CHAPTER 3  
PUBLIC RECORDS AND FAIR INFORMATION PRACTICES

**223—3.1(17A,22) Definitions.** As used in this chapter:

“*Confidential record*” in these rules means a record which is not available as a matter of right for examination and copying by members of the public under applicable provisions of the law. Confidential records include records or information contained in records that the state archives is prohibited by law from making available for examination by members of the public, and records or information contained in records that are specified as confidential by Iowa Code section 22.7 or other provision of law, but that may be disclosed upon order of a court, by the lawful custodian of the record, or by another person duly authorized to release the record. Mere inclusion in a record of information declared confidential by an applicable provision of the law does not necessarily make that entire record a confidential record.

“*Custodian*” in these rules means the state archivist of Iowa.

“*Open record*” in these rules means a record other than a confidential record.

“*Personally identifiable information*” in these rules means information about or pertaining to an individual in a record which identifies the individual and which is contained in a record system.

“*Record*” in these rules means the whole or part of a “public record,” as defined in Iowa Code section 22.1, that is in the custody of the state archivist.

“*Record system*” in these rules means any group of records under the control of the state archives from which a record may be retrieved by a personal identifier such as the name of an individual, number, symbol, or other unique retriever assigned to an individual.

“*State archives*” in these rules means the state archives of Iowa, a unit within the society.

**223—3.2(17A,22) Statement of policy and scope.**

**3.2(1)** The purpose of this chapter is to facilitate broad public access to open records. It also seeks to facilitate sound determinations by the state archives with respect to the handling of confidential records and the implementation of the fair information practices Act. The state archives is committed to the policies set forth in Iowa Code chapter 22; state archives staff shall cooperate with members of the public in implementing the provisions of that chapter.

**3.2(2)** Scope of chapter. The provisions of this chapter apply to records which are in the custody of the state archivist in accordance with Iowa Code Supplement section 305.9(1). Administrative materials created and held by the state archives are subject to 221—Chapter 2. This chapter shall not be construed to:

- a. Require the state archives to index or retrieve records which contain information about an individual by that person’s name or other personally identifiable information;
- b. Apply to records which are developed by the state archives or any unit of the society unless those records are housed in the state archives as records having enduring value in accordance with Iowa Code Supplement section 305.9(1); or
- c. Govern the maintenance or disclosure of, notification of or access to records in the possession of the state archives that are governed by the regulations of another agency.

**223—3.3(17A,22) Request for access to records.**

**3.3(1)** *Location of record.* A request for access to a record from the state archives shall be directed to the State Archivist, Historical Division, Department of Cultural Affairs, 600 East Locust, Des Moines, Iowa 50319. If the location of the record is not known by the requester, the request shall be directed to the State Archivist, Historical Division, Department of Cultural Affairs, 600 East Locust, Des Moines, Iowa 50319. If a request for access to a record is misdirected, state archives personnel shall promptly forward the request to the appropriate person within the state archives.

**3.3(2)** *Office hours.* Open records from the state archives of Iowa shall be available for inspection during posted weekday hours of the society’s public reading room in Des Moines. Records may be available for inspection in the society’s public reading room in Des Moines during posted hours on a Saturday if a request is placed by 12 noon on the preceding Friday.

**3.3(3) Request for access.** Requests for access to open records from the state archives may be made in writing, in person, electronically, or by telephone. Requests shall identify the particular records sought by name or description in order to facilitate location of the record. Mail, E-mail or telephone requests shall include the name, address, and telephone number of the person requesting the information. A person shall not be required to give a reason for requesting an open record from the state archives.

**3.3(4) Response to requests.** Access to an open record from the state archives shall be provided promptly upon request unless the size or nature of the request makes prompt access infeasible. If the size or nature of the request for access to an open record from the state archives requires time for compliance, the custodian shall comply with the request as soon as feasible. Access to an open record from the state archives may be delayed for one of the purposes authorized by Iowa Code section 22.8(4) or 22.10(4). The custodian shall promptly give notice to the requester of the reason for any delay in access to an open record and an estimate of the length of that delay and, upon request, shall promptly provide that notice to the requester in writing.

The custodian of a record may deny access to the record by members of the public only on the grounds that such a denial is warranted under Iowa Code sections 22.8(4) and 22.10(4), or that it is a confidential record, or that its disclosure is prohibited by a court order. Access by members of the public to a confidential record is limited by law and, therefore, may generally be provided only in accordance with the provisions of 223—3.4(17A,22) and other applicable provisions of the law.

**3.3(5) Security of record.** No person may, without permission from the custodian, search or remove any record from the state archives. Examination of agency records shall be supervised by the custodian or a designee of the custodian. The requester shall protect the records from damage and disorganization. Copying of agency records shall be performed by the custodian or a designee of the custodian.

**3.3(6) Copying.** A reasonable number of copies of an open record may be made by the state archives for the requester unless reproduction is inappropriate due to the physical condition of the record or other physical considerations. The custodian shall assess the physical condition of the record and any relevant legal considerations to determine whether or not it can be photocopied. If the physical condition of the record makes reproduction by photocopy inappropriate, alternative methods of reproduction shall be proposed. If photocopy equipment is not available in the state archives where an open record is kept, the custodian shall arrange to have copies promptly made elsewhere.

**3.3(7) Fees.**

*a. When charged.* The state archives may charge fees in connection with the examination or copying of records from the state archives only if the fees are authorized by law. To the extent permitted by applicable provisions of the law, the payment of fees may be waived when the imposition of fees is inequitable or when a waiver is in the public interest.

*b. Copying and postage costs.* Price schedules for published materials and for photocopies of records supplied by the state archives shall be prominently posted in the society's public reading rooms. Copies of records may be made by the state archives for members of the public on society photocopy machines or from electronic storage systems at cost as determined and posted in the society's public reading rooms by the custodian. When the mailing of copies of records from the state archives is requested, the costs of such mailing may also be charged to the requester.

*c. Supervisory fee.* An hourly fee may be charged for state archives expenses in retrieving and preparing records for examination, supervising the examination, and preparing copies of requested records when the time required is in excess of one-half hour. The custodian shall prominently post in the society's public reading rooms the hourly fees to be charged for supervision of records during examination and for copying. The hourly fee for retrieval and preparation of records for examination shall not be in excess of the hourly wage of the employee who performs this function.

*d. Advance deposits.*

(1) When the estimated total fee chargeable under this subrule exceeds \$25, the custodian may require a requester to make an advance payment to cover all or a part of the estimated fee.

(2) When a requester has previously failed to pay a fee chargeable under this subrule, the custodian may require advance payment of the full amount of any estimated fee before the custodian processes a new request for that requester.

**223—3.4(17A,22) Access to confidential records.** Under Iowa Code section 22.7 or other applicable provisions of law, the lawful custodian may disclose certain confidential records to one or more members of the public. Other provisions of law authorize or require the custodian to release specified confidential records under certain circumstances or to particular persons. In requesting the custodian to permit the examination and copying of such a confidential record, the following procedures apply and are in addition to those specified for requests for access to records in rule 223—3.3(17A,22).

**3.4(1) Proof of identity.** A person requesting access to a confidential record may be required to provide proof of identity or authority to secure access to the record.

**3.4(2) Requests.** The custodian may require a request to examine and copy a confidential record to be in writing. A person requesting access to such a record may be required to sign a certified statement or affidavit enumerating the specific reasons justifying access to the confidential record and to provide any proof necessary to establish relevant facts. A person requesting access to a confidential record may be required to sign a nondisclosure agreement to provide assurance that confidential information in a requested record will not be disclosed.

**3.4(3) Notice to subject of record and opportunity to obtain injunction.** After the custodian receives a request for access to a confidential record, and before the custodian releases such a record, the custodian may make reasonable efforts to notify promptly any person who is a subject of that record, is identified in that record, and whose address or telephone number is contained in that record. To the extent such a delay is practicable and in the public interest, the custodian may give the subject of such a confidential record to whom notification is transmitted a reasonable opportunity to seek an injunction under Iowa Code section 22.8, and indicate to the subject of the record the specific period of time during which disclosure will be delayed for that purpose.

**3.4(4) Request denied.** When the custodian denies a request for access to a confidential record, the custodian shall promptly notify the requester. If the requester indicates to the custodian that a written notification of the denial is desired, the custodian shall promptly provide such a notification that is signed by the custodian and includes:

- a. The name and title or position of the custodian responsible for the denial; and
- b. A citation to the provision of law vesting authority in the custodian to deny disclosure of the record and a brief statement of the reasons for denial to this requester.

**3.4(5) Request granted.** When the custodian grants a request for access to a confidential record to a particular person, the custodian shall notify that person and indicate any lawful restrictions imposed by the custodian on that person's examination and copying of the record.

**223—3.5(17A,22) Requests for treatment of a record as a confidential record and its withholding from examination.** The custodian may treat a record in the state archives as a confidential record and withhold it from examination only to the extent that the custodian is authorized by Iowa Code section 22.7, another applicable provision of law, or a court order, to refuse to disclose that record to members of the public. A record that is confidential in the agency of origin retains its confidential status when transferred to the custody of the state archivist.

**3.5(1) Persons who may request.** Any person who would be aggrieved or adversely affected by disclosure of a record and who asserts that Iowa Code section 22.7, another applicable provision of law, or a court order, authorizes the custodian to treat the record as a confidential record, may request the custodian to treat that record as a confidential record and to withhold it from public inspection.

**3.5(2) Request.** A request that a record be treated as a confidential record and be withheld from public inspection shall be in writing and shall be filed with the custodian. The request must set forth the legal and factual basis justifying such confidential record treatment for that record, and the name, address, and telephone number of the person authorized to respond to any inquiry or action of the custodian concerning the request. A person requesting treatment of a record as a confidential record may also be required to sign a certified statement or affidavit enumerating the specific reasons justifying the treatment of that record as a confidential record and to provide any proof necessary to establish relevant facts. Requests for treatment of a record as such a confidential record for a limited time period shall also specify the precise period of time for which that treatment is requested.

A person filing such a request shall, if possible, accompany the request with a copy of the record in question from which those portions for which such confidential record treatment has been requested have been deleted. If the original record is being submitted to the state archives by the person requesting such confidential treatment at the time the request is filed, the person shall indicate conspicuously on the original record that all or portions of it are confidential.

**3.5(3) *Failure to request.*** Failure of a person to request confidential record treatment for a record does not preclude the custodian from treating it as a confidential record. However, if a person who has submitted business information to the state archives does not request that it be withheld from public inspection under Iowa Code sections 22.7(3) and 22.7(6), the custodian of records containing that information may proceed as if that person has no objection to its disclosure to members of the public.

**3.5(4) *Timing of the decision.*** A decision by the custodian with respect to the disclosure of a record to members of the public may be made when a request for its treatment as a confidential record that is not available for public inspection is filed, or when the custodian receives a request for access to the record by a member of the public.

**3.5(5) *Request granted or deferred.*** If a request for such confidential record treatment is granted, or if action on such a request is deferred, a copy of the record from which the matter in question has been deleted and a copy of the decision to grant the request or to defer action upon the request will be made available for public inspection in lieu of the original record. If the custodian subsequently receives a request for access to the original record, the custodian will make reasonable and timely efforts to notify any person who has filed a request for its treatment as a confidential record that is not available for public inspection of the pendency of that subsequent request.

**3.5(6) *Request denied and opportunity to seek injunction.*** If a request that a record be treated as a confidential record and be withheld from public inspection is denied, the custodian shall notify the requester in writing of that determination and the reasons therefor. On application by the requester, the custodian may engage in a good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief under the provisions of Iowa Code section 22.8, or other applicable provision of law. However, such a record shall not be withheld from public inspection for any period of time if the custodian determines that the requester had no reasonable grounds to justify the treatment of that record as a confidential record. The custodian shall notify requester in writing of the time period allowed to seek injunctive relief or the reasons for determination that no reasonable grounds exist to justify the treatment of that record as a confidential record. The custodian may extend the period of good faith, reasonable delay in allowing examination of the record so that the requester may seek injunctive relief only if no request for examination of that record has been received, or if a court directs the custodian to treat it as a confidential record, or to the extent permitted by another applicable provision of law, or with the consent of the person requesting access.

**223—3.6(17A,22) Procedure by which additions, dissents, or objections may be entered into certain records.** Except as otherwise provided by law, a person may file a request with the custodian to review, and to have a written statement of additions, dissents, or objections entered into, a record containing personally identifiable information pertaining to that person. However, this does not authorize a person who is the subject of such a record to alter the original copy of that record or to expand the official record of any agency proceeding. The requester shall send the request to review such a record or the written statement of additions, dissents, or objections to the State Archivist, Historical Division, Department of Cultural Affairs, Des Moines, Iowa 50319. The request to review such a record or the written statement of such a record of additions, dissents, or objections must be dated and signed by the requester and shall include the current address and telephone number of the requester or the requester's representative.

**223—3.7(17A,22) Consent to disclosure by the subject of a confidential record.** To the extent permitted by any applicable provision of law, a person who is the subject of a confidential record may have a copy of the portion of that record concerning the subject disclosed to a third party. A request for such a disclosure must be in writing and must identify the particular record or records that may be disclosed, and the particular person or class of persons to whom the record may be disclosed (and,

where applicable, the time period during which the record may be disclosed). The person who is the subject of the record and, where applicable, the person to whom the record is to be disclosed, may be required to provide proof of identity. (Additional requirements may be necessary for special classes of records.) Appearance of counsel before the state archives on behalf of a person who is the subject of a confidential record is deemed to constitute consent for the state archives to disclose records about that person to the person's attorney.

**223—3.8(17A,22) Notice to suppliers of information.** When the state archives assumes custody of records from a state agency, the state archives assumes the state agency seeking to transfer custody of said records has provided appropriate notice to suppliers of information.

**223—3.9(17A,22) Availability of records.**

**3.9(1) General records.** Records in the state archives are open for public inspection unless otherwise provided by rule or law as designated by the transferring agency. Records in the state archives are open for copying unless, in the opinion of the custodian, reproduction by photocopying would adversely affect the physical condition of the records or there are legal considerations that prohibit copying.

**3.9(2) Confidential records.** The state archives has custody of records which other state agencies have created. An agency which creates records shall identify which records are confidential when transferring those records to the state archives. Any confidential record in an agency shall retain its confidential record status after its transfer to the state archives.

**223—3.10(17A,22) Determination of rights of access to records.**

**3.10(1) Determination of rights of access to records which have exceeded their period of administrative value as determined by the state records commission and are in the custody of the state archivist shall be governed by this chapter.** Determination of rights of access to records for which the period of administrative value has not been determined by the state records commission but which are 30 years of age or older and are in the custody of the state archivist shall be governed by this chapter.

**3.10(2) Determination of rights of access to records which have not exceeded their period of administrative value as determined by the state records commission, but are in the possession of the state archivist, shall be governed by the regulations of the agency which developed the records.** Determination of rights of access to records for which the period of administrative value has not been determined by the state records commission, but which do not exceed 30 years of age, shall be governed by the regulations of the agency which developed the records.

**223—3.11(17A,22) Consensual disclosure of confidential records.** Rescinded IAB 1/5/05, effective 2/9/05.

**223—3.12(17A,22) Release to the subject.** Rescinded IAB 1/5/05, effective 2/9/05.

**223—3.13** Reserved.

**223—3.14(17A,22) Personally identifiable information.** Rescinded IAB 1/5/05, effective 2/9/05.

**4.4(3) Notices mailed.** In lieu of the words “specify time period” insert “one year”.

**223—4.5(17A) Public participation.**

**14.5(9)** Exhibitions shall be developed by teams that include appropriate representatives of the museum, other bureaus of the society, the scholarly community, and the general public.

**14.5(10)** Whenever possible exhibitions shall be pretested with a representative sample of the intended audience. Exhibition design, fabrication, and installation shall be adjusted appropriately to reflect the results of the testing.

**14.5(11)** The museum shall maintain an ongoing evaluation program and incorporate the results in future exhibition design.

**36.4(2)** Review of the certification request for completeness and eligibility shall be conducted by the staff within 30 days. Applicants shall be advised of the results of the review. CHAPTER 37  
INVESTMENT TAX CREDIT PROGRAM

**223—37.1(303) Purpose.** Property owners desiring federal income tax benefits for rehabilitation of historic buildings may apply for certification to the Secretary of the Interior through the state historic preservation officer of the state in which the property is located.

Applications are reviewed and commented on by the state historic preservation officer, and recommendations are made to the Secretary of the Interior for final approval. Upon completion, the work is certified by the Secretary of the Interior for the taxpayer to receive benefits under rules established by the Department of the Treasury, and the Internal Revenue Service. Historical properties may also be qualified for federal income and estate tax deductions for charitable contributions of partial interests in real property.

**223—37.2(303) Regulations.** The Investment Tax Credit Program shall operate in accordance with the National Historic Preservation Act of 1966; Tax Reform Act of 1986, Public Law 99-514, Sections 48(g) and 170(h); 36 CFR Part 60, the National Register of Historic Places, November 16, 1981, and October 2, 1983; 36 CFR Part 67, Historic Preservation Certifications Pursuant to the Tax Reform Act of 1976 and the Economic Recovery Tax Act of 1981, March 12, 1984; and 26 CFR Parts 1 and 602, Investment Tax Credit for Qualified Rehabilitation Expenditures, October 11, 1988; and 26 CFR Parts 20 and 25, Charitable Contribution for Conservation purposes in accordance with the Tax Treatment Extension Act of 1980. Additional interpretive information may also be found in Historic Preservation Tax Incentives, Certification of Rehabilitation Workbook, Department of the Interior, National Park Service; National Register Programs Guidelines, NPS-49; Preservation Briefs Series; National Register Bulletins; and Secretary of the Interior's Standards and Guidelines for Archaeology and Historic Preservation, Notice published by the Department of the Interior, National Park Service, Federal Register, Vol. 48, No. 190, Thursday, September 29, 1983.

**223—37.3(303) Eligibility.** A taxpayer, who is a fee simple owner or with the written approval of the owner and who elects to rehabilitate a certified historic structure, may apply for tax benefits as a result of the certified historic rehabilitation.

**223—37.4(303) Certification of historic structures.**

**37.4(1)** Buildings listed individually on the National Register of Historic Places are by definition certified historic structures.

**37.4(2)** Applications for certification of a particular building located within a registered historic district shall request a certification of significance using Part 1 of the Historic Preservation Certification Application (NPS Form 10-168, Part 1).

**37.4(3)** Applications for properties which are not individually listed or are within potential historic districts, or outside the period or area of significance of registered historic districts may request preliminary determinations as certified historic structures when and if nominated and listed. These applications shall be made using Part 1 of the Historic Preservation Certification Applications (NPS Form No. 10-168, Part 1).

**37.4(4)** The taxpayer shall also complete a rehabilitation description (NPS Form 10-168A, Part 2). Part 2 shall include a written description of the proposed rehabilitation and photographic materials adequate to document conditions inside and outside the building and the site prior to the rehabilitation. Additional documentation, such as window condition surveys or cleaning specifications, may be required for some projects.

**37.4(5)** Certification forms shall be provided by the National Park Service or the state historical society of Iowa. Certification review is normally 30 days maximum at the state and 30 days maximum at the federal level. Inquiries may be directed to Consulting Architect, State Historical Society of Iowa, Capitol Complex, Des Moines, Iowa 50319, (515)281-8637.

**223—37.5(303) Review and evaluation.**

**37.5(1)** All elements of a rehabilitation project such as interior and exterior of the building(s) site and environment as determined by the Secretary of the Interior, and all phases of demolition, construction, and rehabilitation shall meet the Secretary of the Interior's Standards for Rehabilitation. Portions of the project not in conformance shall not be exempted.

**37.5(2)** The staff shall review the application and materials, request additional materials or clarification, if needed, and provide a recommendation to the state historic preservation officer within 30 days of receipt of all materials from the applicant. The state historic preservation officer shall submit the state's recommendation to the National Park Service in a timely fashion.

**37.5(3)** Review by the National Park Service requires an initial plan review fee. Reviews by the National Park Service are generally completed within 30 days. All approvals of applications and amendments are conveyed only in writing by the duly authorized officials of the National Park Service. Owners who undertake rehabilitation projects without prior approval from the Secretary of the Interior do so at their own risk.

**37.5(4)** Decisions with respect to certification shall be made on the basis of the application form. If a discrepancy exists between the application form and other submitted material, the application form shall take precedence.

**223—37.6(303) Certification of completion of work.**

**37.6(1)** Upon receipt of an application requesting certification of completed work, the staff shall review the application and accompanying photographic documentation for conformance with the Secretary of the Interior's Standards for Rehabilitation, Guidelines for Rehabilitation of Historic Buildings, 36 CFR Part 67, March 12, 1984. The state historic preservation officer shall provide recommendations to the National Park Service for their decision.

**37.6(2)** Applicants shall receive notification of project status from the National Park Service. If the National Park Service finds that a project does not meet the Standards, the Secretary notifies the owner in writing, and if possible, advises the owner of necessary revisions to meet the Standards.

In the case of a denial of significance of the proposed rehabilitation project or the completed work, the owner may appeal in writing to the Chief Appeals Officer, Cultural Resources, National Park Service, U.S. Department of the Interior, P.O. Box 37127, Washington, D.C. 20013-7127. Appeals shall be filed within 30 days of receipt of the decision which is subject to appeal.

**37.6(3)** Completed, approved projects shall be subject to recapture of tax credits during the following five-year period, due to sale (on a pro rata basis) or further unapproved alterations inconsistent with the Secretary of the Interior's Standards.

**37.6(4)** Any previous approval by federal, state or local agencies and organizations shall not ensure certification by the Secretary for tax purposes. Any certifications made by the Secretary of the Interior shall not be considered binding upon the Internal Revenue Service or the Secretary of the Treasury with respect to the tax consequences under the Internal Revenue Code. Nor does the certification of significance for tax benefits substitute for or bind the National Register of Historic Places nomination and listing process.

These rules are intended to implement Iowa Code section 303.2 and Iowa Code chapter 303, subchapter II.

**223—41.1(303) Purpose.** The Iowa Cultural Resources Survey and Registration Program is responsible for identifying and evaluating prehistoric and historic sites, buildings, structures, objects, and districts of significance to Iowa, its communities and the nation as a whole.

**223—41.2(303) Regulations.** The Iowa Cultural Resources Survey and Registration Program shall operate in accordance with the National Historic Preservation Act of 1966, as amended in 1980, Section 101 and Section 106; Executive Order 11593; and 36 CFR Part 800, September 21, 1986.

**41.3(1)** Surveys may be conducted by the society staff, subgrants to consultants, certified local governments, or interagency agreements with federal, state, and local governmental agencies.

**41.3(2)** Selection of survey areas or topics, and the inclusion of survey results in the survey files, shall be determined by the priorities of the Iowa historic preservation plan, requirements of the Secretary of the Interior and, as appropriate, by requirements of the state of Iowa.

**41.3(3)** The society shall make available to the public, on request, federal and state guidelines for planning and conducting surveys of historic properties, survey data collection forms and continuation sheets, photo field catalog sheets, photographic specifications, and guidelines for the reporting of results to the society. These specifications and guidelines shall be used in all historic property surveys conducted or funded either partially or totally by the society. Adoption of these specifications and guidelines is not binding on federal agencies, other Iowa state agencies, local governments, or individuals, but their adoption is strongly recommended to facilitate comprehensive preservation planning, Section 106 review, information sharing, consistency in survey standards, and listing of historic properties on the National Register of Historic Places.

**41.3(4)** Federal agencies, state and local government entities, public and private institutions, and private individuals may be requested to conduct surveys if they are utilizing federal funds or engaging in a federally licensed, guaranteed, or regulated activity in order to comply with Section 106 of the National Historic Preservation Act of 1966 and Executive Order 11593.

**41.3(5)** State historical society of Iowa staff may assist federal and state agencies, local governments, and individuals in survey planning, the preparation of requests for proposals, and proposal evaluation. The same standards are recommended for investigators in projects not funded by the society.

*a.* The staff maintains a list of consultants meeting the requirements of 36 CFR, Part 61, April 13, 1984, and August 30, 1985, and expressing an interest in conducting survey activities. Persons or firms interested in being listed may apply by submitting a résumé and other materials describing their qualifications to the staff. The staff shall review the qualifications and inform the applicant of the outcome of the review within 30 working days of submittal of complete documentation. Printed lists of qualified consultants shall be issued annually on January 15.

*b.* Inclusion on the consultant list does not constitute endorsement of an individual or a firm. At public request the staff shall review credentials of consultants not on the list and under consideration for a specific project funded by the society.

**41.4(2)** All survey projects to be conducted by a consultant shall be awarded in a competitive bidding process. A request for proposal shall be prepared by the staff. The request for proposal shall describe the project, specifications for the final product, and evaluation factors for the awarding of the contract.

**41.4(3)** The request for proposal shall be sent by the staff to all individuals and firms on the appropriate consultant list. A minimum of 30 days shall be permitted for the submittal of bids. State historical society of Iowa staff and other qualified individuals shall review the proposals and inform the consultants of the status of their bid within 30 working days. The society may reject all proposals; request some bidders to submit best and final offers in 15 working days; or award the contract. Awards shall be made to the offeror whose proposal is deemed to be the most advantageous to the state of Iowa on the basis of price and other factors.

**223—41.5(303) Conduct of the surveys.**

**41.5(1)** All surveys are subject to all state and federal laws regarding trespass and egress and the protection of archaeological resources. Responsibility for compliance rests solely with the firm or individual conducting the survey.

**41.5(2)** Information collected from private and public repositories, individuals and groups, and within the public right-of-way including photography shall be subject to inclusion in the project file. All information collected from private and public repositories, individuals and groups, and within the public rights-of-way including photography shall be considered suitable for inclusion in project files and be made available to the public upon request.

**223—41.6(303) Availability of survey information.** The state historical society of Iowa is the repository for all architectural and historical survey data collected through projects funded by the state historical society and the review and compliance (Section 106) process. Other agencies and individuals are encouraged to deposit their survey materials or a copy of those materials with the state historical society of Iowa.

**223—41.7(303) Confidentiality of archaeological site information.**

**41.7(1)** In accordance with Iowa Code subsection 22.7(21) and 685—Chapter 14, Iowa Administrative Code, specific locational information on archaeological resources is confidential unless approved for disclosure. 6. Other persons deemed to present no unreasonable risk of damage or loss of the resource.

**41.7(2)** Notwithstanding any of the preceding subrule, the state historic preservation officer, or designee, shall retain the authority to deny access to the Iowa site records, site location maps, and all supporting documents if the release is believed to result in an unreasonable risk of damage or loss of the resource. An appeal committee consisting of three qualified archaeologists as defined in 685—14.2(305A), Iowa Administrative Code, shall review contested cases and make recommendations to the director of the department of cultural affairs for final decision.

**41.7(3)** The society may enter into agreements with the state archaeologist or other agencies to obtain or make available Iowa site records for planning purposes.

**41.7(4)** Unless subject to restriction, copies of survey material may be obtained from the state historical society of Iowa. Fees shall be posted in accordance with 223—subrule 1.5(3), Iowa Administrative Code. Requests may be directed to Consulting Archaeologist, State Historical Society of Iowa, Capitol Complex, Des Moines, Iowa 50319, (515)281-8744.

These rules are intended to implement Iowa Code section 303.2 and Iowa Code chapter 303, subchapter II.

CHAPTER 42  
REVIEW AND COMPLIANCE PROGRAM

**223—42.1(303) Purpose.** The Review and Compliance Program implements Section 106 of the National Historic Preservation Act of 1966 for the purpose of taking into account the effects of an agency's undertaking on properties included in or eligible for the National Register of Historic Places.

**223—42.2(303) Regulations.** The Iowa Review and Compliance Program shall operate in accordance with the National Historic Preservation Act of 1966, Section 106; and 36 CFR Part 800, September 21, 1986.

**223—42.3(303) Procedures.**

**42.3(1)** The state historic preservation officer, or designee, shall consult with agency officials expending federal funds to identify historic properties, assess effects of the undertaking on historic properties, and consider alternatives to avoid or reduce the effects.

**42.3(2)** Agency officials desiring a Section 106 review shall contact the review and compliance coordinator to obtain the appropriate forms required to evaluate the effects. Completion of the forms does not constitute clearance of the proposed projects, but is intended to assist the review and compliance staff in rendering an informed recommendation. Inquiries may be directed to Review and Compliance Coordinator, State Historical Society of Iowa, Capitol Complex, Des Moines, Iowa 50319, (515)281-4137.

**42.3(3)** Responses to agency requests shall be made by the review and compliance staff within 30 days. Responses may indicate that no historic properties are located within the impact area, request the presentation of additional information and research, or that there is an effect. If an impact is indicated the review and compliance staff shall indicate the steps desired to mitigate the impact.

**42.3(4)** After initiating consultation, the state historic preservation officer or designee, the funding agency official, or the Advisory Council for Historic Preservation, at its discretion, may state that further consultation may not be productive and thereby terminate the consultation process. The agency official may then request the Council's comments in accordance with Section 800.6(b) of the National Historic Preservation Act of 1966 and notify all other consulting parties of the request.

CHAPTER 47  
HISTORIC PROPERTY REHABILITATION TAX EXEMPTION

**223—47.1(303) Purpose.** Property owners desiring property tax benefits for substantial rehabilitation of historic buildings may apply for certification of completed work to the consulting architect of the state historical society of Iowa. Applicants are encouraged to apply for preliminary review and approval prior to start of rehabilitation work to prevent delays in certification of completed work or denials caused by unacceptable rehabilitation work.

Approved certifications of completed work may then be filed by the property owner with the assessor of the jurisdiction who shall certify the eligibility of the property for exemption and forward the application to the board of supervisors.

**223—47.2(303) Definitions.** The definitions listed in Iowa Code section 17A.2 and rules 223—1.2(303) and 223—35.2(303) shall apply for terms as they are used throughout this chapter. In addition, the following definitions apply:

*“Application for certification”* means the application for approval of substantial rehabilitation work to a historic property filed with the state historical society of Iowa.

*“Application for exemption”* means the application for a property tax exemption filed with the assessor for the substantial rehabilitation work on a historic property certified as approved by the state historic preservation officer.

*“Base year valuation”* means the assessed valuation for the building on January 1 of the year in which the rehabilitation work was initiated.

*“Exemption”* means the temporary release from the increase in valuation due to certified substantial rehabilitation of a historic property and is dependent on maintaining the certification from the state historic preservation officer.

**223—47.3(303) Program administration.**

**47.3(1)** The staff of the society shall review and evaluate proposed and completed substantial rehabilitation applications. The state historic preservation officer shall provide applicants of approved projects with a certification of completed work.

**47.3(2)** Boards of supervisors shall establish their priorities for which an exemption may be granted. Examples of exemption priorities may be: a maximum annual dollar amount of exemptions allowed on a first-come basis; types of historic properties as defined in Iowa Code section 427.16; property types defined by use or location; exclusion of properties within a tax increment financing or special municipal improvement district; or other criteria specified by the board of supervisors. An annual priority list shall be established by boards of supervisors as required by Iowa Code section 427.16.

**47.3(3)** An annual report listing all historic properties in the county for which an exemption has been granted shall be prepared by the assessor on or before July 1, submitted to the respective county auditor and to the state historic preservation officer.

**223—47.4(303) Eligibility.**

**47.4(1)** All applications for exemption eligibility submitted to the assessor and board of supervisors shall have received a certification of completed work from the state historic preservation officer. The approved certification shall be attached to the exemption application.

**47.4(2)** Applications for eligibility shall be evaluated using the board of supervisors’ adopted priority list.

**223—47.5(303) Application for exemption procedure.**

**47.5(1)** All applications for exemption shall be submitted on the historic property rehabilitation tax exemption form prescribed by the department of revenue. All applications shall have attached an approved application for certification of completed work. Forms may be obtained from the Department of Revenue, Capitol Complex, Des Moines, Iowa 50319; Consulting Architect, State Historical Society

of Iowa, Capitol Complex, Des Moines, Iowa 50319, telephone (515)281-8719; or the office of the appropriate assessor or board of supervisors.

**47.5(2)** Applications for certification of completed work shall provide historical, architectural and financial information; and plans, photographs and maps as required on the application form.

*a.* Part 1 of the application form shall establish the significance of the property. As a minimum, current photographs of all exterior sides of the building, the streetscape and representative views of the interior shall be provided. Where property is within a National Register Historic District or area of historic significance as defined in Iowa Code section 303.20 or 303.34, a map locating the property within the boundaries of the area shall be provided.

*b.* Part 2 of the application form shall detail the existing conditions and the proposed rehabilitation workplan. Photographs shall show specific areas of work and both the interior and exterior conditions prior to the start of work.

*c.* Request for Certification of Completed Work (part 3) shall document the completed work. Photographs shall show specific areas where work has been completed and both the interior and exterior conditions after the completion of work.

*d.* Applicants are strongly encouraged to obtain approvals on parts 1 and 2 of the application prior to the start of work. Applicants shall file completed part 3 application forms with the state historical society of Iowa on or before December 31 for work completed that calendar year. Applicants whose work is approved shall file certifications of completed work as part of their application for exemption with their assessor on or before March 1 of the appropriate tax year.

**47.5(3)** Materials submitted to the society shall not be returned.

**47.5(4)** In some localities or with some funding sources, other preservation or design-related reviews may be required before any rehabilitation occurs. The process of application for certification of completed work as part of historic property rehabilitation tax exemption program does not substitute for any other reviews/applications which may be required of property owners.

**47.5(5)** Inquiries concerning information required, historic property eligibility, and review criteria should be addressed to the Deputy State Historic Preservation Officer, State Historical Society of Iowa, Capitol Complex, Des Moines, Iowa 50319, telephone (515)281-8719.

**223—47.6(303) Review and approval standards for applications for certification.**

**47.6(1)** Project certification shall be based on the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings, 36 CFR Part 67.7 (1990), National Park Service, Preservation Assistance Division, Washington, D.C. 20013-7127.

**47.6(2)** The standards apply equally to interior and exterior work. All reviews shall consider the entire rehabilitation project, including any new construction on site, rather than only a limited segment of the project; and the certification shall be based on conformity of the total project to the standards.

**47.6(3)** If required documentation is incomplete and the review and evaluation cannot be completed, the project shall be denied the requested certification. The applicant shall be notified by the society.

**223—47.7(303) Appeals.** Decisions made by the society or its designee adversely affecting applicants may be appealed pursuant to 221—Chapter 3.<sup>1</sup>

1. Property verified as listed on the National Register of Historic Places or eligible for such listing through the state historic preservation office (SHPO);

**48.4(5)** Only qualified rehabilitation costs incurred beginning two years prior to the project completion date and ending on the project completion date may be used for determination of historic tax credits.

*b.* Owners who undertake rehabilitation projects without prior approval from the SHPO do so at their own risk.

**223—48.5(303,404A) Eligibility of projects, rehabilitation costs and amount of credit.**

**48.6(4)** An application that mirrors a rehabilitation project which qualifies for the federal rehabilitation credit under Section 47 of the Internal Revenue Code shall automatically be approved

for the state historic tax credit to the extent that all historic tax credits appropriated for the fiscal year have not already been awarded.

**48.6(5)** Response to application parts.

*a.* Review of part one of the application shall result in one of two responses:

- (1) The property is eligible for the historic tax credit; or
- (2) The property is not eligible for the historic tax credit.

*b.* Review of part two of the application shall result in one of three responses:

(1) The rehabilitation described in the application is consistent with the historic character of the property or the district in which it is located, and the project meets the Standards. The initial review of part two is a preliminary determination only. A formal certification of rehabilitation shall be issued only after rehabilitation work is completed;

(2) The rehabilitation or proposed rehabilitation described in part two of the application will meet the Standards if the stipulated conditions are met; or

(3) The rehabilitation described in part two of the application is not consistent with the historic character of the property or the district in which it is located, and the project does not meet the Standards.

(2) The rehabilitation is not consistent with the historic character of the property or the district in which it is located, and the project does not meet the Standards.

(3) The SHPO shall provide a copy of the SHPO's response to the department of revenue.

Questions concerning specific tax consequences or interpretation of the state code should be addressed to the department of revenue.

*d.* An authorized representative of the SHPO, with due notice to the applicant, may inspect completed projects to determine if the work meets the Standards. The SHPO reserves the right to make inspections at any time up to five years after completion of the rehabilitation and to revoke certification if it is determined that the rehabilitation project was not undertaken as presented by the owner in the application and supporting documentation, or if the owner, upon obtaining certification, undertook unapproved further alterations as part of the rehabilitation project that are inconsistent with the Standards.

**48.6(6)** Approval of part one of the application. Upon approval of part one of the application, an applicant may proceed to submission of part two of the application. If the applicant submitted part two of the application simultaneously, the SHPO shall complete review of part one of the application before reviewing part two of the application.

**48.6(7)** Approval of part two of the application.

*a.* Upon approval of part two of the application with no conditions, the SHPO shall reserve tax credits for the project in an amount equal to 25 percent of the estimated qualified rehabilitation costs for the next available tax credit year, and the applicant may proceed to implement the project.

*b.* Upon approval of part two of the application with conditions, the SHPO shall reserve tax credits for the project in an amount equal to 25 percent of the estimated qualified rehabilitation costs for the next available tax credit year. The applicant may proceed to implement the project, and the applicant shall document compliance with the conditions.

**48.6(8)** Approval of part three of the application. Upon approval of part three of the application, the SHPO shall issue a tax credit certificate to the applicant in an amount equal to 25 percent of the qualified rehabilitation costs as estimated in part two of the application for the tax credit year originally reserved for the project upon approval of part two of the application, unless the qualified rehabilitation costs in part three of the application differ from the estimated qualified rehabilitation costs in part two of the application.

*a.* If the qualified rehabilitation costs documented in part three of the application are less than the qualified rehabilitation costs estimated in part two of the application, the SHPO shall return any unused tax credits to the available tax credit pool for other projects.

*b.* If the qualified rehabilitation costs documented in part three of the application are greater than the qualified rehabilitation costs estimated in part two of the application, the SHPO shall issue a tax credit certificate to the applicant in an amount equal to 25 percent of the documented qualified rehabilitation costs that exceed the qualified rehabilitation costs estimated in part two of the application for the next available tax credits.

#### **223—48.7(303,404A) Funding queues.**

**48.7(1)** The SHPO shall reserve 10 percent of available tax credits for any tax credit year in a small projects funding queue for single projects with estimated qualified rehabilitation costs totaling \$500,000 or less.

*a.* At the end of each state fiscal year, any funds in the small projects funding queue that have not been reserved for small projects shall be transferred to the statewide funding queue for other projects.

*b.* If the small projects funding queue is fully reserved before the end of a state fiscal year, any applications for small projects received after full reservation of the small projects funding queue may be eligible for the cultural and entertainment district (CED) funding queue or the statewide funding queue.

**48.7(2)** The SHPO shall reserve 40 percent of available tax credits for any tax credit year in a CED funding queue for projects located in cultural and entertainment districts certified in accordance with Iowa Code section 303.3B or for projects identified in Iowa great places agreements developed in accordance with Iowa Code section 303.3C.

*a.* At the end of each state fiscal year, any funds in the CED funding queue that have not been reserved for projects located in cultural and entertainment districts certified in accordance with Iowa Code section 303.3B or for projects identified in Iowa great places agreements developed in accordance with Iowa Code section 303.3C shall be transferred to the statewide funding queue for other projects.

*b.* If the CED funding queue is fully reserved before the end of a state fiscal year, any applications for projects located in cultural and entertainment districts certified in accordance with Iowa Code section 303.3B or for projects identified in Iowa great places agreements developed in accordance with Iowa Code section 303.3C received after full reservation of the CED funding queue shall be eligible for the statewide funding queue.

**48.7(3)** The SHPO shall reserve 50 percent of available tax credits in a statewide funding queue for any tax credit year, which is to be used for eligible projects throughout the state of Iowa.

#### **223—48.8(303,404A) Sequencing of applications for review.**

**48.8(1)** Order of review. The SHPO anticipates the receipt of a large number of applications for historic tax credits at the beginning of each state fiscal year. At the start of each state fiscal year, the SHPO will utilize a project review sequencing system to establish the order in which applications will be reviewed.

**48.8(2)** Filing window. Applications for historic tax credits received during the first ten working days of the state fiscal year shall be included in a project review sequencing system to determine the order in which they will be reviewed.

**48.8(3)** Initial sequencing process. An initial sorting process based on the status of the project application at the start of the state fiscal year will be used to associate applications with the appropriate initial sequencing category.

*a.* Category A projects are comprised of a state historic tax credit application that includes the same scope of work previously submitted and approved, as documented by a signed part two of the federal tax credit application approved prior to the first business day of the state fiscal year. Applications eligible for this category must be received within the specified filing window and must include one of the following: a new part two of the application with part one of the application already on file; new parts one and two of the application; new parts one, two and three of the application; an amendment to part two of the state application; or part three of the application associated with a previously approved

part two of the state application when actual qualified rehabilitation costs are in excess of the estimated qualified rehabilitation costs in part two of the application.

*b.* Category B projects are comprised of a state historic tax credit application without an approved part two of the federal tax credit application on file as of the first state business day of the filing window. Applications in this category must have part one of the application for historic tax credits on file prior to the first state business day of the filing window, and part two of the application must be received within the specified filing window.

*c.* Category C projects are comprised of an entirely new state historic tax credit application received within the specified filing window and consisting of parts one and two of the application or parts one, two and three of the application.

**48.8(4)** Secondary sequencing process. Using a random number generator, SHPO staff will assign unique, random numbers to all applications that are eligible for inclusion in the review sequencing system within each category of the initial sequencing system. Applications within each category shall then be placed in numeric order from lowest to highest. SHPO staff shall then create a master review sequence list, with category A applications reviewed first, category B applications reviewed next, and category C applications reviewed last.

**48.8(5)** Random number generator. SHPO staff shall use a random number generator utility found in Microsoft Excel 2003 or the current version of Microsoft Excel generally used by the department of cultural affairs.

**48.8(6)** Outside observer. The initial sequencing process, the secondary sequencing process, and the development of the master review sequence list will be observed and certified by an official state witness.

**48.8(7)** Subsequent applications. Applications for part two or amendments to part two of an application that are received by the SHPO between the tenth business day of the state fiscal year and the last business day of the state fiscal year shall be reviewed in order of receipt so long as tax credits are available for reservation.

#### **223—48.9(303,404A) Reserved tax credits.**

**48.9(1)** Upon written approval of part two of the project application, the SHPO shall reserve an estimated tax credit under the name of the applicant(s) in an amount equal to 25 percent of the estimated qualified rehabilitation costs for the next available tax credit year.

**48.9(2)** If the amount of estimated qualified rehabilitation costs changes during the course of project implementation, the applicant may file an amendment to part two of the application with the SHPO or may include those costs in part three of the application.

**48.9(3)** Upon written approval of an amendment to part two of an application, the SHPO shall reserve an estimated tax credit under the name of the applicant in an amount equal to 25 percent of the qualified rehabilitation costs estimated in the amendment to part two for the next available tax credit year.

**48.9(4)** The SHPO shall not reserve tax credits for more than two state fiscal years beyond the current state fiscal year.

#### **223—48.10(303,404A) Abandonment of tax credit reservation.**

**48.10(1)** If there has been no contact with the SHPO by the applicant prior to the estimated project completion date shown on the approved part two of the application, the SHPO shall, by registered U.S. mail sent to the last-known address of the applicant, request that a status report be filed with the SHPO within 30 days of the date of the letter. The SHPO shall notify an applicant that the project will be considered abandoned and the SHPO will recapture the tax credit reservation unless the applicant submits a status report that documents actual construction on the project within 30 days of the date of the letter.

**48.10(2)** If the SHPO has not received a status report that documents actual construction on a project by the deadline, then the SHPO shall notify an applicant by registered U.S. mail sent to the applicant's last-known address that the project has been abandoned and the tax credit reservation has been recaptured because the conditions of subrule 48.10(1) have not been met.

**48.10(3)** The SHPO shall return any recaptured tax credits to the pool of tax credits available for other rehabilitation projects.

**48.10(4)** This rule shall also apply to any project that received approval for part two of the application on or before June 30, 2007.

**223—48.11(303,404A) Submission deadline.**

**48.11(1)** No later than six months after the estimated project completion date on the approved part two of the application, or upon project completion, the applicant shall submit a complete part three of the state historic tax credit application to the SHPO.

**48.11(2)** If the SHPO has not received a complete part three of the state historic tax credit application by the deadline, then the SHPO shall notify an applicant by registered U.S. mail sent to the applicant's last-known address that the project has been abandoned and the tax credit reservation has been recaptured because the conditions of subrule 48.11(1) have not been met.

**48.11(3)** The SHPO shall return any recaptured tax credits to the pool of tax credits available for other rehabilitation projects.

**48.11(4)** This rule shall also apply to any project that received approval for part two of its application on or before June 30, 2007.

**223—48.12(303,404A) Transfer of tax credit certificate.** The applicant may transfer the tax credit certificate to one or more parties in accordance with department of revenue 701—subrule 42.15(6).

**223—48.13(303,404A) Redemption of tax credit certificate.** The tax credit holder shall attach the tax credit certificate and a copy of the signed part three of the application to the taxpayer's state income tax return and submit these documents to the department of revenue in the tax year for which the tax credit certificate is valid.

**223—48.14(303,404A) Tax credits in excess of tax liability.**
