21.12(3) The completed application and renewal fee shall be submitted to the board office before the license expiration date.

21.12(4) The barbershop shall be in full compliance with this chapter and 645—Chapter 22 to be eligible for license renewal.

645—25.1(158) Definitions.

“Board” means the board of barbering.

“Discipline” means any sanction the board may impose upon licensees, barbershops or barber schools.

“Licensure” means the granting of a license to practice as a barber or barber instructor or to operate a barbershop or barber school in Iowa.

645—25.2(272C) Grounds for discipline. The board may impose any of the disciplinary sanctions provided in rule 645—25.3(152A,272C) when the board determines that any of the following acts or offenses have been committed:

25.2(1) Fraud in procuring a license. Fraud in procuring a license includes, but is not limited to:

- a. An intentional perversion of the truth in making application for a license to practice in this state;
- b. False representation of a material fact, whether by word or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed when making application for a license in this state;
- c. Attempting to file or filing with the board or the department of public health any false or forged diploma or certificate or affidavit or identification or qualification in making an application for a license in this state.

25.2(2) Professional incompetency. Professional incompetency includes, but is not limited to:

- a. A substantial lack of knowledge or ability to discharge professional obligations within the scope of practice;
- b. A substantial deviation from the standards of learning or skill ordinarily possessed and applied by other barbers in the state of Iowa acting in the same or similar circumstances;
- c. A failure to exercise the degree of care which is ordinarily exercised by a barber acting in the same or similar circumstances; and
- d. Failure to conform to the minimal standard of acceptable and prevailing practice of licensed barbers in this state.

25.2(3) Knowingly making misleading, deceptive, untrue or fraudulent representations in the practice of the profession, or engaging in unethical conduct or practice harmful or detrimental to the public. Proof of actual injury need not be established.

25.2(4) Practice outside the scope of the profession.

25.2(5) Use of untruthful or improbable statements in advertisements. Use of untruthful or improbable statements in advertisements includes, but is not limited to, acts which constitute making false, deceptive, misleading or fraudulent representations in the practice of the profession.

25.2(6) Habitual intoxication or addiction to the use of drugs.

- a. The inability of a licensee to practice with reasonable skill and safety by reason of the excessive use of alcohol on a continuing basis.
- b. The excessive use of drugs which may impair a licensee’s ability to practice with reasonable skill or safety.

25.2(7) Obtaining, possessing, attempting to obtain or possess, or administering controlled substances without lawful authority.

25.2(8) Falsification of client records.

25.2(9) Acceptance of any fee by fraud or misrepresentation.

25.2(10) Negligence in the practice of the profession. 25.2(11) Being convicted of an offense that directly relates to the duties and responsibilities of the profession. A conviction includes a guilty plea, including Alford and nolo contendere pleas, or a finding or verdict of guilt, even if the adjudication of guilt is deferred, withheld, or not entered. A copy of the guilty plea or order of conviction constitutes conclusive evidence of conviction. 25.2(12) Violation of a regulation, rule, or law of this state, another state, or the United States, which relates to the practice of barbering.

25.2(13) Revocation, suspension, or other disciplinary action taken by the professional licensing authority of this state or another state, territory, or country; or failure to report such action within 30 days of the final action by such licensing authority. A stay by an appellate court shall not negate this requirement; however, if such disciplinary action is overturned or reversed by a court of last resort, such report shall be expunged from the records of the board.

25.2(14) Failure of a licensee or an applicant for licensure in this state to report any voluntary agreements restricting the individual's practice in another state, district, territory or country.
