CHAPTER 1
THE DEPARTMENT

[Prior to 4/20/88, see Public Safety Department, 680—Ch 1]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—1.1(17A) Establishment of the department of public safety. The state department of public safety was created by an Act of the General Assembly (Acts of the Forty-eighth General Assembly, chapter 120, 1939) through the consolidation of several departments and divisions to assist coordination among the law enforcement agencies at all levels of government within Iowa.

The department of public safety is primarily a law enforcement agency with the responsibility to enforce state laws and also has other administrative duties.

661—1.2(17A) Organization. The department of public safety is administered by a commissioner who is appointed by and serves at the pleasure of the governor. Bureaus which provide planning and staff support, administer governor's traffic safety programs, conduct staff inspections and investigate complaints against officers of the department report directly to the commissioner. The rest of the department is divided into the following eight divisions: administrative services, state patrol, capitol security, communications, fire marshal, criminal investigation, state medical examiner, and narcotics enforcement.

1.2(1) The administrative services division, through its bureaus, provides primary support services to all line elements in the general field of business administration, data processing, collections, and office management.

1.2(2) The division of state patrol is a law enforcement agency that primarily regulates the orderly flow of traffic on the state's highways, and responds to local law enforcement agencies' requests for emergency assistance. Peace officer members of this division have a duty to detect and apprehend criminals and enforce all state laws. Iowa Code section 321.2 imposes motor vehicle law enforcement duties upon this division and the commissioner may and does assign to this division other law enforcement responsibilities.

This division also assigns officers to the promotion of motor vehicle and other safety education, and will provide emergency transportation of substances needed by doctors, veterinarians, or hospitals, and support security for special events. Any citizen requesting such services may contact division or district headquarters, the addresses for which are listed in this chapter.

This division is also responsible for the highway emergency long-distance phone (HELP). Anyone calling 1-800-525-5555 from anywhere in Iowa will be connected with someone at the district headquarters in Des Moines who will try to provide immediate assistance.

1.2(3) The division of capitol security is a law enforcement agency which performs police and security work, regulates the orderly flow of traffic, and preserves the peace in and around the seat of state government and at Terrace Hill.

1.2(4) The communications division provides total police communications to the public safety sector including the department of public safety, police departments, sheriffs' offices, and other local state and federal criminal justice agencies.

1.2(5) The fire marshal division is responsible for the promotion and enforcement of fire safety, fire protection, elimination of fire hazards, and the enforcement of laws, rules and regulations concerned with fire prevention, such as the storage, transportation, handling, and use of inflammable liquids, combustibles, explosives, and liquid petroleum gas, and inspection of electric wiring, heating, and adequate fire exits for public buildings.

This division is also responsible for investigation into the cause, origin and circumstances of fires and the enforcement of all laws relating to the suppression of arson and apprehension of those persons suspected of arson. These functions are performed through the bureau of fire prevention and the bureau of arson and explosives.

1.2(6) The division of criminal investigation is a law enforcement unit that conducts criminal investigations, enforces Iowa's beer and liquor laws under Iowa Code chapter 123, pari-mutuel laws under

Iowa Code chapter 99D, and lottery laws under Iowa Code chapter 99E, maintains the state's central repository for all criminal history records, and operates the state criminalistics laboratory.

1.2(7) The division of state medical examiner provides assistance, consultation and training to county medical examiners and law enforcement officials, keeps records concerning deaths or crimes requiring investigation by this division. The state medical examiner receives reports of deaths in Iowa affecting the public interest and may require autopsies.

1.2(8) The division of narcotics enforcement has statewide primary responsibility for providing investigative law enforcement relating to narcotics and other controlled substances. Assistance is provided to county and city agencies by providing related intelligence information, special purpose investigative moneys and investigative assistance and training.

661—1.3(17A) Offices.

1.3(1) Principal office. The principal office for the department is that of the commissioner in the State Public Safety Headquarters Building in the Capitol Complex in Des Moines. Its mailing address is the Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319.

1.3(2) Division offices. The principal offices of the divisions of the department are also located in the State Public Safety Headquarters Building.

1.3(3) Addresses of district headquarters, fire marshals, radio stations and other offices located outside the principal headquarters may be obtained at the Department of Public Safety's principal office in the State Public Safety Headquarters Building.

[Editorial change: IAC Supplement 2/11/09]

661—1.4(17A) Methods by which and location where the public may obtain information or make submissions or requests.

1.4(1) Persons wishing to obtain information from or report information to the department may contact any of the offices in 1.3(17A).

1.4(2) Those wishing to make submissions to the department may do so by delivering or forwarding to the administrative services division of the department, the principal offices of the affected division or, if the subject matter is relevant to a specific geographical location, the nearest office as listed in 1.3(17A).

1.4(3) Those making requests of the department may submit such request to the administrative services division or the principal office of the division that would provide the information or as may otherwise be provided in these rules.

1.4(4) Communication of information regarding conflicts with the department, declaratory rulings or rules or initiation of rule making by the department shall be directed to the administrative services division as provided in 661—Chapter 10.

1.4(5) Accident reports filed as required by Iowa Code section 321.266 and which are retained by the department are available to any party to an accident, the party's insurance company or its agent, or the party's attorney on written request and the payment of a \$4 fee for each copy, paid to the department of public safety. Such request shall be made to the state patrol district headquarters in the district in which the accident occurred.

1.4(6) Reports by the Iowa state patrol division concerning motor vehicle accidents regarding observations, measurements, and examinations of physical evidence including photographs may be made available to any party to the accident or the party's legal representative or insurance company if the investigation of the accident is complete and the release of the information will not interfere with appropriate criminal proceedings or future investigations.

1.4(7) Records of the department subject to inspection under the Iowa public records Act, Iowa Code chapter 22, which are not privileged under Iowa Code section 622.11, or are not required or permitted to be held in confidence by Iowa Code chapter 692, or other applicable provisions of law, may be examined in the offices of the department in accordance with the provisions of the Iowa public records Act and these rules.

This rule is intended to implement Iowa Code chapters 17A and 80 and section 321.271.

661—1.5 Rescinded, effective March 6, 1986.

661—1.6(17A) Legal advice. The attorney general of the state provides legal advice to the commissioner and employees of the department.

661—1.7(17A) Surety companies. When the Iowa Code requires the commissioner to approve a corporate surety company, approval by the insurance division of the Iowa department of commerce shall be required, and if that approval has been acquired and is continuing, the commissioner's approval will be extended.

661—1.8(17A) Construction of rules. All of the rules of the commissioner and the department are promulgated to describe the department and its procedure, to elaborate on or define some statutory language and to regulate some activities. Each of the sections of chapter 4 of the Iowa Code are hereby adopted by reference so as to apply when construing these rules. When the words "statutes" or "general assembly" appear in chapter 4, it is intended the words "rules" and "commissioner" are to be inserted in lieu thereof. Each of the sections of chapter 4 are adopted by reference at least so far as is applicable and not inconsistent with the intent of these rules or repugnant to the context of these rules.

These rules are intended to implement Iowa Code section 17A.3.

[Ch 6 as appeared before 6/27/79 rescinded]
[Prior to 4/20/88, see Public Safety Department[680] Ch 6]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—6.1(17A,321) Vehicle impoundment. The patrol division and other peace officer members of the department may impound any vehicle determined to be “abandoned” as defined in Iowa Code section 321.89(1) “a,” provided that:

1. The officer shall first attempt to determine the owner through department of transportation records and request that the communications division advise an owner found thereby that the vehicle must be moved within a reasonable time or it will be impounded, and

2. Either the owner cannot be found or the owner fails to remove the vehicle within a reasonable time.

[ARC 4800C, IAB 12/4/19, effective 1/8/20]

661—6.2(17A,321) Vehicles which may be impounded immediately.

6.2(1) Vehicles which an officer has reason to believe are wrongfully possessed by the person then having control of such vehicles or on which the vehicle identification number or the identification numbers of any component part have been altered or defaced, or on which an attempt to alter or deface has been made.

6.2(2) Vehicles which are involved in an accident when immediate impoundment is necessary:

- a. To preserve evidence which will be used in an administrative or judicial proceeding; or
- b. To protect the vehicle from theft or further damage when the driver or owner is unavailable or incapable to give consent to such impoundment or make other arrangements for the vehicle; or
- c. To prevent further accidents when the vehicle is so situated as to appear to constitute a hazard to traffic.

6.2(3) Vehicles which an officer has probable cause that the vehicle is being used to transport contraband.

6.2(4) Vehicles involved in a person’s death when the medical examiner or a peace officer determines:

- a. That seizure is necessary to secure evidence needed in the investigation, including but not limited to an investigation of the cause and manner of death.
- b. That circumstances indicate the vehicle may be removed or tampered with before written authorization for its impoundment can be obtained, or that written authorization for impoundment has been refused or is impracticable.
- c. That the vehicle is situated on a public highway in such a manner that it may constitute a hazard to traffic.

6.2(5) Vehicles under the control of a person at the time of arrest:

- a. If the arrested person’s vehicle reasonably appears to a peace officer to constitute a traffic hazard if it remains where it is situated at the time of arrest and the arrested person is unwilling or unable to have it moved; or
- b. If the vehicle is not capable of legal operation or the vehicle is not legally parked under state or local code or ordinance; or
- c. To preserve evidence which will be used in an administrative or judicial proceeding; or
- d. To protect the vehicle from theft or further damage when the driver or owner is unavailable or incapable to give consent to such impoundment or make other arrangements for the vehicle.

6.2(6) Vehicles positioned upon a public highway in such a manner that may constitute a hazard to traffic.

[ARC 4800C, IAB 12/4/19, effective 1/8/20]

661—6.3(17A,321) Vehicles which need not be impounded immediately. If a vehicle is unattended, an officer shall tag it. A record is kept by the officer at the district to which the officer is assigned. After the period of time prescribed in Iowa Code section 321.89, the unattended vehicle shall be declared an abandoned vehicle.

[ARC 4800C, IAB 12/4/19, effective 1/8/20]

661—6.4(17A,321) Impoundment procedure.

6.4(1) Prior to towing an impounded vehicle, the officer shall:

- a. Request that a tow truck be dispatched to remove the vehicle.
- b. Complete a vehicle tow-in and recovery report which includes the following information:
 - (1) Reason for towing;
 - (2) The license number and description of the vehicle including its condition at the time of impoundment;
 - (3) Vehicle identification number and registration information, when readily accessible.
- c. Instruct the towing service to tow the vehicle to a designated location, which in the case of an abandoned vehicle shall be the towing service's storage area.

6.4(2) Within 24 hours of towing an impounded vehicle, the officer shall:

- a. Complete an inventory of all property in the vehicle and a notation of any parts of the vehicle which appear to be missing or damaged. The inventory is a record which is intended for use in ensuring the safe return of the lawful possessor's property and resolving questions regarding the condition or contents of the vehicle.
- b. Add to the vehicle tow-in and recovery report information indicating the circumstances of recovery of the vehicle and notification of the owner if the vehicle is believed to be stolen or operated without the consent of the owner.

EXCEPTION: The inventory and completion of the report may be delayed beyond 24 hours after towing of the impounded vehicle has occurred if completion within a 24-hour period is rendered impracticable by road or weather conditions or by the volume of impounded vehicles requiring processing during a limited period of time. Such an extension of time shall be granted automatically if the office processing the vehicles is affected by a disaster emergency proclamation issued by the governor pursuant to Iowa Code section 29C.6 and may otherwise be granted by written permission of the commander of the district or zone office or another supervisor designated by the commander of the officer responsible for processing an impounded vehicle. The reason for any delay in completing the inventory and report beyond 24 hours after towing a vehicle shall be noted in the report. In any event, the inventory and report shall be completed as soon as practicable after towing the vehicle.

This rule is intended to implement Iowa Code sections 80.9(2) "a" and 321.89.

[ARC 4800C, IAB 12/4/19, effective 1/8/20]

661—6.5(17A,321) Abandoned vehicles. If the vehicle is impounded pursuant to rule 661—6.1(17A,321):

6.5(1) The district officer in charge of abandoned vehicles shall notify, within 20 days of impoundment, by certified mail, the last known registered owner of the vehicle and all lienholders of record, addressed to their last known address of record, that the abandoned vehicle has been impounded. Such notice shall state:

- a. The location of the vehicle.
- b. That the person or persons notified have the right to reclaim the vehicle within 21 days of notice upon payment of all towing, preservation and storage charges resulting from impoundment.
- c. That failure to reclaim the vehicle within 21 days will constitute a waiver of all right, title, claim and interest in the vehicle and will also constitute the giving of consent to sale or disposal of the vehicle.
- d. That a written objection to the impoundment may be filed in accordance with subrule 6.5(3).

6.5(2) When the district officer in charge of abandoned vehicles is unable to determine the identity or address of the last known registered owner or of any lienholders of record, the officer shall cause to be published once in a newspaper of general circulation in the area where the abandoned vehicle was found, a notice containing all the information otherwise required by subrule 6.5(1).

6.5(3) Registered owners or lienholders of record may, within the 21-day reclamation period, submit a written objection to the initial impoundment or to any procedure followed by the patrol officer or towing agent. Such objection shall contain an explanation of why the objector believes the impoundment was not authorized by law. When an objection is received by the district officer in charge of abandoned vehicles, such officer shall:

a. Immediately consider the objection and make an initial decision as to the legality of the impoundment,

b. Immediately thereafter notify the objector of the decision. Such notice shall state either:

(1) That the impoundment was authorized by law, and explain the basis of such decision, or

(2) That the impoundment was not authorized by law, that the vehicle will be released to the objector upon presentation of proof of ownership at district headquarters, and that no towing or storage fees will be assessed for 21 days, and

c. File a copy of the notice required by subrule 6.5(3), paragraph “*b*,” with other documents kept in connection with the impoundment.

6.5(4) The registered owner and any lienholders of record have 21 days in which to reclaim the vehicle after mailing or date of publication of notice as prescribed in subrules 6.5(1) and 6.5(2), except where written objection to impoundment has been made in accordance with subrule 6.5(3), in which case the 21-day period shall begin when notice of the district officer’s response to the objection is mailed. An additional 14 days will be allowed if the owner or any lienholder submits a written request for an extension of the 21-day reclamation period.

6.5(5) If the reclamation period has expired, and either the registered owner or any lienholder of record has made no written objection to the impoundment, or an objection has been filed and the district officer has determined that the impoundment was authorized by law, then all rights of the owner or of any lienholders of record with regard to the impounded vehicle are forfeited and the vehicle will be either:

a. Sold for use upon the highway after an inspection and certification that it is safe for such use in accordance with Iowa Code section 321.238; or

b. Sold for junk, demolished, and sold as scrap, or

c. Sold as provided in Iowa Code section 321.88 with a restricted certificate of title and not for use on the highways.

6.5(6) When the vehicle is sold:

a. The circumstances of the sale shall be entered in appropriate records kept by the district officer in charge of abandoned vehicles.

b. The required department of transportation forms shall be completed by the officer, given to the purchaser, and mailed to the abandoned vehicle section of the motor vehicle division of the department of transportation. The motor vehicle division shall then take action regarding the funds collected or expended.

6.5(7) If the registered owner or any lienholders of record have filed written objection to the impoundment in accordance with subrule 6.5(3) and the district officer has determined that the impoundment was not authorized by law, towing and storage fees will not be assessed unless the objector, after receipt of notice of such determination, fails to reclaim the vehicle within the reclamation period provided in subrule 6.5(4). If the vehicle is not reclaimed during the reclamation period, said fees shall be deemed “abandoned,” and subject to forfeiture and sale if not claimed within 60 days of receipt of notice from the district officer pursuant to subrule 5.4(3).

661—6.6(321) Scope. Nothing in this chapter shall be construed to limit an officer’s authority to seize or search an individual, vehicle, or location upon probable cause or as otherwise justified by law.

These rules are intended to implement Iowa Code sections 80.9(2) “*a*” and 321.89 and *Florida v. Wells*, 110 Sup. Ct. 1632.

661—8.1 to 8.100 Reserved.

DIVISION I
IOWA ON-LINE WARRANTS AND ARTICLES SYSTEM

[Prior to 8/16/95, see 661—8.1 to 8.101]

661—8.101(80,692) Iowa on-line warrants and articles (IOWA) criminal justice information system.

The Iowa on-line warrants and articles (IOWA) criminal justice information system is administered by the division of administrative services, field services bureau. The IOWA system, created pursuant to Iowa Code paragraph 80.9(2)“d” and Iowa Code section 692.14, provides criminal justice agency access to traffic record and criminal justice databases through a dedicated telecommunications network. To be eligible for access to the IOWA system, an agency must be a criminal justice agency at the federal, state, or local level within Iowa, or an agency providing services to criminal justice agencies in Iowa.

661—8.102(80,692) Information available through the IOWA system. The IOWA system provides access to databases from various state agencies within Iowa, from the Federal Bureau of Investigation’s National Crime Information Center (NCIC), and from the motor vehicle departments of other states nationally through the National Law Enforcement Telecommunications System (NLETS). Information on an international basis is also provided by NCIC and NLETS through interfaces to Canadian Police Information Centre and to INTERPOL. The NLETS system also provides administrative message traffic between Iowa criminal justice agencies and criminal justice agencies throughout the United States.

The IOWA system allows criminal justice agencies to:

1. Access nationwide computerized banks of information such as wanted, missing, and unidentified persons; stolen vehicles; stolen articles; stolen boats; stolen guns and stolen securities.
2. Access driver license and motor vehicle information in-state as well as out-of-state.
3. Exchange criminal history information on a national basis.
4. Communicate by use of administrative messages with other criminal justice agencies worldwide.

661—8.103(80) Human immunodeficiency virus-related information. An agency may enter human immunodeficiency virus-related (HIV) information into a wanted or missing person file of the IOWA system and the National Crime Information Center operated by the Federal Bureau of Investigation. HIV information shall be kept confidential and may be communicated only in accordance with this rule.

8.103(1) HIV information on an individual entered into the IOWA system or the National Crime Information Center operated by the Federal Bureau of Investigation shall be made available to terminal operators for the purpose of informing individuals who are authorized access pursuant to this rule.

8.103(2) HIV information may be communicated to:

- a. Employees and supervisors of employees of a law enforcement agency who have, or are expected to have, direct physical control of an individual reported to be HIV positive.
- b. Employees and supervisors of employees subject to the jurisdictional supervision of the Iowa department of corrections who have, or are expected to have, direct physical supervision of an individual reported to be HIV positive.
- c. Employees and supervisors of employees of secure facilities for juveniles subject to the jurisdiction of the Iowa department of human services who have, or are expected to have, direct physical supervision of an individual reported to be HIV positive.
- d. Employees and supervisors of employees of city and county jails who have, or are expected to have, direct physical supervision of an individual reported to be HIV positive.

8.103(3) HIV information shall not be transmitted over any law enforcement radio broadcasting system, cellular telephone system, radio telephone system, or any other radio-based communications system. This provision shall not apply to the transmission of HIV information in data form to or from mobile digital terminals or mobile digital computers authorized access to the IOWA system and operated by a law enforcement officer or certified IOWA system operator in the performance of official duties.

8.103(4) Individuals who receive HIV information pursuant to this rule shall use the information solely for the purpose of the protection of those individuals having or expected to have direct contact with individuals reported to be HIV positive, and for the prevention of the spread of the HIV virus. Information shall be provided only to individuals and their supervisors who have direct physical contact with persons reported to have the HIV virus. Except as provided in subrule 8.103(2), information obtained pursuant to this rule shall not be communicated to any person not employed by the agency employing the person providing it or used outside the agency for any purpose.

8.103(5) Individuals who are authorized to receive HIV information pursuant to this rule shall receive training developed and established by the commissioner of public safety, in cooperation with the department of corrections and the department of public health, regarding the confidentiality standards applicable to HIV information received from the IOWA system or the National Crime Information Center.

661—8.104(80,692) IOWA system security. IOWA system terminal access shall be available to criminal justice agencies as defined by Iowa Code section 692.1(7). Prior to being permitted terminal access to the IOWA system, a criminal justice agency shall meet the following criteria:

8.104(1) All terminals shall be located within the facilities or vehicles of authorized agencies where appropriate physical security can be maintained.

8.104(2) The immediate terminal areas shall be restricted to prevent access by unauthorized individuals.

8.104(3) All persons accessing NCIC and the criminal history files shall have been authorized to operate the terminal by the criminal justice agency administrator, been approved by the department of public safety, received the required training and achieved proficiency certification by the department of public safety.

Agencies shall complete a background investigation on all applicants for positions with access to NCIC and criminal history files. Agencies shall notify the department of public safety of the completion of the required background investigation. The background investigation shall be done to ensure the following:

- a. That the applicant is 18 years of age or older at the time of appointment to the position.
- b. That the applicant is not addicted to drugs or alcohol.
- c. That the applicant is of good moral character and has not been convicted of a serious crime.

d. Agencies shall submit two fingerprint cards on all applicants to the Iowa division of criminal investigation. One card will be used to check for any Iowa criminal history and the second card will be forwarded to the FBI for a national search of criminal history records.

8.104(4) Where IOWA system terminals are not operated on a 24-hour-per-day basis, the terminals shall be physically secured when unattended.

8.104(5) The criminal justice agency administrator shall be directly responsible for ensuring that information received from the IOWA system is restricted for the official use of agency personnel, other criminal justice agencies, or other agencies authorized, in writing, by the department of public safety.

8.104(6) Any agency desiring direct access to IOWA system files shall make application to the department. Before authorization is granted, the administrator of the applying agency shall enter into a written agreement with the department of public safety agreeing to abide by all rules, policies and procedures promulgated by the department for system operation, security and discipline. The agreement shall reserve to the department the right to terminate furnishing criminal history or other file information to the applicant agency if abuses are discovered concerning either the security or dissemination requirements of this data.

8.104(7) Any agency which has had its authorization to IOWA system files terminated by the department may appeal the termination to the commissioner of public safety, in accordance with 661—Chapter 10.

661—8.105(80,692) Subpoenas and court orders. Any agency or individual in possession of criminal history data received from the department that is served with a subpoena, court order, request for production or other legal process demanding the production of criminal history data, shall notify the department in writing so that the department has an opportunity to make a timely resistance.

661—8.106 to 8.300 Reserved.

These rules are intended to implement Iowa Code sections 80.9 and 692.14.

661—10.102(17A) Notice of petition. Within 15 days after receipt of a petition for a declaratory order, the department shall give notice of the petition to all persons not served by the petitioner pursuant to 661—10.106(17A) to whom notice is required by any provision of law. The department may also give notice to any other persons.

661—10.103(17A) Intervention.

10.103(1) Any person who qualifies under any applicable provision of law as an intervenor and who files a petition for intervention within 20 days of the filing of a petition for declaratory order (after time for notice under 661—10.102(17A) and before 30-day time for agency action under 661—10.108(17A)) shall be allowed to intervene in a proceeding for a declaratory order.

10.103(2) Any person who files a petition for intervention at any time prior to the issuance of an order may be allowed to intervene in a proceeding for a declaratory order at the discretion of the department.

10.103(3) A petition for intervention shall be filed at the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. Such a petition is deemed filed when it is received by that office. [Editorial change: IAC Supplement 2/11/09]

661—10.106(17A) Service and filing of petitions and other papers.

10.106(1) *When service required.* Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order

shall be served upon each of the parties of record to the proceeding, and on all other persons identified in the petition for declaratory order or petition for intervention as affected by or interested in the questions presented, simultaneously with their filing. The party filing a document is responsible for service on all parties and other affected or interested persons.

10.106(2) *Filing—when required.* All petitions for declaratory orders, petitions for intervention, briefs, or other papers in a proceeding for a declaratory order shall be filed with the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. All petitions, briefs, or other papers that are required to be served upon a party shall be filed simultaneously with the department.

10.106(3) *Method of service, time of filing, and proof of mailing.* Method of service, time of filing, and proof of mailing shall be as provided by rule 661—10.312(17A).

[Editorial change: IAC Supplement 2/11/09]

661—10.107(17A) Consideration. Upon request by petitioner, the department may schedule a brief and informal meeting between the original petitioner, all intervenors, and the department, a member of the department, or a member of the staff of the department, to discuss the questions raised. The department may solicit comments from any person on the questions raised. Also, comments on the questions raised may be submitted to the department by any person.

661—10.108(17A) Action on petition.

10.108(1) Within the time allowed by 1998 Iowa Acts, chapter 1202, section 13(5), after receipt of a petition for a declaratory order, the commissioner of public safety or the commissioner's designee shall take action on the petition as required by 1998 Iowa Acts, chapter 1202, section 13(5).

10.108(2) The date of issuance of an order or of a refusal to issue an order is as defined in rule 661—10.302(17A).

661—10.109(17A) Refusal to issue order.

10.109(1) The department shall not issue a declaratory order where prohibited by 1998 Iowa Acts, chapter 1202, section 13(1), and may refuse to issue a declaratory order on some or all questions raised for the following reasons:

1. The petition does not substantially comply with the required form.
2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the department to issue an order.
3. The department does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other agency or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge an agency decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
10. The petitioner requests the department to determine whether a statute is unconstitutional on its face.
11. The petition relates to any criminal investigation.

12. The petition concerns any procedure or practice of the department or any other agency related to initiation or conduct of criminal investigations or referral of matters for possible criminal investigation or prosecution.

10.109(2) A refusal to issue a declaratory order shall indicate the specific grounds for the refusal, unless it pertains to a matter under criminal investigation, or which has been referred for possible criminal prosecution, in which event no information which might compromise the investigation or prosecution shall be released to the petitioner or any intervenor. A refusal to issue a declaratory order constitutes final agency action on the petition.

10.109(3) Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the refusal to issue an order.

661—10.110(17A) Contents of declaratory order—effective date. In addition to the order itself, a declaratory order must contain the date of its issuance, the name of petitioner and all intervenors, the specific statutes, rules, policies, decisions, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion.

A declaratory order is effective on the date of issuance.

661—10.111(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to each original petitioner and to each intervenor.

661—10.112(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the department, the petitioner, and any intervenors who consent to be bound and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the department. The issuance of a declaratory order constitutes final agency action on the petition.

661—10.113 to 10.200 Reserved.

AGENCY PROCEDURE FOR RULE MAKING

661—10.201(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the department are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

661—10.202(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the department may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1)“a,” solicit comments from the public on a subject matter of possible rule making by the department by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

661—10.203(17A) Public rule-making docket.

10.203(1) *Docket maintained.* The department shall maintain a current public rule-making docket.

10.203(2) *Anticipated rule making.* The rule-making docket shall list each anticipated rule-making proceeding. A rule-making proceeding is deemed “anticipated” from the time a draft of proposed rules is distributed for internal discussion within the department, with the approval of the commissioner of public safety. For each anticipated rule-making proceeding the docket shall contain a listing of the precise subject matter which may be submitted for consideration by the rule-making authority for subsequent proposal under the provisions of Iowa Code section 17A.4(1)“a,” the name and address of department personnel with whom persons may communicate with respect to the matter, and an indication of the present status within the department of that possible rule. The department may also include in the docket other subjects upon which public comment is desired.

10.203(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1) “a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule becoming effective. For each rule-making proceeding, the docket shall indicate:

- a. The subject matter of the proposed rule;
- b. A citation to all published notices relating to the proceeding;
- c. Where written submissions on the proposed rule may be inspected;
- d. The time during which written submissions may be made;
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made;
- f. Whether a written request for the issuance of a regulatory analysis, or a concise statement of reasons, has been filed, whether such an analysis or statement or a fiscal impact statement has been issued, and where any such written request, analysis, or statement may be inspected;
- g. The current status of the proposed rule and any department determinations with respect thereto;
- h. Any known timetable for department decisions or other action in the proceeding;
- i. The date of the rule’s adoption;
- j. The date of the rule’s filing, indexing, and publication;
- k. The date on which the rule will become effective; and
- l. Where the rule-making record may be inspected.

661—10.204(17A) Notice of proposed rule making.

10.204(1) Contents. At least 35 days before the adoption of a rule the department shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule;
- b. The specific legal authority for the proposed rule;
- c. Except to the extent impracticable, the text of the proposed rule;
- d. Where, when, and how persons may present their views on the proposed rule; and
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the department shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the department for the resolution of each of those issues.

10.204(2) Incorporation by reference. A proposed rule may incorporate other materials by reference only if it complies with all of the requirements applicable to the incorporation by reference of other materials in an adopted rule that are contained in subrule 10.212(2) of this chapter.

10.204(3) Copies of notices. Persons desiring to receive copies of future Notices of Intended Action by subscription must file with the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, a written request indicating the name and address to which such notices should be sent. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail or electronically transmit a copy of that notice to subscribers who have filed a written request for either mailing or electronic transmittal with the department for Notices of Intended Action. The written request shall be accompanied by payment of the subscription price which may cover the full cost of the subscription service, including its administrative overhead and the cost of copying and mailing the Notices of Intended Action for a period of one year. The price for such a subscription can be obtained from the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, at the address above, by telephone at (515)725-6185, or by electronic mail via the Internet at admrule@dps.state.ia.us.

10.205(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing, on the proposed rule. Such written submissions should identify the proposed rule to which they relate and should be submitted to the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, or the person or office designated in the Notice of Intended Action.

10.205(2) *Oral proceedings.* The department may, at any time, schedule an oral proceeding on a proposed rule. The department shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the department by the administrative rules review committee, a governmental subdivision, an agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by an agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

10.205(3) *Conduct of oral proceedings.*

a. Applicability. This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1)“b” as amended by 1998 Iowa Acts, chapter 1202, section 8, or this chapter.

b. Scheduling and notice. An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. Presiding officer. The commissioner of public safety or the commissioner’s designee shall preside at the oral proceeding on a proposed rule. If the commissioner does not preside, the presiding officer shall prepare a memorandum for consideration by the department summarizing the contents of the presentations made at the oral proceeding unless the commissioner determines that such a memorandum is unnecessary. If the oral proceeding relates to rule making which falls within the authority of an official other than the commissioner, the oral proceeding shall be presided over by the official with rule-making authority or that official’s designee.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at such a proceeding are encouraged to notify the agency at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the agency decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Persons making oral presentations are encouraged to summarize matters which have already been submitted in writing.

(3) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(4) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. Such submissions become the property of the agency.

(5) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(6) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other representatives of the department who may be present about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(7) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

10.205(4) *Additional information.* In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the department may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

10.205(5) *Accessibility.* The department shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, in advance to arrange access or other needed services.

- e. Whether the registrant desires copies of Notices of Intended Action at cost, or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The department may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The department may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses will be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

10.206(3) *Time of mailing.* Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the department shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

10.206(4) *Qualified requesters for regulatory analysis—economic impact.* The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2a), after a proper request from:

10.206(5) *Qualified requesters for regulatory analysis— business impact.* The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2b), after a proper request from:

- a. The administrative rules review committee;
- b. The administrative rules coordinator;
- c. At least 25 or more persons who sign the request provided that each represents a different small business;
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

10.206(6) *Time period for analysis.* Upon receipt of a timely request for a regulatory analysis, the department shall adhere to the time lines described in 1998 Iowa Acts, chapter 1202, section 10(4).

10.206(7) *Contents of request.* A request for a regulatory analysis is made when it is mailed or delivered to the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. The request shall be in writing and satisfy the requirements of 1998 Iowa Acts, chapter 1202, section 10(1).

10.206(8) *Contents of concise summary.* The contents of the concise summary shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(4,5).

10.206(9) *Publication of a concise summary.* The department shall make available, to the maximum extent feasible, copies of the published summary in conformance with 1998 Iowa Acts, chapter 1202, section 10(5).

10.206(10) *Regulatory analysis contents—rules review committee or rules coordinator.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee or the administrative rules coordinator, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2a), unless a written request expressly waives one or more of the items listed in the section.

10.206(11) *Regulatory analysis contents—substantial impact on small business.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2b).

661—10.207(17A,25B) Fiscal impact statement.

10.207(1) A proposed rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions or agencies and entities which contract with political subdivisions to provide services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

10.207(2) If the department determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the department shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

661—10.208(17A) Time and manner of rule adoption.

10.208(1) *Time of adoption.* The department shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the department shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

10.208(2) *Consideration of public comment.* Before the adoption of a rule, the department shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any memorandum summarizing such oral submissions, and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

10.208(3) *Reliance on department expertise.* Except as otherwise provided by law, the department may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

661—10.209(17A) Variance between adopted rule and published notice of proposed rule adoption.

10.209(1) The department shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and

b. The differences are a logical outgrowth of the contents of that Notice of Intended Action and the comments submitted in response thereto; and

c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

10.209(2) In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the department shall consider the following factors:

a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;

b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and

c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

10.209(3) The department shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the department finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

10.209(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the department to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

661—10.210(17A) Exemptions from public rule-making procedures.

10.210(1) *Omission of notice and comment.* To the extent the department for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the department may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

10.210(2) Reserved.

10.210(3) *Public proceedings on rules adopted without them.* The department may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 10.210(1). Upon written petition by a governmental subdivision, the administrative rules review committee, the department, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the department shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 10.210(1). Such a petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must

be commenced within 60 days of the receipt of such a petition. After a standard rule-making proceeding commenced pursuant to this subrule, the department may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 10.210(1), or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

661—10.211(17A) Concise statement of reasons.

10.211(1) General. When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the department shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests will be considered made on the date received.

10.211(2) Contents. The concise statement of reasons shall contain:

- a. The reasons for adopting the rule;
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any such change;
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the department's reasons for overruling the arguments made against the rule.

10.211(3) Time of issuance. After a proper request, the department shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

[Editorial change: IAC Supplement 2/11/09]

661—10.212(17A) Contents, style, and form of rule.

10.212(1) Contents. Each rule adopted by the department shall contain the text of the rule and, in addition:

- a. The date the department adopted the rule;
- b. A brief explanation of the principal reasons for the rule-making action if such reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the department in its discretion decides to include such reasons;
- c. A reference to all rules repealed, amended, or suspended by the rule;
- d. A reference to the specific statutory or other authority authorizing adoption of the rule;
- e. Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f. The effective date of the rule.

10.212(2) Incorporation by reference. The department may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the department finds that the incorporation of its text in the department proposed or adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in the department proposed or adopted rule shall fully and precisely identify the incorporated matter by location, title, citation, date, and edition, if any; shall briefly indicate the precise subject and the general contents of the incorporated matter; and shall state that the proposed or adopted rule does not include any later amendments or editions of the incorporated matter. The department may incorporate such matter by reference in a proposed or adopted rule only if the department makes copies of it readily available to the public. The rule shall state how and where copies of the incorporated matter may be obtained at cost from the department, and how and where copies may be obtained from the agency, organization, association, or persons originally issuing that matter. The department shall retain permanently a copy of any materials incorporated by reference in a rule of the department.

If the department adopts standards by reference to another publication, it shall provide a copy of the publication containing the standards to the administrative rules coordinator for deposit in the state law library and may make the standards available electronically.

10.212(3) References to materials not published in full. When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be

unduly cumbersome, expensive, or otherwise inexpedient, the department shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules, and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the department. The department will provide a copy of that full text, at actual cost, upon request and shall make copies of the full text available for review at the state law library and may make the standards available electronically.

At the request of the administrative code editor, the department shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

10.212(4) *Style and form.* In preparing its rules, the department shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

661—10.213(17A) Agency rule-making record.

10.213(1) *Requirement.* The department shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference must be available for public inspection.

10.213(2) *Contents.* The department rule-making record shall contain:

a. Copies of all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of department submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based;

b. Copies of any portions of the department's public rule-making docket containing entries relating to the rule or the proceeding upon which the rule is based;

c. All written petitions, requests, and submissions received by the department, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the department and considered by the commissioner of public safety or other official with rule-making authority, in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the department is authorized by law to keep them confidential; provided, however, that when any such materials are deleted because they are authorized by law to be kept confidential, the department shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code section 17A.4(4), and any department response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any petitions for waiver of the rule; and

k. A copy of any executive order concerning the rule.

10.213(3) *Effect of record.* Except as otherwise required by a provision of law, the department rule-making record required by this rule need not constitute the exclusive basis for department action on that rule.

10.213(4) *Maintenance of record.* The department shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective, the date of the Notice of Intended Action, or the date of any written criticism as described in 10.213(2) “g,” “h,” “i,” or “j.”

661—10.214(17A) Filing of rules. The department shall file each rule it adopts in the office of the administrative rules coordinator. The filing must be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule must have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the note or statement is issued. In filing a rule, the department shall use the standard form prescribed by the administrative rules coordinator.

661—10.215(17A) Effectiveness of rules prior to publication.

10.215(1) *Grounds.* The department may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

10.215(2) *Special notice.* When the department makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3), the department shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule’s indexing and publication. The term “all reasonable efforts” requires the department to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the department of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 10.215(2).

661—10.216(17A) General statements of policy.

10.216(1) *Compilation, indexing, public inspection.* The department shall maintain an official, current, and dated compilation that is indexed by subject, containing all of its general statements of policy within the scope of Iowa Code section 17A.2(10) “a,” “c,” “f,” “g,” “h,” “k.” Each addition to, change in, or deletion from the official compilation must also be dated, indexed, and a record thereof kept. Except for those portions containing rules governed by Iowa Code section 17A.2(7) “f,” or otherwise authorized by law to be kept confidential, the compilation must be made available for public inspection and copying.

10.216(2) *Enforcement of requirements.* A general statement of policy subject to the requirements of this subsection shall not be relied on by the department to the detriment of any person who does not have actual, timely knowledge of the contents of the statement until the requirements of subrule 10.216(1) are satisfied. This provision is inapplicable to the extent necessary to avoid imminent peril to the public health, safety, or welfare.

661—10.217(17A) Review by department of rules.

10.217(1) Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator requesting the department to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the department shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or

the rule should be amended or repealed. The department may refuse to conduct a review if it has conducted such a review of the specified rule within five years prior to the filing of the written request.

10.217(2) In conducting the formal review, the department shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report must include a concise statement of the department’s findings regarding the rule’s effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any petitions for waiver of the rule received by the department or granted by the department. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the department’s report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report must also be available for public inspection.

661—10.218(17A) Petition for rule making. Any person or agency may file a petition for rule making with the department at the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. A petition is deemed filed when it is received by that office. The agency must provide the petitioner with a file-stamped copy of the petition if the petitioner provides the agency an extra copy for this purpose. The petition must be typewritten or legibly handwritten in ink and must substantially conform to the following form:

DEPARTMENT OF PUBLIC SAFETY

The petition must provide the following information:

1. A statement of the specific rule-making action sought by the petitioner including the text or a summary of the contents of the proposed rule or amendment to a rule and, if it is a petition to amend or repeal a rule, a citation and the relevant language to the particular portion or portions of the rule proposed to be amended or repealed.
2. A citation to any law deemed relevant to the agency’s authority to take the action urged or to the desirability of that action.
3. A brief summary of petitioner’s arguments in support of the action urged in the petition.
4. A brief summary of any data supporting the action urged in the petition.
5. The names and addresses of other persons, or a description of any class of persons, known by petitioner to be affected by or interested in, the proposed action which is the subject of the petition.
6. Any request by petitioner for a meeting provided for by subrule 10.221(1).

10.218(1) The petition must be dated and signed by the petitioner or the petitioner’s representative. It must also include the name, mailing address, and telephone number of the petitioner and petitioner’s representative, and a statement indicating the person to whom communications concerning the petition should be directed.

10.218(2) The department may deny a petition because it does not substantially conform to the required form.

[Editorial change: IAC Supplement 2/11/09]

661—10.219(17A) Briefs. The petitioner may attach a brief to the petition in support of the action urged in the petition. The department may request a brief from the petitioner or from any other person concerning the substance of the petition.

661—10.220(17A) Inquiries. Inquiries concerning the status of a petition for rule making may be made to the Agency Rules Administrator, Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319.

[Editorial change: IAC Supplement 2/11/09]

661—10.221(17A) Agency consideration.

10.221(1) Within 14 days after the filing of a petition, the department must submit a copy of the petition and any accompanying brief to the administrative rules coordinator and to the administrative rules review committee. Upon request by petitioner in the petition, the department may schedule a brief and informal meeting between the petitioner and the agency, a member of the agency, or a member of the staff of the agency, to discuss the petition. The department may request the petitioner to submit additional information or argument concerning the petition. The department may also solicit comments from any person on the substance of the petition. Also, comments on the substance of the petition may be submitted to the department by any person.

10.221(2) Within 60 days after the filing of the petition, or within any longer period agreed to by the petitioner, the department must, in writing, deny the petition, and notify petitioner of its action and the specific grounds for the denial, or grant the petition and notify petitioner that it has instituted rule-making proceedings on the subject of the petition. Petitioner shall be deemed notified of the denial or grant of the petition on the date when the agency mails or delivers the required notification to petitioner.

10.221(3) Denial of a petition because it does not substantially conform to the required form does not preclude the filing of a new petition on the same subject that seeks to eliminate the grounds for the agency's rejection of the petition.

661—10.222(17A) Waivers of rules. This rule outlines generally applicable standards and a uniform process for the granting of individual waivers from rules adopted by the department of public safety in situations where no other more specific procedure provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this rule with respect to any waiver from that rule. Generally, more specific procedures exist for considering waivers from rules of the state fire marshal and from provisions of the state of Iowa building code.

10.222(1) Applicability of rule. The department may grant a waiver from a rule only if the department has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The department may not waive requirements created or duties imposed by statute.

10.222(2) Criteria for waiver. In response to a petition completed pursuant to this rule, the department may, in its sole discretion, issue an order waiving, in whole or in part, the requirements of a rule if the department finds, based on clear and convincing evidence, all of the following:

- a. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
- b. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
- c. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
- d. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

10.222(3) Filing of petition. A petition for a waiver must be submitted in writing to the department as follows:

- a. *License application.* If the petition relates to a license application, the petition shall be made in accordance with the filing requirements for the license in question.
- b. *Contested cases.* If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.
- c. *Other.* If the petition does not relate to a license application or a pending contested case, the petition may be submitted with a caption containing the name of the entity or person for whom the waiver is requested.

d. File petition. A petition is deemed filed when it is received in the department's office. A petition should be sent to the Iowa Department of Public Safety, Attention: Agency Rules Administrator, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319.

10.222(4) Content of petition. A petition for waiver shall include the following information where applicable and known to the requester:

a. The name, address, and telephone number of the entity or person for whom a waiver is being requested; the case number of or other reference to any related contested case; and the name, address, and telephone number of the petitioner's legal representative, if any.

b. A description of and citation to the specific rule from which a waiver is requested.

c. The specific waiver requested, including the precise scope and duration.

d. The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in subrule 10.222(2). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition, and a statement of reasons that the petitioner believes will justify a waiver.

e. A history of any prior contacts between the department, other departments or agencies of the state of Iowa, or political subdivisions and the petitioner relating to the regulated activity or license affected by the proposed waiver, including a description of each affected license or certificate held by the requester, any formal charges filed, notices of violation, contested case hearings, or investigations relating to the regulated activity or license within the last five years.

f. Any information known to the requester regarding the department's action in similar cases.

g. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question or which might be affected by the granting of a waiver.

h. The name, address, and telephone number of any entity or person who would be adversely affected by the granting of a petition.

i. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

j. Signed releases of information authorizing persons with knowledge regarding the request to furnish the department with information relevant to the waiver.

10.222(5) Additional information. Prior to issuing an order granting or denying a waiver, the department may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the department may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and a representative or representatives of the department related to the waiver request.

10.222(6) Notice. The department shall acknowledge a petition upon receipt. The department shall ensure that, within 30 days of the receipt of the petition, notice of the pending petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law, including the petitioner. In addition, the department may give notice to other persons. To accomplish this notice provision, the department may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law, and provide a written statement to the department attesting that notice has been provided.

10.222(7) Hearing procedures. The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case, and shall otherwise apply to department proceedings for a waiver only when the department so provides by rule or order or is required to do so by statute.

10.222(8) Ruling. An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person or legal entity and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

a. Departmental discretion. The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the department, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the department based on the unique, individual circumstances set out in the petition.

b. Burden of persuasion. The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the department should exercise its discretion to grant a waiver from a rule.

c. Narrowly tailored. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

d. Administrative deadlines. When the rule from which a waiver is sought establishes administrative deadlines, the department shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

e. Conditions. The department may place on a waiver any condition that the department finds desirable to protect the public health, safety, and welfare.

f. Time period of waiver. A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the department, a waiver may be renewed if the department finds that grounds for a waiver continue to exist.

g. Time for ruling. The department shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the department shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

h. When deemed denied. Failure of the department to grant or deny a petition within the required time period shall be deemed a denial of that petition by the department. However, the department shall remain responsible for issuing an order denying a waiver.

i. Service of order. Within seven days of its issuance, any order issued under this rule shall be transmitted or delivered to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

10.222(9) All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the department is authorized or required to keep confidential. The department may accordingly redact confidential information from petitions or orders prior to public inspection.

10.222(10) Submission of waiver information. When the department grants a waiver, the department shall submit information required by Iowa Code section 17A.9A and in the manner prescribed by Iowa Code section 17A.9 within 60 days. The Internet site shall identify the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the department's actions on waiver requests. If practicable, the department shall include information detailing the extent to which the granting of a waiver has affected the general applicability of the rule itself.

10.222(11) Cancellation of a waiver. A waiver issued by the department pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the department issues an order finding any of the following:

a. The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or

b. The alternative means for ensuring that the public health, safety and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or

c. The subject of the waiver order has failed to comply with all conditions contained in the order.

10.222(12) Violations. Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

10.222(13) Defense. After the department issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein only for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

10.222(14) Judicial review. Judicial review of the department's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

10.222(15) Sample petition for waiver. A petition for waiver filed in accordance with this chapter must meet the requirements specified herein and must substantially conform to the following form:

661—10.306(17A) Presiding officer.

10.306(1) Any party who wishes to request that the presiding officer assigned to render a proposed decision be an administrative law judge employed by the department of inspections and appeals must file a written request within 20 days after service of a notice of hearing which identifies or describes the presiding officer as the agency head.

10.306(2) The commissioner of public safety or the commissioner's designee may deny the request only upon a finding that one or more of the following apply:

a. Neither the department nor any officer of the agency under whose authority the contested case is to take place is a named party to the proceeding or a real party in interest to that proceeding.

b. There is a compelling need to expedite issuance of a final decision in order to protect the public health, safety, or welfare.

c. An administrative law judge is unavailable to hear the case within a reasonable time.

d. The case involves significant policy issues of first impression that are inextricably intertwined with the factual issues presented.

g. The request was not timely filed.

h. The request is not consistent with a specified statute.

10.306(3) The commissioner or the commissioner's designee shall issue a written ruling specifying the grounds for its decision within 20 days after a request for an administrative law judge is filed. If the ruling is contingent upon the availability of an administrative law judge with the qualifications identified in subrule 10.306(4), the parties shall be notified at least 10 days prior to hearing if a qualified administrative law judge will not be available.

10.306(4) Reserved.

10.306(5) Except as provided otherwise by another provision of law, all rulings by an administrative law judge acting as presiding officer are subject to appeal to the agency. A party must seek any available intra-agency appeal in order to exhaust adequate administrative remedies.

10.306(6) Unless otherwise provided by law, the commissioner, when reviewing a proposed decision upon intra-agency appeal, shall have the powers of and shall comply with the provisions of this chapter which apply to presiding officers.

661—10.307(17A) Waiver of procedures. Unless otherwise precluded by law, the parties in a contested case proceeding may waive any provision of this chapter. However, the department in its discretion may refuse to give effect to such a waiver when it deems the waiver to be inconsistent with the public interest.

661—10.308(17A) Telephone proceedings. The presiding officer may resolve preliminary procedural motions by telephone conference in which all parties have an opportunity to participate. Other telephone proceedings may be held with the consent of all parties. The presiding officer will determine the location of the parties and witnesses for telephone hearings. The convenience of the witnesses or parties, as well as the nature of the case, will be considered when location is chosen.

661—10.309(17A) Disqualification.

10.309(1) A presiding officer or other person shall withdraw from participation in the making of any proposed or final decision in a contested case if that person:

a. Has a personal bias or prejudice concerning a party or a representative of a party;

b. Has personally investigated, prosecuted or advocated in connection with that case, the specific controversy underlying that case, another pending factually related contested case, or a pending factually related controversy that may culminate in a contested case involving the same parties;

c. Is subject to the authority, direction or discretion of any person who has personally investigated, prosecuted or advocated in connection with that contested case, the specific controversy underlying that contested case, or a pending factually related contested case or controversy involving the same parties;

d. Has acted as counsel to any person who is a private party to that proceeding within the past two years;

e. Has a personal financial interest in the outcome of the case or any other significant personal interest that could be substantially affected by the outcome of the case;

f. Has a spouse or relative within the third degree of relationship that: (1) is a party to the case, or an officer, director or trustee of a party; (2) is a lawyer in the case; (3) is known to have an interest that could be substantially affected by the outcome of the case; or (4) is likely to be a material witness in the case; or

g. Has any other legally sufficient cause to withdraw from participation in the decision making in that case.

10.309(2) The term “personally investigated” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term “personally investigated” does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other agency functions, including fact gathering for purposes other than investigation of the matter which culminates in a contested case. Factual information relevant to the merits of a contested case received by a person who later serves as presiding officer in that case shall be disclosed if required by Iowa Code section 17A.17 as amended by 1998 Iowa Acts, chapter 1202, section 19, and subrules 10.309(3) and 10.323(9).

10.309(3) In a situation where a presiding officer or other person knows of information which might reasonably be deemed to be a basis for disqualification and decides voluntary withdrawal is unnecessary, that person shall submit the relevant information for the record by affidavit and shall provide for the record a statement of the reasons for the determination that withdrawal is unnecessary.

10.309(4) If a party asserts disqualification on any appropriate ground, including those listed in subrule 10.309(1), the party shall file a motion supported by an affidavit pursuant to 1998 Iowa Acts, chapter 1202, section 19(7). The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party.

If, during the course of the hearing, a party first becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification but must establish the grounds by the introduction of evidence into the record.

If the presiding officer determines that disqualification is appropriate, the presiding officer or other person shall withdraw. If the presiding officer determines that withdrawal is not required, the presiding officer shall enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal under rule 661—10.325(17A) and seek a stay under rule 661—10.329(17A).

661—10.310(17A) Consolidation—severance.

10.310(1) *Consolidation.* The presiding officer may consolidate any or all matters at issue in two or more contested case proceedings where: (a) the matters at issue involve common parties or common questions of fact or law; (b) consolidation would expedite and simplify consideration of the issues involved; and (c) consolidation would not adversely affect the rights of any of the parties to those proceedings.

10.310(2) *Severance.* The presiding officer may, for good cause shown, order any contested case proceedings or portions thereof severed.

661—10.311(17A) Pleadings. Formal pleadings are not required in cases initiated by a notice of appeal or a notice of claim. However, the presiding officer may order the parties to file formal pleadings in any case.

661—10.312(17A) Service and filing of pleadings and other papers.

10.312(1) *When service required.* Except where otherwise provided by law, every pleading, motion, document, or other paper filed in a contested case proceeding and every paper relating to discovery in such a proceeding shall be served upon each of the parties of record to the proceeding, including the person designated as advocate or prosecutor for the state or the department, simultaneously with their filing. Except for the original notice of hearing and an application for rehearing as provided in Iowa Code section 17A.16(2), the party filing a document is responsible for service on all parties.

10.312(2) Service—how made. Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery or by mailing a copy to the person's last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

10.312(3) Filing—when required. After the notice of hearing, all pleadings, motions, documents or other papers in a contested case proceeding shall be filed with the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. All pleadings, motions, documents or other papers that are required to be served upon a party shall be filed simultaneously with the department.

10.312(4) Filing—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, delivered to an established courier service for immediate delivery to that office, or mailed by first-class mail or state interoffice mail to that office, so long as there is proof of mailing.

10.312(5) Proof of mailing. Proof of mailing includes either: a legible United States Postal Service postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

661—10.313(17A) Discovery.

10.313(1) Discovery procedures applicable in civil actions are applicable in contested cases. Unless lengthened or shortened by these rules or by order of the presiding officer, time periods for compliance with discovery shall be as provided in the Iowa Rules of Civil Procedure.

10.313(2) Any motion relating to discovery shall allege that the moving party has previously made a good-faith attempt to resolve the discovery issues involved with the opposing party. Motions in regard to discovery shall be ruled upon by the presiding officer. Opposing parties shall be afforded the opportunity to respond within ten days of the filing of the motion unless the time is shortened as provided in subrule 10.313(1). The presiding officer may rule on the basis of the written motion and any response, or may order argument on the motion.

10.313(3) Evidence obtained in discovery may be used in the contested case proceeding if that evidence would otherwise be admissible in that proceeding.

661—10.314(17A) Subpoenas.

10.314(1) Issuance.

a. An agency subpoena shall be issued to a party on request. Such a request must be in writing. In the absence of good cause for permitting later action, a request for a subpoena must be received at least three days before the scheduled hearing. The request shall include the name, address, and telephone number of the requesting party.

b. Except to the extent otherwise provided by law, parties are responsible for service of their own subpoenas and payment of witness fees and mileage expenses.

10.314(2) Motion to quash or modify. The presiding officer may quash or modify a subpoena for any lawful reason upon motion in accordance with the Iowa Rules of Civil Procedure. A motion to quash or modify a subpoena shall be set for argument promptly.

661—10.315(17A) Motions.

10.315(1) No technical form for motions is required. However, prehearing motions must be in writing, state the grounds for relief, and state the relief sought.

10.315(2) Any party may file a written response to a motion within ten days after the motion is served, unless the time period is extended or shortened by rules of the department or the presiding officer. The presiding officer may consider a failure to respond within the required time period in ruling on a motion.

10.315(3) The presiding officer may schedule oral argument on any motion.

10.315(4) Motions pertaining to the hearing must be filed and served at least ten days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by administrative rule or an order of the presiding officer.

661—10.316(17A) Prehearing conference.

10.316(1) Any party may request a prehearing conference. A written request for prehearing conference or an order for prehearing conference on the presiding officer's own motion shall be filed not less than seven days prior to the hearing date. A prehearing conference shall be scheduled not less than three business days prior to the hearing date.

Written notice of the prehearing conference shall be given by the presiding officer to all parties. For good cause the presiding officer may permit variances from this rule.

10.316(2) Each party shall bring to the prehearing conference:

a. A final list of the witnesses who the party anticipates will testify at hearing. Witnesses not listed may be excluded from testifying unless there was good cause for the failure to include their names; and

b. A final list of exhibits which the party anticipates will be introduced at hearing. Exhibits other than rebuttal exhibits that are not listed may be excluded from admission into evidence unless there was good cause for the failure to include them.

c. Witness or exhibit lists may be amended subsequent to the prehearing conference within the time limits established by the presiding officer at the prehearing conference. Any such amendments must be served on all parties.

10.316(3) In addition to the requirements of subrule 10.316(2), the parties at a prehearing conference may:

a. Enter into stipulations of law or fact;

b. Enter into stipulations on the admissibility of exhibits;

c. Identify matters which the parties intend to request be officially noticed;

d. Enter into stipulations for waiver of any provision of law; and

e. Consider any additional matters which will expedite the hearing.

10.316(4) Prehearing conferences shall be conducted by telephone unless otherwise ordered. Parties shall exchange and receive witness and exhibit lists in advance of a telephone prehearing conference.

661—10.317(17A) Continuances. Unless otherwise provided, applications for continuances shall be made to the presiding officer.

10.317(1) A written application for a continuance shall:

a. Be made at the earliest possible time and no less than seven days before the hearing except in case of unanticipated emergencies;

b. State the specific reasons for the request; and

c. Be signed by the requesting party or the party's representative.

An oral application for a continuance may be made if the presiding officer waives the requirement for a written motion. However, a party making such an oral application for a continuance must confirm that request by written application within five days after the oral request unless that requirement is waived by the presiding officer. No application for continuance shall be made or granted without notice to all parties except in an emergency where notice is not feasible. The department may waive notice of such requests for a particular case or an entire class of cases.

10.317(2) In determining whether to grant a continuance, the presiding officer may consider:

a. Prior continuances;

- b. The interests of all parties;
- c. The likelihood of informal settlement;
- d. The existence of an emergency;
- e. Any objection;
- f. Any applicable time requirements;
- g. The existence of a conflict in the schedules of counsel, parties, or witnesses;
- h. The timeliness of the request; and
- i. Other relevant factors.

The presiding officer may require documentation of any grounds for continuance.

661—10.318(17A) Withdrawals. A party requesting a contested case proceeding may withdraw that request prior to the hearing. Unless otherwise provided, a withdrawal shall be with prejudice.

661—10.319(17A) Intervention.

10.319(1) Motion. A motion for leave to intervene in a contested case proceeding shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of intervention on the proceeding. A proposed answer or petition in intervention shall be attached to the motion. Any party may file a response within 14 days of service of the motion to intervene unless the time period is extended or shortened by the presiding officer.

10.319(2) When filed. Motion for leave to intervene shall be filed as early in the proceeding as possible to avoid adverse impact on existing parties or the conduct of the proceeding. Unless otherwise ordered, a motion for leave to intervene shall be filed before the prehearing conference, if any, or at least 20 days before the date scheduled for hearing. Any later motion must contain a statement of good cause for the failure to file in a timely manner. Unless inequitable or unjust, an intervenor shall be bound by any agreement, arrangement, or other matter previously raised in the case. Requests by untimely intervenors for continuances which would delay the proceeding will ordinarily be denied.

10.319(3) Grounds for intervention. The movant shall demonstrate that: (a) intervention would not unduly prolong the proceedings or otherwise prejudice the rights of existing parties; (b) the movant is likely to be aggrieved or adversely affected by a final order in the proceeding; and (c) the interests of the movant are not adequately represented by existing parties.

10.319(4) Effect of intervention. If appropriate, the presiding officer may order consolidation of the petitions and briefs of different parties whose interests are aligned with each other and limit the number of representatives allowed to participate actively in the proceedings. A person granted leave to intervene is a party to the proceeding. The order granting intervention may restrict the issues that may be raised by the intervenor or otherwise condition the intervenor's participation in the proceeding.

661—10.320(17A) Hearing procedures.

10.320(1) The presiding officer presides at the hearing, and may rule on motions, require briefs, issue a proposed decision, and issue such orders and rulings as will ensure the orderly conduct of the proceedings.

10.320(2) All objections shall be timely made and stated on the record.

10.320(3) Parties have the right to participate or to be represented in all hearings or prehearing conferences related to their case. Partnerships, corporations, or associations may be represented by any member, officer, director, or duly authorized agent. Any party may be represented by an attorney or another person authorized by law.

10.320(4) Subject to terms and conditions prescribed by the presiding officer, parties have the right to introduce evidence on issues of material fact, cross-examine witnesses present at the hearing as necessary for a full and true disclosure of the facts, present evidence in rebuttal, and submit briefs and engage in oral argument.

10.320(5) The presiding officer shall maintain the decorum of the hearing and may refuse to admit or may expel anyone whose conduct is disorderly.

10.320(6) Witnesses may be sequestered during the hearing.

10.320(7) The presiding officer shall conduct the hearing in the following manner:

- a. The presiding officer shall give an opening statement briefly describing the nature of the proceedings;
- b. The parties shall be given an opportunity to present opening statements;
- c. Parties shall present their cases in the sequence determined by the presiding officer;
- d. Each witness shall be sworn or affirmed by the presiding officer or the court reporter, and be subject to examination and cross-examination. The presiding officer may limit questioning in a manner consistent with law;
- e. When all parties and witnesses have been heard, parties may be given the opportunity to present final arguments.

661—10.321(17A) Evidence.

10.321(1) The presiding officer shall rule on admissibility of evidence and may, where appropriate, take official notice of facts in accordance with all applicable requirements of law.

10.321(2) Stipulation of facts is encouraged. The presiding officer may make a decision based on stipulated facts.

10.321(3) Evidence in the proceeding shall be confined to the issues as to which the parties received notice prior to the hearing unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. If the presiding officer decides to admit evidence on issues outside the scope of the notice over the objection of a party who did not have actual notice of those issues, that party, upon timely request, shall receive a continuance sufficient to amend pleadings and to prepare on the additional issue.

10.321(4) The party seeking admission of an exhibit must provide opposing parties with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents should normally be provided to opposing parties.

All exhibits admitted into evidence shall be appropriately marked and be made part of the record.

10.321(5) Any party may object to specific evidence or may request limits on the scope of any examination or cross-examination. Such an objection shall be accompanied by a brief statement of the grounds upon which it is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

10.321(6) Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

661—10.322(17A) Default.

10.322(1) If a party fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a decision in the absence of the party.

10.322(2) Where appropriate and not contrary to law, any party may move for default against a party who has requested the contested case proceeding and has failed to file a required pleading or has failed to appear after proper service.

10.322(3) Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final agency action unless, within 15 days, or other period of time specified by statute or rule, after the date of notification or mailing of the decision, a motion to vacate is filed and served on all parties or an appeal of a decision on the merits is timely initiated within the time provided by rule 661—10.327(17A). A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for that party's failure to appear or participate at the contested case proceeding. Each fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact, which affidavit(s) must be attached to the motion.

10.322(4) The time for further appeal of a decision for which a timely motion to vacate has been filed is stayed pending a decision on the motion to vacate.

10.322(5) Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party. Adverse parties shall have ten days, or other time specified by the presiding officer, to respond to a motion to vacate. Adverse parties shall be allowed to conduct discovery as to the issue of good cause and to present evidence on the issue prior to a decision on the motion, if a request to do so is included in that party's response.

10.322(6) "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 236.

10.322(7) A decision denying a motion to vacate is subject to further appeal within the time limit allowed for further appeal of a decision on the merits in the contested case proceeding. A decision granting a motion to vacate is subject to interlocutory appeal by the adverse party pursuant to rule 661—10.325(17A).

10.322(8) If a motion to vacate is granted and no timely interlocutory appeal has been taken, the presiding officer shall issue another notice of hearing and the contested case shall proceed accordingly.

10.322(9) A default decision may award any relief consistent with the request for relief made in the petition and embraced in its issues but, unless the defaulting party has appeared, it cannot exceed the relief demanded.

10.322(10) A default decision may provide either that the default decision is to be stayed pending a timely motion to vacate or that the default decision is to take effect immediately, subject to a request for stay under rule 661—10.329(17A).

661—10.323(17A) Ex parte communication.

10.323(1) Prohibited communications. Unless required for the disposition of ex parte matters specifically authorized by statute, following issuance of the notice of hearing, there shall be no communication, directly or indirectly, between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in such case in connection with any issue of fact or law in the case except upon notice and opportunity for all parties to participate. This does not prohibit persons jointly assigned such tasks from communicating with each other. Nothing in this provision is intended to preclude the presiding officer from communicating with members of the agency or seeking the advice or help of persons other than those with a personal interest in, or those engaged in personally investigating as defined in subrule 10.309(2), prosecuting, or advocating in, either the case under consideration or a pending factually related case involving the same parties as long as those persons do not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

10.323(2) Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

10.323(3) Written, oral or other forms of communication are "ex parte" if made without notice and opportunity for all parties to participate.

10.323(4) To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Notice of written communications shall be provided in compliance with rule 661—10.312(17A) and may be supplemented by telephone, facsimile, electronic mail or other means of notification. Where permitted, oral communications may be initiated through conference telephone call including all parties or their representatives.

10.323(5) Persons who jointly act as presiding officer in a pending contested case may communicate with each other without notice or opportunity for parties to participate.

10.323(6) The commissioner of public safety or other persons may be present in deliberations or otherwise advise the presiding officer without notice or opportunity for parties to participate as long as they are not disqualified from participating in the making of a proposed or final decision under any provision of law and they comply with subrule 10.323(1).

10.323(7) Communications with the presiding officer involving uncontested scheduling or procedural matters do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines pursuant to rule 661—10.317(17A).

10.323(8) Disclosure of prohibited communications. A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be submitted for inclusion in the record under seal by protective order or disclosed, as determined by the presiding officer. If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of the communication.

10.323(9) Promptly after being assigned to serve as presiding officer at any stage in a contested case proceeding, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section 17A.13(2) or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

10.323(10) The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule including default, a decision against the offending party, censure, or suspension or revocation of the privilege to practice before the agency. Violation of ex parte communication prohibitions by department personnel shall be reported to the Professional Standards Bureau, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, for possible sanctions including censure, suspension, dismissal, or other disciplinary action.

[Editorial change: IAC Supplement 2/11/09]

661—10.324(17A) Recording costs. Upon request, the department shall provide a copy of the whole or any portion of the record at cost. The cost of preparing a copy of the record or of transcribing the hearing record shall be paid by the requesting party.

Parties who request that a hearing be recorded by certified shorthand reporters rather than by electronic means shall bear the cost of that recordation, unless otherwise provided by law.

661—10.325(17A) Interlocutory appeals. Upon written request of a party or on the commissioner's own motion, the commissioner of public safety may review an interlocutory order of the presiding officer. In determining whether to do so, the commissioner shall weigh the extent to which its granting the interlocutory appeal would expedite final resolution of the case and the extent to which review of that interlocutory order by the agency at the time it reviews the proposed decision of the presiding officer would provide an adequate remedy. Any request for interlocutory review must be filed within 14 days of issuance of the challenged order, but no later than the time for compliance with the order or the date of hearing, whichever is first.

661—10.326(17A) Final decision.

10.326(1) When commissioner of public safety presides over the reception of evidence at the hearing, the commissioner's decision is a final decision.

10.326(2) When the commissioner does not preside at the reception of evidence, the presiding officer shall make a proposed decision. The proposed decision becomes the final decision of the agency without further proceedings unless there is an appeal to, or review on motion of, the department within the time provided in rule 661—10.327(17A).

661—10.327(17A) Appeals and review.

10.327(1) *Appeal by party.* Any adversely affected party may appeal a proposed decision to the commissioner of public safety within 30 days after issuance of the proposed decision.

10.327(2) Review. The commissioner may initiate review of a proposed decision on the commissioner's own motion at any time within 30 days following the issuance of such a decision.

10.327(3) Notice of appeal. An appeal of a proposed decision is initiated by filing a timely notice of appeal with the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. The notice of appeal must be signed by the appealing party or a representative of that party and contain a certificate of service. The notice shall specify:

- a. The parties initiating the appeal;
- b. The proposed decision or order appealed from;
- c. The specific findings or conclusions to which exception is taken and any other exceptions to the decision or order;
- d. The relief sought;
- e. The grounds for relief.

10.327(4) Requests to present additional evidence. A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence. A written request to present additional evidence must be filed with the notice of appeal or, by a nonappealing party, within 14 days of service of the notice of appeal. The commissioner may remand a case to the presiding officer for further hearing or may preside at the taking of additional evidence.

10.327(5) Scheduling. The department shall issue a schedule for consideration of the appeal.

10.327(6) Briefs and arguments. Unless otherwise ordered, within 20 days of the notice of appeal or order for review, each appealing party may file exceptions and briefs. Within 20 days thereafter, any party may file a responsive brief. Briefs shall cite any applicable legal authority and specify relevant portions of the record in that proceeding. Written requests to present oral argument shall be filed with the briefs.

The commissioner may resolve the appeal on the briefs or provide an opportunity for oral argument. The commissioner may shorten or extend the briefing period as appropriate.

[Editorial change: IAC Supplement 2/11/09]

661—10.328(17A) Applications for rehearing.

10.328(1) By whom filed. Any party to a contested case proceeding may file an application for rehearing from a final order.

10.328(2) Content of application.

a. The application for rehearing shall state on whose behalf it is filed, the specific grounds for rehearing, and the relief sought. In addition, the application shall state whether the applicant desires reconsideration of all or part of the agency decision on the existing record and whether, on the basis of the grounds enumerated in subrule 10.327(4), the applicant requests an opportunity to submit additional evidence.

b. Substantially state in separate numbered paragraphs the following:

- (1) Clear and concise statements of the reasons for requesting a rehearing and each and every error which the party alleges to have been committed during the contested case proceedings;
- (2) Clear and concise statements of all relevant facts upon which the party relies;
- (3) Refer to any particular statute or statutes and any rule or rules involved;
- (4) The signature of the party or that of the representative.

10.328(3) Time of filing. The application shall be filed with the Office of the Commissioner, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, within 20 days after issuance of the final decision.

10.328(4) Notice to other parties. A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein. If the application does not contain a certificate of service, the department shall serve copies on all parties.

10.328(5) Disposition. Any application for a rehearing shall be deemed denied unless the agency grants the application within 20 days after its filing.

[Editorial change: IAC Supplement 2/11/09]

661—10.329(17A) Stays of agency actions.**10.329(1) When available.**

a. Any party to a contested case proceeding may petition the department for a stay of an order issued in that proceeding or for other temporary remedies, pending review by the agency. The petition shall be filed with the notice of appeal and shall state the reasons justifying a stay or other temporary remedy. The commissioner may rule on the stay or authorize the presiding officer to do so.

b. Any party to a contested case proceeding may petition the department for a stay or other temporary remedies pending judicial review of all or part of that proceeding. The petition shall state the reasons justifying a stay or other temporary remedy.

10.329(2) When granted. In determining whether to grant a stay, the presiding officer or commissioner shall consider the factors listed in 1998 Iowa Acts, chapter 1202, section 23(5c).

10.329(3) Vacation. A stay may be vacated by the issuing authority upon application of the department or any other party.

661—10.330(17A) No factual dispute contested cases. If the parties agree that no dispute of material fact exists as to a matter that would be a contested case if such a dispute of fact existed, the parties may present all relevant admissible evidence either by stipulation or otherwise as agreed by the parties, without necessity for the production of evidence at an evidentiary hearing. If such agreement is reached, a jointly submitted schedule detailing the method and timetable for submission of the record, briefs and oral argument should be submitted to the presiding officer for approval as soon as practicable. If the parties cannot agree, any party may file and serve a motion for summary judgment pursuant to the rules governing such motions.

661—10.331(17A) Emergency adjudicative proceedings.

10.331(1) Necessary emergency action. To the extent necessary to prevent or avoid immediate danger to the public health, safety, or welfare and, consistent with the Constitution and other provisions of law, the department may issue a written order in compliance with 1998 Iowa Acts, chapter 1202, section 21, to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the agency by emergency adjudicative order. Before issuing an emergency adjudicative order the agency shall consider factors including, but not limited to, the following:

a. Whether there has been a sufficient factual investigation to ensure that the department is proceeding on the basis of reliable information;

b. Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing;

c. Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare;

d. Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare; and

e. Whether the specific action contemplated by the department is necessary to avoid the immediate danger.

10.331(2) Issuance of order.

a. An emergency adjudicative order shall contain findings of fact, conclusions of law, and policy reasons to justify the determination of an immediate danger in the department's decision to take immediate action.

b. The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by utilizing one or more of the following procedures:

(1) Personal delivery;

(2) Certified mail, return receipt requested, to the last address on file with the department;

(3) Certified mail to the last address on file with the department;

(4) First-class mail to the last address on file with the department; or

(5) Fax. Fax may be used as the sole method of delivery if the person required to comply with the order has filed a written request that department orders be sent by fax and has provided a fax number for that purpose.

c. To the degree practicable, the department shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

10.331(3) *Oral notice.* Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the department shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

10.331(4) *Completion of proceedings.* After the issuance of an emergency adjudicative order, the department shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

Issuance of a written emergency adjudicative order shall include notification of the date on which agency proceedings are scheduled for completion. After issuance of an emergency adjudicative order, continuance of further agency proceedings to a later date will be granted only in compelling circumstances upon application in writing.

661—10.332(17A) Burden of proof. Unless otherwise provided by law, the burden of proof in all contested case proceedings in which the department is a party shall be on the petitioner.

These rules are intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202.

CHAPTER 18
PARKING FOR PERSONS WITH DISABILITIES

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—18.1(321L) Scope. These rules shall apply to all public and private parking facilities, temporary or permanent, used by the general public.

661—18.2(321L) Location. Parking spaces designated for persons with disabilities and accessible passenger loading zones that serve a particular building shall be located on the shortest possible accessible circulation route to an accessible entrance of the building. In separate parking structures or lots that do not serve a particular building, parking spaces for persons with disabilities shall be located on the shortest possible circulation route to an accessible pedestrian entrance of the parking facility. When parking spaces for persons with disabilities are required for buildings with more than one accessible entrance, the spaces shall be distributed so that each accessible entrance shall have at least one parking space for persons with disabilities located on the shortest accessible route to that entrance.

Exception:

If the required number of spaces is less than the number of accessible entrances, the spaces shall be distributed so that as many entrances as possible are served by at least one parking space for persons with disabilities located on the shortest accessible route to those entrances.

661—18.3(321L) Dimensions.

18.3(1) Single space. Parking spaces for persons with disabilities shall be at least 96 inches wide and shall have an adjacent access aisle 60 inches wide minimum (see Figure 1). Parking vehicle overhangs shall not reduce the clear width of an accessible circulation route. Parking spaces and access aisles shall be level with surface slopes not exceeding 1:50 in all directions.

18.3(2) Multiple spaces. Two accessible parking spaces may share a common access aisle (see Figure 1).

18.3(3) The requirements of subrules 18.3(1) and 18.3(2) do not apply to parallel on-street parking spaces.

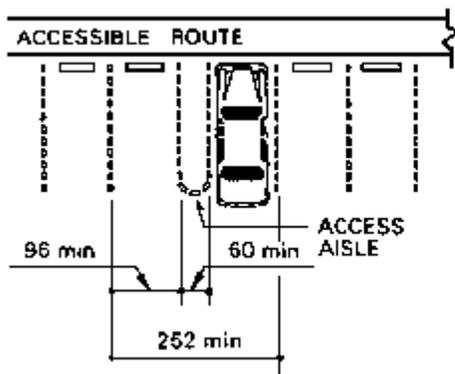

Figure 1
Dimensions of Parking Spaces

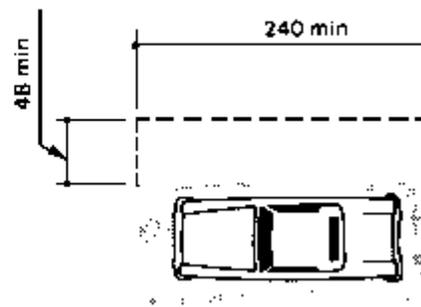

Figure 2
Access Aisle at Passenger Loading Zones

18.3(4) Van-accessible spaces. The first parking space for persons with disabilities provided in a parking lot or parking structure, and every eighth parking space for persons with disabilities provided thereafter, shall be a van-accessible space. A “van-accessible” space shall be 96 inches wide with an adjacent access aisle at least 96 inches wide (see Figure 3). Two adjacent van-accessible spaces may share a common access aisle.

Exception:

Entities providing parking spaces for persons with disabilities are not required to provide van-accessible spaces if all of the parking spaces for persons with disabilities provided in a parking lot or

structure are “universally accessible.” A “universally accessible” space is at least 132 inches wide with an adjacent 60-inch wide access aisle. Two adjacent universally accessible spaces may share a common access aisle (see Figure 4).

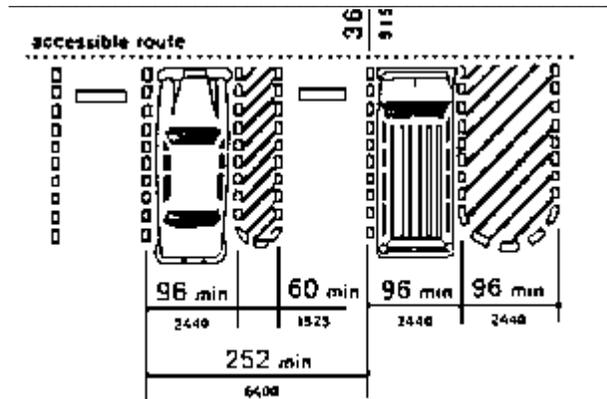

Figure 3
Van-Accessible Space at End of Row

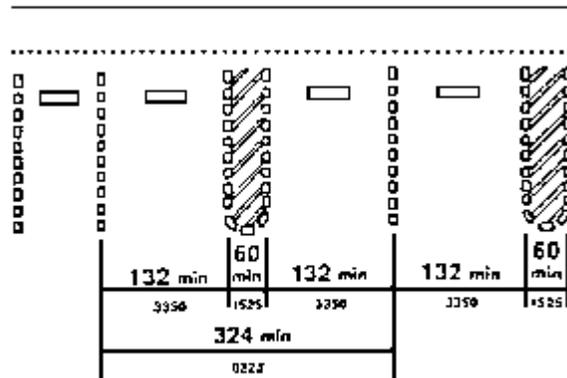

Figure 4
“Universal” Accessible Parking Spaces

661—18.4(321L) Access aisles and loading zones.

18.4(1) Passenger loading zones shall provide an access aisle at least 48 inches wide and 20 feet long adjacent and parallel to the vehicle pull-up space (see Figure 2). Vehicle standing spaces and access aisles shall be level with surface slopes not exceeding 1:50 in all directions.

NOTE: Projects which are required to comply with the Uniform Federal Accessibility Standards shall provide a width of 60 inches for the access aisle.

18.4(2) A minimum vertical clearance of 108 inches shall be provided at accessible passenger loading zones and along vehicle access routes to such areas from site entrances.

NOTE: Uniform Federal Accessibility Standard requires 114 inches of vertical clearance.

18.4(3) If there are curbs between the access aisle and the vehicle pull-up space, then a curb ramp complying with Iowa Code section 216C.9 shall be provided.

661—18.5(321L) Designation. Each parking space for persons with disabilities shall be designated as reserved for persons with disabilities by a sign meeting the following requirements established in Iowa Code section 321L.6:

18.5(1) Each persons with disabilities parking sign shall have the international symbol of accessibility in white on a blue background.

18.5(2) Each persons with disabilities parking sign shall be affixed vertically to another object so that it is readily visible to the driver of a vehicle approaching the parking space for persons with disabilities. Signs shall be mounted so that the bottom of the sign is no less than five feet nor more than seven feet from the surface level of the parking space.

Exception 1:

Signs in use prior to February 1, 2001, which are readily visible to the driver of a vehicle approaching the parking space may continue to be used until replaced.

Exception 2:

Signs marking parking spaces for persons with disabilities which are affixed to other approved parking signs and devices are not required to meet the minimum or maximum height requirements of this rule, provided that the signs are clearly visible to the drivers of vehicles approaching the spaces which they mark.

NOTE: The pavement in a persons with disabilities parking space may be marked with the international symbol of accessibility, but such marking does not meet the requirements of this subrule.

18.5(3) Each persons with disabilities parking sign may include language stating the amount of the fine for improperly using the persons with disabilities parking space. If a persons with disabilities parking sign includes language stating the amount of the fine, it shall reflect the current specified amount of the fine.

661—18.6(321L) Numbers of parking spaces for persons with disabilities required in off-street parking facilities.

18.6(1) At least 2 percent of the total parking spaces in any off-street nonresidential parking facility available to the public shall be designated as spaces for persons with disabilities, rounded to the nearest whole number of parking spaces for persons with disabilities. There shall be at least one parking space for persons with disabilities in any off-street nonresidential parking facility available to the public which has a total of ten or more parking spaces.

18.6(2) All off-street parking facilities on which construction is completed on or after July 1, 1991, which provide parking to the general public and which provide ten or more parking spaces, shall designate parking spaces for persons with disabilities in accordance with the following table:

<u>Total Parking Spaces In Lot</u>	<u>Required Minimum Number of Parking Spaces for Persons with Disabilities</u>

301 to 400	8
401 to 500	9
501 to 1,000	*
1,001 and over	**

*2 percent of total

**20 spaces plus 1 for each 100 over 1,000

NOTE: Projects which are required to comply with the Uniform Federal Accessibility Standards shall provide a minimum of one parking space for persons with disabilities.

661—18.7(321L) Persons with disabilities parking at residential facilities. All public and private buildings and facilities, temporary and permanent, which are residences and which provide ten or more tenant parking spaces, excluding extended health care facilities, shall designate at least one parking space

for persons with disabilities as needed for each individual dwelling unit in which a person with a disability resides. Residential buildings and facilities which provide public visitor parking of ten or more spaces shall designate parking spaces for persons with disabilities in the visitors' parking area in accordance with the table contained in rule 661—18.6(321L).

PREAMBLE

Scope. These rules are to provide notice of how the department keeps records and what the procedures are for access by the public. Nothing in these rules affects the access of information by law enforcement agencies, agencies of government or persons authorized by chapter 692 of the Iowa Code to receive information.

661—80.1(17A,22) Definition. As used in this chapter:

“Agency” means the “department of public safety.”

[ARC 7562B, IAB 2/11/09, effective 4/1/09]

661—80.2(17A,22) Statement of policy. The purpose of this chapter is to facilitate broad public access to open records. It also seeks to facilitate sound agency determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. This agency is committed to the policies set forth in Iowa Code chapter 22; agency staff shall cooperate with members of the public in implementing the provisions of that chapter.

[ARC 7562B, IAB 2/11/09, effective 4/1/09]

661—80.3(17A,22) Requests for access to records.

80.3(1) Location of record. A request for access to a record should be directed to the office where the record is kept. If the location of the record is not known by the requester, the request shall be directed to the Public Information Bureau, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319.

80.3(2) Office hours. Open records shall be made available during customary office hours, which are 8 a.m. to 4:30 p.m. daily, excluding Saturdays, Sundays, and legal holidays.

80.3(3) Request for access. A request for access to open records may be made in writing, by electronic mail, in person, or by telephone. The request shall identify the particular records sought by name or description in order to facilitate the location of the record. Mail or telephone requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record.

80.3(4) Response to requests. Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing. The custodian shall also provide to the requester an estimate of any fees which will be assessed to cover the costs of complying with the request.

80.3(5) Security of record. No person may, without permission from the custodian, search or remove any record from agency files. Examination and copying of agency records shall be supervised by the custodian or a designee of the custodian. Records shall be protected from damage and disorganization.

80.3(6) Copying. A reasonable number of copies of an open record may be made in the departmental office. If photocopy equipment is not available in the departmental office where an open record is kept, the custodian shall permit its examination in that office or a nearby location and shall arrange to have copies promptly made elsewhere. An electronic copy may be provided if mutually agreeable to the custodian and the requester.

80.3(7) Fees.

a. When charged. The agency may charge fees in connection with the examination or copying of records only if the fees are authorized by law. To the extent permitted by applicable provisions of law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.

b. Copying and postage costs. Price schedules for published materials and for photocopies of records supplied by the agency shall be prominently posted in agency offices. Copies of records may be made by or for members of the public on agency photocopy machines or from electronic storage systems at cost as determined and posted in agency offices by the custodian. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester.

c. Search and supervisory fees. Fees may be charged for actual agency expenses in searching for and supervising the examination and copying of requested records. The custodian shall notify the requester of the hourly fees to be charged for searching for records and supervision of records during examination and copying. That hourly fee shall not be in excess of the hourly wage of an agency employee who ordinarily would be appropriate and suitable to perform these search and supervisory functions.

d. Advance deposits.

(1) When the estimated total fee chargeable under this subrule exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require payment of the full amount of any fees previously owed and of any estimated fees for the new request prior to processing any new request from the requester.

661—80.4(17A,22) Procedures for access to confidential records. This rule contains the provisions governing public access to confidential records in addition to those specified for all records in rule 661—80.3(17A,22). These provisions do not apply to law enforcement agencies, agencies of government or persons authorized by Iowa Code chapter 692 or 100A to receive confidential information.

80.4(1) Proof of identity. A person requesting access to a confidential record may be required to provide proof of identity or authority to secure access to the record.

80.4(2) Requests. The custodian may require a request to examine and copy a confidential record to be in writing. A person requesting access to such a record may be required to sign a certified statement or affidavit enumerating the specific reasons justifying access to the confidential record and to provide any proof necessary to establish relevant facts.

80.4(3) Reserved.

80.4(4) Request denied. When the custodian denies a request for access to a confidential record, the custodian shall promptly notify the requester. If the requester indicates to the custodian that a written notification of the denial is desired, the custodian shall promptly provide such a notification that is signed by the custodian and that includes:

a. The name and title or position of the custodian responsible for the denial; and

b. A citation to the provision of law vesting authority in the custodian to deny disclosure of the record and a brief statement of the reasons for the denial to this requester.

80.4(5) Request granted. When the custodian grants a request for access to a confidential record to a particular person, the custodian shall notify that person and indicate any lawful restrictions imposed by the custodian on that person's examination and copying of the record.

[ARC 7562B, IAB 2/11/09, effective 4/1/09]

661—80.5(17A,22) Requests for treatment of a record as a confidential record.

80.5(1) Any person who would be substantially or irreparably injured by disclosure of all or a part of a record to members of the public may file a request, as provided in this rule, for its treatment as a confidential record. Failure of a person to request confidential record treatment for all or part of a record does not preclude the agency from treating it as a confidential record.

80.5(2) A request for the treatment of a record as a confidential record shall be in writing and shall be filed with the custodian of that record. The request shall include an enumeration of the specific grounds upon which examination would not be in the public interest; the specific provisions of law

that authorize confidential record treatment; and the name, address, and telephone number of the person authorized to respond to any agency action concerning the request. A person filing a request shall, if possible, accompany the request with a copy of the record in question from which those portions for which confidential record treatment has been requested have been deleted. If the original record is being submitted to the agency by the person requesting confidentiality at the same time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are a confidential record. Requests for treatment of all or portions of a record as a confidential record for a limited time period shall also specify the precise period of time for which confidential record treatment is requested.

80.5(3) Failure to request. Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the agency does not request that it be withheld from public inspection under Iowa Code sections 22.7(3) and 22.7(6), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

80.5(4) Timing of decision. A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed, or when the custodian receives a request for access to the record by a member of the public.

80.5(5) Request granted or deferred. If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

80.5(6) Request denied. If a request for confidential record treatment is denied, the requester may seek review or relief under Iowa Code section 22.8.

The subject shall send the statement to the custodian of the record. The consent must be in writing and must identify the particular record or records that may be disclosed, the particular person, or class of persons, to whom the record may be disclosed, and where applicable, the time period during which the record may be disclosed. The subject and, where applicable, the person to whom the record is to be disclosed may be required to provide proof of identity.

Exception:

This rule does not apply to criminal investigation, identification or intelligence files. Access to criminal history data shall be governed by Iowa Code section 692.5.

It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22.

80.10(2) To the extent allowed by law, the following uses are considered routine uses of all agency records:

CHAPTER 81
CRIMINAL INTELLIGENCE INFORMATION

[Prior to 11/8/06, see 661—8.201(692) to 8.207(692)]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—81.1(692) Definitions. The following definitions apply to rules 661—81.1(692) through 661—81.5(692).

“*Criminal intelligence file*” means information stored in a criminal intelligence system that is compiled in an effort to anticipate, prevent, or monitor possible criminal activity on:

1. An individual who, based upon reasonable grounds, is believed to be involved in the actual or attempted planning, organization, financing, promotion, or commission of criminal acts or is believed to be involved in criminal activities with known or suspected criminal offenders.

2. A group, organization or business which, based on reasonable grounds, is believed to be involved in the actual or attempted planning, organization, financing, promotion, or commission of criminal acts, or of being illegally operated, controlled, financed, promoted, or infiltrated by known or suspected criminal offenders.

3. An incident in which sufficient articulable facts give a trained law enforcement or criminal investigative agency officer, investigator, or employee a basis to believe that a definable criminal activity or enterprise is, has been, or may be committed.

“Criminal intelligence file” does not include surveillance data as defined in Iowa Code section 692.1.

“*Criminal intelligence system*” means the arrangements, equipment, facilities, and procedures used for the receipt, storage, interagency exchange or dissemination, and analysis of criminal intelligence information.

“*Need to know*” is established if criminal intelligence information will assist a recipient in anticipating, investigating, monitoring, or preventing possible criminal activity or if criminal intelligence information is pertinent to protecting a person or property from a threat of imminent serious harm.

“*Noncriminal identifying information*” means information about the characteristics and associations of an identifiable person suspected of being involved in criminal activity.

“*Reasonable grounds*” means information that establishes sufficient articulable facts that give a trained law enforcement or criminal investigative agency officer, investigator, or employee a reasonable basis to believe that a definable criminal activity or enterprise is, has been, or may be committed.

“*Right to know*” is established when a recipient of criminal intelligence information is legally permitted to receive intelligence data or an intelligence assessment.

“*Surveillance data*” means information on individuals, pertaining to participation in organizations, groups, meetings or assemblies, where there are no reasonable grounds to suspect involvement or participation in criminal activity by any person. Noncriminal identifying information does not constitute surveillance data.

“*Threat of imminent serious harm*” means a credible impending threat to the safety of a person or property. A threat of imminent serious harm justifies the dissemination of intelligence data or an intelligence assessment for the purpose of protecting a person or property from the threat.

661—81.2(692) Iowa law enforcement intelligence network (LEIN) information system.

81.2(1) *LEIN information system.* The Iowa law enforcement intelligence network (LEIN) information system is the statewide interjurisdictional intelligence system maintained and operated by the intelligence bureau of the department of public safety, for the regular interagency exchange of criminal intelligence files. Criminal intelligence files contained in the LEIN information system may be disseminated or redisseminated by the intelligence bureau of the department of public safety, consistent with Iowa Code chapter 692.

81.2(2) *Direct computer access.* The commissioner of public safety may authorize a peace officer, criminal justice agency, or state or federal regulatory agency to access the LEIN information system directly via a remote computer terminal, provided that the authorized individual or agency

follows approved procedures regarding receipt, maintenance, dissemination, submission and security of information, and related training. Authorization may be provided in writing or electronically.

81.2(3) *Termination of authorization for direct computer access.* The commissioner of public safety may, at any time for good cause, terminate authorization for direct, remote computer access to the LEIN information system which has been previously approved. An individual or agency whose authorization to directly access the LEIN information system via remote computer has been terminated may appeal the termination in accordance with procedures for contested cases established in 661—Chapter 10.

81.2(4) *Reinstatement of authorization for direct computer access.* Any user whose authorization for direct, remote computer access to the LEIN information system has been terminated may apply for the authorization for access to be reinstated, provided that the problem which led to the termination has been corrected.

81.2(5) *Applications for direct computer access.* To apply for direct, remote computer access to the LEIN information system or to obtain further information about the LEIN information system, a person shall contact the Intelligence Bureau, Iowa Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, or by electronic mail via the Internet at intinfo@dps.state.ia.us.

81.2(6) *Entry of information—restrictions.* Information about the political, religious, racial, or social views, associations, activities or sexual orientation of any individual shall not be entered into the LEIN information system unless such information constitutes noncriminal identifying information or is relevant to an investigation of criminal conduct or activity involving an identifiable individual.

81.2(7) *Entry of information—conformance with applicable law.* No information that is deemed unreliable because it has been obtained in violation of any applicable federal, state, or local law or ordinance, or these rules, may be entered into the LEIN information system.

81.2(8) *Dissemination.* Intelligence data from the LEIN information system may be disseminated only to peace officers, criminal justice agencies, or state or federal regulatory agencies. Intelligence data from the LEIN information system may be disseminated only when there is a right to know and a need to know in the performance of a law enforcement activity. Intelligence data from the LEIN information system shall not be disseminated to any user whose authorization to access the LEIN information system has been terminated and has not been reinstated.

Exception:

Intelligence assessments may be disseminated to any agency or organization for an official purpose or to a person in order to protect a person or property from the threat of imminent serious harm as defined in rule 661—81.1(692).

81.2(9) *Redissemination of intelligence data.* An agency, organization, or person receiving intelligence data from the department pursuant to Iowa Code chapter 692 may redisseminate the intelligence data only if authorized by the agency or peace officer who originally provided the data and if the data is for an official purpose in connection with the prescribed duties of the recipient. If the agency, organization, or person receiving the information is not a peace officer, criminal or juvenile justice agency, or state or federal regulatory agency, redissemination is allowed only if such redissemination is for an official purpose and if the information is redisseminated in order to protect a person or property from the threat of imminent serious harm. The department may also place restrictions on the redissemination by the agency, organization, or person receiving the intelligence data. Any agency, organization, or person who redisseminates intelligence data pursuant to Iowa Code chapter 692 must maintain a list of the agencies, organizations, and persons receiving the intelligence data and the purpose of the redissemination. Intelligence data must be maintained separately from and should not be included in any form in any investigative or prosecutorial files.

81.2(10) *Redissemination of intelligence assessment.* An agency, organization, or person receiving an intelligence assessment from the department pursuant to Iowa Code chapter 692 may redisseminate the intelligence assessment only if authorized by the department and only if the redissemination is for an official purpose in connection with the prescribed duties of the recipient. If the agency, organization, or person receiving the intelligence assessment is not a peace officer, criminal or juvenile justice agency, or state or federal regulatory agency, redissemination is allowed only if such redissemination is to

protect a person or property from the threat of imminent serious harm. The department may also place restrictions on the redissemination by the agency, organization, or person receiving the intelligence assessment. Any agency, organization, or person who redisseminates an intelligence assessment pursuant to Iowa Code chapter 692 must maintain a list of the agencies, organizations, and persons receiving the intelligence assessment and the purpose of the redissemination. An agency, organization, or person who redisseminates information without proper authorization may be prohibited from receiving further intelligence assessments.

[Editorial change: IAC Supplement 6/17/09]

661—81.3(692) Criminal intelligence file security. The intelligence bureau of the department of public safety shall adopt administrative, technical, and physical safeguards, including audit trails, to ensure against unauthorized access and against intentional or unintentional damage to the LEIN information system. These safeguards shall include, but are not limited to, the following:

81.3(1) Records indicating who has been given the information, the reason for release of information, and the date of any dissemination shall be maintained until the information has been purged.

81.3(2) Criminal intelligence files shall be labeled to indicate security level and identities of submitting agencies and submitting individual.

81.3(3) Where appropriate, effective and technologically advanced computer software and hardware designs shall be implemented to prevent unauthorized access.

81.3(4) Any access to criminal intelligence files and computing facilities in which the files are stored shall be restricted to authorized personnel.

81.3(5) Criminal intelligence files shall be stored in such a manner that the files cannot be modified, destroyed, accessed, purged, or overlaid in any fashion by unauthorized personnel.

81.3(6) Computer systems on which criminal intelligence files are stored shall be programmed to detect, reject, and record any unauthorized attempt to access, modify, or destroy criminal intelligence files or to otherwise penetrate the security safeguards on such a system.

81.3(7) Access to any information required to gain authorized access to criminal intelligence files, including access codes and passwords, shall be restricted only to personnel authorized to access these files. The intelligence bureau shall ensure that criminal intelligence files remain confidential when specific agreements are entered into with individuals or organizations that provide computer or programming support to the agency.

81.3(8) Procedures shall be adopted to protect criminal intelligence files from unauthorized access, theft, sabotage, fire, flood, wind, and natural or other disasters.

81.3(9) Procedures shall be adopted which establish the right of the intelligence bureau to screen and, if appropriate, reject for employment any personnel who would, if hired, have access to criminal intelligence files.

81.3(10) Procedures shall be established which allow the removal or transfer, based on good cause, of any existing employees from positions in which they have access to criminal intelligence files.

81.3(11) Any compromise, or suspected compromise, of information that would allow unauthorized access into criminal intelligence files shall be reported without delay and, in any event, by the end of the next business day, to a supervisor within the intelligence bureau of the department of public safety.

81.3(12) Any compromise, or suspected compromise, of information contained in criminal intelligence files shall be reported without delay and, in any event, by the end of the next business day, to a supervisor within the intelligence bureau of the department of public safety.

661—81.4(692) Review of criminal intelligence files—purging.

81.4(1) The intelligence bureau of the department of public safety shall regularly review the information in criminal intelligence files for reclassification or purging. Decisions to retain, reclassify, or purge criminal intelligence files shall:

- a. Ensure that the information is current, accurate and relevant to the needs of the agency.
- b. Safeguard individual privacy interests protected by federal and state laws.
- c. Ensure that security classifications remain appropriate.

81.4(2) Information that is misleading, unreliable, or no longer useful shall be purged or reclassified when necessary, without delay and, in any event, within one business day of the discovery that the information is misleading, unreliable, or no longer useful. Any person or agency to which the criminal intelligence file was disseminated shall be notified of the reclassification or purge.

81.4(3) All information shall be reviewed within a five-year period of its submission to ensure compliance with subrule 81.4(1).

81.4(4) All information retained as a result of a review shall reflect the name of the reviewer, date of review, and an explanation of the decision to retain.

81.4(5) Information that is not retained in a criminal intelligence file after a review shall be deleted from the LEIN information system.

661—81.5(692) Subpoenas and court orders. Any agency or individual shall notify the department of public safety in writing without delay and, in any event, by the end of the next business day of the receipt of any subpoena, court order, request for production, or other legal process demanding the production of a criminal intelligence file, so that the department has an opportunity to make a timely resistance.

These rules are intended to implement Iowa Code chapter 692.

This information may not be sufficient to effect a precise identification of a subject. A record check based solely upon name and birth date may refer to multiple subjects or may not result in positive identification of the subject of the request. The records of the department are based upon reports from other agencies. The department, therefore, cannot warrant the completeness or accuracy of the information provided. Agencies and individuals that receive criminal history information are therefore advised to verify all information received from the department to the extent possible (e.g., by contacting the reported arresting agency or court).

[ARC 8936B, IAB 7/14/10, effective 9/1/10]

(2) When the department receives notification that a registrant has changed residence to a location outside of Iowa, the department shall notify the registering state agency in the registrant's new state of residence of the registrant's name, new address, and telephone number. Upon notification of the appropriate

out-of-state agency, the department shall remove the registrant from the active registry, unless the registrant continues to maintain a residence or place of employment in Iowa or attends school in Iowa. The registrant shall not be required to submit periodic verifications of address while not on the active registry. The department shall maintain the registrant's file in the event the registrant establishes a residence in Iowa or becomes a student, an employee, or practices a vocation at an institution of higher education in Iowa in the future. The department may also maintain the file for any other purpose.

c. Upon any submission of Form DCI-145, the form shall be accompanied by current photographs and fingerprints of the offender.

d. A list of all registrants within a county may be provided by the division of criminal investigation to the county sheriff.

83.3(3) Periodic verification. A registrant shall appear personally in the office of the sheriff of the county or counties of principal residence periodically as required by Iowa Code section 692A.108 to verify relevant information. A tier I offender shall appear annually, or more frequently if required by the sheriff; a tier II offender shall appear every six months, or more frequently if required by the sheriff; and a tier III offender shall appear every three months, or more frequently if required by the sheriff. Form DCI-146R, Periodic Verification Notification Form, shall be mailed by the division of criminal investigation to each registrant at the last address known to the registry at least 30 days prior to each required appearance. The registrant shall appear between the first and last day of the verification month. Form DCI-146R shall clearly state that it is to be returned to the division of criminal investigation if the addressee no longer resides at the address indicated and that Iowa law prohibits its being forwarded.

a. Each registrant shall report to the sheriff of the county of principal residence of the registrant. The sheriff shall take a current photograph of the registrant and shall submit the photograph to the registry.

b. The sheriff of any county of residence of a registrant may, at any time, instruct the registrant to report to the sheriff's office for the purpose of the taking of a current photograph. Such instructions shall be mailed to the registrant at the registrant's current address of registration. The registrant shall report to the sheriff's office within ten days of receiving such instructions. The sheriff shall submit the current photograph of the registrant to the registry.

83.3(4) Updating relevant information not requiring personal appearance. Any change in any item of relevant information other than changes of address, places of attendance as a student, or places of employment shall be communicated to the sheriff of the county of the registrant's principal residence in person, by telephone, or electronically, within five days of the change occurring. Any such change shall not be deemed to be completed until the registrant has received acknowledgment from the office receiving the change in printed or electronic form.

83.3(5) Application for determination. Form DCI-148, Application for Determination, shall be completed by a person to initiate a request that the department review whether one or more offenses of which the person has been convicted require registration with the Iowa sex offender registry, whether the time period during which the person is required to register has expired, whether the person is exempt from the placement of information on the sex offender registry website, and the tier placement of the offender. A person who submits a completed copy of Form DCI-148 for review shall provide with it copies of any sentencing or adjudicatory orders related to each offense for which a determination of whether registration is required is being requested. The completed application (Form DCI-148) shall specify the exact grounds for the application and shall include a statement of any additional facts or law which the person intends to present to the department in support of the application. Failure to submit any of the required information shall constitute grounds for denial of the application. If the application sets forth an issue of fact which cannot be evaluated based upon the record of convictions, sentencing and adjudicatory orders, relevant statutory provisions, and other records provided, and is material to the determination, the commissioner may refer the matter to an administrative law judge or presiding officer for a contested case hearing.

NOTE: Filing an application for determination does not excuse a person from having to comply with any of the applicable provisions of Iowa Code chapter 692A during the period prior to the issuance of the decision of determination.

83.3(6) Decision of determination.

a. Form DCI-149, Decision of Determination, shall be used by the division of criminal investigation to notify a person who has submitted an application for determination (Form DCI-148) of the results of that review. A completed Form DCI-149 shall be mailed to any person who has filed a completed Form DCI-148 within 90 days of the receipt by the division of criminal investigation of the completed Form DCI-148 and all required supporting documents. A decision of determination shall be signed by the commissioner and shall constitute final agency action for the purposes of Iowa Code chapter 17A.

b. If an administrative law judge or presiding officer has been assigned to hold a hearing regarding an application for determination, the administrative law judge or presiding officer shall prepare a proposed decision of determination. The proposed decision of determination shall be reviewed by the commissioner who may uphold or modify the proposed decision of determination and shall then sign a final decision of determination. The final decision of determination shall constitute final agency action for the purposes of Iowa Code chapter 17A.

83.3(7) Request for information. Requests for information about whether a specific individual is registered shall be made to a county sheriff or local police department and may be made in person, by telephone, or in writing.

83.3(8) Confidential records. Completed forms filled out pursuant to rules 661—83.1(692A) through 661—83.5(692A) are confidential records that shall not be released to the public.

83.3(9) Fees. Each registrant shall pay a fee of \$25 to the sheriff of the county in which the registrant maintains a principal residence upon establishment of the principal residence and annually thereafter. If the registrant maintains more than one principal residence simultaneously, the fee shall be paid only to the sheriff of the county in which the registrant first registered on or after July 1, 2009, and continues to register.

The department shall place information regarding each registrant on the registry website (www.iowasexoffender.gov), except that information regarding any registrant for whom the sole basis of registration is a conviction or convictions for a violation or violations of Iowa Code section 709.4(1)“b”(3)(d), and whose offense was committed when the offender was under 20 years of age, shall not be placed on the website. Information regarding a registrant placed on the sex offender registry website may include any relevant information allowed under Iowa Code section 692A.121.

83.4(4) List of registrants in county. Any county sheriff shall provide access to the list of all registrants within the county in which the sheriff has jurisdiction to any person who requests such a list; however, records of persons protected under 18 U.S.C. Section 3521 shall not be disclosed.

83.4(5) Release of information in response to individual request. A sheriff or police department that receives a request for information about whether a specific individual is registered or not shall inquire of the division of criminal investigation via the Iowa on-line warrants and articles (IOWA) system or the sex offender registry application (SORA) as to whether the person about whom information was requested is registered with the Iowa sex offender registry. If the division of criminal investigation notifies the sheriff or

police department that the person about whom inquiry is made is not on the registry, the sheriff or police department shall so notify the person who submitted the request. If the division of criminal investigation notifies the sheriff or police department that the person about whom inquiry was made is a registrant with the Iowa sex offender registry, the sheriff or police department shall notify the person making the inquiry that the person about whom the inquiry was made is a registrant and may provide the requester with the relevant information allowed under Iowa Code section 692A.121 regarding the registrant.

83.4(6) *Submission of information to the National Sex Offender Registry.* The division shall submit sex offender registry data as required to the National Sex Offender Registry of the Federal Bureau of Investigation.

83.4(7) *Single contact repository.* The division shall perform a search of the sex offender registry for information about an individual, based on a request submitted through the single contact repository established pursuant to Iowa Code section 135C.33. The information provided from the registry shall be limited to whether the identified person is registered.

83.5(2) *Expungement upon expiration of registration period.* The division of criminal investigation shall expunge a registrant's registration upon expiration of the period during which the registrant is required to register, provided that the registrant has not subsequently been convicted of an offense that would require registration.

Property of value includes large quantities of cash transported in an armored car, negotiable instruments, gems, other high-value items transported by couriers, and other high-value property that may be vulnerable. Such a permit is valid only while the permitted person is engaged in the employment stated on the permit and while the person is traveling to and from that employment. Such use is not limited to the use of drugs on a particular day, or within a matter of days or weeks before, but rather that the unlawful use has occurred recently enough to indicate that the individual is actively engaged in such conduct. A person may be an unlawful current user of a controlled substance even though the substance is not being used at the precise time the person applies for an Iowa permit to carry weapons or seeks to acquire a firearm or receives or possesses a firearm. An inference of current use may be drawn from evidence of a recent use or possession of a controlled substance or a pattern of use or possession that reasonably covers the present time, e.g., a conviction for use or possession of a controlled substance within the past year; multiple arrests for such offenses within the past five years if the most recent arrest occurred within the past year; or persons found through a drug test to use a controlled substance unlawfully, provided that the test was administered within the past year. For a current or former member of the armed forces, an inference of current use may be drawn from recent disciplinary or other administrative action based on confirmed drug use, e.g., court-martial conviction, nonjudicial punishment, or an administrative discharge based on drug use or drug rehabilitation failure.

121.3(14) Iowa Code sections 80A.2, 80A.4(1) "b," and 80A.4(3) address the ability of peace officers to operate as private investigators and private security guards. The department interprets these three references, when read in concert, to mean the following:

a. An individual peace officer may conduct private investigation business or private security business with permission of the officer's chief executive, without securing either a state license or identification card.

b. Two or more peace officers may form a partnership to conduct private investigation business or private security business without securing either a state license or identification card. The partnership, association, or business may employ other peace officers to conduct investigation or security functions; however, the chief executive of each partner, association member, owner, or employee must give permission to engage in the business.

c. A partnership owned and operated by peace officers may not employ nonpeace officers to perform investigation or security functions.

d. An agency licensed by the department may not have any peace officers involved in the ownership or management of the agency.

e. An agency licensed by the department may not employ a peace officer to do investigative or security functions.

f. No corporation in the private security or private investigation business is exempt from the license or identification card requirement or limitations on the employment of peace officers.

121.3(16) A person engaged exclusively in the business of providing courier service and who does not wear the uniform or use a marked motor vehicle of a licensed private security agency.

661—121.4(80A) Licenses. Each person who engages in the operation of a bail enforcement, private investigation, or private security business in this state shall be licensed prior to such activity. Each business requires a separate license. For a license to be valid, the business shall have at least one current valid licensee who is a director, officer, partner or person who is involved in the business in Iowa.

121.4(1) Application for licenses—generally. Anyone who wishes to be considered for a bail enforcement, private investigative or private security license should contact the program services bureau as indicated in rule 661—121.1(80A) and request application information.

121.4(2) Jurisdiction. Any private investigative, private security, or bail enforcement business shall be licensed in Iowa if it is conducting business in Iowa. The department will consider the following factors when determining jurisdiction:

a. Whether the private investigative, private security, or bail enforcement business has an office or place of business in Iowa, is organized in Iowa, or conducts business in Iowa.

b. Whether services are provided to a client who resides in Iowa, is organized in Iowa, has an office or place of business in Iowa, provided that some of the services are conducted in Iowa.

c. Types of activities that are viewed as demonstrating jurisdiction in Iowa include, but are not limited to, the following:

(1) A private investigation business conducts an investigation that occurs entirely or partially in Iowa.

(2) A private investigation business investigates a criminal, civil, or administrative case that originates or is filed in Iowa.

(3) A private security business conducts security at any location in Iowa.

(4) A bail enforcement business takes into custody, or attempts to take into custody, a defendant in an Iowa criminal case.

(5) A business provides bodyguard service to a person who resides in or regularly does business in Iowa.

(6) A business provides armored car service to a client who resides in or does business in Iowa, if part of the services are conducted in Iowa.

d. Types of activities that are not, by themselves, viewed as demonstrating jurisdiction in Iowa include, but are not limited to, the following:

(1) A non-Iowa-based private investigation business works on a criminal, civil, or administrative case that originates and is filed in another state, but that contains some investigative elements in Iowa.

(2) A non-Iowa-based business provides bodyguard service to a client who does not reside in Iowa and only occasionally does business in Iowa.

(3) A bail enforcement business takes into custody, or attempts to take into custody, a defendant in a criminal case filed in another state.

e. The fact that a business uses the Internet to retrieve public record information from Iowa databases does not, absent other factors, establish jurisdiction in Iowa.

121.4(3) Forms. An applicant for a license or identification card shall execute forms provided by the department. These forms must be submitted to the commissioner and will not be processed unless complete. The forms used in the administration of this chapter are as follows:

g. Proof of financial responsibility.

h. Pictures, photocopies or physical descriptions of all uniforms, hats, badges, and insignia to be used by the private security agency.

121.4(5) Abandonment of applications. If an applicant for an agency license fails to complete the application within six months after it has been filed, the application shall be deemed abandoned. Any application submitted subsequent to the abandonment of a former application shall be treated as a new application, and must be filed in accordance with subrule 121.4(4).

121.4(6) Proof of financial responsibility. Proof of financial responsibility shall be given by filing a certificate of insurance from a licensed insurance company demonstrating coverage for general liability, completed operations and personal injury. The license shall be automatically revoked if the licensee has not complied with the certificate of insurance requirement within the 30 days.

Exception:

Current licensees who have provided proof of financial responsibility by filing an irrevocable letter of credit as of May 1, 2003, shall be allowed to continue using that means of providing proof of financial responsibility as long as their license remains continuously valid or until such proof is replaced by liability insurance. Licensees who provide proof of financial responsibility pursuant to this exception shall continue to meet the applicable requirements established in subrule 121.4(5) prior to May 1, 2003.

121.4(7) Mandatory examinee. Rescinded IAB 5/25/05, effective 5/1/05.

- 121.5(4)** Not be an abuser of alcohol or a controlled substance;

 - i.* The applicant's being subject to any court order that restrains the person from harassing, stalking, or threatening an intimate partner of the person or child of the intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child, and includes a finding that the person represents a credible threat to the physical safety of the intimate partner or child, or explicitly prohibits the use, attempted use, or threatened use of physical force against the intimate partner or child that would reasonably be expected to cause bodily injury;

- 121.5(9)** Not have a history of mental illness or instability.

661—121.6(80A) Identification cards. Each person employed by and engaged in the business of a licensed bail enforcement, private investigative or private security agency must obtain an employee identification card from the department and must meet the standards established in rule 661—121.5(80A). However, applicants for employee identification cards are not required to comply with surety bond or proof of financial responsibility requirements as those requirements have already been met by the licensed agency. For purposes of this rule, an employee who is required to obtain an identification card from the department is an agent or employee of a licensed agency who is engaged in the activities of the business which render it subject to the regulation of Iowa Code chapter 80A. Employees who are engaged exclusively in the unregulated activities of a licensed agency are considered exempt from this standard. Such exempt activities include clerical work, dispatching, building maintenance, vehicle maintenance, payroll and other financial processing, selling and taking tickets, parking cars and other activities that do not provide direct security services and that are generally conducted away from a contracted job site.

- 121.6(1)** To obtain an employee identification card, the licensed agency shall submit:
 - a.* A completed Identification Card Application for: Private Investigator/Private Security Guard/Bail Enforcement Agent, Form #PD2;
 - b.* Two 1" × 1" color photographs of the head and shoulders of the applicant; and
 - c.* Two completed fingerprint cards (Form #FD-258), with the associated processing fees.
- 121.6(2)** Reserved.

661—121.7(80A) License and background investigation fees.

121.7(1) A fee of \$100 shall accompany each application for a bail enforcement, private investigative or private security license. If the application is approved, the money shall be applied to the license fee, but if the application is disapproved, the deposited application fee shall be refunded to the applicant. Application fees shall not be refunded for abandoned applications described in subrule 121.4(5) or for canceled, suspended or revoked licenses.

121.7(2) A nonrefundable fee to cover the cost of processing fingerprint cards through the FBI must be submitted with each new or renewal application and with each application subsequent to a license cancellation or revocation. If fingerprints are rejected as unreadable the first time they are submitted, they may be resubmitted once for no additional fee. If fingerprints are submitted twice and both submissions are rejected as unreadable, subsequent submissions shall require additional processing fees, which shall be included with the submissions. Information regarding fees may be obtained by contacting the department as provided in rule 661—121.1(80A).

661—121.8(80A) Display of license. Immediately upon receipt of the license issued by the department, the licensee named therein shall cause such license to be posted and at all times displayed in a conspicuous place in the licensee's principal place of business within the state, so that all persons visiting such place may readily see it. If there is more than one place of business, then there shall be a photocopy of the original license posted in every such place of business. The licensee shall notify the commissioner of each location where a copy of the license is posted. If the licensee has no office in the state of Iowa, the licensee shall post the license at the principal place of business and notify the commissioner of the address where such license is posted. Such license shall at all reasonable times be subject to inspection by the commissioner. It shall be unlawful for any person holding such license to post such license or to permit such license to be posted upon premises other than those authorized therein. Every license, and each copy thereof, shall be surrendered to the department within seven days after written notice to the holder that such license has been revoked. Failure to comply with any of the provisions of this rule is sufficient cause for revocation of the license.

661—121.9(80A) Duplicate license. The commissioner shall issue a duplicate license upon the payment of \$5 and upon receiving a written statement that the original license has been lost, destroyed, stolen or otherwise rendered useless, and that if the original license is recovered, the original or the duplicate will be returned immediately to the department.

661—121.10(80A) License renewal. Each applicant for a license renewal must execute Form #PD3 provided by the department. This renewal form and two completed FBI Fingerprint Cards (Form #FD-258) shall be submitted to the commissioner not less than 30 days prior to expiration of the applicant's current license and shall not be processed unless complete. In order for the application to be complete, the applicant must satisfy the requirements of rules 661—121.4(80A), 661—121.5(80A), and 661—121.7(80A) and, for renewals of private investigation licenses, 661—121.22(80A).

In the event the department has not processed a complete renewal application prior to the lapse of the license, the renewal shall be deemed temporarily granted until the department issues a new license or denies the renewal.

In no event will a renewal license be granted if the application for renewal is received by the department after the expiration date of the existing license.

If the former licensee wishes to continue the bail enforcement, private investigative or private security business, all of the requirements for an initial application must be met.

661—121.11(80A) Employee identification cards.

121.11(1) The employee identification card issued by the commissioner shall include the employee's name and color photograph, agency name and number, type of business, date of issuance and identification card number.

The identification card shall be evidence that the holder is duly authorized to work for the licensed agency. The holder shall have this card in the holder's possession at all times when acting within the

scope of employment. Failure to do so may result in suspension or revocation of the identification card or the agency license. This identification card shall remain the department's property. When any person to whom a card is issued terminates the person's position for any reason, the card must be surrendered to the commissioner within seven days. In the event of loss, destruction, or theft of this card, the licensee shall within five days of such discovery send to the commissioner a written report that describes the circumstances surrounding the loss, destruction, or theft. If the agency license has been terminated or revoked, the agency must return the license and all identification cards to the commissioner within seven days. The penalty for any knowing or willful misconduct in the use of the identification card may be revocation of the identification card or the agency license or both, depending on the nature and degree of the misconduct.

The fee for each application form (Form #PD2) for an original, temporary, or replacement employee identification card is \$10. The fee is refundable for blank, unused forms returned to the department.

A nonrefundable fee to cover the cost of processing fingerprint cards through the FBI shall be submitted with each new application for an employee identification card. If fingerprints are rejected as unreadable the first time they are submitted, they may be resubmitted once for no additional fee. If fingerprints are submitted twice and both submissions are rejected as unreadable, subsequent submissions shall require additional processing fees, which shall be included with the submissions.

121.11(2) Temporary identification cards. The Identification Card Application for: Private Investigator/Private Security Guard/Bail Enforcement Agent, Form #PD2, shall contain a temporary identification card that shall be valid for 14 calendar days from the date of issuance. This temporary identification card shall be issued to new employees of a licensee so that the requirement that employees have in their possession a valid identification card may be met while the application for a permanent identification card is being processed. The application for an employee identification card must be received by the department in sufficient time to allow four business days for processing. Any application for an employee identification card received by the department without the specified minimum time for processing or after the temporary identification card has expired will be returned to the licensed agency. A new Form #PD2 must then be resubmitted under the requirements of rule 661—121.6(80A).

121.11(3) Replacement of identification cards. The commissioner shall issue a duplicate employee identification card upon the submission of a complete new application (Form #PD2), with associated fees as required in rule 661—121.6(80A) and upon receipt of a written statement that the original employee identification card has been lost, destroyed, stolen or otherwise rendered useless. If the original employee identification card is recovered, it shall be returned immediately to the department.

121.11(4) Display of identification cards. When an employee of a licensed agency is acting within the scope of employment and is requested to produce identification, the employee shall promptly display the employee identification card and allow the requester to reasonably examine the identification card and write down any information contained thereon. Failure to comply may result in revocation of the identification card or license. The employee may refuse to comply with the request to produce identification if, and only if, displaying the employee identification card would put the employee or another person in danger, or would jeopardize an assignment or investigation.

661—121.12(80A) Badges, uniforms, insignia, patches and hats. No badges, uniforms, insignia, patches, or hats will be approved for private investigative or bail enforcement agents. No holder of a license or identification card while performing the duties of a private security guard shall wear any uniform, or wear, display, or likewise use any badge, insignia, patch, shield, or the like, without prior written approval of the commissioner. Any person wearing an approved uniform shall carry a valid identification card issued by the department.

The commissioner will not approve any item subject to this rule if in the commissioner's opinion it would cause a person to confuse the operation of the licensed business with that of a law enforcement agency. The commissioner may consider the appearance of the badge, uniform, insignia, patch or hat of the requesting agency, as well as the appearance of badges, uniforms, insignias, patches or hats of law enforcement agencies in or near the area in which the requesting agency performs services. The commissioner may also consider any other information when making a decision regarding the approval of any item subject to this rule.

Badges, insignia and patches will be approved only for private security as a part of an approved uniform. No badge, insignia, patch or hat will be approved which contains the word or words “police,” “officer,” “policeman,” or “enforcement,” or the Great Seal of the State of Iowa. The words “security” and “officer” may be used when they appear as the single term “security officer.”

661—121.13(80A) Advertisement, cards, letterhead and the like. No holder of a license or identification card shall use, display, cause to be printed or distributed in any fraudulent, false, or misleading manner, cards, letterheads, circulars, brochures, or any other advertising material or advertisement in which any name or indicia of the license status of the licensee is set forth in any manner other than the name under which the licensee is duly licensed.

Such holder of a license or identification card shall not publish or cause to be published any advertisement, letterhead, circular or statement or phrase of any sort which suggests that the holder is a peace officer.

Any violation of this rule may result in suspension or revocation of the identification card or the license, and possible referral for criminal prosecution.

661—121.14(80A) Misleading statements. No holder of a license or identification card may make any statement which indicates or tends to indicate the individual is a peace officer.

661—121.15(80A) Reports. Any private investigative agency licensee who provides services to any client in this state shall make and offer to the client a typed or legibly written ink report containing the findings and complete details of the investigation, a copy of which shall be retained by the licensee for three years and made available to the commissioner for examination at any reasonable time upon a complaint from the client for whom the report was prepared. In the event a client does not desire a written report, the licensee will note the time and date on the file copy of the report that the client stated no desire for a written report or refused the offer. A private security agency need not submit a written report unless the client so requests one.

Descriptive reports, chronological reports, and cover letters to the client shall be personally signed by the licensee or the licensee’s designee. The licensee’s file copy will reflect the names of all participating employees and a description of the work performed by each one.

661—121.16(80A) Denial, cancellation, suspension, or revocation of a license or identification card.

121.16(1) Actions by the commissioner. The commissioner may deny, suspend, cancel or revoke a license or identification card(s) for any of the following reasons:

- a. Failure to comply with all of the provisions of Iowa Code chapter 80A and Iowa Administrative Code, 661—Chapter 121.
- b. Receipt by the department of a certificate of noncompliance from the child support recovery unit of the Iowa department of human services, as provided for in Iowa Code chapter 252J.
- c. Receipt by the department of written notice that the licensed agency is no longer conducting business and is abandoning the remaining term of the license.

121.16(2) Voluntary suspension. The commissioner may allow an agency to place its license in voluntary suspension and may reinstate the license when all requirements are met. The license shall expire at the time of renewal unless all requirements are met.

121.16(3) Surrender of license and identification card(s). Every license, and each copy thereof, and all employee identification cards shall be surrendered to the department within seven days after written notice to the holder that such license has been canceled, abandoned, suspended or revoked.

121.16(4) Surrender of identification card(s). An employee identification card shall be surrendered to the department within seven days after written notice to the licensee that such employee identification card has been canceled or revoked.

121.16(5) Temporary denial or suspension. An agency license or employee identification card shall be temporarily denied or suspended until the outcome of any pending action is known if the result of that action would disqualify the applicant, licensee or employee.

661—121.17(80A) Licensee's duty regarding employees. The licensee shall be held responsible for ascertaining that all the licensee's employees meet the requirements of the bail enforcement, private investigation and private security statute and rules.

The licensee shall report to the commissioner any violations of the statute and rules, and inconsistencies thereof, and take immediate steps to be in compliance with such statute and rules.

The licensee is responsible for ensuring that each employee who is required to obtain an identification card from the department has a valid temporary or permanent identification card in the employee's possession prior to the employee's commencing work.

Failure to meet these requirements may result in suspension or revocation of the license or identification card(s).

661—121.18(80A) Campus weapon requirements. In addition to the requirements of the statutes, nothing in rule 661—4.3(17A,724) shall preclude the sheriff from requiring additional firearm training. However, if the sheriff so requires additional training, the sheriff shall make such training reasonably available to the applicant.

661—121.19(80A) Professional permit to carry weapons. Each person seeking a professional permit to carry weapons must meet the requirements of the Iowa Code and Iowa Administrative Code, 661—Chapter 4.

661—121.20(80A) Appeals. Any action of the department that the applicant or employee considers adverse may be appealed through the process delineated in Iowa Administrative Code, 661—Chapter 10.

661—121.21(252J) Child support collection procedures. The following procedures shall apply to actions taken by the department on a certificate of noncompliance received from the Iowa department of human services pursuant to Iowa Code chapter 252J:

121.21(1) The notice required by Iowa Code section 252J.8 shall be served upon the applicant, identification card holder, or licensee by restricted certified mail, return receipt requested, or personal service in accordance with Iowa Rule of Civil Procedure 1.305. Alternatively, the licensee, identification card holder, or applicant may accept service personally or through authorized counsel.

121.21(2) The effective date of revocation or suspension of a license or identification card, or denial of the issuance or renewal of a license or identification card, as specified in the notice required by Iowa Code section 252J.8, shall be 60 days following service upon the licensee, identification card holder, or applicant.

121.21(3) Licensees, identification card holders, and applicants for licenses or identification cards shall keep the department informed of all court actions and all child support recovery unit actions taken under or in connection with Iowa Code chapter 252J and shall provide the department with copies, within seven days of filing or issuance, of all applications filed with the district court pursuant to Iowa Code section 252J.9, all court orders entered in such actions, and withdrawals of certificates of noncompliance by the child support recovery unit.

121.21(4) All departmental fees for applications, license or identification card renewal or reinstatement must be paid by the licensee, identification card holder, or applicant before a license will be issued, renewed, or reinstated after the department has denied the issuance or renewal of a license or identification card, or has suspended or revoked a license or identification card pursuant to Iowa Code chapter 252J.

121.21(5) In the event a licensee, identification card holder, or applicant files a timely district court action following service of a department notice pursuant to Iowa Code sections 252J.8 and 252J.9, the department shall continue with the intended action described in the notice upon the receipt of a court order lifting the stay, dismissing the action, or otherwise directing the department to proceed. For the purpose of determining the effective date of revocation or suspension or denial of the issuance or renewal of a license or identification card, the department shall count the number of days before the action was filed and the number of days after the action was disposed of by the court.

661—121.22(80A) Continuing education requirements. The continuing education rules that follow rest upon the premise that the increasing complexity of the private investigation business makes it essential that private investigators who have been granted licenses to practice continue their education; the public interest requires that private investigators keep themselves continually up to date on developments affecting their practice; and formal programs of continuing education provide private investigators the opportunity to continually update themselves on the expanding body of knowledge required to practice the private investigation profession. Compliance with the continuing education requirements of the department shall be as follows:

Each person who is the holder of a license to operate a private investigative agency is required to comply with the continuing education requirements as a condition precedent to renewal of the person's license.

Each person who is the holder of an identification card to operate as a private investigator is required to comply with the continuing education requirements as a condition precedent to renewal of the employer's agency license.

121.22(1) Cost of continuing education. All costs of complying with the continuing education requirements of the department are the responsibility of the licensee who seeks to operate a private investigative agency in this state.

121.22(2) Basic requirement. A licensee seeking to renew the licensee's private investigative agency license shall, during the two-year period preceding the agency license expiration date, complete a minimum of 12 hours of acceptable continuing education. Employees of licensees shall, during the two-year period preceding the agency license expiration date, complete a minimum of 12 hours of acceptable continuing education. An employee who has worked for a licensed agency for less than 90 days at the time of the agency license expiration date shall be exempt from the continuing education requirement of this chapter, provided that during the preceding two years the employee has not been employed as a private investigator for a licensed agency or agencies in this state for a combined total of more than 180 days.

a. Applicants who are residents of another state, who are licensed to operate a private investigation agency in their state of residency, and who are actively engaged in the practice in their state of residence, shall not be required to meet the basic continuing education requirement if their state of residence requires similar continuing education to maintain their private investigative agency license.

b. The commissioner shall have the authority to make exceptions for reasons of individual hardship including health (certified by a medical doctor), military service, foreign residency, or other good cause.

c. Applicants for new licenses who have held a private investigative agency license in Iowa within the past two years shall complete a minimum of 12 hours of acceptable continuing education during the two-year period preceding the date of application.

121.22(3) Measurement standards. The following standards will be used to measure the hours of credit to be given for acceptable continuing education programs completed by individual licensees:

a. Credit will be given for whole hours only, with a minimum of 50 minutes constituting one hour. For example, 100 minutes of continuous instruction would count for two hours; however, more than 50 minutes but less than 100 minutes of continuous instruction would count for only one hour.

b. Only class hours or the equivalent, and not student hours devoted to preparation, may be counted.

c. Service as lecturer or discussion leader of continuing education programs may be counted to the extent that it contributes to the applicant's professional competence.

121.22(4) Programs which qualify. The overriding consideration in determining whether a specific program qualifies as acceptable continuing education is that it be a formal program of learning which contributes directly to the professional competence of an individual licensed to practice in this state. It will be left to the individual license holder to determine the course of study to be pursued. Thus, each licensee may study subjects related to the licensee's particular practice.

a. Continuing education programs will qualify only if:

(1) An outline of the program is prepared in advance and preserved.

(2) The program is at least one hour (50-minute period) in length.

(3) The program is conducted by a qualified instructor, discussion leader, or lecturer. A qualified instructor, discussion leader, or lecturer is anyone whose background, training, education or experience makes it appropriate for that person to lead a discussion on the subject matter of the particular program.

(4) A record of attendance is maintained.

b. The following programs are deemed to qualify provided all other requirements of this rule are met:

(1) Professional development programs of recognized national and state private investigation organizations.

(2) Technical sessions at meetings of recognized national private investigation organizations and their chapters.

(3) University or college courses.

1. Each semester hour credit shall equal 10 hours toward the requirement.

2. Each quarter hour credit shall equal 6 hours toward the requirement.

3. Each classroom hour of noncredit courses will equal 1 qualifying hour.

(4) Formal organized in-firm and interfirm educational programs.

(5) Programs in other recognized organizations (accounting, industrial, legal and others).

(6) Other organized educational programs on technical and other related subjects.

c. The following general subject matters are acceptable as long as they contribute to the professional competence of the individual investigator.

(1) Accounting and auditing.

(2) Management.

(3) Computer science.

(4) Communications arts.

(5) Law.

(6) Functional fields of the business, including but not limited to the following:

1. Accident investigation.

2. Background investigation.

3. Business taxes.

4. Criminal investigation.

5. Court testimony.

6. Employee theft.

7. Process service.

8. Personnel law.

9. Product liability.

10. Public records availability/access.

11. Report writing.

12. Substance abuse in the workplace.

13. Surveillance techniques.

14. Wage and hour law.

15. Workers' compensation law.

Areas other than those listed above may be acceptable if the licensee can demonstrate that they contribute to the licensee's professional competence. The responsibility for substantiating that a particular program is acceptable and meets the requirements rests solely upon the licensee.

d. Formal correspondence and formal individual study programs contributing directly to the professional competence of an individual which require registration and provide evidence of satisfactory completion will be considered for credit. The amount of credit to be allowed for correspondence and formal individual study programs is to be recommended by the program sponsor and shall not exceed 50 percent of the continuing education requirement.

e. Practical training, also known as field training or on-the-job training, qualifies if it meets the criteria of paragraphs "a" through "c" of this subrule, is accompanied by classroom training in the same topic area, and counts for no more time than the classroom training.

f. The right is specifically reserved to the commissioner to approve or disapprove credit for continuing education claimed under these rules.

121.22(5) Controls and reporting.

a. Applicants for license renewal must provide a signed statement, on forms provided by the department, setting forth the continuing education in which the licensee and the licensee's employees have participated in such manner and at such times as prescribed by the commissioner. This information may include:

- (1) School, firm or organization conducting the course.
- (2) Location of course.
- (3) Title of course and description of content.
- (4) Principal instructor.
- (5) Dates attended.
- (6) Hours claimed.

b. The commissioner may require sponsors of courses to furnish attendance lists or any other information the commissioner deems essential for administration of these continuing education rules.

c. The commissioner will verify on a test basis information submitted by licensees. If an application for license renewal is not approved, the applicant will be so notified and may be granted a period of time by the commissioner in which to correct the deficiencies noted.

d. Primary responsibility for documenting the requirements rests with the licensee and evidence to support fulfillment of those requirements must be retained for a period of three years subsequent to submission of the report claiming the credit. Satisfaction of the requirements, including retention of attendance records and written course outlines, may be accomplished as follows:

(1) For courses taken for scholastic credit in accredited universities and colleges or high school districts, evidence of satisfactory completion of the course will be sufficient. For noncredit courses taken, a statement of the hours of attendance, signed by the instructor, must be obtained by the permit holder.

(2) For correspondence and formal independent study courses, written evidence of completion must be obtained by the licensee.

(3) In all other instances, the licensee must maintain a record of the information listed in subrule 121.22(4) and a copy of the course outline prepared by the course sponsor.

121.22(6) Compliance.

a. *Renewals.* If a licensee fails to comply with continuing education requirements prior to the expiration of the license, the department may grant a temporary 30-day license. If the licensee does not complete the continuing education requirements within the 30-day period, the license renewal shall be denied. If the former licensee then wishes to continue the private investigation business, all of the requirements for an initial application must be met. This includes continuing education requirements if the new application is submitted within two years of the date on which the last license became invalid.

b. *New applications for previously licensed persons.* If an applicant for a private investigative agency license has been licensed in Iowa within the past two years, continuing education requirements must be met. Failure to comply shall result in the denial of the license until such time as the requirements are met.

c. *Employees.* If any employee of a licensee fails to comply with continuing education requirements, the employee's identification card shall be revoked and the licensee shall surrender the identification card to the department. An employee may reapply for an identification card as if it were an initial application when continuing education requirements have been met.

661—121.23(80A) Reciprocity.

121.23(1) Eligibility. A temporary permit to conduct business in Iowa may be issued to a private investigative or private security agency licensed in another state provided that the requirements and qualifications in the licensing state are similar to those in Iowa and that the licensing state allows similar privileges by reciprocity. A temporary permit may be issued for a period not to exceed 90 days and is not renewable. Employees of an agency granted a temporary permit must comply with Iowa employee requirements in rules 661—121.6(80A) and 661—121.11(80A).

121.23(2) Requirements. In order to be considered for a temporary permit, the applicant must undergo a background investigation by the department and shall submit the following:

a. Proof of a current valid bail enforcement, private investigative or private security license in another state. Such license shall be of the same license type as the temporary permit requested from Iowa.

- b. A completed Application for Bail Enforcement Agency License, Private Investigative Agency License and/or Private Security Agency License (Form #PD1).
- c. Two completed FBI Fingerprint Cards (Form #FD-258), with the associated processing fees.
- d. Proof of surety bond issued by a surety company authorized to do business in this state.
- e. Proof of insurance.
- f. If the applicant is a corporation, articles of incorporation and an Iowa certificate of authority issued by the Iowa secretary of state.
- g. Two 1" × 1" color photographs of the head and shoulders of the applicant, taken not more than one year prior to application.
- h. A fee of \$100 for each temporary permit requested.
- i. An application, with associated fees, for an employee identification card (Form #PD2) for the temporary permit holder.

121.23(3) Employee identification cards. The temporary permit holder shall submit an application for an employee identification card for each employee as required in rule 661—121.6(80A).

661—121.24(80A) Replacement license. The commissioner shall issue a replacement license upon receiving a written statement that the original license has been lost, destroyed, stolen or otherwise rendered useless by damage from flooding, storms or other conditions which form a basis for issuance of a disaster emergency proclamation by the governor pursuant to Iowa Code section 29C.6. If the original license is recovered, the original or the replacement will be returned immediately to the department. No fee shall be charged for the issuance of a replacement license.

661—121.25(80A) Private school security officer training requirements. A private school security officer shall participate in annual live scenario training as described in rule 661—91.18(724) and shall participate in an initial familiarization firearm and course of fire training and subsequent quarterly live firearm training as described in rule 661—91.19(724).

This closed network system shall not be touched by, connected to, or partitioned from any other network, unless approval has been received from the assistant director for gaming operations of the DCI. Approval or disapproval of such a request by the assistant director is subject to review by the director of the DCI or the commissioner of public safety.

“Commission” means the Iowa racing and gaming commission.

“DCI” means the division of criminal investigation, Iowa department of public safety.

“Dedicated coverage” means camera coverage where the sole function is to view and record a specific area whenever activity is occurring in that area.

“Designated sports wagering area” means an area, as designated by a licensee and approved by the commission, in which sports wagering is conducted.

“Gambling activities” means participating in any form of on-site wagering as defined by Iowa Code chapter 99F and approved by the commission; the movement, storage, and handling of uncounted gambling revenues; the manual exchange of moneys for forms of wagering credit on the gaming floor; public entrance into and public egress from the gaming floor, except that egress through emergency exits that are actively alarmed is not included; and any other activities so defined by the commission.

[ARC 7720B, IAB 4/22/09, effective 4/1/09; ARC 4802C, IAB 12/4/19, effective 1/8/20]

661—141.2(99F) Minimum standards. Rescinded IAB 4/22/09, effective 4/1/09.

661—141.3(99F) Surveillance departments—organizational structure. Rescinded IAB 4/22/09, effective 4/1/09.

661—141.4(99F) Closed circuit surveillance system.

141.4(1) Every licensee shall install, maintain and operate, on the same premises where the casino is located or, with the approval of the DCI, on a property adjacent to the casino, a closed circuit surveillance system according to specifications set forth in these rules and shall provide to the commission and the DCI access at all times to the system or its signal.

141.4(2) Any casino issued a license on or after July 1, 2004, will be required to install a recording system that is totally digital and that meets the requirements as outlined in this chapter.

141.4(3) All licensees shall have in place digital recording systems that meet the requirements of this chapter no later than January 1, 2011. Any system converted to digital prior to January 1, 2011, must meet the requirements of this chapter upon installation.

661—141.5(99F) Required equipment. The closed circuit surveillance system shall include, but shall not be limited to, the following equipment:

141.5(1) Cameras. The system shall include Pan Tilt Zoom cameras, commonly referred to as PTZ cameras, that are light-sensitive and capable of being placed behind a dome or one-way mirror which conceals the PTZ cameras from view. Each camera shall have the capability to distinguish a clear, unobstructed view of the table number of the gaming table or slot machine.

141.5(2) Printers.

a. Video systems. The printers for video systems shall be capable of adjustment and must possess the capability to generate instantaneously upon command a clear, still copy of the image depicted on a videotape recording with a minimum of 128 shades of gray.

b. Digital systems. The printers for digital systems shall be capable of printing a clear, still copy using a minimum of four colors at 600 × 600 dots per inch on photo-quality paper.

141.5(3) Monitors. Each screen must be at least 12 inches measured diagonally and all controls must be front-mounted. Solid state circuitry is required.

141.5(4) Date and time generators. Each system shall be capable of synchronized recording in military time, with both the time and date of the recorded events displayed without obstructing the recorded view.

141.5(5) Universal power supply. The system and its equipment must be directly and securely wired in a way to prevent tampering with the system. In the event of a loss in power to the surveillance system, an auxiliary or backup power source must be available and capable of providing immediate restoration of power to the elements of the surveillance system that enable surveillance personnel to observe the gaming activity remaining open for play and all areas monitored by dedicated coverage.

141.5(6) Domes for cameras. The domes shall be made of sufficient quality and size to accommodate PTZ cameras and shall be capable of accommodating clear, unobstructed views.

141.5(7) Switchers. The switchers shall be capable of both manual and automatic sequential switching for the entire surveillance system.

141.5(8) Recorders. Each camera required by these standards must possess the capability of having its view displayed on a video or computer monitor and recorded. The surveillance system must include enough monitors and recording capacity to simultaneously display and record multiple gaming, cage, drop, count room activities, and record the views of all dedicated coverage. Recording systems shall be capable of copying original images while maintaining the original native format, and storing images in a format that contains a method to verify the authenticity of the original recordings and copies. The licensee shall supply the medium for download and transfer of the information and a jewel case or sleeve for the medium.

141.5(9) Digital systems.

a. All images and audio shall be digitally recorded and stored on a system with backup and retrieval capabilities.

b. Recording systems shall be locked by the manufacturer to disable the erase and reformat functions and to prevent access to the system data files.

c. The system shall provide uninterrupted recording while the playback or copy function is used.

d. If the licensee chooses to use a network for the digital recording equipment, it must be a closed network with limited access located on the same premises as the casino or, with the approval of the DCI, on a property adjacent to the casino. Nothing in this paragraph shall be interpreted to prevent the commission from utilizing or transmitting for regulatory purposes images recorded by a video surveillance system.

e. The licensee shall provide the DCI and the commission representative with the necessary software and hardware to review a downloaded recording. Additionally, the licensee shall provide the DCI and the commission representative with printers meeting the requirements as outlined in 661—subrule 141.5(2).

f. The licensee shall be responsible for staffing the surveillance room with licensed staff trained in the use of digital equipment. Surveillance employees shall be capable of downloading or copying digital audio or images, or both, for evidentiary purposes.

[ARC 7720B, IAB 4/22/09, effective 4/1/09]

661—141.6(99F) Required surveillance. Every licensee or operator shall conduct and record, as required by either the commission or the DCI, surveillance that allows clear, unobstructed views of all on-site gambling activities in the following areas of the gaming floor, designated sports wagering area, and related areas, land-based facilities, and racetrack enclosures:

141.6(1) *Slot machines.* Every licensee who exposes slot machines for play shall install, maintain, and operate a casino surveillance system that possesses the capability to monitor and record the slot machine number.

661—157.3(321.J) Urine collection. A peace officer who collects a sample of a subject's urine for the purpose of determining alcohol or drug concentration shall proceed as follows.

157.3(1) The collection shall be made in the presence of a peace officer or other reliable person under the supervision of a peace officer. The peace officer or other person in the presence of the subject shall be of the same gender as the subject.

157.3(2) As soon as practicable, the subject shall urinate into a urine alcohol kit-supplied bottle, cup or other suitable container which is clean, dry, and free from any visible contamination. Anticoagulant and antimicrobial substances in a blood or urine kit do not constitute visible contamination.

157.3(3) The peace officer shall collect a second urine void for alcohol testing in a suitable container which is clean, dry, and free from visible contamination. If a second void cannot be collected, the peace officer shall submit a sample from the first void and shall inform the Iowa division of criminal investigation criminalistics laboratory on the laboratory receipt form that the sample is from a first void. It is not necessary that the subject's bladder be completely emptied.

157.3(4) When collection of the sample for alcohol testing has been completed, the peace officer shall cause a portion of the collected sample to be transferred to a test tube containing 100 milligrams of sodium fluoride and anticoagulant.

157.3(5) A listing of test kits known to meet the requirements of subrules 157.3(2), 157.3(3) and 157.3(4) may be found on the criminalistics laboratory website. Any peace officer wishing to use a test kit which is not listed should inquire of the criminalistics laboratory as to whether the other test kit meets the requirements. Any provider of test kits may request the addition of a kit to the list by sending a sample kit to the administrator of the criminalistics laboratory with a cover letter requesting that the kit be added to the list of kits known to meet the requirements of this subrule.

NOTE: The current location of information about test kits on the laboratory website is: dps.iowa.gov/divisions/criminal-investigation/criminalistics-laboratory/toxicology.

157.3(6) If the peace officer requests additional toxicological testing, the remainder of the sample may be retained in a container and sent for analysis to the Iowa division of criminal investigation criminalistics laboratory.

157.3(7) The peace officer shall label the container showing the date and time the sample was collected and identifying the peace officer, the subject, and the person present during the collection of the sample if other than the peace officer.

661—157.4(321J) Submission of samples for alcohol and drug testing to the criminalistics laboratory.

Any sample of urine or blood may be submitted to the division of criminal investigation criminalistics laboratory or other appropriate laboratory via ordinary mail, private courier, or personal delivery.

661—157.5(321J) Preliminary breath screening test.

157.5(1) A peace officer desiring to perform a preliminary screening test of a person's breath shall use a device approved by the division of criminal investigation criminalistics laboratory. Such devices are approved for accuracy and precision using a dry gas standard or breath simulating device. The division of criminal investigation criminalistics laboratory shall employ scientifically established tests or methods appropriate to a particular device in determining whether the device meets an acceptable standard for operation including accuracy, or the laboratory may, at its discretion, accept test results from another laboratory. The standards shall include the requirement that in all cases the device shall indicate the alcohol concentration on a numerical display. Devices shall be of a type that may be calibrated on a monthly basis by officers in the field.

The division of criminal investigation criminalistics laboratory shall maintain a list of devices approved by the commissioner for use as preliminary breath screening devices. The list of currently approved devices is available on the website of the department.

157.5(2) Any peace officer using an approved device shall follow the instructions furnished by the manufacturer for use of such a device. The calibration of each unit shall be checked at least once per month, and the device shall be calibrated, if necessary, using a dry gas standard. The officer or officer's department shall maintain a record of each calibration. This record shall include:

661—157.6(123) Chemical test—alcohol concentration—public intoxication. All devices and methods approved in this chapter for the purpose of determining a person's alcohol concentration for evidential purposes under Iowa Code chapter 321J, and the devices otherwise approved in this chapter only for use in performing preliminary breath screening tests, are equally approved for testing to determine alcohol concentration in connection with arrests for public intoxication under Iowa Code section 123.46. The chemical test results shall be expressed in terms of alcohol concentration as defined in Iowa Code section 321J.1.

661—157.7(321J) Detection of drugs other than alcohol.

157.7(1) *Adoption of federal standards.* Initial test requirements based upon standards adopted by the federal Substance Abuse and Health Services Administration in “Mandatory Guidelines for Federal Workplace Drug Testing Programs,” 82 FR 7920, and displayed in the following table are hereby adopted as standards for determining detectable levels of controlled substances in the division of criminal investigation criminalistics laboratory initial screening for controlled substances detected by the presence of the following: marijuana metabolites, cocaine metabolites, codeine/morphine, hydrocodone/hydromorphone, oxycodone/oxymorphone, 6-acetylmorphine, phencyclidine, amphetamine/methamphetamine, and MDMA/MDA. The following table shows the minimum levels of these substances which will result in a finding that a controlled substance is present at a detectable level:

Initial test analyte	Initial test cutoff ¹
Marijuana metabolites (THCA) ²	50 ng/ml ³
Cocaine metabolites (Benzoylecgonine)	150 ng/ml ³
Codeine/Morphine	2000 ng/ml
Hydrocodone/Hydromorphone	300 ng/ml
Oxycodone/Oxymorphone	100 ng/ml
6-Acetylmorphine	10 ng/ml
Phencyclidine	25 ng/ml
Amphetamine/Methamphetamine	500 ng/ml
MDMA ⁴ /MDA ⁵	500 ng/ml

¹ For grouped analytes (i.e., two or more analytes that are in the same drug class and have the same initial test cutoff):

Immunoassay: The test must be calibrated with one analyte from the group identified as the target analyte. The cross-reactivity of the immunoassay to the other analyte(s) within the group must be 80 percent or greater; if not, separate immunoassays must be used for the analytes within the group.

Alternate technology: Either one analyte or all analytes from the group must be used for calibration, depending on the technology. At least one analyte within the group must have a concentration equal to or greater than the initial test cutoff or, alternatively, the sum of the analytes present (i.e., equal to or greater than the laboratory’s validated limit of quantification) must be equal to or greater than the initial test cutoff.

² An immunoassay must be calibrated with the target analyte, D-9-tetrahydrocannabinol-9-carboxylic acid (THCA).

³ *Alternate technology* (THCA and benzoylecgonine): The confirmatory test cutoff must be used for an alternate technology initial test that is specific for the target analyte (i.e., 15 ng/mL for THCA, 100 ng/mL for benzoylecgonine).

⁴ Methylendioxyamphetamine (MDMA).

⁵ Methylendioxyamphetamine (MDA).

CHAPTER 158
IGNITION INTERLOCK DEVICES

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—158.1(321J) Scope and authority.

158.1(1) The rules in this chapter establish standards and requirements that apply to ignition interlock devices installed in motor vehicles pursuant to court orders or administrative orders issued by the department of transportation pursuant to Iowa Code chapter 321J.

158.1(2) Various sections of Iowa Code chapter 321J require drivers who have been convicted of violating or administratively adjudged to have violated certain provisions of Iowa Code chapter 321J to have ignition interlock devices “of a type approved by the commissioner of public safety” installed on their vehicles in order to continue to drive legally. The rules in this chapter provide the standards for such approval.

[ARC 7887B, IAB 7/1/09, effective 10/1/09]

661—158.2(321J) Definitions. The following definitions apply to rules 661—158.1(321J) through 661—158.9(321J):

“*Alcohol*” means any member of the class of organic compounds known as alcohols and, specifically, ethyl alcohol.

“*Authorized service provider*” or “*ASP*” means a person or company meeting all qualifications outlined in this chapter and approved and trained by the manufacturer to service, install, monitor or calibrate IIDs approved pursuant to this chapter.

“*Breath alcohol concentration*” or “*BrAC*” means the amount of alcohol determined by chemical analysis of the individual’s breath measured in grams of alcohol per 210 liters of breath.

“*Bypassing*” or “*tampering*” means the attempted or successful circumvention of the proper functioning of an IID including, but not limited to, the push start of a vehicle equipped with an IID, disabling, disconnecting or altering an IID, or introduction of a breath sample into an IID other than a nonfiltered direct breath sample from the driver of the vehicle in order to defeat the intended purpose of the IID.

“*DCI*” means the Iowa division of criminal investigation.

“*DOT*” means Iowa department of transportation, office of driver services.

“*Fail level*” means a BrAC equal to or greater than 0.025 grams per 210 liters of breath, at which level the IID will prevent the vehicle from starting or will indicate a violation once the vehicle is running.

“*Ignition interlock device*” or “*IID*” means an electronic device that is installed in a vehicle and that requires the completion of a breath sample test prior to starting the vehicle and at periodic intervals after the vehicle has been started. If the IID detects an alcohol concentration of 0.025 grams or greater per 210 liters of breath, the vehicle shall be prevented from starting.

“*Laboratory*” means the division of criminal investigation criminalistics laboratory.

“*Lessee*” means a person who has entered into an agreement with a manufacturer or an ASP to lease an IID and whose driving privileges are contingent on the use of an IID.

“*Lockout condition*” means a situation in which a proper breath sample was not provided to an IID when required, or when a random retest results in an alcohol concentration equal to or greater than 0.025 BrAC. Once a lockout condition occurs, the IID shall be reset by the manufacturer or the ASP within five days, or the IID shall render the vehicle ignition incapable of starting the vehicle.

“*Manufacturer*” means the person, company, or corporation that produced the IID.

“*Random retest*” means a breath sample that is collected in a nonscheduled, random manner after the vehicle has been started.

“*User*” means a person operating a vehicle equipped with an IID.

[ARC 7887B, IAB 7/1/09, effective 10/1/09]

661—158.3(321J) Approval. To be approved, an IID shall meet or exceed performance standards contained in the Model Specifications for Breath Alcohol Ignition Interlock Devices, as published in the Federal Register, April 7, 1992, pages 11772-11787. Only a notarized statement from a laboratory capable of performing the tests specified will be accepted as proof of meeting or exceeding the standards.

158.3(1) In addition to the federal standards, the DCI criminalistics laboratory shall apply scientific tests or methods to a particular IID to determine whether it meets an acceptable standard for accuracy.

158.3(2) At the discretion of the laboratory administrator, the laboratory may accept test results from other public laboratories or authorities.

158.3(3) The laboratory shall maintain a list of IIDs approved by the commissioner of public safety. Reasons for revocation include but are not limited to the following.

158.4(1) Evidence of repeated IID failures due to defects in design, materials, or workmanship during manufacture, installation, monitoring, or calibration of the IID such that the accuracy of the IID or the reliability of the IID as approved is not being met as determined by the laboratory.

[ARC 7887B, IAB 7/1/09, effective 10/1/09]

661—158.6(321J) Mandatory operational features. In addition to any requirements established elsewhere in this chapter, an approved IID shall comply with the following.

158.6(1) The IID shall be designed and constructed to measure a person's breath alcohol concentration by utilizing a sample of the person's breath delivered directly into the IID.

158.6(2) The IID shall be designed and constructed so that the ignition system of the vehicle in which it is installed will not be activated if the breath alcohol concentration of the person using the IID exceeds 0.025 BrAC.

158.6(3) The IID shall prevent engine ignition if the IID has not been calibrated within 67 days subsequent to the last calibration. Calibration may be required more frequently at the discretion of the manufacturer or the ASP.

Exception:

The laboratory administrator may approve a device using fuel cell technology to be recalibrated within 187 days of the previous calibration provided that the device passes specific precision and functionality testing approved by the laboratory administrator and carried out by the laboratory or an independent laboratory acceptable to the laboratory administrator.

158.6(4) The IID shall record every instance when the vehicle is started, the results of the breath sample test, how long the vehicle was operated, and any indications that the IID may have been tampered with or bypassed.

158.6(5) The IID shall require the operator to submit to a random retest within 10 minutes of starting the vehicle. A minimum of two additional random retests shall occur within 60 minutes of starting the vehicle, and a minimum of two random retests shall occur within every 60 minutes thereafter. Random retests may be achieved during operation of the vehicle. The IID shall enter a lockout condition within five days if two or more violations are recorded in a single monitoring period. An IID may, at the discretion of the manufacturer or the ASP, enter a lockout condition on the basis of a single violation.

158.6(6) The IID shall permit a sample-free restart for a maximum period of two minutes unless the IID has initiated a random retest, in which case the operator must successfully perform a breath sample test before the vehicle may be restarted.

158.6(7) The IID shall automatically and completely purge residual alcohol before allowing subsequent tests.

158.6(8) The IID shall be installed in such a manner that it will not interfere with the normal operation of the vehicle after the vehicle has been started.

158.6(9) The IID shall be equipped with a method of immediately notifying peace officers if the retest required by subrule 158.6(5) is not performed or if the result of a random retest exceeds the alcohol concentration of 0.025 BrAC. Examples of acceptable forms of notification are repeated honking of the vehicle's horn and repeated flashing of the vehicle's headlights. Such notification may be disabled only by switching the engine off or by achievement of a retest at a level below 0.025 BrAC.

158.6(10) Each IID shall be uniquely identified by a serial number. Along with any other information required by the DOT or by an originating court, all reports to the DOT or to an originating court concerning a particular IID shall include the name, address, and driver's license number of the lessee and the unique serial number of the IID. The name, address, telephone number, and contact person of the manufacturer or the ASP furnishing the report shall also be included as part of the report.

[ARC 7887B, IAB 7/1/09, effective 10/1/09]

661—158.7(321J) IID security. The manufacturer and its ASPs shall take all reasonable steps necessary to prevent tampering with or physical circumvention of the IID. These steps shall include the following.

158.7(1) ASPs shall use special locks, seals, installation procedures, or design characteristics that prevent or record evidence of tampering or circumvention attempts.

158.7(2) The manufacturer or the ASP shall affix a label to the IID indicating that attempts to tamper with or circumvent the IID may subject a person to criminal prosecution or administrative sanctions.

158.7(3) No owner or employee of a manufacturer or an ASP may authorize or assist with the disconnection of an IID or enable the use of any emergency bypass mechanism or any other bypass procedure that allows a person restricted to the use of a vehicle equipped with a functioning IID to start or operate a vehicle without providing all required breath samples. Authorizing or assisting with the disconnection of an IID may subject the owner or employee of a manufacturer or an ASP to criminal prosecution or administrative sanctions.

[ARC 7887B, IAB 7/1/09, effective 10/1/09]

661—158.8(321J) IID maintenance and reports.

158.8(1) An IID utilized in accordance with the provisions of this chapter shall have the calibration checked and shall be recalibrated at least once every 60 days using either a wet bath simulator or dry gas standard. Calibration shall be completed by the manufacturer or the ASP. In lieu of calibration of an installed IID, an installed IID may be exchanged for another calibrated IID. The laboratory administrator may approve a device that employs fuel cell technology to be used for up to 180 days from the date of the previous calibration, provided that the device passes specific precision and functionality testing approved by the laboratory administrator and carried out by the laboratory or an independent laboratory acceptable to the laboratory administrator. An IID shall automatically enter a lockout condition if the IID has not been calibrated within 7 days after the deadlines established in this subrule.

158.8(2) The calibration record for the IID currently installed in a vehicle pursuant to Iowa Code section 321J.4 and this chapter and for any other IID installed in the same vehicle shall be maintained by the manufacturer or the ASP. The record shall include the following:

 - (2) Make;
 - (3) Model;
 - (4) Vehicle identification number;
 - (5) Year; and
 - (6) Color.

158.8(3) The IID must be calibrated for accuracy according to the manufacturer's procedures. All data contained in the IID's memory must be downloaded, and the manufacturer or the ASP shall make a hard copy or the electronic equivalent of a hard copy of client data and results of each examination.

158.8(4) All information obtained as a result of each inspection shall be retained by the manufacturer or the ASP for five years from the date the IID is removed from the vehicle.

158.8(5) Any manufacturer or ASP who discovers evidence of tampering with or attempting to bypass an IID shall, within 30 days of the discovery, notify the DOT and the county attorney of the county of residence of the lessee of that evidence.

158.8(6) The manufacturer or the ASP must provide, upon request, additional reports in a format acceptable to, and at no cost to, the DOT and the DCI.

158.8(7) The manufacturer or the ASP shall notify the DOT within 10 days if an IID is not calibrated within the time period specified in subrule 158.6(3).

[ARC 7887B, IAB 7/1/09, effective 10/1/09]

158.9(3) Each manufacturer and ASP of IIDs approved for use in Iowa shall provide the lessee with instructions on how to properly use the IID. The instructions shall include recommending a 15-minute waiting period between the last drink of an alcoholic beverage and the time of breath sample delivery into the IID.

158.9(4) An IID utilized under these rules shall be installed and removed by the manufacturer or the ASP in conformance with the prescribed procedures of the manufacturer.

158.9(5) The department of public safety reserves the right to inspect any IID, manufacturer, or ASP at any time at the department's discretion. All records of IIDs installed, results of calibrations, violations, data logs, and results of known alcohol standards shall be made available for inspection upon request to any representatives of the department of public safety, the department of transportation, or any peace officer.

661—251.2 to 251.100 Reserved.

MINIMUM TRAINING STANDARDS

661—251.101(100B) Minimum training standard. Any member of a fire department will have completed the training requirements identified in the job performance requirements for the firefighter I classification in NFPA 1010 – 2024 edition, Standard on Professional Qualifications for Fire Fighters, based on the current edition adopted by the fire service training bureau, prior to the member’s engaging in structural firefighting. Each fire department will identify its members who are or will be engaged in structural firefighting and ensure that any member engaged in structural firefighting has completed the training requirements specified in this rule prior to the member’s engaging in structural firefighting.

NOTE: A firefighter is not required to be certified to meet this requirement. Training to meet this requirement may be provided by the fire service training bureau, a community college, a regional fire training facility, a local fire department, or any combination thereof.

EXCEPTION 1: A firefighter who received training that complied with the job performance requirements for the firefighter I classification contained in an earlier edition of NFPA 1001 is deemed to have met this requirement, provided that records documenting the training are maintained in accordance with rule 661—251.104(100B).

EXCEPTION 2: The chief or the training officer of any fire department may apply to the state fire marshal by June 1 of any year for an extension of the deadline to meet the training requirement for members of the department engaged in structural firefighting. Any such extension will be for one year and may be renewed annually upon application. An extension will be granted only if the department has requested training required under this rule, with training costs to be offset through funding from the firefighting training and equipment fund, pursuant to 661—Chapter 259, and funds to offset the cost of the training have not been available or have been inadequate to fully offset the cost of the training. The extension may be for all or some of the firefighters in the department. The application is to be in a form specified by the state fire marshal and will list by name each firefighter for whom an extension is requested. The extension, if granted, will list by name the firefighters to whom the extension applies and will apply only to those listed.

[ARC 9964C, IAB 1/7/26, effective 2/11/26]

661—251.102(100B) Other training. Any member of a fire department who serves in a capacity other than structural firefighting at an emergency incident will have received training based on the duties the member might perform at an emergency incident. Training to meet this requirement may be provided by the fire service training bureau, a community college, a regional fire training facility, or a local fire department, or any combination thereof.

[ARC 9964C, IAB 1/7/26, effective 2/11/26]

661—251.103(100B) Continuing training. Fire department members will participate in at least 24 hours of continuing training annually, which may include but is not limited to the following subject matter areas:

1. Personal protective equipment and respiratory protection.

NOTE: Training to meet this requirement may be provided by the fire service training bureau, a community college, a regional fire training facility, or a local fire department, or any combination thereof.
[ARC 9964C, IAB 1/7/26, effective 2/11/26]

661—251.104(100B) Recordkeeping. Each fire department will maintain training records for each individual member of the department who participates in emergency incidents. These training records will identify, for all training completed by the individual firefighter, the person or persons who provided the training, the dates during which the training was completed, the location or locations where the training was delivered, and a description of the content of the training.

661—259.305(100B) Processing of submitted applications.

259.305(1) All completed applications received shall be reviewed by the state fire service and emergency response council or by a subcommittee of the council appointed by the state fire marshal in consultation with the chair of the council. The council or subcommittee shall recommend funding, partial funding, or denial of each application to the state fire marshal.

259.305(2) After receiving the recommendations of the council or subcommittee, the state fire marshal shall make a determination as to whether funding will be awarded in whole or in part for each application or whether the application will be denied. Each applicant shall be notified promptly of the disposition of the applicant's application. If the application is denied or partial funding is awarded, the applicant shall be informed as to the reasons for the denial or partial funding. Applications for funding shall be evaluated based on the criteria for funding included in Iowa Code section 100B.22(3) and any applicable criteria for establishing priority for the funding established by the general assembly. Competitive funding may not be used for facilities the primary purpose of which is to provide advanced training.

259.305(3) Appeals.

a. An applicant who is denied funding or whose application is funded in part may appeal this decision to the state fire marshal. Such an appeal shall be treated as a contested case subject to the provisions of rules 661—10.301(17A) through 661—10.332(17A), except that the request for an appeal shall be filed with the State Fire Marshal Division, Department of Public Safety Building, 215 East 7th Street, Des Moines, Iowa 50319, and wherever “commissioner” or “commissioner of public safety” appears, “state fire marshal” shall be substituted.

b. Prior to appealing a decision, the applicant may submit a revised application to the state fire marshal. If an applicant intends to submit a revised application, the applicant shall so notify the state fire marshal within the time frame established for filing an appeal. Upon receipt of a revised application, the state fire marshal shall cause the revised application to be processed in accordance with subrules 259.305(1) and 259.305(2). If a revised application is denied or funded in part, the applicant may appeal in accordance with paragraph “*a*” of this subrule.

CHAPTER 291
VOLUNTEER EMERGENCY SERVICES PROVIDER DEATH BENEFITS

[Prior to 1/5/05, see 661—Ch 59]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—291.1(100B) Volunteer emergency services provider death benefit program. There is established within the fire marshal division a volunteer emergency services provider death benefit program with responsibility for administering the payment of death benefits to beneficiaries of volunteer emergency services providers who die in the line of duty, as provided in Iowa Code section 100B.11.

Information about the program may be obtained by mail from the Volunteer Emergency Services Provider Death Benefit Program, Fire Marshal Division, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, by telephone at (515)725-6145, or by electronic mail at fminfo@dps.state.ia.us.

[Editorial change: IAC Supplement 6/17/09]

661—291.2(100B) Eligibility. The beneficiary of a volunteer emergency services provider who is killed in the line of duty is eligible for a lump-sum payment of \$100,000 from the volunteer emergency services provider death benefit program, provided that application is made to the program in accordance with requirements established in this chapter and all eligibility criteria are satisfied.

291.2(1) Application. Application forms for the volunteer emergency services provider death benefit program may be obtained on request from the fire marshal division. The fire marshal may accept a legible copy of a completed application for the federal Public Safety Officers' Benefits Program as an application for payment of benefits from the volunteer emergency services provider death benefit program. Completed application forms shall be mailed or delivered to the Volunteer Emergency Services Provider Death Benefit Program, Fire Marshal Division, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. A completed application form shall be accompanied by a letter from the chief or other responsible supervisory official of the department in which the volunteer emergency services provider was serving at the time of the line-of-duty death, certifying that the death of the volunteer was the direct and proximate result of a traumatic personal injury incurred in the line of duty as a volunteer. Any evidence or proof available to the chief or responsible supervisory official to support the claim shall accompany the letter.

291.2(2) Definitions. The following definitions apply to the volunteer emergency services provider death benefit program.

"Beneficiary" means the surviving spouse of the volunteer emergency services provider who died in the line of duty. If there is no surviving spouse, and there is a surviving child or surviving children of the volunteer emergency services provider, then "beneficiary" means the surviving child of the member. If there is more than one surviving child, the children are cobeneficiaries who shall share equally in the lump-sum payment of the death benefit. If there is no surviving spouse or child of the volunteer emergency services provider, "beneficiary" means the surviving father or mother of the volunteer emergency services provider if either or both survives at the time of the line-of-duty death of the volunteer emergency services provider. If both the mother and father of the volunteer emergency services provider survive at the time of the line-of-duty death of the volunteer emergency services provider, then the father and mother are cobeneficiaries who shall share equally in the lump-sum payment. If there is no surviving spouse, child, or parent at the time of the line-of-duty death of the volunteer emergency services provider, then "beneficiary" means the estate of the deceased volunteer emergency services provider.

"Line-of-duty death" means the death of a volunteer emergency services provider which was the direct and proximate result of a traumatic personal injury incurred in the line of duty as a volunteer. The death is not a line-of-duty death if any of the following apply:

1. The death resulted from stress, strain, occupational illness, or a chronic, progressive, or congenital illness including, but not limited to, a disease of the heart, lungs, or respiratory system, unless a traumatic personal injury was a substantial contributing factor to the volunteer emergency services provider's death.

However, if the death was the direct and proximate result of a heart attack or stroke, the volunteer emergency services provider shall be presumed to have died as a result of a traumatic personal injury if the provider engaged in a nonroutine stressful or strenuous physical activity within the scope of the provider's duties and the death resulted while engaging in that activity, while still on duty after engaging in that activity, or not later than 24 hours after engaging in that activity, and the presumption is not overcome by competent medical evidence to the contrary. For purposes of this paragraph, "nonroutine stressful or strenuous physical activity" includes, but is not limited to, nonroutine stressful or strenuous physical law enforcement, fire suppression, rescue, hazardous material response, emergency medical services, prison security, disaster relief, emergency response, and training exercise activities. "Nonroutine stressful or strenuous physical activity" does not include activities of a clerical, administrative, or nonmanual nature.

2. The death was caused by the intentional misconduct of the volunteer emergency services provider or by such provider's intent to cause the provider's own death.

3. The volunteer emergency services provider was voluntarily intoxicated at the time of death.

4. The volunteer emergency services provider was performing the provider's duties in a grossly negligent manner at the time of death.

5. A beneficiary who would otherwise be entitled to a benefit under this chapter was, through the beneficiary's actions, a substantial contributing factor to the volunteer emergency services provider's death.
[Editorial change: IAC Supplement 6/17/09]

661—291.3(100B) Determination. After receiving an application for benefits from the volunteer emergency services provider death benefit program, the fire marshal shall make a determination as to whether or not the application meets the requirements for payment of benefits. The fire marshal may require the beneficiary or the chief or responsible supervisory official who has certified that the death is a line-of-duty death to submit any additional information that the fire marshal deems material to making the determination. If the determination is that the requirements for payment of benefits have been met, the fire marshal shall so notify the beneficiary or cobeneficiaries and shall request that the department of revenue issue a warrant payable to the beneficiary in the amount of the lump-sum payment provided or, if there are cobeneficiaries, that the department of revenue issue warrants in equal shares of the lump-sum amount payable to each of the cobeneficiaries.

291.3(1) Denial and notification. If the fire marshal determines that the eligibility criteria have not been met, the fire marshal shall notify in writing the beneficiary or cobeneficiaries and the chief or responsible supervisory official who certified that the death occurred in the line of duty of the determination and of the reason or reasons for the denial.

291.3(2) Appeals. If an application for payment from the volunteer emergency services provider program is denied, the beneficiary or any cobeneficiary may appeal that decision to the commissioner of public safety by filing an appeal in writing to the commissioner of public safety within 30 days of the date of the denial of the application by the fire marshal. Appeals shall be processed in accordance with contested case procedures specified in 661—Chapter 10.

These rules are intended to implement Iowa Code section 100B.11 as amended by 2004 Iowa Acts, chapter 1063.

c. Expenses shall only be reimbursed if the member beneficiary is retired as a result of an injury, illness or exposure occurring while in the performance of duty and is receiving a benefit as provided in Iowa Code section 97A.6(6).

d. Expenses shall be reimbursed only if the member beneficiary received medical attention for a condition with direct correlation to the disabling condition, the costs of which were not covered by insurance.

e. The system shall not reimburse for insurance premiums.

401.3(2) Processing the application.

a. Upon receipt of the application and supporting documentation, the secretary shall review the application for timeliness, completeness and validity. This subrule does not impose a responsibility on the secretary to discover documents or evidence not included on the application form.

b. The secretary shall refer the written application to the board for review at the next regularly scheduled meeting.

c. The member beneficiary does not need to be in attendance at the board meeting. In order to comply with Title II of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), specific information pertaining to an application for reimbursement or the member beneficiary's disabling condition will not be discussed in open forum of the board meeting unless the member beneficiary is present and approves discussion in a public meeting.

d. The board may approve or deny all or part of a reimbursement application. The board may request additional information to support the application for reimbursement or to determine the correlation of the expense to the disabling condition. The member beneficiary shall provide the documents to the secretary within a reasonable time period. In no case shall the application remain valid for a period of more than 12 months.

e. If the board denies any part of a request for reimbursement, the member beneficiary may request judicial review in accordance with Iowa Code section 97A.6(13).

f. The system will make reimbursements only to the member beneficiary or to the surviving spouse in the event the member beneficiary is deceased.

401.3(3) Other provisions.

a. Reimbursements for claimed expenses shall be reduced by any amount already received by the member beneficiary from workers' compensation or from a third party as a result of subrogation proceedings entered into as a result of the disabling injury.

b. In the event the member beneficiary is restored to active service pursuant to Iowa Code section 97A.6(7) "b," consideration of reimbursement for expenses pursuant to Iowa Code section 97A.14 shall not extend beyond the date of restoration to active service.

c. If the member beneficiary receiving a disability retirement pursuant to Iowa Code section 97A.6(6) becomes employed in a public safety occupation pursuant to Iowa Code section 97A.6(7) "d," consideration of reimbursement for expenses pursuant to Iowa Code section 97A.14 shall not extend beyond the date of employment with the employing jurisdiction.

PROCEDURE FOR RULE MAKING

661—401.101(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the board are subject to the provisions of Iowa Code chapter 17A and the provisions of this chapter.

661—401.102(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the board may, before publication of a Notice of Intended Action, solicit comments from the public on a subject or subjects of possible rule making by the board by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment, or by otherwise publicizing the interest of the board in soliciting

comment on a subject or subjects of possible rule making. Any such effort shall include publication of the interest of the board on the department of public safety's website and may include publication in any other venue deemed appropriate by the board or officials or staff of the department.

661—401.103(17A) Public rule-making docket. Pursuant to Executive Order 9, the department maintains a current public rule-making docket. All rule-making activity of the board of trustees of the peace officers' retirement, accident, and disability system shall be included in the rule-making docket of the department, including a rule making which has formally commenced with a Notice of Intended Action and an anticipated rule making identified by the board or staff. The rule-making docket is maintained on the website of the department.

661—401.104(17A) Notice of proposed rule making.

401.104(1) Contents. At least 35 days before the adoption of rules, the agency rules administrator of the department shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rules;
- b. The specific legal authority for the proposed rules;
- c. Except to the extent impracticable, the text of the proposed rules;
- d. Where, when, and how persons may present their views on the proposed rules; and
- e. The date, time and place of an oral proceeding at which any interested party may comment on the proposed rules, or where, when, and how persons may demand an oral proceeding on the proposed rules if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the department shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the board for the resolution of each of those issues.

401.104(2) Incorporation by reference. A proposed rule may incorporate other materials by reference.

661—401.105(17A) Public participation.

401.105(1) Written comments. For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing, on the proposed rule. Such written submissions should identify the proposed rule to which they relate and should be submitted to the Agency Rules Administrator, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, or to the person or office designated in the Notice of Intended Action.

401.105(2) Oral proceedings. The department may, at any time, schedule an oral proceeding on a proposed rule. If an oral proceeding has not previously been scheduled regarding proposed rules, the department shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the department by the administrative rules review committee, a governmental subdivision, an agency, an association having not less than 25 members, or at least 25 persons.

An oral proceeding may be scheduled or conducted by the board at the discretion of the board or of the chair of the board.

401.105(3) Conduct of oral proceedings.

a. *Applicability.* This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1) "b" or this chapter.

b. *Scheduling and notice.* An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. *Presiding officer.* The agency rules administrator of the department of public safety or the administrator's designee shall preside at the oral proceeding on a proposed rule, unless the board conducts

the oral proceeding. If the board does not conduct the oral proceeding, the presiding officer may prepare a memorandum for consideration by the board summarizing the contents of the presentations made at the oral proceeding if the administrator determines that such a memorandum would be helpful to the board.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at such a proceeding are encouraged to notify the department at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and may be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Persons making oral presentations are encouraged to summarize matters which have already been submitted in writing.

(3) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(4) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. Such submissions become the property of the system.

(5) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing. The presiding officer may provide for the record of an oral proceeding to be held open for a specific length of time, announced at the oral proceeding, to allow for the submission of additional information.

(6) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other representatives of the board who may be present about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(7) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

401.105(4) *Additional information.* In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the board may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

401.105(5) *Accessibility.* The department shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the Agency Rules Administrator, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, by mail, by telephone at (515)725-6185, or by electronic mail at admrule@dps.state.ia.us, in advance to arrange access or other needed services.

661—401.106(17A) Regulatory analysis. The agency rules administrator shall prepare a regulatory analysis of proposed rules in compliance with Iowa Code section 17A.4A if requested pursuant to Iowa Code section 17A.4A, subsection 1.

661—401.107(17A,25B) Fiscal impact statement. For each Notice of Intended Action or emergency adoption of rules filed, the staff of the system and the department shall develop a fiscal impact statement in compliance with Iowa Code section 17A.4, subsection 3, and procedures established by the legislative services agency, if the preparation of a fiscal impact statement is required.

661—401.108(17A) Time and manner of rule adoption.

401.108(1) *Time of adoption.* The board shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the board shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

Exception:

The board may waive the notice requirements or time periods specified in Iowa Code chapter 17A, in compliance with Iowa Code section 17A.4, subsection 2, or Iowa Code section 17A.5, subsection 2, paragraph “b,” or both.

401.108(2) *Consideration of public comment.* Before the adoption of a rule, the board shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any memorandum summarizing such oral submissions, and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

401.108(3) *Reliance on department expertise.* Except as otherwise provided by law, the board may use its own experience, technical competence, specialized knowledge, and judgment, or that of department staff, in the adoption of a rule.

401.108(4) *Adoption by reference.* The board may, by adoption of an administrative rule, adopt by reference another document produced by the board, the department, another agency of Iowa government, a federal agency, or any other organization. If any document or portion of any document is adopted by reference and is not already available in the state law library, the department shall provide a copy of the document for filing in the state law library, in compliance with Iowa Code section 17A.6, subsection 4.

661—401.109(17A) Variance between adopted rule and published notice of proposed rule adoption.

401.109(1) The board shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action and the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

401.109(2) In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the board shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

401.109(3) The board shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the board finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

401.109(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the board to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

661—401.110(17A) Concise statement of reasons. When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the board shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Agency Rules Administrator, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests will be considered made on the date received. After a proper request, the board shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request. If the board does not meet during the time between the receipt of a request and the deadline for issuance of the concise statement, the staff may issue the concise statement with the approval of the board chair.

[Editorial change: IAC Supplement 6/17/09]

661—401.111(17A,97A) Agency rule-making record. The department shall maintain an official rule-making record for each rule proposed by the board by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference shall be available for public inspection. Requests to view material from the rule-making record may be addressed to the agency rules administrator of the department.

661—401.112(17A,97A) Petitions for rule making. Any person or agency may file a petition for rule making with the secretary at the location specified in rule 661—400.6(97A). A petition is deemed filed when it is received by the secretary. The secretary shall provide the petitioner with a file-stamped copy of the petition if the petitioner provides the agency an extra copy for this purpose. The secretary shall transmit a copy of the petition to the agency rules administrator. The petition must be typewritten or legibly handwritten in ink and should substantially conform to the following form:

PUBLIC SAFETY PEACE OFFICERS' RETIREMENT, ACCIDENT, AND DISABILITY SYSTEM	
Petition by (name of petitioner) for the (adoption, amendment, or repeal) of rules relating to (state subject matter).	} PETITION FOR RULE MAKING

The petition must provide the following information:

1. A statement of the specific rule-making action sought by the petitioner including the text or a summary of the contents of the proposed rule or amendment to a rule and, if it is a petition to amend or repeal a rule, a citation and the relevant language to the particular portion or portions of the rule proposed to be amended or repealed.
2. A citation to any law deemed relevant to the board's authority to take the action urged or to the desirability of that action.
3. A brief summary of petitioner's arguments in support of the action urged in the petition.
4. A brief summary of any data supporting the action urged in the petition.
5. The names and addresses of other persons, or a description of any class of persons, known by petitioner to be affected by or interested in the proposed action which is the subject of the petition.
6. Any request by petitioner for a meeting provided for by subrule 401.112(5).

401.112(1) The petition must be dated and signed by the petitioner or the petitioner's representative. It must also include the name, mailing address, and telephone number of the petitioner and petitioner's representative, and a statement indicating the person to whom communications concerning the petition should be directed.

401.112(2) The board may deny a petition because it does not substantially conform to the required form. However, the board may consider any petition received, regardless of errors or variations in form, provided that the content of the request for rule making is clear or has been clarified through communication with the petitioner. Denial of a petition because it does not substantially conform to the required form does not preclude the filing of a new petition on the same subject that seeks to eliminate the grounds for the board's rejection of the petition.

401.112(3) The petitioner may attach a brief to the petition in support of the action urged in the petition. The board may request a brief from the petitioner or from any other person concerning the substance of the petition.

401.112(4) Inquiries concerning the status of a petition for rule making may be made to the Agency Rules Administrator, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, or via electronic mail at admrule@dps.state.ia.us.

401.112(5) Upon request by petitioner in the petition, the chair of the board may schedule a brief and informal meeting between the petitioner and the board, a member of the board, the secretary, or other staff of the department to discuss the petition. Such meeting shall include the agency rules administrator of the department or another employee of the department knowledgeable about the administrative rule-making process who is jointly designated by the agency rules administrator and the director of the administrative services division of the department. The board may request the petitioner to submit additional information or argument concerning the petition. The board may also solicit comments from any person on the substance of the petition. Also, comments on the substance of the petition may be submitted to the board by any person.

401.112(6) Within 60 days after the filing of the petition, or within any longer period agreed to by the petitioner, the board shall, in writing, deny the petition and notify petitioner of its action and the specific grounds for the denial or grant the petition and notify petitioner that it will institute rule-making proceedings on the subject of the petition. Notice shall be sent by the secretary to the petitioner by regular mail. Petitioner shall be deemed notified of the denial or granting of the petition on the date when the secretary mails the required notification to the petitioner.

401.112(7) Inquiries concerning the status of a petition for rule making may be made to the Agency Rules Administrator, Department of Public Safety, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, or by electronic mail to admrule@dps.state.ia.us.

[Editorial change: IAC Supplement 6/17/09]

661—401.113(17A,97A) Waivers of rules. This rule outlines generally applicable standards and a uniform process for the granting of individual waivers from rules adopted by the board. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this rule with respect to any waiver from the rule in question.

401.113(1) *Requests for waivers.* Requests for waivers of rules shall be addressed to the secretary. A request shall state specifically what provisions are requested to be waived, a concise statement of the reasons for requesting the waiver, and any conditions proposed to be placed on the waiver, including conditions which would substitute for compliance with the provisions requested to be waived.

401.113(2) *Applicability of rule.* The board may grant a waiver from a rule only if the board has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The board may not waive requirements created or duties imposed by statute.

401.113(3) *Criteria for waiver.* In response to a petition completed pursuant to this rule, the board may, in its sole discretion, issue an order waiving, in whole or in part, the requirements of a rule if the board finds, based on clear and convincing evidence, all of the following:

- a. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
- b. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
- c. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
- d. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

401.113(4) *Filing of petition.* A petition for a waiver must be submitted in writing to the board as follows:

- a. If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.

b. If the petition does not relate to a pending contested case, the petition may be submitted with a caption containing the name of the person for whom the waiver is requested.

c. A petition is deemed filed when it is received in the secretary's office. A petition should be sent to the Board of Trustees, Peace Officers' Retirement, Accident, and Disability System, Attention: Secretary of the Board, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319-0050.

401.113(5) *Content of petition.* A petition for waiver shall include the following information where applicable and known to the requester:

a. The name, address, telephone number, and electronic mail address of the entity or person for whom a waiver is being requested; the case number of or other reference to any related contested case; and the name, address, and telephone number of the petitioner's legal representative, if any.

b. A description of and citation to the specific rule from which a waiver is requested.

c. The specific waiver requested, including the precise scope and duration.

d. The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in subrule 401.113(3). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition, and a statement of reasons that the petitioner believes will justify a waiver.

e. A history of any prior contacts between the board, other departments or agencies of the state of Iowa, or political subdivisions and the petitioner relating to benefits or potential benefits or eligibility requirements affected by the proposed waiver, including a description of each affected benefit or eligibility requirement held or requested by the requester, any formal charges filed, notices of violation, contested case hearings, or investigations relating to the membership in the system within the last five years.

f. Any information known to the requester regarding the board's action in similar cases.

g. The name, address, and telephone number of any public agency or political subdivision which might be affected by the granting of a waiver.

h. The name, address, and telephone number of any entity or person who would be adversely affected by the granting of a petition. This does not create any duty to individually notify other members of the system, unless they are known to have requested or received a waiver of the identical provisions.

i. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

j. Signed releases of information authorizing persons with knowledge regarding the request to furnish the board with information relevant to the waiver.

401.113(6) *Additional information.* Prior to issuing an order granting or denying a waiver, the board may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the board may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and a representative or representatives of the board related to the waiver request.

401.113(7) *Notice.* The secretary shall acknowledge a petition upon receipt and shall notify the members of the board, the legal counsel to the board and the agency rules administrator of the department of the receipt of the petition as soon as practical after its receipt. The board shall ensure that, within 30 days of the receipt of the petition, notice of the pending petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law, including the petitioner. In addition, the board may give notice to any other person. To accomplish this notice provision, the board may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and to provide a written statement to the board attesting that notice has been provided.

401.113(8) *Hearing procedures.* The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case, and shall otherwise apply to board proceedings for a waiver only when the board so provides by order or is required to do so by statute.

401.113(9) *Ruling.* An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person or legal entity and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

a. Board discretion. The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the board, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the board based on the unique, individual circumstances set out in the petition.

b. Burden of persuasion. The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the board should exercise its discretion to grant a waiver from a rule.

c. Narrowly tailored exception. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

d. Administrative deadlines. When the rule from which a waiver is sought establishes administrative deadlines, the board shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

e. Conditions. The board may place on a waiver any condition that the board finds desirable to protect the public health, safety, and welfare.

f. Time period of waiver. A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impractical. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the board, a waiver may be renewed if the board finds that grounds for a waiver continue to exist.

g. Time for ruling. The board shall grant or deny a petition for a waiver as soon as practical but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the board shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

h. When deemed denied. Failure of the board to grant or deny a petition within the required time period shall be deemed a denial of that petition by the board. However, the board shall remain responsible for issuing an order denying a waiver.

i. Service of order. Within seven days of its issuance, any order issued under this rule shall be transmitted or delivered to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law. A copy of the order shall be provided to the agency rules administrator of the department to facilitate compliance with this rule.

401.113(10) Indexing. All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. If petitions or orders may contain information the board is authorized or required to keep confidential, the board may instruct the secretary to accordingly redact confidential information from petitions or orders prior to public inspection. Rules for which a petition for a waiver have been granted or denied are posted on the department's website and available to the public.

401.113(11) Summary reports. When the department grants a waiver, the department shall submit the required information on the department's website within 60 days. The department's website shall identify the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the board's actions on waiver requests. To the extent practicable, the department shall include information detailing the extent to which the granting of waiver has established a precedent for additional waivers and the extent to which the granting of a waiver has affected the general applicability of the rule itself.

401.113(12) Cancellation of a waiver. A waiver issued by the board pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the board issues an order finding any of the following:

a. The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or

b. The alternative means for ensuring that the public health, safety and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or

c. The subject of the waiver order has failed to comply with all conditions contained in the order.

401.113(13) *Violations.* Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this rule who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

401.113(14) *Defense.* After the board issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein only for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

401.113(15) *Judicial review.* Judicial review of the board's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

401.113(16) *Sample petition for waiver.* A petition for waiver filed in accordance with this rule must meet the requirements specified herein and must substantially conform to the following form:

PUBLIC SAFETY PEACE OFFICERS'
RETIREMENT, ACCIDENT, AND DISABILITY SYSTEM

Petition by (name of petitioner) for the
waiver of (insert rule citation)

9. Provide the name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

1. Facts supporting the intervenor's standing and qualifications for intervention.
2. The answers urged by the intervenor to the question or questions presented and a summary of the reasons urged in support of those answers.
3. Reasons for requesting intervention and disclosure of the intervenor's interest in the outcome.
4. A statement indicating whether the intervenor is currently a party to any proceeding involving the questions at issue and whether, to the intervenor's knowledge, those questions have been decided by, are pending determination by, or are under investigation by, any governmental entity.
5. The names and addresses of any additional persons, or a description of any additional class of persons, known by the intervenor to be affected by, or interested in, the questions presented.
6. Whether the intervenor consents to be bound by the determination of the matters presented in the declaratory order proceeding.

The petition must be dated and signed by the intervenor or the intervenor's representative. It must also include the name, mailing address, and telephone number of the intervenor and intervenor's representative, and a statement indicating the person to whom communications should be directed.

661—401.204(17A) Briefs. The petitioner or any intervenor may file a brief in support of the position urged. The department may request a brief from the petitioner, any intervenor, or any other person concerning the questions raised.

661—401.205(17A) Inquiries. Inquiries concerning the status of a declaratory order proceeding may be made to the secretary.

661—401.206(17A) Service and filing of petitions and other papers.

401.206(1) *When service required.* Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order shall be served upon each of the parties of record to the proceeding, and on all other persons identified in the petition for declaratory order or petition for intervention as affected by or interested in the questions presented, simultaneously with their filing. The party filing a document is responsible for service on all parties and other affected or interested persons.

401.206(2) *Filing—when required.* All petitions for declaratory orders, petitions for intervention, briefs, or other papers in a proceeding for a declaratory order shall be filed with the secretary. All petitions, briefs, or other papers that are required to be served upon a party shall be filed simultaneously with the secretary.

401.206(3) *Method of service, time of filing, and proof of mailing.* Method of service, time of filing, and proof of mailing shall be as provided by subrule 401.301(7).

661—401.207(17A) Consideration. Upon request by petitioner, the department may schedule a brief and informal meeting between the original petitioner, all intervenors, and the board, a member of the board, or a member of the staff of the department to discuss the questions raised. The board may solicit comments from any person on the questions raised. Also, comments on the questions raised may be submitted to the board by any person.

661—401.208(17A) Action on petition.

401.208(1) Within the time allowed by Iowa Code section 17A.9(5), after receipt of a petition for a declaratory order, the commissioner of public safety or the commissioner's designee shall take action on the petition as required by Iowa Code section 17A.9(5).

401.208(2) The date of issuance of an order or of a refusal to issue an order is the date of mailing of a decision or order or date of delivery if service is by other means unless another date is specified in the order.

661—401.209(17A) Refusal to issue order.

401.209(1) The board shall not issue a declaratory order where prohibited by Iowa Code section 17A.9, subsection 1, and may refuse to issue a declaratory order on some or all questions raised for the following reasons:

- a.* The petition does not substantially comply with the required form.
- b.* The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the board to issue an order.
- c.* The board does not have jurisdiction over the questions presented in the petition.
- d.* The questions presented by the petition are also presented in a current rule making, contested case, or other agency or judicial proceeding that may definitively resolve them.
- e.* The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
- f.* The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
- g.* There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
- h.* The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge an agency decision already made.
- i.* The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
- j.* The petitioner requests the board to determine whether a statute is unconstitutional on its face.
- k.* The petition relates to any criminal investigation.
- l.* The petition concerns any procedure or practice of the board or any other agency related to initiation or conduct of criminal investigations or referral of matters for possible criminal investigation or prosecution.
- m.* The petition states facts and circumstances which are theoretical in nature to the extent that issuance of a declaratory order is unlikely to assist in guiding future conduct or the petitioner is neither a person with interest in the operation of the system nor a representative of such a person. “Representative of such a person” includes any organization with members or participants who are active or retired members of the system, or family members or survivors of active or retired members of the system.

401.209(2) A refusal to issue a declaratory order shall indicate the specific grounds for the refusal, unless the refusal pertains to a matter under criminal investigation, or which has been referred for possible criminal prosecution, in which event no information which might compromise the investigation or prosecution shall be released to the petitioner or any intervenor. A refusal to issue a declaratory order constitutes final agency action on the petition.

401.209(3) Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the refusal to issue an order.

661—401.210(17A) Contents of declaratory order—effective date. In addition to the order itself, a declaratory order must contain the date of its issuance, the name of petitioner and all intervenors, the specific statutes, rules, policies, decisions, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion.

A declaratory order is effective on the date of issuance.

661—401.211(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to each original petitioner and to each intervenor.

661—401.212(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the board, the petitioner, and any intervenors who consent to be bound and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the board. The issuance of a declaratory order constitutes final agency action on the petition.

661—401.213 to 401.300 Reserved.

CONTESTED CASES

661—401.301(17A) Contested case proceeding. Consideration of an appeal of a decision of the board shall be a contested case proceeding subject to the provisions of Iowa Code chapter 17A.

401.301(1) Delivery of notice. Delivery of the notice of hearing by the secretary constitutes the commencement of a contested case proceeding. Delivery may be executed by regular mail. The notice shall be delivered to the applicant, the applicant's attorney if known, and the assistant attorney general designated to represent the public interest.

401.301(2) Contents of notice. The notice of hearing shall contain a statement of the time, place, and nature of the hearing. The notice shall contain a statement that it is the applicant's burden to prove each of the statutory elements relative to the application. The notice shall also contain a reference to the applicable statute and rules.

401.301(3) Scope of issues. The applicant shall prove each of the statutory elements required before the application may be granted. Denial of an application shall be upheld based on the applicant's failure to prove any of the statutory elements. When an applicant has requested accidental disability benefits, the board has the option of denying accidental disability benefits, but granting ordinary disability benefits based on the evidence.

401.301(4) Legal representation. Following the filing of the notice of hearing, the office of the attorney general shall be responsible for the legal representation of the public interest in all proceedings before the board. The public interest, as referenced in this rule, shall include the responsibility to protect the assets of the system from applications that do not meet the standards set by the statute for disability benefits. Any private party to a contested case shall be entitled to legal representation at the discretion and expense of that party.

401.301(5) Presiding officer. The presiding officer in a contested case shall be an administrative law judge assigned by the department of inspections and appeals.

401.301(6) Procedural matters. Procedural matters and motions, including, but not limited to, motions to continue, may be heard and ruled upon by the presiding officer.

401.301(7) Service and filing.

a. Service—when required. Except where otherwise provided by law, every document filed in a contested case proceeding shall be served upon each of the parties of record to the proceeding, including the assistant attorney general designated as attorney for the state or the agency, simultaneously with their filing. Except for the original notice of hearing and an application for rehearing as provided in Iowa Code section 17A.16, subsection 2, the party filing a document is responsible for service on all parties.

b. Service—how made. Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by personal delivery or by mailing a copy to the person's last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

c. Filing—when required. After the notice of hearing, all documents in a contested case proceeding shall be filed with the secretary. All documents that are required to be served upon a party shall be filed simultaneously with the secretary.

d. Filing—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the secretary at the location set forth in rule 661—400.6(97A), delivered to an established courier service for immediate delivery to that office, or mailed by first-class mail or state interoffice mail to that office, so long as there is proof of mailing.

e. Proof of mailing. Proof of mailing includes either:

- (1) A legible United States Postal Service postmark on the envelope;
- (2) A certified mail return receipt;
- (3) A notarized affidavit; or
- (4) A certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the Secretary of the Board of Trustees, Iowa Department of Public Safety, Peace Officers' Retirement System, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319, and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

661—401.302(17A) Discovery.

401.302(1) Pursuant to Iowa Code chapter 17A, discovery procedures applicable in civil actions are applicable in contested cases. Unless lengthened or shortened by these rules or by order of the presiding officer, time periods for compliance with discovery shall be as provided in the Iowa Rules of Civil Procedure.

401.302(2) Any motion relating to discovery shall allege that the moving party has previously made a good-faith attempt to resolve the discovery issues involved with the opposing party. Motions in regard to discovery shall be ruled upon by the presiding officer. Opposing parties shall be afforded the opportunity to respond within ten days of the filing of the motion unless the time is shortened by order of the presiding officer. The presiding officer may rule on the basis of the written motion and any response, or may order argument on the motion.

661—401.303(17A) Subpoenas in a contested case. Pursuant to Iowa Code section 17A.13, subsection 1, the board or the presiding officer acting on behalf of the board has the authority to issue subpoenas to compel the attendance of witnesses at depositions or hearings and to compel the production of professional records, books, papers, correspondence and other records which are deemed necessary as evidence in connection with a contested case. A subpoena issued in a contested case under the board's authority may seek evidence whether or not privileged or confidential under law.

401.303(1) The board chair shall, upon the written request of the applicant or the state, issue a subpoena to compel the attendance of witnesses or to obtain evidence which is deemed necessary in connection with a contested case. A command to produce evidence may be joined with a command to appear at deposition or hearing or may be issued separately.

401.303(2) A request for a subpoena shall include the following information, as applicable, unless the subpoena is requested to compel testimony or documents for rebuttal or impeachment purposes:

- a.* The name, address and telephone number of the person requesting the subpoena;
- b.* The name and address of the person to whom the subpoena shall be directed;
- c.* The date, time, and location at which the person shall be commanded to attend and give testimony;
- d.* Whether the testimony is requested in connection with a deposition or hearing;
- e.* A description of the books, papers, records or other evidence requested;
- f.* The date, time and location for production, or inspection and copying.

401.303(3) Each subpoena shall contain, as applicable:

- a.* The caption of the case;
- b.* The name, address and telephone number of the person who requested the subpoena;
- c.* The name and address of the person to whom the subpoena is directed;
- d.* The date, time, and location at which the person is commanded to appear;
- e.* Whether the testimony is commanded in connection with a deposition or hearing;
- f.* A description of the books, papers, records or other evidence the person is commanded to produce;

- g.* The date, time and location for production, or inspection and copying;
- h.* The time within which a motion to quash or modify the subpoena must be filed;
- i.* The signature, address and telephone number of the board administrator or designee;
- j.* The date of issuance;
- k.* A return of service attached to the subpoena.

401.303(4) Unless a subpoena is requested to compel testimony or documents for rebuttal or impeachment purposes, the board administrator or designee shall mail copies of all subpoenas to the parties to the contested case. The person who requested the subpoena is responsible for serving the subpoena upon the subject of the subpoena.

401.303(5) Any person who is aggrieved or adversely affected by compliance with the subpoena or any party to the contested case who desires to challenge the subpoena must, within 14 days after service of the subpoena, or before the time specified for compliance if such time is less than 14 days, file with the board a motion to quash or modify the subpoena. The motion shall describe the legal reasons why the subpoena should be quashed or modified, and may be accompanied by legal briefs or factual affidavits.

401.303(6) Upon receipt of a timely motion to quash or modify a subpoena, the board chair shall request an administrative law judge to hold a hearing and issue a decision. Oral argument may be scheduled at the discretion of the board or the administrative law judge. The administrative law judge may quash or modify the subpoena or deny the motion.

401.303(7) A person aggrieved by a ruling of an administrative law judge who desires to challenge that ruling must appeal the ruling to the board by serving on the board's secretary, either in person or by certified mail, a notice of appeal within ten days after service of the decision of the administrative law judge. If the decision of the administrative law judge to quash or modify the subpoena or to deny the motion to quash or modify the subpoena is appealed to the board, the board may uphold or overturn the decision of the administrative law judge.

401.303(8) If the person contesting the subpoena is not the member whose application for benefits is the subject of the contested case, the board's decision is final for purposes of judicial review. If the person contesting the subpoena is the member whose application for benefits is the subject of the contested case, the board's decision is not final for purposes of judicial review until there is a final decision in the contested case.

661—401.304(17A) Motions.

401.304(1) No technical form for motions is required. However, prehearing motions must be in writing, state the grounds for relief, and state the relief sought.

401.304(2) Any party may file a written response to a motion within ten days after the motion is served, unless the time period is extended or shortened by rules of the board or the presiding officer. The presiding officer may consider a failure to respond within the required time period in ruling on a motion.

401.304(3) The presiding officer may schedule oral argument on any motion.

401.304(4) Motions pertaining to the hearing, except motions for summary judgment, must be filed and served at least ten days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by rule of the board or an order of the presiding officer.

401.304(5) Motions for summary judgment shall comply with the requirements of Iowa Rule of Civil Procedure 1.981 and shall be subject to disposition according to the requirements of that rule to the extent such requirements are not inconsistent with the provisions of this rule or any other provision of law governing the procedure in contested cases.

Motions for summary judgment must be filed and served at least 45 days prior to the scheduled hearing date, or other time period determined by the presiding officer. Any party resisting the motion shall file and serve a resistance within 15 days, unless otherwise ordered by the presiding officer, from the date a copy of the motion was served. The time fixed for hearing or nonoral submission shall be not less than 20 days after the filing of the motion, unless a shorter time is ordered by the presiding officer. A summary judgment order rendered on all issues in a contested case is subject to rehearing pursuant to rule 661—401.314(17A) and appeal pursuant to subrule 401.312(2).

661—401.305(17A) Settlements. A contested case may be resolved by informal settlement, and settlements are encouraged. Settlement negotiations may be initiated at any stage of a contested case by the assistant attorney general appointed to represent the public interest or by the applicant. The board shall not be involved in negotiation until a written proposed settlement is submitted for approval, unless both parties waive this prohibition.

661—401.306(17A) Prehearing conference.

401.306(1) Any party may request a prehearing conference. A written request for prehearing conference or an order for prehearing conference on the presiding officer's own motion shall be filed not less than seven days prior to the hearing date. A prehearing conference shall be scheduled not less than three business days prior to the hearing date.

Written notice of the prehearing conference shall be given by the presiding officer to all parties. For good cause, the presiding officer may permit variances from this rule.

401.306(2) Each party shall bring to the prehearing conference:

a. A final list of the witnesses who the party anticipates will testify at hearing. Witnesses not listed may be excluded from testifying unless there was good cause for the failure to include their names.

b. A final list of exhibits which the party anticipates will be introduced at hearing. Exhibits other than rebuttal exhibits that are not listed may be excluded from admission into evidence unless there was good cause for the failure to include them.

c. Witness or exhibit lists may be amended subsequent to the prehearing conference within the time limits established by the presiding officer at the prehearing conference. Any such amendments must be served on all parties.

401.306(3) In addition to the requirements of subrule 401.306(2), the parties at a prehearing conference may:

- a.* Enter into stipulations of law or fact;
- b.* Enter into stipulations on the admissibility of exhibits;
- c.* Identify matters that the parties intend to request be officially noticed;
- d.* Enter into stipulations for waiver of any provision of law; and
- e.* Consider any additional matters that will expedite the hearing.

401.306(4) Prehearing conferences shall be conducted by telephone unless otherwise ordered. Parties shall exchange and receive witness and exhibit lists in advance of a telephone prehearing conference.

661—401.307(17A) Continuances. Unless otherwise provided, applications for continuances shall be made to the presiding officer.

401.307(1) A written application for a continuance shall:

a. Be made at the earliest possible time and no less than seven days before the hearing except in case of unanticipated emergencies;

b. State the specific reasons for the request; and

c. Be signed by the requesting party or the party's representative.

An oral application for a continuance may be made if the presiding officer waives the requirement for a written motion. However, a party making such an oral application for a continuance must confirm that request by written application within five days after the oral request unless that requirement is waived by the presiding officer. No application for continuance shall be made or granted without notice to all parties except in an emergency where notice is not feasible. The presiding officer may waive notice of such requests for a particular case or an entire class of cases.

401.307(2) In determining whether to grant a continuance, the presiding officer may consider:

- a.* Prior continuances;
- b.* The interests of all parties;
- c.* The likelihood of informal settlement;
- d.* The existence of an emergency;
- e.* Any objection;
- f.* Any applicable time requirements;
- g.* The existence of a conflict in the schedules of counsel, parties, or witnesses;

- h.* The timeliness of the request; and
- i.* Other relevant factors.

The presiding officer may require documentation of any grounds for continuance.

661—401.308(17A) Withdrawals. A party requesting a contested case proceeding may withdraw that request prior to the hearing. Unless otherwise provided, a withdrawal shall be with prejudice.

661—401.309(17A) Hearing procedures.

401.309(1) The presiding officer shall have the authority to administer oaths, to admit or exclude testimony or other evidence, and to rule on all motions and objections.

401.309(2) All objections shall be timely made and stated on the record.

401.309(3) Parties have the right to participate or to be represented in all hearings or prehearing conferences related to their case. Any party may be represented by an attorney at the party's own expense.

401.309(4) Subject to terms and conditions prescribed by the presiding officer, parties have the right to introduce evidence on issues of material fact, cross-examine witnesses present at the hearing as necessary for a full and true disclosure of the facts, present evidence in rebuttal, and submit briefs and engage in oral argument.

401.309(5) The presiding officer shall maintain the decorum of the hearing and may refuse to admit or may expel anyone whose conduct is disorderly.

401.309(6) Witnesses may be sequestered during the hearing.

401.309(7) The presiding officer shall conduct the hearing in the following manner:

a. The presiding officer shall give an opening statement briefly describing the nature of the proceedings.

b. The parties shall be given an opportunity to present opening statements.

c. The parties shall present their cases in the sequence determined by the presiding officer.

d. Each witness shall be sworn or affirmed by the presiding officer or the court reporter, and be subject to examination and cross-examination. The presiding officer may limit questioning in a manner consistent with law.

e. When all parties and witnesses have been heard, the parties may be given the opportunity to present final arguments.

f. The presiding officer may enter a default judgment against a party who fails to appear at the hearing.

401.309(8) The presiding officer has the right to question a witness. Examination of witnesses by the presiding officer is subject to properly raised objections.

401.309(9) The hearing shall be open to the public, except as otherwise provided by law.

401.309(10) Oral proceedings shall be electronically recorded. Upon request, the board shall provide a copy of the whole or any portion of the audio recording at a reasonable cost. A certified shorthand reporter may be engaged to record the proceeding at the request of a party and at the expense of the party making the request. A transcription of the record of the hearing shall be made at the request of either party at the expense of the party making the request. The parties may agree to divide the cost of the transcription. A record of the proceedings, which may be either the original recording, a copy, or a transcript, shall be retained by the secretary for five years after the resolution of the case.

401.309(11) Default.

a. If a party fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a decision in the absence of the party.

b. Where appropriate and not contrary to law, any party may move for default against a party who has requested the contested case proceeding and has failed to file a required pleading or has failed to appear after proper service.

c. Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final board action unless, within 15 days after the date of notification or mailing of the decision, a motion to vacate is filed and served on all parties or an appeal of a decision on the merits is timely initiated within the time provided by subrule 401.312(2). A motion

to vacate must state all facts relied upon by the moving party which establish that good cause existed for that party's failure to appear or participate at the contested case proceeding. Each fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact, which affidavit(s) must be attached to the motion.

d. The time for further appeal of a decision for which a timely motion to vacate has been filed is stayed pending a decision on the motion to vacate.

e. Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party. Adverse parties shall have ten days to respond to a motion to vacate. Adverse parties shall be allowed to conduct discovery as to the issue of good cause and to present evidence on the issue prior to a decision on the motion, if a request to do so is included in that party's response.

f. "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

g. A decision denying a motion to vacate is subject to further appeal within the time limit allowed for further appeal of a decision on the merits in the contested case proceeding.

h. If a motion to vacate is granted and no timely interlocutory appeal has been taken, the presiding officer shall issue another notice of hearing and the contested case shall proceed accordingly.

i. A default decision may award any relief consistent with the request for relief made in the petition and embraced in its issues (but, unless the defaulting party has appeared, it cannot exceed the relief demanded).

661—401.310(17A) Evidence.

401.310(1) The presiding officer shall rule on admissibility of evidence and may, where appropriate, take official notice of facts in accordance with all applicable requirements of law.

401.310(2) Stipulation of facts is encouraged. The presiding officer may make a decision based on stipulated facts.

401.310(3) Evidence in the proceeding shall be confined to the contested issues as provided in Iowa Code section 97A.6.

401.310(4) The party seeking admission of an exhibit must provide opposing parties with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents should normally be provided to opposing parties. All exhibits admitted into evidence shall be appropriately marked and be made part of the record.

401.310(5) Any party may object to specific evidence or may request limits on the scope of any examination or cross-examination. Such an objection shall be accompanied by a brief statement of the grounds upon which it is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

401.310(6) Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

661—401.311(17A) Ex parte communication.

401.311(1) Prohibited communications. Unless required for the disposition of ex parte matters specifically authorized by statute, following issuance of the notice of hearing, there shall be no communication, directly or indirectly, between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in such case in connection with any issue of fact or law in the case except upon notice and opportunity for all parties to participate. Nothing in this rule is intended to preclude board members from communicating with other board members or members of the board staff, including the secretary, other than those with a personal interest in, or those engaged in personally investigating, prosecuting, or advocating in, either the case under consideration or a pending factually related case involving the same parties, as long as those persons do not directly or indirectly

communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

401.311(2) Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending before the board.

401.311(3) Written, oral or other forms of communication are “ex parte” if made without notice and opportunity for all parties to participate.

401.311(4) To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Notice of written communications shall be provided and may be supplemented by telephone, facsimile, electronic mail or other means of notification. Where permitted, oral communications may be initiated through conference telephone call including all parties or their representatives.

401.311(5) Persons who jointly act as presiding officer in a pending contested case may communicate with each other without notice or opportunity for parties to participate.

401.311(6) The secretary may be present in deliberations or otherwise advise the presiding officer without notice or opportunity for parties to participate as long as the secretary is not disqualified from participating.

401.311(7) Communications with the presiding officer involving uncontested scheduling or procedural matters do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines.

401.311(8) Disclosure of prohibited communications. A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified.

a. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be submitted for inclusion in the record under seal by protective order; or

b. If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of the communication.

401.311(9) Promptly after being assigned to serve as presiding officer at any stage in a contested case proceeding, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment, unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section 17A.13, subsection 2, or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

401.311(10) The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule. Violation of ex parte communication prohibitions by staff shall be reported to the board and to the director of the administrative services division of the department.

661—401.312(17A) Decisions.

401.312(1) *Proposed decision.* The decision prepared by the presiding officer is a proposed decision. The proposed decision becomes the final decision of the board without further proceedings unless there is an appeal to, or review on motion of, the board within the time provided in subrule 401.312(2).

401.312(2) *Appeals and review.*

a. *Appeal by party.* Any adversely affected party may appeal a proposed decision to the board within 30 days after issuance of the proposed decision.

b. *Review.* The board may initiate review of a proposed decision on its own motion at any time within 30 days following the issuance of such a decision.

c. Notice of appeal. An appeal of a proposed decision is initiated by filing a timely notice of appeal with the board. The notice of appeal must be signed by the appealing party or a representative of that party and contain a certificate of service. The notice shall specify:

- (1) The parties initiating the appeal;
- (2) The proposed decision or order appealed from;
- (3) The specific findings or conclusions to which exception is taken and any other exceptions to the decision or order;
- (4) The relief sought;
- (5) The grounds for relief.

d. Requests to present additional evidence. A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence. A written request to present additional evidence must be filed with the notice of appeal or, by a nonappealing party, within 14 days of service of the notice of appeal. The board may remand a case to the presiding officer for further hearing or may itself preside at the taking of additional evidence.

e. Scheduling. The board shall issue a schedule for consideration of the appeal.

f. Briefs and arguments. Unless otherwise ordered, briefs, if any, must be filed within five days of meeting.

661—401.313(17A) No factual dispute contested cases. If the parties agree that no dispute of material fact exists as to a matter that would be a contested case if such a dispute of fact existed, the parties may present all relevant admissible evidence either by stipulation or otherwise as agreed by the parties without necessity for the production of evidence at an evidentiary hearing. If such agreement is reached, a jointly submitted schedule detailing the method and timetable for submission of the record, briefs and oral argument should be submitted to the presiding officer for approval as soon as practicable. If the parties cannot agree, any party may file and serve a motion for summary judgment pursuant to the rules governing such motions.

661—401.314(17A) Applications for rehearing.

401.314(1) *By whom filed.* Any party to a contested case proceeding may file an application for rehearing from a final order.

401.314(2) *Content of application.* The application for rehearing shall state on whose behalf it is filed, the specific grounds for rehearing, and the relief sought.

401.314(3) *Time of filing.* The application shall be filed with the board within 20 days after issuance of the final decision.

401.314(4) *Notice to other parties.* A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein.

401.314(5) *Disposition.* The board may meet telephonically to consider an application for rehearing. Any application for a rehearing shall be deemed denied unless the board grants the application within 20 days after its filing.

These rules are intended to implement Iowa Code chapters 17A and 97A.

CHAPTER 402
PEACE OFFICERS' RETIREMENT, ACCIDENT, AND DISABILITY SYSTEM—
ELIGIBILITY, BENEFITS, AND PAYMENTS

[Prior to 10/27/04, see 581—Ch 24]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

661—402.1 to 402.99 Reserved.

DIVISION I
ELIGIBILITY

661—402.100(97A) Age of qualification. The age of qualification for benefits under Iowa Code Supplement chapter 97A shall mean the age on the member's last birthday.

661—402.101(97A) Date of retirement. Date of retirement shall mean the first day on retirement and not the last day on duty.

661—402.102(97A) Application of Iowa Code Supplement section 97A.6, subsection 12. Iowa Code Supplement section 97A.6, subsection 12, applies to the deceased member's spouse and children only if the spouse was married to the deceased member at or before the time of retirement and the children are the natural children of the deceased member or were legally adopted at or before the time of retirement of the member. If there is no surviving spouse of a marriage solemnized prior to retirement of a deceased member, then "surviving spouse" means a surviving spouse of a marriage of two years or more solemnized subsequent to the retirement of the member.

661—402.103(97A) Date of death. In the event of the death of a member, the date of death will be considered to be the member's last day on the payroll for earned compensation or on pension, and the next day following will be the first day for the spouse's and children's benefits. The start of benefits shall not be delayed by the payout of any other compensation.

661—402.104(97A) Age of spouse. When the spouse of a deceased active member is to receive an annuity payment from the member's contributions, the age of the spouse at the spouse's nearest birthday shall govern. The computation shall be the spouse's birth date subtracted from the first date that spouse's benefits begin to accrue.

661—402.105 to 402.199 Reserved.

DIVISION II
BENEFITS AND PAYMENTS

661—402.200(97A) Computation of average final compensation. Computation of the average final compensation shall be made using the earnable compensation of the member during the three years of the member's service as a member of the department during which the member received the highest amount of compensation. Overtime compensation, if any, and periods without pay shall not be considered in this computation.

Exception:

If a member retires before attaining three years of service, the average final compensation shall be the total of the earnable compensation from the date the member was sworn into service divided by the number of months of service and multiplied by 12.

661—402.201(97A) Workers' compensation—effect on benefit payment. If workers' compensation benefits are payable because of a member's disability or death, the retirement or death benefit payable, other than a line-of-duty death benefit paid pursuant to 661—Chapter 403, from the system shall be reduced by the actuarial equivalent of the total workers' compensation.

402.201(1) Monthly peace officers' retirement system benefits shall be reduced by the monthly benefit received from workers' compensation.

402.201(2) Peace officers' retirement system benefits shall be reduced in the amount of permanent partial disability benefits paid by workers' compensation. Benefits will be withheld in the amount of permanent partial disability benefits.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.202(97A) Errors in payments. If an error in payments already made to a member or beneficiary is discovered, arrangements shall be made to correct the error, either through recovery of overpayments from the member or beneficiary or through additional compensation paid to the member or beneficiary to adjust for underpayments. Schedules referenced in this rule shall commence only after presentation to and approval by the board of trustees.

402.202(1) As soon as practical after being discovered, underpayments shall be corrected through a lump-sum payment to the member or beneficiary in an amount equal to the total amount of underpayments to date and an amount of interest such that the total lump-sum payment is actuarially equivalent to the total amount of underpayments. The member or beneficiary may request a method of repayment other than a lump-sum payment, in which case a repayment schedule may be mutually agreed upon between the board and the member or beneficiary.

402.202(2) Overpayments other than those which resulted from fraudulent acts on the part of the member or beneficiary receiving the payments shall be recovered from the member or beneficiary. The preferred method of recovery, if the member or beneficiary is continuing to receive payments from the system, shall be withholding monthly an amount equivalent to the monthly average of the amount of overpayments during the period in which the overpayments were made, until total repayments equal a sum actuarially equivalent to the total amount of overpayment. If the member or beneficiary is not receiving payments from the system, the board may seek repayment in a lump sum including the amount of overpayments and interest in an amount such that the total repayment is actuarially equivalent to the total amount of overpayments, although the member or beneficiary may request a repayment schedule be established and the board may agree to do so.

402.202(3) An overpayment which resulted in whole or in part from a fraudulent act or acts on the part of the member or beneficiary receiving the payments shall be repaid to the system in an amount which is actuarially equivalent to the amount of the overpayment plus a reasonable assessment of the administrative costs to the system and the department to recover the overpayment. The preferred method of repayment is a lump-sum payment collected as soon as practical after the overpayment and the fraudulent act are discovered, although the board shall accept a repayment schedule established by a court which orders restitution in relation to a conviction stemming from the fraudulent act or acts. The board may agree to an alternative payment schedule at the request of the member or beneficiary if there is no applicable order of restitution.

The board may find, on the basis of clear and convincing evidence, that an overpayment resulted from a fraudulent act or acts on the part of a member or beneficiary. A conviction based upon a fraudulent act or acts committed in relation to the receipt of benefits from the system shall be prima facie evidence of fraud for purposes of this subrule.

661—402.203(97A) Initial benefit for a child. Initial benefit for a child as specified in Iowa Code Supplement section 97A.6, subsection 8, 9 or 12, shall be 6 percent of the monthly earnable compensation payable to an active member having the rank of senior trooper of the Iowa state patrol. A senior trooper, for the purposes of Iowa Code Supplement chapter 97A, is a peace officer having at least ten years of active service with the Iowa state patrol.

661—402.204(97A) Computation for partial month. Computation of retirement benefits for a partial month shall be based on the actual number of days in the month, i.e., monthly benefits divided by the number of days in the month multiplied by the number of days due.

661—402.205(97A) One year of service. For the purpose of computing service, service for fewer than six months of a year is not creditable as service. Service of six months or more in any year shall be equivalent to one year of service; however, in no case shall a member receive more than one year of service credit for each 12-month period of service.

661—402.206(97A) Termination prior to retirement.

402.206(1) Members who terminate covered employment prior to age 55 other than by death or disability have certain rights to their accumulated contributions.

a. A member with fewer than four years of service is not entitled to benefits under the system. A member terminating employment with less than four years of service has the following options for the handling of the member's contributions to the system:

(1) The member may withdraw the member's contributions along with accumulated interest.

(2) The member may have all or a part of the member's qualifying contributions along with accumulated interest rolled forward to a qualified retirement plan and may withdraw the balance of the member's contributions.

(3) The member may leave the member's contributions in the system as long as the member continues to be a member of the system. A member ceases to be a member of the system should the member in any period of five consecutive years after last becoming a member be absent from service for more than four years. Should a member cease to be a member, the member's contributions shall be paid to the member as provided in this paragraph.

b. A member with four or more years of service is a "vested member" and is entitled to benefits under the system. The member's options under the system are as follows:

(1) Upon attaining retirement age, the member may receive a service retirement allowance of four twenty-seconds of the retirement allowance the member would receive at retirement if the member's employment had not been terminated, and an additional one twenty-second of such retirement allowance for each additional year of service not exceeding 22 years of service. Should the member have over 22 years of service, upon the member's retirement there shall be added $2\frac{3}{4}$ percent of the member's average final compensation for each year over 22 years for up to 10 additional years of service. The amount of the retirement allowance shall be calculated in the manner provided in this subparagraph using the average final compensation at the time of termination of the member's employment.

(2) The member may withdraw the member's contributions pursuant to Iowa Code section 97A.16, along with accumulated interest.

(3) The member may have all or a part of the member's qualifying contributions along with accumulated interest rolled forward to a qualified retirement plan and may withdraw the balance of the member's contributions.

402.206(2) The interest rate shall be the composite rate of return for the fiscal year as reflected in the investment performance analysis, provided by the investment consultants for the system, as specified in the report for the quarter ending June 30 of the fiscal year, adjusted by the administrative expense of the system for the fiscal year. The administrative expense rate shall be calculated by dividing the actual administrative expense for the fiscal year by the fund balance on June 30 of the fiscal year.

402.206(3) Interest shall be credited to the member's account annually as of June 30. The interest credited to the member shall be calculated by multiplying the annual interest rate by the member's average balance for the fiscal year, with interest credited for each full month of membership.

402.206(4) Members withdrawing contributions under this rule shall submit a written request to the secretary.

661—402.207(97A) Optional retirement benefits. Members of the system who retire under a service retirement may elect to receive one of the following optional retirement benefits and have the optional retirement benefit or a designated fraction of the benefit paid to the member's beneficiary:

1. Straight life annuity.
2. Straight life annuity with five years certain.
3. Straight life annuity with ten years certain.
4. Joint and 50 percent survivor annuity.
5. Joint and 75 percent survivor annuity.
6. Joint and 100 percent survivor annuity.
7. Single life annuity with a designated lump sum.

For the purposes of this rule, a “beneficiary” means a member’s spouse, child, or dependent parent.

661—402.208(97A) Options not reversible once payments begin—exceptions.

402.208(1) The member may change or cancel the member’s selected optional benefit until the first monthly benefit payment is made using the selected option. After the first monthly payment to the member or beneficiary, the option shall become permanent and not subject to cancellation or change.

402.208(2) If a member dies without designating a beneficiary prior to receipt in benefits of an amount equal to the total amount in the member’s credit at the time of separation from service, the election is void.

402.208(3) If a member who has designated a beneficiary dies and the beneficiary subsequently dies prior to receipt in benefits of an amount equal to the total amount in the member’s credit at the time of separation from service, the election remains valid.

661—402.209(97A) Method of calculating annual adjustments when optional retirement benefits are selected. Whenever an optional benefit as provided for in rule 661—402.207(97A) has been selected by a member, the annual adjustments provided for in Iowa Code Supplement section 97A.6, subsection 14, shall continue to be provided.

661—402.210(97A) Termination of benefits when optional retirement benefits are selected. Whenever an optional benefit as provided for in rule 661—402.207(97A) has been selected by a member, benefit payments shall terminate as follows, except as provided in rule 661—402.208(97A):

1. Straight life annuity. Upon the death of the retired member, all future retirement payments shall cease.
2. Straight life annuity with five years certain. Upon the death of the retired member, or five years from the member’s original retirement date, whichever is later, all future retirement payments shall cease.
3. Straight life annuity with ten years certain. Upon the death of the retired member, or ten years from the member’s original retirement date, whichever is later, all future retirement payments shall cease.
4. Joint and 50 percent survivor annuity. Upon the death of the retired member, the surviving beneficiary shall have the beneficiary’s annual annuity established at 50 percent of the member’s amount. Upon the death of both the member and the beneficiary, all future retirement payments shall cease.
5. Joint and 75 percent survivor annuity. Upon the death of the retired member, the surviving beneficiary shall have the beneficiary’s annual annuity established at 75 percent of the member’s amount. Upon the death of both the member and the beneficiary, all future retirement payments shall cease.
6. Joint and 100 percent survivor annuity. Upon the death of the retired member, the surviving beneficiary shall have the annual annuity continue at the member’s amount. Upon the death of both the member and the beneficiary, all future retirement payments shall cease.
7. Single life annuity with a designated lump sum. Upon the death of the retired member, the beneficiary shall receive the single lump-sum payment, and all future retirement payments shall cease.

661—402.211(97A) Impact of optional benefit selections on child benefits. The selection of an optional retirement benefit by a member shall not change the benefit that a child of a deceased member would otherwise be eligible to receive.

661—402.212(97A) Method of calculating annual adjustment for members who retire on or after July 1, 2010. For members retiring on or after July 1, 2010, there shall be an adjustment occurring on July 1 for which the following applicable amount shall be added to the member’s monthly allowance:

402.212(1) On the first July 1 following the retirement of a member, there shall be added to the monthly allowance the amount of \$15. There shall be no other adjustment to the monthly allowance under the provisions of this rule until the adjustment provided in subrule 402.212(2) applies.

402.212(2) An additional \$5 shall be added to the member's monthly allowance when the member's retirement date was at least five years, but less than ten years, prior to the effective date of the adjustment, the total adjustment to the member's monthly allowance then being \$20. There shall be no other adjustment to the monthly allowance under the provisions of this rule until the adjustment provided in subrule 402.212(3) applies.

402.212(3) An additional \$5 shall be added to the member's monthly allowance when the member's retirement date was at least 10 years, but less than 15 years, prior to the effective date of the adjustment, the total adjustment to the member's monthly allowance then being \$25. There shall be no other adjustment to the monthly allowance under the provisions of this rule until the adjustment provided in subrule 402.212(4) applies.

402.212(4) An additional \$5 shall be added to the member's monthly allowance when the member's retirement date was at least 15 years, but less than 20 years, prior to the effective date of the adjustment, the total adjustment to the member's monthly allowance then being \$30. There shall be no other adjustment to the monthly allowance under the provisions of this rule until the adjustment provided in subrule 402.212(5) applies.

402.212(5) An additional \$5 shall be added to the member's monthly allowance when the member's retirement date was at least 20 years prior to the effective date of the adjustment, the total adjustment to the member's monthly allowance then being \$35.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.213(97A) Method of calculating annual adjustment for members who retired prior to July 1, 2010. For members having retired before July 1, 2010, there shall be an adjustment occurring on July 1 for which the following applicable amount shall be added to the member's monthly allowance:

402.213(1) For members having retired on or after July 2, 2009, but before July 1, 2010, there shall be added to the monthly pension allowance the amount of \$15. There shall be no other adjustment to the monthly allowance under the provisions of this rule until the adjustment provided in subrule 402.212(2) applies.

402.213(2) For members having retired on or after July 2, 2008, but before July 2, 2009, no adjustment to the monthly allowance shall be made until the adjustment provided in subrule 402.212(2) applies.

402.213(3) For members having retired on or after July 2, 2007, but before July 2, 2008, no adjustment to the monthly allowance shall be made until the adjustment provided in subrule 402.212(5) applies.

402.213(4) For those members having retired on or before July 1, 2007, thus having received more than a total of \$35 added to the monthly allowance, there shall be no additional adjustments made to monthly allowances. Adjustments having resulted in more than \$35 added to the monthly allowance prior to July 1, 2010, shall not be considered overpayments, and the monthly allowances of members so affected shall not be reduced, nor shall members be required to repay any amount to the system.

NOTE: The following table summarizes the adjustments provided for in this rule.

Retirement Date	July 1 Monthly Allowance Adjustment	Adjustment Date
July 2, 2009 – June 30, 2010	\$15.00	July 1, 2010
July 2, 2008 – July 1, 2009	\$5.00	July 1, 2013
July 2, 2007 – July 1, 2008	\$5.00	July 1, 2028
Retired before July 2, 2007	\$0.00	Not applicable

661—402.214(97A) Determination of survivor's pension. For the purposes of determining a survivor's pension, the adjustments to monthly allowance provided in rules 661—402.212(97A) and 661—402.213(97A) shall be reduced in the same manner as is provided for the member's optional

retirement benefit election made under rule 661—402.207(97A) or as provided in Iowa Code section 97A.6(12).

NOTE: Section 17 of 2010 Iowa Acts, House File 2518, reads as follows:

Sec. 17. PUBLIC SAFETY PEACE OFFICERS' RETIREMENT, ACCIDENT, AND DISABILITY SYSTEM—ADJUSTMENT OF PENSIONS PAYABLE. It is the intent of the general assembly that the applicable amount for each adjustment occurring on July 1 as provided in section 97A.6, subsection 14, paragraph "a", subparagraph (2), subparagraph division (a), shall be the exact dollar amount listed in each subparagraph subdivision of subparagraph division (a) for each July 1 in which that particular subparagraph subdivision applies and shall not be increased above the amount listed in that subparagraph subdivision for each year that the subparagraph subdivision applies. However, the applicable amount for each adjustment occurring on or after July 1, 2010, as provided by this section, shall not be less than the applicable amount for the adjustment for the previous July 1.

DIVISION III
SERVICE PURCHASES

661—402.300(97A) Purchase of eligible service credit. Effective July 1, 2010, and no later than July 1, 2011, an active member may make application to the system to purchase up to the maximum amount of permissive service credit for eligible qualified service.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.301(97A) Determination of eligible service.

402.301(1) Eligible qualified service. "Eligible qualified service" means service as a member of a city fire retirement system or police retirement system operating under Iowa Code chapter 411 prior to January 1, 1992, for which service has not previously been credited. Eligible qualified service does not include service if the receipt of credit for such service would result in the member's receiving a retirement benefit under more than one retirement plan for the same period of service.

402.301(2) Permissive service credit.

a. Permissive service credit is credit that will be recognized by the system for purposes of calculating a member's benefit, for which the member did not previously receive service credit in the system, and for which the member voluntarily contributes to the system the amount required by the system, not in excess of the amount necessary to fund the benefit attributable to such service.

b. Permissive service credit shall be calculated in years at the rate of one year of service for six months or more of a year actually worked with no more than one year of service to be credited for all service in one calendar year.

c. An active member may make contributions to the system to purchase up to the maximum amount of permissive service credit for eligible qualified service as determined by the system, pursuant to Internal Revenue Code Section 415(n).

Such documentation shall include the notarized certification by an official of the city or agency that employed the member and shall include periods of service and member retirement contributions to the former system during the indicated time of service. In the event member contribution information is not available from the employing city or agency, documentation may be provided in another form acceptable to the board. - g. If the requirements of subrule 402.302(1) cannot be verified, the request for a cost quote shall not be submitted to the actuary but rather shall be referred to the board for review at the next regularly scheduled meeting.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.303(97A) Application process.

402.303(1) *Actuarial cost quote of permissive service credit.* When made available to the secretary by the actuary, the cost quote shall be forwarded to the member promptly. Such delivery may be made through electronic mail, facsimile transmission, regular mail, or personal service. The cost quote of permissive service credit shall remain valid for six months from the date of the cost quote unless replaced by a subsequent cost quote for the same time period of permissive service credit.

402.303(2) *Submission of application to purchase permissive service credit.* The member may submit to the secretary an application to purchase years of permissive service credit in an amount no greater than the maximum certified years of permissive service credit at a rate quoted by the actuary less an amount equal to the member's contributions pursuant to Iowa Code chapter 411 for the period of eligible qualified service together with interest at a rate determined by the board. Full payment in the form of a check or money order payable to the Peace Officers' Retirement, Accident, and Disability System, or certification of intent to pay through a qualified plan, or a combination thereof, shall accompany the application to purchase permissive service credit. Contributions shall be made by the member within the six-month period the quote is valid.

402.303(3) *Acceptance of application to purchase permissive service credit.* If the application is accepted, the secretary shall deposit the full payment into the system's account and shall adjust the member's years of service and contributions to reflect the purchase of service. Prior to the receipt of full payment, the secretary shall make no adjustment to the member's years of service or contributions.

402.303(4) *Rejection of application to purchase permissive service credit.* If the application is rejected, the secretary shall refer the rejected application to the board for review at the next regularly scheduled meeting.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.304(97A) Service adjustment irrevocable. An adjustment of a member's years of service which has been completed pursuant to subrule 402.303(3) is irrevocable. However, this rule shall not be interpreted to limit the system's ability to refund service credit purchase amounts when required in order to meet the provisions of the Internal Revenue Code.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.305(97A) Board review.

402.305(1) *Review of rejection of certification of service credit.* The board shall review a rejected certification of service credit. If the board overrules the rejection, the secretary shall submit the certification of service credit to the actuary to determine the member's cost to purchase permissive service credit. If the board sustains the rejection, the member may appeal the action pursuant to 661—subrule 401.2(2).

402.305(2) *Review of rejection of application to purchase service credit.* The board shall review any application to purchase service credit which has been rejected. If the board overrules the action, the secretary shall process the application pursuant to subrule 402.303(3). If the board sustains the rejection, the secretary shall return the payment to the member. The member may appeal the action pursuant to 661—subrule 401.2(2).

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.306(97A) Other provisions.

402.306(1) Within 60 days following the entry of an adjustment to a member's years of service based on a purchase of permissive service credit, the secretary shall report the purchase to the system under which the service credit was originally earned.

NOTE: This notification is intended to meet the requirement that a member not receive a retirement benefit under more than one retirement plan for the same period of service.

402.306(2) The average final compensation of the member shall not be affected by the purchase of permissive service credit.

[ARC 8935B, IAB 7/14/10, effective 7/1/10]

661—402.307(97A) Purchase of service credit for military service.

Applications shall be on forms provided by the secretary. The member shall include with the application:

[Editorial change: IAC Supplement 6/17/09]

661—403.2(97A) Application. Application forms for the line-of-duty death benefit program may be obtained on request from the secretary. The board may accept a legible copy of a completed application for the federal Public Safety Officer Benefits Program as an application for payment of benefits from the member death benefit program. Completed application forms shall be mailed or delivered to the Secretary of the Board of Trustees, Iowa Department of Public Safety, Peace Officers' Retirement System, State Public Safety Headquarters Building, 215 East 7th Street, Des Moines, Iowa 50319.

661—403.3(97A) Determination. After receiving a completed application for benefits from the member death benefit program, the board shall make a determination as to whether or not the application meets the requirements for payment of benefits. Prior to making a determination, the board may require the beneficiary or responsible supervisory official who has certified that the death is a line-of-duty death to submit any additional information that the board deems material to making the determination. If the determination is that the requirements for payment of benefits have been met, the board shall so notify the beneficiary or cobeneficiaries and shall instruct the secretary to prepare documents to cause the department of administrative services to issue a warrant payable to the beneficiary in the amount of the lump-sum payment provided or, if there are cobeneficiaries, to issue warrants in equal shares of the lump-sum amount payable to each of the cobeneficiaries. Payments pursuant to this rule shall come from the system's funds.

403.3(1) Denial and notification. If the board determines that the eligibility criteria have not been met, the board shall notify in writing the beneficiary or cobeneficiaries and the responsible supervisory official who certified that the death occurred in the line of duty of the determination and of the reason or reasons for the denial.

403.3(2) Appeals. If an application for benefits is denied, the beneficiary or any cobeneficiary may appeal that decision to the board by filing an appeal in writing to the secretary within 30 days of the date of the denial of the application by the board. Appeals shall be processed in accordance with contested case procedures specified in 661—Chapter 401.

These rules are intended to implement Iowa Code Supplement section 97A.6A(16).
