801—4.13(17A) Agency rule-making record.

4.13(2) Contents.

In lieu of the words “(agency head)”, insert “chairperson of the commission of veterans affairs”.

801—4.14(17A,35D) Uniform waiver rule.

4.14(1) To the extent a waiver or variance is consistent with applicable statute, constitutional provision, or other provision of law, the commission of veterans affairs may issue an order, in response to the timely filing of a completed petition or on its own motion, granting a waiver or variance, in whole or in part, from the requirements of a rule under the jurisdiction of said commission, as applied to the circumstances of a specified person, if the commission finds clear and convincing evidence of all of the following:

a. The application of the rule to the person at issue would result in undue hardship to that person; and

b. The provisions of a rule subject to a petition for a waiver or variance are not specifically mandated by statute or another provision of law; and

c. The waiver of the rule in the specific case would not prejudice the substantial legal rights of any person; and

d. Substantially equal protection of public health, safety and welfare will be afforded by a means other than that prescribed in the rule for which the waiver or variance is requested.

The decision on whether the circumstances justify the granting of a waiver or variance shall be made at the discretion of the chairperson of the commission of veterans affairs based on the unique, individual circumstances set out in the petition and upon consideration of all relevant factors.

4.14(2) A waiver or variance, if granted, shall be drafted by the commission so as to provide the narrowest exception possible to the provisions of the rule. The commission may place any condition on a waiver or variance that the commission finds desirable to protect the public health, safety and welfare. A waiver or variance shall not be permanent, unless the petitioner can show that a temporary waiver or variance would be impracticable. If a temporary waiver or variance is granted, there is no automatic right to renewal. At the sole discretion of the agency, a waiver or variance may be renewed if the agency finds that all of the factors set out in subrule 4.14(1) remain valid.

4.14(3) The burden of persuasion rests with the person who petitions the commission for the waiver or variance of a rule.

4.14(4) This uniform waiver rule shall not preclude the commission from granting waivers or variances in other contexts or on the basis of other standards if the statute or other rules authorize it to do so and the commission deems it appropriate to do so.

801—4.15(17A,35D) Procedures for granting waivers.

4.15(1) Any person may file a petition with the commission of veterans affairs requesting a waiver or variance, in whole or in part, of a commission rule on the grounds that the application of the rule to the particular circumstances of that person justifies a waiver under this uniform waiver rule. The commission chairperson shall receive written petitions.

4.15(2) A petition for a waiver or variance shall include the following information where applicable and known to the person requesting the waiver or variance:

- a.* The name, address, and case number or state identification number of the entity or person for whom a waiver or variance is requested.
- b.* A description and citation of the specific rule from which a waiver or variance is requested.
- c.* The specific waiver or variance requested, including the precise scope and operative period that the waiver or variance will extend.
- d.* The relevant facts that the petitioner believes would justify a waiver or variance. This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver or variance.
- e.* A history of the commission's action relative to the petitioner.
- f.* Any information regarding the commission's treatment of similar cases, if known.
- g.* The name, address, and telephone number of any person inside or outside state government who would be adversely affected by the granting of the petition or who otherwise possesses knowledge of the matter with respect to the waiver or variance request.
- h.* Signed releases of information authorizing persons with knowledge regarding the request to furnish the commission with information pertaining to the waiver or variance.

4.15(3) The procedural guidelines stated under the Iowa Administrative Procedure Act, Iowa Code chapter 17A, shall govern the form, filing, timing and contents of petitions for the waivers of rules and the procedural rights of persons in relation to such petitions.

4.15(4) The commission shall acknowledge a petition upon receipt. The petitioner shall serve notice on all persons to whom notice is required by any provision of law and provide a written statement to the commission attesting that notice has been served.

4.15(5) Prior to issuing an order granting or denying a waiver or variance request, the commission may request additional information from the petitioner relative to the application and surrounding circumstances.

4.15(6) An order granting or denying a request for waiver or variance shall be in writing and contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which that action is based, and a description of the precise scope and operative period of the waiver or variance if one is issued. The commission shall grant or deny a petition for the waiver or variance of all or a portion of a rule as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a waiver petition has been filed in a contested case proceeding, the agency shall grant or deny the petition no later than the time at which the final decision in that contested case is issued. Failure of the commission to grant

or deny such a petition within the required time period shall be deemed a denial of that petition by the commission.

4.15(7) Within seven days of its issuance, any order issued under the uniform waiver rule shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law.

4.15(8) Subject to the provisions of Iowa Code section 17A.3(1) “e,” the commission shall maintain a record of all orders granting and denying requests for waivers or variances under this uniform waiver rule. The records shall be indexed by rule and available for public inspection.

4.15(9) Semiannually, the commission shall prepare a report identifying the rules for which a waiver or variance has been granted or denied, the number of times a waiver or variance was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, a general summary of the reasons justifying the commission’s actions on the waiver or variance requests and, to the extent practicable, detailing the extent to which the granting of a waiver or variance has affected the general applicability of the rule itself and established a precedent for additional waivers or variances. Copies of this report shall be provided semiannually to the administrative rules coordinator and the administrative rules review committee.

4.15(10) The provisions of rules 801—4.14(17A,35D) and 801—4.15(17A,35D) shall not apply to rules that define the meaning of a statute or other provisions of law or precedent if the commission does not possess delegated authority to bind the courts to any extent with its definition and do not authorize the commission to waive any requirement created or duty imposed by statute.

4.15(11) After the commission issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is invoked.

These rules are intended to implement Iowa Code sections 17A.4 and 17A.9A, Iowa Code chapter 35D, and Executive Order Number 11.

The Iowa commission of veterans affairs hereby adopts, with the following exceptions and amendments, the Uniform Administrative Rules pertaining to fair information practices which are printed in the first Volume of the Iowa Administrative Code.

801—6.1(17A,22) Definitions. The commission adopts the definitions in the Uniform Rules with the noted amendments and those additional definitions listed below.

“Agency”. In lieu of the words “(official or body issuing these rules)”, insert “Iowa commission of veterans affairs”.

“Client” means a person who has applied for or receives services or assistance from the agency.

“Custodian” means the agency or person lawfully delegated authority by the agency to act for the agency in implementing Iowa Code chapter 22. For Iowa Veterans Home records, the custodian is the commandant. For all other commission records, the custodian is the executive director.

“Legal representative” means a person recognized by law as standing in the place of or representing the interests of another for one or more purposes. For example, guardians, conservators, attorneys, next-of-kin, executors, or administrators for a deceased person are legal representatives for certain purposes.

“Mental health information” means oral, written, or otherwise recorded information which indicates the identity of a person receiving professional services, as defined in Iowa Code section 228.1(5), and which relates to diagnosis, course, or treatment of the person’s mental or emotional condition. Mental or emotional conditions include mental illness, mental retardation, degenerative neurological conditions, and any other condition identified in professionally recognized diagnostic manuals for mental disorders.

“Substance abuse information” means information which indicates the identity, diagnosis, prognosis or treatment of any person in an alcohol or drug abuse program.

801—6.3(17A,22) Request for access to records.

6.3(1) Location of record. A request for access to a record pertaining to the Iowa Veterans Home should be addressed to the Commandant, Iowa Veterans Home, 1301 Summit, Marshalltown, Iowa 50158-5485. For all other commission records, or if the location of the record is unknown by the requester, the request for access to a record shall be directed to the Executive Director, Camp Dodge, 7105 NW 70th Avenue, Johnston, Iowa 50131-1824. If the request for access to a record is misdirected, agency personnel will promptly forward the request to the appropriate person within the agency.

6.3(2) Office hours. In lieu of the words “(insert customary office hours and, if agency does not have customary office hours of at least thirty hours per week, insert hours specified in Iowa Code section 22.4)”, insert “8 a.m. to 4:30 p.m. daily excluding Saturdays, Sundays and holidays”.

6.3(7) Supervisory fee.

In lieu of the words “(specify time period)”, insert “one-half hour”.

[ARC 3341C, IAB 9/27/17, effective 11/1/17]

801—6.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records.

In lieu of the words “(designate office)”, insert “office of the Iowa commission of veterans affairs”.

801—6.7(17A,22) Consent to disclosure by the subject of a confidential record. To the extent permitted by any applicable provision of law, a person who is the subject of a confidential record may have a copy of the portion of that record concerning the subject disclosed to a third party. A request for such a disclosure must be in writing and must identify the particular record or records that may be disclosed, and the particular person or class of persons to whom the record may be disclosed and the time period during which the record may be disclosed. The person who is the subject of the record and,

where applicable, the person to whom the record is to be disclosed, may be required to provide proof of identity.

No confidential information about clients of the agency shall be released without the client's consent, except as provided in rule 801—6.10(17A,22). Release of information includes:

1. Granting access to or allowing the copying of a record,
2. Providing information either in writing or orally, or
3. Acknowledging information to be true or false.

6.7(1) Forms.

a. General. Agency forms are to be used for releases by the subject as noted below. However, information may be released with authorization on a form from another source providing that such meets the requirements of law.

b. Obtaining information from a third party. The Iowa Veterans Home is required to obtain information to establish eligibility, provide services and determine charges. Requests to third parties for this information involve release of confidential identifying information about clients. Consent to Release of Information, Form 475-0859, is used for releases by the subject.

c. Disclosure of information to a third party. At the request of the subject, the Iowa Veterans Home releases information to third parties. Form 475-0859, Consent to Release of Information, or Form 475-0700, Release of Condition Information, is used, depending on the nature of the authorization.

d. Mental health and substance abuse information. Mental health or substance abuse information can be released only by completion of the specific authorization section of Form 475-0859 or a similar form from another source that meets the requirements of law.

e. Photographs or videotapes. Form 475-1073, Authorization to Take and Use Photographs/Videotapes, is used for permission to use photographs or videotapes for the purposes specified on the form.

6.7(2) Exceptions to use of forms.

a. Counsel. Appearance of counsel before the agency on behalf of a person who is the subject of a confidential record is deemed to constitute consent for the agency to disclose records about that person to the person's attorney.

b. Public official. A letter from the subject to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the agency shall be treated as an authorization to release information. The agency shall release sufficient information about the subject to the official to resolve the matter.

c. Medical emergency. Agency staff may authorize release of confidential information to medical personnel in a medical emergency if the subject is unable to give or withhold consent. As soon as possible after the release of information, the subject shall be advised of the release.

d. Abuse information. Consent to release information is not required to report suspected dependent adult abuse.

6.7(3) Consent by subject's legal representative.

a. Exercise of right. The subject's rights under this rule may also be exercised by the subject's legal representative, except as provided in paragraph 6.7(3) "b."

b. Exceptions.

(1) Scope of authority. Legal representatives may act only within the scope of their authority. For example, court-appointed conservators and protective payees appointed by an agency shall have access to and authority to release the following information only:

1. Name and address of client.
2. Amounts of assistance or type of financial services received.
3. Information about the economic circumstances of the client.

(2) Substance abuse information. Only the subject can consent to the disclosure of substance abuse information, regardless of the subject's age or condition.

(3) Failure to act in good faith. If the agency has reason to believe that the legal representative is not acting in good faith in the best interests of the subject, the agency may refuse to release information on the authorization of the legal representative.

801—6.8(17A,22) Notice to suppliers of information. When the agency requests a person to supply information about that person, the agency shall notify the person of the use that will be made of the information, which persons outside the agency might routinely be provided this information, which parts of the requested information are required and which are optional, and the consequences of a failure to provide the information requested. This notice may be given in these rules, on the written form used to collect the information, on a separate fact sheet or letter, in brochures, in formal agreements, in contracts, in handbooks, in manuals, verbally, or by other appropriate means.

The notice shall generally be given at the first contact with the agency and need not be repeated at every following contact. Where appropriate, the notice may be given to a person's legal representative. Notice may be withheld in an emergency.

In general, the agency requests information to determine eligibility, to determine changes for services, to provide appropriate services or treatment, and to perform administrative functions. Information is routinely shared outside the agency when required by rules or law. Consequences of failure to provide information include ineligibility for services, denial of services, or provision of inadequate services.

801—6.9(17A,22) Release to subject. The agency shall release confidential records to the subject of the record, except as otherwise noted.

6.9(1) The agency need not release the following records to the subject:

a. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

b. The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18) or other provision of law.

c. Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5).)

d. The agency may withhold information as otherwise authorized by law.

6.9(2) Where a record has multiple subjects with interest in the confidentiality of the record, the agency may take reasonable steps to protect confidential information relating to another subject.

801—6.10(17A,22) Disclosure without consent of the subject. Open records are routinely disclosed without consent of the subject. To the extent allowed by law, disclosure of confidential records may occur without consent of the subject or the subject's legal representative. The custodian of the record shall determine what constitutes legitimate need to use confidential records.

6.10(1) Internal use. Confidential information may be disclosed to employees and agents of the agency as needed for the performance of their duties. The custodian of the record shall determine what constitutes legitimate need to use confidential records.

b. Commission members.

c. Consultants to the agency.

d. Policy review and advisory committees.

6.10(7) Required by law. Information is shared with other agencies without a contract or written agreement where state or federal law or regulations require it.

6.10(8) Imminent harm. Information may be released to an individual or the police, or both, pursuant to a showing of compelling circumstances affecting the health or safety of a client or any other individual. Notice of disclosure is transmitted to the last-known address of the subject.

6.10(9) Law violation. Disclosure of information indicating an apparent violation of the law will be released to appropriate enforcement authorities.

6.10(10) Specific authorization. Any disclosure specifically authorized by the statute under which the record was collected or maintained will be made in accordance with the statute.

801—6.11(17A,21,22) Availability of records.

6.11(1) General. Agency records are open for public inspection and copying unless otherwise provided by rule or law.

6.11(2) Confidential records. The following records may be withheld from public inspection. Records are listed by category, according to the legal basis for withholding them from public inspection.

- a. Sealed bids received prior to the time set for public opening of bids. (Iowa Code section 72.3)
- b. Tax records made available to the agency. (Iowa Code section 422.20)

- e. Identifying details in final orders, decisions, and opinions to the extent required to prevent a clearly unwarranted invasion of personal privacy or trade secrets.

 - (1) Enable law violators to avoid detection;
 - (2) Facilitate disregard of requirements imposed by law; or
 - (3) Give a clearly improper advantage to persons who are in an adverse position to the agency.
- g. Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. (Iowa Code section 622.10)
- h. Hospital records, medical records, and professional counselor records of the condition, diagnosis, care, or treatment of clients or former clients of the commission.

6.11(3) Authority to release confidential records. The agency may have discretion to disclose some confidential records which are exempt from disclosure under Iowa Code section 22.7 or other law. Any person may request permission to inspect records withheld from inspection under a statute which authorizes limited or discretionary disclosure as provided in rule 801—6.4(17A,22). If the agency initially determines that it will release such records, the agency may, where appropriate, notify interested parties and withhold the record from inspection as provided in subrule 6.4(3).

This rule is intended to implement Iowa Code chapters 17A, 21 and 22.

801—6.12(17A,22) Personally identifiable information. This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 801—6.1(17A,22). Funding is allocated annually to counties pursuant to a standing appropriation by the general assembly to the Iowa department of veterans affairs.

7.1(2) Allocation amount. The department shall annually allocate \$10,000 to each county from the county commissions of veteran affairs fund. In order to qualify for the allocation, a county must agree to expend the allocation pursuant to Iowa Code section 35B.6 as amended by 2008 Iowa Acts, chapter 1130, for the administration and maintenance of the county commission of veteran affairs office and staff and must also agree to maintain its current level of spending from the previous fiscal year. 7.1(5) Appeals. Applicants that are dissatisfied with the decision of the Iowa department of veterans affairs may file an appeal with the Iowa commission of veterans affairs. the process was conducted outside of statutory authority, violated state or federal law, policy or rules, did not provide adequate public notice, was altered without adequate public notice, or involved conflicts of interest by staff; and must include a request that the commission review the decision and the reasons for the appeal. Information must be authenticated by the medical provider's original signature or electronic signature.

10.3(4) The following items shall be attached to the application before it is forwarded to IVH:

a. An affidavit signed by two members of the county commission of veterans affairs and notarized by the appropriate county official attesting to the best of their knowledge and belief that the applicant is a resident of that county and is an eligible applicant.

801—10.4(35D) Application processing.

10.4(1) Applications received by the admissions office shall be reviewed for completeness. The county commission of veterans affairs shall be required to submit additional information if needed.

10.4(2) The admissions committee shall assign the level of care required by the applicant. If a special care unit or treatment is required, this shall be designated. If there is a question regarding the level of care for which the applicant qualifies, the applicant shall be scheduled for either a preadmission visit with appropriate staff or a site visit in order to make a determination of appropriate level of care.

10.4(3) Regardless of whether or not the applicant can be immediately admitted, the applicant shall be notified by the admissions coordinator of the applicant's designated level of care. An applicant who does not wish to be admitted to the designated level of care may submit evidence to show that another level of care may be more appropriate. However, once the admissions committee makes a final determination, the applicant who does not wish to be admitted under the designated level of care may withdraw the application or have the application denied.

10.4(4) When space is not immediately available in the level of care assigned or on the appropriate special care unit, the applicant's name shall be placed on the appropriate waiting list for that level of care or special care unit in the order of the date the application was received.

10.4(5) When space is available at time of application, or when space becomes available in accordance with the designated waiting list, the applicant shall be scheduled for admittance to IVH as follows:

a. An applicant whose physical examination or personal functional assessment, or both if applicable, was completed more than three months prior to the scheduled date of admittance may be required to obtain another physical examination by a medical provider or complete a current personal

functional assessment, or both if applicable. This information shall be reviewed to determine that the applicant is capable of functioning at the previously determined level of care.

b. An applicant who requires a different level of care than previously determined shall be admitted to the level of care required if a bed is available or shall have the applicant's name placed on the waiting list for the appropriate level of care in accordance with the date the original application was received.

c. Prior to an applicant's admission to a nursing care unit, the PASRR shall be received.

801—10.5(35D) Applicant's responsibilities. Prior to admission to IVH, the applicant or a person acting on the applicant's behalf shall:

10.5(1) Report any change in the applicant's condition that could affect the previously determined level of care.

10.5(2) Report changes in mailing address, county or state of residency.

10.5(3) Provide additional information, verification or authorization for verification concerning the applicant's circumstances, condition of health, and resources if required.

10.5(4) Participate in a preadmission evaluation for level of care if required.

801—10.6(35D) Admission to IVH.

10.6(1) The applicant shall be notified by the admissions coordinator to appear for admission to IVH.

10.6(2) Upon arrival at IVH, the applicant or legal representative shall meet with the admissions office and resident finance office for an admission interview.

b. The "Contractual Agreement," Form 475-1833.

10.6(4) During the interview with the resident finance office, the accounting technician will review the following items with the applicant or legal representative:

a. The applicant's resources.

b. The member support, billing process and banking services.

10.6(5) An applicant becomes a member at that point in time when the applicant or legal representative signs and dates the "Contractual Agreement," Form 475-1833, or otherwise authorizes, in writing, acceptance of the terms of admittance specified in the Contractual Agreement.

10.6(6) Each member shall be placed on a unit providing the appropriate level of care based on individual needs.

a. A member requiring a subsequent change in placement based on individual care needs shall be transferred to a unit which provides the appropriate level of care within the scope of its licensure.

b. Members shall have priority over new admissions for placement on a unit when a vacant bed becomes available.

10.6(7) Care at IVH shall be provided in accordance with Iowa Code chapter 135C; 481—Chapter 57, Residential Care Facilities; 481—Chapter 58, Nursing Facilities; and DVA State Veterans Homes, Veterans Health Administration, M-5, Part 8, Chapter 2, Procedure for Obtaining Recognition of a State Veterans Home and Applicable Standards, 2.07, Standards for Nursing Care, and 2.08, Standards for Domiciliary Care, November 4, 1992.

[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.7 to 10.10 Reserved.

801—10.11(35D) Member rights.

10.11(1) Member rights shall be in accordance with those listed in 481—Chapter 57 for members residing in the residential care facility level of care, those listed in 481—Chapter 58 for members residing in the nursing facility level of care, and those noted in Department of Veterans Affairs, State Veterans Homes, Veterans Health Administration, pertaining to residents of state veterans homes.

10.11(2) A member has the right to share a room with the member's spouse when both members consent to the arrangement.

10.11(3) If a member is incompetent and not restored to legal capacity, or if the medical provider determines that a member is incapable of understanding and exercising these rights, the rights devolve to the member's legal representative.

10.11(4) In some cases, a member may be determined to be in need of an agent by the DVA, the Social Security Administration or a similar funding source. In these cases, the commandant or designee may serve as agent subject to Iowa Code section 135C.24. All rights and responsibilities regarding the financial awards shall devolve to the commandant or designee.

[ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.12(35D) Member responsibilities.

10.12(1) The member or legal representative has the responsibility:

a. To timely report the existence of or changes in the member's income, spouse's income, assets or marital status, including the conversion of nonliquid assets to liquid assets.

b. To apply for all benefits due (such as, but not limited to, Title XIX, DVA pension, DVA compensation, Social Security, private pension programs, or any combination), and accept the available billing programs offered at IVH.

c. To provide information concerning the physical condition and, to the best of the member's knowledge, accurate and complete information concerning present physical complaints, past illnesses, hospitalizations, medications and other matters related to the member's health.

d. To report unexpected changes in the member's condition to the attending medical provider or other clinician.

e. To participate in treatment planning, cooperate with the treatment team in carrying out the treatment plan, and to participate in the evaluation of the member's care.

f. To be considerate of the rights of other members and staff and control behavior in respect to smoking, noise, and number of visitors.

g. To treat other members and staff with dignity and respect.

h. To respect the property of other members, staff, and IVH. A member or legal representative may be held financially responsible for any property damaged or destroyed by the member.

i. To ask questions about anything that the member may not understand about the member's care or IVH.

j. To accept the consequences of the member's actions if the member refuses treatment or fails to follow prescribed care.

k. To follow the rules and regulations of IVH regarding member care and conduct as set out in subrule 10.40(1).

l. To keep scheduled appointments with staff. If unable to do so, the member is responsible for notifying appropriate staff.

m. To maintain personal hygiene, including clothing, and maintain personal living area based on the member's physical and mental capabilities.

n. To follow all fire, safety and sanitation regulations as established by IVH and applicable regulatory agencies.

o. To provide information and verification of resources. A member or legal representative must fulfill the member support obligation for member health care.

p. To carry Medicare Part B and Medicare Part D insurance if eligible. IVH shall buy the medical insurance portion of Medicare Part B and Medicare Part D if the member is not eligible to receive Medicare under social security.

q. To delegate to IVH the authorization to enroll the member in Medicare Part B and Medicare Part D. The premium shall be deducted from the member's social security or paid monthly with the member's funds.

r. To assign the benefits of Medicare Part B, Medicare Part D and other medical insurances to IVH. The cost of Medicare Part B, Medicare Part D and other medical insurances shall be used as an offset to the aggregate semiannual per diem rate calculation according to the particular level of care as calculated in January and July of each year for the preceding six months and effective March 1 and September 1.

10.12(2) The member or legal representative is responsible for the full payment of the member's support charges within the calendar month that the monthly support bill is received. Failure to pay a monthly support bill within 30 days of issuance may result in discharge from IVH unless prior arrangements have been made.

10.12(3) In those instances when a legal representative is responsible for the handling of the member's resources, the legal representative shall keep any records necessary and provide all information or verification required for the computation of member support as set out in rule 801—10.14(35D). Failure of the legal representative to do so may result in the discharge of the member. In some cases, IVH may act to have the commandant or designee established as the member's fiduciary or agent as set out in subrule 10.11(4). In those cases when a guardian or conservator of a member fails to keep necessary records or provide needed information or verification or to meet the member support obligation, IVH may notify the court of problems and request to establish another individual as guardian or conservator. The conservator of a member shall submit a copy of the annual conservatorship report to IVH.

10.12(4) When a member temporarily needs a level of care that is not offered by IVH, the member shall be referred by IVH medical staff to a DVA medical center or other medical facility.

a. If a member who is treated at a DVA medical center has coinsurance to supplement Medicare, this coinsurance shall be used for the DVA medical center charges. IVH shall be responsible for all DVA medical center charges if the member does not carry coinsurance supplement.

b. If a member chooses a medical facility other than a DVA medical center or other medical facility as referred by IVH medical staff, the member is responsible for costs resulting from care at the medical facility chosen.

[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.13 Reserved.

801—10.14(35D) Computation of member support. As a condition of admittance to and residency in IVH, each member is required to contribute toward the cost of that member's care based on that member's resources and ability to pay.

10.14(1) A monthly member support bill shall be sent to the member or legal representative charging the member for care in the previous month with any necessary adjustment for prior months. A member shall be required to pay member support charges from the member's liquid assets and long-term care insurance benefits and from the member's income. The monthly member support charge shall be the billable days, as set out in subrule 10.14(3), multiplied by the appropriate per diem from rule 801—10.15(35D). This amount shall be reduced by any offsets as set out in subrules 10.15(2) and 10.15(3). The member or legal representative shall pay an amount not to exceed the amount calculated based on the resources available for the cost of care as set out in this chapter.

10.14(2) Title XIX residents. If a member is certified as eligible and participating in the Title XIX program, the amount of payment shall be determined by the department of human services income maintenance worker.

10.14(3) Billable days (non-Title XIX). Billable days for members not participating in the Title XIX program shall be counted as follows:

a. All days in the month for which the member received care (in-house).

b. All leave days in excess of the 12 free days up through the fifty-ninth leave day. Any leave days in excess of 59 days shall be considered billable, and the member must pay the full support rate, not the amount determined by resources.

c. The first ten days of each hospitalization. On the eleventh day the member's bed shall be held without charge until the termination of hospital stay and member returns to IVH. A hospital stay may occur more than once in a calendar year.

[ARC 8014B, IAB 7/29/09, effective 7/10/09; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.15(35D) Per diems.

10.15(1) For members not participating in the Title XIX program, the per diem by which the billable days shall be multiplied shall be established as follows:

a. Nursing level of care.

(1) The charge for care is the per diem rate calculated in January and July of each year for the preceding six-month period and is submitted by IVH to the Iowa Medicaid enterprise of the department of human services.

(2) The updated per diem rate shall be effective semiannually on March 1 and September 1 of each year.

(3) Members or financial legal representatives shall be sent a notice one month in advance of the rate change.

b. Domiciliary level of care.

(1) The total cost of care per member shall be determined in January and July of each year for the preceding six-month period and calculated in a manner similar to the nursing level of care. This cost shall be the updated per diem rate.

(2) The per diem rate shall be adjusted semiannually on March 1 and September 1 of each year.

(3) Members or financial legal representatives shall be sent a notice one month in advance of the rate change.

10.15(2) Veteran members for whom IVH receives a per diem from the DVA (under Title 38). IVH shall consider this per diem as a third-party reimbursement to the charge for care and shall be an offset to the member support bill. The offset of the per diem received (billed to DVA) shall be shown as an offset for the month billed. The provisions of 38 U.S.C. 1745(a), which were established by Section 211 of the Veterans Benefits, Health Care, and Information Technology Act of 2006 (Public Law 109-461), set forth a mechanism for paying a higher per diem rate for certain veterans who have service-connected disabilities and are receiving nursing home care in state homes. If IVH receives this higher per diem rate from the DVA, the member will not have a support charge from IVH.

10.15(3) The daily per diem charge shall be reduced by an amount equal to the appropriate Medicare Part B and Medicare Part D premiums paid by the enrolled member.

10.15(4) For members carrying other medical insurance upon admission and continuing to carry other medical insurance after admission. The member support charge shall be reduced by an amount equal to the other medical insurance premium.

10.15(5) For members not eligible for Title XIX medical assistance. The member support charge shall be reduced in accordance with subrules 10.15(2), 10.15(3) and 10.15(4), if applicable. The member shall then contribute all remaining available resources up to the charge for care.

Members receiving DVA pension and aid and attendance shall be considered as having used the amount equal to aid and attendance first in payment for their care at IVH.

10.15(6) Payment of support is due within ten business days after the monthly support bill is received or ten business days after the member's last income deposit for that month.

a. If payment is not received by IVH within 30 days following the due date, a notice of discharge may be issued.

b. If there are extenuating circumstances, the member or legal representative should meet with the commandant or designee to work out a schedule of payments.

[ARC 8014B, IAB 7/29/09, effective 7/10/09; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.16(35D) Assets. The following rules specify the treatment of assets, as defined in rule 801—10.1(35D), in the payment of member support as described in rule 801—10.14(35D). Only liquid assets shall be considered in the payment of member support.

10.16(1) For members who have applied for and are eligible to receive Title XIX medical assistance, rule 441—75.5(249A) shall apply. Financial eligibility for Title XIX shall be determined by the department of human services income maintenance worker.

10.16(2) For members not eligible for Title XIX medical assistance, the following rules apply:

a. Assets considered. The assets considered shall include all assets owned by the member, or if married, both the member and the spouse living in the community, except for the following:

(1) The homestead is exempt as follows: The exempt homestead is defined as the house, used as a home, and may contain one or more contiguous lots or tracts of land, including buildings and appurtenances. Contiguous means that portions of the homestead cannot be separated from the home by intervening property owned by others. However, the homestead is considered contiguous if portions of it are separated from the home only because of roads or other public rights-of-way. Property that is not exempt as part of the homestead shall be treated in accordance with the rules of this chapter.

The homestead, as defined, can retain its exempt status for a period of time not to exceed 36 months, while the member, spouse and dependents are temporarily absent, provided the following conditions are met:

1. There is a specific purpose for the absence.
2. The member, spouse or dependents intend to return to the homestead when the reason for the absence has been accomplished.
3. The member, spouse or dependents can reasonably be expected to return to the home during the 36-month time limitation.
4. If a person is an applicant at the time the homestead becomes vacant due to the absence of the applicant, spouse or dependents, the first month of the 36-month period is the month of admission to IVH.
5. If a person is a member when the homestead becomes vacant due to the absence of the member, spouse or dependents, the first month of the 36-month period is the month following the month in which the homestead is vacated.
6. Any homestead that does not qualify for this exemption or any homestead that is vacant for a period of time exceeding the 36-month limit shall be treated in accordance with subrule 10.16(3).
- (2) Household goods, personal effects and one motor vehicle.
- (3) The value of any burial spaces held for the purpose of providing a place for the burial of the member, spouse or any other member of the immediate family.
- (4) Exempt income-producing property includes, but is not limited to, tools, equipment, livestock, inventory and supplies, and grain held in storage.
- (5) Other property essential to the means of self-support of either the member or spouse as to warrant its exclusion under the Supplemental Security Income program.
- (6) Assets of a blind or disabled person who has a plan for achieving self-support as determined by the division of vocational rehabilitation or the department of human services.
- (7) Assets of Native Americans belonging to certain tribes arising from judgment fund and payments from certain land and subsurface mineral rights. This does not include per capita payments from casino proceeds.
- (8) Any amounts arising from Public Law 101-239 which provides assistance to veterans under the Agent Orange product liability litigation.
- (9) Assistance under the Disaster Relief Act and Emergency Assistance Act or other assistance provided pursuant to federal statute as a result of a presidential disaster declaration and interest earned on these funds for the nine-month period beginning on the date these funds are received or for a longer period where good cause is shown.
- (10) An amount that is irrevocable and separately identifiable, having a principal amount not in excess of a predetermined amount set by the department of human services, without an itemized billing, for the member or spouse to meet the burial and related expenses of that person.
- (11) Federal assistance paid for housing occupied by the spouse living in the community.

(12) Assistance from a fund established by a state to aid victims of crime for nine months from receipt when the client demonstrates that the amount was paid as compensation for expenses incurred or losses suffered as a result of a crime.

(13) Relocation assistance provided by a state or local government to a member or spouse comparable to assistance provided under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 which is subject to the treatment required by Section 216 of the Act.

(14) Any other asset excluded by statute.

b. Assets of a single member. When liquid assets not exempted in paragraph “a” above are equal to or exceed \$2,000, those liquid assets shall be considered an available resource for the payment of member support. These assets shall be considered available for payment of member support until such time that the remaining liquid assets total less than \$500, but leaving at least \$140.

c. Assets of a married member with spouse in a care facility. If a member’s spouse is residing in a nursing facility, the member shall be treated as a single member for asset determination purposes. If the member and the spouse become members of IVH on the same day, all resources of both members shall be added together and split one-half to each member for asset determination purposes. If the spouse is residing in a residential care facility, the rules pertaining to a spouse living in the community apply.

d. Assets of a married member with spouse living in the community. When liquid assets not exempted in paragraph “a” above are equal to or exceed \$2,000, those liquid assets shall be considered an available resource for the payment of member support. These assets shall be considered available for payment of member support until such time that the remaining liquid assets total less than \$500, but leaving at least \$140.

The assets attributed to the member shall be determined from the documented assets of both the member and spouse living in the community as of the first day of admission to IVH. All resources of both the member and the spouse shall be added together. If the total resources are less than \$24,000 (the amount set by 441 IAC 75.5(3) “d” and “f,” Public Law 100-365 and Public Law 100-485), then that amount shall be protected for the spouse living in the community. If applicable, the next \$24,000 shall be awarded to the member. Any resources over \$48,000 shall be split one-half to the member and one-half to the spouse up to a predetermined amount set by the department of human services. All resources over the predetermined amount shall be awarded to the member unless it is determined that the member would never be eligible for Medicaid benefits; in this circumstance, assets will be split one-half to the member and one-half to the spouse. Other resources attributed to the spouse living in the community shall be determined by the department of human services through the attribution process.

(1) If the member has transferred assets to the spouse living in the community under a court order for the support of the spouse, the amount transferred shall be the amount attributed to the spouse to the extent it exceeds the specified limits above.

(2) After the month in which the member is admitted, no attributed resources of the spouse living in the community shall be deemed available to the member during the continuous period in which the member is at IVH. Resources which are owned wholly or in part by the member and which are not transferred to the spouse living in the community shall be counted in determining member support. The assets of the member shall not count for member support to the extent that the member intends to transfer and does transfer the assets to the spouse living in the community within 90 days.

(3) Report of results. The department of human services shall provide the member and spouse and legal representative, if applicable, a report of the results of the attribution. The report shall state that either has a right to appeal the attribution in accordance with rule 801—10.45(35D).

e. Exception based on estrangement. When it is established by a disinterested third-party source and confirmed by the commandant or designee that the member is estranged from the spouse living in the community, member support shall be determined on the basis of resources of a single member.

10.16(3) When a member owns an available, nonliquid, nonexempt asset, the value of which would affect the computation of member support as described in rule 801—10.14(35D), the asset shall be liquidated. The value of that asset shall be considered in the computation of member support. The following paragraphs are to be considered when liquidating assets:

a. Net market value, or equity value, is the gross price for which property or an item can be sold on the open market less any legal debts, claims or liens against the property or item. IVH shall consider the condition and location of an item or property and local market conditions in determining the gross sales price of the item or property. In order for a loan or claim to be considered a lien or encumbrance against an asset, the loan or claim must be made under circumstances that result in the creditors having a recorded legal right to satisfy the debt.

b. An asset must be available in order for it to be treated in accordance with the rules of this chapter. An asset is considered available when:

(1) The member owns the property in part or in full and has control over it; that is, it can be occupied, rented, leased, sold or otherwise used and disposed of at the member's discretion; and

(2) The member has a legal interest in a liquidated sum and has the legal ability to make the sum available for member support.

c. A member must take all appropriate action to gain title and control of any asset of which the value would affect the computation of member support.

d. The value of the asset may be adjusted if the member or legal representative:

(1) Advertises the asset for sale, through appropriate methods, on a continual basis.

(2) Lists the asset with a real estate broker or other agent appropriate to the asset.

(3) Asks a reasonable price which is consistent with the asking price of similar items of property in the community.

(4) Does not refuse a reasonable offer.

(5) Does not sell the asset for an unreasonably low price.

e. Cash proceeds from the sale of an asset, conversion of an asset to cash, or receipt of any cash asset as defined in rule 801—10.1(35D) shall be used in the computation of member support beginning with the calendar month of receipt.

[ARC 8014B, IAB 7/29/09, effective 7/10/09; ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.17(35D) Divestment of assets.

10.17(1) “Intentional divestment of assets” means:

a. To knowingly sell, give or transfer by member or legal representative for less than fair market value, any asset, the value of which would affect member support; or

b. To knowingly and voluntarily place an asset, the value of which would affect member support, under a trust or other legal instrument that ends or limits the availability of that asset.

10.17(2) Transfers of resources shall be presumed to be divestiture unless the individual furnishes convincing evidence to establish that the transaction was exclusively for some other purpose. In addition to giving away or selling assets for less than fair market value, examples of transferring resources include, but are not limited to, establishing a trust, contributing to a charity or other organization, removing a name from a joint bank account, or decreasing the extent of ownership interest in a resource or any other transfer as defined in the Supplemental Security Income program.

a. Convincing evidence to establish that the transaction was not a divestiture may include documents, letters, and contemporaneous writings, as well as other circumstantial evidence.

b. In rebutting the presumption that the transfer was a divestiture, the burden of proof is on the individual to establish:

(1) The fair market value of the compensation;

(2) That the compensation was provided pursuant to an agreement, contract, or expectation in exchange for the resource; and

(3) That the agreement, contract, or expectation was established at the time of transfer.

10.17(3) An applicant or legal representative shall not knowingly and intentionally divest an asset, as set out in subrule 10.17(1), within the period established by Title XIX statute prior to admission, with the intention of reducing the applicant's member support or of obtaining admission to IVH.

When it is determined by the commandant or designee that an applicant did intentionally divest an asset, upon admission that applicant shall be charged member support as if divestment did not occur.

10.17(4) A member or legal representative shall not knowingly and intentionally divest an asset, as described in subrule 10.17(1), while a member with the intention of reducing the member support.

The commandant or designee may file a civil action for money judgment against a member or discharged member or the member's legal representative for support charges when the member or discharged member fails to pay member support in accordance with 801—Chapter 10.

801—10.19(35D) Income. This rule describes the treatment of income, as defined at rule 801—10.1(35D), in the computation of member support as described at rule 801—10.14(35D).

10.19(1) For members who are eligible for Title XIX medical assistance, rule 441—75.5(249A) shall apply. For those members participating in the Title XIX medical assistance program, the difference between the \$140 personal needs allowance and the Title XIX personal needs allowance shall be returned to the member out of individual member participation.

10.19(2) For members who are not eligible for Title XIX, the following shall apply:

a. The following types of income are exempt in the computation of member support:

- (1) The earned income of the spouse or dependents.
 - (2) Unearned income restricted to the needs of the spouse or dependents (social security, DVA, etc.).
 - (3) Any other income that can be specifically identified as accruing to the spouse or dependents.
 - (4) Nonrecurring gifts, contributions or winnings, not to exceed \$60 in a calendar quarter.

 - (8) Any money received by a member from the sale of items resulting from a therapeutic activity (i.e., items sold in the IVH gift shop).
 - (9) The first \$150 received by a member in a month for participation in the incentive therapy or other programs as described in rule 801—10.30(35D), for members in the domiciliary level of care. For members in the nursing level of care, the first \$75 shall be exempted.
 - (10) Personal loans.

- (1) All income up to the first \$140 shall be kept as a personal needs allowance.
 - (2) The personal needs allowance shall be subtracted from the member's income prior to determination of moneys to which the spouse may be entitled.
- c.* Any type of income not specifically exempted shall be considered for the payment of member support as provided in rule 801—10.14(35D).

d. Determining income from property.

(1) Nontrust property. Where there is nontrust property, income paid in the name of one person shall be available only to that person unless the document providing income specifies differently. If payment of income is in the name of two persons, one-half is attributed to each. If payment is in the name of several persons, the income shall be considered in proportion to their ownership interest. If the

member or spouse can establish different ownership by a preponderance of evidence, the income shall be divided in proportion to the ownership.

(2) Trust property. Where there is trust property, the payment of income shall be considered available as provided in the trust. In the absence of specific provisions in the trust, the income shall be considered as stated above for nontrust property.

e. The amount of income to consider in the computation of member support shall be as follows:

(1) Regular monthly pensions and entitlements. The amount of income to be considered is the gross amount of the monthly entitlement or pension received less any medical insurance premium deductions.

(2) Investments or nonrecurring lump sum payments. Net unearned income from investments or nonrecurring lump sum payments shall be determined by deducting income-producing costs from the gross unearned income. Income-producing costs include, but are not limited to, brokerage fees, property manager's salary, maintenance costs and attorney fees.

(3) Property sold on contract. The amount of income to consider shall be the amount received minus any payments for mortgage, taxes, insurance or assessments still owed on the property and payable by the contract holder.

(4) Earned income from a rental, sole or partnership enterprise. The amount of income to consider shall be the net profit figure as determined for the Internal Revenue Service on the member's income tax return.

EXCEPTION: The deductions of the previous year's state and federal taxes and depreciation on the income tax return are not allowable deductions for the purpose of the computation of member support. If a tax return is not available, the member or legal representative shall provide all information and verification needed in order to correctly compute member support.

(5) Partnership income. The member's share of the net profit shall be determined in the same manner as the partnership percentage as determined for the Internal Revenue Service's purposes.

10.19(3) Member income diversion to dependent spouse not living at IVH. A portion of the member's income shall be diverted to the spouse according to the following:

a. Spouse living in the community. One-half the income in exclusion of an amount equal to aid and attendance and after reduction of personal needs allowance.

b. Spouse permanently in another nursing home. Member shall be treated as single. If the member is in receipt of a DVA pension, the amount of income provided the spouse would be the DVA pension dependency amount.

c. Spouses living in a residential care facility. Spouses shall be treated under the same rules as a spouse living in the community in accordance with paragraph 10.19(3) "a."

d. All current court order proceedings and guardian/conservatorship appointments regarding financial obligations shall be honored.

10.19(4) Income disbursements.

a. All diversions to spouse or valid court orders shall be mailed or sent electronically as designated or on a monthly basis.

b. All checks or electronic payments shall be sent to the proper recipient no later than the eighth day of any given month or, at IVH's option, five business days after the member's last income deposit for that month.

c. Monthly income disbursements to a community spouse may be delayed or canceled if there is an overdue amount owed for support payments.

801—10.20(35D) Other income.

10.20(1) When a member receives regular monthly payments of unearned income, it shall be included in the resources available for the payment of member support.

10.20(2) When a member receives periodic recurring income which is received less frequently than monthly, this countable income, after the deduction of any allowable income-producing expenses, shall be considered in the month received.

10.20(3) When a member receives a nonrecurring retroactive payment from a specific entitlement source for a prior period of time, it shall be considered as income in the month received. The aid and attendance amount of the DVA pension shall be computed as a manual adjustment (available to member due to IVH nursing care).

10.20(4) Income from a particular source is considered terminated as of the date the member receives the last income payment from that source or the date that a sole or partnership enterprise ends, whichever is later.

10.20(5) When income from a particular source decreases in a calendar month, the decrease in income shall be considered in the computation of that month's member support. Income from a particular source is considered to be decreased as of the date the member receives the first income payment in the decreased amount.

10.20(6) When income from a particular source increases in a month, the increase in income shall be considered in the computation of that month's member support. Income from a particular source is considered to be increased as of the date the member receives the first income payment in the increased amount.

10.20(7) Recurring lump sum payments shall be treated as income in the month received.

10.20(8) Nonrecurring lump sum payments earned prior to admission, regardless of when received, shall not be counted as income but may be considered as an available liquid asset.

10.20(9) Any income as defined in rule 801—10.20(35D) that exceeds the member support billing for that month shall thereafter be considered a liquid asset available under rule 801—10.16(35D).

10.20(10) Employment is only allowed as identified in the IVH discharge planning policy (IVH policy #265).

[ARC 9689B, IAB 8/24/11, effective 9/28/11; ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter]

801—10.21(35D) Fraud. Applicants, members or legal representatives who knowingly conceal the existence of resources may be subject to the billing of full member support, discharge for failure to pay for member's care or denial of admission. Further, members who knowingly conceal liquid assets or income which would have affected member support shall be charged for the amount not previously billed due to the fraudulent act. If upon admission it is determined that medical or other pertinent information provided during the application process was fraudulent, notice of discharge may be issued. In addition, any applicant, member or legal representative suspected of fraud may be referred to the department of inspections and appeals, division of investigations, for possible criminal or civil action. The attorney general's office shall conduct the investigation.

801—10.22(35D) Overcharges. When it is discovered that a member was charged for support in excess of the amount actually due, the member shall receive a refund or credit to the member's account. If the member is discharged or deceased, a refund shall be conveyed to the member or legal representative.

801—10.23(35D) Penalty.

10.23(1) All members who have resources in excess of the full support rate shall be charged the full support rate. If any member does not apply for all benefits due (such as, but not limited to, Title XIX, DVA pension, DVA compensation, social security, or any combination), fails to report resources accurately in order to not pay full support, or refuses to accept the available billing programs offered at IVH, that member shall be charged up to full support rate as if these responsibilities had been followed. Failure to comply with these rules may result in discharge from IVH.

10.23(2) If a member is required to pay full member support under these rules, the monthly charge shall be calculated as the per diem in paragraph 10.15(1) "a" or 10.15(1) "b" times the billable days less any offsets. The only exception to this monthly charge will be the additional amount of aid and attendance in the DVA retroactive payment for the time period of nursing care at IVH. This amount, in total, shall be due regardless of resources available. If a member is required to pay member support based on additional resources, these figures shall be obtained from the appropriate agencies.

801—10.24 to 10.29 Reserved.

801—10.30(35D) Incentive therapy and nonprofit rehabilitative programs. Members may be offered the opportunity to perform services for IVH through the incentive therapy program as part of their plan of care. Participating members shall be compensated at the state's minimum wage for their involvement in the incentive therapy program. If members enrolled in nonprofit rehabilitative programs receive an income from such programs, that income shall be treated in the same manner as the incentive therapy program or IVH policy.

This rule is intended to implement Iowa Code section 35D.7(3).
[ARC 1157C, IAB 10/30/13, effective 12/4/13; see Delay note at end of chapter; ARC 2675C, IAB 8/17/16, effective 9/21/16]

801—10.31 to 10.34 Reserved.

801—10.35(35D) Handling of pension money and other funds. Each member who has not been assigned a guardian, conservator, fiduciary or representative payee or has not designated a power of attorney while having adequate decision-making capacity or as otherwise specified may manage that member's own personal financial affairs. Upon the receipt of written authorization from the member or legal representative by the commandant or designee, the commandant or designee may assist the member in the management of the member's financial affairs.

10.35(1) Pension money or other funds deposited with IVH are not assignable except as specified at subrule 10.19(3) or 10.40(2) "b"(1).

10.35(2) If authorized by a member, the commandant or designee may act on behalf of that member in receiving, disbursing, and accounting for personal funds of the member received from any source subject to the requirements of Iowa Code section 135C.24. The authorization may be given or withdrawn in writing by the member or legal representative at any time. The authorization shall not be a condition of admission to or retention at IVH.

10.35(3) IVH shall maintain a commercial account with a federally insured bank for the personal deposits of its members. The account shall be known as the IVH membership account/rep payee for social security/VA beneficiaries. The commandant or designee shall record each member's personal deposits individually and shall deposit the funds in the membership account where the members' deposits shall be held in the aggregate. Interest shall accrue on those accounts that are on deposit the last working Friday of each month. IVH may withdraw moneys from the account maintained pursuant to this subrule to establish certificates of deposit for the benefit of all members.

10.35(4) If authorized in writing by the member or legal representative, the commandant or designee may make withdrawals against that member's personal account to pay regular bills and other expenses incurred by the member. The authorization may be given or withdrawn in writing by the member or legal representative at any time. The authorization shall not be a condition of admission to or retention at IVH.

10.35(5) The commandant or designee shall maintain a written record of each member's funds which are received by or deposited with IVH. The member or legal representative shall receive a monthly statement showing deposits, withdrawals, disbursements, interest and current balances. If the commandant or designee is made representative payee or fiduciary for the member's financial transactions, this statement shall be maintained in the member's administrative file.

10.35(6) Except as otherwise specified and unless the commandant or designee has been appointed representative payee or fiduciary, funds deposited with IVH shall be released to the member or legal representative upon request. A statement will be provided showing deposits, disbursements, interest, and the final balance at the time the funds are withdrawn. When the member continues to maintain residency at IVH, the funds shall be released and a statement provided within three working days following the request. When a member is being discharged from IVH, the funds shall be released and a statement provided no later than the tenth day of the month following the month of discharge.

10.35(7) Upon the death of a member with personal funds deposited with IVH, IVH will first take payment for the final support bill, which may include debts owed to the IVH arts and crafts and ceramics

program. If funds remain, IVH, upon receipt of documentation of the outstanding balance, will convey promptly the member's funds to the funeral home or to the individual paying last funeral expenses. IVH will notify promptly the estate recovery program of the death of any IVH resident who has been on Title XIX. Upon IVH's receipt of notification from the estate recovery program, any funds remaining in the deceased resident's membership account will be disbursed according to the deceased resident's directions. If probate papers are produced, a final accounting of those funds must also be provided to the individual administering the member's estate along with a disbursement of any remaining funds. If the value of the member's estate is so small as to make the granting of administration inadvisable, IVH must hold, then deliver all money plus interest within one year to the proper heirs equally or adhere to the member's request in the member's last will and testament.

10.35(8) A member discharged while on leave from IVH shall have the member's account closed before the first of the month following discharge.

This rule is intended to implement Iowa Code sections 35D.11(2) and 35D.12(2).

a. The use of intoxicants or alcoholic beverages on IVH premises is prohibited unless prescribed by a medical provider.

Firearms or weapons in the possession of a member which constitute a hazard to self or others shall be removed and stored in a place provided and controlled by the facility or sent with family members for safekeeping.

h. Members shall not violate state and federal statutes.

i. Members shall report to the resident finance supervisor or designee any changes in assets/income, and pay support within ten business days after the monthly support bill is received or ten business days after the member's last income deposit for the month.

(3) Mental health services.

b. IVH control of the member's personal funds as follows:

c. For a second offense, a member is offered the services above and is placed on probation that warns a third offense may lead to discharge.

d. For a third offense, discharge from IVH in accordance with subrule 10.40(3).

10.40(3) The steps described in subrule 10.40(2) shall generally be followed in that order. However, if the member's violation is of an extreme nature and the member is not amenable to counseling, the commandant or designee shall choose to discharge the member after the expiration of a 30-day written notification period which begins when the notice is personally delivered. If the IRCC, in conjunction with the medical provider and mental health personnel, deems that the member's behavior poses a threat of

imminent danger, the commandant or designee may issue notice of an immediate involuntary discharge. In such an emergency situation, a written notice shall be given prior to or within 48 hours following the discharge.

The member's county commission of veterans affairs and the legal representative shall be informed in writing of the decision to discharge. Written notification shall also be issued to appropriate governmental agencies including the commission, the department of inspections and appeals, and the department on aging's long-term care ombudsman to ensure that the member's health, safety or welfare shall not be in danger upon the member's release.

10.40(4) A member who has been previously discharged under the provisions of subrule 10.40(2) or 10.40(3) shall be readmitted to IVH only upon the approval of the commandant or designee. If not approved, the applicant shall receive written notice of the denial. A copy of the denial notice shall be forwarded to the commission and the appropriate county commission of veterans affairs. 11.4(2) *Process for present and future injured veterans.*

a. When the department receives official notification from a designated service office that a veteran has been medically evacuated from a combat zone, the department will confirm Iowa residency of the veteran or, in the case of a nonresident, confirm that the veteran is or was a member of a national guard unit located in this state prior to mobilization and gather the required data to disburse the first grant payment. The check will be made payable to the veteran and mailed or presented to the veteran or next of kin.

b. Grant payments will be stopped if the veteran is returned to duty or when medical or rehabilitative treatment is discontinued.

c. If an eligible combat-injured veteran is not medically evacuated, the 30 days of continuous treatment must occur within 12 months of the injury.

11.4(3) *Commission review.*

a. A three-person subcommittee of commissioners will review applications for those veterans not evacuated but requiring 30 days of consecutive treatment.

b. An applicant may appeal a grant award decision to the commission.

11.4(4) *Subsequent award.*

a. A seriously injured veteran meeting all other requirements of this rule may receive additional grants for subsequent, unrelated injuries that meet the requirements of this rule. Any subsequent,

unrelated injury shall be treated as if it were an initial injury for the purposes of determining eligibility or allotment.

b. Grants for veterans suffering subsequent, unrelated injuries after September 11, 2001, but prior to March 30, 2011, shall be payable, upon a showing that the veteran would have been eligible for payment had the subsequent, unrelated injury occurred on or after March 30, 2011.

CHAPTER 12
COUNTY GRANT PROGRAM FOR VETERANS
Rescinded IAB 4/4/12, effective 5/9/12

CHAPTER 13
VIETNAM CONFLICT VETERANS BONUS

801—13.1(35A) Bonus for persons serving in the Vietnam service area.

13.1(1) Service requirement. A person serving in the Vietnam service area is a person who served on active duty for not less than 120 days in the armed forces of the United States, and who served at any time between July 1, 1973, and May 31, 1975, both dates inclusive, and who at the time of entering into active duty service was a legal resident of the state of Iowa, and who had maintained the person's residence in this state for a period of at least six months immediately before entering into active duty service, and was honorably discharged or separated from active duty service, or is still in active service in an honorable status, or has been retired, or has been furloughed to a reserve, or has been placed on inactive status and was on active duty service in the Vietnam service area, within the dates specified in this subrule, if the veteran earned either a Vietnam service medal or an armed forces expeditionary medal Vietnam or can otherwise establish service in the Vietnam service area during that period.

13.1(2) Compensation. Compensation for persons who served in the Vietnam service area shall be as follows:

a. The amount of compensation shall be the sum of \$17.50 for each month that the person was on active duty service in the Vietnam service area, within the dates specified in subrule 13.1(1).

b. In addition, the person shall receive compensation at the sum of \$12.50 for each month that the person was on active duty service within the dates specified in subrule 13.1(1) and was not in the Vietnam service area. For example, a person who served six months in the Vietnam service area and six months not in the Vietnam service area will receive compensation for six months at \$17.50 per month, which is \$105, and six months at \$12.50 per month, which is \$75, for a total compensation payment of \$180.

c. Compensation under this subrule shall not exceed a total sum of \$500. Compensation for a fraction of a month shall not be considered unless the fraction is 16 days or more, in which case the fraction shall be computed as a full month.

801—13.2(35A) Bonus for persons serving outside the Vietnam service area.

13.2(1) Service requirement. A person serving outside the Vietnam service area is a person otherwise qualified under subrule 13.1(1) except that the person did not earn either a Vietnam service medal or an armed forces expeditionary medal Vietnam and did not serve in the Vietnam service area during the period between July 1, 1973, and May 31, 1975, both dates inclusive.

13.2(2) Compensation. Compensation shall be the sum of \$12.50 for each month that the person was on active duty service within the dates specified in subrule 13.2(1). Compensation under this subrule shall not exceed a total sum of \$300. Compensation for a fraction of a month shall not be considered unless the fraction is 16 days or more, in which case the fraction shall be computed as a full month.

801—13.3(35A) Other Vietnam veterans compensation.

13.3(1) Compensation from other states. A person is not entitled to compensation pursuant to this chapter if the person received from another state a bonus or compensation similar to that provided in this chapter.

13.3(2) Compensation from previous bonus. The maximum compensation a person may receive pursuant to this chapter shall be reduced by the amount of any Vietnam veterans bonus received from this state by that person for service prior to July 1, 1973. For example, if a veteran received compensation under the Vietnam veterans bonus authorized in 1973 Iowa Acts, House File 656, for service between July 1, 1958, and June 30, 1973, that compensation would be subtracted from the maximum amount permitted under this chapter in order to determine the amount of compensation the veteran may receive under this chapter. If the veteran received the maximum amount permitted, no compensation is payable under this chapter.

801—13.4(35A) Definition of active duty. “Active duty” means full-time duty in the armed forces of the United States, excluding active duty for training purposes only and excluding any period a person was assigned by the armed forces to a civilian institution for a course of education or training which was substantially the same as established courses offered to civilians, or as a cadet or midshipman, however enrolled, at one of the service academies.

801—13.5(35A) Survivor compensation. The surviving unremarried widow or widower, child or children, mother, father, or person standing in loco parentis, in the order named and none other, of any deceased person shall be paid the compensation that the deceased person would be entitled to pursuant to this chapter, if living. However, if any person has died or shall die, or is disabled, from service-connected causes incurred during the period and in the area from which the person is entitled to receive compensation pursuant to this chapter, the person or the first survivor as designated by this rule, and in the order named, shall be paid \$500 or \$300, whichever maximum amount would have applied pursuant to rule 801—13.1(35A) or 801—13.2(35A), regardless of the length of service.

801—13.6(35A) Persons not eligible for compensation. A person is not entitled to compensation pursuant to this chapter if the person was on active duty service after July 1, 1973, and the person refused to be subject to military discipline on conscientious, political, religious, or other grounds.

801—13.7(35A) Penalties. A person who knowingly makes a false statement relating to a material fact in supporting an application under this chapter is guilty of a serious misdemeanor. A person convicted under Iowa Code section 35A.8 as amended by 2007 Iowa Acts, Senate File 578, section 1, subsection 5c, shall forfeit all benefits to which the person may have been entitled under this chapter.

801—13.8(35A) Tax exemption. All payments and allowances made under this chapter shall be exempt from taxation, levy, and sale on execution.

801—13.9(35A) Application procedures and determination of eligibility.

13.9(1) Application procedures. Application shall be made on forms provided by the Iowa department of veterans affairs. Applications may be obtained from the department at the address listed in subrule 13.9(4) or from the department’s Web site at www.iowava.org. The applicant shall provide the information requested on the application and include any additional documentation required (for example, a copy of the applicant’s DD Form 214). The completed application, including documentation, shall be returned to the department at the address listed in subrule 13.9(4).

13.9(2) Department processing and investigation. The executive director of the Iowa department of veterans affairs will approve or disapprove the application.

13.9(3) Appeals procedure. Decisions of the executive director are subject to review by the commission pursuant to 801—Chapter 8, Contested Cases. Applicants may appeal the decisions of the commission as provided by Iowa Code section 17A.19.

13.9(4) Office address. Persons may contact the Iowa department of veterans affairs at Camp Dodge, Bldg. A6A, 7105 NW 70th Avenue, Johnston, Iowa 50131-1824; telephone (515)242-5331 or 1-800-838-4692; fax (515)242-5659. The department’s Web address is www.iowava.org.

801—13.10(35A) Bonus restrictions and limitations. All bonuses under the program are subject to funding availability. Bonuses will be awarded in the order in which completed applications are received.

These rules are intended to implement Iowa Code Supplement section 35A.8(5) as amended by 2008 Iowa Acts, House File 2700, section 36.

CHAPTER 14
VETERANS TRUST FUND

801—14.1(35A) Purpose. These rules establish the requirements for veterans or their spouses or dependents to receive benefits from the veterans trust fund.

801—14.2(35A) Definition. For purposes of this chapter, “veteran” means the same as defined in Iowa Code section 35.1, or a resident of Iowa who served in the armed forces of the United States, completed a minimum aggregate of 90 days of active federal service, other than training, and was discharged under honorable conditions, or a former member of the national guard, reserve, or regular component of the armed forces of the United States who was honorably discharged due to injuries incurred while on active federal service that precluded completion of a minimum aggregate of 90 days of active federal service, other than training.

[ARC 7823B, IAB 6/3/09, effective 7/8/09]

801—14.3(35A) Eligibility. Veterans, their spouses, and their dependents applying for benefits available under subrules 14.4(1) through 14.4(9) must meet the following threshold requirements.

14.3(1) Income. For the purposes of this chapter, an applicant’s household income, including VA pension benefits, service-connected disability income, and social security income, shall not exceed 200 percent of the federal poverty guidelines for the number of family members living in the primary residence in effect on the date the application is received by the county director of veterans affairs. Federal poverty guidelines shall be those guidelines established by the Iowa department of human services for the veteran’s family size. The commission shall adjust the guidelines on July 1 of each year to reflect the most recent federal poverty guidelines. The commission may waive the income threshold if all income is from a fixed source and all other sources of assistance have been exhausted.

14.3(2) Resources. The department may not pay benefits under this chapter if the available liquid assets of the veteran are in excess of \$15,000. For the purposes of this chapter, “available liquid assets” means cash on hand, cash in a checking or savings account, stocks, bonds, certificates of deposit, treasury bills, money market funds and other liquid investments owned individually or jointly by the applicant and the applicant’s spouse, unless the applicant and spouse are separated or are in the process of obtaining a divorce, but does not include funds deposited in IRAs, Keogh plans or deferred compensation plans, unless the veteran is eligible to withdraw such funds without incurring a penalty. Cash surrender value of life insurance policies, real property, established burial account, or a personal vehicle shall not be included as available liquid assets.

14.3(3) Funding from other sources. Applications shall not be approved if the applicant is eligible to receive aid from other sources to meet the purposes authorized in this chapter.

14.3(4) Additional requirements and limitations. Applicants must meet any additional requirements and are subject to any limitations which may be set out in this chapter or which may be established for a particular benefit.

[ARC 7823B, IAB 6/3/09, effective 7/8/09; ARC 0057C, IAB 4/4/12, effective 5/9/12]

801—14.4(35A) Benefits available. Applications may be approved for any of the following purposes. By a majority vote, the commission may suspend some or all of these benefits for payment.

14.4(1) Travel expenses for wounded veterans, and their spouses, directly related to follow-up medical care. Travel expenses under this subrule include the unreimbursed cost of airfare, lodging, and a per diem of \$25 per day for required out-of-state medical travel that exceeds 125 miles from the veteran’s home. Spouses may be reimbursed for in-state lodging and a per diem of \$25 per day when visiting a veteran who is in a hospital for medical care related to a service-connected disability. The distance from the veteran’s home to the hospital must exceed 100 miles. The veteran or the veteran’s spouse shall provide such evidence as the commission may require, which includes but is not limited to evidence the injury or disability is service-connected, the necessity of treatment in a particular facility, and documentation of expenses. The maximum amount for lodging reimbursement shall be \$90. The

maximum amount of aid payable in a consecutive 12-month period under this subrule is \$1,000. The commission may waive the income threshold for this benefit.

14.4(2) *Job training or college tuition assistance for job retraining.*

a. The commission may pay a veteran not more than \$3,000 for retraining or postsecondary education to enable the veteran to obtain gainful employment. The commission may provide aid under this subrule if all of the following apply:

(1) The veteran is enrolled in a training course in a technical college or school, is enrolled in an accredited postsecondary institution, or is engaged in a structured on-the-job training program.

(2) The veteran is unemployed, underemployed, or has received a notice of termination of employment.

(3) The commission determines that the veteran's proposed program, or current program, will provide retraining or initial training that could enable the veteran to find gainful employment. In making its determination, the commission shall consider whether the proposed program, or current program, provides adequate employment skills and is in an occupation for which favorable employment opportunities are anticipated.

(4) The veteran requesting aid has not received full reimbursement or payment from any other retraining or education scholarship programs and the veteran does not have other assets or income available to meet retraining or initial training expenses. Applicants requesting aid under this subrule will only be granted the unpaid portion of their tuition statement, and the payment will be made directly to the institution.

b. The veteran shall provide such evidence as the commission may require to satisfy the requirements of this subrule.

14.4(3) *Unemployment or underemployment assistance during a period of unemployment or underemployment due to prolonged physical or mental illness resulting from military service or disability resulting from military service (must be physically and mentally able to return to work).* The commission may provide subsistence payments only to a veteran who has suffered a loss of income due to prolonged physical or mental illness resulting from military service or disability resulting from military service. The commission may provide subsistence payments of up to \$500 per month of unemployment or underemployment to a veteran. A veteran must provide documentation of assistance from Iowa workforce development and vocational rehabilitation, if eligible. No payment may be made under this subrule if the veteran has other assets or income available to meet basic subsistence needs. A period of unemployment implies that it is possible for the veteran to be employed in the future. A rating from the VA of 100 percent due to individual unemployability (IU) rated permanent and total indicates that a veteran is unemployable and will not qualify for assistance under this subrule. The veteran shall provide such evidence as the commission may require, which includes but is not limited to evidence that the mental illness or disability is service-connected and evidence that the veteran is unemployed or underemployed for the period of payments. To qualify as underemployed, the applicant must be currently working at an income that is below 150 percent of federal poverty guidelines due to limitations caused by the applicant's service-connected disability or illness. The maximum amount of aid payable in a consecutive 12-month period under this subrule is \$3,000 and a lifetime maximum of \$6,000.

14.4(4) *Expenses related to hearing care, dental care, vision care, or prescription drugs.*

a. The commission may provide health care aid to a veteran, to the veteran's spouse or dependents, or to the unremarried spouse of a deceased veteran for dental care, including dentures; vision care, including eyeglass frames and lenses; hearing care, including hearing aids; and prescription drugs that are not covered by the veterans affairs medical center.

b. The maximum amount that may be paid under this subrule for any consecutive 12-month period may not exceed \$2,500 for dental care, \$500 for vision care, \$1,500 per ear for hearing care, and \$1,500 for prescription drugs. Lifetime maximum benefit: \$10,000.

c. The commission shall not provide health care aid under this subrule unless the aid recipient's health care provider agrees to accept, as full payment for the health care provided, the amount of the payment; the amount of the recipient's health insurance or other third-party payments, if any; and the amount that the commission determines the veteran is capable of paying. Payment under this subrule

will be provided directly to the health care provider. The commission shall not pay health care aid under this subrule if the available liquid assets of the veteran are in excess of \$15,000.

d. Applicants for assistance under this subrule will be required to provide the commission with an unpaid bill for service or an estimated cost of service from the health care provider and documentation of the need for the service. For prescription drugs, the applicant must produce documentation of the need for the prescribed drug and documentation stating whether a generic drug is available or appropriate. The commission payment will not exceed an estimated cost of service by a health care provider.

14.4(5) *Expenses relating to the purchase of durable equipment or services to allow a veteran, the veteran's spouse or dependents, or the unremarried spouse of a deceased veteran to remain in their home.*

a. The commission may make reimbursement payments to a veteran or to the unremarried spouse of a deceased veteran for the purchase of durable equipment that allows the veteran, the veteran's spouse or dependents, or the unremarried spouse of a deceased veteran to remain in their home or allows them the ability to utilize more of their home.

b. Individuals requesting reimbursement under this subrule will be required to provide verification of the purchase and installation of the equipment and information relating to the need for the equipment. Individuals may also provide a product and installation cost estimate to the commission for approval, with the understanding that the commission will pay no more than the cost estimate to the supplier or installer. Applicants needing durable equipment as a medical necessity should provide information from a physician.

c. Assistance under this subrule cannot duplicate assistance from other entities, and the maximum amount that may be paid may not exceed \$2,500.

d. The commission shall not pay a reimbursement under this subrule if the available liquid assets of the veteran are in excess of \$15,000.

14.4(6) *Individual counseling or family counseling programs.*

a. The commission may make mental health, substance abuse, and family counseling available to veterans and their families. Individual family members are eligible for counseling.

b. The assistance may include appropriate counseling and treatment programs for veterans and their families in need of services.

c. Any assistance provided under this subrule shall not duplicate other services readily available to veterans and their families. Veterans who are eligible for VA mental health services must initially visit their nearest VA medical facility for initial consultation and continued psychiatric treatment. Payment under this subrule will be made for additional services for the veteran in a location closer to the veteran's home and at a greater frequency than the VA medical center can accommodate.

d. The commission may provide up to \$150 per hour and \$75 per half-hour for outpatient counseling visits to providers who will accept as full payment for the counseling services the amount provided. Counseling and substance abuse services provided in a group setting may be paid up to \$40 per hour. Counseling and substance abuse services may also be provided in an inpatient setting, subject to the maximum amount eligible under 14.4(6) "f."

e. The maximum amount that may be paid under this subrule for any consecutive 12-month period shall not exceed \$5,000. Individuals seeking counseling services are eligible for up to \$2,500, individuals seeking substance abuse treatment and counseling combined are eligible for up to \$3,500, and families seeking counseling services that may also include individual counseling and substance abuse services are eligible for up to \$5,000.

f. The commission may not provide counseling under this subrule unless the aid recipient's counseling service provider agrees to accept, as full payment for the counseling services provided, the amount of the payment; the amount of the recipient's health insurance or other third-party payments, if any; and the amount that the commission determines the veteran is capable of paying. The commission will make payment directly to the entity providing counseling and substance abuse services. The commission shall not pay for counseling under this subrule if the available liquid assets of the veteran are in excess of \$15,000.

14.4(7) *Expenses relating to ambulance and emergency room services for veterans and emergency lodging for immediate family members.*

a. The commission may provide assistance to veterans for expenses related to ambulance trips, including air ambulance transportation, and emergency room visits for emergency care patients or VA health care patients who cannot indicate to emergency personnel that they are to be presented to a VA medical center.

b. Funding through this subrule shall be paid directly to the entity providing the emergency service or transportation after the commission is provided with an unpaid bill. All efforts should be made to utilize all other methods of payment prior to accessing assistance under this subrule.

c. The maximum amount that may be paid under this subrule may not exceed \$7,500.

14.4(8) *Emergency expenses related to vehicle repair, housing repair, or temporary housing assistance.*

a. The commission may provide assistance to a veteran or to the unremarried spouse of a deceased veteran for emergency vehicle repair, emergency housing repair, and temporary housing.

b. Assistance for vehicle repair is limited to expenses that are required for continued use of the vehicle. This assistance will only be granted in cases where the vehicle is needed for travel to and from work-related activities, the applicant is over the age of 65, or substantial hardship will occur if the vehicle is not repaired. Assistance may be provided in situations where the applicant does not have sufficient means to pay an insurance deductible. Assistance may be paid directly to the entity performing the maintenance or the insurance company owed the deductible. In certain circumstances, reimbursement may be made to the veteran or to the unremarried spouse of a deceased veteran in order for the vehicle to be released from the entity providing the service. Assistance will not be provided for damage caused during the commission of a crime, for cosmetic needs, for damage resulting in an auto accident when automobile insurance has not been purchased, or for routine maintenance.

c. Assistance for home repair is limited to repairs that are required to improve the conditions and integrity of the home and are necessary for the safety and security of the residents. Applicants with homeowners insurance may request assistance for payment of a deductible. Assistance may be provided for applicants in disaster situations, home accidents, vandalism, or other situations as determined by the commission. In situations where a home is damaged beyond repair, assistance under this subrule is available to assist the applicant in purchasing a new home.

d. Assistance for transitional housing may be provided to applicants who are displaced from their home during a period of repairs related to a disaster, vandalism, home accident, or other reason that makes staying in the home hazardous to the health of the residents. Any refunded security deposits paid for under this subrule shall be returned to the Iowa veterans trust fund.

e. The maximum amount that may be paid under this subrule for any consecutive 12-month period may not exceed \$2,500 for vehicle repair, \$3,000 for housing repair, and \$1,000 for transitional housing. Lifetime maximum benefit for housing repair and vehicle repair: \$10,000 each.

f. The commission shall not pay a reimbursement under this subrule if the available liquid assets of the veteran are in excess of \$15,000.

14.4(9) *Expenses related to establishing whether a minor child is a dependent of a deceased veteran.*

a. The commission may provide assistance to the family of veterans who are killed while serving on active federal service, for expenses related to paternity or maternity tests or the cost of procuring additional DNA samples from the deceased veteran. This assistance is available to determine whether a child is eligible for United States Department of Veterans Affairs war orphan benefits.

b. Applicants are required to provide the results of the paternity or maternity examinations to the commission upon completion of the tests. Where the deceased veteran is not the parent of the child, the applicant will be required to repay the assistance received as provided in 801—14.6(35A).

c. The maximum amount that may be paid under this subrule is \$2,500.

d. The commission may waive the income threshold for this benefit.

14.4(10) *Family support group programs or programs for children of members of the military.*

a. The commission may award grants to unit family readiness/support groups, family support offices, and other such organizations providing support and programs to families and children of family members.

b. The grant shall be only for projects or programs which are not funded from any other source. The commission shall determine if the applicant's proposed project or program will provide the intended support. In making its determination, the commission shall consider whether the proposed program will provide anticipated favorable results.

c. The maximum amount of aid payable in a consecutive 12-month period under this subrule to a family readiness/support group is \$500.

14.4(11) Honor guard services.

a. The commission may reimburse veterans organizations for providing military funeral honors as follows:

(1) If a single veterans organization provides basic honors, \$25.
(2) If a single veterans organization provides full honors, \$50.
(3) If two or more veterans organizations participate in providing full honors and one of the organizations provides a firing detail, \$50. The organizations may request that the commission split the reimbursement.

(4) If two or more veterans organizations participate in providing basic honors, \$25. Payment shall be to one veterans organization, as determined by the commission.

b. Notwithstanding paragraph 14.4(11) "a," the commission shall not reimburse a veterans organization if federal funding is available to reimburse the veterans organization for providing military funeral honors. The veterans organization shall request reimbursement from federal sources. If a veterans organization receives federal funding for providing military funeral honors at the reimbursement rate of one funeral per day, the department shall reimburse the organization for the provision of military funeral honors at any additional funerals on that day.

c. The maximum amount of aid payable in a calendar year under this subrule to a veterans organization is \$1,000.

d. Veterans service organizations that are not currently providing honor guard services may apply for a \$500 up-front grant for the use of creating a new honor guard within their organization. Applicants must present the commission with an estimated cost for purchasing uniforms and firearms for providing military honors and an estimated number of members who will be available to perform honor guard services. Organizations should also provide information regarding how they plan to pay for additional expenses that may occur outside of trust fund assistance. Applicants will be eligible for reimbursements under paragraphs 14.4(11) "a" to "c" 12 months after the receipt of their original \$500 grant.

14.4(12) Matching funds to veterans service organizations to provide for accredited veteran service officers.

a. The commission may provide matching funds to veterans service organizations for maintaining accredited veteran service officers located at the Des Moines Veterans Affairs Regional Office.

b. Funding for all service organizations combined is available in an amount of up to 20 percent of the interest and earnings on the trust fund balance during the fiscal year or \$150,000, whichever is less.

c. Service organizations requesting funding from the trust fund must provide financial data on the level of organizational funding for the staffing and operation of an office in the Des Moines Veterans Affairs Regional Office. Of the available amount outlined in this subrule, assistance will be split evenly among the service organizations eligible for the trust fund assistance. If the service organization's expenditures are less than its share of the grant, the grant amount will be reduced to the amount of the organization's previous fiscal year's expenditures.

d. Service organizations will be required to maintain the same level of expenditures in the year they receive funding as in the previous year. Funding will be recaptured by the treasurer of the state of Iowa if this funding is used to supplant funding from an individual veterans service organization. Trust fund assistance will not be included in future fiscal year maintenance of effort requirements. A report on the previous fiscal year's expenditures will be required to determine the maintenance of effort for the organization.

801—14.5(35A) Application procedure. Applications for benefits from the veterans trust fund may be obtained at any county veterans affairs office. The county director of veterans affairs shall date-stamp the application and submit it to the Iowa Department of Veterans Affairs, Camp Dodge, Bldg. 3465, 7105 NW 70th Avenue, Johnston, Iowa 50131-1824.

14.5(1) Application process. A person who wishes to apply shall complete an Application for Veterans Trust Fund form and provide such documentation or other evidence as the commission may require in order to determine the awarding or denial of the benefits available under this chapter.

14.5(2) Date of application. The date of the application shall be the date the signed application and written verification are received by the Iowa department of veterans affairs.

14.5(3) Eligibility determination.

a. The county director of veterans affairs or members of the county commission shall make a recommendation to the Iowa commission of veterans affairs as to whether to approve or deny the application. The Iowa commission of veterans affairs or a subcommittee appointed by the chair shall approve or deny all applications. Applications submitted to the Iowa commission of veterans affairs will be processed at its quarterly meetings as set forth in 801—paragraph 1.2(2)“a” or during a conference call for the purpose of voting on a trust fund expenditure. Applications must be approved by a majority vote of the commission membership or appointed subcommittee. The director of the Iowa department of veterans affairs shall notify an applicant within 15 days of the commission’s decision. An explanation of the reasons for rejection of an application will accompany denials.

b. Applications for honor guard reimbursements under subrule 14.4(11) shall be processed solely by the Iowa department of veterans affairs and do not need commission approval for expenditure of trust fund interest balance funds for this purpose.

14.5(4) Waiting list. After all veterans trust fund moneys have been obligated, the commission shall approve or deny pending applications based on eligibility. Applicants who meet the eligibility requirements and are approved for payment by the commission shall be placed on a waiting list based on the date of approval and then according to the order in which the completed applications and verification were received by the Iowa commission of veterans affairs. 801—14.6(35A) Recovery of erroneous payments.

- a.* The information provided by the applicant is inaccurate.

- c.* The applicant is not entitled to a grant or is entitled to a lower grant amount as a result of a change in circumstances that affects the applicant’s eligibility to receive the grant.

14.6(2) Amount of recovery. The commission may recover only the portion of the grant to which the applicant would not have been entitled if the correct information had been provided or if the grant had been properly calculated or as a change in circumstances warrants.

14.6(3) Remedies. The commission may request repayment of the amount due under subrule 14.6(2). In lieu of a lump sum payment, the commission may enter into an agreement under which the applicant may repay the amount due within a 12-month period. The commission may also suspend other benefits available to the applicant until the amount due has been recovered.

14.6(4) Waiver. The commission may temporarily or permanently waive its authority to recover payments under subrule 14.6(1) or suspend benefits under subrule 14.6(3) if the applicant’s household income is totally exempt from Iowa garnishment law.

The applicant shall appeal the decision of the subcommittee to the commission in writing within 30 days of receiving the written denial and shall provide relevant new information to substantiate the appeal.

14.7(2) Final agency action. The approval or denial of an application by the commission or by the department shall be the final decision of the agency.

14.7(3) Judicial review. Judicial review of the commission's or department's final decisions may be sought in accordance with Iowa Code section 17A.19.

801—15.1(37A) Purpose. Pursuant to Iowa Code section 37A.1, these rules establish the process for the sale, trade or transfer of veterans commemorative property.

801—15.2(37A) Definitions. For the purposes of this chapter, the following terms are defined as follows:

“Department” means the Iowa department of veterans affairs.

“Veteran” means a deceased person who served in the armed forces of the United States during a war in which the United States was engaged or served full-time in active duty in a force of an organized state militia, excluding service in the National Guard when in an inactive status.

“Veterans commemorative property” means any memorial as defined in Iowa Code section 523I.102, including a headstone, plaque, statue, urn, decoration, flag holder, badge, shield, item of memorabilia, or other embellishment, that identifies or commemorates any veteran or group of veterans, including any veterans organization or any military unit, company, battalion, or division.

“Veterans organization” means the Grand Army of the Republic, Sons of Union Veterans of the Civil War, Sons of Confederate Veterans, Veterans of Foreign Wars, Disabled American Veterans, Paralyzed Veterans of America, Military Order of the Purple Heart, Forty and Eight, Vietnam Veterans of America, United Spanish War Veterans, the Jewish War Veterans of the United States, Inc., the Catholic War Veterans, Inc., American Legion, American Veterans of World War II, Italian American War Veterans of the United States, Inc., or other corporation or association of veterans.

801—15.3(37A) Notification procedure.

15.3(1) Notification. Prior to the sale, trade or transfer of veterans commemorative property, a person who owns or controls a property where veterans commemorative property has been placed shall provide notice to the department and obtain written authorization. Notification to the department shall be submitted for review on forms provided by the department 60 days prior to the proposed transaction date of the veterans commemorative property.

15.3(2) Notification forms. Notification forms may be obtained from the Iowa Department of Veterans Affairs, Camp Dodge, Bldg. 3465, 7105 NW 70th Avenue, Johnston, Iowa 50131-1824, or from the department’s Web site at <https://va.iowa.gov>.
[ARC 3341C, IAB 9/27/17, effective 11/1/17]

801—15.4(37A) Transaction approval. Upon receipt of transaction notification and supporting documentation, the department shall take action on the request within a reasonable time frame not to exceed 60 days. The following criteria will be considered in evaluating a request:

15.4(1) Risk of deterioration. The department may authorize the sale, trade, or transfer of veterans commemorative property, if the veterans commemorative property is determined to be at risk of deterioration to a point where the veteran, group of veterans, or veterans organization that the property commemorates will be unrecognizable.

15.4(2) Relocation of veterans commemorative property to a suitable location. The department may authorize the sale, trade, or transfer of veterans commemorative property if the transaction will be made with an individual or organization that will preserve the current condition of the property and will display the property in a manner that will commemorate the veteran, group of veterans, or veterans organization for which the property was intended.

15.4(3) To provide for the maintenance of cemetery property. The department may authorize the sale, trade, or transfer of veterans commemorative property if the transaction is necessary to ensure that sufficient funds are available to maintain the cemetery where the veterans commemorative property is placed and the specific lot, plot, grave, burial place, niche, crypt, or other place of interment of a veteran or group of veterans.

15.4(4) Veterans commemorative property will be suitably replaced. The department may authorize the sale, trade, or transfer of veterans commemorative property if the property will be replaced at the

same site, with a memorial that will continue to commemorate the veteran, group of veterans, or veterans organization that the original memorial was intended to honor.

15.4(5) *Donating veterans organization approval.* The department may authorize the sale, trade, or transfer of veterans commemorative property if the veterans organization that is believed to have donated the property consents to the transaction.

15.4(6) *Lending owner approval.* The department may authorize the sale, trade, or transfer of veterans commemorative property if the owner of the property authorizes the transaction and is aware that the entity in possession of the property will retain the proceeds of the transaction.

801—15.5(37A) Appeals.

15.5(1) *Final department action.* Action taken on the application shall be the final decision of the department.

15.5(2) *Review.* Review of the department's final decision may be sought in accordance with Iowa Code section 17A.19. Written notice of appeal should be directed to the Executive Director, Iowa Department of Veterans Affairs, Camp Dodge, Bldg. 3465, 7105 NW 70th Avenue, Johnston, Iowa 50131-1824, within 30 days of receipt of final department action.

801—15.6(37A) Penalty. Engaging in the sale, trade, or transfer of veterans commemorative property without department authorization is punishable as a simple misdemeanor pursuant to Iowa Code section 37A.1(3).

These rules are intended to implement Iowa Code section 37A.1 as amended by 2008 Iowa Acts, Senate File 2333.
