To assist the department of corrections with programs that employ offenders in the private sector, the department of workforce development shall be responsible for coordinating the following process:

1.2(1) Prior to an employer's submission of an application to the department of corrections for a private sector employment project, the employer shall place with the nearest workforce development center a job order with a duration of at least 30 days. The job order shall be listed statewide in all centers and on the department of workforce development's jobs Internet site.

1.2(2) The department of corrections shall send a letter requesting verification of the employer's 30-day job listing, the average wage rate for the job(s) the offenders will perform, the current unemployment rate in the county where the employer is located, and the current employment level of the company that will employ the offenders. The letter should be sent to Division Administrator, Labor Market Information, Iowa Workforce Development, 1000 East Grand Avenue, Des Moines, Iowa 50319.

1.2(3) The department of workforce development shall verify in writing the job listing, including the number of qualified applicant referrals and hires made as a result of the job order, the average entry-level wage rate for the proposed job(s), the entry-level wage range, the current unemployment rate for the county where the employer is located, and the current employment levels of the company that will employ the offenders based upon the most recent quarter for which data is available. The average wage rate and wage range will be based on the appropriate geographic area for which occupational wage information is available. The appropriate geographic area may be statewide.

1.2(4) Average entry-level wage rates and entry-level wage ranges for jobs currently held by offenders and employment levels of companies employing offenders shall be updated by the department of workforce development annually upon the department of corrections' sending a letter listing all current companies employing offenders and the offenders' job classifications to Division Administrator, Labor Market Information, Iowa Workforce Development, 1000 East Grand Avenue, Des Moines, Iowa 50319.

1.2(5) The department of workforce development shall provide a periodic report to the state workforce development board regarding information supplied to the department of corrections for private sector employment projects. Frequency of the report will depend upon the level of activity.

1.2(6) Inquiries concerning private sector employment projects shall be in writing and address the following questions:

- a. Whether and how the project is believed to violate the intent of Iowa Code section 904.809;
- b. Evidence of a local surplus of labor in the job classifications of the type in which offenders are employed; and

Inquiries shall be sent to the Executive Assistant of the State Workforce Development Board, Iowa Workforce Development, 1000 East Grand Avenue, Des Moines, Iowa 50319. A copy of the inquiry shall be sent to the department of corrections. The director of the department shall consult with the director of prison industries concerning the inquiry prior to the workforce development board's making a final recommendation regarding possible corrective action.

The state workforce development board shall review the inquiry and any additional responses or oral testimony requested by the board and make a recommendation as to whether the intent of Iowa Code section 904.809 has or has not been met and whether corrective action, if any, needs to be taken by the department of corrections to meet the intent. At the discretion of the board, oral presentations may be requested from the party(ies) to the inquiry. The board shall make a final recommendation within 60 days of receipt of the inquiry.
