuing or discontinuing services. A distinct discharge summary document is not required.

(8) Any assignment of activities to occur between sessions is documented in the following session's documentation.

(9) Individuals using the service who have a chronic mental illness participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

(10) The record documents that the organization follows up on individuals who miss appointments.

24.4(15) *Emergency services.* “Emergency services” means crisis services that provide a focused assessment and rapid stabilization of acute symptoms of mental illness or emotional distress and are available and accessible, by telephone or face-to-face, on a 24-hour basis. The clinical assessment and psychotherapeutic services are provided by a person who has training in emergency services and who is a mental health professional or has access to a mental health professional, at least by telephone.

Services may be provided by a person who holds a master’s degree in a mental health field including, but not limited to, psychology, counseling and guidance, psychiatric nursing, psychiatric rehabilitation, or social work; or a person who holds a bachelor’s degree in a human service discipline with five years’ experience providing mental health services or human services; or a psychiatric nurse who has three years of clinical experience in mental health. A comprehensive social history is not required for this treatment.

a. Performance benchmark. Individuals using the service receive emergency services when needed that provide a focused assessment and rapid stabilization of acute symptoms of mental illness or emotional distress.

b. Performance indicators.

- (1) Individuals using the service can access 24-hour emergency services by telephone or in person.
- (2) Information about how to access emergency services is publicized to facilitate availability of services to individuals using the service, family members, and the public.
- (3) Individuals using the service receive assessments and services from either a mental health professional or from personnel who meet the requirements above and are supervised by a mental health professional. Psychiatric consultation is available, if needed.
- (4) Individuals using the service receive intervention commensurate with current identified risk factors.
- (5) Significantly involved others are involved as necessary and appropriate to the situation and as desired by the individual using the service.
- (6) Individuals using the service are involved in the development of postemergency service planning and resource identification and coordination.
- (7) Staff document contacts in a narrative format and maintain them in a central location that will allow timely response to the problems presented by the individual using the service.
- (8) Timely coordination of contacts with relevant professionals is made.

24.4(16) *Evaluation services.* “Evaluation services” means screening, diagnosis and assessment of individual and family functioning needs, abilities, and disabilities, and determining current status and functioning in the areas of living, learning, working, and socializing.

a. Performance benchmark. Individuals using the service receive comprehensive evaluation services that include screening, diagnosis, and assessment of individual or family functioning, needs and disabilities.

b. Performance indicators.

- (1) Evaluations include screening, diagnosis, and assessment of individual or family functioning, needs, abilities, and disabilities.
- (2) Evaluations consider the emotional, behavioral, cognitive, psychosocial, and physical information as appropriate and necessary.
- (3) Evaluations includes recommendations for services and need for further evaluations.

(4) Mental health evaluations are completed by a person who meets the criteria of a mental health professional, or a person with a master’s degree who is license-eligible and supervised by a mental health professional, or an intern of a master’s or doctorate program who is supervised by a mental health professional.

[ARC 3855C, IAB 6/20/18, effective 8/1/18]

441—24.5(225C) Accreditation. The commission shall make all decisions involving issuance, denial, or revocation of accreditation. This accreditation shall delineate all categories of service the organization is accredited to provide. Although an organization may have more than one facility or service site, the

commission shall issue only one accreditation notice to the organization, except as provided in paragraph 24.5(5) "f."

24.5(1) Organizations eligible for accreditation. The commission accredits the following organizations:

- a. Case management providers.
- b. Community mental health centers.
- c. Supported community living providers.
- d. Mental health service providers.

24.5(2) Application and renewal procedures. An applicant for accreditation shall submit Form 470-3005, Application for Accreditation, to the Division of Behavioral, Developmental, and Protective Services, Department of Human Services, Fifth Floor, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114.

a. The application shall be signed by the organization's chief executive officer and the chairperson of the governing body and shall include the following information:

- (1) The name and address of the applicant organization.
- (2) The name and address of the chief executive officer of the applicant organization.
- (3) The type of organization and specific services for which the organization is applying for accreditation.
- (4) The targeted population groups for which services are to be provided, as applicable.
- (5) The number of individuals in each of the targeted population groups to be served, as applicable.
- (6) Other information related to the standards as requested by division staff.

b. Organizations that have received an initial 270-day accreditation and have not provided services by the end of the 270 days shall have their accreditation lapse for that specific service. This lapse of accreditation shall not be considered a denial. New applications may be submitted that include the waiting list of individuals to be served along with specific timelines of when the services will begin.

c. An organization in good standing may apply for an add-on service.

24.5(3) Application review. Upon receipt of an application, Form 470-3005, the division shall review the materials submitted to determine whether the application is complete and request any additional material as needed. Survey reviews shall commence only after the organization has submitted all application material.

a. For a new organization, staff may initially conduct a desk audit or on-site visit to review the organization's mission, policies, procedures, staff credentials, and program descriptions.

b. The division shall review organizational services and activities as determined by the accreditation category. This review may include audits of case records, administrative procedures, clinical practices, personnel records, performance improvement systems and documentation, and interviews with staff, individuals, boards of directors, or others deemed appropriate, consistent with the confidentiality safeguards of state and federal laws.

c. A team shall make an on-site visit to the organization. The division shall not be required to provide advance notice to the provider of the on-site visit for accreditation.

d. The on-site team shall consist of designated members of the division staff. At the division's discretion, the team may include provider staff of other providers, individuals, and others deemed appropriate.

e. The team shall survey the organization and the services indicated on the accreditation application in order to verify information contained in the application and ensure compliance with all applicable laws, rules, and regulations. At the time of a one-year recertification visit, the team shall review the services that did not receive three-year accreditation.

f. The team shall review case records and personnel records to see how the organization implements each of the indicators in the standards. If the documentation is not found in the records, the organization shall show, at the time the division staff is on site, documentation of how the indicator was accomplished.

g. When an organization subcontracts with agencies to provide services, on-site reviews shall be done at each subcontracting agency to determine if each agency meets all the requirements in this chapter. The accreditation is issued to the organization.

h. At the end of the survey, the team leader shall lend an exit review. Before the close of the on-site review, the organization must provide the team leader any documentation that demonstrates how the organization has met these standards for services.

i. The accreditation team leader shall send a written report of the findings to the organization within 30 working days after completion of the accreditation survey.

j. Organizations required to develop a corrective action and improvement plan pursuant to subrule 24.5(4) "a" shall submit the plan to the division within 30 working days after the receipt of a report issued as a result of the division's survey review. The action plan shall include specific problem areas cited, corrective actions to be implemented by the organization, dates by which each corrective measure shall be completed, and quality assurance and improvement activities to measure and ensure continued compliance.

k. Quality assurance staff shall review and approve the corrective action and improvement plan before making an accreditation recommendation to the commission.

l. The division shall offer technical assistance to organizations applying for first-time accreditation. Following accreditation, any organization may request technical assistance from the division to bring into conformity those areas found in noncompliance with this chapter's requirements. If multiple deficiencies are noted during a survey, the commission may also require that technical assistance be provided to an organization, as staff time permits, to assist in implementation of an organization's corrective action plan. Renewal applicants may be provided technical assistance as needed, if staff time permits.

24.5(4) Performance outcome determinations. There are three major areas addressed in these standards: policies and procedures, organizational activities, and services, as set forth in rules 441—24.2(225C), 24.3(225C), and 24.4(225C). Each rule contains standards, with a performance benchmark and performance indicators for each standard. Each of the applicable standards for the three areas (policy and procedures, organizational activities, and services) shall be reviewed.

a. Quality assurance staff shall determine a performance compliance level based on the number of indicators found to be in compliance.

(1) For service indicators, if 25 percent or more of the files reviewed do not comply with the requirements for a performance indicator, then that indicator is considered out of compliance and corrective action is required.

(2) Corrective action is required when any indicator under policies and procedures or organizational activities is not met.

b. In the overall rating, the performance rating for policy and procedures shall count as 15 percent of the total, organizational activities as 15 percent of the total, and services as 70 percent of the total.

(1) Each of the three indicators for policy and procedures has a value of 5 out of a possible score of 15.

(2) Each of the 34 indicators for organizational activities has a value of .44 out of a possible score of 15.

(3) Each service has a separate weighting according to the total number of indicators applicable for that service, with a possible score of 70, as follows:

<u>Service</u>	<u>Number of indicators</u>	<u>Value of each indicator</u>
Case management	51	1.37
Day treatment	48	1.46
Intensive psychiatric rehabilitation	51	1.37
Supported community living	45	1.55
Partial hospitalization	48	1.46
Outpatient psychotherapy and counseling	35	2.00
Emergency	8	8.75
Evaluation	4	17.50

c. Quality assurance staff shall determine a separate score for each service to be accredited. When an organization offers more than one service under this chapter, there shall be one accreditation award for all the services based upon the lowest score of the services surveyed.

24.5(5) Accreditation decisions. The division shall prepare all documents with a final recommendation regarding accreditation to be presented at the commission meeting. The division shall mail to all commission members summary reports of the on-site service review or desk review and a final recommendation concerning accreditation on each application to be processed at the next commission meeting.

If the commission approves accreditation, Form 470-3006, Notice of Action-Approval, shall be issued which states the duration of the accreditation and the services that the organization is accredited to provide. If the commission denies or revokes accreditation, Form 470-3008, Notice of Action-Denial, shall be issued which states the reasons for the denial.

a. *Initial 270-day accreditation.* This type of accreditation may be granted to a new organization. The commission shall base the accreditation decision on a report by the division that:

- (1) The organization has an approved policies and procedures manual that includes job descriptions.
- (2) Staff assigned to the positions meet the qualifications in the standards and the policies and procedures of the organization.

b. *Three-year accreditation.* An organization or service is eligible for this type of accreditation if it has achieved an 80 percent or higher performance compliance level. The organization may be required to develop and submit a plan of corrective action and improvement that may be monitored either by written report or an on-site review.

c. *One-year accreditation.* An organization is eligible for this type of accreditation when multiple and substantial deficiencies exist in specific areas causing compliance levels with performance benchmarks and indicators to fall between 70 percent and 79 percent, or when previously required corrective action plans have not been implemented or completed. The organization must submit a corrective action plan to correct and improve specific deficiencies and overall levels of functioning. Quality assurance staff shall monitor this plan through on-site reviews, written reports and the provision of technical assistance.

d. *Probational 180-day accreditation.* An organization is eligible for probational 180-day accreditation instead of denial when the overall compliance level is from 60 to 69 percent, and pervasive and serious deficiencies exist; or when corrective action plans previously required as a result of a one-year accreditation have not been implemented or completed. The commission may downgrade organizations with a one-year or three-year accreditation to the probational 180-day accreditation when one or more complaints are founded.

All deficiencies must be corrected by the time of the follow-up on-site survey at the conclusion of the provisional period. After this survey, the organization shall meet the standards for accreditation for a one-year accreditation, or the commission shall deny accreditation.

e. *Add-on service accreditation.* When the on-site review of the add-on service results in a score comparable to the overall organization's score at the time of the most recent accreditation, the organization shall have the add-on accreditation date coincide with the overall accreditation date of the organization. If the add-on service on-site review results in a lower score and lower accreditation

decision, division staff shall conduct another on-site review for that add-on service when the add-on service accreditation expires.

f. Special terms.

(1) When an organization subcontracts with more than one agency, the length of accreditation shall be determined individually.

(2) The accreditation period for services that have deemed status according to rule 24.6(225C) shall coincide with the period awarded by the national accrediting body or the certification for home-and community-based services.

(3) New or add-on services that meet the requirements for accreditation shall receive an initial 270-day accreditation for that individual service. The term of accreditation shall be determined individually. At the time of recertification of the new add-on service, recommendation may be made to coincide with the term of accreditation for the other services of that organization that are accredited by the commission.

(4) An organization must notify the division when there are changes in its ownership, structure, management, or service delivery.

g. Extensions. The division may grant an extension to the period of accreditation if there has been a delay in the accreditation process that is beyond the control of the organization, the division, or the commission; or the organization has requested an extension to permit the organization to prepare and obtain approval of a corrective action plan. The division shall establish the length of the extension on a case-by-case basis.

h. Denial of accreditation. An emergency commission meeting may be called to consider denial or revocation of accreditation.

(1) Accreditation shall be denied when there are pervasive and serious deficiencies that put individuals at immediate risk or when the overall compliance level falls to 59 percent or below. Under such circumstances no corrective action report shall be required.

(2) When one or more complaints are received, quality assurance staff shall complete an investigation and submit a report to the commission. If any of the complaints are substantiated and the commission determines that there is a pervasive or serious deficiency, the commission may deny accreditation.

(3) An organization whose accreditation has been denied or revoked shall not be approved for any service for at least six months from the notice of decision denying or revoking accreditation.

(4) If the organization disagrees with any action or failure to act in regard to the notice of decision to deny accreditation to the organization, the organization has the right to appeal in accordance with 441—Chapter 7.

24.5(6) Nonassignability. Accreditation shall not be assignable to any other organization or provider. Any person or other legal entity acquiring an accredited facility for the purpose of operating a service shall make an application as provided in subrule 24.5(2) for a new certificate of accreditation. Similarly, any organization having acquired accreditation and desiring to alter the service philosophy or transfer operations to different premises must notify the division in writing 30 calendar days before taking action in order for the division to review the change.

24.5(7) Discontinuation.

a. Discontinued organization. A discontinued organization is one that has terminated all of the services for which it has been accredited. Accreditation is not transferable between organizations.

(1) An organization shall notify the division in writing of any sale, change in business status, closure, or transfer of ownership of the business at least 30 calendar days before the action.

(2) The organization shall be responsible for the referral and placement of individuals using the services, as appropriate, and for the preservation of all records.

b. Discontinued service. An organization shall notify the division in writing of the discontinuation of an accredited or certified service at least 30 calendar days before the service is discontinued.

(1) Notice of discontinuation of a service shall not be initiated during the 30 days before the start of a survey. Once a survey has begun, all services shall be considered in determining the organization's accreditation score.

(2) The organization shall be responsible for the referral and placement of individuals using the services, as appropriate, and for the preservation of all records.

441—24.6(225C) Deemed status. The commission shall grant deemed status to organizations accredited by a recognized national, not-for-profit, accrediting body when the commission determines the accreditation is for similar services. The commission may also grant deemed status for supported community living services to organizations that are certified under the Medicaid home- and community-based services (HCBS) mental retardation waiver.

24.6(1) National accrediting bodies.

a. The national accrediting bodies currently recognized as meeting division criteria for possible deeming are:

1. Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
2. The Commission on Accreditation of Rehabilitation Facilities (CARF).
3. The Council on Quality and Leadership in Supports for People with Disabilities (The Council).
4. Council on Accreditation of Services for Families and Children (COA).

b. The accreditation credentials of these national bodies must specify the type of organization, programs, and services that these bodies accredit and include targeted population groups, if appropriate.

c. Deemed status means that the division is accepting an outside body's review, assessment, and accreditation of an organization's functioning and services. Therefore, the accrediting body doing the review must be assessing categories of organizations and types of programs and services corresponding to those described under this chapter. An organization that has deemed status must adhere to and be accountable for the rules in this chapter.

d. When an organization that is nationally accredited requests deemed status for services not covered by the national body's standards but covered under this chapter, the division shall accredit those services. Division staff shall provide technical assistance to organizations with deemed status as time permits.

24.6(2) Application for deemed status.

a. To apply for deemed status, the organization shall submit Form 470-3332, Application and Letter of Agreement, and copies of the latest survey report and accreditation certificate, documentation of specific programming policies and procedures for populations being served, and credentials for staff providing services to populations served.

b. The division shall not accept an application for deemed status once the division has begun an on-site visit. The organization shall complete the accreditation process.

24.6(3) Requirements for deemed status. To be eligible for deemed status, the organization shall:

a. Be currently accredited by a recognized national accrediting body for services as defined in subrule 24.6(1); or

b. Be currently accredited for supported community living under the Medicaid HCBS mental retardation waiver pursuant to 441—subrule 77.37(14). If individuals with mental illness are served, the organization must submit verification of the training and credentials of the staff to show that its staff can meet the needs of the individuals served.

c. Require the supported community living staff to have the same supervisor as the HCBS/MR program.

d. Require staff for the program being deemed to have the training and credentials needed to meet the needs of the person served.

e. Require staff to meet the incident reporting requirements in subrule 24.4(5).

24.6(4) Granting of deemed status. When the commission grants deemed status, the accreditation period shall coincide with the period awarded by the national accrediting body or the certification for home- and community-based services. However, under no circumstances shall the commission award accreditation for longer than three years.

24.6(5) Reservations. When deemed status is granted, the commission and the division reserve rights to the following:

a. To have division staff conduct on-site reviews for those organizations applying for deemed status which the division has not previously accredited.

b. To have division staff do joint site visits with the accrediting body, attend exit conferences, or conduct focused follow-behind visits as determined to be appropriate in consultation with the national accrediting organization and the provider organization.

c. To be informed of and to investigate all complaints that fall under this chapter's jurisdiction according to the process in rule 441—24.7(225C). The division shall report findings to the national accrediting body.

d. To review and act upon deemed status when:

(1) Complaints have been founded, or

(2) The organization's national accreditation status expires without renewal, or

(3) The national accrediting body downgrades or withdraws the organization's status.

24.6(6) Continuation of deemed status.

a. The organization shall send a copy of Form 470-3332, Application and Letter of Agreement, along with a copy of the application for renewal to the national accrediting body at the same time as application is made to a national accrediting body.

b. HCBS staff shall furnish to the division copies of the letter notifying a provider of a forthcoming recertification for organizations deemed for supported community living under the HCBS mental retardation waiver.

c. Following the on-site review by a national accrediting body, the organization shall send the division a copy of the cover sheet and the national accrediting body report within 30 calendar days from the date that the organization receives the documents. If a corrective action plan is required, the organization shall send the division a copy of all correspondence and documentation related to the corrective action.

d. HCBS staff shall furnish the division with copies of HCBS certification reports and any corrective action required by HCBS within 30 calendar days after HCBS staff complete the report or the organization completes required corrective action.

441—24.7(225C) Complaint process. The division shall receive and record complaints by individuals using the services, employees, any interested people, and the public relating to or alleging violations of applicable requirements of the Iowa Code or administrative rules.

24.7(1) Submittal of complaint. The complaint may be delivered personally or by mail to the Division of Behavioral, Developmental, and Protective Services, Department of Human Services, Hoover State Office Building, Fifth Floor, 1305 East Walnut, Des Moines, Iowa 50319-0114, or by telephone (515)281-5874.

a. The division shall assist individuals in making a complaint as needed or requested.

b. The information received should specifically state the basis of the complaint. The division shall keep the name of the complainant confidential to the extent allowed by law.

24.7(2) Review of complaint. Upon receipt of a complaint, the division shall make a preliminary desk review of the complaint to determine an appropriate response. That response may include notifying the person who submitted the complaint that there is no basis for a review, referring the complaint to another investigative body, or making a determination to do a full investigation.

24.7(3) Investigation of complaint. If the division concludes that the complaint is reasonable, has merit, and is based on a violation of rules in this chapter, it may make an investigation of the organization. The division may investigate complaints by an office audit or by an on-site investigation. The division shall give priority for on-site investigations to instances when individuals using the service are in immediate jeopardy.

a. If a decision is made to conduct an on-site investigation, the on-site review does not require advance notice to the organization. The division shall notify the chief executive officer and board chairperson of the organization involved before or at the commencement of the on-site investigation that the division has received a complaint.

b. The division shall give the organization an opportunity to informally present a position regarding allegations in the complaint. The organization may submit the position in writing within five working days following the on-site visit or present it in a personal conference with division staff.

c. The division shall submit a written report by certified mail to the chief administrative officer of the organization and the chairperson of the board of directors within 20 working days after completion of the investigation.

d. The report shall indicate whether the complaint was or was not substantiated, the basis for the substantiation or nonsubstantiation, the specific rules violated, and a recommendation for corrective action with time lines specified in the report.

e. The date of delivery shown by the certified mail stub shall constitute the date of official notice.

24.7(4) *Review by commission.* When individuals receiving services are in immediate jeopardy, the commission may call an emergency meeting to make a decision on possible revocation or denial of accreditation.

a. To the extent allowed by Iowa Code section 21.5, the commission may review the complaint and investigation report in a closed meeting. The action taken by the commission shall be voted upon in the reconvened public meeting and entered into the official record of commission minutes.

b. If the complaint is substantiated, the commission make take actions deemed appropriate, which may include shortening the term of accreditation, requiring a corrective action plan, or suspending or revoking an organization's accreditation, depending on the severity of the substantiated complaint.

c. The division shall inform the complainant and the organization by certified mail of the findings and actions taken by the commission. The date of delivery shown by the certified mail stub shall constitute the date of official notice.

24.7(5) *Corrective action plan.* When the commission acts to suspend or revoke accreditation, there will be no corrective action plan. In other instances, if the complaint is substantiated, the organization shall submit a corrective action plan to the division within 20 calendar days after receiving the commission's decision. This plan must respond to violations cited and commission requirements and include time lines, internal monitoring systems, and performance improvement planning.

Failure of the organization to respond within 20 calendar days with an acceptable corrective action plan that addresses the organization's plan of correction following a substantiated investigation or complaint may of itself constitute the basis for revocation or suspension of accreditation. The commission shall determine the appropriate action based on the information submitted. The division shall notify the organization of any action the commission takes.

441—24.8(225C) *Appeal procedure.* An appeal may be filed using the procedure identified in 441—Chapter 7. Notice of an appeal shall be sent to Appeals Section, Department of Human Services, Hoover State Office Building, Fifth Floor, 1305 East Walnut, Des Moines, Iowa 50319-0114, within 30 calendar days of the written decision from the commission.

441—24.9(225C) *Exceptions to policy.* Requests for exceptions to the policies in this chapter shall follow the policies and procedures in the department's general rule on exceptions to policy at 441—1.8(17A,217).

These rules are intended to implement Iowa Code chapter 225C.

441—24.10 to 24.19 Reserved.

DIVISION II
CRISIS RESPONSE SERVICES

PREAMBLE

The department of human services in consultation with the mental health and disability services commission has established this set of standards to be met by all providers of crisis response services.
[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.20(225C) Definitions.

“*Action plan*” means a written plan developed for discharge in collaboration with the individual receiving crisis response services to identify the problem, prevention strategies, and management tools for future crises.

“*Crisis assessment*” means a face-to-face clinical interview to ascertain an individual’s current and previous level of functioning, potential for dangerousness, physical health, and psychiatric and medical condition. The crisis assessment becomes part of the individual’s action plan.

“*Crisis incident*” means an occurrence leading to physical injury or death, or an occurrence resulting from a prescription medication error, or an occurrence triggering a report of child or dependent adult abuse.

“*Crisis response services*” means short-term individualized crisis stabilization services which follow a crisis screening or assessment and which are designed to restore the individual to a prior functional level.

“*Crisis response staff*” means a person trained to provide crisis response services in accordance with rule 441—24.24(225C).

“*Crisis screening*” means a process to determine what crisis response service is appropriate to effectively resolve the presenting crisis.

“*Crisis stabilization community-based services*” or “*CSCBS*” means short-term services designed to de-escalate a crisis situation and stabilize an individual following a mental health crisis and provided where the individual lives, works or recreates.

“*Crisis stabilization residential services*” or “*CSRS*” means a short-term alternative living arrangement designed to de-escalate a crisis situation and stabilize an individual following a mental health crisis and is provided in organization-arranged settings of no more than 16 beds.

“*Department*” means the department of human services.

“*Dispatch*” means the function within crisis line operations to coordinate access to crisis care.

“*Face-to-face*” means services provided in person or utilizing telehealth in conformance with the federal Health Insurance Portability and Accountability Act (HIPAA) privacy rules.

“*Family support peer specialist*” means the same as defined in rule 441—25.1(331).

“*Informed consent*” means the same as defined in rule 441—24.1(225C).

“*Mental health crisis*” means a behavioral, emotional, or psychiatric situation which results in a high level of stress or anxiety for the individual or persons providing care for the individual and which cannot be resolved without intervention.

“*Mental health professional*” means the same as defined in Iowa Code section 228.1.

“*Mobile response*” means a mental health service which provides on-site, face-to-face mental health crisis services for an individual experiencing a mental health crisis. Crisis response staff providing mobile response have the capacity to intervene wherever the crisis is occurring, including but not limited to the individual’s place of residence, an emergency room, police station, outpatient mental health setting, school, recovery center or any other location where the individual lives, works, attends school, or socializes.

“*Peer support services*” means a service provided by a peer support specialist, including but not limited to education and information, individual advocacy, family support groups, crisis response, and respite to assist individuals in achieving stability in the community.

“*Peer support specialist*” means the same as defined in rule 441—25.1(331).

“*Physical health*” means any chronic or acute health factors that need to be addressed during crisis delivery services.

“*Qualified prescriber*” means a practitioner or other staff following the instruction of a practitioner as defined in Iowa Code section 155A.3 and a physician assistant or advanced registered nurse practitioner operating under the prescribing authority granted in Iowa Code section 147.107.

“*Restraint*” means the application of physical force or the use of a chemical agent or mechanical device for the purpose of restraining the free movement of an individual’s body to protect the individual, or others, from immediate harm.

“Rights restriction” means limitations not imposed on the general public in the areas of communications, mobility, finances, medical or mental health treatment, intimacy, privacy, type of work, religion, and place of residence.

“Self-administered medication” means the process where a trained staff member observes an individual inject, inhale, ingest or, by any other means, take medication following the instructions of a qualified prescriber.

“Stabilization plan” means a written short-term strategy used to stabilize a crisis and developed by a mental health professional, in collaboration with the crisis response staff and with the involvement and consent of the individual or the individual’s representative.

“Staff-administered medication” means the direct application of a prescription drug, whether by injection, inhalation, ingestion, or any other means, to the body of an individual by a qualified prescriber or authorized staff following instructions of a qualified prescriber.

“Telehealth” is the use of electronic information and telecommunications technologies to support long-distance clinical health care, patient and professional health-related education, public health and health administration. Technologies include videoconferencing, the Internet, store-and-forward imaging, streaming media, and terrestrial and wireless communications.

“Treatment summary” means a written summarization of the treatment and action plan at the point of an individual’s discharge or transition to another service.

“Twenty-four-hour crisis line” means a crisis line providing information and referral, counseling, crisis service coordination, and linkages to crisis screening and mental health services 24 hours a day.

“Twenty-four-hour crisis response” means services are available 24 hours a day, 365 days a year, providing access to crisis screening and assessment and linkage to mental health services.

“Twenty-three-hour observation and holding” means a level of care provided for up to 23 hours in a secure and protected, medically staffed, psychiatrically supervised treatment environment.

“Warm line” means a telephone line staffed by individuals with lived experience who provide nonjudgmental, nondirective support to an individual who is experiencing a personal crisis.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.21(225C) Standards for crisis response services. An organization may be accredited to provide any one or all of the identified crisis response services. An organization seeking crisis response service accreditation shall comply with the general standards within this division and additional standards for each specific service.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.22(225C) Standards for policies and procedures. Policies and procedures manuals contain policy guidelines and administrative procedures for all activities and services and address the standards in rule 441—24.2(225C).

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.23(225C) Standards for organizational activities.

24.23(1) The organization shall meet the standards in subrules 24.3(1) through 24.3(5).

24.23(2) The organization shall describe the staffing structure that details how staff are utilized to provide the specific crisis stabilization services in rules 441—24.32(225C) through 441—24.39(225C).

[ARC 1660C, IAB 10/15/14, effective 12/1/14; ARC 3057C, IAB 5/10/17, effective 7/1/17]

441—24.24(225C) Standards for crisis response staff. All crisis response staff shall meet the qualifications described in this rule. Additional staff requirements are described in each service.

24.24(1) Performance benchmark. Qualified crisis response staff provide crisis response services.

24.24(2) Performance indicators.

a. One or more of the following qualifications are met:

(1) A mental health professional as defined in Iowa Code section 228.1.

(2) A bachelor's degree with 30 semester hours or equivalent in a human services field (including, but not limited to, psychology, social work, nursing, education) and a minimum of one year of experience in behavioral or mental health services.

(3) A law enforcement officer with a minimum of two years of experience in the law enforcement officer's field.

(4) An emergency medical technician (EMT) with a minimum of two years of experience in the EMT's field.

(5) A peer support specialist with a minimum of one year of experience in behavioral or mental health services.

(6) A family support peer specialist with a minimum of one year of experience in behavioral or mental health services.

(7) A registered nurse with a minimum of one year of experience in behavioral or mental health services.

(8) A bachelor's degree in a non-human services-related field, associate's degree, or high school diploma (or equivalency) with a minimum of two years of experience in behavioral or mental health services, and 30 hours of crisis and mental health in-service training (in addition to the required 30 hours of department-approved training).

b. Documentation in staff records to verify satisfactory completion of department-approved training including:

(1) A minimum of 30 hours of department-approved crisis intervention and training.

(2) A posttraining assessment of competency is completed.

[ARC 1660C, IAB 10/15/14, effective 12/1/14; ARC 3057C, IAB 5/10/17, effective 7/1/17]

441—24.25(225C) Standards for services.

24.25(1) *Standard for eligibility.* An eligible recipient is an individual experiencing a mental health crisis or emergency where a mental health crisis screening is needed to determine the appropriate level of care.

24.25(2) *Confidentiality and legal status.* Standards in subrule 24.4(6) are met.

24.25(3) *Service systems.* Standards in subparagraphs 24.4(7) "b"(1) to (3) are met.

24.25(4) *Respect for individual rights.* Standards in subrule 24.4(8) are met.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.26(225C) Accreditation. The administrator for the division of mental health and disability services shall determine whether to grant, deny or revoke the accreditation of the centers and services as determined in Iowa Code section 225C.6(1) "c."

24.26(1) The organization shall meet the standards of subrule 24.5(1), with the addition of crisis response service organizations.

24.26(2) The organization shall meet the standards in subrules 24.5(2) and 24.5(3).

24.26(3) Performance outcome determinations are as follows:

a. Quality assurance staff shall determine a performance compliance level based on the number of indicators found to be in compliance.

(1) For service indicators, if 25 percent or more of the files reviewed do not comply with the requirements for a performance indicator, that indicator is considered out of compliance and corrective action is required.

(2) Corrective action is required when any indicator under policies and procedures or activities is not met.

b. In the overall rating, the performance rating for policies and procedures shall count as 15 percent of the total, activities as 15 percent of the total, and services as 70 percent of the total.

(1) Each of the three indicators for policies and procedures has a value of 5.0 out of a possible score of 15.

(2) Each of the 34 indicators for activities has a value of .44 out of a possible score of 15.

(3) Each service has a separate weighting according to the total number of indicators applicable for that service, with a possible score of 70, as follows:

c. Quality assurance staff shall determine a separate score for each service to be accredited. When an organization offers more than one service under this chapter, there shall be one accreditation award for all the services based upon the lowest score of the services surveyed.

Service	Number of Indicators	Value of Each Indicator
24-hour crisis response	19	3.9
Crisis evaluation	20	3.5
24-hour crisis line	23	3.0
Warm line	20	3.5
Mobile response	18	3.9
23-hour observation and holding	44	1.6
Crisis stabilization, community-based	39	1.8
Crisis stabilization, residential	50	1.4

24.26(4) The organization shall meet the standards in subrules 24.5(5) to 24.5(7).
[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.27(225C) Deemed status. The department shall grant deemed status to organizations accredited by a recognized national, not-for-profit, accrediting body when the department determines the accreditation is for similar services. The organization shall fulfill the standards described in subrules 24.6(1) to 24.6(6). The national accrediting bodies currently recognized as meeting division criteria for possible deeming are:

1. The Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
2. The Commission on Accreditation of Rehabilitation Facilities (CARF).
3. The Council on Quality and Leadership in Supports for People with Disabilities (The Council).
4. The Council on Accreditation of Services for Families and Children (COA).
5. The American Association of Suicidology (AAS).
6. Contact USA.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.28(225C) Complaint process. The department shall receive and record complaints by individuals using services, employees, any interested people, and the public relating to or alleging violations of applicable requirements of the Iowa Code or administrative rules in accordance with the standards described in rule 441—24.7(225C).

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.29(225C) Appeal procedure. The department shall receive appeals according to the process in rule 441—24.8(225C).

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.30(225C) Exceptions to policy. The department shall receive exceptions to policy meeting the standards in rule 441—24.9(225C).

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.31(225C) Standards for individual crisis response services. Crisis response services provided to children and youth include coordination with parents, guardians, family members, natural supports, and service providers and with other systems such as education, juvenile justice and child welfare.

Crisis response services for individuals who have co-occurring or multi-occurring diagnoses focus on the integration and coordination of treatment services, and supports necessary to stabilize the individual, without regard to which condition is primary. Crisis response services are not to be denied due to the presence of a co-occurring substance abuse condition or developmental or neurodevelopmental disability.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.32(225C) Crisis evaluation. Crisis evaluation consists of two components: crisis screening and crisis assessment.

24.32(1) Crisis screening. The purpose of crisis screening is to determine the presenting problem and appropriate level of care.

a. Performance benchmark. Crisis screening includes a brief assessment of suicide lethality, substance use, alcohol use and safety needs. Crisis screening can be provided through contact with crisis response staff and through communication with the individual.

b. Performance indicators.

- (1) Crisis response staff are trained in crisis screening.
- (2) A uniform process for crisis screening and referrals is outlined in policies and procedures.
- (3) Crisis screening records are kept in individual files.

24.32(2) Crisis assessment. The purpose of crisis assessment is to determine the precipitating factors of the crisis, the individual and family functioning needs, and the diagnosis if present and to initiate a stabilization plan and discharge plan. A licensed mental health professional conducts a crisis assessment within 24 hours of an individual's admission to a crisis response service.

a. Assessment requirements. The crisis assessment includes:

- (1) Action plan.
- (2) Active symptoms of psychosis.
- (3) Alcohol use.
- (4) Coping ability.
- (5) History of trauma.
- (6) Impulsivity or absence of protective factors.
- (7) Intensity and duration of depression.
- (8) Lethality assessment.
- (9) Level of external support available to the individual.
- (10) Medical history.
- (11) Physical health.
- (12) Prescription medication.
- (13) Crisis details.
- (14) Stress indicators and level of stress.
- (15) Substance use.

b. Performance benchmark. Individuals receive comprehensive assessment by a mental health professional to determine the appropriate level of care.

c. Performance indicators.

(1) Written policies and procedures describe a uniform process for assessment, referrals and record documentation.

(2) Mental health professionals as defined in Iowa Code section 228.1(6) will complete assessments.

(3) Information collected is sufficient to determine the appropriate level of care.

(4) Assessment results are explained to the individual and family or guardian when appropriate.

(5) The individual's strengths, preferences and needs are included in an action plan. The family or guardian may receive a copy of an action plan with a signed release.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.33(225C) Twenty-four-hour crisis response. The purpose of 24-hour crisis response is to provide access to crisis screening and assessment to de-escalate and stabilize the crisis. When the assessment indicates, a stabilization plan is developed to support the individual's return to a prior level of functioning. Twenty-four-hour crisis response staff link the individual to appropriate services. Crisis response staff provide service to individuals of any age.

24.33(1) Performance benchmark. Individuals in crisis have the ability to access crisis response services, including, but not limited to, crisis screening, crisis assessment and stabilization in the least restrictive level of care appropriate.

24.33(2) Performance indicators.

- a. Information on how to access 24-hour crisis response is publicized to facilitate availability of services to individuals using the service, family members and the public.
- b. Individuals accessing the service receive crisis screening and crisis response services from appropriate crisis response staff.
- c. Crisis screening is available and accessible face-to-face, using telephone or Web-based options, 24 hours a day, 365 days a year.
- d. A mental health professional is available for crisis assessment and consultation 24 hours a day, 365 days a year. The mental health professional has access to a qualified prescriber for consultation.
- e. The staffing pattern and schedule is documented.
- f. The integration and coordination of care is documented in the individual's record.
- g. The discharge, action and follow-up plans are documented in the individual's record, and copies of the plans are provided to the individual. The family or guardian may receive a copy with a signed release.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.34(225C) Twenty-four-hour crisis line. A 24-hour crisis line provides counseling, crisis service coordination, information and referral, linkage to services and crisis screening. Crisis line staff are qualified to provide crisis stabilization services pursuant to subrule 24.24(2).

24.34(1) Performance benchmark. Crisis screening, counseling, crisis service coordination and referrals are provided to individuals in crisis.

24.34(2) Performance indicators.

- a. The crisis line service is available 24 hours a day, 365 days a year.
- b. Policies are in place regarding how the crisis line is answered live, when to utilize the hold feature, the use of queue systems and triage of calls.
- c. Policies and procedures govern the use of technology, including telephonic and Internet capability in the service delivery structure, quality assurance, data integrity and confidentiality.
- d. Procedures are in place for ensuring the quality of the crisis line, including monitoring calls and corrective action plans.
- e. The crisis line is an integrated component of the crisis response service system; the crisis line is answered in an organization setting by trained crisis response staff.
- f. Policies define collaborative efforts and triage procedure between the mobile outreach teams, law enforcement and emergency services.
- g. Policies are in place to ensure follow-up contacts are provided within 24 hours of a crisis call for all risk cases. The crisis line integrates follow-up into all crisis service contacts.
- h. The crisis line utilizes standardized call center software with the capability to track:
 - (1) Date and time of answered call, topic of call, crisis screening provided, referral made, hold time, and demographics of call.
 - (2) Number of contacts, including terminated and lost calls.
- i. Policies and procedures describe a uniform process of crisis screening and training for crisis line staff.
- j. Training includes crisis screening tools, lethality assessment, crisis counseling, cultural competence, crisis service coordination, and information and referral.
- k. Twenty-four-hour access to a mental health professional is required.

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.35(225C) Warm line. A peer-operated warm line is a service individuals can access to talk with someone with lived experience with mental, behavioral health and trauma issues. The line provides a resource for individuals experiencing emotional distress.

24.35(1) Performance benchmark. A warm line provides nonjudgmental listening, nondirective assistance, information, referral, and triage when appropriate.

24.35(2) Performance indicators.

- a. Policies are in place regarding how the warm line is answered live, placing callers on hold and when appropriate to use a queue system.
- b. Policies and procedures are in place for standard collection of demographics, the presented reason for calling and outcome of call.
- c. Policies and procedures are in place for crisis screening and when to triage a caller to a higher level of service.
- d. Data collection includes call answer times, duration of calls, and number of calls dropped, lost or terminated.
- e. Policies and procedures describe the staffing pattern and schedule.
- f. Warm-line staff can receive calls remotely through telephones or computers or within an organization.
- g. Staff qualifications and training for peer support specialists and family support peer specialists are required.
- h. Twenty-four-hour access to a mental health professional is required.
[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.36(225C) Mobile response. Crisis response staff provide on-site, in-person intervention for individuals experiencing a mental health crisis. The mobile response staff provide crisis response services in the individual's home or at locations in the community. Staff work in pairs to ensure staff safety and the safety of the individual served. A single staff member may respond if another person who meets one of the criteria listed in paragraph 24.24(2) "a" will be available on site. Twenty-four-hour access to a mental health professional is required.

24.36(1) Performance benchmark. Mobile response services are delivered to individuals in crisis in a timely manner.

24.36(2) Performance indicators.

- a. Mobile response staff are dispatched immediately after crisis screening has determined the appropriate level of care. If the mobile response staff already are responding to another call, staff explain to the caller that there may be a delay in receiving a mobile response and offer an alternative response.
- b. Mobile response staff have face-to-face contact with the individual in crisis within 60 minutes from dispatch. If the mobile response staff are responding to another request, there may be a delay in receiving mobile response and an alternative response should be provided.
- c. Data is collected to track and trend response time from initial dispatch, the time to respond to dispatch when a team is already in response; diversion from or admission to hospitals, correctional facilities and other crisis response services. The data for each fiscal year is reported to the department within 60 days of the close of the fiscal year.
- d. When an action plan is developed, a copy is sent within 24 hours, with the individual's signed consent, to service providers, the individual and others as appropriate.
- e. The following information is documented in the individual's service record:
 - (1) Triage and referral information.
 - (2) Reduction in the level of risk present in the crisis situation.
 - (3) Coordination with other mental health resources.
 - (4) Names and affiliation of all individuals participating in the mobile response.
- f. A follow-up appointment with the individual's preferred provider will be made, and mobile response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.
[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.37(225C) Twenty-three-hour crisis observation and holding. Twenty-three-hour crisis observation and holding services may be a stand-alone service or embedded within a crisis stabilization residential service. Twenty-three-hour crisis observation and holding services are designed for individuals who need short-term crisis intervention in a safe environment less restrictive than hospitalization. This level of service is appropriate for individuals who require protection or when an individual's ability to cope in the community is severely compromised and it is expected the crisis can

be resolved in 23 hours. Twenty-three-hour crisis observation and holding services include, but are not limited to, treatment, medication administration, meeting with extended family or significant others, and referral to appropriate services. Twenty-three-hour crisis observation and holding chairs can be utilized.

24.37(1) Admission criteria. The services may be provided if any of the following admission criteria are met:

a. There are indications the symptoms can be stabilized and an alternative treatment can be initiated within a 23-hour period.

b. The presenting crisis cannot be safely evaluated or managed in a less restrictive setting, or no such setting is available.

c. The individual does not meet inpatient criteria, and it is determined a period of observation assists in the stabilization and prevention of symptom exacerbation.

d. Further evaluation is necessary to determine the individual's service needs.

e. There is an indication of actual or potential danger to self or others as evidenced by a current threat or ideation.

f. There is a loss of impulse control leading to life-threatening behavior and other psychiatric symptoms requiring stabilization in a structured, monitored setting.

g. The individual is experiencing a crisis demonstrated by an abrupt or substantial change in normal life functioning brought on by a specific cause, sudden event or severe stressor.

24.37(2) Staffing requirements.

a. A designated medical director or administrator is responsible for the management and operation of the organization or facility.

b. Registered nurse practitioners and physician assistants have at least two years of mental health experience.

c. At least one mental health professional is available for consultation 24 hours a day, 365 days a year.

d. A mental health professional as defined in Iowa Code section 228.1(6) provides mental health services appropriate to the individual's needs.

e. Crisis response staff are on duty 24 hours a day.

f. A registered nurse is available on site 24 hours a day.

24.37(3) Twenty-three-hour observation and holding safety.

a. Performance benchmark. An incident report is created when staff are notified an incident has occurred.

b. Performance indicators.

(1) The incident report documents:

1. The name of the individual or individuals who were involved in the incident.

2. Date and time of occurrence of the incident.

3. A description of the incident.

4. Names and signatures of all staff present at the time of the incident.

5. The action taken by the staff.

6. The resolution or follow-up to the incident.

(2) A copy of the incident report is kept in a centralized file and a copy is given to the individual, the mental health and disability services region, and the individual's parent or guardian when appropriate.

24.37(4) Service requirements.

a. Performance benchmark. A treatment summary is provided to the individual and the individual's treatment team when applicable.

b. Performance indicators. The minimum treatment summary requirements include:

(1) Action plan.

(2) Crisis assessment, including challenges and strengths.

(3) Course and progress of the individual with regard to each identified challenge.

(4) Evaluation of the individual's mental status to inform ongoing placement and support decisions.

(5) Recommendations and arrangements for further service needs.

(6) Signature of the mental health professional.

(7) Treatment interventions.

c. Performance benchmark. The individual using this service is provided a safe, secure observation and holding service in a location meeting the needs of the individual and in the least restrictive setting.

d. Performance indicators.

(1) Individuals give informed consent.

(2) Treatment providers, family members and other natural supports as appropriate are contacted within 23 hours of the individual's admission.

(3) Written policies and procedures cover medication administration, storage and documentation.

(4) Individual records include, but are not limited to, a treatment summary and verification of individual choice.

(5) The 23-hour crisis observation and holding facility is a welcoming and comfortable environment conducive to recovery.

(6) The 23-hour crisis observation and holding is primarily used as a diversion from hospital level of care.

(7) Communication attempts and contact with the individual's team will be documented.

(8) A follow-up appointment with the individual's preferred provider will be made, and crisis response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

(9) There are written policies and procedures of how to document and track discharge locations.

(10) The actual number of individuals served within the 23-hour period is documented. Individual treatment records contain reasons why individuals stay beyond the 23-hour period.

(11) Readmission data and length of time between admissions are tracked for data trend reports.

e. Performance benchmark. Policies and procedures address the additional safety standards for 23-hour crisis and observation services.

f. Performance indicators.

(1) Service compliance is documented regarding state fire marshal rules and fire ordinances and applicable local health, fire, occupancy code, and safety regulations.

(2) Based on standards used for public facilities, all food and drink is clean, wholesome, free from spoilage, and stored and served in a manner safe for human consumption.

(3) Doors must not be locked from the inside. The use of door locks is as approved by the fire marshal and professional staff.

(4) Twenty-three-hour observation and holding services have an emergency preparedness plan to describe the process for an individual to continue receiving services during a disaster including, but not limited to, cases of severe weather or fire.

g. Performance benchmark. Policies and procedures address the cleanliness of the 23-hour observation and holding service.

h. Performance indicators.

(1) Services provide a safe, clean, well-ventilated, properly heated environment in good repair and free from vermin.

(2) An individual's resting or sleeping area includes:

1. A sturdily constructed bed or comfortable chair.

2. A sanitized mattress protected with a clean mattress pad, or sanitized chair.

3. Curtains or blinds are on bedroom windows.

4. Available clean linen.

5. Doors or partitions for privacy.

6. Right to privacy is respected.

(3) Bathrooms include items necessary for personal hygiene and personal privacy.

1. A safe supply of hot and cold running water which is potable.

2. Clean towels, electric hand dryers or paper towel dispensers, and an available supply of toilet paper and soap.

3. Natural or mechanical ventilation capable of removing odors.

4. Tubs or showers have slip-proof surfaces.
 5. Partitions with doors which provide privacy if a bathroom has multiple toilet stools.
 6. Toilets, wash basins, and other plumbing or sanitary facilities are maintained in good operating condition.
 7. Privacy in bathrooms for male and female individuals.
 - i. *Performance benchmark.* Personal rights are acknowledged.
 - j. *Performance indicator.* The following are allowed:
 - (1) Areas in which an individual may be alone when appropriate.
 - (2) Areas for private conversations with others.
 - (3) Secure space for personal belongings.
 - (4) Personal clothing is allowed in accordance with organization policy.
 - k. *Performance benchmark.* Policies and procedures address health and safety standards.
 - l. *Performance indicators.*
 - (1) An emergency preparedness plan is designed to provide effective utilization of available resources during a disaster event including, but not limited to, cases of severe weather or fire.
 - (2) Services comply with rule 441—24.39(225C).
 - (3) There are written policies on safety.
 - (4) Seclusion is not used.
 - (5) Mechanical or chemical restraints are not used at any time.
 - (6) The smokefree air Act, Iowa Code chapter 142D, is followed.
- [ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.38(225C) Crisis stabilization community-based services (CSCBS). The goal of CSCBS is to stabilize the individual within the community. CSCBS is designed as a voluntary service for individuals in need of a safe, secure location that is less intensive and restrictive than an inpatient hospital. Individuals receive CSCBS services including, but not limited to, psychiatric services, medication, counseling, referrals, peer support and linkage to ongoing services. The duration for CSCBS is expected to be less than five days.

24.38(1) Eligibility. To be eligible, an individual must:

- a. Be determined appropriate for the service by mental health assessment; and
- b. Be determined not to need inpatient acute hospital psychiatric services.

24.38(2) Staffing requirements.

- a. A designated director or administrator is responsible for the management and operation of the CSCBS.
- b. At least one licensed nurse practitioner, physician assistant, or psychiatrist is available for consultation 24 hours a day, 365 days a year.
- c. Mental health professionals with expertise appropriate to the individual's needs provide services.
- d. Contact between the individual and a mental health professional occurs at least one time a day.
- e. Additional services are provided by crisis response staff at a minimum of one hour per day, including, but not limited to, skill building, peer support or family support peer services. The goal of CSCBS is to stabilize the individual within the community. CSCBS is designed for voluntary services for individuals in need of a safe, secure location that is less intensive and restrictive than an inpatient hospital.
- f. Crisis response staff must be awake and attentive 24 hours a day.

24.38(3) Performance benchmark. The individual using CSCBS is provided safe, secure and structured crisis stabilization services in the least restrictive location meeting the needs of the individual. The CSCBS can be for youth aged 18 and under or adults aged 18 and older.

24.38(4) Performance indicators.

- a. The individual can provide consent for treatment providers, family members and other natural supports to be contacted within 24 hours of admission.

b. Daily crisis stabilization services include, at minimum, daily contact with a mental health professional and one hour of additional crisis stabilization services from crisis response staff.

c. The numbers of days an individual receives crisis stabilization services are documented. The documentation records specific reasons for the delivery of services beyond five days.

d. Individual records are maintained to document the following:

(1) Daily contact with a mental health professional.

(2) Additional services provided including, but not limited to, skill building, peer support or family support peer services.

(3) Medication record.

e. Individual choice is verified including, but not limited to, treatment participation and discharge plan options.

f. Readmission data is tracked, including an analysis of data trends looking at effectiveness, and appropriate corrective action taken. The information is documented in the performance improvement system files.

24.38(5) Crisis stabilization incident reporting.

a. Performance benchmark. An incident report is filed when staff are notified an incident has occurred.

b. Performance indicators.

(1) The incident report documents:

1. The name of the individual involved in the incident.

2. Date and time the incident occurred.

3. A description of the incident.

4. Names and signatures of all staff present at the time of the incident.

5. The action the staff took to handle the situation.

6. The resolution or follow-up to the incident.

(2) A copy of the incident report is kept in a centralized file and a copy given to the individual, the mental health and disability services region, and the parent or guardian when appropriate.

24.38(6) Service requirements.

a. Stabilization plan. The individual in crisis is involved collaboratively in all aspects of crisis stabilization services including, but not limited to, admission, treatment planning, intervention, and discharge. The involvement of family members and others is encouraged.

Within 24 hours of an individual's admission to crisis stabilization services, a written short-term stabilization plan is developed, with the involvement and consent of the individual, and is reviewed frequently to assess the need for the individual's continued placement in CSCBS. At a minimum, this plan includes:

(1) Criteria for discharge, including referrals and linkages to appropriate services and coordination with other systems.

(2) Description of any physical disability and any accommodations necessary to provide the same or equal services and benefits as those afforded nondisabled individuals.

(3) Evidence of input by the individual, including the individual's signature.

(4) Goal statement. Goals are consistent with the individual's needs and projected duration of service delivery and include objectives which build on strengths and are stated in terms allowing measurement of progress.

(5) Rights restrictions.

(6) Names of all other persons participating in the development of the plan.

(7) Specification of treatment responsibilities and methods.

b. Performance benchmark. A stabilization plan is completed within 24 hours of the individual's admittance.

c. Performance indicators.

(1) Individual records include a written short-term stabilization plan developed with the involvement and consent of the individual within 24 hours of admittance and reviewed frequently to assess the need for continued placement in CSCBS.

(2) Individual records indicate a crisis stabilization plan is completed within the 24-hour time frame.

(3) Reasons for crisis stabilization plans not meeting the criteria are documented.

(4) A follow-up appointment with the individual's preferred provider will be made, and crisis response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

24.38(7) Treatment summary. Prior to the individual's discharge from CSCBS, a treatment summary is completed. A copy of the summary is provided to the individual and shared with the individual's treatment team of providers, if applicable.

a. Contents. At a minimum, the treatment summary includes:

(1) Course and progress of the individual with regard to each identified problem.

(2) Documented note of a mental health professional contact one time daily.

(3) Evolution of the mental status to inform ongoing placement and support decisions.

(4) Final assessment, including general observations and significant findings of the individual's condition initially while services were being provided and at discharge.

(5) Recommendations and arrangements for further service needs.

(6) Signature of the mental health professional.

(7) Stabilization plan.

(8) Reasons for termination of service.

(9) Treatment interventions.

b. Performance benchmark. A treatment summary is completed during the length of stay in CSCBS.

c. Performance indicators.

(1) Records include a written treatment summary developed with the involvement of the individual. A copy of the summary is provided upon discharge.

(2) Incidents in which a treatment plan was not completed within the length of stay and any corrective action necessary to alleviate this issue are documented.

24.38(8) Health and safety.

a. Performance benchmark. Emergency preparedness policies and procedures include health and safety measures.

b. Performance indicators.

(1) Emergency preparedness plans are designed to provide effective utilization of available resources for care to continue during a disaster event including, but not limited to, cases of severe weather or fire.

(2) Crisis services comply with rule 441—24.39(225C).

[ARC 1660C, IAB 10/15/14, effective 12/1/14]

441—24.39(225C) Crisis stabilization residential services (CSRS). Crisis stabilization residential services are short-term services provided in facility-based settings of no more than 16 beds. The goal of CSRS is to stabilize and reintegrate the individual back into the community. Crisis stabilization residential services are designed for voluntary individuals who are in need of a safe, secure environment less intensive and restrictive than an inpatient hospital. Crisis stabilization residential services have the capacity to serve more than two individuals at a time. Crisis stabilization residential services can be for youth aged 18 and younger or adults aged 18 and older. Youth and adults cannot be housed in the same facility setting. Facilities licensed by the department of inspections and appeals for other services would have to comply with the provisions of Iowa Administrative Code rule 481—57.50(135C) for operating another business or activity in the facility.

24.39(1) Eligibility. To be eligible, an individual must:

a. Be an adult aged 18 or older or a youth aged 18 or under.

b. Be determined appropriate for the service by a mental health assessment; and

c. Be determined to not need inpatient acute hospital psychiatric services.

24.39(2) Staffing requirements.

a. A designated director or administrator is responsible for the management and operation of the CSRS of no more than 16 beds.

b. At least one licensed mental health professional is available for consultation 24 hours a day, 365 days a year.

c. Crisis stabilization residential services are provided by a mental health professional with expertise appropriate to the individual's needs.

d. Each individual has contact with a mental health professional at least one time a day.

e. Each individual has a minimum of one hour per day of additional services provided by crisis response staff including, but not limited to, skill building, peer support or family support peer services; or other therapeutic programming.

f. Awake and attentive staffing 24 hours a day, 365 days a year is provided.

24.39(3) Performance benchmark. The individual is provided safe, secure and structured crisis stabilization services in the least restrictive location meeting the individual's needs.

24.39(4) Performance indicators.

a. Individual's consent is documented, and treatment providers, family members and other natural supports are contacted within 24 hours of admission.

b. A comprehensive mental health assessment is completed within 24 hours of admission.

c. Daily crisis stabilization includes, at minimum, daily contact with a mental health professional and one hour of additional crisis stabilization service.

d. The length of stay is expected to be less than five days.

e. The number of days an individual receives crisis stabilization services is documented. The documentation records specific reasons for lengths of stay beyond five days.

f. Records include:

(1) Stabilization plan.

(2) Medication record.

(3) Treatment summary.

(4) Daily contact with a mental health professional.

g. Additional services provided include, but are not limited to, skill building, peer support or family support peer services.

h. Individual choice is verified including, but not limited to, treatment participation and discharge plan options.

i. Data of readmission is tracked including an analysis of data trends, looking at effectiveness, and appropriate corrective action. The information is documented in the performance improvement system.

j. Documentation tracks that the youth's education needs are met with educational services received in the CSRS, and an action plan is in place to return the youth to school upon discharge.

24.39(5) Crisis stabilization incident reporting.

a. *Performance benchmark.* An incident report is completed when staff are notified an incident has occurred.

b. *Performance indicators.*

(1) The incident report documents:

1. The name of the individual who was involved in the incident.

2. Date and time of occurrence of the incident.

3. A description of the incident.

4. Names and signatures of all staff present at the time of the incident.

5. The action staff took to handle the situation.

6. The resolution or follow-up to the incident.

(2) A copy of the incident report is maintained in a centralized file and a copy given to the individual, the mental health and disability services region, and the parent or guardian when appropriate.

24.39(6) Service requirements.

a. *Stabilization plan.* The individual is involved collaboratively in all aspects of crisis stabilization services including, but not limited to, admission, treatment planning, intervention, and discharge. The involvement of family members and others is encouraged.

Within 24 hours of admission to CSRS, a written short-term stabilization plan is developed, with the involvement and consent of the individual, and reviewed frequently to assess the need for continued placement in CSRS. At a minimum, this plan includes:

(1) Criteria for discharge, including referrals and linkages to appropriate services and coordination with other systems.

(2) Description of any physical disability and accommodations necessary to provide the same or equal services and benefits as those afforded nondisabled individuals.

(3) Evidence of input by the individual, including the individual's signature.

(4) Goal statement.

(5) Goals consistent with needs and projected length of stay.

(6) Objectives that are built on strengths and allow measurement of progress.

(7) Rights restrictions.

(8) Signatures of all participating in the development of the plan.

(9) Specification of treatment responsibilities and methods.

b. Performance benchmark. A stabilization plan is completed within 24 hours of admittance.

c. Performance indicators.

(1) Records include a written short-term stabilization plan developed with the involvement and consent of the individual within 24 hours of admission and is reviewed frequently to assess the need for continued placement in CSRS.

(2) Records indicating a stabilization plan has been completed within the 24-hour time frame are maintained.

(3) Reasons the stabilization plan does not meet the criteria is documented.

(4) A follow-up appointment with the individual's preferred provider will be made, and crisis response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

24.39(7) Treatment summary. Prior to discharge, a treatment summary is provided and a copy shared with the individual and treatment team as appropriate.

a. Contents. At a minimum, this treatment summary includes:

(1) Course and progress regarding each identified problem.

(2) Documentation of daily contact with a mental health professional.

(3) Impact on placement and support decisions.

(4) Assessment.

(5) Action plan.

(6) Stabilization plan.

(7) Treatment interventions.

(8) Reasons for termination of service.

(9) Signature of the mental health professional.

b. Performance benchmark. A treatment summary is completed during the individual's length of stay in CSRS.

c. Performance indicators.

(1) Records include a written treatment summary developed with the involvement and consent of the individual.

(2) An individual receives a copy of the treatment summary upon discharge.

(3) Corrective action steps are documented when treatment plans are not completed within the length of stay.

24.39(8) Health and safety.

a. Performance benchmarks.

(1) Emergency preparedness policies and procedures include health and safety measures.

(2) Crisis stabilization services meet all applicable local, state and federal regulations.

(3) Medication administration and documentation standards in rule 441—24.40(225C) are documented.

b. Performance indicators.

- (1) Health and fire safety inspections.
 1. Documentation includes Iowa fire marshal rules and fire ordinances, local health, fire, occupancy code, and safety regulations.
 2. Standards for public facilities guide food and beverage safety, nutrition standards, and safe storage of all consumable products.
 3. Crisis stabilization residential services comply with rule 441—24.40(225C).
- (2) Emergency preparedness. Emergency preparedness policies are designed to provide effective utilization of available resources for continuation during a disaster event, including, but not limited to, cases of severe weather or fire.
- (3) The facility is safe, clean, well-ventilated, and a properly heated environment in good repair and free from vermin.
- (4) Bedrooms include:
 1. A sturdily constructed bed.
 2. A sanitized mattress protected with a clean mattress pad.
 3. A designated space in proximity to the sleeping area for personal possessions including clothing.
 4. Curtains or window blinds on bedroom windows.
 5. Available clean linens.
- (5) Sleeping areas include:
 1. Doors for privacy.
 2. Partitioning and placement of furniture to provide privacy.
 3. Rooms accommodate no more than two per room. Single room dimensions are at least 80 square feet not including closets. Dual occupancy rooms are at least 120 square feet not including closets.
 4. Personal belongings and personal touches in the rooms are defined within CSRS policy.
 5. Respect by staff for an individual's right to privacy.
- (6) Personal hygiene and privacy tools are provided:
 1. A safe supply of hot and cold running water which is potable.
 2. Clean towels, electric hand dryers or paper towel dispensers, and an available supply of toilet paper and soap.
 3. Natural or mechanical ventilation capable of removing odors.
 4. Tubs or showers with slip-proof surfaces.
 5. Partitions with doors which provide privacy if a bathroom has multiple toilet stools.
 6. Toilets, wash basins, and other plumbing or sanitary facilities are in good operating condition.
 7. Privacy in bathrooms for male and female individuals.
- (7) Federal laws regarding smoking on property are recognized and followed.
- (8) The following is provided:
 1. Areas in which an individual may be alone when appropriate.
 2. Areas for private conversations with others.
 3. A secure space for personal belongings.
- c. *Housekeeping*. Maintenance of living quarters and day-to-day housekeeping activities are clearly defined in writing and a part of the orientation. Staff assistance and equipment are provided as needed.
- d. *Clothing*.
 - (1) Personal clothing is allowed in accordance with CSRS policy.
 - (2) Clothing may be washed with provided laundry mechanisms.
- e. *Religion/culture*. Rights to religion and culture include:
 - (1) The opportunity to participate in religious activities and services in accordance with the individual's faith or of a minor individual's parent(s) or guardian.
 - (2) Arrange for transportation to religious activities when appropriate per CSRS policy.
- f. *Smoking*. The smokefree air Act, Iowa Code chapter 142D, is included in the CSRS policy.

441—24.40(225C) Medication—administration, storage and documentation. This rule sets forth medication requirements for 23-hour crisis observation and holding, crisis stabilization community-based services, and crisis stabilization residential services.

24.40(1) Performance benchmark. Policies and procedures ensure prescription and over-the-counter drugs are administered or self-administered safely and properly in accordance with federal, state and local laws and regulations. Medication is administered by a qualified prescriber or an individual following the instructions of a qualified prescriber. Medication storage is maintained in accordance with the security requirements of federal, state and local laws. Case records include written policies and procedures regarding use of medication.

24.40(2) Performance indicators.

a. Administration of medication.

(1) Medication administration dose schedules and standardization of abbreviations are documented.

(2) Throughout the CSRS specific methods for control and accountability of medication products are established.

(3) Prescription and over-the-counter drugs are administered or self-administered safely and properly in accordance with federal, state and local laws and regulations.

(4) Medications are prescribed by a qualified prescriber under Iowa law.

(5) Prescription drugs are not administered or self-administered without a written order signed by a qualified prescriber.

b. Staff-administered medication.

(1) Only qualified and authorized staff administers medication, and a current, accurate list of staff is maintained.

(2) Qualified prescribers instruct how medications are administered and documented. The type and amount of medication, time and date of medication administered, and the name of staff administering the medication are transcribed in the medication record.

c. Self-administered medication.

(1) Policies and procedures document which staff have completed department-approved training on self-administration of prescription medication.

(2) Self-administration of prescription and over-the-counter medications are permitted only when the medication label is clear and complete.

d. Medication storage. Medication storage policies under the care and control of the administration include:

(1) All medication is maintained in locked storage, and controlled substances are maintained in a locked box within locked storage.

(2) Medications requiring refrigeration are kept in a refrigerator separated from food and other edible items.

(3) Disinfectants and medication for external use are stored separately from internal and injectable medications.

(4) Each medication is stored in original containers and labeled with the name.

(5) All potent poisonous or caustic medications are clearly labeled; stored separately from other medication, in a specific well-illuminated cabinet, closet, or storeroom; and made accessible only to authorized staff.

(6) Medication provided is dispensed from a licensed pharmacy in the state of Iowa in accordance with the Iowa Code. It can also be provided by a qualified prescriber from a licensed pharmacy in another state according to the laws of the state.

(7) Prescription medications prescribed for one individual are not administered or allowed in the possession of another.

e. Medication labeling. All prescribed medications are clearly labeled with the full name; prescriber's name; prescription number; name and strength of the medication; dosage; directions for use; date of issue; and name, address and telephone number of the pharmacy or prescriber issuing the medication. Medications are packaged and labeled according to state and federal guidelines.

f. Monthly inspection. The staff member in charge of medication provides monthly inspection of all storage units.

g. Damaged labels. Medication containers having soiled, damaged, illegible, or makeshift labels are returned to the issuing pharmacist, pharmacy, or qualified prescriber for relabeling or disposal.

h. Unused medications. Unused prescription drugs are destroyed by staff with a witness present, when an individual leaves the crisis service without medication. A notation is documented in the record. When an individual is discharged or leaves the crisis service, medications currently being administered are sent in their original containers with the individual or with a designated person, with the approval of the qualified prescriber.

i. Medication brought by individual. If the prescribed and over-the-counter medication the individual brings to the CSRS is not used, the medication is packaged, sealed and stored. The sealed packages of medications are returned to the individual or family at the time of discharge.

j. Medication documentation.

(1) Written policies and procedures are in place for the review, approval, and implementation of ethical, safe, human and efficient behavioral intervention procedures.

(2) Written policies and procedures are in place to inform the individual and the individual's legal guardian, when appropriate, about prohibitions on the use of medication as a restraint.

(3) Documentation is required in case records on adverse drug reactions when medications are administered and self-administered.

(4) All medication orders are documented in the case records and document the name of the medication, dose, route of administration, frequency of administration, name of the qualified prescriber prescribing the medication, and name of the staff administering or dispensing the medication.

(5) Medication records are documented by authorized staff administering the medication.

k. Medication rights and responsibilities.

(1) Medication is not used as a restraint. The use of psychopharmacological medication in excess of the standard plan of care is prohibited. Using medication as a restraint includes:

1. Drugs or medications used to control behavior or restrict freedom of movement.

2. Drugs or medications used in excessive amounts or in excessive frequency.

3. Neuroleptics, anxiolytics, antihistamines, and atypical neuroleptics, or other medication used for calming, rather than for the medication's indicated treatment.

(2) Drugs or medications used for standard treatment of the individual's medical or psychiatric condition are not considered to be used as a restraint.

These rules are intended to implement Iowa Code section 331.397 and 2014 Iowa Acts, House File 2379.

CHAPTER 25
DISABILITY SERVICES MANAGEMENT

PREAMBLE

This chapter provides for definitions of regional core services; access standards; implementation dates; practice standards; reporting of regional expenditures; development and submission of regional management plans; data collection; applications for funding as they relate to regional service systems for individuals with mental illness, intellectual disabilities, developmental disabilities, or brain injury; and submission of data for Medicaid offset calculations.

[ARC 0576C, IAB 2/6/13, effective 1/8/13; ARC 0735C, IAB 5/15/13, effective 8/1/13; ARC 1096C, IAB 10/16/13, effective 11/20/13; ARC 1173C, IAB 11/13/13, effective 1/1/14; ARC 1671C, IAB 10/15/14, effective 9/25/14; ARC 4207C, IAB 1/2/19, effective 3/1/19]

DIVISION I
REGIONAL SERVICES

441—25.1(331) Definitions.

“*Access center*” means the coordinated provision of intake assessment, screening for multi-occurring conditions, care coordination, crisis stabilization residential services, subacute mental health services, and substance abuse treatment for individuals experiencing a mental health or substance use crisis who do not need inpatient psychiatric hospital treatment, but who do need significant amounts of supports and services not available in other home- and community-based settings.

“*Adult*” means the same as defined in 441—subrule 78.27(1).

“*Assertive community treatment*” or “*ACT*” means a program of comprehensive outpatient services consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration, provided in the community and directed toward the amelioration of symptoms and the rehabilitation of behavioral, functional, and social deficits of individuals with severe and persistent mental illness and individuals with complex symptomology who require multiple mental health and supportive services to live in the community.

“*Assessment and evaluation*” means the clinical review by a mental health professional of the current functioning of the individual using the service in regard to the individual’s situation, needs, strengths, abilities, desires and goals to determine the appropriate level of care.

“*Brain injury*” means the same as defined in rule 441—83.81(249A).

“*Care coordination*” means facilitating communication and ensuring provision of services among multiple professionals and service providers, the individual, and family members or other natural supports when designated by the individual, and ensuring the individual has the information necessary to actively participate in service and discharge or transition planning.

“*Case management*” means service provided by a case manager who assists individuals in gaining access to needed medical, social, educational, and other services through assessment, development of a care plan, referral, monitoring and follow-up using a strengths-based service approach that helps individuals achieve specific desired outcomes leading to a healthy self-reliance and interdependence with their community.

“*Case manager*” means a person who has completed specified and required training to provide case management through the medical assistance program.

“*Community-based crisis intervention service*” means a program designed to stabilize an acute crisis episode and to restore an individual and family to their pre-crisis level of functioning. Crisis services are available 24 hours a day, 365 days a year, including telephone and walk-in crisis service and crisis care coordination.

“*Comprehensive assessment*” means the same as “crisis assessment” defined in rule 441—24.20(225C) for individuals being referred to crisis stabilization residential services and means the same as “assessment” defined in rule 481—71.2(135G) for individuals being referred to subacute mental health services.

“*Crisis assessment*” means the same as defined in rule 441—24.20(225C).

“*Crisis care coordination*” means a service provided during an acute crisis episode that facilitates working together to organize a plan and service transition programming, including working agreements with inpatient behavioral health units and other community programs. The service shall include referrals to mental health services and other supports necessary to maintain community-based living capacity, including case management as defined herein.

“*Crisis evaluation*” means the process used with an individual to collect information related to the individual’s history and needs, strengths, and abilities in order to determine appropriate services or referral during an acute crisis episode.

“*Crisis intervention plan*” means the same as defined in rule 441—24.1(225C).

“*Crisis screening*” means a brief assessment to make a determination of the presenting problem and referral to the appropriate level of care.

“*Crisis stabilization community-based services*” or “*CSCBS*” means the same as defined in rule 441—24.20(225C).

“*Crisis stabilization residential services*” or “*CSRS*” means the same as defined in rule 441—24.20(225C).

“*Day habilitation*” means services that assist or support the individual in developing or maintaining life skills and community integration. Services shall enable or enhance the individual’s functioning, physical and emotional health and development, language and communication development, cognitive functioning, socialization and community integration, functional skill development, behavior management, responsibility and self-direction, daily living activities, self-advocacy skills, or mobility.

“*Emergency care*” means the same as defined in rule 441—88.21(249A).

“*Emergency detention*” means the same as “immediately detained” as described in Iowa Code section 229.22(1).

“*Evidence-based services*” means using interventions that have been rigorously tested, have yielded consistent, replicable results, and have proven safe, beneficial and effective and have established standards for fidelity of the practice.

“*Face-to-face*” means the same as defined in rule 441—24.20(225C).

“*Family psychoeducation*” means services including the provision of emotional support, education, resources during periods of crisis, and problem-solving skills consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration.

“*Family support*” means services provided by a family support peer specialist that assist the family of an individual to live successfully in the family or community including, but not limited to, education and information, individual advocacy, family support groups, and crisis response.

“*Family support peer specialist*” means a parent, primary caregiver, foster parent or family member of an individual who has successfully completed standardized training to provide family support through the medical assistance program or the Iowa Behavioral Health Care Plan.

“*Group supported employment*” means the job and training activities in business and industry settings for groups of no more than eight workers with disabilities. Group settings include enclaves, mobile crews, and other business-based workgroups employing small groups of workers with disabilities in integrated, sustained, paid employment.

“*HCBS*” means home- and community-based services as defined in rule 441—78.27(249A).

“*Health homes*” means a service model that facilitates access to an interdisciplinary array of medical care, behavioral health care, and community-based social services and supports for both children and adults with chronic conditions. Services may include comprehensive care management; care coordination and health promotion; comprehensive transitional care from inpatient to other settings, including appropriate follow-up; individual and family support, which includes authorized representatives; referral to community and social support services, if relevant; and the use of health information technology to link services, as feasible and appropriate.

“*Home and vehicle modification*” means a service that provides physical modifications to the home or vehicle that directly address the medical health or remedial needs of the individual and that are necessary to provide for the health, welfare, and safety of the individual and to increase or maintain independence.

“Home health aide services” means unskilled medical services which provide direct personal care. This service may include assistance with activities of daily living, such as helping the recipient to bathe, get in and out of bed, care for hair and teeth, exercise, and take medications specifically ordered by the physician.

“Homeless” means the same as “homeless person” defined in rule 441—25.11(331).

“Illness management and recovery” means a broad set of strategies designed to help individuals with serious mental illness collaborate with professionals, reduce the individuals’ susceptibility to the illness, and cope effectively with the individuals’ symptoms consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration.

“Individual” means any person seeking or receiving services in a regional service system.

“Individual supported employment” means services including ongoing supports needed by an individual to acquire and maintain a job in the integrated workforce at or above the state’s minimum wage. The outcome of this service is sustained paid employment that meets personal and career goals.

“Intake assessment” means the process used with an individual to collect information related to the individual’s history, needs, strengths, and abilities for the purpose of determining the individual’s need for comprehensive assessment, appropriate services or referral.

“Integrated treatment for co-occurring substance abuse and mental health disorders” means effective dual diagnosis programs that combine mental health and substance abuse interventions tailored for the complex needs of individuals with co-morbid disorders. Critical components of effective programs include a comprehensive, long-term, staged approach to recovery; assertive outreach; motivational interviews; provision of help to individuals in acquiring skills and supports to manage both illnesses and pursue functional goals with cultural sensitivity and competence consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration.

“Intensive residential service homes” or *“intensive residential services”* means intensive, community-based services provided 24 hours a day, 7 days a week, 365 days a year to individuals with a severe and persistent mental illness who have functional impairments and may also have multi-occurring conditions. Providers of intensive residential service homes are enrolled with Medicaid as providers of HCBS habilitation or HCBS intellectual disability waiver supported community living and meet additional criteria specified in subrule 25.6(8).

“Job development” means services that assist individuals in preparing for, securing and maintaining gainful, competitive employment. Employment shall be integrated into normalized work settings, shall provide pay of at least minimum wage, and shall be based on the individual’s skills, preferences, abilities, and talents. Services assist individuals seeking employment to develop or re-establish skills, attitudes, personal characteristics, interpersonal skills, work behaviors, and functional capacities to achieve positive employment outcomes.

“Medical assistance program” means the same as defined in Iowa Code section 249A.2.

“Medication management” means services provided directly to or on behalf of the individual by a licensed professional as authorized by Iowa law including, but not limited to, monitoring effectiveness of and compliance with a medication regimen; coordination with care providers; investigating potentially negative or unintended psychopharmacologic or medical interactions; reviewing laboratory reports; and activities pursuant to licensed prescriber orders.

“Medication prescribing” means services with the individual present provided by an appropriately licensed professional as authorized by Iowa law including, but not limited to, determining how the medication is affecting the individual; determining any drug interactions or adverse drug effects on the individual; determining the proper dosage level; and prescribing medication for the individual for the period of time before the individual is seen again.

“Mental health outpatient therapy” means the same as defined in Iowa Code section 230A.106(2)“a.”

“Mental health professional” means the same as defined in Iowa Code section 228.1(6).

“Mobile response” means the same as defined in rule 441—24.20(225C).

“Multi-occurring conditions” means a diagnosis of a severe and persistent mental illness occurring along with one or more of the following: a physical health condition, a substance use disorder, an intellectual or developmental disability, or a brain injury.

“No reject, no eject” means that an individual who otherwise meets the eligibility criteria for a service shall not be denied access to that service or discharged from that service based on the severity or complexity of that individual’s mental health and multi-occurring needs.

“Peer support services” means a program provided by a peer support specialist including but not limited to education and information, individual advocacy, family support groups, crisis response, and respite to assist individuals in achieving stability in the community.

“Peer support specialist” means an individual who has experienced a severe and persistent mental illness and who has successfully completed standardized training to provide peer support services through the medical assistance program or the Iowa Behavioral Health Care Plan.

“Permanent supportive housing” means voluntary, flexible supports to help individuals with psychiatric disabilities choose, get, and keep housing that is decent, safe, affordable, and integrated into the community. Tenants have access to an array of services that help them keep their housing, such as case management, assistance with daily activities, conflict resolution, and crisis response consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration.

“Personal emergency response system” means an electronic device connected to a 24-hour staffed system which allows the individual to access assistance in the event of an emergency.

“Precariously housed” means that a person does not have a permanent household and is living day-to-day in a motel, in a vehicle, with family or friends, or in some other temporary location.

“Prescreening assessment” means a face-to-face clinical interview to ascertain an individual’s current and previous level of functioning, potential for dangerousness, physical health, and psychiatric and medical condition.

“Prevocational services” means services that focus on developing generalized skills that prepare an individual for employment. Prevocational training topics include but are not limited to attendance, safety skills, following directions, and staying on task.

“Reasonably close proximity” means a distance of 100 miles or less or a driving distance of two hours or less from the county seat or county seats of the region.

“Region” means a mental health and disability service region that operates as the “‘regional administrator’ or ‘regional administrative entity’” as defined in rule 441—25.11(331).

“Respite services” means a temporary period of relief and support for individuals and their families provided in a variety of settings. The intent is to provide a safe environment with staff assistance for individuals who lack an adequate support system to address current issues related to a disability. Respite may be provided for a defined period of time; respite is either planned or provided in response to a crisis.

“Routine care” means the same as defined in rule 441—88.21(249A).

“Rural” means any area that is not defined as urban.

“Severe and persistent mental illness” or *“SPMI”* means a documented primary mental health disorder diagnosed by a mental health professional that causes symptoms and impairments in basic mental and behavioral processes that produce distress and major functional disability in adult role functioning inclusive of social, personal, family, educational or vocational roles. The individual has a degree of impairment arising from a psychiatric disorder such that: (1) the individual does not have the resources or skills necessary to maintain function in the home or community environment without assistance or support; (2) the individual’s judgment, impulse control, or cognitive perceptual abilities are compromised; (3) the individual exhibits significant impairment in social, interpersonal, or familial functioning; and (4) the individual has a documented mental health diagnosis. For this purpose, a “mental health diagnosis” means a disorder, dysfunction, or dysphoria diagnosed pursuant to the current version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association, excluding neurodevelopmental disorders, substance use disorders, personality disorders, medication-induced movement disorders and other adverse effects of medication, and other

conditions that may be a focus of clinical attention as defined in the current version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association.

“Strengths-based case management” means a service that focuses on possibilities rather than problems and strives to identify and develop strengths to assist individuals reach their goals leading to a healthy self-reliance and interdependence with their community. Identifiable strengths and resources include family, cultural, spiritual, and other types of social and community-based assets and networks.

“Subacute mental health services” means the same as defined in Iowa Code section 225C.6(4) “c” and includes both subacute facility-based services and subacute community-based services.

“Substance use disorder” means the same as defined in rule 641—155.1(125,135).

“Supported community living services” means services as defined in Iowa Code section 225C.21(1).

“Supported employment” means an approach to helping individuals participate as much as possible in competitive work in integrated work settings that are consistent with the strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice of the individuals. Services are targeted for individuals with significant disabilities for whom competitive employment has not traditionally occurred; or for whom competitive employment has been interrupted or intermittent as a result of a significant disability including either individual or group supported employment, or both, consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration.

“Telephone crisis service” means a program that operates a crisis hotline either directly or through a contract. The service shall be available 24 hours a day and seven days a week including, but not limited to, relief of distress in pre-crisis and crisis situations, reduction of the risk of escalation, arrangements for emergency on-site responses when necessary, and referral of callers to appropriate services.

“Trauma-focused services” means services provided by caregivers and professionals that recognize when an individual who has been exposed to violence is in need of help to recover from adverse impacts; recognize and understand the impact that exposure to violence has on victims’ physical, psychological, and psychosocial development and well-being; and respond by helping in ways that reflect awareness of adverse impacts and consistently support the individual’s recovery.

“Trauma-informed care” means services that are based on an understanding of the vulnerabilities or triggers of those who have experienced violence, that recognize the role violence has played in the lives of those individuals, that are supportive of recovery, and that avoid retraumatization including trauma-focused services and trauma-specific treatment.

“Trauma-specific treatment” means services provided by a mental health professional using therapies that are free from the use of coercion, restraints, seclusion and isolation; and designed specifically to promote recovery from the adverse impacts of violence exposure on physical, psychological, psychosocial development, health and well-being.

“Twenty-four-hour crisis response” means the same as defined in rule 441—24.20(225C).

“Twenty-three-hour observation and holding” means the same as defined in rule 441—24.20(225C).

“Urban” means a county that has a total population of 50,000 or more residents or includes a city with a population of 20,000 or more.

“Urgent nonemergency need” means the same as defined in rule 441—88.21(249A).

“Walk-in crisis service” means a program that provides unscheduled face-to-face support and intervention at an identified location or locations. The service may be provided directly by the program or through a contract with another mental health provider.

“Warm handoff” means an approach to care transitions in which a health care provider uses face-to-face or telephone contact to directly link individuals being treated to other providers or specialists.

[ARC 1096C, IAB 10/16/13, effective 11/20/13; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.2(331) Core service domains.

25.2(1) The region shall ensure that core service domains are available in regions as determined in Iowa Code section 331.397.

25.2(2) The region shall include and respect the recommendation of the individual and the individual's care team in the process of transition to new services.

25.2(3) The region shall ensure that the following services are available in the region:

- a. Access centers.
- b. Assertive community treatment.
- c. Assessment and evaluation.
- d. Case management.
- e. Crisis evaluation.
- f. Crisis stabilization community-based services.
- g. Crisis stabilization residential services.
- h. Day habilitation.
- i. Family support.
- j. Health homes.
- k. Home and vehicle modification.
- l. Home health aide.
- m. Intensive residential service homes.
- n. Job development.
- o. Medication prescribing and management.
- p. Mental health inpatient treatment.
- q. Mental health outpatient treatment.
- r. Mobile response.
- s. Peer support.
- t. Personal emergency response system.
- u. Prevocational services.
- v. Respite.
- w. Subacute mental health services.
- x. Supported employment.
- y. Supportive community living.
- z. Twenty-four-hour access to crisis response.
- aa. Twenty-three-hour crisis observation and holding.

Regions may fund or provide other services in addition to the required core services consistent with requirements set forth in subrules 25.2(4) and 25.2(5).

25.2(4) A regional service system shall consider the scope of services included in addition to the required core services. Each service included shall be described and projection of need and the funding necessary to meet the need shall be included.

25.2(5) A regional service system may provide funding for other appropriate services or support. In considering whether to provide such funding, a region may consider the following criteria:

- a. Applying a person-centered planning process to identify the need for the services or other support.
- b. The efficacy of the services or other support is recognized as an evidence-based practice, is deemed to be an emerging and promising practice, or providing the services is part of a demonstration and will supply evidence as to the effectiveness of the services.

c. A determination that the services or other support provides an effective alternative to existing services that have been shown by the evidence base to be ineffective, to not yield the desired outcome, or to not support the principles outlined in *Olmstead v. L.C.*, 527 U.S. 581.

[ARC 1096C, IAB 10/16/13, effective 11/20/13; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.3(331) Implementation dates.

25.3(1) Regions shall implement the following core services effective July 1, 2014:

- a. Assessment and evaluation.
- b. Case management.
- c. Crisis evaluation.

- d. Day habilitation.
- e. Family support.
- f. Health homes.
- g. Home and vehicle modification.
- h. Home health aide.
- i. Job development.
- j. Medication prescribing and management.
- k. Mental health inpatient therapy.
- l. Mental health outpatient therapy.
- m. Peer support.
- n. Personal emergency response system.
- o. Prevocational services.
- p. Respite.
- q. Supported employment.
- r. Supportive community living.
- s. Twenty-four-hour access to crisis response.

25.3(2) Regions shall implement the following intensive mental health core services on or before July 1, 2021, provided that federal matching funds are available under the Iowa health and wellness plan pursuant to Iowa Code chapter 249N:

- a. Access centers.
- b. Assertive community treatment.
- c. Crisis stabilization community-based services.
- d. Crisis stabilization residential services.
- e. Intensive residential service homes.
- f. Mobile response.
- g. Subacute mental health services provided in facility and community-based settings.
- h. Twenty-three-hour crisis observation and holding.

[ARC 1096C, IAB 10/16/13, effective 11/20/13; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.4(331) Access standards. Regions shall meet the following access standards:

25.4(1) A sufficient provider network which shall include:

- a. A community mental health center or federally qualified health center that provides psychiatric and outpatient mental health services in the region.
- b. A hospital with an inpatient psychiatric unit or state mental health institute located in or within reasonably close proximity that has the capacity to provide inpatient services to the applicant.

25.4(2) Crisis services shall be available 24 hours per day, 7 days per week, 365 days per year for mental health and disability-related emergencies. A region may make arrangements with one or more other regions to meet the required access standards.

a. *Basic crisis response.*

(1) Twenty-four-hour crisis response. An individual shall have immediate access to crisis response services by means of telephone, electronic, or face-to-face communication.

(2) Crisis evaluation. An individual shall have immediate access to a crisis screening and will have a crisis assessment by a licensed mental health professional within 24 hours of referral.

b. *Crisis stabilization community-based services.* An individual who has been determined to need CSCBS shall receive face-to-face contact from the CSCBS provider within 120 minutes from the time of referral.

c. *Crisis stabilization residential services.* An individual who has been determined to need CSRS shall receive CSRS within 120 minutes of referral. The service shall be located within 120 miles from the residence of the individual.

d. *Mobile response.* An individual in need of mobile response services shall have face-to-face contact with mobile crisis staff within 60 minutes of dispatch.

e. Twenty-three-hour observation and holding. An individual who has been determined to need 23-hour observation and holding shall receive 23-hour observation and holding within 120 minutes of referral. The service shall be located within 120 miles from the residence of the individual.

25.4(3) The region shall provide the following treatment services:

a. Outpatient.

(1) Emergency: During an emergency, outpatient services shall be initiated to an individual within 15 minutes of telephone contact.

(2) Urgent: Outpatient services shall be provided to an individual within one hour of presentation or 24 hours of telephone contact.

(3) Routine: Outpatient services shall be provided to an individual within four weeks of request for appointment.

(4) Distance: Outpatient services shall be offered within 30 miles for an individual residing in an urban community and 45 miles for an individual residing in a rural community.

b. Inpatient.

(1) An individual in need of emergency inpatient services shall receive treatment within 24 hours.

(2) Inpatient services shall be available within reasonably close proximity to the region.

c. Assessment and evaluation. An individual who has received inpatient services shall be assessed and evaluated within four weeks.

25.4(4) Subacute facility-based mental health services. An individual shall receive subacute facility-based mental health services within 24 hours of referral. The service shall be located within 120 miles of the residence of the individual.

25.4(5) Support for community living. The first appointment shall occur within four weeks of the individual's request of support for community living.

25.4(6) Support for employment. The initial referral shall take place within 60 days of the individual's request of support for employment.

25.4(7) Recovery services. An individual receiving recovery services shall not have to travel more than 30 miles if residing in an urban area or 45 miles if residing in a rural area to receive services.

25.4(8) Service coordination.

a. An individual receiving service coordination shall not have to travel more than 30 miles if residing in an urban area or 45 miles if residing in a rural area to receive services.

b. An individual shall receive service coordination within ten days of the initial request for such service or being discharged from an inpatient facility.

25.4(9) The region shall make the following intensive mental health services available. A region may make arrangements with one or more other regions to meet the required access standards.

a. Assertive community treatment.

(1) A minimum of 22 ACT teams shall be operational statewide.

(2) A sufficient number of ACT teams shall be available to serve the number of individuals in the region who are eligible for ACT services. As a guideline for planning purposes, the ACT-eligible population is estimated to be about 0.06 percent of the adult population of the region. The region may identify multiple geographic areas within the region for ACT team coverage. Regions may work with one or more other regions to identify geographic areas for ACT team coverage.

b. Access centers.

(1) A minimum of six access centers shall be operational statewide.

(2) An access center shall be located within 120 miles of the residence of the individual or be available within 120 minutes from the time of the determination that the individual needs access center services.

c. Intensive residential services.

(1) A minimum of 120 intensive residential service beds shall be available statewide.

(2) An individual receiving intensive residential services shall have the service available within two hours of the individual's residence.

(3) An individual shall be admitted to intensive residential services within four weeks from referral.

25.4(10) The following limitations apply to home and vehicle modification for an individual receiving mental health and disability services:

a. A lifetime limit equal to that established for the home- and community-based services waiver for individuals with intellectual disabilities in the medical assistance program.

b. A provider reimbursement payment will be no lower than that provided through the home- and community-based services waiver for individuals with intellectual disabilities in the medical assistance program.

[ARC 1096C, IAB 10/16/13, effective 11/20/13; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.5(331) Practices. A region shall ensure that access is available to providers of core services that demonstrate the following competencies:

25.5(1) Regions shall have service providers that are trained to provide effective services to individuals with multi-occurring conditions. Training for serving individuals with multi-occurring conditions provided by the region shall be training identified by the Substance Abuse and Mental Health Services Administration, the Dartmouth Psychiatric Research Center or other generally recognized professional organization specified in the regional service system management plan.

25.5(2) Regions shall have service providers that are trained to provide effective trauma-informed care. Trauma-informed care training provided by the region shall be recognized by the National Center for Trauma-Informed Care or other generally recognized professional organization specified in the regional service system management plan.

25.5(3) Regions must have evidence-based practices that the region has independently verified as meeting established fidelity to evidence-based service models including, but not limited to, assertive community treatment or strengths-based case management; integrated treatment of co-occurring substance use and mental health disorders; supported employment; family psychoeducation; illness management and recovery; and permanent supportive housing.

[ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.6(331) Intensive mental health services. The purpose of intensive mental health services is to provide a continuum of services and supports to individuals with complex mental health and multi-occurring conditions who need a high level of intensive and specialized support to attain stability in health, housing, and employment and to work toward recovery.

25.6(1) Access centers. The purpose of an access center is to serve individuals experiencing a mental health or substance use crisis who are not in need of an inpatient psychiatric level of care and who do not have alternative, safe, effective services immediately available.

a. Regional coordination. Each region shall designate at least one access center provider and ensure that access center services are available to the residents of the region consistent with subrule 25.4(9).

(1) Regions shall work collaboratively to develop a minimum of six access centers strategically located throughout the state, with the support of the medical assistance program.

(2) Access centers may be shared by two or more regions.

(3) Each region shall establish methods to provide for reimbursement of a region when a non-Medicaid-eligible resident of another region utilizes an access center or other non-Medicaid-covered services located in that region.

b. Access center standards. A designated access center shall meet all of the following criteria:

(1) An access center shall have no residential facility-based setting with more than 16 beds.

(2) An access center provider shall be accredited to provide crisis stabilization residential services pursuant to 441—Chapter 24.

(3) An access center provider shall be licensed to provide subacute mental health services as described in rule 441—77.56(249A).

(4) An access center provider shall be licensed as a substance abuse treatment program pursuant to Iowa Code chapter 125 or have a cooperative agreement with and immediate access to licensed substance abuse treatment services or medical care that incorporates withdrawal management.

(5) An access center shall provide services on a no reject, no eject basis to individuals who meet service eligibility criteria.

(6) An access center shall accept and serve eligible individuals who are court-ordered to participate in mental health or substance use disorder treatment.

(7) An access center shall provide all required services listed in 25.6(1)“d” in a coordinated manner. An access center may provide coordinated services in one or more locations.

c. Eligibility for access center services. To be eligible to receive access center services, an individual shall meet all of the following criteria:

(1) The individual is in need of screening, assessment, services or treatment related to a mental health or substance use crisis.

(2) The individual shows no obvious signs of illness or injury indicating a need for immediate medical attention.

(3) The individual has been determined not to need an inpatient psychiatric hospital level of care.

(4) The individual does not have immediate access to alternative, safe, and effective services.

d. Access center services. An access center shall provide or arrange for the provision of all of the following:

(1) Immediate intake assessment and screening that includes but is not limited to mental and physical health conditions, suicide risk, brain injury, and substance use. A crisis evaluation that includes all required screenings may serve as an intake assessment.

(2) Comprehensive person-centered mental health assessments by appropriately licensed or credentialed professionals, as indicated by the intake assessment.

(3) Comprehensive person-centered substance use disorder assessments by appropriately licensed or credentialed professionals, as indicated by the intake assessment.

(4) Peer support services, as indicated by a comprehensive assessment.

(5) Mental health treatment, as indicated by a comprehensive assessment.

(6) Substance use treatment, as indicated by a comprehensive assessment.

(7) Physical health care services as indicated by a health screening.

(8) Care coordination.

(9) Service navigation and linkage to needed services including housing, employment, shelter services, intellectual and developmental disability services, and brain injury services, with warm handoffs to other service providers.

25.6(2) Assertive community treatment (ACT) services. The purpose of assertive community treatment is to serve individuals with the most severe and persistent mental illness conditions and functional impairments. ACT services provide a set of comprehensive, integrated, intensive outpatient services delivered by a multidisciplinary team under the supervision of a psychiatrist, an advanced registered nurse practitioner, or a physician assistant under the supervision of a psychiatrist. An ACT program shall designate an individual to be responsible for administration of the program and with the authority to sign documents and receive payments on behalf of the program.

a. Regional coordination. Each region shall designate at least one ACT provider and ensure that ACT services are available to the residents of the region consistent with subrule 25.4(9). Regions may work collaboratively with other regions when an ACT team is serving more than one region.

(1) Each region shall determine the number and size of ACT teams needed to serve the ACT-eligible population in that region.

(2) Each region shall verify that all ACT programs operating in the region have periodic fidelity reviews consistent with evidence-based practice standards published by the Substance Abuse and Mental Health Services Administration (SAMHSA). Each ACT program shall have a fidelity review, including a peer review, on the following schedule:

1. Within the first 12 months of operation.

2. Annually during each of the second and third years of operation.

3. Biennially thereafter for teams with satisfactory fidelity reviews. Teams with unsatisfactory reviews shall be reviewed again after one year.

Results of the ACT team fidelity reviews shall be included in the region’s annual report.

b. ACT team composition. Each ACT team shall include a minimum of six members and must include a member qualified to fill each of the eight following roles. One team member may fill more than one role if all other qualifications are met.

(1) A psychiatrist, an advanced registered nurse practitioner, or a physician assistant under the supervision of a psychiatrist who is board-certified or eligible for board certification.

(2) A team leader.

(3) A registered nurse.

(4) A mental health professional.

(5) A substance abuse treatment provider.

(6) A community support specialist.

(7) A peer support specialist.

(8) An employment specialist.

c. Staff qualifications. ACT team members shall meet the following qualifications:

(1) Psychiatrist. A psychiatrist on the team shall be a person who meets all of the following criteria:

1. Is a doctor of medicine (M.D.) or a doctor of osteopathy (D.O.).

2. Is licensed in Iowa pursuant to 653—Chapter 9.

3. Is certified or is eligible to be certified as a psychiatrist by the American Board of Medical Specialties' Board of Psychiatry and Neurology or by the American Osteopathic Board of Neurology and Psychiatry.

4. Has experience working with persons with severe and persistent mental illness.

5. Provides a minimum of 16 hours per week of psychiatrist time for every 50 ACT clients.

(2) Advanced registered nurse practitioner. An advanced registered nurse practitioner on the team shall be a person who meets all of the following criteria:

1. Is licensed pursuant to 655—Chapter 7.

2. Has a mental health certification.

3. Has experience working with persons with severe and persistent mental illness.

4. Provides a minimum of 16 hours per week of advanced registered nurse practitioner time for every 50 ACT clients.

(3) Physician assistant. A physician assistant on the team shall be a person who meets all of the following criteria:

1. Is licensed pursuant to 645—Chapter 326.

2. Has experience working with persons with severe and persistent mental illness.

3. Is practicing under the supervision of a psychiatrist who is board-certified or eligible for board certification.

4. Provides a minimum of 16 hours per week of physician assistant time for every 50 ACT clients.

(4) Team leader. A team leader shall be a person on the team who meets all of the following criteria:

1. Has a master's degree in a mental health field, including but not limited to nursing, social work, mental health counseling, psychiatric rehabilitation, or psychology.

2. Is actively involved in direct contact with individuals being served by the team.

3. Is a full-time staff member whose responsibilities are limited to the ACT team and who serves as the clinical and administrative supervisor of the team.

(5) Registered nurse. A registered nurse on the team shall be a person who meets all of the following criteria:

1. Is licensed as a registered nurse pursuant to 655—Chapter 3.

2. Has experience working with persons with severe and persistent mental illness.

(6) Mental health professional. A mental health professional on the team shall be a person who meets all of the following criteria:

1. Is a mental health counselor or marital and family therapist licensed pursuant to 645—Chapter 31; a social worker licensed as a master or independent social worker pursuant to 645—Chapter 280; or an occupational therapist licensed pursuant to 645—Chapter 206.

2. Has experience working with persons with severe and persistent mental illness.

(7) Substance abuse treatment professional. A substance abuse treatment professional on the team shall be a person who meets all of the following criteria:

1. Is an appropriately credentialed counselor pursuant to 641—subparagraph 155.21(8) “b”(1).
2. Has at least three years of experience working with persons with substance use disorders.

(8) Community support specialist. A community support specialist on the team shall be a person who meets all of the following criteria:

1. Has a bachelor’s degree with at least 30 semester hours or equivalent quarter hours in a human services field, including but not limited to sociology, social work, counseling, psychology, or human services.

2. Has experience working with persons with severe and persistent mental illness.

(9) Peer support specialist. A peer support specialist on the team shall be a person who meets all of the following criteria:

1. Has been diagnosed with a severe and persistent mental illness.

2. Has met all requirements of the Appalachian Consulting Group Peer Support Training Model by no later than six months after the date of hire.

(10) Employment specialist. An employment specialist on the team shall be a person who meets all of the following criteria:

1. Has experience working with persons with severe and persistent mental illness.
2. Meets one of the following:
 - Has a bachelor’s degree with at least 30 semester hours or equivalent quarter hours in a human services field, including but not limited to sociology, social work, counseling, or psychology, and completes at least 12 hours of employment services training within six months of the date of hire.
 - Has a high school diploma or equivalent, has at least one year of specialized vocational training or supervised experience in vocational and related services, including but not limited to supported employment, job coaching, supported community living, or habilitation, and completes at least 12 hours of employment services training within six months of the date of hire.

(11) Psychologist. A psychologist on the team shall be a person who meets all of the following criteria:

1. Is licensed pursuant to 645—Chapter 240.
2. Has experience working with persons with a severe and persistent mental illness.

d. ACT provider standards. Organizations seeking regional designation as an ACT provider shall meet the following criteria at initial application and annually thereafter. A designated ACT provider shall:

(1) Develop and maintain written ACT-specific admission policies and procedures, including but not limited to a gradual rate of admission and program eligibility requirements.

(2) Develop and maintain written ACT-specific discharge policies and procedures. Discharge criteria shall include but are not limited to the following:

1. An individual reaches individually established goals for discharge, and the individual and program staff mutually agree to the termination of services; or
2. An individual requests discharge, demonstrates the ability to function in all major role areas without ongoing assistance from the program and without significant relapse when services are withdrawn, and the program staff agree to the termination of services; or
3. An individual moves outside the geographic area of the team’s responsibility. In such cases, the team shall arrange for transfer of responsibility for mental health services to an ACT program or another provider wherever the individual is relocating, and the team shall maintain contact with the individual until the service transfer is implemented; or
4. An individual declines or refuses services and requests discharge despite the team’s best efforts to develop an acceptable treatment plan with the individual.

(3) Documentation of discharges. Documentation shall include:

1. The reason(s) for discharge as stated by both the individual and the team.
2. A summary of the individual’s biopsychosocial status at the time of discharge.

3. A written final evaluation summary of the individual's progress toward the goals in the treatment plan.
4. A plan developed in conjunction with the individual for follow-up treatment after discharge.
5. The signature of each of the following:
 - The individual, or documentation of why the individual's signature was not obtained.
 - The service coordinator.
 - The team leader.
 - The psychiatrist, advanced registered nurse practitioner, or physician assistant under the supervision of a board-certified psychiatrist.
- e. *ACT team standards.* All designated ACT teams shall:
 - (1) Participate in all of the individual's mental health services.
 - (2) Ensure that services for the psychiatric needs of the individual are available 24 hours a day.
 - (3) Develop a specific treatment plan based on the assessment of needs and including goals and actions to address the individual's medical, social, educational, and other needs.
 - (4) Make referrals to services and related activities to assist the individual with the individual's assessed needs.
 - (5) Monitor and perform follow-up activities necessary to ensure that the treatment plan is carried out and that the individual has access to necessary services. Activities may include monitoring contacts with providers, family members, natural supports, and others.
 - (6) Hold team meetings at least four times a week to facilitate ACT services and briefly review the status of the individual with other members of the team.
 - (7) Have the capacity to provide multiple contacts a week with individuals experiencing severe symptoms, trying a new medication, experiencing a health problem or serious life event, trying to go back to school or starting a new job, making changes in a living situation or employment, or having significant ongoing problems in daily living. All members of the team share responsibility for addressing the needs of all individuals. The number of team contacts per individual served shall average at least three per week per individual when calculated across all individuals served by the team. Contacts may be weekly, daily, or more frequent. The frequency of contacts is determined by the needs of the individual.
 - (8) Have the capacity to rapidly increase service intensity to an individual when the individual's status requires it or the individual requests it.
 - (9) Ensure that treatment, rehabilitation, and support activities are available 24 hours a day, 7 days a week, 365 days a year, including nights, weekends, and holidays. If there are insufficient numbers of staff to operate an after-hours on-call system, staff shall provide crisis response during regular work hours and arrange coverage for all other hours through a reliable crisis response service.
 - (10) Provide no more than 20 percent of service contacts in office-based settings.
- f. *Staff-to-client ratio.* ACT teams shall maintain a ratio of at least one full-time or full-time equivalent staff person to every ten individuals served. The ACT team staff-to-client ratios do not include the psychiatrist, advanced nurse practitioner, or physician assistant practicing under the supervision of a psychiatrist.
- g. *Eligibility criteria for ACT services.* To be eligible to receive ACT services, the individual shall meet all of the following criteria:
 - (1) Is at least 17 years of age.
 - (2) Has a severe and persistent mental illness or complex mental health symptomology. Individuals with a primary diagnosis of substance use disorder, developmental disability, personality disorder, or organic disorder are not eligible for ACT services.
 - (3) Is in need of a consistent team of professionals and multiple mental health and support services to live independently in the community and reduce hospitalizations, as evidenced by one or both of the following:
 1. A pattern of repeated treatment failures during the previous 12 months, including at least two psychiatric hospitalizations or psychiatric care delivered at least twice in an emergency department, at an access center, or by a mobile crisis team; or

2. The need for multiple or combined mental health and basic living supports to prevent the need for a more intrusive level of care.

(4) Presents a reasonable likelihood that ACT services will lead to specific, observable improvements in the individual's functioning and assist the individual in achieving or maintaining independent community living. Specifically, the individual:

1. Is medically stable;
2. Does not require a level of care that includes more intensive medical monitoring;
3. Presents a low risk to self, others, or property, with treatment and support; and
4. Lives independently in the community or demonstrates a capacity and desire to live independently in the community.

h. ACT services. ACT teams shall provide the following services:

(1) Initial assessment and treatment planning.

1. An assessment of the individual shall be completed within 30 days of admission that includes psychiatric history, medical history, educational history, employment, substance use, problems with activities of daily living, social interests, and family relationships.

2. An individualized written treatment plan shall be developed based on the assessment. The treatment plan shall identify the necessary psychiatric rehabilitation treatment and support services, including all of the following:

- Treatment objectives and outcomes.
- The expected frequency and duration of each service.
- The location where the services will be provided.
- A crisis plan.
- The schedule for updates of the treatment plan.

(2) Evaluation and medication management.

1. The evaluation portion of ACT services consists of a comprehensive mental health evaluation and assessment of the individual by a psychiatrist, advanced registered nurse practitioner, or physician assistant.

2. Medication management consists of the prescription and management of medication by a psychiatrist, advanced registered nurse practitioner, or physician assistant in response to the individual's complaints and symptoms. A psychiatric registered nurse assists in this management by making contact with the individual regarding medications and their effect on the individual's complaints and symptoms.

(3) Integrated therapy and counseling for mental health and substance abuse. Integrated therapy and counseling consists of direct counseling for treatment of mental health and substance abuse symptoms by a psychiatrist, licensed mental health professional, advanced registered nurse practitioner, physician assistant, or substance abuse specialist. Individual counseling may be provided by other team members under the supervision of a psychiatrist or licensed mental health practitioner.

(4) Skill teaching. Skill teaching consists of side-by-side demonstration and observation of daily living activities by any team member.

(5) Community support. Community support may be provided by any team member and consists of the following activities focused on recovery and rehabilitation:

1. Personal and home skills training to assist the individual to develop and maintain skills for self-direction and coping with the living situation.

2. Community skills training to assist the individual in maintaining a positive level of participation in the community through development of socialization skills and personal coping skills.

(6) Medication monitoring. Medication monitoring services shall be provided by a psychiatric nurse and other team members under the supervision of a psychiatrist or psychiatric nurse and consists of:

1. Monitoring the individual's day-to-day functioning, medication compliance, and access to medications; and

2. Ensuring that the individual keeps appointments.

(7) Case management for treatment and service plan coordination. Case management consists of the development of an individualized treatment and service plan, including personalized goals and

outcomes, to address the individual's medical symptoms and remedial functional impairments. Case management includes:

1. Assessments, referrals, follow-up, and monitoring.
2. Assisting the individual in gaining access to necessary medical, social, educational, and other services.

3. Assessing the individual to determine service needs by collecting relevant historical information through records and other information from relevant professionals and natural supports.

- (8) Crisis response. Crisis response consists of direct assessment and treatment of the individual's urgent or crisis symptoms in the community by any team member, as appropriate.

- (9) Work-related services. Work-related services may be provided by any team member. Services consist of assisting the individual in managing mental health symptoms as they relate to job performance and may include:

1. Collaborating with the individual to look for job situations of the individual's choice and creating strategies to manage situations that cause symptoms to increase.

2. Assisting the individual to develop or enhance skills to obtain a work placement, such as individual work-related behavioral management.

3. Providing supports to maintain employment, such as crisis intervention related to employment.

4. Teaching communication, problem-solving, and safety skills.

5. Teaching personal skills, such as time management and appropriate grooming for employment.

- (10) Peer support services. Peer support services are provided by a peer support specialist and include, but are not limited to, education and information, individual advocacy, and crisis response.

- (11) Support services. All team members are responsible for providing support services. Services consist of assisting the individual in obtaining the basic necessities of daily life, including but not limited to:

1. Medical and dental services.

2. Safe, clean, and affordable housing.

3. Financial support.

4. Benefits counseling.

5. Social services.

6. Transportation.

7. Legal advocacy and representation.

- (12) Education, support, and consultation to family members and other major supports of individuals. All team members are responsible for providing education, support, and consultation to family members and other major supports of individuals with the agreement or consent of the individual. Services include but are not limited to:

1. Individualized psychoeducation about the individual's illness and the role of the family and other significant people in the therapeutic process.

2. Intervention to restore contact, resolve conflicts, and maintain relationships with family or other significant people or both.

3. Ongoing communication and collaboration, face-to-face and by telephone, between the ACT team and the family.

4. Introduction and referral to family self-help programs and advocacy organizations that promote recovery.

5. Assistance to obtain necessary services for individuals with children, including but not limited to:

- Individual supportive counseling.

- Parenting training.

- Service coordination.

- Services to help the individual throughout pregnancy and the birth of a child.

- Services to help the individual fulfill parenting responsibilities and coordinate services for the child or children.

- Services to help the individual restore relationships with children who are not in the individual's custody.

25.6(3) Mobile response. The purpose of mobile response is to provide short-term individualized crisis stabilization, following a crisis screening or assessment, that is designed to restore the individual to a prior functional level. Mobile response services shall be provided as described in rule 441—24.36(225C).

25.6(4) 23-hour observation and holding. The purpose of 23-hour observation and holding is to provide up to 23 hours of care in a safe and secure, medically staffed treatment environment. Twenty-three-hour observation and holding shall be provided as described in rule 441—24.37(225C).

25.6(5) Crisis stabilization community-based services. The purpose of crisis stabilization community-based services is to provide short-term services designed to de-escalate a crisis situation and stabilize an individual following a mental health crisis in the setting where the individual lives, works, or recreates. Crisis stabilization community-based services shall be provided as described in rule 441—24.38(225C).

25.6(6) Crisis stabilization residential services. The purpose of crisis stabilization residential services is to provide a short-term alternative living arrangement in a setting of no more than 16 beds that is designed to de-escalate a crisis situation and stabilize an individual following a mental health crisis. Crisis stabilization residential services shall be provided as described in rule 441—24.39(225C).

25.6(7) Subacute mental health services. The purpose of subacute mental health services is to provide a comprehensive set of wraparound services to individuals who have had or are at imminent risk of having acute or crisis mental health symptoms.

a. Regional coordination. Each region shall designate at least one subacute mental health service provider and ensure that subacute mental health services are available to the residents of the region consistent with subrule 25.4(4).

b. Subacute mental health services standards.

(1) Subacute mental health services in a facility-based setting shall be provided as described in Iowa Code chapter 135G and 481—Chapter 71.

(2) Subacute mental health services in a community-based setting are the same as assertive community treatment (ACT) services provided as described in subrule 25.6(2).

25.6(8) Intensive residential services. The purpose of intensive residential services is to serve individuals with the most intensive severe and persistent mental illness conditions who have functional impairments and may also have multi-occurring conditions. Intensive residential services provide intensive 24-hour supervision, behavioral health services, and other supportive services in a community-based residential setting.

a. Regional coordination. Each region shall designate at least one intensive residential services provider and ensure that intensive residential services are available to the residents of the region consistent with subrule 25.4(9).

(1) Regions shall work collaboratively to develop intensive residential services strategically located throughout the state with the capacity to serve a minimum of 120 individuals, with the support of the medical assistance program.

(2) Intensive residential services may be shared by two or more regions.

(3) Each region shall establish methods to provide for reimbursement of a region when the non-Medicaid-eligible resident of another region utilizes intensive residential services or other non-Medicaid-covered services located in that region.

b. Intensive residential services standards. An organization that seeks regional designation as an intensive residential service provider shall meet the following criteria at initial application and annually thereafter. A designated intensive residential service provider shall:

(1) Be enrolled as an HCBS 1915(i) habilitation provider or an HCBS 1915(c) intellectual disability waiver supported community living provider in good standing with the Iowa Medicaid enterprise.

(2) Provide staffing 24 hours a day, 7 days a week, 365 days a year.

(3) Maintain a minimum staffing ratio of one staff to every two and one-half residents. Staffing ratios shall be responsive to the needs of the individuals served.

- (4) Ensure that all staff members have the following minimum qualifications:
 1. One year of experience working with individuals with a mental illness or multi-occurring conditions.
 2. A high school diploma or equivalent.
 - (5) Ensure that within the first year of employment, staff members complete 48 hours of training in mental health and multi-occurring conditions. During each consecutive year of employment, staff members shall complete 24 hours of training in mental health and multi-occurring conditions. Staff training shall include, but is not limited to the following:
 1. Applied behavioral analysis.
 2. Autism spectrum disorders, diagnoses, symptomology and treatment.
 3. Brain injury diagnoses, symptomology and treatment.
 4. Crisis management and de-escalation and mental health diagnoses, symptomology and treatment.
 5. Motivational interviewing.
 6. Psychiatric medications.
 7. Substance use disorders and treatment.
 8. Other diagnoses or conditions present in the population served.
 - (6) Provide coordination with the individual's clinical mental health and physical health treatment, and other services and supports.
 - (7) Provide clinical oversight by a mental health professional. The mental health professional shall review and consult on all behavioral health services provided to the individual, and any other plans developed for the individual, including but not limited to service plans, behavior intervention plans, crisis intervention plans, emergency plans, cognitive rehabilitation plans, or physical rehabilitation plans.
 - (8) Have a written cooperative agreement with an outpatient mental health provider and ensure that individuals have timely access to outpatient mental health services, including but not limited to ACT.
 - (9) Be licensed as a substance abuse treatment program pursuant to Iowa Code chapter 125 or have a written cooperative agreement with and timely access to licensed substance abuse treatment services for those individuals with a demonstrated need.
 - (10) Accept and serve eligible individuals who are court-ordered to intensive residential services.
 - (11) Provide services to eligible individuals on a no reject, no eject basis.
 - (12) If funded through HCBS and not licensed as a residential care facility, serve no more than five individuals at a site.
 - (13) Be located in a neighborhood setting to maximize community integration and natural supports.
 - (14) Demonstrate specialization in serving individuals with an SPMI or multi-occurring conditions and serve individuals with similar conditions in the same site.
- c. Eligibility criteria for admission to intensive residential services.* To be eligible to receive intensive residential services, an individual shall meet all of the following criteria:
- (1) The individual is an adult with a diagnosis of a severe and persistent mental illness or multi-occurring conditions.
 - (2) The individual is approved by the Iowa Medicaid enterprise or Medicaid managed care organization, as appropriate, for the highest rate of home-based habilitation or the highest rate of home- and community-based services intellectual disability waiver supported community living service. Reimbursement rates for intensive residential services shall be equal to or greater than the established fees for those services. Regional reimbursement rates for non-Medicaid individuals receiving intensive residential services shall be negotiated by the region and the provider and shall be no less than the minimum Medicaid rate.
 - (3) The individual has had a standardized functional assessment and screening for multi-occurring conditions completed 30 days or less prior to application for intensive residential services, and the functional assessment and screening demonstrates that the individual:
 1. Has a diagnosis that meets the criteria of severe and persistent mental illness as defined in rule 441—25.1(331);

2. Has three or more areas of significant impairment in activities of daily living or instrumental activities of daily living;
3. Is in need of 24-hour supervised and monitored treatment to maintain or improve functioning and avoid relapse that would require a higher level of treatment;
4. Has exhibited a lack of progress or regression after an adequate trial of active treatment at a less intensive level of care;
5. Is at risk of significant functional deterioration if intensive residential services are not received or continued; and
6. Meets one or more of the following:
 - Has a record of three or more psychiatric hospitalizations in the 12 months preceding application for intensive residential services.
 - Has a record of more than 30 medically unnecessary psychiatric hospital days in the 12 months preceding application for intensive residential services.
 - Has a record of more than 90 psychiatric hospital days in the 12 months preceding application for intensive residential services.
 - Has a record of three or more emergency room visits related to a psychiatric diagnosis in the 12 months preceding application for intensive residential services.
 - Is residing in a state resource center and has an SPMI.
 - Is being served out of state due to the unavailability of medically necessary services in Iowa.
 - Has an SPMI and is scheduled for release from a correctional facility or a county jail.
 - Is homeless or precariously housed.

[ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.7(331) Non-core services. When a mental health and disability services region chooses to make the following non-core services available, the region shall ensure that such services meet the requirements of this rule.

25.7(1) Prescreening assessments. Prescreening assessments provided by the region or an entity contracting with the region shall meet the following requirements:

a. The prescreening assessment shall be provided in an emergency room or other crisis assessment setting within four hours of an emergency detention of an individual believed to be mentally ill to determine if inpatient psychiatric hospitalization is necessary.

b. The prescreening assessment shall be performed by a licensed physician or mental health professional who shall also provide ongoing consultations while the individual remains in the emergency room or other crisis assessment setting. The services provided by the consulting professional are intended to supplement, but do not replace, the services of the emergency room or other crisis setting staff.

c. The licensed physician or mental health professional shall submit appropriate documentation and reports to the emergency room or other crisis setting and the court as necessary.

d. The region or entity contracting with the region shall ensure the coordination of appropriate levels of care. Coordination may include but is not limited to:

- (1) Securing an inpatient psychiatric bed when inpatient psychiatric hospitalization is needed.
- (2) Utilizing community-based resources and services such as 23-hour observation and holding, crisis stabilization community-based or residential services, subacute facility-based mental health services or detoxification centers.
- (3) Facilitating outpatient treatment appointments when inpatient psychiatric hospitalization is not needed.

25.7(2) Transportation. A service provider that is under contract with a region and transports individuals pursuant to an Iowa Code chapter 229 court order shall meet the following requirements:

a. The transport vehicle shall be secure such that the individual being transported cannot open doors or windows of the vehicle while it is moving.

b. Transportation staff shall complete a minimum of eight hours of training in mental health issues and crisis intervention in the first month of employment. After the initial training, each staff member shall complete a minimum of two hours of training annually.

These rules are intended to implement Iowa Code chapter 331 and 2018 Iowa Acts, House File 2456. [ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.8 to 25.10 Reserved.

DIVISION II
REGIONAL SERVICE SYSTEM

PREAMBLE

These rules define the standards for a regional service system. The mental health and disability services provided by counties operating as a region shall be delivered in accordance with a regional service system management plan approved by the region's governing board and implemented by the regional administrator (Iowa Code section 331.393). Iowa counties are encouraged to enter into a regional system when the regional approach is likely to increase the availability of services to residents of the state who need the services. It is the intent of the Iowa general assembly that the adult residents of this state should have access to needed mental health and disability services regardless of the location of their residence.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.11(331) Definitions.

“Access point” means a provider, public or private institution, advocacy organization, legal representative, or educational institution with staff trained to complete applications and guide individuals with a disability to needed services.

“Applicant” means an individual who applies to receive services and supports from the service system.

“Assessment and evaluation” means the same as defined in rule 441—25.1(331).

“Assistive technology account” means funds in contracts, savings, trust or other financial accounts, financial instruments, or other arrangements with a definite cash value that are set aside and designated for the purchase, lease, or acquisition of assistive technology, assistive technology services, or assistive technology devices. Assistive technology accounts must be held separately from other accounts. Funds must be used to purchase, lease, or otherwise acquire assistive technology services or devices for a working individual with a disability. Any withdrawal from an assistive technology account other than for the designated purpose becomes a countable resource.

“Authorized representative” means a person designated by the individual or by Iowa law to act on the individual's behalf in specified affairs to the extent prescribed by law.

“Chief executive officer” means the person chosen and supervised by the governing board who serves as the single point of accountability for the mental health and disability services region and whose responsibilities include, but are not limited to, planning, budgeting, monitoring county and regional expenditures, and ensuring the delivery of quality services that achieve expected outcomes for the individuals served.

“Choice” means the individual or authorized representative chooses the services, supports, and goods needed to best meet the individual's goals and accepts the responsibility and consequences of those choices.

“Clear lines of accountability” means the structure of the governing board's organization makes it evident that the ultimate responsibility for the administration of the non-Medicaid-funded mental health and disability services lies with the governing board and that the governing board directly and solely supervises the organization's chief executive officer.

“Community” means an integrated setting of an individual's choice.

“Conflict-free case management” means there is no real or seeming incompatibility between the case manager's other interests and the case manager's duties to the individual served and includes case

management separate from direct service provision; eligibility determination for services; establishment of funding levels for the individual's services; and requirements that prohibit the case manager from performing evaluations, assessments, and plans of care if the case manager is related by blood or marriage to the individual or any of the individual's paid caregivers or persons financially responsible for the individual or empowered to make financial or health-related decisions on behalf of the individual.

"Coordinator of disability services" means the same as defined in Iowa Code section 331.390(3) "b."

"Countable resource" means real or personal property that has a cash value that is available to the owner upon disposition and is capable of being liquidated.

"Countable value" means the equity value of a resource, which is the current fair market value minus any legal debt on the item.

"County of residence" means the same as defined in Iowa Code section 331.394.

"Department" means the department of human services.

"Director" means the director of human services.

"Disability services" means the same as defined in Iowa Code section 225C.2.

"Emergency service" means the same as defined in rule 441—88.21(249A).

"Empowerment" means that the service system ensures the rights, dignity, and ability of individuals and their families to exercise choices, take risks, provide input, and accept responsibility.

"Exempt resource" means a resource that is disregarded in the determination of eligibility for public funding assistance and in the calculation of client participation amounts.

"Homeless person" means the same as defined in Iowa Code section 48A.2.

"Household" means, for an individual who is 18 years of age or over, the individual, the individual's spouse or domestic partner, and any children, stepchildren, or wards under the age of 18 who reside with the individual. For an individual under the age of 18, "household" means the individual, the individual's parents (or parent and domestic partner), stepparents or guardians, and any children, stepchildren, or wards under the age of 18 of the individual's parents (or parent and domestic partner), stepparents, or guardians who reside with the individual.

"Income" means all gross income received by the individual's household, including but not limited to wages, income from self-employment, retirement benefits, disability benefits, dividends, annuities, public assistance, unemployment compensation, alimony, child support, investment income, rental income, and income from trust funds.

"Individual" means any person seeking or receiving services in a regional service system.

"Individualized services" means services and supports that are tailored to meet the personalized needs of the individual.

"Liquid assets" means assets that can be converted to cash in 20 days. Liquid assets include but are not limited to cash on hand, checking accounts, savings accounts, stocks, bonds, cash value of life insurance, individual retirement accounts, certificates of deposit, and other investments.

"Managed care" means a system that provides the coordinated delivery of services and supports that are necessary and appropriate, delivered in the least restrictive settings and in the least intrusive manner. Managed care seeks to balance three factors: achieving high-quality outcomes for participants, coordinating access, and containing costs.

"Managed system" means a system that integrates planning, administration, financing, and service delivery. The system consists of the financing or governing organization, the entity responsible for care management, and the network of service providers.

"Management organization" means an organization contracted to manage part or all of the service system for a region.

"Medical savings account" means an account that is exempt from federal income taxation pursuant to Section 220 of the U.S. Internal Revenue Code (26 U.S.C. §220) as supported by documentation provided by the bank or other financial institution. Any withdrawal from a medical savings account other than for the designated purpose becomes a countable resource.

"Mental health professional" means the same as defined in Iowa Code section 228.1(6).

“*Non-liquid assets*” means assets that cannot be converted to cash in 20 days. Non-liquid assets include, but are not limited to, real estate, motor vehicles, motor vessels, livestock, tools, machinery, and personal property.

“*Population*” means the same as defined in Iowa Code section 331.388.

“*Provider*” means an individual, firm, corporation, association, or institution which is providing or has been approved to provide medical assistance, is accredited under 441—Chapter 24, holds a professional license to provide the service, is accredited by a national insurance panel, or holds other national accreditation or certification.

“*Regional administrator*” or “*regional administrative entity*” means the administrative office or organization formed by agreement of the counties participating in a mental health and disability services region to function on behalf of those counties.

“*Regional services fund*” means the mental health and disability regional services fund created in Iowa Code section 225C.7A.

“*Regional service system management plan*” means the regional service system plan developed pursuant to Iowa Code section 331.393 for the funding and administration of non-Medicaid-funded mental health and disability services and includes an annual service and budget plan, a policies and procedures manual, and an annual report and how the region will coordinate with the department in the provision of mental health and disability services funded under the medical assistance program.

“*Resources*” means all liquid and non-liquid assets that are owned in part or in whole by the individual household, that could be converted to cash to use for support and maintenance, and that the individual household is not legally restricted from using for support and maintenance.

“*Retirement account*” means any retirement or pension fund or account listed in Iowa Code section 627.6(8)“f.”

“*Retirement account in the accumulation stage*” means a retirement account into which a deposit was made in the previous tax year. Any withdrawal from a retirement account becomes a countable resource.

“*Service system*” refers to the mental health and disability services and supports administered by the regional administrative entity and paid from the regional services fund.

“*State case status*” means the standing of an individual who has no county of residence.

“*State commission*” means the same as defined in Iowa Code section 225C.5.

“*System of care*” means the coordination of a system of services and supports to individuals and their families that ensures they optimally live, work, and recreate in integrated communities of their choice.

“*System principles*” means practices that include individual choice, community and empowerment.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.12(331) Regional governance structure. The counties comprising a mental health and disability services region shall enter into an agreement to form a regional administrator under the control of a governing board to function on behalf of those counties as defined in Iowa Code chapter 28E and sections 331.388, 331.390 and 331.392 and 2013 Iowa Acts, House File 648, section 14.

25.12(1) Governing board. The governing board shall comply with the following requirements:

a. The governing board shall comply with the membership requirements as outlined in Iowa Code section 331.390 and follow the requirements in Iowa Code chapter 69 and other applicable laws relating to boards and commissions.

b. A regional advisory committee shall be created and shall designate members to the governing board as defined in Iowa Code section 331.390(2).

c. The governing board shall appoint and evaluate the performance of the chief executive officer of the regional administrative entity who will serve as the single point of accountability for the region.

25.12(2) Regional administrator. The formation of the regional administrator shall be as defined in Iowa Code sections 331.388 and 331.390.

a. The regional administrative entity is under the control of the governing board.

b. The regional administrative entity shall enter into and manage performance-based contracts in accordance with Iowa Code section 225C.4(1)“u.”

- c. The regional administrative entity structure shall have clear lines of accountability.
- d. The regional administrative entity functions as a lead agency utilizing shared county or regional staff or other means of limiting administrative costs.
- e. The regional administrative entity staff shall include one or more coordinators of disability services.

25.12(3) *Regional service system management.* The region may either directly implement a system of service management and contract with service providers, or contract with a private entity to manage the regional service system, provided all requirements of Iowa Code section 331.393 are met by the private entity.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.13(331) Regional finances.

25.13(1) *Funding.* Non-Medicaid mental health and disability services funding is under the control of the governing board and shall:

- a. Be maintained to limit administrative burden and provide public transparency regarding financial processes.
- b. Be maintained in one of three ways:
 - (1) In a combined account.
 - (2) In separate county accounts that are under the control of the governing board.
 - (3) In other arrangements authorized by law.

25.13(2) *Accounting system and financial reporting.* The accounting system and financial reporting to the department shall conform to Iowa Code section 331.391 and include all non-Medicaid mental health and disability expenditures. Information shall be separated and identified in a uniform chart of accounts, including but not limited to the following: expenses for administration; purchase of services; and enterprise costs for which the region is a service provider or is directly billing and collecting payments.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.14(331) Regional governance agreement. The expectations for regional governance agreements entered into by the counties comprising a mental health and disability services region are defined in Iowa Code sections 28E.1, 331.388, 331.390 and 331.392.

25.14(1) *Organizational provisions.* The organizational provisions of the regional governance agreement shall include the following:

- a. A statement of purpose, goals, and objective of entering into the agreement.
- b. Identification of the governing board membership and the terms, methods of appointment, and voting procedures, including whether or not voting will be weighted.
- c. The identification of the process for selecting the executive staff, including but not limited to the chief executive officer of the regional administrative entity.
- d. Identification of the counties participating in the agreement.
- e. The time period of the agreement and terms for termination or renewal of the agreement.
- f. Provisions for joining a region. Additional counties may join the region. The agreement shall not prohibit a county from being assigned by the department to a region according to Iowa Code section 331.389(4)“c.”
- g. Methods for dispute resolution and mediation.
- h. Methods for termination of a county’s participation in the region.
- i. Provision for formation and assigned responsibilities for one or more advisory committees consisting of:
 - (1) Individuals who utilize services or the actively involved relatives of such individuals.
 - (2) Service providers.
 - (3) Governing board members.
 - (4) Other interests identified in the agreement.

25.14(2) *Administrative provisions.* The administrative provisions of the regional governance agreement shall include all of the following:

a. Identification of whether the region will either directly implement a system of service management or contract with a private entity to manage the regional service system as defined in Iowa Code section 331.393(7).

b. Responsibility of the governing board in appointing and evaluating the performance of the chief executive officer of the regional administrative entity.

c. A general list of the functions and responsibilities of the regional administrative entity's chief executive officer and other staff including but not limited to coordinators of disability services.

d. Specification of the functions to be carried out by each party to the agreement and by any subcontractor of a party to the agreement.

25.14(3) *Financial provisions.* The financial provisions of the regional governance agreement shall include all of the following:

a. Methods for pooling, managing and expending funds under control of the regional administrative entity. If the agreement does not provide for pooling of the participating county moneys in a single fund, the agreement shall specify how the participating county moneys will be subject to the control of the regional administrative entity.

b. Methods for allocating administrative funding and resources.

c. Methods for contributing initial funds to the region.

d. Methods for acquiring or disposing of real property.

e. The process for how to use savings achieved for reinvestment.

f. A process for performance of an annual independent audit of the regional administrator.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.15(331) Eligibility, diagnosis, and functional assessment criteria.

25.15(1) *Eligibility for mental health services.* An individual must comply with all of the following requirements to be eligible for mental health services under the regional service system:

a. The individual complies with the financial eligibility requirements in rule 441—25.16(331).

b. The individual is at least 18 years of age.

c. The individual is a resident of this state.

d. The individual has had at any time during the preceding 12-month period a mental health, behavioral, or emotional disorder or, in the opinion of a mental health professional, may now have such a diagnosable disorder. The diagnosis shall be made in accordance with the criteria provided in the most recent Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association and shall not include the manual's "V" codes identifying conditions other than a disease or injury. The diagnosis shall also not include substance-related disorders, dementia, antisocial personality, or developmental disabilities, unless co-occurring with another diagnosable mental illness.

e. The results of a standardized functional assessment support the need for mental health services of the type and frequency identified in the individual's case plan. The standardized functional assessment methodology shall be designated for mental health services by the director of human services in consultation with the state commission. A functional assessment must be completed within 90 days of application for services.

25.15(2) *Other conditions of eligibility for mental health services.*

a. An individual who is 17 years of age, is a resident of this state, and is receiving publicly funded children's services may be considered eligible for services through the regional service system during the three-month period preceding the individual's eighteenth birthday in order to provide a smooth transition from children's to adult services.

b. An individual less than 18 years of age and a resident of the state may be considered eligible for those mental health services made available to all or a portion of the residents of the region of the same age and eligibility class under the county management plan of one or more counties of the region applicable prior to formation of the region. Eligibility for services under this paragraph is limited to

availability of regional service system funds without limiting or reducing core services, and if part of the approved regional service system management plan.

25.15(3) Eligibility for intellectual disability services. An individual must comply with all of the following requirements to be eligible for intellectual disability services under the regional service system:

- a. The individual complies with the financial eligibility requirements in rule 441—25.16(331).
- b. The individual is at least 18 years of age.
- c. The individual is a resident of this state.
- d. The individual has a diagnosis of intellectual disability as defined by Iowa Code section 4.1(9A).
- e. The results of a standardized functional assessment support the need for intellectual disability services of the type and frequency identified in the individual's case plan. The standardized functional assessment methodology shall be designated for intellectual services by the director of human services in consultation with the state commission. A functional assessment must be completed within 90 days of application for services.

25.15(4) Other conditions of eligibility for intellectual disability services.

a. An individual who is 17 years of age, is a resident of this state, and is receiving publicly funded children's services may be considered eligible for services through the regional service system during the three-month period preceding the individual's eighteenth birthday in order to provide a smooth transition from children's to adult services.

b. An individual less than 18 years of age and a resident of the state may be considered eligible for those intellectual disability services made available to all or a portion of the residents of the region of the same age and eligibility class under the county management plan of one or more counties of the region applicable prior to formation of the region. Eligibility for services under this paragraph is limited to availability of regional service system funds without limiting or reducing core services, and if part of the approved regional service system management plan.

25.15(5) Eligibility for brain injury services. An individual must comply with all of the following requirements to be eligible for brain injury services under the regional service system, if such services were provided to the same class of individuals by a county in the region prior to regional formation.

- a. The individual complies with the financial eligibility requirements in rule 441—25.16(331).
- b. The individual is at least 18 years of age.
- c. The individual is a resident of this state.
- d. The individual has a diagnosis of brain injury as defined in rule 441—83.81(249A).
- e. The results of a standardized functional assessment support the need for brain injury services of the type and frequency identified in the individual's case plan. The standardized functional assessment methodology used is the methodology approved for brain injury services by the director of human services in consultation with the state commission. A functional assessment must be completed within 90 days of application for services.

25.15(6) Other conditions of eligibility for brain injury services. An individual who is 17 years of age, is a resident of this state, and is receiving publicly funded children's services may be considered eligible for services through the regional service system during the three-month period preceding the individual's eighteenth birthday in order to provide a smooth transition from children's to adult services.

25.15(7) Eligibility for developmental disability services.

a. Until funding is designated for other service populations, eligibility for the core service domains shall be as identified in Iowa Code section 331.397(1) "b."

b. If a county in a region was providing services to an eligibility class of individuals with a developmental disability other than intellectual disability prior to formation of the region, the class of individuals shall remain eligible for the services provided when the region is formed, providing that funds are available to continue such services without limiting or reducing core services. The individual must also meet the requirements in paragraphs 25.15(7) "c," "d," "e" and "f."

- c. The individual complies with the financial eligibility requirements in rule 441—25.16(331).
- d. The individual is at least 18 years of age.
- e. The individual is a resident of this state.

f. The individual has a diagnosis of a developmental disability other than an intellectual disability as defined in rule 441—24.1(225C).

[ARC 1173C, IAB 11/13/13, effective 1/1/14; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.16(331) Financial eligibility requirements. The regional service system management plan shall identify basic financial eligibility standards for disability services as defined in Iowa Code section 331.395.

25.16(1) Income requirements. Income requirements shall be as defined in Iowa Code section 331.395(1).

25.16(2) Resource requirements. An individual must have resources that are equal to or less than \$2,000 in countable value for a single-person household or \$3,000 in countable value for a multiperson household or follow the most recent federal supplemental security income guidelines.

a. The countable value of all countable resources, both liquid and non-liquid, shall be included in the eligibility determination except as exempted in this subrule.

b. A transfer of property or other assets within five years of the time of application with the result of, or intent to, qualify for assistance may result in denial or discontinuation of funding.

c. The following resources shall be exempt:

(1) The homestead, including equity in a family home or farm that is used as the individual household's principal place of residence. The homestead shall include all land that is contiguous to the home and the buildings located on the land.

(2) One automobile used for transportation.

(3) Tools of an actively pursued trade.

(4) General household furnishings and personal items.

(5) Burial account or trust limited in value as to that allowed in the medical assistance program.

(6) Cash surrender value of life insurance with a face value of less than \$1,500 on any one person.

(7) Any resource determined excludable by the Social Security Administration as a result of an approved Social Security Administration work incentive.

d. If an individual does not qualify for federally funded or state-funded services or other support but meets all income, resource, and functional eligibility requirements of this chapter, the following types of resources shall additionally be considered exempt from consideration in eligibility determination:

(1) A retirement account that is in the accumulation stage.

(2) A medical savings account.

(3) An assistive technology account.

(4) A burial account or trust limited in value as to that allowed in the medical assistance program.

e. An individual who is eligible for federally funded services and other support must apply for and accept such funding and support.

25.16(3) Copayment standards. A regional administrative entity must comply with copayment standards as defined in Iowa Code section 331.395.

a. Copayments are allowed for individuals with income above 150 percent of the federal poverty level.

b. Copayments in this rule are related to core services as defined in Iowa Code section 331.397.

25.16(4) Copayment standards required by any federal, state, regional, or municipal program. Any copayments or other client participation required by any federal, state, regional or municipal program in which the individual participates shall be required by the regional administrative entity. Such copayments include, but are not limited to:

a. Client participation for maintenance in a residential care facility through the state supplementary assistance program.

b. The financial liability for institutional services paid by counties as provided in Iowa Code section 230.15.

c. The financial liability for attorney fees related to commitment as provided by Iowa Code section 229.8.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.17(331) Exempted counties. If a county has been exempted pursuant to Iowa Code section 331.389 from the requirement to enter into a regional service system, the county and the county's board of supervisors shall fulfill all the requirements of this chapter for a regional service system management plan.

[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.18(331) Annual service and budget plan. The annual service and budget plan shall describe the services to be provided and the cost of those services for the ensuing year.

25.18(1) The annual service and budget plan is due on April 1 prior to the July 1 implementation of the annual plan and shall be approved by the region's governing board prior to submittal to the department. The initial plan is due on April 1, 2014.

25.18(2) The annual service and budget plan shall include but not be limited to:

a. The locations of the local access points for services. This shall include the name of the access points including the physical locations and contact information.

b. Targeted case management. The targeted case management agencies for the region, including the physical location and contact information for those agencies, shall be included.

c. Crisis planning. A list of accredited crisis services available in the region for crisis prevention, response and resolution, including contact information for the agencies responsible, shall be included.

d. Intensive mental health services. Identification of the services designated by the region according to rule 441—25.6(331), including the provider name, contact information, and location of each of the following, shall be included:

(1) Access center(s).

(2) ACT services.

(3) Intensive residential services.

(4) Subacute mental health services.

e. Scope of services. A description of the scope of services to be provided, a projection of need for the service, and the funding necessary to meet the need shall be included.

(1) The scope shall include the regional core services as defined in rule 441—25.1(331).

(2) The scope shall also include services in addition to the required core services.

f. Budget and financing provisions for the next year. The provisions shall address how county, regional, state and other funding sources will be used to meet the service needs within the region.

g. Financial forecasting measures. The plan shall describe the financial forecasting measures used in the identification of service need and funding necessary for services.

h. The provider reimbursement provisions. The plan shall describe the types of reimbursement methods that will be used, including fee for service, compensating providers for a "system of care" approach, and use of nontraditional providers. A region also shall provide funding approaches that identify and incorporate all services and sources of funding used by the individuals receiving services, including the medical assistance program.

[ARC 1173C, IAB 11/13/13, effective 1/1/14; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.19(331) Annual service and budget plan approval. The annual service and budget plan shall be submitted each year by April 1. The director shall review all regional annual service and budget plans submitted by the dates specified. If the director finds the regional annual service and budget plan in compliance with these rules and state and federal laws, the director may approve the plan. A plan approved by the director for a fiscal year beginning July 1 shall remain in effect until June 30, subject to amendment.

25.19(1) Criteria for acceptance. The director shall determine a plan is acceptable when it contains all the required information, meets the criteria described in this division, and is in compliance with all applicable state and federal laws. The director may request additional information to determine whether or not the plan contains all the required information and meets criteria described in this division.

25.19(2) Notification. Except as specified in subrule 25.19(3), the director shall notify the region in writing of the decision on the plan by June 1 of each year. The decision shall specify that either:

a. The annual service and budget plan is approved as it was submitted, either with or without supplemental information already requested and received.

b. The annual service and budget plan will not be approved until revisions are made. The letter will specify the nature of the revisions requested and the time frames for their submission.

25.19(3) *Review of late submittals.* The director may review plans not submitted by April 1 after all plans submitted by that date have been reviewed. The director will proceed with the late submittals in a timely manner.

25.19(4) *Amendments.* An amendment to the annual service and budget plan shall be approved by the regional governance board and submitted to the department at least 45 days before the date of implementation. Before implementation of any amendment to the plan, the director must approve the amendment.

a. Criteria for acceptance. The director shall determine an amendment is acceptable when it contains all the required information and meets the criteria described in this division for the applicable part of the annual service and budget plan and is in compliance with all applicable state and federal laws. The director may request additional information to determine whether or not the amendment contains all the required information and meets criteria described in this division.

b. Notification. The director shall notify the region, in writing, of the decision on the amendment within 45 days of receipt of the amendment. The decision shall specify either that:

(1) The amendment is approved as it was submitted, either with or without supplemental information already requested and received.

(2) The amendment is not approved. The notification will include why the amendment is not approved.

25.19(5) *Reconsideration.* Regions dissatisfied with the director's decision on a plan or an amendment may file a letter with the director requesting reconsideration. The letter requesting reconsideration must be received within 30 working days of the date of the notice of decision and shall include a request for the director to review the decision and the reasons for dissatisfaction. Within 30 working days of the receipt of the letter requesting reconsideration, the director will review both the reconsideration request and evidence provided. The director shall issue a final decision in writing.

[ARC 1173C, IAB 11/13/13, effective 1/1/14; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.20(331) Annual report. The annual report shall describe the services provided, the cost of those services, the number of individuals served, and the outcomes achieved for the previous fiscal year. The annual report is due on December 1 following a completed fiscal year of implementing the annual service and budget plan. The initial report is due on December 1, 2015. The annual report shall include but not be limited to:

1. Services actually provided.

2. Actual numbers of individuals served.

3. Documentation that each regionally designated access center has met the service standards in subrule 25.6(1).

4. Documentation that each regionally designated ACT team has been evaluated for program fidelity, including a peer review as required by subrule 25.6(2), and documentation of each team's most recent fidelity score.

5. Documentation that each regionally designated subacute service has met the service standards in subrule 25.6(7).

6. Documentation that each regionally designated intensive residential service home or intensive residential service has met the service standards in subrule 25.6(8).

7. Moneys expended.

8. Outcomes achieved.

[ARC 1173C, IAB 11/13/13, effective 1/1/14; ARC 4207C, IAB 1/2/19, effective 3/1/19]

441—25.21(331) Policies and procedures manual for the regional service system. The policies and procedures manual shall describe the policies and process developed to direct the management and

administration of the regional service system. The initial manual is due on April 1, 2014, and will remain in effect subject to amendment.

25.21(1) Content. The manual shall include but not be limited to:

a. Financing and delivery of services and supports. A description of the region's process used to develop and ensure the ongoing financial accountability and delivery of services outlined in the region's annual service and budget plan shall be included.

b. Enrollment. The application and enrollment process that is readily accessible to applicants and their families or authorized representatives shall be included. This procedure shall identify regional access points and where applicants can apply for services and how and when the applications will reach the regional administrative entity's designated staff for processing.

c. Eligibility. The process utilized to determine eligibility shall be included in the manual and shall include but not be limited to:

(1) The criteria used to authorize or deny funding for services and supports. This shall include guidelines for who is eligible to receive services and supports by eligibility group, and type of service or support.

(2) Financial eligibility and copayment criteria, which shall meet the requirements of rule 441—25.16(331).

(3) The time frames for conducting eligibility determination that provide for timely access to services, including necessary and immediate services not to exceed ten days.

(4) The process for development of a written notice of decision. The time frame for sending a written notice of decision to the individual and guardian (if applicable) and the service providers identified in the notice shall be included. The notice of decision shall:

1. Explain the action taken on the application and the reasons for that action.
2. State what services are approved and name the service providers.
3. Outline the applicant's right to appeal.
4. Describe the appeal process.

d. Utilization of and access to services. The process for managing utilization of and access to services and other assistance shall be included. The process shall describe how coordination between the services included in the annual service and budget plan and the disability services administered by the state and others will be managed.

e. Quality management and improvement process. The quality management and improvement process shall at a minimum meet the requirements of the department's outcome and performance measures process as outlined in Iowa Code sections 225C.4(1)"j" and 225C.6A.

f. Risk management and fiscal viability. If the region contracts with a private entity, the manual must include risk management provisions and fiscal viability of the annual services and budget plan.

g. Targeted case management.

(1) Designation of targeted case management providers. The process used to identify and designate targeted case management providers for the region shall be described. This process shall include the requirement for the implementation of evidence-based practice models of case management within the region. Requirements of this practice include:

1. Providing the individual receiving the case management with a choice of providers.
2. Allowing a service provider to be the case manager but prohibiting the provider from referring that individual only to services administered by the provider.
3. Provisions to ensure compliance with, but not exceed, federal requirements for conflict-free case management.

(2) Qualifications of targeted case managers. A region's manual shall require that any targeted case managers or other persons providing service coordination while working for the designated provider meet the qualifications of qualified case managers and supervisors as defined in rule 441—24.1(225C).

(3) Targeted case management and service coordination services. Targeted case management and service coordination services utilized in a regional service system shall include but are not limited to the following as defined in Iowa Code section 331.393(4)"g":

1. Performance and outcome measures relating to the health, safety, work performance, and community residency of the individuals receiving the services.

2. Standards for delivery of the services, including but not limited to the social history, assessment, service planning, incident reporting, crisis planning, coordination, and monitoring for individuals receiving the services.

3. Methodologies for complying with the requirements of paragraph 25.21(1)“g.” Methodologies may include the use of electronic record keeping and remote or Internet-based training.

h. System of care approach plan.

i. Decentralized service provision. Measures to provide services in a dispersed manner that meet the minimum access standards of core services and that utilize the strengths and assets of the service providers within and available to the region shall be included.

j. Provider network formation and management. The manual shall require that providers that are subject to license, accreditation or approval meet established standards. The manual shall detail the approval process, including criteria, developed to select providers that are not currently subject to license, accreditation or approval standards. The manual shall identify the process the regional administrative entity will use to contract with providers and manage the provider network to ensure it meets the needs of the individuals in the region. The provider network will include but is not limited to the following:

(1) A contract with a community mental health center that provides services in the individual’s region or with a federally qualified health center that provides psychiatric and outpatient mental health services in the individual’s region.

(2) Contracts with licensed and accredited providers to provide each service in the required core service domains.

(3) Adequate numbers of licensed and accredited providers to ensure availability of core services so that there is no waiting list for services due to lack of available providers.

(4) A contract with an inpatient psychiatric hospital unit or state mental health institute within reasonably close proximity.

k. Service provider payment provisions. A policy for payment of service providers which describes the method and process of paying for services and supports delivered to the region shall be included.

l. Grievance processes. The manual shall develop and implement processes for appealing the decisions of the regional administrative entity in the following circumstances:

(1) Nonexpedited appeal process. The appeal process shall be based on objective criteria, specify time frames, provide for notification in accessible formats of the decisions to all parties, and provide some assistance to individuals with disabilities using the process. Responsibility for the final step in the appeal process shall be a state administrative law judge in nonexpedited appeals.

(2) Expedited appeal process. This appeal process is to be used when the decision of the regional administrative entity concerning an individual varies from the type and amount of service identified to be necessary for the individual in a clinical determination made by a mental health professional and the mental health professional believes that the failure to provide the type and amount of service identified could cause an immediate danger to an individual’s health or safety. This appeal process shall be performed by a mental health professional who is either the administrator of the division of mental health and disability services of the department of human services or the administrator’s designee.

1. The appeal shall be filed within five days of receipt of the notice of decision by the regional administrative entity.

2. The expedited review by the division administrator or designee shall take place within two days of receipt of the request, unless more information is needed. There is an extension of two days from the time the new information is received.

3. The administrator shall issue an order, including a brief statement of findings of fact, conclusions of law, and policy reasons for the order, to justify the decision made concerning the expedited review. If the decision concurs with the contention that there is an immediate danger to the individual’s health or safety, the order shall identify the type and amount of service which shall be

provided for the individual. The administrator or designee shall give such notice as is practicable to individuals who are required to comply with the order. The order is effective when issued.

4. The decision of the administrator or designee shall be considered a final agency action and is subject to judicial review in accordance with Iowa Code section 17A.19.

m. Implementation of interagency and multisystem collaboration and care coordination. The policies and procedures manual shall describe how the region will collaborate with other funders, other regional service systems, service providers, case management, individuals and their families or authorized representatives, and advocates to ensure that authorized services and supports are responsive to individuals' needs, consistent with system principles, and cost-efficient. The manual shall describe the process for collaboration with the court to ensure alternatives to commitment and to coordinate funding for services to individuals who are under court-ordered commitment services pursuant to Iowa Code chapter 229.

n. Addressing multioccurring needs. The policies and procedures manual shall include criteria and measures to be used to address the needs of individuals who have two or more co-occurring mental health, intellectual or other developmental disability, brain injury, or substance-related disorders. The manual shall also include criteria and measures to be used to address the needs of individuals with specialized needs.

o. Service management and functional assessment. The policies and procedures manual shall describe how functional assessments and service management will be incorporated in accordance with applicable requirements.

p. Service system management. The policies and procedures manual shall identify whether the region will be directly implementing a system of service management or will contract with a private entity to manage the regional service system. If the region contracts with a private entity, the region will ensure that all requirements of Iowa Code section 331.393 and these administrative rules are fulfilled.

q. Assistance to other than core service populations. The policies and procedures manual shall specify the services populations, other than core service populations, to whom the region will provide assistance if funding is available.

r. Waiting list criteria. The policies and procedures manual shall specify whether the region will use waiting lists. If the policy and procedures manual specifies the use of waiting lists for funding services and supports, it shall specify criteria for the use and review of each waiting list, including the criteria to be used to determine how and when an individual will be placed on a waiting list. The criteria will include how core services and additional core services will be impacted the least by budgetary limitations. The manual shall specify how waiting list data will be used in future planning.

25.21(2) Approval. The manual shall be submitted by April 1, 2014, as a part of the region's management plan for the fiscal year beginning July 1, 2014. The manual shall be approved by the region's governing board and is subject to approval by the director of human services. The director shall review all regional annual service and budget plans submitted by the dates specified. If the director finds the manual in compliance with these rules and state and federal laws, the director may approve the plan. A plan approved by the director for the fiscal year beginning July 1, 2014, shall remain in effect subject to amendment.

a. Criteria for acceptance. The director shall determine a plan is acceptable when it contains all the required information, meets the criteria described in this division, and is in compliance with all applicable state and federal laws. The director may request additional information to determine whether or not the plan contains all the required information and meets criteria described in this division.

b. Notification.

(1) Except as specified in subparagraph 25.21(2)"b"(2), the director shall notify the region in writing of the decision on the plan by June 1, 2014. The decision shall specify that either:

1. The policies and procedures manual is approved as it was submitted, either with or without supplemental information already requested and received.

2. The policies and procedures manual will not be approved until revisions are made. The letter will specify the nature of the revisions requested and the time frames for their submission.

(2) Review of late submittals. The director may review manuals not submitted by April 1, 2014, after all manuals submitted by that date have been reviewed. The director will proceed with the late submittals in a timely manner.

25.21(3) Amendments. An amendment to the policy and procedures manual shall be approved by the regional governance board and submitted to the department at least 45 days before the date of implementation. Before implementation of any amendment to the manual, the director must approve the amendment.

a. Criteria for acceptance. The director, in consultation with the state commission, shall determine an amendment is acceptable when it contains all the required information and meets the criteria described in this division for the applicable part of the policy and procedures manual and is in compliance with all applicable state and federal laws. The director may request additional information to determine whether or not the amendment contains all the required information and meets criteria described in this division.

b. Notification. The director shall notify the region, in writing, of the decision on the amendment within 45 days of receipt of the amendment. The decision shall specify either that:

(1) The amendment is approved as it was submitted, either with or without supplemental information already requested and received.

(2) The amendment is not approved. The notification will explain why the amendment is not approved.

25.21(4) Reconsideration. Regions dissatisfied with the director's decision on a manual or an amendment may file a letter with the director requesting reconsideration. The letter of reconsideration must be received within 30 working days of the date of the notice of decision and shall include a request for the director to review the decision and the reasons for dissatisfaction. Within 30 working days of the receipt of the letter requesting reconsideration, the director will review both the reconsideration request and evidence provided. The director shall issue a final decision in writing.

These rules are intended to implement Iowa Code sections 331.388 to 331.398.
[ARC 1173C, IAB 11/13/13, effective 1/1/14]

441—25.22 to 25.40 Reserved.

DIVISION III
MINIMUM DATA SET

441—25.41(331) Minimum data set. Each county shall maintain data on all clients served through the MH/DD services fund.

25.41(1) Submission of data. Each county shall submit to DHS a copy of the data regarding each individual that the county serves through the central point of coordination process.

a. DHS state payment program, state supplementary assistance program, mental health institutes, state resource centers, Medicaid program, and Medicaid managed care contractors shall provide the equivalent data in a compatible format on the same schedule as the required submission from the counties.

b. DHS shall maintain the data in the data analysis unit for research and analysis purposes only. Only summary data shall be reported to policymakers or the public.

25.41(2) Data required. The data to be submitted are as follows:

a. Basic client information including a unique identifier, name, address, county of residence and county of legal settlement.

b. The state I.D. number for state payment cases.

c. Demographic information including date of birth, sex, ethnicity, marital status, education, residential living arrangement, current employment status, monthly income, income sources, type of insurance, insurance carrier, veterans' status, guardianship status, legal status in the system, source of referral, diagnosis in the current version of the DSM, diagnosis in the current version of the ICD, disability group (i.e., intellectual disability, developmental disability, chronic mental illness, mental illness), central point of coordination (county number preceded by A 1), and central point of coordination (CPC) name.

d. Service information including the decision on services, date of decision, date client terminated from CPC services and reason for termination, residence, approved service, service beginning dates, service ending dates, reason for terminating each service, approved units of services, unit rate for service, expenditure data, and provider data.

e. Counties shall not be penalized in any fashion for failing to collect data elements in situations of crisis or in outreach efforts to identify or engage people in needed mental health services. For the purposes of this rule:

(1) Situations of crisis include but are not limited to voluntary and involuntary hospitalizations, legal and transportation services associated with involuntary hospitalizations, emergency outpatient services, mobile crisis team services, jail diversion services, mental health services provided in a county jail, and other services for which the county is required to pay but does not have access to the client to collect the required information.

(2) Outreach efforts to identify or engage people in needed mental health services include but are not limited to mental health advocate services; services for homeless persons, refugees, or other legal immigrants; services for state cases who do not have documentation with them and are unable to help the county locate appropriate records; consultation; education to raise public awareness; 12-step or other support groups for persons with dual disorders; and drop-in centers.

f. Although all of the data in the minimum data set are important to provide support for program analysis, a county shall be penalized for noncompliance with this rule if the county does not provide 100 percent reporting of the data elements listed in this paragraph. Beginning with the data reported for state fiscal year 2008, less than 100 percent reporting for the following items shall be viewed as noncompliance unless the data are exempted by paragraph “*e*”:

- (1) Client identifiers:
 1. Lname3 (the first three letters of the client’s last name).
 2. Last4SSN (the last four digits of the client’s social security number).
 3. SEX (the client’s sex).
 4. BDATE (the client’s birth date).
- (2) CPC (central point of coordination).
- (3) Payment information:
 1. PYMTDATE (CoMIS payment date).
 2. FUND CODE (CoMIS fund code).
 3. DG (CoMIS diagnosis).
 4. COACODE (CoMIS chart of accounts code).
 5. BEGDATE (CoMIS service beginning date).
 6. ENDDATE (CoMIS service ending date).
 7. UNITS (CoMIS units of service).
 8. COPD (CoMIS county paid).
- (4) ValidSSN (valid social security number indicator).
- (5) IsPerson (IsPerson indicator).

g. Although all of the data in the minimum data set are important to provide support for program analysis, a county shall be penalized for noncompliance with this rule if the county does not provide 90 percent reporting of the data elements listed in this paragraph beginning with the data reported for fiscal year 2008. Less than 90 percent reporting for the following items shall be viewed as noncompliance unless the data are exempted by paragraph “*e*”:

- (1) Application Date (application date).
- (2) RESCO (residence county).
- (3) LEGCO (legal county).
- (4) Provider ID (vendor number).

h. The department shall analyze the data received on or before December 1 each year by December 15 or by the next business day if December 15 falls on a weekend or holiday.

(1) When a county’s data submission does not meet the specifications in paragraph “*f*” or “*g*,” the department will notify the county by E-mail.

(2) The county shall have 30 days from the date of the E-mail notice to submit the missing data or to provide an explanation of why the data cannot be reported.

(3) If the county does not report the data or provide an adequate explanation within 30 days, the department shall find the county in noncompliance.

i. The department shall post the aggregate reports received by December 1 on the department’s Web site within 90 days.

25.41(3) Method of data collection. A county may choose to collect this information using the county management information system (CoMIS) that was designed by the department or may collect the information through some other means. If a county chooses to use another system, the county must be capable of supplying the information in the same format as CoMIS.

a. Except as provided in subparagraph (3), each county shall submit the following files in Microsoft Excel format (version 97 to 2000) or comma-delimited text file (CSV) format using data from the associated CoMIS table or from the county’s chosen management information system:

<u>Files to submit</u>	<u>Associated CoMIS Table</u>
WarehouseClient.xls or WarehouseClient.csv	Client Data
WarehouseIncome.xls or WarehouseIncome.csv	Income Review
WarehousePayment.xls or WarehousePayment.csv	Payment
WarehouseProvider.xls or WarehouseProvider.csv	Provider
WarehouseProviderServices.xls or WarehouseProviderServices.csv	tblProviderServices
WarehouseService.xls or WarehouseService.csv	Service Authorizations

(1) Paragraphs “b” through “g” list the data required in each file and specify the structure or description for each data item to be reported.

(2) The field names used in the report files must be exactly the same as indicated in the corresponding paragraph, including spaces, and must be entered in the first row for each sheet.

(3) The file labeled WarehouseService.xls or WarehouseService.csv or service authorization (described in paragraph “g” of this subrule) shall be removed from this requirement on June 30, 2011, if data from this file have not been used by that date.

b. File name: WarehouseClient.xls or WarehouseClient.csv.

Sheet name: Warehouse_Client_Transfer_Query.

Field Name	Data Type	Field Size	Format	Description
CPC	Number	3	0 decimal places	Central point of coordination number: county number preceded by a 1
RESCO	Number	3	0 decimal places	Residence county of client: 1-99 = County number 100 = State of Iowa 900 = Undetermined or in dispute
LEGCO	Number	3	0 decimal places	Legal county of client: 1-99 = County number 100 = State of Iowa 900 = Undetermined or in dispute

Field Name	Data Type	Field Size	Format	Description
Lname3	Text	3		The first 3 characters of the last name
Last4SSN	Text	4		The last 4 digits of the client's social security number. If that number is unknown, then use the last 4 digits of the CLIENT ID# field and mark column "ValidSSN" with the value "No."
BDATE	Date	10	mm/dd/yyyy	Date of client's birth
SEX	Text	1		Sex of client: M = Male F = Female
Last Update	Date	10	mm/dd/yyyy	Date of last update to client record
SID	Text	8	9999999a	State identification number of client, if applicable (format of a valid number is 7 digits plus 1 alphabetical character).
ADD1	Text	50		First address line
ADD2	Text	50		Second address line (if applicable)
CITY	Text	50		City address line
STATE	Text	2		State code
ZIP	Number	5	0 decimal places	5-digit ZIP code
ETHN	Number	1	0 decimal places	Ethnicity of client: 0 = Unknown 1 = White, not Hispanic 2 = African-American, not Hispanic 3 = American Indian or Alaskan native 4 = Asian or Pacific Islander 5 = Hispanic 6 = Other (biracial; Sudanese; etc.)
MARITAL	Number	1	0 decimal places	Marital status of client: 1 = Single, never married 2 = Married (includes common-law marriage) 3 = Divorced 4 = Separated 5 = Widowed
EDUC	Number	2	0 decimal places	Education level of the client
RARG	Number	2	0 decimal places	Residential arrangement of client: 1 = Private residence/household 2 = State MHI 3 = State resource center 4 = Community supervised living 5 = Foster care or family life home 6 = Residential care facility 7 = RCF/MR 8 = RCF/PMI 9 = Intermediate care facility 10 = ICF/MR 11 = ICF/PMI 12 = Correctional facility 13 = Homeless shelter or street 14 = Other
LARG	Number	1	0 decimal places	Living arrangement of client: 1 = Lives alone 2 = Lives with relatives 3 = Lives with persons unrelated to client
INS	Number	1	0 decimal places	Health insurance owned by client: 1 = Client pays 3 = Medicaid 4 = Medicare 5 = Private third party 6 = Not insured 7 = Medically Needy

Field Name	Data Type	Field Size	Format	Description
INSCAR	Text	50		First insurance company name, if applicable
INSCAR1	Text	50		Second insurance company name, if applicable
INSCAR2	Text	50		Third insurance company name, if applicable
VET	Text	1		Veteran status of client: Y = Yes N = No
CONSERVATOR	Number	1	0 decimal places	Conservator status of client: 1 = Self 2 = Other
GUARDIAN	Number	1	0 decimal places	Guardian status of client: 1 = Self 2 = Other
LEGSTAT	Number	1	0 decimal places	Legal status of client: 1 = Voluntary 2 = Involuntary, civil commitment 3 = Involuntary, criminal commitment
REFSO	Number	1	0 decimal places	Referral source of client: 1 = Self 2 = Family or friend 3 = Targeted case management 4 = Other case management 5 = Community corrections 6 = Social service agency other than case management 7 = Other
DSM (current version)	Text	50		DSM (current version) diagnosis code of client
ICD (current version)	Text	50		ICD (current version) diagnosis code (optional for county use; not tied to CoMIS entry)
DG	Number	2	0 decimal places	Disability group of client: 40 = Mental illness 41 = Chronic mental illness 42 = Mental retardation 43 = Other developmental disability 44 = Other categories
Application Date	Date	10	mm/dd/yyyy	Date of client's initial application
Outcome decision	Number	1	0 decimal places	Decision on client's application: 1 = Application accepted 2 = Application denied 3 = Decision pending
Decision date	Date	10	mm/dd/yyyy	Date decision was made on client's application
Denial reason	Text	2		Denial reason code: 00 = Not applicable 01 = Over income guidelines 1A = Over resource guidelines 02 = Does not meet county plan criteria 2A = Legal settlement in another county 2B = State case 3A = Brain injury 3B = Alzheimer's 3C = Substance abuse 3D = Other 04 = Does not meet service plan criteria 05 = Client desires to discontinue process 5A = Client fails to return requested information

Field Name	Data Type	Field Size	Format	Description
Client exit date from CPC	Date	10	mm/dd/yyyy	Date client was terminated from CPC services
Exit reason	Number	1	0 decimal places	Reason client left the CPC system: 0 = Unknown 1 = Client voluntarily withdrew 2 = Client deceased 3 = Unable to locate consumer 4 = Ineligible due to reasons other than income 5 = Ineligible, over income guidelines 6 = Client moved out of state 7 = Client no longer needs service 8 = Client has legal settlement in another county
Review Date	Date	10	mm/dd/yyyy	Date of last application review
PhoneNumber	Text	50		Phone number of client
ValidSSN	Text	3	Generated for CoMIS users in the data extract only	Populate this field with YES if the client has a valid social security number. If the client does not have a valid social security number, populate this field with NO.
IsPerson	Text	3	Generated for CoMIS users in the data extract only	Populate this field with YES if the client is a person. If the client entry represents a nonperson such as administrative costs, populate this field with NO.

c. File name: WarehouseIncome.xls or WarehouseIncome.csv.

Sheet name: Warehouse_Income_Transfer_Query.

Field Name	Data Type	Field Size	Format	Description
CPC	Number	3	0 decimal places	Central point of coordination number: county number preceded by a 1
RESCO	Number	3	0 decimal places	Residence county of client: 1-99 = County number 100 = State of Iowa 900 = Undetermined or in dispute
LEGCO	Number	3	0 decimal places	Legal county of client: 1-99 = County number 100 = State of Iowa 900 = Undetermined or in dispute
Lname3	Text	3		The first 3 characters of the last name
Last4SSN	Text	4		The last 4 digits of the client's social security number. If that number is unknown, then use the last 4 digits of the CLIENT ID# field and mark column "ValidSSN" with the value "No."

End Date	Date	10	mm/dd/yyyy	Ending date of service period
Ending Reason	Number	1	0 decimal places	Reason for terminating approval of service: 0 = NA 1 = Voluntary withdrawal 2 = Client no longer needs service 3 = Ineligible, over income guidelines 4 = Ineligible due to other than income 5 = Client moved out of state 6 = Client deceased 7 = Reauthorization
Units	Number	4	0 decimal places	Average number of service units approved monthly
Rate	Currency	14	2 decimal places	Dollar amount per service unit
Review Date	Date	10	mm/dd/yyyy	Date for next service review

This rule is intended to implement Iowa Code sections 331.438 and 331.439.
[ARC 2164C, IAB 9/30/15, effective 10/1/15]

441—25.42 to 25.50 Reserved.

DIVISION IV
INCENTIVE AND EFFICIENCY POOL FUNDING

PREAMBLE

These rules establish requirements for counties to receive funding from the incentive and efficiency pool. To be eligible for these funds, a county must select five performance indicators, submit a proposal, collect data, report data, and show improvement over time on the selected performance indicators.

441—25.51(77GA, HF2545) Desired results areas. In order to receive funds from the incentive and efficiency pool established in 1998 Iowa Acts, House File 2545, section 8, subsection 2, each county shall collect and report performance measure data in the following areas:

25.51(1) Equity of access. Each county shall measure the extent to which services are available and used. Each county shall:

a. Report annually the total number of consumers served, as well as an unduplicated total of the number of consumers served by disability category.

b. Calculate and report annually the percentage of service provision by dividing the number of consumers served in a year by the county's population as defined in 1998 Iowa Acts, House File 2545, section 7.

c. Calculate and report annually the percentage of denial of access by dividing the number of new, completed applications denied by the total number of new applications for service that year. A new, completed application shall be defined as an initial application of a consumer or any former consumer who is reapplying for service eligibility after more than 30 days of not being enrolled in the system, for which the consumer has supplied the information required on the application form.

d. Report annually the county's eligibility guidelines, which may include, but are not limited to, the income level below which an individual or family must be in order to be eligible for county-funded

services, the maximum amount of resources which an individual or family may have in order to be eligible for county-funded services, covered populations, and service access criteria.

25.51(2) Community-based supports. Each county shall measure the extent to which community-based supports are available and used. Each county shall calculate and report annually:

a. The service setting percentage by dividing the unduplicated number of persons served in each of the following service settings in a fiscal year by the total unduplicated number of consumers served, both in total and by population group: mental health institutes, state hospital schools, intermediate care facilities for the mentally retarded, other living arrangements over five beds as captured by the county chart of accounts, and employment settings which include sheltered workshops, enclaves and supported employment.

b. The home-based percentage by subtracting the number of consumers currently being served in residential placements from the total unduplicated number of consumers served, and dividing the difference by the total number of consumers served. The calculation shall be made both in total and by population group.

c. The inpatient spending percentage by dividing the amount the county spent for inpatient services by the amount the county spent for outpatient services. Each county shall also divide the unduplicated number of consumers who received inpatient services during the fiscal year by the total unduplicated number of consumers who received services during that same fiscal year. Inpatient services shall be defined as any acute care for which the county is wholly or partially financially responsible.

25.51(3) Consumer participation. Each county shall measure the extent to which consumers participate in all aspects of the service system.

a. Each county shall report annually on the number of opportunities during the year for consumers to participate in planning activities, which may include, but are not limited to, open forums, focus groups, consumer advisory committee meetings, and planning council meetings by calculating the total number of consumers participating in these activities and dividing by the unduplicated number of consumers served and also by the total population of the county. In addition, the county shall report duplicated and unduplicated total attendance at all of these meetings. These calculations shall be made for consumers and family members separately.

b. Each county which has a planning group shall calculate and report annually the planning group percentage by dividing the number of consumers who actively serve on the planning group by the total number of people on the planning group. This calculation shall be made for consumers and family members separately. For the purposes of this subrule, a planning group is any group of individuals designated by the board of supervisors, or if no designation has been made, any group acknowledged by the central point of coordination administrator as assisting in the development of the county management plan.

c. Each county shall conduct a consumer satisfaction survey following adoption of more detailed rules for the survey.

25.51(4) Administration. Each county shall measure the extent to which the county services system is administered efficiently and effectively. Each county shall:

a. Calculate and report annually the administrative cost percentage by dividing the amount spent administering the county services system by the total amount spent from the services fund for the fiscal year.

b. Calculate and report annually the service responsiveness average by measuring the number of days between the date a new, completed application was submitted and the date a notice of decision of eligibility was sent to the consumer, adding all of these numbers of days, and dividing by the total number of new, completed applications for the fiscal year. A new, completed application shall be defined as an initial application of a consumer or an application of any former consumer who is reapplying for service eligibility after more than 30 days of not being enrolled in the system, for which the consumer has supplied the information required on the application form.

c. Report annually the number of appeals filed as a percent of the unduplicated total number of consumers served per year.

441—25.52(77GA, HF2545) Methodology for applying for incentive funding. Beginning with the county management plan for the fiscal year which begins July 1, 1999, each county applying for funding under 1998 Iowa Acts, House File 2545, section 8, subsection 2, shall include with its county management plan a performance improvement proposal for improving the county's performance on at least five performance measures. Three of the measures must be selected from at least two of the desired results areas stated in rule 441—25.51(77GA, HF2545). For the remaining two measures, the county either may propose measures not identified in these rules or may use measures described in these rules. A performance improvement proposal is not a mandatory element of a county management plan.

25.52(1) *Performance improvement proposal.* Each county shall identify the performance measures which the county has targeted for improvement and shall propose a percentage change for each indicator. The proposal shall include the county's rationale for selecting the indicators and may include any supporting information the county deems necessary. The proposal shall describe the process the county will use to involve consumers in the evaluation.

25.52(2) *Committee responsibility.* The state county management committee shall review all county proposals, and may either accept the proposal, request modifications, or reject the proposal. In order to interpret and provide context for each county's performance improvement proposal, the state county management committee shall, by January 1, 1999, establish the background data to be collected and aggregated for all counties.

25.52(3) *County ineligibility.* A county which does not have an accepted proposal prior to July 1 will be ineligible to receive incentive funds for that fiscal year. A county may apply for an extension by petitioning the state county management committee prior to July 1. The petition shall describe the circumstances which will cause the proposal to be delayed and identify the date by which the proposal will be submitted. In addition, the state county management committee may grant an extension for the purposes of negotiation.

441—25.53(77GA, HF2545) Methodology for awarding incentive funding. Each county shall report on all performance measures listed in this division, plus any additional performance measures the county has selected, by December 1 of each year.

25.53(1) *Reporting.* Each county shall report performance measure information on forms, or by electronic means, developed for the purpose by the department in consultation with the state county management committee.

25.53(2) *Scoring.* The department shall analyze each county's report to determine the extent to which the county achieved the levels contained in the proposal accepted by the state county management committee. Prior to distribution of incentive funding to counties, results of the analysis shall be shared with the state county management committee.

25.53(3) *County ineligibility.* A county which does not report performance measure data by December 1 will be ineligible to receive incentive funds for that fiscal year. A county may apply for an extension by petitioning the state county management committee prior to December 1. The petition shall describe the circumstances which will cause the report to be delayed and identify the date by which the report will be submitted.

441—25.54(77GA, HF2545) Subsequent year performance factors. For any fiscal year which begins after July 1, 1999, the state county management committee shall not apply any additional performance measures until the county management information system (CoMIS) developed and maintained by the division of mental health and developmental disabilities has been modified, if necessary, to collect and calculate required data elements and performance measures and each county has been given the opportunity to establish baseline measures for those measures.

441—25.55(77GA, HF2545) Phase-in provisions.

25.55(1) *State fiscal year 1999.* For the fiscal year which begins July 1, 1998, each county shall collect data as required above in order to establish a baseline level on all performance measures. A county

which collects and reports all required data by December 1, 1999, shall be deemed to have received a 100 percent score on the county's performance indicators.

25.55(2) State fiscal year 2000. A county which submits a proposal with its management plan for the fiscal year which begins July 1, 1999, and reports the levels achieved on the selected performance measures by December 1, 2000, shall be deemed to have received a 100 percent score on the county's performance indicators, regardless of the actual levels achieved.

These rules are intended to implement 1998 Iowa Acts, House File 2545, section 8, subsection 2.

441—25.56 to 25.60 Reserved.

DIVISION V
RISK POOL FUNDING

PREAMBLE

These rules establish a risk pool board to administer the risk pool fund established by the legislature and set forth the requirements for counties for receiving and repaying funding from the fund.

441—25.61(426B) Definitions.

"Available pool" means those funds remaining in the risk pool less any actuarial and other direct administrative costs.

"Central point of coordination (CPC)" means the administrative entity designated by a county board of supervisors, or the boards of a consortium of counties, to act as the single entry point to the service system as required in Iowa Code section 331.440.

"Commission" means the mental health, mental retardation, developmental disabilities, and brain injury commission.

"Division" means the mental health and disability services division of the department of human services.

"Mandated services" means those services for which a county is required to pay. Mandated services include, but may not be limited to, the following:

1. The costs for commitments for persons with mental illness, chronic mental illness, mental retardation, or developmental disabilities.
2. Inpatient services at the state mental health institutes for persons with mental illness or chronic mental illness.
3. Inpatient services at the state resource centers for persons with mental retardation or developmental disabilities.
4. Medicaid-funded care in an intermediate care facility for persons with mental retardation.
5. Medicaid-funded partial hospitalization and day treatment services for persons with chronic mental illness.
6. Medicaid-funded case management services for persons with mental retardation or developmental disabilities and for anyone not covered under the Iowa Plan.
7. Services provided under the Medicaid home- and community-based services mental retardation waiver.
8. Services provided under the Medicaid home- and community-based services brain injury waiver for which the county is responsible according to rule 441—83.90(249A).
9. Medicaid habilitation services for persons with chronic mental illness.

"Services fund" means a county's mental health, mental retardation, and developmental disabilities services fund created in Iowa Code section 331.424A.

441—25.62(426B) Risk pool board. This ten-member board consists of two county supervisors, two county auditors, a member of the commission who is not a member of a county board of supervisors, a member of the county finance committee created in Iowa Code chapter 333A who is not an elected official, a representative of a provider of mental health or developmental disabilities services selected

from nominees submitted by the Iowa Association of Community Providers, and two central point of coordination administrators, all appointed by the governor, subject to confirmation by two-thirds of the members of the senate, and one member appointed by the director of the department of human services.

25.62(1) Organization.

a. The members of the board shall annually elect from the board's voting membership a chairperson and vice-chairperson of the board.

b. Members appointed by the governor shall serve three-year terms.

25.62(2) Duties and powers of the board. The board's powers and duties are to make policy and to provide direction for the administration of the risk pool established by Iowa Code section 426B.5, subsection 2. In carrying out these duties, the board shall do all of the following:

a. Recommend to the commission for adoption rules governing the risk pool fund.

b. Determine application requirements to ensure prudent use of risk pool assistance.

c. Accept or reject applications for assistance in whole or in part.

d. Review the fiscal year-end financial records for all counties that are granted risk pool assistance and determine if repayment is required.

e. Approve actuarial and other direct administrative costs to be paid from the pool.

f. Compile a list of requests for risk pool assistance that are beyond the amount available in the risk pool fund for a fiscal year and the supporting information for those requests and submit the list and supporting information to the commission, the department of human services, and the general assembly.

g. Perform any other duties as mandated by law.

25.62(3) Board action.

a. A quorum shall consist of two-thirds of the membership appointed and qualified to vote.

b. When a quorum is present, an action is carried by a majority of the qualified members of the board.

25.62(4) Board minutes.

a. Copies of administrative rules and other materials considered are made part of the minutes by reference.

b. Copies of the minutes are kept on file in the office of the administrator of the division.

25.62(5) Board meetings.

a. The board shall meet in August of each year and may hold special meetings at the call of the chairperson or at the request of a majority of the voting members.

b. Any county making application for risk pool funds must be represented at the board meeting for awarding funds when that request is considered.

(1) The division shall notify the county of the date, time and location of the meeting.

(2) Any other persons with questions about the date, time or location of the meeting may contact the Administrator, Division of Mental Health and Disability Services, Department of Human Services, Hoover State Office Building, Fifth Floor, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, telephone (515)281-7277.

c. The board shall comply with applicable provisions of Iowa's open meetings law, Iowa Code chapter 21.

25.62(6) Records. Any records maintained by the board or on behalf of the board shall be made available to the public for examination in compliance with Iowa's open records law, Iowa Code chapter 22. To the extent possible, before submitting applications, records and documents, applicants shall delete any confidential information. These records shall be maintained in the office of the division.

25.62(7) Conflict of interest. A board member cannot be a part of any presentation to the board of that board member's county's application for risk pool funds nor can the board member be a part of any action pertaining to that application.

25.62(8) Robert's Rules of Order. In cases not covered by these rules, Robert's Rules of Order shall govern.

25.62(9) Report. On or before March 1 and September 1 of each fiscal year, the department of human services shall provide the risk pool board with a report of the financial condition of each funding source administered by the board. The report shall include, but is not limited to, an itemization of the

funding source's balances, types and amount of revenues credited and payees and payment amounts for the expenditures made from the funding source during the reporting period.

[ARC 7879B, IAB 6/17/09, effective 6/1/09]

441—25.63(426B) Application process.

25.63(1) Applicants. A county may be eligible for risk pool assistance when the county demonstrates that it meets the conditions in this subrule.

a. Basic eligibility.

(1) The county complies with the requirements of Iowa Code section 331.439.

(2) The county levied the maximum amount allowed for the county's services fund under Iowa Code section 331.424A for the fiscal year of application.

(3) In the fiscal year that commenced two years before the fiscal year of distribution, the county's services fund ending balance under generally accepted accounting principles was equal to or less than 20 percent of the county's actual gross expenditures for that fiscal year.

b. Circumstances indicating need for assistance. Risk pool assistance is needed for one or more of the following purposes:

(1) To continue support for mandated services.

(2) To avoid the need for reduction or elimination of:

1. Critical services, creating risk to a consumer's health or safety;

2. Critical emergency or mobile crisis services, creating risk to the public's health or safety;

3. Services or other support provided to an entire disability category; or

4. Services or other support provided to maintain consumers in a community setting, creating risk of placement in a more restrictive, higher-cost setting.

25.63(2) Application procedures.

a. Format for submission. The county shall submit the application package electronically or send an original plus 15 copies to the division. Facsimiles are not acceptable.

b. Deadline. The division must receive the application no later than 4:30 p.m. on July 1 of each year; or, if July 1 is a holiday, Saturday or Sunday, the division must receive the application no later than 4:30 p.m. on the first working day thereafter.

c. Signature. The application shall be signed and dated by both the chairperson of the county board of supervisors and the central point of coordination administrator.

d. Notice of receipt. Staff of the division shall notify each county of receipt of the county's application.

e. Content. In addition to Form 470-3723, Risk Pool Application, the application package shall include the following forms for the fiscal year that commenced two years before the fiscal year of distribution:

(1) Form 634C, Service Area 4 Supporting Detail (pages 1 to 8).

(2) Form 638R, Statement of Revenues, Expenditures, and Changes in Fund Balance—Actual and Budget (pages 1 and 2).

(3) If the budget has been amended, Form 653A-R, Record of Hearing and Determination on the Amendment to County Budget (sheet 2), as last amended.

25.63(3) Request for additional information. Staff shall review all applications for completeness. If an application is not complete, staff of the division shall contact the county within four working days after July 1 to request the information needed to complete the application. If July 1 is a holiday, Saturday or Sunday, the division shall make this contact within five working days after July 1. The county shall submit the required information within five working days from the date of the division's request for the additional information.

[ARC 7879B, IAB 6/17/09, effective 6/1/09]

441—25.64(426B) Methodology for awarding risk pool funding. The risk pool board shall make an eligibility decision on each application within 45 days after receiving the application and shall make a funding decision no later than August 15.

25.64(1) Notice of decision. The risk pool board shall send a notice of decision of the board's action to the chairperson of the applying county's board of supervisors. Copies of the notice of decision shall be sent to the county auditor and the central point of coordination administrator.

25.64(2) Distribution of funds. The total amount of the risk pool shall be limited to the available pool for a fiscal year.

a. If the total dollar amount of the approved applications exceeds the available pool, the board shall prorate the amount paid for an approved application. The funds will be prorated to each county based upon the proportion of each approved county's request to the total amount of all approved requests.

b. The division shall authorize the issuance of warrants payable to the county treasurers for the amounts due. The warrants shall be issued on or before September 15.

[ARC 7879B, IAB 6/17/09, effective 6/1/09]

441—25.65(426B) Repayment provisions.

25.65(1) Required repayment. Counties shall be required to repay risk pool funds if the county's actual need for risk pool assistance was less than the amount of risk pool assistance granted to the county. The county shall refund the lesser of:

a. The amount of assistance awarded; or

b. An amount such that the fund balance after refund will not exceed 5 percent of the expenditures for the year as determined on a modified accrual basis.

25.65(2) Year-end report. Each county granted risk pool funds shall complete a year-end financial report as required by Iowa Code section 225C.6A(2)(c)(3). The division shall review the accrual information and notify the mental health risk pool board if any county that was granted assistance in the prior year received more than the county's actual need based on the submitted financial report.

25.65(3) Notification to county. The chairperson of the mental health risk pool board shall notify each county by January 1 of each fiscal year of the amount to be reimbursed. The county shall reimburse the risk pool within 30 days of receipt of notification by the chairperson of the mental health risk pool board. If a county fails to reimburse the mental health risk pool, the board may request a revenue offset through the department of revenue. Copies of the overpayment and request for reimbursement shall be sent to the county auditor and the central point of coordination administrator of the county.

[ARC 7879B, IAB 6/17/09, effective 6/1/09]

441—25.66(426B) Appeals. The risk pool board may accept or reject an application for assistance from the risk pool fund in whole or in part. The decision of the board is final and is not appealable.

These rules are intended to implement Iowa Code section 426B.5, subsection 2.

441—25.67 to 25.70 Reserved.

DIVISION VI
TOBACCO SETTLEMENT FUND RISK POOL FUNDING

PREAMBLE

These rules provide for use of an appropriation from the tobacco settlement fund to establish a risk pool fund which may be used by counties with limited county mental health, mental retardation and developmental disabilities services funds to pay for increased compensation of the service staff of eligible purchase of service (POS) providers and establish the requirements for counties for receiving and repaying the funding. Implementation of the rate increases contemplated by the tobacco settlement fund in a timely manner will require cooperation among all eligible counties and providers.

441—25.71(78GA,ch1221) Definitions.

"Adjusted actual cost" means a POS provider's cost as computed using the financial and statistical report for the provider's fiscal year which ended during the state fiscal year beginning July 1, 1998 (state fiscal year 1999), as adjusted by multiplying those actual costs by 103.4 percent or the percentage

adopted by the risk pool board in accordance with 2000 Iowa Acts, chapter 1221, section 3, subsection 3, paragraph “c.”

“*Department*” means the Iowa department of human services.

“*Division*” means the mental health and developmental disabilities division of the department of human services.

“*Financial and statistical report*” means a report prepared by a provider and submitted to host counties that is prepared in accordance with department rules for cost determination set forth in 441—Chapter 150.

“*Host county*” means the county in which the primary offices of a POS provider are located. However, if a POS provider operates separate programs in more than one county, “host county” means each county in which a separate program is operated.

“*Purchase of service provider*” or “*POS provider*” means a provider of sheltered work, work activity, supported employment, job placement, enclave services, adult day care, transportation, supported community living services, or adult residential services paid by a county from the county’s services fund created in Iowa Code section 331.424A under a state purchase of service or county contract.

“*Risk pool board*” means that board established by Iowa Code section 426B.5, subsection 3.

“*Separate program*” means a POS service operated in a county other than the county in which the provider’s home office is located and for which the provider allocates costs separately from similar programs located in the county where the provider’s home office is located.

“*Services fund*” means the fund defined in Iowa Code section 331.424A.

“*Tobacco settlement fund loan*” or “*TSF loan*” means the tobacco settlement fund risk pool funds a county received in a fiscal year in which the county did not levy the maximum amount allowed for the county’s mental health, mental retardation, and developmental disabilities services fund under Iowa Code section 331.424A. The repayment amount shall be limited to the amount by which the actual amount levied was less than the maximum amount allowed.

441—25.72(78GA,ch1221) Risk pool board. The risk pool board is organized and shall take action and keep minutes and records as set out in rule 441—25.62(426B).

A risk pool board member cannot be a part of any presentation to the board of that board member’s county’s application for tobacco settlement fund risk pool funds nor can the board member be a part of any action pertaining to that application. If a risk pool board member is employed by or is a board member of a POS provider whose increases in compensation caused the host county to apply to the fund, the board member cannot be a part of any presentation to the board nor can the board member be a part of any action pertaining to that application.

441—25.73(78GA,ch1221) Rate-setting process. For services provided on or after July 1, 2000, each county shall increase its reimbursement rates for each program to the lesser of the adjusted actual cost or 105 percent of the rate paid for services provided on June 30, 2000.

25.73(1) Financial and statistical report. Each provider of POS services shall submit a financial and statistical report to each host county for each program that the provider operates within that county. These reports shall include actual costs for each separate program for the provider’s fiscal year that ended during state fiscal year 1999 and state fiscal year 2000. These reports shall be submitted to the central point of coordination (CPC) administrator of the host county or counties no later than August 15, 2000.

25.73(2) Rate determination. The CPC administrator in each host county shall receive and review provider financial and statistical reports for each separate program for which that county is the host county. If the host county determines that all or part of the provider’s increase in costs is attributable to increases in service staff compensation and that the adjusted actual cost is more than the rate paid by the county on June 30, 2000, the CPC administrator shall notify the provider in writing of the new rate for each program no later than September 1, 2000.

If a rate paid for services provided on June 30, 2000, exceeds the adjusted actual cost, the county shall not be required to adjust the rate for services provided on or after July 1, 2000.

The provider shall, no later than September 11, 2000, send to the CPC administrator of any other counties with consumers in those programs a copy of the rate determination signed by the CPC administrator of the host county. A county may delay payment of the reimbursement rate established pursuant to this subrule until the risk pool board has completed action as to adopting or not adopting a different percentage for the definition of adjusted actual cost, provided however that any increased rates required by 2000 Iowa Acts, chapter 1221, section 3, subsection 2, paragraph "c," shall be paid retroactively for all services provided on or after July 1, 2000.

25.73(3) Exemptions.

a. A POS provider that has negotiated a reimbursement rate increase with a host county as of July 1, 2000, has the option of exemption from the provisions of these rules. However, a county shall not be eligible to receive tobacco settlement funds for any rates established outside of the process established in these rules.

b. Nothing in these rules precludes a county from increasing reimbursement rates of POS providers by an amount that is greater than that specified in these rules. However, a county shall not be eligible for tobacco settlement funds for the amount of any rate increase in excess of the amount established pursuant to these rules.

441—25.74(78GA,ch1221) Application process.

25.74(1) Who may apply. If a county determines that payment of POS provider rates in accordance with these rules will cause the county to expend more funds in FY2001 than budgeted for POS services, the county may apply for assistance from the tobacco settlement fund. However, any fiscal year 2000 projected accrual basis fund balances in excess of 25 percent of fiscal year 2000 services fund gross expenditures will reduce the amount for which a county is eligible. In considering the cost of implementing these provisions, a county shall not include the cost of rate increases granted to any providers who fail to complete financial and statistical reports as provided in these rules.

25.74(2) How to apply. The county shall send the original and 15 copies of Form 470-3768, Tobacco Settlement Fund Risk Pool Application, to the division. The division must receive the application no later than 4:30 p.m. on September 25, 2000. Facsimiles and electronic mail are not acceptable. The application shall be signed and dated by the chairperson of the county board of supervisors, the county auditor, and the CPC administrator. Staff of the division shall notify each county of receipt of the county's application.

25.74(3) Request for additional information. Staff shall review all applications for completeness. If an application is not complete, staff of the division shall contact the county by October 5, 2000, and request the information needed to complete the application. The county shall submit the required information by October 16, 2000.

441—25.75(78GA,ch1221) Methodology for awarding tobacco settlement fund risk pool funding.

25.75(1) Review of applications. The risk pool board shall review all of the applications from counties for assistance from the tobacco settlement fund. If the total amount requested from the tobacco settlement fund does not exceed \$2 million, eligible counties shall be awarded funding pursuant to this division. The risk pool board shall determine for each county whether any or all of the assistance granted to that county is a TSF loan.

25.75(2) Notice of decision. The risk pool board shall notify the chair of the applying county's board of supervisors of the board's action no later than November 3, 2000. Copies shall be sent to the county auditor and the CPC administrator.

25.75(3) Distribution of funds. The total amount of the risk pool shall be limited to \$2 million. If the total dollar amount of the eligible applications exceeds the available pool, the risk pool board shall revise the percentage adjustment to actual cost to arrive at adjusted actual cost as defined in this division and prorate funding to the eligible counties. If it becomes necessary to revise the percentage adjustment used to determine adjusted actual cost, the risk pool board shall determine if applicant counties remain eligible under this program.

25.75(4) Notification of adjustment. If the risk pool board rolls back the percentage adjustment used to determine adjusted actual cost, the risk pool board shall notify the chair of the board of supervisors of all counties, and copies shall be sent to the county auditor and the CPC administrator of each county. Each host county shall recalculate the reimbursement rate under this division using the revised adjusted actual cost percentage and notify each provider in writing of the revised rate within 30 days of receiving notice of the percentage adjustment. The provider shall, within 30 days of receipt of notice, send to the CPC administrator of any other counties with consumers in those programs a copy of the revised rate determination signed by the CPC administrator of the host county.

441—25.76(78GA,ch1221) Repayment provisions.

25.76(1) Required repayment. Counties shall be required to repay TSF loans by January 1, 2002. Repayments shall be credited to the tobacco settlement fund.

25.76(2) Notification to county. In the notice of decision provided pursuant to these rules, the chairperson of the risk pool board shall notify each county of the portion, if any, of the assistance that is considered a TSF loan. If a county fails to reimburse the tobacco settlement fund by January 1, 2002, the board may request a revenue offset through the department of revenue. Copies of the overpayment and request for reimbursement shall be sent to the county auditor and the CPC administrator of the county.

441—25.77(78GA,ch1221) Appeals. The risk pool board may accept or reject an application for assistance from the tobacco settlement fund risk pool fund in whole or in part. The decision of the board is final and is not appealable.

These rules are intended to implement 2000 Iowa Acts, chapter 1221, section 3, as amended by chapter 1232, section 4.

441—25.78 to 25.80 Reserved.

DIVISION VII
COMMUNITY MENTAL HEALTH CENTER WAIVER REQUEST

PREAMBLE

This division establishes a process for the mental health and developmental disabilities commission to grant a waiver to any county not affiliated with a community mental health center.

441—25.81(225C) Waiver request. Counties that have not established or that are not affiliated with a community mental health center under Iowa Code chapter 230A are required to expend a portion of the money received from the MI/MR/DD/BI community services fund to contract with a community mental health center for services. When a county determines that a contractual arrangement is undesirable or unworkable, it may request a waiver from this requirement for a fiscal year. The waiver request and justification may be submitted to the mental health and developmental disabilities commission with the application for MI/MR/DD/BI community services funds on Form 470-0887, Waiver Request, or it may be submitted separately. The commission may grant a waiver if the request successfully demonstrates that all of the following conditions are met:

25.81(1) Accreditation of provider. The provider or network of providers that the county has contracted with to deliver the identified mental health services is accredited as another mental health provider pursuant to 441—Chapter 24.

25.81(2) Contracted services. The county has contracted to provide services that are equal to or greater than the smallest set of services provided by an accredited community mental health center in the department's service area for that county.

25.81(3) Eligible populations. The county contract includes the following eligible populations:

- a. Children.
- b. Adults.
- c. Elderly.
- d. Chronically mentally ill.

e. Mentally ill.

This rule is intended to implement Iowa Code section 225C.7.

441—25.82 to 25.90 Reserved

DIVISION VIII

441—25.91(331) Exemption from joining into mental health and disability services region. Rescinded **ARC 4207C**, IAB 1/2/19, effective 3/1/19.

441—25.92 to 25.94 Reserved.

DIVISION IX

DATA SUBMISSION TO DETERMINE MEDICAID OFFSET FOR COUNTIES

PREAMBLE

These rules define the department's standards for the submission of county mental health and disability services expenditure data so that the department can calculate the Medicaid offset for each county consistent with 2014 Iowa Acts, House File 2473, section 82.
[**ARC 1671C**, IAB 10/15/14, effective 9/25/14]

441—25.95(426B) Definitions.

"Department" means the Iowa department of human services.

"Medicaid offset amount" means the amount resulting from the calculations described in Iowa Code section 426B.3 as amended by 2014 Iowa Acts, House File 2463, section 82(5) *"d."*

"Uniform chart of accounts for Iowa county governments" means the set of codes used by counties to organize and delineate revenues and expenditures. The codes related to mental health and disability services expenditures identify diagnosis and types of services.
[**ARC 1671C**, IAB 10/15/14, effective 9/25/14]

441—25.96(426B) Data to determine Medicaid offset. Each county must submit to the department a report that provides the county mental health and disability services data needed to calculate the Medicaid offset for the county.

25.96(1) Data required. Each county is required to submit expenditure data as specified by the department based on the agreement by the department and representatives of the mental health and disability services regions consistent with the requirements of Iowa Code section 426B.3 as amended by 2014 Iowa Acts, House File 2463, section 82(5) *"b."*

25.96(2) Submission of mental health and disability services data.

a. Counties must submit the required data to the department by 4:30 p.m. on September 19, 2014, consistent with data submissions as required in subrule 25.41(3).

b. If a county fails to submit data within the required time frame or a county submits data that is demonstrably inaccurate, the department will use a pro-rata methodology to determine the county's Medicaid offset using data submitted by other counties.

[**ARC 1671C**, IAB 10/15/14, effective 9/25/14]

These rules are intended to implement Iowa Code section 225C.6 and 2014 Iowa Acts, House File 2463, section 82.

441—25.97 to 25.100 Reserved.

DIVISION X

MENTAL HEALTH ADVOCATES

PREAMBLE

This division establishes definitions, appointment and qualifications, assignment, responsibilities of the advocate and the county, data collection requirements, and quality assurance for mental health advocate services under Iowa Code chapter 229.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

441—25.101(229) Definitions.

“*Advocate*” means mental health advocate as defined in Iowa Code section 229.1.

“*Conflict of interest*” means any activity that interferes or gives the appearance of interference with the exercise of professional discretion and impartial judgment.

“*County of residence*” means the same as defined in Iowa Code section 331.394.

“*County of venue*” means the county in which the Iowa Code chapter 229 commitment was filed pursuant to Iowa Code section 229.44.

“*County where the individual is located*” means the individual’s county of residence as defined in Iowa Code section 331.394, or if the individual has been ordered to receive treatment services under an Iowa Code chapter 229 commitment and is placed in a residential or other treatment facility.

“*Individual*” means the respondent who is receiving mental health advocate services under Iowa Code chapter 229.

“*Judicial district*” means the same as defined in Iowa Code section 602.6107.

“*Mental health and disability services region*” means the same as defined in Iowa Code section 331.389.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

441—25.102(229) Advocate appointment and qualifications. The board of supervisors of each county shall appoint a person to act as an advocate representing the interests of individuals involuntarily hospitalized by the court under Iowa Code chapter 229. The advocate is hired by the board of supervisors and employed by the county.

25.102(1) A person may be appointed and employed or contracted with as the advocate by one county or by multiple counties. Advocates may be appointed for counties in more than one judicial district or more than one mental health and disability services region.

25.102(2) Qualifications.

a. The advocate shall meet the following qualifications:

(1) Possess a bachelor’s degree with 30 semester hours or equivalent quarter hours in a human services field (including, but not limited to, psychology, social work, mental health counseling, marriage and family therapy, nursing, education, occupational therapy, and recreational therapy) and at least one year of experience in the delivery of services to persons with mental illness; or

(2) Hold an Iowa license to practice as a registered nurse and have at least three years of experience in delivery of services to persons with mental illness.

b. A person employed as an advocate on or before July 1, 2015, who does not meet the requirements of subparagraph 25.102(2)“*a*”(1) or (2) shall be considered to meet those requirements so long as the person is continuously appointed as an advocate in the employing county.

c. A person employed as an advocate must pass criminal background, sex offender registry, and child and dependent adult abuse registry checks before hire.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

441—25.103(229) Advocate assignment. The committing court shall assign the advocate from the county where the individual is located.

25.103(1) If the advocate assigned cannot serve the individual in an effective and efficient manner, the advocate may request another advocate to perform advocate duties on the individual’s behalf. In the event that another advocate can better represent the individual on a longer term basis, the advocate shall request that the court transfer the individual to another advocate.

25.103(2) When a conflict of interest is identified between an advocate and an individual, the court and the advocate’s county of employment shall be notified and an alternative advocate shall be assigned. The advocate’s direct supervisor is responsible to monitor and ensure that the advocate does not have a

conflict of interest. In instances when dual or multiple relationships are unavoidable, advocates should take steps to protect individuals and are responsible for setting clear, appropriate, and culturally sensitive boundaries. Advocates who anticipate a conflict of interest among the individuals receiving services should clarify the advocate's role with the parties involved and take appropriate action to minimize any conflict of interest.

25.103(3) When the advocate assigned is not the advocate from the individual's county of residence, the advocate's county of employment may seek reimbursement from the region in which the individual's county of residence is located as outlined in Iowa Code section 229.19(1) "b."

25.103(4) An advocate shall only be assigned to a child 17 years of age or under when the child is not represented by an attorney due to an existing child in need of assistance (CINA) or other juvenile court action pursuant to the Iowa Code.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

441—25.104(229) Advocate responsibilities. The minimum duties of the advocate are outlined in Iowa Code section 229.19. The role of the advocate is to ensure that the rights of the individual are upheld.

25.104(1) The advocate shall be readily accessible to communication from the individual and shall initiate contact within 5 days of the individual's commitment. The advocate shall inform the individual regarding the role of the advocate.

25.104(2) The advocate shall meet the individual in person within 15 days of the individual's commitment. The advocate shall present the county grievance procedure process, in writing, to the individual. The presentation shall include the county grievance procedure and contact information and the contact information for the citizens' aide/ombudsman. The advocate shall inform the individual about the mental health crisis services that are available.

25.104(3) The advocate shall review each report submitted to the court and communicate with the individual's medical and treatment team. Advocates shall abide by all federal, state, and local confidentiality laws.

25.104(4) The advocate shall file with the court Iowa Ct. R. 12.36—Form 30, quarterly reports for each individual assigned to the advocate. The report shall state the actions taken with the individual and amount of time spent on behalf of the individual.

25.104(5) The advocate shall maintain an organized confidential and secure file for each individual served. The file shall contain but not be limited to:

- a. Copies of quarterly reports submitted to the court.
- b. Copies of correspondence sent to and received from the individual, family members, providers and others.
- c. Releases of information.
- d. Case notes describing the date, time and type of contact with the individuals or others and a brief narrative summary of the content or outcome of the contact.
- e. Documents filed with the court electronically shall be considered as part of the individual's file.

25.104(6) The advocate shall register as provided in Iowa Ct. R. 16.305(1) to participate in the court's electronic document management system and shall submit all documents to be filed with the court electronically. The documents will be stored as electronic records that are retrievable and readable through the electronic document management system.

25.104(7) The advocate, as an employee of the county, shall comply with all county policies and procedures, including but not limited to hiring, supervision, grievance procedures, and training.

25.104(8) All advocate records are the property of the county, which is responsible for the provision of confidential storage, transfer, and destruction of client files, including those maintained on electronic and digital devices, with access limited according to the county's policy on confidentiality as described in subrule 25.105(6).

25.104(9) The advocate may attend the hospitalization hearing of an individual represented by an attorney; however, payment for the advocate's attendance is at the discretion of the county of employment.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

441—25.105(229) County responsibilities. As the employer of the advocate, the county shall provide qualified staff to support and facilitate the provision of quality advocate services. The county shall:

25.105(1) Assign a single supervisor, a single contract manager, or the county board of supervisors as the supervising entity to carry out responsibilities in this chapter.

25.105(2) Have a job description in the personnel file of the advocate that clearly defines the advocate's responsibilities and qualifications as defined in Iowa Code section 229.19 and in rule 441—25.104(229).

25.105(3) Have a process to verify, within 90 days of the advocate's hire, qualification of the advocate, including degrees and certifications obtained from a primary source.

25.105(4) Provide to the advocate training and education relevant to the position, including but not limited to overview of mental health diagnosis and treatment, the mental health and disability services delivery system, confidentiality, individual rights, professional conduct, the role of advocacy and service coordination within an interdisciplinary team, Iowa Code and administrative rules, and court procedures.

25.105(5) Provide approved training on child and dependent adult abuse reporter requirements.

25.105(6) Provide to any employee with access to individuals' files training on state and federal laws regarding nondisclosure and confidentiality of client protected health information during and after employment and maintain in the personnel files a signed document indicating the employee's awareness of the county's policy on confidentiality.

25.105(7) Complete criminal background, sex offender registry and child and dependent adult abuse registry checks before employment of the advocate. Any person who does not pass these checks is prohibited from being hired, or continuing to serve, as an advocate.

25.105(8) Provide advocate staff to cover the county's caseload at all times, according to, but not limited to, each county's unique number of individuals assigned to the advocate, travel required, types of settings where the individuals reside, services available and extended staff absences.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

441—25.106(229) Data collection requirements.

25.106(1) Beginning in 2016 and by December 1 each year, each county shall submit to the department of human services data regarding each individual who received advocate services during the previous state fiscal year.

25.106(2) As defined in rule 441—25.41(331), the data to be submitted are as follows:

a. Basic information about the individual, including a unique identifier and county of residence.

b. Demographic information, including the individual's date of birth, sex, ethnicity, education, and diagnosis made in accordance with the criteria provided in the current version of the Diagnostic and Statistical Manual of Mental Disorders (DSM) published by the American Psychiatric Association (APA).

c. Commitment information, including the date of the individual's initial commitment, type of commitment order, whether a juvenile or adult case, date of commitment and name of treatment facility the individual is committed to, any subsequent changes in treatment facility, and date commitment is terminated.

[ARC 2438C, IAB 3/16/16, effective 5/1/16; see Delay note at end of chapter]

441—25.107(229) Quality assurance system. The county shall implement a quality assurance system which:

1. Annually measures and assesses advocates' activities and services.
2. Gathers feedback from stakeholders including individuals using advocate services, family members, court staff, service provider staff, and regional staff regarding advocate services.
3. Implements an internal review of individual records.
4. Identifies areas in need of improvement.
5. Develops a plan to address the areas in need of improvement.
6. Implements the plan and documents the results.

[ARC 2438C, IAB 3/16/16, effective 5/1/16]

These rules are intended to implement Iowa Code chapter 229.

CHAPTER 28
POLICIES FOR MENTAL HEALTH
INSTITUTES AND RESOURCE CENTERS

[Prior to 7/1/83, Social Services [770] Ch 28]

[Prior to 2/11/87, Human Services [498]]

441—28.1(218) Definitions. The definitions in this rule apply to 441—Chapters 28, 29, and 30.

“*Admission*” means the acceptance of an individual for receipt of services at a state mental health institute or resource center on either a voluntary or involuntary basis.

“*Adult*” means an individual who is 18 years of age or older.

“*Board of supervisors*” means the elected governing body of a county as defined in Iowa Code section 331.101.

“*Catchment area*” means the group of counties, designated by the division administrator, that each mental health institute or state resource center is assigned to serve.

“*Central point of coordination process*” means the process defined in Iowa Code section 331.440(1)“a.”

“*County of residence*” means the same as defined in Iowa Code section 331.394.

“*Division administrator*” means the administrator of the division of mental health and disability services.

“*Facility*” means a mental health institute or state resource center referenced in Iowa Code section 218.1.

“*Family contact,*” for an adult individual, means:

1. The family member the individual has designated in writing to receive information concerning the individual’s services; or

2. A person, often referred to as a substitute decision maker, who has been legally authorized to make care decisions for the individual if the individual loses decision-making capacity.

“*Grievance*” means a written or oral complaint by or on behalf of an individual involving:

1. A rights violation or unfairness to the individual, or

2. Any aspect of the individual’s life with which the individual does not agree.

“*Guardian*” means the person other than a parent of a minor who has been appointed by the court to have custody of the person of the individual as provided under Iowa Code section 232.2(21) or 633.3(20).

“*Individual*” means any person seeking or receiving services from a state mental health institute or a state resource center.

“*Informed consent*” means an agreement by an individual or by the individual’s parent, guardian, or legal representative to participate in an activity based upon an understanding of all of the following:

1. A full explanation of the procedures to be followed, including an identification of those that are experimental.

2. A description of the attendant discomforts and risks.

3. A description of the benefits to be expected.

4. A disclosure of appropriate alternative procedures that would be advantageous for the individual.

5. Assurance that consent is given freely and voluntarily without fear of retribution or withdrawal of services.

“*Legal representative*” means a person, including an attorney, who is authorized by law to act on behalf of an individual.

“*Minor*” means an individual under the age of 18.

“*Non-Medicaid payment-eligible*” means that an individual is not eligible for Medicaid funding for the services provided by a mental health institute or state resource center.

“*Official designated agent*” means a person or agency designated, by a record vote of the county board of supervisors, to act on behalf of the county board of supervisors.

“*Parent*” means a natural or adoptive mother or father of a child but does not include a mother or father whose parental rights have been terminated.

“*Regional administrator*” means the same as defined in Iowa Code section 331.388.

“*Rights*” means the human, civil, and constitutional liberties an individual possesses through federal and state constitutions and laws.

“*State case*” means the determination made under Iowa Code section 331.394 that an individual does not have a county of residence in an Iowa county and places funding responsibility with the state.

“*Superintendent*” means the superintendent of any of the four mental health institutes and the two state resource centers.

This rule is intended to implement Iowa Code section 218.4.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.2(218,222) Selection of facility.

28.2(1) Application for voluntary admission to a state mental health institute or resource center shall be made to the facility in the catchment area, as defined in rule 441—29.1(218) or 441—30.1(218,222), within which the individual for whom admission is sought has a county of residence.

28.2(2) Court commitment of an individual shall be made:

a. To the facility in the catchment area, as defined in rule 441—29.1(218) or 441—30.1(218,222), within which the individual who is being committed has a county of residence; or

b. As designated by the division administrator.

28.2(3) The division administrator shall consider granting exceptions to the established catchment areas when requested by the individual seeking a voluntary admission or by the committing court. The division administrator’s decision shall be made within 48 hours of receipt of the request. The decision shall be based on:

a. The clinical needs of the individual;

b. The availability of appropriate program services;

c. Available bed space within the program at the requested facility; and

d. The consent of the superintendents of both facilities involved.

This rule is intended to implement Iowa Code sections 218.19, 218.20, and 222.6.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.3(222,230) Evidence of legal settlement. Rescinded ARC 1145C, IAB 10/30/13, effective 1/1/14.

441—28.4(225C,229) Grievances. Any individual who believes the individual’s rights have been violated by a mental health institute or resource center or who has any complaint concerning the individual’s treatment at a mental health institute or resource center may file a grievance. A grievance shall be filed using Form 470-4498, Individual Grievance. The individual’s parent, family, guardian, or legal representative may file a grievance on behalf of the individual.

This rule is intended to implement Iowa Code sections 225C.27 and 229.23.

[ARC 8094B, IAB 9/9/09, effective 11/1/09]

441—28.5(217,218) Photographing and recording of individuals and use of cameras.

28.5(1) Use of still or video cameras or voice recorders by anyone other than an authorized employee, individual, parent, guardian, or legal representative to photograph or record an individual shall be allowed only with the prior authorization of the superintendent or the superintendent’s designee. Permission to photograph and record shall be granted for one specific use, and the authorization shall not extend to any other use.

28.5(2) Photographs, videos, and recordings of an adult individual shall be taken for publication only with a signed informed consent from the individual or the individual’s guardian or legal representative.

28.5(3) Photographs, videos, and recordings of a minor individual shall be taken for publication only with a signed informed consent from the parent, guardian, or legal representative.

28.5(4) Every effort shall be made to preserve the inherent dignity of the individual and to preclude exploitation or embarrassment of the individual or the family of the individual.

28.5(5) Photographs, videos, and recordings of individuals are not to be altered to prevent identification in any manner that would tend to perpetuate the stigma attached to the public image of individuals with mental illness or an intellectual disability.

This rule is intended to implement Iowa Code sections 217.30 and 218.4.
[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.6(217,218) Interviews and statements.

28.6(1) Releases to the news media shall be the responsibility of the superintendent. Authority for dissemination and release of information may be designated to other employees at the discretion of the superintendent.

28.6(2) Interviews of individuals by the news media or other outside persons or groups shall be permitted only with the consent of the individual or the individual's parent, guardian, or legal representative.

a. When a request without known prior consent is received, the superintendent or designee shall not acknowledge the presence or nonpresence of an individual at the facility.

b. If the individual is in the facility, the superintendent or designee shall make the individual or the individual's parent, guardian, or legal representative aware of the request. Notice to the individual or the individual's parent, guardian, or legal representative shall be documented in the individual's record. The individual or the individual's parent, guardian, or legal representative shall be free to decide whether an interview is granted.

This rule is intended to implement Iowa Code sections 217.30 and 218.4.
[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.7(218) Use of grounds, facilities, or equipment.

28.7(1) The superintendent or designee may grant permission for temporary use of assembly halls, auditoriums, meeting rooms, or facility grounds to an organization or group of citizens when the space or grounds are available and are not needed for regular scheduled departmental services.

28.7(2) Members of outside organizations permitted to use a facility's space or grounds shall observe the same rules as visitors to the facility.

[ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.8(218) Tours of facility. Groups or persons shall be permitted to tour the facility only with approval of the superintendent or designee.

This rule is intended to implement Iowa Code section 218.4.
[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.9(218) Donations. Donations of money, clothing, books, games, recreational equipment or other gifts shall be made directly to the superintendent or designee. The superintendent or designee shall evaluate the donation in terms of the nature of the contribution to the facility's program. The superintendent or designee shall be responsible for accepting the donation and reporting the gift to the division administrator. All monetary gifts shall be acknowledged in writing to the donor.

This rule is intended to implement Iowa Code chapter 218.
[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.10(218) Residents' rights for the mentally retarded. Rescinded IAB 9/9/09, effective 11/1/09.

441—28.11(218) Catchment areas. Rescinded IAB 9/9/09, effective 11/1/09.

441—28.12(217) Release of confidential information. Information defined by statute as confidential concerning individuals who currently receive or formerly received services from the mental health institutes or resource centers shall not be released to a person, agency or organization that is not authorized by law to have access to the information unless the individual, parent, guardian, or

legal representative authorizes the release. Authorization shall be given by using Form 470-3951, Authorization to Obtain or Release Health Care Information.

This rule is intended to implement Iowa Code section 217.30.
[ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—28.13(218) Applying county institutional credit balances.

28.13(1) Definition of credit balance. A county institutional credit balance occurs when a county has paid a debt from a state institution or an institutional program and it is later determined that all or part of the debt was not the county's responsibility. Only when an institutional debit balance has been paid by a county and all or part of the paid debit has been determined not to be the responsibility of the county can the resulting county credit be used to reduce existing or future institutional debit balances.

28.13(2) Order of application. County institutional credits shall be applied in the following order until all credits are exhausted or refunded:

a. A credit shall first be applied to the patient's or resident's account at the same institution that generated the credit.

b. If any credit remains after application to the patient's or resident's account, the remaining credit shall be applied to any outstanding charges at the same institution that generated the credit.

c. Any remaining credit, after application to the patient's or resident's account and to the same institution that generated the credit, shall be applied to an outstanding balance at another state institution.

(1) If a credit generated by an institution or institutional program under net budgeting is to be applied to an institution or institutional program not under net budgeting, then a transfer of funds shall be made from the applicable institutional fund or institutional program under net budgeting to the state general fund.

(2) If a credit generated by an institution that is not under net budgeting is to be applied to an institution or institutional program under net budgeting, the county may seek a refund by filing a claim to the state appeal board pursuant to 543—Chapter 3, or the county may allow the credit to remain outstanding until the county has an additional debt at a state institution or institutional program that is not under net budgeting.

(3) If a credit generated by an institution or institutional program under net budgeting is to be applied to another institution or institutional program under net budgeting, then the transfer of funds between the applicable net budgeting funds or programs shall be made through an accounting journal entry.

d. If any credit remains after applying credits as stated in paragraphs "a" to "c," the county with the remaining credit may seek a refund by filing a claim to the state appeal board pursuant to 543—Chapter 3, or the county may allow the credit to remain outstanding until such time as the county has an additional state institution or an institutional program debt.

This rule is intended to implement Iowa Code section 218.78.

CHAPTER 29
MENTAL HEALTH INSTITUTES

PREAMBLE

This chapter sets policies for the state mental health institutes listed in Iowa Code section 218.1. These rules apply in addition to the general rules in 441—Chapter 28.

441—29.1(218) Catchment areas. The catchment areas for the four mental health institutes shall be as follows.

29.1(1) *Cherokee.* Audubon, Boone, Buena Vista, Calhoun, Carroll, Cerro Gordo, Cherokee, Clay, Crawford, Dallas, Dickinson, Emmet, Franklin, Greene, Guthrie, Hamilton, Hancock, Hardin, Harrison, Humboldt, Ida, Kossuth, Lyon, Marshall, Monona, O'Brien, Osceola, Palo Alto, Plymouth, Pocahontas, Polk, Pottawattamie, Sac, Shelby, Sioux, Story, Webster, Winnebago, Woodbury, Worth, and Wright Counties form the catchment area for the Cherokee mental health institute.

29.1(2) *Clarinda.* Adair, Adams, Cass, Clarke, Decatur, Fremont, Madison, Mills, Montgomery, Page, Ringgold, Taylor, Union, Warren, and Wayne Counties form the catchment area for the Clarinda mental health institute.

29.1(3) *Independence.* Allamakee, Benton, Black Hawk, Bremer, Buchanan, Butler, Cedar, Chickasaw, Clayton, Clinton, Delaware, Dubuque, Fayette, Floyd, Grundy, Howard, Iowa, Jackson, Jasper, Johnson, Jones, Linn, Mitchell, Muscatine, Poweshiek, Scott, Tama, and Winneshiek Counties form the catchment area for the Independence mental health institute.

29.1(4) *Mount Pleasant.* Appanoose, Davis, Des Moines, Henry, Jefferson, Keokuk, Lee, Louisa, Lucas, Mahaska, Marion, Monroe, Van Buren, Wapello, and Washington Counties form the catchment area for the Mount Pleasant mental health institute.

29.1(5) *Substance abuse or dual diagnosis treatment.* For the purpose of an adult individual seeking substance abuse or dual diagnosis treatment, the Mount Pleasant catchment area shall include the entire state.

29.1(6) *Adolescent or children's treatment.*

a. For the purpose of treating a minor from the Clarinda catchment area who requires admission or commitment to a mental health institute's adolescent or children's treatment program, the Clarinda catchment area is deemed to be a part of the Cherokee catchment area.

b. For the purpose of treating a minor in the Mount Pleasant catchment area who requires admission or commitment to a mental health institute's adolescent or children's treatment program, the Mount Pleasant catchment area is deemed to be a part of the Independence catchment area.

29.1(7) *Gero-psychiatric services.* For the purposes of an adult individual seeking gero-psychiatric services, the Clarinda catchment area shall include the entire state.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—29.2(218,229) Voluntary admissions.

29.2(1) *Application form.*

a. Any individual who has symptoms of mental illness may apply for voluntary inpatient treatment or voluntary outpatient or day treatment using Form 470-0420, Application for Voluntary Admission to a Mental Health Institute.

b. Any individual requesting substance abuse treatment shall complete Form 470-0425, Application for Voluntary Admission—Substance Abuse.

29.2(2) *Minors.* A parent, guardian, or legal representative of a minor individual may make application for the individual's voluntary admission directly to the mental health institute using Form 470-0420, Application for Voluntary Admission to a Mental Health Institute. When a minor objects to the admission and the chief medical officer of the mental health institute determines that the admission is appropriate, the parent, guardian, or custodian must petition the juvenile court for approval of admission before the minor shall be admitted.

29.2(3) County approval. When an adult individual or a person responsible for the individual wishes to apply for voluntary admission and is unable to pay the cost of care, application for admission shall be made to and authorized through the central point of coordination or regional administrator for the individual's county of residence before application for admission shall be made to the mental health institute. Authorization for admission shall be provided by the signature of one or more officially designated agents of the county board of supervisors using Form 470-0420, Application for Voluntary Admission to a Mental Health Institute, before the form is forwarded to the mental health institute. [ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—29.3(229,230) Certification of county of residence.

29.3(1) Certification data. By the end of the next working day following a non-Medicaid payment-eligible adult individual's admission, the facility shall send a copy of Form 470-4161, DHS MHI Admission Core Data, by facsimile to the central point of coordination or the regional administrator for the county of admission.

29.3(2) County response. For adult cases where the admitting county does not dispute the individual's county of residence, no further response is needed. If the admitting county disputes the applicant's affirmation of county of residence, the county or its officially designated agent shall be responsible for resolving the dispute using the dispute resolution process in Iowa Code section 331.394. If the state disputes the individual's affirmation of county of residence, the state shall be responsible for initiating the dispute resolution process.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—29.4(218,230) Charges for care. The rates for cost of hospitalization are established by the division administrator and shall be available by contacting the business manager of the mental health institute that serves the catchment area in which the individual's county of residence is located.

29.4(1) Individuals requesting voluntary admission without going through the central point of coordination or regional administrator process shall be required to pay the cost of hospitalization in advance. This cost shall be computed at 30 times the last per diem rate and shall be collected weekly in advance upon admission. The weekly amount due shall be determined by dividing the monthly rate by 4.3.

29.4(2) The facility shall bill each county for services provided to individuals chargeable to the county during the preceding calendar quarter as required in Iowa Code section 230.20. In determining the charges for services, direct medical services shall include:

- a. X-ray services.
- b. Laboratory services.
- c. Dental services.
- d. Electroconvulsive treatment (ECT).
- e. Electrocardiogram (EKG).
- f. Basal metabolism rate (BMR).
- g. Pharmaceutical services.
- h. Physical therapy.
- i. Electroencephalograph (EEG).
- j. Outside physician and hospital services billed to the mental health institutes.
- k. Optometric services.
- l. Outside ambulance services billed to the mental health institutes.

29.4(3) The liability of a person legally liable for support of an individual with mental illness after 120 days of hospitalization shall be standard for one person in the family investment program as established in 441—subrule 41.28(2).

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—29.5(229) Authorization for treatment. No individual receiving services, either on a voluntary or involuntary basis, shall be provided treatment other than what is necessary to preserve life or protect others from physical injury unless:

1. The individual has given consent by signing Form 470-0428, Mental Health Institute Agreement and Consent to Treatment;
 2. A court has ordered treatment; or
 3. The individual's parent, guardian, or legal representative has given consent by signing Form 470-0428, Mental Health Institute Agreement and Consent to Treatment.
- [ARC 8094B, IAB 9/9/09, effective 11/1/09]

441—29.6(217,228,229) Rights of individuals. An individual receiving care from a state mental health institute shall have the following rights.

29.6(1) Information. An individual receiving care from a state mental health institute shall have the right to:

- a. Receive an explanation and written copy of the rules of the facility.
- b. Be provided information on the provisions of law pertaining to admission to and discharge from the facility.
- c. Receive an explanation of the individual's medical condition and be informed as to treatment plans and the attendant risks of treatment.
- d. Be provided with complete and current information concerning the individual's diagnosis, treatment, and progress in terms and language understandable to the individual.
- e. Have the information required in this subrule made available to the individual's parent, guardian, or legal representative when it is not feasible to give the information directly to the individual.

29.6(2) Care and treatment. An individual receiving care from a state mental health institute shall have the right to:

- a. Be evaluated promptly following admission and receive emergency services appropriate to the individual's needs.
- b. Have a current individualized written plan of treatment.
- c. Receive appropriate treatment, services, and rehabilitation for the individual's mental illness, including appropriate and sufficient medical and dental care.
- d. Have the opportunity for educational, vocational, rehabilitative, and recreational programs appropriate to the individual's treatment needs.
- e. Have the confidentiality of the individual's personal mental health institute records maintained and have access to those records within a reasonable period.
- f. Work, when available and desired and as appropriate to the individual's plan of treatment, and be compensated for that work in accordance with federal and state laws.
- g. Have an individualized posthospitalization plan.

29.6(3) Living conditions. An individual receiving care from a state mental health institute shall have the right to:

- a. Live in the least restrictive conditions necessary to achieve the purposes of treatment.
- b. Receive care in a manner that respects and maintains the individual's dignity and individuality.
- c. Have opportunities for personal privacy, including during the care of personal needs.
- d. Keep and use appropriate personal possessions, including wearing the individual's own clothing.
- e. Share a room with a spouse when both live on a long-term basis in the same facility.
- f. Be free from unnecessary drugs, restraints, and seclusion except when necessary to protect the immediate health or safety of the individual or others.
- g. Be free from physical, psychological, sexual, or verbal abuse, neglect and exploitation.

29.6(4) Communication. An individual receiving care from a state mental health institute shall have the right to:

- a. Have a family contact or representative of the individual's choice or the individual's community physician notified promptly of the individual's admission.
- b. Communicate with people and access services at the facility and in the community, including organizing and participating in resident groups while at the facility.

c. Receive visits of the individual's choice from parents, guardians, legal representatives, or family without prior notice given to the facility unless the visits have been determined inappropriate by the individual's treatment team.

d. Communicate and meet privately with persons of the individual's choice without prior notice given to the facility unless the communication is determined inappropriate by the individual's treatment team.

e. Send and receive unopened mail.

f. Make and receive private telephone calls, unless the calls have been determined inappropriate by the individual's treatment team.

g. Access current informational and recreational media such as newspapers, television, or periodicals.

29.6(5) *Self-determination.* An individual receiving care from a state mental health institute shall have the right to:

a. Have a dignified existence with self-determination, making choices about aspects of the individual's life that are significant to the individual.

b. Participate in the development and implementation of the individual's treatment plan.

c. Give informed consent, including the right to withdraw consent at any given time.

d. Refuse treatment (such as medication, surgery or electroconvulsive therapy) offered without the individual's expressed informed consent, and be provided with an explanation of the consequences of those refusals unless treatment is necessary to protect the health or safety of the individual or is ordered by a court.

e. Immediate discharge (if admitted voluntarily) by submitting a written notice to the superintendent or chief medical officer, unless a written request for involuntary hospitalization is submitted to a court.

f. Refuse to perform services for the facility and not be coerced to perform services.

g. Manage the individual's own financial affairs unless doing so is limited under law or determined not appropriate by the individual's treatment team.

h. Choose activities, schedules, and care consistent with the individual's interests, needs, and treatment plans.

i. Engage in social, religious, and community activities of the individual's choice.

j. Formulate advanced directives and be provided care in compliance with these directives.

29.6(6) *Advocacy.* An individual receiving care from a state mental health institute shall have the right to:

a. Exercise the individual's rights as a citizen or resident of the United States.

b. File a grievance pursuant to rule 441—28.4(225C,229) without any intimidation or reprisal resulting from the grievance.

c. Request a judicial review of the hospitalization, file for a writ of habeas corpus, have an attorney of the individual's choice, and communicate and meet privately with the individual's attorney without prior notice given to the facility.

[ARC 8094B, IAB 9/9/09, effective 11/1/09]

441—29.7(218) Visiting.

29.7(1) Visiting hours on Monday through Friday are from 12 noon to 8 p.m. and are from 10 a.m. to 8 p.m. on Saturday, Sunday, and holidays. Visiting hours shall be posted in each facility.

The physician may designate exceptions for special hours on an individual or ward basis. Therapy for the individual shall take precedence over visiting. Visiting shall not interfere with the individual's treatment program or meals.

29.7(2) A visit shall be terminated when behavior on the part of the individual or visitor is disruptive to the individual's treatment plan.

29.7(3) Visiting on grounds shall be permitted when the individual has a grounds pass.

29.7(4) Visitors wishing to take an individual off grounds shall receive prior approval from the attending physician.

29.7(5) All visitors shall obtain a visitor's pass at the switchboard or another area as designated by the superintendent and posted. The pass shall be given to a ward employee before the visitor is allowed on the ward.

29.7(6) Persons under 12 years of age shall not visit on the ward.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

These rules are intended to implement Iowa Code chapters 217, 218, 228, 229, and 230.

CHAPTER 30
STATE RESOURCE CENTERS

PREAMBLE

This chapter sets policies for the state resource centers listed in Iowa Code section 218.1. These rules apply in addition to the general rules in 441—Chapter 28.

441—30.1(218,222) Catchment areas. The catchment areas for the two state resource centers shall be as follows.

30.1(1) *Glenwood.* Adair, Adams, Appanoose, Audubon, Benton, Carroll, Cass, Cedar, Cherokee, Clarke, Clinton, Crawford, Davis, Decatur, Des Moines, Fremont, Greene, Guthrie, Harrison, Henry, Ida, Iowa, Jefferson, Johnson, Jones, Keokuk, Lee, Linn, Louisa, Lucas, Lyon, Mahaska, Mills, Monona, Monroe, Montgomery, Muscatine, Page, Plymouth, Pottawattamie, Ringgold, Sac, Scott, Shelby, Sioux, Taylor, Union, Van Buren, Wapello, Washington, Wayne, and Woodbury Counties form the catchment area for the Glenwood resource center.

30.1(2) *Woodward.* Allamakee, Black Hawk, Boone, Bremer, Buchanan, Buena Vista, Butler, Calhoun, Cerro Gordo, Chickasaw, Clay, Clayton, Dallas, Delaware, Dickinson, Dubuque, Emmet, Fayette, Floyd, Franklin, Grundy, Hamilton, Hancock, Hardin, Howard, Humboldt, Jackson, Jasper, Kossuth, Madison, Marion, Marshall, Mitchell, O'Brien, Osceola, Palo Alto, Pocahontas, Polk, Poweshiek, Story, Tama, Warren, Webster, Winnebago, Winneshiek, Worth, and Wright Counties form the catchment area for the Woodward resource center.

This rule is intended to implement Iowa Code section 222.6.
[ARC 8094B, IAB 9/9/09, effective 11/1/09]

441—30.2(218,222) Admission. Express written consent of the individual or the individual's parent, guardian, or legal representative shall be secured before admission.

30.2(1) *Application for an adult.* Applications for the care, treatment, or evaluation of an adult individual by a resource center shall be made through the central point of coordination or the regional administrator for the board of supervisors of the individual's county of residence. Authorization for the submission of the application shall be provided by the signature of one or more officially designated agents for the county board of supervisors.

a. The application shall be made using Form 470-4402, Application for Admission to a State Resource Center, and shall be accompanied by:

- (1) Completed Form 470-4403, Resource Center Agreement and Consent for Services, and
- (2) Other information specifically requested in writing by the resource center.

b. The application shall be submitted through the division administrator or the division administrator's designee.

30.2(2) *Application for a minor.* Application for a minor individual shall be made through the division administrator or the division administrator's designee using Form 470-4402, Application for Admission to a State Resource Center. The application shall be accompanied by:

- a.* Completed Form 470-4403, Resource Center Agreement and Consent for Services, and
- b.* Other information specifically requested in writing by the division administrator or the division administrator's designee.

30.2(3) *Application for readmission.* When the application is for a readmission, the resource center may waive the resubmittal of any information already in the files other than Form 470-4402, Application for Admission to a State Resource Center.

30.2(4) *Receipt of application.* Upon receipt of an application, the resource center may:

- a.* Provide an individual with outpatient evaluation treatment, training, or habilitation services; or
- b.* Admit an individual on a temporary basis for either:
 - (1) A preadmission diagnostic evaluation to determine whether the individual would be appropriate to admit to the regular program, or
 - (2) A diagnostic evaluation to assist in planning for community-based services or respite care.

30.2(5) Eligibility for admission. Eligibility for admission shall be determined by:

- a. A preadmission diagnostic evaluation,
- b. An established diagnosis of intellectual disability,
- c. The availability of an appropriate program, and
- d. The availability of space at the facility.

This rule is intended to implement Iowa Code sections 222.13 and 222.13A.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—30.3(222) Non-Medicaid payment-eligible individuals. The cost for the care, as determined in Iowa Code sections 222.73, 222.74, and 222.75, for an individual who is not Medicaid payment eligible shall be the responsibility of the individual's county of residence. All disputes regarding the county of residence of an individual shall be resolved using the dispute resolution process in Iowa Code section 331.394.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

441—30.4(222) Liability for support. The liability of any person, other than the individual, who is legally bound for the support of any individual under 18 years of age shall be determined in the same manner as parent liability in rule 441—156.2(234), except that the maximum liability shall not exceed the standards for personal allowances established by the department under the family investment program.

This rule is intended to implement Iowa Code section 222.78.

[ARC 8094B, IAB 9/9/09, effective 11/1/09]

441—30.5(217,218,225C) Rights of individuals.

30.5(1) Information. An individual receiving care from a state resource center shall have the right to:

- a. Receive an explanation and written copy of the rules of the facility.
- b. Receive an explanation of the individual's medical condition, developmental status, and behavioral status, and be informed as to treatment plans and the attendant risks of treatment.

30.5(2) Care and treatment. An individual receiving care from a state resource center shall have the right to:

- a. Receive appropriate treatment, services, and habilitation for the individual's disabilities, including appropriate and sufficient medical and dental care.
- b. Have the confidentiality of the individual's personal resource center records maintained and have access to those records within a reasonable period.
- c. Work, when available and desired and as appropriate to the individual's plan of treatment, and be compensated for that work in accordance with federal and state laws.

30.5(3) Living conditions. An individual receiving care from a state resource center shall have the right to:

- a. Receive care in a manner that respects and maintains the individual's dignity and individuality.
- b. Have opportunities for personal privacy, including during the care of personal needs.
- c. Keep and use appropriate personal possessions, including wearing the individual's own clothing.
- d. Share a room with a spouse when both live in the same facility.
- e. Be free from unnecessary drugs and restraints.
- f. Be free from physical, psychological, sexual, or verbal abuse, neglect and exploitation.

30.5(4) Communication. An individual receiving care from a state resource center shall have the right to:

- a. Communicate with people and access services at the facility and in the community, including organizing and participating in resident groups while at the facility.
- b. Receive visits of the individual's choice from parents, guardians, legal representatives, or family without prior notice given to the facility unless the visits have been determined inappropriate by the individual's treatment team.

c. Communicate and meet privately with persons of the individual's choice without prior notice given to the facility unless the communication is determined inappropriate by the individual's treatment team.

d. Send and receive unopened mail.

e. Make and receive private telephone calls, unless the calls have been determined inappropriate by the individual's treatment team.

30.5(5) Self-determination. An individual receiving care from a state resource center shall have the right to:

a. Have a dignified existence with self-determination, making choices about aspects of the individual's life that are significant to the individual.

b. Give informed consent, including the right to withdraw consent at any given time.

c. Refuse treatment (such as medication or behavioral interventions) offered without the individual's expressed informed consent, and be provided with an explanation of the consequences of those refusals unless treatment is necessary to protect the health or safety of the individual or is ordered by a court.

d. Refuse to perform services for the facility and not be coerced to perform services.

e. Manage the individual's own financial affairs unless doing so is limited under law or determined not appropriate by the individual's treatment team.

f. Choose activities, schedules, and care consistent with the individual's interests, needs and care plans.

g. Engage in social, religious, and community activities of the individual's choice.

30.5(6) Advocacy. An individual receiving care from a state resource center shall have the right to:

a. Exercise the individual's rights as a citizen or resident of the United States.

b. File a grievance pursuant to rule 441—28.4(225C,229) without any intimidation or reprisal resulting from the grievance.

This rule is intended to implement Iowa Code sections 217.30, 218.4, 225C.28A, and 225C.28B.
[ARC 8094B, IAB 9/9/09, effective 11/1/09]

441—30.6(218) Visiting.

30.6(1) Individuals are encouraged and shall be able to receive visits from persons of the individual's choice and at times desired by the individual. At the individual's choice, the individual's parents, guardian, or legal representative or other members of the individual's family may visit without prior notice given to the facility.

30.6(2) Visits determined by the individual's treatment to be inappropriate or disruptive to the individual's treatment plan or the health and safety of other individuals may be denied or terminated.

30.6(3) An individual or other person denied visitation may file a grievance through the facility's grievance process.

[ARC 8094B, IAB 9/9/09, effective 11/1/09; ARC 1145C, IAB 10/30/13, effective 1/1/14]

[Filed 4/30/76, Notice 3/22/76—published 5/17/76, effective 6/21/76]

[Filed 9/29/76, Notice 8/23/76—published 10/20/76, effective 11/24/76]

[Filed 9/12/78, Notice 7/26/78—published 10/4/78, effective 12/1/78]

[Filed emergency 2/10/84—published 2/29/84, effective 2/10/84]

[Filed emergency 1/15/87—published 2/11/87, effective 1/15/87]

[Filed ARC 1145C (Notice ARC 0921C, IAB 8/7/13), IAB 10/30/13, effective 1/1/14]

CHAPTER 31
CIVIL COMMITMENT UNIT

441—31.1(229A) Definitions.

“Business day” means a working day in the usual Monday-through-Friday workweek. A holiday falling within this workweek shall not be counted as a business day.

“Contraband” means weapons, ammunition, tobacco, alcohol, drugs, money, altered authorized property, mood-altering plant material or chemical, obscene material as defined in Iowa Code section 728.1(5), explosives, material that can be used in the manufacture of explosives, or material advocating disruption of or injury to residents, employees, programs, or physical facilities. “Contraband” includes anything which is illegal to possess under federal or state law and materials that are used in the production of drugs or alcohol or used in conjunction with the taking of illicit drugs. “Contraband” also includes anything determined to be banned from individual possession by published facility rules.

“Facility” means the civil commitment unit for sexual offenders.

“Facility administrator” means the person appointed as the administrator of the civil commitment unit for sexual offenders.

“Gift or bequest” means anything of value the facility receives that is intended for use directly by the employees of the facility. Items intended for public distribution, such as clothes or furniture, do not constitute a gift to the facility.

“Grievance” means a written complaint by or on behalf of an individual that involves a rights or rule violation or unfairness to the individual.

“Guardian” means the person other than a parent of a child who has been appointed by the court to have custody of the person of the individual as provided under Iowa Code section 232.2(21) or 633.3(20).

“Individual” means a person who has been committed to the civil commitment unit for sexual offenders (CCUSO) under Iowa Code chapter 229A.

“Minor” means a person under the age of 18.

“Money” means all forms of currency, checks, money orders, stocks, bonds, and any other item that can be used as a medium of exchange for payment for goods or services.

“Parent” means a natural or adoptive mother or father of a child but does not include a mother or father whose parental rights have been terminated.

“Rights” means the human, civil, and constitutional liberties an individual possesses through federal and state constitutions and laws.

“Support team member” means a person who has agreed to participate in the development and implementation of an individual’s relapse prevention plan.

“Visitor” means any person who wishes to visit an individual committed to the facility. “Visitor” does not include the individual’s attorney of record, other court-appointed attorneys, retained experts, the ombudsman or government officials, or facility-approved clergy.

“Weapon” means any gun, knife, tool, object, or chemical that can be used to inflict harm on one’s self or another.

This rule is intended to implement Iowa Code chapter 229A.

[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.2(229A) Visitation. Visitation is considered part of the individual’s therapeutic program. Visits are expected to benefit the individual’s treatment goals while meeting the security needs of the facility and ensuring the safety of the individual and the visitor.

31.2(1) Approval of visitor. All persons wishing to visit a committed individual who is residing at the facility or is in a transition phase shall have prior approval of the facility administrator before a visit shall be permitted.

a. Questionnaire and background check. Before being approved to visit, all visitors shall complete a visitor questionnaire and undergo a background check to determine if:

- (1) The visitor has been a victim of the individual;
- (2) The visitor has a significant criminal background;

- (3) The visitor will not hinder the individual's treatment; or
- (4) The visitor will be a part of the individual's support team.

b. Interview. Upon return of the questionnaire and completion of the background check, an interview shall be conducted with the visitor to determine whether the visitor will be approved.

c. Minors. A minor shall not be permitted to visit unless special circumstances exist and the visit is approved by:

- (1) The individual's treatment team,
- (2) The facility administrator, and
- (3) The minor's parent or guardian.

d. Support team member. A visitor identified as a support team member shall complete a four-hour training course on being part of a support team before being approved as part of the individual's support team.

e. Revocation of approval. Approval of visitors is at the sole discretion of the facility. Approval may be revoked at any time if the facility determines that:

- (1) The visitor rules have been violated; or
- (2) The visitor presents a threat to security or is a detriment to the individual's treatment.

f. Approval after revocation. Once approval is revoked, the person shall be required to reapply for and be approved for reinstatement before being allowed to visit.

31.2(2) Prior notification. Visitors shall call the facility at least 24 hours in advance of a planned visit to schedule the visit.

31.2(3) Visiting hours.

a. Visits shall be allowed on:

- (1) Monday through Friday from 5:30 p.m. to 8:30 p.m.
- (2) Saturdays, Sundays, and holidays from 10:30 a.m. to 2 p.m. and from 2:30 p.m. to 8:30 p.m.

b. Visitors shall not be admitted after 7:30 p.m. on weekdays or after 4:30 p.m. on Saturdays, Sundays, and holidays.

31.2(4) Visitation limits. Individuals shall be allowed a maximum of three hours' visitation on weekdays and a total of four hours on Saturdays, Sundays, and holidays. The number of days per week the individual may have visits shall be determined by the individual's treatment team based on the individual's treatment level. At the discretion of the facility, the visit may be split between two different periods of the day.

31.2(5) Search. All visitors shall be subject to a search before a visit.

a. A visitor shall be required to remove all items from the visitor's pockets and place the items in a locker provided by the facility or take the items to the visitor's vehicle.

b. Visitors shall not be allowed to bring the following items into the secure area of the facility: purses, packages, folders, binders, briefcases, still or video cameras, cell phones, computers, electronic media storage devices, digital or analog recording devices, or any device that can be used to connect to the Internet.

c. Food items may not be brought into the visiting area.

31.2(6) Visitor rules. Each approved visitor shall be given a copy of the facility's visitor rules at the beginning of each visit and shall be required to sign an acknowledgement that the visitor has received the rules and understands them. The visitor rules are as follows:

- a.* The visitor's name shall be on the approved visitors list.
- b.* The visitor shall provide 24-hour prior notice of the intent to visit.
- c.* Upon arrival, the visitor shall check in at the facility master control center.
- d.* A visitor who is 16 years of age or older shall provide a government-issued photo identification document.

e. A minor who is approved as a visitor shall be accompanied at all times by an approved adult visitor.

f. All visitors shall be subject to the rules of the facility.

g. Visitors shall wear clothing appropriate to the security and therapeutic needs of the facility. Prohibited clothing includes: mini-skirts, shorts, muscle shirts, see-through clothing, or halter tops;

clothing or accessories with obscene words, symbols, or pictures; and clothing with gang colors or symbols.

h. For the duration of the visit, visitors shall be required to remove outerwear such as, but not limited to, coats, hats, gloves, and sunglasses. A medical need for sunglasses for protection from normal interior light shall be verified by a physician's prescription.

i. Smoking shall not be permitted in the facility or on the grounds of the facility except in an enclosed private vehicle.

j. A visitor shall not schedule a visit when the visitor has a communicable disease.

k. Visitors shall not be under the influence of drugs or alcoholic beverages.

l. Food gifts or other items shall not be brought into the facility unless prior approval has been received from the treatment program supervisor. Food items may be purchased from vending machines at the facility.

m. All visits shall be monitored by an employee.

n. The door to the visiting room shall remain open at all times.

31.2(7) Denial of visit. All visitors are subject to denial of a visit each time the visitor enters the facility. Visits can be denied by any employee with reason. Reasons for denial include but are not limited to:

a. The visitor's name is not on the approved visitors list.

b. The visitor did not provide notice of the visit at least 24 hours in advance.

c. The visitor's clothing does not conform to the facility visitor rules.

d. The visitor does not agree to be searched.

e. The visitor is trying to bring contraband into the facility.

f. The visitor is or appears to be under the influence of drugs or alcoholic beverages.

g. The visitor exhibits disruptive behavior that threatens the safety or security of the facility, individuals, employees, or other visitors.

h. The visitor appears to have a health condition that could threaten the health of individuals, employees, or other visitors.

i. The individual has been placed on restrictions for a rule infraction.

j. The number of staff available is inadequate to supervise the visit.

31.2(8) Termination of visit.

a. The facility may terminate a visit at any time when:

(1) The visitor or the individual violates any visitor rule during the visit.

(2) Because of the actions of an individual or a visitor, a facility employee becomes concerned about the safety and security of the facility, the individual, the visitor, or other visitors.

(3) The individual's treatment team determines that the visit is counter-therapeutic or is disruptive to the safety and security of the facility.

(4) A crisis in the facility results in an inadequate number of staff available to supervise the visit.

b. The facility may either terminate the current visit or, at the discretion of the individual's treatment team, remove the visitor's name from the approved visitors list.

31.2(9) Visits outside the facility. Individuals may visit family and friends outside of the facility when the visit meets all of the following criteria:

a. The visit occurs in connection with a death or life-threatening illness in the family.

b. The visit receives the approval of the facility administrator. Such approval shall be granted only when:

(1) The facility has determined the individual to be a "low escape risk,"

(2) The visit will provide a treatment benefit to the individual with no harmful effects on the individual's family or community, and

(3) The individual pays all expenses associated with supervision of the visit, including facility expenses such as employee wages and transportation costs.

c. The visit is ordered by the court.

31.2(10) Hospital visits. Individuals hospitalized in a community facility may have visitors during the hospitalization provided that:

- a. The visit does not interfere with the treatment of the individual.
- b. The visitor is approved as provided in subrule 31.2(1) unless an exemption is granted by the facility administrator.
- c. The visitor is subject to a search as provided in subrule 31.2(5).
- d. The visitor is subject to the visitor rules as provided in subrule 31.2(6).
- e. The visit may be terminated at the will of the facility as provided in subrule 31.2(8).

This rule is intended to implement Iowa Code chapter 229A.
[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.3(229A) Group visitation. Groups of persons from the general public who wish to visit the facility shall submit a written request and shall be subject to the same security review process as all other visitors.

31.3(1) Request to visit. A group wishing to visit the facility shall submit a written request to the facility administrator at least one month in advance of the requested visit. The request shall state the purpose of the visit and the expected therapeutic benefit for the individuals.

31.3(2) Visitor questionnaire. Each person in the group shall complete a visitor questionnaire and shall undergo a background check to determine if:

- a. The person has been a victim of the individual;
- b. The person has a significant criminal background;
- c. The person will not hinder the individual's treatment; or
- d. The person will be a part of the individual's support team.

31.3(3) Visitor interview. Upon return of the questionnaire and completion of the background check, an interview shall be conducted with each person in the group to determine:

- a. Whether or not the visit will be authorized; and
- b. The location, date, time, and duration of an authorized visit.

31.3(4) Orientation. Before entering the facility, a visitor group shall be provided with an introduction and orientation to facility security procedures and to visitor rules that the group will be expected to follow. Each member of the group shall sign a form acknowledging receipt of the visitor rules.

31.3(5) Denial or termination of visit. At the discretion of the facility, the entire group or a member of the group may be denied visitation as provided in subrule 31.2(7) or may have the visit terminated as provided in subrule 31.2(8).

This rule is intended to implement Iowa Code chapter 229A.
[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.4(229A) Grievances. Any individual who believes the individual's rights have been violated or who has a complaint concerning the individual's treatment may file a grievance using a form approved by the facility administrator. The individual's family or guardian may file a grievance on behalf of the individual by submitting the grievance in writing to the facility administrator.

This rule is intended to implement Iowa Code chapter 229A.
[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.5(229A) Photographing and recording individuals.

31.5(1) Visitors. Visitors shall not be allowed to bring any camera or video or audio recording devices into the facility. An individual who wants to have a photograph taken with a visitor shall request prior permission from the individual's treatment team and make arrangements for paying the cost of the photograph.

a. With approval of the treatment team, a facility employee will take the photograph using facility equipment. The facility shall provide the photograph to the individual requesting it. The individual shall be responsible for distribution of the photograph.

b. The facility shall not be liable for any further use or distribution of the photograph made by the individual or by anyone else who comes into possession of the photograph.

31.5(2) *Public media.* Photographs and video and audio recordings by public media inside of the facility and of individuals shall be permitted only with the prior authorization of the facility administrator and of the individual or the individual's guardian.

a. For security or confidentiality of other individuals, the facility administrator may limit the scope of what is photographed or recorded.

b. Public media representatives authorized to take photographs or recordings shall make every effort to preserve the inherent dignity of the individual and to preclude the exploitation or embarrassment of the individual.

This rule is intended to implement Iowa Code chapter 229A.
[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.6(229A) Release of information.

31.6(1) *Release to news media.* The facility administrator shall be responsible for the release to the news media of information pertaining to the facility. Authority for dissemination and release of information may be designated to other employees at the discretion of the facility administrator.

31.6(2) *Release of confidential information.* Information concerning individuals currently or formerly at the facility which is defined by statute as confidential shall not be released to a person, agency or organization that is not authorized by law to have access to the information unless the individual authorizes the release. Authorization may be given by using Form 470-3951, Authorization to Obtain or Release Health Care Information.

This rule is intended to implement Iowa Code chapter 229A.
[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.7(229A) Communication with individuals.

31.7(1) *Incoming telephone calls.*

a. The individual's treatment team shall determine an approved caller list for each individual based on the individual's request for approval. Incoming calls shall not be approved from a person who:

- (1) Has been a victim of the individual,
- (2) Is a registered sex offender, or
- (3) Has been determined by the individual's treatment team as a person whose communication is counter-therapeutic to the individual's treatment plan.

b. All incoming calls for an individual shall require the approval of the facility administrator or designee before the caller will be connected with the individual to determine if the caller is:

- (1) On an individual's approved caller list, or
- (2) An attorney representing the individual. An attorney representing the individual shall have the right to call the individual at any reasonable time.

c. Approved incoming calls shall not be monitored.

d. The individual has the right to grieve any adverse decision.

31.7(2) *Attorney contacts.* An individual's attorney shall have the right to visit or have telephone contact with the individual at any reasonable time. The individual shall have the right to call the individual's attorney during normal business hours and at other times with the consent of the attorney. The individual or the attorney shall be responsible for any costs associated with the call.

31.7(3) *Interviews.* Interviews of an individual by the news media or other outside persons or groups shall be permitted only with the prior consent of the individual or the individual's guardian.

a. All requests for an interview shall be made to the facility administrator. When a request is received, the facility administrator or designee shall:

- (1) Notify the individual or the individual's guardian of the request; and
- (2) Document notification to the individual or guardian in the individual's record.

b. The individual or the individual's guardian shall be free to decide whether an interview is granted.

c. The facility administrator shall determine how, when, and where the interview is to be done, as necessary to maintain the security of the facility.

31.7(4) *Mail and packages.*

a. Correspondence shall not be permitted between an individual and a victim of the individual, a registered sex offender, or another individual residing at the facility.

b. Correspondence an individual receives from the state ombudsman shall be delivered to the individual unopened. Other outgoing and incoming letters and packages shall not be censored or tampered with in any manner except that an employee may:

(1) Open, but not read, incoming and outgoing letters and packages in the presence of the individual to whom the letters and packages belong; or

(2) Require the individual to open the letters or packages in an employee's presence and disclose the contents.

c. In situations where the employee has reasonable suspicion that a letter or package contains information or materials that threaten the security or the therapeutic needs of the facility, such as but not limited to contraband, threats, escape plans, or sexually explicit content, the correspondence may be read in the presence of the individual.

d. Letters or packages found to contain contraband shall be confiscated. Both the sender and the intended receiver of the confiscated letters and packages shall be notified and given the reasons for the action in writing within two business days of the action.

e. The facility administrator or designee may terminate correspondence between an individual and another person when the individual's treatment team has determined that the correspondence is not in the individual's best interest, is detrimental to the individual's treatment plan, is a threat to public or individual safety, or is a threat to the security of the facility. Termination shall be based on the circumstances of each case.

(1) The facility administrator or designee shall provide justification to terminate the correspondence in a written notice to the correspondents.

(2) Correspondents may file a grievance concerning the termination.

This rule is intended to implement Iowa Code chapter 229A.

[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.8(229A) Building and grounds. The facility's building and grounds shall not be available for general public use.

This rule is intended to implement Iowa Code chapter 229A.

[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.9(8,218) Gifts and bequests. Gifts or bequests of money, clothing, books, games, recreational equipment or other gifts shall be made directly to the facility administrator.

31.9(1) Evaluation. The facility administrator or designee shall evaluate the gift or bequest in terms of the nature of the contribution to the facility program.

31.9(2) Acceptance. The facility administrator shall be responsible for accepting the gift or bequest and reporting it to the division administrator.

a. All monetary gifts or bequests shall be acknowledged in writing to the donor.

b. All gifts or bequests, regardless of value, shall be reported to the Iowa ethics and campaign disclosure board within 20 days of receipt of the gift or bequest using the board's Form-GB.

This rule is intended to implement Iowa Code section 8.7.

[ARC 9646B, IAB 8/10/11, effective 10/1/11]

441—31.10(229A) Cost of care. The facility shall seek to recover the full cost or a portion of the cost of care from the individual or another responsible person. The cost of the individual's care shall be determined for each fiscal year included in the length of stay using the average per diem cost multiplied by the total number of days of care.

31.10(1) Social security benefits. The facility shall seek recovery from the individual when the individual receives a benefit pursuant to the Social Security Act. In such case, the individual shall be allowed to retain for personal use an amount equal to the personal allowance amount established by the Social Security Administration.

31.10(2) *Other income.* The facility shall seek recovery from the individual when the individual has other income; a trust fund; individually owned real estate, stocks, bonds, savings account, checking account, or certificate of deposit; an individual retirement account; or proceeds from the disposal of real estate or other property.

31.10(3) *Other person legally liable.* The facility shall seek recovery from a person who is legally liable for the support of the individual up to the amount of the person's legal liability. The facility shall seek recovery from a person who is bound by contract to support the individual up to the amount of the contract. A person legally liable to support the individual shall not include a political subdivision.

This rule is intended to implement Iowa Code section 229A.12.

[Prior to 7/1/83, Social Services[770] Ch 34]

[Prior to 2/11/87, Human Services[498]]

441—34.1(225C) Definitions. Unless otherwise indicated, the following definitions shall apply to the specific terms used in these rules:

“*Alternative diagnostic facility*” means any organization or individual designated by the county board of supervisors to implement the preliminary diagnostic evaluation policy (Iowa Code section 225C.14) when a county is not served by a community mental health center capable of the diagnostic evaluations. An alternative diagnostic facility may be the outpatient service of a state mental health institute or any organization or individual able to furnish the requisite skills and to meet the standards set forth in this chapter by the mental health and mental retardation commission.

“*Mental health professional*” means a person who:

1. Holds at least a master’s degree in a mental health field, including, but not limited to, psychology, counseling and guidance, nursing and social work; or is a doctor of medicine (M.D.) or doctor of osteopathic medicine and surgery (D.O.); and
2. Holds a current Iowa license when required by Iowa licensure law; and
3. Has at least two years of postdegree experience, supervised by a mental health professional, in assessing mental health problems and needs of individuals and in providing appropriate mental health services for those individuals.

“*Preliminary diagnostic evaluation*” means an assessment of a person’s mental health problems and needs in order to determine the most appropriate service for the person. The evaluation includes, but is not limited to, an assessment of the individual’s needs, abilities, disabilities, and relevant environmental factors. Where possible, there is collaboration with the individual’s family or significant others as appropriate.

441—34.2(225C) Function. An alternative diagnostic facility shall:

34.2(1) Perform a preliminary diagnostic evaluation of a person who is being considered for admission to a state mental health institute on a voluntary basis pursuant to Iowa Code chapter 229 in order to:

a. Confirm that admission of the person to a state mental health institute is appropriate to the person’s mental health needs, and that no suitable alternative method of providing the needed services in a less restrictive setting, in or nearer to the person’s home community, is currently available. When results of the evaluation indicate that admission to the mental health institute is appropriate, the evaluator shall inform the institute of the results.

b. Confirm that admission to a state mental health institute is not appropriate to the person’s mental health needs. When results of the evaluation indicate that a treatment program, other than that of a state mental health institute, is more appropriate, and the individual agrees, the evaluator shall make arrangements with the alternative program to accept the referral.

34.2(2) Assist the court and, insofar as possible, provide or designate a physician to perform a prehearing examination of a respondent required under Iowa Code section 229.8, subsection 3, paragraph “*b.*”

441—34.3(225C) Standards. In order to be designated as an alternative diagnostic facility, a facility shall meet the following standards:

34.3(1) The facility shall have clearly defined lines of authority and accountability so that a contractual agreement may be entered into with a county for the provision of preliminary diagnostic evaluations.

34.3(2) The preliminary diagnostic evaluation shall be performed by a mental health professional within a reasonable time frame, not to exceed 48 hours.

34.3(3) The mental health professional shall be familiar with the mental health institute serving the area and with the treatment resources of the community served.

34.3(4) The facility shall have written procedures for timely reporting of results of evaluations to the selected treatment resource.

34.3(5) The facility shall have written policies and procedures to safeguard the consumer's right to treatment, confidentiality, and freedom of choice. The policies and procedures shall be in conformance with federal and state laws and rules.

34.3(6) The facility shall have written procedures for fees for services.

34.3(7) The facility shall comply with procedures for uniform reporting of statistical data as established by the division of mental health, mental retardation, and developmental disabilities.

34.3(8) The facility shall comply with the standards for the maintenance and operation of public and private facilities offering services to mentally ill persons as adopted by the mental health and mental retardation commission.

These rules are intended to implement Iowa Code sections 225C.4 and 225C.17.

CHAPTER 36
FACILITY ASSESSMENTS

DIVISION I
ASSESSMENT FEE FOR INTERMEDIATE CARE FACILITIES FOR PERSONS WITH AN INTELLECTUAL DISABILITY

PREAMBLE

These rules describe the assessment of the fee authorized by Iowa Code section 249A.21. The rules explain how the fee is determined and paid, and under what conditions collection of the fee will be terminated.

441—36.1(249A) Assessment of fee. Intermediate care facilities for persons with an intellectual disability (ICFs/ID) licensed in Iowa under 481—Chapter 64, including facilities not certified to participate in the Medicaid program, shall pay a quarterly fee to the department. Effective July 1, 2016, the fee shall equal 5.5 percent of actual paid claims, from all sources, for the facility's preceding quarter. [ARC 2361C, IAB 1/6/16, effective 1/1/16; ARC 2886C, IAB 1/4/17, effective 2/8/17]

441—36.2(249A) Determination and payment of fee. For all ICFs/ID licensed in Iowa under 481—Chapter 64, including facilities not certified to participate in the Medicaid program, the fee shall be determined and paid as follows:

36.2(1) Each facility shall pay the assessment to the department on a quarterly basis. The facility shall:

a. Use Form 470-5422, Intermediate Care Facilities for Individuals with an Intellectual Disability Assessment Calculation Worksheet, to calculate the quarterly fee due.

b. Submit Form 470-5422 and the quarterly fee no later than 30 days following the end of each calendar quarter.

36.2(2) The facility shall calculate the amount of the quarterly fee due by multiplying 5.5 percent by the facility's total ICF/ID payments for services received from all sources during the preceding quarter, including but not limited to:

- a.* Medicaid managed care payments.
- b.* Client participation payments.
- c.* Medicaid fee-for-service payments.
- d.* Private pay/insurance payments.
- e.* Ancillary service payments.

36.2(3) If the department determines that an ICF/ID has underpaid or overpaid the fee, the department shall notify the ICF/ID of the amount of the unpaid fee or refund due. Such amount shall be due or refunded within 30 days of the issuance of the notice.

36.2(4) An ICF/ID that fails to pay the fee within the time frame specified in subrule 36.2(3) shall pay a penalty in the amount of 1.5 percent of the unpaid fee due for each month or portion of a month that the unpaid fee is overdue.

a. If the ICF/ID substantiates good cause beyond the facility's control for failure to make timely payment of the fee, the department shall waive the penalty or a portion of the penalty. For purposes of this subrule, "good cause" shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

b. Requests for a good-cause waiver must be submitted to the Iowa Medicaid enterprise, provider cost audit and rate setting unit, within 30 days of notice to the facility that the penalty is due.

36.2(5) If a fee has not been received by the department by the last day of the third month after the fee is due, the department shall suspend payment due the ICF/ID under the medical assistance program, including payments made on behalf of the medical assistance program by a contracted managed care organization.

[ARC 2361C, IAB 1/6/16, effective 1/1/16; ARC 2886C, IAB 1/4/17, effective 2/8/17]

441—36.3(249A) Determination and payment of fee for facilities not certified to participate in the Medicaid program. Rescinded ARC 2886C, IAB 1/4/17, effective 2/8/17.

441—36.4(249A) Termination of fee assessment. If federal financial participation to match the assessed fee becomes unavailable under federal law, the assessment terminates on the date the federal statutory, regulatory, or interpretive change takes effect.

441—36.5 Reserved.

These rules are intended to implement Iowa Code section 249A.21.

DIVISION II
QUALITY ASSURANCE ASSESSMENT FOR NURSING FACILITIES

PREAMBLE

These rules describe the nursing facility quality assurance assessment authorized by Iowa Code chapter 249L. The rules explain how the assessment is determined and paid.

[ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12]

441—36.6(249L) Assessment.

36.6(1) Applicability. All nursing facilities as defined in Iowa Code section 135C.1 that are free-standing facilities or are operated by a hospital licensed pursuant to Iowa Code chapter 135B shall pay a quarterly assessment to the department, as determined under this division, with the exception of:

- a. Nursing facilities operated by the state.
- b. Non-state government-owned or government-operated nursing facilities.
- c. Distinct-part skilled nursing units and swing-bed units operated by a hospital.

36.6(2) Assessment level. Effective July 1, 2012, the assessment level for each nursing facility shall be determined on an annual basis and shall be effective for the state fiscal year.

a. Effective July 1, 2015, nursing facilities with 46 or fewer licensed beds are required to pay a quality assurance assessment of \$1.36 per non-Medicare patient day. Effective with assessment for the state fiscal year beginning July 1, 2012, the number of licensed beds on file with the department of inspections and appeals as of May 1 of each year shall be used to determine the assessment level for the following state fiscal year.

b. Effective July 1, 2015, nursing facilities designated as continuing care retirement centers (CCRCs) by the insurance division of the Iowa department of commerce are required to pay a quality assurance assessment of \$1.36 per non-Medicare patient day. Effective with assessment for the state fiscal year beginning July 1, 2012, continuing care retirement center designations as of May 1 of each year shall be used to determine the assessment level for the following state fiscal year.

c. Effective July 1, 2015, nursing facilities with annual Iowa Medicaid patient days of 26,500 or more are required to pay a quality assurance assessment of \$1.36 per non-Medicare patient day. Effective with assessment for the state fiscal year beginning July 1, 2012, the annual number of Iowa Medicaid patient days reported in the most current cost report submitted to the Iowa Medicaid enterprise as of May 1 of each year shall be used to determine the assessment level for the following state fiscal year.

d. Effective July 1, 2015, all other nursing facilities are required to pay a quality assurance assessment of \$7.13 per non-Medicare patient day.

[ARC 8258B, IAB 11/4/09, effective 1/1/10; ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12; ARC 3872C, IAB 7/4/18, effective 9/1/18]

441—36.7(249L) Determination and payment of assessment. The assessment shall be determined and paid as follows:

36.7(1) Each nursing facility shall pay the quality assurance assessment to the department on a quarterly basis. The facility shall:

a. Use Form 470-4836, Nursing Facility Quality Assurance Assessment Calculation Worksheet, to calculate the quarterly assessment amount due.

b. Submit Form 470-4836 and the quarterly assessment payment no later than 30 days following the end of each calendar quarter.

36.7(2) The facility shall calculate the amount of the quarterly assessment due by multiplying the facility's total non-Medicare patient days for the preceding quarter by the applicable assessment level as determined in subrule 36.6(2).

36.7(3) If the department determines that a nursing facility has underpaid or overpaid the quality assurance assessment, the department shall notify the nursing facility of the amount of the unpaid quality assurance assessment or refund due. Such amount shall be due or refunded within 30 days of the issuance of the notice.

36.7(4) A nursing facility that fails to pay the quality assurance assessment within the time frame specified above shall pay a penalty in the amount of 1.5 percent of the quality assurance assessment amount owed for each month or portion of a month that the payment is overdue.

a. If the facility substantiates good cause beyond the facility's control for failure to comply with payment of the quality assurance assessment, the department shall waive the penalty or a portion of the penalty. For purposes of this subrule, "good cause" shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

b. Requests for a good cause waiver must be submitted to the Iowa Medicaid Enterprise, Provider Cost Audit and Rate Setting Unit, 100 Army Post Road, Des Moines, Iowa 50315, within 30 days of notice to the facility that the penalty is due.

36.7(5) For facilities certified to participate in the Medicaid program, the department shall deduct the quarterly amount due from Medicaid payments to the facility if the department has not received the quality assurance assessment amount due by the last day of the month in which the payment is due. The department shall also withhold an amount equal to the penalty owed from any payment due.

[ARC 8258B, IAB 11/4/09, effective 1/1/10; ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12]

441—36.8 and 36.9 Reserved.

These rules are intended to implement Iowa Code chapter 249L.

DIVISION III
HEALTH CARE ACCESS ASSESSMENT FOR HOSPITALS

PREAMBLE

These rules describe the hospital health care access assessment authorized by Iowa Code chapter 249M. The rules explain how the assessment is determined and paid.

[ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12]

441—36.10(249M) Application of assessment.

36.10(1) Participating hospitals. For the purpose of the health care access assessment program, a "participating hospital" is defined as a non-state-owned hospital licensed under Iowa Code chapter 135B that is paid on a prospective payment system basis by Medicare and the medical assistance programs for inpatient and outpatient services.

36.10(2) Assessment. Participating hospitals are required to pay a quarterly health care access assessment equal to 1.26 percent of net patient revenue as specified in the hospital's fiscal year 2008 Medicare cost report. "Net patient revenue" means all revenue reported for acute patient care and services but does not include:

- a.* Contractual adjustments,
- b.* Charity care,
- c.* Bad debt,
- d.* Medicare revenue, or
- e.* Other revenue derived from sources other than hospital operations including but not limited to:
 - (1) Nonoperating revenue,

- (2) Other operating revenue,
- (3) Skilled nursing facility revenue,
- (4) Physician revenue, and
- (5) Long-term care revenue.

[ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12]

441—36.11(249M) Determination and payment of assessment. The assessment shall be determined and paid as follows:

36.11(1) The department shall calculate the annual amount of the health care access assessment as 1.26 percent of net patient revenue as specified in the participating hospital's fiscal year 2008 Medicare cost report. The annual amount shall be divided by four to calculate the quarterly amount.

36.11(2) Each participating hospital shall pay the health care access assessment to the department on a quarterly basis. The hospital shall submit the quarterly assessment payment no later than 30 days following the end of each calendar quarter.

36.11(3) A participating hospital shall retain and preserve the Medicare cost report and financial statements used to prepare the cost report for a period of three years.

36.11(4) If the department determines that a participating hospital has underpaid or overpaid the health care access assessment, the department shall notify the hospital of the amount of the unpaid health care access assessment or refund due. Such amount shall be due or refunded within 30 days of the issuance of the notice.

36.11(5) A participating hospital that fails to pay the health care access assessment within the time frame specified in subrule 36.11(2) shall pay a penalty in the amount of 1.5 percent of the health care access assessment amount owed for each month or portion of a month that the payment is overdue.

a. If the department determines that good cause is shown for failure to comply with payment of the health care access assessment, the department shall waive the penalty or a portion of the penalty.

b. Requests for a good cause waiver must be submitted to the Iowa Medicaid Enterprise, Provider Cost Audit and Rate Setting Unit, 100 Army Post Road, Des Moines, Iowa 50315, within 30 days of notice to the facility that the penalty is due.

36.11(6) The department shall deduct the quarterly amount due from Medicaid payments to the participating hospital if the department has not received the health care access assessment by the last day of the month in which the payment is due. The department shall also withhold an amount equal to the penalty owed from any payment due.

[ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12]

441—36.12(249M) Termination of health care access assessment. If the federal government fully funds Iowa's medical assistance program, if federal law changes to negatively impact the assessment program as determined by the department, or if a federal audit determines the assessment program is invalid, the assessment shall terminate on the date the federal statutory, regulatory, or interpretive change takes effect.

[ARC 8894B, IAB 6/30/10, effective 7/1/10; ARC 9127B, IAB 10/6/10, effective 11/10/10; ARC 9892B, IAB 11/30/11, effective 2/1/12]

These rules are intended to implement Iowa Code chapter 249M.

CHAPTER 38
DEVELOPMENTAL DISABILITIES BASIC STATE GRANT

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

Pursuant to the Developmental Disabilities Assistance and Bill of Rights Act of 2000, 42 U.S.C. Chapter 144, (DD Act) and Iowa Code section 225C.3, the department of human services has been designated as the administering agency to receive the federal assistance to the state developmental disabilities councils from the federal Administration for Community Living. These funds are used by the Iowa developmental disabilities council.

The purpose of this chapter is to define and structure the funding of projects by the Iowa developmental disabilities council (also known as the Iowa DD council). Projects are designed to influence change in the system of services and supports in Iowa to increase the independence, productivity, and community integration of individuals with developmental disabilities.

Funding priorities for projects are established by the Iowa DD council in the state plan.
[ARC 4111C, IAB 11/7/18, effective 12/12/18]

441—38.1(225C,217) Definitions.

“Department” means the Iowa department of human services.

“Developmental disability” means a severe, chronic disability of a person 5 years of age or older which is attributed to a mental or physical impairment or a combination of mental and physical impairments, is manifested before the person attains the age of 22, is likely to continue indefinitely, substantially limits the person’s ability to carry out major life activities in at least three of the areas of self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living and economic self-sufficiency, and reflects an ongoing need for individualized, coordinated services. The term, when applied to infants and children from birth to the age of 5, means a substantial developmental delay or specific congenital or acquired conditions with a high probability of resulting in developmental disabilities if services are not provided.

“Director” means the director of the department or successor agency.

“Iowa DD council” means the Iowa developmental disabilities council.

“Projects” means activities described in the Iowa DD council’s five-year plan that are designed to address the purpose and priorities established by the DD Act to undertake advocacy, capacity-building, and systemic-change activities that contribute to a coordinated, person- and family-centered, and individual- and family-directed comprehensive system of community services, individualized supports, and other forms of assistance that promote self-determination for individuals with developmental disabilities and their families.

“State plan” means the document required under the DD Act describing goals, objectives and funding priorities.

[ARC 4111C, IAB 11/7/18, effective 12/12/18]

441—38.2(225C,217) Program eligibility. For any year in which Congress appropriates funds, the Iowa DD council shall, consistent with the state plan and the priorities established under the DD Act, determine projects to fund under the developmental disabilities basic state grant program. Funding priorities will be established by the Iowa DD council in the state plan and will be consistent with the priorities established in the DD Act. (Applications for capital expenditures or capital renovations are not eligible for funding.) The Iowa DD council may award funding through any of the department-approved processes for competitive, sole source, or unsolicited proposals in accordance with the provisions of 11—Chapter 117 for the procurement of goods and services of general use.

[ARC 4111C, IAB 11/7/18, effective 12/12/18]

441—38.3(225C,217) Contracts. The Iowa DD council may award funding through any of the department-approved processes for competitive or noncompetitive procurements in accordance with the provisions of 11—Chapter 117 for the procurement of goods and services of general use and 11—Chapter 118 for purchasing standards for service contracts.

[ARC 4111C, IAB 11/7/18, effective 12/12/18]

441—38.4(225C,217) Conflict of interest policy. All Iowa DD council members and those serving in an advisory capacity to the Iowa DD council as defined in 441—subparagraph 1.7(8)“c”(2) shall not engage in activities that present a conflict of interest.

38.4(1) Iowa DD council members and those serving in an advisory role to the Iowa DD council are prohibited from applying for any project when they were involved in recommending the project or designing or developing the request for proposal.

38.4(2) All Iowa DD council members and those serving in an advisory capacity to the Iowa DD council who serve or whose family members serve as officers, directors, partners, consultants, or employees of the applicant being evaluated shall be excluded from preliminary review of proposals, discussing with Iowa DD council members who will be voting, and advising or voting on the evaluation of that applicant and all other applicants submitting proposals in that category.

[ARC 4111C, IAB 11/7/18, effective 12/12/18]

441—38.5(225C,217) Sole source or emergency selection project awards. Rescinded ARC 4111C, IAB 11/7/18, effective 12/12/18.

441—38.6(225C,217) Field-initiated proposals. Rescinded ARC 4111C, IAB 11/7/18, effective 12/12/18.

441—38.7(225C,217) Notification. Rescinded ARC 4111C, IAB 11/7/18, effective 12/12/18.

441—38.8(225C,217) Request for reconsideration. Rescinded ARC 4111C, IAB 11/7/18, effective 12/12/18.

441—38.9 and 38.10 Reserved.

441—38.11(225C,217) Reallocation of funds. Rescinded ARC 4111C, IAB 11/7/18, effective 12/12/18.

These rules are intended to implement Iowa Code sections 217.6 and 225C.3.

TITLE IV
FAMILY INVESTMENT PROGRAM
CHAPTER 40
APPLICATION FOR AID
[Prior to 7/1/83, Social Services[770] Ch 40]
[Prior to 2/11/87, Human Services[498]]

DIVISION I
FAMILY INVESTMENT PROGRAM—CONTROL GROUP
[Rescinded IAB 2/12/97, effective 3/1/97]

441—40.1 to 40.20 Reserved.

DIVISION II
FAMILY INVESTMENT PROGRAM—TREATMENT GROUP
[Prior to 10/13/93, 441—40.1(239) to 40.9(239)]

441—40.21(239B) Definitions.

“Applicant” means a person for whom assistance is being requested, parent(s) living in the home with the child(ren), and the nonparental relative as defined in 441—subrule 41.22(3) who is requesting assistance for the child(ren).

“Assistance unit” includes any person whose income is considered when determining eligibility or the family investment program grant amount.

“Casino, gambling casino, or gaming establishment” means an establishment with a primary purpose of accommodating the wagering of money. It does not include:

1. A grocery store which sells groceries including staple foods and which also offers, or is located within the same building or complex as, casino, gambling, or gaming activities; or
2. Any other establishment that offers casino, gambling, or gaming activities incidental to the principal purpose of the business.

An automated teller machine (ATM) or a point-of-sale (POS) terminal located within those areas of an establishment where individuals are banned due to age restrictions associated with gambling, established by state or federal law or by any other regulatory entity having the authority to do so, is considered to be in a casino, gambling casino, or gaming establishment.

“Central office” shall mean the state administrative office of the department of human services.

“Change in income” means a permanent change in hours worked or rate of pay, any change in the amount of unearned income, or the beginning or ending of any income.

“Department” shall mean the Iowa department of human services.

“Dependent” means an individual who can be claimed by another individual as a dependent for federal income tax purposes.

“Dependent child” or *“dependent children”* means a child or children who meet the nonfinancial eligibility requirements of the family investment program.

“Electronic benefit transfer transaction” means the use of a credit or debit card service, automated teller machine, point-of-sale terminal, or access to an online system for the withdrawal of funds or the processing of a payment for merchandise or a service.

“Income in kind” is any gain or benefit which is not in the form of money payable directly to the eligible group including nonmonetary or in-kind benefits, such as meals, clothing, and vendor payments. Vendor payments are money payments which are paid to a third party and not to the eligible group.

“Initial two months” means the first two consecutive months for which assistance is paid. This may include a month for which a partial payment is made.

“Liquor store” means any retail establishment which sells exclusively or primarily intoxicating liquor or other alcoholic beverages. Such term does not include a grocery store which sells both intoxicating liquor and groceries including staple foods (within the meaning of Section 3(r) of the Food and Nutrition Act of 2008 (7 U.S.C. 2012(r))).

Unless exempt as described in this definition, a retail establishment meets the definition of a liquor store when it has a North American Industry Classification System (NAICS) number that categorizes the retail establishment as either a beer, wine and liquor store or as a drinking place (alcoholic beverages). A retail establishment that does not have either type of NAICS code is considered to exclusively or primarily sell intoxicating liquor when 95 percent or more of the retail establishment's gross sales are from intoxicating liquor and it is not a United States Department of Agriculture-certified Supplemental Nutrition Assistance Program (SNAP) retailer.

Whenever "*medical institution*" is used in this title, it shall mean a facility which is organized to provide medical care, including nursing and convalescent care, in accordance with accepted standards as authorized by state law and as evidenced by the facility's license. A medical institution may be public or private. Medical institutions include the following:

1. Hospitals
2. Extended care facilities (skilled nursing)
3. Intermediate care facilities
4. Mental health institutions
5. Hospital schools

"*Needy specified relative*" means a nonparental specified relative, listed in 441—subrule 41.22(3), who meets all the eligibility requirements to be included in the family investment program.

"*Parent*" means a legally recognized parent, including an adoptive parent, or a biological father if there is no legally recognized father.

"*Payment month*" means the calendar month for which assistance is paid.

"*Payment standard*" means the total needs of a group as determined by adding need according to the schedule of basic needs, described in 441—subrule 41.28(2), to any allowable special needs, described in 441—subrule 41.28(3).

"*Promoting independence and self-sufficiency through employment, job opportunities, and basic skills (PROMISE JOBS) program*" means the department's work and training program as described in 441—Chapter 93.

"*Prospective budgeting*" means the determination of eligibility and the amount of assistance for a calendar month based on the best estimate of income and circumstances which will exist in that calendar month.

"*Qualified alien*" means an alien:

1. Who is lawfully admitted for permanent residence in the United States under the Immigration and Nationality Act (INA);
2. Who is granted asylum in the United States under Section 208 of the INA;
3. Who is a refugee admitted to the United States under Section 207 of the INA;
4. Who is paroled into the United States under Section 212(d)(5) of the INA for a period of at least one year;
5. Whose deportation from the United States is withheld under Section 243(h) of the INA as in effect before April 1, 1997, or under Section 241(b)(3) of the INA as amended to December 20, 2010;
6. Who is granted conditional entry to the United States pursuant to Section 203(a)(7) of the INA as in effect before April 1, 1980;
7. Who is admitted to the United States as an Amerasian as described in 8 U.S.C. Section 1612(b)(2)(A)(ii)(V);
8. Who is a Cuban/Haitian entrant to the United States as described in 8 U.S.C. Section 1641(b)(7);
9. Who is a battered alien as described in 8 U.S.C. Section 1641(c); or
10. Who is certified as a victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to December 20, 2010.

"*Qualifying quarters*" means all of the qualifying quarters of coverage as defined under Title II of the Social Security Act that were worked by a parent of an alien while the alien was under the age of 18 and all of the qualifying quarters that were worked by a spouse of the alien during their marriage if the alien remains married to the spouse or the spouse is deceased. No qualifying quarter of coverage that is creditable under Title II of the Social Security Act for any period beginning after December 31, 1996,

may be credited to an alien if the parent or spouse of the alien received any federal means-tested public benefit during the period for which the qualifying quarter is so credited.

“Recipient” means a person for whom assistance is paid, parent(s) living in the home with the eligible child(ren) and nonparental relative as defined in 441—subrule 41.22(3) who is receiving assistance for the child(ren). Unless otherwise specified, a person is not a recipient for any month in which the assistance issued for that person is subject to recoupment because the person was ineligible.

“Retail establishment which provides adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment” means an establishment that includes live entertainment at locations such as, but not limited to, strip clubs and gentleman’s clubs. It also includes stores and theaters that exclusively or primarily sell or feature adult-oriented videos and movies such as, but not limited to, adult book stores and adult movie theaters. A retail establishment meets this definition when the department has confirmed the primary nature of the business through the description on the business’s Web site, phone contact with the establishment, a site visit, or other means such as common local knowledge.

“Standard of need” means the total needs of a group as determined by adding need according to the schedule of living costs, described in 441—subrule 41.28(2), to any allowable special needs, described in 441—subrule 41.28(3).

“Stepparent” means a person who is not the parent of the dependent child, but is the legal spouse of the dependent child’s parent, by ceremonial or common-law marriage.

“Unborn child” shall include an unborn child during the entire term of the pregnancy.

This rule is intended to implement Iowa Code sections 239B.3, 239B.5, and 239B.6.
[ARC 9439B, IAB 4/6/11, effective 6/1/11; ARC 2812C, IAB 11/9/16, effective 1/1/17]

441—40.22(239B) Application. The application for the family investment program shall be submitted on the Financial Support Application, Form 470-0462 or Form 470-0462(S). The application shall be signed by the applicant, the applicant’s authorized representative or, when the applicant is incompetent or incapacitated, someone acting responsibly on the applicant’s behalf. When both parents, or a parent and a stepparent, are in the home and eligibility is determined on a family or household basis, one parent or stepparent may sign the application and attest to the information for the assistance unit.

40.22(1) Each individual wishing to do so shall have the opportunity to apply for assistance without delay. When the parent is in the home with the child and is not prevented from acting as payee by reason of physical or mental impairment, this parent shall make the application.

40.22(2) An applicant may be assisted by other individuals in the application process; the client may be accompanied by such individuals in contact with the department, and when so accompanied, may also be represented by them. When the applicant has a guardian, the guardian shall participate in the application process.

40.22(3) The applicant shall immediately be given an application form to complete. When the applicant requests that the form be mailed, the department shall send the necessary forms in the next outgoing mail.

40.22(4) A new application is not required when adding a new person to the eligible group or when a parent or a stepparent becomes a member of the household.

40.22(5) Reinstatement.

a. Assistance shall be reinstated without a new application when all necessary information is provided before the effective date of cancellation and eligibility can be reestablished, or the family meets the conditions described at 441—subparagraph 41.30(3)“*f*”(9). EXCEPTION: The reinstatement provisions of subrule 40.22(5) do not apply when assistance is canceled due to the imposition of a subsequent limited benefit plan as described at 441—subrule 41.24(8), unless the limited benefit plan is stopped as described in 441—paragraph 41.24(8)“*g*” or “*h*.”

b. When assistance has been canceled for failure to provide requested information, assistance shall be reinstated without a new application if all information necessary to establish eligibility, including verification of any changes, is provided within 14 days of the effective date of cancellation and eligibility can be reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall

have until the next business day to provide the information. The effective date of assistance shall be the date all information required to establish eligibility is provided.

c. When assistance has been canceled for failure to return a completed review form pursuant to subrule 40.27(3), assistance shall be reinstated without a new application if the completed form is received by the department within 14 days of the effective date of cancellation and eligibility can be reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance shall be the date the Review/Recertification Eligibility Document is received.

d. When assistance has been canceled for failure to complete a required review interview, assistance shall be reinstated without a new application if the interview is completed and all necessary information to determine eligibility, including verification of any changes, is provided within 14 days of the effective date of cancellation and eligibility is reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance shall be the date the interview is completed.

This rule is intended to implement Iowa Code sections 239B.3, 239B.5 and 239B.6.
[ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 1478C, IAB 6/11/14, effective 8/1/14]

441—40.23(239B) Date of application. The date of application is the date an identifiable Financial Support Application, Form 470-0462 or Form 470-0462(S), is received by the department. When an application is delivered to a closed office, it will be considered received on the first day that is not a weekend or state holiday following the day that the office was last open.

40.23(1) The date of application is also the date an identifiable application is received by a designated worker who is in any disproportionate share hospital, federally qualified health center or other facility in which outstationing activities are provided. The hospital, health center or other facility will forward the application to the department office that is responsible for the completion of the eligibility determination.

40.23(2) An identifiable application is an application containing a legible name and address that has been signed.

40.23(3) A new application is not required when adding a person to an existing eligible group. This person is considered to be included in the application that established the existing eligible group. However, in these instances, the date of application to add a person is the date the change is reported. When it is reported that a person is anticipated to enter the home, the date of application to add the person shall be the date of the report.

a. In those instances where a person previously excluded from the eligible group as described at 441—subrule 41.27(11) is to be added to the eligible group, the date of application to add the person is the date the person indicated willingness to cooperate.

b. EXCEPTIONS:

(1) When adding a person who was previously excluded from the eligible group for failing to comply with 441—subrule 41.22(13), the date of application to add the person is the date the social security number or proof of application for a social security number is provided.

(2) When adding a person who was previously excluded from the eligible group as described at 441—subrule 41.23(5) or 41.25(5) or rule 441—46.29(239B), the date of application to add the person is the first day after the period of ineligibility has ended.

(3) When adding a person who was previously excluded from the eligible group as described at 441—subrule 41.24(8), the date of application to add the person is the date the person signs a family investment agreement.

40.23(4) Grace period.

a. When an application has been denied for failure to provide requested information, if all necessary information to establish eligibility, including verification of any changes, is provided within 14 days of the date of denial, a new application is not required. If the fourteenth calendar day falls on a weekend or state holiday, the applicant shall have until the next business day to provide the information. If eligibility can be established, the effective date of assistance is the date all of the information is provided.

b. When an application has been denied for failure to attend an interview, if the interview is completed and all necessary information to establish eligibility, including verification of any changes, is provided within 14 days of the date of denial, a new application is not required. If the fourteenth calendar day falls on a weekend or state holiday, the applicant shall have until the next business day to provide the information. If eligibility can be established, the effective date of assistance is the date the interview is completed or the date all of the information is provided, whichever is later.

This rule is intended to implement Iowa Code section 239B.2.
[ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 1478C, IAB 6/11/14, effective 8/1/14]

441—40.24(239B) Procedure with application.

40.24(1) The decision with respect to eligibility shall be based primarily on information furnished by the applicant.

a. The applicant shall report no later than at the time of the interview any change as defined at 40.27(4) “*e*” that occurs after the application was signed. Any change that occurs after the interview shall be reported by the applicant within five days from the date the change occurred.

b. The department shall notify the applicant in writing of additional information or verification that is required to establish eligibility for assistance. Failure of the applicant to supply the information or verification requested or to request assistance and authorize the department to secure the requested information or verification from other sources shall serve as a basis for denial of assistance. Signing a general authorization for release of information to the department does not meet this responsibility.

(1) Five working days shall be considered as a reasonable period for the applicant to supply the required information or verification. The department shall extend the deadline when the applicant requests an extension because the applicant is making every effort to supply the information or verification but is unable to do so.

(2) “Supply” shall mean the requested information is received by the department by the specified due date. Any time taken beyond the required time frame shall be considered a delay on the part of the applicant.

c. When an individual is added to an existing eligible group, the five-day requirement for reporting changes shall be waived. These individuals and eligible groups shall be subject to the recipient’s ten-day reporting requirement as defined in 40.27(4).

40.24(2) The department or the designated worker as described in subrule 40.23(1) shall conduct a face-to-face or telephone interview with the applicant before approval of the application for assistance.

a. The worker shall assist the applicant, when requested, in providing information needed to determine eligibility and the amount of assistance.

b. The application process shall include a visit, or visits, to the home of the child and the person with whom the child will live during the time assistance is granted under the following circumstances:

(1) When it is the judgment of the worker or the supervisor that a home visit is required to clarify or verify information pertaining to the eligibility requirements; or

(2) When the applicant requests a home visit for the purpose of completing a pending application.

c. When adding an individual to an existing eligible group, the interview requirement may be waived.

40.24(3) Rescinded IAB 1/14/09, effective 2/1/09.

40.24(4) The decision with respect to eligibility shall be based on the applicant’s eligibility or ineligibility on the date the department enters all eligibility information into the department’s computer system, except as described in subrule 40.24(3). The applicant shall become a recipient on the date all eligibility information is entered into the department’s computer system and the computer system determines the applicant is eligible for aid.

This rule is intended to implement Iowa Code sections 239B.3, 239B.5 and 239B.6.
[ARC 7740B, IAB 5/6/09, effective 6/10/09; ARC 8500B, IAB 2/10/10, effective 3/1/10]

441—40.25(239B) Time limit for decision. A determination of approval or denial shall be made as soon as possible, but no later than 30 days following the date of filing an application. A written notice of decision shall be issued to the applicant the next working day following a determination of eligibility

or ineligibility. This time standard shall apply except in unusual circumstances, such as when the department and the applicant have made every reasonable effort to secure necessary information which has not been supplied by the date the time limit expired; or because of emergency situations, such as fire, flood or other conditions beyond the administrative control of the department. When eligibility is dependent upon the birth of a child, the time limit may be extended while awaiting the birth of the child. When it becomes evident that due to an error on the part of the department, eligibility will not be established within the 30-day limit, the application shall be approved pending a determination of eligibility.

This rule is intended to implement Iowa Code sections 239B.3, 239B.4, 239B.5 and 239B.6.

441—40.26(239B) Effective date of grant. New approvals shall be effective as of the date the applicant becomes eligible for assistance, but in no case shall the effective date be earlier than seven days following the date of application. When an individual is added to an existing eligible group, the individual shall be added effective as of the date the individual becomes eligible for assistance, but in no case shall the effective date be earlier than seven days following the date the change is reported. When it is reported that a person is anticipated to enter the home, the effective date of assistance shall be no earlier than the date of entry or seven days following the date of report, whichever is later.

When the change is timely reported as described at subrule 40.27(4), a payment adjustment shall be made when indicated. When the individual's presence is not timely reported as described at subrule 40.27(4), excess assistance issued is subject to recovery.

In those instances where a person previously excluded from the eligible group as described at 441—subrule 41.27(11) is to be added to the eligible group, the effective date of eligibility shall be seven days following the date the person indicated willingness to cooperate. However, in no instance shall the person be added until cooperation has actually occurred.

EXCEPTIONS: When adding a person who was previously excluded from the eligible group for failing to comply with 441—subrule 41.22(13), the effective date of eligibility shall be seven days following the date that the social security number or proof of application for a social security number is provided.

When adding a person who was previously excluded from the eligible group as described at 441—subrules 41.23(5), 41.25(5) and 46.28(2) and rule 441—46.29(239B), the effective date of eligibility shall be seven days following the date that the period of ineligibility ended.

When adding a person who was previously excluded from the eligible group as described at 441—subrule 41.24(8), the effective date of eligibility shall be seven days following the date the person signs a family investment agreement. In no case shall the effective date be within the six-month ineligibility period of a subsequent limited benefit plan as described at 441—paragraph 41.24(8) "a."

This rule is intended to implement Iowa Code section 239B.3.

441—40.27(239B) Continuing eligibility.

40.27(1) Eligibility factors shall be reviewed at least every six months for the family investment program. An interview may be conducted at the time of a review.

40.27(2) A redetermination of specific eligibility factors shall be made when:

a. The recipient reports a change in circumstances (for example, a change in income, as defined at rule 441—40.21(239B)), or

b. A change in the recipient's circumstances comes to the attention of a staff member.

40.27(3) Information for semiannual reviews shall be submitted on Form 470-2881, 470-2881(M), 470-2881(S), or 470-2881(MS), Review/Recertification Eligibility Document (RRED).

a. The department shall supply the review form to the recipient as needed or upon request. The department shall pay the cost of postage to return the form.

(1) When the review form is issued in the department's regular end-of-month mailing, the recipient shall return the completed form to the department by the fifth calendar day of the following month.

(2) When the review form is not issued in the department's regular end-of-month mailing, the recipient shall return the completed form to the department by the seventh day after the date it is mailed by the department.

(3) A copy of a review form received by fax or electronically shall have the same effect as an original form.

b. When the client has completed Form 470-0462 or Form 470-0462(S), Financial Support Application, for another purpose, this form may be used as the review document.

c. The review form shall be signed by the payee, the payee's authorized representative, or, when the payee is incompetent or incapacitated, someone acting responsibly on the payee's behalf.

40.27(4) Responsibilities of recipients. For the purposes of this subrule, recipients shall include persons who received assistance subject to recoupment because the persons were ineligible.

a. The recipient shall cooperate by giving complete and accurate information needed to establish eligibility and the amount of the family investment program grant.

b. The recipient shall complete the required review form when requested by the department in accordance with subrule 40.27(3). Failure to return a completed form shall result in cancellation of assistance. A completed form is a form with all items answered, signed, dated and accompanied by verification as required in 441—paragraphs 41.27(1)“*i*” and 41.27(2)“*h*.”

c. The recipient has the primary responsibility for providing information and verification needed to establish eligibility and the amount of the family investment program grant. The recipient shall supply, insofar as the recipient is able, information and verification needed within ten working days from the date a written request is mailed by the department to the recipient's current mailing address or given to the recipient. The department shall extend the deadline when the recipient requests an extension because the recipient is making every effort to supply the information or verification but is unable to do so.

(1) “Supply” shall mean that the requested information or verification is received by the department by the specified due date.

(2) When the recipient is unable to furnish information or verification needed to establish eligibility and the amount of the family investment program grant, the recipient shall request assistance from the department.

(3) Failure to supply the information or verification requested or to request assistance and authorize the department to secure the requested information or verification from other sources shall serve as a basis for cancellation of assistance. Signing a general authorization for release of information to the department does not meet this responsibility.

d. The recipient or applicant shall cooperate with the department when the recipient's or applicant's case is selected by quality control for verification of eligibility. The recipient or applicant shall also cooperate with the front end investigations conducted by the department of inspections and appeals to determine whether information supplied to the department by the client is complete and correct regarding pertinent public assistance information unless the investigation revolves solely around the circumstances of a person whose income and resources do not affect family investment program eligibility. (See department of inspections and appeals rules 481—Chapter 72.) Failure to cooperate shall serve as a basis for cancellation or denial of the family's assistance. Once denied or canceled for failure to cooperate, the family may reapply but shall not be considered for approval until cooperation occurs.

e. The recipient, or an individual being added to the existing eligible group, shall timely report any change in the following circumstances:

- (1) Beginning or ending income, including receipt of a nonrecurring lump sum.
- (2) Resources.
- (3) Members of the household.
- (4) School attendance of a child.
- (5) Mailing or living address.
- (6) Receipt of a social security number.

f. A report shall be considered timely when made within ten days from:

- (1) The receipt of resources or income or the date income ended.
- (2) The date the address changes.
- (3) The date the child is officially dropped from the school rolls.
- (4) The date a person enters or leaves the household.

(5) The receipt of a social security number.

g. When a change is not timely reported, any excess assistance paid shall be subject to recovery.

40.27(5) After assistance has been approved, eligibility for continuing assistance and the amount of the grant shall be effective as of the first of each month. Any change affecting eligibility or benefits reported during a month shall be effective the first day of the next calendar month except as follows:

a. When the recipient reports a new person to be added to the eligible group, and that person meets eligibility requirements, a payment adjustment shall be made for the month of report, subject to the effective date of grant limitations prescribed in 441—40.26(239B).

b. When cancellation of assistance occurs later because issuance of a timely notice, as required by 441—7.7(17A), requires that the action be delayed until the first day of the second calendar month, any overpayment received in the first calendar month shall be recouped.

c. When the recipient reports a change in income or circumstances timely, as defined in 40.24(1) or 40.27(4), the department shall determine prospective eligibility and the grant amount for the following month based on the change.

(1) A payment adjustment shall be made when indicated.

(2) Recoupment shall be made for any overpayment, with one exception. When a change in income is timely reported by a recipient and timely acted upon by the department, but the timely notice, as required by 441—7.7(17A), requires the action be delayed until the second calendar month following the month of change, and eligibility continues, recoupment shall not be made.

d. When an individual included in the eligible group becomes ineligible, that individual's needs shall be removed prospectively effective the first day of the next calendar month. When the action must be delayed due to administrative requirements, a payment adjustment or recoupment shall be made when appropriate.

e. When a sanction under 441—paragraph 41.22(6) "f" is implemented, the change shall be effective:

(1) The first day of the next calendar month after the change has occurred when the income maintenance unit determines noncooperation; or

(2) After the income maintenance unit receives notification from the child support recovery unit when the child support recovery unit determines noncooperation.

f. When a sanction under 441—paragraph 41.22(6) "f" is removed, the change shall be effective the first day of the next calendar month after the recipient has expressed willingness to cooperate, as described in 441—paragraph 41.22(6) "f." However, action to remove the sanction shall be delayed until:

(1) Cooperation has actually occurred; or

(2) The income maintenance unit has received notification from the child support recovery unit that the client has cooperated.

g. A different effective date shall be applied when specifically indicated in family investment program rules, such as in 441—subrule 41.25(5) and 441—subparagraph 41.27(9) "c"(2).

This rule is intended to implement Iowa Code sections 239B.2, 239B.3, 239B.5, 239B.6 and 239B.18.

[ARC 7740B, IAB 5/6/09, effective 6/10/09; ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 0148C, IAB 6/13/12, effective 8/1/12; ARC 1478C, IAB 6/11/14, effective 8/1/14]

441—40.28(239B) Referral for investigation. The department may refer questionable cases to the department of inspections and appeals for further investigation. Referrals shall be made using Form 470-2998, Referral for Front End Investigation.

This rule is intended to implement Iowa Code section 239B.5.

441—40.29(239B) Conversion to the X-PERT system. Rescinded IAB 10/4/00, effective 12/1/00.

These rules are intended to implement Iowa Code chapter 239B.

CHAPTER 41
GRANTING ASSISTANCE
[Prior to 7/1/83, Social Services[770] Ch 41]
[Prior to 2/11/87, Human Services[498]]

DIVISION I
FAMILY INVESTMENT PROGRAM—
CONTROL GROUP
[Rescinded IAB 2/12/97, effective 3/1/97]

441—41.1 to 41.20 Reserved.

DIVISION II
FAMILY INVESTMENT PROGRAM—TREATMENT GROUP
[Prior to 10/13/93, Human Services(441—41.1 to 41.9)]

441—41.21(239B) Eligibility factors specific to child.

41.21(1) Age. The family investment program shall be available to a needy child under the age of 18 years without regard to school attendance.

A child is eligible for the entire month in which the child's eighteenth birthday occurs, unless the birthday falls on the first day of the month. The family investment program shall also be available to a needy child of 18 years who is a full-time student in a secondary school, or in the equivalent level of vocational or technical training, as defined in paragraph 41.24(2) "e," and who is reasonably expected to complete the program before reaching the age of 19.

41.21(2) Rescinded, effective June 1, 1988.

41.21(3) Residing with relative. The child shall be living in the home of one of the relatives specified in subrule 41.22(3). When an unwed mother intends to place her child for adoption shortly after birth, the child shall be considered as living with the mother until the time custody is actually relinquished.

a. Living with relatives implies primarily the existence of a relationship involving an accepted responsibility on the part of the relative for the child's welfare, including the sharing of a common household.

b. Home is the family setting maintained or in the process of being established as evidenced by the assumption and continuation of responsibility for the child by the relative.

41.21(4) Rescinded, effective July 1, 1980.

41.21(5) Deprivation of parental care and support. Rescinded IAB 11/1/00, effective 1/1/01.

This rule is intended to implement Iowa Code sections 239B.1, 239B.2 and 239B.5.

441—41.22(239B) Eligibility factors specific to payee.

41.22(1) Reserved.

41.22(2) Rescinded, effective June 1, 1988.

41.22(3) Specified relationship.

a. A child may be considered as meeting the requirement of living with a specified relative if the child's home is with one of the following or with a spouse of the relative even though the marriage is terminated by death or divorce:

Father—adoptive father.

Mother—adoptive mother.

Grandfather—grandfather-in-law, meaning the subsequent husband of the child's natural grandmother, i.e., stepgrandfather—adoptive grandfather.

Grandmother—grandmother-in-law, meaning the subsequent wife of the child's natural grandfather, i.e., stepgrandmother—adoptive grandmother.

Great-grandfather—great-great-grandfather.

Great-grandmother—great-great-grandmother.

Stepfather, but not his parents.

Stepmother, but not her parents.

Brother—brother-of-half-blood—stepbrother—brother-in-law—adoptive brother.

Sister—sister-of-half-blood—stepsister—sister-in-law—adoptive sister.

Uncle—aunt, of whole or half blood.

Uncle-in-law—aunt-in-law.

Great uncle—great-great-uncle.

Great aunt—great-great-aunt.

First cousins—nephews—nieces.

Second cousins, meaning the son or daughter of one's parent's first cousin.

b. A relative of the putative father can qualify as a specified relative if the putative father has acknowledged paternity by the type of written evidence on which a prudent person would rely.

c. The family investment program is available to a child of unmarried parents the same as to a child of married parents when all eligibility factors are met.

d. The presence of an able-bodied stepparent in the home shall not disqualify a child for assistance, provided that other eligibility factors are met.

41.22(4) *Liability of relatives.* All appropriate steps shall be taken to secure support from legally liable persons on behalf of all persons in the eligible group, including the establishment of paternity.

a. When necessary to establish eligibility, the income maintenance unit shall make the initial contact with the absent parent at the time of application. Subsequent contacts shall be made by the child support recovery unit.

b. When contact with the family investment program family or other sources of information indicate that relatives other than parents and spouses of the eligible children are contributing toward the support of members of the eligible group, have contributed in the past, or are of such financial standing they might reasonably be expected to contribute, the income maintenance unit shall contact these persons to verify current contributions or arrange for contributions on a voluntary basis.

41.22(5) *Referral to child support recovery unit.* The income maintenance unit shall provide prompt notice to the child support recovery unit whenever assistance is furnished with respect to a child with a parent who is absent from the home or when any member of the eligible group is entitled to support payments.

a. A referral to the child support recovery unit shall not be made when a parent's absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States. "Uniformed service" means the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

b. "Prompt notice" means within two working days of the date assistance is approved.

41.22(6) *Cooperation in obtaining support.* Each applicant for or recipient of the family investment program shall cooperate with the department in establishing paternity and securing support for persons whose needs are included in the assistance grant, except when good cause as defined in 41.22(8) for refusal to cooperate is established.

a. The applicant or recipient shall cooperate in the following areas:

(1) Identifying and locating the parent of the child for whom aid is claimed.

(2) Establishing the paternity of a child born out of wedlock for whom aid is claimed.

(3) Obtaining support payments for the applicant or recipient and for a child for whom aid is claimed.

(4) Rescinded IAB 12/3/97, effective 2/1/98.

b. Cooperation is defined as including the following actions by the applicant or recipient:

(1) Appearing at the office of the income maintenance unit or the child support recovery unit to provide verbal or written information or documentary evidence known to, possessed by, or reasonably obtained by the applicant or recipient that is relevant to achieving the objectives of the child support recovery program.

(2) Appearing as a witness at judicial or other hearings or proceedings.

(3) Providing information, or attesting to the lack of information, under penalty of perjury.

(4) Paying to the department any cash support payments for a member of the eligible group, except as described at 41.27(7)“p” and “q,” received by a recipient after the date of decision as defined in 441—subrule 40.24(4).

(5) Providing the name of the absent parent and additional necessary information.

c. The applicant or recipient shall cooperate with the income maintenance unit in supplying information with respect to the absent parent, the receipt of support, and the establishment of paternity, to the extent necessary to establish eligibility for assistance and permit an appropriate referral to the child support recovery unit.

d. The applicant or recipient shall cooperate with the child support recovery unit to the extent of supplying all known information and documents pertaining to the location of the absent parent and taking action as may be necessary to secure or enforce a support obligation or establish paternity. This includes completing and signing documents determined to be necessary by the state’s attorney for any relevant judicial or administrative process.

e. In the circumstance as described at paragraph “b,” subparagraph (4), the income maintenance unit shall make the determination of whether or not the applicant or recipient has cooperated. In all other instances, the child support recovery unit shall make the determination of whether the applicant or recipient has cooperated. The child support recovery unit delegates the income maintenance unit to make this determination for applicants.

f. Failure to cooperate shall result in a sanction to the family. The sanction shall be a deduction of 25 percent from the net cash assistance grant amount payable to the family before any deduction for recoupment of a prior overpayment.

(1) When the income maintenance unit determines noncooperation, the sanction shall be implemented after the noncooperation has occurred. The sanction shall remain in effect until the client has expressed willingness to cooperate. However, any action to remove the sanction shall be delayed until cooperation has occurred.

(2) When the child support recovery unit (CSRU) makes the determination, the sanction shall be implemented upon notification from CSRU to the income maintenance unit that the client has failed to cooperate. The sanction shall remain in effect until the client has expressed to either income maintenance or CSRU staff willingness to cooperate. However, any action to remove the sanction shall be delayed until income maintenance is notified by CSRU that the client has cooperated.

41.22(7) *Assignment of support payments.* Each applicant for or recipient of assistance shall assign to the department any rights to support from any other person that the applicant or recipient may have. The assignment of support payments shall include rights to support in the applicant’s or recipient’s own behalf or in behalf of any other family member for whom the applicant or recipient is applying or receiving assistance.

a. The assignment of support payments shall include rights to all support payments that accrue during the period of assistance but shall not exceed the total amount of assistance received.

b. An assignment is effective the same date all eligibility information is entered into the department’s computer system and is effective for the entire period for which assistance is paid.

41.22(8) *Good cause for refusal to cooperate.* Good cause shall exist when it is determined that cooperation in establishing paternity and securing support is against the best interests of the child.

a. The income maintenance unit shall determine that cooperation is against the child’s best interest when the applicant’s or recipient’s cooperation in establishing paternity or securing support is reasonably anticipated to result in:

- (1) Physical harm to the child for whom support is to be sought; or
- (2) Emotional harm to the child for whom support is to be sought; or
- (3) Physical harm to the parent or caretaker relative with whom the child is living which reduces the person’s capacity to care for the child adequately; or
- (4) Emotional harm to the parent or caretaker relative with whom the child is living of a nature or degree that it reduces the person’s capacity to care for the child adequately.

b. The income maintenance unit shall determine that cooperation is against the child’s best interest when at least one of the following circumstances exists, and the income maintenance unit believes that

because of the existence of that circumstance, in the particular case, proceeding to establish paternity or secure support would be detrimental to the child for whom support would be sought.

- (1) The child for whom support is sought was conceived as a result of incest or forcible rape.
- (2) Legal proceedings for the adoption of the child are pending before a court of competent jurisdiction.
- (3) The applicant or recipient is currently being assisted by a public or licensed private social agency to resolve the issue of whether to keep the child or relinquish the child for adoption, and the discussions have not gone on for more than three months.

c. Physical harm and emotional harm shall be of a serious nature in order to justify a finding of good cause. A finding of good cause for emotional harm shall be based only upon a demonstration of an emotional impairment that substantially affects the individual's functioning.

d. When the good cause determination is based in whole or in part upon the anticipation of emotional harm to the child, the parent, or the caretaker relative, the following shall be considered:

- (1) The present emotional state of the individual subject to emotional harm.
- (2) The emotional health history of the individual subject to emotional harm.
- (3) Intensity and probable duration of the emotional impairment.
- (4) The degree of cooperation required.
- (5) The extent of involvement of the child in the paternity establishment or support enforcement activity to be undertaken.

41.22(9) Claiming good cause. Each applicant for or recipient of the family investment program who is required to cooperate with the child support recovery unit shall have the opportunity to claim good cause for refusing to cooperate in establishing paternity or securing support payments.

a. Before requiring cooperation, the income maintenance unit shall notify the applicant or recipient using Form 470-0169, Requirements of Support Enforcement, of the right to claim good cause as an exception to the cooperation requirement and of all the requirements applicable to a good cause determination.

b. The initial notice advising of the right to refuse to cooperate for good cause shall:

- (1) Advise the applicant or recipient of the potential benefits the child may derive from the establishment of paternity and securing support.
- (2) Advise the applicant or recipient that by law cooperation in establishing paternity and securing support is a condition of eligibility for the family investment program.
- (3) Advise the applicant or recipient of the sanctions provided for refusal to cooperate without good cause.
- (4) Advise the applicant or recipient that good cause for refusal to cooperate may be claimed; and that if the income maintenance unit determines, in accordance with these rules, that there is good cause, the applicant or recipient will be excused from the cooperation requirement.

(5) Advise the applicant or recipient that upon request, or following a claim of good cause, the income maintenance unit will provide further notice with additional details concerning good cause.

c. When the applicant or recipient makes a claim of good cause or requests additional information regarding the right to file a claim of good cause, the income maintenance unit shall issue a second notice, Form 470-0170, Requirements of Claiming Good Cause. To claim good cause, the applicant or recipient shall sign and date Form 470-0170 and return it to the income maintenance unit. This form:

- (1) Indicates that the applicant or recipient must provide corroborative evidence of a good cause circumstance and must, when requested, furnish sufficient information to permit the income maintenance unit to investigate the circumstances.
- (2) Informs the applicant or recipient that, upon request, the income maintenance unit will provide reasonable assistance in obtaining the corroborative evidence.
- (3) Informs the applicant or recipient that on the basis of the corroborative evidence supplied and the department's investigation when necessary, the income maintenance unit will determine whether cooperation would be against the best interest of the child for whom support would be sought.
- (4) Lists the circumstances under which cooperation may be determined to be against the best interests of the child.

(5) Informs the applicant or recipient that the child support recovery unit may review the income maintenance unit's findings and basis for a good cause determination and may participate in any hearings concerning the issue of good cause.

(6) Informs the applicant or recipient that the child support recovery unit may attempt to establish paternity and collect support in those cases where the income maintenance unit determines that this can be done without risk to the applicant or recipient if done without the applicant's or recipient's participation.

d. The applicant or recipient who refuses to cooperate and who claims to have good cause for refusing to cooperate has the burden of establishing the existence of a good cause circumstance. Failure to meet these requirements shall constitute a sufficient basis for the income maintenance unit to determine that good cause does not exist. The applicant or recipient shall:

(1) Specify the circumstances that the applicant or recipient believes provide sufficient good cause for not cooperating.

(2) Corroborate the good cause circumstances.

(3) When requested, provide sufficient information to permit an investigation.

41.22(10) *Determination of good cause.* The income maintenance unit shall determine whether good cause exists for each applicant for or recipient of the family investment program who claims to have good cause.

a. The applicant or recipient shall be notified by the income maintenance unit of its determination that good cause does or does not exist. The determination shall:

(1) Be in writing.

(2) Contain the income maintenance unit's findings and basis for determination.

(3) Be entered in the family investment program case record.

b. The determination of whether or not good cause exists shall be made within 45 days from the day the good cause claim is made. The income maintenance unit may exceed this time standard only when:

(1) The case record documents that the income maintenance unit needs additional time because the information required to verify the claim cannot be obtained within the time standard, or

(2) The case record documents that the claimant did not provide corroborative evidence within the time period set forth in 41.22(11).

c. When the income maintenance unit determines that good cause does not exist:

(1) The applicant or recipient will be so notified and afforded an opportunity to cooperate, withdraw the application for assistance, or have the case closed; and

(2) Continued refusal to cooperate will result in the imposition of sanctions.

d. The income maintenance unit shall make a good cause determination based on the corroborative evidence supplied by the applicant or recipient only after the unit has examined the evidence and found that it actually verifies the good cause claim.

e. Before making a final determination of good cause for refusing to cooperate, the income maintenance unit shall:

(1) Afford the child support recovery unit the opportunity to review and comment on the findings and basis for the proposed determination, and

(2) Consider any recommendation from the child support recovery unit.

f. The child support recovery unit may participate in any appeal hearing that results from an applicant's or recipient's appeal of an agency action with respect to a decision on a claim of good cause.

g. Assistance shall not be denied, delayed, or discontinued pending a determination of good cause for refusal to cooperate when the applicant or recipient has specified the circumstances under which good cause can be claimed and provided the corroborative evidence and any additional information needed to establish good cause.

h. The income maintenance unit shall:

(1) Periodically, but not less frequently than every six months, review those cases in which the agency has determined that good cause exists based on a circumstance that is subject to change.

(2) When it determines that circumstances have changed so that good cause no longer exists, rescind its findings and proceed to enforce the requirements pertaining to cooperation in establishing paternity and securing support.

41.22(11) Proof of good cause. The applicant or recipient who claims good cause shall provide corroborative evidence within 20 days from the day the claim was made. In exceptional cases where the income maintenance unit determines that the applicant or recipient requires additional time because of the difficulty in obtaining the corroborative evidence, the income maintenance unit shall allow a reasonable additional period upon approval by the worker's immediate supervisor.

a. A good cause claim may be corroborated with the following types of evidence.

(1) Birth certificates or medical or law enforcement records which indicate that the child was conceived as the result of incest or forcible rape.

(2) Court documents or other records which indicate that legal proceedings for adoption are pending before a court of competent jurisdiction.

(3) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records which indicate that the putative father or absent parent might inflict physical or emotional harm on the child or caretaker relative.

(4) Medical records which indicate emotional health history and present emotional health status of the caretaker relative or the child for whom support would be sought; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the caretaker relative or the child for whom support would be sought.

(5) A written statement from a public or licensed private social agency that the applicant or recipient is being assisted by the agency to resolve the issue of whether to keep the child or relinquish the child for adoption.

(6) Sworn statements from individuals other than the applicant or recipient with knowledge of the circumstances which provide the basis for the good cause claim.

b. When, after examining the corroborative evidence submitted by the applicant or recipient, the income maintenance unit wishes to request additional corroborative evidence which is needed to permit a good cause determination, the income maintenance unit shall:

(1) Promptly notify the applicant or recipient that additional corroborative evidence is needed, and

(2) Specify the type of document which is needed.

c. When the applicant or recipient requests assistance in securing corroborative evidence, the income maintenance unit shall:

(1) Advise the applicant or recipient how to obtain the necessary documents, and

(2) Make a reasonable effort to obtain any specific documents which the applicant or recipient is not reasonably able to obtain without assistance.

d. When a claim is based on the applicant's or recipient's anticipation of physical harm and corroborative evidence is not submitted in support of the claim:

(1) The income maintenance unit will investigate the good cause claim when the unit believes that the claim is credible without corroborative evidence and corroborative evidence is not available.

(2) Good cause will be found when the claimant's statement and investigation which is conducted satisfies the income maintenance unit that the applicant or recipient has good cause for refusing to cooperate.

(3) A determination that good cause exists will be reviewed and approved or disapproved by the worker's immediate supervisor and the findings will be recorded in the case record.

e. The income maintenance unit may further verify the good cause claim when the applicant's or recipient's statement of the claim together with the corroborative evidence do not provide sufficient basis for making a determination. When the income maintenance unit determines that it is necessary, the unit may conduct an investigation of good cause claims to determine that good cause does or does not exist.

f. When it conducts an investigation of a good cause claim, the income maintenance unit will:

(1) Contact the absent parent or putative father from whom support would be sought when the contact is determined to be necessary to establish the good cause claim.

(2) Prior to making the necessary contact, notify the applicant or recipient so the applicant or recipient may present additional corroborative evidence or information so that contact with the parent or putative father becomes unnecessary, withdraw the application for assistance or have the case closed, or have the good cause claim denied.

41.22(12) *Enforcement without caretaker's cooperation.* When the income maintenance unit makes a determination that good cause exists, the unit shall also make a determination of whether or not child support enforcement can proceed without risk of harm to the child or caretaker relative when the enforcement or collection activities do not involve the participation of the child or caretaker.

a. The child support recovery unit shall have an opportunity to review and comment on the findings and basis for the proposed determination, and the income maintenance unit shall consider any recommendation from the child support recovery unit.

b. The determination shall:

- (1) Be in writing,
- (2) Contain the income maintenance unit's findings and basis for determination, and
- (3) Be entered into the family investment program case record.

c. When the income maintenance unit excuses cooperation but determines that the child support recovery unit may proceed to establish paternity or enforce support, the income maintenance unit will notify the applicant or recipient to enable the individual to withdraw the application for assistance or have the case closed.

41.22(13) *Furnishing of social security number.* As a condition of eligibility each applicant for or recipient of and all members of the eligible group must furnish a social security account number or proof of application for a number if it has not been issued or is not known and provide the number upon its receipt. The requirement shall not apply to a payee who is not a member of the eligible group.

a. Assistance shall not be denied, delayed, or discontinued pending the issuance or verification of the numbers when the applicant or recipient has complied with the requirements of 41.22(13).

b. When the mother of the newborn child is a current recipient, the mother shall have until the second month following the mother's discharge from the hospital to apply for a social security account number for the child.

c. When the applicant is a battered alien, as described at 41.23(4), the applicant shall have until the month following the month the person receives employment authorization from the Immigration and Naturalization Service to apply for a social security account number.

41.22(14) *Department of workforce development registration and referral.* Rescinded IAB 11/1/00, effective 1/1/01.

41.22(15) *Requiring minor parents to live with parent or legal guardian.* A minor parent and the dependent child in the minor parent's care must live in the home of a parent or legal guardian of the minor parent in order to receive family investment program benefits unless good cause for not living with the parent or legal guardian is established.

a. "Living in the home" includes living in the same apartment, same half of a duplex, same condominium or same row house as the adult parent or legal guardian. It also includes living in an apartment which is located in the home of the adult parent or legal guardian.

b. For applicants, determination of whether the minor parent and child are living with a parent or legal guardian or have good cause must be made as of the date of the first application interview as described at 441—subrule 40.24(2).

(1) If, as of the date of this interview, the minor parent and child are living with a parent or legal guardian or are determined to have good cause, the FIP application for the minor parent and child shall be approved as early as seven days from receipt of the application provided they are otherwise eligible.

(2) If, as of the date of this interview, the minor parent and child are not living with a parent or legal guardian and do not have good cause, the FIP application for the minor parent and child shall be denied.

c. For recipients, when changes occur, continuing eligibility shall be redetermined according to 441—subrules 40.27(4) and 40.27(5).

d. A minor parent determined to have good cause for not living with a parent or legal guardian must attend FaDSS or other family development as required in 441—subrule 93.4(4).

41.22(16) *Good cause for not living in the home of a parent or legal guardian.* Good cause shall exist when at least one of the following conditions applies:

a. The parents or legal guardian of the minor parent is deceased, missing or living in another state.
b. The physical or emotional health or safety of the minor parent or child would be jeopardized if the minor parent is required to live with the parent or legal guardian.

(1) Physical or emotional harm shall be of a serious nature in order to justify a finding of good cause.

(2) Physical or emotional harm shall include situations of documented abuse or incest.

(3) When the good cause determination is based in whole or in part upon the anticipation of emotional harm to the minor parent or child, the following shall be considered:

1. The present emotional state of the individual subject to emotional harm.

2. The emotional health history of the individual subject to emotional harm.

3. Intensity and probable duration of the emotional impairment.

c. The minor parent is in a foster care supervised apartment living arrangement.

d. The minor parent is participating in the job corps solo parent program.

e. The parents or legal guardian refuses to allow the minor parent and child to return home and the minor parent is living with a specified relative, aged 21 or over, on the day of interview, and the caretaker is the applicant or payee.

f. The minor parent and child live in a maternity home or other licensed adult-supervised supportive living arrangement as defined by the department of human services.

g. Other circumstances exist which indicate that living with the parents or legal guardian will defeat the goals of self-sufficiency and responsible parenting. Situations which appear to meet this good cause reason must be referred to the administrator of the division of economic assistance, or the administrator's designee, for determination of good cause.

41.22(17) *Claiming good cause for not living in the home of a parent or legal guardian.* Each applicant or recipient who is not living with a parent or legal guardian shall have the opportunity to claim good cause for not living with a parent or legal guardian.

41.22(18) *Determination of good cause for not living in the home of a parent or legal guardian.* The department shall determine whether good cause exists for each applicant or recipient who claims good cause.

a. The applicant or recipient shall be notified by the department of its determination that good cause does or does not exist. The determination shall:

(1) Be in writing.

(2) Contain the department's findings and basis for determination.

(3) Be entered in the family investment program case record.

b. When the department determines that good cause does not exist:

(1) The applicant or recipient shall be so notified.

(2) The application shall be denied or family investment program assistance canceled.

(3) Rescinded IAB 8/31/05, effective 11/1/05.

c. The department shall:

(1) Periodically, but not less frequently than every six months, review those cases in which the agency has determined that good cause exists based on a circumstance that is subject to change.

(2) When it determines that circumstances have changed so that good cause no longer exists, rescind its findings and proceed to enforce the requirements.

41.22(19) *Proof of good cause for not living in the home of a parent or legal guardian.* The applicant or recipient who claims good cause shall provide corroborative evidence to prove the good cause claim within the time frames described at 441—subrule 40.24(1) and paragraph 40.27(4)“c.”

a. A good cause claim may be corroborated by one or more of the following types of evidence:

(1) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records which indicate that the parent or legal guardian might inflict physical or emotional harm on the minor parent or child.

(2) Medical records that indicate the emotional health history and present emotional health status of the minor parent or child; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the minor parent or child.

(3) Sworn statements from individuals other than the applicant or recipient with knowledge of the circumstances which provide the basis for the good cause claim. Written statements from the client's friends or relatives are not sufficient alone to grant good cause based on physical or emotional harm, but may be used to support other evidence.

(4) Notarized statements from the parents or legal guardian or other reliable evidence to verify that the parents or legal guardian refuse to allow the minor parent and child to return home.

(5) Court, criminal, child protective services, social services or other records which verify that the parents or legal guardian of the minor parent is deceased, missing or living in another state, or that the minor parent is in a foster care supervised apartment living arrangement, the job corps solo parent program, maternity home or other licensed adult-supervised supportive living arrangement.

b. When, after examining the corroborative evidence submitted by the applicant or recipient, the department wishes to request additional corroborative evidence which is needed to permit a good cause determination, the department shall:

(1) Promptly notify the applicant or recipient that additional corroborative evidence is needed.

(2) Specify the type of document which is needed.

c. When the applicant or recipient requests assistance in securing evidence, the department shall:

(1) Advise the applicant or recipient how to obtain the necessary documents.

(2) Make a reasonable effort to obtain any specific documents which the applicant or recipient is not reasonably able to obtain without assistance.

This rule is intended to implement Iowa Code chapter 239B.

[ARC 8004B, IAB 7/29/09, effective 10/1/09]

441—41.23(239B) Home, residence, citizenship, and alienage.

41.23(1) Iowa residence.

a. A resident of Iowa is one:

(1) Who is living in Iowa voluntarily with the intention of making that person's home there and not for a temporary purpose. A child is a resident of Iowa when living there on other than a temporary basis. Residence may not depend upon the reason for which the individual entered the state, except insofar as it may bear upon whether the individual is there voluntarily or for a temporary purpose; or

(2) Who, at the time of application, is living in Iowa, is not receiving assistance from another state, and entered Iowa with a job commitment or seeking employment in Iowa, whether or not currently employed. Under this definition the child is a resident of the state in which the caretaker is a resident.

b. Residence is retained until abandoned. Temporary absence from Iowa, with subsequent returns to Iowa, or intent to return when the purposes of the absence have been accomplished, does not interrupt continuity of residence.

41.23(2) Suitability of home. The home shall be deemed suitable until the court has ruled it unsuitable and, as a result of such action, the child has been removed from the home.

41.23(3) Absence from the home.

a. An individual who is absent from the home shall not be included in the assistance unit, except as described in paragraph "b."

(1) A parent who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday is considered absent from the home.

(2) A parent whose absence from the home is due solely to a pattern of employment is not considered to be absent.

(3) A parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States is considered absent from the home, notwithstanding the provisions of subrule 41.22(5). "Uniformed service" means the Army, Navy, Air Force, Marine Corps,

Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

b. The needs of an individual who is temporarily out of the home are included in the eligible group, if otherwise eligible. A temporary absence exists in the following circumstances:

(1) An individual is anticipated to be in the medical institution for less than a year, as verified by a physician's statement. Failure to return within one year will result in the individual's needs being removed from the grant.

(2) An individual is out of the home to secure education or training, as defined for children in 41.24(2) "e" and for adults in rule 441—93.8(239B), first sentence, as long as the caretaker relative retains supervision of the child.

(3) An individual is out of the home for reasons other than reasons in subparagraphs (1) and (2) and the payee intends that the individual will return to the home within three months. Failure to return within three months will result in the individual's needs being removed from the grant.

41.23(4) Battered aliens. A person who meets the conditions of eligibility under Iowa Code section 239B.2 and who meets either of the following requirements shall be eligible for participation in the family investment program:

a. The person is a conditional resident alien who was battered or subjected to extreme cruelty, or whose child was battered or subjected to extreme cruelty, perpetrated by the person's spouse who is a United States citizen or lawful permanent resident, as described in 8 CFR Section 216.5(a)(3).

b. The person was battered or subjected to extreme cruelty, or the person's child was battered or subjected to extreme cruelty, perpetrated by the person's spouse who is a United States citizen or lawful permanent resident, and the person's petition has been approved or a petition is pending that sets forth a prima facie case that the person has noncitizen status under any of the following categories:

(1) Status as a spouse or child of a United States citizen or lawful permanent resident under the federal Immigration and Nationality Act, Section 204(a)(1)(A).

(2) Status as a spouse or child who was battered or subjected to extreme cruelty by a United States citizen or lawful permanent resident under the federal Immigration and Nationality Act, Section 204(a)(iii), as codified in 8 United States Code Section 1154(a)(1)(A)(iii).

(3) Classification as a person lawfully admitted for permanent residence under the federal Immigration and Nationality Act.

(4) Suspension of deportation and adjustment of status under the federal Immigration and Nationality Act, Section 244(a), as in effect before the date of enactment of the federal Illegal Immigration Reform and Immigrant Responsibility Act of 1996.

(5) Cancellation of removal or adjustment of status under the federal Immigration and Nationality Act, Section 240A, as codified in 8 United States Code Section 1229b.

(6) Status as an asylee, if asylum is pending, under the federal Immigration and Nationality Act, Section 208, as codified in 8 United States Code Section 1158.

41.23(5) Citizenship and alienage.

a. Eligible status. A family investment program assistance grant may include the needs of a citizen or national of the United States or a qualified alien as defined at rule 441—40.21(239B).

(1) A person who is a qualified alien as defined at rule 441—40.21(239B) is not eligible for family investment program assistance for a five-year period beginning on the date of the person's entry into the United States with a qualified alien status.

(2) EXCEPTIONS: The five-year prohibition from family investment program assistance does not apply to:

1. A qualified alien residing in the United States before August 22, 1996.

2. A battered alien as described at subrule 41.23(4).

3. A qualified alien veteran who has an honorable discharge that is not due to alienage.

4. A qualified alien who is on active duty in the Armed Forces of the United States other than active duty for training.

5. A qualified alien who is the spouse or unmarried dependent child of a qualified alien described in numbered paragraph "3" or "4," including a surviving spouse who has not remarried.

6. A refugee admitted under Section 207 of the Immigration and Nationality Act (INA).
7. An alien granted asylum under Section 208 of the INA.
8. An alien admitted as an Amerasian as described in 8 U.S.C. Section 1612(a)(2)(A)(ii)(V).
9. A Cuban/Haitian entrant as described in 8 U.S.C. Section 1641(b)(7).
10. An alien whose deportation is withheld under Section 243(h) or Section 241(b)(3) of the INA.
11. An alien certified as a victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to December 20, 2010.
12. An Iraqi or Afghan immigrant treated as a refugee pursuant to Section 1244(g) of Public Law 110-181 as amended to December 20, 2010, or to Section 602(b)(8) of Public Law 111-8 as amended to December 20, 2010.

b. Attestation of status. As a condition of eligibility, an attestation of citizenship or alien status shall be made for all applicants and recipients on Form 470-0462 or 470-0462(S), Financial Support Application, or Form 470-2549, Statement of Citizenship Status. Form 470-2881, 470-2881(S), 470-2881(M), or 470-2881(MS), Review/Recertification Eligibility Document, may be used to attest to the citizenship of dependent children who enter a recipient household. Failure to sign a form attesting to citizenship when required to do so creates ineligibility for the entire eligible group. The attestation may be signed by:

- (1) The applicant;
- (2) Someone acting responsibly on the applicant's or recipient's behalf if the applicant or recipient is incompetent or incapacitated; or
- (3) Any adult member of the assistance unit, when eligibility is determined on a family or household basis.

This rule is intended to implement Iowa Code sections 239B.2 and 239B.2B.
 [ARC 9439B, IAB 4/6/11, effective 6/1/11; ARC 1478C, IAB 6/11/14, effective 8/1/14]

441—41.24(239B) Promoting independence and self-sufficiency through employment job opportunities and basic skills (PROMISE JOBS) program. All persons in a family investment program (FIP) household shall be referred to the PROMISE JOBS program and shall enter into a family investment agreement (FIA) as a condition of receiving FIP, unless exempt from referral, except as described at subrule 41.24(2).

41.24(1) FIA-responsible persons. The following persons are FIA-responsible unless the department determines the person is exempt:

- a.* All persons whose needs are included in a grant under the FIP program.
- b.* Any parent living in the home of a child receiving a grant.
- c.* All FIP applicants unless the department determines that the applicant is exempt or does not meet other FIP eligibility requirements.
- d.* Applicants who have chosen and are in an active limited benefit plan (LBP). FIA-responsible applicants in an active limited benefit plan shall complete significant contact with or action in regard to PROMISE JOBS as described at paragraphs 41.24(8) "d" and "e" for FIP eligibility to be considered. For two-parent households, both parents must participate as previously stated except when one parent is exempt. Exceptions:

- (1) The applicant has become exempt from PROMISE JOBS.
- (2) The applicant is in a subsequent limited benefit plan and it is prior to the last day of the six-month period of ineligibility.

41.24(2) Exemptions. The following persons are exempt from referral:

- a.* and *b.* Rescinded IAB 12/3/97, effective 2/1/98.
- c.* A person who is under the age of 16 and is not a parent.
- d.* A person found eligible for supplemental security income (SSI) benefits based on disability or blindness.
- e.* A person who is aged 16 to 19, is not a parent, and attends an elementary, secondary or equivalent level of vocational or technical school full-time. For persons who lose exempt status for not

attending school, once the person has signed a family investment agreement, the person shall remain referred to PROMISE JOBS and subject to the terms of the agreement.

(1) A person shall be considered to be attending school full-time when enrolled or accepted in an elementary school, a secondary school, or the equivalent level of vocational or technical school or training leading to a certificate or diploma, and the school certifies the person's attendance as full-time. Enrollment in a correspondence school that gives instruction courses by mail is not an allowable program of study.

(2) A person shall also be considered to be in regular attendance in months when the person is not attending because of an official school or training program vacation, an illness, a convalescence, or a family emergency.

(3) A child meets the definition of regular school attendance until the child has been officially dropped from the school rolls.

f. A person who is not a United States citizen and is not a qualified alien as defined in rule 441—40.21(239B).

41.24(3) Parents aged 19 and under.

a. Unless exempt as described at subrule 41.24(2), parents aged 18 or 19 are referred to PROMISE JOBS as follows:

(1) A parent aged 18 or 19 who has not successfully completed a high school education (or its equivalent) shall be required to participate in educational activities, directed toward the attainment of a high school diploma or its equivalent.

(2) The parent shall be required to participate in other PROMISE JOBS options if the person fails to make good progress in completing educational activities or if it is determined that participation in educational activities is inappropriate for the parent.

(3) The parent shall be required to participate in parenting skills training in accordance with 441—Chapter 93.

b. Unless exempt as described at subrule 41.24(2), parents aged 17 or younger are referred to PROMISE JOBS as follows:

(1) A parent aged 17 or younger who has not successfully completed a high school education or its equivalent shall be required to participate in high school completion activities, directed toward the attainment of a high school diploma or its equivalent.

(2) The parent shall be required to participate in parenting skills training in accordance with 441—Chapter 93.

41.24(4) Method of referral. The department shall refer each FIA-responsible person as defined at subrule 41.24(1) to PROMISE JOBS to sign a family investment agreement.

a. FIA-responsible applicants. During the application interview, the department shall notify the applicant of the requirement to sign a family investment agreement as a condition of FIP eligibility. The department shall refer the applicant by scheduling the applicant for an appointment with the PROMISE JOBS provider agency to develop the family investment agreement.

(1) The appointment shall be on the earliest available date but no later than ten calendar days from the date of referral unless the applicant requests an appointment on a day that is beyond ten calendar days. The PROMISE JOBS provider agency shall make sufficient appointment times available to allow the applicant to be scheduled within this time frame.

(2) The applicant shall be notified verbally and in writing of the scheduled appointment. If the notice of a scheduled appointment is mailed to the applicant, the department shall allow at least five working days from the date the notice is mailed for the applicant to appear for the scheduled appointment. The department may allow less than five working days if the applicant is verbally notified and agrees to the appointment.

(3) If a parent fails to appear for an appointment without rescheduling or fails to sign a family investment agreement, the department shall deny FIP assistance for the entire family.

(4) If a minor parent fails to appear for an appointment without rescheduling or fails to sign a family investment agreement, the department shall deny FIP assistance for the minor parent and any child of the minor parent.

(5) If a referred person who is not a parent fails to appear for an appointment without rescheduling or fails to sign a family investment agreement, the department shall deny FIP assistance only for that person.

b. Hardship applicants. While the eligibility decision is pending, unless the applicants are exempt from referral as defined in subrule 41.24(2), the department shall refer applicants who must qualify for a hardship exemption before approval of FIP to PROMISE JOBS to sign a family investment agreement as described in paragraph 41.24(4) “a” and shall treat applicants in accordance with subrule 41.30(3).

c. Applicants in a limited benefit plan. The department shall refer FIA-responsible applicants to PROMISE JOBS as described in paragraph 41.24(4) “a” and inform the applicant of the actions needed to reconsider and end the limited benefit plan as described at subrule 41.24(8). Failure to appear for the appointment without rescheduling or failure to sign a family investment agreement results in denial of the FIP application.

d. FIP participants who become FIA-responsible. When a person receiving FIP is no longer exempt, the department shall send the FIP participant a notice. The notice shall contain information about the requirement to sign a family investment agreement and shall instruct the FIP participant to contact PROMISE JOBS within ten calendar days to schedule an appointment with PROMISE JOBS to develop a family investment agreement. If the participant fails to schedule or attend the appointment or fails to sign a family investment agreement, PROMISE JOBS will send a clear written reminder. After one written reminder as described at 441—paragraph 93.3(3) “b,” the participant shall enter into a limited benefit plan as described at paragraph 41.24(8) “c.”

41.24(5) Changes in status and redetermination of exempt status. Any exempt person shall report any change affecting the exempt status to the department within ten days of the change. The department shall reevaluate exempt persons when changes in status occur and at the time of six-month or annual review. The participant and the PROMISE JOBS unit shall be notified of any change in a participant’s exempt status.

41.24(6) Volunteers. Rescinded IAB 7/21/04, effective 9/1/04.

41.24(7) Referral to vocational rehabilitation. The department shall make the department of education, division of vocational rehabilitation services, aware of any person who is referred to PROMISE JOBS and who has a medically determined physical or mental disability and a substantial employment limitation resulting from the disability. However, acceptance of vocational rehabilitation services by the client is optional.

41.24(8) The limited benefit plan (LBP). When a participant responsible for signing and meeting the terms of a family investment agreement as described at rule 441—93.4(239B) chooses not to sign or fulfill the terms of the agreement, the FIP assistance unit or the individual participant shall enter into a limited benefit plan. A limited benefit plan is considered imposed as of the date that a timely and adequate notice is issued to the participant as defined at 441—subrule 7.7(1). Once the limited benefit plan is imposed, FIP eligibility no longer exists as of the first of the month after the month in which timely and adequate notice is given to the participant. Upon the issuance of the notice to impose a limited benefit plan, the person who chose the limited benefit plan can reconsider and end the limited benefit plan, but only as described at paragraphs 41.24(8) “d” and “e.”

a. A limited benefit plan shall either be a first limited benefit plan or a subsequent limited benefit plan. From the effective date of a first limited benefit plan, the FIP eligible group or individual participant shall not be eligible until the participant who chose the limited benefit plan completes significant contact with or action in regard to the PROMISE JOBS program as defined in paragraph 41.24(8) “d.” If a subsequent limited benefit plan is chosen by the same participant, a six-month period of ineligibility applies to the FIP eligible group or individual participant and ineligibility continues after the six-month period is over until the participant who chose the limited benefit plan completes significant contact with or action in regard to the PROMISE JOBS program as defined in paragraph 41.24(8) “e.” A limited benefit plan imposed in error as described in paragraph 41.24(8) “g” shall not be considered a limited benefit plan and shall not count when determining whether a household is subject to a subsequent limited benefit plan.

b. The limited benefit plan shall be applied to participants responsible for the family investment agreement and other members of the participant's family as follows:

(1) When the participant responsible for the family investment agreement is a parent, the limited benefit plan shall apply to the entire FIP eligible group as defined at subrule 41.28(1).

(2) When the participant choosing a limited benefit plan is a needy specified relative or a dependent child's stepparent who is in the FIP eligible group because of incapacity, the limited benefit plan shall apply only to the individual participant choosing the plan. EXCEPTION: The limited benefit plan shall apply to the entire FIP eligible group as defined at subrule 41.28(1) when a needy specified relative who assumes the role of parent was responsible for the family investment agreement and chose a limited benefit plan effective October 1, 2005, or earlier.

(3) When the FIP eligible group includes a minor parent living with the minor parent's adult parent or needy specified relative who receives FIP benefits and both the minor parent and the adult parent or needy specified relative are responsible for developing a family investment agreement, each parent or needy specified relative is responsible for a separate family investment agreement, and the limited benefit plan shall be applied as follows:

1. When the adult parent chooses the limited benefit plan, the requirements of the limited benefit plan shall apply to the entire eligible group, even though the minor parent has not chosen the limited benefit plan. However, the minor parent may reapply for FIP benefits as a minor parent living with self-supporting parents or as a minor parent living independently and continue in the family investment agreement process.

2. When the minor parent chooses the limited benefit plan, the requirements of the limited benefit plan shall apply to the minor parent and any child of the minor parent.

3. When the minor parent is the only eligible child in the adult parent's or needy specified relative's home and the minor parent chooses the limited benefit plan, the adult parent's or needy specified relative's FIP eligibility ceases in accordance with subrule 41.28(1). The adult parent or needy specified relative shall become ineligible beginning with the effective date of the minor parent's limited benefit plan.

4. When the needy specified relative chooses the limited benefit plan, the requirements of the limited benefit plan shall apply as described at subparagraph 41.24(8) "b"(2).

(4) When the FIP eligible group includes children who are FIA-responsible, the children shall not have a separate family investment agreement but shall be asked to sign the eligible group's family investment agreement and to carry out the responsibilities of that family investment agreement. A limited benefit plan shall be applied as follows:

1. When the parent or needy specified relative responsible for a family investment agreement meets those responsibilities but a child who is FIA-responsible chooses an individual limited benefit plan, the limited benefit plan shall apply only to the individual child choosing the plan.

2. When the child who chooses a limited benefit plan under numbered paragraph 41.24(8) "b"(4) "1" is the only child in the eligible group, the parents' or needy specified relative's eligibility ceases in accordance with subrule 41.28(1). The parents or needy specified relative shall become ineligible beginning with the effective date of the child's limited benefit plan.

(5) When the FIP eligible group includes parents or needy specified relatives who are exempt from PROMISE JOBS participation and children who are FIA-responsible, the children are responsible for completing a family investment agreement. If a child who is FIA-responsible chooses the limited benefit plan, the limited benefit plan shall be applied in the manner described in subparagraph 41.24(8) "b"(4).

(6) When both parents of a FIP child are in the home, a limited benefit plan shall be applied as follows:

1. When only one parent of a child in the eligible group is responsible for a family investment agreement and that parent chooses the limited benefit plan, the limited benefit plan applies to the entire family and cannot be ended by the voluntary participation in a family investment agreement by the exempt parent.

2. When both parents of a child in the eligible group are responsible for a family investment agreement, both are expected to sign the agreement. If either parent chooses the limited benefit plan,

the limited benefit plan cannot be ended by the participation of the other parent in a family investment agreement.

3. When the parents from a two-parent family in a limited benefit plan separate, the limited benefit plan shall follow only the parent who chose the limited benefit plan and any children in the home of that parent.

4. A subsequent limited benefit plan applies when either parent in a two-parent family previously chose a limited benefit plan.

c. A participant shall be considered to have chosen a limited benefit plan under any of the following circumstances:

(1) A participant who loses exempt status and is referred to PROMISE JOBS as described at paragraph 41.24(4)“*d*” and who does not schedule or attend an appointment for orientation and development of a family investment agreement with PROMISE JOBS after PROMISE JOBS sends one clear written reminder as described at 441—paragraph 93.3(3)“*b*” shall enter into the limited benefit plan.

(2) A participant who chooses not to sign the family investment agreement shall enter into the limited benefit plan. For an applicant, signing a family investment agreement is a FIP eligibility requirement. If an applicant chooses not to sign the agreement, the limited benefit plan process is not applicable.

(3) A participant who signs a family investment agreement but does not carry out the family investment agreement responsibilities shall enter into a limited benefit plan whether the person signed the agreement as a FIP applicant or as a FIP participant. This includes a participant who fails to respond to the PROMISE JOBS worker’s request to renegotiate the family investment agreement when the participant has not attained self-sufficiency by the date established in the family investment agreement. A limited benefit plan shall be imposed regardless of whether the request to renegotiate is made before or after expiration of the family investment agreement.

d. Reconsideration of a first limited benefit plan. A person who chooses a first limited benefit plan may reconsider at any time from the date timely and adequate notice is issued establishing the limited benefit plan. To reconsider and end the limited benefit plan, the person must communicate the desire to engage in PROMISE JOBS activities to the department or appropriate PROMISE JOBS office and develop and sign the family investment agreement.

(1) Since a first limited benefit plan is considered imposed as of the date that a timely and adequate notice is issued, the person who chose the limited benefit plan cannot end it by complying with the issue that resulted in its imposition. To end the limited benefit plan, the person must also sign a family investment agreement, even if the person had signed an agreement before choosing the limited benefit plan.

(2) FIP benefits shall be effective the date the family investment agreement is signed or the effective date of the grant as described in rule 441—40.26(239B), whichever date is later. FIP benefits may be reinstated in accordance with 441—subrule 40.22(5) when the family investment agreement is signed before the effective date of a first limited benefit plan.

e. Reconsideration of a subsequent limited benefit plan. A person who chooses a subsequent limited benefit plan may reconsider that choice at any time following the required six-month period of ineligibility.

(1) A subsequent limited benefit plan is considered imposed as of the date that a timely and adequate notice is issued to establish the limited benefit plan. Therefore, once timely and adequate notice is issued, the person who chose the limited benefit plan cannot end it by complying with the issue that resulted in its imposition.

(2) FIP eligibility no longer exists as of the effective date of the limited benefit plan. Eligibility cannot be reestablished until the six-month period of ineligibility has expired. FIP eligibility does not exist for a person who reapplies for FIP after the notice is issued and before the effective date of the limited benefit plan because the person is not eligible to sign a family investment agreement until the six-month period of ineligibility has expired.

(3) To reconsider and end the limited benefit plan, the person must:

1. Contact the department or the appropriate PROMISE JOBS office to communicate the desire to engage in PROMISE JOBS activities,

2. Sign a new or updated family investment agreement, and

3. Satisfactorily complete 20 hours of employment or the equivalent in an activity other than work experience or unpaid community service, unless problems as described at rule 441—93.14(239B) or barriers as described at 441—subrule 93.4(5) apply. The 20 hours of employment or other activity must be completed within 30 days of the date that the family investment agreement is signed, unless problems as described at rule 441—93.14(239B) or barriers as described at 441—subrule 93.4(5) apply.

(4) FIP benefits shall not begin until the person who chose the limited benefit plan completes the previously defined significant actions. FIP benefits shall be effective the date the family investment agreement is signed or the effective date of the grant as described in rule 441—40.26(239B), whichever date is later, but in no case shall the effective date be within the six-month period of ineligibility.

f. Reconsideration by two-parent family. For a two-parent family when both parents are responsible for a family investment agreement as described at subrule 41.24(1), a first or subsequent limited benefit plan continues until both parents have completed significant contact or action with the PROMISE JOBS program as described in paragraphs “*d*” and “*e*” above.

g. Limited benefit plan imposed in error. A limited benefit plan imposed in error shall not be considered a limited benefit plan. This includes any instance when participation in PROMISE JOBS should not have been required as described in the administrative rules. Examples of instances when an error has occurred are:

(1) The person was exempt from PROMISE JOBS participation at the time the person chose the limited benefit plan.

(2) It is verified that the person considered to have chosen the limited benefit plan moved out of state or requested cancellation of FIP prior to the date that PROMISE JOBS determined the limited benefit plan was chosen.

(3) The final appeal decision under 441—Chapter 7 reverses the decision to impose a limited benefit plan.

(4) It is determined that the entire amount of assistance issued for the person who chose the limited benefit plan is subject to recoupment for the month when the person chose not to fulfill the terms of the family investment agreement.

(5) The person informs PROMISE JOBS of a newly revealed problem as described at rule 441—93.14(239B) or barrier as described at 441—subrule 93.4(5) after the limited benefit plan is imposed, and it is reasonable that the problem or barrier contributed to a failure that resulted in imposition of the limited benefit plan. The person may be required to provide documentation of the problem or barrier as described at 441—subrule 93.10(3).

41.24(9) *Nonparticipation by volunteer participants.* Rescinded IAB 7/21/04, effective 9/1/04.

41.24(10) *Notification of services.*

a. The department shall inform all applicants for and recipients of FIP of the advantages of employment under FIP.

b. The department shall provide a full explanation of the family rights, responsibilities, and obligations under PROMISE JOBS and the FIA, with information on the time-limited nature of the agreement.

c. The department shall provide information on the employment, education and training opportunities, and support services to which they are entitled under PROMISE JOBS, as well as the obligations of the department. This information shall include explanations of child care assistance and transitional Medicaid.

d. The department shall inform applicants for and recipients of FIP benefits of the grounds for exemption from FIA responsibility and from participation in the PROMISE JOBS program.

e. The department shall explain the LBP and the process by which FIA-responsible persons can choose the LBP.

f. The department shall inform all applicants for and recipients of FIP of their responsibility to cooperate in establishing paternity and enforcing child support obligations.

g. The department shall inform applicants for FIP benefits that a family investment agreement must be signed before FIP approval as a condition of eligibility, except as described at subrule 41.24(2). [ARC 9439B, IAB 4/6/11, effective 6/1/11; ARC 1146C, IAB 10/30/13, effective 1/1/14; ARC 1208C, IAB 12/11/13, effective 2/1/14; ARC 2272C, IAB 12/9/15, effective 2/1/16]

441—41.25(239B) Uncategorized factors of eligibility.

41.25(1) *Divesting of income.* Assistance shall not be approved when an investigation proves that income was divested and the action was deliberate and for the primary purpose of qualifying for assistance or increasing the amount of assistance paid.

41.25(2) *Duplication of assistance.* A recipient whose needs are included in a family investment program grant shall not concurrently receive a grant under any other public assistance program administered by the department, including IV-E foster care or state-funded foster care.

a. A recipient shall not concurrently receive the family investment program and subsidized adoption unless exclusion of the person from the FIP grant will reduce benefits to the family.

b. When a family investment program recipient is approved for foster care or subsidized adoption assistance while remaining in the same home, family investment program assistance shall be canceled effective the first day of the next calendar month following the date approval of the foster care or subsidized adoption payment is successfully entered into the department's computer system. FIP assistance for the month for which the foster care or subsidized adoption payment is approved or any past months for which foster care or subsidized adoption payments are made retroactively shall not be subject to recoupment.

c. A recipient shall not concurrently receive a grant from a public assistance program in another state.

d. When a recipient leaves the home of a specified relative, no payment for a concurrent period shall be made for the same recipient in the home of another relative.

41.25(3) *Aid from other funds.* Supplemental aid from any other agency or organization shall be limited to aid for items of need not covered by the department's standards and to the amount of the percentage reduction used in determining the payment level. Any duplicated assistance shall be considered unearned income.

41.25(4) *Contracts for support.* A person entitled to total support under the terms of an enforceable contract is not eligible to receive the family investment program when the other party, obligated to provide the support, is able to fulfill that part of the contract.

41.25(5) *Participation in a strike.*

a. The family of any parent with whom the child(ren) is living shall be ineligible for the family investment program for any month in which the parent is participating in a strike on the last day of the month.

b. Any individual shall be ineligible for the family investment program for any month in which the individual is participating in a strike on the last day of that month.

c. Definitions:

(1) A strike is a concerted stoppage of work by employees (including a stoppage by reason of expiration of a collective bargaining agreement) and any concerted slowdown or other concerted interruption of operations by employees.

(2) An individual is not participating in a strike at the individual's place of employment when the individual is not picketing and does not intend to picket during the course of the dispute, does not draw strike pay, and provides a signed statement that the individual is willing and ready to return to work but does not want to cross the picket line solely because of the risk of personal injury or death or trauma from harassment. The district administrator shall determine whether such a risk to the individual's physical or emotional well-being exists.

41.25(6) *Graduate students.* The entire assistance unit is ineligible for FIP when a member of the assistance unit is enrolled in an educational program leading to a degree beyond a bachelor's degree.

41.25(7) *Time limit for receiving assistance.* Rescinded IAB 7/11/01, effective 9/1/01.

41.25(8) *School attendance requirements.* Rescinded IAB 7/7/04, effective 7/1/04.

41.25(9) Pilot diversion programs. Assistance shall not be approved when an assistance unit is subject to a period of ineligibility as described at 441—Chapter 47.

41.25(10) Fugitive felons, and probation and parole violators. Assistance shall be denied to a person who is (1) convicted of a felony under state or federal law and is fleeing to avoid prosecution, custody or confinement, or (2) violating a condition of probation or parole imposed under state or federal law. The prohibition does not apply to conduct pardoned by the President of the United States, beginning with the month after the pardon is given.

41.25(11) Access to benefits. As a condition of eligibility, applicants and recipients must agree in writing to not use an electronic access card at prohibited locations. By signing Form 470-0462 or 470-0462(S), Financial Support Application, or Form 470-2881, 470-2881(S), 470-2881(M), or 470-2881(MS), Review/Recertification Eligibility Document, the applicant, the applicant's authorized representative or, when the applicant is incompetent or incapacitated, someone acting responsibly on the applicant's behalf agrees to this condition of eligibility. When both parents, or a parent and a stepparent, are in the home and eligibility is determined on a family or household basis, one parent or stepparent may sign the application and agree to this condition for the assistance unit. Failure to sign a form agreeing to not use the electronic access card at prohibited locations creates ineligibility for the entire eligible group.

a. A recipient shall not use the recipient's electronic access card issued pursuant to 441—subrule 45.21(1) to access benefits at any of the following prohibited locations as defined by federal statute or regulation applicable to this prohibition and as further defined in rule 441—40.21(239B):

- (1) A liquor store,
- (2) A casino, gambling casino, or gaming establishment, or
- (3) A retail establishment which provides adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment.

b. When the department receives a detailed complaint or suspects that a recipient has used the recipient's electronic access card at a prohibited location, the case shall be referred to the department of inspections and appeals for further investigation.

c. When the department of inspections and appeals finds that a recipient has used the recipient's electronic access card at a prohibited location, the household that includes the recipient is:

- (1) Considered to have committed a fraudulent act;
- (2) Liable for any amounts accessed and any associated fees for accessing the benefits at a prohibited location and required to repay such amount in accordance with 441—Chapter 46;
- (3) Ineligible for FIP for a three-month period after the first report by the department of inspections and appeals which includes a finding of misuse;
- (4) Ineligible for FIP for a six-month period after each subsequent report by the department of inspections and appeals which includes a finding of misuse.

d. When parents from a two-parent family separate during an ineligibility period, if:

- (1) The department of inspections and appeals investigation identifies the recipient who used the electronic access card at a prohibited location, the ineligibility period will follow that recipient.
- (2) The department of inspections and appeals investigation does not identify the recipient who used the electronic access card at a prohibited location, the ineligibility period will follow the recipient who is the case name when the violation occurred.

e. A new period of ineligibility shall be established when:

- (1) A recipient files an appeal either:
 1. Before the effective date of the intended action on the notice of decision or notice of action establishing the beginning date of the ineligibility period, or
 2. Within ten days from the date on which a notice establishing the beginning date of the ineligibility period is received. The date on which notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period;
- (2) Assistance is continued pending the final decision of the appeal; and
- (3) The department's action is affirmed.

Assistance issued pending the final decision of an appeal is not subject to recovery pursuant to 441—subrule 7.9(6).

This rule is intended to implement Iowa Code chapter 239B.
[ARC 1207C, IAB 12/11/13, effective 2/1/14; ARC 1478C, IAB 6/11/14, effective 8/1/14; ARC 1694C, IAB 10/29/14, effective 1/1/15; ARC 2812C, IAB 11/9/16, effective 1/1/17]

441—41.26(239B) Resources.

41.26(1) Limitation. An applicant or recipient may have the following resources and be eligible for the family investment program. Any resource not specifically exempted shall be counted toward resource limitations.

a. A homestead without regard to its value. A mobile home or similar shelter shall be considered as a homestead when it is occupied by the recipient. Temporary absence from the homestead with a defined purpose for the absence and with intent to return when the purpose of the absence has been accomplished shall not be considered to have altered the exempt status of the homestead. Except as described at 41.26(1)“*n*” or “*o*” and 41.26(6)“*d*,” the net market value of any other real property shall be considered with personal property.

b. Household goods and personal effects without regard to their value. Personal effects are personal or intimate tangible belongings of an individual, especially those that are worn or carried on the person, which are maintained in one’s home, and include clothing, books, grooming aids, jewelry, hobby equipment, and similar items.

c. Life insurance which has no cash surrender value. The owner of the life insurance policy is the individual paying the premium on the policy with the right to change the policy as the individual sees fit.

d. Motor vehicles.

(1) One motor vehicle without regard to its value.

(2) An equity not to exceed a value of \$4115 in one motor vehicle for each adult and working teenage child whose resources must be considered as described in 41.26(2). The disregard shall be allowed when the working teenager is temporarily absent from work. The equity value in excess of \$4115 of any vehicle shall be counted toward the resource limit in 41.26(1)“*e*.” When a motor vehicle is modified with special equipment for the handicapped, the special equipment shall not increase the value of the motor vehicle.

The department shall annually increase the motor vehicle equity value to be disregarded by the latest increase in the consumer price index for used vehicles during the previous state fiscal year.

e. A reserve of other property, real or personal, not to exceed \$2000 for applicant assistance units and \$5000 for recipient assistance units. EXCEPTION: Applicant assistance units with at least one member who was a recipient in Iowa in the month prior to the month of application are subject to the \$5000 limit. The exception includes those persons who did not receive an assistance grant due to the limitations described at rules 441—45.26(239B) and 45.27(239B) and persons whose grants were suspended as in 41.27(9)“*f*” in the month prior to the month of application.

Resources of the applicant or the recipient shall be determined in accordance with subrule 41.26(2).

f. Money which is counted as income in a month, during that same month; and that part of lump sum income defined in 41.27(9)“*c*”(2)reserved for the current or future month’s income.

g. Payments which are exempted for consideration as income and resources under subrule 41.27(6).

h. An equity not to exceed \$1,500 in one funeral contract or burial trust for each member of the eligible group. Any amount in excess of \$1,500 shall be counted toward resource limitations unless it is established that the funeral contract or burial trust is irrevocable.

i. One burial plot for each member of the eligible group. A burial plot is defined as a conventional gravesite, crypt, mausoleum, urn, or other repository which is customarily and traditionally used for the remains of a deceased person.

j. Settlements for payment of medical expenses.

k. Life estates.

l. Federal or state earned income tax credit payments in the month of receipt and the following month, regardless of whether these payments are received with the regular paychecks or as a lump sum with the federal or state income tax refund.

m. The balance in an individual development account (IDA), including interest earned on the IDA.

n. An equity not to exceed \$10,000 for tools of the trade or capital assets of self-employed households.

When the value of any resource is exempted in part, that portion of the value which exceeds the exemption shall be considered in computing whether the eligible group's property is within the reserve defined in paragraph "e."

o. Nonhomestead property that produces income consistent with the property's fair market value.

41.26(2) *Persons considered.*

a. Resources of persons in the eligible group shall be considered in establishing property limitations.

b. Resources of the parent who is living in the home with the eligible child(ren) but whose needs are excluded from the eligible group shall be considered in the same manner as if the parent were included in the eligible group.

c. Resources of the stepparent living in the home shall not be considered when determining eligibility of the eligible group, with one exception: The resources of a stepparent included in the eligible group shall be considered in the same manner as a parent.

d. The resources of supplemental security income recipients shall not be counted in establishing property limitations.

e. The resources of a nonparental relative who elects to be included in the eligible group shall be considered in the same manner as a parent.

f. and *g.* Rescinded IAB 10/4/00, effective 12/1/00.

41.26(3) *Homestead defined.* The homestead consists of the house, used as a home, and may contain one or more contiguous lots or tracts of land, including buildings and appurtenances. When within a city plat, it shall not exceed ½-acre in area. When outside a city plat it shall not contain, in the aggregate, more than 40 acres. When property used as a home exceeds these limitations, the equity value of the excess property shall be determined in accordance with subrule 41.26(5).

41.26(4) *Liquidation.* When proceeds from the sale of resources or conversion of a resource to cash, together with other nonexempted resources, exceed the property limitations, the recipient is ineligible to receive assistance until the amount in excess of the resource limitation has been expended unless immediately used to purchase a homestead, or reduce the mortgage on a homestead.

a. Property settlements. Property settlements which are part of a legal action in a dissolution of marriage or palimony suit are considered as resources upon receipt.

b. Property sold under installment contract. Property sold under an installment contract or held as security in exchange for a price consistent with its fair market value is exempt as a resource. If the price is not consistent with the contract's fair market value, the resource value of the installment contract is the gross price for which it can be sold or discounted on the open market, less any legal debts, claims, or liens against the installment contract.

Payments from property sold under an installment contract are exempt as income as specified in paragraphs 41.27(1) "f" and 41.27(7) "ah." The portion of any payment received representing principal is considered a resource upon receipt. The interest portion of the payment is considered a resource the month following the month of receipt.

41.26(5) *Net market value defined.* Net market value is the gross price for which property or an item can currently be sold on the open market, less any legal debts, claims, or liens against the property or item.

41.26(6) *Availability.*

a. A resource must be available in order for it to be counted toward resource limitations. A resource is considered available under the following circumstances:

(1) The applicant/recipient owns the property in part or in full and has control over it; that is, it can be occupied, rented, leased, sold, or otherwise used or disposed of at the individual's discretion.

(2) The applicant/recipient has a legal interest in a liquidated sum and has the legal ability to make the sum available for support and maintenance.

b. Rescinded IAB 6/30/99, effective 9/1/99.

c. When property is owned by more than one person, unless otherwise established, it is assumed that all individuals hold equal shares in the property.

d. When the applicant or recipient owns nonhomestead property, the property shall be considered exempt for so long as the property is publicly advertised for sale at an asking price that is consistent with its fair market value.

41.26(7) *Damage judgments and insurance settlements.*

a. Payment resulting from damage to or destruction of an exempt resource shall be considered a resource to the applicant/recipient the month following the month the payment was received. When the applicant/recipient signs a legal binding commitment no later than the month after the month the payment was received, the funds shall be considered exempt for the duration of the commitment providing the terms of the commitment are met within eight months from the date of commitment.

b. Payment resulting from damage to or destruction of a nonexempt resource shall be considered a resource in the month following the month in which payment was received.

41.26(8) *Trusts.* The department shall determine whether assets from a trust or conservatorship, except one established solely for the payment of medical expenses, are available by examining the language of the trust agreement or order establishing a conservatorship.

a. Funds clearly conserved and available for care, support, or maintenance shall be considered toward resource or income limitations.

b. When the department questions whether the funds in a trust or conservatorship are available, the trust or conservatorship shall be referred to the central office.

(1) When assets in the trust or conservatorship are not clearly available, central office staff may contact the trustee or conservator and request that the funds in the trust or conservatorship be made available for current support and maintenance. When the trustee or conservator chooses not to make the funds available, the department may petition the court to have the funds released either partially or in their entirety or as periodic income payments.

(2) Funds in a trust or conservatorship that are not clearly available shall be considered unavailable until the trustee, conservator or court actually makes the funds available. Payments received from the trust or conservatorship for basic or special needs are considered income.

41.26(9) *Aliens sponsored by individuals.* When an alien admitted for lawful permanent residence is sponsored by a person who executed an enforceable affidavit of support as described in 8 U.S.C. Section 1631(a)(1) on behalf of the alien, the resources of the alien shall be deemed to include the resources of the sponsor (and of the sponsor's spouse if living with the sponsor). The amount of the resources of the sponsor and the sponsor's spouse deemed to the alien shall be the total countable resources as described in rule 441—41.26(239B) remaining after a \$1,500 deduction is subtracted. The following are exceptions to deeming of a sponsor's resources:

a. Deeming of the sponsor's resources does not apply when:

(1) The sponsored alien attains citizenship through naturalization pursuant to Chapter 2 of Title III of the Immigration and Nationality Act;

(2) The sponsored alien has earned 40 qualifying quarters of coverage as defined in Title II of the Social Security Act or can be credited with 40 qualifying quarters as defined at rule 441—40.21(239B);
or

(3) The sponsored alien or the sponsor dies.

b. An indigent alien is exempt from the deeming of a sponsor's resources for 12 months after indigence is determined. An alien shall be considered indigent if:

(1) The alien does not live with the sponsor; and

(2) The alien's gross income, including any income received from or made available by the sponsor, is less than 100 percent of the federal poverty level for the sponsored alien's household size.

c. A battered alien as described in 8 U.S.C. Section 1641(c) is exempt from the deeming of a sponsor's resources for 12 months.

41.26(10) *Not considered a resource.* Inventories and supplies, exclusive of capital assets, that are required for self-employment shall not be considered a resource. Inventory is defined as all unsold items, whether raised or purchased, that are held for sale or use and shall include, but not be limited to, merchandise, grain held in storage and livestock raised for sale. Supplies are items necessary for the operation of the enterprise, such as lumber, paint and seed. Capital assets are those assets which, if sold at a later date, could be used to claim capital gains or losses for federal income tax purposes. When self-employment is temporarily interrupted due to circumstances beyond the control of the household, such as illness, and inventory or supplies retained by the household shall not be considered a resource.

This rule is intended to implement Iowa Code section 239B.5.
[ARC 9439B, IAB 4/6/11, effective 6/1/11]

441—41.27(239B) Income. All unearned and earned income, unless specifically exempted, disregarded, deducted for work expenses, or diverted as defined in these rules, shall be considered in determining initial and continuing eligibility and the amount of the family investment program grant.

1. The determination of initial eligibility is a three-step process. Initial eligibility shall be granted only when (1) the countable gross nonexempt unearned and earned income, exclusive of the family investment program grant, received by the eligible group and available to meet the current month's needs is no more than 185 percent of the standard of need for the eligible group; (2) the countable net unearned and earned income is less than the standard of need for the eligible group; and (3) the countable net unearned and earned income, after applying allowable disregards, is less than the payment standard for the eligible group.

2. The determination of continuing eligibility is a two-step process. Continuing eligibility shall be granted only when (1) countable gross nonexempt income, as described for initial eligibility, does not exceed 185 percent of the standard of need for the eligible group; and (2) countable net unearned and earned income is less than the payment standard for the eligible group.

3. The amount of the family investment program grant shall be determined by subtracting countable net income from the payment standard for the eligible group. Child support assigned to the department in accordance with subrule 41.22(7) and retained by the department as described in subparagraph 41.27(1)“h”(2) shall be considered as exempt income for the purpose of determining continuing eligibility, including child support as specified in paragraph 41.27(7)“q.” Deductions and diversions shall be allowed when verification is provided.

41.27(1) *Unearned income.* Unearned income is any income in cash that is not gained by labor or service. When taxes are withheld from unearned income, the amount considered will be the net income after the withholding of taxes (Federal Insurance Contribution Act, state and federal income taxes). Net unearned income shall be determined by deducting reasonable income-producing costs from the gross unearned income. Money left after this deduction shall be considered gross income available to meet the needs of the eligible group.

a. Social security income is the amount of the entitlement before withholding of a Medicare premium.

b. Rescinded, effective December 1, 1986.

c. Rescinded, effective September 1, 1980.

d. Rescinded IAB 2/11/98, effective 2/1/98.

e. Rescinded IAB 2/11/98, effective 2/1/98.

f. When the applicant or recipient sells property on contract, proceeds from the sale shall be considered exempt as income. The portion of any payment that represents principal is considered a resource upon receipt as defined in 41.26(4). The interest portion of the payment is considered a resource the month following the month of receipt.

g. Every person in the eligible group and any parent living in the home of a child in the eligible group shall take all steps necessary to apply for and, if entitled, accept any financial benefit for which that person may be qualified, even though the benefit may be reduced because of the laws governing a particular benefit. When the person claims a physical or mental disability that is expected to last continuously for 12 months from the time of the claim or to result in death and the person is unable

to engage in substantial activity due to the disability, or the person otherwise appears eligible, as the person is aged 65 or older or is blind, the person shall apply for social security benefits and supplemental security income benefits.

(1) Except as described in subparagraph (2), the needs of any person who refuses to take all steps necessary to apply for and, if eligible, to accept other financial benefits shall be removed from the eligible group. The person remains eligible for the work incentive disregard described in paragraph 41.27(2) "c."

(2) The entire assistance unit is ineligible for FIP when a person refuses to apply for or, if entitled, to accept social security or supplemental security income. For applicants, this subparagraph applies to those who apply on or after July 1, 2002. For FIP recipients, this subparagraph applies at the time of the next six-month or annual review as described at 441—subrule 40.27(1) or when the recipient reports a change that may qualify a person in the eligible group or a parent living in the home for these benefits, whichever occurs earlier.

h. Support payments in cash shall be considered as unearned income in determining initial and continuing eligibility.

(1) Any nonexempt cash support payment for a member of the eligible group, made while the application is pending, shall be treated as unearned income and deducted from the initial assistance grant(s). Any cash support payment for a member of the eligible group, except as described at 41.27(7) "p" and "q," received by the recipient after the date of decision as defined in 441—subrule 40.24(4) shall be refunded to the child support recovery unit.

(2) Assigned support collected in a month and retained by child support recovery shall be exempt as income for determining prospective or retrospective eligibility. Participants shall have the option of withdrawing from FIP at any time and receiving their child support direct.

(3) and (4) Rescinded IAB 12/3/97, effective 2/1/98.

i. The applicant or recipient shall cooperate in supplying verification of all unearned income, as defined at rule 441—40.21(239B). When the information is available, the department shall verify job insurance benefits by using information supplied to the department by the department of workforce development. When the department uses this information as verification, job insurance benefits shall be considered received the second day after the date that the check was mailed by workforce development. When the second day falls on a Sunday or federal legal holiday, the time shall be extended to the next mail delivery day. When the client notifies the department that the amount of job insurance benefits used is incorrect, the client shall be allowed to verify the discrepancy. A payment adjustment shall be made when indicated. Recoupment shall be made for any overpayment. The client must report the discrepancy prior to the payment month or within ten days of the date on the Notice of Decision, Form 470-0485(C) or 470-0486(M), applicable to the payment month, whichever is later, in order to receive a payment adjustment.

41.27(2) Earned income. Earned income is defined as income in the form of a salary, wages, tips, bonuses, commissions earned as an employee, income from Job Corps, or profit from self-employment. Earned income from commissions, wages, tips, bonuses, Job Corps, or salary means the total gross amount irrespective of the expenses of employment. Income shall be considered earned income when it is produced as a result of the performance of services by an individual.

a. **Earned income deduction.** Each person in the assistance unit whose gross nonexempt earned income, earned as an employee or net profit from self-employment, is considered in determining eligibility and the amount of the assistance grant is entitled to one 20 percent earned income deduction of nonexempt monthly gross earnings. The deduction is intended to include all work-related expenses other than child care. These expenses shall include, but not be limited to, all of the following: taxes, transportation, meals, uniforms, and other work-related expenses.

b. Rescinded IAB 12/29/99, effective 3/1/00.

c. **Work incentive disregard.** After deducting the allowable work-related expenses as defined in paragraph 41.27(2) "a" and income diversions as defined in subrules 41.27(4) and 41.27(8), the department shall disregard 58 percent of the total of the remaining monthly nonexempt earned income, earned as an employee or the net profit from self-employment, of each person whose income must be considered in determining eligibility and the amount of the assistance grant.

- (1) The work incentive disregard is not time-limited.
- (2) Initial eligibility is determined without the application of the work incentive disregard as described at subparagraphs 41.27(9)“a”(2) and (3).

d. Self-employment. A person is considered self-employed when the person:

- (1) Is not required to report to the office regularly except for specific purposes such as sales training meetings, administrative meetings, or evaluation sessions.
- (2) Establishes the person’s own working hours, territory, and methods of work.
- (3) Files quarterly reports of earnings, withholding payments, and FICA payments to the Internal Revenue Service.

e. Self-employment income. Earned income from self-employment as defined in paragraph 41.27(2)“d” means the net profit from self-employment. “Net profit” means gross self-employment income less:

- (1) Forty percent of the gross income to cover the costs of producing the income, or
- (2) At the request of the applicant or recipient, actual expenses determined in the manner specified in paragraph 41.27(2)“f.”

f. Deduction of self-employment expenses. When the applicant or recipient requests that actual expenses be deducted, the net profit from self-employment income shall be determined by deducting only the following expenses that are directly related to the production of the income:

- (1) The cost of inventories and supplies purchased that are required for the business, such as items for sale or consumption and raw materials.
- (2) Wages, commissions, and mandated costs relating to the wages for employees of the self-employed.
- (3) The cost of shelter in the form of rent; the interest on mortgage or contract payments; taxes; and utilities.
- (4) The cost of machinery and equipment in the form of rent or the interest on mortgage or contract payments.
- (5) Insurance on the real or personal property involved.
- (6) The cost of any repairs needed.
- (7) The cost of any travel required.
- (8) Any other expense directly related to the production of income, except the purchase of capital equipment and payment on the principal of loans for capital assets and durable goods or any cost of depreciation.

g. Child care income. Gross income from providing child care in the applicant’s or recipient’s own home shall include the total payment(s) received for the service and any payment received due to the Child Nutrition Amendments of 1978 for the cost of providing meals to children.

h. Income verification. The applicant or recipient shall cooperate in supplying verification of all earned income and of any change in income, as defined at rule 441—40.21(239B). A self-employed individual shall keep any records necessary to establish eligibility.

41.27(3) Shared living arrangements. When a family investment program parent shares living arrangements with another family or person, funds combined to meet mutual obligations for shelter and other basic needs are not income. Funds made available to the family investment program eligible group, exclusively for their needs, are considered income.

41.27(4) Diversion of income.

a. Nonexempt earned and unearned income of the parent shall be diverted to meet the unmet needs, including special needs, of the ineligible child(ren) of the parent living in the family group who meets the age and school attendance requirements specified in subrule 41.21(1). Income of the parent shall be diverted to meet the unmet needs of the ineligible child(ren) of the parent and a companion in the home only when the income and resources of the companion and the child(ren) are within family investment program standards. The maximum income that shall be diverted to meet the needs of the ineligible child(ren) shall be the difference between the needs of the eligible group if the ineligible child(ren) were included and the needs of the eligible group with the child(ren) excluded, except as specified in 41.27(8)“a”(2) and 41.27(8)“b.”

b. Nonexempt earned and unearned income of the parent shall be diverted to permit payment of court-ordered support to children not living with the parent when the payment is actually being made.

41.27(5) *Income of unmarried specified relatives under age 19.* Treatment of the income of an unmarried specified relative under the age of 19 is determined by whether the specified relative lives with a parent who receives FIP assistance, lives with a nonparental relative, lives in an independent living arrangement, or lives with a self-supporting parent, as follows.

a. Living with a parent on FIP, with a nonparental relative, or in an independent living arrangement.

(1) The income of the unmarried, underage specified relative who is also an eligible child in the grant of the specified relative's parent shall be treated in the same manner as that of any other child. The income for the unmarried, underage specified relative who is not an eligible child in the grant of the specified relative's parent shall be treated in the same manner as though the specified relative had attained majority.

(2) The income of the unmarried, underage specified relative living with a nonparental relative or in an independent living arrangement shall be treated in the same manner as though the specified relative had attained majority.

b. Living with a self-supporting parent. The income of an unmarried specified relative under the age of 19 who is living in the same home as one or both of the person's self-supporting parents shall be treated in accordance with subparagraphs (1), (2), and (4) below.

(1) When the unmarried specified relative is under the age of 18 and not a parent of the dependent child, the income of the specified relative shall be exempt.

(2) When the unmarried specified relative is under the age of 18 and a parent of the dependent child, the income of the specified relative shall be treated in the same manner as though the specified relative had attained majority. The income of the specified relative's self-supporting parent(s) shall be treated in accordance with 41.27(8) "c."

(3) Rescinded IAB 4/3/91, effective 3/14/91.

(4) When the unmarried specified relative is age 18, the income of the specified relative shall be treated in the same manner as though the specified relative had attained majority.

41.27(6) *Exempt as income and resources.* The following shall be exempt as income and resources:

a. Food reserves from home-produced garden products, orchards, domestic animals, and the like, when utilized by the household for its own consumption.

b. The value of the food assistance program benefit.

c. The value of the United States Department of Agriculture donated foods (surplus commodities).

d. The value of supplemental food assistance received under the Child Nutrition Act and the special food service program for children under the National School Lunch Act.

e. Any benefits received under Title III-C, Nutrition Program for the Elderly, of the Older Americans Act.

f. Benefits paid to eligible households under the Low Income Home Energy Assistance Act of 1981.

g. Any payment received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the Federal-Aid Highway Act of 1968.

h. Any judgment funds that have been or will be distributed per capita or held in trust for members of any Indian tribe. When the payment, in all or part, is converted to another type of resource, that resource is also exempt.

i. Payments to volunteers participating in the Volunteers in Service to America (VISTA) program, except that this exemption will not be applied when the director of ACTION determines that the value of all VISTA payments, adjusted to reflect the number of hours the volunteers are serving, is equivalent to or greater than the minimum wage then in effect under the Fair Labor Standards Act of 1938, or the minimum wage under the laws of the state where the volunteers are serving, whichever is greater.

j. Payments for supporting services or reimbursement of out-of-pocket expenses received by volunteers in any of the programs established under Titles II and III of the Domestic Volunteer Services Act.

- k.* Tax-exempt portions of payments made pursuant to the Alaskan Native Claims Settlement Act.
- l.* Experimental housing allowance program payments made under annual contribution contracts entered into prior to January 1, 1975, under Section 23 of the U.S. Housing Act of 1936 as amended.
- m.* The income of a supplemental security income recipient.
- n.* Income of an ineligible child.
- o.* Income in-kind.
- p.* Family support subsidy program payments.
- q.* Grants obtained and used under conditions that preclude their use for current living costs.
- r.* All earned and unearned educational funds of an undergraduate or graduate student or a person in training. Any extended social security or veterans benefits received by a parent or nonparental relative as defined at subrule 41.22(3), conditional to school attendance, shall be exempt. However, any additional amount received for the person's dependents who are in the eligible group shall be counted as nonexempt income.
 - s.* Rescinded IAB 2/11/98, effective 2/1/98.
 - t.* Any income restricted by law or regulation which is paid to a representative payee, living outside the home, other than a parent who is the applicant or recipient, unless the income is actually made available to the applicant or recipient by the representative payee.
 - u.* The first \$50 received and retained by an applicant or recipient which represents a current monthly support obligation or a voluntary support payment, paid by a legally responsible individual, but in no case shall the total amount exempted exceed \$50 per month per eligible group.
 - v.* Bona fide loans. Evidence of a bona fide loan may include any of the following:
 - (1) The loan is obtained from an institution or person engaged in the business of making loans.
 - (2) There is a written agreement to repay the money within a specified time.
 - (3) If the loan is obtained from a person not normally engaged in the business of making a loan, there is a borrower's acknowledgment of obligation to repay (with or without interest), or the borrower expresses intent to repay the loan when funds become available in the future, or there is a timetable and plan for repayment.
 - w.* Payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In re Agent Orange product liability litigation, M.D.L. No. 381 (E.D.N.Y.).
 - x.* The income of a person ineligible due to receipt of state-funded foster care, IV-E foster care, or subsidized adoption assistance.
 - y.* Payments for major disaster and emergency assistance provided under the Disaster Relief Act of 1974 as amended by Public Law 100-707, the Disaster Relief and Emergency Assistance Amendments of 1988.
 - z.* Payments made to certain United States citizens of Japanese ancestry and resident Japanese aliens under Section 105 of Public Law 100-383, and payments made to certain eligible Aleuts under Section 206 of Public Law 100-383, entitled "Wartime Relocation of Civilians."
 - aa.* Payments received from the Radiation Exposure Compensation Act.
 - ab.* Deposits into an individual development account (IDA) when determining eligibility and benefit amount. The amount of the deposit is exempt as income and shall not be used in the 185 percent eligibility test. The deposit shall be deducted from nonexempt earned and unearned income that the client receives in the same budget month in which the deposit is made. To allow a deduction, verification of the deposit shall be provided by the end of the report month or the extended filing date, whichever is later. The client shall be allowed a deduction only when the deposit is made from the client's money. The earned income deductions in 41.27(2) "a" and "c" shall be applied to nonexempt earnings from employment or net profit from self-employment that remain after deducting the amount deposited into the account. Allowable deductions shall be applied to any nonexempt unearned income that remains after deducting the amount of the deposit. If the client has both nonexempt earned and unearned income, the amount deposited into the IDA account shall first be deducted from the client's nonexempt unearned income. Deposits shall not be deducted from earned or unearned income that is exempt.

ac. Assigned support collected in a month and retained by child support recovery as described in subparagraph 41.27(1)“h”(2).

41.27(7) Exempt as income. The following are exempt as income.

- a.* Reimbursements from a third party.
- b.* Reimbursement from the employer for job-related expenses.
- c.* The following nonrecurring lump sum payments:
 - (1) Income tax refund.
 - (2) Retroactive supplemental security income benefits.
 - (3) Settlements for the payment of medical expenses.
 - (4) Refunds of security deposits on rental property or utilities.
 - (5) That part of a lump sum received and expended for funeral and burial expenses.
 - (6) That part of a lump sum both received and expended for the repair or replacement of resources.
- d.* Payments received by the family providing foster care to a child or children when the family is operating a licensed foster home.
- e.* Rescinded IAB 5/1/91, effective 7/1/91.
- f.* A small monetary nonrecurring gift, such as a Christmas, birthday or graduation gift, not to exceed \$30 per person per calendar quarter.

When a monetary gift from any one source is in excess of \$30, the total gift is countable as unearned income. When monetary gifts from several sources are each \$30 or less, and the total of all gifts exceeds \$30, only the amount in excess of \$30 is countable as unearned income.

- g.* Federal or state earned income tax credit.
- h.* Supplementation from county funds providing:
 - (1) The assistance does not duplicate any of the basic needs as recognized by the family investment program, or
 - (2) The assistance, if a duplication of any of the basic needs, is made on an emergency basis, not as ongoing supplementation.
- i.* Any payment received as a result of an urban renewal or low-cost housing project from any governmental agency.
- j.* A retroactive corrective payment.
- k.* The training allowance issued by the division of vocational rehabilitation, department of education.
- l.* Payments from the PROMISE JOBS program.
- m.* Rescinded, effective July 1, 1989.
- n.* The training allowance issued by the department for the blind.
- o.* Payment(s) from a passenger(s) in a car pool.
- p.* Support refunded by the child support recovery unit for the first month of termination of eligibility and the family does not receive the family investment program.
- q.* Rescinded IAB 11/8/06, effective 1/1/07.
- r.* Rescinded IAB 11/8/06, effective 1/1/07.
- s.* Income of a nonparental relative as defined in 41.22(3) except when the relative is included in the eligible group.
- t.* Rescinded IAB 11/8/06, effective 1/1/07.
- u.* Rescinded IAB 9/11/96, effective 11/1/96.
- v.* Compensation in lieu of wages received by a child funded through an employment and training program of the U.S. Department of Labor.
- w.* Any amount for training expenses included in a payment funded through an employment and training program of the U.S. Department of Labor.
- x.* Rescinded, effective July 1, 1986.
- y.* Earnings of an applicant or recipient aged 19 or younger who is a full-time student as defined in 41.24(2)“e.” The exemption applies through the entire month of the person’s twentieth birthday.

EXCEPTION: When the twentieth birthday falls on the first day of the month, the exemption stops on the first day of that month.

z. Income attributed to an unmarried, underage parent in accordance with 41.27(8) "c" effective the first day of the month following the month in which the unmarried, underage parent turns age 18 or reaches majority through marriage. When the unmarried, underage parent turns age 18 on the first day of a month, the income of the self-supporting parent(s) becomes exempt as of the first day of that month.

aa. Rescinded IAB 12/3/97, effective 2/1/98.

ab. Incentive payments received from participation in the adolescent pregnancy prevention programs.

ac. Payments received from the comprehensive child development program, funded by the Administration for Children, Youth, and Families, provided the payments are considered complimentary assistance by federal regulation.

ad. Incentive allowance payments received from the work force investment project, provided the payments are considered complimentary assistance by federal regulation.

ae. Interest and dividend income.

af. Rescinded IAB 12/3/97, effective 2/1/98.

ag. Rescinded IAB 11/8/06, effective 1/1/07.

ah. Welfare reform and regular household honorarium income. All moneys paid to a FIP household in connection with the welfare reform demonstration longitudinal study or focus groups shall be exempted.

ai. Diversion or self-sufficiency grants assistance as described at 441—Chapter 47.

aj. Payments from property sold under an installment contract as specified in paragraphs 41.26(4) "b" and 41.27(1) "f."

ak. All census earnings received by temporary workers from the Bureau of the Census.

41.27(8) Treatment of income in excluded parent cases, stepparent cases, and underage parent cases.

a. *Treatment of income in excluded parent cases.*

(1) A parent who is living in the home with the eligible child(ren) but whose needs are excluded from the eligible group is eligible for the earned income deduction described at paragraph 41.27(2) "a," the work incentive disregard described at paragraph 41.27(2) "c," and diversions described at subrule 41.27(4).

(2) The excluded parent shall be permitted to retain that part of the parent's income to meet the parent's needs as determined by the difference between the needs of the eligible group with the parent included and the needs of the eligible group with the parent excluded except as described at subrule 41.27(11).

(3) All remaining income of the excluded parent shall be applied against the needs of the eligible group.

b. *Treatment of income in stepparent cases.* The income of a stepparent who is not included in the eligible group, but is living with the parent in the home of the eligible child(ren), shall be given the same consideration and treatment as that of a parent subject to the limitations of subparagraphs (1) to (10) below.

(1) The stepparent's monthly gross nonexempt earned income, earned as an employee or monthly net profit from self-employment, shall receive a 20 percent earned income deduction.

(2) Rescinded IAB 6/30/99, effective 7/1/99.

(3) Any amounts actually paid by the stepparent to individuals not living in the home, who are claimed or could be claimed by the stepparent as dependents for federal income tax purposes, shall be deducted from nonexempt monthly earned and unearned income of the stepparent.

(4) The stepparent shall also be allowed a deduction from nonexempt monthly earned and unearned income for alimony and child support payments made to individuals not living in the home with the stepparent.

(5) Except as described at 41.27(11), the nonexempt monthly earned and unearned income of the stepparent remaining after application of the deductions in 41.27(8) "b"(1) to (4) above shall be used to meet the needs of the stepparent and the stepparent's dependents living in the home, when the dependents' needs are not included in the eligible group and the stepparent claims or could claim the dependents for

federal income tax purposes. These needs shall be determined in accordance with the family investment program standard of need for a family group of the same composition.

(6) The stepparent shall be allowed the work incentive disregard described at paragraph 41.27(2) "c" from monthly earnings. The disregard shall be applied to earnings that remain after all other deductions in subparagraphs 41.27(8) "b"(1) through (5) have been subtracted from the earnings. However, the work incentive disregard is not allowed when determining initial eligibility as described at subparagraphs 41.27(9) "a"(2) and (3).

(7) The deductions described in subparagraphs (1) through (6) will first be subtracted from earned income in the same order as they appear above.

When the stepparent has both nonexempt earned and unearned income and earnings are less than the allowable deductions, then any remaining portion of the deductions in subparagraphs (3) through (5) shall be subtracted from unearned income. Any remaining income shall be applied as unearned income to the needs of the eligible group.

If the stepparent has earned income remaining after allowable deductions, then any nonexempt unearned income shall be added to the earnings and the resulting total counted as unearned income to the needs of the eligible group.

(8) A nonexempt nonrecurring lump sum received by a stepparent shall be considered as income in the month received. Any portion of the nonrecurring lump sum retained by the stepparent in the month following the month of receipt shall be considered a resource to the stepparent.

(9) When the income of the stepparent, not in the eligible group, is insufficient to meet the needs of the stepparent and the stepparent's dependents living in the home who are not eligible for FIP, the income of the parent may be diverted to meet the unmet needs of the child(ren) of the current marriage except as described at 41.27(11).

(10) When the needs of the stepparent, living in the home, are not included in the eligible group, the eligible group and any child(ren) of the parent living in the home who is not eligible for FIP shall be considered as one unit, and the stepparent and the stepparent's dependents, other than the spouse, shall be considered a separate unit.

(11) Rescinded IAB 6/30/99, effective 9/1/99.

c. Treatment of income in underage parent cases. In the case of a dependent child whose unmarried parent is under the age of 18 and living in the same home as the unmarried, underage parent's own self-supporting parent(s), the income of each self-supporting parent shall be considered available to the eligible group after appropriate deductions. The deductions to be applied are the same as are applied to the income of a stepparent pursuant to 41.27(8) "b"(1) to (7). Nonrecurring lump sum income received by the self-supporting parent(s) shall be treated in accordance with 41.27(8) "b"(8).

When the self-supporting spouse of a self-supporting parent is also living in the home, the income of that spouse shall be attributable to the self-supporting parent in the same manner as the income of a stepparent is determined pursuant to 41.27(8) "b"(1) to (7). Nonrecurring lump sum income received by the spouse of the self-supporting parent shall be treated in accordance with 41.27(8) "b"(8). The self-supporting parent and any ineligible dependents of that person shall be considered as one unit; the self-supporting spouse and the spouse's ineligible dependents, other than the self-supporting parent, shall be considered a separate unit.

41.27(9) Budgeting process. Both initial and ongoing eligibility and benefits shall be determined using a projection of income based on the best estimate of future income.

a. Initial eligibility.

(1) At time of application, all earned and unearned income received and anticipated to be received by the eligible group during the month the decision is made shall be considered to determine eligibility for the family investment program, except income which is exempt. All countable earned and unearned income received by the eligible group during the 30 days before the interview shall be used to project future income. If the applicant indicates that the 30-day period is not indicative of future income, income from a longer period or verification of anticipated income from the income source may be used to project future income.

When income is prorated in accordance with 41.27(9)“c”(1) and 41.27(9)“i,” the prorated amount is counted as income received in the month of decision. Allowable work expenses during the month of decision shall be deducted from earned income, except when determining eligibility under the 185 percent test defined in rule 441—41.27(239B). The determination of eligibility in the month of decision is a three-step process as described in rule 441—41.27(239B).

(2) When countable gross nonexempt earned and unearned income in the month of decision, or in any other month after assistance is approved, exceeds 185 percent of the standard of need for the eligible group, the application shall be rejected or the assistance grant canceled. Countable gross income means nonexempt gross income, as defined in rule 441—41.27(239B), without application of any disregards, deductions, or diversions. When the countable gross nonexempt earned and unearned income in the month of decision equals or is less than 185 percent of the standard of need for the eligible group, initial eligibility under the standard of need shall then be determined. Initial eligibility under the standard of need is determined without application of the work incentive disregard as specified in paragraph 41.27(2)“c.” All other appropriate exemptions, deductions and diversions are applied. Countable income is then compared to the standard of need for the eligible group. When countable net earned and unearned income in the month of decision equals or exceeds the standard of need for the eligible group, the application shall be denied.

(3) When the countable net income in the month of decision is less than the standard of need for the eligible group, the work incentive disregard described in paragraph 41.27(2)“c” shall be applied when there is eligibility for this disregard. When countable net earned and unearned income in the month of decision, after application of the work incentive disregard and all other appropriate exemptions, deductions, and diversions, equals or exceeds the payment standard for the eligible group, the application shall be denied.

When the countable net income in the month of decision is less than the payment standard for the eligible group, the eligible group meets income requirements. The amount of the family investment program grant shall be determined by subtracting countable net income in the month of decision from the payment standard for the eligible group, except as specified in subparagraph 41.27(9)“a”(4).

(4) Eligibility for the family investment program for any month or partial month before the month of decision shall be determined only when there is eligibility in the month of decision. The family composition for any month or partial month before the month of decision shall be considered the same as on the date of decision. In determining eligibility and the amount of the assistance payment for any month or partial month preceding the month of decision, income and all circumstances except family composition in that month shall be considered in the same manner as in the month of decision. When the applicant is eligible for some, but not all, months of the application period due to the time limit described at subrule 41.30(1), family investment program eligibility shall be determined for the month of decision first, then the immediately preceding month, and so on until the time limit has been reached.

(5) Rescinded IAB 11/8/06, effective 1/1/07.

(6) Rescinded IAB 11/8/06, effective 1/1/07.

(7) Rescinded IAB 7/4/07, effective 8/1/07.

b. Ongoing eligibility.

(1) The department shall prospectively compute eligibility and benefits when review information is submitted as described in 441—subrule 40.27(3). All countable earned and unearned income received by the eligible group during the previous 30 days shall be used to project future income. If the participant indicates that the 30-day period is not indicative of future income, income from a longer period or verification of anticipated income from the income source may be used to project future income.

(2) When a change in eligibility factors occurs, the department shall prospectively compute eligibility and benefits based on the change, effective no later than the month following the month the change occurred.

(3) Rescinded IAB 11/8/06, effective 1/1/07.

(4) The earned income deduction for each wage earner as defined in paragraph 41.27(2)“a” and the work incentive disregard as defined in paragraph 41.27(2)“c” shall be allowed.

c. Lump-sum income.

(1) Recurring lump-sum income. Recurring lump-sum earned and unearned income, except for the income of the self-employed, shall be considered as income in the month received. Income received by an individual employed under a contract shall be prorated over the period of the contract. Income received at periodic intervals or intermittently shall be considered as income in the month received, except periodic or intermittent income from self-employment shall be treated as described in 41.27(9)“i.” When the income that is subject to proration is earned, appropriate disregards, deductions and diversions shall be applied to the monthly prorated income. Income that is subject to proration is prorated when a lump sum is received before the month of decision and is anticipated to recur; or a lump sum is received during the month of decision or at any time during the receipt of assistance.

(2) Nonrecurring lump-sum income. Moneys received as a nonrecurring lump sum, except as specified in subrules 41.26(4), 41.26(7), 41.27(8)“b,” and 41.27(8)“c,” shall be treated in accordance with this rule. Nonrecurring lump-sum income shall be considered as income in the month received and counted in computing eligibility and the amount of the grant, unless the income is exempt. Nonrecurring lump-sum unearned income is defined as a payment in the nature of a windfall, for example, an inheritance, an insurance settlement for pain and suffering, an insurance death benefit, a gift, lottery winnings, or a retroactive payment of benefits, such as social security, job insurance or workers’ compensation. When countable income, exclusive of the family investment program grant but including countable lump-sum income, exceeds the needs of the eligible group, the case shall be canceled or the application rejected. In addition, the eligible group shall be ineligible for the number of full months derived by dividing the income by the standard of need for the eligible group. Any income remaining after this calculation shall be applied as income to the first month following the period of ineligibility and disregarded as income thereafter. The period of ineligibility shall begin with the month the lump sum is received.

When a nonrecurring lump sum is timely reported as required by 441—paragraph 40.27(4)“f,” recoupment shall not be made for the month of receipt. When a nonrecurring lump sum is timely reported, but the timely notice as required by rule 441—7.7(17A) requires the action be delayed until the second calendar month following the month of change, recoupment shall not be made for the first calendar month following the month of change. When a nonrecurring lump sum is not timely reported, recoupment shall be made beginning with the month of receipt.

The period of ineligibility shall be shortened when the schedule of living costs as defined in 41.28(2) increases.

The period of ineligibility shall be shortened by the amount that is no longer available to the eligible group due to a loss or a theft or because the person controlling the lump sum no longer resides with the eligible group.

The period of ineligibility shall also be shortened when there is an expenditure of the lump sum made for the following circumstances unless there was insurance available to meet the expense: Payments made on medical services for the former eligible group or their dependents for services listed in 441—Chapters 78, 81, 82 and 85 at the time the expense is reported to the department; the cost of necessary repairs to maintain habitability of the homestead requiring the spending of over \$25 per incident; cost of replacement of exempt resources as defined in subrule 41.26(1) due to fire, tornado, or other natural disaster; or funeral and burial expenses. The expenditure of these funds shall be verified. A dependent is an individual who is claimed or could be claimed by another individual as a dependent for federal income tax purposes.

When countable income, including the lump-sum income, is less than the needs of the eligible group, the lump sum shall be counted as income for the month received. For purposes of applying the lump-sum provision, the eligible group is defined as all eligible persons and any other individual whose lump-sum income is counted in determining the period of ineligibility. During the period of ineligibility, individuals not in the eligible group when the lump-sum income was received may be eligible for the family investment program as a separate eligible group. Income of this eligible group plus income, excluding the lump-sum income already considered, of the parent or other legally responsible person in the home shall be considered as available in determining eligibility and the amount of the grant.

d. The third digit to the right of the decimal point in any computation of income and hours of employment shall be dropped. This includes the calculation of the amount of a child support sanction as defined in paragraph 41.22(6) “*f.*”

e. In any month for which an individual is determined eligible to be added to a currently active family investment program case, the individual’s needs shall be included subject to the effective date of grant limitations as prescribed in 441—40.26(239B).

(1) When adding an individual to an existing eligible group, any income of that individual shall be considered prospectively.

(2) The needs of an individual determined to be ineligible to remain a member of the eligible group shall be removed prospectively effective the first of the following month.

f. Rescinded IAB 11/8/06, effective 1/1/07.

g. When income received weekly or biweekly (once every two weeks) is projected for future months, it shall be projected by adding all income received in the period being used and dividing the result by the number of instances of income received in that period. The result shall be multiplied by four if the income is received weekly or by two if the income is received biweekly, regardless of the number of weekly or biweekly payments to be made in future months.

h. Income from self-employment received on a regular weekly, biweekly, semimonthly or monthly basis shall be budgeted in the same manner as the earnings of an employee. The countable income shall be the net income.

i. Income from self-employment not received on a regular weekly, biweekly, semimonthly or monthly basis that represents an individual’s annual income shall be averaged over a 12-month period of time, even if the income is received within a short period of time during that 12-month period. Any change in self-employment shall be handled in accordance with subparagraphs (3), (4), and (5) below.

(1) When a self-employment enterprise which does not produce a regular weekly, biweekly, semimonthly or monthly income has been in existence for less than a year, income shall be averaged over the period of time the enterprise has been in existence and the monthly amount projected for the same period of time. If the enterprise has been in existence for such a short time that there is very little income information, the worker shall establish, with the cooperation of the client, a reasonable estimate which shall be considered accurate and projected for three months, after which the income shall be averaged and projected for the same period of time. Any changes in self-employment shall be considered in accordance with subparagraphs (3), (4) and (5) below.

(2) These policies apply when the self-employment income is received before the month of decision and the income is expected to continue, in the month of decision, and after assistance is approved.

(3) A change in the cost of producing self-employment income is defined as an established permanent ongoing change in the operating expenses of a self-employment enterprise. Change in self-employment income is defined as a change in the nature of business.

(4) When a change in operating expenses occurs, the department shall recompute the expenses on the basis of the change.

(5) When a change occurs in the nature of the business, the income and expenses shall be computed on the basis of the change.

j. Special needs.

(1) A special need as defined in 41.28(3) must be documented before payment shall be made.

(2) A one-time special need occurs and is considered in determining need for the calendar month in which the special need is entered on the automated benefit calculation system.

(3) An ongoing special need is considered in determining need for the calendar month following the calendar month in which the special need is entered on the automated benefit calculation system.

(4) When the special need continues, payment shall be included, prospectively, in each month’s family investment program grant. When the special need ends, payment shall be removed prospectively. Any overpayment for a special need shall be recouped.

(5) Rescinded IAB 11/8/06, effective 1/1/07.

k. When a family’s assistance for a month is subject to recoupment because the family was not eligible, individuals applying for assistance during the same month may be eligible for the family

investment program as a separate eligible group. Income of this new eligible group plus income of the parent or other legally responsible person in the home shall be considered as available in determining eligibility and the amount of the grant. The income of an ineligible parent or other legally responsible person shall be considered prospectively in accordance with 41.27(4) and 41.27(8).

41.27(10) Aliens sponsored by individuals. When an alien admitted for lawful permanent residence is sponsored by a person who executed an enforceable affidavit of support as described in 8 U.S.C. Section 1631(a)(1) on behalf of the alien, the income of the alien shall be deemed to include the income of the sponsor (and of the sponsor's spouse if living with the sponsor). The amount of the income of the sponsor and the sponsor's spouse deemed to the alien shall be the total gross earned and unearned income remaining after allowing the earned income deduction described at paragraph 41.27(2) "a," the work incentive disregard described at paragraph 41.27(2) "c," and diversions described at subrule 41.27(4). The following are exceptions to deeming of a sponsor's income:

a. Deeming of the sponsor's income does not apply when:

(1) The sponsored alien attains citizenship through naturalization pursuant to Chapter 2 of Title III of the Immigration and Nationality Act;

(2) The sponsored alien has earned 40 qualifying quarters of coverage as defined in Title II of the Social Security Act or can be credited with 40 qualifying quarters as defined at rule 441—40.21(239B); or

(3) The sponsored alien or the sponsor dies.

b. An indigent alien is exempt from the deeming of a sponsor's income for 12 months after indigence is determined. An alien shall be considered indigent if:

(1) The alien does not live with the sponsor; and

(2) The alien's gross income, including any income received from or made available by the sponsor, is less than 100 percent of the federal poverty level for the sponsored alien's household size.

c. A battered alien as described in 8 U.S.C. Section 1641(c) is exempt from the deeming of a sponsor's income for 12 months.

41.27(11) Restriction on diversion of income. No income may be diverted to meet the needs of a person living in the home who has been sanctioned under subrule 41.24(8) or 41.25(5), or who has been disqualified under subrule 41.25(10) or rule 441—46.29(239B), or who is required to be included in the eligible group according to 41.28(1) "a" and has failed to cooperate. This restriction applies to 41.27(4) "a" and 41.27(8).

This rule is intended to implement Iowa Code section 239B.7.

[ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 9043B, IAB 9/8/10, effective 11/1/10; ARC 9439B, IAB 4/6/11, effective 6/1/11; ARC 0148C, IAB 6/13/12, effective 8/1/12; ARC 1478C, IAB 6/11/14, effective 8/1/14]

441—41.28(239B) Need standards.

41.28(1) Definition of the eligible group. The eligible group consists of all eligible people specified below and living together, except when one or more of these people receive supplemental security income under Title XVI of the Social Security Act. There shall be at least one child in the eligible group except when the only eligible child is receiving supplemental security income. The unborn child is not considered a member of the eligible group for purposes of establishing the number of people in the eligible group.

a. The following persons shall be included (except as otherwise provided in these rules), without regard to the person's employment status, income or resources:

(1) All dependent children who are siblings of whole or half blood or adoptive.

(2) Any parent of such children, if the parent is living in the same home as the dependent children.

b. The following persons may be included:

(1) The needy specified relative who assumes the role of parent.

(2) The needy specified relative who acts as payee when the parent is in the home, but is unable to act as payee.

CHART OF BASIC NEEDS COMPONENTS

(all figures are on a per person basis)

Number of Persons	1	2	3	4	5	6	7	8	9	10 or More
Shelter	77.14	65.81	47.10	35.20	31.74	26.28	25.69	22.52	20.91	20.58
Utilities	19.29	16.45	11.77	8.80	7.93	6.57	6.42	5.63	5.23	5.14
Household Supplies	4.27	5.33	4.01	3.75	3.36	3.26	3.10	3.08	2.97	2.92
Food	34.49	44.98	40.31	39.11	36.65	37.04	34.00	33.53	32.87	32.36
Clothing	11.17	11.49	8.70	8.75	6.82	6.84	6.54	6.39	6.20	6.10
Pers. Care & Supplies	3.29	3.64	2.68	2.38	2.02	1.91	1.82	1.72	1.67	1.64
Med. Chest Supplies	.99	1.40	1.34	1.13	1.15	1.11	1.08	1.06	1.09	1.08
Communi-cations	7.23	6.17	3.85	3.25	2.50	2.07	1.82	1.66	1.51	1.49
Transportation	25.13	25.23	22.24	21.38	17.43	16.59	15.24	15.79	15.44	15.19

a. The definitions of the basic need components are as follows:

- (1) Shelter: Rental, taxes, upkeep, insurance, amortization.
- (2) Utilities: Fuel, water, lights, water heating, refrigeration, garbage.
- (3) Household supplies and replacements: Essentials associated with housekeeping and meal preparation.
- (4) Food: Including school lunches.
- (5) Clothing: Including layette, laundry, dry cleaning.
- (6) Personal care and supplies: Including regular school supplies.
- (7) Medicine chest items.
- (8) Communications: Telephone, newspapers, magazines.
- (9) Transportation: Includes bus fares and other out-of-pocket costs of operating a privately owned vehicle.

b. Special situations in determining eligible group:

(1) The needs of a child or children in a nonparental home shall be considered a separate eligible group when the relative is receiving the family investment program assistance for the relative's own children.

(2) When the unmarried specified relative under age 19 is living in the same home with a parent or parents who receive the family investment program, the needs of the specified relative, when eligible, shall be included in the same eligible group with the parent(s). When the specified relative is a parent, the needs of the eligible children for whom the unmarried parent is caretaker shall be included in the same eligible group. When the specified relative is a nonparental relative, the needs of the eligible children for whom the specified relative is caretaker shall be considered a separate eligible group.

When the unmarried specified relative under the age of 19 is living in the same home as a parent(s) who receives the family investment program but the specified relative is not an eligible child, need of the specified relative shall be determined in the same manner as though the specified relative had attained majority.

When the unmarried specified relative under the age of 19 is living with a nonparental relative or in an independent living arrangement, need shall be determined in the same manner as though the specified relative had attained majority.

When the unmarried specified relative is under the age of 18 and living in the same home with a parent(s) who does not receive the family investment program, the needs of the specified relative, when eligible, shall be included in the assistance grant with the children when the specified relative is a parent. When the specified relative is a nonparental relative as defined in 41.22(3), only the needs of the eligible

children shall be included in the assistance grant. When the unmarried specified relative is aged 18, need shall be determined in the same manner as though the specified relative had attained majority.

(3) When a person who would ordinarily be in the eligible group is receiving supplemental security income benefits, the person, income, and resources shall not be considered in determining family investment program benefits for the rest of the family.

(4) When two individuals, married to each other, are living in a common household and the children of each of them are recipients of assistance, the assistance grant shall be computed on the basis of their comprising one eligible group. This rule shall not be construed to require that an application for assistance be made for children who are not the natural or adoptive children of the applicant.

41.28(3) *Special needs.* On the basis of demonstrated need the following special needs shall be allowed, in addition to the basic needs.

a. School expenses. Any specific charge, excluding tuition, for a child's education made by the school, or in accordance with school requirements in connection with a course in the curriculum, shall be allowed provided the allowance shall not exceed the reasonable cost required to meet the specifications of the course, and the student is actually participating in the course at the time the expense is claimed. Payment will not be made for ordinary expenses for school supplies.

b. Guardian/conservator fee. An amount not to exceed \$10 per case per month may be allowed for guardian's/conservator's fees when authorized by appropriate court order. No additional payment is permitted for court costs or attorney's fees.

c. FIP special needs classroom training. Rescinded IAB 12/3/97, effective 2/1/98.

d. Job Training Partnership Act. Rescinded IAB 12/3/97, effective 2/1/98.

41.28(4) *Period of adjustment.* Rescinded IAB 11/1/00, effective 1/1/01.

This rule is intended to implement Iowa Code section 239B.5.

441—41.29(239B) Composite FIP/SSI cases. When persons in the family investment program household, who would ordinarily be in the eligible group, are receiving supplemental security income benefits, the following rules shall apply.

41.29(1) *Pending SSI approval.* When a person who would ordinarily be in the eligible group has applied for supplemental security income benefits, the person's needs may be included in the family investment program grant pending approval of supplemental security income.

41.29(2) *Ownership of property.* When property is owned by both the supplemental security income beneficiary and the family investment program recipient, each shall be considered as having a half interest in order to determine the value of the resource, unless the terms of the deed or purchase contract clearly establish ownership on a different proportional basis.

This rule is intended to implement Iowa Code section 239B.5.

441—41.30(239B) Time limits.

41.30(1) *Sixty-month limit.* Assistance shall not be provided to a FIP applicant or recipient family that includes an adult who has received assistance for 60 calendar months under FIP or under any program in another state that is funded by the federal Temporary Assistance for Needy Families (TANF) block grant unless the applicant or recipient family is eligible for a hardship as defined in subrule 41.30(3). The 60-month period need not be consecutive. In two-parent households or households that include a parent and a stepparent, the 60-month limit is determined when either a parent or stepparent has received assistance for 60 months.

a. An "adult" is any person who is a parent of the FIP child in the home, the parent's spouse, or included as an optional member under subparagraph 41.28(1) "b"(1) or (2).

b. "Assistance," for the purpose of this rule, shall include any month for which the adult receives a FIP grant or a payment in another state using federal Temporary Assistance for Needy Families (TANF) funds that the other state deems countable toward the 60-month federal limit. Assistance received for a partial month shall count as a full month.

41.30(2) *Determining number of months.*

a. In determining the number of months an adult received assistance, the department shall consider toward the 60-month limit:

(1) Assistance received even when the parent is excluded from the grant unless the parent, or both parents in a two-parent household, are supplemental security income (SSI) recipients.

(2) Assistance received by an optional member of the eligible group as described in subparagraphs 41.28(1)“b”(1) and (2). However, once the person has received assistance for 60 months, the person is ineligible but assistance may continue for other persons in the eligible group. The entire family is ineligible for assistance when the optional member who has received assistance for 60 months is the incapacitated stepparent on the grant as described at subparagraph 41.28(1)“b”(3).

b. When the parent, or both parents in a two-parent household, have received 60 months of FIP assistance and are subsequently approved for supplemental security income, FIP assistance for the children may be granted, if all other eligibility requirements are met.

c. When a minor parent and child receive FIP on the adult parent’s case and the adult parent is no longer eligible due to the 60-month limit on FIP assistance, the minor parent may reapply for FIP as a minor parent living with a self-supporting parent.

d. In determining the number of months an adult received assistance, the department shall not consider toward the 60-month limit any month for which FIP assistance was not issued for the family, such as:

(1) A month of suspension.

(2) A month for which no grant is issued due to the limitations described in rules 441—45.26(239B) and 441—45.27(239B).

(3) Rescinded IAB 1/9/02, effective 3/1/02.

(4) Rescinded IAB 1/9/02, effective 3/1/02.

e. The department shall not consider toward the 60-month limit months of assistance a parent or pregnant person received as a minor child and not as the head of a household or married to the head of a household. This includes assistance received for a minor parent for any month in which the minor parent was a child on the adult parent’s or the specified relative’s FIP case.

f. The department shall not consider toward the 60-month limit months of assistance received by an adult while living in Indian country (as defined in 18 United States Code Section 1151) or a Native Alaskan village where at least 50 percent of the adults were not employed.

41.30(3) Exception to the 60-month limit. A family may receive FIP assistance for more than 60 months as defined in subrule 41.30(1) if the family qualifies for a hardship exemption as described in this subrule. “Hardship” is defined as a circumstance that is preventing the family from being self-supporting. However, the family’s safety shall take precedence over the goal of self-sufficiency.

a. Rescinded IAB 12/9/15, effective 2/1/16.

b. Eligibility determination. Eligibility for the hardship exemption shall be determined on an individual family basis. A hardship exemption shall not begin until the adult in the family has received at least 60 months of FIP assistance.

c. Hardship exemption criteria. Circumstances that may lead to a hardship exemption may include, but are not limited to, the following:

(1) Domestic violence. “Domestic violence” means that the family includes someone who has been battered or subjected to extreme cruelty. It includes:

1. Physical acts that resulted in, or threatened to result in, physical injury to the individual.

2. Sexual abuse.

3. Sexual activity involving a dependent child.

4. Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities.

5. Threats of, or attempts at, physical or sexual abuse.

6. Mental abuse.

7. Neglect or deprivation of medical care.

(2) Lack of employability.

(3) Lack of suitable child care as defined in 441—subrule 93.4(5).

(4) Chronic or recurring medical conditions or mental health issues, or an accident or disease, when verified by a professional. The applicant or recipient shall follow a treatment plan to address the condition or issue.

(5) Housing situations that make it difficult or impossible to work.

(6) Substance abuse issues. A family requesting a hardship exemption due to substance abuse shall be required to obtain clinical assessment and follow an intensive treatment plan.

(7) Having a child whose circumstances require the parent to be in the home. This may include, but is not limited to, a child as defined in rule 441—170.1(234) or a child receiving child welfare, juvenile court or juvenile justice services. The safety of the child shall take precedence over the goal of self-sufficiency.

(8) Rescinded IAB 1/8/03, effective 1/1/03.

(9) Other circumstances which prevent the family from being self-supporting.

d. Eligibility for a hardship exemption.

(1) Families may be eligible for a hardship exemption when circumstances prevent the family from being self-supporting. The hardship condition shall be a result of a past or current experience that is affecting the family's current functioning. Current experience may include fear of an event that is likely to occur in the future. The definition of the hardship barrier relies upon the impact of the circumstances upon the family's ability to leave FIP rather than the type of circumstances.

(2) Families with FIA-responsible persons who are not exempt from referral as defined in subrule 41.24(2) determined eligible for more than 60 months of FIP shall make incremental steps toward overcoming the hardship and participate to their maximum potential in activities reasonably expected to result in self-sufficiency.

(3) Barriers to economic self-sufficiency that an FIA-responsible person who is not exempt as defined in subrule 41.24(2) has that were known and existing before the family reached the 60-month limit shall not be considered as meeting eligibility criteria for hardship unless the individual complied with PROMISE JOBS activities offered to overcome that specific barrier.

e. Requesting a hardship exemption.

(1) Families that have or are close to having received 60 months of assistance as defined in subrule 41.30(1) may request a hardship exemption. Requests for the hardship exemption shall be made on Form 470-3826 or Form 470-3826(S), Request for FIP Beyond 60 Months. In addition, families that have received assistance for 60 months shall complete Form 470-0462 or Form 470-0462(S), Financial Support Application, as described at rule 441—40.22(239B) as a condition for regaining FIP eligibility. Failure to provide the required application within ten days from the date of the department's request shall result in denial of the hardship request.

(2) In families that request FIP beyond 60 months, all adults as defined in subrule 41.30(1) shall sign the request. When the adult is incompetent or incapacitated, someone acting responsibly on the adult's behalf may sign the request.

(3) Requests for a hardship exemption shall not be accepted prior to the first day of the family's fifty-ninth month of assistance. The date of the request shall be the date an identifiable Form 470-3826 or Form 470-3826(S) is received in any department of human services or PROMISE JOBS office. An identifiable form is one that contains a legible name and address and that has been signed.

(4) To receive more than 60 months of FIP assistance, families must be eligible for a hardship exemption and meet all other FIP eligibility requirements.

(5) When an adult as defined in subrule 41.30(1) who has received assistance for 60 months joins a recipient family that has not received 60 months of assistance, eligibility shall continue only if the recipient family submits Form 470-3826 or Form 470-3826(S) and is approved for a hardship exemption as described in subrule 41.30(3) and meets all other FIP eligibility requirements.

(6) When an adult as defined in subrule 41.30(1) joins a recipient family that is in an exemption period, the current exemption period shall continue, if the recipient family continues to meet all other eligibility requirements, regardless of whether the joining adult has received FIP for 60 months.

(7) When two parents who are in a hardship exemption period separate, the remainder of the exemption period, if there is a need, shall follow the parent who retains the current FIP case.

f. Determination of hardship exemption.

(1) A determination on the request shall be made as soon as possible, but no later than 30 days following the date an identifiable Form 470-3826 or Form 470-3826(S) is received in any department of human services or PROMISE JOBS office. A written notice of decision shall be issued to the family the next working day following a determination of eligibility or ineligibility for a hardship exemption. The 30-day time standard shall apply except in unusual circumstances, such as when the department and the family have made every reasonable effort to secure necessary information which has not been supplied by the date the time limit expired; or because of emergency situations, such as fire, flood or other conditions beyond the administrative control of the department.

(2) When a Financial Support Application is required to regain FIP eligibility, the 30-day time frame in rule 441—40.25(239B) shall apply.

(3) Income maintenance shall determine eligibility for a hardship exemption.

(4) The family shall provide supporting evidence of the hardship barrier and the impact of the barrier upon the family's ability to leave FIP. The department shall advise the applicant or recipient about how to obtain necessary documents. Upon request, the department shall provide reasonable assistance in obtaining supporting documents when the family is not reasonably able to obtain the documents. The type of supporting evidence is dependent upon the circumstance that creates the hardship barrier.

(5) Examples of types of supporting evidence may include:

1. Court, medical, criminal, child protective services, social services, psychological, or law enforcement records.

2. Statements from professionals or other individuals with knowledge of the hardship barrier.

3. Statements from vocational rehabilitation or other job training professionals.

4. Statements from individuals other than the applicant or recipient with knowledge of the hardship circumstances. Written statements from friends and relatives alone may not be sufficient to grant hardship status, but may be used to support other evidence.

5. Court, criminal, police records or statements from domestic violence counselors may be used to substantiate hardship. Living in a domestic violence shelter shall not automatically qualify an individual for a hardship exemption, but would be considered strong evidence.

6. Actively pursuing verification of a disability through the Social Security Administration may not be sufficient to grant hardship status, but may be used to support other evidence.

(6) The department shall notify the family in writing of additional information or verification that is required to verify the barrier and its impact upon the family's ability to leave FIP. The family shall be allowed ten days to supply the required information or verification. The ten-day period may be extended under the circumstances described in 441—subrule 40.24(1) or 441—paragraph 40.27(4)“c.” Failure to supply the required information or verification, or refusal by the family to authorize the department to secure the information or verification from other sources, shall result in denial of the family's request for a hardship exemption.

(7) Rescinded IAB 12/12/01, effective 11/14/01.

(8) Rescinded IAB 12/12/01, effective 11/14/01.

(9) Recipients whose FIP assistance is canceled at the end of the sixtieth month shall be eligible for reinstatement as described at 441—subrule 40.22(5) when Form 470-3826 or Form 470-3826(S) is received before the effective date of cancellation even if eligibility for a hardship exemption is not determined until on or after the effective date of cancellation.

(10) When Form 470-3826 or Form 470-3826(S) is not received before the effective date of the FIP cancellation and a Financial Support Application is required for the family to regain FIP eligibility, the effective date of assistance shall be no earlier than seven days from the date of application as described at rule 441—40.26(239B).

(11) Eligibility for a hardship exemption shall last for six consecutive calendar months. EXCEPTION: The six-month hardship exemption ends when FIP for the family is canceled for any reason and a Financial Support Application is required for the family to regain FIP eligibility. In addition, when FIP eligibility depends on receiving a hardship exemption, the family shall submit a new Form 470-3826 or Form 470-3826(S). A new hardship exemption determination shall be required prior to FIP approval.

(12) FIP received for a partial month of the six-month hardship exemption period shall count as a full month.

(13) There is no limit on the number of hardship exemptions a family may receive over time.

g. Six-month family investment agreement (FIA). Families who request a hardship exemption shall develop and sign a six-month family investment agreement (FIA) as defined at rule 441—93.4(239B) to address the circumstances that are creating the barrier. All adults as defined in subrule 41.30(1) shall sign the six-month FIA unless the adult is a stepparent and is not requesting assistance or is exempt as specified at subrule 41.24(2).

(1) The six-month FIA shall contain specific steps to enable the family to make incremental progress toward overcoming the barrier. Each subsequent hardship exemption shall require a new six-month FIA. Failure to develop or sign a six-month FIA shall result in denial of the family's hardship exemption request.

(2) Families that request a hardship exemption shall be notified verbally and shall be hand-issued the notice of a scheduled appointment for orientation and FIA development. If the notice of appointment cannot be hand-issued, at least five working days shall be allowed from the date the notice is mailed for a participant to appear for the scheduled appointment for orientation and FIA development unless the participant agrees to an appointment that is scheduled to take place in less than five working days.

(3) Failure to attend a scheduled interview when required, except for reasons beyond the adult's control, shall result in a denial of the family's hardship exemption request. In two-parent families, both parents shall be required to participate in any scheduled interview. When the adult is incompetent or incapacitated, someone acting responsibly on the adult's behalf may participate in the interview.

(4) PROMISE JOBS staff shall provide necessary supportive services as described in 441—Chapter 93 and shall monitor the six-month FIA. Periodic contacts shall be made with the family at least once a month. These contacts need not be in person. Time and attendance reports shall be required as specified at 441—subrule 93.10(2).

(5) The six-month FIA shall be renegotiated and amended under the circumstances described at 441—subrule 93.4(8).

(6) Any family that is not exempt from referral as defined in subrule 41.24(2), that has been granted a hardship exemption, and that does not follow the terms of the family's six-month FIA will have chosen a limited benefit plan in accordance with 441—Chapters 41 and 93.

h. Any family that is denied a hardship exemption may appeal the decision as described in 441—Chapter 7.

This rule is intended to implement Iowa Code chapter 239B.

CHAPTER 42

UNEMPLOYED PARENT

[Prior to 7/1/83, Social Services[770] Ch 42]

[Prior to 2/11/87, Human Services[498]]

Rescinded IAB 11/1/00, effective 1/1/01

CHAPTER 43
ALTERNATE PAYEES

[Prior to 7/1/83, Social Services[770] Ch 43]

[Prior to 2/11/87, Human Services[498]]

DIVISION I
FAMILY INVESTMENT PROGRAM—CONTROL GROUP
[Rescinded IAB 2/12/97, effective 3/1/97]

441—43.1 to 43.20 Reserved.

DIVISION II
FAMILY INVESTMENT PROGRAM—TREATMENT GROUP
[Prior to 10/13/93, 441—43.1(239) to 43.4(239)]

441—43.21(239B) Conservatorship or guardianship.

43.21(1) When application is filed for the family investment program by a person under conservatorship or guardianship, a copy of the court order shall be secured by the department. Assistance payments shall be made to the conservator or guardian to be allocated for the support and care of the dependent child.

43.21(2) Rescinded IAB 8/31/05, effective 11/1/05.

441—43.22(239B) Protective payments. Rescinded IAB 8/31/05, effective 11/1/05.

441—43.23(239B) Vendor payments. Rescinded IAB 8/31/05, effective 11/1/05.

441—43.24(239B) Emergency payee. Payments may be made to persons acting for relatives who have been receiving assistance for a child in emergency situations that deprive the child of the relatives' care. These payments shall be made for a temporary period, not to exceed three months, to allow time to make and implement plans for the child's continuing care and support.

These rules are intended to implement Iowa Code section 239B.13.

CHAPTER 44
Rescinded, effective 10/1/85

CHAPTER 45
PAYMENT

[Ch 45, January 1974 IDR Supplement, renumbered as [770] Ch 42]
[Prior to 7/1/83, Social Services[770] Ch 45]
[Prior to 2/11/87, Human Services[498]]

DIVISION I
FAMILY INVESTMENT PROGRAM—CONTROL GROUP
[Rescinded IAB 2/12/97, effective 3/1/97]

441—45.1 to 45.20 Reserved.

DIVISION II
FAMILY INVESTMENT PROGRAM—TREATMENT GROUP
[Prior to 10/13/93, 441—45.1(239) to 45.7(239)]

441—45.21(239B) Issuing payment. The department may issue assistance payments under the family investment program (FIP):

1. By electronic access card,
2. By direct deposit to the recipient's own account in a financial institution, or
3. By warrant.

45.21(1) *Electronic access card.* The department shall make payments available through an electronic access card issued to the payee except when:

- a. The recipient requests direct deposit; or
- b. The department determines it is not practicable to issue the payment by electronic access card.

45.21(2) *Direct deposit.* The department shall issue payments by direct deposit to the recipient's own account in a financial institution if the recipient completes Form 470-0261, Agreement for Automatic Deposit, to request direct deposit.

45.21(3) *Warrant.* The department shall issue payments by warrant when the recipient has not requested direct deposit and the department determines it is not practicable to issue payment by electronic access card. These circumstances include but are not limited to the following:

- a. A one-time payment is issued.
- b. The payee is a representative payee, conservator, or guardian who is not part of the FIP assistance unit.
- c. The payee is unable to provide a social security number or an individual taxpayer identification number.

[ARC 8005B, IAB 7/29/09, effective 10/1/09; ARC 8204B, IAB 10/7/09, effective 11/11/09]

441—45.22(239B) Return. Assistance warrants are not forwardable. When warrants cannot be delivered by the post office, they shall be returned to the department.

441—45.23(239B) Held warrants. A warrant may be held by the department only in the following instances:

- 45.23(1)** The recipient's whereabouts is unknown.
- 45.23(2)** The recipient is not in the home due to an emergency and it is not known who will be serving as emergency payee.

441—45.24(239B) Underpayment. A corrective payment shall be made when the recipient receives a payment in an amount less than that for which the recipient was eligible due to an administrative or client error or the recipient reports the completion of the federal tax return requiring repayment to Internal Revenue Service of excess advance earned income credit payments received in the prior calendar year.

- 45.24(1) Attribution of underpayments.**
- a. An underpayment may be attributed to the department as a result of one of the following circumstances:
 - (1) Misfiling or loss of forms or documents.

- (2) Errors in typing or copying.
- (3) Computer input errors.
- (4) Mathematical errors.
- (5) Failure to certify assistance in the correct amount when all essential information was available to the department.

(6) Failure to make prompt revisions in grants following changes in policies requiring the changes as of a specific date.

b. An underpayment may be attributed to the client as a result of one of the following circumstances:

(1) Information reported in error, oral or written, regarding the client's income, resources, or other circumstances which may affect eligibility or the amount of assistance received.

(2) Failure to timely report changes in income, resources, or other circumstances which may affect eligibility or the amount of assistance received.

(3) Rescinded IAB 12/11/02, effective 2/1/03.

45.24(2) Conditions under which a retroactive corrective payment may be made.

a. Retroactive corrective payments shall be made for all underpayments.

b. Any retroactive corrective payment for which the recipient is eligible shall first be applied to any unpaid overpayment before the balance, if any, is paid to the recipient.

c. Retroactive corrective payments shall be made for underpayments discovered on and after October 1, 1981, regardless of when the underpayment occurred. Recipients and former applicants and recipients are responsible for supplying any information needed to determine the amount of an underpayment.

45.24(3) The amount of the corrective payment to the recipient for repayment to Internal Revenue Service of excess advance earned income credit payments shall be computed on the basis of the earnings considered in determining the family investment program grant for the prior year.

45.24(4) A retroactive corrective payment is:

a. Exempt from consideration as income.

b. Exempt from consideration as a resource in the month received and the following month.

441—45.25(239B) Deceased payees. A retroactive corrective payment shall be made for deceased payees only when the payment was approved by the department before the recipient's death. Payment for a special need shall be made only when the payment is entered on the automated benefit calculation system before the effective date of cancellation.

441—45.26(239B) Limitation on payment. A payment shall be made to an eligible recipient only when the amount of the assistance is \$10 or more.

441—45.27(239B) Rounding of need standard and payment amount. The need standard and monthly payment amount must be rounded down to the next whole dollar when the result of determining the standard of need or the payment amount is not a whole dollar.

These rules are intended to implement Iowa Code sections 239B.2, 239B.3, and 239B.7.

CHAPTER 46
OVERPAYMENT RECOVERY

[Prior to 7/1/83, Social Services[770] Ch 46]

[Prior to 2/11/87, Human Services[498]]

DIVISION I
FAMILY INVESTMENT PROGRAM—CONTROL GROUP

[Rescinded IAB 2/12/97, effective 3/1/97]

441—46.1 to 46.20 Reserved.

DIVISION II
FAMILY INVESTMENT PROGRAM—TREATMENT GROUP

[Prior to 10/13/93, 441—46.1(239) to 46.8(239)]

441—46.21(239B) Definitions.

“*Agency error*” in overpayments means: (a) The same as circumstances described in 441—subrule 45.24(1) pertaining to underpayments, or (b) any error that is not a client or procedural error.

“*Client*” means a current or former applicant or recipient of the family investment program.

“*Client error*” means and may result from:

1. False or misleading statements, oral or written, regarding the client’s income, resources, or other circumstances which may affect eligibility or the amount of assistance received;
2. Failure to timely report changes in income, resources, or other circumstances as required by rule 441—40.27(239B);
3. Failure to refund to the child support recovery unit any nonexempt payment from the absent parent received after the date the decision on eligibility was made; or
4. Access of benefits issued via the electronic access card at a prohibited location pursuant to 441—subrule 41.25(11).

“*Overpayment*” means any assistance payment received in an amount greater than the amount the eligible group is entitled to receive or the amount of any payment accessed at a prohibited location pursuant to 441—subrule 41.25(11).

“*Procedural error*” means a technical error that does not in and of itself result in an overpayment. Procedural errors include:

1. Failure to secure a properly signed application at the time of initial application or reapplication.
2. Failure to secure a properly signed Form 470-3826 or Form 470-3826(S), Request for FIP Beyond 60 Months, as described at 441—subrule 41.30(3).
3. Failure of the department to conduct the interviews described in 441—subrules 40.24(2) and 40.27(1).
4. Failure to request a Review/Recertification Eligibility Document at the time of a semiannual or annual review.
5. Failure of department staff to cancel the family investment program benefits when the client submits a Review/Recertification Eligibility Document that is not complete as defined in 441—paragraph 40.27(4)“b.” However, overpayments of grants as defined above based on incomplete reports are subject to recoupment.

“*Recoup*” means reimburse, return, or repay an overpayment.

“*Recoupment*” means the repayment of an overpayment, either by a payment from the client or an amount withheld from the assistance grant or both.

[ARC 1207C, IAB 12/11/13, effective 2/1/14; ARC 2272C, IAB 12/9/15, effective 2/1/16]

441—46.22(239B) Monetary standards.

46.22(1) *Amount subject to recoupment.* All family investment program overpayments shall be subject to recoupment.

46.22(2) *Grant issued.* When recoupment is made by withholding from the family investment program grant, the grant issued shall be for no less than \$10.

441—46.23(239B) Notification and appeals. All clients shall be notified by the department of inspections and appeals, as described at 441—subrule 7.5(6), when it is determined that an overpayment exists. Notification shall include the amount, date and reason for the overpayment. The department shall provide additional information regarding the computation of the overpayment upon the client's request. The client may appeal the computation of the overpayment and any action to recover the overpayment through benefit reduction in accordance with 441—subrule 7.5(6).

441—46.24(239B) Determination of overpayments. All overpayments due to agency or client error or due to assistance paid pending an appeal decision shall be recouped. A procedural error alone does not result in an overpayment.

46.24(1) Agency error. When an overpayment is due to an agency error, recoupment shall be made, including those instances when errors by the department prevent the requirements in 441—subrule 41.22(6) or 41.22(7) from being met or when the client receives a duplicate grant.

a. An overpayment of any amount is subject to recoupment with one exception: When the client receives a grant that exceeds the amount on the most recent notice from the department, recoupment shall be made only when the amount received exceeds the amount on the notice by \$10 or more.

b. An overpayment due to agency error shall be computed as if the information had been acted upon timely.

46.24(2) Assistance paid pending appeal decision. Recoupment of overpayments resulting from assistance paid pending a decision on an appeal hearing shall begin no later than the month after the month in which the final decision is issued.

46.24(3) Client error.

a. An overpayment due to client error shall be computed as if the information had been reported and acted upon timely.

b. Overpayments due to failure to refund payments received from the absent parent shall be the total nonexempt support payment made for members of the eligible group at the time the support payment was received. In addition, assistance payments made to meet the needs of the eligible group may also be subject to recoupment under provisions in 441—subrule 41.22(6).

c. An overpayment due to a recipient's accessing benefits via the electronic access card at a prohibited location shall be the total of the transactions and any associated fees for accessing the benefits at the prohibited location pursuant to 441—subrule 41.25(11).

46.24(4) Failure to cooperate. Failure to cooperate in the investigation of alleged overpayments shall result in ineligibility for the months in question and the overpayment shall be the total amount of assistance received during those months.

46.24(5) Overpayment in special alien cases. Rescinded IAB 10/4/00, effective 12/1/00.

46.24(6) Real property exempted as a resource. Rescinded IAB 6/30/99, effective 9/1/99.
[ARC 1207C, IAB 12/11/13, effective 2/1/14; ARC 2812C, IAB 11/9/16, effective 1/1/17]

441—46.25(239B) Source of recoupment. Recoupment shall be made from basic needs. The minimum recoupment amount shall be the amount prescribed in 46.25(3). Regardless of the source, the client may choose to make a lump sum payment, make periodic installment payments when an agreement to do this is made with the department of inspections and appeals, or have repayment withheld from the grant. The client shall sign Form 470-0495, Repayment Contract, when requested to do so by the department of inspections and appeals. When the client fails to make the agreed upon payment, the agency shall reduce the grant.

46.25(1) and 46.25(2) Rescinded, effective February 8, 1984.

46.25(3) Basic needs.

a. Recoupment by withholding from basic needs for overpayments due to client error or a combination of client and agency errors shall be 10 percent of the basic needs standard in accordance with the schedule in 441—subrule 41.28(2).

b. Recoupment by withholding from basic needs for overpayments due to the continuation of benefits pending a decision on an appeal as provided under rule 441—7.9(217) or a combination

of continued benefits and agency or client errors shall be 10 percent of the basic needs standard in accordance with the schedule in 441—subrule 41.28(2).

c. Recoupment by withholding from basic needs for overpayments due to agency error shall be 1 percent of the basic needs standard in accordance with the schedule in 441—subrule 41.28(2).

d. Rescinded IAB 6/30/99, effective 9/1/99.

46.25(4) *Recoupment in special alien cases.* Rescinded IAB 10/4/00, effective 12/1/00.

441—46.26 Rescinded, effective February 8, 1984.

441—46.27(239B) Procedures for recoupment.

46.27(1) Rescinded IAB 2/8/89, effective 4/1/89.

46.27(2) *Referral.* When the department determines that an overpayment exists, the case shall be referred to the department of inspections and appeals for investigation, recoupment, or referral for possible prosecution.

46.27(3) Rescinded IAB 2/8/89, effective 4/1/89.

46.27(4) *Change of circumstances.* When financial circumstances change, the recoupment plan is subject to revision.

46.27(5) *Collection.* Recoupment for overpayments shall be made from the parent or nonparental relative who was the caretaker relative, as defined in 441—subrule 41.22(3), at the time the overpayment occurred. When both parents were in the home at the time the overpayment occurred, both parents are equally responsible for repayment of the overpayment.

46.27(6) *Suspension and waiver.* Recoupment will be suspended on nonfraud overpayments when the case is canceled and the amount of the overpayment is less than \$35. If the case is reopened within three years, recoupment is initiated again. Recoupment will be waived on nonfraud overpayments of less than \$35 which have been held in suspense for three years.

441—46.28(239B) Intentional program violation. Rescinded IAB 11/8/06, effective 1/1/07.

441—46.29(239B) Fraudulent misrepresentation of residence. A person convicted in a state or federal court, or in an administrative hearing, of having made a fraudulent statement or representation of the person's place of residence in order to receive assistance simultaneously from two or more states shall be ineligible for assistance for ten years. For the purpose of this rule, the term "assistance" means assistance under Titles IV-A or XIX of the Social Security Act, or the Food Stamp Act of 1977, or benefits in two or more states under the Supplemental Security Income program under Title XVI. The ten-year period begins on the date the person is convicted. The prohibition does not apply to a convicted person who is pardoned by the President of the United States, beginning with the month after the pardon is given.

These rules are intended to implement Iowa Code sections 239B.2, 239B.3, 239B.7, and 239B.14.

CHAPTER 47
DIVERSION INITIATIVES

DIVISION I
PROMOTING AWARENESS OF THE BENEFITS OF A HEALTHY MARRIAGE

PREAMBLE

These rules implement the Iowa promoting awareness of the benefits of a healthy marriage program. This program uses federal funds from the Temporary Assistance to Needy Families (TANF) block grant to provide information to certain households about the benefits of a healthy and stable marriage. Eligibility for this program also establishes categorical eligibility for the Iowa food assistance program under 441—Chapter 65.

[ARC 9172B, IAB 11/3/10, effective 1/1/11; ARC 9350B, IAB 2/9/11, effective 4/1/11]

441—47.1(234) Eligibility criteria. Eligibility for the promoting awareness of the benefits of a healthy marriage program is always determined in conjunction with determination of eligibility for food assistance under 441—Chapter 65.

47.1(1) Application. There is no separate application for the program. Eligibility for the program is determined whenever the department determines a household's eligibility for food assistance.

47.1(2) Resources. There is no asset test for the program.

47.1(3) Income. The household's gross countable monthly income determined according to rule 441—65.29(234) must be less than or equal to 160 percent of the current federal poverty guidelines for the household size. The income eligibility limits as described in this subrule are revised each October 1 to reflect the annual adjustment to the federal poverty guidelines.

47.1(4) Otherwise eligible for food assistance. The household must meet all eligibility criteria for food assistance except as provided in this rule. A household that includes a member who is currently disqualified from food assistance due to an intentional program violation is not eligible for the program.

47.1(5) Minimum food assistance benefit. The household must be eligible for a monthly food assistance benefit greater than zero. Households with a monthly food assistance benefit of zero are not eligible for the program.

[ARC 9172B, IAB 11/3/10, effective 1/1/11; ARC 9350B, IAB 2/9/11, effective 4/1/11]

441—47.2(234) Notice and eligibility period. A household that meets all of the eligibility criteria in rule 441—47.1(234) shall receive written notice of its eligibility for the promoting awareness of the benefits of a healthy marriage program.

47.2(1) Written information. Households determined eligible for the program shall receive written information about the benefits of a healthy and stable marriage.

47.2(2) Eligibility period. A household that is determined eligible for the program shall remain eligible for the program until the earlier of the following events:

- a. The household fails to meet the eligibility criteria under rule 441—47.1(234), or
- b. The household's food assistance certification period under 441—Chapter 65 ends.

[ARC 9172B, IAB 11/3/10, effective 1/1/11; ARC 9350B, IAB 2/9/11, effective 4/1/11]

These rules are intended to implement Iowa Code section 234.6.

441—47.3 to 47.20 Reserved.

DIVISION II
FAMILY SELF-SUFFICIENCY GRANTS PROGRAM

PREAMBLE

These rules define and structure the family self-sufficiency grants (FSSG) program provided through the PROMISE JOBS program. The purpose of the FSSG program is to provide immediate and short-term assistance to PROMISE JOBS participant families which will remove barriers related to obtaining or retaining employment. Removing the barriers to self-sufficiency might reduce the length of time a family

is dependent on the family investment program (FIP). Family self-sufficiency grants shall be available for payment to families or on behalf of specific families.

[ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.21(239B) Definitions.

“Appropriate responsible administrator” means:

1. For the bureau of refugee services (BRS), the administrator of the department service area with the oversight for the bureau of refugee services, or the administrator’s designee.

2. For Iowa workforce development (IWD), the administrator of the department of workforce development’s division of workforce development center administration, or the administrator’s designee.

“Bureau of refugee services” or *“BRS”* means a unit of the department of human services that provides PROMISE JOBS services to refugees.

“Candidate” means anyone expressing an interest in the family self-sufficiency grants program.

“Department” means the Iowa department of human services.

“Department division administrator” means the administrator of the department of human services division of adult, children and family services, or the administrator’s designee.

“Family” means “assistance unit” as defined at rule 441—40.21(239B).

“Family investment program” or *“FIP”* means the cash grant program provided by 441—Chapters 40 and 41, designed to sustain Iowa families.

“Family self-sufficiency grants” means the payments made to specific PROMISE JOBS participants, to vendors on behalf of specific PROMISE JOBS participants, or for services to specific PROMISE JOBS participants.

“Immediate, short-term assistance” means that assistance provided under this division shall be authorized upon determination of need and that it shall not occur on a regular basis.

“Iowa workforce development (IWD)” means the agency that develops and administers employment, placement and training services in Iowa and is contracted by the department to administer PROMISE JOBS services statewide.

“IWD service delivery area” means the Iowa workforce development service delivery areas designated to provide PROMISE JOBS services.

“Local plan for family self-sufficiency grants” means the written policies and procedures for administering the grants for families as set forth in the plan developed by the PROMISE JOBS IWD service delivery area or BRS as described in rule 441—47.26(239B).

“Participant” means anyone receiving assistance under this division.

“PROMISE JOBS agreement” means the agreement between the division of adult, children and family services and the division of field support regarding delivery of PROMISE JOBS services to refugees.

“PROMISE JOBS contract” means the agreement between the department and Iowa workforce development regarding delivery of PROMISE JOBS services.

“PROMISE JOBS participant” means any person receiving services through PROMISE JOBS. A PROMISE JOBS participant must be a member of an eligible FIP household.

“Promoting independence and self-sufficiency through employment, job opportunities, and basic skills (PROMISE JOBS) program” means the department’s work and training program as described in 441—Chapter 93.

[ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.22(239B) Availability of the family self-sufficiency grants program. The family self-sufficiency grants program shall be available statewide.

47.22(1) The program shall be available for use by the IWD service delivery areas. Under the PROMISE JOBS contract, Iowa workforce development (IWD) shall allocate the funds available for authorization to each of the service delivery areas based on the allocation standards used for PROMISE JOBS service delivery purposes.

47.22(2) The program shall be available for use by the bureau of refugee services (BRS) for PROMISE JOBS participants who are refugees as delineated in the PROMISE JOBS agreement.

47.22(3) The division of funds between IWD and BRS will be negotiated based on the number of PROMISE JOBS families receiving services from each agency and history of use.

47.22(4) The department retains the funds which are released through the PROMISE JOBS expense allowance authorization system.

[ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.23(239B) General criteria. Family self-sufficiency grants candidates shall be PROMISE JOBS participants. Participation in the family self-sufficiency grants program is voluntary and shall be based on an informed decision by the family. Further, candidates must have identifiable barriers to obtaining or retaining employment that can be substantially addressed through the assistance offered by family self-sufficiency grants.

441—47.24(239B) Assistance available in family self-sufficiency grants. Family self-sufficiency grants shall be authorized for removing an identified barrier to self-sufficiency when it can be reasonably anticipated that the assistance will enable PROMISE JOBS participant families to retain employment or obtain employment in the two full calendar months following the date of authorization of payment. For example, if a payment is authorized on August 20, it should be anticipated that the participant can find employment in September or October.

47.24(1) *Employment does not occur.* If employment does not occur in the anticipated two-calendar-month period or if the participant loses employment in spite of the self-sufficiency grant, no penalty is incurred and no overpayment has occurred.

47.24(2) *Types of assistance.* The department, in conjunction with IWD and BRS, shall determine those barriers to self-sufficiency which can be considered for family self-sufficiency grants such as, but not limited to, auto maintenance or repair, licensing fees, child care, and referral to other resources, including those necessary to address questions of domestic violence. The IWD service delivery areas and BRS shall have the opportunity to adjust the list of approvable barriers to self-sufficiency based on local resources and circumstances. These adjustments shall be approved by the division administrator and the appropriate responsible administrator prior to implementation.

47.24(3) *Limit on assistance.* The total payment limit per family is \$1,000 per year. A year for a family shall be the 12 fiscal months following the date of authorization of the initial payment for the family. A fiscal month begins and ends in different calendar months.

47.24(4) *Frequency of assistance.* Family self-sufficiency grants are intended to provide immediate and short-term assistance and must meet the criteria in this rule. While a family may be a candidate more than once and may receive payments in consecutive months in some circumstances, payments shall not be established as regular or ongoing.

47.24(5) *Supplanting.* Family self-sufficiency grants shall not be used for services already available through department, PROMISE JOBS, or other local resources at no cost.

47.24(6) *Relationship to the family investment agreement.* Family self-sufficiency grants are separate from the PROMISE JOBS family investment agreement process. While the family investment agreement must be honored at all times and renegotiated and amended if family circumstances require it, no family shall be considered to be choosing the limited benefit plan if the family chooses not to participate in the family self-sufficiency grant program.

47.24(7) *Issuing payments.* Family self-sufficiency grants are PROMISE JOBS benefits and shall be authorized through the PROMISE JOBS expense allowance system. Warrants may be issued to the participants or to a vendor for support services provided to the family. The division administrator in conjunction with the appropriate responsible administrator shall have discretion in determining method of payment. The IWD service delivery area or BRS shall have the opportunity to adjust these payment options in an individual case based on circumstances and needs of the family with the approval of the division administrator and the appropriate responsible administrator prior to implementation.

[ARC 8259B, IAB 11/4/09, effective 12/9/09; ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.25(239B) Application, notification, and appeals.

47.25(1) Application elements. Each IWD service delivery area shall use the established application form to be completed by the PROMISE JOBS participant and the PROMISE JOBS worker when the participant asks to be a candidate for a family self-sufficiency grant. The application form shall contain the following elements:

- a. An explanation of family self-sufficiency grants and the expectations of the program.
- b. Identification of the family and the person representing the family.
- c. A clear description of the barrier to self-sufficiency to be considered.
- d. Demonstration of how removing the barrier is related to retaining or obtaining employment, meeting the criteria from rule 441—47.24(239B).
- e. Demonstration of why the other department, PROMISE JOBS, or community resources cannot deal with the barrier to self-sufficiency.
- f. Anticipated cost of removing the barrier to self-sufficiency.

47.25(2) Notification process. PROMISE JOBS shall use Form 470-0602, Notice of Decision: Services, to notify the candidate of the PROMISE JOBS decision regarding the family self-sufficiency grant. Decisions shall be in accordance with policies of this division and the local plan.

- a. On approval, the form shall indicate the amount of the benefit that will be issued to the candidate or paid to a vendor, or the service that will be provided to the family.
- b. On denial, the form shall indicate the reason for denial.

47.25(3) Appealable actions. The PROMISE JOBS decisions on family self-sufficiency grants may be appealed pursuant to 441—Chapter 7. Copies of the local plan as described at rule 441—47.26(239B) shall be included with the appeal summary.

47.25(4) Nonappealable actions. PROMISE JOBS participants shall not be entitled to an appeal hearing if the sole basis for denying, terminating or limiting assistance from family self-sufficiency grants is that self-sufficiency grant funds have been reduced, exhausted, eliminated, or otherwise encumbered. [ARC 8259B, IAB 11/4/09, effective 12/9/09; ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.26(239B) Approved local plans for family self-sufficiency grants. Each IWD service delivery area shall create and provide to IWD the written policies and procedures for administering family self-sufficiency grants. BRS shall create and provide to the department the written policy and procedures for administering family self-sufficiency grants. The plan shall be reviewed for required elements and quality of service to ensure that it meets the purpose of the program and approved by the department division administrator and the IWD division administrator. The written policies and procedures shall be available to the public at county offices, PROMISE JOBS offices, and at IWD. At a minimum, these policies and procedures shall contain or address the following:

- 47.26(1) A plan overview.** The plan overview shall contain a general description detailing:
- a. Any types of services or assistance which will be excluded from consideration for family self-sufficiency grants by the IWD service delivery area or BRS.
 - b. How determinations will be made that the service or assistance requested meets the program's objective of helping the family retain employment or obtain employment.
 - c. How determinations will be made that the proposed family self-sufficiency grant is not supplanting as required at subrule 47.24(5).
 - d. Services established and any maximum (and minimum, if any) values of payments of the services established by the IWD service delivery area or BRS.
 - e. Verification procedures or standards for documenting barriers, using written notification policies found at 441—subrule 93.10(1).
 - f. Verification procedures or standards for documenting employment attempts if not already tracked by PROMISE JOBS procedures, using policies found at rule 441—93.10(239B).
 - g. How applications will be processed timely to address barriers to obtaining or retaining employment.
 - h. Follow-up procedures on participant effort.
 - i. Procedures for tracking of family self-sufficiency grant authorizations in order to stay within the amount allocated.

j. How staff will be trained to administer the program.

47.26(2) Intake and eligibility determination. The policies and procedures shall describe:

a. How families most likely to benefit from self-sufficiency grant assistance are identified.

b. How families can apply for self-sufficiency grant assistance.

c. How families will be informed of the availability of self-sufficiency grant assistance, its voluntary nature, and how the program works.

[ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.27(239B) Evaluation of family self-sufficiency grants. The department, in conjunction with IWD and BRS, shall develop an evaluation plan. The evaluation plan shall:

1. Describe tracking procedures.

2. Describe the plan for evaluation (e.g., what elements will be used to create significant data regarding outcomes).

3. Describe how measurable results will be determined.

4. Identify any support needed to conduct an evaluation (e.g., what assistance is needed from the department and IWD).

5. Describe which aspects of the project were successful and which were not.

[ARC 1147C, IAB 10/30/13, effective 1/1/14]

441—47.28(239B) Recovery of FSSG overpayments. An overpayment exists when an item(s) for which the funds were awarded was not purchased, a duplicate payment was issued or when, according to receipts, the item(s) purchased costs less than the funds received. For purposes of overpayment and recovery, an FSSG payment is considered a PROMISE JOBS expense payment and is subject to rule 441—93.12(239B), recovery of PROMISE JOBS expense payments.

[ARC 1147C, IAB 10/30/13, effective 1/1/14]

These rules are intended to implement Iowa Code section 239B.11.

STATE SUPPLEMENTARY ASSISTANCE
CHAPTER 50
APPLICATION FOR ASSISTANCE
[Prior to 7/1/83, Social Services[770] Ch 50]
[Prior to 2/11/87, Human Services[498]]

441—50.1(249) Definitions.

“*Aged*” shall mean a person 65 years of age or older.

“*Blind*” shall mean a person with central visual acuity of 20/200 or less in the better eye with use of corrective lens or visual field restriction to 20 degrees or less.

“*Disabled*” shall mean that a person is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which has lasted or can be expected to last for a continuous period of not less than 12 months or can be expected to result in death. Exception: For the supplement for Medicare and Medicaid eligibles, being engaged in substantial gainful activity shall not preclude a determination of disability. A child under the age of 18 is disabled if the child suffers from any medically determinable physical or mental impairment of comparable severity. For purposes of state-administered payments, the department shall determine disability according to rule 441—75.20(249A).

“*Payment for a dependent relative*” shall mean payment to a recipient on behalf of a dependent relative as defined in Iowa Code section 249.3(3).

“*Payment for a protective living arrangement*” shall mean payment to a recipient living in a family life home. The payment shall be made in accordance with standards established by the department by rule in 441—Chapter 52.

“*Payment for residential care*” shall mean payment to a recipient living in a residential care facility who is determined to be in need of care and payment is made on a per diem basis.

This rule is intended to implement Iowa Code section 249.3 as amended by 2004 Iowa Acts, House File 2134, section 4.

441—50.2(249) Application procedures.

50.2(1) In order to be eligible for state supplementary assistance, an aged, blind, or disabled person with need for a living arrangement as defined in Iowa Code section 249.3 shall be receiving supplemental security income benefits or shall meet all eligibility requirements for the benefits other than income, but have less income than the standards for the living arrangements as set forth in 441—Chapter 52 and 441—Chapter 177.

a. Payments for mandatory supplementation, blind allowance, dependent relative allowance, and the family life home program shall be federally administered. Income excluded in determining eligibility for or the amount of a supplemental security income benefit shall be excluded in determining eligibility for or the amount of the state payment.

b. Payments for in-home, health-related care and residential care shall be state administered. Income excluded in determining eligibility for or the amount of a supplemental security income benefit, except the \$20 exclusion of any income, shall be excluded in determining eligibility for or the amount of the state payment.

c. Payments for supplements for Medicare and Medicaid eligibles shall be state-administered. Income excluded in determining eligibility for the person’s Medicaid coverage group shall be excluded in determining eligibility for the state payment.

50.2(2) Any person applying for payment for a protective living arrangement or payment for a dependent relative shall make application for supplemental security income at the Social Security Administration district office. The county office of the department of human services shall certify to the Social Security Administration as to the nature of the living arrangement or the status of the dependent.

50.2(3) Any person applying for payment for residential care shall make application at a local office of the department of human services or at the residential care facility where the person resides. Any person applying for a dependent person allowance or for payment for a protective living arrangement or

in-home, health-related care shall make application at a local office of the department. An application may also be filed in any disproportionate share hospital, federally qualified health center or other facility in which outstationing activities are provided.

The application shall be made on the Health Services Application, Form 470-2927 or 470-2927(S), or the Health and Financial Support Application, Form 470-0462 or 470-0462(S). The application shall be signed by the applicant or the authorized representative. Someone acting responsibly for an incapacitated, incompetent, or deceased person may sign the application on the person's behalf.

a. Each individual wishing to do so shall have the opportunity to apply for assistance without delay.

b. An applicant may be assisted by other individuals in the application process; the client may be accompanied by the individuals in contact with the department, and when so accompanied, may also be represented by them. When the applicant has a guardian, the guardian shall participate in the application process.

c. The applicant shall immediately be given an application form to complete. When the applicant requests that the forms be mailed, the department shall send the necessary forms in the next outgoing mail.

d. The decision with respect to eligibility shall be based primarily on information furnished by the applicant. The department shall notify the applicant in writing of additional information or verification that is required to establish eligibility for assistance. Failure of the applicant to supply the information or refusal to authorize the department to secure the information from other sources shall serve as a basis for denial of assistance.

50.2(4) An application for Medicaid from a person who meets the requirements of rule 441—51.6(249) shall be considered as an application for the supplement for Medicare and Medicaid eligibles.

This rule is intended to implement Iowa Code section 249.4 as amended by 2004 Iowa Acts, House File 2134, section 5.

[ARC 0544C, IAB 1/9/13, effective 3/1/13]

441—50.3(249) Approval of application and effective date of eligibility.

50.3(1) Payment for a federally administered payment category when the applicant is not an SSI recipient shall be effective the month following the month that an application is filed or, if later, the month following the month that all eligibility criteria are met, pursuant to 42 U.S.C. 1382(c)(7).

Payment for a federally administered payment category when the applicant is an SSI recipient shall be effective as of the first day of the month in which an application is filed or the first day of the month in which all eligibility criteria are met, whichever is later, notwithstanding 42 U.S.C. 1382(c)(7).

50.3(2) Payment for residential care shall be effective as of the date that eligibility first exists, notwithstanding 42 U.S.C. 1382(c)(7), but in no case shall the effective date be earlier than 30 days prior to the date of application.

50.3(3) The application for residential care shall be approved or denied within five working days after the Social Security Administration approves supplemental security income benefits. When supplemental security income benefits will not be received, the application shall be approved or denied within five working days from the date of establishment of all eligibility factors.

50.3(4) Payment for the supplement for Medicare and Medicaid eligibles shall be effective retroactive to October 1, 2003, or to the first month when all eligibility requirements are met, whichever is later.

This rule is intended to implement Iowa Code section 249.4 as amended by 2004 Iowa Acts, House File 2134, section 5.

441—50.4(249) Reviews.

50.4(1) Any eligibility factor shall be reviewed whenever a change in circumstances occurs.

50.4(2) All eligibility factors shall be reviewed at least annually.

50.4(3) For purposes of an annual review to be performed by the department, Form 470-3118 or 470-3118(S), Medicaid Review, shall be completed.

50.4(4) Rescinded IAB 10/31/01, effective 1/1/02.

This rule is intended to implement Iowa Code section 249.4.

441—50.5(249) Application under conditional benefits. When the client is seeking state supplementary assistance (SSA) under the conditional benefit policy of the supplemental security income (SSI) program, the client shall be required to do the following:

50.5(1) Sign Form 470-2909, Agreement to Sell Excess Property, in order to be eligible.

50.5(2) Describe the efforts that are made to sell the property on Form 470-2908, Description of Efforts to Sell Property, as requested by the department. The department shall request that the form be completed no more often than specified. For personal property being sold Form 470-2908 shall be completed no more often than every 30 days during the conditional benefits period. For real property being sold Form 470-2908 shall be completed beginning 35 days after conditional benefits are granted and no more often than every 60 days thereafter for nine months. If eligibility continues and the real property is not sold, the form shall be completed no more often than every 90 days.

50.5(3) Sign an agreement to repay the state supplementary assistance granted during the conditional period using Form 470-2835, State Supplementary Assistance Agreement to Repay Conditional Benefits. The amount of repayment is limited to the lesser of:

a. The amount by which the revised value of resources (resources counted at the beginning of the conditional period plus the net value of resources sold) minus both the resource limit and the amount that SSI recovers for conditional benefits.

b. The amount of state supplementary assistance actually paid in the conditional period, minus the amount that SSI recovers for conditional benefits.

This rule is intended to implement Iowa Code sections 249.3, 249.4 and 249A.4.

CHAPTER 51 ELIGIBILITY

[Prior to 7/1/83, Social Services[770] Ch 51]

[Prior to 2/11/87, Human Services[498]]

441—51.1(249) Application for other benefits. An applicant or any other person whose needs are included in determining the state supplementary assistance payment must have applied for or be receiving all other benefits, including supplemental security income or the family investment program, for which the person may be eligible. The person must cooperate in the eligibility procedures while making application for the other benefits. Failure to cooperate shall result in ineligibility for state supplementary assistance.

This rule is intended to implement Iowa Code section 249.3.

441—51.2(249) Supplementation. Any supplemental payment made on behalf of the recipient from any source other than a nonfederal governmental entity shall be considered as income, and the payment shall be used to reduce the state supplementary assistance payment.

441—51.3(249) Eligibility for residential care.

51.3(1) Licensed facility. Payment for residential care shall be made only when the facility in which the applicant or recipient is residing is currently licensed by the department of inspections and appeals pursuant to laws governing health care facilities.

51.3(2) Physician's statement. Payment for residential care shall be made only when there is on file an order written by a physician certifying that the applicant or recipient being admitted requires residential care but does not require nursing services. The certification shall be updated whenever a change in the recipient's physical condition warrants reevaluation, but no less than every 12 months.

51.3(3) Income eligibility. The resident shall be income eligible when the income according to 441—paragraph 52.1(3) "a" is less than 31 times the per diem rate of the facility. Partners in a marriage who both enter the same room of the residential care facility in the same month shall be income eligible for the initial month when their combined income according to 441—paragraph 52.1(3) "a" is less than twice the amount of allowed income for one person (31 times the per diem rate of the facility).

51.3(4) Diversion of income. Rescinded IAB 5/1/91, effective 7/1/91.

51.3(5) Resources. Rescinded IAB 5/1/91, effective 7/1/91.

This rule is intended to implement Iowa Code section 249.3.

441—51.4(249) Dependent relatives.

51.4(1) Income. Income of a dependent relative shall be less than the amount established by the department based on assistance standards as provided in rule 441—52.1(249). When the dependent's income is from earnings, an exemption of \$65 shall be allowed to cover work expense.

51.4(2) Resources. The resource limitation for a recipient and a dependent child or parent shall be \$2,000. The resource limitation for a recipient and a dependent spouse shall be \$3,000. The resource limitation for a recipient, spouse, and dependent child or parent shall be \$3,000.

51.4(3) Living in the home. A dependent relative shall be eligible until out of the recipient's home for a full calendar month starting at 12:01 a.m. on the first day of the month until 12 midnight on the last day of the same month.

51.4(4) Dependency. A dependent relative may be the recipient's ineligible spouse, parent, child, or adult child who is financially dependent upon the recipient. A relative shall not be considered to be financially dependent upon the recipient when the relative is living with a spouse who is not the recipient.

This rule is intended to implement Iowa Code sections 249.3 and 249.4.

[ARC 7605B, IAB 3/11/09, effective 4/15/09; ARC 9965B, IAB 1/11/12, effective 1/1/12; ARC 0064C, IAB 4/4/12, effective 5/9/12; ARC 0489C, IAB 12/12/12, effective 1/1/13; ARC 0633C, IAB 3/6/13, effective 5/1/13; ARC 1268C, IAB 1/8/14, effective 1/1/14; ARC 1352C, IAB 3/5/14, effective 4/9/14; ARC 1813C, IAB 1/7/15, effective 1/1/15; ARC 1892C, IAB 3/4/15, effective 4/8/15; ARC 2891C, IAB 1/4/17, effective 1/1/17; ARC 2958C, IAB 3/1/17, effective 4/5/17; ARC 3599C, IAB 1/31/18, effective 1/5/18; ARC 3715C, IAB 3/28/18, effective 5/2/18; ARC 4220C, IAB 1/2/19, effective 1/1/19]

441—51.5(249) Residence. A recipient of state supplementary assistance shall be living in the state of Iowa.

This rule is intended to implement Iowa Code section 249.3.

441—51.6(249) Eligibility for supplement for Medicare and Medicaid eligibles. The following eligibility requirements are specific to the supplement for Medicare and Medicaid eligibles:

51.6(1) Medicaid eligibility. The recipient must be eligible for and receiving full medical assistance benefits under Iowa Code chapter 249A without regard to eligibility based on receipt of state supplementary assistance under this rule, and without being required to meet a spenddown or pay a premium to be eligible for medical assistance benefits.

51.6(2) SSI eligibility. The recipient shall meet all eligibility requirements for supplemental security income benefits other than limits on substantial gainful activity and income.

51.6(3) Not otherwise eligible. The recipient must not be eligible for benefits under another state supplementary assistance group.

51.6(4) Medicare eligibility. The recipient must be currently eligible for Medicare Part B.

51.6(5) Living arrangement. A recipient may live in one of the following:

- a. The person's own home.
- b. The home of another person.
- c. A group living arrangement.
- d. A medical facility.

51.6(6) Income. Income of a recipient shall be within the income limit for the person's Medicaid eligibility group, but must exceed 120 percent of the federal poverty level.

This rule is intended to implement Iowa Code section 249.3 as amended by 2005 Iowa Acts, House File 825, section 108.

441—51.7(249) Income from providing room and board. In determining income from furnishing room and board or providing family-life home care, the amount established by the department based on assistance standards as provided in rule 441—52.1(249) shall be deducted to cover the cost, and the remaining amount shall be treated as earned income.

This rule is intended to implement Iowa Code sections 249.3 and 249.4.

[ARC 7605B, IAB 3/11/09, effective 4/15/09; ARC 9965B, IAB 1/11/12, effective 1/1/12; ARC 0064C, IAB 4/4/12, effective 5/9/12; ARC 0489C, IAB 12/12/12, effective 1/1/13; ARC 0633C, IAB 3/6/13, effective 5/1/13; ARC 1268C, IAB 1/8/14, effective 1/1/14; ARC 1352C, IAB 3/5/14, effective 4/9/14; ARC 1813C, IAB 1/7/15, effective 1/1/15; ARC 1892C, IAB 3/4/15, effective 4/8/15; ARC 2891C, IAB 1/4/17, effective 1/1/17; ARC 2958C, IAB 3/1/17, effective 4/5/17; ARC 3599C, IAB 1/31/18, effective 1/5/18; ARC 3715C, IAB 3/28/18, effective 5/2/18; ARC 4220C, IAB 1/2/19, effective 1/1/19]

441—51.8(249) Furnishing of social security number. As a condition of eligibility applicants or recipients of state supplementary assistance must furnish their social security account numbers or proof of application for the numbers if they have not been issued or are not known and provide their numbers upon receipt.

Assistance shall not be denied, delayed, or discontinued pending the issuance or verification of the numbers when the applicants or recipients are cooperating in providing information necessary for issuance of their social security numbers.

This rule is intended to implement Iowa Code sections 249.3 and 249.4.

441—51.9(249) Recovery.

51.9(1) Definitions.

“Administrative overpayment” means assistance incorrectly paid to or for the client because of continuing assistance during the appeal process.

“Agency error” means assistance incorrectly paid to or for the client because of action attributed to the department as the result of one or more of the following circumstances:

1. Misfiling or loss of forms or documents.
2. Errors in typing or copying.
3. Computer input errors.

4. Mathematical errors.
5. Failure to determine eligibility correctly or to certify assistance in the correct amount when all essential information was available to the local office.
6. Failure to make prompt revisions in payment following changes in policies requiring the changes as of a specific date.

“*Client*” means a current or former applicant or recipient of state supplementary assistance.

“*Client error*” means assistance incorrectly paid to or for the client because the client or client’s representative failed to disclose information, or gave false or misleading statements, oral or written, regarding the client’s income, resources, or other eligibility and benefit factors. It also means assistance incorrectly paid to or for the client because of failure by the client or client’s representative to timely report as defined in rule 441—76.10(249A).

“*Department*” means the department of human services.

51.9(2) Amount subject to recovery. The department shall recover from a client all state supplementary assistance funds incorrectly expended to or on behalf of the client, or when conditional benefits have been granted.

a. The department also shall seek to recover the state supplementary assistance granted during the period of time that conditional benefits were correctly granted the client under the policies of the supplemental security income program.

b. The incorrect expenditures may result from client or agency error, or administrative overpayment.

51.9(3) Notification. All clients shall be promptly notified when it is determined that assistance was incorrectly expended. Notification shall include for whom assistance was paid; the time period during which assistance was incorrectly paid; the amount of assistance subject to recovery, when known; and the reason for the incorrect expenditure.

51.9(4) Source of recovery. Recovery shall be made from the client or from parents of children under the age of 21 when the parents completed the application and had responsibility for reporting changes. Recovery must come from income, resources, the estate, income tax refunds, and lottery winnings of the client.

51.9(5) Repayment. The repayment of incorrectly expended state supplementary assistance funds shall be made to the department.

51.9(6) Appeals. The client shall have the right to appeal the amount of funds subject to recovery under the provisions of 441—Chapter 7.

This rule is intended to implement Iowa Code sections 249.3 and 249.4.

CHAPTER 52

PAYMENT

[Prior to 7/1/83, Social Services[770] Ch 52]

[Prior to 2/11/87, Human Services[498]]

441—52.1(249) Assistance standards. Assistance standards are the amounts of money allowed on a monthly basis to recipients of state supplementary assistance in determining financial need and the amount of assistance granted. Current assistance standards shall be published on the department's website. Assistance standards shall be adjusted annually to reflect cost-of-living adjustments (COLA) adopted by the Social Security Administration, in accordance with 20 CFR §§416.2095 and 416.2096. Adjustments to the assistance standards based on COLA are effective January 1 of each year.

52.1(1) Protective living arrangement. Assistance standards shall be established by the department as provided in rule 441—52.1(249) for care and personal allowances for persons living in a family-life home certified under rules in 441—Chapter 111.

52.1(2) Dependent relative. Assistance standards for the following categories shall be established by the department as provided in rule 441—52.1(249) for state supplementary assistance for dependent relatives residing in a recipient's home.

- a. Aged or disabled client and a dependent relative.
- b. Aged or disabled client, eligible spouse, and a dependent relative.
- c. Blind client and a dependent relative.
- d. Blind client, aged or disabled spouse, and a dependent relative.
- e. Blind client, blind spouse, and a dependent relative.

52.1(3) Residential care. For periods of eligibility before July 1, 2017, the department will reimburse a recipient in either a privately operated or non-privately operated residential care facility on a flat per diem rate or on a cost-related reimbursement system with a maximum per diem rate, established consistent with the assistance standards principles provided in rule 441—52.1(249). The department shall establish a cost-related per diem rate for each licensed residential care facility choosing the cost-related reimbursement method of payment according to rule 441—54.3(249).

For periods of eligibility beginning July 1, 2017, and thereafter, payment to a recipient in a privately operated licensed residential care facility shall be based on the maximum per diem rate. Reimbursement for recipients in non-privately operated residential care facilities will be based on the flat per diem rate or be based on the cost-related reimbursement system with a maximum per diem rate, established consistent with the assistance standards principles provided in rule 441—52.1(249).

The facility shall accept the per diem rate established by the department for state supplementary assistance recipients as payment in full from the recipient and make no additional charges to the recipient.

a. All income of a recipient as described in this subrule after the disregards described in this subrule shall be applied to meet the cost of care before payment is made through the state supplementary assistance program.

Income applied to meet the cost of care shall be the income considered available to the resident pursuant to supplemental security income (SSI) policy plus the SSI benefit less the following monthly disregards applied in the order specified:

- (1) When income is earned, impairment related work expenses, as defined by SSI plus \$65 plus one-half of any remaining earned income.
- (2) An allowance established by the department consistent with rule 441—52.1(249) shall be given to meet personal expenses and Medicaid copayment expenses.
- (3) When there is a spouse at home, the amount of the SSI benefit for an individual minus the spouse's countable income according to SSI policies. When the spouse at home has been determined eligible for SSI benefits, no income disregard shall be made.
- (4) When there is a dependent child living with the spouse at home who meets the definition of a dependent according to the SSI program, the amount of the SSI allowance for a dependent minus the dependent's countable income and the amount of income from the parent at home that exceeds the SSI benefit for one according to SSI policies.

(5) Established unmet medical needs of the resident, excluding private health insurance premiums and Medicaid copayment expenses. Unmet medical needs of the spouse at home, exclusive of health insurance premiums and Medicaid copayment expenses, shall be an additional deduction when the countable income of the spouse at home is not sufficient to cover those expenses. Unmet medical needs of the dependent living with the spouse at home, exclusive of health insurance premiums and Medicaid copayment expenses, shall also be deducted when the countable income of the dependent and the income of the parent at home that exceeds the SSI benefit for one is not sufficient to cover the expenses.

(6) The income of recipients of state supplementary assistance or Medicaid needed to pay the cost of care in another residential care facility, a family-life home, an in-home health-related care provider, a home- and community-based waiver setting, or a medical institution is not available to apply to the cost of care. The income of a resident who lived at home in the month of entry shall not be applied to the cost of care except to the extent the income exceeds the SSI benefit for one person or for a married couple if the resident also had a spouse living in the home in the month of entry.

b. Payment is made for only the days the recipient is a resident of the facility. Payment shall be made for the date of entry into the facility, but not the date of death or discharge.

c. Payment shall be made in the form of a grant to the recipient on a post payment basis.

d. Payment shall not be made when income is sufficient to pay the cost of care in a month with less than 31 days, but the recipient shall remain eligible for all other benefits of the program.

e. Payment will be made for periods the resident is absent overnight for the purpose of visitation or vacation. The facility will be paid to hold the bed for a period not to exceed 30 days during any calendar year, unless a family member or legal guardian of the resident, the resident's physician, case manager, or department service worker provides signed documentation that additional visitation days are desired by the resident and are for the benefit of the resident. This documentation shall be obtained by the facility for each period of paid absence which exceeds the 30-day annual limit. This information shall be retained in the resident's personal file. If documentation is not available to justify periods of absence in excess of the 30-day annual limit, the facility shall submit a Case Activity Report, Form 470-0042, to the county office of the department to terminate the state supplementary assistance payment.

A family member may contribute to the cost of care for a resident subject to supplementation provisions at rule 441—51.2(249) and any contributions shall be reported to the county office of the department by the facility.

f. Payment will be made for a period not to exceed 20 days in any calendar month when the resident is absent due to hospitalization. A resident may not start state supplementary assistance on reserve bed days.

g. The per diem rate established for recipients of state supplementary assistance shall not exceed the average rate established by the facility for private pay residents.

(1) Residents placed in a facility by another governmental agency are not considered private paying individuals. Payments received by the facility from such an agency shall not be included in determining the average rate for private paying residents.

(2) To compute the facilitywide average rate for private paying residents, the facility shall accumulate total monthly charges for those individuals over a six-month period and divide by the total patient days care provided to this group during the same period of time.

52.1(4) *Blind.* The standard for a blind recipient not receiving another type of state supplementary assistance is \$22 per month.

52.1(5) *In-home, health-related care.* Payment to a person receiving in-home, health-related care shall be made in accordance with rules in 441—Chapter 177.

52.1(6) *Minimum income level cases.* The income level of those persons receiving old age assistance, aid to the blind, and aid to the disabled in December 1973 shall be maintained at the December 1973 level as long as the recipient's circumstances remain unchanged and that income level is above current standards. In determining the continuing eligibility for the minimum income level, the income limits, resource limits, and exclusions which were in effect in October 1972 shall be utilized.

52.1(7) Supplement for Medicare and Medicaid eligibles. Payment to a person eligible for the supplement for Medicare and Medicaid eligibles shall be \$1 per month.

This rule is intended to implement Iowa Code chapter 249.

CHAPTER 53

RENT SUBSIDY PROGRAM

Rescinded IAB 10/8/08, effective 11/12/08

[Filed without Notice 9/17/08—published 10/8/08, effective 11/12/08]

CHAPTER 54
FACILITY PARTICIPATION
[Prior to 7/1/83, Social Services[770] Ch 54]
[Prior to 2/11/87, Human Services[498]]

441—54.1(249) Application and contract agreement. Each facility desiring to participate in the state supplementary assistance program must enter into a contract with the department of human services and agree to the provisions as enumerated in Form 470-0443, Application and Contract Agreement for Residential Care Facilities. The effective date of the contract shall be the first of the month that the Application and Contract Agreement for Residential Care Facilities, signed by the administrator of the facility, is received by the department. No payment shall be made for care provided before the effective date of the contract. The contract shall be in effect until the department ceases to participate in the program, until either party gives 60 days' notice of termination in writing to the other party, or until there is a change in ownership. The facility shall notify the department within 30 days of a change in ownership, a change in the number of beds or a change in administrator.

This rule is intended to implement Iowa Code section 249.12.
[ARC 0991C, IAB 9/4/13, effective 11/1/13]

441—54.2(249) Maintenance of case records. A facility must maintain a case folder for each individual residing in the facility which contains the following:

1. Contract between the facility and the resident on Form 470-0477, RCF Admission Agreement.
2. Physician's statement certifying that the resident does not require nursing services.
3. Proof of expenditures from resident's "personal needs" allowance.

This rule is intended to implement Iowa Code section 249.12.
[ARC 0991C, IAB 9/4/13, effective 11/1/13]

441—54.3(249) Payment for residential care facilities. Payments for privately operated residential care facilities will be made at the maximum per diem rate in 441—subrule 52.1(3). Non-privately operated facilities wishing to participate in the program shall submit a Financial and Statistical Report, Form 470-0030, to the department. The reports shall be based on the following rules.

54.3(1) Failure to maintain records. Failure to adequately maintain fiscal records, including census records, medical charts, ledgers, journals, tax returns, canceled checks, source documents, invoices, and audit reports by or for a facility may result in the penalties specified in subrule 54.8(1).

54.3(2) Accounting procedures. Financial information shall be based on that appearing in the audited financial statement. Adjustments to convert to the accrual basis of accounting shall be made when the records are maintained on other accounting basis.

54.3(3) Submission of reports. The report shall be received by the Iowa Medicaid enterprise provider cost audit and rate setting unit no later than three months after the close of the facility's established fiscal year. If the residential care facility is associated with a nursing facility, the cost report shall be due no later than five months after the close of the provider's reporting year.

a. The financial and statistical report shall be submitted in an electronic format approved by the department.

b. The submission shall include a working trial balance that corresponds to all financial data contained on the cost report. The working trial balance must provide sufficient detail to enable the Iowa Medicaid enterprise provider cost audit and rate setting unit to reconcile accounts reported on the general ledger to those on the financial and statistical report. For reporting costs that are not directly assigned to the residential care facility in the working trial balance, an allocation method must be identified for each line, including the statistics used in the calculation. Reports submitted without a working trial balance shall be considered incomplete, and the facility shall be subject to the rate reductions set forth in paragraph 54.3(3) "d."

c. If the financial statements have been compiled, reviewed or audited by an outside firm, a copy of the compilation, review or audit, including notes, for the reporting period shall be included with the submission of the financial and statistical report.

d. Failure to timely submit the complete report shall reduce payment to 75 percent of the current rate.

(1) The reduced rate shall be effective the first day of the fourth month following the facility's fiscal year end and shall remain in effect until the first day of the month after the delinquent report is received by the Iowa Medicaid enterprise provider cost audit and rate setting unit.

(2) The reduced rate shall be paid for no longer than three months, after which time no further payments shall be made until the first day of the month after the delinquent report is received by the Iowa Medicaid enterprise provider cost audit and rate setting unit.

e. Amended reports. The department, in its sole discretion, may reopen a review of a financial and statistical report at any time. No other entity or person has the right to request that the department or its contractor reopen a review of a financial and statistical report, or submit an amended financial and statistical report for review by the department, after the facility is notified of its per diem payment rate following a review of a financial and statistical report.

f. When a residential care facility continues to include in the total costs an item or items which had in a prior period been removed through an adjustment made by the department or its contractor, the contractor shall recommend to the department that the per diem be reduced to 75 percent of the current payment rate for the entire quarter beginning the first day of the fourth month after the facility's fiscal year end. If the adjustment has been contested and is still in the appeals process, the facility may include the cost, but must include sufficient detail so the Iowa Medicaid enterprise provider cost audit and rate setting unit can determine if a similar adjustment is needed in the current period. The department may, after considering the seriousness of the offense, make the reduction.

g. Nothing in this subrule relieves a facility of its obligation to immediately inform the department that the facility has retained Medicaid funds to which the facility is not entitled as a result of any cost report process. A facility shall notify the Iowa Medicaid enterprise when the facility determines that funds have been incorrectly paid or when an overpayment has been detected.

54.3(4) *Payment at new rate.* When a new rate is established, payment at the new rate shall be effective with services rendered as of the first day of the month in which the report was received by the department of human services. Adjustments shall be included in the payment the third month after the receipt of the report.

54.3(5) *Accrual basis.* Facilities not using the accrual basis of accounting shall adjust recorded amounts to the accrual basis. Records of cash receipts and disbursements shall be adjusted to reflect accruals of income and expense.

54.3(6) *Census of public assistance recipients.* Census figures of public assistance recipients shall be obtained on the last day of the month ending the reporting period.

54.3(7) *Patient days.* In determining in-patient days, a patient day is that period of service rendered a patient between the census taking hours on two successive days, the day of discharge being counted only when the patient was admitted that same day.

54.3(8) *Opinion of accountant.* The department may require that an opinion of a certified public accountant or public accountant accompany the report when adjustments made to prior reports indicate disregard of the certification and reporting instructions.

54.3(9) *Calculating patient days.* When calculating patient days, facilities shall use an accumulation method.

a. Census information shall be based on a patient status at midnight each day. A patient whose status changes from one class to another shall be shown as discharged from the previous status and admitted to the new status on the same day.

b. When a recipient is on a reserved bed status and the department of human services is paying on a per diem basis for the holding of a bed, or any day a bed is reserved for a public assistance or nonpublic assistance resident and a per diem rate for the bed is charged to any party, reserved days shall be included in the total census figures for in-resident days.

54.3(10) *Revenues.* Revenues shall be reported as recorded in the general books and records. Expense recoveries credited to expense accounts shall not be reclassified in order to be reflected as revenues.

a. Routine daily services shall represent the established charge for daily care. Routine daily services are those services which include room, board, and such services as supervision, feeding, and similar services.

b. Revenue not related to resident care shall be applied in reduction of the related expense.

c. Investment income adjustment is necessary only when interest expense is incurred, and only to the extent of the interest expense.

d. Accounts receivable charged off or provision for uncollectible accounts shall be reported as a deduction from gross revenue.

54.3(11) *Limitation of expenses.* Certain expenses that are not normally incurred in providing resident care shall be eliminated or limited according to the following rules.

a. Federal and state income taxes are considered in computing the fee for services for proprietary institutions.

b. Fees paid directors and nonworking officer's salaries are not allowed as reimbursable costs.

c. Bad debts are not an allowable expense.

d. Charity allowances and courtesy allowances are not an allowable expense.

e. Personal travel and entertainment are not allowable as reimbursable costs. Certain expenses such as rental or depreciation of a vehicle and expenses of travel which include both business and personal costs shall be prorated. Amounts which appear to be excessive may be limited after consideration of the specific circumstances. Records shall be maintained to substantiate the indicated charges.

(1) Commuter travel by the owner(s), owner-administrator(s), administrator, nursing director or any other employee is not an allowable cost (from private residence to facility and return to residence).

(2) The expense of one car or one van or both designated for use in transporting patients shall be an allowable cost. All expenses shall be documented by a sales slip, invoice or other document setting forth the designated vehicle as well as the charges incurred for the expenses to be allowable.

(3) Each facility which supplies transportation services as defined in Iowa Code section 324A.1, subsection 1, shall provide current documentation of compliance with or exemption from public transit coordination requirements as found in Iowa Code chapter 324A and 761—Chapter 910 of the department of transportation rules at the time of annual contract renewal. Failure to cooperate in obtaining or in providing the required documentation of compliance or exemption after receipt from the Iowa department of transportation, public transit division, shall result in disallowance of vehicle costs and other costs associated with transporting residents.

(4) Expenses related to association business meetings, limited to individual members of the association who are members of a national affiliate, and expenses associated with workshops, symposiums, and meetings which provide administrators or department heads with hourly credits required to comply with continuing education requirements for licensing, are allowable expenses.

(5) Travel of an emergency nature required for supplies, repairs of machinery or equipment, or building is an allowable expense.

(6) Travel for which a patient must pay is not an allowable expense.

(7) Allowable expenses in subparagraphs (2) to (5) above are limited to 6 percent of total administrative expense.

f. Entertainment provided by the facility for participation of all residents who are physically and mentally able to participate is an allowable expense except entertainment for which the patient is required to pay is not an allowable expense.

g. Loan acquisition fees and standby fees are not considered part of the current expense of patient care, but should be amortized over the life of the related loan.

h. A reasonable allowance of compensation for services of owners is an allowable cost, provided the services are actually performed in a necessary function. Adequate time records shall be maintained. Adjustments may be necessary to provide compensation as an expense for nonsalaried working proprietors and partners. Members of religious orders serving under an agreement with their administrative office are allowed salaries paid persons performing comparable services. When maintenance is provided these persons by the facility, consideration shall be given to the value of

these benefits and this amount shall be deducted from the amount otherwise allowed for a person not receiving maintenance.

(1) Compensation means the total benefit received by the owner or immediate relative for services rendered. Compensation includes all remuneration, paid currently or accrued, for managerial, administrative, professional and other services rendered during the period. Compensation shall include all items that should be reflected on IRS Form W-2, Wage and Tax Statement, including, but not limited to, salaries, wages, and fringe benefits; the cost of assets and services received; and deferred compensation. Fringe benefits shall include, but are not limited to, costs of leave, employee insurance, pensions and unemployment plans. If the facility's fiscal year end does not correlate to the period of the W-2, a reconciliation between the latest issued W-2 and current compensation shall be required to be disclosed to the Iowa Medicaid enterprise provider cost audit and rate setting unit. Employer portions of payroll taxes associated with amounts of compensation that exceed the maximum allowed compensation shall be considered unallowable for reimbursement. All compensation paid to related parties, including payroll taxes, shall be required to be reported to the Iowa Medicaid enterprise provider cost audit and rate setting unit with the submission of the financial and statistical report. If it is determined that there have been undisclosed related-party salaries, the cost report shall be determined to have been submitted incomplete and the facility shall be subject to the penalties set forth in paragraph 54.3(3) "d."

(2) Reasonableness requires that the compensation allowance be such an amount as would ordinarily be paid for comparable services by comparable facilities, and depends upon the facts and circumstances of each case.

(3) Necessary requires that the function be such that had the owner not rendered the services, the facility would have had to employ another person to perform the service, and be pertinent to the operation and sound conduct of the facility.

(4) The maximum allowed compensation for the administrator is \$1,250 per month plus \$13 per month per bed licensed capacity for each bed over 60 not to exceed \$1,775 per month.

(5) The maximum allowed compensation for employees as set forth in subparagraph 54.3(11) "h"(4) shall be adjusted by the percentage of the average work week that the employee devoted to business activity at the residential care facility for the fiscal year of the financial and statistical report. The time devoted to the business shall be disclosed on the financial and statistical report and shall correspond to any amounts reported to the Medicare fiscal intermediary. If an owner's or immediate relative's time is allocated to the facility from another entity (e.g., home office), the compensation limit shall be adjusted by the percentage of total costs of the entity allocated to the facility. In no case shall the amount of salary for one employee allocated to multiple facilities be more than the maximum allowed compensation for that employee had the salary been allocated to only one facility.

i. Management fees shall be computed on the same basis as the administrator's salary but shall have the amount paid the resident administrator deducted. When the parent company can separately identify accounting costs, such costs are allowed.

j. Depreciation based upon tax cost using only the straight-line method of computation, recognizing the estimated normal life of the asset, may be included as a resident cost. When accelerated methods of computation have been elected for income tax purposes, an adjustment shall be made. For change of ownership, refer to 54.3(12) "b" and "c."

k. Necessary and proper interest on both current and capital indebtedness is an allowable cost.

(1) Interest is the cost incurred for the use of borrowed funds. Interest on current indebtedness is the cost incurred for funds borrowed for a relatively short term. Interest on capital indebtedness is the cost incurred for funds borrowed for capital purposes.

(2) "Necessary" requires that the interest be incurred on a loan made to satisfy a financial need of the provider, be incurred on a loan made for a purpose reasonably related to resident care.

(3) "Proper" requires that interest be incurred at a rate not in excess of what a prudent borrower would have had to pay in the money market on the date the loan was made, and be paid to a lender not related through control or ownership to the borrowing organization.

(4) Interest on loans is allowable as cost at a rate not in excess of the amount an investor could receive on funds invested in the locality on the date the loan was made.

(5) Interest is an allowable cost when the general fund of a provider borrows from a donor-restricted fund, a funded depreciation account of the provider, or the provider's qualified pension fund, and pays interest to such fund, or when a provider operated by members of a religious order borrows from the order.

(6) When funded depreciation is used for purposes other than improvement, replacement or expansion of facilities or equipment related to resident care, allowable interest expense is reduced to adjust for offsets not made in prior years for earnings on funded depreciation. A similar treatment will be accorded deposits in the provider's qualified pension fund where the deposits are used for other than the purpose for which the fund was established.

l. Costs applicable to supplies furnished by a related party or organization are a reimbursable cost when included at the cost to the related party or organization. The cost shall not exceed the price of comparable supplies that could be purchased elsewhere.

(1) Related means that the facility, to a significant extent, is associated with or has control of or is controlled by the organization furnishing the services, facilities, or supplies.

(2) Common ownership exists when an individual or individuals possess significant ownership or equity in the facility and the institution or organization serving the provider.

(3) Control exists where an individual or an organization has power, directly or indirectly, to significantly influence or direct the actions or policies of an organization or institution.

(4) When the facility demonstrates by convincing evidence that the supplying organization is a bona fide separate organization; that a substantial part of its business activity of the type carried on with the facility is transacted with others and there is an open competitive market for the type of services, facilities, or supplies furnished by the organization; that the services, facilities, or supplies are those which commonly are obtained by similar institutions from other organizations and are not a basic element of resident care ordinarily furnished directly to residents by such institutions; and that the charge to the facility is in line with the charge for these services, facilities, or supplies in the open market and no more than the charge made under comparable circumstances to others by the organization for these services, facilities, or supplies, the charges by the supplier shall be allowable costs.

m. When the operator of a participating facility rents from a nonrelated party, the amount of rent or lease expense allowable on the cost report shall be based on either of the following methods at the discretion of the operator:

(1) Actual rent expense or portion thereof so that total property cost does not exceed the median property cost of all participating facilities as adjusted annually based on cost reports on file with the department as of June 30 each year.

(2) The cost of the facility amortized over its expected useful life plus other owner's expenses and a reasonable rate of return, not to exceed actual rent payments.

When the operator of a participating facility rents or leases the building from a related party, the amount of rent or lease expense allowable on the cost report shall be no more than the amortized cost of the facility plus other owner's expenses.

Whenever owner's costs are used as the basis for allowable rental costs, the owner must be willing to provide documentation of these costs.

n. Reasonable legal, accounting, consulting and other professional fees, including association dues, are allowable costs if the fees are directly related to patient care. Legal, accounting, consulting and other professional fees, including association dues, described by the following are not considered to be patient-related and therefore are not allowable expenses:

(1) Any fees or portion of fees used or designated for lobbying.

(2) Nonrefundable and unused retainers.

(3) Fees paid by the facility for the benefit of employees.

(4) Legal fees, expenses related to expert witnesses, accounting fees and other consulting fees incurred in an administrative or judicial proceeding. EXCEPTION: Facilities may report the reasonable costs incurred in an administrative or judicial proceeding if all of the following conditions are met. Recognition of any costs will be in the fiscal period when a final determination in the administrative or judicial proceeding is made.

1. The costs have actually been incurred and paid,
2. The costs are reasonable expenditures for the services obtained,
3. The facility has made a good-faith effort to settle the disputed issue before the completion of the administrative or judicial proceeding, and
4. The facility prevails on the disputed issue.
 - o.* Penalties or fines imposed by federal or state agencies are not allowable expenses.
 - p.* Penalties, fines or fees imposed for insufficient funds or delinquent payments are not allowable expenses.

54.3(12) *Termination or change of owner.*

a. A participating facility contemplating termination of participation or negotiating a change of ownership shall provide the department of human services with at least 60 days prior notice. A transfer of ownership or operation terminates the participation agreement. A new owner or operator shall establish that the facility meets the conditions for participation and enter into a new agreement. The person responsible for transfer of ownership or for termination is responsible for submission of a final financial and statistical report through the date of the transfer. No payment to the new owner shall be made until formal notification is received. The following situations are defined as transfer of ownership:

(1) In the case of a partnership which is a party to an agreement to participate in the residential care program, the removal, addition, or substitution of an individual for a partner in the association, in the absence of an express statement to the contrary, dissolves the old partnership and creates a new partnership which is not a party to the previously executed agreement and a transfer of ownership has occurred.

(2) When a participating nursing home is a sole proprietorship, a transfer of title and property to another party constitutes a change of ownership.

(3) When the facility is a corporation, neither a transfer of corporate stock nor a merger of one or more corporations with the participating corporation surviving is a transfer of ownership. A consolidation of two or more corporations resulting in the creation of a new corporate entity constitutes a change of ownership.

(4) When a participating facility is leased, in whole or in part, a transfer of ownership is considered to have taken place.

b. Upon change of ownership, the new owner or operator shall furnish the department with an appraisal made by a department-approved appraiser. The appraisal shall be based on market values.

c. The new owner or operator shall either continue the previous owner's depreciation schedule or set up a new depreciation schedule using the amount obtained by deducting the depreciation expense incurred since July 1, 1980, from the value of depreciable real property. The value will be the sale price or appraisal value, whichever is less.

54.3(13) *Payment to new home.* A new home for which cost has not been established shall receive the prevailing maximum allowable cost ceiling. At the end of three months' operation a financial and statistical report shall be submitted. Subsequent reports shall be submitted from the first day to the last day of the fiscal year.

54.3(14) *Payment to the new owner.* An existing facility with a new owner shall continue with the previous owner's per diem rate until a new financial and statistical report has been submitted and a new rate established. The facility shall submit a report for the period from beginning of actual operation to the end of the fiscal year.

54.3(15) *Basis for reimbursement and upper limits.* The cost-related per diem rate is calculated by computing the per diem allowable costs from the financial and statistical report, adding an inflation factor on an annual basis to all costs except interest to adjust for inflation, and adding an incentive factor of 52 cents for nonprofit facilities and 70 cents for proprietary facilities. The inflation factor shall not exceed the amount by which the Consumer Price Index for all urban consumers increased during the preceding calendar year ending December 31.

A facility's actual allowable costs when combined with the inflation and incentive factors must not exceed the upper limit established in 441—subrule 52.1(3).

This rule is intended to implement Iowa Code section 249.12 and 1992 Iowa Acts, chapter 1241, section 33, subsection 3.

[ARC 0991C, IAB 9/4/13, effective 11/1/13; ARC 3441C, IAB 11/8/17, effective 10/11/17]

441—54.4(249) Goods and services provided. All facilities participating in the program shall provide residents those goods and services required by the terms of the license issued by the department of inspections and appeals in accordance with Iowa Code chapter 135C and rules promulgated thereto set forth in 481—Chapter 57 and requirements of the department of human services set forth in these rules.

54.4(1) *Payment accepted.* The amount of client participation and the payment made through the state supplementary assistance program shall be accepted as payment in full for the required goods and services provided the resident. The facility may seek reimbursement from other sources for goods and services provided that are beyond the goods and services required to be provided by these rules.

54.4(2) *Care, maintenance, general supervision, and personal services.* Each facility as part of providing care, maintenance, general supervision, and personal services shall provide as necessary supervision or assistance with ambulation, grooming, hair washing, shaving, personal hygiene, bathing, getting in and out of bed, dressing, feeding, and with medication that can be self-administered.

54.4(3) *Laundry.* Each facility shall provide personal laundry service to the resident as part of the goods and services paid for through the program.

54.4(4) *Room furnishings.* The facility shall completely furnish the resident's room in accordance with department of inspections and appeals 481—subrule 57.30(4) without additional charge to the resident or person acting on the resident's behalf. When the resident wishes to provide some item or items of room furnishing, the facility may grant the request.

This rule is intended to implement Iowa Code section 249.12.

441—54.5(249) Personal needs account. When a facility manages the personal needs funds of a resident, it shall establish and maintain a system of accounting for expenditures from the resident's personal needs funds. The personal needs funds shall be deposited in a single checking account, not commingled with trust funds from any other facility, nor commingled with facility operating funds except for facility funds, not to exceed \$500, deposited to cover bank charges and have in the account name the terms "Resident Trust Funds." The funds shall be deposited in a bank or other institution within the state of Iowa insured by the federal government. Expense for bank service charges for this account is an allowable audit cost under rule 441—54.3(249) if the service cannot be obtained free of charge. The department shall charge back to the facility any maintenance item included in the computation of the audit cost that is charged to the resident's personal needs when such charge constitutes double payment. Unverifiable expenditures charged to personal needs accounts may be charged back to the facility. The accounting system is subject to audit by representatives of the Iowa department of human services, and shall meet the following criteria:

54.5(1) *Ledger.* Upon admittance, a ledger sheet shall be credited with the resident's total incidental money on hand. Thereafter, the ledger shall be kept current on a monthly basis. The facility may combine the accounting with the disbursement section showing the date, amount given the resident, and the resident's signature. A separate ledger shall be maintained for each resident.

54.5(2) *Expenditures.* When something is purchased for the resident and is not a direct cash disbursement, each such expenditure item in the ledger shall be supported by a signed, dated receipt. The receipt shall indicate the article furnished for the resident's benefit.

54.5(3) *Disbursement.* Personal funds shall be turned over only to the resident, the resident's guardian, or other persons selected by the resident. With the consent of the resident, when the resident is able and willing to give the consent the administrator may turn over personal funds to a close relative or friend of the resident to purchase a particular item. A signed, dated receipt shall be required to be deposited in the resident's files.

54.5(4) Audit. The ledger and receipts for each recipient shall be made available for periodic audits by an accredited department representative. Audit certification shall be made by the department's representative at the bottom of the ledger sheet. Supporting receipts may then be destroyed.

54.5(5) Death. Upon a recipient's death the funds remaining in the personal needs account shall be treated in the following manner:

a. The facility shall provide a written statement of the personal needs account to be filed in the case record.

b. When an estate is opened, the funds shall be submitted to the estate administrator.

c. When no estate is opened, the funds shall be released to the person assuming responsibility for the recipient's funeral expenses.

d. When no estate is opened and there are no living heirs, the funds shall be submitted to the department to escheat to the state.

This rule is intended to implement Iowa Code section 249.12.

441—54.6(249) Case activity report. A Case Activity Report, Form 470-0042, shall be submitted to the department whenever a Medicaid applicant or recipient enters the facility, changes level of care, or is discharged from the facility.

This rule is intended to implement Iowa Code section 249.12.

441—54.7(249) Billing procedures. In order to determine the amount of payment to the recipient, the facility shall submit a billing form to the Iowa Medicaid enterprise following the month in which service was provided.

54.7(1) Billing. When payment is made, the facility will receive a copy of Form 470-0039, Iowa Medicaid Long-Term Care Claim. The original shall be returned as a claim for the next month. Alternatively, the facility may use electronic billing software provided by the Iowa Medicaid enterprise.

54.7(2) Changes. When there has been a new admission, a discharge, or a claim for a reserved bed, the facility shall submit Form 470-0039 with the changes noted. Electronic submissions of changes may also be made as provided for by the Iowa Medicaid enterprise.

This rule is intended to implement Iowa Code section 249.12.

441—54.8(249) Audits.

54.8(1) Audit of financial and statistical report. Authorized representatives of the department of human services or the Department of Health and Human Services shall have the right, upon proper identification, to audit, using generally accepted auditing procedures, the general financial records of a facility to determine if expenses reported on the Financial and Statistical Report, Form 470-0030, are reasonable and proper according to the conditions set forth in rule 441—54.3(249). These audits may be done either on the basis of an on-site visit to the facility, to the facility's central accounting office, or to an office of the facility's agent.

a. When a proper per diem rate cannot be determined, through generally accepted and customary auditing procedures, the auditor shall examine and adjust the report to arrive at what appears to be an acceptable rate and shall recommend to the department of human services that the indicated per diem be reduced to 75 percent of the established payment rate for the ensuing six-month period and if the situation is not remedied on the subsequent Financial and Statistical Report, Form 470-0030, the health facility shall be suspended and eventually canceled from the residential care facility program, or

b. When a facility continues to include as an item of cost an item or items which had in a prior audit been removed by an adjustment in the total audited costs, the auditor shall recommend to the department of human services that the per diem be reduced to 75 percent of the current payment rate for the ensuing six-month period. The department may, after considering the seriousness of the exception, make the reduction.

54.8(2) Audit of proper billing and handling of resident funds.

a. Field auditors of the department of inspections and appeals, or representatives of health and human services, upon proper identification, shall have the right to audit billings to the department of

human services and receipts of client participation, to ensure the facility is not receiving payment in excess of the contractual agreement and that all other aspects of the contractual agreement are being followed as deemed necessary.

b. Field auditors of the department of inspections and appeals or representatives of health and human services, upon proper identification, shall have the right to audit records of the facility to determine proper handling of resident funds in compliance with rule 441—54.5(249).

c. The auditor shall recommend and the department of inspections and appeals shall request repayment by the facility to either the department of human services or the resident(s) involved, sums inappropriately billed to the department or collected from the resident.

d. The facility shall have 60 days to review the audit and repay the requested funds or present supporting documentation which would indicate that the requested refund amount, or part thereof, is not justified.

e. If the facility fails to comply with paragraph “*d*,” the audit results may be referred to the attorney general’s office for whatever action may be deemed appropriate.

f. When exceptions are taken during the scope of an audit which are similar in nature to the exceptions taken in a prior audit, the auditor shall recommend and the department may, after considering the seriousness of the exceptions, reduce payment to the facility to 75 percent of the current payment rate.

This rule is intended to implement Iowa Code section 249.12.

CHAPTER 57
INTERIM ASSISTANCE REIMBURSEMENT
[Prior to 2/11/87, Human Services[498]]

441—57.1(249) Definitions.

“Benefits” means Supplemental Security Income (SSI) for the aged, blind, and disabled (a federal cash assistance program under Title XVI of the Social Security Act) and any federally administered state supplementary assistance payments that are determined by the Social Security Administration to be due an individual at the time the SSI payment is made.

“County agency” means a county or county subdivision under the jurisdiction of the county board of supervisors, including a county commission of veteran affairs, that furnishes relief in the form of cash or vendor payments to or in behalf of needy persons in accordance with established standards under the provisions of Iowa Code chapter 35B or 252.

“Initial payment” means the amount of benefits determined by the Social Security Administration to be payable to an eligible person (including any retroactive amounts) when the person is first determined to be eligible for SSI. The initial payment does not include any emergency advance payments, any presumptive disability or blindness payments, or any immediate payments authorized under Section 1631 of the Social Security Act.

“Initial posteligibility payment” means the amount of benefits determined by the Social Security Administration to be payable to an eligible person (including any retroactive amounts) when the person is first determined eligible for SSI following a period of suspension or termination. The initial posteligibility payment does not include any emergency advance payments, any presumptive disability or blindness payments, or any immediate payments authorized under Section 1631 of the Social Security Act.

“Interim assistance” means assistance in the form of cash or vendor payments for meeting basic needs furnished by a county agency during the interim period. Basic needs include food, clothing, shelter, medical care and services not covered by Medicaid, and other essentials of daily living. Interim assistance does not include the county payment of social services costs associated with services during the interim period or medical care or services covered by Medicaid.

“Interim period” means either (1) the period beginning with the month following the month in which a person filed an application for benefits for which the person was found to be eligible and ending with and including the month the person’s benefits began, or (2) the period beginning the day the person’s benefits were reinstated after a period of suspension or termination, and ending with (and including) the month the person’s benefits were resumed. The interim period does not include any periods during which the person is underpaid by the Social Security Administration due to that agency’s failure to make a timely modification of the person’s SSI benefit or for any other reason.

[ARC 8990B, IAB 8/11/10, effective 9/15/10; ARC 9174B, IAB 11/3/10, effective 12/8/10]

441—57.2(249) Requirements for reimbursement. In order to receive reimbursement for interim assistance payments, a county agency must meet the following requirements.

57.2(1) Agreement. The county agency shall enter into a written agreement with the department of human services on Form 470-1948, Interim Assistance Reimbursement Agreement.

57.2(2) Authorization. The county agency shall secure written authorization from the person seeking interim assistance. By signing Form 470-1950, Authorization for Reimbursement of Interim Assistance, the person:

- a. Indicates the intent to apply for SSI benefits.
- b. Authorizes the Social Security Administration to:
 - (1) Withhold the amount of interim assistance from the person’s initial payment or initial posteligibility payment, and
 - (2) Make this amount payable to the county agency.

57.2(3) Records. The county agency shall:

- a. Maintain a file for each person who has received interim assistance.
- b. Maintain adequate records of all transactions made relating to interim assistance.

c. Comply with the provisions of the Federal Information Security Management Act (FISMA); 20 CFR Part 401 as amended to April 1, 2009; and the Privacy Act of 1974 relating to the safeguarding of information concerning individuals who have applied for interim assistance.
 [ARC 8990B, IAB 8/11/10, effective 9/15/10; ARC 9174B, IAB 11/3/10, effective 12/8/10]

441—57.3(249) Certificate of authority.

57.3(1) The county agency shall submit the information requested on the Certificate of Authority, Form 470-1947, to the Social Security Administration at the address given on the form:

- a.* Before the date the agency first participates in the program, and
- b.* Subsequently when changes in the list of authorized officials occur.

57.3(2) The county agency shall submit a copy of Form 470-1947 to the department of human services at the address given on the form each time the form is submitted to the Social Security Administration.

[ARC 8990B, IAB 8/11/10, effective 9/15/10; ARC 9174B, IAB 11/3/10, effective 12/8/10]

CHAPTER 58
EMERGENCY ASSISTANCE

DIVISION I
IOWA DISASTER AID INDIVIDUAL ASSISTANCE GRANT PROGRAM

PREAMBLE

This division implements a state program of financial assistance to meet disaster-related expenses, food-related costs, or serious needs of individuals or families who are adversely affected by a state-declared disaster emergency. The program is intended to meet needs that cannot be met by other means of financial assistance.

441—58.1(29C) Definitions.

“Bona fide residence” or *“bona fide address,”* as set forth in Iowa Code section 321.1(6C), means the pre-disaster street or highway address of an individual’s dwelling or dwelling unit. The bona fide residence of a homeless person is a primary nighttime residence meeting one of the criteria listed in Iowa Code section 48A.2(2).

“Department” means the Iowa department of human services.

“Dwelling” or *“dwelling unit”* means the structure in which a household resides. “Dwelling” or “dwelling unit” includes permanent structures, mobile homes, manufactured homes, modular homes, fifth-wheel travel trailers, travel trailers, and motor homes in which a household resides.

“Emergency management coordinator” means the person appointed by the local emergency management commission pursuant to Iowa Code sections 29C.9 and 29C.10 to be responsible for development of the countywide emergency operations plan and for coordination and assistance to government officials when an emergency or disaster occurs.

“Fifth-wheel travel trailer;” as set forth in Iowa Code section 321.1(36C)(c), means a type of travel trailer which is towed by a pickup by a connecting device known as a fifth wheel. However, this type of travel trailer may have an overall length which shall not exceed 45 feet. If the vehicle is used in this state as a place of human habitation for more than 90 consecutive days in one location, the vehicle shall be classed as a manufactured or mobile home regardless of the size limitations provided in this definition.

“Home” means the pre-disaster dwelling or dwelling unit for a household.

“Household” means all adults and children who lived in the pre-disaster residence who request assistance, as well as any persons, such as infants, spouses, or part-time residents, who were not present at the time of the disaster but who are expected to return during the assistance period.

“Manufactured home” or *“modular home,”* as set forth in Iowa Code section 321.1(36B), is a factory-built structure constructed under authority of 42 U.S.C. §5403, which is required by federal law to display a seal from the United States Department of Housing and Urban Development, and was constructed on or after June 15, 1976.

“Manufactured or mobile home,” as set forth in Iowa Code section 321.1(36C)(a), means any vehicle without motive power used or so manufactured or constructed as to permit its being used as a conveyance upon the public streets and highways and so designed, constructed, or reconstructed as will permit the vehicle to be used as a place for human habitation by one or more persons.

“Motor home,” as set forth in Iowa Code section 321.1(36C)(d), means a motor vehicle designed as an integral unit to be used as a conveyance upon the public streets and highways and for use as a temporary or recreational dwelling and having at least four, two of which shall be systems specified in paragraph “1,” “4,” or “5” of this definition, of the following permanently installed systems which meet American National Standards Institute and National Fire Protection Association standards in effect on the date of manufacture:

1. Cooking facilities.
2. Ice box or mechanical refrigerator.
3. Potable water supply including plumbing and a sink with faucet either self-contained or with connections for an external source, or both.

4. Self-contained toilet or a toilet connected to a plumbing system with connection for external water disposal, or both.

5. Heating or air conditioning system or both, separate from the vehicle engine or the vehicle engine electrical system.

6. A 110- to 115-volt alternating current electrical system separate from the vehicle engine electrical system either with its own power supply or with a connection for an external source, or both, or a liquefied petroleum system and supply. If the vehicle is used in this state as a place of human habitation for more than 90 consecutive days in one location, the vehicle shall be classed as a manufactured or mobile home regardless of the size limitations provided in this definition.

“*Necessary expense*” means the cost associated with acquiring an item or items, obtaining a service, or paying for any other activity that meets a serious need.

“*Owner*” means one or more persons, jointly or severally, in whom is vested all or part of the legal title to property or all or part of the beneficial ownership and a right to present use and enjoyment of the property. “*Owner*” includes a mortgagee in possession.

“*Rent*” means an amount paid to the landlord under the rental agreement.

“*Safe, sanitary, and secure*” means free from disaster-related health hazards.

“*Serious need*” means the item or service is essential to the household to prevent, mitigate, or overcome a disaster-related hardship, injury, or adverse condition.

“*Tenant*” means a person or persons entitled under a rental agreement to occupy a dwelling or dwelling unit to the exclusion of others.

“*Travel trailer,*” as set forth in Iowa Code section 321.1(36C)(b), means a vehicle without motive power used, manufactured, or constructed to permit its use as a conveyance upon the public streets and highways and designed to permit its use as a place of human habitation by one or more persons. The vehicle may be up to 8 feet, 6 inches in width and its overall length shall not exceed 45 feet. The vehicle shall be customarily or ordinarily used for vacation or recreational purposes and not used as a place of permanent habitation. If the vehicle is used in this state as a place of human habitation for more than 90 consecutive days in one location, the vehicle shall be classed as a manufactured or mobile home regardless of the size limitations provided in this definition.

[ARC 1353C, IAB 3/5/14, effective 5/1/14; ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.2(29C) Program implementation.

58.2(1) *Disaster declaration.* The Iowa individual assistance grant program (IIAGP) shall be implemented when the governor issues a declaration of a state of disaster emergency that authorizes individual assistance. The program shall be in effect only in those counties named in the declaration. Assistance shall be provided for a period not to exceed 120 days from the date of declaration.

58.2(2) *Voucher system.* The IIAGP will be implemented through a reimbursement or voucher system.

58.2(3) *Program extensions.*

a. The program may be extended beyond 120 days through an extension of the governor’s disaster proclamation; or

b. The program may be extended in 30-day intervals requested by the applicant household through the contracted entity and approved by the department.

[ARC 9128B, IAB 10/6/10, effective 10/1/10; ARC 9312B, IAB 12/29/10, effective 3/1/11; ARC 1353C, IAB 3/5/14, effective 5/1/14; ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.3(29C) Application for assistance. To request assistance for disaster-related expenses, the household shall complete Form 470-4448, Individual Disaster Assistance Application, and submit it within 45 days of the disaster declaration to the contracted administrative entity along with: (1) receipts for the claimed expenses or (2) a request to participate in a voucher system.

58.3(1) Application forms are available from an approved administrative entity, as well as the Internet Web site of the department at www.dhs.iowa.gov.

58.3(2) The application shall include:

a. A declaration of the household’s annual income, accompanied by:

- (1) A current pay stub, W-2 form, or income tax return, or
- (2) Documentation of current enrollment in an assistance program administered by the department, the Special Supplemental Nutrition Program for Women, Infants and Children (WIC), or other subsidy program.
 - b.* An authorization to release confidential information to personnel involved in administering the program.
 - c.* A certification of the accuracy of the information provided.
 - d.* An assurance that the household had no insurance coverage for claimed items.
 - e.* A commitment to refund any part of a grant awarded that is duplicated by insurance or by any other assistance program, such as but not limited to local community development groups and charities, the Small Business Administration, or the Federal Emergency Management Administration.
 - f.* A short, handwritten narrative of how the disaster event caused the claimed loss.
 - g.* A copy of a picture identification document for each adult applicant.
 - h.* When vehicle damage is claimed, current copies of the vehicle registration and liability insurance card.

[ARC 9128B, IAB 10/6/10, effective 10/1/10; ARC 9312B, IAB 12/29/10, effective 3/1/11; ARC 1353C, IAB 3/5/14, effective 5/1/14]

441—58.4(29C) Eligibility criteria. To be eligible for assistance, an applicant household must meet all of the following conditions:

58.4(1) The household's bona fide residence was located in the area identified in the disaster declaration during the designated incident period and the household verifies occupancy at that residence.

58.4(2) Household members are citizens of the United States or are legally residing in the United States.

58.4(3) The household's self-declared annual income is at or less than 200 percent of the federal poverty level for a household of that size.

a. Poverty guidelines are updated annually.

b. All income available to the household is counted, including wages, child support, interest from investments or bank accounts, social security benefits, and retirement income. Proof of income is required.

58.4(4) The household has disaster-related expenses or serious needs that are not covered by insurance or that are less than the deductible amount. This program will not reimburse the amount of the insurance deductible when the claim exceeds the deductible amount.

58.4(5) The household has not previously received assistance from this program or another program for the same loss.

58.4(6) Household eligibility for home repair assistance for a dwelling or dwelling unit damaged due to a proclaimed disaster is only available for a household that owns and occupies the dwelling or dwelling unit being repaired.

[ARC 1353C, IAB 3/5/14, effective 5/1/14; ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.5(29C) Eligible categories of assistance. The maximum assistance available to a household in a single disaster is \$5,000. Assistance is available under the program for the following disaster-related expenses:

58.5(1) Personal property and food assistance may be issued for damage to personal property or loss of food, including the following items, based on the item's condition:

a. Kitchen items, excluding large appliances up to a maximum of \$560, including:

- (1) Small appliances, e.g., toaster, blender, microwave, and
- (2) Furnishings (e.g., tables, chairs).

b. Large kitchen appliances or laundry appliances, up to a maximum of \$700 per appliance and a maximum per household not to exceed \$2,800, if the appliances are owned by the household and not a landlord.

c. Food, up to a maximum of \$50 for one person plus \$25 for each additional person in the household.

d. Personal hygiene items, up to a maximum of \$30 per person and \$150 per household.

- e.* Bedroom furnishings, up to \$500 per person.
- f.* Clothing, up to a maximum of \$145 per person.
- g.* Living area furnishings, such as: couch, chair, end tables, and television, up to a maximum of \$1,000.
- h.* Other items, including:
 - (1) Dehumidifier, up to a maximum of \$250.
 - (2) One window air conditioner, up to a maximum of \$250.
- i.* Vehicle repair, up to a maximum of \$500.

58.5(2) Home repair assistance may be issued for home repair for an owner-occupied dwelling or dwelling unit as needed to make the dwelling or dwelling unit safe, sanitary, and secure, up to a maximum of \$5,000.

- a.* Assistance will be denied if preexisting conditions are the cause of the damage.
- b.* Assistance may be authorized for:
 - (1) The repair of structural components, such as the foundation and roof.
 - (2) The repair of floors, walls, ceilings, doors, windows, and carpeting of essential interior living space that was occupied at the time of the disaster.
 - (3) Debris removal, including trees, up to a maximum of \$1,000.
- c.* Repairs to rental dwellings or dwelling units or landlord-owned equipment are excluded under this program.
- d.* Bathroom, up to a maximum of \$1,500, including toilet, sink, and tub/shower.
- e.* Sump pump (in a flood event only), up to a maximum of \$200 installed.
- f.* Electrical or mechanical repairs, up to a maximum of \$2,000.
- g.* Water heater, up to a maximum of \$1,500 installed.
- h.* Heating systems, up to a maximum of \$2,100 installed.
- i.* Air-conditioning systems, up to a maximum of \$2,100 installed.
- j.* Water well repair for dwellings or dwelling units with no other source of water available, up to a maximum of \$2,000.
- k.* Water softener repair, up to a maximum of \$500.

58.5(3) Temporary housing assistance may be issued to a household, up to a limit of \$65 per day, for lodging at a licensed establishment, such as a hotel or motel. The household's home must be considered to be destroyed, uninhabitable, inaccessible, or unavailable to the household. Temporary housing assistance may also be granted for deposits for a new dwelling. Total temporary housing assistance may not exceed \$2,500.

58.5(4) Replacement, repair, or provision of other items of necessity may be approved by the department on a case-by-case basis, up to a maximum of \$5,000.

[ARC 9312B, IAB 12/29/10, effective 3/1/11; ARC 1353C, IAB 3/5/14, effective 5/1/14; ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.6(29C) Eligibility determination and payment.

58.6(1) The contracted entity or designee shall confirm that the bona fide address provided on the application is a valid address and is reasonably believed to be in the disaster-affected area. The department or contracted entity reserves the right to view the damaged property prior to providing any assistance pursuant to IIAGP.

58.6(2) Designated staff in the department shall:

- a.* Monitor applicants' names and addresses as reports are submitted by the administrative entity.
- b.* Monitor, review, and provide timely submission of invoices by the administrative entity for payment and shall process appeals.

58.6(3) For applications with a voucher or reimbursement request, the department or its designee shall:

- a.* Determine eligibility and the amount of payment within the rules of the program.
- b.* Notify the applicant household of the eligibility decision.
- c.* Authorize vouchers to an eligible household to purchase needed goods and services.

d. Pay vendors for goods and services purchased with vouchers.
 [ARC 9128B, IAB 10/6/10, effective 10/1/10; ARC 9312B, IAB 12/29/10, effective 3/1/11; ARC 1353C, IAB 3/5/14, effective 5/1/14; ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.7(29C) Contested cases.

58.7(1) Reconsideration.

a. The household may request reconsideration of decisions regarding eligibility and the amount of assistance awarded.

b. To request reconsideration, the household shall submit a written request to the DHS Division of Field Operations—Emergency Assistance, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, within 15 days of the date of the letter notifying the household of the department’s decision.

c. The department shall review any additional evidence or documentation submitted and issue a reconsideration decision within 15 days of receipt of the request.

58.7(2) Appeal. The household may appeal the department’s reconsideration decision according to procedures in 441—Chapter 7.

a. Appeals must be submitted in writing, either on Form 470-0487 or 470-0487(S), Appeal and Request for Hearing, or in any form that provides comparable information, to the DHS Appeals Section, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, within 15 days of the date of the reconsideration decision.

b. A written appeal is filed on the date the envelope sent to the department is postmarked or, when the postmarked envelope is not available, on the date the appeal is stamped received by the agency.
 [ARC 9312B, IAB 12/29/10, effective 3/1/11; ARC 1353C, IAB 3/5/14, effective 5/1/14; ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.8(29C) Discontinuance of program.

58.8(1) Deferral to federal assistance. Upon declaration of a disaster by the President of the United States under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Sections 5121 to 5206, the Iowa individual assistance grant program administered under this chapter shall be discontinued in the geographic area included in the presidential declaration. Upon issuance of the presidential declaration:

a. No more applications shall be accepted.

b. Any applications that are in process but are not yet approved shall be denied.

c. Persons seeking assistance under this program shall be advised to apply for federal disaster assistance.

58.8(2) Exhaustion of funds. The program shall be discontinued when funds available for the program have been exhausted. To ensure equitable treatment, applications for assistance shall be approved on a first-come, first-served basis until all funds have been depleted. “First-come, first-served” is determined by the date the application is approved for payment.

a. Partial payment. Because funds are limited, applications may be approved for less than the amount requested. Payment cannot be approved beyond the amount of funds available.

b. Reserved funds. A portion of allocated funds shall be reserved for final appeal decisions reversing the department’s denial that are received after funds for the program have been awarded.

c. Untimely applications. Applications received after the program is discontinued shall be denied. These rules are intended to implement Iowa Code chapter 29C.

441—58.9 to 58.20 Reserved.

DIVISION II IOWA DISASTER CASE MANAGEMENT

441—58.21(29C) Purpose. The purpose of these rules is to guide the provision of the Iowa disaster case management (IDCM) program during the time of emergency disaster for individual assistance when a disaster is proclaimed by the governor of the state of Iowa.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.22(29C) Definitions.

“*Contracted entity*” means an entity chosen by the department as the contracted administrator for the IDCM program.

“*Emergency management coordinator*” means the person appointed by the local emergency management commission pursuant to Iowa Code sections 29C.9 and 29C.10 to be responsible for development of the countywide emergency operations plan and for coordination and assistance to government officials when an emergency or disaster occurs.

“*Household*” means all adults and children who lived in the pre-disaster residence who request assistance, as well as any persons, such as infants, spouses, or part-time residents, who were not present at the time of the disaster but who are expected to return during the assistance period.

“*Necessary services*” means the guidance and advice in obtaining a service, or assistance in obtaining resources from various providers for any other activity that addresses a serious need.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.23(29C) Program implementation.

58.23(1) *Disaster proclamation.* The Iowa disaster case management (IDCM) program shall be implemented when the governor issues a proclamation of a state of emergency disaster that authorizes individual assistance.

a. The program shall be in effect only in those counties named in the proclamation. Assistance for a state-only proclamation shall be provided for a period of up to 180 days from the date of proclamation.

b. A request for an additional 90-day extension to the period of performance will be considered when adequate justification is presented to the department.

c. The program shall commence on the day following proclamation of a disaster by the governor and remain in effect through 180 days even if the disaster becomes a presidentially proclaimed disaster that authorizes individual assistance.

d. The period of performance for presidentially proclaimed disaster is 24 months from the date of the presidential proclamation.

e. The reporting of the numbers of contacts, cases opened, cases pending, cases closed, and other required reports requested by the department shall be submitted weekly on a day determined by the department.

f. Audits of disaster case files, as well as cost management and expenditures, may be randomly performed by the department without notice.

58.23(2) *Contracting.* The administrative entity currently under contract for the Iowa disaster aid individual assistance grant program (IIAGP) shall receive an amended contract to specify administration of the IDCM program.

a. Future contract renewals shall be inclusive with the IIAGP and as amended to include the IDCM program.

b. If a local contracted entity is under contract with the state to provide other services or is implementing a state or federal program and the contract contains a sufficient surety bond or other adequate financial responsibility provision, the department shall accept the existing surety bond or financial responsibility provisions in lieu of applying a new or additional surety bond or financial responsibility requirement.

c. The contracted entity shall coordinate activities with emergency management coordinators and voluntary organizations active in the disaster while the program is active. The contracted entity may subcontract with other entities to provide disaster case management with the approval of the department.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.24(29C) Eligibility criteria. To be eligible for assistance, an applicant household must meet all of the following conditions:

58.24(1) The household’s residence was located in the area identified in the disaster proclamation during the designated incident period and the household verifies occupancy at that residence.

58.24(2) Household members are citizens of the United States or are legally residing in the United States.

58.24(3) The household has disaster-related needs that represent a burden that the family is unable to resolve.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.25(29C) Services. Disaster case management is a time-limited resource and process that involves a partnership between a case manager and a household impacted by a disaster (also known as a client) to develop and carry out a disaster recovery plan. This partnership provides the client with a single point of contact to facilitate access to a broad range of resources, promoting sustainable assistance for individuals and a household's recovery. These services are client-focused and provided in a manner consistent with standards for trauma-informed practice in human services.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.26(29C) Disaster-caused unmet needs. A disaster-caused unmet need is an unresourced item, support, or assistance that has been assessed by a representative from a local, state, tribal, federal agency, voluntary, or faith-based organization and that is needed for the client to recover from the disaster. Unmet disaster-caused needs may also include basic and immediate needs, such as food, clothing, shelter, or first aid, and long-term needs, such as financial, physical, emotional or spiritual well-being.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.27(29C) Resources. Applicable resources may include, but not be limited to, insurance payments, state assistance, voluntary/faith-based and local community assistance, federal disaster assistance, small business administration loans, and personal resources.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.28(29C) Standards and policies.

58.28(1) Access. The contracted entity shall provide clients with ease of access to disaster case management services.

58.28(2) Confidentiality and duplications of benefits.

a. The contracted entity shall have policies and procedures to meet requirements regarding maintaining confidentiality set forth by the department.

b. The contracted entity shall develop memorandums of agreement, memorandums of understanding, and release of information that will allow coordinated case advocacy and services and prevent the duplication of benefits.

58.28(3) Engagement. The case manager shall create a sustainable, trusting partnership with the client.

58.28(4) Screening. The case manager shall perform screening to determine eligibility and disaster-related unmet needs.

58.28(5) Intake and assessment. The case manager shall perform intake and assessment procedures to triage disaster-related needs of eligible households.

a. A case manager shall conduct an assessment specifically seeking targeted information to identify a client's disaster-related needs.

b. An assessment should focus on planning for recovery and meeting recovery goals.

c. An assessment should be conducted in person, when feasible, and should follow all standards for confidentiality and engagement.

58.28(6) Recovery planning.

a. A recovery plan should outline tasks for both the client and case manager based on an assessment and documentation of needed services.

b. The plan should identify priority needs and connect the client with resources, establish benchmarks and goals to measure progress toward recovery, and outline a case closure procedure.

c. The plan should be a joint effort between the case manager and the client.

d. The case manager should explain the available options, the resource and recovery alternatives, and the support services offered by the case manager.

58.28(7) Action and advocacy. The case manager's role in recovery includes: providing, referring or arranging for needed services and resources; verifying unmet needs, completing documentation and checking duplication of benefits; and actively advocating for the client through presentation, participation in recovery groups and interface with government and nongovernment resource providers.

58.28(8) Monitoring. Monitoring the services allows the case manager to keep documents up to date, to determine if the chosen resources are providing the services needed, and to evaluate whether adjustments are needed.

58.28(9) Closure.

a. Closure procedures should be outlined in the recovery plan and the roles and responsibilities of the client and case manager clearly defined.

b. Case closure acknowledges the recovery goals achieved, recognizes the progress made toward unmet goals, and identifies needed resources to continue progress.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.29(29C) Planning and training. Training shall adhere to the disaster case management criteria, as prescribed by the federal Administration for Children and Families, and follow the disaster case management guidelines as designed by the Iowa disaster human resource council or the approved rules of the department. The department shall request from the executive council of the state of Iowa funds to perform training in disaster case management as requested and required to prepare for disaster response.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.30(29C) Payment for services.

58.30(1) The department will negotiate payment with the contracted entity when the contract is established. Payment will be based on the contracted entity's actual direct and indirect costs.

58.30(2) The department will accept the contracted entity's federally approved indirect cost rates as required by the federal Office of Management and Budget (OMB).

58.30(3) The local administrative entity may draw down grant funding to pay valid claims on at least a weekly basis.

58.30(4) Exhaustion of funds. The program shall be discontinued when the funds available for the program have been exhausted. The department will notify the contracted entity of the total available funds for the IDCM program once funds have been approved by the executive council. To ensure equitable treatment, assistance shall be approved on a first-come, first-served basis until all funds have been exhausted.

[ARC 3058C, IAB 5/10/17, effective 7/1/17]

441—58.31(29C) Contested cases.

58.31(1) Reconsideration.

a. The household may request reconsideration of decisions regarding eligibility.

b. To request reconsideration, the household shall submit a written request to the DHS Division of Field Operations—Emergency Assistance, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, within 15 days of the date of the letter notifying the household of the contracted entity's decision.

c. The department shall review any additional evidence or documentation submitted and issue a reconsideration decision within 15 days of receipt of the request.

58.31(2) Appeal. The household may appeal the department's reconsideration decision according to procedures in 441—Chapter 7.

a. Appeals must be submitted in writing, either on Form 470-0487 or 470-0487(S), Appeal and Request for Hearing, or in any form that provides comparable information, to the DHS Appeals Section, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, within 15 days of the date of the reconsideration decision.

b. A written appeal is filed on the date the envelope sent to the department is postmarked or, when the postmarked envelope is not available, on the date the appeal is stamped received by the agency.
[ARC 3058C, IAB 5/10/17, effective 7/1/17]

CHAPTER 59
UNEMPLOYED PARENT WORKFARE PROGRAM
[Prior to 7/1/83, Social Services[770] Ch 59]
Rescinded, effective 7/1/89; see 441—Chapter 93

CHAPTER 60
REFUGEE CASH ASSISTANCE

[Prior to 9/24/86 IAC Supp., see Refugee Service 715—Chapters 1 to 8]

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

These rules define and structure the department's refugee cash assistance program. Eligibility criteria, application procedures, reasons for adverse action, payment procedures, and recoupment procedures for overpayments are outlined.

441—60.1(217) Alienage requirements.

60.1(1) *Immigration status.* A refugee is a person whose immigration status is one of the following statuses as issued by the United States Immigration and Naturalization Service:

- a.* Granted asylum under Section 208 of the Immigration and Nationality Act.
- b.* Admitted as a refugee under Section 207 of the Act.
- c.* Paroled as a refugee or asylee under Section 212(d)(5) of the Act.
- d.* Cuban and Haitian entrants in accordance with requirements in 45 CFR Part 401, as amended to March 22, 2000.
- e.* Certain Amerasians from Vietnam who are admitted to the U.S. as immigrants pursuant to Section 584 of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1988, as contained in Section 101(e) of Public Law 100-202 and amended by the 9th proviso under Migration and Refugee Assistance in Title II of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1989 (Public Law 100-461).
- f.* Admitted for permanent residence, provided the individual previously held one of the statuses identified above.

60.1(2) *Nonrefugee child of refugee parents.* A nonrefugee child of refugee parents, when both parents in the home are refugees as defined in subrule 60.1(1), meets the alienage requirements. When only one parent is in the home and that parent is a refugee as defined in subrule 60.1(1), the child meets the alienage requirements.

60.1(3) *Immigration and Naturalization Service documents.* Each refugee shall provide Immigration and Naturalization Service documents in the form of either an I-94 card, an I-151 or I-551 card, or an I-181 card to support the immigration status defined in subrule 60.1(1). If the name of the resettlement agency which resettled the refugee is not on the document, the refugee shall provide the name of the resettlement agency.

441—60.2(217) Application procedures. Application policies are defined in rules 441—40.23 (239B), 441—40.24(239B), and 441—40.25(239B).

441—60.3(217) Effective date of grant. The date of eligibility for a grant is defined in rule 441—40.26(239B).

441—60.4(217) Accepting other assistance.

60.4(1) *Family investment program.* A refugee applicant or recipient shall accept a family investment program (FIP) grant if eligible under 441—Chapters 40 and 41.

60.4(2) *Supplemental security income (SSI).* Refugees who are 65 or older, blind, or disabled shall apply for and, if eligible, accept supplemental security income.

441—60.5(217) Eligibility factors.

60.5(1) *Age.*

a. An unmarried refugee is considered an adult at age 18, except as defined in 441—subrule 41.21(1), and is eligible to receive refugee cash assistance if otherwise eligible.

b. Married refugees with or without children, as defined in 441—subrule 41.21(1), are eligible regardless of age if other eligibility factors are met.

60.5(2) *Residency.* Residency requirements are defined in 441—subrule 41.23(1).

60.5(3) Social security numbers. Refugees are required to furnish a social security number as defined in 441—subrule 41.22(13).

60.5(4) Determination of need. Need shall be determined as defined in rule 441—41.28(239B) except as otherwise provided in this chapter.

60.5(5) Income. Income is defined in rules 441—40.21(239B) and 441—41.27(239B).

60.5(6) Resources. Resource requirements are defined in rule 441—41.26(239B).

441—60.6(217) Students in institutions of higher education. A refugee who is a full-time student in an institution of higher education (other than a correspondence school) is ineligible for assistance with two exceptions:

1. The refugee is in a program approved as part of an individual employability plan, as defined in subrule 60.9(3).

2. The refugee is in a program solely in English as a second language.

60.6(1) Institution of higher education. An institution of higher education is defined as an educational institution which provides an education program as specified below:

a. A public or private nonprofit institution of higher education is an educational institution which provides an educational program for which it awards an associate, baccalaureate, graduate, or professional degree; or at least a two-year program which is acceptable for full credit toward a baccalaureate degree; or at least a one-year training program which leads to a certificate or degree and prepares students for gainful employment in a recognized occupation.

b. A proprietary institution of higher education is an educational institution which provides at least a six-month program of training to prepare students for gainful employment in a recognized occupation.

c. A postsecondary vocational institution is a public or private nonprofit educational institution which provides at least a six-month program of training to prepare students for gainful employment in a recognized occupation.

60.6(2) Full-time student. A full-time student is a student who is carrying a full-time academic workload which equals or exceeds the following:

a. Twelve semester or 12 quarter hours per academic term in those institutions using standard semester, trimester, or quarter-hour systems.

b. Twenty-four semester hours or 36 quarter hours per academic year for institutions using credit hours to measure progress, but not using semester, trimester, or quarter systems, or the prorated equivalent for programs of less than one academic year.

c. Twenty-four clock hours per week for institutions using clock hours.

d. A series of courses or seminars which equals 12 semester hours or 12 quarter hours in a maximum of 18 weeks.

e. The work portion of a cooperative education program in which the amount of work performed is equivalent to the academic workload of a full-time student.

441—60.7(217) Time limit for eligibility. A refugee may receive assistance, if otherwise eligible, during the first eight months the refugee is in the United States, beginning the month the refugee enters the country. EXCEPTION: For asylees, the date of entry is the date asylum is granted. The eight-month period of eligibility begins the month asylum is granted. A nonrefugee child in the home with a refugee parent (or refugee parents, if both are in the home) is eligible for assistance until the parent(s) has been in the United States for eight months, or until the child reaches eight months of age, whichever occurs first.

60.7(1) Resources. The resources of refugees excluded because of the eight-month limit shall be considered in the same manner as though these refugees were included in the eligible group.

60.7(2) Income.

a. When the eligible refugee group has income, the income shall be diverted to meet the needs of the refugees ineligible because of the time limit who would otherwise have been included in the refugee assistance group as defined in subrule 60.5(4).

b. The income of the refugees ineligible because of the time limit who would otherwise have been included in the assistance group as defined in subrule 60.5(4), shall be used first to meet the needs of the ineligible group and then applied to the eligible group's needs.

c. The amount of need for the ineligible group is the difference between the needs of the group including the ineligible refugees and the needs of the group excluding the ineligible refugees. Any excess income shall be applied to the needs of the eligible group.

d. Any cash grant received by the applicant under the Department of State or the Department of Justice reception and placement programs shall be disregarded as income and as a resource.

441—60.8(217) Criteria for exemption from registration for employment services, registration, and refusal to register. Each refugee applying for or receiving cash assistance shall register for employment unless the department determines the refugee is exempt because of reasons listed in subrule 60.8(1). Inability to communicate in English does not exempt a refugee from registration for employment services, participation in employability service programs and acceptance of appropriate offers of employment.

60.8(1) Exemptions. The following refugees are exempt from registration:

a. A refugee who is under the age of 16; or who is aged 16 but under the age of 18 and attending elementary, secondary, or vocational or technical school full-time; or a refugee who is enrolled full-time in training approved by the local office as part of an approved employability plan; or a refugee 18 years of age who is a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching the age of 19.

(1) A refugee shall be considered as attending school full time when enrolled or accepted full time (as certified by the school or institute attended) in a school or training leading to a certificate or diploma. Correspondence school is not an allowable program of study.

(2) The refugee also shall be considered in regular attendance in months when the refugee is not attending because of an official school or training program, vacation, illness, convalescence, or family emergency. A refugee meets the definition of regular school attendance until the refugee has been officially dropped from the school rolls.

(3) When the refugee's education is temporarily interrupted pending adjustment of the education or training program, assistance shall be continued for a reasonable period of time to complete the adjustment.

b. A refugee aged 65 or older.

c. A refugee who is caring for another member of the household who has a physical or mental impairment which requires, as determined by a physician or licensed or certified psychologist and verified by the department, care in the home on a substantially continuous basis, and no other appropriate member of the household is available.

d. A woman who is pregnant if it has been medically verified that the child is expected to be born in the month in which registration would otherwise be required or within the next six months.

e. A parent or other caretaker relative of a child under the age of three who personally provides full-time care for the child with only very brief and infrequent absences from the child. Only one parent or other caretaker relative in a case may be exempt under this paragraph. "Brief and infrequent absence" means short-term absences which do not reoccur on a regular basis. Any involvement by the parent employed less than 129 hours per month or attending school less than full-time, as defined by the school, shall be considered brief and infrequent. Recreational activities and vacations by the parent or child which result in the parent being absent from the child shall be considered brief and infrequent.

f. A refugee who is working at least 30 hours a week in unsubsidized employment expected to last a minimum of 30 days. This exemption continues to apply if there is a temporary break in full-time employment expected to last no longer than ten workdays.

g. A refugee who is ill, when determined by the department on the basis of medical evidence or another sound basis that the illness or injury is serious enough to temporarily prevent entry into employment or training.

h. A refugee who is incapacitated, when determined by a physician or licensed or certified psychologist and verified by the department, that a physical or mental impairment, by itself or in conjunction with age, prevents the refugee from engaging in employment or training.

60.8(2) Registration. A refugee not exempt under subrule 60.8(1) shall be considered an employable refugee. An employable refugee shall register with the department of employment services and, within 30 days of receipt of aid, participate in the employment services provided by the bureau of refugee services. The department does permit, but does not require, the voluntary registration for employment services of any applicant or recipient of refugee cash assistance who is exempt under the provisions of this rule. If a voluntary registrant fails or refuses to participate in appropriate employability services, to carry out job search, or to accept an appropriate offer of employment, the bureau of refugee services may deregister the refugee for up to 90 days from the date of determination that failure or refusal has occurred, but the refugee's cash assistance may not be affected.

60.8(3) Refusal to register.

a. An employable applicant refugee who refuses or fails to cooperate in accepting a referral to the department of employment services or the bureau of refugee services, refuses or fails to appear at the department of employment services office for registration, or refuses or fails to mail or deliver the registration form to the bureau of refugee services, shall be denied assistance.

b. Assistance for an employable recipient refugee shall be terminated when the refugee refuses or fails to register with the department of employment services or the bureau of refugee services.

441—60.9(217) Work and training requirements.

60.9(1) Standards applicable to both work and training assignments. The following standards must be met before an employable refugee can be required to accept a work or training assignment. A job offered, if determined appropriate under subrules 60.9(1) and 60.9(2), is required to be accepted by the refugee without regard to whether the job would interrupt a program of services planned or in progress unless the refugee is currently participating in a program in progress of on-the-job training or vocational training approved as part of an individual's employability plan or the refugee is enrolled full-time in a professional recertification program approved as part of an individual's employability plan.

a. The job or training referral must be related to the physical and mental capability of the person to perform the task on a regular basis. Any claim of adverse effect on physical or mental health shall be based on adequate medical testimony from a physician or licensed or certified psychologist indicating that participation would impair the person's physical or mental health.

b. The total daily commuting time to and from home to the work or training site to which the person is referred shall not normally exceed two hours, not including the transporting of a child to and from a child care facility, unless a longer commuting distance and time is generally accepted in the community, in which case the round trip commuting time shall not exceed the generally accepted community standards.

c. The work or training site to which the person is referred must not be in violation of applicable federal, state, and local health and safety standards.

d. Referrals shall not be made which are discriminatory in terms of age, sex, race, creed, color, or national origin.

e. When child care is required, the child care must meet state licensing or registration requirements.

f. Available manpower statistics for a local area must indicate adequate employment potential for persons obtaining the given training. The employment must also meet the other appropriate work requirements.

g. The work or training assignment must be within the scope of the refugee's employability plan.

h. The quality of training must meet local employers' requirements so that the refugee will be in a competitive position within the local labor market. The training must also be likely to lead to employment which will meet the appropriate work criteria.

i. If a refugee is a professional in need of professional refresher training and other recertification services in order to qualify to practice the refugee's profession in the United States, the training may

consist of full-time attendance in a college or professional training program, provided that the training is approved by the department as a part of the refugee's employability plan; it does not exceed one year's duration (including any time enrolled in the program in the United States prior to the refugee's application for assistance); it is specifically intended to assist the professional in becoming relicensed in the refugee's profession; and, if completed, it can realistically be expected to result in relicensing.

60.9(2) *Appropriate work requirements.* The local office, in making a determination of appropriate work, shall utilize the following criteria:

a. Appropriate work may be temporary, permanent, full-time, part-time, or seasonal work if it meets the other work standards defined in subrule 60.9(1).

b. The wage shall meet or exceed the federal or state minimum wage law, whichever is applicable, or if these laws are not applicable, the wage shall not be less favorable than the wage normally paid for similar work in that labor market but in no event shall it be less than three-fourths of the minimum wage rate.

c. The daily hours of work and the weekly hours of work shall not exceed those customary to the occupation.

d. No person shall be required to accept employment if:

(1) The position offered is vacant due to a strike, lockout, or other bona fide labor dispute.

(2) The person would be required to work for an employer contrary to the conditions of the person's existing membership in the union governing that occupation. However, employment not governed by the rules of a union in which the person has membership may be deemed appropriate.

60.9(3) *Development of an individual employability plan.* An individual employability plan shall be developed as a part of a family self-sufficiency plan where applicable for each recipient of refugee cash assistance in a filing unit who is not exempt under 441—subrule 60.8(1). The individual employability plan shall:

a. Be designed to lead to the earliest possible employment and not be structured in such a way as to discourage or delay employment or job seeking.

b. Contain a definite employment goal, attainable in the shortest time period consistent with the employability of the refugee in relation to job openings in the area.

60.9(4) *Job search requirements.* The department shall require job search for employable refugees where appropriate.

a. An employable recipient of refugee cash assistance shall carry out a job search program beginning at any time required by the bureau of refugee services. The bureau of refugee services shall require the job search program to begin no later than six months after the refugee entered the United States or at the time the refugee is determined eligible for refugee cash assistance, if the refugee has completed at least six months in the United States at the time of the determination.

b. The job search program shall continue for at least eight consecutive weeks and shall meet requirements that the bureau of refugee services determines appropriate, including the amount of time to be devoted to employer contacts per week or the number of employer contacts required per week.

c. The department shall determine and carry out the procedures it considers necessary to ensure that requirements for participation in job search are met.

60.9(5) *Failure or refusal to accept employability services or employment.*

a. Unless the refugee is exempt as described at rule 441—60.8(217), the department shall terminate assistance when an employable recipient of refugee cash assistance has failed or refused to comply with any of the following requirements without good cause. The refugee shall:

(1) Register for employment with the department of employment services and, within 30 days of receipt of cash assistance, participate in employment services provided by the bureau.

(2) Apply for or accept an offer of employment meeting the standards above.

(3) Carry out job search.

(4) Go to a job interview arranged by the department or its designee.

(5) Participate in an employability service program which is determined to be available and appropriate for that refugee.

(6) Not voluntarily quit a job.

(7) Participate in a social service or targeted assistance program which the department determines to be available and appropriate for that refugee.

b. In cases of proposed action to terminate, discontinue, suspend, or reduce assistance, the department shall give timely and adequate notice, following the same procedures as those used in the family investment program. The written notice shall include:

(1) An explanation of the reason for the action and the consequences of failure or refusal.

(2) Notice of the refugee's right to file an appeal with the department. The department shall determine whether a hearing shall be granted.

c. For the first refusal or failure the refugee shall be sanctioned for three payment months. Subsequent refusals or failures shall result in a six-payment month sanction for each refusal or failure.

d. If the sanctioned individual is the only member of the filing unit, the assistance shall be terminated. If the filing unit includes other members, the department shall not take into account the sanctioned individual's needs in determining the filing unit's need for assistance. If the sanctioned individual is a caretaker relative, assistance provided to the other persons in the grant shall be made in the form of protective payments as defined in rule 441—43.22(239B).

e. A conciliation period prior to the imposition of sanctions must be provided for in accordance with the following time limitations. The conciliation effort shall begin as soon as possible, but no later than 10 days following the date of failure or refusal to participate, and may continue for a period not to exceed 30 days. Either the department or the recipient may terminate this period sooner when either believes that the dispute cannot be resolved by conciliation.

441—60.10(217) Uncategorized factors of eligibility.

60.10(1) *Duplication of assistance.* A refugee whose needs are included in a refugee cash assistance grant shall not concurrently receive a grant under any other public assistance program administered by the department. Neither shall a recipient concurrently receive a grant from a public assistance program in another state.

60.10(2) *Contracts for support.* A person entitled to total support under the terms of an enforceable contract is not eligible to receive refugee cash assistance when the other party, obligated to provide the support, is able to fulfill that part of the contract.

60.10(3) *Participation in a strike.*

a. The spouse and children shall be ineligible for assistance for any month in which the other spouse or parent is participating in a strike on the last day of the month.

b. Any person shall be ineligible for assistance for any month in which the person is participating in a strike on the last day of that month.

c. Definitions of a strike and participating in a strike are defined in 441—subrule 41.25(5), paragraph “c.”

60.10(4) Restrictions found in 441—subrule 41.25(11) apply to benefits issued under this chapter.
[ARC 1207C, IAB 12/11/13, effective 2/1/14]

441—60.11(217) Temporary absence from home. Temporary absence from home is defined in 441—subrule 41.23(3).

441—60.12(217) Application. The application shall be processed as defined in 441—40.22(239B).

441—60.13(217) Continuing eligibility. Continuing eligibility shall be determined as defined in rule 441—40.27(239B) except that refugee cash assistance shall be substituted for the family investment program whenever it appears.

441—60.14(217) Alternate payees. Alternate payees are defined in 441—Chapter 43 except that refugee cash assistance shall be substituted for the family investment program whenever it appears.

EXCEPTION: 441—subrule 43.22(1), paragraph “c,” shall not apply to refugee cash assistance applicants or recipients.

441—60.15(217) Payment. Payment shall be issued as defined in 441—Chapter 45 except that refugee cash assistance shall be substituted for the family investment program whenever it appears.

441—60.16(217) Overpayment recovery. Recovery of overpayments shall be determined as defined in 441—Chapter 46, Division II, except that refugee cash assistance shall be substituted for the family investment program whenever it appears.

CHAPTER 61
REFUGEE SERVICES PROGRAM

[Prior to 9/24/86 IAC Supp., see Refugee Service Center 715—Chapters 1 to 8]

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

The department of human services manages and coordinates refugee program activities in the state of Iowa. In this capacity, the department develops, implements, and oversees activities which reflect refugee policy priorities of the United States Department of State and the United States Department of Health and Human Services and which address sound practices on behalf of the state of Iowa as outlined in the Iowa state refugee program plan. Serving in the role of Iowa state refugee program coordinator, the director coordinates with resettlement agency administrators active in the resettlement of refugees within the state of Iowa. Although the department manages many activities and programs in the administration of the state of Iowa's refugee program, the central focus is to promote as expeditiously as possible economic self-sufficiency and social self-reliance for refugees.

These rules define and structure the department's refugee services program. Eligibility criteria, application procedures, reasons for adverse actions, and appeal procedures for clients and sponsors are outlined.

441—61.1(217) Definitions.

"Bureau" means the bureau of refugee services within the department.

"Bureau chief" shall mean the chief of the bureau of refugee services.

"Client" means refugees or others determined eligible for services funded under the refugee program.

"Department" means the Iowa department of human services.

"Director" means the director of the department of human services or a designee.

"Family self-sufficiency plan" means a plan that addresses the employment-related service needs of the employable members in a family for the purpose of enabling the family to become self-supporting through the employment of one or more family members. A family self-sufficiency plan shall be developed for anyone who receives employment-related services from the bureau.

"Iowa state refugee program coordinator" means the director, serving as the refugee program administrator, as appointed by the governor to administer programs funded and required by the Office of Refugee Resettlement within the United States Department of Health and Human Services.

"Iowa state refugee program plan" means the report that describes the state of Iowa's refugee program plan to meet the standards, goals, and priorities required under the Immigration and Nationality Act and developed by the bureau on the basis of a consultative process for the successful resettlement of refugees. The bureau chief must certify no later than 30 days after the beginning of each federal fiscal year that the approved plan is current and continues in effect. If the bureau wishes to change its plan, the bureau must submit a proposed amendment to the plan to be reviewed and approved or disapproved by the office of refugee resettlement.

"Legal proceeding" means any action before any court, or any legal action preparatory to appearing before any court, whether civil or criminal in nature.

"Office of refugee resettlement" means a federal agency within the United States Department of Health and Human Services with the legislative authority to be responsible for ensuring the coordination of federal resources in refugee resettlement.

"Portal-to-portal" means the span of time when interpreters leave their domicile or office to interpret at a scheduled interpreting assignment to interpret, and return to the domicile or office or arrive at their next interpreting assignment.

"Presiding judicial officer" means a judge of the United States, state, county, or municipal court, a magistrate, or judge in bankruptcy.

"Refugee" means any person who:

1. Is outside any country of the person's nationality or, in the case of a person having no nationality, is outside any country in which the person last habitually resided; and

2. Is unable or unwilling to return to that country and unable or unwilling to avail himself or herself of the protection of that country because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion, as defined under the Immigration and Nationality Act, Title I, Section 101.

“*Refugee unit*” means either an individual refugee or two or more refugees representing an identifiable group, as determined by the bureau of refugee services.

“*Resettlement agency*” means any business, organization or group of related persons having a current contract with the U.S. Department of State’s Bureau for Refugee Programs for the resettlement of refugees within the United States of America.

“*Unaccompanied refugee minor (URM)*” means a person who has not yet attained 18 years of age who entered the United States unaccompanied by and not destined to (1) a parent, or (2) a close non-parental adult relative who is willing and able to care for the child, or (3) an adult with a clear and court-verifiable claim to custody of the minor, and who has no parents in the United States.

441—61.2(217) Authority. The department has been given authority to administer the refugee program by Executive Order Number 21, signed by the governor December 24, 1985. U.S. Department of State and U.S. Department of Health and Human Services rules govern various program operations.

441—61.3(217) Eligibility for refugee services. Refugees eligible for services under this chapter include people who have one of the following statuses, as issued by the United States Immigration and Naturalization Service:

61.3(1) A person granted asylum under the Immigration and Nationality Act, Title II, Chapter 1, Section 208. Asylees are people who travel to the United States on their own and apply for and receive a grant of asylum.

61.3(2) A person admitted to the United States as a refugee under the Immigration and Nationality Act, Title II, Chapter 1, Section 207.

61.3(3) A person granted humanitarian parole as a refugee or asylee under the Immigration and Nationality Act, Title II, Chapter 2, Section 212. The United States Attorney General may, in the Attorney General’s discretion, parole into the United States temporarily, under such conditions as the Attorney General may prescribe on a case-by-case basis, for urgent humanitarian reasons or significant public benefit, any alien applying for admission to the United States.

61.3(4) A Cuban or Haitian entrant in accordance with requirements in 45 CFR Part 401, as amended to March 22, 2000. Cuban and Haitian entrants include:

a. Any person granted parole status as a “Cuban/Haitian Entrant (Status Pending)” or granted any other special status subsequently established under the immigration laws for nationals of Cuba or Haiti, regardless of the person’s status at the time assistance or services are provided; and

b. Any other national of Cuba or Haiti who meets both of the following conditions:

(1) The person either:

1. Was paroled into the United States and has not acquired any other status under the Immigration and Nationality Act; or

2. Is the subject of exclusion or deportation proceedings under the Immigration and Nationality Act; or

3. Has an application for asylum pending with the Immigration and Naturalization Service.

(2) A final, nonappealable, and legally enforceable order of deportation or exclusion has not been entered with respect to the person.

61.3(5) A child born in Vietnam between January 1, 1962, and January 1, 1976, of an American citizen father and a Vietnamese mother, together with the child’s immediate relatives, who are admitted to the United States as immigrants pursuant to Section 584 of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1988, as contained in Section 101(e) of Public Law 100-202 and amended by the ninth proviso under Migration and Refugee Assistance in Title II of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1989 (Public Law 100-461).

61.3(6) A person admitted to the United States for permanent residence, provided the person previously held one of the statuses identified in subrules 61.3(1) through 61.3(5).

61.3(7) An alien immigrant who is a victim of a severe form of trafficking in persons, as certified by the United States Department of Health and Human Services pursuant to Section 107(b) of the Trafficking Victims Protection Act of 2000, as contained in Public Law 106-386, Division A, 114 Stat. 1464 (2000). “Severe forms of trafficking in persons” means:

a. Sex trafficking in which a commercial sex act is induced by force, fraud, or coercion or in which the person induced to perform the act has not attained 18 years of age; or

b. The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

441—61.4(217) Planning and coordinating the placement of refugees in advance of their arrival. The director, or the director’s designee, shall ensure that meetings are convened, no less often than quarterly, whereby representatives of local affiliates of voluntary resettlement agencies, local community service agencies, and other agencies that serve refugees meet with representatives of state and local governments to plan and coordinate the appropriate placement of refugees in advance of the refugees’ arrival.

441—61.5(217) Services of the department available for refugees. All services provided to the refugee and family have self-sufficiency as the goal. Direct and contracted services may include, but are not limited to, the following:

61.5(1) *Job development.* These services involve working with employers in job development, placement, training, retention, and upgrading.

61.5(2) *Social adjustment.* These services include assessment and short-term counseling to persons or families in a perceived crisis, referral to appropriate resources, the making of arrangements for necessary services, home management services, transportation, translation and interpretation services, and case management services.

61.5(3) *Health-related services.* These services include information, referral to appropriate resources, assistance in scheduling appointments and obtaining services, and counseling to individuals or families to help them understand and identify their physical and mental health needs and maintain or improve their physical and mental health.

61.5(4) *Resettlement services.* These services involve securing and training sponsors, arranging for refugees to resettle in Iowa and providing case management, employment services, and social adjustment services.

As required under the resettlement contract with the U.S. Department of State, the department provides case management, employment services, and social adjustment services to the refugees it resettles during their first 90 days in Iowa.

61.5(5) *Any additional service.* These services, upon submission to and approval of the director of the office of refugee resettlement, include any additional service aimed at strengthening and supporting the ability of a refugee individual, family, or refugee community to achieve and maintain economic self-sufficiency, family stability, or community integration which has been demonstrated as effective and is not available from any other funding source.

61.5(6) *Information and publication.* These services provide information to Iowans about Iowa’s refugee program, the refugees in Iowa, and their cultures.

61.5(7) *Bilingual publication.* These services provide refugees with publications in English as well as their native languages which assist in their successful resettlement.

61.5(8) *Translation and interpretation services.* These services provide interpreter service from English into the refugee languages or vice versa and assistance in translating written materials.

61.5(9) *Immigration services.* These services provide information and assistance to refugees in securing permanent resident alien status and family reunification.

61.5(10) *Adjustment of status.* These services provide guidance in obtaining permanent alien status and citizenship.

61.5(11) *Employability services.* These services are specifically designed to assist refugees to obtain employment and to improve the employability of work skills of the individual and include job referral to, and job placement with, private employers. Specific employability services include, but are not limited to, the following:

a. Employment services which include such activities as the development of a family self-sufficiency plan, world-of-work and job orientation, job clubs, job workshops, job development, referral to job opportunities, job search, and job placement and follow-up.

b. Employability assessment services which include such activities as aptitude and skills testing.

c. English language instruction which includes referrals to programs which offer a curriculum which places an emphasis on English as it relates to obtaining and retaining a job and to programs which are provided in a concurrent, rather than sequential, time period with employment or with other employment-related services.

d. On-the-job training which includes referrals to training that is provided at the employment site and is expected to result in full-time, permanent, unsubsidized employment with the employer who is providing the training.

e. Vocational training which includes referrals to driver education and training when provided as part of a family self-sufficiency plan.

f. Skills recertification which includes referrals to training that meets the criteria for appropriate training as provided for in paragraph “*b.*”

g. Day care which includes referrals to day care for children necessary for participation in an employability service or for the acceptance or retention of employment.

h. Transportation when necessary for participation in an employability service or for the acceptance or retention of employment.

i. Translation and interpretation services when necessary in connection with employment or participation in an employability service.

j. Case management services for refugees who are considered employable and for recipients of public assistance who are considered employable, provided that the services are directed toward a refugee’s attainment of employment as soon as possible after arrival in the United States.

k. Assistance in obtaining employment authorization documentations (EADs).

61.5(12) *Outreach services.* These services include activities designed to familiarize refugees with available services, to explain the purpose of these services, and to facilitate access to these services.

61.5(13) *Referral.* These services enable referral of refugee clients to mainstream service systems.

441—61.6(217) Provision of services.

61.6(1) *Priority of services.* Services are provided to refugees in the following order of priority, except in certain individual extreme circumstances:

a. All newly arriving refugees during their first year in the United States, who apply for services.

b. Refugees who are receiving cash assistance.

c. Unemployed refugees who are not receiving cash assistance.

d. Employed refugees in need of services to retain employment or to attain economic independence.

61.6(2) *Limitations on eligibility.* Services as described in rule 441—61.5(217) may be provided in the first 60 months of resettlement unless the Office of Refugee Resettlement grants an exception to the 60-month limit. Referral, interpretation, citizenship, and naturalization services may be provided to the extent feasible past 60 months of resettlement for refugees, except that refugees who are receiving employability services, as defined in 441—subrule 61.5(11), as part of an employability plan, as of September 30, 1995, may continue to receive those services through September 30, 1996, or until the services are completed, whichever occurs first, regardless of their length of residence in the United States. In any case, services shall first be provided for those refugees who are in the first two years of resettlement and who are in need of assistance in securing self-sufficiency.

61.6(3) Service requirements.

a. Services provided shall be refugee-specific services which are designed specifically to meet refugee needs, except that vocational or job skills training, on-the-job training, or English language training need not be refugee specific.

b. Services shall be provided, to the maximum extent feasible, in a manner that is culturally and linguistically compatible with a refugee's language and cultural background.

c. Services shall be provided, to the maximum extent feasible, in a manner that includes the use of bilingual or bicultural women to ensure adequate service access by refugee women.

d. The department shall use its social service grants primarily for employability services designed to enable refugees to obtain jobs within one year of becoming enrolled in services in order to achieve economic self-sufficiency as soon as possible.

e. Social services may continue to be provided after a refugee has entered a job to help the refugee retain employment or move to a better job.

f. Social service grant funds may not be used for long-term training programs such as vocational training that last for more than a year or educational programs that are not intended to lead to employment within a year.

g. In planning and providing services, the bureau shall take into account those services which a resettlement agency is required to provide for a refugee whom it sponsors in order to ensure the provision of seamless, coordinated services to refugees that are not duplicative.

441—61.7(217) Application for services. Any person wishing to do so shall have an opportunity to apply for services by contacting the bureau or any of its affiliated offices either in person, by telephone, by fax, in writing, or by contacting any of the bureau staff members. The bureau shall determine the eligibility of each person for services. Applicants for refugee cash assistance shall automatically be considered as applicants for services. The bureau shall ensure that refugee women have the same opportunities as refugee men to participate in all services, including job placement services.

441—61.8(217) Adverse service actions.

61.8(1) Denial. Services shall be denied when it is determined by the department that any of the following reasons apply:

a. The client is not in need of the service.

b. The client is not legally eligible.

c. The service is not covered in the state refugee program plan.

d. There is another community resource available to provide the services or a similar service free of charge to the client that will meet the client's needs.

e. The service for which the client is eligible is currently not available. A list of these services will be posted in the bureau's offices.

f. Funding is not available to provide the service. A list of services not available due to lack of funding shall be posted in the bureau offices.

g. The client refuses to allow documentation of eligibility.

h. The services requested are those for which other resettlement agencies are contractually responsible.

i. The person requesting service has been in the United States more than 60 months and the services requested do not include referral, interpretation, citizenship, or naturalization services.

61.8(2) Termination. A particular service may be terminated when the department determines that any of the following reasons apply:

a. The need to attain the goals to which the service was directed has been achieved.

b. After repeated assessment, it is evident that the family or individual is unable to achieve or maintain goals set forth in the individual employability plan.

c. After repeated efforts, it is evident that the client is unwilling to accept further service.

d. The service is no longer available in the Iowa state refugee program plan.

e. There is another community resource available to provide the services or a similar service free of charge to the client that will meet the client's needs.

f. Funding is not available to provide the service. A list of services not available due to lack of funding shall be posted in the bureau's offices.

g. The person receiving service has been in the United States more than 60 months and the services the person is receiving do not include referral or interpretation services.

61.8(3) Reduction. A particular service may be reduced when the department determines that any of the following reasons apply:

a. Continued provision of service at its current level is not necessary. The department shall determine the level to which the service may be reduced without jeopardizing the client's continued progress toward achieving or maintaining the goal.

b. Another community resource is available to provide the same or similar service to the client, at no financial cost to the client, that will meet the client's need.

c. Funding is not available to continue the service at the current level. The client shall be reassessed to determine the level of service to be provided.

61.8(4) Notice of adverse action. In case of an action to terminate, reduce, or deny services, the bureau shall give notice to the person or persons affected.

441—61.9(217) Client appeals. Decisions made by the department or its designee adversely affecting its clients may be appealed according to 441—Chapter 7.

441—61.10(217) Refugee sponsors. The department is required under its resettlement contract with the U.S. Department of State to secure a sponsor for each refugee unit it resettles. Applications for sponsorship through the department are open, but not limited to, Iowans representing: individuals; individuals representing a group, club, organization, or business; and churches or other religious organizations. Refugee sponsors must comply with a formal application process with the department and complete Form 402-0043, Sponsorship Application. The refugee sponsor must be able to provide certain types of nonfinancial assistance to the refugee unit as outlined by the department. The deputy chief of the bureau accepts or rejects each refugee sponsor application.

441—61.11(217) Adverse actions regarding sponsor applications. Applications shall be denied when it is determined by the department that any of the paragraphs or subparagraphs below apply:

61.11(1) The potential sponsor:

a. Seeks to benefit financially by sponsoring a refugee family.

b. Refuses to fill out and sign the Sponsorship Application.

c. Is not economically self-sufficient.

d. Seeks to engage a refugee family in political, economic, religious, or social activities which are intended to restrict the refugees' freedom of choice after they have arrived in Iowa. This includes but is not limited to instances where a potential sponsor seeks to impose the sponsor's beliefs, lifestyle, or efforts for economic gain on the refugee.

e. Refuses to take part in the department's orientation programs for sponsors.

f. Lacks the commitment of time and resources necessary to fulfill the responsibilities of sponsorship as defined in the Sponsorship Application.

g. Performed inadequately as a prior sponsor and failed to fulfill the responsibilities of sponsorship as defined in the Sponsorship Application, Form 402-0043.

h. Has been convicted of an aggravated or serious misdemeanor or felony and that conviction may directly or adversely impact the refugee family or would endanger the family.

61.11(2) The placement of a refugee family with a specific sponsor would cause undue physical or psychological hardship on the newly arrived refugee due to geographic isolation from support services or activities.

441—61.12(217) Administrative review of denial of sponsorship application. Sponsors may request an administrative review when their applications are denied. The request shall be in writing and must be received by the department no later than 30 days after the date of the notification of denial.

61.12(1) When a sponsor wishes a review of a denial, it will be referred to the chief of the bureau. The bureau chief will affirm or reverse the denial within 20 days of the request.

61.12(2) When the bureau chief affirms the denial, the sponsor may request further review by sending a letter requesting review and the bureau chief's denial to the administrator of the division of policy coordination within ten days of the date of the bureau chief's denial. When more information is needed, the administrator shall request the information within five days. The administrator shall review the denial and issue a decision within ten days of the request for the review or the receipt of additional information, whichever is later.

441—61.13(217) Refugee resettlement moneys. The department receives a certain amount of money from the U.S. Department of State for each refugee it resettles. A portion of that money is made available to the refugee sponsor for financial assistance in resettling the refugee unit. All of the moneys must be spent in accordance with financial requirements and approved expenditures of the department, U.S. Department of State, and the state of Iowa comptroller and must go toward the benefit of the refugee unit. The sponsor must sign Form 402-0025, Receipt Letter, to document the receipt of all refugee resettlement funds. The refugee sponsor must not financially benefit in any way from the refugee resettlement moneys.

441—61.14(217) Unaccompanied refugee minors program. The department administers the unaccompanied refugee minors program under rules covered in 441—Chapters 156, 202, 112, 113, 114, 115, and 116 and by federal guidelines provided by the U.S. Department of Health and Human Services. In consultation with other resettlement agencies, the director determines the number of unaccompanied minors to be resettled in Iowa. Resettlement agencies may not bring unaccompanied minors into Iowa without the authorization of the director.

441—61.15(217,622A) Interpreters and translators for legal proceedings. The languages offered by the bureau for interpretation and translation services shall be Serbo-Croatian, Nuer, Cambodian, Hmong, Laotian, Vietnamese, and Tai Dam. Documents to be translated shall be limited to those specified by the presiding judicial officer as those requiring translation and may be any written materials including offers of evidence, correspondence, briefs, memoranda, or other documents. A certification will be attached to each document that certifies that the translator is competent to translate and that the translation is accurate.

61.15(1) Requests for interpretation or translation services. A presiding judicial officer shall initiate the request for interpretation or translation services if the officer determines on the officer's own motion or on the motion of a party that the party (including a defendant in a criminal case) or a witness who may present testimony in the action speaks only or primarily a language other than the English language so as to inhibit the party's comprehension of the proceedings or communication with counsel or the presiding judicial officer or so as to inhibit a witness's comprehension of questions and the presentation of testimony.

61.15(2) Method of interpretation. The method of interpretation to be used by staff interpreters will be the consecutive mode, except when the presiding judicial officer authorizes, with the approval of all interested parties, that a summary interpretation will aid in the efficient administration of justice.

61.15(3) Qualifications and assignment of staff. Interpreters and translators must be capable of interpreting or translating precisely from a language other than English to English and from English to a language other than English. The bureau chief shall maintain a current master list of all staff interpreters and translators determined as qualified.

The bureau chief or designee shall assign interpreters or translators to each request for services, after consultation with the presiding judicial officer of the court.

61.15(4) Roles and responsibilities of interpreters and translators. Staff interpreters and translators shall provide interpretation and translation services during business hours Monday through Friday (8

a.m. to 4:30 p.m.) and occasionally beyond those hours of operation, if required. The interpreter or translator shall:

- a. Keep all assignment-related information strictly confidential.
- b. Not counsel, elaborate, advise or interject personal opinions.
- c. Function in a professional manner appropriate for the situation.
- d. Interpret in the method prescribed by the presiding judicial officer and limited to the methods described in this rule.
- e. Maintain a solid perspective on the role of the interpreter or translator (the main function is solely a linguistic one to facilitate communication).
- f. Not be responsible for what is said, only for conveying it accurately.
- g. Withdraw from assignments if the interpreter's or translator's own feelings or beliefs will interfere with rendering the message accurately.
- h. Withdraw from assignments where family members or close personal or professional relationships may affect impartiality.
- i. Swear or affirm to interpret or translate accurately.

61.15(5) Dismissal or disqualification of interpreter. If any interpreter is unable to communicate effectively with the presiding judicial officer, the attorney, a party (including a defendant in a criminal case), or a witness, the presiding judicial officer may dismiss the interpreter and obtain the services of another interpreter.

Any court or administrative agency may inquire into the qualifications and integrity of any interpreter and may disqualify any person from serving as an interpreter.

61.15(6) Fee schedule. The bureau shall not be compensated for costs related to interpretation or translation services in excess of the maximum allowable under the schedule of fees prescribed pursuant to this subrule. Any moneys collected under this rule shall be used to reimburse the appropriation obligated and disbursed in payment for services.

a. *Rate for services.* The fee schedule for interpretation services shall be based on a portal-to-portal basis multiplied by the appropriate rate. The standard rate shall be \$25 per hour, plus actual expenses not to exceed the state reimbursement rate for meals, lodging, parking, and ground or air transportation costs incurred in providing services.

When a single interpretation assignment exceeds six hours, a flat salary rate of \$150 per day, plus actual expenses, not to exceed the state reimbursement rate, shall be charged.

The fee for translating documents shall be \$25 per page for verbatim translations and \$10 per page for summary translations.

b. *Minimum charges.* A minimum charge of one hour shall be charged for providing requested interpretation services. A minimum of one hour shall be charged for cancellations less than 12 hours prior to a prescheduled appointment. A minimum one-hour charge, plus incidental costs, shall be charged for party no-shows.

For any legal action preparatory to appearing before any court which is facilitated through a telephone interpretation, a minimum charge of 15 minutes shall be charged. A charge for each additional 15-minute increment, after the first 15 minutes, shall be billed at a prorated share of the scheduled standard rate of \$25 per hour.

61.15(7) Payment. Payment for interpretation and translation services invoiced according to the fee schedule shall be issued to the bureau by the clerk of court, if the interpreter or translator is appointed by the presiding judicial officer, unless other state or federal statutory provisions preclude the payment. The presiding judicial officer may order that all or part of the salaries, fees, expenses and costs be apportioned between or among the parties or be taxed according to existing state or federal statutory provisions.

Invoices for interpretation and translation services shall be sent on the tenth of the month following the service date to the appropriate clerk of court. Information on this invoice form is considered confidential and shall include:

1. Name and address of party initiating the service request.
2. Date, time and location of assignment.
3. Description and rate.

4. Hours of service delivery.
5. Name of interpreter(s) and translator(s).
6. Detailed statement of related costs.

441—61.16(217) Pilot recredentialing services. The department shall make available, as a pilot program, recredentialing services for refugees who are graduates of a foreign school that qualifies its students for certification or licensure as registered nurses or licensed practical nurses. These pilot services shall be available to the extent that funding is available through the federal fiscal year 2001 Polk County targeted assistance grant (see 441—61.17(217) for definition) and through Office of Refugee Resettlement social services funds up to a maximum of \$22,500. The pilot program shall end September 30, 2003.

61.16(1) Services included in recredentialing services. In addition to employability services as described in subrule 61.5(11), the department shall provide the following to participants in recredentialing services:

a. Practical assistance in securing documents and services needed to achieve evaluation of credentials earned outside the United States through appropriate United States professional credentials-evaluation organizations.

b. Payment of the initial fee for services of professional credentials-evaluation organizations.

c. Payment, to a maximum of \$5,000 per eligible refugee, as contracted for or otherwise arranged or approved by the bureau, for professional refresher training or other education or training services to enable participants to achieve Iowa certification or licensure.

61.16(2) Limitations on recredentialing services. In addition to the policies described in rule 441—61.6(217), the following shall apply to participants in recredentialing services:

a. The department shall identify eligible participants for recredentialing services through the appropriate employability assessment services as provided in paragraph 61.5(11)“*b.*”

b. The department shall deny eligibility for recredentialing services when the applicant cannot achieve acceptable levels in bureau-administered assessment tests of English literacy, spoken English proficiency, and math proficiency.

c. The department shall consider that eligibility for recredentialing services begins with payment of the fee to the appropriate professional credentials-evaluation organization.

d. The department shall deny or terminate eligibility for recredentialing services when it becomes clear that recredentialing cannot be achieved within the limitations as provided in rule 441—61.6(217). In addition to the appropriate professional credentials-evaluation organization, appropriate education and training institutions may be consulted to determine whether recredentialing may be achieved within these limitations.

e. The department shall limit eligibility for recredentialing services based on place of residence only so far as the source of recredentialing services funding requires such limitation.

441—61.17(217) Targeted assistance grants. “Targeted assistance grants” means U.S. Department of Health and Human Services formula allocation funding granted to the department for assistance to counties where, because of factors such as unusually large refugee populations (including secondary migration), high refugee concentrations, and high use of public assistance by refugees, there exists and can be demonstrated a specific need for supplementation of available resources for services to refugees.

61.17(1) Administration of targeted assistance grants. The department shall make 95 percent of the total award available to the designated county except when the designated county has agreed to let the department administer the targeted assistance grant in its stead.

61.17(2) Eligibility for services under targeted assistance grants. Services funded by targeted assistance grants are limited to refugees who reside in the designated county.

61.17(3) Services and limitations for services funded by targeted assistance grants. Rules of 441—Chapter 61 are applicable to services funded by targeted assistance grants, except for subrules 61.5(5) and 61.6(1).

61.17(4) Priority of services. Services funded by targeted assistance grants shall be provided in the following order of priority, except in certain individual extreme circumstances:

1. Cash assistance recipients, particularly long-term recipients.
2. Unemployed refugees who are not receiving cash assistance.
3. Employed refugees in need of services to retain employment or to attain economic independence.

441—61.18(217) Iowa refugee services foundation. An Iowa refugee services foundation is established to engage in refugee resettlement activities to promote the welfare and self-sufficiency of refugees who live in Iowa and are not citizens of the United States. The structure and authority of the foundation shall be as prescribed in Iowa Code section 217.41 and in the bylaws adopted by the board of directors.

61.18(1) Board of directors. The foundation board of directors shall perform the duties and functions necessary and proper to carry out the foundation's responsibilities.

a. Composition. The board shall consist of five members, one appointed by the governor and four appointed by the director of the department of human services.

b. Term. Members of the board shall be appointed to three-year terms, except as described in paragraph "c." Terms shall begin on July 1 and end on June 30.

c. Initial term. The initial term of the members appointed by the director of the department of human services shall be as follows:

- (1) One member appointed for three years.
- (2) Two members appointed for two years.
- (3) One member appointed for one year.

d. Equity. Not more than two members appointed by the director of the department of human services shall be of the same gender or of the same political party.

e. Vacancy. A vacancy on the board shall be filled in the same manner as the original appointment for the remainder of the term.

61.18(2) Board meetings. The board of directors shall meet at least once each year to elect one of its members as chairperson.

These rules are intended to implement Iowa Code sections 217.6 and 217.41 and chapter 622A.

TITLE VII
FOOD PROGRAMS
CHAPTER 65
FOOD ASSISTANCE PROGRAM ADMINISTRATION

[Prior to 7/1/83, Social Services[770] Ch 65]

[Prior to 2/11/87, Human Services[498]]

PREAMBLE

The basis for the food assistance program is as provided in Title 7 of the Code of Federal Regulations. The purpose of this chapter is to provide for adoption of new and amended federal regulations as they are published, to establish a legal basis for Iowa's choice of administrative options when administrative options are given to the state in federal regulations, to implement the policy changes that the United States Department of Agriculture (USDA) directs states to implement that are required by law but are not yet included in federal regulations, and to implement USDA-approved demonstration projects and waivers of federal regulations.

DIVISION I

441—65.1(234) Definitions.

“Department” means the Iowa department of human services.

“Food assistance” means benefits provided by the federal program administered through Title 7, Chapter II of the Code of Federal Regulations, Parts 270 through 283.

“Notice of expiration” means either a message printed on an application for continued program participation, Review/Recertification Eligibility Document (RRED), Form 470-2881, which is automatically issued to the household, or a hand-issued Form 470-0325, Notice of Expiration.

“Parent” means natural, legal, or stepmother or stepfather.

“Sibling” means biological, legal, step-, half-, or adoptive brother or sister.

441—65.2(234) Application.

65.2(1) Application filing. Persons in need of food assistance benefits may file an application at any local department office in Iowa or over the Internet.

a. An application is filed the day a local department office receives an application for food assistance benefits that contains the applicant's name and address and is signed by either a responsible member of the household or the household's authorized representative. The application may be filed on:

- (1) Form 470-0306 or 470-0307 (Spanish), Application for Food Assistance;
- (2) Form 470-0462 or Form 470-0466 (Spanish), Health and Financial Support Application; or
- (3) Form 470-4080 or 470-4080(S), Electronic Food Assistance Application.

b. When an application is delivered to a closed office, it will be considered received on the first day that is not a weekend or state holiday following the day that the office was last open. An electronic application is considered received on the first department workday following the date the department office received the application.

c. A household shall complete a Health and Financial Support Application when any person in the household is applying for or receiving aid through the family investment program, family medical assistance program (FMAP)-related Medicaid, or the refugee resettlement assistance programs.

d. The application is complete when a completed application form is submitted.

e. Households receiving food assistance benefits in Iowa may apply for continued participation by submitting Form 470-2881, Review/Recertification Eligibility Document.

65.2(2) Failure to provide verification. When a household files an initial application and the department requests additional verification, the applicant shall have ten days to provide the requested verification. If the applicant fails to provide the verification within ten days, the department may deny the application immediately. If the applicant provides the department with the requested verification prior to the thirtieth day from the date of application, the department shall reopen the case and provide benefits from the date of application. If the household provides the verification in the second 30 days

after the date of the application, the department shall reopen the case and provide benefits from the date the verification was provided.

441—65.3(234) Administration of program. The food assistance program shall be administered in accordance with the Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq., and in accordance with federal regulation, Title 7, Parts 270 through 283 as amended to June 19, 2006. A copy of the federal law and regulations may be obtained at no more than the actual cost of reproduction by contacting the Division of Financial, Health, and Work Supports, Department of Human Services, Hoover State Office Building, 1305 East Walnut Street, Des Moines, Iowa 50319-0114, (515)281-3133.

441—65.4(234) Issuance. The department shall issue food assistance benefits by electronic benefits transfer (EBT).

65.4(1) Schedule. Benefits for ongoing certifications shall be made available to households on a staggered basis during the first ten calendar days of each month.

65.4(2) EBT cards. EBT cards shall be mailed to clients.

a. Personal identification number selection. When a client receives the EBT card, the client shall call the automated response unit to select a personal identification number. The client must provide proof of identity before selecting the personal identification number.

b. Replacement of EBT cards. EBT cards shall be replaced within five business days after the client notifies the EBT customer service help desk of the need for replacement.

65.4(3) Client training. Written client training materials may either be mailed to clients or be handed to the clients if they visit the local office. Clients will be given in-person training upon request or if they are identified as having problems using the EBT system.

65.4(4) Point-of-sale terminals. Point-of-sale terminals allow clients to access food assistance benefits and retailers to redeem food sales.

a. Redemption threshold. The department will not place point-of-sale terminals with any authorized retailer with less than \$100 in monthly food assistance redemptions. Those retailers may participate through a manual voucher process described in paragraph 65.4(5) "b."

b. Shipping. Government-supplied point-of-sale terminals may be shipped to authorized retailers along with instructions for installation of the equipment and training materials. A toll-free number is available for retailers needing assistance.

c. Replacement. The department shall ensure that government-supplied point-of-sale terminals that are not operating properly are repaired or replaced within 48 hours.

65.4(5) Voucher processing.

a. Emergency vouchers. Authorized retailers may use an emergency manual voucher if they cannot access the EBT host system.

(1) The client shall sign Form 470-2827, POS Voucher, to authorize a debit of the household's EBT account.

(2) The retailer shall clear the manual transaction as soon as the host system becomes operational.

(3) The retailer shall receive a payment of the actual amount of the voucher, up to a maximum of \$50.

b. Manual vouchers. Authorized retailers without point-of-sale terminals and retailers whose equipment fails may use a manual voucher. If a manual voucher is used:

(1) The client shall sign Form 470-3980, Offline Food Stamp Voucher: Non Equipped Retailer (No POS), to authorize a debit of the household's EBT account.

(2) The retailer shall obtain a telephone authorization from the EBT retailer help desk before finalizing the purchase.

(3) The retailer shall clear the manual transaction within 30 days.

(4) If there are insufficient funds in the client's account when the voucher is presented, the client's account shall be debited for the amount in the account. The remainder of the amount owed shall be

deducted from benefits issued for subsequent months. If the next month's allotment is less than \$50, the deduction shall not exceed \$10.

[ARC 8500B, IAB 2/10/10, effective 3/1/10]

441—65.5(234) Simplified reporting.

65.5(1) Identification. All households are subject to simplified reporting requirements.

65.5(2) Determination of eligibility and benefits. Eligibility and benefits for simplified reporting households shall be determined on the basis of the household's prospective income and circumstances.

65.5(3) Certification periods. Households shall be certified as follows:

a. Households that have no earned income and in which all adult members are elderly or disabled shall be assigned certification periods of 12 months.

b. All other households shall be assigned certification periods of six months.

c. Exceptions:

(1) A household that has unstable circumstances or that includes an able-bodied adult without dependents shall be assigned a shorter certification period consistent with the household's circumstances, but generally no less than three months.

(2) A shorter certification period may be assigned at application or recertification to match the food assistance recertification date to the family investment program or medical assistance annual review date.

65.5(4) Reporting responsibilities. Simplified reporting households are required to report changes as follows:

a. The household shall report if the household's total gross income exceeds 130 percent of the federal poverty level for the household size. The household must report this change within ten days of the end of the month in which the income exceeds this level. A categorically eligible household that reports income over 130 percent of the federal poverty level and that remains eligible for benefits shall not be required to make any additional report of changes.

b. A household containing an able-bodied adult without dependents shall report any change in work hours that brings that adult below 20 hours of work per week, averaged monthly. The household must report this change within ten days of the end of the month in which the change in work hours occurs.

65.5(5) Verification submitted with report form. Rescinded IAB 9/10/08, effective 10/1/08.

65.5(6) Additional information and verification. Rescinded IAB 9/10/08, effective 10/1/08.

65.5(7) Action on reported changes. The department shall act on all reported changes for households regardless of the household's reporting requirements.

65.5(8) Entering or leaving simplified reporting. Rescinded IAB 9/10/08, effective 10/1/08.

65.5(9) Reinstatement. Rescinded IAB 9/10/08, effective 10/1/08.

441—65.6(234) Delays in certification.

65.6(1) When by the thirtieth day after the date of application the agency cannot take any further action on the application due to the fault of the household, the agency shall give the household an additional 30 days to take the required action. The agency shall send the household a notice of pending status on the thirtieth day.

65.6(2) When there is a delay beyond 60 days from the date of application and the agency is at fault and the application is complete enough to determine eligibility, the application shall be processed. For subsequent months of certification, the agency may require a new application form to be completed when household circumstance indicates changes have occurred or will occur.

65.6(3) When there is a delay beyond 60 days from the date of application and the agency is at fault and the application is not complete enough to determine eligibility, the application shall be denied. The household shall be notified to file a new application and that it may be entitled to retroactive benefits.

441—65.7(234) Expedited service. Rescinded IAB 5/2/01, effective 6/1/01.

441—65.8(234) Deductions.

65.8(1) Standard allowance for households with heating or air-conditioning expenses. When a household is receiving heating or air-conditioning service for which it is required to pay all or part of

the expense or receives assistance under the Low-Income Home Energy Assistance Act (LIHEAA) of 1981, the heating or air-conditioning standard shall be allowed.

a. The standard allowance for utilities which include heating or air-conditioning costs shall change annually effective each October 1 using a methodology approved by the Food and Nutrition Service of the United States Department of Agriculture.

b. Effective October 1, 2013, five dollars will be subtracted from this amount to allow for cost neutrality necessary for the standard medical expense deduction.

65.8(2) Heating expense. Heating expense is the cost of fuel for the primary heating service normally used by the household.

65.8(3) Telephone standard. When a household is receiving a standard utility allowance under subrule 65.8(1) or 65.8(5) or is solely responsible for telephone expenses, a standard allowance shall be allowed. This allowance shall change annually effective each October 1 using a methodology approved by the Food and Nutrition Service of the United States Department of Agriculture.

65.8(4) Energy assistance payments. For purposes of prorating the low income energy assistance payments to determine if households have incurred out-of-pocket expenses for utilities, the heating period shall consist of the months from October through March.

65.8(5) Standard allowance for households without heating or air-conditioning expenses. When a household is receiving some utility service other than heating or air-conditioning for which it is responsible to pay all or part of the expense, the nonheating or air-conditioning standard shall be allowed. These utility expenses cannot be solely for telephone.

a. This allowance shall change annually effective each October 1 using a methodology approved by the Food and Nutrition Service of the United States Department of Agriculture.

b. Effective October 1, 2013, five dollars will be subtracted from this amount to allow for cost neutrality necessary for the standard medical expense deduction.

65.8(6) Excluded payments. A utility expense which is reimbursed or paid by an excluded payment, including HUD or FmHA utility reimbursements, shall not be deductible.

65.8(7) Excess medical expense deduction. Notwithstanding anything to the contrary in these rules or regulations, at certification, households having a member eligible for the excess medical expense deduction shall be allowed to provide verification of expenses so that a reasonable projection of the member's medical expenses anticipated to occur during the household's certification period can be made. The household may choose to claim actual expenses or to use the standard medical expense deduction.

a. Actual medical expense.

(1) The projection may be based on available information about the member's medical condition, public or private medical insurance coverage, and current verified medical expenses.

(2) Households that choose to claim actual medical expenses shall not be required to report changes in medical expenses that were anticipated to occur during the certification period.

b. Standard medical expense.

(1) A household may choose a standard medical expense deduction of \$105 if the household incurs more than \$35 per month in medical expenses.

(2) A household that chooses the standard deduction shall not be required to report changes in medical expenses during the certification period.

c. Rescinded IAB 8/1/07, effective 10/1/07.

65.8(8) Child support payment deduction. Rescinded IAB 5/2/01, effective 6/1/01.

65.8(9) Standard deduction. Each household will receive a standard deduction from income equal to 8.31 percent of the net income limit for food assistance eligibility. No household will receive an amount less than \$144 or more than 8.31 percent of the net income limit for a household of six members. The amount of the standard deduction is adjusted for inflation annually as directed by the Food and Nutrition Service of the U.S. Department of Agriculture.

65.8(10) Sharing utility standards. Rescinded IAB 9/4/02, effective 10/1/02.

65.8(11) Excess shelter cap. Rescinded IAB 5/2/01, effective 6/1/01.

This rule is intended to implement Iowa Code section 234.12.

[ARC 8992B, IAB 8/11/10, effective 10/1/10; ARC 1148C, IAB 10/30/13, effective 1/1/14]

441—65.9(234) Treatment centers and group living arrangements. Alcohol or drug treatment or rehabilitation centers and group living arrangements shall complete Form 470-2724, Monthly Facility Report, on a monthly basis and return the form to the local department office where the center is assigned.

441—65.10(234) Reporting changes. Rescinded IAB 9/10/08, effective 10/1/08.

441—65.11(234) Discrimination complaint. Individuals who feel that they have been subject to discrimination may file a written complaint with the Diversity Programs Unit, Department of Human Services, Hoover State Office Building, 1305 E. Walnut Street, Des Moines, Iowa 50319-0114.

441—65.12(234) Appeals. Fair hearings and appeals are provided according to the department's rules, 441—Chapter 7.

441—65.13(234) Joint processing.

65.13(1) *Joint processing with SSI.* The department will handle joint processing of supplemental security income and food assistance applications by having the social security administration complete and forward food assistance applications.

65.13(2) *Joint processing with public assistance.* The department shall jointly process public assistance and food assistance applications.

65.13(3) *Single interview for assistance.* In joint processing of public assistance and food assistance applications, the department shall conduct a single interview at initial application for both purposes.

441—65.14(234) Rescinded, effective 10/1/83.

441—65.15(234) Proration of benefits. Benefits shall be prorated using a 30-day month.

This rule is intended to implement Iowa Code section 234.12.

441—65.16(234) Complaint system. Clients wishing to file a formal written complaint concerning the food assistance program may submit Form 470-0323, or 470-0323(S), Food Assistance Complaint, to the office of field support. Department staff shall encourage clients to use the form.

[ARC 8500B, IAB 2/10/10, effective 3/1/10]

441—65.17(234) Involvement in a strike. An individual is not involved in a strike at the individual's place of employment when the individual is not picketing and does not intend to picket during the course of the dispute, does not draw strike pay, and provides a signed statement that the individual is willing and ready to return to work but does not want to cross the picket line solely because of the risk of personal injury or death or trauma from harassment. The service area manager shall determine whether such a risk to the individual's physical or emotional well-being exists.

441—65.18(234) Rescinded, effective 8/1/86.

441—65.19(234) Monthly reporting/retrospective budgeting. Rescinded IAB 9/10/08, effective 10/1/08.

441—65.20(234) Notice of expiration issuance.

65.20(1) Issuance of the automated Notice of Expiration will occur with the mailing of Form 470-2881, 470-2881(M), 470-2881(S), or 470-2881(MS), Review/Recertification Eligibility Document (RRED), or a hand-issued Form 470-0325, Notice of Expiration.

65.20(2) Issuance of the Notice of Expiration, Form 470-0325, will occur at the time of certification if the household is certified for one month, or for two months, and will not receive the automated Notice of Expiration.

[ARC 8500B, IAB 2/10/10, effective 3/1/10]

441—65.21(234) Claims.

65.21(1) *Time period.* Inadvertent household error claims shall be calculated back to the month the error originally occurred to a maximum of three years before the month of discovery of the overissuance. Agency error claims shall be calculated back to the month the error originally occurred to a maximum of one year before the month of discovery of the overissuance.

65.21(2) *Suspension status.* Rescinded IAB 7/1/98, effective 8/5/98.

65.21(3) *Application of restoration of lost benefits.* Rescinded IAB 3/6/02, effective 5/1/02.

65.21(4) *Demand letters.* Households that have food assistance claims shall return the repayment agreement no later than 20 days after the date the demand letter is mailed.

a. For agency error and inadvertent household error, when households do not return the repayment agreement by the due date or do not timely request an appeal, allotment reduction shall occur with the first allotment issued after the expiration of the Notice of Adverse Action time period.

b. For intentional program violation, when households do not return the repayment agreement by the due date, allotment reduction shall occur with the next month's allotment.

65.21(5) *Adjustments for claim repayment.* A household or authorized representative may initiate a claim repayment by using benefits in an EBT account. The client or authorized representative shall complete Form 470-2574, EBT Adjustment Request, to authorize adjustments to a household's EBT account.

65.21(6) *Collection of claims.* Rescinded IAB 5/30/01, effective 8/1/01.
[ARC 7928B, IAB 7/1/09, effective 9/1/09]

441—65.22(234) Verification.

65.22(1) *Required verification.*

a. Income. Households shall be required to verify income at time of application, recertification and when income is reported or when income changes with the following exceptions:

1. Households are not required to verify the public assistance grant.
2. Households are not required to verify job insurance benefits when the information is available to the department from the department of employment services.
3. Households are only required to verify interest income at the time of application and recertification.

b. Dependent care costs. Rescinded IAB 3/10/10, effective 2/10/10.

c. Medical expenses. Households shall be required to verify medical expenses at the time of application and whenever a change is reported. For recertification:

- (1) A household that chose to claim actual expenses must verify medical expenses.
- (2) A household that chose the standard medical expense deduction shall be required to declare only if the excess expense still exists.

d. Shelter costs. Rescinded IAB 3/10/10, effective 2/10/10.

e. Utilities. Rescinded IAB 3/10/10, effective 2/10/10.

f. Telephone expense. Rescinded IAB 5/2/01, effective 6/1/01.

g. Child support payment deduction. Households shall be required to verify legally obligated child support and child medical support payments made to a person outside of the food assistance household only at certification and recertification and whenever the household reports a change.

65.22(2) *Failure to verify.* When the household does not verify an expense as required, no deduction for that expense will be allowed.

65.22(3) *Special verification procedures.* Persons whose applications meet the initial criteria for error-prone cases may be subject to special verification procedures, including a second face-to-face interview and additional documentation requirements in accordance with department of inspections and appeals' rules 481—Chapter 72.

Clients are required to cooperate with the investigation division of the department of inspections and appeals in establishing eligibility factors, including attending requested interviews. Refusal to cooperate will result in denial or cancellation of the household's food assistance benefits. Once denied or terminated

for refusal to cooperate, the household may reapply but shall not be determined eligible until cooperation occurs.

[ARC 8556B, IAB 3/10/10, effective 2/10/10]

441—65.23(234) Prospective budgeting.

65.23(1) *Weekly or biweekly income.* The department shall convert income and deductions that occur on a weekly or biweekly basis to monthly figures using family investment program procedures.

65.23(2) *Income averaging.* The department shall average income by anticipating income fluctuations over the certification period. The number of months used to arrive at the average income should be the number of months that are representative of the anticipated income fluctuation.

441—65.24(234) Inclusion of foster children in household. Foster children living with foster parents will not be considered to be members of the food assistance household unless the household elects to include the foster children in the household. Foster care payments received for foster children not included in the household will be excluded from the income of the household receiving the payment.

441—65.25(234) Effective date of change. A food assistance change caused by, or related to, a public assistance grant change will have the same effective date as the public assistance change.

441—65.26(234) Eligible students. A student who is enrolled in an institution of higher education shall meet student eligibility criteria if the student:

1. Is employed for an average of 20 hours per week and is paid for this employment; or
2. Is self-employed for an average of 20 hours per week and receives average weekly earnings at least equal to the federal minimum wage multiplied by 20 hours.

441—65.27(234) Voluntary quit or reduction in hours of work.

65.27(1) *Applicant households.* A member of an applicant household who without good cause voluntarily quits a job or reduces hours of work to less than 30 hours weekly within 30 days before the date the household applies for benefits shall be disqualified from participating in the food assistance program according to the provisions of paragraphs 65.28(12) “a” and “b.”

65.27(2) *Participating individuals.* Participating individuals are subject to the same disqualification periods as provided under subrule 65.28(12) when the participating individuals voluntarily quit employment without good cause or voluntarily reduce hours of work to less than 30 hours per week, beginning with the month following the adverse notice period.

441—65.28(234) Work requirements.

65.28(1) *Persons required to register.* Each household member who is not exempt by subrule 65.28(2) shall be registered for employment at the time of application, and once every 12 months after initial registration, as a condition of eligibility. Registration is accomplished when the applicant signs an application form that contains a statement that all members in the household who are required to register for work are willing to register for work. This signature registers all members of that food assistance household that are required to register.

65.28(2) *Exemptions from work registration.* The following persons are exempt from the work registration requirement:

- a. A person younger than 16 years of age or a person 60 years of age or older. A person aged 16 or 17 who is not a head of a household or who is attending school, or is enrolled in an employment training program on at least a half-time basis is exempt.
- b. A person physically or mentally unfit for employment.
- c. A household member subject to and complying with any work requirement under Title IV of the Social Security Act including mandatory PROMISE JOBS referral.
- d. A parent or other household member who is responsible for the care of a dependent child under age six or an incapacitated person.
- e. A person receiving unemployment compensation.

f. A regular participant in a drug addiction or alcohol treatment and rehabilitation program which is certified by the Iowa department of public health, division of substance abuse.

g. A person who is employed or self-employed and working a minimum of 30 hours weekly or receiving weekly earnings at least equal to the federal minimum wage multiplied by 30 hours.

h. A student enrolled at least half-time in any recognized school, recognized training program, or an institution of higher education (provided that students have met the requirements of federal regulation, Title 7, Part 273.5, as amended to December 31, 1986).

65.28(3) *Losing exempt status.* Persons who lose exempt status due to any change in circumstances that is subject to the reporting requirements shall register for employment when the change is reported. Persons who lose exempt status due to a change in circumstances that is not subject to the reporting requirements for that household shall register for employment no later than at the household's next recertification.

65.28(4) *Registration process.* Upon reaching a determination that an applicant or a member of the applicant's household is required to register, the pertinent work requirements, the rights and responsibilities of work-registered household members, and the consequences of failure to comply shall be explained to the applicant. A written statement of the above shall be provided to each registrant in the household. The written statement shall also be provided at recertification and when a previously exempt member or a new household member becomes subject to work registration.

Registration for all nonexempt household members required to work register is accomplished when the applicant or recipient signs an application, recertification, or reporting form containing an affirmative response to the question, "Do all members who are required to work register and participate in job search agree to do so?" or similarly worded statement.

65.28(5) *Deregistration.* Work registrants who obtain employment or otherwise become exempt from the work requirement subsequent to registration or who are no longer certified for participation are no longer considered registered.

65.28(6) *Work registrant requirements.* Work registrants shall respond to a request from the department or its designee for supplemental information regarding employment status or availability for work.

65.28(7) *Employment and training program.*

a. The employment and training program for food assistance recipients is designed to assist:

(1) Persons who have lost jobs or are underemployed and who need new skills in order to reenter the workplace because there are no jobs available for which the persons are trained.

(2) Persons who have been out of the workforce for a period of time to regain licensure or certification in an area in which they are already trained.

(3) Persons who wish to upgrade their employment for better wages and benefits.

b. The department or its designee shall serve as the provider of employment and training services for food assistance recipients who wish to volunteer, except for those who are also recipients of family investment program (FIP) benefits. Federal law prohibits FIP recipients from participating in any food assistance employment and training program.

c. The program offers a range of services from basic skills to advanced training in order to accommodate persons with various levels of need and abilities. The department or its designee may require a volunteer to engage in vocational testing activities when deemed necessary to determine if a component is appropriate for improving the volunteer's opportunity for employment.

65.28(8) *Employment and training components.* Employment and training components include individual job search, job club, educational services, and job retention services. The department or its designee shall offer employment and training components subject to the availability of sufficient funding to cover program costs. Availability of components may vary among the areas where employment and training are offered.

a. Individual job search. The individual job search shall be modeled after the family investment program's PROMISE JOBS individual job search component, as described at 441—subrule 93.6(2).

b. Job club. The employment and training job club shall be modeled after the family investment program's PROMISE JOBS job club, as described at 441—subrule 93.6(1).

c. Educational services. Educational services offered shall include general educational development (GED), adult basic education (ABE), English as a second language (ESL), and vocational training or educational opportunities limited to a two-year college degree. Educational services may include, but are not limited to, obtaining continuing education credit hours needed for a recipient to become recertified or to renew licensure for a profession.

d. Job retention services. Job retention services are intended to provide needed assistance with costs associated with beginning employment. Services are available only to persons who have received employment or training services under this subrule. Job retention services will be offered up to 90 days after the person secures employment. Services may include payment of:

(1) A transportation allowance of \$50 per month for round-trip travel of 50 miles or less or \$100 per month for round-trip travel of 51 miles or more.

(2) The cost of testing, certification, licensing, bonding, or legal services required for employment.

(3) The cost of equipment, tools, uniforms, or other special clothing required by the job.

(4) Other reasonable and necessary costs related to starting and retaining employment.

65.28(9) *Exemptions from employment and training programs.* Rescinded IAB 5/5/10, effective 4/15/10.

65.28(10) *Time spent in an employment and training program.* Rescinded IAB 5/5/10, effective 4/15/10.

65.28(11) *Supportive services.* Program participants shall be provided with services necessary to complete an employment and training component to the extent allowable under federal regulations at 7 CFR 237.7(e)(4) as amended to January 1, 2009, and to the extent there is sufficient funding to cover the costs.

a. The department shall provide participants in employment and training components an allowance for costs of transportation or other costs reasonably necessary and directly related to participation in the components as follows:

(1) A transportation allowance of \$50 per month for round-trip travel of 50 miles or less or \$100 per month for round-trip travel of 51 miles or more.

(2) Reasonable and necessary costs of attending a specific course of study, such as tuition, books, fees, training manuals, tools, equipment, uniforms and special clothing, safety items, and other items that all students in the course are required to have.

b. The department may authorize the employment and training service provider to reimburse the provider of care directly for the costs of dependent care expenses that the employment and training service provider determines to be necessary for the participation of a person in the components.

(1) Reimbursement for dependent care shall be authorized only to the extent that another source is not available to provide the care at no cost to the employment and training program and shall be based on the child care assistance program reimbursement rates as described at 441—paragraph 170.4(7) “a.”

(2) The caretaker relative of a dependent in a family receiving FIP is not eligible for the dependent care reimbursement.

65.28(12) *Failure to comply.* This subrule applies only to persons who are mandatory work registrants as required by subrule 65.28(1).

a. When a person has refused or failed without good cause to comply with the work registration requirements in this rule, that person shall be ineligible to participate in the food assistance program as follows:

(1) First violation: The later of (1) the date the individual complies with the requirement; or (2) two months.

(2) Second violation: The later of (1) the date the individual complies with the requirement; or (2) three months.

(3) Third and subsequent violations: The later of (1) the date the individual complies with the requirement; or (2) six months.

b. The disqualification period shall begin with the first month following the expiration of the adverse notice period, unless a fair hearing is requested.

65.28(13) *Noncompliance with comparable requirements.* The department shall treat a mandatory work registrant's failure to comply with an unemployment compensation requirement that is comparable to a food assistance work registration requirement as a failure to comply with the corresponding food assistance requirement. Disqualification procedures in subrule 65.28(12) shall be followed.

65.28(14) *Ending disqualification.* Following the end of the disqualification periods for noncompliance and as provided in rules 441—65.27(234) and 441—65.28(234), participation may resume.

a. An applicant disqualified under subrule 65.27(1) may be approved for benefits after serving the minimum disqualification period and complying with the work requirement, as follows:

(1) If the applicant voluntarily quit a job, the applicant must obtain a job comparable to the one that the applicant quit.

(2) If the applicant voluntarily reduced hours of employment to less than 30 hours per week, the applicant must start working 30 or more hours per week.

b. A disqualified individual who is a member of a currently participating eligible household shall be added to the household after the minimum disqualification period has been served and the person has complied with the failed requirement as follows:

(1) If the member failed or refused to register for work with the department, the member complies by registering.

(2) If the member voluntarily quit a job, the member must obtain a job comparable to the one quit.

(3) If the member voluntarily reduced hours of employment to less than 30 hours per week, the member must start working 30 or more hours per week.

c. An individual may reestablish eligibility during a disqualification period by becoming exempt from the work requirement as provided in subrule 65.28(2).

65.28(15) *Suitable employment.* Employment shall be considered unsuitable if:

a. The wage offered is less than the highest of the applicable federal minimum wage, the applicable state minimum wage, or 80 percent of the federal minimum wage if neither the federal nor state minimum wage is applicable.

b. The employment offered is on a piece-rate basis and the average hourly yield the employee can reasonably be expected to earn is less than the applicable hourly wages specified in paragraph "a" above.

c. The household member, as a condition of employment or continuing employment, is required to join, resign from, or refrain from joining a legitimate labor organization.

d. The work offered is at a site subject to a strike or lockout at the time of the offer unless the strike has been enjoined under Section 208 of the Labor-Management Relations Act (29 U.S.C. 78A) (commonly known as the Taft-Hartley Act), or unless an injunction has been issued under Section 10 of the Railway Labor Act (45 U.S.C. 160).

e. The household member involved can demonstrate or the department otherwise becomes aware that:

(1) The degree of risk to health and safety is unreasonable.

(2) The member is physically or mentally unfit to perform the employment, as documented by medical evidence or by reliable information from other sources.

(3) The employment offered within the first 30 days of registration is not in the member's major field of experience.

(4) The distance from the member's home to the place of employment is unreasonable considering the expected wage and the time and cost of commuting. Employment shall not be considered suitable if daily commuting time exceeds two hours per day, not including the transporting of a child to and from a child care facility. Employment shall also not be considered suitable if the distance to the place of employment prohibits walking and neither public nor private transportation is available to transport the member to the job site.

(5) The working hours or nature of the employment interferes with the member's religious observances, convictions, or beliefs.

65.28(16) Applicants for supplemental security income (SSI) and food assistance. Household members who are jointly applying for SSI and for food assistance shall have the requirements for work registration waived until:

- a. They are determined eligible for SSI and thereby become exempt from work registration, or
- b. They are determined ineligible for SSI whereupon a determination of work registration status will be made.

65.28(17) Determining good cause. The department or its designee shall determine whether good cause exists for failure to comply with the work registration, employment and training, and voluntary quit requirements in 441—Chapter 65. In determining whether good cause exists, the facts and circumstances shall be considered, including information submitted by the household member involved and the employer.

Good cause shall include circumstances beyond the member's control, such as, but not limited to, illness of the registrant or of another household member requiring the presence of the registrant, a household emergency, the unavailability of transportation, or the lack of adequate child care for children who have reached age 6 but are under age 12.

65.28(18) Measuring the three-year period for able-bodied nonexempt adults without dependents. The three-year period as provided for in federal regulations at 7 CFR 273.24 as amended to June 19, 2002, starts on December 1, 2002, and ends November 30, 2005. Subsequent three-year periods start with the month of December following the end of the previous period.

65.28(19) Mini-simplified food assistance program.

- a. *Scope.* The department operates a mini-simplified food assistance program for households that:
 - (1) Also receive benefits under the family investment program; and
 - (2) Include a parent who is exempt from food assistance requirements for work registration due to caring for a child under the age of six.

- b. *Effect.* The mini-simplified food assistance program allows replacement of certain food assistance program work rules with work rules of the Temporary Assistance to Needy Families program. The value of the household's monthly food assistance benefits shall be combined with the household's monthly family investment program benefit amount to determine the maximum number of hours the department can require a household member under the family investment program to participate in an unpaid work activity that is subject to the federal Fair Labor Standards Act. Maximum required hours of participation for a month are determined by dividing the total amount of benefits by the state or federal minimum wage, whichever wage is higher.

[ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 8712B, IAB 5/5/10, effective 4/15/10]

441—65.29(234) Income.

65.29(1) Self-employment income. "Self-employment income" means the net profit from self-employment.

- a. *Determination of net profit.* "Net profit from self-employment" means gross self-employment income less:

- (1) A standard amount of 40 percent, as allowed by the state's family investment (TANF) program, or

- (2) At the household's request, actual allowable expenses as specified in federal regulations at 7 CFR 273.11 as amended to January 1, 2011.

- b. *Uneven proration of self-employment income.* Once a household with self-employment income is determined eligible, the household has the following options for computation of the benefit level:

- (1) Using the same monthly self-employment income amount which was used to determine eligibility, or

- (2) Unevenly prorating the household's annual self-employment income over the period for which the household's self-employment income was averaged to more closely approximate the time when the income is actually received. If this option is chosen, the self-employment income assigned in any month together with other income and deductions at the time of certification cannot result in the household's exceeding the maximum monthly net income eligibility standards for the household's size.

65.29(2) Job insurance benefits. When the department of human services uses information provided by the department of workforce development to verify job insurance benefits, the benefits shall be considered received the second day after the date that the check was mailed. When the second day falls on a Sunday or federal legal holiday, the time shall be extended to the next mail delivery day.

When the client notifies the agency that the amount of job insurance benefits used is incorrect, the client shall be allowed to verify the discrepancy. A benefit adjustment shall be made when indicated. The client must report the discrepancy before the benefit month or within ten days of the date on the Notice of Decision, Form 470-0485, 470-0486, or 470-0486(S), applicable to the benefit month, whichever is later, in order to receive corrected benefits.

65.29(3) Exclusion of income from 2000 census employment. Rescinded IAB 9/4/02, effective 10/1/02.

65.29(4) Interest income. Prorate interest income by dividing the amount anticipated during the certification period by the number of months in the certification period.

65.29(5) Social security plans for achieving self-support (PASS). Notwithstanding anything to the contrary in these rules or regulations, exclude income amounts necessary for fulfillment of a plan for achieving self-support (PASS) under Title XVI of the Social Security Act.

65.29(6) Student income. In determining eligibility, the department shall exclude educational income, including any educational loans on which payment is deferred, grants, scholarships, fellowships, veterans' educational benefits, and the like excluded under Title XIX of the Social Security Act (42 U.S.C. 1396 et seq.).

a. Notwithstanding anything to the contrary in these rules or regulations, the department shall exclude educational income based on amounts earmarked by the institution, school, program, or other grantor as made available for the specific costs of tuition, mandatory fees, books, supplies, transportation and miscellaneous personal expenses (other than living expenses).

b. If the institution, school, program, or other grantor does not earmark amounts made available for the allowable costs involved, students shall receive an exclusion from educational income for educational assistance verified by the student as used for the allowable costs involved. Students can also verify the allowable costs involved when amounts earmarked are less than amounts that would be excluded by a strict earmarking policy.

c. For the purpose of this rule, mandatory fees include the rental or purchase of equipment, materials and supplies related to the course of study involved.

65.29(7) Elementary and high school student income. Rescinded IAB 5/2/01, effective 6/1/01.

65.29(8) Vendor payments. Rescinded IAB 5/2/01, effective 6/1/01.

65.29(9) HUD or FmHA utility reimbursement. Rescinded IAB 5/2/01, effective 6/1/01.

65.29(10) Welfare reform and regular household honorarium income. All moneys paid to a food assistance household in connection with the welfare reform demonstration longitudinal study or focus groups shall be exempted.

65.29(11) Income of ineligible aliens. The department shall use all but a pro-rata share of ineligible aliens' income and deductible expenses to determine eligibility and benefits of any remaining household members.

65.29(12) Unearned income. Unearned income is any income in cash that is not gained by labor or service. When taxes are withheld from unearned income, the amount considered will be the net income after the withholding of taxes (Federal Insurance Contribution Act, state and federal income taxes). Net unearned income shall be determined by deducting reasonable income-producing costs from the gross unearned income. Money left after this deduction shall be considered gross income available to the household.

[ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 0148C, IAB 6/13/12, effective 8/1/12]

441—65.30(234) Resources.

65.30(1) Jointly held resources. When property is jointly held it shall be assumed that each person owns an equal share unless the intent of the persons holding the property can be otherwise established.

65.30(2) Resource limit. The resource limit for a household that includes a person aged 60 or over or a disabled person is \$3000. The resource limit for other households is \$2000. These amounts are adjusted for inflation annually as directed by the Food and Nutrition Service of the U.S. Department of Agriculture.

65.30(3) Resources of SSI and FIP household members. Notwithstanding anything to the contrary in these rules or in federal regulations, all resources of SSI or FIP recipients are excluded. For food assistance purposes, those members' resources, if identified, cannot be included when a household's total resources are calculated.

65.30(4) Earned income tax credits. Notwithstanding anything to the contrary in these rules or in federal regulations, earned income tax credits (EITC) shall be excluded from consideration as a resource for 12 months from the date of receipt if:

a. The person receiving the EITC was participating in the food assistance program at the time the credits were received; and

b. The person participated in the program continuously during the 12-month period.

65.30(5) Student income. Exclude from resources any income excluded by subrule 65.29(6).

65.30(6) Motor vehicles. One motor vehicle per household shall be excluded without regard to its value. The value of remaining motor vehicles shall be determined using federal regulations at 7 CFR 273.8, as amended to April 29, 2003.

65.30(7) Retirement accounts. Exclude from resources the value of:

a. Any funds in a plan, contract, or account described in Sections 401(a), 403(a), 403(b), 408, 408A, 457(b), and 501(c)(18) of the Internal Revenue Code of 1986.

b. Any funds in a Federal Thrift Savings Plan account as provided in Section 8439 of Title 5, United States Code.

c. Any retirement program or account included in any successor or similar provision that may be enacted and determined to be exempt from tax under the Internal Revenue Code of 1986.

d. Any other retirement plans, contracts, or accounts determined to be exempt by the Secretary of the U.S. Department of Agriculture.

65.30(8) Education accounts. Exclude from resources the value of:

a. Any funds in a qualified tuition program described in Section 529 of the Internal Revenue Code of 1986 or in a Coverdell Education Savings Account under Section 530 of the Internal Revenue Code.

b. Any other education plans, contracts or accounts determined to be exempt by the Secretary of the U.S. Department of Agriculture.

441—65.31(234) Homeless meal providers. When a local office of the department is notified that an establishment or shelter has applied to be able to accept food assistance benefits for homeless persons, staff shall obtain a written statement from the establishment or shelter. The statement must contain information on how often meals are served by the establishment or shelter, the approximate number of meals served per month, and a statement that the establishment or shelter does serve meals to homeless persons. This information must be dated and signed by a person in charge of the administration of the establishment or shelter and give the person's title or function with the establishment.

The establishment or shelter shall cooperate with agency staff in the determination of whether or not meals are served to the homeless.

441—65.32(234) Basis for allotment. The minimum benefit amount for all eligible one-member and two-member households shall be 8 percent of the maximum monthly allotment for a household size of one member.

441—65.33(234) Dependent care deduction. Households shall be allowed a deduction for the amount of monthly dependent care expenses.

[ARC 8556B, IAB 3/10/10, effective 2/10/10]

441—65.34(234) Exclusion of advance earned income tax credit payments from income. Rescinded IAB 10/30/91, effective 1/1/92.

441—65.35(234) Migrant and seasonal farm worker households. Rescinded IAB 10/30/91, effective 1/1/92.

441—65.36(234) Electronic benefit transfer (EBT) of food stamp benefits. Rescinded IAB 3/5/03, effective 5/1/03.

441—65.37(234) Eligibility of noncitizens. The following groups of aliens who are lawfully residing in the United States and are otherwise eligible are eligible for food assistance benefits:

65.37(1) Aliens who are receiving benefits or assistance for blindness or disability as specified in 7 CFR 271.2, as amended to April 6, 1994, regardless of their immigration date.

65.37(2) Aliens who have been residing in the United States for at least five years as legal permanent residents.

65.37(3) Aliens who hold one of the following statuses:

a. A refugee admitted under Section 207 of the Immigration and Nationality Act.

b. A Cuban or Haitian entrant admitted under Section 501(e) of the Refugee Education Assistance Act of 1980.

c. An Amerasian immigrant admitted under Section 584 of the Foreign Operations, Export Financing and Related Program Appropriations Act.

d. An asylee admitted under Section 208 of the Immigration and Nationality Act.

e. An alien whose deportation or removal has been withheld under Section 243(h) or 241(b)(3) of the Immigration and Nationality Act.

65.37(4) Aliens aged 18 or under, regardless of their immigration date. The department shall exclude the income and resources of a sponsor when determining food assistance eligibility and benefits for an alien aged 18 or under.

441—65.38(234) Income deductions. Notwithstanding anything to the contrary in these rules or regulations, student households cannot receive an income deduction for dependent care expenses that were excluded from educational income.

441—65.39(234) Categorical eligibility.

65.39(1) Notwithstanding anything to the contrary in these rules or in federal regulations, a household in which all members are recipients of a state or local general assistance (GA) program is subject to categorical eligibility provisions of the food assistance program provided that the state or local program:

a. Has income limits at least as stringent as the food assistance gross income test; and

b. Gives assistance other than one-time emergency payments that cannot be given for more than one continuous month.

65.39(2) Notwithstanding anything to the contrary in these rules or in federal regulations, a household is subject to categorical eligibility provisions of the food assistance program for any month in which the household is determined eligible for the Iowa promoting healthy marriage program pursuant to rule 441—47.2(234).

[ARC 9173B, IAB 11/3/10, effective 1/1/11]

441—65.40(234) Head of the household. Rescinded IAB 8/11/99, effective 11/1/99.

441—65.41(234) Actions on changes increasing benefits. Action on changes resulting in an increase in benefits will take place after the verification is received.

441—65.42(234) Work transition period. Rescinded IAB 3/6/02, effective 5/1/02.

441—65.43(234) Household composition. Rescinded IAB 5/2/01, effective 6/1/01.

441—65.44(234) Reinstatement.

65.44(1) The department shall reinstate assistance without a new application when the element that caused termination of a case no longer exists and eligibility can be reestablished prior to the effective date of cancellation.

65.44(2) When assistance has been canceled for failure to provide requested information, assistance shall be reinstated without a new application if all information necessary to establish eligibility, including verification of any changes, is provided within 14 days of the effective date of cancellation and eligibility can be reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance shall be the date all information required to establish eligibility is provided.

[ARC 8500B, IAB 2/10/10, effective 3/1/10]

441—65.45(234) Conversion to the X-PERT system. Rescinded IAB 3/6/02, effective 5/1/02.

441—65.46(234) Disqualifications. Notwithstanding anything to the contrary in these rules, food assistance program violation disqualifications for persons who are not participating in the food assistance program shall be imposed in the same manner as program violation disqualifications are imposed for persons who are participating in the food assistance program.

65.46(1) *First and second violations.* Notwithstanding anything to the contrary in these rules or regulations, the disqualification penalty for a first intentional program violation shall be one year except for those first violations involving a controlled substance. The disqualification penalty for a second intentional violation and any first violation involving a controlled substance shall be two years.

65.46(2) *Conviction on trafficking in food assistance benefits.* The penalty for any individual convicted of trafficking in food assistance benefits of \$500 or more shall be permanent disqualification.

65.46(3) *Receiving or attempting to receive multiple benefits.* An individual found to have made a fraudulent statement or representation with respect to identity or residency in order to receive multiple benefits shall be ineligible to participate in the food assistance program for a period of ten years.

65.46(4) *Fleeing felons and probation or parole violators.* Rescinded IAB 10/3/01, effective 10/1/01.

65.46(5) *Conviction of trading firearms, ammunition or explosives for benefits.* The penalty for any individual convicted of trading firearms, ammunition or explosives for food assistance benefits shall be permanent disqualification.

441—65.47(234) Eligibility of noncitizens. Rescinded IAB 5/2/01, effective 6/1/01.

441—65.48(234) Sponsored aliens. Rescinded IAB 5/2/01, effective 6/1/01.

441—65.49(234) Providing information to law enforcement officials. Rescinded IAB 10/3/01, effective 10/1/01.

441—65.50(234) No increase in benefits. When a household's means-tested federal, state, or local public assistance cash benefits are reduced because of a failure to perform an action required by the public assistance program, the department shall reduce the household's food assistance benefit allotment by 10 percent as provided for in federal regulations at 7 CFR 273.11(j), (k), and (l) as amended to June 1, 2001, for the duration of the other program's penalty.

441—65.51(234) State income and eligibility verification system. The department shall maintain and use an income and eligibility verification system (IEVS) as specified in 7 CFR 272.8 as amended to November 21, 2000.

441—65.52(234) Systematic alien verification for entitlements (SAVE) program. The department shall participate in the SAVE program established by the U.S. Bureau of Citizenship and Immigration Service (BCIS) as specified in 7 CFR 272.11 as amended to November 21, 2000, in order to verify the

validity of documents provided by aliens applying for food assistance benefits with the central data files maintained by BCIS.

These rules are intended to implement Iowa Code section 234.12.

441—65.53 to 65.100 Reserved.

CHAPTER 66
EMERGENCY FOOD ASSISTANCE PROGRAM

PREAMBLE

This chapter sets forth the rules governing the emergency food assistance program in Iowa. The Iowa department of human services has been designated by the governor as the agency responsible for administration of the emergency food assistance program. The department is responsible for receiving, storing, distributing, and accounting for foods donated through the U.S. Department of Agriculture (USDA).

For information about the emergency food assistance program and other food distribution programs, contact the Iowa Department of Human Services, Division of Financial, Health, and Work Supports, Food Distribution Program Manager, 1305 East Walnut Street, Des Moines, Iowa 50319-0114; telephone (515)281-5410. Clarifications of federal policy may be obtained by referencing 7 CFR Part 251 and 7 CFR Part 250, when applicable.

441—66.1(234) Definitions.

“Bonus items” means USDA-donated commodities that are so designated by USDA, are offered by USDA to the states as a one-time offer, and are not charged or credited against a state’s entitlement.

“Charitable institution” means a facility that is public or private, nonprofit, and tax-exempt under the Internal Revenue Code as documented by a letter of exemption; is not a penal institution (including a correctional institution that conducts rehabilitation programs); and provides food assistance to needy persons.

“Commodities” means foods donated or available for donation by the USDA.

“Contract” means a formal, written agreement between the department and an eligible recipient agency regarding receiving, storing, handling, and distributing commodities.

“Contractor” means an eligible recipient agency that has entered into a contract with the department regarding storing, handling, and distributing commodities.

“Department” means the Iowa department of human services.

“Distribution site” means a location where an eligible recipient agency actually distributes commodities to needy persons for home consumption or serves prepared meals to needy persons.

“Eligible recipient agency” means a charitable institution that has entered into a contract with the department for the receipt of commodities or administrative funds or has entered into an agreement with another eligible recipient agency that has signed such a contract with the department. Eligible recipient agencies may include food banks, food pantries, soup kitchens, hunger relief centers, hospitals, retirement homes, Nutrition Services Incentive Programs that operate congregate meals sites or provide home-delivered meals (to the extent that they serve predominately needy persons), summer camps for children or child nutrition programs providing food service, and disaster relief programs. An eligible recipient agency shall meet federal requirements as described at 7 CFR 251.3(d) and 7 CFR 251.5(a), as published on January 1, 2005.

“Emergency feeding organization” means an eligible recipient agency that provides nutrition assistance to relieve situations of emergency and distress through the provision of food to needy persons, including low-income and unemployed persons, under an agreement with the department. Emergency feeding organizations can include food banks, food pantries, soup kitchens, emergency shelters, and hunger relief centers.

“FNS” means the Food and Nutrition Service, a division of the USDA that administers food assistance programs.

“Food bank” means a public or charitable institution that maintains an established operation involving the provision of food or edible commodities or the products thereof to food pantries, soup kitchens, hunger relief centers, or other food or feeding centers that, as an integral part of their normal activities, provide meals or food to needy persons on a regular basis.

“Food distribution program” means the office in the department’s division of financial, health, and work supports that is responsible for administering the FNS food distribution programs.

“*Food pantry*” means a public or private nonprofit organization that distributes food to low-income and unemployed households to relieve situations of emergency and distress.

“*Household*” means a single individual living alone or a group of related or nonrelated individuals who live together, who are not boarders or residents of an institution, and who purchase and prepare food for home consumption.

“*Program manager*” means a department employee who is assigned to fulfill department responsibilities for management of the USDA FNS food distribution programs.

“*Soup kitchen*” means a public or charitable institution that provides prepared food to needy homeless persons on a regular basis as a part of its normal activities.

“*Subcontract*” means a contract between a contractor, as defined in this chapter, and another eligible recipient agency.

“*Subcontractor*” means an eligible recipient agency that has entered into a subcontract with a contractor, as defined in this chapter.

“*Subsidiary distributing organization*” means an eligible recipient agency that holds a contract with the department and is also under subcontract with another eligible recipient agency for the distribution of federal commodities.

“*TEFAP*” means The Emergency Food Assistance Program as authorized by the Emergency Food Assistance Act of 1983 as amended through Public Law 107-249, enacted October 23, 2002.

“*USDA*” means the United States Department of Agriculture.

441—66.2(234) Application to be a TEFAP contractor. An organization that seeks to be a TEFAP contractor shall submit a written request to the Iowa Department of Human Services, Division of Financial, Health, and Work Supports, Food Distribution Program Manager, 1305 East Walnut Street, Des Moines, Iowa 50319-0114. The written request shall contain sufficient information about the applicant to enable the department to determine whether the applicant qualifies to be an eligible recipient agency as defined at 441—66.1(234).

66.2(1) Determination of eligibility. Within ten days of receipt of an applicant’s written request to be a TEFAP contractor, the program manager shall notify the applicant in writing of the department’s decision. The department shall approve an applicant’s request to be a TEFAP contractor only when both of the following are true:

- a. The applicant qualifies to be an eligible recipient agency as defined at 441—66.1(234).
- b. A contract with the applicant, in addition to those eligible recipient agencies currently under contract with the department, will allow the department to distribute commodities in Iowa to needy individuals or households in the most cost-effective and comprehensive manner possible.

66.2(2) Administrative review of denial of eligibility. When an applicant’s request to be a TEFAP contractor is denied by the program manager, the applicant may request an administrative review by sending a letter requesting review of the denial to the administrator of the division of financial, health, and work supports. The applicant shall send the letter within five days of receipt of the letter of denial.

- a. When more information is needed, the administrator shall request the information within five days of receipt of the request for review.
- b. The administrator shall review the denial and shall issue a decision within ten days of the request for review or of the receipt of additional information, whichever is later.
- c. When the division administrator reverses the denial, the applicant shall be given the opportunity to negotiate a TEFAP contract.

441—66.3(234) Contracts. A contract between the department and an eligible recipient agency approved as described at subrule 66.2(1) shall cover receiving, storing, handling, and distributing commodities. A contract may also cover the issues of receiving, storing, handling, and distributing commodities through a subsidiary distributing organization that holds a subcontract with a contractor. A TEFAP contract shall include, but is not limited to, the following items:

66.3(1) Subcontractors subject to contract provisions. A contractor shall ensure that its subsidiary distributing organizations, if any, and other subcontractors that the organizations serve are subject to all the provisions of the contract between the department and the contractor.

66.3(2) Oversight. A contractor shall oversee each subcontractor that the contractor serves.

66.3(3) Program documentation. A contractor shall maintain a file on each subcontractor that the contractor serves, documenting the programs of the subcontractor and the procedures the subcontractor uses to determine household eligibility under the policies described at 441—66.5(234).

66.3(4) Issue rates. A contractor shall determine the issue rates for each subcontractor that the contractor serves, based on the subcontractor's:

- a. Ability to distribute without waste;
- b. Anticipated use based on inventory records and controls; and
- c. Ability to accept and store commodities.

66.3(5) Maintenance of expenditures. Each contractor and subcontractor shall maintain its normal expenditures for food with no reduction due to receipt of commodities.

66.3(6) Distribution to low-income households. A contractor or subcontractor that distributes commodities to households must limit the distribution of commodities to households that meet the eligibility criteria as described at 441—66.5(234).

66.3(7) Meal sites serving needy persons. A contractor or subcontractor that provides prepared meals must demonstrate that it serves predominantly needy persons. The agency is not required to employ a means test or to keep records solely for the purpose of demonstrating that its recipients are needy.

441—66.4(234) Distribution. The department is the agency responsible for food distribution in Iowa under TEFAP. TEFAP commodities and funds are allocated and delivered to Iowa by the USDA according to the USDA formula as defined at 7 CFR 251.3(h), as published on January 1, 2005.

66.4(1) Distribution contractors. The department shall enter into a contract for distribution of commodities with a qualified eligible recipient agency approved as described at subrule 66.2(1) to distribute commodities in Iowa to needy individuals or households in the most cost-effective and comprehensive manner possible.

a. *Subcontractors.* TEFAP contractors may subcontract with other eligible recipient agencies for distribution of commodities.

b. *Emergency feeding organizations.* In the distribution of commodities, the department shall give priority to eligible recipient agencies that are emergency feeding organizations. If the need arises, the department shall implement a priority system to serve predominately needy persons.

c. *Use of subsidiary distributing organizations.* A contractor may furnish services through another eligible recipient agency as a subsidiary distributing organization, provided that the contractor has a written contract with the subsidiary distributing organization.

66.4(2) Allocation to contractors. The department shall make commodities available for distribution to contractors in accordance with the provisions of 7 CFR Part 251, as published on January 1, 2005, and of 7 CFR Part 250, as published on January 1, 2005, when the provisions of Part 250 are not inconsistent with 7 CFR Part 251.

a. *Timing of allocation.* To the extent possible, the department shall allocate commodities to the contractors each month.

b. *Basis for allocation.* The allocation of commodities to each contractor is based on the percentage of the Iowa residents with income at or below 185 percent of the federal poverty level who live in the area that each contractor serves.

66.4(3) Variations in distribution. The department may withhold or reduce the delivery of commodities to contractors under the following circumstances:

a. When commodities are not available or have not been transported to the state in time for delivery;

b. When the commodities inventory is not sufficient to meet all requests;

c. When an eligible recipient agency has commodities on hand in excess of the amount that could be used without waste in providing services for the number of needy persons served;

d. When the state's supply is depleted; or

e. When the department or USDA has issued orders restricting distribution of certain food items.

66.4(4) *Special provisions for situations of disaster and distress.* The department reserves the right to distribute commodities in situations of disaster, emergency, or distress to any affected area in Iowa. In these situations, the department shall use commodities in the central warehouse first and shall then, if necessary, use commodities from the inventory of each contractor. Federal regulations at 7 CFR 250.43 and 7 CFR 250.44, as published on January 1, 2005, shall apply in these situations.

441—66.5(234) Household eligibility. Household eligibility is determined by residence, household size, and income.

66.5(1) *Residence.* Household members shall be residing in the state of Iowa.

66.5(2) *Household size.* Household size is determined by the number of people living in a dwelling, excluding boarders, as household is defined at 441—66.1(234).

66.5(3) *Income eligibility.* All earned and unearned income of the household shall be considered in determining eligibility.

a. *Income defined.* Income means all income received by an individual from sources identified by the U.S. Census Bureau in computing median income and includes:

- (1) Money wages or salary;
- (2) Net income from nonfarm self-employment;
- (3) Net income from farm self-employment;
- (4) Dividends;
- (5) Interest;
- (6) Income from estates or trusts;
- (7) Net rental income and royalties;
- (8) Public assistance or welfare payments;
- (9) Pensions and annuities;
- (10) Workers' compensation;
- (11) Alimony;
- (12) Child support;
- (13) Veterans' pensions;
- (14) Social security;
- (15) Railroad retirement;
- (16) Supplemental security income;
- (17) State or federal assistance;
- (18) Veterans' benefits;
- (19) Black lung benefits;
- (20) All disability pensions;
- (21) State supplementary assistance;
- (22) Unemployment compensation benefits; and
- (23) Income from minors under 16 years of age.

b. *Determination of income.* Earned or unearned income shall be the gross annual, monthly, or weekly income.

(1) Biweekly income shall be multiplied by 2.15 to determine monthly income.

(2) Adjusted gross self-employment income shall be averaged over a 12-month period.

(3) Income received from interest and dividends shall be averaged over a 12-month period.

(4) The amount of income that stops or starts during the month shall be estimated based on the best information available.

c. *Income exclusions.* When calculating total household income for this program, all income shall be excluded that is specifically excluded for food assistance by federal statute, especially those sources listed in federal regulations at 7 CFR 273.9(c)(10) as published on January 1, 2005.

d. Income guidelines. Households are eligible for TEFAP when the countable household income is at or below 185 percent of the federal poverty guidelines. These federal guidelines are revised annually, effective every July 1. The department shall forward these income guidelines annually to contractors.

441—66.6(234) Reimbursement for allowable costs. To the extent that funds are available for payment, the department shall pay allowable costs to contractors as reimbursement for expenses attributable to the program. TEFAP payments by the department are subject to federal regulations at 7 CFR Part 251, as published on January 1, 2005, especially 7 CFR 251.8(e).

66.6(1) Allowable costs. “Allowable costs” are the direct costs incurred for intrastate storage and transportation of federal commodities. Allowable costs shall include:

- a.* Costs to rent, lease, operate, and maintain storage facilities and transportation equipment;
- b.* Costs to load, unload, distribute, and otherwise handle, account for, and manage the distribution of federal commodities;
- c.* Salary and support expenses of employees and operations necessary in the management, coordination, and accomplishment of TEFAP food distribution to the extent that expenses are directly attributed to the storage and distribution of federal commodities;
- d.* Costs associated with determinations of eligibility, verification, and documentation;
- e.* Costs of providing information to persons receiving commodities concerning the appropriate storage and preparation of such commodities; and
- f.* Costs of other administrative procedures required for participation in the program.

66.6(2) Reimbursement request. Contractors must complete Form 470-0298, Federal Emergency Assistance Food Distribution Report/Reimbursement Request, in order to file for reimbursement.

66.6(3) Rate of reimbursement. The department shall reimburse each contractor at a per-gross-pound rate to be determined by the department and included in the agreement with the contractor. In the event the department cannot maintain this level of reimbursement throughout the term of the contract, the reimbursement shall be adjusted based on the available funds remaining from the USDA grant.

66.6(4) No reimbursement for bonus items. The department shall not reimburse a contractor for bonus items received. The department cannot project the amount and items received as bonus items throughout the year. Each contractor or subcontractor shall have the option to refuse bonus items.

441—66.7(234) Commodity losses and claims. Commodities which cannot be demonstrated by appropriate records or other satisfactory evidence to have been delivered to, or to be available in good condition for delivery to, eligible recipient agencies for which they were intended are considered to be lost commodities.

66.7(1) Circumstances of loss. Commodities may be lost through one or more of the following means:

- a.* Theft, damage, spoilage, or infestation in transit or in storage.
- b.* Improper distribution to institutions, families, or individuals or distributing above authorized rates.
- c.* Sale or exchange of commodities or diversion to an improper use.
- d.* Failure to deliver end products according to contracted yields under a processing agreement.
- e.* Other similar causes.

66.7(2) Reporting commodity losses. All commodity losses regardless of the dollar value shall be reported to the program manager by the responsible entity such as, but not limited to, contractors and subcontractors, warehouses, or carriers.

66.7(3) Determination of fault and claim procedures. The program manager shall investigate the commodity loss and determine who is at fault.

a. Losses exceeding \$100. The department shall initiate a claim action against an entity that has been determined to be at fault if the value of the accumulated commodity loss exceeds \$100. EXCEPTION: If there is evidence of violation of a federal or state statute, procedures in subrule 66.7(7) shall apply.

b. Losses exceeding \$2,500. When the department believes that a claim exists against an entity and the value of the lost commodities exceeds \$2,500, the department shall immediately refer the claim

determination to the FNS regional office. When the department receives notice from FNS that a claim exists, the department shall immediately initiate the claim procedure.

c. Losses occurring in transit. A claim action must be initiated regardless of the value of the commodity losses if the commodity losses occur when in transit for delivery.

d. Demand letters. The department shall send up to three demand letters to the entity determined responsible for the loss.

e. Late charge. Interest shall be assessed against an entity beginning on the thirty-first day following the date of the first demand letter. Interest shall be assessed at the rate determined by the U.S. Treasury Department at the beginning of each fiscal quarter.

66.7(4) Claims payment. The claim shall be paid to the food distribution program.

a. Cash payment will be accepted.

b. Replacement with like items may be used in lieu of cash payment for losses with the approval of the program manager. Approval shall not be granted if the replacement in kind would result in further losses or if the inventory is already in excess. A claim for the loss of bonus items may not be paid through replacement in kind.

66.7(5) Administrative review of claim. An entity may request an administrative review of a claim by sending a letter requesting review of the claim and a copy of a demand letter to the administrator of the division of financial, health, and work supports within 20 days of receipt of its first demand letter.

a. When more information is needed, the administrator shall request the information within 5 days of receipt of the request for review of the claim.

b. The administrator shall review the claim and issue a decision affirming, altering, or reversing the claim decision within 10 days of the request for the review or the receipt of additional information, whichever is later.

66.7(6) Failure to make restitution. Failure to make restitution when requested is cause for cancellation of the contract.

66.7(7) Referral for violation of federal or state statute. In instances of suspected violation of federal or state statute such as, but not limited to, embezzlement, misapplication, theft or fraud of any funds or commodities from the program, the department shall refer the case to the FNS.

441—66.8(234) State monitoring. The department shall annually review at least 25 percent of the TEFAP contractors and 10 percent of other eligible recipient agencies receiving commodities as subcontractors or 20 agencies, whichever is fewer. The department may contract with another entity to carry out these activities.

66.8(1) Elements of review. Reviews of contractors and subcontractors shall include a review of the following activities:

- a.* Eligibility determination.
- b.* Food ordering procedures.
- c.* Storage and warehousing practices.
- d.* Inventory control.
- e.* Approval of distribution sites.
- f.* Reporting.
- g.* Record-keeping compliance.

66.8(2) Report of findings. When a review of a contractor or subcontractor is completed, the department shall submit a report of findings to the agency that shall include:

- a.* A description of each deficiency found and contributing factors.
- b.* Any requirements for corrective action.
- c.* A timetable for establishing and completing a corrective action plan.

66.8(3) Monitoring of corrective action. The department shall monitor the corrective action activities of each contractor or subcontractor that has a corrective action plan.

441—66.9(234) Limits on unrelated activities. Contractors and subcontractors shall ensure that activities unrelated to the distribution of foods are conducted in a manner consistent with the limits in subrule 66.9(1).

66.9(1) Allowable activities. Activities unrelated to the distribution of foods may be conducted at distribution sites in the following circumstances:

a. Not part of commodity distribution. The persons conducting the activity shall make clear to commodity recipients that the activity is not part of commodity distribution and is not endorsed by the department.

(1) Impermissible activities include, but are not limited to, information not related to commodity distribution placed in or printed on bags, boxes, or other containers in which commodities are distributed.

(2) Recipes or information about commodities, dates of future distributions, hours of operations, or other federal, state, or local government programs or services for the needy may be distributed without a clarification that the information is not endorsed by the department.

b. Cooperation not required for receipt of commodities. The persons conducting the activity shall make clear to commodity recipients that cooperation is not a condition of the receipt of the commodities. Cooperation includes, but is not limited to, contributing money, signing petitions, or conversing with the person.

c. Does not disrupt or interfere with the distribution of commodities. The activity shall not be conducted in a manner that disrupts the distribution of the commodities.

66.9(2) Termination of contract. Except as provided in subrule 66.9(3), the department shall immediately terminate from further participation in commodity distribution any contractor or subcontractor that distributes or permits distribution of materials in a manner inconsistent with the provisions of subrule 66.9(1).

66.9(3) Exception to termination of contract. The department may withhold termination of a contract if the department cannot find another eligible recipient agency to operate the distribution in the area served by the violating organization. In these circumstances, the department shall monitor the distribution of commodities by the violating organization to ensure that no further violations occur.

441—66.10(234) Complaints.

66.10(1) Complaints regarding commodities. Each contractor or subcontractor shall immediately advise the department in writing of any complaints regarding commodities. The contractor or subcontractor shall provide complete information pertaining to the product and reason for complaint so that the department or USDA can conduct a proper investigation.

66.10(2) Complaints regarding eligible recipient agencies. A contractor shall promptly investigate any complaints it receives about the contractor or its subcontractors. Within ten days of receipt of the complaint, the contractor shall forward to the department a written report of the findings and the action taken. The department reserves the right to conduct an investigation if deemed necessary.

These rules are intended to implement Iowa Code section 234.12.

CHAPTER 72
EMERGENCY FOOD AND SHELTER PROGRAM
Rescinded, effective 11/1/86

TITLE VIII
MEDICAL ASSISTANCE
CHAPTER 73
MANAGED CARE

PREAMBLE

This chapter provides that most Iowa medical assistance program benefits will be provided through managed care. Notwithstanding any provisions of 441—Chapters 74 through 91, program benefits shall be provided through managed care as provided in this chapter. The program benefits provided through managed care will be paid for by managed care organizations participating in the program pursuant to this chapter, subject to the conditions, procedures, and payment rates or methodologies established by the managed care organization, consistent with this chapter and with the contract between the department and the managed care organization.

Implementation of managed care pursuant to this chapter is subject to approval by the Secretary of the United States Department of Health and Human Services (Secretary) of any Iowa state plan amendments and any waivers of the requirements of Title XIX of the Social Security Act that are required to allow for federal funding.

This chapter shall be construed to comply with all requirements for federal funding under Title XIX of the Social Security Act or under the terms of any applicable waiver granted by the Secretary. To the extent this chapter is inconsistent with any applicable federal funding requirement under Title XIX or the terms of any applicable waiver, the requirements under Title XIX or the terms of the waiver shall prevail.

441—73.1(249A) Definitions.

“Behavioral health services” means mental health and substance use disorder treatment services.

“Capitated payment” means a monthly payment to the contractor on behalf of each enrollee for the provision of health services under the contract. Payment is made regardless of whether the enrollee receives services during the month.

“Choice counseling” means the provision of unbiased information on managed care plans or provider options and answers to related questions and access to personalized assistance to help members understand the materials provided by the managed care organizations or the state, to answer questions about each of the options available, and to facilitate enrollment with a managed care organization.

“Claim” means a formal request for payment for benefits received or services rendered.

“Clean claim” means a claim that has no defect or impropriety (including any lack of required substantiating documentation) or particular circumstance requiring special treatment that prevents timely payment of the claim. “Clean claim” does not include a claim from a provider that is under investigation for fraud or abuse or a claim under review for medical necessity.

“CMS” means the Centers for Medicare and Medicaid Services, a division of the U.S. Department of Health and Human Services.

“Code of Federal Regulations (CFR)” means the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the federal government.

“Community-based case management” means a collaborative process of planning, facilitation, and advocacy for options and services to meet a member’s needs through communication and available resources to promote high-quality, cost-effective outcomes.

“Contract” means a contract between the department and a managed care organization. These contracts shall meet all applicable requirements of state and federal law, including the requirements of the Code of Federal Regulations, Title 42 CFR 434 as amended to October 16, 2015.

“Covered services” means physical health, behavioral health and long-term care services set forth in rule 441—73.5(249A).

“Department” means the Iowa department of human services.

“Discharge planning” means the process, which begins at admission, of determining an enrollee’s continued need for treatment services and of developing a plan to address ongoing needs.

“Emergency medical condition” means a physical or behavioral condition manifesting itself by acute symptoms of sufficient severity (including severe pain) that a prudent layperson who possesses an average knowledge of health and medicine could reasonably expect the absence of immediate medical attention to result in the following:

1. Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
2. Serious impairment to bodily functions; or
3. Serious dysfunction of any bodily organ or part.

“Emergency services” means covered inpatient and outpatient services that are both furnished by a provider that is qualified to furnish these services and needed to evaluate or stabilize an emergency medical condition.

“EMTALA” means the Emergency Medical Treatment and Active Labor Act.

“Enrollee” means a HAWK-I, Iowa Health and Wellness Plan or Medicaid member who is eligible for managed care organization enrollment and has been enrolled with a managed care organization as defined in subrule 73.3(2).

“Enrollment broker” means the entity the department uses to enroll persons in a managed care organization. The enrollment broker must be conflict free and meet all applicable requirements of state and federal law, including 42 CFR 438.10 as amended to October 16, 2015.

“HAWK-I program” means the healthy and well kids in Iowa program as set forth in 441—Chapter 86, the Iowa program to provide health care coverage for uninsured children of eligible families as authorized by Title XXI of the federal Social Security Act.

“Health maintenance organization” means a public or private organization which is licensed as a managed care organization or prepaid health plan under insurance division rules set forth in 191—Chapter 40.

“HIPP” means the health insurance premium payment program.

“Home- and community-based services (HCBS)” means services that are provided as an alternative to long-term care institutional services in a nursing facility or an intermediate care facility for persons with an intellectual disability (ICF/ID) or to delay or prevent placement in a nursing facility or ICF/ID.

“Incident reporting” means the reporting of critical events or incidents deemed sufficiently serious to warrant near-term review and follow-up by an appropriate authority. Such incidents may include but are not limited to:

1. Abuse and neglect;
2. The unauthorized use of restraint, seclusion or restrictive interventions;
3. Serious injuries that require medical intervention or result in hospitalization, or both;
4. Criminal victimization;
5. Death;
6. Financial exploitation;
7. Medication errors; and
8. Other incidents or events that involve harm or risk of harm to a participant.

“Insolvency” means a financial condition that exists when an entity is unable to pay its debts as they become due in the usual course of business or when the liabilities of the entity exceed its assets.

“Iowa Health and Wellness Plan” means the medical assistance program set forth in 441—Chapter 74.

“Level of care” means an evaluation to determine and establish an individual’s need for the level of care provided in a hospital, a nursing facility, or an ICF/ID within the near future.

“Long-term care (LTC)” or *“long-term services and supports (LTSS)”* means the services of a nursing facility (NF), an intermediate care facility for persons with an intellectual disability (ICF/ID), state resource centers or services funded through Section 1915(c) home- and community-based services waivers, Section 1915(i) state plan home- and community-based habilitation program and the PACE program.

“*Managed care organization (MCO)*” means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of “health maintenance organization” in Iowa Code section 514B.1.

“*Mandatory enrollment*” means mandatory participation in a managed care organization as specified in subrule 73.3(2).

“*Medical loss ratio (MLR)*” means the percentage of capitation payments that is used to pay medical expenses.

“*Medically necessary services*” means those covered services that are, under the terms and conditions of the contract, determined through contractor utilization management to be:

1. Appropriate and necessary for the symptoms, diagnosis or treatment of the condition of the member;
2. Provided for the diagnosis or direct care and treatment of the condition of the member to enable the member to make reasonable progress in treatment;
3. Within standards of professional practice and given at the appropriate time and in the appropriate setting;
4. Not primarily for the convenience of the member, the member’s physician or other provider; and
5. The most appropriate level of covered services that can safely be provided.

“*Medical records*” means all medical, behavioral health, and long-term care histories; records, reports and summaries; diagnoses; prognoses; record of treatment and medication ordered and given; X-ray and radiology interpretations; physical therapy charts and notes; lab reports; other individualized medical, behavioral health, and long-term care documentation in written or electronic format; and analyses of such information.

“*Member*” means any person determined by the department to be eligible for the HAWK-I program, the Iowa Health and Wellness Plan, or the Medicaid program.

“*Money Follows the Person (MFP) Rebalancing Demonstration Grant*” means a federal grant that will assist Iowa in transitioning individuals from a nursing facility or ICF/ID into the community and in rebalancing long-term care expenditures.

“*Needs-based eligibility*” means an evaluation to determine and establish an individual’s need for habilitation services.

“*Network*” or “*provider network*” means a group of participating health care providers (both individual and group practitioners) linked through contractual arrangements to the contractor to supply a range of health care services.

“*Out-of-network provider*” means any provider that is not directly or indirectly employed by or does not have a provider agreement with the contractor or any of its subcontractors pursuant to the contract between the department and the contractor.

“*PACE*” means the program for all-inclusive care for the elderly.

“*Participating providers*” means the providers of covered physical health, behavioral health and long-term care services that have contracted with a managed care organization.

“*PMIC*” means a psychiatric medical institution for children.

“*Prior authorization*” means the process of obtaining prior approval as to the appropriateness of a service or medication. Prior authorization does not guarantee coverage.

“*Warm transfer*” means a telecommunications mechanism in which the person answering the call facilitates transfer to a third party, announces the caller and issue and remains engaged as necessary to provide assistance.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.2(249A) Contracts with a managed care organization.

73.2(1) The department may enter into a contract with a managed care organization licensed under the provisions of insurance division rules set forth in 191—Chapter 40 for the scope of services as defined in rule 441—73.6(249A).

73.2(2) The department shall determine that the managed care organization meets the following requirements:

a. The managed care organization shall make available the services it provides to enrollees as established in the contract.

b. The managed care organization shall provide satisfaction to the department against the risk of insolvency and ensure that neither Medicaid members nor the state shall be responsible for the managed care organization's debts if the managed care organization becomes insolvent. The managed care organization shall comply with insurance division provisions set forth in rule 191—40.12(514B) regarding net worth and rule 191—40.14(514B) containing reporting requirements.

c. The managed care organization shall attain and maintain accreditation by the National Committee on Quality Assurance (NCQA) or URAC (formerly known as the Utilization Review Accreditation Commission).

73.2(3) If not already accredited, the managed care organization must demonstrate it has initiated the accreditation process as of the contract effective date and must achieve accreditation at the earliest date allowed by NCQA or URAC. Prior to the contract effective date, the managed care organization must be licensed and in good standing in the state of Iowa as a health maintenance organization in accordance with insurance division rules set forth in 191—Chapter 40.

73.2(4) The contract shall meet the following minimum requirements. The contract shall:

a. Be in writing.

b. Specify the duration of the contract period.

c. List the services which must be covered.

d. Describe service access and provide access information.

e. List conditions for nonrenewal, termination, suspension, and modification.

f. Specify the method and rate of reimbursement.

g. Provide for disclosure of ownership and subcontracted relationships.

h. Specify that all subcontracts shall be in writing, shall comply with the provisions of the contract between the department and the managed care organization, and shall include any general requirements of the contract that are appropriate to the service or activity covered by the subcontract.

i. Specify appeal and grievance rights.

j. Specify all operational and service delivery expectations.

k. Specify reporting requirements.

l. Specify requirements for utilization management and quality improvement.

m. Specify requirements for program integrity.

n. Specify termination requirements and assessment of penalties.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.3(249A) Enrollment.

73.3(1) *Enrollment area.* The coverage area for enrollment shall be statewide.

73.3(2) *Members subject to enrollment.* All HAWK-I program and Iowa Health and Wellness Plan members shall be subject to mandatory enrollment in a managed care organization. All Medicaid members, with the exception of the following, shall be subject to mandatory enrollment in a managed care organization:

a. Members who are medically needy as defined at 441—subrule 75.1(35).

b. Individuals eligible only for emergency medical services because the individuals do not meet citizenship or alienage requirements, pursuant to 441—subrule 75.11(4).

c. Persons who are currently presumptively eligible as defined in 441—subrules 75.1(30), 75.1(40), and 75.1(44).

d. Persons eligible for the program of all-inclusive care for the elderly (PACE) who voluntarily elect PACE coverage as defined in 441—subrule 88.24(1).

e. Persons enrolled in the health insurance premium payment program (HIPP) pursuant to rule 441—75.21(249A).

f. Persons eligible only for the Medicare savings program as defined in rules 441—75.1(249A) and 441—76.1(249A).

g. American Indian and Alaska Native populations who are exempt from mandatory enrollment pursuant to 42 CFR 438.50(d)(2) but who may enroll voluntarily.

73.3(3) Enrollment process. The department shall notify members who must be enrolled in a managed care organization of enrollment and the effective date of enrollment. The department will implement an enrollment process in accordance with federal funding requirements, including 42 CFR 438 as amended to October 16, 2015.

a. General. Members may receive managed care organization choice counseling from the enrollment broker. The enrollment broker will provide information about individual managed care organization benefit structures, services and network providers, as well as information about other Medicaid programs as requested by the Medicaid member to assist the member in making an informed selection.

b. Tentative assignment. Members shall be tentatively assigned to a managed care organization and offered the opportunity to choose from the available managed care organizations within a time frame specified in the tentative assignment letter.

c. Request to change enrollment.

(1) A member shall have a minimum of ten days from the date of the tentative assignment letter to request enrollment with a different managed care organization. The request may be made on a form designated by the department, in writing, or by telephone call to the enrollment broker's toll-free member telephone line. Changes are subject to the effective date provisions of subrule 73.3(4).

(2) An enrollee may, within 90 days of initial enrollment, request to change enrollment from one managed care organization and enroll in another managed care organization. The request may be made on a form designated by the department, in writing, or by telephone call to the enrollment broker's toll-free member telephone line. Changes are subject to the effective date provisions of subrule 73.3(4).

d. Ongoing enrollment. Enrollees shall remain enrolled with the chosen managed care organization for a total of 12 months.

e. Enrollment cycle. Prior to the end of the enrollee's annual enrollment period, the enrollee shall be notified of the option to maintain enrollment with the current managed care organization or to enroll with a different managed care organization.

73.3(4) Effective date of enrollment. The effective date of enrollment shall be no later than the first day of the second month beginning after the date on which the managed care organization receives the designated managed health care choice form or written or verbal request.

73.3(5) Benefit reimbursement prior to enrollment.

a. Prior to the effective date of managed care enrollment, except as provided in paragraph 73.3(5) "b," the Medicaid program shall reimburse providers for covered program benefits pursuant to 441—Chapters 74 to 91, as applicable for eligible members.

b. The managed care organization shall be responsible for covering newly retroactive Medicaid eligibility periods, prior to the effective date of enrollment, in the following cases:

(1) Babies born to Medicaid-enrolled women who are retroactively eligible to the month of birth; and

(2) Children enrolled in the HAWK-I program retroactive to the date of application. For purposes of this requirement, a retroactive Medicaid eligibility period is defined as a period of time up to three months prior to the Medicaid determination month.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.4(249A) Disenrollment process.

73.4(1) Enrollee-requested disenrollment. An enrollee may request disenrollment with a managed care organization as follows:

a. During the first 90 days following the date of the enrollee's initial enrollment with the managed care organization, the enrollee may request disenrollment, for any reason, in writing or by a telephone call to the enrollment broker's toll-free member telephone line.

b. After the 90 days following the date of the enrollee's enrollment with the managed care organization, when an enrollee is requesting disenrollment due to good cause, the enrollee member shall first make a verbal or written filing of the issue through the managed care organization's grievance system. If the member does not experience resolution, the managed care organization shall direct the member to the enrollment broker. The enrolled member may request disenrollment in writing or by a telephone call to the enrollment broker's toll-free member telephone line and must request a good-cause change for enrollment. Good-cause changes include the following:

(1) The managed care organization does not, because of moral or religious objections, cover the service the member seeks.

(2) The member needs related services to be performed at the same time; not all related services are available within the network; and the member's primary care provider or another provider determines that receiving the services separately would subject the member to unnecessary risk.

(3) Other reasons, including but not limited to poor quality of care, lack of access to services covered under the contract, lack of access to providers experienced in dealing with the member's health care needs, or eligibility and choice to participate in a program not available in managed care (for example, PACE).

c. The final decision for disenrollment shall be determined by the department.

73.4(2) *Disenrollment by department.* Disenrollment will occur when:

a. The contract between the department and the managed care organization is terminated.

b. The enrollee becomes ineligible for Medicaid, the HAWK-I program or the Iowa Health and Wellness Plan. If the enrollee becomes ineligible and is later reinstated to these programs, enrollment in the managed care organization will also be reinstated.

c. The enrollee transfers to an eligibility group excluded from managed care organization enrollment. See definition of "enrollee" in rule 441—73.1(249A).

d. The department has determined that participation in the HIP program as described in rule 441—75.21(249A) is more cost-effective than enrollment in managed health care.

e. Death of the enrollee.

f. The enrollee has changed residence to another state.

73.4(3) *Managed care organization-requested disenrollment.* A managed care organization shall not disenroll an enrollee or encourage an enrollee to disenroll for any reason, including the enrollee's health care needs or change in health care status or because of the enrollee's utilization of medical services, diminished capacity, or uncooperative or disruptive behavior resulting from the enrollee's special needs (except when the enrollee's continued enrollment seriously impairs the managed care organization's ability to furnish services to either this particular enrollee or other enrollees). In instances where the exception applies, the managed care organization shall provide evidence to the department that continued enrollment of an enrollee seriously impairs the managed care organization's ability to furnish services to either this particular enrollee or other enrollees. The managed care organization shall have methods by which the department is assured that disenrollment is not requested for another reason.

73.4(4) *Disenrollment effective date.* The effective date of a department-approved disenrollment shall be no later than the first day of the second calendar month beginning after the month in which: (1) the enrollee requests disenrollment pursuant to subrule 73.4(1); (2) the department notifies the enrollee and managed care organization of disenrollment pursuant to subrule 73.4(2); or (3) the managed care organization requests disenrollment pursuant to subrule 73.4(3). The enrollee shall remain enrolled in the managed care organization and the managed care organization will be responsible for services covered under the contract until the effective date of disenrollment unless the enrollee is in an inpatient setting at the time of disenrollment. If the enrollee is in an inpatient setting at the time of disenrollment, the managed care organization shall be responsible for the inpatient services for 60 days or until the enrollee is discharged.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.5(249A) Covered services.

73.5(1) *Required services.* A managed care organization shall provide:

a. For enrollees other than Iowa Health and Wellness Plan enrollees and HAWK-I program enrollees, services as set forth in 441—Chapters 78, 81, 82, 83, 84, 85, and 87, with the exception of the following:

- (1) Area education agency services.
 - (2) Dental services not provided in an outpatient hospital setting.
 - (3) Infant and toddler program services.
 - (4) Local education agency services.
 - (5) State of Iowa Veterans Home services.
 - (6) Money Follows the Person Grant-funded services.
- b. Services as set forth in 441—Chapter 74 for Iowa Health and Wellness Plan enrollees.
- c. Services as set forth in 441—Chapter 86 for HAWK-I program enrollees.

73.5(2) Community-based case management service. The managed care organization is required to provide services that meet requirements specified in the contract and in 441—subrule 90.5(1).

73.5(3) Health home services. The managed care organization is required to provide services that meet the requirements specified in 441—subrule 78.53(1) and as specified in the contract.

73.5(4) Value-added services. A managed care organization may develop optional services and supports to address the needs of enrollees. These services and supports shall be implemented only after approval by the department.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.6(249A) Amount, duration and scope of services.

73.6(1) The managed care organization shall provide, at a minimum, all benefits and services deemed medically necessary that are covered under the contract with the agency. In accordance with federal funding requirements, including 42 CFR 438.210(a)(3) as amended to October 16, 2015, the managed care organization shall furnish covered services in an amount, duration and scope reasonably expected to achieve the purpose for which the services are furnished. The managed care organization may not arbitrarily deny or reduce the amount, duration and scope of a required service solely because of diagnosis, type of illness, or condition of the enrollee. With the exception of court-ordered services, the managed care organization shall require as a condition of payment managed care organization approval of admissions to a nursing facility, an intermediate care facility for persons with an intellectual disability, psychiatric medical institutions for children, and a mental health institute. Managed care organizations shall also require managed care organization approval of out-of-state placements as a condition of payment.

73.6(2) The managed care organization may place appropriate limits on services on the basis of medical necessity criteria for the purpose of utilization management, provided the services can reasonably be expected to achieve their purpose in accordance with the contract. The managed care organization shall not:

- a. Avoid costs for services covered in the contract by referring members to publicly supported health care resources.
- b. Deny reimbursement of covered services based on the presence of a preexisting condition.

73.6(3) The managed care organization shall allow each enrollee to choose a health professional, to the extent possible and appropriate, within the managed care organization's provider network. The managed care organization shall ensure compliance with the Americans with Disabilities Act (ADA) in the delivery and approval of all services.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.7(249A) Emergency services.

73.7(1) Emergency services shall be available 24 hours a day, 7 days a week.

73.7(2) In accordance with federal funding requirements, including 42 CFR 438.114 as amended to October 16, 2015, the managed care organization shall:

- a. Cover emergency services without the need for prior authorization and may not limit reimbursement to network providers.

b. Cover and pay for emergency services regardless of whether the provider that furnishes the services has a contract with the managed care organization.

c. Pay noncontracted providers for emergency services the amount that would have been paid if the service had been provided under the state's fee-for-service Medicaid program.

d. Cover the medical screening examination, as defined by EMTALA, provided to a member who presents to an emergency department with an emergency medical condition.

73.7(3) The managed care organization shall not deny payment for:

a. Treatment obtained when an enrollee has an emergency medical condition, including cases in which the absence of immediate medical attention would result in placing the health of the enrollee in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part.

b. Treatment obtained when a representative of the managed care organization instructs the enrollee to seek emergency medical services.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.8(249A) Access to service.

73.8(1) The managed care organization shall ensure enrollees have access to services as specified in the contract. In general, the managed care organization shall provide available, accessible, and adequate numbers of institutional facilities, service locations, and service sites and professional, allied, and paramedical personnel for the provision of covered services, including all emergency services, on a 24-hours-a-day, 7-days-a-week basis. At a minimum, access to services shall comply with the standards described in the contract. For areas of the state where provider availability is insufficient to meet these standards, for example, in health professional shortage areas and medically underserved areas, the access standards shall meet the usual and customary standards for the community. Exceptions to the requirements contained in this rule shall be justified and documented to the state on the basis of community standards. All other services not specified in this rule shall meet the usual and customary standards for the community.

73.8(2) Choice of providers. An enrollee shall use the managed care organization's provider network unless the managed care organization has authorized a referral to a nonparticipating provider for provision of a service or treatment plan or as specified for provision of emergency services set forth in rule 441—73.7(249A). In accordance with federal funding requirements, including 42 CFR 431.51(b)(2) as amended to October 16, 2015, the managed care organization shall allow enrollees freedom of choice of providers of any department-enrolled family planning service provider including those providers who are not in the managed care organization's network.

73.8(3) Continuity of care. The managed care organization shall have policies and procedures that provide for the continuity of care of treatment to ensure that a new enrollee's existing services are honored as required in the contract.

73.8(4) Adequate service referral support and after-hours call-in coverage. The managed care organization shall ensure enrollee access to service information and medical coverage 24 hours a day, 7 days a week, 365 days a year.

a. Member helpline. The managed care organization shall maintain a dedicated toll-free member services helpline as established in the contract to handle a variety of member inquiries and to provide warm transfer of enrollees to outside entities, such as provider offices, and to internal managed care organization departments, such as to care coordinators.

b. Nurse call line. The managed care organization shall operate a toll-free nurse call line that provides nurse triage telephone services for members to receive medical advice 24 hours a day, 7 days a week from trained medical professionals.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.9(249A) Incident reporting. The managed care organization shall develop and implement a critical incident reporting and management system for participating providers in accordance with the department requirements for reporting incidents for Section 1915(c) HCBS Waivers, the Section 1915(i) Habilitation Program, and as required for licensure of programs through the department of inspections

and appeals. The managed care organization shall develop and implement policies and procedures, subject to department review and approval, to:

1. Address and respond to incidents;
2. Report incidents to the appropriate entities in accordance with required time frames; and
3. Track and analyze incidents.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.10(249A) Discharge planning. The managed care organization shall establish policies and procedures, subject to approval by the department, that protect an individual from involuntary discharge that may lead to placement in an inappropriate or more restrictive setting. The managed care organization shall facilitate a seamless transition whenever a member transitions between facilities or residences.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.11(249A) Level of care assessment and annual reviews. The managed care organization shall establish policies and procedures to ensure the implementation of level of care and needs-based eligibility assessments and reassessments as required in the contract and consistent with the department's level of care and needs-based eligibility assessment process and the requirements provided in 441—Chapters 75, 78, 81, 82, 83, and 85. Waiver level of care determinations must be consistent with those made for the appropriate institutional level of care under the state plan.

73.11(1) Initial level of care assessment. Managed care organizations are responsible for conducting level of care and needs-based eligibility assessments for a current enrollee who requires a level of care or a needs-based eligibility assessment. The managed care organization shall perform the assessment using department-approved assessment tools. The results of the assessment shall be submitted to the IME medical services unit for determination of level of care or needs-based eligibility.

73.11(2) Annual continued stay reviews, continued care reviews and redeterminations. When an enrollee requires a continued stay review, a continued care review or a redetermination, the managed care organization shall use department-approved assessment tools. If the managed care organization becomes aware that the enrollee's functional or medical status has changed in a way that may affect the enrollee's level of care or needs-based eligibility, the managed care organization shall submit the assessment findings to the IME medical services unit for determination of level of care or needs-based eligibility.

73.11(3) At any time, if the managed care organization becomes aware that the enrollee's functional or medical status has changed in a way that may affect level of care or needs-based eligibility, the managed care organization shall conduct a level of care or needs-based assessment using the department-approved tools and submit the assessment to the IME medical services unit for determination of level of care or needs-based eligibility.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.12(249A) Appeal of managed care organization actions. The managed care organization shall have written appeal policies and procedures for an enrollee, or an enrollee's authorized representative, to appeal a managed care organization action. The policies must address contractual requirements and federal funding requirements, including 42 CFR 438.400(b) as amended to October 16, 2015.

73.12(1) Managed care organization appealable actions. Managed care organization actions that may be appealed include:

- a. Denial or limited authorization of a requested service, including the type or level of service.
- b. Reduction, suspension, or termination of a previously authorized service.
- c. Denial, in whole or in part, of payment of service.
- d. Failure to provide services in a timely manner as defined by the department.
- e. Failure of the managed care organization to act within the required time frames set forth in federal funding requirements, including 42 CFR 438.408(b) as amended to October 16, 2015.

f. For a resident of a rural area that has only one appropriate provider of a needed service, the denial of an enrollee's request to exercise the enrollee's right to obtain services outside of the MCO's network.

73.12(2) Appeal process. The managed care organization appeal process shall be approved by the department and shall:

a. Allow for the appeal request to be submitted in writing or verbally. If the request is submitted verbally, it must be followed up with a written submission.

b. Require acknowledgment of the receipt of a request for an appeal within three working days.

c. Allow for participation by the enrollee and the provider.

d. Provide for resolution of nonexpedited appeals to be concluded within 30 calendar days of receipt of the request unless an extension is requested.

e. Provide for resolution of expedited appeals where the standard time period could seriously jeopardize the member's health or ability to maintain or regain maximum function to be within 72 hours of receipt of the notice pursuant to federal funding requirements, including 42 CFR 438.402 as amended to October 16, 2015.

f. Ensure that the review will be made by qualified professionals who were not involved with the original action.

g. Ensure issuance of a notice of decision for each appeal. These notices shall contain the member's appeal rights with the department and shall contain an adequate explanation of the action taken and the reason for the decision.

[ARC 2358C, IAB 1/6/16, effective 1/1/16; ARC 3667C, IAB 3/14/18, effective 2/14/18]

441—73.13(249A) Appeal to department. If the enrollee is not satisfied with the final decision rendered by the managed care organization through the managed care organization's appeal process, the enrollee may appeal an action in accordance with the appeal process available to all persons receiving Medicaid-funded services as set forth in 441—Chapter 7.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.14(249A) Continuation of benefits. The managed care organization shall be required to continue the member's benefits during the appeal in accordance with federal funding requirements, including 42 CFR 438.420 as amended to October 16, 2015.

73.14(1) If the benefits are continued or reinstated while the appeal is pending, the benefits must be continued until one of the following occurs:

a. The enrollee withdraws the appeal request;

b. Ten days pass after the MCO mailed the notice providing the resolution of the appeal against the enrollee, unless the enrollee, within the ten-day time frame, has requested a state fair hearing with continuation of benefits until a state fair hearing decision is reached; or

c. The time period or service limits of a previously authorized service have been met.

73.14(2) If the final resolution of the appeal is adverse to the enrollee, that is, it upholds the managed care organization's action, the managed care organization may recover the cost of the services furnished to the enrollee while the appeal is pending, to the extent that services were furnished solely because of the requirements to maintain benefits during the appeal.

73.14(3) If the managed care organization or state fair hearing officer reverses a decision to deny, limit, or delay services that were not furnished while the appeal was pending, the managed care organization must authorize and provide the disputed services promptly and as expeditiously as the member's health condition requires. If the managed care organization or the state fair hearing officer reverses a decision to deny authorization of services and the enrollee received the disputed services while the appeal was pending, the managed care organization must pay for these services.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.15(249A) Grievances. The managed care organization shall have policies and procedures for review of any nonclinical incidents, nonclinical complaints, or nonclinical concerns. Grievances may be communicated verbally or in writing and require that the review be conducted by someone other than

the person or persons involved in the grievance. All policies related to the review of grievances shall be approved by the department prior to implementation.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.16(249A) Written record. All enrollee appeals and grievances shall be logged and reported to the department. The log shall include the status and resolution of all appeals and grievances.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.17(249A) Information concerning procedures relating to the review of managed care organization decisions and actions. The managed care organization's written procedures for the review of managed care organization decisions and actions shall be provided to each new enrollee, to participating providers in a provider manual, and to nonparticipating providers upon request.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.18(249A) Records and reports.

73.18(1) Records system. The managed care organization shall document and maintain clinical and fiscal records in accordance with federal and state requirements, including rule 441—79.3(249A) and 42 CFR 456 as amended to October 16, 2015, throughout the course of the contract. The records system shall:

a. Identify transactions with or on behalf of each enrollee by the state identification number assigned to the enrollee by the department.

b. Provide a rationale for and documentation of decisions made by the managed care organization, based upon medical necessity.

c. Permit effective professional review for medical audit processes.

d. Facilitate an adequate system for monitoring treatment reimbursed by the managed care organization including follow up of the implementation of discharge plans and referral to other providers.

73.18(2) Content of individual treatment record. The managed care organization shall ensure that participating providers maintain an adequate record-keeping system that includes a complete medical or service record for each enrolled member including documentation of all services provided to each enrollee in compliance with the contract and provisions of rule 441—79.3(249A) and pursuant to federal funding requirements, including 42 CFR 456 as amended to October 16, 2015.

73.18(3) Confidentiality of health care, mental health care, and substance abuse information. The managed care organization shall protect and maintain the confidentiality of health care, mental health care, and substance abuse information by implementing policies for staff and through contract terms with participating providers. The policies must comply with applicable state and federal laws.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.19(249A) Audits. The department or its designee and the U.S. Department of Health and Human Services (HHS) may evaluate through inspections or other means the quality, appropriateness, and timeliness of services performed by the managed care organization. The department or HHS may audit and inspect any records of a managed care organization, or the subcontractor of the managed care organization, that pertain to services performed and the determination of amounts paid under the contract. These records will be made available at times, places, and in a manner as authorized representatives of the department, its designee or HHS may request.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.20(249A) Marketing. Managed care organization marketing activities and materials shall comply with applicable laws and regulations regarding marketing by the managed care organizations and contract terms. The department shall approve all marketing materials, which must comply with federal funding requirements, including 42 CFR 438.10 and 42 CFR 438.104 as amended to October 16, 2015.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.21(249A) Enrollee education.

73.21(1) Use of services. The managed care organization shall provide written information to all enrollees on the use of services the managed care organization is responsible to arrange, monitor, and reimburse. Information must include the array of services covered; how to access covered services; the providers participating; an explanation of the process for the review of managed care organization decisions and actions, including the enrollee's right to a fair hearing under 441—Chapter 7 and how to access that fair hearing process; provision of after-hours and emergency care; procedures for notifying enrollees of a change in benefits or office sites; how to request a change in providers; a statement of consumer rights and responsibilities; out-of-area use of service information; availability of toll-free telephone information and crisis assistance; and the appropriate use of the referral system.

73.21(2) Outreach to members with special needs. The managed care organization shall provide enhanced outreach to members with special needs including, but not limited to, persons with psychiatric disabilities, an intellectual disability or other cognitive impairments, illiterate persons, non-English-speaking persons, and persons with visual or hearing impairments.

73.21(3) Patient rights and responsibilities. The managed care organization shall have in effect a written statement of patient rights and responsibilities which is available upon request as well as issued to all new enrollees. This statement shall be part of the packet of enrollment information provided to all new enrollees.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.22(249A) Payment to the managed care organization.

73.22(1) Capitation rate. In consideration for all services rendered by a managed care organization under a contract with the department, the managed care organization will receive a payment each month for each enrolled member. The monthly reimbursement may be reduced by amounts withheld for pay-for-performance components of the contract. The withheld amounts will be distributed based on the terms defined in the managed care contract. Additionally, the department will make an allowance for obligations resulting from Section 9010 of the Patient Protection and Affordable Care Act, the health insurance providers fee. This capitation rate, inclusive of the amounts withheld and the health insurance providers fee, represents the total obligation of the department with respect to the costs of medical care and services provided to enrolled members under the contract except as otherwise designated in the contract rate. Pay-for-performance terms will allow for incentive reimbursement if the managed care organization meets metrics defined in the managed care contract.

73.22(2) Determination of rate. The actuarially sound capitation rate will be determined according to the terms of federal funding requirements, including 42 CFR 438.6 as amended to October 16, 2015, Actuarial Standards of Practice 49, and other related CMS regulations and generally accepted actuarial principles and practices.

73.22(3) Third-party liability. If an enrolled member has health insurance coverage or a responsible party other than the Medicaid program available for payment of medical expenses, it is the right and responsibility of the managed care organization to investigate these third-party resources and attempt to obtain payment. The managed care organization shall retain all funds collected from third-party resources. A complete record of all income from these sources must be maintained and made available to the department on request.

73.22(4) Medical loss ratio. The managed care organization shall report the experienced medical loss ratio for each contract rate period. In the event that the medical loss ratio falls below the department-designated target, the department shall recoup excess capitation paid to the managed care organization.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.23(249A) Claims payment by the managed care organization.

73.23(1) The managed care organizations shall pay or deny:

- a. Ninety percent of all clean claims within 14 calendar days of receipt,
- b. Ninety-nine point five percent of all clean claims within 21 calendar days of receipt, and
- c. One hundred percent of all claims within 90 calendar days of receipt.

73.23(2) Limits on payment responsibility for services.

a. The managed care organization is not required to reimburse providers for the provision of services that do not meet the criteria of medical necessity.

b. The managed care organization has the right to require prior authorization of covered services and to deny reimbursement to providers that do not comply with such requirements.

c. Payment responsibilities for emergency room services are as provided at rule 441—73.7(249A).

73.23(3) Payment to nonparticipating providers. In reimbursing nonparticipating providers, the managed care organization is obligated to pay 90 percent of the payment to participating providers.
[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.24(249A) Quality assurance. The managed care organization shall have in effect an internal quality assurance and performance improvement system that meets the requirements of any or all applicable state and federal laws.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

441—73.25(249A) Certifications and program integrity. The managed care organization shall develop and implement policies, procedures and a mandatory compliance plan to ensure compliance with the contract requirements for certification, program integrity and prohibited affiliations. The managed care organization shall cooperate and collaborate with the department on all program integrity activities. The managed care organization shall comply with state and federal laws pertaining to these requirements, including 42 CFR 438.608 and 42 CFR 455 as amended to October 16, 2015.

[ARC 2358C, IAB 1/6/16, effective 1/1/16]

These rules are intended to implement Iowa Code section 249A.4 and 2015 Iowa Acts, Senate File 505, section 12.

[Filed Emergency After Notice ARC 2358C (Notice ARC 2241C, IAB 11/11/15), IAB 1/6/16, effective 1/1/16]

[Filed Emergency After Notice ARC 3667C (Notice ARC 3514C, IAB 12/20/17), IAB 3/14/18, effective 2/14/18]

CHAPTER 74
IOWA HEALTH AND WELLNESS PLAN

PREAMBLE

This chapter defines and structures the Iowa Health and Wellness Plan, effective January 1, 2014, and administered by the department pursuant to 2013 Iowa Acts, Senate File 446, sections 166 to 173 and 185 to 187. Implementation of the Iowa Health and Wellness Plan is subject to approval by the Secretary of the United States Department of Health and Human Services of any waivers of the requirements of Title XIX of the Social Security Act to provide for federal funding of the plan. This chapter shall be construed to comply with all requirements for federal funding under Title XIX of the Social Security Act or under the terms of any applicable waiver granted by the Secretary. To the extent this chapter is inconsistent with any applicable federal funding requirement under Title XIX or the terms of any applicable waiver, the requirements of Title XIX or the terms of the waiver shall prevail.

[ARC 1135C, IAB 10/30/13, effective 10/2/13]

441—74.1(249A,85GA,SF446) Definitions.

“*Caretaker relative*” means a relative listed in 441—subrule 75.55(1).

“*Countable income*” means “modified adjusted gross income” (MAGI) or “household income,” as applicable, determined pursuant to 42 U.S.C. § 1396a(e)(14).

“*Department*” means the Iowa department of human services.

“*Enrollment period*” means the 12-month period for which Iowa Health and Wellness plan eligibility is established.

“*Essential health benefits*” means the essential health benefits defined at 42 U.S.C. § 18022.

“*Federal poverty level*” means the poverty income guidelines revised annually and published in the Federal Register by the U.S. Department of Health and Human Services.

“*Health insurance marketplace*” or “*exchange*” means an American health benefit exchange established pursuant to 42 U.S.C. § 18031.

“*Iowa Health and Wellness Plan*” means the medical assistance program set forth in this chapter.

“*Iowa wellness plan*” means the benefits and services provided to Iowa Health and Wellness Plan members with countable income that does not exceed 100 percent of the federal poverty level.

“*Managed care organization*” means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of “health maintenance organization” as defined in Iowa Code section 514B.1.

“*Marketplace choice plan*” means the benefits and services provided to Iowa Health and Wellness Plan members with countable income between 101 percent and 133 percent of the federal poverty level.

“*Medical home*” means a team approach to providing health care that originates in a primary care setting; fosters a partnership among the patient, the personal provider, and other health care professionals, and where appropriate, the patient’s family; utilizes the partnership to access and integrate all medical and nonmedical health-related services across all elements of the health care system and the patient’s community as needed by the patient and the patient’s family to achieve maximum health potential; maintains a centralized, comprehensive record of all health-related services to promote continuity of care; and has all of the following characteristics:

1. A personal provider.
2. A provider-directed team-based medical practice.
3. Whole person orientation.
4. Coordination and integration of care.
5. Quality and safety.
6. Enhanced access to health care.
7. A payment system that appropriately recognizes the added value provided to patients who have a patient-centered medical home.

“*Medically exempt individual*” means an individual exempt from mandatory enrollment in an alternative benefit plan pursuant to 42 CFR § 440.315 as amended on July 15, 2013.

“*Member*” means an individual who is receiving assistance under the Iowa Health and Wellness Plan described in this chapter.

“*Minimum essential coverage*” means health insurance defined in Section 5000A(f) of Subtitle D of the Internal Revenue Code.

“*Modified adjusted gross income*” means the financial-eligibility methodology prescribed in 42 U.S.C. § 1396a(e)(14).

“*Personal provider*” means the patient’s first point of contact in the health care system with a primary care provider who identifies the patient’s health-related needs and, working with a team of health care professionals and providers of medical and nonmedical health-related services, provides for and coordinates appropriate care to address the health-related needs identified.

“*Primary care provider*” includes but is not limited to any of the following licensed or certified health care professionals who provide primary care:

1. A physician who is a family or general practitioner, a pediatrician, an internist, an obstetrician, or a gynecologist.
2. An advanced registered nurse practitioner.
3. A physician assistant.
4. A chiropractor.

“*Primary medical provider*” means a personal provider trained to provide first contact and continuous and comprehensive care to a member, chosen by a member or to whom a member is assigned under the Iowa health and wellness plan as the member’s primary medical provider.

“*Qualified employer-sponsored coverage*” shall be defined pursuant to 42 U.S.C. § 1396e-1(b).

“*Qualified health plan*” shall be defined pursuant to Section 1301 of the Patient Protection and Affordable Care Act, Public Law 111-152.

[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15; ARC 2361C, IAB 1/6/16, effective 1/1/16; ARC 3548C, IAB 1/3/18, effective 2/7/18]

441—74.2(249A,85GA,SF446) Eligibility factors. Except as more specifically provided in this chapter, Iowa Health and Wellness Plan eligibility shall be determined according to the requirements of 441—Chapter 75.

74.2(1) Persons covered. Subject to the additional requirements of this chapter and of 441—Chapter 75, medical assistance under the Iowa Health and Wellness Plan shall be available to persons 19 through 64 years of age who:

- a. Are not eligible for medical assistance in a mandatory group under 441—Chapter 75;
- b. Have countable income at or below 133 percent of the federal poverty level for their household size; and
- c. Are not entitled to or enrolled in Medicare benefits under Part A or Part B of Title XVIII of the Social Security Act; and
- d. Are not pregnant.

74.2(2) Parents or caretakers of dependent children. All children under the age of 21 living with a parent or other caretaker relative who will be claimed as a dependent by the parent or caretaker relative for state or federal income tax purposes must be enrolled in Medicaid, in the Children’s Health Insurance Program (CHIP), or in other minimum essential coverage as a condition of the parent’s or other caretaker relative’s eligibility for Iowa Health and Wellness Plan benefits.

74.2(3) Citizenship. To be eligible for Iowa Health and Wellness Plan benefits, a person must meet the citizenship requirements in 441—Chapter 75.

[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15]

441—74.3(249A,85GA,SF446) Application. Medicaid application policies and procedures described in 441—Chapter 76 shall apply to applications for the Iowa Health and Wellness Plan.

[ARC 1135C, IAB 10/30/13, effective 10/2/13]

441—74.4(249A,85GA,SF446) Financial eligibility.

74.4(1) Countable income. Individuals are financially eligible for the Iowa Health and Wellness Plan if their countable income is no more than 133 percent of the federal poverty level, as of the date of a decision on initial or ongoing eligibility.

74.4(2) Household size. For financial eligibility purposes, household size shall be determined according to the modified adjusted gross income (MAGI) methodology.
[ARC 1135C, IAB 10/30/13, effective 10/2/13]

441—74.5(249A,85GA,SF446) Enrollment period.

74.5(1) Effective dates of eligibility. Iowa Health and Wellness Plan eligibility shall be effective on the first day of the month of application or the first day of the month all eligibility requirements are met, whichever is later. The enrollment period shall continue for 12 consecutive months unless the member is disenrolled in accordance with the provisions of rule 441—74.8(249A,85GA,SF446).

74.5(2) Reinstatement. Enrollment for the Iowa Health and Wellness Plan may be reinstated without a new application in accordance with 441—subrule 76.12(2).

74.5(3) Presumptive eligibility. The enrollment period of 12 consecutive months shall not apply to individuals temporarily enrolled in Medicaid based on a presumptive eligibility determination by a qualified entity in accordance with rules 441—76.7(249A) and 441—76.13(249A).

74.5(4) Retroactive enrollment. Medical assistance shall be available to a pregnant woman or an infant (under one year of age) for all or any of the three months preceding the month in which an application is filed when eligibility requirements are met in accordance with 441—subrule 76.13(3).
[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15; ARC 3353C, IAB 10/11/17, effective 10/1/17; ARC 3549C, IAB 1/3/18, effective 2/7/18]

441—74.6(249A,85GA,SF446) Reporting changes.

74.6(1) Reporting requirements. As a condition of ongoing enrollment, a member shall report any of the following changes no later than ten calendar days after the change takes place:

- a. The member enters a nonmedical institution, including but not limited to a penal institution.
- b. The member abandons Iowa residency.
- c. The member turns 65.
- d. The member becomes entitled or enrolled in Medicare Part A or Part B or both.
- e. A child under the age of 21 living with the member loses minimum essential coverage, if the member is the child's parent or other caretaker relative and will claim the child as a dependent for state or federal income tax purposes.
- f. The member's countable income increases in a manner that must be reported according to the requirements of rule 441—76.15(249A).
- g. The member is confirmed pregnant.

74.6(2) Untimely report. When a change is not timely reported as required by this rule, any program expenditures for care or services provided when the member was not eligible shall be considered an overpayment and be subject to recovery from the member in accordance with rule 441—75.28(249A) and 441—Chapter 11. Program expenditures may include, but are not limited to, premiums and capitation payments.

74.6(3) Effective date of change. After enrollment, changes reported during the month that affect the member's eligibility shall be effective the first day of the next calendar month unless:

- a. Timely notice of adverse action is required as specified in 441—subrule 7.7(1); or
- b. The enrollment period has expired and the member is not eligible for a new enrollment period.
[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15]

441—74.7(249A,85GA,SF446) Reenrollment. A new eligibility determination is required for consecutive 12-month enrollment periods. The reenrollment process will follow the requirements in 441—subrule 76.14(2).
[ARC 1135C, IAB 10/30/13, effective 10/2/13]

441—74.8(249A,85GA,SF446) Terminating enrollment. Iowa Health and Wellness Plan enrollment shall end when any of the following occurs:

1. The enrollment period ends and coverage for the next enrollment period has not been renewed.
 2. The member becomes eligible for medical assistance in a mandatory coverage group under 441—Chapter 75.
 3. The member is found to have been ineligible for any reason.
 4. The member dies.
 5. The member turns 65.
 6. The member abandons Iowa residency.
 7. The member becomes entitled or enrolled in Medicare Part A or Part B or both.
 8. A child under the age of 21 living with the member loses minimum essential coverage, if the member is the child's parent or other caretaker relative and will claim the child as a dependent for state or federal income tax purposes.
 9. The member's countable income exceeds 133 percent of the federal poverty level.
 10. The member reports that she is pregnant.
 11. The Iowa Health and Wellness Plan is discontinued according to the requirements in rule 441—74.14(249A,85GA,SF446).
 12. The member does not pay monthly contributions as required by subrule 74.11(2).
- [ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15]

441—74.9(249A,85GA,SF446) Recovery. The department shall recover from a member all Medicaid funds incorrectly expended on behalf of the member in accordance with rule 441—75.28(249A).

74.9(1) The department shall recover Medicaid funds expended on behalf of a member from the member's estate in accordance with rule 441—75.28(249A).

74.9(2) Funds received from third parties, including Medicare, by a provider other than a state mental health institute shall be reported to the Iowa Medicaid enterprise, and an adjustment shall be made to a previously submitted claim.

[ARC 1135C, IAB 10/30/13, effective 10/2/13]

441—74.10(249A,85GA,SF446) Right to appeal.

74.10(1) Decisions and actions by the department regarding eligibility or services provided under this chapter may be appealed pursuant to 441—Chapter 7. A provider requesting a hearing on behalf of a member must have the prior express written consent of the member or the member's lawfully appointed guardian. Notwithstanding any contrary provision in 441—Chapter 7, no hearing will be granted unless the provider submits a document providing the member's consent to the request for a state fair hearing. The document must specifically inform the member that protected health information (PHI) may be discussed at the hearing and may be made public in the course of the hearing and subsequent administrative and judicial proceedings. The document must contain language that indicates the member's knowledge of the potential for PHI to become public and that the member knowingly, voluntarily, and intelligently consents to the provider's bringing the state fair hearing on the member's behalf.

74.10(2) Members will not be entitled to an appeal hearing if the sole basis for denying or limiting services is discontinuance of the program pursuant to rule 441—74.14(249A,85GA,SF446).

74.10(3) Coverage decisions and actions by participating marketplace choice plans must first be appealed through the plan's internal appeal process and through the external review process pursuant to Iowa Administrative Code 191—Chapter 76. After a member has exhausted the member's rights under the external review process, the member may appeal a decision or action pursuant to 441—Chapter 7. Appeal requests made pursuant to 441—Chapter 7 shall result in a change from benefits and service delivery under subrule 74.12(2) to benefits and service delivery under subrule 74.12(1). Benefits and service delivery under subrule 74.12(1) shall remain in effect for the remainder of the member's eligibility period.

[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15]

441—74.11(249A,85GA,SF446) Financial participation.

74.11(1) Copayment. Payment for nonemergency use of a hospital emergency department shall be subject to an \$8 copayment by the member, which shall be subtracted from the Iowa Health and Wellness Plan payment otherwise due to the provider. This copayment will be waived during calendar year 2014.

74.11(2) Monthly contributions. Members enrolled in the Iowa Health and Wellness Plan with household income at or above 50 percent of the federal poverty level are required to pay monthly contributions pursuant to this rule.

a. Monthly contribution amount. The monthly contribution amount for each member is based on the countable income of the member's household, determined pursuant to rule 441—75.70(249A), as a percentage of the federal poverty level (FPL) for the household. Monthly contribution amounts are as follows:

- (1) For a member with household income between 50 and 100 percent of the FPL, \$5;
- (2) For a member with household income above 100 percent of the FPL, \$10.

b. Waiver during the first year of enrollment. The monthly contribution will be waived during the member's first 12 months of continuous enrollment.

c. Monthly contribution exemptions. A member shall be exempt from monthly contribution payments when any of the following circumstances apply:

- (1) The member completed healthy behaviors pursuant to subrule 74.11(4) in the previous enrollment period.
- (2) The member is determined to be a medically exempt individual pursuant to subrule 74.12(3).
- (3) The member has access to cost-effective, employer-sponsored coverage and is enrolled in the health insurance premium payment program pursuant to 441—Chapter 75.
- (4) The member is exempt from premiums pursuant to 42 CFR 447.56(a)(1)(x) as an Indian who is eligible to receive or has received an item or service furnished by an Indian health care provider or through referral under contract health services.

(5) The member claims a hardship exemption indicating that payment of the monthly contribution will be a financial hardship. The member may claim a hardship exemption by telephoning the call center designated by the department, by checking the hardship box on the billing statement (for the month of the billing statement), or by submitting a written statement to the address designated by the department. The member's hardship exemption must be received or postmarked within five working days after the monthly contribution due date. If the hardship exemption request is not made in a timely manner, the exemption shall not be granted.

d. Billing and payment. Form 470-5285, Iowa Health and Wellness Plan Billing Statement, shall be used for billing and collection.

(1) Method of payment. Members shall submit contribution payments to the following address: Iowa Medicaid Enterprise, Iowa Health and Wellness Plan Monthly Contributions, P.O. Box 14485, Des Moines, Iowa 50306-3485.

(2) Due date. When the department notifies a member of the amount of the monthly contribution, the member shall pay any monthly contributions due in accordance with the following:

1. The monthly contribution for each month is due on the last calendar day of the month that the monthly contribution is to cover.

2. If the last calendar day falls on a weekend or state or federal holiday, payment is due on the first working day following the weekend or holiday.

3. Monthly contribution payments must be received or postmarked by the due date.

(3) Application of payment. The department shall apply monthly contributions payments received to the oldest unpaid month in the current enrollment period. When monthly contributions for all months in the enrollment period have been paid, the department shall hold any excess and apply it to any months for which eligibility is subsequently established.

e. Failure to pay monthly contributions.

(1) An Iowa wellness plan member who fails to pay the assessed monthly contributions and who does not qualify for a monthly contribution exemption pursuant to subrule 74.11(2) shall owe the monthly contribution to the department as an unpaid premium subject to recovery in accordance with

rule 441—75.28(249A). A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before the unpaid amount shall be subject to recovery.

(2) A marketplace choice plan member who fails to pay the assessed monthly contribution and who does not qualify for a monthly contribution exemption pursuant to subrule 74.11(2) shall have the member's eligibility terminated. In addition, the unpaid monthly contribution shall be subject to recovery in accordance with rule 441—75.28(249A) as an unpaid premium.

1. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before eligibility will be terminated or the unpaid amount will be subject to recovery.

2. A member whose eligibility is terminated due to nonpayment of monthly contributions must reenroll for Medicaid benefits pursuant to 441—Chapter 76.

f. Refund of monthly contributions.

(1) Monthly contributions paid for any period shall be refunded if the member qualified for a monthly contribution exemption pursuant to paragraph 74.11(2) "c" or when a member's Iowa Health and Wellness Plan coverage is terminated for the following reasons:

1. The member is no longer eligible for coverage in the Iowa Health and Wellness Plan; or

2. The member dies.

(2) The amount of any refund shall be offset by any outstanding monthly contributions owed.

(3) The refund shall be paid within two calendar months.

74.11(3) Aggregate annual limits on copayments and monthly contributions. The total aggregate annual amount of copayments and monthly contributions for an individual shall not exceed 5 percent of the household's countable annual income determined pursuant to rule 441—75.70(249A).

74.11(4) Healthy behaviors. An Iowa Health and Wellness Plan member who completes a wellness examination and health risk assessment during any enrollment year shall have monthly contributions waived in the subsequent enrollment year.

a. Under healthy behaviors, a wellness examination may be related to either physical health or oral health. Physical examinations must be performed by a medical provider and must assess a member's overall physical health consistent with standard clinical guidelines for preventive physical examinations and as defined by the department. Oral examinations must be performed by a dentist consistent with standard oral health guidelines for preventive dental examinations and as defined by the department.

b. A health risk assessment must be one of the following:

(1) An "Assess My Health" assessment offered through the department;

(2) An assessment offered by a managed care plan through which the member is receiving Iowa Health and Wellness Plan benefits; or

(3) An assessment offered by a qualified health plan through which the member is receiving Iowa Health and Wellness Plan benefits.

[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15; ARC 2361C, IAB 1/6/16, effective 1/1/16]

441—74.12(249A,85GA,SF446) Benefits and service delivery. Covered benefits and the service delivery method shall be determined by the member's countable income and health status.

74.12(1) Iowa wellness plan services. Iowa Health and Wellness Plan members with countable income that does not exceed 100 percent of the federal poverty level shall be enrolled in the Iowa wellness plan unless the member is determined by the department to be a medically exempt individual. The department shall provide the member with a medical assistance eligibility card identifying the member as eligible for Iowa wellness plan services.

a. Covered Iowa wellness plan services are essential health benefits, all other benefits required pursuant to 42 U.S.C. § 1396u-7(b)(1)(B), including prescription drugs, and dental services consistent with 441—Chapter 78.

b. Members enrolled in the Iowa wellness plan shall be subject to enrollment in managed care, other than PACE programs, pursuant to 441—Chapter 88.

c. Dental services shall be provided through a contract with one or more commercial dental plans. The department may restrict member access to those entities with which the department contracts. The

dental plan or plans shall provide the member with a dental card identifying the member as eligible for dental services.

74.12(2) Marketplace choice plan services. At the department's discretion, Iowa Health and Wellness Plan members with countable income between 101 percent and 133 percent of the federal poverty level may be enrolled in a marketplace choice plan unless the member is determined by the department to be a medically exempt individual. At the department's discretion, marketplace choice coverage may be provided through designated qualified health plans available on the health insurance marketplace. Covered services not provided by the marketplace choice plan will be provided by the medical assistance program.

a. Upon enrollment, a member shall choose a qualified health plan from those designated by the department to provide coverage to marketplace choice plan members.

b. When the member does not select a qualified health plan pursuant to notice of the need to do so, the department will select a plan, enroll the member, and notify the member of the assigned plan.

c. The department shall pay premiums to designated qualified health plans participating on the health insurance marketplace to buy coverage for eligible marketplace choice plan members. The department shall begin payment of the member's premiums for the first month of enrollment in the qualified health plan. The qualified health plan shall provide the member with an insurance card identifying the member as an enrollee of the plan. The department shall provide the member with a medical assistance eligibility card for covered medical services not provided by the qualified health plan.

d. Covered services are all benefits, including essential health benefits, provided by the designated qualified health plan on the health insurance marketplace, including prescription drugs. Services not covered by the qualified health plan, but covered pursuant to the marketplace choice 1115 waiver or the marketplace choice state plan will be covered by the Medicaid program.

e. Dental services shall be provided through a contract with one or more commercial dental plans with covered services consistent with 441—Chapter 78. The department may restrict member access to those entities with which the department contracts. The dental plan or plans shall provide the member with a dental card identifying the member as eligible for dental services.

74.12(3) Medically exempt individuals. An Iowa Health and Wellness Plan member who has been determined by the department to be a medically exempt individual shall be given the choice of the benefits and service delivery method provided by the Iowa wellness plan or receiving benefits and services pursuant to 441—Chapter 78.

a. A member may attest to being a medically exempt individual by submitting a completed Form 470-5194.

b. A provider with a current National Provider Identifier number, an employee of the department of human services, a designee of the department of corrections, a qualified health plan, or a mental health and disability services region established pursuant to Iowa Code sections 331.388 to 331.399 may refer a member for a medically exempt individual determination by submitting a completed Form 470-5196, Medically Exempt Attestation and Referral Form.

c. Upon receipt of Form 470-5194 or 470-5196, the Iowa Medicaid enterprise shall determine whether the member qualifies as a medically exempt individual in accordance with 42 CFR § 440.315 as amended on July 15, 2013.

74.12(4) Qualified employer-sponsored coverage. An individual who has access to cost-effective employer-sponsored coverage shall be subject to enrollment in the health insurance premium payment program pursuant to 441—Chapter 75.

[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 1698C, IAB 10/29/14, effective 1/1/15; ARC 2361C, IAB 1/6/16, effective 1/1/16]

441—74.13(249A,85GA,SF446) Claims and reimbursement methodologies.

74.13(1) Claims for services not provided by a qualified health plan. Claims for services provided under the Iowa wellness plan or for covered marketplace choice services not provided by the member's

qualified health plan shall be submitted to the Iowa Medicaid enterprise as required by 441—Chapter 80 or to the member’s Medicaid managed care organization.

74.13(2) *Payment for services not provided by a qualified health plan.* Payment for services provided under the Iowa wellness plan or for covered marketplace choice services not provided by the member’s qualified health plan shall be provided in accordance with 441—Chapter 79 or as provided in a contract between the department or the member’s Medicaid managed care organization and the provider.

74.13(3) *Payment for services provided by the marketplace choice plan.* Payment for services provided under the marketplace choice plan shall be made in accordance with the rates filed with the Iowa insurance division.

[ARC 1135C, IAB 10/30/13, effective 10/2/13; ARC 2361C, IAB 1/6/16, effective 1/1/16]

441—74.14(249A,85GA,SF446) Discontinuance of program.

74.14(1) If the methodology for calculating the federal medical assistance percentage for eligible individuals, as provided in 42 U.S.C. § 1396d(y), is modified through federal law or regulation, in a manner that reduces the percentage of federal assistance to the state, or if federal law or regulation affecting eligibility or benefits for the Iowa Health and Wellness Plan is modified, the department may implement an alternative plan as specified in the medical assistance state plan or waiver for coverage of the affected population, subject to prior, statutory approval of implementation of the alternative plan.

74.14(2) If the methodology for calculating the federal medical assistance percentage for eligible individuals, as provided in 42 U.S.C. § 1396d(y), is modified through federal law or regulation resulting in a reduction of the percentage of federal assistance to the state below 90 percent but not below 85 percent, the medical assistance program reimbursement rates for inpatient and outpatient hospital services shall be reduced by a like percentage in the succeeding fiscal year, subject to prior, statutory approval of implementation of the reduction.

[ARC 1135C, IAB 10/30/13, effective 10/2/13]

441—74.15(249A,85GA,ch138) Enrollment for IowaCare members. Rescinded ARC 2361C, IAB 1/6/16, effective 1/1/16.

These rules are intended to implement 2013 Iowa Acts, Senate File 446, sections 166 to 173 and 185 to 187, and Iowa Code chapter 249A.

CHAPTER 75
CONDITIONS OF ELIGIBILITY

[Ch 75, 1973 IDR, renumbered as Ch 90]
[Prior to 7/1/83, Social Services[770] Ch 75]
[Prior to 2/11/87, Human Services[498]]

PREAMBLE

This chapter establishes the conditions of eligibility for the medical assistance program administered by the department of human services pursuant to Iowa Code chapter 249A and addresses related matters. This chapter shall be construed to comply with all requirements for federal funding under Title XIX of the Social Security Act or under the terms of any applicable waiver of Title XIX requirements granted by the Secretary of the U.S. Department of Health and Human Services. To the extent this chapter is inconsistent with any applicable federal funding requirement under Title XIX or the terms of any applicable waiver, the requirements of Title XIX or the terms of the waiver shall prevail.
[ARC 1134C, IAB 10/30/13, effective 10/2/13]

DIVISION I
GENERAL CONDITIONS OF ELIGIBILITY, COVERAGE GROUPS, AND SSI-RELATED PROGRAMS

441—75.1(249A) Persons covered.

75.1(1) *Persons receiving refugee cash assistance.* Medical assistance shall be available to all recipients of refugee cash assistance. Recipient means a person for whom a refugee cash assistance (RCA) payment is received and includes persons deemed to be receiving RCA. Persons deemed to be receiving RCA are:

- a. Persons denied RCA because the amount of payment would be less than \$10.
- b. Rescinded IAB 7/30/08, effective 10/1/08.
- c. Persons who are eligible in every respect for refugee cash assistance (RCA) as provided in 441—Chapter 60, but who do not receive RCA because they did not make application for the assistance.

75.1(2) Rescinded IAB 10/8/97, effective 12/1/97.

75.1(3) *Persons who are ineligible for Supplemental Security Income (SSI) because of requirements that do not apply under Title XIX of the Social Security Act.* Medicaid shall be available to persons who would be eligible for SSI except for an eligibility requirement used in that program which is specifically prohibited under Title XIX.

75.1(4) *Beneficiaries of Title XVI of the Social Security Act (supplemental security income for the aged, blind and disabled) and mandatory state supplementation.* Medical assistance will be available to all beneficiaries of the Title XVI program and those receiving mandatory state supplementation.

75.1(5) *Persons receiving care in a medical institution who were eligible for Medicaid as of December 31, 1973.* Medicaid shall be available to all persons receiving care in a medical institution who were Medicaid members as of December 31, 1973. Eligibility of these persons will continue as long as they continue to meet the eligibility requirements for the applicable assistance programs (old-age assistance, aid to the blind or aid to the disabled) in effect on December 31, 1973.

75.1(6) *Persons who would be eligible for supplemental security income (SSI), state supplementary assistance (SSA), or the family medical assistance program (FMAP) except for their institutional status.* Medicaid shall be available to persons receiving care in a medical institution who would be eligible for SSI, SSA, or FMAP if they were not institutionalized.

75.1(7) *Persons receiving care in a medical facility who would be eligible under a special income standard.*

- a. Subject to paragraphs “b” and “c” below, Medicaid shall be available to persons who:
 - (1) Meet level of care requirements as set forth in rules 441—78.3(249A), 441—81.3(249A), and 441—82.7(249A).
 - (2) Receive care in a hospital, nursing facility, psychiatric medical institution, intermediate care facility for the mentally retarded, or Medicare-certified skilled nursing facility.

(3) Have gross countable monthly income that does not exceed 300 percent of the federal supplemental security income benefits for one.

(4) Either meet all supplemental security income (SSI) eligibility requirements except for income or are under age 21. FMAP policies regarding income and age do not apply when determining eligibility for persons under the age of 21.

b. For all persons in this coverage group, income shall be considered as provided for SSI-related coverage groups under subrule 75.13(2). In establishing eligibility for persons aged 21 or older for this coverage group, resources shall be considered as provided for SSI-related coverage groups under subrule 75.13(2).

c. Eligibility for persons in this group shall not exist until the person has been institutionalized for a period of 30 consecutive days and shall be effective no earlier than the first day of the month in which the 30-day period begins. A “period of 30 days” is defined as being from 12 a.m. of the day of admission to the medical institution, and ending no earlier than 12 midnight of the thirtieth day following the beginning of the period.

(1) A person who enters a medical institution and who dies prior to completion of the 30-day period shall be considered to meet the 30-day period provision.

(2) Only one 30-day period is required to establish eligibility during a continuous stay in a medical institution. Discharge during a subsequent month, creating a partial month of care, does not affect eligibility for that partial month regardless of whether the eligibility determination was completed prior to discharge.

(3) A temporary absence of not more than 14 full consecutive days during which the person remains under the jurisdiction of the institution does not interrupt the 30-day period. In order to remain “under the jurisdiction of the institution” a person must first have been physically admitted to the institution.

75.1(8) *Certain persons essential to the welfare of Title XVI beneficiaries.* Medical assistance will be available to the person living with and essential to the welfare of a Title XIX beneficiary provided the essential person was eligible for medical assistance as of December 31, 1973. The person will continue to be eligible for medical assistance as long as the person continues to meet the definition of “essential person” in effect in the public assistance program on December 31, 1973.

75.1(9) *Individuals receiving state supplemental assistance.* Medical assistance shall be available to all recipients of state supplemental assistance as authorized by Iowa Code chapter 249.

75.1(10) *Individuals under age 21 living in a licensed foster care facility or in a private home pursuant to a subsidized adoption arrangement for whom the department has financial responsibility in whole or in part.* When Iowa is responsible for foster care payment for a child pursuant to Iowa Code section 234.35 and rule 441—156.20(234) or has negotiated an adoption assistance agreement for a child pursuant to rule 441—201.5(600), medical assistance shall be available to the child if:

a. The child lives in Iowa and is not otherwise eligible under a category for which federal financial participation is available; or

b. The child lives in another state and is not eligible for benefits from the other state pursuant to a program funded under Title XIX of the federal Social Security Act, notwithstanding the residency requirements of 441—75.10(249A) and 441—75.53(249A).

75.1(11) *Individuals living in a court-approved subsidized guardianship home for whom the department has financial responsibility in whole or in part.* When Iowa is responsible for a subsidized guardianship payment for a child pursuant to 441—Chapter 204, medical assistance will be available to the child under this subrule if the child is living in a court-approved subsidized guardianship home and either:

a. The child lives in Iowa and is not eligible for medical assistance under a category for which federal financial participation is available due to reasons other than:

(1) Failure to provide information, or

(2) Failure to comply with other procedural requirements; or

b. Notwithstanding the residency requirements of 441—75.10(249A) and 441—75.53(249A), the child lives in another state and is not eligible for benefits from the other state pursuant to a program funded under Title XIX of the federal Social Security Act due to reasons other than:

- (1) Failure to provide information, or
- (2) Failure to comply with other procedural requirements.

75.1(12) *Persons ineligible due to October 1, 1972, social security increase.* Medical assistance will be available to individuals and families whose assistance grants were canceled as a result of the increase in social security benefits October 1, 1972, as long as these individuals and families would be eligible for an assistance grant if the increase were not considered.

75.1(13) *Persons who would be eligible for supplemental security income or state supplementary assistance but for social security cost-of-living increases received.* Medical assistance shall be available to all current social security recipients who meet the following conditions:

- a. They were entitled to and received concurrently in any month after April 1977 supplemental security income and social security or state supplementary assistance and social security, and
- b. They subsequently lost eligibility for supplemental security income or state supplementary assistance, and
- c. They would be eligible for supplemental security income or state supplementary assistance if all of the social security cost-of-living increases which they and their financially responsible spouses, parents, and dependent children received since they were last eligible for and received social security and supplemental security income (or state supplementary assistance) concurrently were deducted from their income. Spouses, parents, and dependent children are considered financially responsible if their income would be considered in determining the applicant's eligibility.

75.1(14) *Family medical assistance program (FMAP).* Medicaid shall be available to children who meet the provisions of rule 441—75.54(249A) and to the children's specified relatives who meet the provisions of subrule 75.54(2) and rule 441—75.55(249A) if the following criteria are met.

- a. In establishing eligibility of specified relatives for this coverage group, resources are considered in accordance with the provisions of rule 441—75.56(249A) and shall not exceed \$2,000 for applicant households or \$5,000 for member households. In establishing eligibility for children for this coverage group, resources of all persons in the eligible group, regardless of age, shall be disregarded.
- b. Income is considered in accordance with rule 441—75.57(249A) and does not exceed needs standards established in rule 441—75.58(249A).
- c. Rescinded IAB 11/1/00, effective 1/1/01.

75.1(15) *Child medical assistance program (CMAP).* Medicaid shall be available to persons under the age of 21 if the following criteria are met:

a. Financial eligibility shall be determined for the family size of which the child is a member using the income standards in effect for the family medical assistance program (FMAP) unless otherwise specified. Income shall be considered as provided in rule 441—75.57(249A). Additionally, the earned income disregards as provided in paragraphs 75.57(2) "a," "b," "c," and "d" shall be allowed for those persons whose income is considered in establishing eligibility for the persons under the age of 21 and whose needs must be included in accordance with paragraph 75.58(1) "a" but who are not eligible for Medicaid. Resources of all persons in the eligible group, regardless of age, shall be disregarded. Unless a family member is voluntarily excluded in accordance with the provisions of rule 441—75.59(249A), family size shall be determined as follows:

(1) If the person under the age of 21 is pregnant and the pregnancy has been verified in accordance with rule 441—75.17(249A), the unborn child (or children if more than one) is considered a member of the family for purposes of establishing the number of persons in the family.

(2) A "man-in-the-house" who is not married to the mother of the unborn child is not considered a member of the unborn child's family for the purpose of establishing the number of persons in the family. His income and resources are not automatically considered, regardless of whether or not he is the legal or natural father of the unborn child. However, income and resources made available to the mother of the unborn child by the "man-in-the-house" shall be considered in determining eligibility for the pregnant individual.

(3) Unless otherwise specified, when the person under the age of 21 is living with a parent(s), the family size shall consist of all family members as defined by the family medical assistance program in accordance with paragraph 75.57(8) "c" and subrule 75.58(1).

Application for Medicaid shall be made by the parent(s) when the person is residing with them. A person shall be considered to be living with the parent(s) when the person is temporarily absent from the parent's(s') home as defined in subrule 75.53(4). If the person under the age of 21 is married or has been married, the needs, income and resources of the person's parent(s) and any siblings in the home shall not be considered in the eligibility determination unless the marriage was annulled.

(4) When a person is living with a spouse the family size shall consist of that person, the spouse and any of their children, including any unborn children.

(5) Siblings under the age of 21 who live together shall be considered in the same filing unit for the purpose of establishing eligibility under this rule unless one sibling is married or has been married, in which case, the married sibling shall be considered separately unless the marriage was annulled.

(6) When a person is residing in a household in which some members are receiving FMAP under the provisions of subrule 75.1(14) or MAC under the provisions of subrule 75.1(28), and when the person is not included in the FMAP or MAC eligible group, the family size shall consist of the person and all other family members as defined above except those in the FMAP or MAC eligible group.

b. Rescinded IAB 9/6/89, effective 11/1/89.

c. Rescinded IAB 11/1/89, effective 1/1/90.

d. A person is eligible for the entire month in which the person's twenty-first birthday occurs unless the birthday falls on the first day of the month.

e. Living with a specified relative as provided in subrule 75.54(2) shall not be considered when determining eligibility for persons under this coverage group.

75.1(16) *Children receiving subsidized adoption payments from states providing reciprocal medical assistance benefits.* Medical assistance shall be available to children under the age of 21 for whom an adoption assistance agreement with another state is in effect if all of the following conditions are met:

a. The child is residing in Iowa in a private home with the child's adoptive parent or parents.

b. Benefits funded under Title IV-E of the Social Security Act are not being paid for the child by any state.

c. Another state currently has an adoption assistance agreement in effect for the child.

d. The state with the adoption assistance agreement:

(1) Is a member of the interstate compact on adoption and medical assistance (ICAMA); and

(2) Provides medical assistance benefits pursuant to a program funded under Title XIX of the Social Security Act, under the optional group at Section 1902(a)(10)(A)(ii)(VIII) of the Act, to children residing in that state (at least until age 18) for whom there is a state adoption assistance agreement in effect with the state of Iowa other than under Title IV-E of the Social Security Act.

75.1(17) *Persons who meet the income and resource requirements of the cash assistance programs.* Medicaid shall be available to the following persons who meet the income and resource guidelines of supplemental security income or refugee cash assistance, but who are not receiving cash assistance:

a. Aged and blind persons, as defined at subrule 75.13(2).

b. Disabled persons, as defined at rule 441—75.20(249A).

In establishing eligibility for children for this coverage group based on eligibility for SSI, resources of all persons in the eligible group, regardless of age, shall be disregarded. In establishing eligibility for adults for this coverage group, resources shall be considered as provided for SSI-related coverage groups under subrule 75.13(2) or as under refugee cash assistance.

75.1(18) *Persons eligible for waiver services.* Medicaid shall be available to recipients of waiver services as defined in 441—Chapter 83.

75.1(19) *Persons and families terminated from aid to dependent children (ADC) prior to April 1, 1990, due to discontinuance of the \$30 or the \$30 and one-third earned income disregards.* Rescinded IAB 6/12/91, effective 8/1/91.

75.1(20) *Newborn children.* Medicaid shall be available without an application to newborn children of women who are determined eligible for Medicaid for the month of the child's birth or for three-day emergency services for labor and delivery for the child's birth. Effective April 1, 2009, eligibility begins

with the month of the birth and continues through the month of the first birthday as long as the child remains an Iowa resident.

a. The department shall accept any written or verbal statement as verification of the newborn's birth date unless the birth date is questionable.

b. In order for Medicaid to continue after the month of the first birthday, a redetermination of eligibility shall be completed.

75.1(21) *Persons and families ineligible for the family medical assistance program (FMAP) in whole or in part because of child or spousal support.* Medicaid shall be available for an additional four months to persons and families who become ineligible for FMAP because of income from child support, alimony, or contributions from a spouse if the person or family member received FMAP in at least three of the six months immediately preceding the month of cancellation.

a. The four months of extended Medicaid coverage begin the day following termination of FMAP eligibility.

b. When ineligibility is determined to occur retroactively, the extended Medicaid coverage begins with the first month in which FMAP eligibility was erroneously granted.

c. Rescinded IAB 10/11/95, effective 10/1/95.

75.1(22) *Refugee spenddown participants.* Rescinded IAB 10/11/95, effective 10/1/95.

75.1(23) *Persons who would be eligible for supplemental security income or state supplementary assistance but for increases in social security benefits because of elimination of the actuarial reduction formula and cost-of-living increases received.* Medical assistance shall be available to all current social security recipients who meet the following conditions. They:

a. Were eligible for a social security benefit in December of 1983.

b. Were eligible for and received a widow's or widower's disability benefit and supplemental security income or state supplementary assistance for January of 1984.

c. Became ineligible for supplemental security income or state supplementary assistance because of an increase in their widow's or widower's benefit which resulted from the elimination of the reduction factor in the first month in which the increase was paid and in which a retroactive payment of that increase for prior months was not made.

d. Have been continuously eligible for a widow's or widower's benefit from the first month the increase was received.

e. Would be eligible for supplemental security income or state supplementary assistance benefits if the amount of the increase from elimination of the reduction factor and any subsequent cost-of-living adjustments were disregarded.

f. Submit an application prior to July 1, 1988, on Form 470-0442, Application for Medical Assistance or State Supplementary Assistance.

75.1(24) *Postpartum eligibility for pregnant women.* Medicaid shall continue to be available, without an application, for 60 days beginning with the last day of pregnancy and throughout the remaining days of the month in which the 60-day period ends, to a woman who had applied for Medicaid prior to the end of her pregnancy and was subsequently determined eligible for Medicaid for the month in which the pregnancy ended.

a. Postpartum Medicaid shall only be available to a woman who is not eligible for another coverage group after the pregnancy ends.

b. The woman shall not be required to meet any income or resource criteria during the postpartum period.

c. When the sixtieth day is not on the last day of the month the woman shall be eligible for Medicaid for the entire month.

75.1(25) *Persons who would be eligible for supplemental security income or state supplementary assistance except that they receive child's social security benefits based on disability.* Medical assistance shall be available to persons who receive supplemental security income (SSI) or state supplementary assistance (SSA) after their eighteenth birthday because of a disability or blindness which began before age 22 and who would continue to receive SSI or SSA except that they become entitled to or receive an increase in social security benefits from a parent's account.

75.1(26) Rescinded IAB 10/8/97, effective 12/1/97.

75.1(27) *Widows and widowers who are no longer eligible for supplemental security income or state supplementary assistance because of the receipt of social security benefits.* Medicaid shall be available to widows and widowers who meet the following conditions:

a. They have applied for and received or were considered recipients of supplemental security income or state supplementary assistance.

b. They apply for and receive Title II widow's or widower's insurance benefits or any other Title II old age or survivor's benefits, if eligible for widow's or widower's benefits.

c. Rescinded IAB 5/1/91, effective 4/11/91.

d. They were not entitled to Part A Medicare hospital insurance benefits at the time of application and receipt of Title II old age or survivor's benefits. They are not currently entitled to Part A Medicare hospital insurance benefits.

e. They are no longer eligible for supplemental security income or state supplementary assistance solely because of the receipt of their social security benefits.

75.1(28) *Pregnant women, infants and children (Mothers and Children (MAC)).* Medicaid shall be available to all pregnant women, infants (under one year of age) and children who have not attained the age of 19 if the following criteria are met:

a. Income.

(1) Family income shall not exceed 300 percent of the federal poverty level for pregnant women and for infants (under one year of age). Family income shall not exceed 133 percent of the federal poverty level for children who have attained one year of age but who have not attained 19 years of age. Income to be considered in determining eligibility for pregnant women, infants, and children shall be determined according to family medical assistance program (FMAP) methodologies except that the three-step process for determining initial eligibility and the two-step process for determining ongoing eligibility, as described at rule 441—75.57(249A), shall not apply. "Family income" is the income remaining after disregards and deductions have been applied as provided in rule 441—75.57(249A).

(2) Moneys received as a lump sum, except as specified in subrules 75.56(4) and 75.56(7) and paragraphs 75.57(8) "b" and "c," shall be treated in accordance with paragraphs 75.57(9) "b" and "c."

(3) Unless otherwise specified, when the person under the age of 19 is living with a parent or parents, the family size shall consist of all family members as defined by the family medical assistance program.

Application for Medicaid shall be made by the parents when the person is residing with them. A person shall be considered to be living with the parents when the person is temporarily absent from the parent's home as defined in subrule 75.53(4). If the person under the age of 19 is married or has been married, the needs, income and resources of the person's parents and any siblings in the home shall not be considered in the eligibility determination unless the marriage was annulled.

(4) When a person under the age of 19 is living with a spouse, the family size shall consist of that person, the spouse, and any of their children.

(5) Siblings under the age of 19 who live together shall be considered in the same filing unit for the purpose of establishing eligibility under this subrule unless one sibling is married or has been married, in which case the married sibling shall be considered separately unless the marriage was annulled.

b. For pregnant women, resources shall not exceed \$10,000 per household. In establishing eligibility for infants and children for this coverage group, resources of all persons in the eligible group, regardless of age, shall be disregarded. In establishing eligibility for pregnant women for this coverage group, resources shall be considered in accordance with department of public health 641—subrule 75.4(2).

c. Rescinded IAB 9/6/89, effective 11/1/89.

d. Eligibility for pregnant women under this rule shall begin no earlier than the first day of the month in which conception occurred and in accordance with 441—76.5(249A).

e. The unborn child (children if more than one fetus exists) shall be considered when determining the number of persons in the household.

f. An infant shall be eligible through the month of the first birthday unless the birthday falls on the first day of the month. A child shall be eligible through the month of the nineteenth birthday unless the birthday falls on the first day of the month.

g. Rescinded IAB 11/1/89, effective 1/1/90.

h. When determining eligibility under this coverage group, living with a specified relative as specified at subrule 75.54(2) and the student provisions specified in subrule 75.54(1) do not apply.

i. A woman who had applied for Medicaid prior to the end of her pregnancy and was subsequently determined eligible for assistance under this coverage group for the month in which her pregnancy ended shall be entitled to receive Medicaid through the postpartum period in accordance with subrule 75.1(24).

j. If an infant loses eligibility under this coverage group at the time of the first birthday due to an inability to meet the income limit for children or if a child loses eligibility at the time of the nineteenth birthday, but the infant or child is receiving inpatient services in a medical institution, Medicaid shall continue under this coverage group for the duration of the time continuous inpatient services are provided.

75.1(29) *Persons who are entitled to hospital insurance benefits under Part A of Medicare (Qualified Medicare Beneficiary program).* Medicaid shall be available to persons who are entitled to hospital insurance under Part A of Medicare to cover the cost of the Medicare Part A and B premiums, coinsurance and deductibles, providing the following conditions are met:

a. The person's monthly income does not exceed 100 percent of the federal poverty level (as defined by the United States Office of Management and Budget and revised annually in accordance with Section 673(2) of the Omnibus Budget Reconciliation Act of 1981) applicable to a family of the size involved.

(1) The amount of income shall be determined as under the federal Supplemental Security Income (SSI) program.

(2) Income shall not include any amount of social security income attributable to the cost-of-living increase through the month following the month in which the annual revision of the official poverty line is published.

b. The person's resources do not exceed the maximum amount of resources that a person may have to obtain the full low-income subsidy for Medicare Part D drug benefits. The amount of resources shall be determined as under the SSI program unless the person lives and is expected to live at least 30 consecutive days in a medical institution and has a spouse at home. Then the resource determination shall be made according to subrules 75.5(3) and 75.5(4).

c. The effective date of eligibility is the first of the month after the month of decision.

75.1(30) *Presumptive eligibility for pregnant women.* A pregnant woman who is determined by a qualified provider to be presumptively eligible for Medicaid, based only on her statements regarding family income, shall be eligible for ambulatory prenatal care. Eligibility shall continue until the last day of the month following the month of the presumptive eligibility determination unless the pregnant woman is determined to be ineligible for Medicaid during this period based on a Medicaid application filed either before the presumptive eligibility determination or during this period. In this case, presumptive eligibility shall end on the date Medicaid ineligibility is determined. A pregnant woman who files a Medicaid application but withdraws that application before eligibility is determined has not been determined ineligible for Medicaid. The pregnant woman shall complete Form 470-2927 or 470-2927(S), Health Services Application, in order for the qualified provider to make the presumptive eligibility determination. The qualified provider shall complete Form 470-2629, Presumptive Medicaid Income Calculation, in order to establish that the pregnant woman's family income is within the prescribed limits of the Medicaid program.

If the pregnant woman files a Medicaid application in accordance with rule 441—76.1(249A) by the last day of the month following the month of the presumptive eligibility determination, Medicaid shall continue until a decision of ineligibility is made on the application. Payment of claims for ambulatory prenatal care services provided to a pregnant woman under this subrule is not dependent upon a finding of Medicaid eligibility for the pregnant woman.

a. A qualified provider is defined as a provider who is eligible for payment under the Medicaid program and who meets all of the following criteria:

(1) Provides one or more of the following services:

1. Outpatient hospital services.
2. Rural health clinic services (if contained in the state plan).
3. Clinic services furnished by or under the direction of a physician, without regard to whether the clinic itself is administered by a physician.

(2) Has been specifically designated by the department in writing as a qualified provider for the purposes of determining presumptive eligibility on the basis of the department's determination that the provider is capable of making a presumptive eligibility determination based on family income.

(3) Meets one of the following:

1. Receives funds under the Migrant Health Centers or Community Health Centers (subsection 329 or subsection 330 of the Public Health Service Act) or the Maternal and Child Health Services Block Grant Programs (Title V of the Social Security Act) or the Health Services for Urban Indians Program (Title V of the Indian Health Care Improvement Act).

2. Participates in the program established under the Special Supplemental Food Program for Women, Infants, and Children (subsection 17 of the Child Nutrition Act of 1966) or the Commodity Supplemental Food Program (subsection 4(a) of the Agriculture and Consumer Protection Act of 1973).

3. Participates in a state perinatal program.

4. Is an Indian health service office or a health program or facility operated by a tribe or tribal organization under the Indian Self-Determination Act.

b. The provider shall complete Form 470-2579, Application for Authorization to Make Presumptive Medicaid Eligibility Determinations, and submit it to the department for approval in order to become certified as a provider qualified to make presumptive eligibility determinations. Once the provider has been approved as a provider qualified to make presumptive Medicaid eligibility determinations, Form 470-2582, Memorandum of Understanding Between the Iowa Department of Human Services and a Qualified Provider, shall be signed by the provider and the department.

c. Once the qualified provider has made a presumptive eligibility determination for a pregnant woman, the provider shall:

(1) Contact the department to obtain a state identification number for the pregnant woman who has been determined presumptively eligible.

(2) Notify the department in writing of the determination within five working days after the date the presumptive determination is made. A copy of the Presumptive Medicaid Eligibility Notice of Decision, Form 470-2580 or 470-2580(S), shall be used for this purpose.

(3) Inform the pregnant woman in writing, at the time the determination is made, that if she chose not to apply for Medicaid on the Health Services Application, Form 470-2927 or 470-2927(S), she has until the last day of the month following the month of the preliminary determination to file an application with the department. A Presumptive Medicaid Eligibility Notice of Decision, Form 470-2580, shall be issued by the qualified provider for this purpose.

(4) Forward copies of the Health Services Application, Form 470-2927 or 470-2927(S), to the appropriate offices for eligibility determinations if the pregnant woman indicated on the application that she was applying for any of the other programs listed on the application. These copies shall be forwarded within two working days from the date of the presumptive determination.

d. In the event that a pregnant woman needing prenatal care does not appear to be presumptively eligible, the qualified provider shall inform the pregnant woman that she may file an application at the local department office if she wishes to have a formal determination made.

e. Presumptive eligibility shall end under any of the following conditions:

(1) The woman fails to file an application for Medicaid in accordance with rule 441—76.1(249A) by the last day of the month following the month of the presumptive eligibility determination.

(2) The woman files a Medicaid application by the last day of the month following the month of the presumptive eligibility determination and has been found ineligible for Medicaid.

(3) Rescinded IAB 5/1/91, effective 7/1/91.

f. The adequate and timely notice requirements and appeal rights associated with an application that is filed pursuant to rule 441—76.1(249A) shall apply to an eligibility determination made on the Medicaid application. However, notice requirements and appeal rights of the Medicaid program shall not apply to a woman who is:

(1) Issued a presumptive eligibility decision by a qualified provider.

(2) Determined to be presumptively eligible by a qualified provider and whose presumptive eligibility ends because the woman fails to file an application by the last day of the month following the month of the initial presumptive eligibility determination.

(3) Rescinded IAB 5/1/91, effective 7/1/91.

g. A woman shall not be determined to be presumptively eligible for Medicaid more than once per pregnancy.

75.1(31) *Persons and families canceled from the family medical assistance program (FMAP) due to the increased earnings of the specified relative in the eligible group.* Medicaid shall be available for a period of up to 12 additional months to families who are canceled from FMAP as provided in subrule 75.1(14) because the specified relative of a dependent child receives increased income from employment.

For the purposes of this subrule, “family” shall mean individuals living in the household whose needs and income were included in determining the FMAP eligibility of the household members at the time that the FMAP benefits were terminated. “Family” also includes those individuals whose needs and income would be taken into account in determining the FMAP eligibility of household members if the household were applying in the current month.

a. Increased income from employment includes:

(1) Beginning employment.

(2) Increased rate of pay.

(3) Increased hours of employment.

b. In order to receive transitional Medicaid coverage under these provisions, an FMAP family must have received FMAP during at least three of the six months immediately preceding the month in which ineligibility occurred.

c. The 12 months’ Medicaid transitional coverage begins the day following termination of FMAP eligibility.

d. When ineligibility is determined to occur retroactively, the transitional Medicaid coverage begins with the first month in which FMAP eligibility was erroneously granted, unless the provisions of paragraph “*f*” below apply.

e. Rescinded IAB 8/12/98, effective 10/1/98.

f. Transitional Medicaid shall not be allowed under these provisions when it has been determined that the member received FMAP in any of the six months immediately preceding the month of cancellation as the result of fraud. Fraud shall be defined in accordance with Iowa Code Supplement section 239B.14.

g. During the transitional Medicaid period, assistance shall be terminated at the end of the first month in which the eligible group ceases to include a child, as defined by the family medical assistance program.

h. If the family receives transitional Medicaid coverage during the entire initial six-month period and the department has received, by the twenty-first day of the fourth month, a complete Notice of Decision/Quarterly Income Report, Form 470-2663 or 470-2663(S), Medicaid shall continue for an additional six months, subject to paragraphs “*g*” and “*i*” of this subrule.

(1) If the department does not receive a completed form by the twenty-first day of the fourth month, assistance shall be canceled.

(2) A completed form is one that has all items answered, is signed, is dated, and is accompanied by verification as required in paragraphs 75.57(1)“*f*” and 75.57(2)“*l*.”

i. Medicaid shall end at the close of the first or fourth month of the additional six-month period if any of the following conditions exists:

(1) The department does not receive a complete Notice of Decision/Quarterly Income Report, Form 470-2663 or 470-2663(S), by the twenty-first day of the first month or the fourth month of the additional

six-month period as required in paragraph 75.1(31)“h,” unless the family establishes good cause for failure to report on a timely basis. Good cause shall be established when the family demonstrates that one or more of the following conditions exist:

1. There was a serious illness or death of someone in the family.
2. There was a family emergency or household disaster, such as a fire, flood, or tornado.
3. The family offers a good cause beyond the family’s control.
4. There was a failure to receive the department’s notification for a reason not attributable to the family. Lack of a forwarding address is attributable to the family.

(2) The specified relative had no earnings in one or more of the previous three months, unless the lack of earnings was due to an involuntary loss of employment, illness, or there were instances when problems could negatively impact the client’s achievement of self-sufficiency as described at 441—subrule 93.133(4).

(3) It is determined that the family’s average gross earned income, minus child care expenses for the children in the eligible group necessary for the employment of the specified relative, during the immediately preceding three-month period exceeds 185 percent of the federal poverty level as defined by the United States Office of Management and Budget and revised annually in accordance with Section 673(2) of the Omnibus Budget Reconciliation Act of 1981.

j. These provisions apply to specified relatives defined at paragraph 75.55(1)“a,” including:

(1) Any parent who is in the home. This includes parents who are included in the eligible group as well as those who are not.

(2) A stepparent who is included in the eligible group and who has assumed the role of the caretaker relative due to the absence or incapacity of the parent.

(3) A needy specified relative who is included in the eligible group.

k. The timely notice requirements as provided in 441—subrule 76.4(1) shall not apply when it is determined that the family failed to meet the eligibility criteria specified in paragraph “g” or “i” above. Transitional Medicaid shall be terminated beginning with the first month following the month in which the family no longer met the eligibility criteria. An adequate notice shall be provided to the family when any adverse action is taken.

75.1(32) *Persons and families terminated from refugee cash assistance (RCA) because of income earned from employment.* Refugee medical assistance (RMA) shall be available as long as the eight-month limit for the refugee program is not exceeded to persons who are receiving RMA and who are canceled from the RCA program solely because a member of the eligible group receives income from employment.

a. An RCA recipient shall not be required to meet any minimum program participation time frames in order to receive RMA coverage under these provisions.

b. A person who returns to the home after the family became ineligible for RCA may be included in the eligible group for RMA coverage if the person was included on the assistance grant the month the family became ineligible for RCA.

75.1(33) *Qualified disabled and working persons.* Medicaid shall be available to cover the cost of the premium for Part A of Medicare (hospital insurance benefits) for qualified disabled and working persons.

a. Qualified disabled and working persons are persons who meet the following requirements:

(1) The person’s monthly income does not exceed 200 percent of the federal poverty level applicable to the family size involved.

(2) The person’s resources do not exceed twice the maximum amount allowed under the supplemental security income (SSI) program.

(3) The person is not eligible for any other Medicaid benefits.

(4) The person is entitled to enroll in Medicare Part A of Title XVIII under Section 1818A of the Social Security Act (as added by Section 6012 of OBRA 1989).

b. The amount of the person’s income and resources shall be determined as under the SSI program.

75.1(34) Specified low-income Medicare beneficiaries. Medicaid shall be available to persons who are entitled to hospital insurance under Part A of Medicare to cover the cost of the Medicare Part B premium, provided the following conditions are met:

a. The person's monthly income exceeds 100 percent of the federal poverty level but is less than 120 percent of the federal poverty level (as defined by the United States Office of Management and Budget and revised annually in accordance with Section 673(2) of the Omnibus Budget Reconciliation Act of 1981) applicable to a family of the size involved.

b. The person's resources do not exceed the maximum amount of resources that a person may have to obtain the full low-income subsidy for Medicare Part D drug benefits.

c. The amount of income and resources shall be determined as under the SSI program unless the person lives and is expected to live at least 30 consecutive days in a medical institution and has a spouse at home. Then the resource determination shall be made according to subrules 75.5(3) and 75.5(4). Income shall not include any amount of social security income attributable to the cost-of-living increase through the month following the month in which the annual revision of the official poverty level is published.

d. The effective date of eligibility shall be as set forth in rule 441—76.5(249A).

75.1(35) Medically needy persons.

a. Coverage groups. Subject to other requirements of this chapter, Medicaid shall be available to the following persons:

(1) Pregnant women. Pregnant women who would be eligible for FMAP-related coverage groups except for excess income or resources. For FMAP-related programs, pregnant women shall have the unborn child or children counted in the household size as if the child or children were born and living with them.

(2) FMAP-related persons under the age of 19. Persons under the age of 19 who would be eligible for an FMAP-related coverage group except for excess income.

(3) CMAP-related persons under the age of 21. Persons under the age of 21 who would be eligible in accordance with subrule 75.1(15) except for excess income.

(4) SSI-related persons. Persons who would be eligible for SSI except for excess income or resources.

(5) FMAP-specified relatives. Persons whose income or resources exceed the family medical assistance program's limit and who are a specified relative as defined at subrule 75.55(1) living with a child who is determined dependent.

b. Resources and income of all persons considered.

(1) Resources of all specified relatives and of all potentially eligible individuals living together, except as specified at subparagraph 75.1(35) "b"(2) or who are excluded in accordance with the provisions of rule 441—75.59(249A), shall be considered in determining eligibility of adults. Resources of all specified relatives and of all potentially eligible individuals living together shall be disregarded in determining eligibility of children. Income of all specified relatives and of all potentially eligible individuals living together, except as specified at subparagraph 75.1(35) "b"(2) or who are excluded in accordance with the provisions of rule 441—75.59(249A), shall be considered in determining eligibility.

(2) The amount of income of the responsible relative that has been counted as available to an FMAP household or SSI individual shall not be considered in determining the countable income for the medically needy eligible group.

(3) The resource determination shall be according to subrules 75.5(3) and 75.5(4) when one spouse is expected to reside at least 30 consecutive days in a medical institution.

c. Resources.

(1) The resource limit for adults in SSI-related households shall be \$10,000 per household.

(2) Disposal of resources for less than fair market value by SSI-related applicants or members shall be treated according to policies specified in rule 441—75.23(249A).

(3) The resource limit for FMAP- or CMAP-related adults shall be \$10,000 per household. In establishing eligibility for children for this coverage group, resources of all persons in the eligible group, regardless of age, shall be disregarded. In establishing eligibility for adults for this coverage group, resources shall be considered according to department of public health 641—subrule 75.4(2).

(4) The resources of SSI-related persons shall be treated according to SSI policies.

(5) When a resource is jointly owned by SSI-related persons and FMAP-related persons, the resource shall be treated according to SSI policies for the SSI-related person and according to FMAP policies for the FMAP-related persons.

d. Income. All unearned and earned income, unless specifically exempted, disregarded, deducted for work expenses, or diverted shall be considered in determining initial and continuing eligibility.

(1) Income policies specified in subrules 75.57(1) through 75.57(8) and paragraphs 75.57(9) “b,” “c,” “g,” “h,” and “i” regarding treatment of earned and unearned income are applied to FMAP-related and CMAP-related persons when determining initial eligibility and for determining continuing eligibility unless otherwise specified. The three-step process for determining initial eligibility and the two-step process for determining ongoing eligibility, as described at rule 441—75.57(249A), shall not apply to medically needy persons.

(2) Income policies as specified in federal SSI regulations regarding treatment of earned and unearned income are applied to SSI-related persons when determining initial and continuing eligibility.

(3) The monthly income shall be determined prospectively unless actual income is available.

(4) The income for the certification period shall be determined by adding both months’ net income together to arrive at a total.

(5) The income for the retroactive certification period shall be determined by adding each month of the retroactive period to arrive at a total.

e. Medically needy income level (MNIL).

(1) The MNIL is based on 133 1/3 percent of the schedule of basic needs, as provided in subrule 75.58(2), with households of one treated as households of two, as follows:

Number of Persons	1	2	3	4	5	6	7	8	9	10
MNIL	\$483	\$483	\$566	\$666	\$733	\$816	\$891	\$975	\$1058	\$1158

Each additional person \$116

(2) When determining household size for the MNIL, all potential eligibles and all individuals whose income is considered as specified in paragraph 75.1(35) “b” shall be included unless the person has been excluded according to the provisions of rule 441—75.59(249A).

(3) The MNIL for the certification period shall be determined by adding both months’ MNIL to arrive at a total. The MNIL for the retroactive certification period, when applicable, shall be determined by adding each month of the retroactive period to arrive at a total.

(4) The total net countable income for the certification period shall be compared to the total MNIL for the certification period based on family size as specified in subparagraph (2).

If the total countable net income is equal to or less than the total MNIL, the medically needy individuals shall be eligible for Medicaid.

If the total countable net income exceeds the total MNIL, the medically needy individuals shall not be eligible for Medicaid unless incurred medical expenses equal or exceed the difference between the net income and the MNIL.

(5) Effective date of approval. Eligibility during the certification period or the retroactive certification period when applicable shall be effective as of the first day of the first month of the certification period or the retroactive certification period when the medically needy income level (MNIL) is met.

f. Verification of medical expenses to be used in spenddown calculation. The applicant or member shall submit evidence of medical expenses that are for noncovered Medicaid services and for covered services incurred prior to the certification period to the department on a claim form, which shall be completed by the medical provider. In cases where the provider is uncooperative or where returning to the provider would constitute an unreasonable requirement on the applicant or member, the form shall be completed by the worker. Verification of medical expenses for the applicant or member that are covered Medicaid services and occurred during the certification period shall be submitted by the provider to the Iowa Medicaid enterprise on a claim form. The applicant or member shall inform the

provider of the applicant's or member's spenddown obligation at the time services are rendered or at the time the applicant or member receives notification of a spenddown obligation. Verification of allowable expenses incurred for transportation to receive medical care as specified in rule 441—78.13(249A) shall be verified on Form 470-0394, Medical Transportation Claim.

Applicants who have not established that they met spenddown in the current certification period shall be allowed 12 months following the end of the certification period to submit medical expenses for that period or 12 months following the date of the notice of decision when the certification period had ended prior to the notice of decision.

g. Spenddown calculation.

(1) Medical expenses that are incurred during the certification period may be used to meet spenddown. Medical expenses incurred prior to a certification period shall be used to meet spenddown if not already used to meet spenddown in a previous certification period and if all of the following requirements are met. The expenses:

1. Remain unpaid as of the first day of the certification period.
2. Are not Medicaid-payable in a previous certification period or the retroactive certification period.
3. Are not incurred during any prior certification period with the exception of the retroactive period in which the person was conditionally eligible but did not meet spenddown.

Notwithstanding numbered paragraphs "1" through "3," paid medical expenses from the retroactive period can be used to meet spenddown in the retroactive period or in the certification period for the two months immediately following the retroactive period.

(2) Order of deduction. Spenddown shall be adjusted when a bill for a Medicaid-covered service incurred during the certification period has been applied to meet spenddown if a bill for a covered service incurred prior to the certification period is subsequently received. Spenddown shall also be adjusted when a bill for a noncovered Medicaid service is subsequently received with a service date prior to the Medicaid-covered service. Spenddown shall be adjusted when an unpaid bill for a Medicaid-covered service incurred during the certification period has been applied to meet spenddown if a paid bill for a covered service incurred in the certification period is subsequently received with a service date prior to the date of the notice of spenddown status.

If spenddown has been met and a bill is received with a service date after spenddown has been met, the bill shall not be deducted to meet spenddown.

Incurred medical expenses, including those reimbursed by a state or political subdivision program other than Medicaid, but excluding those otherwise subject to payment by a third party, shall be deducted in the following order:

1. Medicare and other health insurance premiums, deductibles, or coinsurance charges.

EXCEPTION: When some of the household members are eligible for full Medicaid benefits under the Health Insurance Premium Payment Program (HIPP), as provided in rule 441—75.21(249A), the health insurance premium shall not be allowed as a deduction to meet the spenddown obligation of those persons in the household in the medically needy coverage group.

2. An average statewide monthly standard deduction for the cost of medically necessary personal care services provided in a licensed residential care facility shall be allowed as a deduction for spenddown. These personal care services include assistance with activities of daily living such as preparation of a special diet, personal hygiene and bathing, dressing, ambulation, toilet use, transferring, eating, and managing medication.

The average statewide monthly standard deduction for personal care services shall be based on the average per day rate of health care costs associated with residential care facilities participating in the state supplementary assistance program for a 30.4-day month as computed in the Compilation of Various Costs and Statistical Data (Category: All; Type of Care: Residential Care Facility; Location: All; Type of Control: All). The average statewide standard deduction for personal care services used in the medically needy program shall be updated and effective the first day of the first month beginning two full months after the release of the Compilation of Various Costs and Statistical Data for the previous fiscal year.

3. Medical expenses for necessary medical and remedial services that are recognized under state law but not covered by Medicaid, chronologically by date of submission.

4. Medical expenses for acupuncture, chronologically by date of submission.

5. Medical expenses for necessary medical and remedial services that are covered by Medicaid, chronologically by date of submission.

(3) When incurred medical expenses have reduced income to the applicable MNIL, the individuals shall be eligible for Medicaid.

(4) Medical expenses reimbursed by a public program other than Medicaid prior to the certification period shall not be considered a medical deduction.

h. Medicaid services. Persons eligible for Medicaid as medically needy will be eligible for all services covered by Medicaid except:

(1) Care in a nursing facility or an intermediate care facility for the mentally retarded.

(2) Care in an institution for mental disease.

(3) Care in a Medicare-certified skilled nursing facility.

i. Reviews. Reviews of eligibility shall be made for SSI-related, CMAP-related, and FMAP-related medically needy members with a zero spenddown as often as circumstances indicate but in no instance shall the period of time between reviews exceed 12 months.

SSI-related, CMAP-related, and FMAP-related medically needy persons shall complete Form 470-3118 or 470-3118(S), Medicaid Review, as part of the review process when requested to do so by the department.

j. Redetermination. When an SSI-related, CMAP-related, or FMAP-related member who has had ongoing eligibility because of a zero spenddown has income that exceeds the MNIL, a redetermination of eligibility shall be completed to change the member's eligibility to a two-month certification with spenddown. This redetermination shall be effective the month the income exceeds the MNIL or the first month following timely notice.

(1) The Health Services Application, Form 470-2927 or 470-2927(S), or the Health and Financial Support Application, Form 470-0462 or Form 470-0466(Spanish), shall be used to determine eligibility for SSI-related medically needy when an SSI recipient has been determined to be ineligible for SSI due to excess income or resources in one or more of the months after the effective date of the SSI eligibility decision.

(2) All eligibility factors shall be reviewed on redeterminations of eligibility.

k. Recertifications. A new application shall be made when the certification period has expired and there has been a break in assistance as defined at rule 441—75.25(249A). When the certification period has expired and there has not been a break in assistance, the person shall use the Medicaid Review, Form 470-3118 or 470-3118(S), to be recertified.

l. Disability determinations. An applicant receiving social security disability benefits under Title II of the Social Security Act or railroad retirement benefits based on the Social Security Act definition of disability by the Railroad Retirement Board shall be deemed disabled without any further determination. In other cases under the medically needy program, the department shall conduct an independent determination of disability unless the applicant has been denied supplemental security income benefits based on lack of disability and does not allege either (1) a disabling condition different from or in addition to that considered by the Social Security Administration, or (2) that the applicant's condition has changed or deteriorated since the most recent Social Security Administration determination.

(1) In conducting an independent determination of disability, the department shall use the same criteria required by federal law to be used by the Social Security Administration of the United States Department of Health and Human Services in determining disability for purposes of Supplemental Security Income under Title XVI of the Social Security Act. The disability determination services bureau of the division of vocational rehabilitation shall make the initial disability determination on behalf of the department.

(2) For an independent determination of disability, the applicant or the applicant's authorized representative shall complete, sign and submit Form 470-4459 or 470-4459(S), Authorization to Disclose Information to the Department of Human Services, and either:

1. Form 470-2465, Disability Report for Adults, if the applicant is aged 18 or over; or
2. Form 470-3912, Disability Report for Children, if the applicant is under the age of 18.
- (3) In connection with any independent determination of disability, the department shall determine whether reexamination of the person's medical condition will be necessary for periodic redeterminations of eligibility. When reexamination is required, the member or the member's authorized representative shall complete and submit the same forms as required in subparagraph (2).

75.1(36) Expanded specified low-income Medicare beneficiaries. As long as 100 percent federal funding is available under the federal Qualified Individuals (QI) Program, Medicaid benefits to cover the cost of the Medicare Part B premium shall be available to persons who are entitled to Medicare Part A provided the following conditions are met:

- a. The person is not otherwise eligible for Medicaid.
- b. The person's monthly income is at least 120 percent of the federal poverty level but is less than 135 percent of the federal poverty level (as defined by the United States Office of Management and Budget and revised annually in accordance with Section 673(2) of the Omnibus Budget Reconciliation Act of 1981) applicable to a family of the size involved.
- c. The person's resources do not exceed the maximum amount of resources that a person may have to obtain the full low-income subsidy for Medicare Part D drug benefits.
- d. The amount of the income and resources shall be determined the same as under the SSI program unless the person lives and is expected to live at least 30 consecutive days in a medical institution and has a spouse at home. Then the resource determination shall be made according to subrules 75.5(3) and 75.5(4). Income shall not include any amount of social security income attributable to the cost-of-living increase through the month following the month in which the annual revision of the official poverty level is published.
- e. The effective date of eligibility shall be as set forth in rule 441—76.5(249A).

75.1(37) Home health specified low-income Medicare beneficiaries. Rescinded IAB 10/30/02, effective 1/1/03.

75.1(38) Continued Medicaid for disabled children from August 22, 1996. Medical assistance shall be available to persons who were receiving SSI as of August 22, 1996, and who would continue to be eligible for SSI but for Section 211(a) of the Personal Responsibility and Work Opportunity Act of 1996 (P.L. 104-193).

75.1(39) Working persons with disabilities.

- a. Medical assistance shall be available to all persons who meet all of the following conditions:
 - (1) They are disabled as determined pursuant to rule 441—75.20(249A), except that being engaged in substantial gainful activity will not preclude a determination of disability.
 - (2) They are less than 65 years of age.
 - (3) They are members of families (including families of one) whose income is less than 250 percent of the most recently revised official federal poverty level for the family. Family income shall include gross income of all family members, less supplemental security income program disregards, exemptions, and exclusions, including the earned income disregards. However, income attributable to a social security cost-of-living adjustment shall be included only in determining eligibility based on a subsequently published federal poverty level.
 - (4) They receive earned income from employment or self-employment or are eligible under paragraph 75.1(39)“c.”
 - (5) They would be eligible for medical assistance under another coverage group set out in this rule (other than the medically needy coverage groups at subrule 75.1(35)), disregarding all income, up to \$10,000 of available resources, and any additional resources held by the disabled individual in a retirement account, a medical savings account, or an assistive technology account. For this purpose, disability shall be determined as under subparagraph 75.1(39)“a”(1) above.
 - (6) They have paid any premium assessed under paragraph 75.1(39)“b” below.
- b. Eligibility for a person whose gross income is greater than 150 percent of the federal poverty level for an individual is conditional upon payment of a premium. Gross income includes all earned and unearned income of the conditionally eligible person, except that income attributable to a social

security cost-of-living adjustment shall be included only in determining premium liability based on a subsequently published federal poverty level. A monthly premium shall be assessed at the time of application and at the annual review. The premium amounts and the federal poverty level increments above 150 percent of the federal poverty level used to assess premiums will be adjusted annually on August 1.

(1) Beginning with the month of application, the monthly premium amount shall be established based on projected average monthly income. The monthly premium established shall not be increased for any reason before the next eligibility review. The premium shall not be reduced due to a change in the federal poverty level but may be reduced or eliminated prospectively before the next eligibility review if a reduction in projected average monthly income is verified.

(2) Eligible persons are required to complete and return Form 470-3118 or 470-3118(S), Medicaid Review, with income information during the twelfth month of the annual enrollment period to determine the premium to be assessed for the next 12-month enrollment period.

(3) Premiums shall be assessed as follows:

IF THE INCOME OF THE APPLICANT IS ABOVE:	THE MONTHLY PREMIUM IS:
150% of Federal Poverty Level	\$34
165% of Federal Poverty Level	\$47
180% of Federal Poverty Level	\$56
200% of Federal Poverty Level	\$66
225% of Federal Poverty Level	\$77
250% of Federal Poverty Level	\$89
300% of Federal Poverty Level	\$112
350% of Federal Poverty Level	\$137
400% of Federal Poverty Level	\$161
450% of Federal Poverty Level	\$186
550% of Federal Poverty Level	\$232
650% of Federal Poverty Level	\$280
750% of Federal Poverty Level	\$329
850% of Federal Poverty Level	\$389
1000% of Federal Poverty Level	\$467
1150% of Federal Poverty Level	\$547
1300% of Federal Poverty Level	\$631
1480% of Federal Poverty Level	\$729
1550% of Federal Poverty Level	\$768

(4) Eligibility is contingent upon the payment of any assessed premiums. Medical assistance eligibility shall not be made effective for a month until the premium assessed for the month is paid. The premium must be paid within three months of the month of coverage or of the month of initial billing, whichever is later, for the person to be eligible for the month.

(5) When the department notifies the applicant of the amount of the premiums, the applicant shall pay any premiums due as follows:

1. The premium for each month is due the fourteenth day of the month the premium is to cover. EXCEPTIONS: The premium for the month of initial billing is due the fourteenth day of the following month; premiums for any months prior to the month of initial billing are due on the fourteenth day of the third month following the month of billing.

2. If the fourteenth day falls on a weekend or a state holiday, payment is due the first working day following the holiday or weekend.

3. When any premium payment due in the month it is to cover is not received by the due date, Medicaid eligibility shall be canceled.

(6) Payments received shall be applied in the following order:

1. To the month in which the payment is received if the premium for the current calendar month is unpaid.

2. To the following month when the payment is received after a billing statement has been issued for the following month.

3. To prior months when a full payment has not been received. Payments shall be applied beginning with the most recent unpaid month before the current calendar month, then the oldest unpaid prior month and forward until all prior months have been paid.

4. When premiums for all months above have been paid, any excess shall be held and applied to any months for which eligibility is subsequently established, as specified in numbered paragraphs "1," "2," and "3" above, and then to future months when a premium becomes due.

5. Any excess on an inactive account shall be refunded to the client after two calendar months of inactivity or of a zero premium or upon request from the client.

(7) An individual's case may be reopened when Medicaid eligibility is canceled for nonpayment of premium. However, the full premium must be received by the department on or before the last day of the month following the month the premium is to cover.

(8) Premiums may be submitted in the form of money orders or personal checks to the address printed on the coupon attached to Form 470-3902, MEPD Billing Statement.

(9) Once an individual is canceled from Medicaid due to nonpayment of premiums, the individual must reapply to establish Medicaid eligibility unless the reopening provisions of this subrule apply.

(10) When a premium due in the month it is to cover is not received by the due date, a notice of decision will be issued to cancel Medicaid. The notice will include reopening provisions that apply if payment is received and appeal rights.

(11) Form 470-3902, MEPD Billing Statement, shall be used for billing and collection.

c. Members in this coverage group who become unable to work due to a change in their medical condition or who lose employment shall remain eligible for a period of six months from the month of the change in their medical condition or loss of employment as long as they intend to return to work and continue to meet all other eligibility criteria under this subrule. Members shall submit Form 470-4856, MEPD Intent to Return to Work, to report on the end of their employment and their intent to return to employment.

d. For purposes of this subrule, the following definitions apply:

"Assistive technology" is the systematic application of technologies, engineering, methodologies, or scientific principles to meet the needs of and address the barriers confronted by individuals with disabilities in areas that include education, rehabilitation, technology devices and assistive technology services.

"Assistive technology accounts" include funds in contracts, savings, trust or other financial accounts, financial instruments or other arrangements with a definite cash value set aside and designated for the purchase, lease or acquisition of assistive technology, assistive technology devices or assistive technology services. Assistive technology accounts must be held separate from other accounts and funds and must be used to purchase, lease or otherwise acquire assistive technology, assistive technology services or assistive technology devices for the working person with a disability when a physician, certified vocational rehabilitation counselor, licensed physical therapist, licensed speech therapist, or licensed occupational therapist has established the medical necessity of the device, technology, or service and determined the technology, device, or service can reasonably be expected to enhance the individual's employment.

"Assistive technology device" is any item, piece of equipment, product system or component part, whether acquired commercially, modified or customized, that is used to increase, maintain, or improve functional capabilities or address or eliminate architectural, communication, or other barriers confronted by persons with disabilities.

“Assistive technology service” means any service that directly assists an individual with a disability in the selection, acquisition, or use of an assistive technology device or other assistive technology. It includes, but is not limited to, services referred to or described in the Assistive Technology Act of 1998, 29 U.S.C. 3002(4).

“Family,” if the individual is under 18 and unmarried, includes parents living with the individual, siblings under 18 and unmarried living with the individual, and children of the individual who live with the individual. If the individual is 18 years of age or older, or married, “family” includes the individual’s spouse living with the individual and any children living with the individual who are under 18 and unmarried. No other persons shall be considered members of an individual’s family. An individual living alone or with others not listed above shall be considered to be a family of one.

“Medical savings account” means an account exempt from federal income taxation pursuant to Section 220 of the United States Internal Revenue Code (26 U.S.C. § 220).

“Retirement account” means any retirement or pension fund or account, listed in Iowa Code section 627.6(8) “f” as exempt from execution, regardless of the amount of contribution, the interest generated, or the total amount in the fund or account.

75.1(40) *People who have been screened and found to need treatment for breast or cervical cancer.*

a. Medical assistance shall be available to people who:

(1) Have been screened for breast or cervical cancer under the Centers for Disease Control and Prevention Breast and Cervical Cancer Early Detection Program established under Title XV of the Public Health Service Act and have been found to need treatment for either breast or cervical cancer (including a precancerous condition);

(2) Do not otherwise have creditable coverage, as that term is defined by the Health Insurance Portability and Accountability Act (HIPAA) (42 U.S.C. Section 300gg(c)(1)), and are not eligible for medical assistance under Iowa Code section 249A.3(1); and

(3) Are under the age of 65.

b. Eligibility established under paragraph “a” continues until the person is:

(1) No longer receiving treatment for breast or cervical cancer;

(2) No longer under the age of 65; or

(3) Covered by creditable coverage or eligible for medical assistance under Iowa Code section 249A.3(1).

c. Presumptive eligibility. A person who has been screened for breast or cervical cancer under the Centers for Disease Control and Prevention Breast and Cervical Cancer Early Detection Program established under Title XV of the Public Health Service Act, who has been found to need treatment for either breast or cervical cancer (including a precancerous condition), and who is determined by a qualified provider to be presumptively eligible for medical assistance under paragraph “a” shall be eligible for medical assistance until the last day of the month following the month of the presumptive eligibility determination if no Medicaid application is filed in accordance with rule 441—76.1(249A) by that day or until the date of a decision on a Medicaid application filed in accordance with rule 441—76.1(249A) by the last day of the month following the month of the presumptive eligibility determination, whichever is earlier.

The person shall complete Form 470-2927 or 470-2927(S), Health Services Application, in order for the qualified provider to make the presumptive eligibility determination. Presumptive eligibility shall begin no earlier than the date the qualified Medicaid provider determines eligibility.

Payment of claims for services provided to a person under this paragraph is not dependent upon a finding of Medicaid eligibility for the person.

(1) A provider who is qualified to determine presumptive eligibility is defined as a provider who:

1. Is eligible for payment under the Medicaid program; and

2. Either:

- Has been named lead agency for a county or regional local breast and cervical cancer early detection program under a contract with the department of public health; or

- Has a cooperative agreement with the department of public health under the Centers for Disease Control and Prevention Breast and Cervical Cancer Early Detection Program established under Title

XV of the Public Health Service Act to receive reimbursement for providing breast or cervical cancer screening or diagnostic services to participants in the Care for Yourself Breast and Cervical Cancer Early Detection Program; and

3. Has made application and has been specifically designated by the department in writing as a qualified provider for the purpose of determining presumptive eligibility under this rule.

(2) The provider shall complete Form 470-3864, Application for Authorization to Make Presumptive Medicaid Eligibility Determinations (BCCT), and submit it to the department for approval in order to be designated as a provider qualified to make presumptive eligibility determinations. Once the department has approved the provider's application, the provider and the department shall sign Form 470-3865, Memorandum of Understanding with a Qualified Provider for People with Breast or Cervical Cancer Treatment. When both parties have signed the memorandum, the department shall designate the provider as a qualified provider and notify the provider.

(3) When a qualified provider has made a presumptive eligibility determination for a person, the provider shall:

1. Contact the department to obtain a state identification number for the person who has been determined presumptively eligible.

2. Notify the department in writing of the determination within five working days after the date the presumptive eligibility determination is made. The provider shall use a copy of Form 470-2580 or 470-2580(S), Presumptive Medicaid Eligibility Notice of Decision, for this purpose.

3. Inform the person in writing, at the time the determination is made, that if the person has not applied for Medicaid on Form 470-2927 or 470-2927(S), Health Services Application, the person has until the last day of the month following the month of the preliminary determination to file the application with the department. The qualified provider shall use Form 470-2580 or 470-2580(S), Presumptive Medicaid Eligibility Notice of Decision, for this purpose.

4. Forward copies of Form 470-2927 or 470-2927(S), Health Services Application, to the appropriate department office for eligibility determination if the person indicated on the application that the person was applying for any of the other programs. The provider shall forward these copies and proof of screening for breast or cervical cancer under the Centers for Disease Control and Prevention Breast and Cervical Cancer Early Detection Program within two working days from the date of the presumptive eligibility determination.

(4) In the event that a person needing care does not appear to be presumptively eligible, the qualified provider shall inform the person that the person may file an application at the county department office if the person wishes to have an eligibility determination made by the department.

(5) Presumptive eligibility shall end under either of the following conditions:

1. The person fails to file an application for Medicaid in accordance with rule 441—76.1(249A) by the last day of the month following the month of the presumptive eligibility determination.

2. The person files a Medicaid application by the last day of the month following the month of the presumptive eligibility determination and is found ineligible for Medicaid.

(6) Adequate and timely notice requirements and appeal rights shall apply to an eligibility determination made on a Medicaid application filed pursuant to rule 441—76.1(249A). However, notice requirements and appeal rights of the Medicaid program shall not apply to a person who is:

1. Denied presumptive eligibility by a qualified provider.

2. Determined to be presumptively eligible by a qualified provider and whose presumptive eligibility ends because the person fails to file an application by the last day of the month following the month of the presumptive eligibility determination.

(7) A new period of presumptive eligibility shall begin each time a person is screened for breast or cervical cancer under the Centers for Disease Control and Prevention Breast and Cervical Cancer Early Detection Program established under Title XV of the Public Health Service Act, is found to need treatment for breast or cervical cancer, and files Form 470-2927 or 470-2927(S), Health Services Application, with a qualified provider.

75.1(41) *Persons eligible for family planning services under demonstration waiver.* Rescinded IAB 10/11/17, effective 10/1/17.

75.1(42) *Medicaid for independent young adults.* Medical assistance shall be available, as assistance related to the family medical assistance program, to a person who left a foster care placement on or after May 1, 2006, and meets all of the following conditions:

- a. The person is at least 18 years of age and under 21 years of age.
- b. On the person's eighteenth birthday, the person resided in foster care and Iowa was responsible for the foster care payment pursuant to Iowa Code section 234.35.
- c. The person is not a mandatory household member or receiving Medicaid benefits under another coverage group.
- d. The person has income below 200 percent of the most recently revised federal poverty level for the person's household size.

(1) "Household" shall mean the person and any of the following people who are living with the person and are not active on another Medicaid case:

1. The person's own children;
2. The person's spouse; and
3. Any children of the person's spouse who are under the age of 18 and unmarried.

No one else shall be considered a member of the person's household. A person who lives alone or with others not listed above, including the person's parents, shall be considered a household of one.

(2) The department shall determine the household's countable income pursuant to rule 441—75.57(249A). Twenty percent of earned income shall be disregarded.

(3) A person found to be income-eligible upon application or upon annual redetermination of eligibility shall remain income-eligible for 12 months regardless of any change in income or household size.

75.1(43) *Medicaid for children with disabilities.* Medical assistance shall be available to children who meet all of the following conditions on or after January 1, 2009:

- a. The child is under 19 years of age.
- b. The child is disabled as determined pursuant to rule 441—75.20(249A) based on the disability standards for children used for Supplemental Security Income (SSI) benefits under Title XVI of the Social Security Act, but without regard to any income or asset eligibility requirements of the SSI program.
- c. The child is enrolled in any group health plan available through the employer of a parent living in the same household as the child if the employer contributes at least 50 percent of the total cost of annual premiums for that coverage. The parent shall enroll the child and pay any employee premium required to maintain coverage for the child.
- d. The child's household has income at or below 300 percent of the federal poverty level applicable to a family of that size.

(1) For this purpose, the child's household shall include any of the following persons who are living with the child and are not receiving Medicaid on another case:

1. The child's parents.
2. The child's siblings under the age of 19.
3. The child's spouse.
4. The child's children.
5. The children of the child's spouse.

(2) Only those persons identified in subparagraph (1) shall be considered a member of the child's household. A person who receives medically needy coverage with a spenddown or limited benefits such as Medicare savings programs only is not considered to be "receiving Medicaid" for the purposes of subparagraph (1). A child who lives alone or with persons not identified in subparagraph (1) shall be considered as having a household of one.

(3) For this purpose, the income of all persons included in the child's household shall be determined as provided for SSI-related groups under subrule 75.13(2).

(4) The federal poverty levels used to determine eligibility shall be revised annually on April 1.

75.1(44) *Presumptive eligibility for children.* Medical assistance shall be available to children under the age of 19 who are determined by a qualified entity to be presumptively eligible for medical assistance pursuant to this subrule.

a. Qualified entity. A “qualified entity” is an entity described in paragraphs (1) through (10) of the definition of the term at 42 CFR 435.1101, as amended to October 1, 2008, that:

(1) Has been determined by the department to be capable of making presumptive determinations of eligibility, and

(2) Has signed an agreement with the department as a qualified entity.

b. Application process. Families requesting assistance for children under this subrule shall apply with a qualified entity using the form specified in 441—paragraph 76.1(1) “f.” The qualified entity shall use the department’s web-based system to make the presumptive eligibility determination, based on the information provided in the application.

(1) All presumptive eligibility applications shall be forwarded to the department for a full Medicaid or HAWK-I eligibility determination, regardless of the child’s presumptive eligibility status.

(2) The date a valid application was received by the qualified entity establishes the date of application for purposes of determining the effective date of Medicaid or HAWK-I eligibility unless the qualified entity received the application on a weekend or state holiday. Applications received by the qualified entity on a weekend or a state holiday shall be considered to be received on the first business day following the weekend or state holiday.

(3) The qualified entity shall issue Form 470-2580 or 470-2580(S), Presumptive Medicaid Eligibility Notice of Decision, to inform the applicant of the decision on the application as soon as possible but no later than within two working days after the date the determination is made.

(4) Timely and adequate notice requirements and appeal rights of the Medicaid program shall not apply to presumptive eligibility decisions made by a qualified entity.

c. Eligibility requirements. To be determined presumptively eligible for medical assistance, a child shall meet the following eligibility requirements.

(1) Age. The child must be under the age of 19.

(2) Household income. Household income must be less than 300 percent of the federal poverty level for a household of the same size. For this purpose, the household shall include the applicant child and any sibling (of whole or half blood, or adoptive), spouse, parent, or stepparent living with the applicant child. This determination shall be based on the household’s gross income, with no deductions, diversions, or disregards.

(3) Citizenship or qualified alien status. The child must be a citizen of the United States or a qualified alien as defined in subrule 75.11(2).

(4) Iowa residency. The child must be a resident of Iowa.

(5) Prior presumptive eligibility. A child shall not be determined presumptively eligible more than once in a 12-month period. The first month of the 12-month period begins with the month the application is received by the qualified entity.

d. Period of presumptive eligibility. Presumptive eligibility shall begin with the date that presumptive eligibility is determined and shall continue until the earliest of the following dates:

(1) The last day of the next calendar month;

(2) The day the child is determined eligible for Medicaid;

(3) The last day of the month that the child is determined eligible for HAWK-I; or

(4) The day the child is determined ineligible for Medicaid and HAWK-I. Withdrawal of the Medicaid or HAWK-I application before eligibility is determined shall not affect the child’s eligibility during the presumptive period.

e. Services covered. Children determined presumptively eligible under this subrule shall be entitled to all Medicaid-covered services, including early and periodic screening, diagnosis, and treatment (EPSDT) services. Payment of claims for Medicaid services provided to a child during the presumptive eligibility period, including EPSDT services, is not dependent upon a determination of Medicaid or HAWK-I eligibility by the department.

75.1(45) Medicaid for former foster care youth. Effective January 1, 2014, medical assistance shall be available to a person who meets all of the following conditions:

a. The person is at least 18 years of age (or such higher age to which foster care is provided to the person) and under 26 years of age;

b. The person is not described in or enrolled under any of Subclauses (I) through (VII) of Section 1902(a)(10)(A)(i) of Title XIX of the Social Security Act or is described in any of such subclauses but has income that exceeds the level of income applicable under Iowa's state Medicaid plan for eligibility to enroll for medical assistance under such subclause;

c. The person was in foster care under the responsibility of Iowa on the date of attaining 18 years of age or such higher age to which foster care is provided; and

d. The person was enrolled in the Iowa Medicaid program under Title XIX of the Social Security Act while in such foster care.

This rule is intended to implement Iowa Code sections 249A.3, 249A.4 and 249A.6.

441—75.2(249A) Medical resources. Medical resources include health and accident insurance, eligibility for care through the Department of Veterans Affairs, specialized child health services, Title XVIII of the Social Security Act (Medicare), and other resources for meeting the cost of medical care which may be available to the member. These resources must be used when reasonably available.

75.2(1) The department shall approve payment only for those services or that part of the cost of a given service for which no medical resources exist unless pay and chase provisions as defined in rule 441—75.25(249A) are applicable.

a. Persons who have been approved by the Social Security Administration for Supplemental Security Income shall complete Form 470-0364, 470-0364(M), 470-0364(MS), or 470-0364(S), SSI Medicaid Information, and return it to the department.

b. Persons eligible for Part B of the Medicare program shall make assignment to the department on Form 470-0364, 470-0364(M), 470-0364(MS), or 470-0364(S), SSI Medicaid Information.

75.2(2) As a condition of eligibility for medical assistance, a person who has the legal capacity to execute an assignment shall do all of the following:

a. Assign to the department any rights to payments of medical care from any third party to the extent that payment has been made under the medical assistance program. The applicant's signature on any form listed in 441—subrule 76.1(1) shall constitute agreement to the assignment. The assignment shall be effective for the entire period for which medical assistance is paid.

b. Cooperate with the department in obtaining third-party payments. The member or one acting on the member's behalf shall:

- (1) File a claim or submit an application for any reasonably available medical resource, and
- (2) Cooperate in the processing of the claim or application.

c. Cooperate with the department in identifying and providing information to assist the department in pursuing any third party who may be liable to pay for medical care and services available under the medical assistance program.

75.2(3) Good cause for failure to cooperate in the filing or processing of a claim or application shall be considered to exist when the member, or one acting on behalf of a minor, or of a legally incompetent adult member, is physically or mentally incapable of cooperation. Good cause shall be considered to exist when cooperation is reasonably anticipated to result in:

a. Physical or emotional harm to the member for whom medical resources are being sought.

b. Physical or emotional harm to the parent or payee, acting on the behalf of a minor, or of a legally incompetent adult member, for whom medical resources are being sought.

75.2(4) Failure to cooperate as required in subrule 75.2(2) without good cause as defined in subrule 75.2(3) shall result in the termination of medical assistance benefits. The department shall make the

determination of good cause based on information and evidence provided by the member or by one acting on the member's behalf.

a. The medical assistance benefits of a minor or a legally incompetent adult member shall not be terminated for failure to cooperate in reporting medical resources.

b. When a parent or payee acting on behalf of a minor or legally incompetent adult member fails to file a claim or application for reasonably available medical resources or fails to cooperate in the processing of a claim or application without good cause, the medical assistance benefits of the parent or payee shall be terminated.

This rule is intended to implement Iowa Code sections 249A.4, 249A.5 and 249A.6.
[ARC 7546B, IAB 2/11/09, effective 4/1/09; ARC 8503B, IAB 2/10/10, effective 1/13/10; ARC 8785B, IAB 6/2/10, effective 8/1/10]

441—75.3(249A) Acceptance of other financial benefits. An applicant or member shall take all steps necessary to apply for and, if entitled, accept any income or resources for which the applicant or member may qualify, unless the applicant or member can show an incapacity to do so. Sources of benefits may be, but are not limited to, annuities, pensions, retirement or disability benefits, veterans' compensation and pensions, old-age, survivors, and disability insurance, railroad retirement benefits, black lung benefits, or unemployment compensation.

75.3(1) When it is determined that the supplemental security income (SSI)-related applicant or member may be entitled to other cash benefits, the department shall send a Notice Regarding Acceptance of Other Benefits, Form 470-0383, to the applicant or member.

75.3(2) The SSI-related applicant or member must express an intent to apply or refuse to apply for other benefits within ten calendar days from the date the notice is issued. A signed refusal to apply or failure to return the form shall result in denial of the application or cancellation of Medicaid unless the applicant or member is mentally or physically incapable of filing the claim for other cash benefits.

75.3(3) When the SSI-related applicant or member is physically or mentally incapable of filing the claim for other cash benefits, the department shall request the person acting on behalf of the member to pursue the potential benefits.

75.3(4) The SSI-related applicant or member shall cooperate in applying for the other benefits. Failure to timely secure the other benefits shall result in cancellation of Medicaid.

EXCEPTION: An applicant or member shall not be required to apply for supplementary security income to receive Medicaid under subrule 75.1(17).

This rule is intended to implement Iowa Code sections 249A.3 and 249A.4.

441—75.4(249A) Medical assistance lien.

75.4(1) When the medical assistance program pays for a member's medical care or expenses, the department shall have a lien upon all monetary claims which the member may have against third parties for those expenses. Monetary claims shall include medical malpractice claims for injuries sustained on or after July 1, 2011. The lien shall be to the extent of the medical assistance payments only.

a. A lien is not effective unless the department files a notice of lien with the clerk of the district court in the county where the member resides and with the member's attorney when the member's eligibility for medical assistance is established. The notice of lien shall be filed before the third party has concluded a final settlement with the member, the member's attorney, or other representative.

b. The third party shall obtain a written determination from the department concerning the amount of the lien before a settlement is deemed final.

(1) A compromise, including, but not limited to, notification, settlement, waiver or release of a claim, does not defeat the department's lien except pursuant to the written agreement of the director or the director's designee under which the department would receive less than full reimbursement of the amounts it expended.

(2) A settlement, award, or judgment structured in any manner not to include medical expenses or an action brought by a member or on behalf of a member which fails to state a claim for recovery of medical expenses does not defeat the department's lien if there is any recovery on the member's claim.

c. All notifications to the department required by law shall be directed to the Iowa Medicaid Enterprise, Revenue Collection Unit, P.O. Box 36475, Des Moines, Iowa 50315. Notification shall be considered made as of the time the notification is deposited so addressed, postage prepaid, in the United States Postal Service system.

75.4(2) The department may pursue its rights to recover either directly from any third party or from any recovery obtained by or on behalf of any member. If a member incurs the obligation to pay attorney fees and court costs for the purpose of enforcing a monetary claim to which the department has a lien under this section, upon the receipt of the judgment or settlement of the total claim, of which the lien for medical assistance payments is a part, the court costs and reasonable attorney fees shall first be deducted from this total judgment or settlement. One-third of the remaining balance shall then be deducted and paid to the member. From the remaining balance, the lien of the department shall be paid. Any amount remaining shall be paid to the member. An attorney acting on behalf of a member for the purpose of enforcing a claim to which the department has a lien shall not collect from the member any amount as attorney fees which is in excess of the amount which the attorney customarily would collect on claims not subject to this rule. The department will provide computer-generated documents or claim forms describing the services for which it has paid upon request of any affected member or the member's attorney. The documents may also be provided to a third party where necessary to establish the extent of the department's claim.

75.4(3) In those cases where appropriate notification is not given to the department or where the department's recovery rights are otherwise adversely affected by an action of the member or one acting on the member's behalf, medical assistance benefits shall be terminated. The medical assistance benefits of a minor child or a legally incompetent adult member shall not be terminated. Subsequent eligibility for medical assistance benefits shall be denied until an amount equal to the unrecovered claim has been reimbursed to the department or the individual produces documentation of incurred medical expense equal to the amount of the unrecovered claim. The incurred medical expense shall not be paid by the medical assistance program.

a. The client, or one acting on the client's behalf, shall provide information and verification as required to establish the availability of medical or third-party resources.

b. Rescinded IAB 9/4/91, effective 11/1/91.

c. The client or person acting on the client's behalf shall complete Form 470-2826, Supplemental Insurance Questionnaire, in a timely manner at the time of application, when any change in medical resources occurs during the application period, and when any changes in medical resources occur after the application is approved.

A report shall be considered timely when made within ten days from:

- (1) The date that health insurance begins, changes, or ends.
- (2) The date that eligibility begins for care through the Department of Veterans Affairs, specialized child health services, Title XVIII of the Social Security Act (Medicare) and other resources.
- (3) The date the client, or one acting on the client's behalf, files an insurance claim against an insured third party, for the payment of medical expenses that otherwise would be paid by Medicaid.
- (4) The date the member, or one acting on the member's behalf, retains an attorney with the expectation of seeking restitution for injuries from a possibly liable third party, and the medical expenses resulting from those injuries would otherwise be paid by Medicaid.
- (5) The date that the member, or one acting on the member's behalf, receives a partial or total settlement for the payment of medical expenses that would otherwise be paid by Medicaid.

The member may report the change in person, by telephone, by mail or by using the Ten-Day Report of Change, Form 470-0499 or 470-0499(S), which is mailed with the Family Investment Program warrants and is issued to the client when Medicaid applications are approved, when annual reviews are completed, when a completed Ten-Day Report of Change is submitted, and when the client requests a form.

d. The member, or one acting on the member's behalf, shall complete the Priority Leads Letter, Form 470-0398, when the department has reason to believe that the member has sustained

an accident-related injury. Failure to cooperate in completing and returning this form, or in giving complete and accurate information, shall result in the termination of Medicaid benefits.

e. When the recovery rights of the department are adversely affected by the actions of a parent or payee acting on behalf of a minor or legally incompetent adult member, the Medicaid benefits of the parent or payee shall be terminated. When a parent or payee fails to cooperate in completing or returning the Priority Leads Letter, Form 470-0398, or the Supplemental Insurance Questionnaire, Form 470-2826, or fails to give complete and accurate information concerning the accident-related injuries of a minor or legally incompetent adult member, the department shall terminate the Medicaid benefits of the parent or payee.

f. The member, or one acting on the member's behalf, shall refund to the department from any settlement or payment received the amount of any medical expenses paid by Medicaid. Failure of the member to do so shall result in the termination of Medicaid benefits. In those instances where a parent or payee, acting on behalf of a minor or legally incompetent adult member, fails to refund a settlement overpayment to the department, the Medicaid benefits of the parent or payee shall be terminated.

75.4(4) Third party and provider responsibilities.

a. The health care services provider shall inform the department by appropriate notation on the Health Insurance Claim, Form CMS-1500, that other coverage exists but did not cover the service being billed or that payment was denied.

b. The health care services provider shall notify the department in writing by mailing copies of any billing information sent to a member, an attorney, an insurer or other third party after a claim has been submitted to or paid by the department.

c. An attorney representing an applicant for medical assistance or a past or present Medicaid member on a claim to which the department has filed a lien under this rule shall notify the department of the claim of which the attorney has actual knowledge, before filing a claim, commencing an action or negotiating a settlement offer. Actual knowledge shall include the notice to the attorney pursuant to subrule 75.4(1). The mailing and deposit in a United States post office or public mailing box of the notice, addressed to the department at its state or local office location, is adequate legal notice of the claim.

75.4(5) Department's lien.

a. The department's liens are valid and binding on an attorney, insurer or other third party only upon notice by the department or unless the attorney, insurer or other third party has actual notice that the member is receiving medical assistance from the department and only to the extent that the attorney, insurer or third party has not made payment to the member or an assignee of the member prior to the notice.

Any information released to an attorney, insurer or other third party, by the health care services provider, that indicates that reimbursement from the state was contemplated or received, shall be construed as giving the attorney, insurer or other third party actual knowledge of the department's involvement. For example, information supplied by a health care services provider which indicates medical assistance involvement shall be construed as showing involvement by the department under Iowa Code section 249A.6. Payment of benefits by an insurer or third party pursuant to the rights of the lienholder in this rule discharges the attorney, insurer or other third party from liability to the member or the member's assignee to the extent of the payment to the department.

b. When the department has reason to believe that an attorney is representing a member on a claim to which the department filed a lien under this rule, the department shall issue notice to that attorney of the department's lien rights by mailing the Notice of Medical Assistance Lien, Form 470-3030, to the attorney.

c. When the department has reason to believe that an insurer is liable for the costs of a member's medical expenses, the department shall issue notice to the insurer of the department's lien rights by mailing the Notice of Medical Assistance Lien, Form 470-3030, to the insurer.

d. The mailing and deposit in a United States post office or public mailing box of the notice, addressed to the attorney or insurer, is adequate legal notice of the department's subrogation rights.

75.4(6) For purposes of this rule, the term “third party” includes an attorney, individual, institution, corporation, or public or private agency which is or may be liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant for medical assistance or a past or present Medicaid member.

75.4(7) The department may enforce its lien by a civil action against any liable third party.

This rule is intended to implement Iowa Code sections 249A.4, 249A.5, and 249A.6.
[ARC 9696B, IAB 9/7/11, effective 9/1/11; ARC 9881B, IAB 11/30/11, effective 1/4/12]

441—75.5(249A) Determination of countable income and resources for persons in a medical institution. In determining eligibility for any coverage group under rule 441—75.1(249A), certain factors must be considered differently for persons who reside in a medical institution. They are:

75.5(1) Determining income from property.

a. Nontrust property. Where there is nontrust property, unless the document providing income specifies differently, income paid in the name of one person shall be available only to that person. If payment of income is in the name of two persons, one-half is attributed to each. If payment is in the name of several persons, including a Medicaid client, a client’s spouse, or both, the income shall be considered in proportion to the Medicaid client’s or spouse’s interest. If payment is made jointly to both spouses and no interest is specified, one-half of the couple’s joint interest shall be considered available for each spouse. If the client or the client’s spouse can establish different ownership by a preponderance of evidence, the income shall be divided in proportion to the ownership.

b. Trust property. Where there is trust property, the payment of income shall be considered available as provided in the trust. In the absence of specific provisions in the trust, the income shall be considered as stated above for nontrust property.

75.5(2) Division of income between married people for SSI-related coverage groups.

a. Institutionalized spouse and community spouse. If there is a community spouse, only the institutionalized person’s income shall be considered in determining eligibility for the institutionalized spouse.

b. Spouses institutionalized and living together. Partners in a marriage who are residing in the same room in a medical institution shall be treated as a couple until the first day of the seventh calendar month that they continuously reside in the facility. The couple may continue to be considered as a couple for medical assistance effective the first day of the seventh calendar month of continuous residency if one partner would be ineligible for medical assistance or receive reduced benefits by considering them separate individuals or if they choose to be considered together. When spouses are treated as a couple, the combined income of the couple shall not exceed twice the amount of the income limit established in subrule 75.1(7). Persons treated together as a couple for income must be treated together for resources and persons treated individually for income must be treated individually for resources.

Spouses residing in the same room in a medical institution may be treated as individuals effective the first day of the seventh calendar month. The income of each spouse shall not exceed the income limit established in subrule 75.1(7).

c. Spouses institutionalized and living apart. Partners in a marriage who are both institutionalized, although not residing in the same room of the institution, shall be treated as individuals effective the month after the month the partners cease living together. Their income shall be treated separately for eligibility. If they live in the same facility after six months of continuous residence, they may be considered as a couple for medical assistance effective the first day of the seventh calendar month of continuous residency if one partner would be ineligible for medical assistance or receive reduced benefits by considering them separate individuals or if they choose to be considered together.

In the month of entry into a medical institution, income shall not exceed the amount of the income limit established in subrule 75.1(7).

75.5(3) Attribution of resources to institutionalized spouse and community spouse. The department shall determine the attribution of a couple’s resources to the institutionalized spouse and to the community spouse when the institutionalized spouse is expected to remain in a medical institution at

least 30 consecutive days on or after September 30, 1989, at the beginning of the first continuous period of institutionalization.

a. When determined. The department shall determine the attribution of resources between spouses at the earlier of the following:

(1) When either spouse requests that the department determine the attribution of resources at the beginning of the person's continuous stay in a medical facility prior to an application for Medicaid benefits. This request must be accompanied by Form 470-2577, Resources Upon Entering a Medical Facility, and necessary documentation.

(2) When the institutionalized spouse or someone acting on that person's behalf applies for Medicaid benefits. If the application is not made in the month of entry, the applicant shall also complete Form 470-2577 and provide necessary documentation.

b. Information required. The couple must provide the social security number of the community spouse. The attribution process shall include a match of the Internal Revenue Service data for both the institutionalized and community spouses.

c. Resources considered. The resources attributed shall include resources owned by both the community spouse and institutionalized spouse except for the following resources:

(1) The home in which the spouse or relatives as defined in 441—paragraph 41.22(3)“a” live (including the land that appertains to the home).

(2) Household goods, personal effects, and one automobile.

(3) The value of any burial spaces held for the purpose of providing a place for the burial of either spouse or any other member of the immediate family.

(4) Other property essential to the means of self-support of either spouse as to warrant its exclusion under the SSI program.

(5) Resources of a blind or disabled person who has a plan for achieving self-support as determined by division of vocational rehabilitation or the department of human services.

(6) For natives of Alaska, shares of stock held in a regional or a village corporation, during the period of 20 years in which the stock is inalienable, as provided in Section 7(h) and Section 8(c) of the Alaska Native Claims Settlement Act.

(7) Assistance under the Disaster Relief Act and Emergency Assistance Act or other assistance provided pursuant to federal statute on account of a presidentially declared major disaster and interest earned on these funds for the nine-month period beginning on the date these funds are received or for a longer period where good cause is shown.

(8) Any amount of underpayment of SSI or social security benefit due either spouse for one or more months prior to the month of receipt. This exclusion shall be limited to the first six months following receipt.

(9) A life insurance policy(ies) whose total face value is \$1500 or less per spouse.

(10) An amount, not in excess of \$1500 for each spouse that is separately identifiable and has been set aside to meet the burial and related expenses of that spouse. The amount of \$1500 shall be reduced by an amount equal to the total face value of all insurance policies which are owned by the person or spouse and the total of any amounts in an irrevocable trust or other irrevocable arrangement available to meet the burial and related expenses of that spouse.

(11) Federal assistance paid for housing occupied by the spouse.

(12) Assistance from a fund established by a state to aid victims of crime for nine months from receipt when the client demonstrates that the amount was paid as compensation for expenses incurred or losses suffered as a result of a crime.

(13) Relocation assistance provided by a state or local government to a client comparable to assistance provided under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 which is subject to the treatment required by Section 216 of the Act.

d. Method of attribution. The resources attributed to the institutionalized spouse shall be one-half of the documented resources of both the institutionalized spouse and the community spouse as of the first moment of the first day of the month of the spouse's first entry to a medical facility. However, if one-half of the resources is less than \$24,000, then \$24,000 shall be protected for the community

spouse. Also, when one-half of the resources attributed to the community spouse exceeds the maximum amount allowed as a community spouse resource allowance by Section 1924(f)(2)(A)(i) of the Social Security Act (42 U.S.C. § 1396r-5(f)(2)(A)(i)), the amount over the maximum shall be attributed to the institutionalized spouse. (The maximum limit is indexed annually according to the consumer price index.)

If the institutionalized spouse has transferred resources to the community spouse under a court order for the support of the community spouse, the amount transferred shall be the amount attributed to the community spouse if it exceeds the specified limits above.

e. Notice and appeal rights. The department shall provide each spouse a notice of the attribution results. The notice shall state that either spouse has a right to appeal the attribution if the spouse believes:

- (1) That the attribution is incorrect, or
- (2) That the amount of income generated by the resources attributed to the community spouse is inadequate to raise the community spouse's income to the minimum monthly maintenance allowance.

If an attribution has not previously been appealed, either spouse may appeal the attribution upon the denial of an application for Medicaid benefits based on the attribution.

f. Appeals. Hearings on attribution decisions shall be governed by procedures in 441—Chapter 7. If the hearing establishes that the community spouse's resource allowance is inadequate to raise the community spouse's income to the minimum monthly maintenance allowance, there shall be substituted an amount adequate to provide the minimum monthly maintenance needs allowance.

(1) To establish that the resource allowance is inadequate and receive a substituted allowance, the applicant must provide verification of all the income of the community spouse. For an applicant who became an institutionalized spouse on or after February 8, 2006, all income of the institutionalized spouse that could be made available to the community spouse pursuant to 75.16(2) "d" shall be treated as countable income of the community spouse when the attribution decision was made on or after February 8, 2006.

(2) The amount of resources adequate to provide the community spouse minimum maintenance needs allowance shall be based on the cost of a single premium lifetime annuity with monthly payments equal to the difference between the monthly maintenance needs allowance and other countable income not generated by either spouse's countable resources.

(3) The resources necessary to provide the minimum maintenance needs allowance shall be based on the maintenance needs allowance as provided by these rules at the time of the filing of the appeal.

(4) To receive the substituted allowance, the applicant shall be required to obtain one estimate of the cost of the annuity.

(5) The estimated cost of an annuity shall be substituted for the amount of resources attributed to the community spouse when the amount of resources previously determined is less than the estimated cost of an annuity. If the amount of resources previously attributed for the community spouse is greater than the estimated cost of an annuity, there shall be no substitution for the cost of the annuity, and the attribution will remain as previously determined.

(6) The applicant shall not be required to purchase this annuity as a condition of Medicaid eligibility.

(7) If the appellant provides a statement from an insurance company that it will not provide an estimate due to the potential annuitant's age, the amount to be set aside shall be determined using the following calculation: The difference between the community spouse's gross monthly income not generated by countable resources (times 12) and the minimum monthly maintenance needs allowance (times 12) shall be multiplied by the annuity factor for the age of the community spouse in the Table for an Annuity for Life published at the end of Iowa Code chapter 450. This amount shall be substituted for the amount of resources attributed to the community spouse pursuant to subparagraph 75.5(3) "f"(5).

75.5(4) Consideration of resources of married people.

a. One spouse in a medical facility who entered the facility on or after September 30, 1989.

(1) Initial month. When the institutionalized spouse is expected to stay in a medical facility less than 30 consecutive days, the resources of both spouses shall be considered in determining initial Medicaid eligibility.

When the institutionalized spouse is expected to be in a medical facility 30 consecutive days or more, only the resources not attributed to the community spouse according to subrule 75.5(3) shall be considered in determining initial eligibility for the institutionalized spouse.

The amount of resources counted for eligibility for the institutionalized spouse shall be the difference between the couple's total resources at the time of application and the amount attributed to the community spouse under this rule.

(2) Ongoing eligibility. After the month in which the institutionalized spouse is determined eligible, no resources of the community spouse shall be deemed available to the institutionalized spouse during the continuous period in which the spouse is in an institution. Resources which are owned wholly or in part by the institutionalized spouse and which are not transferred to the community spouse shall be counted in determining ongoing eligibility. The resources of the institutionalized spouse shall not count for ongoing eligibility to the extent that the institutionalized spouse intends to transfer and does transfer the resources to the community spouse within 90 days unless unable to effect the transfer.

(3) Exception based on estrangement. When it is established by a disinterested third-party source that the institutionalized spouse is estranged from the community spouse, Medicaid eligibility will not be denied on the basis of resources when the applicant can demonstrate hardship.

The applicant can demonstrate hardship when the applicant is unable to obtain information about the community spouse's resources after exploring all legal means.

The applicant can also demonstrate hardship when resources attributed from the community spouse cause the applicant to be ineligible, but the applicant is unable to access these resources after exhausting legal means.

(4) Exception based on assignment of support rights. The institutionalized spouse shall not be ineligible by attribution of resources that are not actually available when:

1. The institutionalized spouse has assigned to the state any rights to support from the community spouse, or

2. The institutionalized spouse lacks the ability to execute an assignment due to physical or mental impairment, but the state has the right to bring a support proceeding against a community spouse without an assignment.

b. One spouse in a medical institution prior to September 30, 1989. When one spouse is in the medical institution prior to September 30, 1989, only the resources of the institutionalized spouse shall count for eligibility according to SSI policies the month after the month of entry. In the month of entry, the resources of both spouses are countable toward the couple resource limit.

c. Spouses institutionalized and living together. The combined resources of both partners in a marriage who are residing in the same room in a medical institution shall be subject to the resource limit for a married couple until the first of the seventh calendar month that they continuously reside in the facility. The couple may continue to be considered as a couple for medical assistance effective with the seventh month if one partner would be ineligible for medical assistance or would receive reduced benefits by considering them separately or if they choose to be considered together. Persons treated together as a couple for resources must be treated together for income and persons treated individually for resources must be treated individually for income. Effective the first of the seventh calendar month of continuous residence, they may be treated as individuals, with the resource limit for each spouse the limit for a single person.

d. Spouses institutionalized and living apart. Partners in a marriage who are both institutionalized, although not residing in the same room of the institution, shall be treated as individuals effective the month after the month the partners cease living together. If they live in the same facility after six months of continuous residence, they may be considered as a couple for medical assistance effective the first day of the seventh calendar month of continuous residency if one partner would be ineligible for medical assistance or would receive reduced benefits by considering them separately or if they choose to be considered together.

In the month of entry into a medical institution, all resources of both spouses shall be combined and shall be subject to the resource limit for a married couple.

75.5(5) Consideration of resources for persons in a medical institution who have purchased and used a qualified or approved long-term care insurance policy pursuant to department of commerce, division of insurance, rules in 191—Chapter 39 or 72.

a. Eligibility. A person may be eligible for medical assistance under this subrule if:

(1) The person is the beneficiary of a qualified long-term care insurance policy or is enrolled in a prepaid health care delivery plan that provides long-term care services pursuant to 191—Chapter 39 or 72; and

(2) The person is eligible for medical assistance under 75.1(6), 75.1(7), or 75.1(18) except for excess resources; and

(3) The excess resources causing ineligibility under the listed coverage groups do not exceed the “asset adjustment” provided in this subrule.

b. Definition. “Asset adjustment” shall mean a \$1 disregard of resources for each \$1 that has been paid out under the person’s qualified or approved long-term care insurance policy.

c. Estate recovery. An amount equal to the benefits paid out under a member’s qualified or approved long-term care insurance policy will be exempt from recovery from the estate of the member or the member’s spouse for payments made by the medical assistance program on behalf of the member.

This rule is intended to implement Iowa Code sections 249A.3, 249A.4, and 249A.35 and chapter 514H.

[ARC 8443B, IAB 1/13/10, effective 3/1/10]

441—75.6(249A) Entrance fee for continuing care retirement community or life care community. When an individual resides in a continuing care retirement community or life care community that collects an entrance fee on admission, the entrance fee paid shall be considered a resource available to the individual for purposes of determining the individual’s Medicaid eligibility and the amount of benefits to the extent that:

1. The individual has the ability to use the entrance fee, or the contract between the individual and the community provides that the entrance fee may be used to pay for care should the individual’s other resources or income be insufficient to pay for such care;

2. The individual is eligible for a refund of any remaining entrance fee when the individual dies or when the individual terminates the community contract and leaves the community; and

3. The entrance fee does not confer an ownership interest in the community.

This rule is intended to implement Iowa Code section 249A.4.

441—75.7(249A) Furnishing of social security number.

75.7(1) As a condition of eligibility, except as provided by subrule 75.7(2), all social security numbers issued to each individual (including children) for whom Medicaid is sought must be furnished to the department.

75.7(2) The requirement of subrule 75.7(1) does not apply to an individual who:

a. Is not eligible to receive a social security number;

b. Does not have a social security number and may only be issued a social security number for a valid nonwork reason in accordance with 20 CFR § 422.104; or

c. Refuses to obtain a social security number because of a well-established religious objection.

For this purpose, a well-established religious objection means that the individual:

(1) Is a member of a recognized religious sect or division of the sect; and

(2) Adheres to the tenets or teachings of the sect or division of the sect and for that reason is conscientiously opposed to applying for or using a national identification number.

75.7(3) If a social security number has not been issued or is not known, the individual seeking Medicaid must cooperate with the department in applying for a social security number with the Social Security Administration or in requesting the Social Security Administration to furnish the number.

[ARC 1134C, IAB 10/30/13, effective 10/2/13]

441—75.8(249A) Medical assistance corrective payments. If a decision by the department or the Social Security Administration following an appeal on a denied application for any of the categories

of medical assistance eligibility set forth in rule 441—75.1(249A) is favorable to the claimant, reimbursement will be made to the claimant for any medical bills paid by the claimant during the period between the date of the denial on the initial application and the date regular medical assistance coverage began when the bills were for medical services rendered in the period now determined to be an eligible period based on the following conditions:

75.8(1) These bills must be for services covered by the medical assistance program as set forth in 441—Chapter 78.

75.8(2) Reimbursement will be based on Medicaid rates for services in effect at the time the services were provided.

75.8(3) If a county relief agency has paid medical bills on the recipient's behalf and has not received reimbursement through assignment as set forth in 441—Chapter 80, the department will reimburse the county relief agency directly on the same basis as if the reimbursement was made to the recipient.

75.8(4) Recipients and county relief agencies shall file claims for payment under this subrule by submitting Form 470-2224, Verification of Paid Medical Bills, to the department. A supply of these forms is available from the county office. All requests for reimbursement shall be acted upon within 60 days of receipt of all Forms 470-2224 in the county office.

75.8(5) Any adverse action taken by the department with respect to an application for reimbursement is appealable under 441—Chapter 7.

This rule is intended to implement Iowa Code section 249A.4.

441—75.9(249A) Treatment of Medicaid qualifying trusts.

75.9(1) A Medicaid qualifying trust is a trust or similar legal device established, on or before August 10, 1993, other than by will by a person or that person's spouse under which the person may be the beneficiary of payments from the trust and the distribution of these payments is determined by one or more trustees who are permitted to exercise any discretion with respect to the distribution to the person. Trusts or initial trust decrees established prior to April 7, 1986, solely for the benefit of a mentally retarded person who resides in an intermediate care facility for the mentally retarded, are exempt.

75.9(2) The amount of income and principal from a Medicaid qualifying trust that shall be considered available shall be the maximum amount that may be permitted under the terms of the trust assuming the full exercise of discretion by the trustee or trustees for the distribution of the funds.

a. Trust income considered available shall be counted as income.

b. Trust principal (including accumulated income) considered available shall be counted as a resource, except where the trust explicitly limits the amount of principal that can be made available on an annual or less frequent basis. Where the trust limits the amount, the principal considered available over any particular period of time shall be counted as income for that period of time.

c. To the extent that the trust principal and income is available only for medical care, this principal or income shall not be used to determine eligibility. To the extent that the trust is restricted to medical expenses, it shall be used as a third party resource.

This rule is intended to implement Iowa Code section 249A.4.

441—75.10(249A) Residency requirements. Residency in Iowa is a condition of eligibility for medical assistance.

75.10(1) Definitions.

a. *Institutions.* For purposes of this rule, "institution" means an "institution" or a "medical institution" as those terms are defined in 42 CFR § 435.1010 as amended to July 13, 2007. For purposes of state placement, "institution" also includes foster care homes licensed as set forth in 45 CFR § 1355.20 as amended to January 6, 2012, and providing food, shelter and supportive services to one or more persons unrelated to the proprietor.

b. *Incapable of expressing intent regarding residency.* For purposes of this rule, an individual is considered to be "incapable of indicating intent regarding residency" if the individual:

1. Has an IQ of 49 or less or has a mental age of seven or less;
2. Has been judged legally incompetent; or

3. Has been determined to be incapable of indicating intent regarding residency by a physician, psychologist or other person licensed by the state in the field of intellectual disability.

75.10(2) Determination of residency. State residency is determined according to the following criteria. If more than one criterion applies, the applicable criterion listed first determines the individual's residency:

a. Cases of disputed residency. If two or more states do not agree on an individual's state of residence, the state where the individual is physically located is the state of residence.

b. Temporary absence from state of residence. An individual who was a resident of a state pursuant to the other criteria of this rule, who is temporarily absent from that state, and who intends to return to that state when the purpose of the absence has been accomplished remains a resident of that state during the absence, unless another state has determined that the person is a resident there for Medicaid purposes.

c. Individuals placed by a state in an out-of-state institution. If any agency of a state, including an entity recognized under state law as being under contract with the state for such purposes, arranges for an individual to be placed in an institution located in another state, the state arranging or actually making the placement is considered the individual's state of residence during that placement.

(1) Any action beyond providing information to the individual and the individual's family constitutes arranging or making a placement. However, the following actions do not constitute arranging or making a placement:

1. Providing basic information to individuals about another state's Medicaid program and information about the availability of health care services and facilities in another state.

2. Assisting an individual in locating an institution in another state, provided the individual is not incapable of indicating intent regarding residency and independently decides to move.

(2) When a competent individual leaves an out-of-state institution in which the individual was placed by a state, that individual's state of residence is the state where the individual is physically located.

d. Individuals receiving a state supplementary assistance payment. Individuals who are receiving a state supplementary assistance payment pursuant to 42 U.S.C. § 1382e (including payments from Iowa pursuant to rules 441—50.1(249) through 441—54.8(249), 441—81.23(249A), 441—82.19(249A), 441—85.47(249A), or 441—177.1(249) through 441—177.11(249)) are considered to be residents of the state paying the supplementary assistance.

e. Individuals receiving Title IV-E payments. Individuals who are receiving federal foster care or adoption assistance payments for a child under Title IV-E of the Social Security Act are considered to be residents of the state where the child lives.

f. Individuals aged 21 and over who are residing in an institution and who are capable of indicating intent regarding residency. For an individual aged 21 or over who is residing in an institution and who is not incapable of indicating intent regarding residency, the state of residence is the state where the individual is living and intends to reside.

g. Individuals aged 21 and over who are residing in an institution and who became incapable of indicating intent regarding residency before the age of 21. For an individual aged 21 or over who is residing in an institution and who became incapable of indicating intent regarding residency before the age of 21, the state of residence is:

(1) That of the parent applying for Medicaid on the individual's behalf if the parents reside in separate states (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent);

(2) The parent's or legal guardian's state of residence at the time of placement (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent);

(3) The current state of residence of the parent or legal guardian who files the application if the individual is residing in an institution in that state (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent); or

(4) The state of residence of the individual or party who files an application if the individual has been abandoned by the individual's parent(s), does not have a legal guardian, and is residing in an institution in that state.

h. Individuals aged 21 and over who are residing in an institution and who became incapable of indicating intent regarding residency at or after the age of 21. For an individual aged 21 or over who is residing in an institution and who became incapable of indicating intent regarding residency at or after the age of 21, the state of residence is the state in which the individual is physically present.

i. Individuals aged 21 and over who are not residing in an institution and who are incapable of indicating intent regarding residency. For an individual aged 21 or over who is not residing in an institution and who is incapable of indicating intent regarding residency, the state of residence is the state where the individual is living.

j. Individuals aged 21 and over who are not residing in an institution and who are capable of indicating intent regarding residency. For an individual aged 21 or over who is not residing in an institution and who is not incapable of indicating intent regarding residency, the state of residence is the state where the individual is living and either:

- (1) Intends to reside, with or without a fixed address; or
- (2) Entered with a job commitment or to seek employment, whether or not currently employed.

k. Individuals under the age of 21 who are residing in an institution and who are not married or emancipated. For an individual under the age of 21 who is residing in an institution and who is neither married nor emancipated, the state of residence is:

(1) The parent's or legal guardian's state of residence at the time of placement (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent);

(2) The current state of residence of the parent or legal guardian who files the application if the individual is residing in an institution in that state (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent); or

(3) The state of residence of the individual or party who files an application if the individual has been abandoned by the individual's parent(s), does not have a legal guardian, and is residing in an institution in that state.

l. Individuals under the age of 21 who are capable of indicating intent regarding residency and who are married or emancipated. For an individual under the age of 21 who is not incapable of indicating intent regarding residency and who is married or emancipated from the individual's parent, the state of residence is determined in accordance with paragraph 75.10(2) "j."

m. Other individuals under the age of 21. For an individual under the age of 21 who is not described in paragraph 75.10(2) "k" or "l," the state of residence is:

- (1) The state where the individual resides, with or without a fixed address; or
- (2) The state of residency of the parent or caretaker, determined in accordance with paragraph 75.10(2) "j," with whom the individual resides.

This rule is intended to implement Iowa Code section 249A.3.
[ARC 1134C, IAB 10/30/13, effective 10/2/13]

441—75.11(249A) Citizenship or alienage requirements.

75.11(1) Definitions.

"Care and services necessary for the treatment of an emergency medical condition" means services provided in a hospital, clinic, office or other facility that is equipped to furnish the required care for an emergency medical condition, provided the care and services are not related to an organ transplant procedure furnished on or after August 10, 1993. Payment for emergency medical services shall be limited to the day treatment is initiated for the emergency medical condition and the following two days.

"Emergency medical condition" means a medical condition of sudden onset (including labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) that the absence of immediate medical attention could reasonably be expected to result in one or more of the following:

1. Placing the patient's health in serious jeopardy.
2. Serious impairment to bodily functions.
3. Serious dysfunction of any bodily organ or part.

“*Federal means-tested program*” means all federal programs that are means-tested with the exception of:

1. Medical assistance for care and services necessary for the treatment of an emergency medical condition not related to an organ transplant procedure furnished on or after August 10, 1993.
2. Short-term, non-cash, in-kind emergency disaster relief.
3. Assistance or benefits under the National School Lunch Act.
4. Assistance or benefits under the Child Nutrition Act of 1966.
5. Public health assistance (not including any assistance under Title XIX of the Social Security Act) for immunizations with respect to immunizable diseases and for testing and treatment of symptoms of communicable diseases whether or not the symptoms are caused by a communicable disease.
6. Payments of foster care and adoption assistance under Parts B and E of Title IV of the Social Security Act for a parent or a child who would, in the absence of numbered paragraph “1,” be eligible to have payments made on the child’s behalf under such part, but only if the foster or adoptive parent (or parents) of the child is a qualified alien (as defined in Section 431).
7. Programs, services, or assistance (such as soup kitchens, crisis counseling and intervention, and short-term shelter) specified by the attorney general of the United States in the attorney general’s sole and unreviewable discretion after consultation with appropriate federal agencies and departments, that:
 - Deliver in-kind services at the community level, including through public or private nonprofit agencies;
 - Do not condition the provision of assistance, the amount of assistance provided, or the cost of assistance provided on the individual recipient’s income or resources; and
 - Are necessary for the protection of life or safety.
8. Programs of student assistance under Titles IV, V, IX, and X of the Higher Education Act of 1965, and Titles III, VII, and VIII of the Public Health Services Act.
9. Means-tested programs under the Elementary and Secondary Education Act of 1965.
10. Benefits under the Head Start Act.
11. Benefits funded through an employment and training program of the U.S. Department of Labor.

“*Qualified alien*” means an alien:

1. Who is lawfully admitted for permanent residence in the United States under the Immigration and Nationality Act (INA);
2. Who is granted asylum in the United States under Section 208 of the INA;
3. Who is a refugee admitted to the United States under Section 207 of the INA;
4. Who is paroled into the United States under Section 212(d)(5) of the INA for a period of at least one year;
5. Whose deportation from the United States is withheld under Section 243(h) of the INA as in effect before April 1, 1997, or under Section 241(b)(3) of the INA as amended to December 20, 2010;
6. Who is granted conditional entry to the United States pursuant to Section 203(a)(7) of the INA as in effect before April 1, 1980;
7. Who is an Amerasian admitted to the United States as described in 8 U.S.C. Section 1612(b)(2)(A)(i)(V);
8. Who is a Cuban/Haitian entrant to the United States as described in 8 U.S.C. Section 1641(b)(7);
9. Who is a battered alien as described in 8 U.S.C. Section 1641(c);
10. Who is certified as a victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to December 20, 2010;
11. Who is an American Indian born in Canada to whom Section 289 of the INA applies or is a member of a federally recognized Indian Tribe as defined in 25 U.S.C. Section 450b(e); or
12. Who is under the age of 21 and is lawfully residing in the United States as allowed by 42 U.S.C. Section 1396b(v)(4)(A)(ii).

“*Qualifying quarters*” includes all of the qualifying quarters of coverage as defined under Title II of the Social Security Act worked by a parent of an alien while the alien was under age 18 and all of the qualifying quarters worked by a spouse of the alien during their marriage if the alien remains married to the spouse or the spouse is deceased. No qualifying quarter of coverage that is creditable under Title II

of the Social Security Act for any period beginning after December 31, 1996, may be credited to an alien if the parent or spouse of the alien received any federal means-tested public benefit during the period for which the qualifying quarter is so credited.

75.11(2) Citizenship and alienage.

a. To be eligible for Medicaid, a person must be one of the following:

- (1) A citizen or national of the United States.
- (2) A qualified alien residing in the United States before August 22, 1996.
- (3) A qualified alien under the age of 21.
- (4) A refugee admitted to the United States under Section 207 of the Immigration and Nationality Act (INA).
- (5) An alien who has been granted asylum under Section 208 of the INA.
- (6) An alien whose deportation is withheld under Section 243(h) or Section 241(b)(3) of the INA.
- (7) A qualified alien veteran who has an honorable discharge that is not due to alienage.
- (8) A qualified alien who is on active duty in the Armed Forces of the United States other than active duty for training.
- (9) A qualified alien who is the spouse or unmarried dependent child of a qualified alien described in subparagraph (7) or (8), including a surviving spouse who has not remarried.
- (10) A qualified alien who has resided in the United States for a period of at least five years.
- (11) An Amerasian admitted as described in 8 U.S.C. Section 1612(b)(2)(A)(i)(V).
- (12) A Cuban/Haitian entrant as described in 8 U.S.C. Section 1641(b)(7).
- (13) A certified victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to December 20, 2010.
- (14) An American Indian born in Canada to whom Section 289 of the INA applies or who is a member of a federally recognized Indian Tribe as defined in 25 U.S.C. Section 450b(e).
- (15) An Iraqi or Afghan immigrant treated as a refugee pursuant to Section 1244(g) of Public Law 110-181 as amended to December 20, 2010, or to Section 602(b)(8) of Public Law 111-8 as amended to December 20, 2010.

b. As a condition of eligibility, each member shall complete and sign Form 470-2549, Statement of Citizenship Status, attesting to the member's citizenship or alien status. When the member is incompetent or deceased, the form shall be signed by someone acting responsibly on the member's behalf. An adult shall sign the form for dependent children.

(1) As a condition of eligibility, all applicants for Medicaid shall attest to their citizenship or alien status by signing the application form which contains the same declaration.

(2) As a condition of continued eligibility, SSI-related Medicaid members not actually receiving SSI who have been continuous members since August 1, 1988, shall attest to their citizenship or alien status by signing the application form which contains a similar declaration at time of review.

(3) An attestation of citizenship or alien status completed on any one of the following forms shall meet the requirements of subrule 75.11(2) for children under the age of 19 who are otherwise eligible pursuant to 441—subrule 76.1(8):

1. Application for Food Assistance, Form 470-0306 or 470-0307 (Spanish);
2. Health and Financial Support Application, Form 470-0462 or 470-0462(S); or
3. Review/Recertification Eligibility Document, Form 470-2881, 470-2881(S), 470-2881(M), or 470-2881(MS).

c. Except as provided in paragraph "*f*," applicants or members for whom an attestation of United States citizenship has been made pursuant to paragraph "*b*" shall present satisfactory documentation of citizenship or nationality as defined in paragraph "*d*," "*e*," or "*i*." A reference to a form in paragraph "*d*" or "*e*" includes any successor form. An applicant or member shall have a reasonable period to obtain and provide required documentation of citizenship or nationality.

(1) For the purposes of this requirement, the "reasonable period" begins on the date a written request for documentation or a notice pursuant to subparagraph 75.11(2) "*i*"(2) is issued to an applicant or member, whichever is later, and continues for 90 days.

(2) Medicaid shall be approved for new applicants and continue for members not previously required to provide documentation of citizenship or nationality until the end of the reasonable period to obtain and provide required documentation of citizenship or nationality. However, the receipt of Medicaid or HAWK-I benefits pending documentation of citizenship or nationality is limited to one reasonable period of up to 90 days under either program for each individual. An applicant or member who has already received benefits during any portion of a reasonable period shall not be granted coverage for a second reasonable period except as required to protect the confidentiality of an individual who received only limited Medicaid benefits provided pursuant to subrule 75.1(41) during the first period.

(3) Retroactive eligibility pursuant to 441—subrule 76.13(3) is available only after documentation of citizenship or nationality has been provided pursuant to paragraph 75.11(2) “d,” “e,” or “i.” The retroactive months are outside the “reasonable period” during which Medicaid coverage may be provided without required documentation of citizenship or nationality.

d. Any one of the following documents shall be accepted as satisfactory documentation of citizenship or nationality:

(1) A United States passport.

(2) Form N-550 or N-570 (Certificate of Naturalization) issued by the U.S. Citizenship and Immigration Services.

(3) Form N-560 or N-561 (Certificate of United States Citizenship) issued by the U.S. Citizenship and Immigration Services.

(4) A valid state-issued driver’s license or other identity document described in Section 274A(b)(1)(D) of the United States Immigration and Nationality Act, but only if the state issuing the license or document either:

1. Requires proof of United States citizenship before issuance of the license or document; or

2. Obtains a social security number from the applicant and verifies before certification that the number is valid and is assigned to the applicant who is a citizen.

(5) Documentation issued by a federally recognized Indian Tribe showing membership or enrollment in or affiliation with that Tribe.

(6) Another document that provides proof of United States citizenship or nationality and provides a reliable means of documentation of personal identity, as the Secretary of the U.S. Department of Health and Human Services may specify by regulation pursuant to 42 U.S.C. Section 1396b(x)(3)(B)(v).

e. Satisfactory documentation of citizenship or nationality may also be demonstrated by the combination of:

(1) Any identity document described in Section 274A(b)(1)(D) of the United States Immigration and Nationality Act or any other documentation of personal identity that provides a reliable means of identification, as the secretary of the U.S. Department of Health and Human Services finds by regulation pursuant to 42 U.S.C. Section 1396b(x)(3)(D)(ii), and

(2) Any one of the following:

1. A certificate of birth in the United States.

2. Form FS-545 or Form DS-1350 (Certification of Birth Abroad) issued by the U.S. Citizenship and Immigration Services.

3. Form I-97 (United States Citizen Identification Card) issued by the U.S. Citizenship and Immigration Services.

4. Form FS-240 (Report of Birth Abroad of a Citizen of the United States) issued by the U.S. Citizenship and Immigration Services.

5. Another document that provides proof of United States citizenship or nationality, as the secretary of the U.S. Department of Health and Human Services may specify pursuant to 42 U.S.C. Section 1396b(x)(3)(C)(v).

f. A person for whom an attestation of United States citizenship has been made pursuant to paragraph “b” is not required to present documentation of citizenship or nationality for Medicaid eligibility if any of the following circumstances apply:

(1) The person is entitled to or enrolled for benefits under any part of Title XVIII of the federal Social Security Act (Medicare).

(2) The person is receiving federal social security disability insurance (SSDI) benefits under Title II of the federal Social Security Act, Section 223 or 202, based on disability (as defined in Section 223(d)).

(3) The person is receiving supplemental security income (SSI) benefits under Title XVI of the federal Social Security Act.

(4) The person is a child in foster care who is assisted by child welfare services funded under Part B of Title IV of the federal Social Security Act.

(5) The person is receiving foster care maintenance or adoption assistance payments funded under Part E of Title IV of the federal Social Security Act.

(6) The person has previously presented satisfactory documentary evidence of citizenship or nationality, as specified by the United States Secretary of Health and Human Services.

(7) The person is or was eligible for medical assistance pursuant to 42 U.S.C. Section 1396a(e)(4) as the newborn of a Medicaid-eligible mother.

(8) The person is or was eligible for medical assistance pursuant to 42 U.S.C. Section 1397ll(e) as the newborn of a mother eligible for assistance under a State Children's Health Insurance Program (SCHIP) pursuant to Title XXI of the Social Security Act.

g. If no other identity documentation allowed by subparagraph 75.11(2) "e"(1) is available, identity may be documented by affidavit as described in this paragraph. However, affidavits cannot be used to document both identity and citizenship.

(1) For children under the age of 16, identity may be documented using Form 470-4386 or 470-4386(S), Affidavit of Identity, signed by the child's parent, guardian, or caretaker relative under penalty of perjury.

(2) For disabled persons who live in a residential care facility, identity may be documented using Form 470-4386 or 470-4386(S), Affidavit of Identity, signed by a residential care facility director or administrator under penalty of perjury.

h. If no other documentation that provides proof of United States citizenship or nationality allowed by subparagraph 75.11(2) "e"(2) is available, United States citizenship or nationality may be documented using Form 470-4373 or 470-4373(S), Affidavit of Citizenship. However, affidavits cannot be used to document both identity and citizenship.

(1) Two affidavits of citizenship are required. The person who signs the affidavit must provide proof of citizenship and identity. A person who is not related to the applicant or member must sign at least one of the affidavits.

(2) When affidavits of citizenship are used, Form 470-4374 or 470-4374(S), Affidavit Concerning Documentation of Citizenship, or an equivalent affidavit explaining why other evidence of citizenship does not exist or cannot be obtained must also be submitted and must be signed by the applicant or member or by another knowledgeable person (guardian or representative).

i. In lieu of a document listed in paragraph "d" or "e," satisfactory documentation of citizenship or nationality may also be presented pursuant to this paragraph.

(1) Provision of an individual's name, social security number, and date of birth to the department shall constitute satisfactory documentation of citizenship and identity if submission of the name, social security number, and date of birth to the Social Security Administration produces a response that substantiates the individual's citizenship.

(2) If submission of the name, social security number, and date of birth to the Social Security Administration does not produce a response that substantiates the individual's citizenship, the department shall issue a written notice to the applicant or member giving the applicant or member 90 days to correct any errors in the name, social security number, or date of birth submitted, to correct any errors in the Social Security Administration's records, or to provide other documentation of citizenship or nationality pursuant to paragraph "d" or "e."

75.11(3) Deeming of sponsor's income and resources.

a. When an alien admitted for lawful permanent residence is sponsored by a person who executed an affidavit of support as described in 8 U.S.C. Section 1631(a)(1) on behalf of the alien, the income

and resources of the alien shall be deemed to include the income and resources of the sponsor (and of the sponsor's spouse if living with the sponsor). The amount deemed to the sponsored alien shall be the total gross countable income and resources of the sponsor and the sponsor's spouse for the FMAP-related or SSI-related coverage group applicable to the sponsored alien's household as described in 441—75.13(249A) less the following deductions:

(1) For FMAP-related coverage groups: The same income deductions, diversions, and disregards allowed for stepparent cases as described at 75.57(8) "b" and a \$1,500 resource deduction.

(2) For SSI-related coverage groups: The deductions described at 20 CFR 416.1166a and 416.1204, as amended to April 1, 2010.

b. An indigent alien is exempt from the deeming of a sponsor's income and resources for 12 months after indigence is determined. An alien shall be considered indigent if the following are true:

(1) The alien does not live with the sponsor; and

(2) The alien's gross income, including any income actually received from or made available by the sponsor, is less than 100 percent of the federal poverty level for the sponsored alien's household size.

c. A battered alien as described in 8 U.S.C. Section 1641(c) is exempt from the deeming of a sponsor's income and resources for 12 months.

d. Deeming of the sponsor's income and resources does not apply when:

(1) The sponsored alien attains citizenship through naturalization pursuant to Chapter 2 of Title II of the Immigration and Nationality Act.

(2) The sponsored alien has earned 40 qualifying quarters of coverage as defined in Title II of the Social Security Act or can be credited with 40 qualifying quarters as defined at subrule 75.11(1).

(3) The sponsored alien or the sponsor dies.

(4) The sponsored alien is a child under age 21.

(5) For SSI-related Medicaid, the sponsored alien becomes blind or disabled as defined under Title XVI of the Social Security Act after admission to the United States as a lawful permanent resident.

(6) For SSI-related Medicaid, three years after the date the sponsored alien was admitted to the United States as a lawful permanent resident.

75.11(4) Eligibility for payment of emergency medical services. Aliens who do not meet the provisions of subrule 75.11(2) and who would otherwise qualify except for their alien status are eligible to receive Medicaid for care and services necessary for the treatment of an emergency medical condition as defined in subrule 75.11(1). To qualify for payment under this provision:

a. The alien must meet all other eligibility criteria, including state residence requirements provided at rules 441—75.10(249A) and 441—75.53(249A), with the exception of rule 441—75.7(249A) and subrules 75.11(2) and 75.11(3).

b. The medical provider who treated the emergency medical condition or the provider's designee must submit verification of the existence of the emergency medical condition on either:

(1) Form 470-4299, Verification of Emergency Health Care Services; or

(2) A signed statement that contains the same information as requested by Form 470-4299.

This rule is intended to implement Iowa Code section 249A.3.

[ARC 7932B, IAB 7/1/09, effective 7/1/09; ARC 8096B, IAB 9/9/09, effective 10/14/09; ARC 8642B, IAB 4/7/10, effective 6/1/10; ARC 8786B, IAB 6/2/10, effective 6/1/10; ARC 9439B, IAB 4/6/11, effective 6/1/11; ARC 3353C, IAB 10/11/17, effective 10/1/17; ARC 3549C, IAB 1/3/18, effective 2/7/18]

441—75.12(249A) Inmates of public institutions. A person is not eligible for medical assistance for any care or services received while the person is an inmate of a public institution. For the purpose of this rule, "inmate of a public institution" and "public institution" are defined by 42 CFR Section 435.1010 as amended to August 25, 2011.

75.12(1) Suspension. Medical assistance shall be suspended, rather than canceled, for the first 12 continuous calendar months that a person is an inmate of a public institution if all of the following conditions are met:

a. The department is notified of the person's entry into the public institution through either:

(1) A monthly report which is provided to the department by the public institution and includes the person's name, date of birth, and social security number and the date the person entered the institution; or

(2) Other verified notice received by the department.

b. The person has entered a public institution on or after January 1, 2012, and has been in the public institution for 30 days or more.

c. On the date of entry into the public institution, the person was a Medicaid member.

d. The person is eligible for medical assistance as an individual except for institutional status.

75.12(2) Coverage during suspension. While medical assistance is suspended, payment will be made only for services received while the person is not an inmate of a public institution.

75.12(3) Reinstatement. The Medicaid case for an inmate who is released from a public institution while Medicaid is suspended will be reopened without an application if both of the following conditions are met:

a. The department is notified of the person's release from the public institution through either:

(1) A monthly report which is provided to the department by the public institution and includes the person's name, date of birth, and social security number and the date the person was released from the institution; or

(2) Other verified notice received by the department.

b. All information available to the department indicates that the person is currently eligible for Iowa Medicaid as an individual.

This rule is intended to implement Iowa Code section 249A.3 and 2011 Iowa Acts, Senate File 482, division IX.

[ARC 9957B, IAB 1/11/12, effective 1/1/12]

441—75.13(249A) Categorical relatedness.

75.13(1) FMAP-related Medicaid eligibility. Medicaid eligibility for persons who are under the age of 21, pregnant women, or specified relatives of dependent children who are not blind or disabled shall be determined using the income criteria in effect for the family medical assistance program (FMAP) as provided in subrule 75.1(14) unless otherwise specified. Income shall be considered prospectively.

75.13(2) SSI-related Medicaid. Except as otherwise provided in 441—Chapters 75 and 76, persons who are 65 years of age or older, blind, or disabled are eligible for Medicaid only if eligible for the Supplemental Security Income (SSI) program administered by the United States Social Security Administration.

a. SSI policy reference. The statutes, regulations, and policy governing eligibility for SSI are found in Title XVI of the Social Security Act (42 U.S.C. Sections 1381 to 1383f), in the federal regulations promulgated pursuant to Title XVI (20 CFR 416.101 to 416.2227), and in Part 5 of the Program Operations Manual System published by the United States Social Security Administration. The Program Operations Manual System is available at Social Security Administration offices in Ames, Burlington, Carroll, Cedar Rapids, Clinton, Council Bluffs, Creston, Davenport, Decorah, Des Moines, Dubuque, Fort Dodge, Iowa City, Marshalltown, Mason City, Oskaloosa, Ottumwa, Sioux City, Spencer, Storm Lake, and Waterloo, or through the Department of Human Services, Division of Financial, Health, and Work Supports, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114.

b. Income considered. For SSI-related Medicaid eligibility purposes, income shall be considered prospectively.

c. Trust contributions. Income that a person contributes to a trust as specified at 75.24(3)“b” shall not be considered for purposes of determining eligibility for SSI-related Medicaid.

d. Conditional eligibility. For purposes of determining eligibility for SSI-related Medicaid, the SSI conditional eligibility process, by which a client may receive SSI benefits while attempting to sell excess resources, found at 20 CFR 416.1240 to 416.1245, is not considered an eligibility methodology.

e. Valuation of life estates and remainder interests. In the absence of other evidence, the value of a life estate or remainder interest in property shall be determined using the following table by

multiplying the fair market value of the entire underlying property (including all life estates and all remainder interests) by the life estate or remainder interest decimal corresponding to the age of the life estate holder or other person whose life controls the life estate.

If a Medicaid applicant or recipient disputes the value determined using the following table, the applicant or recipient may submit other evidence and the value of the life estate or remainder interest shall be determined based on the preponderance of all the evidence submitted to or obtained by the department, including the value given by the following table.

Age	Life Estate	Remainder	Age	Life Estate	Remainder	Age	Life Estate	Remainder

75.13(3) *Resource eligibility for SSI-related Medicaid for children.* Resources of all household members shall be disregarded when determining eligibility for children under any SSI-related coverage group except for those groups at subrules 75.1(3), 75.1(4), 75.1(6), 75.1(9), 75.1(10), 75.1(12), 75.1(13), 75.1(23), 75.1(25), 75.1(29), 75.1(33), 75.1(34), 75.1(36), 75.1(37), and 75.1(38).

This rule is intended to implement Iowa Code section 249A.3.

441—75.14(249A) Establishing paternity and obtaining support.

75.14(1) As a condition of eligibility, adult Medicaid applicants and members in households with an absent parent shall cooperate in obtaining medical support for themselves and for any other person in the household for whom Medicaid is requested and for whom the applicant or member can legally assign rights for medical support, except when the applicant or member has good cause for refusal to cooperate as defined in subrule 75.14(8).

a. The adult applicant or member shall cooperate in the following:

- (1) Identifying and locating the parent of the child for whom Medicaid is requested.
- (2) Establishing the paternity of a child born out of wedlock for whom Medicaid is requested.
- (3) Obtaining medical support and payments for medical care for the applicant or member and for a child for whom Medicaid is requested.
- (4) Rescinded IAB 2/3/93, effective 4/1/93.

b. Cooperation is defined as including the following actions by the adult applicant or member upon request:

(1) Appearing at the income maintenance unit or the child support recovery unit to provide verbal or written information or documentary evidence known to, possessed by or reasonably obtainable by the applicant or member that is relevant to achieving the objectives of the child support recovery program.

(2) Appearing as a witness at judicial or other hearings or proceedings.

(3) Providing information, or attesting to the lack of information, under penalty of perjury.

c. Upon request, the adult applicant or member shall cooperate with the department in supplying information with respect to the absent parent, the receipt of medical support or payments for medical care, and the establishment of paternity, to the extent necessary to establish eligibility for assistance and permit an appropriate referral to the child support recovery unit.

d. Upon request, the adult applicant or member shall cooperate with the child support recovery unit to the extent of supplying all known information and documents pertaining to the location of the absent parent and taking action as may be necessary to secure medical support and payments for medical care or to establish paternity. This includes completing and signing documents determined to be necessary by the state's attorney for any relevant judicial or administrative process.

e. The child support recovery unit shall make the determination of whether or not the adult applicant or member has cooperated for the purposes of this rule.

75.14(2) Failure of an adult applicant or member to cooperate shall result in denial or cancellation of the noncooperating adult's Medicaid benefits. In family medical assistance program (FMAP)-related Medicaid cases, all deductions and disregards described at paragraphs 75.57(2) "a," "b," and "c" shall be allowed when otherwise applicable.

75.14(3) Each Medicaid applicant or member who is required to cooperate with the child support recovery unit shall have the opportunity to claim good cause for refusing to cooperate in establishing paternity or securing medical support and payments for medical care. The provisions set forth in subrules 75.14(8) to 75.14(12) shall be used when making a determination of the existence of good cause.

75.14(4) Each Medicaid applicant or member shall assign to the department any rights to medical support and payments for medical care from any other person for which the person can legally make assignment. This shall include rights to medical support and payments for medical care on the applicant's or member's own behalf or on behalf of any other family member for whom the applicant or member is applying. An assignment is effective the same date the eligibility information is entered into the automated benefit calculation system and is effective for the entire period for which eligibility is granted. Support payments not intended for medical support shall not be assigned to the department.

75.14(5) Rescinded IAB 6/2/10, effective 8/1/10.

75.14(6) Pregnant women establishing eligibility under the mothers and children (MAC) coverage group as provided at subrule 75.1(28) shall be exempt from the provisions in this rule for any born child for whom the pregnant woman applies for or receives Medicaid. Additionally, any previously pregnant woman eligible for postpartum coverage under the provision of subrule 75.1(24) shall not be subject to the provisions in this rule until after the end of the month in which the 60-day postpartum period expires. Pregnant women establishing eligibility under any other coverage groups except those set forth in subrule 75.1(24) or 75.1(28) shall be subject to the provisions in this rule when establishing eligibility for born children. However, when a pregnant woman who is subject to these provisions fails to cooperate, the woman shall lose eligibility under her current coverage group and her eligibility for Medicaid shall be automatically redetermined under subrule 75.1(28).

75.14(7) Notwithstanding subrule 75.14(6), any pregnant woman or previously pregnant woman establishing eligibility under subrule 75.1(28) or 75.1(24) shall not be exempt from the provisions of 75.14(4) that require an adult applicant or member to assign any rights to medical support and payments for medical care.

75.14(8) Good cause for refusal to cooperate. Good cause shall exist when it is determined that cooperation in establishing paternity and securing support is against the best interests of the child.

a. The income maintenance unit shall determine that cooperation is against the child's best interest when the applicant's or member's cooperation in establishing paternity or securing support is reasonably anticipated to result in:

- (1) Physical or emotional harm to the child for whom support is to be sought; or
- (2) Physical or emotional harm to the parent or specified relative with whom the child is living which reduces the person's capacity to care for the child adequately.
- (3) Physical harm to the parent or specified relative with whom the child is living which reduces the person's capacity to care for the child adequately; or
- (4) Emotional harm to the parent or specified relative with whom the child is living of a nature or degree that it reduces the person's capacity to care for the child adequately.

b. The income maintenance unit shall determine that cooperation is against the child's best interest when at least one of the following circumstances exists, and the income maintenance unit believes that because of the existence of that circumstance, in the particular case, proceeding to establish paternity or secure support would be detrimental to the child for whom support would be sought.

- (1) The child was conceived as the result of incest or forcible rape.
- (2) Legal proceedings for the adoption of the child are pending before a court of competent jurisdiction.
- (3) The applicant or member is currently being assisted by a public or licensed private social agency to resolve the issue of whether to keep the child or relinquish the child for adoption, and the discussions have not gone on for more than three months.

c. Physical harm and emotional harm shall be of a serious nature in order to justify a finding of good cause. A finding of good cause for emotional harm shall be based only upon a demonstration of an emotional impairment that substantially affects the individual's functioning.

d. When the good cause determination is based in whole or in part upon the anticipation of emotional harm to the child, the parent, or the specified relative, the following shall be considered:

- (1) The present emotional state of the individual subject to emotional harm.
- (2) The emotional health history of the individual subject to emotional harm.
- (3) Intensity and probable duration of the emotional impairment.
- (4) The degree of cooperation required.
- (5) The extent of involvement of the child in the paternity establishment or support enforcement activity to be undertaken.

75.14(9) Claiming good cause. Each Medicaid applicant or member who is required to cooperate with the child support recovery unit shall have the opportunity to claim good cause for refusing to cooperate in establishing paternity or securing support payments.

a. Before requiring cooperation, the department shall notify the applicant or member using Form 470-0169 or 470-0169(S), Requirements of Support Enforcement, of the right to claim good cause as

an exception to the cooperation requirement and of all the requirements applicable to a good cause determination.

b. The initial notice advising of the right to refuse to cooperate for good cause shall:

(1) Advise the applicant or member of the potential benefits the child may derive from the establishment of paternity and securing support.

(2) Advise the applicant or member that by law cooperation in establishing paternity and securing support is a condition of eligibility for the Medicaid program.

(3) Advise the applicant or member of the sanctions provided for refusal to cooperate without good cause.

(4) Advise the applicant or member that good cause for refusal to cooperate may be claimed and that if the income maintenance unit determines, in accordance with these rules, that there is good cause, the applicant or member will be excused from the cooperation requirement.

(5) Advise the applicant or member that upon request, or following a claim of good cause, the income maintenance unit will provide further notice with additional details concerning good cause.

c. When the applicant or member makes a claim of good cause or requests additional information regarding the right to file a claim of good cause, the income maintenance unit shall issue a second notice, Form 470-0170, Requirements of Claiming Good Cause. To claim good cause, the applicant or member shall sign and date Form 470-0170 and return it to the income maintenance unit. This form:

(1) Indicates that the applicant or member must provide corroborative evidence of good cause circumstance and must, when requested, furnish sufficient information to permit the county office to investigate the circumstances.

(2) Informs the applicant or member that, upon request, the income maintenance unit will provide reasonable assistance in obtaining the corroborative evidence.

(3) Informs the applicant or member that on the basis of the corroborative evidence supplied and the agency's investigation when necessary, the income maintenance unit shall determine whether cooperation would be against the best interests of the child for whom support would be sought.

(4) Lists the circumstances under which cooperation may be determined to be against the best interests of the child.

(5) Informs the applicant or member that the child support recovery unit may review the income maintenance unit's findings and basis for a good cause determination and may participate in any hearings concerning the issue of good cause.

(6) Informs the applicant or member that the child support recovery unit may attempt to establish paternity and collect support in those cases where the income maintenance unit determines that this can be done without risk to the applicant or member if done without the applicant's or member's participation.

d. The applicant or member who refuses to cooperate and who claims to have good cause for refusing to cooperate has the burden of establishing the existence of a good cause circumstance. Failure to meet these requirements shall constitute a sufficient basis for the income maintenance unit to determine that good cause does not exist. The applicant or member shall:

(1) Specify the circumstances that the applicant or member believes provide sufficient good cause for not cooperating.

(2) Corroborate the good cause circumstances.

(3) When requested, provide sufficient information to permit an investigation.

75.14(10) Determination of good cause. The income maintenance unit shall determine whether good cause exists for each Medicaid applicant or member who claims to have good cause.

a. The income maintenance unit shall notify the applicant or member of its determination that good cause does or does not exist. The determination shall:

(1) Be in writing.

(2) Contain the income maintenance unit's findings and basis for determination.

(3) Be entered in the case record.

b. The determination of whether or not good cause exists shall be made within 45 days from the day the good cause claim is made. The income maintenance unit may exceed this time standard only when:

(1) The case record documents that the income maintenance unit needs additional time because the information required to verify the claim cannot be obtained within the time standard, or

(2) The case record documents that the claimant did not provide corroborative evidence within the time period set forth in subrule 75.14(11).

c. When the income maintenance unit determines that good cause does not exist:

(1) The applicant or member shall be so notified and be afforded an opportunity to cooperate, withdraw the application for assistance, or have the case closed; and

(2) Continued refusal to cooperate will result in the loss of Medicaid for the person who refuses to cooperate.

d. The income maintenance unit shall make a good cause determination based on the corroborative evidence supplied by the applicant or member only after the income maintenance unit has examined the evidence and found that it actually verifies the good cause claim.

e. Before making a final determination of good cause for refusing to cooperate, the income maintenance unit shall:

(1) Afford the child support recovery unit the opportunity to review and comment on the findings and basis for the proposed determination, and

(2) Consider any recommendation from the child support recovery unit.

f. The child support recovery unit may participate in any appeal hearing that results from an applicant's or member's appeal of an agency action with respect to a decision on a claim of good cause.

g. Assistance shall not be denied, delayed, or discontinued pending a determination of good cause for refusal to cooperate when the applicant or member has specified the circumstances under which good cause can be claimed and provided the corroborative evidence and any additional information needed to establish good cause.

h. The income maintenance unit shall:

(1) Periodically, but not less frequently than every six months, review those cases in which the agency has determined that good cause exists based on a circumstance that is subject to change.

(2) When it determines that circumstances have changed so that good cause no longer exists, rescind its findings and proceed to enforce the requirements pertaining to cooperation in establishing paternity and securing support.

75.14(11) Proof of good cause. The applicant or member who claims good cause shall provide corroborative evidence within 20 days from the day the claim was made. In exceptional cases where the income maintenance unit determines that the applicant or member requires additional time because of the difficulty in obtaining the corroborative evidence, the income maintenance unit shall allow a reasonable additional period upon approval by the worker's immediate supervisor.

a. A good cause claim may be corroborated with the following types of evidence:

(1) Birth certificates or medical or law enforcement records which indicate that the child was conceived as the result of incest or forcible rape.

(2) Court documents or other records which indicate that legal proceedings for adoption are pending before a court of competent jurisdiction.

(3) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records which indicate that the putative father or absent parent might inflict physical or emotional harm on the child or specified relative.

(4) Medical records which indicate emotional health history and present emotional health status of the specified relative or the children for whom support would be sought; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the specified relative or the child for whom support would be sought.

(5) A written statement from a public or licensed private social agency that the applicant or member is being assisted by the agency to resolve the issue of whether to keep the child or relinquish the child for adoption.

(6) Sworn statements from individuals other than the applicant or member with knowledge of the circumstances which provide the basis for the good cause claim.

b. When, after examining the corroborative evidence submitted by the applicant or member, the income maintenance unit wishes to request additional corroborative evidence which is needed to permit a good cause determination, the income maintenance unit shall:

- (1) Promptly notify the applicant or member that additional corroborative evidence is needed, and
- (2) Specify the type of document which is needed.

c. When the applicant or member requests assistance in securing evidence, the income maintenance unit shall:

- (1) Advise the applicant or member how to obtain the necessary documents, and
- (2) Make a reasonable effort to obtain any specific documents which the applicant or member is not reasonably able to obtain without assistance.

d. When a claim is based on the applicant's or member's anticipation of physical harm and corroborative evidence is not submitted in support of the claim:

(1) The income maintenance unit shall investigate the good cause claim when the office believes that the claim is credible without corroborative evidence and corroborative evidence is not available.

(2) Good cause shall be found when the claimant's statement and investigation which is conducted satisfies the county office that the applicant or member has good cause for refusing to cooperate.

(3) A determination that good cause exists shall be reviewed and approved or disapproved by the worker's immediate supervisor and the findings shall be recorded in the case record.

e. The income maintenance unit may further verify the good cause claim when the applicant's or member's statement of the claim together with the corroborative evidence do not provide sufficient basis for making a determination. When the income maintenance unit determines that it is necessary, the unit may conduct an investigation of good cause claims to determine that good cause does or does not exist.

f. When it conducts an investigation of a good cause claim, the income maintenance unit shall:

(1) Contact the absent parent or putative father from whom support would be sought when the contact is determined to be necessary to establish the good cause claim.

(2) Before making the necessary contact, notify the applicant or member so the applicant or member may present additional corroborative evidence or information so that contact with the parent or putative father becomes unnecessary, withdraw the application for assistance or have the case closed, or have the good cause claim denied.

75.14(12) Enforcement without specified relative's cooperation. When the income maintenance unit makes a determination that good cause exists, the unit shall also make a determination of whether or not child support enforcement can proceed without risk of harm to the child or specified relative when the enforcement or collection activities do not involve their participation.

a. The child support recovery unit shall have an opportunity to review and comment on the findings and basis for the proposed determination and the income maintenance unit shall consider any recommendations from the child support recovery unit.

b. The determination shall be in writing, contain the income maintenance unit's findings and basis for the determination, and be entered into the case record.

c. When the income maintenance unit excuses cooperation but determines that the child support recovery unit may proceed to establish paternity or enforce support, the income maintenance unit shall notify the applicant or member to enable the individual to withdraw the application for assistance or have the case closed.

This rule is intended to implement Iowa Code sections 249A.3 and 249A.4.
[ARC 8785B, IAB 6/2/10, effective 8/1/10]

441—75.15(249A) Disqualification for long-term care assistance due to substantial home equity. Notwithstanding any other provision of this chapter, if an individual's equity interest in the individual's home exceeds \$500,000, the individual shall not be eligible for medical assistance with respect to nursing facility services or other long-term care services except as provided in 75.15(2). This provision is effective for all applications or requests for payment of long-term care services filed on or after January 1, 2006.

75.15(1) The limit on the equity interest in the individual's home for purposes of this rule shall be increased from year to year, beginning with 2011, based on the percentage increase in the consumer price index for all urban consumers (all items; United States city average), rounded to the nearest \$1,000.

75.15(2) Disqualification based on equity interest in the individual's home shall not apply when one of the following persons is lawfully residing in the home:

- a. The individual's spouse; or
- b. The individual's child who is under age 21 or is blind or disabled as defined in Section 1614 of the federal Social Security Act.

This rule is intended to implement Iowa Code section 249A.4.

441—75.16(249A) Client participation in payment for medical institution care. Medicaid clients are required to participate in the cost of medical institution care. However, no client participation is charged when the combination of Medicare payments and the Medicaid benefits available to qualified Medicare beneficiaries covers the cost of institutional care.

75.16(1) *Income considered in determining client participation.* The department determines the amount of client participation based on the client's total monthly income, with the following exceptions:

a. *FMAP-related clients.* The income of a client and family whose eligibility is FMAP-related is not available for client participation when both of the following conditions exist:

- (1) The client has a parent or child at home.
- (2) The family's income is considered together in determining eligibility.

b. *SSI-related clients who are employed.* If a client receives SSI and is substantially gainfully employed, as determined by the Social Security Administration, the client shall have the SSI and any mandatory state supplementary assistance payment exempt from client participation for the two full months after entry to a medical institution.

c. *SSI-related clients returning home within three months.* If the Social Security Administration continues a client's SSI or federally administered state supplementary assistance payments for three months because it is expected that the client will return home within three months, these payments shall be exempt from client participation.

d. *Married couples.*

(1) Institutionalized spouse and community spouse. If there is a community spouse, only the institutionalized person's income shall be considered in determining client participation.

(2) Both spouses institutionalized. Client participation for each partner in a marriage shall be based on one-half of the couple's combined income when the partners are considered together for eligibility. Client participation for each partner who is considered individually for eligibility shall be determined individually from each person's income.

(3) Rescinded, IAB 7/11/90, effective 7/1/90.

e. *State supplementary assistance recipients.* The amount of client participation that a client paid under the state supplementary assistance program is not available for Medicaid client participation in the month of the client's entry to a medical institution.

f. *Foster care recipients.* The amount of income paid for foster care for the days that a child is in foster care in the same month as entry to a medical institution is not available for client participation.

g. *Clients receiving a VA pension.* The amount of \$90 of veteran's pension income shall be exempt from client participation if the client is a veteran or a surviving spouse of a veteran who:

- (1) Receives a reduced pension pursuant to 38 U.S.C. Section 5503(d)(2), or
- (2) Resides at the Iowa Veterans Home and does not have a spouse or minor child.

75.16(2) *Allowable deductions from income.* In determining the amount of client participation, the department allows the following deductions from the client's income, taken in the order they appear:

a. *Ongoing personal needs allowance.* All clients shall retain \$50 of their monthly income for a personal needs allowance. (See rules 441—81.23(249A), 441—82.19(249A), and 441—85.47(249A) regarding potential state-funded personal needs supplements.)

(1) If the client has a trust described in Section 1917(d)(4) of the Social Security Act (including medical assistance income trusts and special needs trusts), a reasonable amount paid or set aside for

necessary expenses of the trust is added to the personal needs allowance. This amount shall not exceed \$10 per month except with court approval.

(2) If the client has earned income, an additional \$65 is added to the ongoing personal needs allowance from the earned income only.

(3) Rescinded IAB 7/4/07, effective 7/1/07.

b. Personal needs in the month of entry.

(1) Single person. A single person shall be given an allowance for stated home living expenses during the month of entry, up to the amount of the SSI benefit for a single person.

(2) Spouses entering institutions together and living together. Partners in a marriage who enter a medical institution in the same month and live in the same room shall be given an allowance for stated home living expenses during the month of entry, up to the amount of the SSI benefit for a couple.

(3) Spouses entering an institution together but living apart. Partners in a marriage who enter a medical institution during the same month and who are considered separately for eligibility shall each be given an allowance for stated home living expenses during the month of entry, up to one-half of the amount of the SSI benefit for a married couple. However, if the income of one spouse is less than one-half of the SSI benefit for a couple, the remainder of the allowance shall be given to the other spouse. If the couple's eligibility is determined together, an allowance for stated home living expenses shall be given to them during the month of entry up to the SSI benefit for a married couple.

(4) Community spouse enters a medical institution. When the second member of a married couple enters a medical institution in a later month, that spouse shall be given an allowance for stated expenses during the month of entry, up to the amount of the SSI benefit for one person.

c. Personal needs in the month of discharge. The client shall be allowed a deduction for home living expenses in the month of discharge. The amount of the deduction shall be the SSI benefit for one person (or for a couple, if both members are discharged in the same month). This deduction does not apply when a spouse is at home.

d. Maintenance needs of spouse and other dependents.

(1) Persons covered. An ongoing allowance shall be given for the maintenance needs of a community spouse. The allowance is limited to the extent that income of the institutionalized spouse is made available to or for the benefit of the community spouse. If there are minor or dependent children, dependent parents, or dependent siblings of either spouse who live with the community spouse, an ongoing allowance shall also be given to meet their needs.

(2) Income considered. The verified gross income of the spouse and dependents shall be considered in determining maintenance needs. The gross income of the spouse and dependent shall include all monthly earned and unearned income and assistance from the family investment program (FIP), supplemental security income (SSI), and state supplementary assistance (SSA). It shall also include the proceeds of any annuity or contract for sale of real property. Otherwise, the income shall be considered as the SSI program considers income. In addition, the spouse and dependents shall be required to apply for every income benefit for which they are eligible except that they shall not be required to accept SSI, FIP or SSA in lieu of the maintenance needs allowance. Failure to apply for all benefits shall mean reduction of the maintenance needs allowance by the amount of the anticipated income from the source not applied for.

(3) Needs of spouse. The maintenance needs of the spouse shall be determined by subtracting the spouse's gross income from the maximum amount allowed as a minimum monthly maintenance needs allowance for the community spouse by Section 1924(d)(3)(C) of the Social Security Act (42 U.S.C. § 1396r-5(d)(3)(C)). (This amount is indexed for inflation annually according to the consumer price index.)

However, if either spouse has established through the appeal process that the community spouse needs income above the minimum monthly maintenance needs allowance, due to exceptional circumstances resulting in significant financial duress, an amount adequate to provide additional income as is necessary shall be substituted.

Also, if a court has entered an order against an institutionalized spouse for monthly income to support the community spouse, then the community spouse income allowance shall not be less than this amount.

(4) Needs of other dependents. The maintenance needs of the other dependents shall be established by subtracting each person's gross income from 133 percent of the monthly federal poverty level for a family of two and dividing the result by three. (Effective July 1, 1992, the percent shall be 150 percent.)

e. Maintenance needs of children (without spouse). When the client has children under 21 at home, an ongoing allowance shall be given to meet the children's maintenance needs.

The income of the children is considered in determining maintenance needs. The children's countable income shall be their gross income less the disregards allowed in the FIP program.

The children's maintenance needs shall be determined by subtracting the children's countable income from the FIP payment standard for that number of children. (However, if the children receive FIP, no deduction is allowed for their maintenance needs.)

f. Client's medical expenses. A deduction shall be allowed for the client's incurred expenses for medical or remedial care that are not subject to payment by a third party and were not incurred for long-term care services during the imposition of a transfer of assets penalty period pursuant to rule 441—75.23(249A). This includes Medicare premiums and other health insurance premiums, deductibles or coinsurance, and necessary medical or remedial care recognized under state law but not covered under the state Medicaid plan.

This rule is intended to implement Iowa Code sections 249A.3 and 249A.4.
[ARC 8444B, IAB 1/13/10, effective 3/1/10]

441—75.17(249A) Verification of pregnancy. For the purpose of establishing Medicaid eligibility for pregnant women under this chapter, the applicant's self-declaration of the pregnancy and the date of conception shall serve as verification of pregnancy, unless questionable.

75.17(1) Multiple pregnancy. If the pregnant woman claims to be carrying more than one fetus, a medical professional who has examined the woman must verify the number of fetuses in order for more than one to be considered in the household size.

75.17(2) Cost of examination. When an examination is required and other medical resources are not available to meet the expense of the examination, the provider shall be authorized to make the examination and submit the claim for payment.

This rule is intended to implement Iowa Code section 249A.3.

441—75.18(249A) Continuous eligibility for pregnant women. A pregnant woman who applies for Medicaid prior to the end of her pregnancy and subsequently establishes initial Medicaid eligibility under the provisions of this chapter shall remain continuously eligible throughout the pregnancy and the 60-day postpartum period, as provided in subrule 75.1(24), regardless of any changes in family income.

This rule is intended to implement Iowa Code section 249A.3.

441—75.19(249A) Continuous eligibility for children. A child under the age of 19 who is determined eligible for ongoing Medicaid shall retain that eligibility for up to 12 months regardless of changes in family circumstances except as described in this rule.

75.19(1) Exceptions to coverage. This rule does not apply to the following children:

a. Children whose eligibility was determined under the newborn coverage group described at subrule 75.1(20).

b. Children whose eligibility was determined under the medically needy coverage group described at subrule 75.1(35).

c. Children whose medical assistance is state-funded only.

d. Children whose citizenship is not verified within the "reasonable period" described at paragraph 75.11(2)"c."

e. Children who are eligible only in a retroactive month.

75.19(2) Duration of coverage. Coverage under this rule shall extend through the earliest of the following months:

a. The month of the household's annual eligibility review;

b. The month when the child reaches the age of 19; or

c. The month when the child moves out of Iowa.

75.19(3) *Assignment of review date.* Children entering an existing Medicaid household shall be assigned the same annual eligibility review date as that established for the household.

This rule is intended to implement Iowa Code Supplement section 249A.3 as amended by 2008 Iowa Acts, House File 2539.

[ARC 8786B, IAB 6/2/10, effective 6/1/10; ARC 3353C, IAB 10/11/17, effective 10/1/17; ARC 3549C, IAB 1/3/18, effective 2/7/18]

441—75.20(249A) Disability requirements for SSI-related Medicaid.

75.20(1) *Applicants receiving federal benefits.* An applicant receiving supplemental security income on the basis of disability, social security disability benefits under Title II of the Social Security Act, or railroad retirement benefits based on the Social Security law definition of disability by the Railroad Retirement Board, shall be deemed disabled without further determination of disability.

75.20(2) *Applicants not receiving federal benefits.* When disability has not been established based on the receipt of social security disability or railroad retirement benefits based on the same disability criteria as used by the Social Security Administration, the department shall determine eligibility for SSI-related Medicaid based on disability as follows:

a. A Social Security Administration (SSA) disability determination under either a social security disability (Title II) application or a supplemental security income application is binding on the department until changed by SSA unless the applicant meets one of the following criteria:

(1) The applicant alleges a disabling condition different from, or in addition to, that considered by SSA in making its determination.

(2) The applicant alleges more than 12 months after the most recent SSA determination denying disability that the applicant's condition has changed or deteriorated since that SSA determination and alleges a new period of disability which meets the durational requirements, and has not applied to SSA for a determination with respect to these allegations.

(3) The applicant alleges less than 12 months after the most recent SSA determination denying disability that the applicant's condition has changed or deteriorated since that SSA determination, alleges a new period of disability which meets the durational requirements, and:

1. The applicant has applied to SSA for reconsideration or reopening of its disability decision and SSA refused to consider the new allegations, or

2. The applicant no longer meets the nondisability requirements for SSI but may meet the department's nondisability requirements for Medicaid eligibility.

b. When there is no binding SSA decision and the department is required to establish eligibility for SSI-related Medicaid based on disability, initial determinations shall be made by disability determination services, a bureau of the Iowa department of education under the division of vocational rehabilitation services. The applicant or the applicant's authorized representative shall complete and submit Form 470-4459 or 470-4459(S), Authorization to Disclose Information to the Department of Human Services, and either:

(1) Form 470-2465, Disability Report for Adults, if the applicant is aged 18 or over; or

(2) Form 470-3912, Disability Report for Children, if the applicant is under the age of 18.

c. When an SSA decision on disability is pending when the person applies for Medicaid or when the person applies for either Title II benefits or SSI within ten working days of the Medicaid application, the department shall stay a decision on disability pending the SSA decision on disability.

75.20(3) *Time frames for decisions.* Determination of eligibility based on disability shall be completed within 90 days unless the applicant or an examining physician delays or fails to take a required action, or there is an administrative or other emergency beyond the department's or applicant's control.

75.20(4) *Reviews of disability.* In connection with any independent determination of disability, the department will determine whether reexamination of the member's disability will be required for periodic eligibility reviews. When a disability review is required, the member or the member's authorized representative shall complete and submit the same forms as required in paragraph 75.20(2) "b."

75.20(5) *Members whose disability was determined by the department.* When a Medicaid member has been approved for Medicaid based on disability determined by the department and later is determined by SSA not to be disabled for SSI, the member shall continue to be considered disabled for Medicaid eligibility purposes for 65 days from the date of the SSA denial. If at the end of the 65 days there is no appeal to the SSA, Medicaid shall be canceled with timely notice. If there is an appeal within 65 days, the member shall continue to be considered disabled for Medicaid eligibility purposes until a final SSA decision.

75.20(6) *Disability redeterminations for members who attain age 18.* If a member is eligible based on an independent determination of disability made under the standards applicable to persons under 18 years of age, the department shall redetermine the member's disability after the member attains the age of 18 years. The member's disability shall be redetermined:

- a. Using the standards applicable to persons who are 18 years of age or older, and
- b. Regardless of whether a review of the member's disability would otherwise be due.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 9044B, IAB 9/8/10, effective 11/1/10]

441—75.21(249A) Health insurance premium payment (HIPP) program. Under the HIPP program, the department shall pay for the cost of premiums, coinsurance, copayments, and deductibles for Medicaid-eligible individuals when the department determines that those costs will be less than the cost of paying for the individual's care through Medicaid including managed care capitation fees. Payment shall include only the cost to the Medicaid-eligible individual or household.

75.21(1) Definitions.

"Absent parent" means a noncustodial parent, or a parent who is not living with the member.

"Authorized representative" means an individual or organization authorized by a competent applicant or member, authorized by a responsible person acting for an incompetent applicant or member pursuant to 441—subrule 76.9(2), or with other legal authority to represent the applicant or member in the application process, renewal of eligibility and other ongoing communications with the department.

"Capitation payment" means a monthly payment to the managed care contractor on behalf of each member for the provision of health services under the managed care entity contract. Payment is made by the department regardless of whether the member receives services during the month. The managed care capitation payment varies based on the eligible member's sex, age, and eligibility aid type.

"Cost-effective" means a determination has been made that a savings will accrue to the department by paying the insurance premium, cost sharing, wrap benefits, and administrative cost.

"Cost sharing" means the member's portions of in-network health care costs not covered by an insurance plan. "Cost sharing" includes copayments, coinsurance and deductibles, which vary among health care plans.

"Custodian" means the person recognized as representing the interests of the member for Medicaid assistance. When the member reaches the age of 18 and the custodian is not used in determining Medicaid eligibility, there shall be legal documentation in place that the custodian is now the responsible person or authorized representative.

"Department" means the Iowa department of human services.

"Employer-sponsored insurance" or *"ESI"* means any health insurance plan paid for by a business on behalf of its employees.

"High-deductible health plan" or *"HDHP"* means a health insurance plan that meets the definition found in Section 223(c)(2) of the Internal Revenue Code.

"HIPP-eligible member" means a person whose Medicaid eligibility is calculated in the cost-effective determination for HIPP. "HIPP-eligible member" is also referred to as HIPP enrollee.

"Household" means the group of people who are used in the budgeting and size when determining Medicaid eligibility.

"Individual plan" means an insurance plan purchased through a government-run health insurance marketplace or through a local broker or agent.

“Insurance plan” means major medical comprehensive health coverage provided through an employer, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), a government-run health insurance marketplace, or a local broker or agent. Dental and vision plans are not considered to be insurance plans for purposes of this definition.

“Member” means an individual who has been determined eligible for Medicaid assistance and is enrolled to receive assistance.

“Policyholder” means the person in whose name an insurance policy is registered.

“Responsible person” means an individual recognized by the department pursuant to 441—subrule 76.9(1) as acting for an applicant or member who is unable to act on the applicant’s or member’s own behalf because the applicant or member is a minor or is incompetent, incapacitated, or deceased.

“Wrap benefits” means the services covered under the Medicaid state plans that are not paid for by insurance plans (i.e., waiver services, transportation).

75.21(2) Insurance plans. Participation in an insurance plan is not a condition of Medicaid eligibility. The department shall pay for the cost of the insurance plan premiums, coinsurance, copayment, and deductibles of an insurance plan for a member if:

- a. A member is enrolled in or can be added to the insurance plan; and
- b. The insurance plan is cost-effective as defined in subrule 75.21(3).

75.21(3) Cost-effectiveness. An insurance plan shall be considered cost-effective when the amount the department would pay for the member’s insurance premiums, cost sharing, wrap benefits, and administrative costs is likely to be less than the amount the department would pay through Medicaid including managed care capitation fees. When determining the cost-effectiveness of an insurance plan, the following data shall be considered:

- a. The cost to the member or household for the insurance premium, coinsurance, copayments and deductibles. No costs paid by an employer or other plan sponsor shall be considered in the cost-effectiveness determination.
- b. The cost of care through Medicaid including managed care capitation fees the department would pay for the member.
- c. The estimated cost of wrap benefits per member based on the member’s sex, age, and eligibility aid type.

- d. The specific health-related circumstances of the members covered under the health plan. Form 470-2868, HIPP Medical History Questionnaire, shall be used to obtain this information. When the information indicates any health conditions that could be expected to result prospectively in higher-than-average bills for any Medicaid member:

- (1) If the member is currently covered by the insurance plan, the department shall request from the policyholder, or the responsible person for the member, an insurance summary of the member’s paid claims for the previous 12 months. If there is sufficient evidence to indicate that such claims can be expected to continue in the next 12 months, the claims will be considered in determining the cost-effectiveness of the insurance plan. The cost of the insurance plan premium, member’s cost sharing, and administrative cost are compared to the actual claims to determine the cost-effectiveness of providing the coverage.

- (2) If the member was not covered by the health plan in the previous 12 months, fee-for-service paid Medicaid claims may be used to project the cost-effectiveness of the plan.

- e. Annual administrative expenditures of \$150 per HIPP member covered under the health plan.
- f. Whether the estimated savings to the department for members covered under the health insurance plan is at least \$5 per month per household.

75.21(4) Coverage of non-Medicaid-eligible family members. When an insurance plan is determined to be cost-effective, the department shall pay for insurance premiums for non-Medicaid-eligible family members if a non-Medicaid-eligible family member must be enrolled in the insurance plan in order to obtain coverage for the Medicaid-eligible family members. However:

- a. The needs of the non-Medicaid-eligible family members shall not be taken into consideration when determining cost-effectiveness; and

b. Payments for deductibles, coinsurances or other cost-sharing obligations shall not be made on behalf of family members who are not Medicaid-eligible.

75.21(5) Insurance plans ineligible for reimbursement. Premiums shall not be paid for insurance plans under any of the following circumstances:

- a. The insurance plan is that of an absent parent.
- b. The insurance plan is an indemnity policy which supplements the policyholder's income or pays only a predetermined amount for services covered under the policy (e.g., \$50 per day for hospital services instead of 80 percent of the charge).
- c. The insurance plan is a school plan offered on the basis of attendance or enrollment at the school.
- d. The insurance premium is used to meet a spenddown obligation under the medically needy program, as provided in subrule 75.1(35), when all persons in the household are eligible or potentially eligible only under the medically needy program. When some of the household members are eligible for full Medicaid benefits under coverage groups other than medically needy, the premium shall be paid if it is determined to be cost-effective when considering only the persons receiving full Medicaid coverage. In those cases, the insurance premium shall not be allowed as a deduction to meet the spenddown obligation for those persons in the household participating in the medically needy program.
- e. The insurance plan is designed to provide coverage only for a temporary period of time (e.g., 30 to 180 days).
- f. The persons covered under the insurance plan are not Medicaid-eligible on the date the decision regarding eligibility for the HIPP program is made. No retroactive payments shall be made if the case is not Medicaid-eligible on the date of decision.
- g. The person is eligible only for a coverage group that does not provide full Medicaid services.
- h. Insurance coverage is provided through the health insurance plan of Iowa (HIPIOWA), in accordance with Iowa Code chapter 514E.
- i. Insurance on the member(s) is maintained by someone who does not live with the member(s), is not the legal guardian of the member(s), is not a responsible person, or does not have legal permission to access the Medicaid information of the member(s) (e.g., self-supporting adult children).
- j. The member has Medicare. If other members in the household are covered by the insurance plan, cost-effectiveness is determined without including the Medicare-covered member.
- k. The insurance plan does not provide major medical coverage but pays only for specific situations (i.e., accident plans) or illnesses (i.e., cancer policy).
- l. The health plan pays secondary to another plan.
- m. The only Medicaid member is in foster care.
- n. The member is active for Medicaid under Medicaid for children with disabilities (i.e., Medicaid for kids with special needs (MKSN)), pursuant to subrule 75.1(43). Any other Medicaid members in the household who are covered by the health plan shall be determined for cost-effectiveness.
- o. The insurance plan is limited due to preexisting conditions.
- p. The insurance plan is a subsidized insurance plan purchased through a government-run health insurance exchange.
- q. On the date the decision regarding eligibility for the HIPP program is made, the insurance is no longer available.
- r. The insurance plan is an HDHP.

75.21(6) Department evaluation of ESI plans. When evaluating ESI plans available through an employer, if there is more than one cost-effective insurance plan available, the department shall pay the premium for only one plan. The member may choose the cost-effective plan in which to enroll.

75.21(7) Effective date of premium payment. The effective date of premium payments for a cost-effective health plan shall be determined as follows:

- a. Premium payments shall begin the later of:
 - (1) The first day of the month in which Form 470-2844, Employer's Statement of Earnings; Form 470-2875, Health Insurance Premium Payment (HIPP) Program Application; or Form H301-1, the automated HIPP referral; is received by the HIPP unit; or

(2) The first day of the first month in which the health plan is determined to be cost-effective.

b. If the person is not enrolled in the insurance plan when eligibility for participation in the HIPP program is established, premium payments shall begin in the month in which the first premium payment is due after enrollment occurs.

c. If there was a lapse in coverage during the application process (e.g., the health plan is dropped and reenrollment occurs at a later date), premium payments shall not be made for any period of time before the current effective date of coverage.

d. In no case shall payments be made for premiums that were used as a deduction to income for determining client participation or the amount of the spenddown obligation.

e. Form 470-3036, Employer Verification of Insurance Coverage, shall be used to verify the effective date of coverage and costs for persons enrolled in group health plans through an employer.

f. The effective date of coverage of an insurance plan not obtained through an employer shall be verified by a copy of the certificate of coverage for the plan or by some other verification from the insurer.

75.21(8) Method of premium payment. Payments of premiums will be made directly to the insurance carrier except as follows:

a. The department may arrange for payment to an employer in order to circumvent a payroll deduction.

b. When an employer will not agree to accept premium payments from the department in lieu of a payroll deduction to the employee's wages, the department shall reimburse the employee directly for payroll deductions or for payments made directly to the employer for the payment of premiums. The department shall issue reimbursement to the employee five working days before the employee's pay date.

c. When premium payments are occurring through an automatic withdrawal from a bank account by the insurance carrier, the department may reimburse the policyholder for those withdrawals.

d. Payments for COBRA coverage shall be made directly to the insurance carrier, the COBRA administrator, or the former employer. Payments may be made directly to the former employee only in those cases where:

(1) Information cannot be obtained for direct payment; or

(2) The department pays for only part of the total premium.

75.21(9) Payment of claims. Claims from medical providers for persons participating in this program shall be paid in the same manner as claims are paid for other persons with a third-party resource in accordance with the provisions of 441—Chapters 79 and 80.

75.21(10) Reviews of cost-effectiveness and eligibility. Reviews of cost-effectiveness and eligibility shall be completed annually and may be conducted more frequently at the discretion of the department.

a. Annual review of ESI cost-effectiveness and eligibility shall be completed using Form 470-3016, Health Insurance Premium Payment (HIPP) Program Review.

b. Annual review of individual health plan cost-effectiveness and eligibility shall be completed using Form 470-3017, HIPP Private Policy Review.

c. Failure of the household to cooperate in the annual review process shall result in cancellation of premium payment.

d. Redeterminations shall be completed whenever:

(1) A premium rate, copayment, deductible, or coinsurance changes;

(2) A person covered under the policy loses full Medicaid eligibility;

(3) Changes in employment or hours of employment affect the availability of an insurance plan;

(4) The insurance carrier changes;

(5) The policyholder leaves the Medicaid home;

(6) There is a decrease in the services covered under the policy; or

(7) The Medicaid category of coverage changes.

e. The policyholder shall report changes that may affect the availability of the insurance plan reimbursed by the HIPP program, or changes that affect the cost-effectiveness of the policy, within ten calendar days from the date of the change.

f. If a change in the number of members in the Medicaid household causes the health plan not to be cost-effective, lesser health plan options, as defined in paragraph 75.21(15)“*a*,” shall be considered if available and cost-effective.

g. When employment ends, hours of employment are reduced, or some other qualifying event affecting the availability of the group health plan occurs, the department shall verify whether coverage may be continued under the provisions of COBRA.

(1) Form 470-3037, Employer Verification of COBRA Eligibility, may be used for this purpose.

(2) If cost-effective to do so, the department shall pay premiums to maintain insurance coverage for members after the occurrence of the event which would otherwise result in termination of coverage.

75.21(11) *Time frames for determining cost-effectiveness.* The department shall determine cost-effectiveness of the insurance plan and notify the applicant of the decision regarding payment of the premiums within 65 calendar days from the date an application or referral (as defined in subrule 75.21(7)) is received. Additional time may be taken when, for reasons beyond the control of the department or the applicant, information needed to establish cost-effectiveness cannot be obtained within the 65-day period.

75.21(12) *Notices.*

a. Adequate notice shall be provided to the household under the following circumstances:

(1) To inform the household of the initial decision on cost-effectiveness and premium payment.

(2) To inform the household that premium payments are being discontinued because Medicaid eligibility has been lost by all persons covered under the health plan.

(3) The insurance plan is no longer available to the family (e.g., the employer no longer provides health insurance coverage or the policy is terminated by the insurance company).

b. The department shall provide timely and adequate notice as defined in 441—subrule 7.7(1) to inform the household of a decision to discontinue payment of the health insurance premium because:

(1) The department has determined the insurance plan is no longer cost-effective; or

(2) The member has failed to cooperate in providing information necessary to establish continued eligibility for the HIPP program.

75.21(13) *Rate refund.* The department shall be entitled to any rate refund made when the insurance carrier determines a return of premiums to the policyholder is due for any time period for which the department paid the premium.

75.21(14) *Reinstatement of HIPP eligibility.*

a. When eligibility for the HIPP program is canceled because the persons covered under the insurance plan lose Medicaid eligibility, HIPP eligibility shall be reinstated when Medicaid eligibility is reestablished if all other eligibility factors are met.

b. When HIPP eligibility is canceled because of the policyholder’s failure to cooperate in providing information necessary to establish continued eligibility for the HIPP program, benefits shall be reinstated the first day of the first month in which cooperation occurs, if all other eligibility factors are met.

75.21(15) *Amount of insurance premium paid.*

a. For ESI plans, the policyholder shall provide verification of the cost of all possible insurance plan options (i.e., single, employee/children, family).

(1) The HIPP program shall pay only for the option that provides coverage to the cost-effective members of the household.

(2) The HIPP program shall not pay the portion of the premium cost which is the responsibility of the employer or other plan sponsor.

b. For individual health plans, the HIPP program shall pay the cost of covering the cost-effective members covered by the plan.

c. For insurance plans, if another household member must be covered to obtain coverage for the members, the HIPP program shall pay the cost of covering that household member if the coverage is cost-effective as determined pursuant to subrules 75.21(3) and 75.21(4).

75.21(16) *Reporting changes.* Failure to report and verify changes may result in cancellation of HIPP benefits.

a. The policyholder shall verify changes by providing a pay stub, a summary of benefits and coverage, a rate sheet, or a letter from the insurance carrier reflecting the change.

b. Changes in employment or the employment-related insurance carrier shall be verified by the employer.

c. Any benefits paid during a period in which there was ineligibility for HIPP due to unreported changes shall be subject to recovery in accordance with the provisions of 441—Chapter 11.

d. Any underpayment that results from an unreported change shall be paid effective the first day of the month in which the change is reported.

75.21(17) Discontinuation of premium payments.

a. When the household loses Medicaid eligibility, premium payments shall be discontinued as of the month of Medicaid ineligibility.

b. When only part of the household loses Medicaid eligibility, the department shall complete a review in order to ascertain whether payment of the health insurance premium continues to be cost-effective. If the department determines that the insurance plan is no longer cost-effective, premium payment shall be discontinued pending timely and adequate notice.

c. If the household fails to cooperate in providing information necessary to establish ongoing eligibility for the HIPP program, the department shall discontinue premium payment after timely and adequate notice. The department shall request all information in writing and allow the household ten calendar days in which to provide it.

d. If the policyholder leaves the Medicaid household, premium payments shall be discontinued pending timely and adequate notice.

e. If the insurance plan is no longer available or the policy has lapsed, premium payments shall be discontinued as of the effective date of the termination of the coverage.

This rule is intended to implement Iowa Code section 249A.3.

[ARC 3493C, IAB 12/6/17, effective 1/10/18]

441—75.22(249A) AIDS/HIV health insurance premium payment program. For the purposes of this rule, “AIDS” and “HIV” are defined in accordance with Iowa Code section 141A.1.

75.22(1) Conditions of eligibility. The department shall pay for the cost of continuing health insurance coverage to persons with AIDS or HIV-related illnesses when the following criteria are met:

a. The person with AIDS or HIV-related illness shall be the policyholder, or the spouse of the policyholder, of an individual or group health plan.

b. The person shall be a resident of Iowa in accordance with the provisions of rule 441—75.10(249A).

c. The person shall not be eligible for Medicaid. The person shall be required to apply for Medicaid benefits when it appears Medicaid eligibility may exist. Persons who are required to meet a spenddown obligation under the medically needy program, as provided in subrule 75.1(35), are not considered Medicaid-eligible for the purpose of establishing eligibility under these provisions.

When Medicaid eligibility is attained, premium payments shall be made under the provisions of rule 441—75.21(249A) if all criteria of that rule are met.

d. A physician’s statement shall be provided verifying the policyholder or the spouse of the policyholder suffers from AIDS or an HIV-related illness. The physician’s statement shall also verify that the policyholder or the spouse of the policyholder is or will be unable to continue employment in the person’s current position or that hours of employment will be significantly reduced due to AIDS or HIV-related illness. The Physician’s Verification of Diagnosis, Form 470-2958, shall be used to obtain this information from the physician.

e. Gross income shall not exceed 300 percent of the federal poverty level for a family of the same size. The gross income of all family members shall be counted using the definition of gross income under the supplemental security income (SSI) program.

f. Liquid resources shall not exceed \$10,000 per household. The following are examples of countable resources:

(1) Unobligated cash.

- (2) Bank accounts.
- (3) Stocks, bonds, certificates of deposit, excluding Internal Revenue Service defined retirement plans.

g. The health insurance plan must be cost-effective based on the amount of the premium and the services covered.

75.22(2) Application process.

a. *Application.* Persons applying for participation in this program shall complete the AIDS/HIV Health Insurance Premium Payment Application, Form 470-2953. The applicant shall be required to provide documentation of income and assets. The application shall be available from and may be filed at any county departmental office or at the Division of Medical Services, Department of Human Services, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114.

An application shall be considered as filed on the date an AIDS/HIV Health Insurance Premium Payment Application, Form 470-2953, containing the applicant's name, address and signature is received and date-stamped in any county departmental office or the division of medical services.

b. *Time limit for decision.* Every reasonable effort will be made to render a decision within 30 days. Additional time for rendering a decision may be taken when, due to circumstances beyond the control of the applicant or the department, a decision regarding the applicant's eligibility cannot be reached within 30 days (e.g., verification from a third party has not been received).

c. *Eligible on the day of decision.* No payments will be made for current or retroactive premiums if the person with AIDS or an HIV-related illness is deceased prior to a final eligibility determination being made on the application, if the insurance plan has lapsed, or if the person has otherwise lost coverage under the insurance plan.

d. *Waiting list.* After funds appropriated for this purpose are obligated, pending applications shall be denied by the division of medical services. A denial shall require a notice of decision to be mailed within ten calendar days following the determination that funds have been obligated. The notice shall state that the applicant meets eligibility requirements but no funds are available and that the applicant will be placed on the waiting list, or that the applicant does not meet eligibility requirements. Applicants not awarded funding who meet the eligibility requirements will be placed on a statewide waiting list according to the order in which the completed applications were filed. In the event that more than one application is received at one time, applicants shall be entered on the waiting list on the basis of the day of the month of the applicant's birthday, lowest number being first on the waiting list. Any subsequent tie shall be decided by the month of birth, January being month one and the lowest number.

75.22(3) Presumed eligibility The applicant may be presumed eligible to participate in the program for a period of two calendar months or until a decision regarding eligibility can be made, whichever is earlier. Presumed eligibility shall be granted when:

a. The application is accompanied by a completed Physician's Verification of Diagnosis, Form 470-2958.

b. The application is accompanied by a premium statement from the insurance carrier indicating the policy will lapse before an eligibility determination can be made.

c. It can be reasonably anticipated that the applicant will be determined eligible from income and resource statements on the application.

75.22(4) Family coverage. When the person is enrolled in a policy that provides health insurance coverage to other members of the family, only that portion of the premium required to maintain coverage for the policyholder or the policyholder's spouse with AIDS or an HIV-related illness shall be paid under this rule unless modification of the policy would result in a loss of coverage for the person with AIDS or an HIV-related illness.

75.22(5) Method of premium payment. Premiums shall be paid in accordance with the provisions of subrule 75.21(8).

75.22(6) Effective date of premium payment. Premium payments shall be effective with the month of application or the effective date of eligibility, whichever is later.

75.22(7) Reviews. The circumstances of persons participating in the program shall be reviewed quarterly to ensure eligibility criteria continues to be met. The AIDS/HIV Health Insurance Premium

Payment Program Review, Form 470-2877, shall be completed by the recipient or someone acting on the recipient's behalf for this purpose.

75.22(8) Termination of assistance. Premium payments for otherwise eligible persons shall be paid under this rule until one of the following conditions is met:

- a. The person becomes eligible for Medicaid. In which case, premium payments shall be paid in accordance with the provisions of rule 441—75.21(249A).
- b. The insurance coverage is no longer available.
- c. Maintaining the insurance plan is no longer considered the most cost-effective way to pay for medical services.
- d. Funding appropriated for the program is exhausted.
- e. The person with AIDS or an HIV-related illness dies.
- f. The person fails to provide requested information necessary to establish continued eligibility for the program.

75.22(9) Notices.

a. An adequate notice as defined in 441—subrule 7.7(1) shall be provided under the following circumstances:

- (1) To inform the applicant of the initial decision regarding eligibility to participate in the program.
- (2) To inform the recipient that premium payments are being discontinued under these provisions because Medicaid eligibility has been attained and premium payments will be made under the provisions of rule 441—75.21(249A).
- (3) To inform the recipient that premium payments are being discontinued because the policy is no longer available.
- (4) To inform the recipient that premium payments are being discontinued because funding for the program is exhausted.
- (5) The person with AIDS or an HIV-related illness dies.

b. A timely and adequate notice as defined in 441—subrule 7.7(1) shall be provided to the recipient informing the recipient of a decision to discontinue payment of the health insurance premium when the recipient no longer meets the eligibility requirements of the program or fails to cooperate in providing information to establish eligibility.

75.22(10) Confidentiality. The department shall protect the confidentiality of persons participating in the program in accordance with Iowa Code section 141A.9. When it is necessary for the department to contact a third party to obtain information in order to determine initial or ongoing eligibility, a Consent to Obtain and Release Information, Form 470-0429, shall be signed by the recipient authorizing the department to make the contact.

This rule is intended to implement Iowa Code section 249A.4.

441—75.23(249A) Disposal of assets for less than fair market value after August 10, 1993. In determining Medicaid eligibility for persons described in 441—Chapters 75 and 83, a transfer of assets occurring after August 10, 1993, will affect Medicaid payment for medical services as provided in this rule.

75.23(1) Ineligibility for services. When an individual or spouse has transferred or disposed of assets for less than fair market value as defined in 75.23(11) on or after the look-back date specified in 75.23(2), the individual shall be ineligible for medical assistance as provided in this subrule.

a. *Institutionalized individual.* When an institutionalized individual or the spouse of the individual disposed of assets for less than fair market value on or after the look-back date, the institutionalized individual is ineligible for medical assistance payment for nursing facility services, a level of care in any institution equivalent to that of nursing facility services, and home- and community-based waiver services. The period of ineligibility is equal to the number of months specified in 75.23(3). The department shall determine the beginning of the period of ineligibility as follows:

- (1) Transfer before February 8, 2006. When the transfer of assets was made before February 8, 2006, the period of ineligibility shall begin on the first day of the first month during which the assets were transferred, except as provided in subparagraph (3).

(2) Transfer on or after February 8, 2006. Within the limits of subparagraph (3), when the transfer of assets was made on or after February 8, 2006, the period of ineligibility shall begin on the later of:

1. The first day of the first month during which the assets were transferred; or
2. The date on which the individual is eligible for medical assistance under this chapter and would be receiving nursing facility services, a level of care in any institution equivalent to that of nursing facility services, or home- and community-based waiver services, based on an approved application for such care, but for the application of this rule.

(3) Exclusive period. The period of ineligibility due to the transfer shall not begin during any other period of ineligibility under this rule.

b. Noninstitutionalized individual. When a noninstitutionalized individual or the spouse of the individual disposed of assets for less than fair market value on or after the look-back date, the individual is ineligible for medical assistance payment for home health care services, home and community care for functionally disabled elderly individuals, personal care services, and other long-term care services. The period of ineligibility is equal to the number of months specified in 75.23(3). The department shall determine the beginning of the period of ineligibility as follows:

(1) Transfer before February 8, 2006. When the transfer of assets was made before February 8, 2006, the period of ineligibility shall begin on the first day of the first month during which the assets were transferred, except as provided in subparagraph (3).

(2) Transfer on or after February 8, 2006. Within the limits of subparagraph (3), when the transfer of assets was made on or after February 8, 2006, the period of ineligibility shall begin on the later of:

1. The first day of the first month during which the assets were transferred; or
2. The date on which the individual is eligible for medical assistance under this chapter and would be receiving home health care services, home and community care for functionally disabled elderly individuals, personal care services, or other long-term care services, based on an approved application for such care, but for the application of this rule.

(3) Exclusive period. The period of ineligibility due to the transfer shall not begin during any other period of ineligibility under this rule.

c. Client participation after period of ineligibility. Expenses incurred for long-term care services during a transfer of assets penalty period may not be deducted as medical expenses in determining client participation pursuant to subrule 75.16(2).

75.23(2) Look-back date.

a. Transfer before February 8, 2006. For transfers made before February 8, 2006, the look-back date is the date that is 36 months (or, in the case of payments from a trust or portion of a trust that are treated as assets disposed of by the individual, 60 months) before:

(1) The date an institutionalized individual is both an institutionalized individual and has applied for medical assistance; or

- (2) The date a noninstitutionalized individual applies for medical assistance.

b. Transfer on or after February 8, 2006. For transfers made on or after February 8, 2006, the look-back date is the date that is 60 months before:

(1) The date an institutionalized individual is both an institutionalized individual and has applied for medical assistance; or

- (2) The date a noninstitutionalized individual applies for medical assistance.

75.23(3) Period of ineligibility. The number of months of ineligibility shall be equal to the total cumulative uncompensated value of all assets transferred by the individual (or the individual's spouse) on or after the look-back date specified in subrule 75.23(2), divided by the statewide average private-pay rate for nursing facility services at the time of application. The department shall determine the average statewide cost to a private-pay resident for nursing facilities and update the cost annually. For the period from July 1, 2018, through June 30, 2019, this average statewide cost shall be \$6,447.54 per month or \$212.09 per day.

75.23(4) Reduction of period of ineligibility. The number of months of ineligibility otherwise determined with respect to the disposal of an asset shall be reduced by the months of ineligibility applicable to the individual prior to a change in institutional status.

75.23(5) Exceptions. An individual shall not be ineligible for medical assistance, under this rule, to the extent that:

a. The assets transferred were a home and title to the home was transferred to either:

(1) A spouse of the individual.

(2) A child of the individual who is under the age of 21 or is blind or permanently and totally disabled as defined in 42 U.S.C. Section 1382c.

(3) A sibling of the individual who has an equity interest in the home and who was residing in the individual's home for a period of at least one year immediately before the individual became institutionalized.

(4) A son or daughter of the individual who was residing in the individual's home for a period of at least two years immediately before the date of institutionalization and who provided care to the individual which permitted the individual to reside at home rather than in an institution or facility.

b. The assets were transferred:

(1) To the individual's spouse or to another for the sole benefit of the individual's spouse.

(2) From the individual's spouse to another for the sole benefit of the individual's spouse.

(3) To a child of the individual who is blind or permanently and totally disabled as defined in 42 U.S.C. Section 1382c or to a trust established solely for the benefit of such a child.

(4) To a trust established solely for the benefit of an individual under 65 years of age who is disabled as defined in 42 U.S.C. Section 1382c.

c. A satisfactory showing is made that one of the following is true:

(1) The individual intended to dispose of the assets either at fair market value, or for other valuable consideration.

(2) The assets were transferred exclusively for a purpose other than to qualify for medical assistance.

(3) All assets transferred for less than fair market value have been returned to the individual.

d. The denial of eligibility would work an undue hardship. Undue hardship shall exist only when all of the following conditions are met:

(1) Application of the transfer of asset penalty would deprive the individual of medical care such that the individual's health or life would be endangered or of food, clothing, shelter, or other necessities of life.

(2) The person who transferred the resource or the person's spouse has exhausted all means including legal remedies and consultation with an attorney to recover the resource.

(3) The person's remaining available resources (after the attribution for the community spouse) are less than the monthly statewide average cost of nursing facility services to a private pay resident, counting the value of all resources except for:

1. The home if occupied by a dependent relative or if a licensed physician verifies that the person is expected to return home.

2. Household goods.

3. A vehicle required by the client for transportation.

4. Funds for burial of \$4,000 or less.

Hardship will not be found if the resource was transferred to a person who was handling the financial affairs of the client or to the spouse or children of a person handling the financial affairs of the client unless the client demonstrates that payments cannot be obtained from the funds of the person who handled the financial affairs to pay for long-term care services.

75.23(6) Assets held in common. In the case of an asset held by an individual in common with another person or persons in a joint tenancy, tenancy in common, or similar arrangement, the asset, or the affected portion of the asset, shall be considered to be transferred by the individual when any action is taken, either by the individual or by any other person, that reduces or eliminates the individual's ownership or control of the asset.

75.23(7) Transfer by spouse. In the case of a transfer by a spouse of an individual which results in a period of ineligibility for medical assistance under the state plan for the individual, the period of ineligibility shall be apportioned between the individual and the individual's spouse if the spouse

otherwise becomes eligible for medical assistance under the state plan. The remaining penalty period shall be evenly divided on a monthly basis, with any remaining month of penalty (prorated as a half month to each spouse) applied to the spouse who initiated the transfer action.

If a spouse subsequently dies prior to the end of the penalty period, the remaining penalty period shall be applied to the surviving spouse's period of ineligibility.

75.23(8) Definitions. In this rule the following definitions apply:

"Assets" shall include all income and resources of the individual and the individual's spouse, including any income or resources which the individual or the individual's spouse is entitled to but does not receive because of action by:

1. The individual or the individual's spouse.
2. A person, including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse.
3. Any person, including any court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

"Income" shall be defined by 42 U.S.C. Section 1382a.

"Institutionalized individual" shall mean an individual who is an inpatient in a nursing facility, who is an inpatient in a medical institution and with respect to whom payment is made based on a level of care provided in a nursing facility or who is eligible for home- and community-based waiver services.

"Resources" shall be defined by 42 U.S.C. Section 1382b without regard (in the case of an institutionalized individual) to the exclusion of the home and land appertaining thereto.

"Transfer or disposal of assets" means any transfer or assignment of any legal or equitable interest in any asset as defined above, including:

1. Giving away or selling an interest in an asset;
 2. Placing an interest in an asset in a trust that is not available to the grantor (see 75.24(2) "b"(2));
 3. Removing or eliminating an interest in a jointly owned asset in favor of other owners;
 4. Disclaiming an inheritance of any property, interest, or right pursuant to Iowa Code section 633.704 on or after July 1, 2000 (see Iowa Code section 249A.3(11) "c");
 5. Failure to take a share of an estate as a surviving spouse (also known as "taking against a will") on or after July 1, 2000, to the extent that the value received by taking against the will would have exceeded the value of the inheritance received under the will (see Iowa Code section 249A.3(11) "d");
- or
6. Transferring or disclaiming the right to income not yet received.

75.23(9) Purchase of annuities. Funds used to purchase an annuity for more than its fair market value shall be treated as assets transferred for less than fair market value regardless of when the annuity was purchased or whether the conditions described in this subrule were met.

a. The entire amount used to purchase an annuity on or after February 8, 2006, with a Medicaid applicant or member as the annuitant shall be treated as assets transferred for less than fair market value unless the annuity meets one of the conditions described in paragraph 75.23(9) "b" and also meets the condition described in paragraph 75.23(9) "c."

b. To be exempted from treatment as an asset transferred at less than fair market value, an annuity described in paragraph 75.23(9) "a" must meet one of the following conditions:

(1) The annuity is an annuity described in Subsection (b) or (q) of Section 408 of the United States Internal Revenue Code of 1986.

(2) The annuity is purchased with proceeds from:

1. An account or trust described in Subsection (a), (c), or (p) of Section 408 of the United States Internal Revenue Code of 1986;

2. A simplified employee pension (within the meaning of Section 408(k) of the United States Internal Revenue Code of 1986); or

3. A Roth IRA described in Section 408A of the United States Internal Revenue Code of 1986.

(3) The annuity:

1. Is irrevocable and nonassignable;

2. Is actuarially sound (as determined in accordance with actuarial publications of the Office of the Chief Actuary of the United States Social Security Administration); and

3. Provides for payments in equal amounts during the term of the annuity, with no deferral and no balloon payments made.

c. To be exempted from treatment as an asset transferred at less than fair market value, an annuity described in paragraph 75.23(9)“a” must have Iowa named as the remainder beneficiary for at least the total amount of medical assistance paid on behalf of the annuitant or the annuitant’s spouse, if either is institutionalized. Iowa may be named either:

(1) In the first position; or
 (2) In the second position after the spouse or minor or disabled child and in the first position if the spouse or a representative of the child disposes of any of the remainder for less than fair market value.

d. The entire amount used to purchase an annuity on or after February 8, 2006, with the spouse of a Medicaid applicant or member as the annuitant shall be treated as assets transferred for less than fair market value unless Iowa is named as the remainder beneficiary for at least the total amount of medical assistance paid on behalf of the annuitant or the annuitant’s spouse, if either is institutionalized. Iowa may be named either:

(1) In the first position; or
 (2) In the second position after the spouse or minor or disabled child and in the first position if the spouse or a representative of the child disposes of any of the remainder for less than fair market value.

75.23(10) Purchase of promissory notes, loans, or mortgages.

a. Funds used to purchase a promissory note, loan, or mortgage after February 8, 2006, shall be treated as assets transferred for less than fair market value in the amount of the outstanding balance due on the note, loan, or mortgage as of the date of the individual’s application for medical assistance for services described in 75.23(1), unless the note, loan, or mortgage meets all of the following conditions:

(1) The note, loan, or mortgage has a repayment term that is actuarially sound (as determined in accordance with actuarial publications of the Office of the Chief Actuary of the United States Social Security Administration).
 (2) The note, loan, or mortgage provides for payments to be made in equal amounts during the term of the loan, with no deferral and no balloon payments made.
 (3) The note, loan, or mortgage prohibits the cancellation of the balance upon the death of the lender.

b. Funds used to purchase a promissory note, loan, or mortgage for less than its fair market value shall be treated as assets transferred for less than fair market value regardless of whether:

(1) The note, loan, or mortgage was purchased before February 8, 2006; or
 (2) The note, loan, or mortgage was purchased on or after February 8, 2006, and the conditions described in 75.23(9)“a” were met.

75.23(11) Purchase of life estates.

a. The entire amount used to purchase a life estate in another individual’s home after February 8, 2006, shall be treated as assets transferred for less than fair market value, unless the purchaser resides in the home for at least one year after the date of the purchase.

b. Funds used to purchase a life estate in another individual’s home for more than its fair market value shall be treated as assets transferred for less than fair market value regardless of whether:

(1) The life estate was purchased before February 8, 2006; or
 (2) The life estate was purchased on or after February 8, 2006, and the purchaser resided in the home for one year after the date of purchase.

This rule is intended to implement Iowa Code sections 249A.3 and 249A.4.
 [ARC 7834B, IAB 6/3/09, effective 7/8/09; ARC 8444B, IAB 1/13/10, effective 3/1/10; ARC 8898B, IAB 6/30/10, effective 7/1/10; ARC 9404B, IAB 3/9/11, effective 5/1/11; ARC 9582B, IAB 6/29/11, effective 7/1/11; ARC 0192C, IAB 7/11/12, effective 7/1/12; ARC 0821C, IAB 7/10/13, effective 7/1/13; ARC 1484C, IAB 6/11/14, effective 7/1/14; ARC 2027C, IAB 6/10/15, effective 7/1/15; ARC 2605C, IAB 7/6/16, effective 7/1/16; ARC 3183C, IAB 7/5/17, effective 7/1/17; ARC 3869C, IAB 7/4/18, effective 7/1/18]

441—75.24(249A) Treatment of trusts established after August 10, 1993. For purposes of determining an individual’s eligibility for, or the amount of, medical assistance benefits, trusts

established after August 10, 1993, (except for trusts specified in 75.24(3)) shall be treated in accordance with 75.24(2).

75.24(1) Establishment of trust.

a. For the purposes of this rule, an individual shall be considered to have established a trust if assets of the individual were used to form all or part of the principal of the trust and if any of the following individuals established the trust other than by will: the individual, the individual's spouse, a person (including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse), or a person (including a court or administrative body) acting at the direction or upon the request of the individual or the individual's spouse.

b. The term "assets," with respect to an individual, includes all income and resources of the individual and of the individual's spouse, including any income or resources which the individual or the individual's spouse is entitled to but does not receive because of action by the individual or the individual's spouse, by a person (including a court or administrative body, with legal authority to act in place of or on behalf of the individual's spouse), or by any person (including a court or administrative body) acting at the direction or upon the request of the individual or the individual's spouse.

c. In the case of a trust, the principal of which includes assets of an individual and assets of any other person or persons, the provisions of this rule shall apply to the portion of the trust attributable to the individual.

d. This rule shall apply without regard to:

- (1) The purposes for which a trust is established.
- (2) Whether the trustees have or exercise any discretion under the trust.
- (3) Any restrictions on when or whether distribution may be made for the trust.
- (4) Any restriction on the use of distributions from the trust.

e. The term "trust" includes any legal instrument or device that is similar to a trust, including a conservatorship.

75.24(2) Treatment of revocable and irrevocable trusts.

a. In the case of a revocable trust:

(1) The principal of the trust shall be considered an available resource.

(2) Payments from the trust to or for the benefit of the individual shall be considered income of the individual.

(3) Any other payments from the trust shall be considered assets disposed of by the individual, subject to the penalties described at rule 441—75.23(249A) and 441—Chapter 89.

b. In the case of an irrevocable trust:

(1) If there are any circumstances under which payment from the trust could be made to or for the benefit of the individual, the portion of the principal from which, or the income on the principal from which, payment to the individual could be made shall be considered an available resource to the individual and payments from that principal or income to or for the benefit of the individual shall be considered income to the individual. Payments for any other purpose shall be considered a transfer of assets by the individual subject to the penalties described at rule 441—75.23(249A) and 441—Chapter 89.

(2) Any portion of the trust from which, or any income on the principal from which, no payment could under any circumstances be made to the individual shall be considered, as of the date of establishment of the trust (or, if later, the date on which payment to the individual was foreclosed) to be assets disposed of by the individual subject to the penalties specified at 75.23(3) and 441—Chapter 89. The value of the trust shall be determined for this purpose by including the amount of any payments made from this portion of the trust after this date.

75.24(3) Exceptions. This rule shall not apply to any of the following trusts:

a. A trust containing the assets of an individual under the age of 65 who is disabled (as defined in Section 1614(a)(3) of the Social Security Act) and which is established for the benefit of the individual by a parent, grandparent, legal guardian of the individual, or a court if the state will receive all amounts remaining in the trust upon the death of the individual up to an amount equal to the total medical assistance paid on behalf of the individual.

b. A trust established for the benefit of an individual if the trust is composed only of pension, social security, and other income to the individual (and accumulated income of the trust), and the state will receive all amounts remaining in the trust upon the death of the individual up to the amount equal to the total medical assistance paid on behalf of the individual. For disposition of trust amounts pursuant to Iowa Code sections 633C.1 to 633C.5, the average statewide charges and Medicaid rates for the period from July 1, 2018, to June 30, 2019, shall be as follows:

- (1) The average statewide charge to a private-pay resident of a nursing facility is \$6,005 per month.
- (2) The maximum statewide Medicaid rate for a resident of an intermediate care facility for persons with an intellectual disability is \$31,529 per month.
- (3) The average statewide charge to a resident of a mental health institute is \$27,667 per month.
- (4) The average statewide charge to a private-pay resident of a psychiatric medical institution for children is \$9,088 per month.
- (5) The average statewide charge to a home- and community-based waiver applicant or member shall be consistent with the level of care determination and correspond with the average charges and rates set forth in this paragraph.

c. A trust containing the assets of an individual who is disabled (as defined in 1614(a)(3) of the Social Security Act) that meets the following conditions:

- (1) The trust is established and managed by a nonprofit association.
- (2) A separate account is maintained for each beneficiary of the trust, but, for purposes of investment and management of funds, the trust pools these accounts.
- (3) Accounts in the trust are established solely for the benefit of individuals who are disabled (as defined in 1614(a)(3) of the Social Security Act) by the parent, grandparent, or legal guardian of the individuals, by the individuals or by a court.
- (4) To the extent that amounts remaining in the beneficiary's account upon death of the beneficiary are not retained by the trust, the trust pays to the state from the remaining amounts in the account an amount equal to the total amount of medical assistance paid on behalf of the beneficiary.

This rule is intended to implement Iowa Code section 249A.4.

[ARC 7834B, IAB 6/3/09, effective 7/8/09; ARC 8898B, IAB 6/30/10, effective 7/1/10; ARC 9582B, IAB 6/29/11, effective 7/1/11; ARC 0192C, IAB 7/11/12, effective 7/1/12; ARC 0822C, IAB 7/10/13, effective 7/1/13; ARC 0821C, IAB 7/10/13, effective 7/1/13; ARC 1484C, IAB 6/11/14, effective 7/1/14; ARC 1483C, IAB 6/11/14, effective 7/1/14; ARC 2027C, IAB 6/10/15, effective 7/1/15; ARC 2605C, IAB 7/6/16, effective 7/1/16; ARC 3182C, IAB 7/5/17, effective 7/1/17; ARC 3183C, IAB 7/5/17, effective 7/1/17; ARC 3869C, IAB 7/4/18, effective 7/1/18; ARC 3870C, IAB 7/4/18, effective 7/1/18]

441—75.25(249A) Definitions. Unless otherwise specified, the definitions in this rule shall apply to 441—Chapters 75 through 85 and 88.

“Aged” shall mean a person 65 years of age or older.

“Applicant” shall mean a person who is requesting assistance, including recertification under the medically needy program, on the person's own behalf or on behalf of another person. This also includes parents living in the home with the children and the nonparental relative who is requesting assistance for the children.

“Blind” shall mean a person with central visual acuity of 20/200 or less in the better eye with use of corrective lens or visual field restriction to 20 degrees or less.

“Break in assistance” for medically needy shall mean the lapse of more than three months from the end of the medically needy certification period to the beginning of the next current certification period.

“Central office” shall mean the state administrative office of the department of human services.

“Certification period” for medically needy shall mean the period of time not to exceed two consecutive months in which a person is conditionally eligible.

“Client” shall mean all of the following:

1. A Medicaid applicant;
2. A Medicaid member;
3. A person who is conditionally eligible for Medicaid; and
4. A person whose income or assets are considered in determining eligibility for an applicant or member.

“*CMAP-related medically needy*” shall mean those individuals under the age of 21 who would be eligible for the child medical assistance program except for excess income or resources.

“*Community spouse*” shall mean a spouse of an institutionalized spouse for the purposes of rules 441—75.5(249A), 441—75.16(249A), and 441—76.10(249A).

“*Conditionally eligible*” shall mean that a person has completed the application process and has been assigned a medically needy certification period and spenddown amount but has not met the spenddown amount for the certification period or has been assigned a monthly premium but has not yet paid the premium for that month.

“*Coverage group*” shall mean a group of persons who meet certain common eligibility requirements.

“*Department*” shall mean the Iowa department of human services.

“*Disabled*” shall mean a person who is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which has lasted or is expected to last for a continuous period of not less than 12 months from the date of application.

“*FMAP-related medically needy*” shall mean those persons who would be eligible for the family medical assistance program except for excess income or resources.

“*Health insurance*” shall mean protection which provides payment of benefits for covered sickness or injury.

“*Incurred medical expenses*” for medically needy shall mean (1) medical bills paid by a client, responsible relative, or state or political subdivision program other than Medicaid during the retroactive certification period or the certification period, or (2) unpaid medical expenses for which the client or responsible relative remains obligated.

“*Institutionalized person*” shall mean a person who is an inpatient in a nursing facility or a Medicare-certified skilled nursing facility, who is an inpatient in a medical institution and for whom payment is made based on a level of care provided in a nursing facility, or who is a person described in 75.1(18) for the purposes of rule 441—75.5(249A).

“*Institutionalized spouse*” shall mean a married person living in a medical institution, or nursing facility, or home- and community-based waiver setting who is likely to remain living in these circumstances for at least 30 consecutive days, and whose spouse is not in a medical institution or nursing facility for the purposes of rules 441—75.5(249A), 441—75.16(249A), and 441—76.10(249A).

“*Local office*” shall mean the county office of the department of human services or the mental health institute or hospital school.

“*Medically needy income level (MNIL)*” shall mean 133 1/3 percent of the schedule of basic needs based on family size. (See subrule 75.58(2).)

“*Member*” shall mean a person who has been determined eligible for medical assistance under rule 441—75.1(249A). For the medically needy program, “member” shall mean a medically needy person who has income at or less than the medically needy income level (MNIL) or who has reduced countable income to the MNIL during the certification period through spenddown. “Member” may be used interchangeably with “recipient.” This definition does not apply to the phrase “household member.”

“*Necessary medical and remedial services*” for medically needy shall mean medical services recognized by law which are currently covered under the Iowa Medicaid program.

“*Noncovered Medicaid services*” for medically needy shall mean medical services that are not covered under Medicaid because the provider was not enrolled in Medicaid, the services are ones which are otherwise not covered under Medicaid, the bill is for a responsible relative who is not in the Medicaid-eligible group or the bill is for services delivered before the start of a certification period.

“*Nursing facility services*” shall mean the level of care provided in a medical institution licensed for nursing services or skilled nursing services for the purposes of rule 441—75.23(249A).

“*Obligated medical expense*” for medically needy shall mean a medical expense for which the client or responsible relative continues to be legally liable.

“*Ongoing eligibility*” for medically needy shall mean that eligibility continues for an SSI-related, CMAP-related, or FMAP-related medically needy person with a zero spenddown.

“*Pay and chase*” shall mean that the state pays the total amount allowed under the agency’s payment schedule and then seeks reimbursement from the liable third party. The pay and chase provision applies

to Medicaid claims for prenatal care, for preventive pediatric services, and for all services provided to a person for whom there is court-ordered medical support.

“*Payee*” refers to an SSI payee as defined in Iowa Code subsections 633.33(7) and 633.3(20).

“*Recertification*” in the medically needy coverage group shall mean establishing a new certification period when the previous period has expired and there has not been a break in assistance.

“*Recipient*” shall mean a person who is receiving assistance including receiving assistance for another person.

“*Responsible relative*” for medically needy shall mean a spouse, parent, or stepparent living in the household of the client.

“*Retroactive certification period*” for medically needy shall mean one, two, or three calendar months prior to the date of application, as provided in 441—subrule 76.13(3). The retroactive certification period begins with the first month Medicaid-covered services were received and continues to the end of the month immediately prior to the month of application.

“*Retroactive period*” shall mean the three or fewer calendar months immediately preceding the month in which an application is filed, pursuant to 441—subrule 76.13(3).

“*Spenddown*” shall mean the process by which a medically needy person obligates excess income for allowable medical expenses to reduce income to the appropriate MNIL.

“*SSI-related*” shall mean those persons whose eligibility is derived from regulations governing the supplemental security income (SSI) program except that income shall be considered prospectively.

“*SSI-related medically needy*” shall mean those persons whose eligibility is derived from regulations governing the supplemental security income (SSI) program except for income or resources.

“*Supply*” shall mean the requested information is received by the department by the specified due date.

“*Transfer of assets*” shall mean transfer of resources or income for less than fair market value for the purposes of rule 441—75.23(249A). For example, a transfer of resources or income could include establishing a trust, contributing to a charity, removing a name from a resource or income, or reducing ownership interest in a resource or income.

“*Unborn child*” shall include an unborn child during the entire term of pregnancy.

This rule is intended to implement Iowa Code sections 249A.3 and 249A.4.

[ARC 7935B, IAB 7/1/09, effective 9/1/09; ARC 2361C, IAB 1/6/16, effective 1/1/16; ARC 3353C, IAB 10/11/17, effective 10/1/17; ARC 3549C, IAB 1/3/18, effective 2/7/18; ARC 4208C, IAB 1/2/19, effective 2/6/19]

441—75.26(249A) References to the family investment program. Rescinded IAB 10/8/97, effective 12/1/97.

441—75.27(249A) AIDS/HIV settlement payments. The following payments are exempt as income and resources when determining eligibility for or the amount of Medicaid benefits under any coverage group if the payments are kept in a separate, identifiable account:

75.27(1) Class settlement payments. Payments made from any fund established pursuant to a class settlement in the case of *Susan Walker v. Bayer Corporation, et al.*, 96-C-5024 (N.D. Ill.) are exempt.

75.27(2) Other settlement payments. Payments made pursuant to a release of all claims in a case that is entered into in lieu of the class settlement referred to in subrule 75.27(1) and that is signed by all affected parties in the cases on or before the later of December 31, 1997, or the date that is 270 days after the date on which the release is first sent to the person (or the legal representative of the person) to whom payment is to be made are exempt.

This rule is intended to implement Iowa Code sections 249A.3 and 249A.4.

441—75.28(249A) Recovery.

75.28(1) Definitions.

“*Administrative overpayment*” means medical assistance incorrectly paid to or for the client because of continuing assistance during the appeal process or allowing a deduction for the Medicare Part B premium in determining client participation while the department arranges to pay the Medicare premium directly.

“*Agency error*” means medical assistance incorrectly paid to or for the client because of action attributed to the department as the result of one or more of the following circumstances:

1. Misfiling or loss of forms or documents.
2. Errors in typing or copying.
3. Computer input errors.
4. Mathematical errors.
5. Failure to determine eligibility correctly or to certify assistance in the correct amount when all essential information was available to the department.
6. Failure to make prompt revisions in medical payment following changes in policies requiring the changes as of a specific date.

“*Client*” means a current or former Medicaid member.

“*Client error*” means medical assistance incorrectly paid to or for the client because the client or client’s representative failed to disclose information, or gave false or misleading statements, oral or written, regarding the client’s income, resources, or other eligibility and benefit factors. “*Client error*” also means assistance incorrectly paid to or for the client because of failure by the client or client’s representative to timely report as defined in rule 441—76.15(249A).

“*Department*” means the department of human services.

“*Premiums paid for medical assistance*” means monthly premiums assessed to a member or household for Medicaid, IowaCare or the Iowa Health and Wellness Plan coverage.

75.28(2) Amount subject to recovery. The department shall recover from a client all Medicaid funds incorrectly expended to or on behalf of the client and all unpaid premiums assessed by the department for medical assistance. The incorrect expenditures or unpaid premiums may result from client or agency error or administrative overpayment.

75.28(3) Notification. All clients shall be promptly notified on Form 470-2891, Notice of Medical Assistance Overpayment, when it is determined that assistance was incorrectly expended or when assessed premiums are unpaid.

a. Notification of incorrect expenditures shall include:

- (1) For whom assistance was paid;
- (2) The period during which assistance was incorrectly paid;
- (3) The amount of assistance subject to recovery; and
- (4) The reason for the incorrect expenditure.

b. Notification of unpaid premiums shall include:

- (1) The amount of the premium; and
- (2) The month covered by the medical assistance premium.

75.28(4) Source of recovery. Recovery shall be made from the client or from parents of children under the age of 21 when the parents completed the application and had responsibility for reporting changes. Recovery may come from income, resources, the estate, income tax refunds, and lottery winnings of the client.

75.28(5) Repayment. The repayment of incorrectly expended Medicaid funds shall be made to the department. However, repayment of funds incorrectly paid to a nursing facility, a Medicare-certified skilled nursing facility, a psychiatric medical institution for children, an intermediate care facility for persons with an intellectual disability, or mental health institute enrolled as an inpatient psychiatric facility may be made by the client to the facility. The department shall then recover the funds from the facility through a vendor adjustment.

75.28(6) Appeals. The client shall have the right to appeal the amount of funds subject to recovery under the provisions of 441—Chapter 7.

75.28(7) Estate recovery. Medical assistance, including the amount the state paid to a managed care organization (MCO) for provision of medical services, also called capitation fees, is subject to recovery from the estate of a Medicaid member, the estate of the member’s surviving spouse, or the estate of the member’s surviving child as provided in this subrule. Effective January 1, 2010, medical assistance that has been paid for Medicare cost sharing or for benefits described in Section 1902(a)(10)(E) of the Social Security Act is not subject to recovery. All assets included in the estate of the member, the surviving

spouse, or the surviving child are subject to probate for the purposes of medical assistance estate recovery pursuant to Iowa Code section 249A.53(2) "d." The classification of the debt is defined at Iowa Code section 633.425(7).

a. Definitions.

"*Capitated payment/rate*" means a monthly payment to the contractor on behalf of each member for the provision of health services under the contract. Payment is made regardless of whether the member receives services during the month.

"*Estate.*" For the purpose of this subrule, the "estate" of a Medicaid member, a surviving spouse, or a surviving child shall include all real property, personal property, or any other asset in which the member, spouse, or surviving child had any legal title or interest at the time of death, or at the time a child reaches the age of 21, to the extent of that interest. An estate includes, but is not limited to, interest in jointly held property, retained life estates, and interests in trusts.

"*Managed care organization*" means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of "health maintenance organization" as defined in Iowa Code section 514B.1.

b. Debt due for member 55 years of age or older. Receipt of medical assistance when a member is 55 years of age or older creates a debt due to the department from the member's estate upon the member's death for all medical assistance provided on the member's behalf on or after July 1, 1994.

c. Debt due for member under the age of 55 in a medical institution.

(1) Receipt of medical assistance creates a debt due to the department from the member's estate upon the member's death for all medical assistance provided on the member's behalf on or after July 1, 1994, when the member:

1. Is under the age of 55; and
2. Is a resident of a nursing facility, an intermediate care facility for persons with an intellectual disability, or a mental health institute; and
3. Cannot reasonably be expected to be discharged and return home.

(2) If the member is discharged from the facility and returns home before staying six consecutive months, no debt will be assessed for medical assistance payments made on the member's behalf for the time in the institution.

(3) If the member remains in the facility for six consecutive months or longer or dies before staying six consecutive months, the department shall presume that the member cannot or could not reasonably be expected to be discharged and return home and a debt due shall be established. The department shall notify the member of the presumption and the establishment of a debt due.

d. Request for a determination of ability to return home. Upon receipt of a notice of the establishment of a debt due based on the presumption that the member cannot return home, the member or someone acting on the member's behalf may request that the department determine whether the member can or could reasonably have been expected to return home.

(1) When a written request is made within 30 days of the notice that a debt due will be established, no debt due shall be established until the department has made a decision on the member's ability to return home. If the determination is that there is or was no ability to return home, a debt due shall be established for all medical assistance as of the date of entry into the institution.

(2) When a written request is made more than 30 days after the notice that a debt due will be established, a debt due will be established for medical assistance provided before the request even if the determination is that the member can or could have returned home.

e. Determination of ability to return home. When the member or someone acting on the member's behalf requests that the department determine if the member can or could have returned home, the determination shall be made by the Iowa Medicaid enterprise (IME) medical services unit.

(1) The IME medical services unit cannot make a determination until the member has been in an institution at least six months or after the death of the member, whichever is earlier. The IME medical services unit will notify the member or the member's representative and the department of the determination.

(2) If the determination is that the member can or could return home, the IME medical services unit shall establish the date the return is expected or could have been expected to occur.

(3) If the determination is that the member cannot or could not return home, a debt due will be established unless the member or the member's representative asks for a reconsideration of the decision. The IME medical services unit will notify the member or the member's representative and the department of the reconsideration decision.

(4) If the reconsideration decision is that the member cannot or could not return home, a debt due will be established against the member unless the decision is appealed pursuant to 441—Chapter 7. The appeal decision will determine the final outcome for the establishment of a debt due and the period when the debt is established.

f. Debt collection.

(1) A nursing facility participating in the medical assistance program shall notify the IME revenue collection unit upon the death of a member residing in the facility by submitting Form 470-4331, Estate Recovery Program Nursing Home Referral.

(2) Upon receipt of Form 470-4331 or a report of a member's death through other means, the IME revenue collection unit will use Form 470-4339, Medical Assistance Debt Response, to request a statement of the member's assets from the member's personal representative. The representative shall sign and return Form 470-4339 indicating whether assets remain and, if so, what the assets are and what higher priority expenses exist. EXCEPTION: The procedures in this subparagraph are not necessary when a probate estate has been opened, because probate procedures provide for an inventory, an accounting, and a final report of the estate.

g. Waiving the collection of the debt.

(1) The department shall waive the collection of the debt created under this subrule from the estate of the member to the extent that collection of the debt would result in either of the following:

1. Reduction in the amount received from the member's estate by a surviving spouse or by a surviving child who is under the age of 21, blind, or permanently and totally disabled at the time of the member's death.

2. Creation of an undue hardship for the person seeking a waiver of estate recovery. Undue hardship exists when total household income is less than 200 percent of the poverty level for a household of the same size, total household resources do not exceed \$10,000, and application of estate recovery would result in deprivation of food, clothing, shelter, or medical care such that life or health would be endangered. For this purpose, "income" and "resources" shall be defined as being under the family investment program.

(2) To apply for a waiver of estate recovery due to undue hardship, the person shall provide a written statement and supporting verification to the department within 30 days of the notice of estate recovery pursuant to Iowa Code section 249A.53(2).

(3) The department shall determine whether undue hardship exists on a case-by-case basis. Appeals of adverse decisions regarding an undue hardship determination may be filed in accordance with 441—Chapter 7.

h. Amount waived. If collection of all or part of a debt is waived pursuant to paragraph 75.28(7) "g," to the extent that the person received the member's estate, the amount waived shall be a debt due from the following:

(1) The estate of the member's surviving spouse, upon the death of the spouse.

(2) The estate of the member's surviving child who is blind or has a disability, upon the death of the child.

(3) A surviving child who was under 21 years of age at the time of the member's death, when the child reaches the age of 21.

(4) The estate of a surviving child who was under 21 years of age at the time of the member's death, if the child dies before reaching the age of 21.

(5) The hardship waiver recipient, when the hardship no longer exists.

(6) The estate of the recipient of the undue hardship waiver, at the time of death of the hardship waiver recipient.

i. Impact of asset disregard on debt due. The estate of a member who is eligible for medical assistance under subrule 75.5(5) shall not be subject to a claim for medical assistance paid on the member's behalf up to the amount of the assets disregarded by asset disregard. Medical assistance paid on behalf of the member before these conditions shall be recovered from the estate, regardless of the member's having purchased precertified or approved insurance.

j. Interest on debt. Interest shall accrue on a debt due under this subrule at the rate provided pursuant to Iowa Code section 535.3, beginning six months after the death of a Medicaid member, the surviving spouse, or the surviving child, or upon the child's reaching the age of 21.

k. Reimbursement to county. If a county reimburses the department for medical assistance provided under this subrule and the amount of medical assistance is subsequently repaid through a medical assistance income trust or a medical assistance special needs trust as defined in Iowa Code chapter 633C, the department shall reimburse the county on a proportionate basis.

[ARC 1134C, IAB 10/30/13, effective 10/2/13; ARC 2361C, IAB 1/6/16, effective 1/1/16]

441—75.29(249A) Investigation by quality control or the department of inspections and appeals. An applicant or member shall cooperate with the department when the applicant's or member's case is selected by quality control or the department of inspections and appeals for verification of eligibility unless the investigation revolves solely around the circumstances of a person whose income and resources do not affect medical assistance eligibility. (See department of inspections and appeals rules in 481—Chapter 72.) Failure to cooperate shall serve as a basis for denial of an application or cancellation of medical assistance unless the Medicaid eligibility is determined by the Social Security Administration. Once a person's eligibility is denied or canceled for failure to cooperate, the person may reapply but shall not be determined eligible until cooperation occurs.

[ARC 1134C, IAB 10/30/13, effective 10/2/13]

441—75.30(249A) Member lock-in. Rescinded ARC 2361C, IAB 1/6/16, effective 1/1/16.

441—75.31 to 75.49 Reserved.

DIVISION II
ELIGIBILITY FACTORS SPECIFIC TO COVERAGE GROUPS RELATED TO
THE FAMILY MEDICAL ASSISTANCE PROGRAM (FMAP)

441—75.50(249A) Definitions. The following definitions apply to this division in addition to the definitions in rule 441—75.25(249A).

“Applicant” shall mean a person who is requesting assistance on the person's own behalf or on behalf of another person, including recertification under the medically needy program. This also includes parents living in the home with the children and the nonparental relative who is requesting assistance for the children.

“Application period” means the months beginning with the month in which the application is considered to be filed, through and including the month in which an eligibility determination is made.

“Assistance unit” includes any person whose income is considered when determining eligibility.

“Bona fide offer” means an actual or genuine offer which includes a specific wage or a training opportunity at a specified place when used to determine whether the parent has refused an offer of training or employment.

“Central office” shall mean the state administrative office of the department of human services.

“Change in income” means a permanent change in hours worked or rate of pay, any change in the amount of unearned income, or the beginning or ending of any income.

“Change in work expenses” means a permanent change in the cost of dependent care or the beginning or ending of dependent care.

“Department” shall mean the Iowa department of human services.

“Dependent” means an individual who can be claimed by another individual as a dependent for federal income tax purposes.

“Dependent child” or *“dependent children”* means a child or children who meet the nonfinancial eligibility requirements of the applicable FMAP-related coverage group.

“Income in-kind” is any gain or benefit which is not in the form of money payable directly to the eligible group including nonmonetary benefits, such as meals, clothing, and vendor payments. Vendor payments are money payments which are paid to a third party and not to the eligible group.

“Initial two months” means the first two consecutive months for which eligibility is granted.

“Medical institution,” when used in this division, shall mean a facility which is organized to provide medical care, including nursing and convalescent care, in accordance with accepted standards as authorized by state law and as evidenced by the facility’s license. A medical institution may be public or private. Medical institutions include the following:

1. Hospitals.
2. Extended care facilities (skilled nursing).
3. Intermediate care facilities.
4. Mental health institutions.
5. Hospital schools.

“Needy specified relative” means a nonparental specified relative, listed in 75.55(1), who meets all the eligibility requirements of the FMAP coverage group, listed in 75.1(14).

“Nonrecurring lump sum unearned income” means a payment in the nature of a windfall, for example, an inheritance, an insurance settlement for pain and suffering, an insurance death benefit, a gift, lottery winnings, or a retroactive payment of benefits such as social security, job insurance or workers’ compensation.

“Parent” means a legally recognized parent, including an adoptive parent, or a biological father if there is no legally recognized father.

“Prospective budgeting” means the determination of eligibility and the amount of assistance for a calendar month based on the best estimate of income and circumstances which will exist in that calendar month.

“Recipient” means a person for whom Medicaid is received as well as parents living in the home with the eligible children and other specified relatives as defined in subrule 75.55(1) who are receiving Medicaid for the children. Unless otherwise specified, a person is not a recipient for any month in which the assistance issued for that person is subject to recoupment because the person was ineligible.

“Schedule of needs” means the total needs of a group as determined by the schedule of living costs, described at subrule 75.58(2).

“Stepparent” means a person who is not the parent of the dependent child, but is the legal spouse of the dependent child’s parent by ceremonial or common-law marriage.

“Unborn child” shall include an unborn child during the entire term of the pregnancy.

“Uniformed service” means the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

441—75.51(249A) Reinstatement of eligibility. Rescinded IAB 2/10/10, effective 3/1/10.

441—75.52(249A) Continuing eligibility.

75.52(1) Reviews. Eligibility factors shall be reviewed at least annually for the FMAP-related programs. Reviews shall be conducted using information contained in and verification supplied with the review form specified in subrule 75.52(3).

75.52(2) Additional reviews. A redetermination of specific eligibility factors shall be made when:

a. The member reports a change in circumstances (for example, a change in income, as defined at rule 441—75.50(249A)), or

b. A change in the member’s circumstances comes to the attention of a staff member.

75.52(3) Forms.

a. Information for the annual review shall be submitted on Form 470-2881, 470-2881(M), 470-2881(S), or 470-2881(MS), Review/Recertification Eligibility Document (RRED), with the following exceptions:

(1) When the client has completed Form 470-0462 or 470-0466 (Spanish), Health and Financial Support Application, for another purpose, this form may be used as the review document for the annual review.

(2) Information for recertification of family medical assistance-related medically needy shall be submitted on Form 470-3118 or 470-3118(S), Medicaid Review.

b. The department shall supply the review form to the client as needed, or upon request, and shall pay the cost of postage to return the form.

(1) When the review form is issued in the department's regular end-of-month mailing, the client shall return the completed form to the department by the fifth calendar day of the following month.

(2) When the review form is not issued in the department's regular end-of-month mailing, the client shall return the completed form to the department by the seventh day after the date the form is mailed by the department.

(3) A copy of a review form received by fax or electronically shall have the same effect as an original form.

c. The review information for foster children or children in subsidized adoption or subsidized guardianship shall be submitted on Form 470-2914, Foster Care, Adoption, and Guardianship Medicaid Review.

75.52(4) Client responsibilities. For the purposes of this subrule, "clients" shall include persons who received assistance subject to recoupment because the persons were ineligible.

a. The client shall cooperate by giving complete and accurate information needed to establish eligibility.

b. The client shall complete the required review form when requested by the department in accordance with subrule 75.52(3). If the department does not receive a completed form, assistance shall be canceled. A completed form is one that has all items answered, is signed, is dated, and is accompanied by verification as required in paragraphs 75.57(1) "f" and 75.57(2) "l."

c. The client shall report any change in the following circumstances at the annual review or upon the addition of an individual to the eligible group:

- (1) Income from all sources, including any change in care expenses.
- (2) Resources.
- (3) Members of the household.
- (4) School attendance.
- (5) A stepparent recovering from an incapacity.
- (6) Change of mailing or living address.
- (7) Payment of child support.
- (8) Receipt of a social security number.
- (9) Payment for child support, alimony, or dependents as defined in paragraph 75.57(8) "b."
- (10) Health insurance premiums or coverage.

d. All clients shall timely report any change in the following circumstances at any time:

- (1) Members of the household.
- (2) Change of mailing or living address.
- (3) Sources of income.
- (4) Health insurance premiums or coverage.

e. Clients described at subrule 75.1(35) shall also timely report any change in income from any source and any change in care expenses at any time.

f. A report shall be considered timely when made within ten days from the date:

- (1) A person enters or leaves the household.
- (2) The mailing or living address changes.
- (3) A source of income changes.
- (4) A health insurance premium or coverage change is effective.
- (5) Of any change in income.
- (6) Of any change in care expenses.

g. When a change is not reported as required in paragraphs 75.52(4) “c” through “e,” any excess Medicaid paid shall be subject to recovery.

h. When a change in any circumstance is reported, its effect on eligibility shall be evaluated and eligibility shall be redetermined, if appropriate, regardless of whether the report of the change was required in paragraphs 75.52(4) “c” through “e.”

75.52(5) Effective date. After assistance has been approved, eligibility for continuing assistance shall be effective as of the first of each month. Any change affecting eligibility reported during a month shall be effective the first day of the next calendar month, subject to timely notice requirements at rule 441—7.6(217) for any adverse actions.

a. When the change creates ineligibility, eligibility under the current coverage group shall be canceled and an automatic redetermination of eligibility shall be completed in accordance with rule 441—76.11(249A).

b. Rescinded IAB 10/4/00, effective 10/1/00.

c. When an individual included in the eligible group becomes ineligible, that individual’s Medicaid shall be canceled effective the first of the next month unless the action must be delayed due to timely notice requirements at rule 441—7.6(217).

[ARC 8260B, IAB 11/4/09, effective 1/1/10; ARC 8500B, IAB 2/10/10, effective 3/1/10]

441—75.53(249A) Iowa residency policies specific to FMAP and FMAP-related coverage groups. Notwithstanding the provisions of rule 441—75.10(249A), the following rules shall apply when determining eligibility for persons under FMAP or FMAP-related coverage groups.

75.53(1) Definition of resident. A resident of Iowa is one:

a. Who is living in Iowa voluntarily with the intention of making that person’s home there and not for a temporary purpose. A child is a resident of Iowa when living there on other than a temporary basis. Residence may not depend upon the reason for which the individual entered the state, except insofar as it may bear upon whether the individual is there voluntarily or for a temporary purpose; or

b. Who, at the time of application, is living in Iowa, is not receiving assistance from another state, and entered Iowa with a job commitment or seeking employment in Iowa, whether or not currently employed. Under this definition the child is a resident of the state in which the specified relative is a resident.

75.53(2) Retention of residence. Residence is retained until abandoned. Temporary absence from Iowa, with subsequent returns to Iowa, or intent to return when the purposes of the absence have been accomplished does not interrupt continuity of residence.

75.53(3) Suitability of home. The home shall be deemed suitable until the court has ruled it unsuitable and, as a result of such action, the child has been removed from the home.

75.53(4) Absence from the home.

a. An individual who is absent from the home shall not be included in the eligible group, except as described in paragraph “b.”

(1) A parent who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday is considered absent from the home.

(2) A parent whose absence from the home is due solely to a pattern of employment is not considered to be absent.

(3) A parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States is considered absent from the home. “Uniformed service” means the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

b. The needs of an individual who is temporarily out of the home are included in the eligible group if otherwise eligible. A temporary absence exists in the following circumstances:

(1) An individual is anticipated to be in the medical institution for less than a year, as verified by a physician’s statement. Failure to return within one year from the date of entry into the medical institution will result in the individual’s needs being removed from the eligible group.

(2) A child is out of the home to secure education or training as defined in paragraph 75.54(1) “b” as long as the child remains a dependent.

(3) A parent or specified relative is temporarily out of the home to secure education or training and was in the eligible group before leaving the home to secure education or training. For this purpose, “education or training” means any academic or vocational training program that prepares a person for a specific professional or vocational area of employment.

(4) An individual is out of the home for reasons other than reasons in subparagraphs 75.53(4) “b”(1) through (3) and intends to return to the home within three months. Failure to return within three months from the date the individual left the home will result in the individual’s needs being removed from the eligible group.

[ARC 0579C, IAB 2/6/13, effective 4/1/13]

441—75.54(249A) Eligibility factors specific to child.

75.54(1) Age. Unless otherwise specified at rule 441—75.1(249A), Medicaid shall be available to a needy child under the age of 18 years without regard to school attendance.

a. A child is eligible for the entire month in which the child’s eighteenth birthday occurs, unless the birthday falls on the first day of the month.

b. Medicaid shall also be available to a needy child aged 18 years who is a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and who is reasonably expected to complete the program before reaching the age of 19 if the following criteria are met.

(1) A child shall be considered attending school full-time when enrolled or accepted in a full-time (as certified by the school or institute attended) elementary, secondary or the equivalent level of vocational or technical school or training leading to a certificate or diploma. Correspondence school is not an allowable program of study.

(2) A child shall also be considered to be in regular attendance in months when the child is not attending because of an official school or training program vacation, illness, convalescence, or family emergency. A child meets the definition of regular school attendance until the child has been officially dropped from the school rolls.

(3) When a child’s education is temporarily interrupted pending adjustment of an education or training program, exemption shall be continued for a reasonable period of time to complete the adjustment.

75.54(2) Residing with a relative. The child shall be living in the home of one of the relatives specified in subrule 75.55(1). When the mother intends to place her child for adoption shortly after birth, the child shall be considered as living with the mother until the time custody is actually relinquished.

a. Living with relatives implies primarily the existence of a relationship involving an accepted responsibility on the part of the relative for the child’s welfare, including the sharing of a common household.

b. Home is the family setting maintained or in the process of being established as evidenced by the assumption and continuation of responsibility for the child by the relative.

75.54(3) Deprivation of parental care and support. Rescinded IAB 11/1/00, effective 1/1/01.

75.54(4) Continuous eligibility for children. Rescinded IAB 11/5/08, effective 11/1/08.

441—75.55(249A) Eligibility factors specific to specified relatives.

75.55(1) Specified relationship.

a. A child may be considered as meeting the requirement of living with a specified relative if the child’s home is with one of the following or with a spouse of the relative even though the marriage is terminated by death or divorce:

Father or adoptive father.

Mother or adoptive mother.

Grandfather or grandfather-in-law, meaning the subsequent husband of the child’s natural grandmother, i.e., stepgrandfather or adoptive grandfather.

Grandmother or grandmother-in-law, meaning the subsequent wife of the child's natural grandfather, i.e., stepgrandmother or adoptive grandmother.

Great-grandfather or great-great-grandfather.

Great-grandmother or great-great-grandmother.

Stepfather, but not his parents.

Stepmother, but not her parents.

Brother, brother-of-half-blood, stepbrother, brother-in-law or adoptive brother.

Sister, sister-of-half-blood, stepsister, sister-in-law or adoptive sister.

Uncle or aunt, of whole or half blood.

Uncle-in-law or aunt-in-law.

Great uncle or great-great-uncle.

Great aunt or great-great-aunt.

First cousins, nephews, or nieces.

b. A relative of the putative father can qualify as a specified relative if the putative father has acknowledged paternity by the type of written evidence on which a prudent person would rely.

75.55(2) *Liability of relatives.* All appropriate steps shall be taken to secure support from legally liable persons on behalf of all persons in the eligible group, including the establishment of paternity as provided in rule 441—75.14(249A).

a. When necessary to establish eligibility, the department shall make the initial contact with the absent parent at the time of application. Subsequent contacts may be made by the child support recovery unit.

b. When contact with the family or other sources of information indicates that relatives other than parents and spouses of the eligible children are contributing toward the support of members of the eligible group, have contributed in the past, or are of such financial standing they might reasonably be expected to contribute, the department shall contact these persons to verify current contributions or arrange for contributions on a voluntary basis.

[ARC 8785B, IAB 6/2/10, effective 8/1/10]

441—75.56(249A) Resources.

75.56(1) *Limitation.* Unless otherwise specified, a client may have the following resources and be eligible for the family medical assistance program (FMAP) or FMAP-related programs. Any resource not specifically exempted shall be counted toward the applicable resource limit when determining eligibility for adults. All resources shall be disregarded when determining eligibility for children.

a. A homestead without regard to its value. A mobile home or similar shelter shall be considered as a homestead when it is occupied by the client. Temporary absence from the homestead with a defined purpose for the absence and with intent to return when the purpose of the absence has been accomplished shall not be considered to have altered the exempt status of the homestead. Except as described at paragraph 75.56(1) "n" or "o," the net market value of any other real property shall be considered with personal property.

b. Household goods and personal effects without regard to their value. Personal effects are personal or intimate tangible belongings of an individual, especially those that are worn or carried on the person, which are maintained in one's home, and include clothing, books, grooming aids, jewelry, hobby equipment, and similar items.

c. Life insurance which has no cash surrender value. The owner of the life insurance policy is the individual paying the premium on the policy with the right to change the policy as the individual sees fit.

d. One motor vehicle per household. If the household includes more than one adult or working teenaged child whose resources must be considered as described in subrule 75.56(2), an equity not to exceed a value of \$3,000 in one additional motor vehicle shall be disregarded for each additional adult or working teenaged child.

(1) The disregard for an additional motor vehicle shall be allowed when a working teenager is temporarily absent from work.

(2) The equity value of any additional motor vehicle in excess of \$3,000 shall be counted toward the resource limit in paragraph 75.56(1)“e.” When a motor vehicle is modified with special equipment for the handicapped, the special equipment shall not increase the value of the motor vehicle.

(3) Beginning July 1, 1994, and continuing in succeeding state fiscal years, the motor vehicle equity value to be disregarded shall be increased by the latest increase in the consumer price index for used vehicles during the previous state fiscal year.

e. A reserve of other property, real or personal, not to exceed \$2,000 for applicant assistance units and \$5,000 for member assistance units. EXCEPTION: Applicant assistance units that contain at least one person who was a Medicaid member in Iowa in the month before the month of application are subject to the \$5,000 limit. Resources of the assistance unit shall be determined in accordance with persons considered, as described at subrule 75.56(2).

f. Money which is counted as income for the month and that part of lump-sum income defined at paragraph 75.57(9)“c” reserved for the current or future month’s income.

g. Payments which are exempted for consideration as income and resources under subrule 75.57(6).

h. An equity not to exceed \$1,500 in one funeral contract or burial trust for each member of the eligible group. Any amount in excess of \$1,500 shall be counted toward resource limits unless it is established that the funeral contract or burial trust is irrevocable.

i. One burial plot for each member of the eligible group. A burial plot is defined as a conventional gravesite, crypt, mausoleum, urn, or other repository which is customarily and traditionally used for the remains of a deceased person.

j. Settlements for payment of medical expenses.

k. Life estates.

l. Federal or state earned income tax credit payments in the month of receipt and the following month, regardless of whether these payments are received with the regular paychecks or as a lump sum with the federal or state income tax refund.

m. The balance in an individual development account (IDA), including interest earned on the IDA.

n. An equity not to exceed \$10,000 for tools of the trade or capital assets of self-employed households.

When the value of any resource is exempted in part, that portion of the value which exceeds the exemption shall be considered in calculating whether the eligible group’s property is within the reserve defined in paragraph “e.”

o. Nonhomestead property that produces income consistent with the property’s fair market value.
75.56(2) Persons considered.

a. Resources of persons in the eligible group shall be considered in establishing property limits.

b. Resources of the parent who is living in the home with the eligible children but who is not eligible for Medicaid shall be considered in the same manner as if the parent were eligible for Medicaid.

c. Resources of the stepparent living in the home shall not be considered when determining eligibility of the eligible group, with one exception: The resources of a stepparent included in the eligible group shall be considered in the same manner as a parent.

d. The resources of supplemental security income (SSI) members shall not be counted in establishing property limitations. When property is owned by both the SSI beneficiary and a Medicaid member in another eligible group, each shall be considered as having a half interest in order to determine the value of the resource, unless the terms of the deed or purchase contract clearly establish ownership on a different proportional basis.

e. The resources of a nonparental specified relative who elects to be included in the eligible group shall be considered in the same manner as a parent.

75.56(3) Homestead defined. The homestead consists of the house, used as a home, and may contain one or more contiguous lots or tracts of land, including buildings and appurtenances. When within a city plat, it shall not exceed ½ acre in area. When outside a city plat it shall not contain, in the aggregate, more than 40 acres. When property used as a home exceeds these limitations, the equity value of the excess property shall be determined in accordance with subrule 75.56(5).

75.56(4) Liquidation. When proceeds from the sale of resources or conversion of a resource to cash, together with other nonexempted resources, exceed the property limitations, the member is ineligible to receive assistance until the amount in excess of the resource limitation has been expended unless immediately used to purchase a homestead, or reduce the mortgage on a homestead.

a. Property settlements. Property settlements which are part of a legal action in a dissolution of marriage or palimony suit are considered as resources upon receipt.

b. Property sold under installment contract. Property sold under an installment contract or held as security in exchange for a price consistent with its fair market value is exempt as a resource. If the price is not consistent with the contract's fair market value, the resource value of the installment contract is the gross price for which it can be sold or discounted on the open market, less any legal debts, claims, or liens against the installment contract.

Payments from property sold under an installment contract are exempt as income as specified in paragraphs 75.57(1) "d" and 75.57(7) "ag." The portion of any payment received representing principal is considered a resource upon receipt. The interest portion of the payment is considered a resource the month following the month of receipt.

75.56(5) Net market value defined. Net market value is the gross price for which property or an item can currently be sold on the open market, less any legal debts, claims, or liens against the property or item.

75.56(6) Availability.

a. A resource must be available in order for it to be counted toward resource limitations. A resource is considered available under the following circumstances:

(1) The applicant or member owns the property in part or in full and has control over it. That is, it can be occupied, rented, leased, sold, or otherwise used or disposed of at the individual's discretion.

(2) The applicant or member has a legal interest in a liquidated sum and has the legal ability to make the sum available for support and maintenance.

b. Rescinded IAB 6/30/99, effective 9/1/99.

c. When property is owned by more than one person, unless otherwise established, it is assumed that all persons hold equal shares in the property.

d. When the applicant or member owns nonhomestead property, the property shall be considered exempt for so long as the property is publicly advertised for sale at an asking price that is consistent with its fair market value.

75.56(7) Damage judgments and insurance settlements.

a. Payment resulting from damage to or destruction of an exempt resource shall be considered a resource to the applicant or member the month following the month the payment was received. When the applicant or member signs a legal binding commitment no later than the month after the month the payment was received, the funds shall be considered exempt for the duration of the commitment providing the terms of the commitment are met within eight months from the date of commitment.

b. Payment resulting from damage to or destruction of a nonexempt resource shall be considered a resource in the month following the month in which payment was received.

75.56(8) Conservatorships.

a. Conservatorships established prior to February 9, 1994. The department shall determine whether assets from a conservatorship, except one established solely for the payment of medical expenses, are available by examining the language of the order establishing the conservatorship.

(1) Funds clearly conserved and available for care, support, or maintenance shall be considered toward resource or income limitations.

(2) When the department worker questions whether the funds in a conservatorship are available, the worker shall refer the conservatorship to the central office. When assets in the conservatorship are not clearly available, central office staff may contact the conservator and request that the funds in the conservatorship be made available for current support and maintenance. When the conservator chooses not to make the funds available, the department may petition the court to have the funds released either partially or in their entirety or as periodic income payments.

(3) Funds in a conservatorship that are not clearly available shall be considered unavailable until the conservator or court actually makes the funds available.

(4) Payments received from the conservatorship for basic or special needs are considered income.

b. Conservatorships established on or after February 9, 1994. Conservatorships established on or after February 9, 1994, shall be treated according to the provisions of paragraphs 75.24(1)“*e*” and 75.24(2)“*b*.”

75.56(9) *Not considered a resource.* Inventories and supplies, exclusive of capital assets, that are required for self-employment shall not be considered a resource. Inventory is defined as all unsold items, whether raised or purchased, that are held for sale or use and shall include, but not be limited to, merchandise, grain held in storage and livestock raised for sale. Supplies are items necessary for the operation of the enterprise, such as lumber, paint, and seed. Capital assets are those assets which, if sold at a later date, could be used to claim capital gains or losses for federal income tax purposes. When self-employment is temporarily interrupted due to circumstances beyond the control of the household, such as illness, inventory or supplies retained by the household shall not be considered a resource.

441—75.57(249A) Income. When determining initial and ongoing eligibility for the family medical assistance program (FMAP) and FMAP-related Medicaid coverage groups, all unearned and earned income, unless specifically exempted, disregarded, deducted for work expenses, or diverted as defined in these rules, shall be considered.

1. Unless otherwise specified at rule 441—75.1(249A), the determination of initial eligibility is a three-step process. Initial eligibility shall be granted only when (1) the countable gross nonexempt unearned and earned income received by the eligible group and available to meet the current month’s needs is no more than 185 percent of living costs as identified in the schedule of needs at subrule 75.58(2) for the eligible group (Test 1); (2) the countable net earned and unearned income is less than the schedule of living costs as identified in the schedule of needs at subrule 75.58(2) for the eligible group (Test 2); and (3) the countable net unearned and earned income, after applying allowable disregards, is less than the schedule of basic needs as identified at subrule 75.58(2) for the eligible group (Test 3).

2. The determination of continuing eligibility is a two-step process. Continuing eligibility shall be granted only when (1) countable gross nonexempt income, as described for initial eligibility, does not exceed 185 percent of the living costs as identified in the schedule of needs at subrule 75.58(2) for the eligible group (Test 1); and (2) countable net unearned and earned income is less than the schedule of basic needs as identified in the schedule of needs at subrule 75.58(2) for the eligible group (Test 3).

3. Child support assigned to the department in accordance with 441—subrule 41.22(7) shall be considered unearned income for the purpose of determining continuing eligibility, except as specified at paragraphs 75.57(1)“*e*,” 75.57(6)“*u*,” and 75.57(7)“*o*.” Expenses for care of children or disabled adults, deductions, and diversions shall be allowed when verification is provided.

75.57(1) Unearned income. Unearned income is any income in cash that is not gained by labor or service. When taxes are withheld from unearned income, the amount considered will be the net income after the withholding of taxes (Federal Insurance Contribution Act, state and federal income taxes). Net unearned income shall be determined by deducting reasonable income-producing costs from the gross unearned income. Money left after this deduction shall be considered gross income available to meet the needs of the eligible group.

a. Social security income is the amount of the entitlement before withholding of a Medicare premium.

b. Financial assistance received for education or training. Rescinded IAB 2/11/98, effective 2/1/98.

c. Rescinded IAB 2/11/98, effective 2/1/98.

d. When the client sells property on contract, proceeds from the sale shall be considered exempt as income. The portion of any payment that represents principal is considered a resource upon receipt as defined in subrule 75.56(4). The interest portion of the payment is considered a resource the month following the month of receipt.

e. Support payments in cash shall be considered as unearned income in determining initial and continuing eligibility.

(1) Any nonexempt cash support payment, for a member of the eligible group, made while the application is pending shall be treated as unearned income.

(2) Support payments shall be considered as unearned income in the month in which the IV-A agency (income maintenance) is notified of the payment by the IV-D agency (child support recovery unit).

The amount of income to consider shall be the actual amount paid or the monthly entitlement, whichever is less.

(3) Support payments reported by child support recovery during a past month for which eligibility is being determined shall be used to determine eligibility for the month. Support payments anticipated to be received in future months shall be used to determine eligibility for future months. When support payments terminate in the month of decision of an FMAP-related Medicaid application, both support payments already received and support payments anticipated to be received in the month of decision shall be used to determine eligibility for that month.

(4) When the reported support payment, combined with other income, creates ineligibility under the current coverage group, an automatic redetermination of eligibility shall be conducted in accordance with the provisions of rule 441—76.11(249A). Persons receiving Medicaid under the family medical assistance program in accordance with subrule 75.1(14) may be entitled to continued coverage under the provisions of subrule 75.1(21). Eligibility may be reestablished for any month in which the countable support payment combined with other income meets the eligibility test.

f. The client shall cooperate in supplying verification of all unearned income and of any change in income, as defined at rule 441—75.50(249A).

(1) When the information is available, the department shall verify job insurance benefits by using information supplied to the department by Iowa workforce development. When the department uses this information as verification, job insurance benefits shall be considered received the second day after the date that the check was mailed by Iowa workforce development. When the second day falls on a Sunday or federal legal holiday, the time shall be extended to the next mail delivery day.

(2) When the client notifies the department that the amount of job insurance benefits used is incorrect, the client shall be allowed to verify the discrepancy. The client must report the discrepancy before the eligibility month or within ten days of the date on the Notice of Decision, Form 470-0485, 470-0485(S), 470-0486, or 470-0486(S), applicable to the eligibility month, whichever is later.

75.57(2) Earned income. Earned income is defined as income in the form of a salary, wages, tips, bonuses, commission earned as an employee, income from Job Corps, or profit from self-employment. Earned income from commissions, wages, tips, bonuses, Job Corps, or salary means the total gross amount irrespective of the expenses of employment. With respect to self-employment, earned income means the net profit from self-employment, defined as gross income less the allowable costs of producing the income. Income shall be considered earned income when it is produced as a result of the performance of services by an individual.

a. Each person in the assistance unit whose gross nonexempt earned income, earned as an employee or net profit from self-employment, considered in determining eligibility is entitled to one 20 percent earned income deduction of nonexempt monthly gross earnings. The deduction is intended to include work-related expenses other than child care. These expenses shall include, but are not limited to, all of the following: taxes, transportation, meals, uniforms, and other work-related expenses.

b. Each person in the assistance unit is entitled to a deduction for care expenses subject to the following limitations.

(1) Persons in the eligible group and excluded parents shall be allowed care expenses for a child or incapacitated adult in the eligible group.

(2) Stepparents as described at paragraph 75.57(8)“*b*” and self-supporting parents on underage parent cases as described at paragraph 75.57(8)“*c*” shall be allowed incapacitated adult care or child care expenses for the ineligible dependents of the stepparent or self-supporting parent.

(3) Unless both parents are in the home and one parent is physically and mentally able to provide the care, child care or care for an incapacitated adult shall be considered a work expense in the amount paid for care of each child or incapacitated adult, not to exceed \$175 per month, or \$200 per month for a child under the age of two, or the going rate in the community, whichever is less.

(4) If both parents are in the home, adult or child care expenses shall not be allowed when one parent is unemployed and is physically and mentally able to provide the care.

(5) The deduction is allowable only when the care covers the actual hours of the individual's employment plus a reasonable period of time for commuting; or the period of time when the individual who would normally care for the child or incapacitated adult is employed at such hours that the individual is required to sleep during the waking hours of the child or incapacitated adult, excluding any hours a child is in school.

(6) Any special needs of a physically or mentally handicapped child or adult shall be taken into consideration in determining the deduction allowed.

(7) If the amount claimed is questionable, the expense shall be verified by a receipt or a statement from the provider of care. The expense shall be allowed when paid to any person except a parent or legal guardian of the child, another member of the eligible group, or any person whose needs are met by diversion of income from any person in the eligible group.

c. Work incentive disregard. After deducting the allowable work-related expenses as defined at paragraphs 75.57(2) "a" and "b" and income diversions as defined at subrule 75.57(4), 58 percent of the total of the remaining monthly nonexempt earned income, earned as an employee or the net profit from self-employment, of each person whose income must be considered is disregarded in determining eligibility for the family medical assistance program (FMAP) and those FMAP-related coverage groups subject to the three-step process for determining initial eligibility as described at rule 441—75.57(249A).

(1) The work incentive disregard is not time-limited.

(2) Initial eligibility under the first two steps of the three-step process is determined without the application of the work incentive disregard as described at subparagraphs 75.57(9) "a"(2) and (3).

(3) A person who is not eligible for Medicaid because the person has refused to cooperate in applying for or accepting benefits from other sources, in accordance with the provisions of rule 441—75.2(249A), 441—75.3(249A), or 441—75.21(249A), is eligible for the work incentive disregard.

d. Rescinded IAB 6/30/99, effective 9/1/99.

e. A person is considered self-employed when the person:

(1) Is not required to report to the office regularly except for specific purposes such as sales training meetings, administrative meetings, or evaluation sessions.

(2) Establishes the person's own working hours, territory, and methods of work.

(3) Files quarterly reports of earnings, withholding payments, and FICA payments to the Internal Revenue Service.

f. The net profit from self-employment income in a non-home-based operation shall be determined by deducting only the following expenses that are directly related to the production of the income:

(1) The cost of inventories and supplies purchased that are required for the business, such as items for sale or consumption and raw materials.

(2) Wages, commissions, and mandated costs relating to the wages for employees of the self-employed.

(3) The cost of shelter in the form of rent, the interest on mortgage or contract payments; taxes; and utilities.

(4) The cost of machinery and equipment in the form of rent or the interest on mortgage or contract payments.

(5) Insurance on the real or personal property involved.

(6) The cost of any repairs needed.

(7) The cost of any travel required.

(8) Any other expense directly related to the production of income, except the purchase of capital equipment and payment on the principal of loans for capital assets and durable goods or any cost of depreciation.

g. When the client is renting out apartments in the client's home, the following shall be deducted from the gross rentals received to determine the profit:

(1) Shelter expense in excess of that set forth on the chart of basic needs components at subrule 75.58(2) for the eligible group.

(2) That portion of expense for utilities furnished to tenants which exceeds the amount set forth on the chart of basic needs components at subrule 75.58(2).

(3) Ten percent of gross rentals to cover the cost of upkeep.

h. In determining profit from furnishing board, room, operating a family-life home, or providing nursing care, the following amounts shall be deducted from the payments received:

(1) \$41 plus an amount equivalent to the monthly maximum food assistance program benefit for a one-member household for a boarder and roomer or an individual in the home to receive nursing care, or \$41 for a roomer, or an amount equivalent to the monthly maximum food assistance program benefit for a one-member household for a boarder.

(2) Ten percent of the total payment to cover the cost of upkeep for individuals receiving a room or nursing care.

i. Gross income from providing child care in the applicant's or member's own home shall include the total payments received for the service and any payment received due to the Child Nutrition Amendments of 1978 for the cost of providing meals to children.

(1) In determining profit from providing child care services in the applicant's or member's own home, 40 percent of the total gross income received shall be deducted to cover the costs of producing the income, unless the applicant or member requests to have actual expenses in excess of the 40 percent considered.

(2) When the applicant or member requests to have expenses in excess of the 40 percent considered, profit shall be determined in the same manner as specified at paragraph 75.57(2) "j."

j. In determining profit for a self-employed enterprise in the home other than providing room and board, renting apartments or providing child care services, the following expenses shall be deducted from the income received:

(1) The cost of inventories and supplies purchased that are required for the business, such as items for sale or consumption and raw materials.

(2) Wages, commissions, and mandated costs relating to the wages for employees.

(3) The cost of machinery and equipment in the form of rent; or the interest on mortgage or contract payment; and any insurance on such machinery equipment.

(4) Ten percent of the total gross income to cover the costs of upkeep when the work is performed in the home.

(5) Any other direct cost involved in the production of the income, except the purchase of capital equipment and payment on the principal of loans for capital equipment and payment on the principal of loans for capital assets and durable goods or any cost of depreciation.

k. Rescinded IAB 6/30/99, effective 9/1/99.

l. The applicant or member shall cooperate in supplying verification of all earned income and of any change in income, as defined at rule 441—75.50(249A). A self-employed applicant or member shall keep any records necessary to establish eligibility.

75.57(3) Shared living arrangements. When an applicant or member shares living arrangements with another family or person, funds combined to meet mutual obligations for shelter and other basic needs are not income. Funds made available to the applicant or member, exclusively for the applicant's or member's needs, are considered income.

75.57(4) Diversion of income.

a. Nonexempt earned and unearned income of the parent shall be diverted to meet the unmet needs of the ineligible children of the parent living in the family group who meet the age and school attendance requirements specified in subrule 75.54(1). Income of the parent shall be diverted to meet the unmet needs of the ineligible children of the parent and a companion in the home only when the income and resources of the companion and the children are within family medical assistance program standards. The maximum income that shall be diverted to meet the needs of the ineligible children shall be the

difference between the needs of the eligible group if the ineligible children were included and the needs of the eligible group with the ineligible children excluded, except as specified at paragraph 75.57(8) "b."

b. Nonexempt earned and unearned income of the parent shall be diverted to permit payment of court-ordered support to children not living with the parent when the payment is actually being made.

75.57(5) *Income of unmarried specified relatives under the age of 19.*

a. Income of the unmarried specified relative under the age of 19 when that specified relative lives with a parent who receives coverage under family medical assistance-related programs or lives with a nonparental relative or in an independent living arrangement.

(1) The income of the unmarried, underage specified relative who is also an eligible child in the eligible group of the specified relative's parent shall be treated in the same manner as that of any other child. The income for the unmarried, underage specified relative who is not an eligible child in the eligible group of the specified relative's parent shall be treated in the same manner as though the specified relative had attained majority.

(2) The income of the unmarried, underage specified relative living with a nonparental relative or in an independent living arrangement shall be treated in the same manner as though the specified relative had attained majority.

b. Income of the unmarried specified relative under the age of 19 who lives in the same home as a self-supporting parent. The income of the unmarried specified relative under the age of 19 living in the same home as a self-supporting parent shall be treated in accordance with subparagraphs (1), (2), and (3) below.

(1) When the unmarried specified relative is under the age of 18 and not a parent of the dependent child, the income of the specified relative shall be exempt.

(2) When the unmarried specified relative is under the age of 18 and a parent of the dependent child, the income of the specified relative shall be treated in the same manner as though the specified relative had attained majority. The income of the specified relative's self-supporting parents shall be treated in accordance with paragraph 75.57(8) "c."

(3) When the unmarried specified relative is 18 years of age, the specified relative's income shall be treated in the same manner as though the specified relative had attained majority.

75.57(6) *Exempt as income and resources.* The following shall be exempt as income and resources:

a. Food reserves from home-produced garden products, orchards, domestic animals, and the like, when used by the household for its own consumption.

b. The value of the food assistance program benefit.

c. The value of the United States Department of Agriculture donated foods (surplus commodities).

d. The value of supplemental food assistance received under the Child Nutrition Act and the special food service program for children under the National School Lunch Act.

e. Any benefits received under Title III-C, Nutrition Program for the Elderly, of the Older Americans Act.

f. Benefits paid to eligible households under the Low Income Home Energy Assistance Act of 1981.

g. Any payment received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the Federal-Aid Highway Act of 1968.

h. Any judgment funds that have been or will be distributed per capita or held in trust for members of any Indian tribe. When the payment, in all or part, is converted to another type of resource, that resource is also exempt.

i. Payments to volunteers participating in the Volunteers in Service to America (VISTA) program, except that this exemption will not be applied when the director of ACTION determines that the value of all VISTA payments, adjusted to reflect the number of hours the volunteers are serving, is equivalent to or greater than the minimum wage then in effect under the Fair Labor Standards Act of 1938, or the minimum wage under the laws of the state where the volunteers are serving, whichever is greater.

j. Payments for supporting services or reimbursement of out-of-pocket expenses received by volunteers in any of the programs established under Titles II and III of the Domestic Volunteer Services Act.

- k.* Tax-exempt portions of payments made pursuant to the Alaskan Native Claims Settlement Act.
 - l.* Experimental housing allowance program payments made under annual contribution contracts entered into prior to January 1, 1975, under Section 23 of the U.S. Housing Act of 1936 as amended.
 - m.* The income of a supplemental security income recipient.
 - n.* Income of an ineligible child.
 - o.* Income in-kind.
 - p.* Family support subsidy program payments.
 - q.* Grants obtained and used under conditions that preclude their use for current living costs.
 - r.* All earned and unearned educational funds of an undergraduate or graduate student or a person in training. Any extended social security or veterans benefits received by a parent or nonparental relative as defined at subrule 75.55(1), conditional to school attendance, shall be exempt. However, any additional amount received for the person's dependents who are in the eligible group shall be counted as nonexempt income.
 - s.* Subsidized guardianship program payments.
 - t.* Any income restricted by law or regulation which is paid to a representative payee living outside the home, unless the income is actually made available to the applicant or member by the representative payee.
 - u.* The first \$50 received by the eligible group which represents a current monthly support obligation or a voluntary support payment, paid by a legally responsible individual, but in no case shall the total amount exempted exceed \$50 per month per eligible group.
 - v.* Bona fide loans. Evidence of a bona fide loan may include any of the following:
 - (1) The loan is obtained from an institution or person engaged in the business of making loans.
 - (2) There is a written agreement to repay the money within a specified time.
 - (3) If the loan is obtained from a person not normally engaged in the business of making a loan, there is borrower's acknowledgment of obligation to repay (with or without interest), or the borrower expresses intent to repay the loan when funds become available in the future, or there is a timetable and plan for repayment.
 - w.* Payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In re Agent Orange product liability litigation, M.D.L. No. 381 (E.D.N.Y.).
 - x.* The income of a person ineligible due to receipt of state-funded foster care, IV-E foster care, or subsidized adoption assistance.
 - y.* Payments for major disaster and emergency assistance provided under the Disaster Relief Act of 1974 as amended by Public Law 100-707, the Disaster Relief and Emergency Assistance Amendments of 1988.
 - z.* Payments made to certain United States citizens of Japanese ancestry and resident Japanese aliens under Section 105 of Public Law 100-383, and payments made to certain eligible Aleuts under Section 206 of Public Law 100-383, entitled "Wartime Relocation of Civilians."
 - aa.* Payments received from the Radiation Exposure Compensation Act.
 - ab.* Deposits into an individual development account (IDA) when determining eligibility. The amount of the deposit is exempt as income and shall not be used in the 185 percent eligibility test. Deposits shall be deducted from nonexempt earned and unearned income beginning with the month following the month in which verification that deposits have begun is received. The client shall be allowed a deduction only when the deposit is made from the client's money. The earned income deductions at paragraphs 75.57(2) "a," "b," and "c" shall be applied to nonexempt earnings from employment or net profit from self-employment that remains after deducting the amount deposited into the account. Allowable deductions shall be applied to any nonexempt unearned income that remains after deducting the amount of the deposit. If the client has both nonexempt earned and unearned income, the amount deposited into the IDA account shall first be deducted from the client's nonexempt unearned income. Deposits shall not be deducted from earned or unearned income that is exempt.
- 75.57(7) Exempt as income.** The following are exempt as income.
- a.* Reimbursements from a third party.
 - b.* Reimbursement from the employer for a job-related expense.

- c.* The following nonrecurring lump sum payments:
- (1) Income tax refund.
 - (2) Retroactive supplemental security income benefits.
 - (3) Settlements for the payment of medical expenses.
 - (4) Refunds of security deposits on rental property or utilities.
 - (5) That part of a lump sum received and expended for funeral and burial expenses.
 - (6) That part of a lump sum both received and expended for the repair or replacement of resources.
- d.* Payments received by the family for providing foster care when the family is operating a licensed foster home.
- e.* A small monetary nonrecurring gift, such as a Christmas, birthday or graduation gift, not to exceed \$30 per person per calendar quarter.
- When a monetary gift from any one source is in excess of \$30, the total gift is countable as unearned income. When monetary gifts from several sources are each \$30 or less, and the total of all gifts exceeds \$30, only the amount in excess of \$30 is countable as unearned income.
- f.* Federal or state earned income tax credit.
- g.* Supplementation from county funds, providing:
- (1) The assistance does not duplicate any of the basic needs as recognized by the chart of basic needs components in accordance with subrule 75.58(2), or
 - (2) The assistance, if a duplication of any of the basic needs, is made on an emergency basis, not as ongoing supplementation.
- h.* Any payment received as a result of an urban renewal or low-cost housing project from any governmental agency.
- i.* A retroactive corrective family investment program (FIP) payment.
- j.* The training allowance issued by the division of vocational rehabilitation, department of education.
- k.* Payments from the PROMISE JOBS program.
- l.* The training allowance issued by the department for the blind.
- m.* Payments from passengers in a car pool.
- n.* Support refunded by the child support recovery unit for the first month of termination of eligibility and the family does not receive the family investment program.
- o.* Rescinded IAB 10/4/00, effective 10/1/00.
- p.* Rescinded IAB 10/4/00, effective 10/1/00.
- q.* Income of a nonparental relative as defined at subrule 75.55(1) except when the relative is included in the eligible group.
- r.* Rescinded IAB 10/4/00, effective 10/1/00.
- s.* Compensation in lieu of wages received by a child funded through an employment and training program of the U.S. Department of Labor.
- t.* Any amount for training expenses included in a payment funded through an employment and training program of the U.S. Department of Labor.
- u.* Earnings of a person aged 19 or younger who is a full-time student as defined at subparagraphs 75.54(1) "b"(1) and (2). The exemption applies through the entire month of the person's twentieth birthday.
- EXCEPTION: When the twentieth birthday falls on the first day of the month, the exemption stops on the first day of that month.
- v.* Income attributed to an unmarried, underage parent in accordance with paragraph 75.57(8) "c" effective the first day of the month following the month in which the unmarried, underage parent turns age 18 or reaches majority through marriage. When the unmarried, underage parent turns 18 on the first day of a month, the income of the self-supporting parents becomes exempt as of the first day of that month.
- w.* Incentive payments received from participation in the adolescent pregnancy prevention programs.

x. Payments received from the comprehensive child development program, funded by the Administration for Children, Youth, and Families, provided the payments are considered complimentary assistance by federal regulation.

y. Incentive allowance payments received from the work force investment project, provided the payments are considered complimentary assistance by federal regulation.

z. Interest and dividend income.

aa. Rescinded IAB 10/4/00, effective 10/1/00.

ab. Honorarium income. All moneys paid to an eligible household in connection with the welfare reform demonstration longitudinal study or focus groups shall be exempted.

ac. Income that an individual contributes to a trust as specified at paragraph 75.24(3) "b" shall not be considered for purposes of determining eligibility for the family medical assistance program (FMAP) or FMAP-related Medicaid coverage groups.

ad. Benefits paid to the eligible household under the family investment program (FIP).

ae. Moneys received through the pilot self-sufficiency grants program or through the pilot diversion program.

af. Earnings from new employment of any person whose income is considered when determining eligibility during the first four calendar months of the new employment. The date the new employment or self-employment begins shall be verified before approval of the exemption. This four-month period shall be referred to as the work transition period (WTP).

(1) The exempt period starts the first day of the month in which the client receives the first pay from the new employment and continues through the next three benefit months, regardless if the job ends during the four-month period.

(2) To qualify for this disregard, the person shall not have earned more than \$1,200 in the 12 calendar months prior to the month in which the new job begins, the income must be reported timely in accordance with rule 441—76.10(249A), and the new job must have started after the date the application is filed. For purposes of this policy, the \$1,200 earnings limit applies to the gross amount of income without any allowance for exemptions, disregards, work deductions, diversions, or the costs of doing business used in determining net profit from any income test in rule 441—75.57(249A).

(3) If another new job or self-employment enterprise starts while a WTP is in progress, the exemption shall also be applied to earnings from the new source that are received during the original 4-month period, provided that the earnings were less than \$1,200 in the 12-month period before the month the other new job or self-employment enterprise begins.

(4) An individual is allowed the 4-month exemption period only once in a 12-month period. An additional 4-month exemption shall not be granted until the month after the previous 12-month period has expired.

(5) If a person whose income is considered enters the household, the new job must start after the date the person enters the home or after the person is reported in the home, whichever is later, in order for that person to qualify for the exemption.

(6) When a person living in the home whose income is not considered subsequently becomes an assistance unit member whose income is considered, the new job must start after the date of the change that causes the person's income to be considered in order for that person to qualify for the exemption.

(7) A person who begins new employment or self-employment that is intermittent in nature may qualify for the WTP. "Intermittent" includes, but is not limited to, working for a temporary agency that places the person in different job assignments on an as-needed or on-call basis, or self-employment from providing child care for one or more families. However, a person is not considered as starting new employment or self-employment each time intermittent employment restarts or changes such as when the same temporary agency places the person in a new assignment or a child care provider acquires another child care client.

ag. Payments from property sold under an installment contract as specified in paragraphs 75.56(4) "b" and 75.57(1) "d."

ah. All census earnings received by temporary workers from the Bureau of the Census.

ai. Payments received through participation in the preparation for adult living program pursuant to 441—Chapter 187.

75.57(8) *Treatment of income in excluded parent cases, stepparent cases, and underage parent cases.*

a. Treatment of income in excluded parent cases. A parent who is living in the home with the eligible children but who is not eligible for Medicaid is eligible for the 20 percent earned income deduction, child care expenses for children in the eligible group, the 58 percent work incentive disregard described at paragraphs 75.57(2) “a,” “b,” and “c,” and diversions described at subrule 75.57(4). All remaining nonexempt income of the parent shall be applied against the needs of the eligible group.

b. Treatment of income in stepparent cases. The income of a stepparent who is not included in the eligible group but who is living with the parent in the home of an eligible child shall be given the same consideration and treatment as that of a parent subject to the limitations of subparagraphs (1) through (10) below.

(1) The stepparent’s monthly gross nonexempt earned income, earned as an employee or monthly net profit from self-employment, shall receive a 20 percent earned income deduction.

(2) The stepparent’s monthly nonexempt earned income remaining after the 20 percent earned income deduction shall be allowed child care expenses for the stepparent’s ineligible dependents in the home, subject to the restrictions described at subparagraphs 75.57(2) “b”(1) through (5).

(3) Any amounts actually paid by the stepparent to individuals not living in the home, who are claimed or could be claimed by the stepparent as dependents for federal income tax purposes, shall be deducted from nonexempt monthly earned and unearned income of the stepparent.

(4) The stepparent shall also be allowed a deduction from nonexempt monthly earned and unearned income for alimony and child support payments made to individuals not living in the home with the stepparent.

(5) Except as described at subrule 75.57(10), the nonexempt monthly earned and unearned income of the stepparent remaining after application of the deductions at subparagraphs 75.57(8) “b”(1) through (4) above shall be used to meet the needs of the stepparent and the stepparent’s dependents living in the home, when the dependents’ needs are not included in the eligible group and the stepparent claims or could claim the dependents for federal income tax purposes. These needs shall be determined in accordance with the schedule of needs for a family group of the same composition in accordance with subrule 75.58(2).

(6) The stepparent shall be allowed the 58 percent work incentive disregard from monthly earnings. The disregard shall be applied to earnings that remain after all other deductions at subparagraphs 75.57(8) “b”(1) through (5) have been subtracted from the earnings. However, the work incentive disregard is not allowed when determining initial eligibility as described at subparagraphs 75.57(9) “a”(2) and (3).

(7) The deductions described in subparagraphs (1) through (6) shall first be subtracted from earned income in the same order as they appear above.

When the stepparent has both nonexempt earned and unearned income and earnings are less than the allowable deductions, then any remaining portion of the deductions in subparagraphs (3) through (5) shall be subtracted from unearned income. Any remaining income shall be applied as unearned income to the needs of the eligible group.

If the stepparent has earned income remaining after allowable deductions, then any nonexempt unearned income shall be added to the earnings and the resulting total counted as unearned income to the needs of the eligible group.

(8) A nonexempt, nonrecurring lump sum received by a stepparent shall be considered as income and counted in computing eligibility in the same manner as it would be treated for a parent. Any portion of the nonrecurring lump sum retained by the stepparent in the month following the month of receipt shall be considered a resource to the stepparent if that portion is not exempted according to paragraph 75.56(1) “f.”

(9) When the income of the stepparent, not in the eligible group, is insufficient to meet the needs of the stepparent and the stepparent’s dependents living in the home who are not eligible for FMAP-related

Medicaid, the income of the parent may be diverted to meet the unmet needs of the children of the current marriage except as described at subrule 75.57(10).

(10) When the needs of the stepparent, living in the home, are not included in the eligible group, the eligible group and any children of the parent living in the home who are not eligible for FMAP-related Medicaid shall be considered as one unit, and the stepparent and the stepparent's dependents, other than the spouse, shall be considered a separate unit.

(11) Rescinded IAB 6/30/99, effective 9/1/99.

c. Treatment of income in underage parent cases. In the case of a dependent child whose unmarried parent is under the age of 18 and living in the same home as the unmarried, underage parent's own self-supporting parents, the income of each self-supporting parent shall be considered available to the eligible group after appropriate deductions unless the provisions of rule 441—75.59(249A) apply. The deductions to be applied are the same as are applied to the income of a stepparent pursuant to subparagraphs 75.57(8)“b”(1) through (7). Child care expenses at subparagraph 75.57(8)“b”(2) shall be allowed for the self-supporting parent's ineligible children. Nonrecurring lump sum income received by the self-supporting parent(s) shall be treated in accordance with subparagraph 75.57(8)“b”(8).

When the self-supporting spouse of a self-supporting parent is also living in the home, the income of that spouse shall be attributable to the self-supporting parent in the same manner as the income of a stepparent is determined pursuant to subparagraphs 75.57(8)“b”(1) through (7) unless the provisions of rule 441—75.59(249A) apply. Child care expenses at subparagraph 75.57(8)“b”(2) shall be allowed for the ineligible dependents of the self-supporting spouse who is a stepparent of the minor parent. Nonrecurring lump sum income received by the spouse of the self-supporting parent shall be treated in accordance with subparagraph 75.57(8)“b”(8). The self-supporting parent and any ineligible dependents of that person shall be considered as one unit. The self-supporting spouse and the spouse's ineligible dependents, other than the self-supporting parent, shall be considered a separate unit.

75.57(9) Budgeting process.

a. Initial and ongoing eligibility. Both initial and ongoing eligibility shall be based on a projection of income based on the best estimate of future income.

(1) Upon application, the department shall use all earned and unearned income received by the eligible group to project future income. Allowable work expenses shall be deducted from earned income, except in determining eligibility under the 185 percent test defined at rule 441—75.57(249A). The determination of initial eligibility is a three-step process as described at rule 441—75.57(249A).

(2) Test 1. When countable gross nonexempt earned and unearned income exceeds 185 percent of the schedule of living costs (Test 1), as identified at subrule 75.58(2) for the eligible group, eligibility does not exist under any coverage group for which these income tests apply. Countable gross income means nonexempt gross income, as defined at rule 441—75.57(249A), without application of any disregards, deductions, or diversions.

(3) Test 2. When the countable gross nonexempt earned and unearned income equals or is less than 185 percent of the schedule of living costs for the eligible group, initial eligibility under the schedule of living costs (Test 2) shall then be determined. Initial eligibility under the schedule of living costs is determined without application of the 58 percent work incentive disregard as specified at paragraph 75.57(2)“c.” All other appropriate exemptions, deductions and diversions are applied. Countable income is then compared to the schedule of living costs (Test 2) for the eligible group. When countable net earned and unearned income equals or exceeds the schedule of living costs for the eligible group, eligibility does not exist under any coverage group for which these income tests apply.

(4) Test 3. After application of Tests 1 and 2 for initial eligibility or of Test 1 for ongoing eligibility, the 58 percent work incentive disregard at paragraph 75.57(2)“c” shall be applied when there is eligibility for this disregard. When countable net earned and unearned income, after application of the work incentive disregard and all other appropriate exemptions, deductions, and diversions, equals or exceeds the schedule of basic needs (Test 3) for the eligible group, eligibility does not exist under any coverage group for which these tests apply. When the countable net income is less than the schedule of basic needs for the eligible group, the eligible group meets FMAP or CMAP income requirements.

(5) Rescinded IAB 10/4/00, effective 10/1/00.

(6) When income received weekly or biweekly (once every two weeks) is projected for future months, it shall be projected by adding all income received in the time period being used and dividing the result by the number of instances of income received in that time period. The result shall be multiplied by four if the income is received weekly, or by two if the income is received biweekly, regardless of the number of weekly or biweekly payments to be made in future months.

(7) Rescinded IAB 7/4/07, effective 8/1/07.

(8) When a change in circumstances that is required to be timely reported by the client pursuant to paragraphs 75.52(4) “d” and “e” is not reported as required, eligibility shall be redetermined beginning with the month following the month in which the change occurred. When a change in circumstances that is required to be reported by the client at annual review or upon the addition of an individual to the eligible group pursuant to paragraph 75.52(4) “c” is not reported as required, eligibility shall be redetermined beginning with the month following the month in which the change was required to be reported. All other changes shall be acted upon when they are reported or otherwise become known to the department, allowing for a ten-day notice of adverse action, if required.

b. Recurring lump-sum income. Recurring lump-sum earned and unearned income, except for the income of the self-employed, shall be prorated over the number of months for which the income was received and applied to the eligibility determination for the same number of months.

(1) Income received by an individual employed under a contract shall be prorated over the period of the contract.

(2) Income received at periodic intervals or intermittently shall be prorated over the period covered by the income and applied to the eligibility determination for the same number of months. EXCEPTION: Periodic or intermittent income from self-employment shall be treated as described at paragraph 75.57(9) “i.”

(3) When the lump-sum income is earned income, appropriate disregards, deductions and diversions shall be applied to the monthly prorated income. Income is prorated when a recurring lump sum is received at any time.

c. Nonrecurring lump-sum income. Moneys received as a nonrecurring lump sum, except as specified in subrules 75.56(4) and 75.56(7) and at paragraphs 75.57(8) “b” and “c,” shall be treated in accordance with this rule. Nonrecurring lump-sum income includes an inheritance, an insurance settlement or tort recovery, an insurance death benefit, a gift, lottery winnings, or a retroactive payment of benefits, such as social security, job insurance, or workers’ compensation.

(1) Nonrecurring lump-sum income shall be considered as income in the month of receipt and counted in computing eligibility, unless the income is exempt.

(2) When countable income exclusive of any family investment program grant but including countable lump-sum income exceeds the needs of the eligible group under their current coverage group, the countable lump-sum income shall be prorated. The number of full months for which a monthly amount of the lump sum shall be counted as income in the eligibility determination is derived by dividing the total of the lump-sum income and any other countable income received in or projected to be received in the month the lump sum was received by the schedule of living costs, as identified at subrule 75.58(2), for the eligible group. This period is referred to as the period of proration. Any income remaining after this calculation shall be applied as income to the first month following the period of proration and disregarded as income thereafter.

(3) The period of proration shall begin with the month when the nonrecurring lump sum was received, whether or not the receipt of the lump sum was timely reported. If receipt of the lump sum was reported timely and the calculation was completed timely, no recoupment shall be made. If receipt of the lump sum was not reported timely or the calculation was not completed timely, recoupment shall begin with the month of receipt of the nonrecurring lump sum.

(4) The period of proration shall be shortened when:

1. The schedule of living costs as defined at subrule 75.58(2) increases; or

2. A portion of the lump sum is no longer available to the eligible group due to loss or theft or because the person controlling the lump sum no longer resides with the eligible group and the lump sum is no longer available to the eligible group; or

3. There is an expenditure of the lump sum made for the following circumstances unless there was insurance available to meet the expense: Payments made on medical services for the former eligible group or their dependents for services listed in 441—Chapters 78, 81, 82, and 85 at the time the expense is reported to the department; the cost of necessary repairs to maintain habitability of the homestead requiring the spending of over \$25 per incident; cost of replacement of exempt resources as defined in subrule 75.56(1) due to fire, tornado, or other natural disaster; or funeral and burial expenses. The expenditure of these funds shall be verified.

(5) When countable income, including the lump-sum income, is less than the needs of the eligible group in accordance with the provisions of their current coverage group, the lump sum shall be counted as income for the month of receipt.

(6) For purposes of applying the lump-sum provision, the eligible group is defined as all eligible persons and any other individual whose lump-sum income is counted in determining the period of proration.

(7) During the period of proration, individuals not in the eligible group when the lump-sum income was received may be eligible as a separate eligible group. Income of this eligible group plus income of the parent or other legally responsible person in the home, excluding the lump-sum income already considered, shall be considered as available in determining eligibility.

d. The third digit to the right of the decimal point in any calculation of income, hours of employment and work expenses for care, as defined at paragraph 75.57(2)“*b*,” shall be dropped.

e. In any month for which an individual is determined eligible to be added to a currently active family medical assistance (FMAP) or FMAP-related Medicaid case, the individual’s needs, income, and resources shall be included. An individual who is a member of the eligible group and who is determined to be ineligible for Medicaid shall be canceled prospectively effective the first of the following month if the timely notice of adverse action requirements as provided at 441—subrule 76.4(1) can be met.

f. Rescinded IAB 10/4/00, effective 10/1/00.

g. Rescinded IAB 2/11/98, effective 2/1/98.

h. Income from self-employment received on a regular weekly, biweekly, semimonthly or monthly basis shall be budgeted in the same manner as the earnings of an employee. The countable income shall be the net income.

i. Income from self-employment not received on a regular weekly, biweekly, semimonthly or monthly basis that represents an individual’s annual income shall be averaged over a 12-month period of time, even if the income is received within a short period of time during that 12-month period. Any change in self-employment shall be handled in accordance with subparagraphs (3) through (5) below.

(1) When a self-employment enterprise which does not produce a regular weekly, biweekly, semimonthly or monthly income has been in existence for less than a year, income shall be averaged over the period of time the enterprise has been in existence and the monthly amount projected for the same period of time. If the enterprise has been in existence for such a short time that there is very little income information, the worker shall establish, with the cooperation of the client, a reasonable estimate which shall be considered accurate and projected for three months, after which the income shall be averaged and projected for the same period of time. Any changes in self-employment shall be considered in accordance with subparagraphs (3) through (5) below.

(2) These policies apply when the self-employment income is received before the month of decision and the income is expected to continue, in the month of decision, after assistance is approved.

(3) A change in the cost of producing self-employment income is defined as an established permanent ongoing change in the operating expenses of a self-employment enterprise. Change in self-employment income is defined as a change in the nature of business.

(4) When a change in operating expenses occurs, the department shall recalculate the expenses on the basis of the change.

(5) When a change occurs in the nature of the business, the income and expenses shall be computed on the basis of the change.

75.57(10) *Restriction on diversion of income.* Rescinded IAB 7/11/01, effective 9/1/01.

75.57(11) *Divesting of income.* Assistance shall not be approved when an investigation proves that income was divested and the action was deliberate and for the primary purpose of qualifying for assistance or increasing the amount of assistance paid.

[ARC 8500B, IAB 2/10/10, effective 3/1/10; ARC 8556B, IAB 3/10/10, effective 2/10/10; ARC 9043B, IAB 9/8/10, effective 11/1/10]

441—75.58(249A) Need standards.

75.58(1) *Definition of eligible group.* The eligible group consists of all eligible persons specified below and living together, except when one or more of these persons have elected to receive supplemental security income under Title XVI of the Social Security Act or are voluntarily excluded in accordance with the provisions of rule 441—75.59(249A). There shall be at least one child, which may be an unborn child, in the eligible group except when the only eligible child is receiving supplemental security income.

a. The following persons shall be included (except as otherwise provided in these rules) without regard to the person's employment status, income or resources:

- (1) All dependent children who are siblings of whole or half blood or adoptive.
- (2) Any parent of such children, if the parent is living in the same home as the dependent children.

b. The following persons may be included:

- (1) The needy specified relative who assumes the role of parent.
- (2) The needy specified relative who acts as caretaker when the parent is in the home but is unable to act as caretaker.

(3) An incapacitated stepparent, upon request, when the stepparent is the legal spouse of the parent by ceremonial or common-law marriage and the stepparent does not have a child in the eligible group.

1. A stepparent is considered incapacitated when a clearly identifiable physical or mental defect has a demonstrable effect upon earning capacity or the performance of the homemaking duties required to maintain a home for the stepchild. The incapacity shall be expected to last for a period of at least 30 days from the date of application.

2. The determination of incapacity shall be supported by medical or psychological evidence. The evidence may be submitted either by letter from the physician or on Form 470-0447, Report on Incapacity.

3. When an examination is required and other resources are not available to meet the expense of the examination, the physician shall be authorized to make the examination and submit the claim for payment on Form 470-0502, Authorization for Examination and Claim for Payment.

4. A finding of eligibility for social security benefits or supplemental security income benefits based on disability or blindness is acceptable proof of incapacity for the family medical assistance program (FMAP) and FMAP-related program purposes.

5. A stepparent who is considered incapacitated and is receiving Medicaid shall be referred to the department of education, division of vocational rehabilitation services, for evaluation and services. Acceptance of these services is optional.

(4) The stepparent who is not incapacitated when the stepparent is the legal spouse of the parent by ceremonial or common-law marriage and the stepparent is required in the home to care for the dependent children. These services must be required to the extent that if the stepparent were not available, it would be necessary to allow for care as a deduction from earned income of the parent.

75.58(2) *Schedule of needs.* The schedule of living costs represents 100 percent of the basic needs. The schedule of living costs is used to determine the needs of individuals when these needs must be determined in accordance with the schedule of needs defined at rule 441—75.50(249A). The 185 percent schedule is included for the determination of eligibility in accordance with rule 441—75.57(249A). The schedule of basic needs is used to determine the basic needs of those persons whose needs are included in the eligible group. The eligible group is considered a separate and distinct group without regard to the presence in the home of other persons, regardless of relationship to or whether they have a liability to support members of the eligible group. The schedule of basic needs is also used to determine the needs of persons not included in the eligible group. The percentage of basic needs paid to one or more persons as compared to the schedule of living costs is shown on the chart below:

SCHEDULE OF NEEDS

Number of Persons	1	2	3	4	5	6	7	8	9	10	Each Additional Person
Test 1 185% of Living Costs	675.25	1330.15	1570.65	1824.10	2020.20	2249.60	2469.75	2695.45	2915.60	3189.40	320.05
Test 2 Schedule of Living Costs	365	719	849	986	1092	1216	1335	1457	1576	1724	173
Test 3 Schedule of Basic Needs	183	361	426	495	548	610	670	731	791	865	87
Ratio of Basic Needs to Living Costs	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18

CHART OF BASIC NEEDS COMPONENTS

(all figures are on a per person basis)

Number of Persons	1	2	3	4	5	6	7	8	9	10 or More
Shelter	77.14	65.81	47.10	35.20	31.74	26.28	25.69	22.52	20.91	20.58
Utilities	19.29	16.45	11.77	8.80	7.93	6.57	6.42	5.63	5.23	5.14
Household Supplies	4.27	5.33	4.01	3.75	3.36	3.26	3.10	3.08	2.97	2.92
Food	34.49	44.98	40.31	39.11	36.65	37.04	34.00	33.53	32.87	32.36
Clothing	11.17	11.49	8.70	8.75	6.82	6.84	6.54	6.39	6.20	6.10
Pers. Care & Supplies	3.29	3.64	2.68	2.38	2.02	1.91	1.82	1.72	1.67	1.64
Med. Chest Supplies	.99	1.40	1.34	1.13	1.15	1.11	1.08	1.06	1.09	1.08
Communications	7.23	6.17	3.85	3.25	2.50	2.07	1.82	1.66	1.51	1.49
Transportation	25.13	25.23	22.24	21.38	17.43	16.59	15.24	15.79	15.44	15.19

- a.* The definitions of the basic need components are as follows:
- (1) Shelter: Rental, taxes, upkeep, insurance, amortization.
 - (2) Utilities: Fuel, water, lights, water heating, refrigeration, garbage.
 - (3) Household supplies and replacements: Essentials associated with housekeeping and meal preparation.
 - (4) Food: Including school lunches.
 - (5) Clothing: Including layette, laundry, dry cleaning.
 - (6) Personal care and supplies: Including regular school supplies.
 - (7) Medicine chest items.
 - (8) Communications: Telephone, newspapers, magazines.
 - (9) Transportation: Including bus fares.
- b.* Special situations in determining eligible group:
- (1) The needs of a child or children in a nonparental home shall be considered a separate eligible group when the relative is receiving Medicaid for the relative's own children.

(2) When the unmarried specified relative under the age of 19 is living in the same home with a parent or parents who receive Medicaid, the needs of the specified relative, when eligible, shall be included in the same eligible group with the parents. When the specified relative is a parent, the needs of the eligible children for whom the unmarried parent is caretaker shall be included in the same eligible group. When the specified relative is a nonparental relative, the needs of the eligible children for whom the specified relative is caretaker shall be considered a separate eligible group.

When the unmarried specified relative under the age of 19 is living in the same home as a parent who receives Medicaid but the specified relative is not an eligible child, need of the specified relative shall be determined in the same manner as though the specified relative had attained majority.

When the unmarried specified relative under the age of 19 is living with a nonparental relative or in an independent living arrangement, need shall be determined in the same manner as though the specified relative had attained majority.
