CHAPTER 1  
ORGANIZATION AND ADMINISTRATION

[Prior to 2/20/02, see 193F—Chapters 2, 9 and 11]

**193F—1.1(543D) Description.**

**1.1(1)** The purpose of the real estate appraiser examining board is to administer and enforce the provisions of Iowa Code chapter 543D (Iowa Voluntary Appraisal Standards and Appraiser Certification Law of 1989) with regard to the appraisal of real property in the state of Iowa, including the examination of candidates and issuance of certificates and registrations; investigation of alleged violations and infractions of the appraisal standards and appraiser certification law; and the disciplining of appraisers. The importance of the role of the appraiser places ethical and professional standards on those who serve in this capacity. To this end, the board has promulgated these rules and has adopted the Uniform Standards of Professional Appraisal Practice (USPAP) to clarify the board's intent and procedures and to promote and maintain a high level of public trust in professional appraisal practice.

**1.1(2)** All official communications, including submissions and requests, should be addressed to the board at its official address, 200 E. Grand Avenue, Suite 350, Des Moines, Iowa 50309.

**1.1(3)** All board action under Iowa Code chapter 543D and 193F—Chapter 17 shall be taken under the supervision of the superintendent, as provided in Iowa Code section 543D.23 and the implementing rules set forth herein.

[ARC 1467C, IAB 5/28/14, effective 7/2/14; ARC 2808C, IAB 11/9/16, effective 1/1/17; ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—1.2(543D) Administrative authority.**

**1.2(1)** The superintendent is vested with authority to review, approve, modify, or reject all board action pursuant to Iowa Code chapter 543D and 193F—Chapter 17. The superintendent may exercise all authority conferred upon the board and shall have access to all records and information to which the board has access. In supervising the board, the superintendent shall independently evaluate the substantive merits of recommended or proposed board actions which may be anticompetitive.

**1.2(2)** In performing its duties and in exercising its authority under Iowa Code chapter 543D and 193F—Chapter 17, the board may take action without preclearance by the superintendent if the action is ministerial or nondiscretionary. As used in this chapter, “ministerial or nondiscretionary” shall include any action expressly required by state or federal law, rule, or regulation; by the AQB; or by the appraisal subcommittee. The board may, for example, grant or deny an application for initial or reciprocal certification as a real estate appraiser, an application for registration as an associate real estate appraiser, or an application for a temporary practice permit by an out-of-state appraiser, on any ground expressly required by state or federal law, rule, or regulation; by the AQB; or by the appraisal subcommittee.

**1.2(3)** Prior to taking discretionary action under Iowa Code chapter 543D and 193F—Chapter 17, the board shall secure approval of the superintendent if the proposed action is or may be anticompetitive, as provided in 193F—Chapter 17. As used in this chapter, “discretionary” shall include any action that is authorized but not expressly required by state or federal law, rule, or regulation; by the AQB; or by the appraisal subcommittee. Examples of discretionary action include orders in response to petitions for rule making, declaratory orders, or waivers or variances from rules, rule making, disciplinary proceedings against licensees, administrative proceedings against unlicensed persons, or any action commenced in the district court.

**1.2(4)** Determining whether any particular action is or may be anticompetitive is necessarily a fact-based inquiry dependent on a number of factors, including potential impact on the market or restraint of trade. With respect to disciplinary actions, for instance, a proceeding against a single licensee for violating appraisal standards would not have an impact on the broader market and would accordingly not be an anticompetitive action. Commencement of disciplinary proceedings which affect all or a substantial subset of appraisers may have a significant market impact. When in doubt as to whether a proposed discretionary action is or may be anticompetitive, the board may submit the proposed action through the preclearance procedures outlined in 193F—Chapter 17.

**1.2(5)** A person aggrieved by any final action of the board taken under Iowa Code chapter 543D or 193F—Chapter 17 may appeal that action to the superintendent within 20 days of the date the board issues the action.

*a.* The appeal process applies whether the board action at issue was ministerial or nondiscretionary, or discretionary, and whether the proposed action was or was not submitted through a preclearance process before the superintendent.

*b.* No person aggrieved by a final action of the board may seek judicial review of that action without first appealing the action to the superintendent, as more fully described in 193F—Chapter 17.

*c.* Final board action which is ministerial or nondiscretionary is immediately effective when issued by the board but is subject to appeal to the superintendent.

*d.* Records, filings, and requests for public information. Unless otherwise provided by rule of the board, final board action which is discretionary shall be effective upon the expiration of 20 days following issuance of the board's action if not timely reviewed by or appealed to the superintendent or upon final action by the superintendent if timely reviewed or appealed.

[ARC 1467C, IAB 5/28/14, effective 7/2/14; ARC 2808C, IAB 11/9/16, effective 1/1/17; ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—1.3(543D) Annual meeting.** The annual meeting of the board shall be the first meeting scheduled after April 30. At this time, the chairperson and vice chairperson shall be elected to serve until their successors are elected.

[ARC 1467C, IAB 5/28/14, effective 7/2/14]

**193F—1.5(543D) Executive officer's duties.**

**1.5(1)** The executive officer shall cause complete records to be kept of applications for examination and registration, certificates and permits granted, and all necessary information in regard thereto.

**1.5(2)** The executive officer shall determine when the legal requirements for certification and registration have been satisfied with regard to issuance of certificates or registrations, and the executive officer shall submit to the board any questionable application.

**1.5(3)** The executive officer shall keep accurate minutes of the meetings of the board. The executive officer shall keep a list of the names of persons issued certificates as certified general real property appraisers, certified residential real property appraisers and associate real property appraisers.

**193F—1.6(543D) Records, filings, and requests for public information.** Unless otherwise specified by the rules of the department of commerce, the board is the principal custodian of its own agency orders, statements of law or policy issued by the board, legal documents, and other public documents on file with the board.

**1.6(1)** Any person may examine public records promulgated or maintained by the board at its office during regular business hours as specified in 193F—Chapter 25.

**1.6(2)** Records, documents and other information may be gathered, stored, and available in electronic format. Information, various forms, documents, and the law and rules may be reviewed or obtained anytime by the public from the board's Internet website located at [idob.state.ia.us/reap](http://idob.state.ia.us/reap).

**1.6(3)** Deadlines. Unless the context requires otherwise, any deadline for filing a document shall be extended to the next working day when the deadline falls on a Saturday, Sunday, or official state holiday.

concerning such rule. Such written comments or requests to make oral presentations shall be filed with the board at its official address and shall clearly state:

*a.* The name, address, and telephone number of the person or agency authoring the comment or request;

*b.* The number and title of the proposed rule, which is the subject of the comment or request as given in the Notice of Intended Action;

*c.* The general content of the oral presentation. A separate comment or request to make an oral presentation shall be made for each proposed rule to which remarks are to be asserted.

**1.7(2)** The receipt and acceptance for consideration of written comments and requests to make oral presentations shall be acknowledged by the board.

**1.7(3)** Written comments received after the deadline set forth in the Notice of Intended Action may be accepted by the board although their consideration is not assured. Requests to make an oral presentation received after the deadline shall not be accepted and shall be returned to the requester.

**1.18(1)** The real estate appraiser examining board is a state appraiser certifying agency in compliance with Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA). As a result, persons who are issued certificates by the board to practice as certified real estate appraisers are authorized under federal law to perform appraisal services for federally related transactions and are identified as such in the National Registry maintained by the Appraisal Subcommittee (ASC).

**1.18(2)** The board must adhere to the criteria established by the Appraiser Qualifications Board (AQB) of the Appraisal Foundation when registering associate appraisers or certifying certified appraisers under Iowa Code chapter 543D.

**1.19(2)** The May 1, 2018, criteria were adopted by the AQB in 2018 and have been widely disseminated, including on the board's website at: [idob.state.ia.us/reap/](http://idob.state.ia.us/reap/). The May 1, 2018, criteria modify the conditions under which applicants for certification are eligible to take the required examinations.

**1.20(1)** *Summary of registration requirements for registration as an associate.* The associate appraiser and supervisory appraiser provisions are more fully set out in 193F—Chapters 4 and 15, respectively. Before submitting an application for registration with the board, a person seeking registration as an associate appraiser must complete 75 hours of appraisal education and secure a qualified supervisory appraiser. An associate appraiser applicant who submits an application to the board office must have completed all required qualifying education and the supervisory appraiser/associate coursework prior to submitting an application for registration.

**1.20(2)** *Summary of certification requirements.* As more fully set out in 193F—Chapters 3, 5, and 6, a person who is in the process of completing the education, experience, and examination required for certification as a certified appraiser may not submit an application for certification to the board until all prerequisites have been satisfactorily completed. The prerequisites include the following: qualifying college and core criteria appraiser education, qualifying examination, 2,500 hours of qualifying experience in a minimum of 24 months for residential appraisers or 3,000 hours of qualifying experience in a minimum of 30 months for general appraisers, and work product review. Work product review requires numerous steps, as provided in 193F—5.6(543D) and 193F—6.6(543D). The work product review process includes the applicant's submission of a work product experience log to the board; the board's selection of three appraisals to review; communication of the selected appraisals to the applicant; the applicant's submission of the three appraisals and associated work files to the board in electronic and paper formats; review of the appraisals and work files by a reviewer retained by the board; the reviewer's submission of review reports to the board; a meeting between the applicant and the board's work product review committee; a formal board vote at a board meeting; and communication of approval, denial, or deferral to the applicant. All of these steps must be completed before an applicant with approved work product can submit an application for certification to the board office.

**193F—1.21(543D) National criminal history check.** Effective January 1, 2017, all applicants for any of the classifications listed in 193F—1.17(543D) must satisfactorily complete a national criminal history check as provided in Iowa Code section 543D.22 as a condition of registration as an associate real property appraiser or certification as a residential or general real property appraiser. The applicant shall authorize release of the results of the criminal history check to the board. Unless the criminal history check was completed within 180 calendar days prior to the date the license application is received by the board, the board shall reject and return the application to the applicant.

**193F—1.22(272C,543D) Process for board review of eligibility.**

**1.22(1)** Before applying for registration as an associate appraiser or certification as a certified appraiser, a person with a criminal history or other background matters that may impair registration or

certification may request that the board evaluate the prospective applicant's criminal history or other background matters by submitting a written request to the board. Upon receiving such a request, the board may request additional supporting materials.

**1.22(2)** Requests will be processed under the same standards as applications for registration or certification in order to inform the prospective applicant whether any of the disclosed information is or may be a bar to future registration or certification. In responding to a request, the board shall address only the offenses or matters listed in the request. The board's response will be based upon the laws, rules, and guidelines in effect at the time of the board's response, including the guidelines and policies promulgated by the AQB or ASC.

**1.22(3)** If the information supplied is not accurate or is incomplete, or if applicable laws, rules, or guidelines change or are impacted by intervening board orders or case law, the board's response shall not be binding on a future board.

CHAPTER 3  
GENERAL PROVISIONS FOR EXAMINATIONS

**193F—3.1(543D) Types of appraiser certificates.** Rescinded IAB 5/20/09, effective 6/24/09.

**193F—3.2(543D) Examinations.** Examinations for certified residential real property appraisers and certified general real property appraisers shall be AQB-endorsed and administered by the board or its authorized representative as often as the board deems necessary, but not less than one time per year.

**3.2(1) Disclosure of confidential information.** Members of the board shall not disclose a final examination score to any person other than the person who took the examination. Persons who take the examination may consent to the publication of their names on a list of passing candidates.

Other information relating to the examination results, including the specific grades by subject matter, shall be given only to the person who took the examination, except that the board may:

*a.* Disclose the specific grades by subject matter to the regulatory authority of any other state or foreign country in connection with the candidate's application for a reciprocal certificate or license from the other state or foreign country, but only if requested by the candidate.

*b.* Disclose the specific grades by subject matter to educational institutions, professional organizations, or others who have a legitimate interest in the information provided in conjunction with the scores.

**3.2(2)** The board shall enter into a contractual relationship with a qualified testing service to develop and administer AQB-approved examinations and shall maintain control over the examination process.

**3.2(3) and 3.2(4)** Rescinded IAB 5/20/09, effective 6/24/09.

**3.2(5)** If an applicant who has passed an examination does not obtain the related appraiser credential within 24 months of passing the examination, that examination result loses its validity to support the issuance of an appraiser credential. To regain eligibility for the credential, the applicant must retake and pass the examination. This requirement applies to individuals obtaining an initial certified credential or upgrading to the certified general classification.

[ARC 7774B, IAB 5/20/09, effective 6/24/09; ARC 1731C, IAB 11/12/14, effective 12/17/14]

**193F—3.3(543D) Conduct of applicant.**

**3.3(1)** Any individual who subverts or attempts to subvert the examination process may, at the discretion of the board, have the individual's examination scores declared invalid for the purpose of certification in Iowa, be barred from the appraisal certification examinations in Iowa, or be subject to the imposition of other sanctions that the board deems appropriate.

**3.3(2)** Conduct that subverts or attempts to subvert the examination process includes, but is not limited to:

*a.* Conduct that violates the security of the examination materials, such as removing from the examination room any of the examination materials; reproducing or reconstructing any portion of the examination; aiding by any means in the reproduction or reconstruction of any portion of the examination; selling, distributing, buying, receiving, or having unauthorized possession of any portion of a future, current, or previously administered examination.

*b.* Conduct that violates the standard of test administration, such as communicating with any other examination candidate during the administration of the examination; copying answers from another candidate or permitting one's answers to be copied by another candidate during the examination; referencing any books, notes, written or printed materials or data of any kind, other than the examination materials distributed.

*c.* Conduct that violates the examination process, such as falsifying or misrepresenting educational credentials or other information required for admission to the examination; impersonating an examination candidate or having an impersonator take the examination on one's behalf.

**3.3(3)** Any examination candidate who challenges a decision of the board under this rule may request a contested case hearing pursuant to rule 193F—20.39(546,543D,272C). The request for hearing shall

be in writing, shall briefly describe the basis for the challenge, and shall be filed in the board's office within 30 days of the date of the board decision that is being challenged.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—3.4(543D) Application for certification.** Applicants for certification must successfully complete the appropriate examination.

**3.4(1)** All initial applications for certification or associate registration shall be made on forms provided by the board. The board may deny an application as described in Iowa Code sections 543D.12 and 543D.17. Specific examples of grounds for denial include knowingly making a false statement, submitting false information, refusing to provide complete information in response to a question in an application for certification, or participating in any form of fraud or misrepresentation; the revocation of another professional license; or a conviction, including a conviction based upon a plea of guilty or nolo contendere, of a crime which is substantially related to the qualifications, functions and duties of a person developing real estate appraisals and communicating real estate appraisals to others. The board may also deny an application based on disciplinary action taken against an associate appraiser registration.

**3.4(2)** A certificate or associate registration shall contain the applicant's name, appraiser classification, Iowa certificate number and the signature of the board chairperson.

**3.4(3)** An initial certificate shall not be issued until the applicant has demonstrated compliance with all required appraiser qualifications for certification, which include examination, core criteria, collegiate education, and real property appraiser experience pursuant to Iowa Code section 543D.9 and 193F—Chapter 5 or 6.

CHAPTER 4  
ASSOCIATE REAL PROPERTY APPRAISER  
[Prior to 2/20/02, see rule 193F—3.6(543D)]

**193F—4.1(543D) Qualifications to register as an associate appraiser.**

**4.1(1) Education.**

a. A person applying for registration as an associate appraiser shall, at a minimum, satisfactorily complete the following AQB-approved, qualifying education modules required under the educational standards applicable for certification as a certified residential appraiser or certified general appraiser:

- (1) The 30-hour module on basic appraisal principles;
- (2) The 30-hour module on basic appraisal procedures; and
- (3) The 15-hour national USPAP course or its equivalent.

b. The initial qualifying education must be completed no more than five years prior to the date of application.

**4.1(2) Training.** Prior to registration as an associate, a person must complete a course that complies with the specifications for course content established by the AQB specifically oriented to the requirements and responsibilities of supervisory appraisers and associate appraisers. The course must be completed before the person can obtain an associate credential. This course cannot be applied toward the required hours of qualifying or continuing education.

**4.1(3) Background check.** Effective January 1, 2017, a national criminal history check as provided in Iowa Code section 543D.22 shall be performed on any new associate appraiser. The applicant shall authorize release of the results of the criminal history check to the board. Unless the criminal history check was completed within 180 calendar days prior to the date the license application is received by the board, the board shall reject and return the application to the applicant.

**4.1(4) Application form.** After completing the education outlined in subrules 4.1(1) and 4.1(2), a person applying for registration as an associate appraiser shall apply for registration on the form provided by the board. The form and the appropriate application fee shall be submitted to the board.

**4.1(5) Registration denial.** The board may deny an application for registration as an associate appraiser on any ground upon which the board may impose discipline against an associate appraiser, as provided in 193F—Chapter 7.

[ARC 1731C, IAB 11/12/14, effective 12/17/14; ARC 3084C, IAB 5/24/17, effective 6/28/17; ARC 4169C, IAB 12/5/18, effective 1/9/19]

**193F—4.2(543D) Supervision of associate appraisers.**

**4.2(1) Direct supervision.** An associate appraiser is subject to the direct supervision of a certified real property appraiser. Qualifications for a supervisory appraiser are outlined in 193F—Chapter 15. An associate appraiser may be supervised by more than one supervisory appraiser.

**4.2(2) Scope of practice.** The scope of practice of an associate appraiser is the same as the scope of practice of the supervisory appraiser. An associate appraiser supervised by a certified residential appraiser shall accordingly be restricted to the scope of practice of a certified residential appraiser, while an associate appraiser supervised by a certified general appraiser shall be subject to the same scope of practice as a certified general appraiser.

**4.2(3) Logs.** An associate appraiser shall maintain an appraisal experience log that includes all information required by the AQB as a precondition for certification and shall maintain the log contemporaneously with the performance of supervised real property appraisal services. Every log page shall have the signatures of the associate appraiser and supervisory appraiser, the state certification number of the supervisory appraiser, and the date of signature. Required log entries shall, at a minimum, include the following for each appraisal:

- a. Type of property;
- b. Date of report;
- c. Address of appraised property;
- d. Description of work performed by the associate appraiser and scope of review and supervision of the supervisory appraiser; and

e. Number of actual work hours by the associate on the assignment.

**4.2(4) Monitoring of logs.** The associate appraiser shall have the appraisal log reviewed and signed by the supervisory appraiser at least monthly. Upon written request by the board, the associate appraiser and the supervisory appraiser shall submit a copy of the associate appraiser's log by letter or email within ten calendar days. The failure of an associate appraiser or supervisory appraiser to submit the requested log is a ground for disciplinary action. A separate appraisal log shall be maintained for each supervisory appraiser.

[ARC 1731C, IAB 11/12/14, effective 12/17/14]

**193F—4.3(543D) Renewal of associate appraiser registration.** An associate appraiser registration must be renewed on a biennial basis as more fully described in 193F—Chapter 9. An associate appraiser is subject to the same continuing education requirements as are applicable to a certified appraiser as a precondition for renewal. Continuing education requirements are outlined in 193F—Chapter 11.

**193F—4.4(543D) Progress toward certification as a certified residential appraiser or certified general appraiser.**

**4.4(1) Associate classification.** The associate appraiser classification is intended for those persons training to become certified appraisers and is not intended as a long-term method of performing appraisal services under the supervision of a certified appraiser in the absence of progress toward certification. As a result, the board may impose deadlines for achieving certification, or for satisfying certain prerequisites toward certification, for those persons who apply to renew an associate appraiser registration more than two times. Deadlines, if any, would be imposed as a condition for the third or subsequent renewal.

**4.4(2) Factors to consider.**

a. The board may consider the following noninclusive list of factors when deciding whether to impose a deadline for achieving certification:

- (1) An associate appraiser's access to the educational courses required for certification;
- (2) Whether the associate appraiser had completed the college requirement for certification in advance of registering as an associate appraiser or whether college coursework is in progress;
- (3) The associate appraiser's access to supervisory appraisers, the volume of the supervisory appraiser's practice, and the type of certification the associate is training to achieve; and
- (4) Such additional factors as may be relevant to the board's determination as to whether the associate appraiser is making good-faith progress toward certification.

b. While the board's policy is to work with associate appraisers and their supervisors in a cooperative manner, an associate appraiser who does not demonstrate good-faith progress toward certification shall be subject to the imposition of deadlines as described in subrule 4.4(1).

**4.4(3) Progress reports.** In order to assess an associate appraiser's progress toward certification, the board may request periodic progress reports from the associate appraiser and from the associate appraiser's supervisory appraiser or appraisers. Progress reports on the steps an associate appraiser has taken toward certification and the associate appraiser's plans for completing certification prerequisites shall be submitted to the board within ten calendar days of the board's written request. The failure of an associate appraiser or supervisory appraiser to submit the requested progress report is a ground for disciplinary action.

[ARC 1731C, IAB 11/12/14, effective 12/17/14]

**193F—4.5(543D) Applying for certification as a certified residential appraiser or certified general appraiser.** An associate appraiser may apply for certification as a certified residential real property appraiser by satisfying the requirements of 193F—Chapter 5, or as a certified general real property appraiser by satisfying the requirements of 193F—Chapter 6. The requirements for each type of certification include education, examination, and experience, which includes work product review.

[ARC 7774B, IAB 5/20/09, effective 6/24/09]

**193F—4.6(272C,543D) Reinstating or reactivating an associate registration.** In order to reinstate or reactivate an associate registration that has lapsed or been placed in inactive status for longer than 12

months, the applicant must complete all continuing education required for reinstatement pursuant to 193F—subrule 11.2(5). For purposes of this rule, in addition to the most recent edition of a seven-hour USPAP course, the board shall allow for continuing education only those courses that have been AQB-approved as qualifying education required for certification, as outlined in rules 193F—5.2(543D) and 193F—6.2(543D). The purpose of this requirement is to ensure that those associates reinstating a lapsed or inactive registration are progressing toward certification. Any qualifying education course taken under this rule as continuing education shall also apply as qualifying education toward certification. If the applicant has completed all qualifying education prior to applying to reinstate a lapsed or inactive associate registration, the applicant may use any approved continuing education course as provided in 193F—Chapter 11, in addition to the required seven-hour USPAP update course, toward the continuing education required for reinstatement.

[ARC 1731C, IAB 11/12/14, effective 12/17/14]

These rules are intended to implement Iowa Code chapters 543D and 272C.

The 200 creditable course hours, collegiate education, and all experience must be completed as specified in subrules 5.2(1) and 5.2(2) and rule 193F—5.4(543D) prior to the examination. For 5.2(2) “*c*,” equivalency shall be determined through the AQB Course Approval Program or by an alternate method established by the AQB. **5.3(3)** Responsibility for documenting the educational credits claimed rests with the applicant.

**5.3(4)** An applicant must supply the original examination scores when applying for certification. Copies of the scores will not be accepted.

**5.3(5)** If an applicant who has passed an examination does not obtain the related appraiser credential within 24 months after passing the examination, that examination result loses its validity to support issuance of an appraiser credential. To regain eligibility for the credential, the applicant must retake and pass the examination. This requirement applies to individuals obtaining an initial certified credential or upgrading from an associate credential.

**193F—5.4(543D) Supervised experience required for initial certification.** All experience required for initial certification pursuant to Iowa Code section 543D.9 shall be performed as a registered associate real property appraiser under the direct supervision of a certified real property appraiser pursuant to the provisions of 193F—Chapter 15.

**5.4(1) Acceptable experience.** The board will accept as qualifying experience the documented experience attained while the applicant for initial certification was in an educational program recognized by the Appraiser Qualifications Board and Appraisal Subcommittee as providing qualifying experience for initial certification, whether or not the applicant was registered as an associate real property appraiser at the time the educational program was completed. Such programs, if approved by federal authorities, will incorporate direct supervision by a certified real property appraiser and such additional program features as to satisfy the purpose of requiring that qualifying experience be attained by the applicant as an associate real property appraiser.

**5.4(2) Exceptions.**

*a.* Applicants for initial certification in Iowa who request that the board approve experience performed in the absence of registration as an associate real property appraiser may file an application for approval on a form provided by the board. The burden shall be on the applicant to establish by clear and convincing evidence all of the following:

(1) The experience is qualifying experience under the substantive and documentation standards of the Appraiser Qualifications Board and Appraisal Subcommittee.

(2) Denial of the application would impose an undue hardship on the applicant.

(3) The nature of the experience attained is qualitatively and substantially equivalent to the experience an associate real property appraiser would receive under the direct supervision of a certified real property appraiser pursuant to the standards established in 193F—Chapter 15.

(4) Approval of the application would foster the board's goal of fair and consistent treatment of applicants.

(5) A basis exists beyond the individual control of the applicant to explain why the experience at issue could not have been attained by the applicant as an associate real property appraiser under the direct supervision of a certified real property appraiser.

*b.* Among the circumstances the board may consider favorably in ruling on an application for approval of unsupervised experience or experience attained by the applicant in the absence of registration as an associate real property appraiser are:

(1) The experience was attained in a jurisdiction that, at the time, did not register associate real property appraisers or otherwise offer an associate, trainee or equivalent category of certification.

(2) The applicant attained the experience while employed in a county assessor's office engaged in mass appraisals, and the experience would otherwise qualify under applicable federal standards.

**193F—5.5(543D) Demonstration of experience.** The experience necessary for certification pursuant to Iowa Code section 543D.9 must meet the requirements of this rule. The objective of the demonstration of experience is to ensure that, before the applicant is issued a certificate, the applicant has obtained sufficient diversified experience to perform an appraisal.

**5.5(1)** The applicant shall provide to the board an appraisal log that includes all information required by the AQB as a precondition for certification and shall maintain the log contemporaneously with the performance of supervised real property appraisal services. The appraisal log shall, at a minimum, include all information as described in 193F—subrule 4.2(3).

**5.5(2)** The applicant shall accumulate a total of 1,500 hours of residential appraisal experience in no fewer than 12 months while in active status. While the hours may be cumulative, the 12 months must have elapsed before the applicant can apply to take the examination. Experience claimed must have been performed in compliance with USPAP in which the appraiser demonstrates proficiency in appraisal principles methodology, procedures and reporting conclusions. Acceptable appraisal experience includes, but is not limited to, the following:

- a.* Fee and staff appraisal;
- b.* Ad valorem tax appraisal;
- c.* Review appraisal;
- d.* Appraisal analysis;
- e.* Appraisal consulting;
- f.* Highest and best use analysis; and
- g.* Feasibility analysis/study.

**5.5(3)** The types of experience set out in 5.5(2) are intended neither to exclude other sorts of appraisal experience nor to prescribe a specified minimum array of experience. However, an applicant who cannot demonstrate a background of experience of the diversity manifested by this rule shall bear the burden of showing that the applicant's experience is of sufficient quality and diversity to fulfill the objective of the demonstration of experience.

**5.5(4)** An applicant may be required to appear before the board or its representative to supplement or verify evidence of experience, which shall be in the form of written reports or file memoranda.

**5.5(5)** The board may require inspection, by the board itself or by its representatives, of documentation relating to an applicant's claimed experience. Such inspection may be made at the board's offices or such other place as the board may designate.

[ARC 7774B, IAB 5/20/09, effective 6/24/09; ARC 1731C, IAB 11/12/14, effective 12/17/14; ARC 4169C, IAB 12/5/18, effective 1/9/19]

**193F—5.6(543D) Work product review.**

**5.6(1)** An applicant shall submit a complete appraisal log at the time of application for examination and work product review. The board will select three appraisals for work product review and request that the applicant submit four paper copies of each report and four paper copies of each work file in addition to an electronic format requested by the board for each of the selected appraisals along with the appropriate form and fee. The fee for work product review of the appraisals is provided in 193F—Chapter 12. The board may select the appraisals at random from the entire log or within certain types of appraisals. The board reserves the right to request one or more additional appraisals if those submitted by the applicant raise issues concerning the applicant's competency or compliance with applicable appraisal standards or

the degree to which the submitted appraisals are representative of the applicant's work product. Such additional appraisals may be selected at random from the applicant's log or may be selected specifically to provide an example of the applicant's work product regarding a particular type of appraisal.

**5.6(2)** The board shall treat all appraisals received as public records unless the applicant notifies the board at the time of submission that a submitted appraisal is subject to the confidentiality provisions of appraisal standards or is otherwise confidential under state or federal law. While applicants are encouraged to submit appraisals actually performed for clients, applicants may submit one or more demonstration appraisals if the appraisals are prepared based on factual information in the same manner as applicable to actual appraisal assignments and are clearly marked as demonstration appraisals.

**5.6(3)** An applicant seeking to upgrade to a certified residential real property appraiser shall submit three residential appraisals for review.

**5.6(4)** The board will submit the appraisals to a peer review consultant for an opinion on the appraiser's compliance with applicable appraisal standards.

**5.6(5)** The work product review process is not intended as an endorsement of an applicant's work product. No applicant or appraiser shall represent the results of work product review in communications with a client or in marketing to potential clients in a manner which falsely portrays the board's work product review as an endorsement of the appraiser or the appraiser's work product. Failure to comply with this prohibition may be grounds for discipline as a practice harmful or detrimental to the public.

**5.6(6)** The board views work product review, in part, as an educational process. While the board may deny an application based on an applicant's failure to adhere to appraisal standards or otherwise demonstrate a level of competency upon which the public interest can be protected, the board will attempt to work with applicants deemed in need of assistance to arrive at a mutually agreeable remedial plan. A remedial plan may include additional education, desk review, a mentoring program, or additional precertification experience.

**5.6(7)** An applicant who is denied certification based on the work product review described in this rule, or on any other ground, shall be entitled to a contested case hearing as provided in rule 193F—20.39(546,543D,272C). Notice of denial shall specify the grounds for denial, which may include any of the work performance-related grounds for discipline against a certified appraiser.

**5.6(8)** If probable cause exists, the board may open a disciplinary investigation against a certificate holder based on the work product review of an applicant. A potential disciplinary action could arise, for example, if the applicant is a certified residential real property appraiser seeking an upgrade to a certified general real property appraiser, or where the applicant is uncertified and is working under the supervision of a certified real property appraiser who cosigned the appraisal report.

**5.6(9)** After accumulating a minimum of 500 hours of appraisal experience, an applicant may voluntarily submit work product to the board to be reviewed by a peer reviewer for educational purposes only. A maximum of three reports may be submitted for review during the experience portion of the certification process. The fee for voluntary submissions of work product for review is provided in 193F—Chapter 12.

**5.6(10)** The board will retain the appraisals for as long as needed as documentation of the board's actions for the Appraisal Subcommittee or as needed in a pending proceeding involving the work product of the applicant or the applicant's supervisor. When no longer needed for such purposes, the work product may be retained or destroyed at the board's discretion.

**5.6(11)** Upon successful completion of the work product review process, an applicant will have 60 days to submit an application. All applications filed must meet the current AQB criteria.

**5.7(5) Background check.** Effective January 1, 2017, a national criminal history check as provided in Iowa Code section 543D.22 shall be performed on any appraiser upgrading to a certified general real property appraiser. **6.6(1)** An applicant shall submit a complete appraisal log at the time of application for examination and work product review. The board will then select three appraisals for work product review and request that the applicant submit four paper copies of each report and four paper copies of each work file in addition to an electronic format requested by the board for each of the selected appraisals along with the appropriate form and fee. The fee for work product review of the appraisals is provided in 193F—Chapter 12. The board may select the appraisals at random from the entire log or within certain types of appraisals. The board reserves the right to request one or more additional appraisals if those submitted by the applicant raise issues concerning the applicant's competency or compliance with applicable appraisal standards or the degree to which the submitted appraisals are representative of the applicant's work product. Such additional appraisals may be selected at random from the applicant's log or may be

selected specifically to provide an example of the applicant's work product regarding a particular type of appraisal.

**6.6(2)** The board shall treat all appraisals received as public records unless the applicant notifies the board at the time of submission that a submitted appraisal is subject to the confidentiality provisions of appraisal standards or is otherwise confidential under state or federal law. While applicants are encouraged to submit appraisals actually performed for clients, applicants may submit one or more demonstration appraisals if the appraisals are prepared based on factual information in the same manner as applicable to actual appraisal assignments and are clearly marked as demonstration appraisals.

**6.6(3)** An applicant seeking original or upgrade certification as a certified general real property appraiser shall submit one residential appraisal and two nonresidential appraisals for review.

**6.6(4)** The board, or a committee of the board, will evaluate the submitted work product. The board will submit the appraisals to a peer review consultant for an opinion on the appraiser's compliance with applicable appraisal standards.

**6.6(5)** The work product review process is not intended as an endorsement of an applicant's work product. No applicant or appraiser shall represent the results of work product review in communications with a client or in marketing to potential clients in a manner which falsely portrays the board's work product review as an endorsement of the appraiser or the appraiser's work product. Failure to comply with this prohibition may be grounds for discipline as a practice harmful or detrimental to the public.

**6.6(6)** The board views work product review, in part, as an educational process. While the board may deny an application based on an applicant's failure to adhere to appraisal standards or otherwise demonstrate a level of competency upon which the public interest can be protected, the board will attempt to work with applicants deemed in need of assistance to arrive at a mutually agreeable remedial plan. A remedial plan may include additional education, desk review, a mentoring program, or additional precertification experience.

**6.6(7)** An applicant who is denied certification based on the work product review described in this rule, or on any other ground, shall be entitled to a contested case hearing as provided in rule 193F—20.39(546,543D,272C). Notice of denial shall specify the grounds for denial, which may include any of the work performance-related grounds for discipline against a certified appraiser.

**6.6(8)** If probable cause exists, the board may open a disciplinary investigation against a certificate holder based on the work product review of an applicant. A potential disciplinary action could arise, for example, if the applicant is a certified residential real property appraiser seeking an upgrade to a certified general real property appraiser, or where the applicant is uncertified and is working under the supervision of a certified real property appraiser who cosigned the appraisal report.

**6.6(9)** After accumulating a minimum of 500 hours of appraisal experience, an applicant may voluntarily submit work product to the board to be reviewed by a peer reviewer for educational purposes only. A maximum of three reports may be submitted for review during the experience portion of the certification process. The fee for voluntary submissions of work product for review is provided in 193F—Chapter 12.

**6.6(10)** The board will retain the appraisals for as long as needed as documentation of the board's actions for the Appraisal Subcommittee or as needed in a pending proceeding involving the work product of the applicant or the applicant's supervisor. When no longer needed for such purposes, the work product may be retained or destroyed at the board's discretion.

**6.6(11)** Upon successful completion of the work product review process, an applicant will have 60 days to submit an application. All applications filed must meet current AQB criteria.

**193F—6.7(543D) Background check.** Effective January 1, 2017, a national criminal history check as provided in Iowa Code section 543D.22 shall be performed on any appraiser upgrading to a new credential. The applicant shall authorize release of the results of the criminal history check to the board.

Unless the criminal history check was completed within 180 calendar days prior to the date the license application is received by the board, the board shall reject and return the application to the applicant.

CHAPTER 7  
DISCIPLINARY ACTIONS AGAINST CERTIFIED AND  
ASSOCIATE APPRAISERS

**193F—7.1(17A,272C,543D) Disciplinary authority.** The board is empowered to administer Iowa Code chapters 17A, 272C, and 543D and related administrative rules for the protection and well-being of those persons who may rely upon registered associate appraisers or certified real property appraisers for the performance of real property appraisal services within this state and for clients in this state. To perform these functions, the board is broadly vested with authority to review and investigate alleged acts or omissions of registered associate appraisers and certified real property appraisers to determine whether disciplinary proceedings are warranted, to initiate and prosecute disciplinary proceedings, to establish standards of professional conduct, and to impose discipline pursuant to Iowa Code sections 17A.13, 272C.3 to 272C.6 and 272C.10, and Iowa Code chapter 543D.

**193F—7.2(543D) Standards of practice.** The standards of practice governing all real property appraisal activities shall be the Uniform Standards of Professional Appraisal Practice, including Provisions, Rules, Comments, and Statements, as promulgated by the Appraisal Standards Board of the Appraisal Foundation. All registered associate appraisers and certified real property appraisers shall comply with the USPAP edition applicable to each appraisal assignment.

**193F—7.3(17A,272C,543D) Grounds for discipline.** The board may initiate disciplinary action against a registered associate appraiser or a certified real property appraiser based on any one or more of the following grounds:

**7.3(1) *Fraud in procuring a registration or certificate.*** Fraud in procuring or attempting to procure a registration or certificate includes an intentional perversion of the truth when making application for an initial, renewal, reciprocal, or temporary registration or certificate to practice in this state, including:

- a. False representation of a material fact, whether by word or by conduct, by false or misleading allegation, or by concealment of that which should have been disclosed;
- b. Attempting to file or filing with the board any false or forged diploma, course certificate, identification, credential, license, registration, certification, examination report, affidavit, or other record;
- c. Failing or refusing to provide complete information in response to a question on an application for initial or renewal registration or certification; or
- d. Otherwise participating in any form of fraud or misrepresentation by act or omission.

**7.3(2) *Professional incompetence.*** Professional incompetence includes, but is not limited to:

- a. A substantial lack of knowledge or ability to discharge professional obligations within the scope of practice.
- b. A substantial deviation from the standards of learning or skill ordinarily possessed and applied by other practitioners in the state of Iowa acting in the same or similar circumstances.
- c. A failure to exercise the degree of care which is ordinarily exercised by the average practitioner acting in the same or similar circumstances.
- d. Failure to conform to the minimal standards of acceptable and prevailing practice of registered associate appraisers or certified real property appraisers in this state.
- e. A willful, repeated, or material deviation from USPAP standards, or other act or omission that demonstrates an inability to safely practice in a manner protective of the public's interest, including any violation of USPAP's COMPETENCY RULE.

**7.3(3) *Deceptive practices.*** Deceptive practices are grounds for discipline, whether or not actual injury is established, and include:

- a. Knowingly making misleading, deceptive, untrue or fraudulent representations in the practice of real property appraising.
- b. Use of untruthful or improbable statements in advertisements. Use of untruthful or improbable statements in advertisements includes, but is not limited to, an action by a registrant or certificate holder

in making information or intention known to the public which is false, deceptive, misleading or promoted through fraud or misrepresentation.

*c.* Acceptance of any fee by fraud or misrepresentation, or in violation of Iowa Code section 543D.18(2).

*d.* Falsification of business records or appraisal logs through false or deceptive representations or omissions.

*f.* Making any false or misleading statement in support of an application for registration or certification submitted by another.

*g.* Knowingly presenting as one's own a certificate or registration, certificate or registration number, or signature of another or of a fictitious registrant or certificate holder, or otherwise falsely impersonating a certified appraiser or registered associate appraiser.

*h.* Representing oneself as a registered associate appraiser or certified appraiser when one's registration or certificate has been suspended, revoked, surrendered, or placed on inactive status, or has lapsed.

*i.* Permitting another person to use the registrant's or certificate holder's registration or certificate for any purposes.

*j.* Fraud in representations as to skill or ability.

*k.* Misrepresenting a specialized service as an appraisal assignment in violation of Iowa Code section 543D.18(3) or (5).

**7.3(4) *Unethical, harmful or detrimental conduct.*** Registrants and certificate holders engaging in unethical conduct or practices harmful or detrimental to the public may be disciplined whether or not injury is established. Behaviors and conduct which are unethical, harmful or detrimental to the public may include, but are not limited to, the following actions:

*a.* A violation of 2007 Iowa Acts, Senate File 137, section 5 (improper influence of an appraisal assignment).

*b.* Verbal or physical abuse, improper sexual contact, or making suggestive, lewd, lascivious, offensive or improper remarks or advances, if such behavior occurs within the practice of real property appraising or if such behavior otherwise provides a reasonable basis for the board to conclude that such behavior within the practice of real estate appraising would place the public at risk.

*c.* Engaging in a professional conflict of interest, or otherwise violating the public trust, as provided in Iowa Code section 543D.18(1) as amended by 2007 Iowa Acts, Senate File 137, section 3, and in USPAP's ETHICS RULE.

*d.* Any act, conduct, or condition, including lack of education or experience and careless or intentional acts or omissions, that demonstrates a lack of qualifications which are necessary to ensure a high standard of professional care as provided in Iowa Code section 272C.3(2) "b," or that impairs a practitioner's ability to safely and skillfully practice the profession.

*e.* Failure to meet the minimum qualifications for registration as an associate appraiser or certification as a certified real property appraiser.

*f.* Practicing outside the scope of a residential certification, or outside the scope of a supervisor's residential certification.

**7.3(6) *Negligence by the registrant or certificate holder in the practice of the profession.*** Negligence by the registrant or certificate holder in the practice of the profession includes:

*a.* Failure or refusal without good cause to exercise reasonable diligence in developing an appraisal, preparing an appraisal report, or communicating an appraisal.

*b.* A failure to exercise due care including negligent delegation of duties to or supervision of associate appraisers, or other employees, agents, or persons, in developing an appraisal, preparing an appraisal report, or communicating an appraisal, whether or not injury results.

*c.* Neglect of contractual or other duties to a client.

*c.* Engaging in any conduct that subverts or attempts to subvert a board investigation, or failure to fully cooperate with a disciplinary investigation of the registrant or certificate holder or with a disciplinary investigation of persons who are not registrants or certificate holders, including failure to comply with a subpoena issued by the board or to respond to a board inquiry within 30 calendar days of the date of mailing by certified mail of a written communication directed to the registrant's or certificate holder's last address on file at the board office.

*d.* Revocation, suspension, or other disciplinary action taken by a licensing authority of this state or another state, territory, or country. A stay by an appellate court shall not negate this requirement; however, if such disciplinary action is overturned or reversed by a court of last resort, discipline by the board based solely on such action shall be vacated.

*e.* A violation of Iowa Code section 543D.18 as amended by 2007 Iowa Acts, Senate File 137, section 4 (disclosure of significant real property appraisal assistance), or Iowa Code section 543D.18(6).

*g.* Failure to retain records as provided in Iowa Code section 543D.19.

*h.* Violation of the terms of an initial agreement with the impaired practitioner review committee or violation of the terms of an impaired practitioner recovery contract with the impaired practitioner review committee.

*f.* Failure to report to the board the appraiser's principal place of business and any change in the appraiser's principal place of business within 10 calendar days of such change; or failure to report to the board all other addresses at which the appraiser engages in the business of preparing real estate appraisal reports, or any change in such information, within 30 calendar days of such occurrence or change.

*g.* Failure of an associate appraiser or supervisor to timely respond to board requests for information, as provided in 193F—Chapter 4.

**7.3(10)** *Failure to comply with board order.* Failure to comply with the terms of a board order or the terms of a settlement agreement or consent order, or other decision of the board imposing discipline.

Any crime involving deception, dishonesty or disregard for the safety of others shall be deemed substantially related to the practice of real property appraising. A copy of the record of conviction or plea of guilty shall be conclusive evidence. "Conviction" shall include any plea of guilty or nolo contendere, including Alford pleas, or finding of guilt whether or not judgment or sentence is deferred, and whether or not the conviction is on appeal. If such conviction is overturned or reversed by a court of last resort, discipline by the board based solely on the conviction shall be vacated.

These rules are intended to implement Iowa Code chapters 17A, 272C and 543D and 2007 Iowa Acts, Senate File 137.

CHAPTER 8  
INVESTIGATIONS AND DISCIPLINARY PROCEDURES

**193F—8.1(272C,543D) Disciplinary action.** The real estate appraiser examining board has authority pursuant to Iowa Code chapters 543D, 17A and 272C to impose discipline for violations of these Iowa Code chapters and the rules promulgated thereunder.

**193F—8.2(17A,272C,543D) Initiation of disciplinary investigations.** The board may initiate a licensee disciplinary investigation upon the board's receipt of information suggesting that a licensee may have violated a law or rule enforced by the board which, if true, would constitute grounds for licensee discipline.

**193F—8.3(272C,543D) Sources of information.** Without limitation, the following nonexclusive list of information sources may form the basis for the initiation of a disciplinary investigation or proceeding:

1. News articles or other media sources.
2. General or random review of publicly available work product.
3. Reports filed with the board by the commissioner of insurance pursuant to Iowa Code subsection 272C.4(9).
4. Complaints filed with the board by any member of the public.
5. License applications or other documents submitted to the board, including appraisal logs and appraisal reports.
6. Reports to the board from any regulatory or law enforcement agency from any jurisdiction.
7. Board audits of licensee compliance with conditions for licensure, such as continuing education or qualifying experience.

**193F—8.4(17A,272C,543D) Conflict of interest.** If the subject of a complaint is a member of the board, or if a member of the board has a conflict of interest in any disciplinary matter before the board, that member shall abstain from participation in any consideration of the complaint and from participation in any disciplinary hearing that may result from the complaint.

**193F—8.5(272C,543D) Complaints.** Written complaints may be submitted to the board office by mail, E-mail, facsimile or personal delivery by members of the public, including clients, business organizations, lenders, governmental bodies, licensees, or other individuals or entities with knowledge of possible law or rule violations by licensees.

**8.5(1) Contents of a written complaint.** Written complaints may be submitted on forms provided by the board that are available from the board office and on the board's Web site. Written complaints, whether submitted on a board complaint form or in other written media, shall contain the following information:

- a. The full name, address, and telephone number of the complainant (person complaining).
- b. The full name, address, and telephone number of the respondent (licensee against whom the complaint is filed).
- c. A statement of the facts and circumstances giving rise to the complaint, including a description of the alleged acts or omissions that the complainant believes demonstrate that the respondent has violated or is violating laws or rules enforced by the board.
- d. If known, citations to the laws or rules allegedly violated by the respondent.
- e. Evidentiary supporting documentation.
- f. Steps, if any, taken by the complainant to resolve the dispute with the respondent prior to filing a complaint.

**8.5(2) Immunity.** As provided by Iowa Code section 272C.8, a person shall not be civilly liable as a result of filing a report or complaint with the board unless such act is done with malice, nor shall an employee be dismissed from employment or discriminated against by an employer for filing such a report or complaint.

**8.5(3) *Role of complainant.*** The role of the complainant in the disciplinary process is limited to providing the board with factual information relative to the complaint. A complainant is not party to any disciplinary proceeding which may be initiated by the board based in whole or in part on information provided by the complainant.

**8.5(4) *Role of the board.*** The board does not act as an arbiter of disputes between private parties, nor does the board initiate disciplinary proceedings to advance the private interest of any person or party. The role of the board in the disciplinary process is to protect the public by investigating complaints and initiating disciplinary proceedings in appropriate cases. The board possesses sole decision-making authority throughout the disciplinary process, including the authority to determine whether a case will be investigated, the manner of the investigation, whether a disciplinary proceeding will be initiated, and the appropriate licensee discipline to be imposed, if any.

**8.5(5) *Initial complaint screening.*** All written complaints received by the board shall be initially screened by the board's executive officer to determine whether the allegations of the complaint fall within the board's investigatory jurisdiction and whether the facts presented, if true, would constitute a basis for disciplinary action against a licensee. Complaints which are clearly outside the board's jurisdiction, which clearly do not allege facts upon which disciplinary action would be based, or which are frivolous shall be referred by the board's executive officer to the board for closure at the next scheduled board meeting. All other complaints shall be referred by the board's executive officer to the board's disciplinary committee for committee review as described in subrule 8.8(1).

**193F—8.6(272C,543D) Case numbers.** Whether based on written complaint received by the board or complaint initiated by the board, all complaint files shall be tracked by a case numbering system. Complaints are assigned case numbers in chronological order with the first two digits representing the year in which the complaint was received or initiated, and the second two digits representing the order in which the case file was opened (e.g., 01-01, 01-02, 01-03, etc.). The board's executive officer shall maintain a case file log noting the date each case file was opened, whether disciplinary proceedings were initiated in the case, and the final disposition of the case. Once a case file number is assigned to a complaint, all persons communicating with the board regarding that complaint are encouraged to include the case file number to facilitate accurate records and prompt response.

**193F—8.7(272C,543D,546) Confidentiality of complaint and investigative information.**

**8.7(1)** All complaint and investigative information received or created by the board is privileged and confidential pursuant to Iowa Code subsection 272C.6(4). Such information shall not be released to any person except as provided in that section and in this rule.

**8.7(2)** Disclosure to the subject of the investigation.

*a. Legal authority.* Pursuant to Iowa Code section 546.10(9), the board may, prior to the initiation of a disciplinary proceeding, supply to a licensee who is the subject of a disciplinary complaint or investigation all or such parts of a disciplinary complaint, disciplinary or investigatory file, report, or other information as the board in its sole discretion believes would aid the investigation or resolution of the matter.

*b. General rule.* As a matter of general policy, the board shall not disclose confidential complaint and investigative information to a licensee except as permitted by Iowa Code section 272C.6(4). Disclosure of a complainant's identity in advance of the filing of formal disciplinary charges, for instance, may adversely affect a complainant's willingness to file a complaint with the board.

*c. Exceptions to general rule.* The board may exercise its discretion to release to a licensee information that would otherwise be confidential under Iowa Code section 272C.6(4) under narrow circumstances, including but not limited to the following:

(1) Following a board determination that probable cause exists to file disciplinary charges against a licensee but prior to the issuance of the notice of hearing, the board may provide the licensee with a peer review report or investigative report or with expert opinions, as reasonably needed for the licensee to assess the merits of a settlement proposal.

(2) The board may release to a licensee who is the subject of a board-initiated investigation, including investigations initiated following the board's receipt of an anonymous complaint, such records or information as may aid the investigation or resolution of the matter.

(3) The board may disclose information from a peer review report or consultant's report when soliciting the licensee's position will aid in making the probable cause determination or when providing the information would be educational to the licensee, and such disclosure can be made to the licensee without revealing identifying information regarding the complainant, peer reviewer or consultant.  
[ARC 0412C, IAB 10/31/12, effective 12/5/12]

**193F—8.8(17A,272C,543D) Investigation procedures.**

**8.8(1) *Disciplinary committee.*** The board chairperson shall annually appoint two to three members of the board to serve on the board's disciplinary committee. The disciplinary committee is a purely advisory body which shall review complaint files referred by the board's executive officer, generally supervise the investigation of complaints, and make recommendations to the full board on the disposition of complaints. Members of the committee shall not personally investigate complaints, but they may review the investigative work product of others in formulating recommendations to the board.

**8.8(2) *Committee screening of complaints.*** Upon the referral of a complaint from the board's executive officer or from the full board, the committee shall determine whether the complaint presents facts which, if true, suggest that a licensee may have violated a law or rule enforced by the board. If the committee concludes that the complaint does not present facts which suggest such a violation or that the complaint does not otherwise constitute an appropriate basis for disciplinary action, the committee shall refer the complaint to the full board with the recommendation that the complaint be closed with no further action. If the committee determines that the complaint does present a credible basis for disciplinary action, the committee may either immediately refer the complaint to the full board recommending that a disciplinary proceeding be commenced or initiate a disciplinary investigation.

**8.8(3) *Committee procedures.*** If the committee determines that additional information is necessary or desirable to evaluate the merits of a complaint, the committee may assign an investigator or expert consultant, appoint a peer review committee, provide the licensee an opportunity to appear before the disciplinary committee for an informal discussion as described in rule 193F—8.9(17A,272C,543D) or request board staff to conduct further investigation. Upon completion of an investigation, the investigator, expert consultant, peer review committee or board staff shall present a report to the committee. The committee shall review the report and determine what further action is necessary. The committee may:

- a. Request further investigation.
- b. Determine there is not probable cause to believe a disciplinary violation has occurred, and refer the case to the full board with the recommendation of closure.
- c. Determine there is probable cause to believe that a law or rule enforced by the board has been violated, but that disciplinary action is unwarranted on other grounds, and refer the case to the full board with the recommendation of closure. The committee may also recommend that the licensee be informally cautioned or educated about matters which could form the basis for disciplinary action in the future.
- d. Determine there is probable cause to believe a disciplinary violation has occurred, and refer the case to the full board with the recommendation that the board initiate a disciplinary proceeding (contested case).

**8.8(4) *Subpoena authority.*** Pursuant to Iowa Code sections 17A.13(1) and 272C.6(3), the board is authorized in connection with a disciplinary investigation to issue subpoenas to compel witnesses to testify or persons to produce books, papers, records and any other real evidence, whether or not privileged or confidential under law, which the board deems necessary as evidence in connection with a disciplinary proceeding or relevant to the decision about whether to initiate a disciplinary proceeding. Board procedures concerning investigative subpoenas are set forth in 193F—Chapter 19.  
[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—8.9(17A,272C,543D) Informal discussion.** If the disciplinary committee considers it advisable, or if requested by the affected licensee, the committee may grant the licensee any opportunity to appear

before the committee for a voluntary informal discussion of the facts and circumstances of an alleged violation, subject to the provisions of this rule.

**8.9(1)** An informal discussion is intended to provide a licensee an opportunity to share in an informal setting the licensee's side of a complaint before the board determines whether probable cause exists to initiate a disciplinary proceeding. Licensees are not required to attend an informal discussion. Because disciplinary investigations are confidential, licensees may not bring other persons with them to an informal discussion, but licensees may be represented by legal counsel.

**8.9(2)** Unless disqualification is waived by the licensee, board members or staff who personally investigate a disciplinary complaint are disqualified from making decisions or assisting the decision makers at a later formal hearing. Because board members generally rely upon investigators, peer review committees, or expert consultants to conduct investigations, the issue rarely arises. An informal discussion, however, is a form of investigation because it is conducted in a question and answer format. In order to preserve the ability of all board members to participate in board decision making and to receive the advice of staff, licensees who desire to attend an informal discussion must therefore waive their right to seek disqualification of a board member or staff based solely on the board member's or staff's participation in an informal discussion. Licensees would not be waiving their right to seek disqualification on any other ground. By electing to attend an informal discussion, a licensee accordingly agrees that participating board members or staff are not disqualified from acting as a presiding officer in a later contested case proceeding or from advising the decision maker.

**8.9(3)** Because an informal discussion constitutes a part of the board's investigation of a pending disciplinary case, the facts discussed at the informal discussion may be considered by the board in the event the matter proceeds to a contested case hearing and those facts are independently introduced into evidence.

**8.9(4)** The disciplinary committee, subject to board approval, may propose a consent order at the time of the informal discussion. If the licensee agrees to a consent order, a statement of charges shall be filed simultaneously with the consent order, as provided in rule 193F—20.4(17A,272C).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—8.10(272C,543D) Peer review committee (PRC).** A peer review committee may be appointed by the board to investigate a complaint. The committee may consist of one or more certified general or certified residential real property appraisers registered to practice in Iowa. The board may appoint a single peer review consultant to perform the functions of a PRC when, in the board's opinion, appointing a committee with more members would be impractical, unnecessary or undesirable given the nature of the expertise required, the need for prompt action or the circumstances of the complaint. An individual shall be ineligible as a PRC member in accordance with the standard for disqualification found in rule 193F—20.14(17A).

**8.10(1) Authority.** The PRC investigation may include activities such as interviewing the complainant, the respondent, and individuals with knowledge of the respondent's practice in the community; gathering documents; and performing independent analyses as deemed necessary. The board may give specific instructions to the PRC regarding the scope of the investigation. In the course of the investigation, PRC members shall refrain from advising the complainant or respondent on actions that the board might take.

**8.10(2) Term of service.** The PRC serves at the pleasure of the board. The board may dismiss any or all members of a PRC or add new members at any time.

**8.10(3) Compensation.** PRC members may receive compensation as the board may provide by contract. Within established budget limitations, PRC members may be reimbursed for reasonable and necessary expenses that are incurred for travel, meals and lodging while performing committee duties. The PRC shall not hire legal counsel, investigators, secretarial help or any other assistance without written authorization from the board.

**8.10(4) Reports.** Each PRC shall submit a written report to the board within a reasonable period of time.

**8.10(5) Components of the report.** The report shall include:

- a. Statement of the charge to the PRC;
- b. Description of the actions taken by the PRC in its investigation, including but not limited to appraisal review(s) and interviews with the respondent or complainant;
- c. Summary of the PRC's findings, including the PRC's opinion as to whether a violation occurred, citation of the specific USPAP violation(s), citation of the Iowa Code section(s) and Iowa Administrative Code rule(s) violated, and the PRC's opinion of the seriousness of the violation;
- d. Recommendation.

**8.10(6) *Recommended action.*** The PRC report shall recommend one of the following:

- a. Dismissal of the complaint;
- b. Further investigation;
- c. Disciplinary proceedings;
- d. Allowing the appraiser who is the subject of the complaint an opportunity to appear before the board for an informal discussion regarding the circumstances of the alleged violation.

If the PRC recommends further investigation or disciplinary proceedings, supporting information must be submitted to the board including citation of the specific USPAP violation(s), Iowa Code section(s) and Iowa Administrative Code rule(s) violated.

**8.10(7) *Disciplinary recommendations.*** When recommending disciplinary proceedings, a PRC shall refrain from suggesting a particular form of discipline, but may provide guidance on the severity of the violations that prompted the recommendation and may identify professional areas in which the appraiser needs additional education or supervision in order to safely practice.

**8.10(8) *Confidentiality.*** The PRC shall not discuss its findings and conclusions with any party to the complaint other than the board (through its report to the board) or board staff. PRC findings including the name of the complainant shall be kept confidential at all times. PRC findings shall be used only for the purposes of the board's possible disciplinary action and not for any other court case, lawsuit, or investigation.

**8.10(9) *Testimony.*** In the event of formal disciplinary proceedings, PRC members may be required to testify.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

### **193F—8.11(17A,272C,543D) Closing complaint files.**

**8.11(1) *Grounds for closing.*** Upon the recommendation of the executive officer, the recommendation of the disciplinary committee, or on its own motion, the board may close a complaint file, with or without prior investigation. Given the broad scope of matters about which members of the public may complain, it is not possible to catalog all possible reasons why the board may close a complaint file. The following nonexclusive list is, however, illustrative of the grounds upon which the board may close a complaint file:

- a. The complaint alleges matters outside the board's jurisdiction.
- b. The complaint does not allege a reasonable or credible basis to believe that the subject of the complaint violated a law or rule enforced by the board.
- c. The complaint is frivolous or trivial.
- d. The complaint alleges matters more appropriately resolved in a different forum, such as civil litigation to resolve a contract dispute, or more appropriately addressed by alternative procedures, such as outreach education or rule making.
- e. The matters raised in the complaint are situational, isolated, or unrepresentative of a licensee's typical practice, and the licensee has taken appropriate steps to ensure future compliance and prevent public injury.
- f. Resources are unavailable or better directed to other complaints or board initiatives in light of the board's overall budget and mission.

g. While the evidence may reveal one or more appraisal standards about which the appraiser should be more vigilant in the future, the issues appear correctable, are not likely to recur with proper diligence in the development and reporting of future appraisals, and do not reveal impediments to competent practice in the future.

*h.* Other extenuating factors exist which weigh against the imposition of public discipline when considered in the context of the board's purpose and mission.

**8.11(2) Closing orders.** The board's executive officer may enter an order stating the basis for the board's decision to close a complaint file. If entered, the order shall not contain the identity of the complainant or the respondent and shall not disclose confidential complaint or investigative information.

If entered, a closing order will be indexed by case number and shall be a public record pursuant to Iowa Code subsection 17.3(1) "d." A copy of the order may be mailed to the complainant, if any, and to the respondent. The board's decision whether or not to pursue an investigation, to institute disciplinary proceedings, or to close a file is not subject to judicial review.

**8.11(3) Cautionary letters.** The board may issue a confidential letter of caution to a licensee when a complaint file is closed which informally cautions or educates the licensee about matters which could form the basis for disciplinary action in the future if corrective action is not taken by the licensee. Informal cautionary letters do not constitute disciplinary action, but the board may take such letters into consideration in the future if a licensee continues a practice about which the licensee has been cautioned.

**8.11(4) Reopening closed complaint files.** The board may reopen a closed complaint file if additional information arises after closure which provides a basis to reassess the merits of the initial complaint.

**193F—8.12(17A,272C,543D) Initiation of disciplinary proceedings.** Disciplinary proceedings may only be initiated by the affirmative vote of a majority of a quorum of the board at a public meeting. Board members who are disqualified shall not be included in determining whether a quorum exists. If, for example, two members of the board are disqualified, three members of the board shall constitute a quorum of the remaining five board members for purposes of voting on the case in which the two members are disqualified. When three or more members of the board are disqualified or otherwise unavailable for any reason, the executive officer may request the special appointment of one or more substitute board members pursuant to Iowa Code section 17A.11, subsection 5. Discipline may only be imposed against a licensee by the affirmative vote of a majority of the members of the board who are not disqualified.

**193F—8.13(17A,272C,543D) Disciplinary contested case procedures.** Unless in conflict with a provision of board rules in this chapter, all of the procedures set forth in 193F—Chapter 20 shall apply to disciplinary contested cases initiated by the board.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—8.14(543D) Decisions.** The board shall make findings of fact and conclusions of law, and may take one or more of the following actions:

1. Dismiss the charges;
2. Suspend or revoke the appraiser's certification or associate's registration as authorized by law;
3. Impose civil penalties, the amount which shall be set at the discretion of the board, but which shall not exceed \$1000 per violation. Civil penalties may be imposed for any of the disciplinary violations specified in Iowa Code section 543D.17 and chapter 272C or for any repeat offenses;
4. Impose a period of probation, either with or without conditions;
5. Require reexamination;
6. Require additional professional education, reeducation, or continuing education;
7. Issue a citation and a warning;
8. Require desk review of the appraiser's work product;
9. Issue a consent order;
10. Impose any other form of discipline authorized by a provision of law that the board, in its discretion, believes is warranted under the circumstances of the case.

**193F—8.15(272C,543D) Mitigating and aggravating factors.** Factors the board may consider when determining whether to impose discipline and what type of discipline to impose include:

- 8.15(1) History and background of respondent.**

- a. Whether the respondent was a registered associate appraiser or a certified appraiser at the time of the violation.
- b. Prior disciplinary history or cautionary letters.
- c. Length of certification or registration at the time of the violation.
- d. Disciplinary history of current or prior supervisor.
- e. Degree of cooperation with investigation.
- f. Extent of self-initiated reform or remedial action after the date of the violation.
- g. Whether the volume or geographic range of the respondent's practice is, or was at the time of the violation, reasonable under the circumstances.
- h. Whether the respondent practiced with a lapsed, inactive, suspended, revoked, or surrendered certificate or registration.

**8.15(2) Nature of violation.**

- a. Length of time since the date of the violation.
- b. Whether the violation is isolated or recurring.
- c. Whether there are multiple violations or appraisals involved.
- d. Whether the violation is in the nature of an error or situational carelessness or neglect, or reflects a more fundamental lack of familiarity with applicable appraisal methodology or standards.
- e. Indicia of bad faith, false statements, deceptive practices, or willful and intentional acts, whether within the circumstances of the violation or in the course of the board's investigation or disciplinary proceeding.
- f. Evidence of improper advocacy or other violation of the USPAP ethics rule or of Iowa Code section 543D.18 or 543D.18A(1).
- g. The clarity of the issue or standard involved.
- h. Whether the respondent practiced outside the scope of practice authorized by respondent's certification or registration.
- i. Whether the violation relates to the respondent's supervisory role, the respondent's individual appraisal practice, or both.

**8.15(3) Interest of the public.**

- a. Degree of financial or other harm to a client, consumer, lending institution, or others.
- b. Risk of harm, whether or not the violation caused actual harm.
- c. Economic or other benefit gained by respondent or by others as a result of the violation.
- d. Deterrent impact of discipline.
- e. Whether the respondent issued a corrected appraisal report when warranted.

[ARC 0412C, IAB 10/31/12, effective 12/5/12]

**193F—8.16(272C,543D) Voluntary surrender.** The board may accept the voluntary surrender of a license to resolve a pending disciplinary contested case or pending disciplinary investigation. The board shall not accept a voluntary surrender of a license to resolve a pending disciplinary investigation unless a statement of charges is filed along with the order accepting the voluntary surrender. Such voluntary surrender is considered disciplinary action and shall be published in the same manner as is applicable to any other form of disciplinary order.

**193F—8.17(272C,543D) Reinstatement.** In addition to the provisions of rule 193F—20.38(17A,272C), the following provisions shall apply to license reinstatement proceedings:

**8.17(1)** The board may grant an applicant's request to appear informally before the board prior to the issuance of a notice of hearing on an application to reinstate if the applicant requests an informal appearance in the application and agrees not to seek to disqualify, on the ground of personal investigation, board members or staff before whom the applicant appears.

**8.17(2)** An order granting an application for reinstatement may impose such terms and conditions as the board deems desirable, which may include one or more of the types of disciplinary sanctions described in rule 193F—8.14(543D).

**8.17(3)** The board shall not grant an application for reinstatement when the initial order which revoked, suspended or restricted the license, denied license renewal, or accepted a voluntary surrender was based on a criminal conviction and the applicant cannot demonstrate to the board's satisfaction that:

- a. All terms of the sentencing or other criminal order have been fully satisfied;
- b. The applicant has been released from confinement and any applicable probation or parole; and
- c. Restitution has been made or is reasonably in the process of being made to any victims of the

crime.

CHAPTER 9  
RENEWAL, EXPIRATION AND REINSTATEMENT OF  
CERTIFICATES AND REGISTRATIONS, AND INACTIVE STATUS  
[Prior to 2/20/02, see rules 193F—4.2(543D) and 193F—4.5(543D)]

**193F—9.1(272C,543D) Biennial renewal.**

**9.1(1)** Certificates and associate registrations must be renewed on a biennial basis or they shall lapse.

**9.1(2)** Persons whose last names begin with A to K shall renew in even-numbered years. Persons whose last names begin with L to Z shall renew in odd-numbered years. Certificates and registrations shall expire biennially on June 30.

**9.1(3)** An application to renew a certificate or registration shall be submitted on a form obtained from the board office or on the board's website. Applicants may renew electronically through a board-established electronic process, as available.

**193F—9.2(272C,543D) Notices.**

**9.2(1)** It is the policy of the board to mail or send electronic renewal notices to certified and associate appraisers at the last address or email address on file with the board in the May preceding certificate or registration expiration. Neither the failure of the board to send such a notice nor the licensee's failure to receive such a notice shall excuse the requirement to timely renew and pay the renewal fee.

**9.2(2)** Certified and associate appraisers must ensure that the address on file with the board office is current and that the board is notified within 30 days of any address change.  
[ARC 1732C, IAB 11/12/14, effective 12/17/14]

**193F—9.3(272C,543D) Renewal procedures.**

**9.3(1)** *Date of filing.* Certified and associate appraisers shall file a timely and sufficient renewal application with the board by the June 30 deadline in the biennial renewal year. An application shall be deemed filed on the date received by the board, the date of electronic submission or, if mailed, the date postmarked, but not the date metered. Applications to renew that are not timely received by the board shall be treated as applications to reinstate, as provided in rule 193F—9.4(272C,543D).

**9.3(2)** *Continuing education.* An applicant for renewal shall report the applicant's compliance with the continuing education requirements provided in 193F—Chapter 11. Full compliance with applicable continuing education requirements is a condition of renewal in active status. Applications to renew certificates or registrations in active status that do not, on their face, demonstrate full compliance with all applicable continuing education requirements shall be rejected as insufficient, as provided in subrule 9.3(4).

**9.3(3)** *Background disclosures.* An applicant for renewal shall disclose such background and character information as the board requests, which may include disciplinary action taken by any jurisdiction regarding a professional license of any type, the denial of an application for a professional license of any type by any jurisdiction, and the conviction of any crime.

**9.3(4)** *Insufficient applications.* The board shall reject applications that are insufficient. A sufficient application within the meaning of Iowa Code section 17A.18(2) must:

- a. Be signed by the applicant if submitted in person or mailed, or be certified as accurate if submitted electronically;
- b. Be fully completed;
- c. Reflect, on its face, full compliance with all applicable continuing education requirements; and
- d. Be accompanied by the proper fee. The fee shall be deemed improper if, for instance, the amount is incorrect, the fee was not included with the application, the credit card number provided by the applicant is incorrect, the date of expiration of a credit card is omitted or incorrect, the attempted credit card transaction is rejected, or the applicant's check is returned for insufficient funds or written on a closed account.

**9.3(5)** *Resubmission of rejected applications.* The board shall promptly notify an applicant of the basis for rejecting an insufficient renewal application, and shall return or refund any fees received. Applicants for certificate or registration renewal may remedy the insufficiency and resubmit applications

that were rejected as insufficient. Resubmitted applications shall be deemed received when personally delivered to the board office, on the date of electronic submission or, if mailed, the date postmarked, but not the date metered. Resubmitted applications to renew that are not timely received by the board shall be treated as applications to reinstate, as provided in rule 193F—9.4(272C,543D).

**9.3(6) *Administrative processing not determinative.*** The administrative processing of an application to renew a certificate or registration shall not prevent the board from subsequently commencing a contested case to challenge the applicant's qualifications for continued licensure or to assert disciplinary charges if grounds exist to do so. The board may take such an action, for example, if an application to renew reflects full compliance with continuing education, but the licensee is unable to document compliance in a subsequent audit.

**9.3(7) *Denial of timely and sufficient application to renew.*** If grounds exist to deny a timely and sufficient application to renew, the board shall send written notification to the applicant stating the grounds for denial. The procedures described in rule 193F—20.40(546,543D,272C) shall apply.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

### **193F—9.4(272C,543D) Failure to renew.**

**9.4(1)** The certificate or registration of a certified or associate appraiser shall lapse unless the appraiser submits a timely and sufficient renewal application by the expiration date.

**9.4(2)** A certified or associate appraiser may renew a certificate or registration after the expiration date by submitting a sufficient renewal application and biennial renewal fee, accompanied by an additional penalty of 25 percent of the biennial renewal fee, within 30 calendar days of the expiration date. The board will allow the reinstatement of a lapsed certificate or registration during the 30-day period following expiration for an appraiser who did not complete all required continuing education during the prior biennium but who will have sufficient continuing education if courses completed during the 30-day period following lapse are included; provided that such applicant must demonstrate 42 hours of qualifying continuing education rather than the 28 hours required to renew for those who completed all continuing education on a timely basis prior to the lapse. The continuing education completed between July 1 and July 30 that fulfills a shortage of continuing education in the prior biennium shall not be counted toward the continuing education required in a subsequent renewal.

**9.4(3)** If a certified or associate appraiser fails to renew within the 30-day grace period provided for in subrule 9.4(2), the appraiser shall be required to reinstate in accordance with subrule 9.4(5).

**9.4(4)** Certified and associate appraisers are not authorized to practice or to hold themselves out to the public as certified or registered appraisers during the period of time that the certificate or registration is lapsed, including during the 30-day grace period following the lapse. Any violation of this subrule shall be grounds for discipline.

**9.4(5) Reinstatement.** The board may reinstate a lapsed certificate or registration upon the applicant's submission of an application to reinstate and completion of all of the following:

- a. Paying a penalty as provided in rule 193F—12.1(543D); and
- b. Paying the current renewal fee as provided in rule 193F—12.1(543D); and
- c. Providing evidence of completed continuing education outlined in rule 193F—11.2(272C,543D), as modified for associate appraisers in subrule 9.4(6), if the licensee wishes to reinstate to active status; and
- d. Providing a written statement outlining the professional activities of the applicant in the state of Iowa during the period in which the applicant's certificate or registration was lapsed. The statement shall describe all appraisal services performed, with or without the use of the titles described in Iowa Code section 543D.15, for all appraisal assignments that are required by federal or state law, rule, or policy to be performed by a certified real estate appraiser.

**9.4(6)** Special continuing education requirements for reinstating associate appraisers. The board seeks to ensure that associate appraisers make progress toward full completion of all qualifying education required for eventual certification, as provided in rules 193F—5.2(543D) and 193F—6.2(543D). As a result, an associate appraiser applying to reinstate a registration that has been lapsed for 12 months or longer shall apply, in addition to the most recent 7-hour USPAP course, only qualifying education toward

the continuing education required for reinstatement, until all qualifying education has been completed. All qualifying education taken as continuing education may also be applied as qualifying education toward certification. If the applicant has already completed all qualifying education or is required to have continuing education hours beyond those needed to fully complete all qualifying education, the applicant may use any approved continuing education course in addition to the mandatory 7-hour USPAP course. [ARC 1732C, IAB 11/12/14, effective 12/17/14]

**193F—9.5(272C,543D) Inactive status.**

**9.5(1) *General purpose.*** This rule establishes a procedure under which a person issued a certificate or associate registration may apply to the board to register in inactive status. Registration under this rule is available to a certificate holder or associate registrant residing within or outside the state of Iowa who is not engaged in Iowa in any practice for which a certificate or associate registration is required. A person eligible to register as inactive may, as an alternative to such registration, allow a certificate or associate registration to lapse. The board will continue to maintain a data base on persons registered as inactive, including information which may not routinely be maintained after a certificate or associate registration has lapsed through failure to renew. A person who registers as inactive will accordingly receive renewal applications, board newsletters and other mass communications from the board. Because a person registered in inactive status may not practice in Iowa or hold oneself out to the public as authorized to practice as a certified appraiser or registered associate appraiser, such person is not required to complete continuing education.

**9.5(2) *Eligibility.*** A person holding a lapsed or active certificate as a real property appraiser, or a lapsed or active registration as a registered associate, which has not been revoked or suspended may apply on forms provided by the board to register as inactive if the person is not engaged in the state of Iowa in any practice for which a certificate or associate registration is required. Such a person may be actively engaged in the practice of real estate appraising in another jurisdiction. Such a person may also engage in such appraisal practices as may be performed in Iowa by persons who do not hold a certificate as a real property appraiser or associate registration as long as the person does not hold oneself out to the public as a certified or associate real estate appraiser.

**9.5(3) *Affirmation.*** The application form shall contain a statement in which the applicant affirms that the applicant will not engage in any practice prohibited by subrule 9.5(2) in Iowa without first complying with all rules governing reactivation to active status. A person in inactive status may reactivate to active status at any time pursuant to subrule 9.5(6).

**9.5(4) *Renewal.*** A person registered as inactive may renew the person's certificate or associate registration on the biennial schedule described in 193F—9.1(272C,543D). Such person is exempt from the continuing education requirements for renewal and will be charged a reduced rate, as provided in 193F—Chapter 12. An inactive certificate or associate registration shall lapse if not timely renewed. An active certificate holder or associate registrant may renew as inactive if such person has not completed all continuing education requirements and may thereafter apply for active status when the deficiency has been remedied.

**9.5(5) *Grounds for discipline.*** Certified and associate appraisers are not authorized to practice or to hold themselves out to the public as certified or registered appraisers during the period of time that the certificate or registration is in inactive status. Any violation of this subrule shall be grounds for discipline.

**9.5(6) *Reactivation.*** A person registered as inactive shall apply to reactivate to active status prior to engaging in any practice in Iowa that requires certification or associate registration. An application to reactivate to active status shall be on a form provided by the board, shall demonstrate full compliance with all applicable continuing education requirements, and shall be accompanied by a change of status fee and the biennial fee for active status as provided in rule 193F—12.1(543D). Prior to reactivation to active status, the applicant must complete all education that would have been required had the applicant been on active status, including the most recent seven-hour USPAP update course. All such continuing education must be verified whether or not the applicant has been in active practice in another jurisdiction. Additionally, the special continuing education requirements that apply to associate appraisers reinstating a lapsed registration, as provided in subrule 9.4(6), shall apply to associate appraisers reactivating to

active status following a period of inactive status of 12 months or longer. Such an applicant shall be given credit for the most recent renewal fees previously paid if the applicant applies to reactivate in the same biennium at other than the applicant's regular renewal date. An applicant changing from active to inactive status during a biennial renewal period shall not, however, be entitled to a refund of any of the fees previously paid to attain active status.

[ARC 1732C, IAB 11/12/14, effective 12/17/14]

**193F—9.6(272C,543D) Property of the board.** Every certificate or associate registration issued by the board shall, while it remains in the possession of the holder, be preserved by the holder but shall, nevertheless, always remain the property of the board. In the event that a certificate or associate registration is revoked or suspended, or is not renewed, or is registered in inactive status, it shall, on demand, be delivered by the holder to the board. The board shall generally not request return of a certificate or associate registration if it has not been revoked, suspended or voluntarily surrendered in a disciplinary action, but may do so if the board reasonably determines that grounds exist to believe that a person holding a lapsed or inactive certificate or associate registration has engaged in a practice for which active certification or registration is required.

These rules are intended to implement Iowa Code section 543D.5.

CHAPTER 10  
RECIPROCITY

[Prior to 2/20/02, see 193F—Chapter 5]

**193F—10.1(543D) Nonresident certification by reciprocity.**

**10.1(1)** A nonresident of Iowa seeking certification in this state shall apply on forms provided by the board and pay the appropriate fee required in rule 193F—12.1(543D).

**10.1(2)** The board may issue a reciprocal certificate to a nonresident individual who is certified and demonstrates good standing in another state. An appraiser who is listed in good standing on the National Registry of the Appraisal Subcommittee satisfies the requirement that good standing be demonstrated and does not need to submit additional documentation. An appraiser who is not listed in good standing on the National Registry of the Appraisal Subcommittee must supply an official letter of good standing issued by the licensing board of the appraiser's resident state and bearing its seal. An appraiser may verify the appraiser's status on the National Registry of the Appraisal Subcommittee by accessing the Web site at [www.asc.gov](http://www.asc.gov).

**10.1(3)** A reciprocal certified appraiser shall comply with all provisions of Iowa law and rules.

**10.1(4)** Reciprocal certified appraisers shall be required to pay the federal registry fee as required in rule 193F—12.3(543D).

[ARC 1197C, IAB 11/27/13, effective 1/1/14]

**193F—10.2(543D) Nonresident temporary practice.**

**10.2(1)** The board will recognize, on a temporary basis and for a maximum of two assignments per year, the certification of an appraiser issued by another state.

**10.2(2)** The appraiser must register with the board and identify the property(ies) to be appraised, the name and address of the client and the estimated length of time the appraiser will be in the state. The appraiser must demonstrate good standing to be considered for a temporary practice permit. An appraiser who is listed in good standing on the National Registry of the Appraisal Subcommittee satisfies the requirement that good standing be demonstrated and does not need to submit additional documentation. An appraiser who is not listed in good standing on the National Registry of the Appraisal Subcommittee must supply an official letter of good standing issued by the licensing board of the appraiser's resident state and bearing its seal. An appraiser may verify the appraiser's status on the National Registry of the Appraisal Subcommittee by accessing the Web site at [www.asc.gov](http://www.asc.gov). Registration shall be on a form provided by the board and submitted to the board office prior to the performance of the appraisal. The appraiser shall pay the appropriate fee as required in 193F—12.1(543D).

**10.2(3)** An appraiser holding an inactive or lapsed certificate as a real estate appraiser in Iowa may apply for a temporary practice permit if the appraiser holds an active, unexpired certificate as a real estate appraiser in good standing in another jurisdiction and is otherwise eligible for a temporary practice permit.

**10.2(4)** An appraiser who was previously a registered associate or certified appraiser in Iowa whose Iowa registration or certificate has been revoked or surrendered in connection with a disciplinary investigation or proceeding is ineligible to apply for a temporary practice permit in Iowa.

**10.2(5)** The board may deny an application for a temporary practice permit if the applicant has been disciplined in Iowa or another jurisdiction, a disciplinary investigation or proceeding is pending in Iowa, the person has been convicted of a crime that is a ground for discipline in Iowa, or it appears the applicant is applying for a temporary permit because the applicant would not qualify to renew or reinstate in active status in Iowa and the application for a temporary permit is made primarily to compromise compliance with Iowa laws and rules.

**10.2(6)** An appraiser holding an inactive or lapsed Iowa certificate who applies to reinstate to active status in Iowa shall not be given credit for any fees paid during the biennial period for one or more temporary practice permits.

**10.2(7)** An appraiser holding a license to practice as a real estate appraiser in another jurisdiction may practice in Iowa without applying for a temporary practice permit or paying any fees as long as

the appraiser does not perform appraisal services in Iowa for which certification is required by state or federal law, rule or policy.

**10.2(8)** The board must receive and approve an application for a temporary practice permit before the applicant is eligible to practice in Iowa under a temporary practice permit. Applicants are encouraged to submit applications by e-mail or facsimile to avoid the possible delays of mail service, because the board will not approve an application with a retroactive start date. The board shall grant or deny all applications for temporary practice permits as quickly as reasonably feasible and no later than five days of receipt of a completed application. Applicants shall use the form prescribed by the board. Applicants disclosing discipline or criminal convictions shall attach documentation from which the board can determine if the discipline or criminal history would be a ground to deny the application. Falsification of information or failure to disclose material information shall be a ground to deny the application and may form the basis to deny any subsequent application or an application to reinstate a lapsed or inactive Iowa certificate.

**193F—11.2(272C,543D) Continuing education requirements.**

**11.2(1)** Certified residential, certified general and associate appraisers must demonstrate compliance with the following continuing education requirements as a condition of biennial renewal:

a. A minimum of 28 credit hours in approved continuing education programs must be acquired during the two-year renewal period. Carryover hours from a previous renewal period are not allowed.

b. The purpose of continuing education is to ensure that the appraiser participates in a program that maintains and increases the appraiser’s skill, knowledge and competency in real estate appraising. Credit may be granted for educational offerings that are consistent with the purpose of continuing education. A minimum of 21 of the required 28 credit hours must involve courses that address one or more of the subject areas listed in subrule 11.4(2).

c. Appraisers must successfully complete the seven-hour National USPAP Update Course, or its equivalent, each two-year renewal cycle. Equivalency shall be determined through the AQB Course Approval Program or by an alternate method established by the AQB. USPAP continuing education credit shall be awarded only when the class is instructed by an AQB-certified instructor(s) and when the class is instructed by at least one state-certified residential or state-certified general appraiser. Individuals who are credentialed in more than one jurisdiction shall not have to take more than one seven-hour National USPAP Update Course within a two-calendar-year period for the purposes of meeting AQB criteria.

**11.2(2)** All continuing education credit hours may be acquired in approved classroom or distance education programs.

**11.2(3)** A maximum of 14 of the required 28 credit hours may be claimed by an instructor for teaching one or more approved continuing education programs in an amount equal to the credit hours approved for attendees. Instructors claiming such credit must teach the appraisal course during the renewal cycle in which credit is claimed and may not claim the course more than once in the renewal cycle. The board may request supportive documentation to ascertain course content and to verify the date(s), time, place and hours taught.

**11.2(4)** An applicant seeking to renew an initial certificate or registration issued less than 185 days prior to renewal is not required to report any continuing education. An applicant seeking to renew an initial certificate or registration issued for 185 days to 365 days prior to renewal must demonstrate completion of at least 14 credit hours, including 7 credit hours of the most recent National USPAP Update. An applicant seeking to renew an initial certificate or registration issued 365 days prior to renewal or more must demonstrate completion of at least 28 credit hours, including 7 credit hours of the most recent National USPAP Update.

**11.2(5)** Prior to reinstatement or reactivation of a certified general registration or a certified residential registration, a certified credential holder in inactive or lapsed status must complete all required continuing education hours that would have been required if the certified credential holder was in active status. The required hours must also include the most recent edition of a 7-hour National USPAP Update Course. Waivers may not be granted to credential holders who have failed to meet the continuing education requirements.

**11.2(6)** During each two-year renewal period, a continuing education program may be taken for credit only once, except USPAP courses.

**11.2(7)** Successful completion of a continuing education program requires that at least 50 minutes of every class hour be attended by the student. Continuing education credits shall not be granted to attendees who are present for less than 50 minutes of every class hour.

**11.2(8)** An applicant may claim continuing education credits earned in a state that has a continuing education requirement for renewal of a real estate appraisal certificate if the program is approved by the appraisal certification board of that state or the Appraiser Qualifications Board for continuing education purposes. All other programs must be approved upon application to the board pursuant to rules 193F—11.4(272C,543D), 193F—11.5(272C,543D) and 193F—11.6(272C,543D).

**11.2(9)** A person certified or registered to practice real estate appraising in Iowa shall be deemed to have complied with Iowa's continuing education requirements for periods in which the person is a resident of another state or district having continuing education requirements for real estate appraising and meets all requirements of that state or district. Waivers may not be granted to credential holders who have failed to meet the continuing education requirements. Deferrals may not be granted to credential holders, except in the case of persons returning from active military duty. CHAPTER 15  
SUPERVISOR RESPONSIBILITIES

**193F—15.1(543D) Description.** The importance of the role of the supervisory appraiser places ethical and professional standards on those who serve in this capacity. The function of the supervisory appraiser is to help adequately prepare an associate to demonstrate professional competence and work independently upon issuance of full licensure. The supervisor is considered an integral part of the training process, and supervision should be considered a full-time, hands-on responsibility.

[ARC 0881C, IAB 7/24/13, effective 8/28/13; ARC 1732C, IAB 11/12/14, effective 12/17/14]

**193F—15.2(543D) Supervisory appraiser responsibilities.** Supervisory appraisers shall:

1. Ensure that the information presented in the appraisal report is accurate and dependable in order to provide a valid and credible report.
2. Adequately supervise an associate in the data-gathering process to ensure that the associate is correctly and properly collecting pertinent and factual data for analysis.
3. Ensure that the associate is knowledgeable about the various sources from which to gather data and that the data collected is reliable. The associate should be exposed to any sources of research that would be considered by one's peers in the marketplace including cost manuals, multiple listing services, public records and Internet study.
4. Teach the associate to reason independently and formulate reasonable conclusions based upon the analysis of the information gathered.
5. Teach the basic routine of the appraisal process including a consistent and regular pattern of data gathering, analysis, and report writing.
6. Review and critique appraisal reports for accuracy, ease of reading, understanding and purpose, and ensure that all addenda are both relevant and pertinent.
7. Ensure that factual data is reliable and that analysis is both supported and documented. All necessary certification and limiting conditions should be up to date and applicable to the assignment.
8. Expose an associate to as many different property types, report formats and value ranges as possible with the understanding that each time a new or unique assignment is introduced, there is a responsibility to instruct and educate the associate to ensure competency.
9. Inspect each appraised property with the associate until the supervisor determines the associate is competent, in accordance with the COMPETENCY RULE of USPAP for the property type and geographic location.
10. Bring the associate appraiser to a professional level that enables the associate to demonstrate competency independently.

[ARC 0881C, IAB 7/24/13, effective 8/28/13; ARC 1732C, IAB 11/12/14, effective 12/17/14]

**193F—15.3(543D) Requirements for a supervisory appraiser.**

**15.3(1)** A supervisory appraiser shall:

- a.* Have a minimum of three years of experience as an Iowa certified appraiser, be in good standing in all jurisdictions, and be actively certified in Iowa during all periods when providing supervision.
- b.* Have a maximum of three associates and shall register with the board the name, office address and starting date of each associate, as well as any termination dates (voluntary or involuntary).
- c.* Be responsible for the training and direct supervision of the associate appraiser by accepting full responsibility for the appraisal report by signing and certifying that the report is in compliance with USPAP.
- d.* Keep copies of associate appraiser reports for a period of at least five years or at least two years after final disposition of any judicial proceeding in which testimony was given, whichever period expires last.
- e.* Comply with all applicable requirements of the Appraiser Qualifications Board.

**15.3(2)** For purposes of this rule, "good standing" means the absence of a disciplinary action in any jurisdiction which affects the appraiser's legal eligibility to engage in an appraisal practice as a certified appraiser. Examples of disciplinary actions that would affect an appraiser's legal eligibility to engage

in an appraisal practice as a certified appraiser include revocation, suspension, or voluntary surrender to resolve a disciplinary investigation or action, or a practice restriction that limits the type, geographic location, or scope of an appraiser's practice or an appraiser's authority to practice without the supervision of another certified appraiser. An appraiser subject to such a disciplinary action would not be in good standing until three years after the successful completion or termination of the sanction which affected the appraiser's legal eligibility to engage in an appraisal practice as a certified appraiser.

**15.3(3)** An appraisal experience log shall be maintained jointly by the supervisory appraiser and the associate appraiser as more fully described in rule 193F—4.2(543D).

**15.3(4)** A certified appraiser shall perform as a supervisory appraiser in Iowa only if the appraiser has completed a course that, at a minimum, complies with the specifications for course content established by the Appraiser Qualifications Board. The course is to be completed before the certified appraiser provides supervision.

[ARC 0881C, IAB 7/24/13, effective 8/28/13; ARC 1732C, IAB 11/12/14, effective 12/17/14; ARC 4169C, IAB 12/5/18, effective 1/9/19]

**193F—15.4(543D) Restrictions.** The board may prohibit or further restrict an appraiser's authorization to act as a supervisory appraiser if the board deems such action necessary to protect the public as part of the remedies or sanctions imposed in a disciplinary action.

CHAPTER 16  
ENFORCEMENT PROCEEDINGS AGAINST NONLICENSEES

**193F—16.1(543D) Civil penalties against nonlicensees.** The board may impose civil penalties by order against a person who is not certified or registered by the board pursuant to Iowa Code chapter 543D based on the unlawful practices specified in Iowa Code section 543D.21.

For the purposes of this chapter, “nonlicensee” means a person who has never been certified or registered with the board, a person who surrendered a certificate or associate registration to the board, or a person whose certificate or associate registration has been revoked by the board.  
[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—16.2(543D) Grounds for imposing civil penalties.** Grounds for issuing an order requiring compliance with Iowa Code chapter 543D or imposing civil penalties up to \$1,000 for each violation include:

**16.2(1)** Use of the term “certified real estate appraiser” by a person who is not certified as a real estate appraiser by the board or in compliance with the temporary practice provisions of 193F—10.2(543D).

**16.2(2)** Use of the term “certified real estate appraiser” by a person in connection with or as part of the name or signature of a firm, partnership, corporation, or group, or in a manner that may be interpreted as referring to a firm, partnership, corporation, group, other business entity, or anyone other than an individual holder of a certificate issued by the board.

**16.2(3)** Use of the term “associate real estate appraiser” by a person who is not registered with the board as an associate real estate appraiser.

**16.2(4)** Falsely impersonating a certified real estate appraiser or associate real estate appraiser by using the certification or registration title, number or signature of a certified real estate appraiser or associate real estate appraiser, or by using the nonexistent certification or registration title, number or signature of a fictitious holder of a certificate or registration with the board.

**16.2(5)** Fraud, deceit, or deception, through act or omission, in connection with an application for certification or registration under Iowa Code chapter 543D, including the submission to the board of false information or documents, or the failure to disclose material information in connection with such an application for certification or registration.

**16.2(6)** Assisting a certified real estate appraiser in the development or reporting of an appraisal assignment that is required by Iowa Code chapter 543D, or by federal or state law, rule, or policy to be performed by a certified real estate appraiser, unless the person assisting the certified real estate appraiser meets one or more of the following conditions:

- a. The person is certified under this chapter.
- b. The person is registered as an associate real estate appraiser and is acting under the direct supervision of a certified real estate appraiser.
- c. The person is solely providing administrative services, such as taking photographs, preparing charts, or typing reports, and is not providing real estate appraisal assistance in developing the analysis, valuation, opinions, or conclusions associated with the appraisal assignment.
- d. The person is providing professional consultation that does not constitute real property appraisal assistance, such as the assistance of a professional engineer or certified public accountant.

**16.2(7)** Improperly influencing or attempting to improperly influence the development, reporting, result, or review of a real estate appraisal as provided in Iowa Code section 543D.21.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—16.3(543D) Investigations.** The board is authorized by Iowa Code sections 17A.13(1) and 543D.21 to conduct such investigations as are needed to determine whether grounds exist to make application to the district court pursuant to Iowa Code section 543D.21 or to impose civil penalties against a person who is not certified or registered with the board. Such investigations shall conform to the procedures outlined in 193F—Chapters 8 and 19. The board is authorized to issue subpoenas and to compel the testimony of witnesses in connection with such investigations, pursuant to Iowa Code

section 543D.21. Complaint and investigatory files solely concerning persons who are not certified or registered by the board are not confidential except as provided in Iowa Code chapter 22.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—16.4(543D) Notice of intent to impose civil penalties.**

**16.4(1)** The notice of the board's intent to issue an order to require compliance with Iowa Code section 543D.21 and to impose a civil penalty shall be served upon the nonlicensee by restricted certified mail, return receipt requested, or by personal service in accordance with Iowa Rule of Civil Procedure 1.305. Alternatively, the nonlicensee may accept service personally or through authorized counsel.

**16.4(2)** The notice shall include the following:

*a.* A statement of the legal authority and jurisdiction under which the proposed civil penalty would be imposed.

*b.* Reference to the particular sections of the statutes and rules involved.

*c.* A short, plain statement of the alleged unlawful practices.

*d.* The dollar amount of the proposed civil penalty and the nature of the intended order to require compliance with Iowa Code section 543D.21.

*e.* Notice of the nonlicensee's right to a hearing and the time frame in which hearing must be requested.

*f.* The address to which written request for hearing must be made.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—16.5(543D) Request for hearing.**

**16.5(1)** Nonlicensees must request a hearing within 30 days of the date the notice is received or service is accepted. A request for hearing must be in writing and is deemed made on the date of the nonmetered United States Postal Service postmark or the date of personal delivery to the board office.

**16.5(2)** If a request for hearing is not timely made, as described in the notice, the board chairperson or the chairperson's designee may issue an order imposing a civil penalty and requiring compliance with Iowa Code chapter 543D. The order may be mailed by regular first-class mail or served in the same manner as the notice of intent to impose a civil penalty.

**16.5(3)** If a request for hearing is timely made, the board shall issue a notice of hearing and conduct a hearing in the same manner as applicable to disciplinary cases against licensees. Hearings involving nonlicensees are open to the public.

**16.5(4)** A nonlicensee may waive the right to hearing and all attendant rights and enter into a consent order imposing a civil penalty and requiring compliance with Iowa Code chapter 543D at any stage of the proceeding upon mutual consent of the board.

**16.5(5)** The notice of intent to issue an order and the order are public records available for inspection and copying in accordance with Iowa Code chapter 22. Copies may be published as provided in rule 193F—20.30(17A,272C).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—16.6(543D) Factors to consider.** Among the factors the board may consider when determining the amount of civil penalty to impose, if any, are the following:

1. The time elapsed since the unlawful practice occurred.
2. Evidence of reform or remedial actions.
3. Whether the violation is a repeat offense following a prior warning letter or other notice of the nature of the infraction.
4. Whether the violation involved an element of deception.
5. Whether the unlawful practice violated a prior order of the board, court order, cease and desist agreement, consent order, or similar document.
6. The clarity of the issue involved.
7. Whether the violation was willful and intentional.
8. Whether the nonlicensee acted in bad faith.
9. The extent to which the nonlicensee cooperated with the board.

10. The circumstances leading to the violation.
11. Whether the amount imposed will be a substantial economic deterrent to the violation.
12. The economic benefits gained by the nonlicensee as a result of the violation.
13. The severity of the violation and the risk of harm to the public.
14. The interest of the public.

**193F—16.7(543D) Enforcement options.** In addition or as an alternative to the administrative process described in these rules, the board may seek an injunction in district court, refer the matter for criminal prosecution, enter into a consent order, issue an informal cautionary letter, refer the matter to the attorney general, or refer the matter to the licensing entity with regulatory authority over the nonlicensee and jurisdiction to take action against the person's real estate-related license as provided in Iowa Code section 543D.21.

CHAPTER 17  
SUPERINTENDENT SUPERVISION STANDARDS AND PROCEDURES

**193F—17.1(543D) Superintendent supervision standards.** The level of the superintendent's supervisory scrutiny of board actions will vary depending on the nature of the board action, the surrounding circumstances, and whether the action is or may be anticompetitive. In general, the superintendent will independently evaluate both the procedures and the substantive merits of board actions.

**17.1(1) Ministerial and nondiscretionary board actions.** Board actions which are ministerial or nondiscretionary, as provided in 193F—subrule 1.2(2), shall be monitored to ensure that such actions are consistent with the mandates required by state or federal law, rule, or regulation; by the AQB; or by the appraisal subcommittee.

**17.1(2) Discretionary board actions.** The superintendent shall independently assess discretionary board actions, as provided in 193F—subrule 1.2(3), to determine whether an action reflects clearly articulated state policy as the inherent, logical, or ordinary result of the exercise of authority delegated to the board by the legislature and is not the result of private interests attempting to restrain trade or otherwise pursue anticompetitive objectives that are contrary to state policy goals. Discretionary board actions which are not anticompetitive shall be monitored by the superintendent but will only be subjected to preclearance procedures if specifically requested by the board or at the superintendent's election. Discretionary board actions that are or may be anticompetitive shall require the superintendent's prior written approval.

**17.1(3) Information review and gathering.** When monitoring or evaluating board actions, the superintendent may rely on the information provided by the board in support of the board's actions if the superintendent is satisfied that the information is sufficient for an independent, de novo evaluation of the substantive merits of the board's action. The superintendent may supplement the board's information and gather additional information if deemed necessary or desirable.

**17.1(4) Written decisions.** Following the superintendent's independent evaluation of the substantive merits of board actions, the superintendent shall issue a written decision approving, modifying, or disapproving the recommended action, and explaining the reasons and rationale for such decision. This requirement shall apply when the superintendent is requested to provide preclearance for a board action and when the superintendent evaluates a final board action upon review by or appeal to the superintendent.

[ARC 2808C, IAB 11/9/16, effective 1/1/17]

**193F—17.2(543D) Procedures for superintendent supervision.**

**17.2(1) Ministerial or nondiscretionary board actions.**

*a.* The superintendent's monitoring of ministerial or nondiscretionary board actions shall be flexible and designed to spot check compliance. The board shall provide any information that the superintendent requests to adequately monitor such actions. Final board action which is ministerial or nondiscretionary may be appealed to the superintendent by an aggrieved person within 20 days of the issuance of the board action. The written notice of appeal shall be filed with the superintendent and served upon the board within such 20-day period and shall specify:

- (1) The name of the person initiating the appeal;
- (2) The board action which is being appealed;
- (3) The specific facts or law alleged to be in error in the board action;
- (4) The relief sought; and
- (5) The grounds for such relief.

*b.* The board may respond to the notice of appeal within 20 days of its receipt of the appeal. The superintendent shall issue a written decision as provided in subrule 17.1(4).

**17.2(2) Preclearance.** When the board seeks preclearance of a proposed board action, the board shall submit a written report which identifies the proposed action, describes the basis and support for the action, outlines the persons or markets which may be affected by the action, and attaches sufficient information

from which the superintendent can make an independent, de novo evaluation of the substantive merits of the proposed action. The superintendent shall issue a written decision as provided in subrule 17.1(4).

**17.2(3) Review or appeal of final, discretionary board action.**

a. Final, discretionary board action may be reviewed by or appealed to the superintendent within 20 days of the issuance of the board action. Such decisions shall be provided to the superintendent when issued to affected persons. If the final board action is not a contested case decision following hearing, a written notice of appeal or request for review shall be filed with the superintendent and served upon the board within such 20-day period, and shall specify:

- (1) The name of the person initiating the appeal or requesting review;
- (2) The board action which is being appealed or for which review is requested;
- (3) The specific facts or law alleged to be in error in the board action, or other specific reason(s)

why such review is sought;

- (4) The relief sought; and
- (5) The grounds for such relief.

b. A review initiated by the superintendent shall be in writing and shall inform the board and affected persons of the nature of the superintendent's concerns. The board may respond to the superintendent's review or notice of appeal within 20 days of the board's receipt of the appeal. A person notified of a superintendent's review may respond to the superintendent's review within 20 days of the issuance of the review. The superintendent shall issue a written decision as provided in subrule 17.1(4).

**17.2(4) Review or appeal of contested case decision.**

a. Notwithstanding anything in these rules to the contrary, all board decisions in a contested case following hearing are proposed decisions and shall be provided to the superintendent when issued.

b. All board decisions in a contested case resolved by consent are final decisions, shall be provided to the superintendent when issued, and are subject to the review procedures set forth in subrule 17.2(3).

c. Any aggrieved party may appeal a proposed decision to the superintendent within 20 days after issuance of the proposed decision.

d. When a proposed decision is or may be anticompetitive, the board (regardless of whether the proposed decision is in favor of the state) may request review of the proposed decision.

e. The superintendent may initiate a review of the proposed decision on the superintendent's own motion at any time within 20 days following issuance of such decision.

f. A notice of appeal or request for review must be signed by the appealing party or a representative of that party and contain a certificate of service. The notice shall specify:

- (1) The party or parties initiating the appeal or requesting review;
- (2) The proposed decision or order which is being appealed or for which review is requested;
- (3) The specific findings or conclusions to which exception is taken and any other exceptions to the decision or order;

- (4) The relief sought; and
- (5) The grounds for such relief.

g. A notice of superintendent's review shall identify the superintendent's concerns with sufficient detail from which the board or a party can respond.

h. A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence. A written request to present additional evidence must be filed with the notice of appeal or, by a nonappealing party, within 14 days of service of the notice of appeal. The superintendent may preside over the taking of additional evidence or may remand a case to the board for further hearing.

i. The superintendent shall issue a schedule for consideration of the review or appeal.

j. Unless otherwise ordered, within 20 days of the notice of appeal, request for review, or order for review, the board and each appealing party may file briefs. Within 20 days thereafter, the board or any party may file a responsive brief. Briefs shall cite any applicable legal authority and specify relevant portions of the record in that proceeding. Written requests to present oral argument shall be filed with

the briefs. The superintendent may resolve the appeal or review on the briefs or provide an opportunity for oral argument. The superintendent may shorten or extend the briefing period as appropriate.

*k.* The record on appeal or review shall be the entire record made at hearing.

*l.* The superintendent shall issue a written decision as provided in subrule 17.1(4).

CHAPTER 18  
WAIVERS AND VARIANCES FROM RULES

**193F—18.1(17A,543D) Definitions.** For purposes of this chapter, “a waiver or variance” means action by the board which suspends in whole or in part the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person. For simplicity, the term “waiver” shall include both a “waiver” and a “variance.”

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.2(17A,543D) Scope of chapter.** This chapter outlines generally applicable standards and a uniform process for granting of individual waivers from rules adopted by the board in situations where no other more specifically applicable law provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this chapter with respect to any waiver from that rule.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.3(17A,543D) Applicability.** The board may grant a waiver from a rule only if the board has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The board may not waive requirements created or duties imposed by statute.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.4(17A,543D) Criteria for waiver or variance.** In response to a petition completed pursuant to rule 193F—18.6(17A,543D), the board may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the board finds, based on clear and convincing evidence, all of the following:

1. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
2. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.5(17A,543D) Filing of petition.** A petition for waiver must be submitted in writing to the board as follows:

**18.5(1) License application.** If the petition relates to a license application, the petition shall be made in accordance with the filing requirements for the license in question.

**18.5(2) Contested cases.** If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.

**18.5(3) Other.** If the petition does not relate to a license application or a pending contested case, the petition may be submitted to the board’s executive officer.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.6(17A,543D) Content of petition.** A petition for waiver shall include the following information where applicable and known to the requester:

1. The name, address, email address, and telephone number of the entity or person for whom a waiver is requested and the case number of any related contested case.
2. A description and citation of the specific rule from which a waiver is requested.
3. The specific waiver requested, including the precise scope and duration.
4. The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in rule 193F—18.4(17A,543D). This statement shall include a signed statement from

the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

5. A history of any prior contacts between the board and the petitioner relating to the regulated activity or license affected by the proposed waiver, including a description of each affected license held by the requester, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity or license within the past five years.

6. Any information known to the requester regarding the board's treatment of similar cases.

7. The name, address, email address, and telephone number of any public agency or political subdivision which also regulates the activity in question or which might be affected by the granting of a waiver.

8. The name, address, email address, and telephone number of any person or entity that would be adversely affected by the granting of a petition.

9. The name, address, email address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

10. Signed releases of information authorizing persons with knowledge regarding the request to furnish the board with information relevant to the waiver.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.7(17A,543D) Additional information.** Prior to issuing an order granting or denying a waiver, the board may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the board may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the board's executive officer, a committee of the board, or a quorum of the board.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.8(17A,543D) Notice.** The board shall acknowledge a petition upon receipt. The board shall ensure that, within 30 days of the receipt of the petition, notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law. In addition, the board may give notice to other persons. To accomplish this notice provision, the board may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the board attesting that notice has been provided. Notice may be provided by email or similar electronic means.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.9(17A,543D) Hearing procedures.** The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case and shall otherwise apply to board proceedings for a waiver only when the board so provides by rule or order or is required to do so by statute.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.10(17A,543D) Ruling.** An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

**18.10(1) Board discretion.** The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the board, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the board based on the unique, individual circumstances set out in the petition.

**18.10(2) Burden of persuasion.** The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the board should exercise its discretion to grant a waiver from a board rule.

**18.10(3) Narrowly tailored.** A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

**18.10(4) Administrative deadlines.** When the rule from which a waiver is sought establishes administrative deadlines, the board shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

**18.10(5) Conditions.** The board may place any condition on a waiver that the board finds desirable to protect the public health, safety, and welfare.

**18.10(6) Time period of waiver.** A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the board, a waiver may be renewed if the board finds that grounds for a waiver continue to exist.

**18.10(7) Time for ruling.** The board shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the board shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

**18.10(8) When deemed denied.** Failure of the board to grant or deny a petition within the required time period shall be deemed a denial of that petition by the board. However, the board shall remain responsible for issuing an order denying a waiver.

**18.10(9) Service of order.** Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law. Service of the written notice shall be sent to the email address provided by the petitioner unless the petitioner specifically requests a mailed copy.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

#### **193F—18.11(17A) Interim rulings.**

**18.11(1)** The executive officer shall, upon receipt of a petition that meets all applicable criteria established in this chapter, present the request to the board chairperson or vice chairperson along with all pertinent information regarding established precedent for granting or denying such requests.

**18.11(2)** The board chair, or vice chair if the chair is unavailable, may rule on a petition for waiver or variance if (a) the petition was not filed in a contested case, (b) the ruling would not be timely if made at the next regularly scheduled board meeting, and (c) the ruling can be based on board precedent or a reasonable extension of prior board action on similar requests.

**18.11(3)** The board chair or vice chair may call a special electronic meeting of the board when prior board precedent does not clearly resolve the request, input of the board is deemed required, a ruling is not authorized under subrule 18.11(2) and the practical result of waiting until the next regularly scheduled board meeting would be denial of the request due to timing issues.

**18.11(4)** Interim rulings are effective when made, but a waiver report shall be placed on the agenda at the next regularly scheduled board meeting and recorded in the minutes.

**18.11(5)** This rule on interim rulings does not apply if the waiver or variance was filed in a contested case.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.12(17A,543D) Public availability.** All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the board is authorized or required to keep confidential. The board may accordingly redact confidential information from petitions or orders prior to public inspection.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.13(17A,543D) Summary reports.** Semiannually, the board shall prepare a summary report identifying the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the board's actions on waiver requests. If practicable, the report shall detail the extent to which the granting of a waiver has affected the general applicability

of the rule itself. Copies of this report shall be available for public inspection and shall be provided semiannually to the administrative rules coordinator and the administrative rules review committee.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.14(17A,543D) Cancellation of a waiver.** A waiver issued by the board pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the board issues an order finding any of the following:

1. The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or
2. The alternative means for ensuring that the public health, safety and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
3. The subject of the waiver order has failed to comply with all conditions contained in the order.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.15(17A,543D) Violations.** Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.16(17A,543D) Defense.** After the board issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—18.17(17A,543D) Judicial review.** Judicial review of a board's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

These rules are intended to implement Iowa Code section 17A.9A and chapter 543D.

CHAPTER 19  
INVESTIGATORY SUBPOENAS

**193F—19.1(17A,272C,543D) Investigatory subpoena authority.** Pursuant to Iowa Code sections 17A.13(1) and 272C.6(3), the board has the authority to issue subpoenas to compel the production of professional records, books, papers, correspondence and other records which are deemed necessary as evidence in connection with the investigation of a licensee disciplinary proceeding, or otherwise necessary for the board to determine whether to commence a contested case. When such an investigation involves licensee discipline, the board may subpoena such evidence whether or not privileged or confidential under law.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—19.2(17A,272C,543D) Investigatory subpoena procedures.**

**19.2(1)** The board's executive officer or designee may, upon the written request of a board investigator or on the officer's own initiative, subpoena books, papers, records, and other real evidence which the officer determines are necessary for the board to decide whether to institute a contested case proceeding. In the case of a subpoena for mental health records, each of the following conditions shall be satisfied prior to the issuance of the subpoena:

- a. The nature of the complaint reasonably justifies the issuance of a subpoena;
- b. Adequate safeguards have been established to prevent unauthorized disclosure;
- c. An express statutory mandate, articulated public policy, or other recognizable public interest favors access; and
- d. The patient was notified and an attempt was made to secure an authorization from the patient for release of the records at issue.

**19.2(2)** A written request for a subpoena or the executive officer's written memorandum in support of the issuance of a subpoena shall contain the following:

- a. The name and address of the person to whom the subpoena will be directed;
- b. A specific description of the books, papers, records or other real evidence requested;
- c. An explanation of the reasons that the documents sought to be subpoenaed are necessary for the board to determine whether it should institute a contested case proceeding; and
- d. In the case of a subpoena request for mental health records, confirmation that the conditions described in subrule 19.2(1) have been satisfied.

**19.2(3)** Each subpoena shall contain the following:

- a. The name and address of the person to whom the subpoena is directed;
- b. A description of the books, papers, records or other real evidence requested;
- c. The date, time and location for production, or inspection and copying;
- d. The time within which a motion to quash or modify the subpoena must be filed;
- e. The signature, address and telephone number of the executive officer or designee;
- f. The date of issuance;
- g. A return of service.

**19.2(4)** Any person who is aggrieved or adversely affected by compliance with the subpoena and who desires to challenge the subpoena must, within 14 days after service of the subpoena, or before the time specified for compliance if such time is less than 14 days, file with the board a motion to quash or modify the subpoena. The motion shall describe the legal reasons why the subpoena should be quashed or modified and may be accompanied by legal briefs or factual affidavits.

**19.2(5)** Upon receipt of a timely motion to quash or modify a subpoena, the board may issue a decision or may request an administrative law judge to issue a decision. The administrative law judge or the board may quash or modify the subpoena, deny the motion, or issue an appropriate protective order. Prior to ruling on the motion, the board or administrative law judge may schedule oral argument or hearing by telephone or in person.

**19.2(6)** A person who is aggrieved by a ruling of an administrative law judge and who desires to challenge the ruling must appeal the ruling to the board in accordance with the procedure applicable to

intra-agency appeals of proposed decisions set forth in rules 193F—20.31(17A) and 193F—20.32(17A), provided that all of the time frames are reduced by one-half.

**19.2(7)** If the person contesting the subpoena is not the person under investigation, the board's decision is final for purposes of intra-agency appeal. If the person contesting the subpoena is the person under investigation, the board's decision is not final for purposes of intra-agency appeal until either (1) the person is notified that the investigation has been concluded with no formal action, or (2) there is a final decision in the contested case.

These rules are intended to implement Iowa Code chapters 17A, 272C, and 543D.

CHAPTER 20  
CONTESTED CASES

**193F—20.1(17A,543D) Definitions.** In addition to the defined terms set forth in 193F—Chapter 2, the following additional terms shall apply in the context of this chapter, except where otherwise specifically defined by law:

*“Contested case”* means any adversary proceeding before the board to determine whether disciplinary action should be taken against a licensee under Iowa Code chapter 543D; an adversary proceeding against a nonlicensee pursuant to Iowa Code section 543D.21; or any other proceeding designated a contested case by any provision of law, including but not limited to adversary proceedings involving license applicants and the reinstatement of a suspended, revoked or voluntarily surrendered license.

*“Issuance”* means the date of mailing of a decision or order or date of delivery if service is by other means unless another date is specified by rule or in the order.

*“License”* means a license, registration, or certificate authorized by Iowa Code chapter 543D and the board’s implementing rules related thereto.

*“Party”* means the state, as represented by the assistant attorney general assigned to prosecute the case on behalf of the public interest, the respondent or applicant, or an intervenor.

*“Presiding officer”* means the board and, when applicable, a panel of board members or an administrative law judge assigned to render a proposed decision in a nondisciplinary contested case.

*“Probable cause”* means a reasonable ground for belief in the existence of facts which would support a specified proceeding under applicable law and rules.

*“Quorum”* means a majority of the members of the board. Action may generally be taken upon a majority vote of board members present at a meeting who are not disqualified, although discipline may only be imposed by a majority vote of the members of the board who are not disqualified.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.2(17A,543D) Scope and applicability of the Iowa Rules of Civil Procedure.** Except as expressly provided in Iowa Code chapter 17A and these rules, the Iowa Rules of Civil Procedure do not apply to contested case proceedings. However, upon application by a party, the board may permit the use of procedures provided for in the Iowa Rules of Civil Procedure unless doing so would unreasonably complicate the proceedings or impose an undue hardship on a party.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.3(17A,272C) Commencement of a contested case and probable cause.** A contested case in a disciplinary proceeding is commenced by the filing and service of a statement of charges and notice of hearing. A contested case in a nondisciplinary proceeding is commenced by the filing and service of a notice of hearing. A contested case may only be commenced by the board upon a finding of probable cause to do so by a quorum of the board.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.4(17A,272C) Informal settlement.** The board, board staff or a board committee may attempt to informally settle a disciplinary case before filing a statement of charges and notice of hearing. If the board and the licensee agree to a settlement of the case, a statement of charges shall be filed simultaneously with a consent order. The statement of charges and consent order may be separate documents or may be combined in one document. By electing to sign a consent order, the licensee waives all rights to a hearing and all attendant rights. The consent order shall have the force and effect of a final disciplinary order entered in a contested case and shall be published as provided in rule 193F—20.30(17A,272C). Matters not involving licensee discipline which may culminate in a contested case may also be settled through consent order. Procedures governing settlement after notice of hearing is served are described in rule 193F—20.42(543D,272C).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.5(17A) Statement of charges.** The statement of charges shall set forth the acts or omissions with which the respondent is charged including the statute(s) and rule(s) which are alleged to have been violated and shall be in sufficient detail to enable the preparation of the respondent's defense. The statement of charges shall be incorporated within or attached to the notice of hearing. The statement of charges and notice of hearing are public records open for public inspection under Iowa Code chapter 22.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.6(17A,272C) Notice of hearing.**

**20.6(1) Contents of notice of hearing.** Unless the hearing is waived, all contested cases shall commence with the service of a notice of hearing fixing the time and place for hearing. The notice, including any incorporated or attached statement of charges, shall contain those items specified in Iowa Code section 17A.12(2) and, if applicable, Iowa Code section 17A.18(3), and the following:

- a. A statement of the time, place, and nature of the hearing;
- b. A statement of the legal authority and jurisdiction under which the hearing is to be held;
- c. A reference to the particular sections of the statutes and rules involved;
- d. A short and plain statement of the matters asserted;
- e. Identification of all parties, including the name, address and telephone number of the assistant attorney general designated as prosecutor for the state and the respondent's counsel where known;
- f. Reference to the procedural rules governing conduct of the contested case proceeding;
- g. Reference to the procedural rules governing informal settlement after charges are filed;
- h. Identification of the board or a panel of board members as the presiding officer, or statement that the presiding officer will be an administrative law judge from the department of inspections and appeals;
- i. If applicable, notification of the time period in which a party may request, pursuant to Iowa Code section 17A.11 and rule 193F—20.10(17A,272C), that the presiding officer be an administrative law judge from the department of inspections and appeals;
- j. A statement requiring or authorizing the respondent to submit an answer of the type specified in rule 193F—20.9(17A,272C) within 20 days after service of the notice of hearing;
- k. If applicable, notification of the licensee's right to request a closed hearing in a licensee disciplinary proceeding;
- l. Information on whom to contact if, because of a disability, auxiliary aids or services are needed for a party to participate in the matter;
- m. If applicable, the date, time, and manner of conduct of a prehearing conference under rule 193F—20.21(17A,272C); and
- n. The mailing address and email address for filing with the board and notice of the option of email service as provided in subrule 20.17(6).

**20.6(2) Service of notice of hearing.** Service of notice of hearing on a licensee to commence a contested case which may affect the licensee's continued licensure, such as a licensee disciplinary case or challenge to the renewal of a license, shall be made by personal service as in civil actions, by restricted certified mail, return receipt requested, or by the acceptance of service by the licensee or the licensee's duly authorized legal representative. Service of the notice of hearing to commence all other contested cases may additionally be made by certified mail, return receipt requested.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.7(13,272C) Legal representation.**

**20.7(1)** Every statement of charges and notice of hearing prepared by the board shall be reviewed and approved by the office of the attorney general, which shall be responsible for the legal representation of the public interest in all proceedings before the board. The assistant attorney general assigned to prosecute a contested case before the board shall not represent the board in that case but shall represent the public interest.

**20.7(2)** The respondent or applicant may be represented by an attorney. The attorney shall file an appearance in the contested case. If the attorney is not licensed to practice law in Iowa, the attorney shall comply with Iowa Court Rule 31.14.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.8(17A) Requests for contested case proceeding.** Any person claiming an entitlement to a contested case proceeding shall file a written request for such a proceeding within the time specified by the particular rules or statutes governing the subject matter or, in the absence of such law, the time specified in the board action in question.

The request for a contested case proceeding shall state the name and address of the requester; identify the specific board action which is disputed; describe issues of material fact in dispute; and, where the requester is represented by a lawyer, identify the provisions of law or precedent requiring or authorizing the holding of a contested case proceeding in the particular circumstances involved. If the board grants the request, the board shall issue a notice of hearing. If the board denies the request, the board shall issue a written order specifying the basis for the denial.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.9(17A,272C) Form of answer.**

**20.9(1)** Unless otherwise provided in the notice of hearing, the answer shall:

*a.* State the name, address, and telephone number of the person filing the answer, the person on whose behalf it is filed, and the attorney representing that person, if any.

*b.* Specifically admit, deny, or otherwise answer all material allegations of the statement of charges.

*c.* State any facts deemed to show an affirmative defense and contain as many additional defenses as the pleader may claim.

Any allegation in the statement of charges not denied in the answer is considered admitted. Any affirmative defense not raised in the answer shall be deemed waived for purposes of any subsequent intra-agency appeal, judicial review and corresponding appeal(s).

**20.9(2)** The answer may include any additional facts or information which the respondent deems relevant to the issues and which may be of assistance in the ultimate determination of the case, including explanations, remarks or statements of mitigating circumstances.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.10(17A,272C) Presiding officer.**

**20.10(1)** The presiding officer in all licensee disciplinary contested cases shall be the board, a panel of board members, or a panel of nonboard member specialists as provided in Iowa Code sections 272C.6(1) and 272C.6(2). When board members act as presiding officer, they shall conduct the hearing and issue either a final decision or, if a quorum of the board is not present, a proposed decision. As provided in subrule 20.10(4), the board may be assisted by an administrative law judge when the board acts as presiding officer.

**20.10(2)** In cases which do not pertain to licensee discipline, the board may act as presiding officer or may notify the parties that an administrative law judge will act as presiding officer at hearing and issue a proposed decision. The use of an administrative law judge as presiding officer is only an option in cases which do not pertain to licensee discipline because only the board may conduct licensee discipline hearings pursuant to Iowa Code section 272C.6. Any party to a nondisciplinary case who wishes to request that the presiding officer assigned to render a proposed decision be an administrative law judge employed by the department of inspections and appeals must file a written request within 20 days after service of a notice of hearing which identifies the presiding officer as the board. The board may deny the request only upon a finding that one or more of the following apply:

*a.* Neither the board nor any officer of the board under whose authority the contested case is to take place is a named party to the proceeding or a real party in interest to that proceeding.

*b.* There is a compelling need to expedite issuance of a final decision in order to protect the public health, safety, or welfare.

c. The case involves a disciplinary hearing to be held by the board pursuant to Iowa Code section 272C.6.

d. The case involves significant policy issues of first impression that are inextricably intertwined with the factual issues presented.

e. The demeanor of the witnesses is likely to be dispositive in resolving the disputed factual issues.

f. Funds are unavailable to pay the costs of an administrative law judge and an interboard appeal.

g. The request was not timely filed.

h. The request is not consistent with a specified statute.

**20.10(3)** The board shall issue a written ruling specifying the grounds for its decision within 20 days after a request for an administrative law judge is filed. If the ruling is granted, the administrative law judge assigned to act as presiding officer and issue a proposed decision in a nondisciplinary contested case shall have a J.D. degree unless waived by the board.

**20.10(4)** The board or a panel of board members when acting as presiding officer may request that an administrative law judge perform certain functions as an aid to the board or board panel, such as ruling on prehearing motions, conducting the prehearing conference, ruling on evidentiary objections at hearing, assisting in deliberations, or drafting the written decision for review by the board or board panel.

**20.10(5)** All rulings by an administrative law judge who acts either as presiding officer or assistant to the board are subject to appeal to the board pursuant to rules 193F—20.31(17A) and 193F—20.32(17A). A party must timely seek intra-agency appeal of prehearing rulings or proposed decisions in order to exhaust adequate administrative remedies. While a party may seek immediate board or board panel review of rulings made by an administrative law judge when sitting with and acting as an aid to the board or board panel during a hearing, such immediate review is not required to preserve error for judicial review.

**20.10(6)** Unless otherwise provided by law, board members, when reviewing a proposed decision of a panel of the board or an administrative law judge, shall have the powers of and shall comply with the provisions of this chapter which apply to presiding officers.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

#### **193F—20.11(17A) Time requirements.**

**20.11(1)** Time shall be computed as provided in Iowa Code section 4.1(34).

**20.11(2)** For good cause, the presiding officer may extend or shorten the time to take any action, except as precluded by statute. Except for good cause stated in the record, before extending or shortening the time to take any action, the presiding officer shall afford all parties an opportunity to be heard or to file written arguments.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.12(17A) Waiver of procedures.** Unless otherwise precluded by law, the parties in a contested case proceeding may waive any provision of this chapter. However, the board in its discretion may refuse to give effect to such a waiver when it deems the waiver to be inconsistent with the public interest.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.13(17A,272C) Telephone and electronic proceedings.** The presiding officer may, on the officer's own motion or as requested by a party, order hearings or argument to be held by telephone conference or other electronic means in which all parties have an opportunity to participate. The presiding officer will determine the location of the parties and witnesses for telephone or other electronic hearings. The convenience of the witnesses or parties, as well as the nature of the case, will be considered when location is chosen. Disciplinary hearings will generally not be held by telephone or electronic means in the absence of consent by all parties, but the presiding officer may permit any witness to testify by telephone or other electronic means. Parties shall disclose at or before the prehearing conference if any witness will be testifying by telephone or other electronic means.

Objections, if any, shall be filed with the board and served on all parties at least three business days in advance of hearing.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.14(17A) Disqualification.**

**20.14(1)** A presiding officer or other person shall withdraw from participation in the making of any proposed or final decision in a contested case if that person:

- a. Has a personal bias or prejudice concerning a party or a representative of a party;
- b. Has personally investigated, prosecuted or advocated in connection with that case, the specific controversy underlying that case, another pending factually related contested case, or a pending factually related controversy that may culminate in a contested case involving the same parties;
- c. Is subject to the authority, direction or discretion of any person who has personally investigated, prosecuted or advocated, in connection with that contested case, the specific controversy underlying that contested case, or a pending factually related contested case or controversy involving the same parties;
- d. Has acted as counsel to any person who is a private party to that proceeding within the past two years;
- e. Has a personal financial interest in the outcome of the case or any other significant personal interest that could be substantially affected by the outcome of the case;
- f. Has a spouse or relative within the third degree of relationship that (1) is a party to the case, or an officer, director or trustee of a party; (2) is a lawyer in the case; (3) is known to have an interest that could be substantially affected by the outcome of the case; or (4) is likely to be a material witness in the case; or
- g. Has any other legally sufficient cause to withdraw from participation in the decision making in that case.

**20.14(2)** The term “personally investigated” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term “personally investigated” does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other board functions, including fact gathering for purposes other than investigation of the matter which culminates in a contested case. A person voluntarily appearing before the board or a committee of the board waives any objection to a board member or board staff both participating in the appearance and later participating as a decision maker or aid to the decision maker in a contested case. Factual information relevant to the merits of a contested case received by a person who later serves as presiding officer in that case shall be disclosed if required by Iowa Code section 17A.17(3) and subrule 20.28(9).

**20.14(3)** In a situation where a presiding officer or other person knows of information which might reasonably be deemed to be a basis for disqualification and decides voluntary withdrawal is unnecessary, that person shall submit the relevant information for the record by affidavit and shall provide for the record a statement of the reasons for the determination that withdrawal is unnecessary.

**20.14(4)** If a party asserts disqualification on any appropriate ground, including those listed in subrule 20.14(1), the party shall file a motion supported by an affidavit pursuant to Iowa Code sections 17A.11(3) and 17A.17(7). The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party.

**20.14(5)** If, during the course of the hearing, a party first becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification but must establish the grounds by the introduction of evidence into the record.

**20.14(6)** A motion to disqualify a board member or other person shall first be directed to the affected board member or other person for determination. If the board member or other person determines that disqualification is appropriate, the board member or other person shall withdraw from further participation in the case. If the board member or other person determines that withdrawal is not required, the presiding officer shall promptly review that determination, provided that, if the person at

issue is an administrative law judge, the review shall be by the board. If the presiding officer determines that disqualification is appropriate, the board member or other person shall withdraw. If the presiding officer determines that withdrawal is not required, the presiding officer shall enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal under rule 193F—20.31(17A), if applicable, and seek a stay under rule 193F—20.34(17A).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.15(17A) Consolidation—severance.**

**20.15(1) Consolidation.** The presiding officer may consolidate any or all matters at issue in two or more contested case proceedings where (a) the matters at issue involve common parties or common questions of fact or law; (b) consolidation would expedite and simplify consideration of the issues involved; and (c) consolidation would not adversely affect the rights of any of the parties to those proceedings.

**20.15(2) Severance.** The presiding officer may, for good cause shown, order any contested case proceedings or portions thereof severed.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.16(17A) Amendments.** Any notice of hearing or statement of charges may be amended before a responsive pleading has been filed. Amendments to pleadings after a responsive pleading has been filed and to an answer may be allowed with the consent of the other parties or in the discretion of the presiding officer who may impose terms or grant a continuance.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.17(17A) Service and filing of pleadings and other papers.**

**20.17(1) When service is required.** Except where otherwise provided by law, every pleading, motion, document, or other paper filed in a contested case proceeding and every paper relating to discovery in such a proceeding shall be served upon each of the parties of record to the proceeding, including the person designated as prosecutor for the state, simultaneously with their filing. Except for the original notice of hearing and statement of charges, and an application for rehearing as provided in Iowa Code section 17A.16(2), the party filing a document is responsible for service on all parties. A notice of hearing and statement of charges shall be served by the board as provided in subrule 20.6(2). Once a specific administrative law judge has been assigned to a case, copies of all prehearing motions shall also be served on the administrative law judge.

**20.17(2) Service—how made.** Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery, including through electronic transmission if reasonably calculated to reach the party or the party's attorney, or by mailing a copy to the person's last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

**20.17(3) Filing—when required.** After the notice of hearing, all pleadings, motions, documents or other papers in a contested case proceeding shall be filed with the board. All pleadings, motions, documents or other papers that are required to be served upon a party shall be filed simultaneously with the board.

**20.17(4) Filing—how and when made.** Except where otherwise provided by law, a document is deemed filed at the time it is received by the board. Parties may file documents with the board by hand delivery or mail or by electronic transmission to the email address specified in the notice of hearing. If a document required to be filed within a prescribed period or on or before a particular date is received by the board after such period or such date, the document shall be deemed filed on the date it is mailed by first-class mail or state interoffice mail, so long as there is proof of mailing. Filing by electronic transmission is complete upon transmission unless the party making the filing learns that the attempted filing did not reach the board. The board will not provide a mailed file-stamped copy of documents filed by email or other approved electronic means.

**20.17(5) *Proof of mailing.*** Proof of mailing includes either a legible United States Postal Service nonmetered postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the Iowa Real Estate Appraiser Examining Board and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

**20.17(6) *Electronic service.*** Email or similar electronic means, unless precluded by a provision of law, shall be permitted to accomplish service where such electronic transmission is reasonably calculated to reach the other party or the other party's attorney. Factors to consider in determining whether such electronic transmission is reasonably calculated to reach the other party include, but are not limited to, prior communication practices between the parties, whether consent has been given by a party or the party's attorney, and whether the presiding officer has previously entered an order authorizing service by electronic transmission. Service by electronic transmission is complete upon transmission unless the board or party making service learns that the attempted service did not reach the party to be served. **193F—20.18(17A) Discovery.**

**20.18(1)** The scope of discovery described in Iowa Rule of Civil Procedure 1.503 shall apply to contested case proceedings.

**20.18(2)** The following discovery procedures available in the Iowa Rules of Civil Procedure are available to the parties in a contested case proceeding: depositions upon oral examination or written questions; written interrogatories; production of documents, electronically stored information, and things; and requests for admission. Unless lengthened or shortened by the presiding officer, the time frames for discovery in the specific Iowa Rule of Civil Procedure govern those specific procedures.

*a.* Iowa Rules of Civil Procedure 1.701 through 1.717 regarding depositions shall apply to any depositions taken in a contested case proceeding. Any party taking a deposition in a contested case shall be responsible for any deposition costs, unless otherwise specified or allocated in an order. Deposition costs include, but are not limited to, reimbursement for mileage of the deponent, costs of a certified shorthand reporter, and expert witness fees, as applicable.

*b.* Iowa Rule of Civil Procedure 1.509 shall apply to any interrogatories propounded in a contested case proceeding.

*c.* Iowa Rule of Civil Procedure 1.512 shall apply to any requests for production of documents, electronically stored information, and things in a contested case proceeding.

*d.* Iowa Rule of Civil Procedure 1.510 shall apply to any requests for admission in a contested case proceeding. Iowa Rule of Civil Procedure 1.511 regarding the effect of an admission shall apply in a contested case proceeding.

**20.18(3)** The mandatory disclosure and discovery conference requirements in Iowa Rules of Civil Procedure 1.500 and 1.507 do not apply to a contested case proceeding. However, upon application by a party, the board may order the parties to comply with these procedures unless doing so would unreasonably complicate the proceeding or impose an undue hardship. As a practical matter, the purpose of the disclosure requirements and discovery conference is served by the board's obligation to supply the information described in Iowa Code section 17A.13(2) upon request while a contested case is pending and the mutual exchange of information required in a prehearing conference under rule 193F—20.21(17A,272C).

**20.18(4)** Iowa Rule of Civil Procedure 1.508 shall apply to discovery of any experts identified by a party to a contested case proceeding.

**20.18(5)** Discovery shall be served on all parties to the contested case proceeding but shall not be filed with the board.

**20.18(6)** A party may file a motion to compel or other motion related to discovery in accordance with this subrule. Any motion filed with the board relating to discovery shall allege that the moving party has previously made a good-faith attempt to resolve with the opposing party the discovery issues involved. Motions in regard to discovery shall be ruled upon by the presiding officer. Opposing parties shall be afforded the opportunity to respond within ten days of the filing of the motion unless the time is lengthened or shortened by the presiding officer. The presiding officer may rule on the basis of the written motion and any response or may order argument on the motion.

**20.18(7)** Evidence obtained in discovery may be used in the contested case proceeding if that evidence would otherwise be admissible in that proceeding.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.19(17A,272C) Issuance of subpoenas in a contested case.**

**20.19(1)** Subpoenas issued in a contested case may compel the attendance of witnesses at deposition or hearing, and may compel the production of books, papers, records, and other real evidence. A command to produce evidence or to permit inspection may be joined with a command to appear at deposition or hearing, or each command may be issued separately. Subpoenas shall be issued by the executive officer or designee upon a written request that complies with this rule. In the case of a request for a subpoena of mental health records, the request must confirm compliance with the following conditions prior to the issuance of the subpoena:

- a. The nature of the issues in the case reasonably justifies the issuance of the requested subpoena;
- b. Adequate safeguards have been established to prevent unauthorized disclosure;
- c. An express statutory mandate, articulated public policy, or other recognizable public interest favors access; and
- d. An attempt was made to notify the patient and to secure an authorization from the patient for the release of the records at issue.

**20.19(2)** A request for a subpoena shall include the following information, as applicable:

- a. The name, address, email address, and telephone number of the person requesting the subpoena;
- b. The name and address of the person to whom the subpoena shall be directed;
- c. The date, time, and location at which the person shall be commanded to attend and give testimony;
- d. Whether the testimony is requested in connection with a deposition or hearing;
- e. A description of the books, papers, records or other real evidence requested;
- f. The date, time, and location for production, or inspection and copying; and
- g. In the case of a subpoena request for mental health records, confirmation that the conditions described in subrule 20.19(1) have been satisfied.

**20.19(3)** Each subpoena shall contain, as applicable:

- a. The caption of the case;
- b. The name, address, and telephone number of the person who requested the subpoena;
- c. The name and address of the person to whom the subpoena is directed;
- d. The date, time, and location at which the person is commanded to appear;
- e. Whether the testimony is commanded in connection with a deposition or hearing;
- f. A description of the books, papers, records, or other real evidence the person is commanded to produce;
- g. The date, time, and location for production, or inspection and copying;
- h. The time within which a motion to quash or modify the subpoena must be filed;
- i. The signature, address, and telephone number of the executive officer or designee;
- j. The date of issuance; and
- k. A return of service.

**20.19(4)** The executive officer or designee shall mail copies of all subpoenas to the parties to the contested case. The person who requested the subpoena is responsible for serving the subpoena upon

the subject of the subpoena. If a subpoena is requested to compel testimony or documents for rebuttal or impeachment at hearing, the person requesting the subpoena shall so state in the request and may ask that copies of the subpoena not be mailed to the parties in the contested case.

**20.19(5)** Any person who is aggrieved or adversely affected by compliance with the subpoena, or any party to the contested case who desires to challenge the subpoena, must, within 14 days after service of the subpoena, or before the time specified for compliance if such time is less than 14 days, file with the board a motion to quash or modify the subpoena. The motion shall describe the legal reasons why the subpoena should be quashed or modified and may be accompanied by legal briefs or factual affidavits. However, if a subpoena solely requests the production of books, papers, records, or other real evidence and does not also seek to compel testimony, the person who is aggrieved or adversely affected by compliance with the subpoena may alternatively serve written objection on the requesting party before the earlier of the date specified for compliance or 14 days after the subpoena is served. The serving party may then file a motion asking the presiding officer to issue an order compelling production.

**20.19(6)** Upon receipt of a timely motion to quash or modify a subpoena or motion to compel production, the board may issue a decision or may request an administrative law judge to issue a decision. The administrative law judge or the board may quash or modify the subpoena, deny or grant the motion, or issue an appropriate protective order. Prior to ruling on the motion, the board or administrative law judge may schedule oral argument or hearing by telephone or in person.

**20.19(7)** A person aggrieved by a ruling of an administrative law judge who desires to challenge the ruling must appeal the ruling to the board in accordance with the procedure applicable to intra-agency appeals of proposed decisions set forth in rules 193F—20.31(17A) and 193F—20.32(17A), provided that all of the time frames are reduced by one-half.

**20.19(8)** If the person contesting the subpoena is not a party to the contested case proceeding, the board's decision is final for purposes of further intra-agency appeal. If the person contesting the subpoena is a party to the contested case proceeding, the board's decision is not final for purposes of further intra-agency appeal until there is a proposed decision in the contested case.

### **193F—20.20(17A) Motions.**

**20.20(1)** No technical form for motions is required. However, prehearing motions must be in writing, state the grounds for relief, and state the relief sought.

**20.20(2)** Any party may file a written response to a motion within ten days after the motion is served, unless the time period is extended or shortened by rules of the board or the presiding officer. The presiding officer may consider a failure to respond within the required time period in ruling on a motion.

**20.20(3)** The presiding officer may schedule oral argument on any motion. If the board requests that an administrative law judge issue a ruling on a prehearing motion, the ruling is subject to interlocutory appeal pursuant to rule 193F—20.31(17A).

**20.20(4)** Motions pertaining to the hearing, except motions for summary judgment, must be filed and served at least seven days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by rule of the board or an order of the presiding officer.

**20.20(5)** Motions for summary judgment shall comply with the requirements of Iowa Rule of Civil Procedure 1.981 and shall be subject to disposition according to the requirements of that rule to the extent such requirements are not inconsistent with the provisions of this rule or any other provision of law governing the procedure in contested cases.

**20.20(6)** Motions for summary judgment must be filed and served at least 20 days prior to the scheduled hearing date, or other time period determined by the presiding officer. Any party resisting the motion shall file and serve a resistance within ten days, unless otherwise ordered by the presiding officer, from the date a copy of the motion was served. The time fixed for hearing or nonoral submission shall be not less than 15 days after the filing of the motion, unless a shorter time is ordered by the presiding

officer. A summary judgment order rendered on all issues in a contested case is subject to rehearing pursuant to rule 193F—20.33(17A) and appeal pursuant to rule 193F—20.32(17A).  
[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.21(17A,272C) Prehearing conference and disclosures.**

**20.21(1)** Any party may request a prehearing conference. A written request for prehearing conference or an order for prehearing conference on the presiding officer's own motion shall be filed not less than ten days prior to the hearing date. A prehearing conference shall be scheduled not less than five business days prior to the hearing date. The board shall set a prehearing conference in all licensee disciplinary cases and provide notice of the date and time in the notice of hearing. Written notice of the prehearing conference shall be given by the board to all parties. For good cause the presiding officer may permit variances from this rule.

**20.21(2)** Each party shall disclose at or prior to the prehearing conference:

- a. A final list of the witnesses who the party anticipates will testify at hearing. Witnesses not listed may be excluded from testifying unless there was good cause for the failure to include their names; and
- b. A final list of exhibits which the party anticipates will be introduced at hearing. Exhibits other than rebuttal exhibits that are not listed may be excluded from admission into evidence unless there was good cause for the failure to include them.

Witness or exhibit lists may be amended subsequent to the prehearing conference within the time limits established by the presiding officer at the prehearing conference. Any such amendments must be served on all parties.

**20.21(3)** In addition to the requirements of subrule 20.21(2), the parties at a prehearing conference may:

- a. Enter into stipulations of law or fact;
- b. Enter into stipulations on the admissibility of exhibits;
- c. Identify matters which the parties intend to request be officially noticed;
- d. Enter into stipulations for waiver of any provision of law; and
- e. Consider any additional matters which will expedite the hearing.

**20.21(4)** Prehearing conferences shall be conducted by telephone unless otherwise ordered. Parties shall exchange and receive witness and exhibit lists in advance of a telephone prehearing conference. Unless otherwise provided in the order setting a prehearing conference, the prehearing conference shall be conducted by an administrative law judge.

**20.21(5)** The parties shall exchange copies of all exhibits marked for introduction at hearing in the manner provided in subrule 20.26(4) no later than three business days in advance of hearing, or as ordered by the presiding officer at the prehearing conference.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.22(17A) Continuances.** Unless otherwise provided, applications for continuances shall be made to the presiding officer.

**20.22(1)** A written application for a continuance shall:

- a. Be made at the earliest possible time and no less than seven days before the hearing except in case of unanticipated emergencies;
- b. State the specific reasons for the request; and
- c. Be signed by the requesting party or the party's representative.

An oral application for a continuance may be made if the presiding officer waives the requirement for a written motion. However, a party making such an oral application for a continuance must confirm that request by written application within five days after the oral request unless that requirement is waived by the presiding officer. No application for continuance shall be made or granted without notice to all parties except in an emergency where notice is not feasible. The board may waive notice of such requests for a particular case or an entire class of cases.

**20.22(2)** In determining whether to grant a continuance, the presiding officer may require documentation of any grounds for continuance and may consider:

- a. Prior continuances;

- b. The interests of all parties;
- c. The likelihood of informal settlement;
- d. The existence of an emergency;
- e. Any objection;
- f. Any applicable time requirements;
- g. The existence of a conflict in the schedules of counsel, parties, or witnesses;
- h. The timeliness of the request; and
- i. Other relevant factors.

**20.22(3)** The board's executive officer or an administrative law judge may enter an order granting an uncontested application for a continuance. Upon consultation with the board chair or chair's designee, the board's executive officer or an administrative law judge may deny an uncontested application for a continuance, or rule on a contested application for continuance.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.23(17A) Withdrawals.** A party requesting a contested case proceeding may withdraw that request prior to the hearing upon written notice filed with the board and served on all parties. Unless otherwise ordered by the board, a withdrawal shall be with prejudice.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.24(17A) Intervention.**

**20.24(1) Motion.** A motion for leave to intervene in a contested case proceeding shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of intervention on the proceeding. A proposed answer or petition in intervention shall be attached to the motion. Any party may file a response within 14 days of service of the motion to intervene unless the time period is extended or shortened by the presiding officer.

**20.24(2) When filed.** Motion for leave to intervene shall be filed as early in the proceeding as possible to avoid adverse impact on existing parties or the conduct of the proceeding. Unless otherwise ordered, a motion for leave to intervene shall be filed before the prehearing conference, if any, or at least 20 days before the date scheduled for hearing. Any later motion must contain a statement of good cause for the failure to file in a timely manner. Unless inequitable or unjust, an intervenor shall be bound by any agreement, arrangement, or other matter previously raised in the case. Requests by untimely intervenors for continuances which would delay the proceeding will ordinarily be denied.

**20.24(3) Grounds for intervention.** The movant shall demonstrate that (a) intervention would not unduly prolong the proceedings or otherwise prejudice the rights of existing parties; (b) the movant is likely to be aggrieved or adversely affected by a final order in the proceeding; and (c) the interests of the movant are not adequately represented by existing parties.

**20.24(4) Effect of intervention.** If appropriate, the presiding officer may order consolidation of the petitions and briefs of different parties whose interests are aligned with each other and limit the number of representatives allowed to participate actively in the proceedings. A person granted leave to intervene is a party to the proceeding. The order granting intervention may restrict the issues that may be raised by the intervenor or otherwise condition the intervenor's participation in the proceeding.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.25(17A,272C) Hearings.** The presiding officer shall be in control of the proceedings and shall have the authority to administer oaths and to admit or exclude testimony or other evidence and shall rule on all motions and objections. The board may request that an administrative law judge assist the board by performing any of these functions. Parties have the right to participate or to be represented in all hearings. Any party may be represented by an attorney at the party's expense.

**20.25(1) Examination of witnesses.** All witnesses shall be sworn or affirmed by the presiding officer or the court reporter and shall be subject to cross-examination. Board members and the administrative law judge have the right to examine witnesses at any stage of a witness's testimony. The presiding officer may limit questioning in a manner consistent with law.

**20.25(2) Public hearing.** The hearing shall be open to the public unless a licensee or licensee's attorney requests in writing that a licensee disciplinary hearing be closed to the public. At the request of a party or on the presiding officer's own motion, the presiding officer may issue a protective order to protect all or a part of a record or information which is privileged or confidential by law.

**20.25(3) Record of proceedings.** Oral proceedings shall be recorded either by mechanical or electronic means or by certified shorthand reporters. Oral proceedings or any part thereof shall be transcribed at the request of any party with the expense of the transcription charged to the requesting party. The recording or stenographic notes of oral proceedings or the transcription shall be filed with and maintained by the board for at least five years from the date of decision.

**20.25(4) Order of proceedings.** Before testimony is presented, the record shall show the identities of any board members present, the identity of the administrative law judge, the identities of the primary parties and their representatives, and the fact that all testimony is being recorded. In contested cases initiated by the board, such as licensee discipline, hearings shall generally be conducted in the following order, subject to modification at the discretion of the board:

*a.* The presiding officer or designated person may read a summary of the charges and answers thereto and other responsive pleadings filed by the respondent prior to the hearing.

*b.* The assistant attorney general representing the state interest before the board shall make a brief opening statement which may include a summary of charges and the names of any witnesses and documents to support such charges.

*c.* Each respondent shall be offered the opportunity to make an opening statement, including the names of any witnesses the respondent(s) desires to call in defense. A respondent may elect to make the opening statement just prior to the presentation of evidence by the respondent(s).

*d.* The presentation of evidence on behalf of the state.

*e.* The presentation of evidence on behalf of the respondent(s).

*f.* Rebuttal evidence on behalf of the state, if any.

*g.* Rebuttal evidence on behalf of the respondent(s), if any.

*h.* Closing arguments first on behalf of the state, then on behalf of the respondent(s), and then on behalf of the state, if any.

The order of proceedings shall be tailored to the nature of the contested case. In license reinstatement hearings, for example, the respondent will generally present evidence first because the respondent is obligated to present evidence in support of the respondent's application for reinstatement pursuant to rule 193F—20.38(17A,272C). In license denial hearings, the state will generally first establish the basis for the board's denial of licensure, but thereafter the applicant has the burden of establishing the conditions for licensure pursuant to rule 193F—20.39(546,543D,272C).

**20.25(5) Decorum.** The presiding officer shall maintain the decorum of the hearing and may refuse to admit or may expel anyone whose conduct is disorderly.

**20.25(6) Immunity.** The presiding officer shall have authority to grant immunity from disciplinary action to a witness, as provided by Iowa Code section 272C.6(3), but only upon the unanimous vote of all members of the board hearing the case. The official record of the hearing shall include the reasons for granting the immunity.

**20.25(7) Sequestering witnesses.** The presiding officer, on the officer's own motion or upon the request of a party, may sequester witnesses.

**20.25(8) Witness representation.** Witnesses are entitled to be represented by an attorney at their own expense. In a closed hearing, the attorney may be present only when the client testifies. The attorney may assert legal privileges personal to the client but may not make other objections. The attorney may only ask questions of the client to prevent a misstatement from entering the record.

**20.25(9) Depositions.** Depositions may be used at hearing to the extent permitted by Iowa Rule of Civil Procedure 1.704.

**20.25(10) Witness fees.** The parties in a contested case shall be responsible for any witness fees and expenses incurred by witnesses appearing at the contested case hearing, unless otherwise specified or allocated in an order. The costs for lay witnesses shall be determined in accordance with Iowa Code section 622.69. The costs for expert witnesses shall be determined in accordance with Iowa Code section

622.72. Witnesses are entitled to reimbursement for mileage and may be entitled to reimbursement for meals and lodging, as incurred.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

### **193F—20.26(17A) Evidence.**

**20.26(1)** The presiding officer shall rule on admissibility of evidence and may, where appropriate, take official notice of facts in accordance with all applicable requirements of law.

**20.26(2)** Stipulation of facts is encouraged. The presiding officer may make a decision based on stipulated facts.

**20.26(3)** Evidence in the proceeding shall be confined to the issues as to which the parties received notice prior to the hearing unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. If the presiding officer decides to admit evidence on issues outside the scope of the notice over the objection of a party who did not have actual notice of those issues, that party, upon timely request, shall receive a continuance sufficient to amend pleadings and to prepare on the additional issue.

**20.26(4)** The party seeking admission of an exhibit must provide opposing parties with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents shall be provided to opposing parties. Copies should also be furnished to members of the board. All exhibits admitted into evidence shall be appropriately marked and be made part of the record. The state's exhibits shall be marked numerically, and the applicant's or respondent's exhibits shall be marked alphabetically.

**20.26(5)** Any party may object to specific evidence or may request limits on the scope of any examination or cross-examination. Such an objection must be timely and shall be accompanied by a brief statement of the grounds upon which it is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

**20.26(6)** Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

**20.26(7)** Irrelevant, immaterial and unduly repetitious evidence should be excluded. A finding will be based upon the kind of evidence upon which reasonably prudent persons are accustomed to rely for the conduct of their serious affairs, and may be based on hearsay or other types of evidence which may or would be inadmissible in a jury trial.

### **193F—20.27(17A) Default.**

**20.27(1)** If a party fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a decision in the absence of the party.

**20.27(2)** Where appropriate and not contrary to law, any party may move for default against a party who has requested the contested case proceeding and has failed to file a required pleading or has failed to appear after proper service.

**20.27(3)** Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final board action unless, within 15 days after the date of notification or mailing of the decision, a motion to vacate is filed and served on all parties or an appeal of a decision on the merits is timely initiated within the time provided by rule 193F—20.32(17A). A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for that party's failure to appear or participate at the contested case proceeding. Each fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact, which affidavit(s) must be attached to the motion.

**20.27(4)** The time for further appeal of a decision for which a timely motion to vacate has been filed is stayed pending a decision on the motion to vacate.

**20.27(5)** Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party. Adverse parties shall have ten days to respond to a motion to vacate. Adverse parties shall be allowed to conduct discovery as to the issue of good cause and to present evidence on the issue prior to a decision on the motion, if a request to do so is included in that party's response.

**20.27(6)** "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

**20.27(7)** A decision denying a motion to vacate is subject to further appeal within the time limit allowed for further appeal of a decision on the merits in the contested case proceeding. A decision granting a motion to vacate is subject to interlocutory appeal by the adverse party pursuant to rule 193F—20.31(17A).

**20.27(8)** If a motion to vacate is granted and no timely interlocutory appeal has been taken, the presiding officer shall issue another notice of hearing and the contested case shall proceed accordingly.

**20.27(9)** A default decision may award any relief consistent with the request for relief made in the petition and embraced in its issues.

**20.27(10)** A default decision may provide either that the default decision is to be stayed pending a timely motion to vacate or that the default decision is to take effect immediately, subject to a request for stay under rule 193F—20.34(17A).

**193F—20.28(17A) Ex parte communication.**

**20.28(1)** Prohibited communications. Unless required for the disposition of ex parte matters specifically authorized by statute, following issuance of the notice of hearing, there shall be no communication, directly or indirectly, between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in such case in connection with any issue of fact or law in the case except upon notice and opportunity for all parties to participate. This does not prohibit persons jointly assigned such tasks from communicating with each other. Nothing in this provision is intended to preclude the presiding officer from communicating with members of the board or seeking the advice or help of persons other than those with a personal interest in, or those engaged in personally investigating as defined in subrule 20.14(2), prosecuting, or advocating in, either the case under consideration or a pending factually related case involving the same parties as long as those persons do not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

**20.28(2)** Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

**20.28(3)** Written, oral or other forms of communication are ex parte if made without notice and opportunity for all parties to participate.

**20.28(4)** To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Notice of written communications shall be provided in compliance with rule 193F—20.17(17A) and may be supplemented by telephone, facsimile, electronic mail or other means of notification. Where permitted, oral communications may be initiated through conference telephone call including all parties or their representatives.

**20.28(5)** Persons who jointly act as presiding officers in a pending contested case may communicate with each other without notice or opportunity for parties to participate.

**20.28(6)** The executive officer or other persons may be present in deliberations or otherwise advise the presiding officer without notice or opportunity for parties to participate as long as the executive officer or other persons are not disqualified from participating in the making of a proposed or final decision under any provision of law and the executive officer or other persons comply with subrule 20.28(1).

**20.28(7)** Communications with the presiding officer involving uncontested scheduling or procedural matters do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines pursuant to rule 193F—20.22(17A).

**20.28(8)** Disclosure of prohibited communications. A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be submitted for inclusion in the record under seal by protective order. If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of the communication.

**20.28(9)** Promptly after being assigned to serve as presiding officer at any stage in a contested case proceeding, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section 17A.13(2) or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

**20.28(10)** The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule including default, a decision against the offending party, censure, or suspension or revocation of the privilege to practice before the board. Violation of ex parte communication prohibitions by board personnel shall be reported to the superintendent for possible sanctions including censure, suspension, dismissal, or other disciplinary action.

**193F—20.29(17A) Recording costs.** Upon request, the board shall provide a copy of the whole record or any portion of the record at cost. The cost of preparing a copy of the record or of transcribing the hearing record shall be paid by the requesting party.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.30(17A,272C) Final decisions, publication and client notification.**

**20.30(1) Final decision.** When a quorum of the board presides over the reception of evidence at the hearing, the decision is a final decision. The final decision of the board shall be filed with the executive officer. A copy of the final decision and order shall immediately be sent by certified mail, return receipt requested, to the licensee's or other respondent's last-known U.S. Postal Service address or may be served as in the manner of original notices. A party's attorney may waive formal service and accept service in writing for the party. Copies shall be mailed by interoffice mail or first-class mail to the prosecutor and counsel of record.

**20.30(2) Publication of decisions.** Final decisions of the board, including consent agreements and consent orders, are public documents, are available to the public and may be disseminated as provided in Iowa Code chapter 22 by the board or others. Final decisions relating to licensee discipline shall be published on the board's website, may be published in the board's newsletter, and may be transmitted to the appropriate professional association(s), national association(s), other states, and news media, or otherwise disseminated. The board may, in its discretion, issue a formal press release.

**20.30(3) Notification of clients.** Within 15 days (or such other time period specifically ordered by the board) of the licensee's receipt of a final decision of the board, whether entered by consent or following hearing, which suspends or revokes a license or accepts a voluntary surrender of a license to resolve a disciplinary case, the licensee shall notify in writing all current clients of the fact that the license has been suspended, revoked or voluntarily surrendered. Such notice shall advise clients to obtain alternative professional services. Within 30 days of receipt of the board's final order, the licensee shall file with the

board copies of the notices sent. Compliance with this requirement shall be a condition for an application for reinstatement.

**193F—20.31(17A) Interlocutory appeals.** Upon written request of a party or on its own motion, the board may review an interlocutory order of the administrative law judge, such as a ruling on a motion to quash a subpoena or other prehearing motion. In determining whether to do so, the board shall weigh the extent to which its granting the interlocutory appeal would expedite final resolution of the case and the extent to which review of the interlocutory order at the time of the issuance of a final decision would provide an adequate remedy. Any request for interlocutory review must be filed within 14 days of issuance of the challenged order, but no later than the date for compliance with the order or the date of hearing, whichever is earlier.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.32(17A) Appeals and review.**

**20.32(1)** *Decisions issued by a panel of less than a quorum of the board or by an administrative law judge are proposed decisions.*

*a. Proposed decision.* Decisions issued by a panel of less than a quorum of the board or by an administrative law judge are proposed decisions. All licensee disciplinary decisions must be issued by the board. A proposed disciplinary decision issued by a panel of the board must be acted upon by the full board in order to become the board's final proposed decision for purposes of 193F—subrule 17.2(4). In nondisciplinary cases, a proposed decision issued by a panel of the board or an administrative law judge becomes a final proposed decision for purposes of 193F—subrule 17.2(4) if not timely appealed by any party or reviewed by the board.

*b. Appeal by party.* Any adversely affected party may appeal a proposed decision rendered by a panel of the board or administrative law judge to the board within 30 days after issuance of the proposed decision. Such an appeal is required prior to seeking further intra-agency appeal as set forth in subrule 20.32(2) and 193F—subrule 17.2(4), is required to exhaust administrative remedies and is a jurisdictional prerequisite to seeking judicial review.

*c. Review.* The board may initiate review of a proposed decision rendered by a panel of the board or administrative law judge on its own motion at any time within 30 days following the issuance of such a decision.

*d. Notice of appeal.* An appeal of a proposed decision is initiated by filing a timely notice of appeal with the board. The notice of appeal must be signed by the appealing party or a representative of that party and contain a certificate of service. The notice shall specify:

- (1) The parties initiating the appeal;
- (2) The proposed decision or order which is being appealed;
- (3) The specific findings or conclusions to which exception is taken and any other exceptions to the decision or order;
- (4) The relief sought;
- (5) The grounds for relief.

*e. Requests to present additional evidence.* A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence. A written request to present additional evidence must be filed with the notice of appeal or, by a nonappealing party, within 14 days of service of the notice of appeal. The board may remand a case to the presiding officer for further hearing or may itself preside at the taking of additional evidence.

*f. Scheduling.* The board shall issue a schedule for consideration of the appeal.

*g. Briefs and arguments.* Unless otherwise ordered, within 20 days of the notice of appeal or order for review, each appealing party may file exceptions and briefs. Within 20 days thereafter, any party may file a responsive brief. Briefs shall cite any applicable legal authority and specify relevant portions of the record in that proceeding. Written requests to present oral argument shall be filed with the briefs.

The board may resolve the appeal on the briefs or provide an opportunity for oral argument. The board may shorten or extend the briefing period as appropriate.

*h. Record.* The record on appeal or review shall be the entire record made before the hearing panel or administrative law judge.

**20.32(2) Intra-agency review or appeal to the superintendent.**

*a. Proposed decisions.* Notwithstanding anything in these rules to the contrary, all board decisions in a contested case following hearing are proposed decisions and shall be provided to the superintendent when issued as required by 193F—subrule 17.2(4). Decisions issued by a panel of less than a quorum of the board or by an administrative law judge shall not constitute a final proposed decision of the board for purposes of this subrule and 193F—subrule 17.2(4) until the appeal and review procedures outlined in subrule 20.32(1) are exhausted and the review process is complete.

*b. Procedures for intra-agency review or appeal to the superintendent.* Procedures for intra-agency review or appeal by or to the superintendent in a hearing following a contested case are outlined in 193F—subrule 17.2(4) and are incorporated by reference as if set forth herein.

*c. Intra-agency appeal to superintendent.* No person aggrieved by a proposed decision of the board may seek judicial review of that action without first appealing the action to the superintendent, as more fully described in this subrule and 193F—Chapter 17. Such intra-agency appeal to the superintendent is required to exhaust administrative remedies and is a jurisdictional prerequisite to seeking judicial review.

**193F—20.33(17A) Applications for rehearing.**

**20.33(1) By whom filed.** Any party to a contested case proceeding may file an application for rehearing from a final order.

**20.33(2) Content of application.** The application for rehearing shall state on whose behalf it is filed, the specific grounds for rehearing, and the relief sought. In addition, the application shall state whether the applicant desires reconsideration of all or part of the board decision on the existing record and whether, on the basis of the grounds enumerated in subrule 20.33(3), the applicant requests an opportunity to submit additional evidence.

**20.33(3) Additional evidence.** A party may request the taking of additional evidence only by establishing that (a) the facts or other evidence arose after the original proceeding, or (b) the party offering such evidence could not reasonably have provided such evidence at the original proceeding, or (c) the party offering the additional evidence was misled by any party as to the necessity for offering such evidence at the original proceeding.

**20.33(4) Time of filing.** The application shall be filed with the board within 20 days after issuance of the final decision. The board's final decision is deemed issued on the date it is mailed or the date of delivery if service is by other means, unless another date is specified in the order. The application for rehearing is deemed filed on the date it is received by the board unless the provisions of subrule 20.17(4) apply.

**20.33(5) Notice to other parties.** A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein. If the application does not contain a certificate of service, the board shall serve copies of the application on all parties.

**20.33(6) Disposition.** An application for rehearing shall be deemed denied unless the board grants the application within 20 days after its filing. An order granting or denying an application for rehearing is deemed issued on the date it is filed with the board.

**20.33(7) Proceedings.** If the board grants an application for rehearing, the board may set the application for oral argument or for hearing if additional evidence will be received. If additional evidence will not be received, the board may issue a ruling without oral argument or hearing. The board may, on the request of a party or on its own motion, order or permit the parties to provide written argument on one or more designated issues. The board may be assisted by an administrative law judge in all proceedings related to an application for rehearing.

**193F—20.34(17A) Stays of board actions.****20.34(1) When available.**

*a.* Any party to a contested case proceeding may petition the board for a stay of an order issued in that proceeding or for other temporary remedies, pending review by the board. The petition shall be filed with the notice of appeal and shall state the reasons justifying a stay or other temporary remedy. The board may rule on the stay or authorize the administrative law judge to do so.

*b.* Any party to a contested case proceeding may petition the board for a stay or other temporary remedies, pending judicial review of all or part of that proceeding. The petition shall state the reasons justifying a stay or other temporary remedy. Seeking a stay from the board is required to exhaust administrative remedies before a stay may be sought from the district court.

**20.34(2) When granted.** In determining whether to grant a stay, the presiding officer or board shall consider the factors listed in Iowa Code section 17A.19(5) “c.”

**20.34(3) Vacation.** A stay may be vacated by the issuing authority upon application of the board or any other party.

**193F—20.35(17A) No factual dispute contested cases.** If the parties agree that no dispute of material fact exists as to a matter that would be a contested case if such a dispute of fact existed, the parties may present all relevant admissible evidence either by stipulation or otherwise as agreed by the parties, without necessity for the production of evidence at an evidentiary hearing. If such agreement is reached, a jointly submitted schedule detailing the method and timetable for submission of the record, briefs and oral argument should be submitted to the presiding officer for approval as soon as practicable. If the parties cannot agree, any party may file and serve a motion for summary judgment pursuant to the rules governing such motions.

**193F—20.36(17A) Emergency adjudicative proceedings.**

**20.36(1) Necessary emergency action.** To the extent necessary to prevent or avoid immediate danger to the public health, safety or welfare, and consistent with the United States Constitution and Iowa Constitution and other provisions of law, the board may issue a written order in compliance with Iowa Code section 17A.18A to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the board by emergency adjudicative order. Before issuing an emergency adjudicative order, the board shall consider factors including, but not limited to, the following:

*a.* Whether there has been a sufficient factual investigation to ensure that the board is proceeding on the basis of reliable information;

*b.* Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing;

*c.* Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare;

*d.* Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare; and

*e.* Whether the specific action contemplated by the board is necessary to avoid the immediate danger.

**20.36(2) Issuance of order.**

*a.* An emergency adjudicative order shall contain findings of fact, conclusions of law, and policy reasons to justify the determination of an immediate danger in the board’s decision to take immediate action.

*b.* The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by utilizing one or more of the following procedures:

(1) Personal delivery;

(2) Certified mail, return receipt requested, to the last address on file with the board;

(3) Certified mail to the last address on file with the board;

- (4) First-class mail to the last address on file with the board; or
- (5) Electronic service. Fax or email notification may be used as the sole method of delivery if the person required to comply with the order has filed a written request that board orders be sent by fax or email and has provided a fax number or email address for that purpose.

c. To the degree practicable, the board shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

**20.36(3) Oral notice.** Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the board shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

**20.36(4) Completion of proceedings.** After the issuance of an emergency adjudicative order, the board shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

Issuance of a written emergency adjudicative order shall include notification of the date on which board proceedings are scheduled for completion. After issuance of an emergency adjudicative order, continuance of further board proceedings to a later date will be granted only in compelling circumstances upon application in writing.

**193F—20.37(17A,272C) Judicial review.** Judicial review of the board's decision may be sought in accordance with the terms of Iowa Code chapter 17A.

**20.37(1)** Consistent with Iowa Code section 17A.19(3), if a party does not file a timely application for rehearing, a judicial review petition must be filed with the district court within 30 days after the issuance of the board's final decision. The board's final decision is deemed issued on the date it is mailed or the date of delivery if service is by other means, unless another date is specified in the order.

**20.37(2)** If a party does file a timely application for rehearing, a judicial review petition must be filed with the district court within 30 days after the application for rehearing is denied or deemed denied. An application for rehearing is denied or deemed denied as provided in subrule 20.33(6).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.38(17A,272C) Reinstatement.**

**20.38(1)** The term "reinstatement" as used in this rule shall include both the reinstatement of a suspended license and the issuance of a new license following the revocation or voluntary surrender of a license. Reinstating a license to active status under this rule is a two-step process:

a. First, the board must determine whether the suspended, revoked, or surrendered license may be reinstated under the terms of the order revoking or suspending the license or accepting the surrender of the license and under the two-part test described in subrule 20.38(5).

b. Second, if the board grants the application to reinstate, the licensee must complete and submit an application to demonstrate satisfaction of all administrative preconditions for reinstatement of the license to active status, including verification of completion of all continuing education and payment of reinstatement and renewal fees.

**20.38(2)** Any person whose license has been revoked or suspended by the board, or who voluntarily surrendered a license in a disciplinary proceeding, may apply to the board for reinstatement in accordance with the terms of the order of revocation or suspension, or order accepting the voluntary surrender.

**20.38(3)** Unless otherwise provided by law, if the order of revocation or suspension did not establish terms upon which reinstatement might occur, or if the license was voluntarily surrendered, an initial application for reinstatement may not be made until at least one year has elapsed from the date of the order or the date the board accepted the voluntary surrender of a license.

**20.38(4)** All proceedings for reinstatement shall be initiated by the respondent, who shall file with the board an application for reinstatement of the respondent's license. Such application shall be docketed in the original case in which the license was revoked, suspended, or relinquished. All proceedings upon the petition for reinstatement, including the matters preliminary and ancillary thereto, shall be subject to the same rules of procedure as other cases before the board. In addition, the board may grant an applicant's request to appear informally before the board prior to the issuance of a notice of hearing

on the application if the applicant requests an informal appearance in the application and agrees not to seek to disqualify on the ground of personal investigation the board members or staff before whom the applicant appears.

**20.38(5)** An application for reinstatement shall allege facts which, if established, will be sufficient to enable the board to determine that the basis of revocation, suspension or voluntary surrender of the respondent's license no longer exists and that it will be in the public interest for the license to be reinstated. Compliance with subrule 20.30(3) must also be established. The burden of proof to establish such facts shall be on the respondent. An order of reinstatement may include such conditions as the board deems reasonable under the circumstances. The board may grant the application without hearing, but may not deny the application in whole or in part without setting the matter for hearing or providing the applicant the opportunity to request a contested case hearing if aggrieved by a term of the reinstatement order.

**20.38(6)** An order of reinstatement shall be based upon a decision which incorporates findings of fact and conclusions of law and must be based upon the affirmative vote of not less than a majority of the board. This order will be published as provided for in subrule 20.30(2).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.39(546,543D,272C) Hearing on license denial.** If the board denies an application for an initial, reciprocal or comity license, the executive officer shall send written notice to the applicant by regular first-class mail identifying the factual and legal basis for denying the application. If the board denies an application to renew an existing license, the provisions of rule 193F—20.40(546,543D,272C) shall apply.

**20.39(1)** An applicant who is aggrieved by the denial of an application for licensure and who desires to contest the denial must request a hearing before the board within 30 calendar days of the date the notice of denial is mailed. A request for a hearing must be in writing and is deemed made on the date of the United States Postal Service nonmetered postmark or the date of personal service to the board office. The request for hearing shall specify the factual or legal errors that the applicant contends were made by the board, must identify any factual disputes upon which the applicant desires an evidentiary hearing, and may provide additional written information or documents in support of licensure. If a request for hearing is timely made, the board shall promptly issue a notice of contested case hearing on the grounds asserted by the applicant.

**20.39(2)** The board, in its discretion, may act as presiding officer at the contested case hearing, may hold the hearing before a panel of three board members, or may request that an administrative law judge act as presiding officer. The applicant may request that an administrative law judge act as presiding officer and render a proposed decision pursuant to rule 193F—20.10(17A,272C). A proposed decision by a panel of board members or an administrative law judge is subject to appeal or review by the board pursuant to rule 193F—20.32(17A).

**20.39(3)** License denial hearings are contested cases open to the public. Evidence supporting the denial of the license may be presented by an assistant attorney general. While each party shall have the burden of establishing the affirmative of matters asserted, the applicant shall have the ultimate burden of persuasion as to the applicant's qualification for licensure.

**20.39(4)** The board, after a hearing on license denial, may grant or deny the application for licensure. If denied, the board shall state the reasons for denial of the license and may state conditions under which the application for licensure might be granted, if applicable.

**20.39(5)** The notice of license denial, request for hearing, notice of hearing, record at hearing and order are open records available for inspection and copying in accordance with Iowa Code chapter 22. Copies may be provided to the media, collateral organizations and other persons or entities.

**20.39(6)** Following intra-agency appeal to the superintendent as required by subrule 20.32(2) and 193F—subrule 17.2(4), judicial review of a final order of the board denying licensure may be sought in accordance with the provisions of Iowa Code section 17A.19, which are applicable to judicial review of any agency's final decision in a contested case.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.40(546,543D,272C) Denial of application to renew license.** If the board denies a timely and sufficient application to renew a license, a notice of hearing shall be issued to commence a contested case proceeding.

**20.40(1)** Hearings on denial of an application to renew a license shall be conducted according to the procedural rules applicable to contested cases. Evidence supporting the denial of the license may be presented by an assistant attorney general. The provisions of subrules 20.39(2) and 20.39(4) to 20.39(6) shall generally apply, although license denial hearings which are in the nature of disciplinary actions will be subject to all laws and rules applicable to such hearings.

**20.40(2)** Pursuant to Iowa Code section 17A.18(2), an existing license shall not terminate or expire if the licensee has made timely and sufficient application for renewal until the last day for seeking judicial review of the board's final order denying the application, or a later date fixed by order of the board or the reviewing court.

**20.40(3)** Within the meaning of Iowa Code section 17A.18(2), a timely and sufficient renewal application shall be:

*a.* Received by the board in paper or electronic form, or postmarked with a nonmetered United States Postal Service postmark on or before the date the license is set to expire or lapse;

*b.* Signed by the licensee if submitted in paper form or certified as accurate if submitted electronically;

*c.* Fully completed; and

*d.* Accompanied with the proper fee. The fee shall be deemed improper if, for instance, the amount is incorrect, the fee was not included with the application, the credit card number provided by the applicant is incorrect, the date of expiration of a credit card is omitted or incorrect, the attempted credit card transaction is rejected, or the applicant's check is returned for insufficient funds.

**20.40(4)** The administrative processing of an application to renew an existing license shall not prevent the board from subsequently commencing a contested case to challenge the licensee's qualifications for continued licensure if grounds exist to do so.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.41(543D,272C) Recovery of hearing fees and expenses.** The board may assess the licensee certain fees and expenses relating to a disciplinary hearing only if the board finds that the licensee has violated a statute or rule enforced by the board. Payment shall be made directly to the banking division of the department of commerce.

**20.41(1)** All hearing fees and costs assessed by the board shall be paid directly to the division of banking and shall be held in a separate fund administered by the superintendent. The superintendent shall distribute moneys held in this fund during the fiscal year in which those moneys are paid to the division of banking. Distributions from the fund shall be made upon the request of the board and in the sole discretion of the superintendent. A distribution received by the board under this chapter shall be used only for expenditures related to disciplinary hearings.

*a.* The superintendent shall consider the following factors in exercising discretion as to whether to distribute funds to the board:

(1) The remaining funds in the board's allocated budget appropriate for disciplinary hearings in that fiscal year;

(2) The number of disciplinary hearings the board has scheduled for the remainder of that fiscal year; the nature and seriousness of those hearings; and the public health, safety, and welfare interests implicated by those hearings;

(3) Whether the board has adopted and implemented hearing cost recovery rules.

*b.* The superintendent shall, within 45 days from the end of the fiscal year, distribute to the board a percentage of the remaining fees and costs that is equal to the percentage of the board's total allocated budget in relation to the divisionwide total budget governed by this chapter. The fees and costs allocated back to the board shall be considered repayment receipts as defined in Iowa Code section 8.2. The fees and costs allocated back to the board shall be applied to the costs incurred for prosecution of contested cases which could result in disciplinary action.

**20.41(2)** The board may assess the following costs under this rule:

- a.* For conducting a disciplinary hearing, an amount not to exceed \$75.
- b.* All applicable costs involved in the transcript of the hearing or other proceedings in the contested case including, but not limited to, the services of the court reporter at the hearing, transcription, duplication, and postage or delivery costs. In the event of an appeal or request for review, to the full board from a decision rendered by a panel of the board or administrative law judge or by or to the superintendent from a proposed decision of the board, the appealing party shall timely request and pay for the transcript necessary for use in the board appeal process. The board may assess the transcript cost against the licensee pursuant to Iowa Code section 272C.6(6) or against the requesting party pursuant to Iowa Code section 17A.12(7), as the board deems equitable in the circumstances.
- c.* All normally accepted witness expenses and fees for a hearing or the taking of depositions, as incurred by the state of Iowa. These costs shall include, but not be limited to, the cost of an expert witness and the cost involved in telephone testimony. The costs for lay witnesses shall be guided by Iowa Code section 622.69. The cost for expert witnesses shall be guided by Iowa Code section 622.72. Mileage costs shall not be governed by Iowa Code section 625.2. The provisions of Iowa Code section 622.74 regarding advance payment of witness fees and the consequences of failure to make such payment are applicable with regard to any witness who is subpoenaed by either party to testify at hearing. Additionally, the board may assess travel and lodging expenses for witnesses at a rate not to exceed the rate applicable to state employees on the date the expense is incurred.
- d.* All normally applicable costs incurred by the state of Iowa involved in depositions including, but not limited to, the services of the court reporter who records the deposition, transcription, duplication, and postage or delivery costs. When a deposition of an expert witness is taken, the deposition cost shall include a reasonable expert witness fee. The expert witness fee shall not exceed the expert's customary hourly or daily rate, and shall include the time spent in travel to and from the deposition but exclude time spent in preparation for the deposition.

**20.41(3)** When imposed in the board's discretion, hearing fees (not exceeding \$75) shall be assessed in the final disciplinary order. Costs and expenses assessed pursuant to this rule shall be calculated and, when possible, entered into the final disciplinary order specifying the amount to be reimbursed and the time period in which the amount assessed must be paid by the licensee.

*a.* When it is impractical or not possible to include in the disciplinary order the exact amount of the assessment and time period in which to pay in a timely manner, or if the expenditures occur after the disciplinary order is issued, the board, by a majority vote of the members present, may assess through separate order the amount to be reimbursed and the time period in which payment is to be made by the licensee.

*b.* If the assessment and the time period are not included in the disciplinary order, the board shall have until the end of the sixth month after the date the state of Iowa paid the expenditures to assess the licensee for such expenditure. In order to rely on this provision, however, the final disciplinary order must notify the licensee that fees and expenses will be assessed once known.

**20.41(4)** Any party may object to the fees, costs or expenses assessed by the board by filing a written objection within 20 days of the issuance of the final disciplinary decision, or within ten days of any subsequent order establishing the amount of the assessment. A party's failure to timely object shall be deemed a failure to exhaust administrative remedies. Orders which impose fees, costs or expenses shall notify the licensee of the time frame in which objections must be filed in order to exhaust administrative remedies.

**20.41(5)** Fees, costs, and expenses assessed by the board pursuant to this rule shall be allocated to the expenditure category in which the disciplinary procedure of hearing was incurred. The fees, costs, and expenses shall be considered repayment receipts as defined in Iowa Code section 8.2.

**20.41(6)** The failure to comply with payment of the assessed costs, fees, and expenses within the time specified by the board shall constitute a violation of an order of the board, shall be grounds for discipline, and shall be considered prima facie evidence of a violation of Iowa Code section

272C.3(2)“a.” However, no action may be taken against the licensee without the opportunity for hearing as provided in this chapter.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—20.42(543D,272C) Settlement after notice of hearing.**

**20.42(1)** Settlement negotiations after the notice of hearing is served may be initiated by the licensee or other respondent, the prosecuting assistant attorney general, the board’s executive officer, or the board chair or chair’s designee.

**20.42(2)** The board chair or chair’s designee shall have authority to negotiate on behalf of the board but shall not have the authority to bind the board to particular terms of settlement.

**20.42(3)** The respondent is not obligated to participate in settlement negotiations. The respondent’s initiation of or consent to settlement negotiation constitutes a waiver of notice and opportunity to be heard during settlement negotiation pursuant to Iowa Code section 17A.17 and rule 193F—20.28(17A). Thereafter, the prosecuting attorney is authorized to discuss informal settlement with the board chair or chair’s designee, and the designated board member is not disqualified from participating in the adjudication of the contested case.

**20.42(4)** Unless designated to negotiate, no member of the board shall be involved in settlement negotiation until a written consent order is submitted to the full board for approval. No informal settlement shall be submitted to the full board unless it is in final written form executed by the respondent. By signing the proposed consent order, the respondent authorizes the prosecuting attorney or executive officer to have ex parte communications with the board related to the terms of settlement. If the board fails to approve the consent order, it shall be of no force and effect to either party and shall not be admissible at hearing. Upon rejecting a proposed consent order, the board may suggest alternative terms of settlement which the respondent is free to accept or reject.

**20.42(5)** If the board and respondent agree to a consent order, the consent order shall constitute the final decision of the board. By electing to resolve a contested case through consent order, the respondent waives all rights to a hearing and all attendant rights. A consent order in a licensee disciplinary case shall have the force and effect of a final disciplinary order entered in a contested case and shall be published as provided in rule 193F—20.30(17A,272C).

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

These rules are intended to implement Iowa Code chapters 17A, 272C, 543D, and 546.

**23.8(1)** Within the time allowed after receipt of a petition for a declaratory order, the board shall take action on the petition within 30 days after receipt as required by Iowa Code section 17A.9. *a.* Issue an order declaring the applicability of the statute, rule, or order in question to the specified circumstances;

#### **193F—23.9(17A) Refusal to issue order.**

**23.9(1)** The board shall not issue a declaratory order where prohibited by Iowa Code section 17A.9(5) and may refuse to issue a declaratory order on some or all questions raised for the following reasons:

*a.* The petition does not substantially comply with the required form.

*b.* The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the board to issue an order.

*c.* The board does not have jurisdiction over the questions presented in the petition.

*d.* The questions presented by the petition are also presented in current rule making, contested case, or other board or judicial proceeding that may definitively resolve them.

*e.* The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.

*f.* The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.

*g.* There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.

*h.* The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge a board decision already made.

*i.* The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.

*j.* The petitioner requests the board to determine whether a statute is unconstitutional on its face.

**23.9(2)** A refusal to issue a declaratory order must indicate the specific grounds for the refusal and constitutes final board action on the petition.

**23.9(3)** Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for refusal to issue an order.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—23.10(17A) Contents of declaratory order—effective date.** In addition to the ruling itself, a declaratory order must contain the date of its issuance; the name of petitioner; the names of intervenors; the specific statutes, rules, policies, decisions, or orders involved; the particular facts upon which it is based; and the reasons for its conclusion. A declaratory order is effective on the date of issuance.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—23.11(17A) Copies of orders.** A copy of all orders issued in response to a petition for a declaratory order shall be emailed promptly to the original petitioner and all intervenors unless the petitioner specifically requests a mailed copy.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—23.12(17A) Effect of a declaratory order.** A declaratory order has the same status and binding effect as a final order in a contested case proceeding. It is binding on the board, the petitioner and any intervenors and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the board. The issuance of a declaratory order constitutes final board action on the petition.

These rules are intended to implement Iowa Code chapter 17A.

CHAPTER 24  
SALES AND LEASES OF GOODS AND SERVICES

**193F—24.1(68B) Selling or leasing of goods or services by members of the board.** The board members shall not sell or lease, either directly or indirectly, any goods or services to individuals, associations, or corporations that are subject to the regulatory authority of the board except as authorized by this rule, and by the consent documents filed with the Iowa ethics and campaign disclosure board pursuant to Iowa Code section 68B.4 and the corresponding provisions of rule 351—6.11(68B).

**24.1(1) Conditions of consent for members.** Consent shall be given by a majority of the members of the board upon a finding that the conditions required by Iowa Code section 68B.4, as described in 351—subrule 6.11(4), have been satisfied. The board may grant a blanket consent for sales and leases to classes of individuals, associations, or corporations when such blanket consent is consistent with 351—subrule 6.11(4) and the granting of single consents is impractical or impossible to determine.

**24.1(2) Authorized sales and leases.**

*a.* A member of the board may sell or lease goods or services to any individual, association, or corporation regulated by any division within the department of commerce, other than the board on which that official serves. This consent is granted because the sale or lease of such goods or services does not affect the board member's duties or functions on the board. The board has filed its blanket consent to such sales and leases with the ethics and campaign disclosure board.

*b.* A member of the board may sell or lease goods or services to any individual, association, or corporation regulated by the board if those goods or services are routinely provided to the public as part of that person's regular professional practice. This consent is granted because the sale or lease of such goods or services does not affect the board member's duties or functions on the board. In the event a complaint is filed with the board concerning the services provided by the board member to a member of the public, that board member is otherwise prohibited by law from participating in any discussion or decision by the board in that case, as provided, for instance, in the code of administrative judicial conduct at 481—Chapter 15. The board has filed its blanket consent to such sales and leases with the ethics and campaign disclosure board. The board intends that the blanket consent be interpreted broadly to allow routine professional services offered directly to the general public and to licensees, such as continuing education instruction or peer review services. Such consent recognizes that those licensees most proficient and ethical in their professional careers may also be among those whose services are desirable to enrich the professional competence of licensees. Interpreting the blanket consent broadly accordingly removes a possible disincentive to board membership.

*c.* Individual application and approval are not required for the sales and leases authorized by this rule and by the consents filed with the ethics and campaign disclosure board unless there are unique facts surrounding a particular sale or lease which would cause the sale or lease to affect the seller's or lessor's duties or functions, would give the buyer or lessee an advantage in dealing with the board, or would otherwise present a conflict of interest as defined in Iowa Code section 68B.2A or common law.

**24.1(3) Application for consent.** Prior to selling or leasing a good or service to an individual, association, or corporation subject to the regulatory authority of the department of commerce, an official must obtain prior written consent, as provided in 351—subrule 6.11(3), unless the sale or lease is specifically allowed in subrule 24.1(2) and in the consents filed with the ethics and campaign disclosure board. The request for consent must be in writing and signed by the official requesting consent. The application must provide a clear statement of all relevant facts concerning the sale or lease. The application should identify the parties to the sale or lease and the amount of compensation. The application should also explain why the sale or lease should be allowed. All applications must conform to the requirements of 351—subrule 6.11(3).

**24.1(4) Limitation of consent.** Consent shall be in writing and shall be valid only for the activities and the time period specifically described in the consent. Consent can be revoked at any time by a majority vote of the members of the board upon written notice to the board. A consent provided under this rule does not constitute authorization for any activity which is a conflict of interest under common law or which would violate any other statute or rule. It is the responsibility of the official requesting

consent to ensure compliance with all other applicable laws and rules. The board's ruling on each application, whether consent is conferred or denied or conditionally granted, shall be filed with the ethics and campaign disclosure board pursuant to 351—subrule 6.11(7). An official who receives a denial or conditional consent may appeal the ruling to the ethics and campaign disclosure board as provided in 351—subrule 6.11(6).

This rule is intended to implement Iowa Code chapter 68B.

CHAPTER 25  
PUBLIC RECORDS AND FAIR INFORMATION PRACTICES

**193F—25.1(17A,22) Definitions.** As used in this chapter:

“*Agency*” in these rules means the real estate appraiser examining board within the Iowa division of banking.

“*Confidential record*” in these rules means a record which is not available as a matter of right for examination and copying by members of the public under applicable provisions of law. Confidential records include records or information contained in records that the agency is prohibited by law from making available for examination by members of the public, and records or information contained in records that are specified as confidential by Iowa Code section 22.7, or other provision of law, but that may be disclosed upon order of a court, the lawful custodian of the record, or by another person duly authorized to release the record. Mere inclusion in a record of information declared confidential by an applicable provision of law does not necessarily make that entire record a confidential record.

“*Custodian*” in these rules means the real estate appraiser examining board within the Iowa division of banking.

“*Personally identifiable information*” in these rules means information about or pertaining to an individual in a record which identifies the individual and which is contained in a record system.

“*Record*” in these rules means the whole or a part of a “public record,” as defined in Iowa Code section 22.1, that is owned by or in the physical possession of this agency.

“*Record system*” in these rules means any group of records under the control of the agency from which a record may be retrieved by a personal identifier such as the name of an individual, number, symbol, or other unique retriever assigned to an individual.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.2(17A,22) Statement of policy.** The purpose of this chapter is to facilitate broad public access to open records. It also seeks to facilitate sound agency determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. This agency is committed to the policies set forth in Iowa Code chapter 22; agency staff shall cooperate with members of the public in implementing the provisions of that chapter.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.3(17A,22) Requests for access to records.**

**25.3(1) Location of record.** A request for access to a record should be directed to the agency. The request shall be directed to the board at 200 East Grand Avenue, Suite 350, Des Moines, Iowa 50309, c/o executive officer of the real estate appraiser examining board. If a request for access to a record is misdirected, agency personnel will promptly forward the request to the appropriate person within the agency.

**25.3(2) Office hours.** Open records shall be made available during all customary office hours, which are 8 a.m. to 4:30 p.m., Monday through Friday.

**25.3(3) Request for access.** Requests for access to open records may be made in writing, in person, by facsimile, email, or other electronic means or by telephone. Requests shall identify the particular record sought by name or description in order to facilitate the location of the record. Mail, electronic, or telephone requests shall include the name, address, email address, and telephone number of the person requesting the information to facilitate the board’s response, unless other arrangements are made to permit production to a person wishing to remain anonymous. A person shall not be required to give a reason for requesting an open record.

**25.3(4) Response to requests.** Access to an open record shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of

the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing.

The custodian of a record may deny access to the record by members of the public only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court order. Access by members of the public to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the provisions of rule 193F—25.4(17A,22) and other applicable provisions of law.

**25.3(5) Security of record.** No person may, without permission from the custodian, search or remove any record from agency files. Examination and copying of agency records shall be supervised by the custodian or a designee of the custodian. Records shall be protected from damage and disorganization.

**25.3(6) Copying.** A reasonable number of copies of an open record may be made in the agency's office. If photocopy equipment is not available in the agency office where an open record is kept, the custodian shall permit its examination in that office and shall arrange to have copies promptly made elsewhere.

**25.3(7) Fees.**

*a. When charged.* The agency may charge fees in connection with the examination or copying of records only if the fees are authorized by law. To the extent permitted by applicable provisions of law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.

*b. Copying and postage costs.* Price schedules for published materials and for photocopies of records supplied by the agency shall be prominently posted in agency offices. Copies of records may be made by or for members of the public on agency photocopy machines or from electronic storage systems at cost as determined and posted in agency offices by the custodian. When the mailing of copies of records is requested, the actual costs of such mailing may also be charged to the requester.

*c. Supervisory fee.* An hourly fee may be charged for actual agency expenses in supervising the examination and copying of requested records when the supervision time required is in excess of one-half hour. The custodian shall prominently post in agency offices the hourly fees to be charged for supervision of records during examination and copying. That hourly fee shall not be in excess of the hourly wage of an agency clerical employee who ordinarily would be appropriate and suitable to perform this supervisory function. To the extent permitted by law, a search fee may be charged to the same rate as and under the same conditions as are applicable to supervisory fees.

*d. Advance deposits.*

(1) When the estimated total fee chargeable under this subrule exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require advance payment of the full amount of any estimated fee before the custodian processes a new request from that requester.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.4(17A,22) Access to confidential records.** Under Iowa Code section 22.7 or other applicable provisions of law, the lawful custodian may disclose certain confidential records to one or more members of the public. Other provisions of law authorize or require the custodian to release specified confidential records under certain circumstances or to particular persons. In requesting the custodian to permit the examination and copying of such a confidential record, the following procedures apply and are in addition to those specified for requests for access to records in rule 193F—25.3(17A,22).

**25.4(1) Proof of identity.** A person requesting access to a confidential record may be required to provide proof of identity or authority to secure access to the record.

**25.4(2) Requests.** The custodian may require a request to examine and copy a confidential record to be in writing. A person requesting access to such a record may be required to sign a certified statement or affidavit enumerating the specific reasons justifying access to the confidential record and to provide any proof necessary to establish relevant facts.

**25.4(3) Notice to subject of record and opportunity to obtain injunction.** After the custodian receives a request for access to a confidential record, and before the custodian releases such a record, the custodian may make reasonable efforts to notify promptly any person who is a subject of that record, is identified in that record, and whose address, email address, or telephone number is contained in that record. To the extent such a delay is practicable and in the public interest, the custodian may give the subject of such a confidential record to whom notification is transmitted a reasonable opportunity to seek an injunction under Iowa Code section 22.8, and indicate to the subject of the record the specific period of time during which disclosure will be delayed for that purpose.

**25.4(4) Request denied.** When the custodian denies a request for access to a confidential record, the custodian shall promptly notify the requester. If the requester indicates to the custodian that a written notification of the denial is desired, the custodian shall promptly provide such a notification that is signed by the custodian and that includes:

- a. The name and title or position of the custodian responsible for the denial; and
- b. A citation to the provision of law vesting authority in the custodian to deny disclosure of the record and a brief statement of the reasons for the denial to this requester.

**25.4(5) Request granted.** When the custodian grants a request for access to a confidential record to a particular person, the custodian shall notify that person and indicate any lawful restrictions imposed by the custodian on that person's examination and copying of the record.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examination.** The custodian may treat a record as a confidential record and withhold it from examination only to the extent that the custodian is authorized by Iowa Code section 22.7, another applicable provision of law, or a court order to refuse to disclose that record to members of the public.

**25.5(1) Persons who may request.** Any person who would be aggrieved or adversely affected by disclosure of a record and who asserts that Iowa Code section 22.7, another applicable provision of law, or a court order authorizes the custodian to treat the record as a confidential record may request the custodian to treat that record as a confidential record and to withhold it from public inspection.

**25.5(2) Request.** A request that a record be treated as a confidential record and be withheld from public inspection shall be in writing and shall be filed with the custodian. The request must set forth the legal and factual basis justifying such confidential record treatment for that record, and the name, address, email address, and telephone number of the person authorized to respond to any inquiry or action of the custodian concerning the request. A person requesting treatment of a record as a confidential record may also be required to sign a certified statement or affidavit enumerating the specific reasons justifying the treatment of that record as a confidential record and to provide any proof necessary to establish relevant facts. Requests for treatment of a record as such a confidential record for a limited time period shall also specify the precise period of time for which that treatment is requested.

A person filing such a request shall, if possible, accompany the request with a copy of the record in question with those portions deleted for which such confidential record treatment has been requested. If the original record is being submitted to the agency by the person requesting such confidential treatment at the time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are confidential.

**25.5(3) Failure to request.** Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the agency does not request that it be withheld from public inspection under Iowa Code sections 22.7(3) and 22.7(6), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

**25.5(4) Timing of decision.** A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed or when the custodian receives a request for access to the record by a member of the public.

**25.5(5) Request granted or deferred.** If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

**25.5(6) Request denied and opportunity to seek injunction.** If a request that a record be treated as a confidential record and be withheld from public inspection is denied, the custodian shall notify the requester in writing of that determination and the reasons therefor. On application by the requester, the custodian may engage in a good-faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief under the provisions of Iowa Code section 22.8, or other applicable provision of law. However, such a record shall not be withheld from public inspection for any period of time if the custodian determines that the requester had no reasonable grounds to justify the treatment of that record as a confidential record. The custodian shall notify the requester in writing of the time period allowed to seek injunctive relief or the reasons for the determination that no reasonable grounds exist to justify the treatment of that record as a confidential record. The custodian may extend the period of good-faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief only if no request for examination of that record has been received, or if a court directs the custodian to treat it as a confidential record, or to the extent permitted by another applicable provision of law, or with the consent of the person requesting access.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records.** Except as otherwise provided by law, a person may file a request with the custodian to review, and to have a written statement of additions, dissents, or objections entered into, a record containing personally identifiable information pertaining to that person. However, this does not authorize a person who is a subject of such a record to alter the original copy of that record or to expand the official record of any agency proceeding. The requester shall send the request to review such a record or the written statement of additions, dissents, or objections to the agency at 200 East Grand Avenue, Suite 350, Des Moines, Iowa 50309, c/o executive officer of the real estate appraiser examining board. The request to review such a record or the written statement of such a record of additions, dissents, or objections must be dated and signed by the requester, and shall include the current address and telephone number of the requester or the requester's representative.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.7(17A,22) Consent to disclosure by the subject of a confidential record.** To the extent permitted by any applicable provision of law, a person who is the subject of a confidential record may have a copy of the portion of that record concerning the subject disclosed to a third party. A request for such a disclosure must be in writing and must identify the particular record or records that may be disclosed, and the particular person or class of persons to whom the record may be disclosed and, where applicable, the time period during which the record may be disclosed. The person who is the subject of the record and, where applicable, the person to whom the record is to be disclosed, may be required to provide proof of identity. Additional requirements may be necessary for special classes of records. Appearance of counsel before the agency on behalf of a person who is the subject of a confidential record is deemed to constitute consent for the agency to disclose records about that person to the person's attorney.

This rule does not allow the subject of a record which is confidential under Iowa Code section 272C.6(4) to consent to its release.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.8(17A,22) Disclosures without the consent of the subject.**

**25.8(1)** Open records are routinely disclosed without the consent of the subject.

**25.8(2)** To the extent allowed by law, disclosure of confidential records may occur without the consent of the subject. Following are instances where disclosure, if lawful, will generally occur without notice to the subject:

*a.* For a routine use as defined in rule 193F—25.9(17A,22) or in the notice for a particular record system.

*b.* To a recipient who has provided the agency with advance written assurance that the record will be used solely as a statistical research or reporting record, provided that the record is transferred in a form that does not identify the subject.

*c.* To another government agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if an authorized representative of such government agency or instrumentality has submitted a written request to the agency specifying the record desired and the law enforcement activity for which the record is sought.

*d.* To an individual pursuant to a showing of compelling circumstances affecting the health or safety of any individual if a notice of the disclosure is transmitted to the last-known address of the subject.

*e.* To the legislative services agency.

*f.* Disclosures in the course of employee disciplinary proceedings.

*g.* In response to a court order or subpoena.

*h.* To other licensing authorities inside and outside Iowa as described in Iowa Code section 272C.6(4).

**25.8(3)** Notwithstanding any statutory confidentiality provision, the board may share information with the child support recovery unit of the department of human services through manual or automated means for the sole purpose of identifying registrants or applicants subject to enforcement under Iowa Code chapter 252J or 598.

**25.8(4)** Notwithstanding any statutory confidentiality provision, the board may share information with the child support recovery unit of the department of human services, centralized collection unit of the department of revenue for state debt, and college student aid commission for the sole purpose of identifying applicants or registrants subject to enforcement under Iowa Code chapters 252J and 272D and sections 261.126 and 261.127.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.9(17A,22) Routine use.** “Routine use” means the disclosure of a record without the consent of the subject or subjects for a purpose which is compatible with the purpose for which the record was collected. It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22. To the extent allowed by law, the following uses are considered routine uses of all board records:

**25.9(1)** Disclosure to those officers, employees, and agents of the board who have a need for the record in the performance of their duties. The custodian of the record may, upon request of any officer or employee, or on the custodian’s own initiative, determine what constitutes legitimate need to use confidential records.

**25.9(2)** Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.

**25.9(3)** Disclosure to the department of inspections and appeals for matters in which it is performing services or functions on behalf of the board.

**25.9(4)** Transfers of information within the agency, to other state agencies, or to local units of government as appropriate to administer the program for which the information is collected.

**25.9(5)** Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the agency is operating a program lawfully.

**25.9(6)** Any disclosure specifically authorized by the statute under which the record was collected or maintained.

**25.9(7)** Disclosure to the public and news media of pleadings, motions, orders, final decisions, and informal settlement filed in licensee disciplinary proceedings.

**25.9(8)** Transmittal to the district court of the record in a disciplinary hearing, pursuant to Iowa Code section 17A.19(6), regardless of whether the hearing was open or closed.

**25.9(9)** Name and address of licensees, date of licensure, type of license, status of licensure and related information are routinely disclosed to the public upon request.

**25.9(10)** Name and license numbers of licensees are routinely disclosed to the public upon request. [ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.10(17A,22) Consensual disclosure of confidential records.**

**25.10(1)** *Consent to disclosure by a subject individual.* To the extent permitted by law, the subject may consent in writing to board disclosure of confidential records as provided in rule 193F—25.7(17A,22).

**25.10(2)** *Complaints to public officials.* A letter from a subject of a confidential record to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the board may, to the extent permitted by law, be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.11(17A,22,546) Release to subject.**

**25.11(1)** The subject of a confidential record may file a written request to review confidential records about that person. However, the agency need not release the following records to the subject:

*a.* The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18) or other provision of law.

*b.* Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

*c.* Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code. (Iowa Code section 22.7(5))

*d.* All information in licensee complaint and investigation files maintained by the board for purposes of licensee discipline is required to be withheld from the subject prior to the filing of formal charges and the notice of hearing in a licensee disciplinary proceeding, except those files the board can provide to the licensee before charges are filed pursuant to rules adopted under Iowa Code section 546.10(9).

*e.* As otherwise authorized by law.

**25.11(2)** Where a record has multiple subjects with interest in the confidentiality of the record, the agency may take reasonable steps to protect confidential information relating to another subject.

[ARC 4379C, IAB 3/27/19, effective 5/1/19]

**193F—25.12(17A,22) Availability of records.**

**25.12(1)** *General.* Agency records are open for public inspection and copying unless otherwise provided by rule or law.

**25.12(2)** *Confidential records.* The following records may be withheld from public inspection. Records are listed by category, according to the legal basis for withholding them from public inspection.

*a.* Personal related information in confidential personnel records of board staff and board members. (Iowa Code section 22.7(11))

*b.* All information in complaint and investigation files maintained by the board for purposes of licensee discipline is confidential in accordance with Iowa Code section 272C.6(4), except that the information may be released to the licensee once a licensee disciplinary proceeding has been initiated by the filing of formal charges and a notice of hearing or those files the board can provide to the licensee before charges are filed pursuant to rules adopted under Iowa Code section 546.10(9). Unlicensed complaint files are open to the public.

c. The record of a disciplinary hearing which is closed to the public pursuant to Iowa Code section 272C.6(1) is confidential under Iowa Code section 21.5(4). However, in the event a record is transmitted to the district court pursuant to Iowa Code section 17A.19(6) for purposes of judicial review, the record shall not be considered confidential unless the district court so orders. Unlicensed hearing files are open to the public.

d. Information relating to the contents of an examination for licensure.

e. Minutes and tapes of closed meetings of the board. (Iowa Code section 21.5(4))

f. Information or records received from a restricted source and any other information or records made confidential by law, such as academic transcripts or substance abuse treatment information.

g. References for examination or licensure applicants. (Iowa Code section 22.7(18))

h. Records which constitute attorney work products or attorney-client communications or which are otherwise privileged pursuant to Iowa Code section 22.7, 272C.6(4), 622.10 or 622.11, state and federal rules of evidence or procedure, the Code of Professional Responsibility, and case law.

i. Identifying details in final orders, decisions and opinions to the extent required to prevent a clearly unwarranted invasion of personal privacy or trade secrets under Iowa Code section 17A.3(1) "d."

j. 1. Require the agency to index or retrieve records which contain information about individuals by a person’s name or other personal identifier.

2. Make available to the general public records which would otherwise not be available under the public records law, Iowa Code chapter 22.

3. Govern the maintenance or disclosure of, notification of, or access to records in the possession of the agency which are governed by the regulations of another agency.

4. Apply to grantees, including local governments or subdivisions thereof, administering state-funded programs, unless otherwise provided by law or agreement.

**193F—25.17(17A,22) Notice to suppliers of information.** When the agency requests a person to supply information about that person, the agency shall notify the person of the use that will be made of the information, which persons outside the agency might routinely be provided this information, which parts of the requested information are required and which are optional, and the consequences of a failure to

provide the information requested. This notice may be given in these rules, on the written form used to collect the information, on a separate fact sheet or letter, in brochures, in formal agreements, in contracts, in handbooks, in manuals, verbally, or by other appropriate means.

**25.17(1) License and examination applicants.** License and examination applicants are requested to supply a wide range of information depending on the qualifications for licensure or sitting for an examination, as provided by board statutes, rules and application forms. Failure to provide requested information may result in denial of the application. Some requested information, such as college transcripts, social security numbers, examination scores, and criminal histories, are confidential under state or federal law, but most of the information contained in license or examination applications is treated as public information, freely available for public examination.

The board will honor the “safe at home” address issued by any state’s program and protective orders in domestic abuse proceedings or otherwise issued to preserve confidentiality of a person’s physical location. If a license applicant or licensee has a basis to shield a home address from public disclosure, such as a domestic abuse protective order, written notification should be provided to the board office. Absent a court order, the board may not have a basis under Iowa Code chapter 22 to shield the home address from public disclosure, but the board may refrain from placing the home address on its website and may notify the applicant or licensee before the home address is released to the public to provide an opportunity for the applicant or licensee to seek injunction.

**25.17(3) License renewal.** Licensees are requested to supply a wide range of information in connection with license renewal, including continuing education information, criminal history and disciplinary actions, as provided by board statutes, rules and application forms, both on paper and electronically. Failure to provide requested information may result in denial of the application. Most information contained on renewal applications is treated as public information freely available for public examination, but some information, such as credit card numbers, may be confidential under state or federal law.

**25.17(4) Investigations.** Licensees are required to respond to board requests for information involving the investigation of disciplinary complaints against licensees. Failure to timely respond may result in disciplinary action against the licensee to whom the request is made. Information provided in response to such a request is confidential pursuant to Iowa Code section 272C.6(4) but may become public if introduced at a hearing which is open to the public, contained in a final order, or filed with a court of judicial review.
