PART I  
DEPARTMENT STRUCTURE  
CHAPTER 1  
ORGANIZATION

**261—1.1(15) History and mission.** The Iowa department of economic development was established in 1986 pursuant to Iowa Code chapter 15. The authority delegated to the department had previously been delegated to the Iowa development commission and the office for planning and programming. In 2011, the general assembly reorganized the delivery of economic development services to the state of Iowa by creating a formal collaboration between the public and private sectors. As part of this reorganization, the department was eliminated and the economic development authority was created as the successor entity to the department. All existing duties, responsibilities, and obligations of the former department are assumed by the authority.

The mission of the authority is to foster the economic vitality of the state by working in focused partnerships with businesses, entrepreneurs, communities and educational entities. The authority's primary responsibilities are in the areas of finance, marketing, local government and service coordination, exporting, tourism, job training and entrepreneurial assistance, and small business.

Notification must be in writing on forms and in the manner determined by the department of economic development and is considered complete when response has been received on each item.

The maximum project total for on-the-job training shall not exceed 50 percent of the total available training proceeds.

The rate will be determined by the department and the Iowa department of education. The indirect cost rate and procedures will be communicated to the community colleges by the department. The community college shall notify the department of revenue within 30 days following the end of a calendar quarter of payments covering withholding

credits that have been received for the quarter. If a credit is claimed by an employer and payment is not made to the community college, the amount of credit will be considered to be a delinquent withholding liability and will be subject to assessment of tax, penalty, and interest according to the provisions of Iowa Code section 422.16(10).

**5.6(2) Notification of termination of credit.** Community colleges shall notify in writing the department of revenue and the department within 30 days when it is determined that payments for job training withholding credits will no longer be applied against the costs of a project. *d.* Such determination by the community college shall be conclusive and the individual job shall thereafter be eligible and may be used for the supplemental credit from withholding to fund the supplemental project under the agreement.

*e.* Future annual changes in county or regional averages shall not affect the eligibility of those jobs that have been determined by the community college to be eligible at the time of final agreement for a project.

**5.13(5)** The community college may require the employer to supply appropriate payroll records and projections to verify eligibility of the supplemental credit.

This rule is intended to implement the provisions of 1996 Iowa Acts, Senate File 2351, section 8, effective July 1, 1996, and does not affect agreements included in Iowa Code section 15.326, New Jobs and Income Act, Iowa Code section 15A.9, Quality Jobs Enterprise Zone, or those agreements under Iowa Code chapter 260E, Iowa Industrial New Jobs Training Program, which do not contain a provision for a supplemental new jobs credit from withholding.

CHAPTER 8  
WORKFORCE DEVELOPMENT FUND  
[Prior to 9/6/00, see 261—Ch 75]

**261—8.1(15,76GA,ch1180) Purpose.** The purpose of the workforce development fund is to provide revenue for programs which address the workforce development needs of the state. Moneys are appropriated to the fund from the workforce development fund account and are to be used for the following programs and purposes: training and retraining programs for targeted industries, projects under Iowa Code chapter 260F, apprenticeship programs under Iowa Code section 260C.44 (including new or statewide building trades apprenticeship programs) and innovative skill development activities.

**261—8.2(15,76GA,ch1180) Definitions.**

*“Agreement”* means an informal agreement between the department and a grantee that authorizes expenditure of a workforce development fund award.

*“Board”* means the Iowa department of economic development board.

*“Contract”* means a formal agreement executed by the department and a grantee for purposes of operating a program under the workforce development fund.

*“Department”* or *“IDED”* means the Iowa department of economic development.

*“Director”* means the director of the Iowa department of economic development.

*“Grantee”* means any entity receiving a workforce development fund award from the Iowa department of economic development.

**261—8.3(15,76GA,ch1180) Workforce development fund account.** A workforce development fund account is established in the office of the treasurer of state under control of the department. Upon payment in full of a certificate of participation or other obligation issued to fund a job training program under Iowa Code chapter 260E, including a certificate of participation repaid in whole or in part by the supplemental new jobs credit from withholding under Iowa Code section 15A.7, the community college providing the job training program shall notify the department of the amount paid by the employer or business to the community college to retire the certificate during the last 12 months of withholding collections. The department shall notify the department of revenue of that amount. The department of revenue shall then credit to the workforce development fund account, established in Iowa Code section 15.342A, 25 percent of that amount each quarter for a period of ten years. If the amount of withholding from the business or employer is insufficient, the department shall prorate the quarterly amount credited to the workforce development fund account. The maximum amount from all employers which shall be transferred to the workforce development fund account in any year is \$10,000,000. The legislature will make an annual appropriation from the workforce development fund account to the workforce development fund.

**261—8.4(15,76GA,ch1180) Workforce development fund allocation.** The director shall submit, not later than January 1 of each year, at a regular or special meeting, for approval by the IDED board, the proposed allocation of funds from the workforce development fund to be made for the next fiscal year for the programs and purposes intended. The director shall also submit a copy of the proposed allocation to the chairpersons of the joint economic development appropriations subcommittee of the general assembly. Notwithstanding Iowa Code section 8.39, the plan may provide for increased or decreased allocations if the demand for a program indicates that the need is greater or lesser than the allocation for that program. Workforce development funds are received quarterly. The sequence in which the funds are allocated to the various programs under the workforce development fund will be determined by the department based upon the demand for the respective programs.

**261—8.5(15,76GA,ch1180) Workforce development fund reporting.** The director shall report on a quarterly basis to the IDED board on the status of the funds and may present proposed revisions for approval by the IDED board in January and April of each year. The director shall also provide quarterly reports to the legislative services agency on the status of the funds. Unobligated and unencumbered

moneys remaining in the workforce development fund or any of its accounts on June 30 of each year shall be considered part of the fund for purposes of the next year's allocation.

**261—8.6(15,76GA,ch1180) Training and retraining programs for targeted industries.**

**8.6(1) *Program purpose and targeted industries.*** The purpose of this program is to provide training and retraining to develop the skills of employees employed in targeted businesses or industries or to address a workforce development need of a targeted industry. Targeted industries have been identified as industries engaged in the business or manufacture of:

- a. Value-added agricultural products.
- b. Insurance and financial services.
- c. Plastics.
- d. Metals.
- e. Printing paper or packaging products.
- f. Drugs and pharmaceuticals.
- g. Software development.
- h. Instruments and measuring devices and medical instruments.
- i. Recycling.

**8.6(2) *Other industries.*** Training may be provided to industries other than those listed in 8.6(1); however, the applicant will have to provide a strong rationale regarding how that industry diversifies, strengthens or otherwise enhances Iowa's economy. Eligibility may be established by an industry other than those listed if that industry can provide rationale regarding the industry's benefit to Iowa's economic base. Rationale that is provided will be reviewed by department staff to determine eligibility as a targeted industry. Items that will be considered in determining an industry's benefit to Iowa's economic base will include:

- a. The majority of the products or services produced by the industry are exported out of Iowa.
- b. The inputs for the products produced in the industry are raw materials available in Iowa or are provided by Iowa suppliers.
- c. The goods or services produced by this industry diversify Iowa's economy.
- d. The goods or services provided by the industry resulted in, or will result in, a decrease in the importation of foreign-made goods into the United States.
- e. The industry shows potential for future growth.
- f. The functions of the industry do not produce harmful effects for Iowa's natural environment.
- g. It is established that the average wages of the majority of the occupations in the industry are above the statewide average wage.

Businesses engaged in retail sales or the provision of health care or other professional services will not be considered targeted industries and are not eligible for this program.

**8.6(3) *Eligible applicants.*** Applicants must be an individual business, consortium of businesses, trade association or labor organization that represents one of the identified targeted industries in order to be eligible for funding.

**8.6(4) *Length of projects and maximum grant awards.*** The department will establish the desired project length and maximum grant awards based upon the amount of workforce development funds allocated to the program in a fiscal year and upon the training needs of the targeted industries. These limitations will be published in the application packet. Grantees may request extensions to the length of a project.

**8.6(5) *Allowable activities.*** Allowable activities include career and technical skill assessment testing; adult basic education; job-related training; cost of a company, college, or contracted trainer or training services; training-related materials, equipment, software and supplies; curriculum development; lease and rental of training facilities and equipment; training-related travel and meals; and contracted or professional services. Costs associated with the administration of the project (i.e., fiscal and reporting activities, project supervision and coordination) are allowable but are limited to 15 percent of the total program budget.

**8.6(6) *Application procedure.*** Application packets will be made available by the department. Application packets will outline eligibility criteria, the required application inclusions and points established for evaluation. Applications must be submitted to the Iowa Department of Economic Development, Workforce Development Coordinator, 200 East Grand Avenue, Des Moines, Iowa 50309. Only the applications of eligible applicants will be considered. Applications may be submitted at any time during the year but must be submitted at least 15 days prior to the start date of activities for which reimbursement through this program is being requested. Applications will be reviewed in the order in which they are received.

**8.6(7) *Required proposal inclusions.*** Required contents of an application will be described in the application. Applications must address all information requested in the application packet to be considered for award. If all requested information is not provided, applications will not be considered for funding. Applicants who have been denied funding may reapply. Reapplications will be treated as new applications.

**8.6(8) *Evaluation and rating criteria.*** The criteria used for scoring the application will include the following:

- a. The training proposed in the project is needed to address industry demands, up to 10 points.
- b. This project is for industry-specific training that is not currently available, up to 5 points.
- c. The scope of the project is such that there is benefit for several businesses within the industry, up to 5 points.
- d. It is proposed that the training will be provided to several businesses within the industry, up to 5 points.
- e. The training is for an industry where there is anticipated job growth, up to 10 points.
- f. Training is also made available to job seekers wishing to enter the industry, up to 5 points.
- g. The training is required in order for the employee to retain employment or the training will improve the employee's opportunities for enhanced pay or benefits or for promotional opportunities within the industry, up to 10 points.
- h. The project is feasible in terms of the reasonableness of the budget in comparison to the expected outcomes, other comparable training, and the demands of the industry, up to 15 points.
- i. The expected outcomes enhance the competitiveness of the industry and the economy of the state, up to 15 points.
- j. The previous experience of the training provider is sufficient to ensure quality training, up to 10 points.
- k. Match contributed to the project evidences commitment to the project on behalf of the proposer, up to 10 points.

Proposals will be reviewed by two department staff. As a part of this review, staff will ascertain which community college district(s) the project corresponds to and notify the appropriate community college president from that district of the proposal for purposes of review and comment. Points will be assigned for each evaluation criteria by each of the respective staff and totaled. The two scores will then be averaged. Proposals receiving an average score of at least 70 out of a possible 100 points will be presented to the director for a final funding decision. The director will base a final funding decision upon available funding.

**8.6(9) *Award process.*** Upon approval by the director, the applicant will receive an award letter which will state the amount and conditions of the award. Awards will be made in the form of grants.

**8.6(10) *Contract.*** Following notification of award, a contract will be prepared for execution between the applicant and IDED. The final project application will become part of the contract. **261—8.9(15,76GA,chs1180,1219) Innovative skill development activities.**

**8.9(1) Program purpose.** To develop and provide creative training programs that will enhance the skill development of Iowa employees or address a workforce development need. Projects should concentrate on developing skills in new or emerging businesses or industries or address technological skills needed for current or future workers to become or remain competitive in the current labor market in existing businesses. The department will establish priority innovative skill areas for project solicitation annually, prior to the beginning of each fiscal year. These priorities will be established based upon the workforce and economic development needs of the state. These priority areas will be reflected in the request for proposal.

**8.9(2) Eligible applicants.** Eligible applicants include individual businesses, consortia of businesses, trade associations, labor organizations which represent a majority of the employees to be trained, educational institutions, and other public or private not-for-profit organizations which represent a majority of the individuals or businesses that will benefit from the training.

**8.9(3) Length of projects and maximum grant awards.** The department will establish the desired project length and maximum grant awards based upon the amount of workforce development funds allocated to the program in a fiscal year and upon the annual priorities set for this program by the board. These limitations will be published in the application packet. Grantees may request extensions to the length of a project.

**8.9(4) Allowable activities.** Allowable program activities include purchase or development of training curricula and materials; purchase or provision of technological equipment and related materials needed for the delivery of training; activities needed to support a training program including, but not limited to, assessment, recruitment, outreach and applications; training site development; activities needed to develop a training program including, but not limited to, travel, research and development, focus group activities and legal fees; activities designed to creatively address a workforce development need identified by a community that, if successful, can be easily replicated in other communities; tuition and fee reimbursements for students; tutorial and remedial education services; counseling services; coordination services; career and technical skill assessment testing; adult basic education; job-related training; cost of a company, college, or contracted trainer or training services; training-related materials, equipment, software, and supplies; lease and rental of training facilities and equipment; training-related travel and meals; and contracted or professional services. Costs associated with the administration of the project (i.e., fiscal and reporting activities, project supervision, and coordination) are allowable but are limited to 15 percent of the total program budget.

**8.9(5) Application procedure.** Application packets will be made available by the department. Application packets will outline eligibility criteria, the required application inclusions, and points established for evaluation. Applications must be submitted to the Iowa Department of Economic Development, Workforce Development Coordinator, 200 East Grand Avenue, Des Moines, Iowa 50309. Only the applications of eligible applicants will be considered. Applications may be submitted at any time during the year but must be submitted at least 15 days prior to the start date of activities for which reimbursement through this program is being requested. Applications will be reviewed in the order in which they are received.

**8.9(6) Required proposal inclusions.** Required contents of an application will be described in the application. Applications must address all information requested in the application packet to be considered for award. If all requested information is not provided, applications will not be considered

for funding. Applicants who are denied funding may reapply. Reapplications will be treated as new applications.

**8.9(7) Evaluation and rating criteria.** The criteria used for scoring the application will include the following:

- a. Sufficient need for the project has been established by participating groups, up to 10 points.
- b. The project will enhance the skill development of Iowa's current and potential employees or will address a skill development need, up to 10 points.

- g. The project is feasible in terms of the reasonableness of the budget in comparison to the expected outcomes, other comparable training, and the demands of the individuals, businesses, industries, or communities it will serve, up to 15 points.
- h. The expected outcomes will assist the current labor market to become or remain competitive and will foster growth in the local and state economy. This may be evidenced by expected increases in wages or career opportunities of trainees, or by expected competitive advantages to be realized by companies or industries, or by projected enhancement of employment opportunities for communities, up to 10 points.
- i. The previous experience of the project operator or service provider is sufficient to ensure quality programming, up to 5 points.
- j. Match contributed to the project evidences commitment to the project on behalf of the proposer, up to 10 points.

Proposals will be reviewed by two department staff members. As a part of this review, staff will ascertain which community college district(s) the project corresponds to and notify the appropriate community college president from that district of the proposal for purposes of review and comment. Points will be assigned for each evaluation criteria by each of the respective staff and totaled. The two scores will then be averaged. Proposals receiving an average score of at least 70 out of a possible 100 points will be presented to the IDED board for a final funding decision. The IDED board will base a final funding decision upon the project's ability to address the annual priorities previously established by the IDED and board and upon availability of funding.

**261—8.11(15,76GA,ch1180) Administration.**

**8.11(1) Access to records.** The department or its designees, at all reasonable times, may enter the grantee's establishment during the course of or following the completion of the projects for any purpose arising from the performance of the contracted project or agreement.

**8.11(2) Waiver.** The department may waive particular provisions of the program requirements outlined in this chapter, provided the waiver does not conflict with applicable state laws. Waivers will be provided only in extreme circumstances when chapter requirements are hindering the ability of a specific project to carry out the intent of the applicable program.

**8.11(3) Record keeping and retention.** Grantees shall maintain all records required for compliance with applicable law, regulation and project contracts until the end of the fiscal year following the year the project was closed out.

**8.11(6) Compliance problems.** When problems of compliance with law, regulation, or contract or agreement stipulations are noted or when it is discovered a grantee has made false or misleading representations in the program application, contract, or agreement, the department may require corrective action to be taken. Failure to respond to corrective action requests may result in the establishment of a debt on the part of the grantee.

**8.11(7) Remedies for noncompliance.** At any time before project closeout, the department may, for cause, find that a grantee is not in compliance with the requirements of a program under the workforce development fund. At the department's discretion, remedies for noncompliance may include the following:

- a. Issue a warning letter that further failure to comply with program requirements within a stated period of time will result in a more serious sanction.
- b. Condition a future grant or agreement.
- c. Direct the grantee to stop incurring costs under the project.
- d. Require that some or all of the grant amounts be remitted to the state.
- e. Reduce the level of funds that the grantee would otherwise be entitled to receive.

**261—8.12(15,76GA,ch1180) Training materials and equipment.** Training materials and equipment that are needed to carry out the deliverables described within a project may be purchased by the grantee, unless specified otherwise in the program-specific requirements of these rules. For the purposes of this chapter, equipment means property with a purchase price of \$1000 or more and an anticipated useful life in excess of one year. Equipment purchased with workforce development funds shall not be used by any entity for the purposes of generating a profit to the entity, unless the equipment purchase was prorated based upon anticipated usage between grant or forgivable loan funds and cash provided by the purchasing entity. Equipment with any remaining useful life may be disposed of at fair market value, with any funds realized from that sale being repaid to the department either in whole or on a prorated basis. Equipment that no longer has a useful life or that has no remaining value may be disposed of by the grantee with the permission of IDED.

**261—8.13(15,76GA,ch1180) Redistribution of funds.** The department reserves the right to recapture and redistribute funds based upon projected expenditures, if it appears that funds will not be expended in accordance with the proposed budget for a project.

**261—12.4(15,15B) Annual appropriations—amount of assistance available—standard contract—use of funds.**

**12.4(1)** The authority will provide financial assistance under the program from moneys appropriated for purposes of the program pursuant to Iowa Code section 15.342A.

**12.4(2)** The total amount of assistance available for a fiscal year will be the amount authorized by law as described in subrule 12.4(1) less an amount equal to 2 percent of the moneys in the fund appropriated to the authority for administrative purposes.

**12.4(3)** The authority will disburse funds to an apprenticeship sponsor or lead apprenticeship sponsor only after approval of a completed application and execution of a contract between the apprenticeship sponsor or lead sponsor and the authority. The authority shall have sole discretion in determining whether an applicant has provided all necessary information as required under this chapter. The authority will prepare a standard contract for the program to be executed by each eligible applicant. Each executed contract will provide for an amount of financial assistance in the form of a training grant

as determined pursuant to rule 261—12.6(15,15B). All changes or amendments to the standard contract shall be at the authority's sole discretion. All such changes shall be consistent with the requirements of Iowa Code chapter 15B and of this chapter. The authority will notify apprenticeship sponsors and lead apprenticeship sponsors by the end of a calendar year of any standard contract changes for the upcoming application period.

**12.4(4)** Financial assistance received by an apprenticeship sponsor or lead apprenticeship sponsor under this rule shall be used only for the cost of conducting and maintaining an apprenticeship program. [ARC 1826C, IAB 1/21/15, effective 2/25/15; ARC 5970C, IAB 10/6/21, effective 11/10/21]

**261—12.5(15,15B) Eligibility for assistance.** An eligible apprenticeship sponsor or lead apprenticeship sponsor may apply to the authority for assistance under the program. To be eligible, an applicant must meet all of the following requirements:

**12.5(2)** The applicant conducts an apprenticeship program that includes a minimum of 100 contact hours per apprentice for each training year of the apprenticeship program.

**12.5(3)** The applicant provides all of the following information to the authority:

*a.* The federal apprentice registration number of each apprentice in the apprenticeship program.  
*b.* The address and a description of the physical location where in-person training is conducted.  
*c.* A certification of the apprenticeship sponsor's training standards as most recently approved by the U.S. Department of Labor, Office of Apprenticeship, or, in the case of a lead apprenticeship sponsor, a representative sample of participating members' training standards.

*d.* A certification of the apprenticeship sponsor's compliance review or quality assessment as most recently conducted by the U.S. Department of Labor, Office of Apprenticeship, unless the apprenticeship sponsor has not been subjected to a compliance review or quality assessment. In the case of a lead apprenticeship sponsor, a sampling of compliance reviews or quality assessments from participating members will be sufficient.

*e.* Any other information the authority reasonably determines is necessary.

**12.5(4)** The applicant shall apply on or before February 1 of each year in which funding is available. The application submitted by the applicant should reflect program information from the prior training year. The maximum amount of financial assistance provided to an eligible apprenticeship sponsor or lead apprenticeship sponsor will be calculated in the following manner:

**12.6(1)** By determining the total amount of funding allocated for purposes of training grants for apprenticeship programs as described in rule 261—12.4(15,15B).

**12.6(2)** By determining the total number of apprentices trained during the most recent training year, as calculated on the last day of the training year, in all apprenticeship programs conducted by all applying apprenticeship sponsors or lead apprenticeship sponsors eligible to apply for financial assistance under rule 261—12.5(15,15B).

**12.6(3)** By determining the total number of apprentices trained during the training year, as calculated on the last day of the training year, in each apprenticeship program conducted by each

applying apprenticeship sponsor or lead apprenticeship sponsor eligible to apply and that applied for financial assistance under rule 261—12.5(15,15B).

**12.6(4)** By determining the proportion, stated as a percentage, that each applying apprenticeship sponsor's or lead apprenticeship sponsor's total calculated pursuant to subrule 12.6(3) bears to all applying apprenticeship sponsors' or lead apprenticeship sponsors' total calculated pursuant to subrule 12.6(2).

**12.6(5)** By multiplying the percentage calculated in subrule 12.6(4) by the amount determined in subrule 12.6(1).

[ARC 4110C, IAB 11/7/18, effective 12/12/18]

**261—13.4(15,87GA,HF2458) Program eligibility, application scoring, and awards.**

**13.4(1) Program eligibility.**

a. To be considered for an award under this program, an apprenticeship program sponsor must meet the following eligibility requirements:

(2) Twenty or fewer apprentices are registered in the existing apprenticeship program as of December 31 of the calendar year prior to the date the authority receives the apprenticeship sponsor's application.

(3) More than 70 percent of the applicant's apprentices are residents of Iowa, and the remainder of the applicant's apprentices are residents of states contiguous to Iowa. In determining the number of apprentices in an applicant's apprenticeship program, the authority may calculate the average number of apprentices in the program within the most recent two-year period.

Higher scores will be awarded if the source of funding is a private entity, if the funding is repayable, and if the amount of internal funding is more than 50 percent of funding needed to establish the apprenticeable occupation. (maximum 10 points)

*e. Certification of worker safety.* The applicant has not violated state or federal statutes, rules or regulations, including environmental and worker safety regulations, or if such violations have occurred, the violations have been addressed and mitigated. (maximum 10 points)

**261—22.1(15) Authority and purpose.** The authority is directed, pursuant to Iowa Code section 15.338, as enacted by 2015 Iowa Acts, chapter 136, section 48, to establish a fund to provide financial assistance to cities for purposes of assisting with the remediation of nuisance properties and abandoned buildings and other structures and to do so in such a manner as to make funds annually available to cities. In order to ensure that funds are continually available, the authority will administer the fund as a revolving fund. [ARC 2420C, IAB 3/2/16, effective 4/6/16]

**261—22.2(15) Definitions.** For purposes of this chapter unless the context otherwise requires:

*“Abandoned building”* or *“abandonment”* means a building that meets either of the following:

1. In the case of a building located within a city’s limits, a building that has remained vacant and has been in violation of the housing code or building code of the city for a period of six consecutive months.

### **261—22.3(15) Program description.**

**22.3(1)** *Amount, form, and timing of assistance.* The program provides financial assistance to cities for the redevelopment or remediation of nuisance properties and abandoned buildings and other structures. The amount of assistance awarded will be negotiated between each applicant and the authority based on the total amount of funds available to the authority for the program and based on the project details.

#### **22.3(2)** *Application.*

*a.* Each fiscal year in which funding is available, the authority will accept applications for the assistance under the program and make funding decisions on a rolling basis.

*b.* Information on submitting an application under the program may be obtained by contacting the economic development authority. The contact information is:

Iowa Economic Development Authority  
Community Development Division  
200 East Grand Avenue, Des Moines, Iowa 50309  
(515)725-3000

<http://iowaeconomicdevelopment.com/>

**22.3(3)** *Approval of assistance.* The authority will consider, evaluate, and recommend applications for financial assistance under the program to the director. Authority staff will review applications for financial assistance and score the applications according to the criteria described in rule 261—22.4(15). Recommendations on funding amounts will depend upon the amount of funds available, the quality of the project applying, and the number and quality of the other applications received. Applications deemed to meet the minimum scoring criteria will be submitted to the director for a final funding decision. A project that does not receive funding may reapply.

**22.3(4)** *Contract required.* If the director approves an application for financial assistance under the program, the authority will prepare an agreement stating the terms on which the financial assistance is to be provided, and the applicant shall execute the agreement before funds are disbursed under the program.

#### **22.3(5)** *Use of funds.*

*a.* An applicant shall use funds only for purposes of the costs directly related to the project. The authority may require documentation or other information establishing the actual costs incurred for a project. Failure to use the funds for purposes of the costs directly related to a project shall be grounds for default under the agreement required pursuant to this chapter.

*b.* If a city receives financial assistance under the program, the amount of any lien created for costs related to remediation of a property included in a project plan shall not include any moneys that the city

received pursuant to this chapter for the remediation of the property. The contract executed pursuant to rule 261—22.5(15) will include a provision implementing this requirement.

**22.3(6) *Form of financial assistance.*** The authority will provide financial assistance in the form of a loan to the applicant. The amount of the loan, the term, the interest rate, any repayment requirements, and other standard terms shall be included in the contract required pursuant to rule 261—22.5(15).

[ARC 2420C, IAB 3/2/16, effective 4/6/16]

**261—22.4(15) Program eligibility, application scoring, and funding decisions.**

**22.4(1) *Program eligibility.*** To be eligible under the program, an applicant shall meet all of the following requirements:

*a.* The applicant shall be a city interested in developing a plan to address issues of slum and blight through the remediation or redevelopment of nuisance properties and abandoned buildings.

*b.* The applicant shall be willing to work with the authority's community development division in the development of the plan described in paragraph 22.4(1) "a."

*c.* The applicant may request an amount of financial assistance in its application, but shall be willing to accept financial assistance in whatever amount and on whatever terms the authority is able to offer, subject to the availability of funds and the prevailing interest rates at the time of application.

*d.* The applicant shall have closed all existing contracts under the program before it is eligible to apply for additional financial assistance. The authority may waive this requirement at its discretion for good cause shown. The authority will not waive this requirement if doing so would adversely impact other applicants.

*e.* The applicant shall submit any information the authority requests in order to evaluate and score the application under the criteria described in this rule.

**22.4(2) *Application scoring criteria.*** All applications for financial assistance under the program will be scored according to the following criteria:

*a.* The financial need of the city. 20 points.

For purposes of this criterion, the authority will consider the relative size of the city's budget, the relative scope of the city's problem with nuisance properties and abandoned buildings, and the debt capacity of the city.

*b.* The extent to which the city suffers from severe blighted areas, including the number of nuisance properties and abandoned buildings in a city relative to its size and the extent to which the successful remediation or redevelopment of the properties included in the project plan will reduce or eliminate such blight. 20 points.

For purposes of this criterion, the authority will consider whether the project plan includes areas meeting standard definitions of blight such as in Iowa Code section 403.17 or other state or federal programs. Cities demonstrating more severe blight will receive more points relative to other applicants with less severe blight.

*c.* The extent to which a city suffers from widespread dilapidated housing stock and the extent to which the successful remediation or redevelopment of the properties included in the project plan will reduce or eliminate such dilapidated housing stock. 20 points.

Cities demonstrating more dilapidated housing stock will receive more points relative to other applicants with less dilapidated housing stock.

*d.* The extent to which the city has the organizational strength, financial resources, human resources, and community participation necessary to successfully undertake the remediation or redevelopment described in the project plan. 20 points.

*e.* The number and percentage of low- and moderate-income households in the community. 20 points.

For purposes of this criterion, the authority will consider U.S. Census Bureau data or data collected from a communitywide income survey that meets the requirements of the state's community development block grant program. Cities demonstrating a higher percentage of low- and moderate-income households will receive more points relative to other applicants with lower percentages.

**22.4(3) *Funding decisions.*** Each application will be scored by staff in the community development division. The scores assigned by all participating staff will be averaged to reflect one numerical score. The application and the averaged numerical score will be referred to the director with a recommended funding decision. The director will make the final funding decision on each application, taking into consideration the amount of available funding, the numerical score of the application, and the funding recommendation of the community development division staff. The director may approve, deny, or defer funding for any application. The director will not approve funding for an application that receives an average score less than 50 points. A score greater than 50 points does not guarantee that the applicant will receive funding. Each applicant will be notified in writing of the funding decision within 60 days of application unless extenuating circumstances exist.

[ARC 2420C, IAB 3/2/16, effective 4/6/16]

**261—22.5(15) Contract required.**

**22.5(1)** Each applicant that is approved for financial assistance under the program shall enter into an agreement with the authority as evidenced by an executed contract. The contract will establish the terms on which the financial assistance is to be provided and may include any other terms reasonably necessary for the efficient administration of the program. The authority will develop a standard contract for use in the program, though the contract shall be subject to amendment from time to time as may be necessary to clarify the rights of the parties or to serve the best interests of the state.

**22.5(2)** The parties may amend the contract required pursuant to this rule at any time upon the mutual agreement of both parties.

**22.5(3)** The contract developed pursuant to this rule may require the successful applicant to submit information reasonably required by the authority to make reports to the authority's board, the governor's office, or the general assembly.

CHAPTER 25  
HOUSING FUND

Rescinded **ARC 6320C**, IAB 5/18/22, effective 6/22/22

CHAPTER 26  
VARIANCE PROCEDURES FOR TAX INCREMENT  
FINANCING (TIF) HOUSING PROJECTS

**261—26.1(403) Goals and objectives.** These rules implement 1996 Iowa Acts, Senate File 2464, section 24, “Financing Public Improvements Related to Low Income Housing and Residential Development.” The Iowa department of economic development is given the responsibility to rule on requests for variances in the percentage of low- and moderate-income benefit required in certain tax increment financing (TIF) district for residential development, as prescribed in the law. These rules establish procedures and criteria for variances so that the highest possible level of benefit to low- and moderate-income families will be achieved while ensuring the financial feasibility of the project.

**261—26.2(403) Definitions.**

“*Department*” means the Iowa department of economic development.

“*Eligible applicant*” means any county or incorporated city within the state of Iowa.

“*Housing project*” means a project in an urban renewal area established solely upon findings under Iowa Code section 403.2(3) that is primarily intended to support housing activities. These may include, but are not limited to, the following: public streets and utilities, site preparation, housing rehabilitation, real property acquisition, new housing construction, and conversion of existing structures into housing units.

“*Low- and moderate-income families (LMI)*” means those families earning no more than 80 percent of the median family income of the county as determined by the latest United States Department of Housing and Urban Development, Section 8 income guidelines. This includes single-person households.

“*Tax increment financing district*” means an area in an urban renewal area that the municipality has established by ordinance in an urban renewal area established solely upon findings under Iowa Code section 403.2(3) and has designated by ordinance that taxes levied on taxable property in that area each year by or for the benefit of the state, city, county, school district or other taxing district shall be divided as provided for in Iowa Code section 403.19.

“*TIF-generated financial support*” means the portion of the cost of a housing project which is financed from TIF revenues.

**261—26.3(403) Requirements for benefit to low- and moderate-income families.** A municipality is required to ensure that a TIF-supported housing project will provide for housing assistance for low- and moderate-income families. Absent a variance, the amount of assistance to be provided is as follows:

**26.3(1)** In municipalities with a population over 15,000, the amount to be provided for low- and moderate-income family housing by TIF-supported housing projects shall be either equal to or greater than the percentage of low- and moderate-income residents in the county in which the urban renewal area is located times the TIF-generated financial support for the housing project within the urban renewal area. However, the amount of benefit shall not be less than an amount equal to 10 percent of the TIF-generated financial support.

**26.3(2)** In municipalities with a population of 15,000 or less, the amount to be provided for low- and moderate-income family housing shall be the same as for municipalities in subrule 26.3(1) except that municipalities of 15,000 or less shall not be subject to the minimum low- and moderate-income benefit level of 10 percent of the original project cost.

**26.3(3)** The percentage of low- and moderate-income persons in a county is provided by the U.S. Department of Housing and Urban Development using the most currently available U.S. Census information.

**261—26.4(403) Ability to request a variance.** A municipality may request a variance in the low- and moderate-income benefit required (excluding the 10 percent minimum established in subrule 26.3(1)) from the department of economic development when the required low- and moderate-income benefit will make the TIF-supported housing project financially infeasible. The municipality must prepare a

plan for the provision of assistance to low- and moderate-income families that provides the proposed alternate level of low- and moderate-income benefit. The plan shall be adopted by the municipality and approved by the department.

**261—26.5(403) Variance request procedure.**

**26.5(1)** A municipality may request a variance at any time.

**26.5(2)** Requests for a variance shall be submitted on forms prescribed by the department. Requests for the necessary forms may be submitted in writing to: Bureau of Community Financing, Iowa Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309. Information and forms may be received by calling the department at (515)242-4825.

**26.5(3)** Department staff will review requests for variance on a case-by-case basis.

**26.5(4)** Each request will be reviewed according to the criteria listed in rule 261—26.6(403).

**26.5(5)** The department may modify the request in order to maximize the level of benefit to low-and moderate-income families, while preserving the financial feasibility of the TIF-supported housing project.

**26.5(6)** The department will issue a decision in a letter to the applicant. If the request is approved, the letter will provide the level of the variance and the conditions for compliance with the variance. If the request is denied, the letter will state reasons for the denial.

**26.5(7)** All requests for variances and related DED file material are available for public inspection. Names of applicants will also be provided to the public upon request.

**261—26.6(403) Criteria for review.** A municipality must submit the following information and other information as may be required on forms developed by the department:

1. Narrative. A description of the project and explanation of the need for the variance on low-and moderate-income benefit percentage.
2. Total tax levy applied to TIF area, minus debt service levies.
3. Current tax rollback percentage.
4. Total project development cost.
5. Number of lots to be sold.
6. Projected average home value within the housing project area.
7. Value of unimproved lots.
8. Proposed debt structure, including interest rate, term of debt, transaction costs, repayment terms.
9. Projected revenue from a project by year, including amount from tax increment, sale of lots, development fees and other sources.
10. Projected sale of lots by year.
11. Projected number of homes completed by year.
12. Use of five-year extension, if available.
13. Comments solicited or received from parties affected by the variance.
14. Proposed amount of funds and activities to benefit housing needs of LMI persons.

These rules are intended to implement Iowa Code section 403.22.

“*Actively promote*” or “*active promotion*” means to regularly undertake specific identifiable actions that encourage greater participation in an activity or that make an activity more visible and accessible. Active promotion includes the planning, organizing, advertising, marketing, managing, hosting, and sponsoring of a nonprofessional sporting event.

“*Convention and visitors bureau*” or “*CVB*” means an organization engaged primarily in the marketing and promotion of a local community or communities to businesses and to leisure travelers interested in the area’s facilities. Such organizations are typically engaged in a wide range of activities including but not limited to assisting businesses and leisure travelers in identifying meeting locations and convention sites; providing maps and other travel information; providing information on local attractions, lodging, and restaurants; and organizing tours of local historical, recreational, and cultural attractions.

“*District*” means a regional sports authority district certified by the authority pursuant to this chapter.

**261—38.2(15E) Program description.**

**38.2(1)** Each fiscal year in which funding is available, the authority will certify up to ten districts. The authority will certify the districts on a competitive basis. Certification will be based on the criteria described in subrule 38.4(1), and the authority will certify districts in a manner designed to prioritize those events that provide the greatest total benefit to the state as a whole.

**38.2(2)** The authority will award an equal amount of grant funds to each certified district. Funds will be awarded as reimbursement for expenditures that are directly related to the active promotion of one or more nonprofessional sporting events.

**38.2(3)** A district certified in one fiscal year retains its certification only for the duration of that fiscal year and must reapply for certification in each subsequent fiscal year.

**38.2(4)** The certification of districts and the awarding of grant funds are contingent upon the appropriation by the general assembly of moneys for such purposes.

[ARC 0440C, IAB 11/14/12, effective 12/19/12]

**261—38.3(15E) Program eligibility and application requirements.**

**38.3(1) Eligibility.** To be eligible under the program, an applicant shall meet all of the following requirements:

- a. The applicant shall propose to operate a regional sports authority district that is governed by a board.
- b. The board shall consist of seven members named by the applicant, of whom at least three members shall be city council members of any cities located in the proposed district.
- c. The board shall propose, and be responsible for overseeing, a program of activities designed to foster the active promotion of one or more nonprofessional sporting events in the district during the fiscal year for which the applicant is applying for funding.
- d. The applicant shall demonstrate an amount of local match equal to at least 50 percent of the amount of grant funds to be received by the applicant under the program. The local match shall be in the form of cash.
- e. The applicant shall submit a completed application including all of the information described in subrule 38.3(2).
- f. The applicant shall submit the application on or before the application deadline established in subrule 38.3(3).

**38.3(2) Application requirements.** When submitting an application for grant funds under the program, an applicant shall include all of the following information:

- a. The applicant's name, mailing address, email address, telephone number, contact person, and federal employer identification number.
- b. A detailed description of the nonprofessional sporting events the applicant intends to actively promote using funds received under the program.
- c. The date each proposed nonprofessional sporting event will be held and the location at which the event will be held.
- d. Written documentation establishing the amount and source of the required local cash match.
- e. Names and contact information of the board and an indication as to which of the board members are city council members as required under this rule.
- f. Detailed information and projections sufficient to enable the authority to accurately assess the economic impact of the nonprofessional sporting events described in the application. Such information shall include the estimated number of participants and the estimated number of spectators expected to attend the event. If the applicant has previously held substantially similar events, the information shall include actual attendance figures from past events.

**38.3(3) Deadlines.** The authority will only consider applications received on or before the applicable deadline. The deadline shall be 4:30 p.m. on September 1 of each fiscal year unless the authority, at its sole discretion, provides a different deadline for the submission of applications. The authority may provide a different deadline for the program as a whole, but the authority will not change the deadline at the request of any individual applicant. The authority will develop an application process and post all relevant application information, including deadline changes, on its Internet site at [www.traveliowa.com](http://www.traveliowa.com). [ARC 0440C, IAB 11/14/12, effective 12/19/12; ARC 4509C, IAB 6/19/19, effective 7/24/19]

## **261—38.4(15E) Application scoring and certification of districts.**

**38.4(1) Scoring criteria.** The authority will not review or score an application unless it meets the requirements and deadlines of rule 261—38.3(15E). An application that meets the requirements and deadlines of rule 261—38.3(15E) will be given a numerical score between 0 and 100. The higher an application's numerical score, the more likely it will receive funding under the program. The criteria used to score the applications and the maximum number of points that may be attributed to each criterion are as follows:

- a. Economic impact: 30 points. The authority will consider the amount of economic impact represented by the proposed nonprofessional sporting events and will view favorably events that have a greater economic impact. Economic impact will be determined by using the following calculation: Applicants will estimate the number of hotel room nights generated by each proposed nonprofessional sporting event and multiply the number of estimated hotel room nights by the average daily room rate for Iowa hotels. The average daily room rate will be provided by the Iowa tourism office based on information obtained from a hotel market data service. Intentionally inflated estimates of attendance or

a history of providing inaccurate estimates will negatively affect the scoring of an application and may result in noncertification of a district.

*b.* Leveraged funds ratio: 20 points. The authority will consider the proportion of state funds to total funds in the application and will view favorably a greater rate of financial participation from entities other than the state of Iowa.

*c.* Novelty and quality: 20 points. The authority will consider the novelty and quality of an event and will view favorably nonprofessional sporting events that are new to Iowa or that have been recently improved, enhanced, or enlarged.

*d.* Event size and scope: 15 points. The authority will consider the size of an event and will view favorably a project with a larger total budget.

*e.* Need: 10 points. The authority will consider the financial need of an applicant and will recognize the importance of funding events that would not take place without assistance under the program. The authority will also recognize the importance of funding nonprofessional sporting events that have never before been funded under the program or under another state program.

*f.* Geographic diversity: 5 points. The authority will consider the geographic diversity represented by the pool of applicants.

**38.4(2) Certification process.** The authority will certify not more than ten districts each fiscal year in which funding is available for the program. The director of the authority will establish a regional sports authority district review committee within the authority consisting of authority staff. The committee will score all completed applications according to the criteria described in subrule 38.4(1). The authority may certify fewer than ten districts in a fiscal year if fewer than ten completed applications are timely received or if fewer than ten completed applications meet the minimum threshold for certification. The minimum threshold for certification is the accumulation of 50 or more points out of 100 total points on the scoring criteria described in subrule 38.4(1). If, after all of the completed applications have been initially scored, fewer than ten districts would be certified, the authority may allow one or more additional rounds of applications to be submitted and scored. For each additional round of applications, the authority will follow the same eligibility requirements and use the same scoring criteria as used in earlier rounds. The authority may accept as many rounds of applications for certification as it deems appropriate. After the conclusion of all application rounds, the authority will award grant funds to each of the certified districts in equal amounts.

**38.4(3) Reallocation of award amounts.** If a certified district fails to hold a nonprofessional sporting event described in the application, then that district may reallocate the proposed expenses allocated for that event to another event provided such other event is also included on the application. If there are no other events included on the application to which the proposed expenses may be allocated, then the district shall forfeit the amount of proposed expenses and the authority may award that amount to other applicants or districts. The authority may rescore the application of any applicant seeking to reallocate award amounts, and if the failure to hold a nonprofessional sporting event as described in the initially scored application would cause a material change in the application's overall quality in relation to other applications, the authority may allow an additional round of applications as described in subrule 38.4(2). No applicant may reallocate award amounts, even after a rescoring, without executing a contract amendment as described in rule 261—38.5(15E).

[ARC 0440C, IAB 11/14/12, effective 12/19/12; ARC 4509C, IAB 6/19/19, effective 7/24/19]

### **261—38.5(15E) Contract administration.**

**38.5(1) Notice of approval.** The authority will notify successful applicants in writing of approved requests for certification. Such a notification may include the terms or conditions under which approval is granted.

**38.5(2) Contract required.** Each successful applicant shall enter into a contract with the authority. The contract will describe the nonprofessional sporting events that the applicant will actively promote as part of the certified district and will include the terms and conditions under which the grant funds will be disbursed. The contract will also include the terms and conditions under which grant funds must be repaid or penalties incurred in the event the district does not fulfill all obligations under the contract.

**38.5(3) *Contract amendments.*** All requests by a district for an amendment to the contract will require the approval of the director of the authority. The director will review each such request and approve or deny it. If a request is approved, the district and the director will execute a written amendment to the contract. Only a written amendment duly executed by both parties to the contract will be valid and binding.

**38.5(4) *Reports required.*** Each certified district shall submit a written report to the authority within 90 days of the end of the performance period specified in the contract.

**38.5(5) *Record keeping.*** Each certified district shall maintain all records necessary for the verification and validation of the proper use of grant funds under the contract and shall submit such records to the authority upon request.

[ARC 0440C, IAB 11/14/12, effective 12/19/12]

## **261—38.6(15E) Expenses, records, and reimbursements.**

**38.6(1) *General.*** Each certified district shall at all times incur expenses and be reimbursed for such expenses by the authority only as described in this chapter or in a contract executed hereunder. The authority may deny reimbursement for any expenditure not directly related to the active promotion of a nonprofessional sporting event.

**38.6(2) *Eligible expenses.*** Only expenditures directly related to the active promotion of a nonprofessional sporting event will be reimbursed under the program. Items that will be considered eligible expenses include but are not limited to bid fees, rights fees, sponsorships, payments to vendors, advertising, marketing, venue rental, equipment rental, promotional materials, production costs, and fees and costs for officiants.

**38.6(3) *Ineligible expenses.*** Expenses that are not directly related to the active promotion of a nonprofessional sporting event are not eligible for reimbursement. Ineligible expenses include but are not limited to travel costs of applicant staff, solicitation efforts, lobbying fees, meals or dining on occasions other than the dates of the nonprofessional sporting events described in the application, items that are purchased for resale, prizes given to participants, and alcoholic beverages.

**38.6(4) *Required records and reimbursements.*** A district shall submit any records requested by the authority as documentation of the expenditures incurred for purposes of the grant funds awarded under the program. Such records may include invoices, original receipts, or check copies. The authority will only accept records submitted in the name of the district that has executed a contract. If a district pays an expense using a credit card, the district shall submit a copy of a check register or bank statement indicating that the credit card invoice was paid. The authority will not reimburse any expenses included on a receipt that includes both eligible expenses and ineligible expenses. The authority will not reimburse expenses included on a nonitemized receipt.

**38.6(5) *Repayments of certain funds.*** If the authority reimburses a district for the cost of a refundable bid fee and the applicant is unsuccessful in the effort to win the right to hold that event, then the district shall return the amount of such reimbursement to the authority.

**38.6(6) *Reallocation of funds.*** If, at the time of a district's final reporting of expenses, the district cannot adequately document eligible expenses or documents an amount that is less than the awarded amount, the authority may award additional funds to other certified districts, open additional rounds of certification, or revert the moneys to the general fund. If the authority awards additional funds to already certified districts, such districts shall submit documentation establishing how such funds will be expended, and the authority will execute contract amendments providing for the expenditure of the additional funds.

**261—40.4(83GA,SF2389) Highest-priority list.** The director shall compile at least annually a highest-priority list of projects proposed for funding and shall publish the highest-priority list on the department's Web site.

**40.4(1) Eligibility.** To be eligible to be included on the highest-priority list, the proposed project must be managed or owned by an eligible applicant, be eligible for main street funding described in 261—Chapter 39, and meet one of the following requirements:

a. The project has previously applied for funding consideration or has received partial funding for façade master plans to rehabilitate storefronts in Iowa main street districts through the department's community development programs;

b. The project is a complete streetscape project for which planning and the majority of funding is already secure;

c. The project is an unfunded project through the main street challenge grant described in 261—Chapter 39; or

- i. The estimated costs of the project are documented and credible.

**40.4(3) Additional information.** The department may request additional information from eligible applicants in developing the highest-priority list. Failure on the part of an eligible applicant to provide additional information to the department in the form and by the date requested may result in an eligible applicant's project not being included in the highest-priority list.

[ARC 8922B, IAB 6/30/10, effective 6/11/10; ARC 9291B, IAB 12/15/10, effective 1/19/11]

For purposes of this rule, the number of jobs created may be calculated by determining which new employment positions created and filled would not have been continued were it not for this program. This would include both permanent and temporary positions filled by the grantee, a contractor or a subcontractor, including construction contractors and their employees. During the construction period, the recognition (including a display of the Iowa jobs logo) may be located on temporary signage. The completed project shall feature a permanent acknowledgment, such as a plaque or similar commemoration. Other benefactors of the project may be similarly acknowledged as well. The department may provide funding to the grantees for these signs using funds appropriated to the department through 2010 Iowa Acts, Senate File 2389, sections 10 and 68.

Reasons for a finding of noncompliance include, but are not limited to, a finding that the grantee is using program funds for unauthorized activities, has failed to complete approved activities in a timely manner, has failed to comply with applicable laws and regulations or the grant agreement, or lacks the capacity to carry out the purposes of the program.

[ARC 8922B, IAB 6/30/10, effective 6/11/10; ARC 9291B, IAB 12/15/10, effective 1/19/11]

**261—42.2(15) Program description.**

**42.2(1)** The authority will accept competitive applications for tourism-related projects in each fiscal year in which funding is available. The authority will award grants to projects based on the criteria described in subrule 42.4(1), and the authority will award grants to projects in a manner designed to prioritize those projects that provide the greatest benefit to state and local economies.

**42.2(2)** The authority will establish a maximum grant award per application and a minimum grant award per application for each fiscal year in which funding is available.

## **261—42.4(15) Application scoring and approval process.**

**42.4(1) Scoring criteria.** The authority will not review or score an application unless the application meets the requirements and deadlines of rule 261—42.3(15). An application meeting the requirements and deadlines of rule 261—42.3(15) will be given a numerical score between zero and 100. The higher an application's numerical score, the more likely it will receive funding under the program. The criteria used to score the applications and the maximum number of points that may be attributed to each criterion are as follows:

*a.* Project description: 20 points. The applicant will explain the project, the time line for its creation and implementation and how state funds will support the project. The authority will view favorably information that clearly articulates the project, sets forth a reasonable time line for the project's creation and implementation, and fully describes how state funds will be used to support the project.

*b.* Economic impact and ability to promote tourism industry growth: 20 points. The authority will consider how the project supports the mission of the Iowa tourism office and is part of the applicant's broader marketing strategy to increase the economic impact of tourism locally and in the state of Iowa.

*c.* Sustainability: 10 points. The authority will view favorably applications that illustrate capacity to implement and sustain the project upon completion.

*d.* Need: 15 points. The authority will consider the financial need of an applicant and will allot more points to applications that demonstrate how the applicant has exhausted other areas of funding to support the project.

*e.* Innovation: 20 points. The authority will consider the innovative quality of an event or marketing initiative and will view favorably new events and new marketing initiatives or those events and marketing initiatives that are enhanced or distinctive in nature.

*f.* Budget: 10 points. The authority will view favorably budgets that are well-developed and relevant to the project and that provide documentation of planned project expenses.

*g.* Collaboration: 5 points. The authority will view favorably applications that either represent a collaboration of multiple entities or show the benefit of the project to multiple entities within the tourism industry, or both.

**42.4(2) Approval process.** The director of the authority will establish a review committee consisting of individuals affiliated with the Iowa tourism industry. The committee will score all completed applications in accordance with the criteria described in rules 261—42.3(15) and 261—42.4(15) and will use those scores to determine successful applicants. The committee may recommend partial funding of any or all applicants. If, after initially scoring all of the completed applications, the review committee is not able to allocate all the funds available, the authority may allow one or more additional rounds of applications to be submitted and scored. If any awards are rejected, the authority may allow one or more additional rounds of applications to be submitted and scored. For each additional round of applications, the authority will follow the same eligibility requirements and use the same scoring criteria as used in earlier rounds. The authority may accept as many rounds of applications for awards as it deems appropriate.

[ARC 1493C, IAB 6/11/14, effective 5/19/14; ARC 3023C, IAB 4/12/17, effective 5/17/17]

#### **261—42.5(15) Contract administration.**

**42.5(1) Notice of approval.** The authority will notify successful applicants in writing of an approved request for funding. Such a notification may include the terms or conditions under which approval is granted.

**42.5(2) Contract required.** Each successful applicant that accepts the recommended award amount shall enter into a contract with the authority. The contract will describe the project that the applicant will institute as described in the application and will include the terms and conditions under which the grant funds will be disbursed. The contract will also include the terms and conditions under which grant funds must be repaid or penalties incurred in the event the grantee does not fulfill all obligations under the contract.

**42.5(3) Contract amendments.** All requests by a grantee for an amendment to the contract will require the approval of the director of the authority. The director will review each such request and approve or deny it. If a request is approved, the grantee and the director will execute a written amendment to the contract. Only a written amendment duly executed by both parties to the contract will be valid and binding.

**42.5(4) Reports required.** Each grantee shall submit a written report to the authority within 60 days of the end of the project completion date, as specified in the contract.

**42.5(5) Record keeping.** Each grantee shall maintain all records necessary for the verification and validation of the proper use of grant funds under the contract and shall submit such records to the authority upon request.

[ARC 1493C, IAB 6/11/14, effective 5/19/14]

#### **261—42.6(15) Expenses, records, and reimbursements.**

**42.6(1) General.** Each grantee shall at all times incur expenses and be reimbursed for such expenses by the authority only as described in this chapter or in a contract executed hereunder. The authority may deny reimbursement for any expenditure not directly related to the implementation of a tourism-related marketing initiative, meeting or event.

**42.6(2) Eligible expenses.** Only expenditures directly related to the implementation of a tourism-related marketing initiative, meeting or event will be reimbursed under the program. Examples of eligible expenses include the following:

a. The costs associated with all phases of the execution of marketing tactics and strategies, including planning and design and production of tools such as advertising, print materials, digital tools and exhibits for consumer-focused tradeshows.

**42.6(3) *Ineligible expenses.*** Expenses that are not directly related to the implementation of a tourism-related marketing initiative, meeting or event will be deemed ineligible. Ineligible expenses include but are not limited to vertical infrastructure; staff salaries and wages; equipment and software; solicitation efforts; lobbying fees; items that are purchased for resale; prizes given to participants or event/festival attendees; alcoholic beverages; internships; all travel, meal and lodging costs of applicant staff or the applicant's contractor; projects that receive funding from the authority's regional sports authority district program; marketing programs already subsidized by the authority including, but not limited to, advertising in the Iowa travel guide or participation in the cooperative partnership program; or a project of an Iowa tourism region.

**42.6(4) *Required records and reimbursements.*** A grantee shall submit any records requested by the authority as documentation of the expenditures incurred for implementation of the project. Such records may include invoices, original receipts, or check copies. If a grantee pays an expense using a credit card, the grantee shall submit a copy of a check register or bank statement indicating that the credit card invoice was paid. The authority will not reimburse expenses included on a nonitemized receipt.

**42.6(5) *Repayments of certain funds.*** If the authority reimburses a grantee for the cost of a refundable bid fee and the grantee is unsuccessful in the effort to win the right to hold that event, then the grantee shall return the amount of such reimbursement to the authority.

**42.6(6) *Reallocation of funds.*** If, at the time of a grantee's final reporting of expenses, the grantee cannot adequately document eligible expenses or documents an amount that is less than the awarded amount, the authority may award additional funds to other grantees, open additional rounds of applications, or revert the moneys to the general fund. If the authority awards additional funds to other grantees, such grantees shall submit documentation establishing how such funds will be expended, and the authority will execute contract amendments providing for the expenditure of the additional funds.

**43.4(1)** The aggregate amount of tax credits authorized for the program shall not exceed a total of \$5 million.

**43.4(2)** The maximum amount of tax credits granted to any one person shall not exceed \$250,000.

**43.4(3)** Ten percent of the aggregate amount of tax credits authorized, or \$500,000, shall be reserved for those donations in amounts of \$30,000 or less. The application shall request information to document that a qualified donation has been made, and any other information required by the authority. Qualifying donors shall be issued a tax credit certificate to be included with the donor’s Iowa tax return.

**43.5(2)** Applications will be accepted and awarded on an ongoing basis.

**43.5(3)** If, before September 1, 2023, the authority receives tax credit applications in excess of \$4.5 million for donations greater than \$30,000, the authority shall establish a waitlist to receive any portion of the reserved tax credits that are not distributed by September 1, 2023. Applications on the waitlist shall be prioritized by the date the authority received the applications. If any portion of the reserved tax credits under subrule 43.4(3) becomes available after September 1, 2023, the authority shall approve the waitlisted applications and issue tax credit certificates in the order they are listed on the waitlist, up to the amount of the remaining reserved tax credits. Placement on a waitlist does not constitute a promise binding the state that persons placed on the waitlist will actually receive a tax credit in a future year. The

availability of a tax credit and approval of a tax credit application in a future year is contingent upon the availability of tax credits in that particular year.

## **261—45.3(15) Program description.**

### **45.3(1) Amount, form, and timing of assistance.**

a. The program provides financial assistance to cities for the redevelopment or remediation of underutilized buildings. The amount of assistance awarded will be determined by the authority based on the total amount of funds available to the authority for the program and based on the project details. Each applicant shall receive no more than one grant per project per fiscal year. The maximum grant amount per applicant per fiscal year shall not exceed \$100,000. If an applicant received a technical assistance grant under paragraph 45.3(2) “b,” the amount of the financial assistance for redevelopment or remediation plus the amount of the technical assistance grant shall not exceed the maximum grant amount of \$100,000.

b. In providing grants under this chapter, the authority shall allocate 40 percent of the moneys available at the beginning of each fiscal year to funding grants to cities with populations of less than 1,500 as shown by the most recent federal census. If at the end of each application period the amount of grants awarded to cities with a population of less than 1,500 is less than the amount allocated to such grants under this rule, the balance may be awarded to any approved applicant, regardless of city population.

### **45.3(2) Application.**

a. *Forms.* All applications and other filings related to the program shall be on such forms and in accordance with such instructions as may be established by the authority. Information about the program, the application, and application instructions may be obtained by contacting the authority or by visiting the authority’s Web site:

Iowa Economic Development Authority  
Community Development Division  
200 East Grand Avenue, Des Moines, Iowa 50309  
(515)725-3000  
<http://iowaeconomicdevelopment.com/>

b. *Preapplication.* An application may not be submitted to the authority until a preapplication has been submitted to the authority and the authority has approved submission of the application. A preapplication may be submitted to the authority at any time. Following the receipt of a preapplication, the authority may offer technical assistance, including technical assistance grants up to \$5,000 per applicant per fiscal year. The purpose of such technical assistance and technical assistance grants shall be to ensure a complete application that is sufficiently detailed to enable the authority to make a determination. The authority reserves the right to deny an application if the applicant’s preapplication was submitted less than 30 days before the announced application period.

*c. Application period.* Each fiscal year during which funding is available, applications for financial assistance other than applications for emergency projects submitted pursuant to paragraph 45.3(2)“e” will only be accepted during the established application period, or periods, as identified by the authority on its Web site. The authority will accept applications year-round for emergency projects submitted pursuant to paragraph 45.3(2)“e.”

*d. Complete application required.* An application shall not be considered submitted for review until the application is completed and all required supporting documentation and information are provided.

*e. Emergency project applications.* Cities that identify projects which present a unique and immediate threat or opportunity may submit an application for funding at any time. For purposes of this subrule, a “unique or immediate threat” includes unforeseen challenges or problems that could result in catastrophic failure of a building’s structural system and overall integrity. A threat includes various acts of nature, such as flood, fire, or storm damage, or sudden and unexpected structural failures, such as partial wall collapse. Deferred maintenance will not be considered an immediate threat. For purposes of this subrule, a “unique or immediate opportunity” means a time-sensitive remediation project that is reasonably expected to result in economic growth. All applications for financial assistance for projects submitted under this subrule must meet all other requirements of this program and shall be scored using the same criteria as the criteria that are applied to applications for financial assistance for projects submitted during the regular application period.

**45.3(3) Approval of assistance.** The authority will review, score, and recommend applications for financial assistance under the program to the director. Authority staff will review applications for financial assistance and score the applications in accordance with subrule 45.4(2). A project that does not receive funding may reapply.

**45.3(4) Agreement required.** The authority shall enter into an agreement with each applicant for the receipt of a grant under this chapter. The agreement must state the terms on which the financial assistance is to be provided. For an applicant to receive grant moneys under this chapter, the agreement must require the applicant to provide resources, including financial or in-kind resources, to the remediation project. The authority may negotiate the terms of the agreement. The applicant shall execute the agreement before funds are disbursed under the program.

**45.3(5) Form of financial assistance.** The authority will provide financial assistance in the form of a grant to the applicant. The amount of the grant and any other terms shall be included in the agreement required pursuant to this chapter.

**45.3(6) Use of funds.**

*a.* An applicant shall use funds only for reimbursement of the costs directly related to the project. The authority may require documentation or other information establishing the actual costs incurred for a project. Failure to use the funds for reimbursement of the costs directly related to a project shall be grounds for default under the agreement required pursuant to this chapter.

*b.* The authority shall coordinate with the applicant to develop a plan for the use of grant moneys that is consistent with the community development, housing, and economic development goals of the city. The terms of the agreement executed pursuant to these rules and the use of grants provided under this program shall be consistent with the plan developed.

[ARC 3384C, IAB 10/11/17, effective 11/15/17]

**261—45.4(15) Program eligibility, application scoring, and funding decisions.**

**45.4(1) Program eligibility.** An applicant must meet the following eligibility criteria to qualify for financial assistance under this program:

*a.* The applicant must be a city. If the project building or buildings are owned by an entity other than the city, the city must provide information to the authority regarding ownership and the relationship between the owner and the city.

*b.* The building or buildings that constitute the project must meet the definition of “underutilized building” as determined by the authority.

*c.* The building or buildings that constitute the project must meet the definition of “community catalyst.” The authority shall determine whether the building or buildings meet the definition of “community catalyst” set out in rule 261—45.2(15).

*d.* The project must include financial or in-kind resources contributed by the city.

*e.* The applicant must complete the application and provide all other information and documents reasonably required by the authority.

**45.4(2) *Application scoring criteria.*** All completed applications will be reviewed and scored. In order for an applicant to be considered for funding, the application must meet or exceed a minimum score established by the authority. Each application will be scored using criteria set forth by the authority, which may include the following:

*a.* Economic impact of remediation project. The authority will take into account the potential economic growth and investment that is reasonably expected to occur as a result of the project. The applicant must provide information demonstrating that the expected economic impact of the project is reasonable based on existing factors.

*b.* Local government support. The level and amount of local government support, including financial support, will be considered for each applicant.

*c.* Readiness. The authority will assess whether the project is well-prepared and ready to begin within a reasonable amount of time.

*d.* Project plan and time line. The authority will assess whether the applicant has prepared a detailed project plan and time line for the execution of the project.

*e.* Project financing. The authority will assess whether the applicant has secured financing and is financially prepared to complete the project.

**45.4(3) *Funding decisions.*** Funding decisions will be made using the following process:

*a.* Staff review. Each application will be reviewed and scored by staff using the eligibility and scoring criteria under this rule. The scores assigned by all participating staff will be added together and divided by the number of participating staff to determine an average numerical score. The application and the average numerical score will be referred to the director with a recommendation as to whether to fund the project and, if funding is recommended, a recommendation as to the amount of the grant.

*b.* Director’s decision. The director will make the final funding decision on each application, taking into consideration the amount of available funding, the average numerical score of the application, and the recommendations made by community development division staff. The director may approve, deny, or defer funding for any application.

*c.* Minimum score required. In order to receive financial assistance under this program, the application must receive an average minimum score established by the authority. A score exceeding the minimum does not guarantee that the applicant will receive funding.

*d.* Notification. Each applicant will be notified in writing of the funding decision within 60 days of receipt by the authority of a complete application unless extenuating circumstances exist.

[ARC 3384C, IAB 10/11/17, effective 11/15/17]

### **261—45.5(15) Agreement required.**

**45.5(1)** Each applicant that is approved for financial assistance under the program shall enter into an agreement with the authority for the provision of such financial assistance. The agreement will establish the terms on which the financial assistance is to be provided and may include any other terms reasonably necessary for the efficient administration of the program.

**45.5(2)** The authority and the applicant may amend the agreement at any time upon the mutual agreement of both the authority and the applicant.

**45.5(3)** The agreement may require an applicant that has been approved for financial assistance under the program to submit information reasonably required by the authority to make reports to the authority’s board, the governor’s office, or the general assembly.

[ARC 3384C, IAB 10/11/17, effective 11/15/17]

[ARC 1801C, IAB 12/24/14, effective 1/28/15; ARC 6467C, IAB 8/24/22, effective 9/28/22]

**261—48.2(15) Definitions.** As used in this chapter, unless the context otherwise requires:

“*Authority*” means the economic development authority created in Iowa Code section 15.105.

“*Average dwelling unit cost*” means the costs directly related to the housing project divided by the total number of dwelling units in the housing project.

“*Board*” means the members of the economic development authority appointed by the governor and in whom the powers of the authority are vested pursuant to Iowa Code section 15.105.

“*Brownfield site*” means an abandoned, idled, or underutilized property where expansion or redevelopment is complicated by real or perceived environmental contamination. A brownfield site includes property contiguous with the site on which the property is located. A brownfield site does not include property which has been placed, or is proposed for placement, on the national priorities list established pursuant to the federal Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §9601 et seq. In order to administer similar programs in a similar manner, the authority will attempt to apply this definition in substantially the same way as similar definitions are applied by the brownfield advisory council established in Iowa Code section 15.294 and may consult members of the council or other staff as necessary.

“*Community*” means a city or county.

“*Costs directly related*” means expenditures that are incurred for construction of a housing project to the extent that they are attributable directly to the improvement of the property or its structures. “Costs directly related” includes expenditures for site preparation work, surveying, construction materials, construction labor, architectural services, and engineering services. “Costs directly related” does not include expenditures for property acquisition, building permits, building inspection fees, furnishings, appliances, accounting services, legal services, loan origination and other financing costs including interest on construction loans, syndication fees and related costs, developer fees, or the costs associated with selling or renting the dwelling units whether incurred before or after completion of the housing project.

“*Disaster recovery housing project*” means a qualified housing project located in a county that has been declared a major disaster by the President of the United States on or after March 12, 2019, and that is also a county in which individuals are eligible for federal individual assistance.

“*Grayfield site*” means a property meeting all of the following requirements:

(1) The property has been developed and has infrastructure in place but the property’s current use is outdated or prevents a better or more efficient use of the property. Such property includes vacant, blighted, obsolete, or otherwise underutilized property.

(2) The property’s improvements and infrastructure are at least 25 years old and one or more of the following conditions exists:

1. Thirty percent or more of a building located on the property that is available for occupancy has been vacant or unoccupied for a period of 12 months or more.
2. The assessed value of the improvements on the property has decreased by 25 percent or more.
3. The property is currently being used as a parking lot.
4. The improvements on the property no longer exist.

In administering the program, the authority will attempt to apply this definition in substantially the same manner as similar definitions are applied by the brownfield advisory council established in Iowa Code section 15.294.

“*Greenfield site*” means a site that does not meet the definition of a brownfield site or grayfield site. A project proposed at a site located on previously undeveloped or agricultural land shall be presumed to be a greenfield site.

“*Housing business*” means a business that is a housing developer, housing contractor, or nonprofit organization that completes a housing project in the state.

“*Housing project*” means a project located in this state meeting the requirements of rule 261—48.4(15).

“*Laborshed area*” means the same as defined in 261—Chapter 173.

“*Laborshed wage*” means the same as defined in 261—Chapter 173.

“*Multi-use building*” means a building whose street-level ground story is used for a purpose that is other than residential, and whose upper story or stories are currently used primarily for a residential purpose, or will be used primarily for a residential purpose after completion of the housing project associated with the building.

“*New dwelling units*” means dwelling units that are made available for occupancy in a community as a result of a housing project and that were not available for occupancy as residential housing in the community for a period of at least six months prior to the date on which application is made to the authority under the program. If a dwelling unit has served as residential housing and been occupied during the six months preceding the date on which application is made to the authority under the program, then the dwelling unit shall be presumed not to be a new dwelling unit.

“*Program*” means the workforce housing tax incentives program administered under this chapter.

“*Project completion*” means the same as defined in Iowa Code section 15.355(2).

“*Qualifying new investment*” means costs that are directly related to the acquisition, repair, rehabilitation, or redevelopment of a housing project in this state. For purposes of this rule, “costs directly related to acquisition” includes the costs associated with the purchase of real property or other structures.

(1) The amount of costs that may be used to compute “qualifying new investment” shall not exceed the costs used for the first \$150,000 of value for each dwelling unit that is part of a housing project.

(2) “Qualifying new investment” does not include the following:

1. The portion of the total cost of a housing project that is financed by federal, state, or local government tax credits, grants, forgivable loans, or other forms of financial assistance that do not require repayment, excluding the tax incentives provided under this program.

2. If a housing project includes the rehabilitation, repair, or redevelopment of an existing multi-use building, the portion of the total acquisition costs of the multi-use building, including a proportionate share of the total acquisition costs of the land upon which the multi-use building is situated, that are attributable to the street-level ground story that is used for a purpose that is other than residential.

3. Any costs, including acquisition costs, incurred before the housing project is approved by the authority.

“*Refund notice*” means a notice provided by the authority of the amount that an eligible housing business may claim as a refund of the sales and use tax under Iowa Code section 15.355(2).

“*Rehabilitation, repair, or redevelopment*” means construction or development activities associated with a housing project that are undertaken for the purpose of reusing or repurposing existing buildings or structures as new dwelling units. Rehabilitation, repair, or redevelopment does not include new construction of dwelling units at a greenfield site. Rehabilitation, repair, or redevelopment includes new structures at a qualified grayfield site.

“*Small city*” means a city that meets the applicable criteria in rule 261—48.3(15).

“*Tax credit certificate*” means a certificate issued by the authority stating the amount of workforce housing investment tax credits under Iowa Code section 15.355(3) that an eligible housing business may claim.

“*Urban area*” means any city or township, except for a small city, that is wholly located within one or more of the 11 most populous counties in the state, as determined by either the most recent population

estimate produced by the United States Bureau of the Census or the most recent decennial census released by the United States Bureau of the Census.

## **261—48.5(15) Housing project application and agreement.**

### **48.5(1) Application.**

*a.* A housing business seeking workforce housing tax incentives provided in rule 261—48.6(15) shall make application to the authority in the manner prescribed in this rule.

*b.* The application required in paragraph 48.5(1) "a" shall include all of the following:

(1) The following information establishing local participation for the housing project:

1. A resolution in support of the housing project by the community where the housing project will be located.

2. Documentation of local matching funds pledged for the housing project in an amount equal to at least \$1,000 per dwelling unit, including but not limited to a funding agreement between the housing business and the community where the housing project will be located. For purposes of this paragraph, local matching funds shall be in the form of cash or cash equivalents or in the form of a local property tax exemption, rebate, refund, or reimbursement.

(2) A report that meets the requirements and conditions of Iowa Code section 15.330(9) if required.

(3) Information showing the total costs and funding sources of the housing project sufficient to allow the authority to adequately determine the financing that will be utilized for the housing project, the actual cost of the dwelling units, and the amount of qualifying new investment.

(4) Any other information deemed necessary by the authority to evaluate the eligibility and financial need of the housing project under the program.

### **48.5(2) Application review—tax incentive award.**

*a.* All completed applications shall be reviewed and scored on a competitive basis by the authority pursuant to these rules. Review criteria include but are not limited to project need, project readiness, financial capacity, and project impact.

*b.* Upon review and scoring of all applications received during an application period, the authority may make a tax incentive award to a housing project. The tax incentive award shall represent the maximum amount of tax incentives the housing project may qualify for under the program. In

determining a tax incentive award, the authority shall not use an amount of project costs that exceeds the amount included in the application from the housing business. Tax incentive awards shall be approved by the director of the authority.

c. After making a tax incentive award, the authority shall notify the housing business of its tax incentive award. The notification shall include the amount of tax incentives under rule 261—48.6(15) for which the housing business has received an award and a statement that the housing business has no right to receive a tax incentive certificate or claim a tax incentive until all requirements of the program, including all requirements imposed by the agreement entered into pursuant to paragraph 48.5(3) “a,” are satisfied. The amount of tax credits included on a tax credit certificate issued pursuant to this chapter, or a claim for refund of sales and use taxes, shall be contingent upon completion of the requirements in subrule 48.5(3).

d. An applicant that does not receive a tax incentive award during an application period may make additional applications during subsequent application periods. Such applicant shall be required to submit a new application, which shall be competitively reviewed and scored in the same manner as other applications in that application period.

**48.5(3) Agreement and fees.**

a. Upon receiving a tax incentive award for a housing project, the housing business shall enter into an agreement with the authority for the successful completion of all requirements of the program. The agreement shall identify the tax incentive amount, the tax incentive award date, the project completion deadline and the total costs of the housing project.

b. The compliance cost fees imposed in Iowa Code section 15.330(12) shall apply to all agreements entered into under this program and shall be collected by the authority in the same manner and to the same extent as described in that provision.

c. Housing project completion deadline.

(1) Except as provided in subparagraph 48.5(3) “c”(2), a housing business shall complete its housing project within three years from the date the housing project is registered by the authority.

(2) The authority may for good cause within the discretion of the authority extend a housing project’s completion deadline by up to 12 months upon application by the housing business, which application shall be made prior to the expiration of the three-year completion deadline in subparagraph 48.5(3) “c”(1) in the manner and form prescribed by the authority. The authority may approve a second extension of up to 12 months if prior to the expiration of the first 12-month extension the housing business applies and substantiates to the satisfaction of the authority that the second extension is warranted due to extenuating circumstances outside the control of the housing business. An application by a housing business shall be made in the manner and form prescribed by the authority.

d. Upon completion of a housing project, a housing business shall submit all of the following to the authority:

(1) An examination of the project in accordance with the American Institute of Certified Public Accountants’ statements on standards for attestation engagements, completed by a certified public accountant (CPA) authorized to practice in this state. The attestation applicable to this examination is SSAE No. 10 (as amended by SSAE Nos. 11, 12, 14), AT section 101 and AT section 601. The procedures used by the CPA to conduct the examination should allow the CPA to conclude that, in the CPA’s professional judgment, the expenditures claimed are eligible pursuant to the agreement; Iowa Code chapter 15, subchapter II, part 17; and all rules adopted pursuant to Iowa Code chapter 15, subchapter II, part 17, in all material respects. Within ten business days of a request by the authority, the housing business shall make available to the authority the documents reviewed by the CPA unless good cause is shown.

(2) A statement of the final amount of qualifying new investment for the housing project.

(3) Any information the authority deems necessary to ensure compliance with the agreement signed by the housing business pursuant to paragraph 48.5(3) “a”; the requirements of Iowa Code chapter 15, subchapter II, part 17; and these rules and rules adopted by the department of revenue pursuant to Iowa Code section 15.356.

*e.* Upon review of the examination, verification of the amount of the qualifying new investment, and review of any other information submitted pursuant to subparagraph 48.5(3) “*d*”(3), the authority may notify the housing business of the amount that the housing business may claim as a refund of the sales and use taxes under subrule 48.6(2) and may issue a tax credit certificate to the housing business stating the amount of workforce housing investment tax credits under rule 261—48.6(15) that the eligible housing business may claim. The sum of the amount that the housing business may claim as a refund of the sales and use tax and the amount of the tax credit certificate shall not exceed the amount of the tax incentive award.

*f.* If, upon review of the examination in paragraph 48.5(3) “*d*,” the authority determines that a housing project has incurred project costs in excess of the amount submitted in the application and identified in the agreement, the authority shall do one of the following for projects that received a refund notice or tax credit certificate on or after July 1, 2021:

(1) If the project costs do not cause the housing project’s average dwelling unit cost to exceed the applicable maximum amount authorized in rule 261—48.4(15), the authority may consider the agreement fulfilled and may issue a tax credit certificate.

(2) If the project costs cause the housing project’s average dwelling cost to exceed the applicable maximum amount authorized in rule 261—48.4(15) but do not cause the average dwelling unit cost to exceed 150 percent of such applicable amount, the authority shall reduce the tax incentive award and the corresponding amount of tax incentives the eligible project may claim under rule 261—48.6(15) by the same percentage that the housing project’s average dwelling cost exceeds the applicable maximum amount under rule 261—48.4(15), and such tax incentive reduction shall be reflected on the tax credit certificate. If the authority issues a certificate pursuant to this subrule, the department of revenue shall accept the certificate notwithstanding that the housing project’s average dwelling unit cost exceeds the maximum amount specified in rule 261—48.4(15).

(3) If the project costs cause the housing project’s average dwelling unit cost to exceed 150 percent of the applicable maximum amount authorized in rule 261—48.4(15), the authority shall determine the eligible housing business to be in default under the agreement, shall revoke the tax incentive award and shall not issue a tax credit certificate. The housing business shall not be allowed a refund of sales and use tax under rule 261—48.6(15).

**48.5(4) *Maximum incentives amount.***

*a.* The maximum aggregate amount of tax incentives that may be awarded under rule 261—48.6(15) to a housing business for a housing project shall not exceed \$1 million.

*b.* If a housing business qualifies for a higher amount of tax incentives under rule 261—48.6(15) than is allowed by the limitation imposed in paragraph 48.5(4) “*a*,” the authority and the housing business may negotiate an apportionment of the reduction in tax incentives between the sales tax refund provided in subrule 48.6(2) and the workforce housing investment tax credits provided in subrule 48.6(3) provided the total aggregate amount of tax incentives after the apportioned reduction does not exceed the amount in paragraph 48.5(4) “*a*.”

*c.* The authority shall issue tax incentives under the program on a first-come, first-served basis until the maximum amount of tax incentives allocated pursuant to Iowa Code section 15.119(2) is reached. The authority shall maintain a list of registered housing projects under the program so that if the maximum aggregate amount of tax incentives is reached in a given fiscal year, registered housing projects that were completed but for which tax incentives were not issued shall be placed on a wait list in the order the registered housing projects were registered and shall be given priority for receiving tax incentives in succeeding fiscal years.

**48.5(5) *Termination and repayment.*** The failure by a housing business in completing a housing project to comply with any requirement of this program or any of the terms and obligations of an agreement entered into pursuant to this rule may result in the reduction, termination, or rescission of the approved tax incentives and may subject the housing business to the repayment or recapture of tax

incentives claimed under rule 261—48.6(15). The repayment or recapture of tax incentives pursuant to this rule shall be accomplished in the same manner as provided in Iowa Code section 15.330(2).

**48.6(2) Sales tax refunds.** A housing business may claim a refund of the sales and use taxes paid under Iowa Code chapter 423 that are directly related to a housing project and specified in the agreement. The refund available pursuant to this subrule shall be as provided in Iowa Code section 15.331A to the extent applicable for purposes of this program.

##### **48.6(3) Income tax credits.**

*a.* A housing business may claim a tax credit in an amount not to exceed the following:

(1) For a housing project not located in a small city, 10 percent of the qualifying new investment of a housing project specified in the agreement.

(2) For a housing project located in a small city, 20 percent of the qualifying new investment of a housing project specified in the agreement.

*b.* The tax credit shall be allowed against the taxes imposed in Iowa Code chapter 422, subchapters II, III, and V, and in Iowa Code chapter 432, and against the moneys and credits tax imposed in Iowa Code section 533.329.

*c.* To claim a tax credit under this subrule, a taxpayer shall file a claim with the department of revenue pursuant to the department's applicable rules.

*d.* Tax credit certificates issued under an agreement entered into pursuant to subrule 48.5(3) may be transferred to any person pursuant to the department's applicable rules. However, tax credit certificate amounts of less than \$1,000 shall not be transferable.

a. A housing business seeking disaster recovery housing tax incentives pursuant to rule 261—48.11(15) shall make application to the authority in the manner prescribed in this rule. The authority may establish a disaster recovery application period following the declaration of a major disaster by the President of the United States for a county in Iowa. (2) A report that meets the requirements and conditions of Iowa Code section 15.330(9).

(4) A certification that the applicant's housing project is located in a county that has been declared a major disaster by the President of the United States on or after March 12, 2019, and is also located in a county in which individuals are eligible for federal individual assistance.

In determining a tax incentive award, the authority shall not use an amount of project costs that exceeds the amount included in the application of the housing business. Tax incentive awards shall be approved by the director of the authority.

The procedures used by the CPA to conduct the examination should allow the CPA to conclude that, in the CPA's professional judgment, the expenditures claimed are eligible pursuant to the agreement; Iowa Code chapter 15, subchapter II, part 17; and all rules adopted pursuant to Iowa Code chapter 15, subchapter II, part 17, in all material respects. Within ten business days of a request by the authority, the housing business shall make available to the authority the documents reviewed by the CPA unless good cause is shown.

If there are no more projects that meet the minimum score as described in rule 261—49.11(404A), the authority may make the remaining tax credits available for small projects or allow the remaining tax credits for the fiscal year to carry forward to the succeeding fiscal year to the extent permitted by Iowa Code section 404A.4.

**49.6(2) *Registrations for future tax credit allocations.*** Registrations for future tax credit allocations require a new Part 2B application. When registering projects for a particular fiscal year, the authority shall not award, reserve, or register tax credits from future fiscal years’ tax credit allocations. An applicant whose project is not registered due to an insufficient score or noncompliance with the application or the program statute or rules may submit future applications for future fiscal year tax credit allocations.

**49.6(3) *Reallocation or rollover of available tax credit awards.*** Tax credits may be reallocated or rolled over into future fiscal years to the extent permitted by Iowa Code section 404A.4.

### **261—49.7(404A) Applications.**

**49.7(1)** All applications and other filings related to the program shall be on such forms and in accordance with such instructions as may be established by SHPO and the authority. [ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.8(404A) Small projects.** If an applicant anticipates that the final qualified rehabilitation expenditures will exceed \$750,000, the applicant shall not submit its application as a small project. The authority will not permit a small project applicant to submit additional or amended applications that would cause the final qualified expenditures to exceed \$750,000.

**49.8(1) *Small project fund.*** The authority shall allocate at least 5 percent of its annual fiscal year tax credit award limit to small projects.

**49.8(2) *Aggregate award limit.*** For applicants that receive credits from the small project allocation, the cumulative total award for multiple applications for a single property shall not exceed \$750,000 in qualified rehabilitation expenditures plus any allowable cost overruns as described in paragraph 49.12(1)“c,” regardless of the final qualified rehabilitation expenditures. The authority will not accept an application by the same owner for a property for which credits were previously received through the small project fund if the application causes the cumulative total to exceed \$750,000, plus any allowable cost overruns as described in paragraph 49.12(1)“c.”

**49.8(3) *Small project Part 2B applications.*** Small project application forms may be obtained by visiting the authority’s website. Small project Part 2B applications may be accepted on a continuous basis or may be accepted during one or more application periods. Small project Part 2B applications may be evaluated on a first-come, first-served basis, subject to the availability of tax credits.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.9(404A) Who may apply for the tax credit.** Only an eligible taxpayer as defined in rule 261—49.3(404A) may apply for the tax credit. A nonprofit organization as defined in rule 261—49.3(404A) may apply for the tax credit if the nonprofit organization is the fee simple owner of the property.

**49.9(1) *Preliminary documentation.*** At the time a Part 1 application or Part 2 application is submitted, an applicant will be expected to provide preliminary documentation of the applicant’s status as an eligible taxpayer.

*a.* An applicant that is the fee simple owner shall provide title documentation. If the title is held in the name of an entity, the applicant shall also provide documentation that indicates that the signatory is the authorized representative of the entity.

*b.* An applicant that is not the fee simple owner but plans to apply for the federal rehabilitation credit shall provide a copy of the approved federal Part 1 application, unless the property is individually listed on the National Register of Historic Places. The applicant must also certify that the applicant plans to apply and expects to qualify for the federal credit. The applicant must obtain from the fee simple owner of the property a written statement that indicates that the owner is aware of the application and has no objection and include the statement with the application.

**49.9(2) *Final documentation.*** At the time an eligible taxpayer enters an agreement with the authority pursuant to rule 261—49.12(404A), the eligible taxpayer must provide documentation that the eligible taxpayer is a fee simple owner or has a binding qualified long-term lease that meets the requirements of the federal rehabilitation credit.

**49.9(3) *Who may not apply.*** Governmental bodies as defined in Iowa Code section 362.2 may not apply.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.10(404A) Part 1 and Part 2 applications.** An eligible taxpayer shall submit preliminary applications to SHPO to evaluate, in consultation with the authority, whether the property is historically significant (Part 1) and whether the proposed rehabilitation work meets the federal standards (Part 2). Part 1 and Part 2 applications will be submitted and evaluated in accordance with the SHPO's rules in 223—Chapter 48. The authority will evaluate Part 1 and Part 2 applications to ensure applicants are eligible taxpayers. An applicant must submit a Part 1 application prior to the project being completed and placed in service.

[ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.11(404A) Part 2B application.** If SHPO has approved Part 1 and Part 2 applications for a project, the applicant may submit a Part 2B application to the authority during the registration application period as announced on the authority's website.

**49.11(1) *Proof of status as eligible taxpayer.*** An eligible taxpayer as defined in rule 261—49.3(404A) may submit a Part 2B application.

*a.* An applicant that is the fee simple owner must notify the authority of any changes in ownership status since the Part 2 application was filed.

*b.* If the applicant is not the fee simple owner but plans to apply for the federal rehabilitation credit, the applicant's application will be scored based on the steps taken toward ownership as described in subrule 49.11(6). The applicant must certify that the applicant understands that the applicant will not qualify for any state historic tax credit if the applicant is not the fee simple owner or not otherwise an eligible taxpayer. The applicant must also provide a written statement that indicates that the owner is aware of the application and has no objection.

**49.11(2) *Submission period.*** The authority may accept Part 2B applications on a continuous basis or may accept applications during one or more application periods.

**49.11(3) *Required information.*** The Part 2B application must include the following information as well as any additional information the authority may request: total project cost, an estimated schedule of qualified rehabilitation expenditures and a schedule of all funding sources received or anticipated to be received that will be used to fund the project, including those funding sources used or that will be used to finance or reimburse both qualified rehabilitation expenditures and those expenditures not being claimed as qualified rehabilitation expenditures, along with supporting documentation. The schedule must identify all government funding as defined in rule 261—49.3(404A), including any funding that originated or will originate from any government, whether federal, state, or local.

**49.11(4) *Certification and release of information.*** The applicant must identify and list all related persons and related entities, as those terms are defined in rule 261—49.3(404A). The applicant must release information requested by the authority regarding the applicant, related persons, and related entities. The applicant must also certify that all representations, warranties, documents, or statements

made or furnished in connection with the Part 2B application are true and accurate. The certification and release of information are intended to identify information that may disqualify an applicant from participating in the program or that may have an adverse impact on the project. The certification and release of information are also intended to provide the authority with information regarding the economic, ownership, and management realities related to the project by providing information about the actual persons and businesses affiliated with the applicant, the actual persons and businesses that will derive financial benefits from the project, and other businesses affiliated with the individuals involved with the project.

*a.* The authority may reject an application for registration if:

(1) The applicant fails to answer the questions and provide all requested information and documents in a timely manner.

(2) The applicant provides false or inaccurate information or documents to the authority.

(3) The applicant, a related person, or a related entity is not in good standing with any local, state, or federal taxing authority. This provision shall not apply to an applicant, related person, or related entity that has timely filed an extension to file a local, state or federal tax return.

(4) The applicant, a related person, or a related entity is currently in default, has an uncured breach, or is otherwise not in compliance with any entity or instrumentality of the state of Iowa.

(5) The applicant, a related person, or a related entity has any overdue amounts owed to the state of Iowa, any agency of the state of Iowa, any other entity or instrumentality of the state of Iowa, or any person or entity that is eligible to submit claims to the state offset system.

(6) The authority determines that the applicant will not be able to provide representations, warranties, conditions, or other terms of an agreement that would be acceptable to the authority.

(7) Information is disclosed to the authority that would cause the authority to decline to enter into an agreement with the applicant.

*b.* Scope of inquiry. The authority may ask the applicant to disclose information and documents about other entities affiliated with the applicant, a related person, or a related entity if the authority determines that the information regarding the applicant, related persons, and related entities does not adequately disclose to the authority the economic, ownership, and management structure and realities related to a project.

*c.* In determining whether to reject an application in accordance with this subrule, the authority will consider factors including, but not limited to, the nature of the information disclosed and whether the applicant has a record of violations of law over a period of time that tends to show a consistent pattern.

**49.11(5) Review period.** In general, the authority, in consultation with SHPO, will review fully completed Part 2B applications within 60 calendar days of receipt. The 60-day review period will be adhered to as closely as possible; however, it is not mandatory. If the application is incomplete when submitted or if for any other reason the authority must request additional information, the 60-day review period will restart when the requested information is received by the authority. The authority may reject an application if any requested information is not provided.

**49.11(6) Scoring process.** All completed applications will be reviewed and scored. Scoring of the application will take into account readiness criteria, including, but not limited to, the following:

*a.* Rehabilitation planning and project readiness. Projects will be scored based on whether the Part 2 application was approved with or without conditions.

*b.* Secured financing. Weighted preference will be given to projects that have financing or equity or both in place.

*c.* Steps taken towards ownership. Weighted preference will be given to the projects of applicants that are currently fee simple owners of the property.

*d.* Local government support. Weighted preference will be given to projects that have received support from their local jurisdiction.

*e.* Rehabilitation timeline. Weighted preference will be given to projects that will be completed in the shortest amount of time.

*f.* Zoning and code review. Weighted preference will be given to the projects of applicants that can demonstrate a determination by the authority having jurisdiction that the project complies with the guidelines for construction permitting.

*g.* Such other information as the authority may find relevant and request.

**49.11(7) Registration.** Upon reviewing and scoring all applications that are part of the application period, the authority may register the qualified rehabilitation projects to the extent sufficient tax credits are available based on the estimated qualified rehabilitation costs identified in the Part 2B applications. As described in rule 261—49.6(404A), in the case of insufficient funding, preference will be given to the projects with the highest registration score based on the criteria in subrule 49.11(6). At the time the project is registered, the authority shall make a preliminary determination as to the amount of tax credits for which the project qualifies. The authority shall make best efforts to notify the applicant within 60 calendar days after the close of the application period as to whether the applicant's project has been registered. The registration notice shall include the amount of the applicant's tentative tax credit award, along with a notice that the amount is a preliminary, nonbinding determination only. Small projects may submit Part 2B applications year-round; however, the application must be submitted no later than 12 months after receipt of approval of the Part 2 application.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.12(404A) Agreement.** Upon successful registration of the project as described in subrule 49.11(7), the eligible taxpayer shall have 90 calendar days or until the end of the fiscal year, whichever is less, to purchase or lease the property, if applicable, and enter into an agreement with the authority. Nothing in these rules shall affect the authority's ability to comply with the annual award limitations described in Iowa Code section 404A.4. The authority shall not enter an agreement until it receives proof that the eligible taxpayer is the actual fee simple owner or has a binding qualified long-term lease that meets the requirements of the federal rehabilitation credit. An eligible taxpayer shall not be eligible for historic tax credits unless the eligible taxpayer enters into an agreement with the authority concerning the qualifying rehabilitation project and satisfies the terms and conditions that must be met to receive the tax credit award.

**49.12(1) Terms and conditions.** The agreement shall contain mutually agreeable terms and conditions, which shall, at a minimum, provide for the following:

*a.* The maximum amount of the tax credit award. Notwithstanding anything in this chapter to the contrary, no tax credit certificate shall be issued until the authority verifies the amount of final qualified rehabilitation expenditures and compliance with all other requirements of the agreement, Iowa Code chapter 404A, and the applicable rules.

*b.* The rehabilitation work to be performed. An eligible taxpayer shall perform the rehabilitation work consistent with the U.S. Secretary of the Interior's standards for rehabilitation, as determined by the department.

*c.* The budget of the qualified rehabilitation project. The budget should include projected qualified rehabilitation expenditures, and those expenditures not qualified, and allowable cost overruns. The amount of allowable cost overruns provided for in the agreement shall not exceed the following amounts:

(1) For a qualified rehabilitation project with estimated final qualified rehabilitation expenditures of not more than \$750,000, 15 percent of the projected qualified rehabilitation expenditures provided for in the agreement.

(2) For a qualified rehabilitation project with estimated final qualified rehabilitation expenditures of more than \$750,000 but not more than \$6 million, 10 percent of the projected qualified rehabilitation expenditures provided for in the agreement.

(3) For a qualified rehabilitation project with estimated final qualified rehabilitation expenditures of more than \$6 million, 5 percent of the projected qualified rehabilitation expenditures provided for in the agreement.

*d.* A schedule of all funding sources received or anticipated to be received that will be used to fund the project, including those funding sources used or that will be used to finance or reimburse both qualified rehabilitation expenditures and those expenditures not being claimed as qualified rehabilitation

expenditures, along with supporting documentation. The schedule must identify all government funding as defined in rule 261—49.3(404A).

- e.* The commencement date.
- f.* The completion date.
- g.* The agreement termination date.
- h.* Such other terms, conditions, representations, and warranties as the authority may determine are necessary or desirable to protect the interests of the state.

**49.12(2) *Agreement timeline.*** The commencement date indicated in the agreement shall be no later than the end of the fiscal year in which the agreement is entered into. The completion date indicated in the agreement shall be no later than 36 months from the commencement date. The agreement termination date indicated in the agreement shall not be earlier than five years from the date on which the tax credit certificate is issued.

**49.12(3) *Amendments.*** The authority may for good cause amend an agreement. However, the authority may not amend an agreement to allow cost overruns in excess of the amount described in paragraph 49.12(1) “*c.*” Any amendment approved by the authority shall be signed by both parties.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.13(404A) Part 3 application—request for certification of completed work and verification of qualified rehabilitation expenditures.** Part 3 of the application is used to determine whether the project has complied with the terms of the agreement as well as with applicable laws, rules and regulations, including federal standards.

**49.13(1) *Submission period.*** The fully completed Part 3 application must be submitted no more than 180 calendar days after the project completion date as defined in the agreement. The authority may extend this deadline under extenuating circumstances.

**49.13(2) *Required information.*** The Part 3 application must include the following information:

*a.* Certification that the eligible taxpayer is the fee simple owner or is qualified for the federal rehabilitation credit and has a binding qualified long-term lease that meets the requirements of the federal rehabilitation credit.

*b.* Using the qualified rehabilitation expenditures schedule form provided by the authority, a schedule of total expenditures for the project, which shall identify in detail the final qualified rehabilitation expenditures and those expenditures that are not qualified. The qualified rehabilitation expenditures schedules form may be obtained by contacting the authority or by visiting the authority’s website.

*c.* A schedule of all funding sources used to finance the project, including those funding sources used to finance or reimburse both qualified rehabilitation expenditures and expenditures not being claimed as qualified rehabilitation expenditures, along with supporting documentation. The schedule must identify all government funding as defined in rule 261—49.3(404A).

*d.* CPA examination.

(1) An eligible taxpayer shall engage a certified public accountant authorized to practice in this state to conduct an examination of the project in accordance with the American Institute of Certified Public Accountants’ statements on standards for attestation engagements. The attestation applicable to this examination is SSAE No. 10 (as amended by SSAE Nos. 11, 12, 14), AT section 101 and AT section 601. Upon completion of the qualified rehabilitation project, the eligible taxpayer shall submit the examination to the authority, along with a statement of the amount of final qualified rehabilitation expenditures and any other information deemed necessary by the authority in order to verify that all requirements of the agreement, Iowa Code chapter 404A, and all rules adopted pursuant to Iowa Code chapter 404A have been satisfied.

(2) The procedures used by the CPA to conduct the examination should allow the CPA to conclude that, in the CPA’s professional judgment, the qualified rehabilitation expenditures claimed are eligible pursuant to the agreement, Iowa Code chapter 404A, and all rules adopted pursuant to Iowa Code chapter 404A in all material respects. The documents reviewed by the CPA should be readily available to the

authority upon request. The applicant should generally be able to provide the requested documents within ten business days of a request from the authority.

(3) The examination requirement is waived for an eligible taxpayer if the final qualified rehabilitation expenditures of the qualified rehabilitation project, as verified by the authority, do not exceed \$100,000 and the qualified rehabilitation project is funded exclusively by private funding sources. The authority reserves the right to request any additional information necessary to verify the final qualified rehabilitation expenditures and, if deemed necessary by the authority, to require that such an eligible taxpayer engage a CPA to conduct an examination of the project pursuant to paragraph 49.13(2)“d.”

*e.* Any other information deemed necessary by the authority in order to verify that all requirements of the agreement, Iowa Code chapter 404A, and all rules adopted pursuant to Iowa Code chapter 404A have been satisfied or any other information the authority may require for program evaluation.

*f.* Election to receive either a refundable or a nonrefundable tax credit.

**49.13(3) Review period.** The authority will make best efforts to review Part 3 applications within 60 calendar days after the application is filed. However, this time frame is not binding upon the authority. The authority, in consultation with SHPO, shall review the information submitted by the eligible taxpayer and determine whether a tax credit certificate may be issued, including whether the eligible taxpayer has complied with federal standards.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.14(404A) Fees.** Applicants must pay a nonrefundable fee for the processing of Parts 2 and 3 of an application. The review fee for Part 2 will be due with the filing of the Part 2 application and will be based on the estimated qualified rehabilitation costs. The fee for review of Part 3 will be due with the filing of the Part 3 application and will be based on the final qualified rehabilitation expenditures. The fee schedule is as follows:

For projects with qualified rehabilitation expenditures of:	Part 2 Processing Fee	Part 3 Processing Fee
\$50,000 or less	No cost	No cost
\$50,001 to \$100,000	\$250	\$250
\$100,001 to \$750,000	\$500	\$500

**49.15(1) Annual reports.** The eligible taxpayer shall, for the length of the agreement, annually certify to the authority compliance with the requirements of the agreement.

**49.15(2) Burden of proof.** The eligible taxpayer shall have the burden of proof to demonstrate to the authority that all requirements of the agreement, Iowa Code chapter 404A, and the applicable rules are satisfied. The taxpayer shall notify the authority in a timely manner of any changes in the qualification of the rehabilitation project or in the eligibility of the taxpayer to claim the tax credit provided under this chapter, or of any other change that may have a negative impact on the eligible taxpayer’s ability to successfully complete any requirement under the agreement.

**49.15(3) Events of default, revocation, recapture.** If, after entering into the agreement but before a tax credit certificate is issued, the eligible taxpayer or the qualified rehabilitation project no longer meets the requirements of the agreement, Iowa Code chapter 404A, and the applicable rules, the authority may find the taxpayer in default and may revoke the tax credit award.

*a. Voluntary abandonment.* To irrevocably decline the tax credit, the applicant shall send a letter to the authority stating the applicant's decision to irrevocably decline the tax credit. The authority shall acknowledge, in writing, that the tax credit has been irrevocably declined. The tax credit shall be reallocated to the extent permitted by Iowa Code section 404A.4. If the applicant wishes to apply for a tax credit on the same qualified rehabilitation project at a later date, the applicant must complete the application process as though the project is a new project.

*b. Revocation and recapture for prohibited activity; liability of certain transferees.* Pursuant to Iowa Code section 404A.3(4) "c," if an eligible taxpayer obtains a tax credit certificate from the authority by way of a prohibited activity, the eligible taxpayer and any transferee shall be jointly and severally liable to the state for the amount of the tax credits so issued, interest and penalties allowed under Iowa Code chapter 422, and reasonable attorney fees and litigation costs, except that the liability of the transferee shall not exceed an amount equal to the amount of the tax credits acquired by the transferee.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**261—49.16(404A) Certificate issuance; claiming the tax credit.** After determining whether the terms of the agreement, Iowa Code chapter 404A, and the applicable rules have been met, the authority shall issue a tax credit certificate to the eligible taxpayer stating the amount of tax credit under Iowa Code section 404A.2 the eligible taxpayer may claim, or the authority shall issue a notice that the eligible taxpayer is not eligible to receive a tax credit certificate. To receive the tax credit, an eligible taxpayer shall file a claim in accordance with any applicable administrative rules adopted by the department of revenue. Notwithstanding the foregoing, the eligibility of the tax credit remains subject to audit by the department of revenue in accordance with Iowa Code chapters 421 and 422.

[ARC 2944C, IAB 2/15/17, effective 3/22/17; ARC 6728C, IAB 12/14/22, effective 1/18/23]

**51.4(2)** Applications will be accepted only during established application periods as announced on the authority's website. Applications will be reviewed in the order received by the authority.

**51.4(3)** The authority may refuse to accept incomplete applications or may refuse to accept applications because of insufficient funds.

**51.4(4)** A scoring committee will consider, evaluate, and recommend applications for financial assistance under the program. #### **261—51.5(15E) Application scoring criteria.**

**51.5(1)** *Application scoring.* A scoring committee composed of individuals with relevant expertise and experience will be appointed by the director in consultation with the secretary. The committee will evaluate the applications and give them an average numerical score between 0 and 100.

**51.5(2)** *Scoring criteria.* The criteria under which each application will be scored are:

*a.* The extent to which the project expands processing capacity or increases efficiency: 25 points. Projects that benefit local small-scale farmers by creating or expanding opportunities to market processed meat under private labels, provide greater flexibility or convenience to have animals processed, or establish an essential community asset will receive more points. Projects that are likely to negatively impact existing meat processing businesses will receive fewer points. The committee may also consider the extent of any likely negative impact.

*b.* The sufficiency of the proposed project's financing structure, the feasibility of the sources of funds, and the appropriateness of the proposed uses of the funds: 25 points. Applicants that can demonstrate that the applicant has planned for long-term use of the project will receive more points.

*c.* The extent to which the proposed investment is consistent with the opportunities identified in the assessment completed by CIRAS pursuant to paragraph 51.3(1) "h": 15 points.

*d.* The number and quality of jobs to be created by the applicant as a result of the project or the extent to which the proposed investment uses automation to address workforce issues: 15 points. Projects that create more jobs or higher quality jobs will receive more points. Factors the committee will consider in assessing the quality of jobs include, but are not limited to, wages and benefits. Projects that utilize technology to address the workforce needs of the business, resulting in a more skilled workforce or increased processing capacity, will also receive more points.

*e.* The financial need of the applicant: 10 points. Applicants that received a business improvement grant from the department for expenses incurred between March 1, 2020, and December 1, 2020, or a previous grant from the program will receive fewer points.

*f.* The completeness of the application information and sufficiency of detail used to describe the project in the application: 10 points.

#### **261—51.6(15E) Contract administration.**

**51.6(1)** The authority will prepare a contract for each award approved by the board. The contract will reflect the terms of the award and may include other terms and conditions reasonably necessary for implementation of the program pursuant to this chapter.

**51.6(2)** Any substantive change to a proposed project shall require an amendment to the contract. Amendments shall be requested in writing. No amendment shall be valid until approved by the board. The authority may execute nonsubstantive or corrective changes to the contract without board approval. [ARC 5971C, IAB 10/6/21, effective 9/17/21; ARC 6638C, IAB 11/16/22, effective 10/21/22]

**261—51.7(15E) Disbursement of funds.** The authority will disburse funds for a project only after a complete application has been received, an award has been approved by the board, a contract has been executed between the applicant and the authority, and all applicable conditions for disbursement have been met, including the submission of documentation pertaining to the eligible expenditures. Disbursement of funds under the contract will be on a reimbursement basis for expenses incurred by the applicant after the date the board approves the award and as provided under the contract. [ARC 3582C, IAB 1/17/18, effective 2/21/18; ARC 5907C, IAB 9/22/21, effective 10/27/21]

**261—52.2(15) Certification.** The authority is responsible for ascertaining that a small business is owned, operated, and actively managed by a targeted group person.

**52.2(1) Regular certification.** Before a small business can participate in the Iowa targeted small business program, it must be certified by the authority.

*a.* The authority shall review applications from small businesses to determine whether they are eligible to participate in the program pursuant to this chapter as in effect as of the date of application for certification.

*b.* Certification means the authority has determined that the business meets eligibility standards.

*c.* Applications for the targeted small business certification are available by contacting the authority or by visiting the authority's website:

Iowa Economic Development Authority

1963 Bell Avenue, Suite 200

Des Moines, Iowa 50315

[www.iowaeda.com](http://www.iowaeda.com)

*d.* Applicants shall receive written notification of the authority's decision.

**52.2(2) Recertification.** Certified businesses shall submit verification of continued eligibility to the authority at least every two years.

*a.* The application for recertification will be provided by the authority.

*b.* Other documents will be requested to verify the continuing eligibility of the business.

*c.* The authority shall determine whether a certified business is eligible for recertification pursuant to this chapter as in effect as of the date of application for recertification.

**52.2(3) Information required in application.** Various and specific documentation may be required by the authority during the certification or recertification process. Each business shall provide relevant information upon the authority's request in order to be considered for certification or recertification. Applications shall be signed by an authorized representative of the business. An authorization to release information is part of each application and shall be signed by the applicant. This signature shall be notarized.

**52.2(4)** A business may reapply upon proof of compliance with TSB certification standards. Any company that is denied certification or decertified for any reason bears the burden of proving that all deficiencies previously cited have been corrected. Corrections shall be in accordance with requirements governing the targeted small business program. The burden of proof to recertify a business is the responsibility of the owner of that business.

**52.2(5)** The business shall notify the authority within 30 days following a change in ownership or control of a certified business. A new application shall be filed showing the change and must be accompanied by sufficient documentation to determine whether the business continues to be eligible to participate in the TSB program.

**52.2(6)** An applicant for certification as an Iowa targeted small business may indicate in writing that a similar application is pending with an agency other than the authority. When the authority considers another certification process equal to or more stringent than the process described in these rules, an applicant may submit the information required for the other process. The authority may certify a business as a TSB based on copies of the information provided to another agency. The Iowa application for certification as a TSB may still be required. Certification as a targeted small business in Iowa is granted only by the authority. Certification by any other entity does not ensure certification as a targeted small business in Iowa.

**52.2(7) Disability determinations.**

*a. Person with a disability.* In order to be considered a person with a disability for the purpose of the TSB program, the person must qualify and receive certification as having a disability from a licensed medical physician or physician assistant or must have been found eligible for vocational rehabilitation services by the department of education, division of vocational rehabilitation services, or by the department for the blind.

*b. Service-disabled veteran.* In order to be considered a service-disabled veteran for the purpose of the TSB program, the person must provide written verification from the Veterans Administration or the U.S. Department of Defense of a service-connected disability, as defined in 38 U.S.C. Section 101(16). [ARC 3582C, IAB 1/17/18, effective 2/21/18; ARC 5907C, IAB 9/22/21, effective 10/27/21; ARC 6794C, IAB 1/11/23, effective 2/15/23]

**261—52.3(15) Description of application.** The TSB application requires information about the people who own, control, and manage the applicant business.

**52.3(1)** Names, current addresses, verification of targeted group status and the employer's federal identification number, if applicable, are required. The proportion of ownership of the business and the names of stockholders or owners must be included. Documents which establish financial responsibility may be required.

**52.3(2)** The authority may require the applicant to provide any information reasonably required to assess the applicant's eligibility for the program pursuant to this chapter, including but not limited to information regarding the applicant's contracts, income, inventory, loans, personnel, payroll, taxes, and volume of business.

**52.3(3)** The information contained in the application may be reviewed by the applicant upon request to the authority. Material to be added to a file may be sent to the authority.

[ARC 3582C, IAB 1/17/18, effective 2/21/18; ARC 5907C, IAB 9/22/21, effective 10/27/21]

**261—52.4(15) Eligibility standards.** Pursuant to the authority of Iowa Code section 15.108(7), the authority has established standards to certify targeted small businesses. These standards are intended to indicate whether a business is owned, operated and actively managed by targeted group persons.

**52.4(1)** The applicant shall be an independent business. The following list describes elements of a business which indicate independent status.

*a.* The targeted group person owner(s) shall enjoy the customary incidents and profits of ownership and shall share in the risks commensurate with the owner's ownership interest. Independence of ownership shall be demonstrated by the substance rather than the form of the arrangements. Title and authority shall be commensurate with ownership and control.

*b.* The business shall be owned and operated by the same targeted group persons, a single management.

*c.* A board of directors and stockholders shall each have a membership comprised of at least 51 percent targeted group persons.

*d.* The applicant business shall be compensated for facilities, inventory, equipment, labor, or other items which it owns and shares with any other business. Compensation shall not vary from common industry practice.

*e.* The targeted group person owner(s) shall have independent authority and ability to incur liability and to decide financial and policy questions. The business arrangements of owners, directors, officers or key employees with businesses which are not minority-, woman-, person with disability-, or service-disabled veteran-owned shall not vary from common industry practice. Each industry has practices which differ from other industries.

*f.* Independent authority and ability to hire and to fire all personnel shall be vested in the targeted group person owner(s).

*g.* Recognition of the business as a separate entity for tax or corporate purposes is not solely sufficient for certification as a targeted small business.

**52.4(2)** The targeted group person owner(s) shall make the business decisions for the business without any restrictions, either formal or informal. This includes, but is not limited to, bylaw provisions, partnership agreements, charter requirements for cumulative voting rights, or employment agreements.

**52.4(3)** The targeted group person owner(s) shall direct or cause the direction of the business. The owner(s) shall make day-to-day decisions as well as major decisions on management policy and operation of the business. The authority will consider particular positions to determine who has major responsibility in a company. These people include, but are not limited to, those who:

*a.* Hold any applicable license;

- b. Devote substantial time to the business;
- c. Supervise or direct the supervision of management and field operations;
- d. Manage financial affairs;
- e. Prepare or approve bids or estimates;
- f. Participate in price and bidding negotiations;
- g. Make final decisions about staff and personnel;
- h. Sign contracts and checks or authorize action on behalf of the business.

**52.4(4)** Any relationship between a TSB and a business which is not a TSB, but which has an interest in the TSB, shall be carefully reviewed to determine if the interest of the non-TSB conflicts with the ownership and control requirements of this rule.

**52.4(5)** The contributions of capital and expertise by the targeted group person owner(s) to acquire interest in the business shall be real and substantial.

a. The following list includes acceptable elements of ownership.

(1) Company documents, such as stock certificates, articles of incorporation, minutes of board meetings, partnership agreements, or income tax returns reflect targeted group person ownership;

(2) Independent contributions of capital are made by the targeted group person owner(s). Proof of this independent contribution of capital made by the targeted group person owner(s) to acquire interest in the business must accompany the certification application;

(3) Independent contributions of expertise are made by the targeted group person owner(s). The targeted group person owner(s) must have an overall understanding of, managerial and technical competence in, and expertise directly related to the type of business in which the firm is engaged and in the firm's operations. Generally, expertise limited to office management, administration, or bookkeeping functions unrelated to the activities of the business is insufficient to demonstrate control of the business;

(4) Independent risk of loss and share of profit by the targeted group person owner(s) is commensurate with the owner's proportion of ownership.

b. Fifty-one percent or more of securities which constitute ownership or control of a corporation for purposes of establishing it as a TSB shall be held directly by targeted group persons.

c. An inherited business may be eligible for targeted small business status. Capital contribution, expertise and experience in the inherited business are not required. All other standards apply.

d. Documentation may be required to prove compliance with all standards.

[ARC 3582C, IAB 1/17/18, effective 2/21/18]

**261—52.5(15) Special consideration.** In addition to the above standards, the authority may consider other circumstances to determine eligibility. Consideration of other circumstances is intended to ensure that only bona fide targeted group person-owned businesses are certified.

**52.5(1)** A previous or continuing employer-employee relationship between present owners will be carefully reviewed to ensure that the employee-owner has substantial management and decision-making responsibilities.

**52.5(2)** At the discretion of the authority, on-site audits may be conducted to determine eligibility.  
[ARC 3582C, IAB 1/17/18, effective 2/21/18]

**261—52.6(15) Family-owned business.** Businesses which are owned and operated by one or more members of the same family will be closely scrutinized to determine whether the targeted group person identified as the owner of 51 percent or more of the business does in fact set policy and make day-to-day and long-term decisions for the operation and management of the business.

**52.6(1)** If any of the circumstances below prevail, the business shall be considered a family-owned business. Nontargeted group person family-owned businesses are not eligible for certification as targeted small businesses in Iowa. Any characteristic listed below may be cause to deny targeted small business status. This list is not to be construed as complete.

a. If a nontargeted group person family member:

- (1) Is chief executive officer or president;
- (2) Provides the expertise to conduct the business;

- (3) Transfers ownership to the targeted group person owner for less than fair market value;
- (4) Receives compensation equal to or greater than the targeted group person owner, not commensurate with their ownership;
- (5) Provides occupational services for the business for less than fair market value;
- (6) Possesses powers equal to or greater than the targeted group person owner to direct management and operations.

*b.* If the targeted group person owner:

(1) Is represented to those outside the business as not possessing the final authority to direct the operations and management of the business;

(2) Cannot document the date upon which the nontargeted group person family member was hired.

*c.* A recent transfer of ownership by a nontargeted group person family member to a targeted group person will be reviewed to determine if the previous owner is still the principal decision maker on policy or actually manages the existing business. Transfers in the past two years are considered recent, and these businesses shall not be certified, unless evidence substantiating the transfer is received and approved.

**52.6(2)** If a lending institution requires a signature other than the TSB owner's, another person may sign. When this happens, the owner must have the experience and expertise to own and operate the business. If a nontargeted group person family member has the expertise and has cosigned for business loans, the business is not eligible.

[ARC 3582C, IAB 1/17/18, effective 2/21/18]

**261—52.7(15) Cottage industry.** A cottage industry business may be eligible for certification as a TSB.

**52.7(1)** Characteristics of these businesses include, but are not limited to:

*a.* At least 51 percent of business equipment shall be owned by targeted group persons.

*b.* Business risks and profits shall be borne by the targeted group person owner(s) proportionate to the owner's ownership.

**52.7(2)** The intent of targeting some small businesses is to identify those businesses which have been traditionally excluded from economic growth. Therefore, for a cottage industry business, the residence and any adjacent outbuildings used by the cottage industry may be owned jointly with other family members.

**52.7(3)** All other TSB eligibility standards apply to the cottage industry.

[ARC 3582C, IAB 1/17/18, effective 2/21/18]

**261—52.8(15) Decertification.** A business shall be decertified by the authority if it is determined the business no longer complies with the requirements of the TSB program or its owners cannot be located by the authority.

**52.8(1)** Written notice of the intent to revoke certification shall be provided when the authority determines there is reasonable cause to believe a business does not comply. Notice shall be sent by U.S. mail at least 20 days before decertification is effective.

**52.8(2)** If the authority sends a letter by first-class mail to the last-known address provided to the authority by the TSB and it is returned as undeliverable, this is considered to be grounds for decertification.

**52.8(3)** Decertification procedures may be initiated by the authority or after the investigation of a complaint filed by the general public. A request for an investigation from the public must be written and shall specify the reason(s) why the certified targeted small business no longer complies with these rules. Supporting documentation may be attached to the request.

**52.8(4)** Eligibility to participate in the TSB program continues until the final decision is issued by the authority.

[ARC 3582C, IAB 1/17/18, effective 2/21/18]

**261—52.9(15) Request for bond waiver.** A targeted small business seeking a performance, surety, or bid bond waiver shall submit a sworn statement that it is unable to secure a performance, surety, or bid bond because of lack of experience, lack of net worth, or lack of capital. Documentation will be

requested from surety companies that the TSB is unable to obtain performance, surety, or bid bonding because of the lack of experience, lack of net worth, or lack of capital.

**52.9(1)** A waiver shall be applied only to a prime contract where the project or individual transaction does not exceed \$50,000, notwithstanding Iowa Code section 573.2.

**52.9(2)** Granting a waiver shall not relieve any business from its contractual obligations. The state agency or department may pursue any remedy under law upon default or breach of contract.

**52.9(3)** The authority reviews all bond waiver documents. Information to assist the review process may be requested from the state department or agency involved. An applicant for a performance, surety, or bid bond waiver and the department or agency involved will be notified of the decision by U.S. mail.

**52.9(4)** Bond waivers will be reviewed and renewed at the time of TSB recertification.  
[ARC 3582C, IAB 1/17/18, effective 2/21/18]

**261—52.10(15) Fraudulent practices in connection with targeted small business programs.**

A violation under this rule is grounds for decertification of the TSB connected with the violation. Decertification shall be in addition to any penalty otherwise authorized by this chapter.

**52.10(1)** A person is considered to be guilty of a fraudulent practice if the person:

*a.* Knowingly transfers or assigns assets, ownership, or equitable interest in property of a business to a targeted group person primarily for the purpose of obtaining benefits under TSB programs if the transferor would otherwise not be qualified for such programs.

*b.* Solicits and is awarded a state contract on behalf of a TSB for the purpose of transferring the contract to another for a percentage if the person transferring or intending to transfer the work had no intention of performing the work.

*c.* Knowingly falsifies information on an application for the purpose of obtaining benefits under TSB programs.

**52.10(2)** The authority may investigate allegations or complaints of fraudulent practices and will take action to decertify a TSB upon concluding that a violation has occurred. A decertification by this action may be appealed.

CHAPTER 54  
IOWA TARGETED SMALL BUSINESS PROCUREMENT PROGRAM

**261—54.1(73) Purpose.** The purpose of the Iowa targeted small business procurement program is to promote the growth, development and diversification of Iowa businesses owned by minorities, women, and persons with disabilities by encouraging each state department and agency, community college, area education agency, and school district to include targeted small businesses (TSBs) as contractors, vendors and suppliers in their bid solicitations for the procurement of goods and services, including construction.

**261—54.2(73) Definitions.** As used in this chapter, unless the context otherwise requires:

“*Agency*” or “*department*” means the departments and independent agencies established in Iowa Code chapter 7E.

“*Board*” means the targeted small business financial assistance board established by 2007 Iowa Acts, House File 890.

“*Certification*” means the process by which small businesses are identified as targeted small businesses by the department of inspections and appeals and determined eligible to participate in the targeted small business program.

“*Contract*” means any agreement or supplemental agreement between the state and its contractors, subcontractors, suppliers, vendors and professional service providers.

“*DIA*” means the department of inspections and appeals.

“*Education institution*” means a community college, area education agency, or a school district.

“*Goals*” means percentage or monetary goals set by a purchasing/contracting authority to encourage targeted small business participation.

“*Good faith effort*” includes, but is not limited to, efforts taken by a primary contractor to identify qualified TSBs for subcontract opportunities, notify qualified TSBs of potential subcontract opportunities, and assist TSBs in qualifying to bid as subcontractors.

“*IDED*” means the Iowa department of economic development.

“*Minority*” means an individual who is Black, Latino, Asian or Pacific Islander, or American Indian or Alaskan native.

“*Primary contractor*” means the individual, firm, partnership or corporation, or the lawful agent of any individual, firm, partnership or corporation, or surety under a contract bond, constituting one of the principals to the contract and undertaking to perform the contract work specified. A “primary contractor” includes all heirs, executors, administrators, successors and assigns of any of the above.

“*Small business*” and “*targeted small business*” shall have the meanings as defined in Iowa Code section 15.102.

“*Subcontractor*” means an individual or business contracting to perform part or all of a primary contractor’s contract.

“*TSB*” means targeted small business. A “TSB” is a business that is 51 percent or more owned by women, minorities, or persons with disabilities.

**261—54.3(73) Preliminary procedures.**

**54.3(1) Purchasing review.** Quarterly, each agency, department, community college and area education agency shall review their anticipated purchasing requirements. School districts shall review their anticipated purchasing requirements on an annual basis.

**54.3(2) Notice to IDED.**

*a. State departments and agencies.* The director of each department or agency shall notify the director of IDED not later than August 15 of each fiscal year of the department’s or agency’s anticipated purchases outside the department of administrative services and recommended TSB goals.

*b. Community colleges and area education agencies (AEAs).* Community colleges and AEAs shall, on a quarterly basis, review their anticipated purchasing requirements. Each community college president and AEA administrator shall notify the department of education by August 15 of each fiscal year of their anticipated purchases and recommended procurements with unit quantities and total costs

for procurement contracts designated to satisfy the TSB procurement goal. The department of education shall forward the reports of the community colleges and AEAs to IDED no later than August 31.

*c. School districts.* School districts shall, on an annual basis, review their anticipated purchasing requirements. Each superintendent shall notify the department of education by August 15 of each fiscal year of their anticipated purchases and recommended procurements with unit quantities and total costs for procurement contracts designated to satisfy the TSB procurement goal. The department of education shall forward the reports of the school districts to the IDED no later than August 31.

**54.3(3) TSB goals.** The directors, community college presidents, school district superintendents and AEA administrators may divide larger, single project procurements into smaller contract award units to facilitate offers or bids from targeted small businesses. In designating TSB procurements, the directors, presidents, superintendents and administrators may vary the included procurements so that a variety of goods and services produced by different targeted small businesses may be identified each year.

**54.3(4) IDED review.** The director of IDED or designee shall review the information submitted and may require necessary modifications from the agencies, departments, and education institutions to provide opportunities for TSBs.

**54.3(5) Procurement set-aside procedures.** Rescinded IAB 3/21/90, effective 4/25/90.

**261—54.4(73) Identification of targeted small businesses.** Before a small business can participate in the Iowa targeted small business procurement program, it must be certified as a targeted small business by the DIA. The DIA will review applications from targeted small businesses to determine that they are eligible to participate in the program. Certification as a targeted small business by the DIA means that the business meets the minimum eligibility requirements; certification is not a representation that the business can perform targeted procurement.

**261—54.5(73) IDED administration.**

**54.5(1) Subcontracts.** If a primary contractor will be subcontracting part or all of a contract, the primary contractor shall make a good faith effort to provide TSBs with opportunities to bid. IDED may review a primary contractor's good faith efforts and request modifications to planned efforts to ensure compliance with the purpose of the TSB program.

**54.5(2) Good faith efforts.** Departments, agencies and education institutions may require primary contractors to submit documentation of good faith efforts to provide TSBs with subcontract opportunities along with the bid bond, noncollusion affidavit and similar documents which are submitted separate from the actual bid. Departments, agencies and education institutions may determine that the primary contractor has failed to meet minimum bidding qualifications due to inadequate documentation of good faith efforts to provide TSB opportunities to bid and may decline to open the bid. In cases where the good faith efforts documentation is submitted as part of the bid documents and after review of the low bidder's good faith efforts, departments, agencies and education institutions may reject the bid as nonresponsive due to inadequate documentation of good faith efforts.

**54.5(3) IDED review.** IDED may conduct a review of a department, agency or education institution where there is evidence of little or no progress toward reaching the TSB goal. The purpose of the review will be to identify the barriers encountered, evaluate the efforts taken to reach the goal, and provide needed assistance.

**261—54.6(73) Certification.** Transferred to 481—25.5(73), IAB 8/10/88.

**261—54.7(73) Request for review of certification denial.** Transferred to 481—25.6(73), IAB 8/10/88.

**261—54.8(73) Certification review board.** Transferred from 261—54.8(73) and rescinded, IAB 8/10/88, effective 7/22/88.

**261—54.9(73) Decertification.** Transferred to 481—25.7(73), IAB 8/10/88.

**261—54.10(73) Notice of solicitation for bids.**

**54.10(1) *Directory consulted.*** The director of each agency or department, the administrator of each area education agency, the president of each community college, and the superintendent of each school district releasing a solicitation for bids or request for proposal under the targeted small business procurement goal program shall consult a directory of certified targeted small businesses produced by the department of inspections and appeals that lists all certified targeted small businesses by category of goods or services provided prior to or upon release of the solicitation and shall send a copy of the request for proposal or solicitation to any appropriate targeted small business listed in the directory.

**54.10(2) *Contents of solicitation or request for proposal.*** The notice to TSBs of the release of a request for proposal or solicitation for bid shall, at a minimum, include the:

- a. Description of the item to be bid;
- b. Date the bid is to be open and the closing date for submission; and
- c. Contact person in the soliciting agency, department, or education institution.

**54.10(3) *TSB directory.*** The department of inspections and appeals compiles, and updates on a monthly basis, a TSB directory. The TSB directory contains a listing of targeted small businesses that have been certified by DIA for participation in the TSB procurement program. The directory also includes a list of TSBs which have been decertified.

**261—54.11(73) *Negotiated price or bid contract.*** Rescinded IAB 3/21/90, effective 4/25/90.

**261—54.12(73) *Determination of ability to perform.***

**54.12(1) *Ability evaluation.*** Prior to announcing the TSB award, the purchasing authority shall evaluate, in the same manner that other contractors and vendors are evaluated, whether the targeted small business scheduled to receive the award is able to perform the contract as a vendor or prime contractor. This determination shall include consideration of production and financial capacity and technical competence. In construction contracts, the prime contractor shall evaluate all subcontractors, including TSBs with whom the prime contractor has a contract.

**54.12(2) *Notice of inability to perform.*** If the purchasing authority determines that the targeted small business may be unable to perform, the director of IDED shall be notified.

**54.12(3) *IDED assistance.*** If, in the opinion of the purchasing authority, a TSB cannot perform, the purchasing authority shall immediately notify IDED. The IDED shall assist the targeted small business in attempting to remedy the causes of the inability to perform. In assisting the TSB, the IDED may use any management or financial assistance programs available through state or governmental agencies or private sources. Once IDED is notified of a TSB's inability to perform, IDED will respond to the purchasing authority within 14 days to indicate the planned course of action to assist the TSB. The IDED may contact a state agency, department, or education institution to verify that certified TSBs with whom they contract are performing under their contracts.

**261—54.13(73) *Other procurement procedures.***

**54.13(1)** All laws and rules pertaining to solicitations, bid evaluations, contract awards, and other procurement matters apply to procurement for targeted small businesses to the extent there is no conflict.

**54.13(2)** If the provisions of the "Iowa Targeted Small Business Procurement Act" or these implementing rules conflict with other laws or rules, then the provisions of the Act and these rules shall govern.

**261—54.14(73) *Reporting requirements.***

**54.14(1) *Quarterly reports.*** The director of each agency or department shall submit to the IDED quarterly reports which shall be in the format and by the due date specified by the IDED. Each community college president and AEA administrator shall submit their quarterly reports to the department of education which shall forward the reports to IDED. The quarterly reports shall include as a minimum:

- a. The number of contracts awarded to TSBs under the TSB procurement program and the names of those contractors;

- b. A description of the general categories of contracts awarded to TSBs;
- c. The dollar value of contracts awarded to TSBs;
- d. The dollar value of all contracts awarded to TSBs during this period compared to all contracts awarded for the period;
- e. Progress made toward attainment of their TSB goals; and
- f. In the end-of-year final report (4th quarter) an indication of whether the department or agency, community college, or AEA met its TSB goals. If the TSB goals were not met, the report shall indicate the reasons for not attaining the TSB goals including a description of any barriers encountered in meeting the TSB goals.

School districts shall submit to the department of education an annual report containing the information listed above, which shall be forwarded to IDED.

**54.14(2)** *Counting TSB participation toward meeting the TSB goal.* TSB participation shall be counted toward meeting the TSB goal as follows:

- a. Once a firm is determined by the DIA to be a certified TSB, the total value of the contracts awarded to the TSB is counted toward the goal.
- b. A department, agency, or education institution may count toward its goal only expenditures to TSBs that perform a commercially useful function in the work of a contract. A TSB is considered to perform a commercially useful function when it is responsible for execution of a distinct element of the work of a contract and carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a TSB is performing a commercially useful function, the department, agency, or education institution shall evaluate the amount of work subcontracted, normal industry practices, and other relevant factors.
- c. Consistent with normal industry practices, a TSB may enter into subcontracts. If a TSB subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, a TSB shall be presumed not to be performing a commercially useful function. The TSB may present evidence to rebut this presumption to the department, agency, or education institution. The department's, agency's, or education institution's decision on the rebuttal of this presumption is subject to review by the IDED.
- d. A department, agency, or education institution may count toward its TSB goal expenditures for materials and supplies obtained from TSB suppliers and manufacturers, provided that the TSBs assume the actual and contractual responsibility for the provision of the materials and supplies.
- e. A department, agency, or education institution may count its entire expenditure to a TSB manufacturer (i.e., a supplier that produces goods from raw materials or substantially alters them before resale).
- f. A department, agency or education institution may count 100 percent of its expenditures to TSB suppliers or brokers that are not manufacturers, provided that the TSB supplier or broker performs a commercially useful function in the supply process.

**261—54.15(73) Maintenance of records.**

**54.15(1)** In order to monitor the progress of its targeted small business program each department, agency, or education institution shall develop a record-keeping system which will identify and assess TSB contract awards and the department's, agency's, or education institution's progress in achieving the TSB goal.

**54.15(2)** Specifically, a department, agency, or education institution shall maintain records showing:

- a. Procedures which have been adopted to comply with the requirements of this rule.
- b. Awards to TSB. These awards shall be measured against the department's, agency's, or education institution's goals.

**54.15(3)** Records shall be available upon the request of IDED or the state auditor.

These rules are intended to implement Iowa Code sections 73.15 to 73.21.

CHAPTER 56  
EMPLOYEE STOCK OWNERSHIP PLAN (ESOP) FORMATION ASSISTANCE

**261—56.1(85GA, HF648) Purpose.** The authority is authorized to provide financial and technical assistance to businesses interested in establishing an employee stock ownership plan (ESOP). The purpose of this chapter is to create a program that will assist a business by (1) helping to determine whether an ESOP is a feasible form of ownership and (2) providing assistance to reduce the cost of forming an ESOP when it is feasible.

[ARC 1249C, IAB 12/25/13, effective 1/29/14]

“*Agreement*” means a contract for financial assistance under the program describing the terms on which the financial assistance is to be provided.

“*Applicant*” means a business applying for assistance under the program.

“*Authority*” means the economic development authority created in Iowa Code section 15.105.

“*Business*” means a corporation eligible to become a qualified Iowa ESOP.

“*Director*” means the director of the authority.

“*Financial assistance*” means a payment made by the authority to an applicant approved for funding under the program.

“*Program*” means the ESOP formation assistance program established pursuant to this chapter.

“*Qualified Iowa ESOP*” means the same as defined in the department of revenue’s rules for the determination of net income at 701—subrule 40.38(10).

[ARC 1249C, IAB 12/25/13, effective 1/29/14; ARC 6891C, IAB 2/22/23, effective 3/29/23]

**261—56.3(85GA, HF648) Program description.**

**56.3(1) Amount, form, and timing of assistance.** The program provides financial assistance to businesses interested in establishing an ESOP. An applicant to the program may be approved for financial assistance in an amount equal to 50 percent of the cost incurred for obtaining a feasibility study conducted by an independent financial professional. The total amount of financial assistance provided to an applicant will not exceed \$25,000. The financial assistance may be provided in two tranches. The first tranche will be provided as a reimbursement of 25 percent of the cost of a feasibility study and will be remitted upon completion of the feasibility study. The second tranche will be provided as a reimbursement of 25 percent of the cost of the feasibility study and will be remitted only upon completion of an ESOP formation. A business that does not successfully complete the formation of an ESOP will not receive the second tranche. A business will be required to provide to the authority documentation establishing the costs incurred and the successful completion of all necessary transactions.

**56.3(2) Application.**

*a.* Each fiscal year in which funding is available, the authority will accept applications for assistance under the program and make funding decisions on a rolling basis.

*b.* Information on submitting an application under the program may be obtained by contacting the authority.

**56.3(3) Approval of assistance.** Authority staff will consider, evaluate, and recommend applications for financial assistance under the program. The authority may consult with an ESOP advisory panel consisting of individuals selected by the director who have demonstrated expertise in the formation and operation of ESOPs as needed. Authority staff will review applications for financial assistance and score the applications according to the criteria described in rule 261—56.4(85GA, HF648). Applications deemed to meet the minimum scoring criteria will be submitted to the director for a final funding decision.

**56.3(4) Contract required.** If the director approves an applicant for financial assistance under the program, the authority will prepare an agreement stating the terms on which the financial assistance is to be provided, and the applicant shall execute the agreement before funds are disbursed under the program.

**56.3(5) Use of funds.** An applicant shall use funds provided only for the purpose of reducing the cost of services of an independent financial professional for evaluating the feasibility of an ESOP and forming an ESOP. The authority may require documentation or other information establishing the actual costs incurred. The financial assistance shall be provided to the applicant after the costs are incurred and on a reimbursement basis. Costs incurred prior to approval of financial assistance will not be eligible for reimbursement.

[ARC 1249C, IAB 12/25/13, effective 1/29/14; ARC 6891C, IAB 2/22/23, effective 3/29/23]

**261—56.4(85GA, HF648) Program eligibility, application scoring, and funding decisions.**

**56.4(1) Program eligibility.** To be eligible under the program, an applicant shall meet all of the following requirements:

a. The applicant shall be a business interested in establishing an ESOP. To establish that this criterion is met, the applicant shall state the reasons for its interest in establishing an ESOP.

b. The applicant shall be, or be willing to become, an IRS subchapter C or subchapter S corporation. To establish that this criterion is met, the applicant shall include a copy of its articles and documentation establishing the applicable IRS election. An applicant not yet a corporation may be required to execute a letter of intent.

c. The applicant shall have a valuation that is sufficient to make an ESOP feasible. To establish that this criterion is met, the applicant shall provide information estimating the value of the business and information about the source of that estimate. This information may be a good-faith estimate. The authority will not set a specific minimum valuation; however, applicants are advised that a business with valuation less than \$5 million may not be considered a feasible candidate for an ESOP.

d. The applicant shall have a number of employees, eligible employee types, and a total payroll that are sufficient to make an ESOP feasible. To establish that this criterion is met, the applicant shall provide relevant payroll information. The authority will not set a specific minimum number of employees; however, applicants are advised that a business with fewer than 25 employees may not be a feasible candidate for an ESOP.

e. The applicant shall have a cash flow level sufficient to make an ESOP feasible. To establish that this criterion is met, the applicant shall provide relevant financial statements. The authority will not set a minimum cash flow level; however, applicants are advised that a business with cash flow less than \$500,000 may not be a feasible candidate for an ESOP.

f. The applicant is not a retail business.

g. The applicant is not a publicly traded company.

h. The applicant has not completed a feasibility study for purposes of exploring an ESOP formation in the three years prior to application for the program. An applicant who has engaged a service provider as of the time of application shall provide a copy of the engagement letter to the authority.

**56.4(2) Application scoring.** A business meeting the requirements of subrule 56.4(1) may apply to the authority for financial assistance under the program. The authority will review applications for completeness. The authority may engage an ESOP advisory panel for assistance in evaluating the applications as needed. As part of the evaluation process, an applicant may be required to interview with authority staff and with members of the ESOP advisory panel about the applicant's business, future plans, and interest in forming an ESOP. Authority staff will evaluate the applications and give them an average numerical score between 0 and 100. The numerical score will reflect the extent to which an applicant is a feasible candidate for an ESOP. In determining the numerical score, the authority will take into account the extent to which each applicant meets the requirements of subrule 56.4(1). The authority will keep records of the scoring process and make those records available to applicants.

**56.4(3) Funding decisions.** Each application, including its numerical score, will be referred to the director with a recommended funding decision. The director will make the final funding decision on each application, taking into consideration the score and the funding recommendation of authority staff.

The director may not approve funding for an application that receives an average score of less than 50 points.

**261—59.3(15E) Enterprise zone certification.** An eligible county or an eligible city may request the board to certify an area meeting the requirements of the Act and these rules as an enterprise zone. Certified enterprise zones will remain in effect for a period of ten years from the date of certification by the board. A county may request zone certification under subrule 59.3(1) at any time prior to December 1, 2003. A county or city may request zone certification under subrules 59.3(2), 59.3(3), 59.3(4) and 59.3(6) at any time prior to July 1, 2010.

**59.3(1) County—eligibility based on distress criteria in section 15E.194, Iowa Code (2001).**

*b. Zone parameters.* Up to 1 percent of a county area may be certified as an enterprise zone. A county may establish more than one enterprise zone. The total amount of land certified as enterprise zones, other than those zones certified pursuant to subrules 59.3(3), 59.3(4) and 59.3(6), shall not exceed in the aggregate 1 percent of the total county area. An eligible county containing a city whose boundaries extend into an adjacent county may establish an enterprise zone in an area of the city located in the adjacent county if the adjacent county's board of supervisors adopts a resolution approving the establishment of the enterprise zone in the city and the two counties enter into an agreement pursuant to Iowa Code chapter 28E regarding the establishment of the enterprise zone.

**59.3(2) County—eligibility based on distress criteria in section 15E.194, Iowa Code (2003).**

*a. Requirements.* To be eligible for enterprise zone certification, a county must meet at least two of the following criteria:

*b. Population limits.* A city which includes at least three census tracts with at least 50 percent of the population in each tract located in the city, as shown by the 2000 certified federal census, may request enterprise zone certification by the board. The zone shall consist of one or more contiguous census tracts, as determined in the most recent federal census, or alternative geographic units approved by the department, for that purpose. In creating an enterprise zone, an eligible city may designate as part of the area tracts or approved geographic units located in a contiguous city if such tracts or approved geographic units otherwise meet the criteria on their own and the contiguous city agrees to be included in the enterprise zone.

*c. Zone parameters.* A city may establish more than one enterprise zone. The area meeting the requirements for eligibility for an enterprise zone shall not be included for the purpose of determining the 1 percent aggregate area limitation for enterprise zones. If there is an area in the city which meets the requirements for eligibility for an urban or rural enterprise community under Title XIII of the federal Omnibus Budget Reconciliation Act of 1993, such area shall be certified by the state as an enterprise zone.

**59.3(4) Transportation enterprise zone—eligibility.**

*a. Transportation enterprise zone requirements.* To be eligible for transportation enterprise zone certification, a designated area within a city which includes at least three census tracts with at least 50 percent of the population in each tract located in the city, as shown by the 2000 certified federal census, must be a blighted area as defined in Iowa Code section 403.17, but must not be agricultural land or property, and must include or be within four miles of at least three of the following:

*c. Transportation enterprise zone parameters.* A city may establish more than one transportation enterprise zone. The area being designated as a transportation enterprise zone shall not exceed four square miles. The area meeting the requirements for eligibility for a transportation enterprise zone shall not be included for the purpose of determining the 1 percent aggregate area limitation for enterprise zones.

*d. Transportation enterprise zone award restrictions.* In the period from July 1, 2007, through June 30, 2010, the cumulative total of benefits awarded to eligible businesses shall not exceed \$25 million per fiscal year. Value-added property tax exemption benefits provided by the city shall not count against the \$25 million. Transportation enterprise zones established pursuant to this subrule shall not be used to provide incentives for eligible housing businesses to construct new housing units or rehabilitate existing housing units.

**59.3(5) Certification procedures.**

*a. Request with supporting documentation.* All requests for certification shall be made using the application provided by the department and shall include the following attachments:

(1) A legal description of the proposed enterprise zone area and a detailed map showing the boundaries of the proposed enterprise zone.

(2) If the proposed county enterprise zone contains a city whose boundaries extend into an adjacent county, the resolution of the board of supervisors of the adjacent county approving the establishment of the zone and a copy of an executed 28E agreement.

(3) Resolution of the city council or board of supervisors, as appropriate, requesting certification of the enterprise zone(s). Included within this resolution may be a statement of the schedule of value-added property tax exemptions that will be offered to all eligible businesses that are approved for incentives and assistance. If a property tax exemption is made applicable only to a portion of the property within the enterprise zone, a description of the uniform criteria which further some planning objective that has been established by the city or county enterprise zone commission and approved by the eligible city or county must be submitted to the department. Examples of acceptable "uniform criteria" that may be adopted include, but are not limited to, wage rates, capital investment levels, types and levels of employee benefits offered, job creation requirements, and specific targeted industries. "Planning objectives" may include, but are not limited to, land use, rehabilitation of distressed property, or brownfields remediation.

The city or county shall forward a copy of the official resolution listing the property tax exemption schedule(s) to the department and to the local assessor.

*b. Board review.* The board will review requests for enterprise zone certification. The board may approve, deny, or defer a request for zone certification.

*c. Notice of board action.* The department will provide notice to a city or county of the board's certification, denial, or deferral of the city's or county's request for certification of an area as an enterprise zone. If an area is certified by the board as an enterprise zone, the notice will include the date of the zone certification and the date this certification expires.

*d. Amendments.* A certified enterprise zone may be amended at the request of the city or county that originally applied for the zone certification. Requests must be in writing and be received by the department prior to December 1, 2003, if the county is eligible pursuant to subrule 59.3(1) or prior to July 1, 2010, if the county or city is eligible pursuant to subrule 59.3(2), 59.3(3), or 59.3(4). Requests must include the enterprise zone name and number, as established by the department when the zone was certified, the date the zone was originally certified, the reason an amendment is being requested, the number of acres the zone will contain if the amendment is approved, and a resolution of the city council or board of supervisors, as appropriate, requesting the amendment. A legal description of the amended enterprise zone and a map which shows both the original enterprise zone boundaries and the proposed changes to those boundaries shall accompany the written request.

A city requesting an amendment that consists of an area being added to the enterprise zone must include documentation that demonstrates that the area being added meets the eligibility requirements of subrule 59.3(3) or 59.3(4). A city requesting an amendment that consists of an area being removed from the enterprise zone must include documentation that demonstrates that the remaining area still meets the eligibility requirements of subrule 59.3(3) or 59.3(4).

An amendment shall not extend the zone's ten-year expiration date, as established when the zone was initially certified by the board or when the board approved an extension. The board will review the request and may approve, deny, or defer the proposed amendment. A county or city shall not be allowed to remove a portion of an enterprise zone that contains an eligible business or eligible housing business that has received incentives and assistance under this program and whose agreement, described in rule 59.13(15E), has not yet expired.

*e. Decertification.* A county or city may request decertification of an enterprise zone. Requests must be in writing and be received by the department prior to December 1, 2003, if the county is eligible pursuant to subrule 59.3(1) or prior to July 1, 2010, if the county or city is eligible pursuant to subrule 59.3(2), 59.3(3), or 59.3(4). Requests must include the enterprise zone name and number, as established by the department when the zone was certified, the date the zone was originally certified, and a resolution of the city council or board of supervisors, as appropriate, requesting the decertification. Requests for enterprise zone decertification will be reviewed by the board and may be approved, denied or deferred. If the county or city requesting decertification designates a subsequent enterprise zone, the expiration date of the subsequent enterprise zone shall be the same as the expiration date of the decertified enterprise zone. A county or city shall not be allowed to decertify an enterprise zone that contains an eligible business or eligible housing business that has received incentives and assistance under this program and whose agreement, described in rule 59.13(15E), has not yet expired.

*f. Extensions.* Prior to the expiration of an enterprise zone, a city or county may apply for a one-time extension.

(1) Counties eligible under subrule 59.3(1) but not eligible under subrule 59.3(2). A county may request that the board extend the expiration date of a previously certified enterprise zone. The extended expiration date will be one year following the complete publication of the 2010 federal census, as determined by the department.

In applying for this one-time extension, the county may redefine the boundaries of the enterprise zone provided the size of the enterprise zone remains unchanged. A county shall not be allowed to redefine the boundaries of an enterprise zone if the redefinition would result in removing an area that contains an eligible business or eligible housing business that has received incentives and assistance under this program and whose agreement, described in rule 59.13(15E), has not yet expired.

(2) Counties eligible under subrule 59.3(2). A county may request that the board extend the expiration date of a previously certified enterprise zone by ten years. In applying for this one-time, ten-year extension, the county may redefine the boundaries of the enterprise zone provided the redefinition of the enterprise zone does not cause the county to exceed the 1 percent aggregate area limitation for enterprise zones. A county shall not be allowed to redefine the boundaries of an enterprise zone if the redefinition would result in removing an area that contains an eligible business or eligible housing business that has received incentives and assistance under this program and whose agreement, described in rule 59.13(15E), has not yet expired.

(3) Cities eligible under subrule 59.3(3). A city may request that the board extend the expiration date of a previously certified enterprise zone by ten years provided that at the time of the request, the enterprise zone meets the eligibility requirements established by paragraph 59.3(3)“a.” In applying for this one-time, ten-year extension, the city may redefine the boundaries of the enterprise zone provided that the redefined enterprise zone meets the eligibility requirements established in paragraph 59.3(3)“a.” A city shall not be allowed to redefine the boundaries of an enterprise zone if the redefinition would result in removing an area that contains an eligible business or eligible housing business that has received incentives and assistance under this program and whose agreement, described in rule 59.13(15E), has not yet expired.

(4) Extension requests. Extension requests shall be made using the form provided by the department and shall be accompanied by a resolution of the city council or board of supervisors, as appropriate, requesting the extension of the enterprise zone. The board will review requests for enterprise zone extensions. The board may approve, deny, or defer an extension request.

**59.3(6) City or county with business closure.**

*a. Requirements.* A city of any size or any county may designate an enterprise zone at any time prior to July 1, 2010, when a business closure or permanent layoff occurs involving the loss of full-time employees, not including retail employees, at one place of business totaling at least 1,000 employees or 4 percent of the county’s resident labor force based upon the most recent annual resident labor force statistics from the department of workforce development, whichever is lower.

*b. Zone parameters.* The enterprise zone may be established on the property of the place of business that has closed or imposed a permanent layoff, and the enterprise zone may include an area up to an additional three miles adjacent to the property. The closing business or business imposing a permanent layoff shall not be eligible to receive incentives or assistance under this program. The area meeting the requirements for enterprise zone eligibility under this subrule shall not be included for the purpose of determining the area limitation pursuant to Iowa Code section 15E.192, subsection 4.

*c. Certification procedures.* All requests for certification shall be made using the application provided by the department. The board will review requests for enterprise zone certification. The board may approve, deny, or defer a request for zone certification.

*d. Amendments.* A city or county which designated an enterprise zone under this subrule on or after June 1, 2000, may request an amendment to include additional area within the enterprise zone. Requests must be in writing and be approved by the department within three years of the date the enterprise zone was originally certified. Requests must include the enterprise zone name and number, as established by the department when the zone was certified, the date the zone was originally certified, and the number of acres the zone will contain if the amendment is approved. A legal description of the amended enterprise zone and a map which shows both the original enterprise zone boundaries and the proposed changes to those boundaries shall accompany the written request.

*e. Restrictions.* Enterprise zones established pursuant to this subrule shall not be used to provide incentives for eligible housing businesses to construct new housing units or rehabilitate existing housing units.

**261—59.4(15E) Enterprise zone commission.** Following notice of enterprise zone certification by the board, the applicant city or county shall establish an enterprise zone commission. The commission shall review applications from eligible businesses and eligible housing businesses located in the zone and forward approved applications to the department for final review and approval. A county eligible to designate enterprise zones which contains a city which is eligible to designate enterprise zones, upon mutual agreement between the board of supervisors and the city council and in consultation with the department, may elect to establish one enterprise zone commission to serve both the county and the city.

**59.4(1) Commission composition.**

*a. County enterprise zone commission.* A county shall have only one enterprise zone commission to review applications for incentives and assistance for businesses (including eligible housing businesses) located or requesting to locate within a certified enterprise zone. The enterprise zone commission shall consist of nine members. Five of these members shall be comprised of:

- (1) One representative of the county board of supervisors,
- (2) One member with economic development expertise selected by the department,
- (3) One representative of the county zoning board,

*b. City enterprise zone commission.* A city in which an eligible enterprise zone is certified shall have only one enterprise zone commission. A city which includes at least three census tracts with at least 50 percent of the population in each census tract located in the city, as shown by the 2000 federal census, in which an eligible enterprise zone is certified shall establish an enterprise zone commission to review applications from qualified businesses located within or requesting to locate within an enterprise zone to receive incentives or assistance. If the enterprise zone consists of an area meeting the requirements for eligibility for an urban enterprise community under Title XIII of the federal Omnibus Budget Reconciliation Act of 1993, one of the remaining three members shall be a representative of that community. If a city contiguous to the city designating the enterprise zone is included in an enterprise zone, a representative of the contiguous city, chosen by the city council, shall be a member of the commission.

**59.4(2) Department review of composition.**

*a.* Once a county or city has established an enterprise zone commission, the county or city shall provide the department with the following information to verify that the commission is constituted in accordance with the Act and these rules:

- (1) The name and address of each member.
- (2) An identification of what group the member is representing on the commission.
- (3) Copies of the resolution or other necessary action of a governing body, as appropriate, by which a member was appointed to the commission.
- (4) Any other information that the department may reasonably request in order to permit it to determine the validity of the commission's composition.

*b.* If a city has established an enterprise zone commission prior to July 1, 1998, the city may petition to the department of economic development to change the structure of the existing commission. A petition to amend the structure of an existing city enterprise zone commission shall include the following:

- (1) The names and addresses of the members of the existing commission.
- (2) The date the commission was approved by the department.
- (3) The proposed changes the city is requesting in the composition of the commission.
- (4) Copies of the resolution or other necessary action of a governing body, as appropriate, by which a member was appointed to the commission.

**59.4(3) Commission policies and procedures.** Each commission shall develop policies and procedures which shall, at a minimum, include:

- a. Processes for receiving and evaluating applications from qualified businesses seeking to participate within the enterprise zone; and
- b. Operational policies of the commission such as meetings; and

**261—59.5(15E) Eligibility and negotiations.**

**59.5(1) Program categories.** To participate in the enterprise zone program, a business must qualify under one of two categories: an eligible business or an eligible housing business. Refer to rule 261—59.6(15E) for a description of the eligibility requirements and benefits available to a qualified “eligible business.” Refer to rule 261—59.8(15E) for a description of the eligibility requirements and benefits available to a qualified “eligible housing business.”

**59.5(2) Negotiations.** The department reserves the right to negotiate the terms and conditions of an award and the amount of all program benefits except the following benefits: the new jobs supplemental credit; the value-added property tax exemption; and the refund of sales, service and use taxes paid to contractors and subcontractors. The criteria, as applicable to the category under which the business is applying, to be used in the negotiations to determine the amount of tax incentives and assistance include but are not limited to:

- a. The number and quality of jobs to be created. Factors to be considered include but are not limited to full-time, career path jobs; number of jobs meeting or exceeding the qualifying wage threshold requirements described in 261—Chapter 174; turnover rate; fringe benefits provided; safety; skill level.
- b. The wage levels of the jobs to be created.
- c. The amount of capital investment to be made.
- d. The level of need of the business. Factors to be considered include but are not limited to the degree to which the business needs the tax incentives and assistance in order for the project to proceed. Methods of documenting need may include criteria such as financial concerns; risk of the business’s locating in or relocating to another state; or return on investment concerns.
- e. The economic impact and cost to the state and local area of providing tax incentives and assistance in relation to the public gains and benefits to be provided by the business. Factors to be considered include but are not limited to the amount of tax credits likely to be used by the business and the impact on the local and state tax base and economic base.
- f. Other state or federal financial assistance received or applied for by the business for the project.

**59.5(3) Limitation on negotiations.** Rescinded IAB 11/9/05, effective 12/14/05.

**261—59.6(15E) Eligible business.**

**59.6(1) Requirements.** A business which is or will be located, in whole or in part, in an enterprise zone is eligible to be considered to receive incentives and assistance under the Act if the business meets all of the following:

- a. *No closure or reduction.* The business has not closed or reduced its operation in one area of the state and relocated substantially the same operation into the enterprise zone. This requirement does not prohibit a business from expanding its operation in an enterprise zone if existing operations of a similar nature in the state are not closed or substantially reduced.
- b. *No retail.* The business is not a retail business or a business whose entrance is limited by a cover charge or membership requirement.
- c. *Employee benefits.* The business offers or will offer a sufficient benefits package to its employees as defined in 261—Chapter 173.
- d. *Wage levels.* The business pays or will pay the qualifying wage threshold for the enterprise zone program as established in 261—Chapter 174 and defined in 261—Chapter 173. However, in any circumstance, the wage paid by the business for the project jobs shall not be less than \$7.50 per hour.

The local enterprise zone commission may establish higher company eligibility wage thresholds if it so desires.

*e. Job creation or retention.* The business expansion or location must result in at least ten full-time project jobs. The time period allowed to create the jobs and the required period to retain the jobs are described in 261—Chapter 187.

*f. Capital investment.* The business makes a capital investment of at least \$500,000.

*g. Location within zone.* If the business is only partially located in an enterprise zone, the business must be located on contiguous land.

**59.6(2) Additional information.** In addition to meeting the requirements under subrule 59.6(1), an eligible business shall provide the enterprise zone commission with all of the following:

*a.* The long-term strategic plan for the business, which shall include labor and infrastructure needs.

*b.* Information dealing with the benefits the business will bring to the area.

*c.* Examples of why the business should be considered or would be considered a good business enterprise.

*d.* The impact the business will have on other Iowa businesses in competition with it. The enterprise zone commission shall make a good faith effort to identify existing Iowa businesses within an industry in competition with the business being considered for assistance. The enterprise zone commission shall make a good faith effort to determine the probability that the proposed financial assistance will displace employees of the existing businesses. In determining the impact on businesses in competition with the business being considered for assistance, jobs created or retained as a result of other jobs being displaced elsewhere in the state shall not be considered direct jobs created or retained.

*e.* A report describing all violations of environmental law or worker safety law within the last five years. If, upon review of the application, the enterprise zone commission finds that a business has a record of violations of the law, statutes, rules, or regulations that tends to show a consistent pattern, the enterprise zone commission shall not make an award of financial assistance to the business unless the commission finds either that the violations did not seriously affect public health, public safety, or the environment, or, if such violations did seriously affect public health, public safety, or the environment, that mitigating circumstances were present.

**59.6(3) Benefits.** The department reserves the right to negotiate the amount of all program benefits except the following benefits: the new jobs supplemental credit; the value-added property tax exemption; and the refund of sales, service and use taxes paid to contractors and subcontractors. The following incentives and assistance may be available to an eligible business within a certified enterprise zone, subject to the amount of incentives and assistance negotiated by the department with the eligible business and agreed upon as described in an executed agreement, only when the average wage of all the new project jobs meets the minimum wage requirements of 59.6(1)“d”:

*a. New jobs supplemental credit.* An approved business shall receive a new jobs supplemental credit from withholding in an amount equal to 1½ percent of the gross wages paid by the business, as provided in Iowa Code section 15E.197. The supplemental new jobs credit available under this program is in addition to and not in lieu of the program and withholding credit of 1½ percent authorized under Iowa Code chapter 260E. Additional new jobs created by the project, beyond those that were agreed to in the original agreement as described in 261—59.12(15E), are eligible for the additional 1½ percent withholding credit as long as those additional jobs meet the local enterprise zone wage eligibility criteria and are an integral part or a continuation of the new location or expansion. Approval and administration of the supplemental new jobs credit shall follow existing procedures established under Iowa Code chapter 260E. Businesses eligible for the new jobs training program are those businesses engaged in interstate commerce or intrastate commerce for the purpose of manufacturing, processing, or assembling products, conducting research and development, or providing services in interstate commerce, but exclude retail, health or professional services.

*b. Value-added property tax exemption.*

(1) The county or city for which an eligible enterprise zone is certified may exempt from property taxation all or a portion of the value added to the property upon which an eligible business locates or expands in an enterprise zone and which is used in the operation of the eligible business. This exemption

shall be authorized by the city or county that would have been entitled to receive the property taxes, but is electing to forego the tax revenue for an eligible business under this program. The amount of value added for purposes of Iowa Code section 15E.196 shall be the amount of the increase in assessed valuation of the property following the location or expansion of the business in the enterprise zone.

(2) If an exemption is made applicable only to a portion of the property within an enterprise zone, there must be approved uniform criteria which further some planning objective established by the city or county zone commission. These uniform criteria must also be approved by the eligible city or county. Examples of acceptable “uniform criteria” that may be adopted include, but are not limited to, wage rates, capital investment levels, types and levels of employee benefits offered, job creation requirements, and specific targeted industries. “Planning objectives” may include, but are not limited to, land use, rehabilitation of distressed property, or brownfields remediation.

(3) The exemption may be allowed for a period not to exceed ten years beginning the year value added by improvements to real estate is first assessed for taxation in an enterprise zone.

(4) This value-added property tax exemption may be used in conjunction with other property tax exemptions or other property tax-related incentives such as property tax exemptions that may exist in Urban Revitalization Areas or Tax Increment Financing (TIF). Property tax exemptions authorized under Iowa Code chapter 427B may not be used, as stated in Iowa Code section 427B.6, in conjunction with property tax exemptions authorized by city council or county board of supervisors within the local enterprise zone.

*c. Investment tax credit and insurance premium tax credit.*

(1) Investment tax credit. An eligible business may claim an investment tax credit as provided in Iowa Code section 15.333. A corporate income tax credit may be claimed of up to a maximum of 10 percent of the new investment which is directly related to new jobs created by the location or expansion of the business in the enterprise zone. The credit may be used against a tax liability imposed for individual income tax, corporate income tax, franchise tax, or against the moneys and credits tax imposed in Iowa Code section 533.24.

1. Five-year amortization period. For projects approved on or after July 1, 2005, the tax credit shall be amortized equally over a five-year period which the department, in consultation with the eligible business, will define. The five-year amortization period will be specified in the agreement referenced in rule 261—59.13(15E).

2. Flow-through of tax credits. If the business is a partnership, subchapter S corporation, limited liability company, cooperative organized under Iowa Code chapter 501 or 501A and filing as a partnership for federal tax purposes, or an estate or trust electing to have the income taxed directly to the individual, an individual may claim the tax credit allowed.

3. Seven-year carryforward. Any credit in excess of tax liability for the tax year may be credited to the tax liability for the following seven years or until depleted, whichever occurs first.

4. Refund of unused tax credit. Subject to prior approval by the department in consultation with the department of revenue, an eligible business whose project primarily involves the production of value-added agricultural products or biotechnology-related processes may elect to apply for a refund for all or a portion of an unused tax credit.

5. IRS Section 521. For purposes of this paragraph, an eligible business includes a cooperative as described in Section 521 of the United States Internal Revenue Code which is not required to file an Iowa corporate income tax return.

6. Maximum capital expenditures stated in agreement. The business participating in the enterprise zone may not claim an investment tax credit for capital expenditures above the amount stated in the agreement described in 261—59.12(15E). An eligible business may instead, prior to project completion, seek to amend the contract, allowing the business to receive an investment tax credit for additional capital expenditures.

(2) Insurance premium tax credit. The insurance premium tax credit benefit is available for a business that submits an application for enterprise zone participation on or after July 1, 1999. If the business is an insurance company, the business may claim an insurance premium tax credit as provided in Iowa Code section 15E.196.

1. Five-year amortization period. For projects approved on or after July 1, 2005, the tax credit shall be amortized equally over a five-year period which the department, in consultation with the eligible business, will define. The five-year amortization period will be specified in the agreement referenced in rule 261—59.13(15E).

2. Credit of up to 10 percent of new investment. An Iowa insurance premium tax credit may be claimed of up to a maximum of 10 percent of the new investment which is directly related to new jobs created by the location or expansion of the business in the enterprise zone.

3. Seven-year carryforward. Any credit in excess of tax liability for the tax year may be credited to the tax liability for the following seven years or until depleted, whichever occurs first.

4. Maximum capital expenditures as stated in agreement. The business participating in the enterprise zone may not claim an investment tax credit for capital expenditures above the amount stated in the agreement described in 261—59.12(15E). An eligible business may instead seek to amend the contract, allowing the business to receive an investment tax credit for additional capital expenditures, or may elect to submit a new application within the enterprise zone.

(3) Eligible capital expenditures. For purposes of this rule, the capital expenditures eligible for the investment tax credit or the insurance premium tax credit under the enterprise zone program are:

1. The costs of machinery and equipment as defined in Iowa Code section 427A.1(1)“e” and “j” purchased for use in the operation of the eligible business, the purchase prices of which have been depreciated in accordance with generally accepted accounting principles;

2. The cost of improvements made to real property which is used in the operation of the eligible business; and

3. The annual base rent paid to a third-party developer for a period equal to the term of lease agreement but not to exceed ten years, provided that the cumulative costs of the base rent payments for that period do not exceed the cost of the land and the third-party developer’s costs to build or renovate the building. Annual base rent shall be considered only when the project includes the construction of a new building or the major renovation of an existing building. The eligible business shall enter into a lease agreement with the third-party developer for a minimum of five years.

(4) Real property. For business applications received on or after July 1, 1999, for purposes of the investment tax credit claimed under Iowa Code section 15.333 and for business applications received on or after May 26, 2000, for purposes of the insurance premium tax credit claimed under Iowa Code section 15.333A, subsection 1, the purchase price of real property and any existing buildings and structures located on the real property will also be considered a new investment in the location or expansion of an eligible business. However, if within five years of purchase, the eligible business sells or disposes of, razes or otherwise renders unusable the land, buildings, or other existing structures for which tax credit was claimed under Iowa Code section 15.333 or under Iowa Code section 15.333A, subsection 1, the income tax liability, or where applicable the insurance premium tax liability, of the eligible business for the year in which the property is sold, disposed of, razed, or otherwise rendered unusable shall be increased by one of the following amounts:

1. One hundred percent of the tax credit claimed under this section if the property ceases to be eligible for the tax credit within one year after being placed in service.

2. Eighty percent of the tax credit claimed under this section if the property ceases to be eligible for the tax credit within two years after being placed in service.

3. Sixty percent of the tax credit claimed under this section if the property ceases to be eligible for the tax credit within three years after being placed in service.

4. Forty percent of the tax credit claimed under this section if the property ceases to be eligible for the tax credit within four years after being placed in service.

5. Twenty percent of the tax credit claimed under this section if the property ceases to be eligible for the tax credit within five years after being placed in service.

(5) Refunds. An eligible business whose project primarily involves the production of value-added agricultural products and whose application was approved by the department on or after May 26, 2000, or whose project primarily involves biotechnology-related processes and whose application was approved

by the department on or after July 1, 2005, may elect to receive as a refund all or a portion of an unused investment tax credit.

1. The department will determine whether a business's project primarily involves the production of value-added agricultural products or biotechnology-related processes. Effective July 1, 2001, an eligible business that elects to receive a refund shall apply to the department for a tax credit certificate.

2. The business shall apply for a tax credit certificate using the form provided by the department. Requests for tax credit certificates will be accepted between May 1 and May 15 of each fiscal year. Only those eligible businesses that have completed projects before the May 1 filing date may apply for a tax credit certificate. For a cooperative described in Section 521 of the United States Internal Revenue Code, the department shall require the cooperative to submit a list of members whom the cooperative wishes to receive a tax credit certificate for their prorated share of ownership. The cooperative shall submit its list in a computerized electronic format that is compatible with the system used or designated by the department. The computerized list shall, at a minimum, include the name, address, social security number or taxpayer identification number, business telephone number and ownership percentage, carried out to six decimal places, of each cooperative member eligible for a tax credit certificate. The cooperative shall also submit a total dollar amount of the unused investment tax credits for which the cooperative's members are requesting a tax credit certificate.

3. The department will make public by June 1 of each year the total number of requests for tax credit certificates and the total amount of requested tax credit certificates that have been submitted. The department will issue tax credit certificates within a reasonable period of time.

4. The department shall not issue tax credit certificates which total more than \$4 million during a fiscal year. If the department receives applications for tax credit certificates in excess of \$4 million, the applicants shall receive certificates for a prorated amount. In such a case, the tax credit requested by an eligible business will be prorated based upon the total amount of requested tax credit certificates received during the fiscal year. This proportion will be applied to the amount requested by each eligible business to determine the amount of the tax credit certificate that will be distributed to each business for the fiscal year. For example, if an eligible business submits a request in the amount of \$1 million and the total amount of requested tax credit certificates equals \$8 million, the business will be issued a tax credit certificate in the amount of \$500,000:

$$\frac{\$4 \text{ million}}{\$8 \text{ million}} = 50\% \times \$1 \text{ million} = \$500,000.$$

5. Tax credit certificates shall not be valid until the tax year following project completion. The tax credit certificates shall not be transferred except in the case of a cooperative as described in Section 521 of the United States Internal Revenue Code. For such a cooperative, the individual members of the cooperative are eligible to receive the tax credit certificates. Tax credit certificates shall be used in tax years beginning on or after July 1, 2001. A business shall not claim a refund of unused investment tax credit unless a tax credit certificate issued by the department is attached to the taxpayer's tax return for the tax year during which the tax credit is claimed. Any unused investment tax credit in excess of the amount of the tax credit certificate issued by the department may be carried forward for up to seven years after the qualifying asset is placed in service or until the eligible business's unused investment tax credit is depleted, whichever occurs first. An eligible business may apply for tax credit certificates once each year for up to seven years after the qualifying asset is placed in service or until the eligible business's unused investment tax credit is depleted, whichever occurs first. For example, an eligible business which completes a project in October 2001 and has an investment tax credit of \$1 million may apply for a tax credit certificate in May 2002. If, because of the proration of the \$4 million of available refundable credits for the fiscal year, the business is awarded a tax credit certificate in the amount of \$300,000, the business may claim the \$300,000 refund and carry forward the unused investment tax credit of \$700,000 for up to seven years or until the credit is depleted, whichever occurs first.

*d. Research activities credit.* A business is eligible to claim a research activities credit as provided in Iowa Code section 15.335. This benefit is a corporate tax credit for increasing research activities in

this state during the period the business is participating in the program. For purposes of claiming this credit, a business is considered to be “participating in the program” for a period of ten years from the date the business’s application was approved by the department. This credit equals 6½ percent of the state’s apportioned share of the qualifying expenditures for increasing research activities. The state’s apportioned share of the qualifying expenditures for increasing research activities is a percent equal to the ratio of qualified research expenditures in this state to total qualified research expenditures. This credit is in addition to the credit authorized in Iowa Code section 422.33. If the business is a partnership, subchapter S corporation, limited liability company, or an estate or trust electing to have the income taxed directly to the individual, an individual may claim the tax credit allowed. Any tax credit in excess of the tax liability shall be refunded to the eligible business with interest computed under Iowa Code section 422.25. In lieu of claiming a refund, the eligible business may elect to have the overpayment credited to its tax liability for the following year.

For projects approved on or after July 1, 2005, “research activities” includes the development and deployment of innovative renewable energy generation components manufactured or assembled in Iowa. A renewable energy generation component will no longer be considered innovative when more than 200 megawatts of installed effective name plate capacity has been achieved. Research activities credits awarded under this program and the high quality job creation program for innovative renewable energy generation components shall not exceed a total of \$1 million.

*e. Refund of sales, service and use taxes paid to contractors or subcontractors.*

(1) A business is eligible for a refund of sales, service and use taxes paid to contractors and subcontractors as authorized in Iowa Code section 15.331A.

1. An eligible business may apply for a refund of the sales, service and use taxes paid under Iowa Code chapters 422 and 423 for gas, electricity, water or sewer utility services, goods, wares, or merchandise, or on services rendered, furnished, or performed to or for a contractor or subcontractor and used in the fulfillment of a written contract relating to the construction or equipping of a facility within the enterprise zone.

2. Taxes attributable to intangible property and furniture and furnishings shall not be refunded. To receive a refund of the sales, service and use taxes paid to contractors or subcontractors, the eligible business must, within one year after project completion, make an application to the department of revenue. For new manufacturing facilities, “project completion” means the first date upon which the average annualized production of finished product for the preceding 90-day period at the manufacturing facility operated by the eligible business within the enterprise zone is at least 50 percent of the initial design capacity of the facility. For existing facilities, “project completion” means the date of completion of all improvements included in the enterprise zone project.

(2) If the project is the location or expansion of a warehouse or distribution center in the enterprise zone, the approved business may be entitled to a refund of sales and use taxes attributable to racks, shelving, and conveyor equipment. The approved business shall, within one year of project completion, make written application to the department for a refund. The application must include the refund amount being requested and documentation such as invoices, contracts or other documents which substantiate the requested amount. The department, in consultation with the department of revenue, will validate the refund amount and instruct the department of revenue to issue the refund.

The aggregate combined total amount of refunds and tax credits attributable to sales and use taxes on racks, shelving, and conveyor equipment issued by the department to businesses approved for high quality job creation program, new capital investment program, new jobs and income program, and enterprise zone program benefits shall not exceed \$500,000 during a fiscal year. Tax refunds and tax credits will be issued on a first-come, first-served basis. If an approved business’s application does not receive a refund or tax credits due to the limitation of \$500,000 per fiscal year, the approved business’s application shall be considered in the succeeding fiscal year.

*f. New jobs insurance premium tax credit.* Rescinded IAB 11/9/05, effective 12/14/05.

*g. Limitation on receiving incentives.* Rescinded IAB 11/9/05, effective 12/14/05.

**59.6(4) Duration of benefits.** An enterprise zone designation shall remain in effect for ten years following the date of certification. Any state or local incentives or assistance that may be conferred must

be conferred before the designation expires. However, the benefits of the incentive or assistance may continue beyond the expiration of the zone designation.

**59.6(5) *Application review and submittal.*** Eligible businesses shall first submit applications for enterprise zone program benefits to the local enterprise zone commission. Commission-approved applications shall be forwarded to the department for final review and approval.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09]

**261—59.7(15E) Alternative eligible business.** Rescinded IAB 9/17/03, effective 10/22/03.

**261—59.8(15E) Eligible housing business.** An eligible housing business includes a housing developer, housing contractor, or nonprofit organization.

**59.8(1) *Requirements.*** A housing business shall satisfy all of the following as conditions to receiving the benefits described in this rule.

*a.* The housing business must build or rehabilitate either:

(1) A minimum of four single-family homes located in that part of a city or county in which there is a designated enterprise zone, or

(2) One multiple dwelling unit building containing three or more individual dwelling units located in that part of a city or county in which there is a designated enterprise zone.

For purposes of this subrule, rehabilitation means any project in which the costs of improvements to the property are equal to or greater than 25 percent of the acquisition cost of the property.

*b.* The single-family homes or dwelling units which are rehabilitated or constructed by the housing business shall include the necessary amenities. When completed and made available for occupancy, the single-family homes or dwelling units shall meet the United States Department of Housing and Urban Development's housing quality standards and local safety standards.

*c.* The eligible housing business shall complete its building or rehabilitation within two years from the time the business begins construction on the single-family homes and dwelling units. The failure to complete construction or rehabilitation within two years shall result in the eligible housing business's becoming ineligible and subject to the repayment requirements and penalties in the agreement described in rule 261—59.13(15E).

*d.* An eligible housing business shall provide the enterprise zone commission with all of the following information:

(1) The long-term plan for the proposed housing development project, including labor and infrastructure needs.

(2) Information dealing with the benefits the proposed housing development project will bring to the area.

(3) Examples of why the proposed development project should be considered a good housing development project.

(4) An affidavit that it has not, within the last five years, violated state or federal environmental and worker safety statutes, rules, and regulations or if such violations have occurred that there were mitigating circumstances or such violations did not seriously affect public health or safety or the environment.

(5) Information showing the total costs and sources of project financing that will be utilized for the new investment directly related to housing for which the business is seeking approval for a tax credit provided in subrule 59.8(2), paragraph "a."

(6) The names of the partners if the business is a partnership, the names of the shareholders if the business is an S corporation, or the names of the members if the business is a limited liability company. The amount of each partner's, shareholder's or member's expected share of the percentage of benefits should be included.

**59.8(2) *Benefits.*** A business that qualifies under the "eligible housing business" category may be eligible to receive the following benefits:

*a. Investment tax credit.* An eligible housing business may claim a tax credit up to a maximum of 10 percent of the new investment which is directly related to the building or rehabilitating of a minimum of four single-family homes located in that part of a city or county in which there is a designated enterprise

zone or one multiple dwelling unit building containing three or more individual dwelling units located in that part of a city or county in which there is a designated enterprise zone.

(1) New investment which is directly related to the building or rehabilitating of homes includes, but is not limited to, the following costs: land, surveying, architectural services, building permits, inspections, interest on a construction loan, building materials, roofing, plumbing materials, electrical materials, amounts paid to subcontractors for labor and material provided, concrete, labor, landscaping, appliances normally provided with a new home, heating and cooling equipment, millwork, drywall and drywall materials, nails, bolts, screws, and floor coverings.

(2) New investment does not include the machinery, equipment, or hand or power tools necessary to build or rehabilitate homes.

(3) In determining the amount of tax credits to be awarded to a project, the department shall not include the portion of the project cost financed through federal, state, and local government tax credits, grants, and forgivable loans.

(4) The tax credit shall not exceed 10 percent of \$140,000 for each home or individual unit in a multiple dwelling unit building.

(5) This tax credit may be used to reduce the tax liability imposed under Iowa Code chapter 422, division II, III, or V, or chapter 432. The tax credit may be taken on the tax return for the tax year in which the project is certified for occupancy. Any credit in excess of the tax liability for the tax year may be credited to the tax liability for the following seven years or until depleted, whichever occurs earlier. If the business is a partnership, S corporation, limited liability company, or estate or trust electing to have the income taxed directly to the individual, an individual may claim the tax credit allowed. The amount claimed by the individual shall be based upon the pro rata share of the individual's earnings of the partnership, S corporation, limited liability company, or estate or trust, except in projects using low-income housing tax credits authorized under Section 42 of the Internal Revenue Code to assist in the financing of the housing development. The approved housing business using federal Section 42 tax credits may designate each owner's or participant's share or percentage of the benefits.

(6) The department shall issue tax credit certificates once per year or when the department determines it to be necessary and appropriate to approve housing businesses eligible to receive the housing enterprise zone tax credit. The eligible housing business may claim the tax credit by attaching the certificate to the business's tax return for the year in which the housing units are completed.

(7) If the approved housing business is using federal low-income housing tax credits authorized under Section 42 of the Internal Revenue Code to assist in the financing of the project, the department shall issue a transferable tax credit certificate to the eligible housing business. The amount of any replacement tax credit certificates requested by the housing business will be based on documentation provided to the department by the applicant or by the Iowa finance authority and should be consistent with the amount contained in the project's 8609 CPA Certification on file with the Iowa finance authority.

(8) Housing enterprise zone tax credit certificates issued to eligible housing businesses also using low-income housing tax credits authorized under Section 42 of the Internal Revenue Code to assist in the financing of the project may be transferred to any person. Within 90 days of the sale of the housing enterprise zone tax credit, the eligible housing business must return the tax credit certificate issued by the department so that replacement tax credit certificate(s) can be issued. The original tax credit certificate shall be accompanied by a written statement from the eligible housing business which contains the names, tax identification numbers, and addresses of the taxpayers to which the tax credits are being transferred, along with the denomination that each replacement tax credit certificate is to carry and any other information required by the department of revenue. Within 30 days of receiving the eligible housing business's tax credit certificate and written statement, the department shall issue replacement tax credit certificate(s).

(9) The tax credit certificate shall also be transferable if the housing development is located in a brownfield site as defined in Iowa Code section 15.291 or if the housing development is located in a blighted area as defined in Iowa Code section 403.17. Not more than \$3 million worth of tax credits for housing developments that are located in a brownfield site as defined in Iowa Code section 15.291 or housing developments located in a blighted area as defined in Iowa Code section 403.17 shall be

transferred in a calendar year. The \$3 million annual limit does not apply to tax credits awarded to an eligible business having low-income housing tax credits authorized under Section 42 of the Internal Revenue Code to assist in the financing of the housing development. The department may approve an application for tax credit certificates for transfer from an eligible housing business located in a brownfield site as defined in Iowa Code section 15.291 or in a blighted area as defined in Iowa Code section 403.17 that would result in the issuance of more than \$3 million of tax credit certificates for transfer, provided that the department, through negotiation with the eligible housing business, allocates those tax credit certificates for transfer over more than one calendar year. The department shall not issue more than \$1,500,000 in tax credit certificates for transfer to any one eligible housing business located in a brownfield site as defined in Iowa Code section 15.291 or in a blighted area as defined in Iowa Code section 403.17. If \$3 million in tax credit certificates for transfer have not been issued at the end of a calendar year, the remaining tax credit certificates for transfer may be issued at the end of a calendar year, the remaining tax credit certificates for transfer may be issued in advance to an eligible housing business scheduled to receive a tax credit certificate for transfer in a later calendar year. Anytime the department issues a tax credit certificate for transfer which has not been allocated at the end of a calendar year, the department may prorate the remaining certificates to more than one eligible applicant. If the entire \$3 million of tax credit certificates for transfer is not issued in a given calendar year, the remaining amount may be carried over to a succeeding calendar year.

(10) The department will process requests for transfer of the tax credit and issuance of the replacement tax credit certificates for housing developments that are located in brownfield sites as defined in Iowa Code section 15.291 or blighted areas as defined in Iowa Code section 403.17 at the time of application or in writing each calendar year. Eligible requests for transfer of these credits will be considered in the order they are received. The transfer of the credit by replacement tax credit certificate will be limited to \$3 million per calendar year and \$1,500,000 per development per calendar year. Requests received after the \$3 million limit is reached will be considered for the following year's allocation after any previously approved requests or negotiated allocations of the credit remaining from the current or previous years have been processed. When housing enterprise zone benefits are awarded to one housing business in an amount exceeding the annual transferable limit of \$1,500,000 per year, the housing business may negotiate with the department to receive the tax credit benefits from future years' limits when possible. These limits do not apply to housing tax credits authorized by Section 42 of the Internal Revenue Code or to other housing enterprise zone developments not located in brownfield sites as defined in Iowa Code section 15.291 or blighted areas as defined in Iowa Code section 403.17.

*b. Sales, service, and use tax refund.* An approved housing business shall receive a sales, service, and use tax refund for taxes paid by an eligible housing business including an eligible housing business acting as a contractor or subcontractor, as provided in Iowa Code section 15.331A.

**59.8(3) Application submittal and review.** An eligible housing business shall first submit an application to the commission for approval. The commission shall forward applications that it has approved to receive benefits and assistance to the department for final review and approval.

**261—59.9(79GA,ch141) Eligible development business.** Rescinded IAB 11/9/05, effective 12/14/05.

**261—59.10(15E) Commission review of businesses' applications.**

**59.10(1) Additional commission eligibility requirements.** Under the Act, a commission is authorized to adopt additional eligibility requirements related to compensation and benefits that businesses within a zone must meet in order to qualify for benefits. Additional local requirements that may be considered could include, but are not limited to, the types of industries or businesses the commission wishes to receive enterprise zone benefits; requirements that preference in hiring be given to individuals who live within the enterprise zone; higher wage eligibility threshold requirements than would otherwise be required; higher job creation eligibility threshold requirements than would otherwise be required; the level of benefits required; local competition issues; or any other criteria the commission deems appropriate. If a commission elects to adopt more stringent requirements than those contained in the

Act and these rules for a business to be eligible for incentives and assistance, these requirements shall be submitted to the department.

**59.10(2) Application.** The department will develop a standardized application that it will make available for use by a business applying for benefits and assistance as an eligible business, an eligible housing business or an eligible development business. The commission may add any additional information to the application that it deems appropriate for a business to qualify as an eligible business, an eligible housing business or an eligible development business. If the commission determines that a business qualifies for inclusion in an enterprise zone and that it is eligible for benefits under the Act, the commission shall submit an application for incentives or assistance to the department.

**261—59.11(15E) Other commission responsibilities.**

**59.11(1)** Commissions have the authority to adopt a requirement that preference in hiring be given to individuals who live within the enterprise zone. If it does so, the commission shall work with the local workforce development center to determine the labor availability in the area.

**59.11(2)** Commissions shall examine and evaluate building codes and zoning in enterprise zones and make recommendations to the appropriate governing body in an effort to promote more affordable housing development.

**261—59.12(15E) Department action on eligible applications.** The department may approve, deny, or defer applications from qualified businesses. In reviewing applications for incentives and assistance under the Act, the department will consider the following:

**59.12(1) Compliance with the requirements of the Act and administrative rules.** Each application will be reviewed to determine if it meets the requirements of the Act and these rules. Specific criteria to be reviewed include, but are not limited to: medical and dental insurance coverage; wage levels; number of jobs to be created; and capital investment level.

**59.12(2) Competition.** The department shall consider the impact of the eligible business on other businesses in competition with it and compare the compensation package of businesses in competition with the business being considered for incentives and assistance under this program, to ensure an overall economic gain to the state.

**59.12(3) Displacement of workers.** The department will make a good-faith effort to determine the probability that the proposed incentives will displace employees of existing businesses. In determining the impact on businesses in competition with the business seeking incentives or assistance, jobs created as a result of other jobs being displaced elsewhere in the state shall not be considered direct jobs created.

**59.12(4) Violations of law.** The department will review each application to determine if the business has a record of violations of law as described in 261—Chapter 172.

**59.12(5) Commission's recommendations and additional criteria.** For each application from a business, the department will review the local analysis (including any additional local criteria) and recommendation of the enterprise zone commission in the zone where the business is located, or plans to locate.

**59.12(6) Other relevant information.** The department may also review an application using factors it reviews in other department-administered financial assistance programs which are intended to assess the quality of the jobs pledged.

**59.12(7) Negotiations.** The department may enter into negotiations regarding the amount of tax incentives and assistance the business may be eligible to receive. The department reserves the right to negotiate the amount of all program benefits except the following benefits: the new jobs supplemental credit; the value-added property tax exemption; and the refund of sales, service and use taxes paid to contractors and subcontractors. The criteria to be used in the negotiations to determine the amount of tax incentives and assistance are as described in subrule 59.5(2) and are subject to the limitations stated in subrule 59.5(3).

**261—59.13(15E) Agreement.** Rescinded IAB 7/4/07, effective 6/15/07.

**261—59.14(15E) Compliance; repayment requirements; recovery of value of incentives.** Rescinded IAB 7/4/07, effective 6/15/07.

**261—59.15(15E) Applicability on or after July 1, 2014.**

**59.15(1)** Effective as of July 1, 2014, the enterprise zone program was repealed by 2014 Iowa Acts, House File 2448. No agreements shall be entered into under the program on or after July 1, 2014.

**59.15(2)** To the extent allowed by other provisions of law, the rules adopted in this chapter shall continue to apply to agreements entered into on or before June 30, 2014.

**59.15(3)** On or after July 1, 2014, a city or county shall not create an enterprise zone under Iowa Code chapter 15E, division XVIII, or enter into a new agreement under Iowa Code chapter 15E, division XVIII. A city or county and the authority, with the approval of the authority board, may amend an agreement for compliance reasons if the amendment does not increase the amount of incentives awarded under the agreement.

**59.15(4)** The authority and an eligible business may amend an agreement entered into prior to July 1, 2014, in order to avoid hardship to an eligible business in the performance or maintenance of the agreement but only to the extent that amending the agreement would not require amendment by a city or county. The determination as to whether a hardship exists shall be within the discretion of the authority. The authority shall not amend an agreement in any manner that would increase the amount of tax incentives provided under the agreement.

CHAPTER 60  
ENTREPRENEURIAL VENTURES  
ASSISTANCE (EVA) PROGRAM

**261—60.1(15) Purpose and administrative procedures.**

**60.1(1) Purpose.** The department of economic development administers the entrepreneurial ventures assistance (EVA) program. The purpose of the entrepreneurial ventures assistance program is to encourage the development of entrepreneurial venture planning and managerial skills in conjunction with the delivery of a financial assistance program for business start-ups and expansions.

**60.1(2) Administrative procedures.** The EVA program is subject to the requirements of the department's rules located in 261—Part VII, additional application requirements and procedures, and 261—Part VIII, legal and compliance.

**261—60.2(15) Definitions.** In addition to the standard definitions located in 261—Chapter 173, the following definitions apply to the EVA program:

*“Early-stage industry company”* or *“early-stage company”* means a company with three years or less of experience in a particular industry.

*“Eligible applicant”* means an individual or business that has consulted with and obtained a letter of endorsement from an IDEED-approved business accelerator or from another IDEED-recognized entrepreneurial development organization.

*“Eligible business”* means a start-up company, an early-stage company, or an existing company that is developing a new product or technology.

*“EVA”* means the entrepreneurial ventures assistance program, authorized by Iowa Code sections 15.338 and 15.339.

**261—60.3(15) Eligibility requirements.**

**60.3(1)** In order to be eligible for assistance, the business, or proposed business, must be located in the state of Iowa.

**60.3(2)** If the business is a sole proprietorship or a partnership, all applicable business owners must apply. If the business is a limited liability company, a limited liability partnership, or a corporation, the application must be submitted and signed by an individual who has been authorized by the business to do so.

**60.3(3)** In order to be eligible for assistance, the business owner or owners (or appropriate individual(s) in a limited liability company, limited liability partnership or corporation) must consult with and obtain a letter of endorsement from an IDEED-approved business accelerator or from another recognized entrepreneurial development organization such as a John Pappajohn Entrepreneurial Center (JPEC), a Small Business Development Center (SBDC), or an equivalent organization recognized by IDEED.

**60.3(4)** In order to be eligible for assistance, the individual or business must have a business plan which details the business's growth strategy, management team (if applicable), production/management plan, marketing plan, financial plan, and other standard elements of a business plan.

**261—60.4(15) Financial assistance.** Applicants may apply to IDEED for financial assistance to assist with their business start-up or early-stage growth. The applicant may request up to \$250,000 for start-up or early-stage growth activities to be used for business expenses and to leverage conventional financing from commercial lenders or private investors. Assistance will generally be made in staged investments with amounts to be determined by company development, growth, and defined milestones. The assistance under this program is limited to 50 percent or less of the total original capitalization, if a new business, or total project costs, if an existing business. Funds may be used to purchase machinery, equipment, or software, or for working capital needs, or other business expenses deemed reasonable and appropriate by IDEED. Awards will be in the form of an equitylike investment (e.g., royalty agreement, deferred loan). A single recipient is limited to \$250,000 in total financial assistance.

**261—60.5(15) Technical assistance.** Applicants may also apply for assistance in paying for consulting, or technical assistance, either in conjunction with the request for financial assistance, or after a period of time that the business has been in operation. Technical assistance of this nature is limited to no more than \$25,000 per applicant.

**261—60.6(15) Application process.** Applications must be submitted in the format required by the department. Applications, the business plan, and related material shall be submitted on line or by mail to Entrepreneurial Ventures Assistance Program, Division of Business Development, Business Finance, Iowa Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309.

**261—60.7(15) Review criteria.**

**60.7(1)** Applications will first be reviewed for completeness. If additional information is required, the program staff shall send the applicant notice to submit the additional needed information. The applicant shall submit the requested information within a reasonable time period in order to ensure further action on the request.

**60.7(2)** The applications will then be reviewed for content of the business plan, and an evaluation of the business's potential viability and potential for growth. The department may consult with the JPEC centers, or other knowledgeable agencies or individuals, as a part of the review process.

**60.7(3)** The following items will be reviewed and evaluated:

*a. Type of business.*

(1) Highest priority will be given to businesses in sectors of the Iowa economy with the greatest start-up and growth potential for Iowa, including but not limited to:

1. Biotechnology (including drugs and pharmaceuticals and value-added agricultural products);
2. Recyclable materials;
3. Software development and computer-related products;
4. Advanced materials;
5. Advanced manufacturing; and
6. Medical and surgical instruments.

(2) Assistance may be provided to industries other than those listed in “1” through “6” above; however, the applicant will have to provide a strong rationale regarding how that industry diversifies, strengthens or otherwise enhances Iowa's economy. Eligibility may be established by an industry other than those listed if that industry can provide rationale regarding the industry's benefit to Iowa's economic base. Rationale that is provided will be reviewed by department staff to determine eligibility as a targeted industry. Items that will be considered in determining an industry's benefit to Iowa's economic base will include:

1. The majority of the products or services produced by the industry are exported out of Iowa;
  2. The inputs for the products produced in the industry are raw materials available in Iowa or are provided by Iowa suppliers;
  3. The goods or services produced by this industry diversify Iowa's economy;
  4. The goods or services provided by the industry resulted in, or will result in, a decrease in the importation of foreign-made goods into the United States;
  5. The industry shows potential for future growth;
  6. The functions of the industry do not produce harmful effects for Iowa's natural environment;
- and
7. Whether the average wages of the majority of the occupations in the industry are above the statewide average wage.

Businesses engaged in retail sales, personal services, consulting, franchises, the provision of health care or other professional services, and distributors of products or services will not be considered targeted industries and are not eligible for this program.

*b. Management team and management expertise.* Factors considered here would be whether the applicant(s) has a background (including education, training, work experience, and other factors) which

will be helpful and useful in the business in question. Also considered would be the degree to which the applicant's background is fully documented.

*c. Business capitalization.* Factors considered here would be the original sources of financing for the business. Although all projects must have at least 50 percent of their financing from sources other than the EVA program, preference would be given to those applications where the other sources of financing were even higher than 50 percent.

*d. Strength of business plan.* Factors considered here would be the quality of the business plan and how well it addresses all elements of the business, such as:

1. A description of the company and the overall industry;
2. The product and production plan;
3. The market, competition, and the marketing strategy;
4. The management team and business operations;
5. Patent issues (if applicable), critical risks and problems; and
6. Financial information and plan.

The strength of the business plan will be the most important factor in the evaluation and rating of applications. Rating factors in paragraphs "a," "b," and "c" above will be evaluated as either satisfactory or not satisfactory. However, the business plan will be rated on an actual numerical or comparative scale. Those applications which are satisfactory on factors in paragraphs "a," "b," and "c" above and which rate highest on strength of business plan will be funded first.

**261—60.8(15) Negotiation, decision, and award process.** Rescinded IAB 7/4/07, effective 6/15/07.

**261—60.9(15) Monitoring, reporting, and follow-up.** Rescinded IAB 7/4/07, effective 6/15/07.

**261—60.10(15,83GA,SF344) Applicability of EVA program after July 1, 2009.**

**60.10(1)** Effective July 1, 2009, the EVA program is rescinded by 2009 Iowa Acts, Senate File 344, section 9, and replaced with the grow Iowa values financial assistance program. Rules for the grow Iowa values financial assistance program may be found in 261—Chapter 74.

**60.10(2)** For awards made prior to July 1, 2009, the rules of 261—Chapter 60 shall govern for purposes of contract administration and closeout of projects. A contract amendment is not allowable if the result of the amendment is to increase the benefits available.

This rule is intended to implement 2009 Iowa Acts, Senate File 344.

**65.3(2) *Nonowner of site.*** A person who is not an owner of a site is an eligible applicant if the site meets the definition of a brownfield or grayfield site. The brownfield redevelopment program requires that an applicant has secured a sponsor prior to applying for program assistance. Prior to applying for financial assistance under the brownfield redevelopment program, an applicant who is not an owner of a site shall enter into an agreement with the owner of the brownfield site for which financial assistance is sought. The agreement shall at a minimum include:

- a. The total cost for remediating the site.
- b. Agreement that the owner shall transfer title of the property to the applicant upon completion of the remediation of the property. Title transfer is not required when the applicant is the owner of the property and no title transfer occurs.
- c. Agreement that upon the subsequent sale of the property by the applicant to a person other than the original owner, the original owner shall receive not more than 75 percent of the estimated total cost of the remediation, acquisition or redevelopment.

**65.3(3) *Phased projects ineligible for tax credits.*** Tax credits for brownfield and grayfield redevelopment are only available for qualifying redevelopment projects. Because a qualifying redevelopment project does not include a previously remediated or redeveloped site, a project for subsequent redevelopment at the same site for which tax credits have already been awarded is not eligible for additional tax credits on redevelopment at that site. The authority and the council will determine whether a project constitutes subsequent redevelopment at the same site by considering the following factors:

- a. Whether the redevelopment described in multiple proposed projects is planned for a single parcel.
- b. Whether the redevelopment described in multiple proposed projects is planned for adjacent or contiguous parcels or parcels in very close physical proximity.
- c. Whether all involved parcels are owned by the same entity, different entities, or affiliated entities.
- d. Whether a proposed project is the result of the same planning process as another project.
- e. Whether the proposed projects are being developed by the same entity, different entities, or affiliated entities.
- f. Whether the development of one proposed project reflects a temporal connection to another proposed project.

## **261—65.4(15) Eligible forms of assistance and limitations.**

**65.4(1) *Financial assistance.*** Eligible forms of financial assistance include grants, interest-bearing loans, forgivable loans, loan guarantees, tax credits, and other forms of assistance under the brownfield redevelopment program and the redevelopment tax credits program for brownfields and grayfields established in Iowa Code sections 15.292 and 15.293A.

**65.4(2) *Other forms of assistance.*** The authority may provide information on alternative forms of assistance.

**65.4(3) *Limitation on amount.*** An applicant shall not receive financial assistance of more than 25 percent of the agreed-upon estimated total cost of remediation, acquisition or redevelopment. This limitation does not apply to assistance provided in the form of tax credits pursuant to subrule 65.11(4).

**65.4(4) *Exclusions.*** Program funds shall not be used for the remediation of contaminants being addressed under Iowa's leaking underground storage tank (UST) program. However, a site's being addressed under the UST program does not necessarily exclude that site from being addressed under

the Iowa brownfield redevelopment Act if other nonpetroleum contaminants or petroleum substances not addressed under 567—Chapter 135 are present.

**261—65.5(15) Repayment to economic development authority.** Under the brownfield redevelopment program only, upon the subsequent sale of the property by an applicant to a person other than the original owner, the applicant shall repay the authority for financial assistance received by the applicant. The repayment shall be in an amount equal to the sales price less the amount paid to the original owner pursuant to the agreement between the applicant and the original owner. The repayment amount shall not exceed the amount of financial assistance actually disbursed to the applicant by the authority.

**261—65.6(15) General procedural overview.**

**65.6(1)** Subject to availability of funds, applications to the brownfield redevelopment program will be accepted, reviewed and scored by economic development authority staff and by the advisory council on an annual basis. Brownfield redevelopment funds will be scored on a competitive basis by the council, which will make recommendations on award amounts to the board.

**65.6(2)** Subject to availability of funds, applications to the redevelopment tax credits program for brownfields and grayfields will be accepted and reviewed by economic development authority staff and scored by the advisory council on an annual basis. For the fiscal year beginning July 1, 2014, applications must be received by March 1, 2015. For each fiscal year thereafter, applications will be accepted beginning on July 1 and must be received by September 1. Subject to the availability of funding, the authority may set additional application deadlines after September 1 and before the end of a fiscal year.

**65.6(3)** Applications for all forms of financial assistance will be reviewed by staff for completeness and eligibility. If additional information is required, the applicant shall be provided with notice, in writing, to submit additional information. Recommendations from the advisory council will be submitted to the board. The board may approve, deny or defer an application.

**65.6(4)** Application forms for the brownfield redevelopment program and the redevelopment tax credits program for brownfields and grayfields are available on the authority's website.

**65.6(5)** The authority may provide technical assistance as necessary to applicants. Authority staff may conduct on-site evaluations of proposed activities.

**261—65.7(15) Application to the brownfield redevelopment program—agreements.**

**65.7(1)** Every application for assistance shall include evidence of sponsorship and any other information the authority deems necessary in order to process and review the application. An application shall be considered received by the authority only when the authority deems it to be complete. Applications for assistance shall also include the following information:

*a.* A business plan. The business plan should, at a minimum, include a remediation plan, a project contact/applying agency, a project overview (which would include the background of the project area, goals and objectives of the project, and implementation strategy), and a project/remediation budget.

*b.* A statement of purpose describing the intended use of and proposed repayment schedule for any financial assistance received by the applicant.

**65.7(2)** The authority shall accept and review applications in conjunction with the council and the board. The council shall consider applications in the order complete applications are received and make application recommendations to the board. The council will score applications according to the application review criteria established pursuant to rule 261—65.9(15). The board shall approve or deny applications.

**65.7(3)** Approved applicants shall enter into an agreement with the authority.

**261—65.8(15) Application to the redevelopment tax credits program—registration of projects—agreements.**

**65.8(1)** *System for application, review, registration, and authorization of projects.* The authority will administer a system for application, review, registration, and authorization of projects as described in this subrule and will only issue tax credit certificates pursuant to subrule 65.11(3).

*a.* The authority will accept and, in conjunction with the council, review applications for tax credits provided in Iowa Code section 15.293A and, with the approval of the council, make tax credit award recommendations regarding the applications to the board.

*b.* Applications for redevelopment tax credits will only be accepted during the established application period as provided in subrule 65.6(2).

*c.* Upon review of an application, the authority may register the project with the redevelopment tax credits program. If the authority registers the project, the authority may, in conjunction with the council, make a preliminary determination as to the amount of tax credit for which an award recommendation will be made to the board.

*d.* After registering the project, the authority will notify the investor of successful registration under the redevelopment tax credits program. The notification may include the amount of tax credit for which an award recommendation will be made to the board. If an award recommendation is included in the notification, such notification will include a statement that the award recommendation is a recommendation only. The amount of tax credit included on a tax credit certificate issued pursuant to this rule shall be contingent upon an award by the board and upon completion of the requirements in this rule.

*e.* (1) All completed applications will be reviewed and scored, pursuant to subrule 65.8(2), on a competitive basis by the council and the board. In reviewing and scoring applications, the council and the board may consider any factors the council and board deem appropriate for a competitive application process, including but not limited to the financial need, quality, and feasibility of a qualifying redevelopment project.

(2) For purposes of this rule:

1. “*Feasibility*” means the likelihood that the project will obtain the financing necessary to allow for full completion of the project and the likelihood that the proposed redevelopment or improvement that is the subject of the project will be fully completed.

2. “*Financial need*” means the difference between the total costs of the project less the total financing that will be received for the project.

3. “*Quality*” means the merit of the project after considering and evaluating its total characteristics and measuring those characteristics in a uniform, objective manner against the total characteristics of other projects that have applied for the tax credit provided in this chapter during the same established application period.

*f.* Upon reviewing and scoring all applications that are part of an annual application period, the board may award tax credits provided in this chapter.

*g.* If the applicant for a tax credit provided in this chapter has also applied to an agency of the federal government or to the authority, the board, or any other agency of state government for additional financial assistance, the authority, the council, and the board will consider the amount of funding to be received from such public sources when making a tax credit award pursuant to this rule.

*h.* An applicant that is unsuccessful in receiving a tax credit award during an established application period may make additional applications during subsequent application periods. Such applicants must submit a new application and must be competitively reviewed and scored in the same manner as other applicants in that same application period.

**65.8(2)** *Scoring criteria.*

*a.* Each application for tax credits during each established application period will be scored according to criteria set forth in this paragraph. Points will be added together and the resulting score averaged with the scores of applications evaluated by all council members. Scoring criteria include:

(1) The project’s feasibility: 25 points.

(2) The project’s financial need: 25 points.

(3) The project's quality: 25 points.

b. There is no minimum score required for a project to receive a recommendation for funding, but a higher score indicates that the council views a project more favorably. The council's funding recommendation will reflect its overall view of the project in relation to other applying projects.

**65.8(3) Required information.** An investor applying for a tax credit shall provide the authority with all of the following:

a. Information showing the total costs of the qualifying redevelopment project, including the costs of land acquisition, cleanup, and redevelopment.

b. Information about the financing sources of the investment which are directly related to the qualifying redevelopment project for which the investor is seeking approval for a tax credit, as provided in this chapter.

c. Any other information deemed necessary by the board and the council to review and score the application pursuant to this rule.

**65.8(4) Agreement required—recapture of credits.** If an investor is awarded a tax credit pursuant to this rule, the authority and the investor shall enter into an agreement concerning the qualifying redevelopment project. If the investor fails to comply with any of the requirements of the agreement, the authority may find the investor in default under the agreement and may revoke all or a portion of the tax credit award. The department of revenue, upon notification by the authority of an event of default, shall seek repayment of the value of any such tax credit already claimed in the same manner as provided in Iowa Code section 15.330(2).

**65.8(5) Project completion.** A registered project shall be completed within 30 months of the date the project was registered unless the authority provides additional time to complete the project. If the registered project is not completed within the time required, the project is not eligible to claim a tax credit pursuant to this chapter.

**65.8(6) Audit required.**

a. Upon completion of a registered project, an audit of the project, completed by an independent certified public accountant licensed in this state, must be submitted to the authority.

b. Upon review of the audit and verification of the amount of the qualifying investment, the authority will issue a tax credit certificate to the investor stating the amount of tax credit that the investor may claim.

**261—65.9(15) Application review criteria.** Brownfield redevelopment funds will be awarded on a competitive basis. Applications will be reviewed and prioritized based on the following criteria:

1. Whether the project meets the definition of a brownfield site.
2. Whether alternative forms of assistance have been explored and used by the applicant.
3. The level of distress or extent of the problem on the site has been identified.
4. Whether the site is on or proposed to be added to the U.S. Environmental Protection Agency's list of CERCLA sites.
5. The degree to which awards secured from other sources are committed to the subject site.
6. The leveraging of other public and private resources beyond the 75 percent minimum required.
7. Type and terms of assistance requested.
8. Rationale that the project serves a public purpose.
9. The level of economic and physical distress within the project area.
10. Past efforts of the community/owner to resolve the problem.
11. Ability of the applicant to outline the goals and objectives of the project and describe the overall strategy for achieving the goals and objectives.
12. Ancillary off-site development as a result of site remediation.

**261—65.10(15) Administration of awards.**

**65.10(1)** A contract shall be executed between the recipient and the authority. These rules and applicable state laws and regulations shall be part of the contract.

**65.10(2)** The recipient must execute and return the contract to the authority within 45 days of transmittal of the final contract from the authority. Failure to do so may be cause for the board to terminate the award.

**65.10(3)** Certain activities may require that permits or clearances be obtained from other state or local agencies before the activity may proceed. Awards may be conditioned upon the timely completion of these requirements.

**65.10(4)** Awards may be conditioned upon commitment of other sources of funds necessary to complete the activity.

**65.10(5)** Awards may be conditioned upon the authority's receipt and approval of an implementation plan for the funded activity.

### **261—65.11(15) Redevelopment tax credit.**

**65.11(1) Purpose.** The purpose of the redevelopment tax credits program is to make tax credits available for a redevelopment project investment. The authority may cooperate with the department of natural resources and local governments in an effort to disseminate information regarding the redevelopment tax credit.

**65.11(2) Eligible applicant.** An individual, partnership, limited liability company, S corporation, estate, or trust electing to have income taxed directly to the individual may claim a redevelopment tax credit. Once an applicant is deemed eligible, the applicant shall be considered a qualifying investor for a redevelopment tax credit. A city or county may not apply for a redevelopment tax credit.

**65.11(3) Tax credit certificate.**

*a. Issuance.* The authority shall issue a redevelopment tax credit certificate upon completion of the project and submittal of proof of completion by the qualified investor. The tax credit certificate shall contain the qualified investor's name, address, and tax identification number; the amount of the credit; the name of the qualifying investor; whether the taxpayer has satisfied the requirements for the credit to be refundable; any other information required by the department of revenue; and a place for the name and tax identification number of a transferee and the amount of the tax credit being transferred.

*b. Claims.* To claim a tax credit under this rule, a qualified investor shall file a claim with the department of revenue pursuant to the department's applicable rules. The qualified investor must include one or more tax credit certificates with the qualified investor's tax return. A tax credit certificate shall not be used or included with a return filed for a taxable year beginning prior to the tax year listed on the certificate. The tax credit certificate or certificates included with the qualified investor's tax return shall be issued in the qualified investor's name, expire on or after the last day of the taxable year for which the qualified investor is claiming the tax credit, and show a tax credit amount equal to or greater than the tax credit claimed on the qualified investor's tax return.

*c. Transfer.* Tax credit certificates issued under this rule may be transferred to any person or entity pursuant to the department of revenue's applicable rules, except a tax credit certificate that is refundable pursuant to Iowa Code section 15.293A(1) "c"(2) as amended by 2022 Iowa Acts, House File 2317, shall not be transferable.

**65.11(4) Tax credit amount and limitations.**

*a. Refundability.* A tax credit in excess of the taxpayer's liability for the tax year is refundable only to the extent indicated in Iowa Code section 15.293A(1) "c"(2) as amended by 2022 Iowa Acts, House File 2317.

*b. Percentage.* The amount of the tax credit shall equal one of the following:

- (1) Twelve percent of the taxpayer's qualifying investment in a grayfield site.
- (2) Fifteen percent of the taxpayer's qualifying investment in a grayfield site if the qualifying redevelopment project meets the requirements of green development as defined in 261—65.2(15).
- (3) Twenty-four percent of the taxpayer's qualifying investment in a brownfield site.

(4) Thirty percent of the taxpayer's qualifying investment in a brownfield site if the qualifying redevelopment project meets the requirements of green development as defined in 261—65.2(15).

*c. Maximum credit per project.* The maximum amount of a tax credit for a qualifying investment in any one qualifying redevelopment project shall not exceed 10 percent of the maximum amount of tax credits available in any one fiscal year pursuant to paragraph 65.11(4) "d."

*d. Maximum credit total.* For the fiscal year beginning July 1, 2021, and for each subsequent fiscal year, the maximum amount of tax credits allocated to the program by the authority shall be an amount determined by the board but not in excess of the amount established pursuant to Iowa Code section 15.119. Tax credits awarded pursuant to paragraph 65.11(7) "b" shall not be counted against the allocation determined by the board pursuant to this paragraph.

**65.11(5) Reduction of tax credit.**

*a.* Taxes imposed under Iowa Code section 422.11V, less the credits allowed under Iowa Code sections 422.12, 422.33, 422.60, 432.12L, and moneys and credits imposed under Iowa Code section 533.329 shall be reduced by a redevelopment tax credit allowed under Iowa Code sections 15.291 to 15.294.

*b.* For purposes of individual and corporate income taxes and the franchise tax, the increase in the basis of the redeveloped property that would otherwise result from the qualified redevelopment costs shall be reduced by the amount of the credit computed under this rule.

**65.11(6) Project completion.**

*a.* An investment shall be deemed to have been made on the date the qualifying redevelopment project is completed. An investment made prior to January 1, 2009, shall not qualify for a tax credit under this rule.

*b.* A registered project shall be completed within 30 months of the project's approval unless the authority, with the approval of the board, provides additional time to complete the project. If the registered project is not completed within the time required, the project is not eligible to claim a tax credit.

*c.* Failure to comply. If a taxpayer receives a tax credit pursuant to Iowa Code section 15.293A, but fails to comply with any of the requirements, the taxpayer loses any right to the tax credit. The Iowa department of revenue shall seek recovery of the value of the credit the qualified investor received.

**65.11(7) Tax credit carryover.**

*a.* If the maximum amount of tax credits available has not been issued at the end of the fiscal year, the remaining tax credit amount may be carried over to a subsequent fiscal year or the authority may prorate the remaining credit amount among other eligible applicants.

*b.* Tax credits revoked under subrule 65.8(4) including tax credits revoked up to five years prior to July 1, 2021, and tax credits not awarded under subrules 65.8(5) and 65.8(6), may be awarded in the next annual application period established in Iowa Code section 15.293B(1) "c."

**65.11(8) Authority registration and authorization.** The authority shall develop a system for registration and authorization of tax credits. The authority shall control distribution of all tax credits distributed to investors, including developing and maintaining a list of tax credit applicants from year to year to ensure that if the maximum aggregate amount of tax credits is reached in one year, an applicant can be given priority consideration for a tax credit in an ensuing year.

**65.11(9) Other financial assistance considerations.** If a qualified investor has also applied to the authority, the board, or any other agency of state government for additional financial assistance, the authority, the board, or the agency of state government shall not consider the receipt of a tax credit issued pursuant to this rule when considering the application for additional financial assistance.

in Iowa Code section 15.294. The council shall recommend to the board the tax credit amount available for each qualifying redevelopment project.

CHAPTER 66  
ASSISTIVE DEVICE TAX CREDIT

**261—66.1(78GA,ch1194) Purpose.** The Iowa department of economic development and the department of revenue administer the assistive device tax credit jointly to encourage small businesses to purchase, rent or modify assistive devices and to make workplace modifications for an individual with a disability who is employed or will be employed by the business. The Iowa department of economic development administers the assistive device tax credit certification process. The department of revenue administers the distribution of tax credits to eligible small businesses that have been issued certificates of entitlement.

**261—66.2(78GA,ch1194) Definitions.** For the purpose of these rules, the following definitions apply:

*“Assistive device”* means any item, piece of equipment, or product system which is used to increase, maintain, or improve the functional capabilities of an individual with a disability in the workplace or on the job. “Assistive device” does not mean any medical device, surgical device, or organ implanted or transplanted into or attached directly to an individual. “Assistive device” does not include any device for which a certificate of title is issued by the state department of transportation, but does include any item, piece of equipment, or product system otherwise meeting the definition of “assistive device” that is incorporated, attached, or included as a modification in or to such a device issued a certificate of title.

*“Department”* or *“IDED”* means the Iowa department of economic development.

*“Disability”* means, with respect to an individual, a physical or mental impairment that substantially limits one or more of the major life activities of the individual, a record of physical or mental impairment that substantially limits one or more of the major life activities of the individual, or being regarded as an individual with a physical or mental impairment that substantially limits one or more of the major life activities of the individual. “Disability” does not include any of the following: homosexuality or bisexuality; transvestitism, transsexualism, pedophilia, exhibitionism, voyeurism, gender identity disorders not resulting from physical impairments, or other sexual behavior disorders; compulsive gambling, kleptomania, or pyromania; psychoactive substance abuse disorders resulting from current illegal use of drugs; alcoholism.

*“Employee”* or *“employed”* means an individual with a disability and whose business qualifies as a small business.

*“Small business”* means a business that either had gross receipts for its preceding tax year of \$3 million or less or employed not more than 14 full-time employees during its preceding tax year.

*“Workplace modifications”* means physical alterations to the work environment.

**261—66.3(78GA,ch1194) Eligibility criteria.** In order to be eligible to receive the assistive device tax credit, a small business must:

1. Be located in the state of Iowa.
2. Employ not more than 14 full-time employees or have gross receipts of no more than \$3 million during its preceding tax year.
3. Purchase, rent or modify an assistive device or make workplace modifications for an individual with a disability who is employed or will be employed by the business.

**261—66.4(78GA,ch1194) Application process.**

**66.4(1)** To receive a certificate of entitlement for the assistive device tax credit, the eligible small business must submit an application to the Iowa department of economic development. Applications and related materials shall be submitted on forms as prescribed by the department. Applications for certification must be submitted to the Assistive Device Tax Credit Program, Division of Business Development, Iowa Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309.

**66.4(2)** Applicant businesses must provide the following information to IDED:

*a.* Proof of disability status of disabled person(s) employed or to be employed by the small business. Proof may take the form of written verification from the department of education, division of vocational rehabilitation, or the department for the blind, or a completed verification of disability/physician's statement.

*b.* Business tax forms for the previous year or personal income tax forms if business tax forms are not available.

*c.* Written documentation verifying the existence, organizational structure, and good standing of the business. The IDEED assistive device tax credit small business documentation list describes acceptable forms of proof.

**261—66.5(78GA,ch1194) Review, decision and award process.**

**66.5(1) *Review.*** Applications will first be reviewed for completeness. If additional information is required, the program staff shall send the applicant notice to submit the additional needed information. The applicant shall submit the requested information within a reasonable time period in order to ensure further actions on the request. The applications will then be reviewed for content. The following items will be reviewed and evaluated:

*a.* Eligibility of the small business.

*b.* Nature, scope, purpose and cost of the assistive device or workplace modification and the manner in which it enables the employer to hire or retain the employee or prospective employee, or accommodate the disability of the employee or prospective employee.

**66.5(2) *Decision.*** The small business liaison for the Iowa department of economic development will make the final decision on all awards under the assistive device tax credit program. Within a reasonable period after the decision has been made, the department will transmit to the applicant a letter that either provides the basic reasons for denial, or provides the certificate of entitlement.

**261—66.7(78GA,ch1194) Monitoring and misuse of funds.**

**66.7(1) *Monitoring.*** IDEED reserves the right to monitor the recipient's records to ensure compliance with all program requirements. IDEED staff will contact the recipient to arrange such visits at a mutually agreeable time.

**66.7(2) *Misuse of funds.*** Any person receiving tax credits under the assistive device tax credit program is subject to criminal penalties under Iowa Code section 15A.3 if it is determined that the person knowingly made false statements to procure tax credits from the state or if it is determined that funds were used for purposes other than those stated in the application.

**66.8(1)** In a single tax year, a small business is eligible to receive a tax credit equal to 50 percent of the total cost to purchase, rent or modify an assistive device(s) or make workplace modifications. The tax credit shall not exceed \$2,500.

**66.8(2)** The taxpayer must file the certificate of entitlement with the taxpayer's income tax return in order to claim the tax credit.

*"Laborshed area"* means the geographic area surrounding an employment center from which the employment center draws its commuting workers. The Iowa department of workforce development (IWD) determines the employment centers and defines the boundaries of each laborshed area. IWD defines laborshed areas by surveying commuters within the various zip codes surrounding an employment center, combining the zip codes into as many as three zones, and determining how many people commute from a zip code to the employment center from each zone. The zones reflect the fact that as the distance from an employment center increases, the number of people willing to commute to the employment center decreases. The laborshed wage applicable to the project shall be the laborshed wage for the closest laborshed area, as determined by road distance between the employment center and the zip code of the project location.

*"Laborshed wage"* means the same as defined in Iowa Code section 15.327. The authority will calculate the laborshed wage as follows:

1. The most current covered wage and employment data available from IWD will be used.

2. The wage will be computed as a mean wage figure and represented in terms of an hourly wage rate.

3. Only the wages paid by employers for jobs performed within the first two zones of a laborshed area will be included.

4. The wages paid by employers in the following categories will be excluded from the calculation: government, retail trade, health care and social assistance, and accommodations and food service. The wages paid by employers in all other categories will be included in the calculation.

5. To the extent that a laborshed area includes zip codes from states other than Iowa, the wages paid by employers in those zip codes may be included if IWD has finalized a data-sharing agreement with the state in question and has received the required data.

*“Maintenance period”* means the period of time between the project completion date and the maintenance period completion date.

*“Maintenance period completion date”* means the date on which the maintenance period ends. The specific date on which the maintenance period ends will be established by contract between the authority and the business. The maintenance period completion date will be a date on or after the project completion date and will be used to establish the period of time during which the project, the created jobs, and the retained jobs must be maintained. Rule 261—187.3(15) provides standard durations for project completion and maintenance periods.

The specific date on which the project completion period ends will be established by contract between the authority and the business. The project completion date will be a date on which the project must be completed, all incented jobs must be created or retained, and all other applicable requirements must be met. Rule 261—187.3(15) provides standard durations for project completion and maintenance periods.

*“Retained job”* means a full-time equivalent permanent position that is included in the base employment level which remains continuously filled or authorized to be filled as soon as possible and which is at risk of elimination if the project for which the business is seeking assistance does not

proceed. The authority may require a business to verify that a job is at risk. Such verification may include the signed statement of an officer of the business, documentation that the business is actively exploring other sites for the project, or any other information the authority may reasonably require during the application review process to establish that a job is at risk.

#### **261—68.2(15) Eligibility requirements.**

**68.2(1) Community approval.** If the qualifying investment is \$10 million or more, the community in which the business's project is or will be located shall approve by ordinance or resolution the project for purposes of receiving tax incentives and assistance under this program.

##### **68.2(2) Relocations and reductions in operations.**

*a.* The business shall not be solely relocating operations from one area of the state while seeking state or local incentives. A project that does not create new jobs or involve a substantial amount of new capital investment shall be presumed to be a relocation. In determining whether a business is solely relocating operations for purposes of this subrule, the authority will consider whether a letter of support for the move has been provided from the affected local community.

*b.* The business shall not be in the process of reducing operations in one community while simultaneously applying for assistance under the program.

(1) For purposes of this subrule, a reduction in operations within 12 months before or after an application for assistance is submitted to the authority will be presumed to be a reduction in operations while simultaneously applying for assistance under the program.

(2) Pursuant to 2021 Iowa Acts, Senate File 619, the authority shall not presume that a reduction in operations is a reduction in operations while simultaneously applying for assistance as described in subparagraph 68.2(2) "b"(1) with regard to a business that submits an application on or before June 30, 2022, if the business demonstrates to the satisfaction of the authority that the reduction in operations occurred after March 1, 2020, and that the reduction in operations was due to the COVID-19 pandemic. The authority shall consider whether the benefit of the project proposed by a business described in this subparagraph outweighs any negative impact related to the business's reduction in operations. A business described in this subparagraph shall remain subject to all other eligibility requirements of the program.

*c.* This subrule will not be construed to prohibit the business from expanding its operations in a community if existing operations of a similar nature in this state are not closed or substantially reduced.

**68.2(3) Retail or service businesses.** The business shall not be a retail business. The business shall not be a service business unless a significant proportion of its sales, as determined by the authority, are outside this state.

**68.2(4) Created and retained jobs.** The business shall create or retain jobs as part of a project.

*a.* The business shall pay the qualifying wage threshold for HQJP as established in 261—Chapter 174.

*b.* If the business is creating jobs, the business shall demonstrate that the jobs will pay at least 100 percent of the qualifying wage threshold at the start of the project completion period, at least 120 percent of the qualifying wage threshold by the project completion date, and at least 120 percent of the qualifying wage threshold until the maintenance period completion date.

*c.* If the business is retaining jobs, the business shall demonstrate that the jobs retained will pay at least 120 percent of the qualifying wage threshold throughout both the project completion period and the maintenance period.

*d.* Notwithstanding paragraphs "b" and "c" of this subrule, a business located at a brownfield site or a grayfield site or in an economically distressed area may be awarded incentives for jobs that will pay less than 120 percent of the qualifying wage threshold if the conditions described in rule 261—174.6(15) apply.

**68.2(5) Determination of sufficient benefits.** The business shall offer a sufficient package of benefits to each full-time employee included in the business's base employment level and to each full-time employee at the project location until the maintenance period completion date. The benefits package

provided shall meet the criteria established by the board. The board shall periodically approve such criteria to reflect the most current benefits package typically offered by employers. The criteria established by the board may include, but not be limited to, premium percentages to be paid by the business, deductible requirements, and other such criteria as determined necessary to the evaluation of benefits offered by a business.

**68.2(6) Sufficient fiscal impact.** The business shall demonstrate that the jobs created or retained will have a sufficient impact on state and local government revenues as determined by the authority after calculating the fiscal impact ratio of the project.

**68.2(7) Violations of law.** If the authority finds that a business has a record of violations of law over a period of time that tends to show a consistent pattern as described in 261—Chapter 172, the business shall not qualify for tax incentives and assistance under this program.

**68.2(8) Competition.** The authority shall consider the impact of the proposed project on other Iowa businesses in competition with the business that is seeking tax incentives and assistance. The authority shall make a good faith effort to identify existing Iowa businesses within an industry in competition with the business that is seeking tax incentives and assistance. The authority shall make a good faith effort to determine the probability that the proposed financial assistance will negatively impact other existing Iowa businesses including but not limited to displacing employees of the existing business.

**68.2(9) Other benefits.** A business may seek benefits and assistance for its project from other applicable federal, state, and local programs in addition to those provided in this program.

**68.2(10) Ineligibility—no high quality jobs created or retained.** If a project is creating or retaining jobs, but none are high quality jobs, then the project is not eligible to receive benefits and assistance under this program.

## 261—68.3(15) Application process and review.

**68.3(1) Application.** The authority shall develop a standardized application and make it available to a business applying for tax incentives and assistance. The application procedures are as follows:

*a.* The project shall not be initiated prior to application. The authority will accept applications only for projects proposed to begin after application and board approval.

(1) Any one of the following may indicate that a project has been initiated:

1. The start of construction of new or expanded buildings;
2. The start of rehabilitation of existing buildings;
3. The purchase or leasing of existing buildings; or
4. The installation of new machinery and equipment or new computers to be used in the operation of the business's project.

(2) The purchase of land or signing an option to purchase land or earthmoving or other site development activities not involving actual building construction, expansion or rehabilitation shall not constitute project initiation. The costs of any land purchase and site development work incurred prior to the award are not eligible qualifying investment expenses.

*b.* A signature from an official authorized to represent the affected local community is required on the application as an indication that the community is aware of and supports the project. For a project with a qualifying investment of \$10 million or more, the application shall include an ordinance or resolution of the community's governing body approving the project.

*c.* Each application will be reviewed by the authority. The authority may request additional information from the business that is applying for tax incentives and assistance or may use other resources to obtain the needed information.

*d.* If the business meets the eligibility requirements, the authority will prepare a report which includes a summary of the project and a recommendation on the amount of tax incentives and assistance to be offered to the business.

**68.3(2) Wage waiver.** Rescinded IAB 7/4/07, effective 6/15/07.

**68.3(3) Benefit values.** Rescinded IAB 7/4/07, effective 6/15/07.

**68.3(4) Negotiations.** The authority may negotiate with the business regarding the amount of tax incentives and assistance the business is to receive under the program. All forms of tax incentives and assistance available under the program are subject to negotiations. The authority shall consider all of the following factors in negotiating with the business:

*a.* Level of need. The following factors will determine the authority's assessment of need:

(1) Whether the business can raise only a portion of the debt and equity necessary to complete the project. The existence of a gap between the financing required and the financing on hand indicates that tax incentives or assistance may be needed to fill the gap.

(2) Whether the likely returns of the project are inadequate to motivate a company decision maker to proceed with the project even if sufficient debt or equity can be raised to finance the project. The existence of such a condition indicates that the project's risks may outweigh its rewards and that tax incentives or assistance may be needed to reduce the project's risks.

(3) Whether the business is deciding between a site in Iowa ("Iowa site") and a site in another state ("out-of-state site") for its project and the cost of completing the project at the out-of-state site is demonstrably lower. Such a condition indicates that tax incentives or assistance may be needed to equalize the cost differential between the two sites. The authority will attempt to quantify the cost differential between the sites.

(4) Whether the project has already been initiated. Initiation of a project indicates that additional financing is not necessary to complete the project, and the authority will not provide incentives or assistance to a project that has been initiated prior to application.

*b.* Quality of the jobs. The authority shall place greater emphasis on projects involving created or retained jobs that:

(1) Have a higher wage scale. Businesses that have wage scales substantially higher than those of existing Iowa businesses in that industry shall be considered as providing the highest quality of jobs.

(2) Have a lower turnover rate.

(3) Are full-time or career-type positions.

*c.* Percentage of created jobs defined as high quality jobs. The authority will consider the number of high quality jobs to be created versus the total number of created jobs in determining what amount of tax incentives and assistance to offer the business.

*d.* Economic impact. In measuring the economic impact to this state, the authority shall place greater emphasis on projects which demonstrate the following:

(1) A business with a greater percentage of sales out of state or of import substitution.

(2) A business with a higher proportion of in-state suppliers.

(3) A project which would provide greater diversification of the state economy.

(4) A business with fewer in-state competitors.

(5) A potential for future job growth.

Taxes attributable to intangible property and furniture and furnishings shall not be refunded.

*a. Filing a claim.* To receive the refund, the approved business shall file a claim with the department pursuant to the department's applicable rules.

*b. Racks, shelving, and conveyor equipment.* If the project is the location, expansion, or modernization of a warehouse or distribution center, the approved business may be entitled to a refund of sales and use taxes attributable to racks, shelving, and conveyor equipment.

An approved business that receives a refund or a tax credit in one fiscal year shall not be considered in a succeeding fiscal year. No business shall receive more than \$500,000 in refunds or credits pursuant to this paragraph.

**68.4(2) *Third-party developer tax credit.*** Pursuant to Iowa Code section 15.331C, the approved business may claim a tax credit up to an amount equal to the sales and use taxes paid by a third-party developer under Iowa Code chapter 423 for gas, electricity, water, or sewer utility services, tangible personal property, or on services rendered, furnished, or performed to or for a contractor or subcontractor and used in the fulfillment of a written contract relating to the construction or equipping of a facility of the approved business. Taxes attributable to intangible property and furniture and furnishings shall not be refunded.

*a. Filing a claim.* To receive the tax credit, the approved business shall file a claim with the department pursuant to the department's applicable rules.

*b. Racks, shelving, and conveyor equipment.* If the project is the location, expansion, or modernization of a warehouse or distribution center, the approved business may claim a tax credit up to the amount of sales and use taxes paid by a third-party developer and attributable to racks, shelving, and conveyor equipment. An approved business that receives a refund or a tax credit in one fiscal year shall not be considered in a succeeding fiscal year. The exemption may be allowed for a period not to exceed 20 years beginning the year the improvements are first assessed for taxation. For purposes of this subrule, improvements include new construction and rehabilitation of and additions to existing structures. The exemption shall apply to all taxing districts in which the real property is located. The community shall provide the authority and the local assessor with a copy of the resolution adopted by its governing body which indicates the estimated value and duration of the authorized exemption.

**68.4(4) *Investment tax credit.***

*a. Claiming the investment tax credit.* Pursuant to Iowa Code section 15.333, the approved business may claim an investment tax credit equal to a percentage of the new investment. The tax credit can be claimed when the qualifying asset is placed in service. The tax credit shall be amortized over a five-year period. The annual amounts that may be claimed by the business during that period are subject to negotiations. The final five-year amortization period and the negotiated annual amounts will be specified in a contract entered into with the authority. The tax credit shall be allowed against taxes imposed under Iowa Code chapter 422, division II, III, or V and against the moneys and credits tax imposed in Iowa Code section 533.24. The approved business shall not claim a tax credit in excess of the amount specified in a contract entered into with the authority.

*b. Investment qualifying for the tax credit.* For purposes of this subrule, new investment means all of the following:

(1) The cost of machinery and equipment, as defined in Iowa Code section 427A.1(1) "e" and "j," purchased for use in the operation of the approved business.

(2) The purchase price of real property and any buildings and structures located on the real property.

(3) The cost of improvements made to real property which is used in the operation of the approved business.

(4) The annual base rent paid to a third-party developer by an approved business for a period equal to the term of the lease agreement but not to exceed the maximum term specified in a contract entered into with the authority, provided the cumulative cost of the base rent payments for that period does not exceed the cost of the land and the third-party developer's costs to build or renovate the building for the approved business. Annual base rent shall be considered only when the project includes the construction

of a new building or the major renovation of an existing building. The approved business shall enter into a lease agreement with the third-party developer for a minimum of five years.

**68.4(5) Insurance premium tax credit.** Pursuant to Iowa Code section 15.333A, the approved business may claim an insurance premium tax credit equal to a percentage of the new investment.

*a. Claiming the tax credit.* The tax credit can be claimed when the qualifying asset is placed in service. The tax credit shall be amortized equally over a five-year period which the authority will, in consultation with the eligible business, define. The five-year amortization period shall be specified in a contract entered into with the authority. The tax credit shall be allowed against taxes imposed under Iowa Code chapter 432. A tax credit in excess of the tax liability for the tax year may be credited to the tax liability for the following seven years or until depleted, whichever occurs first. The approved business shall not claim a tax credit in excess of the amount specified in a contract entered into with the authority.

*b. Investment qualifying for the tax credit.* For purposes of this subrule, new investment means all of the following:

(1) The cost of machinery and equipment, as defined in Iowa Code section 427A.1(1) “e” and “j,” purchased for use in the operation of the approved business.

(2) The purchase price of real property and any buildings and structures located on the real property.

(3) The cost of improvements made to real property which is used in the operation of the approved business.

(4) The annual base rent paid to a third-party developer by an approved business for a period equal to the term of the lease agreement but not to exceed the maximum term specified in a contract entered into with the authority, provided the cumulative cost of the base rent payments for that period does not exceed the cost of the land and the third-party developer’s costs to build or renovate the building for the approved business. Annual base rent shall be considered only when the project includes the construction of a new building or the major renovation of an existing building. The approved business shall enter into a lease agreement with the third-party developer for a minimum of five years.

**68.4(6) Research activities credit.** Pursuant to Iowa Code section 15.335, the approved business may claim a corporate tax credit for increasing research activities in Iowa during the period the approved business is participating in the program. For purposes of this subrule, “research activities” includes the development and deployment of innovative renewable energy generation components manufactured or assembled in Iowa. A renewable energy generation component will no longer be considered innovative when more than 200 megawatts of installed effective nameplate capacity has been achieved. Research activities credits awarded under this program for innovative renewable energy generation components shall not exceed the amount specified in Iowa Code section 15.335.

**68.4(7) Maximum tax incentives available.** Tax incentives awarded under this program are based upon the number of jobs created or retained that pay the qualifying wage threshold for HQJP as established in 261—Chapter 174 and the amount of qualifying investment. The maximum possible award is based on the following schedule:

*a.* The business is required to maintain the base employment level, but no high quality jobs are created or retained and economic activity is furthered by the qualifying investment. For purposes of this paragraph, “economic activity” means a modernization project which will result in increased skills and wages for the current employees.

## **261—68.5(15) Project completion assistance.**

**68.5(1) Awards and negotiations.** The authority may award project completion assistance to a business that meets the eligibility requirements of the HQJP. All award determinations are subject to the requirements of Iowa Code section 15.335B(3). The board, with the assistance of authority staff, will attempt to determine the amount of project completion assistance that will ensure successful completion of a project, and the board will make a good-faith effort to provide only the amount of incentives and assistance necessary to facilitate the project's successful completion. The amount, type, and terms of the assistance provided typically vary according to the needs of each project, and each award is subject to negotiation. The board and the authority will attempt to treat similarly situated applicants similarly; however, the amount, type, and terms of project completion assistance most appropriate for a given project are necessarily dependent on many factors, and awards of project completion assistance shall be entirely at the discretion of the board.

**68.5(2) Factors affecting the amount, type, and terms of project completion assistance.** When determining an award of project completion assistance, the board, with the assistance of authority staff, typically considers many factors, including the following:

- a.* The fiscal impact ratio of the project.
- b.* Whether the amount of assistance to be awarded is appropriate to the number of jobs that will be created.
- c.* The availability of funding.
- d.* Whether other forms of assistance, including tax incentives, are available.
- e.* The project's level of need, including whether the local community and the private sector are also contributing to the success of the project.

*f.* The total amount of funds from other sources that can be leveraged.

*g.* The quality of the project.

*b.* A list of all other incentives or financial assistance the business has requested or is receiving from other federal, state, or local economic development programs including loans, grants, forgivable loans, and tax credits.

*c.* The amount of assistance provided by the pilot project city for the project.

*d.* Documentation of the approval of the project by local participating authorities.

*e.* The total amount of withholding tax credits awarded.

*f.* The total number of created and retained jobs included in the project.

*g.* The required countywide average wage.

*h.* The total qualifying investment included in the project.

*i.* The total required matching local financial support for the project.

**71.4(4) Length of withholding agreements.** A withholding agreement may have a term of up to ten years, as negotiated by the authority, the pilot project city, and the employer. A withholding agreement specifying a term of years or a total amount of withholding credits shall either terminate upon the expiration of the term of years specified in the agreement or upon the award of the total amount of withholding credits specified in the agreement, whichever occurs first.

**71.4(5) Withholding generated through the program.**

*a.* Once a pilot project city, the authority, and an employer have entered into a withholding agreement, an amount equal to 3 percent of the gross wages paid by the business to each employee under a withholding agreement shall be credited from the payment made by the employer pursuant to Iowa Code section 422.16. If the amount of withholding by the employer is less than 3 percent of the gross wages paid to the employees covered by the withholding agreement, the employer shall receive a credit against other withholding taxes due by the employer or may carry the credit forward for up to ten years or until depleted, whichever occurs first.

*b.* The employer shall submit the amount of the credit quarterly, in the same manner as withholding payments are made to the department of revenue, to the pilot project city.

*c.* An employee whose wages are subject to a withholding agreement shall receive full credit for the amount withheld under the targeted jobs withholding tax credit program as provided in Iowa Code section 422.16.

**71.4(6)** *Use of withholding funds.* A pilot project city shall allocate the withholding funds into a designated withholding project fund for the project. All funds deposited shall be used or pledged by the pilot project city for a project related to the employer pursuant to the withholding agreement.

**71.4(7)** *Local match requirement.* The intent of the program is to require a pilot project city to contribute to projects that result in an increase in the city's tax collections. If a pilot project city realizes an increase in tax revenues due to the project, then the pilot project city is required to contribute at least 10 percent of the required local match. For example, if a project includes the purchase and remodeling of a building that results in increased tax collections to the pilot project city by an amount equal to 10 percent of the total amount of the withholding tax credit award, then the pilot project city is required to contribute at least 10 percent of the required local match for the project. In cases in which a project would include the purchase of a building but there is no increase in tax collections to the pilot project city, the pilot project city is not required to contribute to the required local match.

*a.* A pilot project city entering into a withholding agreement shall arrange for matching local financial support for the project. The local match required shall be in an amount equal to one dollar for every one dollar of withholding tax credit received by the pilot project city.

*b.* If the project, when completed, will increase the amount of an employer's taxable capital investment by an amount equal to at least 10 percent of the amount of withholding tax credit dollars received by the pilot project city, then the pilot project city shall itself contribute at least 10 percent of the local match amount computed under paragraph "a."

*c.* If the project, when completed, will not increase the amount of the employer's taxable capital investment by an amount equal to at least 10 percent of the amount of withholding tax credit dollars received by the pilot project city, then the pilot project city shall not be required to make a contribution to the local match.

*d.* A pilot project city's contribution, if any, to the local match may include the dollar value of any new tax abatement provided by the city to the business for new construction. For purposes of this paragraph, new construction includes building additions, remodeling, renovations, and updates.

**71.4(8)** *Termination of a withholding agreement.* Following the termination of a withholding agreement, the employer credits shall cease and any funds received by the pilot project city after the agreement has been terminated shall be remitted to the state treasurer to be deposited in the general fund of the state. The pilot project city shall notify the department of revenue within 30 days of the termination of the withholding agreement. If the authority, following an 18-month performance period beginning on the date the withholding agreement is approved by the board, determines that the employer does not meet the requirements of the withholding agreement relating to retaining jobs, if applicable, the agreement shall be terminated by the authority and the pilot project city and any withholding credits for the employer shall cease. If the authority, following a three-year performance period beginning on the date the withholding agreement is approved by the board, determines that the employer has not met or is incapable of meeting the requirements of the withholding agreement relating to creating jobs, if applicable, or the requirement of the withholding agreement relating to the qualifying investment prior to the end of the withholding agreement, the authority may reduce the future benefits to the employer under the agreement or negotiate with the other parties to terminate the agreement early.

**71.4(9) Participation in other programs.** An employer may participate in the Iowa industrial new jobs training program under Iowa Code section 260E.5 or may claim a supplemental withholding credit under Iowa Code section 15E.197, at the same time the employer is participating in the targeted jobs withholding tax credit program. The withholding credit under section 260E.5 and the supplemental withholding credit under section 15E.197 shall be collected and disbursed prior to the collection and disbursement of the withholding credit under the targeted jobs withholding tax credit program.

## **261—71.5(403) Project approval.**

### **71.5(1) Request for board approval of withholding agreement.**

*a. Request for approval form.* Prior to entering into a withholding agreement with an employer and the authority, a pilot project city must receive approval from the board, on behalf of the authority. The authority shall develop a standardized form to be used by pilot project cities to request board approval of a proposed withholding agreement. To request board approval of a proposed withholding agreement, a pilot project city shall submit the standardized form to the authority with the following information:

(1) A general description of the project, including how the pilot project city will utilize withholding funds generated by the project.

(2) Base employment of the number of full-time equivalent positions at a business as established by the authority and the pilot project city, using the business's payroll records, as of the date that a business files an application with a pilot project city for financial assistance under the program.

(3) Information regarding the number of targeted jobs in the project, the wages of the targeted jobs, and the types of jobs created by the project.

(5) A letter or resolution of support from the local government showing support for the project.

*b. Timing of submittal.* Requests for board approval of a proposed withholding agreement may be submitted at any time. The authority will review requests for approval of a proposed withholding agreement in as timely a manner as possible.

*c. Board action on requests for approval.* The board, on behalf of the authority, may approve or deny a withholding agreement according to the provisions of this chapter. Each withholding agreement and the total amount of the withholding credits allowed under the withholding agreement shall be approved by the board after taking into account the incentives or assistance received by or to be received by the employer under other economic development programs. The board shall only deny a withholding agreement if the agreement fails to meet the requirements as stated in subrule 71.4(2) and paragraph 71.6(1) "b" or the local match requirement as stated in subrule 71.4(7) or if an employer is not in good standing as to prior or existing agreements with the authority. The board shall have the authority to negotiate a withholding agreement and may suggest changes to any of the terms of the withholding agreement, including the total amount of withholding credits. A pilot project city and employer will be notified in writing of the board's decision regarding the proposed withholding agreement.

### **71.5(2) Certification to the department of revenue.**

*a.* The employer shall certify to the department of revenue that the targeted jobs withholding tax credit is in accordance with the withholding agreement and shall provide other information the department of revenue may require.

*b.* A pilot project city shall certify to the department of revenue the amount of the targeted jobs withholding tax credit an employer has remitted to the city and shall provide other information the department of revenue may require.

*c.* Notice of any withholding agreement shall be provided promptly to the department of revenue following its execution between a pilot project city and an employer.

The description shall include, but not be limited to, the following:

(1) The total number of targeted jobs associated with withholding agreements and the wages of those targeted jobs.

(2) A breakdown of the number of targeted jobs that are associated with Iowa business expansions or retentions within the city limits of the pilot project city and the number of targeted jobs resulting from out-of-state businesses moving to or expanding in Iowa.

The pilot project city shall provide this information annually by September 1. The authority shall, in response to receiving such information from the pilot project city, assess the level of compliance by each employer and provide to the pilot project city recommendations for either maintaining employer compliance with the withholding agreement or terminating the agreement for noncompliance under subrule 71.4(8). The authority shall also provide each such assessment and recommendation report to the department of revenue.

*c.* The employer, in conjunction with the pilot project city, shall provide information documenting the total amount of payments and receipts from the withholding project fund under the withholding agreement, including all agreements between the pilot project city and the employer to suspend, abate, exempt, rebate, refund, or reimburse property taxes, to provide a grant for property taxes, to provide a grant not related to property taxes, or to make a direct payment of taxes. The employer and the pilot project city shall submit this information to the authority annually by September 1 covering the prior fiscal year (July 1 to June 30). The authority shall verify the information provided and determine whether the pilot project city and the employer are in compliance with Iowa Code section 403.19A and this chapter. The authority will verify job creation or retention using the method described in 261—Chapter 188.

*d.* The authority may request additional reports from pilot project cities as necessary to determine the status of the targeted jobs withholding tax credit program.

*e.* The authority shall make, at minimum, an annual on-site monitoring visit to each pilot project city to verify the documented information. The pilot project city shall provide the following:

(1) Payroll records that correspond to the quarterly report provided by the pilot project city for the department of revenue;

## OBJECTION

At its meeting held February 3, 1992, the Administrative Rules Review Committee voted to object to the amendments to rule 261 IAC 61.3“1”\* on the grounds those amendments are unreasonable. This rule originally appeared as part of **ARC 2215A**, published in IAB Vol. XIV No. 3 (08-07-91). The previous rule provided export trade assistance to Iowa residents or entities with corporate offices in Iowa. The amendment will provide the assistance to out-of-state entities, as long as they employ fewer than 500 people and 75 percent of those people are employed in Iowa. This rule has now been repromulgated as **ARC 2763A**, but the language of concern to the Committee remains unchanged, and for that reason the objection remains in place.

The Committee believes this amendment is unreasonable because it believes there are ample numbers of Iowa-based corporations that desire to participate in this program and that it is unnecessary to use Iowa-generated revenue to benefit out-of-state corporations.

CHAPTER 79  
DISASTER RECOVERY BUSINESS RENTAL ASSISTANCE PROGRAM

**261—79.1(15) Purpose.** The purpose of the disaster recovery business rental assistance program is to provide financial assistance to a business located in or planning to locate in a business rental space that was physically damaged by the 2008 natural disaster(s). Assistance will be in the form of rental assistance to help offset building rental lease payments for a maximum of six months, not to exceed a total award amount of \$50,000. In-home businesses are not eligible for funds pursuant to this chapter.  
[ARC 7708B, IAB 4/8/09, effective 3/20/09]

**261—79.2(15) Definitions.**

“*Administrative entity*” means a selected city that administers a local disaster recovery program or a council of government as established in Iowa Code section 28H.1.

“*Department*” means the Iowa department of economic development established by Iowa Code chapter 15.

“*Disaster-damaged space*” means a business rental space that was physically damaged by the 2008 natural disaster(s). This definition includes upper stories of a building that was physically damaged in the basement or ground floor, or both, as well as a building constructed at the same site to replace a building that was destroyed due to damage resulting from the 2008 natural disaster(s). In-home businesses are not eligible for funds pursuant to this chapter.

“*Physically damaged*” for the purpose of this program means physical damage caused by flooding, including overland flow, or physical damage caused by tornado. - b. Has either leased disaster-damaged space for at least 12 months at a market rate or intends to enter or has entered into a minimum one-year, market-rate lease in disaster-damaged space.

**79.3(2)** Applications received from businesses located in or planning to locate in a building in which the only damage incurred was a result of sanitary or storm sewer backup are subject to review by the department to determine eligibility. Factors used by the department to determine eligibility include, but are not limited to, review of insurance claims filed, damage to critical infrastructure and review of prior sanitary or storm sewer backup.

**79.3(3)** Applications received from businesses located in or planning to locate in a building that is zoned residential are subject to review by the department to determine eligibility. An administrative entity may award funds in the form of a forgivable loan to a business that has either leased disaster-damaged space for at least 12 months at a market rate or has entered into a minimum one-year, market-rate lease for disaster-damaged space. A forgivable loan is a loan that will be forgiven if the business remains open for the duration of the six-month period for which rental assistance is awarded.

**79.5(2)** *Allocation of funds by an administrative entity.* Applications will be processed by an administrative entity. Funds will be distributed upon request to the department from an administrative entity. The department will process requests for funds as received from an administrative entity no more frequently than once per week per administrative entity.

**261—79.6(15) Program administration; reporting requirements.** Each local administrative entity shall enter into a contract with an eligible business to provide assistance. The contract shall include terms and conditions that meet the requirements of these rules as well as provisions to require repayment if funds are not used in compliance with the program. Each local administrative entity shall provide oversight and contract administration to ensure that the recipients of program funds are meeting the contract requirements. Each local administrative entity shall collect data and submit reports to the department about the program in the form and content required by law.

**261—81.3(15) Eligibility requirements.** To be eligible to receive the renewable chemical production tax credit pursuant to the program, a business shall meet all of the following requirements:

**81.3(1) *Physical location.*** The business must have a facility that produces renewable chemicals and is physically located in the state of Iowa. If a business has facilities located in more than one state, only those renewable chemicals produced at facilities physically located in the state of Iowa may be counted for the purpose of calculating the tax credit under subrule 81.6(1).

**81.3(2) *Operated for profit and under single management.*** The business must be operated for profit and under single management. For purposes of this rule, “single management” means that if the same eligible business has an ownership or equity interest in multiple facilities at which renewable chemicals are produced, the facilities under common ownership will be considered a single eligible business for purposes of calculating the maximum tax credit amount under rule 261—81.6(15). In calculating the maximum tax credit amount under rule 261—81.6(15), only the pro rata share of each eligible business’s ownership in a facility will be attributed to that eligible business.

**81.3(3) *Type of business.*** The business may not be an entity providing professional services, health care services, or medical treatments and may not be an entity engaged primarily in retail operations.

**81.3(4) *Organization.*** The business must have organized, expanded, or located in the state on or after April 6, 2016.

**81.3(5) *Not reducing operations.*** The business shall not be relocating or reducing operations as described in Iowa Code section 15.329(1) “b” and as determined under the discretion of the authority.

**81.3(6) *Compliance.*** The business must be in compliance with all agreements entered into under this program or other programs administered by the authority.

[ARC 3004C, IAB 3/29/17, effective 5/3/17; ARC 6319C, IAB 5/18/22, effective 6/22/22]

**261—81.4(15) Application process and review.**

**81.4(1)** An eligible business that produces a renewable chemical in this state from biomass feedstock during a calendar year may apply to the authority for the renewable chemical production tax credit.

**81.4(2)** The application shall be made to the authority in the manner prescribed by the authority. Information about the program and a link to the online application and instructions may be obtained by contacting the authority or by visiting the authority’s website.

**81.4(3)** The application shall be made to the authority during the calendar year following the calendar year in which the renewable chemicals were produced. For example, an eligible business may submit an application in calendar year 2018 to receive a tax credit based on renewable chemicals produced in calendar year 2017.

**81.4(4)** The application may be submitted to the authority electronically during the annual filing window. This filing window shall be from February 15 to March 15 of each calendar year. The authority may adjust the annual filing window dates under extenuating circumstances and will notify affected parties of such circumstances.

**81.4(5)** The application shall include all of the following information:

*a.* The name of the qualifying building block chemical produced by the eligible business for which the business is claiming a tax credit.

*b.* The amount of renewable chemicals produced in the state from biomass feedstock by the eligible business during the calendar year, measured in pounds.

c. The amount of renewable chemicals produced in the state from biomass feedstock by the eligible business during the calendar year prior to the year in which the business first qualified as an eligible business under the program.

d. The city or county where the plant producing renewable chemicals is located.

e. The type of feedstock used to produce the renewable chemicals.

f. The date on which the eligible business organized, expanded or located in the state.

g. Any other information reasonably required by the authority in order to establish and verify eligibility under the program.

**81.4(6)** Applications will be reviewed by the authority on a first-come, first-served basis as described in subrule 81.6(5). Applications shall be date- and time-stamped by the authority in the order in which such applications are received. If the authority deems that additional information is needed before a determination of eligibility can be made, and the authority makes a written request for additional information from the applicant, the applicant must provide the requested information within 30 days of the date that the written request from the authority was made. If an applicant does not provide the requested information within 30 days, the applicant will be placed at the end of the queue of applications received. The authority shall review the queue of applications for eligibility and maintain a list of successful applicants as required by subrule 81.6(5).

**81.4(7)** The authority shall notify an applicant when the applicant has been placed on the list of successful applicants.

a. For applicants on the list for whom there are sufficient tax credits available in the aggregate cap for the fiscal year, the applicant must sign the agreement within 60 days of being notified of eligibility for the tax credit. Upon request by the applicant, the authority may extend the time period for signing the agreement by an additional 30 days.

b. For applicants on the wait list established in subrule 81.6(5), the authority shall notify the applicant of the applicant's status and position on the wait list.

[ARC 3004C, IAB 3/29/17, effective 5/3/17; Editorial change: IAC Supplement 12/15/21]

### **261—81.5(15) Agreement.**

**81.5(1) Agreement.** Before being issued a tax credit pursuant to this chapter, an eligible business shall enter into an agreement with the authority for the successful completion of all requirements of the program. As part of the agreement, and as a condition of receiving the tax credit, the eligible business shall agree to collect and provide any information reasonably required by the authority in order to allow the board to fulfill the board's reporting obligation under Iowa Code section 15.320.

**81.5(2) Fees.** The compliance cost fees authorized in rule 261—187.6(15) shall apply to all agreements entered into under this program and shall be collected by the authority in the same manner and to the same extent as described in that rule.

**81.5(3) Requirements.** An eligible business shall fulfill all the requirements of the program and the agreement before receiving a tax credit or entering into a subsequent agreement under this rule. The authority may decline to enter into a subsequent agreement under this rule or to issue a tax credit if an agreement is not successfully fulfilled.

**81.5(4) Issuance of credit.** Upon establishing that all requirements of the program and the agreement have been fulfilled, the authority shall issue a tax credit and related tax credit certificate to the eligible business stating the amount of renewable chemical production tax credit the eligible business may claim. The amount of the tax credit shall not exceed the amount allowable under rule 261—81.6(15).

[ARC 3004C, IAB 3/29/17, effective 5/3/17]

### **261—81.6(15) Renewable chemical production tax credit.**

**81.6(1) Calculation of tax credit amount.** An eligible business that has entered into an agreement pursuant to rule 261—81.5(15) may be issued a tax credit in an amount equal to the product of five cents multiplied by the number of pounds of renewable chemicals produced in this state from biomass feedstock by the eligible business during a given production year.

a. The maximum amount of tax credit that may be issued under the program to an eligible business for the production of renewable chemicals in a calendar year shall not exceed the following:

(1) In the case of an eligible business that has been in operation in the state for five years or less at the time of application, \$1 million.

(2) In the case of an eligible business that has been in operation in the state for more than five years at the time of application, \$500,000.

*b.* For purposes of this subrule, “operation” begins on the date the eligible business first began commercial production.

*c.* If an eligible business has been in operation in the state for five years or less at the time of application but is more than fifty percent owned by an eligible business that has been in operation in the state for more than five years, then that eligible business will be considered in operation in the state for more than five years pursuant to subparagraph 81.6(1) “a”(2).

**81.6(2) *Eligible business only.*** An eligible business shall not receive a tax credit for renewable chemicals produced before the date the business first qualified as an eligible business pursuant to rule 261—81.3(15).

**81.6(3) *Production above pre-eligibility production threshold.*** An eligible business shall only receive a tax credit for renewable chemicals produced in a calendar year to the extent such production exceeds the eligible business’s pre-eligibility production threshold as defined in rule 261—81.2(15). For example, if an eligible business produces 3 million pounds of renewable chemicals during calendar year 2016 and first becomes an eligible business under this chapter in calendar year 2017, the pre-eligibility production threshold for the business is 3 million pounds. If the same eligible business produces 10 million pounds of renewable chemicals during calendar year 2017, the eligible business may only receive a tax credit for the amount produced over the pre-eligibility production threshold, which in this example equals 7 million pounds.

**81.6(4) *Maximum number of credits.*** An eligible business shall not receive more than five tax credits under the program. Each tax credit must be applied for separately, and each application will be reviewed independently of past tax credits. Receipt of a tax credit in one year does not guarantee receipt of a tax credit in a subsequent year.

**81.6(5) *Tax credit wait list.***

*a.* The authority shall issue tax credits under the program on a first-come, first-served basis until the maximum amount of tax credits allocated pursuant to Iowa Code section 15.119(2) “h” is reached for any given fiscal year. The authority shall maintain a list of successful applicants under the program, so that if the maximum aggregate amount of tax credits is reached in a given fiscal year, eligible businesses that successfully applied but for which tax credits were not issued shall be placed on a wait list in the order the eligible businesses applied and shall be given priority for receiving tax credits in succeeding fiscal years.

*b.* Placement on a wait list pursuant to this subrule shall not constitute a promise binding the state. The availability of a tax credit and issuance of a tax credit certificate pursuant to this rule in a future fiscal year is contingent upon the availability of tax credits in that particular fiscal year.

**81.6(6) *Termination and repayment.*** The failure by an eligible business in fulfilling any requirement of the program or any of the terms and obligations of an agreement entered into pursuant to this chapter may result in the reduction, termination, or rescission of the tax credits under Iowa Code section 15.319 and may subject the eligible business to the repayment or recapture of tax credits claimed. The repayment or recapture of tax credits pursuant to Iowa Code section 15.319(4) shall be accomplished in the same manner as provided in Iowa Code section 15.330(2).

**81.6(7) *Issuance of credit.*** The authority shall not issue a tax credit certificate prior to July 1, 2018. [ARC 3004C, IAB 3/29/17, effective 5/3/17]

#### **261—81.7(15) Claiming the tax credit.**

**81.7(1) *Maximum tax credit claimed.*** An eligible business that has entered into an agreement pursuant to rule 261—81.5(15) may claim a tax credit in an amount equal to the product of five cents multiplied by the number of pounds of renewable chemicals produced in this state from biomass feedstock by the eligible business during a given production year within the limits set forth in rule 261—81.6(15). An eligible business may claim a tax credit for the production of more than one

qualifying renewable chemical under this chapter, provided that the total tax credit claimed by the eligible business does not exceed the limits set forth in subrule 81.6(1). However, an eligible business shall not receive a tax credit for the production of a secondarily derived building block chemical if that chemical is also the subject of a credit at the time of production as a first product. The renewable chemical production tax credit shall not be available for any renewable chemical produced before the 2017 calendar year or after the 2026 calendar year.

**81.7(2) *Who may claim the credit.*** The tax credit shall be allowed against taxes imposed under Iowa Code chapter 422, division II or III. The tax credit shall be claimed for the tax year during which the eligible business was issued the tax credit. An individual may claim a tax credit under this chapter of a partnership, limited liability company, S corporation, cooperative organized under Iowa Code chapter 501 and filing as a partnership for federal tax purposes, estate, or trust electing to have income taxed directly to the individual. The amount claimed by the individual shall be based upon the pro rata share of the individual's earnings from the partnership, limited liability company, S corporation, cooperative, estate, or trust.

*a.* To claim a tax credit under this rule, a taxpayer shall include one or more tax credit certificates with the taxpayer's tax return.

*b.* The tax credit certificate shall contain the taxpayer's name, address, and tax identification number, the amount of the credit, the name of the eligible business, and any other information required by the department of revenue.

*c.* The tax credit certificate, unless rescinded by the authority, shall be accepted by the department of revenue as payment for taxes imposed pursuant to Iowa Code chapter 422, divisions II and III, subject to any conditions or restrictions placed by the authority upon the face of the tax credit certificate and subject to the limitations of the program.

**81.7(3) *Refundability.*** Any tax credit in excess of the tax liability is refundable. In lieu of claiming a refund, the taxpayer may elect to have the overpayment shown on the taxpayer's final, completed return credited to the tax liability for the following tax year.

**81.7(4) *Transferability.*** Tax credit certificates issued pursuant to this chapter shall not be transferred to any other person.

[ARC 3004C, IAB 3/29/17, effective 5/3/17]

## **261—81.8(15) Process to add building block chemicals.**

**81.8(1) *General process.*** The authority may add additional molecules to the definition of "building block chemical" in rule 261—81.2(15) pursuant to Iowa Code section 15.316. The authority may initiate the administrative rule-making process for the addition of such molecules to this chapter.

**81.8(2) *Request to include additional molecules.*** Any individual or business may request that an additional molecule be added to the definition of "building block chemical" by submitting a written request to the authority. Such requests shall be made in the form prescribed by the authority and shall be submitted to the authority during the filing windows prescribed by the authority. At a minimum, the authority shall accept requests between April 1 and May 1 of each calendar year and October 1 and November 1 of each calendar year. The authority may adjust these dates under extenuating circumstances and will notify affected parties of such circumstances.

**81.8(3) *Consultation with experts.*** Prior to initiating a rule making to add molecules to the definition of "building block chemical" in rule 261—81.2(15), the authority shall consult with appropriate experts from Iowa state university, including but not limited to the Iowa state university center for biorenewable chemicals. The authority shall conduct an initial staff review of any requests received by the authority pursuant to subrule 81.8(2). Following the initial staff review, the authority shall consult with the experts at Iowa state university regarding the molecules that the authority believes are consistent with the definitions under this chapter. The experts at Iowa state university shall provide a written recommendation to the authority indicating which chemicals, in the experts' opinion, meet the definition of "building block chemical" consistent with this chapter.

**81.8(4) *Initiation of rule-making proceedings.*** Following the consultation and review process set forth in subrule 81.8(3), the authority may initiate the administrative rule-making process to amend the

definition of “building block chemical” to add molecules which the authority, in the authority’s sole discretion, finds to be consistent with the definitions in this chapter.

[ARC 3004C, IAB 3/29/17, effective 5/3/17]

**261—81.9(15) Additional information—confidentiality—annual report.**

**81.9(1) *Additional information.*** The authority may at any time request additional information and documentation from an eligible business regarding the operations, job creation, and economic impact of the eligible business, and the authority may use the information in preparing and publishing any reports to be provided to the governor and the general assembly.

**81.9(2) *Confidential information.*** Except as provided in subrule 81.9(3), any information or record in the possession of the authority with respect to the program shall be presumed by the authority to be a trade secret protected under Iowa Code chapter 550 or common law and shall be kept confidential by the authority unless otherwise ordered by a court.

**81.9(3) *Public information.*** The identity of a tax credit recipient and the amount of the tax credit shall be considered public information under Iowa Code chapter 22.

For purposes of this paragraph, a tax credit issued to a partnership, limited liability company, S corporation, estate, or trust electing to have income taxed directly to the individual shall be deemed to be issued to the individual owners based upon the pro rata share of the individual's earnings from the entity. For purposes of this paragraph, "dependent" has the same meaning as provided by the Internal Revenue Code. Applications received by the authority that exceed the maximum amount of tax credits per calendar year to a natural person and the person's spouse or dependent will be denied by the board, regardless of whether the investment was otherwise eligible to receive a tax credit award. Any application that can be partially approved without exceeding the maximum amount in this paragraph will be approved as to the portion less than the maximum amount and denied as to the portion greater than the maximum amount. For example, if an application is eligible for \$50,000 of tax credits, but there is only \$30,000 of the household maximum amount available, the application will be approved for \$30,000 and denied for \$20,000.

*c.* The maximum amount of tax credits that may be issued per calendar year for equity investments in any one qualifying business shall not exceed \$500,000. Applications received by the authority that exceed the maximum amount of tax credits per calendar year in any one qualifying business will be denied by the board, regardless of whether the investment was otherwise eligible to receive a tax credit award. Any application that can be partially approved without exceeding the maximum amount in this paragraph will be approved as to the portion less than the maximum amount and denied as to the portion greater than the maximum amount. For example, if an application is eligible for \$50,000 of tax credits,

but there is only \$30,000 of the business maximum amount available, the application will be approved for \$30,000 and denied for \$20,000.

**115.1(4) Claiming an investment tax credit.** A taxpayer that makes an investment in a qualifying business and that otherwise meets the requirements of this chapter will receive a board-approved tax credit certificate from the authority. To claim the credit, the taxpayer must include the certificate with a tax return filed with the department of revenue. For more information on claiming the tax credit, see department of revenue rules 701—42.22(15E,422), 701—52.21(15E,422), and 701—58.11(15E,422). ### **261—115.5(15E) Certification of qualifying businesses.**

**115.5(1)** *Application for certification.* Within 120 days from the first date on which the equity investments qualifying for investment tax credits have been made, a qualifying business shall apply to the authority for certification as a qualifying business as prescribed by the authority. Investments made more than 120 days prior to receipt by the authority of a substantially complete application for certification shall not be eligible for a tax credit. The application for certification will include the following information:

*a.* A description of the general nature of the business's operations, the location of the principal business operations, the date on which the business was formed, and the date on which the business commenced operations;

*b.* A balance sheet that reflects the qualifying business's assets, liabilities and owner's equity as of the close of the most recent month or quarter;

*c.* A description of the manner in which the business satisfies one of the business experience requirements set forth in paragraph 115.5(2) "c";

*d.* The names, addresses, shares or equity interests issued, consideration paid for the shares or equity interests, and amounts of any tax credits of all shareholders or equity holders who may initially qualify for the tax credits and the date on which the investment was made. The application shall contain a commitment by the qualifying business to amend its list of investors as may be necessary from time to time to reflect new equity interests or transfers in equity among current equity holders or as any other information on the list may change. Applications for tax credits for investments that are not reflected on the most recent listing of investors provided to the authority shall not be eligible for tax credits until an amended list is provided by the qualifying business;

*e.* A signed statement from an officer, director, manager, member, or general partner of the qualifying business certifying the accuracy of the information provided; and

*f.* Any other information as the authority may reasonably require to determine the business's eligibility for certification as a qualifying business and its investors' eligibility to receive tax credits.

**115.5(2)** *Eligibility for certification as a qualifying business.* A business shall meet all of the following criteria to be eligible for certification as a qualifying business:

*a.* The principal business operations of the business are located in the state of Iowa;

*b.* The business has been in operation for six years or less, as measured from the date of the investment for which a credit is claimed;

*c.* The business is participating in an entrepreneurial assistance program. The authority may waive this requirement if a business establishes that its owners, directors, officers, and employees have an appropriate level of experience such that participation in an entrepreneurial assistance program would not materially change the prospects of the business. The authority may consult with outside service providers in consideration of such a waiver;

*d.* The business is not a business engaged primarily in retail sales, real estate, or the provision of health care services or other services requiring a professional license. In determining whether a business

is primarily engaged in retail sales, factors the authority will consider include, but are not limited to, the sources of the business's revenue, whether the business manufactures a product it sells, and whether the business owns intellectual property associated with a product it sells;

*e.* The business does not have a net worth that exceeds \$10 million as of the date of the investment for which the credit is claimed; and

*f.* The business shall have secured all of the following at the time of application for tax credits:

(1) At least two investors.

(2) Total equity financing, binding equity investment commitments, or some combination thereof, equal to at least \$500,000 from investors. For the purposes of determining whether a business has secured at least \$500,000 from investors, convertible debt shall only be considered equity as of the date of conversion.

For purposes of paragraph 115.5(2)“*f.*” “investor” includes a person that executes a binding investment commitment to a business.

**115.5(3) Authority review and notice of certification.**

*a.* Upon the authority's receipt of the information and documentation necessary to demonstrate satisfaction of the criteria set forth in subrule 115.5(2), the authority shall, within a reasonable period of time, determine whether a business shall be certified as a qualifying business and, if applicable, issue written notification to the qualifying business that such business has been certified with the authority for the purpose of issuing investment tax credits. The notice shall indicate that such certification is subject to revocation or expiration pursuant to subrule 115.5(4). The authority will indicate in its written notice the first date investments are eligible for a tax credit based on the date of application for certification and the date the authority expects the certification to expire based on the date the business began operations.

*b.* The authority will only accept applications for investment tax credits from investors in qualifying businesses that have received a written notice of certification.

**115.5(4) Revocation and expiration of certification.**

*a.* A certified qualifying business must notify the authority as soon as it becomes aware of any changes in its eligibility as a qualifying business or in the eligibility of its investors to receive tax credits. A certified qualifying business shall provide any information as the authority may reasonably request to confirm the business's continued eligibility for certification as a qualifying business and the eligibility of its investors to receive tax credits.

*b.* If a qualifying business fails to meet or maintain any requirement set forth in this chapter, the authority shall revoke the business's certification as a qualifying business by issuing written notification of revocation to the business. If applicable, the notification shall identify the last date on which the business was eligible to be certified as a qualifying business. Investments made after the identified date will not be eligible for a tax credit.

*c.* If a business continues to satisfy all eligibility requirements until it has been in operations for more than six years, the business's certification will expire on the date identified as the expected date of expiration pursuant to paragraph 115.5(2)“*a.*” Investments made after the identified date will not be eligible for a tax credit.

[ARC 6242C, IAB 3/9/22, effective 4/13/22]

**261—115.6(15E) Approval, issuance and distribution of investment tax credits.**

**115.6(1) Approval by the board.** Upon certification by the authority of a qualifying business and approval of the taxpayer's application, the board will approve the issuance of a tax credit certificate to the taxpayer applying for the tax credit.

**115.6(2) Issuance by the authority.** Upon approval by the board, the authority shall issue a tax credit certificate to the applicant, provided, however, that such tax credit certificate shall be subject to rescission pursuant to rule 261—115.9(15E).

**115.6(3) Preparation of certificate.** The tax credit certificate shall be prepared by the authority in a form approved by the board and shall contain the taxpayer's name, address, and tax identification number, the amount of credit, the name of the qualifying business, the year in which the credit may be

redeemed and any other information that may be required by the department of revenue. In addition, the tax credit certificate shall contain the following statement:

Neither the authority nor the board has recommended or approved this investment or passed on the merits or risks of such investment. Investors should rely solely on their own investigation and analysis and seek investment, financial, legal and tax advice before making their own decision regarding investment in this enterprise.

**115.6(4) Tax credit amount limitations.** The aggregate amount of tax credits issued per fiscal year pursuant to this chapter shall not exceed the amount allocated by the board pursuant to Iowa Code section 15.119.

**115.6(5) Waitlist for applications received on or before March 31, 2022.**

*a.* If the maximum aggregate amount of tax credits is awarded in a given fiscal year, investors who are determined eligible for a tax credit but were not awarded a tax credit shall be placed on a waitlist in the order the applications are received. Applications that are placed on a waitlist shall be given priority for receiving tax credits in succeeding fiscal years. Placement on a waitlist pursuant to this paragraph shall not constitute a promise binding the state. The availability of a tax credit and issuance of a tax credit certificate pursuant to this rule in a future fiscal year is contingent upon the availability of tax credits in that particular fiscal year or years. This subrule shall apply only to applications received on or before March 31, 2022.

*b.* Any application that can be partially approved without exceeding the maximum aggregate amount of tax credits will be approved as to the portion less than the maximum aggregate amount and placed on a waitlist as to the portion greater than the maximum aggregate amount. For example, if an application is eligible for \$50,000 of tax credits, but there is only \$30,000 of the maximum aggregate amount available, the application will be approved for \$30,000 and placed on a waitlist for \$20,000.

**115.6(6) Applications received on or after April 1, 2022.**

*a.* Applications for tax credits received on or after April 1, 2022, will not be placed on a waitlist if the maximum aggregate amount of tax credits is awarded in a given fiscal year.

*b.* Beginning on or after April 1, 2022, the authority will identify an application period, or periods, on the authority's Internet site at [www.iowaeda.com](http://www.iowaeda.com) for each fiscal year in which an allocation of tax credits is available and has not been fully utilized by applications previously placed on a waitlist pursuant to subrule 115.6(5). Only applications submitted during the established filing window will be reviewed for eligibility by the authority. Each identified application period will remain open until the date indicated by the authority for that fiscal year.

*c.* Applications received on or after April 1, 2022, in excess of the maximum aggregate amount of tax credits for the fiscal year in which they are received will be denied by the board, regardless of whether the investment was otherwise eligible to receive a tax credit award.

*d.* Any application that can be partially approved without exceeding the maximum aggregate amount of tax credits will be approved as to the portion less than the maximum aggregate amount and denied as to the portion greater than the maximum aggregate amount. For example, if an application is eligible for \$50,000 of tax credits, but there is only \$30,000 of the maximum aggregate amount available, the application will be approved for \$30,000 and denied for \$20,000.

**261—115.7(15E) Claiming the tax credits.** To claim a tax credit under this chapter, a taxpayer must include with that taxpayer's tax return a certificate issued pursuant to this chapter when the return is filed with the department of revenue. For more information on claiming tax credits, see department of revenue rules 701—42.22(15E,422), 701—52.21(15E,422), and 701—58.11(15E,422).

**261—115.8(15E) Notification to the department of revenue.** Upon the issuance and distribution of investment tax credits for a tax year, the authority shall promptly notify the department of revenue. Such notification shall also include, but not be limited to, the aggregate number and amount of tax credits issued for the tax year.

**261—115.9(15E) Rescinding tax credits.** In the event that a qualifying business fails to meet or maintain any requirement set forth in this chapter, the authority, upon action by the board, shall rescind any tax credit certificates issued to taxpayers for investments made after the date as of which the business's certification was revoked or expired and shall notify the department of revenue that it has done so. A tax credit certificate that has been rescinded by the authority shall be null and void, and the department of revenue will not accept the tax credit certificate.

**261—115.10(15E) Additional information—confidentiality—annual report.**

**115.10(1) Additional information.** The authority may at any time request additional information and documentation from a qualifying business regarding the operations, job creation and economic impact of such qualifying business, and the authority may use such information in preparing and publishing any reports to be provided to the governor and the general assembly.

**115.10(2) Confidentiality.**

*a.* Except as provided in paragraph “b,” all information or records in the possession of the authority with respect to this chapter shall be presumed by the authority to be a trade secret protected under Iowa Code chapter 550 or common law and shall be kept confidential by the authority unless otherwise ordered by a court.

*b.* All of the following shall be considered public information under Iowa Code chapter 22:

- (1) The identity of a qualifying business.
- (2) The identity of an investor and the qualifying business in which the investor made an equity investment.
- (3) The number of tax credit certificates issued by the authority.
- (4) The total dollar amount of tax credits issued by the authority.

**115.10(3) Annual report.** The authority will publish an annual report of the activities conducted pursuant to Iowa Code chapter 15E, division V, and will submit the report to the governor and the general assembly. The report will include a listing of eligible qualifying businesses and the number of tax credit certificates and the amount of tax credits issued by the authority.

**116.1(1) Tax credit allowed.** For tax years beginning on or after January 1, 2011, a taxpayer may claim a tax credit for a portion of the taxpayer's equity investment in a certified innovation fund. **116.1(2) Treatment of pass-through entities.** If the taxpayer that is entitled to an investment tax credit for an investment in an innovation fund is a pass-through entity electing to have its income taxed directly to its individual owners, such as a partnership, limited liability company, S corporation, estate or trust, the pass-through entity shall allocate the allowable credit to each of the individual owners of the entity on the basis of each owner's pro-rata share of the earnings of the entity, and the individual owners may claim their respective credits on their individual income tax returns.

**116.1(3) Credits for certain investments disallowed.** A taxpayer shall not claim an investment tax credit for an investment in an innovation fund if the taxpayer is a venture capital investment fund allocation manager for the Iowa fund of funds described in Iowa Code section 15E.65, an investor that receives a tax credit for the same investment in a community-based seed capital fund as described in Iowa Code section 15E.45, or an investor that receives a tax credit for the same investment in a qualifying business as described in Iowa Code section 15E.44.

**116.1(4) Cash investments required.** The taxpayer's equity investment must be made in the form of cash to purchase equity in an innovation fund.

**116.1(5) Amount of credit.** For tax years beginning and investments made on or after January 1, 2011, and before January 1, 2013, the taxpayer may claim a tax credit in an amount equal to 20 percent of the taxpayer's equity investment in a certified innovation fund. “*Innovation fund*” means a private, early-stage capital fund that has been certified by the board.

“*Innovative business*” means a business applying novel or original methods to the manufacture of a product or the delivery of a service. “Innovative business” includes but is not limited to a business engaged in advanced manufacturing, biosciences, or information technology.

[ARC 0009C, IAB 2/8/12, effective 3/14/12; ARC 1098C, IAB 10/16/13, effective 10/1/13]

**261—116.3(15E) Certification of innovation funds.**

**116.3(1)** An innovation fund shall provide to the authority information as a prerequisite to the issuance of any investment tax credits to investors in such innovation funds. The innovation fund must provide this information within 120 days from the first date on which the equity investments qualifying for the investment tax credit have been made (or, for investments made during the 2011 calendar year, by the later of 120 days from the first date on which the investments have been made or March 31, 2012).

**116.3(2)** Application forms setting forth the information required to certify the eligibility of an innovation fund may be obtained by contacting the Economic Development Authority, 200 East Grand Avenue, Des Moines, Iowa 50309. The telephone number is (515)725-3000. Applications shall be submitted to the authority at the address identified above.

**116.3(3)** The authority will not issue a tax credit certificate until the board has certified that a fund meets all of the following criteria:

*a.* The innovation fund has submitted a copy of the innovation fund's certificate of limited partnership, limited partnership agreement, articles of organization or operating agreement certified by the chief executive officer of the innovation fund.

*b.* The innovation fund has submitted a signed statement, from an officer, director, manager, member or general partner of the fund, stating the following:

(1) That the innovation fund will make investments in promising early-stage companies which have a principal place of business in the state. For purposes of rule 261—116.3(15E), "having a principal place of business in the state" means (1) that the business has at least 50 percent of all of its employees in the state, (2) that the business pays at least 50 percent of the business's total payroll to employees residing in the state, or (3) that the headquarters of the business (defined as the home office for a substantial amount of executive employees) is in the state.

(2) That the innovation fund proposes to make investments in innovative businesses which have a principal place of business in the state.

(3) That the innovation fund seeks to secure private funding sources for investment in such businesses.

(4) That the innovation fund proposes to provide multiple rounds of funding and early-stage private sector funding to innovative businesses with a high growth potential, and proposes to focus such funding on innovative businesses that show a potential to produce commercially viable products or services within a reasonable period of time. In order to establish that this criterion is met, the innovation fund shall provide a detailed description of the framework the innovation fund will use to evaluate a business's growth potential and its ability to produce commercially viable products or services within a reasonable period of time. The description shall list and discuss the criteria and the attendant process that the innovation fund will use to evaluate businesses. The authority will consider requests submitted under Iowa Code section 15.118 or 22.7 to treat the evaluation framework as confidential.

(5) That the innovation fund proposes to evaluate all prospective innovative businesses using a rigorous approach and proposes to collaborate and coordinate with the authority and other state and local entities in an effort to achieve policy consistency. In order to establish that this criterion is met, an innovation fund shall provide a detailed description of the methods by which each business will be evaluated. An innovation fund shall also submit a plan describing the actions it will take in order to collaborate and coordinate with other state and local entities and the ways in which the innovation fund intends to ensure consistency with the policy goals of this chapter. Such a plan shall propose to create relationships that can be substantiated in writing, which may include, without limitation, contracts, memoranda of understanding, letters of support, affidavits, or joint press releases from or with the entities that will be involved in the collaborative and coordinating efforts or through a list and summary description of the dates and locations for meetings held between the innovation fund and the other entities which allowed for collaboration and coordination between the innovation fund and those entities in an effort to achieve policy consistency.

(6) That the innovation fund proposes to collaborate with the regents institutions of this state and to leverage relationships with such institutions in order to potentially commercialize research developed at those institutions. In order to establish that this criterion is met, an innovation fund shall provide written confirmation of such relationships which may include, without limitation, contracts, memoranda of understanding, letters of support, affidavits, or joint press releases from or with the regents institutions of this state or a list and summary description of the dates and locations for meetings held between the innovation fund and the regents institutions, the names of representatives of regents institutions with whom the innovation fund has met, and a brief summary of the discussions at those meetings.

(7) That the innovation fund proposes to obtain at least \$15 million in binding investment commitments and to invest a minimum of \$15 million in companies that have a principal place of business in the state. In order to establish that this criterion is met, an innovation fund shall include provisions in the fund's governing documents that provide for the continued operations of the fund only if this minimum level of investment commitment is reached.

**116.3(4)** Upon the authority's receipt of the information and documentation necessary to demonstrate satisfaction of the criteria set forth herein, the authority shall, within a reasonable period of time, determine whether to certify the innovation fund. If the authority certifies the innovation fund, the authority shall register the fund on a registry that shall be maintained by the authority. The authority shall use the registry to authorize the issuance of further investment tax credits to taxpayers who make equity investments in the innovation funds registered with the authority. The authority shall issue written notification to the innovation fund that the fund has been registered as an innovation fund with the authority for the purpose of issuing investment tax credits. This written notification shall contain the following statement:

The Authority shall not be liable either for an innovation fund's failure to maintain compliance with the certification requirements nor for an investor's loss of tax credit certificates resulting from either a failure to maintain compliance or from a revocation.

**116.3(5)** On May 24, 2013, significant changes to the innovation fund tax credit program were enacted. (See 2013 Iowa Acts, House File 615.) The legislation includes changes to the criteria required for certification and also changes to the tax credits available to investors in certified funds. An innovation fund certified before May 24, 2013, that wishes to take advantage of the changes in 2013 Iowa Acts, House File 615, must resubmit an application to the board and demonstrate that the innovation fund meets all new requirements for certification as described in subrule 116.3(3).

**116.3(6)** The board will not certify an innovation fund after June 30, 2023.

[ARC 0009C, IAB 2/8/12, effective 3/14/12; ARC 1098C, IAB 10/16/13, effective 10/1/13; ARC 4512C, IAB 6/19/19, effective 7/24/19]

#### **261—116.4(15E) Maintenance, reporting, and revocation of certification.**

**116.4(1)** In order to maintain certification, an innovation fund must demonstrate compliance with the eligibility criteria set forth in subrule 116.3(3) at all times during participation in the program. A failure to comply with the eligibility criteria on an ongoing basis may result in revocation of certification. The authority will notify an innovation fund if the authority finds that the fund is not in compliance and will allow the innovation fund a period of not more than 120 days in which to address such noncompliance. If after 120 days the innovation fund remains in noncompliance, the board may revoke the fund's certification. The authority will not issue tax credit certificates to investors in an innovation fund if such equity investments are made at any point after the innovation fund has been found to be in noncompliance or if the innovation fund's certification has been revoked.

**116.4(2)** On or before December 31 of each year, each certified innovation fund shall collect and provide to the board, in the manner and form prescribed by the authority, the following information:

*a.* The amount of equity investments made in the innovation fund, both on an annual and a cumulative basis.

*b.* For each investment by an innovation fund in a business:

(1) The amount and date of the investment.

(2) The name and industry of the business.

(3) The location or locations from which the business operates.

(4) The number of employees of the business located in Iowa and the number of employees of the business located outside Iowa on the date of the initial investment by the innovation fund in the business.

(5) The number of employees of the business located in Iowa and the number of employees of the business located outside Iowa at the close of the fiscal year which is the subject of the report.

*c.* In order to establish that an innovation fund has met the criterion found in subparagraph 116.3(3) "b"(5), the innovation fund shall provide documentation and information in the manner and form required by the authority. Such documentation and information may include, without limitation,

contracts, memoranda of understanding, letters of support, affidavits, joint press releases, or a list and summary description of the dates and locations for meetings held between the innovation fund and the other entities which allowed for collaboration and coordination between the innovation fund and those entities in an effort to achieve policy consistency.

*d.* In order to establish that an innovation fund has met the criterion found in subparagraph 116.3(3)“*b*”(6), the innovation fund shall provide documentation and information in the manner and form required by the authority. Such documentation and information may include, without limitation, contracts, memoranda of understanding, letters of support, affidavits, joint press releases, or a list and summary description of the dates and locations for meetings held between the innovation fund and regents institutions, the names of representatives of regents institutions with whom the innovation fund has met, and a brief summary of the discussions at those meetings. The innovation fund shall also indicate if any business in which it has invested is commercializing research developed at one of the regents institutions.

**116.4(3)** Upon obtaining the required minimum threshold of \$15 million in binding investment commitments, an innovation fund shall submit a statement containing the names, addresses, equity interests issued and consideration paid for the interests of all limited partners or members who may initially qualify for the tax credits. An innovation fund shall submit an amended statement as may be necessary from time to time to reflect new equity interests or transfers in equity among current equity holders or as any other information on the list may change. The authority will consider requests submitted under Iowa Code section 15.118 to treat investor names and amounts as confidential.

**116.4(4)** The board may revoke an innovation fund’s certification if any of the following events occur:

*a.* An innovation fund fails to secure the required \$15 million in initial binding investment commitments within one year of the date of certification by the board or fails at any point thereafter to secure investment from its investors of at least \$15 million. If an investor in an innovation fund fails to make a capital call by the innovation fund and that failure would cause the innovation fund to fail to secure the required minimum \$15 million in investment, then the authority will provide the innovation fund a period of not more than 120 days after receiving notice of the failed capital call to secure additional investment commitments sufficient to meet the required minimum investment.

*b.* An innovation fund fails to timely submit the report required in subrule 116.4(2).

*c.* An innovation fund fails to maintain the eligibility criteria as set forth in subrule 116.3(3).

The board may forbear revocation under this subrule for good cause shown or for demonstration of extenuating circumstances. Such forbearance shall be at the board’s discretion and for the period of time determined by the board to be in the best interest of the program and the state of Iowa.

**116.4(5)** If the board finds that a fund is in noncompliance or revokes an innovation fund’s certification, the board will not issue tax credit certificates to investors in the innovation fund until the innovation fund manager demonstrates to the board that the innovation fund again meets the eligibility criteria set forth in rule 261—116.3(15E). If an investor makes an equity investment prior to a notice of noncompliance and a revocation of an innovation fund’s certification, the board will issue the tax credit certificate as set forth in rule 261—116.6(15E). If an investor is issued a tax credit certificate prior to a revocation of certification, the investor shall have all the rights described in Iowa Code section 15E.52(5).

**261—116.5(15E) Application for the investment tax credit certificate.** Upon certification and registration by the authority of an innovation fund, a taxpayer may make equity investments in the fund and may apply for an investment tax credit certificate for each equity investment made in a certified innovation fund by submitting an application to the authority for approval by the board and providing such other information and documentation as may be requested by the authority. Application forms for the investment tax credit certificate may be obtained by contacting the Economic Development Authority, 200 East Grand Avenue, Des Moines, Iowa 50309. Applications shall be submitted to the authority at the address identified above. Each application shall be date- and time-stamped by the

**261—116.6(15E) Approval, issuance and distribution of investment tax credits.**

**116.6(1) Approval.** Upon certification and registration by the authority of an innovation fund and approval of the taxpayer's application, the board will approve the issuance of a tax credit certificate to the applicant. The board shall not issue a certificate to a taxpayer for an equity investment in an innovation fund until such fund has been certified as an innovation fund pursuant to rule 261—116.3(15E).

**116.6(2) Issuance.** Applicants shall receive tax credit certificates on a first-come, first-served basis until the maximum aggregate amount of credits authorized for issuance has been reached for any fiscal year. The board shall not issue a tax credit certificate prior to September 1, 2014.

**116.6(3) Waiting list.** If, during any fiscal year during which tax credits are to be issued under this chapter, applications totaling more than the maximum aggregate amount are received and approved, the board will establish a waiting list for certificates. Applications that were approved but for which certificates were not issued shall be placed on the waiting list in the order the applications were received by the board. If applications were placed on the waiting list, the authority shall:

a. Issue tax credit certificates to the taxpayers for such waitlisted tax credits before issuing any new tax credits to later applicants, and

b. Apply the aggregate amount of the waitlisted credits against the total amount of tax credits to be issued during the subsequent fiscal year before approving or issuing additional tax credits.

**116.6(4) Preparation of the certificate.** The tax credit certificate shall be in a form approved by the authority and shall contain the taxpayer's name, address, and tax identification number, the amount of credit, the name of the innovation fund, the year in which the investment was made and any other information that may be required by the department of revenue. In addition, the tax credit certificate shall contain the following statement:

Neither the authority nor the board has recommended or approved this investment or passed on the merits or risks of such investment. Investors should rely solely on their own investigation and analysis and seek investment, financial, legal and tax advice before making their own decision regarding investment in this fund.

**116.6(5) Credit amount.** A tax credit for investment in an innovation fund is equal to 25 percent of the taxpayer's equity investment in the fund.

**116.6(6) Maximum aggregate limitation.** The maximum aggregate amount of tax credits issued pursuant to this chapter shall not exceed the amount allocated by the board pursuant to Iowa Code section 15.119(2). For fiscal year 2012 and all subsequent fiscal years, that amount is \$8 million per year.

A replacement tax credit certificate may designate a different tax than the tax designated on the original tax credit certificate.

**116.7(4) Claiming a transferred tax credit.** A tax credit shall not be claimed by a transferee until a replacement tax credit certificate identifying the transferee as the proper holder has been issued. The

transferee may use the amount of the tax credit transferred against the taxes imposed in Iowa Code chapter 422, divisions II, III, and V, and in Iowa Code chapter 432, and against the moneys and credits tax imposed in Iowa Code section 533.329, for any tax year the original transferor could have claimed the tax credit. Any consideration received for the transfer of the tax credit shall not be included as income under Iowa Code chapter 422, divisions II, III, and V. Any consideration paid for the transfer of the tax credit shall not be deducted from income under Iowa Code chapter 422, divisions II, III, and V. For more information on claiming transferred tax credits, see department of revenue rule 701—42.22(15E,422). [ARC 1098C, IAB 10/16/13, effective 10/1/13]

**261—116.8(15E) Vested right in the tax credit.** A certificate and related tax credit issued pursuant to Iowa Code section 15E.52 shall be deemed a vested right of the original holder or any transferee thereof, and the state shall not cause either to be redeemed in such a way that amends or rescinds the certificate or that curtails, limits, or withdraws the related tax credit, except as otherwise provided in rules 261—116.6(15E) and 261—116.7(15E) or upon consent of the proper holder. A certificate issued pursuant to this rule cannot pledge the credit of the state, and any such certificate so pledged to secure the debt of the original holder or a transferee shall not constitute a contract binding the state. A taxpayer does not obtain a vested right in such a tax credit until a certificate has been issued by the authority. [ARC 1098C, IAB 10/16/13, effective 10/1/13]

**261—116.9(15E) Claiming the tax credits.** To claim a tax credit under this chapter, a taxpayer must attach to that taxpayer's tax return a certificate issued pursuant to this chapter when the return is filed with the department of revenue. A tax credit may be claimed in the first year that a certificate is issued. Any tax credit in excess of the taxpayer's liability for the tax year may be credited to the tax liability for the following five years or until depleted, whichever is earlier. A tax credit shall not be carried back to a tax year prior to the tax year in which the taxpayer claims the tax credit. **261—118.4(15) Program description, disbursement of funds, and contract administration.**

**118.4(1) Program description.** The program established in this chapter provides financial assistance to certain strategic infrastructure projects. The board, after considering the recommendations made by the council, will determine which projects to fund and how much should be awarded to each project. The director and staff of the authority will collect and process applications from applicants, advise the council and the board as to the available program funding, and help evaluate whether a proposed project meets the requirements of the program. The council will review applications meeting the program requirements, score them according to the criteria described in rule 261—118.7(15), and make recommendations to the board as to the completeness of applications and as to which projects to fund, how much to award to each project, and the type of financial assistance to be provided. Disbursement of funds under the contract will be on a reimbursement basis for expenses incurred by the applicant as provided under the contract.

**118.4(3) *Contract administration.*** The authority will prepare a contract for each project receiving an award from the board. The contract will reflect the terms of the award and may include other terms and conditions reasonably necessary for implementation of the program pursuant to this chapter. Substantial amendments to a contract must be approved by the board. The board may refer substantial amendments to the council for review and recommendation. Substantial amendments include the amount of financial assistance, the length of the contract, whether to terminate the contract, and the terms of a settlement following an event of default. Other changes or amendments to the contract may be negotiated by the authority with the approval of the director.

**261—118.7(15) Application scoring criteria.** When applications for financial assistance under the program are reviewed, the criteria below will be considered and the application scored as described. When scoring the application according to each of the criteria below, to the extent that a proposed project involves multiple public and private sector entities, for-profit and nonprofit organizations, and economic development and educational institutions, the council will review such partnerships as

indicating that a commonly utilized asset is being proposed and therefore may award more points under each criterion. The criteria under which each application will be scored are:

**118.7(1)** The overall quality of the project, especially as reflected in the description and explanation submitted pursuant to subrule 118.5(1): 20 points.

For purposes of this subrule, the council will consider a project's estimated economic impact and the extent to which it contributes to the overall quality of the project. The council will also consider the structure of the proposed project and the nature of the partnerships proposed to be formed as part of the proposed project.

**118.7(2)** The extent to which the commonly utilized asset proposed by the project benefits one or more private sector entities and the extent to which the commonly utilized asset creates necessary physical infrastructure in the state: 20 points.

For purposes of this subrule, more points will be awarded to projects demonstrating greater benefits or benefits to more entities and to projects demonstrating more critical necessary physical infrastructure.

**118.7(3)** The extent to which the proposed project provides benefits that are not adequately provided by the public or private sectors: 20 points.

**118.7(4)** The importance of the vertical infrastructure improvement developments, facilities and equipment upgrades, or the redevelopment or repurposing of underutilized property or other assets that are proposed, the extent to which the proposed project will attract additional public or private sector investment, and the likelihood that the project will result in broad-based prosperity in the state: 20 points.

**118.7(5)** The sufficiency of the proposed project's financing structure, the feasibility of the sources of funds, and the appropriateness of the proposed uses of the funds: 20 points.

For purposes of this subrule, the council will consider a proposed project's overall financing gap and the total amount of funds leveraged from other sources.

[Prior to 7/4/07, see 261—Ch 168, div II]

**261—172.1(15A) Environmental law compliance.** Iowa Code section 15A.1(3) provides that a state agency shall not provide a grant, loan, or other financial assistance to a private person or on behalf of a private person unless the business for whose benefit the financial assistance is to be provided makes a report detailing the circumstances of its violations, if any, of a federal or state environmental protection statute, regulation, or rule within the previous five years. The state agency shall take into consideration before allowing financial assistance this report of the business. If the business generates solid or hazardous waste, the business must conduct and submit documentation of in-house audits and must submit a copy of the management plan developed to reduce the amount of the waste and to safely dispose of the waste.

**172.1(1) Environmental report submitted.** Any individual or business applying for assistance through the authority shall report on the application for assistance any cited violation(s) of federal or state environmental statutes, regulations or rules within the past five years and detail the circumstances of the violation(s). **172.1(2) Ineligibility for assistance.** Any individual or business which has been referred by the department of natural resources to the attorney general for an environmental violation(s) shall be ineligible to receive assistance from the authority until such time as the violation(s) has been determined to be corrected.

If the individual or business has conducted an in-house audit and developed a management plan within the last three years, submission of a copy of the audit and management plan will fulfill this requirement. If the individual or business has not conducted an audit within the past three years, the individual or business must initiate the audit prior to the authority's disbursement of financial assistance and submit a copy of the completed audit within 90 days of disbursement of the financial assistance.

**172.1(4) External audit.** In lieu of an in-house audit, the individual or business may elect to authorize the department of natural resources or the Iowa waste reduction center established under Iowa Code section 268.4 to conduct the audit. - The contract between the third-party provider and the business specifically requires the third-party provider to submit payroll records to the authority, in form and content and at the frequency found acceptable to the authority, for purposes of verifying that the business’s job creation/retention and benefit requirements are being met.

- The contract between the third-party provider and the business specifically authorizes the authority, or its authorized representatives, to access records related to the funded project.

- The business receiving the tax incentives or project completion assistance agrees to be contractually liable to the authority for the performance or nonperformance of the third-party provider.

“*Equity investment*” means common or preferred corporate stock or warrants to acquire such stock, membership interests in limited liability companies, partnership interests in partnerships, or near equity. Equity is limited to securities or interests acquired only for cash and does not include securities or interests acquired at any time for services, contributions of property other than cash, or any other non-cash consideration.

“*Equity-like assistance*” means assistance provided in such a manner that the potential return on investment to the provider varies according to the profitability of the company assisted. Equity-like assistance includes but is not limited to: royalty arrangements; success payments; warrant arrangements; or other similar forms of investments. Equity-like assistance does not include equity investments.

“*Financial assistance*” means assistance provided only from the funds, rights, and assets legally available to the authority. Financial assistance includes assistance provided in the form of grants, loans, forgivable loans, float loans, equity-like assistance, and royalty payments and other forms of assistance deemed appropriate by the board, consistent with Iowa law.

“*Fiscal impact ratio*” or “*FIR*” means a ratio calculated by estimating the amount of taxes to be received by the state from a business and dividing the estimate by the estimated cost to the state of providing certain project completion assistance and tax incentives to the business, reflecting a ten-year period of taxation and incentives and expressed in terms of current dollars. “Fiscal impact ratio” does not include taxes received by political subdivisions.

“*Full-time equivalent job*” or “*full-time*” means the employment of one person:

1. For 8 hours per day for a 5-day, 40-hour workweek for 52 weeks per year, including paid holidays, vacations and other paid leave; or

2. The number of hours or days per week, including paid holidays, vacations and other paid leave, currently established by schedule, custom, or otherwise, as constituting a week of full-time work for the kind of service an individual performs for an employing unit, provided that the number of hours per week is at least 32 hours per week for 52 weeks per year including paid holidays, vacations, and other paid leave.

For purposes of this definition, “employment of one person” means the employment of one natural person and does not include “job sharing” or any other means of aggregation or combination of hours worked by more than one natural person.

“*Grant*” means an award of assistance with the expectation that, with the fulfillment of the conditions, terms and obligations of the contract with the authority for the project, repayment of funds is not required.

“*Grayfield site*” means the same as defined in Iowa Code section 15.291.

“*Greenfield site*” means a site that does not meet the definition of a brownfield site or grayfield site. A project proposed at a site located on previously undeveloped or agricultural land shall be presumed to be a greenfield site.

“*ICF*” means the innovation and commercialization fund created in Iowa Code section 15.412.

“*IVF(2009)*” means the grow Iowa values fund and financial assistance program established by Iowa Code section 15G.111 as amended by 2009 Iowa Acts, Senate File 344, section 2, and as repealed by 2011 Iowa Code Supplement section 15G.107. IVF(2009) does not include programs funded under the grow Iowa values fund prior to 2009. Rule 261—173.1(15) applies in determining which rules apply to which programs.

“*Laborshed area*” means the geographic area surrounding an employment center from which the employment center draws its commuting workers. The Iowa department of workforce development (IWD) determines the employment centers and defines the boundaries of each laborshed area. IWD defines laborshed areas by surveying commuters within the various zip codes surrounding an employment center, combining the zip codes into as many as three zones, and determining how many people commute from a zip code to the employment center from each zone. The zones reflect the fact that as the distance from an employment center increases, the number of people willing to commute to the employment center decreases. When determining the applicable laborshed wage, the authority will use the closest laborshed area, as determined by road distance between the employment center and the zip code of the project location.

“*Laborshed wage*” means the same as defined in Iowa Code section 15.327. The authority will calculate the laborshed wage as follows:

1. The most current covered wage and employment data available from IWD will be used.
2. The wage will be computed as a mean wage figure and represented in terms of an hourly wage rate.
3. Only the wages paid by employers for jobs performed within the first two zones of a laborshed area will be included.
4. The wages paid by employers in the following categories will be excluded from the calculation: government, retail trade, health care and social assistance, and accommodations and food service. The wages paid by employers in all other categories will be included in the calculation.
5. To the extent that a laborshed area includes zip codes from states other than Iowa, the wages paid by employers in those zip codes may be included if IWD has finalized a data-sharing agreement with the state in question and has received the required data.
6. Only those wages within two standard deviations from the mean wage will be included.

“*Loan*” means an award of assistance with the requirement that the award be repaid with term, interest rate, and other conditions specified as part of the conditions of the award. “*Loan*” includes deferred loans, forgivable loans, and float loans. A “*deferred loan*” is one for which the payment for principal, interest, or both, is not required for some specified period. A “*forgivable loan*” is one for which repayment is eliminated in part or entirely if the borrower satisfies specified conditions. A “*float loan*” means a short-term loan (not to exceed 30 months) made from obligated but unexpended moneys.

“*Maintenance period*” means the period of time between the project completion date and the maintenance period completion date.

“*Maintenance period completion date*” means the date on which the maintenance period ends. The specific date on which the maintenance period ends will be established by contract between the authority and the business. The maintenance period completion date will be a date on or after the project completion date and will be used to establish the period of time during which the project, the created

jobs, and the retained jobs must be maintained. Rule 261—187.3(15) provides standard durations for project completion and maintenance periods.

*“Project”* means an activity or set of activities directly related to the start-up, location, modernization, or expansion of a business, and proposed in an application by a business, that will result in the accomplishment of the goals of the program.

*“Project completion,”* in the case of the EZ program and HQJP, for purposes of reporting to the Iowa department of revenue that a project has been completed, means:

1. For new manufacturing facilities, the first date upon which the average annualized production of finished product for the preceding 90-day period at the manufacturing facility is at least 50 percent of the initial design capacity of the facility.

2. For all other projects, the date of completion of all improvements necessary for the start-up, location, expansion or modernization of a business.

*“Project completion assistance”* means financial assistance or technical assistance provided to an eligible business in order to facilitate the start-up, location, modernization, or expansion of the business in this state and provided in an expedient manner to ensure the successful completion of the start-up, location, modernization, or expansion project.

*“Project completion date”* means the date by which a recipient of incentives or assistance has agreed to meet all the terms and obligations contained in an agreement with the authority. The specific date on which the project completion period ends will be established by contract between the authority and the business. The project completion date will be a date on which the project must be completed, all incented jobs must be created or retained, and all other applicable requirements must be met. Rule 261—187.3(15) provides standard durations for project completion and maintenance periods.

*“Project completion period”* means the period of time between the date financial assistance is awarded (the “award date”) and the project completion date.

*“Project initiation”* means, for all programs and funding sources except EDSA, any one of the following:

1. The start of construction of new or expanded buildings;
2. The start of rehabilitation of existing buildings;
3. The purchase or leasing of existing buildings; or
4. The installation of new machinery and equipment or new computers to be used in the operation of the business’s project.

The purchase of land or signing an option to purchase land or earth moving or other site development activities not involving actual building construction, expansion or rehabilitation shall not constitute project initiation. The costs of any land purchase and site development work incurred prior to the award are not eligible qualifying investment expenses.

*“Qualifying wage threshold”* means the laborshed wage for an eligible business. The qualifying wage thresholds for the authority’s programs are described in 261—Chapter 174.

*“Retained job”* means a full-time equivalent permanent position in existence at the time an employer applies for financial assistance which remains continuously filled or authorized to be filled as soon as possible and which is at risk of elimination if the project for which the employer is seeking assistance does not proceed. The authority may require a business to verify that a job is at risk. Such verification may include the signed statement of an officer of the business, documentation that the business is actively exploring other sites for the project, or any other information the authority may reasonably require during the application review process to establish that a job is at risk.

*“Sufficient benefits”* means that the employer applying for financial assistance offers to each full-time equivalent permanent position a benefits package that meets one of the following:

1. The employer pays 80 percent of the premium costs for a standard medical and dental plan for single employee coverage with a \$750 maximum deductible; or
2. The employer pays 50 percent of the premium costs for a standard medical and dental plan for employee family coverage with a \$1,500 maximum deductible; or
3. The employer provides medical coverage and pays the monetary equivalent of paragraph “1” or “2” above in supplemental employee benefits. Benefits counted toward monetary equivalent could

include medical coverage, dental coverage, vision insurance, life insurance, pension, retirement (401k), profit sharing, disability insurance, child care services, and other nonwage compensation approved by the board.

*“Technology commercialization committee”* means the committee organized by the board pursuant to 261—Chapter 1.

CHAPTER 174  
WAGE, BENEFIT, AND INVESTMENT REQUIREMENTS

[Prior to 7/4/07, see 261—Ch 168, div IV]

**261—174.1(15) Applicability.** This chapter is applicable to the programs identified in 261—173.1(15). [ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12]

**261—174.2(15) Qualifying wage threshold calculations.**

**174.2(1) Annual updates.** The authority will update the qualifying wage thresholds described in this chapter annually each fiscal year. The thresholds will take effect on September 1 of each fiscal year and remain in effect until August 31 of the following fiscal year.

**174.2(2) Applicability to applications.** The qualifying wage threshold applicable to a project is the threshold in effect on the date the fully completed project application for the applicable program is received by the authority. If such an application is received but not acted upon by the board before the qualifying wage thresholds are updated, the thresholds in effect on the date the application was received will remain in effect for a period of three months notwithstanding that the thresholds are subsequently updated. The authority shall have sole discretion in determining whether an application is fully completed.

**174.2(3) Phase-in of large increases.** Notwithstanding the definition of laborshed wage in 261—Chapter 173, if the authority updates qualifying wage thresholds pursuant to subrule 174.2(1) and determines that, after calculation by IWD, the laborshed wage of a laborshed area would increase by more than one dollar per hour, the authority will limit the amount of that laborshed area's increase for that annual update to one dollar per hour. This subrule will be applied at each annual update pursuant to subrule 174.2(1) and will be applied by measuring the result of the calculation described in the definition of laborshed area against the most recent qualifying wage threshold published pursuant to subrule 174.2(1). Thus, this subrule will be applied in such a manner as to phase in the full amount of an earlier increase over more than one subsequent update. For example, if, at one annual update, a laborshed wage would increase by three dollars per hour over the current qualifying wage threshold, the authority will limit the amount of the increase in that first annual update to one dollar. But if, at the second annual update, the laborshed wage calculation performed pursuant to 261—Chapter 173 remains what it was at the time of the first annual update, then the authority will apply up to one additional dollar at the second annual update, and so on.

**174.2(4) Effective date and applicability.** The laborshed-based qualifying wage thresholds were effective beginning on July 1, 2012, and the authority will apply the provisions of this rule to all qualifying wage threshold calculations made or updated on or after that date.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 6188C, IAB 2/9/22, effective 3/16/22; ARC 6637C, IAB 11/16/22, effective 12/21/22]

**261—174.3(15) Qualifying wage threshold requirements—prior to July 1, 2009.** The following qualifying wage thresholds apply to awards made on or before June 30, 2009. This rule shall apply to the prior programs and funding sources until such time as the contracts for these prior programs are closed by the authority.

Tax Credit Program	Wage Threshold Requirement	Can benefits value be added to the hourly wage to meet the wage threshold?
EZ	90% of average county wage or average regional wage, whichever is lower	No
HQJC	130% of average county wage  More benefits are available if the wage rate is 160% or higher	Yes

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 2038C, IAB 6/24/15, effective 7/29/15; ARC 6637C, IAB 11/16/22, effective 12/21/22]

**261—174.4(15)** Reserved.

**261—174.5(15) Qualifying wage threshold requirements—on or after July 1, 2009, and on or before June 30, 2012.**

**174.5(1)** HQJP and EZ. Projects funded through the HQJP or EZ tax credit program shall meet the following qualifying wage thresholds:

Tax Credit Program	Qualifying Wage Threshold Requirement	Credit for sufficient benefits?
HQJP	130% of county wage or regional wage, whichever is lower	Yes
EZ	90% of county wage or regional wage, whichever is lower	No

**174.5(2)** Higher wage threshold applies if multiple programs are used in a project. Notwithstanding the qualifying wage threshold requirements for each program, if a business is a recipient of financial assistance from more than one program administered by the authority and the qualifying wage thresholds are not the same, the business shall be required to pay the higher qualifying wage for the project.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 2038C, IAB 6/24/15, effective 7/29/15; ARC 6637C, IAB 11/16/22, effective 12/21/22]

**261—174.6(15) Qualifying wage threshold requirements—effective on or after July 1, 2014.** As of July 1, 2014, the qualifying wage thresholds described in this rule shall be in effect.

**174.6(1) Enterprise zone (EZ) program.** The qualifying wage threshold requirement applicable to the EZ program is 90 percent of the laborshed wage. The wage threshold described in this subrule continues to apply to agreements entered into before July 1, 2014. However, no new agreements may be entered into on or after July 1, 2014.

**174.6(2) High quality jobs program (HQJP).** The qualifying wage threshold requirement applicable to HQJP is 120 percent of the laborshed wage unless subrule 174.6(3) or 174.6(4) applies to a project.

**174.6(3) HQJP projects in distressed areas.**

*a.* Notwithstanding subrule 174.6(2), the qualifying wage threshold requirement applicable to an HQJP project may be lowered to 100 percent of the laborshed wage if the eligible business is located in an economically distressed area.

*b.* For purposes of this subrule, “economically distressed area” means a county that meets at least three of the following criteria:

(1) The county ranks among the 33 Iowa counties with the highest average monthly unemployment rates for the most recent 12-month period based on the applicable local area unemployment statistics produced by the United States Department of Labor, Bureau of Labor Statistics.

(2) The county ranks among the 33 Iowa counties with the highest average annualized unemployment rates for the most recent five-year period based on the applicable local area unemployment statistics produced by the United States Department of Labor, Bureau of Labor Statistics.

(3) The county ranks among the 33 Iowa counties with the lowest annual average weekly wages based on the most recent quarterly census of employment and wages published by the United States Department of Labor, Bureau of Labor Statistics.

(4) The county ranks among the 33 Iowa counties with the highest family poverty rates based on the most recent American Community Survey five-year estimate released by the United States Census Bureau.

(5) The county ranks among the 33 Iowa counties with the highest percentage population loss. Percentage population loss shall be calculated by comparing the most recent population estimate produced by the United States Census Bureau to the most recent decennial census released by the United States Census Bureau, except for a calendar year in which the decennial census data is released, in which case the percentage population loss shall be calculated by comparing the population in the decennial census released that calendar year to the population in decennial census released ten years prior.

(6) The county ranks among the 33 Iowa counties with the highest percentage of persons 65 years of age or older based on the most recent American Community Survey five-year estimate released by the United States Census Bureau.

c. The authority may designate a county that does not meet at least three of the criteria in paragraph 174.6(3) "b" as an economically distressed area if a business located in the county experiences a layoff or a closure that has a significant impact on a community within the county.

(1) Factors the authority will consider in determining whether a layoff or closure has a significant impact on a community within the county include, but are not limited to, total number of employees impacted, percentage of the applicable laborshed impacted, number of employees impacted as a percentage of population, current unemployment rate, and unemployment rate including the employees affected by a layoff or closure.

(2) A city or county shall request designation of a county as an economically distressed area pursuant to this paragraph in writing. Such requests are subject to approval by the board. Requests may be made simultaneously with a project application that would qualify for a lower qualifying wage threshold requirement pursuant to this subrule if the request is approved.

d. The authority will update the list of economically distressed areas, including those designated pursuant to paragraph 174.6(3) "c," according to the same schedule as the qualifying wage thresholds are updated pursuant to subrule 174.2(1) and will apply the provisions of subrule 174.2(2) to the list of economically distressed areas in the same manner.

**174.6(4) HQJP projects at brownfield or grayfield sites.**

a. Notwithstanding subrule 174.6(2), the qualifying wage threshold requirement applicable to an HQJP project may be lowered to 90 percent of the laborshed wage if the eligible business is located at a brownfield site. The qualifying wage threshold for a brownfield site may be lowered to 90 percent regardless of where the project site is located as long as the project meets the requirements of a brownfield site.

b. Notwithstanding subrule 174.6(2), the qualifying wage threshold requirement applicable to an HQJP project may be lowered to 100 percent of the laborshed wage if the eligible business is located at a grayfield site. The qualifying wage threshold for a grayfield site may be lowered to 100 percent regardless of where the project site is located as long as the project meets the requirements of a grayfield site.

c. The authority may consult with the brownfield redevelopment advisory council established pursuant to Iowa Code section 15.294 in order to make a determination as to whether a project site meets the requirements of a brownfield site or grayfield site for purposes of this subrule. The determination as to whether a project site qualifies as a brownfield or grayfield site shall be within the discretion of the authority. In making such determinations, the authority will attempt to apply the same definition in substantially the same manner as similar definitions are applied by the brownfield redevelopment advisory council.

d. A project that does not meet the requirements of a brownfield site or grayfield site will be presumed to be a greenfield site.

**261—174.7(15) Job obligations.** Jobs that will be created or retained as a result of a project's receiving state or federal financial assistance, project completion assistance, or tax incentives from the authority shall meet the qualifying wage threshold requirements. Jobs that do not meet the qualifying wage threshold requirements will not be counted toward a business's job creation or job retention obligations contained in the contract between the authority and the business. A business's job obligations shall include the business's base employment level and the number of new jobs required to be created above the base employment level.

**261—174.10(15) Capital investment, qualifying investment for tax credit programs, and investment qualifying for tax credits.**

**174.10(1) Capital investment.** The authority reports on the amount of capital investment involved with funded projects. This rule lists the categories of expenditures that are included when the authority determines the amount of capital investment associated with a project.

**174.10(2) Qualifying investment for tax credit programs.** For the tax credit programs (EZ and HQJP), there are statutorily required minimum investment thresholds that must be met for the project to

be considered to receive an award. Not all expenditures count toward meeting the investment threshold. This rule identifies the categories of expenditures that can be included when the amount of investment is calculated for purposes of meeting program eligibility threshold requirements.

**174.10(3) *Investment qualifying for tax credits.*** Not all of the expenditures categories used to calculate the investment amount needed to meet program threshold requirements qualify for purposes of claiming the tax credits. The following table identifies the expenditures that do not qualify for tax credits.

CHAPTER 175  
APPLICATION REVIEW AND APPROVAL PROCEDURES

**261—175.1(15) Applicability.** This chapter shall apply to the programs listed in rule 261—173.1(15) and to other state and federal programs identified in this chapter. This chapter describes the application review and approval procedures and the role of the advisory groups or board committees and identifies the final decision maker for each program.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12]

**261—175.2(15) Application procedures for programs administered by the authority.**

**175.2(1) Financial assistance programs.** The authority administers a number of programs that provide direct financial assistance of various types for approved projects. This includes ongoing administration of agreements executed under certain prior programs, such as the grow Iowa values fund and the power fund, that have been repealed. The authority will receive applications for direct assistance under current programs and will continue to receive amendment requests for contracts entered into under former programs. Beginning on July 1, 2012, most new applications for direct assistance will be received as requests for project completion assistance under HQJP.

**175.2(2) IVF (2005).** Rescinded IAB 7/15/09, effective 7/1/09.

**175.2(3) Projects funded by program funds (“old money”).** Rescinded IAB 7/15/09, effective 7/1/09.

**175.2(4) Tax credit programs.** The authority administers tax credit programs that provide tax incentives for approved projects. The authority will review an application to ensure that the project meets the requirements for the tax credit programs through which an applicant is applying.

**175.2(5) Federal programs.** The authority administers federal programs including, but not limited to, the CDBG program. EDSA is the job creation component of the CDBG program. The authority will review an application to ensure that the project meets the requirements for the programs through which an applicant is applying.

**175.2(6) Other state programs.** In addition to the programs described herein, the authority administers other state programs. The authority will review an application to ensure that the project meets the requirements for the tax credit programs through which an applicant is applying.

**175.2(7) Application required.** A business or community seeking financial assistance or tax credit benefits from an authority program shall submit an application to the authority. The applicant shall comply with the authority’s application procedures, processes, rules, and, as applicable, the wage and benefit requirements for that program and its funding source. Application forms and directions for completing the forms are available online at the authority’s Web site at [www.iowalifechanging.com](http://www.iowalifechanging.com) or at the authority’s offices located at 200 East Grand Avenue, Des Moines, Iowa 50309.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 9754B, IAB 9/21/11, effective 10/26/11; ARC 0442C, IAB 11/14/12, effective 12/19/12]

**261—175.3(15) Standard program requirements.** In addition to the eligibility requirements of the individual programs applicable to the financial assistance sought, an applicant shall be subject to all of the following requirements which the authority shall also incorporate into each agreement as continuing obligations and conditions for the receipt of incentives or assistance under the program:

**175.3(1) Environmental and worker safety.** The applicant shall submit to the authority with its application for financial assistance a report describing all violations of environmental law or worker safety law within the last five years. If, upon review of the application, the board finds that a business has a record of violations of the law, statutes, rules, or regulations that tends to show a consistent pattern, the board shall not make an award of financial assistance to the business unless the board finds either that the violations did not seriously affect public health, public safety, or the environment or, if such violations did seriously affect public health, public safety, or the environment, that mitigating circumstances were present.

**175.3(2) Sustained operations.** The applicant shall comply with the provisions of 261—subrule 68.2(2) regarding relocations within the state and reductions in operations.

**175.3(3) Competition.** The proposed project shall not negatively impact other businesses in competition with the business being considered for assistance. The authority shall make a good faith effort to identify existing Iowa businesses within an industry in competition with the business being considered for financial assistance. The authority shall make a good faith effort to determine the probability that the proposed financial assistance will displace employees of the existing businesses. In determining the impact on businesses in competition with the business being considered for financial assistance, jobs created or retained as a result of other jobs being displaced elsewhere in the state shall not be considered direct jobs created or retained.

**175.3(4) Legally authorized employment.** The applicant shall only employ individuals legally authorized to work in this state. In addition to any and all other applicable penalties provided by current law, all or a portion of the assistance received by a business which has received financial assistance under the program and is found to knowingly employ individuals not legally authorized to work in this state is subject to recapture by the authority.

## **261—175.4(15) Review and approval of applications.**

**175.4(1) Staff review for eligibility.** Applications received by the authority will be reviewed by program staff to ensure that documentation of minimum program eligibility requirements has been submitted by the applicant. Complete applications will be forwarded to the appropriate decision maker for action.

**175.4(2) Additional review factors.** In addition to reviewing an application for eligibility, the authority and the board may consider additional factors. Upon review of these additional factors, the board may determine that the applicant is ineligible to receive assistance until such time as the pending resolution of any outstanding issues identified by the board. Additional factors to be considered include:

*a. Applicant's past or current performance.* If an applicant has received a prior award(s) from the authority, the authority and board will take into consideration the applicant's past or current performance under the prior award(s).

*b. Results of due diligence review.* This review will include, but is not limited to, lien searches, reports of violations, lawsuits and other relevant information about the applicant.

*c. Report on environmental law compliance.* This report is required by rule 261—172.1(15A) and applicable program statutes.

*d. Report on violations of law.* This report is required by rule 261—172.2(15A) and applicable program statutes.

**175.4(3) Negotiations.** Authority staff may negotiate with the applicant concerning dollar amounts, terms, collateral requirements, conditions of award, or any other elements of the project. The board or director may offer an award in a lesser amount or that is structured in a manner different from that requested. Meeting minimum eligibility requirements does not guarantee that assistance will be offered or provided in the manner sought by the applicant.

**175.4(4) Application approval procedures.**

*a. Approval.* Application approval procedures must comply with the statutory requirements for each individual program or funding source and the applicable administrative rules. In general, the approval process begins with review of a completed application by authority staff. After review by staff, the application may be sent to a committee for further recommendation followed by final action on the application by the board or by the director, as the case may be. The director may take action on any application or activity that is not specifically identified as requiring board action. The authority's various programs and the application procedures are described in paragraph "c," which contains the applicable recommending and approving entities by funding source and program.

PART VIII  
LEGAL AND COMPLIANCECHAPTER 187  
CONTRACTING

[Prior to 7/4/07, see 261—Ch 168, div VI]

**261—187.1(15) Applicability.** This chapter is applicable to the programs identified in 261—173.1(15).

**261—187.2(15) Contract required.**

**187.2(1) Notice of award.** Successful applicants will be notified in writing of an award of assistance, including any conditions and terms of the approval.

**187.2(2) Contract required.** The authority shall prepare a contract that includes, but is not limited to, a description of the project to be completed by the business; the jobs to be created or retained; length of the project completion period and maintenance project completion period; the project completion date and maintenance period completion date; conditions to disbursement; a requirement for annual reporting to the authority; and the repayment requirements of the business or other penalties imposed on the business in the event the business does not fulfill its obligations described in the contract and other specific repayment provisions (“clawback provisions”) to be established on a project-by-project basis. The contract shall include the requirements that must be met to confirm eligibility pursuant to the program and the requirements that must be maintained throughout the period of the contract in order to retain the incentives or financial assistance received.

**187.2(3) Contract-signing deadline.** Successful applicants will be required to execute an agreement with the authority within 120 days of the authority’s or board’s approval of an award. Failure to do so may result in action by the entity that approved the award (the authority or the board) to rescind the award. The 120-day time limit may be extended by the final decision maker that approved the award (the authority or the board) for good cause shown.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 1573C, IAB 8/20/14, effective 9/24/14]

**261—187.3(15) Project completion date and maintenance period completion date.**

**187.3(1)** Projects shall be completed by the project completion date and maintained through the end of the maintenance date. The contract will establish the duration of the project period and maintenance period. Requests to change the project completion date and the maintenance period completion date shall follow the process for an amended award or contract as described in rule 261—187.4(15). A business that was in compliance with its maintenance obligations as of March 1, 2020, but not in compliance during the COVID-19 impacted period described below, may request, and the director may approve, a change to the maintenance period completion date if the business demonstrates to the authority’s satisfaction that it failed to comply because of the COVID-19 pandemic. The business shall describe the impact of the pandemic on its ability to comply in such form and content acceptable to the authority. For the purposes of this subrule, “COVID-19 impacted period” means the period between March 2, 2020, and June 30, 2021. The board shall have the authority to extend the COVID-19 impacted period beyond June 30, 2021, if the board determines such extension is justified by continued widespread impacts on the ability of businesses participating in the program to comply with maintenance obligations because of COVID-19.

**187.3(2)** Projects receiving assistance from programs covered by this chapter shall conform to the time periods established by this rule.

**187.3(3)** By the project completion date, a recipient shall have completed the project as required by the contract. The jobs and project shall be maintained through the end of the maintenance period completion date. The project completion date is calculated by the authority from the end of the month during which an award is made. For example, if an award is made on June 13, 2007, the three-year project completion date will be calculated from June 30, 2007. The project completion date for this award would be June 30, 2010. The maintenance period completion date would be June 30, 2012.

**187.3(4)** The following table describes, by program, the length of the project completion period and the maintenance period:

Program	Project Completion Period	Maintenance Period	Total Contract Length
Grow Iowa Values Financial Assistance Program (all components)	3 years	2 more years	5 years
High Quality Jobs Program	3 years	2 more years	5 years
Enterprise Zone Program	3 years	2 more years	5 years

**187.3(5)** Notwithstanding the standard project completion period and maintenance period lengths described in subrule 187.3(4), the authority may vary the length of the periods provided that the project completion period will not be less than three years and the total contract length will not be less than five years.

[ARC 7970B, IAB 7/15/09, effective 7/1/09; ARC 8145B, IAB 9/23/09, effective 10/28/09; ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 5624C, IAB 5/19/21, effective 6/23/21]

**261—187.4(15) Contract and award amendment approval procedures.**

**187.4(1)** *General rule.* Generally, the final decision maker that approved the initial award shall approve any amendments or changes to that award.

**187.4(2)** *Contract amendments.*

*a. General.* In general, the amendment process for both awards and contracts mirrors the application process. That is, the same entity that recommended the initial application will also recommend the amendment, and the same entity that had final approval of the initial application will have final approval of the amendment. As with awards, contract amendments must comply with the statutory requirements for each individual program or funding source and the applicable administrative rules. In general, the amendment process begins with review of an amendment request by authority staff. After review by staff, the amendment may be sent to a committee for further recommendation followed by final action on the amendment by the board or by the director, as the case may be. The director may take action on any amendment that is not specifically identified as requiring board action. The authority's various programs and the amendment procedures are described in paragraph 187.4(2) "c," which contains the applicable recommending and approving entities by funding source and program.

**187.4(3) Amendments and other requests the authority is authorized to implement.** The authority is authorized by the board to take action on nonsubstantive changes, including but not limited to the following:

- a.* Recipient name, address and similar changes.
- b.* Collateral changes that are the same or better security than originally approved by the board or director (e.g., securing a letter of credit to replace a UCC blanket filing) or collateral changes that do not materially and substantially impact the authority’s security.

### **261—187.5(15) Default.**

**187.5(1) *Events of default.*** The authority may, for cause, determine that a recipient is in default under the terms of the contract. The reasons for which the authority may determine that the recipient is in default of the contract include, but are not limited to, any of the following:

- a.* Any material representation or warranty made by the recipient in connection with the application that was incorrect in any material respect when made.
- b.* A material change in the business ownership or structure that occurs without prior written disclosure and the permission of the authority.
- c.* A relocation or abandonment of the business or jobs created or retained through the project.
- d.* Expenditure of funds for purposes not described in the application or authorized in the agreement.
- e.* Failure of the recipient to make timely payments under the terms of the agreement, note or other obligation.
- f.* Failure of the recipient to fulfill its job obligations.
- g.* Failure of the recipient to comply with wage or benefit packages.
- h.* Failure of the recipient to perform or comply with the terms and conditions of the contract.
- i.* Failure of the recipient to comply with any applicable state rules or regulations.
- j.* Failure of the recipient to file the required annual report.
- k.* Failure of the recipient to comply with any other provision of the agreement required pursuant to Iowa Code section 15.330 or 15.330A.

**187.5(2) *Layoffs or closures.*** If a recipient experiences a layoff within the state or closes any of its facilities within the state prior to receiving the incentives and assistance, the authority may reduce or eliminate all or a portion of the incentives and assistance. If a business experiences a layoff within the state or closes any of its facilities within the state after executing a contract to receive the incentives and assistance, the authority may consider this an event of default and the business may be subject to repayment of all or a portion of the incentives and assistance that it has received.

**187.5(3) *Authority actions upon default—direct financial assistance programs.***

- a.* The authority will take prompt, appropriate, and aggressive debt collection action to recover any funds misspent by recipients.
- b.* If the authority determines that the recipient is in default, the authority may seek recovery of all program funds plus interest, assess penalties, negotiate alternative repayment schedules, suspend or discontinue collection efforts, and take other appropriate action as the board deems necessary.
- c.* Determination of appropriate repayment plan. Upon determination that the recipient has not met the contract obligations, the authority will notify the recipient of the amount to be repaid to the authority. If the enforcement of such penalties would endanger the viability of the recipient, the board may extend the term of the loan to ensure payback, stability, and survival of the recipient. In certain instances, additional flexibility in a repayment plan may be necessary to ensure payback, stability, and survival of the recipient. Flexibility in a repayment plan may include, but is not limited to, deferring principal payments or collecting monthly payments below the amortized amount. In these cases, review and approval by the board, committee or director, as applicable, are necessary before the authority may finalize the repayment plan with the recipient.
- d.* The authority shall attempt to collect the amount owed. Negotiated settlements, write-offs or discontinuance of collection efforts is subject to final review and approval by the board, committee or director, as applicable, and described in paragraph 187.5(3) “*f.*”
- e.* If the authority or board refers defaulted contracts to outside counsel for collection, then the terms of the agreement between the authority and the outside counsel regarding scope of counsel’s authorization to accept settlements shall apply. No additional approvals by the board, committee or director shall be required.

*f.* The table below describes the approval procedures that shall be followed for all negotiated settlements, write-offs or discontinuance of collection efforts for state direct financial assistance programs, federal programs, and other programs administered by the authority.

**187.5(4) Authority actions upon default—tax credit programs.** If the authority determines that an event of default has occurred under the contract and that state tax incentives are required to be repaid, the eligible business and the department of revenue will both be notified of the event of default and of the required repayment amount. If the contract provided for local tax incentives, the community where the project is located will also be notified of the default. In the case of state tax incentives, the department of revenue will undertake collection efforts. In the case of local tax incentives, the local community will undertake collection efforts.

*a. Repayment.* If an eligible business or eligible housing business has received incentives or assistance under the EZ program or the HQJP and fails to meet and maintain any one of the requirements of the program or applicable rules, the business is subject to repayment of all or a portion of the incentives and assistance that it has received. If the business is an entity that has elected pass-through taxation status for income tax purposes, the department of revenue may undertake collection efforts against members, individuals, or shareholders to whom the tax incentives were passed through.

*b. Calculation of repayment due for a business.* If the authority, in consultation with the city or county, determines that a business has failed in any year to meet any one of the requirements of the tax credit program, the business is subject to repayment of all or a portion of the amount of the incentives received.

(1) Job creation shortfall. If a business does not meet its job creation requirement or fails to maintain the required number of jobs, the repayment amount shall be the same proportion as the amount of the shortfall in created jobs. For example, if the business creates 50 percent of the jobs required, the business shall repay 50 percent of the incentives received.

(2) Capital investment shortfall. If a business does not meet the capital investment requirement, the repayment amount shall be the same proportion as the amount of the shortfall in required capital investment. For example, if the business meets 75 percent of the amount of required capital investment, the business shall repay 25 percent of the amount of the incentives received.

(3) Job creation and capital investment shortfalls. If a business has a shortfall in both capital investment and job creation requirements, the repayment amount shall be the same proportion as the

greater of the two shortfalls. For example, if a business creates 50 percent of the required jobs and meets 75 percent of the required capital investment, the business shall be required to repay 50 percent of the amount of the incentives received.

(4) Wages and benefits. Notwithstanding any other provision in this subrule, if a business fails to comply with the wage and benefit requirements of the contract, the business shall be required to repay all of the incentives received during the year in which the business was not in compliance with the wage and benefit requirements of the contract.

(5) Minimum eligibility. Notwithstanding any other provision in this subrule, if a program requires a minimum amount of job creation or capital investment in order to qualify for the program and a business fails to meet such minimum eligibility, the business shall repay all of the incentives received.

(6) Definitions. For purposes of this subrule, “incentives received” includes both amounts claimed from the department of revenue or the local community and any future incentives that remain unclaimed as of the date of default. “Capital investment” means the qualifying investment or investment qualifying for tax credits, as specified in the required contract.

*c. Department of revenue; county/city recovery.* Once it has been established, through the business’s annual certification, monitoring, audit or otherwise, that the business is required to repay all or a portion of the incentives received, the department of revenue and the city or county, as appropriate, shall collect the amount owed. The city or county, as applicable, shall have the authority to take action to recover the value of taxes not collected as a result of the exemption provided by the community to the business. The department of revenue shall have the authority to recover the value of state taxes or incentives provided under the program pursuant to Iowa Code section 15.330 or 15E.196. The value of state incentives provided under the program shall include all applicable interest and penalties.

*d. Layoffs or closures.* If an eligible business experiences a layoff within the state or closes any of its facilities within the state prior to receiving the incentives and assistance, the authority may reduce or eliminate all or a portion of the incentives and assistance. If a business experiences a layoff within the state or closes any of its facilities within the state after receiving the incentives and assistance, the business shall be subject to repayment of all or a portion of the incentives and assistance that it has received.

*e. Extensions.* If an eligible business or eligible housing business fails to meet its requirements under the Act, these rules, or the agreement described in rule 261—187.2(15), the authority, in consultation with the city or county, may elect to grant the business a one-year extension period to meet the requirements. Additional extensions may be granted at the board’s discretion.

**261—187.6(15) Compliance cost fees.** An eligible business that executes a contract required pursuant to this chapter is subject to the imposition of certain compliance cost fees as provided in this rule.

**187.6(1) One-time fee for closing costs.** After execution of the contract and prior to the issuance of a tax incentive certificate or the disbursement of financial assistance, an eligible business shall remit to the authority a one-time compliance cost fee in the amount of \$500.

**187.6(2) Ongoing fees based on claims.** For each contract with an aggregate tax incentive value of \$100,000 or greater, the business shall remit a compliance cost fee equal to one-half of 1 percent of the value of the tax incentives claimed pursuant to the agreement. The fee required pursuant to this subrule shall be due and payable upon the filing of the business’s annual tax return for each tax year in which the business claims incentives under the required contract. The authority will coordinate with the department of revenue to determine which businesses claim incentive benefits each year and will invoice each business accordingly. The requirement to pay the fee required under this subrule shall continue for the duration of the applicable carryforward period of the tax incentives notwithstanding the duration of the other contract requirements.

**187.6(3) *Applicability.*** This rule applies to contracts entered into under the high quality jobs program and the enterprise zone program.

CHAPTER 188  
CONTRACT COMPLIANCE AND JOB COUNTING

**261—188.1(15) Applicability.** This chapter is applicable to the programs identified in 261—173.1(15).

**261—188.2(15) Contract compliance.** The authority shall provide oversight and contract administration to ensure that funded projects are meeting contract requirements. On-site monitoring will be conducted at the project completion date. On-site or remote monitoring will be conducted at the end of the maintenance period.

[ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 6188C, IAB 2/9/22, effective 3/16/22]

**261—188.3(15) Job counting and tracking.** Projects awarded on or after July 1, 2003, shall follow the job counting and tracking procedures described in this chapter. Only jobs that meet or exceed the qualifying wage thresholds will count toward the business's contract job obligations.

**261—188.4(15) Business's employment base.** "Business's employment base" means the number of jobs that the authority has established as the job base for a project based on payroll information provided by the business. The number of jobs the business has pledged to create and retain shall be in addition to the business's employment base.

**188.4(1)** The business's employment base will include the number of full-time employees employed at the project location. It may include the business's full-time employees as identified by the authority who are employed in this state but are not employed at the project location.

**188.4(2)** There are projects where the funded activity occurs at more than one physical location. If this is the case, the total number of full-time employees working at the identified locations constitutes the business's employment base.

**188.4(3)** If there are multiple awards made in different years to the same location, the business's employment base will be calculated by using the payroll document from the oldest award that is open. Over time, the job obligations from each new award will be added to this base.

EXAMPLES:

Company X receives award 1 on 5/1/06. The authority has verified that the business's employment base is 100 FTEs. Award 1 obligates company X to create 10 jobs and retain 30 jobs; there are 10 other jobs in the project (the 10 other jobs are created jobs that do not meet the qualifying wage). The qualifying wage for this award is \$16.50/hr and the benefit value is \$4.00/hr. The award is made from the IVF (2005) program.

Company X receives award 2 on 9/1/06. After the payroll is reviewed, the actual number of FTEs at the facility is 107, but 120 (original base + award 1 obligations) will be used as the business's employment base for this award. Award 2 obligates company X to create an additional 25 jobs.

Company X receives award 3 on 3/1/07. After the payroll is reviewed, the actual number of FTEs at the facility is 140, but 145 (original base + award 1 obligations + award 2 obligations) will be used as the business's employment base for this award.

**188.4(4)** The business's employment base is calculated as part of the application process and is determined before an award is made. The following data points will be verified regarding a business's employment base:

- a. The total number of FTEs at the funded facility or at locations identified by the authority as indicated in subrule 188.4(1) (the business's employment base).
- b. The average wage of all FTEs.
- c. The qualifying wage used in the award.
- d. The benefit value used in the award.
- e. The total number of FTEs at the funded facility that are currently at or above the qualifying wage.
- f. The average wage of the FTEs identified in paragraph "e."

*g.* The total number of FTEs at the funded facility or at locations identified by the authority as indicated in subrule 188.4(1) that are currently at or above the qualifying wage after the benefit value has been added.

*h.* The average wage of the FTEs identified in paragraph “*g.*”

**188.4(5)** Business’s employment base verification. Payroll documents must be collected to calculate and verify the business’s employment base used in each award. The payroll document must include an ID (name or employer ID number) and the hourly rate of pay for all FTEs. If the FTEs at the facility do not typically work 40 hours/week, documentation must be collected from the business outlining what the business considers a full-time workweek and how the business’s interpretation fits within the norms of its industry standards. This interpretation may or may not be accepted by the authority.

[ARC 0442C, IAB 11/14/12, effective 12/19/12; ARC 6188C, IAB 2/9/22, effective 3/16/22]

**261—188.5(15) Job counting using base employment analysis.** The authority will count jobs to be created or retained as part of a funded project using a base employment analysis. At the time of application, the business’s employment base will be established using payroll records pursuant to subrule 188.4(4). The authority will determine how many jobs at the project location already meet the qualifying wage thresholds (with and without the value of benefits added to the hourly wage). Changes in employment numbers as compared to the business’s employment base will be collected and analyzed by the authority as part of the annual reporting process.

**188.5(1)** A base employment analysis will be performed at the following stages of an award:

- a.* At the time of application, before the award is made.
- b.* Annually during the reporting cycle.
- c.* At the project completion date.
- d.* At the maintenance period completion date.

**188.5(2)** Payroll documents or lists run from payroll systems will be used to calculate and verify the base employment analysis. If a list run from a payroll system is used, the person who submits the documents must, under penalty of perjury, sign the list to verify that it is true and correct. The following items will be calculated and verified as part of the annual status report:

- a.* The total number of FTEs at the funded facility or at other Iowa locations as identified at the time of application as of the date of the report.
- b.* The average wage of all FTEs.
- c.* The qualifying wage used in the award.
- d.* The benefit value used in the award.
- e.* The total number of FTEs at the funded facility or at other Iowa locations as identified at the time of application that are currently at or above the qualifying wage.
- f.* The average wage of the FTEs identified in paragraph “*e.*”
- g.* The total number of FTEs at the funded facility that are currently at or above the qualifying wage after the benefit value has been added.
- h.* The average wage of the FTEs identified in paragraph “*g.*”

**188.5(3)** Following is an example of the format that the authority will use for job counting and tracking using the base employment method.

JOB OBLIGATIONS	Employment Base	Jobs to Be Created	Total Job Obligations
Project Completion Date: Project Maintenance Date:			
Total employment at project location	1	6	8
Average wage of total employment at project location	2		
Qualifying wage (per hr)	3		
Number of jobs at or above qualifying wage	4	7	9
Average wage of jobs at or above qualifying wage	5		

1. The number entered in this cell is the total number of FTEs working at the project location at the time of application. This number must be verified with payroll documents.
2. The number entered in this cell is the average wage of all the FTEs identified in Cell 1. This number must be verified with payroll documents.
3. The number entered in this cell is the applicable qualifying wage threshold used in the award. This data point must include the wage/hr and the percentage in parentheses. [ex: \$15.34/hr (130%)]
4. The number entered in this cell is the number of jobs identified in Cell 1 that meets or exceeds the wage reflected in Cell 3. This number is calculated using the payroll documents. The number of “retained” jobs and retained “other” jobs must be included in this entry. Please note that the number of retained jobs and the number entered here may not match since all jobs existing at the project site may not be considered retained.
5. The number entered in this cell is the average wage of all FTEs identified in Cell 4. This number is calculated using the payroll documents.
6. The number entered in this cell includes the number of “created” jobs, as well as the number of created “other” jobs.
7. The number entered in this cell is the number of “created” jobs in the project.
8. The number entered in this cell is the sum of Cell 1 and Cell 6.
9. The number entered in this cell is the sum of Cell 4 and Cell 7.

### **261—188.6(15) Wage determination for contract compliance purposes.**

**188.6(1) Applicability.** This rule shall apply for purposes of administering contracts that require a determination as to the wage-based compensation provided to employees.

**188.6(2) Definition.** As used in the authority’s contracts, unless the context otherwise requires, “wage” shall mean monetary compensation, represented in terms of an hourly rate, paid by an employer to an employee for work or services provided, typically on a weekly or biweekly basis.

**188.6(3) Determination of wages for contract administration purposes.** When determining wages for contract administration purposes, the wage will include only the regular hourly rate that serves as the base level of compensation. The wage will not include nonregular forms of compensation such as bonuses, unusual overtime pay, commissions, stock options, pensions, retirement or death benefits, unemployment benefits, life or other insurance, or other fringe benefits.

Such reports shall include, but not be limited to, data about base employment, qualifying wages, benefits, project costs, capital investment, and compliance with the contract.

CHAPTER 195  
PUBLIC RECORDS AND FAIR INFORMATION PRACTICES

[Prior to 9/6/00, see 261—Ch 100]

[Prior to 7/4/07, see 261—Ch 169]

**261—195.1(17A,22) Statement of policy, purpose and scope of chapter.**

**195.1(1)** The purpose of this chapter is to facilitate public access to open records. It also seeks to facilitate department determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. The agency is committed to the policies set forth in Iowa Code chapter 22; agency staff shall cooperate with members of the public in implementing the provisions of that chapter.

**195.1(2)** This chapter does not:

- a. Require the agency to index or retrieve records which contain information about individuals by that person's name or other personal identifier.
- b. Make available to the general public records which would otherwise not be available under the public records law, Iowa Code chapter 22.
- c. Govern the maintenance or disclosure of, notification of or access to, records in the possession of the agency which are governed by the rules of another agency.
- d. Apply to grantees, including local governments or subdivisions thereof, administering state-funded programs.
- e. Make available records compiled by the agency in reasonable anticipation of court litigation or formal administrative proceedings. The availability of such records to the general public or to any subject individual or party to such litigation or proceedings shall be governed by applicable constitutional principles, statutes, rules of discovery, evidentiary privileges, and applicable rules of the agency.
- f. Require the agency to create, compare or procure a record solely for the purpose of making it available.

**261—195.2(17A,22) Definitions.** As used in this chapter:

*"Agency"* means the Iowa department of economic development.

*"Confidential record"* in these rules means a record which is not available as a matter of right for examination and copying by members of the public under applicable provisions of law. Confidential records include records or information contained in records that the agency is prohibited by law from making available for examination by members of the public, and records or information contained in records that are specified as confidential by Iowa Code section 22.7, or other provision of law, but that may be disclosed upon order of a court, the lawful custodian of the record, or by another person duly authorized to release the record. Mere inclusion in a record of information declared confidential by an applicable provision of law does not necessarily make that entire record a confidential record.

*"Custodian"* in these rules means the director of the Iowa department of economic development or the director's designee.

*"Open record"* in these rules means a record other than a confidential record.

*"Personally identifiable information"* in these rules means information about or pertaining to an individual in a record which identifies the individual and which is contained in a record system.

*"Record"* in these rules means the whole or a part of a "public record," as defined in Iowa Code section 22.1, that is owned by or in the physical possession of this agency.

*"Record system"* in these rules means any group of records under the control of the agency from which a record may be retrieved by a personal identifier such as the name of an individual, number, symbol, or other unique retriever assigned to an individual.

**261—195.3(17A,22) Requests for access to records.**

**195.3(1)** *Location of record.* A request for access to a record should be directed to the Director's Office, Iowa Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309.

If a request for access to a record is misdirected, agency personnel will promptly forward the request to the appropriate person within the agency.

**195.3(2) Office hours.** Open records shall be made available during all customary office hours, which are 8 a.m. to 4:30 p.m. daily, excluding Saturdays, Sundays and legal holidays.

**195.3(3) Request for access to open records.**

*a.* Requests for access to open records may be made in writing, in person, electronically, or by telephone.

*b.* Mail or telephone requests shall include the name, address, telephone number, and the E-mail address (if available) of the person requesting the information. A person shall not be required to give a reason for requesting an open record.

*c.* For all requested records, the person making the request shall set forth all available information that would assist in locating the records.

*d.* The request shall set out the maximum search fee the requester is prepared to pay. If the maximum search fee is reached before all the requested records have been located and copied, the requester shall be notified and asked for further directions before the search proceeds.

**195.3(4) Response to requests.**

*a. Timing.* Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. Advance requests to have records available on a certain date may be made by telephone or correspondence. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Records will be produced for inspection at the earliest date possible following the request. Records should be inspected within ten business days after notice is given that the records have been located and are available for inspection. After ten business days, the records will be returned to storage and additional costs may be imposed for having to produce them again.

*b. Reasonable delay.* Access to an open record may be delayed for one of the purposes authorized by:

(1) Iowa Code section 22.8(4), which includes good faith delay to seek an injunction or determine if the agency is entitled to seek an injunction; for the agency to determine if the public records are confidential; to determine if the confidential record should be made available (a reasonable delay for this purpose shall not exceed 20 calendar days and ordinarily should not exceed 10 business days); or

(2) Iowa Code section 22.10(4) (civil enforcement).

*c. Notice to requester.* The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing.

*d. Denial of access to records.* The custodian of a record may deny access to the record by members of the public only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court order. Access by members of the public to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the provisions of rule 195.4(17A,22) and other applicable provisions of law.

*e. Federal requirements.* The agency administers several federal programs and is authorized by Iowa Code section 22.9 to enforce confidentiality standards from federal law and regulations as are required for receipt of federal funds. Access to records covered by federal confidentiality requirements will not be permitted to the extent that examination or copying of such records would cause the denial of federal funds, services or essential information from the U.S. government that would otherwise be available to the agency.

**195.3(5) Security of record.** No person may, without permission from the custodian, search or remove any record from agency files. Examination and copying of agency records shall be supervised by the custodian or a designee of the custodian. Records shall be protected from damage and disorganization. Individuals will not be given access to the area where the records are kept and will not be permitted to search the files.

**195.3(6) Copying.** A reasonable number of copies of an open record may be made in the agency's office. If photocopy equipment is not available in the agency office where an open record is kept, the custodian shall permit its examination in that office and shall arrange to have copies promptly made elsewhere.

**195.3(7) Access to records for examination and copying.**

*a. Location.* As specified in Iowa Code section 22.3, the agency will provide a suitable place for examination of public records. If it is impracticable to do the work at the agency's office at 200 East Grand Avenue, Des Moines, Iowa, the person desiring to examine or copy shall pay all necessary expenses of providing a place for the work. All expenses of the work shall be paid by the person desiring to examine or copy the records.

*b. Paper files.* Hard copies of public records will be made available for examination and copying.

*c. Electronic files.* The agency will take reasonable steps to provide on-site access to electronically stored public records. To the extent the agency's technology permits, electronic records, including E-mail, will be made available through a secure, on-site computer terminal. If a requester prefers, copies of electronic records located during a records search will be provided and copying fees will apply.

*d. Data processing software.* Reserved.

*e. Tapes.* Public records maintained in the form of cassette, videotape or similar form are available for public examination. Upon request, copies of tapes will be made available, and the individual requesting the tape will bear all actual costs of copying.

*f. Mixed records.* If a record contains both public and confidential information, the agency will remove the confidential material before making it available for examination or copying. For paper files, a copy of the original will be made and the confidential material will be marked out. Copying fees will apply. For electronic files, if the agency is technologically able to block access to fields containing confidential materials, records will be made available as described in paragraph 195.3(7) "c" above.

**195.3(8) Fees.**

*a. When charged.* The agency may charge fees in connection with the examination, search, retrieval, restoration or copying of records. To the extent permitted by applicable provisions of law, the payment of fees may be waived in the case of small requests of ten or fewer copies when the imposition of fees is inequitable or when a waiver is in the public interest.

*b. Copying, faxing and postage costs.* Price schedules for published materials and for photocopies of records supplied by the agency shall be prominently posted in agency offices. Copies of records may be made by or for members of the public on agency photocopy machines or from electronic storage systems at cost as determined and posted in agency offices by the custodian. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester. Actual costs to fax a document may also be charged to the requester.

*c. Search and supervisory fee.* An hourly fee may be charged for actual agency expenses in searching for, and supervising the examination and copying of, requested records when the time required is in excess of one hour. The fee shall be based upon the pay scale of the employee involved and other actual costs incurred. The agency shall post in agency offices the hourly fees to be charged in routine cases for search and supervision of records. The agency shall give advance notice to the requester if it will be necessary to use an employee with a higher hourly wage in order to find or supervise the examination and copying of particular records in question, and shall indicate the amount of that higher hourly wage to the requester.

*d. Computer-stored information.* All costs (including staff time) for retrieval, restoration and copying of information stored in electronic storage systems will be charged to the requester.

*e. Advance deposits.*

(1) When the estimated total fee chargeable under this subrule exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require advance payment of the full amount of any estimated fee before the custodian processes a new request from that requester.

**261—195.4(17A,22) Access to confidential records.** Under Iowa Code section 22.7 or other applicable provisions of law, the lawful custodian may disclose certain confidential records to one or more members of the public. Other provisions of law authorize or require the custodian to release specified confidential records under certain circumstances or to particular persons. In requesting the custodian to permit the examination and copying of such a confidential record, the following procedures apply and are in addition to those specified for requests for access to records in rule 195.3(17A,22).

**195.4(1) Proof of identity.** A person requesting access to a confidential record may be required to provide proof of identity or authority to secure access to the record.

**195.4(2) Requests.** The custodian may require a request to examine and copy a confidential record to be in writing. A person requesting access to such a record may be required to sign a certified statement or affidavit enumerating the specific reasons justifying access to the confidential record and to provide any proof necessary to establish relevant facts.

**195.4(3) Notice to subject of record and opportunity to obtain injunction.** After the custodian receives a request for access to a confidential record, and before the custodian releases such a record, the custodian may make reasonable efforts to notify promptly any person who is a subject of that record, is identified in that record, and whose address or telephone number is contained in that record. To the extent such a delay is practicable and in the public interest, the custodian may give the subject of such a confidential record to whom notification is transmitted a reasonable opportunity to seek an injunction under Iowa Code section 22.8, and indicate to the subject of the record the specific period of time during which disclosure will be delayed for that purpose.

**195.4(4) Request denied.** When the custodian denies a request for access to a confidential record, the custodian shall promptly notify the requester. If the requester indicates to the custodian that a written notification of the denial is desired, the custodian shall promptly provide such a notification that is signed by the custodian and that includes:

- a. The name and title or position of the custodian responsible for the denial; and
- b. A citation to the provision of law vesting authority in the custodian to deny disclosure of the record and a brief statement of the reasons for the denial to the requester.

**195.4(5) Request granted.** When the custodian grants a request for access to a confidential record to a particular person, the custodian shall notify that person and indicate any lawful restrictions imposed by the custodian on that person's examination and copying of the record.

**261—195.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examination.** The custodian may treat a record as a confidential record and withhold it from examination only to the extent that the custodian is authorized by Iowa Code section 22.7, another applicable provision of law, or a court order to refuse to disclose that record to members of the public.

**195.5(1) Persons who may request.** Any person who would be aggrieved or adversely affected by disclosure of a record and who asserts that Iowa Code section 22.7, another applicable provision of law, or a court order authorizes the custodian to treat the record as a confidential record may request the custodian to treat that record as a confidential record and to withhold it from public inspection.

**195.5(2) Request.** A request that a record be treated as a confidential record and be withheld from public inspection shall be in writing and shall be filed with the custodian. The request must set forth the legal and factual basis justifying such confidential record treatment for that record, and the name, address, and telephone number of the person authorized to respond to any inquiry or action of the custodian concerning the request. A person requesting treatment of a record as a confidential record may also be required to sign a certified statement or affidavit enumerating the specific reasons justifying the treatment of that record as a confidential record and to provide any proof necessary to establish relevant facts. Requests for treatment of a record as such a confidential record for a limited time period shall also specify the precise period of time for which that treatment is requested.

A person filing such a request shall, if possible, accompany the request with a copy of the record in question from which those portions for which such confidential record treatment has been requested have been deleted. If the original record is being submitted to the agency by the person requesting such confidential treatment at the time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are confidential.

**195.5(3) *Failure to request.*** Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the agency does not request that it be withheld from public inspection under Iowa Code section 22.7(3) (trade secrets), 22.7(6) (advantage to competitors), or 22.7(18) (communications not required by law, rule, procedure or contract), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

**195.5(4) *Timing of decision.*** A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed, or when the custodian receives a request for access to the record by a member of the public.

**195.5(5) *Request granted or deferred.*** If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

**195.5(6) *Request denied and opportunity to seek injunction.*** If a request that a record be treated as a confidential record and be withheld from public inspection is denied, the custodian shall notify the requester in writing of that determination and the reasons therefor. On application by the requester, the custodian may engage in a good-faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief under the provisions of Iowa Code section 22.8, or other applicable provision of law. However, such a record shall not be withheld from public inspection for any period of time if the custodian determines that the requester had no reasonable grounds to justify the treatment of that record as a confidential record. The custodian shall notify the requester in writing of the time period allowed to seek injunctive relief or the reasons for the determination that no reasonable grounds exist to justify the treatment of that record as a confidential record. The custodian may extend the period of good-faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief only if no request for examination of that record has been received, or if a court directs the custodian to treat it as a confidential record, or to the extent permitted by another applicable provision of law, or with the consent of the person requesting access.

**261—195.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records.** Except as otherwise provided by law, a person may file a request with the custodian to review, and to have a written statement of additions, dissents, or objections entered into, a record containing personally identifiable information pertaining to that person. However, this does not authorize a person who is a subject of such a record to alter the original copy of that record or to expand the official record of any agency proceeding. Requester shall send the request to review such a record or the written statement of additions, dissents, or objections to the custodian. The request to review such a record or the written statement of such a record of additions, dissents, or objections must be dated and signed by the requester, and shall include the current address and telephone number of the requester or the requester's representative.

**261—195.7(17A,22) Consent to disclosure by the subject of a confidential record.** To the extent permitted by any applicable provision of law, a person who is the subject of a confidential record may have a copy of the portion of that record concerning the subject disclosed to a third party. A request

for such a disclosure must be in writing and must identify the particular record or records that may be disclosed, and the particular person or class of persons to whom the record may be disclosed (and, where applicable, the time period during which the record may be disclosed). The person who is the subject of the record and, where applicable, the person to whom the record is to be disclosed, may be required to provide proof of identity. Appearance of counsel before the agency on behalf of a person who is the subject of a confidential record is deemed to constitute consent for the agency to disclose records about that person to the person's attorney.

**261—195.8(17A,22) Notice to suppliers of information.** When the agency requests a person to supply information about that person, the agency shall notify the person of the use that will be made of the information, which persons outside the agency might routinely be provided the information, which parts of the requested information are required and which are optional, and the consequences of a failure to provide the information requested. This notice may be given in these rules, on the written form used to collect the information, on a separate fact sheet or letter, in brochures, in formal agreements, in contracts, in handbooks, in manuals, verbally, or by other appropriate means.

**261—195.9(17A,22) Disclosures without the consent of the subject.**

**195.9(1)** Open records are routinely disclosed without the consent of the subject.

**195.9(2)** To the extent allowed by law, disclosure of confidential records may occur without the consent of the subject. Following are instances where disclosure, if lawful, will generally occur without notice to the subject:

*a.* For a routine use as defined in rule 195.10(17A,22) or in the notice for a particular record system.

*b.* To a recipient who has provided the agency with advance written assurance that the record will be used solely as a statistical research or reporting record, provided that the record is transferred in a form that does not identify the subject.

*c.* To another government agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if an authorized representative of such government agency or instrumentality has submitted a written request to the agency specifying the record desired and the law enforcement activity for which the record is sought.

*d.* To an individual pursuant to a showing of compelling circumstances affecting the health or safety of any individual if a notice of the disclosure is transmitted to the last-known address of the subject.

*e.* To the legislative services agency under Iowa Code section 2A.3.

*f.* In the course of employee disciplinary proceedings.

*g.* In response to a court order or subpoena.

**261—195.10(17A,22) Routine use.**

**195.10(1)** "Routine use" means the disclosure of a record without the consent of the subject or subjects, for a purpose which is compatible with the purpose for which the record was collected. It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22.

**195.10(2)** To the extent allowed by law, the following uses are considered routine uses of all agency records:

*a.* Disclosure to those officers, employees, and agents of the agency who have a need for the record in the performance of their duties. The custodian of the record may upon request of any officer or employee, or on the custodian's own initiative, determine what constitutes legitimate need to use confidential records.

*b.* Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.

- c. Disclosure to the department of inspections and appeals for matters in which it is performing services or functions on behalf of the agency.
- d. Transfers of information within the agency, to other state agencies, or to local units of government as appropriate to administer the program for which the information is collected.
- e. Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the agency is operating a program lawfully.
- f. Any disclosure specifically authorized by the statute under which the record was collected or maintained.

**261—195.11(17A,22) Consensual disclosure of confidential records.**

**195.11(1)** *Consent to disclosure by a subject individual.* The subject may consent in writing to agency disclosure of confidential records as provided in rule 195.7(17A,22).

**195.11(2)** *Complaints to public officials.* A letter from a subject of a confidential record to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the agency may be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

**261—195.12(17A,22) Release to subject.**

**195.12(1)** The subject of a confidential record may file a written request to review confidential records about that person as provided in rule 195.7(17A,22). However, the agency need not release the following records to the subject:

- a. The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18).
- b. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.
- c. Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5).)
- d. As otherwise authorized by law.

**195.12(2)** When a record has multiple subjects with interest in the confidentiality of the record, the agency may take reasonable steps to protect confidential information relating to another subject.

**261—195.13(17A,22) Availability of records.**

**195.13(1)** *Open records.* Agency records are open for public inspection and copying unless otherwise provided by rule or law.

**195.13(2)** *Confidential records.* The following records may be withheld from public inspection. Records are listed by category, according to the legal basis for withholding them from public inspection.

- a. Sealed bids received prior to the time set for public opening of bids. (Iowa Code section 73.2)
- b. Tax records made available to the agency. (Iowa Code sections 422.20 and 422.72)
- c. Records which are exempt from disclosure under Iowa Code section 22.7, including, but not limited to:

- (1) Industrial prospect files which are considered confidential under Iowa Code section 22.7(8).
- (2) Trade secrets which are treated as confidential under Iowa Code section 22.7(3).
- (3) Reports which, if released, would give advantage to competitors and serve no public purpose.

These records are considered confidential under Iowa Code section 22.7(6).

(4) Communications not required by rule, law, procedure or contract to the extent that the agency reasonably believes that such communications would not be made if the supplier knew the information would be made available for general public examination. These records are confidential under Iowa Code section 22.7(18).

- d. Client database. The agency maintains a database of business prospects. This list identifies companies that may be seeking to expand or locate their businesses in Iowa. This list is considered confidential under Iowa Code sections 22.7(3), 22.7(6), 22.7(8) and 22.7(18).

*e.* Minutes of closed meetings of a governmental body as permitted under Iowa Code section 21.5(4).

*f.* Identifying details in final orders, decisions and opinions to the extent required to prevent a clearly unwarranted invasion of personal privacy or trade secrets under Iowa Code section 17A.3(1)“*d.*”

*g.* Those portions of agency staff manuals, instructions or other statements issued which set forth criteria or guidelines to be used by agency staff in auditing, in making inspections, in settling commercial disputes or negotiating commercial arrangements, or in the selection or handling of cases, such as operational tactics on allowable tolerances or criteria for the defense, prosecution or settlement of cases, when disclosure of those statements would:

- (1) Enable law violators to avoid detection;
- (2) Facilitate disregard of requirements imposed by law; or
- (3) Give a clearly improper advantage to persons who are in an adverse position to the agency.

(Iowa Code sections 17A.2 and 17A.3)

*h.* Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. Attorney work product is confidential under Iowa Code sections 22.7(4), 622.10 and 622.11, Iowa R.C.P. 1.503(3), Fed.R. Civ.P. 26(b)(3), and case law. Attorney-client communications are confidential under Iowa Code sections 622.10 and 622.11, the rules of evidence, the Code of Professional Responsibility, and case law.

*i.* Data processing software, as defined in Iowa Code section 22.3A, which is developed by a governmental body.

*j.* Log-on identification passwords, Internet protocol addresses, private keys, or other records containing information which might lead to disclosure of private keys used in a digital signature or other similar technologies as provided in Iowa Code chapter 554D.

*k.* Records which if disclosed might jeopardize the security of an electronic transaction pursuant to Iowa Code chapter 554D.

*l.* Any other records considered confidential by law.

**195.13(3) Authority to release confidential records.** The agency may have discretion to disclose some confidential records which are exempt from disclosure under Iowa Code section 22.7 or other provision of law. Any person may request permission to inspect records withheld from inspection under a statute which authorizes limited or discretionary disclosure as provided in rule 195.5(17A,22). If the agency initially determines that it will release such records, the agency may, when appropriate, notify interested parties and withhold the records from inspection as provided in subrule 195.4(3).

**261—195.14(17A,22) Personally identifiable information.** This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 195.2(17A,22). This rule describes the means of storage of that information and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system. Unless otherwise stated, the authority for this agency to maintain the record is provided by Iowa Code chapter 15. The record systems maintained by the agency are:

**195.14(1) Personnel files.** Personnel records of department employees are maintained at the agency. Records of staff include such personally identifiable information as name, address, social security number and employee payroll number. Other data contained in staff personnel records are salary information, seniority date, employee deduction forms, insurance and savings bond contributions, deferred compensation information, current leave information, performance evaluations and performance review dates. Some information may be confidential under Iowa Code section 22.7(11). Data processing systems do not match, collate or compare the personally identifiable information of the staff personnel records with personally identifiable information contained in the records of other agencies.

**195.14(2) Travel records.** The agency maintains travel records of agency staff. Personally identifiable information collected includes the name, address, and social security number of the individual. This information is collected pursuant to Iowa Code section 421.39. Data processing

systems do not match, collate or compare the personally identifiable information collected with similar information collected by other state agencies.

**195.14(3) *Claim vouchers.*** Requests for reimbursement from agency staff, contractors, and grantees are maintained by the agency. These records contain the name, address and social security number of the individual requesting reimbursement for expenses. This information is collected pursuant to Iowa Code section 421.40. The information is not maintained in a data processing system which matches, collates or compares the information with other systems containing personally identifiable information.

**195.14(4) *Contracts and grant records.*** Contractual agreements and grant agreements are maintained by the agency. These records contain personally identifiable information when the agreement is with a specific individual. In those instances, the records include the name, address and social security number of the contractor/grant recipient. Other information in these records may include the proposal or work statement of the contractor or grant recipient, budget figures, modifications, correspondence and business information. Personally identifiable information is not contained in a data processing system which collates, matches or compares this information with other systems containing personally identifiable information.

**195.14(5) *Payroll records.*** Payroll records include time sheets of individuals, listings of prior years' earnings, current listings of deductions, and insurance billings. Personally identifiable information is included in these records. An employee's name, address and social security number are maintained in the payroll record. Personally identifiable information is not contained in a data processing system which collates, matches or compares this information with other systems containing personally identifiable information.

**195.14(6) *Grant and loan application records.*** The agency administers a variety of state and federal grant and loan programs. Records of persons or organizations applying for grants, awards or funds are available through the agency. These records may contain information about individuals collected pursuant to specific federal or state statutes or regulations. Personally identifiable information such as name, address, social security number and telephone number may be included in these records when the applicant is an individual. Many program applicants are political subdivisions or corporations, not individuals.

**195.14(7) *Litigation files.*** These files or records contain information regarding litigation or anticipated litigation, which includes judicial and administrative proceedings. The records include briefs, depositions, docket sheets, documents, correspondence, attorney's notes, memoranda, research materials, witness information, investigation materials, information compiled under the direction of the attorney, and case management records. The files contain materials which are confidential as attorney work product and attorney-client communications. Some materials are confidential under other applicable provisions of law or because of a court order. Persons wishing copies of pleadings and other documents filed in litigation should obtain these from the clerk of the appropriate court which maintains the official copies.

**261—195.15(17A,22) Other groups of records.** This rule describes groups of records maintained by the agency other than record systems as defined in rule 195.2(17A,22). These records are routinely available to the public. However, the agency's files of these records may contain confidential information as discussed in rule 195.13(17A,22). The records listed may contain information about individuals. Unless otherwise stated, the authority for the agency to maintain the record is provided by Iowa Code chapter 15.

**195.15(1) *Rule making.*** Rule-making records may contain information about individuals making written or oral comments on proposed rules. This information is collected pursuant to Iowa Code section 17A.4. Public documents generated during the promulgation of agency rules, including notices and public comments, are available for public inspection. This information is not stored in an automated data processing system.

**195.15(2) *Board records.*** Agendas, minutes, and materials presented to the Iowa department of economic development are available from the agency except for confidential records. Those records concerning closed sessions are exempt from disclosure under Iowa Code section 21.5(4). Board records

contain information about people who participate in meetings. This information is collected pursuant to Iowa Code section 21.3. This information is not retrieved by individual identifier and is not stored on an automated data processing system.

**195.15(3) *Statistical reports.*** Periodic reports of various agency programs are available from the Iowa department of economic development. Statistical reports do not contain personally identifiable information.

**195.15(4) *Appeal decisions and advisory opinions.*** All final orders, decisions and opinions are open to the public except for information that is confidential according to rule 195.13(17A,22).

**195.15(5) *Publications.*** Publications include news releases, annual reports, project reports, agency newsletters, etc., which describe various agency programs and activities. Agency news releases, project reports, and newsletters may contain information about individuals including agency staff or members of agency councils or committees.

**195.15(6) *Address lists.*** The names and mailing addresses of members of boards and councils, work groups, program grantees and members of the public indicating interest in particular programs and activities of the agency are maintained to generate mailing labels for mass distribution of agency mailings.

**195.15(7) *Appeal decisions and advisory opinions.*** All final orders, decisions and opinions are open to the public except for information that may be confidential according to rule 195.13(17A,22).

**195.15(8) *Published materials.*** The agency uses many legal and technical publications in its work. The public may inspect these publications upon request. Some of these materials may be protected by copyright law.

These rules are intended to implement Iowa Code chapters 17A and 22.

CHAPTER 196  
DEPARTMENT PROCEDURE FOR RULE MAKING

[Prior to 9/6/00, see 261—Ch 101]

[Prior to 7/4/07, see 261—Ch 170]

**261—196.1(17A) Applicability.** Except to the extent otherwise expressly provided by statute, all rules adopted by the department are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

**261—196.2(17A) Advice on possible rules before notice of proposed rule adoption.** In addition to seeking information by other methods, the department may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1) “a,” solicit comments from the public on a subject matter of possible rule making by the department by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

**261—196.3(17A) Public rule-making docket.**

**196.3(1) Docket maintained.** The department shall maintain a current public rule-making docket.

**196.3(2) Anticipated rule making.** The rule-making docket shall list each anticipated rule-making proceeding. A rule-making proceeding is deemed “anticipated” from the time a draft of proposed rules is distributed for internal discussion within the department. For each anticipated rule-making proceeding, the docket shall contain a listing of the precise subject matter which may be submitted for consideration to the economic development board for subsequent proposal under the provisions of Iowa Code section 17A.4(1) “a,” the name and address of department personnel with whom persons may communicate with respect to the matter, and an indication of the present status within the department of that possible rule. The department may also include in the docket other subjects upon which public comment is desired.

**196.3(3) Pending rule-making proceedings.** The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1) “a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule’s becoming effective. For each rule-making proceeding, the docket shall indicate:

- a. The subject matter of the proposed rule.
- b. A citation to all published notices relating to the proceeding.
- c. Where written submissions on the proposed rule may be inspected.
- d. The time during which written submissions may be made.
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made.
- f. Whether a written request for the issuance of a regulatory analysis or a concise statement of reasons has been filed, whether such an analysis or statement or a fiscal impact statement has been issued, and where any such written request, analysis, or statement may be inspected.
- g. The current status of the proposed rule and any department determinations with respect thereto.
- h. Any known timetable for department decisions or other action in the proceeding.
- i. The date of the rule’s adoption.
- j. The date of the rule’s filing, indexing, and publication.
- k. The date on which the rule will become effective.
- l. Where the rule-making record may be inspected.

**261—196.4(17A) Notice of proposed rule making.**

**196.4(1) Contents.** At least 35 days before the adoption of a rule, the department shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule.

- b. The specific legal authority for the proposed rule.
- c. Except to the extent impracticable, the text of the proposed rule.
- d. Where, when, and how persons may present their views on the proposed rule.
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the department shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the department for the resolution of each of those issues.

**196.4(2) Copies of notices.** Persons desiring to receive copies of future Notices of Intended Action must file with the department a written request indicating the name and address (including an E-mail address if electronic transmittal is requested) to which the notices shall be sent. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail a copy of that notice to subscribers who have filed a written request for mailing with the department for Notices of Intended Action. The written request shall be accompanied by payment of the subscription price, if any, which covers the full cost of the subscription service, including its administrative overhead and the cost of copying and mailing the Notices of Intended Action for a period of one year. If persons have requested that the department electronically transmit a copy of the notice by E-mail, there shall be no charge for this service.

#### **261—196.5(17A) Public participation.**

**196.5(1) Written comments.** For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing or via electronic transmission, on the proposed rule. These submissions should identify the proposed rule to which they relate and should be submitted to the individual identified in the Notice of Intended Action.

**196.5(2) Oral proceedings.** The department may, at any time, schedule an oral proceeding on a proposed rule. The department shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the department by the administrative rules review committee, a governmental subdivision, a state agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by a state agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

The department may waive technical compliance with these procedures.

#### **196.5(3) Conduct of oral proceedings.**

a. *Applicability.* This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1)“b” as amended by 1998 Iowa Acts, chapter 1202, section 8.

b. *Scheduling and notice.* An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. *Presiding officer.* An employee of the department, or another person designated by the department who will be familiar with the substance of the proposed rules, shall preside at the oral proceeding on the proposed rules. If an employee of the department does not preside, the presiding

officer shall prepare a memorandum for consideration by the department summarizing the contents of the presentations made at the oral proceeding unless the department determines that such a memorandum is not necessary because the department will personally listen to or read the entire transcript of the oral proceeding.

*d. Conduct of proceeding.* At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at the proceeding are encouraged to notify the department at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the department decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Persons making oral presentations are encouraged to avoid restating matters which have already been submitted in writing.

(3) To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. These submissions become the property of the department.

(6) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(8) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

**196.5(4) Additional information.** In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the department may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

The department may send notices of proposed rule making and a request for comments to any agency, organization, or association known to it to have a direct interest or expertise pertaining to the substance of the proposed rule.

**196.5(5) Accessibility.** The department shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the person identified in the Notice of Intended Action in advance to arrange access or other needed services.

## **261—196.6(17A) Regulatory analysis.**

**196.6(1) Definition of small business.** A “small business” is defined in 1998 Iowa Acts, chapter 1202, section 10, subsection 7.

**196.6(2) Distribution list.** Small businesses or organizations of small businesses may be registered on the department’s small business impact list by making a written application addressed to the Director’s

Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel. The application for registration shall state:

- a. The name of the small business or organization of small businesses.
- b. Its address.
- c. The name of a person authorized to transact business for the applicant.
- d. A description of the applicant's business or organization. An organization representing 25 or more persons who qualify as a small business shall indicate that fact.
- e. Whether the registrant desires copies of Notices of Intended Action at cost or via electronic transmission, or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The department may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The department may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses shall be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

**196.6(3) *Time of distribution.*** Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the department shall mail or electronically transmit to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the department shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

**196.6(4) *Qualified requesters for regulatory analysis—economic impact.*** The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10, subsection 2, paragraph “a,” after a proper request from:

- a. The administrative rules coordinator.
- b. The administrative rules review committee.

**196.6(5) *Qualified requesters for regulatory analysis—business impact.*** The department shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10, subsection 2, paragraph “b,” after a proper request from:

- a. The administrative rules review committee.
- b. The administrative rules coordinator.
- c. At least 25 or more persons who sign the request provided that each represents a different small business.
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

**196.6(6) *Time period for analysis.*** Upon receipt of a timely request for a regulatory analysis, the agency shall adhere to the time lines described in 1998 Iowa Acts, chapter 1202, section 10, subsection 4.

**196.6(7) *Contents of request.*** A request for a regulatory analysis is made when it is mailed or delivered to the department. The request shall be in writing and satisfy the requirements of 1998 Iowa Acts, chapter 1202, section 10, subsection 1.

**196.6(8) *Contents of concise summary.*** The contents of the concise summary shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10, subsections 4 and 5.

**196.6(9) *Publication of a concise summary.*** The department shall make available, to the maximum extent feasible, copies of the published summary in conformance with 1998 Iowa Acts, chapter 1202, section 10, subsection 5.

**196.6(10) *Regulatory analysis contents—rules review committee or rules coordinator.*** When a regulatory analysis is issued in response to a written request from the administrative rules review committee or the administrative rules coordinator, the regulatory analysis shall conform to the

requirements of 1998 Iowa Acts, chapter 1202, section 10, subsection 2, paragraph “a,” unless a written request expressly waives one or more of the items listed therein.

**196.6(11) *Regulatory analysis contents—substantial impact on small business.*** When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10, subsection 2, paragraph “b.”

**261—196.7(17A,25B) Fiscal impact statement.** A rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions or agencies and entities which contract with political subdivisions to provide services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

If the department determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the department shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

**261—196.8(17A) Time and manner of rule adoption.**

**196.8(1) *Time of adoption.*** The department shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the department shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

**196.8(2) *Consideration of public comment.*** Before the adoption of a rule, the department shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any written summary of the oral submissions and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

**196.8(3) *Reliance on department expertise.*** Except as otherwise provided by law, the department may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

**261—196.9(17A) Variance between adopted rule and published notice of proposed rule adoption.**

**196.9(1) *Allowable variances.*** The department shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action or the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

**196.9(2) *Fair warning.*** In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the department shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

**196.9(3) *Petition for rule making.*** The department shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the

department finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

**196.9(4) *Concurrent rule-making proceedings.*** Nothing in this rule disturbs the discretion of the department to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

**261—196.10(17A) Exemptions from public rule-making procedures.**

**196.10(1) *Omission of notice and comment.*** To the extent the department for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the department may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

**196.10(2) *Categories exempt.*** The following narrowly tailored category of rules is exempted from the usual public notice and participation requirements because those requirements are unnecessary, impracticable, or contrary to the public interest with respect to each and every member of the defined class: rules mandated by federal law, including federal statutes or regulations establishing conditions for federal funding of departmental programs where the department is not exercising any options under federal law.

**196.10(3) *Public proceedings on rules adopted without them.*** The department may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 196.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, a state agency, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the department shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 196.10(1). This petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must be commenced within 60 days of the receipt of the petition. After a standard rule-making proceeding commenced pursuant to this subrule, the department may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 196.10(1) or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

**261—196.11(17A) Concise statement of reasons.**

**196.11(1) *General.*** When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the department shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Director's Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests shall be considered made on the date received.

**196.11(2) *Contents.*** The concise statement of reasons shall contain:

- a. The reasons for adopting the rule.
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any change.
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the department's reasons for overruling the arguments made against the rule.

**196.11(3) *Time of issuance.*** After a proper request, the department shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

**261—196.12(17A) Contents, style, and form of rule.**

**196.12(1) Contents.** Each rule adopted by the department shall contain the text of the rule and, in addition:

- a. The date the department adopted the rule.
- b. A brief explanation of the principal reasons for the rule-making action if the reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the department in its discretion decides to include the reasons.
- c. A reference to all rules repealed, amended, or suspended by the rule.
- d. A reference to the specific statutory or other authority authorizing adoption of the rule.
- e. Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule.
- f. A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if the reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the department in its discretion decides to include the reasons.
- g. The effective date of the rule.

**196.12(2) Documents incorporated by reference.** The department may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the department finds that the incorporation of its text in the department proposed or adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in the department proposed or adopted rule shall fully and precisely identify the incorporated matter by location, title, citation, date, and edition, if any; shall briefly indicate the precise subject and the general contents of the incorporated matter; and shall state that the proposed or adopted rule does not include any later amendments or editions of the incorporated matter. The department may incorporate such matter by reference in a proposed or adopted rule only if the department makes copies of it readily available to the public. The rule shall state how and where copies of the incorporated matter may be obtained at cost from this department, and how and where copies may be obtained from the agency of the United States, this state, another state, or the organization, association, or persons, originally issuing that matter. The department shall retain permanently a copy of any materials incorporated by reference in a rule of the department.

**196.12(3) References to materials not published in full.** When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the department shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the department. The department shall provide a copy of that full text at actual cost upon request and shall make copies of the full text available for review either electronically or at the state law library.

At the request of the administrative code editor, the department shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

**196.12(4) Style and form.** In preparing its rules, the department shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

## **261—196.13(17A) Department rule-making record.**

**196.13(1) Requirement.** The department shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference shall be available for public inspection.

**196.13(2) Contents.** The department rule-making record shall contain:

a. Copies of or citations to all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of department submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based.

b. Copies of any portions of the department's public rule-making docket containing entries relating to the rule or the proceeding upon which the rule is based.

c. All written petitions, requests, and submissions received by the department, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the department in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the department is authorized by law to keep them confidential; provided, however, that when any materials are deleted because they are authorized by law to be kept confidential, the department shall identify in the record the particular materials deleted and state the reasons for that deletion.

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations.

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based.

f. A copy of the rule and any concise statement of reasons prepared for that rule.

g. All petitions for amendment or repeal or suspension of the rule.

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general.

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code subsection 17A.4(4), and any department response to that objection.

j. A copy of any executive order concerning the rule.

**196.13(3) *Effect of record.*** Except as otherwise required by a provision of law, the department rule-making record required by this rule need not constitute the exclusive basis for department action on that rule.

**196.13(4) *Maintenance of record.*** The department shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective or the date of the Notice of Intended Action.

**261—196.14(17A) *Filing of rules.*** The department shall file each rule it adopts in the office of the administrative rules coordinator. The filing shall be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule shall have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the fiscal impact statement or concise statement is issued. In filing a rule, the department shall use the standard form prescribed by the administrative rules coordinator.

**261—196.15(17A) *Effectiveness of rules prior to publication.***

**196.15(1) *Grounds.*** The department may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The department shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

**196.15(2) *Special notice.*** When the department makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) "b"(3), the department shall

employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule's indexing and publication. The term "all reasonable efforts" requires the department to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the department of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice, or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) "b"(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of this subrule.

**261—196.16(17A) Review by department of rules.**

**196.16(1) Request for review.** Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator for the department to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the department shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The department may refuse to conduct a review if it has conducted a review of the specified rule within five years prior to the filing of the written request.

**196.16(2) Conduct of review.** In conducting the formal review, the department shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report shall include a concise statement of the department's findings regarding the rule's effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any requests for exceptions to the rule received by the department or granted by the department. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the department's report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report shall also be available for public inspection.

**261—196.17(17A) Written criticisms of department rules.** Any interested person may submit written criticism of a rule adopted by the department.

**196.17(1) Where submitted, form.** Rule criticisms shall be in writing and submitted to the Director's Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel. The criticism must be typewritten, or legibly handwritten in ink, and must substantially conform to the following form:

CHAPTER 198  
PETITION FOR DECLARATORY ORDER

[Prior to 7/19/95, see 261—Ch 3]

[Prior to 9/6/00, see 261—Ch 103]

[Prior to 7/4/07, see 261—Ch 172]

**261—198.1(17A) Petition for declaratory order.** Any person may file a petition with the department for a declaratory order as to the applicability to specified circumstances of a statute, rule, or order within the primary jurisdiction of the department at the Director’s Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel. A petition is deemed filed when it is received by that office. The department shall provide the petitioner with a file-stamped copy of the petition if the petitioner provides the department an extra copy for this purpose. The petition must be typewritten or legibly handwritten in ink and should substantially conform to the following form:

BEFORE THE DEPARTMENT OF ECONOMIC DEVELOPMENT		
Petition by (Name of Petitioner) for a Declaratory Order on (Cite provisions of law involved).	}	PETITION FOR DECLARATORY ORDER

The petition must provide the following information:

1. A clear and concise statement of all relevant facts on which the order is requested.
2. A citation and the relevant language of the specific statutes, rules, or orders, whose applicability is questioned, and any other relevant law.
3. The questions petitioner wants answered, stated clearly and concisely.
4. The answers to the questions desired by the petitioner and a summary of the reasons urged by the petitioner in support of those answers. A request which seeks to change rather than to declare or determine policy will be denied.
5. The reasons for requesting the declaratory order and disclosure of the petitioner’s interest in the outcome.
6. A statement indicating whether the petitioner is currently a party to another proceeding involving the questions at issue and whether, to the petitioner’s knowledge, those questions have been decided by, are pending determination by, or are under investigation by, any governmental entity.
7. The names and addresses of other persons, or a description of any class of persons, known by the petitioner to be affected by, or interested in, the questions presented in the petition.
8. Any request by the petitioner for a meeting provided for by rule 261—198.7(17A).

The petition must be dated and signed by the petitioner or the petitioner’s representative. It must also include the name, mailing address, and telephone number of the petitioner and petitioner’s representative and a statement indicating the person to whom communications concerning the petition should be directed.

**261—198.2(17A) Notice of petition.** Within five working days of receipt of a petition for a declaratory order, the department shall give notice of the petition to all persons not served by the petitioner pursuant to rule 261—198.6(17A) to whom notice is required by any provision of law. The department may give notice to any other persons.

**261—198.3(17A) Intervention.**

**198.3(1) Nondiscretionary intervention.** Persons who qualify under any applicable provision of law as an intervenor and who file a petition for intervention within 15 working days of the filing of a petition for declaratory order and before the 30-day time for department action under rule 261—198.8(17A) shall be allowed to intervene in a proceeding for a declaratory order.

**198.3(2) Discretionary intervention.** Any person who files a petition for intervention at any time prior to the issuance of an order may be allowed to intervene in a proceeding for a declaratory order at the discretion of the department.

**198.3(3) *Filing and form of petition for intervention.*** A petition for intervention shall be filed at the Director's Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel. A petition is deemed filed when it is received by that office. The department shall provide the petitioner with a file-stamped copy of the petition for intervention if the petitioner provides an extra copy for this purpose. A petition for intervention must be typewritten or legibly handwritten in ink and should substantially conform to the following form:

BEFORE THE DEPARTMENT OF ECONOMIC DEVELOPMENT	
Petition by (Name of Original Petitioner) for a Declaratory Order on (Cite provisions of law cited in original petition).	
	PETITION FOR INTERVENTION

The petition for intervention must provide the following information:

1. Facts supporting the intervenor's standing and qualifications for intervention.
2. The answers urged by the intervenor to the question or questions presented and a summary of the reasons urged in support of those answers.
3. Reasons for requesting intervention and disclosure of the intervenor's interest in the outcome.
4. A statement indicating whether the intervenor is currently a party to any proceeding involving the questions at issue and whether, to the intervenor's knowledge, those questions have been decided by, are pending determination by, or are under investigation by, any governmental entity.
5. The names and addresses of any additional persons, or a description of any additional class of persons, known by the intervenor to be affected by, or interested in, the questions presented.
6. Whether the intervenor consents to be bound by the determination of the matters presented by the declaratory order proceeding.

The petition must be dated and signed by the intervenor or the intervenor's representative. It must also include the name, mailing address, and telephone number of the intervenor and the intervenor's representative, and a statement indicating the person to whom communications should be directed.

**261—198.4(17A) Briefs.** The petitioner or any intervenor may file a brief in support of the position urged. The department may request a brief from the petitioner, any intervenor, or any other person concerning the questions raised.

**261—198.5(17A) Inquiries.** Inquiries concerning the status of a declaratory order proceeding may be made to the Director's Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel.

**261—198.6(17A) Service and filing of petitions and other papers.**

**198.6(1) *Service.*** Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order shall be served by mailing or personal delivery upon each of the parties of record to the proceeding, and on all other persons identified as affected by or interested in the questions presented, simultaneously with their filing. The party filing a document is responsible for service on all parties and other affected or interested persons. All documents filed shall indicate all parties or other persons served and the date and method of service.

**198.6(2) *Filing.*** All petitions for declaratory orders, petitions for intervention, briefs, or other papers in a proceeding for a declaratory order shall be filed with the Director's Office, Department of Economic Development, 200 East Grand Avenue, Des Moines, Iowa 50309-1819, Attn: Legal Counsel. All documents are considered filed upon receipt.

**261—198.7(17A) Consideration.** Upon request by the petitioner, the department shall schedule a brief and informal meeting between the original petitioner, all intervenors, and a member of the staff of the department to discuss the questions raised. The department may solicit comments from any person on

the questions raised. Also, comments on the questions raised may be submitted to the department by any person.

**261—198.8(17A) Action on petition.**

**198.8(1) *Time frames for action.*** Within 30 days after receipt of a petition for a declaratory order, the director or the director's designee shall take action on the petition as required by 1998 Iowa Acts, chapter 1202, section 13, subsection 5.

**198.8(2) *Date of issuance of order.*** The date of issuance of an order or of a refusal to issue an order is the date of mailing of the order or refusal or date of delivery if service is by other means unless another date is specified in the order.

**261—198.9(17A) Refusal to issue order.**

**198.9(1) *Reasons for refusal to issue order.*** The department shall not issue a declaratory order where prohibited by 1998 Iowa Acts, chapter 1202, section 13, subsection 1, and may refuse to issue a declaratory order on some or all questions raised for the following reasons:

1. The petition does not substantially comply with the required form.
2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the department to issue an order.
3. The department does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other department or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge a department decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
10. The petitioner requests the department to determine whether a statute is unconstitutional on its face.

**198.9(2) *Action on refusal.*** A refusal to issue a declaratory order must indicate the specific grounds for the refusal and constitutes final department action on the petition.

**198.9(3) *Filing of new petition.*** Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the department's refusal to issue an order.

**261—198.10(17A) Contents of declaratory order—effective date.** In addition to the order itself, a declaratory order must contain the date of its issuance, the name of petitioner and all intervenors, the specific statutes, rules, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion.

A declaratory order is effective on the date of issuance.

**261—198.11(17A) Copies of orders.** A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to the original petitioner and all intervenors.

**261—198.12(17A) Effect of a declaratory order.** A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the department, the petitioner,

and any intervenors who consent to be bound and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the department. The issuance of a declaratory order constitutes final agency action on the petition.

These rules are intended to implement 1998 Iowa Acts, chapter 1202, section 13.

CHAPTER 199  
UNIFORM WAIVER RULES

[Prior to 9/6/00, see 261—Ch 104]

[Prior to 7/4/07, see 261—Ch 173]

**261—199.1(17A,15) Applicability.** This chapter outlines a uniform process for the granting of waivers from rules adopted by the authority. The intent of this chapter is to allow persons to seek exceptions to the application of rules issued by the authority.

**199.1(1) Definitions.**

“*Authority*” means the economic development authority created in Iowa Code section 15.105.

“*Board*” means the members of the economic development authority board appointed by the governor and in whom the powers of the authority are vested pursuant to Iowa Code section 15.105.

“*Director*” means the director of the authority or the director’s designee.

“*Director/board*” means either the director or the board depending on which one has decision-making authority pursuant to rule 261—199.2(17A,15).

“*Person*” means an individual, corporation, limited liability company, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, or any legal entity.

“*Waiver*” means an agency action which suspends in whole or in part the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person.

**199.1(2) Authority.**

*a.* A waiver from rules adopted by the authority may be granted in accordance with this chapter if (1) the authority has exclusive rule-making authority to promulgate the rule from which waiver is requested or has final decision-making authority over a contested case in which a waiver is requested; and (2) no statute or rule otherwise controls the grant of a waiver from the rule from which waiver is requested.

*b.* No waiver may be granted from a requirement which is imposed by statute. Any waiver must be consistent with statute.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.2(17A,15) Director/board discretion.** The decision on whether the circumstances justify the granting of a waiver shall be made at the discretion of the director upon consideration of all relevant factors. The director may refer a petition for waiver to the board for decision. In the case of petition referred to the board by the director, the board shall make the decision on whether the circumstances justify the granting of a waiver, upon consideration of all relevant factors.

**199.2(1) Criteria for waiver.** The director/board may, in response to a completed petition, grant a waiver from a rule, in whole or in part, as applied to the circumstances of a specified situation if the director/board finds each of the following:

- a.* Application of the rule to the person at issue would result in undue hardship to that person; and
- b.* Waiver on the basis of the particular circumstances relative to that specified person would be consistent with the public interest; and
- c.* Waiver in the specific case would not prejudice the substantial legal rights of any person; and
- d.* Where applicable, substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

In determining whether waiver should be granted, the director/board shall consider whether the underlying public interest policies and legislative intent of the rules are substantially equivalent to full compliance with the rule. When the rule from which a waiver is sought establishes administrative deadlines, the director/board shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all licensees, grantees and constituents.

**199.2(2) Special waiver rules not precluded.** These uniform waiver rules shall not preclude the director/board from granting waivers in other contexts or on the basis of other standards if a statute or other rule authorizes the director/board to do so, and the director/board deems it appropriate to do so.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.3(17A,15) Requester's responsibilities in filing a waiver petition.**

**199.3(1) *Petition.*** All petitions for waiver must be submitted in writing to the Iowa Economic Development Authority, Office of the Director, 1963 Bell Avenue, Suite 200, Des Moines, Iowa 50315, Attention: Legal Counsel. Petitions for waiver may be delivered, mailed, or sent by email or other electronic means reasonably calculated to reach the intended recipient. If the petition relates to a pending contested case, a copy of the petition shall also be filed in the contested case proceeding.

**199.3(2) *Content of petition.*** A petition for waiver shall include the following information where applicable and known to the requester (for an example of a petition for waiver, see Exhibit A at the end of this chapter):

- a. A description and citation of the specific rule from which a waiver is requested.
- b. The specific waiver requested, including the precise scope and operative period that the waiver will extend.
- c. The relevant facts that the petitioner believes would justify a waiver.
- d. A signed statement from the petitioner attesting to the accuracy of the facts provided in the petition, and a statement of reasons that the petitioner believes will justify a waiver.
- e. A history of any prior contacts between the authority and the petitioner relating to the regulated activity, license, grant, loan or other financial assistance affected by the proposed waiver, including a description of each affected license, grant, loan or other financial assistance held by the requester, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity, license, grant or loan within the last five years.
- f. Any information known to the requester regarding the authority's treatment of similar cases.
- g. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question, or which might be affected by the grant of a waiver.
- h. The name, address, and telephone number of any person or entity who would be adversely affected by the grant of a petition.
- i. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.
- j. Signed releases of information authorizing persons with knowledge regarding the request to furnish the authority with information relevant to the waiver.

**199.3(3) *Burden of persuasion.*** When a petition is filed for a waiver from a rule, the burden of persuasion shall be on the petitioner to demonstrate by clear and convincing evidence that the director/board should exercise its discretion to grant the petitioner a waiver.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.4(17A,15) Notice.** The authority shall acknowledge a petition upon receipt. The authority shall ensure that notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law, within 30 days of the receipt of the petition. In addition, the authority may give notice to other persons. To accomplish this notice provision, the authority may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law or who may be impacted by the requested waiver, and provide a written statement to the authority attesting that notice has been provided.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.5(17A,15) Authority responsibilities regarding petition for waiver.**

**199.5(1) *Additional information.*** Prior to issuing an order granting or denying a waiver, the director/board may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the director/board may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the director/board, the director's/board's designee, a committee of the board, or a quorum of the board.

**199.5(2) *Hearing procedures.*** The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply in three situations: (a) to any petition for a waiver of rule filed within a contested case; (b) when the director/board so provides by rule or order; or (c) when a statute so requires.

**199.5(3) Ruling.** An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and operative period of the waiver if one is issued.

**199.5(4) Conditions.** The director/board may condition the grant of the waiver on such reasonable conditions as appropriate to achieve the objectives of the particular rule in question through alternative means.

**199.5(5) Time for ruling.** The director/board shall grant or deny a petition for a waiver as soon as practicable, but in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the director/board shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

**199.5(6) When deemed denied.** Failure of the director/board to grant or deny a petition within the required time period shall be deemed a denial of that petition by the director/board.

**199.5(7) Service of order.** Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.6(17A,15) Submission of waiver information.** Within 60 days of granting or denying a waiver, the authority shall make a submission on the Internet site established pursuant to Iowa Code section 17A.9A for the submission of waiver information. The submission shall identify the rule(s) for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the authority's actions on waiver requests. If practicable, the report shall detail the extent to which granting a waiver has established a precedent for additional waivers and the extent to which the granting of a waiver has affected the general applicability of the rule itself.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.7(17A,15) Voiding or cancellation.** A waiver is void if the material facts upon which the request is based are not true or if material facts have been withheld. The director/board may at any time cancel a waiver upon appropriate notice if the director/board finds that the facts as stated in the request are not true, material facts have been withheld, the alternative means of compliance provided in the waiver have failed to achieve the objectives of the statute, or the requester has failed to comply with the conditions of the order.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.8(17A,15) Violations.** Violation of conditions in the waiver approval is the equivalent of violation of the particular rule for which the waiver is granted and is subject to the same remedies or penalties.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.9(17A,15) Defense.** After the director/board issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

[ARC 5692C, IAB 6/16/21, effective 7/21/21]

**261—199.10(17A,15) Appeals.** Granting or denying a request for waiver is final agency action under Iowa Code chapter 17A. An appeal to district court shall be taken within 30 days of the issuance of the ruling in response to the request unless a contrary time is provided by rule or statute.

PART X  
COMMUNITY ATTRACTION AND INVESTMENT PROGRAMS  
CHAPTER 200  
REINVESTMENT DISTRICTS PROGRAM

**261—200.1(15J) Purpose.** The board is authorized by the general assembly and the governor to oversee the implementation and administration of certain provisions of the Iowa reinvestment Act, which was enacted in 2013 Iowa Acts, House File 641, and amended by 2020 Iowa Acts, House File 2641. The purpose of this chapter is to describe the manner in which the authority's part of the program will be administered. The program provides for as much as \$100 million in state hotel and motel and state sales tax revenues generated by new revenue-generating projects in certain districts to be "reinvested" within those districts for districts approved on or before July 1, 2018, and provides as much as \$100 million for districts approved after July 1, 2020. In general, the authority has the responsibility to evaluate projects and make funding decisions while the department of revenue has the responsibility for collecting the tax revenues used to fund projects under the program and making payments to municipalities. To the greatest extent possible, the board will fund projects in districts that are the most likely (1) to improve the quality of life of the municipality, the surrounding region, and the state as a whole; (2) to be unique to the municipality, the surrounding region, and the state as a whole; and (3) to substantially benefit the economy of the municipality, the surrounding region, and the state as a whole.

[ARC 1175C, IAB 11/13/13, effective 12/18/13; ARC 5319C, IAB 12/16/20, effective 1/20/21]

**261—200.2(15J) Definitions.** For purposes of this chapter unless the context otherwise requires:

*"Account"* means the district account that is created within the fund for each municipality which has established a district and that holds the new tax revenues deposited by the department under the program. Moneys in each account will be remitted quarterly by the department to the municipality pursuant to the department of revenue's rules in 701—Chapter 237.

*"Applicant"* means a municipality applying to the board and the authority for approval of a district under the program, including the preapplication process described in rule 261—200.4(15J).

*"Appurtenant structure"* means any building or other fixture on a piece of real estate other than the main building provided that such a building or fixture is permanent, is wholly or partially above grade, and will be constructed or substantially improved in conjunction with the main building. A structure is appurtenant when the structure is physically connected to a main building such that the connected structures combine to create a single, integrated facility. A structure is not physically connected if the structure has a function or purpose independent of the main building, even if the structures are in close proximity or are incidentally connected by some means such as a common wall, a sidewalk, or recreational trail.

*"Authority"* means the economic development authority created in Iowa Code section 15.105.

*"Board"* means the members of the economic development authority appointed by the governor and in whom the powers of the authority are vested pursuant to Iowa Code section 15.105.

*"Commencement date"* means the date established for each district by the board pursuant to rule 261—200.7(15J) upon which the calculation of new state sales tax and new state hotel and motel tax revenue shall begin pursuant to rule 701—237.3(15J) and after which the department will make deposits in the fund pursuant to rule 701—237.4(15J).

*"Department"* means the department of revenue.

*"Director"* means the director of the authority.

*"District"* means the area that is designated a reinvestment district under the program. For purposes of this chapter, a district is designated during the application and approval process but is not created until it has both received the final approval of the board pursuant to rule 261—200.7(15J) and been established by ordinance or resolution of the municipality as described in rule 261—200.8(15J).

*"Due diligence committee"* means the due diligence committee of the board established pursuant to 261—subrule 1.3(7).

“*Fund*” means the state reinvestment district fund created in Iowa Code section 15J.6, consisting of new tax revenues, and under the control of the department.

“*Governing body*” means the county board of supervisors, city council, or other governing body in which the legislative powers of the municipality are vested.

“*Joint board*” means a legal entity established or designated in an agreement made pursuant to Iowa Code chapter 28E between two or more contiguous counties or incorporated cities.

“*Maximum benefit amount*” means the total amount of new tax revenues that may be remitted to a municipality’s reinvestment project fund and used for development in a district. The maximum benefit will be established by the board when a final application to the program is approved pursuant to rule 261—200.7(15J).

“*Municipality*” means a county, an incorporated city, or a joint board.

“*New lessor*” means a lessor, as defined in Iowa Code section 423A.2, operating a business in the district that was not in operation in the area of the district before the effective date of the ordinance or resolution establishing the district, regardless of ownership. “New lessor” also includes any lessor, as defined in Iowa Code section 423A.2, operating a business in the district if the place of business for that business is the subject of a project that was approved by the board.

“*New retail establishment*” means a business operated in the district by a retailer, as defined in Iowa Code section 423.1, that was not in operation in the area of the district before the effective date of the ordinance or resolution establishing the district, regardless of ownership. “New retail establishment” also includes any business operated in the district by a retailer, as defined in Iowa Code section 423.1, if the place of business for that retail establishment is the subject of a project that was approved by the board.

“*New tax revenues*” means all state sales tax revenues and state hotel and motel tax revenues that are collected within a district by new retail establishments and new lessors, provided that such new retail establishments and lessors are included as projects in an approved district plan. New tax revenues are remitted to the department after collection by new retail establishments and new lessors and deposited by the department in a fund for use by a municipality under the program.

“*Program*” means the reinvestment district program established pursuant to this chapter.

“*Project*” means a vertical improvement constructed or substantially improved within a district using new tax revenues. “Project” does not include any of the following:

1. A building, structure, or other facility that is in whole or in part used or intended to be used to conduct gambling games under Iowa Code chapter 99F.
2. A building, structure, or other facility that is in whole or in part used or intended to be used as a hotel or motel if such hotel or motel is connected to or operated in conjunction with a building, structure, or other facility described in paragraph “1” above.

“*Retail business*” means any business engaged in the business of selling tangible personal property or taxable services at retail in this state that is obligated to collect state sales or use tax under Iowa Code chapter 423. However, for the purposes of this chapter, “retail business” does not include a new lessor or a business engaged in an activity subject to tax under Iowa Code section 423.2(3).

“*State hotel and motel tax*” means the state-imposed tax under Iowa Code section 423A.3.

“*State sales tax*” means the sales and services tax imposed pursuant to Iowa Code section 423.2.

“*Substantially improved*” means that the cost of the improvements to a project is equal to or exceeds 50 percent of the assessed value of the property, excluding the land, prior to such improvements.

“*Unique nature*” means a quality or qualities of the projects to be developed in a district which, when considered in the entirety, will substantially distinguish the district’s projects from other existing or proposed developments in the state. For purposes of this chapter, whether a project is of a unique nature is a subjective and contextual determination that will be made by the board. In determining whether a project is of a unique nature, the board will not necessarily require a project to be entirely without precedent or to be the only one of its kind in the state, but rather the board will evaluate whether the projects to be undertaken in a district will either (1) permanently transform the aesthetics or infrastructure of a local community for the better, including by preserving important historical

structures or neighborhoods; or (2) contribute substantially more to the state's economy or quality of life than other similar projects in the state.

*“Vertical improvement”* means a building that is wholly or partially above grade and all appurtenant structures to the building.

#### **261—200.3(15J) Program overview.**

**200.3(1) General.** The reinvestment districts program provides for new tax revenues generated by revenue-generating projects in certain districts to be “reinvested” within those districts. The program allows municipalities to designate areas within their corporate boundaries as reinvestment districts and to use new tax revenues collected within the district to finance the development of projects within the district. The authority and the board will take applications from municipalities for designation as a district and will consider and approve eligible applicants for funding under the program.

**200.3(2) Preapplication, provisional decisions, and final approval.** Each fiscal year in which funding is available, the authority will accept applications for assistance under the program. The program includes a preapplication process, a scoring process, a provisional funding decision, and a final board approval process.

**200.3(3) District establishment and financing.**

*a.* Upon final approval of a plan, a municipality shall establish a district and notify the department that new tax revenues may be deposited in a fund under the program as described in subrule 200.8(1). The collection and deposit of new tax revenues by the department begins only after final approval of the proposed district plan and the establishment of the district's maximum benefit amount and commencement date.

*b.* For districts established before July 1, 2020, the department will deposit in a fund 4 percent of the amount of retail sales subject to the state sales tax collected by new retail establishments within the district and 5 percent of the amount of sales subject to the state hotel and motel tax collected by new lessors within the district.

*c.* For districts established after July 1, 2020, the department will deposit in a fund:

(1) Four percent of the remainder of amount of sales subject to the state sales tax in the district during the quarter from new retail establishments minus the sum of the sales from the corresponding quarter of the 12-month period preceding establishment of the district, for new retail establishments identified under subparagraph 200.8(1)“c”(3) that were in operation at the end of the quarter; and

(2) Five percent of the remainder of amount of sales subject to the state hotel and motel tax in the district during the quarter from new lessors minus the sum of the sales from the corresponding quarter of the 12-month period preceding establishment of the district, for new lessors identified under subparagraph 200.8(1)“c”(4) that were in operation at the end of the quarter.

**200.3(4) Duration of funding and termination of district.** The department will deposit new tax revenues in the fund until the maximum benefit is reached or the district is terminated, whichever is earlier. A district shall be terminated as of the date 20 years after the commencement date unless a municipality dissolves the district prior to that date or the board has approved an extension pursuant to subrule 200.10(3).

**200.3(5) Use of funds.** A municipality may use moneys remitted by the department to the municipality from its account for purposes of funding development in a district according to an approved district plan as described in subrule 200.8(2).

#### **261—200.4(15J) Preapplication process.**

**200.4(1) Purpose.** The program includes a preapplication process to assist with the administration and implementation of the program. The purposes of the preapplication process are to provide information related to the requirements of this chapter, to determine the interest of municipalities in establishing districts under this chapter, including the amount of potential funding requests, and to assist municipalities in preparing a proposed district plan. The authority and the board will utilize

the preapplication process to gauge the level of demand for funding under the program, accept initial project plans and requests for funding, make provisional determinations about the amount of maximum benefits, and notify applicants of the board's provisional funding decisions. While all funding decisions made during the preapplication process are provisional and subject to change, the process is intended to indicate the board's willingness to approve future financial assistance for projects that meet the requirements of this chapter.

**200.4(2) *Preapplication required.*** The board will only approve a proposed district plan if that plan has been submitted during the annual filing window as described in this rule.

**200.4(3) *Annual filing window.*** Each year that funding is available, the authority will announce an annual filing window to accept preapplications under the program. The purpose of the annual filing window is to enable the competitive scoring of applications and facilitate funding decisions by the board that are within the limitations established for the program by the general assembly. A municipality interested in applying to the program must submit a preapplication during the annual filing window or wait until the next annual filing window.

**200.4(4) *Preapplication submission requirements.*** Each preapplication submission shall demonstrate compliance with the requirements listed in rule 261—200.5(15J) to the greatest extent possible. While the preapplication process is provisional in nature and is designed to allow applicants to make reasonable changes to the proposed district plan before a final application is considered, the board is more likely to approve funding for proposed districts that meet all requirements of rule 261—200.5(15J) during the preapplication process.

**200.4(5) *Provisional funding decisions.***

*a.* The board, with the assistance of the authority, will evaluate the preapplications and assign them a provisional score based on the criteria described in rule 261—200.6(15J). Based on the results of the scoring, the board will make provisional funding decisions and notify applicants.

*b.* A provisional funding decision represents an initial judgment by the board about the merits of a proposed district plan and is provided for the convenience of both applicants and the board for the better administration of the program. A provisional funding decision shall not be construed as binding on the board nor will the applicant be required to meet all of the details contained in the preapplication. A provisional funding decision shall not be construed as a final approval by the board. A municipality shall not adopt an ordinance or resolution establishing a district based on a provisional funding decision.

*c.* The final details of a proposed district plan and a final funding decision, including a maximum benefit amount and a commencement date, shall be contingent upon the receipt of a full, final, and complete application and upon final action by the board to ratify, amend, defer, or rescind its provisional funding decision as provided in rule 261—200.7(15J).

*d.* The department of revenue will not deposit moneys into a fund until a final application is approved by the board and an ordinance or resolution has been adopted by the municipality.

**200.4(6) *Posting of preapplication and materials to Internet site.*** After the board makes a provisional funding decision, the proposed district plan, along with all accompanying materials, will be posted on the authority's Internet site for public viewing within ten days of approval by the board and will be available there until the final application is submitted, or for one year.

**261—200.5(15J) Program eligibility and application requirements.** To be eligible for benefits under the program, an applicant shall meet all of the following requirements:

**200.5(1) *Area suitable for development.*** An applicant must be a municipality and must have an area suitable for development within the boundaries of the municipality, or, in the case of a joint board, the combined boundaries of the incorporated cities or counties that established or designated the joint board, that has been proposed for designation as a reinvestment district under the program. Only areas that meet the following requirements will be approved for designation as a reinvestment district:

*a.* The area must consist only of parcels of real property that the governing body of the municipality determines will be directly and substantially benefited by development in the proposed district. In order to establish that this criterion is met, a municipality should submit information such

as an estimate of the expected increase in valuation or other data that lends itself to a quantitative assessment of the extent to which the real property will benefit.

*b.* The area must be in whole or in part either an economic development enterprise zone designated under 2014 Iowa Code chapter 15E, division XVIII, immediately prior to July 1, 2014, or an urban renewal area established pursuant to Iowa Code chapter 403. In order to establish that this criterion is met, a municipality should submit maps of the proposed area as well as maps of the existing enterprise zone or urban renewal area. A municipality should also submit copies of the local ordinance or resolution establishing the enterprise zone or the urban renewal area.

*c.* For districts approved before July 1, 2018, the area must consist of contiguous parcels and must not exceed 25 acres in total. For districts approved after July 1, 2020, the area must consist of contiguous parcels and must not exceed 75 acres in total. For purposes of this subrule, “contiguous” means parcels that are physically connected. Parcels connected by streets or other rights-of-way will be considered physically connected for purposes of this rule. In designating an area that includes a right-of-way, an applicant may include an area that is less than the full width of the right-of-way, but the applicant shall not include less than 60 feet of the right-of-way’s width.

*d.* For a municipality that is a city or for a city that has established or designated a joint board, the area must not include the entire incorporated area of the city.

*e.* The area must not be located in whole or in part within another district established under this chapter.

**200.5(2) Proposed district plan.** An applicant must submit a proposed district plan. A proposed district plan must be approved by resolution of the governing body of the municipality and must state the governing body’s intent to establish a district. A copy of this resolution should be submitted with the proposed district plan. The proposed district plan must also include all of the following:

*a.* A finding by the governing body that the area in the proposed district is an area suitable for development. This finding should be supported by the information required under subrule 200.5(1).

*b.* A legal description of the real estate forming the boundaries of the area to be included in the proposed district along with a map depicting the existing parcels of real estate located in the proposed district.

*c.* A list of the names and addresses of the owners of record of the parcels to be included in the proposed district. If, at the time an application is submitted, the parcels are not yet acquired or one or more parcels within the district are under consideration for a project, then the names and addresses of the owners of record of all parcels under consideration shall be submitted with the understanding that final board approval shall be contingent upon all parcels’ being acquired and identified by address prior to final board approval and establishment of the commencement date.

*d.* A list of all projects proposed to be undertaken within the district, a detailed description of those projects, and a project plan for each proposed project. Each project plan shall clearly state the estimated cost of the proposed project, the anticipated funding sources for the proposed project, the amount of anticipated funding from each such source, and the amount and type of debt, if any, to be incurred by the municipality to fund the proposed project, and shall include a proposed project feasibility study conducted by an independent professional with expertise in economic development and public finance. The project plan for the project that proposes the largest amount of capital investment among all proposed projects within the district shall include an estimate of the date that construction of the project will be completed and of the date that operations will begin at the project. The feasibility study shall include projections and analysis of all of the following:

(1) The amount of gross revenues expected to be collected in the district as a result of the proposed project for each year that the district is in existence.

(2) A detailed explanation of the manner and extent to which the proposed project will contribute to the economic development of the state and the municipality, including an analysis of the proposed project’s economic impact. The analysis shall include the same components and be conducted in the same manner as the economic impact study required under paragraph “e” of this subrule.

(3) An estimate of the number of visitors or customers the proposed project will generate during each year that the district exists.

(4) A description of the unique characteristics of the proposed project. The description should include an explanation of why the unique characteristics of the proposed project cause the project to be of a unique nature, within the meaning of that term as it is defined in rule 261—200.2(15J).

*e.* An economic impact study for the proposed district conducted by an independent economist retained by the municipality. The economic impact study shall, at a minimum, do all of the following:

(1) Contain a detailed analysis of the financial benefit of the proposed district to the economy of the state and the municipality.

(2) Identify one or more projected market areas in which the district can reasonably be expected to have a substantial economic impact.

(3) Assess the fiscal and financial impact of the proposed district on businesses or on other economic development projects within the projected market area.

**200.5(3) Additional conditions.** In addition to the requirements described in subrules 200.5(1) and 200.5(2), a municipality shall demonstrate to the board's satisfaction that all of the following additional conditions are met:

*a.* The area of the municipality proposed to be included in the district must meet the requirements of subrule 200.5(1).

*b.* The projects proposed to be undertaken in the district must be of a unique nature and must be likely to have a substantial beneficial impact on the economy of the state and the economy of the municipality. If, in the judgment of the board, an applicant's proposed district plan is not of a unique nature or will not result in benefits claimed, the board may decline to approve a proposed district plan or may defer a proposed district plan until amendments are made.

*c.* The proposed funding sources for each proposed project must be feasible.

*d.* At least one of the projects proposed to be undertaken in the district must include a capital investment of at least \$10 million.

*e.* The total amount of proposed funding from new tax revenues to be remitted to the municipality from the fund for all proposed projects in the proposed district plan must not exceed 35 percent of the total cost of all proposed projects in the proposed district plan.

*f.* The amount of proposed capital investment within the proposed district related to retail businesses in the proposed district must not exceed 50 percent of the total capital investment for all proposed projects in the proposed district plan.

*g.* The applicant must have submitted an application under the preapplication process described in rule 261—200.4(15J) and, as part of a provisional funding decision by the board, must have been approved for a provisional maximum benefit amount.

*h.* The proposed district plan must meet a minimum score under the criteria described in rule 261—200.6(15J).

*i.* While multiple districts within a single municipality are not prohibited under the program, the size of any one district is limited by paragraph 200.5(1) "c" and overlapping districts are prohibited by paragraph 200.5(1) "e." Therefore, the board will consider whether the approval of an additional district is appropriate given the particulars of the proposed additional district and the goals of the program. If a municipality proposes an additional district, the board, at its discretion, may accept the application and score it, or if the board determines that approval of an additional district would not serve the goals of the program, the board may reject the application without scoring it.

*j.* The applicant is not requesting a plan amendment to increase the maximum benefit amount for an already approved district. While it is within the discretion of the board to increase the maximum benefit amount of an approved district, the board will carefully scrutinize whether an increase is justified by circumstances such as greater investment or improved projects within the district and whether any change in the maximum benefit amount serves the goals of the program.

**200.5(4) Application materials and submission.**

*a.* A municipality interested in applying for funding under the program shall submit a preapplication and a final application to the board for approval and, when applying, shall provide the information described in this chapter or any other information the board or the authority may reasonably require in order to process the application.

b. Information on submitting an application under the program may be obtained by contacting the economic development authority. The contact information is:

**261—200.6(15J) Application scoring and determination of benefits.** For each applicant that meets the requirements of rule 261—200.5(15J) and that has submitted an application during the annual filing window as described in subrule 200.4(3), the board will evaluate and score the proposed district plan according to the criteria and process described in this rule.

**200.6(1) Scoring criteria and plan evaluation.** Each proposed district plan will be given a numerical score between 0 and 100. The higher the numerical score, the more likely the proposed district will be approved for designation and funding under the program. The scoring process will necessarily involve a subjective assessment of the quality of each proposed district plan as well as a consideration of how each proposed district plan compares to the plans proposed by other applicants. The criteria used to score each application and the maximum number of points that may be attributed to each criterion are as follows:

a. **Uniqueness: 25 points.** The program requires that the projects proposed to be undertaken must be of a unique nature. Therefore, the proposed district plan will be evaluated on this criterion in order to quantify the extent to which the projects in the proposed district plan are of a unique nature. The more unique the projects are, the more points will be received under this criterion.

b. **Economic impact: 25 points.** The program requires that the projects proposed to be undertaken must have a substantial beneficial impact on the economy of the state and the economy of the municipality. Therefore, the proposed district plan will be evaluated on this criterion in order to quantify the extent to which the projects in the proposed district plan will benefit the economy. The greater the economic impact of the proposed district plan, the more points will be received under this criterion.

c. **Project feasibility: 10 points.** The program requires that funding sources for projects must be feasible. Therefore, the proposed district plan will be evaluated on this criterion in order to quantify the extent to which the funding sources of the proposed projects are feasible. The more feasible the funding sources for the proposed projects are, the more points will be received under this criterion.

d. **Capital investment: 10 points.** The program requires that at least one project with a capital investment of \$10 million or more be proposed. To the extent that the proposed district plan exceeds this minimum level of capital investment, more points will be received under this criterion.

e. **Funding leverage: 10 points.** The program limits the amount of new tax revenues that can be received to 35 percent of the total cost of all proposed projects in the proposed district plan. To the extent that a proposed district plan includes a financing plan in which the percentage of new tax revenues to be received is less than 35 percent of the total cost, more points will be received under this criterion.

f. **Nonretail focus: 10 points.** The program limits the amount of proposed capital investment in the district related to retail businesses to 50 percent of the total capital investment for all proposed projects in the proposed district. To the extent that a proposed district plan includes projects that provide cultural amenities, tourist attractions and accommodations, infrastructure, or quality of life improvements, more points will be received under this criterion.

g. **Additional factors: 10 points.** The program allows the board to establish additional criteria for the program. Therefore, in addition to the other criteria listed in this subrule, the board will consider the following additional factors:

(1) **Readiness for development.** The closer a municipality is to beginning development on a proposed district plan, the more points may be received under the additional factors criterion.

(2) **Geographic diversity.** To the extent that a proposed district is located in a region of the state not already funded under the program, more points may be received under the additional factors criterion. A proposed district plan that would create an additional district within a municipality or a request to

increase the maximum benefit amount of an already approved district will not be viewed as enhancing geographic diversity and may receive fewer points under the additional factors criterion.

(3) Funding need. To the extent that a funding gap exists in the proposed district plan's financing, more points may be received under the additional factors criterion.

**200.6(2) *Scoring process and funding recommendations.*** Proposed district plans will be scored by an evaluation committee consisting of members appointed by the director. Members of the committee will include authority staff and not more than five members of the board. Each member of the evaluation committee will judge the proposed district plan according to the scoring criteria, and then the scores of all members of the committee will be averaged together to reflect one numerical score between 0 and 100. The evaluation committee will not make a funding recommendation.

After all applications are scored, a copy of the proposed district plan and the results of the scoring will be referred to the due diligence committee, which will consider the quality of the proposed district plans and make funding recommendations to the board. The due diligence committee will take into account the requested funding levels, but will also attempt to establish maximum benefit amounts that seem most appropriate to both the quality of the proposed district plans and the total demand for program funding.

The scoring results will not be negotiated and, while both the board and the due diligence committee will consider the scoring results of the evaluation committee, those results are not binding on either the due diligence committee or the board.

**200.6(3) *Minimum score required.*** To receive funding under the program, a proposed district plan must receive an average score of 70 or more points under the criteria listed in subrule 200.6(1).

**200.6(4) *Funding not guaranteed.*** The program is subject to a total aggregate limit on the amount of new tax revenues that may be approved. Therefore, a proposed district plan that meets the required minimum score is not guaranteed funding if the board's funding decisions for other, higher scoring proposed district plans cause the program's total aggregate limit to be reached.

**200.6(5) *Final action taken by board.*** The final decision on whether to approve the designation of a proposed reinvestment district and the determination of the amount of maximum benefit to award an applicant rest entirely with the board. The recommendations of the evaluation committee and the due diligence committee with respect to the proposed district plans are of an advisory nature only.

**200.6(6) *Availability of scoring results.*** The board and the authority will keep records of the scoring process and make those records available to applicants.

**200.6(7) *Denial of plans and resubmission.*** If a proposed district plan is denied, the board will state the reasons for the denial. Reasons for denial may include a failure to meet filing deadlines, a failure to meet the basic requirements for eligibility, a failure to meet the required minimum score, or a lack of available funding. A municipality whose application is denied may resubmit the application at the next annual filing window provided there is funding available, but a resubmission must be rescored with all other applicants that apply during that filing window.

**200.6(8) *Provisional nature of preapplication process.*** The preapplication process described in rule 261—200.4(15J) will result in provisional scores and provisional funding decisions for applicants. However, these provisional scores and funding decisions are subject to change pending the final approval process described in rule 261—200.7(15J).

[ARC 1175C, IAB 11/13/13, effective 12/18/13]

## **261—200.7(15J) Final application and approval process.**

### **200.7(1) *Final application required.***

a. An applicant that receives a provisional funding decision must submit a final application to the board within one year of the submission of the preapplication. An applicant that does not file a final application within that time will be scored again with all other applicants who file in the next annual filing window.

b. A final application shall meet all the requirements described in rule 261—200.5(15J).

**200.7(2) *Amendments to preapplications and rescoring of plans.*** An applicant may amend any part of the preapplication when submitting the final application and must amend the application if any part

of the proposed district plan will be materially different from the plan that was proposed during the preapplication process. If the board determines that a final application is substantially different from the related preapplication, then the board may rescore the application and reevaluate the provisional funding decision prior to taking final action. If the board elects to rescore and reevaluate an application, the application will be rescored and reevaluated in the same manner and according to the same criteria used initially.

**200.7(3) *Final funding decision and establishment of commencement date.*** After submission of all information required for the final application, the board will make a final funding decision, establish a final maximum benefit amount, and establish a commencement date for the district. The commencement date established by the board will be the first day of the first calendar quarter beginning after the later of the two dates identified for the project that proposed the largest amount of capital investment among all proposed projects in the district as described in subrule 200.5(2).

**200.7(4) *Provisional funding decisions not determinative of final funding decision.*** The board's final funding decision may be different from its provisional funding decision. The board may ratify, amend, defer, or rescind the provisional funding decision. If the board's final funding decision causes additional funding to become available, the board may amend a funding decision for another proposed district plan made during the same annual filing window or may reserve the additional funding capacity for the next annual filing window.

**200.7(5) *Posting of application and materials to Internet site.*** Upon final approval by the board, the district plan, along with the municipality's resolution and all accompanying materials, will be posted on the authority's Internet site for public viewing within ten days of approval by the board and will be maintained there for a period of three years.

[ARC 1175C, IAB 11/13/13, effective 12/18/13; ARC 5319C, IAB 12/16/20, effective 1/20/21]

## **261—200.8(15J) Adoption of ordinance and use of funds.**

**200.8(1) *Adoption of ordinance establishing a district and notice to department.***

*a.* Upon receiving approval by the board of the final application pursuant to rule 261—200.7(15J), the municipality shall adopt an ordinance, or, in the case of a joint board, a resolution, establishing the district.

*b.* For each district approved by the board before July 1, 2018, the ordinance or resolution adopted by the municipality shall include:

(1) The district's commencement date; and

(2) A detailed statement of the manner in which the approved projects to be undertaken in the district will be financed, including but not limited to the financial information included in the project plan.

*c.* For each district approved by the board after July 1, 2020, the ordinance or resolution shall include:

(1) The district's commencement date;

(2) A detailed statement of the manner in which the approved projects to be undertaken in the district will be financed, including but not limited to the financial information included in the project plan;

(3) For each new retail establishment that was in operation before the establishment of the district, the monthly amount of sales subject to the state sales tax from the most recently available 12-month period preceding adoption of the ordinance or resolution; and

(4) For each new lessor that was in operation before the establishment of the district, the monthly amount of sales subject to the state hotel and motel tax from the most recently available 12-month period preceding adoption of the ordinance or resolution.

*d.* For each district approved by the board before July 1, 2018, the municipality shall notify the director of revenue of the district's commencement date established by the board no later than 30 days after adoption of the ordinance or resolution establishing the district. For each district approved by the

board after July 1, 2020, the municipality shall provide a copy of the ordinance or resolution establishing the district to the director of revenue no later than 30 days after adoption of the ordinance or resolution.

**200.8(2) Use of funds.**

*a.* Following establishment of the district, a municipality may use the moneys deposited in the municipality's reinvestment project fund created pursuant to Iowa Code section 15J.7 to fund the development of those projects included within the district plan. For purposes of this subrule, "development" means all costs reasonably related to a project provided that such costs are described in a final application approved by the board. Development costs may include project planning, professional services, land acquisition, construction, maintenance, and operational expenses. A municipality shall enter into development agreements for the expenditure of program funds and submit copies of such agreements to the authority within 30 days of execution.

*b.* Moneys deposited in such a fund shall only be used to fund projects approved by the board as part of a proposed district plan. Moneys deposited in such a fund may be used for projects that do not generate new tax revenues provided such projects are part of an approved plan. A municipality shall maintain records documenting the use of funds under the program and make them available to the board or the department upon request.

*c.* Moneys from any source deposited into the fund shall not be expended for or otherwise used in connection with a project that includes the relocation of a commercial or industrial enterprise not presently located within the municipality. For the purposes of this subrule, "relocation" means the closure or substantial reduction of an enterprise's existing operations in one area of the state and the initiation of substantially the same operation in the same county or a contiguous county in the state. However, if the initiation of operations includes an expanded scope or nature of the enterprise's existing operations, the new operation shall not be considered to be substantially the same operation. "Relocation" does not include an enterprise expanding its operations in another area of the state provided that existing operations of a similar nature are not closed or substantially reduced.

*d.* Moneys from new tax revenues collected within a district and expended by a municipality under the program are subject to audit by the department of revenue or the auditor of state.

**261—200.9(15J) Plan amendments and reporting.**

**200.9(1) Plan amendments.**

*a.* A municipality may request an amendment to an approved district plan to add or modify projects. However, a proposed modification to a project, and each project proposed to be added, must first be approved by the board in the same manner as provided for the original plan, including updated or amended feasibility and economic impact studies as necessary. An applicant requesting a plan amendment is not required to file a preapplication pursuant to rule 261—200.4(15J) unless the amendment would increase the maximum benefit amount. A plan amendment request that does not increase the maximum benefit amount may be requested at any time.

*b.* There is no circumstance in which the board will approve an amendment to a district plan if that amendment would result in the extension of the final commencement date established by the board. A request to extend a district's established commencement date will be rejected.

*c.* If a district plan is amended to add or modify a project, the municipality shall, if necessary, amend the ordinance or resolution, as applicable, to reflect any changes to the financial information required to be included under the program.

*d.* If, after final approval and establishment of the district, a municipality is unable to carry out development of all the projects proposed to be undertaken in a district, the municipality shall seek a modification to the plan. If a requested plan amendment would reduce capital investment in a district or remove one or more of the projects originally approved for the district, the board in its discretion may reduce, rescind, or otherwise modify the maximum benefit amount accordingly.

**200.9(2) Reports required.** Following establishment of a district, the municipality shall on or before October 1 of each year submit a report to the board detailing all of the following:

*a.* The status of each project undertaken within the district in the previous 12 months.

b. An itemized list of expenditures from the municipality's reinvestment project fund in the previous 12 months that have been made related to each project being undertaken within the district.

c. The amount of the total project cost remaining for each project being undertaken within the district as of the date the report is submitted.

d. The amounts, types, and sources of funding used for each project described in paragraph "a."

e. The amount of bonds issued or other indebtedness incurred for each project described in paragraph "a," including information related to the rate of interest, length of term, costs of issuance, and net proceeds. The report shall also include the amounts and types of moneys to be used for payment of such bonds or indebtedness.

**200.9(3) Reports posted to Internet site and submitted to governor and general assembly.** All reports received by the board under subrule 200.9(2) will be posted on the authority's Internet site as soon as practicable following receipt of the report. The board will submit a written report to the governor and the general assembly on or before January 15 of each year that summarizes and analyzes the information submitted by municipalities under subrule 200.9(2).

### **261—200.10(15J) Cessation of deposits, district dissolution, and requests for extension.**

**200.10(1) Cessation of deposits.** As of the date 20 years after the district's commencement date, the department will cease to deposit new tax revenues into the district's account unless the municipality dissolves the district by ordinance or resolution prior to that date or the board has approved an extension pursuant to subrule 200.10(3). Once the maximum benefit amount approved by the board for the district has been reached, the department will cease to deposit new tax revenues into the district's account. If a district reaches the maximum benefit amount, the department will notify the municipality within a reasonable amount of time.

**200.10(2) District dissolution.** If a municipality dissolves a district by ordinance or resolution prior to the expiration of the 20-year period, the municipality shall notify the director of revenue of the dissolution as soon as practicable after adoption of the ordinance or resolution, and the department shall, as of the effective date of dissolution, cease to deposit state sales tax revenues and state hotel and motel tax revenues into the district's account within the fund. If a municipality is notified that its maximum benefit amount has been reached, the municipality shall dissolve the district by ordinance or resolution as soon as practicable after notification.

**200.10(3) Requests for extension.** Upon request of the municipality prior to the dissolution of the district, and following a determination by the board that the amounts of new state sales tax revenue and new state hotel and motel tax revenue deposited in the municipality's reinvestment project fund are substantially lower than the maximum benefit amount, the board may extend the district's 20-year period of time for depositing and receiving revenues by up to five additional years if such an extension is in the best interest of the public.

CHAPTER 213  
ENHANCE IOWA BOARD: UNIFORM WAIVER RULES

**261—213.1(17A,15F) Applicability.** This chapter outlines a uniform process for the granting of waivers from rules adopted by the board. The intent of this chapter is to allow persons to seek exceptions to the application of rules issued by the board.

**213.1(1) Definitions.**

“Board” or “enhance Iowa board” means the enhance Iowa board established by Iowa Code section 15F.102.

“Person” means an individual, corporation, limited liability company, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, or any legal entity.

“Waiver” means an agency action which suspends in whole or in part the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person.

**213.1(2) Authority.**

a. A waiver from rules adopted by the board may be granted in accordance with this chapter if (1) the board has authority to promulgate the rule from which waiver is requested or has final decision-making authority over a contested case in which a waiver is requested; and (2) no statute or rule otherwise controls the grant of a waiver from the rule from which waiver is requested.

b. No waiver may be granted from a requirement which is imposed by statute. Any waiver must be consistent with statute.

[ARC 4513C, IAB 6/19/19, effective 7/24/19; ARC 5644C, IAB 6/2/21, effective 7/7/21]

**261—213.2(17A,15F) Board discretion.** The decision on whether the circumstances justify the granting of a waiver shall be made at the discretion of the board upon consideration of all relevant factors.

**213.2(1) Criteria for waiver.** The board may, in response to a completed petition, grant a waiver from a rule, in whole or in part, as applied to the circumstances of a specified situation if the board finds each of the following:

a. Application of the rule to the person at issue would result in undue hardship to that person; and  
b. Waiver on the basis of the particular circumstances relative to that specified person would be consistent with the public interest; and

c. Waiver in the specific case would not prejudice the substantial legal rights of any person; and  
d. Where applicable, substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

In determining whether waiver should be granted, the board shall consider whether the underlying public interest policies and legislative intent of the rules are substantially equivalent to full compliance with the rule. When the rule from which a waiver is sought establishes administrative deadlines, the board shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all licensees, grantees and constituents.

**213.2(2) Special waiver rules not precluded.** These uniform waiver rules shall not preclude the board from granting waivers in other contexts or on the basis of other standards if a statute or other board rule authorizes the board to do so, and the board deems it appropriate to do so.

[ARC 5644C, IAB 6/2/21, effective 7/7/21]

[ARC 4513C, IAB 6/19/19, effective 7/24/19; ARC 5644C, IAB 6/2/21, effective 7/7/21]

**261—213.4(17A,15F) Notice.** The board shall acknowledge a petition upon receipt. The board shall ensure that notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law within 30 days of the receipt of the petition. In addition, the board may give notice to other persons. **213.5(4) *Conditions.*** The board may condition the grant of the waiver on such reasonable conditions as appropriate to achieve the objectives of the particular rule in question through alternative means.

**213.5(5) *Time for ruling.*** The board shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the board shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

**213.5(6) When deemed denied.** Failure of the board to grant or deny a petition within the required time period shall be deemed a denial of that petition by the board.

**213.5(7) Service of order.** Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

[ARC 5644C, IAB 6/2/21, effective 7/7/21]

**261—213.7(17A,15F) Voiding or cancellation.** A waiver is void if the material facts upon which the request is based are not true or if material facts have been withheld. The board may at any time cancel a waiver upon appropriate notice if the board finds that the facts as stated in the request are not true, material facts have been withheld, the alternative means of compliance provided in the waiver have failed to achieve the objectives of the statute, or the requester has failed to comply with the conditions of the order.  
[ARC 5644C, IAB 6/2/21, effective 7/7/21]

**261—213.8(17A,15F) Violations.** Violation of conditions in the waiver approval is the equivalent of violation of the particular rule for which the waiver is granted and is subject to the same remedies or penalties.  
[ARC 5644C, IAB 6/2/21, effective 7/7/21]

**261—213.9(17A,15F) Defense.** After the board issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.
