The announcement shall provide potential applicants with information that describes eligibility conditions, purposes for which the program funding shall be available, application procedures, and all relevant time frames established for proposal submittal and review, grant awards, and grant expenditure periods.

31.4(2) *Preapplication.* The division may request potential applicants to submit a preapplication summary of their proposals. If a preapplication is required, the division shall provide all potential applicants with sufficient information detailing the extent of the preapplication and the criteria for review. Preapplications received in a timely manner shall be presented to the grant review committee for screening. The committee shall use the same ranking system for each preapplication. The ranking system shall be based on the criteria provided to the applicant through the division activities specified in subrule 31.4(1). Applicants shall be notified in writing of the screening decisions.

31.4(3) *Content of applications.* Required elements of the applications shall be published in the request for applications and shall be based on a point system established by the division that reflects the requirements of federal and state funding sources. The division shall develop the application and selection criteria.

If a person's agency or organization submits an application, the person shall not be present when the grant review committee's recommendations are acted upon by the JJAC or the councils.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—31.5(216A,232,PL93-415) Formula-based allocations.

31.5(1) *Funding recipients.* Only units of local government, local public planning entities, and judicial districts may be considered eligible applicants to receive funding through this distribution method. The determination of which units of local government, local public planning entities, and judicial districts are eligible applicants shall be made according to the state or federal law or regulation that makes funding available to the division for this distribution method. When such a determination is not established in law or regulation, the department shall make the determination with the advice of the appropriate council or the JJAC.

31.5(2) *Formula to determine individual allocation amounts.* Allocation amounts to individual units of local government or local public planning entities shall be calculated according to the state or federal law or regulation that makes funding available to the division for this distribution method. When an allocation formula for funding to be distributed by the division is not established in this chapter or other law or regulation, the division shall calculate allocations based on a formula determined by the department. The formula shall be based on the number of children residing in the respective areas and may also be based on poverty rates, delinquency rates and other data relevant to child and family well-being. Application materials provided to the eligible units of local government, local public planning entities, or judicial districts shall specify the formula used to calculate the allocation.

31.5(3) *Application procedures and requirements.*

a. Each unit of local government, local public planning entity, or judicial district that is eligible to be an applicant for funds pursuant to subrule 31.5(1) shall be contacted by the division and provided an application that must be completed by the applicant prior to the applicant's receipt of the allocation.

b. The application may require the submission of a comprehensive plan to prevent and reduce juvenile crime that reflects the purposes and goals in rule 421—31.2(216A,232) and that structures the coordination and collaboration of other relevant community programs and activities. Evidence of such coordination and collaboration may be required to include assurances and documentation that the plan for this program was developed to include, or be an integral part of, other areawide plans related to, for example, child welfare, substance abuse, health, or education.

c. The application may require documentation that the application was completed with the participation of representatives from, for example, law enforcement, county attorneys, county and city governments, and health, human services, education, and community service agencies.

d. The application may also require the applicant to certify and make assurances regarding policies and practices related to, but not limited to, funding eligibility, program purposes, service delivery and planning and administration capacities.

e. Each notified applicant shall submit the required information by the deadline established and announced by the division. The division reserves the right to extend the deadline.

f. Following its receipt and approval of a completed application, the division shall offer the applicant a contract authorizing the obligation of funds. These rules and all applicable state and federal laws and regulations shall become part of the contract by reference.

31.5(4) *Allocations declined, waived or combined.*

a. As allowed by federal or state law, when an eligible local public planning entity, judicial district, or unit of local government declines to submit an application for funds, such funds shall be retained by the division to be reallocated among all participating units of local government, judicial districts, or local

public planning entities or to be otherwise distributed for the development of services that have a statewide impact.

b. As allowed by federal or state law, the division may permit an eligible unit of local government to waive its right to a direct allocation and request that its allocation be awarded to and expended for its benefit by a larger or contiguous unit of local government or local public planning entity. A written waiver shall be required from the unit of local government that waives its right to a direct allocation and names a requested unit of local government or local public planning entity to receive and expend the funds. The unit of local government, judicial district, or local public planning entity receiving the funds must agree, in writing, to accept the redirected funds, to carry out all planning and application requirements and to serve as the fiscal agent for receiving the waived allocation. The division's instructions to eligible applicants shall describe the procedures required to implement this paragraph.

c. As allowed by federal or state law, the division may permit applicants to enter into regional coalitions by planning for and utilizing combined allocations from the participating units of local government or local public planning entities. A unit of local government, judicial district, or local public planning entity shall serve as the applicant and fiscal agent for purposes of carrying out planning and application requirements, and for receiving the allocation and obligating and expending funds for the benefit of the combined units. The division's instructions to eligible applicants shall describe the process to implement this paragraph.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—31.6(216A,232,PL93-415) Sole source contracts. The division may determine, because of the nature of a certain problem or desired programmatic response, that a competitive grant or formula-based allocation process would not be the most appropriate or expeditious process through which to award funds. In such cases, the division may seek out a potential subgrantee with which it can develop a sole source contract for services. The division shall be alert to organizational conflicts of interest and noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. The division's awarding and administration of any sole source contract shall be governed by all relevant state and federal laws and regulations.

[ARC 6101C, IAB 12/29/21, effective 2/2/22]

421—31.7(216A,232,PL93-415) Program funding sources and related provisions.

31.7(1) Sources of funding may include state, federal, and other funds made available to the division for the purpose of assisting units of local government, judicial districts, and local public planning entities in improving the criminal and juvenile justice systems. The division may combine funding from federal and state appropriations and grant programs to distribute through any of the methods outlined in rule 421—31.3(216A,232,PL93-415), as allowable by the sources of the funds.

31.7(2) Other funds. With the advice of the JJAC and the councils, the division shall, consistent with applicable state and federal law and regulation, determine the distribution methods, eligible applicants and any allocation formulas to be used when making such funding available.

[ARC 6101C, IAB 12/29/21, effective 2/2/22]

421—31.8(216A,232) Appeals.

31.8(1) Applicants choosing to appeal funding decisions must file a written appeal with the department within ten calendar days of the written notification of the program's funding decisions.

31.8(2) All letters of appeal shall clearly state the reason(s) for the appeal and evidence of the reason(s) stated. Reason(s) for appeal must be based on a contention that the rules and procedures governing the funding process have not been applied properly. All appeals must clearly state in what manner the division failed to follow the rules of the selection process as governed by these administrative rules or procedures outlined in the application materials provided to all applicants by the division. The letter of appeal must also describe the remedy being sought.

31.8(3) If an appeal is filed within the ten calendar days, the division shall not enter into a contract with any applicant involved in the application process being appealed until the department has reviewed and decided on all appeals received in accordance with the criteria in subrules 31.8(1) and 31.8(2).

The department shall consider the information submitted by the appellant and relevant information from division staff when conducting the review. The review shall be conducted as expeditiously as possible so that all funds can be distributed in a timely manner.

31.8(4) The decision of the department shall represent the final division action for the purpose of implementing Iowa Code chapter 17A.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—31.9(216A,232) Contract agreement.

31.9(1) *Contract offer.* Applicants shall be notified in writing of the division's intent to fund, contingent upon the funds available. The department shall have flexibility in determining which state and federal funds shall be utilized in awards and allocations to subgrantees. These rules and all applicable state and federal laws and regulations shall become a part of the contract by reference.

31.9(2) *Preadward negotiation.* The applicant may be requested to modify the original application in the negotiation process. The division reserves the right to fund all or part of the applicant's application.

31.9(3) *Withdrawal of contract offer.* If the applicant and the division are unable to successfully negotiate a contract, the division may withdraw the award offer and redistribute program funds in a manner consistent with the provisions of rule 421—31.14(216A,232).

31.9(4) *Contract modifications.* The subgrantee or the division may request a modification or revision of the contract.

31.9(5) *Reimbursement of expenditures.* Funds are to be spent to meet program goals as provided in the contract. Expenditures shall be reimbursed pursuant to regular reimbursement procedures of the state of Iowa.

[ARC 6101C, IAB 12/29/21, effective 2/2/22; Editorial change: IAC Supplement 6/28/23]

421—31.10(216A,232) Contract termination.

31.10(1) *Termination by subgrantee.* The contract may be terminated by the subgrantee at any time during the contract period by giving 30 days' notice to the division.

31.10(2) *Termination by the division.*

a. The division may terminate a contract upon ten days' notice when the subgrantee or any of its subcontractors fail to comply with the grant award stipulations, standards or conditions. The division may terminate a contract upon 30 days' notice when there is a reduction of funds by executive order.

b. Termination for convenience. The performance of work under the contract may be terminated by the division in accordance with this clause in whole or, from time to time, in part whenever the division shall determine that such termination is in the best interest of the state. The division shall pay all reasonable costs associated with the contract that the subgrantee has incurred up to the date of termination. The division shall not pay for any work that has not been done prior to the date of termination.

c. Termination for default. The notice shall specify the acts of commission or omission relied on as cause for termination. All finished or unfinished products and services provided by the subgrantee shall, at the option of the division, become the state's property. The division shall pay the subgrantee fair and equitable compensation for satisfactory performance prior to receipt of notice of termination.

31.10(3) *Responsibility of subgrantee at termination.* Within 45 days of the termination, the subgrantee shall supply the division with a financial statement detailing all costs up to the effective date of the termination.
