[Prior to 8/9/00, see also 491—Chs 6, 20 and 21]

491—1.1(99D,99F) Function. The racing and gaming commission was created by Iowa Code chapter 99D and is charged with the administration of the Iowa pari-mutuel wagering Act and excursion boat gambling Act. Iowa Code chapters 99D and 99F mandate that the commission shall have full jurisdiction over and shall supervise all race meetings and gambling operations governed by Iowa Code chapters 99D and 99F.

491—1.2(99D,99F) Organization, meetings, and procedure.

1.2(1) Organization.

a. The racing and gaming commission is located at 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309; telephone (515)281-7352. Office hours are 8 a.m. to 4:30 p.m., Monday through Friday.

b. The racing and gaming commission consists of five members. The membership shall elect a chairperson and vice-chairperson in July of each year. No chairperson shall serve more than two consecutive one-year full terms.

1.2(2) Meetings.

a. The commission meets periodically throughout the year and shall meet in July of each year. Notice of a meeting is published on the commission's Web site at www.iowa.gov/irgc/ at least five days in advance of the meeting or will be mailed to interested persons upon request. The notice shall contain the specific date, time, and place of the meeting. Agendas are available to any interested persons not less than five days in advance of the meeting.

b. Persons wishing to appear before the commission should submit a written request to the commission office not less than ten working days prior to the meeting. The administrator or commission may place a time limit on presentations after taking into consideration the number of presentations requested.

c. Special or electronic meetings may be called by the chairperson only upon a finding of good cause and shall be held in strict accordance with Iowa Code section 21.4 or 21.8.

1.2(3) Procedure. All meetings shall be open to the public unless a closed session is voted by four members or all members present for the reasons specified in Iowa Code section 21.5. The operation of commission meetings shall be governed by the following rules of procedure:

a. A quorum shall consist of three members.

b. When a quorum is present, a position is carried by an affirmative vote of the majority of the entire membership of the commission.

c. A commissioner, who is present at a meeting of the commission when action is taken, shall be presumed to have assented to the action unless the commissioner's dissent was requested to be entered in the minutes. A roll-call vote on any motion may be recorded in the minutes. Reconsideration of any action may only be initiated by a commissioner who voted with the prevailing side. The motion to reconsider any action may be made and seconded before the conclusion of the meeting when the action was approved, or it may be made in writing and submitted to the commission office within two business days following the meeting. Only the mover has the option to request that the motion be held in abeyance, when the motion to reconsider is offered during the same meeting. Any commissioner is eligible to call up the motion to reconsider at the next meeting of the commission. The official minutes shall record the offering of any motion to reconsider, whether placed during the meeting or by timely written submission.

d. The presiding officer may exclude any person from the meeting for behavior that disrupts or obstructs the meeting.

e. Cases not covered by this rule shall be governed by the 2000 edition of Robert's Rules of Order Newly Revised.

Requests to obtain records may be made by mail, telephone, or fax or in person. Minutes of commission meetings, forms, and other records routinely requested by the public may be obtained without charge or viewed on the commission's Web site. The fee shall be \$5,000 for each subsequent application involving the same operator and the same qualified sponsoring organization. Additionally, the applicant shall remit an investigative fee of \$30,000 to the department of public safety to do background investigations as required by the commission. 491—1.6(99D,99F) Limitation on location and number of racetracks and excursion gambling boats. Rescinded IAB 9/29/04, effective 11/3/04.

491—1.7(99D,99F) Criteria for granting licenses, renewing licenses, and determining race dates. The commission sets forth the following criteria which the commission will consider when deciding whether to issue a license to conduct racing or gaming in Iowa. The various criteria may not have the same importance in each instance, and other factors may present themselves in the consideration of an application for a license. The criteria are not listed in order of priority. After the initial consideration for issuing a license, applicable criteria need only be considered when an applicant has demonstrated a deficiency.

1.7(1) *Compliance.* The commission will consider whether or not the applicant is and has been in compliance with the terms and conditions specified in Iowa Code section 99D.9 or 99F.4. The commission will also consider whether the proposed facility is in compliance with applicable state and local laws regarding fire, health, construction, zoning, and other similar matters.

1.7(2) *Gaming integrity.* The commission will consider whether the proposed operation would ensure that gaming is conducted with a high degree of integrity in Iowa and that the officers, directors, partners, or shareholders of the operation are of good repute and moral character. The commission shall decide what weight and effect evidence about an officer, director, partner, or shareholder should have in the determination of whether there is substantial evidence that the individual is not of good reputation and character.

1.7(3) *Economic impact and development.* The commission will consider:

a. The amount of revenue to be provided by the proposed facility to the state and local communities through direct taxation on the facility's operation and indirect revenues from tourism, ancillary businesses, creation of new industry, and taxes on employees and patrons. The commission may engage an independent firm proficient in market feasibility studies in the industry for specific analysis of any application to determine the potential market of any proposed facility as well as the impact on existing licensees.

b. The level of financial and other support the proposed operation will provide to the community in order to improve the quality of life of the residents of the community.

c. The viability and overall net benefit of the proposed operation to the state gaming industry, taking into consideration:

- (1) Investment versus projected adjusted gross revenue.
- (2) Impact on existing operators' adjusted gross revenue versus existing operators' ratio of adjusted gross revenue to investment.
- (3) Ratio of equity to total investment and whether the proposed project is adequately and properly financed.
- (4) Percent of projected adjusted gross revenue from underserved markets.
- (5) Percent of projected adjusted gross revenue from existing Iowa operators.

- (6) Stability and reliability of out-of-state market(s).
- d. The benefits to Iowa tourism.
- e. The number and quality of employment opportunities for Iowans.
- f. The development and sale of Iowa products.
- g. The number and types of developments and amenities associated with the proposed operation in addition to the gaming floor.

1.7(4) *Efficient and safe operation.* The commission will consider whether the proposed facility is planned in a manner that promotes efficient and safe operation of all aspects of the facility including providing adequate security for employees and patrons. Adequate employment to serve patrons' needs, facility scope and design, parking facilities, access to cashier windows, concessions, and restrooms will be considered.

1.7(5) *Community support.* The commission will consider support for the proposed project within the community in which a proposed facility is to be located.

1.7(6) *Nurture of the racing industry.* The commission will consider whether the proposed racetrack operation would serve to nurture, promote, develop, and improve the racing industry in Iowa and provide high-quality racing in Iowa. The commission will also consider if the proposed racetrack operation will maximize purses and is beneficial to Iowa breeders.

1.7(7) *Other factors.* The commission will consider such other factors as may arise in the circumstances presented by a particular application.

[ARC 8029B, IAB 8/12/09, effective 9/16/09]

491—1.8(17A,99D,99F) Granting of a waiver. For purposes of this rule, a waiver or variance means action by the commission that suspends in whole or in part the requirements or provisions of a rule as applied to an identified entity on the basis of the particular circumstances of that entity. For simplicity, the term “waiver” shall include both a waiver and a variance.

1.8(1) *Scope of rule.* This rule outlines generally applicable standards and a uniform process for the granting of a waiver from rules adopted by the commission in situations where no other more specifically applicable law provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this rule with respect to any waiver from that rule.

1.8(2) *Applicability of rule.* The commission may grant a waiver from a rule only if the commission has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The commission may not waive requirements created or duties imposed by statute.

1.8(3) *Criteria for waiver.* In response to a petition completed pursuant to subrule 1.8(5), the commission may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the commission finds, based on clear and convincing evidence, all of the following:

- a. The application of the rule would impose an undue hardship on the entity for whom the waiver is requested;
- b. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any entity;
- c. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
- d. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

1.8(4) *Filing of petition.* A petition for a waiver must be submitted in writing to the commission as follows:

- a. *License application.* If the petition relates to a license application, the petition shall be made in accordance with the filing requirements for the license in question.
- b. *Contested cases.* If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.

c. Other. If the petition does not relate to a license application or a pending contested case, the petition may be submitted to the administrator.

1.8(5) Content of petition. A petition for waiver shall include the following information where applicable and known to the requester:

a. The name, address, and telephone number of the person or entity for whom a waiver is being requested, and the case number of any related contested case.

b. A description and citation of the specific rule from which a waiver is requested.

c. The specific waiver requested, including the precise scope and duration.

d. The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in subrule 1.8(3). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition, and a statement of reasons that the petitioner believes will justify a waiver.

e. A history of any prior contacts between the commission and the petitioner relating to the regulated activity or license affected by the proposed waiver, including a description of each affected license held by the requester, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity or license within the last five years.

f. Any information known to the requester regarding the commission's treatment of similar cases.

g. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question, or which might be affected by the grant of a waiver.

h. The name, address, and telephone number of any person or entity who would be adversely affected by the grant of a waiver.

i. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

j. Signed releases of information authorizing persons with knowledge regarding the request to furnish the commission with information relevant to the waiver.

1.8(6) Additional information. Prior to issuing an order granting or denying a waiver, the commission may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the commission may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the administrator, a committee of the commission, or a quorum of the commission.

1.8(7) Notice. The commission shall acknowledge a petition upon receipt. The commission shall ensure that notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law, within 30 days of the receipt of the petition. In addition, the commission may give notice to other persons.

To accomplish this notice provision, the commission may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law, and provide a written statement to the commission attesting that notice has been provided.

1.8(8) Hearing procedures. The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case and shall otherwise apply to agency proceedings for a waiver only when the commission so provides by rule or order or is required to do so by statute.

1.8(9) Ruling. An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts, reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

1.8(10) Board discretion. The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the commission, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the commission based on the unique, individual circumstances set out in the petition.

1.8(11) Burden of persuasion. The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the commission should exercise its discretion to grant a waiver from a commission rule.

1.8(12) *Narrowly tailored exception.* A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

1.8(13) *Administrative deadlines.* When the rule from which a waiver is sought establishes administrative deadlines, the commission shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

1.8(14) *Conditions.* The commission may place any condition on a waiver that the commission finds desirable to protect the public health, safety, and welfare.

1.8(15) *Time period of waiver.* A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the commission, a waiver may be renewed if the commission finds that grounds for the waiver continue to exist.

1.8(16) *Time for ruling.* The commission shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the commission shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

1.8(17) *When deemed denied.* Failure of the commission to grant or deny a petition within the required time period shall be deemed a denial of that petition by the commission. However, the commission shall remain responsible for issuing an order denying a waiver.

1.8(18) *Service of order.* Within seven days of its issuance, any order issued under this rule shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law.

1.8(19) *Public availability.* All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the commission is authorized or required to keep confidential. The commission may accordingly redact confidential information from petitions or orders prior to public inspection.

1.8(20) *Summary reports.* Semiannually, the commission shall prepare a summary report identifying the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the commission's actions on waiver requests. If practicable, the report shall detail the extent to which the granting of a waiver has affected the general applicability of the rule itself. Copies of this report shall be available for public inspection and shall be provided semiannually to the administrative rules coordinator and the administrative rules review committee.

1.8(21) *Cancellation of a waiver.* A waiver issued by the commission pursuant to this rule may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the commission issues an order finding any of the following:

- a.* The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver;
- b.* The alternative means for ensuring that the public health, safety, and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
- c.* The subject of the waiver order has failed to comply with all conditions contained in the order.

1.8(22) *Violations.* Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this rule who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

1.8(23) *Defense.* After the commission issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

1.8(24) *Judicial review.* Judicial review of the commission's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

These rules are intended to implement Iowa Code section 17A.9A and Iowa Code chapters 99D and 99F.

CHAPTER 2 RULE MAKING AND DECLARATORY ORDERS

[Prior to 11/19/86, Racing Commission[693]]

[Prior to 11/18/87, Racing and Gaming Division[195]]

491—2.1(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the agency are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

491—2.2(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the racing and gaming commission (commission) may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1) “a,” solicit comments from the public on a subject matter of possible rule making by the commission by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

491—2.3(17A) Public rule-making docket.

2.3(1) Docket maintained. The commission shall maintain a current public rule-making docket.

2.3(2) Anticipated rule making. The rule-making docket shall list each anticipated rule-making proceeding. A rule-making proceeding is deemed “anticipated” from the time a draft of proposed rules is distributed for internal discussion within the commission. For each anticipated rule-making proceeding, the docket shall contain a listing of the precise subject matter which may be submitted for consideration by the commission for subsequent proposal under the provisions of Iowa Code section 17A.4(1) “a,” the name and address of commission personnel with whom persons may communicate with respect to the matter, and an indication of the present status within the commission of that possible rule. The commission may also include in the docket other subjects upon which public comment is desired.

2.3(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1) “a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule becoming effective. For each rule-making proceeding, the docket shall indicate:

- a. The subject matter of the proposed rule;
- b. A citation to all published notices relating to the proceeding;
- c. Where written submissions on the proposed rule may be inspected;
- d. The time during which written submissions may be made;
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made;
- f. Whether a written request for the issuance of a regulatory analysis, or a concise statement of reasons, has been filed, and whether such written request, analysis, or statement may be inspected;
- g. The current status of the proposed rule and any commission determinations with respect thereto;
- h. Any known timetable for commission decisions or other action in the proceedings;
- i. The date of the rule’s adoption;
- j. The date of the rule’s filing, indexing, and publication;
- k. The date on which the rule will become effective; and
- l. Where the rule-making record may be inspected.

491—2.4(17A) Notice of proposed rule making.

2.4(1) Contents. At least 35 days before the adoption of a rule the commission shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule;
- b. The specific legal authority for the proposed rule;
- c. Except to the extent impracticable, the text of the proposed rule;
- d. Where, when, and how persons may present their views on the proposed rule; and
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the commission shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the commission for the resolution of each of those issues.

2.4(2) *Incorporation by reference.* A proposed rule may incorporate other materials by reference only if it complies with all of the requirements applicable to the incorporation by reference of other materials in an adopted rule that are contained in subrule 2.12(2) of this chapter.

2.4(3) *Copies of notices.* Persons desiring to receive copies of future Notices of Intended Action by subscription must file with the commission a written request indicating the name and address to which such notices should be sent. The commission will attach the proposed rules to the agenda for the commission meeting in which the rules will be addressed. If the individual desiring a copy of the rules did not receive the rules with the copy of the agenda either through the mail or on the commission Web page within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the commission shall mail or electronically transmit a copy of that notice to subscribers who have filed a written request for either mailing or electronic transmittal with the commission for Notices of Intended Action. The written request shall be accompanied by payment of the subscription price which may cover the full cost of the subscription service, including its administrative overhead and the cost of copying and mailing the Notices of Intended Action for a period of one year.

491—2.5(17A) Public participation.

2.5(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing, on the proposed rule. Such written submissions should identify the proposed rule to which they relate and should be submitted to the Racing and Gaming Commission, 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309.

2.5(2) *Oral proceedings.* The commission may, at any time, schedule an oral proceeding on a proposed rule. The commission shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the commission by the administrative rules review committee, a governmental subdivision, an agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by an agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

2.5(3) *Conduct of oral proceedings.*

a. *Applicability.* This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1)“b.”

b. *Scheduling and notice.* An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in

the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. Presiding officer. The commission, a member of the commission, or another person designated by the commission who will be familiar with the substance of the proposed rule, shall preside at the oral proceeding on a proposed rule. If the commission does not preside, the presiding officer shall prepare a memorandum for consideration by the commission summarizing the contents of the presentations made at the oral proceeding unless the commission determines that such a memorandum is unnecessary because the commission will personally listen to or read the entire transcript of the oral proceeding.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at such a proceeding are encouraged to notify the commission at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the commission decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Persons making oral presentations are encouraged to avoid restating matters which have already been submitted in writing.

(3) To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. Such submissions become the property of the commission.

(6) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any questions.

(8) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

2.5(4) Additional information. In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the commission may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

2.5(5) Accessibility. The commission shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the commission at (515)281-7352 in advance to arrange access or other needed services.

[ARC 0734C, IAB 5/15/13, effective 6/19/13]

491—2.6(17A) Regulatory analysis.

2.6(1) Qualified requesters for regulatory analysis—business impact. The commission shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(1) after a proper request from:

a. The administrative rules review committee,

b. The administrative rules coordinator.

2.6(2) *Time period for analysis.* Upon receipt of a timely request for a regulatory analysis, the commission shall adhere to the time lines described in Iowa Code section 17A.4A(4).

2.6(3) *Contents of request.* A request for a regulatory analysis is made when it is mailed or delivered to the commission. The request shall be in writing and satisfy the requirements of Iowa Code section 17A.4A(1).

2.6(4) *Contents of concise summary.* The contents of the concise summary shall conform to the requirements of Iowa Code sections 17A.4A(2), (3) and (5).

2.6(5) *Publication of a concise summary.* The commission shall make available, to the maximum extent feasible, copies of the published summary in conformance with Iowa Code section 17A.4A(5).

2.6(6) *Regulatory analysis contents—rules review committee or rules coordinator.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, or the administrative rules coordinator, the regulatory analysis shall conform to the requirements of Iowa Code sections 17A.4A(1), (2) “a” and “b,” and (3) unless a written request expressly waives one or more of the items listed in the section.

491—2.7(17A,25B) Fiscal impact statement.

2.7(1) A proposed rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions or agencies and entities which contract with political subdivisions to provide services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

2.7(2) If the commission determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the commission shall, at the same time, issue a corrected fiscal impact statement and publish the correct fiscal impact statement in the Iowa Administrative Bulletin.

491—2.8(17A) Time and manner of rule adoption.

2.8(1) *Time of adoption.* The commission shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the commission shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

2.8(2) *Consideration of public comment.* Before the adoption of a rule, the commission shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any memorandum summarizing such oral submissions, and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

2.8(3) *Reliance on commission expertise.* Except as otherwise provided by law, the commission may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

491—2.9(17A) Variance between adopted rule and published notice of proposed rule adoption.

2.9(1) The commission shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and

b. The differences are a logical outgrowth of the contents of that Notice of Intended Action and the comments submitted in response thereto; and

c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

2.9(2) In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the commission shall consider the following factors:

- a.* The extent to which the person who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;
- b.* The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and
- c.* The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

2.9(3) The commission shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the commission finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

2.9(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the commission to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

491—2.10(17A) Exemption from public rule-making procedures.

2.10(1) *Omission of notice and comment.* To the extent the commission for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the commission may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The commission shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

2.10(2) *Public proceedings on rules adopted without them.* The commission may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 2.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, an agency, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the commission shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 2.10(1). Such a petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must be commenced within 60 days of the receipt of such a petition. After a standard rule-making proceeding commenced pursuant to this subrule, the commission may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 2.10(1), or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

491—2.11(17A) Concise statement of reasons.

2.11(1) *General.* When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the commission shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Racing and Gaming Commission, 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests will be considered made on the date received.

2.11(2) *Contents.* The concise statement of reasons shall contain:

- a.* The reasons for adopting the rule;
- b.* An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any such change;
- c.* The principal reasons urged in the rule-making proceeding for and against the rule, and the commission's reasons for overruling the arguments made against the rule.

2.11(3) *Time of issuance.* After a proper request, the commission shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.
[ARC 0734C, IAB 5/15/13, effective 6/19/13]

491—2.12(17A) Contents, style, and form of rule.

2.12(1) *Contents.* Each rule adopted by the commission shall contain the text of the rule and, in addition:

- a. The date the commission adopted the rule;
- b. A brief explanation of the principal reasons for the rule-making action if such reasons are required by Iowa Code section 17A.4(1) “b” or the commission in its discretion decides to include such reasons;
- c. A reference to all rules repealed, amended, or suspended by the rule;
- d. A reference to the specific statutory or other authority authorizing adoption of the rule;
- e. Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f. A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if such reasons are required by Iowa Code section 17A.4(1) “b” or the commission in its discretion decides to include such reasons; and
- g. The effective date of the rule.

2.12(2) *Incorporation by reference.* The commission may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the commission finds that the incorporation of its text in the commission proposed or adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in the commission proposed or adopted rule shall fully indicate the precise subject and the general contents of the incorporated matter and shall state that the proposed or adopted rule does not include any later amendments or editions of the incorporated matter. The commission may incorporate such matter by reference in a proposed or adopted rule only if the commission makes copies of it readily available to the public. The rule shall state how and where copies of the incorporated matter may be obtained at cost from the commission, and how and where copies may be obtained from the agency of the United States, this state, another state, or the organization, association, or persons, originally issuing that matter. The commission shall retain permanently a copy of any materials incorporated by reference in a rule of the commission.

If the commission adopts standards by reference to another publication, it shall provide a copy of the publication containing the standards to the administrative rules coordinator for deposit in the state law library and may make the standards available electronically.

2.12(3) *References to materials not published in full.* When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the commission shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules, and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the commission. The commission will provide a copy of that full text at the actual cost upon request and shall make copies of the full text available for review at the state law library and may make the standards available electronically.

At the request of the administrative code editor, the commission shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

2.12(4) *Style and form.* In preparing its rules, the commission shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

491—2.13(17A) Agency rule-making record.

2.13(1) *Requirement.* The commission shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference must be available for public inspection.

2.13(2) *Contents.* The commission rule-making record shall contain:

a. Copies of all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of commission submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based;

b. Copies of any portions of the commission's public rule-making docket containing entries relating to the rule or the proceeding upon which the rule is based;

c. All written petitions, requests, and submissions received by the commission, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the commission and considered by the administrator, in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent that the commission is authorized by law to keep them confidential; provided, however, that when any such materials are deleted because they are authorized by law to be kept confidential, the commission shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code section 17A.4(4), and any commission response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any petitions for waiver of the rule; and

k. A copy of any executive order concerning the rule.

2.13(3) *Effect of record.* Except as otherwise required by a provision of law, the commission rule-making record required by this rule need not constitute the exclusive basis for commission action on that rule.

2.13(4) *Maintenance of record.* The commission shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective, the date of the Notice of Intended Action, or the date of any written criticism as described in 2.13(2) "g," "h," "i," or "j."

491—2.14(17A) Filing of rules. The commission shall file each rule it adopts in the office of the administrative rules coordinator. The filing must be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule must have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule, if applicable. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the note

or statement is issued. In filing a rule, the commission shall use the standard form prescribed by the administrative rules coordinator.

491—2.15(17A) Effectiveness of rules prior to publication.

2.15(1) *Grounds.* The commission may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The commission shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

2.15(2) *Special notice.* When the commission makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2)“b”(3), the commission shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule’s indexing and publication. The term “all reasonable efforts” requires the commission to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the commission of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2)“b”(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 2.15(2).

491—2.16(17A) General statements of policy.

2.16(1) *Compilation, indexing, public inspection.* The commission shall maintain an official, current, and dated compilation that is indexed by subject, containing all of its general statements of policy within the scope of Iowa Code section 17A.2(10)“a,” “c,” “f,” “g,” “h,” “k.” Each addition to, change in, or deletion from the official compilation must also be dated, indexed, and a record thereof kept. Except for those portions containing rules governed by Iowa Code section 17A.2(7)“f,” or otherwise authorized by law to be kept confidential, the compilation must be made available for public inspection and copying.

2.16(2) *Enforcement of requirements.* A general statement of policy subject to the requirements of this subsection shall not be relied on by the commission to the detriment of any person who does not have actual, timely knowledge of the contents of the statement until the requirements of subrule 2.16(1) are satisfied. This provision is inapplicable to the extent necessary to avoid imminent peril to the public health, safety, or welfare.

491—2.17(17A) Review by commission of rules.

2.17(1) Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator requesting the commission to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the commission shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The commission may refuse to conduct a review if it has conducted such a review of the specified rule within five years prior to the filing of the written request.

2.17(2) In conducting the formal review, the commission shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report must include a concise statement of the commission’s findings regarding the rule’s effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall

also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any petitions for waiver of the rule received by the commission or granted by the commission. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the commission's report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report must also be available for public inspection.

491—2.18(17A) Petition for rule making. Any interested person or agency may file a petition for rule making with the commission. The petition for rule making shall be filed in the Racing and Gaming Commission Office, 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309. The petition shall either be mailed certified, return receipt requested, or may be delivered in person. An additional copy may be provided if the petitioner wishes to retain a file-stamped copy of the petition. 2.18(3) *Procedure after petition is filed.* Upon filing of the petition, the administrator shall inspect the petition to ensure substantial compliance with the recommended form. If the petition does not contain the text or substance of the proposed amendment or fails to include copies of any cited statute, rule, or evidence, the administrator may reject the petition and return it to the petitioner along with the reasons for the rejection. Petitioner may then correct the reasons for rejection and refile the petition. A petition in substantial compliance with the recommended form shall be filed and stamped, and copies promptly sent to the commission members for further study.

2.18(4) *Commission action.* Within 60 days of the filing of a petition, the commission shall meet to consider the petition and shall either grant the petition and commence rule making, or deny the petition and notify the petitioner in writing of the grounds for the denial.

[ARC 0734C, IAB 5/15/13, effective 6/19/13]

491—2.25(17A) Service and filing of petitions and other papers.

2.25(1) *When service required.* Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order shall be served upon each of the parties of record to the proceeding, and on all other persons identified in the petition for declaratory order or petition for intervention as affected by or interested in the questions presented, simultaneously with their filing. The party filing a document is responsible for service on all parties and other affected or interested persons.

2.25(2) Filing—when required. All petitions for declaratory orders, petitions for intervention, briefs, or other papers in a proceeding for a declaratory order shall be filed with the Racing and Gaming Commission Office, 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309. All petitions, briefs, or other papers that are required to be served upon a party shall be filed simultaneously with the commission.

[ARC 0734C, IAB 5/15/13, effective 6/19/13]

491—2.26(17A) Consideration. Upon request by petitioner, the commission must schedule a brief and informal meeting between the original petitioner, all intervenors, and the commission, a member of the commission, or a member of the staff of the commission, to discuss the questions raised. The commission may solicit comments from any person on the questions raised. Also, comments on the questions raised may be submitted to the commission by any person.

491—2.27(17A) Action on petition.

2.27(1) Within the time allowed by Iowa Code section 17A.9(5), after receipt of a petition for a declaratory order, the administrator or designee shall take action on the petition as required by Iowa Code section 17A.9(5).

2.27(2) The date of issuance of an order or of a refusal to issue an order is defined as the date of mailing of a decision or order or date of delivery if service is by other means unless another date is specified in the order.

491—2.28(17A) Refusal to issue order.

2.28(1) The commission shall not issue a declaratory order where prohibited by Iowa Code section 17A.9(1) and may refuse to issue a declaratory order on some or all questions raised for the following reasons.

1. The petition does not substantially comply with the required form.
2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the commission to issue an order.
3. The commission does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other commission or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge a commission decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
10. The petitioner requests the commission to determine whether a statute is unconstitutional on its face.

2.28(2) A refusal to issue a declaratory order must indicate the specific grounds for the refusal and constitutes final commission action on the petition.

2.28(3) Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the refusal to issue an order.

491—2.29(17A) Contents of declaratory order—effective date. In addition to the order itself, a declaratory order must contain the date of its issuance, the name of petitioner and all intervenors, the

specific statutes, rules, policies, decisions, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion. A declaratory order is effective on the date of issuance.

491—2.30(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to the original petitioner and all intervenors.

491—2.31(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the commission, the petitioner, and any intervenors (who consent to be bound) and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the commission. The issuance of a declaratory order constitutes final commission action on the petition.

These rules are intended to implement Iowa Code chapters 17A, 99D and 99F.

491—3.9(17A,22) Disclosures without the consent of the subject.

3.9(1) Open records are routinely disclosed without the consent of the subject.

3.9(2) To the extent allowed by law, disclosure of confidential records may occur without the consent of the subject. Following are instances where disclosure, if lawful, will generally occur without notice to the subject:

a. For a routine use as defined in rule 491—3.10(17A, 22) or in the notice for a particular record system.

b. To a recipient who has provided the agency with advance written assurance that the record will be used solely as a statistical research or reporting record, provided that the record is transferred in a form that does not identify the subject.

c. To another government agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if an authorized representative of such government agency or instrumentality has submitted a written request to the agency specifying the record desired and the law enforcement activity for which the record is sought.

d. To an individual pursuant to a showing of compelling circumstances affecting the health or safety of any individual if a notice of the disclosure is transmitted to the last known address of the subject.

e. To the legislative services agency under Iowa Code section 2A.3.

f. Disclosures in the course of employee disciplinary proceedings.

g. In response to a court order or subpoena.

491—3.10(17A,22) Routine use. *“Routine use”* means the disclosure of a record without the consent of the subject or subjects, for a purpose which is compatible with the purpose for which the record was collected. It includes disclosures required to be made by statute other than the public records law, Iowa Code chapter 22.

3.10(1) To the extent allowed by law, the following uses are considered routine uses of all agency records:

a. Disclosure to those officers, employees, and agents of the agency who have a need for the record in the performance of their duties. The custodian of the record may upon request of any officer, employee, or on the custodian's own initiative, determine what constitutes legitimate need to use confidential records.

b. Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.

c. Transfers of information within the agency, to other state agencies, or to local units of government as appropriate to administer the program for which the information is collected.

d. Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the agency is operating a program lawfully.

e. Any disclosure specifically authorized by the statute under which the record was collected or maintained.

f. Information transferred to any originating agency when racing and gaming commission has completed the authorized audit, investigation, or inspection.

3.10(2) Reserved.

491—3.11(17A,22) Consensual disclosure of confidential records.

3.11(1) *Consent to disclosure by a subject individual.* To the extent permitted by law, the subject may consent in writing to agency disclosure of confidential records as provided in rule 491—3.7(17A,22).

3.11(2) *Complaints to public officials.* A letter from a subject of a confidential record to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the agency may to the extent permitted by law be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

3.11(3) *Sharing information.* Notwithstanding any statutory confidentiality provision, the agency may share information with the child support recovery unit and the college student aid commission through manual or automated means for the sole purpose of identifying licensees or applicants subject to enforcement under Iowa Code chapter 252J, 261 or 598.

491—3.12(17A,22) Release to subject.

3.12(1) A written request to review confidential records may be filed by the subject of the record as provided in rule 491—3.6(17A,22). The commission need not release the following records to the subject:

a. The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18) or other provision of law.

b. Records need not be disclosed to the subject when they are the work product of an attorney or otherwise privileged.

c. Investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5))

d. As otherwise authorized by law.

3.12(2) Where a record has multiple subjects with interest in the confidentiality of the record, the commission may take reasonable steps to protect confidential information relating to another subject.

491—3.13(17A,22) Availability of records.

3.13(1) Agency records are open for public inspection and copying unless otherwise provided by rule or law.

3.13(2) Confidential records. The following records may be withheld from public inspection. Records are listed by category, according to the legal basis for withholding them from public inspection.

 - (1) Enable law violators to avoid detection;
 - (2) Facilitate disregard of requirements imposed by law; or
 - (3) Give a clearly improper advantage to persons who are in an adverse position to the agency. (See Iowa Code sections 17A.2 and 17A.3)
- g. Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. Attorney work product is confidential under Iowa Code sections 22.7(4), 622.10 and 622.11, Iowa R.C.P. 122.11, the rules of evidence, the Code of Professional Responsibility, and case law.

- k. Security plans, surveillance system plans, and internal controls of the licensees that are made available to the commission that would enable law violators to avoid detection and give a clearly improper advantage to persons who are in an adverse position to the agency. 491—3.14(17A,22) Personally identifiable information. The commission maintains systems of records which contain personally identifiable information.

3.14(1) Board of stewards or gaming board hearings and contested case records. Records are maintained in paper and computer files and contain names and identifying numbers of people involved. Evidence and documents submitted as a result of a hearing are contained in the board of stewards or gaming board hearing or contested case records as well as summary lists of enforcement activities.

Records are collected by authority of Iowa Code chapters 99D and 99F. None of the information stored in a data processing system is compared with information in any other data processing system.

3.14(2) Occupational licensing. Records associated with occupational licensing conducted under Iowa Code chapters 99D and 99F are maintained by this commission. The licensing system of records includes numerous files and crossfiles which include but are not limited to: computer storage of licensing records and photos, fingerprint cards, and license applications. The records associated with occupational licenses, which contain personally identifiable information, are open for public inspection only upon the approval of the administrator or the administrator’s designee. The information stored in a data processing system is not compared with information in any other data processing system.

3.14(3) List of contested cases and stewards’ hearings. The commission may utilize a listing of contested case and stewards’ hearings furnished by a national organization and provide individually identifiable information to that organization. The list is used for purposes delineated in Iowa Code chapter 99D.

These rules are intended to implement Iowa Code section 22.11 and chapters 99D and 17A.

DIVISION I GAMING REPRESENTATIVE, GAMING BOARD, AND BOARD OF STEWARDS

491—4.4(99D,99F) Gaming representatives—licensing and regulatory duties.

4.4(1) The gaming representative shall make decisions whether to approve applications for occupational licenses, in accordance with the rules and statutes.

a. Each decision denying a license for an occupational license shall be in writing. The decision must contain a brief explanation of the reason for the decision, including a reference to the statute or rule serving as the basis for the decision.

b. Rescinded IAB 2/5/03, effective 3/12/03.

c. Rescinded IAB 9/29/04, effective 11/3/04.

d. Upon the filing of a timely and perfected appeal, the applicant has the right to a contested case proceeding, as set forth supra in these rules.

4.4(2) The gaming representative shall monitor, supervise, and regulate the activities of occupational, pari-mutuel racetrack, gambling game, excursion gambling boat, and gambling structure licensees. A gaming representative may investigate any questionable conduct by a licensee for any violation of the rules or statutes. A gaming representative may refer an investigation to the gaming board upon suspicion that a licensee or nonlicensee has committed a violation of the rules or statutes.

a. A gaming representative shall make a referral to the gaming board in writing. The referral shall make reference to rules or statutory provisions at issue and provide a factual basis supporting the violation.

b. The gaming representative making the referral to the gaming board, or a designee of the gaming board, shall appear before the gaming board at the hearing to provide any information requested by the board.

4.4(3) A gaming representative shall summarily suspend an occupational license when a licensee has been formally arrested or charged with a crime that would disqualify the licensee, if convicted, from holding a license and the gaming representative determines that the licensee poses an immediate danger to the public health, safety, or welfare of the patrons, participants, or animals associated with a facility licensed under Iowa Code chapter 99D or 99F. Upon proof of resolution of a disqualifying criminal charge or formal arrest, regardless of summary suspension of a license, the gaming representative shall take one of the following courses of action:

a. If the license was summarily suspended and the charges are dismissed or the licensee is acquitted of the charges, the gaming representative shall reinstate the license.

b. If the licensee is convicted of the charges, the gaming representative shall deny the license.

c. If the licensee is convicted of a lesser charge, it is at the discretion of the gaming representative whether to reinstate or deny the license pursuant to 491—Chapter 6.

4.4(4) The gaming representative shall revoke the license of a person reported to the commission as having refused drug testing or as having a confirmed positive drug test result for a controlled substance, for a drug test conducted pursuant to Iowa Code section 730.5 or 99F.4(20).

[ARC 8029B, IAB 8/12/09, effective 9/16/09]

491—4.5(99D,99F) Gaming board—duties. The gaming board conducts informal hearings whenever the board has reasonable cause to believe that a licensee, an occupational licensee, or other persons have committed an act or engaged in conduct which is in violation of statute or commission rules. The hearings precede a contested case hearing and are investigative in nature. The following procedures will apply:

4.5(1) The gaming board shall consist of three gaming representatives, as assigned by the administrator. The administrator has the discretion to create more than one gaming board, to set terms for gaming board members, to assign alternates, and to make any decisions necessary for the efficient and effective operation of the gaming board. A gaming representative who has made a referral to the gaming board shall not sit on the board that makes a decision on the referral.

4.5(2) The administrator may designate an employee to act as gaming board coordinator. The gaming board coordinator shall have the power to assist and advise the gaming board through all aspects of the gaming board hearing process. The gaming board coordinator may review any referral from gaming representatives prior to setting the matter for hearing before the gaming board. The gaming board coordinator, in consultation with the administrator or the administrator's designee, may return the referral to the initiating gaming representative if the information provided appears insufficient to establish a violation. The gaming board coordinator shall otherwise assist the gaming board in setting the matter for hearing.

4.5(3) The gaming board, upon receipt of a referral, may review the referral prior to the hearing. The gaming board may return a referral to the initiating gaming representative on its own motion prior to hearing if the information provided appears insufficient to establish a violation.

4.5(4) Upon finding of reasonable cause, the board shall schedule a hearing to which the license holder shall be summoned for the purpose of investigating suspected or alleged misconduct by the license holder, at which all board members or their appointed representatives shall be present in person or by teleconference. The license holder may request a continuance for good cause in writing not less than 24 hours prior to the hearing except in cases of unanticipated emergencies. The continuance need not necessarily stay any intermediate sanctions.

4.5(5) The notice of hearing given to the license holder shall give adequate notice of the time, place and purpose of the board's hearing and shall specify by number the statutes or rules allegedly violated. If a license holder, after receiving adequate notice of a board meeting, fails to appear as summoned, the license holder will be deemed to have waived any right to appear and present evidence to the board.

4.5(6) The gaming board has complete and total authority to decide all issues concerning the process of the hearing. The gaming board shall recognize witnesses and either question the witnesses or allow them to give a narrative account of the facts relevant to the case. The gaming board has the right to request witnesses or additional documents that have not been submitted by the initiating gaming representative. The licensee has no right to present testimony, cross-examine witnesses, make objections, or present argument, unless specifically authorized by the gaming board.

4.5(7) It is the duty and obligation of every licensee to make full disclosure at a hearing before the board of any knowledge possessed regarding the violation of any rule, regulation or law concerning racing and gaming in Iowa. No person may refuse to testify before the board at any hearing on any relevant matter within the authority of the board, except in the proper exercise of a legal privilege. No person shall falsely testify before the board.

4.5(8) Persons who are not holders of a license or occupational license and who have allegedly violated commission rules or statute, or whose presence at a track or on a riverboat is allegedly undesirable, are subject to the authority of the board and to any penalties, as set forth in rule 491—4.7(99D,99F).

4.5(9) The gaming board has the power to interpret the rules and to decide all questions not specifically covered by them. The board has the power to determine all questions arising with reference to the conduct of gaming, and the authority to decide any question or dispute relating to racing or gaming in compliance with rules promulgated by the commission or policies approved for licensees, and persons participating in licensed racing or gaming agree in so doing to recognize and accept that authority. The board may also suspend the license of any license holder when the board has reasonable cause to believe that a violation of law or rule has been committed and that the continued performance of that individual in a licensed capacity would be injurious to the best interests of racing or gaming.

4.5(10) The gaming board shall enter a written decision after each hearing. The decision shall find whether there is a violation of the rules or statutes and, if so, shall briefly set forth the legal and factual

basis for the finding. The decision shall also establish a penalty for any violation. The gaming board has the authority to impose any penalty as set forth in these rules.

4.5(11) Rescinded IAB 9/29/04, effective 11/3/04.

4.5(12) Upon the filing of a timely and perfected appeal, the licensee has the right to a contested case proceeding, as set forth supra in these rules.

4.5(13) Informal settlements. A licensee may enter into a written stipulation representing an informed mutual consent with a gaming representative. This stipulation must specifically outline the violation and the penalty imposed. Stipulations must be approved by the gaming board. Stipulations are considered final agency action and cannot be appealed.

491—4.6(99D,99F) Stewards—licensing and regulatory duties.

4.6(1) The stewards shall make decisions whether to approve applications for occupational licenses, in accordance with the rules and statutes.

a. Each decision denying an application for an occupational license shall be in writing. The decision must contain a brief explanation of the reason for the decision, including a reference to the statute or rule serving as the basis for the decision.

b. Rescinded IAB 2/5/03, effective 3/12/03.

c. An applicant for an occupational license may appeal a decision denying the application. An appeal must be made in writing to the office of the stewards or the commission's office in Des Moines. The appeal must be received within 72 hours of service of the decision. The appeal must contain numbered paragraphs and set forth the name of the person seeking review, the decision to be reviewed, separate assignments of error, clear and concise statement of relevant facts, reference to applicable statutes, rules or other authority, prayer setting forth relief sought and signature, name, address, and telephone number of the person seeking review or that person's representative, or shall be on a form prescribed by the commission.

d. Upon the filing of a timely and perfected appeal, the applicant has the right to a contested case proceeding, as set forth supra in these rules.

4.6(2) The stewards shall monitor, supervise, and regulate the activities of occupational and pari-mutuel racetrack licensees. A steward may investigate any questionable conduct by a licensee for any violation of the rules or statutes. Any steward may refer an investigation to the board of stewards upon suspicion that a licensee or nonlicensee has committed a violation of the rules or statutes.

4.6(3) A steward shall summarily suspend an occupational license when a licensee has been formally arrested or charged with a crime that would disqualify the licensee, if convicted, from holding a license and the steward determines that the licensee poses an immediate danger to the public health, safety, or welfare of the patrons, participants, or animals associated with a facility licensed under Iowa Code chapter 99D or 99F. Upon proof of resolution of a disqualifying criminal charge or formal arrest, regardless of summary suspension of a license, the stewards shall take one of the following courses of action:

a. If the license was summarily suspended and the charges are dismissed or the licensee is acquitted of the charges, the stewards shall reinstate the license.

b. If the licensee is convicted of the charges, the stewards shall deny the license.

c. If the licensee is convicted of a lesser charge, it is at the discretion of the stewards whether to reinstate or deny the license pursuant to 491—Chapter 6.

4.6(4) The stewards may summarily suspend an occupational license in accordance with rule 491—4.47(17A).

4.6(5) Hearings before the board of stewards intended to implement Iowa Code section 99D.7(13) shall be conducted under the following parameters:

a. Upon finding of reasonable cause, the board shall schedule a hearing to which the license holder shall be summoned for the purpose of investigating suspected or alleged misconduct by the license holder. The license holder may request a continuance in writing for good cause not less than 24 hours prior to the hearing except in cases of unanticipated emergencies. The continuance need not necessarily stay any intermediate sanctions.

b. The notice of hearing given to the license holder shall give adequate notice of the time, place and purpose of the board's hearing and shall specify by number the statutes or rules allegedly violated. If a license holder, after receiving adequate notice of a board meeting, fails to appear as summoned, the license holder will be deemed to have waived any right to appear and present evidence to the board.

c. The board has complete and total authority to decide the process of the hearing. The administrator may designate an employee to assist and advise the board of stewards through all aspects of the hearing process. The board shall recognize witnesses and either question the witnesses or allow them to give a narrative account of the facts relevant to the case. The board may request additional documents or witnesses before making a decision. The licensee has no right to present testimony, cross-examine witnesses, make objections, or present argument, unless specifically authorized by the board.

d. It is the duty and obligation of every licensee to make full disclosure at a hearing before the board of any knowledge possessed regarding the violation of any rule, regulation or law concerning racing and gaming in Iowa. No person may refuse to testify before the board at any hearing on any relevant matter within the authority of the board, except in the proper exercise of a legal privilege. No person shall falsely testify before the board.

e. Persons who are not holders of a license or occupational license and who have allegedly violated commission rules or statute, or whose presence at a track is allegedly undesirable, are subject to the authority of the board and to any penalties, as set forth in rule 491—4.7(99D,99F).

f. The board of stewards has the power to interpret the rules and to decide all questions not specifically covered by them. The board of stewards has the power to determine all questions arising with reference to the conduct of racing, and the authority to decide any question or dispute relating to racing in compliance with rules promulgated by the commission or policies approved for licensees, and persons participating in licensed racing or gaming agree in so doing to recognize and accept that authority. The board may also suspend the license of any license holder when the board has reasonable cause to believe that a violation of law or rule has been committed and that the continued performance of that individual in a licensed capacity would be injurious to the best interests of racing or gaming.

g. The board of stewards shall enter a written decision after each hearing. The decision shall state whether there is a violation of the rules or statutes and, if so, shall briefly set forth the legal and factual basis for the finding. The decision shall also establish a penalty for any violation. The board of stewards has the authority to impose any penalty, as set forth in these rules.

h. Rescinded IAB 9/29/04, effective 11/3/04.

i. Upon the filing of a timely and perfected appeal, the licensee has the right to a contested case proceeding, as set forth supra in these rules.

4.6(6) A steward may eject and exclude any person from the premises of a pari-mutuel racetrack, excursion gambling boat, or gambling structure for any reason justified by the rules or statutes. The steward may provide notice of ejection or exclusion orally or in writing. The steward may define the scope of the exclusion to any degree necessary to protect the integrity of racing and gaming in Iowa. The steward may exclude the person for a certain or indefinite period of time.

4.6(7) The stewards shall have other powers and duties set forth in the statutes and rules, and as assigned by the administrator.

4.6(8) Informal settlements. A licensee may enter into a written stipulation representing an informed mutual consent with the stewards. This stipulation must specifically outline the violation and the penalty imposed. Stipulations must be approved by the board of stewards. Stipulations are considered final agency action and cannot be appealed.

[ARC 8029B, IAB 8/12/09, effective 9/16/09]

491—4.7(99D,99F) Penalties (gaming board and board of stewards). All penalties imposed will be promptly reported to the commission and facility in writing. The board may impose one or more of the following penalties: eject and exclude an individual from a facility; revoke a license; suspend a license for up to 365 days from the date of the original suspension; place a license on probation; deny a license; impose a fine of up to \$1000; or order a redistribution of a racing purse or the payment of or the

withholding of a gaming payout. The board may set the dates for which the suspension must be served. The board may also suspend the license of any person currently under suspension or in bad standing in any other state or jurisdiction by a state racing or gaming commission. If the punishment so imposed is not sufficient, in the opinion of the board, the board shall so report to the commission.

4.7(1) Fines shall be paid within ten calendar days of receipt of the ruling, by the end of business hours, at any commission office. Nonpayment or late payment of a fine may result in an immediate license suspension. All fines are to be paid by the individual assessed the fine.

4.7(2) If the fine is appealed to the board, the appeals process will not stay the fine. The fine will be due as defined in subrule 4.7(1).

4.7(3) If the party is successful in the appeal, the amount of the fine will be refunded to the party as soon as possible after the date the decision is rendered.

4.7(4) Refunds due under subrule 4.7(3) will be mailed to the party's current address on record.

4.7(5) When a racing animal or the holder of an occupational license is suspended by the board at one location, the suspension shall immediately become effective at all other facilities under the jurisdiction of the commission.

[ARC 9987B, IAB 2/8/12, effective 3/14/12]

491—4.8(99D,99F) Effect of another jurisdiction's order. The commission or board may take appropriate action against a license holder or other person who has been excluded from a track or gaming establishment in another jurisdiction to exclude that person from any track or gaming establishment under the commission's jurisdiction. Proceedings shall be conducted in the same manner as prescribed by these rules for determining misconduct on Iowa tracks or in gaming establishments and shall be subject to the same appeal procedures.

The commission and stewards shall have discretion to honor rulings from other jurisdictions regarding license suspension or revocation or the eligibility of contestants. Whenever the commission decides to honor an order from another jurisdiction, the commission representatives shall schedule a hearing at which the licensee shall be required to show cause as to why the license should not be suspended or revoked.

491—4.9(99D,99F) Service of administrative actions. Any administrative action taken against an applicant or occupational licensee shall be served on the applicant or occupational licensee by personal service or by certified mail with return receipt requested to the last-known address on the application.

4.9(1) If the applicant or licensee is represented by legal counsel, a copy of the written decision shall also be provided to legal counsel by regular mail. However, the applicant or licensee must still be served in accordance with this rule.

4.9(2) If the administrative action involves an alleged medication violation that could result in disqualification of a contestant, the stewards shall provide by regular mail notice of the hearing and all subsequent rulings to the owner of the contestant.

491—4.10(99D,99F) Appeals of administrative actions. A license applicant or an occupational licensee may appeal a denial, suspension or ruling. An appeal must be made in writing to the office of the gaming representative or the commission office in Des Moines. An appeal may also be filed by facsimile, electronic mail, or any other method as determined by the administrator. The appeal must be received within 72 hours of service of the decision and is not considered filed until received by the commission. For any appeal of a decision rendered pursuant to 491—paragraph 10.4(4) "d"(3)"1," the appeal must be received within 72 hours of any such decision and the standard of review will be abuse of discretion. The appeal must contain numbered paragraphs and set forth the name of the person seeking review; the decision to be reviewed; separate assignments of error; clear and concise statement of relevant facts; reference to applicable statutes, rules or other authority; prayer setting forth relief sought; and signature, name, address, and telephone number of the person seeking review or that person's representative; or shall be on a form prescribed by the commission. If a licensee is granted a stay of a suspension pursuant to 491—4.45(17A) and the ruling is upheld in a contested case

proceeding, the board of stewards may reassign the dates of suspension so that the suspension dates are served in the state of Iowa.

The commission, or the administrator, shall decide whether it will hear the appeal or whether the appeal will be heard by an administrative law judge who shall serve as the presiding officer. When the appeal is heard by an administrative law judge, the administrative law judge is authorized to issue a proposed decision.

4.22(1) Any party who wishes to request that the presiding officer assigned to render a proposed decision be an administrative law judge employed by the department of inspections and appeals must

file a written request within 20 days after service of a notice of hearing which identifies or describes the presiding officer as the commission chair, members of the commission or commission employees.

4.22(5) Except as provided otherwise by rules 491—4.41(17A) and 491—4.42(17A), all rulings by an administrative law judge acting as presiding officer are subject to appeal to the commission. A party must seek any available intra-agency appeal in order to exhaust adequate administrative remedies.

4.22(6) Unless otherwise provided by law, the commission, when reviewing a proposed decision upon intra-agency appeal, shall have the powers of and shall comply with the provisions of this chapter which apply to presiding officers.

491—4.23(17A) Waiver of procedures. Unless otherwise precluded by law, the parties in a contested case proceeding may waive any provision of this chapter. However, the commission in its discretion may refuse to give effect to such a waiver when it deems the waiver to be inconsistent with the public interest.

491—4.24(17A) Telephone proceedings. The presiding officer may resolve preliminary procedural motions by telephone conference in which all parties have an opportunity to participate. Other telephone proceedings may be held with the consent of all parties. The presiding officer will determine the location of the parties and witnesses for telephone hearings. The convenience of the witnesses or parties, as well as the nature of the case, will be considered when location is chosen.

491—4.25(17A) Disqualification.

4.25(1) A presiding officer or other person shall withdraw from participation in the making of any proposed or final decision in a contested case if that person:

- a.* Has a personal bias or prejudice concerning a party or a representative of a party;
- b.* Has personally investigated, prosecuted or advocated in connection with that case, the specific controversy underlying that case, another pending factually related contested case, or a pending factually related controversy that may culminate in a contested case involving the same parties;
- c.* Is subject to the authority, direction or discretion of any person who has personally investigated, prosecuted or advocated in connection with that contested case, the specific controversy underlying that contested case, or a pending factually related contested case or controversy involving the same parties;
- d.* Has acted as counsel to any person who is a private party to that proceeding within the past two years;
- e.* Has a personal financial interest in the outcome of the case or any other significant personal interest that could be substantially affected by the outcome of the case;
- f.* Has a spouse or relative within the third degree of relationship that:
 - (1) Is a party to the case, or an officer, director or trustee of a party;

- (2) Is a lawyer in the case;
- (3) Is known to have an interest that could be substantially affected by the outcome of the case; or
- (4) Is likely to be a material witness in the case; or
- g. Has any other legally sufficient cause to withdraw from participation in the decision making in that case.

4.25(2) The term “personally investigated” means taking affirmative steps to interview witnesses directly or to obtain documents or other information directly. The term “personally investigated” does not include general direction and supervision of assigned investigators, unsolicited receipt of information which is relayed to assigned investigators, review of another person’s investigative work product in the course of determining whether there is probable cause to initiate a proceeding, or exposure to factual information while performing other commission functions, including fact gathering for purposes other than investigation of the matter which culminates in a contested case. Factual information relevant to the merits of a contested case received by a person who later serves as presiding officer in that case shall be disclosed if required by Iowa Code section 17A.17 and subrules 4.25(3) and 4.39(9).

4.25(3) In a situation where a presiding officer or other person knows of information which might reasonably be deemed to be a basis for disqualification and decides voluntary withdrawal is unnecessary, that person shall submit the relevant information for the record by affidavit and shall provide for the record a statement of the reasons for the determination that withdrawal is unnecessary.

4.25(4) If a party asserts disqualification on any appropriate ground, including those listed in subrule 4.25(1), the party shall file a motion supported by an affidavit pursuant to Iowa Code section 17A.17(7). The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party. If, during the course of the hearing, a party first becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification but must establish the grounds by the introduction of evidence into the record.

If the presiding officer determines that disqualification is appropriate, the presiding officer or other person shall withdraw. If the presiding officer determines that withdrawal is not required, the presiding officer shall enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal under rule 491—4.41(17A) and seek a stay under rule 491—4.45(17A).

491—4.26(17A) Consolidation—severance.

4.26(1) Consolidation. The presiding officer may consolidate any or all matters at issue in two or more contested case proceedings where (a) the matters at issue involve common parties or common questions of fact or law; (b) consolidation would expedite and simplify consideration of the issues involved; and (c) consolidation would not adversely affect the rights of any of the parties to those proceedings.

4.26(2) Severance. The presiding officer may, for good cause shown, order any contested case proceedings or portions thereof severed.

491—4.27(17A) Pleadings.

4.27(1) Pleadings, other than the notice of appeal, will not be required in appeals from a licensing decision by a gaming representative, gaming board, or board of stewards. However, pleadings may be required in other contested cases or as ordered by the presiding officer.

4.27(2) Petition.

a. Any petition required in a contested case proceeding shall be filed within 20 days of delivery of the notice of hearing or subsequent order of the presiding officer, unless otherwise ordered.

b. A petition shall state in separately numbered paragraphs the following:

- (1) The persons or entities on whose behalf the petition is filed;
- (2) The particular provisions of statutes and rules involved;
- (3) The relief demanded and the facts and law relied upon for such relief; and
- (4) The name, address and telephone number of the petitioner and the petitioner’s attorney, if any.

4.27(3) Answer. An answer shall be filed within 20 days of service of the petition unless otherwise ordered. A party may move to dismiss or apply for a more definite and detailed statement when appropriate.

An answer shall show on whose behalf it is filed and specifically admit, deny, or otherwise answer all material allegations of the pleading to which it responds. It shall state any facts deemed to show an affirmative defense and contain as many additional defenses as the pleader may claim.

An answer shall state the name, address and telephone number of the person filing the answer, the person or entity on whose behalf it is filed, and the attorney representing that person, if any.

Any allegation in the petition not denied in the answer is considered admitted. The presiding officer may refuse to consider any defense not raised in the answer that could have been raised on the basis of facts known when the answer was filed if any party would be prejudiced.

4.27(4) Amendment. Any notice of appeal, notice of hearing, petition, or other charging document may be amended before a responsive pleading has been filed. Amendments to pleadings after a responsive pleading has been filed and to an answer may be allowed with the consent of the other parties or in the discretion of the presiding officer who may impose terms or grant a continuance.

491—4.28(17A) Service and filing of pleadings and other papers.

4.28(1) When service required. Except where otherwise provided by law, every pleading, motion, document, or other paper filed in a contested case proceeding and every paper relating to discovery in such a proceeding shall be served upon each of the parties of record to the proceeding, including the person designated as advocate or prosecutor for the state or the commission, simultaneously with their filing. Except for the original notice of hearing and an application for rehearing as provided in Iowa Code section 17A.16(2), the party filing a document is responsible for service on all parties.

4.28(2) Service—how made. Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery or by mailing a copy to the person's last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

4.28(3) Filing—when required. After the notice of hearing, all pleadings, motions, documents or other papers in a contested case proceeding shall be filed with the commission at 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309. All pleadings, motions, documents or other papers that are required to be served upon a party shall be filed simultaneously with the commission.

4.28(4) Filing—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the commission office at 1300 Des Moines Street, Suite 100, Des Moines, Iowa 50309, delivered to an established courier service for immediate delivery to that office, or mailed by first-class mail or state interoffice mail to that office, so long as there is proof of mailing.

4.28(5) Proof of mailing. Proof of mailing includes either: a legible United States Postal Service postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the (agency office and address) and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

491—4.29(17A) Discovery.

4.29(1) Discovery procedures applicable in civil actions are applicable in contested cases. Unless lengthened or shortened by these rules or by order of the presiding officer, time periods for compliance with discovery shall be as provided in the Iowa Rules of Civil Procedure.

4.29(2) Any motion relating to discovery shall allege that the moving party has previously made a good-faith attempt to resolve the discovery issues involved with the opposing party. Motions in regard to discovery shall be ruled upon by the presiding officer. Opposing parties shall be afforded the opportunity

to respond within ten days of the filing of the motion unless the time is shortened as provided in subrule 4.29(1). The presiding officer may rule on the basis of the written motion and any response, or may order argument on the motion.

4.29(3) Evidence obtained in discovery may be used in the contested case proceeding if that evidence would otherwise be admissible in that proceeding.

491—4.30(17A) Subpoenas.

4.30(1) Issuance.

a. A commission subpoena shall be issued to a party on request. Such a request must be in writing. In the absence of good cause for permitting later action, a request for a subpoena must be received at least three days before the scheduled hearing. The request shall include the name, address, and telephone number of the requesting party.

b. Except to the extent otherwise provided by law, parties are responsible for service of their own subpoenas and payment of witness fees and mileage expenses.

4.30(2) Motion to quash or modify. The presiding officer may quash or modify a subpoena for any lawful reason upon motion in accordance with the Iowa Rules of Civil Procedure. A motion to quash or modify a subpoena shall be set for argument promptly.

491—4.31(17A) Motions.

4.31(1) No technical form for motions is required. However, prehearing motions must be in writing, state the grounds for relief, and state the relief sought.

4.31(2) Any party may file a written response to a motion within ten days after the motion is served, unless the time period is extended or shortened by rules of the commission or the presiding officer. The presiding officer may consider a failure to respond within the required time period in ruling on a motion.

4.31(3) The presiding officer may schedule oral argument on any motion.

4.31(4) Motions pertaining to the hearing, except motions for summary judgment, must be filed and served at least ten days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by rule of the commission or an order of the presiding officer.

4.31(5) Motions for summary judgment shall comply with the requirements of Iowa Rule of Civil Procedure 1.981 and shall be subject to disposition according to the requirements of that rule to the extent such requirements are not inconsistent with the provisions of this rule or any other provision of law governing the procedure in contested cases.

Motions for summary judgment must be filed and served at least 45 days prior to the scheduled hearing date, or other time period determined by the presiding officer. Any party resisting the motion shall file and serve a resistance within 15 days, unless otherwise ordered by the presiding officer, from the date a copy of the motion was served. The time fixed for hearing or nonoral submission shall be not less than 20 days after the filing of the motion, unless a shorter time is ordered by the presiding officer. A summary judgment order rendered on all issues in a contested case is subject to rehearing pursuant to rule 491—4.44(17A) and appeal pursuant to rule 491—4.43(17A).

491—4.32(17A) Prehearing conference.

4.32(1) Any party may request a prehearing conference. A written request for prehearing conference or an order for prehearing conference on the presiding officer's own motion shall be filed not less than seven days prior to the hearing date. A prehearing conference shall be scheduled not less than three business days prior to the hearing date.

Written notice of the prehearing conference shall be given by the commission to all parties. For good cause the presiding officer may permit variances from this rule.

4.32(2) Each party shall bring to the prehearing conference:

a. A final list of the witnesses who the party anticipates will testify at hearing. Witnesses not listed may be excluded from testifying unless there was good cause for the failure to include their names.

b. A final list of exhibits which the party anticipates will be introduced at hearing. Exhibits other than rebuttal exhibits that are not listed may be excluded from admission into evidence unless there was good cause for the failure to include them.

c. Witness or exhibit lists may be amended subsequent to the prehearing conference within the time limits established by the presiding officer at the prehearing conference. Any such amendments must be served on all parties.

4.32(3) In addition to the requirements of subrule 4.32(2), the parties at a prehearing conference may:

- a. Enter into stipulations of law or fact;
- b. Enter into stipulations on the admissibility of exhibits;
- c. Identify matters that the parties intend to request be officially noticed;
- d. Enter into stipulations for waiver of any provision of law; and
- e. Consider any additional matters that will expedite the hearing.

4.32(4) Prehearing conferences shall be conducted by telephone unless otherwise ordered. Parties shall exchange and receive witness and exhibit lists in advance of a telephone prehearing conference.

491—4.33(17A) Continuances. Unless otherwise provided, applications for continuances shall be made to the presiding officer.

4.33(1) A written application for a continuance shall:

- a. Be made at the earliest possible time and no less than seven days before the hearing except in case of unanticipated emergencies;
- b. State the specific reasons for the request; and
- c. Be signed by the requesting party or the party's representative.

An oral application for a continuance may be made if the presiding officer waives the requirement for a written motion. However, a party making such an oral application for a continuance must confirm that request by written application within five days after the oral request unless that requirement is waived by the presiding officer. No application for continuance shall be made or granted without notice to all parties except in an emergency where notice is not feasible. The commission may waive notice of such requests for a particular case or an entire class of cases.

4.33(2) In determining whether to grant a continuance, the presiding officer may consider:

- a. Prior continuances;
- b. The interests of all parties;
- c. The likelihood of informal settlement;
- d. The existence of an emergency;
- e. Any objection;
- f. Any applicable time requirements;
- g. The existence of a conflict in the schedules of counsel, parties, or witnesses;
- h. The timeliness of the request; and
- i. Other relevant factors.

The presiding officer may require documentation of any grounds for continuance.

491—4.34(17A) Withdrawals. A party requesting a contested case proceeding may withdraw that request prior to the hearing only in accordance with commission rules. Unless otherwise provided, a withdrawal shall be with prejudice.

491—4.35(17A) Intervention.

4.35(1) Motion. A motion for leave to intervene in a contested case proceeding shall state the grounds for the proposed intervention, the position and interest of the proposed intervenor, and the possible impact of intervention on the proceeding. A proposed answer or petition in intervention shall be attached to the motion. Any party may file a response within 14 days of service of the motion to intervene unless the time period is extended or shortened by the presiding officer.

4.35(2) *When filed.* Motion for leave to intervene shall be filed as early in the proceeding as possible to avoid adverse impact on existing parties or the conduct of the proceeding. Unless otherwise ordered, a motion for leave to intervene shall be filed before the prehearing conference, if any, or at least 20 days before the date scheduled for hearing. Any later motion must contain a statement of good cause for the failure to file in a timely manner. Unless inequitable or unjust, an intervenor shall be bound by any agreement, arrangement, or other matter previously raised in the case. Requests by untimely intervenors for continuances which would delay the proceeding will ordinarily be denied.

4.35(3) *Grounds for intervention.* The movant shall demonstrate that (a) intervention would not unduly prolong the proceedings or otherwise prejudice the rights of existing parties; (b) the movant is likely to be aggrieved or adversely affected by a final order in the proceeding; and (c) the interests of the movant are not adequately represented by existing parties.

4.35(4) *Effect of intervention.* If appropriate, the presiding officer may order consolidation of the petitions and briefs of different parties whose interests are aligned with each other and limit the number of representatives allowed to participate actively in the proceedings. A person granted leave to intervene is a party to the proceeding. The order granting intervention may restrict the issues that may be raised by the intervenor or otherwise condition the intervenor's participation in the proceeding.

491—4.36(17A) Hearing procedures.

4.36(1) The presiding officer presides at the hearing, and may rule on motions, require briefs, issue a proposed decision, and issue such orders and rulings as will ensure the orderly conduct of the proceedings.

4.36(2) All objections shall be timely made and stated on the record.

4.36(3) Parties have the right to participate or to be represented in all hearings or prehearing conferences related to their case. Partnerships, corporations, or associations may be represented by any member, officer, director, or duly authorized agent. Any party may be represented by an attorney or another person authorized by law.

4.36(4) Subject to terms and conditions prescribed by the presiding officer, parties have the right to introduce evidence on issues of material fact, cross-examine witnesses present at the hearing as necessary for a full and true disclosure of the facts, present evidence in rebuttal, and submit briefs and engage in oral argument.

4.36(5) The presiding officer shall maintain the decorum of the hearing and may refuse to admit or may expel anyone whose conduct is disorderly.

4.36(6) Witnesses may be sequestered during the hearing.

4.36(7) The presiding officer shall conduct the hearing in the following manner:

a. The presiding officer shall give an opening statement briefly describing the nature of the proceedings;

b. The parties shall be given an opportunity to present opening statements;

c. Parties shall present their cases in the sequence determined by the presiding officer;

d. Each witness shall be sworn or affirmed by the presiding officer or the court reporter, and be subject to examination and cross-examination. The presiding officer may limit questioning in a manner consistent with law;

e. When all parties and witnesses have been heard, parties may be given the opportunity to present final arguments.

491—4.37(17A) Evidence.

4.37(1) The presiding officer shall rule on admissibility of evidence and may, where appropriate, take official notice of facts in accordance with all applicable requirements of law.

4.37(2) Stipulation of facts is encouraged. The presiding officer may make a decision based on stipulated facts.

4.37(3) Evidence in the proceeding shall be confined to the issues as to which the parties received notice prior to the hearing unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. If the presiding officer decides to admit

evidence on issues outside the scope of the notice over the objection of a party who did not have actual notice of those issues, that party, upon timely request, shall receive a continuance sufficient to amend pleadings and to prepare on the additional issue.

4.37(4) The party seeking admission of an exhibit must provide opposing parties with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents should normally be provided to opposing parties.

All exhibits admitted into evidence shall be appropriately marked and be made part of the record.

4.37(5) Any party may object to specific evidence or may request limits on the scope of any examination or cross-examination. Such an objection shall be accompanied by a brief statement of the grounds upon which it is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

4.37(6) Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

491—4.38(17A) Default.

4.38(1) If a party fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a decision in the absence of the party.

4.38(2) Where appropriate and not contrary to law, any party may move for default against a party who has requested the contested case proceeding and has failed to file a required pleading or has failed to appear after proper service.

4.38(3) Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final commission action unless, within 15 days after the date of notification or mailing of the decision, a motion to vacate is filed and served on all parties or an appeal of a decision on the merits is timely initiated within the time provided by rule 491—4.43(17A). A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for that party's failure to appear or participate at the contested case proceeding. Each fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact, which affidavit(s) must be attached to the motion.

4.38(4) The time for further appeal of a decision for which a timely motion to vacate has been filed is stayed pending a decision on the motion to vacate.

4.38(5) Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party. Adverse parties shall have ten days to respond to a motion to vacate. Adverse parties shall be allowed to conduct discovery as to the issue of good cause and to present evidence on the issue prior to a decision on the motion, if a request to do so is included in that party's response.

4.38(6) "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

4.38(7) A decision denying a motion to vacate is subject to further appeal within the time limit allowed for further appeal of a decision on the merits in the contested case proceeding. A decision granting a motion to vacate is subject to interlocutory appeal by the adverse party pursuant to rule 491—4.41(17A).

4.38(8) If a motion to vacate is granted and no timely interlocutory appeal has been taken, the presiding officer shall issue another notice of hearing and the contested case shall proceed accordingly.

4.38(9) A default decision may award any relief consistent with the request for relief made in the petition and embraced in its issues (but, unless the defaulting party has appeared, it cannot exceed the relief demanded).

4.38(10) A default decision may provide either that the default decision is to be stayed pending a timely motion to vacate or that the default decision is to take effect immediately, subject to a request for stay under rule 491—4.45(17A).

491—4.39(17A) Ex parte communication.

4.39(1) Prohibited communications. Unless required for the disposition of ex parte matters specifically authorized by statute, following issuance of the notice of hearing, there shall be no communication, directly or indirectly, between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in such case in connection with any issue of fact or law in the case except upon notice and opportunity for all parties to participate. This does not prohibit persons jointly assigned such tasks from communicating with each other. Nothing in this provision is intended to preclude the presiding officer from communicating with members of the commission or seeking the advice or help of persons other than those with a personal interest in, or those engaged in personally investigating as defined in subrule 4.25(2), prosecuting, or advocating in, either the case under consideration or a pending factually related case involving the same parties as long as those persons do not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

4.39(2) Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

4.39(3) Written, oral or other forms of communication are “ex parte” if made without notice and opportunity for all parties to participate.

4.39(4) To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Notice of written communication shall be provided in compliance with rule 491—4.28(17A) and may be supplemented by telephone, facsimile, E-mail or other means of notification. Where permitted, oral communications may be initiated through conference telephone call including all parties or their representatives.

4.39(5) Persons who jointly act as presiding officer in a pending contested case may communicate with each other without notice or opportunity for parties to participate.

4.39(6) The administrator or other persons may be present in deliberations or otherwise advise the presiding officer without notice or opportunity for parties to participate as long as they are not disqualified from participating in the making of a proposed or final decision under subrule 4.25(1) or other law and they comply with subrule 4.39(1).

4.39(7) Communications with the presiding officer involving scheduling or procedural matters uncontested do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines pursuant to rule 491—4.33(17A).

4.39(8) Disclosure of prohibited communications. A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be submitted for inclusion in the record under seal by protective order (or disclosed). If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of the communication.

4.39(9) Promptly after being assigned to serve as presiding officer on a hearing panel, as a member of a full board hearing, on an intra-agency appeal, or other basis, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section

17A.13(2) or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

4.39(10) The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule including default, a decision against the offending party, censure, or suspension, or revocation of the privilege to practice before the commission. Violation of ex parte communication prohibitions by commission personnel shall be reported to the administrator for possible sanctions including censure, suspension, dismissal, or other disciplinary action.

491—4.40(17A) Recording costs. Upon request, the commission shall provide a copy of the whole or any portion of the record at cost. The cost of preparing a copy of the record or of transcribing the hearing record shall be paid by the requesting party.

Parties who request that a hearing be recorded by certified shorthand reporters rather than by electronic means shall bear the cost of that recordation, unless otherwise provided by law.

491—4.41(17A) Interlocutory appeals. Upon written request of a party or on its own motion, the commission may review an interlocutory order of the presiding officer. In determining whether to do so, the commission shall weigh the extent to which its granting the interlocutory appeal would expedite final resolution of the case and the extent to which review of that interlocutory order by the commission at the time it reviews the proposed decision of the presiding officer would provide an adequate remedy. Any request for interlocutory review must be filed within 14 days of issuance of the challenged order, but no later than the time for compliance with the order or the date of hearing, whichever is first.

491—4.42(17A) Final decision.

4.42(1) When the commission presides over the reception of evidence at the hearing, its decision is a final decision.

4.42(2) When the commission does not preside at the reception of evidence, the presiding officer shall make a proposed decision. The proposed decision becomes the final decision of the commission without further proceedings unless there is an appeal to, or review on motion of, the commission within the time provided in rule 491—4.43(17A).

4.42(3) The commission has the authority to deny, suspend, or revoke any license applied for or issued by the commission or to fine a licensee or a holder of an occupational license.

491—4.43(17A) Appeals and review.

4.43(1) Appeal by party. Any adversely affected party may appeal a proposed decision to the commission within 10 days after issuance of the proposed decision.

4.43(2) Review. The commission may initiate review of a proposed decision on its own motion at any time within 30 days following the issuance of such a decision.

4.43(3) Notice of appeal. An appeal of a proposed decision is initiated by filing a timely notice of appeal with the commission. The notice of appeal must be signed by the appealing party or a representative of that party and contain a certificate of service. The notice shall specify:

- a. The parties initiating the appeal;
- b. The proposed decision or order appealed from;
- c. The specific findings or conclusions to which exception is taken and any other exceptions to the decision or order;
- d. The relief sought;
- e. The grounds for relief.

4.43(4) Requests to present additional evidence. A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence. A written request to present additional evidence must be filed with the notice of appeal or, by a

nonappealing party, within 14 days of service of the notice of appeal. The commission may remand a case to the presiding officer for further hearing or may itself preside at the taking of additional evidence.

4.43(5) *Scheduling.* The commission shall issue a schedule for consideration of the appeal.

4.43(6) *Briefs and arguments.* Unless otherwise ordered, briefs, if any, must be filed within five days of meeting.

491—4.44(17A) Applications for rehearing.

4.44(1) *By whom filed.* Any party to a contested case proceeding may file an application for rehearing from a final order.

4.44(2) *Content of application.* The application for rehearing shall state on whose behalf it is filed, the specific grounds for rehearing, and the relief sought. In addition, the application shall state whether the applicant desires reconsideration of all or part of the agency decision on the existing record and whether, on the basis of the grounds enumerated in subrule 4.43(4), the applicant requests an opportunity to submit additional evidence.

4.44(3) *Time of filing.* The application shall be filed with the commission within 20 days after issuance of the final decision.

4.44(4) *Notice to other parties.* A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein. If the application does not contain a certificate of service, the commission shall serve copies on all parties.

4.44(5) *Disposition.* Any application for a rehearing shall be deemed denied unless the commission grants the application within 20 days after its filing.

491—4.45(17A) Stays of commission actions.

4.45(1) *When available.*

a. Any party to a contested case proceeding may petition the commission for a stay of an order issued in that proceeding or for other temporary remedies, pending review by the commission. The petition for a stay shall be filed with the notice of appeal and shall state the reasons justifying a stay or other temporary remedy. The administrator may rule on the stay or authorize the presiding officer to do so.

b. Any party to a contested case proceeding may petition the commission for a stay or other temporary remedies pending judicial review, of all or part of that proceeding. The petition for a stay shall state the reasons justifying a stay or other temporary remedy.

4.45(2) *When granted.* In determining whether to grant a stay, the presiding officer or administrator shall consider the factors listed in Iowa Code section 17A.19(5).

4.45(3) *Vacation.* A stay may be vacated by the issuing authority upon application by the commission or any other party. When a stay has been vacated, the commission or the commission's designee shall implement the original order or sanction which had been stayed. The commission or the commission's designee shall have full authority to determine how the original order or sanction is to be implemented.

491—4.46(17A) No factual dispute contested cases. If the parties agree that no dispute of material fact exists as to a matter that would be a contested case if such a dispute of fact existed, the parties may present all relevant admissible evidence either by stipulation or otherwise as agreed by the parties without necessity for the production of evidence at an evidentiary hearing. If such agreement is reached, a jointly submitted schedule detailing the method and timetable for submission of the record, briefs and oral argument should be submitted to the presiding officer for approval as soon as practicable. If the parties cannot agree, any party may file and serve a motion for summary judgment pursuant to the rules governing such motions.

491—4.47(17A) Emergency adjudicative proceedings.

4.47(1) *Necessary emergency action.* To the extent necessary to prevent or avoid immediate danger to the public health, safety, or welfare, the commission, gaming representatives, or stewards may issue

a written order in compliance with Iowa Code section 17A.18 to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the commission by emergency adjudicative order. Before the issuing of an emergency adjudicative order the commission shall consider factors including, but not limited to, the following:

- a.* Whether there has been a sufficient factual investigation to ensure that the commission is proceeding on the basis of reliable information;
- b.* Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing;
- c.* Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare;
- d.* Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare; and
- e.* Whether the specific action contemplated by the commission is necessary to avoid the immediate danger.

4.47(2) Issuance.

a. The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by utilizing one or more of the following procedures:

- (1) Personal delivery;
- (2) Certified mail, return receipt requested, to the last address on file with the commission;
- (3) Certified mail to the last address on file with the commission;
- (4) First-class mail to the last address on file with the commission; or
- (5) Fax. Fax may be used as the sole method of delivery if the person required to comply with the order has filed a written request that commission orders be sent by fax and has provided a fax number for that purpose.

b. To the degree practicable, the commission shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

4.47(3) Oral notice. Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the commission shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

4.47(4) Completion of proceedings. Issuance of a written emergency adjudicative order shall include notification of the date on which commission proceedings are scheduled for completion. After issuance of an emergency adjudicative order, continuance of further commission proceedings to a later date will be granted only in compelling circumstances upon application in writing.

491—4.48(17A) Contested case hearings before the commission. The commission may initiate a hearing upon its own motion, pursuant to any matter within its jurisdiction.

These rules are intended to implement Iowa Code chapters 17A, 99D and 99F.

TRACK, GAMBLING STRUCTURE, AND EXCURSION GAMBLING BOAT
LICENSEES' RESPONSIBILITIES

[Prior to 11/19/86, Racing Commission[693]]

[Prior to 11/18/87, Racing and Gaming Division[195]]

[Prior to 8/9/00, see also 491—Chs 20 and 25]

491—5.1(99D,99F) In general. For purposes of this chapter, the requirements placed upon an applicant shall become a requirement to the licensee once a license to race or operate a gaming facility has been granted. Every license is granted upon the condition that the license holder shall accept, observe, and enforce the rules and regulations of the commission. It is the affirmative responsibility and continuing duty of each officer, director, and employee of said license holder to comply with the requirements of the application and conditions of the license and to observe and enforce the rules. The holding of a license is a privilege. The burden of proving qualifications for the privilege to receive any license is on the licensee at all times. A licensee must accept all risks of adverse public notice or public opinion, embarrassment, criticism, or financial loss that may result from action with respect to a license. Licensees further covenant and agree to hold harmless and indemnify the Iowa racing and gaming commission from any claim arising from any action of the commission in connection with that license.

491—5.2(99D,99F) Annual reports. Licensees shall submit audits to the commission as required by Iowa Code sections 99D.20 and 99F.13. The audit of financial transactions and condition of licensee's operation shall include an internal control letter, documentation that the county board of supervisors selected the auditing firm, a balance sheet, and a profit-and-loss statement pertaining to the licensee's activities in the state, including a breakdown of expenditures and subsidies. If the licensee's fiscal year does not correspond to the calendar year, a supplemental schedule indicating financial activities on a calendar-year basis shall be included in the report. In the event of a license termination, change in business entity, or material change in ownership, the administrator may require the filing of an interim report, as of the date of occurrence of the event. The filing due date shall be the later of 30 calendar days after notification to the licensee or 30 calendar days after the date of the occurrence of the event, unless an extension is granted.

5.2(1) The annual audit report required by Iowa Code section 99D.20 shall include a schedule detailing the following information: number of performances; attendance; regulatory fee; total mutuel handle and taxes paid to state, city, county and gambler's treatment fund; unclaimed winnings; purses paid indicating sources; total breakage and disbursements; and the disbursements of 1 percent of exotic wagers on three or more racing animals.

5.2(2) The annual audit report required by Iowa Code section 99F.13 shall include:

- a.* A schedule detailing a weekly breakdown of adjusted gross revenue; taxes paid to the state, city, county, county endowment fund, and gambler's treatment fund; and regulatory fees.
- b.* A report on whether material weaknesses in internal accounting control exist.
- c.* A report on whether the licensee has followed the system of internal accounting control approved by the administrator.

491—5.3(99D,99F) Information. The licensee shall submit all information specifically requested by the commission or commission representative.

491—5.4(99D,99F) Uniform requirements.

5.4(1) Maintenance of premises and facilities. Each licensee shall at all times maintain its premises and facilities so as to be neat and clean, well landscaped, painted and in good repair, handicapped accessible, with special consideration for the comfort and safety of patrons, employees, and other persons whose business requires their attendance.

5.4(2) Facilities for commission. Each licensee shall provide reasonable, adequately furnished office space, including utilities, direct long-distance access for voice and data lines, custodial services, and necessary office equipment, and, if applicable, work space on the boat for the exclusive use of the

commission employees and officials. The licensee shall also make available appropriate parking places for commission staff.

5.4(3) Sanitary facilities for patrons. Each licensee shall, on every day of operation, provide adequate and sanitary toilets and washrooms and furnish free drinking water for patrons and persons having business on the licensee's premises.

5.4(4) First-aid room. Each licensee shall equip and maintain adequate first-aid facilities and have in attendance, during live racing at racetracks and while excursion gaming boats are cruising, either a physician, a physician assistant, a registered nurse, a licensed practical nurse, a paramedic, or an emergency medical technician, all properly licensed according to requirements of the Iowa department of public health. During all other hours of operation, the licensee shall have, at a minimum, one employee trained in CPR, in first aid, and in the use of the automated external defibrillator (AED). Each licensee is required to have an AED at the licensee's facility.

5.4(5) Security force.

a. Peace officer. Each licensee shall ensure that a person who is a certified peace officer is present during all gaming hours, unless permission is otherwise granted by the administrator. A certified peace officer pursuant to this rule must be employed by a law enforcement agency and have police powers.

b. Employ adequate security. Each licensee shall employ sufficient security to remove from the licensed premises a person violating a provision of Iowa Code chapter 99D or 99F, commission rules, or orders; any person deemed to be undesirable by racing and gaming commission officials; or any person engaging in a fraudulent practice. Security shall also be provided in and about the premises to secure restricted areas including, but not limited to, the barn area, kennel area, paddock, and racing animal drug testing area.

c. Incident reports. The licensee shall be required to file a written report, within 72 hours, detailing any incident in which an employee or patron is detected violating a provision of Iowa Code chapter 99D or 99F, a commission rule or order, or internal controls; or is removed for reasons specified under paragraph 5.4(5) "b." In addition to the written report, the licensee shall provide immediate notification to the commission and DCI representatives on duty or, if representatives are not on duty, provide notification on each office's messaging system if the incident involved employee theft, criminal activity, Iowa Code chapter 99D or 99F violations, or gaming receipts.

d. Ejection or exclusion. A licensee may eject or exclude any person, licensed or unlicensed, from the premises or a part thereof of the licensee's facility, solely of the licensee's own volition and without any reason or excuse given, provided ejection or exclusion is not founded on constitutionally protected grounds such as race, creed, color, disability, or national origin.

Reports of all ejections or exclusions for any reason, other than voluntary exclusions, shall be made promptly to the commission representative and DCI and shall state the circumstances. The name of the person must be reported when the person is ejected or excluded for more than one gaming day.

The commission may exclude any person ejected by a licensee from any or all pari-mutuel facilities, gambling structures, or excursion gambling boats controlled by any licensee upon a finding that attendance of the person would be adverse to the public interest.

5.4(6) Firearms possession within licensed facility.

a. No patron or employee of the licensee, including the security department members, shall possess or be permitted to possess any pistol or firearm within a licensed facility without the express written approval of the administrator unless:

- (1) The person is a peace officer, on duty, acting in the peace officer's official capacity; or
- (2) The person is a peace officer possessing a valid peace officer permit to carry weapons who is employed by the licensee and who is authorized by the administrator to possess such pistol or firearm while acting on behalf of the licensee within that licensed facility.

b. Each licensee shall post in a conspicuous location at each entrance a sign that may be easily read stating, "Possession of any firearm within the licensed facility without the express written permission of the Iowa racing and gaming commission is prohibited".

5.4(7) Video recording. Licensees shall conduct continuous surveillance with the capability of video recording all gambling activities under Iowa administrative rules 661—Chapter 141, promulgated by the department of public safety.

a. “Gambling activities” means participating in or wagering on gambling games on the gaming floor; the movement, storage, and handling of uncounted gambling revenues; manual exchange of moneys for forms of wagering credit on the gaming floor; entrance of the public onto the gaming floor; and any other activity as determined by the commission administrator or administrator’s designee.

b. Commission and DCI representatives shall have unrestricted access to and use of, including independent access capabilities, both live and recorded views and images of the surveillance system.

c. A commission representative may allow a gambling game to be placed in operation pending approval under 661—Chapter 141.

d. A surveillance department shall develop a standard operating procedure manual, which shall include surveillance system maintenance and emergency plans. This manual shall be made available for inspection by the commission and DCI.

e. A facility may include capabilities within the surveillance system for video recording of other areas of a facility and grounds, provided that commission and DCI access is unrestricted.

5.4(8) Commission approval of contracts and business arrangements.

a. Qualifying agreements.

(1) All contracts and business arrangements entered into by a facility are subject to commission jurisdiction. Written and verbal contracts and business arrangements involving a related party or in which the term exceeds three years or the total value in a calendar year exceeds \$100,000 are agreements that qualify for submission to and approval by the commission. For the purpose of this subrule, a qualifying agreement shall be limited to:

1. Any obligation that expends, encumbers, or loans facility assets to anyone other than a not-for-profit entity or a unit of government for the payment of taxes or utilities.

2. Any disposal of facility assets or provision of goods and services at less than market value to anyone other than a not-for-profit entity or a unit of government.

3. A previously approved qualifying agreement, if consideration exceeds the approved amount in a calendar year by the greater of \$100,000 or 25 percent.

4. Any type of contract, regardless of value or term, where a third party provides electronic or mechanical access to cash or credit for a patron of the facility. The contract must contain a clause that provides for immediate notification and implementation when technology becomes available to allow a person to voluntarily bar the person’s access to receive cash or credit from such devices located on the licensed premises.

(2) A qualifying agreement must be submitted within 30 days of execution. Commission approval must be obtained prior to implementation, unless the qualifying agreement contains a written clause stating that the agreement is subject to commission approval. Qualifying agreements that are ongoing or open-ended need only be submitted on initiation, unless there is a material change in terms or noncompliance with 5.4(8) “b”(4).

b. Purpose of review. The commission conducts reviews to serve the public interest to ensure that:

(1) Gaming is free from criminal and corruptive elements.

(2) Gaming-related funds are directed to the lawful recipient.

(3) Gaming profits are not improperly distributed.

(4) Iowa resources, goods and services are utilized. Resources, goods, and services shall be considered to be made in Iowa, be provided by Iowans, or emanate from Iowa if one or more of the following apply:

1. Goods are manufactured in Iowa.

2. Goods are distributed through a distributor located in Iowa.

3. Goods are sold by a retailer/wholesaler located in Iowa.

4. Resources are produced or processed in Iowa.

5. Services are provided by a vendor whose headquarters/home office is in Iowa.

6. Goods, resources or services are provided by a vendor whose headquarters/home office is located outside Iowa, but which has a tangible business location (not simply a post office box) and does business in Iowa.

7. Services beyond selling are provided by employees who are based in Iowa.

A facility shall be considered to have utilized a substantial amount of Iowa resources, goods, services and entertainment in compliance with Iowa Code sections 99D.9 and 99F.7(4) as amended by 2004 Iowa Acts, House File 2302, section 11 and section 43, respectively, if the facility demonstrates to the satisfaction of the commission that preference was given to the extent allowed by law and other competitive factors.

c. Related parties. Other submittal requirements notwithstanding, agreements negotiated between the facility and a related party must be accompanied by an economic and qualitative justification. For the purpose of this subrule, related party shall mean any one of the following having any beneficial interest in any other party with whom the facility is seeking to negotiate an agreement:

(1) Any corporate officer or member of a facility's board of directors.

(2) Any owner with more than a 5 percent interest in a facility.

(3) A member of either the qualified sponsoring organization or the qualifying organization under Iowa Code section 99D.8 associated with a facility.

d. Review criteria. The commission shall approve all qualifying agreements that, in the commission's sole opinion, represent a normal business transaction and may impose conditions on an approval. The commission may deny approval of any agreement that, in the commission's sole opinion, represents a distribution of profits that differs from commission-approved ownership and beneficial interest. This subrule does not prohibit the commission from changing the approved ownership or beneficial interest.

5.4(9) Checks. The acceptance of personal checks shall be allowed; however, "counter" checks shall not be allowed. All checks accepted must be deposited in a bank by the close of the banking day following acceptance.

5.4(10) Taxes and fees.

a. Annual taxes and fees. All taxes and fees, whose collection by the state is authorized under Iowa Code chapters 99D and 99F, shall be accounted for on a fiscal-year basis, each fiscal year beginning on July 1 and ending on June 30.

b. Submission of taxes and fees. All moneys collected for and owed to the commission or state of Iowa under Iowa Code chapter 99F shall be accounted for and itemized on a weekly basis in a format approved by the commission. A week shall begin on Monday and end on Sunday. The reporting form must be received in the commission office by noon on Wednesday following the week's end. The moneys owed, according to the reporting form, must be received in the treasurer's office by 11 a.m. on the Thursday following the week's end. Additionally, each licensee shall file a monthly report indicating adjusted gross receipts received from gambling games, total number of admissions, and amount of regulatory fees paid. These reports shall be by calendar month and filed by noon on the first Wednesday following the end of the month unless the end of the month is a Monday or Tuesday, in which case the reports shall be filed by noon on the second Wednesday following the end of the month.

5.4(11) Rate of tax revenue. Each licensee shall prominently display at the licensee's gambling facility the annual percentage rate of state and local tax revenue collected by state and local government from the gambling facility annually.

5.4(12) Problem gambling.

a. The holder of a license to operate gambling games shall adopt and implement policies and procedures designed to:

(1) Identify problem gamblers; and

(2) Allow persons to be voluntarily excluded for life from all facilities. Each facility will disseminate information regarding the exclusion to all other facilities.

b. The policies and procedures shall be developed in cooperation with the gambling treatment program and shall include without limitation the following:

(1) Training of key employees to identify and report suspected problem gamblers;

- (2) Procedures for recording and tracking identified problem gamblers;
- (3) Policies designed to prevent serving alcohol to intoxicated casino patrons;
- (4) Steps for removing problem gamblers from the casino; and
- (5) Procedures for preventing reentry of problem gamblers.

c. A licensee shall include information on the availability of the gambling treatment program in a substantial number of its advertisements and printed materials.

5.4(13) *Records regarding ownership.*

a. In addition to other records and information required by these rules, each licensee shall maintain the following records regarding the equity structure and owners:

(1) If a corporation:

1. A certified copy of articles of incorporation and any amendments thereto.
2. A copy of bylaws and amendments thereto.
3. A current list of officers and directors.
4. Minutes of all meetings of stockholders and directors.
5. A current list of all stockholders and stockholders of affiliates, including their names and the names of beneficial shareholders.

6. A complete record of all transfers of stock.

7. A record of amounts paid to the corporation for issuance of stock and other capital contributions and dates thereof.

8. A record, by stockholder, of all dividends distributed by the corporation.

9. A record of all salaries, wages, and other remuneration (including perquisites), direct and indirect, paid by the corporation during the calendar or fiscal year to all officers, directors, and stockholders with an ownership interest at any time during the calendar or fiscal year, equal to or greater than 5 percent of the outstanding stock of any class of stock.

(2) If a partnership:

1. A schedule showing the amounts and dates of capital contributions, the names and addresses of the contributors, and percentage of interest in net assets, profits, and losses held by each.

2. A record of the withdrawals of partnership funds or assets.

3. A record of salaries, wages, and other remuneration (including perquisites), direct and indirect, paid to each partner during the calendar or fiscal year.

4. A copy of the partnership agreement and certificate of limited partnership, if applicable.

(3) If a sole proprietorship:

1. A schedule showing the name and address of the proprietor and the amount and date of the original investment.

2. A record of dates and amounts of subsequent additions to the original investment and withdrawals therefrom.

3. A record of salaries, wages, and other remuneration (including perquisites), direct or indirect, paid to the proprietor during the calendar or fiscal year.

b. All records regarding ownership shall be located in a place approved by the commission.

c. If the licensee is publicly held, upon the request of the administrator, the licensee shall submit to the commission one copy of any report required to be filed by such licensee or affiliates with the Securities and Exchange Commission or other domestic or foreign securities regulatory agency. If the licensee is privately held, upon the request of the administrator, the licensee shall submit financial, ownership, or other entity records for an affiliate.

5.4(14) *Retention, storage, and destruction of books, records, and documents.*

a. Except as otherwise provided, all original books, records, and documents pertaining to the licensee's operations shall be:

(1) Prepared and maintained in a complete and accurate form.

(2) Retained at a site approved by the administrator until audited.

(3) Held immediately available for inspection by the commission during business hours of operations.

(4) Organized and indexed in such a manner as to provide immediate accessibility to the commission.

b. For the purpose of this subrule, “books, records, and documents” shall be defined as any book, record, or document pertaining to or prepared or generated by the licensee including, but not limited to, all forms, reports, accounting records, ledgers, subsidiary records, computer-generated data, internal audit records, correspondence, contracts, and personnel records, including information concerning a refusal to submit to drug testing and test results conducted pursuant to Iowa Code section 730.5.

c. All original books, records, and documents may be copied and stored on microfilm, microfiche, or other suitable media system approved by the administrator.

d. No original book, record, document, or suitable media copy may be destroyed by a licensee, for three years, without the prior approval of the administrator.

5.4(15) *Remodeling.* For any change to be made to the facility itself directly associated with racing or gaming or in the structure of the boat itself, the licensee must first submit plans to and receive the approval of the administrator.

5.4(16) *Officers, agents, and employees.* Licensees are accountable for the conduct of their officers, agents, and employees. The commission or commission representative reserves the right to impose penalties against the license holder or its officer, agent, employee, or both as the commission or commission representative determines appropriate. In addition, the licensee shall be responsible for the conduct of nonlicensed persons in nonpublic areas of the excursion gambling boat, gambling structure, or racetrack enclosure.

5.4(17) *Designated gaming floor.* The designated gaming floor is all areas occupied by or accessible from a gambling game, not otherwise obstructed by a wall, door, partition, barrier, or patron entrance. A patron entrance shall be identified by a sign visible to patrons approaching the gaming floor. The sign shall denote entrance to the gaming floor and specify that the gaming floor is not accessible to persons under the age of 21. A floor plan identifying the area shall be filed with the administrator for review and approval. Modification to a previously approved plan must be submitted for approval at least ten days prior to implementation.

5.4(18) *State fire and building codes.*

a. Barges, as defined in 5.6(1) “c,” and other land-based gaming facilities and such facilities that undergo major renovation shall comply with the state building code created by Iowa Code chapter 103A, if there is no local building code in force in the local jurisdiction in which the facility is located. A licensee shall submit construction documents and plans to the state building code commissioner and receive approval prior to construction, if a facility is subject to the state building code.

b. If there is no enforcement of fire safety requirements by a local fire department, a licensee shall also submit construction plans and documents to the state fire marshal and receive approval prior to construction. The fire marshal may cause a facility subject to this paragraph to be inspected for compliance with fire marshal rules prior to operation of the facility and shall notify the commission and the licensee of the results of any such inspection.

c. If a proposed new or renovated facility is subject to both paragraphs “a” and “b,” a single submission of construction plans and documents to the building code commissioner, with a cover letter stating that review and approval are required with respect to both the state building code and rules of the fire marshal, is sufficient to meet both requirements. Facilities subject to both paragraphs “a” and “b” shall have received approval from both the fire marshal and the building code commissioner prior to construction.

5.4(19) *Gambling setoff.* Each licensee shall adopt and implement policies and procedures designed to set off winnings of patrons who have a valid lien established under Iowa Code chapters 99D and 99F.

5.4(20) *Shelf application for debt.*

a. The commission may grant approval of a shelf application for a period not to exceed three years.

b. Licensees whose parent company has issued publicly traded debt or publicly traded securities may apply to the commission for a shelf approval of debt transactions if the parent company has:

(1) A class of securities listed on the New York Stock Exchange, the American Stock Exchange or the National Association of Securities Dealers Automatic Quotation System (NASDAQ) or has

stockholders' equity in the amount of \$15 million or more as reported in the parent company's most recent report on Form 10-K or Form 10-Q filed with the Securities and Exchange Commission (SEC) immediately preceding application; and

(2) Filed all reports required by the SEC.

c. The application shall be in writing and shall contain:

(1) Proof of qualification to make the application in accordance with the criteria of this subrule.

(2) A statement of the amount of debt sought to be approved and the intended use of potential proceeds.

(3) Duration sought for the shelf approval.

(4) Financing rate sought during shelf approval.

(5) Evidence of signature by authorized representative of the licensee under oath.

(6) Other supplemental documentation requested by the commission or commission representative following the initial submission.

d. Once an application is approved by the commission:

(1) The licensee shall notify the commission representative of all debt transactions within ten days of consummation, including subsequent amendments and modifications of debt transactions, and provide executed copies of the documents evidencing the transactions as may be required.

(2) The commission representative may rescind a shelf approval without prior written notice. The rescission shall be in writing and set forth the reasons for the rescission and shall remain in effect until lifted by the commission upon the satisfaction of any such terms and conditions as required by the commission.

491—5.5(99D) Pari-mutuel uniform requirements.

5.5(1) *Insect and rodent control.* The licensee shall provide systematic and effective insect and rodent control, including control of flies, mosquitoes, fleas, and mice, to all areas of licensee's premises at all times during a race meeting.

5.5(2) *Results boards, totalizators required.* Each licensee shall provide and maintain computerized totalizators and electronic boards showing odds, results, and other racing information located in plain view of patrons.

5.5(3) *Photo finish camera.* A licensee shall provide two electronic photo finish devices with mirror image to photograph the finish of each race and record the time of each racing animal in at least hundredths of a second. The location and operation of the photo finish device must be approved by the commission before its first use in a race. The licensee shall promptly post a photograph, on a monitor, of each photo finish for win, place or show, or for fourth place in superfecta races, in an area accessible to the public. The licensee shall ensure that the photo finish devices are calibrated before the first day of each race meeting and at other times as required by the commission. On request by the commission, the licensee shall provide, without cost, a print of a photo finish to the commission. A photo finish of each race shall be maintained by the licensee for not less than six months after the end of the race meeting, or such other period as may be requested by the commission.

5.5(4) *Electric timing device.* Any electric timing device used by the licensee shall be approved by the commission.

5.5(5) *Official scale.* The licensee shall provide and maintain in good working order official scales or other approved weighing devices. The licensee shall provide to the stewards certification of the accuracy of the scales at the beginning of each race meeting or more frequently if requested by the stewards.

5.5(6) *Lighting.* Each licensee shall provide and maintain adequate illumination in the barn/kennel area, parking area, and racetrack area.

5.5(7) *Fencing.* The stable and kennel areas should be properly fenced as defined by the commission and admission permitted only in accord with rules of the commission.

5.5(8) *Guest passes.* The licensee shall develop a policy to be approved by the stewards for the issuance of guest passes for entrance to the kennel or stable area. The guest pass is not an occupational

license and does not permit the holder to work in any capacity or in any way confer the benefits of an occupational license to participate in racing. The license holder sponsoring or escorting the guest shall be responsible for the conduct of the guest pass holder.

5.5(9) Stewards. There shall be three stewards for each racing meet, two appointed by the commission and one nominated by the licensee for approval by the commission. The names of licensees' nominees for steward and biographical information describing the experience and qualifications of the nominees shall be submitted no later than 45 days before commencement of a race meeting. The commission may consider for appointment or approval a person who meets all of the following requirements. The person shall have:

- a. Engaged in pari-mutuel racing in a capacity and for a period satisfactory to the commission.
- b. Satisfactorily passed an optical examination within one year prior to approval as a steward evidencing corrected 20/20 vision and the ability to distinguish colors correctly.
- c. Satisfied the commission that income, other than salary as a steward, is independent of and unrelated to patronage of or employment by any occupational licensee under the supervision of the steward, so as to avoid the appearance of any conflict of interest or suggestion of preferential treatment of an occupational licensee.

5.5(10) Purse information. Each licensee shall provide to the commission at the close of each racing meet the following purse information:

- a. The identity of each person or entity to which purse money is paid by the licensee for purses won by racing animals at the facility. This report shall include the name, residential or business address and amount paid to that person or entity. The data should be assembled separately for Iowa and non-Iowa addressees, and aggregates should be presented in descending order of magnitude.
- b. The identity of each person or entity to which purse money is paid by the licensee for purses won by Iowa-bred animals at the facility. This report shall include the name, residential or business address and amount paid to that person or entity in supplemental funds for ownership of Iowa-bred animals. The data should be assembled separately for Iowa and non-Iowa addressees, and aggregates should be presented in descending order of magnitude.

5.5(11) Designated wagering area. The designated wagering area is a rectangular area within a minimum of five feet from the front and from either side of a stationary wagering window or self-service wagering device, not otherwise obstructed by a wall or other barrier. The facility shall either section off or clearly delineate the floor of the area and post a sign near the area, which is visible to patrons approaching the area, denotes the wagering area and specifies that the wagering area is not accessible to persons under the age of 21. The designation applies only when the wagering window or device is open to transact wagering. A floor plan identifying the area shall be filed with the administrator for review and approval. Modification to a previously approved plan must be submitted for approval at least ten days prior to implementation.

491—5.6(99F) Excursion gambling boat uniform requirements.

5.6(1) Excursion gambling boat.

- a. *Capacity.* The minimum passenger capacity necessary for an excursion gambling boat is 250.
- b. *Excursion boat.* A self-propelled, floating "vessel" as defined by the U.S. Coast Guard may contain more than one vessel. In order to be utilized for gaming purposes, the vessel containing the casino must either contain a permanent means of propulsion or have its means of propulsion contained in an attached vessel. In the event that the vessel containing the casino is propelled by a second vessel, the boat will be considered self-propelled only when the vessels are designed, constructed, and operated as a single unit.
- c. *Moored barge.* "Barge" means any stationary structure approved by the commission, where the entire gaming floor is located on or near a body of water as defined under Iowa Code section 99F.7, subsection 1, and which facility is subject to land-based building codes rather than maritime or Iowa department of natural resources inspection laws and regulations.

5.6(2) Excursions.

a. Length. The excursion season shall be from April 1 through October 31 of each calendar year. An excursion boat must operate at least one excursion during the excursion season to operate during the off-season, although a waiver may be granted by the commission in the first year of a boat's operation if construction of the boat was not completed in time for the boat to qualify. Excursions shall consist of a minimum of one hour in transit during the excursion season. The number of excursions per day is not limited. During the excursion season and the off-season, while the excursion gambling boat is docked, passengers may embark or disembark at any time during business hours pursuant to Iowa Code section 99F.4(17).

b. Dockside completion of excursions. If, during the excursion season, the captain determines that it would be unsafe to complete any portion of an excursion, or if mechanical problems prevent the completion of any portion of an excursion, the boat may be allowed to remain at the dock or, if the excursion is underway, return to the dock and conduct the gaming portion of the excursion while dockside, unless the captain determines that passenger safety is threatened.

c. Notification. If an excursion is not completed due to reasons specified in paragraph 5.6(2) "b," a commission representative shall be notified as soon as is practical.

5.6(3) Drug testing of boat operators. Captains, pilots, and physical operators of excursion gambling boats shall be drug tested, as permitted by Iowa Code section 730.5, on a continuous basis with no more than 60 days between tests. The testing shall be conducted by a laboratory certified by the United States Department of Health and Human Services or approved under the rules adopted by the Iowa department of public health. The facility shall report positive test results to a commission representative.

These rules are intended to implement Iowa Code chapters 99D and 99F.

CHAPTER 6 OCCUPATIONAL AND VENDOR LICENSING

[Prior to 11/19/86, Racing Commission[693]]

[Prior to 11/18/87, Racing and Gaming Division[195]]

491—6.1(99D,99F) Definitions.

“Applicant” means an individual applying for an occupational license.

“Beneficial interest” means any and all direct and indirect forms of ownership or control, voting power, or investment power held through any contract, lien, lease, partnership, stockholding, syndication, joint venture, understanding, relationship (including family relationship), present or reversionary right, title or interest, or otherwise.

“Board” means either the board of stewards or the gaming board, as appointed by the administrator, whichever is appropriate. The administrator may serve as a board of one.

“Commission” means the Iowa racing and gaming commission.

“Commission representative” means a gaming representative, steward, or any person designated by the commission or commission administrator.

“Conviction” means the act or process of judicially finding someone guilty of a crime; the state of a person’s having been proved guilty; the judgment that a person is guilty of a crime or criminal offense, which includes a guilty plea entered in conjunction with a deferred judgment, and a juvenile who has been adjudicated delinquent. The date of conviction shall be the date the sentence and judgment is entered.

“Deceptive practice” means any deception or misrepresentation made by the person with the knowledge that the deception or misrepresentation could result in some benefit to the person or some other person.

“Facility” means an entity licensed by the commission to conduct pari-mutuel wagering or gaming operations in Iowa.

“Jockey” means a person licensed to ride a horse in a race.

“Kennel/stable name” means any type of name other than the legal name or names used by an owner or lessee and registered with the commission.

“Licensee” means a person licensed by the commission to perform an occupation which the commission has identified as requiring a license for a person to work in the pari-mutuel, gambling structure, or excursion gambling boat industry in Iowa.

“Occupation” means a license category listed on the commission’s occupational license application form.

“Owner” means a person or entity that holds any title, right or interest, whole or partial, in a racing animal.

“Rules” means the rules promulgated by the commission to regulate the racing and gaming industries.

“Theft” includes, but is not limited to:

1. The act of taking possession or control of either facility property or the property of another without the express authorization of the owner;
2. The use, disposition, or destruction of property in a manner which is inconsistent with or contrary to the owner’s rights in such property;
3. Misappropriation or misuse of property the person holds in trust for another; or
4. Any act which constitutes theft as defined by Iowa Code chapter 714. No specific intent requirement is imposed by rule 6.5(99D,99F) nor is it required that there be any showing that the licensee received personal gain from any act of theft.

“Year” means a calendar year.

491—6.2(99D,99F,252J) Occupational licensing.

6.2(1) All persons participating in any capacity at a racing or gaming facility, with the exception of certified law enforcement officers while they are working for the facility as uniformed officers, are required to be properly licensed by the commission.

a. License applicants may be required to furnish to the commission a set of fingerprints and may be required to be refingerprinted or rephotographed periodically.

b. License applicants must supply current photo identification and proof of their social security number and date of birth.

c. License applicants must complete and sign the application form prescribed and published by the commission. An incomplete application shall not be processed. The application shall state the full name, social security number, residence, date of birth, and other personal identifying information of the applicant that the commission deems necessary. The application shall include, in part, whether the applicant has any of the following:

(1) A record of conviction of a felony or misdemeanor, including a record involving the entry of a deferred judgment and adjudications of delinquency;

(2) An addiction to alcohol or a controlled substance;

(3) A history of mental illness or repeated acts of violence;

(4) Military convictions;

(5) Adjudication of delinquency; or

(6) Overdue income taxes, fines, court-ordered legal obligations, or judgments.

d. License applicants for designated positions of higher responsibility may be required to complete a division of criminal investigation (DCI) background form.

e. A fee set by the commission shall be assessed to each license applicant. Once a license is issued, the fee cannot be refunded.

f. License applicants must pay an additional fee set by the Federal Bureau of Investigation (FBI) and by the department of public safety (DCI and bureau of identification) to cover the cost associated with the search and classification of fingerprints.

g. All racing and gaming commission fees for applications or license renewals must be paid by applicants or licensees before a license will be issued or renewed or, if the applicant is an employee of a facility, the commission fees will be directly billed to the facility.

h. An applicant who knowingly makes a false statement on the application is guilty of an aggravated misdemeanor.

i. Participation in racing and gaming in the state of Iowa is a privilege and not a right. The burden of proving qualifications to be issued any license is on the applicant at all times. An applicant must accept any risk of adverse public notice, embarrassment, criticism, or other action, as well as any financial loss that may result from action with respect to an application.

j. All licenses are conditional until completion of a necessary background investigation including, but not limited to, fingerprint processing through the DCI and the FBI and review of records on file with national organizations, courts, law enforcement agencies, and the commission.

k. Any licensee who allows another person use of the licensee's license badge for the purpose of transferring any of the benefits conferred by the license may be fined, have the license suspended or revoked, or be subject to any combination of the above-mentioned sanctions. No license shall be transferable and no duplicate licenses shall be issued except upon submission of an application form and payment of the license fee.

l. It shall be the affirmative responsibility and continuing duty of each applicant to provide all information, documentation, and assurances pertaining to qualifications required or requested by the commission or commission representatives and to cooperate with commission representatives in the performance of their duties. A refusal by any person to comply with a request for information from a commission representative shall be a basis for fine, suspension, denial, revocation, or disqualification.

m. Non-U.S. citizens must supply documentation authorizing them to work in the United States or supply documentation demonstrating compliance with the North American Free Trade Agreement.

n. Portions of all completed applications accepted by the commission are confidential. The following persons have the explicit right to review all information contained on the application: the applicant, all commission officials and employees, the track steward, and DCI agents or other law enforcement officers serving in their official capacity.

o. A license may not be issued or held by an applicant who is unqualified, by experience or otherwise, to perform the duties required.

p. A license may not be issued to applicants who have not previously been licensed in the following occupations except upon recommendation by the commission representative: trainers, assistant trainers, jockeys, apprentice jockeys, exercise persons, and other occupations the commission may designate. The commission representative may, for the purpose of determining a recommendation under this subrule, consult a representative of the facility, horsemen, or jockeys.

6.2(2) All facility board members shall undergo a background investigation and be licensed immediately upon appointment.

6.2(3) Multiple license restrictions.

a. A person may work outside the licensed occupation as long as the person is licensed in an equal or higher occupation.

b. In horse racing only, the following restrictions apply:

(1) A person licensed as a jockey or veterinarian may not be licensed in another capacity.

(2) A person may not be licensed as an owner and a jockey agent.

(3) No racing official may serve or act in another capacity at a race meeting at which that person is licensed as an official except if there is no conflict of interest or duties as determined by the commission representative.

6.2(4) Application endorsements. The responsibility of licensing an employee rests with the employer. Therefore, a license may not be issued to any employee unless the application includes prior endorsement of the facility's authorized representative. All facilities must submit a list of representatives authorized to sign applications. This list shall not exceed six names. This authorization list shall be sent to the commission licensing office associated with each facility.

6.2(5) An applicant who has not held a license for the previous calendar year shall be considered a first-time applicant.

6.2(6) Interim identification badge.

a. All interim identification badges issued by a facility must be recorded in a logbook, which is available for inspection by commission or DCI representatives. The logbook must reflect the following information: date issued; user's name and date of birth (verified by photo ID); occupation; badge number; issuer; time issued; and time returned. Badges shall only be issued on a daily basis and must be returned before the employee leaves facility premises. A badge shall be effective only until the commission licensing office's next day of business, and may not be used to avoid obtaining a duplicate license.

b. A badge shall only be issued if:

(1) An employee is hired during a time that the commission licensing office is closed; or

(2) An employee is not in possession of the employee's occupational license.

[ARC 8029B, IAB 8/12/09, effective 9/16/09]

491—6.3(99D,99F) Waiver of privilege. An applicant may claim a privilege afforded by the Constitution of the United States or of the state of Iowa in refusing to answer questions of the commission. However, a claim of privilege with respect to any testimony or evidence pertaining to an application may constitute sufficient grounds for denial.

491—6.4(99D,99F) License acceptance.

6.4(1) *Occupational license (license).* The license shall be displayed in a conspicuous manner on the licensee's clothing at all times while the licensee is on duty unless otherwise permitted by the commission representative. A licensee is prohibited from defacing, altering, or modifying a license.

6.4(2) *Knowledge of rules.* By acceptance of a license from the commission, the licensee agrees to follow and comply with the rules of the commission and Iowa statutes pertaining to racing and gaming, to report immediately to the commission representative any known irregularities or wrongdoing involving racing or gaming and to cooperate in subsequent investigations. Commission rules are available on the commission's Web site at www.iowa.gov/irgc/.

6.4(3) Search and seizure. Acceptance of a license from the commission by any licensee is deemed consent to search and inspection by a commission or DCI representative and to the seizure of any prohibited medication, drugs, paraphernalia or devices.

6.4(4) Misuse of license. No person shall exercise or attempt to exercise any of the powers, privileges, or prerogatives of a license unless and until the appropriate licensing form has been executed and filed with the commission except under subrule 6.2(6). The commission shall exercise the power to regulate the conduct of all persons holding licenses or participating in racing or gaming.

491—6.5(99D,99F) Grounds for denial, suspension, or revocation of a license or issuance of a fine. The commission or commission representative shall deny an applicant a license or, if already issued, a licensee shall be subject to probation, fine, suspension, revocation, or other disciplinary measures, if the applicant or licensee:

6.5(1) Does not qualify under the following screening policy:

a. Applicants must be at least 18 years of age to work in areas where gaming or wagering is conducted.

b. Applicants must be at least 16 years of age to be eligible to be licensed to work for a trainer of racing animals.

c. A license shall be denied if, within the last five years, an applicant has had:

(1) A felony conviction;

(2) A conviction for an offense involving theft or fraudulent practice in excess of \$500;

(3) A conviction for an offense involving the use of an alias in connection with fraud; or

(4) A conviction for an offense involving ownership, operation, or an interest in any bookmaking or other illegal enterprise or if the applicant is or has been connected with or associated with any illegal enterprise.

If the conviction occurred more than five years before application, a license shall not be issued unless the commission representative determines that sufficient evidence of rehabilitation exists.

d. Unless sufficient evidence of rehabilitation exists, a license shall be denied if any applicant has had:

(1) A conviction of a serious or aggravated misdemeanor or the equivalent; or

(2) Multiple convictions of simple misdemeanors.

e. A license shall be temporarily denied or suspended until the outcome of any pending charges is known if conviction would disqualify the applicant and the commission representative determines that the applicant poses an immediate danger to the public health, safety, or welfare of the patrons, participants, or animals associated with a facility licensed under Iowa Code chapter 99D or 99F.

f. A license shall be denied if the applicant has an addiction to alcohol or a controlled substance without sufficient evidence of rehabilitation, has a history of mental illness without demonstrating successful treatment by a licensed medical physician, or has a history of repeated acts of violence without sufficient evidence of rehabilitation.

g. A license may be temporarily denied or a probationary license may be issued until outstanding, overdue court-ordered obligations are satisfied. These obligations include, but are not limited to, criminal or civil fines, state or federal taxes, or conditions imposed upon the applicant by a court of law that the applicant has failed to meet in a timely manner.

h. A license may be denied if an applicant is ineligible to participate in gaming in another state and it would not be in the best interest of racing or gaming to license the applicant in Iowa. A license shall be denied if an applicant is ineligible to participate in racing in another state whose regulatory agency is recognized by and reciprocates in the actions of this state.

i. A license shall be denied and not reinstated if an applicant has been denied patron privileges by order of the commission.

j. A license shall be denied if the applicant falsifies the application form and would be ineligible for licensure under one or more of the provisions set forth in paragraphs “a” through “i” above. In other cases of falsification, a license may be issued and the applicant shall be subject to a suspension, fine, or both.

k. A license shall be denied if an applicant is not of good repute and moral character. Any evidence concerning a licensee's current or past conduct, dealings, habits, or associations relevant to that individual's character and reputation may be considered. The commission representative shall decide what weight and effect evidence shall have in the determination of whether there is substantial evidence that the individual is not of good reputation and character. Applicants who hold positions of higher responsibility may be held to a more stringent standard of conduct and reputation than others with a less significant interest or role.

6.5(2) Has not demonstrated financial responsibility or has failed to meet any monetary obligation in the following circumstances connected with racing or gaming:

491—6.28(99D,99F) Alcohol and drug testing.

6.28(1) *Alcohol prohibition/preliminary breath test.* Licensees whose duties require them to be in a restricted area of a racing facility shall not have present within their systems an amount of alcohol of 0.05 percent or more. A restricted area is a designated area for sample collection, paddock, racetrack, or other area where racing officials carry out the duties of their positions.

Acting with reasonable cause, a commission representative may direct the above licensees to submit to a preliminary breath test. A licensee shall, when so directed, submit to examination.

If the results show a reading of 0.05 percent alcohol content or more, the licensee shall not be permitted to continue duties for that day. For a second violation, the licensee shall not be permitted to continue duties for that day and then shall be subject to fine or suspension by the board or commission representative. For a subsequent violation, the licensee may be subject to procedures following positive chemical analysis (see 6.28(3)).

If the results show a reading of 0.10 percent alcohol content or more, the licensee is subject to fine or suspension by the board or commission representative. For a subsequent violation, the licensee may be subject to procedures following positive chemical analysis (see 6.28(3)).

6.28(2) *Drug prohibition/body fluid test.* Licensees whose duties require them to be in a restricted area, as defined in subrule 6.28(1), of a racing facility shall not have present within their systems any controlled substance as listed in Schedules I to V of U.S.C. Title 21 (Food and Drug Section 812), Iowa Code chapter 124 or any prescription drug unless it was obtained directly or pursuant to valid prescription or order from a duly licensed physician who is acting in the course of professional practice. Acting with reasonable cause, a commission representative may direct the above licensees to deliver a specimen of urine or subject themselves to the taking of a blood sample or other body fluids at a collection site approved by the commission. In these cases, the commission representative may prohibit the licensee from participating in racing until the licensee evidences a negative test result. Sufficient sample should be collected to ensure a quantity for a split sample when possible. A licensee who refuses to provide the samples herein described shall be in violation of these rules and shall be immediately suspended and subject to disciplinary action by the board or commission representative. All confirmed positive test costs and any related expenses shall be paid for by the licensee. Negative tests shall be at the expense of the commission.

With reasonable cause noted, an on-duty commission representative may direct a licensee to deliver a test. The commission representative shall call the approved laboratory or hospital and provide information regarding the person who will be coming; that the licensee will have a photo ID; the name and number to call when the licensee arrives; to whom and where to mail the results; and who should be called with the results. The licensee will be directed to immediately leave the work area and proceed to an approved laboratory or hospital for testing with the following directions:

1. If under impairment, the licensee must have another person drive the licensee to the laboratory or hospital.
2. On arrival at the laboratory or hospital, the licensee must show the license to the admitting personnel for verification.
3. On arrival at the laboratory or hospital, the licensee shall be required to sign a consent for the release of information of the results to a commission representative.

6.28(3) *Procedures following positive chemical analysis.*

a. After professional evaluation, if the licensee's condition proves nonaddictive and not detrimental to the best interest of racing, and the licensee can produce a negative test result and agrees to further testing at the discretion of the commission representative to ensure unimpaired, the licensee may be allowed to participate in racing.

b. After professional evaluation, should the licensee's condition prove addictive or detrimental to the best interest of racing, the licensee shall not be allowed to participate in racing until the licensee can produce a negative test result and show documented proof of successful completion of a certified alcohol/drug rehabilitation program approved by the commission. The licensee must also agree to further testing at the discretion of the commission representative to ensure unimpaired.

c. For a second violation, a licensee shall be suspended and allowed to enroll in a certified alcohol/drug rehabilitation program approved by the administrator and to apply for reinstatement only at the discretion of the administrator.

- b. Has a surface, including cushion subsurface and base, constructed of materials and to a depth that adequately provides for the safety of the greyhounds.
- c. Has a drainage system that is approved by the commission.

7.2(2) Equipment. Each facility shall install, maintain in good working condition, and provide for qualified personnel to operate the following equipment:

a. Equipment necessary to produce adequate video recordings of the prerace blanket and muzzle inspection and the entire race from start to finish. Video recordings shall be retained and secured by the facility until the first day of the following racing season.

b. Communications systems between the stewards, mutuel department, starting box, public address announcer, paddock, and necessary on-track racing officials.

c. A starting box and mechanical lure approved by the commission.

7.2(3) Vacancies.

a. When a vacancy occurs among the racing officials other than the stewards prior to post time of the first race of the day, or when a vacancy occurs after the racing of the day has started, the facility shall immediately fill the vacancy, subject to approval by the board of stewards. Permanent changes of racing officials during the racing meet shall be requested in writing by the facility subject to the written approval of the administrator or commission representative before the change occurs.

b. If none of the stewards are present prior to post time of the first race of the day, the management of the facility shall name at least three qualified persons to serve during the absence of the stewards and immediately file a full written report of the absence and the names of the replacements to the commission.

7.2(4) Other responsibilities.

c. The facility shall exclude all persons from the kennel compound area who have no designated duty or authority with the greyhounds in the compound area and are not representatives of the commission, racing officials, duly authorized licensed employees, or guests with facility-approved passes.

d. The facility shall periodically, or whenever the stewards deem necessary, remove soiled surface materials from runs, the detention area for collection of samples, and exercise areas and replace with clean surface materials.

491—7.3(99D) Racing officials—duties.

7.3(1) Racing officials—general.

a. The officials of a race meeting shall include: the stewards; commission veterinarian; commission veterinary assistants; director of racing; mutuel manager; racing secretary; assistant racing secretary; chart writer; paddock judge; clerk of scales; lure operator; brakeman; photo finish operator/timer; starter; patrol judge; and kennel master.

b. All racing officials, except the state stewards, commission veterinarian and commission veterinary assistants, shall be appointed by the facility. Appointments by the facility are subject to the approval of the commission or commission representative. The commission or commission representative may demand a change of personnel for what the commission deems good and sufficient reason. The appointment of a successor to racing officials shall be subject to the approval of the administrator or commission representative.

c. Racing officials are prohibited from the following activities:

(1) Having any interest in the sale, lease, purchase, or ownership of any greyhound racing at the meeting, or its sire or dam.

(2) Wagering on the outcome of a race at the facility where they are employed.

(3) Owning a business or being employed by a business that does business with the facility.

(4) Accepting or receiving money or anything of value for assistance in connection with the racing official's duties.

7.3(2) Stewards.

a. There shall be three stewards for each racing meet, two of whom shall be appointed by the commission and one who shall be nominated by the facility for approval by the commission or commission representative.

b. The laws of Iowa and the rules of the commission supersede the conditions of a race. In matters pertaining to racing, the orders of the stewards supersede the orders of the officers of the facility.

c. The stewards shall have the authority to interpret the rules and to decide all questions not specifically covered by the rules.

d. All questions pertaining to the extent of the stewards' authority shall be determined by a majority of the stewards.

e. The stewards shall have the authority to regulate owners, trainers, kennel helpers, all other persons attendant to greyhounds, racing officials, and licensed personnel of the racing meet and those persons addressed by 491—paragraph 4.6(5) "e."

f. The stewards shall have the authority to determine all questions arising with reference to entries and racing.

g. The stewards shall have the authority to call for proof that a greyhound is neither itself disqualified in any respect, nor nominated by, nor the property, wholly or in part, of a disqualified person, and in default of proof being given to their satisfaction, they may declare the greyhound disqualified.

h. The stewards shall have the authority to order at any time an examination of any greyhound entered for a race or which has run in a race.

i. The stewards shall take notice of any questionable conduct, with or without complaint, and shall investigate promptly and render a decision on every objection and on every complaint made to them.

j. The stewards, in order to maintain necessary safety and health conditions and to protect the public confidence in greyhound racing as a sport, shall have the right to authorize a person(s) on their behalf to enter into or upon the buildings, kennels, rooms, motor vehicles, trailers, or other places within the premises of a facility, to examine same, and to inspect and examine the person, personal property, and effects of any person within such place, and to seize any illegal articles or any items as evidence found.

k. The steward(s) present shall appoint one or two persons to serve as temporary stewards if a vacancy or vacancies occur among the stewards.

l. The stewards may excuse a greyhound, after it has left the paddock for the post, if they consider the greyhound injured, disabled, or unfit to run. All money on the greyhound shall be refunded.

m. The stewards shall determine the finish of a race by the relative position of the muzzle, or nose if the muzzle is lost or hanging, of each greyhound. They shall immediately notify the mutuel department of the numbers of the first three (four in races with superfecta wagering) greyhounds.

(1) The stewards shall promptly display the numbers of the first three (four in races with superfecta wagering) greyhounds in each race in order of their finishes. If the stewards differ in their placing, the majority shall prevail.

(2) The stewards may consult a picture from the photo finish camera whenever they consider it advisable; however, in all cases, the camera is merely an aid and the decision of the stewards shall be final.

(3) The stewards may post, without waiting for a picture, such placements as are in their opinion unquestionable and, after consulting the picture, make other placements. However, in no case shall the race be declared official until the stewards have determined the greyhounds finishing first, second and third (and fourth in races with superfecta wagering).

(4) The stewards may correct an error before the display of the sign "Official" or recall the sign "Official" in case it has been displayed through error.

n. The stewards may place any greyhound on the schooling list at any time for any reason that, in their opinion, warrants such action.

7.3(3) Commission veterinarian and veterinary assistants.

a. The commission veterinarian shall advise the commission and the stewards on all veterinary matters.

b. The commission veterinarian shall be on the premises of the facility at weigh-in time and during all racing hours. The veterinarian shall examine the physical condition of each greyhound at weigh-in time, observe each greyhound as it enters the lock-out kennel, and reexamine the greyhound when the greyhound enters the paddock prior to the race, and recommend to the stewards that any greyhound deemed unsafe to race or physically unfit to produce a satisfactory effort in a race be scratched.

c. The commission veterinarian shall place any greyhound determined to be sick or have a communicable disease, or any greyhound deemed unsafe, unsound, or unfit, on a veterinarian's list which shall be posted in a conspicuous place available to all owners, trainers, and racing officials. Once a greyhound has been placed on the veterinarian's list, it must remain on the list for at least three calendar days and may be allowed to race only after it has been removed from the list by the commission veterinarian.

d. The commission veterinarian shall have full access to each and every kennel where greyhounds are kenneled on the facility premises. The commission veterinarian shall inspect the general physical condition of the greyhounds, sanitary conditions of the kennels, segregation of female greyhounds in season, segregation of sick greyhounds, the types of medicine found in use, incidents of cruel and inhumane treatment, and any other matters or conditions which are brought to the attention of the commission veterinarian.

e. The commission veterinarian shall have supervision and control of the detention area for collection of body fluid samples for the testing of greyhounds for prohibited medication.

f. The commission veterinarian shall not be licensed to participate in racing in any other capacity. A commission veterinarian may not prescribe any medication for, or treat, any greyhound owned by a person licensed by the commission, on or away from any facility, with or without compensation, except in the case of an emergency; this provision does not apply to a relief veterinarian appointed by the administrator to cover the absence of the commission veterinarian. When emergency treatment is given, a commission veterinarian shall make a complete written report to the stewards. Euthanasia of greyhounds shall not be considered treatment.

g. The commission veterinarian shall conduct a postmortem examination on every greyhound to determine the injury or sickness which resulted in the euthanasia or death if:

- (1) A greyhound suffers a breakdown on the racetrack.

a. The racing secretary shall discharge all duties whether expressed or required by the rules and shall keep a complete record of all races.

b. The racing secretary is responsible for maintaining a file of all NGA lease (or appropriate substitute) and ownership papers on greyhounds racing at the meeting. The racing secretary shall inspect all papers and documents dealing with owners and trainers, partnership agreements, appointments of authorized agents, and adoption of kennel names to be sure they are accurate, complete, and up to date. The racing secretary has the authority to demand the production of any documents or other evidence in order to be satisfied as to their validity and authenticity to ensure compliance with the rules. The racing

secretary shall be responsible for the care and security of the papers while the greyhounds are located on facility property. Disclosure is made for the benefit of the public, and all documents pertaining to the ownership or lease of a greyhound filed with the racing secretary shall be available for public inspection.

c. The racing secretary shall ensure that current valid vaccination certificates for diseases, as determined by the commission veterinarian, are submitted for greyhounds housed within facility property. The racing secretary shall also maintain records of vaccinations in such a manner as to notify the stewards, the commission veterinarian, and the trainer of impending expiration ten days prior to the actual date of expiration.

d. The racing secretary shall receive and enter all entries and withdrawals as set forth in this chapter. Conditions of races shall not conflict with commission rules and the racing secretary shall, each day, as soon as the entries have closed and been compiled and the withdrawals have been made, post in a conspicuous place an overnight listing of the greyhounds in each race. The racing secretary shall make every effort to ensure fairness and equal opportunity for all greyhound owners and kennel owners in the drawing of all races.

e. The racing secretary shall not allow any greyhound to start in a race unless the greyhound is entered in the name of the legal owner and the owner's name appears on the registration papers, a legal lease, or bill of sale attached to the registration papers.

f. The racing secretary shall not allow any greyhound to start in a race if it is in any way ineligible or disqualified.

g. Assistant racing secretary. The facility may employ an assistant racing secretary who shall assist the racing secretary in the performance of duties and serve under the supervision of the racing secretary.

7.3(7) Chart writer.

a. The chart writer shall compile the information necessary for a program that shall be printed for each racing day. The program shall contain the names of the greyhounds that are to run in each of the races for that day. These names shall appear in the order of their post positions designated by numerals placed at the left.

b. The program or form sheet must carry at least two past performances of each greyhound scheduled to race. The program or form sheet must also contain name; color; sex; date of whelping; breeding; established racing weight; number of starts in official races; number of times finishing first, second and third; name of owner or lessee (if applicable); name of trainer; distance of race; track record; and other information to enable the public to properly judge the greyhound's ability.

c. If a greyhound's name is changed, the new name, together with the former name, shall be published in the official entries and program until after the greyhound has started six times.

7.3(8) Paddock judge.

a. The paddock judge shall complete a Bertillion card for each greyhound prior to entering official schooling or an official race, by a physical inspection of each greyhound and comparison with NGA ownership papers. Inconsistencies between the physical inspection and NGA papers shall be noted on the Bertillion card, and significant inconsistencies shall be reported to the stewards.

b. The paddock judge shall fully identify and check, using the Bertillion card index system of identification maintained by the facility, all greyhounds starting in schooling and official races while in the paddock before post time. No greyhound shall be permitted to start in an official schooling race or official race that has not been fully identified and checked against the Bertillion card. The paddock judge shall report to the stewards any greyhound(s) that does not conform to the card index identification.

c. The paddock judge shall provide to the stewards, at the beginning of each race meeting and during the meeting if requested by the stewards due to inaccuracies or exceptional circumstances, written certification of the accuracy of the official scale used for weighing greyhounds.

d. The paddock judge shall supervise the kennel master and lead-outs in the performance of their duties.

e. The paddock judge shall not allow any greyhound to be weighed in unless it has an identification tag attached to its collar indicating the number of the race in which the greyhound is entered and its post position. This tag shall not be removed until the greyhound has been weighed out and blanketed.

f. The paddock judge shall not allow anyone to weigh in a greyhound for racing unless the person has a valid kennel owner's, trainer's, or assistant trainer's license issued by the commission.

g. The paddock judge shall not allow any greyhound to leave the paddock for the starting box unless it is equipped with a regulation muzzle and blanket. The blanket worn by each greyhound shall prominently display the numeral corresponding to the greyhound's assigned post position. The muzzles and blankets used shall be approved by the paddock judge, who shall carefully examine them in the paddock before the greyhound leaves for the post to ensure they are properly fitted and secured.

h. The paddock judge shall keep on hand and ready for use extra muzzles of all sizes, lead straps, and collars.

i. The paddock judge shall assign post positions to lead-outs by lot and maintain a record of all such assignments.

j. The paddock judge shall report all delays and weight violations to the stewards.

a. The clerk of scales shall weigh all greyhounds in and out in a uniform manner and observe the weight display and scale platform when reading the weight.

b. The clerk of scales shall post a scale sheet of weights in a conspicuous location promptly after weighing.

c. The clerk of scales shall prevent a greyhound from passing the scales if there should be a weight variation as set forth in subrules 7.9(4), 7.9(5), and 7.9(6). The clerk of scales shall promptly notify the paddock judge of the weight variation, who will report to the stewards any infraction of the rules as to weight or weighing.

d. The clerk of scales shall report all late scratches and weights for display on the tote board or on a bulletin board located in a place conspicuous to the wagering public.

e. The clerk of scales shall ensure that all greyhounds are weighed in and weighed out with a muzzle, collar, and lead strap.

f. The clerk of scales shall keep a list of all greyhounds known by the racing officials to be consistent weight losers while in the lock-out kennel and shall notify the stewards as to the weight loss of any such greyhound before each race.

7.3(10) Lure operator.

a. The lure operator shall operate the lure in a smooth, uniform, and consistent manner so as not to impede or otherwise disrupt the running of the race.

b. The lure operator shall ensure that the distance between the lure and lead greyhound is consistent with the distance prescribed by the stewards.

c. The lure operator shall take into consideration the location on the course and the prevailing weather conditions to maintain the appropriate distance of the lure from the lead greyhound.

d. The lure operator shall be held accountable by the stewards for the lure's operation.

e. The lure operator shall determine that the lure is in good operating condition and shall immediately report to the stewards any circumstance that may prevent the normal, consistent operation of the lure.

7.3(11) Brakeman.

a. Prior to the running of each race, the brakeman shall:

b. The brakeman shall ensure that the arm has retracted and stop the lure in a safe and consistent manner after each race is finished.

7.3(12) Photo finish operator/timer.

a. The photo finish operator/timer shall maintain the photo finish and timing equipment in proper working order and shall photograph each race.

b. The photo finish operator/timer shall be responsible for and declare the official time of each race. The time of the race shall be taken from the opening of the doors of the starting box.

c. The timer shall use the time shown on the timing device as the official time of the race if the timer is satisfied that the timing device is functioning properly; otherwise, the timer shall use the time recorded manually with a stopwatch.

7.3(13) Starter.

a. The starter shall give orders and take measures not in conflict with commission rules necessary to secure a fair start. There shall be no start until, and no recall after, the doors of the starting box have opened except under subrules 7.12(10) and 7.12(11).

b. The starter shall report causes of delay to the stewards.

7.3(14) Patrol judge.

a. The patrol judge shall supervise the lead-outs and greyhounds from paddock to post.

7.3(15) Kennel master.

a. The kennel master shall unlock the prerace lock-out kennels immediately before weigh-in to inspect that the lock-out kennels are in proper working order and that nothing has been deposited in any of the lock-out crates.

b. The kennel master or designee must receive the greyhounds from the trainer, one at a time, and ensure that each greyhound is placed in its lock-out crate and continue to ensure the security of the lock-out area from weigh-in until the time when greyhounds are removed for the last race of a performance.

c. The kennel master shall, on a daily basis, ensure that the lock-out kennels are sprayed, disinfected, maintained in proper sanitary condition, and at an appropriate temperature and climate.

7.4(3) Lead-outs must handle the greyhounds in a humane manner, put the assigned greyhound in its proper box before the race, and then retire to their designated post during the running of the race.

7.4(4) Lead-outs are prohibited from holding any conversation with the public or with one another en route to the starting box or while returning to the paddock.

7.4(5) Lead-outs shall be attired in clean uniforms, present a neat appearance, and conduct themselves in an orderly manner.

491—7.5(99D) Trainers and assistant trainers.

7.5(1) A trainer shall prevent the administration of any drug, medication, or other prohibited substance that may cause a violation of commission rules. The trainer is responsible for the condition of a greyhound entered in an official race and, in the absence of substantial evidence to the contrary, is responsible for the presence of any prohibited drug, medication, or other substance, regardless of the acts of third parties. A positive test for a prohibited drug, medication, or substance, as reported by a commission-approved laboratory, is prima facie evidence of a violation of this rule or Iowa Code chapter 99D.

7.5(2) Other responsibilities. A trainer is responsible for:

a. Ensuring that the kennel and primary enclosures are cleaned and sanitized as may be necessary to reduce disease hazards and odors. Runs and exercise areas having gravel or other nonpermanent surface materials shall be sanitized by periodic removal of soiled materials, application of suitable disinfectants, and replacement with clean surface materials.

b. Ensuring that fire prevention rules are strictly observed in the assigned area.

c. Providing a list to the state steward(s) of the trainer's employees in any area under the jurisdiction of the commission. The list shall include each employee's name, occupation, social security number, and occupational license number. The commission shall be notified by the trainer, in writing, within 24 hours of any change.

d. Ensuring the proper identity, custody, care, health, condition, and safety of greyhounds in the trainer's charge.

e. Disclosure to the racing secretary of the true and entire ownership of each greyhound in the trainer's care, custody, or control. Any change in ownership shall be reported immediately to the racing secretary. The disclosure, together with all written agreements and affidavits setting out oral agreements pertaining to the ownership for or rights in and to a greyhound, shall be attached to the registration certificate for the greyhound and filed with the racing secretary.

f. Ensuring that greyhounds under the trainer's care have a completed Bertillion card on file with the paddock judge prior to being entered for official schooling or official races.

g. Ensuring that greyhounds under the trainer's care have not been trained using a live lure or live bait.

h. Using the services of those veterinarians licensed by the commission to attend greyhounds that are kenneled on facility premises. If necessary to remove a greyhound from facility premises for veterinary services, the trainer must provide, upon request, the records required in 7.14(4) "c."

i. Promptly reporting to the stewards and the commission veterinarian the serious illness of any greyhound in the trainer's charge.

j. Promptly reporting the death of any greyhound in the trainer's care on facility premises to the stewards, owner, and the commission veterinarian and complying with the rules on postmortem examination set forth in paragraph 7.3(3) "g."

k. Immediately reporting to the stewards and the commission veterinarian if the trainer knows, or has cause to believe, that a greyhound in the trainer's custody, care, or control has received any prohibited drugs or medication.

l. Having the trainer's greyhound at weigh-in promptly at the time appointed. If not, the greyhound may be scratched and the trainer may be subject to disciplinary action.

m. When a trainer is to be absent 24 hours or more from the kennel or premises where greyhounds are racing, the trainer shall provide a licensed trainer or assistant trainer to assume complete responsibility for all greyhounds under the trainer's care, and both shall sign a "trainer's responsibility form" which must be approved by the stewards.

7.5(3) Assistant trainers.

a. Upon the demonstration of a valid need, a trainer may employ an assistant trainer as approved by the stewards.

b. An assistant trainer may substitute for and shall assume the same duties, responsibilities, and restrictions as imposed on the licensed trainer. The trainer shall be jointly responsible for the assistant trainer's compliance with commission rules.

491—7.6(99D) Registration.

7.6(1) No greyhound shall be entered or permitted to race or to be schooled at any facility unless properly tattooed and registered by the NGA and, if applicable, its last four past-performance lines are made available to the racing secretary. The NGA shall be recognized as the official breeding registry of all greyhounds.

7.6(2) A certificate of registration for each greyhound shall be filed with the racing secretary at the racetrack where the greyhound is to be schooled, entered, or raced. All certificates of registration must be available at all times for inspection by the stewards.

7.6(3) All transfers of any title to a leasehold or other interest in greyhounds schooled, entered, or raced at any facility shall be registered and recorded with the NGA.

7.6(4) No title or other interest in any greyhound will be recognized by the commission until the title or other interest is evidenced by written instrument duly filed with and recorded by the NGA. Certified copies of the written instrument shall be filed with the racing secretary at the facility where the greyhound is to be schooled, entered, or raced, and, upon request, with the commission. When a greyhound is leased, the lessee of the greyhound shall file a copy of the lease agreement with the racing secretary and, upon request, with the commission. The lease agreement shall include:

- a. The name of the greyhound.
- b. The name and address of the owner.
- c. The name and address of the lessee.
- d. The kennel name, if any, of each party.
- e. The terms of the lease.

7.6(5) Whenever a greyhound, or any interest in a greyhound, is sold or transferred, a copy of the NGA transfer of ownership documents must be filed with the racing secretary, who must forward it to the commission upon request.

7.6(6) When a greyhound is sold with engagements, or any part of them, the written acknowledgment of both parties that the greyhound was sold with the engagements is necessary to entitle the seller or buyer to any rights or obligations set forth in the transaction. If certain engagements are specified, only those are sold with the greyhound. When the greyhound is sold by public auction, the advertised conditions of the sale are sufficient evidence and, if certain engagements are specified, only those are sold with the greyhound.

7.6(7) Vaccination certificates.

a. All NGA certificates must be accompanied by a current valid vaccination certificate for rabies and other diseases as determined by the commission veterinarian and administrator. This certificate must indicate vaccination by a duly licensed veterinarian against such diseases. The criteria for vaccination will be disclosed seven days before the opening of each racing season and will be subject to continuing review. The criteria may be revised at any time and in any manner deemed appropriate by the commission veterinarian and the administrator.

b. Upon expiration of a vaccination certificate, the greyhound must be removed from the premises immediately.

491—7.7(99D) Entries.

7.7(1) Persons entering greyhounds to run at a facility agree in so doing to accept the decision of the stewards on any questions relating to a race or racing.

7.7(2) Every entry for a race must be in the name of the registered owner, lessee, or a kennel name and may be made in person, in writing, by telephone, or by fax. The full name of every person having an ownership in a greyhound, accepting the trainer's percentage, or having any interest in its winnings must be registered with the racing secretary before the greyhound starts at any meeting.

7.7(3) A greyhound shall not be qualified to run in any race unless it has been, and continues to be, duly entered for the same. A greyhound eligible at the time of entry shall continue to be qualified unless the conditions of a race specify otherwise or the greyhound is disqualified by violation of commission rules. A greyhound must be eligible at the time of the start to be qualified for an overnight event.

7.7(4) The entrance to a race shall be free unless otherwise stipulated in its conditions. If the conditions require an entrance fee, it must accompany the entry or the greyhound shall be considered ineligible.

- a.* A person entering a greyhound becomes liable for the entrance money or stake.
- b.* A greyhound shall not become a starter for a race unless any stake or entrance money required for that race has been duly paid.
- c.* Entrance money is not refunded on the death or withdrawal of a greyhound, because of a mistake in its entry if the greyhound is ineligible, or the greyhound's failure to start.
- d.* If the racing secretary should allow a greyhound to start in a race without its entrance money or stake having been paid, the facility shall be liable for the entrance money or stake.
- e.* If a race is not run, all stakes or entrance money shall be refunded.
- f.* No entry, or right of entry under it, shall become void upon the death of the person who entered the greyhound.

7.7(5) The entrance money required for a race shall be distributed as provided in the conditions of the race.

7.7(6) Any person having an interest in a greyhound that is less than the interest or property of any other person is not entitled to assume any of the rights or duties of an owner as provided by commission rules, including but not limited to the right of entry and declaration.

7.7(7) Joint subscriptions and entries may be made by any one or more of the owners. However, all partners shall be jointly and severally liable for all fees and forfeits.

7.7(8) The racing officials shall have the right to call on any person in whose name a greyhound is entered to produce proof that the greyhound entered is not the property, either wholly or in part, of any person who is disqualified or to produce proof as to the extent of interest or property a person holds in the greyhound. The greyhound shall be considered ineligible if such proof is not provided.

7.7(9) No greyhound shall be permitted to start that has not been fully identified.

7.7(10) Any person who knowingly attempts to establish the identity of a greyhound or its ownership shall be held accountable the same as the owner and shall be subject to the same penalty in case of fraud or attempted fraud.

7.7(11) No disqualified greyhound shall be allowed to enter or to start in any race. A greyhound will be considered disqualified if the greyhound is:

- a.* Owned in whole or in part or is under the control, directly or indirectly, of a disqualified person.
- b.* Not conditioned by a licensed trainer.
- c.* On the schooling list or the veterinarian's list.
- d.* A female greyhound in season or lactating.
- e.* Disqualified by any other commission rule.

7.7(12) Entries that have closed shall be compiled and conspicuously posted without delay by the racing secretary.

a. Entries for stakes races shall close at the time advertised and no entry shall be accepted after that time.

b. In the absence of notice to the contrary, entrance and withdrawals for stakes races which close during or on the eve of a race meeting shall close at the office of the racing secretary who shall make provisions therefor. Closing for stakes races at all other times shall be at the office of the facility.

7.7(13) No alteration shall be made in any entry after closing of entries, but an error may be corrected.

7.7(14) No trainer or owner shall have more than two greyhounds in any race except in stakes or sweepstakes races. No double entries shall be allowed until all single interests eligible for the performance are used and double entries shall be uncoupled for wagering purposes. Double entries shall be prohibited in all twin trifecta and tri-super races.

7.7(15) No greyhound under the age of 16 months shall be eligible to enter or race.

7.7(16) The facility shall have the right to withdraw or change any unclosed race. In the event the number of entries to any stakes race is in excess of the number of greyhounds that may, because of track limitations, be permitted to start, the starters for the race shall be determined by the racing secretary, in accordance with the conditions of the race.

7.7(17) No greyhound that has been trained using a live lure or live bait shall be entered to race at a facility in the state of Iowa.

7.7(18) The starting post position of greyhounds shall be assigned by lot or drawing supervised by the racing secretary at a time and place properly posted in the paddock, at least one day prior to the running of the races so that any and all owners, trainers, or authorized agents interested may be present if they so desire.

491—7.8(99D) Withdrawals and scratches.

7.8(1) The withdrawal of a greyhound from an engagement is irrevocable.

7.8(2) Withdrawals from sweepstakes shall be made to the racing secretary in the same manner as for making entries. The racing secretary shall record the day and hour of receipt and give early publicity thereto.

7.8(3) Withdrawals from official races must be made by the owner, trainer, or authorized agent to the racing secretary or assistant racing secretary at least one-half hour before the time designated for the drawing of post positions on the day prior to the day on which the greyhound is to race, or at the time the racing secretary may appoint.

7.8(4) Any greyhound that is withdrawn from a race after the overnight entries are closed shall be deemed a scratch. Such a greyhound shall lose all preference accrued up to that date unless excused by the stewards.

a. In order to scratch a greyhound entered in a race, sufficient cause must be given to satisfy the stewards, and the cause must be reported immediately.

b. Any scratches that occur as the result of a violation of a commission rule must carry a penalty, or a suspension of the greyhound for a period of six racing days, or both. Scratches for other causes shall be disciplined at the discretion of the stewards.

c. If any owner or trainer fails to have the greyhound entered at the appointed time for weigh in and as a result the greyhound is scratched, the stewards shall impose a fine, suspension, or both, on the person or persons responsible.

d. The stewards may for sufficient cause scratch a greyhound entered in a race.

7.8(5) All greyhounds scratched from a race because of overweight or underweight shall receive a suspension of six racing days and must school back before starting in an official race. Greyhounds so scratched may school during their suspension.

491—7.9(99D) Weights and weighing.

7.9(1) All greyhounds must be weighed, under supervision of a majority of the stewards, not less than one hour before the time of the first race of the performance, unless prior permission is granted by the state steward.

7.9(2) The weigh-in time shall be limited to a 30-minute period unless an extension has been granted by a state steward.

7.9(3) Before a greyhound is allowed to school or race at any track, the owner or trainer must establish the racing weight of each greyhound with the clerk of scales.

7.9(4) At weigh-in time, should there be a variation of more than one and one-half pounds either way from the greyhound's established weight, the stewards shall order the greyhound scratched.

7.9(5) If, at weigh-in time, there should be more than two pounds of variation between the weight of the greyhound's present race and the weight at weigh-in time of the greyhound's last race, the stewards shall order the greyhound scratched.

7.9(6) At weigh-out time, if a greyhound loses weight in excess of two pounds from its weigh-in weight while in the lock-out kennels, the stewards shall order the greyhound scratched. However, if, in the opinion of the veterinarian, the loss of weight while in the lock-out kennels does not impair the racing condition of the greyhound, the stewards may allow the greyhound to race.

7.9(7) The weight regulations provided in subrules 7.9(1) through 7.9(6) shall be printed in the daily program.

7.9(8) The established racing weight may be changed upon written request of the kennel owner or trainer and written consent of the stewards, provided the change is made four calendar days before the greyhound is allowed to race at the new weight.

a. All greyhounds having an established weight change of more than one pound must be schooled at least once, or more at the discretion of the stewards, at the new established weight before being eligible for entry.

b. Greyhounds that have not raced or schooled officially for a period of three weeks will be allowed to establish a new racing weight with the consent of the stewards.

7.9(9) The stewards shall have the privilege of weighing a greyhound entered in a race at any period from the time it enters the lock-out kennel until post time.

7.9(10) Immediately after being weighed in, the greyhounds shall be placed in lock-out kennels under the supervision of the paddock judge, and no owner or other person except racing officials, commission representatives, or lead-outs shall be allowed in or near the lock-out kennels.

491—7.10(99D) Qualifying time.

7.10(1) Each facility shall establish and notify the state steward of the qualifying times to be in effect during the racing meet. Said notification must be made at least three days before the first day of official racing.

7.10(2) The qualifying time shall be posted on the notice board at the track.

7.10(3) Any change in the qualifying time during the course of the meeting shall be made only with the approval of the board of stewards.

7.10(4) Any greyhound that fails to meet the established qualifying time shall not be permitted to start other than in futurity or stakes races.

491—7.11(99D) Schooling.

7.11(1) Greyhounds must be schooled in the presence of the stewards, or must, in the opinion of the stewards, be sufficiently experienced before they can be entered or started.

7.11(2) All schooling races shall be at a distance not less than 3/16 mile and wagering will not be allowed.

7.11(3) Any greyhound that has not raced on site for a period of 10 racing days or 15 calendar days, whichever is less, or has been placed on the veterinarian's list shall be officially schooled at least once at its racing weight before being eligible for entry. Any greyhound that has not raced for a period of 30 calendar days shall be officially schooled at its racing weight at least twice before being eligible for entry.

7.11(4) Each official schooling race must consist of at least six greyhounds. However, if this condition creates a hardship, less than six may be schooled with the permission of the state steward.

7.11(5) No hand schooling will be considered official.

7.11(6) All greyhounds in official schooling races must be raced at their established racing weight and started from the box wearing muzzles and blankets.

7.11(7) Any greyhound may be ordered on the schooling list by the stewards at any time for good cause and must be schooled officially and satisfactorily before being allowed to enter an official race.

491—7.12(99D) Running of the race.

7.12(1) When two or more greyhounds run a dead heat, all prizes and moneys to which the greyhounds would have been entitled shall be divided equally between them.

7.12(2) If a greyhound bolts the course, runs in the opposite direction, or does not run the entire prescribed distance for the race, it shall forfeit all rights in the race and, no matter where it finished, the stewards shall declare the finish of the race the same as if it were not a contender. However, for the purpose of this rule, the greyhound shall be considered to have started the race.

7.12(3) If a greyhound bolts the course, or runs in the opposite direction during the running of the race, and in so doing, in the opinion of the stewards, interfered with any other greyhound in the race,

the stewards shall declare a “No Race” and all moneys wagered shall be refunded, except when, in the opinion of the stewards, the interference clearly did not interfere with the outcome of the race.

7.12(4) If it appears that a greyhound may interfere with the running of the race because of failure to leave the box, an accident, or for any other reason, any lead-out or racing official stationed around the track may remove the greyhound from the track. However, for the purpose of this rule, the greyhound shall be considered to have started the race.

7.12(5) All greyhounds must wear the regulation muzzle and blanket while racing.

7.12(6) All greyhounds must be exhibited in the show paddock before post time of the race in which they are entered.

7.12(7) A race shall not be called official unless the lure is in advance of the greyhounds at all times during the race. If at any time during the race a greyhound catches or passes the lure, the stewards shall declare a “No Race” and all moneys wagered shall be refunded.

7.12(8) The stewards shall closely observe the operation of the lure and hold the lure operator to strict accountability for any inconsistency of operation.

7.12(9) If a greyhound is left in the box when the doors of the starting box open at the start, there shall be no refund.

7.12(10) A false start, due to any faulty action of the starting box, break in the machinery, or other cause, is void, and the greyhounds may be started again as soon as practicable, or the race may be declared a “No Race.”

7.12(11) After a greyhound has been placed in the starting box, no refund shall be made and all wagers shall stand. In case of mechanical failure with the starting box, the greyhounds shall be removed from the starting box. The stewards shall determine whether the race will be declared a “No Race” and all moneys wagered be refunded or whether to allow the race to be run after the malfunction has been repaired.

7.12(12) The decision as to whether the greyhound(s) was prevented from starting by a mechanical failure shall be made by the stewards after consultation with the starter.

7.12(13) If a race is marred by jams, spills, or racing circumstances other than accident to the machinery while a race is being run, and three or more greyhounds finish, the stewards shall declare the race finished; but if fewer than three greyhounds finish the stewards shall declare a “No Race” and all moneys wagered shall be refunded.

7.12(14) In the event the lure arm is not fully extended or fails to remain fully extended during the running of the race, the stewards may declare a “No Race” if, in their opinion, the position of the lure arm affected the outcome of the race. In the event the lure arm collapses to the rail during the running of the race, the stewards shall declare a “No Race” and all moneys wagered shall be refunded.

7.12(15) Any act of the owner, trainer, or handler of a greyhound that would tend to prevent the greyhound from running its best and winning if possible shall result in suspension of all persons found guilty of complicity.

491—7.13(99D) Race reckless/interfered/ruled off.

7.13(1) *Race reckless.* It is the steward’s discretion for the first offense on a maiden as to whether the maiden interfered or raced reckless. It will not be mandatory that a first offense on a maiden be raced reckless.

7.13(2) *Interfered.*

a. Maidens or graded greyhounds coming into Iowa with an interference line from another state will be ruled off all Iowa tracks at the time of the first offense in Iowa.

b. Graded greyhounds will be given an interference ticket at the time of their first offense and will be required to school back to stewards’ satisfaction.

c. First offense interference greyhounds will be deleted from the master interference list after one year has elapsed.

7.13(3) *Ruled off.*

a. For a second interference, a greyhound is ruled off all Iowa tracks.

b. The stewards may rule off a greyhound after the first incident of interference if they determine the greyhound's continued participation in racing jeopardizes the safety of the greyhounds it competes against.

c. Once a greyhound has been ruled off in the state of Iowa, it can not for any reason be entered to race in Iowa again.

491—7.14(99D) Medication and administration, sample collection, chemists, and practicing veterinarians.

7.14(1) Medication and administration.

a. No greyhound, while participating in a race, shall carry in its body any medication, drug, foreign substance, or metabolic derivative thereof.

b. Also prohibited are any drugs or foreign substances that might mask or screen the presence of the prohibited drugs or prevent or delay testing procedures.

c. Proof of detection by the commission chemist of the presence of a medication, drug, foreign substance, or metabolic derivative thereof, prohibited by paragraph 7.14(1) "a" or "b," in a saliva, urine, or blood specimen duly taken under the supervision of the commission veterinarian from a greyhound immediately prior to or promptly after running in a race shall be prima facie evidence that the greyhound was administered, with the intent that it would carry or that it did carry, prohibited medication, drug, or foreign substance in its body while running in a race in violation of this rule.

d. No person other than a licensed veterinarian shall administer, cause to be administered, participate, or attempt to participate in any way in the administration to a greyhound registered for racing any medication, drug, or foreign substance prior to a race on the day of the race for which a greyhound is entered.

e. Any such person found to have administered or caused, participated, or attempted to participate in any way in the administration of, a medication, drug, or foreign substance which caused or could have caused a violation of this rule shall be subject to disciplinary action.

f. The owner, trainer, kennel helper, or any other person having charge, custody, or care of the greyhound is obligated to protect the greyhound and guard it against the administration or attempted administration of any medication, drug, or foreign substance. If the stewards find that any person has failed to show proper protection and guarding of the greyhound, or if the stewards find that any owner, lessee, or trainer is guilty of negligence, they shall impose discipline and take other action they deem proper under any of the rules of the commission.

7.14(2) Sample collection.

a. Under the supervision of the commission veterinarian, urine, blood, and other specimens shall be taken and tested from any greyhounds that the stewards of the meeting, commission veterinarian, or the commission's representatives may designate. The specimens shall be collected by the commission veterinarian or other person(s) the commission may designate.

b. No unauthorized person shall be admitted at any time to the building or the area utilized for the purpose of collecting the required body fluid samples or the area designated for the retention of greyhounds pending the obtaining of body fluid samples.

c. During the taking of specimens from a greyhound, the owner, trainer, or kennel representative designated by the owner or trainer may be present and witness the taking of the specimen and so signify in writing. Failure to be present and witness the collection of the samples constitutes a waiver by the owner, trainer, or kennel representative of any objections to the source and documentation of the sample.

d. A security guard must be in attendance during the hours designated by the commission.

e. The commission veterinarian, the board of stewards, agents of the division of criminal investigation, or the authorized representatives of the commission may take samples of any medicine or other materials suspected of containing improper medication, drugs, or other substance which could affect the racing condition of a greyhound in a race, which may be found in kennels or elsewhere on facility premises or in the possession of any person connected with racing, and the same shall be delivered to the official chemist for analysis.

f. Nothing in this rule shall be construed to prevent:

(1) Any greyhound in any race from being subjected by the order of a steward or the commission veterinarian to tests of body fluid samples for the purpose of determining the presence of any foreign substance.

(2) The state steward or the commission veterinarian from authorizing the splitting of any sample.

(3) The commission veterinarian from requiring body fluid samples to be stored in a frozen state for future analysis.

7.14(3) *Chemist.*

a. Tests are to be under the supervision of the commission, which shall employ one or more chemists or contract with one or more qualified chemical laboratories to determine by chemical testing and analysis of body fluid samples whether a foreign substance, medication, drug, or metabolic derivative thereof is present.

b. All body fluid samples taken by or under direction of the commission veterinarian or authorized representative of the commission shall be delivered to the laboratory of the official chemist for analysis. Each sample shall be marked or numbered and bear information essential to its proper analysis; but the identity of the greyhound from which the specimen was taken or the identity of its owners, trainer, or kennel shall not be revealed to the official chemist or the staff of the chemist. The container of each sample shall be sealed as soon as the sample is placed therein.

c. The commission chemist shall be responsible for safeguarding and testing each sample delivered to the laboratory by the commission veterinarian.

d. The commission chemist shall conduct individual tests on each sample, screening for prohibited substances and conducting other tests to detect and identify any suspected prohibited substance or metabolic derivative thereof with specificity. Pooling of samples shall be permitted only with the knowledge and approval of the administrator.

e. Upon the finding of a test negative for prohibited substances, the remaining portions of the sample may be discarded. Upon the finding of tests suspicious or positive for prohibited substances, the tests shall be reconfirmed, and the remaining portion of the sample, if available, preserved and protected for two years following close of meet.

f. The commission chemist shall submit to the commission a written report as to each sample tested, indicating by sample tag identification number, whether the sample tested negative or positive for prohibited substances. The commission chemist shall report test findings to no person other than the administrator or commission representative. In addition to the administrator, the commission chemist shall notify the state steward of all positive tests. In the event the commission chemist should find a sample suspicious for a prohibited medication, additional time for test analysis and confirmation may be requested.

g. In reporting to the administrator or state steward a finding of a test positive for a prohibited substance, the commission chemist shall present documentary or demonstrative evidence acceptable in the scientific community and admissible in court in support of the professional opinion as to the positive finding.

h. No action shall be taken by the administrator or state steward on the report of the official chemist unless and until the medication, drug, or other substance and the greyhound from which the sample was taken have been properly identified and until an official report signed by the chemist has been received by the administrator or state steward.

i. The cost of the testing and analysis shall be paid by the commission to the official chemist. The commission shall then be reimbursed by each facility on a per-sample basis so that each facility shall bear only its proportion of the total cost of testing and analysis. The commission may first receive payment from funds provided in Iowa Code chapter 99D, if available.

7.14(4) *Practicing veterinarian.*

a. Prohibited acts.

(1) A licensed veterinarian practicing at any meeting is prohibited from possessing any ownership, directly or indirectly, in any racing animal racing during the meeting.

(2) Veterinarians licensed by the commission as veterinarians are prohibited from placing any wager of money or other thing of value directly or indirectly on the outcome of any race conducted at the meeting at which the veterinarian is furnishing professional service.

(3) No veterinarian shall within the facility premises furnish, sell, or loan any hypodermic syringe, needle, or other injection device, or any drug, narcotic, or prohibited substance to any other person unless with written permission of the stewards.

b. Whenever a veterinarian has used a hypodermic needle or syringe, the veterinarian shall destroy the needle and syringe and remove it from the facility. The use of other than single-use disposable syringes and infusion tubes on facility premises is prohibited.

c. Every practicing veterinarian licensed by the commission shall keep, on the premises of a facility, a written record of practice relating to greyhounds participating in racing.

(1) This record shall include the name of the greyhound treated, the nature of the greyhound's ailment, the type of treatment prescribed and performed for the greyhound, and the date and time of treatment.

(2) This record shall be kept for practice engaged in at all facilities in the state of Iowa and shall be produced without delay upon the request of the board of stewards or the commission veterinarian.

d. Each veterinarian shall report immediately to the commission veterinarian any illness presenting unusual or unknown symptoms in a racing animal entrusted into the veterinarian's care.

e. Practicing veterinarians may have employees licensed as veterinary assistants working under their direct supervision. Activities of these employees shall not include direct treatment or diagnosis of any animal. The practicing veterinarian must be present if a veterinary assistant is to have access to injection devices or injectables. The practicing veterinarian shall assume all responsibility for a veterinary assistant.

These rules are intended to implement Iowa Code chapter 99D.

491—8.2(99D) General.

8.2(1) *Wagering.* Each facility shall conduct wagering in accordance with applicable laws and these rules. Such wagering shall employ a pari-mutuel system approved by the commission. The totalizator shall be tested prior to and during the meeting as required by the commission. Annually, the facility shall have an external audit, approved by the administrator, of the totalizator system. All systems of wagering other than pari-mutuel, such as bookmaking and auction-pool selling, are prohibited, and any person attempting to participate in prohibited wagering shall be ejected or excluded from facility grounds.

8.2(2) *Records.* The facility shall maintain records of all wagering so the commission may review such records for any contest including the opening line, subsequent odds fluctuation, the amount and at which window wagers were placed on any betting interest and such other information as may be required. Such wagering records shall be retained by each facility and safeguarded for a period of time specified by the commission. The commission may require that certain of these records be made available to the wagering public at the completion of each contest.

The facility shall provide the commission with a list of the licensed individuals afforded access to pari-mutuel records and equipment at the wagering facility.

8.2(3) *Pari-mutuel tickets.* A pari-mutuel ticket is evidence of a contribution to the pari-mutuel pool operated by the facility and is evidence of the obligation of the facility to pay to the holder thereof such portion of the distributable amount of the pari-mutuel pool as is represented by such valid pari-mutuel ticket. The facility shall cash all valid winning tickets when such are presented for payment during the course of the meeting where sold and for a specified period after the last day of the meeting as provided in paragraph 8.2(4) "g."

a. To be deemed a valid pari-mutuel ticket, such ticket shall have been issued by a pari-mutuel ticket machine operated by the facility and recorded as a ticket entitled to a share of the pari-mutuel pool and contain imprinted information as to:

- (1) The name of the facility operating the meeting.
- (2) A unique identifying number or code.
- (3) Identification of the terminal at which the ticket was issued.
- (4) A designation of the performance for which the wagering transaction was issued.
- (5) The contest number for which the pool is conducted.
- (6) The type(s) of wagers represented.
- (7) The number(s) representing the betting interests for which the wager is recorded.
- (8) The amount(s) of the contributions to the pari-mutuel pool or pools for which the ticket is evidence.

b. No pari-mutuel ticket recorded or reported as previously paid, canceled, or nonexistent shall be deemed a valid pari-mutuel ticket by the facility. The facility may withhold payment and refuse to cash any pari-mutuel ticket deemed not valid, except as provided in paragraph 8.2(4) "e."

8.2(4) *Pari-mutuel ticket sales.*

a. Pari-mutuel tickets shall not be sold by anyone other than a facility licensed to conduct pari-mutuel wagering.

b. No pari-mutuel ticket may be sold on a contest for which wagering has already been closed, and no facility shall be responsible for ticket sales entered into but not completed by issuance of a ticket before the totalizator is closed for wagering on such contest.

c. Claims pertaining to a mistake on an issued or unissued ticket must be made by the bettor prior to leaving the seller's window.

d. Payment on winning pari-mutuel wagers shall be made on the basis of the order of finish as purposely posted and declared "official." Any subsequent change in the order of finish or award of purse money(s) as may result from a subsequent ruling by the stewards or administrator shall in no way affect the pari-mutuel payoff. If an error in the posted order of finish or payoff figures is discovered, the official order of finish or payoff prices may be corrected and an announcement concerning the change shall be made to the public.

e. The facility shall not satisfy claims on lost, mutilated, or altered pari-mutuel tickets without authorization from the administrator.

f. The facility shall have no obligation to enter a wager into a betting pool if unable to do so due to equipment failure.

g. Payment on valid pari-mutuel tickets shall be made only upon presentation and surrender to the facility where the wager was made within 60 days following the close of the meeting during which the wager was made. Failure to present any such ticket within 60 days shall constitute a waiver of the right to receive payment.

8.2(5) *Advance performance wagering.* No facility shall permit wagering to begin more than one hour before scheduled post time of the first contest of a performance unless it has first obtained the authorization of the administrator.

8.2(6) *Claims for payment from pari-mutuel pool.* At a designated location, a written, verified claim for payment from a pari-mutuel pool shall be accepted by the facility in any case where the facility has withheld payment or has refused to cash a pari-mutuel wager. The claim shall be made on such form as approved by the administrator, and the claimant shall make such claim under penalty of perjury. The original of such claim shall be forwarded to the administrator within 48 hours.

a. In the case of a claim made for payment of a mutilated pari-mutuel ticket which does not contain the total imprinted elements required in paragraph 8.2(3) “*a*” of these general provisions, the facility shall make a recommendation to accompany the claim forwarded to the administrator as to whether or not the mutilated ticket has sufficient elements to be positively identified as a winning ticket.

b. In the case of a claim made for payment on a pari-mutuel wager, the administrator shall adjudicate the claim and may order payment thereon from the pari-mutuel pool or by the facility, may deny the claim, or may make such other order as the administrator may deem proper.

8.2(7) *Payment for errors.* If an error occurs in the payment amounts for pari-mutuel wagers which are cashed or entitled to be cashed, and as a result of such error the pari-mutuel pool involved in the error is not correctly distributed among winning ticket holders, the following shall apply:

a. Verification is required to show that the amount of the commission, the amount in breakage, and the amount in payoffs are equal to the total gross pool. If the amount of the pool is more than the amount used to calculate the payoff, the underpayment shall be added to the corresponding pool of the next contest. If an underpayment is discovered after the close of the meeting, the underpayment shall be held in an interest-bearing account approved by the administrator until being added, together with accrued interest, to the corresponding pool of the next meet.

b. Any claim not filed with the facility within 30 days, inclusive of the date on which the underpayment was publicly announced, shall be deemed waived, and the facility shall have no further liability therefor.

c. In the event the error results in an overpayment to winning wagers, the facility shall be responsible for such payment.

8.2(8) *Betting explanation.* A summary explanation of pari-mutuel wagering and each type of betting pool offered shall be published in the program for every wagering performance. The rules of racing relative to each type of pari-mutuel pool offered must be prominently displayed on facility grounds and available upon request through facility representatives.

8.2(9) *Display of betting information.*

a. Approximate odds for win pool betting shall be posted on display devices within view of the wagering public and updated at intervals of not more than 90 seconds.

b. The probable payoff or amounts wagered, in total and on each betting interest, for other pools may be displayed to the wagering public at intervals and in a manner approved by the administrator.

c. Official results and payoffs must be displayed upon each contest being declared official.

8.2(10) *Canceled contests.* If a contest is canceled or declared “no contest,” refunds shall be granted on valid wagers in accordance with these rules.

8.2(11) *Refunds.*

a. Notwithstanding other provisions of these rules, refunds of the entire pool shall be made on:

(1) Win pools, exacta pools, and first-half double pools offered in contests in which the number of betting interests has been reduced to fewer than two.

(2) Place pools, quinella pools, trifecta pools, first-half quinella double pools, first-half twin quinella pools, first-half twin trifecta pools, and first-half tri-superfecta pools offered in contests in which the number of betting interests has been reduced to fewer than three.

(3) Show pools, superfecta pools, and first-half twin superfecta pools offered in contests in which the number of betting interests has been reduced to fewer than four.

b. Authorized refunds shall be paid upon presentation and surrender of the affected pari-mutuel ticket.

8.2(12) *Coupled entries and mutuel fields.*

a. Contestants coupled in wagering as a coupled entry or mutuel field shall be considered part of a single betting interest for the purpose of price calculations and distribution of pools. Should any contestant in a coupled entry or mutuel field be officially withdrawn or scratched, the remaining contestants in that coupled entry or mutuel field shall remain valid betting interests and no refunds will be granted. If all contestants within a coupled entry or mutuel field are scratched, then tickets on such betting interests shall be refunded, notwithstanding other provisions of these rules.

b. For the purpose of price calculations only, coupled entries and mutuel fields shall be calculated as a single finisher, using the finishing position of the leading contestant in that coupled entry or mutuel field to determine order of placing. This rule shall apply to all circumstances, including situations involving a dead heat, except as otherwise provided by these rules.

8.2(13) *Pools dependent upon betting interests.* Unless the administrator otherwise provides, at the time the pools are opened for wagering, the facility:

a. May offer win, place, and show wagering on all contests with six or more betting interests.

b. May prohibit show wagering on any contest with five or fewer betting interests scheduled to start.

c. May prohibit place wagering on any contest with four or fewer betting interests scheduled to start.

g. Shall prohibit trifecta wagering on any contest with five or fewer betting interests scheduled to start, or as provided in (1) below:

(1) Cancel trifecta. The stewards have the authority to cancel trifecta wagering at any time they determine an irregular pattern of wagering or determine that the conduct of the race would not be in the interest of the regulation of the pari-mutuel wagering industry or in the public confidence in racing. The stewards may approve smaller fields for trifecta wagering if extraneous circumstances are shown by the facility.

(2) Reserved.

h. May prohibit superfecta wagering on any contest with seven or fewer betting interests scheduled to start.

i. May prohibit twin quinella wagering on any contests with three or fewer betting interests scheduled to start.

l. May prohibit twin superfecta wagering on any contests with seven or fewer betting interests scheduled to start.

8.2(14) *Prior approval required for betting pools.*

a. A facility that desires to offer new forms of wagering must apply in writing to the administrator and receive written approval prior to implementing the new betting pool.

b. The facility may suspend previously approved forms of wagering with the prior approval of the administrator. Any carryover shall be held until the suspended form of wagering is reinstated. A facility may request approval of a form of wagering or separate wagering pool for specific requirements.

8.2(15) *Closing of wagering in a contest.*

a. All wagering shall stop and all pari-mutuel machines shall be locked at post time or at the actual start of the races. Machines shall be automatically locked, unless unusual circumstances dictate that the stewards act differently.

b. The facility shall maintain, in good order, a system approved by the administrator for closing wagering.

8.2(16) *Complaints pertaining to pari-mutuel operations.*

a. When a patron makes a complaint to a facility regarding the mutuel department, the facility shall immediately issue a complaint report, setting out:

- (1) The name of the complainant;
- (2) The nature of the complaint;
- (3) The name of the persons, if any, against whom the complaint was made;
- (4) The date of the complaint;
- (5) The action taken or proposed to be taken, if any, by the facility.

b. The facility shall submit every complaint report to the commission within five days after the complaint was made.

8.2(17) *Facility/vendor employees.* All facility/vendor employees shall report immediately to the administrator any known irregularities or wrongdoings by any person involving pari-mutuel wagering and shall cooperate in subsequent investigations.

8.2(18) *Unrestricted access.* The facility shall permit the commission unrestricted access at all times to its facilities and equipment and to all books, ledgers, accounts, documents and records of the facility that relate to pari-mutuel wagering.

8.2(19) *Totalizator breakdown.* In the event of irreparable breakdown of the totalizator during the wagering on a race, the wagering on that race shall be declared closed and the payoff shall be computed on the sums wagered in each pool up to the time of the breakdown.

8.2(20) *Minimum wager and payoff.* The minimum wager to be accepted by any licensed facility for win, place and show wagering shall be \$2. The minimum payoff on a \$2 wager shall be \$2.20. 8.2(22) *Emergency situations.* In the event of an emergency in connection with the mutuel department not covered in these rules, the pari-mutuel manager representing the facility shall report the problem to the stewards, and the stewards shall render a full report to the administrator or administrator's designee within 48 hours.

8.2(23) *Commission mutuel supervisor.* The commission may employ a mutuel supervisor with accounting experience to serve as the commission's designated representative at each race meeting as provided in Iowa Code section 99D.19. b. Transmission. The method used to transmit sales transaction and data including, but not limited to, the odds, will pay, race results, and payoff prices must be approved by the commission, based upon the determination that provisions to secure the system and transmission are satisfactory.

c. Communication. A communication system between the host track and the receiving facility must be provided which will allow the totalizator operator and the commission representatives at the host track to communicate with the facility receiving the signal. The facility is responsible during the racing program's operating hours for reporting any problems or delays to the public.

d. Approval.

(1) All simulcasting, both interstate and intrastate, must be preapproved by the commission or commission representative. Each facility conducting simulcasting shall submit an annual written simulcast proposal to the commission with the application for license renewal required by 491—Chapter 1.

(2) The commission representative, upon written request, may grant modifications to the annual simulcast proposal. The commission representative may approve or disapprove simulcast requests at the representative's discretion. Factors that may be considered include, but are not limited to, economic conditions of a facility, impact on other facilities, impact on the Iowa breeding industry, other gambling in the state, and any other considerations the commission representative deems appropriate.

(3) Once simulcast authority has been granted by the commission or commission representative, it shall be the affirmative responsibility of the facility granted simulcast authority to obtain all necessary permission from other states and tracks to simulcast the pari-mutuel races. In addition, the burden of adhering to state and federal laws concerning simulcasting rests on the facility at all times.

8.4(2) *Simulcast host.*

a. Every host facility, if requested, may contract with an authorized receiver for the purpose of providing authorized users its simulcast. All contracts governing participation in interstate or intrastate pools shall be submitted to the commission representative for prior approval. Contracts shall be of such content and in such format as required by the commission representative.

b. A host facility is responsible for the content of the simulcast and shall use all reasonable effort to present a simulcast which offers the viewers an exemplary depiction of each performance.

c. Unless otherwise permitted by the commission representative, every simulcast will contain in its video content a digital display of actual time of day, the name of the host facility from which the simulcast originates, the number of the contest being displayed, and any other relevant information available to patrons at the host facility.

d. The host facility shall maintain such security controls, including encryption over its uplink and communications systems, as directed or approved by the commission or commission representative.

e. Financial reports shall be submitted daily or as otherwise directed by the commission representative. Reports shall be of such content and in such format as required by the commission representative.

8.4(3) *Authorized receiver.*

a. An authorized receiver shall provide:

(1) Adequate transmitting and receiving equipment of acceptable broadcast quality which shall not interfere with the closed circuit TV system of the host facility for providing any host facility patron information.

(2) Pari-mutuel terminals, pari-mutuel odds displays, modems and switching units enabling pari-mutuel data transmissions, and data communications between the host and guest facilities.

(3) A voice communication system between each guest facility and the host facility providing timely voice contact among the commission representative, placing judges, and mutuel departments.

b. The guest facility and all authorized receivers shall conduct pari-mutuel wagering pursuant to the applicable commission rules.

c. Not less than 30 minutes prior to the commencement of transmission of the performance of pari-mutuel contests, the guest facility shall initiate a test program of its transmitter, encryption and decoding, and data communication to ensure proper operation of the system.

d. The guest facility shall, in conjunction with the host facility(ies) for which it operates pari-mutuel wagering, provide the commission representative with a certified report of its pari-mutuel operations as directed by the commission representative.

e. Every authorized receiver shall file with the commission an annual report of its simulcast operations and an audited financial statement.

f. The mutuel manager shall notify the commission representative when the transfer of pools, pool totals, or calculations are in question, or if partial or total cancellations occur, and shall suggest alternatives for continued operation. Should loss of video signal occur, wagering may continue with approval from the commission representative.

491—8.5(99D) Interstate common-pool wagering.**8.5(1) *General.***

a. All contracts governing participation in interstate common pools shall be submitted to the commission representative for prior approval. Financial reports shall be submitted daily or as otherwise directed by the commission representative. Contracts and reports shall be of such content and in such format as required by the commission representative.

b. Individual wagering transactions are made at the point of sale in the state where placed. Pari-mutuel pools are combined for computing odds and calculating payoffs but will be held separate for auditing and all other purposes.

c. Any surcharges or withholdings in addition to the takeout shall be applied only in the jurisdiction otherwise imposing such surcharges or withholdings.

d. In determining whether to approve an interstate common pool which does not include the host facility or which includes contests from more than one facility, the commission representative shall consider and may approve use of a bet type which is not utilized at the host facility, application of a takeout rate not in effect at the host facility, or other factors which are presented to the commission representative.

e. The content and format of the visual display of racing and wagering information at facilities in other jurisdictions where wagering is permitted in the interstate common pool need not be identical to the similar information permitted or required to be displayed under these rules.

8.5(2) *Guest state participation in interstate common pools.*

a. With the prior approval of the commission representative, pari-mutuel wagering pools may be combined with corresponding wagering pools in the host state or with corresponding pools established by one or more other jurisdictions.

b. The commission representative may permit adjustment of the takeout from the pari-mutuel pool so that the takeout rate in this jurisdiction is identical to that of the host facility or identical to that of other jurisdictions participating in a merged pool.

- c. When takeout rates in the merged pools are not identical, the net-price calculation shall be the method by which the differing takeout rates are applied.
- d. Rules established in the state of the host facility designated for a pari-mutuel pool shall apply.
- e. The commission representative shall approve agreements made between the facility and other participants in interstate common pools governing the distribution of breakage between the jurisdictions.
- f. If, for any reason, it becomes impossible to successfully merge the bets placed into the interstate common pool, the facility shall make payoffs in accordance with payoff prices that would have been in effect if prices for the pool of bets were calculated without regard to wagers placed elsewhere, except that, with the permission of the commission representative, the facility may alternatively determine either to pay winning tickets at the payoff prices at the host facility or to declare such accepted bets void and make refunds in accordance with the applicable rules.

8.5(3) *Host state participation in merged pools.*

a. With the prior approval of the commission representative, a facility licensed to conduct pari-mutuel wagering may determine that one or more of its contests be utilized for pari-mutuel wagering at guest facilities in other states and may also determine that pari-mutuel pools in guest states be combined with corresponding wagering pools established by it as the host facility or comparable wagering pools established by two or more states.

b. When takeout rates in the merged pool are identical, the net-price calculation shall be the method by which the differing takeout rates are applied.

c. Rules of racing established for races held in this state shall also apply to interstate common pools unless the commission representative specifically determines otherwise.

d. The commission representative shall approve agreements made between the facility and other participants in interstate common pools governing the distribution of breakage between the jurisdictions.

e. Any contract for interstate common pools entered into by the facility shall contain a provision to the effect that if, for any reason, it becomes impossible to successfully merge the bets placed in another state into the interstate common pool formed by the facility or if, for any reason, the commission representative or facility determines that attempting to effect transfer of pool data from the guest state may endanger the facility's wagering pool, the facility shall have no liability for any measure taken which may result in the guest's wagers not being accepted into the pool.

8.5(4) *Takeout rates in interstate common pools.*

a. With the prior approval of the commission representative, a facility wishing to participate in an interstate common pool may change its takeout rate so as to achieve a common takeout rate with all other participants in the interstate common pool.

b. A facility wishing to participate in an interstate common pool may request that the commission representative approve a methodology whereby host facility and guest facility states with different takeout rates for corresponding pari-mutuel pools may effectively and equitably combine wagers from the different states into an interstate common pool.

491—8.6(99D) Advance deposit wagering.

8.6(1) *Authorization to conduct advance deposit wagering.*

a. A licensee may request authorization from the commission to conduct advance deposit wagering pursuant to Iowa Code section 99D.11(6) "c" and these rules. As part of the request, the licensee shall submit a detailed plan of how its advance deposit wagering system would operate. The commission may require changes in a proposed plan of operations as a condition of granting a request. No subsequent changes in the system's operation may occur unless ordered by the commission or until approval is obtained from the commission after it receives a written request.

b. The commission may conduct investigations or inspections or request additional information from the licensee as the commission deems appropriate in determining whether to allow the licensee to conduct advance deposit wagering.

c. The licensee shall establish and manage an advance deposit wagering center.

d. The commission may issue an ADWO license to an entity that enters into an agreement with the commission, the licensee, and the Iowa Horsemen's Benevolent and Protective Association. The terms of any ADWO's license shall include but not be limited to:

(1) Any source market fees and host fees to be paid on any races subject to advance deposit wagering.

(2) An annual ADWO license fee in an amount to be determined by the commission.

(3) Completion of all necessary background investigations.

(4) Acceptance of wagers on live races conducted at the horse racetrack in Polk County from all of its licensee account holders.

(5) A bond or irrevocable letter of credit on behalf of the ADWO to be determined by the commission.

(6) A detailed description and certification of systems and procedures used by the ADWO to validate the identity and age of licensee account holders and to validate the legality of wagers accepted.

(7) Certification of prompt commission access to all records relating to licensee account holder identity and age in hard-copy or standard electronic format acceptable to the commission.

(8) Certification of secure retention of all records related to advance deposit wagering and accounts for a period of not less than three years or such longer period as specified by the commission.

(9) Utilization and communication of pari-mutuel wagers to a pari-mutuel system meeting all requirements for pari-mutuel systems employed by licensed racing facilities in Iowa.

e. Commission access to and use of information concerning advance deposit wager transactions and licensee account holders shall be considered proprietary, and such information shall not be disclosed publicly except as may be required pursuant to statute or court order or except as part of the official record of any proceeding before the commission. This requirement shall not prevent the sharing of this information with other pari-mutuel regulatory authorities or law enforcement agencies for investigative purposes.

f. For each advance deposit wager made for an account by telephone, the licensee or ADWO shall make a voice recording of the entire transaction and shall not accept any such wager if the voice-recording system is inoperable. Voice recordings shall be retained for not less than six months and shall be made available to the commission for investigative purposes.

8.6(2) *Establishing an account.*

a. A person must have an established account in order to place advance deposit wagers. An account may be established in person at the licensee's facility or with the ADWO by mail or electronic means. For establishing an account, the application must be signed or otherwise authorized in a manner acceptable to the commission and shall include the applicant's full legal name, principal residence address, telephone number, and date of birth and any other information required by the commission.

b. Each application submitted will be subject to electronic verification with respect to the applicant's name, principal residence address and date of birth by either a national, independent individual reference service company or by means of a technology which meets or exceeds the reliability, security, accuracy, privacy and timeliness provided by individual reference service companies. An applicant's social security number may be necessary for completion of the verification process and for tax-reporting purposes. If there is a discrepancy between the application submitted and the information provided by the electronic verification or if no information on the applicant is available from such electronic verification, another individual reference service may be accessed or another technology meeting the requirements described above may be used to verify the information provided. If these measures prove unsatisfactory, then the applicant will be contacted and given instructions as to how to resolve the matter.

c. The identity of a licensee account holder must be verified via electronic means or copies of other documents before the licensee account holder may place an advance deposit wager.

d. Each account shall have a unique identifying account number. The identifying account number may be changed at any time by the licensee or ADWO provided that the licensee or ADWO informs the licensee account holder in writing prior to the change.

e. The applicant shall provide the licensee or ADWO with an alpha-numeric code to be used as a secure personal identification code when the licensee account holder is placing an advance deposit wager. The licensee account holder has the right to change this code at any time.

f. The licensee account holder shall receive at the time the account is approved a unique account identification number; a copy of the advance deposit wagering rules and such other information and material pertinent to the operation of the account; and such other information as the licensee, ADWO or commission may deem appropriate.

g. The account is nontransferable.

h. The licensee or ADWO may close or refuse to open an account for what it deems good and sufficient reason and shall order an account closed if it is determined that information used to open an account was false or that the account has been used in violation of these rules or the licensee's or ADWO's terms and conditions.

8.6(3) Operation of an account. The ADWO shall submit operating procedures with respect to licensee account holder accounts for commission approval.

- a. Enter into a business or employment that would be a conflict of interest, interfere with, or conflict with the proper discharge of duties including a business that does business with a facility or a business issued a concession operator's license;

No official appointed to any meeting, except placing judges, may hold more than one official position listed in 10.4(1) unless, in the determination of the stewards or commission, the holding of more than one appointment would not subject the official to a conflict of interest or duties in the two appointments.

10.4(4) Stewards. (For practice and procedure before the stewards and the commission, see 491—Chapter 4.)

- a. *General authority.*

(1) General. The board of stewards for each racing meet shall be responsible to the commission for the conduct of the racing meet in accordance with the laws of this state and the rules adopted by the commission. The stewards shall have authority to regulate and to resolve conflicts or disputes between all other racing officials, licensees, and those persons addressed by 491—paragraph 4.6(5) “e,” which are reasonably related to the conduct of a race or races and to discipline violators of these rules in accordance with the provisions of these rules.

(2) Period of authority. The stewards’ authority as set forth in this subrule shall commence 30 days prior to the beginning of each racing meet and shall terminate 30 days after the end of each racing meet or with the completion of their business pertaining to the meeting.

(3) Attendance. All three stewards shall be present in the stand during the running of each race.

(4) Appointment of substitute. Should any steward be absent at race time, the state steward(s) shall appoint a deputy for the absent steward. If any deputy steward is appointed, the commission shall be notified immediately by the stewards.

(5) Initiate action. The stewards shall take notice of questionable conduct or rule violations, with or without complaint, and shall initiate investigations promptly and render a decision on every objection and every complaint made to them.

(6) General enforcement provisions. Stewards shall enforce the laws of Iowa and the rules of the commission. The laws of Iowa and the rules of racing apply equally during periods of racing. They supersede the conditions of a race and the regulations of a racing meet and, in matters pertaining to racing, the orders of the stewards supersede the orders of the officers of the facility. The decision of the stewards as to the extent of a disqualification of any horse in any race shall be final for purposes of distribution of the pari-mutuel pool. The administrative standard of review for a disqualification decision is abuse of discretion.

b. Other powers and authority.

(1) The stewards shall have the power to interpret the rules and to decide all questions not specifically covered by them.

(2) All questions within their authority shall be determined by a majority of the stewards.

(3) The stewards shall have control over and access to all areas of the facility premises.

(4) The stewards shall have the authority to determine all questions arising with reference to entries and racing. Persons entering horses to run at licensed facilities agree in so doing to accept the decision of the stewards on any questions relating to a race or racing. The stewards, in their sole discretion, are authorized to determine whether two or more individuals or entities are operating as a single financial interest or as separate financial interests. In making this determination, the stewards shall consider all relevant information including, but not limited to, the following:

1. Whether the parties pay bills from and deposit receipts in the same accounts.

2. Whether the parties share resources such as employees, feed, supplies, veterinary and farrier services, exercise and pony riders, tack, and equipment.

3. Whether the parties switch horses or owner/trainer for no apparent reason, other than to avoid restrictions of being treated as a single interest.

4. Whether the parties engage in separate racing operations in other jurisdictions.

5. Whether the parties have claimed horses, or transferred claimed horses after the fact, for the other’s benefit.

6. If owners, whether one owner is paying the expenses for horses not in the owner’s name as owner.

7. If trainers, whether the relationship between the parties is more consistent with that of a trainer and assistant trainer.

(5) The stewards shall have the authority to discipline, for violation of the rules, any person subject to their control and, in their discretion, to impose fines or suspensions or both for infractions.

(6) The stewards shall have the authority to order the exclusion or ejection from all premises and enclosures of the facility any person who is disqualified for corrupt practices on any race course in any country.

(7) The stewards shall have the authority to call for proof that a horse is itself not disqualified in any respect, or nominated by, or, wholly or in part, the property of, a disqualified person. In default of proof being given to their satisfaction, the stewards may declare the horse disqualified.

(8) The stewards shall have the authority at any time to order an examination of any horse entered for a race or which has run in a race.

(9) In order to maintain necessary safety and health conditions and to protect the public confidence in horse racing as a sport, the stewards have the authority to authorize a person(s) on their behalf to enter into or upon the buildings, barns, motor vehicles, trailers, or other places within the premises of a facility, to examine same, and to inspect and examine the person, personal property, and effects of any person within such place, and to seize any illegal articles or any items as evidence found.

(10) The stewards shall maintain a log of all infractions of the rules and of all rulings of the stewards upon matters coming before them during the race meet.

(11) The state stewards must give prior approval for any person other than the commissioners or commission representative to be allowed in the stewards' stand.

c. Emergency authority.

(1) Substitute officials. When in an emergency, any official is unable to discharge the official's duties, the stewards may approve the appointment of a substitute and shall report it immediately to the commission.

(2) Substitute jockeys. The stewards have the authority, in an emergency, to place a substitute jockey on any horse in the event the trainer does not do so. Before using that authority, the stewards shall in good faith attempt to inform the trainer of the emergency and to afford the trainer the opportunity to appoint a substitute jockey. If the trainer cannot be contacted, or if the trainer is contacted but fails to appoint a substitute jockey and inform the stewards of the substitution by 30 minutes prior to post time, then the stewards may appoint under this rule.

(3) Substitute trainer. The stewards have the authority in an emergency to designate a substitute trainer for any horse.

(4) Excuse horse. In case of accident or injury to a horse or any other emergency deemed by the stewards before the start of any race, the stewards may excuse the horse from starting.

(5) Exercise authority. No licensee may exercise a horse on the track between races unless upon the approval of the stewards.

(6) Nonstarter. At the discretion of the stewards, any horse(s) precluded from having a fair start may be declared a nonstarter, and any wagers involving said horse(s) may be ordered refunded.

d. Investigations and decisions.

(1) Investigations. The stewards may, upon direction of the commission, conduct inquiries and shall recommend to the commission the issuance of subpoenas to compel the attendance of witnesses and the production of reports, books, papers, and documents for any inquiry. The commission stewards have the power to administer oaths and examine witnesses. The stewards shall submit a written report to the commission of every such inquiry made by them.

(2) Form reversal. The stewards shall take notice of any marked reversal of form by any horse and shall conduct an inquiry of the horse's owner, trainer, or other persons connected with the horse including any person found to have contributed to the deliberate restraint or impediment of a horse in order to cause it not to win or finish as near as possible to first.

(3) Fouls.

1. Extent of disqualification. Upon any claim of foul submitted to them, the stewards shall determine the extent of any disqualification and place any horse found to be disqualified behind others in the race with which it interfered or may place the offending horse last in the race. The stewards at their discretion may determine if there was sufficient interference or intimidation to affect the outcome of the race and take the appropriate actions thereafter. Abuse of discretion shall be the standard of review used in any appeal involving a steward's disqualification decision.

2. Coupled entry. When a horse is disqualified under 10.4(4) "d"(3)"1" and that horse was a part of a coupled entry and, in the opinion of the stewards, the act which led to the disqualification served to unduly benefit the other part of the coupled entry, the stewards may disqualify the other part of the entry.

3. Jockey guilty of foul. The stewards may discipline any jockey whose horse has been disqualified as a result of a foul committed during the running of a race.

(4) Protests and complaints. The stewards shall investigate promptly and render a decision in every protest and complaint made to them. They shall keep a record of all protests and complaints and any rulings made by the stewards and shall file reports daily with the commission.

1. Involving fraud. Protests involving fraud may be made by any person at any time. The protest must be made to the stewards.

2. Not involving fraud. Protests, except those involving fraud, may be filed only by the owner of a horse, authorized agent, trainer, or the jockey of the horse in the race over which the protest is made. The protest must be made to the clerk of scales, the stewards, or a person designated by the stewards before the race is declared official. If the placement of the starting gate is in error, no protest may be made, unless entered prior to the start of the race.

3. Protest to clerk of scales. A jockey who intends to enter a protest following the running of any race, and before the race is declared official, shall notify the clerk of scales, or a person designated by the stewards, of this intention immediately upon the arrival of the jockey at the scales.

4. Prize money of protested horse. During the time of determination of a protest, any money or prize won by a horse protested or otherwise affected by the outcome of the race shall be paid to and held by the horsemen's bookkeeper until the protest is decided.

5. Protest in writing. A protest, other than one arising out of the actual running of a race, must be in writing, signed by the complainant, and filed with the stewards not later than one hour before post time of the race out of which the protest arises.

6. Frivolous protests. No person shall make a frivolous protest nor may any person withdraw a protest without the permission of the stewards.

e. Cancel wagering. The stewards have the authority to cancel wagering on an individual betting interest or on an entire race and also have the authority to cancel a pari-mutuel pool for a race or races if such action is necessary to protect the integrity of pari-mutuel wagering.

10.4(5) Racing secretary.

a. General authority. The racing secretary is responsible for setting the conditions for each race of the meeting, regulating the nomination of entries, determining the amounts of purses and to whom they are due, and recording of race results. The racing secretary shall permit no person other than licensed racing officials to enter the racing secretary's office or work areas until such time as all entries are closed, drawn, and smoked. Exceptions to this rule must be approved by the stewards.

b. Conditions. The racing secretary shall establish the conditions and eligibility for entering the races of the meeting and cause them to be published to owners, trainers, and the commission. Corrections to the conditions must be made before entries are taken.

c. Posting of entries. Upon the closing of entries each day, the racing secretary shall post a list of entries in a conspicuous location in the office of the racing secretary and shall furnish that list to local newspaper, radio, and television stations.

d. Stakes and entrance money records. The racing secretary shall be caretaker of the permanent records of all stakes, entrance moneys, and arrears paid or due in a race meeting and shall keep permanent records of the results of each race of the meeting.

e. Record of racing. The racing secretary shall, no later than the day following each race, attach or endorse on the registration certificate of each horse winning in any race the fact of that winning performance and the distance, date of the race, and the type or conditions of the race.

f. Daily program. The racing secretary shall publish the official daily program, ensuring the accuracy therein of the following information:

- (1) The sequence of races to be run and post time for the first race;
- (2) The purse, conditions and distance for each race, and current track record for such distance;
- (3) The name of licensed owners of each horse, indicated as leased, if applicable, and description of racing colors to be carried;
- (4) The name of the trainer and the name of the jockey named for each horse together with the weight to be carried;

(5) The post position and saddle cloth number or designation for each horse if there is a variance with the saddle cloth designation;

(6) The identification of each horse by name, color, sex, age, sire and dam; and

(7) Such other information as may be requested by the association or the commission.

g. Handicapping. The racing secretary, or a handicapper assigned by the racing secretary, shall assign the weight to be carried by each horse in a handicap when weights are not stated in the condition of the race:

(1) Scale of weights for age. The scale of weights for age hereinafter listed shall be carried when conditions of races do not otherwise specify:

(4) Sex allowances. In thoroughbred racing, sex allowances are obligatory. Sex allowances shall be applied in all thoroughbred races unless the conditions of the race expressly state to the contrary. If the conditions of the race are silent as to sex allowances, a sex allowance shall be applied. Sex allowances may not be declined. Two-year-old fillies shall be allowed three pounds; mares three years old and older are allowed five pounds before September 1 and three pounds thereafter. Sex allowances are not applicable for quarter horse or mixed races.

h. Penalties not cumulative. Penalties and weight allowances are not cumulative unless so declared in the conditions of a race by the racing secretary.

i. Winnings.

(1) All inclusive. For the purpose of the setting of conditions by the racing secretary, winnings shall be considered to include all moneys and prizes won up to the time of the start of a race, including those races outside the United States. Foreign winnings shall be determined on the basis of the normal rate of exchange prevailing on the day of the win. The amount of purse money earned is credited in United States currency, and there shall be no appeal for any loss on the exchange rate at the time of transfer from United States currency to that of another country.

(2) Winnings considered from January 1. Winnings during the year shall be reckoned by the racing secretary from the preceding January 1.

(3) Winner of a certain sum. "Winner of a certain sum" means the winner of a single race of that sum, unless otherwise expressed in the condition book by the racing secretary. (3) In the event a photo was requested, the placing judges shall cause a photographic print of said finish to be produced. The finish photograph shall, when needed, be used by the placing judges as an aid in determining the correct order of finish.

(4) Upon determination of the correct order of finish of a race in which the placing judges have utilized a photographic print to determine the first four finishers, the placing judges shall cause prints of said photograph to be displayed publicly in the grandstand and clubhouse areas of the facility.

c. Dead heats.

(1) In the event the placing judges determine that two or more horses finished the race simultaneously and cannot be separated as to their order of finish, a dead heat shall, with the approval of the stewards, be declared.

(2) In the event one or more of the first four finishers of a race are involved in a dead heat, the placing judges shall post the dead heat sign on the totalizator board and cause the numbers of the horse or horses involved to blink on the totalizator board.

(4) Absent a prior request, the horsemen’s bookkeeper shall disburse moneys to the persons entitled to receive same within 15 days after the last race day of the race meeting, including purses for official races, provided that all tests with respect to such races have cleared the drug testing laboratory as reported by the stewards, and provided further that no protest or appeal has been filed with the stewards or the commission.

(5) In the event a protest or appeal has been filed with the stewards or the commission, the horsemen’s bookkeeper shall disburse the purse within 48 hours of receipt of dismissal or a final nonappealable order disposing of such protest or appeal.

10.4(17) Commission veterinarians.

a. The veterinarians shall advise the commission and the stewards on all veterinary matters.

b. The commission veterinarians shall have supervision and control of the detention barn for the collection of test samples for the testing of horses for prohibited medication as provided in Iowa Code sections 99D.23(2) and 99D.25(9). The commission may employ persons to assist the commission veterinarians in maintaining the detention barn area and collecting test samples.

c. The commission veterinarians shall not buy or sell any horse under their supervision; wager on a race under their supervision; or be licensed to participate in racing in any other capacity.

d. The stewards or commission veterinarians may request any horse entered in a race to undergo an examination on the day of the race to determine the general fitness of the horse for racing. During the examination, all bandages shall be removed by the groom upon request and the horse may be exercised outside the stall to permit the examiner to determine the condition of the horse’s legs and feet. The examining veterinarian shall report any unsoundness in a horse to the stewards.

e. A commission veterinarian shall inspect all of the horses in a race at the starting gate and after the finish of a race shall observe the horses upon their leaving the track.

f. The commission veterinarian shall place any horse determined to be sick or too unsafe, unsound, or unfit to race on a veterinarian’s list that shall be posted in a conspicuous place available to all owners, trainers, and officials.

g. A horse placed on the veterinarian's list, bleeders exempt, may be allowed to enter only after it has been removed from the list by the commission veterinarian. Requests for the removal of any horse from the veterinarian's list will be accepted only after three calendar days from the placing of the horse on the veterinarian's list have elapsed. Removal from the list will be at the discretion of the commission veterinarian, who may require satisfactory workouts or examinations to adequately demonstrate that the problem that caused the horse to be placed on the list has been rectified. Horses that are entered to race and then placed on the veterinarian's list for any reason will not be allowed to enter a race for a minimum of three calendar days beginning the day after the horse was scheduled to race.

Every confirmed bleeder, regardless of age, shall be placed on the bleeder list and be ineligible to race for the following time periods:

- (1) First incident – 14 days.
- (2) Second incident within 365-day period – 30 days.
- (3) Third incident within 365-day period – 180 days.
- (4) Fourth incident within 365-day period – barred for racing lifetime.

For the purposes of counting the number of days a horse is ineligible to run, the day the horse bled externally is the first day of the recovery period. The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to the initial period of ineligibility specified in subparagraph (1). A horse may be removed from the bleeder list only upon the direction of the official veterinarian, who shall certify in writing to the stewards the recommendation for removal. A horse which has been placed on a bleeder list in another jurisdiction pursuant to these rules shall be placed on a bleeder list in this jurisdiction.

h. The commission veterinarians shall supervise and ensure that the administration of furosemide and phenylbutazone is in compliance with Iowa Code section 99D.25A.

i. Rescinded IAB 9/29/04, effective 11/3/04.

491—10.5(99D) Trainer, jockey, and jockey agent responsibilities.

10.5(1) Trainer.

a. *Responsibility.* The trainer is responsible for:

(1) The condition of horses entered in an official workout or race and, in the absence of substantial evidence to the contrary, for the presence of any prohibited drug, medication or other substance, including permitted medication in excess of the maximum allowable level, in such horses, regardless of the acts of third parties. A positive test for a prohibited drug, medication, or substance, including permitted medication in excess of the maximum allowable level, as reported by a commission-approved laboratory, is prima facie evidence of a violation of this rule or Iowa Code chapter 99D.

(2) Preventing the administration of any drug, medication, or other prohibited substance that may cause a violation of these rules.

(3) Any violation of rules regarding a claimed horse's participation in the race in which the trainer's horse is claimed.

(4) The condition and contents of stalls, tack rooms, feed rooms, sleeping rooms, and other areas which have been assigned to the trainer by the facility and maintaining the assigned stable area in a clean, neat, and sanitary condition at all times.

(5) Ensuring that fire prevention rules are strictly observed in the assigned stable area.

(6) Being present to witness the administration of furosemide during the administration time and sign as the witness on the affidavit form. A licensed designee of the trainer may witness the administration of the furosemide and sign as the witness on the affidavit form; however, this designee may not be another practicing veterinarian or veterinary assistant.

(7) The proper identity, custody, care, health, condition, and safety of horses in the trainer's charge.

(8) Disclosure to the racing secretary of the true and entire ownership of each horse in the trainer's care, custody, or control. Any change in ownership shall be reported immediately to, and approved by,

the stewards and recorded by the racing secretary. The disclosure, together with all written agreements and affidavits setting out oral agreements pertaining to the ownership for or rights in and to a horse, shall be attached to the registration certificate for the horse and filed with the racing secretary.

(9) Training all horses owned wholly or in part by the trainer which are participating at the race meeting.

(10) Registering with the racing secretary each horse in the trainer's charge within 24 hours of the horse's arrival on facility premises.

(11) Ensuring that, at the time of arrival at the facility, each horse in the trainer's care is accompanied by a valid health certificate which shall be filed with the racing secretary.

(12) Having each horse in the trainer's care that is racing or stabled on facility premises tested for equine infectious anemia (EIA) in accordance with state law and for filing evidence of such negative test results with the racing secretary. The test must have been conducted within the previous 12 months and must be repeated upon expiration. The certificate must be attached to the foal certificate.

(13) Using the services of those veterinarians licensed by the commission to attend horses that are on facility premises.

(14) Immediately reporting the alteration of the sex of a horse in the trainer's care to the horse identifier and the racing secretary.

(15) Promptly reporting to the racing secretary and the commission veterinarian any horse on which a posterior digital neurectomy (heel nerving) has been performed and ensuring that such fact is designated on its certificate of registration. See Iowa Code subsections 99D.25(1) to 99D.25(3).

(16) Promptly reporting to the stewards and the commission veterinarian the serious illness of any horse in the trainer's charge.

(17) Promptly reporting the death of any horse in the trainer's care on facility premises to the stewards, owner, and the commission veterinarian and complying with Iowa Code subsection 99D.25(5) governing postmortem examination.

(18) Maintaining a knowledge of the medication record and status of all horses in the trainer's care.

(19) Immediately reporting to the stewards and the commission veterinarian if the trainer knows, or has cause to believe, that a horse in the trainer's custody, care, or control has received any prohibited drugs or medication.

(20) Representing an owner in making entries and scratches and in all other matters pertaining to racing.

(21) Eligibility of horses entered and weight or other allowance claimed.

(22) Ensuring the fitness of a horse to perform creditably at the distance entered.

(23) Ensuring that the trainer's horses are properly shod, bandaged, and equipped.

(24) Presenting the trainer's horse in the paddock at least 20 minutes before post time or at a time otherwise appointed before the race in which the horse is entered.

(25) Personally attending to the trainer's horses in the paddock and supervising the saddling thereof, unless excused by the stewards.

(26) Instructing the jockey to give the jockey's best effort during a race and instructing the jockey that each horse shall be ridden to win.

(27) Witnessing the collection of a urine or blood sample from the horse in the trainer's charge or delegating a licensed employee or the owner of the horse to do so.

(28) Notifying horse owners upon the revocation or suspension of the trainer's license. Upon application by the owner, the stewards may approve the transfer of such horses to the care of another licensed trainer and, upon such approved transfer, such horses may be entered to race.

(29) Ensuring that all individuals in their employ are properly licensed by the commission.

b. Restrictions on wagering. A trainer with a horse(s) entered in a race shall be allowed to wager only on that horse(s) or that horse(s) in combination with other horses.

c. Assistant trainers.

(1) Upon the demonstration of a valid need, a trainer may employ an assistant trainer as approved by the stewards. The assistant trainer shall be licensed prior to acting in such capacity on behalf of the trainer.

(2) Qualifications for obtaining an assistant trainer's license shall be prescribed by the stewards and the commission and may include requirements set forth in 491—Chapter 6.

(3) An assistant trainer may substitute for and shall assume the same duties, responsibilities and restrictions as are imposed on the licensed trainer, in which case the trainer shall be jointly responsible for the assistant trainer's compliance with the rules.

d. Substitute trainers.

(1) A trainer absent for more than five days from responsibility as a licensed trainer, or on a day in which the trainer has a horse in a race, shall obtain another licensed trainer to substitute.

(2) A substitute trainer shall accept responsibility for the horses in writing and shall be approved by the stewards.

(3) A substitute trainer and the absent trainer shall be jointly responsible as absolute insurers of the condition of their horses entered in an official workout or race.

10.5(2) Jockey.

a. Responsibility.

(1) A jockey shall give a best effort during a race, and each horse shall be ridden to win.

(2) A jockey shall not have a valet attendant except one provided and compensated by the facility.

(3) No person other than the licensed contract employer or a licensed jockey agent may make riding engagements for a rider, except that a jockey not represented by a jockey agent may make the jockey's own riding engagements.

(4) A jockey shall have no more than one jockey agent.

(5) No revocation of a jockey agent's authority is effective until the jockey notifies the stewards in writing of the revocation of the jockey agent's authority.

(6) A jockey shall promptly report objections to the outrider(s) following the finish of the race.

b. Jockey betting. A jockey shall be allowed to wager only on a race in which the jockey is riding. A jockey shall be allowed to wager only if:

(1) The owner or trainer of the horse that the jockey is riding makes the wager for the jockey;

(2) The jockey only wagers on the jockey's own mount to win or finish first in combination with other horses in multiple-type wagers; and

(3) Records of such wagers are kept and available for presentation upon request by the stewards.

c. Jockey's spouse. A jockey shall not compete in any race against a horse that is trained or owned by the jockey's spouse.

d. Jockey mount fees. Rescinded IAB 5/6/09, effective 6/10/09.

e. Entitlement. Any apprentice or contract rider shall be entitled to the regular jockey fees, except when riding a horse owned in part or solely by the contract holder. An interest in the winnings only (such as trainer's percent) shall not constitute ownership.

f. Fee earned. A jockey's fee shall be considered earned when the jockey is weighed out by the clerk of scales. The fee shall not be considered earned when injury to the horse or rider is not involved and jockeys, of their own free will, take themselves off their mounts. Any conditions or considerations not covered by the above shall be at the discretion of the stewards.

g. Multiple engagements. If any owner or trainer engages two or more jockeys for the same race, the owner or trainer shall be required to pay each of the jockeys the appropriate fee whether the jockeys ride in the race or not.

h. Dead heats. Jockeys finishing a race in a dead heat shall divide equally the totals they individually would have received had one jockey won the race alone. The owners of the horses finishing in the dead heat shall pay equal shares of the jockey fees.

i. Apprentices subject to jockey rules. Unless excepted under these rules, apprentices are subject to all rules governing jockeys and racing.

j. Conduct.

(1) Clothing and appearance. A jockey shall wear the colors furnished by the owner or facility with the number on the saddlecloth corresponding to the number given in the racing program. A jockey shall maintain a neat and clean appearance while engaged in duties on facility premises and shall wear a clean

jockey costume, cap, helmet (approved by commission), a jacket of silk or waterproof fabric, breeches, and top boots.

(2) Competing against contractor. No jockey may ride in any race against a starting horse belonging to the jockey's contract employer unless the jockey's mount and the contract employer's horse are both trained by the same trainer.

(3) Confined to jockey room. Jockeys engaged to ride a race shall report to the jockey room on the day of the race at the time designated by the facility officials. The jockeys shall then report their engagements and any overweight to the clerk of scales. Thereafter, they shall not leave the jockey room, except by permission of the stewards, until all of their riding engagements of the day have been fulfilled. Once jockeys have fulfilled their riding engagements for the day and have left the jockeys' quarters, they shall not be readmitted to the jockeys' quarters until after the entire racing program for that day has been completed, except upon permission of the stewards. Jockeys are not allowed to communicate with anyone but the trainer while in the room during the performance except with approval of the stewards. On these occasions, they shall be accompanied by a security guard.

(4) Whip prohibited. Jockeys may not use a whip on a two-year-old horse before April 1 of each year, nor shall a jockey or other person engage in excessive or indiscriminate whipping of any horse at any time.

(5) Spurs prohibited. Jockeys shall not use spurs.

(6) Possessing drugs or devices. Jockeys shall not have in their care, control, or custody any drugs, prohibited substances, or electrical or mechanical device that could affect a horse's racing performance.

k. Jockey effort. A jockey shall exert every effort to ride the horse to the finish in the best and fastest run of which the horse is capable. No jockey shall ease up or coast to a finish, without adequate cause, even if the horse has no apparent chance to win prize money.

l. Duty to fulfill engagements. Jockeys shall fulfill their duly scheduled riding engagements, unless excused by the stewards. Jockeys shall not be forced to ride a horse they believe to be unsound or over a racing strip they believe to be unsafe. If the stewards find a jockey's refusal to fulfill a riding engagement is based on personal belief unwarranted by the facts and circumstances, the jockey may be subject to disciplinary action. Jockeys shall be responsible to their agent for any engagements previously secured by the agent.

m. Riding interference.

(1) When the way is clear in a race, a horse may be ridden to any part of the course; but if any horse swerves, or is ridden to either side, so as to interfere with, impede, or intimidate any other horse, it is a foul.

(2) The offending horse may be disqualified if, in the opinion of the stewards, the foul altered the finish of the race, regardless of whether the foul was accidental, willful, or the result of careless riding.

(3) If the stewards determine the foul was intentional, or due to careless riding, the jockey shall be held responsible.

(4) In a straightaway race, every horse must maintain position as nearly as possible in the lane in which it started. If a horse is ridden, drifts, or swerves out of its lane in such a manner that it interferes with, impedes, or intimidates another horse, it is a foul and may result in the disqualification of the offending horse.

n. Jostling. Jockeys shall not jostle another horse or jockey. Jockeys shall not strike another horse or jockey or ride so carelessly as to cause injury or possible injury to another horse in the race.

o. Partial fault/third-party interference. If a horse or jockey interferes with or jostles another horse, the aggressor may be disqualified, unless the interfered or jostled horse or jockey was partly at fault or the infraction was wholly caused by the fault of some other horse or jockey.

p. Careless riding. A jockey shall not ride carelessly or willfully permit the mount to interfere with, intimidate, or impede any other horse in the race. A jockey shall not strike at another horse or jockey so as to impede, interfere with, or injure the other horse or jockey. If a jockey rides in a manner contrary to this rule, the horse may be disqualified; or the jockey may be fined, suspended, or otherwise disciplined; or other penalties may apply.

q. Jockey weighed out.

(1) Jockeys must be weighed for their assigned horse not more than 30 minutes before the time fixed for the race.

(2) A jockey's weight shall include the jockey's clothing, boots, saddle and its attachments. A safety vest shall be mandatory, shall weigh no more than two pounds, and shall be designed to provide shock-absorbing protection to the upper body of at least a rating of five as defined by the British Equestrian Trade Association.

(3) All other equipment shall be excluded from the weight.

r. Overweight limited. No jockey may weigh more than two pounds or, in the case of inclement weather, four pounds over the weight the horse is assigned to carry unless with consent of the owner or trainer and unless the jockey has declared the amount of overweight to the clerk of scales at least 45 minutes before the time of the race. However, a horse shall not carry more than seven pounds overweight, except in inclement weather when nine pounds shall be allowed. The overweight shall be publicly announced and posted in a conspicuous place both prior to the first race of the day and before the running of the race.

(1) Weigh in. Upon completion of a race, jockeys shall ride promptly to the winner's circle and dismount. Jockeys riding the first four finishers, or at the discretion of the stewards a greater number, shall present themselves to the clerk of scales to be weighed in. If a jockey is prevented from riding the mount to the winner's circle because of accident or illness either to the jockey or the horse, the jockey may walk or be carried to the scales unless excused by the stewards.

(2) Unsaddling. Jockeys, upon completion of a race, must return to the unsaddling area and unsaddle their own horse, unless excused by the stewards.

(3) Removing horse's equipment. No person except the valet attendant for each mount is permitted to assist the jockey in removing the horse's equipment that is included in the jockey's weight, unless the stewards permit otherwise. To weigh in, jockeys shall carry to the scales all pieces of equipment with which they weighed out. Thereafter they may hand the equipment to the valet attendant.

(4) Underweight. When any horse places first, second, or third in a race, or is coupled in any form of multiple exotic wagering, and thereafter the horse's jockey is weighed in short by more than two pounds of the weight of which the jockey was weighed out, the mount may be disqualified and all purse moneys forfeited.

(5) Overweight. If the jockey is overweight, the jockey is subject to fine, suspension, or both.

s. Contracts. Rescinded IAB 5/16/01, effective 6/20/01.

t. Jockey fines and forfeitures. Jockeys shall pay any fine or forfeiture from their own funds within 48 hours of the imposition of the fine or at a time deemed proper by the stewards. No other person shall pay jockey fines or forfeitures for the jockey.

u. Competing claims. Whenever two or more licensees claim the services of one jockey for a race, first call shall have priority and any dispute shall be resolved by the stewards.

v. Jockey suspension.

(1) Offenses involving fraud. Suspension of a licensee for an offense involving fraud or deception in racing shall begin immediately after the ruling unless otherwise ordered by the stewards or commission.

(2) Offenses not involving fraud. Suspension for an offense not involving fraud or deception in racing shall begin on the third day after the ruling or at the stewards' discretion.

(3) Withdrawal of appeal. Withdrawal by the appellant of a notice of appeal filed with the commission, whenever imposition of the disciplinary action has been stayed or enjoined pending a final decision by the commission, shall be deemed a frivolous appeal and referred to the commission for further disciplinary action in the event the appellant fails to show good cause to the stewards why the withdrawal should not be deemed frivolous.

(4) Riding suspensions of ten days or less and participating in designated races. The stewards appointed for a race meeting shall immediately, prior to the commencement of that meeting, designate the stakes, futurities, futurity trials, or other races in which a jockey will be permitted to compete, notwithstanding the fact that such jockey is technically under suspension for ten days or less for a riding infraction at the time the designated race is to be run.

1. Official rulings for riding suspensions of ten days or less shall state: “The term of this suspension shall not prohibit participation in designated races.”

2. A listing of the designated races shall be posted in the jockey room and any other such location deemed appropriate by the stewards.

3. A suspended jockey must be named at time of entry to participate in any designated race.

4. A day in which a jockey participated in one designated race while on suspension shall count as a suspension day. If a jockey rides in more than one designated race on a race card while on suspension, the day shall not count as a suspension day. Designated trials for a stake shall be considered one race.

10.5(3) Apprentice jockey. Upon completion of licensing requirements, the stewards may issue an apprentice jockey certificate allowing the holder to claim this allowance only in overnight races.

a. An apprentice jockey shall ride with a five-pound weight allowance beginning with the first mount and for one full year from the date of the jockey’s fifth winning mount.

b. If, after riding one full year from the date of the fifth winning mount, the apprentice jockey has not ridden 40 winners, the applicable weight allowance shall continue for one more year or until the fortieth winner, whichever comes first. In no event shall a weight allowance be claimed for more than two years from the date of the fifth winning mount, unless an extension has been granted.

c. The steward may extend the weight allowance of an apprentice jockey when, in the discretion of the steward, the apprentice provides proof of incapacitation for a period of seven or more consecutive days. The allowance may be claimed for a period not to exceed the period such apprentice was unable to ride.

d. The apprentice jockey must have the apprentice certificate with the jockey at all times and must keep an updated record of the first 40 winners. Prior to riding, the jockey must submit the certificate to the clerk of scales, who will record the apprentice’s winning mounts.

10.5(4) Jockey agent.

a. Responsibilities.

(1) A jockey agent shall not make or assist in making engagements for a jockey other than the jockeys the agent is licensed to represent.

(2) A jockey agent shall file written proof of all agencies and changes of agencies with the stewards.

(3) A jockey agent shall notify the stewards, in writing, prior to withdrawing from representation of a jockey and shall submit to the stewards a list of any unfulfilled engagements made for the jockey.

(4) All persons permitted to make riding engagements shall maintain current and accurate records of all engagements made. Such records shall be subject to examination by the stewards at any time.

(5) A jockey agent may represent an apprentice jockey and two journeymen jockeys or three journeymen jockeys at a “mixed” meet. However, at the “mixed” meeting two, at most, may ride the same breed.

(6) A jockey agent must honor a first call given to a trainer or the trainer’s assistant trainer.

b. Prohibited areas. A jockey agent is prohibited from entering the jockey room, winner’s circle, racing strip, paddock, or saddling enclosure during the hours of racing.

c. A jockey agent shall not be permitted to withdraw from the representation of any jockey unless written notice to the stewards has been provided.

491—10.6(99D) Conduct of races.

10.6(1) Horses ineligible. Any horse ineligible to be entered for a race, or ineligible to start in any race, which competes in that race may be disqualified and the stewards may discipline the persons responsible for the horse competing in that race.

a. A horse is ineligible to enter a race when:

(1) The nominator has failed to identify the horse which is being entered for the first time, by name, color, sex, age, and the names of sire and dam as registered.

(2) A horse has been knowingly entered or raced in any jurisdiction under a different name, with an altered registration certificate, or altered lip tattoo by a person having lawful custody or control of the horse for the purpose of deceiving any facility or regulatory agency.

(3) A horse has been allowed to enter or start by a person having lawful custody or control of the horse who participated in or assisted in the entry or racing of some other horse under the name of the horse in question.

(4) A horse is wholly or partially owned by a disqualified person or a horse is under the direct or indirect management of a disqualified person.

(5) A horse is wholly or partially owned by the spouse of a disqualified person or a horse is under the direct or indirect management of the spouse of a disqualified person. In such cases, a presumption which may be rebutted is that the disqualified person and spouse constitute a single financial entity with respect to the horse.

(6) A horse is owned in whole or in part by an undisclosed person or interest.

(7) A horse has been nerved by surgical neurectomy.

(8) A horse has been trachea-tubed to artificially assist breathing.

(9) A horse has impaired eyesight in both eyes.

(10) A horse appears on the starter's list, stewards' list, paddock list, or veterinarian's list, notwithstanding a horse appearing on the veterinarian's list as a "bleeder."

(11) A horse is barred from racing in any racing jurisdiction.

b. A horse is ineligible to start a race when:

(1) The horse is not stabled on the premises of the facility by the time designated by the stewards.

(2) The horse's breed registration certificate is not on file with the racing secretary, or horse identifier, except in the case of a quarter horse where the racing secretary has submitted the certificate to the breed registry for correction. The stewards may, in their discretion, waive the requirement in nonclaiming races provided the horse is otherwise properly identified.

(3) The horse is not fully identified by an official tattoo on the inside of the upper lip.

(4) A horse is brought to the paddock and is not in the care of and saddled by a currently licensed trainer or assistant trainer.

(5) No current negative Coggins test or current negative equine infectious anemia test certificate is attached to the horse's registration certificate.

(6) The stakes or entrance money for the horse has not been paid.

(7) The horse appears on the starter's list, stewards' list, paddock list, or veterinarian's list.

(8) The horse is a first-time starter not approved by the starter and does not have a minimum of two published workouts.

(9) Within the past calendar year, the horse has started in a race that has not been reported in a nationally published monthly chartbook, unless, at least 48 hours prior to entry, the owner of the horse provides to the racing secretary performance records which show the place and date of the race, distance, weight carried, amount carried, and the horse's finishing position and time.

(10) In a stakes race, a horse has been transferred with its engagements, unless prior to the start, the fact of transfer of the horse and its engagements has been filed with the racing secretary.

(11) A horse is subject to a lien which has not been approved by the stewards and filed with the horsemen's bookkeeper.

(12) A horse is subject to a lease not filed with the stewards.

(13) A horse is not in sound racing condition.

(14) A horse has been blocked with alcohol or injected with any other foreign substance or drug to desensitize the nerves of the leg.

(15) A horse appears on the veterinarian's list as a "bleeder."

10.6(2) Entries.

a. The facility shall provide forms for making entries and declarations with the racing secretary. Entries and declarations shall be in writing, or by telephone or fax subsequently confirmed in writing by the owner, trainer, or authorized agent. When any entrant or nominator claims failure or error in the receipt by a facility of any entry or declaration, the entrant or nominator may be required to submit evidence within a reasonable time of the filing of the entry or the declaration.

b. Upon the closing of entries the racing secretary shall promptly compile a list of entries and cause it to be conspicuously posted.

c. Coupling.

(1) Entry coupling. When one owner or lessee enters more than one horse in the same race or a horse trained by a trainer who owns or leases any interest in any of the other horses in the race, the horses shall be coupled as an entry, except that entries may be uncoupled in stakes races. Horses shall be regarded as having a common owner when an owner of one horse, either as an individual, a licensed member of a partnership, or a licensed shareholder of a corporation, has an aggregate commonality of ownership of 5 percent interest in another horse, either as an individual, a licensed member of a partnership, or a licensed shareholder of a corporation.

(2) Coupled entry limitations on owner. No more than two horses coupled by a common ownership or trainer shall be entered in an overnight race.

(3) Coupling of entries by stewards. The stewards may couple as a single entry any horses which, in the determination of the stewards, are connected by common ownership, common lessee, the same trainer, or when the stewards determine that coupling is necessary in the interest of the regulation of the pari-mutuel wagering industry or is necessary to ensure the public's confidence in racing.

(4) Exclusion of single interest. Horses having the same owner, lessee, or trainer shall not be permitted to enter or start if the effect would deprive a single interest from starting in overnight races.

d. Split or divided races.

(1) In the event a race is canceled or declared off, the facility may split any overnight race for which post positions have not been drawn.

(2) Where an overnight race is split, forming two or more separate races, the racing secretary shall give notice of not less than 15 minutes before such races are closed to grant time for making additional entries to such split race.

e. Entry weight. Owners, trainers, or any other duly authorized person who enters a horse for a race shall ensure that the entry is correct and accurate as to the weight allowances available and claimed for the horse under the conditions set for the race. After a horse is entered and has been assigned a weight to carry in the race, the assignment of weight shall not be changed except in the case of error and with the approval of the stewards. Weight allowances may be waived with the approval of the stewards.

f. Consecutive days. No horse shall be run on two consecutive calendar days.

g. Foreign entries. For the purposes of determining eligibility, weight assignments, or allowances for horses imported from a foreign nation, the racing secretary shall take into account the "Pattern Race Book" published jointly by the Irish Turf Club, The Jockey Club of Great Britain, and the Société d'Encouragement.

h. Weight conversions. For the purpose of determining eligibility, weight assignments, or allowances for horses imported from a foreign nation, the racing secretary shall convert metric distances to English measures by reference to the following scale:

1 sixteenth	= 100 meters
1 furlong	= 200 meters
1 mile	= 1600 meters

i. Name. The "name" of a horse means the name reflected on the certificate of registration, racing permit, or temporary racing permit issued by the breed registry. Imported horses shall have a suffix, enclosed by brackets, added to their registered names showing the country of foaling. This suffix is derived from the international code of suffixes and constitutes part of the horse's registered name. The registered names and suffixes, where applicable, shall be printed in the official program.

j. Bona fide entry. No person shall enter or attempt to enter a horse for a race unless that entry is a bona fide entry, made with the intention that the horse is to compete in the race for which the horse was entered.

k. Registration certificate to reflect correct ownership. Every breed registry foal certificate filed with the racing secretary to establish the eligibility of a horse to be entered for any race shall accurately reflect the correct and true ownership of the horse. The name of the owner that is printed on the official

program for the horse shall conform to the ownership as declared on the certificate of registration or eligibility certificate unless a stable name has been registered with the commission for the owner or ownership.

l. Naming/engaging of riders. Riders must be named at the time of entry. Before naming any rider, the trainer, owner, or other person authorized must first engage the services of the rider and state on the entry or to the person taking the entry whether it is a first or second call, excluding trial races. Riders properly engaged must fulfill their engagements as required in 10.5(2)“l.”

m. More than one race. No horse may be entered in more than one race, with the exception of stakes races, to be run on the same day on which pari-mutuel wagering is conducted.

10.6(3) Sweepstakes entries.

a. Entry and withdrawal. The entry of a horse in a sweepstakes is a subscription to the sweepstakes. Before the time of closing, any entry or subscription may be altered or withdrawn.

b. Entrance money. Entrance money shall be paid by the nominator to a race. In the event of the death of the horse or a mistake made in the entry of an otherwise eligible horse, the nominator subscriber shall continue to be obligated for any stakes, and the entrance money shall not be returned.

c. Quarter horse scratches and qualifiers unable to participate in finals. If a horse should be scratched from the time trial finals, the horse's owner will not be eligible for a refund of the fees paid. If a horse that qualified for the final should be unable to enter due to racing soundness, or scratched for any reason other than a positive drug test report or a rule violation, the horse shall be deemed to have earned and the owner will receive last place money. If more than one horse should be unable to enter due to racing soundness, or scratched for any reason other than a positive drug test report or a rule violation, then those purse moneys shall be added together and divided equally among the horse owners.

10.6(4) Closing of entries.

a. Overnight entries. Entries for overnight racing shall be closed at 10 a.m. by the racing secretary, unless a later closing is established by the racing secretary or unless approved by the stewards.

b. Sweepstakes entries. If an hour for closing is designated, entries and declarations for sweepstakes cannot be received thereafter. However, if a time for closing is not designated, entries and declarations may be mailed or faxed until midnight of the day of closing, if they are received in time to comply with all other conditions of the race. In the absence of notice to the contrary, entries and declarations for sweepstakes that close during or on the day preceding a race meeting shall close at the office of the racing secretary in accordance with any requirements the secretary shall make. Closing for sweepstakes not during race meetings shall be at the office of the facility.

c. Exception. Nominations for stakes races shall not close nor shall any eligibility payment be due on a day in which the United States Postal Service is not operating.

10.6(5) Prohibited entries.

a. Entry by disqualified person. An entry made by a disqualified person or the entry of a disqualified horse shall be void. Any money paid for the entry shall be returned, if the disqualification is disclosed at least 45 minutes before post time for the race. Otherwise, the entry money shall be paid to the winner.

b. Limited partner entry prohibited. No person other than a managing partner of a limited partnership or a person authorized by the managing partner may enter a horse owned by that partnership.

c. Altering entries prohibited. No alteration shall be made in any entry after the closing of entries, but the stewards may permit the correction of an error in an entry.

d. Limitation on overnight entries. If the number of entries to any purse or overnight race is in excess of the number of horses that may be accommodated due to the size of the track, the starters for the race and their post positions shall be determined by lot conducted in public by the racing secretary.

e. Stake race entry limit. In a stake race, the number of horses which may compete shall be limited only by the number of horses nominated and entered. In any case, the facility's lawful race conditions shall govern.

f. Stewards' denial of entry. The stewards may, after notice to the entrant, subscriber, or nominator, deny entry of any horse to a race if the stewards determine the entry to be in violation of

these rules or the laws of this state or to be contrary to the interests of the commission in the regulation of pari-mutuel wagering or to public confidence in racing.

10.6(6) Preferences and eligibles.

a. Also eligible. A list of not more than eight names may be drawn from entries filed in excess of positions available in the race. These names shall be listed as “also eligible” to be used as entries if originally entered horses are withdrawn. Any owner, trainer, or authorized agent who has entered a horse listed as an “also eligible” and who does not wish to start shall file a scratch card with the secretary not later than the scratch time designated for that race. “Also eligibles” shall have preference to scratch.

b. Preference system. A system using dates or stars shall be used to determine preference for horses being entered in races. The system being used will be at the option of the racing secretary and approved by the stewards. A preference list will be kept current by the racing secretary and made available to horsemen upon request.

c. Disputed decision. When the decision of a race is in dispute, all horses involved in the dispute, with respect to the winner’s credit or earnings, shall be liable to all weights or conditions attached to the winning of that race until a winner has been finally adjudged.

10.6(7) Post positions. Post positions shall be determined by the racing secretary publicly and by lot. Post positions shall be drawn from “also eligible” entries at scratch time. In all races, horses drawn into the race from the “also eligible” list shall take the outside post positions, except in straightaway quarter horse racing. In straightaway quarter horse racing, the post position of the scratched horse shall be assigned to the horse “drawing in.” In the event there is more than one scratch, the post positions shall be assigned by lot.

10.6(8) Scratch; declaring out.

a. Notification to the secretary. No horse shall be considered scratched, declared out, or withdrawn from a race until the owner, agent, or other authorized person has given notice in writing to the racing secretary before the time set by the facility as scratch time. All scratches must be approved by the stewards.

b. Declaration irrevocable. Scratching or the declaration of a horse out of an engagement for a race is irrevocable.

c. Limitation on scratches. No horse shall be permitted to be scratched from a race if the horses remaining in the race number fewer than eight, unless the stewards permit a lesser number. When the number of requests to scratch would, if granted, leave a field of fewer than eight, the stewards shall determine by lot which entrants may be scratched and permitted to withdraw from the race.

d. Scratch time. Unless otherwise set by the stewards, scratch time shall be:

- (1) Stakes races. Scratch time shall be at least 45 minutes before post time.
- (2) Other races. Scratch time shall be no later than 10 a.m. of the day of the race.

10.6(9) Workouts.

a. When required. No horse shall be allowed to start unless the horse has raced in an official race or has an approved official timed workout satisfactory to the stewards. A horse that has not started for a period of 60 days or more shall be ineligible to race until it has completed a published workout satisfactory to the stewards prior to the day of the race in which the horse is entered. The workout must have occurred within the previous 30 days for a thoroughbred or within the previous 60 days for a quarter horse. First-time starters must have at least two published workouts and be approved from the gate by the starter.

b. Identification. The timer or the stewards may require licensees to identify a horse in their care being worked. The owner, trainer, or jockey may be required to identify the distance the horse is to be worked and the point on the track where the workout will start.

c. Information dissemination. If the stewards approve the timed workout so as to permit the horse to run in a race, they shall make it mandatory that this information be furnished to the public in advance of the race including, but not limited to, the following means:

- (1) Announcement over the facility’s public address system;
- (2) Transmission on the facility’s message board;
- (3) Posting in designated conspicuous places in the racing enclosure; and

(4) Exhibit on track TV monitors at certain intervals if the track has closed circuit TV. If the workout is published prior to the race in either the Daily Racing Form or the track program, then it shall not be necessary to make the announcements set forth above.

d. Restrictions. No horse shall be taken onto the track for training or a workout except during hours designated by the facility.

10.6(10) Equipment.

a. Whip and bridle limitations. Unless permitted by the stewards, no whip or substitute for a whip shall exceed one pound or 30 inches and no bridle shall exceed two pounds.

b. Equipment change. No licensee may change the equipment used on a horse from that used in the horse's last race, unless with permission of the stewards. No licensee may add blinkers to a horse's equipment or discontinue their use without the prior approval of the starter and the stewards. In the paddock prior to a race, a horse's tongue may be tied down with clean bandages, clean gauze, or with a tongue strap.

10.6(11) Racing numbers.

a. Number display. Each horse in a race shall carry a conspicuous saddle cloth number corresponding to the official number given that horse on the official program.

b. Coupled entries. In the case of a coupled or other entry that includes more than one horse, each horse in the entry shall carry the same number, with a different distinguishing letter following the number. As an example, two horses in the same entry shall be entered as 1 and 1-A.

c. Field horses. In a combined field of horses, each horse in the field shall carry a separate number.

10.6(12) Valuation of purse money. Rescinded IAB 5/16/01, effective 6/20/01.

10.6(13) Dead heats.

a. When two horses run a dead heat for first place, all purses or prizes to which first and second horses would have been entitled shall be divided equally between them; and this applies in dividing all purses or prizes whatever the number of horses running a dead heat and whatever places for which the dead heat is run.

b. In the event of a dead-heat finish for second place and thereafter, when an objection to the winner of the race is sustained, the horses in the dead heat shall be considered to have run a dead heat for first place.

c. If a prize includes a cup, plate, or other indivisible prize, owners shall draw lots for the prize in the presence of at least two stewards.

10.6(14) The facility shall not make distribution of any purses until given clearance of chemical tests by the state steward.

10.6(15) Purse money presumption. The fact that purse money has been distributed prior to the issuance of a laboratory report shall not be deemed a finding that no chemical substance has been administered, in violation of these rules, to the horse earning the purse money.

10.6(16) Equine infectious anemia (EIA) test.

a. Certificate required. No horse shall be allowed to start or be stabled on the premises of the facility unless a valid negative Coggins test or other laboratory-approved negative EIA test certificate is on file with the racing secretary.

b. Trainer responsibility. In the event of claims, sales, or transfers, it shall be the responsibility of the new trainer to ascertain the validity of the certificate for the horse within 24 hours. If the certificate is either unavailable or invalid, the previous trainer shall be responsible for any reasonable cost associated with obtaining a negative EIA laboratory certificate.

c. Positive test reports. Whenever any owner or trainer is furnished a positive Coggins test or positive EIA test result, the horse shall be removed by the owner or trainer from facility premises or approved farms within 24 hours of actual notice to the owner or trainer of the infection.

10.6(17) Race procedures.

a. Full weight. Each horse shall carry the full weight assigned for that race from the paddock to the starting point, and shall parade past the stewards' stand, unless excused by the stewards.

b. Touching and dismounting prohibited. After the horses enter the track, jockeys may not dismount or entrust their horse to the care of an attendant unless due to an accident occurring to the

jockey, the horse, or the equipment, and then only with the prior consent of the starter. During any delay during which a jockey is permitted to dismount, all other jockeys may dismount and their horses may be attended by others. After the horses enter the track, only the hands of the jockey, the starter, the assistant starter, the commission veterinarian, an outrider on a lead pony, or persons approved by the stewards may touch the horse before the start of the race. If a horse throws its jockey on the way from the paddock to the post, the horse must be returned to the point where the jockey was thrown, where the horse shall be remounted and then proceed over the route of the parade to the post. The horse must carry its assigned weight from paddock to post and from post to finish.

c. Jockey injury. If a jockey is seriously injured on the way to the post, the horse shall be returned to the paddock, a replacement jockey obtained, and both the injured jockey and the replacement jockey will be paid by the owner.

d. Twelve-minute parade limit. After entering the track, all horses shall proceed to the starting post in not more than 12 minutes unless approved by the stewards. After passing the stewards' stand in parade, the horses may break formation and proceed to the post in any manner. Once at the post, the horses shall be started without unnecessary delay. All horses must participate in the parade carrying their weight and equipment from the paddock to the starting post, and any horse failing to do so may be disqualified by the stewards. No lead pony leading a horse in the parade shall obstruct the public's view of the horse being led except with permission of the stewards.

e. Striking a horse prohibited. In assisting the start of a race, no person other than the jockey, starter, assistant starter, or veterinarian shall strike a horse or use any other means to assist the start.

f. Loading of horses. Horses will be loaded into the starting gate in numerical order or in any other fair and consistent manner determined by the starter and approved by the stewards.

g. Delays prohibited. No person shall obstruct or delay the movement of a horse to the starting post.

10.6(18) Claiming races.

a. Eligibility.

(1) Registered to race or open claim. No person may file a claim for any horse unless the person:

1. Is a licensed owner at the meeting who either has foal paper(s) registered with the racing secretary's office or has started a horse at the meeting; or

2. Is a licensed authorized agent, authorized to claim for an owner eligible to claim; or

3. Has a valid open claim certificate. Any person not licensed as an owner, or a licensed authorized agent for the account of the same, or a licensed owner not having foal paper(s) registered with the racing secretary's office or who has not started a horse at the meeting may request an open claim certificate from the commission. The person must submit a completed application for a prospective owner's license to the commission. The applicant must have the name of the trainer licensed by the commission who will be responsible for the claimed horse. A nonrefundable fee must accompany the application along with any financial information requested by the commission. The names of the prospective owners shall be prominently displayed in the offices of the commission and the racing secretary. The application will be processed by the commission; and when the open claim certificate is exercised, an owner's license will be issued.

(2) One stable claim. No stable that consists of horses owned by more than one person and which has a single trainer may submit more than one claim in any race. An authorized agent may submit only one claim in any race regardless of the number of owners represented.

b. Procedure for claiming. To make a claim for a horse, an eligible person shall:

(1) Deposit to the person's account with the horsemen's bookkeeper the full claiming price and applicable taxes as established by the racing secretary's conditions.

(2) File in a locked claim box maintained for that purpose by the stewards the claim filled out completely in writing and with sufficient accuracy to identify the claim on forms provided by the facility at least ten minutes before the time of the race.

c. Claim box.

(1) The claim box shall be approved by the commission and kept locked until ten minutes prior to the start of the race, when it shall be presented to the stewards or their representatives for opening and publication of the claims.

(2) The claim box shall also include a time clock which automatically stamps the time on the claim envelope prior to its being dropped in the box.

(3) No official of a facility shall give any information as to the filing of claims therein until after the race has been run.

d. Claim irrevocable. After a claim has been filed in the claim box, it shall not be withdrawn.

e. Multiple claims on single horses. If more than one claim is filed on a horse, the successful claim shall be determined by lot conducted by the stewards or their representatives.

f. Successful claims; later races.

(1) Sale or transfer. No successful claimant may sell or transfer a horse, except in a claiming race, for a period of 30 days from the date of claim.

(2) Eligibility price. A horse that is declared the official winner in the race in which it is claimed may not start in a race in which the claiming price is less than the amount for which it was claimed. After the first start back or 30 days, whichever occurs first, a horse may start for any claiming price. A horse which is not the official winner in the race in which it is claimed may start for any claiming price. This provision shall not apply to starter handicaps in which the weight to be carried is assigned by the handicapper. No right, title, or interest for any claimed horse shall be sold or transferred except in a claiming race for a period of 30 days following the date of claiming. The day claimed shall not count, but the following calendar day shall be the first day.

(3) Racing elsewhere. A horse that was claimed under these rules may not participate at a race meeting other than that at which it was claimed until the end of the meeting, except with written permission of the stewards. This limitation shall not apply to stakes races.

(4) Same management. A claimed horse shall not remain in the same stable or under the control or management of its former owner.

(5) When a horse is claimed out of a claiming race, the horse's engagements are included.

g. Transfer after claim.

(1) Forms. Upon a successful claim, the stewards shall issue in triplicate, upon forms approved by the commission, an authorization of transfer of the horse from the original owner to the claimant. Copies of the transfer authorization shall be forwarded to and maintained by the commission, the stewards, and the racing secretary. No claimed horse shall be delivered by the original owner to the successful claimant until authorized by the stewards. Every horse claimed shall race for the account of the original owner, but title to the horse shall be transferred to the claimant from the time the horse becomes a starter. The successful claimant shall become the owner of the horse at the time of starting, regardless of whether it is alive or dead, sound or unsound, or injured during the race or after it. The original trainer of the claimed horse shall be responsible for the postrace test results.

(2) Other jurisdiction rules. The commission will recognize and be governed by the rules of any other jurisdiction regulating title and claiming races when ownership of a horse is transferred or affected by a claiming race conducted in that other jurisdiction.

(3) Determination of sex and age. The claimant shall be responsible for determining the age and sex of the horse claimed notwithstanding any designation of sex and age appearing in the program or in any racing publication. In the event of a spayed mare, the (s) for spayed should appear next to the mare's name on the program. If it does not and the claimant finds that the mare is in fact spayed, claimant may then return the mare for full refund of the claiming price.

(4) Affidavit by claimant. The stewards may, if they determine it necessary, require any claimant to execute a sworn statement that the claimant is claiming the horse for the claimant's own account or as an authorized agent for a principal and not for any other person.

(5) Delivery required. No person shall refuse to deliver a properly claimed horse to the successful claimant. The claimed horse shall be disqualified from entering any race until delivery is made to the claimant.

(6) Obstructing rules of claiming. No person or licensee shall obstruct or interfere with another person or licensee in claiming any horse or enter into any agreement with another to subvert or defeat the object and procedures of a claiming race, or attempt to prevent any horse entered from being claimed.

h. Elimination of stable. An owner whose stable has been eliminated by claiming may claim for the remainder of the meeting at which eliminated or for 30 racing days, whichever is longer. With the permission of the stewards, stables eliminated by fire or other casualty may claim under this rule.

i. Deceptive claim. The stewards may cancel and disallow any claim within 24 hours after a race if they determine that a claim was made upon the basis of a lease, sale, or entry of a horse made for the purpose of fraudulently obtaining the privilege of making a claim. In the event of a disallowance, the stewards may further order the return of a horse to its original owner and the return of all claim moneys.

j. Protest of claim. A protest to any claim must be filed with the stewards before noon of the day following the date of the race in which the horse was claimed. Nonracing days are excluded from this rule.

k. Waived claiming rule.

(1) At the time of entry into claiming races, the owner, trainer, or any authorized agent may opt to declare a horse ineligible to be claimed provided:

1. The horse has not been an official starter at any racetrack for a minimum of 120 days since the horse's last race as an official starter (at time of race);

2. The horse's last race as an official starter was a claiming race in which the horse was eligible to be claimed;

3. The horse is entered for a claiming price equal to or greater than the claiming price at which the horse last started as an official starter;

4. Failure of declaration of ineligibility at time of entry may not be remedied; and

5. Ineligibility to be claimed shall apply only to the horse's first start as an official starter following each such 120-day or longer layoff.

(2) Any win which occurs in a claiming race by a horse ineligible to be claimed under waived claiming rules of this, or any other, jurisdiction will be treated as an allowance win for the determination of the horse's eligibility and allowances for every race at the meet, unless the conditions of the race specify otherwise.

10.6(19) Quarter horse time trial races.

a. Except in cases where the starting gate physically restricts the number of horses starting, each time trial shall consist of no more than ten horses.

b. The time trials shall be raced under the same conditions as the finals. If the time trials are conducted on the same day, the horses with the ten fastest times shall qualify to participate in the finals. If the time trials are conducted on two days, the horses with the five fastest times on the first day and the horses with the five fastest times on the second day shall qualify to participate in the finals. When time trials are conducted on two days, the racing office should make every attempt to split owners with more than one entry into separate days so that the owner's horses have a chance at all ten qualifying positions.

c. If the facility's starting gate has fewer than ten stalls, then the maximum number of qualifiers will correspond to the maximum number of starting gate post positions.

d. If only 11 or 12 horses are entered to run in time trials from a gate with 12 or more stalls, the facility may choose to run finals only. If 11 or 12 horses participate in the finals, only the first 10 finishers will receive purse money.

e. In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in the time trial will be determined to the limit of the timer. The only exception is when two or more horses have the same time in the same trial heat. Then the order of finish shall also determine the preference in the horses' qualifying for the finals. Should two or more horses in different time trials have the same qualifying time to the limit of the timer for the final qualifying position(s), then a draw by public lot shall be conducted as directed by the stewards. Under no circumstances should stewards or placing judges attempt to determine horses' qualifying times in separate trials beyond the limit of the timer by comparing or enlarging a photo finish picture.

f. Except in the case of disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish in a time trial.

g. Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth of a second, or the maximum accuracy of the electronic timing device. No adjustments will be made in the times recorded in the time trials to account for headwind, tailwind, and off track. In the case where a horse is disqualified for interference with another horse causing loss of rider or the horse not to finish the race, the disqualified horse may be given no time plus one hundredth of a second, or the maximum accuracy of the electronic timing device.

h. Should a malfunction occur with an electronic timer on any time trial, finalists from that time trial will then be determined by official hand times operated by three official and disinterested persons. The average of the three hand times will be utilized for the winning time, unless one of the hand times is clearly incorrect. In such cases, the average of the two accurate hand times will be utilized for the winning time. The other horses in that race will be given times according to the order and margins of finish with the aid of the photo finish strip, if available.

i. When there is a malfunction of the timer during the time trials, but the timer operates correctly in other time trials, under no circumstances should the accurate electronic times be discarded and the average of the hand times used for all time trials. (The only exemption may be if the conditions of the stakes race so state, or state that, in the case of a malfunction of the timer in trials, finalists will be selected by order of finish in the trials.)

j. In the case where the accuracy of the electronic timer or the average of the hand times is questioned, the video of a time trial may be used to estimate the winning time by counting the number of video frames in the race from the moment the starting gate stall doors are fully open parallel to the racing track. This method is accurate to approximately .03 seconds. Should the case arise where the timer malfunctions and there are no hand times, the stewards have the option to select qualifiers based on the video time.

k. Should there be a malfunction of the starting gate and one or more stall doors not open or open after the exact moment when the starter dispatches the field, the stewards may declare the horses in stalls with malfunctioning doors to be nonstarters. The stewards should have the option, however, to allow any horse whose stall door opened late but still ran a time fast enough to qualify to be declared a starter for qualifying purposes. In the case where a horse breaks through the stall door or the stall door opens prior to the exact moment the starter dispatches the field, the horse must be declared a nonstarter and all entry fees refunded. In the case where one or more, but not all, stall doors open at the exact moment the starter dispatches the field, these horses should be considered starters for qualifying purposes, and placed according to their electronic times. If the electronic timer malfunctions in this instance, the average of the hand times, or, if not available, the video time, should be utilized for the horses that were declared starters.

l. There will be an also eligible list only in the case of a disqualification for a positive drug test report, ineligibility of the horse according to the conditions of the race, or a disqualification by the stewards for a rule violation. Should a horse be disqualified for a positive drug test report, ineligibility of the horse according to the conditions of the race, or a disqualification by the stewards for a rule violation, the next fastest qualifier shall assume the disqualified horse's position in the finals.

m. If a horse should be scratched from the time trials, the horse's owner will not be eligible for a refund of the fees paid, and that horse will not be allowed to enter the finals under any circumstances. If a horse that qualified for the finals is unable to enter due to racing soundness or is scratched for any reason other than a positive drug test report or a rule violation, the horse shall be deemed to have earned, and the owner will receive, last place purse money. If more than one horse is scratched from the finals for any reason other than a positive drug test report or a rule violation, then the purse moneys shall be added together and divided equally among the owners.

491—10.7(99D) Medication and administration, sample collection, chemists, and practicing veterinarian.**10.7(1) Medication and administration.**

a. No horse, while participating in a race, shall carry in its body any medication, drug, foreign substance, or metabolic derivative thereof, which is a narcotic or which could serve as a local anesthetic or tranquilizer or which could stimulate or depress the circulatory, respiratory, or central nervous system of a horse, thereby affecting its speed.

b. Also prohibited are any drugs or foreign substances that might mask or screen the presence of the prohibited drugs, or prevent or delay testing procedures.

c. Proof of detection by the commission chemist of the presence of a medication, drug, foreign substance, or metabolic derivative thereof, prohibited by paragraph “*a*” or “*b*,” in a saliva, urine, or blood sample duly taken under the supervision of the commission veterinarian from a horse immediately prior to or promptly after running in a race shall be prima facie evidence that the horse was administered, with the intent that it would carry or that it did carry in its body while running in a race, prohibited medication, drug, or foreign substance in violation of this rule.

d. Administration or possession of drugs.

(1) No person shall administer, cause to be administered, or participate or attempt to participate in any way in the administration of any medication, drug, foreign substance, or treatment by any route to a horse registered for racing on the day of the race prior to the race in which the horse is entered.

(2) No person except a veterinarian shall have in the person’s possession any prescription drug. However, a person may possess a noninjectable prescription drug for animal use if:

1. The person actually possesses, within the racetrack enclosure, documentary evidence that a prescription has been issued to said person for such a prescription drug.

2. The prescription contains a specific dosage for the particular horse or horses to be treated by the prescription drug.

3. The horse or horses named in the prescription are then in said person’s care within the racetrack enclosure.

(3) No veterinarian or any other person shall have in their possession or administer to any horse within any racetrack enclosure any chemical or biological substance which:

1. Has not been approved for use on equines by the Food and Drug Administration pursuant to the Federal Food, Drug, and Cosmetic Act, 21 U.S.C. Section 301 et seq., and implementing regulations, without the prior written approval from a commission veterinarian, after consulting with the board of stewards.

2. Is on any of the schedules of controlled substances as prepared by the Attorney General of the United States pursuant to 21 U.S.C. Sections 811 and 812, without the prior written approval from a commission veterinarian after consultation with the board of stewards. The commission veterinarian shall not give such approval unless the person seeking the approval can produce evidence in recognized veterinary journals or by recognized equine experts that such chemical substance has a beneficial therapeutic use in horses.

(4) No veterinarian or any other person shall dispense, sell, or furnish any feed supplement, tonic, veterinary preparation, medication, or any substance that can be administered or applied to a horse by any route, to any person within the premises of the facility unless there is a label specifying the name of the substance dispensed, the name of the dispensing person, the name of the horse or horses for which the substance is dispensed, the purpose for which said substance is dispensed, the dispensing veterinarian’s recommendations for withdrawal before racing (if applicable), and the name of the person to whom dispensed, or is otherwise labeled as required by law.

(5) No person shall have in the person’s possession or in areas under said person’s responsibility on facility premises any feed supplement, tonic, veterinary preparation, medication, or any substance that can be administered or applied to a horse by any route unless it complies with the labeling requirements in 10.7(1) “*d*”(4).

e. Any person found to have administered, or caused, participated in, or attempted to participate in any way in the administration of a medication, drug, or foreign substance that caused or could have caused a violation of this rule shall be subject to disciplinary action.

f. The owner, trainer, groom, or any other person having charge, custody, or care of the horse is obligated to protect the horse properly and guard it against the administration or attempted administration of a substance in violation of this rule. If the stewards find that any person has failed to show proper protection and guarding of the horse, or if the stewards find that any owner, lessee, or trainer is guilty of negligence, they shall impose discipline and take other action they deem proper under any of the rules including referral to the commission.

g. In order for a horse to be placed on the bleeder list in Iowa through reciprocity, that horse must be certified as a bleeder in another state or jurisdiction. A certified bleeder is a horse that has raced with furosemide in another state or jurisdiction in compliance with the laws governing furosemide in that state or jurisdiction.

h. The possession or use of blood doping agents, including but not limited to those listed below, on the premises of a facility under the jurisdiction of the commission is forbidden:

- (1) Erythropoietin;
- (2) Darbepoetin;
- (3) Oxyglobin®; and
- (4) Hemopure®.

i. The use of extracorporeal shock wave therapy or radial pulse wave therapy shall not be permitted unless the following conditions are met:

- (1) Any treated horse shall not be permitted to race for a minimum of ten days following treatment;
- (2) The use of extracorporeal shock wave therapy or radial pulse wave therapy machines shall be limited to veterinarians licensed to practice by the commission;
- (3) Any extracorporeal shock wave therapy or radial pulse wave therapy machines on the association grounds must be registered with and approved by the commission or its designee before use;
- (4) All extracorporeal shock wave therapy or radial pulse wave therapy treatments must be reported to the official veterinarian on the prescribed form not later than the time prescribed by the official veterinarian.

j. The use of a nasogastric tube (a tube longer than six inches) for the administration of any substance within 24 hours prior to the post time of the race in which the horse is entered is prohibited without the prior permission of the official veterinarian or designee.

k. Non-steroidal anti-inflammatory drugs (NSAIDs).

- (1) The use of one of three approved NSAIDs shall be permitted under the following conditions:

1. The level does not exceed the following permitted serum or plasma threshold concentrations which are consistent with administration by a single intravenous injection at least 24 hours before the post time for the race in which the horse is entered:

- Phenylbutazone (or its metabolite oxyphenylbutazone) – 5 micrograms per milliliter;
- Flunixin – 20 nanograms per milliliter;
- Ketoprofen – 10 nanograms per milliliter.

2. The NSAIDs listed in numbered paragraph “1” or any other NSAIDs are prohibited from being administered within the 24 hours before post time for the race in which the horse is entered.

3. The presence of more than one of the three approved NSAIDs, with the exception of phenylbutazone in a concentration below 1 microgram per milliliter of serum or plasma, or the presence of any unapproved NSAID in the post-race serum or plasma sample is not permitted. The use of all but one of the approved NSAIDs shall be discontinued at least 48 hours before the post time for the race in which the horse is entered.

(2) Any horse to which an NSAID has been administered shall be subject to having a blood sample(s), urine sample(s) or both taken at the direction of the official veterinarian to determine the quantitative NSAID level(s) or the presence of other drugs which may be present in the blood or urine sample(s).

10.7(2) Sample collection.

a. Under the supervision of the commission veterinarian, urine, blood, and other specimens shall be taken and tested from any horse that the stewards, commission veterinarian, or the commission's representatives may designate. The samples shall be collected by the commission veterinarian or other person or persons the commission may designate. Each sample shall be marked or numbered and bear information essential to its proper analysis; but the identity of the horse from which the sample was taken or the identity of its owners or trainer shall not be revealed to the official chemist or the staff of the chemist. The container of each sample shall be sealed as soon as the sample is placed therein.

b. A facility shall have a detention barn under the supervision of the commission veterinarian for the purpose of collecting body fluid samples for any tests required by the commission. The building, location, arrangement, furnishings, and facilities including refrigeration and hot and cold running water must be approved by the commission. A security guard, approved by the commission, must be in attendance at each access to the detention barn during the hours designated by the commission.

c. No unauthorized person shall be admitted at any time to the building or the area utilized for the purpose of collecting the required body fluid samples or the area designated for the retention of horses pending the obtaining of body fluid samples.

d. During the taking of samples from a horse, the owner, responsible trainer, or a representative designated by the owner or trainer may be present and witness the taking of the sample and so signify in writing. Failure to be present and witness the collection of the samples constitutes a waiver by the owner, trainer, or representative of any objections to the source and documentation of the sample.

e. The commission veterinarian, the board of stewards, agents of the division of criminal investigation, or commission representative may take samples of any medicine or other materials suspected of containing improper medication, drugs, or other substance which could affect the racing condition of a horse in a race, which may be found in barns or elsewhere on facility premises or in the possession of any person connected with racing, and the same shall be delivered to the official chemist for analysis.

f. Nothing in these rules shall be construed to prevent:

(1) Any horse in any race from being subjected by the order of a steward or the commission veterinarian to tests of body fluid samples for the purpose of determining the presence of any foreign substance.

(2) The state steward or the commission veterinarian from authorizing the splitting of any sample.

(3) The commission or commission veterinarian from requiring body fluid samples to be stored in a frozen state for future analysis.

g. Before leaving the racing surface, the trainer shall ascertain the testing status of the horse under the trainer's care from the commission veterinarian or designated detention barn representative.

10.7(3) Chemists.

a. Tests are to be under the supervision of the commission, which shall employ one or more chemists or contract with one or more qualified chemical laboratories to determine by chemical testing and analysis of body fluid samples whether a foreign substance, medication, drug or metabolic derivative thereof is present.

b. All body fluid samples taken by or under direction of the commission veterinarian or commission representative shall be delivered to the laboratory of the official chemist for analysis.

c. The commission chemist shall be responsible for safeguarding and testing each sample delivered to the laboratory by the commission veterinarian.

d. The commission chemist shall conduct individual tests on each sample, screening them for prohibited substances, and conducting other tests to detect and identify any suspected prohibited substance or metabolic derivative thereof with specificity. Pooling of samples shall be permitted only with the knowledge and approval of the commission.

e. Upon the finding of a test negative for prohibited substances, the remaining portions of the sample may be discarded. Upon the finding of tests suspicious or positive for prohibited substances, the tests shall be reconfirmed, and the remaining portion, if available, of the sample shall be preserved and protected for two years following close of meet.

f. The commission chemist shall submit to the commission a written report as to each sample tested, indicating by sample tag identification number, whether the sample was tested negative or positive for prohibited substances. The commission chemist shall report test findings to no person other than the administrator or commission representative, with the exception of notifying the state stewards of all positive tests.

g. In the event the commission chemist should find a sample suspicious for a prohibited medication, additional time for test analysis and confirmation may be requested.

h. In reporting to the state steward a finding of a test positive for a prohibited substance, the commission chemist shall present documentary or demonstrative evidence acceptable in the scientific community and admissible in court in support of the professional opinion as to the positive finding.

i. No action shall be taken by the state steward until an official report signed by the chemist properly identifying the medication, drug, or other substance as well as the horse from which the sample was taken has been received.

j. The cost of the testing and analysis shall be paid by the commission to the official chemist. The commission shall then be reimbursed by each facility on a per-sample basis so that each facility shall bear only its proportion of the total cost of testing and analysis. The commission may first receive payment from funds provided in Iowa Code chapter 99D, if available.

10.7(4) *Practicing veterinarian.*

a. Prohibited acts.

(1) Ownership. A licensed veterinarian practicing at any meeting is prohibited from possessing any ownership, directly or indirectly, in any racing animal racing during the meeting.

(2) Wagering. Veterinarians licensed by the commission as veterinarians are prohibited from placing any wager of money or other thing of value directly or indirectly on the outcome of any race conducted at the meeting at which the veterinarian is furnishing professional service.

(3) Prohibition of furnishing injectable materials. No veterinarian shall within the facility premises furnish, sell, or loan any hypodermic syringe, needle, or other injection device, or any drug, narcotic, or prohibited substance to any other person unless with written permission of the stewards.

b. The use of other than single-use disposable syringes and infusion tubes on facility premises is prohibited. Whenever a veterinarian has used a hypodermic needle or syringe, the veterinarian shall destroy the needle and syringe and remove the needle and syringe from the facility premises.

c. Veterinarians must submit daily to the commission veterinarian on a prescribed form a report of all procedures, medications and other substances which the veterinarian prescribed, administered, or dispensed for racing animals registered at the current race meeting as provided in Iowa Code section 99D.25(10). Reports shall be submitted not later than noon the day following the treatments' being reported. Reports shall include the racing animal, trainer, procedure, medication or other substance, dosage or quantity, route of administration, date and time administered, dispensed, or prescribed. Reports shall be signed by the practicing veterinarian.

d. Within 20 minutes following the administration of furosemide, the veterinarian must deliver to the commission veterinarian or commission representative a signed affidavit certifying information regarding the treatment of the horse. The statement must include, at a minimum, the name of the practicing veterinarian, the tattoo number of the horse, the location of the barn and stall where the treatment occurred, the race number of the horse, the name of the trainer, and the time that the furosemide was administered. This affidavit must be signed by the trainer or trainer's designee who witnessed the administration of furosemide. The veterinarian shall not administer the furosemide if a witness is not present. Furosemide shall only be administered (by a single intravenous injection) in a dose level allowed by Iowa Code section 99D.25A, subsection 7.

e. Each veterinarian shall report immediately to the commission veterinarian any illness presenting unusual or unknown symptoms in a racing animal entrusted into the veterinarian's care.

f. Practicing veterinarians may have employees licensed as veterinary assistants working under their direct supervision. Activities of these employees shall not include direct treatment or diagnosis of any animal. The practicing veterinarian must be present if a veterinary assistant is to have access

to injection devices or injectables. The practicing veterinarian shall assume all responsibility for a veterinary assistant.

g. Equine dentistry is considered a function of veterinary practice by the Iowa veterinary practice Act. Any dental procedures performed at the facility must be performed by a licensed veterinarian or a licensed veterinary assistant.

h. Unless approved by the commission veterinarian, veterinarians shall not have contact with an entered horse on race day except for the administration of furosemide.

491—11.2(99F) Conduct of all gambling games.

11.2(1) *Commission policy.* It is the policy of the commission to require that all facilities conduct gambling games in a manner suitable to protect the public health, safety, morals, good order, and general welfare of the state. Responsibility for the employment and maintenance of suitable methods of operation rests with the facility. Willful or persistent use or toleration of methods of operation deemed unsuitable in the sole discretion of the commission will constitute grounds for disciplinary action, up to and including license revocation.

- b. Permitting persons who are visibly intoxicated to participate in gaming activity.

491—11.3(99F) Gambling games approved by the commission. The commission may approve a gambling game by administrative rule, resolution, or motion.

491—11.4(99F) Approval for distribution, operation, or movement of gambling games and implements of gambling.

11.4(1) *Approval.* Prior to distribution, a distributor shall request that the administrator inspect, investigate, and approve a gambling game or implement of gambling for compliance with commission rules and the standards required by a commission-designated independent testing facility. The distributor, at its own expense, must provide the administrator and independent testing facility with information and product sufficient to determine the integrity and security of the product, including independent testing conducted by a designated testing facility. The commission shall designate up to two independent testing facilities for the purpose of certifying electronic gambling games or implements of gambling.

11.4(2) *Trial period.* Prior to or after commission approval and after completing a review of a proposed gambling game, the administrator may require a trial period of up to 180 days to test the gambling game in a facility. During the trial period, minor changes in the operation or design of the gambling game may be made with prior approval of the administrator. During the trial period, a gambling game distributor shall not be entitled to receive revenue of any kind from the operation of that gambling game.

11.4(3) *Gambling game submissions.* Prior to conducting a commission-authorized gambling game or for a trial period, a facility shall submit proposals for game rules, procedures, wagers, shuffling procedures, dealing procedures, cutting procedures, and payout odds. The gambling game submission, or requests for modification to an approved submission, shall be in writing and approved by the administrator or a commission representative prior to implementation.

11.4(4) *Public notice.* The public shall have access to the rules of play, payout schedules, and permitted wagering amounts. Signage shall be conspicuously posted on the gaming floor to direct patrons to the gaming floor area where this information can be viewed. All participants in all licensed gambling games are required to know and follow the rules of play. No forms of cheating shall be permitted.

11.4(5) *Operation.* Each gambling game shall operate and play in accordance with the representation made to the commission and the public at all times. The administrator or commission representative may order the withdrawal of any gambling game suspected of malfunction or misrepresentation, until all deficiencies are corrected. The administrator or commission representative may require additional testing by an independent testing facility at the expense of the licensee or distributor for the purpose of complying with this subrule.

11.4(6) *Distribution, movement and disposal.*

a. Any entity providing slot machines, gambling games or implements of gambling to a licensed facility must file written notice with the commission at least five calendar days prior to receipt by the facility. A licensed facility selling or an owner removing slot machines or gambling games from the facility must file written notice with the commission at least one day prior to removal. All methods of disposal for slot machines, gambling games or implements of gambling are subject to administrator approval. Notification by facsimile or electronic mail shall be considered written notice.

b. The administrator may approve licensee transfers of slot machines, gambling games, or implements of gambling among subsidiaries of the licensee's parent company.

a. Features utilizing a controller or a system linked to gambling games that do not require direct monetary consideration and are not otherwise integrated within a slot machine game theme may be allowed as bonus features. Payouts from these bonus features may be included in winnings for the calculation of wagering tax adjusted gross receipts when the following conditions are met:

(1) The only allowable nonmonetary consideration to be expended by a participant shall be active participation in a gambling game with a bonus feature or use of a player's club card, or both.

(2) The actual bonus payout deductible in any month from all qualified system bonuses requiring no additional direct monetary consideration shall be:

1. No more than 2 percent of the coin-in for all slot machines linked to any system bonuses for that month, if slot machines linked to system bonuses exceed 20 percent of the total number of slot machines; or

2. No more than 3 percent of the coin-in for all slot machines linked to any system bonuses for that month, if slot machines linked to system bonuses are less than or equal to 20 percent of the total number of slot machines; or

a. *Proposals.* Gambling games of chance involving prizes awarded to participants through promotional activities shall be authorized and approved by the commission. Before a facility may conduct such gambling games, all proposals for terms, game rules, prizes, dates of operation and procedures for any gambling games of chance involving prizes awarded through promotional activities shall be submitted in writing to a commission representative for approval. The written submission shall be submitted to the commission representative at least 14 days in advance of the planned activity. Any changes to an approved gambling game of chance involving prizes awarded to participants through promotional activities shall also require the approval of the commission representative. Rules, fees, and a schedule of prizes must be made available to the player prior to entry.

11.6(2) *Limits.* Tournaments must be based on gambling games authorized by the commission. Entry fees, less prizes paid, are subject to the wagering tax pursuant to Iowa Code section 99F.11. In determining adjusted gross receipts, to the extent that prizes paid out exceed entry fees received, the facility shall be deemed to have paid the fees for the participants.

11.6(3) *Tournament chips.* Tournament chips used as wagers in table game tournament proposals approved pursuant to this rule shall be imprinted with a number representing the value of the chip or shall be assigned a value. The facility shall provide that:

Any other fee collected to participate in a table game shall be subject to the wagering tax pursuant to Iowa Code section 99F.11.

11.7(3) Craps.

a. Wagers must be made before the dice are thrown. “Call bets,” or the calling out of bets between the time the dice leave the shooter’s hand and the time the dice come to rest, not accompanied by the placement of gaming chips, are not allowed. A wager made on any bet may be removed or reduced at any time prior to a roll that decides the outcome of such wager unless the wager is a “Pass” or “Come” bet and a point has been established with respect to such bet or the wager is a proposition bet contingent on multiple rolls.

b. The shooter shall make a “Pass” or “Don’t Pass” bet and shall handle the two selected dice with one hand before throwing the dice in a simultaneous manner.

c. Each die used shall be transparent.

11.7(4) Twenty-one.

a. Before the first card is dealt for each round of play, each player shall make a wager against the dealer. Once the first card of any hand has been dealt by the dealer, no player shall handle, remove, or alter any wagers that have been made until a decision has been rendered and implemented with respect to that wager. Once a wager on the insurance line, a wager to double down, or a wager to split pairs has been made and confirmed by the dealer, no player shall handle, remove, or alter the wagers until a decision has been rendered and implemented with respect to that wager, except as explicitly permitted. A facility or licensee shall not permit any player to engage in conduct that violates this paragraph.

b. At the conclusion of a round of play, all cards still remaining on the layout shall be picked up by the dealer in a prescribed order and in such a way that they can be readily arranged to indicate each player’s hand in case of question or dispute. The dealer shall pick up the cards beginning with those of the player to the far right and moving counterclockwise around the table. The dealer’s hand will be the last hand collected. The cards will then be placed on top of the discard pile. No player or spectator shall remove or alter any cards used to game at twenty-one or be permitted to do so by a casino employee.

c. Each player at the table shall be responsible for correctly computing the point count of the player’s hand. No player shall rely on the point counts announced by the dealer without checking the accuracy of such announcement.

11.7(5) Roulette.

a. No person at a roulette table shall be issued or permitted to game with nonvalue gaming chips that are identical in color and design to value gaming chips or to nonvalue gaming chips being used by another person at that same table.

b. Each player shall be responsible for the correct positioning of the player’s wager on the roulette layout, regardless of whether the player is assisted by the dealer. Each player must ensure that any instructions the player gives to the dealer regarding the placement of the player’s wager are correctly carried out.

c. Each wager shall be settled strictly in accordance with its position on the layout when the ball falls to rest in a compartment of the wheel.

The entire amount of the table rake is subject to the wagering tax pursuant to Iowa Code section 99F.11. Proposals for imprest dealer gaming chip banks must be submitted in writing and approved by

a commission representative prior to use and must include, but not be limited to, controls to regularly monitor, investigate, and report table bank variances.

b. All games shall be played according to table stakes game rules as follows:

(1) Only gaming chips or coins on the table at the start of a deal shall be in play for that pot.

(2) Concealed gaming chips or coins shall not play.

(3) A player with gaming chips may add additional gaming chips between deals, provided that the player complies with any minimum buy-in requirement.

(4) A player is never obliged to drop out of contention because of insufficient gaming chips to call the full amount of a bet, but may call for the amount of gaming chips the player has on the table. The excess part of the bet made by other players is either returned to the players or used to form a side pot.

c. Each player in a poker game is required to act only in the player's own best interest. The facility has the responsibility of ensuring that any behavior designed to assist one player over another is prohibited. The facility may prohibit any two players from playing in the same game.

d. Poker games where winning wagers are paid by the facility according to specific payout odds or pay tables are permitted.

e. The facility shall comply with and receive approval pursuant to subrule 11.4(3) for each type of poker game offered.

f. The facility may elect to offer a jackpot award generated from pot contributions at a table or group of tables for predesignated high-value poker hands, subject to the following requirements:

(1) Approval of the jackpot award rules must be obtained from a commission representative prior to play.

(2) Jackpot award rules and jackpot award amounts shall be posted in a conspicuous location within the poker room. Jackpot award amounts shall be updated no less than once per day.

(3) The facility shall divide pot contributions for any single qualifying award circumstance or event into no more than three jackpot award pools.

(4) The jackpot award pool containing the highest monetary value amount shall be the amount posted in the poker room and awarded to a qualifying player or players.

(5) If additional jackpot award pools are in use, the award pool containing the highest monetary value shall be used to seed the primary jackpot award pool.

(6) All moneys collected as pot contributions to a jackpot award payout shall be distributed in their entirety to the players; no facility shall charge an administration fee for distribution of a jackpot award.

11.7(8) Baccarat. Before the first card is dealt for each round of play, each player is permitted to make a wager on the Banker's Hand, Player's Hand, Tie Bet, and any proposition bet if offered. All wagers shall be made by placing gaming chips on the appropriate areas of the layout. Once the first card has been dealt by the dealer, no player shall handle, remove, or alter any wagers that have been made until a decision has been rendered and implemented with respect to that wager.

11.8(1) Keno shall be conducted using an automated ticket writing and redemption system where a game's winning numbers are selected by a random number generator.

11.8(2) Each game shall consist of the selection of 20 numbers out of 80 possible numbers, 1 through 80.

11.8(8) Adjusted gross receipts from keno games shall be the difference between dollar value of tickets written and dollar value of winning tickets as determined from the automated keno system. The wagering tax pursuant to Iowa Code section 99F.11 shall apply to adjusted gross receipts of keno games.

11.8(9) An area of a facility shall not be designated as gaming floor for the sole purpose of keno runners, who accept patron wagering funds remotely from the keno game location.

a. A slot machine game's theoretical payout must be at least 80 percent and no more than 100 percent of the amount wagered. The theoretical payout percentage is determined using standard methods of probability theory. Slot machine games with a bonus feature that is available with varying payouts based on the player's ability shall be allowed if the difference between the minimum and maximum payout for all ability-based outcomes does not exceed a 4 percent contribution to the overall theoretical payout of the slot machine game.

A cash equivalent value shall be at least 75 percent of the fair market value of the merchandise or thing of value offered.

c. Devices, equipment, features, and capabilities, as may be required by the commission, that are specific to each slot machine after the prototype model is approved by the commission.

11.9(3) Storage media. Hardware media devices which contain game functions or characteristics, including but not limited to pay tables and random number generators, shall be verified and sealed with evidence tape by a commission representative prior to being placed in operation, as determined by the administrator.

11.9(4) Posting of the actual aggregate payout percentage. The actual aggregate payout percentage to the nearest one-tenth of 1 percent (0.1%) of all slot machine games in operation during the preceding three calendar months shall be posted at the main casino entrance, cashier cages, and slot booths by the fifteenth day of each calendar month. For the purpose of this calculation, the actual aggregate payout percentage shall be the slot revenue reported to the commission during the preceding three calendar months divided by the slot coin-in reported to the commission during the preceding three calendar months subtracted from 100 percent.

11.9(5) Communication equipment. Equipment must be installed in each slot machine that allows for communication to an online monitoring and control system accessible, with read-only access, to the commission representatives using a communications protocol provided to each licensed manufacturer by the commission for the information and control programs approved by the administrator.

11.9(6) Meter clears. Prior to the clearing of electronic accounting meters detailed in paragraph 11.10(2) "c," a licensee must notify a commission representative. All meters recorded by the game must be retained according to the requirements in 491—subrule 5.4(14).

[ARC 8029B, IAB 8/12/09, effective 9/16/09; ARC 9018B, IAB 8/25/10, effective 9/29/10]

j. A payglass/video display shall be clearly identified and shall accurately state the rules of the game and the award that will be paid to the player when the player obtains a specific combination of symbols or other criteria. All information required in this paragraph must be available and readable at all times the slot machine is in service.

k. A light that automatically illuminates when a player has won an amount or is redeeming credits that the machine cannot automatically pay, an error condition has occurred, or a "Call attendant" condition has been initiated by the player shall be located conspicuously on top of the gaming device. At the discretion of the administrator, tower lights may be shared among certain machines or substituted by an audible alarm.

l. If credits are collected and the total credit value is unable to be paid automatically by the gaming device, the device shall lock up until the credits have been paid and the amount collected has been cleared by an attendant handpay or normal operation has been restored.

[ARC 8029B, IAB 8/12/09, effective 9/16/09]

491—11.11(99F) Slot machine specifications. Rescinded IAB 8/12/09, effective 9/16/09.

491—11.12(99F) Progressive slot machines.

11.12(1) Meter required. A progressive machine is a slot machine game with an award amount that increases based on a function of credits bet on the slot machine and that is awarded when a particular configuration of symbols or events is displayed on the slot machine. Random events generating awards independent of the base slot machine game and not dependent on any specific slot machine game shall be considered bonus features. A progressive slot machine or group of linked progressive slot machines must have a meter showing the progressive jackpot payout.

11.12(2) Progressive controllers. The reset or base value and the rate of increment of a progressive jackpot game must be filed with a commission representative prior to implementation. A reset or base value must equal or exceed the equivalent nonprogressive jackpot payout.

11.12(3) Limits. A facility may impose a limit on the progressive jackpot payout of a slot machine if the limit imposed is greater than the progressive jackpot payout at the time the limit is imposed. The facility must prominently display a notice informing the public of the limit. No progressive meter may be turned back to a lesser amount unless one of the following circumstances occurs:

- a. The amount shown on the progressive meter is paid to a player as a jackpot.
- b. It is necessary to adjust the progressive meter to prevent it from displaying an amount greater than the limit imposed by the facility.
- c. It is necessary to change the progressive indicator because of game malfunction.

11.12(4) *Transfer of jackpots.* In the event of malfunction, replacement, or other reason approved by the commission, a progressive jackpot that is removed shall be transferred, less the reset value, to other progressive slot machine jackpots of similar progressive wager and probability at the same facility within 30 days from the removal date. In the event a similar progressive jackpot at the same facility is unavailable, other transfers shall be allowed. A commission representative shall be notified in writing prior to a removal or transfer.

11.12(5) *Records required.* Records must be maintained that record the amount shown on a progressive jackpot meter. Supporting documents must be maintained to explain any reduction in the payoff amount from a previous entry. The records and documents must be retained for a period of three years unless permission to destroy them earlier is given in writing by the administrator.

11.12(6) *Transfer of progressive slot machines.* A progressive slot machine, upon permission of the administrator, may be moved to a different facility if a bankruptcy, loss of license, or other good cause warrants.

11.12(7) *Linked machines.* Each machine on the link shall have the same probability of winning the progressive jackpot, adjusted for the total amount wagered. The product of the odds of winning the progressive jackpot multiplied by the maximum amount wagered shall be equal for all games on the link.

11.12(8) *Wide area progressive systems.* A wide area progressive system is a method of linking progressive slot machines or electronic gaming machines across telecommunication lines as part of a network connecting participating facilities. The purpose of a wide area progressive system is to offer a common progressive jackpot (system jackpot) at all participating locations. The operation of a wide area progressive system (multilink) is permitted subject to the following conditions:

- a. The method of communication over the multilink must consist of dedicated on-line communication lines (direct connect) or equivalent as determined by the administrator, dial-tone lines, or wireless communication which may be subject to certain restrictions imposed by the administrator.
- b. All communication between each facility location and the central system site must be encrypted.
- c. All meter reading data must be obtained in real time in an on-line automated fashion. When requested to do so, the system must return meter readings on all slot machines or electronic gaming machines attached to the multilink within a reasonable time of the meter acquisition request. Manual reading of meter values may not be substituted for these requirements. There is no restriction as to the acceptable method of obtaining meter reading values, provided that the methods consist of either pulses from any machine computer board or associated wiring, or the use of serial interface to the machine's random access memory (RAM) or other nonvolatile memory.
- d. The multilink must have the ability to monitor entry into the front door of the machine as well as the logic area of the machine and report such data to a central system.
- e. The central system site must be located in the state of Iowa, be equipped with a noninterruptible power supply, and the central computer must be capable of on-line data redundancy should hard disk peripherals fail during operation. The office containing the central computer shall be equipped with a surveillance system that has been approved by the administrator. Any person authorized to provide a multilink shall be required to keep and maintain an entry and exit log for the office containing the central computer. Any person authorized to provide a multilink shall provide access to the office containing the central computer to the administrator and shall make available to the administrator all books, records, and information required by the administrator in fulfilling its regulatory purpose.
- f. Any person authorized to provide a multilink must suspend play on the multilink if a communication failure of the system cannot be corrected within 24 consecutive hours.
- g. Approval by a commission representative of any multilink shall occur only after the administrator has reviewed the multilink software and hardware and is satisfied that the operation of the system meets accepted industry standards for multilink products, as well as any other requirements that the administrator may impose to ensure the integrity, security, and legal operation of the multilink.

h. A meter that shows the amount of the system jackpot must be conspicuously displayed at or near the machines to which the jackpot applies. The system jackpot meter need not precisely show the actual moneys in the system jackpot award at each instant. Nothing shall prohibit the use of odometer or other paced updating progressive displays. In the case of the use of paced updating displays, the system jackpot meter must display the winning value after the jackpot broadcast is received from the central system, providing the remote site is communicating to the central computer. If a system jackpot is recognized in the middle of a systemwide poll cycle, the system jackpot display may contain a value less than the aggregated amount calculated by the central system. The coin values from the remaining portion of the poll cycle will be received by the central system but not the local site, in which case the system jackpot amount paid will always be the higher of the two reporting amounts.

i. When a system jackpot is won, a person authorized to provide the multilink shall have the opportunity to inspect the machine, storage media, the error events received by the central system, and any other data which could reasonably be used to ascertain the validity of the jackpot.

(1) The central system shall produce reports that will clearly demonstrate the method of arriving at the payoff amount. This shall include the coins contributed beginning with the polling cycle immediately following the previous jackpot and will include all coins contributed up to, and including, the polling cycle, which includes the jackpot signal. Coins contributed to and registered by the system before the jackpot message is received will be deemed to have been contributed to the progressive amount prior to the current jackpot. Coins contributed to the system subsequent to the jackpot message's being received as well as coins contributed to the system before the jackpot message is received by the system, but registered after the jackpot message is received at the system, will be deemed to have been contributed to the progressive amount of the next jackpot.

(2) The system jackpot may be disbursed in periodic payments as long as each machine clearly displays the fact that the jackpot will be paid in such periodic payments. In addition, the number of periodic payments and time between payments must be clearly displayed on the face of the slot machine in a nonmisleading manner.

(3) Two system jackpots which occur in the same polling cycle before the progressive amount can reset will be deemed to have occurred simultaneously; therefore, each winner shall receive the full amount shown on the system jackpot meter.

j. Any person authorized to provide a multilink must supply to the commission, as requested, reports which support and verify the economic activity of the system.

(1) Any person authorized to provide a multilink must supply to the commission, as requested, reports and information indicating the amount of, and basis for, the current system jackpot. Such reports may include an aggregate report and a detail report. The aggregate report may show only the balancing of the system with regard to systemwide totals. The detail report shall be in such form as to indicate for each machine, summarized by location, the coin-in totals as such terms are commonly understood in the industry.

(2) In addition, upon the invoicing of any facility participating in a multilink, each such facility must be given a printout of each machine operated by that facility, the coins contributed by each machine to the system jackpot for the period for which an invoice is remitted, and any other information required by the commission to confirm the validity of the facility's contributions to the system jackpot.

k. In calculating adjusted gross receipts, a facility may deduct its pro-rata share of the present value of any system jackpots awarded. Such deduction shall be listed on the detailed accounting records provided by the person authorized to provide the multilink. A facility's pro-rata share is based on the number of coins in from that facility's machines on the multilink, compared to the total amount of coins in on the whole system for the time period(s) between jackpot(s) awarded.

l. In the event a facility ceases operations and a progressive jackpot is awarded subsequent to the last day of the final month of operation, the facility may not file an amended wagering tax submission or make a claim for a wagering tax refund based on its contributions to that particular progressive prize pool.

m. A facility, or an entity that is licensed as a manufacturer or distributor, shall provide the multilink, in accordance with a written agreement which shall be reviewed and approved by the commission prior to offering the jackpots.

n. The payment of any system jackpot offered on a multilink shall be administered by the person authorized to provide the multilink, and such person shall have primary liability for payment of any system jackpot the person administers. In addition, any facility shall have secondary liability for the payment of system jackpots won on a multilink in which the licensee is or was a participant if and to the extent that the person authorized to provide the multilink fails to make payment when due.

o. A person who is authorized to provide the multilink shall comply with the following:

(1) A reserve shall be established and maintained by the provider of the multilink in an amount of not less than the sum of the following amounts:

1. The present value of the aggregate remaining balances owed on all jackpots previously won by patrons on the multilink.

2. The present value of the amount currently reflected on the jackpot meters of the multilink.

3. The present value of one additional reset (start amount) of the multilink.

(2) The reserve shall continue to be maintained until all payments owed to winners of the system jackpots have been made.

(3) For system jackpots disbursed in periodic payments, any qualified investment shall be purchased within 90 days following notice of the win of the system jackpot, and a copy of such qualified investment will be provided to the commission office within 30 days of purchase. Any qualified investment shall have a surrender value at maturity, excluding any interest paid before the maturity date, equal to or greater than the value of the corresponding periodic jackpot payment, and shall have a maturity date prior to the date the periodic jackpot payment is required to be made.

(4) The person authorized to provide the multilink shall not be permitted to sell, trade, or otherwise dispose of any qualified investments prior to their maturity unless approval to do so is first obtained from the commission.

(5) Upon becoming aware of an event of noncompliance with the terms of the reserve requirement mandated by subparagraph (1) above, the person authorized to provide the multilink must immediately notify the commission of such event. An event of noncompliance includes a nonpayment of a jackpot periodic payment or a circumstance which may cause the person authorized to provide the multilink to be unable to fulfill, or which may otherwise impair the person's ability to satisfy, the person's jackpot payment obligations.

(6) On a quarterly basis, the person authorized to provide the multilink must deliver to the commission office a calculation of system reserves required under subparagraph (1) above. The calculation shall come with a certification of financial compliance signed by a duly authorized financial officer of the person authorized to provide the multilink, on a form prescribed by the commission, validating the calculation.

(7) The reserve required under subparagraph (1) must be examined by an independent certified public accountant according to procedures approved by the commission. Two copies of the report must be submitted to the commission office within 90 days after the conclusion of the fiscal year of the person authorized to provide the multilink.

p. For system jackpots disbursed in periodic payments, subsequent to the date of the win, a winner may be offered the option to receive, in lieu of periodic payments, a discounted single cash payment in the form of a "qualified prize option," as that term is defined in Section 451(h) of the Internal Revenue Code. The person authorized to provide the multilink shall calculate the single cash payment based on the discount rate. Until the new discount rate becomes effective, the discount rate selected by the person authorized to provide the multilink shall be used to calculate the single cash payment for all qualified prizes that occur subsequent to the date of the selected discount rate.

g. Any and all changes in the applicant's legal structure, directors, officers, or the respective ownership interests must be promptly filed with the administrator.

h. The administrator may deny, suspend, or revoke the license of an applicant or licensee in which a director, corporate officer, or holder of a beneficial interest includes or involves any person or entity which would be, or is, ineligible in any respect, such as through want of character, moral fitness, financial responsibility, professional qualifications, or due to failure to meet other criteria employed by the administrator, to participate in gaming regardless of the percentage of ownership interest involved. The administrator may order the ineligible person or entity to terminate all relationships with the licensee or applicant, including divestiture of any ownership interest or beneficial interest at acquisition cost.

11.13(7) Violation of laws or regulations. Violation of any provision of any laws of the state or of the United States of America or of any rules of the commission may constitute an unsuitable method of operation, subjecting the licensee to limiting, conditioning, restricting, revoking or suspending the license, or fining the licensee, or any combination of the above.

11.13(8) Consent to inspections, searches, and seizures. Each manufacturer or distributor licensed under this chapter shall consent to inspections, searches, and seizures deemed necessary by the administrator and authorized by law in order to enforce licensing requirements.

For the removal of chips from the gaming table, the request shall be signed at the gaming table by the security employee, or other employee authorized by the internal controls, prior to the transfer of gaming chips and slips required by paragraph 12.7(6) "b" and shall be placed in the container when the slip signed by the cashier has been returned to the gaming table.

b. Slips shall be prepared by cashiers in the cage using a three-part serially prenumbered form in a locked dispenser. The dispenser shall discharge two copies of the slip that have been filled out and signed by the cashier and shall retain the third copy in a continuous form in the dispenser. The same procedures shall be followed and the same set of signatures shall be utilized as required by subrules 12.7(2) and 12.7(3).

c. The copies remaining in the dispenser shall be removed each gaming day where a manual process had to be performed for gaming chip movements and to replace the stored data used pursuant to subrule 12.7(4). Access to the locked dispenser shall be maintained and controlled by independent employees responsible for accounting for the unused slips, placing slips in the dispensers, and removing slips from the dispensers.

12.7(7) Modifications. Modifications to the procedures described in subrules 12.7(2), 12.7(3), and 12.7(4) may be substituted as internal controls, subject to the approval process of subrule 12.3(2), if the procedures comply with the intent of this rule.

12.7(8) Voided transactions. Whenever it becomes necessary to void a slip, all copies shall be clearly marked “void” and shall require the signature of the preparer. All void slips shall be maintained and controlled in conformity with subrules 12.7(2), 12.7(3), and 12.7(5).

12.15(4) Requirements for conducting the count.

a. Immediately prior to the commencement of the count, the count team shall notify the person assigned to the surveillance room that the count is about to begin, after which the surveillance department shall make a video recording with the time and date inserted thereon of the entire counting process.

b. Prior to counting the contents of the containers, the doors to the count room shall be locked and no person shall be permitted to enter or leave the count room, except during an emergency or on scheduled breaks, until the entire counting, recording, and verification process is completed. During this time, a commission representative shall have unrestricted access.

c. When a container is placed on a count table or coin scale, the count team shall ensure that the table or machine number associated with a container is identified to the surveillance department.

d. A machine may be used to automatically count the contents of a container.

e. The contents of each container shall be emptied on the count table or coin scale and either manually counted separately on the count table or counted in an approved currency counting machine located in a conspicuous location on, near, or adjacent to the count table or coin scale. These procedures shall at all times be conducted in full view of the closed circuit surveillance cameras located in the count room.

f. Immediately after the contents of a container are emptied onto the count table or coin scale, the inside of the container shall be held up to the full view of a closed circuit surveillance camera and shall be shown to at least one other count team member to ensure all contents of the container have been removed and, if applicable, the container shall then be locked. By the end of the count process, empty containers shall be secured in a container cart or an area separate from uncounted containers.

g. If the original count is being performed by a machine that automatically counts and records the amounts of the contents of each individual container, an aggregate count may be permitted in substitution of a second container count.

h. For manually counted containers:

(1) The count team members shall place the contents of each container into separate stacks on the count table by denomination of currency and by type of form, record, or document, except that a machine may be used to automatically sort currency by denomination.

(2) Each denomination of currency shall be counted separately by one count team member who shall group currency of the same denomination on the count table in full view of a closed circuit surveillance camera. The currency shall then be counted by a second count team member who is unaware of the result of the original count. The second count team member, after completing this count, shall confirm the accuracy of the total, either orally or in writing, with that reached by the first count team member.

12.15(5) Table games.

a. As the contents of each container from a table game are counted, one count team member shall record the following information by game, table number, date, and time on a master game report or supporting documents:

c. Notwithstanding the requirements of paragraphs 12.15(5) “*a*” and “*b*,” if the internal controls allow for the recording of fills, credits, and table inventory slips on the master game report or supporting documents prior to commencement of the count, a count team member shall compare for agreement the totals of the amounts recorded thereon to the fills, credits, and table inventory slips removed from the containers.

d. After preparation of the master game report, each count team member shall sign the report attesting to the accuracy of the information contained thereon.

e. Currency and gaming chips shall not be removed from the count room after commencement of the count until the total has been verified and accepted by a cashier. At the conclusion of the count, all currency and gaming chips removed from the containers shall be counted by a cashier in the presence of a count team member prior to having access to the information recorded on the master game report. The cashier shall attest to the accuracy of the amount received from the gaming tables by signature on the master game report, after which a count team member shall sign the master game report evidencing the fact that both the cashier and count team have agreed on the total counted. The verified funds shall then remain in the custody of the cashier.

f. After the master game report has been signed, the requests, slips, and table inventory slips removed from the containers shall be attached. The report, with attachments, shall then be transported directly to the accounting department or shall be maintained in locked storage until the master game report can be delivered to the accounting department. Upon meeting the signature requirements described in paragraph 12.15(5) “*e*,” the report shall not be available to any cashier’s cage personnel.

g. Unless the internal controls provide for the forwarding of the original requests and original slips from the cashier’s cage directly to the accounting department, the original requests and original slips recorded or to be recorded on the master game report shall be transported from the count room directly to the accounting department.

h. The originals and copies of the master game report, requests, slips, table inventory slips, and the test receipts from the currency counting equipment shall, on a gaming day basis in the accounting department, be:

- (2) Reviewed for the appropriate number and propriety of signatures on a test basis.
- (3) Accounted for by series numbers, if applicable.
- (4) Verified for proper calculation, summarization, and recording.
- (5) Recorded.
- (6) Maintained and controlled by the accounting department as a permanent accounting record.

12.15(6) Slot machines.

a. Currency shall not be removed from the count room after commencement of the count until the currency total has been verified and accepted by a cashier. At the conclusion of the count, all currency removed from the containers shall be counted by a cashier in the presence of a count team member prior to the recording of information on the slot drop sheet. The cashier shall attest to the accuracy of the amount of currency received from the slot machines by signature on the slot drop sheet, after which a count team member shall sign the slot drop sheet evidencing the fact that both the cashier and count team have agreed on the total amount of currency counted. The verified funds shall remain in the custody of the cashier.

b. The slot drop sheet and supporting documents shall be transported directly to the accounting department and shall not be available, except for signing, to any cashier's cage or slot personnel or shall be maintained in locked storage until they can be delivered to the accounting department.
