493—1.1(13B) Scope. This chapter sets forth the organizational structure of the state public defender system and describes its purpose. Definitions of terms used in this chapter can be found in 493—Chapter 7. [ARC 9500C, IAB 8/20/25, effective 9/24/25]

493—1.2(13B) Function. The position of state public defender is established by Iowa Code chapter 13B. The state public defender is charged with the supervision of the operation of the state public defender system and with the coordination of the provision of legal defense representation of indigent persons in the state of Iowa.

[ARC 9500C, IAB 8/20/25, effective 9/24/25]

493—1.3(13B) Overall organization and method of operations.

1.3(1) State public defender system. The state public defender system is administered by the state public defender. The system consists of three divisions: an administrative division, a local public defender division, and an appellate division.

1.3(2) Types of cases. Based on statutes and appropriate case law, the state public defender system provides representation for persons found to be indigent in the following types of cases:

- a. Felonies;
- b. Misdemeanors, if an accused faces the possibility of imprisonment under the applicable criminal statute or ordinance;
- c. Juvenile matters, including delinquency, termination of parental rights, child in need of assistance (CINA), judicial bypass proceedings, filing by an indigent party of an adoption petition under Iowa Code section 600.3 to adopt a child who was the subject of a termination of parental rights proceeding under Iowa Code chapter 232, and juvenile commitments;
- d. Probation and parole revocation cases;
- e. Civil commitment proceedings under Iowa Code chapter 229A; and
- f. Other matters authorized by law.

1.3(3) State public defender. The state public defender is appointed by the governor, subject to confirmation by the senate. The state public defender is the chief administrative officer of the state public defender system and in that capacity coordinates the legal representation of indigent clients in criminal, juvenile and related cases in Iowa. The duties of the state public defender include but are not limited to:

- a. Supervising the operations of the local public defender offices;
- b. Acting as chief legal officer of the state public defender system;
- c. Preparing and submitting the annual budget, personnel and employment policies and preparing an annual report of the activities of the office;
- d. Determining locations for establishing future local public defender offices;
- e. All other duties as set forth in Iowa Code section 13B.4.

1.3(4) Administrative division. The administrative division carries out all the duties of the state public defender, including but not limited to budget preparation, processing claims for payment of public defender-related costs and expenses, coordinating hiring and disciplinary matters, maintaining statistics regarding case management and handling of cases, and all other administrative matters.

1.3(5) Local public defender division.

a. The local public defender division provides legal representation at the trial level to qualified persons charged with adult crimes or in juvenile matters in counties where local public defender services are provided. The division also provides representation to qualified persons in juvenile appeals and in civil commitment proceedings under Iowa Code chapter 229A at the trial and appellate levels and in any other matters authorized by law.

b. The local public defender division consists of independent local offices and branch offices. Each independent local office is under the direct supervision of a local public defender. A local public defender may supervise a branch office. If so, the branch office may be considered part of the local office.

1.3(6) *Appellate division.* The appellate division is administered by the state appellate defender, who reports directly to the state public defender. The appellate division provides legal representation to indigent clients in posttrial matters in the appellate courts of the state of Iowa.

- f. Misdemeanor cases, probation and parole revocation cases, contempt proceedings, and any other adult criminal or civil cases for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level.

11.2(5) Written approval required. A contract can only be in force and effect when a contract acceptance form is signed by the contracting attorney and approved by the state public defender. The approved contract is only effective for those types of cases and those counties requested by the attorney and approved by the state public defender in writing on the acceptance and approval form, renewal form, or a subsequent written amendment. Nevertheless, a contract covering appellate cases is effective for all 99 counties.

11.2(6) Independent contractor. The contracting attorney shall be an independent contractor and shall not be an agent or employee of the state of Iowa. The attorney shall exercise the attorney's best independent professional judgment on behalf of clients to whom the attorney is assigned.

11.2(7) Notification to clerks. On a monthly basis, the state public defender shall notify the clerks of court in each county of those attorneys who have an approved contract for each type of case in each respective county.

11.2(8) Contract terms. A contract between the state public defender and an attorney shall cover but is not limited to the following subjects:

- a. The types of cases in which the attorney is to provide services;
- b. The counties in which the attorney is to provide services;
- c. The term of the contract and the responsibility of the attorney for provision of services in cases undertaken pursuant to the contract;

- d. Identification of the attorney who will perform legal representation under the contract;
- e. A prohibition against assignment of the obligations undertaken pursuant to the contract and a description of the manner in which temporary substitute counsel may be utilized;
- f. The qualifications of the contracting attorney to undertake legal representation pursuant to the contract;
- g. A description of the compensation to be paid and the manner of payment;
- h. A description of any expenses that may be provided under the contract;
- i. A description of the recordkeeping and reporting requirements under the contract;
- j. A description of the manner in which the contract may be terminated;
- k. A description of the manner of disposition of ongoing obligations following termination of the contract.

11.2(9) Compensation. Unless the contract provides for a different rate or manner of payment, the attorney shall be compensated pursuant to Iowa Code section 815.7.

11.2(10) Contract form. Unless the attorney and state public defender agree in writing to vary the terms of the contract between them, the terms contained in the Indigent Defense Legal Services Contract No. 493-14 shall constitute the agreement between the parties for the provision of legal services.

11.2(11) No guarantee of appointments. An attorney under contract with the state public defender is not guaranteed any minimum number of court appointments. The process by which attorneys under contract with the state public defender are appointed to specific cases is governed by Iowa Code chapters 814 and 815. The state public defender shall retain sole authority to determine the length of each contract or contract renewal.

[ARC 9508C, IAB 8/20/25, effective 9/24/25]

493—11.3(13B) Attorney minimum qualifications. To be eligible to contract with the state public defender for a type of case, the attorney must meet the minimum qualification requirements established by this rule for the particular type of case. Prior to contracting with the state public defender, an attorney shall certify the attorney's compliance with these requirements and, prior to renewal of the contract, shall certify compliance with any ongoing requirements. Satisfying these minimum requirements does not guarantee an attorney a contract with the state public defender. The state public defender retains the discretion to deny or terminate contracts if the state public defender determines that such action is in the best interests of the state.

11.3(1) Juvenile cases. To be eligible to contract to represent indigent persons in juvenile cases, including juvenile petitions on appeal, an attorney must be in compliance with Rule 8.36 of the Iowa Rules of Juvenile Procedure, regardless of whether the attorney seeks to represent parents or children or serve as guardian ad litem in juvenile court. An attorney contracting to represent indigent persons in juvenile cases must:

- a. Participate in three hours of continuing legal education related to juvenile court proceedings prior to contracting with the state public defender; and
- b. Continue to participate in three hours of continuing legal education related to juvenile court proceedings each year.

The state public defender shall review juvenile contract renewals and may apply juvenile-related continuing legal education hours in the same manner as criminal-related continuing legal education hours.

11.3(2) Appellate cases. To be eligible to contract to represent indigent persons in appellate cases, including direct appeals of criminal cases, appeals from postconviction relief proceedings, and appeals from any other case for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level except in cases where the attorney is statutorily appointed for purposes of the appeal, an attorney must:

- a. Participate in the basic criminal appeals training sponsored by the state public defender within one year of entering into the contract unless the attorney has already handled a criminal appeal in Iowa state court; and
- b. Participate in three hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract.

11.3(3) *Postconviction relief cases.* To be eligible to contract to represent indigent persons in postconviction relief cases at the trial level, an attorney must:

- a. Have practiced criminal law or served as a judicial law clerk for two years or more in any state or federal court;
- b. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract;
- c. Participate in a postconviction relief basic training sponsored by the state public defender prior to entering into the contract unless the attorney has previously handled at least three postconviction relief proceedings to completion; and
- d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in postconviction relief cases. An attorney who has not met all the requirements may provide the state public defender additional detail regarding the attorney's experience and qualifications and the circumstances preventing the attorney from meeting all the requirements, and may be approved for contracting by the state public defender at the state public defender's sole discretion.

11.3(4) *Class A felonies.* To be eligible to contract to represent indigent persons in Class A felony cases at the trial level, an attorney must:

- a. Have practiced criminal law for four years or more in any state or federal court;
- b. Have tried at least five criminal jury trials involving indictable offenses to completion either as lead counsel or as a pro bono second attorney in a criminal jury trial if the service as pro bono second attorney is approved in advance for credit under this rule by the state public defender;
- c. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract; and
- d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in Class A felony cases.

If an attorney satisfies the requirements for Class B felonies or Class C and Class D felonies, the attorney may contract to serve as the second attorney representing an indigent person in a Class A felony in a case where the first appointed attorney meets these requirements. An attorney who does not meet all the requirements may provide the state public defender additional detail regarding the attorney's experience and qualifications and the circumstances preventing the attorney from meeting all the requirements and may be approved for contracting by the state public defender at the state public defender's sole discretion.

11.3(5) *Class B felonies.* To be eligible to contract to represent indigent persons in Class B felony cases at the trial level, an attorney must:

- a. Have practiced criminal law for three years or more in any state or federal court;
- b. Have tried at least three criminal jury trials involving indictable offenses to completion either as lead counsel or as a pro bono second attorney in a criminal jury trial if the service as pro bono second attorney is approved in advance for credit under this rule by the state public defender;
- c. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract; and
- d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in Class B felony cases.

An attorney who has not met all requirements may provide the state public defender additional detail regarding the attorney's experience and qualifications and the circumstances preventing the attorney from meeting all the requirements and may be approved for contracting by the state public defender at the state public defender's sole discretion.

11.3(6) *Class C and D felonies.* To be eligible to contract to represent indigent persons in Class C and Class D felony cases at the trial level, an attorney must:

- a. Have practiced criminal law for two years or more in any state or federal court;

b. Have tried at least one criminal jury trial to completion either as lead counsel or as a pro bono second attorney in a criminal jury trial if the service as pro bono second attorney is approved in advance for credit under this rule by the state public defender;

c. Participate in five hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract and in the year prior to entering into the contract; and

d. Provide the names of at least three judges or magistrates who can discuss the qualifications and effectiveness of the attorney to represent indigent persons in Class C and Class D felony cases.

An attorney who has not met all requirements may provide the state public defender additional detail regarding the attorney's experience and qualifications and the circumstances preventing the attorney from meeting all the requirements and may be approved for contracting by the state public defender at the state public defender's sole discretion.

11.3(7) *Misdemeanor and other cases.* To be eligible to contract to represent indigent persons in misdemeanor cases, probation and parole revocation cases, contempt proceedings, and any other adult criminal or civil cases for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level, an attorney must:

a. Participate in the basic criminal defense training sponsored by the state public defender within one year of entering into the contract unless the attorney already has an active indigent defense contract or has practiced criminal law for more than two years; and

b. Participate in three hours of continuing legal education related to criminal law each calendar year in which the attorney has an active indigent defense contract.

However, an attorney who has a contract to handle any felony offense may accept appointments in misdemeanor cases, probation and parole revocation cases, and contempt cases for which counsel is statutorily authorized to be paid from the indigent defense fund at the trial level, but the attorney with the contract to handle the felony offense will not be added to the list disseminated to the clerks of court to handle misdemeanor cases, probation and parole cases, or contempt cases unless the attorney has secured an amendment to the attorney's contract to handle those types of cases.

11.3(8) *Amended charges.* An attorney who is appointed to a case that is initially within the scope of the attorney's contract but is subsequently amended to contain more serious charges that are outside the scope of the attorney's contract shall request that the court authorize the attorney's withdrawal from the case and appoint an attorney with a contract that covers the amended charges in the county in which the action was pending unless the court determines that no such attorney with an applicable contract is available or the state public defender consents to the continued representation by the original attorney.

[ARC 9508C, IAB 8/20/25, effective 9/24/25]

493—11.4(13B) Contract approval or denial.

11.4(1) The state public defender or a person designated by the state public defender may confer with judges, attorneys and others with knowledge of a potential contracting attorney's competence, effectiveness, trustworthiness, compliance with the minimum qualification requirements set forth in rule 493—11.3(13B), and ability to provide services to eligible individuals and may conduct such additional investigation as deemed warranted in the sole discretion of the state public defender. The information received may be taken into consideration in determining whether it would be in the best interests of the state to enter into an initial or renewal contract with the potential contracting attorney.

11.4(2) The state public defender or a person designated by the state public defender may hold discussions with, or otherwise obtain information from, a potential contracting attorney to determine the attorney's qualifications and ability to perform the conditions of an initial or renewal contract.

11.4(3) The state public defender or a person designated by the state public defender may hold discussions with, or otherwise obtain information from, a potential contracting attorney to establish under an initial or renewal contract the types of cases the contracting attorney will handle and the geographic area in which the cases will be handled.

11.4(4) The state public defender may decline to award an initial or renewal contract to a proposed contracting attorney if the state public defender determines that the contract would not be in the best interests of the state as described in rule 493—11.7(13B). The state public defender may limit the contract

to specific types of cases, a specified geographic area, or both. The state public defender shall give written notice of this action to the attorney. The attorney may seek reconsideration of this decision in the manner prescribed in rule 493—11.8(13B).

11.4(5) Nothing contained in this rule shall obligate the state public defender to enter into an initial or renewal contract if the state public defender determines that it is not in the best interests of the state to enter into such contract.

[ARC 9508C, IAB 8/20/25, effective 9/24/25; Editorial change: IAC Supplement 11/12/25]

493—11.5(13B) Contract renewal. Prior to renewal of any contract, the state public defender may contact judges, attorneys, court personnel, and others to determine if any existing contract is being properly fulfilled and may conduct such additional investigation as is described in rule 493—11.4(13B). If the state public defender has determined that a contract renewal is in the best interests of the state, the state public defender may offer a new contract to the contracting attorney. The contracting attorney may accept the new contract by signing the contract renewal and returning it to the state public defender prior to the date that the existing contract expires. If the contracting attorney does not sign and return the contract renewal, the contract shall terminate on its expiration date without regard to whether the contracting attorney receives any further notice. If a contracting attorney is not offered a contract renewal, the state public defender shall give the contracting attorney written notice of this action. The attorney may seek reconsideration of this decision in the manner prescribed in rule 493—11.8(13B).

[ARC 9508C, IAB 8/20/25, effective 9/24/25; Editorial change: IAC Supplement 11/12/25]

493—11.6(13B) Termination.

11.6(1) Termination at will. Either the state public defender or the contracting attorney may terminate a contract upon 30 days' advance written notice to the other party for any reason or no reason. Such termination may affect the entire contract or may relate solely to a particular county or geographical area or to a particular type of case.

11.6(2) Termination for cause.

a. License suspension or revocation. A contract for indigent defense shall automatically terminate without notice upon the suspension or revocation of the attorney's license to practice law in the state of Iowa.

b. Default. The state public defender may issue a notice of default based on any of the grounds described in rule 493—11.7(13B). A notice of default shall state the grounds of default and, if feasible, request that the contracting attorney remedy the default within ten days of the date of the notice. If the events triggering the notice of default continue to be evidenced more than ten days beyond the date of written notice, the state public defender may immediately terminate the contract without further notice by issuing a notice of termination. An attorney may seek reconsideration of the state public defender's decision to terminate a contract based on the attorney's default in the manner described in rule 493—11.8(13B).

c. Improper billing practices. The state public defender may notify the attorney that the state public defender is considering the exercise of the state public defender's contract right to terminate the contract for improper billing practices. The notification shall explain the basis for the state public defender's concern and provide the attorney at least 14 days to provide a response. After consideration of the response, the state public defender may terminate the contract for improper billing practices if the state public defender determines that the attorney has engaged in a pattern of willful, intentional, reckless, or negligent submission of false, abusive, or unreasonably excessive fee claims. An attorney may seek reconsideration of the state public defender's decision to terminate a contract for improper billing practices in the manner described in rule 493—11.8(13B).

11.6(3) Termination by mutual consent. Upon the mutual consent, confirmed in writing, of the state public defender and the contracting attorney, the contract may be terminated on less than 30 days' notice. Such termination may affect the entire contract or may relate solely to a particular county or geographical area or to a particular type of case.

[ARC 9508C, IAB 8/20/25, effective 9/24/25; Editorial change: IAC Supplement 11/12/25]

493—11.7(13B) Grounds to deny or terminate a contract. In determining whether the award, renewal, or termination of a contract is in the best interests of the state, the state public defender may take into consideration factors such as but not limited to the following:

1. The attorney's eligibility for contracting pursuant to rule 493—11.2(13B) for the type of case in which the attorney is to provide services or the attorney's failure to comply with such requirements;
2. The attorney's compliance with the terms of an existing or prior contract to represent indigent persons;
3. Any form of dishonesty or deception directed to judicial officials, the state public defender, indigent persons, other clients, or any other person in the practice of law;
4. Unprofessional or unethical conduct, or other act or omission that is or may be detrimental or harmful to indigent representation;
5. An attorney's failure to attend, or untimely attendance at, hearings, depositions, or other case-related proceedings;
6. An attorney's failure to abide by a court order, applicable statutes or administrative rules governing indigent representation, or local or state rules of procedure applicable to the cases in which the attorney has been appointed;
7. Repetitive, willful, deceptive, unexplained or uncorrected errors in claims for fees;
8. Disciplinary action against a legal or other professional license or conviction of a crime in any jurisdiction when the disciplinary action or conviction implicates an attorney's honesty, trustworthiness, or competence to practice law, or is otherwise related to the practice of indigent defense;
9. Use of alcohol or controlled substances during court proceedings or in a manner impairing competent performance;
10. Judicial orders or rulings finding that an attorney engaged in untruthful, incompetent, unprofessional, or unethical behavior in the practice of indigent defense, submission of fee claims, or otherwise in the practice of law; or
11. Any other behavior implicating an attorney's competence, effectiveness, or trustworthiness in the practice of indigent defense.

[ARC 9508C, IAB 8/20/25, effective 9/24/25]

493—11.8(13B,17A) Reconsideration.

11.8(1) *Written notice.* A request for reconsideration is perfected by giving written notice of the request for reconsideration to the state public defender within ten business days of the date of mailing of the notice of denial of an initial or renewal contract or the notice of termination. A request for reconsideration must be in writing and must specify the factual or legal errors the attorney contends were made by the state public defender. The attorney may provide such additional information, explanation or documentation as the attorney believes would be relevant to the reconsideration decision. The request for reconsideration is deemed made on the date of the United States Postal Service nonmetered postmark or the date of personal service on the state public defender.

11.8(2) *Exhaustion of administrative remedies.* A request for reconsideration of the state public defender's decision to deny or terminate a contract is an administrative prerequisite to seeking any form of judicial review pursuant to Iowa Code chapter 17A.

11.8(3) *Informal conference.* Upon receipt of a request for reconsideration, the state public defender or a person designated by the state public defender may schedule an informal conference with the attorney if in the state public defender's judgment such a conference may foster resolution of the dispute. To the extent that the participation of the state public defender or a person designated by the state public defender in an informal conference could be considered personal investigation as that term is used in Iowa Code section 17A.17, an attorney agreeing to participate in an informal conference waives the right to seek to disqualify the state public defender or a person designated by the state public defender from acting as presiding officer or advising the presiding officer in a subsequent contested case proceeding based solely on the ground of personal investigation during an informal conference. The attorney does not waive the right to raise any other type of disqualification.

11.8(4) *Reconsideration decision.* The state public defender shall issue a written reconsideration decision that may uphold, reverse, or modify the initial decision to deny or terminate a contract. The

reconsideration decision is final agency action unless an attorney timely requests a contested case hearing pursuant to rule 493—11.10(13B,17A).

[ARC 9508C, IAB 8/20/25, effective 9/24/25]

493—11.9(13B,17A) Contested case hearing.

11.9(1) Written request for contested case hearing. An attorney who is aggrieved by a reconsideration decision and who desires to contest the factual basis for the reconsideration decision shall request a contested case hearing within ten days of the date the reconsideration decision is mailed. The request for contested case hearing shall identify the factual issues in dispute and any other claimed error and shall state the manner in which the state public defender is alleged to have relied upon erroneous facts.

11.9(2) Procedures. The request for contested case hearing is deemed made on the date of the United States Postal Service nonmetered postmark or the date of personal service on the state public defender. A contested case hearing shall be conducted pursuant to the procedures set forth in 481—Chapter 10.

11.9(3) A timely request for contested case hearing is an administrative prerequisite to seeking any form of judicial review pursuant to Iowa Code chapter 17A.

11.9(4) Presiding officer. The state public defender or a person designated by the state public defender may preside over the contested case hearing and issue a final decision, or the state public defender may request that the hearing be conducted by an administrative law judge from the department of inspections, appeals, and licensing who shall issue a proposed decision subject to review by or appeal to the state public defender. If the notice of hearing does not identify an administrative law judge as the presiding officer, an attorney may file a written request that an administrative law judge serve as the presiding officer at hearing. Such request must be filed within 20 days after service of the notice of hearing by certified mail, return receipt requested, to the attorney's last-known address. The state public defender may deny the request only upon a finding that one or more of the following apply:

- a. There is a compelling need to expedite issuance of a final decision.
- b. The case involves significant policy issues of first impression that are inextricably intertwined with the factual issues presented.
- c. Funds are unavailable to pay the costs of an administrative law judge and possible resulting interagency appeal.
- d. The request was not timely made.
- e. The demeanor of the witnesses is likely to be dispositive in resolving the disputed factual issues.

[ARC 9508C, IAB 8/20/25, effective 9/24/25]

493—11.10(13B,17A) Judicial review.

11.10(1) The final decision by the state public defender to deny an attorney's request to enter into an initial or renewal contract for indigent representation, to terminate such a contract for cause following issuance of a notice of default, or to terminate such contract for improper billing practices is reviewable pursuant to Iowa Code chapter 17A.

11.10(2) Nothing in this rule shall prevent the informal resolution of a decision to deny or terminate an initial or renewal contract through mutually agreeable settlement at any stage of the proceeding.

CHAPTER 12
CLAIMS FOR INDIGENT DEFENSE SERVICES

Chapter rescission date pursuant to Iowa Code section 17A.7: 9/24/30

493—12.1(13B,815) Scope. This chapter sets forth the rules for submission, payment and court review of indigent defense fee claims. 493—Chapter 7 contains definitions of terms used in this chapter.

12.1(1) The state public defender will pay from the indigent defense fund attorney fees and costs for the case types set forth in Iowa Code sections 815.10 and 815.11, including indigent's right to transcript on appeal under Iowa Code section 814.9, indigent's application for transcript in other cases under Iowa Code section 814.10, and special witnesses for indigents under Iowa Code section 815.4.

12.1(2) The Iowa Code requires the state public defender to approve only those indigent defense fee claims that are reasonable and appropriate under applicable statutes. In exercising this duty, the state public defender publishes rules and makes judgments considering what is statutorily permitted, fair for claimants, fair for indigent clients (who, by law, are required to reimburse the state for the costs of their defense to the extent they are reasonably able to pay such costs), and consistent with good stewardship of public appropriations.

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.2(13B,815) Submission and payment of attorney claims.

12.2(1) *Required claim documents.* Court-appointed attorneys shall submit electronic indigent defense fee claims to the state public defender for review, approval and payment. These claims shall include the following:

a. The completion of the appropriate claim type on the online submission website of the state public defender, spdclaims.iowa.gov.

(1) Adult fee claims, including all trial-level criminal and postconviction relief proceedings, misdemeanor appeals to district court, and applications for discretionary review or applications for interlocutory appeals to the Iowa supreme court, must be submitted on an Adult form. Juvenile fee claims, including petitions on appeal and applications for interlocutory appeals, must be submitted on a Juvenile form. Appellate fee claims, including claims for all criminal and postconviction relief appeals, work performed after the granting of an application for discretionary review or for interlocutory appeal, and work performed after full briefing is ordered following a juvenile petition on appeal, must be submitted on an Appellate form.

(2) The state public defender, at the state public defender's sole discretion, may grant limited exceptions to the requirement that claims be submitted electronically via the online claims website.

b. A copy of all orders appointing the attorney to the case.

(1) The appointment order must be signed by the court and either be dated by the court or have a legible file stamp.

(2) If, at the time of appointment, the attorney does not have a contract to represent indigent persons in the type of case and the county in which the action is pending, the appointment order must include either a finding that no attorney with a contract to represent indigent persons in that specific type of case and that county is available or a finding that the state public defender was consulted and consented to the appointment.

(3) Claims for probation or parole violations and contempt actions are considered new cases, and the attorney must submit a copy of an appointment order for these cases.

(4) If the venue is changed in a juvenile case, an order appointing the attorney in the new county must be submitted.

(5) A new appointment order is not necessary for trial counsel to request or resist an interlocutory appeal or an application for discretionary review.

(6) A new appointment order is not necessary to pursue or respond to a juvenile petition on appeal if the attorney was properly appointed to represent the client in juvenile court. If the original trial counsel withdraws or is removed from the case, the new appellate counsel must attach an order appointing the attorney for the appeal.

(7) An appointment order is not necessary if the state public defender determines the appointment order is unnecessary.

c. A copy of any application and court order authorizing the attorney to exceed the attorney fee limitations.

d. A copy of any court order that affects the amount to be paid or the client's right to counsel.

e. A copy of the dispositional order, the order granting a motion to withdraw prior to disposition, procedendo, or other court order documenting the "date of service" for the claim.

f. An itemization detailing all work performed on the case for which the attorney seeks compensation and all expenses incurred for which the attorney seeks reimbursement.

(1) The itemization must state the date and amount of time spent on each activity. Time must be reported in tenths of an hour. Time shall be rounded to the nearest tenth of an hour. For example, an attorney spending ten minutes performing an activity shall bill 0.2 hours, while an attorney spending seven minutes performing an activity shall bill 0.1 hours. The time spent on each activity must be separately itemized, except that one or more activities on the same day, each taking less than 0.1 hours, must be aggregated together with other activities so that the aggregate amount billed is at least 0.1 hours. If an attorney performs only a single activity taking less than 0.1 hours for a client on a day, the attorney may bill 0.1 hours regardless of the precise length of time spent on the activity. If an attorney performs multiple related activities on the same day, such as multiple email or telephone exchanges, the activities must be aggregated together if separately itemizing the activities would result in claiming more time than the attorney actually spent performing the activities.

(2) The itemization shall separately designate time claimed for in-court time, out-of-court time, paralegal time and travel time.

(3) If another attorney performed any of the work, the itemization shall specify the name of the attorney performing each activity and the named attorney's AT number.

(4) The itemization must be in chronological order.

(5) If the attorney seeks reimbursement for expenses incurred, the itemization must separately state each expense incurred, including any specific information required by rule 493—12.8(13B).

(6) The itemization shall be submitted electronically via the Attorney Hours grid on the appropriate claims submission page on the online claims website. Separate electronic attachments of itemizations will not be accepted.

g. If the attorney was privately retained to represent the client prior to appointment, a copy of any representation agreement, a written notice of the dollar amount paid to the attorney, and an itemization of services performed and how any funds provided were spent during the period prior to the court appointment. The state public defender will review the amount paid and hours spent before and after the court appointment in determining the appropriate attorney compensation on the claim.

12.2(2) *Failure to submit required documents.* Submitted claims for which the entire claim form has not been properly completed or that do not include the documents required by subrule 12.2(1) may be returned to the attorney for additional information and resubmission within the time required by paragraph 12.2(3)"d." If the attorney fails to submit all the required documentation to support a claim, the state public defender may request additional information or may deny all or a portion of the claim.

12.2(3) *Timely claims required.* Claims submitted prior to the date of service shall be returned to the claimant unpaid and may be resubmitted to the state public defender after the date of service. Claims that are not submitted within 45 days of the date of service as defined in this subrule may be denied, in whole or in part, as untimely unless the delay in submitting the claim is excused by paragraph 12.2(3)"f." Attorney fees and expenses that are submitted on a claim denied as untimely under this subrule may be resubmitted on a subsequent claim that is timely submitted with respect to a subsequent date of service in the same case. For purposes of this subrule, a probation, parole, or contempt proceeding is not the same case as the underlying proceeding.

a. *Adult claims.* For adult claims, "date of service" means the date of filing of an order indicating that the case was dismissed or the client was acquitted or sentenced, the date of filing of an order granting a deferred judgment or prosecution, the date of filing of a final order in a postconviction relief case, the date of mistrial, the date on which a warrant was issued for the client, or the date of filing of a court order

authorizing the attorney's withdrawal from a case prior to the date of a dismissal, acquittal, sentencing, or mistrial. The filing of a notice of appeal is not a date of service. If a motion for reconsideration is filed, either the date of filing of the motion or the date on which the court rules on that motion is the date of service. In a probation, parole or contempt proceeding, the date of service is the date of filing of the disposition order or an order granting a continued disposition. In a subsequent review or compliance proceeding under the same appointment, a new date of service is created if the new proceeding generates an order. In a probation revocation proceeding that results in the revocation of a deferred judgment, a judgment of conviction is entered and the date of service is the date of the judgment. For interim adult claims authorized by subrule 12.3(3) or 12.3(4), the date of service is the last day on which the attorney claimed time on the itemization of services.

b. Juvenile claims. For juvenile claims, "date of service" means the date of filing of an order as a result of the dispositional hearing or most recent postdispositional hearing that occurs while the client is still an active party in the case, the date on which the client ceased to be a party, the date of a court order authorizing the attorney's withdrawal from a case prior to the filing of the final ruling with respect to the client, the date jurisdiction is waived to adult court, the date on which the venue is changed, the date of dismissal, or the file-stamped date of a procedendo resulting from a petition on appeal. The date of a family drug court meeting, a family team meeting, a staffing, or a foster care review board hearing is not a date of service.

c. Appellate claims. For appellate claims, "date of service" means the date of a court order authorizing the attorney's withdrawal prior to the filing of the proof brief, the date on which the proof brief was filed, or the date on which the procedendo was issued.

d. Notices of action and returned claims. For claims of any type that are filed as a result of a notice of action letter or a returned fee claim letter, "date of service" means the date of the notice of action letter or returned fee claim letter. But a claim that is denied as untimely does not become timely merely because it was resubmitted within 45 days of a returned fee claim letter. A timely claim returned to the attorney for additional information shall continue to be deemed timely only if resubmitted with the required information within 45 days of being returned by the state public defender.

e. Court orders. For claims of any type that are filed as a result of a court order after hearing for review of the fee claim, "date of service" means the file-stamped date of the order.

f. Exceptions to the 45-day rule. The state public defender may, in the state public defender's sole discretion, approve a claim that was not submitted within 45 days of the date of service only if the delay in submitting the claim was caused by one of the following circumstances:

- (1) The death of the attorney;
- (2) The death of the spouse of the attorney, a child of the attorney, or an employee of the attorney who was responsible for assisting in the preparation of the attorney's fee claims;
- (3) A serious illness, injury, or other medical condition that prevents the attorney from working for more than 3 consecutive days and occurs in the last 5 days before the expiration of the 45-day period for timely claims;
- (4) The attorney's need to care for the attorney's spouse or child with a serious illness, injury, or other medical condition that prevents the spouse or child from working, attending school, or performing other regular daily activities for more than 3 consecutive days and occurs in the last 5 days before the expiration of the 45-day period for timely claims;

(5) Other circumstances in which the state public defender determines, in the sole discretion of the state public defender, that enforcement of the 45-day rule would impose an undue burden and that payment of the claim should in fairness be made, in whole or in part. The state public defender, in the exercise of such discretion, may consider factors including but not limited to:

1. The extent to which the 45-day rule was violated;
2. The justification provided by the attorney;
3. The attorney's claim history; and
4. The extent of prejudice likely to be experienced by the attorney, the state public defender, and any party to the proceeding, including the attorney's client.

Any claim submitted pursuant to subparagraph 12.2(3)“f”(1) must be submitted within 45 days of the death of the attorney. Any claim submitted pursuant to subparagraph 12.2(3)“f”(2) must be submitted within 30 days of the death that caused the delay. Any claim submitted pursuant to subparagraph 12.2(3)“f”(3) or “f”(4) must be submitted within 15 days of the end of the illness, injury, or medical condition that caused the delay. An attorney claiming an exception to the 45-day rule shall submit with the claim a letter explaining the applicable exception and written documentation supporting the exception.

12.2(4) *Valid appointment required.* Claims for compensation from an attorney appointed as counsel or guardian ad litem may be denied if the attorney was appointed contrary to Iowa Code section 814.11 or 815.10. Claims for which court-appointed counsel at state expense is not statutorily authorized or that are not payable from the indigent defense fund created by Iowa Code section 815.11 shall be denied.

a. Appellate appointments. Claims for compensation from an attorney whose appointment as counsel or guardian ad litem at the appellate level does not comply with Iowa Code section 814.11 may be denied in whole or in part.

b. Trial-level designations. Claims by an attorney whose appointment in a case as counsel or guardian ad litem at the trial level was made on or after July 1, 2009, may be denied in whole or in part if the state public defender filed a designation effective at the time of the appointment designating a local public defender, nonprofit corporation, or attorney to represent indigent persons in that type of case in the county in which the case was filed unless the appointment order and any supporting documentation submitted with the claim demonstrate that:

(1) The state public defender’s designee and any successor designee have withdrawn from the case or have been offered and declined to take the case; or

(2) The state public defender’s designee and any successor designee would have withdrawn from or would have declined to take the case had the appointment been offered.

c. Trial-level contract attorney preference. Claims by an attorney whose appointment in a case as counsel or guardian ad litem at the trial level was made on or after February 1, 2012, may be denied in whole or in part unless:

(1) At the time of the appointment, the attorney had a contract with the state public defender to represent indigent persons in that specific type of case and that county in which the action was pending; or

(2) The appointment order includes a specific finding that no attorney with a contract to represent indigent persons in that specific type of case and that county in which the action was pending is available or a finding that the state public defender was consulted and consented to the appointment; or

(3) After the appointment, the attorney entered into a contract with the state public defender, or amended the attorney’s existing contract, to represent indigent persons in the specific type of case and the county in which the action was pending, in which case only the portion of the claim for the services performed prior to the effective date of the contract shall be denied.

12.2(5) *Scope of appointment.* Claims shall only be paid for services rendered and expenses incurred within the scope of the attorney’s court appointment. Any other fees or expenses claimed shall be denied.

a. Services prior to appointment. Claims for services rendered or expenses incurred prior to the effective date of the attorney’s appointment are not payable within the scope of the attorney’s appointment and shall be denied.

b. Representation of parents after termination of parental rights. Claims for services rendered or expenses incurred by an attorney for representing a parent in a child in need of assistance case or termination of parental rights case for work performed after the date on which the termination of that parent’s parental rights becomes final, either on appeal or because no appeal was taken, are not payable within the scope of the attorney’s appointment and shall be denied.

c. Guardian ad litem for children over the age of 18. Claims for services rendered or expenses incurred by a guardian ad litem for a child who is aged 18 or older and involved in a juvenile court proceeding are only within the scope of appointment if the court enters an order appointing the guardian ad litem for the limited purposes of continuing a relationship with the child and to provide advice to the child relating to the child’s transition plan under Iowa Code section 232.2 beyond the child’s eighteenth birthday. The appointment shall end on the date of a court order relieving the guardian ad litem of further duties or the date of a court order closing the juvenile case, whichever occurs first, and claims for services rendered

or expenses incurred after such date shall be denied. Neither a parent nor guardian of the child in interest is entitled to court-appointed counsel during the post-age 18 transition period.

12.2(6) *Rate of compensation.* Claims for compensation in excess of the applicable rate of compensation established by Iowa Code section 815.7 or in the attorney's contract with the state public defender are not payable and shall be reduced to the applicable rate of compensation.

12.2(7) *Excessive claims.* The amount of a claim for services provided or expenses incurred that is excessive shall be reduced by the state public defender to an amount that is not excessive. Only reasonable and necessary compensation and expenses will be approved for payment.

12.2(8) *Review of claims after contract termination for improper billing practices.* A claim submitted by an attorney whose contract with the state public defender is terminated for improper billing practice shall be paid only to the extent that the claim is supported by authentic, independent, written documentation originating from sources other than the attorney, even if such a claim would otherwise be payable under this chapter. Any portion of a claim for a service performed or expense incurred that is not independently verified by such documentation is not payable under the contract and shall be denied.

a. Acceptable documentation. Independent, written documentation that may support a claim for services performed or expenses incurred by the attorney includes but is not limited to:

(1) Affidavits of clients, witnesses, prosecutors, service providers, department of health and human services staff, court staff, or other persons who can verify that the attorney performed a service for a specific length of time on a specific day. Affidavits from employees of the attorney or the attorney's firm, family members of the attorney, or other attorneys within the same law firm as the attorney are not independent documentation and are insufficient to confirm a claim for a service performed or expense incurred.

(2) Court orders or other documents in the court file that verify the attorney's attendance at a court proceeding, as well as the date, time, duration, and location of the proceeding.

(3) Deposition transcripts and other records of the certified shorthand reporter that verify the attorney's attendance at a deposition, as well as the date, time, duration, and location of the deposition.

(4) Records of a jail or correctional facility that document the date, time, and duration of visits, telephone calls, or videoconferencing sessions with clients or witnesses in custody in the facility.

(5) Records of a telecommunication provider that verify the length of telephone calls, long-distance expenses, or fax expenses.

(6) Records of an online legal research service that document the date, time, duration, and nature of legal research performed.

(7) Calculations from mapping software, such as MapQuest or Google Maps, of the distance traveled to a location where a verified service was provided.

(8) Original printed receipts for expenses incurred.

b. Pending claims. Any claims submitted by an attorney that have not yet been approved by the state public defender when the attorney's contract with the state public defender is terminated for improper billing practices shall be returned to the attorney. The attorney may resubmit any claim returned in its entirety, or a portion thereof, within the time required by paragraph 12.2(3)"d," with the additional documentation required by this subrule confirming all time and expenses claimed on the itemization. The resubmitted claim shall be reviewed consistent with the requirements of this subrule. Any claim not resubmitted within the time required by paragraph 12.2(3)"d" shall be denied.

c. Court review. An attorney whose claim is denied or reduced pursuant to this subrule may seek court review of the state public defender's action on that claim by filing a motion for court review as provided for by rule 493—12.9(13B,815). But if the attorney has sought review of the state public defender's decision to terminate the attorney's contract for improper billing practices, the court shall stay proceedings on the attorney's motion until the attorney has exhausted all administrative remedies, final judgment has been entered in any judicial review action under Iowa Code chapter 17A, and any appeal of such judgment is decided. The final judgment of any judicial review action under Iowa Code chapter 17A regarding the termination of the attorney's contract conclusively determines the applicability of this subrule. If the attorney fails to seek judicial review of the state public defender's decision to terminate the attorney's contract, the state public defender's notice to the attorney that the state public defender is

terminating the attorney's contract for improper billing practices is conclusive evidence that this subrule applies, and the attorney shall not challenge the termination decision or the applicability of this subrule in the motion for review of the state public defender's action on the fee claim under rule 493—12.9(13B,815).

12.2(9) *Approval of claims.* Claims shall be forwarded to the department for final processing and payment only after the state public defender has determined that payment of the claim is appropriate under this chapter and under Iowa law. No payments shall be made from the indigent defense fund except with the authorization of the state public defender.

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.3(13B,815) Interim claims. Claims will be paid at the earlier of the conclusion of the case or when legal representation of the client under the original court appointment is concluded, except as provided for in subrule 12.3(1), 12.3(2), 12.3(3), or 12.3(4).

12.3(1) *Juvenile cases.* An initial claim for services in a juvenile case may be submitted after the dispositional hearing, if any. Subsequent claims may be submitted after each court hearing that is a date of service held in the case. A court hearing does not include family drug court, family team meetings, staffings or foster care review board hearings.

12.3(2) *Appellate cases.* A claim for work performed may be submitted in appellate cases after the filing of the attorney's proof brief. A subsequent claim may be submitted after the procedendo is filed.

12.3(3) *Class A felonies.* Interim claims in Class A felony cases may be submitted once every three months, with the first claim submitted at least 90 days following the effective date of the attorney's appointment.

12.3(4) *Other cases.* In all other cases, claims filed prior to the conclusion of the case will not be paid, except with prior written consent of the state public defender.

12.3(5) *Change of employment.* A change of employment is not a basis for submitting an interim claim. An attorney changing firms must wait to submit a claim until the conclusion of the case unless the attorney withdraws from the case or subrule 12.3(1), 12.3(2), or 12.3(3) applies. Because indigent defense contracts are with the attorney and not with the law firm, the state public defender shall send payments to whatever person or law firm the departing attorney directs.

12.3(6) *Approval of interim claims.* Approval of any interim claims shall not affect the right of the state public defender to review subsequent claims or the aggregate amount of the claims submitted.

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.4(13B,815) Rate of compensation.

12.4(1) Unless the attorney has a contract that provides for a different manner or rate of payment, reasonable compensation for the payment of all claims for cases in which the attorney has been appointed shall be calculated on the basis of the hourly rate specified in Iowa Code section 815.7 applicable to the type of case and for the fiscal year during which the appointment was made for attorney or guardian ad litem time and on the basis of the hourly rate of \$25 per hour for paralegal time to the extent paralegal time is payable under these rules.

12.4(2) Payable paralegal time is limited in rule 493—7.1(13B,815).

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.5(13B,815) Payable attorney time.

12.5(1) *Maximum daily hours.* An attorney appointed as counsel or guardian ad litem must not perform services for indigent persons or submit claims to the state public defender for payment for such services for more than 12 hours of the attorney's time in any calendar day except as provided in this subrule. Travel time pursuant to Iowa Code section 815.7A is not included in this calculation.

a. An attorney may perform services for indigent persons and submit claims to the state public defender for payment for such services for more than 12 hours and less than or equal to 16 hours in a calendar day if and only if the attorney is in trial or other contested court hearing lasting more than one day or the attorney is preparing for such a trial or hearing that will be occurring within the next seven days.

b. If an attorney performs services for indigent persons and submits claims to the state public defender for payment for such services for more than 12 hours and less than or equal to 16 hours in a

calendar day, the attorney shall include with each claim form submitted to the state public defender that claims time for that date a letter specifying the total hours worked for private clients on that date or certifying that no other time was billed to any private client and explaining the need to work more than 12 hours.

c. Any time claimed by an attorney appointed as counsel or guardian ad litem in excess of 12 hours on a calendar day except as permitted by this subrule and any time claimed in excess of 16 hours on a calendar day shall not be paid. If the time is claimed on multiple claims, the most recently submitted claim claiming time on a particular calendar day shall be reduced so as not to pay more than the maximum authorized daily hours. If more than the maximum authorized amount is inadvertently paid by the state public defender, the attorney shall reimburse the state public defender upon written notice of the improper payment.

12.5(2) *Standardized and estimated billing prohibited.* All time submitted on the itemization of services must be the actual time worked providing services to the client. Attorneys are prohibited from using standardized billing estimates for tasks, such as billing 0.1 hours for every page of a document reviewed, 0.2 hours for every email sent or received, or 1.0 hour for every court proceeding. Attorneys must also not use standardized billing for cases, such as billing the same set of standard tasks in every case regardless of whether the task was actually performed.

12.5(3) *Nonbillable time.* The following activities are not reasonable and necessary legal services for the indigent client, and therefore time and expenses for such activities are not payable under the attorney's appointment and shall be denied:

a. Clerical work, including but not limited to opening and closing files; making photocopies; opening or sending mail; sending cover letters; transmitting copies of documents to a client, another party or clerk of court; sending faxes; picking up or delivering documents; drafting internal file memos; giving instructions to support staff; or billing;

b. Preparation of motions to withdraw from a case, and other time related to withdrawing from a case, when the withdrawal is made in order to retire from the practice of law, discontinue or reduce indigent defense representation, or pursue another job or is otherwise for the attorney's personal benefit;

c. Overhead, including time spent managing the operations of the attorney's law practice, office lease payments, or support staff salaries;

d. Preparation of the fee claim, itemization of services, or other time-keeping activities;

e. Preparation of an application or proposed order to exceed the fee limitations, court time obtaining such an order, or review of the order granting or denying the application;

f. Preparation of a motion for judicial review of the state public defender's action on an attorney fee claim, preparation for or attendance at a hearing on such a motion, review of an order granting or denying the motion, preparation of appellate briefs or other documents in an appeal of such a court order, preparation for or participation in oral arguments in the appeal, or review of an appellate decision regarding such a court order.

12.5(4) *Travel time.* Time spent by an attorney or guardian ad litem traveling is only payable at the full hourly rate provided in subrule 12.4(1) when the travel is reasonable and necessary to represent the indigent client and the attorney or guardian ad litem is traveling:

a. To and from the scene of a crime in a criminal case or juvenile delinquency proceeding;

b. To and from the location of a pretrial hearing, trial, or posttrial hearing in a criminal case if the venue has been changed from the county in which the crime occurred or if the location of the court hearing has been changed, without changing venue, to a different county for the convenience of the court;

c. To and from the place of incarceration of a client in a postconviction relief case, criminal appeal, or postconviction relief appeal;

d. To and from the place of detention of a client in a juvenile delinquency or criminal case if the place of detention is located outside the county in which the action is pending;

e. To and from the location of the placement of a child in a juvenile case if the guardian ad litem is required by statute to visit the placement and the placement is located in Iowa but outside the county in which the case is pending;

- f.* To and from the location of the placement of a child in a juvenile case if the guardian ad litem is required by statute and court order to visit the placement and the placement is outside the state of Iowa;
- g.* To and from the location of a family team meeting, if the place of the meeting is located outside the county in which the action is pending and the court approves that the location of the meeting is appropriate;
- h.* To and from a court of appeals or supreme court argument;
- i.* To and from the location where the deposition of an expert witness is being taken; or
- j.* To other locations for which travel authorization is obtained from the state public defender.

Otherwise, travel time for an attorney or guardian ad litem is only payable at the rate and in the manner provided in Iowa Code section 815.7A. For all uncontested hearings, the attorney or guardian ad litem must file an application for a remote hearing to be entitled to travel time. If the court denies the application, the attorney or guardian ad litem must submit a copy of the application and the denial order with the claim for payment of travel time. If the client wishes to have an uncontested hearing in person, and the attorney or guardian ad litem has no other reason to request an in-person hearing other than to be paid for travel time to attend the hearing in person in view of the client's request, the request for hearing shall be sent to the state public defender at claims@spd.state.ia.us. No application is required to be filed for contested hearings, but the travel time must be clearly identified as being for a contested hearing in the description of the travel on the claim. Travel time claimed pursuant to Iowa Code section 815.7A does not count toward the maximum daily hours allowed pursuant to subrule 12.5(1). No amount is payable for travel time at any hourly rate if the time is otherwise being paid at the full hourly rate provided in subrule 12.4(1).

12.5(5) *Substitute counsel time.* Work performed by substitute counsel on behalf of an attorney appointed as counsel or guardian ad litem is payable only as provided for under this subrule. The appointed attorney is at all times personally responsible for the representation of the client and must ensure that substitute counsel is qualified to perform the work directed and that the client is effectively represented at all times. The appointed attorney is responsible for compensating substitute counsel. Claims for payment directly by substitute counsel or claims for payment by the appointed attorney that are inconsistent with this subrule shall be denied.

a. Court time. An attorney appointed as counsel or guardian ad litem must handle all court appearances unless the appointed attorney has a scheduling conflict, an illness, or other personal emergency, in which case the matter may be covered by substitute counsel. Substitute counsel shall never cover for oral arguments in appellate cases.

b. Out-of-court time. Substitute counsel may perform out-of-court legal services, except that time spent by substitute counsel that duplicates work performed by the appointed attorney and time spent receiving direction from or conferencing with the appointed attorney are not payable.

c. Exceptional circumstances. Substitute counsel may be used in situations that would otherwise be impermissible if the state public defender concludes that use of such substitute counsel would be in the best interest of the client and the administration of justice and provides prior written consent to the appointed attorney.

d. Supervisory time. Time spent by the appointed attorney directing, reviewing, or correcting the work of substitute counsel is not payable.

e. Qualification of substitute counsel. Unless the state public defender has given prior written consent to use the attorney as substitute counsel, substitute counsel must have an active contract with the state public defender to perform indigent defense services, although the contract need not cover the type of case or county of the case for which the claim is submitted.

f. Inapplicability to co-counsel in Class A felonies. Paragraphs 12.5(5)“a” through “e” of this subrule do not apply to a co-counsel who is separately appointed in a Class A felony. Each separately appointed co-counsel in a Class A felony shall submit a separate indigent defense fee claim that claims only the work actually performed by the appointed attorney submitting the claim. The use of substitute counsel is not permissible in a Class A felony in which co-counsel has been separately appointed.

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.6(13B,815) Attorney fee limitations.

12.6(1) Adult cases. The state public defender establishes attorney fee limitations for the number of hours of combined attorney time and paralegal time that may be claimed for the following categories of adult cases:

Class A felonies	258
Class B felonies	56
Class C felonies	30
Class D felonies	20
Aggravated misdemeanors	20
Serious misdemeanors	10
Simple misdemeanors	5
Simple misdemeanor appeals to district court	5
Contempt/show cause proceedings	5
Proceedings under Iowa Code chapter 229A	167
Probation/parole violation	5
Extradition	5
Restitution	5

Postconviction relief—the greater of 17 hours or one-half of the fee limitation for the conviction from which relief is sought.

Nothing in this subrule is intended to in any manner diminish, increase, or modify the state public defender's authority to review any and all claims for services as authorized by the Iowa Code. The fee limitations are applied separately to each case, as that term is defined in rule 493—7.1(13B,815). If more than one charge is included within a case, the charge with the higher fee limitation will apply to the entire case.

For example, in an adult criminal proceeding, if an attorney were appointed to represent a client charged with four counts of forgery arising at four separate times, and if the client were charged in four separate trial informations, the fee limitations for each charge would apply separately. If all four charges were contained in one trial information, the fee limitation would be 30 hours even if there were more than one separate occurrence. Similarly, if the attorney were appointed to represent a person charged with a drug offense and failure to possess a tax stamp, the fee limitation would be the limitation for the offense with the higher limitation, not the total of the limitations. As a further example, multiple probation revocation proceedings pending at the same time, involving the same client, and arising from the same transaction or occurrence are still a single "case" for purposes of this rule, and the five-hour fee limitation applies.

12.6(2) Juvenile cases. The state public defender establishes attorney fee limitations for the number of hours of attorney time that may be claimed for the following categories of juvenile and adoption cases:

Delinquency (through disposition)	20
Child in need of assistance (CINA) (through disposition)	20
Termination of parental rights (TPR) (through disposition)	30
Juvenile court review and other postdispositional court hearings	8
Judicial bypass hearings	3
Juvenile commitment hearings	3
Juvenile petition on appeal	10
Motion for further review after petition on appeal	5
Representation of adopting party in adoption following Iowa Code chapter 232, termination of parental rights	5

Nothing in this subrule is intended to in any manner diminish, increase, or modify the state public defender's authority to review any and all claims for services as authorized by the Iowa Code. The fee limitations are applied separately to each case, as that term is defined in rule 493—7.1(13B,815).

For example, in a juvenile proceeding in which the attorney represents a parent whose four children are the subject of four child in need of assistance petitions, if the court handles all four petitions at the same time or the incident that gave rise to the child in need of assistance action is essentially the same for each child, the fee limitation for the attorney representing the parent is 20 hours for all four proceedings, not 20 hours for each one.

For a child in need of assistance case that becomes a termination of parental rights case, the fee limitations shall apply to each case separately. For example, the attorney could claim up to 20 hours for the child in need of assistance case and up to 30 hours for the termination of parental rights case.

In a delinquency case, if the child has multiple petitions alleging delinquency and the court handles the petitions at the same time, the fee limitation for the proceeding is the fee limitation for one delinquency.

In a juvenile case in which a petition on appeal is filed, the appointed trial attorney does not need to obtain a new appointment order to pursue a petition on appeal. The claim, through the filing of a petition on appeal, must be submitted on a Juvenile form. If an appellate court orders full briefing, the attorney fee claim for services subsequent to an order requiring full briefing must be submitted on an Appellate form and is subject to the rules governing appeals.

12.6(3) *Appellate cases.* Except as otherwise provided in this rule with respect to simple misdemeanor appeals to the district court and juvenile petitions on appeal, there is no fee limitation established for appellate cases. Nothing in this subrule is intended to in any manner diminish, increase, or modify the state public defender's authority to review any and all claims for services as authorized by the Iowa Code.

12.6(4) *Claims in excess of fee limitations.* A claim in excess of the attorney fee limitations will not be paid unless the attorney seeks and obtains authorization from the appointing court to exceed the attorney fee limitations as set forth in Iowa Code section 815.10A(3) "a."

12.6(5) *Retroactivity of authorization.* Retroactive court orders entered after the date of the state public defender's action on a claim are void (Iowa Code section 13B.4(4)).

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.7(13B,815) Reimbursement for specific expenses.

12.7(1) The state public defender shall reimburse the attorney for the payments made by the attorney for necessary certified shorthand reporters, investigators, evaluations, and experts if the following conditions are met:

a. The attorney obtained court approval for a certified shorthand reporter, investigator, evaluation or expert prior to incurring any expenses with regard to each.

b. A copy of each of the following documents is attached to the claim:

(1) The application and court order authorizing the expenditure of funds at state expense for the certified shorthand reporter, investigator, evaluation, or expert. If the reimbursement is for expenses incurred by a privately retained counsel representing an indigent person, the procedures and requirements of rule 493—13.7(13B,815) shall apply to the application and issuance of the order and the application and order shall be in compliance with that rule, the other requirements of 493—Chapter 13, and this rule.

(2) If the expenses are for services of investigators or experts, a court order setting the maximum dollar amount of the claim. If the initial court order authorizing the expenditure sets the maximum amount of the claims, a subsequent order is unnecessary.

(3) An itemization detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.

(4) If the expenses are for a certified shorthand reporter, any additional documentation required in 493—paragraph 13.2(3) "b" when applicable to the services provided.

(5) Documentation that the attorney has already paid the funds to the certified shorthand reporter, investigator, provider of an evaluation, or expert.

c. The expenses would be payable if the certified shorthand reporter, investigator, provider of an evaluation, or an expert submitted such claim directly pursuant to 493—Chapter 13, except for the requirement that the claim be submitted on the miscellaneous claim form promulgated by the state public defender.

d. The certified shorthand reporter, investigator, provider of an evaluation, or expert does not submit a claim for the same services.

e. In claims for the cost of an evaluation requested by an appointed attorney, the attorney shall be reimbursed for the reasonable cost of an evaluation of the client to establish a defense in the case or to determine if the client is competent to stand trial. In either instance, a copy of the court order authorizing the evaluation for one of these specific purposes and an order approving the amount of the evaluation must accompany the claim form. Claims for the cost of an evaluation to be used for any other purpose, such as sentencing or placement, will not be reimbursed.

12.7(2) Nothing contained in this rule is intended to require the attorney to provide notice to any other party prior to seeking such an order, except the notice to the state public defender expressly required in rule 493—13.7(13B,815) if the reimbursement is for expenses incurred by privately retained counsel representing an indigent person, or to require the attorney to disclose confidential information, work product, or trial strategy in order to obtain the order.

12.7(3) In an appeal, the state public defender will pay the cost of obtaining the transcript of the trial records and briefs. In such instance, subrule 12.7(1) shall apply.

12.7(4) Claims for expenses that do not meet these conditions are not payable under the attorney's appointment or rule 493—13.7(13B,815) and will be denied.

493—12.8(13B,815) Reimbursement of other expenses.

12.8(1) The state public defender shall reimburse the attorney for the following out-of-pocket expenses incurred by the attorney in the case to the extent that the expenses are reasonable and necessary:

a. Mileage for automobile travel at the rate of 50 cents per mile. The number of miles driven each day shall be separately itemized on the itemization of services, specifying the date of the travel, the origination and destination locations, the total number of miles traveled that day and, if it is not otherwise clear from the itemization, the purpose of the travel. If the travel is to perform services for multiple clients on the same trip, the mileage must be split proportionally between each client and the itemization must note the manner in which the mileage is split. The total miles traveled for the case shall also be listed on the claim form. Other forms of transportation costs incurred by the attorney may be reimbursed only with prior approval from the state public defender.

b. The actual cost of lodging, limited by the state-approved rate, only if the attorney is entitled to be paid for travel time for the travel associated with the lodging and the attorney is required to be away from home overnight. An itemized receipt showing the expenses incurred must be attached to the claim form.

c. The actual cost of meals, limited by the state-approved rate, only if the attorney is entitled to be paid for travel time for the travel associated with these meals and the attorney is required to be away from home overnight. An itemized receipt showing the expenses incurred must be attached to the claim form.

d. Necessary photocopying at the attorney's office at the rate of 10 cents per copy. The number of copies made each day must be separately itemized in the itemization of services. The total number of copies must also be listed on the claim form.

e. Ordinary and necessary postage, collect calls, omail or similar electronic mail, and parking for the actual cost of these expenses. Collect calls will be reimbursed at 10 cents per minute or the actual cost. A receipt for the actual cost of the collect call must be attached to the claim form. A statement from a correctional facility or jail detailing a standard rate for such calls shall constitute a receipt for purposes of this paragraph. Omail or similar electronic mail expenses will be reimbursed at 25 cents per email or the actual cost of these expenses. A statement from a correctional facility or jail detailing a standard rate for such calls shall constitute a receipt for purposes of this paragraph. For parking expenses in excess of \$10 combined total per day, a receipt must be attached to the claim form. Claims for the cost of a parking ticket shall be denied. Any postage, collect calls, omail or other similar electronic mail, or parking expenses

shall be separately itemized on the itemization of services, specifying the date on which the expense was incurred and, if it is not otherwise clear from the itemization, the purpose of the expense.

f. The actual cost of collecting an electronic signature. A receipt or invoice for the actual cost of the signature must be attached to the claim form.

g. The actual cost of photocopying or faxing for which the attorney must pay an outside vendor. A receipt for the actual cost must be attached to the claim form.

h. Other claims for expenses such as process service, medical records, DVDs, CDs, USBs, and photographic printing will be reimbursed for the actual cost. A receipt or invoice from an outside vendor must be attached to the claim form.

i. Other specific expenses for which prior approval by the state public defender is obtained. None of the expenses specified in this rule shall be reimbursed to a privately retained attorney representing an indigent person unless there is prior approval by the state public defender upon a showing of reasonable necessity.

12.8(2) If the reimbursement is for expenses incurred by a privately retained counsel representing an indigent person, counsel must comply with the requirements of Iowa Code section 815.1.

12.8(3) Claims for expenses other than those listed in this rule or at rates in excess of the rates set forth in this rule are not payable under the attorney's appointment or under rule 493—13.7(13B,815) and will be reduced or denied.

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.9(13B,815) Court review. An attorney whose claim for compensation is denied, reduced, or otherwise modified by the state public defender, for other than mathematical errors, may seek court review of the action of the state public defender pursuant to Iowa Code section 13B.4(4) "d."

12.9(1) Motions for court review. Court review of the action of the state public defender is initiated by the filing of a motion with the trial court requesting the review. The following conditions shall apply to all such motions:

a. The motion must be filed with the court within 20 days of the action of the state public defender. This time limit is jurisdictional and will not be extended by the filing of another claim, submitting a letter or email requesting reconsideration, or obtaining a court order affecting the amount of the claim.

b. The motion must set forth each and every ground on which the attorney intends to rely in challenging the action of the state public defender.

c. The motion must have attached to it a complete copy of the claim, together with the notice of action or returned fee claim letter that the attorney seeks to have reviewed.

d. A copy of all documents filed must be provided to the state public defender.

e. It is unnecessary for the state public defender to file any response to the motion.

12.9(2) Hearings. The following shall apply to hearings on motions for court review:

a. The motion shall be set for hearing by the court. Notice of the hearing on the attorney's request for review shall be provided to the attorney and the state public defender at least ten days prior to the date and time set by the reviewing court.

b. Unless the state public defender appears or specifically indicates an intention to appear in person at the hearing, the state public defender shall participate by telephone. If the state public defender participates by telephone, the state public defender shall be responsible for initiating and paying for the telephone call. If the attorney intends to participate by telephone, the attorney shall notify the state public defender of this intent and provide a telephone number for the hearing at least two business days prior to the date scheduled for the hearing.

c. The burden shall be on the attorney requesting the review.

d. The court shall consider only the issues raised in the attorney's motion.

e. The court shall issue a written ruling on the issues properly presented in the request for review.

f. If a ruling is entered modifying the state public defender's action on the claim, the attorney must file a new claim with the state public defender within 45 days of the date of the court's order modifying the state public defender's action on the claim. A copy of the court's ruling and the original claim form and supporting documents must be attached to the claim form. The date of service for such a claim is the date of the court's order.

12.9(3) *Failure to seek review.* Failure to seek court review within 20 days of the action of the state public defender will preclude court review of the state public defender's action.

12.9(4) *Other court orders.* Any court order entered after the state public defender has taken action on a claim that affects that claim is void unless the state public defender is first notified and given an opportunity to be heard.

[ARC 9509C, IAB 8/20/25, effective 9/24/25]

493—12.10(13B,815) Payment errors. If an error resulting in an overpayment or double payment of a claim is discovered by the attorney, by the state public defender, by the department, or otherwise, the claimant shall reimburse the indigent defense fund for the amount of the overpayment. An overpayment shall be paid by check. The check, made payable to the “Treasurer, State of Iowa,” together with a copy of the payment voucher containing the overpayment or double payment, shall be mailed to the Office of the State Public Defender, 6200 Park Avenue, Suite 100, Des Moines, Iowa 50321.

CHAPTER 13
CLAIMS FOR OTHER PROFESSIONAL SERVICES

Chapter rescission date pursuant to Iowa Code section 17A.7: 9/24/30

493—13.1(13B,815) Scope. This chapter sets forth the rules for submission, payment and court review of claims for other professional services. Definitions of terms used in this chapter are provided in 493—Chapter 7.

[ARC 9510C, IAB 8/20/25, effective 9/24/25]

493—13.2(815) Claims for other professional services. The state public defender shall review and approve claims for necessary and reasonable expenses for investigators, expert witnesses, certified shorthand reporters, and medical/psychological evaluations if the claimant has a form W-9 on file with the department and the claim conforms to the requirements of this rule. Claims that do not comply with this rule will be returned.

13.2(1) Claims for investigative services. The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for investigators if the following conditions are met:

a. Court approval to hire the investigator was obtained before any expenses for the investigator were incurred.

b. One copy of each of the following documents is attached to the claim:

(1) The application and order granting authority to hire the investigator.

(2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed and there is an order attached approving payment of the investigative services pursuant to rule 493—13.7(13B,815).

(3) An itemization of the investigator's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, the hourly rate, and the manner in which the amount of the claim for services was calculated. Except in exceptional circumstances and with the prior approval of the state public defender upon a showing of reasonable necessity, an investigator's rate shall not exceed \$75 per hour. Itemized receipts for expenses must be attached.

(4) A court order setting the maximum dollar amount of the claim. For purposes of this subrule, if the court order that authorizes hiring the investigator sets a limit for the claim, this court order is unnecessary.

c. Reasonable and necessary investigative services include but are not limited to locating witnesses, interviewing witnesses, process service, viewing the crime scene, reviewing documents or photographs, meeting with attorneys, meeting with clients, and creating investigative reports. Clerical work or running errands for the attorney or defendant is not considered investigative work.

d. Timely claims required. Claims for services are timely if submitted to the state public defender for payment within 45 days of the most recent date that investigative services were performed for the case. Claims that are not timely shall be denied.

13.2(2) Claims for expert witnesses. The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for expert witnesses if the following conditions are met:

a. Court approval to hire the expert witness was obtained before any expenses for the expert witness were incurred.

b. One copy of each of the following documents is attached to the claim:

(1) The application and order granting authority to hire the expert witness.

(2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed and there is an order attached approving payment of the expert witness pursuant to rule 493—13.7(13B,815).

(3) An itemization of the expert witness's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.

(4) A court order setting the maximum dollar amount of the claim. For purposes of this subrule, if the court order that authorizes hiring the expert sets a limit for the claim, this court order is unnecessary.

(5) If the expert charges a minimum amount for services based on a specific time, a certification by the expert that no other services have been performed or charges made by the expert for any portion of that specific time.

13.2(3) Claims for certified shorthand reporters. The state public defender shall review, approve and forward for payment claims for necessary and reasonable expenses for depositions and transcripts provided by certified shorthand reporters only in accordance with the requirements of this subrule.

a. Claim form. When a written claim form for certified shorthand reporting is required under these rules, the certified shorthand reporter shall submit a signed original and one copy of a miscellaneous claim form containing the following information:

- (1) The case name, case number and county in which the action is pending.
- (2) The name of the attorney for whom the services were provided.
- (3) The date on which the transcript was ordered.
- (4) The date on which the transcript was delivered.
- (5) The total amount of the claim.

(6) The claimant's name; address; social security number, federal tax identification number or vendor identification number; email address, if any; and telephone number.

b. Required documentation. One copy of each of the following documents must be attached to the claim:

- (1) The court order granting authority to hire the certified shorthand reporter at state expense.
- (2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed and there is an order attached approving payment of the certified shorthand reporter pursuant to rule 493—13.7(13B,815).

(3) If expedited transcript rates are claimed under subparagraph 13.2(3)“d”(10), an email or other written statement from the attorney explaining that expedited delivery is required.

(4) If a cancellation fee is claimed under subparagraph 13.2(3)“d”(6), documentation of the date and time that notice of cancellation was given.

(5) If the certified shorthand reporter is a state employee, a certification by the certified shorthand reporter that none of the time for which the claim is being submitted is time for which the certified shorthand reporter was being paid by the state.

c. Rates for court transcripts. If the certified shorthand reporter is a judicial branch employee, claims for certified shorthand reporter services for preparation of court transcripts will be limited to the rate approved by the Iowa Supreme Court for preparation of transcripts and other certified shorthand reporter services.

d. Rates for other transcripts. Unless the certified shorthand reporter has a contract with the state providing for a different rate or manner of payment or the certified shorthand reporter submits a claim for a lesser amount, claims for certified shorthand reporter services for a non-judicial branch employee will be paid only at the rates set forth in this paragraph:

(1) Hourly rate when no transcript ordered. Fees for attending depositions when no transcript is ordered will be paid at the rate of \$60 per hour for the actual time the certified shorthand reporter is present at the depositions including setup and takedown of equipment. If multiple witnesses are deposed in a deposition session on a single day, this hourly rate shall only apply if no transcript is ordered for any of the witnesses. If the transcript is ordered for some of the witnesses, the hourly rate when a transcript is ordered shall apply for the entire deposition session.

(2) Hourly rate when transcript ordered. Fees for attending depositions when a transcript is ordered will be paid at the rate of \$50 per hour for the actual time the certified shorthand reporter is present at the depositions including setup and takedown of equipment. Fees for performing a transcription of an audio or video recording will be paid at the rate of \$50 per hour for the actual time required to complete the transcription but not more than two times the length of the recording transcribed.

(3) Travel time. Fees for travel time will be paid at the rate of \$25 per hour for travel outside of the county of the certified shorthand reporter's office location. Travel time within the county of the certified shorthand reporter's office location will not be paid. No travel time is payable for the delivery of a transcript or related to the transcription of an audio or video recording.

(4) Transcripts. Unless expedited delivery is requested, fees will be paid at the rate of \$4.55 per page for an original, one copy, and an electronic version of the transcript. Copies of a transcript for which an original has already been ordered by any party will be paid at the rate of \$1 per page.

(5) Exhibits. A rate of \$0.10 per page for black and white and \$0.30 per page for color copies will be paid.

(6) Cancellation fees. No cancellation fees will be paid as long as the certified shorthand reporter is given notice of cancellation at least 24 hours before the time scheduled for a deposition. Weekends and state holidays shall not be included when calculating the 24-hour prior notice of cancellation contained in this subparagraph. If the deposition is canceled with less than 24 hours' notice, a fee for two hours or the actual time that the certified shorthand reporter is present at the site of the deposition including setup and takedown of equipment, whichever is greater, is payable at the rate set forth in subparagraph 13.2(3) "d"(1). If a full day of depositions was scheduled, a minimum fee for four hours is payable at the rate set forth in subparagraph 13.2(3) "d"(1). A certified shorthand reporter is deemed to have been given notice of cancellation when an attorney or representative of the attorney delivers notice of a cancellation to the email address provided by the certified shorthand reporter or leaves a message on voicemail or with a representative of the certified shorthand reporter at the telephone number provided by the certified shorthand reporter, not when the certified shorthand reporter actually hears or reads the message. No cancellation fee will be paid related to the transcription of an audio or video recording.

(7) Minimum time. One hour minimum, exclusive of travel time, will be paid for a deposition or transcription of an audio or video recording that takes less than one hour.

(8) Other time. Except for the initial one-hour minimum, all time billed at an hourly rate shall be billed in 15-minute increments.

(9) Postage. Actual postage costs that are reasonable and necessary will be paid.

(10) Expedited transcripts. Expedited transcripts are those that are required to be delivered within five business days of the date requested. Fees of \$8 per page for an original, one copy, and an electronic version of the transcript will be paid for expedited transcripts. Copies of an expedited transcript for which an original has already been ordered by any party will be paid at the rate of \$1 per page.

(11) Other expenses. Any additional expenses or fees for certified shorthand reporting services not set forth above will only be paid with the prior written consent of the state public defender obtained before the services are provided.

(12) Realtime reporting. Realtime reporting is any reporting provided by a certified realtime reporter (CRR), either in person or remotely, that produces an immediate transcript of proceedings by using a steno machine connected to a computer that instantly translates spoken word to text. Realtime reporting shall be paid at the hourly rate provided for in subparagraph 13.2(3) "d"(1).

(13) Technical transcriptions. Technical transcriptions include transcriptions for testimony provided by an "expert witness" as defined in rule 493—7.1(13B,815). This includes but is not limited to state medical examiners, doctors, nurses, forensic interviewers, accident investigators, lab technicians, and engineers. A witness who happens to fall into one of the preceding categories but who is providing lay testimony does not qualify as an expert witness for purposes of this subparagraph. Technical transcriptions shall be paid at the hourly rate otherwise applicable for such reporting plus an additional \$2 per page. If a witness does not qualify as an expert witness for any reason and is not otherwise included in the foregoing list, but a certified shorthand reporter believes a witness still qualifies under this subparagraph, the certified shorthand reporter may provide additional information with their claim to support their request for the technical transcription rate.

e. Timely claims required. Claims for services are timely if submitted to the state public defender for payment within 45 days of the date on which services are completed. For depositions, services are completed on the date the deposition transcript is delivered or on the date of disposition of the case if no transcript is ordered, whichever date is earlier. For trial transcripts or transcripts of an audio or video recording, services are completed on the date the transcript is delivered. Claims that are not timely shall be denied.

f. Designation of preferred certified shorthand reporter. The state public defender may enter into a contract with one or more certified shorthand reporters to provide court reporting services for depositions

in one or more counties and may designate such certified shorthand reporters to be the preferred certified shorthand reporters in the respective counties. Such designations shall be provided to the chief judge of the judicial district for the respective counties and shall be summarized on the website of the state public defender, spd.iowa.gov. Claims for services provided in a county in which the state public defender has designated a certified shorthand reporter as the preferred certified shorthand reporter shall be denied unless the claims are submitted by the certified shorthand reporter pursuant to the terms of the contract or are submitted by another certified shorthand reporter and include written documentation that the designated certified shorthand reporter was unavailable to handle the deposition.

13.2(4) Claims for court-ordered evaluations. The state public defender shall review, approve and forward for payment claims for necessary and reasonable evaluations requested by an appointed attorney only if the purpose of the evaluation is to establish a defense, to determine whether an indigent is competent to stand trial, or to evaluate a defendant at sentencing or resentencing who has been charged as an adult for a felony alleged to have been committed while a juvenile, if the offense has a potential mandatory minimum sentence of imprisonment, and not for any other purpose nor in any other circumstance for sentencing or placement. Additionally, a claim for a court-ordered evaluation will be approved only if the following conditions are met:

a. Court approval to conduct the evaluation was obtained before any expenses for the evaluation were incurred.

b. One copy of each of the following documents is attached to the claim:

(1) The application and order granting authority to conduct the evaluation. This order must specify that the purpose of the evaluation is for a permissible purpose under this subrule.

(2) The order appointing counsel. This order is unnecessary if the attorney is not court-appointed and there is an order attached approving payment of the evaluation pursuant to rule 493—13.7(13B,815).

(3) An itemization of the evaluator's services detailing the expenses incurred, the services rendered, the date(s) on which the services were rendered, the time spent on each date, and the manner in which the amount of the claim for services was calculated.

(4) A court order setting the maximum dollar amount of the claim. For purposes of this subrule, if the court order authorizing the evaluation sets a limit for the claim, this court order is unnecessary.

(5) If the evaluator charges a minimum amount for services based on a specific time, a certification by the evaluator that no other services have been performed or charges made by the evaluator for any portion of that specific time.

13.2(5) The state public defender may reimburse services and expenses not specifically listed in this chapter that are payable pursuant to rules 493—12.7(13B,815) and 493—12.8(13B,815).

13.2(6) Submission of claims.

a. All claims for professional services shall be submitted electronically via the online claims website: spdclaims.iowa.gov. Any reference in these rules to forms or to claims submissions shall refer to the respective claims submission page for miscellaneous claims on the online claims website. The state public defender, at the state public defender's sole discretion, may grant limited exceptions to the requirement that claims be submitted electronically via the online claims website.

b. Claimants granted an exception to online claim submission must be submitted, as appropriate, to the local public defender office for which the services were provided or on a form promulgated by the state public defender to the state public defender at the following address: State Public Defender, Claims, 6200 Park Avenue, Suite 100, Des Moines, Iowa 50321.

[ARC 9510C, IAB 8/20/25, effective 9/24/25]

493—13.3(13B,815) Court review. A claimant whose claim for compensation is denied, reduced, or otherwise modified by the state public defender for other than mathematical errors may seek court review of the action of the state public defender.

13.3(1) *Motions for court review.* Court review of the action of the state public defender is initiated by filing a motion with the trial court requesting the review. The following conditions shall apply to all such motions:

a. The motion must be filed with the court within 20 days of the action of the state public defender.

b. The motion must set forth each and every ground on which the claimant intends to rely in challenging the action of the state public defender.

c. The motion must have attached to it a complete copy of the claim, together with the notice of action that the claimant seeks to have reviewed.

d. A copy of all documents filed must be provided to the state public defender.

e. It is unnecessary for the state public defender to file any response to the motion.

13.3(2) Hearings. The following shall apply to hearings on motions for court review:

a. The motion shall be set for hearing by the court. Notice of the hearing on the claimant's request for review shall be provided to the claimant and the state public defender at least ten days prior to the date and time set by the reviewing court.

b. Unless the state public defender specifically indicates an intention to appear in person at the hearing, the state public defender shall participate by telephone. If the state public defender participates by telephone, the state public defender shall be responsible for initiating and paying for the telephone call.

c. The burden shall be on the claimant requesting the review.

d. The court shall consider only the issues raised in the claimant's motion.

e. The court shall issue a written ruling on the issues properly presented in the request for review.

f. If a ruling is entered allowing additional fees, the claimant must file a new claim with the state public defender. A copy of the court's ruling must be attached to the claim form. The date of service on the claim form is the date of the court's order.

13.3(3) Failure to seek review. Failure to seek court review within 20 days of the action of the state public defender will preclude court review of the state public defender's action.
