CHAPTER 5
PUBLIC RECORDS AND
FAIR INFORMATION PRACTICES

[Prior to 3/20/91, Corrections Department[291]]

The Iowa department of corrections hereby adopts, with the following exceptions and amendments, rules of the Governor's Task Force on Uniform Rules of Agency Procedure relating to public records and fair information practices which are printed in the first volume of the Iowa Administrative Code.

201—5.1(17A,22) Definitions. As used in this chapter:

“Agency” means the department of corrections.

“Confidential records” are records, as defined under Iowa Code sections 22.7, 22.8, 904.601, 904.602, and 904.603, which are not disclosed to members of the public except by court order. This includes records which the department is prohibited by law from making available for inspection by members of the public and those exempt records which the department has determined not to disclose to members of the public.

“Open records” are those records which are not authorized or required to be kept confidential under Iowa Code sections 22.7, 22.8, 904.601, 904.602, and 904.603 or any other provision of the law.

201—5.2(17A,22) Statement of policy. The purpose of this chapter is to facilitate broad public access to open records. It also seeks to facilitate sound agency determinations with respect to the handling of confidential records and the implementation of the fair information practices Act. This agency is committed to the policies set forth in Iowa Code chapter 22; agency staff shall cooperate with members of the public in implementing the provisions of that chapter.

201—5.3(17A,22) Requests for access to records.

5.3(1) Location of record. A request for access to a record should be directed to the office where the record is kept:

b. Records of former inmates and other individuals served by the department's division of institutions should be directed to records office at the Iowa Medical and Classification Center as previously listed.

c. Requests for other records, including administration or operation, should be directed to the Director, Department of Corrections, Capitol Annex, East 12th and Des Moines Streets, Des Moines, Iowa 50319, (515)281-4811.

5.3(2) Office hours. Open records shall be made available during all customary office hours, which are 8 a.m. to 4 p.m., Monday through Friday, excluding legal holidays.

5.3(3) Request for access. Requests for access to records may be made in writing, in person, or by telephone if the request is for open record information. Requests shall identify the particular records sought by name or description in order to facilitate the location of the record. Mail requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record.

5.3(4) Response to requests. The custodian is authorized to grant or deny access to the record according to the provisions of Iowa Code chapter 22, sections 904.601, 904.602, 904.603, and this chapter. The decision to grant or deny access may be delegated to one or more designated employees. Unless the size or nature of the request requires time for compliance, the agency shall comply with the request as soon as feasible. However, access to such a record may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The agency shall promptly inform the requester of the reason for the delay. A request to review a confidential record shall be in writing. A person requesting access to such a record may be required to complete department of corrections Form No. IN-V-24-F-1 enumerating the specific grounds justifying access to the confidential record and to provide any proof necessary to establish relevant facts, request prior to receiving access to the record.

5.3(7) Fees.

c. *Supervisory fee.* An hourly fee may be charged for actual agency expenses in supervising the examination and copying of requested records when the supervision time required is in excess of five minutes. The custodian shall prominently post in agency offices the hourly fees to be charged for supervision of records during examination and copying. That hourly fee shall not be in excess of the hourly wage of an agency employee who ordinarily would be appropriate and suitable to perform this supervisory function.

201—5.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examination.

5.5(5) Request granted or deferred. If a request for confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be placed in the agency public file in lieu of the original record. If the agency subsequently receives a request for access to the original record, the agency will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record.

201—5.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records. Except as otherwise provided by law, a person may file a request with the custodian to review, and to have a written statement of additions, dissents, or objections entered into, a record containing personally identifiable information pertaining to that person. However, this does not authorize a person who is a subject of such a record to alter the original copy of that record or to expand the official record of any agency proceeding. Requester shall send the request to review such a record or the written statement of additions, dissents, or objections to the custodian or to the director's office. The request to review such a record or the written statement of such a record of additions, dissents, or objections must be dated and signed by requester, and shall include the current address and telephone number of the requester or the requester's representative.

201—5.9(17A,22) Disclosures without the consent of the subject.

5.9(1) Open records are routinely disclosed without the consent of the subject.

5.9(2) To the extent allowed by law, disclosure of confidential records may occur without the consent of the subject. Following are instances where disclosure, if lawful, will generally occur without notice to the subject:

- a.* For a routine use as defined in 201—5.10(17A,22) or in the particular record system.
- b.* To a recipient who has provided the agency with advance written assurance that the record will be used solely as a statistical research or reporting record; provided that the record is transferred in a form that does not identify the subject.
- c.* To another government agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of such government agency or instrumentality has submitted a written request to the agency specifying the record desired and the law enforcement activity for which the record is sought.
- d.* To an individual pursuant to a showing of compelling circumstances affecting the health or safety of any individual if a notice of the disclosure is transmitted to the last-known address of the subject.
- e.* To the legislative services agency under Iowa Code section 2A.3.
- f.* Disclosures in the course of employee disciplinary proceedings.
- g.* In response to a court order or subpoena.

201—5.10(17A,22) Routine use. To the extent allowed by law, the following uses are considered routine uses of all agency records:

1. Disclosure to those officers, employees, and agents of the agency who have a need for the record in the performance of their duties. The custodian of the record may upon request of any officer or employee, or on the custodian's own initiative, determine what constitutes legitimate need to use confidential records.
2. Disclosure of information indicating an apparent violation of the law to appropriate law enforcement authorities for investigation and possible criminal prosecution, civil court action, or regulatory order.
3. Disclosure to the department of inspections and appeals for matters in which it is performing services or functions on behalf of the agency.
4. Transfers of information within the agency, to other state agencies, or to local units of government as appropriate to administer the program for which the information is collected.
5. Information released to staff of federal and state entities for audit purposes or for purposes of determining whether the agency is operating a program lawfully.
6. Any disclosure specifically authorized by the statute under which the record was collected or maintained.

201—5.11(17A,22) Consensual disclosure of confidential records.

5.11(1) *Consent to disclosure by a subject individual.* To the extent allowed by law, the subject may consent in writing to agency disclosure of confidential records as provided in rule 201—5.7(17A,22).

5.11(2) *Complaints to public officials.* A letter from a subject of a confidential record to a public official which seeks the official's intervention on behalf of the subject in a matter that involves the agency may, to the extent permitted by law, be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

5.11(3) *Obtaining information from a third party.* The department is required to obtain information to assist in making decisions regarding classification, programming, security, and administrative management operational decisions. Requests to third parties for this information may involve the release of confidential information about individuals. Except as provided by law, the department may make these requests only when the individual has authorized the release on department of corrections Form No. IN-V-24, F2.

201—5.12(17A,22) Release to subject.

5.12(1) The subject of a confidential record may file a written request to review confidential records about that person. However, the department need not release the following records to the subject:

a. The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code sections 22.7(18) and 904.602.

b. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

c. Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code.

d. As otherwise authorized by law.

5.12(2) Where a record has multiple subjects with interest in the confidentiality of the record, the department may take reasonable steps to protect confidential information relating to another subject.

201—5.13(17A,22) Availability of records.

5.13(1) *Open records.* Department records are open for public inspection and copying unless otherwise provided by current rule or law.

5.13(2) *Confidential records.* The following records may be kept confidential. Records are listed by category, according to the legal basis for withholding them from public inspection.

a. Sealed bids received prior to the time set for public opening of bids. (Iowa Code section 72.3);

b. Tax records made available to the agency. (Iowa Code sections 422.17, 422.20);

c. Minutes of closed meetings of a government body. (Iowa Code section 21.5(4));

d. Identifying details in final orders, decisions, and opinions to the extent required to prevent a clearly unwarranted invasion of personal privacy or trade secrets under Iowa Code section 17A.3(1)“*d.*”

e. Those portions of agency staff manuals, instructions, or other statements issued which set forth criteria or guidelines to be used by agency staff in auditing, in making inspections, in settling commercial disputes, or negotiating commercial arrangements, or in the selection or handling of cases, such as operational tactics or allowable tolerances or criteria for the defense, prosecution or settlement of cases, when disclosure of these statements would:

(1) Enable law violators to avoid detection;

(2) Facilitate disregard of requirements imposed by law; or

(3) Give a clearly improper advantage to persons who are in an adverse position to the agency.

(Iowa Code sections 17A.2, 17A.3)

f. Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. Attorney work product is confidential under Iowa Code sections 22.7(4), 622.10 and 622.11, Iowa R.C.P. 122(c), Fed. R. Civ. P. 26(b)(3), and case law. Attorney-client communications are confidential under Iowa Code sections 622.10 and 622.11, the rules of evidence, the Code of Professional Responsibility, and case law.

g. Other records made confidential by law.

h. Current Iowa Administrative Code, 291—5.1(2), “*a*” through “*o*”; 5.1(5), 5.1(6), 5.1(10), and 5.1(11).

201—5.14(17A,22) Personally identifiable information.

5.14(1) This rule describes the nature and extent of personally identifiable information which is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in this rule. For each record system, this rule describes the legal authority for the collection of that information, the means of storage of that information and indicates whether a data processing system matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system.

5.14(2) The type of record. Disclosures are in accordance with the following code:

CODE	MEANING
O	The records are open for public inspection.
C	The records are confidential and are not open to public inspection.
D	The department has discretion whether to allow public inspection of the record when the record contains information that is partially open or partially confidential.

5.14(4) *Litigation files.* These files or records contain information regarding litigation or anticipated litigation, which includes judicial and administrative proceedings. The records include briefs, depositions, docket sheets, documents, correspondence, attorneys' notes, memoranda, research materials, witness information, investigation materials, information compiled under the direction of the attorney, and case management records. The files contain materials which are confidential as attorney work product and attorney-client communications. Some materials are confidential under other applicable provisions of law or because of a court order. Persons wishing copies of pleadings and other documents filed in litigation should obtain these from the clerk of the appropriate court which maintains the official copy.

5.14(5) *Personnel files.* The agency maintains files containing information about employees, families and dependents, and applicants for positions with the agency. The files include payroll records, biographical information, medical information relating to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding, information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship. Some of this information is confidential under Iowa Code section 22.7(11).

201—5.15(17A,22) Other groups of records available for public inspection — policies and procedures (excluding security) meeting minutes. This rule describes groups of records maintained by the department other than record systems as previously defined. These records are routinely available to the public. However, the department's files of these records may contain confidential information, as discussed in rule 5.13(17A,22). The following records are stored both as hard copy and in automated data processing systems unless otherwise noted.

1. *Rule making.* Rule-making records may contain information about individuals making written or oral comments on proposed rules. This information is collected pursuant to Iowa Code section 17A.4.

2. *Board meeting records.* Agendas, minutes, and materials presented to the department are available from the office of the director except those records concerning closed sessions which are exempt from disclosure under Iowa Code section 21.5(4), or which are otherwise confidential by law. Board meeting records contain information about people who participate in meetings. This information is collected pursuant to Iowa Code section 21.3. This information is not retrieved by individual identifier.

3. *Publications.* News releases, annual reports, project reports, department newsletters, etc., are available from the office of the director. Brochures describing various department programs are available at local offices of the department. Department news releases, project reports, and newsletters may contain information about individuals, including department staff or members of department councils or committees. This information is not retrieved by individual identifier.

4. *Statistical reports.* Periodic reports of the department for various department programs are available from the director. Statistical reports do not contain personally identifiable information.

5. *Grants.* Records on persons receiving grants for various projects or programs are available through the office of the director. These records may contain information about employees of a grantee. This information is not retrieved by individual identifier and is not stored on an automated data processing system. The information is collected under the authority of Iowa Code section 904.

6. *Published materials.* The department uses many legal and technical publications in its work. The public may inspect these publications upon request. Some of these materials may be protected by copyright law. These records are hard copy only.

7. *Policy manuals.* The department employees' manual, containing the policies and procedures describing the department's regulations and practices, is available in every office of the department. Subscriptions to all or part of the employees' manual are available at the cost of production and handling. Requests for subscription information should be addressed to the director. Policy manuals do not contain information about individuals.

8. *Other records.* All other records that are not exempted from disclosure by law.

201—5.16(17A,22) Applicability. This chapter does not:

5.16(1) Require the agency to index or retrieve records which contain information about individuals by that person's name or other personal identifier.

5.16(2) Make available to the general public records which would otherwise not be available under the public records law, Iowa Code chapter 22.

5.16(3) Govern the maintenance or disclosure of, notification of, or access to, records in the possession of the agency which are governed by the regulations of another agency.

5.16(4) Apply to grantees, including local governments or subdivisions thereof, administering state-funded programs, unless otherwise provided by law or agreement.

5.16(5) Make available records compiled by the agency in reasonable anticipation of court litigation or formal administrative proceedings. The availability of such records to the general public or to any subject individual or party to such litigation or proceedings shall be governed by applicable legal and constitutional principles, rules of discovery, evidentiary privileges, and applicable regulations of the agency.

These rules are intended to implement Iowa Code section 22.11.

CHAPTER 7
WAIVERS AND VARIANCES

201—7.1(904) Definition. For purposes of this chapter, a “waiver or variance” means an action by the department which suspends, in whole or in part, the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person. For simplicity, the term “waiver” shall include both a “waiver” and a “variance.”

201—7.2(904) Scope of chapter. This chapter outlines generally applicable standards and a uniform process for the granting of individual waivers from rules adopted by the department in situations where no other more specifically applicable law provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this chapter with respect to any waiver from that rule.

201—7.3(904) Applicability. The department may grant a waiver from a rule only if the department has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The department may not waive requirements created or duties imposed by statute.

201—7.4(904) Criteria for waiver or variance. In response to a petition completed pursuant to rule 7.6(904), the department may, in its sole discretion, issue an order waiving, in whole or in part, the requirements of a rule if the department finds, based on clear and convincing evidence, all of the following:

1. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
2. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

201—7.5(904) Filing of petition. A petition for a waiver must be submitted in writing to the department as follows:

7.5(1) Contested cases. If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding using the caption of the contested case.

7.5(2) Other. If the petition does not relate to a pending contested case, the petition may be submitted to the department’s director.

7.5(3) File petition. A petition is deemed filed when it is received in the department’s office. A petition should be sent to the Department of Corrections, Policy and Legal Services, 420 Watson Powell Jr. Way, Des Moines, Iowa 50309. The petition must conform to the form specified in rule 7.17(904).

201—7.6(904) Content of petition. A petition for waiver shall include the following information where applicable and known to the requester:

1. The name, address, and telephone number of the entity or person for whom a waiver is requested; the case number of or other reference to any related contested case; and the name, address, and telephone number of the petitioner’s legal representative, if any.
2. A description and citation of the specific rule from which a waiver is requested.
3. The specific waiver requested, including the precise scope and duration.
4. The relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in rule 7.4(904). This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

5. A history of any prior contacts between the department and the petitioner relating to the regulated activity affected by the proposed waiver.
6. Any information known to the requester regarding the department's action in similar cases.
7. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question or which might be affected by the granting of a waiver.
8. The name, address, and telephone number of any entity or person who would be adversely affected by the granting of a petition.
9. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.
10. Signed releases of information authorizing persons with knowledge regarding the request to furnish the department with information relevant to the waiver.

201—7.7(904) Additional information. Prior to issuing an order granting or denying a waiver, the department may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the department may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the department's director or designee.

201—7.8(904) Notice. The department shall acknowledge a petition upon receipt. The department shall ensure that all persons to whom notice is required by any provision of law, including the petitioner, receive notice, within 30 days of the receipt of the petition, that the petition is pending and a concise summary of its contents. In addition, the department may give notice to other persons. To accomplish this notice provision, the department may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the department attesting that notice has been provided.

201—7.9(904) Hearing procedures. The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case and shall otherwise apply to agency proceedings for a waiver only when the department so provides by rule or order or is required to do so by statute.

201—7.10(904) Ruling. An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

7.10(1) Department discretion. The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the department upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the department based on the unique, individual circumstances set out in the petition.

7.10(2) Burden of persuasion. The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the department should exercise its discretion to grant a waiver from a department rule.

7.10(3) Narrowly tailored. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

7.10(4) Administrative deadlines. When the rule from which a waiver is sought establishes administrative deadlines, the department shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

7.10(5) Conditions. The department may place on a waiver any condition that the department finds desirable to protect the public health, safety, and welfare.

7.10(6) Time period of waiver. A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right

to renewal. At the sole discretion of the department, a waiver may be renewed if the department finds that grounds for a waiver continue to exist.

7.10(7) Time for ruling. The department shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the department shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

7.10(8) When deemed denied. Failure of the department to grant or deny a petition within the required time period shall be deemed a denial of that petition by the department. However, the department shall remain responsible for issuing an order denying a waiver.

7.10(9) Service of order. Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

201—7.11(904) Public availability. All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the department is authorized or required to keep confidential. The department may accordingly redact confidential information from petitions or orders prior to public inspection.

201—7.12(904) Summary reports. Semiannually, the department shall prepare a summary report identifying the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the department's actions on waiver requests. If practicable, the report shall detail the extent to which the granting of a waiver has affected the general applicability of the rule itself. Copies of this report shall be available for public inspection and shall be provided semiannually to the administrative rules coordinator and the administrative rules review committee.

201—7.13(904) Cancellation of a waiver. A waiver issued by the department pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the department issues an order finding any of the following:

1. The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or
2. The alternative means for ensuring that the public health, safety, and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
3. The subject of the waiver order has failed to comply with all conditions contained in the order.

201—7.14(904) Violations. Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

201—7.15(904) Defense. After the department issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein only for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

201—7.16(904) Judicial review. Judicial review of the department's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

201—7.17(904) Sample petition for waiver. A petition for waiver filed in accordance with this chapter must meet the requirements specified herein and must substantially conform to the following form:

CHAPTER 10
RULE MAKING

[Prior to 3/20/91, Corrections Department[291]]

201—10.1(17A,904) Commencement of rule making. The department shall give notice of its intention to adopt, amend or repeal a rule by publishing the text of the proposed change, or a summary of the issues and subject matter to be considered and the time, place and manner in which interested persons may comment upon the proposal, in the Iowa Administrative Bulletin. The notification shall state either the text of the proposed rule or the subject matter of the proposed rule, a summary of changes from the existing rule, if any, and the location and telephone number where people may obtain the actual text. The notice shall also include the name and address of a person to whom interested persons may present written views and arguments, and the deadline by which these submissions may be submitted.

201—10.2(17A) Exemption from rule making. The department finds that policies, procedures and statements which relate only to inmates of a penal institution shall be exempted from the rule-making process as provided in Iowa Code section 17A.2(7) “k.”

Policies and procedures governing activities of incarcerated inmates are located in the departmental manual and in institutional manuals.

201—10.3(17A) Copies of proposed rules. A trade or occupational association, which has registered its name and address with the department of corrections, may receive, by mail, copies of proposed rules. Registration of the association’s name and address with the department is accomplished by written notification to the Director of Corrections, Department of Corrections, 420 Watson Powell Jr. Way, Des Moines, Iowa 50309. In the written notification, the association must designate the type of proposed rules and the number of copies of each rule it wishes to receive. A charge will be assessed pursuant to IAC 201—subrule 5.3(7).

This rule does not prevent an association which has registered with the department in accordance with this rule from changing its designation of types of proposed rules or number of copies of proposed rules which the association desires to receive. If an association makes such change designation, it must do so by written notification to the director of corrections.

This rule is intended to implement Iowa Code sections 17A.4 and 22.11.

201—10.4(17A) Oral presentations. When requested by the persons or groups enumerated in Iowa Code section 17A.4(1) “b,” an opportunity for an oral presentation shall be scheduled. The request must be received at the department office within 20 days of the publication of the notice of intended action and must identify the proposed rule subject to the request by ARC number and by the specific citation to the proposed rule upon which presentations are to be made. A separate request shall be made for proposed rule(s) under each notice.

10.4(1) Notice. When so requested under the provisions of this rule or in the director’s discretion, the director shall schedule an opportunity for oral presentations by publishing a notice of the opportunity in the Iowa Administrative Bulletin, which shall refer to the ARC number and citation of the proposed rule, and which shall give the public not less than 20 days’ notice of the date, time and place of the meeting. Additional notice shall be mailed to all persons who have requested the opportunity for an oral presentation and to the news media when requested.

10.4(2) Conduct of meetings. The director or designee shall serve as the presiding officer at the meetings. At the commencement of the meeting, any person wishing to make an oral presentation shall advise the presiding officer of the person’s name, address and affiliation.

a. At the commencement of the meeting the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority and the reasons for the proposed rule. The presiding officer may limit individual presentations to five minutes each.

b. The presiding officer may open the floor to questions or general discussion to facilitate the exchange of information, but is not required to do so.

or fails to include copies of any cited statute, rule or evidence, the petition may be rejected and returned to the petitioner along with the reasons for the rejection. Petitioner may then correct the reasons for the rejection and refile the petition. A petition in substantial compliance with the recommended form shall be filed and stamped.

10.8(2) *Department action.* Within 60 days of the filing of a petition, the director shall grant the petition and commence rule making, or deny the petition and notify the petitioner in writing of the grounds for the denial.

CHAPTER 11
DECLARATORY RULINGS
[Prior to 3/20/91, Corrections Department[291]]

201—11.1(17A) General. Any interested person may solicit oral or written advice from the director concerning the application or interpretation of any statute or administrative rule dealing with the department of corrections. However, unless the request is made pursuant to Iowa Code section 17A.9, petition for declaratory ruling, any such advice is not binding upon the department. Petitioners for a declaratory ruling must have a real and direct interest in a specific fact situation which may affect their legal rights, duties or responsibilities under statutes or regulations administered by the department.

201—11.2(17A) Petition for declaratory rulings. A petition for a declaratory ruling shall be filed in the director’s office, Department of Corrections, 420 Watson Powell Jr. Way, Des Moines, Iowa 50309. The petition shall either be mailed certified, return receipt requested, or delivered in person. An additional copy may be provided if the petitioner wishes to retain a filed stamped copy of the petition. The petition shall be typewritten and must substantially conform to the following:

11.3(1) Initial review. Upon filing of the petition, the director shall inspect the petition for substantial compliance with the recommended form, and may, in the director’s discretion, reject a petition which fails to contain one or more of the required statements. The director may request that the petitioner provide additional facts or provide greater specificity and detail in the questions posed. A request shall be made within 5 days of the filing of the petition. If the requested information is not provided within 30 days of the receipt of the request, the petitioner will be deemed to have withdrawn the petition.

11.3(2) Declaratory ruling. Within 30 days of the receipt of the petition or additional information, whichever is later, the director shall issue a declaratory ruling or decline to rule. Declination to rule may be based upon one or more of the following grounds:

- b. The petition does not contain sufficient facts to demonstrate that the petitioner will be aggrieved or adversely affected by failure to issue a declaratory ruling.

c. The petitioner presents issues or facts which are unclear, overbroad or otherwise inappropriate as a basis upon which to issue a declaratory ruling.

d. The petition indicates the petitioner seeks to obtain approval to engage in activities so borderline as to be of dubious legality, although perhaps marginally proper.

CHAPTER 12
CONTESTED CASES

[Prior to 3/20/91, Corrections Department[291]]

201—12.1(17A) Notice of noncompliance. When the appropriate division director of the department of corrections determines that an agency or facility accredited by the department is not in compliance with state standards, or when an order of closure is issued under 201—subrule 50.5(6), the appropriate administrator shall be notified of the noncompliance status. The notice shall specify:

1. The statute(s) and any rule(s) alleged to have been violated.
2. The deficiencies cited.
3. The time period allowed for submission of an acceptable plan of compliance if submission of a plan is permitted.

The administrator of the facility or agency may submit the plan of compliance within the appropriate time limitation or may request a hearing pursuant to rule 12.3(17A).

201—12.2(17A) Informal settlement. The director or the respondent may request that an informal conference be held to determine whether the noncompliance matter can be resolved in a just manner in furtherance of the public interest. Neither the director nor respondent is required to use this informal procedure. If the director and respondent agree to negotiate a settlement, the various points of the settlement, including a stipulated statement of facts, shall be set forth in writing and shall be binding on both parties.

201—12.3(17A) The right to request hearing. A hearing shall be granted to any agency or facility aggrieved by action of the department of corrections when the right to a hearing is granted by the state or federal law or constitution except as limited herein. A hearing will not be granted when a state or federal law or regulation provides for a different forum for appeals. A prematurely filed appeal may be dismissed.

201—12.4(17A) Order for hearing. Upon a determination that a plan of compliance is not sufficient to effectuate compliance, or upon request by the agency or facility pursuant to rule 12.3(17A), the department shall issue an order fixing the time and place for hearing. A written notice of hearing together with a statement of the charges shall be mailed to the administrator of the agency or facility at the business address at least ten days prior to the hearing by certified mail with return receipt requested or may be served as in the manner of original notices. Delivery of personal notice to the agency or facility or refusal by the agency or facility to accept certified mailing may constitute commencement of the contested case proceedings.

201—12.5(17A) Notice of hearing. The notice of hearing shall state:

- 12.5(1)** The date, time and place of hearing.
- 12.5(2)** A statement that the party may be represented by legal counsel at all stages.
- 12.5(3)** A statement of the legal authority and jurisdiction under which the hearing is to be held.
- 12.5(4)** A reference to the statutes and rules involved.
- 12.5(5)** A short and simple statement of the deficiencies cited.
- 12.5(6)** A statement that the respondent has the right to appear at a hearing and be heard.
- 12.5(7)** A statement requiring the respondent to submit an answer, as outlined in rule 12.6(17A).
- 12.5(8)** A statement requiring the respondent within the period of five days after the receipt of the notice of hearing to:
 - a. Acknowledge receipt of the notice of hearing on the form provided with the notice.
 - b. State whether the respondent requests a change in the date and time of hearing.
 - c. Furnish the director with a list of potential witnesses and their current addresses which the respondent intends to have called. The department of corrections shall not pay witness expenses.

201—12.6(17A) Form of answer. The answer shall be captioned “BEFORE THE IOWA DEPARTMENT OF CORRECTIONS”, and shall be titled: “ANSWER”. The answer shall contain the following information:

1. The name, address and telephone number of the respondent.
2. Specific statements regarding any or all areas of noncompliance which shall be in the form of admissions, denials, explanations, remarks or statements of mitigating circumstances.
3. Any additional facts or information the respondent deems relative to the issue at hand and which may be of assistance in the ultimate determination of the case.

201—12.7(17A) Continuances. A party has no automatic right to a continuance or delay of the hearing procedure or schedule. However, a party may request a continuance no later than ten days prior to the date set for hearing. Within ten days of the date set for hearing, no continuance shall be granted except for extraordinary, extenuating or emergency circumstances. The administrative law judge shall have power to grant or deny request for continuances.

201—12.8(17A) Prehearing conference. The administrative law judge, either on the administrative law judge’s own motion or at the request of the respondent, may hold a prehearing conference. The prehearing conference shall be for the purpose of identifying and premarking exhibits and other documents as well as determining stipulations or other means of limiting the issues of the hearing. Neither the department nor respondent shall be required to stipulate to any issues. The prehearing conference, if held, may be done through a telephone conference call, with all parties being involved.

201—12.9(17A) Appearance. The administrator of the agency or facility shall have the right to appear in person and have legal counsel before the administrative law judge at the facility or agency administrator’s expense.

201—12.10(17A) Subpoena powers. After service of the notice of hearing, the following procedures are available to the parties:

1. Subpoenas for persons, books, papers, records and other real evidence shall be issued to a party or for a party upon request. Applications should be made to the director and the director shall issue all subpoenas for both parties upon request.
2. Discovery procedures applicable to civil actions are available to the parties in proceedings under these rules.
3. Evidence obtained by subpoena or through discovery shall be admissible at the hearing under rule 12.16(17A) or by statute.
4. The evidence outlined in Iowa Code section 17A.13(2) where applicable and relevant may be available to a party upon request.

201—12.11(17A) Refusal to obey subpoena. In the event of a refusal to obey a subpoena, the director may petition the district court for its enforcement.

The administrative law judge may also administer oaths and affirmations, take or order that depositions be taken and grant immunity to a witness from disciplinary procedures initiated by the director which might otherwise result from the testimony to be given by the witness.

201—12.12(17A) Failure of a respondent to appear. If a respondent, upon whom a proper notice of hearing has been served, fails to appear in person at the hearing, the administrative law judge may proceed to conduct the hearing and the respondent shall be bound by the results of such hearing to the same extent as if the respondent were present.

201—12.13(17A) Record of proceedings. Oral proceedings shall be recorded either by mechanical or electrical means, or by certified shorthand reporters. Oral proceedings or any part thereof shall be transcribed at the request of any party at the expense of the requesting party. The recording or the stenographic notes of oral proceedings or the transcription thereof shall be filed and maintained in

accordance with the provisions of Iowa Code section 17A.12(7). Any party to a proceeding may record at the party's own expense, stenographically or electronically, any portion or all of the proceedings.

201—12.14(17A) Hearings. A hearing may be conducted before an administrative law judge in accordance with Iowa Code section 17A.11. The administrative law judge shall be in control of the proceedings and shall have the authority to administer oaths, to admit or exclude testimony or other evidence and to rule on all motions and objections. The administrative law judge has the right to conduct a direct examination of the testimony of a witness at the time the testimony is given or at a later stage during the proceeding. Direct examination and cross-examination by the administrative law judge are subject to objections properly raised in accordance with the rules of evidence noted in subrules 12.16(1) and 12.16(2).

201—12.15(17A) Order of proceedings. Before testimony is presented, the record shall show the identity of the administrative law judge, the identity of the primary parties and their representatives, and of the fact that all testimony is being recorded. Hearings shall generally be conducted in the following order, subject to the modification at the discretion of the administrative law judge conducting the proceedings.

1. The presiding officer or designee may read a summary of the charges and answers thereto, and other responsive pleadings filed by the respondent prior to the hearing.

2. The assistant attorney general or other person representing the state or department interest before the administrative law judge shall make a brief opening statement which will be a summary of the charges and the witnesses and documents to support such charges.

3. The respondent or respondents shall each be offered the opportunity to make an opening statement, including the names of any witnesses the respondent(s) desires to call in defense. A respondent may elect to make the opening statement just prior to the presentation of evidence by the respondent.

4. Presentation of evidence on behalf of the department.

5. The presentation of evidence on behalf of the respondent(s).

6. Rebuttal evidence on behalf of the state or department, if any.

7. Rebuttal evidence on behalf of the respondent(s), if any.

8. Closing arguments first on behalf of the state or department, then on behalf of the respondent, and then on behalf of the state or department, if any.

201—12.16(17A) Rules of evidence—documentary evidence—official notice.

12.16(1) Irrelevant, immaterial and unduly repetitious evidence should be excluded. A finding will be based upon the kind of evidence upon which reasonably prudent persons are accustomed to rely for the conduct of their serious affairs, and may be based upon such evidence even if it would be inadmissible in a jury trial. The administrative law judge will base the findings upon substantial evidence.

12.16(2) Objections to evidentiary offers may be made and shall be noted in the record. Motions and offers to amend the pleadings may also be made at the hearing and shall be noted in the record together with the rulings thereon.

12.16(3) Subject to above requirements, when a hearing will be expedited and the interests of the parties will not be prejudiced substantially, any part of the evidence may be submitted in writing in certified form, e.g., affidavit, sworn statements or certified documents.

12.16(4) Documentary evidence may be received in the form of copies if the original is not readily available. Documentary evidence may be received in the form of excerpts if the entire document is not relevant. Accurate copies of any document should be provided at the time of the hearing. Upon request, the parties shall be given the opportunity to compare the copy with the original, if available.

12.16(5) Witnesses at the hearing, or persons whose testimony has been submitted in written form, if available, shall be subject to cross-examination by any party as necessary for a full and true disclosure of the facts.

12.16(6) Official notice may be taken of all facts of which judicial notice may be taken and of other facts within the specialized knowledge of the department. Parties shall be notified at the earliest practical time, either before or during the hearing or by reference in preliminary reports, preliminary decisions or otherwise, of the facts proposed to be noticed and their source, including any staff memoranda or data, and the parties shall be afforded an opportunity to contest such facts before the decision is announced unless the administrative law judge determines as part of the record or decision that fairness of the parties does not require an opportunity to contest such facts.

12.19(1) A party dissatisfied with a proposed decision may request the director to review or modify the decision. The department may request review if it is dissatisfied with the proposed decision. The request for review is begun by serving on the director, either in person or by certified mail, a notice of the request for review within ten days after the service of the proposed decision or order on the appealing party.

12.19(2) Within ten days after serving notice of appeal, the requesting party shall serve copies of the exceptions, if any, together with any brief and arguments on the department and all other parties, if any. Except for the request for review, the above time requirements will be extended by stipulation of the parties and may be extended upon application approved by the director.

12.19(3) Oral argument of the request for review is discretionary but may be required by the director upon the director's own motion. At the times designated for filing briefs and arguments, either party may request oral argument. If a request for oral argument is granted or required, the director shall notify all parties of the date, time and place for an oral presentation, if any.

12.19(4) The record on appeal shall be the entire record made before the administrative law judge. The director is not bound by any proposed findings of fact, conclusions of law or order but is free to accept, affirm, modify or reject such proposed findings, conclusions or order. - a. Such facts arose after the original proceedings; or
- b. The party offering such evidence could not reasonably have provided such evidence at the original proceeding; or
- c. The party offering the additional evidence was misled by any party as to the necessity of offering such evidence at the original proceeding, except that this subrule shall not relieve any party of its own obligation to control its own evidence and defense.

12.20(3) The decision made upon rehearing may incorporate by reference any and all parts of the decision made upon the conclusion of the original proceeding.

201—12.21(17A) Final decision. The final decision shall be made by the director. The final decision shall be in writing and shall consist of the parts as outlined in subrule 12.17(1). When such a communication occurs, each party shall be given written notice of the communication, containing either the text of a written communication or a summary of an oral communication, and the time, place and means of the communication. After the notice all parties have the right, upon written demand, to respond to the communication at a hearing convened especially for that purpose.

12.23(1) Inclusive in the record. Any ex parte communication prohibited by Iowa Code section 17A.17(2) received by the administrative law judge shall be included in the record. If written, the text shall be entered into the record; if oral, the administrative law judge shall summarize the communication and enter that summary into the record.

If a party knows or reasonably should know that the communication was prohibited by Iowa Code section 17A.17(2), the director may censure that person or suspend or revoke that person's right to practice before that agency. In the case of prohibited communication which has a substantial and adverse impact upon the opposing party's case, the director may enter a decision against the party making the communication. Any administrative law judge who violates the provisions of section 17A.17 or of this rule may be censured, suspended or dismissed by the director of the department of corrections.

201—12.24(17A) Emergency action. If the agency finds that public health, safety or welfare imperatively requires emergency action, and incorporates the finding to that effect in the order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

The offender is responsible for informing the visitor of the days and hours for visitation.

20.3(3) Authorized visitors.

a. The central visiting authority will establish an approved visiting list for each offender. This visiting list remains valid when the offender is transferred to another institution.

(1) Immediate family members.

(2) A total of four other individuals or groups who are the offender's friends or extended family members.

b. A person working in any institution as a volunteer shall not be on an offender's visiting list except with the permission of the warden/superintendent or designee.

c. Neither a victim of a sex offense, whether registered or not, nor the victim's family members will be approved for the visiting list of the perpetrator in the victim's case until department staff consult with the victim and restorative justice administrator of the department. Visitation requests from victims shall be considered only when the offender has successfully completed all recommended treatment programs of the department or board of parole. If the victim's or victim's family member's visitation request is denied, the victim or victim's family member may file an appeal pursuant to 20.3(6) "d."

c. A former or current department employee or volunteer who is a member of an offender's immediate family may be approved to visit the offender by the warden/superintendent or designee.

d. A former department employee or volunteer who is not an immediate family member of an offender may be allowed to visit six months after leaving employment or ceasing volunteer service if the former employee or volunteer passes the normal background investigation, there are no security issues arising from the person's prior employment or volunteer service, and the CVA receives approval from the warden/superintendent or designee.

(1) Applicants may appeal to the warden/superintendent or designee in writing. An appeal by an applicant who is the victim of a sex offense, or who is the victim's family member, and is seeking to visit the perpetrator of the crime shall be reviewed in consultation with the department sex offender treatment director or the institution's treatment director for the moderate intensity family violence prevention program.

(2) The decision of the warden/superintendent or designee may be appealed to the director of the department of corrections or the director's designee. The decision of the director or the director's designee constitutes final agency action.

20.3(7) Removal from visiting list. If an offender wishes to have a visitor removed from the offender's visiting list, the offender shall complete the Removal of Visitor form contained in department policy OP-MTV-04 and send it to the central visiting authority. Upon receipt of the removal request, the central visiting authority shall respond to the request within seven business days and send a copy of the removal form to the offender. An attorney testing positive by an electronic detection device may be required to visit without direct contact.

c. Ministers. Ministers must complete an initial visitor application form to visit an offender; however, this initial application shall apply to multiple visiting lists. After initial approval is established, ministers must contact the central visiting authority at (319)385-9511 to be added to the visiting lists of additional offenders. Background checks are required. Ministers shall not be counted as a friend on an offender's visiting list as set forth in 20.3(3) "b."

Offenders may request reconsideration of denied visitors six months after resolution of the reason for denial or when approved by the warden/superintendent or designee or regional deputy director.

20.3(12) Noncontact visiting. The warden/superintendent or designee may allow noncontact visits when the order or security of the institution may be threatened or when disciplinary rules or procedures have been violated. Noncontact visiting hours will be provided on a scheduled basis. The hours and days will be posted by the warden/superintendent or designee, and notice will be posted at least one week prior to any change. Visitors on the noncontact list at the time of a schedule change will be notified of the schedule change by regular mail sent to the last-known address.

Visitors found in possession of contraband shall be referred by local law enforcement to the county attorney for prosecution.

The decision of the warden/superintendent or designee in these cases constitutes final agency action.

20.3(21) Temporary modifications. Visiting procedures may be temporarily modified or suspended in the following circumstances: riot, disturbance, fire, labor dispute, space and personnel restrictions, natural disaster, or other emergency.

201—20.13(904) Board of parole interviews. Each institution provides space for the conduct of interviews between the Iowa board of parole and institutional inmates. When these meetings are held in correctional institutions, attendance is subject to security and safety regulations as stated herein. Any exception to these rules must have prior approval of the director of the department of corrections or designee.

20.13(1) Persons desiring to attend a board of parole interview who are not on an inmate's visiting list shall notify the warden or superintendent of the respective institution of their intent to attend. A visitor's application will be sent to the person, and the completed application must be received back by the institution at least 15 days prior to the scheduled date of the parole interview in order that a background investigation with law enforcement officials may be completed prior to attendance at the parole interview. Following a successful background investigation, authorization to attend parole interviews will be continuous subject to these rules and any subsequent background investigations conducted at the discretion of the warden or superintendent.

20.13(2) Due to security considerations, those persons excluded from applying for visitation privileges pursuant to subrule 20.3(1), paragraph "f," subparagraphs (1) to (7), inclusive, are also excluded from attending parole board interviews as listed below:

- a.* Individuals who have been discharged from a correctional institution within the last 18 months.

This may be reflected in the background investigation report which shows the individual having a record of carrying concealed weapons, irresponsible or illegal use of a controlled substance, previous violation of institutional rules, or similar behavior.

(1) When approved, the requester shall be informed on the notification:

1. That the attendee may be subject to a search (subrule 20.13(3), paragraph “f”) when a staff member has an articulable reason to believe that the attendee is concealing contraband;

2. That the search may include a pat down, a strip search, or a visual body cavity probe search; and

3. That the requester need not submit to a strip search although refusal may result in the forfeiture of attendance.

(2) When denied, the applicant shall be apprised of the reasons for denial.

b. All requesters shall present proper identification upon entrance to the institution. Photo identification is preferred, but all identification shall identify personal characteristics, such as color of hair and eyes, height, weight and birth date.

A medical need for sunglasses must be verified by prescription.

f. Attendees may be requested to submit to a personal search (pat down) or review by an electronic device for weapons or contraband. When the electronic device alarm is activated, the attendee shall produce the item, or a personal search may be made to find the item that set off the alarm. Attendees may be requested to submit to a strip search when there is an articulable reason to believe the person is concealing a weapon or contraband. Each institution shall designate the level of authority required to request a search through institutional policy. This person shall authorize the search in writing. The designation required pursuant to subrule 20.3(9) for visitation will suffice for this subrule as well. Entrance may be denied when the attendee is not willing to submit to a search. In the absence of a medical practitioner, a licensed registered nurse will conduct the search and report the findings to the on-call medical practitioner.

4. It will be permissible and not considered a body cavity search to request that a female attendee remove a sanitary napkin or tampon.

(3) An attendee accompanied by a minor child has the option of not having the child present during a strip search or pat down. The child will be attended by a staff person. When attendee refuses to leave the child with a staff person and does not want the child present during the search, attendance will be denied. At all times when a minor child is searched, the supervising adult may be present in the room.

(4) When an attendee is arrested, the attendee may be searched for weapons which may inflict harm on the arresting officer.

(5) Records shall be kept of all strip searches and shall include the name of the person subjected to the search, the names of the persons conducting and in attendance at the search, the time, date, and place of the search. a. All required risk assessments shall be conducted utilizing the risk assessment instruments outlined below as approved by the department of corrections, the division of criminal investigation of the department of public safety (DCI), and the department of human services:

- (1) Static-99. Designed for adult male sex offenders aged 18 and over and juvenile male offenders waived to adult court who have a specific identified victim.
- (2) ISORA-8. Designed for adult male and female sex offenders aged 18 and over who may or may not have a specific identified victim.

b. Upon request, risk assessment instrument documents will be made available by the department of corrections.

c. The risk assessment score will be determined following a review of the following documents: the presentence investigation report, court documents, clinical assessments, treatment records, polygraph reports, plethysmograph reports, employee records, school records, military records, and child protection services records of the department of human services. The risk assessment score is used to determine the level of risk to reoffend.

38.3(2) Offenses requiring completion of a risk assessment. The department of corrections, the department of human services, and the division of criminal investigation of the department of public safety shall complete the risk assessment on every offender under each agency’s authority who is required to register under Iowa Code chapter 692A on or after July 1, 2005, who has committed a criminal offense against a minor, or an aggravated offense, sexually violent offense, or other relevant offense that involved a minor in this state or in another state, or in a federal, military, tribal, or foreign court, or on a person required to register in another state under the state’s sex offender registry. The risk assessment should be completed within 45 days prior to the offender’s release from custody or upon the offender’s placement on probation, parole, or work release.

38.3(3) Risk assessment completion procedures.

a. *Institution risk assessments.* Risk assessments should be conducted on offenders and forwarded to DCI within 45 days prior to (and only if) the offender is being released from the institution. Risk assessments conducted for any other purpose should not be forwarded to DCI.

b. *Judicial district risk assessments on probationers.* Judicial district departments should complete risk assessments on probation offenders within 45 days of receipt of the case and forward the assessments to DCI. Additional risk assessments conducted during the supervision period, including those completed when an offender is discharged or revoked, should not be forwarded to DCI unless the offender’s risk level has changed. However, when any offender is revoked or discharged, the probation officer shall notify DCI that the offender is either incarcerated or no longer under supervision in the community.

c. *Parole/work release risk assessments.* Risk assessments should be conducted by the institution prior to an offender’s release on parole or work release. Parole officers are not required to reassess an offender unless they believe the risk level has changed. If the risk assessment is not included in the Iowa Corrections Offender Network (ICON) database, the officer should contact the institution to determine whether one has been completed. If, for some reason, a risk assessment was not completed prior to the offender’s release, the supervising probation/parole officer in conjunction with institution staff shall complete the risk assessment.

38.3(4) Notification of right to appeal.

a. When a risk assessment has been completed by an institution, the department of corrections shall notify, or cause to be notified, the offender of the finding, by providing to the offender copies of the risk assessment and the “Notice of Risk Assessment Findings” and “Appeal Form.”

Notice is deemed provided even if the offender refuses delivery.

b. When a risk assessment has been completed by a judicial district department of correctional services (DCS), the probation/parole officer shall notify the offender by personal delivery or certified mail of the risk assessment finding. The notification shall include the risk assessment and the “Notice of Risk Assessment Findings” and “Appeal Form.” No additional notice is required.

Notice is deemed provided even if the offender refuses delivery or if mail is undeliverable because the offender has not complied with registry requirements to provide a current address. If the notice is returned to the DCS as undeliverable, the assessment shall be forwarded to the DCI sex offender registry within 48 hours.

c. The notice shall contain the following information:

(1) A copy of the completed risk assessment.

(2) The result of the risk assessment.

(3) That the offender may appeal the risk assessment decision by filing a written appeal and mailing or serving it on the department of corrections at an address prescribed on the notice, so that it is received by 4:30 p.m. on or by the date specified in the notice.

(4) That the appeal shall be in writing and shall fully address each issue challenged. The appeal shall be limited to the following issues:

1. Whether the risk assessment factors have been properly applied; or

2. Accuracy of the information relied upon to support the assessment findings; or

3. Errors in the procedure.

d. If the department does not receive a written appeal within the time guidelines set forth in this rule, the department or DCS shall notify the division of criminal investigation of the results of the risk assessment by providing a copy of the risk assessment and “Notice of Risk Assessment Findings” to the division of criminal investigation.

e. The department shall have the burden of proof by a preponderance of the evidence to support the result of the risk assessment.

f. If a party fails to appear at the date and time specified in the hearing notice or fails to participate after proper service of notice, the administrative law judge or presiding officer may enter a default decision in the absence of the party.

g. After hearing the evidence and argument of the parties, the administrative law judge or presiding officer shall issue a written order affirming, reversing, or modifying the result of the risk assessment within 14 calendar days. The order shall contain concise findings of fact and conclusions of law. A copy of the order shall be promptly mailed to each party.

h. The registrant, attorney general, or the agency may appeal the administrative law judge's or presiding officer's order to the director of the department of corrections or the director's designee. Appeal must be served in writing within 14 calendar days from the date of the order. If the order is not appealed within the 14-day time period, it shall be considered a final decision.

i. The director of the department of corrections or the director's designee shall consider an appeal on the record made before the administrative law judge or presiding officer. The director or designee shall not consider any additional facts on appeal. The director or designee may, at the director's or designee's discretion, request written briefs or oral argument in an appeal. The director or designee shall issue a written decision affirming, reversing, or modifying the order of the administrative law judge or presiding officer. A copy of the decision shall be promptly mailed to each party. The decision of the director or the director's designee constitutes final agency action.

j. Upon disposition of the appeal or 20 days after the final decision of the administrative law judge or presiding officer, all information including the risk assessment, "Notice of Risk Assessment Findings," appeal information, and any other documentation shall be forwarded to the department of public safety sex offender registry program.

38.3(6) Training requirements. All agency personnel conducting sex offender risk assessments shall complete the training program as developed and provided cooperatively by the responsible agencies.

201—46.1(913) Compact agreement. The interstate compact for the supervision of parolees and probationers is a legally binding agreement under which all 50 states, Puerto Rico, and the Virgin Islands serve as each other's agents in the supervision of certain parolees and probationers. The compact provides a simple legal method whereby parolees and probationers may move to better rehabilitative environments outside the state without losing the advantages of supervision or escaping from the jurisdiction of the state in which such person was sentenced.

201—46.2(913) Compact administrator.

46.2(1) The compact administrator may appoint up to two deputy compact administrators to serve as active members of the Parole and Probation Compact Administrator's Association and who shall be responsible for day-to-day operation of the interstate compact.

46.2(2) The compact administrator shall be responsible for the administration of the compact between this state and other contracting states. The compact administrator or the designated deputy shall serve as Iowa's representative in the parole and probation compact administrator's association.

201—46.3(913) Sending a person out of Iowa under the compact.

46.3(1) Local parole and probation officials requesting to transfer a parolee or probationer to another state shall work through the office of the state compact administrator. All persons using the compact shall comply with the official rules and regulations promulgated by the compact administrators under authority of article 5 of the compact.

46.3(2) Whenever a person is accepted in another state for supervision, Iowa shall, when available, send to the receiving state two recent photographs and one photostatic copy of the fingerprints or fingerprint classification of subject.

46.3(3) All moneys which Iowa desires to collect from the parolee or probationer either for family support, support of children, restitution, reparation, court costs, or fines, or otherwise, shall be sent directly by the parolee or probationer to the appropriate authority in the sending state (Iowa) and the receiving state agrees to use its best endeavor to ensure that the parolee or probationer sends such moneys as requested.

46.3(4) The parolee or probationer shall sign Compact Form III, Application for Compact Services and Agreement to Return, in triplicate, furnished by the parole or probation officer, before leaving the sentencing state. By signing Compact Form III, the parolee or probationer waives the right to formal extradition proceeding and agrees not to contest any effort to return the parolee or probationer to the sending state.

201—46.4(913) Receiving cases in Iowa under the interstate compact.

46.4(1) The state of Iowa through the appropriate authorities shall accept supervision of out-of-state cases when a parolee or probationer meets the requirements of the interstate compact.

46.4(2) The state of Iowa shall exercise the same care and treatment and supervision standards that are given to Iowa cases, and shall notify the sending state promptly about any violations, antisocial behavior that may occur or the placement of any legal hold against the individual.

46.4(3) The receiving state shall submit semiannual progress reports in reference to the parolee and probationer and such reports shall cover present residence of the parolee or probationer, name of employer, with type and character of employment, and the parolee's or probationer's general conduct and progress, as well as attitude toward supervision. Such reports shall not be a substitute for financial or other written reports the sending state may require the parolee or probationer to send to it at periodic intervals on such forms as the sending state may furnish the parolee or probationer.

46.4(4) The receiving state shall promptly upon parole violation notify the sending state. In the case of serious violations the board of parole liaison officer, who is an attorney, will conduct a probable cause hearing for the compact administrator according to the board of parole procedures 205—7.5(909).

46.4(5) In the transfer of supervision of all probation and parole cases to or from other states, the judicial district departments of correctional services established pursuant to Iowa Code chapter 905, shall abide by these rules, the provisions of the compact and department of corrections policies and procedures.

46.4(6) Out-of-state cases transferred to the state of Iowa shall be responsible for payment of supervision enrollment fees directly to the supervising judicial district department, in accordance with Iowa Code section 905.14.

These rules are intended to implement Iowa Code chapter 913 and section 906.13 and 1997 Iowa Acts, House File 734, section 7.

CHAPTER 47
OWI PROGRAMS

[Prior to 3/20/91, Corrections Department[291]]

201—47.1(904) OWI facilities.

47.1(1) Offenders convicted of an offense under Iowa Code chapter 321J, sentenced to the custody of the director of corrections, and assigned to a continuum of programming, including treatment providers, residential facilities and institutions, for the supervision and treatment of offenders shall be subject to the provisions of these rules and policies developed by the department of corrections.

47.1(2) The district department shall select appropriate facilities and treatment providers subject to the approval of the department of corrections, for the risk management and programming of offenders defined in this chapter.

47.1(3) Any facility operated by a district department directly or through a contract shall comply with the provisions of 201—Chapters 40 and 43 and policies developed by the department of corrections.

47.1(4) All facilities and programs operated pursuant to this chapter shall be reviewed for approval by the department of corrections initially and biennially thereafter. A district department which fails to maintain compliance with this chapter shall be subject to the provisions of Iowa Code section 905.9.

47.1(5) Any program operated pursuant to this chapter shall comply with licensure standards for correctional facilities of the division of substance abuse, department of public health, 643—Chapter 6.

47.1(6) Any facility operated in whole or in part under the provisions of this chapter shall review and consider the American Corrections Association Standards for Adult Community Residential Facilities.

47.1(7) The district director is responsible for all programs and offenders that are subject to these rules. Any change in the custody status of offenders shall be approved by the department of corrections in consultation with a district department official.

201—47.2(904) Movement of offenders.

47.2(1) The judicial district departments of correctional services and the department of corrections shall utilize standardized placement criteria founded on the presumption that assignment will be made to the least restrictive and most cost-effective component of the continuum for the purposes of risk management, substance abuse treatment, education, and employment. The continuum is defined as consisting of three basic components, namely (1) incarceration until released by the board of parole or expiration of sentence, (2) short-term incarceration for approximately 21 days with subsequent transfer to a community corrections OWI residential program with differential levels of treatment and intervention, and (3) direct placement to a community corrections OWI residential program with differential levels of treatment and intervention. The criteria established to determine continuum assignment consists of the offender's previous criminal record, present charges and attitude toward treatment.

47.2(2) When there is insufficient bed space in the community-based correctional program to accommodate the offender, the court may order the offender to be released on personal recognizance or bond, released to the supervision of the judicial district department of correctional services, or held in jail.

47.2(3) Priority for placement in the treatment program will be based on the date of sentence unless an exception is made by the department of corrections or district department for special circumstances.

47.2(4) When the offender is sentenced to the director of the department of corrections and ordered to the supervision of the judicial district and space is not available in a community program, or supervision concerns arise, the district director or designee may request temporary placement at the Iowa Medical and Classification Center for classification and assignment. Final approval is granted by the regional deputy director or designee until space is available in the community program.

47.2(5) If medical conditions prohibit program participation and community resources, including University Hospitals, are not available to sufficiently meet offender needs, the offender may be assigned with the approval of the deputy director of offender services or designee to the Iowa Medical and Classification Center at Oakdale for treatment until the offender's health status permits placement into a community-based correctional program.

47.2(6) The transfer of offenders placed with the department of corrections to community facilities may be delayed by the department of corrections for security or medical reasons. Offenders with active detainers or offenders refusing to participate in the program may be transferred to an institution.

47.2(7) Offenders placed with the department of corrections shall be transferred in custody to their assigned facility unless an exception is approved by the department of corrections.

47.2(8) The district department shall comply with established policies and develop procedures for the temporary confinement of offenders who present a threat to the safety or security of the public, facility staff, or residents.

47.2(9) Offenders housed in community facilities may be transferred to the Iowa Medical and Classification Center on the recommendation of the district director or designee and with the approval of the regional deputy director or designee for reclassification and assignment to an institution. Transfer recommendations may be made for security, disciplinary, treatment, medical, or legal reasons.

47.2(10) The district department shall maintain a current contingency plan to ensure the continuation of programs or custody of offenders in the event of an emergency such as fire, tornado, chemical spill, or work stoppage.

201—50.2(356,356A) General provisions.

50.2(1) *Applicability.* These rules apply to all facilities regulated by Iowa Code chapters 356 and 356A except temporary holding facilities which are covered by 201—Chapter 51.

50.2(2) *Capacity.* Established capacities as determined by these rules shall not be exceeded except in the event of an emergency and then only for such a period of time as is necessary to arrange for alternate housing or release of sufficient prisoners to bring the number of persons confined into compliance with the rated capacity.

50.2(3) *Right to inspect and visit.* The chief jail inspector or authorized representatives shall visit and inspect jails and may do so on an unannounced basis. Jail personnel and supervisors shall cooperate in inspections and shall exhibit to the inspectors, upon request, all books, records, medical records, data, documents and accounts pertaining to a jail or to the prisoners confined and shall assist inspectors to perform the functions, powers and duties of their office. Provisions of the first paragraph of Iowa Code section 356.43 shall control to the extent of any inconsistency of the provisions of this subrule.

50.2(4) *Other standards.* Nothing contained in these standards shall be construed to prohibit local officials from adopting standards and requirements governing their employees and facilities, provided such standards and requirements exceed and do not conflict with standards mandated in this chapter. These standards shall not be construed as authority to violate any state fire safety standard, building standard, health and safety code, or any constitutional requirement. No jail shall be operated without substantially meeting these rules, absent the granting of a waiver/variance.

50.2(5) *Equal opportunity.* Facilities, programs, and services shall be available on an equitable basis to both males and females even though each standard does not specify that it applies to both males and females.

50.2(6) *Nondiscriminatory treatment.* Each jail administrator shall ensure that staff and prisoners are not subject to discriminatory treatment based upon race, religion, nationality, disability, sex or age absent compelling reason for said discriminatory treatment. Discrimination on the basis of a disability is prohibited in the provision of services, programs, and activities.

201—50.3(356,356A) Inspection and compliance. The chief jail inspector or authorized representatives shall visit and inspect each jail within this state at least annually to determine the degree of compliance with these standards and within 45 days of each inspection shall report the results to the sheriff and the governing body responsible for the facility.

If a residential facility is operated by a judicial district department of correctional services, the regional deputy director of the department of corrections and the regional deputy director’s personnel shall be responsible for all inspections and approvals and shall have the same powers as the members of the jail inspection unit in carrying out these rules.

50.3(1) *Notice of noncompliance with minimum standards.* Whenever the determination is made that a jail or other holding facility is not in compliance with established minimum state jail standards, the chief administrator of the affected governmental facility will be notified by letter posted or personal delivery of the need to bring the facility into compliance. The jail inspection unit shall issue a notice of noncompliance to the responsible jail administrator and the governing body of each instance in which the jail fails to comply with the minimum standards established under these rules. The letter shall contain

a listing of the statute(s) and rule(s) with which the facility is not in compliance and a description of the deficiencies and shall specifically identify each minimum standard with which the jail has failed to comply.

50.3(2) Enforcement of minimum standards; remedial orders. Upon receipt of a notice of noncompliance pursuant to subrule 50.3(1), the responsible authorities shall initiate appropriate corrective measures within the time prescribed by the jail inspection unit in its notice (which shall not exceed 90 days) and shall complete the corrections within a reasonable time as prescribed by the notice of noncompliance. The jail inspector may agree with the responsible authorities to a plan of action detailing corrective steps with corresponding time frames which will bring the facility into compliance within a reasonable time. If the responsible officials receiving a notice of noncompliance fail to initiate corrective measures or to complete the corrective measures within the time prescribed, the jail inspection unit may order the jail in question or any portion thereof closed, that further confinement of prisoners or classifications of prisoners in the noncomplying jail or any portion thereof be prohibited, or that all or any number of prisoners then confined be transferred to and maintained in another jail or detention facility, or any combination of remedies.

An order for closure shall contain the following:

- a. Statute(s) and rule(s) violated.
- b. A brief description of the deficiencies.
- c. The effective date of the order.
- d. An explanation of remedies required before reopening.

This order shall be the notice of noncompliance pursuant to Iowa Code section 356.43 and 201—Chapter 12 concerning contested cases. The matter shall then proceed in accordance with 201—Chapter 12. The jail inspector may agree with the responsible authorities to a plan of action detailing corrective steps with corresponding time frames which would bring the facility into compliance within a reasonable time. The remedial order shall be in writing and shall specifically identify each minimum standard with which the jail has failed to comply. Such remedial order shall become final and effective 30 days after receipt thereof. In the event immediate closure is required, emergency action shall proceed pursuant to 201—12.24(17A).

50.3(3) Precedent. Because rules cannot adequately anticipate all potential specific factual situations and circumstances presented for action, determination or adjudication by the jail inspection unit, the nature of the action taken with regard to any matter or the disposition of any matter pending before the jail inspection unit is not necessarily of meaningful precedential value, and the department shall not be bound by the precedent of any previous action, determination, or adjudication in the subsequent disposition of any matter pending before it.

This rule is intended to implement Iowa Code sections 17A.10, 17A.12 and 356.43.

Inspection by a municipal inspector qualified in these areas may be permitted.

b. Any facility determined to be deficient following inspection may be ordered closed by the jail inspector, or specific conditions limiting its operation may be imposed in lieu of closing.

An order of closure shall contain the following:

- (1) Statute(s) and rule(s) violated.
- (2) A brief description of the deficiencies.
- (3) The effective date of the order.

(4) An explanation of remedies required before reopening.

An order of closure shall adhere to subrules 50.3(1) and 50.3(2). This order shall be the notice of noncompliance pursuant to Iowa Code section 356.43 and 201—Chapter 12 concerning contested cases. The matter shall then proceed in accordance with 201—Chapter 12.

c. In the event that any agency fails to cooperate in an inspection, the jail inspector may arrange for an inspection and the agency operating the facility shall be financially responsible for any expense involved.

50.4(3) Heating and ventilation. All detention and living areas shall be reasonably heated and ventilated, with air flow sufficient to admit fresh air and remove disagreeable odors, to ensure healthful and comfortable living and working conditions for prisoners and staff. Fans and an adequate supply of cold liquids will be made available and utilized when indoor temperatures exceed 85° Fahrenheit.

50.4(7) Electrical. Drop cords shall not be used as permanent wiring. Electrical service shall meet the requirements of the governmental body permitted by statute to adopt standards for electrical service. Appliances shall plug directly into a fixed receptacle. Emergency generator power shall be available. Emergency generator power shall be tested at regular intervals not less than monthly. A record of test dates shall be maintained.

50.4(8) Storage.

a. Storage of any type in primary detention areas is not permitted except for supplies necessary for the operation of the jail.

b. Adequate storage space for prisoners' personal clothing and property shall be provided. Space provided shall be secure, and the prisoner's name or identification number shall be affixed to the storage space.

c. Janitorial supplies shall be stored in a manner to prevent unauthorized prisoner access. Janitorial supplies and equipment shall not be stored in prisoner living areas.

d. Areas used for storage of chemicals, paints, and cleaning supplies shall not be accessible to prisoners and such products shall be stored away from the primary detention area. Such storage shall not be in boiler or furnace rooms.

“*Residential facilities*” means the facilities governed by 201—Chapter 43.

“*Temporary holding facility*” means secure holding rooms or cells administered by a law enforcement agency where detainees may be held for a limited period of time, not to exceed 24 hours, and a reasonable time thereafter to arrange for transportation to an appropriate facility. A law enforcement agency is not required to meet the standards for temporary holding facilities provided a detainee is held for less than two hours prior to transportation to an appropriate facility and a trained staff person of the agency is available to respond to, render aid to, or release the detainee in the event of a life-endangering emergency.

“*Temporary holding facility administrator*” means the executive head of any law enforcement agency, or the executive’s designee, operating a temporary holding facility. The temporary holding facility administrator shall be responsible for the operation of the facility according to these rules.

“*Waiver/variance*” means waiver of a specific standard granted by the jail inspection unit in accordance with these rules.

“*Weapon*” means any instrument with a primary intended use of self-defense or protection of another or to gain or maintain compliance from an individual. See paragraph 51.11(2)“b.”

201—51.2(356,356A) General provisions. These rules apply to all temporary holding facilities regulated by Iowa Code chapter 356 or 356A.

51.2(1) Capacity. Established capacities as determined by these rules shall not be exceeded except in the event of an emergency, and then only for such a period of time as is necessary to arrange for alternate housing or release of sufficient detainees to bring the number of persons confined into compliance with the rated capacity.

51.2(2) Right to inspect and visit. The chief jail inspector or authorized representatives shall visit and inspect temporary holding facilities and may do so on an unannounced basis. Facility personnel and supervisors shall cooperate in inspections and shall exhibit to the inspectors, upon request, all books, records, medical records, data, documents and accounts pertaining to a temporary holding facility or to the detainees confined and shall assist inspectors to perform the functions, powers and duties of their office. Provisions of the first paragraph of Iowa Code section 356.43 shall control to the extent of any inconsistency of the provisions of this subrule.

51.2(3) Other standards. Nothing contained in these standards shall be construed to prohibit local officials from adopting standards and requirements governing their employees and facilities, provided these standards and requirements exceed and do not conflict with standards mandated in this chapter. These standards shall not be construed as authority to violate any state fire safety standard, building standard, health and safety code, or any constitutional requirement. No facility shall be operated without substantially meeting these rules unless operating under a waiver granted according to the provisions of 201—Chapter 7, Iowa Administrative Code.

51.2(4) *Equal opportunity.* Facilities, programs, and services shall be available on an equitable basis to both males and females even though each standard does not specify that it applies to both males and females.

51.2(5) *Nondiscriminatory treatment.* Each facility administrator shall ensure that staff and detainees are not subject to discriminatory treatment based upon race, religion, nationality, disability, sex or age, absent compelling reason for said discriminatory treatment. Discrimination on the basis of a disability is prohibited in the provision of services, programs and activities.

201—51.3(356,356A) Inspection and compliance. The chief inspector or authorized representatives shall visit and inspect each facility within this state at least annually to determine the degree of compliance with these standards and within 45 days of each inspection shall report the results to the temporary holding facility administrator and the governing body responsible for the facility. If a residential facility is operated by a judicial district department of correctional services, the regional deputy director of the department of corrections and the regional deputy director's personnel shall be responsible for all inspections and approvals and shall have the same powers as the members of the inspection unit in carrying out these rules.

51.3(1) *Notice of noncompliance with minimum standards.* Whenever the determination is made that a temporary holding facility is not in compliance with established minimum standards, the chief administrator of the affected governmental facility will be notified by letter posted or personal delivery of the need to bring the facility into compliance. The jail inspection unit shall issue a notice of noncompliance to the responsible facility administrator and the governing body of each instance in which the facility fails to comply with the minimum standards established under these rules. The letter shall contain a listing of the statute(s) and rule(s) with which the facility is not in compliance and a description of the deficiencies and shall specifically identify each minimum standard with which the facility has failed to comply.

51.3(2) *Enforcement of minimum standards; remedial orders.* Upon receipt of a notice of noncompliance pursuant to subrule 51.3(1), the responsible authorities shall initiate appropriate corrective measures within the time prescribed by the jail inspection unit in its notice (which shall not exceed 90 days) and shall complete the corrections within a reasonable time as prescribed by the notice of noncompliance. The jail inspector may agree with the responsible authorities to a plan of action detailing corrective steps with corresponding time frames which will bring the facility into compliance within a reasonable time. If the responsible officials receiving notice of noncompliance fail to initiate corrective measures or to complete the corrective measures within the time prescribed, the jail inspection unit may order the facility in question or any portion thereof closed, that further confinement of detainees or classifications of detainees in the noncomplying facility or any portion thereof be prohibited, or that all or any number of detainees then confined be transferred to and maintained in another facility, or any combination of remedies.

An order for closure shall contain the following:

- a. Statute(s) and rule(s) violated.
- b. A brief description of the deficiencies.
- c. The effective date of the order.
- d. An explanation of remedies required before reopening.

This order shall be the notice of noncompliance pursuant to Iowa Code section 356.43 and 201—Chapter 12 concerning contested cases. The matter shall then proceed in accordance with 201—Chapter 12. The jail inspector may agree with the responsible authorities to a plan of action detailing corrective steps with corresponding time frames which would bring the facility into compliance within a reasonable time. The remedial order shall be in writing and shall specifically identify each minimum standard with which the facility has failed to comply. Such remedial order shall become final and effective 30 days after receipt thereof. In the event immediate closure is required, emergency action shall proceed pursuant to 201—12.24(17A).

51.3(3) *Precedent.* Because rules cannot adequately anticipate all potential specific factual situations and circumstances presented for action, determination or adjudication by the jail inspection unit, the

nature of the action taken with regard to any matter or the disposition of any matter pending before the jail inspection unit is not necessarily of meaningful precedential value, and the department shall not be bound by the precedent of any previous action, determination, or adjudication in the subsequent disposition of any matter pending before it.

This rule is intended to implement Iowa Code sections 17A.10, 17A.12 and 356.43.

51.4(1) *Building to meet existing codes.* All facilities are required to be structurally sound and to meet existing building code and health code requirements.

Inspection by a municipal inspector qualified in these areas may be permitted.

b. Any facility determined to be deficient following inspection may be ordered closed by the jail inspector or specific conditions limiting its operation may be imposed in lieu of closing.

An order of closure shall contain the following:

- (1) Statute(s) and rule(s) violated.
- (2) A brief description of the deficiencies.
- (3) The effective date of the order.
- (4) An explanation of remedies required before reopening.

An order of closure shall adhere to subrules 51.3(1) and 51.3(2).

51.4(3) *Heating and ventilation.* All detention and living areas shall be reasonably heated and ventilated, with air flow sufficient to admit fresh air and remove disagreeable odors, to ensure healthful and comfortable living and working conditions for detainees and staff. Fans and an adequate supply of cold liquids will be made available and utilized when indoor temperatures exceed 85° Fahrenheit.
