HUMAN SERVICES DEPARTMENT[441]

Rules transferred from Social Services Department[770] to Human Services Department[498], see 1983 Iowa Acts, Senate File 464, effective July 1, 1983.
Rules transferred from agency number [498] to [441] to conform with the reorganization numbering scheme in general, IAC Supp. 2/11/87.

GENERAL DEPARTMENTAL PROCEDURES

TITLE I

CHAPTER 1
DEPARTMENT ORGANIZATION AND GENERAL DEFINITIONS

1.1(217) History and mission
1.2(217) Definitions
1.3(217) Department structure
1.4(217) Information
1.5(217) Health and human services council
1.6(217) State council on developmental disabilities

CHAPTERS 2 to 7
Reserved

CHAPTER 8
PAYMENT OF SMALL CLAIMS

8.1(217) Authorization to reimburse

CHAPTERS 9 and 10
Reserved

CHAPTER 11
COLLECTION OF DEBT

11.1(217) Definitions
11.2(217) Establishment of claim
11.3(217) Application of payment
11.4(217) Setoff against state income tax refund, rebate, or other state payments, including, for example, state employee wages
11.5(234) Setoff against federal income tax refund or other federal payments, including, for example, federal employee wages

CHAPTER 12
Reserved

CHAPTER 13
PROGRAM EVALUATION

13.1(234,239B,249A,514I) Definitions
13.2(234,239B,249A,514I) Review of public assistance records by the department
13.3(234,239B,249A,514I) Cases to be reviewed
13.4(234,239B,249A,514I) Notification of review
13.5(234,239B,249A,514I) Review procedure
13.6(234) Failure to cooperate
13.7(234,239B,249A,514I) Report of findings
13.8(234,237A,239B,249A,514I) Federal review

CHAPTERS 14 and 15
Reserved

CHAPTER 16
NOTICES

16.1(17A) Definitions
16.2(17A) Notices

TITLE II

CHAPTERS 17 to 21

Reserved

TITLE III

MENTAL HEALTH

CHAPTER 22
AUTISM SUPPORT PROGRAM

22.1(225D) Definitions
22.2(225D) Eligibility and application requirements
22.3(225D) Cost-sharing requirements and graduated schedule of cost sharing
22.4(225D) Review of financial eligibility, cost-sharing requirements, exemption from cost sharing, and disenrollment in the program
22.5(225D) Initial-service authorization and renewal-of-service authorization
22.6(225D) Provider network
22.7(225D) Financial management of the program
22.8(225D) Appeal

CHAPTER 23

Reserved

CHAPTER 24
ACCREDITATION OF PROVIDERS OF SERVICES TO PERSONS WITH MENTAL ILLNESS, INTELLECTUAL DISABILITIES, OR DEVELOPMENTAL DISABILITIES

DIVISION I

SERVICES FOR INDIVIDUALS WITH DISABILITIES

24.1(225C) Definitions
24.2(225C) Standards for policy and procedures
24.3(225C) Standards for organizational activities
24.4(225C) Standards for services
24.5(225C) Accreditation
24.6(225C) Deemed status (all services)
24.7(225C) Complaint process (all services)
24.8(225C) Appeal procedure
24.9(225C) Exceptions to policy
24.10 to 24.19 Reserved

DIVISION II

CRISIS RESPONSE SERVICES

24.20(225C) Definitions
24.21(225C) Standards for crisis response services
24.22(225C) Standards for policies and procedures
24.23(225C) Standards for organizational activities
24.24(225C) Standards for crisis response staff
24.25(225C) Standards for services
24.26(225C) Accreditation
24.27(225C) Deemed status
24.28(225C) Complaint process
24.29(225C) Appeal procedure
24.30(225C) Exceptions to policy
24.31(225C) Standards for individual crisis response services
24.32(225C) Crisis evaluation
24.33(225C) Twenty-four-hour crisis response
24.34(225C) Twenty-four-hour crisis line
24.35(225C) Warm line
24.36(225C) Mobile response
24.37(225C) Twenty-three-hour crisis observation and holding
24.38(225C) Crisis stabilization community-based services (CSCBS)

24.39(225C) Crisis stabilization residential services (CSRS)
24.40(225C) Medication—administration, storage and documentation
24.41 to 24.49 Reserved

DIVISION III
COMMUNITY MENTAL HEALTH CENTERS

24.50(230A) Definitions
24.51(230A) Community mental health center designation
24.52(230A) Standards for policies and procedures
24.53(230A) Standards for organizational activities
24.54(230A) Standards for core services and supports
24.55(230A) Accreditation of community mental health centers

CHAPTERS 25 to 27
Reserved

CHAPTER 28
POLICIES FOR MENTAL HEALTH
INSTITUTES AND RESOURCE CENTER

28.1(218) Definitions
28.2(222,230) Payor of last resort
28.3(229) Grievances
28.4(217,218) Photographing and recording of individuals and use of cameras
28.5(217,218) Interviews and statements
28.6(218) Use of grounds, facilities, or equipment
28.7(218) Tours of facility
28.8(218) Donations
28.9(217) Release of confidential information

CHAPTER 29
MENTAL HEALTH INSTITUTES

29.1(218,229) Voluntary admissions
29.2(229) Authorization for treatment
29.3(217,228,229) Rights of individuals
29.4(218) Visiting

CHAPTER 30
STATE RESOURCE CENTER

30.1(218,222) Admission
30.2(222) Liability for support
30.3(217,218) Rights of individuals
30.4(218) Visiting

CHAPTER 31
CIVIL COMMITMENT UNIT FOR SEXUAL OFFENDERS

31.1(229A) Definitions
31.2(229A) Visitation
31.3(229A) Grievances
31.4(229A) Photographing and recording patients
31.5(229A) Public media
31.6(229A) Communication with patients
31.7(229A) Building and grounds
31.8(229A) Cost of care

CHAPTERS 32 to 35
Reserved

CHAPTER 36
FACILITY ASSESSMENTS

36.1(249A) Intermediate care facilities for persons with an intellectual disability assessment

36.2(249A) Determination and payment of fee
36.3(249L) Nursing facility assessment
36.4(249L) Determination and payment of assessment
36.5(249M) Participating hospital assessment
36.6(249M) Determination and payment of assessment

CHAPTER 37
Reserved

CHAPTER 38
DEVELOPMENTAL DISABILITIES BASIC STATE GRANT

38.1(217,42USC144) Administering agency
38.2(217,42USC144) Definitions
38.3(217,42USC144) Program eligibility
38.4(217,42USC144) Conflict of interest policy

CHAPTER 39
Reserved

TITLE IV
FAMILY INVESTMENT PROGRAM

CHAPTER 40
APPLICATION FOR AID

40.1 to 40.20 Reserved
40.21(239B) Definitions
40.22(239B) Application
40.23(239B) Date of application
40.24(239B) Procedure with application
40.25(239B) Time limit for decision
40.26(239B) Effective date of grant
40.27(239B) Continuing eligibility
40.28(239B) Referral for investigation
40.29(239B) Alternate payees

CHAPTER 41
GRANTING ASSISTANCE

41.1 to 41.20 Reserved
41.21(239B) Eligibility factors specific to child
41.22(239B) Eligibility factors specific to payee
41.23(239B) Home, residence, citizenship, and alienage
41.24(239B) Promoting independence and self-sufficiency through employment job opportunities and basic skills (PROMISE JOBS) program
41.25(239B) Uncategorized factors of eligibility
41.26(239B) Resources
41.27(239B) Income
41.28(239B) Need standards
41.29(239B) Composite FIP/SSI cases
41.30(239B) Time limits

CHAPTERS 42 to 44
Reserved

CHAPTER 45
PAYMENT

45.1 to 45.20 Reserved
45.21(239B) Issuing payment
45.22(239B) Return
45.23(239B) Held warrants
45.24(239B) Underpayment

45.25(239B) Deceased payees
45.26(239B) Limitation on payment
45.27(239B) Rounding of need standard and payment amount

CHAPTER 46
OVERPAYMENT RECOVERY

46.1 to 46.20 Reserved
46.21(239B) Definitions
46.22(239B) Monetary standards
46.23(239B) Notification and appeals
46.24(239B) Determination of overpayments
46.25(239B) Source of recoupment
46.26 Reserved
46.27(239B) Procedures for recoupment
46.28 Reserved
46.29(239B) Fraudulent misrepresentation of residence

CHAPTER 47
DIVERSION INITIATIVES

47.1 to 47.20 Reserved
47.21(239B) Definitions
47.22(239B) Availability of the family self-sufficiency grants program
47.23(239B) General criteria
47.24(239B) Assistance available in family self-sufficiency grants
47.25(239B) Application, notification, and appeals
47.26(239B) Approved local plans for family self-sufficiency grants
47.27(239B) Evaluation of family self-sufficiency grants
47.28(239B) Recovery of FSSG overpayments

CHAPTER 48
PROMOTING AWARENESS OF THE BENEFITS OF A HEALTHY MARRIAGE

48.1(234) Definitions
48.2(234) Eligibility criteria
48.3(234) Notice and eligibility period

CHAPTER 49
FAMILY DEVELOPMENT AND SELF-SUFFICIENCY (FaDSS) PROGRAM

49.1(216A) Definitions
49.2(216A) Identification of conditions and criteria for families at risk
49.3(216A) Referral of families
49.4(216A) Funding of grants
49.5(216A) Grants not renewed and grants terminated or reduced
49.6(216A) Appeal
49.7(216A) Contract with grantee
49.8(216A) Grantee responsibilities
49.9(216A) Evaluation

TITLE V
STATE SUPPLEMENTARY ASSISTANCE

CHAPTER 50
APPLICATION FOR ASSISTANCE

50.1(249) Definitions
50.2(249) Application procedures
50.3(249) Approval of application and effective date of eligibility
50.4(249) Reviews
50.5(249) Application under conditional benefits

CHAPTER 51
ELIGIBILITY

51.1(249) Definitions
51.2(249) Application for other benefits
51.3(249) Supplementation
51.4(249) Eligibility for residential care
51.5(249) Dependent relatives
51.6(249) Residence
51.7(249) Eligibility for supplement for Medicare and Medicaid eligibles
51.8(249) Income from providing room and board
51.9(249) Furnishing of social security number
51.10(249) Recovery

CHAPTER 52
PAYMENT
52.1(249) Assistance standards

CHAPTER 53
Reserved

CHAPTER 54
FACILITY PARTICIPATION
54.1(249) Application and contract agreement
54.2(249) Maintenance of case records
54.3(249) Payments for residential care facilities
54.4(249) Goods and services provided
54.5(249) Personal needs account
54.6(249) Case activity report
54.7(249) Billing procedures

TITLE VI
GENERAL PUBLIC ASSISTANCE PROVISIONS

CHAPTERS 55 and 56
Reserved

CHAPTER 57
INTERIM ASSISTANCE REIMBURSEMENT
57.1(249) Definitions
57.2(249) Requirements for reimbursement
57.3(249) Certificate of authority

CHAPTER 58
COMMUNITY SERVICES BLOCK GRANT (CSBG)
58.1(216A,PL97-35) Definitions
58.2(216A,PL97-35) Purposes
58.3(216A,PL97-35) Uses of funds
58.4(216A,PL97-35) Apportionment distribution
58.5(216A,PL97-35) Eligibility requirements
58.6(216A,PL97-35) Community action plan
58.7(216A,PL97-35) Review and acceptance of community action plans
58.8(216A,PL97-35) Ineligible items
58.9(216A) Audits and records
58.10(216A,PL97-35) Designating eligible entities for unserved areas
58.11(216A,PL97-35) Termination and reduction of funding
58.12(216A,PL97-35) Client grievance and appeal process
58.13(216A,PL97-35) Further criteria

CHAPTER 59
LOW-INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)
59.1(216A,PL97-35,PL98-558) Definitions
59.2(216A,PL97-35,PL98-558) Household eligibility

59.3(216A,PL97-35,PL98-558) LAAs
59.4(216A,PL97-35,PL98-558) Application period
59.5(216A,PL97-35,PL98-558) Payments
59.6(216A,PL97-35,PL98-558) Change in status
59.7(216A,PL97-35,PL98-558) Vendor agreement
59.8(216A,PL97-35,PL98-558) Crisis assistance
59.9(216A,PL97-35,PL98-558) Assurance 16 activities
59.10(216A,PL97-35,PL98-558) Grievances and appeals
59.11(216A,PL97-35,PL98-558) Further criteria

CHAPTER 60
REFUGEE CASH ASSISTANCE

60.1(217) Alienage requirements
60.2(217) Application procedures
60.3(217) Effective date of grant
60.4(217) Accepting other assistance
60.5(217) Eligibility factors
60.6(217) Students in institutions of higher education
60.7(217) Time limit for eligibility
60.8(217) Criteria for exemption from registration for employment services, registration, and refusal to register
60.9(217) Work and training requirements
60.10(217) Uncategorized factors of eligibility
60.11(217) Temporary absence from home
60.12(217) Application
60.13(217) Continuing eligibility
60.14(217) Alternate payees
60.15(217) Payment
60.16(217) Overpayment recovery

CHAPTER 61
REFUGEE SERVICES PROGRAM

61.1(217) Definitions
61.2(217) Authority
61.3(217) Eligibility
61.4(217) Planning and coordinating the placement of refugees
61.5(217) Services of the department available for refugees
61.6(217) Provision of services
61.7(217) Application for services
61.8(217) Adverse service actions
61.9(217) Client appeals
61.10(217) Refugee resettlement moneys
61.11(217) Unaccompanied refugee minors program
61.12(217) Targeted assistance grants

CHAPTER 62
RENT REIMBURSEMENT

62.1(425) Eligible claimants
62.2(425) Dual claims
62.3(425) Multipurpose building
62.4(425) Income
62.5(425) Simultaneous homesteads
62.6(425) Mobile, modular, and manufactured homes
62.7(425) Totally disabled
62.8(425) Household
62.9(425) Homestead
62.10(425) Gross rent/rent constituting property taxes paid
62.11(425) Leased land
62.12(425) Property: taxable status

62.13(425) Income: spouse
62.14(425) Common law marriage
62.15(425) Audit of claim
62.16(425) Extension of time for filing a claim
62.17(425) Proration of claims
62.18(425) Unreasonable hardship
62.19(425) Appeal

CHAPTER 63
WEATHERIZATION

63.1(216A,PL94-385,PL98-558) Eligible households
63.2(216A,PL94-385,PL98-558) Local administering agencies (LAAs)
63.3(216A,PL94-385,PL98-558) Application period
63.4(216A,PL94-385,PL98-558) Payments
63.5(216A,PL94-385,PL98-558) Grievances and appeals
63.6(216A,PL94-385,PL98-558) Further criteria

CHAPTER 64
INDIVIDUAL DEVELOPMENT ACCOUNT (IDA)

64.1(541A) Definitions
64.2(541A) Establishment of individual development accounts
64.3(541A) Eligibility, state match payments, and state tax provisions
64.4(541A) Requests for proposals—operation of IDAs
64.5(541A) Authorized withdrawals of principal and income
64.6(541A) Notice of nonapproved withdrawals and closure of the account
64.7(541A) Transfers of assets of an IDA

TITLE VII
FOOD PROGRAMS

CHAPTER 65
SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM ADMINISTRATION

65.1(234) Definitions
65.2(234) Administration of program
65.3(234) State options
65.4(234) Treatment centers and group living arrangements
65.5(234) Appeals
65.6(234) Proration of benefits
65.7(234) Notice of expiration issuance
65.8(234) Verification
65.9(234) Prospective budgeting
65.10(234) Effective date of change
65.11(234) Work requirements
65.12(234) Income
65.13(234) Deductions
65.14(234) Student resources
65.15(234) Reinstatement

CHAPTER 66
EMERGENCY FOOD ASSISTANCE PROGRAM

66.1(234) Definitions
66.2(234) Household eligibility

CHAPTER 67
SPECIAL SUPPLEMENTAL NUTRITION PROGRAM
FOR WOMEN, INFANTS, AND CHILDREN (WIC)

67.1(135) Definitions
67.2(135) Administration of program
67.3(135) Certification of participants

67.4(135) Food delivery
67.5(135) Education
67.6(135) Right to appeal—participant
67.7(135) Right to appeal—local agencies
67.8(135) Right to appeal—vendor
67.9(135) State monitoring of contract agencies
67.10(135) Civil rights
67.11(135) WIC program violation

CHAPTERS 68 to 72
Reserved

TITLE VIII
MEDICAL ASSISTANCE

CHAPTER 73
MANAGED CARE

73.1(249A) Definitions
73.2(249A) Contracts with a managed care plan (MCP)
73.3(249A) Enrollment
73.4(249A) Disenrollment process
73.5(249A) MCP covered services
73.6(249A) Amount, duration and scope of services
73.7(249A) Emergency services
73.8(249A) Access to service
73.9(249A) Incident reporting
73.10(249A) Discharge planning
73.11(249A) Level of care (LOC) assessment
73.12(249A) Appeal of MCP actions
73.13(249A) Appeal to department
73.14(249A) Continuation of benefits
73.15(249A) Grievances
73.16(249A) Written record
73.17(249A) Information concerning procedures relating to the review of MCP decisions and actions
73.18(249A) Records and reports
73.19(249A) Audits
73.20(249A) Marketing
73.21(249A) Enrollee education
73.22(249A) Payment to the MCP
73.23(249A) Claims payment by the MCP
73.24(249A) Quality assurance
73.25(249A) Certifications and program integrity

CHAPTER 74
IOWA HEALTH AND WELLNESS PLAN

74.1(249A,249N) Definitions
74.2(249A,249N) Eligibility factors
74.3(249A,249N) Application
74.4(249A,249N) Financial eligibility
74.5(249A,249N) Enrollment period
74.6(249A,249N) Reporting changes
74.7(249A,249N) Reenrollment
74.8(249A,249N) Terminating enrollment
74.9(249A,249N) Recovery
74.10(249A,249N) Right to appeal
74.11(249A) Financial participation
74.12(249A) Benefits and service delivery
74.13(249A,249N) Claims and reimbursement methodologies
74.14(249A,249N) Discontinuance of program

CHAPTER 75
CONDITIONS OF ELIGIBILITY

DIVISION I
DEFINITIONS, COVERAGE GROUPS, AND GENERAL CONDITIONS OF ELIGIBILITY

75.1(249A) Definitions
75.2(249A) Categories of persons covered
75.3(249A) Family-related Medicaid
75.4(249A) Persons who have been screened and found to need breast or cervical cancer treatment (BCCT)
75.5(249A) Persons under age 65; refugees
75.6(249A) Aged, blind or disabled
75.7(249A) Presumptive eligibility
75.8(249A) Medically needy persons
75.9(249A) Furnishing of social security number
75.10(249A) Residency requirements
75.11(249A) Citizenship or alienage requirements
75.12(249A) Inmates of public institutions
75.13 Reserved
75.14(249A) Establishing liability and obtaining support
75.15(249A) Medical resources
75.16(249A) Medical assistance lien
75.17 Reserved
75.18(249A) Continuous eligibility for pregnant women
75.19(249A) Continuous eligibility for children
75.20(249A) Medical assistance corrective payments
75.21(249A) Health insurance premium payment (HIPP) program
75.22(249A) AIDS/HIV health insurance premium payment program
75.23(249A) Disposal of assets for less than fair market value after August 10, 1993
75.24(249A) Treatment of trusts established after August 10, 1993
75.25(249A) Treatment of Medicaid qualifying trusts
75.26(249A) Conservatorships
75.27(249A) AIDS/HIV settlement payments
75.28(249A) Recovery
75.29(249A) Investigation of eligibility
75.30 to 75.49 Reserved

DIVISION II
ELIGIBILITY FACTORS SPECIFIC TO FAMILY-RELATED COVERAGE GROUPS

75.50(249A) Eligibility factors specific to child
75.51(249A) Eligibility factors specific to parents and caretakers
75.52(249A) The effect of age on eligibility
75.53(249A) Absence from the home
75.54(249A) Pending SSI approval
75.55(249A) Resources not considered
75.56(249A) Income eligibility
75.57 to 75.69 Reserved

DIVISION III
FINANCIAL ELIGIBILITY BASED ON MODIFIED ADJUSTED GROSS INCOME (MAGI)

75.70(249A) Financial eligibility based on MAGI
75.71(249A) Coverage groups subject to MAGI methodology
75.72(249A) MAGI household composition
75.73(249A) Income under MAGI methodology
75.74(249A) Income limits
75.75 to 75.79 Reserved

DIVISION IV
ELIGIBILITY FACTORS SPECIFIC TO NON-MAGI-RELATED COVERAGE GROUPS, PERSONS IN MEDICAL INSTITUTIONS AND PERSONS RECEIVING LONG-TERM CARE SERVICES

75.80(249A) Categorical relatedness to supplemental security income (SSI)
75.81(249A) Disability requirements for non-MAGI-related Medicaid

75.82(249A) Determination of countable income and resources for persons in a medical institution
75.83(249A) Client participation in payment for medical institution care
75.84(249A) Entrance fee for continuing care retirement community or life care community
75.85(249A) Disqualification for long-term care assistance due to substantial home equity

CHAPTER 76
ENROLLMENT AND REENROLLMENT

76.1(249A) Definitions
76.2(249A) Application for medical assistance
76.3(249A) Referrals from the FFM
76.4(249A) Express lane eligibility
76.5(249A) Enrollment through SSI
76.6(249A) Referral for Medicare savings program
76.7(249A) Presumptive eligibility
76.8(249A) Applicant and member responsibilities
76.9(249A) Responsible persons and authorized representatives
76.10(249A) Right to withdraw the application
76.11(249A) Choice of electronic notifications
76.12(249A) Application not required
76.13(249A) Initial enrollment
76.14(249A) Reenrollment
76.15(249A) Report of changes
76.16(249A) Action on information received
76.17(249A) Timeliness requirements for conducting automatic redeterminations of eligibility

CHAPTER 77
CONDITIONS OF PARTICIPATION FOR PROVIDERS
OF MEDICAL AND REMEDIAL CARE

77.1(249A) Physicians
77.2(249A) Retail pharmacies
77.3(249A) Pharmacists
77.4(249A) Hospitals
77.5(249A) Dentists
77.6(249A) Podiatrists
77.7(249A) Optometrists
77.8(249A) Opticians
77.9(249A) Chiropractors
77.10(249A) Home health agencies
77.11(249A) Medical equipment and appliances, prosthetic devices and medical supplies
77.12(249A) Ambulance service
77.13(249A) Behavioral health intervention
77.14(249A) Hearing aid dispensers
77.15(249A) Audiologists
77.16(249A) Community mental health centers
77.17(249A) Screening centers
77.18(249A) Physical therapists
77.19(249A) Orthopedic shoe dealers and repair shops
77.20(249A) Rehabilitation agencies
77.21(249A) Independent laboratories
77.22(249A) Rural health clinics
77.23(249A) Psychologists
77.24(249A) Maternal health centers
77.25(249A) Ambulatory surgical centers
77.26(249A) Federally qualified health centers
77.27(249A) Advanced registered nurse practitioners
77.28(249A) Speech-language pathologists
77.29(249A) Physician associates
77.30(249A) HCBS habilitation services

77.31(249A) Behavioral health services
77.32(249A) Birth centers
77.33(249A) Area education agencies
77.34(249A) Case management provider organizations
77.35(249A) HCBS health and disability waiver service providers
77.36(249A) Occupational therapists
77.37(249A) Hospice providers
77.38(249A) HCBS elderly waiver service providers
77.39(249A) HCBS AIDS/HIV waiver service providers
77.40(249A) HCBS intellectual disability waiver service providers
77.41(249A) Assertive community treatment
77.42(249A) HCBS brain injury (BI) waiver service providers
77.43(249A) HCBS physical disability waiver service providers
77.44(249A) Public health agencies
77.45(249A) Infant and toddler program providers
77.46(249A) Local education agency (LEA) services providers
77.47(249A) Indian health facilities
77.48(249A) HCBS children's mental health waiver service providers
77.49(249A) Ordering and referring providers
77.50(249A) Child care medical services
77.51(249A) Community-based neurobehavioral rehabilitation services
77.52(249A) Qualified Medicare beneficiary (QMB) providers
77.53(249A) Health insurance premium payment (HIPP) providers
77.54(249A) Crisis response services
77.55(249A) Subacute mental health services

CHAPTER 78
AMOUNT, DURATION AND SCOPE OF MEDICAL AND REMEDIAL SERVICES

78.1(249A) Physicians' services
78.2(249A) Prescribed outpatient drugs
78.3(249A) Inpatient hospital services
78.4(249A) Dental services
78.5(249A) Podiatrists
78.6(249A) Optometrists
78.7(249A) Opticians
78.8(249A) Chiropractors
78.9(249A) Home health agencies
78.10(249A) Durable medical equipment (DME), prosthetic devices and medical supplies
78.11(249A) Ambulance service
78.12(249A) Behavioral health intervention
78.13(249A) Nonemergency medical transportation
78.14(249A) Hearing aids
78.15(249A) Orthopedic shoes
78.16(249A) Community mental health centers
78.17(249A) Physical therapists
78.18(249A) Screening centers
78.19(249A) Rehabilitation agencies
78.20(249A) Independent laboratories
78.21(249A) Rural health clinics
78.22(249A) Family planning clinics
78.23(249A) Other clinic services
78.24(249A) Psychologists
78.25(249A) Maternal health centers
78.26(249A) Ambulatory surgical center services
78.27(249A) Home- and community-based habilitation services
78.28(249A) List of medical services and equipment requiring prior authorization, preprocedure review or preadmission review
78.29(249A) Behavioral health services

78.30(249A) Birth centers
78.31(249A) Hospital outpatient services
78.32(249A) Area education agencies
78.33(249A) Case management services
78.34(249A) HCBS health and disability waiver services
78.35(249A) Occupational therapist services
78.36(249A) Hospice services
78.37(249A) HCBS elderly waiver services
78.38(249A) HCBS AIDS/HIV waiver services
78.39(249A) Federally qualified health centers
78.40(249A) ARNPs
78.41(249A) HCBS intellectual disability waiver services
78.42(249A) Pharmacists providing covered vaccines
78.43(249A) HCBS brain injury waiver services
78.44(249A) Lead inspection services
78.45(249A) Assertive community treatment
78.46(249A) Physical disability waiver service
78.47(249A) Pharmaceutical case management services
78.48(249A) Public health agencies
78.49(249A) Infant and toddler program services
78.50(249A) Local education agency services
78.51(249A) Indian health service 638 facility services
78.52(249A) HCBS children's mental health waiver services
78.53(249A) Speech-language pathology services
78.54(249A) Services rendered via telehealth
78.55(249A) Community-based neurobehavioral rehabilitation services
78.56(249A) Child care medical services
78.57(249A) Qualified Medicare beneficiary (QMB) provider services
78.58(249A) Health insurance premium payment (HIPP) provider services
78.59(249A) Crisis response services
78.60(249A) Subacute mental health services

CHAPTER 79
OTHER POLICIES RELATING TO PROVIDERS OF MEDICAL AND REMEDIAL CARE
79.1(249A) Principles governing reimbursement of providers of medical and health services
79.2(249A) Sanctions
79.3(249A) Maintenance of records by providers of service
79.4(249A) Reviews and audits
79.5(249A) Nondiscrimination on the basis of handicap
79.6(249A) Provider participation agreement
79.7(249A) Medicaid advisory council
79.8(249A) Beneficiary advisory council
79.9(249A) Requests for prior authorization
79.10(249A) General provisions for Medicaid coverage applicable to all Medicaid providers and services
79.11(249A) Requests for preadmission review
79.12(249A) Requests for preprocedure surgical review
79.13(249A) Advance directives
79.14(249A) Requirements for enrolled Medicaid providers supplying laboratory services
79.15(249A) Provider enrollment
79.16(249A) Education about false claims recovery
79.17(249A) Requirements for prescribing controlled substances

CHAPTER 80
PROCEDURE AND METHOD OF PAYMENT
80.1(249A) Submission of claims
80.2(249A) Payment from other sources
80.3(249A) Time limit for submission of claims and claim adjustments
80.4(249A) Authorization process
80.5(249A) Payment to provider—exception

80.6(249A) Health care data match program

CHAPTER 81
NURSING FACILITIES

81.1(249A) Definitions
81.2(249A) Initial approval for nursing facility care
81.3(249A) Arrangements with residents
81.4(249A) Discharge and transfer
81.5(249A) Financial and statistical report and determination of payment rate
81.6(249A) Continued review
81.7(249A) Records
81.8(249A) Payment procedures
81.9(249A) Billing procedures
81.10(249A) Closing of facility
81.11(249A) Conditions of participation for nursing facilities
81.12(249A) Audits
81.13(249A) Nurse aide requirements and training and testing programs
81.14(249A) Sanctions
81.15(249A) Out-of-state facilities
81.16(249A) Outpatient services
81.17(249A) Rates for Medicaid eligibles
81.18(249A) State-funded personal needs supplement
81.19(249A) Enforcement of compliance
81.20(249A) Appeal of a determination of noncompliance
81.21(249A) Civil money penalties—when penalty is collected
81.22(249A) Civil money penalties—settlement authority
81.23(249A) Civil money penalties—deduction of penalty from amount owed
81.24(249A) Use of penalties collected by the department

CHAPTER 82
INTERMEDIATE CARE FACILITIES FOR PERSONS WITH AN INTELLECTUAL DISABILITY

82.1(249A) Definitions
82.2(249A) Licensing and certification
82.3(249A) Conditions of participation for intermediate care facilities for persons with an intellectual disability
82.4(249A) Financial and statistical report
82.5(249A) Eligibility for services
82.6(249A) Initial approval for ICF/ID care
82.7(249A) Determination of need for continued stay
82.8(249A) Arrangements with residents
82.9(249A) Discharge and transfer
82.10(249A) Records
82.11(249A) Payment procedures
82.12(249A) Billing procedures
82.13(249A) Closing of facility
82.14(249A) Audits
82.15(249A) Out-of-state facilities
82.16(249A) State-funded personal needs supplement

CHAPTER 83
MEDICAID WAIVER SERVICES

DIVISION I—HCBS HEALTH AND DISABILITY WAIVER SERVICES

83.1(249A) Definitions
83.2(249A) Eligibility
83.3(249A) Application
83.4(249A) Financial participation
83.5(249A) Redetermination
83.6(249A) Allowable services

83.7(249A) Service plan
83.8(249A) Adverse service actions
83.9(249A) Appeal rights
83.10 to 83.20 Reserved
DIVISION II—HCBS ELDERLY WAIVER SERVICES
83.21(249A) Definitions
83.22(249A) Eligibility
83.23(249A) Application
83.24(249A) Client participation
83.25(249A) Redetermination
83.26(249A) Allowable services
83.27(249A) Service plan
83.28(249A) Adverse service actions
83.29(249A) Appeal rights
83.30(249A) Enhanced services
83.31 to 83.40 Reserved
DIVISION III—HCBS AIDS/HIV WAIVER SERVICES
83.41(249A) Definitions
83.42(249A) Eligibility
83.43(249A) Application
83.44(249A) Financial participation
83.45(249A) Redetermination
83.46(249A) Allowable services
83.47(249A) Service plan
83.48(249A) Adverse service actions
83.49(249A) Appeal rights
83.50 to 83.59 Reserved
DIVISION IV—HCBS INTELLECTUAL DISABILITY WAIVER SERVICES
83.60(249A) Definitions
83.61(249A) Eligibility
83.62(249A) Application
83.63(249A) Client participation
83.64(249A) Redetermination
83.65 Reserved
83.66(249A) Allowable services
83.67(249A) Service plan
83.68(249A) Adverse service actions
83.69(249A) Appeal rights
83.70(249A) Rent subsidy program
83.71 to 83.80 Reserved
DIVISION V—BRAIN INJURY WAIVER SERVICES
83.81(249A) Definitions
83.82(249A) Eligibility
83.83(249A) Application
83.84(249A) Client participation
83.85(249A) Redetermination
83.86(249A) Allowable services
83.87(249A) Service plan
83.88(249A) Adverse service actions
83.89(249A) Appeal rights
83.90 to 83.100 Reserved
DIVISION VI—PHYSICAL DISABILITY WAIVER SERVICES
83.101(249A) Definitions
83.102(249A) Eligibility
83.103(249A) Application
83.104(249A) Client participation
83.105(249A) Redetermination
83.106(249A) Allowable services
83.107(249A) Individual service plan

83.108(249A) Adverse service actions
83.109(249A) Appeal rights
83.110 to 83.120 Reserved
DIVISION VII—HCBS CHILDREN'S MENTAL HEALTH WAIVER SERVICES
83.121(249A) Definitions
83.122(249A) Eligibility
83.123(249A) Application
83.124(249A) Financial participation
83.125(249A) Redetermination
83.126(249A) Allowable services
83.127(249A) Service plan
83.128(249A) Adverse service actions
83.129(249A) Appeal rights

CHAPTER 84
EARLY AND PERIODIC SCREENING, DIAGNOSIS, AND TREATMENT
84.1(249A) Definitions
84.2(249A) Eligibility
84.3(249A) Screening services
84.4(249A) Referral
84.5(249A) Follow up

CHAPTER 85
SERVICES IN PSYCHIATRIC INSTITUTIONS
85.1(249A) Acute care in psychiatric hospitals
85.2(249A) Out-of-state placement
85.3(249A) Eligibility of persons under the age of 21
85.4(249A) Eligibility of persons aged 65 and over
85.5(249A) Client participation
85.6(249A) Responsibilities of hospitals
85.7(249A) Psychiatric hospital reimbursement
85.8(249A,81GA,ch167) Eligibility of persons aged 21 through 64
85.9(249A) Psychiatric medical institutions for children—conditions for participation
85.10(249A) Eligibility of persons under the age of 21
85.11(249A) Client participation
85.12(249A) Responsibilities of facilities
85.13(249A) Outpatient day treatment for persons aged 20 or under
85.14(249A) Conditions of participation
85.15(249A) Out-of-state placement
85.16(249A) Eligibility of persons aged 65 and over
85.17(249A) Client participation
85.18(249A) Responsibilities of nursing facility
85.19(249A) Policies governing reimbursement
85.20(249A) State-funded personal needs supplement

CHAPTER 86
HEALTHY AND WELL KIDS IN IOWA (HAWKI) PROGRAM
86.1(514I) Definitions
86.2(514I) Eligibility factors
86.3(514I) Application process
86.4(514I) Coordination with Medicaid
86.5(514I) Effective date of coverage
86.6(514I) Selection of a plan
86.7(514I) Cancellation
86.8(514I) Premiums and copayments
86.9(514I) Annual reviews of eligibility
86.10(514I) Reporting changes
86.11(514I) Notice requirements
86.12(514I) Appeals and fair hearings

86.13(514I) Covered services
86.14(514I) Participating health and dental plans
86.15(514I) Use of donations to the hawki program
86.16(514I) Recovery
86.17(514I) Supplemental dental-only coverage

CHAPTER 87
FAMILY PLANNING PROGRAM

87.1(217) Definitions
87.2(217) Eligibility
87.3(217) Enrollment
87.4(217) Effective date of eligibility
87.5(217) Period of eligibility
87.6(217) Reporting changes
87.7(217) Funding of family planning services program
87.8(217) Availability of services
87.9(217) Payment of covered services
87.10(217) Submission of claims
87.11(217) Providers eligible to participate

CHAPTER 88
SPECIALIZED MANAGED CARE PROGRAMS

88.1(249A) Definitions
88.2(249A) Process for new and expanding PACE organization service areas
88.3(249A) Three-way agreement with Medicare and Medicaid
88.4(249A) Center administration
88.5(249A) Safety
88.6(249A) Physical environment
88.7(249A) Program services
88.8(249A) Patient education
88.9(249A) Grievances and appeals
88.10(249A) Participant enrollment and disenrollment
88.11(249A) Records and reports
88.12(249A) Health Insurance Portability and Accountability Act of 1996 (HIPAA)
88.13(249A) Funding
88.14(249A) Federal and state monitoring; sanctions

CHAPTER 89
DEBTS DUE FROM TRANSFERS OF ASSETS

89.1(249F) Definitions
89.2(249F) Creation of debt
89.3(249F) Exceptions
89.4(249F) Presumption of intent
89.5(249F) Notice of debt
89.6(249F) No timely request of a hearing
89.7(249F) Timely request for a hearing
89.8(249F) Department-requested hearing
89.9(249F) Filing and docketing of the order
89.10(249F) Exemption from Iowa Code chapter 17A

CHAPTER 90
FEE-FOR-SERVICE CASE MANAGEMENT

90.1(249A) Definitions
90.2(249A) Targeted case management
90.3(249A) Termination of TCM services
90.4(249A) Case management services
90.5(249A) Rights restrictions
90.6(249A) Documentation and billing
90.7(249A) Case management services provider requirements

CHAPTER 91
MEDICARE DRUG SUBSIDY

91.1(249A) Definitions
91.2(249A) Application
91.3(249A) Eligibility determination
91.4(249A) Effective date
91.5(249A) Changes in circumstances
91.6(249A) Reinvestigation
91.7(249A) Appeals

CHAPTER 92
Reserved

TITLE IX
WORK INCENTIVE DEMONSTRATION

CHAPTER 93
PROMISE JOBS PROGRAM

93.1(239B) Definitions
93.2(239B) Program administration
93.3(239B) Registration and referral
93.4(239B) FIA
93.5(239B) Assessment
93.6(239B) Job readiness and job search activities
93.7(239B) Work activities
93.8(239B) Education and training activities
93.9(239B) Other FIA activities
93.10(239B) Required documentation and verification
93.11(239B) Supportive payments
93.12(239B) Recovery of PROMISE JOBS expense payments
93.13(239B) Resolution of participation issues
93.14(239B) Problems that may provide good cause for participation issues
93.15(239B) Right of appeal
93.16(239B) Resolution of an LBP
93.17(239B) Worker displacement grievance procedure

TITLE X
SUPPORT RECOVERY

CHAPTER 94
CHILD SUPPORT PROMOTING OPPORTUNITIES FOR PARENTS PROGRAM

94.1(252B) Definitions
94.2(252B) Purpose and incentives
94.3(252B) Establishment of designated providers
94.4(252B) Selection of designated providers
94.5(252B) Termination of designated providers
94.6(252B) Reports and records
94.7(252B) Receipt of incentives
94.8(17A) Right of appeal

CHAPTER 95
CHILD SUPPORT SERVICES

95.1(252B) Definitions
95.2(252B) Child support eligibility and services
95.3(252B) Crediting of current and delinquent support
95.4(252B) Prepayment of support
95.5(252B) Lump sum settlement
95.6(17A) Appeals
95.7(252B) Termination of services
95.8(252B) Child support services attorney

95.9(252B) Effective date of support
95.10(252B) Continued services available to canceled FIP or Medicaid recipients
95.11(252B) Cooperation of public assistance recipients in establishing and obtaining support
95.12(252B) Cooperation of public assistance applicants in establishing and obtaining support
95.13(252B) Cooperation in establishing and obtaining support in nonpublic assistance cases
95.14(252B) Charging pass-through fees
95.15(252B) Reimbursing assistance with collections of assigned support
95.16(252B) Child support account
95.17(252B) Emancipation verification
95.18(17A) Right of appeal
95.19(17A) Appeal record

CHAPTER 96
INFORMATION AND RECORDS

96.1(252B) Access to information and records from other sources
96.2(252B) Refusal to comply with written request or subpoena
96.3(252B) Procedure for refusal
96.4(252B) Conference conducted
96.5(252B) Fine assessed
96.6(252B) Objection to fine or failure to pay
96.7(17A) Right of appeal

CHAPTER 97
COLLECTION SERVICES CENTER

97.1(252B) Definitions
97.2(252B) Transfer of records and payments
97.3(252B) Support payment records
97.4(252B) Method of payment
97.5(252D) Electronic transmission of payments
97.6(252B) Authorization of payment
97.7(252B) Processing misdirected payments
97.8(17A) Right of appeal

CHAPTER 98
SUPPORT ENFORCEMENT SERVICES

98.1(252E) Definitions
98.2(252E) Medical support health benefit plan information
98.3(252E) Medical support insurer authorization
98.4(252E) Medical support enforcement
98.5(252E) Contesting enforcement of medical support
98.6(252D) Income withholding of delinquent support
98.7(252D) Income withholding amounts
98.8(252D) Amendment of amount of withholding due to hardship
98.9(252D) Immediate income withholding
98.10(252D) Approval of request for immediate income withholding
98.11(252D) Immediate income withholding amounts
98.12(252D) Immediate income withholding amounts when current support has ended
98.13(252D,252E) Income withholding for medical support
98.14(252D,252E) Maximum amounts to be withheld for income withholding
98.15(252D) Income withholding for multiple obligations
98.16(252D) Income withholding notice to employer and obligor
98.17(252D) Contesting the income withholding
98.18(252D) Termination of income withholding
98.19(252D) Modification of income withholding
98.20(252D) Refunds of amounts improperly withheld
98.21(96) Child support intercept of unemployment insurance benefits
98.22(252B) Administrative seek employment order
98.23(252B) Effective date of seek employment order
98.24(252B) Method and requirements of reporting for administrative seek employment order

98.25(252B) Reasons for noncompliance of administrative seek employment
98.26(252B) Administrative seek employment method of service
98.27(252B) Administrative seek employment order duration of order
98.28(252B) Setoff against payment owed to a person by a state agency
98.29(252B) Setoff against state income tax refund or rebate
98.30(252B) Offset against federal income tax refund and federal nontax payment
98.31(252I) Administrative levy
98.32(252J) Referral for license sanction
98.33(252J) Reasons for exemption from license sanction
98.34(252J) Notice of potential sanction of license
98.35(252J) License sanction conference
98.36(252J) License Sanction Payment Agreement
98.37(252J) Staying the process of license sanction due to full payment of support
98.38(252J) Duration of license sanction
98.39(252B) Procedures for providing information to consumer reporting agencies
98.40(252B) Difficult-to-collect arrearages
98.41(252B) Enforcement services by private attorney entitled to state compensation
98.42(17A) Right of appeal
98.43(17A) Appeal record

CHAPTER 99
CHILD SUPPORT GUIDELINES

99.1(234,252B,252H) Income considered
99.2(234,252B) Allowable deductions
99.3(234,252B) Determining net income
99.4(234,252B) Applying the guidelines
99.5(234,252B) Deviation from guidelines
99.6(17A) Right of appeal

CHAPTER 100
ESTABLISHMENT OF PATERNITY AND SUPPORT

100.1(598,600B) Definitions
100.2(252A) Temporary support
100.3(252F) When paternity may be established administratively
100.4(252F) Mother's certified statement
100.5(252F) Notice of alleged paternity and support debt
100.6(252F) Conference to discuss paternity and support issues
100.7(252F) Amount of support obligation
100.8(252F) Paternity contested
100.9(252F) Paternity test results challenge
100.10(252F) Agreement to entry of paternity and support order
100.11(252F) Entry of order establishing paternity only
100.12(252F) Exception to time limit
100.13(252F) Genetic test costs assessed
100.14(598,600B) Communication between parents
100.15(598,600B) Continuation of enforcement
100.16(598,600B) Satisfaction of accrued support
100.17(252C) Establishment of an administrative order
100.18(17A) Right of appeal

CHAPTER 101
ADJUSTMENT AND MODIFICATION OF SUPPORT

101.1(252B,252H) Definitions
101.2(252H) Confidentiality of financial information
101.3(252H) Payment of fees
101.4(252B,252H) Review of permanent child support obligations
101.5(252B,252H) Notice requirements—review and adjustment
101.6(252B,252H) Financial information—review and adjustment
101.7(252B,252H) Review and adjustment of a child support obligation

101.8(252B,252H) Medical support—review and adjustment
101.9(252B,252H) Denying requests—review and adjustment
101.10(252B,252H) Withdrawing requests — review and adjustment
101.11(252H) Effective date of review and adjustment
101.12(252H) Availability of service—administrative modification
101.13(252H) Modification of child support obligations
101.14(252H) Notice requirements—administrative modification
101.15(252H) Financial information—administrative modification
101.16(252H) Challenges to the proposed modification action
101.17(252H) Misrepresentation of fact—administrative modification
101.18(252H) Effective date of modification
101.19(252H) Denying requests—administrative modification
101.20(252H) Withdrawing requests—administrative modification
101.21(252B,252H) Child care add-on
101.22(17A) Right of appeal

CHAPTER 102
SUSPENSION AND REINSTATEMENT OF SUPPORT

102.1(252B) Definitions
102.2(252B) Availability of service—suspension by mutual consent
102.3(252B) Basis for suspension of support by mutual consent
102.4(252B) Request for assistance to suspend by mutual consent
102.5(252B) Order suspending support by mutual consent
102.6(252B) Suspension of enforcement of current support—suspension by mutual consent
102.7(252B) Availability of service—suspension by payor's request
102.8(252B) Basis for suspension of support by payor's request
102.9(252B) Request for assistance to suspend by payor's request
102.10(252B) Determining eligibility for suspension by payor's request
102.11(252B) Order suspending support by payor's request
102.12(252B) Suspension of enforcement of current support—suspension by payor's request
102.13(252B) Request for reinstatement
102.14(252B) Reinstatement
102.15(252B) Reinstatement of enforcement of support
102.16(252B) Temporary suspension becomes final
102.17(17A) Right of appeal

CHILDREN'S INSTITUTIONS

TITLE XII
LICENSING AND APPROVED STANDARDS

CHAPTER 105
JUVENILE DETENTION AND SHELTER CARE HOMES

105.1(232) Definitions
105.2(232) Buildings and grounds
105.3(232) Personnel policies
105.4 Reserved
105.5(232) Staff
105.6(232) Intake procedures
105.7(232) Assessments
105.8(232) Program services
105.9(232) Medication management and administration
105.10(232) Control room—juvenile detention home only
105.11(232) Clothing
105.12(232) Staffings
105.13(232) Child abuse
105.14(232) Daily log
105.15(232) Children's rights
105.16(232) Discipline
105.17(232) Case files
105.18(232) Discharge
105.19(232) Approval
105.20(232) Provisional approval
105.21(232) Mechanical restraint—juvenile detention only
105.22(232) Chemical restraint
105.23(232) Mandatory reporting of child abuse and training

CHAPTER 106
CERTIFICATION STANDARDS FOR CHILDREN'S RESIDENTIAL FACILITIES

106.1(237C) Definitions
106.2(237C) Application of the standards
106.3(237C) Application for a certificate of approval
106.4(237C) Certificate of approval
106.5(237C) Denial, suspension, or revocation
106.6(237C) Providing for basic needs
106.7(237C) Educational programs and services
106.8(237C) Protection from mistreatment, physical abuse, sexual abuse, and neglect
106.9(237C) Discipline
106.10(237C) Record checks
106.11(237C) Seclusion and restraints
106.12(237C) Health
106.13(237C) Safety
106.14(237C) Emergencies
106.15(237C) Buildings and physical premises
106.16(237C) Sanitation, water, and waste disposal
106.17(237C) Staffing
106.18(237C) Reports and inspections
106.19(232) Mandatory reporting of child abuse

CHAPTER 107
CERTIFICATION OF ADOPTION INVESTIGATORS

107.1(600,234) Definitions
107.2(600,234) Application
107.3(600,234) Requirements for certification
107.4(600,234) Granting, denial, or revocation of certification
107.5(600,234) Certificate
107.6(600,234) Renewal of certification
107.7(600,234) Investigative services

107.8(600,234) International adoptions postplacement report
107.9(600,234) Retention of adoption records
107.10(600,234) Reporting of violations
107.11(600,234) Appeals

CHAPTER 108
LICENSING AND REGULATION OF CHILD-PLACING AGENCIES

108.1(238) Definitions
108.2(238) Licensing procedure
108.3(238) Administration and organization
108.4(238) Staff qualifications
108.5(238) Staffing requirements
108.6(238) Personnel administration
108.7(238) Foster care services
108.8(238) Foster home studies
108.9(238) Adoption services
108.10(238) Supervised apartment living placement services

CHAPTER 109
CHILD CARE CENTERS

109.1(237A) Definitions
109.2(237A) Licensure procedures
109.3(237A) Inspection and evaluation
109.4(237A) Administration
109.5(237A) Parental participation
109.6(237A) Personnel
109.7(237A) Professional growth and development
109.8(237A) Staff ratio requirements
109.9(237A) Records
109.10(237A) Health and safety policies
109.11(237A) Physical facilities
109.12(237A) Activity program requirements
109.13(237A) Food services
109.14(237A) Extended evening care
109.15(237A) School-based before- and after-school and summer programs
109.16(237A) Get-well center

CHAPTER 110
CHILD DEVELOPMENT HOMES AND CHILD CARE HOMES WITH A CHILD CARE ASSISTANCE PROVIDER AGREEMENT

110.1(237A) Definitions
110.2(237A) Application for registration as a child development home or payment as a nonregistered child care home
110.3(237A) Renewal of registration or payment application
110.4(237A) Compliance checks
110.5(237A) Parental access
110.6(237A) Number of children
110.7(237A) Provider requirements
110.8(237A) Standards
110.9(237A) Files
110.10(237A) Professional development
110.11(237A) Child development home registration; child care assistance provider agreement and payment application for nonregistered providers
110.12(237A) Complaints
110.13(237A) Additional requirements for child development home category A
110.14(237A) Additional requirements for child development home category B
110.15(237A) Additional requirements for child development home category C without a co-provider
110.16(237A) Additional requirements for child development home category C with co-provider
110.17(237A) Relative care exemptions

110.18(237A) Registration actions for nonpayment of child support
110.19(237A) Prohibition from involvement with child care

CHAPTER 111
FAMILY-LIFE HOMES

111.1(249) Definitions
111.2(249) Application for certification
111.3(249) Provisions pertaining to the certificate
111.4(249) Physical standards
111.5(249) Personal characteristics of family-life home family
111.6(249) Health of family
111.7(249) Planned activities and personal effects
111.8(249) Client eligibility
111.9(249) Medical examinations, records, and care of a client
111.10(249) Placement agreement
111.11(249) Legal liabilities
111.12(249) Emergency care and release of client
111.13(249) Information about client to be confidential

CHAPTER 112
LICENSING AND REGULATION OF CHILD FOSTER CARE FACILITIES

112.1(237) Applicability
112.2(237) Definitions
112.3(237) Application for license
112.4(237) License
112.5(237) Denial
112.6(237) Revocation
112.7(237) Provisional license
112.8(237) Adverse actions
112.9(237) Suspension
112.10(232) Mandatory reporting of child abuse and training
112.11(237) Required training on the reasonable and prudent parent standard
112.12(237) Record checks

CHAPTER 113
LICENSING AND REGULATION OF FOSTER FAMILY HOMES

113.1(237) Applicability
113.2(237) Definitions
113.3(237) Licensing procedure
113.4(237) Provisions pertaining to the license
113.5(237) Physical standards
113.6(237) Sanitation, water, and waste disposal
113.7(237) Safety
113.8(237) Foster parent training
113.9(237) Involvement of kin
113.10(237) Information on the child(ren) placed in the home
113.11(237) Health of foster family
113.12(237) Characteristics of foster parents
113.13(237) Record checks
113.14(237) Reference checks
113.15(237) Unannounced visits
113.16(237) Planned activities and personal effects
113.17(237) Medical examinations and health care of the child(ren)
113.18(237) Training and discipline of child(ren)
113.19(237) Emergency care and release of child(ren)
113.20(237) Changes in foster family home

CHAPTER 114
LICENSING AND REGULATION OF ALL GROUP LIVING FOSTER CARE FACILITIES FOR CHILDREN

114.1(237) Applicability
114.2(237) Definitions
114.3(237) Physical standards
114.4(237) Sanitation, water, and waste disposal
114.5(237) Safety
114.6(237) Organization and administration
114.7(237) Policies and record-keeping requirements
114.8(237) Staff
114.9(237) Intake procedures
114.10(237) Program services
114.11(237) Case files
114.12(237) Drug utilization and control
114.13(237) Children's rights
114.14(237) Personal possessions
114.15(237) Religion—culture
114.16(237) Work or vocational experiences
114.17(237) Family involvement
114.18(237) Children's money
114.19(237) Child abuse
114.20(237) Discipline
114.21(237) Illness, accident, death, or unauthorized absence from the facility
114.22(237) Records
114.23(237) Unannounced visits
114.24(237) Record check information
114.25(237) Standards for private juvenile shelter care and detention homes

CHAPTER 115
LICENSING AND REGULATION OF COMPREHENSIVE RESIDENTIAL FACILITIES FOR CHILDREN

115.1(237) Applicability
115.2(237) Definitions
115.3(237) Information upon admission
115.4(237) Staff
115.5(237) Casework services
115.6(237) Restraints
115.7(237) Control room
115.8(237) Locked cottages
115.9(237) Mechanical restraint
115.10(237) Restraint and control room use debriefing
115.11(237) Chemical restraint

CHAPTER 116
LICENSING AND REGULATION OF RESIDENTIAL FACILITIES FOR CHILDREN WITH AN INTELLECTUAL DISABILITY OR BRAIN INJURY

116.1(237) Applicability
116.2(237) Definitions
116.3(237) Qualifications of staff
116.4(237) Staff to client ratio
116.5(237) Program components
116.6(237) Restraint

CHAPTER 117
FOSTER PARENT TRAINING

117.1(237) Required preservice training
117.2(237) Required orientation

117.3(237) Application materials for in-service training
117.4(237) Application process for in-service training
117.5(237) Application decisions
117.6(237) Application conference available
117.7(237) Required in-service training
117.8(237) Specific in-service training required
117.9(237) Foster parent training expenses

CHAPTER 118
CHILD CARE QUALITY RATING SYSTEM

DIVISION I
QUALITY RATING SYSTEM (QRS)

118.1(237A) Definitions
118.2(237A) Application for quality rating
118.3(237A) Rating standards for child care centers and preschools (sunsetting on July 31, 2011)
118.4(237A) Rating criteria for child development homes (sunsetting on July 31, 2011)
118.5(237A) Rating standards for child care centers, preschools, and programs operating under the authority of an accredited school district or nonpublic school
118.6(237A) Rating criteria for child development homes
118.7(237A) Award of quality rating
118.8(237A) Adverse actions

DIVISION II
IOWA QUALITY FOR KIDS (IQ4K)

118.9(237A) Definitions
118.10(237A) Application for Iowa quality for kids (IQ4K) rating
118.11(237A) Application effective date
118.12(237A) Approved program's expiration date
118.13(237A) Renewal application submission, Levels 1-4
118.14(237A) Renewal application submission, Level 5
118.15(237A) Increased rating
118.16(237A) Change in location of facility
118.17(237A) Ongoing eligibility
118.18(237A) Monitoring
118.19(237A) Professional development training
118.20(237A) Rating standards for a child care center, a preschool, or a program operating under the authority of an accredited school district or nonpublic school
118.21(237A) Criteria for IQ4K—Level 1 child care center, preschool, or program operating under the authority of an accredited school district or nonpublic school
118.22(237A) Criteria for IQ4K—Level 2 child care center, preschool, or program operating under the authority of an accredited school district or nonpublic school
118.23(237A) Criteria for IQ4K—Level 3 child care center, preschool, or program operating under the authority of an accredited school district or nonpublic school
118.24(237A) Criteria for IQ4K—Level 4 child care center, preschool, or program operating under the authority of an accredited school district or nonpublic school
118.25(237A) Criteria for IQ4K—Level 5 child care center, preschool, or program operating under the authority of an accredited school district or nonpublic school
118.26(237A) Rating standards for school-aged only programs
118.27(237A) Criteria for IQ4K—Level 1 school-aged only programs
118.28(237A) Criteria for IQ4K—Level 2 school-aged only programs
118.29(237A) Criteria for IQ4K—Level 3 school-aged only programs
118.30(237A) Criteria for IQ4K—Level 4 school-aged only programs
118.31(237A) Criteria for IQ4K—Level 5 school-aged only programs
118.32(237A) Rating standards for registered child development homes
118.33(237A) Criteria for IQ4K—Level 1 rating standards for registered child development homes
118.34(237A) Criteria for IQ4K—Level 2 rating standards for registered child development homes
118.35(237A) Criteria for IQ4K—Level 3 rating standards for registered child development homes
118.36(237A) Criteria for IQ4K—Level 4 rating standards for registered child development homes
118.37(237A) Criteria for IQ4K—Level 5 rating standards for registered child development homes

118.38(237A) Award of quality rating
118.39(237A) Adverse actions

CHAPTER 119
RECORD CHECK EVALUATIONS FOR
CERTAIN EMPLOYERS AND EDUCATIONAL TRAINING PROGRAMS
119.1(135B,135C) Definitions
119.2(135B,135C) When record check evaluations are requested
119.3(135C) Request for evaluation
119.4(135B,135C) Completion of evaluation
119.5(135B,135C) Appeal rights

CHAPTER 120
Reserved

CHAPTER 121
EARLY CHILDHOOD IOWA INITIATIVE
121.1(256I) Definitions
121.2(256I) Early childhood Iowa state board responsibility
121.3(256I) Early childhood Iowa coordination staff
121.4(256I) Early childhood Iowa areas

CHAPTER 122
FISCAL OVERSIGHT OF THE EARLY CHILDHOOD IOWA INITIATIVE
122.1(256I) Definitions
122.2(256I) Fiscal oversight

CERTIFICATE OF NEED PROGRAM

CHAPTER 123
CERTIFICATE OF NEED PROGRAM
123.1(135) Definitions
123.2(135) Letter of intent
123.3(135) Determination of reviewability
123.4(135) Submission of application
123.5(135) Organizational procedures
123.6(135) Summary review
123.7(135) Extension of review time
123.8(135) Rehearing of certificate of need decision
123.9(135) Finality
123.10(135) Request for extension of certificate
123.11(135) Application changes after approval
123.12(135) Sanctions

CHAPTER 124
STANDARDS FOR CERTIFICATE OF NEED REVIEW
124.1(135) Cardiac catheterization and cardiovascular surgery standards
124.2(135) Radiation therapy standards
124.3(135) Computerized tomography standards
124.4(135) Long-term care
124.5(135) MRI services standards
124.6(135) PET services standards

CHAPTER 125
KINSHIP FOSTER CARE APPROVAL STANDARDS
125.1(237) Definitions
125.2(237) Application for approval

GENERAL DEPARTMENTAL PROCEDURES

TITLE I

CHAPTER 1
DEPARTMENT ORGANIZATION AND GENERAL DEFINITIONS

[Prior to 7/1/83, Social Services [770] Ch 1]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/3/29

441—1.1(217) History and mission. The Iowa department of health and human services was established in 2022 pursuant to 2022 Iowa Acts, House File 2578, and fully codified pursuant to 2023 Iowa Acts, Senate File 514. The authority delegated to the department had previously been delegated to the departments of human services, public health, aging, and human rights; the Iowa commission on volunteer service; the child advocacy board and the department of inspections and appeals. In 2023, the general assembly combined these agencies and programs to create the department of health and human services. The department's mission is published on the department's website.
[**ARC 8045C**, IAB 5/29/24, effective 7/3/24]

441—1.2(217) Definitions. For the purposes of the department's rules, unless otherwise defined:

"Council" means the health and human services council.

"Department" means the department of health and human services.

"Director" means the director of health and human services.

"Electronic signature" means a confidential personalized digital key, code, or number that is used for secure electronic data transmission and that identifies and authenticates the signatory.
[**ARC 8045C**, IAB 5/29/24, effective 7/3/24]

441—1.3(217) Department structure.

1.3(1) *General.* The department's organizational structure consists of the council, the director and such divisions as the director may from time to time create.

1.3(2) *Director.* The department director is appointed pursuant to the requirements in Iowa Code section 217.5.

1.3(3) *Delegation of director authority.* The director may designate employee(s) to administer the department in the director's absence. The director may also delegate the director's authority to administer the department to other employees as determined necessary for efficient and effective department operations. Delegations of the director's authority will be documented by the department.

1.3(4) *Divisions.* The director may from time to time reorganize the department into administrative divisions to most efficiently and effectively carry out the department's responsibilities. Reorganization may include creating new divisions, eliminating existing divisions, or combining divisions as the director deems necessary.
[**ARC 8045C**, IAB 5/29/24, effective 7/3/24; Editorial change: IAC Supplement 7/8/26]

441—1.4(217) Information. The general public may obtain information about the department by contacting the department at its offices located at 321 E. 12th Street, Des Moines, Iowa 50319, telephone 515.281.5452, or through the department's website.
[**ARC 8045C**, IAB 5/29/24, effective 7/3/24]

441—1.5(217) Health and human services council. The council is established in Iowa Code section 217.2 and its duties are in Iowa Code section 217.3. Meetings of the council and any ad hoc committee it may establish are conducted in accordance with the provisions of Iowa Code chapter 21.
[**ARC 8045C**, IAB 5/29/24, effective 7/3/24]

441—1.6(217) State council on developmental disabilities. The state developmental disabilities council and its duties are established in 42 U.S.C. §15025.

1.6(1) *Designated state agency.* The department serves as the designated state agency.

1.6(2) *Membership.* The council consists of up to 26 members appointed by the governor. Members serve three-year terms. Appointments are staggered so at least one-third of the members are appointed each year. The nonattendance provisions of Iowa Code section 69.15 apply to the council's members.

1.6(3) *Meetings.* Meetings of the council are conducted in accordance with the provisions of Iowa Code chapter 21.

1.6(4) *Council information.* The general public may obtain information about the council at its offices located at 700 2nd Avenue, Suite 101, Des Moines, Iowa, 50309; telephone 800.452.1936; or the website iowaddcouncil.org.

Rescinded by 2026 Iowa Acts, Senate File 2463, section 4, effective July 1, 2026. See Uniform Rules on Agency Procedure at 7—Chapters 2500 through 2506 and any corresponding rules adopted by this agency.

CHAPTER 8
PAYMENT OF SMALL CLAIMS

[Prior to 7/1/83, Social Services[770] Ch 8]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/17/29

441—8.1(217) Authorization to reimburse. The department will follow Iowa Code section 217.23(2) when reimbursing employees for personal items damaged or destroyed by clients of the department during the employee's tour of duty. The claimant shall provide the department with a detailed written account of the incident, including an estimated cost of repair or replacement.

This rule is intended to implement Iowa Code section 217.23.

[**ARC 8066C**, IAB 6/12/24, effective 7/17/24]

CHAPTER 9
PUBLIC RECORDS AND FAIR INFORMATION PRACTICES

Rescinded by 2026 Iowa Acts, Senate File 2463, section 4, effective July 1, 2026. See Uniform Rules on Agency Procedure at 7—Chapters 2500 through 2506 and any corresponding rules adopted by this agency.

CHAPTER 10
COLLECTION OF DELINQUENT DEBTS

[Prior to 1/24/24, see Public Health Department[641] Ch 179]
Rescinded **ARC 8205C**, IAB 9/4/24, effective 10/9/24

CHAPTER 11
COLLECTION OF DEBT
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 10/9/29

441—11.1(217) Definitions.

"Current" means that amount which is due and owing within the previous 12 months from the date of submission to the department of administrative services or that amount which is due and owing from the date the repayment agreement or court order is implemented, if less than 12 months, before the date of submission to the department of administrative services.

"Current repayment" means that payment of the cumulative sum due and owing in accordance with a repayment agreement or court order for the preceding 12 months or the date of the order or agreement if the order or agreement is more recent.

"Debtor" means a current or former recipient of public assistance that has been determined by the department to be responsible for the repayment of a particular debt. For the Supplemental Nutrition Assistance Program (SNAP), "debtor" shall include all adult members of the SNAP household participating at the time the SNAP overpayment or program violation occurred and shall include nonrecipients found guilty of violating SNAP rules by committing an act such as, but not limited to, trafficking. For child care assistance, "debtor" may include the current or former provider or current or former recipient of child care assistance. For Medicaid, "debtor" shall include any current or former Medicaid member, or the parents of a current or former Medicaid member who was under the age of 21 when the parents completed the application and had responsibility for reporting changes, who received services or benefits as a result of client or agency error or administrative overpayment or who owes a debt of unpaid premium payments for medical assistance.

"Public assistance" means family investment program, SNAP, Medicaid, state supplementary assistance, PROMISE JOBS, child care assistance, refugee cash assistance, and hawki program.

"Repayment agreement" means an agreement entered into voluntarily between the department and the debtor for the repayment of debts and detailed on a form issued by the department.

"Written notification" means the notification sent to a debtor by the department on a form issued by the department.

[**ARC 8205C**, IAB 9/4/24, effective 10/9/24]

441—11.2(217) Establishment of claim.

11.2(1) *Accounts.* The department will maintain an account for each debt that has occurred containing the following information:

a. A debtor name and account number.
b. Program in which the debt occurred.
c. Date the debt was discovered.
d. Inclusive dates of the debt.
e. Total dollar amount of each debt.
f. Primary cause of the debt.
g. Any transaction applied to this debt.

11.2(2) *Notice of debt.* A claim is established when the first written notice of the debt is issued to the household.

11.2(3) *Change in debt.* An additional written notification of debt will be issued if a change occurs in the amount or period of the debt.

11.2(4) *Collection action.* No collection action will be initiated on:

a. A debt for which no notice of debt has been issued to the household.
b. A debt that is in appeal status.
c. A debt that is in suspended status due to an exception to policy.

[**ARC 8205C**, IAB 9/4/24, effective 10/9/24]

441—11.3(217) Application of payment. Payment will be applied only to debts subject to collection pursuant to subrule 11.2(4).

11.3(1) *Application of payment to a single program area.*

a. If there is more than one debt in a program, payment will be applied:

(1) First to all debts that have an agreement in chronological order of discovery, and

(2) Then to debts that do not have an agreement in chronological order of discovery until all debts have been paid in full or the full payment amount has been exhausted.

b. For SNAP, payment will be applied first to all debts with an agreement and then to debts without an agreement. Within those two groupings, payment will be applied in the following order:

(1) First to state-only debts in chronological order of discovery,

(2) Then to intentional program violation (IPV) debts in chronological order of discovery,

(3) Then to inadvertent household error (IHE) debts in chronological order of discovery, and

(4) Then to agency error debts in chronological order of discovery.

11.3(2) *Application of payment to multiple program areas.* If there are debts in more than one program area of public assistance, payments received will be applied to those program areas as indicated by the mode of repayment (SNAP benefits, FIP benefits) or as indicated by the client at the time of payment.

11.3(3) *Application of undesignated cash payment.* If an undesignated cash payment is received, it will be applied to each program area proportionally based on the cumulative balance of all debts in all program areas combined.

[**ARC 8205C**, IAB 9/4/24, effective 10/9/24]

441—11.4(217) Setoff against state income tax refund, rebate, or other state payments, including, for example, state employee wages.

11.4(1) *Criteria for setoff.*

a. A claim against a debtor may be made by the department for public assistance debts when:

(1) A debtor has failed to negotiate a repayment agreement for that program area of public assistance, or

(2) A repayment agreement is not current, and

(3) The cumulative balance of the applicable debts in 11.4(1)*"a"*(1) and (2) exceeds $50.

b. A claim against a debtor will not be made by the department for debts when:

(1) The debt is in suspended status due to an exception to policy or is in an appeal status, or

(2) The debt is being recovered through grant or benefit reduction.

11.4(2) *Frequency of submission.* The department will submit to the department of administrative services twice each month a list of those debtors who have a debt meeting the criteria in subrule 11.4(1).

11.4(3) *Pre-setoff notice.* The department will mail written notification to a debtor to inform the debtor of the amount the department intends to claim and apply to debts in each program when:

a. The department is notified by the department of administrative services that the debtor is entitled to a state income tax refund, rebate, or other state payment;

b. The department makes claim against the debtor.

11.4(4) *Method for division of joint payments.* When either spouse wishes to request a division of a jointly or commonly owned right to payment, a written request shall be submitted to the department within 15 days after the written notification is mailed. When the request is received within the 15-day limit, the spouse's proportionate share of a jointly or commonly owned right to payment, as determined by the department of administrative services, shall be released by the department of administrative services unless:

a. Other claims are made on that portion of the jointly or commonly owned right to payment, or

b. That spouse was also a member of the same household and the spouse's income and resources were or should have been considered in the calculation of public assistance.

11.4(5) *Appeal rights.* When a debtor wishes to contest the claim of the department, a written request shall be submitted to the department within 15 days after the written notification is mailed. When the request is received within the 15-day limit, a hearing will be granted pursuant to rules in 441—Chapter 2506.

a. If the department is upheld in the final decision, the setoff process shall continue and the refund, rebate, or other state payment will be applied to the appropriate delinquent debts.

b. If the department is reversed in the final decision, the debtor's refund, rebate, or other state payment will be released to the debtor by the department of administrative services.

11.4(6) *Debt setoff.* If the department has not received a request for an appeal hearing or a request for division of a jointly or commonly owned right to payment within 15 days after the date the written notification is mailed, the department will notify a debtor of the final decision regarding the claim by mail.

11.4(7) *Application of setoff.* The department will apply any setoff received from the department of administrative services as a result of this rule to the debtor's debts as indicated on the written notification mailed to the debtor and in accordance with rule 441—11.3(217).

Any amount remaining after the setoff shall be released back to the individual.

[**ARC 8205C**, IAB 9/4/24, effective 10/9/24; Editorial change: IAC Supplement 6/10/26]

441—11.5(234) Setoff against federal income tax refund or other federal payments, including, for example, federal employee wages.

11.5(1) *Criteria for setoff.*

a. Debtors not participating in SNAP shall be subject to collection action through the treasury offset program (TOP) which includes, but is not limited to, federal salary offset and federal tax refund offset.

(1) Debtors shall be referred to TOP if they are delinquent in repaying their SNAP debt and there is a claim or combination of claims with an unpaid balance that exceeds $25.

(2) No claim that is less than three months old or more than ten years old as of January 31 of the offset year shall be referred. EXCEPTION: Claims that have had a final judgment entered are not subject to the ten-year time limit.

(3) Debtors are delinquent in repaying their SNAP debt if:

1. A repayment agreement has not been signed and 120 days have elapsed since the due date of the demand letter as defined in 441—subrule 65.21(4) minus any days the claim was not subject to collection action because of an appeal.

2. A repayment agreement has been signed but the debtor has failed to make the agreed-upon payments and has failed to make up the missed payments. The debtor shall be referred to TOP when 120 days have elapsed since the first of the month following the month that the debtor failed to make the agreed-upon payment and has not subsequently made up the missed payment.

b. A claim against an individual will not be referred to TOP by the department of inspections, appeals, and licensing (DIAL) for debts when:

(1) The debt is in suspended status due to an exception to policy or is in an appeal status, or

(2) The debt is being recovered through benefit reduction.

11.5(2) *Setoff under TOP.* DIAL shall, by December 1 of each year, submit a notification of liability for delinquent claims to the Department of the Treasury.

11.5(3) *Pre-setoff notice.* DIAL shall notify a debtor identifying the amount the department intends to refer to TOP for offset.

11.5(4) *Offset fee.* For each offset that the Department of the Treasury effects against an individual referred to TOP, Treasury will charge the individual a fee.

11.5(5) *Appeal rights.* When an individual wishes to contest the delinquent status of a claim as identified by DIAL, a written request shall be submitted to DIAL within 60 days of the date of the pre-offset notice. When the request is received within the 60-day limit, a review shall be granted.

DIAL shall determine if the claim is past due and legally enforceable and shall notify the individual in writing of the decision.

11.5(6) *Application of setoff.* DIAL shall apply any setoff received as a result of this rule to the individual's SNAP debts.

Any amount remaining after the setoff shall be released back to the individual.

[**ARC 8205C**, IAB 9/4/24, effective 10/9/24]

These rules are intended to implement Iowa Code sections 217.34, 234.12, 239B.14, and 249A.5.

CHAPTER 12
VOLUNTEER SERVICES

[Prior to 2/11/87, Human Services[498]]

Rescinded **ARC 6272C**, IAB 4/6/22, effective 6/1/22

CHAPTER 13
PROGRAM EVALUATION

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/17/29

441—13.1(234,239B,249A,514I) Definitions.

"Active case" means a case that was receiving assistance for the month of review.

"Case record" means the record used to establish a client's eligibility.

"Client" means a current or former applicant or recipient of the family investment program (FIP), Supplemental Nutrition Assistance Program (SNAP), child care assistance program, or medical assistance program.

"Field investigation" means a contact involving the public or other agencies to obtain information about the client's circumstances for the appropriate month of review.

"Medical assistance programs" means those programs funded by Medicaid or the Children's Health Insurance Program (CHIP).

"Month of review" means the specific calendar or fiscal month for which the assistance under review is received.

"Negative case" means a case that was terminated or denied assistance in the month of review.

"Public assistance programs" means those programs involving federal funds, i.e., FIP, SNAP, child care assistance program, and medical assistance program.

"Random sample" means a systematic (or every nth unit) sample drawn monthly for which each item in the universe has an equal probability of being selected. Sample size is determined by federal guidelines or state corrective action needs.

"State policies" means the rules and regulations used by the department to administer FIP, SNAP, child care assistance program, and medical assistance program.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, 249A.4 and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.2(234,239B,249A,514I) Review of public assistance records by the department.

13.2(1) Authorized representatives of the department shall have the right to review case records to determine the following:

a. Whether the client has provided complete, correct and accurate information to the department to be used in the determination of the assistance benefits.

b. Whether the department has correctly administered the state policies in determination of assistance for the public assistance programs.

c. Whether overpayments or underpayments have been made correctly to the public assistance client during the month of review.

d. Whether there is indication of fraudulent practice or abuse of the public assistance programs by either the client or department.

13.2(2) All pertinent case records within the department may be used by the reviewer to assist in substantiating an accurate reflection as to the correctness of the assistance received by the client.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, 249A.4 and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.3(234,239B,249A,514I) Cases to be reviewed. Any active or negative public assistance case may be reviewed at any time at the discretion of the department to:

13.3(1) Ensure federal and state requirements for quality control are met.

13.3(2) Detect error prone case issues to assist in corrective action.

13.3(3) Maintain public assistance program integrity.

This rule is intended to implement Iowa Code sections 234.6, 234.12, 239B.4, 249A.4, and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.4(234,239B,249A,514I) Notification of review. On positive case actions, clients will be notified, either orally or in writing, that their case has been selected for review when contact is required by federal guidelines, or when contact is allowed and additional information is required to complete the review. The client will be contacted in a negative case only if a discrepancy exists that cannot be resolved from the case record and contact is allowed by federal guidelines.

This rule is intended to implement Iowa Code sections 234.6, 234.12, 239B.4, 249A.4, and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.5(234,239B,249A,514I) Review procedure. The department will select the appropriate method of conducting the review.

13.5(1) A random sampling of active and negative case actions will be used to determine the case records to be studied.

13.5(2) The case record will be analyzed for discrepancies and correct application of policies and procedures and will be used as the basis for a field investigation.

13.5(3) Client interviews are required as follows:

a. Personal interviews are required on all active SNAP reviews.

b. An appointment letter may be sent to the client by the department to schedule or confirm the appointment date, time and location.

c. Client contacts are only required in negative case reviews when there is a discrepancy that cannot be resolved from the case record.

13.5(4) Collateral contacts are made whenever the client is unable to furnish information needed or the reviewer needs additional information to establish the correctness of eligibility and payment but only when allowed by federal guidelines. Verification to confirm the accuracy of statements or information may be obtained by documentary evidence or a contact with a third party.

a. The client shall release specific information whenever necessary to verify information essential to the determination of eligibility and payment.

b. Should the client refuse to authorize the department to contact an informant to verify information that is necessary for the completion of the review, collateral contacts will still be made through use of the general release statement contained in the financial support application or the review/recertification eligibility document.

This rule is intended to implement Iowa Code sections 234.6, 234.12, 239B.4, 249A.4, and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.6(234) Failure to cooperate. Client cooperation with quality control is a program eligibility requirement as set forth in rule 441—65.3(234). When quality control determines that a client has refused to cooperate with the review process, the client is no longer eligible for the program benefits and will not be eligible for the program benefits until the client has cooperated.

This rule is intended to implement Iowa Code section 234.12.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.7(234,239B,249A,514I) Report of findings. The quality control review findings are used by the department in the following ways:

13.7(1) To take the appropriate case action where an overpayment or underpayment has been found in a client's case record.

13.7(2) To identify error-prone program issues to be used in planning a department corrective action plan.

13.7(3) To determine the error rate used to establish state agency liability.

This rule is intended to implement Iowa Code sections 234.12, 239B.4, 249A.4, and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

441—13.8(234,237A,239B,249A,514I) Federal review. A sample of cases may also be reviewed by the applicable federal agency to determine the correctness of the department's action or of the department's review of the case.

This rule is intended to implement Iowa Code sections 234.12, 237A.12, 239B.4, 249A.4, and 514I.4.

[**ARC 8067C**, IAB 6/12/24, effective 7/17/24]

CHAPTER 16
NOTICES

Chapter rescission date pursuant to Iowa Code section 17A.7: 3/26/30

441—16.1(17A) Definitions.

"Adequate notice" means any notice of decision or notice of action issued by the department or on the department's behalf that includes all the following information:

1. A description of the action taken;
2. The effective date of the action;
3. The specific reasons supporting the action, stated language likely to be understood by the average program applicant or enrollee;
4. References to applicable provisions of law supporting the action;
5. An explanation of the right to appeal; and
6. The circumstances under which assistance is continued when an appeal is filed.

"Adverse benefit determination" means any adverse action taken by the department regarding a program administered by the department or on the department's behalf, excluding department decisions about requests for waivers of administrative rules.

"Assistance program" means a program administered by the department or on the department's behalf through which qualifying individuals receive benefits or services.

"Enrollee" means any applicant for, or recipient of, benefits or services pursuant to an assistance program.

"Timely" means that the notice is sent at least ten calendar days before the date the adverse benefit determination would become effective. The timely notice period begins on the day after the notice is sent.

[**ARC 8897C**, IAB 2/19/25, effective 3/26/25]

441—16.2(17A) Notices.

16.2(1) *Written timely and adequate notice.* When required by federal or state law, the department will provide written timely and adequate notice of the right to appeal any adverse benefit determination that affects an individual who is applying for, or receiving benefits from, an assistance program. The department will also provide written timely notice of pending actions for a federal tax or debtor offset.

16.2(2) *Adequate notice.* The department will give adequate notice of the approval or denial of assistance or services and the approval or denial of a license, certification, approval, registration, or accreditation.

16.2(3) *Dispensing with timely notice.* Timely notice may be dispensed with, but adequate notice will be sent no later than the date benefits would have been issued, when:

a. There is factual information confirming the death of the enrollee or of the family investment program payee and there is no relative available to serve as a new payee.

b. The enrollee provides a clearly written, signed statement that the enrollee no longer wishes to receive assistance, or gives information that requires termination or reduction of assistance, and the enrollee has indicated, in writing, that the enrollee understands that the consequence of supplying the information is termination or reduction of assistance.

c. The enrollee has been admitted or committed to an institution that does not qualify for payment under an assistance program.

d. The enrollee has been placed in skilled nursing care, intermediate care, or long-term hospitalization.

e. The whereabouts of the enrollee are unknown and mail directed to the enrollee has been returned by the post office indicating no known forwarding address. When the whereabouts of the enrollee become known during the payment period covered by the returned warrant, the warrant will be made available to the enrollee.

f. The department establishes that the enrollee has been accepted for assistance in another state.

g. Cash assistance or the supplemental nutrition assistance program is changed because a child is removed from the home as a result of a judicial determination or is voluntarily placed in foster care.

h. A change in the level of medical care is prescribed by the enrollee's physician.

i. A special allowance or service granted for a specific period is terminated and the enrollee has been informed in writing at the time of initiation that the allowance or service will terminate at the end of the specified period.

j. The notice involves an adverse determination made with regard to the preadmission screening requirements.

k. The department terminates or reduces benefits or makes changes as described at 441—subrule 40.27(3) or rule 441—75.52(249A).

l. The department terminates benefits for failure to return a completed report form, as described in paragraph 16.3(3)*"k."*

m. The department approves or denies an application for assistance.

n. The department implements a mass change based on law or rule changes that affect a group of enrollees.

[**ARC 8897C**, IAB 2/19/25, effective 3/26/25]

TITLE II
CHAPTERS 17 to 21
Reserved

TITLE III
MENTAL HEALTH

CHAPTER 22
AUTISM SUPPORT PROGRAM

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/31

441—22.1(225D) Definitions.

"Administrator" means the entity selected by the department through a request for proposal process or other contractual arrangement to administer the autism support program.

"Applicant" means an individual on whose behalf an application has been submitted but who has not been identified as an eligible individual or an individual who has received a denial of eligibility for the program.

"Applied behavior analysis" or *"ABA"* means the same as described in Iowa Code section 225D.1.

"Autism" means "autism spectrum disorder" as defined in Iowa Code section 514C.28.

"Autism service provider" means the same as defined in Iowa Code section 225D.1.

"Autism support fund" or *"fund"* means the autism support fund created in Iowa Code section 225D.2.

"Autism support program" or *"program"* means the program created in Iowa Code section 225D.2 to provide funding for applied behavior analysis and care coordination for eligible individuals with a diagnosis of autism.

"Care coordination" means the coordination of services performed by the regional autism assistance program under Iowa Code section 256.35.

"Clinically relevant" means the same as defined in Iowa Code section 225D.1.

"Diagnostic assessment of autism" means the same as defined in Iowa Code section 225D.1.

"Eligible individual" means the same as defined in Iowa Code section 225D.1.

"Federal poverty level" or *"FPL"* means the same as defined in Iowa Code section 225D.1.

"Household income" means household income, reported on the tax return on which the eligible individual is claimed as a dependent, as determined using the modified adjusted gross income methodology pursuant to Section 2002 of the federal Patient Protection and Affordable Care Act, Public Law 111-148 as amended to August 1, 2026. If the eligible individual's parents live together and file separate tax returns, the income reported on both parents' tax returns must be combined.

"Household size" means the total number of personal and dependent exemptions claimed on the tax return on which the eligible individual is claimed as a dependent plus any child under the age of 19 living in the household who is claimed for tax purposes by a noncustodial parent through a release of claim to exemption by the custodial parent.

"Maximum amount of treatment" means a maximum of 24 months of applied behavior analysis funded by the autism support program. Months of service are not required to be consecutive.

"Maximum annual benefit" means a maximum annual benefit amount of $36,000 per year for autism support program services for an eligible individual. For the purposes of this program, the annual benefit is calculated by using as a starting date the date the first service is reimbursed by the program and an ending date 12 months from the starting date. Expenditures included in the calculation of the maximum annual benefit include reimbursements to autism service providers for provision of applied behavior analysis. Cost-sharing paid by the eligible individual is not included in the calculation of the individual's annual benefit.

"Medical assistance" or *"Medicaid"* means assistance provided under the medical assistance program pursuant to Iowa Code chapter 249A and Title XIX of the Social Security Act as amended to August 1, 2026.

"Month of service" means any month in which an individual receives at least one billable unit of applied behavior analysis service funded by the autism support program.

"Provider network" means a network of autism service providers approved by the department to provide services to eligible individuals through the autism support program.

"Regional autism assistance program" or *"RAP"* means the program outlined in Iowa Code section 256.35.

"Treatment plan" means the same as defined in Iowa Code section 225D.1.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.2(225D) Eligibility and application requirements. To be determined eligible for funding for services through the autism support program, an individual must meet the following requirements:

22.2(1) An individual shall submit an application to the department using a standardized application form available through the administrator's and the department's websites and from members of the provider network, RAP, and advocacy organizations.

22.2(2) An applicant for autism program services shall be less than the age of 14 at the time of application for the program. Proof of age must be provided at the time of application. An individual who reaches the age of 14 prior to receipt of the maximum benefits of the program may continue to receive services from the program in accordance with the individual's treatment plan, up to a maximum of 24 months of applied behavior analysis treatment.

22.2(3) An individual shall have a diagnosis of autism based on a diagnostic assessment of autism dated 24 months or less from the date of application for the program.

22.2(4) An individual shall be determined ineligible for coverage of applied behavior analysis services under the medical assistance program, Iowa Code section 514C.28 or 514C.31, or other private insurance coverage. Proof of insurance coverage and noneligibility for coverage for applied behavior analysis shall be provided at the time of application and shall include a written denial of coverage or a benefits summary indicating that the applied behavior analysis treatment or applied behavior analysis treatment is not a covered benefit for which the applicant is eligible under the Medicaid program, Iowa Code section 514C.28 or 514C.31, or other private insurance coverage.

22.2(5) An individual shall have a household income equal to or less than 500 percent of the federal poverty level. Information needed to determine household income using modified adjusted gross income methodology shall be identified on the program application. Household size will be determined according to the standards in this chapter. The information shall be provided at the time of application.

22.2(6) The department will provide to the parent or guardian a written notice of decision determining initial eligibility or denial within 30 calendar days of receipt of the application.

22.2(7) The department will refer an applicant determined to be an eligible individual to care coordination services. The referral will occur within five business days of determination of eligibility for the program. Care coordination services will be provided by RAP. Care coordination is not required as a condition of receiving services through the autism support program.

22.2(8) The department will provide information to an applicant determined to be an eligible individual regarding all available administrators. The eligible individual may choose any available administrator.

22.2(9) The administrator shall maintain a list of individuals determined eligible for the program but unable to access services due to lack of available providers and shall work to connect eligible individuals on the list to network providers.

22.2(10) The department will stop processing applications at the point where available funds are fully obligated for eligible individuals and additional eligible individuals would cause expenditures in excess of the funds available to the program. The department will maintain a waiting list of individuals denied access to the program due to lack of available funds. If additional funds become available, the department will contact individuals on the list in order of the earliest date and time of the receipt of the original application. The applicant will be allowed 30 calendar days to submit an updated application and any required information needed to determine eligibility. If the applicant does not submit required information, the applicant will be denied eligibility and removed from the waiting list maintained for individuals denied access to the program due to lack of funding. The age of the applicant at the time of the most recent application will be used when determining eligibility for the program.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.3(225D) Cost-sharing requirements and graduated schedule of cost sharing.

22.3(1) An individual with a household income equal to or greater than 200 percent of the federal poverty level, up to a maximum of 500 percent of the federal poverty level, will be subject to cost-sharing requirements. Cost sharing will be implemented incrementally up to a maximum of 15 percent of the costs of the services provided through the program for an individual with a household income equal to 500 percent of the federal poverty level. The following is a chart of the cost-sharing requirements:

Family income as a % of FPL	% of cost sharing of service costs	Family income as a % of FPL	% of cost sharing of service costs
200–209%	0.5%	350–359%	8.0%
210–219%	1.0%	360–369%	8.5%
220–229%	1.5%	370–379%	9.0%
230–239%	2.0%	380–389%	9.5%
240–249%	2.5%	390–399%	10.0%
250–259%	3.0%	400–409%	10.5%
260–269%	3.5%	410–419%	11.0%
270–279%	4.0%	420–429%	11.5%
280–289%	4.5%	430–439%	12.0%
290–299%	5.0%	440–449%	12.5%
300–309%	5.5%	450–459%	13.0%
310–319%	6.0%	460–469%	13.5%
320–329%	6.5%	470–479%	14.0%
330–339%	7.0%	480–489%	14.5%
340–349%	7.5%	490–500%	15.0%

22.3(2) An individual may request an exemption from cost sharing due to financial hardship. To qualify for an exemption, an individual shall submit written documentation to the department that the individual or the individual's family does not have the financial means to fulfill cost-sharing requirements.

22.3(3) Criteria to determine financial hardship include but are not limited to a change in income, change in employment of the parent or guardian, additional medical expenditures, other family members' health conditions, or other conditions that may affect the ability to fulfill cost-sharing requirements. The department will provide a written determination regarding eligibility for exemption from cost-sharing requirements. Eligibility for exemption from cost sharing expires at the end of the financial eligibility period.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.4(225D) Review of financial eligibility, cost-sharing requirements, exemption from cost sharing, and disenrollment in the program.

22.4(1) An eligible individual's continued financial eligibility for the program, cost-sharing requirements, and exemption from cost sharing will be determined on an annual basis.

22.4(2) The administrator shall request needed information from the eligible individual's parent or guardian for redetermination of financial eligibility, cost-sharing requirements, and exemption from cost sharing at least 30 days prior to the expiration of the eligible individual's eligibility period. The notice requesting information needed for renewal of eligibility shall include the ending date of eligibility for services.

22.4(3) The department will provide a written notice of decision determining ongoing eligibility or denial within 15 calendar days of receipt of the continued financial eligibility documentation.

22.4(4) If the signed application and verification of continuing eligibility are not received by the department by the last working day of the renewal month, the individual's eligibility for the program will be terminated.

22.4(5) Reasons for disenrollment in the autism support program include:

a. Death of the eligible individual.

b. The family no longer meets one or more of the eligibility criteria outlined in rule 441—22.2(225D).

c. The parent or legal guardian has failed to provide information required for redetermination of eligibility.

d. The eligible individual has failed to access authorized services for a period of three consecutive months and has not made arrangements with the autism service provider or administrator to access authorized services.

e. No funds are appropriated for the autism support program.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.5(225D) Initial-service authorization and renewal-of-service authorization.

22.5(1) All services reimbursed through the program shall be prior-authorized by the administrator.

22.5(2) An autism service provider shall submit an initial treatment plan to the administrator specifying a plan of treatment for a period of no more than six months. The initial treatment plan shall specify the amount of units of applied behavior analysis services requested for the eligible individual and include a baseline standardized assessment score.

22.5(3) Family engagement and participation are required for participation in the autism support program. Treatment plans shall identify specific activities and responsibilities of parents or guardians in the treatment plan.

22.5(4) The treatment plan shall reflect the autism service provider's engagement with the school in which the eligible individual is enrolled. Treatment plans shall identify specific actions taken by the autism service provider to engage the eligible individual's school and the results of such actions.

22.5(5) The treatment plan may include services provided by staff with a minimum of a bachelor's degree, or a registered behavior technician, both of whom provide treatment under the supervision of a behavior analyst or assistant behavior analyst licensed pursuant to Iowa Code chapter 154D.

22.5(6) For renewal or modification of service authorizations, the autism service provider shall submit an updated plan of treatment with a request for the number of units of applied behavior analysis the provider believes is medically necessary to address the eligible individual's ongoing treatment needs. The autism service provider shall also provide evidence of the eligible individual's progress on identified treatment goals. The administrator shall consider the eligible individual's updated standardized assessment score along with other clinical information when reviewing requests for renewal or modification of service authorizations. Ongoing service authorization requests shall not exceed six months in duration.

22.5(7) The administrator shall provide approval, request for modification, or denial within ten business days of receipt of all service authorization requests.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.6(225D) Provider network. The administrator shall establish and maintain a network of department-approved autism service providers so that applied behavior analysis services are available to eligible individuals statewide to the maximum extent possible.

22.6(1) A provider shall be approved to participate in the autism support program provider network if the provider meets one of the following standards and is approved to provide applied behavior analysis services through Medicaid:

a. The autism service provider is a behavior analyst licensed under Iowa Code chapter 154D; or

b. The autism service provider is a psychologist licensed under Iowa Code chapter 154B; or

c. The autism service provider is a psychiatrist licensed under Iowa Code chapter 148.

22.6(2) The administrator's provider network shall accept the rate established by the department through the department's contract with the administrator as payment in full for the services rendered and will not charge eligible individuals any additional fees for services rendered, except for those eligible individuals who are required to pay a portion of the cost of services due to cost-sharing requirements.

22.6(3) The department is responsible for calculating the cost-sharing amount according to standards established in this chapter.

22.6(4) The autism service provider is responsible for collecting the cost-sharing amount from the eligible individual and will only be reimbursed by the administrator for the balance of the service fee minus the amount of cost sharing.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.7(225D) Financial management of the program.

22.7(1) The department will:

a. Not take new applications for the program that would cause expenditures of the program to exceed the budgeted amount.

b. Limit expenditure of program funds to services for those individuals determined to be eligible individuals and for related administrative costs.

c. Allocate available funds for eligible individuals' services in a manner that allows for funding for all eligible individuals' services authorized by the administrator without exceeding the department's funding limits.

22.7(2) The administrator shall:

a. Limit annual expenditures for each eligible individual to the amount identified in Iowa Code section 225D.2(2)*"a."*

b. Limit length of service through the program to the amount identified in Iowa Code section 225D.2(2)*"b."*

c. Limit payment for applied behavior analysis services to an hourly or equivalent quarter-hour unit rate that is equal to the contracted rate currently paid by Medicaid for applied behavior analysis services.

d. Not provide financial compensation to RAP for care coordination services.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

441—22.8(225D) Appeal. Notice of adverse action shall be given in accordance with 441—Chapter 16. The right to appeal shall be given in accordance with 441—Chapter 2506.

[**ARC 0260D**, IAB 5/13/26, effective 7/1/26]

These rules are intended to implement Iowa Code chapter 225D.

CHAPTER 23
MENTAL HEALTH AND DISABILITY SERVICES REDESIGN TRANSITION FUND

Rescinded **ARC 4610C**, IAB 8/14/19, effective 9/18/19

CHAPTER 24
ACCREDITATION OF PROVIDERS OF SERVICES TO PERSONS WITH MENTAL ILLNESS, INTELLECTUAL DISABILITIES, OR DEVELOPMENTAL DISABILITIES

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

PREAMBLE

The mental health and disability services commission has adopted this set of standards to be met by all providers of services to people with mental illness, intellectual disabilities, or developmental disabilities. These standards apply to providers that are not required to be licensed by the department of inspections and appeals. These providers include community mental health centers, mental health services providers, case management providers, supported community living providers, and crisis response providers in accordance with Iowa Code chapter 225C.

The standards serve as the foundation of a performance-based review of those organizations for which the department holds accreditation responsibility, as set forth in Iowa Code chapters 225C and 230A. The mission of accreditation is to assure individuals using the services and the general public of organizational accountability for meeting best practices performance levels, for efficient and effective management, and for the provision of quality services that result in quality outcomes for individuals using the services.

The department's intent is to establish standards that are based on the principles of quality improvement and are designed to facilitate the provision of excellent quality services that lead to positive outcomes. The intent of these standards is to make organizations providing services responsible for effecting efficient and effective management and operational systems that enhance the involvement of individuals using the services and to establish a best practices level of performance by which to measure provider organizations.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

DIVISION I
SERVICES FOR INDIVIDUALS WITH DISABILITIES

PREAMBLE

This set of standards in this division has been established to be met by all providers of case management, day treatment, intensive psychiatric rehabilitation, supported community living, partial hospitalization, outpatient counseling and emergency services.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.1(225C) Definitions.

"Accreditation" means the decision made by the division that the organization has met the applicable standards.

"Advanced registered nurse practitioner" means a nurse who has current licensure as a registered nurse in Iowa, or licensure in another state that is recognized in Iowa pursuant to Iowa Code chapter 152E, and who is also registered as certified in psychiatric mental health specialties pursuant to board of nursing rules in 655—Chapter 7.

"Advisory board" means the board that reviews and makes recommendations to the organization on the program being accredited. The advisory board shall meet at least three times a year and shall have at least three members, at least 51 percent of whom are not providers. The advisory board shall include representatives who have disabilities or family members of persons with disabilities. The advisory board's duties include review and recommendation of policies, development and review of the organizational plan for the program being accredited, review and recommendation of the budget for the program being accredited, and review and recommendation of the performance improvement program of the program being accredited.

"Anticipated discharge plan" means the statement of the condition or circumstances by which the individual using the service would no longer need each of the specific services accredited under this chapter.

"Appropriate" means the degree to which the services or supports or activities provided or undertaken by the organization are suitable and desirable for the needs, situation, or problems of the individual using the service.

"Assessment" means the review of the current functioning of the individual using the service in regard to the individual's situation, needs, strengths, abilities, desires and goals.

"Benchmarks" means the processes of an organization that lead to implementation of the indicators.

"Chronic mental illness" means the condition present in people aged 18 and over who have a persistent mental or emotional disorder that seriously impairs their functioning relative to such primary aspects of daily living as personal relations, living arrangements, or employment. People with chronic mental illness typically meet at least one of the following criteria:

1. They have undergone psychiatric treatment more intensive than outpatient care more than once in a lifetime (e.g., emergency services, alternative home care, partial hospitalization or inpatient hospitalization).
2. They have experienced at least one episode of continuous, structured, supportive residential care other than hospitalization.

In addition, people with chronic mental illness typically meet at least two of the following criteria on a continuing or intermittent basis for at least two years:

1. They are unemployed, employed in a sheltered setting, or have markedly limited skills and a poor work history.
2. They require financial assistance for out-of-hospital maintenance and may be unable to procure this assistance without help.
3. They show severe inability to establish or maintain a personal social support system.
4. They require help in basic living skills.
5. They exhibit inappropriate social behavior that results in demand for intervention by the mental health or judicial system.

In atypical instances, a person who varies from these criteria could still be considered to be a person with chronic mental illness.

"Commission" means the mental health and disability services commission (MHDS commission) as established and defined in Iowa Code section 225C.5.

"Community" means a natural setting where people live, learn, work, and socialize.

"Community mental health center" or *"CMHC"* means an organization providing mental health services that is established pursuant to Iowa Code chapters 225C and 230A and accredited in accordance with Division III of this chapter.

"Crisis intervention plan" means a personalized, individualized plan developed with the individual using the service that identifies potential personal psychiatric, environmental, and medical emergencies. This plan shall also include those life situations identified as problematic and the identified strategies and natural supports developed with the individual using the service to enable the individual to self-manage, alleviate, or end the crisis. This plan shall also include how the individual can access emergency services that may be needed.

"Deemed status" means acceptance by the division of accreditation or licensure of a program or service by another accrediting body in lieu of accreditation based on review and evaluation by the division.

"Department" means the Iowa department of human services.

"Developmental disability" means a severe, chronic disability that:

1. Is attributable to a mental or physical impairment or combination of mental and physical impairments;
2. Is manifested before the age of 22;
3. Is likely to continue indefinitely;
4. Results in substantial functional limitations in three or more of the following areas of major life activity: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency; and

5. Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

A person from birth to the age of nine, inclusive, who has a substantial developmental delay or specific congenital or acquired condition may be considered to have a developmental disability without meeting three or more of the criteria described above if the person, without services and supports, has a high probability of meeting those criteria later in life.

"Direct services" means services providing therapy, habilitation, or rehabilitation activities or support services such as transportation.

"Division" means the division of mental health and disability services, community, of the department of human services.

"Doctor of medicine or osteopathic medicine" means a person who is licensed in the state of Iowa under Iowa Code chapter 148 as a physician and surgeon or under Iowa Code chapter 150A as an osteopathic physician and surgeon.

"Functional assessment" means the analysis of daily living skills. The functional assessment also takes into consideration the strengths, stated needs, and level and kind of disability of the individual using the service.

"Goal achieving" means to gain the required skills and supports to obtain the goal of choice. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

"Goal keeping" means assisting the individual using the service in maintaining successful and satisfying role performance to prevent the emergence of symptoms associated with role deterioration. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

"Incident," for the purposes of this chapter, means an occurrence involving the individual using the service that:

1. Results in a physical injury to or by the individual that requires a physician's treatment or admission to a hospital, or
2. Results in someone's death, or
3. Requires emergency mental health treatment for the individual, or
4. Requires the intervention of law enforcement, or
5. Results from any prescription medication error, or
6. Is reportable to protective services.

"Indicators" means conditions that will exist when the activity is done competently and benchmarks are achieved. Indicators also provide a means to assess the activity's effect on outcomes of services.

"Informed consent" refers to time-limited, voluntary consent. The individual using the service or the individual's legal guardian may withdraw consent at any time without risk of punitive action. "Informed consent" includes a description of the treatment and specific procedures to be followed, the intended outcome or anticipated benefits, the rationale for use, the risks of use and nonuse, and the less restrictive alternatives considered. The individual using the service or the legal guardian has the opportunity to ask questions and have them satisfactorily answered.

"Intellectual disability" means a diagnosis of intellectual disability (intellectual developmental disorder), global developmental delay, or unspecified intellectual disability (intellectual developmental disorder) under these rules which shall be made only when the onset of the person's condition was during the developmental period and shall be based on an assessment of the person's intellectual functioning and level of adaptive skills. A licensed psychologist or psychiatrist who is professionally trained to administer the tests required to assess intellectual functioning and to evaluate a person's adaptive skills shall make the diagnosis. A diagnosis of intellectual disability shall be made in accordance with the criteria provided in the current version of the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association.

"Intensive psychiatric rehabilitation practitioner" means a person who has at least 60 contact hours of training in intensive psychiatric rehabilitation and either:

1. Is certified as a psychiatric rehabilitation practitioner by the United States Psychiatric Rehabilitation Association; or

2. Holds a bachelor's degree with 30 semester hours or equivalent quarter hours in a human services field (including, but not limited to, psychology, social work, mental health counseling, marriage and family therapy, nursing, education, occupational therapy, and recreational therapy) and has at least one year of experience in the delivery of services to the population groups that the person is hired to serve.

"Leadership" means the governing board, the chief administrative officer or executive director, managers, supervisors, and clinical leaders who participate in developing and implementing organizational policies, plans and systems.

"Marital and family therapist" means a person who is licensed under Iowa Code chapter 154D in the application of counseling techniques in the assessment and resolution of emotional conditions. This includes the alteration and establishment of attitudes and patterns of interaction relative to marriage, family life, and interpersonal relationships.

"Mental health counselor" means a person who is licensed under Iowa Code chapter 154D in counseling services involving assessment, referral, consultation, and the application of counseling, human development principles, learning theory, group dynamics, and the etiology of maladjustment and dysfunctional behavior to individuals, families, and groups.

"Mental health professional" means a person who meets all of the following conditions:

1. Holds at least a master's degree in a mental health field including, but not limited to, psychology, counseling and guidance, psychiatric nursing and social work; or is a doctor of medicine or osteopathic medicine; and

2. Holds a current Iowa license when required by the Iowa professional licensure laws (such as a psychiatrist, a psychologist, a marital and family therapist, a mental health counselor, an advanced registered nurse practitioner, a psychiatric nurse, or a social worker); and

3. Has at least two years of postdegree experience supervised by a mental health professional in assessing mental health problems, mental illness, and service needs and in providing mental health services.

"Mental health service provider" means an organization whose services are established to specifically address mental health services to individuals or the administration of facilities in which these services are provided. Organizations included are:

1. Those contracting with a county board of supervisors to provide mental health services in lieu of that county's affiliation with a community mental health center (Iowa Code chapter 230A).

2. Those that may contract with a county board of supervisors for special services to the general public or special segments of the general public and that are not accredited by any other accrediting body.

These standards do not apply to individual practitioners or partnerships of practitioners covered under Iowa's professional licensure laws.

"Natural supports" means those services and supports an individual using the service identifies as wanted or needed that are provided at no cost by family, friends, neighbors, and others in the community, or by organizations or entities that serve the general public.

"New organization" means an entity that has never been accredited under 441—Chapter 24 or an accredited entity under 441—Chapter 24 that makes a significant change in its ownership, structure, management, or service delivery.

"Organization" means:

1. A governmental entity or an entity that meets Iowa Code requirements for a business organization as a for-profit or not-for-profit business. These entities include, but are not limited to, a business corporation under Iowa Code chapter 490 or a nonprofit corporation under Iowa Code chapter 504 that provides a service accredited pursuant to the rules in this chapter.

2. A county, consortium of counties, or the department of human services that provides or subcontracts for the provision of case management.

3. A division or unit of a larger entity, such as a unit within a hospital or parent organization.

"Organization" does not include: an individual for whom a license to engage in a profession is required under Iowa Code section 147.2, any person providing a service if the person is not organized

as a corporation or other business entity recognized under the Iowa Code, or an entity that provides only financial, administrative, or employment services and that does not directly provide the services accredited under this chapter.

"Outcome" means the result of the performance or nonperformance of a function or process or activity.

"Policies" means the principles and statements of intent of the organization.

"Procedures" means the steps taken to implement the policies of the organization.

"Program" means a set of related resources and services directed to the accomplishment of a fixed set of goals for the population of a specified geographic area or for special target populations.

"Psychiatric crisis intervention plan" means a personalized, individualized plan developed with the individual using the service that identifies potential personal psychiatric emergencies. This plan shall also include those life situations identified as problematic and the identified strategies and natural supports developed with the individual using the service to enable the individual to self-manage, alleviate, or end the crisis. This plan shall also include how the individual can access emergency services that may be needed.

"Psychiatric nurse" means a person who meets the requirements of a certified psychiatric nurse, is eligible for certification by the American Nursing Association, and is licensed by the state of Iowa to practice nursing as defined in Iowa Code chapter 152.

"Psychiatrist" means a doctor of medicine or osteopathic medicine who is certified by the American Board of Psychiatry and Neurology or who is eligible for certification and who is fully licensed to practice medicine in the state of Iowa.

"Psychologist" means a person who:

1. Is licensed to practice psychology in the state of Iowa or meets the requirements of eligibility for a license to practice psychology in the state of Iowa as defined in Iowa Code chapter 154B; or

2. Is certified by the Iowa department of education as a school psychologist or is eligible for certification by the Iowa department of education.

"Qualified case managers and supervisors" means people who have the following qualifications:

1. A bachelor's degree with 30 semester hours or equivalent quarter hours in a human services field (including, but not limited to, psychology, social work, mental health counseling, marriage and family therapy, nursing, education, occupational therapy, and recreational therapy) and at least one year of experience in the delivery of services to the population groups that the person is hired as a case manager or case management supervisor to serve; or

2. An Iowa license to practice as a registered nurse and at least three years of experience in the delivery of services to the population group the person is hired as a case manager or case management supervisor to serve.

People employed as case management supervisors on or before August 1, 1993, who do not meet these requirements shall be considered to meet these requirements as long as they are continuously employed by the same case management provider.

"Readiness assessment" means a process of involving the individual using the service in clarifying motivational readiness to participate in the recovery process. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

"Readiness development" means services designed to develop or increase an individual's interest, motivation, and resolve to engage in the rehabilitation services process, as a means of enhancing independent functioning and quality of life. For purposes of this chapter, the definition and explanation are taken from the Psychiatric Rehabilitation Practitioner Tools, as developed by the Boston Center for Psychiatric Rehabilitation.

"Registered nurse" means a person who is licensed to practice nursing in the state of Iowa as defined in Iowa Code chapter 152.

"Rehabilitation services" means services designed to restore, improve, or maximize the individual's optimal level of functioning, self-care, self-responsibility, independence and quality of life and to minimize impairments, disabilities and dysfunction caused by a serious and persistent mental or emotional disability.

"Rights restriction" means limitations not imposed on the general public in the areas of communication, mobility, finances, medical or mental health treatment, intimacy, privacy, type of work, religion, place of residence, and people with whom the individual using the service may share a residence.

"Serious emotional disturbance" means a diagnosable mental, behavioral, or emotional disorder that (1) is of sufficient duration to meet diagnostic criteria for the disorder specified by the current version of the Diagnostic and Statistical Manual of Mental Disorders (DSM) published by the American Psychiatric Association; and (2) has resulted in a functional impairment that substantially interferes with or limits a consumer's role or functioning in family, school, or community activities. "Serious emotional disturbance" shall not include neurodevelopmental disorders, substance-related disorders, or conditions or problems classified in the current version of the DSM as "other conditions that may be a focus of clinical attention," unless those conditions co-occur with another diagnosable serious emotional disturbance.

"Service plan" means an individualized goal-oriented plan of services written in language understandable by the individual using the service and developed collaboratively by the individual and the organization.

"Staff" means people paid by the organization to perform duties and responsibilities defined in the organization's policies and procedures.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14; **ARC 2164C**, IAB 9/30/15, effective 10/1/15; **ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.2(225C) Standards for policy and procedures.

24.2(1) *Performance benchmark.* The organization has written policy direction for the organization and each service being accredited.

24.2(2) *Performance indicators.*

a. The organization has a policies and procedures manual with policy guidelines and administrative procedures for all organizational activities and services specific to its organization that addresses the standards in effect at the time of review.

b. The policies and procedures cover each benchmark and indicator in this chapter.

c. The policies and procedures manual is made available to all staff.

441—24.3(225C) Standards for organizational activities.

24.3(1) *Performance improvement system.*

a. Performance benchmark. The organization has a systematic, organizationwide, planned approach to designing, measuring, evaluating, and improving the level of its performance.

b. Performance indicators. The organization:

(1) Annually measures and assesses organizational activities and services accredited in this chapter.

(2) Gathers information from individuals using the services, from staff, and from family members.

(3) Implements an internal review of individual records for those services accredited under this chapter. For outpatient psychotherapy and counseling services, the organization:

1. Reviews the individual's involvement in and with treatment.

2. Ensures that treatment activities are documented and are relevant to the diagnosis or presenting problem.

(4) Reviews the organization's response to incidents reported under subrule 24.4(5) for necessity, appropriateness, effectiveness and prevention. This review includes analysis of incident data at least annually to identify any patterns of risk to the health and safety of consumers.

(5) Reviews the organization's response to any situation that poses a danger or threat to staff or to individuals using the services for necessity, appropriateness, effectiveness, and prevention.

(6) Identifies areas in need of improvement.

(7) Has a plan to address the areas in need of improvement. Where applicable, the organization establishes a plan to resolve the problem of patients missing appointments.

(8) Implements the plan and documents the results.

24.3(2) *Leadership.*

a. Performance benchmark. Organization leaders provide the framework for the planning, designing, directing, coordination, provision and improvement of services that are responsive to the individuals using the services and the community served by the organization.

b. Performance indicators.

(1) There are clearly articulated mission and values statements that are reflected in the long-range organizational plans and in organization policies.

(2) The annual and long-range budgeting process involves appropriate governing and managing levels of leadership and reflects the organization's mission and values. An independent auditor or other person as provided by law performs an annual financial audit. Designated CMHCs shall submit their annual financial audit to the department.

(3) Individuals using the services or family members of individuals using the services are represented on the organization's governing board or on an advisory board.

(4) The organization's decision-making process, including policy decisions affecting the organization, reflects involvement of the various levels of leadership and responsiveness to staff.

(5) Organization leaders solicit input from leaders of the various community groups representing individuals served by the organization in designing responsive service delivery systems.

(6) Organization leaders develop and implement a service system appropriate to the needs of the individuals served by the organization.

(7) Organization leaders make educational information, resources, and service consultation available to community groups.

24.3(3) *Management information system.*

a. Performance benchmark. Information is obtained, managed, and used in an efficient and effective method to document, enhance, and improve organizational performance and service delivery.

b. Performance indicators.

(1) The organization has a system in place to maintain current individual-specific information documenting the provision and outcomes of services and treatments provided.

(2) The organization has a system in place to maintain the confidentiality and security of information that identifies specific individuals using the services, including mail, correspondence, and electronic files.

24.3(4) *Human resources.*

a. Performance benchmark. The organization provides qualified staff to support the organization's mission and facilitate the provision of quality services.

b. Performance indicators. The organization:

(1) Has a job description in the personnel file of each staff member that clearly defines responsibilities and qualifications.

(2) Has a process to verify qualifications of staff, including degrees, licenses, medication management training, and certification as required by the position, within 90 days of the staff person's employment. For staff hired after July 1, 2006, personnel files contain evidence that verification of professional licenses and college degrees at the bachelor's level or higher, as required by the position, was obtained from the primary source.

(3) Evaluates staff annually.

(4) Includes a plan for staff development for each staff member in the annual evaluation.

(5) Provides training and education to all staff relevant to their positions.

(6) Provides for approved training on child and dependent adult abuse reporter requirements to all organization staff who are mandatory abuse reporters. The organization documents in personnel records training on child and dependent adult abuse reporter requirements.

(7) Has staff members sign a document indicating that they are aware of the organization's policy on confidentiality and maintains these documents in the personnel files.

(8) Provides an initial orientation to new staff and documents this orientation in the employee's personnel file.

(9) Has mechanisms in place that afford staff the right to express concerns about a particular care issue or to file a grievance concerning a specific employment situation.

(10) Completes criminal and abuse record checks and evaluations as required in Iowa Code section 135C.33(5) before employment for any employee who meets with individuals using the services in the individuals' homes.

(11) Establishes and implements a code of ethics for all staff addressing confidentiality, individual rights, and professional and legal issues in providing services and documents in the personnel records that the code of ethics in effect at the time of review has been reviewed with each staff member.

24.3(5) *Organizational environment.*

a. Performance benchmark. The organization provides services in an organizational environment that is safe and supportive for the individuals being served and the staff providing services.

b. Performance indicators.

(1) The environment enhances the self-image of the individual using the service and preserves the individual's dignity, privacy, and self-development.

(2) The environment is safe and accessible and meets all applicable local, state, and federal regulations.

(3) The processes that service and maintain the environment and the effectiveness of the environment are reviewed within the organization's monitoring and improvement system.

(4) The organization establishes intervention procedures for behavior that presents significant risk of harm to the individual using the service or others. The interventions also ensure that the individual's rights are protected and that due process is afforded.

(5) The organization meets state and federal regulations in the way it implements the safe storage, provision, administration, and disposal of medication when used within the service.

(6) All toys and other materials used by children are clean and safe.

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.4(225C) Standards for services. Providers for the services set forth in subrules 24.4(9) through 24.4(13) shall meet the standards in subrules 24.4(1) through 24.4(8) in addition to the standards for the specific service. Providers of outpatient psychotherapy and counseling services shall also meet standards in subrules 24.4(1), 24.4(2), 24.4(4), 24.4(6), 24.4(7), and 24.4(8). Providers of emergency services or evaluation services shall meet the benchmark for the services they provide.

24.4(1) *Social history.*

a. Performance benchmark. The organization completes a social history for each individual served.

b. Performance indicators.

(1) The organization collects and documents relevant historical information and organizes the information in one distinct document.

(2) The social history includes:

1. Relevant information regarding the onset of disability.
2. Family, physical, psychosocial, behavioral, cultural, environmental, and legal history.
3. Developmental history for children.
4. Any history of substance abuse, domestic violence, or physical, emotional, or sexual abuse.

(3) Staff review and update the social history at least annually.

24.4(2) *Assessment.*

a. Performance benchmark. The organization develops a written assessment for each individual served. The assessment is the basis for the services provided to the individuals.

b. Performance indicators.

(1) The assessment includes information about the individual's current situation, diagnosis, needs, problems, wants, abilities and desired results, gathered with the individual's involvement.

(2) Staff solicit collateral provider information as appropriate to the individual situation in order to compile a comprehensive and full assessment.

(3) Staff base decisions regarding the level, type and immediacy of services to be provided, or the need for further assessment or evaluation, upon the analysis of the information gathered in the assessment.

(4) Staff complete an annual reassessment for each individual using the service and document the reassessment.

(5) Documentation supporting the diagnosis is contained in the individual's record. A diagnosis of intellectual disability is supported by a psychological evaluation conducted by a qualified professional. A diagnosis of developmental disability is supported by professional documentation. A determination of chronic mental illness is supported by a psychiatric or psychological evaluation conducted by a qualified professional.

24.4(3) *Individual service plan.*

a. Performance benchmark. Individualized, planned, and appropriate services are guided by an individual-specific service plan developed in collaboration with the individual using the service, staff, and significantly involved others as appropriate. Services are planned for and directed to where the individuals live, learn, work, and socialize.

b. Performance indicators.

(1) The service plan is based on the current assessment.

(2) The service plan identifies observable or measurable individual goals and action steps to meet the goals.

(3) The service plan includes interventions and supports needed to meet those goals with incremental action steps, as appropriate.

(4) The service plan includes the staff, people, or organizations responsible for carrying out the interventions or supports.

(5) Services defined in the service plan are appropriate to the severity level of problems and specific needs or disabilities.

(6) The plan reflects desired individual outcomes.

(7) Activities identified in the service plan encourage the ability and right of the individual using the service to make choices, to experience a sense of achievement, and to modify or continue participation in the treatment process.

(8) Staff monitor the service plan with review occurring regularly. At least annually, staff assess and revise the service plan to determine achievement, continued need, or change in goals or intervention methods. The review includes the individual using the service, with the involvement of significant others as appropriate.

(9) Staff develop a separate, individualized, anticipated discharge plan as part of the service plan that is specific to each service the individual receives.

(10) The service plan includes documentation of any rights restrictions, why there is a need for the restriction, and a plan to restore those rights or a reason why a plan is not necessary or appropriate.

24.4(4) *Documentation of service provision.*

a. Performance benchmark. Individualized and appropriate intervention services and treatments are provided in ways that support the needs, desires, and goals identified in the service plan, and that respect the rights and choices of the individual using the service.

b. Performance indicators.

(1) Staff document in the narrative the individual's participation in the treatment process.

(2) Responsible staff document the individual's progress toward goals, the provision of staff intervention, and the individual's response to those interventions.

(3) Documentation of service provision is in a legible, written format in accordance with organizational policies and procedures.

24.4(5) *Incident reports.*

a. Performance benchmark. The organization completes an incident report when organization staff first become aware that an incident has occurred.

b. Performance indicators.

(1) The organization documents the following information:

1. The name of the individual served who was involved in the incident.
2. The date and time the incident occurred.
3. A description of the incident.

4. The names of all organization staff and others who were present or responded at the time of the incident. (For confidentiality reasons, other individuals who receive services should be identified by initials or some other accepted means.)

5. The action the organization staff took to handle the situation.

6. The resolution of or follow-up to the incident.

(2) The staff who were directly involved at the time of the incident or who first became aware of the incident prepare and sign the incident report before forwarding it to the supervisor.

(3) Staff file a copy of the completed incident report in a centralized location and make a notation in the individual's file.

(4) Staff send a copy of the incident report to the individual's Medicaid targeted case manager or county case worker who is involved in funding the service and notify the individual's legal guardian within 72 hours of the incident.

24.4(6) *Confidentiality and legal status.*

a. Performance benchmark. Staff release medical and mental health information only when properly authorized.

b. Performance indicators.

(1) The organization obtains voluntary written authorization from the individual using the service, the individual's legal guardian, or other people authorized by law before releasing personal identifying information, medical records, mental health records, or any other confidential information.

(2) Staff complete voluntary written authorization forms in accordance with existing federal and state laws, rules, and regulations and maintain them in each individual file.

(3) Documentation regarding restrictions on the individual, such as guardianship, power of attorney, conservatorship, mental health commitments, or other court orders, is placed in the individual's record, if applicable.

24.4(7) *Service systems.*

a. Performance benchmark. The organization develops a clear description of each of the services offered. The organization develops an admission and discharge system of services. Staff coordinate services with other settings and providers.

b. Performance indicators.

(1) The organization has established and documented the necessary admission information to determine each individual's eligibility for participation in the service.

(2) Staff include verification in each individual's file that a service description was provided to the individual using the service and, when appropriate, to family or significant others.

(3) Continuity of services occurs through coordination among the staff and professionals providing services. Coordination of services through linkages with other settings and providers has occurred, as appropriate.

(4) Staff include a written discharge summary in each individual record at the time of discharge.

24.4(8) *Respect for individual rights.*

a. Performance benchmark. Each individual using the service is recognized and respected in the provision of services, in accordance with basic human, civil, and statutory rights.

b. Performance indicators.

(1) Staff provide services in ways that respect and enhance the individual's sense of autonomy, privacy, dignity, self-esteem, and involvement in the individual's own treatment. Staff take language barriers, cultural differences, and cognitive deficits into consideration and make provisions to facilitate meaningful individual participation.

(2) Staff inform individuals using the service and, when appropriate, family and significant others of their rights, choices, and responsibilities.

(3) The organization has a procedure established to protect the individuals using the service during any activities, procedure or research that requires informed consent.

(4) The organization verifies that individuals using the service and their guardians are informed of the process to express questions, concerns, complaints, or grievances about any aspect of the individual's service, including the appeal process.

(5) The organization provides the individuals and their guardians the right to appeal the application of policies, procedures, or any staff action that affects the individual using the service. The organization has established written appeal procedures and a method to ensure that the procedures and appeal process are available to individuals using the service.

(6) All individuals using the service, their legal representatives, and other people authorized by law have access to the records of the individual using the service in accordance with state and federal laws and regulations.

24.4(9) *Case management services.* "Case management services" means those services established pursuant to Iowa Code section 225C.20.

a. Performance benchmark. Case management services link individuals using the service to service agencies and support systems responsible for providing the necessary direct service activities and coordinate and monitor those services.

b. Performance indicators.

(1) Staff clearly define the need for case management and document it annually.

(2) At a minimum, the team is composed of the individual using the service, the case manager, and providers or natural supports relevant to the individual's service needs. The team may also include family members, at the discretion of the individual using the service.

(3) The team works with the individual using the service to establish the service plan that guides and coordinates the delivery of the services.

(4) The case manager advocates for the individual using the service.

(5) The case manager coordinates and monitors the services provided to the individual using the service.

(6) Documentation of contacts includes the date, the name of the individual using the service, the name of the case manager, and the place of service.

(7) The case manager holds individual face-to-face meetings at least quarterly with the individual using the service.

(8) Case managers do not provide direct services. Individuals using the service are linked to appropriate resources, which provide necessary direct services and natural supports.

(9) Individuals using the service participate in developing an individualized crisis intervention plan that includes natural supports and self-help methods.

(10) Documentation shows that individuals using the service are informed about their choice of providers as provided in the county management plan.

(11) Within an accredited case management program, the average caseload is no more than 45 individuals per each full-time case manager. The average caseload of children with serious emotional disturbance is no more than 15 children per full-time case manager.

(12) The case manager communicates with the team and then documents in the individual's file a quarterly review of the individual's progress toward achieving the goals.

24.4(10) *Day treatment services.* "Day treatment" means an individualized service emphasizing mental health treatment and intensive psychosocial rehabilitation activities designed to increase the individual's ability to function independently or facilitate transition from residential placement. Staff use individual and group treatment and rehabilitation services based on individual needs and identified behavioral or mental health issues.

a. Performance benchmark. Individuals using the service who are experiencing a significantly reduced ability to function in the community are stabilized and improved by the receipt of psychosocial rehabilitation, mental health treatment services, and in-home support services, and the need for residential or inpatient placement is alleviated.

b. Performance indicators.

(1) Individuals using the service participate with the organizational staff in identifying the problem areas to be addressed and the goals to be achieved that are based on the individual's need for services.

(2) Individuals using the service receive individualized services designed to focus on those identified mental health or behavioral issues that are causing significant impairment in their day-to-day functioning.

(3) Individuals who receive intensive outpatient and day treatment services receive a comprehensive and integrated schedule of recognized individual and group treatment and rehabilitation services.

(4) Individuals using the service and staff review their progress in resolving problems and achieving goals on a frequent and regular basis.

(5) Individuals using the service receive services appropriate to defined needs and current risk factors.

(6) Individuals using the service receive services from staff who are appropriately qualified and trained to provide the range and intensity of services required by the individual's specific problems or disabilities. A mental health professional provides or directly supervises the provision of treatment services.

(7) Individuals using the service participate in discharge planning that focuses on coordinating and integrating individual, family, and community and organization resources.

(8) Family members of individuals using the service are involved in the planning and provision of services, as appropriate and as desired by the individual.

(9) Individuals using the service participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

24.4(11) *Intensive psychiatric rehabilitation services.* "Intensive psychiatric rehabilitation services" means services designed to restore, improve, or maximize level of functioning, self-care, responsibility, independence, and quality of life; to minimize impairments, disabilities, and disadvantages of people who have a disabling mental illness; and to prevent or reduce the need for services in a hospital or residential setting. Services focus on improving personal capabilities while reducing the harmful effects of psychiatric disability, resulting in an individual's recovering the ability to perform a valued role in society.

a. Performance benchmark. Individuals using the service who are experiencing a significantly reduced ability to function in the community due to a disability are stabilized and experience role recovery by the receipt of intensive psychiatric rehabilitation services.

b. Performance indicators.

(1) Individuals using the service receive services from staff who meet the definition of intensive psychiatric rehabilitation practitioner. The intensive psychiatric rehabilitation supervisor has at least a bachelor's degree in a human services field and 60 hours of training in intensive psychiatric rehabilitation.

(2) Individuals using the service receive four to ten hours per week of recognized psychiatric rehabilitation services. All services are provided for an identified period.

(3) Whenever possible, intensive psychiatric rehabilitative services are provided in natural settings where individuals using the service live, learn, work, and socialize.

(4) Significantly involved others participate in the planning and provision of services as appropriate and as desired by the individual using the service.

(5) Individuals using the service participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

(6) A readiness assessment is initially completed with staff to assist the individual in choosing a valued role and environment. The readiness assessment culminates in a score that documents the individual's motivational readiness.

(7) During the readiness development phase, staff document monthly in the individual's file changes in the individual's motivational readiness to choose valued roles and environments.

(8) During the goal-choosing phase, staff and the individual identify personal criteria, describe alternative environments, and choose the goal. These activities are documented in the individual's file.

(9) During the goal-achieving phase, the functional assessment and resource assessment are completed. Skill programming or skill teaching takes place. These activities are documented in the individual's file.

(10) During goal keeping, individuals using the service participate in discharge planning that focuses on coordinating and integrating individual, family, community, and organization resources for successful community tenure and the anticipated end of psychiatric rehabilitation services. Staff document increases in skill acquisition and skill competency.

(11) Staff document any positive changes in environmental status, such as moving to a more independent living arrangement, enrolling in an education program, getting a job, or joining a community group.

(12) On an ongoing basis and at discharge, staff or the individual using the service documents the level of individual satisfaction with intensive psychiatric rehabilitation services in each individual's file.

24.4(12) *Supported community living services.* "Supported community living services" means those services provided to individuals with a mental illness, mental retardation, or developmental disability to enable them to develop supports and learn skills that will allow them to live, learn, work and socialize in the community. Services are individualized, need- and abilities-focused, and organized according to the following components: outreach to appropriate support or treatment services; assistance and referral in meeting basic human needs; assistance in housing and living arrangements; crisis intervention and assistance; social and vocational assistance; the provision of or arrangement for personal, environmental, family, and community supports; facilitation of the individual's identification and development of natural support systems; support, assistance, and education to the individual's family and to the community; protection and advocacy; and service coordination.

These services are to be provided by organizational staff or through linkages with other resources and are intended to be provided in the individual's home or other natural community environment where the skills are learned or used. Supported community living is not part of an organized mental health support or treatment group, drop-in center, or clubhouse. Skill training groups may be one of the activities in the service plan and part of supported community living. Skill training groups cannot stand alone as a supported community living service.

a. Performance benchmark. Individuals using the service live, learn, work, and socialize in the community.

b. Performance indicators.

(1) Individuals receive services within their home and community setting where the skills are learned or used.

(2) At intake, the individuals using the service participate in a functional assessment to assist in defining areas of service need and establishing a service plan. Staff summarize the findings of the functional assessment in a narrative that describes the individual's current level of functioning in the areas of living, learning, working, and socialization. Staff review functional assessments on a regular basis to determine progress.

(3) Individuals using the service receive skill training and support services directed to enabling them to regain or attain higher levels of functioning or to maximize functioning in the current goal areas.

(4) Services are delivered on an individualized basis in the place where the individual using the service lives or works.

(5) Documentation that steps have been taken to encourage the use of natural supports and develop new ones is in the individual file.

(6) Individuals using the service participate in developing a detailed individualized crisis intervention plan that includes natural supports and self-help methods.

24.4(13) *Partial hospitalization services.* "Partial hospitalization services" means an active treatment program providing intensive group and individual clinical services within a structured therapeutic environment for individuals who are exhibiting psychiatric symptoms of sufficient severity to cause significant impairment in day-to-day functioning. Short-term outpatient crisis stabilization and rehabilitation services are provided to avert hospitalization or to transition from an acute care setting. Services are supervised and managed by a mental health professional, and psychiatric consultation is routinely available. Clinical services are provided by a mental health professional.

a. Performance benchmark. Individuals who are experiencing serious impairment in day-to-day functioning due to severe psychiatric distress are enabled to remain in their community living situation through the receipt of therapeutically intensive milieu services.

b. Performance indicators.

(1) Individuals using the service and staff mutually develop an individualized service plan that focuses on the behavioral and mental health issues and problems identified at admission. Goals are based on the individual's need for services.

(2) Individuals using the service receive clinical services that are provided and supervised by mental health professionals. A licensed and qualified psychiatrist provides psychiatric consultation and medication services.

(3) Individuals using the service receive a comprehensive schedule of active, planned, and integrated psychotherapeutic and rehabilitation services provided by qualified professional staff.

(4) Individuals using the service receive group and individual treatment services that are designed to increase their ability to function independently.

(5) Individuals using the service are involved in the development of an anticipated discharge plan that includes linkages to family, provider, and community resources and services.

(6) Individuals using the service have sufficient staff available to ensure their safety, to be responsive to crisis or individual need, and to provide active treatment services.

(7) Individuals using the service receive services commensurate with current identified risk and need factors.

(8) Support systems identified by individuals using the service are involved in the planning and provision of services and treatments as appropriate and desired by the individual using the service.

(9) Individuals using the service participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

24.4(14) *Outpatient psychotherapy and counseling services.* "Outpatient psychotherapy and counseling services" means a dynamic process in which the therapist uses professional skills, knowledge and training to enable individuals using the service to realize and mobilize their strengths and abilities, take charge of their lives, and resolve their issues and problems. Psychotherapy services may be individual, group, or family, and are provided by a person meeting the criteria of a mental health professional or by a person with a master's degree or an intern working on a master's degree in a mental health field who is directly supervised by a mental health professional.

a. Performance benchmark. Individuals using the service realize and mobilize their own strengths and abilities to take control of their lives in the areas where they live, learn, work, and socialize.

b. Performance indicators.

(1) Individuals using the service are prepared for their role as partners in the therapeutic process at intake where they define their situations and evaluate those factors that affect their situations.

(2) Individuals using the service establish desired problem resolution at intake during the initial assessment.

(3) Psychiatric services other than psychopharmacological services are available from the organization as needed by the individual using the service.

(4) Psychopharmacological services are available from the organization as needed.

(5) Any assignment of activities to occur between sessions is documented in the following session's documentation.

(6) Individuals using the service who have a chronic mental illness participate in developing a detailed psychiatric crisis intervention plan that includes natural supports and self-help methods.

(7) The record documents that the organization follows up on individuals who miss appointments.

(8) Treatment planning is based on the assessment.

(9) Individuals using the service participate with the organizational staff in identifying the assessed needs to be addressed.

(10) The treatment plan identifies measurable goals, desired outcomes and time frames for achieving them.

(11) The treatment plan includes interventions and supports to be provided.

(12) Individuals using the service review their progress in resolving problems and achieving goals on a frequent and regular basis with organizational staff. The treatment plan is revised as appropriate to the individual's needs and priorities.

(13) Individuals using the service participate in transition/discharge planning that includes linkages to family, provider, and community resources and services.

(14) Significantly involved others of individuals using the service are involved in the planning and provision of services, as appropriate and as desired by the individual.

24.4(15) *Emergency services.* "Emergency services" means crisis services that provide a focused assessment and rapid stabilization of acute symptoms of mental illness or emotional distress and are available and accessible, by telephone or face-to-face, on a 24-hour basis. The clinical assessment and psychotherapeutic services are provided by a person who has training in emergency services and who is a mental health professional or has access to a mental health professional, at least by telephone.

Services may be provided by a person who holds a master's degree in a mental health field including, but not limited to, psychology, counseling and guidance, psychiatric nursing, psychiatric rehabilitation, or social work; or a person who holds a bachelor's degree in a human service discipline with five years' experience providing mental health services or human services; or a psychiatric nurse who has three years of clinical experience in mental health. A comprehensive social history is not required for this treatment.

a. Performance benchmark. Individuals using the service receive emergency services when needed that provide a focused assessment and rapid stabilization of acute symptoms of mental illness or emotional distress.

b. Performance indicators.

(1) Individuals using the service can access 24-hour emergency services by telephone or in person.

(2) Information about how to access emergency services is publicized to facilitate availability of services to individuals using the service, family members, and the public.

(3) Individuals using the service receive assessments and services from either a mental health professional or from personnel who meet the requirements above and are supervised by a mental health professional. Psychiatric consultation is available, if needed.

(4) Individuals using the service receive intervention commensurate with current identified risk factors.

(5) Significantly involved others are involved as necessary and appropriate to the situation and as desired by the individual using the service.

(6) Individuals using the service are involved in the development of postemergency service planning and resource identification and coordination.

(7) Staff document contacts in a narrative format and maintain them in a central location that will allow timely response to the problems presented by the individual using the service.

(8) Timely coordination of contacts with relevant professionals is made.

24.4(16) *Evaluation services.* "Evaluation services" means screening, diagnosis and assessment of individual and family functioning needs, abilities, and disabilities, and determining current status and functioning in the areas of living, learning, working, and socializing.

a. Performance benchmark. Individuals using the service receive comprehensive evaluation services that include screening, diagnosis, and assessment of individual or family functioning, needs and disabilities.

b. Performance indicators.

(1) Evaluations include screening, diagnosis, and assessment of individual or family functioning, needs, abilities, and disabilities.

(2) Evaluations consider the emotional, behavioral, cognitive, psychosocial, and physical information as appropriate and necessary.

(3) Evaluations includes recommendations for services and need for further evaluations.

(4) Mental health evaluations are completed by a person who meets the criteria of a mental health professional, or a person with a master's degree who is license-eligible and supervised by a mental health professional, or an intern of a master's or doctorate program who is supervised by a mental health professional.

[**ARC 3855C**, IAB 6/20/18, effective 8/1/18; **ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.5(225C) Accreditation. The division administrator shall make all decisions involving issuance, denial, or revocation of accreditation. This accreditation shall delineate all categories of service the

organization is accredited to provide. Although an organization may have more than one facility or service site, the division administrator shall issue only one accreditation notice to the organization, except as provided in paragraph 24.5(5)*"f."*

24.5(1) *Organizations eligible for accreditation.* The division administrator accredits the following organizations:

a. Case management providers.

b. Community mental health centers.

c. Supported community living providers.

d. Mental health service providers.

e. Crisis response providers.

24.5(2) *Application and renewal procedures.* An applicant for accreditation shall submit Form 470-3005, Application for Accreditation, to the Division of Mental Health and Disability Services, Community, Department of Human Services, Fifth Floor, Hoover State Office Building, 1305 East Walnut, Des Moines, Iowa 50319-0114.

a. The application shall be signed by the organization's chief executive officer and the chairperson of the governing body and shall include the following information:

(1) The name and address of the applicant organization.

(2) The name and address of the chief executive officer of the applicant organization.

(3) The type of organization and specific services for which the organization is applying for accreditation.

(4) The targeted population groups for which services are to be provided, as applicable.

(5) The number of individuals in each of the targeted population groups to be served, as applicable.

(6) Other information related to the standards as requested by division staff.

b. Organizations that have received an initial 270-day accreditation and have not provided services by the end of the 270 days shall have their accreditation lapse for that specific service. This lapse of accreditation shall not be considered a denial. New applications may be submitted that include the waiting list of individuals to be served along with specific timelines of when the services will begin.

c. An organization in good standing may apply for an add-on service.

24.5(3) *Application review.* Upon receipt of an application, Form 470-3005, the division shall review the materials submitted to determine whether the application is complete and request any additional material as needed. Survey reviews shall commence only after the organization has submitted all application material.

a. For a new organization, staff may initially conduct a desk audit or on-site visit to review the organization's mission, policies, procedures, staff credentials, and program descriptions.

b. The division shall review organizational services and activities as determined by the accreditation category. This review may include audits of case records, administrative procedures, clinical practices, personnel records, performance improvement systems and documentation, and interviews with staff, individuals, boards of directors, or others deemed appropriate, consistent with the confidentiality safeguards of state and federal laws.

c. A team shall make an on-site visit to the organization. The division shall not be required to provide advance notice to the provider of the on-site visit for accreditation.

d. The on-site team shall consist of designated members of the division staff. At the division's discretion, the team may include provider staff of other providers, individuals, and others deemed appropriate.

e. The team shall survey the organization and the services indicated on the accreditation application in order to verify information contained in the application and ensure compliance with all applicable laws, rules, and regulations. At the time of a one-year recertification visit, the team shall review the services that did not receive three-year accreditation.

f. The team shall review case records and personnel records to see how the organization implements each of the indicators in the standards. If the documentation is not found in the records, the organization shall show, at the time the division staff is on site, documentation of how the indicator was accomplished.

g. When an organization subcontracts with agencies to provide services, on-site reviews shall be done at each subcontracting agency to determine if each agency meets all the requirements in this chapter. The accreditation is issued to the organization.

h. At the end of the survey, the team leader shall lend an exit review. Before the close of the on-site review, the organization must provide the team leader any documentation that demonstrates how the organization has met these standards for services.

i. The accreditation team leader shall send a written report of the findings to the organization within 30 working days after completion of the accreditation survey.

j. Organizations required to develop a corrective action and improvement plan pursuant to subrule 24.5(4)*"a"* shall submit the plan to the division within 30 working days after the receipt of a report issued as a result of the division's survey review. The action plan shall include specific problem areas cited, corrective actions to be implemented by the organization, dates by which each corrective measure shall be completed, and quality assurance and improvement activities to measure and ensure continued compliance.

k. Quality assurance staff shall review and approve the corrective action and improvement plan before making an accreditation recommendation to the division administrator.

l. The division shall offer technical assistance to organizations applying for first-time accreditation. Following accreditation, any organization may request technical assistance from the division to bring into conformity those areas found in noncompliance with this chapter's requirements. If multiple deficiencies are noted during a survey, technical assistance may be provided to an organization, as staff time permits, to assist in implementation of an organization's corrective action plan. Renewal applicants may be provided technical assistance as needed, if staff time permits.

24.5(4) *Performance outcome determinations.* There are three major areas addressed in these standards: policies and procedures, organizational activities, and services, as set forth in rules 441—24.2(225C), 441—24.3(225C), and 441—24.4(225C). Each rule contains standards, with a performance benchmark and performance indicators for each standard. Each of the applicable standards for the three areas (policy and procedures, organizational activities, and services) shall be reviewed.

a. Quality assurance staff shall determine a performance compliance level based on the number of indicators found to be in compliance.

(1) For service indicators, if 25 percent or more of the files reviewed do not comply with the requirements for a performance indicator, then that indicator is considered out of compliance and corrective action is required.

(2) Corrective action is required when any indicator under policies and procedures or organizational activities is not met.

b. In the overall rating, the performance rating for policy and procedures shall count as 15 percent of the total, organizational activities as 15 percent of the total, and services as 70 percent of the total.

(1) Each of the three indicators for policy and procedures has a value of 5 out of a possible score of 15.

(2) Each of the 34 indicators for organizational activities has a value of .44 out of a possible score of 15.

(3) Each service has a separate weighting according to the total number of indicators applicable for that service, with a possible score of 70, as follows:

Service	Number of indicators	Value of each indicator
Case management	50	1.4
Day treatment	47	1.49
Intensive psychiatric rehabilitation	50	1.4
Supported community living	44	1.59
Partial hospitalization	47	1.49
Outpatient psychotherapy and counseling	38	1.84
Emergency	8	8.75
Evaluation	4	17.50

c. Quality assurance staff shall determine a separate score for each service to be accredited. When an organization offers more than one service under this chapter, there shall be one accreditation award for all the services based upon the lowest score of the services surveyed.

24.5(5) *Accreditation decisions.* The division shall prepare all documents with a final recommendation regarding accreditation to the division administrator.

If the division administrator approves accreditation, Form 470-3006, Notice of Action-Approval, shall be issued which states the duration of the accreditation and the services that the organization is accredited to provide. If the division administrator denies or revokes accreditation, Form 470-3008, Notice of Action-Denial, shall be issued which states the reasons for the denial.

a. Initial 270-day accreditation. This type of accreditation may be granted to a new organization. The division administrator shall base the accreditation decision on a report by the division that:

(1) The organization has an approved policies and procedures manual that includes job descriptions.

(2) Staff assigned to the positions meet the qualifications in the standards and the policies and procedures of the organization.

b. Three-year accreditation. An organization or service is eligible for this type of accreditation if it has achieved an 80 percent or higher performance compliance level. The organization may be required to develop and submit a plan of corrective action and improvement that may be monitored either by written report or an on-site review.

c. One-year accreditation. An organization is eligible for this type of accreditation when multiple and substantial deficiencies exist in specific areas causing compliance levels with performance benchmarks and indicators to fall between 70 percent and 79 percent, or when previously required corrective action plans have not been implemented or completed. The organization must submit a corrective action plan to correct and improve specific deficiencies and overall levels of functioning. Quality assurance staff shall monitor this plan through on-site reviews, written reports and the provision of technical assistance.

d. Probational 180-day accreditation. An organization is eligible for probational 180-day accreditation instead of denial when the overall compliance level is from 60 to 69 percent, and pervasive and serious deficiencies exist; or when corrective action plans previously required as a result of a one-year accreditation have not been implemented or completed. The division administrator may downgrade organizations with a one-year or three-year accreditation to the probational 180-day accreditation when one or more complaints are founded.

All deficiencies must be corrected by the time of the follow-up on-site survey at the conclusion of the provisional period. After this survey, the organization shall meet the standards for accreditation for a one-year accreditation, or the division administrator shall deny accreditation.

e. Add-on service accreditation. When the on-site review of the add-on service results in a score comparable to the overall organization's score at the time of the most recent accreditation, the organization shall have the add-on accreditation date coincide with the overall accreditation date of the organization. If the add-on service on-site review results in a lower score and lower accreditation decision, division staff shall conduct another on-site review for that add-on service when the add-on service accreditation expires.

f. Special terms.

(1) When an organization subcontracts with more than one agency, the length of accreditation shall be determined individually.

(2) The accreditation period for services that have deemed status according to rule 441—24.6(225C) shall coincide with the period awarded by the national accrediting body or the certification for home- and community-based services.

(3) New or add-on services that meet the requirements for accreditation shall receive an initial 270-day accreditation for that individual service. The term of accreditation shall be determined individually. At the time of recertification of the new add-on service, recommendation may be made to coincide with the term of accreditation for the other services of that organization that are accredited by the division administrator.

(4) An organization must notify the division when there are changes in its ownership, structure, management, or service delivery.

g. Extensions. The division may grant an extension to the period of accreditation if there has been a delay in the accreditation process that is beyond the control of the organization or the division, or the organization has requested an extension to permit the organization to prepare and obtain approval of a corrective action plan. The division shall establish the length of the extension on a case-by-case basis.

h. Denial of accreditation or revocation.

(1) Accreditation shall be denied when there are pervasive and serious deficiencies that put individuals at immediate risk or when the overall compliance level falls to 59 percent or below. Under such circumstances no corrective action report shall be required.

(2) When one or more complaints are received, quality assurance staff shall complete an investigation and submit a report to the division administrator. If any of the complaints are substantiated and the division administrator determines that there is a pervasive or serious deficiency, the division administrator may deny accreditation.

(3) An organization whose accreditation has been denied or revoked shall not be approved for any service for at least six months from the notice of decision denying or revoking accreditation.

(4) If the organization disagrees with any action or failure to act in regard to the notice of decision to deny accreditation to the organization, the organization has the right to appeal in accordance with 441—Chapter 7.

24.5(6) *Nonassignability.* Accreditation shall not be assignable to any other organization or provider. Any person or other legal entity acquiring an accredited facility for the purpose of operating a service shall make an application as provided in subrule 24.5(2) for a new certificate of accreditation. Similarly, any organization having acquired accreditation and desiring to alter the service philosophy or transfer operations to different premises must notify the division in writing 30 calendar days before taking action in order for the division to review the change.

24.5(7) *Discontinuation.*

a. Discontinued organization. A discontinued organization is one that has terminated all of the services for which it has been accredited. Accreditation is not transferable between organizations.

(1) An organization shall notify the division in writing of any sale, change in business status, closure, or transfer of ownership of the business at least 30 calendar days before the action.

(2) The organization shall be responsible for the referral and placement of individuals using the services, as appropriate, and for the preservation of all records.

b. Discontinued service. An organization shall notify the division in writing of the discontinuation of an accredited or certified service at least 30 calendar days before the service is discontinued.

(1) Notice of discontinuation of a service shall not be initiated during the 30 days before the start of a survey. Once a survey has begun, all services shall be considered in determining the organization's accreditation score.

(2) The organization shall be responsible for the referral and placement of individuals using the services, as appropriate, and for the preservation of all records.

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.6(225C) Deemed status (all services). The division shall grant deemed status to organizations accredited by a recognized national, not-for-profit, accrediting body when the division determines the accreditation is for similar services. The division may also grant deemed status for supported community living services to organizations that are certified under the Medicaid home- and community-based services (HCBS) intellectual disability waiver.

24.6(1) *National accrediting bodies.*

a. The national accrediting bodies currently recognized as meeting division criteria for possible deeming are:

(1) The Joint Commission (TJC).

(2) The Commission on Accreditation of Rehabilitation Facilities (CARF).

(3) The Council on Quality and Leadership (The Council).

(4) The Council on Accreditation (COA).

b. The accreditation credentials of these national bodies must specify the type of organization, programs, and services that these bodies accredit and include targeted population groups, if appropriate.

c. Deemed status means that the division is accepting an outside body's review, assessment, and accreditation of an organization's functioning and services. Therefore, the accrediting body doing the review must be assessing categories of organizations and types of programs and services corresponding to those described under this chapter. An organization that has deemed status must adhere to and be accountable for the rules in this chapter.

d. When an organization that is nationally accredited requests deemed status for services not covered by the national body's standards but covered under this chapter, the division shall accredit those services. Division staff shall provide technical assistance to organizations with deemed status.

24.6(2) *Application for deemed status.*

a. To apply for deemed status, the organization shall submit Form 470-3332, Application and Letter of Agreement; copy of the latest survey report; documentation related to any corrective action required; accreditation certificate; documentation of specific programming policies and procedures for populations being served; and credentials for staff providing services to populations served.

b. The division shall not accept an application for deemed status once the division has begun an on-site visit. The organization shall complete the accreditation process.

24.6(3) *Requirements for deemed status.* To be eligible for deemed status, the organization shall:

a. Be currently accredited:

(1) By a recognized national accrediting body for services as defined in subrule 24.6(1); or

(2) For supported community living under the Medicaid HCBS intellectual disability waiver pursuant to 441—subrule 77.37(14). If individuals with mental illness are served, the organization must submit verification of the training and experience of the staff to show that its staff can meet the needs of the individuals served.

b. Require staff for the program being deemed to have the necessary training and experience to meet the needs of the population served.

c. Require staff to meet the incident reporting requirements in subrule 24.4(5).

24.6(4) *Granting of deemed status.* When the division grants deemed status, the accreditation period shall coincide with the period awarded by the national accrediting body or the certification for home- and community-based services. However, under no circumstances shall the division award accreditation for longer than five years.

24.6(5) *Reservations.* When deemed status is granted, the division reserves rights to the following:

a. To have division staff conduct on-site reviews for those organizations applying for deemed status which the division has not previously accredited.

b. To have division staff do joint site visits with the accrediting body, attend exit conferences, or conduct focused follow-behind visits as determined to be appropriate in consultation with the national accrediting organization and the provider organization.

c. To be informed of and to investigate all complaints that fall under this chapter's jurisdiction according to the process in rule 441—24.7(225C). The division shall report findings to the national accrediting body.

d. To review and act upon deemed status when:

(1) Complaints have been founded, or

(2) The organization's national accreditation status expires without renewal, or

(3) The national accrediting body downgrades or withdraws the organization's status.

24.6(6) *Continuation of deemed status.*

a. The organization shall send a copy of Form 470-3332, Application and Letter of Agreement, along with a copy of the application for renewal to the national accrediting body at the same time as application is made to a national accrediting body.

b. HCBS staff shall furnish to the division copies of the letter notifying a provider of a forthcoming recertification for organizations deemed for supported community living under the HCBS intellectual disability waiver.

c. Following the on-site review by a national accrediting body, the organization shall send the division a copy of the cover sheet and the national accrediting body report within 30 calendar days from the

date that the organization receives the documents. If a corrective action plan is required, the organization shall send the division a copy of all correspondence and documentation related to the corrective action.

d. HCBS staff shall furnish the division with copies of HCBS certification reports and any corrective action required by HCBS within 30 calendar days after HCBS staff complete the report or the organization completes required corrective action.

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.7(225C) Complaint process (all services). The division shall receive and record complaints by individuals using the services, employees, any interested people, and the public relating to or alleging violations of applicable requirements of the Iowa Code or administrative rules.

24.7(1) *Submittal of complaint.* The complaint may be submitted in person; or by mail to the Division of Mental Health and Disability Services, Community, Department of Human Services, Hoover State Office Building, Fifth Floor, 1305 East Walnut, Des Moines, Iowa 50319-0114; electronically through the department's website; by email to division staff; or by telephone.

a. The division shall assist individuals in making a complaint as needed or requested.

b. The information received should specifically state the basis of the complaint. The division shall keep the name of the complainant confidential to the extent allowed by law.

24.7(2) *Review of complaint.* Upon receipt of a complaint, the division shall make a preliminary desk review of the complaint to determine an appropriate response. That response may include notifying the person who submitted the complaint that there is no basis for a review, referring the complaint to another investigative body, or making a determination to do a full investigation. The complainant may submit a written request for a report of the findings and actions taken by the division as a result of the complaint.

24.7(3) *Investigation of complaint.* If the division concludes that the complaint is reasonable, has merit, and is based on a violation of rules in this chapter, it may make an investigation of the organization. The division may investigate complaints by an office desk audit or by an on-site investigation. The division shall give priority for on-site investigations to instances when individuals using the service are in immediate jeopardy.

a. If a decision is made to conduct an on-site investigation, the on-site review does not require advance notice to the organization. The division shall notify the chief executive officer and board chairperson of the organization involved before or at the commencement of the on-site investigation that the division has received a complaint.

b. The division shall give the organization an opportunity to informally present a position regarding allegations in the complaint. The organization may submit the position in writing within five working days following the on-site visit or present it in a personal conference with division staff.

c. The division shall submit a written report by certified mail to the chief executive officer of the organization and the chairperson of the board of directors within 20 working days after completion of the investigation.

d. The report shall indicate whether the complaint was or was not substantiated, the basis for the substantiation or nonsubstantiation decision and the specific rules violated, and a recommendation for corrective action with time lines specified in the report.

e. If the complaint is substantiated, the division may take actions deemed appropriate, which may include requiring a corrective action plan, shortening the term of accreditation or suspending or revoking an organization's accreditation, depending on the severity of the substantiated complaint.

f. When the division suspends, shortens or revokes an organization's accreditation as the result of a substantiated compliant, the organization will be notified by certified mail of the findings and actions taken by the division.

g. The date of delivery shown by the certified mail stub shall constitute the date of official notice.

24.7(4) *Corrective action plan.* When the division acts to suspend or revoke accreditation, there will be no corrective action plan. In other instances, if the complaint is substantiated, the organization shall submit a corrective action plan to the division within 20 calendar days after receiving the division's decision. This plan must respond to violations cited and the division's requirements and include time lines, internal monitoring systems, and performance improvement planning.

Failure of the organization to respond within 20 calendar days with an acceptable corrective action plan that addresses the organization's plan of correction following a substantiated investigation or complaint may of itself constitute the basis for revocation or suspension of accreditation. The division shall determine the appropriate action based on the information submitted. The division shall notify the organization in writing of any action taken.
[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.8(225C) Appeal procedure. An appeal may be filed using the procedure identified in 441—Chapter 7. Notice of an appeal shall be sent to Appeals Section, Department of Human Services, Hoover State Office Building, Fifth Floor, 1305 East Walnut, Des Moines, Iowa 50319-0114, within 30 calendar days of the written decision from the commission.

441—24.9(225C) Exceptions to policy. Requests for exceptions to the policies in this chapter shall follow the policies and procedures in the department's general rule on exceptions to policy at 441—1.8(17A,217).

These rules are intended to implement Iowa Code chapter 225C.

441—24.10 to **24.19** Reserved.

DIVISION II
CRISIS RESPONSE SERVICES

PREAMBLE

The department of human services in consultation with the mental health and disability services commission has established this set of standards to be met by all providers of crisis response services.
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.20(225C) Definitions.

"Action plan" means a written plan developed for discharge in collaboration with the individual receiving crisis response services to identify the problem, prevention strategies, and management tools for future crises.

"Crisis assessment" means a face-to-face clinical interview to ascertain an individual's current and previous level of functioning, potential for dangerousness, physical health, and psychiatric and medical condition. The crisis assessment becomes part of the individual's action plan.

"Crisis incident" means an occurrence leading to physical injury or death, or an occurrence resulting from a prescription medication error, or an occurrence triggering a report of child or dependent adult abuse.

"Crisis response services" means short-term individualized crisis stabilization services which follow a crisis screening or assessment and which are designed to restore the individual to a prior functional level.

"Crisis response staff" means a person trained to provide crisis response services in accordance with rule 441—24.24(225C).

"Crisis screening" means a process to determine what crisis response service is appropriate to effectively resolve the presenting crisis.

"Crisis stabilization community-based services" or *"CSCBS"* means short-term services designed to de-escalate a crisis situation and stabilize an individual following a mental health crisis and provided where the individual lives, works or recreates.

"Crisis stabilization residential services" or *"CSRS"* means a short-term alternative living arrangement designed to de-escalate a crisis situation and stabilize an individual following a mental health crisis and is provided in organization-arranged settings of no more than 16 beds.

"Department" means the department of human services.

"Dispatch" means the function within crisis line operations to coordinate access to crisis care.

"Face-to-face" means services provided in person or utilizing telehealth in conformance with the federal Health Insurance Portability and Accountability Act (HIPAA) privacy rules.

"Family support peer specialist" means the same as defined in rule 441—25.1(331).

"Informed consent" means the same as defined in rule 441—24.1(225C).

"Mental health crisis" means a behavioral, emotional, or psychiatric situation which results in a high level of stress or anxiety for the individual or persons providing care for the individual and which cannot be resolved without intervention.

"Mental health professional" means the same as defined in Iowa Code section 228.1.

"Mobile response" means a mental health service which provides on-site, face-to-face mental health crisis services for an individual experiencing a mental health crisis. Crisis response staff providing mobile response have the capacity to intervene wherever the crisis is occurring, including but not limited to the individual's place of residence, an emergency room, police station, outpatient mental health setting, school, recovery center or any other location where the individual lives, works, attends school, or socializes.

"Peer support services" means a service provided by a peer support specialist, including but not limited to education and information, individual advocacy, family support groups, crisis response, and respite to assist individuals in achieving stability in the community.

"Peer support specialist" means the same as defined in rule 441—25.1(331).

"Physical health" means any chronic or acute health factors that need to be addressed during crisis delivery services.

"Qualified prescriber" means a practitioner or other staff following the instruction of a practitioner as defined in Iowa Code section 155A.3 and a physician assistant or advanced registered nurse practitioner operating under the prescribing authority granted in Iowa Code section 147.107.

"Restraint" means the application of physical force or the use of a chemical agent or mechanical device for the purpose of restraining the free movement of an individual's body to protect the individual, or others, from immediate harm.

"Rights restriction" means limitations not imposed on the general public in the areas of communications, mobility, finances, medical or mental health treatment, intimacy, privacy, type of work, religion, and place of residence.

"Self-administered medication" means the process where a trained staff member observes an individual inject, inhale, ingest or, by any other means, take medication following the instructions of a qualified prescriber.

"Stabilization plan" means a written short-term strategy used to stabilize a crisis and developed by a mental health professional, in collaboration with the crisis response staff and with the involvement and consent of the individual or the individual's representative.

"Staff-administered medication" means the direct application of a prescription drug, whether by injection, inhalation, ingestion, or any other means, to the body of an individual by a qualified prescriber or authorized staff following instructions of a qualified prescriber.

"Telehealth" is the use of electronic information and telecommunications technologies to support long-distance clinical health care, patient and professional health-related education, public health and health administration. Technologies include videoconferencing, the Internet, store-and-forward imaging, streaming media, and terrestrial and wireless communications.

"Treatment summary" means a written summarization of the treatment and action plan at the point of an individual's discharge or transition to another service.

"Twenty-four-hour crisis line" means a crisis line providing information and referral, counseling, crisis service coordination, and linkages to crisis screening and mental health services 24 hours a day.

"Twenty-four-hour crisis response" means services are available 24 hours a day, 365 days a year, providing access to crisis screening and assessment and linkage to mental health services.

"Twenty-three-hour observation and holding" means a level of care provided for up to 23 hours in a secure and protected, medically staffed, psychiatrically supervised treatment environment.

"Warm line" means a telephone line staffed by individuals with lived experience who provide nonjudgmental, nondirective support to an individual who is experiencing a personal crisis.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.21(225C) Standards for crisis response services. An organization may be accredited to provide any one or all of the identified crisis response services. An organization seeking crisis response service accreditation shall comply with the general standards within this division and additional standards for each specific service.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.22(225C) Standards for policies and procedures. Policies and procedures manuals contain policy guidelines and administrative procedures for all activities and services and address the standards in rule 441—24.2(225C).
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.23(225C) Standards for organizational activities.

24.23(1) The organization shall meet the standards in subrules 24.3(1) through 24.3(5).

24.23(2) The organization shall describe the staffing structure that details how staff are utilized to provide the specific crisis stabilization services in rules 441—24.32(225C) through 441—24.39(225C).
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14; **ARC 3057C**, IAB 5/10/17, effective 7/1/17]

441—24.24(225C) Standards for crisis response staff. All crisis response staff shall meet the qualifications described in this rule. Additional staff requirements are described in each service.

24.24(1) *Performance benchmark.* Qualified crisis response staff provide crisis response services.

24.24(2) *Performance indicators.*

a. One or more of the following qualifications are met:

(1) A mental health professional as defined in Iowa Code section 228.1.

(2) A bachelor's degree with 30 semester hours or equivalent in a human services field (including, but not limited to, psychology, social work, nursing, education) and a minimum of one year of experience in behavioral or mental health services.

(3) A law enforcement officer with a minimum of two years of experience in the law enforcement officer's field.

(4) An emergency medical technician (EMT) with a minimum of two years of experience in the EMT's field.

(5) A peer support specialist with a minimum of one year of experience in behavioral or mental health services.

(6) A family support peer specialist with a minimum of one year of experience in behavioral or mental health services.

(7) A registered nurse with a minimum of one year of experience in behavioral or mental health services.

(8) A bachelor's degree in a non-human services-related field, associate's degree, or high school diploma (or equivalency) with a minimum of two years of experience in behavioral or mental health services, and 30 hours of crisis and mental health in-service training (in addition to the required 30 hours of department-approved training).

b. Documentation in staff records to verify satisfactory completion of department-approved training including:

(1) A minimum of 30 hours of department-approved crisis intervention and training.

(2) A posttraining assessment of competency is completed.
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14; **ARC 3057C**, IAB 5/10/17, effective 7/1/17]

441—24.25(225C) Standards for services.

24.25(1) *Standard for eligibility.* An eligible recipient is an individual experiencing a mental health crisis or emergency where a mental health crisis screening is needed to determine the appropriate level of care.

24.25(2) *Confidentiality and legal status.* Standards in subrule 24.4(6) are met.

24.25(3) *Service systems.* Standards in subparagraphs 24.4(7)*"b"*(1) to (3) are met.

24.25(4) *Respect for individual rights.* Standards in subrule 24.4(8) are met.
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.26(225C) Accreditation. The administrator for the division of mental health and disability services shall determine whether to grant, deny or revoke the accreditation of the centers and services as determined in Iowa Code section 225C.6(1)*"c."*

24.26(1) The organization shall meet the standards of subrule 24.5(1), with the addition of crisis response service organizations.

24.26(2) The organization shall meet the standards in subrules 24.5(2) and 24.5(3).

24.26(3) Performance outcome determinations are as follows:

a. Quality assurance staff shall determine a performance compliance level based on the number of indicators found to be in compliance.

(1) For service indicators, if 25 percent or more of the files reviewed do not comply with the requirements for a performance indicator, that indicator is considered out of compliance and corrective action is required.

(2) Corrective action is required when any indicator under policies and procedures or activities is not met.

b. In the overall rating, the performance rating for policies and procedures shall count as 15 percent of the total, activities as 15 percent of the total, and services as 70 percent of the total.

(1) Each of the three indicators for policies and procedures has a value of 5.0 out of a possible score of 15.

(2) Each of the 34 indicators for activities has a value of .44 out of a possible score of 15.

(3) Each service has a separate weighting according to the total number of indicators applicable for that service, with a possible score of 70, as follows:

c. Quality assurance staff shall determine a separate score for each service to be accredited. When an organization offers more than one service under this chapter, there shall be one accreditation award for all the services based upon the lowest score of the services surveyed.

Service	Number of Indicators	Value of Each Indicator
24-hour crisis response	19	3.9
Crisis evaluation	20	3.5
24-hour crisis line	23	3.0
Warm line	20	3.5
Mobile response	18	3.9
23-hour observation and holding	44	1.6
Crisis stabilization, community-based	39	1.8
Crisis stabilization, residential	50	1.4

24.26(4) The organization shall meet the standards in subrules 24.5(5) to 24.5(7).

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.27(225C) Deemed status. The department shall grant deemed status to organizations accredited by a recognized national, not-for-profit, accrediting body when the department determines the accreditation is for similar services. The organization shall fulfill the standards described in subrules 24.6(1) to 24.6(6). The national accrediting bodies currently recognized as meeting division criteria for possible deeming are:

1. The Joint Commission on Accreditation of Healthcare Organizations (JCAHO).
2. The Commission on Accreditation of Rehabilitation Facilities (CARF).
3. The Council on Quality and Leadership in Supports for People with Disabilities (The Council).
4. The Council on Accreditation of Services for Families and Children (COA).
5. The American Association of Suicidology (AAS).
6. Contact USA.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.28(225C) Complaint process. The department shall receive and record complaints by individuals using services, employees, any interested people, and the public relating to or alleging violations of applicable requirements of the Iowa Code or administrative rules in accordance with the standards described in rule 441—24.7(225C).

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.29(225C) Appeal procedure. The department shall receive appeals according to the process in rule 441—24.8(225C).
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.30(225C) Exceptions to policy. The department shall receive exceptions to policy meeting the standards in rule 441—24.9(225C).
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.31(225C) Standards for individual crisis response services. Crisis response services provided to children and youth include coordination with parents, guardians, family members, natural supports, and service providers and with other systems such as education, juvenile justice and child welfare.

Crisis response services for individuals who have co-occurring or multi-occurring diagnoses focus on the integration and coordination of treatment services, and supports necessary to stabilize the individual, without regard to which condition is primary. Crisis response services are not to be denied due to the presence of a co-occurring substance abuse condition or developmental or neurodevelopmental disability.
[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.32(225C) Crisis evaluation. Crisis evaluation consists of two components: crisis screening and crisis assessment.

24.32(1) *Crisis screening.* The purpose of crisis screening is to determine the presenting problem and appropriate level of care.

a. Performance benchmark. Crisis screening includes a brief assessment of suicide lethality, substance use, alcohol use and safety needs. Crisis screening can be provided through contact with crisis response staff and through communication with the individual.

b. Performance indicators.

(1) Crisis response staff are trained in crisis screening.

(2) A uniform process for crisis screening and referrals is outlined in policies and procedures.

(3) Crisis screening records are kept in individual files.

24.32(2) *Crisis assessment.* The purpose of crisis assessment is to determine the precipitating factors of the crisis, the individual and family functioning needs, and the diagnosis if present and to initiate a stabilization plan and discharge plan. A licensed mental health professional conducts a crisis assessment within 24 hours of an individual's admission to a crisis response service.

a. Assessment requirements. The crisis assessment includes:

(1) Action plan.

(2) Active symptoms of psychosis.

(3) Alcohol use.

(4) Coping ability.

(5) History of trauma.

(6) Impulsivity or absence of protective factors.

(7) Intensity and duration of depression.

(8) Lethality assessment.

(9) Level of external support available to the individual.

(10) Medical history.

(11) Physical health.

(12) Prescription medication.

(13) Crisis details.

(14) Stress indicators and level of stress.

(15) Substance use.

b. Performance benchmark. Individuals receive comprehensive assessment by a mental health professional to determine the appropriate level of care.

c. Performance indicators.

(1) Written policies and procedures describe a uniform process for assessment, referrals and record documentation.

(2) Mental health professionals as defined in Iowa Code section 228.1(6) will complete assessments.

(3) Information collected is sufficient to determine the appropriate level of care.

(4) Assessment results are explained to the individual and family or guardian when appropriate.

(5) The individual's strengths, preferences and needs are included in an action plan. The family or guardian may receive a copy of an action plan with a signed release.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.33(225C) Twenty-four-hour crisis response. The purpose of 24-hour crisis response is to provide access to crisis screening and assessment to de-escalate and stabilize the crisis. When the assessment indicates, a stabilization plan is developed to support the individual's return to a prior level of functioning. Twenty-four-hour crisis response staff link the individual to appropriate services. Crisis response staff provide service to individuals of any age.

24.33(1) *Performance benchmark.* Individuals in crisis have the ability to access crisis response services, including, but not limited to, crisis screening, crisis assessment and stabilization in the least restrictive level of care appropriate.

24.33(2) *Performance indicators.*

a. Information on how to access 24-hour crisis response is publicized to facilitate availability of services to individuals using the service, family members and the public.

b. Individuals accessing the service receive crisis screening and crisis response services from appropriate crisis response staff.

c. Crisis screening is available and accessible face-to-face, using telephone or Web-based options, 24 hours a day, 365 days a year.

d. A mental health professional is available for crisis assessment and consultation 24 hours a day, 365 days a year. The mental health professional has access to a qualified prescriber for consultation.

e. The staffing pattern and schedule is documented.

f. The integration and coordination of care is documented in the individual's record.

g. The discharge, action and follow-up plans are documented in the individual's record, and copies of the plans are provided to the individual. The family or guardian may receive a copy with a signed release.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.34(225C) Twenty-four-hour crisis line. A 24-hour crisis line provides counseling, crisis service coordination, information and referral, linkage to services and crisis screening. Crisis line staff are qualified to provide crisis stabilization services pursuant to subrule 24.24(2).

24.34(1) *Performance benchmark.* Crisis screening, counseling, crisis service coordination and referrals are provided to individuals in crisis.

24.34(2) *Performance indicators.*

a. The crisis line service is available 24 hours a day, 365 days a year.

b. Policies are in place regarding how the crisis line is answered live, when to utilize the hold feature, the use of queue systems and triage of calls.

c. Policies and procedures govern the use of technology, including telephonic and Internet capability in the service delivery structure, quality assurance, data integrity and confidentiality.

d. Procedures are in place for ensuring the quality of the crisis line, including monitoring calls and corrective action plans.

e. The crisis line is an integrated component of the crisis response service system; the crisis line is answered in an organization setting by trained crisis response staff.

f. Policies define collaborative efforts and triage procedure between the mobile outreach teams, law enforcement and emergency services.

g. Policies are in place to ensure follow-up contacts are provided within 24 hours of a crisis call for all risk cases. The crisis line integrates follow-up into all crisis service contacts.

h. The crisis line utilizes standardized call center software with the capability to track:

(1) Date and time of answered call, topic of call, crisis screening provided, referral made, hold time, and demographics of call.

(2) Number of contacts, including terminated and lost calls.

i. Policies and procedures describe a uniform process of crisis screening and training for crisis line staff.

j. Training includes crisis screening tools, lethality assessment, crisis counseling, cultural competence, crisis service coordination, and information and referral.

k. Twenty-four-hour access to a mental health professional is required.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.35(225C) Warm line. A peer-operated warm line is a service individuals can access to talk with someone with lived experience with mental, behavioral health and trauma issues. The line provides a resource for individuals experiencing emotional distress.

24.35(1) *Performance benchmark.* A warm line provides nonjudgmental listening, nondirective assistance, information, referral, and triage when appropriate.

24.35(2) *Performance indicators.*

a. Policies are in place regarding how the warm line is answered live, placing callers on hold and when appropriate to use a queue system.

b. Policies and procedures are in place for standard collection of demographics, the presented reason for calling and outcome of call.

c. Policies and procedures are in place for crisis screening and when to triage a caller to a higher level of service.

d. Data collection includes call answer times, duration of calls, and number of calls dropped, lost or terminated.

e. Policies and procedures describe the staffing pattern and schedule.

f. Warm-line staff can receive calls remotely through telephones or computers or within an organization.

g. Staff qualifications and training for peer support specialists and family support peer specialists are required.

h. Twenty-four-hour access to a mental health professional is required.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.36(225C) Mobile response. Crisis response staff provide on-site, in-person intervention for individuals experiencing a mental health crisis. The mobile response staff provide crisis response services in the individual's home or at locations in the community. Staff work in pairs to ensure staff safety and the safety of the individual served. A single staff member may respond if another person who meets one of the criteria listed in paragraph 24.24(2)*"a"* will be available on site. Twenty-four-hour access to a mental health professional is required.

24.36(1) *Performance benchmark.* Mobile response services are delivered to individuals in crisis in a timely manner.

24.36(2) *Performance indicators.*

a. Mobile response staff are dispatched immediately after crisis screening has determined the appropriate level of care. If the mobile response staff already are responding to another call, staff explain to the caller that there may be a delay in receiving a mobile response and offer an alternative response.

b. Mobile response staff have face-to-face contact with the individual in crisis within 60 minutes from dispatch. If the mobile response staff are responding to another request, there may be a delay in receiving mobile response and an alternative response should be provided.

c. Data is collected to track and trend response time from initial dispatch, the time to respond to dispatch when a team is already in response; diversion from or admission to hospitals, correctional facilities and other crisis response services. The data for each fiscal year is reported to the department within 60 days of the close of the fiscal year.

d. When an action plan is developed, a copy is sent within 24 hours, with the individual's signed consent, to service providers, the individual and others as appropriate.

e. The following information is documented in the individual's service record:

(1) Triage and referral information.

(2) Reduction in the level of risk present in the crisis situation.

(3) Coordination with other mental health resources.

(4) Names and affiliation of all individuals participating in the mobile response.

f. A follow-up appointment with the individual's preferred provider will be made, and mobile response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.37(225C) Twenty-three-hour crisis observation and holding. Twenty-three-hour crisis observation and holding services may be a stand-alone service or embedded within a crisis stabilization residential service. Twenty-three-hour crisis observation and holding services are designed for individuals who need short-term crisis intervention in a safe environment less restrictive than hospitalization. This level of service is appropriate for individuals who require protection or when an individual's ability to cope in the community is severely compromised and it is expected the crisis can be resolved in 23 hours. Twenty-three-hour crisis observation and holding services include, but are not limited to, treatment, medication administration, meeting with extended family or significant others, and referral to appropriate services. Twenty-three-hour crisis observation and holding chairs can be utilized.

24.37(1) *Admission criteria.* The services may be provided if any of the following admission criteria are met:

a. There are indications the symptoms can be stabilized and an alternative treatment can be initiated within a 23-hour period.

b. The presenting crisis cannot be safely evaluated or managed in a less restrictive setting, or no such setting is available.

c. The individual does not meet inpatient criteria, and it is determined a period of observation assists in the stabilization and prevention of symptom exacerbation.

d. Further evaluation is necessary to determine the individual's service needs.

e. There is an indication of actual or potential danger to self or others as evidenced by a current threat or ideation.

f. There is a loss of impulse control leading to life-threatening behavior and other psychiatric symptoms requiring stabilization in a structured, monitored setting.

g. The individual is experiencing a crisis demonstrated by an abrupt or substantial change in normal life functioning brought on by a specific cause, sudden event or severe stressor.

24.37(2) *Staffing requirements.*

a. A designated medical director or administrator is responsible for the management and operation of the organization or facility.

b. Registered nurse practitioners and physician assistants have at least two years of mental health experience.

c. At least one mental health professional is available for consultation 24 hours a day, 365 days a year.

d. A mental health professional as defined in Iowa Code section 228.1(6) provides mental health services appropriate to the individual's needs.

e. Crisis response staff are on duty 24 hours a day.

f. A registered nurse is available on site 24 hours a day.

24.37(3) *Twenty-three-hour observation and holding safety.*

a. Performance benchmark. An incident report is created when staff are notified an incident has occurred.

b. Performance indicators.

(1) The incident report documents:

1. The name of the individual or individuals who were involved in the incident.
2. Date and time of occurrence of the incident.
3. A description of the incident.
4. Names and signatures of all staff present at the time of the incident.
5. The action taken by the staff.
6. The resolution or follow-up to the incident.

(2) A copy of the incident report is kept in a centralized file and a copy is given to the individual, the mental health and disability services region, and the individual's parent or guardian when appropriate.

24.37(4) *Service requirements.*

a. Performance benchmark. A treatment summary is provided to the individual and the individual's treatment team when applicable.

b. Performance indicators. The minimum treatment summary requirements include:

(1) Action plan.

(2) Crisis assessment, including challenges and strengths.

(3) Course and progress of the individual with regard to each identified challenge.

(4) Evaluation of the individual's mental status to inform ongoing placement and support decisions.

(5) Recommendations and arrangements for further service needs.

(6) Signature of the mental health professional.

(7) Treatment interventions.

c. Performance benchmark. The individual using this service is provided a safe, secure observation and holding service in a location meeting the needs of the individual and in the least restrictive setting.

d. Performance indicators.

(1) Individuals give informed consent.

(2) Treatment providers, family members and other natural supports as appropriate are contacted within 23 hours of the individual's admission.

(3) Written policies and procedures cover medication administration, storage and documentation.

(4) Individual records include, but are not limited to, a treatment summary and verification of individual choice.

(5) The 23-hour crisis observation and holding facility is a welcoming and comfortable environment conducive to recovery.

(6) The 23-hour crisis observation and holding is primarily used as a diversion from hospital level of care.

(7) Communication attempts and contact with the individual's team will be documented.

(8) A follow-up appointment with the individual's preferred provider will be made, and crisis response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

(9) There are written policies and procedures of how to document and track discharge locations.

(10) The actual number of individuals served within the 23-hour period is documented. Individual treatment records contain reasons why individuals stay beyond the 23-hour period.

(11) Readmission data and length of time between admissions are tracked for data trend reports.

e. Performance benchmark. Policies and procedures address the additional safety standards for 23-hour crisis and observation services.

f. Performance indicators.

(1) Service compliance is documented regarding state fire marshal rules and fire ordinances and applicable local health, fire, occupancy code, and safety regulations.

(2) Based on standards used for public facilities, all food and drink is clean, wholesome, free from spoilage, and stored and served in a manner safe for human consumption.

(3) Doors must not be locked from the inside. The use of door locks is as approved by the fire marshal and professional staff.

(4) Twenty-three-hour observation and holding services have an emergency preparedness plan to describe the process for an individual to continue receiving services during a disaster including, but not limited to, cases of severe weather or fire.

g. Performance benchmark. Policies and procedures address the cleanliness of the 23-hour observation and holding service.

h. Performance indicators.

(1) Services provide a safe, clean, well-ventilated, properly heated environment in good repair and free from vermin.

(2) An individual's resting or sleeping area includes:

1. A sturdily constructed bed or comfortable chair.
2. A sanitized mattress protected with a clean mattress pad, or sanitized chair.
3. Curtains or blinds are on bedroom windows.
4. Available clean linen.
5. Doors or partitions for privacy.
6. Right to privacy is respected.

(3) Bathrooms include items necessary for personal hygiene and personal privacy.

1. A safe supply of hot and cold running water which is potable.
2. Clean towels, electric hand dryers or paper towel dispensers, and an available supply of toilet paper and soap.
3. Natural or mechanical ventilation capable of removing odors.
4. Tubs or showers have slip-proof surfaces.
5. Partitions with doors which provide privacy if a bathroom has multiple toilet stools.
6. Toilets, wash basins, and other plumbing or sanitary facilities are maintained in good operating condition.
7. Privacy in bathrooms for male and female individuals.

i. Performance benchmark. Personal rights are acknowledged.

j. Performance indicator. The following are allowed:

(1) Areas in which an individual may be alone when appropriate.
(2) Areas for private conversations with others.
(3) Secure space for personal belongings.
(4) Personal clothing is allowed in accordance with organization policy.

k. Performance benchmark. Policies and procedures address health and safety standards.

l. Performance indicators.

(1) An emergency preparedness plan is designed to provide effective utilization of available resources during a disaster event including, but not limited to, cases of severe weather or fire.
(2) Services comply with rule 441—24.39(225C).
(3) There are written policies on safety.
(4) Seclusion is not used.
(5) Mechanical or chemical restraints are not used at any time.
(6) The smokefree air Act, Iowa Code chapter 142D, is followed.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.38(225C) Crisis stabilization community-based services (CSCBS). The goal of CSCBS is to stabilize the individual within the community. CSCBS is designed as a voluntary service for individuals in need of a safe, secure location that is less intensive and restrictive than an inpatient hospital. Individuals receive CSCBS services including, but not limited to, psychiatric services, medication, counseling, referrals, peer support and linkage to ongoing services. The duration for CSCBS is expected to be less than five days.

24.38(1) *Eligibility.* To be eligible, an individual must:

a. Be determined appropriate for the service by mental health assessment; and
b. Be determined not to need inpatient acute hospital psychiatric services.

24.38(2) *Staffing requirements.*

a. A designated director or administrator is responsible for the management and operation of the CSCBS.

b. At least one licensed nurse practitioner, physician assistant, or psychiatrist is available for consultation 24 hours a day, 365 days a year.

c. Mental health professionals with expertise appropriate to the individual's needs provide services.

d. Contact between the individual and a mental health professional occurs at least one time a day.

e. Additional services are provided by crisis response staff at a minimum of one hour per day, including, but not limited to, skill building, peer support or family support peer services. The goal of CSCBS is to stabilize the individual within the community. CSCBS is designed for voluntary services for individuals in need of a safe, secure location that is less intensive and restrictive than an inpatient hospital.

f. Crisis response staff must be awake and attentive 24 hours a day.

24.38(3) *Performance benchmark.* The individual using CSCBS is provided safe, secure and structured crisis stabilization services in the least restrictive location meeting the needs of the individual. The CSCBS can be for youth aged 18 and under or adults aged 18 and older.

24.38(4) *Performance indicators.*

a. The individual can provide consent for treatment providers, family members and other natural supports to be contacted within 24 hours of admission.

b. Daily crisis stabilization services include, at minimum, daily contact with a mental health professional and one hour of additional crisis stabilization services from crisis response staff.

c. The numbers of days an individual receives crisis stabilization services are documented. The documentation records specific reasons for the delivery of services beyond five days.

d. Individual records are maintained to document the following:

(1) Daily contact with a mental health professional.

(2) Additional services provided including, but not limited to, skill building, peer support or family support peer services.

(3) Medication record.

e. Individual choice is verified including, but not limited to, treatment participation and discharge plan options.

f. Readmission data is tracked, including an analysis of data trends looking at effectiveness, and appropriate corrective action taken. The information is documented in the performance improvement system files.

24.38(5) *Crisis stabilization incident reporting.*

a. Performance benchmark. An incident report is filed when staff are notified an incident has occurred.

b. Performance indicators.

(1) The incident report documents:

1. The name of the individual involved in the incident.
2. Date and time the incident occurred.
3. A description of the incident.
4. Names and signatures of all staff present at the time of the incident.
5. The action the staff took to handle the situation.
6. The resolution or follow-up to the incident.

(2) A copy of the incident report is kept in a centralized file and a copy given to the individual, the mental health and disability services region, and the parent or guardian when appropriate.

24.38(6) *Service requirements.*

a. Stabilization plan. The individual in crisis is involved collaboratively in all aspects of crisis stabilization services including, but not limited to, admission, treatment planning, intervention, and discharge. The involvement of family members and others is encouraged.

Within 24 hours of an individual's admission to crisis stabilization services, a written short-term stabilization plan is developed, with the involvement and consent of the individual, and is reviewed frequently to assess the need for the individual's continued placement in CSCBS. At a minimum, this plan includes:

(1) Criteria for discharge, including referrals and linkages to appropriate services and coordination with other systems.

(2) Description of any physical disability and any accommodations necessary to provide the same or equal services and benefits as those afforded nondisabled individuals.

(3) Evidence of input by the individual, including the individual's signature.

(4) Goal statement. Goals are consistent with the individual's needs and projected duration of service delivery and include objectives which build on strengths and are stated in terms allowing measurement of progress.

(5) Rights restrictions.

(6) Names of all other persons participating in the development of the plan.

(7) Specification of treatment responsibilities and methods.

b. Performance benchmark. A stabilization plan is completed within 24 hours of the individual's admittance.

c. Performance indicators.

(1) Individual records include a written short-term stabilization plan developed with the involvement and consent of the individual within 24 hours of admittance and reviewed frequently to assess the need for continued placement in CSCBS.

(2) Individual records indicate a crisis stabilization plan is completed within the 24-hour time frame.

(3) Reasons for crisis stabilization plans not meeting the criteria are documented.

(4) A follow-up appointment with the individual's preferred provider will be made, and crisis response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

24.38(7) *Treatment summary.* Prior to the individual's discharge from CSCBS, a treatment summary is completed. A copy of the summary is provided to the individual and shared with the individual's treatment team of providers, if applicable.

a. Contents. At a minimum, the treatment summary includes:

(1) Course and progress of the individual with regard to each identified problem.

(2) Documented note of a mental health professional contact one time daily.

(3) Evolution of the mental status to inform ongoing placement and support decisions.

(4) Final assessment, including general observations and significant findings of the individual's condition initially while services were being provided and at discharge.

(5) Recommendations and arrangements for further service needs.

(6) Signature of the mental health professional.

(7) Stabilization plan.

(8) Reasons for termination of service.

(9) Treatment interventions.

b. Performance benchmark. A treatment summary is completed during the length of stay in CSCBS.

c. Performance indicators.

(1) Records include a written treatment summary developed with the involvement of the individual. A copy of the summary is provided upon discharge.

(2) Incidents in which a treatment plan was not completed within the length of stay and any corrective action necessary to alleviate this issue are documented.

24.38(8) *Health and safety.*

a. Performance benchmark. Emergency preparedness policies and procedures include health and safety measures.

b. Performance indicators.

(1) Emergency preparedness plans are designed to provide effective utilization of available resources for care to continue during a disaster event including, but not limited to, cases of severe weather or fire.

(2) Crisis services comply with rule 441—24.39(225C).

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.39(225C) Crisis stabilization residential services (CSRS). Crisis stabilization residential services are short-term services provided in facility-based settings of no more than 16 beds. The goal of CSRS is to stabilize and reintegrate the individual back into the community. Crisis stabilization residential services are designed for voluntary individuals who are in need of a safe, secure environment less intensive and restrictive than an inpatient hospital. Crisis stabilization residential services have the capacity to serve more than two individuals at a time. Crisis stabilization residential services can be for youth aged 18 and younger or adults aged 18 and older. Youth and adults cannot be housed in the same facility setting. Facilities licensed by the department of inspections and appeals for other services would have to comply with the provisions of Iowa Administrative Code rule 481—57.50(135C) for operating another business or activity in the facility.

24.39(1) *Eligibility.* To be eligible, an individual must:

a. Be an adult aged 18 or older or a youth aged 18 or under.

b. Be determined appropriate for the service by a mental health assessment; and

c. Be determined to not need inpatient acute hospital psychiatric services.

24.39(2) *Staffing requirements.*

a. A designated director or administrator is responsible for the management and operation of the CSRS of no more than 16 beds.

b. At least one licensed mental health professional is available for consultation 24 hours a day, 365 days a year.

c. Crisis stabilization residential services are provided by a mental health professional with expertise appropriate to the individual's needs.

d. Each individual has contact with a mental health professional at least one time a day.

e. Each individual has a minimum of one hour per day of additional services provided by crisis response staff including, but not limited to, skill building, peer support or family support peer services; or other therapeutic programming.

f. Awake and attentive staffing 24 hours a day, 365 days a year is provided.

24.39(3) *Performance benchmark.* The individual is provided safe, secure and structured crisis stabilization services in the least restrictive location meeting the individual's needs.

24.39(4) *Performance indicators.*

a. Individual's consent is documented, and treatment providers, family members and other natural supports are contacted within 24 hours of admission.

b. A comprehensive mental health assessment is completed within 24 hours of admission.

c. Daily crisis stabilization includes, at minimum, daily contact with a mental health professional and one hour of additional crisis stabilization service.

d. The length of stay is expected to be less than five days.

e. The number of days an individual receives crisis stabilization services is documented. The documentation records specific reasons for lengths of stay beyond five days.

f. Records include:

(1) Stabilization plan.

(2) Medication record.

(3) Treatment summary.

(4) Daily contact with a mental health professional.

g. Additional services provided include, but are not limited to, skill building, peer support or family support peer services.

h. Individual choice is verified including, but not limited to, treatment participation and discharge plan options.

i. Data of readmission is tracked including an analysis of data trends, looking at effectiveness, and appropriate corrective action. The information is documented in the performance improvement system.

j. Documentation tracks that the youth's education needs are met with educational services received in the CSRS, and an action plan is in place to return the youth to school upon discharge.

24.39(5) *Crisis stabilization incident reporting.*

a. Performance benchmark. An incident report is completed when staff are notified an incident has occurred.

b. Performance indicators.

(1) The incident report documents:

1. The name of the individual who was involved in the incident.
2. Date and time of occurrence of the incident.
3. A description of the incident.
4. Names and signatures of all staff present at the time of the incident.
5. The action staff took to handle the situation.
6. The resolution or follow-up to the incident.

(2) A copy of the incident report is maintained in a centralized file and a copy given to the individual, the mental health and disability services region, and the parent or guardian when appropriate.

24.39(6) *Service requirements.*

a. Stabilization plan. The individual is involved collaboratively in all aspects of crisis stabilization services including, but not limited to, admission, treatment planning, intervention, and discharge. The involvement of family members and others is encouraged.

Within 24 hours of admission to CSRS, a written short-term stabilization plan is developed, with the involvement and consent of the individual, and reviewed frequently to assess the need for continued placement in CSRS. At a minimum, this plan includes:

(1) Criteria for discharge, including referrals and linkages to appropriate services and coordination with other systems.

(2) Description of any physical disability and accommodations necessary to provide the same or equal services and benefits as those afforded nondisabled individuals.

(3) Evidence of input by the individual, including the individual's signature.

(4) Goal statement.

(5) Goals consistent with needs and projected length of stay.

(6) Objectives that are built on strengths and allow measurement of progress.

(7) Rights restrictions.

(8) Signatures of all participating in the development of the plan.

(9) Specification of treatment responsibilities and methods.

b. Performance benchmark. A stabilization plan is completed within 24 hours of admittance.

c. Performance indicators.

(1) Records include a written short-term stabilization plan developed with the involvement and consent of the individual within 24 hours of admission and is reviewed frequently to assess the need for continued placement in CSRS.

(2) Records indicating a stabilization plan has been completed within the 24-hour time frame are maintained.

(3) Reasons the stabilization plan does not meet the criteria is documented.

(4) A follow-up appointment with the individual's preferred provider will be made, and crisis response staff will follow up with the individual and document contact or attempt to contact on a periodic basis until the appointment takes place.

24.39(7) *Treatment summary.* Prior to discharge, a treatment summary is provided and a copy shared with the individual and treatment team as appropriate.

a. Contents. At a minimum, this treatment summary includes:

(1) Course and progress regarding each identified problem.

(2) Documentation of daily contact with a mental health professional.

(3) Impact on placement and support decisions.

(4) Assessment.

(5) Action plan.

(6) Stabilization plan.

(7) Treatment interventions.

(8) Reasons for termination of service.

(9) Signature of the mental health professional.

b. Performance benchmark. A treatment summary is completed during the individual's length of stay in CSRS.

c. Performance indicators.

(1) Records include a written treatment summary developed with the involvement and consent of the individual.

(2) An individual receives a copy of the treatment summary upon discharge.

(3) Corrective action steps are documented when treatment plans are not completed within the length of stay.

24.39(8) *Health and safety.*

a. Performance benchmarks.

(1) Emergency preparedness policies and procedures include health and safety measures.

(2) Crisis stabilization services meet all applicable local, state and federal regulations.

(3) Medication administration and documentation standards in rule 441—24.40(225C) are documented.

b. Performance indicators.

(1) Health and fire safety inspections.

1. Documentation includes Iowa fire marshal rules and fire ordinances, local health, fire, occupancy code, and safety regulations.

2. Standards for public facilities guide food and beverage safety, nutrition standards, and safe storage of all consumable products.

3. Crisis stabilization residential services comply with rule 441—24.40(225C).

(2) Emergency preparedness. Emergency preparedness policies are designed to provide effective utilization of available resources for continuation during a disaster event, including, but not limited to, cases of severe weather or fire.

(3) The facility is safe, clean, well-ventilated, and a properly heated environment in good repair and free from vermin.

(4) Bedrooms include:

1. A sturdily constructed bed.

2. A sanitized mattress protected with a clean mattress pad.

3. A designated space in proximity to the sleeping area for personal possessions including clothing.

4. Curtains or window blinds on bedroom windows.

5. Available clean linens.

(5) Sleeping areas include:

1. Doors for privacy.

2. Partitioning and placement of furniture to provide privacy.

3. Rooms accommodate no more than two per room. Single room dimensions are at least 80 square feet not including closets. Dual occupancy rooms are at least 120 square feet not including closets.

4. Personal belongings and personal touches in the rooms are defined within CSRS policy.

5. Respect by staff for an individual's right to privacy.

(6) Personal hygiene and privacy tools are provided:

1. A safe supply of hot and cold running water which is potable.

2. Clean towels, electric hand dryers or paper towel dispensers, and an available supply of toilet paper and soap.

3. Natural or mechanical ventilation capable of removing odors.

4. Tubs or showers with slip-proof surfaces.

5. Partitions with doors which provide privacy if a bathroom has multiple toilet stools.

6. Toilets, wash basins, and other plumbing or sanitary facilities are in good operating condition.

7. Privacy in bathrooms for male and female individuals.

(7) Federal laws regarding smoking on property are recognized and followed.

(8) The following is provided:

1. Areas in which an individual may be alone when appropriate.

2. Areas for private conversations with others.

3. A secure space for personal belongings.

c. Housekeeping. Maintenance of living quarters and day-to-day housekeeping activities are clearly defined in writing and a part of the orientation. Staff assistance and equipment are provided as needed.

d. Clothing.

(1) Personal clothing is allowed in accordance with CSRS policy.

(2) Clothing may be washed with provided laundry mechanisms.

e. Religion/culture. Rights to religion and culture include:

(1) The opportunity to participate in religious activities and services in accordance with the individual's faith or of a minor individual's parent(s) or guardian.

(2) Arrange for transportation to religious activities when appropriate per CSRS policy.

f. Smoking. The smokefree air Act, Iowa Code chapter 142D, is included in the CSRS policy.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14]

441—24.40(225C) Medication—administration, storage and documentation. This rule sets forth medication requirements for 23-hour crisis observation and holding, crisis stabilization community-based services, and crisis stabilization residential services.

24.40(1) *Performance benchmark.* Policies and procedures ensure prescription and over-the-counter drugs are administered or self-administered safely and properly in accordance with federal, state and local laws and regulations. Medication is administered by a qualified prescriber or an individual following the instructions of a qualified prescriber. Medication storage is maintained in accordance with the security requirements of federal, state and local laws. Case records include written policies and procedures regarding use of medication.

24.40(2) *Performance indicators.*

a. Administration of medication.

(1) Medication administration dose schedules and standardization of abbreviations are documented.

(2) Throughout the CSRS specific methods for control and accountability of medication products are established.

(3) Prescription and over-the-counter drugs are administered or self-administered safely and properly in accordance with federal, state and local laws and regulations.

(4) Medications are prescribed by a qualified prescriber under Iowa law.

(5) Prescription drugs are not administered or self-administered without a written order signed by a qualified prescriber.

b. Staff-administered medication.

(1) Only qualified and authorized staff administers medication, and a current, accurate list of staff is maintained.

(2) Qualified prescribers instruct how medications are administered and documented. The type and amount of medication, time and date of medication administered, and the name of staff administering the medication are transcribed in the medication record.

c. Self-administered medication.

(1) Policies and procedures document which staff have completed department-approved training on self-administration of prescription medication.

(2) Self-administration of prescription and over-the-counter medications are permitted only when the medication label is clear and complete.

d. Medication storage. Medication storage policies under the care and control of the administration include:

(1) All medication is maintained in locked storage, and controlled substances are maintained in a locked box within locked storage.

(2) Medications requiring refrigeration are kept in a refrigerator separated from food and other edible items.

(3) Disinfectants and medication for external use are stored separately from internal and injectable medications.

(4) Each medication is stored in original containers and labeled with the name.

(5) All potent poisonous or caustic medications are clearly labeled; stored separately from other medication, in a specific well-illuminated cabinet, closet, or storeroom; and made accessible only to authorized staff.

(6) Medication provided is dispensed from a licensed pharmacy in the state of Iowa in accordance with the Iowa Code. It can also be provided by a qualified prescriber from a licensed pharmacy in another state according to the laws of the state.

(7) Prescription medications prescribed for one individual are not administered or allowed in the possession of another.

e. Medication labeling. All prescribed medications are clearly labeled with the full name; prescriber's name; prescription number; name and strength of the medication; dosage; directions for use; date of issue; and name, address and telephone number of the pharmacy or prescriber issuing the medication. Medications are packaged and labeled according to state and federal guidelines.

f. Monthly inspection. The staff member in charge of medication provides monthly inspection of all storage units.

g. Damaged labels. Medication containers having soiled, damaged, illegible, or makeshift labels are returned to the issuing pharmacist, pharmacy, or qualified prescriber for relabeling or disposal.

h. Unused medications. Unused prescription drugs are destroyed by staff with a witness present, when an individual leaves the crisis service without medication. A notation is documented in the record. When an individual is discharged or leaves the crisis service, medications currently being administered are sent in their original containers with the individual or with a designated person, with the approval of the qualified prescriber.

i. Medication brought by individual. If the prescribed and over-the-counter medication the individual brings to the CSRS is not used, the medication is packaged, sealed and stored. The sealed packages of medications are returned to the individual or family at the time of discharge.

j. Medication documentation.

(1) Written policies and procedures are in place for the review, approval, and implementation of ethical, safe, human and efficient behavioral intervention procedures.

(2) Written policies and procedures are in place to inform the individual and the individual's legal guardian, when appropriate, about prohibitions on the use of medication as a restraint.

(3) Documentation is required in case records on adverse drug reactions when medications are administered and self-administered.

(4) All medication orders are documented in the case records and document the name of the medication, dose, route of administration, frequency of administration, name of the qualified prescriber prescribing the medication, and name of the staff administering or dispensing the medication.

(5) Medication records are documented by authorized staff administering the medication.

k. Medication rights and responsibilities.

(1) Medication is not used as a restraint. The use of psychopharmacological medication in excess of the standard plan of care is prohibited. Using medication as a restraint includes:

1. Drugs or medications used to control behavior or restrict freedom of movement.
2. Drugs or medications used in excessive amounts or in excessive frequency.
3. Neuroleptics, anxiolytics, antihistamines, and atypical neuroleptics, or other medication used for calming, rather than for the medication's indicated treatment.

(2) Drugs or medications used for standard treatment of the individual's medical or psychiatric condition are not considered to be used as a restraint.

[**ARC 1660C**, IAB 10/15/14, effective 12/1/14; **ARC 6321C**, IAB 5/18/22, effective 7/1/22]

These rules are intended to implement Iowa Code sections 331.397 and 225C.19A and chapter 230A.

441—24.41 to **24.49** Reserved.

DIVISION III
COMMUNITY MENTAL HEALTH CENTERS

PREAMBLE

The department of human services in consultation with the mental health and disability services commission has established this set of standards to be met by all designated community mental health centers (CMHCs). CMHCs are to provide an organized set of services to adequately meet the mental health needs of individuals in their catchment area. It is the department's responsibility to designate at least one community mental health center for addressing the mental health needs of the county or counties comprising a catchment area in accordance with Iowa Code chapter 230A.

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.50(230A) Definitions.

"Catchment area" means the same as defined in Iowa Code section 230A.102(2).

"Community mental health center self-assessment" means the form completed and submitted to the department by a new organization as part of the initial application to be designated as a CMHC. Designated

CMHCs complete the form annually and submit it to the department as part of the accreditation and CMHC monitoring process.

"Community support services" or *"CSS"* means services that support individuals with a mental illness and functional impairment to live and work in the community of their choice through assisting with:

1. Monitoring of mental health symptoms and functioning/reality orientation;
2. Transportation;
3. Supportive relationship;
4. Communication with other providers;
5. Ensuring individual attends appointments/obtains medications;
6. Crisis intervention/developing crisis plan; and
7. Coordination and development of natural support systems for mental health support.

"Functional impairment," for the purpose of this division, means difficulties that substantially interfere with or limit functioning in one or more major life activities, such as basic daily living (including but not limited to eating, bathing, dressing); instrumental living skills (including but not limited to maintaining a household, managing money, community involvement, taking prescribed medication); and functioning in social, family and vocational/educational contexts.

"Psychosocial rehabilitation services" means services that promote recovery, full community integration, and improved quality of life for persons who have been diagnosed with any mental health condition that seriously impairs their ability to lead meaningful lives. Psychosocial rehabilitation services are collaborative, person-directed and individualized. The service focuses on helping individuals develop skills and access resources needed to increase their capacity to be successful and satisfied in the living, working, learning, and social environments of their choice.

"Target population" means the same as defined in Iowa Code section 230A.105.

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.51(230A) Community mental health center designation.

24.51(1) *Application.* An organization seeking designation as a community mental health center or a designated community mental health center seeking to expand its designated catchment area shall submit the following to the department:

a. Form 470-3005, Accreditation Application, if requesting accreditation for a CMHC core service(s) other than outpatient psychotherapy and evaluation.

b. Form 470-5691, Community Mental Health Center Designation, signed by the organization's chief executive officer and the chairperson of the governing body.

c. Form 470-5692, Community Mental Health Center Self-Assessment.

24.51(2) *Exceptional circumstances.* Designation for more than one CMHC in a county shall require a determination of exceptional circumstances by the department.

a. Applicants requesting designation for a county that is part of another CMHC's catchment area shall submit information supporting their designation request including, but not limited to, the following:

(1) Evidence that the target population does not have access to the required core services with minimal or no service denials.

(2) Ability to staff core services within the capacity of the catchment area's workforce.

(3) Mental health and disability services (MHDS) region(s) letter of support that includes the catchment area's ability to financially support more than one CMHC.

(4) Notification to the existing CMHC of intention to apply for designation.

(5) Evidence of collaboration and coordination with existing CMHC.

b. Paragraph 24.51(2)*"a"* and numbered paragraph "2" in rule 441—24.52(230A) do not apply to CMHCs designated as described in Iowa Code section 230A.104(2)*"c."*

24.51(3) *Designation.* The department shall review information submitted by the applicant in accordance with subrule 24.51(1), subrule 24.51(2), and paragraph 24.51(3)*"a"* as well as input from MHDS regions, neighboring CMHCs, and mental health service providers to determine if there will be a recommendation for designation. Recommendations for designation shall be submitted by the department to the MHDS commission for approval.

a. Applicants shall submit the following:

(1) MHDS region(s) letter of support.

(2) Evidence of active three-year accreditation for outpatient and evaluation services under this chapter.

(3) Formal agreement with appropriately accredited provider if the applicant is not directly providing the service for the following:

1. Day treatment, partial hospitalization, or psychosocial rehabilitation services, and
2. Emergency or 24-hour crisis response.

(4) Form 470-5692, Community Mental Health Center Self-Assessment, that demonstrates the applicant's ability to:

1. Provide core services in accordance with rule 441—24.54(230A).
2. Meet service access standards according to 441—subparagraph 25.4(2)*"a"*(1) and 441—paragraphs 25.4(3)*"a"* and *"c."*
3. Serve all ages of the target population with minimal to no service denials.
4. Make referrals for services provided outside the organization.

b. The department shall notify the applicant in writing of the result of the review. If the department recommends designation, the applicant shall attend the MHDS commission meeting at which the department presents the request to the commission.

c. CMHCs designated in accordance with Iowa Code chapter 230A prior to January 1, 2021, or designated as a CMHC by a county prior to October 1, 2010, will maintain their designation provided they meet the requirements set forth in rule 441—24.55(230A).

d. Non-CMHC agencies designated as described in Iowa Code section 230A.107(2) may apply to be designated as a CMHC. The organization shall submit all required application materials in this subrule at least six months prior to the expiration of the organization's current accreditation under this chapter.

24.51(4) *Withdrawal of designation.* Community mental health centers seeking to withdraw their designation for part or all of their catchment area shall submit to the department Form 470-5691, Community Mental Health Center Designation, signed by the organization's chief executive officer and the chairperson of the governing body. The form shall include:

a. Current catchment area and catchment area requesting withdrawal of designation.

b. Reason for withdrawal request.

c. Date withdrawal is to occur.

d. Continuity of care plan including but not limited to communication and coordination with:

(1) Individuals served.

(2) Community mental health centers and mental health service providers serving neighboring and current catchment area.

(3) MHDS region(s).

(4) General public.

24.51(5) *Agreement.* The board of directors of a designated CMHC shall enter into an agreement with the department in accordance with Iowa Code section 230A.103(3).

24.51(6) *Appeal procedure.* An appeal to a designation determination may be filed in accordance with rule 441—24.8(225C).

24.51(7) *Exception to policy.* Requests for exceptions to policy shall be submitted in accordance with rule 441—24.9(225C).

24.51(8) *Denial of designation or revocation.* The department may deny or revoke the provider's designation at any time for any of the following reasons:

a. The provider has failed to provide information requested pursuant to subrule 24.51(1).

b. The provider does not meet criteria pursuant to subrule 24.51(3).

c. The provider refuses to allow the department to conduct a site visit pursuant to subrule 24.5(3).

d. The provider has failed to implement the corrective actions submitted and approved by the department pursuant to subrule 24.55(2).

e. The provider's accreditation was discontinued or revoked pursuant to paragraph 24.5(5)*"h."*

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.52(230A) Standards for policies and procedures. Policies and procedures manuals shall include policy guidelines and administrative procedures for:

1. Core services and supports,
2. Serving the target population with minimal to no service denials,
3. Addressing the standards in rule 441—24.2(225), and
4. Ensuring an individual's ability to access services regardless of ability to pay. The CMHC shall assist individuals with applying for health insurance and MHDS regional assistance when necessary to ensure access to services.

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.53(230A) Standards for organizational activities. The organization shall meet all requirements in rule 441—24.3(225C) and the standards identified in this rule.

24.53(1) A CMHC organized as a nonprofit corporation shall be governed by a board of directors consistent with the requirements identified in Iowa Code section 230A.110(3)*"b."*

24.53(2) A CMHC organized as a for-profit corporation shall have a policy structure that incorporates the representation identified in Iowa Code section 230A.110(3)*"b."*

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.54(230A) Standards for core services and supports.

24.54(1) *Outpatient services.* Outpatient services include outpatient psychotherapy and counseling services and evaluation. These services are to be provided directly by the CMHC.

a. Outpatient psychotherapy and counseling services shall be provided in accordance with subrule 24.4(14) and shall include treatment modalities and evidence-based practices for children, adults, older adults, individuals with co-occurring conditions, and individuals discharged from inpatient settings. Clinical eligibility is determined at the time of initial assessment and annually thereafter in accordance with subrule 24.4(2).

b. Evaluation services shall be provided in accordance with subrule 24.4(16).

24.54(2) *Twenty-four-hour emergency services.* The organization shall provide or enter into a formal agreement with an accredited provider for at least one of the following:

a. Emergency services provided in accordance with subrule 24.4(15).

b. Twenty-four-hour crisis response provided in accordance with rule 441—24.33(225C).

24.54(3) *Day treatment, partial hospitalization, or psychosocial rehabilitation services.* The organization shall provide or enter into a formal agreement with an accredited provider for at least one of the following:

a. Day treatment provided in accordance with subrule 24.4(10), or

b. Partial hospitalization provided in accordance with subrule 24.4(13), or

c. Psychosocial rehabilitation services. This shall include at least one of the following:

(1) Assertive community treatment (ACT) provided in accordance with 441—subrule 25.6(2) and rule 441—77.38(249A).

(2) Intensive psychiatric rehabilitation services provided in accordance with subrule 24.4(11).

24.54(4) *Admission screening for voluntary patients to a state mental health institute.*

a. Screening and evaluation shall be made available to individuals requesting admission to a state mental health institute.

b. The organization shall have policies and procedures that define the process to assist an individual seeking voluntary admission to a state mental health institute and to refer the individual to other services if treatment at the mental health institute is not immediately available.

24.54(5) *Community support services (CSS).* The purpose of CSS is to support individuals as they live and work in the community and address mental health symptoms and functional impairments that negatively affect integration and stability in the community.

a. Performance benchmark.

(1) Qualified staff provide CSS.

(2) CSS is provided to individuals in the target population with a mental illness and functional impairment.

b. Performance indicators.

(1) The following staff qualifications shall be met:

1. Have knowledge and experience in working with the target population.

2. Have the ability to create relationships with the individuals served that balance support of the mental illness and the need to allow for maximum individual independence.

3. Have a bachelor's degree with 30 semester hours or equivalent quarter hours in a human services field, including but not limited to psychology, social work, mental health counseling, marriage and family therapy, nursing, education, occupational therapy, and recreational therapy.

4. Complete a minimum of 12 hours of training within the first year of employment and annually in mental health conditions, including but not limited to the following topics:

- Mental health diagnoses, symptomology, and treatment;
- Crisis management, intervention, and de-escalation;
- Psychiatric medications, common medications, and potential side effects;
- Other diagnoses or conditions present in the population served; and
- Individual person-centered service plan, crisis plan, and behavioral support plan implementation.

(2) The following service components are provided:

1. Monitoring of mental health symptoms and functioning/reality orientation.
2. Transportation.
3. Supportive relationship.
4. Communication with other providers.
5. Ensuring individuals attend appointments and obtain medications.
6. Crisis intervention and developing a crisis plan.
7. Coordination and development of natural support systems for mental health support.

24.54(6) *Consultation services.* Consultation services shall be provided in accordance with Iowa Code section 230A.106(2)*"f."*

24.54(7) *Education services.* Education services shall be provided in accordance with Iowa Code section 230A.106(2)*"g."*

24.54(8) *Coordination with unaffiliated agencies.* Coordination shall be provided in accordance with Iowa Code section 230A.106(3).

[**ARC 6321C**, IAB 5/18/22, effective 7/1/22]

441—24.55(230A) Accreditation of community mental health centers.

24.55(1) The provider shall be accredited as a provider of outpatient psychotherapy and counseling pursuant to subrule 24.4(14) and evaluation pursuant to subrule 24.4(16) and meet the standards of rule 441—24.3(225C).

24.55(2) The provider shall meet the standards in rules 441—24.52(230A), 441—24.53(230A), and 441—24.54(230A). Corrective action is required when any indicator under community mental health designation standards is not met.

24.55(3) The provider shall annually submit Form 470-5692, Community Mental Health Center Self-Assessment, to the department.

POLICIES FOR MENTAL HEALTH INSTITUTES AND RESOURCE CENTER

[Prior to 7/1/83, Social Services [770] Ch 28]
[Prior to 2/11/87, Human Services [498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—28.1(218) Definitions. The definitions in this rule apply to 441—Chapters 28, 29, and 30.

"Admission" means the acceptance of an individual for receipt of services at a state mental health institute or the Woodward state resource center on either a voluntary or involuntary basis.

"Adult" means an individual who is 18 years of age or older.

"Facility" means a mental health institute or the Woodward state resource center referenced in Iowa Code section 218.1.

"Grievance" means a written or oral complaint by or on behalf of an individual involving:

1. A rights violation or unfairness to the individual, or
2. Any aspect of the individual's life with which the individual does not agree.

"Guardian" means the person other than a parent of a minor who has been appointed by the court to have custody of the person of the individual as provided under Iowa Code section 232.2(24) or 633.3(20).

"Individual" means any person seeking or receiving services from a state mental health institute or the Woodward state resource center.

"Informed consent" means an agreement by an individual or by the individual's parent, guardian, or legal representative to participate in an activity based upon an understanding of all of the following:

1. A full explanation of the procedures to be followed, including an identification of those that are experimental.
2. A description of the discomforts and risks.
3. A description of the benefits to be expected.
4. A disclosure of appropriate alternative procedures that would be advantageous for the individual.
5. Assurance that consent is given freely and voluntarily without fear of retribution or withdrawal of services.

"Legal representative" means a person, including an attorney, who is authorized by law to act on behalf of an individual.

"Minor" means an individual under the age of 18.

"Non-Medicaid payment-eligible" means that an individual is not eligible for Medicaid funding for the services provided by a mental health institute or the Woodward resource center.

"Parent" means a natural or adoptive mother or father of a child but does not include a mother or father whose parental rights have been terminated.

"Rights" means the human, civil, and constitutional liberties an individual possesses through federal and state constitutions and laws.

"Superintendent" means the superintendent of either of the two mental health institutes or the Woodward state resource center.

This rule is intended to implement Iowa Code section 218.4.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.2(222,230) Payor of last resort. The department will review a non-Medicaid payment-eligible individual's financial and third-party coverage information to ensure the state is the payor of last resort. Third-party coverage does not include payment by an administrative services organization as defined in Iowa Code section 225A.1.

This rule is intended to implement Iowa Code sections 222.35 and 230.23.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.3(229) Grievances. Any individual who believes the individual's rights have been violated by a mental health institute or resource center or who has any complaint concerning the individual's treatment

at a mental health institute or resource center may file a grievance. A grievance will be filed using the individual grievance form. The individual's parent, family, guardian, or legal representative may file a grievance on behalf of the individual.

This rule is intended to implement Iowa Code section 229.23.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.4(217,218) Photographing and recording of individuals and use of cameras.

28.4(1) Use of still or video cameras or voice recorders by anyone other than an authorized employee, individual, parent, guardian, or legal representative to photograph or record an individual will be allowed only with the prior authorization of the superintendent or the superintendent's designee. Permission to photograph and record will be granted for one specific use, and the authorization will not extend to any other use.

28.4(2) Photographs, videos, and recordings of an adult individual will be taken for publication only with a signed informed consent from the individual or the individual's guardian or legal representative.

28.4(3) Photographs, videos, and recordings of a minor individual will be taken for publication only with a signed informed consent from the parent, guardian, or legal representative.

28.4(4) Every effort will be made to preserve the inherent dignity of the individual and to preclude exploitation or embarrassment of the individual or the family of the individual.

28.4(5) Photographs, videos, and recordings of individuals are not to be altered to prevent identification in any manner that would tend to perpetuate the stigma attached to the public image of individuals with mental illness or an intellectual disability.

This rule is intended to implement Iowa Code sections 217.30 and 218.4.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.5(217,218) Interviews and statements.

28.5(1) Releases to the news media will be the responsibility of the superintendent. Authority for dissemination and release of information may be designated to other employees at the discretion of the superintendent.

28.5(2) Interviews of individuals by the news media or other outside persons or groups will be permitted only with the consent of the individual or the individual's parent, guardian, or legal representative.

a. When a request without known prior consent is received, the superintendent or designee will not acknowledge the presence or nonpresence of an individual at the facility.

b. If the individual is in the facility, the superintendent or designee will make the individual or the individual's parent, guardian, or legal representative aware of the request. Notice to the individual or the individual's parent, guardian, or legal representative will be documented in the individual's record. The individual or the individual's parent, guardian, or legal representative will be free to decide whether an interview is granted.

This rule is intended to implement Iowa Code sections 217.30 and 218.4.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.6(218) Use of grounds, facilities, or equipment.

28.6(1) The superintendent or designee may grant permission for temporary use of assembly halls, auditoriums, meeting rooms, or facility grounds to an organization or group of citizens when the space or grounds are available and are not needed for regularly scheduled departmental services.

28.6(2) Members of outside organizations permitted to use a facility's space or grounds will observe the same rules as visitors to the facility.

This rule is intended to implement Iowa Code chapter 218.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.7(218) Tours of facility. Groups or persons will be permitted to tour the facility only with approval of the superintendent or designee.

This rule is intended to implement Iowa Code section 218.4.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.8(218) Donations. Donations of money, clothing, books, games, recreational equipment or other gifts will be made directly to the superintendent or designee. The superintendent or designee will evaluate the donation in terms of the nature of the contribution to the facility's program. The superintendent or designee will be responsible for accepting the donation and reporting the gift to the department. All monetary gifts will be acknowledged in writing to the donor.

This rule is intended to implement Iowa Code chapter 218.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—28.9(217) Release of confidential information. Information defined by statute as confidential concerning individuals who currently receive or formerly received services from the mental health institutes or resource center shall not be released to a person, agency or organization that is not authorized by law to have access to the information unless the individual, parent, guardian, or legal representative authorizes the release. Authorization will be given by using an Authorization to Obtain or Release Health Care Information form provided by the department.

This rule is intended to implement Iowa Code section 217.30.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

CHAPTER 29
MENTAL HEALTH INSTITUTES

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—29.1(218,229) Voluntary admissions.

29.1(1) *Application form.* Any individual who has symptoms of mental illness may apply for voluntary inpatient treatment or voluntary outpatient or day treatment using an application for voluntary admission to a mental health institute from the department's website.

29.1(2) *Minors.* A parent, guardian, or legal representative of a minor individual may make application for the individual's voluntary admission directly to the mental health institute using an application for voluntary admission to a mental health institute form. When a minor objects to the admission and the chief medical officer of the mental health institute determines that the admission is appropriate, the parent, guardian, or custodian must petition the juvenile court for approval of admission before the minor will be admitted.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—29.2(229) Authorization for treatment. No individual receiving services, either on a voluntary or involuntary basis, will be provided treatment other than what is necessary to preserve life or protect others from physical injury unless:

1. The individual has given consent by signing a mental health institute agreement and consent to treatment form;
2. A court has ordered treatment; or
3. The individual's parent, guardian, or legal representative has given consent by signing a mental health institute agreement and consent to treatment form.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—29.3(217,228,229) Rights of individuals. An individual receiving care from a state mental health institute will have the following rights.

29.3(1) *Information.* An individual receiving care from a state mental health institute will have the right to:

a. Receive an explanation and written copy of the rules of the facility.

b. Be provided information on the provisions of law pertaining to admission to and discharge from the facility.

c. Receive an explanation of the individual's medical condition and be informed of treatment plans and the attendant risks of treatment.

d. Be provided with complete and current information concerning the individual's diagnosis, treatment, and progress in terms and language understandable to the individual.

e. Have the information required in this subrule made available to the individual's parent, guardian, or legal representative when it is not feasible to give the information directly to the individual.

29.3(2) *Care and treatment.* An individual receiving care from a state mental health institute will have the right to:

a. Be evaluated promptly following admission and receive emergency services appropriate to the individual's needs.

b. Have a current individualized written plan of treatment.

c. Receive appropriate treatment, services, and rehabilitation for the individual's mental illness, including appropriate and sufficient medical and dental care.

d. Have the opportunity for educational, vocational, rehabilitative, and recreational programs appropriate to the individual's treatment needs.

e. Have the confidentiality of the individual's personal mental health institute records maintained and have access to those records within a reasonable period.

f. Have an individualized posthospitalization plan.

29.3(3) *Living conditions.* An individual receiving care from a state mental health institute will have the right to:

a. Live in the least restrictive conditions necessary to achieve the purposes of treatment.

b. Receive care in a manner that respects and maintains the individual's dignity and individuality.

c. Have opportunities for personal privacy, including during the care of personal needs.

d. Keep and use appropriate personal possessions, including wearing the individual's own clothing.

e. Be free from unnecessary drugs, restraints, and seclusion except when necessary to protect the immediate health or safety of the individual or others.

f. Be free from physical, psychological, sexual, or verbal abuse; neglect; and exploitation.

29.3(4) *Communication.* An individual receiving care from a state mental health institute will have the right to:

a. Have a family contact or representative of the individual's choice or the individual's community physician notified promptly of the individual's admission.

b. Communicate with people and access services at the facility and in the community, including organizing and participating in resident groups while at the facility.

c. Receive visits of the individual's choice from parents, guardians, legal representatives, or family without prior notice given to the facility unless the visits have been determined inappropriate by the individual's treatment team.

d. Communicate and meet privately with persons of the individual's choice without prior notice given to the facility unless the communication is determined inappropriate by the individual's treatment team.

e. Send and receive unopened mail.

f. Make and receive private telephone calls unless the calls have been determined inappropriate by the individual's treatment team.

g. Access current informational and recreational media, such as newspapers, television, or periodicals.

29.3(5) *Self-determination.* An individual receiving care from a state mental health institute will have the right to:

a. Have a dignified existence with self-determination, making choices about aspects of the individual's life that are significant to the individual.

b. Participate in the development and implementation of the individual's treatment plan.

c. Give informed consent, including the right to withdraw consent at any given time.

d. Refuse treatment (such as medication, surgery or electroconvulsive therapy) offered without the individual's expressed informed consent and be provided with an explanation of the consequences of those refusals unless treatment is necessary to protect the health or safety of the individual or is ordered by a court.

e. Immediate discharge (if admitted voluntarily) by submitting a written notice to the superintendent or chief medical officer unless a written request for involuntary hospitalization is submitted to a court.

f. Refuse to perform services for the facility and not be coerced to perform services.

g. Manage the individual's own financial affairs unless doing so is limited under law or determined not appropriate by the individual's treatment team.

h. Choose activities, schedules, and care consistent with the individual's interests, needs, and treatment plans.

i. Engage in social, religious, and community activities of the individual's choice.

j. Formulate advanced directives and be provided care in compliance with these directives.

29.3(6) *Advocacy.* An individual receiving care from a state mental health institute will have the right to:

a. Exercise the individual's rights as a citizen or resident of the United States.

b. File a grievance pursuant to rule 441—28.3(229) without any intimidation or reprisal resulting from the grievance.

c. Request a judicial review of the hospitalization, file for a writ of habeas corpus, have an attorney of the individual's choice, and communicate and meet privately with the individual's attorney without prior notice given to the facility.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—29.4(218) Visiting.

29.4(1) Visiting hours will be posted in each facility. The physician may designate exceptions for special hours on an individual or ward basis. Therapy for the individual will take precedence over visiting. Visiting will not interfere with the individual's treatment program or meals.

29.4(2) A visit will be terminated when behavior on the part of the individual or visitor is disruptive to the individual's treatment plan.

29.4(3) Visiting on grounds will be permitted when the individual has a grounds pass.

29.4(4) Visitors wishing to take an individual off grounds will receive prior approval from the attending physician.

29.4(5) All visitors will obtain a visitor's pass at the switchboard or another area as designated by the superintendent and posted. The pass will be given to a ward employee before the visitor is allowed on the ward.

29.4(6) Persons under 12 years of age shall not visit on the ward.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

These rules are intended to implement Iowa Code chapters 217, 218, 228, 229, and 230.

CHAPTER 30
STATE RESOURCE CENTER

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—30.1(218,222) Admission. Express written consent of the individual or the individual's parent, guardian, or legal representative shall be secured before admission.

30.1(1) *Application.*

a. Applications for the care, treatment, or evaluation of an individual by a resource center shall be made to the department.

b. The application shall be made using the form for application for admission to a state resource center and shall be accompanied by:

(1) A completed resource center agreement and consent for services form, and

(2) Other information specifically requested in writing by the resource center.

30.1(2) *Application for readmission.* When the application is for a readmission, the resource center may waive the resubmittal of any information already in the files other than the form for application for admission to a state resource center.

30.1(3) *Receipt of application.* Upon receipt of an application, the resource center may:

a. Provide an individual with outpatient evaluation treatment, training, or habilitation services; or

b. Admit an individual on a temporary basis for either:

(1) A preadmission diagnostic evaluation to determine whether the individual would be appropriate to admit to the regular program, or

(2) A diagnostic evaluation to assist in planning for community-based services or respite care.

30.1(4) *Eligibility for admission.* Eligibility for admission will be determined by:

a. A preadmission diagnostic evaluation,

b. An established diagnosis of intellectual disability,

c. The availability of an appropriate program, and

d. The availability of space at the facility.

This rule is intended to implement Iowa Code sections 222.13 and 222.13A.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—30.2(222) Liability for support. The liability of any person, other than the individual, who is legally bound for the support of any individual under 18 years of age will be determined in the same manner as parent liability in rule 441—156.2(234), except that the maximum liability will not exceed the standards for personal allowances established by the department under the family investment program.

This rule is intended to implement Iowa Code section 222.78.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—30.3(217,218) Rights of individuals.

30.3(1) *Information.* An individual receiving care from a state resource center has the right to:

a. Receive an explanation and written copy of the rules of the facility.

b. Receive an explanation of the individual's medical condition, developmental status, and behavioral status, and be informed of treatment plans and the attendant risks of treatment.

30.3(2) *Care and treatment.* An individual receiving care from a state resource center has the right to:

a. Receive appropriate treatment, services, and habilitation for the individual's disabilities, including appropriate and sufficient medical and dental care.

b. Have the confidentiality of the individual's personal resource center records maintained and have access to those records within a reasonable period.

c. Work, when available and desired and as appropriate to the individual's plan of treatment, and be compensated for that work in accordance with federal and state laws.

30.3(3) *Living conditions.* An individual receiving care from a state resource center has the right to:

a. Receive care in a manner that respects and maintains the individual's dignity and individuality.

b. Have opportunities for personal privacy, including during the care of personal needs.

c. Keep and use appropriate personal possessions, including wearing the individual's own clothing.

d. Share a room with a spouse when both live in the same facility.

e. Be free from unnecessary drugs and restraints.

f. Be free from physical, psychological, sexual, or verbal abuse; neglect; and exploitation.

30.3(4) *Communication.* An individual receiving care from a state resource center has the right to:

a. Communicate with people and access services at the facility and in the community, including organizing and participating in resident groups while at the facility.

b. Receive visits of the individual's choice from parents, guardians, legal representatives, or family without prior notice given to the facility unless the visits have been determined inappropriate by the individual's treatment team.

c. Communicate and meet privately with persons of the individual's choice without prior notice given to the facility unless the communication is determined inappropriate by the individual's treatment team.

d. Send and receive unopened mail.

e. Make and receive private telephone calls unless the calls have been determined inappropriate by the individual's treatment team.

30.3(5) *Self-determination.* An individual receiving care from a state resource center has the right to:

a. Have a dignified existence with self-determination, making choices about aspects of the individual's life that are significant to the individual.

b. Give informed consent, including the right to withdraw consent at any given time.

c. Refuse treatment (such as medication or behavioral interventions) offered without the individual's expressed informed consent and be provided with an explanation of the consequences of those refusals unless treatment is necessary to protect the health or safety of the individual or is ordered by a court.

d. Refuse to perform services for the facility and not be coerced to perform services.

e. Manage the individual's own financial affairs unless doing so is limited under law or determined not appropriate by the individual's treatment team.

f. Choose activities, schedules, and care consistent with the individual's interests, needs and care plans.

g. Engage in social, religious, and community activities of the individual's choice.

30.3(6) *Advocacy.* An individual receiving care from a state resource center has the right to:

a. Exercise the individual's rights as a citizen or resident of the United States.

b. File a grievance pursuant to rule 441—28.3(229) without any intimidation or reprisal resulting from the grievance.

This rule is intended to implement Iowa Code sections 217.30 and 218.4.

[**ARC 9275C**, IAB 5/14/25, effective 7/1/25]

441—30.4(218) Visiting.

30.4(1) Individuals are encouraged to and will be able to receive visits from persons of the individual's choice and at times desired by the individual. At the individual's choice, the individual's parents, guardian, or legal representative or other members of the individual's family may visit without prior notice given to the facility.

30.4(2) Visits determined to be inappropriate or disruptive to the individual's treatment plan or the health and safety of other individuals may be denied or terminated.

30.4(3) An individual or other person denied visitation may file a grievance through the facility's grievance process.

This rule is intended to implement Iowa Code chapter 218.

CHAPTER 31
CIVIL COMMITMENT UNIT FOR SEXUAL OFFENDERS

Chapter rescission date pursuant to Iowa Code section 17A.7: 11/1/31

441—31.1(229A) Definitions.

"Contraband" means weapons; ammunition; tobacco; alcohol; drugs; money; altered authorized property; mood-altering plant materials or chemicals; obscene materials as defined in Iowa Code section 728.1(5); explosives; materials that can be used in the manufacture of explosives; or materials advocating disruption of or injury to patients, employees, programs, or physical facilities. "Contraband" includes anything that is illegal to possess under federal or state law and materials that are used in the production of drugs or alcohol or used in conjunction with the taking of illicit drugs. "Contraband" also includes anything determined to be banned from individual possession by published facility rules.

"Facility" means the civil commitment unit for sexual offenders (CCUSO).

"Grievance" means a written complaint by or on behalf of a patient that involves a rights or rule violation or unfairness to the patient.

"Guardian" means the person other than a parent of a child who has been appointed by the court to have custody of the person of the patient as provided under Iowa Code section 232.2(26) or 633.3(22).

"Institutional superintendent" means the person appointed as the administrator of CCUSO.

"Patient" means a person who has been determined to be a sexually violent predator and civilly committed to CCUSO under Iowa Code chapter 229A.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.2(229A) Visitation. CCUSO will maintain policies and procedures for visitation for patients.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.3(229A) Grievances. CCUSO will maintain policies and procedures for patients to file a grievance. A patient's family or guardian may file a grievance on the patient's behalf.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.4(229A) Photographing and recording patients. CCUSO will utilize video surveillance for security and investigations. Photographing and video and audio recording of patients for any other purpose are subject to CCUSO's policies and procedures for prior authorization.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.5(229A) Public media. Photographs and video and audio recordings by public media inside the facility and of patients will be permitted only with the prior authorization of the institutional superintendent and of the patient or the patient's guardian.

31.5(1) For the security or confidentiality of other patients, the institutional superintendent may limit the scope of what is photographed or recorded.

31.5(2) Public media representatives authorized to take photographs or recordings shall make every effort to preserve the inherent dignity of the patient and to preclude the exploitation or embarrassment of the patient.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.6(229A) Communication with patients.

31.6(1) *Incoming telephone calls.* CCUSO does not allow patients to receive incoming telephone calls.

31.6(2) *Outgoing telephone calls.* CCUSO will maintain policies and procedures for patients to make outgoing telephone calls.

31.6(3) *Attorney contacts.* A patient's attorney shall have the right to visit or have telephone contact with the patient at any reasonable time. The patient shall have the right to call the individual's attorney during normal business hours and at other times with the consent of the attorney. The patient or the attorney shall be responsible for any costs associated with the call.

31.6(4) *Interviews.* Interviews of a patient by the news media or other outside persons or groups shall be permitted only with the prior consent of the patient or the patient's guardian. Requests for interviews shall be made to the institutional superintendent.

31.6(5) *Mail and packages.* CCUSO will maintain policies and procedures for incoming and outgoing mail, including a policy that correspondence is not permitted between a patient and a patient's victim, a registered sex offender, or another patient residing at CCUSO. Should mail or packages be rejected by the facility for any reason, such as containing contraband, being a security risk, or being counter-therapeutic, notice will be provided to the sender and the recipient via the CCUSO form Notice of Rejection of Mail within two business days.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.7(229A) Building and grounds. The facility's building and grounds are not available for general public use.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

441—31.8(229A) Cost of care. The facility will seek to recover the full cost or a portion of the cost of care from the patient or another responsible person. The cost of the patient's care will be determined for each fiscal year included in the length of stay using the average per diem cost multiplied by the total number of days of care.

31.8(1) *Social security benefits.* The facility will seek recovery from the patient when the patient receives a benefit pursuant to the Social Security Act as amended to August 1, 2026. In such case, the patient will be allowed to retain for personal use an amount equal to the personal allowance amount established by the Social Security Administration.

31.8(2) *Other income.* The facility will seek recovery from the patient when the patient has other income; a trust fund; individually owned real estate, stocks, or bonds; an individually owned savings account, checking account, or certificate of deposit; an individual retirement account; or proceeds from the disposal of real estate or other property.

31.8(3) *Other person legally liable.* The facility will seek recovery from a person who is legally liable for the support of the patient up to the amount of the person's legal liability. The facility will seek recovery from a person who is bound by contract to support the patient up to the amount of the contract. A person legally liable to support the patient does not include a political subdivision.

[**ARC 0592D**, IAB 9/16/26, effective 11/1/26]

These rules are intended to implement Iowa Code section 229A.15B.

CHAPTER 35
SUPPLEMENTAL EXPENSE PAYMENT
Rescinded IAB 5/5/99, effective 7/1/99

CHAPTER 36
FACILITY ASSESSMENTS

Chapter rescission date pursuant to Iowa Code section 17A.7: 6/1/30

441—36.1(249A) Intermediate care facilities for persons with an intellectual disability assessment. Intermediate care facilities for persons with an intellectual disability (ICFs/ID) licensed in Iowa under 481—Chapter 64, including facilities not certified to participate in the Medicaid program, shall pay a quarterly fee to the department. The fee equals 5.5 percent of actual paid claims, from all sources, for the facility's preceding quarter.

[**ARC 9064C**, IAB 4/2/25, effective 6/1/25]

441—36.2(249A) Determination and payment of fee. For all ICFs/ID licensed in Iowa under 481—Chapter 64, including facilities not certified to participate in the Medicaid program, the fee shall be determined and paid as follows:

36.2(1) Each facility shall pay the assessment to the department on a quarterly basis. The facility shall:

a. Use a form prescribed by the department to calculate the quarterly fee due.

b. Submit the form and the quarterly fee no later than 30 days following the end of each calendar quarter.

36.2(2) The facility shall calculate the amount of the quarterly fee due by multiplying 5.5 percent by the facility's total ICF/ID payments for services received from all sources during the preceding quarter, including but not limited to:

a. Medicaid managed care payments.

b. Client participation payments.

c. Medicaid fee-for-service payments.

d. Private pay/insurance payments.

e. Ancillary service payments.

36.2(3) If the department determines that an ICF/ID has underpaid or overpaid the fee, the department will notify the ICF/ID of the amount of the unpaid fee or refund due. Such amount shall be due or refunded within 30 days of the issuance of the notice.

36.2(4) An ICF/ID that fails to pay the fee within 30 days of the issuance of the notice shall pay a penalty in the amount of 1.5 percent of the unpaid fee due for each month or portion of a month that the unpaid fee is overdue.

a. If the ICF/ID substantiates good cause beyond the facility's control for failure to make timely payment of the fee, the department will waive the penalty or a portion of the penalty. For purposes of this subrule, "good cause" means the same as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

b. Requests for a good cause waiver must be submitted to the department within 30 days of notice to the facility that the penalty is due.

[**ARC 9064C**, IAB 4/2/25, effective 6/1/25]

441—36.3(249L) Nursing facility assessment.

36.3(1) *Applicability.* All nursing facilities as defined in Iowa Code section 135C.1 that are free-standing facilities or are operated by a hospital licensed pursuant to Iowa Code chapter 135B shall pay a quarterly assessment to the department, as determined under these rules, with the exception of:

a. Nursing facilities operated by the state.

b. Non-state government-owned or government-operated nursing facilities.

c. Distinct-part skilled nursing units and swing-bed units operated by a hospital.

36.3(2) *Assessment level.*

a. Effective April 1, 2023, nursing facilities with 46 or fewer licensed beds are required to pay a quality assurance assessment of $6.51 per non-Medicare patient day. Effective with assessment for the state fiscal year beginning July 1, 2021, the number of licensed beds on file with the department of inspections,

appeals, and licensing as of June 1 of each year shall be used to determine the assessment level for the following state fiscal year.

b. Effective July 1, 2024, nursing facilities designated as continuing care retirement centers (CCRCs) by the insurance division of the department of insurance and financial services are required to pay a quality assurance assessment of $6.51 per non-Medicare patient day. Effective with the assessment for the state fiscal year beginning July 1, 2021, continuing care retirement center designations as of June 1 of each year shall be used to determine the assessment level for the following state fiscal year.

c. Effective April 1, 2023, nursing facilities with annual Iowa Medicaid patient days of 19,000 or more are required to pay a quality assurance assessment of $6.51 per non-Medicare patient day. Effective with assessment for the state fiscal year beginning July 1, 2021, the annual number of Iowa Medicaid patient days reported in the most current cost report submitted to the department as of June 1 of each year shall be used to determine the assessment level for the following state fiscal year.

d. Effective April 1, 2023, all other nursing facilities are required to pay a quality assurance assessment of $33.90 per non-Medicare patient day.

[**ARC 9064C**, IAB 4/2/25, effective 6/1/25]

441—36.4(249L) Determination and payment of assessment. The assessment shall be determined and paid as follows:

36.4(1) Each nursing facility shall pay the quality assurance assessment to the department on a quarterly basis. The facility shall:

a. Use the form prescribed by the department to calculate the quarterly assessment amount due.

b. Submit the form and the quarterly assessment payment no later than 30 days following the end of each calendar quarter.

36.4(2) The facility shall calculate the amount of the quarterly assessment due by multiplying the facility's total non-Medicare patient days for the preceding quarter by the applicable assessment level as determined in subrule 36.6(2).

36.4(3) If the department determines that a nursing facility has underpaid or overpaid the quality assurance assessment, the department will notify the nursing facility of the amount of the unpaid quality assurance assessment or refund due. Such amount shall be due or refunded within 30 days of the issuance of the notice.

36.4(4) A nursing facility that fails to pay the quality assurance assessment within 30 days of the issuance of the notice will pay a penalty in the amount of 1.5 percent of the quality assurance assessment amount owed for each month or portion of a month that the payment is overdue.

a. If the facility substantiates good cause beyond the facility's control for failure to comply with payment of the quality assurance assessment, the department will waive the penalty or a portion of the penalty. For purposes of this subrule, "good cause" means the same as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 1.977.

b. Requests for a good cause waiver must be submitted to the department within 30 days of notice to the facility that the penalty is due.

[**ARC 9064C**, IAB 4/2/25, effective 6/1/25]

441—36.5(249M) Participating hospital assessment.

36.5(1) *Participating hospitals.* For the purpose of the health care access assessment program, a "participating hospital" is defined as a non-state-owned hospital licensed under Iowa Code chapter 135B that is paid on a prospective payment system basis by Medicare and the medical assistance programs for inpatient and outpatient services.

36.5(2) *Assessment.* Participating hospitals are required to pay a quarterly health care access assessment equal to 1.26 percent of net patient revenue as specified in the hospital's fiscal year 2008 Medicare cost report. "Net patient revenue" means all revenue reported for acute patient care and services but does not include:

a. Contractual adjustments,

b. Charity care,

c. Bad debt,

d. Medicare revenue, or

e. Other revenue derived from sources other than hospital operations, including but not limited to:

(1) Nonoperating revenue,

(2) Other operating revenue,

(3) Skilled nursing facility revenue,

(4) Physician revenue, and

(5) Long-term care revenue.

[**ARC 9064C**, IAB 4/2/25, effective 6/1/25]

441—36.6(249M) Determination and payment of assessment. The assessment shall be determined and paid as follows:

36.6(1) The department will calculate the annual amount of the health care access assessment as 1.26 percent of net patient revenue as specified in the participating hospital's fiscal year 2008 Medicare cost report. The annual amount will be divided by four to calculate the quarterly amount.

36.6(2) Each participating hospital shall pay the health care access assessment to the department on a quarterly basis. The hospital shall submit the quarterly assessment payment no later than 30 days following the end of each calendar quarter.

36.6(3) A participating hospital shall retain and preserve the Medicare cost report and financial statements used to prepare the cost report in accordance with Iowa Code section 249M.3.

36.6(4) If the department determines that a participating hospital has underpaid or overpaid the health care access assessment, the department will notify the hospital of the amount of the unpaid health care access assessment or refund due. Such amount shall be due or refunded within 30 days of the issuance of the notice.

36.6(5) A participating hospital that fails to pay the health care access assessment within 30 days of the issuance of the notice will pay a penalty in the amount of 1.5 percent of the health care access assessment amount owed for each month or portion of a month that the payment is overdue.

a. If the department determines that good cause is shown for failure to comply with payment of the health care access assessment, the department will waive the penalty or a portion of the penalty.

b. Requests for a good cause waiver must be submitted to the department within 30 days of notice to the facility that the penalty is due.

[**ARC 9064C**, IAB 4/2/25, effective 6/1/25]

These rules are intended to implement Iowa Code chapters 249A, 249L, and 249M.

CHAPTER 37
STANDARDS FOR THE CARE OF AND SERVICES TO COUNTY CARE FACILITY RESIDENTS WITH MENTAL ILLNESS AND MENTAL RETARDATION

Rescinded IAB 5/5/99, effective 7/1/99

CHAPTER 38
DEVELOPMENTAL DISABILITIES BASIC STATE GRANT
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/31

441—38.1(217,42USC144) Administering agency. Pursuant to the DD Act, the department has been designated as the administering agency to receive the federal assistance to the state developmental disabilities councils from the federal Administration for Community Living. These funds are used by the Iowa DD council.
[**ARC 0347D**, IAB 6/10/26, effective 8/1/26]

441—38.2(217,42USC144) Definitions.

"DD Act" means the Developmental Disabilities Assistance and Bill of Rights Act of 2000, 42 U.S.C. Chapter 144 as amended to August 1, 2026. All references to the DD Act herein are as amended to August 1, 2026.

"Developmental disability" means a severe, chronic disability of a person that is attributed to a mental or physical impairment or a combination of mental and physical impairments; is manifested before the person attains the age of 22; is likely to continue indefinitely; substantially limits the person's ability to carry out major life activities in at least three of the areas of self-care, receptive and expressive language, learning, mobility, self-direction, and capacity for independent living and economic self-sufficiency; and reflects an ongoing need for individualized, coordinated services. The term, when applied to infants and children from birth to the age of nine, means a substantial developmental delay or specific congenital or acquired conditions with a high probability of resulting in developmental disabilities if services are not provided.

"Iowa DD council" means the Iowa developmental disabilities council.

"Projects" means activities described in the Iowa DD council's five-year plan that are designed to address the purpose and priorities established by the DD Act to undertake advocacy, capacity-building, and systemic-change activities that contribute to a coordinated, person- and family-centered, and individual- and family-directed comprehensive system of community services, individualized supports, and other forms of assistance that promote self-determination for individuals with developmental disabilities and their families.

"State plan" means the document required under the DD Act that describes goals, objectives and funding priorities.
[**ARC 0347D**, IAB 6/10/26, effective 8/1/26]

441—38.3(217,42USC144) Program eligibility. For any year in which Congress appropriates funds, the Iowa DD council shall, consistent with the state plan and the priorities established under the DD Act, determine projects to fund under the developmental disabilities basic state grant program. Funding priorities will be established by the Iowa DD council in the state plan and will be consistent with the priorities established in the DD Act. (Applications for capital expenditures or capital renovations are not eligible for funding.) The Iowa DD council may award funding through any of the department-approved processes for competitive, sole source, or unsolicited proposals in accordance with the provisions of 11—Chapter 117 for the procurement of goods and services of general use.
[**ARC 0347D**, IAB 6/10/26, effective 8/1/26]

441—38.4(217,42USC144) Conflict of interest policy. All Iowa DD council members and those serving in an advisory capacity to the Iowa DD council shall not engage in activities that present a conflict of interest.

38.4(1) Iowa DD council members and those serving in an advisory role to the Iowa DD council are prohibited from applying for any project when they were involved in recommending the project or designing or developing the request for proposal.

38.4(2) All Iowa DD council members and those serving in an advisory capacity to the Iowa DD council who serve or whose family members serve as officers, directors, partners, consultants, or employees of the applicant being evaluated shall be excluded from preliminary review of proposals, discussing with Iowa DD council members who will be voting, and advising or voting on the evaluation of that applicant and all other applicants submitting proposals in that category.

[**ARC 0347D**, IAB 6/10/26, effective 8/1/26]

These rules are intended to implement Iowa Code section 217.6 and 42 U.S.C. Chapter 144.

Rescinded IAB 10/15/03, effective 12/1/03

TITLE IV
FAMILY INVESTMENT PROGRAM

CHAPTER 40
APPLICATION FOR AID

[Prior to 7/1/83, Social Services[770] Ch 40]
[Prior to 2/11/87, Human Services[498]]
[Rescinded IAB 2/12/97, effective 3/1/97]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—40.1 to **40.20** Reserved.

441—40.21(239B) Definitions.

"Applicant" means a person for whom assistance is being requested, parent(s) living in the home with the child(ren), and the nonparental relative as defined in 441—subrule 41.22(3) who is requesting assistance for the child(ren).

"Assistance unit" includes any person whose income is considered when determining eligibility or the family investment program grant amount.

"Casino, gambling casino, or gaming establishment" means an establishment with a primary purpose of accommodating the wagering of money. It does not include:

1. A grocery store that sells groceries including staple foods and that also offers, or is located within the same building or complex as, casino, gambling, or gaming activities; or
2. Any other establishment that offers casino, gambling, or gaming activities incidental to the principal purpose of the business.

An automated teller machine (ATM) or a point-of-sale (POS) terminal located within those areas of an establishment where individuals are banned due to age restrictions associated with gambling, established by state or federal law or by any other regulatory entity having the authority to do so, is considered to be in a casino, gambling casino, or gaming establishment.

"Central office" means the state administrative office of the department.

"Change in income" means a permanent change in hours worked or rate of pay, any change in the amount of unearned income, or the beginning or ending of any income.

"Dependent" means an individual who can be claimed by another individual as a dependent for federal income tax purposes.

"Dependent child" or *"dependent children"* means a child or children who meet the nonfinancial eligibility requirements of the family investment program.

"Electronic benefit transfer transaction" means the use of a credit or debit card service, automated teller machine, point-of-sale terminal, or access to an online system for the withdrawal of funds or the processing of a payment for merchandise or a service.

"Income in kind" is any gain or benefit that is not in the form of money payable directly to the eligible group including nonmonetary or in-kind benefits, such as meals, clothing, and vendor payments. Vendor payments are money payments that are paid to a third party and not to the eligible group.

"Initial two months" means the first two consecutive months for which assistance is paid. This may include a month for which a partial payment is made.

"Liquor store" means any retail establishment that sells exclusively or primarily intoxicating liquor or other alcoholic beverages. Such term does not include a grocery store that sells both intoxicating liquor and groceries including staple foods (within the meaning of Section 3(r) of the Food and Nutrition Act of 2008 (7 U.S.C. §2012(r)) as amended to December 31, 2024).

Unless exempt as described in this definition, a retail establishment meets the definition of a liquor store when it has a North American Industry Classification System (NAICS) number that categorizes the retail establishment as either a beer, wine and liquor store or as a drinking place (alcoholic beverages). A retail establishment that does not have either type of NAICS code is considered to exclusively or primarily sell intoxicating liquor when 95 percent or more of the retail establishment's gross sales are from

intoxicating liquor and it is not a United States Department of Agriculture-certified Supplemental Nutrition Assistance Program (SNAP) retailer.

"Medical institution," as used in this title, means a facility that is organized to provide medical care, including nursing and convalescent care, in accordance with accepted standards as authorized by state law and as evidenced by the facility's license. A medical institution may be public or private. Medical institutions include the following:

1. Hospitals.
2. Extended care facilities (skilled nursing).
3. Intermediate care facilities.
4. Mental health institutions.
5. Hospital schools.

"Needy specified relative" means a nonparental specified relative, listed in 441—subrule 41.22(3), who meets all the eligibility requirements to be included in the family investment program.

"Parent" means a legally recognized parent, including an adoptive parent, or a biological father if there is no legally recognized father.

"Payment month" means the calendar month for which assistance is paid.

"Payment standard" means the total needs of a group as determined by adding need according to the schedule of basic needs, described in 441—subrule 41.28(2), to any allowable special needs, described in 441—subrule 41.28(3).

"Promoting independence and self-sufficiency through employment, job opportunities, and basic skills (PROMISE JOBS) program" means the department's work and training program as described in 441—Chapter 93.

"Prospective budgeting" means the determination of eligibility and the amount of assistance for a calendar month based on the best estimate of income and circumstances that will exist in that calendar month.

"Qualified alien" means an alien:

1. Who is lawfully admitted for permanent residence in the United States under the Immigration and Nationality Act (INA) as amended to December 31, 2024;
2. Who is granted asylum in the United States under Section 208 of the INA as amended to December 31, 2024;
3. Who is a refugee admitted to the United States under Section 207 of the INA as amended to December 31, 2024;
4. Who is paroled into the United States under Section 212(d)(5) of the INA as amended to December 31, 2024, for a period of at least one year;
5. Whose deportation from the United States is withheld under Section 243(h) of the INA as in effect before April 1, 1997, or under Section 241(b)(3) of the INA as amended to December 20, 2010;
6. Who is granted conditional entry to the United States pursuant to Section 203(a)(7) of the INA as in effect before April 1, 1980;
7. Who is admitted to the United States as an Amerasian as described in 8 U.S.C. §1612(b)(2)(A)(ii)(V) as amended to December 31, 2024;
8. Who is a Cuban/Haitian entrant to the United States as described in 8 U.S.C. §1641(b)(7) as amended to December 31, 2024;
9. Who is a battered alien as described in 8 U.S.C. §1641(c) as amended to December 31, 2024; or
10. Who is certified as a victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to December 20, 2010.

"Qualifying quarters" means all of the qualifying quarters of coverage as defined under Title II of the Social Security Act as amended to December 31, 2024, that were worked by a parent of an alien while the alien was under the age of 18 and all of the qualifying quarters that were worked by a spouse of the alien during their marriage if the alien remains married to the spouse or the spouse is deceased. No qualifying quarter of coverage that is creditable under Title II of the Social Security Act for any period beginning after December 31, 1996, may be credited to an alien if the parent or spouse of the alien received any federal means-tested public benefit during the period for which the qualifying quarter is so credited.

"Recipient" means a person for whom assistance is paid, parent(s) living in the home with the eligible child(ren) and nonparental relative as defined in 441—subrule 41.22(3) who is receiving assistance for the child(ren). Unless otherwise specified, a person is not a recipient for any month in which the assistance issued for that person is subject to recoupment because the person was ineligible.

"Retail establishment that provides adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment" means an establishment that includes live entertainment at locations such as but not limited to strip clubs and gentlemen's clubs. It also includes stores and theaters that exclusively or primarily sell or feature adult-oriented videos and movies such as but not limited to adult book stores and adult movie theaters. A retail establishment meets this definition when the department has confirmed the primary nature of the business through the description on the business's website, phone contact with the establishment, a site visit, or other means such as common local knowledge.

"Standard of need" means the total needs of a group as determined by adding need according to the schedule of living costs, described in 441—subrule 41.28(2), to any allowable special needs, described in 441—subrule 41.28(3).

"Stepparent" means a person who is not the parent of the dependent child, but is the legal spouse of the dependent child's parent, by ceremonial or common-law marriage.

"Unborn child" will include an unborn child during the entire term of the pregnancy.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.22(239B) Application. The application for the family investment program shall be submitted on an application form prescribed by the department. The application shall be signed by the applicant, the applicant's authorized representative or, when the applicant is incompetent or incapacitated, someone acting responsibly on the applicant's behalf. When both parents, or a parent and a stepparent, are in the home and eligibility is determined on a family or household basis, one parent or stepparent may sign the application and attest to the information for the assistance unit.

40.22(1) Each individual wishing to do so will have the opportunity to apply for assistance without delay. When the parent is in the home with the child and is not prevented from acting as payee by reason of physical or mental impairment, this parent shall make the application.

40.22(2) An applicant may be assisted by other individuals in the application process; the client may be accompanied by such individuals in contact with the department, and when so accompanied, may also be represented by them. When the applicant has a guardian, the guardian shall participate in the application process.

40.22(3) The applicant shall immediately be given an application form to complete. When the applicant requests that the form be mailed, the department will send the necessary forms in the next outgoing mail.

40.22(4) A new application is not required when adding a new person to the eligible group or when a parent or a stepparent becomes a member of the household.

40.22(5) Reinstatement.

a. Assistance will be reinstated without a new application when all necessary information is provided before the effective date of cancellation and eligibility can be reestablished, or the family meets the conditions described in 441—subparagraph 41.30(3)*"f"*(9). Exception: The reinstatement provisions of subrule 40.22(5) do not apply when assistance is canceled due to the imposition of a subsequent limited benefit plan as described in 441—subrule 41.24(8) unless the limited benefit plan is stopped as described in 441—paragraph 41.24(8)*"g"* or *"h."*

b. When assistance has been canceled for failure to provide requested information, assistance will be reinstated without a new application if all information necessary to establish eligibility, including verification of any changes, is provided within 14 days of the effective date of cancellation and eligibility can be reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance will be the date all information required to establish eligibility is provided.

c. When assistance has been canceled for failure to return a completed review form pursuant to subrule 40.27(3), assistance will be reinstated without a new application if the completed form is received

by the department within 14 days of the effective date of cancellation and eligibility can be reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance will be the date the review form prescribed by the department is received.

d. When assistance has been canceled for failure to complete a required review interview, assistance will be reinstated without a new application if the interview is completed and all necessary information to determine eligibility, including verification of any changes, is provided within 14 days of the effective date of cancellation and eligibility is reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance will be the date the interview is completed.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.23(239B) Date of application. The date of application is the date the application form prescribed by the department is received by the department. When an application is delivered to a closed office, it will be considered received on the first day that is not a weekend or state holiday following the day that the office was last open.

40.23(1) The date of application is also the date an identifiable application is received by a designated worker who is in any disproportionate share hospital, federally qualified health center or other facility in which outstationing activities are provided. The hospital, health center or other facility will forward the application to the department office that is responsible for the completion of the eligibility determination.

40.23(2) An identifiable application is an application containing a legible name and address that has been signed.

40.23(3) A new application is not required when adding a person to an existing eligible group. This person is considered to be included in the application that established the existing eligible group. However, in these instances, the date of application to add a person is the date the change is reported. When it is reported that a person is anticipated to enter the home, the date of application to add the person will be the date of the report.

a. In those instances where a person previously excluded from the eligible group as described in 441—subrule 41.27(11) is to be added to the eligible group, the date of application to add the person is the date the person indicated willingness to cooperate.

b. Exceptions:

(1) When adding a person who was previously excluded from the eligible group for failing to comply with 441—subrule 41.22(13), the date of application to add the person is the date the social security number or proof of application for a social security number is provided.

(2) When adding a person who was previously excluded from the eligible group as described in 441—subrule 41.23(5), 441—subrule 41.25(5), or rule 441—46.29(239B), the date of application to add the person is the first day after the period of ineligibility has ended.

(3) When adding a person who was previously excluded from the eligible group as described in 441—subrule 41.24(8), the date of application to add the person is the date the person signs a family investment agreement.

40.23(4) Grace period.

a. When an application has been denied for failure to provide requested information, if all necessary information to establish eligibility, including verification of any changes, is provided within 14 days of the date of denial, a new application is not required. If the fourteenth calendar day falls on a weekend or state holiday, the applicant shall have until the next business day to provide the information. If eligibility can be established, the effective date of assistance is the date all of the information is provided.

b. When an application has been denied for failure to attend an interview, if the interview is completed and all necessary information to establish eligibility, including verification of any changes, is provided within 14 days of the date of denial, a new application is not required. If the fourteenth calendar day falls on a weekend or state holiday, the applicant shall have until the next business day to provide the information. If eligibility can be established, the effective date of assistance is the date the interview is completed or the date all of the information is provided, whichever is later.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.24(239B) Procedure with application.

40.24(1) The decision with respect to eligibility will be based primarily on information furnished by the applicant.

a. The applicant shall report no later than at the time of the interview any change as defined in paragraph 40.27(4)*"e"* that occurs after the application was signed. Any change that occurs after the interview shall be reported by the applicant within five days from the date the change occurred.

b. The department will notify the applicant in writing of additional information or verification that is required to establish eligibility for assistance. Failure of the applicant to supply the information or verification requested or to request assistance and authorize the department to secure the requested information or verification from other sources will serve as a basis for denial of assistance. Signing a general authorization for release of information to the department does not meet this responsibility.

(1) Five working days will be considered as a reasonable period for the applicant to supply the required information or verification. The department will extend the deadline when the applicant requests an extension because the applicant is making every effort to supply the information or verification but is unable to do so.

(2) "Supply" means the requested information is received by the department by the specified due date. Any time taken beyond the required time frame will be considered a delay on the part of the applicant.

c. When an individual is added to an existing eligible group, the five-day requirement for reporting changes will be waived. These individuals and eligible groups will be subject to the recipient's ten-day reporting requirement as defined in subrule 40.27(4).

40.24(2) The department or the designated worker as described in subrule 40.23(1) will conduct a face-to-face or telephone interview with the applicant before approval of the application for assistance.

a. The worker will assist the applicant, when requested, in providing information needed to determine eligibility and the amount of assistance.

b. The application process shall include a visit, or visits, to the home of the child and the person with whom the child will live during the time assistance is granted under the following circumstances:

(1) When it is the judgment of the worker or the supervisor that a home visit is required to clarify or verify information pertaining to the eligibility requirements; or

(2) When the applicant requests a home visit for the purpose of completing a pending application.

c. When adding an individual to an existing eligible group, the interview requirement may be waived.

40.24(3) Reserved.

40.24(4) The decision with respect to eligibility will be based on the applicant's eligibility or ineligibility on the date the department enters all eligibility information into the department's computer system. The applicant shall become a recipient on the date all eligibility information is entered into the department's computer system and the computer system determines the applicant is eligible for aid.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.25(239B) Time limit for decision. A determination of approval or denial will be made as soon as possible, but no later than 30 days following the date of filing an application. A written notice of decision will be issued to the applicant the next working day following a determination of eligibility or ineligibility. This time standard shall apply except in unusual circumstances, such as when the department and the applicant have made every reasonable effort to secure necessary information that has not been supplied by the date the time limit expired; or because of emergency situations, such as fire, flood or other conditions beyond the administrative control of the department. When eligibility is dependent upon the birth of a child, the time limit may be extended while awaiting the birth of the child. When it becomes evident that due to an error on the part of the department, eligibility will not be established within the 30-day limit, the application will be approved pending a determination of eligibility.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.26(239B) Effective date of grant. New approvals will be effective as of the date the applicant becomes eligible for assistance, but in no case will the effective date be earlier than seven days following the date of application. When an individual is added to an existing eligible group, the individual will be

added effective as of the date the individual becomes eligible for assistance, but in no case will the effective date be earlier than seven days following the date the change is reported. When it is reported that a person is anticipated to enter the home, the effective date of assistance will be no earlier than the date of entry or seven days following the date of report, whichever is later.

40.26(1) When the change is timely reported as described in subrule 40.27(4), a payment adjustment will be made when indicated. When the individual's presence is not timely reported as described in subrule 40.27(4), excess assistance issued is subject to recovery.

40.26(2) In those instances where a person previously excluded from the eligible group as described in 441—subrule 41.27(11) is to be added to the eligible group, the effective date of eligibility will be seven days following the date the person indicated willingness to cooperate. However, in no instance will the person be added until cooperation has actually occurred.

Exceptions: When adding a person who was previously excluded from the eligible group for failing to comply with 441—subrule 41.22(13), the effective date of eligibility will be seven days following the date that the social security number or proof of application for a social security number is provided.

40.26(3) When adding a person who was previously excluded from the eligible group as described in 441—subrules 41.23(5) and 41.25(5) and rule 441—46.29(239B), the effective date of eligibility will be seven days following the date that the period of ineligibility ended.

40.26(4) When adding a person who was previously excluded from the eligible group as described in 441—subrule 41.24(8), the effective date of eligibility will be seven days following the date the person signs a family investment agreement or the date the person is otherwise eligible, whichever is later. In no case will the effective date be within the six-month ineligibility period of a subsequent limited benefit plan as described in 441—paragraph 41.24(8)*"a."*

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.27(239B) Continuing eligibility.

40.27(1) Eligibility factors will be reviewed at least every six months for the family investment program. An interview may be conducted at the time of a review.

40.27(2) A redetermination of specific eligibility factors will be made when:

a. The recipient reports a change in circumstances.

b. A change in the recipient's circumstances comes to the attention of a staff member.

40.27(3) Information for semiannual reviews shall be submitted on a review form prescribed by the department.

a. The department will supply the review form to the recipient as needed or upon request. The department will pay the cost of postage to return the form.

(1) When the review form is issued in the department's regular end-of-month mailing, the recipient shall return the completed form to the department by the fifth calendar day of the following month.

(2) When the review form is not issued in the department's regular end-of-month mailing, the recipient shall return the completed form to the department by the seventh day after the date it is mailed by the department.

(3) A copy of a review form received by fax or electronically will have the same effect as an original form.

b. When the client has completed the application form prescribed by the department for another purpose, this form may be used as the review document.

c. The review form shall be signed by the payee, the payee's authorized representative, or, when the payee is incompetent or incapacitated, someone acting responsibly on the payee's behalf.

40.27(4) Responsibilities of recipients. For the purposes of this subrule, recipients shall include persons who received assistance subject to recoupment because the persons were ineligible.

a. The recipient shall cooperate by giving complete and accurate information needed to establish eligibility and the amount of the family investment program grant.

b. The recipient shall complete the required review form when requested by the department in accordance with subrule 40.27(3). Failure to return a completed form will result in cancellation of assistance. A completed form is a form with all items answered, signed, dated and accompanied by verification as required in 441—paragraphs 41.27(1)*"i"* and 41.27(2)*"h."*

c. The recipient has the primary responsibility for providing information and verification needed to establish eligibility and the amount of the family investment program grant. The recipient shall supply, insofar as the recipient is able, information and verification needed within ten working days from the date a written request is mailed by the department to the recipient's current mailing address or given to the recipient. The department will extend the deadline when the recipient requests an extension because the recipient is making every effort to supply the information or verification but is unable to do so.

(1) "Supply" means that the requested information or verification is received by the department by the specified due date.

(2) When the recipient is unable to furnish information or verification needed to establish eligibility and the amount of the family investment program grant, the recipient shall request assistance from the department.

(3) Failure to supply the information or verification requested or to request assistance and authorize the department to secure the requested information or verification from other sources will serve as a basis for cancellation of assistance. Signing a general authorization for release of information to the department does not meet this responsibility.

d. The recipient or applicant shall cooperate with the department when the recipient's or applicant's case is selected by quality control for verification of eligibility. The recipient or applicant shall also cooperate with the front end investigations conducted by the department of inspections, appeals, and licensing to determine whether information supplied to the department by the client is complete and correct regarding pertinent public assistance information unless the investigation revolves solely around the circumstances of a person whose income and resources do not affect family investment program eligibility (more information can be found in 481—Chapter 72). Failure to cooperate will serve as a basis for cancellation or denial of the family's assistance. Once denied or canceled for failure to cooperate, the family may reapply but will not be considered for approval until cooperation occurs.

e. The recipient, or an individual being added to the existing eligible group, shall timely report any change in the following circumstances:

(1) Beginning or ending income, including receipt of a nonrecurring lump sum.

(2) Resources.

(3) Members of the household.

(4) School attendance of a child.

(5) Mailing or living address.

(6) Receipt of a social security number.

f. A report will be considered timely when made within ten days from:

(1) The receipt of resources or income or the date income ended.

(2) The date the address changes.

(3) The date the child is officially dropped from the school rolls.

(4) The date a person enters or leaves the household.

(5) The receipt of a social security number.

g. When a change is not timely reported, any excess assistance paid will be subject to recovery.

40.27(5) After assistance has been approved, eligibility for continuing assistance and the amount of the grant will be effective as of the first of each month. Any change affecting eligibility or benefits reported during a month will be effective the first day of the next calendar month except as follows:

a. When the recipient reports a new person to be added to the eligible group and that person meets eligibility requirements, a payment adjustment will be made for the month of the report, subject to the effective date of grant limitations prescribed in rule 441—40.26(239B).

b. When cancellation of assistance occurs later because issuance of a timely notice, as required by rule 441—16.2(17A), requires that the action be delayed until the first day of the second calendar month, any overpayment received in the first calendar month will be recouped.

c. When the recipient reports a change in income or circumstances timely, as defined in subrule 40.24(1) or 40.27(4), the department will determine prospective eligibility and the grant amount for the following month based on the change.

(1) A payment adjustment will be made when indicated.

(2) Recoupment will be made for any overpayment, with one exception. When a change in income is timely reported by a recipient and timely acted upon by the department, but the timely notice, as required by rule 441—16.2(17A), requires the action be delayed until the second calendar month following the month of change, and eligibility continues, recoupment will not be made.

d. When an individual included in the eligible group becomes ineligible, that individual's needs will be removed prospectively effective the first day of the next calendar month. When the action must be delayed due to administrative requirements, a payment adjustment or recoupment will be made when appropriate.

e. When a sanction under 441—paragraph 41.22(6)*"f"* is implemented, the change will be effective:

(1) The first day of the next calendar month after the change has occurred when the income maintenance unit determines noncooperation; or

(2) After the income maintenance unit receives notification from the child support recovery unit when child support services determines noncooperation.

f. When a sanction under 441—paragraph 41.22(6)*"f"* is removed, the change will be effective the first day of the next calendar month after the recipient has expressed willingness to cooperate, as described in 441—paragraph 41.22(6)*"f."* However, action to remove the sanction will be delayed until:

(1) Cooperation has actually occurred; or

(2) The income maintenance unit has received notification from child support services that the client has cooperated.

g. A different effective date will be applied when specifically indicated in family investment program rules, such as in 441—subrule 41.25(5) and 441—subparagraph 41.27(9)*"c"*(2).

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.28(239B) Referral for investigation. The department may refer questionable cases to the department of inspections, appeals, and licensing.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

441—40.29(239B) Alternate payees.

40.29(1) *Conservatorship or guardianship.* When application for the family investment program is filed by a person under conservatorship or guardianship, a copy of the court order will be secured by the department. Assistance payments will be made pursuant to Iowa Code section 239B.13.

40.29(2) *Emergency payee.* Payments may be made to persons acting for relatives who have been receiving assistance for a child in emergency situations that deprive the child of the relatives' care. These payments will be made for a temporary period, not to exceed three months, to allow time to make and implement plans for the child's continuing care and support.

[**ARC 9276C**, IAB 5/14/25, effective 7/1/25]

These rules are intended to implement Iowa Code sections 239B.2, 239B.3, 239B.4, 239B.5, 239B.6, 239B.13 and 239B.18.

CHAPTER 41
GRANTING ASSISTANCE

[Prior to 7/1/83, Social Services[770] Ch 41]
[Prior to 2/11/87, Human Services[498]]
[Rescinded IAB 2/12/97, effective 3/1/97]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—41.1 to **41.20** Reserved.

441—41.21(239B) Eligibility factors specific to child.

41.21(1) *Age.* The family investment program (FIP) will be available to a needy child under the age of 18 years without regard to school attendance. A child is eligible for the entire month in which the child's eighteenth birthday occurs unless the birthday falls on the first day of the month. The FIP will also be available to a needy child of 18 years who is a full-time student in a secondary school, or in the equivalent level of vocational or technical training, as defined in paragraph 41.24(2)*"e,"* and who is reasonably expected to complete the program before reaching the age of 19.

41.21(2) Reserved.

41.21(3) *Residing with relative.* The child must be living in the home of one of the relatives specified in subrule 41.22(3). When an unwed mother intends to place her child for adoption shortly after birth, the child will be considered as living with the mother until the time custody is actually relinquished.

a. Living with relatives implies primarily the existence of a relationship involving an accepted responsibility on the part of the relative for the child's welfare, including the sharing of a common household.

b. Home is the family setting maintained or in the process of being established as evidenced by the assumption and continuation of responsibility for the child by the relative.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.22(239B) Eligibility factors specific to payee.

41.22(1) and **41.22(2)** Reserved.

41.22(3) *Specified relationship.*

a. A child may be considered as meeting the requirement of living with a specified relative if the child's home is with one of the relatives listed in Iowa Code section 239B.1(13) or with a spouse of the relative even though the marriage is terminated by death or divorce.

b. A relative of the putative father can qualify as a specified relative if the putative father has acknowledged paternity by the type of written evidence on which a prudent person would rely.

c. The FIP is available to a child of unmarried parents the same as to a child of married parents when all eligibility factors are met.

d. The presence of an able-bodied stepparent in the home will not disqualify a child for assistance, provided that other eligibility factors are met.

41.22(4) *Liability of relatives.* All appropriate steps will be taken to secure support from legally liable persons on behalf of all persons in the eligible group, including the establishment of paternity.

a. When necessary to establish eligibility, the income maintenance unit will make the initial contact with the absent parent at the time of application. Subsequent contacts will be made by child support services.

b. When contact with the FIP family or other sources of information indicate that relatives other than parents and spouses of the eligible children are contributing toward the support of members of the eligible group, have contributed in the past, or are of such financial standing they might reasonably be expected to contribute, the income maintenance unit will contact these persons to verify current contributions or arrange for contributions on a voluntary basis.

41.22(5) *Referral to child support services.* The income maintenance unit will provide prompt notice to child support services pursuant to Iowa Code section 239B.2(6).

a. A referral to child support services will not be made when a parent's absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States. "Uniformed service" means the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

b. "Prompt notice" means within two working days of the date assistance is approved.

41.22(6) *Cooperation in obtaining support.* Each applicant for or recipient of the FIP shall cooperate with the department in establishing paternity and securing support for persons whose needs are included in the assistance grant, except when good cause as defined in subrule 41.22(8) for refusal to cooperate is established.

a. The applicant or recipient must cooperate in the following areas:

(1) Identifying and locating the parent of the child for whom aid is claimed.

(2) Establishing the paternity of a child born out of wedlock for whom aid is claimed.

(3) Obtaining support payments for the applicant or recipient and for a child for whom aid is claimed.

b. Cooperation is defined as including the following actions by the applicant or recipient:

(1) Appearing at the office of the income maintenance unit or child support services to provide verbal or written information or documentary evidence known to, possessed by, or reasonably obtained by the applicant or recipient that is relevant to achieving the objectives of the child support recovery program.

(2) Appearing as a witness at judicial or other hearings or proceedings.

(3) Providing information, or attesting to the lack of information, under penalty of perjury.

(4) Paying to the department any cash support payments for a member of the eligible group, except as described in paragraph 41.27(7)*"p,"* received by a recipient after the date of decision as defined in 441—subrule 40.24(4).

(5) Providing the name of the absent parent and additional necessary information.

c. The applicant or recipient shall cooperate with the income maintenance unit in supplying information with respect to the absent parent, the receipt of support, and the establishment of paternity, to the extent necessary to establish eligibility for assistance and permit an appropriate referral to child support services.

d. The applicant or recipient shall cooperate with child support services to the extent of supplying all known information and documents pertaining to the location of the absent parent and taking action as may be necessary to secure or enforce a support obligation or establish paternity. This includes completing and signing documents determined to be necessary by the state's attorney for any relevant judicial or administrative process.

e. In the circumstance as described in paragraph 41.22(6)*"b"*(4), the income maintenance unit will make the determination of whether or not the applicant or recipient has cooperated. In all other instances, child support services will make the determination of whether the applicant or recipient has cooperated. Child support services delegates the income maintenance unit to make this determination for applicants.

f. Failure to cooperate will result in a sanction to the family. The sanction will be a deduction of 25 percent from the net cash assistance grant amount payable to the family before any deduction for recoupment of a prior overpayment.

(1) When the income maintenance unit determines noncooperation, the sanction will be implemented after the noncooperation has occurred. The sanction will remain in effect until the client has expressed willingness to cooperate. However, any action to remove the sanction will be delayed until cooperation has occurred.

(2) When child support services makes the determination, the sanction will be implemented upon notification from child support services to the income maintenance unit that the client has failed to cooperate. The sanction will remain in effect until the client has expressed to either income maintenance or child support services staff willingness to cooperate. However, any action to remove the sanction will be delayed until income maintenance is notified by child support services that the client has cooperated.

41.22(7) *Assignment of support payments.*

a. Each applicant for or recipient of assistance shall assign to the department any rights to support pursuant to Iowa Code section 239B.6.

b. An assignment is effective the same date all eligibility information is entered into the department's computer system and is effective for the entire period for which assistance is paid.

41.22(8) *Good cause for refusal to cooperate.* Good cause exists when it is determined that cooperation in establishing paternity and securing support is against the best interests of the child.

a. The income maintenance unit will determine that cooperation is against the child's best interest when the applicant's or recipient's cooperation in establishing paternity or securing support is reasonably anticipated to result in:

(1) Physical harm to the child for whom support is to be sought; or

(2) Emotional harm to the child for whom support is to be sought; or

(3) Physical harm to the parent or caretaker relative with whom the child is living that reduces the person's capacity to care for the child adequately; or

(4) Emotional harm to the parent or caretaker relative with whom the child is living of a nature or degree that it reduces the person's capacity to care for the child adequately.

b. The income maintenance unit will determine that cooperation is against the child's best interest when at least one of the following circumstances exists, and the income maintenance unit believes that because of the existence of that circumstance, in the particular case, proceeding to establish paternity or secure support would be detrimental to the child for whom support would be sought.

(1) The child for whom support is sought was conceived as a result of incest or forcible rape.

(2) Legal proceedings for the adoption of the child are pending before a court of competent jurisdiction.

(3) The applicant or recipient is currently being assisted by a public or licensed private social agency to resolve the issue of whether to keep the child or relinquish the child for adoption, and the discussions have not gone on for more than three months.

c. Physical harm and emotional harm shall be of a serious nature in order to justify a finding of good cause. A finding of good cause for emotional harm will be based only upon a demonstration of an emotional impairment that substantially affects the individual's functioning.

d. When the good cause determination is based in whole or in part upon the anticipation of emotional harm to the child, the parent, or the caretaker relative, the following will be considered:

(1) The present emotional state of the individual subject to emotional harm.

(2) The emotional health history of the individual subject to emotional harm.

(3) Intensity and probable duration of the emotional impairment.

(4) The degree of cooperation required.

(5) The extent of involvement of the child in the paternity establishment or support enforcement activity to be undertaken.

41.22(9) *Claiming good cause.* Each applicant for or recipient of the FIP who is required to cooperate with child support services will have the opportunity to claim good cause for refusing to cooperate in establishing paternity or securing support payments.

a. Before requiring cooperation, the income maintenance unit will notify the applicant or recipient using a form prescribed by the department of the right to claim good cause as an exception to the cooperation requirement and of all the requirements applicable to a good cause determination.

b. The initial notice advising of the right to refuse to cooperate for good cause will:

(1) Advise the applicant or recipient of the potential benefits the child may derive from the establishment of paternity and securing support.

(2) Advise the applicant or recipient that by law cooperation in establishing paternity and securing support is a condition of eligibility for the FIP.

(3) Advise the applicant or recipient of the sanctions provided for refusal to cooperate without good cause.

(4) Advise the applicant or recipient that good cause for refusal to cooperate may be claimed; and that if the income maintenance unit determines, in accordance with these rules, that there is good cause, the applicant or recipient will be excused from the cooperation requirement.

(5) Advise the applicant or recipient that upon request, or following a claim of good cause, the income maintenance unit will provide further notice with additional details concerning good cause.

c. When the applicant or recipient makes a claim of good cause or requests additional information regarding the right to file a claim of good cause, the income maintenance unit will issue a second notice on a form prescribed by the department. To claim good cause, the applicant or recipient shall sign and date this form and return it to the income maintenance unit. This form:

(1) Indicates that the applicant or recipient must provide corroborative evidence of a good cause circumstance and must, when requested, furnish sufficient information to permit the income maintenance unit to investigate the circumstances.

(2) Informs the applicant or recipient that, upon request, the income maintenance unit will provide reasonable assistance in obtaining the corroborative evidence.

(3) Informs the applicant or recipient that on the basis of the corroborative evidence supplied and the department's investigation when necessary, the income maintenance unit will determine whether cooperation would be against the best interest of the child for whom support would be sought.

(4) Lists the circumstances under which cooperation may be determined to be against the best interests of the child.

(5) Informs the applicant or recipient that child support services may review the income maintenance unit's findings and basis for a good cause determination and may participate in any hearings concerning the issue of good cause.

(6) Informs the applicant or recipient that child support services may attempt to establish paternity and collect support in those cases where the income maintenance unit determines that this can be done without risk to the applicant or recipient if done without the applicant's or recipient's participation.

d. The applicant or recipient who refuses to cooperate and who claims to have good cause for refusing to cooperate has the burden of establishing the existence of a good cause circumstance. Failure to meet these requirements will constitute a sufficient basis for the income maintenance unit to determine that good cause does not exist. The applicant or recipient shall:

(1) Specify the circumstances that the applicant or recipient believes provide sufficient good cause for not cooperating.

(2) Corroborate the good cause circumstances.

(3) When requested, provide sufficient information to permit an investigation.

41.22(10) *Determination of good cause.* The income maintenance unit will determine whether good cause exists for each applicant for or recipient of the FIP who claims to have good cause.

a. The applicant or recipient shall be notified by the income maintenance unit of its determination that good cause does or does not exist. The determination will:

(1) Be in writing.

(2) Contain the income maintenance unit's findings and basis for determination.

(3) Be entered in the FIP case record.

b. The determination of whether or not good cause exists will be made within 45 days from the day the good cause claim is made. The income maintenance unit may exceed this time standard only when:

(1) The case record documents that the income maintenance unit needs additional time because the information required to verify the claim cannot be obtained within the time standard, or

(2) The case record documents that the claimant did not provide corroborative evidence within the time period set forth in subrule 41.22(11).

c. When the income maintenance unit determines that good cause does not exist:

(1) The applicant or recipient will be so notified and afforded an opportunity to cooperate, withdraw the application for assistance, or have the case closed; and

(2) Continued refusal to cooperate will result in the imposition of sanctions.

d. The income maintenance unit will make a good cause determination based on the corroborative evidence supplied by the applicant or recipient only after the unit has examined the evidence and found that it actually verifies the good cause claim.

e. Before making a final determination of good cause for refusing to cooperate, the income maintenance unit will:

(1) Afford child support services the opportunity to review and comment on the findings and basis for the proposed determination, and

(2) Consider any recommendation from child support services.

f. Child support services may participate in any appeal hearing that results from an applicant's or recipient's appeal of an agency action with respect to a decision on a claim of good cause.

g. Assistance will not be denied, delayed, or discontinued pending a determination of good cause for refusal to cooperate when the applicant or recipient has specified the circumstances under which good cause can be claimed and provided the corroborative evidence and any additional information needed to establish good cause.

h. The income maintenance unit will:

(1) Periodically, but not less frequently than every six months, review those cases in which the agency has determined that good cause exists based on a circumstance that is subject to change.

(2) When it determines that circumstances have changed so that good cause no longer exists, rescind its findings and proceed to enforce the requirements pertaining to cooperation in establishing paternity and securing support.

41.22(11) *Proof of good cause.* The applicant or recipient who claims good cause shall provide corroborative evidence within 20 days from the day the claim was made. In exceptional cases where the income maintenance unit determines that the applicant or recipient needs additional time because of the difficulty in obtaining the corroborative evidence, the income maintenance unit will allow a reasonable additional period upon approval by the worker's immediate supervisor.

a. A good cause claim may be corroborated with the following types of evidence.

(1) Birth certificates or medical or law enforcement records that indicate that the child was conceived as the result of incest or forcible rape.

(2) Court documents or other records that indicate that legal proceedings for adoption are pending before a court of competent jurisdiction.

(3) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records that indicate that the putative father or absent parent might inflict physical or emotional harm on the child or caretaker relative.

(4) Medical records that indicate emotional health history and present emotional health status of the caretaker relative or the child for whom support would be sought; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the caretaker relative or the child for whom support would be sought.

(5) A written statement from a public or licensed private social agency that the applicant or recipient is being assisted by the agency to resolve the issue of whether to keep the child or relinquish the child for adoption.

(6) Sworn statements from individuals other than the applicant or recipient with knowledge of the circumstances that provide the basis for the good cause claim.

b. When, after examining the corroborative evidence submitted by the applicant or recipient, the income maintenance unit wishes to request additional corroborative evidence that is needed to permit a good cause determination, the income maintenance unit will:

(1) Promptly notify the applicant or recipient that additional corroborative evidence is needed, and

(2) Specify the type of document that is needed.

c. When the applicant or recipient requests assistance in securing corroborative evidence, the income maintenance unit will:

(1) Advise the applicant or recipient how to obtain the necessary documents, and

(2) Make a reasonable effort to obtain any specific documents that the applicant or recipient is not reasonably able to obtain without assistance.

d. When a claim is based on the applicant's or recipient's anticipation of physical harm and corroborative evidence is not submitted in support of the claim:

(1) The income maintenance unit will investigate the good cause claim when the unit believes that the claim is credible without corroborative evidence and corroborative evidence is not available.

(2) Good cause will be found when the claimant's statement and the investigation that is conducted satisfy the income maintenance unit that the applicant or recipient has good cause for refusing to cooperate.

(3) A determination that good cause exists will be reviewed and approved or disapproved by the worker's immediate supervisor and the findings will be recorded in the case record.

e. The income maintenance unit may further verify the good cause claim when the applicant's or recipient's statement of the claim together with the corroborative evidence do not provide sufficient basis for making a determination. When the income maintenance unit determines that it is necessary, the unit may conduct an investigation of good cause claims to determine that good cause does or does not exist.

f. When it conducts an investigation of a good cause claim, the income maintenance unit will:

(1) Contact the absent parent or putative father from whom support would be sought when the contact is determined to be necessary to establish the good cause claim.

(2) Prior to making the necessary contact, notify the applicant or recipient so the applicant or recipient may present additional corroborative evidence or information so that contact with the parent or putative father becomes unnecessary, withdraw the application for assistance or have the case closed, or have the good cause claim denied.

41.22(12) *Enforcement without caretaker's cooperation.* When the income maintenance unit makes a determination that good cause exists, the unit will also make a determination of whether or not child support enforcement can proceed without risk of harm to the child or caretaker relative when the enforcement or collection activities do not involve the participation of the child or caretaker.

a. Child support services will have an opportunity to review and comment on the findings and basis for the proposed determination, and the income maintenance unit will consider any recommendation from child support services.

b. The determination will:

(1) Be in writing,

(2) Contain the income maintenance unit's findings and basis for determination, and

(3) Be entered into the FIP case record.

c. When the income maintenance unit excuses cooperation but determines that child support services may proceed to establish paternity or enforce support, the income maintenance unit will notify the applicant or recipient to enable the individual to withdraw the application for assistance or have the case closed.

41.22(13) *Furnishing of social security number.* As a condition of eligibility each applicant for or recipient of and all members of the eligible group must furnish a social security account number or proof of application for a number if it has not been issued or is not known and provide the number upon its receipt. The requirement will not apply to a payee who is not a member of the eligible group.

a. Assistance will not be denied, delayed, or discontinued pending the issuance or verification of the numbers when the applicant or recipient has complied with the requirements of subrule 41.22(13).

b. When the mother of the newborn child is a current recipient, the mother shall have until the second month following the mother's discharge from the hospital to apply for a social security account number for the child.

c. When the applicant is a battered alien, as described in subrule 41.23(4), the applicant shall have until the month following the month the person receives employment authorization from the Immigration and Naturalization Service to apply for a social security account number.

41.22(14) Reserved.

41.22(15) *Requiring minor parents to live with parent or legal guardian.* A minor parent and the dependent child in the minor parent's care must live in the home of a parent or legal guardian of the minor parent in order to receive FIP benefits unless good cause for not living with the parent or legal guardian is established.

a. "Living in the home" includes living in the same apartment, same half of a duplex, same condominium or same row house as the adult parent or legal guardian. It also includes living in an apartment that is located in the home of the adult parent or legal guardian.

b. For applicants, determination of whether the minor parent and child are living with a parent or legal guardian or have good cause must be made as of the date of the first application interview as described in 441—subrule 40.24(2).

(1) If, as of the date of this interview, the minor parent and child are living with a parent or legal guardian or are determined to have good cause, the FIP application for the minor parent and child will be approved as early as seven days from receipt of the application provided they are otherwise eligible.

(2) If, as of the date of this interview, the minor parent and child are not living with a parent or legal guardian and do not have good cause, the FIP application for the minor parent and child will be denied.

c. For recipients, when changes occur, continuing eligibility will be redetermined according to 441—subrules 40.27(4) and 40.27(5).

d. A minor parent determined to have good cause for not living with a parent or legal guardian must attend the family development and self-sufficiency program or other family development as required in 441—subrule 93.4(4).

41.22(16) *Good cause for not living in the home of a parent or legal guardian.* Good cause exists when at least one of the following conditions applies:

a. The parents or legal guardian of the minor parent is deceased, missing or living in another state.

b. The physical or emotional health or safety of the minor parent or child would be jeopardized if the minor parent is required to live with the parent or legal guardian.

(1) Physical or emotional harm shall be of a serious nature in order to justify a finding of good cause.

(2) Physical or emotional harm shall include situations of documented abuse or incest.

(3) When the good cause determination is based in whole or in part upon the anticipation of emotional harm to the minor parent or child, the following will be considered:

1. The present emotional state of the individual subject to emotional harm.
2. The emotional health history of the individual subject to emotional harm.
3. Intensity and probable duration of the emotional impairment.

c. The minor parent is in a foster care supervised apartment living arrangement.

d. The minor parent is participating in the job corps solo parent program.

e. The parents or legal guardian refuses to allow the minor parent and child to return home and the minor parent is living with a specified relative, aged 21 or over, on the day of interview, and the caretaker is the applicant or payee.

f. The minor parent and child live in a maternity home or other licensed adult-supervised supportive living arrangement as defined by the department.

g. Other circumstances exist that indicate that living with the parents or legal guardian will defeat the goals of self-sufficiency and responsible parenting. Situations that appear to meet this good cause reason must be referred to the administrator of the division of community access and eligibility, or the administrator's designee, for determination of good cause.

41.22(17) *Claiming good cause for not living in the home of a parent or legal guardian.* Each applicant or recipient who is not living with a parent or legal guardian will have the opportunity to claim good cause for not living with a parent or legal guardian.

41.22(18) *Determination of good cause for not living in the home of a parent or legal guardian.* The department will determine whether good cause exists for each applicant or recipient who claims good cause.

a. The applicant or recipient will be notified by the department of its determination that good cause does or does not exist. The determination will:

(1) Be in writing.

(2) Contain the department's findings and basis for determination.

(3) Be entered in the FIP case record.

b. When the department determines that good cause does not exist:

(1) The applicant or recipient will be so notified.

(2) The application will be denied or FIP assistance canceled.

c. The department will:

(1) Periodically, but not less frequently than every six months, review those cases in which the agency has determined that good cause exists based on a circumstance that is subject to change.

(2) When it determines that circumstances have changed so that good cause no longer exists, rescind its findings and proceed to enforce the requirements.

41.22(19) *Proof of good cause for not living in the home of a parent or legal guardian.* The applicant or recipient who claims good cause shall provide corroborative evidence to prove the good cause claim within the time frames described in 441—subrule 40.24(1) and 441—paragraph 40.27(4)*"c."*

a. A good cause claim may be corroborated by one or more of the following types of evidence:

(1) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records that indicate that the parent or legal guardian might inflict physical or emotional harm on the minor parent or child.

(2) Medical records that indicate the emotional health history and present emotional health status of the minor parent or child; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the minor parent or child.

(3) Sworn statements from individuals other than the applicant or recipient with knowledge of the circumstances that provide the basis for the good cause claim. Written statements from the client's friends or relatives are not sufficient alone to grant good cause based on physical or emotional harm, but may be used to support other evidence.

(4) Notarized statements from the parents or legal guardian or other reliable evidence to verify that the parents or legal guardian refuse to allow the minor parent and child to return home.

(5) Court, criminal, child protective services, social services or other records that verify that the parents or legal guardian of the minor parent is deceased, missing or living in another state, or that the minor parent is in a foster care supervised apartment living arrangement, the job corps solo parent program, maternity home or other licensed adult-supervised supportive living arrangement.

b. When, after examining the corroborative evidence submitted by the applicant or recipient, the department wishes to request additional corroborative evidence that is needed to permit a good cause determination, the department will:

(1) Promptly notify the applicant or recipient that additional corroborative evidence is needed.

(2) Specify the type of document that is needed.

c. When the applicant or recipient requests assistance in securing evidence, the department will:

(1) Advise the applicant or recipient how to obtain the necessary documents.

(2) Make a reasonable effort to obtain any specific documents that the applicant or recipient is not reasonably able to obtain without assistance.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.23(239B) Home, residence, citizenship, and alienage.

41.23(1) *Iowa residence.*

a. A resident of Iowa is one:

(1) Who is living in Iowa voluntarily with the intention of making that person's home there and not for a temporary purpose. A child is a resident of Iowa when living there on other than a temporary basis. Residence will not depend upon the reason for which the individual entered the state, except insofar as it may bear upon whether the individual is there voluntarily or for a temporary purpose; or

(2) Who, at the time of application, is living in Iowa, is not receiving assistance from another state, and entered Iowa with a job commitment or seeking employment in Iowa, whether or not currently employed. Under this definition the child is a resident of the state in which the caretaker is a resident.

b. Residence is retained until abandoned. Temporary absence from Iowa, with subsequent returns to Iowa, or intent to return when the purposes of the absence have been accomplished, does not interrupt continuity of residence.

41.23(2) *Suitability of home.* The home will be deemed suitable until the court has ruled it unsuitable and, as a result of such action, the child has been removed from the home.

41.23(3) *Absence from the home.*

a. An individual who is absent from the home will not be included in the assistance unit, except as described in paragraph 41.23(3)*"b."*

(1) A parent who is a convicted offender but is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday is considered absent from the home.

(2) A parent whose absence from the home is due solely to a pattern of employment is not considered to be absent.

(3) A parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States is considered absent from the home, notwithstanding the provisions of subrule 41.22(5). "Uniformed service" means the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

b. The needs of an individual who is temporarily out of the home are included in the eligible group, if otherwise eligible. A temporary absence exists in the following circumstances:

(1) An individual is anticipated to be in the medical institution for less than a year, as verified by a physician's statement. Failure to return within one year will result in the individual's needs being removed from the grant.

(2) An individual is out of the home to secure education or training, as described for children in paragraph 41.24(2)*"e"* and for adults in rule 441—93.8(239B), first sentence, as long as the caretaker relative retains supervision of the child.

(3) An individual is out of the home for reasons other than reasons in subparagraphs 41.23(3)*"b"*(1) and *"b"*(2) and the payee intends that the individual will return to the home within three months. Failure to return within three months will result in the individual's needs being removed from the grant.

41.23(4) *Battered aliens.* A person who meets the conditions of eligibility under Iowa Code sections 239B.2 and 239B.2B is eligible for participation in the FIP.

41.23(5) *Citizenship and alienage.*

a. Eligible status. An FIP assistance grant may include the needs of a citizen or national of the United States or a "qualified alien" as defined in rule 441—40.21(239B).

(1) A person who is a "qualified alien" as defined in rule 441—40.21(239B) is not eligible for FIP assistance for a five-year period beginning on the date of the person's entry into the United States with a qualified alien status.

(2) Exceptions: The five-year prohibition from FIP assistance does not apply to:

1. A qualified alien residing in the United States before August 22, 1996.
2. A battered alien as described in subrule 41.23(4).
3. A qualified alien veteran who has an honorable discharge that is not due to alienage.
4. A qualified alien who is on active duty in the Armed Forces of the United States other than active duty for training.
5. A qualified alien who is the spouse or unmarried dependent child of a qualified alien described in numbered paragraph 41.23(5)*"a"*(2)"3" or *"a"*(2)"4," including a surviving spouse who has not remarried.
6. A refugee admitted under Section 207 of the Immigration and Nationality Act (INA) as amended to December 31, 2024.
7. An alien granted asylum under Section 208 of the INA as amended to December 31, 2024.
8. An alien admitted as an Amerasian as described in 8 U.S.C. Section 1612(a)(2)(A)(ii)(V) as amended to December 31, 2024.
9. A Cuban/Haitian entrant as described in 8 U.S.C. Section 1641(b)(7) as amended to December 31, 2024.
10. An alien whose deportation is withheld under Section 243(h) or Section 241(b)(3) of the INA as amended to December 31, 2024.
11. An alien certified as a victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to December 31, 2024.
12. An Iraqi or Afghan immigrant treated as a refugee pursuant to Section 1244(g) of Public Law 110-181 as amended to December 20, 2010, or to Section 602(b)(8) of Public Law 111-8 as amended to December 20, 2010.

b. Attestation of status. As a condition of eligibility, an attestation of citizenship or alien status shall be made for all applicants and recipients on an application form, a review form, or another attestation form prescribed by the department. A review form prescribed by the department may be used to attest to the citizenship of dependent children who enter a recipient household. Failure to sign a form attesting to

citizenship when required to do so creates ineligibility for the entire eligible group. The attestation may be signed by:

(1) The applicant;

(2) Someone acting responsibly on the applicant's or recipient's behalf if the applicant or recipient is incompetent or incapacitated; or

(3) Any adult member of the assistance unit, when eligibility is determined on a family or household basis.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.24(239B) Promoting independence and self-sufficiency through employment job opportunities and basic skills (PROMISE JOBS) program. All persons in an FIP household will be referred to the PROMISE JOBS program, as defined in rule 441—93.1(239B), and shall enter into a family investment agreement (FIA) as a condition of receiving FIP unless exempt from referral, except as described in subrule 41.24(2).

41.24(1) *FIA-responsible persons.* The following persons are FIA-responsible unless the department determines the person is exempt:

a. All persons whose needs are included in a grant under the FIP program.

b. Any parent living in the home of a child receiving a grant.

c. All FIP applicants unless the department determines that the applicant is exempt or does not meet other FIP eligibility requirements.

d. Applicants who have chosen and are in an active limited benefit plan (LBP). FIA-responsible applicants in an active LBP shall complete significant contact with or action in regard to PROMISE JOBS as described in paragraphs 41.24(8)*"d"* and *"e"* for FIP eligibility to be considered. For two-parent households, both parents must participate as previously stated except when one parent is exempt. Exceptions:

(1) The applicant has become exempt from PROMISE JOBS.

(2) The applicant is in a subsequent LBP and it is prior to the last day of the six-month period of ineligibility.

41.24(2) *Exemptions.* The following persons are exempt from referral:

a. and *b.* Reserved.

c. A person who is under the age of 16 and is not a parent.

d. A person found eligible for supplemental security income (SSI) benefits based on disability or blindness.

e. A person who is aged 16 to 19, is not a parent, and attends an elementary, a secondary or an equivalent level of vocational or technical school full-time. For persons who lose exempt status for not attending school, once the person has signed an FIA, the person will remain referred to PROMISE JOBS and subject to the terms of the agreement.

(1) A person will be considered to be attending school full-time when enrolled or accepted in an elementary school, a secondary school, or the equivalent level of vocational or technical school or training leading to a certificate or diploma, and the school certifies the person's attendance as full-time. Enrollment in a correspondence school that gives instruction courses by mail is not an allowable program of study.

(2) A person will also be considered to be in regular attendance in months when the person is not attending because of an official school or training program vacation, an illness, a convalescence, or a family emergency.

(3) A child meets the definition of regular school attendance until the child has been officially dropped from the school rolls.

f. A person who is not a United States citizen and is not a "qualified alien" as defined in 441—40.21(239B).

41.24(3) *Parents aged 19 and under.*

a. Unless exempt as described in subrule 41.24(2), parents aged 18 or 19 are referred to PROMISE JOBS as follows:

(1) A parent aged 18 or 19 who has not successfully completed a high school education (or its equivalent) will be required to participate in educational activities, directed toward the attainment of a high school diploma or its equivalent.

(2) The parent will be required to participate in other PROMISE JOBS options if the person fails to make good progress in completing educational activities or if it is determined that participation in educational activities is inappropriate for the parent.

(3) The parent will be required to participate in parenting skills training in accordance with 441—Chapter 93.

b. Unless exempt as described in subrule 41.24(2), parents aged 17 or younger are referred to PROMISE JOBS as follows:

(1) A parent aged 17 or younger who has not successfully completed a high school education or its equivalent will be required to participate in high school completion activities, directed toward the attainment of a high school diploma or its equivalent.

(2) The parent will be required to participate in parenting skills training in accordance with 441—Chapter 93.

41.24(4) *Method of referral.* The department will refer each FIA-responsible person as defined in subrule 41.24(1) to PROMISE JOBS to sign an FIA.

a. FIA-responsible applicants. During the application interview, the department will notify the applicant of the requirement to sign an FIA as a condition of FIP eligibility. The department will refer the applicant by scheduling the applicant for an appointment with the PROMISE JOBS provider agency to develop the FIA.

(1) The appointment will be on the earliest available date but no later than ten calendar days from the date of referral unless the applicant requests an appointment on a day that is beyond ten calendar days. The PROMISE JOBS provider agency shall make sufficient appointment times available to allow the applicant to be scheduled within this time frame.

(2) The applicant will be notified verbally and in writing of the scheduled appointment. If the notice of a scheduled appointment is mailed to the applicant, the department will allow at least five working days from the date the notice is mailed for the applicant to appear for the scheduled appointment. The department may allow less than five working days if the applicant is verbally notified and agrees to the appointment.

(3) If a parent fails to appear for an appointment without rescheduling or fails to sign an FIA, the department will deny FIP assistance for the entire family.

(4) If a minor parent fails to appear for an appointment without rescheduling or fails to sign an FIA, the department will deny FIP assistance for the minor parent and any child of the minor parent.

(5) If a referred person who is not a parent fails to appear for an appointment without rescheduling or fails to sign an FIA, the department will deny FIP assistance only for that person.

b. Hardship applicants. While the eligibility decision is pending, unless the applicants are exempt from referral as defined in subrule 41.24(2), the department will refer applicants who must qualify for a hardship exemption before approval of FIP to PROMISE JOBS to sign an FIA as described in paragraph 41.24(4)*"a"* and will treat applicants in accordance with subrule 41.30(3).

c. Applicants in an LBP. The department will refer FIA-responsible applicants to PROMISE JOBS as described in paragraph 41.24(4)*"a"* and inform the applicant of the actions needed to reconsider and end the LBP as described in subrule 41.24(8). Failure to appear for the appointment without rescheduling or failure to sign an FIA results in denial of the FIP application.

d. FIP participants who become FIA-responsible. When a person receiving FIP is no longer exempt, the department will send the FIP participant a notice. The notice will contain information about the requirement to sign an FIA and will instruct the FIP participant to contact PROMISE JOBS within ten calendar days to schedule an appointment with PROMISE JOBS to develop an FIA. If the participant fails to schedule or attend the appointment or fails to sign an FIA, PROMISE JOBS will send a clear written reminder. After one written reminder as described in 441—paragraph 93.3(3)*"b,"* the participant will enter into an LBP as described in paragraph 41.24(8)*"c."*

41.24(5) *Changes in status and redetermination of exempt status.* Any exempt person shall report any change affecting the exempt status to the department within ten days of the change. The department will reevaluate exempt persons when changes in status occur and at the time of six-month or annual review. The participant and the PROMISE JOBS unit will be notified of any change in a participant's exempt status.

41.24(6) Reserved.

41.24(7) *Referral to vocational rehabilitation.* The department will make the department of education, division of vocational rehabilitation services, aware of any person who is referred to PROMISE JOBS and who has a medically determined physical or mental disability and a substantial employment limitation resulting from the disability. However, acceptance of vocational rehabilitation services by the client is optional.

41.24(8) *LBP.* When a participant responsible for signing and meeting the terms of an FIA chooses not to sign or fulfill the terms of the agreement, the FIP assistance unit or the individual participant will enter into an LBP. An LBP is considered imposed as of the date that a "timely" and "adequate notice" is issued to the participant as defined in rules 441—16.1(17A) and 441—16.2(17A). Once the LBP is imposed, FIP eligibility no longer exists as of the first of the month after the month in which timely and adequate notice is given to the participant. Upon the issuance of the notice to impose an LBP, the person who chose the LBP can reconsider and end the LBP, but only as described in paragraphs 41.24(8)*"d"* and *"e."*

a. An LBP shall either be a first LBP or a subsequent LBP. From the effective date of a first LBP, the FIP-eligible group or individual participant shall not be eligible until the participant who chose the LBP completes significant contact with or action in regard to the PROMISE JOBS program as defined in paragraph 41.24(8)*"d."* If a subsequent LBP is chosen by the same participant, a six-month period of ineligibility applies to the FIP-eligible group or individual participant and ineligibility continues after the six-month period is over until the participant who chose the LBP completes significant contact with or action in regard to the PROMISE JOBS program as defined in paragraph 41.24(8)*"e."* An LBP imposed in error as described in paragraph 41.24(8)*"g"* shall not be considered an LBP and shall not count when determining whether a household is subject to a subsequent LBP.

b. The LBP shall be applied to participants responsible for the FIA and other members of the participant's family as follows:

(1) When the participant responsible for the FIA is a parent, the LBP shall apply to the entire FIP-eligible group as defined in subrule 41.28(1).

(2) When the participant choosing an LBP is a needy specified relative or a dependent child's stepparent who is in the FIP-eligible group because of incapacity, the LBP shall apply only to the individual participant choosing the plan. Exception: The LBP shall apply to the entire FIP-eligible group as defined in subrule 41.28(1) when a needy specified relative who assumes the role of parent was responsible for the FIA and chose an LBP effective October 1, 2005, or earlier.

(3) When the FIP-eligible group includes a minor parent living with the minor parent's adult parent or needy specified relative who receives FIP benefits and both the minor parent and the adult parent or needy specified relative are responsible for developing an FIA, each parent or needy specified relative is responsible for a separate FIA, and the LBP shall be applied as follows:

1. When the adult parent chooses the LBP, the requirements of the LBP shall apply to the entire eligible group, even though the minor parent has not chosen the LBP. However, the minor parent may reapply for FIP benefits as a minor parent living with self-supporting parents or as a minor parent living independently and continue in the FIA process.

2. When the minor parent chooses the LBP, the requirements of the LBP shall apply to the minor parent and any child of the minor parent.

3. When the minor parent is the only eligible child in the adult parent's or needy specified relative's home and the minor parent chooses the LBP, the adult parent's or needy specified relative's FIP eligibility ceases in accordance with subrule 41.28(1). The adult parent or needy specified relative shall become ineligible beginning with the effective date of the minor parent's LBP.

4. When the needy specified relative chooses the LBP, the requirements of the LBP shall apply as described in subparagraph 41.24(8)*"b"*(2).

(4) When the FIP-eligible group includes children who are FIA-responsible, the children shall not have a separate FIA but shall be asked to sign the eligible group's FIA and to carry out the responsibilities of that FIA. An LBP shall be applied as follows:

1. When the parent or needy specified relative responsible for an FIA meets those responsibilities but a child who is FIA-responsible chooses an individual LBP, the LBP shall apply only to the individual child choosing the plan.

2. When the child who chooses an LBP under numbered paragraph 41.24(8)*"b"*(4)"1" is the only child in the eligible group, the parents' or needy specified relative's eligibility ceases in accordance with subrule 41.28(1). The parents or needy specified relative shall become ineligible beginning with the effective date of the child's LBP.

(5) When the FIP-eligible group includes parents or needy specified relatives who are exempt from PROMISE JOBS participation and children who are FIA-responsible, the children are responsible for completing an FIA. If a child who is FIA-responsible chooses the LBP, the LBP shall be applied in the manner described in subparagraph 41.24(8)*"b"*(4).

(6) When both parents of an FIP child are in the home, an LBP shall be applied as follows:

1. When only one parent of a child in the eligible group is responsible for an FIA and that parent chooses the LBP, the LBP applies to the entire family and cannot be ended by the voluntary participation in an FIA by the exempt parent.

2. When both parents of a child in the eligible group are responsible for an FIA, both are expected to sign the agreement. If either parent chooses the LBP, the LBP cannot be ended by the participation of the other parent in an FIA.

3. When the parents from a two-parent family in an LBP separate, the LBP shall follow only the parent who chose the LBP and any children in the home of that parent.

4. A subsequent LBP applies when either parent in a two-parent family previously chose an LBP.

c. A participant shall be considered to have chosen an LBP under any of the following circumstances:

(1) A participant who loses exempt status and is referred to PROMISE JOBS as described in paragraph 41.24(4)*"d"* and who does not schedule or attend an appointment for orientation and development of an FIA with PROMISE JOBS after PROMISE JOBS sends one clear written reminder as described in 441—paragraph 93.3(3)*"b"* shall enter into the LBP.

(2) A participant who chooses not to sign the FIA shall enter into the LBP. For an applicant, signing an FIA is an FIP eligibility requirement. If an applicant chooses not to sign the agreement, the LBP process is not applicable.

(3) A participant who signs an FIA but does not carry out the FIA responsibilities shall enter into an LBP whether the person signed the agreement as an FIP applicant or as an FIP participant. This includes a participant who fails to respond to the PROMISE JOBS worker's request to renegotiate the FIA when the participant has not attained self-sufficiency by the date established in the FIA. An LBP shall be imposed regardless of whether the request to renegotiate is made before or after expiration of the FIA.

d. Reconsideration of a first LBP. A person who chooses a first LBP may reconsider at any time from the date timely and adequate notice is issued establishing the LBP. To reconsider and end the LBP, the person must communicate the desire to engage in PROMISE JOBS activities to the department or appropriate PROMISE JOBS office and develop and sign the FIA.

(1) Since a first LBP is considered imposed as of the date that a timely and adequate notice is issued, the person who chose the LBP cannot end it by complying with the issue that resulted in its imposition. To end the LBP, the person must also sign an FIA, even if the person had signed an agreement before choosing the LBP.

(2) FIP benefits shall be effective the date the FIA is signed or the effective date of the grant as described in rule 441—40.26(239B), whichever date is later. FIP benefits may be reinstated in accordance with 441—subrule 40.22(5) when the FIA is signed before the effective date of a first LBP.

e. Reconsideration of a subsequent LBP. A person who chooses a subsequent LBP may reconsider that choice at any time following the required six-month period of ineligibility.

(1) A subsequent LBP is considered imposed as of the date that a timely and adequate notice is issued to establish the LBP. Therefore, once timely and adequate notice is issued, the person who chose the LBP cannot end it by complying with the issue that resulted in its imposition.

(2) FIP eligibility no longer exists as of the effective date of the LBP. Eligibility cannot be reestablished until the six-month period of ineligibility has expired. FIP eligibility does not exist for a person who reapplies for FIP after the notice is issued and before the effective date of the LBP because the person is not eligible to sign an FIA until the six-month period of ineligibility has expired.

(3) To reconsider and end the LBP, the person must:

1. Contact the department or the appropriate PROMISE JOBS office to communicate the desire to engage in PROMISE JOBS activities,

2. Sign a new or updated FIA, and

3. Satisfactorily complete 20 hours of employment or the equivalent in an activity other than work experience or unpaid community service unless problems as described in rule 441—93.14(239B) or barriers as described in 441—subrule 93.4(5) apply. The 20 hours of employment or other activity must be completed within 30 days of the date that the FIA is signed unless problems as described in rule 441—93.14(239B) or barriers as described in 441—subrule 93.4(5) apply.

(4) FIP benefits shall not begin until the person who chose the LBP completes the previously defined significant actions. FIP benefits shall be effective the date the FIA is signed or the effective date of the grant as described in rule 441—40.26(239B), whichever date is later, but in no case shall the effective date be within the six-month period of ineligibility.

f. Reconsideration by two-parent family. For a two-parent family when both parents are responsible for an FIA as described in subrule 41.24(1), a first or subsequent LBP continues until both parents have completed significant contact or action with the PROMISE JOBS program as described in paragraphs 41.24(8)*"d"* and *"e."*

g. LBP imposed in error. An LBP imposed in error will not be considered an LBP. This includes any instance when participation in PROMISE JOBS should not have been required as described in the administrative rules. Examples of instances when an error has occurred are:

(1) The person was exempt from PROMISE JOBS participation at the time the person chose the LBP.

(2) It is verified that the person considered to have chosen the LBP moved out of state or requested cancellation of FIP prior to the date that PROMISE JOBS determined the LBP was chosen.

(3) The final appeal decision under 441—Chapter 2506 reverses the decision to impose an LBP.

(4) It is determined that the entire amount of assistance issued for the person who chose the LBP is subject to recoupment for the month when the person chose not to fulfill the terms of the FIA.

(5) The person informs PROMISE JOBS of a newly revealed problem as described in rule 441—93.14(239B) or barrier as described in 441—subrule 93.4(5) after the LBP is imposed, and it is reasonable that the problem or barrier contributed to a failure that resulted in imposition of the LBP. The person may be required to provide documentation of the problem or barrier as described in 441—subrule 93.10(3).

41.24(9) Reserved.

41.24(10) *Notification of services.*

a. The department will inform all applicants for and recipients of FIP of the advantages of employment under FIP.

b. The department will provide a full explanation of the family rights, responsibilities, and obligations under PROMISE JOBS and the FIA, with information on the time-limited nature of the agreement.

c. The department will provide information on the employment, education and training opportunities, and support services to which they are entitled under PROMISE JOBS, as well as the obligations of the department. This information will include explanations of child care assistance and transitional Medicaid.

d. The department will inform applicants for and recipients of FIP benefits of the grounds for exemption from FIA responsibility and from participation in the PROMISE JOBS program.

e. The department will explain the LBP and the process by which FIA-responsible persons can choose the LBP.

f. The department will inform all applicants for and recipients of FIP of their responsibility to cooperate in establishing paternity and enforcing child support obligations.

g. The department will inform applicants for FIP benefits that an FIA must be signed before FIP approval as a condition of eligibility, except as described in subrule 41.24(2).

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—41.25(239B) Uncategorized factors of eligibility.

41.25(1) Reserved.

41.25(2) *Duplication of assistance.* A recipient whose needs are included in an FIP grant shall not concurrently receive a grant under any other public assistance program administered by the department, including IV-E foster care, state-funded foster care or kinship caregiver program payments.

a. A recipient shall not concurrently receive the FIP and subsidized adoption unless exclusion of the person from the FIP grant will reduce benefits to the family.

b. When an FIP recipient is approved for foster care or subsidized adoption assistance while remaining in the same home, FIP assistance will be canceled effective the first day of the next calendar month following the date approval of the foster care or subsidized adoption payment is successfully entered into the department's computer system. FIP assistance for the month for which the foster care or subsidized adoption payment is approved or any past months for which foster care or subsidized adoption payments are made retroactively will not be subject to recoupment.

c. A recipient shall not concurrently receive a grant from a public assistance program in another state.

d. When a recipient leaves the home of a specified relative, no payment for a concurrent period will be made for the same recipient in the home of another relative.

41.25(3) *Aid from other funds.* Supplemental aid from any other agency or organization is limited to aid for items of need not covered by the department's standards and to the amount of the percentage reduction used in determining the payment level. Any duplicated assistance will be considered unearned income.

41.25(4) *Contracts for support.* A person entitled to total support under the terms of an enforceable contract is not eligible to receive the FIP when the other party, obligated to provide the support, is able to fulfill that part of the contract.

41.25(5) *Participation in a strike.*

a. The family of any parent with whom the child(ren) is living will be ineligible for the FIP for any month in which the parent is participating in a strike on the last day of the month.

b. Any individual will be ineligible for the FIP for any month in which the individual is participating in a strike on the last day of that month.

c. Definitions:

(1) A strike is a concerted stoppage of work by employees (including a stoppage by reason of expiration of a collective bargaining agreement) and any concerted slowdown or other concerted interruption of operations by employees.

(2) An individual is not participating in a strike at the individual's place of employment when the individual is not picketing and does not intend to picket during the course of the dispute, does not draw strike pay, and provides a signed statement that the individual is willing and ready to return to work but does not want to cross the picket line solely because of the risk of personal injury or death or trauma from harassment. The eligibility determination manager will determine whether such a risk to the individual's physical or emotional well-being exists.

41.25(6) *Graduate students.* The entire assistance unit is ineligible for FIP when a member of the assistance unit is enrolled in an educational program leading to a degree beyond a bachelor's degree.

41.25(7) through **41.25(9)** Reserved.

41.25(10) *Fugitive felons, and probation and parole violators.* Assistance will be denied to a person who is (1) convicted of a felony under state or federal law and is fleeing to avoid prosecution, custody or confinement, or (2) violating a condition of probation or parole imposed under state or federal law. The prohibition does not apply to conduct pardoned by the President of the United States, beginning with the month after the pardon is given.

41.25(11) *Access to benefits.* As a condition of eligibility, applicants and recipients must agree in writing to not use an electronic access card at prohibited locations. By signing an application or review form prescribed by the department, the applicant, the applicant's authorized representative or, when the applicant is incompetent or incapacitated, someone acting responsibly on the applicant's behalf agrees to this condition of eligibility. When both parents, or a parent and a stepparent, are in the home and eligibility is determined on a family or household basis, one parent or stepparent may sign the application and agree to this condition for the assistance unit. Failure to sign a form agreeing to not use the electronic access card at prohibited locations creates ineligibility for the entire eligible group.

a. A recipient shall not use the recipient's electronic access card issued pursuant to 441—subrule 45.21(1) to access benefits at any of the following prohibited locations as defined by federal statute or regulation applicable to this prohibition and as further defined in rule 441—40.21(239B):

(1) A liquor store,

(2) A casino, gambling casino, or gaming establishment, or

(3) A retail establishment that provides adult-oriented entertainment in which performers disrobe or perform in an unclothed state for entertainment.

b. When the department receives a detailed complaint or suspects that a recipient has used the recipient's electronic access card at a prohibited location, the case will be referred to the department of inspections, appeals, and licensing (DIAL) for further investigation.

c. When DIAL finds that a recipient has used the recipient's electronic access card at a prohibited location, the household that includes the recipient is:

(1) Considered to have committed a fraudulent act;

(2) Liable for any amounts accessed and any associated fees for accessing the benefits at a prohibited location and required to repay such amount in accordance with 441—Chapter 46;

(3) Ineligible for FIP for a three-month period after the first report by DIAL that includes a finding of misuse;

(4) Ineligible for FIP for a six-month period after each subsequent report by DIAL that includes a finding of misuse.

d. When parents from a two-parent family separate during an ineligibility period, if:

(1) DIAL identifies the recipient who used the electronic access card at a prohibited location, the ineligibility period will follow that recipient.

(2) DIAL does not identify the recipient who used the electronic access card at a prohibited location, the ineligibility period will follow the recipient who is the case name when the violation occurred.

e. A new period of ineligibility will be established when:

(1) A recipient files an appeal either:

1. Before the effective date of the intended action on the notice of decision or notice of action establishing the beginning date of the ineligibility period, or

2. Within ten days from the date on which a notice establishing the beginning date of the ineligibility period is received. The date on which notice is received is considered to be five days after the date on the notice, unless the beneficiary shows that the beneficiary did not receive the notice within the five-day period;

(2) Assistance is continued pending the final decision of the appeal; and

(3) The department's action is affirmed.

Assistance issued pending the final decision of an appeal is not subject to recovery pursuant to rule 441—7.17(17A).

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.26(239B) Resources.

41.26(1) *Limitation.* An applicant or recipient may have the following resources and be eligible for the FIP. Any resource not specifically exempted will be counted toward resource limitations.

a. A homestead without regard to its value. A mobile home or similar shelter will be considered as a homestead when it is occupied by the recipient. Temporary absence from the homestead with a defined purpose for the absence and with intent to return when the purpose of the absence has been accomplished will not be considered to have altered the exempt status of the homestead. Except as described in paragraph

41.26(1)*"n"* or *"o"* and paragraph 41.26(6)*"d,"* the net market value of any other real property will be considered with personal property.

b. Household goods and personal effects without regard to their value. Personal effects are personal or intimate tangible belongings of an individual, especially those that are worn or carried on the person, that are maintained in one's home, and include clothing, books, grooming aids, jewelry, hobby equipment, and similar items.

c. Life insurance that has no cash surrender value. The owner of the life insurance policy is the individual paying the premium on the policy with the right to change the policy as the individual sees fit.

d. Motor vehicles.

(1) One motor vehicle without regard to its value.

(2) An equity not to exceed a value of $4,115 in one motor vehicle for each adult and working teenage child whose resources are considered as described in subrule 41.26(2). The disregard will be allowed when the working teenager is temporarily absent from work. The equity value in excess of $4,115 of any vehicle will be counted toward the resource limit in paragraph 41.26(1)*"e."* When a motor vehicle is modified with special equipment for the handicapped, the special equipment will not increase the value of the motor vehicle.

The department will annually increase the motor vehicle equity value to be disregarded by the latest increase in the consumer price index for used vehicles during the previous state fiscal year.

e. A reserve of other property, real or personal, not to exceed $2,000 for applicant assistance units and $5,000 for recipient assistance units. Exception: Applicant assistance units with at least one member who was a recipient in Iowa in the month prior to the month of application are subject to the $5,000 limit. The exception includes those persons who did not receive an assistance grant due to the limitations described in rules 441—45.26(239B) and 441—45.27(239B).

Resources of the applicant or the recipient will be determined in accordance with subrule 41.26(2).

f. Money that is counted as income in a month, during that same month; and that part of lump sum income defined in subparagraph 41.27(9)*"c"*(2) reserved for the current or future month's income.

g. Payments that are exempted for consideration as income and resources under subrule 41.27(6).

h. An equity not to exceed $1,500 in one funeral contract or burial trust for each member of the eligible group. Any amount in excess of $1,500 will be counted toward resource limitations unless it is established that the funeral contract or burial trust is irrevocable.

i. One burial plot for each member of the eligible group. A burial plot is defined as a conventional gravesite, crypt, mausoleum, urn, or other repository that is customarily and traditionally used for the remains of a deceased person.

j. Settlements for payment of medical expenses.

k. Life estates.

l. Federal or state earned income tax credit payments in the month of receipt and the following month, regardless of whether these payments are received with the regular paychecks or as a lump sum with the federal or state income tax refund.

m. The balance in an individual development account (IDA), including interest earned on the IDA.

n. An equity not to exceed $10,000 for tools of the trade or capital assets of self-employed households.

When the value of any resource is exempted in part, that portion of the value that exceeds the exemption will be considered in computing whether the eligible group's property is within the reserve defined in paragraph 41.26(1)*"e."*

o. Nonhomestead property that produces income consistent with the property's fair market value.

41.26(2) *Persons considered.*

a. Resources of persons in the eligible group will be considered in establishing property limitations.

b. Resources of the parent who is living in the home with the eligible child(ren) but whose needs are excluded from the eligible group will be considered in the same manner as if the parent were included in the eligible group.

c. Resources of the stepparent living in the home will not be considered when determining eligibility of the eligible group, with one exception: The resources of a stepparent included in the eligible group will be considered in the same manner as a parent.

d. The resources of supplemental security income recipients will not be counted in establishing property limitations.

e. The resources of a nonparental relative who elects to be included in the eligible group will be considered in the same manner as a parent.

41.26(3) *Homestead defined.* The homestead consists of the house, used as a home, and may contain one or more contiguous lots or tracts of land, including buildings and appurtenances. When within a city plat, it will not exceed ½-acre in area. When outside a city plat, it will not contain, in the aggregate, more than 40 acres. When property used as a home exceeds these limitations, the equity value of the excess property will be determined in accordance with subrule 41.26(5).

41.26(4) *Liquidation.* When proceeds from the sale of resources or conversion of a resource to cash, together with other nonexempted resources, exceed the property limitations, the recipient is ineligible to receive assistance until the amount in excess of the resource limitation has been expended unless immediately used to purchase a homestead, or reduce the mortgage on a homestead.

a. Property settlements. Property settlements that are part of a legal action in a dissolution of marriage or palimony suit are considered as resources upon receipt.

b. Property sold under installment contract. Property sold under an installment contract or held as security in exchange for a price consistent with its fair market value is exempt as a resource. If the price is not consistent with the contract's fair market value, the resource value of the installment contract is the gross price for which it can be sold or discounted on the open market, less any legal debts, claims, or liens against the installment contract.

Payments from property sold under an installment contract are exempt as income as specified in paragraphs 41.27(1)*"f"* and 41.27(7)*"aj."* The portion of any payment received representing principal is considered a resource upon receipt. The interest portion of the payment is considered a resource the month following the month of receipt.

41.26(5) *Net market value defined.* Net market value is the gross price for which property or an item can currently be sold on the open market, less any legal debts, claims, or liens against the property or item.

41.26(6) *Availability.*

a. A resource must be available in order for it to be counted toward resource limitations. A resource is considered available under the following circumstances:

(1) The applicant/recipient owns the property in part or in full and has control over it; that is, it can be occupied, rented, leased, sold, or otherwise used or disposed of at the individual's discretion.

(2) The applicant/recipient has a legal interest in a liquidated sum and has the legal ability to make the sum available for support and maintenance.

b. Reserved.

c. When property is owned by more than one person, unless otherwise established, it is assumed that all individuals hold equal shares in the property.

d. When the applicant or recipient owns nonhomestead property, the property will be considered exempt for so long as the property is publicly advertised for sale at an asking price that is consistent with its fair market value.

41.26(7) *Damage judgments and insurance settlements.*

a. Payment resulting from damage to or destruction of an exempt resource will be considered a resource to the applicant/recipient the month following the month the payment was received. When the applicant/recipient signs a legal binding commitment no later than the month after the month the payment was received, the funds will be considered exempt for the duration of the commitment providing the terms of the commitment are met within eight months from the date of commitment.

b. Payment resulting from damage to or destruction of a nonexempt resource will be considered a resource in the month following the month in which payment was received.

41.26(8) *Trusts.* The department will determine whether assets from a trust or conservatorship, except one established solely for the payment of medical expenses, are available by examining the language of the trust agreement or order establishing a conservatorship.

a. Funds clearly conserved and available for care, support, or maintenance will be considered toward resource or income limitations.

b. When the department questions whether the funds in a trust or conservatorship are available, the trust or conservatorship will be referred to the central office.

(1) When assets in the trust or conservatorship are not clearly available, central office staff may contact the trustee or conservator and request that the funds in the trust or conservatorship be made available for current support and maintenance. When the trustee or conservator chooses not to make the funds available, the department may petition the court to have the funds released either partially or in their entirety or as periodic income payments.

(2) Funds in a trust or conservatorship that are not clearly available will be considered unavailable until the trustee, conservator or court actually makes the funds available. Payments received from the trust or conservatorship for basic or special needs are considered income.

41.26(9) *Aliens sponsored by individuals.* When an alien admitted for lawful permanent residence is sponsored by a person who executed an enforceable affidavit of support as described in 8 U.S.C. Section 1631(a)(1) (as amended to December 31, 2024) on behalf of the alien, the resources of the alien will be deemed to include the resources of the sponsor (and of the sponsor's spouse if living with the sponsor). The amount of the resources of the sponsor and the sponsor's spouse deemed to the alien will be the total countable resources as described in rule 441—41.26(239B) remaining after a $1,500 deduction is subtracted. The following are exceptions to deeming of a sponsor's resources:

a. Deeming of the sponsor's resources does not apply when:

(1) The sponsored alien attains citizenship through naturalization pursuant to Chapter 2 of Title III of the Immigration and Nationality Act (as amended to December 31, 2024);

(2) The sponsored alien has earned 40 qualifying quarters of coverage as defined in Title II of the Social Security Act (as amended to December 31, 2024) or can be credited with 40 qualifying quarters as defined in rule 441—40.21(239B); or

(3) The sponsored alien or the sponsor dies.

b. An indigent alien is exempt from the deeming of a sponsor's resources for 12 months after indigence is determined. An alien will be considered indigent if:

(1) The alien does not live with the sponsor; and

(2) The alien's gross income, including any income received from or made available by the sponsor, is less than 100 percent of the federal poverty level for the sponsored alien's household size.

c. A battered alien as described in 8 U.S.C. Section 1641(c) (as amended to December 31, 2024) is exempt from the deeming of a sponsor's resources for 12 months.

41.26(10) *Not considered a resource.* Inventories and supplies, exclusive of capital assets, that are required for self-employment will not be considered a resource. Inventory is defined as all unsold items, whether raised or purchased, that are held for sale or use and may include merchandise, grain held in storage, livestock raised for sale, and other unsold inventory. Supplies are items necessary for the operation of the enterprise, such as lumber, paint and seed. Capital assets are those assets that, if sold at a later date, could be used to claim capital gains or losses for federal income tax purposes. When self-employment is temporarily interrupted due to circumstances beyond the control of the household, such as illness, any inventory or supplies retained by the household will not be considered a resource.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.27(239B) Income. All unearned and earned income, unless specifically exempted, disregarded, deducted for work expenses, or diverted as defined in these rules, will be considered in determining initial and continuing eligibility and the amount of the FIP grant.

1. The determination of initial eligibility is a three-step process. Initial eligibility will be granted only when (1) the countable gross nonexempt unearned and earned income, exclusive of the FIP grant, received by the eligible group and available to meet the current month's needs is no more than 185 percent of the standard of need for the eligible group; (2) the countable net unearned and earned income is less than

the standard of need for the eligible group; and (3) the countable net unearned and earned income, after applying allowable disregards, is less than the payment standard for the eligible group.

2. The determination of continuing eligibility is a two-step process. Continuing eligibility will be granted only when (1) countable gross nonexempt income, as described for initial eligibility, does not exceed 185 percent of the standard of need for the eligible group; and (2) countable net unearned and earned income is less than the payment standard for the eligible group.

3. The amount of the FIP grant will be determined by subtracting countable net income from the payment standard for the eligible group. Child support assigned to the department in accordance with subrule 41.22(7) and retained by the department as described in subparagraph 41.27(1)*"h"*(2) will be considered as exempt income for the purpose of determining continuing eligibility. Deductions and diversions will be allowed when verification is provided.

41.27(1) *Unearned income.* Unearned income is any income in cash that is not gained by labor or service. When taxes are withheld from unearned income, the amount considered will be the net income after the withholding of taxes (Federal Insurance Contribution Act, state and federal income taxes). Net unearned income will be determined by deducting reasonable income-producing costs from the gross unearned income. Money left after this deduction will be considered gross income available to meet the needs of the eligible group.

a. Social security income is the amount of the entitlement before withholding of a Medicare premium.

b. through *e.* Reserved.

f. When the applicant or recipient sells property on contract, proceeds from the sale will be considered exempt as income. The portion of any payment that represents principal is considered a resource upon receipt as defined in subrule 41.26(4). The interest portion of the payment is considered a resource the month following the month of receipt.

g. Every person in the eligible group and any parent living in the home of a child in the eligible group will take all steps necessary to apply for and, if entitled, accept any financial benefit for which that person may be qualified, even though the benefit may be reduced because of the laws governing a particular benefit. When the person claims a physical or mental disability that is expected to last continuously for 12 months from the time of the claim or to result in death and the person is unable to engage in substantial activity due to the disability, or the person otherwise appears eligible, as the person is aged 65 or older or is blind, the person shall apply for social security benefits and supplemental security income benefits.

(1) Except as described in subparagraph 41.27(1)*"g"*(2), the needs of any person who refuses to take all steps necessary to apply for and, if eligible, to accept other financial benefits will be removed from the eligible group. The person remains eligible for the work incentive disregard described in paragraph 41.27(2)*"c."*

(2) The entire assistance unit is ineligible for FIP when a person refuses to apply for or, if entitled, to accept social security or supplemental security income. For applicants, this subparagraph applies to those who apply on or after July 1, 2002. For FIP recipients, this subparagraph applies at the time of the next six-month or annual review as described in 441—subrule 40.27(1) or when the recipient reports a change that may qualify a person in the eligible group or a parent living in the home for these benefits, whichever occurs earlier.

h. Support payments in cash will be considered as unearned income in determining initial and continuing eligibility.

(1) Any nonexempt cash support payment for a member of the eligible group, made while the application is pending, will be treated as unearned income and deducted from the initial assistance grant(s). Any cash support payment for a member of the eligible group, except as described in paragraph 41.27(7) *"p,"* received by the recipient after the date of decision as defined in 441—subrule 40.24(4) will be refunded to child support services.

(2) Assigned support collected in a month and retained by child support recovery will be exempt as income for determining prospective or retrospective eligibility. Participants will have the option of withdrawing from FIP at any time and receiving their child support direct.

i. The applicant or recipient shall cooperate in supplying verification of all unearned income as defined in 441—paragraph 40.24(1)*"b"* and 441—subrule 40.27(4). When the information is available, the department will verify unemployment insurance benefits by using information supplied to the department by the department of workforce development. When the client notifies the department that the amount of unemployment insurance benefits used is incorrect, the client will be allowed to verify the discrepancy. A payment adjustment will be made when indicated. Recoupment will be made for any overpayment. The client must report the discrepancy prior to the payment month or within ten days of the date on the Notice of Decision applicable to the payment month, whichever is later, in order to receive a payment adjustment.

41.27(2) *Earned income.* Earned income is defined as income in the form of a salary, wages, tips, bonuses, commissions earned as an employee, income from Job Corps, or profit from self-employment. Earned income from commissions, wages, tips, bonuses, Job Corps, or salary means the total gross amount irrespective of the expenses of employment. Income will be considered earned income when it is produced as a result of the performance of services by an individual.

a. Earned income deduction. Each person in the assistance unit whose gross nonexempt earned income, earned as an employee or net profit from self-employment, is considered in determining eligibility and the amount of the assistance grant is entitled to one 20 percent earned income deduction of nonexempt monthly gross earnings. The deduction is intended to include all work-related expenses other than child care. These expenses will include all of the following: taxes, transportation, meals, uniforms, and other work-related expenses.

b. Reserved.

c. Work incentive disregard. After deducting the allowable work-related expenses as defined in paragraph 41.27(2)*"a"* and income diversions as defined in subrules 41.27(4) and 41.27(8), the department will disregard 58 percent of the total of the remaining monthly nonexempt earned income, earned as an employee or the net profit from self-employment, of each person whose income will be considered in determining eligibility and the amount of the assistance grant.

(1) The work incentive disregard is not time-limited.

(2) Initial eligibility is determined without the application of the work incentive disregard as described in subparagraphs 41.27(9)*"a"*(2) and *"a"*(3).

d. Self-employment. A person is considered self-employed when the person:

(1) Is not required to report to the office regularly except for specific purposes such as sales training meetings, administrative meetings, or evaluation sessions.

(2) Establishes the person's own working hours, territory, and methods of work.

(3) Files quarterly reports of earnings, withholding payments, and FICA payments to the Internal Revenue Service.

e. Self-employment income. Earned income from self-employment as defined in paragraph 41.27(2)*"d"* means the net profit from self-employment. "Net profit" means gross self-employment income less:

(1) Forty percent of the gross income to cover the costs of producing the income, or

(2) At the request of the applicant or recipient, actual expenses determined in the manner specified in paragraph 41.27(2)*"f."*

f. Deduction of self-employment expenses. When the applicant or recipient requests that actual expenses be deducted, the net profit from self-employment income will be determined by deducting only the following expenses that are directly related to the production of the income:

(1) The cost of inventories and supplies purchased that are required for the business, such as items for sale or consumption and raw materials.

(2) Wages, commissions, and mandated costs relating to the wages for employees of the self-employed.

(3) The cost of shelter in the form of rent; the interest on mortgage or contract payments; taxes; and utilities.

(4) The cost of machinery and equipment in the form of rent or the interest on mortgage or contract payments.

(5) Insurance on the real or personal property involved.

(6) The cost of any repairs needed.

(7) The cost of any travel required.

(8) Any other expense directly related to the production of income, except the purchase of capital equipment and payment on the principal of loans for capital assets and durable goods or any cost of depreciation.

g. Child care income. Gross income from providing child care in the applicant's or recipient's own home will include the total payment(s) received for the service and any payment received due to the Child Nutrition Amendments of 1978 for the cost of providing meals to children.

h. Income verification. The applicant or recipient shall cooperate in supplying verification of all earned income and of any change in income, as defined in 441—paragraph 40.24(1)*"b"* and 441—subrule 40.27(4). A self-employed individual shall keep any records necessary to establish eligibility.

41.27(3) *Shared living arrangements.* When an FIP parent shares living arrangements with another family or person, funds combined to meet mutual obligations for shelter and other basic needs are not income. Funds made available to the FIP eligible group, exclusively for their needs, are considered income.

41.27(4) *Diversion of income.*

a. Nonexempt earned and unearned income of the parent will be diverted to meet the unmet needs, including special needs, of the ineligible child(ren) of the parent living in the family group who meets the age and school attendance requirements specified in subrule 41.21(1). Income of the parent will be diverted to meet the unmet needs of the ineligible child(ren) of the parent and a companion in the home only when the income and resources of the companion and the child(ren) are within FIP standards. The maximum income that will be diverted to meet the needs of the ineligible child(ren) will be the difference between the needs of the eligible group if the ineligible child(ren) were included and the needs of the eligible group with the child(ren) excluded, except as specified in subparagraph 41.27(8)*"a"*(2) and paragraph 41.27(8)*"b."*

b. Nonexempt earned and unearned income of the parent will be diverted to permit payment of court-ordered support to children not living with the parent when the payment is actually being made.

41.27(5) *Income of unmarried specified relatives under age 19.* Treatment of the income of an unmarried specified relative under the age of 19 is determined by whether the specified relative lives with a parent who receives FIP assistance, lives with a nonparental relative, lives in an independent living arrangement, or lives with a self-supporting parent, as follows.

a. Living with a parent on FIP, with a nonparental relative, or in an independent living arrangement.

(1) The income of the unmarried, underage specified relative who is also an eligible child in the grant of the specified relative's parent will be treated in the same manner as that of any other child. The income for the unmarried, underage specified relative who is not an eligible child in the grant of the specified relative's parent will be treated in the same manner as though the specified relative had attained majority.

(2) The income of the unmarried, underage specified relative living with a nonparental relative or in an independent living arrangement will be treated in the same manner as though the specified relative had attained majority.

b. Living with a self-supporting parent. The income of an unmarried specified relative under the age of 19 who is living in the same home as one or both of the person's self-supporting parents will be treated in accordance with subparagraphs 41.27(5)*"b"*(1), *"b"*(2), and *"b"*(4) below.

(1) When the unmarried specified relative is under the age of 18 and not a parent of the dependent child, the income of the specified relative will be exempt.

(2) When the unmarried specified relative is under the age of 18 and a parent of the dependent child, the income of the specified relative will be treated in the same manner as though the specified relative had attained majority. The income of the specified relative's self-supporting parent(s) will be treated in accordance with paragraph 41.27(8)*"c."*

(3) Reserved.

(4) When the unmarried specified relative is age 18, the income of the specified relative will be treated in the same manner as though the specified relative had attained majority.

41.27(6) *Exempt as income and resources.* The following will be exempt as income and resources:

a. Food reserves from home-produced garden products, orchards, domestic animals, and the like, when utilized by the household for its own consumption.

b. The value of the supplemental nutrition assistance program benefit.

c. The value of the United States Department of Agriculture donated foods (surplus commodities).

d. The value of supplemental food assistance received under the Child Nutrition Act and the special food service program for children under the National School Lunch Act, both as amended to December 31, 2024.

e. Any benefits received under Title III-C, Nutrition Program for the Elderly, of the Older Americans Act, as amended to December 31, 2024.

f. Benefits paid to eligible households under the Low Income Home Energy Assistance Act of 1981, as amended to December 31, 2024.

g. Any payment received under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and the Federal-Aid Highway Act of 1968, both as amended to December 31, 2024.

h. Any judgment funds that have been or will be distributed per capita or held in trust for members of any Indian tribe. When the payment, in all or part, is converted to another type of resource, that resource is also exempt.

i. Payments to volunteers participating in the Volunteers in Service to America (VISTA) program, except that this exemption will not be applied when the director of ACTION determines that the value of all VISTA payments, adjusted to reflect the number of hours the volunteers are serving, is equivalent to or greater than the minimum wage then in effect under the Fair Labor Standards Act of 1938, as amended to December 31, 2024, or the minimum wage under the laws of the state where the volunteers are serving, whichever is greater.

j. Payments for supporting services or reimbursement of out-of-pocket expenses received by volunteers in any of the programs established under Titles II and III of the Domestic Volunteer Services Act, as amended to December 31, 2024.

k. Tax-exempt portions of payments made pursuant to the Alaskan Native Claims Settlement Act, as amended to December 31, 2024.

l. Experimental housing allowance program payments made under annual contribution contracts entered into prior to January 1, 1975, under Section 23 of the U.S. Housing Act of 1936, as amended to December 31, 2024.

m. The income of a supplemental security income recipient.

n. Income of an ineligible child.

o. Income in-kind.

p. Family support subsidy program payments.

q. Grants obtained and used under conditions that preclude their use for current living costs.

r. All earned and unearned educational funds of an undergraduate or graduate student or a person in training. Any extended social security or veterans benefits received by a parent or nonparental relative as defined in subrule 41.22(3), conditional to school attendance, will be exempt. However, any additional amount received for the person's dependents who are in the eligible group will be counted as nonexempt income.

s. Reserved.

t. Any income restricted by law or regulation that is paid to a representative payee, living outside the home, other than a parent who is the applicant or recipient, unless the income is actually made available to the applicant or recipient by the representative payee.

u. The first $50 received and retained by an applicant or recipient that represents a current monthly support obligation or a voluntary support payment, paid by a legally responsible individual, but in no case will the total amount exempted exceed $50 per month per eligible group.

v. Bona fide loans. Evidence of a bona fide loan may include any of the following:

(1) The loan is obtained from an institution or person engaged in the business of making loans.

(2) There is a written agreement to repay the money within a specified time.

(3) If the loan is obtained from a person not normally engaged in the business of making a loan, there is a borrower's acknowledgment of obligation to repay (with or without interest), or the borrower expresses

intent to repay the loan when funds become available in the future, or there is a timetable and plan for repayment.

w. Payments made from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in the In re Agent Orange product liability litigation, M.D.L. No. 381 (E.D.N.Y.).

x. The income of a person ineligible due to receipt of state-funded foster care, IV-E foster care, kinship caregiver program, or subsidized adoption assistance.

y. Payments for major disaster and emergency assistance provided under the Disaster Relief Act of 1974 as amended by Public Law 100-707, the Disaster Relief and Emergency Assistance Amendments of 1988, as amended to December 31, 2024.

z. Payments made to certain United States citizens of Japanese ancestry and resident Japanese aliens under Section 105 of Public Law 100-383, as amended to December 31, 2024, and payments made to certain eligible Aleuts under Section 206 of Public Law 100-383, entitled "Wartime Relocation of Civilians," as amended to December 31, 2024.

aa. Payments received from the Radiation Exposure Compensation Act as amended to December 31, 2024.

ab. Deposits into an IDA when determining eligibility and benefit amount. The amount of the deposit is exempt as income and will not be used in the 185 percent eligibility test. The deposit will be deducted from nonexempt earned and unearned income that the client receives in the same budget month in which the deposit is made. To allow a deduction, verification of the deposit shall be provided by the end of the report month or the extended filing date, whichever is later. The client will be allowed a deduction only when the deposit is made from the client's money. The earned income deductions in paragraphs 41.27(2) *"a"* and *"c"* will be applied to nonexempt earnings from employment or net profit from self-employment that remain after deducting the amount deposited into the account. Allowable deductions will be applied to any nonexempt unearned income that remains after deducting the amount of the deposit. If the client has both nonexempt earned and unearned income, the amount deposited into the IDA account will first be deducted from the client's nonexempt unearned income. Deposits will not be deducted from earned or unearned income that is exempt.

ac. Assigned support collected in a month and retained by child support recovery as described in subparagraph 41.27(1)*"h"*(2).

41.27(7) *Exempt as income.* The following are exempt as income.

a. Reimbursements from a third party.

b. Reimbursement from the employer for job-related expenses.

c. The following nonrecurring lump sum payments:

(1) Income tax refund.

(2) Retroactive supplemental security income benefits.

(3) Settlements for the payment of medical expenses.

(4) Refunds of security deposits on rental property or utilities.

(5) That part of a lump sum received and expended for funeral and burial expenses.

(6) That part of a lump sum both received and expended for the repair or replacement of resources.

d. Foster care or kinship caregiver program payments received by the family that is:

(1) Providing foster care to a child or children when the family is operating a licensed foster home, or

(2) Caring for a relative or fictive kin child or children placed in the home by a court order.

e. Reserved.

f. A small monetary nonrecurring gift, such as a Christmas, birthday or graduation gift, not to exceed $30 per person per calendar quarter.

When a monetary gift from any one source is in excess of $30, the total gift is countable as unearned income. When monetary gifts from several sources are each $30 or less, and the total of all gifts exceeds $30, only the amount in excess of $30 is countable as unearned income.

g. Federal or state earned income tax credit.

h. Supplementation from county funds providing:

(1) The assistance does not duplicate any of the basic needs as recognized by the FIP, or

(2) The assistance, if a duplication of any of the basic needs, is made on an emergency basis, not as ongoing supplementation.

i. Any payment received as a result of an urban renewal or low-cost housing project from any governmental agency.

j. A retroactive corrective payment.

k. The training allowance issued by the division of vocational rehabilitation, department of education.

l. Payments from the PROMISE JOBS program.

m. Reserved.

n. The training allowance issued by the department for the blind.

o. Payment(s) from a passenger(s) in a car pool.

p. Support refunded by child support services for the first month of termination of eligibility and the family does not receive the FIP.

q. and *r.* Reserved.

s. Income of a nonparental relative as defined in subrule 41.22(3) except when the relative is included in the eligible group.

t. and *u.* Reserved.

v. Compensation in lieu of wages received by a child funded through an employment and training program of the U.S. Department of Labor.

w. Any amount for training expenses included in a payment funded through an employment and training program of the U.S. Department of Labor.

x. Reserved.

y. Earnings of an applicant or recipient aged 19 or younger who is a full-time student as defined in paragraph 41.24(2)*"e."* The exemption applies through the entire month of the person's twentieth birthday.

Exception: When the twentieth birthday falls on the first day of the month, the exemption stops on the first day of that month.

z. Income attributed to an unmarried, underage parent in accordance with paragraph 41.27(8)*"c"* effective the first day of the month following the month in which the unmarried, underage parent turns age 18 or reaches majority through marriage. When the unmarried, underage parent turns age 18 on the first day of a month, the income of the self-supporting parent(s) becomes exempt as of the first day of that month.

aa. Reserved.

ab. Incentive payments received from participation in the adolescent pregnancy prevention programs.

ac. Payments received from the comprehensive child development program, funded by the Administration for Children, Youth, and Families, provided the payments are considered complimentary assistance by federal regulation.

ad. Incentive allowance payments received from the work force investment project, provided the payments are considered complimentary assistance by federal regulation.

ae. Interest and dividend income.

af. and *ag.* Reserved.

ah. Welfare reform and regular household honorarium income. All moneys paid to an FIP household in connection with the welfare reform demonstration longitudinal study or focus groups will be exempted.

ai. Diversion or self-sufficiency grants assistance as described in 441—Chapter 47.

aj. Payments from property sold under an installment contract as specified in paragraphs 41.26(4)*"b"* and 41.27(1)*"f."*

ak. All census earnings received by temporary workers from the Bureau of the Census.

41.27(8) *Treatment of income in excluded parent cases, stepparent cases, and underage parent cases.*

a. Treatment of income in excluded parent cases.

(1) A parent who is living in the home with the eligible child(ren) but whose needs are excluded from the eligible group is eligible for the earned income deduction described in paragraph 41.27(2)*"a,"* the work incentive disregard described in paragraph 41.27(2)*"c,"* and diversions described in subrule 41.27(4).

(2) The excluded parent will be permitted to retain that part of the parent's income to meet the parent's needs as determined by the difference between the needs of the eligible group with the parent included and the needs of the eligible group with the parent excluded except as described in subrule 41.27(11).

(3) All remaining income of the excluded parent will be applied against the needs of the eligible group.

b. Treatment of income in stepparent cases. The income of a stepparent who is not included in the eligible group but is living with the parent in the home of the eligible child(ren) will be given the same consideration and treatment as that of a parent subject to the limitations of subparagraphs 41.27(8)*"b"*(1) and 41.27(8)*"b"*(3) through *"b"*(10).

(1) The stepparent's monthly gross nonexempt earned income, earned as an employee or monthly net profit from self-employment, will receive a 20 percent earned income deduction.

(2) Reserved.

(3) Any amounts actually paid by the stepparent to individuals not living in the home, who are claimed or could be claimed by the stepparent as dependents for federal income tax purposes, will be deducted from nonexempt monthly earned and unearned income of the stepparent.

(4) The stepparent will also be allowed a deduction from nonexempt monthly earned and unearned income for alimony and child support payments made to individuals not living in the home with the stepparent.

(5) Except as described in subrule 41.27(11), the nonexempt monthly earned and unearned income of the stepparent remaining after application of the deductions in subparagraphs 41.27(8)*"b"*(1), *"b"*(3), and *"b"*(4) will be used to meet the needs of the stepparent and the stepparent's dependents living in the home, when the dependents' needs are not included in the eligible group and the stepparent claims or could claim the dependents for federal income tax purposes. These needs will be determined in accordance with the FIP standard of need for a family group of the same composition.

(6) The stepparent will be allowed the work incentive disregard described in paragraph 41.27(2)*"c"* from monthly earnings. The disregard will be applied to earnings that remain after all other deductions in subparagraphs 41.27(8)*"b"*(1) and 41.27(8)*"b"*(3) through *"b"*(5) have been subtracted from the earnings. However, the work incentive disregard is not allowed when determining initial eligibility as described in subparagraphs 41.27(9)*"a"*(2) and *"a"*(3).

(7) The deductions described in subparagraphs 41.27(8)*"b"*(1) and 41.27(8)*"b"*(3) through *"b"*(6) will first be subtracted from earned income in the same order as they appear above.

When the stepparent has both nonexempt earned and unearned income and earnings are less than the allowable deductions, then any remaining portion of the deductions in subparagraphs 41.27(8)*"b"*(3) through *"b"*(5) will be subtracted from unearned income. Any remaining income will be applied as unearned income to the needs of the eligible group.

If the stepparent has earned income remaining after allowable deductions, then any nonexempt unearned income will be added to the earnings and the resulting total counted as unearned income to the needs of the eligible group.

(8) A nonexempt nonrecurring lump sum received by a stepparent will be considered as income in the month received. Any portion of the nonrecurring lump sum retained by the stepparent in the month following the month of receipt will be considered a resource to the stepparent.

(9) When the income of the stepparent, not in the eligible group, is insufficient to meet the needs of the stepparent and the stepparent's dependents living in the home who are not eligible for FIP, the income of the parent may be diverted to meet the unmet needs of the child(ren) of the current marriage except as described in subrule 41.27(11).

(10) When the needs of the stepparent, living in the home, are not included in the eligible group, the eligible group and any child(ren) of the parent living in the home who is not eligible for FIP will be considered as one unit, and the stepparent and the stepparent's dependents, other than the spouse, will be considered a separate unit.

c. Treatment of income in underage parent cases. In the case of a dependent child whose unmarried parent is under the age of 18 and living in the same home as the unmarried, underage parent's own self-supporting parent(s), the income of each self-supporting parent will be considered available to the

eligible group after appropriate deductions. The deductions to be applied are the same as are applied to the income of a stepparent pursuant to subparagraphs 41.27(8)*"b"*(1) and 41.27(8)*"b"*(3) through *"b"*(7). Nonrecurring lump sum income received by the self-supporting parent(s) will be treated in accordance with subparagraph 41.27(8)*"b"*(8).

When the self-supporting spouse of a self-supporting parent is also living in the home, the income of that spouse will be attributable to the self-supporting parent in the same manner as the income of a stepparent is determined pursuant to subparagraphs 41.27(8)*"b"*(1) and 41.27(8)*"b"*(3) through *"b"*(7). Nonrecurring lump sum income received by the spouse of the self-supporting parent will be treated in accordance with subparagraph 41.27(8)*"b"*(8). The self-supporting parent and any ineligible dependents of that person will be considered as one unit; the self-supporting spouse and the spouse's ineligible dependents, other than the self-supporting parent, will be considered a separate unit.

41.27(9) *Budgeting process.* Both initial and ongoing eligibility and benefits will be determined using a projection of income based on the best estimate of future income.

a. Initial eligibility.

(1) At time of application, all earned and unearned income received and anticipated to be received by the eligible group during the month the decision is made will be considered to determine eligibility for the FIP, except income that is exempt. All countable earned and unearned income received by the eligible group during the 30 days before the interview will be used to project future income. If the applicant indicates that the 30-day period is not indicative of future income, income from a longer period or verification of anticipated income from the income source may be used to project future income.

When income is prorated in accordance with subparagraph 41.27(9)*"c"*(1) and paragraph 41.27(9)*"i,"* the prorated amount is counted as income received in the month of decision. Allowable work expenses during the month of decision will be deducted from earned income, except when determining eligibility under the 185 percent test defined in rule 441—41.27(239B). The determination of eligibility in the month of decision is a three-step process as described in rule 441—41.27(239B).

(2) When countable gross nonexempt earned and unearned income in the month of decision, or in any other month after assistance is approved, exceeds 185 percent of the standard of need for the eligible group, the application will be rejected or the assistance grant canceled. Countable gross income means nonexempt gross income, as defined in 441—41.27(239B), without application of any disregards, deductions, or diversions. When the countable gross nonexempt earned and unearned income in the month of decision equals or is less than 185 percent of the standard of need for the eligible group, initial eligibility under the standard of need will then be determined. Initial eligibility under the standard of need is determined without application of the work incentive disregard as specified in paragraph 41.27(2)*"c."* All other appropriate exemptions, deductions and diversions are applied. Countable income is then compared to the standard of need for the eligible group. When countable net earned and unearned income in the month of decision equals or exceeds the standard of need for the eligible group, the application will be denied.

(3) When the countable net income in the month of decision is less than the standard of need for the eligible group, the work incentive disregard described in paragraph 41.27(2)*"c"* will be applied when there is eligibility for this disregard. When countable net earned and unearned income in the month of decision, after application of the work incentive disregard and all other appropriate exemptions, deductions, and diversions, equals or exceeds the payment standard for the eligible group, the application will be denied.

When the countable net income in the month of decision is less than the payment standard for the eligible group, the eligible group meets income requirements. The amount of the FIP grant will be determined by subtracting countable net income in the month of decision from the payment standard for the eligible group, except as specified in subparagraph 41.27(9)*"a"*(4).

(4) Eligibility for the FIP for any month or partial month before the month of decision will be determined only when there is eligibility in the month of decision. The family composition for any month or partial month before the month of decision will be considered the same as on the date of decision. In determining eligibility and the amount of the assistance payment for any month or partial month preceding the month of decision, income and all circumstances except family composition in that month will be considered in the same manner as in the month of decision. When the applicant is eligible for some, but not all, months of the application period due to the time limit described in subrule 41.30(1), FIP eligibility will

be determined for the month of decision first, then the immediately preceding month, and so on until the time limit has been reached.

b. Ongoing eligibility.

(1) The department will prospectively compute eligibility and benefits when review information is submitted as described in 441—subrule 40.27(3). All countable earned and unearned income received by the eligible group during the previous 30 days will be used to project future income. If the participant indicates that the 30-day period is not indicative of future income, income from a longer period or verification of anticipated income from the income source may be used to project future income.

(2) When a change in eligibility factors occurs, the department will prospectively compute eligibility and benefits based on the change, effective no later than the month following the month the change occurred.

(3) Reserved.

(4) The earned income deduction for each wage earner as defined in paragraph 41.27(2)*"a"* and the work incentive disregard as defined in paragraph 41.27(2)*"c"* will be allowed.

c. Lump-sum income.

(1) Recurring lump-sum income. Recurring lump-sum earned and unearned income, except for the income of the self-employed, will be considered as income in the month received. Income received by an individual employed under a contract will be prorated over the period of the contract. Income received at periodic intervals or intermittently will be considered as income in the month received, except periodic or intermittent income from self-employment will be treated as described in paragraph 41.27(9)*"i."* When the income that is subject to proration is earned, appropriate disregards, deductions and diversions will be applied to the monthly prorated income. Income that is subject to proration is prorated when a lump sum is received before the month of decision and is anticipated to recur; or a lump sum is received during the month of decision or at any time during the receipt of assistance.

(2) Nonrecurring lump-sum income. Moneys received as a nonrecurring lump sum, except as specified in subrules 41.26(4) and 41.26(7) and paragraphs 41.27(8)*"b"* and *"c,"* will be treated in accordance with this rule. Nonrecurring lump-sum income will be considered as income in the month received and counted in computing eligibility and the amount of the grant unless the income is exempt. Nonrecurring lump-sum unearned income is defined as a payment in the nature of a windfall, for example, an inheritance, an insurance settlement for pain and suffering, an insurance death benefit, a gift, lottery winnings, or a retroactive payment of benefits, such as social security, job insurance or workers' compensation. When countable income, exclusive of the FIP grant but including countable lump-sum income, exceeds the needs of the eligible group, the case will be canceled or the application rejected. In addition, the eligible group will be ineligible for the number of full months derived by dividing the income by the standard of need for the eligible group. Any income remaining after this calculation will be applied as income to the first month following the period of ineligibility and disregarded as income thereafter. The period of ineligibility will begin with the month the lump sum is received.

1. When a nonrecurring lump sum is timely reported as required by 441—paragraph 40.27(4)*"f,"* recoupment will not be made for the month of receipt. When a nonrecurring lump sum is timely reported, but the timely notice as required by rule 441—16.2(17A) requires that the action be delayed until the second calendar month following the month of change, recoupment will not be made for the first calendar month following the month of change. When a nonrecurring lump sum is not timely reported, recoupment will be made beginning with the month of receipt.

2. The period of ineligibility will be shortened when the schedule of living costs as defined in subrule 41.28(2) increases.

3. The period of ineligibility will be shortened by the amount that is no longer available to the eligible group due to a loss or a theft or because the person controlling the lump sum no longer resides with the eligible group.

4. The period of ineligibility will also be shortened when there is an expenditure of the lump sum made for the following circumstances unless there was insurance available to meet the expense: Payments made on medical services for the former eligible group or their dependents for services listed in 441—Chapters 78, 81, 82 and 85 at the time the expense is reported to the department; the cost of necessary

repairs to maintain habitability of the homestead requiring the spending of over $25 per incident; cost of replacement of exempt resources as defined in subrule 41.26(1) due to fire, tornado, or other natural disaster; or funeral and burial expenses. The expenditure of these funds shall be verified. A dependent is an individual who is claimed or could be claimed by another individual as a dependent for federal income tax purposes.

5. When countable income, including the lump-sum income, is less than the needs of the eligible group, the lump sum will be counted as income for the month received. For purposes of applying the lump-sum provision, the eligible group is defined as all eligible persons and any other individual whose lump-sum income is counted in determining the period of ineligibility. During the period of ineligibility, individuals not in the eligible group when the lump-sum income was received may be eligible for the FIP as a separate eligible group. Income of this eligible group plus income, excluding the lump-sum income already considered, of the parent or other legally responsible person in the home will be considered as available in determining eligibility and the amount of the grant.

d. The third digit to the right of the decimal point in any computation of income and hours of employment will be dropped. This includes the calculation of the amount of a child support sanction as defined in paragraph 41.22(6)*"f."*

e. In any month for which an individual is determined eligible to be added to a currently active FIP case, the individual's needs will be included subject to the effective date of grant limitations as prescribed in rule 441—40.26(239B).

(1) When adding an individual to an existing eligible group, any income of that individual will be considered prospectively.

(2) The needs of an individual determined to be ineligible to remain a member of the eligible group will be removed prospectively effective the first of the following month.

f. Reserved.

g. When income received weekly or biweekly (once every two weeks) is projected for future months, it will be projected by adding all income received in the period being used and dividing the result by the number of instances of income received in that period. The result will be multiplied by four if the income is received weekly or by two if the income is received biweekly, regardless of the number of weekly or biweekly payments to be made in future months.

h. Income from self-employment received on a regular weekly, biweekly, semimonthly or monthly basis will be budgeted in the same manner as the earnings of an employee. The countable income will be the net income.

i. Income from self-employment not received on a regular weekly, biweekly, semimonthly or monthly basis that represents an individual's annual income will be averaged over a 12-month period of time, even if the income is received within a short period of time during that 12-month period. Any change in self-employment will be handled in accordance with subparagraphs 41.27(9)*"i"*(3) through *"i"*(5).

(1) When a self-employment enterprise that does not produce a regular weekly, biweekly, semimonthly or monthly income has been in existence for less than a year, income will be averaged over the period of time the enterprise has been in existence and the monthly amount projected for the same period of time. If the enterprise has been in existence for such a short time that there is very little income information, the worker will establish, with the cooperation of the client, a reasonable estimate that will be considered accurate and projected for three months, after which the income will be averaged and projected for the same period of time. Any changes in self-employment will be considered in accordance with subparagraphs 41.27(9)*"i"*(3) through *"i"*(5).

(2) These policies apply when the self-employment income is received before the month of decision and the income is expected to continue, in the month of decision, and after assistance is approved.

(3) A change in the cost of producing self-employment income is defined as an established permanent ongoing change in the operating expenses of a self-employment enterprise. Change in self-employment income is defined as a change in the nature of business.

(4) When a change in operating expenses occurs, the department will recompute the expenses on the basis of the change.

(5) When a change occurs in the nature of the business, the income and expenses will be computed on the basis of the change.

j. Special needs.

(1) A special need as defined in subrule 41.28(3) must be documented before payment will be made.

(2) A one-time special need occurs and is considered in determining need for the calendar month in which the special need is entered on the automated benefit calculation system.

(3) An ongoing special need is considered in determining need for the calendar month following the calendar month in which the special need is entered on the automated benefit calculation system.

(4) When the special need continues, payment will be included, prospectively, in each month's FIP grant. When the special need ends, payment will be removed prospectively. Any overpayment for a special need will be recouped.

k. When a family's assistance for a month is subject to recoupment because the family was not eligible, individuals applying for assistance during the same month may be eligible for the FIP as a separate eligible group. Income of this new eligible group plus income of the parent or other legally responsible person in the home will be considered as available in determining eligibility and the amount of the grant. The income of an ineligible parent or other legally responsible person will be considered prospectively in accordance with subrules 41.27(4) and 41.27(8).

41.27(10) *Aliens sponsored by individuals.* When an alien admitted for lawful permanent residence is sponsored by a person who executed an enforceable affidavit of support as described in 8 U.S.C. Section 1631(a)(1) (as amended to December 31, 2024) on behalf of the alien, the income of the alien will be deemed to include the income of the sponsor (and of the sponsor's spouse if living with the sponsor). The amount of the income of the sponsor and the sponsor's spouse deemed to the alien will be the total gross earned and unearned income remaining after allowing the earned income deduction described in paragraph 41.27(2)*"a,"* the work incentive disregard described in paragraph 41.27(2)*"c,"* and diversions described in subrule 41.27(4). The following are exceptions to deeming of a sponsor's income:

a. Deeming of the sponsor's income does not apply when:

(1) The sponsored alien attains citizenship through naturalization pursuant to Chapter 2 of Title III of the Immigration and Nationality Act (as amended to December 31, 2024);

(2) The sponsored alien has earned 40 qualifying quarters of coverage as defined in Title II of the Social Security Act (as amended to December 31, 2024) or can be credited with 40 "qualifying quarters" as defined in rule 441—40.21(239B); or

(3) The sponsored alien or the sponsor dies.

b. An indigent alien is exempt from the deeming of a sponsor's income for 12 months after indigence is determined. An alien will be considered indigent if:

(1) The alien does not live with the sponsor; and

(2) The alien's gross income, including any income received from or made available by the sponsor, is less than 100 percent of the federal poverty level for the sponsored alien's household size.

c. A battered alien as described in 8 U.S.C. Section 1641(c) (as amended to December 31, 2024) is exempt from the deeming of a sponsor's income for 12 months.

41.27(11) *Restriction on diversion of income.* No income may be diverted to meet the needs of a person living in the home who has been sanctioned under subrule 41.24(8) or 41.25(5), or who has been disqualified under subrule 41.25(10) or rule 441—46.29(239B), or who is required to be included in the eligible group according to paragraph 41.28(1)*"a"* and has failed to cooperate. This restriction applies to paragraph 41.27(4)*"a"* and subrule 41.27(8).

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.28(239B) Need standards.

41.28(1) *Definition of the eligible group.* The eligible group consists of all eligible people specified below and living together, except when one or more of these people receive supplemental security income under Title XVI of the Social Security Act, as amended to December 31, 2024. There will be at least one child in the eligible group except when the only eligible child is receiving supplemental security income. The unborn child is not considered a member of the eligible group for purposes of establishing the number of people in the eligible group.

a. The following persons will be included (except as otherwise provided in these rules), without regard to the person's employment status, income or resources:

(1) All dependent children who are siblings of whole or half blood or adoptive.

(2) Any parent of such children, if the parent is living in the same home as the dependent children.

b. The following persons may be included:

(1) The needy specified relative who assumes the role of parent.

(2) The needy specified relative who acts as payee when the parent is in the home, but is unable to act as payee.

(3) An incapacitated stepparent, upon request, when the stepparent is the legal spouse of the parent by ceremonial or common-law marriage and the incapacitated stepparent does not have a child in the eligible group.

1. A stepparent is considered incapacitated when a clearly identifiable physical or mental defect has a demonstrable effect upon earning capacity or the performance of the homemaking duties required to maintain a home for the stepchild. The incapacity shall be expected to last for a period of at least 30 days from the date of application.

2. The determination of incapacity shall be supported by medical or psychological evidence. The evidence may be obtained from either an independent physician or psychologist or the state rehabilitation agency. The evidence may be submitted either by letter from the physician or on a form prescribed by the department. When an examination is required and other resources are not available to meet the expense of the examination, the physician shall be authorized to make the examination and submit the claim for payment on a form prescribed by the department. A finding of eligibility for social security benefits or supplemental security income benefits based on disability or blindness is acceptable proof of incapacity.

41.28(2) *Schedule of needs.* The schedule of living costs represents 100 percent of basic needs. The schedule of living costs is used to determine the needs of individuals when these needs must be determined in accordance with the "standard of need" as defined in rule 441—40.21(239B). The 185 percent schedule is included for the determination of eligibility in accordance with rule 441—41.27(239B). The schedule of basic needs is used to determine the basic needs of those persons whose needs are included in and are eligible for an FIP grant. The eligible group is considered a separate and distinct group without regard to the presence in the home of other persons, regardless of relationship to or whether they have a liability to support members of the eligible group. The schedule of basic needs is also used to determine the needs of persons not included in the assistance grant, when these needs must be determined in accordance with the "payment standard" as defined in rule 441—40.21(239B). The percentage of basic needs paid to one or more persons as compared to the schedule of living costs is shown on the chart below.

SCHEDULE OF NEEDS

Number of Persons	1	2	3	4	5	6	7	8	9	10	Each Additional Person
185% of Living Costs	675.25	1330.15	1570.65	1824.10	2020.20	2249.60	2469.75	2695.45	2915.60	3189.40	320.05

Ratio of Basic Needs to Living Costs	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18	50.18

CHART OF BASIC NEEDS COMPONENTS

(all figures are on a per person basis)

Number of Persons	1	2	3	4	5	6	7	8	9	10 or More
Shelter	77.14	65.81	47.10	35.20	31.74	26.28	25.69	22.52	20.91	20.58
Utilities	19.29	16.45	11.77	8.80	7.93	6.57	6.42	5.63	5.23	5.14

Number of Persons	1	2	3	4	5	6	7	8	9	10 or More
Household Supplies	4.27	5.33	4.01	3.75	3.36	3.26	3.10	3.08	2.97	2.92
Food	34.49	44.98	40.31	39.11	36.65	37.04	34.00	33.53	32.87	32.36
Clothing	11.17	11.49	8.70	8.75	6.82	6.84	6.54	6.39	6.20	6.10
Pers. Care & Supplies	3.29	3.64	2.68	2.38	2.02	1.91	1.82	1.72	1.67	1.64
Med. Chest Supplies	.99	1.40	1.34	1.13	1.15	1.11	1.08	1.06	1.09	1.08
Communi-cations	7.23	6.17	3.85	3.25	2.50	2.07	1.82	1.66	1.51	1.49
Transpor-tation	25.13	25.23	22.24	21.38	17.43	16.59	15.24	15.79	15.44	15.19

a. The definitions of the basic need components are as follows:

(1) Shelter: Rental, taxes, upkeep, insurance, amortization.

(2) Utilities: Fuel, water, lights, water heating, refrigeration, garbage.

(3) Household supplies and replacements: Essentials associated with housekeeping and meal preparation.

(4) Food: Including school lunches.

(5) Clothing: Including layette, laundry, dry cleaning.

(6) Personal care and supplies: Including regular school supplies.

(7) Medicine chest items.

(8) Communications: Telephone, newspapers, magazines.

(9) Transportation: Includes bus fares and other out-of-pocket costs of operating a privately owned vehicle.

b. Special situations in determining eligible group:

(1) The needs of a child or children in a nonparental home will be considered a separate eligible group when the relative is receiving the FIP assistance for the relative's own children.

(2) When the unmarried specified relative under age 19 is living in the same home with a parent or parents who receive the FIP, the needs of the specified relative, when eligible, will be included in the same eligible group with the parent(s). When the specified relative is a parent, the needs of the eligible children for whom the unmarried parent is caretaker will be included in the same eligible group. When the specified relative is a nonparental relative, the needs of the eligible children for whom the specified relative is caretaker will be considered a separate eligible group.

When the unmarried specified relative under the age of 19 is living in the same home as a parent(s) who receives the FIP but the specified relative is not an eligible child, need of the specified relative will be determined in the same manner as though the specified relative had attained majority. When the unmarried specified relative under the age of 19 is living with a nonparental relative or in an independent living arrangement, need will be determined in the same manner as though the specified relative had attained majority. When the unmarried specified relative is under the age of 18 and living in the same home with a parent(s) who does not receive the FIP, the needs of the specified relative, when eligible, will be included in the assistance grant with the children when the specified relative is a parent. When the specified relative is a nonparental relative as defined in subrule 41.22(3), only the needs of the eligible children will be included in the assistance grant. When the unmarried specified relative is aged 18, need will be determined in the same manner as though the specified relative had attained majority.

(3) When a person who would ordinarily be in the eligible group is receiving supplemental security income benefits, the person, income, and resources will not be considered in determining FIP benefits for the rest of the family.

(4) When two individuals, married to each other, are living in a common household and the children of each of them are recipients of assistance, the assistance grant will be computed on the basis of their comprising one eligible group. This rule is not intended to mandate that an application for assistance be made for children who are not the natural or adoptive children of the applicant.

41.28(3) *Special needs.* On the basis of demonstrated need the following special needs will be allowed, in addition to the basic needs.

a. School expenses. Any specific charge, excluding tuition, for a child's education made by the school, or in accordance with school requirements in connection with a course in the curriculum, will be allowed provided the allowance will not exceed the reasonable cost required to meet the specifications of the course, and the student is actually participating in the course at the time the expense is claimed. Payment will not be made for ordinary expenses for school supplies.

b. Guardian/conservator fee. An amount not to exceed $10 per case per month may be allowed for guardian's/conservator's fees when authorized by appropriate court order. No additional payment is permitted for court costs or attorney's fees.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.29(239B) Composite FIP/SSI cases. When persons in the FIP household, who would ordinarily be in the eligible group, are receiving supplemental security income benefits, the following subrules will apply:

41.29(1) *Pending SSI approval.* When a person who would ordinarily be in the eligible group has applied for supplemental security income benefits, the person's needs may be included in the FIP grant pending approval of supplemental security income.

41.29(2) *Ownership of property.* When property is owned by both the supplemental security income beneficiary and the FIP recipient, each will be considered as having a half interest in order to determine the value of the resource, unless the terms of the deed or purchase contract clearly establish ownership on a different proportional basis.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25]

441—41.30(239B) Time limits.

41.30(1) *Sixty-month limit.* Assistance will not be provided to an FIP applicant or recipient family that includes an adult who has received assistance for 60 calendar months under FIP or under any program in another state that is funded by the federal Temporary Assistance for Needy Families (TANF) block grant unless the applicant or recipient family is eligible for a hardship as defined in subrule 41.30(3). The 60-month period need not be consecutive. In two-parent households or households that include a parent and a stepparent, the 60-month limit is determined when either a parent or stepparent has received assistance for 60 months.

a. An "adult" is any person who is a parent of the FIP child in the home, the parent's spouse, or included as an optional member under subparagraph 41.28(1)*"b"*(1) or *"b"*(2).

b. "Assistance," for the purpose of this rule, will include any month for which the adult receives an FIP grant or a payment in another state using federal TANF funds that the other state deems countable toward the 60-month federal limit. Assistance received for a partial month will count as a full month.

41.30(2) *Determining number of months.*

a. In determining the number of months an adult received assistance, the department will consider toward the 60-month limit:

(1) Assistance received even when the parent is excluded from the grant unless the parent, or both parents in a two-parent household, are SSI recipients.

(2) Assistance received by an optional member of the eligible group as described in subparagraphs 41.28(1)*"b"*(1) and *"b"*(2). However, once the person has received assistance for 60 months, the person is ineligible but assistance may continue for other persons in the eligible group. The entire family is ineligible for assistance when the optional member who has received assistance for 60 months is the incapacitated stepparent on the grant as described in subparagraph 41.28(1)*"b"*(3).

b. When the parent, or both parents in a two-parent household, have received 60 months of FIP assistance and are subsequently approved for supplemental security income, FIP assistance for the children may be granted, if all other eligibility requirements are met.

c. When a minor parent and child receive FIP on the adult parent's case and the adult parent is no longer eligible due to the 60-month limit on FIP assistance, the minor parent may reapply for FIP as a minor parent living with a self-supporting parent.

d. In determining the number of months an adult received assistance, the department will not consider toward the 60-month limit any month for which FIP assistance was not issued for the family, such as:

(1) A month of suspension.

(2) A month for which no grant is issued due to the limitations described in rules 441—45.26(239B) and 441—45.27(239B).

e. The department will not consider toward the 60-month limit months of assistance a parent or pregnant person received as a minor child and not as the head of a household or married to the head of a household. This includes assistance received for a minor parent for any month in which the minor parent was a child on the adult parent's or the specified relative's FIP case.

f. The department will not consider toward the 60-month limit months of assistance received by an adult while living in Indian country (as defined in 18 U.S.C. Section 1151 as amended to December 31, 2024) or a Native Alaskan village where at least 50 percent of the adults were not employed.

41.30(3) *Exception to the 60-month limit.* A family may receive FIP assistance for more than 60 months as defined in subrule 41.30(1) if the family qualifies for a hardship exemption as described in this subrule. "Hardship" is defined as a circumstance that is preventing the family from being self-supporting. However, the family's safety will take precedence over the goal of self-sufficiency.

a. Reserved.

b. Eligibility determination. Eligibility for the hardship exemption will be determined on an individual family basis. A hardship exemption will not begin until the adult in the family has received at least 60 months of FIP assistance.

c. Hardship exemption criteria. Circumstances that may lead to a hardship exemption may include the following:

(1) Domestic violence. "Domestic violence" means that the family includes someone who has been battered or subjected to extreme cruelty. It includes:

1. Physical acts that resulted in, or threatened to result in, physical injury to the individual.
2. Sexual abuse.
3. Sexual activity involving a dependent child.
4. Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities.
5. Threats of, or attempts at, physical or sexual abuse.
6. Mental abuse.
7. Neglect or deprivation of medical care.

(2) Lack of employability.

(3) Lack of suitable child care as defined in 441—subrule 93.4(5).

(4) Chronic or recurring medical conditions or mental health issues, or an accident or disease, when verified by a professional. The applicant or recipient will follow a treatment plan to address the condition or issue.

(5) Housing situations that make it difficult or impossible to work.

(6) Substance use disorder. A family requesting a hardship exemption due to substance use disorder will be required to obtain clinical assessment and follow an intensive treatment plan.

(7) Having a child whose circumstances require the parent to be in the home. This may include but is not limited to a child as defined in rule 441—170.1(237A) or a child receiving child welfare, juvenile court or juvenile justice services. The safety of the child will take precedence over the goal of self-sufficiency.

(8) Reserved.

(9) Other circumstances that prevent the family from being self-supporting.

d. Eligibility for a hardship exemption.

(1) Families may be eligible for a hardship exemption when circumstances prevent the family from being self-supporting. The hardship condition shall be a result of a past or current experience that is affecting the family's current functioning. Current experience may include fear of an event that is likely to occur in the future. The definition of the hardship barrier relies upon the impact of the circumstances upon the family's ability to leave FIP rather than the type of circumstances.

(2) Families with FIA-responsible persons who are not exempt from referral as defined in subrule 41.24(2) determined eligible for more than 60 months of FIP shall make incremental steps toward overcoming the hardship and participate to their maximum potential in activities reasonably expected to result in self-sufficiency.

(3) Barriers to economic self-sufficiency that an FIA-responsible person who is not exempt as defined in subrule 41.24(2) has that were known and existing before the family reached the 60-month limit will not be considered as meeting eligibility criteria for hardship unless the individual complied with PROMISE JOBS activities offered to overcome that specific barrier.

e. Requesting a hardship exemption.

(1) Families that have or are close to having received 60 months of assistance as defined in subrule 41.30(1) may request a hardship exemption. Requests for the hardship exemption shall be made on a hardship request form prescribed by the department. In addition, families that have received assistance for 60 months and are no longer receiving FIP shall complete an application form prescribed by the department as a condition for regaining FIP eligibility. Failure to provide the required application within ten days from the date of the department's request will result in denial of the hardship request.

(2) In families that request FIP beyond 60 months, all adults as defined in subrule 41.30(1) shall sign the request. When the adult is incompetent or incapacitated, someone acting responsibly on the adult's behalf may sign the request.

(3) Requests for a hardship exemption will not be accepted prior to the first day of the family's fifty-ninth month of assistance. The date of the request will be the date an identifiable hardship request form prescribed by the department is received in any department or PROMISE JOBS office. An identifiable form is one that contains a legible name and address and that has been signed.

(4) To receive more than 60 months of FIP assistance, families must be eligible for a hardship exemption and meet all other FIP eligibility requirements.

(5) When an adult as defined in subrule 41.30(1) who has received assistance for 60 months joins a recipient family that has not received 60 months of assistance, eligibility will continue only if the recipient family submits a hardship request form prescribed by the department and is approved for a hardship exemption as described in subrule 41.30(3) and meets all other FIP eligibility requirements.

(6) When an adult as defined in subrule 41.30(1) joins a recipient family that is in an exemption period, the current exemption period will continue, if the recipient family continues to meet all other eligibility requirements, regardless of whether the joining adult has received FIP for 60 months.

(7) When two parents who are in a hardship exemption period separate, the remainder of the exemption period, if there is a need, will follow the parent who retains the current FIP case.

f. Determination of hardship exemption.

(1) A determination on the request will be made as soon as possible, but no later than 30 days following the date an identifiable hardship request form prescribed by the department is received in any department or PROMISE JOBS office. A written notice of decision will be issued to the family the next working day following a determination of eligibility or ineligibility for a hardship exemption. The 30-day time standard will apply except in unusual circumstances, such as when the department and the family have made every reasonable effort to secure necessary information that has not been supplied by the date the time limit expired; or because of emergency situations, such as fire, flood or other conditions beyond the administrative control of the department.

(2) When a Financial Support Application is required to regain FIP eligibility, the 30-day time frame in rule 441—40.25(239B) will apply.

(3) Income maintenance will determine eligibility for a hardship exemption.

(4) The family shall provide supporting evidence of the hardship barrier and the impact of the barrier upon the family's ability to leave FIP. The department will advise the applicant or recipient about how to obtain necessary documents. Upon request, the department will provide reasonable assistance in obtaining supporting documents when the family is not reasonably able to obtain the documents. The type of supporting evidence is dependent upon the circumstance that creates the hardship barrier.

(5) Examples of types of supporting evidence may include:

1. Court, medical, criminal, child protective services, social services, psychological, or law enforcement records.

2. Statements from professionals or other individuals with knowledge of the hardship barrier.

3. Statements from vocational rehabilitation or other job training professionals.

4. Statements from individuals other than the applicant or recipient with knowledge of the hardship circumstances. Written statements from friends and relatives alone may not be sufficient to grant hardship status, but may be used to support other evidence.

5. Court, criminal, police records or statements from domestic violence counselors may be used to substantiate hardship. Living in a domestic violence shelter will not automatically qualify an individual for a hardship exemption, but would be considered strong evidence.

6. Actively pursuing verification of a disability through the Social Security Administration may not be sufficient to grant hardship status, but may be used to support other evidence.

(6) The department will notify the family in writing of additional information or verification that is required to verify the barrier and its impact upon the family's ability to leave FIP. The family will be allowed ten days to supply the required information or verification. The ten-day period may be extended under the circumstances described in 441—subrule 40.24(1) or 441—paragraph 40.27(4)*"c."* Failure to supply the required information or verification, or refusal by the family to authorize the department to secure the information or verification from other sources, will result in denial of the family's request for a hardship exemption.

(7) and (8) Reserved.

(9) Recipients whose FIP assistance is canceled at the end of the sixtieth month will be eligible for reinstatement as described in 441—subrule 40.22(5) when a hardship request form prescribed by the department is received before the effective date of cancellation even if eligibility for a hardship exemption is not determined until on or after the effective date of cancellation.

(10) When a hardship request form prescribed by the department is not received before the effective date of the FIP cancellation and a Financial Support Application is required for the family to regain FIP eligibility, the effective date of assistance will be no earlier than seven days from the date of application as described in rule 441—40.26(239B).

(11) Eligibility for a hardship exemption will last for six consecutive calendar months. Exception: The six-month hardship exemption ends when FIP for the family is canceled for any reason and a Financial Support Application is required for the family to regain FIP eligibility. In addition, when FIP eligibility depends on receiving a hardship exemption, the family shall submit a new hardship request form prescribed by the department. A new hardship exemption determination will be required prior to FIP approval.

(12) FIP received for a partial month of the six-month hardship exemption period will count as a full month.

(13) There is no limit on the number of hardship exemptions a family may receive over time.

g. Six-month FIA. Families who request a hardship exemption shall develop and sign a six-month FIA as defined in 441—93.4(239B) to address the circumstances that are creating the barrier. All adults as defined in subrule 41.30(1) shall sign the six-month FIA unless the adult is a stepparent and is not requesting assistance or is exempt as specified at subrule 41.24(2).

(1) The six-month FIA shall contain specific steps to enable the family to make incremental progress toward overcoming the barrier. Each subsequent hardship exemption will require a new six-month FIA. Failure to develop or sign a six-month FIA will result in denial of the family's hardship exemption request.

(2) Families that request a hardship exemption will be notified verbally and will be hand-issued the notice of a scheduled appointment for orientation and FIA development. If the notice of appointment cannot be hand-issued, at least five working days will be allowed from the date the notice is mailed for a participant to appear for the scheduled appointment for orientation and FIA development unless the participant agrees to an appointment that is scheduled to take place in less than five working days.

(3) Failure to attend a scheduled interview when required, except for reasons beyond the adult's control, will result in a denial of the family's hardship exemption request. In two-parent families, both parents will be required to participate in any scheduled interview. When the adult is incompetent or incapacitated, someone acting responsibly on the adult's behalf may participate in the interview.

(4) PROMISE JOBS staff shall provide necessary supportive services as described in 441—Chapter 93 and shall monitor the six-month FIA. Periodic contacts shall be made with the family to monitor progress. These contacts need not be in person. Time and attendance reports shall be required as specified in 441—subrule 93.10(2).

(5) The six-month FIA shall be renegotiated and amended under the circumstances described in 441—subrule 93.4(8).

(6) Any family that is not exempt from referral as defined in subrule 41.24(2), that has been granted a hardship exemption, and that does not follow the terms of the family's six-month FIA will have chosen an LBP in accordance with 441—Chapter 41 and 441—Chapter 93.

h. Any family that is denied a hardship exemption may appeal the decision as described in 441—Chapter 2506.

[**ARC 9277C**, IAB 5/14/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

◊ Two or more ARCs

1 Effective date of 3/1/92 delayed until adjournment of the 1992 General Assembly by the Administrative Rules Review Committee at its meeting held February 3, 1992.

CHAPTER 42
UNEMPLOYED PARENT
[Prior to 7/1/83, Social Services[770] Ch 42]
[Prior to 2/11/87, Human Services[498]]
Rescinded IAB 11/1/00, effective 1/1/01

CHAPTER 43
ALTERNATE PAYEES
[Prior to 7/1/83, Social Services[770] Ch 43]
[Prior to 2/11/87, Human Services[498]]
Rescinded **ARC 9258C**, IAB 5/14/25, effective 7/1/25

CHAPTER 44
Rescinded, effective 10/1/85

CHAPTER 45
PAYMENT

[Ch 45, January 1974 IDR Supplement, renumbered as [770] Ch 42]
[Prior to 7/1/83, Social Services[770] Ch 45]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—45.1 to **45.20** Reserved.

441—45.21(239B) Issuing payment. The department may issue assistance payments pursuant to Iowa Code section 239B.3(3).

45.21(1) *Electronic access card.* The department will make payments available through an electronic access card issued to the payee except when:

a. The recipient requests direct deposit; or

b. The department determines it is not practicable to issue the payment by electronic access card.

45.21(2) *Direct deposit.* The department will issue payments by direct deposit to the recipient's own account in a financial institution if the recipient completes a form prescribed by the department to request direct deposit.

45.21(3) *Warrant.* The department will issue payments by warrant when the recipient has not requested direct deposit and the department determines it is not practicable to issue payment by electronic access card. These circumstances include but are not limited to the following:

a. A one-time payment is issued.

b. The payee is a representative payee, conservator, or guardian who is not part of the family investment program (FIP) assistance unit.

c. The payee is unable to provide a social security number or an individual taxpayer identification number.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

441—45.22(239B) Return. Assistance warrants cannot be forwarded. When warrants cannot be delivered by the post office, they shall be returned to the department.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

441—45.23(239B) Held warrants. A warrant may be held by the department only in the following instances:

45.23(1) The recipient's whereabouts is unknown.

45.23(2) The recipient is not in the home due to an emergency and it is not known who will be serving as emergency payee.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

441—45.24(239B) Underpayment. A corrective payment will be made when the recipient receives a payment in an amount less than that for which the recipient was eligible due to an administrative or client error or the recipient reports the completion of the federal tax return requiring repayment to Internal Revenue Service of excess advance earned income credit payments received in the prior calendar year.

45.24(1) Attribution of underpayments.

a. An underpayment may be attributed to the department as a result of one of the following circumstances:

(1) Misfiling or loss of forms or documents.

(2) Errors in typing or copying.

(3) Computer input errors.

(4) Mathematical errors.

(5) Failure to certify assistance in the correct amount when all essential information was available to the department.

(6) Failure to make prompt revisions in grants following changes in policies requiring the changes as of a specific date.

b. An underpayment may be attributed to the client as a result of one of the following circumstances:

(1) Information reported in error, oral or written, regarding the client's income, resources, or other circumstances that may affect eligibility or the amount of assistance received.

(2) Failure to timely report changes in income, resources, or other circumstances that may affect eligibility or the amount of assistance received.

45.24(2) Conditions under which a retroactive corrective payment may be made.

a. Retroactive corrective payments will be made for all underpayments.

b. Any retroactive corrective payment for which the recipient is eligible will first be applied to any unpaid overpayment before the balance, if any, is paid to the recipient.

c. Retroactive corrective payments will be made for underpayments discovered on and after October 1, 1981, regardless of when the underpayment occurred. Recipients and former applicants and recipients are responsible for supplying any information needed to determine the amount of an underpayment.

45.24(3) The amount of the corrective payment to the recipient for repayment to Internal Revenue Service of excess advance earned income credit payments will be computed on the basis of the earnings considered in determining the family investment program grant for the prior year.

45.24(4) A retroactive corrective payment is:

a. Exempt from consideration as income.

b. Exempt from consideration as a resource in the month received and the following month.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

441—45.25(239B) Deceased payees. A retroactive corrective payment will be made for deceased payees only when the payment was approved by the department before the recipient's death. Payment for a special need will be made only when the payment is entered on the automated benefit calculation system before the effective date of cancellation.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

441—45.26(239B) Limitation on payment. A payment will be made to an eligible recipient only when the amount of the assistance is $10 or more.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

441—45.27(239B) Rounding of need standard and payment amount. The need standard and monthly payment amount will be rounded down to the next whole dollar when the result of determining the standard of need or the payment amount is not a whole dollar.

[**ARC 9259C**, IAB 5/14/25, effective 7/1/25]

These rules are intended to implement Iowa Code sections 239B.2, 239B.3, and 239B.7.

CHAPTER 46
OVERPAYMENT RECOVERY

[Prior to 7/1/83, Social Services[770] Ch 46]
[Prior to 2/11/87, Human Services[498]]
[Rescinded IAB 2/12/97, effective 3/1/97]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—46.1 to **46.20** Reserved.

441—46.21(239B) Definitions.

"Agency error" in overpayments means:

1. The same circumstances as described in 441—subrule 45.24(1) pertaining to underpayments, or
2. Any error that is not a client or procedural error.

"Client" means a current or former applicant or recipient of the family investment program.

"Client error" means and may result from:

1. False or misleading statements, oral or written, regarding the client's income, resources, or other circumstances that may affect eligibility or the amount of assistance received;
2. Failure to timely report changes in income, resources, or other circumstances as required by rule 441—40.27(239B);
3. Failure to refund to child support services any nonexempt payment from the absent parent received after the date the decision on eligibility was made; or
4. Access of benefits issued via the electronic access card at a prohibited location pursuant to 441—subrule 41.25(11).

"Overpayment" means any assistance payment received in an amount greater than the amount the eligible group is entitled to receive or the amount of any payment accessed and any associated fees for accessing the benefits at a prohibited location pursuant to 441—subrule 41.25(11).

"Procedural error" means a technical error that does not in and of itself result in an overpayment. Procedural errors include:

1. Failure to secure a properly signed application at the time of initial application or reapplication.
2. Failure to secure a properly signed form prescribed by the department to request FIP beyond 60 months as described in 441—subrule 41.30(3).
3. Failure of the department to conduct the interviews described in 441—subrules 40.24(2) and 40.27(1).
4. Failure to request a review form prescribed by the department at the time of a semiannual or annual review.
5. Failure of department staff to cancel the family investment program benefits when the client submits a review form prescribed by the department that is not complete as defined in 441—paragraph 40.27(4)*"b."* However, overpayments of grants as defined above based on incomplete reports are subject to recoupment.

"Recoup" means reimburse, return, or repay an overpayment.

"Recoupment" means the repayment of an overpayment, either by a payment from the client or an amount withheld from the assistance grant or both.

[**ARC 9260C**, IAB 5/14/25, effective 7/1/25]

441—46.22(239B) Monetary standards.

46.22(1) *Amount subject to recoupment.* All family investment program overpayments will be subject to recoupment.

46.22(2) *Grant issued.* When recoupment is made by withholding from the family investment program grant, the grant issued will be for no less than $10.

[**ARC 9260C**, IAB 5/14/25, effective 7/1/25]

441—46.23(239B) Notification and appeals. All clients will be notified by the department of inspections, appeals, and licensing, as described in 441—subrule 11.2(2), when it is determined that an overpayment exists. Notification will include the amount, date and reason for the overpayment. The department will provide additional information regarding the computation of the overpayment upon the client's request. The client may appeal the computation of the overpayment and any action to recover the overpayment through benefit reduction in accordance with 441—Chapter 2506.

[**ARC 9260C**, IAB 5/14/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—46.24(239B) Determination of overpayments. All overpayments due to agency or client error or due to assistance paid pending an appeal decision will be recouped. A procedural error alone does not result in an overpayment.

46.24(1) *Agency error.* When an overpayment is due to an agency error, recoupment will be made, including those instances when errors by the department prevent the requirements in 441—subrule 41.22(6) or 41.22(7) from being met or when the client receives a duplicate grant.

a. An overpayment of any amount is subject to recoupment with one exception: when the client receives a grant that exceeds the amount on the most recent notice from the department, recoupment will be made only when the amount received exceeds the amount on the notice by $10 or more.

b. An overpayment due to agency error will be computed as if the information had been acted upon timely.

46.24(2) *Assistance paid pending appeal decision.* Recoupment of overpayments resulting from assistance paid pending a decision on an appeal hearing will begin no later than the month after the month in which the final decision is issued.

46.24(3) *Client error.*

a. An overpayment due to client error will be computed as if the information had been reported and acted upon timely.

b. Overpayments due to failure to refund payments received from the absent parent will be the total nonexempt support payment made for members of the eligible group at the time the support payment was received. In addition, assistance payments made to meet the needs of the eligible group may also be subject to recoupment under provisions in 441—subrule 41.22(6).

c. An overpayment due to a recipient's accessing benefits via the electronic access card at a prohibited location will be the total of the transactions and any associated fees for accessing the benefits at the prohibited location pursuant to 441—subrule 41.25(11).

46.24(4) *Failure to cooperate.* Failure to cooperate in the investigation of alleged overpayments will result in ineligibility for the months in question and the overpayment will be the total amount of assistance received during those months.

[**ARC 9260C**, IAB 5/14/25, effective 7/1/25]

441—46.25(239B) Source of recoupment. Recoupment will be made from basic needs. The minimum recoupment amount will be the amount prescribed in subrule 46.25(3). Regardless of the source, the client may choose to make a lump sum payment, make periodic installment payments when an agreement to do this is made with the department of inspections, appeals, and licensing, or have repayment withheld from the grant. The client shall sign a form prescribed by the department when requested to do so by the department of inspections, appeals, and licensing. When the client fails to make the agreed upon payment, the agency will reduce the grant.

46.25(1) and **46.25(2)** Reserved.

46.25(3) *Basic needs.*

a. Recoupment by withholding from basic needs for overpayments due to client error or a combination of client and agency errors will be 10 percent of the basic needs standard in accordance with the schedule in 441—subrule 41.28(2).

b. Recoupment by withholding from basic needs for overpayments due to the continuation of benefits pending a decision on an appeal as provided under 441—Chapter 2506 or a combination of continued benefits and agency or client errors will be 10 percent of the basic needs standard in accordance with the schedule in 441—subrule 41.28(2).

c. Recoupment by withholding from basic needs for overpayments due to agency error will be 1 percent of the basic needs standard in accordance with the schedule in 441—subrule 41.28(2).
[**ARC 9260C**, IAB 5/14/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—46.26 Reserved.

441—46.27(239B) Procedures for recoupment.

46.27(1) Reserved.

46.27(2) *Referral.* When the department determines that an overpayment exists, the case will be referred to the department of inspections, appeals, and licensing for investigation, recoupment, or referral for possible prosecution.

46.27(3) Reserved.

46.27(4) *Change of circumstances.* When financial circumstances change, any agreement to pay a debt is subject to revision.

46.27(5) *Collection.* Recoupment for overpayments will be made from the parent or nonparental relative who was the caretaker relative, as defined in 441—subrule 41.22(3), at the time the overpayment occurred. When both parents were in the home at the time the overpayment occurred, both parents are equally responsible for repayment of the overpayment.

46.27(6) *Suspension and waiver.* Recoupment will be suspended on nonfraud overpayments when the case is canceled and the amount of the overpayment is less than $35. If the case is reopened within three years, recoupment is initiated again. Recoupment will be waived on nonfraud overpayments of less than $35 that have been held in suspense for three years.
[**ARC 9260C**, IAB 5/14/25, effective 7/1/25]

441—46.28 Reserved.

441—46.29(239B) Fraudulent misrepresentation of residence. A person convicted in a state or federal court, or in an administrative hearing, of having made a fraudulent statement or representation of the person's place of residence in order to receive assistance simultaneously from two or more states will be ineligible for assistance for ten years. For the purpose of this rule, the term "assistance" means assistance under Titles IV-A or XIX of the Social Security Act, as amended to December 31, 2024, or the Food Stamp Act of 1977, as amended to December 31, 2024, or benefits in two or more states under the Supplemental Security Income program under Title XVI. The ten-year period begins on the date the person is convicted. The prohibition does not apply to a convicted person who is pardoned by the President of the United States, beginning with the month after the pardon is given.
[**ARC 9260C**, IAB 5/14/25, effective 7/1/25]

These rules are intended to implement Iowa Code sections 239B.2, 239B.3, 239B.7, and 239B.14.

CHAPTER 47
DIVERSION INITIATIVES

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—47.1 to **47.20** Reserved.

441—47.21(239B) Definitions.

"Appropriate responsible administrator" means the administrator of the department of workforce development's division of workforce development center administration, or the administrator's designee.

"Candidate" means anyone expressing an interest in the family self-sufficiency grants program.

"Family" means "assistance unit" as defined in rule 441—40.21(239B).

"Family investment program" or *"FIP"* means the cash grant program provided by 441—Chapters 40 and 41, designed to sustain Iowa families.

"Family self-sufficiency grants" or *"FSSG"* means the payments made to specific PROMISE JOBS participants, to vendors on behalf of specific PROMISE JOBS participants, or for services to specific PROMISE JOBS participants.

"Immediate, short-term assistance" means that assistance provided under this chapter will be authorized upon determination of need and that it will not occur on a regular basis.

"Iowa workforce development" or *"IWD"* means the agency that develops and administers employment, placement and training services in Iowa and is contracted by the department to administer PROMISE JOBS services statewide.

"IWD service delivery area" means the Iowa workforce development service delivery areas designated to provide PROMISE JOBS services.

"Local plan for family self-sufficiency grants" means the written policies and procedures for administering the grants for families as set forth in the plan developed by the PROMISE JOBS IWD service delivery area as described in rule 441—47.26(239B).

"Participant" means anyone receiving assistance under this chapter.

"PROMISE JOBS contract" means the agreement between the department and Iowa workforce development regarding delivery of PROMISE JOBS services.

"PROMISE JOBS participant" means any person receiving services through PROMISE JOBS. A PROMISE JOBS participant must be a member of an eligible FIP household.

"Promoting independence and self-sufficiency through employment, job opportunities, and basic skills (PROMISE JOBS) program" means the department's work and training program as described in 441—Chapter 93.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

441—47.22(239B) Availability of the family self-sufficiency grants program. The family self-sufficiency grants program will be available statewide.

47.22(1) The program will be available for use by the IWD service delivery areas. Under the PROMISE JOBS contract, IWD shall allocate the funds available for authorization to each of the service delivery areas based on the allocation standards used for PROMISE JOBS service delivery purposes.

47.22(2) The department retains the funds that are released through the PROMISE JOBS expense allowance authorization system.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

441—47.23(239B) General criteria. Family self-sufficiency grants candidates shall be PROMISE JOBS participants. Participation in the family self-sufficiency grants program is voluntary and will be based on an informed decision by the family. Further, candidates must have identifiable barriers to obtaining or retaining employment that can be substantially addressed through the assistance offered by family self-sufficiency grants.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

441—47.24(239B) Assistance available in family self-sufficiency grants. Family self-sufficiency grants will be authorized for removing an identified barrier to self-sufficiency when it can be reasonably anticipated that the assistance will enable PROMISE JOBS participant families to obtain or retain employment in the two full calendar months following the date of authorization of payment. For example, if a payment is authorized on August 20, it should be anticipated that the participant can find employment in September or October.

47.24(1) *Employment does not occur.* If employment does not occur in the anticipated two-calendar-month period or if the participant loses employment in spite of the self-sufficiency grant, no penalty is incurred and no overpayment has occurred.

47.24(2) *Types of assistance.* The department, in conjunction with IWD, will determine those barriers to self-sufficiency that can be considered for family self-sufficiency grants such as but not limited to auto maintenance or repair, licensing fees, child care, and referral to other resources, including those necessary to address questions of domestic violence. The IWD service delivery areas will have the opportunity to adjust the list of approvable barriers to self-sufficiency based on local resources and circumstances. These adjustments will be approved by the department and the appropriate responsible administrator prior to implementation.

47.24(3) *Limit on assistance.* The total payment limit per FIA-responsible person is $1,000 per year. A year for a family will be the 12 fiscal months following the date of authorization of the initial payment for the family. A fiscal month begins and ends in different calendar months.

47.24(4) *Frequency of assistance.* Family self-sufficiency grants are intended to provide immediate and short-term assistance and must meet the criteria in this rule. While a family may be a candidate more than once and may receive payments in consecutive months in some circumstances, payments will not be established as regular or ongoing.

47.24(5) *Supplanting.* Family self-sufficiency grants will not be used for services already available through the department, PROMISE JOBS, or other local resources at no cost.

47.24(6) *Relationship to the family investment agreement.* Family self-sufficiency grants are separate from the PROMISE JOBS family investment agreement process. While the family investment agreement must be honored at all times and renegotiated and amended if family circumstances require it, no family will be considered to be choosing the limited benefit plan if the family chooses not to participate in the family self-sufficiency grant program.

47.24(7) *Issuing payments.* Family self-sufficiency grants are PROMISE JOBS benefits and will be authorized through the PROMISE JOBS expense allowance system. Payments may be issued to the participants or to a vendor for support services provided to the family. The department in conjunction with the appropriate responsible administrator will have discretion in determining method of payment. The IWD service delivery area will have the opportunity to adjust these payment options in an individual case based on circumstances and needs of the family with the approval of the department and the appropriate responsible administrator prior to implementation.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

441—47.25(239B) Application, notification, and appeals.

47.25(1) *Application elements.* Each IWD service delivery area shall use the established application form to be completed by the PROMISE JOBS participant and the PROMISE JOBS worker when the participant asks to be a candidate for a family self-sufficiency grant. The application form must contain the following elements:

a. An explanation of family self-sufficiency grants and the expectations of the program.

b. Identification of the family and the person representing the family.

c. A clear description of the barrier to self-sufficiency to be considered.

d. Demonstration of how removing the barrier is related to obtaining or retaining employment, meeting the criteria in rule 441—47.24(239B).

e. Demonstration of why the department, PROMISE JOBS, or community resources cannot deal with the barrier to self-sufficiency.

f. Anticipated cost of removing the barrier to self-sufficiency.

47.25(2) *Notification process.* PROMISE JOBS shall use a form prescribed by the department to notify the candidate of the PROMISE JOBS decision regarding the family self-sufficiency grant. Decisions shall be in accordance with policies of this chapter and the local plan.

a. On approval, the form shall indicate the amount of the benefit that will be issued to the candidate or paid to a vendor, or the service that will be provided to the family.

b. On denial, the form shall indicate the reason for denial.

47.25(3) *Appealable actions.* The PROMISE JOBS decisions on family self-sufficiency grants may be appealed pursuant to 441—Chapter 2506. Copies of the local plan as described in rule 441—47.26(239B) shall be included with the appeal summary.

47.25(4) *Nonappealable actions.* PROMISE JOBS participants will not be entitled to an appeal hearing if the sole basis for denying, terminating or limiting assistance from family self-sufficiency grants is that self-sufficiency grant funds have been reduced, exhausted, eliminated, or otherwise encumbered.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—47.26(239B) Approved local plans for family self-sufficiency grants. Each IWD service delivery area shall create and provide to the department the written policies and procedures for administering family self-sufficiency grants. The plan will be reviewed for required elements and quality of service to ensure that it meets the purpose of the program and approved by the department and the appropriate responsible administrator. The written policies and procedures shall be available to the public at county offices and PROMISE JOBS offices. At a minimum, these policies and procedures shall contain or address the following:

47.26(1) *A plan overview.* The plan overview shall contain a general description detailing:

a. Any types of services or assistance that will be excluded from consideration for family self-sufficiency grants by the IWD service delivery area.

b. How determinations will be made that the service or assistance requested meets the program's objective of helping the family obtain or retain employment.

c. How determinations will be made that the proposed family self-sufficiency grant is not supplanting as required in subrule 47.24(5).

d. Services established and any maximum (and minimum, if any) values of payments of the services established by the IWD service delivery area.

e. Verification procedures or standards for documenting barriers, using written notification policies found in rule 441—93.10(239B).

f. Verification procedures or standards for documenting employment attempts if not already tracked by PROMISE JOBS procedures, using policies found in rule 441—93.10(239B).

g. How applications will be processed timely to address barriers to obtaining or retaining employment.

h. Follow-up procedures on participant effort.

i. Procedures for tracking of family self-sufficiency grant authorizations in order to stay within the amount allocated.

j. How staff will be trained to administer the program.

47.26(2) *Intake and eligibility determination.* The policies and procedures shall describe:

a. How families most likely to benefit from self-sufficiency grant assistance are identified.

b. How families can apply for self-sufficiency grant assistance.

c. How families will be informed of the availability of self-sufficiency grant assistance, its voluntary nature, and how the program works.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

441—47.27(239B) Evaluation of family self-sufficiency grants. The department, in conjunction with IWD, will develop an evaluation plan. The evaluation plan will:

1. Describe tracking procedures.
2. Describe the plan for evaluation.
3. Describe how measurable results will be determined.
4. Identify any support needed to conduct an evaluation.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

441—47.28(239B) Recovery of FSSG overpayments. An overpayment exists when an item(s) for which the funds were awarded was not purchased, a duplicate payment was issued or when, according to receipts, the item(s) purchased costs less than the funds received. For purposes of overpayment and recovery, an FSSG payment is considered a PROMISE JOBS expense payment and is subject to rule 441—93.12(239B), recovery of PROMISE JOBS expense payments.

[**ARC 9261C**, IAB 5/14/25, effective 7/1/25]

These rules are intended to implement Iowa Code sections 234.6 and 239B.11.

[Editorial change: IAC Supplement 6/10/26]

CHAPTER 48
PROMOTING AWARENESS OF THE BENEFITS OF A HEALTHY MARRIAGE

Chapter rescission date pursuant to Iowa Code section 17A.7: 6/1/30

441—48.1(234) Definitions.

"Asset" means the same as defined in Iowa Code section 239.1 to the extent it is consistent with 7 CFR 273.8 as amended to March 1, 2025.

"SNAP" means the supplemental nutrition assistance program under 441—Chapter 65.

[**ARC 9065C**, IAB 4/2/25, effective 6/1/25]

441—48.2(234) Eligibility criteria. Eligibility for the promoting awareness of the benefits of a healthy marriage program is always determined in conjunction with determination of eligibility for SNAP.

48.2(1) *Application.* There is no separate application for the program. Eligibility for the program is determined whenever the department determines a household's eligibility for SNAP.

48.2(2) *Resources.* The maximum allowed household asset limit for the program is $15,000. Resources shall be counted in accordance with Iowa Code section 239.4(1).

48.2(3) *Income.* The household's gross countable monthly income determined according to 441—Chapter 65 must be less than or equal to 160 percent of the current federal poverty guidelines for the household size. The income eligibility limits as described in this subrule are revised each October 1 to reflect the annual adjustment to the federal poverty guidelines.

48.2(4) *Otherwise eligible for SNAP.* The household must meet all eligibility criteria for SNAP except as provided in this rule. A household that includes a member who is currently disqualified from SNAP due to an intentional program violation is not eligible for the program.

48.2(5) *Minimum SNAP benefit.* The household must be eligible for a monthly SNAP benefit greater than zero. Households with a monthly SNAP benefit of zero are not eligible for the program.

[**ARC 9065C**, IAB 4/2/25, effective 6/1/25]

441—48.3(234) Notice and eligibility period. A household that meets all of the eligibility criteria in this chapter will receive written notice of its eligibility for the promoting awareness of the benefits of a healthy marriage program.

48.3(1) *Written information.* Households determined eligible for the program will receive written information about the benefits of a healthy and stable marriage.

48.3(2) *Eligibility period.* A household that is determined eligible for the program will remain eligible for the program until the earlier of the following events:

a. The household fails to meet the eligibility criteria under this chapter, or

b. The household's SNAP certification period under 441—Chapter 65 ends.

[**ARC 9065C**, IAB 4/2/25, effective 6/1/25]

These rules are intended to implement Iowa Code section 234.6.

[Filed ARC 9065C (Notice ARC 8709C, IAB 1/8/25), IAB 4/2/25, effective 6/1/25]

CHAPTER 49
FAMILY DEVELOPMENT AND SELF-SUFFICIENCY (FaDSS) PROGRAM

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—49.1(216A) Definitions. As used in these rules, unless the context otherwise requires:

"Applicant" means a public or private organization that applies for a family development and self-sufficiency grant through the request for proposal process.

"Council" means the council on health and human services.

"Grant" means an award approved by the council to fund a family development and self-sufficiency project.

"Grantee" means an applicant whose proposal is selected by the council and who enters into a grant agreement with the department.

"Program" or *"FaDSS program"* means the family development and self-sufficiency (FaDSS) program.

"Proposal" or *"grant proposal"* means an application for grant funds to fund specific projects.

[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.2(216A) Identification of conditions and criteria for families at risk. The council has identified the following conditions and criteria that may place families at risk of instability or of long-term dependency on the family investment program:

49.2(1) *Educational level of head of household.*

a. Head of household has less than a high school education.

b. Head of household lacks basic literacy skills.

49.2(2) *Work experience of head of household.*

a. Head of household has never been employed.

b. Head of household has multiple episodes of employment lasting less than one year.

c. Head of household is currently unemployed.

49.2(3) *Household composition.*

a. Members are homeless or nearly homeless.

b. Members outside the nuclear family are in residence.

c. One or more children in the household were born while the parent received public assistance.

d. One or more children in the household are identified as having special needs.

e. Household includes a family member with substantiated substance use issues.

f. Household includes a past or current perpetrator of child abuse or domestic violence.

g. Household includes a member with a record of incarceration.

49.2(4) *Background of head of household.*

a. Head of household was a teenager at birth of first child.

b. Head of household has a disability or chronic illness (mental or physical).

c. Head of household is a past or current victim of child abuse or domestic violence.

d. Head of household grew up in a household with substance abuse.

49.2(5) *Public assistance history.*

a. Head of household grew up in a household that received public assistance.

b. Household has experienced multiple episodes of receipt of public assistance.

c. Household has been on public assistance for three or more years.

49.2(6) *Other conditions.* The council has also identified the following conditions that may contribute to instability or long-term dependency:

a. Lack of employment opportunity.

b. Lack of available services.

c. Lack of transportation.

[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.3(216A) Referral of families. Families who meet one or more of the conditions and criteria identified in rule 441—49.2(216A) may be referred to the program by the department, the department of workforce development, family self-referral, or other sources. Grantees will determine eligibility for the program in accordance with the eligibility criteria determined by the department.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.4(216A) Funding of grants.

49.4(1) *Availability of funds.* The council will develop requests for proposals for the awarding of grants, subject to availability of funds. Grants will not exceed 60 months; however, the department will approve grantee budgets on an annual basis, based upon and subject to available funds.

49.4(2) *Grant application process.* The department will distribute applications for grants through a request for proposal. Applications shall be submitted to the department in accordance with the instructions indicated in the request for proposal.

49.4(3) *Grant proposals.* Grant proposals for the program must include all elements outlined in the application as determined by the council.

49.4(4) *Selection of grant proposals.* All proposals timely received will be reviewed by the department, which will make recommendations to the council. The council will review the projects recommended by the department and make the final decision with respect to grant awards.

49.4(5) *Notification of applicants.* Applicants will be notified of grant award decisions within 60 days after the due date for receipt of proposals.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.5(216A) Grants not renewed and grants terminated or reduced. If the council determines that a grantee's project funding will not be renewed or if the council terminates or reduces a grantee's funding, the balance of funds not renewed or terminated or reduced will be awarded by the council to other grantees for which funding is approved, based on criteria approved by the council. In the event no previously approved grantees have been selected, the council will fund new grantees selected by the council as a result of a competitive grant application process.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.6(216A) Appeal.

49.6(1) Applicants dissatisfied with the council's actions regarding grant proposals for funds and grantees dissatisfied with termination of a contract may appeal the council's decision in accordance with 441—Chapter 2506.

49.6(2) In the case of a grant award, no disbursements will be made to a grantee for a period of ten calendar days following issuance of the notice of decision to award. If an appeal is filed within the ten days, all disbursements will be held pending a final decision on the appeal. All applicants will be notified if an appeal is filed.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—49.7(216A) Contract with grantee. Funds for grants approved by the council will be awarded pursuant to a contract entered into by the department and the grantee.

49.7(1) *Negotiation.* The department will conduct contract negotiations with the selected applicant, including negotiations regarding possible modifications to a grant proposal.

49.7(2) *Withdrawal of contract offer.* If the applicant and the department are unable to successfully negotiate a contract, the council may withdraw the award offer and award the grant to the applicant with the next highest-scoring proposal.

49.7(3) *Contract revisions.* The department and the grantee may negotiate revisions to the contract to allow for nonmaterial expansion or modification of services so long as such revisions do not increase the total amount of the grant. The department has the right to approve an amendment to the contract budget moving grant funds between budget line items if the funds represent more than 10 percent of the budget line item. All contract amendments will be granted at the discretion of the department in accordance with the terms set forth in the contract.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.8(216A) Grantee responsibilities. The grantee will be responsible for providing services in accordance with the policies and procedures set forth in the FaDSS program manual as amended to August 1, 2024; the grant contract; and any other guidance from the department.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

441—49.9(216A) Evaluation. The grantee will be evaluated by the department in accordance with the continuous quality improvement plan developed by the department.
[**ARC 9147C**, IAB 4/30/25, effective 7/1/25]

These rules are intended to implement Iowa Code section 216A.107.

[Filed ARC 9147C (Notice ARC 8535C, IAB 12/11/24), IAB 4/30/25, effective 7/1/25]
[Editorial change: IAC Supplement 6/10/26]

TITLE V
STATE SUPPLEMENTARY ASSISTANCE

CHAPTER 50
APPLICATION FOR ASSISTANCE

[Prior to 7/1/83, Social Services[770] Ch 50]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/2/30

441—50.1(249) Definitions.

"Aged" means a person 65 years of age or older.

"Applicant" means a person who is requesting state supplementary assistance on the person's own behalf or a person for whom state supplementary assistance is requested.

"Blind" means the same as defined in 20 CFR Section 416.981 as amended to August 1, 2024.

"Client" means a person who has been determined eligible and is a current or former recipient of state supplementary assistance.

"Disabled" means the same as defined in 20 CFR Section 416.905 or 20 CFR Section 416.906, both as amended to August 1, 2024. Exception: For the supplement for Medicare and Medicaid eligibles, being engaged in substantial gainful activity will not preclude a determination of disability. For purposes of state-administered payments, the department will determine disability according to 441—Chapter 75.

"Payment for a dependent relative" means a payment to a recipient on behalf of a dependent relative as defined in Iowa Code section 249.3(3).

"Payment for a protective living arrangement" means a payment to a recipient living in a family life home.

"Payment for residential care" means a payment to a recipient living in a residential care facility who is determined to be in need of care and payment is made on a per diem basis.

[**ARC 9304C**, IAB 5/28/25, effective 7/2/25]

441—50.2(249) Application procedures.

50.2(1) In order to be eligible for state supplementary assistance, an aged, blind, or disabled person with need for a living arrangement as defined in Iowa Code section 249.3 shall be receiving supplemental security income benefits or shall meet all eligibility requirements for the benefits other than income, but have less income than the standards for the living arrangements as set forth in 441—Chapter 52 and 441—Chapter 177.

a. Payments for mandatory supplementation, blind allowance, dependent relative allowance, and the family life home program shall be federally administered. Income excluded in determining eligibility for or the amount of a supplemental security income benefit will be excluded in determining eligibility for or the amount of the state payment.

b. Payments for in-home, health-related care and residential care shall be state-administered. Income excluded in determining eligibility for or the amount of a supplemental security income benefit, except the $20 exclusion of any income, will be excluded in determining eligibility for or the amount of the state payment.

c. Payments for supplements for Medicare and Medicaid eligibles shall be state-administered. Income excluded in determining eligibility for the person's Medicaid coverage group will be excluded in determining eligibility for the state payment.

50.2(2) Any person applying for payment for a protective living arrangement or payment for a dependent relative shall make application for supplemental security income at the Social Security Administration district office. The county office of the department will certify to the Social Security Administration as to the nature of the living arrangement or the status of the dependent.

50.2(3) Any person applying for payment for residential care, a dependent person allowance, payment for a protective living arrangement, or in-home health-related care shall make application with the department. The application shall be made on a form prescribed by the department. The application shall be

signed by the applicant or the authorized representative. Someone acting responsibly for an incapacitated, incompetent, or deceased person may sign the application on the person's behalf.

a. Each person wishing to do so shall have the opportunity to apply for assistance without delay.

b. An applicant may be assisted by an authorized representative as defined in rule 441—76.1(249A). If the applicant is unable to act on the applicant's own behalf, a responsible person may act on the applicant's behalf pursuant to rule 441—76.9(249A).

c. The department will notify the applicant in writing of additional information or verification that is required to establish eligibility for assistance. Failure of the applicant to supply the information or refusal to authorize the department to secure the information from other sources shall serve as a basis for denial of assistance.

50.2(4) An application for Medicaid from a person who meets the requirements of rule 441—51.6(249) will be considered as an application for the supplement for Medicare and Medicaid eligibles.

[**ARC 9304C**, IAB 5/28/25, effective 7/2/25]

441—50.3(249) Approval of application and effective date of eligibility.

50.3(1) Payment for a federally administered payment category when the applicant is not a supplemental security income (SSI) recipient will be effective the month following the month that an application is filed or, if later, the month following the month that all eligibility criteria are met, pursuant to 42 U.S.C. Section 1382(c)(7) as amended to August 1, 2024. Payment for a federally administered payment category when the applicant is an SSI recipient will be effective as of the first day of the month in which an application is filed or the first day of the month in which all eligibility criteria are met, whichever is later, notwithstanding 42 U.S.C. Section 1382(c)(7) as amended to August 1, 2024.

50.3(2) Payment for residential care will be effective as of the date that eligibility first exists, notwithstanding 42 U.S.C. Section 1382(c)(7) as amended to August 1, 2024, but in no case will the effective date be earlier than 30 days prior to the date of application.

50.3(3) The application for residential care will be approved or denied within five working days after the Social Security Administration approves supplemental security income benefits. When supplemental security income benefits will not be received, the application will be approved or denied within five working days from the date of establishment of all eligibility factors.

50.3(4) Payment for the supplement for Medicare and Medicaid eligibles will be effective retroactive to October 1, 2003, or to the first month when all eligibility requirements are met, whichever is later.

[**ARC 9304C**, IAB 5/28/25, effective 7/2/25]

441—50.4(249) Reviews.

50.4(1) Any eligibility factor will be reviewed whenever a change in circumstances occurs.

50.4(2) All eligibility factors will be reviewed at least annually.

50.4(3) For purposes of an annual review to be performed by the department, the client shall complete and return a form prescribed by the department.

[**ARC 9304C**, IAB 5/28/25, effective 7/2/25]

441—50.5(249) Application under conditional benefits. When the applicant or client is seeking state supplementary assistance (SSA) under the conditional benefit policy of the SSI program in accordance with 20 CFR Section 416.1242 as amended to March 15, 2022, the applicant or client are required to do the following:

50.5(1) Complete and return Form 470-2909.

50.5(2) Complete and return Form 470-2908 as follows:

a. For personal property, every 30 days during the conditional benefits period.

b. For real property, 35 days after conditional benefits are granted and every 60 days thereafter for nine months. If eligibility continues and the real property is not sold, the applicant or client shall complete the form every 90 days.

50.5(3) Sign an agreement to repay the state supplementary assistance granted during the conditional period using a form prescribed by the department. The amount of repayment is limited to the lesser of:

a. The amount by which the revised value of resources (resources counted at the beginning of the conditional period plus the net value of resources sold) minus both the resource limit and the amount that SSI recovers for conditional benefits.

b. The amount of state supplementary assistance actually paid in the conditional period, minus the amount that SSI recovers for conditional benefits.

[**ARC 9304C**, IAB 5/28/25, effective 7/2/25]

These rules are intended to implement Iowa Code sections 249.3, 249.4 and 249A.4.

CHAPTER 51
ELIGIBILITY
[Prior to 7/1/83, Social Services[770] Ch 51]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—51.1(249) Definitions.

"Administrative overpayment" means assistance incorrectly paid to or for the client because of continuing assistance during the appeal process.

"Agency error" means assistance incorrectly paid to or for the client because of action attributed to the department as the result of one or more of the following circumstances:

1. Misfiling or loss of forms or documents.
2. Errors in typing or copying.
3. Computer input errors.
4. Mathematical errors.
5. Failure to determine eligibility correctly or to certify assistance in the correct amount when all essential information was available to the local office.
6. Failure to make prompt revisions in payment following changes in policies requiring the changes as of a specific date.

"Client" means a person who has been determined eligible and is a current or former recipient of state supplementary assistance.

"Client error" means assistance incorrectly paid to or for the client because the client or client's representative failed to disclose information or gave false or misleading statements, oral or written, regarding the client's income, resources, or other eligibility and benefit factors. It also means assistance incorrectly paid to or for the client because of failure by the client or client's representative to timely report changes as described in 441—Chapter 76.

[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.2(249) Application for other benefits. An applicant or any other person whose needs are included in determining the state supplementary assistance payment must have applied for or be receiving all other benefits, including supplemental security income or the family investment program, for which the person may be eligible. The person must cooperate in the eligibility procedures while making application for the other benefits. Failure to cooperate shall result in ineligibility for state supplementary assistance.

[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.3(249) Supplementation. Any supplemental payment made on behalf of the recipient from any source other than a nonfederal governmental entity will be considered as income, and the payment will be used to reduce the state supplementary assistance payment.

[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.4(249) Eligibility for residential care.

51.4(1) *Licensed facility.* Payment for residential care can only be made when the facility in which the applicant or recipient is residing is currently licensed by the department of inspections, appeals, and licensing pursuant to laws governing health care facilities.

51.4(2) *Physician's statement.* Payment for residential care must be made only when there is on file an order written by a physician certifying that the applicant or recipient being admitted requires residential care but does not require nursing services. The certification will be updated whenever a change in the recipient's physical condition warrants reevaluation, but no less than every 12 months.

51.4(3) *Income eligibility.* The resident is income eligible when the income according to 441—paragraph 52.1(3)*"a"* is less than 31 times the maximum per diem rate. Partners in a marriage who both enter the same room of the residential care facility in the same month will be income eligible for

the initial month when their combined income according to 441—paragraph 52.1(3)*"a"* is less than twice the amount of allowed income for one person (31 times the maximum per diem rate).
[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.5(249) Dependent relatives.

51.5(1) *Income.* Income of a dependent relative must be less than the amount established by the department based on assistance standards as provided in rule 441—52.1(249). When the dependent's income is from earnings, an exemption of $65 will be allowed to cover work expense.

51.5(2) *Resources.* The resource limitation for a recipient and a dependent child or parent is $2,000. The resource limitation for a recipient and a dependent spouse is $3,000. The resource limitation for a recipient, spouse, and dependent child or parent is $3,000.

51.5(3) *Living in the home.* A dependent relative is eligible until the dependent relative is out of the recipient's home for a full calendar month starting at 12:01 a.m. on the first day of the month until 12 midnight on the last day of the same month.

51.5(4) *Dependency.* A dependent relative may be the recipient's ineligible spouse, parent, child, or adult child who is financially dependent upon the recipient. A relative will not be considered to be financially dependent upon the recipient when the relative is living with a spouse who is not the recipient.
[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.6(249) Residence. A recipient of state supplementary assistance must be living in the state of Iowa.
[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.7(249) Eligibility for supplement for Medicare and Medicaid eligibles. The following eligibility requirements are specific to the supplement for Medicare and Medicaid eligibles:

51.7(1) *Medicaid eligibility.* The recipient must be eligible for and receiving full medical assistance benefits under Iowa Code chapter 249A without regard to eligibility based on receipt of state supplementary assistance under this rule, and without being required to meet a spend down or pay a premium to be eligible for medical assistance benefits.

51.7(2) *SSI eligibility.* The recipient must meet all eligibility requirements for supplemental security income benefits other than limits on substantial gainful activity and income.

51.7(3) *Not otherwise eligible.* The recipient must not be eligible for benefits under another state supplementary assistance group.

51.7(4) *Medicare eligibility.* The recipient must be currently eligible for Medicare Part B.

51.7(5) *Living arrangement.* A recipient may live in one of the following:

a. The person's own home.

b. The home of another person.

c. A group living arrangement.

d. A medical facility.

51.7(6) *Income.* Income of a recipient must be within the income limit for the person's Medicaid eligibility group, but must exceed 120 percent of the federal poverty level.
[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.8(249) Income from providing room and board. In determining income from furnishing room and board or providing family-life home care, the amount established by the department based on assistance standards as provided in rule 441—52.1(249) will be deducted to cover the cost, and the remaining amount will be treated as earned income.
[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.9(249) Furnishing of social security number.

51.9(1) As a condition of eligibility, applicants or recipients of state supplementary assistance must furnish their social security account numbers or proof of application for the numbers if they have not been issued or are not known and provide their numbers upon receipt.

51.9(2) Assistance will not be denied, delayed, or discontinued pending the issuance or verification of the numbers when the applicants or recipients are cooperating in providing information necessary for issuance of their social security numbers.

[**ARC 9305C**, IAB 5/28/25, effective 8/1/25]

441—51.10(249) Recovery.

51.10(1) *Amount subject to recovery.* The department will recover from a client all state supplementary assistance funds incorrectly expended to or on behalf of the client, or when conditional benefits have been granted.

a. The department will seek to recover the state supplementary assistance granted during the period of time that conditional benefits were correctly granted the client under the policies of the supplemental security income program.

b. The incorrect expenditures may result from client or agency error, or administrative overpayment.

51.10(2) *Notification.* All clients will be promptly notified when it is determined that assistance was incorrectly expended. Notification will include for whom assistance was paid; the time period during which assistance was incorrectly paid; the amount of assistance subject to recovery, when known; and the reason for the incorrect expenditure.

51.10(3) *Source of recovery.* Recovery will be made from the client or from parents of children under the age of 21 when the parents completed the application and had responsibility for reporting changes. Recovery must come from income, resources, the estate, income tax refunds, and lottery winnings of the client.

51.10(4) *Repayment.* The repayment of incorrectly expended state supplementary assistance funds will be made to the department.

51.10(5) *Appeals.* The client has the right to appeal the amount of funds subject to recovery under the provisions of 441—Chapter 2506.

[**ARC 9305C**, IAB 5/28/25, effective 8/1/25; Editorial change: IAC Supplement 6/10/26]

CHAPTER 52
PAYMENT
[Prior to 7/1/83, Social Services[770] Ch 52]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—52.1(249) Assistance standards. Assistance standards are the amounts of money allowed on a monthly basis to recipients of state supplementary assistance in determining financial need and the amount of assistance granted. Current assistance standards will be published on the department's website. Assistance standards will be adjusted annually to reflect cost-of-living adjustments (COLA) adopted by the Social Security Administration, in accordance with 20 CFR §416.2095 and 20 CFR §416.2096 as amended to March 15, 2022. Adjustments to the assistance standards based on COLA are effective January 1 of each year.

52.1(1) *Protective living arrangement.* Assistance standards will be established by the department as provided in this chapter for care and personal allowances for persons living in a family-life home certified under rules in 441—Chapter 111.

52.1(2) *Dependent relative.* Assistance standards for the following categories will be established by the department as provided in this chapter for state supplementary assistance for dependent relatives residing in a recipient's home.

a. Aged or disabled client and a dependent relative.

b. Aged or disabled client, eligible spouse, and a dependent relative.

c. Blind client and a dependent relative.

d. Blind client, aged or disabled spouse, and a dependent relative.

e. Blind client, blind spouse, and a dependent relative.

52.1(3) *Residential care.* For periods of eligibility before July 1, 2017, the department will reimburse a recipient in either a privately operated or non-privately operated residential care facility on a flat per diem rate or on a cost-related reimbursement system with a maximum per diem rate established consistent with the assistance standards principles provided in this chapter.

For periods of eligibility beginning July 1, 2017, and thereafter, payment to a recipient in a licensed residential care facility will be based on the maximum per diem rate.

The facility shall accept the per diem rate established by the department for state supplementary assistance recipients as payment in full from the recipient and make no additional charges to the recipient.

a. All income of a recipient as described in this subrule after the disregards described in this subrule will be applied to meet the cost of care before payment is made through the state supplementary assistance program.

Income applied to meet the cost of care will be the income considered available to the resident pursuant to supplemental security income (SSI) policy plus the SSI benefit less the following monthly disregards applied in the order specified:

(1) When income is earned, impairment-related work expenses, as defined by SSI plus $65 plus one-half of any remaining earned income.

(2) An allowance established by the department consistent with this chapter will be given to meet personal expenses and Medicaid copayment expenses.

(3) When there is a spouse at home, the amount of the SSI benefit for an individual minus the spouse's countable income according to SSI policies. When the spouse at home has been determined eligible for SSI benefits, no income disregard will be made.

(4) When there is a dependent child living with the spouse at home who meets the definition of a dependent according to the SSI program, the amount of the SSI allowance for a dependent minus the dependent's countable income and the amount of income from the parent at home that exceeds the SSI benefit for one according to SSI policies.

(5) Established unmet medical needs of the resident, excluding private health insurance premiums and Medicaid copayment expenses. Unmet medical needs of the spouse at home, exclusive of health insurance

premiums and Medicaid copayment expenses, will be an additional deduction when the countable income of the spouse at home is not sufficient to cover those expenses. Unmet medical needs of the dependent living with the spouse at home, exclusive of health insurance premiums and Medicaid copayment expenses, will also be deducted when the countable income of the dependent and the income of the parent at home that exceeds the SSI benefit for one is not sufficient to cover the expenses.

(6) The income of recipients of state supplementary assistance or Medicaid needed to pay the cost of care in another residential care facility, a family-life home, an in-home health-related care provider, a home- and community-based waiver setting, or a medical institution is not available to apply to the cost of care. The income of a resident who lived at home in the month of entry will not be applied to the cost of care except to the extent the income exceeds the SSI benefit for one person or for a married couple if the resident also had a spouse living in the home in the month of entry.

b. Payment is made for only the days the recipient is a resident of the facility. Payment must be made for the date of entry into the facility, but not the date of death or discharge.

c. Payment must be made in the form of a grant to the recipient on a post payment basis.

d. Payment must not be made when income is sufficient to pay the cost of care in a month with less than 31 days, but the recipient shall remain eligible for all other benefits of the program.

e. Payment will be made for periods the resident is absent overnight for the purpose of visitation or vacation. The facility will be paid to hold the bed for a period not to exceed 30 days during any calendar year unless a family member or legal guardian of the resident, the resident's physician, case manager, or department service worker provides signed documentation that additional visitation days are desired by the resident and are for the benefit of the resident. This documentation shall be obtained by the facility for each period of paid absence that exceeds the 30-day annual limit. This information must be retained in the resident's personal file. If documentation is not available to justify periods of absence in excess of the 30-day annual limit, the facility shall submit a Case Activity Report, on a form prescribed by the department, to the county office of the department to terminate the state supplementary assistance payment.

A family member may contribute to the cost of care for a resident subject to supplementation provisions detailed in rule 441—51.2(249) and any contributions shall be reported to the county office of the department by the facility.

f. Payment will be made for a period not to exceed 20 days in any calendar month when the resident is absent due to hospitalization. A resident may not start state supplementary assistance on reserve bed days.

52.1(4) *Blind.* The standard for a blind recipient not receiving another type of state supplementary assistance is $22 per month.

52.1(5) *In-home, health-related care.* Payment to a person receiving in-home, health-related care must be made in accordance with rules in 441—Chapter 177.

52.1(6) *Minimum income level cases.* The income level of those persons receiving old age assistance, aid to the blind, and aid to the disabled in December 1973 shall be maintained at the December 1973 level as long as the recipient's circumstances remain unchanged and that income level is above current standards. In determining the continuing eligibility for the minimum income level, the income limits, resource limits, and exclusions that were in effect in October 1972 shall be utilized.

52.1(7) *Supplement for Medicare and Medicaid eligibles.* Payment to a person eligible for the supplement for Medicare and Medicaid eligibles shall be $1 per month.

This rule is intended to implement Iowa Code chapter 249.

CHAPTER 53
RENT SUBSIDY PROGRAM
Rescinded IAB 10/8/08, effective 11/12/08
[Filed without Notice 9/17/08—published 10/8/08, effective 11/12/08]

CHAPTER 54
FACILITY PARTICIPATION

[Prior to 7/l/83, Social Services[770] Ch 54]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—54.1(249) Application and contract agreement. Each facility desiring to participate in the state supplementary assistance program must enter into a contract with the department and agree to the provisions set forth in a contract in a form prescribed by the department. The effective date of the contract shall be the first of the month that the form is signed by the administrator of the facility and is received by the department. No payment shall be made for care provided before the effective date of the contract. The contract shall be in effect until the department ceases to participate in the program, until either party gives 60 days' notice of termination in writing to the other party, or until there is a change in ownership. The facility shall notify the department within 30 days of a change in ownership, a change in the number of beds, or a change in administrator.

This rule is intended to implement Iowa Code section 249.12.

[**ARC 9307C**, IAB 5/28/25, effective 8/1/25]

441—54.2(249) Maintenance of case records. A facility must maintain a case folder for each individual residing in the facility that contains the following:

1. Contract between the facility and the resident on a form prescribed by the department.
2. Physician's statement certifying that the resident does not require nursing services.
3. Proof of expenditures from resident's "personal needs" allowance.

This rule is intended to implement Iowa Code section 249.12.

[**ARC 9307C**, IAB 5/28/25, effective 8/1/25]

441—54.3(249) Payments for residential care facilities. Payments for residential care facilities will be made at the maximum per diem rate in 441—subrule 52.1(3).

54.3(1) *Failure to maintain records.* Failure to adequately maintain fiscal records, including census records, medical charts, ledgers, journals, tax returns, canceled checks, source documents, invoices, and audit reports by or for a facility, may result in the penalties specified in rule 441—79.3(249A).

54.3(2) *Termination or change of ownership.* A participating facility contemplating termination of participation or negotiating a change of ownership shall provide the department with at least 60 days prior notice. A transfer of ownership or operation terminates the participation agreement. A new owner or operator shall establish that the facility meets the conditions for participation and enter into a new agreement.

This rule is intended to implement Iowa Code section 249.12.

[**ARC 9307C**, IAB 5/28/25, effective 8/1/25]

441—54.4(249) Goods and services provided. All facilities participating in the program shall provide residents those goods and services required by the terms of the license issued by the department of inspections, appeals, and licensing in accordance with Iowa Code chapter 135C and rules promulgated thereto set forth in 481—Chapter 57 and requirements of the department set forth in these rules.

54.4(1) *Payment accepted.* The amount of client participation and the payment made through the state supplementary assistance program shall be accepted as payment in full for the required goods and services provided to the resident. The facility may seek reimbursement from other sources for goods and services provided that are beyond the goods and services required to be provided by these rules.

54.4(2) *Care, maintenance, general supervision, and personal services.* Each facility, as part of providing care, maintenance, general supervision, and personal services, shall provide as necessary supervision or assistance with ambulation, grooming, hair washing, shaving, personal hygiene, bathing, getting in and out of bed, dressing, feeding, and medication that can be self-administered.

54.4(3) *Laundry.* Each facility shall provide personal laundry service to the resident as part of the goods and services paid for through the program.

54.4(4) *Room furnishings.* The facility shall completely furnish the resident's room in accordance with 481—subrule 57.30(4) without additional charge to the resident or person acting on the resident's behalf. When the resident wishes to provide some item or items of room furnishing, the facility may grant the request.

This rule is intended to implement Iowa Code section 249.12.

[**ARC 9307C**, IAB 5/28/25, effective 8/1/25]

441—54.5(249) Personal needs account. When a facility manages the personal needs funds of a resident, it shall establish and maintain a system of accounting for expenditures from the resident's personal needs funds. The personal needs funds shall be deposited in a single checking account, not commingled with trust funds from any other facility, nor commingled with facility operating funds except for facility funds, not to exceed $500, deposited to cover bank charges and have in the account name the terms "Resident Trust Funds." The funds shall be deposited in a bank or other institution within the state of Iowa insured by the federal government. Expense for bank service charges for this account is a cost of doing business if the service cannot be obtained free of charge. The department will charge back to the facility any maintenance item included in the computation of the audit cost that is charged to the resident's personal needs allowance when such charge constitutes double payment. Unverifiable expenditures charged to personal needs accounts may be charged back to the facility. The accounting system is subject to audit by representatives of the department and shall meet the following criteria:

54.5(1) *Ledger.* Upon admittance, a ledger sheet shall be credited with the resident's total incidental money on hand. Thereafter, the ledger shall be kept current on a monthly basis. The facility may combine the accounting with the disbursement section showing the date, amount given the resident, and the resident's signature. A separate ledger shall be maintained for each resident.

54.5(2) *Expenditures.* When something is purchased for the resident and is not a direct cash disbursement, each such expenditure item in the ledger shall be supported by a signed, dated receipt. The receipt shall indicate the article furnished for the resident's benefit.

54.5(3) *Disbursement.* Personal funds shall be turned over only to the resident, the resident's guardian, or other persons selected by the resident. With the consent of the resident, when the resident is able and willing to give the consent, the administrator may turn over personal funds to a close relative or friend of the resident to purchase a particular item. A signed, dated receipt shall be required to be deposited in the resident's files.

54.5(4) *Audit.* The ledger and receipts for each recipient shall be made available for periodic audits by an accredited department representative. Audit certification shall be made by the department's representative at the bottom of the ledger sheet. Supporting receipts may then be destroyed.

54.5(5) *Death.* Upon a recipient's death, the funds remaining in the personal needs account shall be treated in the following manner:

a. The facility shall provide a written statement of the personal needs account to be filed in the case record.

b. When an estate is opened, the funds shall be submitted to the estate administrator.

c. When no estate is opened, the funds shall be released to the person assuming responsibility for the recipient's funeral expenses.

d. When no estate is opened and there are no living heirs, the funds shall be submitted to the department to escheat to the state.

This rule is intended to implement Iowa Code section 249.12.

[**ARC 9307C**, IAB 5/28/25, effective 8/1/25]

441—54.6(249) Case activity report. Whenever a Medicaid applicant or recipient enters the facility, changes level of care, or is discharged from the facility, the facility shall notify the department on a form prescribed by the department.

This rule is intended to implement Iowa Code section 249.12.

[**ARC 9307C**, IAB 5/28/25, effective 8/1/25]

441—54.7(249) Billing procedures. In order to determine the amount of payment to the recipient, the facility shall submit a billing form to the department following the month in which service was provided.

This rule is intended to implement Iowa Code section 249.12.

TITLE VI
GENERAL PUBLIC ASSISTANCE PROVISIONS

CHAPTER 55
WORK AND TRAINING PROGRAMS

[Prior to 7/1/83, Social Services[770] Ch 55]
[Prior to 2/11/87, Human Services[495]]
Rescinded, effective 7/1/89, see 441—Chapter 93

CHAPTER 56
BURIAL BENEFITS

[Prior to 7/1/83, Social Services[770] Ch 56]
[Prior to 2/11/87, Human Services[498]]
Rescinded IAB 2/6/02, effective 4/1/02

CHAPTER 57
INTERIM ASSISTANCE REIMBURSEMENT
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—57.1(249) Definitions.

"Benefits" means Supplemental Security Income (SSI) for the aged, blind, and disabled (a federal cash assistance program under Title XVI of the Social Security Act as amended to August 1, 2024) and any federally administered state supplementary assistance payments that are determined by the Social Security Administration to be due an individual at the time the SSI payment is made.

"County agency" means a county or county subdivision under the jurisdiction of the county board of supervisors, including a county commission of veteran affairs, that furnishes relief in the form of cash or vendor payments to or on behalf of needy persons in accordance with established standards under the provisions of Iowa Code chapter 35B or 252.

"Initial payment" means the amount of benefits determined by the Social Security Administration to be payable to an eligible person (including any retroactive amounts) when the person is first determined to be eligible for SSI. The initial payment does not include any emergency advance payments, any presumptive disability or blindness payments, or any immediate payments authorized under Section 1631 of the Social Security Act as amended to August 1, 2024.

"Initial posteligibility payment" means the amount of benefits determined by the Social Security Administration to be payable to an eligible person (including any retroactive amounts) when the person is first determined eligible for SSI following a period of suspension or termination. The initial posteligibility payment does not include any emergency advance payments, any presumptive disability or blindness payments, or any immediate payments authorized under Section 1631 of the Social Security Act as amended to August 1, 2024.

"Interim assistance" means the same as defined in 20 CFR Part 416 as amended to August 1, 2024.

"Interim period" means either (1) the period beginning with the month following the month in which a person filed an application for benefits for which the person was found to be eligible and ending with and including the month the person's benefits began, or (2) the period beginning the day the person's benefits were reinstated after a period of suspension or termination, and ending with (and including) the month the person's benefits were resumed. The interim period does not include any periods during which the person is underpaid by the Social Security Administration due to that agency's failure to make a timely modification of the person's SSI benefit or for any other reason.

[**ARC 9308C**, IAB 5/28/25, effective 8/1/25]

441—57.2(249) Requirements for reimbursement. In order to receive reimbursement for interim assistance payments, a county agency must meet the following requirements:

57.2(1) *Agreement.* The county agency shall enter into a written agreement with the department of health and human services on a form prescribed by the department.

57.2(2) *Authorization.* The county agency shall secure written authorization from the person seeking interim assistance. By signing a form prescribed by the department, the person:

a. Indicates the intent to apply for SSI benefits.

b. Authorizes the Social Security Administration to:

(1) Withhold the amount of interim assistance from the person's initial payment or initial posteligibility payment, and

(2) Make this amount payable to the county agency.

57.2(3) *Records.* The county agency shall:

a. Maintain a file for each person who has received interim assistance.

b. Maintain adequate records of all transactions made relating to interim assistance.

c. Comply with the provisions of the Federal Information Security Management Act (FISMA) as amended to August 1, 2024; 20 CFR Part 401 as amended to August 1, 2024; and the Privacy Act of 1974

as amended to August 1, 2024, relating to the safeguarding of information concerning individuals who have applied for interim assistance.

[**ARC 9308C**, IAB 5/28/25, effective 8/1/25]

441—57.3(249) Certificate of authority.

57.3(1) The county agency shall submit the information requested on a form prescribed by the department to the Social Security Administration at the address given on the form:

a. Before the date the agency first participates in the program, and

b. Subsequently when changes in the list of authorized officials occur.

57.3(2) The county agency shall submit a copy of the form referenced in subrule 57.3(1) to the department at the address given on the form each time the form is submitted to the Social Security Administration.

[**ARC 9308C**, IAB 5/28/25, effective 8/1/25]

These rules are intended to implement 1984 Iowa Acts, chapter 1310, section 9.

CHAPTER 58
COMMUNITY SERVICES BLOCK GRANT (CSBG)

Chapter rescission date pursuant to Iowa Code section 17A.7: 10/1/31

441—58.1(216A,PL97-35) Definitions. For the purpose of these rules, unless context otherwise requires:

"Community action agency" or *"eligible entity"* means any organization that was officially recognized as a community action agency under the provisions of Section 673(1) of the CSBG Act and Iowa Code sections 216A.91 and 216A.93.

"CSBG" means community services block grant program.

"CSBG Act" means the Omnibus Budget Reconciliation Act of 1981, PL 97-35, Title VI, Subtitle B, as amended to August 1, 2026. All references to the CSBG Act herein are as amended to August 1, 2026.

"Program year" means the year beginning October 1 and ending the succeeding September 30. The program year is numbered for that year in which it ends.

"Reduction" means funding reduced below the proportional share of funding the eligible entity received in the previous program year.

"Termination" means permanent withdrawal of the eligible entity's authority to obligate funds before that authority would otherwise expire. If an eligible entity's authority to obligate funds is terminated, no funds may be obligated by the eligible entity after the effective date of the termination.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.2(216A,PL97-35) Purposes. The CSBG as established by the CSBG Act provides assistance to states and local communities, working through a network of community action agencies and other neighborhood-based organizations, for the reduction of poverty, the revitalization of low-income communities, and the empowerment of low-income families and individuals in rural and urban areas to become self-sufficient.

Pursuant to Iowa Code section 216A.92, the department administers the community services block grant.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.3(216A,PL97-35) Uses of funds. The CSBG makes available to the state of Iowa funds to be used:

58.3(1) To support the following activities that are designed to assist low-income families and individuals:

a. Removing obstacles and solving problems that block the achievement of self-sufficiency;

b. Securing and retaining meaningful employment;

c. Attaining an adequate education;

d. Making better use of available income;

e. Obtaining and maintaining adequate housing and a suitable living environment;

f. Obtaining emergency assistance through loans, grants, or other means to meet immediate and urgent family and individual needs; and

g. Achieving greater participation in the affairs of the communities involved.

58.3(2) To address the needs of youth in low-income communities through youth development programs.

58.3(3) To make more effective use of, and to coordinate with, other programs related to the purposes of this program.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.4(216A,PL97-35) Apportionment distribution.

58.4(1) *Iowa apportionment.* There are appropriated to the department from the fund created by Iowa Code section 8.41(1) funds to implement the CSBG as described in the CSBG Act.

58.4(2) *Distribution of funds.* CSBG funds received according to subrule 58.4(1) will be allocated to the department and eligible entities as provided by federal law and in accordance with Iowa law.

58.4(3) *Poverty-level population.* The state will use U.S. census statistics to determine the poverty-level population in each community action area.

58.4(4) *Local share.* There shall be no local share required under the CSBG.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.5(216A,PL97-35) Eligibility requirements. The eligibility requirements for an organization to receive and administer CSBG funds are as follows.

58.5(1) *Organization.* The organization must meet the definition of a "community action agency" as defined in these rules.

58.5(2) *Board composition.* A recognized community action agency shall be governed by a board of directors composed of at least nine members. The board membership shall follow the requirements in Iowa Code section 216A.94.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.6(216A,PL97-35) Community action plan. All eligible entities shall submit a community action plan for the purpose of applying for CSBG funds. Community action plans must be outcome-based and antipoverty-focused and tie directly to the eligible entity's community assessment.

58.6(1) *Timing.* Eligible entities shall be informed in writing by the department of the due date for the community action plan and the amount of the eligible entities' allocation in accordance with subrule 58.4(2).

58.6(2) *Contents.* The department will provide instructions for preparing the community action plan to all eligible entities. In addition to other information specified in the instructions, the community action plan must:

a. Document the continuous use of the full federal model for the Results Oriented Management and Accountability cycle of assessment, planning, implementation, achievement of results, and evaluation for planning and administering the CSBG;

b. Include a budget that equals the amount of the eligible entity's allocation;

c. Include a description of the service delivery system targeted to low-income individuals and families in the service area;

d. Include a description of how linkages will be developed to fill identified gaps in the services through the provision of information, referrals, case management, and follow-up consultations;

e. Include a description of how CSBG funds will be coordinated with other public and private resources;

f. Include a description of how CSBG funds will be used to support innovative community and neighborhood-based initiatives related to the purposes in rule 441—58.2(216A,PL97-35); and

g. Include outcome measures to be used to measure eligible entity performance in promoting self-sufficiency, family stability, and community revitalization.

58.6(3) *Nondiscrimination provisions.* Eligible entities must ensure that no person shall, on the basis of race, color, national origin, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any activity funded in whole or in part with CSBG funds.

58.6(4) *Community assessment.* Eligible entities must conduct a community assessment at least once every three years. The community assessment shall include data specific to poverty, qualitative and quantitative data, and key findings on the causes and conditions of poverty and the needs of the communities assessed. The results of the assessment shall be used to plan activities contained in the community action plan.

58.6(5) *Contract.* The department will issue the eligible entity a CSBG contract once the department accepts the community action plan.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.7(216A,PL97-35) Review and acceptance of community action plans.

58.7(1) *Compliance review.* All activities proposed in the community action plan will be reviewed by the department for:

a. Compliance with the specific purposes and uses of funds outlined in rules 441—58.2(216A,PL97-35) and 441—58.3(216A,PL97-35);

b. Inclusion of assurances that the eligible entity will conduct the CSBG in compliance with all applicable laws; and

c. Inclusion and proper completion of all forms and instructions included in the request for community action plans.

58.7(2) *Performance.* Acceptance of community action plans is dependent on the satisfactory performance of the eligible entity in the past funding year(s). Additionally, available records, audits, and determinations from other relevant state and federal agencies may be utilized.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.8(216A,PL97-35) Ineligible items. CSBG funds cannot be used for the following activities or costs:

58.8(1) Any partisan or nonpartisan political activity or any political activity associated with a candidate, or faction group, in an election for public or party office; any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or any voter registration activity.

58.8(2) The purchase or improvement of land, or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related home repairs) of any building or other facility. Exceptions shall only be provided through the waiver procedure described in Section 678F(a) of the CSBG Act.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.9(216A) Audits and records. Eligible entities shall arrange and pay for an annual audit. Audits shall be performed by a certified public accountant and in accordance with generally accepted auditing standards. Audit procedures shall conform to 2 CFR Chapter I, Office of Management and Budget Governmentwide Guidance for Grants and Agreements as amended to August 1, 2026, and Chapter II, Part 200, et al., Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards as amended to August 1, 2026. In addition, the department may request more frequent audits or examinations of financial records of the eligible entity in order to ensure adequate financial controls are in place and operating.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.10(216A,PL97-35) Designating eligible entities for unserved areas. If any geographic area of the state is not, or ceases to be, served by a community action agency and the governor decides to serve such area, the department will adhere to the requirements in Section 676A of the CSBG Act, U.S. Department of Health and Human Services statutory guidance, and other federal and state laws to solicit applications from qualified organizations.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.11(216A,PL97-35) Termination and reduction of funding. The department may terminate the designation of or reduce the share of CSBG funds allocated to an eligible entity if the department determines that an eligible entity fails to comply with the terms of an agreement, or the Iowa CSBG State Plan as amended to August 1, 2026, to provide CSBG services or to meet appropriate standards, goals, and other requirements established by the department, including performance objectives. If the department finds cause to terminate the designation of or reduce the funding of an eligible entity, the department will adhere to the requirements in Section 678C of the CSBG Act, U.S. Department of Health and Human Services statutory guidance, and other federal and state laws, including provisions of notification, technical assistance, corrective action, opportunity for a hearing under 441—Chapter 2506, and federal review, to initiate proceedings to terminate the designation of or reduce the funding of the eligible entity.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.12(216A,PL97-35) Client grievance and appeal process.

58.12(1) Eligible entities shall adopt client grievance procedures to address CSBG client complaints. The grievance procedures must be approved by the department. The procedures shall be used for all clients to file a complaint for nonappealable items. If complaints are unable to be resolved, the eligible entity shall forward the issue to the department for assistance with resolution.

58.12(2) The department will handle client appeals pursuant to 441—Chapter 2506. Items that are appealable are denial of eligibility, services, or benefits when services are solely CSBG-funded assistance or for services provided through co-funded programs where there is no other dispute resolution avenue.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

441—58.13(216A,PL97-35) Further criteria. The Iowa CSBG State Plan and Application as amended to August 1, 2026, and the Iowa CSBG Policies and Procedures Manual as amended to August 1, 2026, are incorporated by reference as part of these rules. If any rule in this chapter conflicts with federal law or rules, federal law or rules shall prevail.

[**ARC 0496D**, IAB 8/19/26, effective 10/1/26]

These rules are intended to implement Iowa Code chapter 216A and PL 97-35.

[Filed ARC 0496D (Notice ARC 0381D, IAB 6/24/26), IAB 8/19/26, effective 10/1/26]

CHAPTER 59
LOW-INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

Chapter rescission date pursuant to Iowa Code section 17A.7: 10/1/31

441—59.1(216A,PL97-35,PL98-558) Definitions. For the purposes of this chapter, the following definitions apply:

"Assurance 16" means a provision of 42 U.S.C. Sections 8621 through 8630 as amended to August 1, 2026, that provides low-income home energy assistance program (LIHEAP) subrecipients the option of spending no more than 5 percent of their LIHEAP funds on services that encourage and enable households to reduce their home energy needs and thereby the need for energy assistance.

"DHHS" means the United States Department of Health and Human Services.

"Energy crisis" means weather-related (including natural disasters) supply shortage emergencies or other household energy-related emergencies as follows:

1. Nonworking heating unit (there must be a heating unit present).
2. Temporary need for alternate shelter due to lack of energy or fuel source.
3. Disconnected from utility service.
4. Past-due amounts owed create the risk of disconnection or an empty liquid propane (LP) or fuel oil (FO) tank.
5. LP tank 30 percent or less remaining.
6. Window or portable air-conditioning unit or repair of existing central air unit, when medically necessary.

"Household" includes all the people who occupy a housing unit (such as a house or apartment) as their usual place of residence. A household includes the related family members and all the unrelated people, if any, such as lodgers, foster children, wards, or employees who share the housing unit. A person living alone in a housing unit or a group of unrelated people sharing a housing unit, such as partners or roomers, is also counted as a household.

"LAA" means a local administering agency with which the department contracts to administer LIHEAP.

"Manual" or *"the manual"* means the LIHEAP Policy and Procedures Manual that is available on the department's website. All references herein are to those as amended to August 1, 2026.

"State plan" means the LIHEAP state plan that is available on the department's website. All references herein are to those as amended to August 1, 2026.

[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.2(216A,PL97-35,PL98-558) Household eligibility.

59.2(1) Households with incomes at or below the annually determined federal poverty guidelines, but not to exceed 150 percent of the guidelines, or an amount equal to 60 percent of the state median income for the state, according to DHHS, that are published annually in the Federal Register, may be eligible for assistance under LIHEAP. To receive benefits, an application must be made, eligibility must be determined, and program funds must be available before any payments may be made.

59.2(2) Proof of income eligibility is required as outlined in the manual. Any individual listed on a LIHEAP-approved application for the current fiscal year will not be listed on another application unless an exception is granted by the department.

59.2(3) Income criteria and guidelines are contained in the state plan and the manual.

59.2(4) All households applying for assistance under LIHEAP will simultaneously be making application for weatherization assistance, and 441—Chapter 63 will govern weatherization applications.

[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.3(216A,PL97-35,PL98-558) LAAs.

59.3(1) The department shall administer the LIHEAP program by contracting with LAAs that meet program and fiscal guidelines as required by federal law.

59.3(2) Each LAA will conduct outreach activities to ensure that eligible households are made aware of the program. In addition to its normal outreach functions, each LAA will authorize its workers to take

applications in an applicant's home and other locations specified in the manual. A notice of the appeal and hearing procedure pursuant to 441—Chapter 2506 must be posted at each intake site, and a copy of the appeal and hearing procedure and any other state-required handouts must be given to each client at the time of application or determination.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.4(216A,PL97-35,PL98-558) Application period. The application period for the program is between October 1, or the first working day of October, and April 30, or the last working day of April, or as defined in the manual.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.5(216A,PL97-35,PL98-558) Payments.

59.5(1) *Types of payments.* The following types of energy assistance payments may be made:

a. Payments may be made to suppliers on behalf of eligible households. The client's assistance shall remain as a credit on the client account until the program assistance is expended or the account is terminated.

b. Eligible households that pay an undesignated portion of the rent toward energy costs will receive assistance sent directly to the secondary vendor.

c. Direct payments may be made to eligible households as outlined in the manual.

59.5(2) *Duplicate and fraudulent payment control.* Each LAA is required to monitor, refer to the department, and prevent possible duplicate and other fraudulent applications and payments pursuant to the federal Office of Management and Budget guidance on the Payment Integrity Information Act of 2019 (PL 116-117) as amended to August 1, 2026, and the manual.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.6(216A,PL97-35,PL98-558) Change in status. The level of assistance for the program year will be determined based on the household's circumstances at the time of approval. If a household moves, a household of one passes away, or a household moves to a different service territory, etc., after applying for the program, the process outlined in the manual is to be followed.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.7(216A,PL97-35,PL98-558) Vendor agreement. A signed utility vendor agreement must be on file with the LAA before payments may be made to the vendor. If a fuel supplier does not sign a vendor agreement, a direct payment may be made to the eligible applicant. In cases where a vendor has not complied with all provisions of the vendor agreement, the state may approve direct payments to clients as an alternative.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.8(216A,PL97-35,PL98-558) Crisis assistance.

59.8(1) *Eligibility.* To be eligible for crisis assistance, a household must file an application, meet the income guidelines of LIHEAP, and meet the definition of "energy crisis."

59.8(2) *Evaluation.* Each crisis application will be evaluated individually by the LAA, which shall determine the appropriate resolution and the amount of assistance to be provided as defined by the manual.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.9(216A,PL97-35,PL98-558) Assurance 16 activities. LIHEAP customer services that encourage and enable households to reduce their home energy needs, and thereby reduce their need for energy assistance, shall be provided as Assurance 16 activities as outlined in the manual.
[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.10(216A,PL97-35,PL98-558) Grievances and appeals. Each LAA shall have a grievance process and procedures approved by the department for nonappealable actions. The following appeal and hearing procedures shall be used:

59.10(1) An applicant may initiate an appeal:

a. If an application is denied.

b. If an application is not acted upon within the required time frame.

c. If the benefit awarded is less than expected or less than previously notified.

d. If immediate or emergency support is refused or delayed beyond 48 hours or 18 hours for an energy crisis.

59.10(2) The department will process appeals pursuant to 441—Chapter 2506.

[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

441—59.11(216A,PL97-35,PL98-558) Further criteria. The state plan, the manual, and assistance award criteria for the program are incorporated by reference as part of these rules. If any rule in this chapter conflicts with federal law or rule, federal law or rule shall prevail.

[**ARC 0497D**, IAB 8/19/26, effective 10/1/26]

These rules are intended to implement Iowa Code chapter 216A, PL 97-35 and PL 98-558.

[Filed ARC 0497D (Notice ARC 0383D, IAB 6/24/26), IAB 8/19/26, effective 10/1/26]

CHAPTER 60
REFUGEE CASH ASSISTANCE

[Prior to 9/24/86 IAC Supp., see Refugee Service 715—Chapters 1 to 8]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—60.1(217) Alienage requirements.

60.1(1) *Immigration status.* A refugee is a person whose immigration status is one of the following statuses as issued by the United States Immigration and Naturalization Service:

a. Granted asylum under Section 208 of the Immigration and Nationality Act as amended to August 1, 2024.

b. Admitted as a refugee under Section 207 of the Act.

c. Paroled as a refugee or asylee under Section 212(d)(5) of the Act.

d. Cuban and Haitian entrants in accordance with requirements in 45 CFR Part 401 as amended to March 22, 2000.

e. Certain Amerasians from Vietnam who are admitted to the U.S. as immigrants pursuant to Section 584 of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1988, as contained in Section 101(e) of Public Law 100-202 and amended by the 9th proviso under Migration and Refugee Assistance in Title II of the Foreign Operations, Export Financing, and Related Programs Appropriations Acts, 1989 (Public Law 100-461 as amended to August 1, 2024).

f. Admitted for permanent residence, provided the individual previously held one of the statuses identified above.

60.1(2) *Nonrefugee child of refugee parents.* A nonrefugee child of refugee parents, when both parents in the home are refugees as defined in subrule 60.1(1), meets the alienage requirements. When only one parent is in the home and that parent is a refugee as defined in subrule 60.1(1), the child meets the alienage requirements.

60.1(3) *Immigration and Naturalization Service documents.* Each refugee shall provide Immigration and Naturalization Service documents in the form of either an I-94 card, an I-151 or I-551 card, an I-181 card, or other appropriate documentation to support the immigration status defined in subrule 60.1(1). If the name of the resettlement agency that resettled the refugee is not on the document, the refugee shall provide the name of the resettlement agency.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.2(217) Application procedures. Application policies are defined in rules 441—40.23(239B), 441—40.24(239B), and 441—40.25(239B).

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.3(217) Effective date of grant. The date of eligibility for a grant is defined in rule 441—40.26(239B).

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.4(217) Accepting other assistance.

60.4(1) *Family investment program (FIP).* A refugee applicant or recipient shall accept a FIP grant if eligible under 441—Chapters 40 and 41.

60.4(2) *Supplemental security income (SSI).* Refugees who are 65 or older, blind, or disabled shall apply for and, if eligible, accept SSI.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.5(217) Eligibility factors.

60.5(1) *Age.*

a. An unmarried refugee is considered an adult at age 18, except as defined in 441—subrule 41.21(1), and is eligible to receive refugee cash assistance if otherwise eligible.

b. Married refugees with or without children as defined in 441—subrule 41.21(1) are eligible regardless of age if other eligibility factors are met.

60.5(2) *Residency.* Residency requirements are defined in 441—subrule 41.23(1).

60.5(3) *Social security numbers.* Refugees are required to furnish a social security number as defined in 441—subrule 41.22(13).

60.5(4) *Determination of need.* Need will be determined as defined in 441—41.28(239B), except as otherwise provided in this chapter.

60.5(5) *Income.* Income is defined in rules 441—40.21(239B) and 441—41.27(239B).

60.5(6) *Resources.* Resource requirements are defined in rule 441—41.26(239B).

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.6(217) Students in institutions of higher education. A refugee who is a full-time student in an institution of higher education (other than a correspondence school) is ineligible for assistance with two exceptions:

1. The refugee is in a program approved as part of an individual employability plan as defined in subrule 60.9(3).
2. The refugee is in a program solely in English as a second language.

60.6(1) *Institution of higher education.* An institution of higher education is defined as an educational institution that provides an education program as specified below:

a. A public or private nonprofit institution of higher education is an educational institution that provides an educational program for which it awards an associate, baccalaureate, graduate, or professional degree; or at least a two-year program that is acceptable for full credit toward a baccalaureate degree; or at least a one-year training program that leads to a certificate or degree and prepares students for gainful employment in a recognized occupation.

b. A proprietary institution of higher education is an educational institution that provides at least a six-month program of training to prepare students for gainful employment in a recognized occupation.

c. A postsecondary vocational institution is a public or private nonprofit educational institution that provides at least a six-month program of training to prepare students for gainful employment in a recognized occupation.

60.6(2) *Full-time student.* A full-time student is a student who is carrying a full-time academic workload that equals or exceeds the following:

a. Twelve semester or 12 quarter hours per academic term in those institutions using standard semester, trimester, or quarter-hour systems.

b. Twenty-four semester hours or 36 quarter hours per academic year for institutions using credit hours to measure progress, but not using semester, trimester, or quarter systems, or the prorated equivalent for programs of less than one academic year.

c. Twenty-four clock hours per week for institutions using clock hours.

d. A series of courses or seminars that equals 12 semester hours or 12 quarter hours in a maximum of 18 weeks.

e. The work portion of a cooperative education program in that the amount of work performed is equivalent to the academic workload of a full-time student.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.7(217) Time limit for eligibility.

60.7(1) *Assistance.* A refugee may receive assistance, if otherwise eligible:

a. For refugees who entered the country prior to October 1, 2021, during the first eight months the refugee is in the United States, beginning the month the refugee enters the country.

b. For refugees who entered the country on or after October 1, 2021, and for whom eligibility for refugee cash assistance was determined on or before May 4, 2025, during the first 12 months the refugee is in the United States, beginning the month the refugee enters the country.

c. For refugees who entered the country on or after October 1, 2021, and for whom eligibility for refugee cash assistance was determined on or after May 5, 2025, during the first four months the refugee is in the United States, beginning the month the refugee enters the country.

Exception: For asylees, the date of entry is the date asylum is granted. The 8-month, 12-month, or 4-month period of eligibility begins the month asylum is granted. A nonrefugee child in the home with a refugee parent (or refugee parents, if both are in the home) is eligible for assistance until the parent(s) has been in the United States for 8, 12, or 4 months, or until the child reaches 8, 12, or 4 months of age, whichever occurs first. For Afghan special immigrant (SI) parolees and Afghan SI conditional permanent residents (CPRs), the date is the date of "entry into the community," which is the date the individual departed a safe haven. For Afghan humanitarian parolees, the date is the latter of October 1, 2021, or the date of entry into the community, which is the date the individual departed a safe haven. "Safe haven" is the term the U.S. government and other relevant stakeholders have used for U.S. military bases in the continental United States that housed Afghans evacuated under Operation Allies Refuge/Operation Allies Welcome (OAR/OAW) as Afghans awaited resettlement to their ultimate state of residence.

60.7(2) *Resources.* The resources of refugees excluded because of the 8-month, 12-month, or 4-month limit will be considered in the same manner as though these refugees were included in the eligible group.

60.7(3) *Income.*

a. When the eligible refugee group has income, the income will be diverted to meet the needs of the refugees ineligible because of the time limit who would otherwise have been included in the refugee assistance group as defined in subrule 60.5(4).

b. The income of the refugees ineligible because of the time limit who would otherwise have been included in the assistance group as defined in subrule 60.5(4), will be used first to meet the needs of the ineligible group and then applied to the eligible group's needs.

c. The amount of need for the ineligible group is the difference between the needs of the group including the ineligible refugees and the needs of the group excluding the ineligible refugees. Any excess income will be applied to the needs of the eligible group.

d. Any cash grant received by the applicant under the Department of State or the Department of Justice reception and placement programs will be disregarded as income and as a resource.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25; **ARC 9701C**, IAB 11/12/25, effective 1/1/26]

441—60.8(217) Criteria for exemption from registration for employment services, registration, and refusal to register. Each refugee applying for or receiving cash assistance shall register for employment unless the department determines the refugee is exempt because of reasons listed in subrule 60.8(1). Inability to communicate in English does not exempt a refugee from registration for employment services, participation in employability service programs and acceptance of appropriate offers of employment.

60.8(1) *Exemptions.* The following refugees are exempt from registration:

a. A refugee who is under the age of 16; or who is aged 16 but under the age of 18 and attending elementary, secondary, or vocational or technical school full-time; or a refugee who is enrolled full-time in training approved by the local office as part of an approved employability plan; or a refugee 18 years of age who is a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and reasonably expected to complete the program before reaching the age of 19.

(1) A refugee will be considered as attending school full time when enrolled or accepted full time (as certified by the school or institute attended) in a school or training leading to a certificate or diploma. Correspondence school is not an allowable program of study.

(2) The refugee also will be considered in regular attendance in months when the refugee is not attending because of an official school or training program, vacation, illness, convalescence, or family emergency. A refugee meets the definition of regular school attendance until the refugee has been officially dropped from the school rolls.

(3) When the refugee's education is temporarily interrupted pending adjustment of the education or training program, assistance will be continued for a reasonable period of time to complete the adjustment.

b. A refugee aged 65 or older.

c. A refugee who is caring for another member of the household who has a physical or mental impairment that requires, as determined by a physician or licensed or certified psychologist and verified by the department, care in the home on a substantially continuous basis, and no other appropriate member of the household is available.

d. A woman who is pregnant if it has been medically verified that the child is expected to be born in the month in which registration would otherwise be required or within the next six months.

e. A parent or other caretaker relative of a child under the age of three who personally provides full-time care for the child with only very brief and infrequent absences from the child. Only one parent or other caretaker relative in a case may be exempt under this paragraph. "Brief and infrequent absence" means short-term absences that do not reoccur on a regular basis. Any involvement by the parent employed less than 129 hours per month or attending school less than full-time, as defined by the school, will be considered brief and infrequent. Recreational activities and vacations by the parent or child that result in the parent being absent from the child will be considered brief and infrequent.

f. A refugee who is working at least 30 hours a week in unsubsidized employment expected to last a minimum of 30 days. This exemption continues to apply if there is a temporary break in full-time employment expected to last no longer than ten workdays.

g. A refugee who is ill, when determined by the department on the basis of medical evidence or another sound basis that the illness or injury is serious enough to temporarily prevent entry into employment or training.

h. A refugee who is incapacitated, when determined by a physician or licensed or certified psychologist and verified by the department, that a physical or mental impairment, by itself or in conjunction with age, prevents the refugee from engaging in employment or training.

60.8(2) *Registration.* A refugee not exempt under subrule 60.8(1) will be considered an employable refugee. An employable refugee shall register with the department of workforce development and, within 30 days of receipt of aid, participate in the employment services provided by the bureau of refugee services. The department does permit, but does not mandate, the voluntary registration for employment services of any applicant or recipient of refugee cash assistance who is exempt under the provisions of this rule. If a voluntary registrant fails or refuses to participate in appropriate employability services, to carry out job search, or to accept an appropriate offer of employment, the bureau of refugee services may de-register the refugee for up to 90 days from the date of determination that failure or refusal has occurred, but the refugee's cash assistance will not be affected.

60.8(3) *Refusal to register.*

a. An employable applicant refugee who refuses or fails to cooperate in accepting a referral to the department of workforce development or the bureau of refugee services, refuses or fails to appear at the department of workforce development office for registration, or refuses or fails to mail or deliver the registration form to the bureau of refugee services, will be denied assistance.

b. Assistance for an employable recipient refugee will be terminated when the refugee refuses or fails to register with the department of workforce development or the bureau of refugee services.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.9(217) Work and training requirements.

60.9(1) *Standards applicable to both work and training assignments.* The following standards must be met before an employable refugee can be required to accept a work or training assignment. A job offered, if determined appropriate under subrules 60.9(1) and 60.9(2), is required to be accepted by the refugee without regard to whether the job would interrupt a program of services planned or in progress unless the refugee is currently participating in a program in progress of on-the-job training or vocational training approved as part of an individual's employability plan or the refugee is enrolled full-time in a professional recertification program approved as part of an individual's employability plan.

a. The job or training referral must be related to the physical and mental capability of the person to perform the task on a regular basis. Any claim of adverse effect on physical or mental health will be based on adequate medical testimony from a physician or licensed or certified psychologist indicating that participation would impair the person's physical or mental health.

b. The total daily commuting time to and from home to the work or training site to which the person is referred shall not normally exceed two hours, not including the transporting of a child to and from a child care facility, unless a longer commuting distance and time is generally accepted in the community, in which case the round trip commuting time shall not exceed the generally accepted community standards.

c. The work or training site to which the person is referred must not be in violation of applicable federal, state, and local health and safety standards.

d. Referrals shall not be made that are discriminatory in terms of age, sex, race, creed, color, or national origin.

e. When child care is required, the child care must meet state licensing or registration requirements.

f. Available manpower statistics for a local area must indicate adequate employment potential for persons obtaining the given training. The employment must also meet the other appropriate work requirements.

g. The work or training assignment must be within the scope of the refugee's employability plan.

h. The quality of training must meet local employers' requirements so that the refugee will be in a competitive position within the local labor market. The training must also be likely to lead to employment that will meet the appropriate work criteria.

i. If a refugee is a professional in need of professional refresher training and other recertification services in order to qualify to practice the refugee's profession in the United States, the training may consist of full-time attendance in a college or professional training program, provided that the training is approved by the department as a part of the refugee's employability plan; it does not exceed one year's duration (including any time enrolled in the program in the United States prior to the refugee's application for assistance); it is specifically intended to assist the professional in becoming relicensed in the refugee's profession; and, if completed, it can realistically be expected to result in relicensing.

60.9(2) *Appropriate work requirements.* The local office, in making a determination of appropriate work, shall utilize the following criteria:

a. Appropriate work may be temporary, permanent, full-time, part-time, or seasonal work if it meets the other work standards defined in subrule 60.9(1).

b. The wage shall meet or exceed the federal or state minimum wage law, whichever is applicable, or if these laws are not applicable, the wage shall not be less favorable than the wage normally paid for similar work in that labor market but in no event shall it be less than three-fourths of the minimum wage rate.

c. The daily hours of work and the weekly hours of work shall not exceed those customary to the occupation.

d. No person shall be required to accept employment if:

(1) The position offered is vacant due to a strike, lockout, or other bona fide labor dispute.

(2) The person would be required to work for an employer contrary to the conditions of the person's existing membership in the union governing that occupation. However, employment not governed by the rules of a union in which the person has membership may be deemed appropriate.

60.9(3) *Development of an individual employability plan.* An individual employability plan will be developed as a part of a family self-sufficiency plan where applicable for each recipient of refugee cash assistance in a filing unit who is not exempt under subrule 60.8(1). The individual employability plan will:

a. Be designed to lead to the earliest possible employment and not be structured in such a way as to discourage or delay employment or job seeking.

b. Contain a definite employment goal, attainable in the shortest time period consistent with the employability of the refugee in relation to job openings in the area.

60.9(4) *Job search requirements.* The department will mandate job search for employable refugees where appropriate.

a. An employable recipient of refugee cash assistance shall carry out a job search program beginning at any time mandated by the bureau of refugee services. The bureau of refugee services will require the job search program to begin no later than six months after the refugee entered the United States or at the time the refugee is determined eligible for refugee cash assistance, if the refugee has completed at least six months in the United States at the time of the determination.

b. The job search program shall continue for at least eight consecutive weeks and shall meet requirements that the bureau of refugee services determines appropriate, including the amount of time to be devoted to employer contacts per week or the number of employer contacts mandated per week.

c. The department will determine and carry out the procedures it considers necessary to ensure that mandates for participation in job search are met.

60.9(5) *Failure or refusal to accept employability services or employment.*

a. Unless the refugee is exempt as described at rule 441—60.8(217), the department will terminate assistance when an employable recipient of refugee cash assistance has failed or refused to comply with any of the following requirements without good cause. The refugee shall:

(1) Register for employment with the department of workforce development and, within 30 days of receipt of cash assistance, participate in employment services provided by the bureau.

(2) Apply for or accept an offer of employment meeting the standards above.

(3) Carry out job search.

(4) Go to a job interview arranged by the department or its designee.

(5) Participate in an employability service program that is determined to be available and appropriate for that refugee.

(6) Not voluntarily quit a job.

(7) Participate in a social service or targeted assistance program that the department determines to be available and appropriate for that refugee.

b. In cases of proposed action to terminate, discontinue, suspend, or reduce assistance, the department will give timely and adequate notice, following the same procedures as those used in the family investment program. The written notice will include:

(1) An explanation of the reason for the action and the consequences of failure or refusal.

(2) Notice of the refugee's right to file an appeal with the department. The department will determine whether a hearing will be granted.

c. For the first refusal or failure the refugee will be sanctioned for three payment months. Subsequent refusals or failures will result in a six-payment month sanction for each refusal or failure.

d. If the sanctioned individual is the only member of the filing unit, the assistance will be terminated. If the filing unit includes other members, the department will not take into account the sanctioned individual's needs in determining the filing unit's need for assistance.

e. A conciliation period prior to the imposition of sanctions must be provided for in accordance with the following time limitations. The conciliation effort will begin as soon as possible, but no later than 10 days following the date of failure or refusal to participate, and may continue for a period not to exceed 30 days. Either the department or the recipient may terminate this period sooner when either believes that the dispute cannot be resolved by conciliation.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.10(217) Uncategorized factors of eligibility.

60.10(1) *Duplication of assistance.* A refugee whose needs are included in a refugee cash assistance grant will not concurrently receive a grant under any other public assistance program administered by the department. Neither will a recipient concurrently receive a grant from a public assistance program in another state.

60.10(2) *Contracts for support.* A person entitled to total support under the terms of an enforceable contract is not eligible to receive refugee cash assistance when the other party, obligated to provide the support, is able to fulfill that part of the contract.

60.10(3) *Participation in a strike.*

a. The spouse and children will be ineligible for assistance for any month in which the other spouse or parent is participating in a strike on the last day of the month.

b. Any person will be ineligible for assistance for any month in which the person is participating in a strike on the last day of that month.

c. Definitions of a strike and participating in a strike are defined in 441—paragraph 41.25(5)*"c."*

60.10(4) *Restrictions.* Restrictions found in 441—subrule 41.25(11) apply to benefits issued under this chapter.

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.11(217) Temporary absence from home. Temporary absence from home is defined in 441—subrule 41.23(3).

[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.12(217) Application. The application will be processed as defined in rule 441—40.22(239B).
[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.13(217) Continuing eligibility. Continuing eligibility will be determined as defined in rule 441—40.27(239B), except that refugee cash assistance will be substituted for the family investment program whenever it appears.
[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.14(217) Alternate payees. Alternate payees are defined in 441—Chapter 40, except that refugee cash assistance will be substituted for the family investment program whenever it appears.
[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.15(217) Payment. Payment will be issued as defined in 441—Chapter 45, except that refugee cash assistance will be substituted for the family investment program whenever it appears.
[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

441—60.16(217) Overpayment recovery. Recovery of overpayments will be determined as defined in 441—Chapter 46, except that refugee cash assistance will be substituted for the family investment program whenever it appears.
[**ARC 9278C**, IAB 5/14/25, effective 7/1/25]

These rules are intended to implement Iowa Code section 217.6.

CHAPTER 61
REFUGEE SERVICES PROGRAM

[Prior to 9/24/86 IAC Supp., see Refugee Service Center 715—Chapters 1 to 8]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—61.1(217) Definitions.

"Cash assistance" means the same as defined in 45 CFR 400 (June 7, 2022).

"Client" means refugees or others determined eligible for services funded under the refugee program.

"Family self-sufficiency plan" means a plan that addresses the employment-related service needs of the employable members in a family for the purpose of enabling the family to become self-supporting through the employment of one or more family members.

"Individual employability plan" means a written plan outlining an individual's vocational goal and the services to be provided to reach the goal.

"Iowa state refugee program plan" means the report that describes the state of Iowa's refugee program plan to meet the standards, goals, and priorities required under the Immigration and Nationality Act and developed by the department on the basis of a consultative process for the successful resettlement of refugees.

"Office of refugee resettlement" means the same as established in 8 U.S.C.A. §1521 (April 30, 1994).

"Refugee" means the same as defined in 8 U.S.C. §1101(a) INA 101 (a)(42) (January 5, 2023).

"Refugee unit" means either an individual refugee or two or more refugees representing an identifiable group, as determined by the department.

"Resettlement agency" means any business, organization or group of related persons having a current contract with the United States Department of State's Bureau of Population, Refugees, and Migration for the resettlement of refugees within the United States of America.

"Unaccompanied refugee minor" means the same as defined in 6 U.S.C.A. §279 (December 23, 2008).

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.2(217) Authority. The department has been given authority to administer the refugee program by Executive Order Number 21, signed by the governor December 24, 1985. United States Department of State and United States Department of Health and Human Services rules govern various program operations.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.3(217) Eligibility.

61.3(1) *Eligible immigration status.* Refugees eligible for services are those who have a status listed under 45 CFR §400.43 (June 7, 2022) or one of the following statuses:

a. Iraqi and Afghan Special Immigrants pursuant to Section 1244(g) of Div. A of PL 110-181 (August 1, 2024) (8 U.S.C. §1157 note) and Section 602(b)(8) of Div. F of PL 111-8 (August 1, 2024) (8 U.S.C. §1101 note).

b. Victims of a severe form of trafficking in persons per the Victims of Trafficking and Violence Protection Act of 2000, PL 106-386 (August 1, 2024) and 22 U.S.C. §7105(b) (1) (A) and (C) (August 1, 2024).

61.3(2) *Unaccompanied minors.* In addition to the unaccompanied minors in the categories listed under subrule 61.3(1), the following are eligible for the Office of Refugee Resettlement (ORR) Unaccompanied Refugee Minors Program:

a. Unaccompanied minor with special immigrant juvenile status under 8 U.S.C. §1101(a)(27)(J) (August 1, 2024) who was in the custody of the secretary of health and human services at the time the dependency order was granted for such child or was receiving services pursuant to Section 501(a) of the Refugee Education Assistance Act of 1980 (8 U.S.C. §1522 note (August 1, 2024)) at the time such dependency order was granted.

b. Unaccompanied minor who has been granted U status pursuant to Section 101(a)(15)(U) of the Immigration and Nationality Act (8 U.S.C. §1101(a)(15)(U) (August 1, 2024)).

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.4(217) Planning and coordinating the placement of refugees. Planning and coordinating the placement of refugees will be established in the bureau of refugee services state plan as required by the United States Department of State and United States Department of Health and Human Services.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.5(217) Services of the department available for refugees. All services provided to the refugee and family have self-sufficiency as the goal. Direct and contracted services may include:

61.5(1) *Job development.* These services involve working with employers in job development, placement, training, retention, and upgrading.

61.5(2) *Social adjustment.* These services include assessment and short-term counseling to persons or families in a perceived crisis, referral to appropriate resources, the making of arrangements for necessary services, home management services, transportation, translation and interpretation services, and case management services.

61.5(3) *Health-related services.* These services include information, referral to appropriate resources, assistance in scheduling appointments and obtaining services, and counseling to individuals or families to help them understand and identify their physical and mental health needs and maintain or improve their physical and mental health.

61.5(4) *Resettlement services.* These services involve securing and training sponsors, arranging for refugees to resettle in Iowa and providing case management, employment services, and social adjustment services.

As required under the resettlement contract with the United States Department of State, the department provides case management, employment services, and social adjustment services to the refugees it resettles during their first 90 days in Iowa.

61.5(5) *Any additional service.* These services, upon submission to and approval of the director of the office of refugee resettlement, include any additional service aimed at strengthening and supporting the ability of a refugee individual, family, or refugee community to achieve and maintain economic self-sufficiency, family stability, or community integration that has been demonstrated as effective and is not available from any other funding source.

61.5(6) *Translation and interpretation services.* These services provide interpreter service from English into the refugee languages or vice versa and assistance in translating written materials.

61.5(7) *Immigration services.* These services provide information and assistance to refugees in securing permanent resident alien status and family reunification.

61.5(8) *Adjustment of status.* These services provide guidance in obtaining permanent alien status and citizenship.

61.5(9) *Employability services.* A family self-sufficiency plan will be developed for anyone who receives employment-related services from the department. These services are specifically designed to assist refugees to obtain employment and to improve the employability of work skills of the individual and include job referral to, and job placement with, private employers. Specific employability services include:

a. Employment services, which include such activities as the development of a family self-sufficiency plan, individual employability plan, world-of-work and job orientation, job clubs, job workshops, job development, referral to job opportunities, job search, and job placement and follow-up.

b. Employability assessment services, which include such activities as aptitude and skills testing.

c. English language instruction, which includes referrals to programs that offer a curriculum that places an emphasis on English as it relates to obtaining and retaining a job and to programs that are provided in a concurrent, rather than sequential, time period with employment or with other employment-related services.

d. On-the-job training, which includes referrals to training that is provided at the employment site and is expected to result in full-time, permanent, unsubsidized employment with the employer who is providing the training.

e. Vocational training, which includes referrals to driver education and training when provided as part of an individual employability plan.

f. Skills recertification, which includes referrals to training that meets the criteria for appropriate training. If an individual is a professional in need of professional refresher training and other recertification services in order to qualify to practice the individual's profession in the United States, the training may consist of full-time attendance in a college or professional training program, provided that such training:

(1) Is approved as part of the individual's employability plan by the state agency, or its designee;

(2) Does not exceed one year's duration (including any time enrolled in such program in the United States prior to the refugee's application for assistance);

(3) Is specifically intended to assist the professional in becoming relicensed in the professional's profession; and

(4) If completed, can realistically be expected to result in such relicensing. This training may only be made available to individuals who are employed.

g. Child care, which includes referrals to child care necessary for participation in an employability service or for the acceptance or retention of employment.

h. Transportation when necessary for participation in an employability service or for the acceptance or retention of employment.

i. Translation and interpretation services when necessary in connection with employment or participation in an employability service.

j. Case management services for refugees who are considered employable and for recipients of public assistance who are considered employable, provided that the services are directed toward a refugee's attainment of employment as soon as possible after arrival in the United States.

k. Assistance in obtaining employment authorization documentations.

l. Referral to Iowa workforce development for provision of any or all of the above services.

61.5(10) *Outreach services.* These services include activities designed to familiarize refugees with available services, to explain the purpose of these services, and to facilitate access to these services.

61.5(11) *Referral.* These services enable referral of refugee clients to mainstream service systems.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.6(217) Provision of services.

61.6(1) *Priority of services.* Services are provided to refugees in the following order of priority, except in certain individual extreme circumstances:

a. Refugees who are receiving cash assistance.

b. Unemployed refugees who are not receiving cash assistance.

c. Employed refugees in need of services to retain employment or to attain economic independence.

d. All newly arriving refugees in the United States who apply for services during the five-year period from their date of arrival.

61.6(2) *Limitations on eligibility.* Services as described in rule 441—61.5(217) may be provided in the first 60 months of resettlement unless the Office of Refugee Resettlement grants an exception to the 60-month limit. Referral, interpretation, citizenship, and naturalization services may be provided to the extent feasible past 60 months of resettlement for refugees, except that refugees who are receiving employability services, as defined in subrule 61.5(11), as part of an employability plan, as of September 30, 1995, may continue to receive those services through September 30, 1996, or until the services are completed, whichever occurs first, regardless of their length of residence in the United States, pursuant to 45 CFR 400 (June 7, 2022). In any case, services will first be provided for those refugees who are in the first two years of resettlement and who are in need of assistance in securing self-sufficiency.

61.6(3) *Service requirements.*

a. Services provided will be refugee-specific services that are designed specifically to meet refugee needs, except that vocational or job skills training, on-the-job training, or English language training need not be refugee specific.

b. Services will be provided, to the maximum extent feasible, in a manner that is culturally and linguistically compatible with a refugee's language and cultural background.

c. Services will be provided, to the maximum extent feasible, in a manner that includes the use of bilingual or bicultural women on service agency staffs to ensure adequate service access by refugee women.

d. The department will use its social service grants primarily for employability services designed to enable refugees to obtain jobs within one year of becoming enrolled in services in order to achieve economic self-sufficiency as soon as possible.

e. Social services may continue to be provided after a refugee has entered a job to help the refugee retain employment or move to a better job.

f. Social service grant funds may not be used for long-term training programs such as vocational training that last for more than a year or educational programs that are not intended to lead to employment within a year.

g. In planning and providing services, the department will take into account those services that a resettlement agency is required to provide for a refugee whom it sponsors in order to ensure the provision of coordinated services to refugees that are not duplicative.

h. To avoid interference with refugee employment, English language instruction and vocational training must be provided to the fullest extent feasible outside normal working hours.

i. English language instruction must be provided in a concurrent, rather than sequential, time period with employment or with other employment-related services.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.7(217) Application for services. Any person will have an opportunity to apply for services by contacting the department or any of its affiliated offices either in person, by telephone, by fax, in writing, or by contacting any department staff members. The department will determine the eligibility of each person for services. Applicants for refugee cash assistance will automatically be considered as applicants for services. The department will ensure that refugee women have the same opportunities as refugee men to participate in all services, including job placement services.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.8(217) Adverse service actions.

61.8(1) *Denial.* Services will be denied when the department determines any of the following apply:

a. The client is not in need of the service.

b. The client is not legally eligible.

c. The service is not covered in the state refugee program plan.

d. There is another community resource available to provide the services or a similar service free of charge to the client that will meet the client's needs.

e. The service for which the client is eligible is currently not available.

f. Funding is not available to provide the service.

g. The client refuses to allow documentation of eligibility.

h. The services requested are those for which other resettlement agencies are contractually responsible.

i. The person requesting service has been in the United States more than 60 months and the services requested do not include referral, interpretation, citizenship, or naturalization services.

61.8(2) *Termination.* A service may be terminated when the department determines any of the following apply:

a. The need to attain the goals to which the service was directed has been achieved.

b. After repeated assessment, it is evident that the family or individual is unable to achieve or maintain goals set forth in the family self-sufficiency or individual employability plan.

c. After repeated efforts, it is evident that the client is unwilling to accept further service.

d. The service is no longer available in the Iowa state refugee program plan.

e. There is another community resource available to provide the services or a similar service free of charge to the client that will meet the client's needs.

f. Funding is not available to provide the service.

g. The person receiving service has been in the United States more than 60 months and the services the person is receiving do not include referral or interpretation services.

61.8(3) *Reduction.* A service may be reduced when the department determines any of the following apply:

a. Continued provision of service at its current level is not necessary. The department will determine the level to which the service may be reduced without jeopardizing the client's continued progress toward achieving or maintaining the goal.

b. Another community resource is available to provide the same or similar service to the client, at no financial cost to the client, that will meet the client's need.

c. Funding is not available to continue the service at the current level. The client will be reassessed to determine the level of service to be provided.

61.8(4) *Notice of adverse action.* In case of an action to terminate, reduce, or deny services, the department will give timely or adequate notice to the person or persons affected pursuant to 441—Chapter 16.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.9(217) Client appeals. Decisions made by the department or its designee adversely affecting its clients may be appealed according to 441—Chapter 2506.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—61.10(217) Refugee resettlement moneys. Money that is made available to the refugee sponsor for financial assistance in resettling the refugee unit must be spent in accordance with financial requirements and approved expenditures of the department, United States Department of State, and the state of Iowa comptroller and must go toward the benefit of the refugee unit.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.11(217) Unaccompanied refugee minors program. The department administers the unaccompanied refugee minors program under 441—Chapters 156, 112 through 116, and 202 and by federal guidelines provided by the United States Department of Health and Human Services (August 1, 2024). In consultation with other resettlement agencies, the director of the ORR determines the number of unaccompanied minors to be resettled in Iowa pursuant to 45 CFR 400 (June 7, 2022). Resettlement agencies will not bring unaccompanied minors into Iowa without the authorization of the director.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

441—61.12(217) Targeted assistance grants. "Targeted assistance grants" means United States Department of Health and Human Services formula allocation funding granted to the department for assistance to counties where, because of factors such as unusually large refugee populations (including secondary migration), high refugee concentrations, and high use of public assistance by refugees, there exists and can be demonstrated a specific need for supplementation of available resources for services to refugees.

61.12(1) *Administration of targeted assistance grants.* The department will make 95 percent of the total award available to the designated county except when the designated county has agreed to let the department administer the targeted assistance grant in its stead.

61.12(2) *Eligibility for services under targeted assistance grants.* Services funded by targeted assistance grants are limited to refugees who reside in the designated county.

61.12(3) *Services and limitations for services funded by targeted assistance grants.* Rules of 441—Chapter 61 are applicable to services funded by targeted assistance grants, except for subrules 61.5(5) and 61.6(1).

61.12(4) *Priority of services.* Services funded by targeted assistance grants will be provided in the following order of priority, except in certain individual extreme circumstances:

(1) Cash assistance recipients, particularly long-term recipients.

(2) Unemployed refugees who are not receiving cash assistance.

(3) Employed refugees in need of services to retain employment or to attain economic independence.

[**ARC 9148C**, IAB 4/30/25, effective 7/1/25]

These rules are intended to implement Iowa Code sections 217.6 and 217.41 and chapter 622A.

[Editorial change: IAC Supplement 6/10/26]

CHAPTER 62
RENT REIMBURSEMENT

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—62.1(425) Eligible claimants. This rule is effective for rent reimbursement claims received by the department on or after January 1, 2023.

62.1(1) The rent reimbursement program is available to claimants who:

a. Were at least 23 years of age or a head of household on December 31 of the base year,

b. Were not or will not be claimed as a dependent on another person's federal or state income tax return for the base year in the case of a claimant who is not disabled or at least 65 years of age,

c. Did not have household income in excess of the indexed amount determined pursuant to Iowa Code section 425.23(4) during the base year,

d. Are domiciled in Iowa at the time the claim is filed or were at the time of the claimant's death, and occupied and rented the property during any part of the base year.

62.1(2) If a homestead is occupied by two or more eligible claimants, each person may file a claim based upon each person's income and each person's share of the rent paid.

62.1(3) The computed reimbursement shall be determined in accordance with the applicable schedule provided in Iowa Code section 425.23(1) as adjusted by the indexed amount determined in Iowa Code section 425.23(4).

This rule is intended to implement Iowa Code sections 425.16(2)*"b,"*425.17(2) and 425.23.

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.2(425) Dual claims.

62.2(1) A claimant changing homesteads during the base year who will make property tax payments during the fiscal year following the base year and who also made rent payments during the base year is entitled to receive both a property tax credit and rent reimbursement.

62.2(2) Claimants must file separate claim forms for the property tax credit and the rent reimbursement with the county treasurer and the department, respectively.

62.2(3) The claims are to be based on the actual property tax due and rent constituting property tax paid, with a combined maximum of $1,000 upon which the credit and reimbursement can be calculated.

EXAMPLE: $800 property tax due
$400 rent constituting property taxes paid

a. The claim form for calculating the property tax credit must reflect the entire $800 amount.

b. The claim form for calculating the rent reimbursement must reflect only the remaining $200 of the $1,000 maximum allowance.

c. The department will issue refund warrants for rent reimbursement claims. The county treasurer will apply the credit.

This rule is intended to implement Iowa Code section 425.24.

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.3(425) Multipurpose building.

62.3(1) A multipurpose building is a building that is used for other purposes in addition to being used for living accommodations. If a portion of a homestead property is utilized for business purposes, the property is considered to be a multipurpose building.

62.3(2) The portion of the property tax due or rent constituting property tax paid attributable to the homestead only is to be used in determining the allowable credit or reimbursement. This portion is to be calculated by determining the percentage of the homestead square footage to the square footage of the entire multipurpose structure. This percentage is then to be applied to the property tax due in the current fiscal year or rent constituting property tax paid for the base year.

This rule is intended to implement Iowa Code section 425.17(8).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.4(425) Income.

62.4(1) Income includes the amount of in-kind assistance received by the claimant for housing expenses, such as federal rent subsidy payments made directly to the landlord on behalf of the claimant and energy assistance benefits received by the claimant from or through a public utility.

62.4(2) In determining income, net operating losses and net capital losses are not to be considered. If the comparison of gains and losses results in a net gain, such amount shall be considered income. If the comparison results in a net loss, the net loss shall be disregarded.

This rule is intended to implement Iowa Code section 425.17(7).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.5(425) Simultaneous homesteads. A person who rents one property and also rents another property for a simultaneous period of time is limited to claiming rent reimbursement on the property that is considered the person's domicile.

This rule is intended to implement Iowa Code section 425.17(4).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.6(425) Mobile, modular, and manufactured homes. Rent paid by an eligible claimant for occupancy of a mobile, modular, or manufactured home subject to the annual tax as provided in Iowa Code chapter 435 is subject to reimbursement regardless of how the home is taxed.

This rule is intended to implement Iowa Code section 425.17(4).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.7(425) Totally disabled.

62.7(1) A claimant is considered totally disabled only if the physical or mental impairment or impairments are of such severity that the claimant is not only unable to do work previously performed but cannot, considering the claimant's age, education, and work experience, engage in any other kind of substantial gainful work that exists in the national economy, regardless of whether such work exists in the immediate area in which the claimant lives, or whether a specific job vacancy exists, or whether the claimant would be hired if the claimant applied for work.

62.7(2) For purposes of this rule, a person shall not be considered unable to engage in substantial gainful employment unless the person has attained the age of 18 on or before December 31 of the base year.

This rule is intended to implement Iowa Code section 425.17(11).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.8(425) Household. "Household" includes the claimant and the claimant's spouse if living with the claimant at any time during the base year. "Living with" does not include a temporary visit. Only one claimant per household is entitled to a reimbursement.

This rule is intended to implement Iowa Code sections 425.17(5) and 425.22.

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.9(425) Homestead. A person who owns a homestead but is confined to a care facility shall be considered as occupying the owned homestead, provided the person does not lease or otherwise receive profits from others for the use of the homestead. The person shall be eligible for a property tax credit but shall not be eligible for a rent reimbursement.

This rule is intended to implement Iowa Code section 425.17(4).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.10(425) Gross rent/rent constituting property taxes paid. "Gross rent" means the total amount of rent paid for use of the homestead by the claimant.

This rule is intended to implement Iowa Code section 425.17(3).

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.11(425) Leased land. An individual who owns a dwelling located on land owned by another may claim a credit of property taxes due on the dwelling and a reimbursement of rental payments made for the use of the land if the land has been assessed for taxation.

This rule is intended to implement Iowa Code section 425.17(4).
[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.12(425) Property: taxable status. In order for a claimant to be eligible to file a rent reimbursement claim, the property upon which the claimant resided during the base year must have been in a taxable status during the base year. If the property was taxable for only part of the base year, the rent reimbursement must be prorated accordingly (OP.ST. BD. Tax Rev. 187). However, this restriction does not apply to property that became tax exempt on or after July 1, 1986, provided the claimant received a reimbursement of rent constituting property taxes paid on the property when it was in a taxable status and continues to reside in the same property.

This rule is intended to implement Iowa Code section 425.17(4).
[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.13(425) Income: spouse. The income of a spouse does not have to be reported on the claimant's return unless the spouse lived with the claimant at the property upon which rent reimbursement is claimed. If the spouse lived with the claimant for only a portion of the base year, only that portion of the spouse's income that was received while living with the claimant must be reported as income on the claimant's return. If the spouse is eligible to claim reimbursement, the spouse does not have to include any income that was reported on the other claimant's (spouse's) return.

This rule is intended to implement Iowa Code section 425.17(6).
[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.14(425) Common law marriage.

62.14(1) A common law marriage is a social relationship between two persons that meets all the necessary requisites of a marriage except that it was not solemnized, performed, or witnessed by an official authorized by law to perform marriages.

62.14(2) The necessary elements of a common law marriage are:

a. A present intent of both parties freely given to become married,

b. A public declaration by the parties or a holding out to the public that they are spouses,

c. Continuous cohabitation together as spouses (this means consummation of the marriage), and

d. Capability of both parties to enter into the marriage relationship.

62.14(3) No special time limit is necessary to establish a common law marriage.

This rule is intended to implement Iowa Code section 425.17.
[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.15(425) Audit of claim.

62.15(1) *Authority.* The department may investigate the eligibility of a claimant for rent reimbursement.

62.15(2) *Recomputed rent reimbursement claim.* If the department determines a computed rent reimbursement is in error, the department shall collect any overpayment from the claimant or reimburse the claimant for any underpayment. If a claimant fails to reimburse the department for an overpayment, the amount of overpayment shall be deducted from any future rent reimbursement to which the claimant is entitled.

This rule is intended to implement Iowa Code section 425.27.
[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.16(425) Extension of time for filing a claim. The granting of an extension of time for filing a claim for reimbursement does not extend the time within which or the dates on or by which eligibility requirements must be satisfied.

This rule is intended to implement Iowa Code section 425.20.
[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.17(425) Proration of claims. If the director or the director's designee determines that the amount of funding provided pursuant to Iowa Code section 425.39 will be insufficient to pay all rent

reimbursement claims filed, the director or the director's designee will estimate the percentage at which the claims will be paid and will prorate the payment of each rent reimbursement claim by the same estimated percentage.

This rule is intended to implement Iowa Code sections 25B.7 and 425.39.

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.18(425) Unreasonable hardship. In order to avoid any unreasonable hardship to a claimant, the director or the director's designee may review the facts and circumstances of the claim as set forth by the claimant. The director or the director's designee may investigate all factors related to the specific case as deemed appropriate by the director or the director's designee. If the director or the director's designee is satisfied that the claim qualifies as an undue hardship for the claimant, the claim will be approved by the director or the director's designee.

This rule is intended to implement Iowa Code section 425.37.

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25]

441—62.19(425) Appeal. Notice of adverse action taken by the department shall be issued in accordance with 441—Chapter 16, and the right to appeal shall be given in accordance with 441—Chapter 2506.

This rule is intended to implement Iowa Code chapter 17A.

[**ARC 9309C**, IAB 5/28/25, effective 8/1/25; Editorial change: IAC Supplement 6/10/26]

[Filed ARC 6557C (Notice ARC 6382C, IAB 6/29/22), IAB 10/5/22, effective 1/1/23]
[Filed ARC 9309C (Notice ARC 8525C, IAB 12/11/24), IAB 5/28/25, effective 8/1/25]
[Editorial change: IAC Supplement 6/10/26]

CHAPTER 63
WEATHERIZATION

Chapter rescission date pursuant to Iowa Code section 17A.7: 10/1/31

441—63.1(216A,PL94-385,PL98-558) Eligible households.

63.1(1) A household includes all the people who occupy a housing unit (such as a house or apartment) as their usual place of residence. A household includes the related family members and all the unrelated people, if any, such as lodgers, foster children, wards, or employees who share the housing unit. A person living alone in a housing unit or a group of unrelated people sharing a housing unit, such as partners or roomers, is also counted as a household. A household occupying a dwelling unit is eligible for assistance under the weatherization assistance program if the household:

a. Has an annual income no higher than 200 percent of the federal poverty guidelines determined in accordance with criteria established by the Director of the Office of Management and Budget (OMB).

b. Is receiving supplemental security income (SSI) or family investment program (FIP) assistance, regardless of income.

63.1(2) Household eligibility, including income verification, will be determined in accordance with the application requirements for the low-income home energy assistance program (LIHEAP), the application for which is considered a joint application. Household eligibility and prioritization for weatherization services are established annually.

63.1(3) Both owner-occupied and renter-occupied dwellings may be weatherized. However, rental units occupied by low-income residents shall be weatherized, providing benefits accrue primarily to the low-income tenants, rents are not raised because of the weatherization, and no undue or excessive enhancement occurs to the value of the dwelling unit. Landlords of rental dwellings must agree to have their dwellings weatherized before assistance is provided.

63.1(4) Provision of all weatherization program services are contingent upon the availability of funds.

[**ARC 0498D**, IAB 8/19/26, effective 10/1/26]

441—63.2(216A,PL94-385,PL98-558) Local administering agencies (LAAs).

63.2(1) The department will administer the program by utilizing community action agencies (CAAs) or their approved subcontractors or other public or nonprofit entities that have shown the ability or have the capacity to undertake a timely and effective weatherization program. Program funds shall be used for the purchase and installation of weatherization materials, training and technical assistance, administration, and supportive services.

63.2(2) LAAs will be required to sign a contractual agreement that specifies required and allowable program activities, including U.S. Department of Energy regulations, special conditions, participant forms, program and fiscal reporting, and audit requirements.

[**ARC 0498D**, IAB 8/19/26, effective 10/1/26]

441—63.3(216A,PL94-385,PL98-558) Application period. Households may apply for weatherization assistance between October 1, or the first working day of October, and September 30, or the last working day of September, as defined in the annual Weatherization Assistance Program State Plan as amended to August 1, 2026.

[**ARC 0498D**, IAB 8/19/26, effective 10/1/26]

441—63.4(216A,PL94-385,PL98-558) Payments.

63.4(1) *Duplicate and fraudulent payment control.* Each LAA is required to provide a system to monitor and prevent possible duplicate and other fraudulent applications and payments. Duplication cross-checks shall be based on the unique client or vendor identifier.

63.4(2) *Referrals.* Each LAA is required to refer all suspected cases of fraud, including duplicate payments, overpayments, and fraudulent statements on applications, to the department for investigation.

[**ARC 0498D**, IAB 8/19/26, effective 10/1/26]

441—63.5(216A,PL94-385,PL98-558) Grievances and appeals.

63.5(1) Each LAA shall have grievance policies and procedures approved by the department for nonappealable items, including quality or extent of work performed.

63.5(2) Items that are appealable to the department pursuant to 441—Chapter 2506 are:

a. Services that have been denied for eligibility.

b. Weatherization work that is delayed or postponed for extenuating circumstances. The LAA must document the reasons for the delay of services and inform the client and the department.

c. Quality or completeness of work, if the LAA has exhausted its grievance process.

d. LAA contractors and subcontractors that have exhausted the grievance process.

[**ARC 0498D**, IAB 8/19/26, effective 10/1/26]

441—63.6(216A,PL94-385,PL98-558) Further criteria. The Weatherization Assistance Program State Plan as amended to August 1, 2026, and Weatherization Assistance Program Policy and Procedures Manual as amended to August 1, 2026, are incorporated by reference as part of these rules. If any rule in this chapter conflicts with federal law or rule, the federal law or rule shall prevail.

[**ARC 0498D**, IAB 8/19/26, effective 10/1/26]

These rules are intended to implement Iowa Code section 216A.99, PL 94-385 and PL 98-558.

[Filed ARC 0498D (Notice ARC 0384D, IAB 6/24/26), IAB 8/19/26, effective 10/1/26]

CHAPTER 64
INDIVIDUAL DEVELOPMENT ACCOUNT (IDA)

Chapter rescission date pursuant to Iowa Code section 17A.7: 10/1/31

441—64.1(541A) Definitions. As used in these rules, unless the context otherwise requires:

"Account holder" means the same as defined in Iowa Code section 541A.1.

"Charitable contributor" means an individual, company or organization that makes a contribution through a nonprofit association described in Section 501(c)(3) of the Internal Revenue Code as amended to August 1, 2026, which association makes a deposit to an individual development account and which association is exempt from taxation under Section 501(a) of the Internal Revenue Code as amended to August 1, 2026.

"Federal poverty level" means the poverty income guidelines established annually for a calendar year and published in the Federal Register by the U.S. Department of Health and Human Services.

"Financial institution" means a financial institution, including but not limited to a bank, savings and loan, or credit union, approved by the department to accept individual development accounts.

"Household" means the adults who are related by blood, marriage or adoption or who are unrelated but have maintained a stable family relationship together over a period of time and the individuals who are under 18 years of age related to the above adults by marriage, blood or adoption who are living together. "Living together" refers to domicile as evidenced by the parties' intent to maintain a home for their family and does not include a temporary visit.

"Individual contributor" means the same as defined in Iowa Code section 541A.1.

"Individual development account" or *"IDA"* means an investment account that has the characteristics described in Iowa Code section 541A.2 and is operated by the operating organization.

"Individual development account state match fund" means the fund established in the state treasury under the authority of the department into which are deposited funds for payment to operating organizations for state match payments to individual investment accounts and administrative costs to implement the individual investment account program.

"Minor account holder" means an account holder who is younger than 18 years of age.

"Operating organization" means an entity selected by the department for involvement in operating individual development accounts directed to the eligible target population.

"Source of principal" means any of the following sources of a deposit:

1. Deposits made by the account holder.
2. Deposits of state match payments.
3. Deposits of individual development account moneys that are transferred from another individual development account holder. The moneys transferred from another individual development account will be considered to be a deposit of principal made by the account holder.
4. Deposits made on behalf of the account holder by an individual contributor or a charitable contributor.

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

441—64.2(541A) Establishment of individual development accounts. An investment account qualifies as an IDA when it is established and operates in accordance with the following.

64.2(1) *Operating organization.* The investment account shall be established through an operating organization.

64.2(2) *Account.* The account shall be opened at a financial institution and kept in the name of an individual account holder.

64.2(3) *Deposits.* Deposits made to an IDA are also known as sources of principal and shall be made in any of the manners indicated in the definition of "source of principal" in rule 441—64.1(541A).

64.2(4) *Investment of funds.* The funds deposited in the IDA may be invested in any investment that the financial institution is authorized to offer to the public.

64.2(5) *Income.* The account earns income.

64.2(6) *Maximum deposits of principal.* The total of all sources of principal in an individual development account may not exceed $30,000.

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

441—64.3(541A) Eligibility, state match payments, and state tax provisions.

64.3(1) *Eligibility based on countable household income level.* Eligibility will be based on the prospective account holder's household income for the calendar year preceding the calendar year in which the IDA will be opened. The household income shall not exceed 200 percent of the federal poverty level as published in the same year. If an account holder's household income exceeds 200 percent of the federal poverty level in any subsequent year following the year that the account holder established the account, the account will remain open, but the account holder will not be eligible to receive the state savings match payment for deposits made during the year following the year when the household income exceeds 200 percent of the federal poverty level. If the prospective account holder files an income tax return on a fiscal year basis, the household income must nonetheless be computed on a calendar year basis.

64.3(2) *Countable household income.*

a. The household's countable income shall be the Iowa net income as defined in Iowa Code section 422.7, with the following inclusions and exclusions:

(1) Inclusions to the extent not already included in Iowa net income are as follows:

1. Capital gains.
2. Alimony.
3. Child support money.
4. Cash public assistance and relief, except property tax relief under Iowa Code chapter 425, subchapter II.
5. The gross payment amount of any pension or annuity, including but not limited to railroad retirement benefits.
6. Military retirement and veterans' disability pensions.
7. Interest received from local, state or federal government securities.
8. Workers' compensation.
9. The gross amount of disability income or "loss of time" insurance.

(2) Exclusions are as follows:

1. Gifts from nongovernmental sources.
2. Surplus foods, including food assistance.
3. Payments received by an individual under the age of 18 under the federal Social Security Act.
4. Other in-kind relief supplied by a governmental agency.

b. Income shall not be reduced by either a net operating loss carryover or by a capital loss carryover.

64.3(3) *Determination of income status and eligibility.*

a. In lieu of calculating countable household income as provided in subrule 64.3(2) to determine income status and eligibility of an individual to hold an IDA, the operating organization may use evidence of an individual's enrollment in a program with income eligibility restrictions that are equal to or less than the maximum household income provided in subrule 64.3(1) as sufficient for determining the individual's eligibility to hold an IDA.

b. In order to determine the amount of countable household income of an individual seeking to open an IDA and to maintain household income records on an annual basis, the operating organization shall use any of the following methods or other methods deemed appropriate by the operating organization to obtain accurate income information:

(1) The operating organization shall ask both the individual who wishes to establish an IDA and other members of the individual's household who have filed federal or state income tax returns to furnish a copy of the returns with attached W-2 statements and to sign a release of information form permitting the operating organization to receive from the Iowa department of revenue summary information indicating the Iowa net income or to receive a copy of the state income tax return for the specific calendar year used to establish income eligibility to participate in the IDA program and for specified successive calendar years during which the IDA account is open. The operating organization shall protect the confidentiality of this information.

(2) If the individual and members of the individual's household have not filed federal or state income tax returns for the calendar year used to determine eligibility, the operating organization shall ask the individual to provide copies of available financial records of the household to determine the amount of countable income for the calendar year used to determine eligibility.

(3) The operating organization may also ask the individual seeking to hold an IDA to sign a release of information form allowing the operating organization to obtain individual and household income records held by agencies administering the programs referred to in paragraph 64.3(3)*"a."* The operating organization shall use this information to verify and maintain household income records of individuals seeking to hold an IDA, thereby facilitating the administration of the IDA program. The operating organization shall maintain the confidentiality of this information. Countable household income determinations shall include the amount of the cash assistance provided through the programs referred to in paragraph 64.3(3)*"a."*

(4) If the individual has minimal or no financial records and the operating organization determines that the totality of the individual's circumstances corroborates a credible explanation for the absence of said records, the operating organization may accept a written self-declaration from the individual as sufficient to document initial income eligibility to hold an IDA.

c. The operating organization shall obtain and maintain income information records from an account holder and all members of the account holder's family on a yearly basis to determine continued IDA eligibility.

64.3(4) *Exemption from income tax for income earned on assets in an IDA.* Income earned on principal in an IDA will be exempt from state income tax even if the account holder's household income is greater than 200 percent of the federal poverty level for the tax year.

64.3(5) *State match payments.* The operating organization shall determine the account holder's countable household income and account deposits on an annual basis for the purpose of computing the state match payment. The operating organization shall file with the department a claim for a state match payment on behalf of the account holder by April 30 of the year following the year in which the account holder made deposits into the IDA. The claim shall be filed on a form provided by the department. The department will make a payment of a savings match on a 1:1 ratio on amounts of up to $2,000 that an eligible account holder deposited in the account holder's account the previous year. The total state savings match for all years shall not exceed $2,000 for any IDA. Neither the moneys transferred to an IDA from another IDA nor the state match received by the account holder pursuant to this subrule will be considered an account holder deposit for purposes of determining a state match payment. The department or operating organization shall make the state match payment directly to the IDA in the manner deemed appropriate by the department.

64.3(6) *Tax implications.* IDAs shall be subject to rule 701—302.44(422,541A).

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

441—64.4(541A) Requests for proposals—operation of IDAs.

64.4(1) *Issuance of requests for proposals.* The department may issue requests for proposals (RFPs) for operating organizations interested in operating an IDA program. The RFP will require the operating organization to provide information in its proposal regarding the financial institution that the operating organization will use for the proposed IDA program. The department will include such information in evaluating proposals submitted in response to the RFP.

64.4(2) *Review criteria used to evaluate and select proposals responding to the RFP.* The department will evaluate and select proposals submitted by operating organizations in response to the RFP based upon but not limited to the criteria as provided in the RFP.

64.4(3) *Other considerations and guidelines.* Other considerations and guidelines in implementing IDAs are:

a. The department shall have the authority to designate and limit the number of locations where IDA projects will be implemented, taking into account demographic characteristics and geographic considerations.

b. The department will require all IDA operating organizations and projects to comply with any federal individual development account program requirements for drawing federal funding.

c. The department and the operating organization shall enter into an agreement that specifies the responsibilities of both parties. The agreement will incorporate by reference the provisions of the RFP.

d. The operating organization shall maintain a clear and precise audit trail of all deposits and withdrawals of funds in IDAs. All withdrawals from an IDA shall require a signature of approval from the operating organization. Upon the termination of the agreement between the operating organization and the department or upon the discontinuance of the IDA program for any reason, the IDA accounts under the management of that operating organization shall terminate and the funds in the IDAs shall be distributed to the account holders unless the operating organization and a successor operating organization located in the same geographic area and operating an IDA program approved by the department enter into an agreement for the transfer of IDA accounts to the successor operating organization. The department shall have authority to review and approve in advance the agreement between the two operating organizations.

e. Upon the termination of an operating organization's relationship with the financial institution holding its IDA accounts, the operating organization managing the accounts shall enter into an agreement with a department-approved successor financial institution to hold the accounts and shall arrange for the transfer of the accounts to the new financial institution. The new agreement shall be subject to the department's review and advance approval.

f. If an account holder moves within the state to a location that is not served by the operating organization but is served by another operating organization with a department-approved IDA program, the original operating organization shall arrange for the transfer of the account to a financial institution that has an agreement with the operating organization in the new location. If there is no operating organization in the new location, the IDA account shall be closed, with funds in the account distributed to the account holder; alternatively, the operating organization and the account holder may jointly agree to maintain the account under the management of the existing operating organization and financial institution. The operating organization shall provide a written notification to the department of all transfers of IDA accounts to the management of a new operating organization.

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

441—64.5(541A) Authorized withdrawals of principal and income.

64.5(1) *Approved purposes for withdrawal of funds from an IDA.* An account holder may withdraw principal and income earned on principal from an IDA only with the written approval of the operating organization and only for the purposes outlined in Iowa Code section 541A.2(4).

64.5(2) *Conditions on withdrawals of principal and income.* An account holder may withdraw funds from the account holder's IDA subject to the following conditions:

a. Any amount of principal and income earned on principal, provided the sum is authorized under Iowa Code section 541A.2(4) and in accordance with the procedure for authorized withdrawals set forth under subrule 64.5(3).

b. If the account holder is 59½ years of age or older, any amount of principal and income earned on principal. Such withdrawals shall not require the approval of the operating organization.

64.5(3) *Procedures for account holder deposits and withdrawals.* The operating organization and the financial institution shall agree upon and provide to account holders procedures to facilitate authorized withdrawals.

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

441—64.6(541A) Notice of nonapproved withdrawals and closure of the account.

64.6(1) *Nonapproved withdrawals and attempted withdrawals for nonapproved purposes.* The financial institution shall notify the operating organization within five calendar days of any withdrawals or attempted withdrawals that appear to be nonapproved. The financial institution shall refuse to release any funds that do not have the written authorization of approval from the operating organization.

64.6(2) *Closure of an IDA by the operating organization.* The operating organization may close an IDA pursuant to Iowa Code section 541A.2(6).

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

441—64.7(541A) Transfers of assets of an IDA.

64.7(1) *Transfers by an adult account holder.* An adult account holder may transfer all or part of the assets in the adult account holder's IDA to any other account holder's IDA. Upon compliance by the operating organization and financial institution with the requirements of rule 441—64.5(541A), IDA account holders who have transferred funds into another individual's IDA account and any beneficiaries of the transferee's IDA account shall sign a waiver of liability form releasing the operating organization and the financial institution from civil liability and responsibility for the wrongful withdrawals of funds by the account holder due to the account holder's false representation of the purpose of the withdrawal, resulting in the loss to the account balance of deposited principal funds, including individual and charitable contributions, transferred funds, and the state match payments.

64.7(2) *No transfers of assets from a minor account holder's IDA.* Neither a minor account holder nor the parents or legal guardian of such minor account holder shall have the right or ability to transfer assets from the minor account holder's IDA to the IDA of any other account holder.

64.7(3) *Transfers when an account holder dies.* At the time an IDA is established, an account holder shall name a contingent beneficiary or contingent beneficiaries or an account holder transferee to whom the assets of the account holder's IDA shall be transferred upon the account holder's death. Upon the account holder's death, the account assets shall be transferred to the named contingent beneficiary or contingent beneficiaries or to the account holder transferee's IDA, as applicable. A named contingent beneficiary or contingent beneficiaries or account holder transferee may be changed at the discretion of the account holder. If the named contingent beneficiary or contingent beneficiaries or account holder transferee is deceased or otherwise does not accept the transfer, the assets of the deceased account holder's IDA shall be transferred to the IDA state match fund.

[**ARC 0499D**, IAB 8/19/26, effective 10/1/26]

These rules are intended to implement Iowa Code chapter 541A.

[Filed ARC 0499D (Notice ARC 0379D, IAB 6/24/26), IAB 8/19/26, effective 10/1/26]

TITLE VII
FOOD PROGRAMS

CHAPTER 65
SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM ADMINISTRATION

[Prior to 7/1/83, Social Services[770] Ch 65]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—65.1(234) Definitions.

"Notice of expiration" means a message printed on a form prescribed by the department, which is automatically issued to the household.

"Supplemental Nutrition Assistance Program" or *"SNAP"* means benefits provided by the federal program administered through 7 CFR Parts 270 through 283 (May 2, 2022).

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.2(234) Administration of program. SNAP will be administered in accordance with the Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq. (August 1, 2024); 7 CFR Parts 270 through 283 (May 2, 2022); PL 99-603 (August 1, 2024); PL 104-193 (August 1, 2024); PL 107-171 (August 1, 2024); and with 42 U.S.C. Chapter 7 (January 7, 2011). A copy of the federal law and regulations may be obtained at no more than the actual cost of reproduction by contacting the department.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.3(234) State options. The state of Iowa has selected SNAP state options that are tailored to meet the state's operational considerations and policy preferences. These options can be viewed on the U.S Department of Agriculture website under the State Options Report.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.4(234) Treatment centers and group living arrangements. Substance use treatment or rehabilitation centers and group living arrangements shall provide a list of participating residents to the department on a monthly basis.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.5(234) Appeals. Fair hearings and appeals are provided according to 441—Chapter 2506.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25; Editorial change: IAC Supplement 6/10/26]

441—65.6(234) Proration of benefits. Benefits will be prorated using a 30-day month.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.7(234) Notice of expiration issuance. Issuance of the automated Notice of Expiration will occur with the mailing of a form prescribed by the department.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.8(234) Verification. Persons whose applications meet the initial criteria for error-prone cases may be subject to special verification procedures, including a face-to-face interview and additional documentation requirements in accordance with 481—Chapter 72.

Failure to cooperate with the investigations division of the department of inspections, appeals, and licensing in establishing eligibility factors will not result in denial or cancellation of the household's SNAP benefits. The investigations division will gather as much information as possible without the client's cooperation. If further information is needed based on those findings, a request for information must be sent to the household.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.9(234) Prospective budgeting.

65.9(1) *Weekly or biweekly income.* The department will convert income and deductions that occur on a weekly or biweekly basis to monthly figures using family investment program (FIP) procedures.

65.9(2) *Income averaging.* The department will average income by anticipating income fluctuations over the certification period. The number of months used to arrive at the average income should be the number of months that are representative of the anticipated income fluctuation.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.10(234) Effective date of change. A SNAP change caused by, or related to, a public assistance grant change will have the same effective date as the public assistance change.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.11(234) Work requirements. As a condition of eligibility for SNAP benefits, each nonexempt household member must comply with SNAP work requirements.

65.11(1) *Deregistration.* Work registrants who obtain employment or otherwise become exempt from the work requirement subsequent to registration or who are no longer certified for participation are no longer considered registered.

65.11(2) *Employment and training (E&T) program.* The department will design and operate an employment and training program with the purpose of providing SNAP participants opportunities to gain skills, training, work, or experience that will increase their ability to obtain regular employment and meet state or local workforce needs in accordance with the Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq. (August 1, 2024).

a. The employment and training program serves individuals who are:

(1) SNAP recipients or SNAP applicants.

(2) Not receiving FIP assistance or other cash assistance under Title IV, such as Tribal Temporary Assistance for Needy Families (TANF) or Refugee Cash Assistance.

(3) Physically and mentally able to work or will be able to work within the next one year.

b. The department or its designee shall serve as the provider of employment and training services for SNAP recipients who wish to volunteer, except for those who are also recipients of FIP benefits. Federal law prohibits FIP recipients from participating in any SNAP E&T program.

c. The program offers a range of services from basic skills to advanced occupational training in order to accommodate persons with various levels of need and abilities. The department or its designee may require a potential E&T participant to engage in aptitude or vocational testing activities when deemed necessary to determine if a component is appropriate for improving employability.

d. The E&T program will be designed in consultation with the state workforce development board or with private employers or employer organizations if the department determines the latter approach is more effective and efficient.

(1) The E&T program will be designed to include case management services and at least one or more or a combination of employment and training components.

(2) An E&T plan will be submitted to the Food and Nutrition Service (FNS) of the U.S. Department of Agriculture annually, in accordance with 7 CFR 273.7(c)(6) (May 2, 2022), and will be amended as necessary within the required time frame prior to implementation.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.12(234) Income. In determining eligibility, the department will exclude educational income, including any educational loans on which payment is deferred, grants, scholarships, fellowships, veterans' educational benefits, and the like excluded under Title XIX of the Social Security Act (42 U.S.C. Section 1396 2011 et seq. (August 1, 2024)) for the state's modified adjusted gross income (MAGI)-related medical assistance program, subject to subrule 65.12(4).

65.12(1) Notwithstanding anything to the contrary in these rules or regulations, the department will exclude educational income based on amounts earmarked by the institution, school, program, or other grantor as made available for the specific costs of tuition, mandatory fees, books, supplies, transportation, and miscellaneous personal expenses (other than living expenses).

65.12(2) If the institution, school, program, or other grantor does not earmark amounts made available for the allowable costs involved, students will receive an exclusion from educational income for educational assistance verified by the student as used for the allowable costs involved. Students can also verify the allowable costs involved when amounts earmarked are less than amounts that would be excluded by a strict earmarking policy.

65.12(3) For the purpose of this rule, mandatory fees include the rental or purchase of equipment, materials and supplies related to the course of study involved.

65.12(4) Certain types of student income will be treated as follows, regardless of how they are considered for MAGI-related medical assistance.

a. Wages are not excluded.

b. Federally funded work study is excluded.

c. State-funded work study is excluded up to the amount earmarked for educational expenses.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.13(234) Deductions. A household in which all members are homeless may choose the homeless standard deduction in place of the shelter and utility expenses deduction.

65.13(1) Households choosing this option are not required to verify shelter-related expenses.

65.13(2) Households choosing this option are not eligible to receive a shelter or utility deduction.

65.13(3) The amount of the homeless standard deduction is determined by the FNS and adjusted annually.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.14(234) Student resources. Any income excluded by rule 441—65.12(234) will be excluded from resources.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

441—65.15(234) Reinstatement. When assistance has been canceled for failure to provide requested information, assistance will be reinstated without a new application if all information necessary to establish eligibility, including verification of any changes, is provided within 14 days of the effective date of cancellation and eligibility can be reestablished. If the fourteenth calendar day falls on a weekend or state holiday, the client shall have until the next business day to provide the information. The effective date of assistance will be the date all information required to establish eligibility is provided.

[**ARC 9310C**, IAB 5/28/25, effective 8/1/25]

These rules are intended to implement Iowa Code sections 234.12 and 234.6.

◊ Two or more ARCs

1 Amendments to subrules 65.30(5) and 65.130(7) and rules 65.32(234) and 65.132(234) effective 10/1/96.

2 Subrules 65.8(11) and 65.108(11) effective 1/1/97.

CHAPTER 66
EMERGENCY FOOD ASSISTANCE PROGRAM

Chapter rescission date pursuant to Iowa Code section 17A.7: 8/1/30

441—66.1(234) Definitions.

"Household" means a single individual living alone or a group of related or nonrelated individuals who live together, who are not boarders or residents of an institution, and who purchase and prepare food for home consumption.

"TEFAP" means The Emergency Food Assistance Program as authorized by the Emergency Food Assistance Act of 1983 as amended through PL 107-249, enacted October 23, 2002.

[**ARC 9311C**, IAB 5/28/25, effective 8/1/25]

441—66.2(234) Household eligibility. Household eligibility is determined by residence, household size, and income.

66.2(1) *Residence.* Household members must be residing in the state of Iowa.

66.2(2) *Household size.* Household size is determined by the number of people living in a dwelling, excluding boarders, as household is defined in rule 441—66.1(234).

66.2(3) *Income eligibility.* All earned and unearned income of the household must be considered in determining eligibility.

a. Income defined. Income means all income received by an individual from sources identified by the U.S. Census Bureau in computing median income and includes:

(1) Money wages or salary;
(2) Net income from nonfarm self-employment;
(3) Net income from farm self-employment;
(4) Dividends;
(5) Interest;
(6) Income from estates or trusts;
(7) Net rental income and royalties;
(8) Public assistance or welfare payments;
(9) Pensions and annuities;
(10) Workers' compensation;
(11) Alimony;
(12) Child support;
(13) Veterans' pensions;
(14) Social security;
(15) Railroad retirement;
(16) Supplemental security income;
(17) State or federal assistance;
(18) Veterans' benefits;
(19) Black lung benefits;
(20) All disability pensions;
(21) State supplementary assistance;
(22) Unemployment compensation benefits; and
(23) Income from minors under 16 years of age.

b. Determination of income. Earned or unearned income is the gross annual, monthly, or weekly income.

(1) Biweekly income is to be multiplied by 2.15 to determine monthly income.
(2) Adjusted gross self-employment income will be averaged over a 12-month period.
(3) Income received from interest and dividends will be averaged over a 12-month period.
(4) The amount of income that stops or starts during the month will be estimated based on the best information available.

c. Income exclusions. When calculating total household income for this program, all income must be excluded that is specifically excluded for food assistance by federal statute, especially those sources listed in federal regulations at 7 CFR 273.9(c)(10) as amended to May 2, 2022.

d. Income guidelines. Households are eligible for TEFAP when the countable household income is at or below 185 percent of the federal poverty guidelines. These federal guidelines are revised annually, effective every July 1.

[**ARC 9311C**, IAB 5/28/25, effective 8/1/25]

These rules are intended to implement Iowa Code sections 234.6 and 234.12.

[Filed ARC 6559C (Notice ARC 6410C, IAB 7/13/22), IAB 10/5/22, effective 12/1/22]
[Filed ARC 9311C (Notice ARC 8473C, IAB 12/11/24), IAB 5/28/25, effective 8/1/25]

CHAPTER 67
SPECIAL SUPPLEMENTAL NUTRITION PROGRAM FOR WOMEN, INFANTS, AND CHILDREN (WIC)

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/30

441—67.1(135) Definitions. Definitions can be found in 7 CFR Part 246 (as amended to August 1, 2024) and state-specific definitions can be found in Iowa WIC policies and procedures. Iowa WIC policies and procedures describe the manner in which the department implements and operates all aspects of program administration within its jurisdiction in accordance with 7 CFR Part 246 (as amended to August 1, 2024), United States Department of Agriculture (USDA) policy memorandums, USDA guidance documents, and any other documents issued by USDA to implement the WIC program.
[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.2(135) Administration of program. The department implements the WIC program by following guidance from 7 CFR Part 246 (as amended to August 1, 2024), USDA policy memos, USDA guidance documents, and any other documents issued by USDA to implement the WIC program.
[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.3(135) Certification of participants. Eligibility will be determined pursuant to 7 CFR Section 246.7 (as amended to August 1, 2024), any USDA-issued documents used to implement the WIC program, and the WIC Policy and Procedure Manual (as amended to August 1, 2024).
[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.4(135) Food delivery.

67.4(1) *Responsibilities of department—approving or denying applications.* The department will determine if applications meet mandatory specifications and may deny an application pursuant to 7 CFR Part 246 (as amended to August 1, 2024); USDA federal regulations; USDA guidance documents; or the Iowa WIC Program Vendor Guidance (as amended to August 1, 2024), Iowa WIC Program Vendor Application (as amended to August 1, 2024), and Iowa WIC Program Vendor Handbook and Agreement (as amended to August 1, 2024).

67.4(2) *Responsibilities of WIC vendors.*

a. A potential vendor shall make application to the department's WIC program and shall accept the obligations imposed by the signing of the Iowa WIC Program Vendor Agreement and Handbook (as amended to August 1, 2024) prior to acceptance of any WIC food instrument. To qualify as a WIC vendor, the vendor shall meet all of the criteria outlined in the Iowa WIC Program Vendor Guidance (as amended to August 1, 2024), Iowa WIC Program Vendor Application (as amended to August 1, 2024), and Iowa WIC Program Vendor Agreement and Handbook (as amended to August 1, 2024).

b. The vendor must agree to adhere to all provisions of the Iowa WIC Program Vendor Application (as amended to August 1, 2024), Iowa WIC Program Vendor Agreement and Handbook (as amended to August 1, 2024), and Iowa WIC Program Vendor Guidance (as amended to August 1, 2024).

67.4(3) *Criteria for approving products for inclusion in the WIC food package.*

a. A product shall meet the federal regulations governing the WIC food package.

b. If a vendor offers specialty eggs for retail sale, the vendor shall maintain an inventory of conventional eggs for retail sale sufficient to meet federal and state requirements for participation in the WIC program.

c. Products will be evaluated for use in the Iowa WIC program based on nutrient content, packaging, container size, labeling, availability to wholesale distributors, cost, and participant preference. The state reserves the right to limit the number of foods, infant formulas, exempt infant formulas, and WIC-eligible nutritionals for the WIC-approved food list based on accessibility, availability, retail value of product, USDA recommendations, increased number of WIC participants, changes in appropriation of funds and administrative efficiency.

d. The approved food list provides more specifics on what is allowed or not allowed for each of the WIC-approved foods.

e. In addition to the criteria specified above, the department reserves the right to make changes to the criteria or further restrict the number and types of brands of any products in order to contain the cost of the food package through competitive procurement of rebate contracts or other similar means.

f. The department reserves the right to discontinue specific brand names and products if the cost is administratively burdensome for that particular product.

g. The department reserves the right to add or delete products pursuant to federal regulations.

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.5(135) Education.

67.5(1) Participants who are high risk, as defined in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024) shall be seen by a licensed dietitian as described in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024) with a care plan developed as described in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024).

67.5(2) To the extent that time and resources are available, nutrition education may be provided to applicants who are not eligible to receive other WIC services.

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.6(135) Right to appeal—participant. Fair hearings and appeals for participants are provided pursuant to 441—Chapter 2506 and 7 CFR Section 246.9 (as amended to August 1, 2024).

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—67.7(135) Right to appeal—local agencies. Fair hearings and appeals for local agencies are provided pursuant to 441—Chapter 2506, 7 CFR Section 246.18 (as amended to August 1, 2024), and 7 CFR Section 246.24 (as amended to August 1, 2024).

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—67.8(135) Right to appeal—vendor. Fair hearings and appeals for vendors are provided pursuant to 441—Chapter 2506, 7 CFR Section 246.12 (as amended to August 1, 2024), and 7 CFR Section 246.18 (as amended to August 1, 2024).

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25; Editorial change: IAC Supplement 6/10/26]

441—67.9(135) State monitoring of contract agencies. At minimum, one of the persons from the department responsible for reviewing a contract agency shall be a licensed dietitian.

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.10(135) Civil rights. The Iowa WIC program shall operate in compliance with state and federal regulations and FNS Instruction 113-1 (as amended to August 1, 2024) to ensure the rights of all individuals under the WIC program.

[**ARC 9149C**, IAB 4/30/25, effective 7/1/25]

441—67.11(135) WIC program violation. Participants or vendors are subject to the sanctions outlined below if determined by contract agency or department staff to be guilty of abusing the WIC program or its regulations.

67.11(1) *Participant violation.* Violations may be reported by contract agency staff, vendors, the public, FNS staff, or department staff. All suspected cases of fraud will be investigated by the department. All sanctions will be administered by the department. Contract agencies will be notified of any actions taken against WIC participants by the department.

a. Whenever possible, the participant is contacted via telephone concerning the violation. Documentation is maintained according to procedures set forth in the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024).

b. Participants who violate WIC program regulations are subject to sanction in accordance with the schedule below:

Violation	Sanction Action
1. Intentional false statement(s) or misrepresentation of income, name, residence, family size (including receiving and using benefits for children no longer in the family), medical data, pregnancy, and/or date of birth to obtain WIC benefits.	One-year disqualification and pay full restitution
2. Return of WIC benefits to vendor for unapproved food items, nonfood items, credit or cash (attempted or actual). Claim amount less than $100. Buy, trade, exchange, transfer, sell, or offer to buy, trade, exchange, transfer, sell, or allow any other person to buy, trade, exchange, transfer, sell or offer to buy, trade, exchange, transfer or sell eWIC card/benefits for unapproved food items, nonfood items, cash or favors. Claim amount less than $100.	Two-month disqualification and pay full restitution Subsequent violation of any claim amount: one-year disqualification and pay full restitution
3. Return of WIC benefits to vendor for unapproved food items, nonfood items, credit or cash (attempted or actual). Claim amount greater than $100. Buy, trade, exchange, transfer, sell, or offer to buy, trade, exchange, transfer, sell or allow any other person to buy, trade, exchange, transfer, sell or offer to buy, trade, exchange, transfer, or sell WIC foods for unapproved food items, nonfood items, cash or favors. Claim amount greater than $100.	One-year disqualification and pay full restitution
4. Creating a public nuisance or disrupting normal activities through verbal misconduct or physical disruptions at the local WIC agency, farmers market, or vendor location.	First violation: Education/counseling Second subsequent violation: Warning letter Third subsequent violation: Two-month disqualification Fourth subsequent violation: Any subsequent violation(s) will result in a one-year disqualification.
5. Verbal abuse or harassment of WIC staff, vendors, farmers market vendors and/or other WIC participants. This includes verbal abuse or harassment in person, on social media, or over the telephone.	Two-month disqualification Subsequent violation will result in a one-year disqualification.
6. Physical abuse (directly or indirectly carrying out the actual harm or threatening to do harm) of WIC staff, vendors, vendor staff, farmers market vendors, farmers market vendor staff, and/or other WIC participants.	Any violation will result in a one-year disqualification.
7. Destruction of property, theft of eWIC card(s) or theft from a local WIC agency, vendor, vendor staff, farmers market vendor, farmers market vendor staff, and/or another WIC participant.	Any violation will result in a one-year disqualification.
8. Collusion with staff to improperly obtain benefits.	One-year disqualification and pay full restitution
9. Dual participation resulting from intentional misrepresentation.	One-year disqualification and pay full restitution

Violation	Sanction Action
10. Trafficking WIC food benefits, WIC benefits, or WIC items and/or collusion with an authorized vendor.	One-year disqualification and pay full restitution
11. Other violations of this chapter or the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024).	As appropriate per this chapter or the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024).

c. Local law enforcement may be notified in appropriate cases.

d. Fifteen days' notice must be given prior to all disqualifications. In all cases, the participant must be informed of the reason for the disqualification, of the right to appeal the decision through the fair hearing process, and of eligibility to receive WIC services at the end of the disqualification period.

e. A disqualification may apply to all members of a family who are on the WIC program.

f. Violations are cumulative. However, a participant will not have sanctions assessed for committing a second violation when the second violation occurs before the participant receives notice of the first violation and the second violation is the same as the first. A participant who commits the same violation a second time following receipt of a notice for the first violation is subject to a one-year disqualification.

g. When a participant improperly received benefits as a result of intentionally making a false or misleading statement(s) or intentionally misrepresenting, concealing, or withholding facts or sells or attempts to sell benefits the participant received from the WIC program and is disqualified from the WIC program, the participant may be required to make restitution of the cash value of the improperly received or used WIC benefits. The department may establish a claim against the participant for the full value of the improperly received benefits.

(1) The department will issue a written notice of restitution and disqualification.

(2) If the participant chooses a repayment plan for claims, the department will assist in developing a payment schedule. If the participant has not paid the department directly within 30 days of the notice of restitution and disqualification, the department will pursue collection of the dollar amount owed and benefits will be discontinued until the claim is paid.

h. The department may decide not to impose a mandatory disqualification pursuant to 7 CFR Section 246.12(u)(2) (as amended to August 1, 2024). All decisions are at the discretion of the department.

i. When a disqualification period has ended, the individual disqualified may be reinstated if the individual's certification period is still current. If the individual's certification period is not current, the individual will need to complete a certification appointment.

j. The department will maintain a master list of all participant violation notices, disqualifications, and statements of restitution. The participant's notice of violation must also indicate when it is a second offense.

67.11(2) *Vendor violations.* There are five types of sanctions that are applied to vendors for violations of WIC program regulations: nonpayment of food instruments, issuance of violation points, temporary disqualification, permanent disqualification, and civil money penalties (CMPs).

a. Nonpayment of food instruments. If the vendor has been terminated from the WIC program and submits a claim, it will be fully denied.

b. Administrative and procedural violation points. Administrative and procedural violations are offenses to the provisions of the Iowa WIC Vendor Agreement and Handbook (as amended to August 1, 2024) that do not rise to the level of fraud against the WIC program or its participants.

(1) These violations are an indication of a vendor's inattention to or disregard of the requirements of the WIC vendor agreement. It is in the department's interest to record and consider these violations when considering whether to continue its contractual relationship with the vendor.

(2) One or more transactions prior to notification of the vendor constitute only one violation if they contain the same error.

(3) The assignment of violation points does not limit the department's right to effect stronger penalties and sanctions in cases in which there is evidence of an intentional or systematic practice of abusing or defrauding the Iowa WIC program.

Violation	Points Per Event
1. Developing and using promotional materials including stickers, tags, labels, or channel strips with the WIC service mark to identify WIC-approved foods.	5
2. Developing and using vendor-created WIC vendor identification decals to indicate vendor is an authorized vendor.	5
3. Failure to allow WIC participants to leave the vendor with WIC foods that were debited/removed from their eWIC account during a WIC transaction.	5
4. Failure to post eWIC signs in the cash register lane that has a working WIC terminal if the vendor is not integrated.	5
5. Failure to provide vendor ECR system participant receipts to WIC participants during each WIC transaction.	5
6. Failure to reimburse department for potentially overpaid food instrument or provide reasonable explanation for the cost of the food instrument.	10
7. Refusal to accept valid WIC food instruments from participants.	10
8. Discriminatory treatment of WIC participants, such as requiring WIC participants to use special checkout lanes or provide extra identification, or disallowing the use of coupons or other vendor discounts in WIC transactions that are allowed in non-WIC transactions.	10
9. Treating WIC customers differently by offering them incentive items, vendor discounts, coupons, or other promotions that are not offered to non-WIC customers.	10
10. Providing to WIC participants incentive items not prior authorized by the department.	10
11. Failure to carry out corrective action plan developed as a result of monitoring visit.	10
12. Accepting the return of food purchased with WIC food instruments for cash or credit toward other purchases.	10
13. Issuing “rain checks” or credit in exchange for WIC food instruments.	10
14. Stocking out-of-date, stale, or moldy WIC foods.	10
15. Failure to submit vendor price assessment reports as requested.	10
16. Failure to train all employees and ensure their knowledge regarding WIC program procedures set forth in the vendor’s current agreement and in the current publication of the Iowa WIC program’s vendor instruction booklet.	10
17. Requiring WIC participants to purchase a particular brand when other WIC-approved brands are available.	10
18. Not allowing WIC participants to use discount coupons or promotional specials to reduce the WIC food instrument amount.	10
19. Requiring to enter the PIN for the participant and/or asking for the participant’s PIN.	10
20. For vendors that have special WIC prices, failure to post WIC prices on the shelf or on the package.	15
21. Contacting WIC participants in an attempt to recover funds not paid by WIC.	15
22. Providing false information on the price assessment report.	15
23. Knowingly entering false information or altering information on the eWIC receipt/benefits.	10
24. Requiring other cash purchases to redeem WIC food instruments.	15
25. Failure to obtain infant and/or special needs formula from an approved source listed by the Iowa WIC program.	15
26. Offering incentive items with a value of more than $1.99.	15

Violation	Points Per Event
27. Scanning any UPC code that is not affixed to the actual item being purchased by the WIC participant.	20
28. Failure to allow purchase of up to the full amount of WIC foods authorized on the food instrument if such foods are available and desired by the WIC participant.	20
29. Failure to maintain minimum stocking requirements.	10
30. Other violations of this chapter or the Iowa WIC Program Vendor Agreement and Handbook or the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024).	As appropriate per this chapter, the Iowa WIC Program Vendor Agreement and Handout or the Iowa WIC Policy and Procedure Manual (as amended to August 1, 2024)

c. One-year disqualification. With an administrative finding of the following patterns of sanctions, the vendor will be disqualified for one year:

(1) A pattern of allowing purchase of nonapproved food items in exchange for WIC food instruments or for foods provided in excess of those listed on the WIC food instrument (federally mandated sanction).

(2) Accumulation of 45 or more violations points within a single federal fiscal year of the agreement period (department sanction).

(3) Failure to provide access to vendor premises or in any manner to hinder, impede or misinform authorized WIC personnel in the act of conducting an on-site education, monitoring or investigation visit (department sanction).

(4) Loss of department of inspections, appeals, and licensing license (department sanction).

(5) Submitting for payment a WIC food instrument redeemed by another authorized vendor (department sanction).

(6) Threatening or verbally abusing WIC participants or authorized WIC program personnel in the conduct of legitimate WIC program transactions (department sanction).

(7) Submitting for payment WIC food instruments known by the vendor to have been lost or stolen (department sanction).

(8) Participating with other individuals, including but not limited to WIC employees, vendors, and participants, in systematic efforts to submit false claims for reimbursement of improper WIC food instrument (department sanction).

d. A vendor will be disqualified from being a WIC vendor for three years with an administrative finding of any violation detailed in 7 CFR Section 246.12(l)(iii) (as amended to August 1, 2024).

e. A vendor will be disqualified from being a WIC vendor for six years pursuant to 7 CFR Section 246.12(l)(1)(ii) (as amended to August 1, 2024).

f. The department will impose mandatory vendor sanctions pursuant to 7 CFR Section 246.12(l)(1)(i) (as amended to August 1, 2024).

g. The following does not have a point value but shall result in or extend a disqualification period:

For each month in which a vendor accepts WIC food instruments during a disqualification period, the disqualification period shall be extended by 30 days.

h. The above sanctions notwithstanding, the state of Iowa reserves the right to seek civil and criminal prosecution of WIC vendors for any and all instances of dealing in stolen or lost food instruments, trading cash and other inappropriate commodities for food instruments, or cases in which there exists evidence of a clear business practice to improperly obtain WIC funds or other practices meeting the definition of fraud as defined in 7 CFR Part 246 (as amended to August 1, 2024) or the Iowa Code.

i. A vendor shall not be entitled to receive any compensation for revenues lost as a result of any temporary or permanent disqualification.

j. A minimum of 15 days' notice is provided prior to all disqualifications, except for permanent disqualifications assessed under paragraph 73.19(2)*"f,"* which are effective on the date of receipt of

the notice of administrative action. When the department determines that an offense has occurred, a disqualification letter with supporting documentation is prepared for the WIC director's signature. The disqualification letter identifies the specific offenses that the vendor is charged with and the procedures for filing an appeal. Voluntary withdrawal from the Iowa WIC Program Vendor Agreement and Handbook to avoid a sanction is not allowed.

k. The department is responsible for issuing all warning and disqualification letters. Contract agencies are informed of all vendor correspondence regarding violations. In situations where participant violations are also involved, the contract agency is responsible for follow-up, as detailed in subrule 73.19(1).

l. Disqualification from the WIC program may result in disqualification as a retailer in SNAP pursuant to 7 CFR Section 246.12(h)(3)(xxvi) (as amended to August 1, 2024), 7 CFR Section 246.18(b)(1) (as amended to August 1, 2024), and 7 CFR Section 246.12(l)(1)(xi) (as amended to August 1, 2024).

m. The department will disqualify a vendor who has been disqualified from SNAP pursuant to 7 CFR Section 246.12(l)(1)(vii) (as amended to August 1, 2024) and 7 CFR Section 246.12(l)(1)(ix) (as amended to August 1, 2024).

n. CMPs.

(1) When the department determines that a CMP shall be imposed in lieu of disqualification for reasons specified under paragraph 73.19(2)*"f"* or *"m,"* it shall use the civil money penalty formula in accordance with 7 CFR Section 246.12(k)(1)(x) (as amended to August 1, 2024) to determine the CMP.

(2) If a vendor does not pay, only partially pays, or fails to timely pay a CMP, the department will disqualify the vendor for the length of the disqualification corresponding to the violation for which the CMP was assessed. "Failure to timely pay a CMP" includes the failure to pay a CMP in accordance with an installment plan approved by the department.

(3) Money received by the state WIC agency as a result of CMPs or fines assessed against a vendor and any interest charged in the collection of these penalties and fines shall be considered as WIC program income.

TITLE VIII
MEDICAL ASSISTANCE

CHAPTER 73
MANAGED CARE

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/31

441—73.1(249A) Definitions.

"Appeal" means a review by an MCO or PAHP of an adverse benefit determination as specified in 42 CFR 438.400(b).

"Capitation payment" means a monthly payment to the MCP on behalf of each enrollee for the provision of health or dental services under the contract. Payment is made regardless of whether the enrollee receives services during the month.

"Choice counseling" means the provision of unbiased information on MCPs or provider options and answers to related questions and access to personalized assistance to help members understand the materials provided by the MCPs or the state, to answer questions about each of the options available, and to facilitate enrollment with an MCP.

"Claim" means a formal request for payment for benefits received or services rendered.

"Clean claim" means a claim that has no defect or impropriety (including any lack of required substantiating documentation) or particular circumstance requiring special treatment that prevents timely payment of the claim. "Clean claim" does not include a claim from a provider that is under investigation for fraud or abuse or a claim under review for medical necessity.

"CMS" means the Centers for Medicare and Medicaid Services, a division of the U.S. Department of Health and Human Services.

"Code of Federal Regulations" or *"CFR"* means the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the federal government, and all references herein are as amended to July 1, 2026.

"Community-based case management" means a collaborative process of planning, facilitation, and advocacy for options and services to meet an enrollee's needs through communication and available resources to promote high-quality, cost-effective outcomes.

"Contract" means a contract between the department and an MCP. These contracts shall meet all applicable requirements of state and federal law, including the requirements of 42 CFR 434.

"Covered services" means physical health, behavioral health, dental, and long-term care services set forth in rule 441—73.5(249A).

"Discharge planning" means the process, which begins at admission, of determining a continued need for treatment services and of developing a plan to address ongoing needs.

"Electronic visit verification system" or *"EVV system"* means an electronic system that providers can check into at the beginning of and check out of at the end of each period of service delivery to monitor enrollees' receipt of care.

"Emergency medical condition" means the same as defined in 42 CFR 438.114(a).

"Emergency services" means the same as defined in 42 CFR 438.114(a).

"Enrollee" means a hawki, IHAWP, dental wellness plan or Medicaid member who is eligible for MCP enrollment and has been enrolled with an MCP as described in subrule 73.3(2).

"Enrollment broker" means the entity the department uses to enroll persons in an MCP. The enrollment broker must be conflict-free and meet all applicable requirements of state and federal law, including 42 CFR 438.10.

"Hawki program" means the healthy and well kids in Iowa program as set forth in 441—Chapter 86, the Iowa program to provide health care coverage for uninsured children of eligible families as authorized by Title XXI of the federal Social Security Act as amended to July 1, 2026.

"HIPP" means the health insurance premium payment program.

"Home- and community-based services" or *"HCBS"* means services that are provided as an alternative to long-term care institutional services in a nursing facility or an intermediate care facility for persons with an intellectual disability (ICF/ID) or to delay or prevent placement in a nursing facility or ICF/ID.

"Incident reporting" means the reporting of critical events or incidents deemed sufficiently serious to warrant near-term review and follow-up by an appropriate authority. Such incidents may include but are not limited to:

1. Abuse and neglect;
2. The unauthorized use of restraint, seclusion or restrictive interventions;
3. Serious injuries that require medical intervention or result in hospitalization, or both;
4. Criminal victimization;
5. Death;
6. Financial exploitation;
7. Medication errors; and
8. Other incidents or events that involve harm or risk of harm to a participant.

"Iowa health and wellness plan" or *"IHAWP"* means the medical assistance program set forth in 441—Chapter 74.

"Level of care" refers to the amount, type, and intensity of medical care services required to meet an individual's health and safety needs.

"Long-term care" or *"LTC"* means the services of a nursing facility (NF); an ICF/ID; the Woodward state resource center; or services funded through Section 1915(c) HCBS waivers, the Section 1915(i) habilitation program, and the PACE program outlined in 441—Chapter 88.

"Managed care organization" or *"MCO"* means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of "health maintenance organization" in Iowa Code section 514B.1.

"Managed care plan" or *"MCP"* refers to MCOs and PAHPs. The benefits provided through managed care will be paid for by the MCP participating in the programs pursuant to this chapter, subject to the conditions, procedures, and payment rates or methodologies established by the MCP, consistent with this chapter and with the contract between the department and the MCP.

"Mandatory enrollment" means mandatory participation in a managed care plan as specified in subrule 73.3(2).

"Medical loss ratio" means the percentage of capitation payments that is used to pay medical or dental expenses.

"Medically necessary services" means those covered services that are under the terms and conditions of the contract and 42 CFR 438.54(b)(2).

"Member" means any person determined by the department to be eligible for the Medicaid program, hawki program, IHAWP, or dental wellness plan.

"Money Follows the Person (MFP) Rebalancing Demonstration Grant" means a federal grant that will assist Iowa in transitioning individuals from an NF or ICF/ID into the community and in rebalancing long-term care expenditures.

"Needs-based eligibility" means an evaluation to determine and establish an individual's need for habilitation services.

"Network" or *"provider network"* means a group of participating health or dental care providers (both individual and group practitioners) linked through contractual arrangements to the MCP to supply a range of health or dental care services.

"Out-of-network provider" means any provider that is not directly or indirectly employed by or does not have a provider agreement with the MCP or any of its subcontractors pursuant to the contract between the department and the MCP.

"Participating providers" means the providers of covered physical health, behavioral health, dental, and long-term care services that have contracted with a managed care plan.

"Passive enrollment process" means the process by which the department assigns a member to a managed care plan and that, in accordance with 42 CFR 438.54, seeks to preserve existing provider-member relationships and relationships with providers that have traditionally served Medicaid members, if

possible. In the absence of existing relationships, the process ensures that members are equally distributed among all available managed care plans.

"Prepaid ambulatory health plan" or *"PAHP"* has the meaning set forth in 42 CFR 438.2.

"Prior authorization" means the process of obtaining prior approval as to the appropriateness of a service or medication. Prior authorization does not guarantee coverage.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.2(249A) Contracts with a managed care plan (MCP).

73.2(1) The department may enter into a contract with an MCP licensed under the provisions of insurance division rules set forth in 191—Chapter 40 for the scope of services as described in rule 441—73.6(249A).

73.2(2) The department will determine that the MCP meets the following requirements:

a. The MCP shall make available services to enrollees as established in the contract.

b. The MCP shall provide satisfaction to the department against the risk of insolvency and ensure that neither Medicaid members nor the state shall be responsible for the MCP's debts if the MCP becomes insolvent. The MCP shall comply with the insurance division of the Iowa department of insurance and financial services provisions set forth in rule 191—40.12(514B) regarding net worth and rule 191—40.14(514B) containing reporting requirements.

c. The MCP shall attain and maintain accreditation by the National Committee for Quality Assurance (NCQA) or URAC.

73.2(3) If not already accredited, the MCP must demonstrate it has initiated the accreditation process as of the contract effective date and must achieve accreditation at the earliest date allowed by NCQA or URAC. Prior to the contract effective date, the MCP must be licensed and in good standing in the state of Iowa as a health maintenance organization in accordance with 191—Chapter 40.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.3(249A) Enrollment.

73.3(1) *Enrollment area.* The coverage area for enrollment shall be statewide.

73.3(2) *Members subject to enrollment.* All hawki program, IHAWP, and dental wellness plan members shall be subject to mandatory enrollment in an MCP. All Medicaid members, with the exception of the following, shall be subject to mandatory enrollment in an MCP:

a. Members who are medically needy as described in rule 441—75.8(249A).

b. Individuals eligible only for emergency medical services because the individuals do not meet citizenship or alienage requirements pursuant to 441—Chapter 75.

c. Persons who are currently presumptively eligible as defined in 441—Chapter 75.

d. Persons eligible for PACE who voluntarily elect PACE coverage as described in 441—Chapter 88.

e. Persons enrolled in HIPP pursuant to 441—Chapter 75.

f. Persons eligible only for the Medicare savings program as described in 441—Chapters 75 and 76.

g. American Indian and Alaska Native populations who are exempt from mandatory enrollment pursuant to 42 CFR 438.50(d)(2) but who may enroll voluntarily.

h. Persons who have a Medicaid eligibility period that is retroactive as described in 441—Chapter 76.

i. Persons who are inmates of a public institution and ineligible for Medicaid benefits as described in 441—Chapter 75.

j. Persons residing in the Iowa veterans home as described in 801—Chapter 10.

73.3(3) *Enrollment process.* The department will notify members who must be enrolled in an MCP of enrollment and the effective date of enrollment. The department will implement an enrollment process in accordance with federal funding requirements, including 42 CFR 438.54.

a. General. Members may receive MCP choice counseling from the enrollment broker. The enrollment broker will provide information about individual MCP benefit structures, services and network providers, as well as information about other Medicaid programs as requested by the Medicaid member to assist the member in making an informed selection.

b. *Auto-assignment.* Effective no earlier than the first day of the month of the member's application to Medicaid, the member will be assigned to an MCP using the department's auto-enrollment process and offered the opportunity to choose from the available MCPs within a time frame specified in the auto-assignment letter.

c. *Request to change enrollment.* An enrollee may, within 90 days of initial enrollment, request to change enrollment from one MCP and enroll in another MCP. The request may be made on a form designated by the department, in writing, or by telephone call to the enrollment broker's toll-free member telephone line. Enrollment changes are effective no later than the first day of the second month beginning after the date on which the enrollment broker receives the enrollee's written or verbal request.

d. *Ongoing enrollment.* Enrollees shall remain enrolled with the chosen MCP for a total of 12 months.

e. *Enrollment cycle.* Prior to the end of the enrollee's annual enrollment period, the enrollee will be notified of the option to maintain enrollment with the current MCP or to enroll with a different MCP.

73.3(4) *Benefit reimbursement prior to enrollment.*

a. Prior to the effective date of MCP enrollment, except as provided in paragraph 73.3(4)*"b,"* the department will reimburse providers for covered program benefits pursuant to 441—Chapters 74 through 91, as applicable for eligible members.

b. The MCP shall be responsible for covering newly retroactive Medicaid eligibility periods prior to the effective date of enrollment for babies born to Medicaid-enrolled women who are retroactively eligible to the month of birth.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.4(249A) Disenrollment process.

73.4(1) *Enrollee-requested disenrollment.* An enrollee may request disenrollment with an MCP as follows:

a. During the first 90 days following the date of the enrollee's initial enrollment with the MCP, the enrollee may request disenrollment, for any reason, in writing or by a telephone call to the enrollment broker's toll-free member telephone line.

b. After the 90 days following the date of the enrollee's enrollment with the MCP, when an enrollee is requesting disenrollment due to good cause, the enrollee member shall first make a verbal or written filing of the issue through the MCP's grievance system. If the member does not experience resolution, the MCP shall direct the member to the enrollment broker. The enrolled member may request disenrollment in writing or by a telephone call to the enrollment broker's toll-free member telephone line and must request a good-cause change for enrollment. Good-cause changes include the following:

(1) The MCP does not, because of moral or religious objections, cover the service the member seeks.

(2) The member needs related services to be performed at the same time, not all related services are available within the network, and the member's primary care provider or another provider determines that receiving the services separately would subject the member to unnecessary risk.

(3) Other reasons, including but not limited to poor quality of care, lack of access to services covered under the contract, lack of access to providers experienced in dealing with the member's health or dental care needs, or eligibility and choice to participate in a program not available in managed care (for example, PACE).

c. The final decision for disenrollment will be determined by the department.

73.4(2) *Disenrollment by department.* Disenrollment will occur when:

a. The contract between the department and the MCP is terminated.

b. The enrollee becomes ineligible for Medicaid, the hawki program, IHAWP, or the dental wellness plan. If the enrollee becomes ineligible and is later reinstated to these programs, enrollment in the MCP will also be reinstated.

c. The enrollee transfers to an eligibility group excluded from managed care plan enrollment.

d. The department has determined that participation in HIPP as described in 441—Chapter 75 is more cost-effective than enrollment in managed health care.

e. The enrollee dies.

f. The enrollee has changed residence to another state.

73.4(3) *Managed care plan-requested disenrollment.* An MCP shall not disenroll an enrollee or encourage an enrollee to disenroll for any reason, including the enrollee's health or dental care needs or change in health or dental care status or because of the enrollee's utilization of medical services, diminished capacity, or uncooperative or disruptive behavior resulting from the enrollee's special needs. The only exception is when the MCP can document and provide conclusive evidence to the department that the enrollee's continued enrollment seriously impairs the MCP's ability to furnish services to either this particular enrollee or other enrollees. The MCP shall have a multi-level verification process by which the department is assured that disenrollment is not requested for another reason.

73.4(4) *Disenrollment effective date.*

a. The effective date of a department-approved disenrollment will be no later than the first day of the second calendar month beginning after the month in which:

(1) The enrollee requests disenrollment;

(2) The department notifies the enrollee and MCP of disenrollment; or

(3) The MCP requests disenrollment.

b. The enrollee shall remain enrolled in the MCP and the MCP will be responsible for services covered under the contract until the effective date of disenrollment unless the enrollee is in an inpatient setting at the time of disenrollment. If the enrollee is in an inpatient setting at the time of disenrollment, the MCO shall be responsible for the inpatient services for 60 days or until the enrollee is discharged.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.5(249A) MCP covered services.

73.5(1) *Required services—MCOs.* An MCO shall provide:

a. For all enrolled members, services as set forth in 441—Chapters 78, 81, 82, 83, 84, 85, and 87, with the exception of the following:

(1) Area education agency services.

(2) Dental services not provided in an outpatient hospital setting.

(3) Infant and toddler program services.

(4) Local education agency services.

(5) State of Iowa veterans home services.

(6) Money Follows the Person (MFP) Rebalancing Demonstration Grant-funded services.

b. For IHAWP enrolled members, services as set forth in 441—Chapter 74.

c. For hawki enrolled members, services as set forth in 441—Chapter 86.

73.5(2) *Community-based case management service.* The MCO is required to provide services that meet requirements specified in the contract.

73.5(3) *Value-added services.* An MCP may develop optional services and supports to address the needs of enrollees. These services and supports shall be implemented only after approval by the department.

73.5(4) *Required services—PAHPs.* A PAHP shall provide services to enrollees under the contract with the department and on the basis of prepaid capitation payments or other payment arrangements that do not use state plan payment rates. PAHPs shall provide:

a. For enrollees other than IHAWP enrollees and hawki program enrollees, services as set forth in 441—Chapters 73, 74, 78, and 88, with the exception of the following:

(1) Area education agency services.

(2) Inpatient hospital or institutional services.

(3) Advance directive requirements in dental nonclinical services, such as transportation.

(4) Long-term care (skilled nursing facilities, intermediate care facilities, residential care facilities, the Woodward state resource center, or ICFs/ID).

(5) Inpatient psychiatric care provided at the state-administered mental health institutes.

(6) Services provided at specialized adolescent psychiatric facilities.

(7) Day treatment and partial hospitalization services for persons aged 20 or under.

(8) Enhanced services provided to certain eligible recipients.

b. For IHAWP enrolled members, services as set forth in 441—Chapter 74.

c. For hawki enrolled members, services as set forth in 441—Chapter 86.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.6(249A) Amount, duration and scope of services.

73.6(1) The MCP shall provide, at a minimum, all benefits and services deemed medically necessary that are covered under the contract with the department. In accordance with federal funding requirements, including 42 CFR 438.210(a)(3), the MCP shall furnish covered services in an amount, duration and scope reasonably expected to achieve the purpose for which the services are furnished. The MCP shall not arbitrarily deny or reduce the amount, duration and scope of a required service solely because of diagnosis, type of illness, or condition of the enrollee. With the exception of court-ordered services, as a condition of payment, the MCO shall provide prior authorization for any admissions to an NF, an ICF/ID, a psychiatric medical institution for children (PMIC), and a state-administered mental health institute. Prior MCO approval is also required for all out-of-state placements.

73.6(2) The MCP may place appropriate limits on services on the basis of medical necessity criteria for the purpose of utilization management, provided the services can reasonably be expected to achieve their purpose in accordance with the contract. The MCP shall not:

a. Avoid costs for services covered in the contract by referring members to publicly supported health or dental care resources.

b. Deny reimbursement of covered services based on the presence of a preexisting condition.

73.6(3) The MCP shall allow each enrollee to choose a health or dental professional, to the extent possible and appropriate, within the MCP's provider network. The MCP shall ensure compliance with the Americans with Disabilities Act (ADA) as amended to July 1, 2026, in the delivery and approval of all services.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.7(249A) Emergency services.

73.7(1) Emergency services shall be available 24 hours a day, seven days a week.

73.7(2) In accordance with federal funding requirements, including 42 CFR 438.114, the MCP shall:

a. Cover emergency services without the need for prior authorization and shall not limit reimbursement to network providers.

b. Cover and pay for emergency services regardless of whether the provider that furnishes the services is enrolled with Iowa Medicaid or has a contract with the MCP.

c. Pay noncontracted providers for emergency services the amount that would have been paid if the service had been provided under the state's fee-for-service Medicaid program.

d. Cover the medical screening examination provided to a member who presents to an emergency department with an emergency medical condition. This requirement applies to MCOs only.

73.7(3) The MCP shall not deny payment for:

a. Treatment obtained when an enrollee has an emergency medical condition.

b. Treatment obtained when a representative of the MCP instructs the enrollee to seek emergency medical services.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.8(249A) Access to service.

73.8(1) The MCP shall ensure enrollees have access to services as specified in the contract. The MCP shall provide available, accessible, and adequate numbers of institutional facilities, service locations, and service sites and professional, allied, and paramedical personnel for the provision of covered services, including all emergency services, on a 24-hours-a-day, seven-days-a-week basis. At a minimum, access to services shall comply with the standards described in the contract. For areas of the state where provider availability is insufficient to meet these standards, for example, in health or dental professional shortage areas and medically underserved areas, the access standards shall meet the usual and customary standards for the community. Exceptions to the requirements contained in this rule shall be justified and documented to the state on the basis of community standards. All other services not specified in this rule shall meet the usual and customary standards for the community.

73.8(2) Choice of providers. An enrollee shall use the MCP's provider network unless the MCP has authorized a referral to a nonparticipating provider for provision of a service or treatment plan or as specified for provision of emergency services set forth in rule 441—73.7(249A). In accordance with federal funding requirements, including 42 CFR 431.51(b)(2), the MCO shall allow enrollees freedom of choice of providers of any department-enrolled family planning service provider including those providers that are not in the MCP network.

73.8(3) Continuity of care. The MCP shall have policies and procedures that provide for the continuity of care of treatment to ensure that a new enrollee's existing services are honored as required in the contract.

73.8(4) Adequate service referral support and after-hours call-in coverage. The MCP shall ensure enrollee access to service information and medical coverage 24 hours a day, 7 days a week, 365 days a year.

a. Member helpline. The MCP shall maintain a dedicated toll-free enrollee services helpline as established in the contract to handle a variety of member inquiries and to provide warm transfer of enrollees to outside entities, such as provider offices, and to internal MCP departments, such as care coordinators.

b. Nurse call line. The MCO shall operate a toll-free nurse call line that provides nurse triage telephone services for members to receive medical advice 24 hours a day, seven days a week from trained medical professionals.

73.8(5) The MCP shall ensure that network providers are responsible for providing preventive and primary health or dental care to the enrollee. Primary care providers shall initiate referrals for specialist care, where appropriate, and maintain the continuity of patient care. Primary care providers may be physicians, advanced registered nurse practitioners, or physician associates, licensed and practicing in accordance with state law.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.9(249A) Incident reporting.

73.9(1) The MCO shall develop and implement a critical incident reporting and management system for participating providers in accordance with the department requirements for reporting incidents for Section 1915(c) HCBS waivers; for the Section 1915(i) habilitation program; and as required for licensure of programs through the department of inspections, appeals, and licensing.

73.9(2) The MCO shall develop and implement policies and procedures, subject to department review and approval, to:

a. Address and respond to incidents;

b. Report incidents to the appropriate entities in accordance with required time frames; and

c. Track and analyze incidents.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.10(249A) Discharge planning. The MCO shall establish policies and procedures, subject to approval by the department, that protect an enrollee from involuntary discharge that may lead to placement in an inappropriate or more restrictive setting. The MCO shall facilitate a seamless transition whenever an enrollee transitions between facilities or residences.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.11(249A) Level of care (LOC) assessment.

73.11(1) The department will retain full authority to determine whether the Medicaid LOC or needs-based assessment has been completed in a timely manner by the appointed vendor. The MCO will be notified once an enrolled member's LOC determination has been completed. The LOC and needs-based eligibility assessment process and the requirements are provided in 441—Chapters 75, 78, 81, 82, 83, and 85. HCBS waiver LOC determinations must be consistent with those made for the appropriate institutional LOC under the state plan.

73.11(2) At any time, if the MCO becomes aware the enrollee's functional or medical status has changed in a way that may affect LOC or needs-based eligibility, the MCO shall submit documentation

to the department's appointed vendor to conduct an LOC or needs-based assessment. The department-approved tools shall be used to conduct an updated assessment. The updated assessment shall then be submitted to the department for determination of LOC or needs-based eligibility.
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.12(249A) Appeal of MCP actions. The MCPs shall have written first-level appeal policies and procedures for an enrollee, or an enrollee's authorized representative, to appeal an MCP action. The policies must address contractual requirements and federal funding requirements, including 42 CFR 438, Subpart F.

73.12(1) *MCP appealable actions.* MCP actions that may be appealed by an enrollee may include, as cited in 42 CFR 438.400(b):

a. Denial or limited authorization of a requested service, including the type or level of service.

b. Reduction, suspension, or termination of a previously authorized service.

c. Denial, in whole or in part, of payment of service.

d. Failure to provide services in a timely manner as described by the department.

e. Failure to act within the required time frames set forth in federal funding requirements, including 42 CFR 438.408(b).

f. Denial of an enrollee's request to exercise the enrollee's right to obtain services outside of the MCP's network related to rural access or capacity.

g. Denial of an enrollee's request to dispute a financial liability, including cost sharing, copayments, premiums, deductibles, coinsurance, and other enrollee financial liabilities.

73.12(2) *Appeal process.* The MCP first-level appeal process will be approved by the department and shall:

a. Allow for the appeal request to be submitted in writing or verbally.

b. Require acknowledgment of the receipt of a request for an appeal within three working days.

c. Allow for participation by the enrollee and the provider.

d. Provide for resolution of nonexpedited appeals to be concluded within 30 calendar days of receipt of the request unless an extension is requested.

e. Provide for resolution of expedited appeals where the standard time period could seriously jeopardize the member's health or ability to maintain or regain maximum function to be within 72 hours of receipt of the notice pursuant to federal funding requirements, including 42 CFR 438.402.

f. Ensure that the review will be made by qualified professionals who were not involved with the original action.

g. Ensure issuance of a notice of decision for each appeal. These notices shall contain the member's appeal rights with the department and shall contain an adequate explanation of the action taken and the reason for the decision.
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.13(249A) Appeal to department. If the enrollee is not satisfied with the final decision rendered by the MCP through the MCP's first-level appeal process, the enrollee may file an appeal with the department. This process is referred to as a state fair hearing, an action in accordance with the appeal process available to all persons receiving Medicaid-funded services as set forth in 441—Chapter 2506 and federal requirements for a state fair hearing in 42 CFR 438.408(f).
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.14(249A) Continuation of benefits. The MCP shall be required to continue the member's benefits during any appeal in accordance with federal funding requirements, including 42 CFR 438.420.

73.14(1) If the benefits are continued or reinstated while the appeal is pending, the benefits must be continued until one of the following occurs:

a. The enrollee withdraws the appeal request;

b. Ten calendar days pass after the MCP mailed the notice providing the resolution of the appeal against the enrollee unless the enrollee, within the ten-calendar-day time frame, requests a state fair hearing with continuation of benefits until a state fair hearing decision is reached; or

c. The time period or service limits of a previously authorized service are met.

73.14(2) If the final resolution of the state fair hearing is adverse to the enrollee, that is, it upholds the MCP's action, the MCP may recover the cost of the services furnished to the enrollee while the appeal was pending, to the extent services were furnished solely because of the requirements to maintain benefits during the appeal.

73.14(3) If the MCP or state fair hearing administrative law judge (ALJ) reverses a decision to deny, limit, or delay services that were not furnished while the appeal was pending, the MCP must authorize and provide the disputed services promptly and as expeditiously as the member's health or dental condition requires. If the MCP or the state fair hearing ALJ reverses a decision to deny authorization of services and the enrollee received the disputed services while the appeal was pending, the MCP must pay for these services.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.15(249A) Grievances. The MCP shall have policies and procedures for reviewing expressions of dissatisfaction about any matter other than an adverse benefit determination. Grievances may include but are not limited to quality of care or services provided, aspects of interpersonal relations such as rudeness of a provider or employee, or failure to respect the enrollee's rights regardless of whether remedial action is requested pursuant to 42 CFR 438.400(b). Grievances may be communicated verbally or in writing and require that the review be conducted by someone other than the person or persons involved in the grievance. All policies related to the review of grievances shall be approved by the department prior to implementation.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.16(249A) Written record. All MCP enrollee appeals and grievances shall be logged and reported to the department. The log shall include the status and resolution of all appeals and grievances pursuant to 42 CFR 438.416.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.17(249A) Information concerning procedures relating to the review of MCP decisions and actions. The MCP's written procedures for the review of MCP's decisions and actions shall be provided to each new enrollee in a member handbook, to participating providers in a provider manual, and to nonparticipating providers upon request.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.18(249A) Records and reports.

73.18(1) *Records system.* The MCPs shall document and maintain clinical and fiscal records in accordance with federal and state requirements, including 441—Chapter 79 and 42 CFR 456, throughout the course of the contract. The records system shall:

a. Identify transactions with or on behalf of each enrollee by the state identification number assigned to the enrollee by the department.

b. Provide a rationale for, and documentation of, decisions made by the MCP based upon medical necessity.

c. Permit effective professional review for medical audit processes.

d. Facilitate an adequate system for monitoring treatment reimbursed by the MCO, including follow up of the implementation of discharge plans and referral to other providers.

73.18(2) *Content of individual treatment record.* The MCP shall ensure that participating providers maintain an adequate recordkeeping system that includes a complete medical, dental, or service record for each enrolled member including documentation of all services provided to each enrollee in compliance with the contract and provisions of 441—Chapter 79 and pursuant to federal funding requirements, including 42 CFR 456. MCOs shall require use of an EVV system for personal care services.

73.18(3) *Confidentiality of health care, mental health care, and substance abuse information.* The MCP shall protect and maintain the confidentiality of all protected health information by implementing policies for staff and through contract terms with participating providers. The policies must comply with applicable state and federal laws.

73.18(4) *EVV system.* The MCO will participate in EVV planning activities and use the MCO-proposed, department-approved EVV system that will be in place within a time frame determined by the department to ensure compliance with state and federal regulations, including Section 12006 of the Cures Act (42 U.S.C. §1396b(1) as amended to July 1, 2026). Beginning on the dates required by the department, the MCO shall require personal care providers and home health services to use the MCO EVV system or another EVV system complying with Section 12006 of the Cures Act as amended to July 1, 2026. The MCO shall develop and describe what methodologies will be used to monitor member receipt and utilization of personal care, home health services, and other services using the EVV system. All EVV data that originates in or passes through the MCO EVV system will be provided to the department in a format and time frame subject to department approval.
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.19(249A) Audits. The department or its designee and the U.S. Department of Health and Human Services (HHS) may evaluate through inspections or other means the quality, appropriateness, and timeliness of services performed by the MCP. The department or HHS may audit and inspect any records of an MCP, or the subcontractor of the MCP, that pertain to services performed and the determination of amounts paid under the contract. These records will be made available at times, at places, and in a manner as authorized representatives of the department or its designee as HHS may request.
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.20(249A) Marketing. MCP marketing activities and materials shall comply with applicable laws and regulations regarding marketing by the MCP and contract terms. The department will approve all marketing materials, which must comply with federal funding requirements, including 42 CFR 438.10 and 42 CFR 438.104.
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.21(249A) Enrollee education.

73.21(1) *Use of services.* The MCP shall provide written information to all enrollees on the use of the services the MCP is responsible to arrange, monitor, and reimburse. Information must include the array of services covered; how to access covered services; the providers participating; an explanation of the process for the review of MCP decisions and actions, including the enrollee's right to a fair hearing under 441—Chapter 2506; how to access the state fair hearing process; provision of after-hours and emergency care; procedures for notifying enrollees of a change in benefits or office sites; how to request a change in providers; a statement of consumer rights and responsibilities; out-of-area use of service information; availability of toll-free telephone information and crisis assistance; and the appropriate use of the referral system.

73.21(2) *Outreach to members with special needs.* The MCP shall provide enhanced outreach to members with special needs, including but not limited to persons with a psychiatric disability, an intellectual disability or other cognitive impairments; illiterate persons; non-English-speaking persons; and persons with visual impairments or who are deaf or hard of hearing.

73.21(3) *Patient rights and responsibilities.* The MCP shall have in effect a written statement of patient rights and responsibilities that is available upon request as well as issued to all new enrollees. This statement shall be part of the packet of enrollment information provided to all new enrollees.
[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.22(249A) Payment to the MCP.

73.22(1) *Capitation rate.* In consideration for all services rendered by an MCP under a contract with the department, the MCP will receive a payment each month for each enrolled member. The monthly reimbursement may be reduced by amounts withheld for pay-for-performance components of the contract. The withheld amounts will be distributed based on the terms described in the MCP contract. Additionally, the department will make an allowance for obligations resulting from Section 9010 of the Patient Protection and Affordable Care Act as amended to July 1, 2026, regarding the health insurance provider's fee. This capitation rate, inclusive of the amounts withheld and the health insurance provider's fee, represents the total obligation of the department with respect to the costs of medical care and services

provided to enrolled members under the contract, except as otherwise designated in the contract rate. Pay-for-performance terms will allow for incentive reimbursement if the MCP meets metrics described in the MCP contract.

73.22(2) *Determination of rate.* The actuarially sound capitation rate will be determined according to the terms of federal funding requirements, including 42 CFR 438.6, Actuarial Standards of Practice 49, as amended to July 1, 2026, and other related CMS regulations and generally accepted actuarial principles and practices.

73.22(3) *Third-party liability.* If an enrolled member has health insurance coverage or a responsible party other than the Medicaid program available for payment of medical or dental expenses, it is the right and responsibility of the MCP to investigate these third-party resources and attempt to obtain payment.

a. The MCP shall have a time limit determined by the department to attempt to collect from third-party resources.

b. The MCP shall retain all funds collected from third-party resources during the time limit.

c. A complete record of all third-party collections must be maintained and made available to the department on request.

d. In the event that the MCP no longer contracts with the department, the department has the right to seek recovery of any third-party collections not collected by the time the contract ends and retain the funds. This includes but is not limited to subrogation cases.

e. The department has the right to retain all funds collected from third-party resources after the MCP time limit.

73.22(4) *Medical loss ratio.* The MCP shall report the experienced medical loss ratio for each contract rate period. In the event that the medical loss ratio falls below the department-designated target, the department shall recoup excess capitation paid to the MCP.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.23(249A) Claims payment by the MCP.

73.23(1) The MCOs shall pay or deny:

a. Ninety percent of all clean claims within 30 calendar days of receipt,

b. Ninety-nine point five percent of all clean claims within 90 calendar days of receipt, and

c. Ninety-five percent of all claims within 45 calendar days of receipt.

73.23(2) The PAHP shall pay or deny:

a. Ninety percent of all clean claims within 14 calendar days of receipt,

b. Ninety-nine percent of all clean claims within 90 calendar days of receipt, and

c. Ninety-five percent of all claims within 21 calendar days of receipt.

73.23(3) Managed care limits on payment responsibility for services.

a. The MCP is not required to reimburse providers for the provision of services that do not meet the criteria of medical necessity.

b. The MCP has the right to require prior authorization of covered services and to deny reimbursement to providers that do not comply with such requirements.

c. Payment responsibilities for emergency room services are as provided in rule 441—73.7(249A).

73.23(4) Payment to nonparticipating providers. In reimbursing nonparticipating providers, the MCO is obligated to pay 80 percent of the payment to participating providers.

73.23(5) Timely filing. The in-network provider filing limit shall be no more than 180 days from the date of service.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.24(249A) Quality assurance. The MCP shall have in effect an internal quality assurance and performance improvement system that meets the requirements of any or all applicable state and federal laws.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

441—73.25(249A) Certifications and program integrity. The MCP shall develop and implement policies, procedures, and a mandatory compliance plan to ensure compliance with the contract

requirements for certification, program integrity and prohibited affiliations. The MCP shall cooperate and collaborate with the department on all program integrity activities. The MCP shall comply with state and federal laws pertaining to these requirements, including 42 CFR 438.608 and 42 CFR 455.

[**ARC 0312D**, IAB 5/27/26, effective 7/1/26]

These rules are intended to implement Iowa Code section 249A.4.

CHAPTER 74
IOWA HEALTH AND WELLNESS PLAN

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/31

441—74.1(249A,249N) Definitions. The following definitions apply to this chapter in addition to the definitions in 441—Chapter 75.

"Caretaker" means the same as defined in rule 441—75.1(249A).

"Countable income" means "modified adjusted gross income" (MAGI) or "household income," as applicable, determined pursuant to 42 U.S.C. §1396a(e)(14) as amended to July 1, 2026.

"Enrollment period" means the period of time for which Iowa health and wellness plan eligibility is established.

"Essential health benefits" means the essential health benefits defined at 42 U.S.C. §18022 as amended to July 1, 2026.

"Iowa dental wellness plan" means the managed care dental benefit program set forth in 441—Chapter 73.

"Iowa health and wellness plan" or *"IHAWP"* means the medical assistance program set forth in this chapter for individuals with countable income that does not exceed 133 percent of the federal poverty level (FPL).

"Iowa wellness plan" means the benefits and services provided to IHAWP members.

"Managed care organization" or *"MCO"* means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of "health maintenance organization" as defined in Iowa Code section 514B.1.

"Medical assistance" or *"Medicaid"* means payment of all parts of the cost of the care and services made in accordance with Title XIX of the Federal Social Security Act as amended to July 1, 2026.

"Medically exempt individual" means an individual exempt from mandatory enrollment in an alternative benefit plan pursuant to 42 CFR 440.315 as amended to July 1, 2026.

"Minimum essential coverage" means health insurance defined in Section 5000A(f) of Subtitle D of the Internal Revenue Code as amended to July 1, 2026.

"Prepaid ambulatory health plan" or *"PAHP"* has the meaning set forth in 42 CFR 438.2 as amended to July 1, 2026.

"Qualified employer-sponsored coverage" is defined pursuant to 42 U.S.C. §1396e1(b) as amended to July 1, 2026.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.2(249A,249N) Eligibility factors. Except as more specifically provided in this chapter, IHAWP eligibility will be determined according to the requirements of 441—Chapter 75.

74.2(1) *Persons covered.* Subject to the additional requirements of this chapter and of 441—Chapter 75, medical assistance under IHAWP will be available to persons 19 through 64 years of age who:

a. Are not eligible for medical assistance in a mandatory group under 441—Chapter 75;

b. Have countable income at or below 133 percent of the FPL for their household size;

c. Are not entitled to or enrolled in Medicare benefits under Part A or Part B of Title XVIII of the Social Security Act as amended to July 1, 2026; and

d. Are not pregnant at the time of application or reenrollment.

74.2(2) *Parents or caretakers of dependent children.* All children under the age of 21 living with a parent or caretaker who will be claimed as a dependent by the parent or caretaker for state or federal income tax purposes must be enrolled in Medicaid, in the Children's Health Insurance Program (CHIP), or in other minimum essential coverage as a condition of the parent's or caretaker's eligibility for IHAWP benefits.

74.2(3) *Citizenship.* To be eligible for IHAWP benefits, a person must meet the citizenship requirements in 441—Chapter 75.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.3(249A,249N) Application. Medicaid application policies and procedures described in 441—Chapter 76 apply to applications for IHAWP.
[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.4(249A,249N) Financial eligibility.

74.4(1) *Countable income.* Individuals are financially eligible for IHAWP if their countable income is no more than 133 percent of the FPL as of the date of a decision on initial or ongoing eligibility.

74.4(2) *Household size.* For financial eligibility purposes, household size will be determined according to the MAGI methodology.
[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.5(249A,249N) Enrollment period.

74.5(1) *Effective dates of eligibility.* IHAWP eligibility will be effective on the first day of the month of application or the first day of the month all eligibility requirements are met, whichever is later. The enrollment period will continue for 12 consecutive months unless the member is disenrolled in accordance with the provisions of rule 441—74.8(249A,249N).

74.5(2) *Reinstatement.* Enrollment for IHAWP may be reinstated without a new application in accordance with 441—Chapter 76.

74.5(3) *Presumptive eligibility.* The enrollment period of 12 consecutive months will not apply to individuals temporarily enrolled in Medicaid based on a presumptive eligibility determination by a qualified entity in accordance with 441—Chapter 76.

74.5(4) *Retroactive enrollment.* Medical assistance will be available to a pregnant woman or an infant (under one year of age), or a resident of a nursing facility licensed under Iowa Code chapter 135C, for all or any of the three months preceding the month in which an application is filed when eligibility requirements are met in accordance with 441—Chapter 76.
[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.6(249A,249N) Reporting changes.

74.6(1) *Reporting requirements.* In addition to the reporting requirements in 441—Chapter 76, as a condition of ongoing enrollment, a member shall report any of the following changes no later than ten calendar days after the change takes place:

a. The member enters a nonmedical institution, including but not limited to a penal institution.

b. The member abandons Iowa residency.

c. The member turns 65.

d. The member becomes entitled to or enrolled in Medicare Part A or Part B or both.

e. A child under the age of 21 living with the member loses minimum essential coverage if the member is the child's parent or caretaker and will claim the child as a dependent for state or federal income tax purposes.

f. The member is pregnant.

74.6(2) *Untimely report.* When a change is not timely reported as required by this rule, any program expenditures for care or services provided when the member was not eligible will be considered an overpayment and be subject to recovery from the member in accordance with 441—Chapters 75 and 11. Program expenditures may include but are not limited to premiums and capitation payments.

74.6(3) *Effective date of change.* After enrollment, changes reported during the month that affect the member's eligibility will be effective the first day of the next calendar month unless:

a. Timely notice of adverse action is required as specified in rule 441—16.2(17A); or

b. The enrollment period has expired and the member is not eligible for a new enrollment period.
[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.7(249A,249N) Reenrollment. A new eligibility determination is required to establish an enrollment period. The reenrollment process will follow the requirements in 441—Chapter 76.
[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.8(249A,249N) Terminating enrollment. IHAWP enrollment ends when any of the following occurs:

1. The enrollment period ends and coverage for the next enrollment period has not been renewed.
2. The member becomes eligible for medical assistance in a mandatory coverage group under 441—Chapter 75.
3. The member is found to have been ineligible for any reason.
4. The member dies.
5. The member turns 65.
6. The member abandons Iowa residency.
7. The member becomes entitled to or enrolled in Medicare Part A or Part B or both.
8. A child under the age of 21 living with the member loses minimum essential coverage, if the member is the child's parent or caretaker and will claim the child as a dependent for state or federal income tax purposes.
9. The member's countable income exceeds 133 percent of the FPL.
10. IHAWP is discontinued according to the requirements in rule 441—74.14(249A,249N).
11. The member does not pay monthly contributions as required by subrule 74.11(2).

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.9(249A,249N) Recovery. The department will recover from a member all Medicaid funds incorrectly expended on behalf of the member in accordance with 441—Chapter 75.

74.9(1) The department will recover Medicaid funds expended on behalf of a member from the member's estate in accordance with 441—Chapter 75.

74.9(2) Funds received from third parties, including Medicare, by a provider other than a state mental health institute shall be reported to the department or the MCO, and an adjustment will be made to a previously submitted claim.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.10(249A,249N) Right to appeal.

74.10(1) Decisions and actions by the department regarding eligibility or services provided under this chapter may be appealed to the extent permitted by 441—Chapter 2506.

74.10(2) Members will not be entitled to an appeal hearing if the sole basis for denying or limiting services is discontinuance of the program pursuant to rule 441—74.14(249A,249N).

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.11(249A) Financial participation.

74.11(1) *Copayment.* Payment for nonemergency use of a hospital emergency department shall be subject to an $8 copayment by the member, which will be subtracted from the IHAWP payment otherwise due to the provider.

74.11(2) *Monthly contributions.* Members enrolled in the IHAWP with household income at or above 50 percent of the FPL are required to pay monthly contributions pursuant to this rule.

a. Monthly contribution amount. The monthly contribution amount for each member is based on the countable income of the member's household, determined pursuant to 441—Chapter 75, as a percentage of the FPL for the household. Monthly contribution amounts are as follows:

(1) For a member with household income between 50 and 100 percent of the FPL, $5;

(2) For a member with household income above 100 percent of the FPL, $10.

b. Waiver during the first year of enrollment. The monthly contribution will be waived during the member's first 12 months of continuous enrollment.

c. Monthly contribution exemptions. A member shall be exempt from monthly contribution payments when any of the following circumstances apply:

(1) The member completed healthy behaviors pursuant to subrule 74.11(4) in the previous enrollment period.

(2) The member is determined by the department to be a medically exempt individual pursuant to subrule 74.12(2).

(3) The member has access to cost-effective, employer-sponsored coverage and is enrolled in the health insurance premium payment program pursuant to 441—Chapter 75.

(4) The member is exempt from premiums pursuant to 42 CFR 447.56(a)(1)(x) as amended to July 1, 2026, as an Indian who is eligible to receive or has received an item or service furnished by an Indian health care provider or through referral under contract health services.

(5) The member claims a hardship exemption indicating that payment of the monthly contribution will be a financial hardship. The member may claim a hardship exemption by telephoning Iowa Medicaid member services, by checking the hardship box on the billing statement (for the month of the billing statement), or by submitting a written statement to the address designated by the department. The member's hardship exemption must be received or postmarked within five working days after the monthly contribution due date. If the hardship exemption request is not made in a timely manner, the exemption shall not be granted. Members must complete the process in every month for which they wish to claim financial hardship. There is no limit to the number of hardship exemptions for which a member may apply.

d. Billing and payment. An Iowa Medicaid billing statement form will be used for billing and collection of the monthly contribution.

(1) Method of payment. Members shall submit contribution payments to the address specified by the department. Members can also submit contributions through the department's website.

(2) Due date. When the department notifies a member of the amount of the monthly contribution, the member shall pay any monthly contributions due in accordance with the following:

1. The monthly contribution is due on the fifteenth day of the month in which the statement is received.

2. If the fifteenth day of the month falls on a weekend or state or federal holiday, payment is due on the first working day following the weekend or holiday.

3. Monthly contribution payments must be received or postmarked by the due date.

(3) Application of payment. The department will apply monthly contribution payments received to the oldest unpaid month in the current enrollment period. When monthly contributions for all months in the enrollment period have been paid, the department will hold any excess and apply it to any months for which eligibility is subsequently established.

e. Failure to pay monthly contributions.

(1) An IHAWP member with household income between 50 and 100 percent of the FPL who fails to pay the assessed monthly contribution and who does not qualify for a monthly contribution exemption pursuant to subrule 74.11(2) shall owe the monthly contribution to the department as an unpaid premium subject to recovery in accordance with 441—Chapter 75. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before the unpaid amount shall be subject to recovery.

(2) An IHAWP member with household income above 100 percent of the FPL who fails to pay the assessed monthly contribution and who does not qualify for a monthly contribution exemption pursuant to subrule 74.11(2) will have the member's eligibility terminated. In addition, the member shall owe the monthly contribution to the department as an unpaid premium subject to recovery in accordance with 441—Chapter 75. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before the unpaid amount shall be subject to recovery.

1. A member shall have no less than 90 days from the due date to pay any unpaid monthly contribution before eligibility will be terminated or the unpaid amount will be subject to recovery.

2. A member whose eligibility is terminated due to nonpayment of monthly contributions may reenroll for Medicaid benefits pursuant to 441—Chapter 76.

3. Unpaid premiums will not be considered a collectible debt by the state if, at the member's next annual renewal date, the member does not apply for renewed eligibility, and the member has no claims for services delivered after the month of the last premium payment.

f. Refund of monthly contributions.

(1) Monthly contributions paid may be refunded if the member qualified for a monthly contribution exemption pursuant to paragraph 74.11(2)*"c"* or when a member's IHAWP coverage is terminated for the following reasons:

1. The member is no longer eligible for coverage in IHAWP; or

2. The member dies.

(2) The amount of any refund will be offset by any outstanding monthly contributions owed.

(3) The refund will be paid within two calendar months from the date of termination from the program.

74.11(3) *Aggregate annual limits on copayments and monthly contributions.* The total aggregate annual amount of copayments and monthly contributions for an individual will not exceed 5 percent of the household's countable annual income determined pursuant to 441—Chapter 75.

74.11(4) *Healthy behaviors.* An IHAWP member who completes a wellness examination and health risk assessment during any enrollment year will have monthly contributions waived in the subsequent enrollment year.

a. Under healthy behaviors, a wellness examination may be related to either physical health or oral health. Physical examinations must be performed by a medical provider and must assess a member's overall physical health consistent with standard clinical guidelines for preventive physical examinations and as defined by the department. Oral examinations must be performed by a dental provider consistent with standard oral health guidelines for preventive dental examinations and as outlined in 441—Chapter 73.

b. A health risk assessment is an assessment offered by a managed care plan through which the member is receiving IHAWP benefits.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.12(249A) Benefits and service delivery. Covered benefits and the service delivery method will be determined by the member's health status.

74.12(1) *Iowa wellness plan services.* Members shall be enrolled in IHAWP unless the member is determined by the department to be a medically exempt individual.

a. Covered Iowa wellness plan services are essential health benefits; all other benefits required pursuant to 42 U.S.C. §1396u-7(b)(1)(B) as amended to July 1, 2026, including prescription drugs; and dental services consistent with 441—Chapter 78.

b. Members enrolled in IHAWP shall be subject to enrollment in managed care, other than a program for all-inclusive care for the elderly (PACE), pursuant to 441—Chapter 73.

c. Dental services will be provided under the Iowa dental wellness plan as set forth in 441—Chapter 73 through a contract with one or more dental prepaid ambulatory health plans. The dental prepaid ambulatory health plan shall provide the member with a dental card identifying the member as eligible for dental services.

74.12(2) *Medically exempt individuals.* An IHAWP member who has been determined by the department to be a medically exempt individual will be given the choice of the benefits and service delivery method provided by the Iowa wellness plan or receiving benefits and services pursuant to 441—Chapter 78.

a. A provider with a current national provider identifier number may refer a member for a medically exempt individual determination by submitting a completed form prescribed by the department.

b. Upon receipt of the appropriate forms, the department will determine whether the member qualifies as a medically exempt individual in accordance with 42 CFR 440.315 as amended to July 1, 2026.

74.12(3) *Qualified employer-sponsored coverage.* An individual who has access to cost-effective, employer-sponsored coverage shall be subject to enrollment in the health insurance premium payment program pursuant to 441—Chapter 75.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.13(249A,249N) Claims and reimbursement methodologies. Payment for services provided under the Iowa wellness plan services will be provided in accordance with 441—Chapter 79 or as provided in a contract between the department or the member's MCO and the provider.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

441—74.14(249A,249N) Discontinuance of program.

74.14(1) If the methodology for calculating the federal medical assistance percentage for eligible individuals, as provided in 42 U.S.C. §1396d(y) as amended to July 1, 2026, is modified through federal law or regulation, in a manner that reduces the percentage of federal assistance to the state, or if federal law or regulation affecting eligibility or benefits for IHAWP is modified, the department may implement an alternative plan as specified in the medical assistance state plan or waiver for coverage of the affected population, subject to prior, statutory approval of implementation of the alternative plan.

74.14(2) If the methodology for calculating the federal medical assistance percentage for eligible individuals, as provided in 42 U.S.C. §1396d(y) as amended to July 1, 2026, is modified through federal law or regulation resulting in a reduction of the percentage of federal assistance to the state below 90 percent but not below 85 percent, the medical assistance program reimbursement rates for inpatient and outpatient hospital services will be reduced by a like percentage in the succeeding fiscal year, subject to prior, statutory approval of implementation of the reduction.

[**ARC 0313D**, IAB 5/27/26, effective 7/1/26]

These rules are intended to implement Iowa Code chapters 249A and 249N.

CHAPTER 75
CONDITIONS OF ELIGIBILITY

[Ch 75, 1973 IDR, renumbered as Ch 90]
[Prior to 7/1/83, Social Services[770] Ch 75]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/31

DIVISION I
DEFINITIONS, COVERAGE GROUPS, AND GENERAL CONDITIONS OF ELIGIBILITY

441—75.1(249A) Definitions. Unless otherwise specified, the definitions in this rule apply to 441—Chapters 74 through 88.

"Act" means the federal Social Security Act. All references to the Act herein are as amended to August 1, 2025.

"Aged" means a person 65 years of age or older.

"Applicant" means a person who is requesting medical assistance on the person's own behalf or a person for whom medical assistance is requested.

"AVS" or *"asset verification system"* means the use of an electronic asset data source to verify assets held in banks and other financial institutions for non-MAGI.

"Blind" means a person with central visual acuity of 20/200 or less in the better eye with use of corrective lens or visual field restriction to 20 degrees or less.

"Caretaker" means an individual with whom a child is living and who assumes primary responsibility for the child's care. For this purpose, two individuals may be considered to have assumed primary responsibility for a child's care.

"Change in income" means a permanent change in hours worked or rate of pay, any change in the amount of unearned income, or the beginning or ending of any income.

"Child" means a natural or biological child, or an individual legally recognized as the child of a parent based on the conception, gestation, or birth of the child during a legal marriage; an adoptive child; or a child of an individual's spouse (stepchild) unless parental rights have been legally terminated.

"Client" means all of the following:

1. A Medicaid applicant;
2. A Medicaid member;
3. A person whose income or assets are considered in determining eligibility for an applicant or member.

"Code of Federal Regulations" or *"CFR"* means the United States Code of Federal Regulations. All references to the CFR herein are as amended to August 1, 2025, unless another effective date is specified.

"Community spouse" means a noninstitutionalized spouse of an institutionalized spouse.

"Conditionally eligible" means that a person has been assigned but not met spenddown as defined in subrule 75.8(1), or has been assigned a monthly premium but has not yet paid the premium for that month pursuant to subparagraph 75.6(6)*"b"*(4).

"Coverage group" means a group of persons who meet certain common eligibility requirements.

"Dependent child" or *"dependent children"* means a child or children who meet the nonfinancial eligibility requirements of the applicable family-related coverage group.

"Electronic data sources" or *"EDS"* means federal and state data sources with which the department conducts data matches for the purpose of determining eligibility. Federal data sources include the Internal Revenue Service (IRS), the Social Security Administration (SSA) and the United States Department of Homeland Security. State data sources include Iowa workforce development (IWD) wage and unemployment compensation, SSA, IRS, and the Public Assistance Reporting Information System (PARIS).

"Family-related Medicaid" includes coverage groups that apply to children, parents and caretakers and pregnant women who are not aged, blind or disabled.

"Federal poverty level" or *"FPL"* means the levels published and updated periodically in the Federal Register by the United States Department of Health and Human Services (DHHS) under the authority of 42 U.S.C. 9902(2) and revised annually on April 1.

"General conditions of eligibility" means the eligibility criteria specified in the following provisions:

1. Rule 441—75.9(249A): furnishing of social security number.
2. Rule 441—75.10(249A): residency requirements.
3. Rule 441—75.11(249A): citizenship or alienage requirements.
4. Rule 441—75.14(249A): establishing liability and obtaining support.
5. Rule 441—75.15(249A): medical resources.
6. Rule 441—75.16(249A): medical assistance lien.
7. Rule 441—75.29(249A): investigation of eligibility.

"Income in-kind" means any gain or benefit that is not in the form of money payable directly to the applicant, member, or person whose income or assets are considered in determining eligibility for an applicant or member, including nonmonetary benefits such as meals, clothing, and vendor payments. Vendor payments are monetary payments to a third party and not to the applicant, member, or person whose income is considered in determining eligibility.

"Institutionalized person" means a person who is an inpatient in a nursing facility or a Medicare-certified skilled nursing facility, a person who is an inpatient in a medical institution and for whom payment is made based on a level of care provided in a nursing facility, or a person who is as described in subrule 75.6(8).

"Institutionalized spouse" means a married person living in a medical institution, or nursing facility, or home- and community-based waiver setting who is likely to remain living in these circumstances for at least 30 consecutive days and whose spouse is not in a medical institution or nursing facility.

"Local office" means the county office of the department or a state mental health institute.

"Medical institution," when used in this chapter, means a facility organized to provide medical care, including nursing and convalescent care, in accordance with accepted standards as authorized by state law and as evidenced by the facility's license. A medical institution may be public or private. Medical institutions include the following:

1. Hospitals.
2. Extended care facilities (skilled nursing).
3. Intermediate care facilities.
4. Mental health institutions.

"Member" means any person who has been determined eligible and has been enrolled to receive medical assistance pursuant to 441—Chapter 75. "Member" may be used interchangeably with "recipient." This definition does not apply to the phrase "household member." For the medically needy program, "member" means a person who has been determined eligible for Medicaid under the medically needy program, has been approved, and has countable income at or below the medically needy income level (MNIL) or has reduced the person's countable income to the MNIL during the certification period through spenddown. Unless otherwise specified, a person is not a member for any month in which Medicaid for that person is subject to recoupment because the person was ineligible.

"Modified adjusted gross income" or *"MAGI"* means the tax-based methodology used to determine income eligibility and household size for family-related Medicaid and other coverage groups as prescribed by 1902(e)(14) of the Act (42 U.S.C. 1396a(e)(14) and 42 CFR 435.603).

"Non-MAGI-related" means those persons whose eligibility is determined using regulations governing the supplemental security income (SSI) program administered by the SSA, except that income is considered prospectively. "Non-MAGI-related" also includes persons who would be eligible for SSI except for certain eligibility factors as specified in rule 441—75.6(249A).

"Nursing facility services" means the level of care provided in a medical institution licensed for nursing services or skilled nursing services for the purposes of rules 441—75.23(249A) and 441—75.85(249A).

"Parent" means a natural or biological parent, or an individual legally recognized as the parent of a child based on the conception, gestation, or birth of the child during a legal marriage; an adoptive parent; or the spouse of another parent (stepparent) unless parental rights have been legally terminated.

"Pay and chase" means that the state pays the total amount allowed under the department's payment schedule and then seeks reimbursement from a liable third party. The pay and chase provision applies to Medicaid claims for preventive pediatric services and all services provided to a person for whom there is court-ordered medical support.

"Payee" refers to an SSI payee as defined in 20 CFR 416.601.

"Presumptive eligibility" means that a person is presumed to be eligible for Medicaid on a temporary basis based on statements provided by the person.

"Presumptive Medicaid" means immediate and temporary health care coverage based on a presumptive eligibility decision to pay for the cost of care during the presumptive period as described in subrule 75.7(4).

"Presumptive provider" means an organization approved by the department to conduct and authorize presumptive eligibility determinations pursuant to 441—subrule 76.7(1).

"Qualified entity" means an individual, under the supervision and authority of a presumptive provider, who has been determined by the department to be capable of making presumptive Medicaid eligibility determinations pursuant to 441—subrule 76.7(2).

"Reasonably compatible" or *"reasonable compatibility"* means the standard by which the total attested countable income or resources for each person's household size is compared with the total amount from available EDS or AVS used by the department. Attested income or resources must meet one of the following three criteria to meet the standards for reasonable compatibility:

1. Both the total attested income or resources and the total income or resources from the EDS or AVS are above, at, or below the applicable income or resource limit for Medicaid or hawki; or
2. The total attested income is within 10 percent of the total income from EDS or the total resources are below the resource limit for the applicable program; or
3. The total attested income or resources exceeds the total income or resources from EDS or AVS.

If the attested income or resources meet any of the reasonable compatibility criteria, the income or resources are considered to be verified.

"Reasonable opportunity period" means the 90-day period allowed for applicants and members to provide satisfactory documentation of citizenship, nationality, or qualified alien status pursuant to subparagraph 75.11(2)*"c"*(4).

"Refugee" means the same as defined in 8 U.S.C. §1101(a) INA 101 (a)(42).

"Retroactive period" means the three calendar months immediately preceding the month in which an application is filed.

"Sibling" means an individual who shares at least one common parent with another individual.

"Spouse" means a party to a legally recognized marriage, including a common-law marriage.

"Stepparent" means a person who is not the parent of the dependent child, but is the legal spouse of the dependent child's parent. A stepparent is considered a parent under a coverage group that is subject to MAGI methodology pursuant to 42 CFR 435.603.

"Supply" or *"supplying"* means the requested information is received by the department by the specified due date.

"Tax dependent" means an individual who can be claimed by another individual as a dependent for federal income tax purposes.

"Transfer of assets" means the transfer of resources or income for less than fair market value as provided in rule 441—75.23(249A).

"Unborn child" includes an unborn child during the entire term of pregnancy.

"United States Code" or *"U.S.C."* means the general and permanent laws of the United States. All references to the U.S.C. herein are as amended to August 1, 2025, unless another effective date is specified.
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.2(249A) Categories of persons covered. Persons who meet the criteria of one of the categorical groups below receive Medicaid if they meet the eligibility requirements of a related coverage group

described in rules 441—75.3(249A) through 441—75.8(249A) and the general conditions of eligibility described within this chapter.

75.2(1) *Family-related Medicaid.* Medicaid is available to the following categories of persons who meet the eligibility requirements of one of the family-related Medicaid coverage groups described in rule 441—75.3(249A), the general conditions of eligibility specified in Division I of this chapter, and the eligibility factors specific to family-related medical assistance described in Division II of this chapter unless stated otherwise within this chapter:

a. Children under the age of 19.

b. Parents and caretakers.

c. Pregnant women.

d. Persons in foster care, a subsidized adoption arrangement, or subsidized guardianship.

e. Former foster care youth.

f. Persons living in a medical institution.

75.2(2) *Persons who need breast or cervical cancer treatment.* Pursuant to rule 441—75.4(249A), Medicaid is available to persons who have been screened and found to need treatment for breast or cervical cancer.

75.2(3) *Persons aged 19 through 64.* Medicaid is available to persons who are aged 19 or older and under the age of 65 who meet the eligibility requirements of the Iowa health and wellness plan (IHAWP) as described in subrule 75.5(1) and 441—Chapter 74.

75.2(4) *Persons who are refugees.* Medicaid is available to refugees who meet the requirements described in subrules 75.5(3) and 75.5(4) and who do not meet the requirements of another Medicaid coverage group or hawki.

75.2(5) *Aged, blind, or disabled persons.* The following coverage groups are available to persons who are aged, blind, or disabled and who meet the eligibility criteria of a coverage group described in rule 441—75.6(249A) and the general conditions of eligibility specified in this chapter:

a. Persons receiving SSI or state supplementary assistance or eligible for, but not receiving, SSI.

b. Aged, blind or disabled persons ineligible for SSI or state supplementary assistance due to income or other requirements.

c. Certain persons essential to the welfare of an aged, blind, or disabled person.

d. Persons residing in a medical institution.

e. Persons participating in Medicare savings programs.

f. Working persons with disabilities.

g. Children with disabilities.

h. Persons who may be eligible for additional services that are not available through regular Medicaid, and a waiver of federal policy has been approved. These are known as waiver services and are defined in 441—Chapter 83.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.3(249A) Family-related Medicaid. Medicaid will be available to children, parents and other caretakers and to pregnant women who meet the eligibility requirements of a coverage group described within this rule and the general conditions of eligibility described in this chapter.

75.3(1) *Family medical assistance program (FMAP).* Medicaid will be available to low-income children and to the children's parent or other caretaker if the following criteria are met:

a. Children must meet the requirements described in rule 441—75.50(249A), and the parent or other caretaker must meet the requirements described in rule 441—75.51(249A).

b. Countable household income must not exceed the FMAP limits prescribed in rule 441—75.74(249A). Financial eligibility will be determined according to MAGI methodology pursuant to Division III of this chapter.

75.3(2) *Pregnant women, infants, and children (mothers and children (MAC)).* Medicaid will be available to pregnant women, infants (under one year of age), and children who have not attained the age of 19 if the following criteria are met.

a. Income.

(1) Household income must not exceed the applicable limits for the MAC program as stated in rule 441—75.74(249A).

(2) In establishing eligibility for pregnant women, infants, and children, income and household size will be determined pursuant to rule 441—75.72(249A).

(3) In establishing eligibility for a pregnant woman or any person whose MAGI household size includes a pregnant woman, the unborn child (or children) will be considered when determining the number of persons in the household. Attestation of pregnancy will be accepted in accordance with subrule 75.72(5).

b. Eligibility for pregnant women under this rule will begin no earlier than the first day of the month in which conception occurred and will continue throughout the pregnancy when requirements described in rule 441—75.18(249A) are met.

c. The effect of age on eligibility for an infant or a child will be determined pursuant to rule 441—75.52(249A).

d. When determining eligibility under this coverage group, the requirement to live with a parent or other caretaker as specified at subrule 75.50(2) and the age and school attendance provisions specified in subrule 75.50(1) do not apply.

e. A woman who was both eligible and enrolled in Medicaid on the date her pregnancy ends will be entitled to receive Medicaid through the postpartum period in accordance with subrule 75.3(4).

f. If an infant loses eligibility under this coverage group at the time of the first birthday due to exceeding the income limit for children or if a child loses eligibility at the time of the nineteenth birthday, but the infant or child is receiving inpatient services in a medical institution, Medicaid will continue under this coverage group for the duration of continuous inpatient services.

75.3(3) *Newborn children.* Medicaid will be available without an application to newborn children of women who are determined eligible for Medicaid for the month of the child's birth or for emergency services for labor and delivery for the child's birth. Eligibility begins with the month of the birth and continues through the month of the first birthday as long as the child remains an Iowa resident.

a. The department will accept any written or verbal statement as verification of the newborn's birth date unless the department determines the birth date is questionable.

b. In order for Medicaid to continue after the month of the first birthday, a redetermination of eligibility must be completed.

75.3(4) *Postpartum eligibility following pregnancy.* Medicaid will continue to be available for a period of 12 months beginning the first of the month following the end of pregnancy and continuing for 12 months for a woman who was both eligible and enrolled in Medicaid on the date her pregnancy ends.

a. Except as described in this subrule, the woman is not required to meet any eligibility criteria described in this chapter or the reenrollment requirements in rule 441—76.14(249A) during the 12-month postpartum period.

b. The woman will not be required to file an application.

c. Pregnant women determined eligible only for emergency services pursuant to subrule 75.11(4) are eligible under this provision.

75.3(5) *Healthy and well kids in Iowa (hawki).* Hawki will be available to children under the age of 19 who are not eligible for Medicaid and who meet the provisions of 441—Chapter 86.

75.3(6) *Transitional Medicaid.*

a. Eligible persons. Transitional Medicaid will be available for a period of up to 12 months to the following persons:

(1) A dependent child who becomes ineligible for FMAP due to increased income from employment of the dependent child or the child's parent or other caretaker;

(2) The child's parent or caretaker who becomes ineligible for FMAP due to increased income from employment of the dependent child or the child's parent or other caretaker; and

(3) The following household members of persons described in subparagraph 75.3(6)*"a"*(1) or *"a"*(2) who currently meet all FMAP requirements, except for income:

1. Persons who were in the home prior to FMAP discontinuance but did not receive FMAP at the time; and

2. Persons who entered the home prior to FMAP discontinuance or during the transitional Medicaid period.

b. Increase in income from employment. Increased income from employment includes but is not limited to the following:

(1) Beginning employment.

(2) Increased rate of pay.

(3) Increased hours of employment.

c. Transitional Medicaid and continuous eligibility. Transitional Medicaid eligibility rules supersede continuous eligibility rules for a child as described in rule 441—75.19(249A).

d. FMAP received in three of six months. In order to receive transitional Medicaid coverage under the provisions of this subrule, at least one of the individuals described in subparagraph 75.3(6)*"a"*(1) or *"a"*(2) must have received FMAP during at least three of the six months immediately preceding the month in which ineligibility occurred. The months the member receives FMAP due to continuous eligibility as described in rule 441—75.19(249A) do not count toward the transitional Medicaid requirement of receiving FMAP for at least three of the last six months. If there is an increase in income from employment when a child's continuous eligibility is ending, the child will not be redetermined to the transitional Medicaid coverage group.

e. Period of transitional coverage. The 12 months of transitional Medicaid coverage begin the day following discontinuance of FMAP eligibility and will continue for a consecutive 12-month period without regard to income changes, subject to paragraphs 75.3(6)*"g," "h,"* and *"i."*

f. Reserved.

g. Fraud. Transitional Medicaid will not be allowed under the provisions of this subrule when it has been determined that the member received FMAP in any of the six months immediately preceding the month of discontinuance as the result of fraud. Fraud is defined in accordance with Iowa Code section 239B.14.

h. Eligible child. During the transitional Medicaid period, assistance will be discontinued at the end of the first month in which there is no longer an eligible child living in the household who meets the requirements in rule 441—75.50(249A).

i. Other conditions of eligibility. Members must meet all applicable general conditions of eligibility described in this chapter except for the income limits described in rule 441—75.74(249A).

j. Transitional period ends. Transitional Medicaid will be discontinued beginning with the first month following the month in which the household no longer meets the eligibility criteria. Notice will be provided to the household in accordance with adequate and timely notice provisions as specified in rule 441—16.2(17A).

75.3(7) *Extended Medicaid.*

a. Eligible persons. Extended Medicaid will be available for a period of up to four months to the following individuals:

(1) A dependent child who becomes ineligible for FMAP due to receipt of income from alimony or other spousal support;

(2) The child's parent or caretaker who becomes ineligible for FMAP due to receipt of income from alimony or other spousal support; and

(3) The following household members of persons described in subparagraph 75.3(7)*"a"*(1) or *"a"*(2) who currently meet all FMAP requirements, except for income:

1. Persons who were in the home prior to FMAP discontinuance but did not receive FMAP at the time; and

2. Persons who enter the home prior to FMAP discontinuance or during the extended Medicaid period.

b. FMAP received in three of six months. In order to receive extended Medicaid coverage under the provisions of this subrule, at least one member must have received FMAP during at least three of the six months immediately preceding the month in which ineligibility occurred.

c. Period of extended coverage. The four months of extended Medicaid coverage begins the day following discontinuance of FMAP eligibility and will continue for four consecutive months, subject to paragraph 75.3(7)*"f."*

d. Reserved.

e. Other conditions of eligibility. Members must meet all applicable general conditions of eligibility described in this chapter except for the income limits described in rule 441—75.74(249A).

f. Extended period ends. Extended Medicaid will be discontinued beginning with the first month following the month in which the household no longer meets eligibility criteria. Notice will be provided to the household in accordance with adequate and timely notice provisions as specified in rule 441—16.2(17A).

75.3(8) *Children in foster care, subsidized adoption arrangement, or subsidized guardianship arrangement not eligible under Title IV-E or Title XVI of the Act.* Medicaid will be available to persons under the age of 21 if the following criteria are met:

a. For the child medical assistance program (CMAP), the person is in foster care or a subsidized adoption arrangement in accordance with subparagraph 75.3(8)*"a"*(1), *"a"*(2), or *"a"*(3) and the person is not eligible for assistance under Title IV-E or Title XVI of the Act.

(1) The person is placed in licensed foster care for which the state pays foster care maintenance payments pursuant to Iowa Code section 234.35 and rule 441—156.20(234).

(2) The person is a special needs child in an adoption assistance agreement with the department pursuant to rule 441—201.5(600), regardless of whether the adoption assistance agreement provides for adoption subsidy maintenance payments.

(3) The person is a special needs child who resides in Iowa in a private home with the child's adoptive parent(s) and is in an adoption assistance agreement with another state with which Iowa has a reciprocity agreement as follows:

1. The other state is a member of the interstate compact on adoption and medical assistance (ICAMA); and

2. The other state provides medical assistance benefits pursuant to a program funded under Title XIX of the Act under the optional group in Section 1902(a)(10)(A)(ii)(VIII) of the Act to children residing in that state (at least until aged 18) for whom there is a state adoption assistance agreement in effect with the state of Iowa other than under Title IV-E of the Act.

b. For the subsidized guardianship medically needy program, the person resides in Iowa in a private home pursuant to a court-approved subsidized guardianship arrangement under 441—Chapter 204 and the person is not eligible for assistance under Title IV-E or Title XVI of the Act. As authorized under 42 CFR 435.308, this reasonable classification of individuals is a separate coverage group from the medical assistance available to medically needy persons described in rule 441—75.8(249A).

c. There are no financial eligibility requirements for these coverage groups.

d. The effect of reaching age 21 on the person's eligibility will be determined pursuant to rule 441—75.52(249A).

e. The age requirements and the requirement to live with a parent or other caretaker as provided in rule 441—75.50(249A) do not apply for persons under this coverage group.

75.3(9) *Children in foster care, subsidized adoption arrangement, or subsidized guardianship arrangement and eligible under Title IV-E.*

a. Medicaid will be available to a child under the age of 21 who is eligible under Title IV-E of the Act and for whom any of the following is provided:

(1) Foster care maintenance payments for a child placed in licensed foster care pursuant to Iowa Code section 234.35 and rule 441—156.20(234).

(2) Guardianship assistance pursuant to rule 441—204.4(234), regardless of whether the guardianship assistance agreement provides for guardianship subsidy maintenance payments.

(3) Adoption assistance pursuant to rule 441—201.5(600), regardless of whether the adoption assistance agreement provides for adoption subsidy maintenance payments.

b. IV-E assistance from another state. Medicaid will be available to children under the age of 21 who are eligible for federal foster care maintenance payments, adoption assistance, or guardianship assistance

under Title IV-E of the Act from another state and live in Iowa, including children with an adoption or guardianship assistance agreement that does not provide for maintenance payments.

c. There are no financial eligibility requirements for these coverage groups.

d. The effect of reaching age 21 on the person's eligibility will be determined pursuant to rule 441—75.52(249A).

e. The age requirements and the requirement to live with a parent or other caretaker as provided in rule 441—75.50(249A) do not apply for persons under this coverage group.

75.3(10) *State-only funded medical assistance for children in foster care or a subsidized adoption arrangement for whom the department has financial responsibility in whole or in part.*

a. When the department is responsible for foster care maintenance payments for a child placed in licensed foster care pursuant to Iowa Code section 234.35 and rule 441—156.20(234), or has negotiated an adoption assistance agreement pursuant to rule 441—201.5(600) for a child living in a private home regardless of whether the agreement provides for adoption subsidy maintenance payments, state-only funded medical assistance will be available to the child if:

(1) The child is under the age of 21, lives in Iowa, and is not otherwise eligible under a category for which federal financial participation is available; or

(2) The child is under the age of 21, lives in another state, and is not eligible for benefits from the other state pursuant to a program funded under Title XIX of the Act, notwithstanding the residency requirements of 441—75.10(249A).

b. There are no financial eligibility requirements for this coverage group.

c. The effect of reaching the age of 21 on the person's eligibility will be determined pursuant to rule 441—75.52(249A).

d. The age requirements and the requirement to live with a parent or other caretaker as provided in rule 441—75.50(249A) do not apply for persons under this coverage group.

75.3(11) *State-only funded medical assistance for children in a court-approved subsidized guardianship home for whom the department has financial responsibility in whole or in part.*

a. When the department has negotiated a subsidized guardianship agreement for a child pursuant to 441—Chapter 204, state-only funded medical assistance will be available to the child under this subrule if the child is under the age of 21 and living in a private home pursuant to a court-approved subsidized guardianship agreement if:

(1) The child lives in Iowa and is not eligible for Medicaid under a category for which federal financial participation is available due to reasons other than:

1. Failure to provide information, or
2. Failure to comply with other procedural requirements; or

(2) Notwithstanding the residency requirements of rule 441—75.10(249A), the child lives in another state and is not eligible for benefits from the other state pursuant to a program funded under Title XIX of the Act, due to reasons other than:

1. Failure to provide information, or
2. Failure to comply with other procedural requirements.

b. There are no financial eligibility requirements for this coverage group.

c. The effect of reaching the age of 21 on the person's eligibility will be determined pursuant to rule 441—75.52(249A).

d. The age requirements and the requirement to live with a parent or other caretaker as provided in rule 441—75.50(249A) do not apply for persons under this coverage group.

75.3(12) *Medicaid for former foster care youth (EMIYA).* Medicaid will be available to a person who meets all of the following conditions:

a. The person is at least 18 years of age (or such higher age to which foster care is provided to the person, as provided in paragraph 75.3(12)*"c"*) and under 26 years of age. The effect of reaching the age of 26 on the person's eligibility will be determined pursuant to rule 441—75.52(249A).

b. The person is:

(1) Not described in and is not enrolled under any of subclauses (I) through (VII) of Section 1902(a)(10)(A)(i) of Title XIX of the Act; or

(2) Described in any of such subclauses but has income that exceeds the level of income applicable under Iowa's state Medicaid plan for eligibility to enroll for Medicaid under such subclause.

c. The person was in foster care as defined in Iowa Code section 232.2(20B):

(1) Under the responsibility of Iowa or a tribe within Iowa on the date of attaining 18 years of age or such higher age as described in Iowa Code section 234.1 on or prior to December 31, 2022; or

(2) Under the responsibility of any state on the date of attaining 18 years of age or such higher age as defined under Section 1902(a)(10)(A)(i) of the Act on or after January 1, 2023.

d. The person was enrolled in the Iowa Medicaid program under Title XIX of the Act on the date of attaining 18 years of age or such higher age as described in Iowa Code section 234.1 on or prior to December 31, 2022; or

e. The person was enrolled in Medicaid in any state on the date of attaining 18 years of age or such higher age as defined under Section 1902(a)(10)(A)(i) of the Act on or after January 1, 2023.

f. There are no financial eligibility requirements for this coverage group.

75.3(13) *Persons under 21 receiving care in a medical facility who would be eligible under a special income standard.* Medicaid will be available to persons under the age of 21 who meet the requirements in paragraph 75.6(4)*"b."*

75.3(14) *Presumptive eligibility for family-related medical assistance.* Medicaid will be temporarily available to the following persons who are determined to be presumptively eligible for Medicaid pursuant to rule 441—75.7(249A):

a. Infants (within MAC income limits specified in rule 441—75.74(249A));

b. Children (within hawki income limits specified in 441—subrule 86.2(2));

c. Parents and other caretakers (within FMAP income limits specified in rule 441—75.74(249A));

d. Pregnant women (within MAC income limits specified in rule 441—75.74(249A)); and

e. EMIYA.

75.3(15) *Family-related medically needy.* Pursuant to rule 441—75.8(249A), Medicaid will be available to children under the age of 19 and pregnant women who would be eligible for a family-related coverage group except for excess income. The coverage group is also available to a "parent" and "caretaker" as defined in rule 441—75.1(249A) who meet the requirements described in rule 441—75.8(249A) and who would be eligible for a family-related coverage group or IHAWP except for excess income.

This rule is intended to implement Iowa Code sections 249A.3, 249A.3A and 249A.4.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.4(249A) Persons who have been screened and found to need breast or cervical cancer treatment (BCCT).

75.4(1) Medicaid is available to persons who meet the eligibility requirements described within this rule and the general conditions of eligibility described in this chapter.

a. Medicaid will be available to persons who:

(1) Are under the age of 65:

(2) Have been screened for breast or cervical cancer under the National Breast and Cervical Cancer Early Detection Program (NBCCEDP) established under Title XV of the Public Health Service Act as amended to August 1, 2025, and have been found to need BCCT (including a precancerous condition);

(3) Do not otherwise have creditable coverage, as that term is defined by the Health Insurance Portability and Accountability Act (HIPAA) (42 U.S.C. Section 300gg-3(c)(1)). An individual is not considered to have creditable coverage just because the individual may receive medical services provided by the Indian Health Service, a tribal organization, or an Urban Indian Organization; and

(4) Are not eligible for Medicaid under Iowa Code section 249A.3(1).

b. Eligibility established under this subrule continues until the person is:

(1) No longer receiving BCCT;

(2) Aged 65 or older; or

(3) Covered by creditable coverage or eligible for Medicaid under Iowa Code section 249A.3(1).

c. Persons applying for this coverage group are not subject to MAGI methodologies described in Division III of this chapter. Income eligibility is determined by the NBCCEDP.

75.4(2) Presumptive eligibility. Medicaid is temporarily available to persons who have been screened for breast or cervical cancer and found to need treatment for the cancer and who are determined to be presumptively eligible for Medicaid under BCCT pursuant to rule 441—75.7(249A).
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.5(249A) Persons under age 65; refugees. Medicaid is available to persons who are under age 65 and to persons admitted to the United States as refugees who meet the eligibility requirements of a coverage group described within this rule.

75.5(1) *Iowa health and wellness plan (IHAWP).* This coverage group is available to persons who are aged 19 or older and under the age of 65 who meet the eligibility requirements of the IHAWP as described in 441—Chapter 74 and who are not eligible for Medicaid under a family-related or non-MAGI-related coverage group.

75.5(2) *Presumptive eligibility for IHAWP.* Medicaid will be temporarily available to persons who are aged 19 or older and under the age of 65 who are determined to be presumptively eligible for IHAWP medical assistance pursuant to rule 441—75.7(249A).

75.5(3) *Refugee medical assistance (RMA).* RMA is available to refugees, subject to the time limit set forth in rule 441—60.7(217) and paragraph 75.5(3)*"a,"* when the requirements of this rule are met and eligibility does not exist under another Medicaid coverage group or hawki.

a. The time limit begins the month of entry, regardless of which day during the month is the refugee's date of entry. The time limit applies to each person, not to each case or household.

b. The refugee must meet the immigration status and other non-financial requirements described in 441—Chapter 60.

c. Financial eligibility will be determined according to MAGI methodology pursuant to Division III of this chapter. Countable household income must not exceed the FMAP limits prescribed at rule 441—75.74(249A).

d. For purposes of Medicaid, the refugee is not required to meet the work and training requirements specified in rule 441—60.9(217).

75.5(4) *Extended coverage for refugees.* RMA will be available to a refugee for the remainder of the time limit described in subrule 75.5(3) when the refugee, who is a member, becomes ineligible for RMA or Medicaid under another coverage group solely due to earnings of a household member and eligibility does not exist under another coverage group.

a. A refugee will not be required to meet any minimum program participation time frames to receive RMA coverage under this subrule.

b. A person who returns to the household after the family becomes ineligible for RMA or Medicaid may be included in the extended RMA household if the person was included in the RMA or Medicaid household the month the family became ineligible for RMA or other Medicaid.
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.6(249A) Aged, blind or disabled. Medicaid is available to persons who are aged, blind or disabled and who meet the eligibility requirements of a coverage group described within this rule, the general conditions of eligibility, and the eligibility factors specific to non-MAGI-related Medicaid described in Division IV unless stated otherwise within this chapter.

75.6(1) *Persons receiving SSI or state supplementary assistance; persons eligible for but not receiving SSI.*

a. SSI recipients. Medicaid will be available to all persons receiving SSI payments as authorized by the SSA under Title XVI of the Act.

b. State supplementary assistance recipients. Medicaid will be available to all recipients of state supplementary assistance as authorized by Iowa Code chapter 249, 441—Chapters 50 through 54 and 177, and Title XVI of the Act. This applies to mandatory and optional state supplementary assistance payments, whether administered by the department or the SSA.

c. Persons who meet the income and resource requirements of SSI. Medicaid will be available to aged, blind, or disabled persons as described below who meet the income and resource guidelines of SSI but who are not receiving SSI:

(1) Aged and blind persons, as defined in rule 441—75.1(249A).

(2) Disabled persons, as determined pursuant to rule 441—75.81(249A).

(3) In establishing eligibility for children for this coverage group, resources of the child and ineligible parent or stepparent, regardless of age, will be disregarded.

(4) In establishing eligibility for adults for this coverage group, resources of non-MAGI persons will be treated according to SSI policies.

d. Persons who do not receive an SSI payment but are considered as SSI recipients. Medicaid will be available to a person who is not receiving an SSI payment because the SSA has determined that the person exceeds the income limit when the department still considers the person to be an SSI recipient.

75.6(2) *Persons who are not eligible for SSI or state supplementary assistance.*

a. Persons who are ineligible for SSI because of requirements that do not apply under Title XIX of the Act. Medicaid will be available to persons who would be eligible for SSI except for an eligibility requirement used in that program that is specifically prohibited under Title XIX of the Act.

b. Persons who would be eligible for SSI or state supplementary assistance but for social security cost-of-living increases received. Medicaid will be available to all current social security recipients who meet the following conditions:

(1) They were entitled to and received concurrently in any month after April 1977 SSI and social security or state supplementary assistance and social security,

(2) They subsequently lost eligibility for SSI or state supplementary assistance, and

(3) They would be eligible for SSI or state supplementary assistance if all of the social security cost-of-living increases that they and their financially responsible spouses, parents, and dependent children received since they were last eligible for and received social security and SSI (or state supplementary assistance) concurrently were deducted from their income. Spouses, parents, and dependent children are considered financially responsible if their income would be considered in determining the applicant's eligibility.

c. Persons who would be eligible for SSI or state supplementary assistance, except that they receive social security benefits from a parent's account based on disability. Medicaid will be available to persons who receive SSI or state supplementary assistance after their eighteenth birthday because of a disability or blindness that began before the age of 22 and who would continue to receive SSI or state supplementary assistance except that they become entitled to or receive an increase in social security benefits from a parent's account.

d. Persons ineligible due to October 1, 1972, social security increase. Medicaid will be available to persons and families whose assistance grants were canceled as a result of the increase in social security benefits October 1, 1972, as long as these persons and families would be eligible for an assistance grant if the increase were not considered.

e. Persons who would be eligible for SSI or state supplementary assistance but for increases in social security benefits because of elimination of the actuarial reduction formula and cost-of-living increases received. Medicaid will be available to all current social security recipients who meet all of the following conditions:

(1) They were eligible for a social security benefit in December of 1983.

(2) They were eligible for and received a widow's or widower's disability benefit and SSI or state supplementary assistance for January of 1984.

(3) They became ineligible for SSI or state supplementary assistance because of an increase in their widow's or widower's benefit that resulted from the elimination of the reduction factor in the first month in which the increase was paid and in which a retroactive payment of that increase for prior months was not made.

(4) They have been continuously eligible for a widow's or widower's benefit from the first month the increase was received.

(5) They would be eligible for SSI or state supplementary assistance benefits if the amount of the increase from elimination of the reduction factor and any subsequent cost-of-living adjustments were disregarded.

(6) They submitted an application prior to July 1, 1988.

f. Widows and widowers who are no longer eligible for SSI or state supplementary assistance because of the receipt of social security benefits. Medicaid will be available to widows and widowers who meet the following conditions:

(1) They have applied for and received or were considered recipients of SSI or state supplementary assistance.

(2) They apply for and receive Title II widow's or widower's insurance benefits or any other Title II old age or survivor's benefits, if eligible for widow's or widower's benefits.

(3) They were not entitled to Part A Medicare hospital insurance benefits at the time of application and receipt of Title II old age or survivor's benefits. They are not currently entitled to Part A Medicare hospital insurance benefits.

(4) They are no longer eligible for SSI or state supplementary assistance solely because of the receipt of their social security benefits.

g. Continued Medicaid for disabled children from August 22, 1996. Medicaid will be available to persons who were receiving SSI as of August 22, 1996, and who would continue to be eligible for SSI but for Section 211(a) of the Personal Responsibility and Work Opportunity Act of 1996 (Public Law 104-193) as amended to August 1, 2025, and 42 U.S.C. 1382c(a)(3).

75.6(3) *Certain persons essential to the welfare of Title XVI beneficiaries.* Medicaid will be available to the person living with and essential to the welfare of a Title XVI beneficiary, provided the essential person was eligible for Medicaid as of December 31, 1973. The person will continue to be eligible for Medicaid as long as the person continues to meet the definition of "essential person" in effect for the Old Age Assistance, Aid to the Blind, or Aid to the Permanently and Totally Disabled public assistance programs on December 31, 1973, and as determined by SSA.

75.6(4) *Persons residing in a medical institution.*

a. Persons who would be eligible for SSI or state supplementary assistance except for their institutional status. Medicaid will be available to persons receiving care in a medical institution who would be eligible for SSI or state supplementary assistance if they were not institutionalized.

b. Persons receiving care in a medical facility who would be eligible under a special income standard.

(1) Medicaid will be available to persons who:

1. Meet level of care requirements as set forth in rules 441—78.3(249A), 441—81.2(249A), 441—82.6(3) and 441—82.7(249A).

2. Receive care in a hospital, nursing facility, psychiatric medical institution, intermediate care facility for the intellectually disabled (ICF-ID), or Medicare-certified skilled nursing facility.

3. Have gross countable monthly income that does not exceed 300 percent of the federal SSI benefits for one.

4. Either meets all SSI eligibility requirements except for income or is under age 21 pursuant to subrule 75.3(14).

(2) For all persons in this coverage group, income will be considered as provided for non-MAGI-related coverage groups under rule 441—75.80(249A). In establishing eligibility for persons aged 21 or older for this coverage group, resources will be considered as provided for non-MAGI-related coverage groups.

(3) A person in this group will not be eligible until the person has been institutionalized for a period of 30 consecutive days, and eligibility will be effective no earlier than the first day of the month in which the 30-day period begins. A period of 30 days means beginning from 12 a.m. of the day of admission to the medical institution and ending no earlier than 12 midnight of the thirtieth day following the beginning of the period.

1. A person who enters a medical institution and who dies prior to completion of the 30-day period will be considered to meet the 30-day period provision.

2. Only one 30-day period is required to establish eligibility during a continuous stay in a medical institution. Discharge during a subsequent month, creating a partial month of care, does not affect eligibility for that partial month regardless of whether the eligibility determination was completed prior to discharge.

3. A temporary absence of not more than 14 full consecutive days during which the person remains under the jurisdiction of the institution does not interrupt the 30-day period. In order to remain under the jurisdiction of the institution, a person must first have been physically admitted to the institution.

75.6(5) *Medicare savings programs.* The purpose of the coverage groups within this subrule is to assist low-income persons with the payments of Medicare premiums, coinsurance, and deductibles. These groups are known as Medicare savings programs.

a. Qualified Medicare beneficiary (QMB) program.

(1) Medicaid will be available to persons who are entitled to hospital insurance under Part A of Medicare to cover the cost of the Medicare Part A and B premiums, coinsurance, and deductibles, providing the following conditions are met:

1. The person's monthly income does not exceed 100 percent of the FPL applicable to the family size.

2. The amount of income will be determined as under the SSI program.

3. The person's resources do not exceed three times the maximum resource level allowed under the SSI program, annually adjusted by increases in the consumer price index for inflation as defined in Section 1905(p)(1)(C) of the Act.

(2) The amount of resources will be determined as under the SSI program unless the person lives and is expected to live at least 30 consecutive days in a medical institution and has a spouse at home, in which case the resource determination will be made according to subrules 75.82(3) and 75.82(4).

(3) Income will not include any amount of social security income attributable to the cost-of-living increase beginning January 1 until the annual revision of the FPL on April 1.

(4) The effective date of eligibility is the first of the month after the month of decision.

(5) Pursuant to 42 CFR 435.909(b), SSI recipients are automatically enrolled in the QMB group.

b. Qualified disabled and working persons. Medicaid will be available to cover the cost of the premium for Part A of Medicare (hospital insurance benefits) for qualified disabled and working persons.

(1) Qualified disabled and working persons are persons who meet the following requirements:

1. The person's monthly income does not exceed 200 percent of the applicable FPL for the family size.

2. The person's resources do not exceed twice the maximum amount allowed under the SSI program.

3. The person is not eligible for any other Medicaid benefits.

4. The person is entitled to enroll in Medicare Part A of Title XVIII under Section 1818A of the Act (as added by Section 6012 of the Omnibus Budget Reconciliation Act (OBRA) 1989).

(2) The amount of the person's income and resources will be determined as under the SSI program.

c. Specified low-income Medicare beneficiaries.

(1) Medicaid will be available to persons who are entitled to hospital insurance under Part A of Medicare to cover the cost of the Medicare Part B premium, provided the following conditions are met:

1. The person's monthly income exceeds 100 percent of the FPL but is less than 120 percent of the FPL applicable to a family of the size involved.

2. The person's resources do not exceed three times the maximum resource level allowed under the SSI program, annually adjusted by increases in the consumer price index for inflation as defined in section 1905(p)(1)(C) of the Act.

(2) The amount of income and resources will be determined as under the SSI program unless the person lives and is expected to live at least 30 consecutive days in a medical institution and has a spouse at home, in which case the resource determination will be made according to subrules 75.82(3) and 75.82(4).

(3) Income will not include any amount of social security income attributable to the cost-of-living increase beginning January 1 until the annual revision of the FPL on April 1.

(4) The effective date of eligibility will be as set forth in 441—subrule 76.13(1).

d. Expanded specified low-income Medicare beneficiaries.

(1) Medicaid benefits to cover the cost of the Medicare Part B premium will be available to persons who are entitled to Medicare Part A provided the following conditions are met:

1. The person is not otherwise eligible for Medicaid.

2. The person's monthly income is at least 120 percent of the FPL but is less than 135 percent of the FPL applicable to a family of the size involved.

3. The person's resources do not exceed three times the maximum resource level allowed under the SSI program, annually adjusted by increases in the consumer price index for inflation as defined in Section 1905(p)(1)(C) of the Act.

(2) The amount of the income and resources will be determined the same as under the SSI program unless the person lives and is expected to live at least 30 consecutive days in a medical institution and has a spouse at home, in which case the resource determination will be made according to subrules 75.82(3) and 75.82(4).

(3) Income will not include any amount of social security income attributable to the cost-of-living increase beginning January 1 until the annual revision of the FPL on April 1.

(4) The effective date of eligibility will be as set forth in 441—subrule 76.13(1).

75.6(6) *Medicaid for employed people with disabilities (MEPD).*

a. Medicaid will be available to persons who meet all of the following conditions:

(1) They are disabled as determined pursuant to rule 441—75.81(249A), except that being engaged in substantial gainful activity will not preclude a determination of disability.

(2) They are less than 65 years of age.

(3) They are members of families (including families of one) whose income is less than 250 percent of the FPL for the family. Family income will include gross income of all family members, less SSI program disregards, exemptions, and exclusions, including the earned income disregards. The social security cost-of-living increase will be excluded in the current calendar year for January until April.

(4) They receive earned income from employment or self-employment or are eligible pursuant to paragraph 75.6(6)*"c."*

(5) They would be eligible for Medicaid under another coverage group set out in this rule (other than the medically needy coverage groups in rule 441—75.8(249A)), disregarding all income, up to $10,000 of available resources for an individual and $21,000 for a couple, and any additional resources held by the disabled individual in a retirement account, a medical savings account, or an assistive technology account.

(6) They have paid any premium assessed pursuant to paragraph 75.6(6)*"b."*

b. Persons whose gross income is greater than 150 percent of the FPL.

(1) For a person whose gross income exceeds 150 percent of the FPL for an individual, eligibility is conditional upon payment of a premium. Gross income includes all earned and unearned income of the conditionally eligible person, except that income attributable to a social security cost-of-living adjustment will be included only in determining premium liability based on a subsequently published FPL. A monthly premium will be assessed at the time of application and at the annual review. The premium amounts and the FPL increments above 150 percent of the FPL used to assess premiums will be adjusted annually on August 1.

(2) Beginning with the month of application, the monthly premium amount will be established based on projected average monthly income. The monthly premium established will not be increased for any reason before the next eligibility review. The premium will not be reduced due to a change in the FPL but may be reduced or eliminated prospectively before the next eligibility review if a reduction in projected average monthly income is verified.

(3) Eligible persons are required to complete and return forms specified by the department with income information during the twelfth month of the annual enrollment period to determine the premium to be assessed for the next 12-month enrollment period.

(4) Premiums will be assessed as follows:

IF THE INCOME OF THE APPLICANT IS ABOVE:	THE MONTHLY PREMIUM IS:
150% of Federal Poverty Level	$44
165% of Federal Poverty Level	$60
180% of Federal Poverty Level	$72
200% of Federal Poverty Level	$84
225% of Federal Poverty Level	$99

IF THE INCOME OF THE APPLICANT IS ABOVE:	THE MONTHLY PREMIUM IS:
250% of Federal Poverty Level	$115
300% of Federal Poverty Level	$144
350% of Federal Poverty Level	$175
400% of Federal Poverty Level	$206
450% of Federal Poverty Level	$238
550% of Federal Poverty Level	$296
650% of Federal Poverty Level	$358
750% of Federal Poverty Level	$421
850% of Federal Poverty Level	$497
1000% of Federal Poverty Level	$597
1150% of Federal Poverty Level	$699
1300% of Federal Poverty Level	$806
1480% of Federal Poverty Level	$931

(5) Eligibility is contingent upon the payment of any assessed premiums. Medicaid eligibility will not be made effective for a month until the premium assessed for the month is paid. The premium must be paid within three months of the month of coverage or of the month of initial billing, whichever is later, for the person to be eligible for the month.

(6) When the department notifies the applicant of the amount of the premiums, the applicant shall pay any premiums due as follows:

1. The premium for each month is due the fourteenth day of the month the premium is to cover.

EXCEPTIONS: The premium for the month of initial billing is due the fourteenth day of the following month; premiums for any months prior to the month of initial billing are due on the fourteenth day of the third month following the month of billing.

2. If the fourteenth day falls on a weekend or a state holiday, payment is due the first working day following the holiday or weekend.

3. When any premium payment due in the month it is to cover is not received by the due date, Medicaid eligibility will be canceled.

(7) Payments received will be applied in the following order:

1. To the month in which the payment is received if the premium for the current calendar month is unpaid.

2. To the following month when the payment is received after a billing statement has been issued for the following month.

3. To prior months when a full payment has not been received. Payments will be applied beginning with the most recent unpaid month before the current calendar month, then the oldest unpaid prior month and forward until all prior months have been paid.

4. When premiums for all months above have been paid, any excess will be held and applied to any months for which eligibility is subsequently established, as specified in numbered paragraphs 75.6(6)*"b"* (7)"1," "2," and "3" above, and then to future months when a premium becomes due.

5. Any excess on an inactive account will be refunded to the client after two calendar months of inactivity, or no longer being assessed a monthly premium, or upon request from the client.

(8) An individual's case may be reopened when Medicaid eligibility is canceled for nonpayment of premium. However, the full premium must be received by the department on or before the last day of the month following the month the premium is to cover.

(9) Premiums may be submitted in the form of money orders or personal checks to the address printed on the coupon attached to the MEPD billing statement.

(10) Once an individual is canceled from Medicaid due to nonpayment of premiums, the individual must reapply to establish Medicaid eligibility unless the reopening provisions of this subrule apply.

(11) When a premium due in the month it is to cover is not received by the due date, a notice of decision will be issued to cancel Medicaid. The notice will be provided in accordance with 441—Chapter 16 and will include reopening provisions that apply if payment is received, as well as appeal rights under 441—Chapter 2506.

(12) A form specified by the department will be used for billing and collection.

c. Members in this coverage group who become unable to work due to a change in their medical condition or who lose employment will remain eligible for a period of six months from the month of the change in their medical condition or loss of employment as long as they intend to return to work and continue to meet all other eligibility criteria under this subrule. Members shall submit a form prescribed by the department to report on the end of their employment and their intent to return to employment.

d. For purposes of this subrule, the following definitions apply:

"Assistive technology" is the systematic application of technologies, engineering, methodologies, or scientific principles to meet the needs of and address the barriers confronted by individuals with disabilities in areas that include education, rehabilitation, technology devices, and assistive technology services.

"Assistive technology accounts" include funds in contracts, savings, trust or other financial accounts, financial instruments or other arrangements with a definite cash value set aside and designated for the purchase, lease or acquisition of assistive technology, assistive technology devices, or assistive technology services. Assistive technology accounts must be held separate from other accounts, and funds and must be used to purchase, lease or otherwise acquire assistive technology, assistive technology services, or assistive technology devices for the working person with a disability when a physician, certified vocational rehabilitation counselor, licensed physical therapist, licensed speech therapist, or licensed occupational therapist has established the medical necessity of the device, technology, or service and determined the technology, device, or service can reasonably be expected to enhance the individual's employment.

"Assistive technology device" is any item, piece of equipment, product system, or component part, whether acquired commercially, modified, or customized, that is used to increase, maintain, or improve functional capabilities or address or eliminate architectural, communication, or other barriers confronted by persons with disabilities.

"Assistive technology service" means any service that directly assists an individual with a disability in the selection, acquisition, or use of an assistive technology device or other assistive technology. It includes but is not limited to services referred to or described in the Assistive Technology Act of 1998, 29 U.S.C. §3002(4).

"Family," if the individual is under the age of 18 and unmarried, includes parents living with the individual, unmarried siblings under the age of 18 and living with the individual, and children of the individual who live with the individual. If the individual is 18 years of age or older, or married, "family" includes the individual's spouse living with the individual and any children living with the individual who are under the age of 18 and unmarried. No other persons will be considered members of an individual's family. An individual living alone or with others not listed above will be considered to be a family of one.

"Medical savings account" means an account exempt from federal income taxation pursuant to Section 220 of the United States Internal Revenue Code (26 U.S.C. §220).

"Retirement account" means any retirement or pension fund or account, listed in Iowa Code section 627.6(8)*"f"* as exempt from execution, regardless of the amount of contribution, the interest generated, or the total amount in the fund or account.

75.6(7) *Medicaid for kids with special needs (MKSN).* Medicaid will be available to children who meet all of the following conditions on or after January 1, 2009:

a. The child is under 19 years of age.

b. The child is disabled as determined pursuant to rule 441—75.81(249A) based on the disability standards for children used for SSI benefits under Title XVI of the Act but without regard to any income or asset eligibility requirements of the SSI program.

c. The child is enrolled in any group health plan available through the employer of a parent living in the same household as the child if the employer contributes at least 50 percent of the total cost of annual premiums for that coverage. The parent shall enroll the child and pay any employee premium required to maintain coverage for the child.

d. The child's household has income at or below 300 percent of the FPL applicable to a family of that size.

(1) For this purpose, the child's household includes any of the following persons who are living with the child and are not receiving Medicaid on another case:

1. The child's parents.
2. The child's unmarried siblings under the age of 19.
3. The child's spouse.
4. The child's children.
5. The children of the child's spouse.

(2) Only those persons identified in subparagraph 75.6(7)*"d"*(1) will be considered a member of the child's household. A person who receives medically needy coverage with a spenddown or limited benefits such as Medicare savings programs is not considered to be "receiving Medicaid" for the purposes of subparagraph *"d"*(1). A child who lives alone or with persons not identified in subparagraph *"d"*(1) will be considered as having a household of one.

(3) For this purpose, all unearned and earned income of the household, unless specifically exempted, disregarded, deducted for work expenses, or diverted, will be considered in determining initial and continuing eligibility.

75.6(8) *Persons eligible for waiver services.* Medicaid will be available to members eligible for waiver services as defined in 441—Chapter 83.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26; Editorial change: IAC Supplement 6/10/26; **ARC 0396D**, IAB 6/24/26, effective 8/1/26]

441—75.7(249A) Presumptive eligibility. Medicaid will be temporarily available to persons who are determined to be presumptively eligible for Medicaid pursuant to this subrule. Presumptive eligibility will be determined by a qualified entity (QE) and will be based solely on the applicant's attested circumstances as provided to the QE and entered by the QE directly online into the Medicaid Presumptive Eligibility Portal (MPEP) system. Verification cannot be requested or required for a presumptive eligibility determination.

75.7(1) *Application process.* Persons and families requesting assistance under this subrule shall apply with a QE using the methods described in 441—subrule 76.7(3). The requirements for filing date of application, effective date of coverage, signature on application, notice and appeal rights, and full Medicaid eligibility determinations described in 441—subrules 76.7(4) through 76.7(7) apply.

75.7(2) *Eligibility requirements applicable to all presumptive eligibility determinations except as stated otherwise within this rule.* The following eligibility requirements are applicable to all presumptive eligibility determinations, except as stated otherwise within this rule.

a. Household size. Household size will be determined using MAGI methodology as described in rule 441—75.72(249A).

b. Countable income. Countable income will be determined using MAGI methodology as described in rule 441—75.73(249A).

c. Citizenship or qualified noncitizen status. The person for whom assistance is requested must be a citizen of the United States or a qualified noncitizen as defined in 441—75.11(249A), except for a pregnant woman described in paragraph 75.7(3)*"c."*

d. Iowa residency. The person for whom assistance is requested must be a resident of Iowa as described in rule 441—75.10(249A).

e. Prior presumptive eligibility. A person will not be determined presumptively eligible more than once in a 12 calendar month period, except as allowed in paragraph 75.7(3)*"g."* The first month of the 12 calendar month period begins with the calendar month the application is received by the qualified entity.

75.7(3) *Categories of eligibility and specific requirements.* The following categories of persons are eligible for a presumptive determination. Persons applying for a presumptive determination must meet all specific requirements related to the category of coverage in addition to the requirements in subrule 75.7(2), except as stated otherwise within this subrule. For categories where age is an eligibility factor, the effect of reaching an age limit on the person's eligibility will be determined pursuant to rule 441—75.52(249A).

a. Presumptive eligibility for children. Presumptive eligibility is available to children who meet the following requirements:

(1) Age—the child must be under the age of 19 as described in rule 441—75.52(249A).

(2) Income limits—household income must not exceed:

1. The MAC program limit for infants and the applicable household size as specified in rule 441—75.74(249A) when the child is under the age of one; or

2. The hawki program limit for a household of the same size as specified in 441—subrule 86.2(2) when the child is aged 0 through 18.

b. Presumptive eligibility for parents and other caretakers. Presumptive eligibility will be available to a parent or other caretaker who meets the following requirements:

(1) Household income must not exceed the family medical assistance program income limits specified in rule 441—75.74(249A).

(2) The parent or caretaker lives with a dependent child as described in subrule 75.50(2) and has primary responsibility for the child's care as described in subrule 75.51(2).

c. Presumptive eligibility for pregnant women. Presumptive eligibility for ambulatory prenatal care is available to a woman who is pregnant and who also meets the following requirements:

(1) Household income must not exceed the MAC program limit for pregnant women specified at rule 441—75.74(249A) for the applicable household size.

(2) A pregnant woman will not be required to meet the citizen or noncitizen requirements of rule 441—75.11(249A).

d. Presumptive eligibility for IHAWP. Presumptive eligibility for IHAWP is available to a person who meets the following requirements:

(1) The non-financial eligibility requirements described in rule 441—74.2(249A,249N).

(2) Household income not exceeding 133 percent of the FPL based on the size of the household pursuant to rule 441—74.4(249A,249N).

e. Presumptive eligibility for former foster care youth. Presumptive eligibility will be available to a person who is under the age of 26, was formerly in foster care, and meets the requirements described in subrule 75.3(12).

f. Presumptive eligibility for persons who have been screened and found to need treatment for breast or cervical cancer. Presumptive eligibility is available to a person who has been screened and found to need treatment for either breast or cervical cancer, subject to the following:

(1) The person must be determined to meet the eligibility requirements described in subrule 75.4(1).

(2) The person will not be required to meet the eligibility requirements described in paragraph 75.7(2) *"a," "b,"* or *"c."*

g. Presumptive eligibility more than once in a 12 calendar month period. A person will be determined presumptively eligible only once in a 12 calendar month period beginning with the calendar month the application is received by the qualified entity, except as follows:

(1) A new period of presumptive eligibility will begin each time a person is screened as described in subparagraph 75.4(1)*"a"* and determined to need treatment for a new occurrence of breast or cervical cancer.

(2) A pregnant woman may be determined presumptively eligible for Medicaid once per pregnancy but no more than once per pregnancy.

75.7(4) *Presumptive eligibility period.* Presumptive eligibility is effective on the date that a qualified entity completes the presumptive eligibility determination pursuant to 441—subrule 76.7(5) and ends as described in the paragraphs below.

a. For persons determined presumptively eligible under paragraphs 75.7(3)*"b"* through *"f,"* presumptive eligibility will continue until:

(1) In the case of a person on whose behalf a Medicaid application has not been filed, the last day of the calendar month following the month of the presumptive eligibility determination; or

(2) In the case of a person on whose behalf a Medicaid application has been filed, the day on which a decision is made on that application. Withdrawal of a Medicaid application before a decision is made will not affect the person's eligibility during the presumptive period.

b. For children determined presumptively eligible under paragraph 75.7(3)*"a,"* presumptive eligibility will continue until:

(1) In the case of a child on whose behalf a Medicaid application has not been filed, the last day of the calendar month following the month of the presumptive eligibility determination; or

(2) In the case of a child on whose behalf a Medicaid (including hawki) application has been filed, the day the child is determined eligible for Medicaid, the last day of the month before the child is determined eligible for hawki, or the day the child is determined ineligible for both Medicaid and hawki. Withdrawal of a Medicaid (including hawki) application before a decision is made will not affect the child's eligibility during the presumptive period.

75.7(5) *Services covered.*

a. Persons determined presumptively eligible under paragraphs 75.7(3)*"a," "b," "e,"* and *"f"* will be entitled to all Medicaid-covered services, including early and periodic screening, diagnosis, and treatment (EPSDT) services for children. Payment of claims for Medicaid services provided during the presumptive period is not dependent upon the department's determination of Medicaid or hawki eligibility.

b. Covered services for pregnant women determined presumptively eligible under paragraph 75.7(3)*"c"* will be limited to ambulatory prenatal care services during the presumptive period. Payment of claims for ambulatory prenatal care services is not dependent upon a determination of Medicaid eligibility by the department. "Ambulatory prenatal care" means all Medicaid-covered services, except inpatient hospital or institutional care and charges associated with delivery of the baby (including miscarriage or termination of a pregnancy).

c. Persons determined presumptively eligible under paragraph 75.7(3)*"d"* will be limited to all services offered under IHAWP pursuant to 441—Chapter 74. Payment of claims for services offered under IHAWP and provided during the presumptive eligibility period is not dependent upon the department's determination of IHAWP eligibility.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.8(249A) Medically needy persons.

75.8(1) *Medically needy definitions.* For purposes of this rule, the following definitions apply:

"Break in assistance" for medically needy means the lapse of more than three months from the end of the medically needy certification period to the beginning of the next current certification period.

"Certification period" for medically needy means the period of time not to exceed two consecutive months in which a person is conditionally eligible.

"Client" for medically needy means all of the following:

1. A medically needy applicant;
2. A medically needy member;
3. A person who is conditionally eligible for Medicaid under the medically needy coverage group; and
4. A person whose income or assets are considered in determining eligibility for an applicant or member.

"Conditionally eligible" means that a person has completed the application process and has been assigned a medically needy certification period and spenddown amount but has not met the spenddown amount for the certification period.

"Family-related medically needy" means those persons who would be eligible for a family-related coverage group pursuant to rule 441—75.3(249A) except for excess income.

"FMAP-related medically needy" means those persons who would be eligible for FMAP pursuant to subrule 75.3(1) except for excess income.

"Incurred medical expenses" for the medically needy program means:

1. Medical bills paid by a client, responsible relative, or state or political subdivision program other than Medicaid during the retroactive certification period or certification period, or
2. Unpaid medical expenses for which the client or responsible relative remains obligated.

"Member" for the medically needy program means a medically needy person who has income at or less than the medically needy income level (MNIL) or who has reduced countable income to the MNIL during the certification period through spenddown.

"Necessary medical and remedial services" for the medically needy program means medical services recognized by law that are currently covered under the Medicaid program.

"Needy specified relative" means a nonparental specified relative, as defined for the family investment program (FIP) in rule 441—40.21(239B), who meets all of the eligibility requirements of the FMAP coverage group pursuant to subrule 75.3(1).

"Noncovered Medicaid services" for the medically needy program means medical services that are not covered under Medicaid because the provider was not enrolled in Medicaid, the services are ones that are otherwise not covered under Medicaid, the bill is for a responsible relative who is not included in the Medically needy eligibility determination pursuant to subrule 75.8(3) or the bill is for services delivered before the start of a certification period.

"Obligated medical expense" for the medically needy program means a medical expense for which the client or responsible relative continues to be legally liable.

"Ongoing eligibility" for the medically needy program means that eligibility continues for an SSI-related, family-related, or FMAP-related medically needy person with a zero spenddown.

"Recertification" in the medically needy coverage group means establishing a new certification period when the previous period has expired and there has not been a break in assistance.

"Responsible relative" for medically needy means a spouse, parent, or stepparent of the applicant or member who lives with the applicant or member.

"Retroactive certification period" for the medically needy program means one, two, or three calendar months prior to the date of application. When applicable pursuant to 441—subrule 76.13(3), the retroactive certification period begins with the first day of the first month within the three-month period that Medicaid-covered services were received and continues to the end of the month immediately prior to the month of application.

"Retroactive period" means the three calendar months immediately preceding the month in which an application is filed and applies when applicable pursuant to 441—subrule 76.13(3).

"Spenddown" means the process by which a medically needy person obligates excess income for allowable medical expenses to reduce income to the appropriate MNIL.

"SSI-related medically needy" means those persons whose eligibility is determined using regulations governing the supplemental security income (SSI) program except for income or resources.

75.8(2) *Coverage groups.* Medically needy will be available to the following persons who meet the general conditions of eligibility described in this chapter:

a. Pregnant women. Pregnant women who would be eligible for a family-related coverage group pursuant to rule 441—75.3(249A) except for excess income. For family-related programs, pregnant women will have the unborn child or children counted in the household size as if the child or children were born and living with them pursuant to subrule 75.72(5).

b. FMAP-related persons under 19. Persons under the age of 19 who would be eligible for a family-related coverage group pursuant to rule 441—75.3(249A) except for excess income.

c. SSI-related persons. Persons who would be eligible for SSI except for excess income or resources.

d. FMAP-related parents and caretakers. Parents and caretakers who:

(1) Meet the requirements of rule 441—75.51(249A) and whose income exceeds the limits for FMAP; and

(2) Live with a dependent child who meets the requirements of rule 441—75.50(249A).

75.8(3) *Family-related eligible group.*

a. The eligible group consists of all eligible people specified below and living together, except when one or more of these people receive SSI under Title XVI of the Act. There will be at least one eligible parent or needy specified relative and at least one dependent child in the eligible group, except when the only eligible child is receiving SSI. The parent or needy specified relative may be the only FMAP-related eligible group member receiving Medicaid if:

(1) The only dependent child receives SSI, or

(2) The dependent child is ineligible for Medicaid, or

(3) The parent or needy specific relative voluntarily chooses to exclude the dependent child or children in order to receive coverage for the parent or needy relative.

b. The following persons will be included (except as otherwise provided in these rules) without regard to the person's employment status, income, or resources:

(1) All dependent children who are siblings of whole or half blood or adoptive.

(2) Any parent of such children if the parent is living in the same home as the dependent children.

c. The following persons may be included:

(1) The needy specified relative who assumes the role of parent.

(2) The needy specified relative who acts as payee when the parent is in the home but is unable to act as payee.

(3) An incapacitated stepparent, upon request, when the stepparent is the legal spouse of the parent and the incapacitated stepparent does not have a child in the eligible group.

1. A stepparent is considered incapacitated when a clearly identifiable physical or mental defect has a demonstrable effect upon earning capacity or the performance of the homemaking duties required to maintain a home for the stepchild. The incapacity shall be expected to last for a period of at least 30 days from the date of application.

2. The determination of incapacity shall be supported by medical or psychological evidence. The evidence may be obtained from either an independent licensed physician or psychologist or the state rehabilitation agency. The evidence may be submitted either by letter from the physician or on a form specified by the department. When an examination is required and other resources are not available to meet the expense of the examination, the physician will be authorized to make the examination and submit the claim for payment on a form specified by the department. A finding of eligibility for social security benefits or SSI benefits based on disability or blindness is acceptable proof of incapacity.

75.8(4) *Resources and income of all persons considered.*

a. Resources of all parents and other caretakers and of all potentially eligible individuals living together, except as specified at paragraph 75.8(4)*"b"* or those excluded in accordance with the provisions of paragraph 75.8(4)*"d,"* will be considered in determining eligibility of adults. Resources of all parents and other caretakers and of all potentially eligible individuals living together will be disregarded in determining eligibility of children. Income of all parents and other caretakers and of all potentially eligible individuals living together, except as specified in paragraph 75.8(4)*"b"* or those excluded in accordance with the provisions of paragraph 75.8(4)*"d,"* will be considered in determining eligibility.

b. The amount of income of the responsible relative that has been counted as available to a family-related household other than the medically needy applicant or member household or SSI individual will not be considered in determining the countable income for the medically needy applicant or member household.

c. The resource determination will be according to subrules 75.82(3) and 75.82(4) when one spouse is expected to reside at least 30 consecutive days in a medical institution.

d. Certain persons may be voluntarily excluded from the family-related medically needy eligibility determination as follows:

(1) Exclusions from the eligibility determination. In determining eligibility under the family-related medically needy coverage groups described in paragraphs 75.8(2)*"a," "b,"* and *"d,"* the following persons may be excluded from consideration when determining medically needy eligibility of other household members:

1. Siblings (of whole or half blood, or adoptive) of eligible children.
2. Self-supporting parents of minor unmarried parents.
3. Stepparents of eligible children.
4. Children living with a parent or caretaker.

(2) Needs, income, and resource exclusions. The needs, income, and resources of persons who are voluntarily excluded will also be excluded. If a self-supporting parent of a minor unmarried parent is voluntarily excluded, then the minor unmarried parent will not be counted in the household size when determining eligibility for the minor unmarried parent's child. However, the income and resources of the minor unmarried parent will be used in determining eligibility for the unmarried minor parent's child. If a stepparent is voluntarily excluded, the legally recognized natural or adoptive parent will not be counted in the household size when determining eligibility for the natural or adoptive parent's children. However, the

income and resources of the natural or adoptive parent will be used in determining eligibility for the natural or adoptive parent's children.

(3) Medicaid entitlement. Persons whose needs are voluntarily excluded from the eligibility determination will not be entitled to Medicaid under this or any other coverage group.

(4) Situations where a parent's needs are excluded. In situations where the parent's needs are excluded but the parent's income and resources are considered in the eligibility determination (e.g., minor unmarried parent living with self-supporting parents), the excluded parent will be allowed the earned income deduction, child care expenses, and work incentive disregard as provided at paragraph 75.8(6)*"a."*

(5) Situations where a child's needs, income, and resources are excluded. In situations where the child's needs, income, and resources are excluded from the eligibility determination pursuant to subparagraph 75.8(4)*"d"*(2), and the child's income is not sufficient to meet the child's needs, the parent will be allowed to divert income to meet the unmet needs of the excluded child. The maximum amount to be diverted will be the difference between the schedule of basic needs of all potentially eligible individuals living together with the child included and the schedule of basic needs with the child excluded, in accordance with the FIP provisions in 441—subrule 41.28(2), minus any countable income of the child.

75.8(5) *Resources.*

a. The resource limit for adults in SSI-related households will be $10,000 per household.

b. Disposal of resources for less than fair market value by SSI-related applicants or members is governed by rule 441—75.23(249A).

c. The resource limit for family-related adults will be $10,000 per household. In establishing eligibility for children for this coverage group, resources of all persons in the medically needy household, regardless of age, will be disregarded. In establishing eligibility for adults for this coverage group, resources will be considered according to rule 441—41.26(239B).

d. The resources of SSI-related persons will be treated according to SSI policies.

e. When a resource is jointly owned by SSI-related persons and family-related persons, the resource will be treated according to SSI policies for the SSI-related person and according to the policies described in paragraph 75.8(5)*"c"* for the family-related persons.

75.8(6) *Income.* All unearned and earned income, unless specifically exempted, disregarded, deducted for work expenses, or diverted, will be considered in determining initial and continuing eligibility.

a. Income policies for family-related medically needy coverage groups. MAGI income and household size policies do not apply to the family-related medically needy coverage groups described in subrule 75.8(2). When determining eligibility for a family-related medically needy coverage group described in subrule 75.8(2), the department will determine countable income as described in the following subparagraphs.

(1) Earned income. "Earned income" means income in the form of a salary, wages, tips, bonuses, commission earned as an employee, income from Job Corps, or profit from self-employment. Earned income from commissions, wages, tips, bonuses, Job Corps, or salary means the total gross amount irrespective of the expenses of employment.

(2) Earned income deductions. Deductions from earned income will be made as follows:

1. Each person in the household whose gross nonexempt earned income is considered in determining eligibility is entitled to one 20 percent earned income deduction from the monthly gross earnings. The deduction is intended to include work-related expenses other than child care such as taxes, transportation, meals, and uniforms.

2. Each person in the household is entitled to a deduction for child or incapacitated adult care expenses for employment-related hours subject to the following limitations:

- The going rate in the community up to $175 per month for each child aged two or older or each incapacitated adult.
- The going rate in the community up to $200 per month for each child under the age of two.
- No deduction is allowed for any portion of the cost of care that is paid for by a third party such as but not limited to the child care assistance program.
- Stepparents and self-supporting parents on minor parent cases will be allowed incapacitated adult care or child care expenses for the ineligible dependents of the stepparent or self-supporting parent.

- No deduction is allowed when both parents are in the home and one parent is not employed during the hours that care is needed if the parent at home during those hours is physically and mentally able to provide the care.
- A deduction is allowable only when the care covers the actual employment hours plus a reasonable period of time for commuting, or the period of time when the person who would normally care for the child or incapacitated adult is employed at such hours that the person is required to sleep during the waking hours of the child or incapacitated adult, excluding any hours a child is in school.
- Any special needs of a physically or mentally handicapped child or adult will be taken into consideration in determining the deduction allowed.
- If the amount claimed is questionable, the expense shall be verified by a receipt or a statement from the provider of care. The expense will be allowed when paid to any person except a parent or legal guardian of the child or another member of the household.

(3) With respect to self-employment, a person is considered to be self-employed if the requirements of FIP in 441—subrule 41.27(2) are met. Income will be considered earned income when it is produced as a result of the performance of services by an individual.

1. Earned income means the net profit from self-employment, defined as gross income less the allowable costs of producing the income as allowed for FIP pursuant to 441—subrule 41.27(2) for a non-home based enterprise.

2. In determining net profit for a self-employed enterprise in the home other than providing room and board, renting apartments or providing child care services, the costs allowed for FIP pursuant to 441—subrule 41.27(2) will be allowed except deductions are limited to 10 percent of the total gross income to cover the costs of upkeep for the home.

(4) When the client is renting out apartments in the client's home, the following will be deducted from the gross rentals received to determine the profit:

1. Shelter expense in excess of that set forth on the chart of basic needs components for FIP in 441—subrule 41.28(2).

2. That portion of expense for utilities furnished to tenants that exceeds the amount set forth on the chart of basic needs components for FIP in 441—subrule 41.28(2).

3. Ten percent of gross rentals to cover the cost of upkeep.

(5) In determining profit from furnishing board, room, operating a family life home, or providing nursing care, the following amounts will be deducted from the payments received:

1. $41 plus an amount equivalent to the monthly maximum Supplemental Nutrition Assistance Program benefit for a one-member household for a boarder and roomer or an individual in the home to receive nursing care, or $41 for a roomer, or an amount equivalent to the monthly maximum food assistance program benefit for a one-member household for a boarder.

2. Ten percent of the total payment to cover the cost of upkeep for individuals receiving a room or nursing care.

(6) Gross income from providing child care in the applicant's or member's own home will include the total payments received for the service and any payment received due to the Child Nutrition Amendments of 1978 as amended to August 1, 2025, for the cost of providing meals to children.

1. In determining profit from providing child care services in the applicant's or member's own home, 40 percent of the total gross income received will be deducted to cover the costs of producing the income unless the applicant or member requests to have actual expenses in excess of the 40 percent considered.

2. When the applicant or member requests to have expenses in excess of the 40 percent considered, profit will be determined in the same manner as specified at numbered paragraph 75.8(6)*"a"*(3)"2."

(7) Unearned income. Unearned income is any income in cash that is not gained by labor or service. When taxes are withheld from unearned income, the amount considered will be the net income after the withholding of taxes (Federal Insurance Contributions Act as amended to August 1, 2025, state and federal income taxes). Net unearned income will be determined by deducting reasonable income-producing costs from the gross unearned income. Money left after this deduction will be considered gross income available to meet the needs of the eligible group.

1. Social security income is the amount of the entitlement before withholding of a Medicare premium.

2. When the client sells property on contract, proceeds from the sale will be considered exempt as income. The portion of any payment that represents principal is considered a resource upon receipt as defined for FIP in 441—subrule 41.26(4). The interest portion of the payment is considered a resource the month following the month of receipt.

3. Support payments in cash will be considered as unearned income in determining initial and continuing eligibility.

- Any nonexempt cash support payment for a member of the eligible group made while the application is pending will be treated as unearned income.
- Support payments will be considered as unearned income in the month in which the IV-A agency (the department's income maintenance area) is notified of the payment by the IV-D agency (child support services). The amount of income to consider will be the actual amount paid or the monthly entitlement, whichever is less.
- Support payments reported by child support services during a past month for which eligibility is being determined will be used to determine eligibility for the month. Support payments anticipated to be received in future months will be used to determine eligibility for future months. When support payments terminate in the month of decision of a family-related application, both support payments already received and support payments anticipated to be received in the month of decision will be used to determine eligibility for that month.

(8) Income will be diverted to meet the unmet needs of ineligible children and to permit payment of court-ordered support to children not living with the parent as allowed for FIP pursuant to 441—subrule 41.27(4).

(9) The following FIP policies also apply to determining income eligibility for family-related medically needy: 441—subrules 41.27(3), 41.27(5), 41.27(6), 41.27(7), and 41.27(8) and 441—paragraphs 41.27(9)*"c," "g," "h,"* and *"i."*

b. Income policies as specified in federal SSI regulations regarding treatment of earned and unearned income are applied to SSI-related persons when determining initial and continuing eligibility.

c. The monthly income will be determined prospectively unless actual income is available.

d. The income for the certification period will be determined by adding both months' net income together to arrive at a total.

e. The income for the retroactive certification period when applicable pursuant to 441—subrule 76.13(3) will be determined by adding each month of the retroactive period to arrive at a total.

75.8(7) *Medically needy income level (MNIL).*

a. The MNIL is based on 133 1/3 percent of the schedule of basic needs, as provided for FIP in 441—subrule 41.28(2) with households of one treated as households of two, as follows:

Number of Persons	1	2	3	4	5	6	7	8	9	10
MNIL	$483	$483	$566	$666	$733	$816	$891	$975	$1058	$1158

Each additional person $116

b. When determining household size for the MNIL, all potentially eligibles and all individuals whose income is considered as specified in subrule 75.8(4) shall be included unless the person has been excluded according to the provisions of paragraph 75.8(4)*"d."*

c. The MNIL for the certification period will be determined by adding both months' MNIL to arrive at a total. The MNIL for the retroactive certification period when applicable pursuant to 441—subrule 76.13(3) will be determined by adding each month of the retroactive period to arrive at a total.

d. The total net countable income for the certification period will be compared to the total MNIL for the certification period based on family size as specified in paragraph 75.8(7)*"b."* If the total countable net income is equal to or less than the total MNIL, the medically needy individuals will be eligible for Medicaid. If the total countable net income exceeds the total MNIL, the medically needy individuals will

not be eligible for Medicaid unless incurred medical expenses equal or exceed the difference between the net income and the MNIL.

e. Effective date of approval. Eligibility during the certification period, or the retroactive certification period when applicable pursuant to 441—subrule 76.13(3), will be effective as of the first day of the first month of the certification period or the retroactive certification period when the MNIL is met.

75.8(8) *Verification of medical expenses to be used in spenddown calculation.* The applicant or member shall submit evidence of medical expenses that are for noncovered Medicaid services and for covered services incurred prior to the certification period to the department on a claim form, which shall be completed by the medical provider.

a. Verification of medical expenses for the applicant or member that are covered Medicaid services and occurred during the certification period shall be submitted by the provider to Iowa Medicaid on a claim form. The applicant or member shall inform the provider of the applicant's or member's spenddown obligation at the time services are rendered or at the time the applicant or member receives notification of a spenddown obligation. In cases where the provider is uncooperative or where returning to the provider would constitute an unreasonable requirement on the applicant or member, the worker will obtain the claim form from the provider.

b. Verification of allowable expenses incurred for transportation to receive medical care as specified in rule 441—78.13(249A) will be on forms specified by the department. Applicants who have not established that they met spenddown in the current certification period will be allowed 12 months following the end of the certification period to submit medical expenses for that period or 12 months following the date of the notice of decision when the certification period had ended prior to the notice of decision.

75.8(9) *Spenddown calculation.*

a. Medical expenses that are incurred during the certification period may be used to meet spenddown. Medical expenses incurred prior to a certification period will be used to meet spenddown if not already used to meet spenddown in a previous certification period and if all of the following requirements are met:

(1) The expenses remain unpaid as of the first day of the certification period.

(2) The expenses are not Medicaid-payable in a previous certification period or the retroactive certification period when applicable pursuant to 441—subrule 76.13(3).

(3) The expenses are not incurred during any prior certification period with the exception of the retroactive period, when applicable pursuant to 441—subrule 76.13(3), in which the person was conditionally eligible but did not meet spenddown.

(4) Notwithstanding subparagraphs 75.8(9)*"a"*(1) through *"a"*(3), paid medical expenses from the retroactive period can be used to meet spenddown in the retroactive period or in the certification period for the two months immediately following the retroactive period.

b. Spenddown will be adjusted under the following circumstances:

(1) When a bill for a Medicaid-covered service incurred during the certification period has been applied to meet spenddown if a bill for a covered service incurred prior to the certification period is subsequently received.

(2) When a bill for a noncovered Medicaid service is subsequently received with a service date prior to the Medicaid-covered service.

(3) When an unpaid bill for a Medicaid-covered service incurred during the certification period has been applied to meet spenddown if a paid bill for a covered service incurred in the certification period is subsequently received with a service date prior to the date of the notice of spenddown status.

c. Order of deduction. Incurred medical expenses, including those reimbursed by a state or political subdivision program other than Medicaid but excluding those otherwise subject to payment by a third party, will be deducted in the following order:

(1) Medicare and other health insurance premiums, deductibles, or coinsurance charges.

EXCEPTION: When some of the household members are eligible for full Medicaid benefits under the Health Insurance Premium Payment Program (HIPP), as provided in rule 441—75.21(249A), the health

insurance premium will not be allowed as a deduction to meet the spenddown obligation of household members in the medically needy coverage group.

(2) An average statewide monthly standard deduction for the cost of medically necessary personal care services provided in a licensed residential care facility will be allowed as a deduction for spenddown. These personal care services include assistance with activities of daily living such as preparation of a special diet, personal hygiene and bathing, dressing, ambulation, toilet use, transferring, eating, and managing medication. The average statewide monthly standard deduction for personal care services will be based on the average per day rate of health care costs associated with residential care facilities participating in the state supplementary assistance program for a 30.4-day month as computed by multiplying the previous year's average per day rate by the inflation factor increase during the preceding calendar year ending December 31 of the consumer price index for all urban Consumers as published by the United States Bureau of Labor Statistics.

(3) Medical expenses for necessary medical and remedial services that are recognized under state law but not covered by Medicaid, chronologically by date of submission.

(4) Medical expenses for acupuncture, chronologically by date of submission.

(5) Medical expenses for necessary medical and remedial services that are covered by Medicaid, chronologically by date of submission.

d. When spenddown has been met and a bill is received with a service date after spenddown has been met, the bill will not be deducted to meet spenddown.

e. When incurred medical expenses have reduced income to the applicable MNIL, the individuals will be eligible for Medicaid.

f. Medical expenses reimbursed by a public program other than Medicaid prior to the certification period will not be considered a medical deduction.

75.8(10) *Medicaid services.* Persons eligible for Medicaid as medically needy will be eligible for all services covered by Medicaid except:

a. Care in a nursing facility or an ICF-ID.

b. Care in an institution for mental disease.

c. Care in a Medicare-certified skilled nursing facility.

75.8(11) *Reviews.* Reviews of eligibility will be made for SSI-related and family-related medically needy members with a zero spenddown as often as circumstances indicate but in no instance will the period of time between reviews exceed 12 months. Family-related medically needy persons and SSI-related needy persons shall complete forms specified by the department as part of the review process when requested to do so by the department.

75.8(12) *Redetermination.* When an SSI-related or family-related member who has had ongoing eligibility because of a zero spenddown has income that exceeds the MNIL, a redetermination of eligibility will be completed to change the member's eligibility to a two-month certification with spenddown. This redetermination will be effective the month the income exceeds the MNIL or the first month following timely notice.

a. The department will determine eligibility for SSI-related medically needy when an SSI recipient has been determined to be ineligible for SSI due to excess income or resources in one or more of the months after the effective date of the SSI eligibility decision.

b. All eligibility factors will be reviewed on redeterminations of eligibility.

75.8(13) *Recertifications.* A new application must be submitted when the certification period has expired and there has been a break in assistance as defined at subrule 75.8(1). When the certification period has expired and there has not been a break in assistance, the family-related members and SSI-related members shall use forms specified by the department to be recertified.

75.8(14) *Disability determinations.* An applicant receiving social security disability benefits under Title II of the Act or railroad retirement benefits based on the Act's definition of disability by the Railroad Retirement Board will be deemed disabled without any further determination. In other cases under the medically needy program, the department will conduct an independent determination of disability unless the applicant has been denied SSI benefits based on lack of disability and the applicant does not allege

either (1) a disabling condition different from or in addition to that considered by the SSA or (2) that the applicant's condition has changed or deteriorated since the most recent SSA determination.

a. In conducting an independent determination of disability, the department will use the same criteria required by federal law to be used by the SSA in determining disability for purposes of SSI under Title XVI of the Act. The disability determination services division of Iowa workforce development will make the initial disability determination on behalf of the department.

b. For an independent determination of disability, the applicant or the applicant's authorized representative shall complete, sign, and submit forms as specified by the department.

c. In connection with any independent determination of disability, the department will determine whether reexamination of the person's medical condition will be necessary for periodic redeterminations of eligibility. When reexamination is required, the member or the member's authorized representative shall complete and submit the same forms specified by the department as required in paragraph 75.8(14)*"b."*

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.9(249A) Furnishing of social security number.

75.9(1) *Requirement.* As a condition of eligibility, except as provided by subrule 75.9(2), a Medicaid client must provide to the department all social security numbers issued to each individual (including children) for whom Medicaid is sought.

75.9(2) *Exceptions to requirement.* The requirement of subrule 75.9(1) does not apply to an individual who:

a. Is not eligible to receive a social security number;

b. Does not have a social security number and may only be issued a social security number for a valid nonwork reason in accordance with 20 CFR §422.104; or

c. Refuses to obtain a social security number because of a well-established religious objection. For this purpose, a well-established religious objection means that the individual:

(1) Is a member of a recognized religious sect or division of the sect; and

(2) Adheres to the tenets or teachings of the sect or division of the sect and for that reason is conscientiously opposed to applying for or using a national identification number.

75.9(3) *Cooperation in obtaining social security number.* If a social security number has not been issued or is not known, the individual seeking Medicaid must cooperate with the department in applying for a social security number with the SSA or in requesting the SSA to furnish the number.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.10(249A) Residency requirements. Residency in Iowa is a condition of eligibility for medical assistance.

75.10(1) *Definitions.* The following definitions apply for the purposes of this subrule:

a. Institution. "Institution" means an "institution" or a "medical institution" as those terms are defined in 42 CFR §435.1010. For purposes of state placement, "institution" also includes foster care homes licensed as set forth in 45 CFR §1355.20 and providing food, shelter and supportive services to one or more persons unrelated to the proprietor.

b. Incapable of expressing intent regarding residency. For purposes of this rule, an individual is considered to be "incapable of indicating intent regarding residency" if the individual:

(1) Has an IQ of 49 or less or has a mental age of seven or less;

(2) Has been judged legally incompetent; or

(3) Has been determined to be incapable of indicating intent regarding residency by a physician, psychologist or other person licensed by the state in the field of intellectual disability.

c. Iowa resident. An Iowa resident is one:

(1) Who is living in Iowa voluntarily with the intention of making that person's home there and not for a temporary purpose. A person is a resident of Iowa when living there on other than a temporary basis. Residence will not depend upon the reason for which the individual entered the state, except insofar as it may bear upon whether the individual is there voluntarily or for a temporary purpose; or

(2) Who, at the time of application, is living in Iowa, is not receiving assistance from another state, and entered Iowa with a job commitment or seeking employment in Iowa, whether or not currently employed.

75.10(2) *Determination of residency.* State residency is determined according to the following criteria. If more than one criterion applies, the applicable criterion listed first determines the individual's residency.

a. Individuals receiving Title IV-E payments. Individuals who are receiving federal foster care maintenance payments or have a guardianship assistance agreement or have an adoption assistance agreement under Title IV-E of the Act are considered to be residents of the state where the child lives.

b. Cases of disputed residency. If two or more states do not agree on an individual's state of residence, the state where the individual is physically located is the state of residence.

c. Temporary absence from state of residence. An individual who was a resident of a state pursuant to the other criteria of this rule, who is temporarily absent from that state, and who intends to return to that state when the purpose of the absence has been accomplished remains a resident of that state during the absence unless another state has determined that the person is a resident there for Medicaid purposes.

d. Individuals placed by a state in an out-of-state institution. If any agency of a state, including an entity recognized under state law as being under contract with the state for such purposes, arranges for an individual to be placed in an institution located in another state, the state arranging or actually making the placement is considered the individual's state of residence during that placement.

(1) Any action beyond providing information to the individual and the individual's family constitutes arranging or making a placement. However, the following actions do not constitute arranging or making a placement:

1. Providing basic information to individuals about another state's Medicaid program and information about the availability of health care services and providing facilities in another state.

2. Assisting an individual in locating an institution in another state, provided the individual is not incapable of indicating intent regarding residency and independently decides to move.

(2) When a competent individual leaves an out-of-state institution in which the individual was placed by a state, that individual's state of residence is the state where the individual is physically located.

e. Individuals receiving a state supplementary assistance payment. Individuals who are receiving a state supplementary assistance payment pursuant to 42 U.S.C. §1382e (including payments from Iowa pursuant to 441—Chapters 50 through 54 and Chapter 177) are considered to be residents of the state paying the supplementary assistance.

f. Individuals aged 21 and over who are residing in an institution and who are capable of indicating intent regarding residency. For an individual aged 21 or over who is residing in an institution and who is capable of indicating intent regarding residency, the state of residence is the state where the individual is living and intends to reside.

g. Individuals aged 21 and over who are residing in an institution and who became incapable of indicating intent regarding residency before the age of 21. For an individual aged 21 or over who is residing in an institution and who became incapable of indicating intent regarding residency before the age of 21, the state of residence is:

(1) That of the parent applying for Medicaid on the individual's behalf if the parents reside in separate states (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent);

(2) The parent's or legal guardian's state of residence at the time of placement (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent);

(3) The current state of residence of the parent or legal guardian who files the application if the individual is residing in an institution in that state (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent); or

(4) The state of residence of the individual or party who files an application if the individual has been abandoned by the individual's parent(s), does not have a legal guardian, and is residing in an institution in that state.

h. Individuals aged 21 and over who are residing in an institution and who became incapable of indicating intent regarding residency at or after the age of 21. For an individual aged 21 or over who is residing in an institution and who became incapable of indicating intent regarding residency at or after the age of 21, the state of residence is the state in which the individual is physically present.

i. Individuals aged 21 and over who are not residing in an institution and who are incapable of indicating intent regarding residency. For an individual aged 21 or over who is not residing in an institution and who is incapable of indicating intent regarding residency, the state of residence is the state where the individual is living.

j. Individuals aged 21 and over who are not residing in an institution and who are capable of indicating intent regarding residency. For an individual aged 21 or over who is not residing in an institution and who is capable of indicating intent regarding residency, the state of residence is the state where the individual is living and either:

(1) Intends to reside, with or without a fixed address; or

(2) Entered with a job commitment or to seek employment, whether or not currently employed.

k. Individuals under the age of 21 who are residing in an institution and who are not married or emancipated. For an individual under the age of 21 who is residing in an institution and who is neither married nor emancipated, the state of residence is:

(1) The parent's or legal guardian's state of residence at the time of placement (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent);

(2) The current state of residence of the parent or legal guardian who files the application if the individual is residing in an institution in that state (if a legal guardian has been appointed and parental rights are terminated, the state of residence of the guardian is used instead of that of the parent); or

(3) The state of residence of the individual or party who files an application if the individual has been abandoned by the individual's parent(s), does not have a legal guardian, and is residing in an institution in that state.

l. Individuals under the age of 21 who are capable of indicating intent regarding residency and who are married or emancipated. For an individual under the age of 21 who is capable of indicating intent regarding residency and who is married or emancipated from the individual's parent, the state of residence is determined in accordance with paragraph 75.10(2)*"j."*

m. Other individuals under the age of 21. For an individual under the age of 21 who is not described in paragraph 75.10(2)*"k"* or *"l,"* the state of residence is:

(1) The state where the individual resides, with or without a fixed address; or

(2) The state of residency of the parent or caretaker, determined in accordance with paragraph 75.10(2)*"j,"* with whom the individual resides.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.11(249A) Citizenship or alienage requirements.

75.11(1) *Definitions.* For purposes of this rule, the following definitions apply.

"Care and services necessary for the treatment of an emergency medical condition" means services provided in a hospital, clinic, office or other facility that is equipped to furnish the required care for an emergency medical condition, provided the care and services are not related to an organ transplant procedure furnished on or after August 10, 1993. Payment for emergency medical services will be limited to medical services that are required and directly related to the treatment of the emergency medical condition.

"Citizen" and *"citizenship"* includes both citizens of the United States and nationals of the United States as defined in 8 U.S.C. §1101(a)(22).

"Federal means-tested program" means all federal programs that are means-tested, with the exception of:

1. Medical assistance for care and services necessary for the treatment of an emergency medical condition not related to an organ transplant procedure furnished on or after August 10, 1993.

2. Short-term, non-cash, in-kind emergency disaster relief.

3. Assistance or benefits under the National School Lunch Act as amended to August 1, 2025.

4. Assistance or benefits under the Child Nutrition Act of 1966 as amended to August 1, 2025.

5. Public health assistance (not including any assistance under Title XIX of the Act) for immunizations with respect to immunizable diseases and for testing and treatment of symptoms of communicable diseases whether or not the symptoms are caused by a communicable disease.

6. Payments of foster care and adoption assistance under Parts B and E of Title IV of the Act for a parent or a child who would, in the absence of numbered paragraph "1," be eligible to have payments made on the child's behalf under such part but only if the foster or adoptive parent (or parents) of the child is a qualified alien as defined in Section 431 of the Act.

7. Programs, services, or assistance (such as soup kitchens, crisis counseling and intervention, and short-term shelter) specified by the attorney general of the United States in the attorney general's sole and unreviewable discretion after consultation with appropriate federal agencies and departments that:

- Deliver in-kind services at the community level, including through public or private nonprofit agencies;
- Do not condition the provision of assistance, the amount of assistance provided, or the cost of assistance provided on the individual recipient's income or resources; and
- Are necessary for the protection of life or safety.

8. Programs of student assistance under Titles IV, V, IX, and X of the Higher Education Act of 1965 as amended to August 1, 2025, and Titles III, VII, and VIII of the Public Health Services Act as amended to August 1, 2025.

9. Means-tested programs under the Elementary and Secondary Education Act of 1965 as amended to August 1, 2025.

10. Benefits under the Head Start Act, as amended to August 1, 2025.

11. Benefits funded through an employment and training program of the U.S. Department of Labor.

"INA" means the Immigration and Naturalization Act as amended to August 1, 2025, unless another effective date is specified.

"Noncitizen" means the same as "alien" as defined in 8 U.S.C. §1101(a)(3).

"Qualified noncitizen" means the same as "qualified alien" as defined in 8 U.S.C. §1641(b) and (c). A qualified noncitizen is:

1. Lawfully admitted for permanent residence in the United States under the INA;
2. Granted asylum in the United States under Section 208 of the INA;
3. A refugee admitted to the United States under Section 207 of the INA;
4. Paroled into the United States under Section 212(d)(5) of the INA for a period of at least one year;
5. An individual whose deportation from the United States is withheld under Section 243(h) of the INA as in effect before April 1, 1997, or under Section 241(b)(3) of the INA;
6. Granted conditional entry to the United States pursuant to Section 203(a)(7) of the INA as in effect before April 1, 1980;
7. An Amerasian admitted to the United States as described in 8 U.S.C. Section 1612(b)(2)(A)(i)(V);
8. A Cuban/Haitian entrant to the United States as described in Section 501(e) of the Refugee Education Assistance Act of 1980 (Public Law 96-422) as amended to August 1, 2025;
9. A battered noncitizen as described in 8 U.S.C. Section 1641(c);
10. Certified as a victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to August 1, 2025;
11. An American Indian born in Canada to whom Section 289 of the INA applies or is a member of a federally recognized Indian tribe as defined in 25 U.S.C. Section 450b(e) as amended to August 1, 2025;
12. Under the age of 21 and is lawfully residing in the United States as allowed by 42 U.S.C. Section 1396b(v)(4)(A)(ii); or
13. Lawfully residing in the United States in accordance with a Compact of Free Association with the Government of the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau as described in 8 U.S.C. Section 1612(b)(2)(G) as amended by Section 208 of Division CC of Public Law 116-260 and as amended to August 1, 2025.

"Qualifying quarters" includes all of the qualifying quarters of coverage as defined under Title II of the Act worked by a parent of a noncitizen while the noncitizen was under the age of 18 and all of the

qualifying quarters worked by a spouse of the noncitizen during their marriage if the noncitizen remains married to the spouse or the spouse is deceased. No qualifying quarter of coverage that is creditable under Title II of the Act for any period beginning after December 31, 1996, may be credited to a noncitizen if the parent or spouse of the noncitizen received any federal means-tested public benefit during the period for which the qualifying quarter is so credited.

75.11(2) *Citizenship and alienage.*

a. Eligibility. To be eligible for Medicaid, a person must be one of the following:

(1) A citizen or national of the United States.

(2) A qualified noncitizen continuously present (as described in Interim Guidance on Verification of Citizenship, Qualified Alien Status and Eligibility under Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) at 62 FR 61415 dated November 11, 1997, and as amended to August 1, 2025) in the United States since before August 22, 1996.

(3) A qualified noncitizen under the age of 21.

(4) A refugee admitted to the United States under Section 207 of the INA.

(5) A noncitizen who has been granted asylum under Section 208 of the INA.

(6) A noncitizen whose deportation is withheld under Section 243(h) or 241(b)(3) of the INA.

(7) A qualified noncitizen veteran who has an honorable discharge that is not due to alienage.

(8) A qualified noncitizen who is on active duty in the Armed Forces of the United States other than active duty for training.

(9) A qualified noncitizen who is the spouse or unmarried dependent child of a qualified noncitizen described in subparagraph 75.11(2)*"a"*(7) or *"a"*(8), including a surviving spouse who has not remarried.

(10) A qualified noncitizen who has resided in the United States for a period of at least five years beginning on the date of the qualified noncitizen's entry into the United States with a status within the meaning of numbered paragraph "1," "4," or "9" under the definition of "qualified noncitizen" in subrule 75.11(1).

(11) An Amerasian admitted as described in 8 U.S.C. Section 1612(b)(2)(A)(i)(V).

(12) A Cuban/Haitian entrant as described in Section 501(e) of the Refugee Education Assistance Act of 1980 (Public Law 96-422) as amended to August 1, 2025.

(13) A certified victim of trafficking as described in Section 107(b)(1)(A) of Public Law 106-386 as amended to August 1, 2025.

(14) An American Indian born in Canada to whom Section 289 of the INA applies or who is a member of a federally recognized Indian tribe as defined in 25 U.S.C. Section 450b(e) as amended to August 1, 2025.

(15) An Iraqi or Afghan immigrant treated as a refugee pursuant to Section 1244(g) of Public Law 110-181 as amended to August 1, 2025, or to Section 602(b)(8) of Public Law 111-8 as amended to August 1, 2025.

(16) An Afghan paroled into the United States treated as a refugee pursuant to Section 2502 of Public Law 117-43 as amended to August 1, 2025.

(17) A qualified noncitizen lawfully residing in the United States in accordance with a Compact of Free Association with the Government of the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau as described in 8 U.S.C. Section 1612(b)(2)(G) as amended by Section 208 of Division CC of Public Law 116-260 and as amended to August 1, 2025.

(18) A conditional entrant pursuant to Section 203(a)(7) of the INA as in effect before April 1, 1980.

b. Attestation of citizenship or qualified noncitizen status. As a condition of eligibility, each applicant and member shall attest in writing to the applicant's or member's citizenship or qualified noncitizen status by signing the applicable form identified in subparagraph 75.11(2)*"b"*(1), *"b"*(2), *"b"*(3), or *"b"*(4). The attestation may be provided, in writing and under penalty of perjury, by an adult member of the individual's household, an authorized representative as defined in rule 441—76.1(249A), or, if the individual is a minor or incapacitated, by someone acting responsibly for the individual provided the person acting responsibly attests to having knowledge of the individual's status.

(1) All applicants for Medicaid shall attest to their citizenship or qualified noncitizen status by signing forms prescribed by the department that contain the declaration of their citizenship or qualified noncitizen status.

(2) Family-related Medicaid members and members subject to MAGI methodology shall attest to their citizenship or qualified noncitizen status by completing and signing forms prescribed by the department that contain the declaration of their citizenship or qualified noncitizen status.

(3) Non-MAGI-related Medicaid members not actually receiving SSI who have been continuous members since August 1, 1988, shall attest to their citizenship or qualified noncitizen status by signing the application form described in subparagraph 75.11(2)*"b"*(1) at time of review.

(4) The department will prescribe forms for an attestation of citizenship or qualified noncitizen status that will meet the requirements of subrule 75.11(2) for children under the age of 19 who are otherwise eligible pursuant to rule 441—76.4(249A).

c. Verification of citizenship and identity or qualified noncitizen status. An applicant or member attestation of citizenship or qualified noncitizen status must be verified as a condition of eligibility for Medicaid. An applicant or member who attests to citizenship must also verify their identity. The verification of citizenship status is acceptable as identity verification, except as stated otherwise within this subrule.

(1) Verification by electronic data sources. The department will accept applicant or member attestation of citizenship or qualified noncitizen status as verified when the attestation is consistent with available EDS.

(2) Satisfactory documentation of citizenship and identity is required. Except for the persons identified in paragraph 75.11(2)*"i,"* applicants or members for whom an attestation of United States citizenship has been made pursuant to paragraph 75.11(2)*"b"* shall present satisfactory documentation of the attested status and their identity when the attestation is not verified by available electronic data sources. Satisfactory documentation is identified in paragraphs 75.11(2)*"d," "e," "f," "g,"* and *"h."* The provisions of the reasonable opportunity period described in subparagraphs 75.11(2)*"c"*(4) and *"c"*(5) apply.

(3) Satisfactory documentation of qualified noncitizen status is required. Except for persons receiving SSI benefits under Title XVI of the Act, applicants or members for whom an attestation of a qualified noncitizen status has been made pursuant to paragraph 75.11(2)*"b"* shall present satisfactory documentation of the attested status when the attestation is not verified by available EDS. Satisfactory documentation of qualified noncitizen status is identified in paragraph 75.11(2)*"j."* The department will request documentation in writing from the applicant or member. The provisions of the reasonable opportunity period described in subparagraphs 75.11(2)*"c"*(4) and *"c"*(5) applies.

(4) Reasonable opportunity period for providing satisfactory documentation. Applicants and members will be allowed a reasonable opportunity period of 90 days to provide satisfactory documentation of citizenship and identity or qualified noncitizen status. The reasonable opportunity period begins on the date a written request for documentation or a notice pursuant to subparagraph 75.11(2)*"c"*(3) or *"c"*(7) above is issued to an applicant or member, whichever is later, and continues for 90 days.

(5) Medicaid approval pending reasonable opportunity period. Medicaid will be approved for new applicants and continue for members not previously required to provide documentation of citizenship and identity or qualified noncitizen status until the end of the reasonable opportunity period, subject to 441—subrule 76.16(1).

(6) No retroactive eligibility until citizenship and identity or qualified noncitizen status is verified. Retroactive eligibility pursuant to 441—subrule 76.13(3) is available only after citizenship and identity or qualified noncitizen status has been verified with EDS or documentation has been provided pursuant to paragraph 75.11(2)*"d," "e," "f," "g," "h,"* or *"j."* When applicable, the retroactive months are outside the reasonable opportunity period during which Medicaid coverage may be provided without required documentation of citizenship and identity or qualified noncitizen status.

(7) Verification of citizenship and identity or qualified noncitizen status not required. Applicants who reapply following a break in coverage and members who are subject to an eligibility review are not required to reverify citizenship and identity or qualified noncitizen status unless:

1. The individual reports a change in citizenship or qualified noncitizen status;

2. The individual's qualified noncitizen status is a type the department has determined is subject to change; or

3. The department receives information indicating a potential change in the individual's citizenship or qualified noncitizen status.

d. Standalone evidence of citizenship and identity. Any one of the documents described in 42 CFR 435.407(a) will be accepted as sufficient evidence of citizenship and identity. In addition, provision of an individual's name, social security number, and date of birth to the department will constitute satisfactory documentation of citizenship and identity if submission of the name, social security number, and date of birth to the SSA produces a data match response that substantiates the individual's citizenship and identity. If submission of the name, social security number, and date of birth to the SSA does not produce a data match response that substantiates the individual's citizenship and identity, the department will issue a written request for documentation or a notice to the applicant or member pursuant to subparagraph 75.11(2)*"c"*(4) giving the applicant or member 90 days to correct any errors in the name, social security number, or date of birth submitted; to correct any errors in the SSA's records; or to provide other documentation of citizenship and identity pursuant to paragraphs 75.11(2)*"d"* through *"h."*

e. Combination evidence of citizenship.

(1) If an applicant does not provide documentary evidence of citizenship and identity from the list in paragraph 75.11(2)*"d,"* information or documentation as described in 42 CFR 435.407(b) will be accepted as satisfactory evidence to establish citizenship if accompanied by an identity document listed in paragraph 75.11(2)*"f"*:

(2) If the applicant does not have one of the documents listed in paragraph 75.11(2)*"d"* or *"e,"* they may submit an affidavit provided by the department, signed by another individual under penalty of perjury who can reasonably attest to the applicant's citizenship, that contains the applicant's name, date of birth, and place of U.S. birth. The affidavit does not have to be notarized.

f. Evidence of identity. Any of the following documents described in 42 CFR 435.407(c) or (d) will be accepted as proof of identify, provided the document has a photograph or other identifying information sufficient to establish identity, including but not limited to name, age, sex, race, height, weight, eye color, or address.

g. Reserved.

h. Documentary evidence. The department will accept documents in accordance with 42 CFR 435.407(f) and provide assistance in a timely manner to individuals who need assistance in securing satisfactory documentary evidence of citizenship or identity in accordance with 42 CFR 435.407(e).

i. Persons not required to verify citizenship and identity status. A person for whom an attestation of United States citizenship has been made pursuant to paragraph 75.11(2)*"b"* is not required to present documentation of citizenship and identity for Medicaid eligibility if any of the following circumstances apply:

(1) The person is entitled to or enrolled for benefits under any part of Title XVIII of the Act (Medicare).

(2) The person is receiving federal social security disability insurance (SSDI) benefits under Title II of the Act, Section 223 or 202, based on disability (as defined in Section 223(d)).

(3) The person is receiving SSI benefits under Title XVI of the Act.

(4) The person is or was exempted while assisted by child welfare services funded under Part B of Title IV of the Act on the basis of being a child in foster care as defined in Iowa Code section 232.2. This exemption does not apply and the person is subject to the citizenship and identity documentation requirements described in paragraph 75.11(2)*"c"* when services under Part B of Title IV were terminated due to failure to meet citizenship requirements.

(5) The person is or was exempted while assisted by foster care as defined in Iowa Code section 232.2 or adoption assistance funded under Part E of Title IV of the Act. This exemption does not apply and the person is subject to the citizenship and identity documentation requirements described in paragraph 75.11(2)*"c"* when services under Part E of Title IV were terminated due to failure to meet citizenship requirements.

(6) The person has previously presented satisfactory documentary evidence of citizenship and identity as specified by the United States Secretary of Health and Human Services.

(7) The person is or was deemed eligible for medical assistance pursuant to 42 U.S.C. Section 1396a(e)(4) on or after July 1, 2006, as the newborn of a Medicaid-eligible mother.

(8) The person is or was eligible for medical assistance pursuant to 42 U.S.C. Section 1397ll(e) as the newborn of a mother eligible for assistance under a State Children's Health Insurance Program (SCHIP) pursuant to Title XXI of the Act.

j. Satisfactory documentation of qualified noncitizen status. For the purpose of subparagraph 75.11(2)*"c"*(3), satisfactory documentation of qualified noncitizen status is documentation issued by the U.S. Citizenship and Immigration Services (USCIS) of the Department of Homeland Security (formerly Immigration and Naturalization Service (INS)) that identifies the person's qualified noncitizen status.

75.11(3) *Deeming of sponsor's income and resources.* When a qualified noncitizen admitted for lawful permanent residence (including those who applied for an immigrant visa or for adjustment of status, other than those whose status was adjusted from refugee or asylee status under 8 U.S.C. §1159 on or after December 19, 1997) is sponsored by a person who executed an affidavit of support as described in 8 U.S.C. Section 1631(a)(1) on behalf of the qualified noncitizen, the income and resources of each sponsor will be deemed to determine eligibility only for the sponsored qualified noncitizen and not for any nonsponsored members of the sponsored qualified noncitizen's household as follows:

a. Income. For the family-related and non-MAGI-related coverage groups described in rules 441—75.3(249A) through 441—75.9(249A) applicable to the sponsored qualified noncitizen, the amount deemed to the sponsored qualified noncitizen will be the total gross countable income of each sponsor less the following deductions that will be applied to both family-related and non-MAGI-related applicants or members:

(1) The deductions described at 20 CFR §416.1166a, except that the amount to be deemed from each sponsor will be divided by the number of noncitizens sponsored by that sponsor.

(2) Diversion from countable earned and unearned income of the sponsor for the following:

1. Alimony or child support payments to persons not living with the sponsor.

2. Payments made to persons not living with the sponsor but who are claimed (or could be claimed) by the sponsor for federal income tax purposes.

b. Resources for non-MAGI-related coverage groups. When the sponsored qualified noncitizen's coverage group is non-MAGI-related, the total gross countable resources of each sponsor will be deemed to determine eligibility of the sponsored qualified noncitizen pursuant to 20 CFR §416.1204 less the applicable following deduction: $2,000 if the sponsor does not live with a spouse, $3,000 if the sponsor lives with a spouse who is not a sponsor, or $4,000 if the sponsor lives with a spouse who is also the qualified noncitizen's sponsor. Resources are not considered for family-related coverage groups and therefore not deemed to a sponsored qualified noncitizen applying for or receiving under a family-related coverage group.

c. An indigent qualified noncitizen is exempt from the deeming of a sponsor's income and resources for 12 months after indigence is determined. A qualified noncitizen will be considered indigent if the following are true:

(1) The qualified noncitizen does not live with the sponsor; and

(2) The qualified noncitizen's gross income, including any income actually received from or made available by the sponsor, is less than 100 percent of the FPL for the sponsored qualified noncitizen's household size.

d. A battered qualified noncitizen as described in 8 U.S.C. Section 1641(c) is exempt from the deeming of a sponsor's income and resources for 12 months.

e. Deeming of the sponsor's income and resources does not apply when:

(1) The sponsored qualified noncitizen attains citizenship through naturalization pursuant to Chapter 2 of Title II of the INA as amended to August 1, 2025.

(2) The sponsored qualified noncitizen has earned 40 qualifying quarters of coverage as defined in Title II of the Act or can be credited with 40 qualifying quarters as defined in subrule 75.11(1).

(3) The sponsored qualified noncitizen or the sponsor dies.

(4) The sponsored qualified noncitizen is a lawfully residing child under the age of 21 as allowed by 42 U.S.C. Section 1396b(v)(4)(A)(ii).

(5) For non-MAGI-related Medicaid, the sponsored qualified noncitizen becomes blind or disabled as defined under Title XVI of the Act after admission to the United States as a lawful permanent resident.

(6) For non-MAGI-related Medicaid, three years after the date the sponsored qualified noncitizen was admitted to the United States as a lawful permanent resident.

75.11(4) *Eligibility for payment of emergency medical services.* Noncitizens who do not meet the provisions of subrule 75.11(2) and who would otherwise qualify except for their noncitizen status are eligible to receive Medicaid for care and services necessary for the treatment of an emergency medical condition as defined in subrule 75.11(1). To qualify for payment under this provision, the noncitizen must meet all other eligibility criteria, including state residence requirements in rule 441—75.10(249A), with the exception of rule 441—75.9(249A) and subrules 75.11(2) and 75.11(3).

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.12(249A) Inmates of public institutions. A person is not eligible for medical assistance for any care or services received while the person is an inmate of a public institution. For the purpose of this rule, "inmate of a public institution" and "public institution" mean the same as defined in 42 CFR Section 435.1010.

75.12(1) *Suspension.* Medical assistance will be suspended rather than canceled while a person is an inmate of a public institution if all of the following conditions are met:

a. The department is notified of the person's entry into the public institution through either:

(1) A daily report that is provided to the department by the public institution and includes the person's first name and last name and the date the person entered the institution; or

(2) Other verified notice received by the department.

b. The person has entered a public institution on or after January 1, 2012, and has been in the public institution for 30 days or more.

c. On the date of entry into the public institution, the person was a Medicaid member.

d. The person is eligible for medical assistance as an individual except for institutional status.

75.12(2) *Coverage during suspension.* While medical assistance is suspended, payment will be made only for services limited to inpatient hospital claims only.

75.12(3) *Reinstatement.* The Medicaid case for an inmate who is released from a public institution while Medicaid is suspended will be reopened without an application if both of the following conditions are met:

a. The department is notified of the person's release from the public institution through either:

(1) A daily report provided to the department by the public institution that includes the person's first name and last name and the date the person was released from the institution; or

(2) Other verified notice received by the department.

b. All information available to the department indicates that the person is currently eligible for Iowa Medicaid as an individual.

This rule is intended to implement Iowa Code section 249A.3 and 2011 Iowa Acts, Senate File 482, division IX.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.13 Reserved.

441—75.14(249A) Establishing liability and obtaining support.

75.14(1) As a condition of eligibility, adult Medicaid applicants and members shall cooperate in obtaining medical support for themselves and for any other person in the household for whom Medicaid is requested or received and for whom the applicant or member can legally assign rights for medical support, except when the member has good cause for refusal to cooperate as defined in subrule 75.14(7).

a. The adult applicant shall agree to cooperate in obtaining medical support at the time of application.

b. The adult member shall cooperate in the following:

(1) Identifying and locating parties liable for the support of household members receiving Medicaid.

(2) Establishing liability for the support of household members receiving Medicaid, including establishment of paternity if paternity has not previously been established.

(3) Obtaining medical support and payments for medical care for household members receiving Medicaid.

c. Cooperation is defined as including the following actions by the adult member upon request:

(1) Appearing at the child support services as defined in 441—Chapter 95 to provide verbal or written information or documentary evidence known to, possessed by or reasonably obtainable by the member that is relevant to achieving the objectives of the child support recovery program.

(2) Appearing as a witness at judicial or other hearings or proceedings.

(3) Providing information, or attesting to the lack of information, under penalty of perjury.

d. Upon request, the adult member shall cooperate with the department in supplying information with respect to potentially liable parties, the receipt of medical support or payments for medical care, and the establishment of liability for support to the extent necessary to establish eligibility for assistance.

e. Upon request, the adult member shall cooperate with child support services by supplying all known information and documents pertaining to the location of potentially liable parties and taking action as may be necessary to secure medical support and payments for medical care or to establish liability. This includes completing and signing documents determined to be necessary by the state's attorney for any relevant judicial or administrative process.

f. Child support services will make the determination of whether or not the adult member has cooperated for the purposes of this rule.

75.14(2) Failure of an adult applicant to agree to cooperate or an adult member to cooperate will result in denial or cancellation of the noncooperating adult's Medicaid benefits. In family-related Medicaid cases, all exclusions, expenses and deductions described in rule 441—75.73(249A) will be allowed when otherwise applicable.

75.14(3) Each Medicaid member who is required to cooperate with child support services shall have the opportunity to claim good cause for refusing to cooperate in establishing liability or securing medical support and payments for medical care. The provisions set forth in subrules 75.14(7) through 75.14(11) will be used when making a determination of the existence of good cause.

75.14(4) Each Medicaid member shall assign to the department any rights to medical support and payments for medical care from any other person for which the person can legally make assignment. This shall include rights to medical support and payments for medical care on the member's own behalf or on behalf of any other person in the household who receives Medicaid.

An assignment is effective the same date the notice of eligibility is issued and is effective for the entire period for which eligibility is granted. Support payments not intended for medical support will not be assigned to the department.

75.14(5) Pregnant women establishing eligibility under the MAC coverage group as provided in subrule 75.3(2) will be exempt from the provisions in this rule for any born child for whom the pregnant woman applies for or receives Medicaid. Additionally, any previously pregnant woman eligible for postpartum coverage under the provision of subrule 75.3(4) will not be subject to the provisions in this rule until after the end of the month in which the postpartum period expires.

Pregnant women establishing eligibility under any other coverage groups, except those set forth in subrule 75.3(2) or 75.3(4), will be subject to the provisions in this rule when establishing eligibility for born children. However, when a pregnant woman who is subject to these provisions fails to cooperate, the woman will lose eligibility under her current coverage group and her eligibility for Medicaid will be automatically redetermined under subrule 75.3(2).

75.14(6) Notwithstanding subrule 75.14(5), any pregnant woman or previously pregnant woman establishing eligibility under subrule 75.3(2) or 75.3(4) will not be exempt from the provisions of 75.14(4) that require an adult member to assign any rights to medical support and payments for medical care.

75.14(7) Good cause exists when it is determined that cooperation in establishing liability and securing support is against the best interests of the child.

a. The department will determine that cooperation is against the child's best interest when the member's cooperation in establishing liability or securing support is reasonably anticipated to result in:

(1) Physical or emotional harm to the child for whom support is to be sought;

(2) Physical or emotional harm to the parent or other caretaker with whom the child is living that reduces the person's capacity to care for the child adequately.

b. The department will determine that cooperation is against the child's best interest when at least one of the following circumstances exists and the department believes that because of the existence of that circumstance, in the particular case, proceeding to establish liability or secure support would be detrimental to the child for whom support would be sought:

(1) The child was conceived as the result of incest or forcible rape.

(2) Legal proceedings for the adoption of the child are pending before a court of competent jurisdiction.

(3) The member is currently being assisted by a public or licensed private social agency to resolve the issue of whether to keep the child or relinquish the child for adoption and the discussions have not gone on for more than three months.

c. Physical harm and emotional harm shall be of a serious nature in order to justify a finding of good cause. A finding of good cause for emotional harm will be based only upon a demonstration of an emotional impairment that substantially affects the individual's functioning.

d. When the good cause determination is based in whole or in part upon the anticipation of emotional harm to the child, the parent, or the other caretaker, the following shall be considered:

(1) The present emotional state of the individual subject to emotional harm.

(2) The emotional health history of the individual subject to emotional harm.

(3) Intensity and probable duration of the emotional impairment.

(4) The degree of cooperation required.

(5) The extent of involvement of the child in the liability establishment or support enforcement activity to be undertaken.

75.14(8) Each Medicaid member who is required to cooperate with child support services will have the opportunity to claim good cause for refusing to cooperate in establishing liability or securing support payments.

a. Before requiring cooperation, the department will notify the member of the right to claim good cause as an exception to the cooperation requirement and of all the requirements applicable to a good cause determination.

b. The initial notice advising of the right to refuse to cooperate for good cause will:

(1) Advise the member of the potential benefits the child may derive from the establishment of liability and securing support.

(2) Advise the member that by law cooperation in establishing liability and securing support is a condition of eligibility for the Medicaid program.

(3) Advise the member of the sanctions provided for refusal to cooperate without good cause.

(4) Advise the member that good cause for refusal to cooperate may be claimed and that if the department determines, in accordance with these rules, that there is good cause, the member will be excused from the cooperation requirement.

(5) Advise the member that upon request, or following a claim of good cause, the department will provide further notice with additional details concerning good cause.

c. When the member makes a claim of good cause or requests additional information regarding the right to file a claim of good cause, the department will issue a second notice. To claim good cause, the member shall sign and date a form prescribed by the department and return it. This form:

(1) Indicates that the member must provide corroborative evidence of good cause circumstance and must, when requested, furnish sufficient information to permit the county office to investigate the circumstances.

(2) Informs the member that, upon request, the department will provide reasonable assistance in obtaining the corroborative evidence.

(3) Informs the member that on the basis of the corroborative evidence supplied and the department's investigation, when necessary, the department will determine whether cooperation would be against the best interests of the child for whom support would be sought.

(4) Lists the circumstances under which cooperation may be determined to be against the best interests of the child.

(5) Informs the member that child support recovery services may review the findings and basis for a good cause determination and may participate in any hearings concerning the issue of good cause.

(6) Informs the member that child support recovery services may attempt to establish liability and collect support in those cases where it is determined that this can be done without risk to the member if done without the member's participation.

d. The member who refuses to cooperate and who claims to have good cause for refusing to cooperate has the burden of establishing the existence of a good cause circumstance. Failure to meet these requirements shall constitute a sufficient basis for the department to determine that good cause does not exist. The member shall:

(1) Specify the circumstances that the member believes provide sufficient good cause for not cooperating.

(2) Corroborate the good cause circumstances.

(3) When requested, provide sufficient information to permit an investigation.

75.14(9) The department will determine whether good cause exists for each Medicaid member who claims to have good cause.

a. The department will notify the member of its determination that good cause does or does not exist. The determination will:

(1) Be in writing.

(2) Contain the findings and basis for determination.

(3) Be entered in the case record.

b. The determination of whether good cause exists will be made within 45 days from the day the good cause claim is made. The department may exceed this time standard only when:

(1) The case record documents that the department needs additional time because the information required to verify the claim cannot be obtained within the time standard, or

(2) The case record documents that the claimant did not provide corroborative evidence within the time period set forth in subrule 75.14(10).

c. When the department determines that good cause does not exist:

(1) The member will be so notified and be afforded an opportunity to cooperate, withdraw the application for assistance, or have the case closed; and

(2) Continued refusal to cooperate will result in the loss of Medicaid for the person who refuses to cooperate.

d. The department will make a good cause determination based on the corroborative evidence supplied by the member only after it has examined the evidence and found that it verifies the good cause claim.

e. Before making a final determination of good cause for refusing to cooperate, the department will:

(1) Afford child support services the opportunity to review and comment on the findings and basis for the proposed determination, and

(2) Consider any recommendation from child support services.

f. Child support services may participate in any appeal hearing that results from a member's appeal of a department action with respect to a decision on a claim of good cause.

g. Assistance will not be denied, delayed, or discontinued pending a determination of good cause for refusal to cooperate when the member has specified the circumstances under which good cause can be claimed and provided the corroborative evidence and any additional information needed to establish good cause.

h. The department will:

(1) Periodically, but not less frequently than every six months, review those cases in which the department has determined that good cause exists based on a circumstance that is subject to change.

(2) When it determines that circumstances have changed so that good cause no longer exists, rescind its findings and proceed to enforce the requirements pertaining to cooperation in establishing liability and securing support.

75.14(10) The member who claims good cause shall provide corroborative evidence within 20 days from the day the claim was made. In exceptional cases where the department determines that the member requires additional time because of the difficulty in obtaining the corroborative evidence, the department will allow a reasonable additional period upon approval by the worker's immediate supervisor.

a. A good cause claim may be corroborated with the following types of evidence:

(1) Birth certificates or medical or law enforcement records that indicate that the child was conceived as the result of incest or forcible rape.

(2) Court documents or other records that indicate that legal proceedings for adoption are pending before a court of competent jurisdiction.

(3) Court, medical, criminal, child protective services, social services, psychological, or law enforcement records that indicate that the potentially liable person might inflict physical or emotional harm on the child.

(4) Medical records that indicate emotional health history and present emotional health status of the parent or other caretaker or the children for whom support would be sought; also, written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the parent or other caretaker or the child for whom support would be sought.

(5) A written statement from a public or licensed private social agency that the member is being assisted by the agency to resolve the issue of whether to keep the child or relinquish the child for adoption.

(6) Sworn statements from individuals other than the member with knowledge of the circumstances that provide the basis for the good cause claim.

b. When, after examining the corroborative evidence submitted by the member, the department wishes to request additional corroborative evidence needed to permit a good cause determination, the department will:

(1) Promptly notify the member that additional corroborative evidence is needed, and

(2) Specify the type of corroborative evidence needed.

c. When the member requests assistance in securing evidence, the department will:

(1) Advise the member how to obtain the necessary documents, and

(2) Make a reasonable effort to obtain any specific documents that the member is not reasonably able to obtain without assistance.

d. When a claim is based on the member's anticipation of physical harm and corroborative evidence is not submitted in support of the claim:

(1) The department will investigate the good cause claim when it believes that the claim is credible without corroborative evidence and corroborative evidence is not available.

(2) Good cause will be found when the claimant's statement and investigation satisfies the department that the member has good cause for refusing to cooperate.

(3) A determination that good cause exists will be reviewed and approved or disapproved by a supervisor and the findings will be recorded in the case record.

e. The department may further verify the good cause claim when the member's statement of the claim together with the corroborative evidence do not provide sufficient basis for making a determination. When the department determines that it is necessary, the department may conduct an investigation of good cause claims to determine whether good cause exists.

f. When it conducts an investigation of a good cause claim, the department will:

(1) Contact the potentially liable person from whom support would be sought when the contact is determined to be necessary to establish the good cause claim.

(2) Before making the necessary contact, notify the member so the member may present additional corroborative evidence or information so that contact with the potentially liable person becomes unnecessary, withdraw the application for assistance or have the case closed, or have the good cause claim denied.

75.14(11) Enforcement without parent or other caretaker's cooperation. When the department makes a determination that good cause exists, the department will also make a determination of whether child support services can proceed without risk of harm to the child, parent, or other caretaker when the enforcement or collection activities do not involve their participation.

a. Child support services will have an opportunity to review and comment on the findings and basis for the proposed determination and the department will consider any recommendations from child support services.

b. The determination will be in writing, contain the department's findings and basis for the determination, and be entered into the case record.

c. When the department excuses cooperation but determines that child support services may proceed to establish liability or enforce support, the department will notify the member to enable the individual to have the case closed.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.15(249A) Medical resources. Medical resources include health and accident insurance, eligibility for care through the Department of Veterans Affairs, specialized child health services, services received through Title XVIII of the Act (Medicare), and other resources for meeting the cost of medical care that may be available to the member. These resources must be used when reasonably available.

75.15(1) The department will approve payment only for those services or that part of the cost of a given service for which no medical resources exist unless pay and chase provisions as defined in rule 441—75.1(249A) are applicable.

75.15(2) As a condition of eligibility for Medicaid, a person who has the legal capacity to execute an assignment shall do all of the following:

a. Assign to the department all rights to payments of medical care from any third party to the extent that payment has been made under the Medicaid program. The applicant's signature on the application form listed in 441—paragraph 76.2(1)*"c"* shall constitute agreement to the assignment. The assignment shall be effective for the entire period during which Medicaid makes payment for medical care.

b. Cooperate with the department in obtaining third-party payments. The member or someone acting on the member's behalf shall:

(1) File a claim or submit an application for any reasonably available medical resource, and

(2) Cooperate in the processing of the claim or application.

c. Cooperate with the department in identifying and providing information to assist the department in pursuing any third party who may be liable to pay for medical care and services available under the Medicaid program.

75.15(3) Good cause for failure to cooperate in the filing or processing of a claim or application will be considered to exist when the member, or someone acting on behalf of a minor or legally incompetent adult member, is physically or mentally incapable of cooperation. Good cause will be considered to exist when cooperation is reasonably anticipated to result in:

a. Physical or emotional harm to the member for whom medical resources are being sought;

b. Physical or emotional harm to the parent or payee, acting on the behalf of a minor or legally incompetent adult member, for whom medical resources are being sought.

75.15(4) Failure to cooperate as required in subrule 75.15(2) without good cause as defined in subrule 75.15(3) will result in the termination of Medicaid benefits. The department will make the determination of good cause based on information and evidence provided by the member or by someone acting on the member's behalf.

a. The Medicaid benefits of a minor or legally incompetent adult member will not be terminated for failure to cooperate in reporting medical resources.

b. When a parent or payee acting on behalf of a minor or legally incompetent adult member fails to file a claim or application for reasonably available medical resources or fails to cooperate in the processing of a claim or application without good cause, the Medicaid benefits of the parent or payee will be terminated.

This rule is intended to implement Iowa Code sections 249A.4 and 249A.54.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.16(249A) Medical assistance lien.

75.16(1) When the Medicaid program pays for a member's medical care or expenses, the department will have a lien upon all monetary claims that the member may have against third parties for those

expenses. Monetary claims will include medical malpractice claims for injuries sustained on or after July 1, 2011. The lien will be to the extent of the Medicaid payments only.

a. A lien is not effective unless the department files a notice of lien with the clerk of the district court in the county where the member resides and with the member's attorney when the member's eligibility for Medicaid is established. The notice of lien will be filed before the third party has concluded a final settlement with the member, the member's attorney, or other representative.

b. The third party shall obtain a written determination from the department concerning the amount of the lien before a settlement is deemed final.

(1) A compromise, including but not limited to notification, settlement, waiver or release of a claim, does not defeat the department's lien except pursuant to the written agreement of the director or the director's designee under which the department would receive less than full reimbursement of the amounts it expended.

(2) A settlement, award, or judgment structured in any manner not to include medical expenses or an action brought by a member or on behalf of a member that fails to state a claim for recovery of medical expenses does not defeat the department's lien if there is any recovery on the member's claim.

c. All notifications required by law shall be directed to the department. Notification shall be considered made as of the time the notification is deposited so addressed, postage prepaid, in the United States Postal Service system.

75.16(2) The department may pursue its rights to recover either directly from any third party or from any recovery obtained by or on behalf of any member. If a member incurs the obligation to pay attorney fees and court costs for the purpose of enforcing a monetary claim to which the department has a lien under this rule, upon the receipt of the judgment or settlement of the total claim, of which the lien for Medicaid payments is a part, the court costs and reasonable attorney fees will first be deducted from this total judgment or settlement. One-third of the remaining balance will then be deducted and paid to the member. From the remaining balance, the lien of the department will be paid. Any amount remaining will be paid to the member. An attorney acting on behalf of a member for the purpose of enforcing a claim to which the department has a lien shall not collect from the member any amount as attorney fees that is in excess of the amount the attorney customarily would collect on claims not subject to this rule. The department will provide computer-generated documents or claim forms describing the services for which it has paid upon request of any affected member or the member's attorney. The documents may also be provided to a third party where necessary to establish the extent of the department's claim.

75.16(3) In those cases where appropriate notification is not given to the department or where the department's recovery rights are otherwise adversely affected by an action of the member or someone acting on the member's behalf, Medicaid benefits will be terminated. The Medicaid benefits of a minor child or a legally incompetent adult member will not be terminated under this subrule. Subsequent eligibility for Medicaid benefits will be denied until an amount equal to the unrecovered claim has been reimbursed to the department or the individual produces documentation of incurred medical expense equal to the amount of the unrecovered claim. The incurred medical expense will not be paid by the Medicaid program.

a. The member, or someone acting on the member's behalf, shall provide information and verification as required to establish the availability of medical or third-party resources.

b. The member or person acting on the member's behalf shall complete a form prescribed by the department, in a timely manner at the time of application, when any change in medical resources occurs during the application period, and when any changes in medical resources occur after the application is approved. A report will be considered timely when made within ten days from:

(1) The date that health insurance begins, changes, or ends.

(2) The date that eligibility begins for care through the Department of Veterans Affairs, specialized child health services, Title XVIII of the Act (Medicare) and other resources.

(3) The date the member, or someone acting on the member's behalf, files an insurance claim against an insured third party for the payment of medical expenses that otherwise would be paid by Medicaid.

(4) The date the member, or someone acting on the member's behalf, retains an attorney with the expectation of seeking restitution for injuries from a possibly liable third party, and the medical expenses resulting from those injuries would otherwise be paid by Medicaid.

(5) The date that the member, or someone acting on the member's behalf, receives a partial or total settlement for the payment of medical expenses that would otherwise be paid by Medicaid. The member may report the change in person, by telephone, by mail, or by using forms prescribed by the department when annual reviews are completed and when the client requests a form.

c. The member, or someone acting on the member's behalf, shall complete a form prescribed by the department when the department has reason to believe that the member has sustained an accident-related injury. Failure to cooperate in completing and returning this form or in giving complete and accurate information will result in the termination of Medicaid benefits.

d. When the recovery rights of the department are adversely affected by the actions of a parent or payee acting on behalf of a minor or legally incompetent adult member, the Medicaid benefits of the parent or payee will be terminated. When a parent or payee fails to cooperate in completing or returning any form required by the department, or fails to give complete and accurate information concerning the accident-related injuries of a minor legally incompetent adult member, the department will terminate the Medicaid benefits of the parent or payee.

e. The member, or someone acting on the member's behalf, shall refund to the department from any settlement or payment received the amount of any medical expenses paid by Medicaid. Failure of the member to do so will result in the termination of Medicaid benefits. In those instances where a parent or payee, acting on behalf of a minor or legally incompetent adult member, fails to refund a settlement overpayment to the department, the Medicaid benefits of the parent or payee will be terminated.

75.16(4) Third party and provider responsibilities.

a. The health care services provider shall inform the department by appropriate notation on Form CMS-1500 that other coverage exists but did not cover the service being billed or that payment was denied.

b. The health care services provider shall notify the department in writing by mailing copies of any billing information sent to a member, an attorney, an insurer or other third party after a claim has been submitted to or paid by the department.

c. An attorney representing an applicant for Medicaid or a past or present Medicaid member on a claim to which the department has filed a lien under this rule shall notify the department of the claim of which the attorney has actual knowledge, before filing a claim, commencing an action or negotiating a settlement offer. Actual knowledge shall include the notice to the attorney pursuant to subrule 75.16(1). The mailing and deposit in a U.S. post office or public mailing box of the notice, addressed to the department at its state or local office location, is adequate legal notice of the claim.

75.16(5) *Department's lien.*

a. The department's liens are valid and binding on an attorney, insurer or other third party only upon notice by the department or unless the attorney, insurer or other third party has actual notice that the member is receiving Medicaid from the department and only to the extent that the attorney, insurer or third party has not made payment to the member or an assignee of the member prior to the notice. Any information released to an attorney, insurer or other third party by the health care services provider that indicates that reimbursement from the state was contemplated or received will be construed as giving the attorney, insurer or other third party actual knowledge of the department's involvement. For example, information supplied by a health care services provider that indicates Medicaid involvement will be construed as showing involvement by the department under Iowa Code section 249A.54. Payment of benefits by an insurer or third party pursuant to the rights of the lienholder in this rule discharges the attorney, insurer or other third party from liability to the member or the member's assignee to the extent of the payment to the department.

b. When the department has reason to believe that an attorney is representing a member on a claim to which the department filed a lien under this rule, the department will issue notice to that attorney of the department's lien rights.

c. When the department has reason to believe that an insurer is liable for the costs of a member's medical expenses, the department will issue notice to the insurer of the department's lien rights.

d. The mailing and deposit in a U.S. post office or public mailing box of the notice, addressed to the attorney or insurer, is adequate legal notice of the department's subrogation rights.

75.16(6) For purposes of this rule, the term "third party" includes an attorney, individual, institution, corporation, or public or private agency that is or may be liable to pay part or all of the medical costs incurred as a result of injury, disease or disability by or on behalf of an applicant for Medicaid or a past or present Medicaid member.

75.16(7) The department may enforce its lien by a civil action against any liable third party.

This rule is intended to implement Iowa Code sections 249A.4 and 249A.54.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.17 Reserved.

441—75.18(249A) Continuous eligibility for pregnant women.

75.18(1) A pregnant woman who was eligible and enrolled in Medicaid under the provisions of this chapter prior to the end of her pregnancy shall remain continuously eligible throughout the pregnancy and the 12-month postpartum period as provided in subrule 75.3(4), regardless of changes in circumstances, except if any of the following occur:

a. The woman requests voluntary termination of eligibility.

b. The woman ceases to be a resident of the state of Iowa.

c. Iowa Medicaid finds that the woman's eligibility was determined incorrectly at the most recent determination or redetermination of eligibility because of agency error or fraud, abuse, or perjury.

d. The woman dies.

75.18(2) Except as described in subrule 75.3(4), the woman is not required to meet any eligibility criteria described in this chapter or the reenrollment requirements at 441—paragraph 76.14(1)*"a"* during the pregnancy and 12-month postpartum period.

75.18(3) At the end of the 12-month postpartum period, the woman will be subject to the reenrollment requirements at 441—paragraph 76.14(1)*"b."*

75.18(4) Pregnant women determined eligible only for emergency services pursuant to subrule 75.11(4) are eligible under this provision.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.19(249A) Continuous eligibility for children. A child under the age of 19 who is determined eligible for ongoing Medicaid will retain that eligibility for up to 12 months regardless of changes in family circumstances, except as described in this rule.

75.19(1) *Exceptions to coverage.* This rule does not apply to the following:

a. Children whose eligibility was determined under the newborn coverage group described in subrule 75.3(3).

b. Children whose eligibility was determined under the medically needy coverage group described in rule 441—75.8(249A).

c. Children whose Medicaid is state-funded only.

d. Children eligible only in a retroactive month pursuant to 441—subrule 76.13(3).

e. Children whose U.S. citizenship and identity, or noncitizenship status, is not verified within the reasonable opportunity period described in paragraph 75.11(2)*"c."*

f. Children whose eligibility was determined under express lane procedures described in rule 441—76.4(249A).

g. Children whose initial eligibility was established incorrectly.

75.19(2) *Duration of coverage.* Coverage under this rule will extend through the earliest of the following:

a. The month of the household's annual eligibility review;

b. The month when the child reaches the age of 19, except as stated in rule 441—75.52(249A);

c. The month when the child ceases to be a resident of Iowa or fails to provide the department with adequate information to determine whether the child meets residency requirements pursuant to rule 441—75.10(249A);

d. The month that voluntary termination of eligibility is requested; or

e. The month the child is determined to be deceased.

75.19(3) *Assignment of review date.* Children entering an existing Medicaid household will be assigned the same annual eligibility review date as that established for the household.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.20(249A) Medical assistance corrective payments. If a decision by the department or SSA following an appeal on a denied application for any of the coverage groups set forth in 441—75.3(249A) through 441—75.8(249A) is favorable to the claimant, reimbursement will be made to the claimant for any medical bills paid by the claimant during the period between the date of the denial on the initial application and the date regular Medicaid coverage began when the bills were for medical services rendered in the period now determined to be an eligible period based on the following conditions:

75.20(1) These bills must be for services covered by the Medicaid program as set forth in 441—Chapter 78.

75.20(2) Reimbursement will be based on Medicaid rates for services in effect at the time the services were provided.

75.20(3) If a county relief agency has paid medical bills on the member's behalf and has not received reimbursement through assignment as set forth in 441—Chapter 80, the department will reimburse the county relief agency directly on the same basis as if the reimbursement was made to the member.

75.20(4) Members and county relief agencies may file claims for payment under this subrule on forms prescribed the department. These forms are available from the county office. All requests for reimbursement will be acted upon within 60 days of receipt of the forms in the county office.

75.20(5) Any adverse action taken by the department with respect to an application for reimbursement is appealable under 441—Chapter 2506.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26; Editorial change: IAC Supplement 6/10/26]

441—75.21(249A) Health insurance premium payment (HIPP) program. Under the HIPP program, the department will pay for the cost of premiums, coinsurance, copayments, and deductibles for Medicaid-eligible individuals when the department determines that those costs will be less than the cost of paying for the individual's care through Medicaid, including managed care capitation fees. Payment will include only the cost to the Medicaid-eligible individual or household.

75.21(1) *Definitions.* For purposes of this rule, the following definitions apply:

"Absent parent" means a noncustodial parent or a parent who is not living with the member.

"Authorized representative" means an individual or organization authorized by a competent applicant or member; authorized by a responsible person acting for an incompetent applicant or member pursuant to 441—subrule 76.9(2); or with other legal authority to represent the applicant or member in the application process, renewal of eligibility and other ongoing communications with the department.

"Capitation payment" means a monthly payment to the managed care contractor on behalf of each member for the provision of health services under the managed care organization contract. Payment is made by the department regardless of whether the member receives services during the month. The managed care capitation payment varies based on the eligible member's sex, age, and eligibility aid type.

"Cost-effective" means a determination has been made that a savings will accrue to the department by paying the insurance premium, cost sharing, wrap benefits, and administrative cost.

"Cost sharing" means the member's portions of in-network health care costs not covered by an insurance plan. "Cost sharing" includes copayments, coinsurance and deductibles, which vary among health care plans.

"Custodian" means the person recognized as representing the interests of the member for Medicaid assistance. When the member reaches the age of 18 and the custodian is not used in determining Medicaid eligibility, there shall be legal documentation in place that the custodian is now the responsible person or authorized representative.

"Employer-sponsored insurance" or *"ESI"* means any health insurance plan paid for by a business on behalf of its employees.

"High-deductible health plan" or *"HDHP"* means a health insurance plan that meets the definition found in Section 223(c)(2) of the United States Internal Revenue Code as amended to August 1, 2025.

"HIPP-eligible member" or *"HIPP enrollee"* means a person whose Medicaid eligibility is calculated in the cost-effective determination for HIPP.

"Household" means the group of people who are used in the budgeting and size when determining Medicaid eligibility.

"Individual plan" means an insurance plan purchased through a government-run health insurance marketplace or through a local broker or agent.

"Insurance plan" means major medical comprehensive health coverage provided through an employer, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) as amended to August 1, 2025, a government-run health insurance marketplace, or a local broker or agent. Dental and vision plans are not considered to be insurance plans for purposes of this definition.

"Member" means an individual who has been determined eligible for Medicaid assistance and is enrolled to receive assistance.

"Policyholder" means the person in whose name an insurance policy is registered.

"Responsible person" means an individual recognized by the department pursuant to 441—subrule 76.9(1) as acting for an applicant or member who is unable to act on the applicant's or member's own behalf because the applicant or member is a minor or is incompetent, incapacitated, or deceased.

"Wrap benefits" means the services covered under the Medicaid state plans that are not paid for by insurance plans (i.e., waiver services, transportation).

75.21(2) *Insurance plans.* Participation in an insurance plan is not a condition of Medicaid eligibility. The department will pay for the cost of the insurance plan premiums, coinsurance, copayment, and deductibles of an insurance plan for a member if:

a. A member is enrolled in or can be added to the insurance plan; and

b. The insurance plan is cost-effective as described in subrule 75.21(3).

75.21(3) *Cost-effectiveness.* An insurance plan shall be considered cost-effective when the amount the department would pay for the member's insurance premiums, cost sharing, wrap benefits, and administrative costs is likely to be less than the amount the department would pay through Medicaid, including managed care capitation fees. When determining the cost-effectiveness of an insurance plan, the following data will be considered:

a. The cost to the member or household for the insurance premium, coinsurance, copayments and deductibles. Costs paid by an employer or other plan sponsor will not be considered in the cost-effectiveness determination.

b. The cost of care through Medicaid, including managed care capitation fees, the department would pay for the member.

c. The estimated cost of wrap benefits per member based on the member's sex, age, and eligibility aid type.

d. The specific health-related circumstances of the members covered under the health plan. The HIPP Medical History Questionnaire will be used to obtain this information. When the information indicates any health conditions that could be expected to result prospectively in higher-than-average bills for any Medicaid member:

(1) If the member is currently covered by the insurance plan, the department will request from the policyholder, or from the responsible person for the member, an insurance summary of the member's paid claims for the previous 12 months. If there is sufficient evidence to indicate that such claims can be expected to continue in the next 12 months, the claims will be considered in determining the cost-effectiveness of the insurance plan. The cost of the insurance plan premium, member's cost sharing, and administrative cost are compared to the actual claims to determine the cost-effectiveness of providing the coverage.

(2) If the member was not covered by the health plan in the previous 12 months, fee-for-service paid Medicaid claims may be used to project the cost-effectiveness of the plan.

e. Annual administrative expenditures of $150 per HIPP member covered under the health plan.

f. Whether the estimated savings to the department for members covered under the health insurance plan is at least $5 per month per household.

75.21(4) *Coverage of non-Medicaid-eligible family members.* When an insurance plan is determined to be cost-effective, the department will pay for insurance premiums for non-Medicaid-eligible family members if a non-Medicaid-eligible family member must be enrolled in the insurance plan in order to obtain coverage for the Medicaid-eligible family members. However:

a. The needs of the non-Medicaid-eligible family members will not be taken into consideration when determining cost-effectiveness; and

b. Payments for deductibles, coinsurances or other cost-sharing obligations will not be made on behalf of family members who are not Medicaid-eligible.

75.21(5) *Insurance plans ineligible for reimbursement.* Premiums will not be paid for insurance plans under any of the following circumstances:

a. The insurance plan is that of an absent parent.

b. The insurance plan is an indemnity policy that supplements the policyholder's income or pays only a predetermined amount for services covered under the policy (e.g., $50 per day for hospital services instead of 80 percent of the charge).

c. The insurance plan is a school plan offered on the basis of attendance or enrollment at the school.

d. The insurance premium is used to meet a spenddown obligation under the medically needy program, as provided in rule 441—75.8(249A), when all persons in the household are eligible or potentially eligible only under the medically needy program. When some of the household members are eligible for full Medicaid benefits under coverage groups other than medically needy, the premium will be paid if it is determined to be cost-effective when considering only the persons receiving full Medicaid coverage. In those cases, the insurance premium will not be allowed as a deduction to meet the spenddown obligation for those persons in the household participating in the medically needy program.

e. The insurance plan is designed to provide coverage only for a temporary period of time (e.g., 30 to 180 days).

f. The persons covered under the insurance plan are not Medicaid-eligible on the date the decision regarding eligibility for the HIPP program is made. No retroactive payments will be made if the case is not Medicaid-eligible on the date of decision.

g. The person is eligible only for a coverage group that does not provide full Medicaid services.

h. Insurance coverage is provided through the Iowa Comprehensive Health Insurance Association in accordance with Iowa Code chapter 514E.

i. Insurance on the member(s) is maintained by someone who does not live with the member(s), is not the legal guardian of the member(s), is not a responsible person, or does not have legal permission to access the Medicaid information of the member(s) (e.g., self-supporting adult children).

j. The member has Medicare. If other members in the household are covered by the insurance plan, cost-effectiveness is determined without including the Medicare-covered member.

k. The insurance plan does not provide major medical coverage but pays only for specific situations (i.e., accident plans) or illnesses (i.e., cancer policy).

l. The health plan pays secondary to another plan.

m. The only Medicaid member is in foster care.

n. The member is active for Medicaid under Medicaid for children with disabilities (i.e., MKSN) pursuant to subrule 75.6(7). Any other Medicaid members in the household who are covered by the health plan will be determined for cost-effectiveness.

o. The insurance plan is limited due to preexisting conditions.

p. The insurance plan is a subsidized insurance plan purchased through a government-run health insurance exchange.

q. On the date the decision regarding eligibility for the HIPP program is made, the insurance is no longer available.

r. The insurance plan is an HDHP.

75.21(6) *Department evaluation of ESI plans.* When evaluating ESI plans available through an employer, if there is more than one cost-effective insurance plan available, the department will pay the premium for only one plan. The member may choose the cost-effective plan in which to enroll.

75.21(7) *Effective date of premium payment.* The effective date of premium payments for a cost-effective health plan will be determined as follows:

a. Premium payments shall begin the later of:

(1) The first day of the month in which the Employer's Statement of Earnings, HIPP Program Application, or the automated HIPP referral is received by the HIPP unit; or

(2) The first day of the first month in which the health plan is determined to be cost-effective.

b. If the person is not enrolled in the insurance plan when eligibility for participation in the HIPP program is established, premium payments will begin in the month in which the first premium payment is due after enrollment occurs.

c. If there was a lapse in coverage during the application process (e.g., the health plan is dropped and reenrollment occurs at a later date), premium payments will not be made for any period of time before the current effective date of coverage.

d. In no case will payments be made for premiums that were used as a deduction to income for determining client participation or the amount of the spenddown obligation.

e. The Employer Verification of Insurance Coverage will be used to verify the effective date of coverage and costs for persons enrolled in group health plans through an employer.

f. The effective date of coverage of an insurance plan not obtained through an employer will be verified by a copy of the certificate of coverage for the plan or by some other verification from the insurer.

75.21(8) *Method of premium payment.* Payments of premiums will be made directly to the insurance carrier, except as follows:

a. The department may arrange for payment to an employer in order to circumvent a payroll deduction.

b. When an employer will not agree to accept premium payments from the department in lieu of a payroll deduction to the employee's wages, the department will reimburse the employee directly for payroll deductions or for payments made directly to the employer for the payment of premiums. The department will issue reimbursement to the employee five working days before the employee's pay date.

c. When premium payments are occurring through an automatic withdrawal from a bank account by the insurance carrier, the department may reimburse the policyholder for those withdrawals.

d. Payments for COBRA coverage will be made directly to the insurance carrier, the COBRA administrator, or the former employer. Payments may be made directly to the former employee only in those cases where:

(1) Information cannot be obtained for direct payment; or

(2) The department pays for only part of the total premium.

75.21(9) *Payment of claims.* Claims from medical providers for persons participating in this program will be paid in the same manner as claims are paid for other persons with a third-party resource in accordance with the provisions of 441—Chapters 79 and 80.

75.21(10) *Reviews of cost-effectiveness and eligibility.* Reviews of cost-effectiveness and eligibility will be completed annually and may be conducted more frequently at the discretion of the department.

a. Annual review of ESI cost-effectiveness and eligibility will be completed using the HIPP Program Review form.

b. Annual review of individual health plan cost-effectiveness and eligibility will be the HIPP Private Policy Review form.

c. Failure of the household to cooperate in the annual review process will result in cancellation of premium payment.

d. Redeterminations will be completed whenever:

(1) A premium rate, copayment, deductible, or coinsurance changes;

(2) A person covered under the policy loses full Medicaid eligibility;

(3) Changes in employment or hours of employment affect the availability of an insurance plan;

(4) The insurance carrier changes;

(5) The policyholder leaves the Medicaid home;

(6) There is a decrease in the services covered under the policy; or

(7) The Medicaid category of coverage changes.

e. The policyholder shall report changes that may affect the availability of the insurance plan reimbursed by the HIPP program, or changes that affect the cost-effectiveness of the policy, within ten calendar days from the date of the change.

f. If a change in the number of members in the Medicaid household causes the health plan not to be cost-effective, lesser health plan options, as defined in paragraph 75.21(15)*"a,"* will be considered if they are available and cost-effective.

g. When employment ends, hours of employment are reduced, or some other qualifying event affecting the availability of the group health plan occurs, the department will verify whether coverage may be continued under the provisions of COBRA.

(1) The Employer Verification of COBRA Eligibility form may be used for this purpose.

(2) If it is cost-effective to do so, the department will pay premiums to maintain insurance coverage for members after the occurrence of the event that would otherwise result in termination of coverage.

75.21(11) *Time frames for determining cost-effectiveness.* The department will determine cost-effectiveness of the insurance plan and notify the applicant of the decision regarding payment of the premiums within 65 calendar days from the date an application or referral (as defined in subrule 75.21(7)) is received. Additional time may be taken when, for reasons beyond the control of the department or the applicant, information needed to establish cost-effectiveness cannot be obtained within the 65-day period.

75.21(12) *Notices.*

a. Adequate notice will be provided to the household under the following circumstances:

(1) To inform the household of the initial decision on cost-effectiveness and premium payment.

(2) To inform the household that premium payments are being discontinued because Medicaid eligibility has been lost by all persons covered under the health plan.

(3) The insurance plan is no longer available to the family (e.g., the employer no longer provides health insurance coverage or the policy is terminated by the insurance company).

b. The department will provide timely and adequate notice as defined in rule 441—16.2(17A) to inform the household of a decision to discontinue payment of the health insurance premium because:

(1) The department has determined the insurance plan is no longer cost-effective; or

(2) The member has failed to cooperate in providing information necessary to establish continued eligibility for the HIPP program.

75.21(13) *Rate refund.* The department is entitled to any rate refund made when the insurance carrier determines a return of premiums to the policyholder is due for any time period for which the department paid the premium.

75.21(14) *Reinstatement of HIPP eligibility.*

a. When eligibility for the HIPP program is canceled because the persons covered under the insurance plan lose Medicaid eligibility, HIPP eligibility will be reinstated when Medicaid eligibility is reestablished if all other eligibility factors are met.

b. When HIPP eligibility is canceled because of the policyholder's failure to cooperate in providing information necessary to establish continued eligibility for the HIPP program, benefits will be reinstated the first day of the first month in which cooperation occurs if all other eligibility factors are met.

75.21(15) *Amount of insurance premium paid.*

a. For ESI plans, the policyholder shall provide verification of the cost of all possible insurance plan options (i.e., single, employee/children, family).

(1) The HIPP program will pay only for the option that provides coverage to the cost-effective members of the household.

(2) The HIPP program will not pay the portion of the premium cost that is the responsibility of the employer or other plan sponsor.

b. For individual health plans, the HIPP program will pay the cost of covering the cost-effective members covered by the plan.

c. For insurance plans, if another household member must be covered to obtain coverage for the members, the HIPP program will pay the cost of covering that household member if the coverage is cost-effective as determined pursuant to subrules 75.21(3) and 75.21(4).

75.21(16) *Reporting changes.* Failure to report and verify changes may result in cancellation of HIPP benefits.

a. The policyholder shall verify changes by providing a pay stub, a summary of benefits and coverage, a rate sheet, or a letter from the insurance carrier reflecting the change.

b. Changes in employment or the employment-related insurance carrier shall be verified by the employer.

c. Any benefits paid during a period in which there was ineligibility for HIPP due to unreported changes shall be subject to recovery in accordance with the provisions of 441—Chapter 11.

d. Any underpayment that results from an unreported change will be paid effective the first day of the month in which the change is reported.

75.21(17) *Discontinuation of premium payments.*

a. When the household loses Medicaid eligibility, premium payments will be discontinued as of the month of Medicaid ineligibility.

b. When only part of the household loses Medicaid eligibility, the department will complete a review in order to ascertain whether payment of the health insurance premium continues to be cost-effective. If the department determines that the insurance plan is no longer cost-effective, premium payment will be discontinued pending timely and adequate notice.

c. If the household fails to cooperate in providing information necessary to establish ongoing eligibility for the HIPP program, the department will discontinue premium payment after timely and adequate notice. The department will request all information in writing and allow the household ten calendar days in which to provide it.

d. If the policyholder leaves the Medicaid household, premium payments will be discontinued pending timely and adequate notice.

e. If the insurance plan is no longer available or the policy has lapsed, premium payments will be discontinued as of the effective date of the termination of the coverage.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.22(249A) AIDS/HIV health insurance premium payment program. For the purposes of this rule, "AIDS" and "HIV" mean the same as defined in Iowa Code section 141A.1.

75.22(1) *Conditions of eligibility.* The department will pay for the cost of continuing health insurance coverage to persons with AIDS or an HIV-related illness when the following criteria are met:

a. The person with AIDS or an HIV-related illness shall be the policyholder, or the spouse of the policyholder, of an individual or group health plan.

b. The person shall be a resident of Iowa in accordance with the provisions of rule 441—75.10(249A).

c. The person shall not be eligible for Medicaid. The person shall be required to apply for Medicaid benefits when it appears Medicaid eligibility may exist. Persons who are required to meet a spenddown obligation under the medically needy program, as provided in rule 441—75.8(249A), are not considered Medicaid-eligible for the purpose of establishing eligibility under these provisions. When Medicaid eligibility is attained, premium payments shall be made under the provisions of rule 441—75.21(249A) if all criteria of that rule are met.

d. A physician's statement shall be provided verifying the policyholder or the spouse of the policyholder suffers from AIDS or an HIV-related illness. The physician's statement shall also verify that the policyholder or the spouse of the policyholder is or will be unable to continue employment in the person's current position or that hours of employment will be significantly reduced due to AIDS or an HIV-related illness. The Physician's Verification of Diagnosis form shall be used to obtain this information from the physician.

e. Gross income shall not exceed 300 percent of the FPL for a family of the same size. The gross income of all family members will be counted using the definition of gross income under the SSI program.

f. Liquid resources shall not exceed $10,000 per household. The following are examples of countable resources:

(1) Unobligated cash.

(2) Bank accounts.

(3) Stocks, bonds, and certificates of deposit, excluding IRS-defined retirement plans.

g. The health insurance plan must be cost-effective based on the amount of the premium and the services covered.

75.22(2) *Application process.*

a. Application. Persons applying for participation in this program shall complete the AIDS/HIV HIPP Application. The applicant shall be required to provide documentation of income and assets. The application will be available from and may be filed at any county office or the department.

An application will be considered as filed on the date an AIDS/HIV HIPP Application containing the applicant's name, address and signature is received and date-stamped in any county office or the department.

b. Time limit for decision. Every reasonable effort will be made to render a decision within 30 days. Additional time for rendering a decision may be taken when, due to circumstances beyond the control of the applicant or the department, a decision regarding the applicant's eligibility cannot be reached within 30 days (e.g., verification from a third party has not been received).

c. Eligible on the day of decision. No payments will be made for current or retroactive premiums if the person with AIDS or an HIV-related illness is deceased prior to a final eligibility determination being made on the application, if the insurance plan has lapsed, or if the person has otherwise lost coverage under the insurance plan.

d. Waiting list. After funds appropriated for this purpose are obligated, the department will deny pending applications. The department will mail a notice of decision within ten calendar days following the determination that funds have been obligated. The notice will state that the applicant meets eligibility requirements but no funds are available and that the applicant will be placed on the waiting list or that the applicant does not meet eligibility requirements. Applicants not awarded funding who meet the eligibility requirements will be placed on a statewide waiting list according to the order in which the completed applications were filed. In the event that more than one application is received at one time, applicants will be entered on the waiting list on the basis of the day of the month of the applicant's birthday, lowest number being first on the waiting list. Any subsequent tie will be decided by the month of birth, January being month one and the lowest number.

75.22(3) *Presumed eligibility.* The applicant may be presumed eligible to participate in the program for a period of two calendar months or until a decision regarding eligibility can be made, whichever is earlier. Presumed eligibility will be granted when all of the following occur:

a. The application is accompanied by a completed Physician's Verification of Diagnosis form.

b. The application is accompanied by a premium statement from the insurance carrier indicating the policy will lapse before an eligibility determination can be made.

c. It can be reasonably anticipated that the applicant will be determined eligible from income and resource statements on the application.

75.22(4) *Family coverage.* When the person is enrolled in a policy that provides health insurance coverage to other members of the family, only that portion of the premium required to maintain coverage for the policyholder or the policyholder's spouse with AIDS or an HIV-related illness will be paid under this rule unless modification of the policy would result in a loss of coverage for the person with AIDS or an HIV-related illness.

75.22(5) *Method of premium payment.* Premiums shall be paid in accordance with the provisions of subrule 75.21(8).

75.22(6) *Effective date of premium payment.* Premium payments will be effective with the month of application or the effective date of eligibility, whichever is later.

75.22(7) *Reviews.* The department will review circumstances of persons participating in the program quarterly to ensure eligibility criteria continue to be met. The AIDS/HIV HIPP Program Review form shall be completed by the recipient or someone acting on the recipient's behalf for this purpose.

75.22(8) *Termination of assistance.* Premium payments for otherwise eligible persons shall be paid under this rule until one of the following conditions is met:

a. The person becomes eligible for Medicaid. In which case, premium payments shall be paid in accordance with the provisions of rule 441—75.21(249A).

b. The insurance coverage is no longer available.

c. Maintaining the insurance plan is no longer considered the most cost-effective way to pay for medical services.

d. Funding appropriated for the program is exhausted.

e. The person with AIDS or an HIV-related illness dies.

f. The person fails to provide requested information necessary to establish continued eligibility for the program.

75.22(9) *Notices.*

a. An adequate notice as defined in rule 441—16.1(17A) will be provided under the following circumstances:

(1) To inform the applicant of the initial decision regarding eligibility to participate in the program.

(2) To inform the recipient that premium payments are being discontinued under these provisions because Medicaid eligibility has been attained and premium payments will be made under the provisions of rule 441—75.21(249A).

(3) To inform the recipient that premium payments are being discontinued because the policy is no longer available.

(4) To inform the recipient that premium payments are being discontinued because funding for the program is exhausted.

(5) The person with AIDS or an HIV-related illness dies.

b. A timely and adequate notice as defined in rule 441—16.2(17A) will be provided to the recipient informing the recipient of a decision to discontinue payment of the health insurance premium when the recipient no longer meets the eligibility requirements of the program or fails to cooperate in providing information to establish eligibility.

75.22(10) *Confidentiality.* The department will protect the confidentiality of persons participating in the program in accordance with Iowa Code section 141A.9. When it is necessary for the department to contact a third party to obtain information in order to determine initial or ongoing eligibility, a Consent to Obtain and Release Information form shall be signed by the recipient authorizing the department to make the contact.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.23(249A) Disposal of assets for less than fair market value after August 10, 1993. In determining Medicaid eligibility for persons described in 441—Chapters 75 and 83, a transfer of assets occurring after August 10, 1993, will affect Medicaid payment for medical services as provided in this rule.

75.23(1) *Ineligibility for services.* When an individual or spouse has transferred or disposed of assets for less than fair market value as defined in 75.23(11) on or after the look-back date specified in subrule 75.23(2), the individual shall be ineligible for medical assistance as provided in this subrule.

a. Institutionalized individual. When an institutionalized individual or the spouse of the individual disposed of assets for less than fair market value on or after the look-back date, the institutionalized individual is ineligible for medical assistance payment for nursing facility services, a level of care in any institution equivalent to that of nursing facility services, and home- and community-based waiver services. The period of ineligibility is equal to the number of months specified in subrule 75.23(3). The department will determine the beginning of the period of ineligibility as follows:

(1) Transfer before February 8, 2006. When assets were transferred before February 8, 2006, the period of ineligibility begins on the first day of the first month during which the assets were transferred, except as provided in subparagraph 75.23(1)*"a"*(3).

(2) Transfer on or after February 8, 2006. Within the limits of subparagraph 75.23(1)*"a"*(3), when the assets were transferred on or after February 8, 2006, the period of ineligibility begins on the later of:

1. The first day of the first month during which the assets were transferred; or

2. The date on which the individual is eligible for medical assistance under this chapter and would be receiving nursing facility services, a level of care in any institution equivalent to that of nursing facility services, or home- and community-based waiver services, based on an approved application for such care, but for the application of this rule.

(3) Exclusive period. The period of ineligibility due to the transfer will not begin during any other period of ineligibility under this rule.

b. Noninstitutionalized individual. When a noninstitutionalized individual or the spouse of the individual disposed of assets for less than fair market value on or after the look-back date, the individual is ineligible for medical assistance payment for home health care services, home and community care for functionally disabled elderly individuals, personal care services, and other long-term care services. The period of ineligibility is equal to the number of months specified in subrule 75.23(3). The department will determine the beginning of the period of ineligibility as follows:

(1) Transfer before February 8, 2006. When the assets were transferred before February 8, 2006, the period of ineligibility begins on the first day of the first month during which the assets were transferred, except as provided in subparagraph 75.23(1)*"b"*(3).

(2) Transfer on or after February 8, 2006. Within the limits of subparagraph 75.23(1)*"b"*(3), when the assets were transferred on or after February 8, 2006, the period of ineligibility begins on the later of:

1. The first day of the first month during which the assets were transferred; or

2. The date on which the individual is eligible for medical assistance under this chapter and would be receiving home health care services, home and community care for functionally disabled elderly individuals, personal care services, or other long-term care services, based on an approved application for such care, but for the application of this rule.

(3) Exclusive period. The period of ineligibility due to the transfer will not begin during any other period of ineligibility under this rule.

c. Client participation after period of ineligibility. Expenses incurred for long-term care services during a transfer of assets penalty period will not be deducted as medical expenses in determining client participation pursuant to subrule 75.83(2).

75.23(2) *Look-back date.*

a. Transfer before February 8, 2006. When assets were transferred before February 8, 2006, the look-back date is the date that is 36 months (or, in the case of payments from a trust or portion of a trust that are treated as assets disposed of by the individual, 60 months) before:

(1) The date an institutionalized individual is both an institutionalized individual and has applied for medical assistance; or

(2) The date a noninstitutionalized individual applies for medical assistance.

b. Transfer on or after February 8, 2006. When assets were transferred on or after February 8, 2006, the look-back date is the date that is 60 months before:

(1) The date an institutionalized individual is both an institutionalized individual and has applied for medical assistance; or

(2) The date a noninstitutionalized individual applies for medical assistance.

75.23(3) *Period of ineligibility.* The number of months of ineligibility will be equal to the total cumulative uncompensated value of all assets transferred by the individual (or the individual's spouse) on or after the look-back date specified in subrule 75.23(2), divided by the statewide average private-pay rate for nursing facility services at the time of application. The department will determine the average statewide cost to a private-pay resident for nursing facilities and update the cost annually. Current average statewide costs will be published on the department's website.

75.23(4) *Reduction of period of ineligibility.* The number of months of ineligibility otherwise determined with respect to the disposal of an asset will be reduced by the months of ineligibility applicable to the individual prior to a change in institutional status.

75.23(5) *Exceptions.* An individual will not be ineligible for medical assistance under this rule to the extent that:

a. The assets transferred were a home and title to the home was transferred to either:

(1) A spouse of the individual.

(2) A child of the individual who is under the age of 21 or is blind or permanently and totally disabled as defined in 42 U.S.C. Section 1382c.

(3) A sibling of the individual who has an equity interest in the home and who was residing in the individual's home for a period of at least one year immediately before the individual became institutionalized.

(4) A child of the individual who was residing in the individual's home for a period of at least two years immediately before the date of institutionalization and who provided care to the individual that permitted the individual to reside at home rather than in an institution or facility.

b. The assets were transferred:

(1) To the individual's spouse or to another for the sole benefit of the individual's spouse.

(2) From the individual's spouse to another for the sole benefit of the individual's spouse.

(3) To a child of the individual who is blind or permanently and totally disabled as defined in 42 U.S.C. Section 1382c or to a trust established solely for the benefit of such a child.

(4) To a trust established solely for the benefit of an individual under 65 years of age who is disabled as defined in 42 U.S.C. Section 1382c.

c. A satisfactory showing is made that one of the following is true:

(1) The individual intended to dispose of the assets either at fair market value or for other valuable consideration.

(2) The assets were transferred exclusively for a purpose other than to qualify for medical assistance.

(3) All assets transferred for less than fair market value have been returned to the individual.

d. The denial of eligibility would work an undue hardship. Undue hardship exists only when all of the following conditions are met:

(1) Applying the transfer of asset penalty would deprive the individual of medical care such that the individual's health or life would be endangered or of food, clothing, shelter, or other necessities of life.

(2) The person who transferred the resource or the person's spouse has exhausted all means including legal remedies and consultation with an attorney to recover the resource.

(3) The person's remaining available resources (after the attribution for the community spouse) are less than the monthly statewide average cost of nursing facility services to a private pay resident, counting the value of all resources, except for:

1. The home if occupied by a dependent relative or if a licensed physician verifies that the person is expected to return home.
2. Household goods.
3. A vehicle required by the client for transportation.
4. Funds for burial of $4,000 or less.

Hardship will not be found if the resource was transferred to a person who was handling the financial affairs of the client or to the spouse or children of a person handling the financial affairs of the client unless the client demonstrates that payments cannot be obtained from the funds of the person who handled the financial affairs to pay for long-term care services.

75.23(6) *Assets held in common.* In the case of an asset held by an individual in common with another person or persons in a joint tenancy, tenancy in common, or similar arrangement, the asset, or the affected portion of the asset, will be considered to be transferred by the individual when any action is taken, either by the individual or by any other person, that reduces or eliminates the individual's ownership or control of the asset.

75.23(7) *Transfer by spouse.* In the case of a transfer by a spouse of an individual that results in a period of ineligibility for medical assistance under the state plan for the individual, the period of ineligibility will be apportioned between the individual and the individual's spouse if the spouse otherwise becomes eligible for medical assistance under the state plan. The remaining penalty period will be evenly divided on a monthly basis, with any remaining month of penalty (prorated as a half month to each spouse) applied to the spouse who initiated the transfer action.

If a spouse subsequently dies prior to the end of the penalty period, the remaining penalty period will be applied to the surviving spouse's period of ineligibility.

75.23(8) *Definitions.* For the purposes of this rule the following definitions apply:

"Assets" includes all income and resources of the individual and the individual's spouse, including any income or resources that the individual or the individual's spouse is entitled to but does not receive because of action by:

1. The individual or the individual's spouse.
2. A person, including a court or administrative body, with legal authority to act in place of or on behalf of the individual or the individual's spouse.
3. Any person, including any court or administrative body, acting at the direction or upon the request of the individual or the individual's spouse.

"Income" means the same as defined in 42 U.S.C. Section 1382a.

"Institutionalized individual" means an individual who is an inpatient in a nursing facility, who is an inpatient in a medical institution and with respect to whom payment is made based on a level of care provided in a nursing facility, or who is eligible for home- and community-based waiver services.

"Resources" means the same as defined in 42 U.S.C. Section 1382b without regard (in the case of an institutionalized individual) to the exclusion of the home and land appertaining thereto.

"Transfer or disposal of assets" means any transfer or assignment of any legal or equitable interest in any asset as defined above, including:

1. Giving away or selling an interest in an asset;
2. Placing an interest in an asset in a trust that is not available to the grantor (subparagraph 75.24(2)*"b"*(2));
3. Removing or eliminating an interest in a jointly owned asset in favor of other owners;
4. Disclaiming an inheritance of any property, interest, or right pursuant to Iowa Code section 633E.5 on or after July 1, 2000 (Iowa Code section 249A.3(11)*"c"*);

75.23(9) *Purchase of annuities.* Funds used to purchase an annuity for more than its fair market value will be treated as assets transferred for less than fair market value regardless of when the annuity was purchased or whether the conditions described in this subrule were met.

a. The entire amount used to purchase an annuity on or after February 8, 2006, with a Medicaid applicant or member as the annuitant will be treated as assets transferred for less than fair market value unless the annuity meets one of the conditions described in paragraph 75.23(9)*"b"* and also meets the condition described in paragraph 75.23(9)*"c."*

b. To be exempted from treatment as an asset transferred at less than fair market value, an annuity described in paragraph 75.23(9)*"a"* must meet one of the following conditions:

(1) The annuity is an annuity described in Subsection (b) or (q) of Section 408 of the United States Internal Revenue Code of 1986 as amended to August 1, 2025 (U.S. IRC).

(2) The annuity is purchased with proceeds from:

1. An account or trust described in Subsection (a), (c), or (p) of Section 408 of the U.S. IRC;
2. A simplified employee pension (within the meaning of Section 408(k) of the U.S. IRC); or
3. A Roth IRA described in Section 408A of the U.S. IRC.

(3) The annuity:

1. Is irrevocable and nonassignable;
2. Is actuarially sound (as determined in accordance with actuarial publications of the Office of the Chief Actuary of the SSA); and
3. Provides for payments in equal amounts during the term of the annuity, with no deferral and no balloon payments made.

c. To be exempted from treatment as an asset transferred at less than fair market value, an annuity described in paragraph 75.23(9)*"a"* must have Iowa named as the remainder beneficiary for at least the total amount of medical assistance paid on behalf of the annuitant or the annuitant's spouse if either is institutionalized. Iowa may be named either:

(1) In the first position; or

(2) In the second position after the spouse or minor or disabled child and in the first position if the spouse or a representative of the child disposes of any of the remainder for less than fair market value.

d. The entire amount used to purchase an annuity on or after February 8, 2006, with the spouse of a Medicaid applicant or member as the annuitant will be treated as assets transferred for less than fair market

value unless Iowa is named as the remainder beneficiary for at least the total amount of medical assistance paid on behalf of the annuitant or the annuitant's spouse if either is institutionalized. Iowa may be named either:

(1) In the first position; or

(2) In the second position after the spouse or minor or disabled child and in the first position if the spouse or a representative of the child disposes of any of the remainder for less than fair market value.

75.23(10) *Purchase of promissory notes, loans, or mortgages.*

a. Funds used to purchase a promissory note, loan, or mortgage after February 8, 2006, will be treated as assets transferred for less than fair market value in the amount of the outstanding balance due on the note, loan, or mortgage as of the date of the individual's application for medical assistance for services described in subrule 75.23(1) unless the note, loan, or mortgage meets all of the following conditions:

(1) Has a repayment term that is actuarially sound (as determined in accordance with actuarial publications of the Office of the Chief Actuary of the SSA).

(2) Provides for payments to be made in equal amounts during the term of the loan, with no deferral and no balloon payments made.

(3) Prohibits the cancellation of the balance upon the death of the lender.

b. Funds used to purchase a promissory note, loan, or mortgage for less than its fair market value will be treated as assets transferred for less than fair market value regardless of whether the note, loan, or mortgage was:

(1) Purchased before February 8, 2006; or

(2) Purchased on or after February 8, 2006, and the conditions described in paragraph 75.23(9)*"a"* were met.

75.23(11) *Purchase of life estates.*

a. The entire amount used to purchase a life estate in another individual's home after February 8, 2006, will be treated as assets transferred for less than fair market value unless the purchaser resides in the home for at least one year after the date of the purchase.

b. Funds used to purchase a life estate in another individual's home for more than its fair market value will be treated as assets transferred for less than fair market value regardless of whether the life estate was:

(1) Purchased before February 8, 2006; or

(2) Purchased on or after February 8, 2006, and the purchaser resided in the home for one year after the date of purchase.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.24(249A) Treatment of trusts established after August 10, 1993. For purposes of determining an individual's eligibility for, or the amount of, medical assistance benefits, trusts (except for trusts specified in subrule 75.24(3)) established after August 10, 1993, will be treated in accordance with subrule 75.24(2).

75.24(1) *Establishment of trust.*

a. For the purposes of this rule, an individual is considered to have established a trust if assets of the individual were used to form all or part of the principal of the trust and if any of the following individuals established the trust other than by will:

(1) The individual,

(2) The individual's spouse, or

(3) A person, including a court or administrative body:

1. With legal authority to act in place of or on behalf of the individual or the individual's spouse, or

2. Acting at the direction or upon the request of the individual or the individual's spouse.

b. The term "assets," with respect to an individual, includes all income and resources of the individual and of the individual's spouse, including any income or resources that the individual or the individual's spouse is entitled to but does not receive because of action by:

(1) The individual,

(2) The individual's spouse, or

(3) A person, including a court or administrative body:

1. With legal authority to act in place of or on behalf of the individual or the individual's spouse, or

2. Acting at the direction or upon the request of the individual or the individual's spouse.

c. In the case of a trust, the principal of which includes assets of an individual and assets of any other person or persons, the provisions of this rule apply to the portion of the trust attributable to the individual.

d. This rule applies without regard to:

(1) The purposes for which a trust is established.

(2) Whether the trustees have or exercise any discretion under the trust.

(3) Any restrictions on when or whether distribution may be made for the trust.

(4) Any restriction on the use of distributions from the trust.

e. The term "trust" includes any legal instrument or device that is similar to a trust, including a conservatorship.

75.24(2) *Treatment of revocable and irrevocable trusts.*

a. In the case of a revocable trust:

(1) The principal of the trust will be considered an available resource.

(2) Payments from the trust to or for the benefit of the individual will be considered income of the individual.

(3) Any other payments from the trust will be considered assets disposed of by the individual subject to the penalties described in rule 441—75.23(249A) and 441—Chapter 89.

b. In the case of an irrevocable trust:

(1) If there are any circumstances under which payment from the trust could be made to or for the benefit of the individual, the portion of or income on the principal from which payment to the individual could be made will be considered an available resource to the individual and payments from that principal or income to or for the benefit of the individual will be considered income to the individual. Payments for any other purpose will be considered a transfer of assets by the individual subject to the penalties described in rule 441—75.23(249A) and 441—Chapter 89.

(2) Any portion of the trust from which, or any income on the principal from which no payment could under any circumstances be made to the individual will be considered as of the date of establishment of the trust (or, if later, the date on which payment to the individual was foreclosed) to be assets disposed of by the individual subject to the penalties specified in subrule 75.23(3) and 441—Chapter 89. The value of the trust will be determined for this purpose by including the amount of any payments made from this portion of the trust after this date.

75.24(3) *Exceptions.* This rule does not apply to any of the following:

a. A trust that contains the assets of an individual under the age of 65 who is disabled (as defined in Section 1614(a)(3) of the Act) and that is established for the benefit of the individual by a parent, grandparent, legal guardian of the individual, or court if the state will receive all amounts remaining in the trust upon the death of the individual up to an amount equal to the total medical assistance paid on behalf of the individual.

b. A trust established for the benefit of an individual if the trust is composed only of pension, social security, and other income to the individual (and accumulated income of the trust); the state will receive all amounts remaining in the trust upon the death of the individual up to the amount equal to the total medical assistance paid on behalf of the individual. For disposition of trust amounts pursuant to Iowa Code chapter 633C, the average statewide charges and Medicaid rates are updated annually and will be published on the department's website.

c. A trust containing the assets of an individual who is disabled (as defined in Section 1614(a)(3) of the Act) that meets the following conditions:

(1) The trust is established and managed by a nonprofit association.

(2) A separate account is maintained for each beneficiary of the trust, but for purposes of investment and management of funds, the trust pools these accounts.

(3) Accounts in the trust are established solely for the benefit of individuals who are disabled (as defined in Section 1614(a)(3) of the Act) by the parent, grandparent, or legal guardian of the individuals; by the individuals; or by a court.

(4) To the extent that amounts remaining in the beneficiary's account upon death of the beneficiary are not retained by the trust, the trust pays to the state from the remaining amounts in the account an amount equal to the total amount of medical assistance paid on behalf of the beneficiary.
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.25(249A) Treatment of Medicaid qualifying trusts.

75.25(1) A Medicaid qualifying trust is a trust or similar legal device established on or before August 10, 1993, other than by will by a person or that person's spouse under which the person may be the beneficiary of payments from the trust and the distribution of these payments is determined by one or more trustees who are permitted to exercise any discretion with respect to the distribution to the person. Trusts or initial trust decrees established prior to April 7, 1986, solely for the benefit of an intellectually disabled person who resides in an ICF-ID are exempt.

75.25(2) The amount of income and principal from a Medicaid qualifying trust that will be considered available will be the maximum amount permitted under the terms of the trust assuming the full exercise of discretion by the trustee or trustees for the distribution of the funds.

a. Trust income considered available will be counted as income.

b. Trust principal (including accumulated income) considered available will be counted as a resource, except where the trust explicitly limits the amount of principal that can be made available on an annual or less frequent basis. Where the trust limits the amount, the principal considered available over any particular period of time will be counted as income for that period of time.

c. To the extent that the trust principal and income are available only for medical care, the principal or income will not be used to determine eligibility. To the extent that the trust is restricted to medical expenses, it will be used as a third-party resource.
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.26(249A) Conservatorships.

75.26(1) *Conservatorships established prior to February 9, 1994.* The department will determine whether assets from a conservatorship established prior to February 9, 1994, except one established solely for the payment of medical expenses, are available by examining the language of the order establishing the conservatorship.

a. Funds clearly conserved and available for care, support, or maintenance will be considered toward income limitations and resource limitations when applicable for the coverage group.

b. When assets in the conservatorship are not clearly available, the department may contact the conservator and request that the funds in the conservatorship be made available for current support and maintenance. When the conservator chooses not to make the funds available, the department may petition the court to have the funds released either partially or in their entirety or as periodic income payments.

c. Funds in a conservatorship that are not clearly available will be considered unavailable until the conservator or court actually makes the funds available.

d. Payments received from the conservatorship for basic or special needs are considered income.

75.26(2) *Conservatorships established on or after February 9, 1994.* Conservatorships established on or after February 9, 1994, will be treated according to the provisions of paragraphs 75.24(1)*"e"* and 75.24(2)*"b."*
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.27(249A) AIDS/HIV settlement payments. The following payments are exempt as income and resources when determining eligibility for or the amount of Medicaid benefits under any coverage group if the payments are kept in a separate, identifiable account:

75.27(1) *Class settlement payments.* Payments made from any fund established pursuant to a class settlement in the case of Susan Walker v. Bayer Corporation, et al., 96-C-5024 (N.D. Ill.) are exempt.

75.27(2) *Other settlement payments.* Payments made pursuant to a release of all claims in a case that is entered into in lieu of the class settlement referred to in subrule 75.27(1) and that is signed by all affected parties in the cases on or before the later of December 31, 1997, or the date that is 270 days after the date

on which the release is first sent to the person (or the legal representative of the person) to whom payment is to be made are exempt.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.28(249A) Recovery.

75.28(1) *Definitions.* For the purposes of this rule, the following definitions apply:

"Administrative overpayment" means medical assistance incorrectly paid to or for the client because of continuing assistance during the appeal process or allowing a deduction for the Medicare Part B premium in determining client participation while the department arranges to pay the Medicare premium directly.

"Agency error" means medical assistance incorrectly paid to or for the client because of action attributed to the department as the result of one or more of the following circumstances:

1. Misfiling or loss of forms or documents.
2. Errors in typing or copying.
3. Computer input errors.
4. Mathematical errors.
5. Failure to determine eligibility correctly or to certify assistance in the correct amount when all essential information was available to the department.
6. Failure to make prompt revisions in medical payment following changes in policies requiring the changes as of a specific date.

"Client" means a current or former Medicaid member.

"Client error" means medical assistance incorrectly paid to or for the client because the client or client's representative failed to disclose information or gave false or misleading statements, oral or written, regarding the client's income, resources, or other eligibility and benefit factors. "Client error" also means assistance incorrectly paid to or for the client because of failure by the client or client's representative to timely report as defined in rule 441—76.15(249A).

"Premiums paid for medical assistance" means monthly premiums assessed to a member or household for Medicaid or IHAWP coverage.

75.28(2) *Amount subject to recovery.* The department will recover from a client all Medicaid funds incorrectly expended to or on behalf of the client and all unpaid premiums assessed by the department for medical assistance. The incorrect expenditures or unpaid premiums may result from client or agency error or administrative overpayment.

75.28(3) *Notification.* All clients will be promptly notified when it is determined that assistance was incorrectly expended or when assessed premiums are unpaid.

a. Notification of incorrect expenditures will include:

(1) The person for whom assistance was paid;
(2) The period during which assistance was incorrectly paid;
(3) The amount of assistance subject to recovery; and
(4) The reason for the incorrect expenditure.

b. Notification of unpaid premiums will include:

(1) The amount of the premium; and
(2) The month covered by the medical assistance premium.

75.28(4) *Source of recovery.* Recovery will be made from the client or from parents of children under the age of 21 when the parents completed the application and had responsibility for reporting changes. Recovery may come from income, resources, the estate, income tax refunds, and lottery winnings of the client.

75.28(5) *Repayment.* The repayment of incorrectly expended Medicaid funds shall be made to the department. However, repayment of funds incorrectly paid to a nursing facility, a Medicare-certified skilled nursing facility, a psychiatric medical institution for children, an ICF-ID, or a mental health institute enrolled as an inpatient psychiatric facility may be made by the client to the facility. The department will then recover the funds from the facility through a vendor adjustment.

75.28(6) *Appeals.* The client shall have the right to appeal the amount of funds subject to recovery under the provisions of 441—Chapter 2506.

75.28(7) *Estate recovery.* Medical assistance, including the amount the state paid to a managed care organization (MCO) for provision of medical services, also called capitation fees, is subject to recovery from the estate of a Medicaid member, of the member's surviving spouse, or of the member's surviving child as provided in this subrule. Effective January 1, 2010, medical assistance that has been paid for Medicare cost sharing or for benefits described in Section 1902(a)(10)(E) of the Act is not subject to recovery. All assets included in the estate of the member, the surviving spouse, or the surviving child are subject to probate for the purposes of medical assistance estate recovery pursuant to Iowa Code section 249A.53(2)*"d."* The classification of the debt is defined in Iowa Code section 633.425(7).

a. Definitions. In addition to the definitions in subrule 75.28(1), the following definitions apply:

"Capitated payment/rate" means a monthly payment to the contractor on behalf of each member for the provision of health services under the contract. Payment is made regardless of whether the member receives services during the month.

"Estate." For the purpose of this subrule, the "estate" of a Medicaid member, a surviving spouse, or a surviving child shall include all real property, personal property, or any other asset in which the member, spouse, or surviving child had any legal title or interest at the time of death, or at the time a child reaches the age of 21, to the extent of that interest. An estate includes but is not limited to interest in jointly held property, retained life estates, and interests in trusts.

"Managed care organization" or *"MCO"* means an entity that:

1. Is under contract with the department to provide services to Medicaid recipients, and
2. Meets the definition of "health maintenance organization" in Iowa Code section 514B.1.

b. Debt due for member 55 years of age or older. Receipt of medical assistance when a member is 55 years of age or older creates a debt due to the department from the member's estate upon the member's death for all medical assistance provided on the member's behalf on or after July 1, 1994.

c. Debt due for member under the age of 55 in a medical institution.

(1) Receipt of medical assistance creates a debt due to the department from the member's estate upon the member's death for all medical assistance provided on the member's behalf on or after July 1, 1994, when the member:

1. Is under the age of 55;
2. Is a resident of a nursing facility, an ICF-ID, or a mental health institute; and
3. Cannot reasonably be expected to be discharged and return home.

(2) If the member is discharged from the facility and returns home before staying six consecutive months, no debt will be assessed for medical assistance payments made on the member's behalf for the time in the institution.

(3) If the member remains in the facility for six consecutive months or longer or dies before staying six consecutive months, the department will presume that the member cannot or could not reasonably be expected to be discharged and return home and a debt due will be established. The department will notify the member of the presumption and the establishment of a debt due.

d. Request for a determination of ability to return home. Upon receipt of a notice of the establishment of a debt due based on the presumption that the member cannot return home, the member or someone acting on the member's behalf may request that the department determine whether the member can or could reasonably have been expected to return home.

(1) When a written request is made within 30 days of the notice that a debt due will be established, no debt due will be established until the department has made a decision on the member's ability to return home. If the determination is that there is or was no ability to return home, a debt due will be established for all medical assistance as of the date of entry into the institution.

(2) When a written request is made more than 30 days after the notice that a debt due will be established, a debt due will be established for medical assistance provided before the request even if the determination is that the member can or could have returned home.

e. Determination of ability to return home. When the member or someone acting on the member's behalf requests a determination, the department will determine if the member can or could have returned home.

(1) The department cannot make a determination until the member has been in an institution at least six months or after the death of the member, whichever is earlier. The department will notify the member or the member's representative and the department of the determination.

(2) If the determination is that the member can or could return home, Iowa Medicaid will establish the date the return is expected or could have been expected to occur.

(3) If the determination is that the member cannot or could not return home, a debt due will be established unless the member or the member's representative asks for a reconsideration of the decision. The department will notify the member or the member's representative of the reconsideration decision.

(4) If the reconsideration decision is that the member cannot or could not return home, a debt due will be established against the member unless the decision is appealed pursuant to 441—Chapter 2506. The appeal decision will determine the final outcome for the establishment of a debt due and the period when the debt is established.

f. Debt collection.

(1) A nursing facility participating in the medical assistance program shall notify the department upon the death of a member residing in the facility by submitting a form prescribed by the department.

(2) Upon receipt of the form or a report of a member's death through other means, the department will request a statement of the member's assets from the member's personal representative. The representative shall sign and return a form prescribed by the department indicating whether assets remain and, if so, what the assets are and what higher priority expenses exist.

EXCEPTION: The procedures in this subparagraph are not necessary when a probate estate has been opened because those procedures provide for an inventory, an accounting, and a final report of the estate.

g. Waiving the collection of debt.

(1) The department will waive the collection of the debt created under this subrule from the estate of the member to the extent that collection of the debt would result in either of the following:

1. Reduction in the amount received from the member's estate by a surviving spouse or by a surviving child who is under the age of 21, blind, or permanently and totally disabled at the time of the member's death.

2. Creation of an undue hardship for the person seeking a waiver of estate recovery. Undue hardship exists when total household income is less than 200 percent of the FPL for a household of the same size; total household resources do not exceed $10,000; and application of estate recovery would result in deprivation of food, clothing, shelter, or medical care such that life or health would be endangered. For this purpose, "income" and "resources" will be defined as being under FIP.

(2) To apply for a waiver of estate recovery due to undue hardship, the person shall provide a written statement and supporting verification to the department within 30 days of the notice of estate recovery pursuant to Iowa Code section 249A.53(2).

(3) The department will determine whether undue hardship exists on a case-by-case basis. Appeals of adverse decisions regarding an undue hardship determination may be filed in accordance with 441—Chapter 2506.

h. Amount waived. If collection of all or part of a debt is waived pursuant to paragraph 75.28(7)*"g,"* to the extent that the person received the member's estate, the amount waived will be a debt due from the following:

(1) The estate of the member's surviving spouse, upon the death of the spouse.

(2) The estate of the member's surviving child who is blind or has a disability, upon the death of the child.

(3) A surviving child who was under 21 years of age at the time of the member's death, when the child reaches the age of 21.

(4) The estate of a surviving child who was under 21 years of age at the time of the member's death, if the child dies before reaching the age of 21.

(5) The hardship waiver recipient, when the hardship no longer exists.

(6) The estate of the recipient of the undue hardship waiver, at the time of death of the hardship waiver recipient.

i. *Impact of asset disregard on debt due.* The estate of a member who is eligible for Medicaid under subrule 75.82(5) will not be subject to a claim for Medicaid paid on the member's behalf up to the amount of the assets disregarded by asset disregard. Medicaid paid on behalf of the member before these conditions will be recovered from the estate, regardless of the member's having purchased precertified or approved insurance.

j. *Interest on debt.* Interest will accrue on a debt due under this subrule in accordance with Iowa Code section 249A.53(2)*"e."*

k. *Reimbursement to a county.* If a county reimburses the department for medical assistance provided under this subrule and the amount of medical assistance is subsequently repaid through a medical assistance income trust or a medical assistance special needs trust as defined in Iowa Code chapter 633C, the department will reimburse the county on a proportionate basis.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26; Editorial change: IAC Supplement 6/10/26]

441—75.29(249A) Investigation of eligibility. An applicant or member shall cooperate when the applicant's or member's case is selected by the department or the department of inspections, appeals, and licensing for verification of eligibility unless the investigation revolves solely around the circumstances of a person whose income and resources do not affect Medicaid eligibility. (More information is contained in 481—Chapter 72.) Failure to cooperate will serve as a basis for denial of an application or discontinuance of Medicaid unless the Medicaid eligibility is determined by SSA. Once a person's eligibility is denied or discontinued for failure to cooperate, the person may reapply but will not be determined eligible until cooperation occurs.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.30 to **75.49** Reserved.

DIVISION II
ELIGIBILITY FACTORS SPECIFIC TO FAMILY-RELATED COVERAGE GROUPS

441—75.50(249A) Eligibility factors specific to child. A child must meet the requirements of this rule to be eligible for FMAP or the coverage groups specified in subrules 75.3(6), 75.3(7), and 75.3(14).

75.50(1) *Age and school attendance.* Medicaid will be available to a child under the age of 18 without regard to school attendance.

a. The effect of age on the child's eligibility will be determined pursuant to rule 441—75.52(249A).

b. Medicaid will also be available to a child aged 18 years who is a full-time student in a secondary school, or in the equivalent level of vocational or technical training, and who is reasonably expected to complete the program before reaching the age of 19 if the following criteria are met:

(1) A child will be considered attending school full-time when enrolled or accepted in a full-time (as certified by the school or institute attended) elementary, secondary or the equivalent level of vocational or technical school or training leading to a certificate or diploma. Correspondence school is not an allowable program of study.

(2) A child will also be considered to be in regular attendance in months when the child is not attending because of an official school or training program vacation, illness, convalescence, or family emergency. A child meets the definition of regular school attendance until the child has been officially dropped from the school rolls.

(3) When a child's education is temporarily interrupted pending adjustment of an education or training program, exemption will be continued for a reasonable period of time to complete the adjustment.

75.50(2) *Residing with a parent or other caretaker.* The child shall be living in the home of a parent or other caretaker as defined in rule 441—75.1(249A). The parent or other caretaker must meet the requirements of rule 441—75.51(249A).

a. When the mother intends to place her child for adoption shortly after birth, the child will be considered as living with the mother until the time custody is actually relinquished.

b. Living with a parent or other caretaker implies the existence of a relationship involving an accepted responsibility on the part of the caretaker for the primary care of the child. A non-parental caretaker must attest to having primary responsibility for the child's care pursuant to paragraph 75.51(2) *"b."*

c. A child can receive Medicaid in one household only. In a joint custody situation, when a child lives in the home of one parent or other caretaker some of the time and also lives in the separate home of the other parent or another caretaker, who the child will be considered to be living with is determined as follows:

(1) As specified in a court order or binding separation, divorce or custody agreement, or,

(2) If there is no such order, the parent or other caretaker with whom the child spends most nights will be considered the custodial parent or other caretaker. When a child spends equal amounts of time in the home of each parent and both parents apply for Medicaid for the child, the parents must decide which parent will continue with the application. Likewise, when a child spends equal amounts of time in the home of a parent and the home of another caretaker, the parent or other caretaker must decide which caretaker will continue with the application. If the parents, or the parent and other caretaker, cannot reach a decision, the department will make the determination based on the totality of the available information.

d. Upon the determination that a child is living with a parent or other caretaker, the Medicaid household size for each applicant or member is determined according to rule 441—75.72(249A) for the purpose of determining eligibility.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.51(249A) Eligibility factors specific to parents and caretakers.

75.51(1) *FMAP and other requirements.* To be eligible for FMAP or the coverage groups specified in subrules 75.3(6), 75.3(7), and 75.3(14), a parent or other caretaker must:

a. Meet the definition of "parent" or "caretaker" in rule 441—75.1(249A);

b. Live with an eligible child as defined in rule 441—75.50(249A); and

c. Satisfy the FMAP requirements specified in subrule 75.3(1) and the general conditions of eligibility specified in this chapter.

75.51(2) *Assumes primary responsibility for care of child.* To be eligible for FMAP, the parent or other caretaker living in the home with the child must assume primary responsibility for the care of the child.

a. A parent who is living with their child is presumed to have primary responsibility for the child's care.

b. For a child and a non-parental caretaker to meet the requirements of this subrule, the non-parental caretaker who is living with the child must attest to having primary responsibility for the child's care on an application or other document submitted to the department.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.52(249A) The effect of age on eligibility. When age is an eligibility factor and a person has reached the age limit, the birth date impacts eligibility for the birth month.

75.52(1) A person is eligible for the entire month in which the person's birth date occurs, unless the birthday falls on the first day of the month. Ineligibility based on age will be effective the first of the month following the birth month.

75.52(2) A person whose birth date is on the first day of the month is not eligible for the age-limited coverage group for the birth month. Ineligibility based on age will be effective on the person's birth date.

75.52(3) This rule applies to the following coverage groups:

a. FMAP;

b. MAC;

c. Child medical assistance program (CMAP);

d. Subsidized guardianship medically needy program;

e. Children eligible under Title IV-E;

f. State-only funded medical assistance for children in foster care or subsidized adoption;

g. State-only funded medical assistance for children in subsidized guardianship; and

h. Medicaid for former foster care youth (EMIYA).

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.53(249A) Absence from the home.

75.53(1) A person who is absent from the home will not be included in the household, except when temporarily absent as described in subrule 75.53(2).

a. A parent who is permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday is considered absent from the home.

b. A parent whose absence from the home is due solely to a pattern of employment is not considered to be absent.

c. A parent whose absence is occasioned solely by reason of the performance of active duty in the uniformed services of the United States is considered absent from the home. "Uniformed service" means the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanographic and Atmospheric Administration, or Public Health Service of the United States.

75.53(2) The needs of a person who is temporarily absent from the home are included in a household if otherwise eligible. A temporary absence exists in any of the following circumstances:

a. A person is anticipated to be in a medical institution for less than a year, as verified by a physician's statement. Failure to return within one year from the date of entry into the medical institution will result in the person no longer being included in the household;

b. A child is out of the home to secure education or training as defined in paragraph 75.50(1)*"b"* as long as the child remains a dependent;

c. A parent or other caretaker is temporarily out of the home to secure education or training and was in the household before leaving the home to secure education or training. For this purpose, "education or training" means any academic or vocational training program that prepares a person for a specific professional or vocational area of employment; or

d. A person is out of the home for reasons other than reasons in paragraphs 75.53(2)*"a"* through *"c"* and intends to return to the home within three months. Failure to return within three months from the date the person left the home will result in the person no longer being included in the household.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.54(249A) Pending SSI approval. When a person who would ordinarily be in the family-related Medicaid household has applied for SSI benefits, the person's needs will be included in the family-related Medicaid household pending approval of SSI.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.55(249A) Resources not considered. There is no resource test to determine eligibility for family-related Medicaid coverage groups.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.56(249A) Income eligibility. Unless otherwise stated within this chapter, income eligibility under family-related coverage groups will be determined using MAGI methodologies pursuant to Division III of this chapter.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.57 to **75.69** Reserved.

DIVISION III
FINANCIAL ELIGIBILITY BASED ON MODIFIED ADJUSTED GROSS INCOME (MAGI)

441—75.70(249A) Financial eligibility based on MAGI. Notwithstanding any other provision of this chapter, financial eligibility for Medicaid is determined using MAGI and household income pursuant to 42 U.S.C. §1396a(e)(14) to the extent required by that section as a condition of federal funding under Title XIX of the Act. For this purpose, financial eligibility for Medicaid includes any applicable purpose for

which a determination of income is required for a coverage group that is subject to MAGI methodology as specified in rule 441—75.71(249A) and defined in rule 441—75.1(249A), including the imposition of any premiums or cost sharing.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.71(249A) Coverage groups subject to MAGI methodology. Financial eligibility will be determined under MAGI methodology for the following coverage groups:

1. FMAP as described in subrule 75.3(1).
2. MAC program as described in subrule 75.3(2).
3. Hawki as described in 441—Chapter 86.
4. IHAWP as described in 441—Chapter 74.
5. RMA as described in subrule 75.5(3).

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.72(249A) MAGI household composition. For the purpose of determining financial eligibility, each applicant's or member's household is determined based on federal tax policy and with regard to the applicant's or member's federal tax status as described below.

75.72(1) *Applicant or member is a tax-filer.* An applicant or member who expects to file a federal tax return for the year in which the applicant or member requests Medicaid and does not expect to be claimed as a tax dependent by another taxpayer is considered a tax-filer. A tax-filer's Medicaid household includes:

a. The tax-filer,

b. The tax-filer's spouse, under either of the following circumstances:

(1) The tax-filer and spouse are living together, or

(2) The expected tax status is married filing jointly, regardless of whether the spouse is present in the home, and

c. Each dependent that the tax-filer expects to claim.

75.72(2) *Applicant or member is a tax dependent.* An applicant or member who expects to be claimed as a tax dependent on a federal tax return for the year in which the applicant or member requests Medicaid is a tax dependent. A tax dependent's Medicaid household is the same as the tax-filer who claims the dependent, except the dependent's household is determined pursuant to subrule 75.72(3) when the dependent:

a. Expects to be claimed by someone other than a spouse or parent.

b. Is a child under the age of 19 who expects to be claimed by one parent while living with two parents who do not expect to file a joint return.

c. Is a child under the age of 19 who expects to be claimed by a noncustodial parent in accordance with a court order or binding separation, divorce, or custody agreement establishing physical custody controls. If there is no such order or agreement, the custodial parent is the parent with whom the child spends most nights pursuant to subparagraph 75.50(2)*"c"*(2).

75.72(3) *Applicant or member is a non-filer (does not file taxes) and is not claimed as a tax dependent.*

a. This subrule applies to an applicant or member who:

(1) Does not expect to file a federal tax return for the year in which Medicaid is requested,

(2) Does not expect to be claimed as a tax dependent for the year in which Medicaid is requested, or

(3) Meets an exception described in paragraph 75.72(2)*"a," "b,"* or *"c."*

b. The household consists of the applicant or member and each of the following who is living with and in relation to the applicant:

(1) Parent, when the applicant or member is a child under the age of 19.

(2) Spouse.

(3) Child under the age of 19.

(4) Sibling under the age of 19, when the applicant or member is a child under the age of 19.

c. For the purpose of paragraph 75.72(3)*"b,"* "living with" must be in accordance with subrule 75.50(2).

75.72(4) *Married couples.* In the case of a married couple living together, each spouse will be included in the household of the other spouse, regardless of federal tax status.

75.72(5) *Pregnancy.*

a. Household size. In establishing eligibility for a pregnant woman or any person whose household includes a pregnant woman, the unborn child (or children if more than one fetus exists) will be considered when determining the number of persons in the household.

b. Verification of pregnancy. The applicant's or member's attestation of the pregnancy, date of conception, due date, and number of children expected to deliver will serve as verification unless questionable as determined by the department.

75.72(6) *Applicant or member attestation of federal tax status.* The department will accept the applicant's or member's statement of the applicant's or member's federal tax status and claimed dependents or such statement from an adult who is living with and in the Medicaid household of an applicant or member who is a child.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.73(249A) Income under MAGI methodology. The total countable earned and unearned income of the applicant or member included in the household as defined in rule 441—75.72(249A) will be considered when determining initial and ongoing Medicaid eligibility for coverage groups that are subject to MAGI methodology as specified in rule 441—75.71(249A). For eligibility to exist, the total countable monthly income of the applicant's or member's household must be at or below the income limit for the applicable coverage group pursuant to rule 441—75.74(249A).

75.73(1) *Household member income exclusions under MAGI.* The income of a household member that meets the requirements of paragraph 75.73(1)*"a"* or *"b"* is excluded from the household's total countable income.

a. Income of children under age 19.

(1) The income of a child under the age of 19 who is:

1. Included in the household of the child's parent, and

2. Not expected to be required to file a federal tax return under 26 U.S.C. Section 6012(a)(1) for the taxable year in which Medicaid is being determined, regardless of whether a tax return is filed by the child for the tax year.

(2) A child with income of less than the threshold determined annually by the IRS is considered not expected to be required to file a tax return for the taxable year in which Medicaid is being determined.

b. Income of tax dependent other than spouse or child.

(1) The income of a tax dependent other than a spouse or a child who is not expected to be required to file a federal tax return under 26 U.S.C. Section 6012(a)(1) for the taxable year in which Medicaid is being determined is not included, regardless of whether a tax return is filed by the tax dependent for the tax year.

(2) A dependent with income of less than the threshold determined annually by the IRS is considered not expected to be required to file a tax return for the taxable year in which Medicaid is being determined.

(3) Any cash support provided to the claimed dependent by the tax-filer.

75.73(2) *Countable income under MAGI.* For the purpose of determining initial and ongoing MAGI Medicaid eligibility, countable income is the amount that remains after allowable expenses and deductions have been subtracted from gross countable income as defined in paragraph 75.73(2)*"a."* Income described in paragraph 75.73(2)*"b"* is excluded as countable income. Allowable expenses and deductions are limited to those allowed in accordance with paragraphs 75.73(2)*"c"* and *"d."*

a. Gross countable income. Gross countable income under MAGI includes income types that are considered as gross income for federal tax purposes pursuant to 26 U.S.C. Sections 61 and 71 through 91 and calculated pursuant to 26 U.S.C. Section 36B(d)(2)(B), except as specified in paragraph 75.73(2)*"b."* Gross countable income for the purpose of Medicaid eligibility under MAGI includes but is not limited to the following income types:

(1) Earned income, including salaries, wages, tips and other compensation for services that include fees, commissions, fringe benefits such as sick pay, vacation pay, severance pay, and similar items, and including foreign earned income and housing expenses of a U.S. citizen or resident who lives abroad even though these types of income may not be taxable.

(2) Gross profit derived from a self-employment trade or business as defined in paragraph 75.73(2)*"e"* and 26 U.S.C. Section 1402;

(3) Capital gains derived from dealings in assets or property;

(4) Interest (taxable and non-taxable);

(5) Rental income, including room and board;

(6) Royalties;

(7) Taxable dividends;

(8) Alimony and separate maintenance payments;

(9) Taxable annuities;

(10) Income from life insurance and endowment contracts;

(11) Pensions;

(12) Income from discharge of indebtedness;

(13) Distributive share of partnership or S-corporation gross income;

(14) Income in respect of a deceased person;

(15) Income from an interest in an estate or trust;

(16) Deemed sponsor income;

(17) Social security benefits (taxable and nontaxable);

(18) Disability payments, including government, private, temporary and permanent payments;

(19) Unemployment Insurance Benefits (UIB);

(20) Gambling winnings;

(21) Survivor's benefits; and

(22) Strike pay.

b. Income types excluded from gross income. Income that meets the following criteria is not considered when determining countable gross income under MAGI despite the fact that the income may be considered for federal tax purposes. The exclusion of these income types is in accordance with 42 CFR Section 435.603(e).

(1) An amount received as a nonrecurring lump sum from a source that is considered in determining adjusted gross income for federal tax purposes pursuant to paragraph 75.73(2)*"a"* is counted only in the month received for determining Medicaid eligibility under MAGI. A nonrecurring lump sum received from a source that is not considered in determining adjusted gross income for federal tax purposes is entirely excluded.

(2) Scholarships, awards, or fellowship grants used for education purposes and not for living expenses are excluded from income.

(3) Certain American Indian and Alaska Native income derived from distributions, payments, ownership interests, real property usage rights, and student financial assistance pursuant to 42 CFR Section 435.603(e)(3) is excluded from income.

(4) Student financial assistance provided under the Bureau of Indian Affairs education programs is excluded from income.

(5) Any other type of income that is not identified as countable in paragraph 75.73(2)*"a"* and is not otherwise included in "adjusted gross income" for federal tax purposes pursuant to 26 U.S.C. Section 62 is excluded from income.

c. Allowable expenses. Expenses that are allowed as deductions from gross income when determining a person's adjusted gross income for federal tax purposes pursuant to 26 U.S.C. Section 62 are subtracted from gross income as defined in paragraphs 75.73(2)*"a"* and *"b"* when determining countable income under MAGI. Allowable expenses include:

(1) Educator expenses.

(2) Certain business expenses of reservists, performing artists, and fee-based government officials.

(3) Health savings account contributions.

(4) Moving expenses for members of the Armed Forces.

(5) Deductible part of self-employment tax.

(6) Contributions to self-employed Simplified Employee Pension (SEP), Savings Incentive Match Plan for Employees of Small Employers (SIMPLE) and Qualified Plans.

(7) Self-employed health insurance contributions.

(8) Amount of penalty for early withdrawal of savings.

(9) Alimony payments made under a divorce or separation agreement executed before January 1, 2019.

(10) Certain individual retirement account (IRA) contributions.

(11) Student loan interest expense.

(12) Expenses directly related with the conduct of a self-employment trade or business, including but not limited to depreciation and capital losses.

d. MAGI Income Deduction. An amount equal to 5 percent of the FPL for the applicable household size will be subtracted from the total monthly countable MAGI income amount when:

(1) An applicant's monthly MAGI income exceeds the highest income limit of all of the coverage groups for which the applicant meets the categorical requirements, and

(2) Deducting 5 percent results in the applicant's income being within the income limit of the coverage group with the highest income limit for which the applicant meets categorical requirements.

e. Self-employment defined for MAGI purposes. A person is considered self-employed if the person:

(1) Carries on a trade or business with the goal of making a profit and is the sole proprietor of the trade or business, or

(2) Is an independent contractor and the person paying for the work has the right to control or to direct only the result of the work and not how the work will be done.

75.73(3) *Income verification.* The department will accept an applicant's or member's attestation of income and use the attested income to determine eligibility when the attested amount is reasonably compatible with electronic data sources as defined in rule 441—75.1(249A).

a. Verification not required. The department will not require the applicant or member to provide verification when attested income is reasonably compatible with EDS or verification is available to the department from other sources.

b. Verification required. When attested income is not reasonably compatible with EDS or verification is not available to the department from other sources, the applicant or member must provide verification of the income in accordance with 441—subrule 76.8(2) or provide a statement that reasonably explains the discrepancy between the attested income and electronic data sources.

75.73(4) *Budgeting procedures for determining financial eligibility under MAGI.* Initial and ongoing financial eligibility under MAGI is based on current monthly household composition and income with consideration given to any anticipated changes or fluctuation in income or expenses pursuant to 42 CFR Section 435.603(h). Total countable earned and unearned income of all persons in the applicant or member household after applicable expenses and deductions is considered in determining financial eligibility under MAGI in accordance with subrules 75.73(1) and 75.73(2).

a. Current monthly household income. Both initial and ongoing eligibility will be based on current monthly income when current income and any applicable expenses are a good indicator of future income except when the income is unemployment insurance benefits as described in paragraph 75.73(4)*"c."*

b. Change in current month's income. If the household indicates that current countable income is not indicative of future income due to a change that is reasonably expected to occur in the current or next month, the amount of monthly income used for initial and ongoing eligibility will be calculated based on the change. When the anticipated change is with unemployment insurance benefits, income will be budgeted as described in paragraph 75.73(4)*"c."*

c. Unemployment insurance benefits (UIB). When current income includes UIB, the monthly amount of UIB income used for initial and ongoing eligibility will be determined by annualizing the remaining balance according to the applicable item below:

(1) For applicants, the monthly amount is determined by using the remaining balance as of the first day of the month in which the application was filed and dividing the balance by 12. If the UIB will end in the application month, the annualized amount will be used for the application month only and no UIB income will be used for months thereafter.

(2) For members in the review process described in rule 441—76.14(249A), the monthly amount is determined by using the remaining balance as of the first day of the month of the new certification period

and dividing the balance by 12. If the UIB will end in the first month of the new certification period, the annualized amount will be used for the first month and no UIB income will be used for months thereafter.

(3) For members reporting a change and not due for review as described in rule 441—76.14(249A), the monthly amount is determined by using the remaining balance as of the first day of the month in which the change can be acted upon in accordance with rule 441—76.16(249A).

d. Recurring lump-sum income. Recurring lump-sum earned and unearned income, except for the income of the self-employed, will be prorated over the number of months for which the income was received and applied to the eligibility determination for the same number of months.

(1) Income received by an individual employed under a contract will be prorated over the period of the contract.

(2) Income received at periodic intervals or intermittently will be prorated over the period covered by the income and applied to the eligibility determination for the same number of months.

EXCEPTION: Periodic or intermittent income from self-employment will be treated as described in paragraph 75.73(4)*"h."*

(3) Applicable expenses and deductions will be applied to the monthly prorated income.

e. Conversion of weekly or biweekly income to a monthly amount. When income received weekly or biweekly (once every two weeks) is projected for future months, it will be projected by adding all income received in the time period being used and dividing the result by the number of instances of income received in that time period. The result will be multiplied by four if the income is received weekly, or by two if the income is received biweekly, regardless of the number of weekly or biweekly payments to be made in future months.

f. Self-employment income. Countable income from self-employment not received on a regular weekly, biweekly, semimonthly or monthly basis will be annualized (annual income averaged over a 12-month period of time) to arrive at the monthly amount to be used to determine eligibility, even if the income is received within a short period of time during that 12-month period. Countable self-employment income is gross countable income as defined in paragraph 75.73(2)*"a"* less allowable expenses pursuant to subrule 75.73(2)*"c."* Any change in self-employment will be handled in accordance with subparagraph 75.73(4)*"f"*(3).

(1) When a self-employment enterprise that does not produce a regular weekly, biweekly, semimonthly or monthly income has been in existence for less than a year, income will be averaged over the period of time the enterprise has been in existence to arrive at a projected monthly amount to be used to determine eligibility. If the enterprise has been in existence for such a short time that there is very little income information or income in the period of time is not a good indicator of future income, the department will establish, with the cooperation of the applicant or member, a reasonable estimate of the projected monthly income to be used for eligibility.

(2) The policies outlined in this paragraph apply when self-employment income is received before the month of decision and the income is expected to continue, in the month of decision, after assistance is approved.

(3) A change in the cost of producing self-employment income is defined as an established, permanent, ongoing change in the operating expenses of a self-employment enterprise that will result in a significant change in the person's annual net income. Change in self-employment income is defined as a change that will result in a significant change in the person's annual income.

1. When an applicant or member reports that change in operating expenses has occurred and the person's self-employment income has been annualized, the department will recalculate the expenses on the basis of the change.

2. When a change in self-employment income occurs and the person's self-employment income has been annualized, the department will recalculate income and expenses on the basis of the change.

3. A change in the cost of producing self-employment income or income received from self-employment that occurs as a result of seasonal business fluctuations is not considered a change for the purpose of this subparagraph.

g. Rounding procedures. The following rounding procedures apply when determining countable MAGI income.

(1) The third digit to the right of the decimal point in any calculation of income will be dropped.

(2) When the monthly countable income is converted to a percentage of the FPL and the resulting percentage is not a whole number, the FPL percentage is rounded up to the next whole percentage.

75.73(5) *Shared living arrangements.* When an applicant or member shares living arrangements with another family or person, funds combined to meet mutual obligations for shelter and other basic needs are not income. Funds made available to the applicant or member exclusively for the applicant's or member's needs are considered income, except as described at 75.73(1)*"b"*(3).

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.74(249A) Income limits. The following income limits apply to the MAGI-related coverage groups specified below, as identified by the legal references provided:

Coverage Group	Legal Reference	Household Size (persons)	Income Limit (per month)
FMAP	441—subrule 75.3(1); 42 CFR Part 435.110 and 435.118; Title XIX of the Act, Section 1931	1	$447
		2	$716
		3	$872
		4	$1,033
		5	$1,177
		6	$1,330
		7	$1,481
		8	$1,633
		9	$1,784
		10	$1,950
		over 10	$1,950 plus $178 for each additional person
Mothers and Children, for pregnant women	441—subrule 75.3(2); 42 CFR Part 435.116 and 435.118; Title XIX of the Act, Section 1902	215% of the FPL for the household	
Mothers and Children, for infants under one year of age		300% of the FPL for the household	
Mothers and Children, for children aged 1 through 18 years	441—subrule 75.3(2); 42 CFR Part 435.118; Title XIX of the Act, Section 1902	167% of the FPL for the household	

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.75 to **75.79** Reserved.

DIVISION IV
ELIGIBILITY FACTORS SPECIFIC TO NON-MAGI-RELATED COVERAGE GROUPS, PERSONS IN MEDICAL INSTITUTIONS AND PERSONS RECEIVING LONG-TERM CARE SERVICES

441—75.80(249A) Categorical relatedness to supplemental security income (SSI). Except as otherwise provided in 441—Chapters 75 and 76, persons who are 65 years of age or older, blind, or disabled are eligible for Medicaid only if eligible for the SSI program administered by the SSA.

75.80(1) *SSI policy reference.* The statutes, regulations, and policy governing eligibility for SSI (collectively, "SSI policies") are found in Title XVI of the Act (42 U.S.C. Sections 1381 through 1383f), in

the federal regulations promulgated pursuant to Title XVI of the Act (20 CFR 416.101 to 416.2227), and in Part 5 of the program operations manual system published by the SSA. The program operations manual system is available online; at SSA offices in Ames, Burlington, Carroll, Cedar Rapids, Coralville, Council Bluffs, Creston, Davenport, Des Moines, Dubuque, Fort Dodge, Marshalltown, Mason City, Ottumwa, Sioux City, Spencer, and Waterloo; and through the department.

75.80(2) *Income considered.* For non-MAGI-related Medicaid eligibility purposes, income will be considered prospectively.

75.80(3) *Trust contributions.* Income that a person contributes to a trust as specified in paragraph 75.24(3)*"b"* will not be considered for purposes of determining eligibility for non-MAGI-related Medicaid.

75.80(4) *Conditional eligibility.* For purposes of determining eligibility for non-MAGI-related Medicaid, the SSI conditional eligibility process, by which a client may receive SSI benefits while attempting to sell excess resources found at 20 CFR Sections 416.1240 through 416.1245, is not considered an eligibility methodology.

75.80(5) *Valuation of life estates and remainder interests.* In the absence of other evidence, the value of a life estate or remainder interest in property will be determined using the following table by multiplying the fair market value of the entire underlying property (including all life estates and all remainder interests) by the life estate or remainder interest decimal corresponding to the age of the life estate holder or other person whose life controls the life estate. If a Medicaid applicant or member disputes the value determined using the following table, the applicant or member may submit other evidence and the value of the life estate or remainder interest will be determined based on the preponderance of all the evidence submitted to or obtained by the department, including the value given by the following table.

Age	Life Estate	Remainder	Age	Life Estate	Remainder	Age	Life Estate	Remainder

75.80(6) *Resource eligibility for non-MAGI-related Medicaid for children.* Resources of all household members will be disregarded when determining eligibility for children under any non-MAGI-related coverage group except for those groups in paragraphs 75.6(1)*"a"* and *"b"*; 75.6(2)*"a,""b,""c,""d,""e,"* and *"g"*; 75.6(4)*"a"*; and 75.6(5)*"a,""b,""c,"* and *"d."*
[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.81(249A) Disability requirements for non-MAGI-related Medicaid.

75.81(1) *Applicants receiving federal benefits.* An applicant receiving SSI on the basis of disability, social security disability benefits under Title II of the Act, or railroad retirement benefits based on the Social Security Act's definition of disability by the Railroad Retirement Board, will be deemed disabled without further determination of disability.

75.81(2) *Applicants not receiving federal benefits.* When disability has not been established based on the receipt of social security disability or railroad retirement benefits based on the same disability criteria as used by the SSA, the department will determine eligibility for non-MAGI-related Medicaid based on disability as follows:

a. An SSA disability determination under either a social security disability (Title II) application or an SSI application is binding on the department until changed by SSA unless the applicant meets one of the following criteria:

(1) The applicant alleges a disabling condition different from, or in addition to, that considered by SSA in making its determination.

(2) The applicant alleges more than 12 months after the most recent SSA determination denying disability that the applicant's condition has changed or deteriorated since that SSA determination and alleges a new period of disability that meets the durational requirements, and has not applied to SSA for a determination with respect to these allegations.

(3) The applicant alleges less than 12 months after the most recent SSA determination denying disability that the applicant's condition has changed or deteriorated since that SSA determination, alleges a new period of disability that meets the durational requirements, and:

1. The applicant has applied to SSA for reconsideration or reopening of its disability decision and SSA refused to consider the new allegations, or

2. The applicant no longer meets the nondisability requirements for SSI but may meet the department's nondisability requirements for Medicaid eligibility.

b. When there is no binding SSA decision and the department is required to establish eligibility for non-MAGI-related Medicaid based on disability, initial determinations will be made by the department of workforce development's disability determination services division. The applicant or the applicant's authorized representative shall complete and submit forms as prescribed by the department.

c. When an SSA decision on disability is pending when the person applies for Medicaid or when the person applies for either Title II benefits or SSI within ten working days of the Medicaid application, the department will stay a decision on disability pending the SSA decision on disability.

75.81(3) *Time frames for decisions.* Determination of eligibility based on disability will be completed within 90 days unless the applicant or an examining physician delays or fails to take a required action or there is an administrative or other emergency beyond the department's or applicant's control.

75.81(4) *Reviews of disability.* In connection with any independent determination of disability, the department will determine whether reexamination of the member's disability will be required for periodic eligibility reviews. When a disability review is required, the member or the member's authorized representative shall complete and submit forms as prescribed by the department.

75.81(5) *Members whose disability was determined by the department.* When a Medicaid member has been approved for Medicaid based on disability determined by the department and later is determined by SSA not to be disabled for SSI, the member will continue to be considered disabled for Medicaid eligibility purposes for 65 days from the date of the SSA denial. If at the end of the 65 days there is no appeal to the SSA, Medicaid will be canceled with timely notice in accordance with 441—Chapter 16. If there is an appeal to SSA within 65 days, the member will continue to be considered disabled for Medicaid eligibility purposes until a final SSA decision.

75.81(6) *Disability redeterminations for members who attain age 18.* If a member is eligible based on an independent determination of disability made under the standards applicable to persons under 18 years of age, the department will redetermine the member's disability after the member attains the age of 18 years. The member's disability will be redetermined:

a. Using the standards applicable to persons who are 18 years of age or older, and

b. Regardless of whether a review of the member's disability would otherwise be due.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.82(249A) Determination of countable income and resources for persons in a medical institution. In determining eligibility for any coverage group under rules 441—75.3(249A) through 441—75.8(249A), certain factors must be considered differently for persons who reside in a medical institution, as follows.

75.82(1) *Determining income from property.*

a. Nontrust property. Where there is nontrust property, unless the document providing income specifies differently, income paid in the name of one person shall be available only to that person. If payment of income is in the name of two persons, one-half is attributed to each. If payment is in the name of several persons, including a Medicaid client, a client's spouse, or both, the income will be considered in proportion to the Medicaid client's or spouse's interest. If payment is made jointly to both spouses and no interest is specified, one-half of the couple's joint interest will be considered available for each spouse. If the client or the client's spouse can establish different ownership by a preponderance of evidence, the income will be divided in proportion to the ownership.

b. Trust property. Where there is trust property, the payment of income will be considered available as provided in the trust. In the absence of specific provisions in the trust, the income will be considered as stated above for nontrust property.

75.82(2) *Division of income between married people for non-MAGI coverage groups.*

a. Institutionalized spouse and community spouse. If there is a community spouse, only the institutionalized spouse's income will be considered in determining eligibility for the institutionalized spouse.

b. Spouses institutionalized and living together. Partners in a marriage who are residing in the same room in a medical institution will be treated as a couple until the first day of the seventh calendar month that they continuously reside in the facility. The couple may continue to be considered as a couple for Medicaid effective the first day of the seventh calendar month of continuous residency if one partner would be ineligible for Medicaid or receive reduced benefits by considering them separate individuals or if they choose to be considered together. When spouses are treated as a couple, the combined income of the couple shall not exceed twice the amount of the income limit established in subrule 75.6(4). Persons treated together as a couple for income must be treated together for resources, and persons treated individually for income must be treated individually for resources. Spouses residing in the same room in a medical institution may be treated as individuals effective the first day of the seventh calendar month. The income of each spouse shall not exceed the income limit established in subrule 75.6(4).

c. Spouses institutionalized and living apart. Partners in a marriage who are both institutionalized, although not residing in the same room of the institution, will be treated as individuals effective the month after the month the partners cease living together. Their income will be treated separately for eligibility. If they live in the same facility after six months of continuous residence, they may be considered as a couple for Medicaid effective the first day of the seventh calendar month of continuous residency if one partner would be ineligible for Medicaid or receive reduced benefits by considering them separate individuals or if they choose to be considered together.

In the month of entry into a medical institution, income shall not exceed the amount of the income limit established in subrule 75.6(4).

75.82(3) *Attribution of resources to institutionalized spouse and community spouse.* The department will determine the attribution of a couple's resources to the institutionalized spouse and to the community spouse when the institutionalized spouse is expected to remain in a medical institution at least 30 consecutive days on or after September 30, 1989, at the beginning of the first continuous period of institutionalization.

a. When determined. The department will determine the attribution of resources between spouses at the earlier of the following:

(1) When either spouse requests that the department determine the attribution of resources at the beginning of the person's continuous stay in a medical facility prior to an application for Medicaid benefits. This request must be accompanied by a form prescribed by the department and necessary documentation.

(2) When the institutionalized spouse or someone acting on that person's behalf applies for Medicaid benefits. If the application is not made in the month of entry, the applicant shall also complete a form prescribed by the department and provide necessary documentation.

b. Information required. The couple must provide the social security number of the community spouse. The attribution process will include a match of the IRS data for both the institutionalized and community spouses.

c. Resources considered. The resources attributed shall include resources owned by both the community spouse and institutionalized spouse, except for the following resources:

(1) The home in which the spouse or relatives as defined in 441—paragraph 41.22(3)*"a"* live (including the land that appertains to the home).

(2) Household goods, personal effects, and one automobile.

(3) The value of any burial spaces held for the purpose of providing a place for the burial of either spouse or any other member of the immediate family.

(4) Other property essential to the means of self-support of either spouse as to warrant its exclusion under the SSI program.

(5) Resources of a blind or disabled person who has a plan for achieving self-support as determined by division of vocational rehabilitation or by the department.

(6) For natives of Alaska, shares of stock held in a regional or village corporation, during the period of 20 years in which the stock is inalienable, as provided in Sections 7(h) and 8(c) of the Alaska Native Claims Settlement Act as amended to August 1, 2025.

(7) Assistance under the Disaster Relief Act and Emergency Assistance Act as amended to August 1, 2025, or other assistance provided pursuant to federal statute on account of a presidentially declared major disaster and interest earned on these funds for the nine-month period beginning on the date these funds are received or for a longer period where good cause is shown.

(8) Any amount of underpayment of SSI or social security benefits due either spouse for one or more months prior to the month of receipt. This exclusion is limited to the first six months following receipt.

(9) A life insurance policy (or policies) whose total face value is $1,500 or less per spouse.

(10) An amount, not more than $1,500 for each spouse, that is separately identifiable and has been set aside to meet the burial and related expenses of that spouse. The amount of $1,500 will be reduced by an amount equal to the total face value of all insurance policies that are owned by the person or spouse and the total of any amounts in an irrevocable trust or other irrevocable arrangement available to meet the burial and related expenses of that spouse.

(11) Federal assistance paid for housing occupied by the spouse.

(12) Assistance from a fund established by a state to aid victims of crime for nine months from receipt when the client demonstrates that the amount was paid as compensation for expenses incurred or losses suffered as a result of a crime.

(13) Relocation assistance provided by a state or local government to a client comparable to assistance provided under Title II of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended to August 1, 2025, which is subject to the treatment required by Section 216 of that Act.

d. Method of attribution. The resources attributed to the institutionalized spouse shall be one-half of the documented resources of both the institutionalized spouse and the community spouse as of the first moment of the first day of the month of the spouse's first entry to a medical facility. However, if one-half of the resources is less than the minimum set by the federal spousal impoverishment provisions, then the greater of $24,000 or the federally established minimum will be protected for the community spouse. Also, when one-half of the resources attributed to the community spouse exceeds the maximum amount allowed as a community spouse resource allowance under the federal spousal impoverishment provisions, the amount over the maximum will be attributed to the institutionalized spouse. (The minimum and maximum limits are indexed annually according to the consumer price index.) The federal spousal impoverishment provisions are defined in Section 1924(f)(2)(A)(i) of the Act (42 U.S.C. §1396r-5(f)(2)(A)(i)). If the institutionalized spouse has transferred resources to the community spouse under a court order for the support of the community spouse, the amount transferred will be the amount attributed to the community spouse if it exceeds the specified limits above.

e. Notice and appeal rights. The department will provide each spouse a notice of the attribution results. The notice will state that either spouse has a right to appeal the attribution if the spouse believes:

(1) That the attribution is incorrect, or

(2) That the amount of income generated by the resources attributed to the community spouse is inadequate to raise the community spouse's income to the minimum monthly maintenance allowance. If an attribution has not previously been appealed, either spouse may appeal the attribution upon the denial of an application for Medicaid benefits based on the attribution.

f. Appeals. Hearings on attribution decisions are governed by procedures in 441—Chapter 2506. If the hearing establishes that the community spouse's resource allowance is inadequate to raise the community spouse's income to the minimum monthly maintenance allowance, there will be substituted an amount adequate to provide the minimum monthly maintenance needs allowance.

(1) To establish that the resource allowance is inadequate and receive a substituted allowance, the applicant must provide verification of all the income of the community spouse. For an applicant who became an institutionalized spouse on or after February 8, 2006, all income of the institutionalized spouse that could be made available to the community spouse pursuant to paragraph 75.83(2)*"d"* will be treated as countable income of the community spouse when the attribution decision was made on or after February 8, 2006.

(2) The amount of resources adequate to provide the community spouse minimum maintenance needs allowance will be based on the cost of a single premium lifetime annuity with monthly payments equal to the difference between the monthly maintenance needs allowance and other countable income not generated by either spouse's countable resources.

(3) The resources necessary to provide the minimum maintenance needs allowance will be based on the maintenance needs allowance as provided by these rules at the time the appeal is filed.

(4) To receive the substituted allowance, the applicant will be required to obtain one estimate of the cost of the annuity.

(5) The estimated cost of an annuity will be substituted for the amount of resources attributed to the community spouse when the amount of resources previously determined is less than the estimated cost of an annuity. If the amount of resources previously attributed for the community spouse is greater than the estimated cost of an annuity, there will be no substitution for the cost of the annuity and the attribution will remain as previously determined.

(6) The applicant will not be required to purchase this annuity as a condition of Medicaid eligibility.

(7) If the appellant provides a statement from an insurance company that it will not provide an estimate due to the potential annuitant's age, the amount to be set aside will be determined using the following calculation: the difference between the community spouse's gross monthly income not generated by countable resources (multiplied by 12) and the minimum monthly maintenance needs allowance (multiplied by 12) will be multiplied by the annuity factor for the age of the community spouse. This amount will be substituted for the amount of resources attributed to the community spouse pursuant to subparagraph 75.82(3)*"f"*(5).

75.82(4) *Consideration of resources of married people.*

a. One spouse in a medical facility who entered the facility on or after September 30, 1989.

(1) Initial month. When the institutionalized spouse is expected to stay in a medical facility less than 30 consecutive days, the resources of both spouses will be considered in determining initial Medicaid eligibility. When the institutionalized spouse is expected to be in a medical facility 30 consecutive days or more, only the resources not attributed to the community spouse according to subrule 75.82(3) will be considered in determining initial eligibility for the institutionalized spouse. The amount of resources counted for eligibility for the institutionalized spouse shall be the difference between the couple's total resources at the time of application and the amount attributed to the community spouse under this rule.

(2) Ongoing eligibility. After the month in which the institutionalized spouse is determined eligible, no resources of the community spouse will be deemed available to the institutionalized spouse during the continuous period in which the spouse is in an institution. Resources that are owned wholly or in part by the institutionalized spouse and that are not transferred to the community spouse will be counted in determining ongoing eligibility. The resources of the institutionalized spouse will not count for ongoing eligibility to the extent that the institutionalized spouse intends to transfer and does transfer the resources to the community spouse within 90 days unless unable to effect the transfer.

(3) Exception based on estrangement. When it is established by a disinterested third-party source that the institutionalized spouse is estranged from the community spouse, Medicaid eligibility will not be denied on the basis of resources when the applicant can demonstrate hardship. The applicant can demonstrate hardship when the applicant is unable to obtain information about the community spouse's resources after exploring all legal means. The applicant can also demonstrate hardship when resources attributed from the community spouse cause the applicant to be ineligible but the applicant is unable to access these resources after exhausting legal means.

(4) Exception based on assignment of support rights. The institutionalized spouse will not be ineligible by attribution of resources that are not actually available when:

1. The institutionalized spouse has assigned to the state any rights to support from the community spouse, or

2. The institutionalized spouse lacks the ability to execute an assignment due to physical or mental impairment but the state has the right to bring a support proceeding against a community spouse without an assignment.

b. One spouse in a medical institution prior to September 30, 1989. When one spouse is in the medical institution prior to September 30, 1989, only the resources of the institutionalized spouse will count for eligibility according to SSI policies the month after the month of entry. In the month of entry, the resources of both spouses are countable toward the couple resource limit.

c. Spouses institutionalized and living together. The combined resources of both partners in a marriage who are residing in the same room in a medical institution will be subject to the resource limit for a married couple until the first of the seventh calendar month that they continuously reside in the facility. The couple may continue to be considered as a couple for Medicaid effective with the seventh month if one partner would be ineligible for Medicaid or would receive reduced benefits by considering them separately or if they choose to be considered together. Persons treated together as a couple for resources must be treated together for income, and persons treated individually for resources must be treated individually for income. Effective the first of the seventh calendar month of continuous residence, they may be treated as individuals, with the resource limit for each spouse the limit for a single person.

d. Spouses institutionalized and living apart. Partners in a marriage who are both institutionalized, although not residing in the same room of the institution, will be treated as individuals effective the month after the month the partners cease living together. If they live in the same facility after six months of continuous residence, they may be considered as a couple for Medicaid effective the first day of the seventh calendar month of continuous residency if one partner would be ineligible for Medicaid or would receive reduced benefits by considering them separately or if they choose to be considered together. In the month of entry into a medical institution, all resources of both spouses will be combined and will be subject to the resource limit for a married couple.

75.82(5) *Consideration of resources for persons in a medical institution who have purchased and used a qualified or approved long-term care insurance policy pursuant to 191—Chapter 39 or 72.*

a. Eligibility. A person may be eligible for Medicaid under this subrule if:

(1) The person is the beneficiary of a qualified long-term care insurance policy or is enrolled in a prepaid health care delivery plan that provides long-term care services pursuant to 191—Chapter 39 or 72; and

(2) The person is eligible for Medicaid under subrule 75.3(14), 75.3(15), 75.6(4), or 75.6(8), except for excess resources; and

(3) The excess resources causing ineligibility under the listed coverage groups do not exceed the "asset adjustment" provided in this subrule.

b. Definition.

"Asset adjustment" means a $1 disregard of resources for each $1 that has been paid out under the person's qualified or approved long-term care insurance policy.

c. Estate recovery. An amount equal to the benefits paid out under a member's qualified or approved long-term care insurance policy will be exempt from recovery from the estate of the member or the member's spouse for payments made by the Medicaid program on behalf of the member.

This rule is intended to implement Iowa Code sections 249A.3, 249A.4, and 249A.35 and chapter 514H.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26; Editorial change: IAC Supplement 6/10/26]

441—75.83(249A) Client participation in payment for medical institution care. Medicaid clients are required to participate in the cost of medical institution care. However, no client participation is charged when the combination of Medicare payments and the Medicaid benefits available to qualified Medicare beneficiaries covers the cost of institutional care.

75.83(1) *Income considered in determining client participation.* The department determines the amount of client participation based on the client's total monthly income. Income is determined pursuant to the SSI program under Title XVI of the Act (42 U.S.C. §1396r-5(f)(2)(A)(i)), with the following exceptions.

a. MAGI-related clients. The income of a client and family whose eligibility is MAGI-related is not available for client participation when both of the following conditions exist:

(1) The client has a parent or child at home.

(2) The family's income is considered together in determining eligibility.

b. Non-MAGI-related clients who are employed. If a client receives SSI and is substantially gainfully employed, as determined by SSA, the client shall have the SSI and any mandatory state supplementary assistance payment exempt from client participation for the two full months after entry to a medical institution.

c. Non-MAGI-related clients returning home within three months. If SSA continues a client's SSI or federally administered state supplementary assistance payments for three months because it is expected that the client will return home within three months, these payments will be exempt from client participation.

d. Married couples.

(1) Institutionalized spouse and community spouse. If there is a community spouse, only the institutionalized person's income will be considered in determining client participation.

(2) Both spouses institutionalized. Client participation for each partner in a marriage will be based on one-half of the couple's combined income when the partners are considered together for eligibility. Client participation for each partner who is considered individually for eligibility will be determined individually from each person's income.

e. State supplementary assistance recipients. The amount of client participation that a client paid under the state supplementary assistance program is not available for Medicaid client participation in the month of the client's entry to a medical institution.

f. Foster care recipients. The amount of income paid for foster care for the days that a child is in foster care in the same month as entry to a medical institution is not available for client participation.

g. Clients receiving a VA pension. The amount of $90 of veteran's pension income will be exempt from client participation if the client is a veteran or a surviving spouse of a veteran who:

(1) Receives a reduced pension pursuant to 38 U.S.C. Section 5503(d)(2); or

(2) Resides at the Iowa Veterans Home and does not have a spouse or minor child.

75.83(2) *Allowable deductions from income.* In determining the amount of client participation, the department allows the following deductions from the client's income, taken in the order they appear.

a. Ongoing personal needs allowance. All clients shall retain $55 of their monthly income for a personal needs allowance. Iowa Code section 249A.30A contains information regarding potential state-funded personal needs supplements.

(1) If the client has a trust described in Section 1917(d)(4) of the Act (including Medicaid income trusts and special needs trusts), a reasonable amount paid or set aside for necessary expenses of the trust is added to the personal needs allowance. This amount will not exceed $10 per month except with court approval.

(2) If the client has earned income, an additional $65 is added to the ongoing personal needs allowance from the earned income only.

b. Personal needs in the month of entry.

(1) Single person. A single person will be given an allowance for stated home living expenses during the month of entry, up to the amount of the SSI benefit for a single person.

(2) Spouses entering institutions together and living together. Partners in a marriage who enter a medical institution in the same month and live in the same room will be given an allowance for stated home living expenses during the month of entry, up to the amount of the SSI benefit for a couple.

(3) Spouses entering an institution together but living apart. Partners in a marriage who enter a medical institution during the same month and who are considered separately for eligibility will each be given an allowance for stated home living expenses during the month of entry, up to one-half of the amount of the SSI benefit for a married couple. However, if the income of one spouse is less than one-half of the SSI benefit for a couple, the remainder of the allowance will be given to the other spouse. If the couple's eligibility is determined together, an allowance for stated home living expenses will be given to them during the month of entry up to the SSI benefit for a married couple.

(4) Community spouse enters a medical institution. When the second member of a married couple enters a medical institution in a later month, that spouse will be given an allowance for stated expenses during the month of entry, up to the amount of the SSI benefit for one person.

c. Personal needs in the month of discharge. The client will be allowed a deduction for home living expenses in the month of discharge. The amount of the deduction will be the SSI benefit for one person (or for a couple if both members are discharged in the same month). This deduction does not apply when a spouse is at home.

d. Maintenance needs of spouse and other dependents.

(1) Persons covered. An ongoing allowance will be given for the maintenance needs of a community spouse. The allowance is limited to the extent that income of the institutionalized spouse is made available to or for the benefit of the community spouse. If there are minor or dependent children, dependent parents, or dependent siblings of either spouse who live with the community spouse, an ongoing allowance will also be given to meet their needs.

(2) Income considered. The verified gross income of the spouse and dependents will be considered in determining maintenance needs. The gross income of the spouse and dependent will include all monthly earned and unearned income and assistance from FIP, SSI, and state supplementary assistance. It will also include the proceeds of any annuity or contract for sale of real property. Otherwise, the income will be considered as the SSI program considers income.

(3) Needs of spouse. The maintenance needs of the spouse will be determined by subtracting the spouse's gross income from the maximum amount allowed as a minimum monthly maintenance needs allowance for the community spouse by Section 1924(d)(3)(C) of the Act (42 U.S.C. §1396r-5(d)(3)(C)). (This amount is indexed for inflation annually according to the consumer price index.)

However, if either spouse has established through the appeal process that the community spouse needs income above the minimum monthly maintenance needs allowance, due to exceptional circumstances resulting in significant financial duress, an amount adequate to provide additional income as is necessary will be substituted.

Also, if a court has entered an order against an institutionalized spouse for monthly income to support the community spouse, then the community spouse income allowance will not be less than this amount.

(4) Needs of other dependents. The maintenance needs of the other dependents will be established by subtracting each person's gross income from 150 percent of the monthly FPL for a family of two and dividing the result by three.

e. Maintenance needs of children (without spouse). When the client has children under the age of 21 at home, an ongoing allowance will be given to meet the children's maintenance needs.

The income of the children is considered in determining maintenance needs. The children's countable income will be their gross income less the disregards allowed in FIP.

The children's maintenance needs will be determined by subtracting the children's countable income from the FIP payment standard for that number of children. However, if the children receive FIP, no deduction is allowed for their maintenance needs.

f. Client's medical expenses. A deduction will be allowed for the client's incurred expenses for medical or remedial care that are not subject to payment by a third party and were not incurred for long-term care services during the imposition of a transfer of assets penalty period pursuant to rule 441—75.23(249A). This includes Medicare premiums and other health insurance premiums, deductibles, or coinsurance, and necessary medical or remedial care recognized under state law but not covered under the state Medicaid plan.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.84(249A) Entrance fee for continuing care retirement community or life care community. When an individual resides in a continuing care retirement community or life care community that collects an entrance fee on admission, the entrance fee paid will be considered a resource available to the individual for purposes of determining the individual's Medicaid eligibility and the amount of benefits to the extent that:

75.84(1) The individual has the ability to use the entrance fee, or the contract between the individual and the community provides that the entrance fee may be used to pay for care should the individual's other resources or income be insufficient to pay for such care;

75.84(2) The individual is eligible for a refund of any remaining entrance fee when the individual dies or when the individual terminates the community contract and leaves the community; and

75.84(3) The entrance fee does not confer an ownership interest in the community.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

441—75.85(249A) Disqualification for long-term care assistance due to substantial home equity. Notwithstanding any other provision of this chapter, if an individual's equity interest in the individual's home exceeds the limit set annually according to subrule 75.85(1), the individual will not be eligible for Medicaid with respect to nursing facility services or other long-term care services, except as provided in subrule 75.85(2).

75.85(1) *Equity interest limit.* The limit on the equity interest in the individual's home for purposes of this rule will be increased from year to year based on the percentage increase in the consumer price index for all urban consumers (all items; United States city average), rounded to the nearest $1,000.

75.85(2) *Exception to disqualification.* Disqualification based on equity interest in the individual's home will not apply when one of the following persons is lawfully residing in the home:

a. The individual's spouse; or

b. The individual's child who is under the age of 21 or is blind or disabled as defined in Section 1614 of the Act.

[**ARC 9763C**, IAB 11/26/25, effective 1/1/26]

These rules are intended to implement Iowa Code sections 249A.3 and 249A.4.

CHAPTER 76
ENROLLMENT AND REENROLLMENT

[Ch 76, 1973 IDR, renumbered as Ch 911]
[Prior to 7/l/83, Social Services[770] Ch 76]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/31

441—76.1(249A) Definitions. The following definitions apply to this chapter in addition to the definitions in rule 441—75.1(249A).

"Act" or *"the Act"* means the federal Social Security Act, and all references herein are as amended to August 1, 2025.

"Authorized representative" means an individual or organization authorized by a competent applicant or member, authorized by a responsible person acting for an incompetent applicant or member pursuant to subrule 76.9(2), or with other legal authority to represent the applicant or member in the application process, the review of eligibility and other ongoing communications with the department.

"Business hours" or *"HHS business hours"* means the hours between 8 a.m. and 4:30 p.m. Central Time during a weekday (Monday through Friday), excluding public holidays.

"Code of Federal Regulations" or *"CFR"* means the United States Code of Federal Regulations. All references to the CFR herein are as amended to August 1, 2025, unless another effective date is specified.

"Electronic account" means a web-based account established by the department for an applicant or member for communication between the department and the applicant member.

"Electronic case record" means an electronic file that includes all information collected and generated by the department regarding each individual's Medicaid eligibility and enrollment.

"Electronic date sources" or *"EDS"* means federal and state data sources with which the department conducts data matches for the purpose of determining eligibility. Federal data sources include the Internal Revenue Service (IRS), the Social Security Administration (SSA) and the United States Department of Homeland Security. State data sources include Iowa workforce development (IWD) wage and unemployment compensation, SSA, IRS, and the Public Assistance Reporting Information System (PARIS).

"Federally Facilitated Marketplace" or *"FFM"* means the health insurance marketplace established by the United States Secretary of Health and Human Services for states that choose not to set up their own marketplace or that do not get approval for one pursuant to 42 U.S.C. §18041.

"Federally Facilitated Marketplace referral" or *"FFM referral"* means an application submitted at healthcare.gov that requests help paying for health insurance. These applications are screened by the FFM and, if found to be potentially eligible for Iowa Medicaid or hawki, are transmitted via an electronic data file to the department for a final Medicaid/hawki determination.

"Health insurance marketplace" means a health insurance marketplace established pursuant to 42 U.S.C. §18031.

"Medicare savings program" refers to the limited Medicaid coverage groups that provide payment of Medicare premiums, coinsurance, and deductibles for low-income elderly or disabled individuals. Those groups are:

1. Qualified disabled and working people (QDWP) pursuant to 42 U.S.C. §1396a(a)(10)(E)(ii);
2. Qualified Medicare beneficiaries (QMB) pursuant to 42 U.S.C. §1396a(a)(10)(E)(i);
3. Specified low-income Medicare beneficiaries (SLMB) pursuant to 42 U.S.C. §1396a(a)(10)(E)(iii); and
4. Expanded specified low-income Medicare beneficiaries (ESLMB) pursuant to 42 U.S.C. §1396a(a)(10)(E)(iv).

"Presumptive provider" means an organization approved by the department to conduct and authorize presumptive eligibility determinations as described in subrule 76.7(1).

"Qualified entity" means an individual, under the supervision and authority of a presumptive provider, approved by the department to conduct and authorize presumptive eligibility determinations.

"Responsible person" means an individual recognized by the department pursuant to subrule 76.9(1) as acting for an applicant or member who is unable to act on the applicant's or member's own behalf because the applicant or member is a minor or is incompetent, incapacitated, or deceased.

"SSA" means the federal Social Security Administration.

"Supplemental Security Income" or *"SSI"* is a federally administered program established by Title XVI of the Social Security Act to provide supplemental income to individuals who have attained the age of 65 or are blind or disabled.

"United States Code" or *"U.S.C."* means the general and permanent laws of the United States. All references to U.S.C. herein are as amended to August 1, 2025, unless another effective date is specified.

"WIC" is the Special Supplemental Nutrition Program for Women, Infants, and Children established pursuant to 42 U.S.C. §1786.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.2(249A) Application for medical assistance. This rule describes the process of applying for medical assistance from the department. Applications for Medicaid must be made as provided in this rule.

76.2(1) *Application with the department or qualified entity.*

a. Who can file. An application may be filed by:

(1) The applicant;

(2) An adult in the applicant's household, as described in 42 CFR §435.603(f), or family, as described in 26 CFR §1.36B-1(d), including:

1. A spouse as defined in rule 441—75.1(249A);

2. A parent of an applicant child, as defined in rule 441—75.1(249A), including either parent of an unborn child;

3. A caretaker of an applicant child, when the caretaker meets the requirements of rules 441—75.1(249A) and 441—75.51(249A); or

4. A tax-filer who claims the applicant as a dependent;

(3) An authorized representative described in subrule 76.9(2); or

(4) A responsible person described in subrule 76.9(1).

b. How and where to file.

(1) An application may be filed online on the department's website or www.healthcare.gov; at any local HHS office; or at any HHS outstation at a disproportionate share hospital, federally qualified health center in Iowa, or other facility in Iowa where outstationing activities are provided. Applications may be submitted in person, by mail, by telephone at 1.855.889.7985, or by email or fax to a local HHS office. Addresses, email addresses, and fax numbers of local HHS offices are available on the department's website.

(2) An application may also be filed at the office of a qualified entity pursuant to subrule 76.7(2), a WIC office, a maternal health clinic, or a well-child clinic.

c. Form. Applications for Medicaid, including Medicaid applications for foster care and subsidized adoption, may be submitted on forms prescribed by the department.

d. Minimum application requirements. Initial applications must contain a legible name and address and must be signed under penalty of perjury, pursuant to 42 CFR §435.907(f). At least one person listed in paragraph 76.2(1)*"a"* must sign the application. Electronic (including telephonically recorded) signatures and handwritten signatures (transmitted via any electronic means) are acceptable. An application that does not include a legible name, address, and signature under penalty of perjury will not be considered a valid application and will be rejected without a determination of eligibility.

76.2(2) *Date of filing.*

a. An application is considered filed on the date a valid application is received in any place of filing specified in paragraph 76.2(1)*"b."*

b. Reserved.

c. The date of filing and effective date for applications received by a qualified entity for purposes of a presumptive Medicaid eligibility determination are further described in subrule 76.7(5).

d. The department will honor the application date of any application filed at the FFM that is subsequently transmitted to the department for an eligibility determination as described in rule 441—76.3(249A).

76.2(3) *Decision.* The department will notify the applicant of the eligibility decision pursuant to 441—Chapter 16.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.3(249A) Referrals from the FFM. Upon receipt of an FFM referral indicating that an application has been screened and that the applicant has been found to be potentially eligible for Medicaid or hawki, the department will treat the application as if it had been received directly by the department pursuant to rule 441—76.2(249A).

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.4(249A) Express lane eligibility. For purposes of the initial enrollment of a child in medical assistance, the department will use express lane procedures as allowed by 42 U.S.C.§1396a(e)(13) and as described in this rule.

76.4(1) For purposes of initial enrollment, the department will rely on a determination of the child's eligibility for the Supplemental Nutrition Assistance Program (SNAP) pursuant to 441—Chapter 65 as establishing that a child under the age of 19 meets all eligibility requirements established in 441—subrule 75.3(2) except for citizenship or alienage requirements unless:

a. The child's household already includes other persons receiving Medicaid based on the use of the modified adjusted gross income (MAGI) methodology, or

b. The child was previously granted express lane eligibility and the household has not had at least a two-month break in SNAP eligibility since that time.

76.4(2) To obtain express lane enrollment for a child, the child's household must request medical assistance for the child on forms prescribed by the department. The department will send forms to the household when a child eligible for express lane enrollment is approved for SNAP pursuant to 441—Chapter 65. An adult member of the child's household or a child receiving SNAP benefits as head of household must sign the form and return it to the department within 30 calendar days of issuance.

76.4(3) As a condition of express lane enrollment, the child must meet the citizenship or alienage requirements of rule 441—75.11(249A).

76.4(4) The month of application for express lane enrollment is the month of the child's SNAP effective date. Express lane eligibility begins on the first day of the month of the child's SNAP effective date.

76.4(5) After the initial express lane enrollment, all redeterminations of medical assistance eligibility will be made without reliance on any SNAP eligibility determination.

76.4(6) Retroactive enrollment is available pursuant to subrule 76.13(3) for any of the three months before the month of the child's SNAP effective date. The retroactive eligibility determination must be made without regard to SNAP eligibility.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.5(249A) Enrollment through SSI. Upon receipt of a referral from the SSA indicating that an individual has been approved for SSI, the department will treat the referral as an application for medical assistance and will process the application as if received directly by the department. The SSI recipient may be required to provide additional information when necessary to determine Medicaid eligibility. The SSI recipient may be required to attend an interview to clarify information.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.6(249A) Referral for Medicare savings program. Referrals received from the SSA pursuant to 42 U.S.C. §1320b-14(c)(3) when the individual has indicated that the individual wants to apply for the Medicare savings program will be treated by the department as an application for the Medicare savings program and will be processed as if the application were received directly by the department. The date of the individual's application with SSA will be the application date for benefits under the Medicare savings program. When requested to do so, the applicant must complete a Medicare Savings Programs

Additional Information Request form to provide additional information needed to determine Medicare savings program eligibility.
[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.7(249A) Presumptive eligibility. Persons may be temporarily and immediately enrolled in Medicaid based on a presumptive eligibility determination by a qualified entity at a presumptive provider pursuant to this rule.

76.7(1) *Presumptive provider.* A presumptive provider is an organization approved by the department to conduct and authorize presumptive eligibility determinations. A provider organization that seeks to be authorized to make presumptive Medicaid eligibility determinations shall do all of the following:

a. Complete the required self-directed policy and system training.

b. Apply to the department using the Application for Initial/Recertification to Be a Presumptive Provider form.

c. Read the Memorandum of Understanding with a Presumptive Provider for Presumptive Medicaid Eligibility Determinations form and agree in writing to its terms.

d. Comply with the requirements outlined in Iowa's Medicaid state plan.

e. Meet the definition of "qualified provider" pursuant to 42 U.S.C. §1396r-1.

f. Meet the definition of "qualified entity" in the following federal regulations for the category of persons covered:

(1) For children under the age of 19, as described in 42 CFR §435.118, the provider must meet the requirements of paragraphs (1) through (10) of the definition of "qualified entity" in 42 CFR §435.1101;

(2) For pregnant women, as described in 42 CFR §435.116, the provider must meet the requirements of 42 U.S.C. §1396r-1(b)(2);

(3) For parents and caretakers, as described in 42 CFR §435.110, the provider must meet the requirements in 42 CFR §435.1103(b);

(4) For persons aged 19 through 64, as described in 42 CFR § 435.119, the provider must meet the requirements in 42 CFR §435.1103(b);

(5) For former foster care children, as described in 42 CFR §435.150, the provider must meet the requirements in 42 CFR §435.1103(b);

(6) For persons needing breast or cervical cancer treatment (BCCT), as described in 42 U.S.C. §1396r-1b(b)(2); and

(7) For all of the categories of persons covered in subparagraphs 76.7(1)*"f"*(1) through *"f"*(6), a qualifying hospital must meet the requirements in 42 CFR §435.1110(b).

g. Be recertified annually by doing the following:

(1) Complete the required self-directed policy and system training;

(2) Complete the Application for Initial/Recertification to Be a Presumptive Provider form; and

(3) Re-attest to the terms of the Provider Memorandum of Understanding by signing in writing.

76.7(2) *Qualified entity.*

a. An individual that seeks to be authorized to make presumptive Medicaid eligibility determinations under the supervision and authority of a presumptive provider shall do all of the following:

(1) Complete the required self-directed policy and system training.

(2) Complete the Qualified Entity Medicaid Presumptive Eligibility Portal (MPEP) Access Request.

(3) Read the Provider Memorandum of Understanding and agree in writing to its terms.

(4) Obtain confirmation of acceptance by the department that the individual is determined by the department to be capable of making presumptive Medicaid eligibility determinations.

b. In addition to the requirements in paragraph 76.7(2)*"a,"* a qualified entity for BCCT must also have either:

(1) Been named lead agency for a county or regional local breast and cervical cancer early detection program under a contract with the department; or

(2) A cooperative agreement with the department under the Centers for Disease Control and Prevention National Breast and Cervical Cancer Early Detection Program established under Title XV of the Public Health Service Act as amended to August 1, 2025, to receive reimbursement for providing breast or

cervical cancer screening or diagnostic services to participants in the care for yourself breast and cervical cancer early detection program.

c. Only employees of the presumptive provider may be given the authority to make presumptive eligibility determinations.

d. Qualified entities are required to be recertified annually by doing the following:

(1) Complete the required self-directed policy and system training;

(2) Complete the Qualified Entity Medicaid Presumptive Eligibility Portal Recertification form; and

(3) Re-attest to the terms of the Provider Memorandum of Understanding in writing.

76.7(3) *How and where to file.* An applicant for presumptive Medicaid shall complete an application with a qualified entity in one of two ways:

a. Provide information in person to the qualified entity that enters the applicant's information into the MPEP system; or

b. Complete a paper application provided by the qualified entity that enters the applicant's information into the MPEP system.

76.7(4) *Signature.* An individual listed in paragraph 76.2(1)*"a"* must sign the completed paper application or a printed version of the completed MPEP application. A copy of the signed application must be maintained by the qualified entity.

76.7(5) *Date of filing and effective date of coverage.*

a. For purposes of determining the application date of filing for an ongoing eligibility determination, a paper application is valid only if it contains the applicant's legible name, address, and signature under penalty of perjury and must be date-stamped on the date it is received by the qualified entity. The date of filing as described in paragraph 76.2(2)*"a"* is used for purposes of determining the effective date of coverage for ongoing eligibility but does not determine the effective date of coverage for presumptive Medicaid.

b. The effective date of coverage for presumptive Medicaid is the date on which a qualified entity completes the presumptive eligibility determination within the MPEP system.

c. The applicant must provide to the qualified entity all information necessary to make a presumptive eligibility determination in the MPEP system.

76.7(6) *Notice and appeal rights.* The qualified entity shall inform the applicant of the eligibility decision as soon as possible but no later than two working days after the date the determination is made by the qualified entity. Timely and adequate notice requirements and appeal rights of the Medicaid program, including those outlined in 42 CFR Part 431, subpart E; Iowa Code chapter 17A; 441—Chapter 2506; and 441—Chapter 16, do not apply to determinations of presumptive eligibility under this rule.

76.7(7) *Full medical assistance eligibility determination.* All presumptive eligibility applications will be given the option within the MPEP system to also receive a full determination of eligibility for Medicaid or hawki.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26; Editorial change: IAC Supplement 6/10/26]

441—76.8(249A) Applicant and member responsibilities.

76.8(1) *Accurate information.* Clients, and those individuals acting on behalf of clients, are responsible for giving complete and accurate information needed to establish eligibility.

76.8(2) *Additional information or verification needed to determine eligibility.* An applicant or member will not be required to provide additional verifications if attested income meets the department's standards for reasonable compatibility and if the department can verify all other required information through an EDS. If attested income does not meet the department's standards for reasonable compatibility or if the department is not able to verify other required information through an EDS, the department will send the applicant or member a written request for the additional information or verification. The applicant or member must provide the additional information or verification by the requested due date or such application may be denied or Medicaid or hawki benefits may be discontinued.

76.8(3) *Time frames for providing information or verification.* Clients have ten calendar days from the date on the written request by the department to provide additional information or verification requested. If the tenth calendar day falls on a weekend or state holiday, the individual will have until the end of business

hours on the next business day to provide the information or verification. The information or verification is considered provided on the date it is received by the department.

76.8(4) *Extensions.* The applicant or member may request an extension for a reasonable period of time when the applicant or member is making every effort but is unable to secure the required information or verification.

76.8(5) *Interviews.* Applicants and members who are being evaluated on the basis of the MAGI methodology will not be required to attend an interview. Applicants and members who are being evaluated on a basis other than the MAGI methodology may be required to attend an interview to clarify information or to resolve conflicting information. The department will not require an in-person interview as part of the application process. If applicable, the department will notify the applicant, authorized representative, or responsible person of the date, time, and method of the interview. Notification will be provided personally by telephone, email, mail, or fax.

76.8(6) *Failure to comply.* An application will be denied or assistance will be discontinued if:

a. The applicant or member does not attend a required interview, pursuant to subrule 76.8(5), or

b. The department does not receive one of the following by the due date indicated on the written request for additional information in accordance with subrules 76.8(2) through 76.8(4):

(1) The information, verification, or a statement that reasonably explains the discrepancy;

(2) An authorization for the department to obtain the information or verification; or

(3) A request for an extension of the due date.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.9(249A) Responsible persons and authorized representatives.

76.9(1) *Responsible person.* If an applicant or member is unable to act on the applicant's or member's own behalf because the applicant or member is a minor or is incompetent, incapacitated, or deceased, a responsible person may act for the applicant or member.

a. Except as provided in paragraph 76.9(1)*"d,"* when the applicant or member is incompetent, incapacitated, or deceased, the responsible person shall be a family member, friend or other person who has knowledge of the applicant's or member's financial affairs and circumstances and has a personal interest in the applicant's or member's welfare.

b. Except as provided in paragraph 76.9(1)*"d,"* when the applicant or member is unable to act on the applicant's or member's own behalf solely because the applicant or member is a minor, the responsible person shall be an adult in the child's household or family as described in paragraph 76.2(1)*"a."*

c. The responsible person shall assume the applicant's or member's position and responsibilities during the application process or for ongoing eligibility. The responsible person may designate an authorized representative pursuant to subrule 76.9(2) to represent the applicant or member. However, the designation of an authorized representative does not relieve the responsible person from assuming the applicant's or member's position and responsibilities during the application process or for ongoing eligibility.

d. When there is no person as described in paragraphs 79.6(1)*"a"* through *"c"* to act on behalf of the minor, incompetent, incapacitated, or deceased applicant or member, any individual or organization may be allowed to act as the responsible person if the individual or organization conducts a diligent search and completes the required form, attesting to the individual's or organization's inability to find a responsible person to act on behalf of the minor, incompetent, incapacitated, or deceased applicant or member.

e. The department may require verification of the applicant's or member's incompetence or death and of the responsible person's relationship to the applicant or member.

f. Copies of all correspondence the department would otherwise provide to the applicant or member will be provided to the recognized responsible person.

76.9(2) *Authorized representative.*

a. An individual or organization designated by a competent applicant or member, or by a responsible person recognized pursuant to subrule 76.9(1), or with other legal authority to do so may act on behalf of the applicant or member in the application process, in the review process, or for ongoing eligibility.

b. The designation of an authorized representative by an applicant, member, or responsible person must be in writing and must be signed and dated by the applicant, member, or responsible person.

The applicant, member, or responsible person may authorize the representative to complete and sign an application on the applicant's or member's behalf, complete and submit a review form, receive copies of the applicant's or member's notices and other communications from the department, and act on behalf of the applicant or member in all other matters with the department.

c. Legal documentation of authority to act on behalf of the applicant or member under state law, such as a court order establishing legal guardianship or a power of attorney, shall serve in place of a written authorization by the applicant or member.

d. Designations of authorized representatives, legal documentation of authority to act on behalf of the applicant or member, and modifications or terminations of designations or legal authority may be submitted via the department's website, mail, email, or fax or in person.

e. For purposes of this rule, the department will accept electronic, including telephonically recorded, signatures and handwritten signatures (including when transmitted by fax or other electronic means).

f. If the authorization:

(1) Indicates the time period or dates the authorization is to cover, the stated period or dates will be honored until or unless a rescission is submitted to the department as described in subparagraph 76.9(2)*"f"* (2) and may include subsequent applications, if necessary, that relate to the time period or dates indicated on the authorization.

(2) Does not indicate the time period or dates it is to cover, the authorization will be valid until the applicant, member, or responsible person modifies the authorization and notifies the department that the representative is no longer authorized to act on behalf of the applicant or member or until the authorized representative informs the department that the representative no longer is acting in such capacity. Such notice must be in writing and should include the signature of the applicant, member, responsible person, or authorized representative, as appropriate.

g. Copies of all correspondence will be provided to the applicant or member and the authorized representative.

76.9(3) *Additional requirements applicable to all authorized representatives and responsible persons.*

a. An authorized representative or responsible person must agree to maintain, or be legally bound to maintain, the confidentiality of any information regarding an applicant or member provided by the department.

b. A provider or staff member or volunteer of an organization serving as an authorized representative or responsible person must sign an agreement that the provider, staff member, or volunteer will adhere to the regulations in 42 CFR Part 431, Subpart F; 45 CFR §155.260(f) (relating to confidentiality of information); and 42 CFR §447.10 (relating to the prohibition against reassignment of provider claims as appropriate for a health facility or an organization acting on the facility's behalf), as well as other relevant state and federal laws concerning conflicts of interest and confidentiality of information.

c. The authorized representative or responsible person is responsible for fulfilling all responsibilities encompassed within the scope of the authorized representation to the same extent as the individual the authorized representative or responsible person represents.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.10(249A) Right to withdraw the application. The applicant may withdraw the application at any time before the eligibility determination has been made. The applicant may request that the application be withdrawn entirely or request withdrawal for any month covered by the application process except as provided in the medically needy program in accordance with the provisions of rule 441—75.8(249A).

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.11(249A) Choice of electronic notifications. The applicant is responsible to indicate whether notices and other communications are to be provided by the department in an electronic format through the individual's electronic account rather than by regular mail. The applicant may change the selection at any time. Notices and other communications provided through the individual's electronic account are deemed to be received upon the sending of an email to the individual notifying the individual of the notice or other communication.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.12(249A) Application not required.

76.12(1) *Adding a new person.*

a. Adding an eligible person. For members whose eligibility is based on the MAGI methodology, a new application is not required when an eligible person is added to an existing Medicaid household. Such a person is considered to be included in the application that established eligibility for the existing household. However, in these instances, the date of application to add a person is the date the change is reported. When it is reported that a person is anticipated to enter the home, the date of application to add the person shall be no earlier than the date the person begins to live in the household or the date of report, whichever is later.

b. Adding a person previously ineligible due to a failure to cooperate. In those instances where a person previously ineligible for Medicaid for failure to cooperate in obtaining medical support or establishing liability for support as described in 441—subrule 75.14(2) is to be granted Medicaid benefits, the earliest month for which that person may be eligible for coverage is the month that the person takes action(s) to meet the cooperation requirements described in 441—subrule 75.14(1) and as determined by child support services.

c. Adding a person previously ineligible due to failure to provide a social security number. In those instances where a person previously ineligible for Medicaid for failure to provide a social security number or proof of application for a social security number as described in rule 441—75.9(249A) is to be granted Medicaid benefits, the person will be granted Medicaid benefits effective the first of the month in which the person becomes eligible by providing a social security number.

76.12(2) *Loss of hawki eligibility.* In those instances where a child loses hawki eligibility and has been determined eligible for Medicaid, with no break in coverage, an application for Medicaid is not required.

76.12(3) *Grace period.*

a. At application. If benefits are denied for failure to provide requested information or verification and the information or verification is provided within 14 calendar days of the effective date of the denial, the department will complete the eligibility determination as though the information were timely received. If the fourteenth calendar day falls on a weekend or state holiday, the applicant shall have until the end of business hours on the next business day to provide the information. The grace period does not apply to late payment of premiums or noncooperation actions.

b. At reinstatement after cancellation (including cancellation at the time of reenrollment). Eligibility for Medicaid may be reinstated without a new application when all information necessary to establish eligibility, including verification of any changes, is provided within 14 calendar days of the effective date of the cancellation. If the fourteenth calendar day falls on a weekend or state holiday, the member shall have until the end of business hours on the next business day to provide the information. The grace period does not apply to late payment of premiums or noncooperation actions.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.13(249A) Initial enrollment.

76.13(1) *Enrollment date.* The department will enroll applicants who have been determined to be eligible in the Medicaid program.

a. First day of the month. The effective date of enrollment is the first day of the month that the application was filed or the first day of the first month for which eligibility has been determined, whichever is later, with the following exceptions:

(1) Presumptive eligibility is effective on the date that presumptive eligibility was determined by a qualified entity for presumptive Medicaid eligibility determinations pursuant to subrule 76.7(5).

(2) Eligibility under the qualified Medicare beneficiary coverage group described in 441—paragraph 75.6(5)*"a"* begins on the first day of the month after the month of decision.

(3) For individuals who are approved for Medicaid and who are eligible for SSI, programs related to SSI, or state supplementary assistance, Medicaid benefits will be effective on the first day of the month for which the individual meets all eligibility requirements, including resource eligibility, as of the first moment of the first day of the month.

(4) The enrollment date for retroactive Medicaid eligibility is determined pursuant to subrule 76.13(3).

b. Care or services prior to enrollment. No payment will be made for medical care or services received prior to the effective date of enrollment.

76.13(2) *Certification for services.* The department will issue a medical assistance eligibility card to persons who have been determined to be eligible for the benefits provided under the Medicaid program, with the following exceptions.

a. Presumptive eligibility. A person who has been determined only presumptively eligible will be issued a Presumptive Medicaid Eligibility Notice of Action form that will include certification information.

b. Emergency Medicaid for noncitizens. An individual who is eligible only for limited emergency Medicaid for noncitizens pursuant to 441—subrule 75.11(4) will be issued a Notice of Action that will include certification information.

76.13(3) *Retroactive enrollment.* Medical assistance will be available for all or any of the three months preceding the month in which an application is filed to persons who meet the requirements described within this subrule.

a. Except as provided in paragraph 76.13(3)*"e,"* retroactive medical assistance will be available for the months a person was pregnant, an infant (under the age of 1), a child under 19 years of age, or a resident of a nursing facility licensed under Iowa Code chapter 135C during any of the three months preceding the month in which an application is filed and who also meets the following conditions:

(1) Has medical bills for covered care or services received during the three-month retroactive period; and

(2) Would have been eligible for medical assistance in the month services were received if the application for medical assistance had been made in that month.

b. The applicant need not be eligible in the month of application to be eligible in any of the three months prior to the month of application.

c. Retroactive medical assistance will be made available when an application has been made on behalf of a deceased person if the conditions in paragraph 76.13(3)*"a"* are met.

d. Persons enrolled in Medicaid based on receipt of SSI benefits who wish to apply for Medicaid benefits for the three months preceding the month of application shall complete a form provided by the department.

e. Exceptions to retroactive enrollment. This subrule does not apply to the following persons who are otherwise eligible for retroactive enrollment:

(1) Persons whose citizenship status has not been verified even if they are eligible during a 90-day reasonable opportunity period.

(2) Persons determined eligible only under presumptive Medicaid benefits.

(3) Persons eligible for Medicaid only under the qualified Medicare beneficiary program.

(4) Persons eligible only under the home- and community-based waiver services program.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.14(249A) Reenrollment. The department will review all conditions of eligibility for the purpose of determining continued enrollment in Medicaid pursuant to 441—Chapter 75.

76.14(1) *Reenrollment frequency.*

a. The department will conduct eligibility reviews for members whose eligibility is based on the MAGI methodology once every 12 months and no more frequently than once every 12 months, except as provided by rule 441—76.15(249A) and paragraph 76.14(1)*"b."*

b. The department will conduct eligibility reviews for the following coverage groups as circumstances indicate but no more frequently than once every 12 months:

(1) Transitional Medicaid as described in 441—subrule 75.3(6).

(2) Medicaid for former foster care youth (EMIYA) as described in 441—subrule 75.3(12).

(3) Postpartum Medicaid as described in 441—subrule 75.3(4).

c. The department will conduct eligibility reviews for members whose eligibility is based on non-MAGI methodology once every 12 months and no more frequently than once every 12 months, except as provided in rule 441—76.15(249A) and paragraph 76.14(1)*"b."*

76.14(2) *Reenrollment process.*

a. Reenrollment procedure. Reenrollment will be based on reliable information contained in the member's electronic case record or other more current information available to the department, including but not limited to information through EDS. If the department is able to renew eligibility based on such information, the department must notify the individual of the eligibility determination and the basis of that determination. If any information in that notification form is inaccurate, the member must inform the department through any of the modes permitted for submission of an application under paragraph 76.2(1)*"b"* within 30 days.

b. Members whose eligibility for Medicaid is based on the MAGI methodology. If eligibility cannot be determined based on information in the member's electronic case record or other more current information available to the department, including but not limited to information through EDS, the member will be provided with a prepopulated review form and will have at least 30 days from the date the review form is mailed to complete necessary information, sign, and return the completed review form.

c. Members whose eligibility for Medicaid is in non-MAGI related coverage groups. If eligibility cannot be determined based on information in the member's electronic case record or other more current information available to the department, including but not limited to information through EDS, the member will be provided with a prepopulated review form and will have at least 30 days from the date the review form is mailed to complete necessary information, sign, and return the completed review form.

d. Failure to reenroll. Enrollment will end when information or documentation necessary to complete the determination of continued eligibility pursuant to subrules 76.8(2) through 76.8(4) is not returned before the end of the enrollment period. The department will notify the member of the disenrollment pursuant to 441—Chapter 16. Individuals whose eligibility ends must reapply unless the individual satisfies the requirements of subrule 76.12(3) or paragraph 76.14(2)*"e."*

e. Reconsideration period.

(1) For all coverage groups, except those specified in subparagraph 76.14(2)*"e"*(2), the department will reconsider the eligibility of an individual who is terminated for failure to submit the applicable review form as described in paragraph 76.14(2)*"b"* or *"c"* or for failure to provide necessary information in a timely manner and without requiring an application if the individual subsequently submits a review form within 90 days after the effective date of termination. The department will also reconsider eligibility as described in this subparagraph if the member provides an application form. If the ninetieth calendar day falls on a weekend or state holiday, the member shall have until the end of business hours on the next business day to provide the review form. The eligibility effective date will go back to the first day of the first month of ineligibility only if all other eligibility criteria are met for that month. Eligibility for subsequent months within the reconsideration period can still be determined even if the applicant remains ineligible for the initial reconsideration month(s), but eligibility will not be granted any earlier than the month in which all eligibility criteria are met.

(2) For qualified Medicare beneficiaries (QMB), the provisions in subparagraph 76.14(2)*"e"*(1) apply, except that the review form as described at lettered paragraph 76.14(2)*"b"* or *"c"* will be acted upon and treated like an application and the eligibility effective date will be determined pursuant to subparagraph 76.13(1)*"a"*(2).

f. Interview required. An individual whose eligibility is not based on the MAGI methodology may be required to attend an interview to clarify information or to resolve conflicting information. The department will not require an in-person interview as part of the process.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.15(249A) Report of changes. As a continuing condition of enrollment for Medicaid, applicants and current members shall report changes in circumstances as required in this rule.

76.15(1) A change in circumstance that may affect the eligibility of applicants and members must be reported within ten days of the date the change occurred. Changes required to be reported are described in this subrule.

a. In coverage groups for which Medicaid eligibility is determined using the MAGI methodology, any change in the following must be reported:

(1) Income from all sources.

(2) Members of the household.

(3) School attendance.
(4) Mailing or living address.
(5) Receipt of a social security number.
(6) Health insurance premiums or coverage.
(7) Alien or citizenship status.
(8) Federal income tax filing status or claimed dependents for federal tax purposes.

b. In coverage groups for which Medicaid eligibility is not determined using the MAGI methodology, any change in the following must be reported.

EXCEPTION: Persons actually receiving SSI benefits are exempted from these reporting requirements unless the persons have a trust or are applying for or are receiving home- and community-based waiver services.

(1) Income from all sources.
(2) Resources.
(3) Members of the household.
(4) Recovery from disability.
(5) Mailing or living address.
(6) Health insurance premiums or coverage.
(7) Medicare premiums or coverage.
(8) Receipt of social security number.
(9) Gross income of the community spouse or of the dependent children, parents, or siblings of the institutionalized or community spouse who are living with a community spouse when a diversion is made to the community spouse or family, as those terms are defined in rule 441—75.1(249A).
(10) Income and resources of parents and spouses when income and resources are used in determining Medicaid eligibility, client participation, or spenddown.
(11) Residence in a medical institution for other than respite care for more than 15 days for home- and community-based waiver services recipients.

c. Individuals in the breast and cervical cancer coverage group are required to report changes in their health insurance coverage and changes in their living or mailing address.

d. Individuals receiving Medicaid based on the receipt of Title IV-E-funded foster care, based on an adoption assistance agreement, or based on a guardianship assistance agreement are required to report changes in health insurance coverage, when their living or mailing address changes, upon receipt of a social security number, and upon termination of the adoption assistance agreement.

e. Individuals receiving state-only funded Medicaid are required to report any change in the following:

(1) Income from all sources.
(2) Mailing or living address.
(3) Receipt of a social security number.
(4) Health insurance coverage.
(5) Alien or citizenship status.

76.15(2) Failure to report. When a change is not reported as required by this rule, any Medicaid expenditures for care or services provided when the member was not eligible will be considered overpayments and subject to recovery from the member.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.16(249A) Action on information received. When a change in circumstance is reported, or when a change in a member's circumstances otherwise comes to the attention of the department, its effect on eligibility will be evaluated and eligibility will be redetermined regardless of whether the report of change was required by rule 441—76.15(249A). When the department has information about an anticipated change in a member's circumstances that may affect eligibility, eligibility will be redetermined at the appropriate time based on such change.

76.16(1) After assistance has been approved, except as provided in subrules 76.16(2) and 76.16(3) or as otherwise stated in 441—Chapter 75 or this chapter, action based on a change reported during a month will be effective the first day of the next calendar month unless timely notice of adverse action is required as specified in rule 441—16.2(17A).

76.16(2) When a request is made to add a new person to the Medicaid household and that person meets the eligibility requirements, assistance will be acted upon pursuant to rule 441—76.12(249A).

76.16(3) When the reported change causes a change in coverage from a Medicare Savings Program coverage group described in 441—subrule 75.6(5) to coverage under Medicaid for employed people with disabilities (MEPD) as described in 441—subrule 75.6(6), the reported change will be effective the first day of the calendar month that the change was reported.

76.16(4) When the change creates ineligibility, eligibility under the current coverage group will be canceled and an automatic redetermination of eligibility will be completed in accordance with rule 441—76.17(249A).

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

441—76.17(249A) Timeliness requirements for conducting automatic redeterminations of eligibility. Whenever a Medicaid member no longer meets the eligibility requirements of the current coverage group, the department will automatically redetermine eligibility for other Medicaid coverage groups unless the reason for ineligibility is due to not meeting the requirements in rule 441—76.8(249A). If the reason for ineligibility under the initial coverage group pertained to a condition of eligibility that applies to all coverage groups, no further redetermination will be required. When the redetermination is completed, the member will be notified of the decision in writing. The redetermination process will be completed as follows:

76.17(1) *Information received by the tenth of the month.* If information that creates ineligibility under the current coverage group is received by the department by the tenth of the month, the redetermination process will be completed by the end of that month unless the provisions of rule 441—76.14(249A) apply. The effective date of cancellation for the current coverage group will be the first day of the month following the month in which the information is received, pursuant to rule 441—76.16(249A).

76.17(2) *Information received after the tenth of the month.* If information that creates ineligibility under the current coverage group is received by the department after the tenth of the month, the redetermination process will be completed by the end of the following month unless the provisions of rule 441—76.14(249A) apply. The effective date of cancellation for the current coverage group will be no earlier than the first day of the first month following the month in which the information is received, pursuant to rule 441—76.16(249A), but no later than the second month following the month in which the information is received.

76.17(3) *Change in federal law.* If a change in federal law affects the eligibility of large numbers of Medicaid members and the United States Secretary of Health and Human Services has extended the redetermination time limits, in accordance with 42 CFR §435.1003, the redetermination process will be completed within the extended time limit and the effective date of cancellation for the current coverage group will be no later than the first day of the month following the month in which the extended time limit expires.

[**ARC 9702C**, IAB 11/12/25, effective 1/1/26]

These rules are intended to implement Iowa Code chapter 249A.

[Editorial change: IAC Supplement 6/10/26]

[1] Effective date of 4/1/90 delayed 70 days by the Administrative Rules Review Committee at its March 12, 1990, meeting; delay lifted by this Committee, effective May 11, 1990.

CHAPTER 77
CONDITIONS OF PARTICIPATION FOR PROVIDERS OF MEDICAL AND REMEDIAL CARE

[Prior to 7/1/83, Social Services[770] Ch 77]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/31

441—77.1(249A) Physicians. All physicians (doctors of medicine and osteopathy) licensed to practice in the state of Iowa are eligible to participate in the program. Physicians in other states are also eligible if duly licensed to practice in that state.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.2(249A) Retail pharmacies. Retail pharmacies are eligible to participate if they meet the requirements of this rule.

77.2(1) *Licensure.* Participating retail pharmacies must be licensed in the state of Iowa or duly licensed in another state. Out-of-state retail pharmacies delivering, dispensing, or distributing drugs by any method to an ultimate user physically located in Iowa must be duly licensed by Iowa as a nonresident pharmacy for that purpose.

77.2(2) *Survey participation.* As a condition of participation, retail pharmacies are required to make available drug acquisition cost invoice information, product availability information if known, dispensing cost information, and any other information deemed necessary by the department to assist in monitoring and revising reimbursement rates pursuant to 441—subrule 79.1(8) or for the efficient operation of the pharmacy benefit.

a. A pharmacy shall produce and submit all requested information in the manner and format requested by the department or its designee at no cost to the department or its designee.

b. A pharmacy shall submit information to the department or its designee within the time frame indicated following receipt of a request for information unless the department or its designee grants an extension upon written request of the pharmacy.

c. Any dispensing or acquisition cost information submitted to the department that specifically identifies a pharmacy's individual costs will be held confidential.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.3(249A) Pharmacists. An authorized pharmacist licensed to practice in the state of Iowa is eligible to participate in the program.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.4(249A) Hospitals.

77.4(1) *Qualifications.* All hospitals licensed in the state of Iowa or in another state and certified as eligible to participate in Part A of the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026) are eligible to participate in the medical assistance program, subject to the additional requirements of this rule.

77.4(2) *Psychiatric bed tracking system.* As a condition of participation in the medical assistance program, hospitals must establish procedures for participating in and updating the statewide psychiatric bed tracking system.

a. Definitions.

"Adult beds" means the number of staffed and available psychiatric beds ready for admission to individuals 18 years of age to 60 years of age.

"Child beds" means the number of staffed and available psychiatric beds ready for admission to individuals up to the age of 18.

"Geriatric beds" means the number of staffed and available psychiatric beds ready for admission to individuals 60 years of age and older.

"Hospital," for purposes of this subrule, means any licensed hospital providing inpatient psychiatric services and the state mental health institutes.

"Psychiatric bed tracking system" means a web-based electronic system managed by the department that can be searched to locate inpatient psychiatric services at an Iowa hospital.

b. Hospitals are required to participate in the psychiatric bed tracking system.

c. Hospitals shall update the psychiatric bed tracking system, at a minimum, two times per day. The first update shall be entered between 12:00:01 a.m. and 9:59:59 a.m. each day; the second update shall be entered between 8:00:00 p.m. and 11:59:59 p.m. each day.

d. Each update must include the number of child beds by sex, the number of adult beds by sex, and the number of geriatric beds by sex.

e. Failure to comply with the psychiatric bed tracking reporting may result in sanctions in accordance with rule 441—79.2(249A).

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.5(249A) Dentists. All dentists licensed to practice in the state of Iowa are eligible to participate in the program. Dentists in other states are also eligible if duly licensed to practice in that state. Note, however, that payment will not be made to a dental laboratory.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.6(249A) Podiatrists. All podiatrists licensed to practice in the state of Iowa are eligible to participate in the program. Podiatrists in other states are also eligible if duly licensed to practice in that state.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.7(249A) Optometrists. All optometrists licensed to practice in the state of Iowa are eligible to participate in the program. Optometrists in other states are also eligible if duly licensed to practice in that state.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.8(249A) Opticians. All opticians in the state of Iowa are eligible to participate in the program. Opticians in other states are also eligible to participate.

NOTE: Opticians in states having licensing requirements for this professional group must be duly licensed in that state.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.9(249A) Chiropractors. All chiropractors licensed to practice in the state of Iowa are eligible to participate provided that they have been determined eligible to participate in Title XVIII of the Social Security Act (Medicare) as amended to July 1, 2026, by the Social Security Administration. Chiropractors in other states are also eligible if duly licensed to practice in that state and determined eligible to participate in Title XVIII of the Social Security Act as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.10(249A) Home health agencies. Home health agencies are eligible to participate provided that they are certified to participate in the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026) and, unless otherwise exempted, have submitted a surety bond as required by subrules 77.10(2) through 77.10(4).

77.10(1) *Definitions.*

"Assets" includes any listing that identifies Medicaid members to whom home health services were furnished by a participating or formerly participating home health agency.

"Rider" means a notice issued by a surety that a change in the bond has occurred or will occur.

"Uncollected overpayment" means a Medicaid overpayment, including accrued interest, for which the home health agency is responsible that has not been recouped by the department within 60 days from the date of notification that an overpayment has been identified.

77.10(2) *Parties to surety bonds.* The surety bond shall name the home health agency as the principal, the department as the obligee and the surety company (and its heirs, executors, administrators, successors and assignees, jointly and severally) as surety. The bond shall be issued by a company holding a current Certificate of Authority issued by the U.S. Department of the Treasury in accordance with 31 U.S.C. Sections 9304 through 9308 and 31 CFR Part 223, both as amended to July 1, 2026, and 31 CFR Parts 224 and 225, both as amended to July 1, 2026. The bond shall list the surety's name, street address or post office box number; city; state; and ZIP code. The company shall not have been determined by the department to be unauthorized in Iowa due to:

a. Failure to furnish timely confirmation of the issuance of and the validity and accuracy of information appearing on a surety bond that a home health agency presents to the department that shows the surety company as surety on the bond.

b. Failure to timely pay the department in full the amount requested, up to the face amount of the bond, upon presentation by the department to the surety company of a request for payment on a surety bond and of sufficient evidence to establish the surety company's liability on the bond.

c. Other good cause.

The department will give public notice of a determination that a surety company is unauthorized in Iowa and the effective date of the determination by publication of a notice in the newspaper of widest circulation in each city in Iowa with a population of 50,000 or more. A list of surety companies determined by the department to be unauthorized in Iowa will be maintained and will be available for public inspection by contacting the department. The determination that a surety company is unauthorized in Iowa has effect only in Iowa and is not a debarment, suspension, or exclusion for the purposes of Federal Executive Order No. 12549.

77.10(3) *Surety company obligations.* The bond shall guarantee payment to the department, up to the face amount of the bond, of the full amount of any uncollected overpayment, including accrued interest, based on payments made to the home health agency during the term of the bond. The bond shall provide that payment may be demanded from the surety after available administrative collection methods for collecting from the home health agency have been exhausted.

77.10(4) *Surety bond requirements.* Surety bonds secured by home health agencies participating in Medicaid shall comply with 42 CFR 484 Subparts A, B, and C as amended to July 1, 2026, and with the Medicare Program Integrity Manual, Chapter 10.2.5.3, as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.11(249A) Medical equipment and appliances, prosthetic devices and medical supplies. All dealers in medical equipment and appliances, prosthetic devices and medical supplies in Iowa or in other states are eligible to participate in the program.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.12(249A) Ambulance service. Providers of ambulance service are eligible to participate provided that they meet the eligibility requirements for participation in the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026) and Iowa Code section 147A.8.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.13(249A) Behavioral health intervention. A provider of behavioral health intervention is eligible to participate in the medical assistance program when the provider is accredited by one of the following bodies:

1. The Joint Commission (TJC) accreditation, or
2. The Healthcare Facilities Accreditation Program (HFAP), or
3. The Commission on Accreditation of Rehabilitation Facilities (CARF), or
4. The Council on Accreditation (COA), or
5. The Accreditation Association for Ambulatory Health Care (AAAHC), or
6. The Department, pursuant to 441—Chapter 24.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.14(249A) Hearing aid dispensers. Hearing aid dispensers are eligible to participate if they are duly licensed by the state of Iowa. Hearing aid dispensers in other states will be eligible to participate if they are duly licensed in that state.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.15(249A) Audiologists. Audiologists are eligible to participate in the program when they are duly licensed by the state of Iowa. Audiologists in other states will be eligible to participate when they are duly licensed in that state. In states having no licensure requirement for audiologists, an audiologist shall obtain a license from the state of Iowa.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.16(249A) Community mental health centers. Community mental health centers are eligible to participate in the medical assistance program when they are accredited pursuant to 441—Chapter 24.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.17(249A) Screening centers. Public or private health agencies are eligible to participate as screening centers when they have the staff and facilities needed to perform all of the elements of screening specified in rule 441—78.18(249A) and meet the department's standards for a child health screening center. The staff members must be employed by or under contract with the screening center. Screening centers shall direct applications to participate to the department.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.18(249A) Physical therapists. Physical therapists are eligible to participate when they are licensed, in independent practice, and are eligible to participate in the Medicare program.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.19(249A) Orthopedic shoe dealers and repair shops. Establishments eligible to participate in the medical assistance program are retail dealers in orthopedic shoes prescribed by physicians or podiatrists and shoe repair shops specializing in orthopedic work as prescribed by physicians or podiatrists.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.20(249A) Rehabilitation agencies. Rehabilitation agencies are eligible to participate provided that they are certified to participate in the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026).
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.21(249A) Independent laboratories. Independent laboratories are eligible to participate provided that they are certified to participate as a laboratory in the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026). An independent laboratory is a laboratory that is independent of attending and consulting physicians' offices, hospitals, and critical access hospitals.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.22(249A) Rural health clinics. Rural health clinics are eligible to participate provided that they are certified to participate in the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026).
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.23(249A) Psychologists.

77.23(1) All psychologists licensed to practice in the state of Iowa pursuant to Iowa Code chapter 154B are eligible to participate in the medical assistance program. Psychologists in other states are eligible to participate when they are duly licensed to practice in that state and meet the credentialing requirements of the National Register of Health Service Psychologists as amended to July 1, 2026.

77.23(2) A psychologist provisionally licensed to practice in the state of Iowa pursuant to Iowa Code section 154B.6 is eligible to participate in the medical assistance program when the person:

a. Possesses a doctoral degree in psychology from an institution approved by the board of psychology; and

b. Provides treatment under the supervision of a licensed psychologist pursuant to Iowa Code section 154B.6. Claims for payment for such services must be submitted by the licensed psychologist.

77.23(3) A psychologist provisionally licensed in another state is eligible to participate when the person:

a. Possesses a doctoral degree in psychology from an institution approved by the board of psychology; and

b. Provides treatment under the supervision of a licensed psychologist pursuant to Iowa Code section 154B.6. Claims for payment for such services must be submitted by the licensed psychologist who is duly licensed to practice in that state.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.24(249A) Maternal health centers. A maternal health center is eligible to participate in the Medicaid program if the center provides a team of professionals to render prenatal and postpartum care and enhanced perinatal services (see rule 441—78.25(249A) for more information). The prenatal and postpartum care shall be in accordance with the American College of Obstetricians and Gynecologists, Standards for Obstetric Gynecologic Services, as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.25(249A) Ambulatory surgical centers. Ambulatory surgical centers that are not part of hospitals are eligible to participate in the medical assistance program if the ambulatory surgical centers are certified to participate in the Medicare program (Title XVIII of the Social Security Act as amended to July 1, 2026). Freestanding ambulatory surgical centers providing only dental services are also eligible to participate in the medical assistance program if the dental board has issued a current permit pursuant to 481—Chapter 579 for any dentist to administer deep sedation or general anesthesia at the facility.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.26(249A) Federally qualified health centers. Federally qualified health centers are eligible to participate in the Medicaid program when the Centers for Medicare and Medicaid Services has notified the Medicaid program of the federally qualified health centers' eligibility as allowed by Section 6404(b) of Public Law 101–239 as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.27(249A) Advanced registered nurse practitioners. Advanced registered nurse practitioners are eligible to participate in the Medicaid program if they are duly licensed and registered by the state of Iowa as advanced registered nurse practitioners certified pursuant to 481—Chapter 621.

77.27(1) Advanced registered nurse practitioners in another state shall be eligible to participate if they are duly licensed and registered in that state as advanced registered nurse practitioners with certification in a practice area consistent with 481—Chapter 621.

77.27(2) Advanced registered nurse practitioners who have been certified eligible to participate in Medicare shall be considered as having met these guidelines.

77.27(3) Licensed nurse anesthetists who have graduated from a nurse anesthesia program meeting the standards set forth by a national association of nurse anesthetists within the past 18 months and who are awaiting initial certification by a national association of nurse anesthetists approved by the board of nursing shall be considered as having met these guidelines.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.28(249A) Speech-language pathologists. Speech-language pathologists who are enrolled in the Medicare program are eligible to participate in Medicaid. Speech-language pathologists who are not enrolled in the Medicare program are eligible to participate in Medicaid if they are licensed and in independent practice, as an individual or as a group.

77.28(1) Speech-language pathologists in another state are eligible to participate if they are licensed in that state and meet the Medicare criteria for enrollment.

77.28(2) Speech-language pathologists who provide services to Medicaid members who are also Medicare beneficiaries must be enrolled in the Medicare program.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.29(249A) Physician associates. All physician associates licensed to practice in the state of Iowa are eligible for participation in the program. Physician associates duly licensed to practice in other states are also eligible for participation.
[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.30(249A) HCBS habilitation services. To be eligible to participate in the Medicaid program as an approved provider of HCBS habilitation services, a provider shall meet the general requirements in subrules 77.30(2) through 77.30(5) and shall meet the requirements in the subrules applicable to the individual services being provided.

77.30(1) *Definitions.*

"Certified employment specialist" or *"CES"* means a person who has earned a CES certification through a nationally recognized accrediting body.

"Guardian" means a guardian appointed in probate or juvenile court.

"Home- and community-based services" or *"HCBS"* means the types of person-centered care delivered in the home and community.

"Immediate family member" means any of the following:

1. Husband or wife.
2. Natural or adoptive parent, child, or sibling.
3. Stepparent, stepchild, stepbrother, or stepsister.
4. Father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law.
5. Grandparent or grandchild.
6. Spouse of grandparent or grandchild.

"Individual employment" means employment in the general workforce where the member interacts with the general public to the same degree as nondisabled persons in the same job and for which the member is paid at or above minimum wage but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by persons without disabilities.

"Individual placement and support" or *"IPS"* means the evidence-based practice of supported employment that is guided by IPS practice principles outlined by the IPS Employment Center and as measured by its most recently published 25-item supported employment fidelity scale available online at ipsworks.org as amended to July 1, 2026.

"Intensive residential service homes" or *"intensive residential services"* means intensive, community-based services provided 24 hours per day, 7 days per week, 365 days per year to individuals with a severe and persistent mental illness who have functional impairments and may also have multi-occurring conditions.

"IPS 25-item supported employment fidelity scale" means the fidelity scale published by the IPS Employment Center as amended to July 1, 2026, resulting in scores of exemplary fidelity, good fidelity, fair fidelity, or not supported employment.

"IPS implementation" means the process advocated by the IPS Employment Center as amended to July 1, 2026.

"IPS reviewer" means a person who is qualified to complete fidelity reviews of IPS services and is one of the following:

1. A person who has provided IPS services or has supervised an IPS team in Iowa that has obtained a fidelity score of "good" or better; has completed the IPS Employment Center's training as amended to July 1, 2026, to become an IPS reviewer; and has shadowed one or more IPS fidelity reviews;
2. An existing IPS reviewer from a state that is a member of the IPS International Learning Collaborative;
3. An IPS reviewer contracted directly from the IPS Employment Center;
4. A CES with a bachelor's degree who has completed the IPS Employment Center's training as amended to July 1, 2026, to become an IPS reviewer and has shadowed one or more IPS fidelity reviews.

"IPS team" means, at a minimum, an IPS employment specialist, a behavioral health specialist, Iowa Vocational Rehabilitation Services (IVRS) counselor, and a case manager or care coordinator.

"IPS trainer" means a person who is qualified to provide training and technical assistance for IPS implementation and is one of the following:

1. A person who has provided IPS services or has supervised an IPS team in Iowa that has obtained a fidelity score of "good" or better and has completed the IPS Employment Center's training as amended to July 1, 2026, to become an IPS trainer;
2. An existing IPS trainer from a state that is a member of the IPS International Learning Collaborative;
3. An IPS trainer contracted directly from the IPS Employment Center;
4. A CES with a bachelor's degree who has completed the IPS Employment Center's training as amended to July 1, 2026, to become an IPS trainer.

"Managed care organization" or *"MCO"* means the same as defined in 441—Chapter 73.

"Member" means a person who has been determined to be eligible for Medicaid under 441—Chapter 75.

"Mental health diagnosis" means a disorder, dysfunction, or dysphoria diagnosed pursuant to the Diagnostic and Statistical Manual of Mental Disorders (DSM) published by the American Psychiatric Association as amended to July 1, 2026, excluding neurodevelopmental disorders, substance use disorders, personality disorders, medication-induced movement disorders and other adverse effects of medication, and other conditions that may be a focus of clinical attention as defined in the current version of the DSM published by the American Psychiatric Association as amended to July 1, 2026.

"Prospective IPS team" means a group that is forming an IPS team to deliver IPS services but who has not yet completed implementation phase 4a as amended to July 1, 2026.

"Provider-owned or controlled setting" means a setting where the HCBS provider owns the property where the member resides, leases the property from a third party, or has a direct or indirect financial relationship with the property owner that impacts either the care provided to or the financial conditions applicable to the member. The unit or dwelling is a specific physical space that can be owned, rented, or occupied under a legally enforceable agreement by the member receiving services, and the member has, at a minimum, the same responsibilities and protections from eviction that tenants have under the landlord/tenant law of the state, county, city, or other designated entity. For the settings in which landlord/tenant laws do not apply, the state will ensure that a lease, residency agreement or other form of written agreement will be in place for each HCBS member and that the document provides protections that address eviction processes and appeals comparable to those provided under the jurisdiction's landlord/tenant law.

"Provisionally approved IPS team" means a group that has (1) formed a team to deliver IPS services, (2) completed implementation phase 4a as amended to July 1, 2026, and (3) begun to deliver IPS services.

"Serious emotional disturbance" means a diagnosable mental, behavioral, or emotional disorder in a child under 18 that significantly impairs the child's ability to function in family, school, or community settings. This impairment must be substantial and have lasted long enough to meet specific diagnostic criteria outlined in the DSM as amended to July 1, 2026.

"Severe and persistent mental illness" or *"SPMI"* means a documented primary mental health disorder diagnosed by a mental health professional that causes symptoms and impairments in basic mental and behavioral processes that produce distress and major functional disability in adult role functioning inclusive of social, personal, family, educational or vocational roles.

77.30(2) *Organization and staff.*

a. The prospective provider shall demonstrate the fiscal capacity to initiate and operate the specified programs on an ongoing basis.

b. The provider shall complete child abuse, dependent adult abuse, and criminal background screenings pursuant to Iowa Code section 249A.29 before employing a person who will provide direct care.

c. A person providing direct care shall be at least 16 years of age.

d. A person providing direct care shall not be an immediate family member of the member.

77.30(3) *Incident management and reporting.* As a condition of participation in the medical assistance program, HCBS habilitation service providers must comply with the requirements of Iowa Code sections 232.69 and 235B.3 regarding the reporting of child abuse and dependent adult abuse and with the incident management and reporting requirements set forth in the HCBS habilitation provider manual as amended to July 1, 2026.

77.30(4) *Restraint, restriction, and behavioral intervention.* The provider shall have in place a system for the review, approval, and implementation of ethical, safe, humane, and efficient behavioral intervention procedures. All members receiving home- and community-based habilitation services shall be afforded the protections imposed by these rules when any restraint, restriction, or behavioral intervention is implemented.

a. The system shall include procedures to inform the member and the member's legal guardian of the restraint, restriction, and behavioral intervention policy and procedures at the time of service approval and as changes occur.

b. Restraint, restriction, and behavioral intervention shall be used only for reducing or eliminating maladaptive target behaviors that are identified in the member's restraint, restriction, or behavioral intervention program.

c. Restraint, restriction, and behavioral intervention procedures shall be designed and implemented only for the benefit of the member and shall never be used as punishment, for the convenience of the staff, or as a substitute for a nonaversive program.

d. Restraint, restriction, and behavioral intervention programs shall be time-limited and shall be reviewed at least quarterly.

e. Corporal punishment and verbal or physical abuse are prohibited.

77.30(5) *Residential and nonresidential settings.* All HCBS, whether residential or nonresidential, shall be provided in accordance with 42 CFR 441.301(4) and (5) as amended to July 1, 2026.

77.30(6) *Case management.* A provider is eligible to participate in the HCBS habilitation program as a provider of case management services if accredited as a case management provider pursuant to 441—Chapter 24.

77.30(7) *Day habilitation.*

a. The following providers may provide day habilitation:

(1) An agency that is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) to provide services that qualify as day habilitation under 441—subrule 78.27(8).

(2) An agency that is accredited by CARF to provide other services and has begun providing services that qualify as day habilitation under 441—subrule 78.27(8) since the agency's last accreditation survey. The agency may provide day habilitation services until the current accreditation expires. When the current accreditation expires, the agency must qualify under subparagraph 77.25(7)*"a"*(1),*"a"*(4), or *"a"*(7).

(3) An agency that is not accredited by CARF but has applied to CARF within the last 12 months for accreditation to provide services that qualify as day habilitation under 441—subrule 78.27(8). An agency that has not received accreditation within 12 months after application to CARF is no longer a qualified provider.

(4) An agency that is accredited by the Council on Quality and Leadership in Supports for People with Disabilities.

(5) An agency that has applied to the Council on Quality and Leadership in Supports for People with Disabilities for accreditation within the last 12 months. An agency that has not received accreditation within 12 months after application to the Council is no longer a qualified provider.

(6) An agency that is accredited under 441—Chapter 24 to provide day treatment or supported community living services.

(7) An agency that is accredited by the International Center for Clubhouse Development.

(8) An agency that is accredited by TJC.

b. Direct support staff providing day habilitation services shall meet the qualifications as outlined in the HCBS Manual as amended to July 1, 2026.

77.30(8) *Home-based habilitation.*

a. The following agencies may provide home-based habilitation services:

(1) An agency that is certified by the department to provide home-based habilitation services.

(2) An agency that is accredited under 441—Chapter 24 to provide supported community living services.

(3) An agency that is accredited by CARF as a community housing or supported living service provider.

(4) An agency that is accredited by the Council on Quality and Leadership (CQL).

(5) An agency that is accredited by the Council on Accreditation of Services for Families and Children.

(6) An agency that is accredited by TJC.

b. Agencies meeting the criteria under subrule 77.30(9) or 77.40(2) that seek certification as an intensive residential service provider shall meet the following criteria at initial application and annually thereafter. A certified intensive residential service provider shall:

(1) Be enrolled as an HCBS 1915(i) home-based habilitation provider in good standing with Iowa Medicaid.

(2) Provide staffing 24 hours per day, 7 days per week, 365 days per year.

(3) Maintain a minimum staffing ratio of one staff to every two residents. Staffing ratios shall be responsive to the needs of the individuals served.

(4) Ensure that all staff members have the qualifications outlined in the HCBS Manual as amended to July 1, 2026.

(5) Ensure that within the first year of employment, staff members complete 48 hours of training in the subject matter outlined in the HCBS Manual as amended to July 1, 2026.

(6) Provide coordination with the individual's clinical mental health and physical health treatment and other services and supports.

(7) Provide clinical oversight by a mental health professional. The mental health professional shall review and consult on all behavioral health services provided to the individual and any other plans developed for the individual.

(8) Have a written cooperative agreement with an outpatient mental health provider and ensure that individuals have timely access to outpatient mental health services.

(9) Be licensed as a substance abuse treatment program pursuant to Iowa Code chapter 125 or have a written cooperative agreement with and timely access to licensed substance abuse treatment services for those individuals with a demonstrated need.

(10) Accept and serve eligible individuals who are court-ordered to intensive residential services.

(11) Provide services to eligible individuals on a no-reject, no-eject basis.

(12) If funded through HCBS and not licensed as a residential care facility, serve no more than five individuals at a site with approval from the department.

(13) Be located in a neighborhood setting to maximize community integration and natural supports.

(14) Demonstrate specialization in serving individuals with a serious and persistent mental illness or multi-occurring conditions and serve individuals with similar conditions in the same site.

c. Direct support staff providing home-based habilitation services shall meet the qualifications outlined in the HCBS Habilitation Manual as amended to July 1, 2026.

d. The department will approve living units designed to serve up to four persons, except as necessary to prevent an overconcentration of living units in a geographic area.

e. The department will approve a living unit designed to serve five persons if both of the following conditions are met:

(1) Approval will not result in an overconcentration of living units in a geographic area; and

(2) The county in which the living unit is located provides to the department verification in writing that approval is needed to address one or more of the following issues:

1. The quantity of services currently available in the county is insufficient to meet the need; or
2. The quantity of affordable rental housing in the county is insufficient to meet the need; or
3. Approval will result in a reduction in the size or quantity of larger congregate settings.

77.30(9) *Prevocational habilitation.*

a. The following providers may provide prevocational services:

(1) An agency that is accredited by CARF as an organizational employment service provider or a community employment service provider.

(2) An agency that is accredited by the Council on Quality and Leadership.

(3) An agency that is accredited by the International Center for Clubhouse Development.

b. Providers responsible for the payroll of members shall have policies that ensure compliance with state and federal labor laws and regulations.

c. Direct support staff providing prevocational services shall meet the following minimum qualifications in addition to other requirements outlined in administrative rule:

(1) A person providing direct support without line-of-sight supervision shall be at least 18 years of age. A person providing direct support with line-of-sight supervision shall be 16 years of age or older.

(2) A person providing direct support shall, within six months of hire, complete at least 9.5 hours of employment service training as offered through DirectCourse or through the Association of Community Rehabilitation Educators (ACRE)-certified training program as amended to July 1, 2026.

(3) Prevocational direct support staff shall complete four hours of continuing education in employment services annually.

77.30(10) *Supported employment habilitation.*

a. The following agencies may provide supported employment services:

(1) An agency that is accredited by CARF as an organizational employment service provider or a community employment service provider.

(2) An agency that is not accredited by CARF but has applied to CARF within the last 12 months for accreditation to provide services that qualify as supported employment under 441—subrule 78.27(10). An agency that has not received accreditation within 12 months after application to CARF is no longer a qualified provider.

(3) An agency that is accredited by CARF to provide other services and began providing services that qualify as supported employment under 441—subrule 78.27(10) since the agency's last accreditation survey. The agency may provide supported employment services until the current accreditation expires. When the current accreditation expires, the agency must qualify under subparagraph 77.30(10)*"a"*(1), *"a"*(2), *"a"*(5), *"a"*(6), *"a"*(7) or *"a"*(8).

(4) An agency that is not accredited by CARF but has applied to CARF within the last 12 months for accreditation to provide services that qualify as supported employment under 441—subrule 78.27(10). An agency that has not received accreditation within 12 months after application to CARF is no longer a qualified provider.

(5) An agency that is accredited by the COA.

(6) An agency that is accredited by TJC.

(7) An agency that is accredited by the Council on Quality and Leadership.

(8) An agency that has applied to the Council on Quality and Leadership in Supports for People with Disabilities for accreditation within the last 12 months. An agency that has not received accreditation within 12 months after application to the Council on Quality and Leadership in Supports for People with Disabilities is no longer a qualified provider.

(9) An agency that is accredited by the International Center for Clubhouse Development.

b. Providers responsible for the payroll of members shall have policies that ensure compliance with state and federal labor laws and regulations.

c. Direct support staff providing individual or small-group supported employment or long-term job coaching services shall meet the qualifications outlined in the HCBS Habilitation Manual and HCBS Waiver Manual, both as amended to July 1, 2026.

d. Providers qualified to offer IPS services shall meet the following requirements:

(1) Providers shall meet the provider qualifications listed in this subrule.

(2) Providers shall be accredited to provide supported employment and have provided supported employment for a minimum of two years.

(3) Providers shall demonstrate adequate funding has been secured for the training and technical assistance required for IPS implementation. Adequate funding is defined as at least the amount required for the start-up of one IPS team to complete all phases of IPS implementation. Evidence of such funding shall

be made available to the department at the time of enrollment. Evidence may include a written funding agreement or other documentation from the funder.

(4) Providers shall receive training and technical assistance throughout IPS implementation from an IPS trainer. Evidence of the IPS team's agreement for such training and technical assistance shall be made available to the department at the time of enrollment.

(5) Prospective IPS teams shall complete IPS implementation as defined in subrule 77.30(1).

(6) Prospective IPS teams are provisionally approved until the IPS team has obtained at least a "fair" score on a baseline fidelity review completed by IPS reviewers.

(7) Provisionally approved IPS teams shall complete IPS implementation phases 1 through 4a as amended to July 1, 2026, within 12 months of enrolling.

(8) Upon completion of IPS implementation phase 4a as amended to July 1, 2026, provisionally approved IPS teams shall deliver IPS services according to the IPS outcomes model.

(9) Upon completion of IPS implementation phase 7 as amended to July 1, 2026, IPS teams are qualified to deliver IPS services, subject to the following:

1. IPS teams must obtain a baseline fidelity review score of "fair" or better within 14 months of completion of IPS implementation phase 1. The fidelity review must be completed by IPS reviewers. The fidelity reviews shall be provided to the department upon receipt by the IPS team.

2. In the event an IPS team fails to achieve a fidelity score of "fair" or better, the IPS team shall receive technical assistance to address areas recommended for improvement as identified in the fidelity review. If the subsequent fidelity review results in a score of less than "fair" fidelity, the IPS team will be provisionally approved for no more than 12 months or until the fidelity score again reaches "fair" fidelity, whichever date is earlier.

3. IPS teams that do not achieve a "fair" fidelity score within 12 months from being provisionally approved will no longer be qualified to deliver IPS services until they again reach the minimum "fair" fidelity score.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.31(249A) Behavioral health services. The following persons are eligible to participate in the Medicaid program as providers of behavioral health services.

77.31(1) *Licensed marital and family therapists (LMFT).* Any person licensed by the board of behavioral health professionals as a marital and family therapist pursuant to 481—Chapter 880 is eligible to participate. A marital and family therapist in another state is eligible to participate when duly licensed to practice in that state.

77.31(2) *Temporarily licensed marital and family therapists.* Any person who holds a temporary license to practice marital and family therapy pursuant to Iowa Code section 154D.7 is eligible to participate when the temporarily licensed marital and family therapist provides treatment under the supervision of a qualified marital and family therapist as determined by the board of behavioral health professionals by rule. Claims for payment for such services must be submitted by the supervising licensed marital and family therapist.

77.31(3) *Licensed independent-level social workers (LISW).* Any person licensed by the board of social work as an independent-level social worker pursuant to 481—Chapter 880 is eligible to participate. An independent-level social worker in another state is eligible to participate when duly licensed to practice in that state.

77.31(4) *Licensed master-level social workers (LMSW).*

a. A person licensed by the board of social work as a master-level social worker pursuant to 481—Chapter 880 is eligible to participate when the person:

(1) Holds a master's or doctoral degree as approved by the board of social work; and

(2) Provides treatment under the supervision of an independent-level social worker licensed pursuant to 481—Chapter 880.

b. A master-level social worker in another state is eligible to participate when the person:

(1) Is duly licensed to practice in that state; and

(2) Provides treatment under the supervision of an independent-level social worker duly licensed in that state.

77.31(5) *Licensed mental health providers (LMP).* Any person licensed by the board of behavioral health professionals as a mental health provider pursuant to Iowa Code chapter 154D and 481—Chapter 880 is eligible to participate. A mental health provider in another state is eligible to participate when duly licensed to practice in that state.

77.31(6) *Temporarily licensed mental health counselors.* Any person temporarily licensed by the board of behavioral health professionals as a mental health counselor pursuant to Iowa Code section 154D.7 is eligible to participate when the temporarily licensed mental health counselor provides treatment under the supervision of a qualified mental health counselor as determined by the board of behavioral health professionals by rule. Claims for payment for such services must be submitted by the supervising licensed mental health counselor.

77.31(7) *Certified alcohol and drug counselors.* Any person certified by the nongovernmental Iowa board of certification as an alcohol and drug counselor is eligible to participate.

77.31(8) *Licensed behavior analysts.* Any person licensed as a behavior analyst pursuant to Iowa Code chapter 154D is eligible to participate. A licensed behavior analyst in another state is eligible to participate when duly licensed to practice in that state.

77.31(9) *Licensed assistant behavior analysts.* A person licensed by the board of psychology as an assistant behavior analyst pursuant to Iowa Code chapter 154D is eligible to participate when the licensed assistant behavior analyst:

a. Holds current certification as an assistant behavior analyst by a certifying entity; and

b. Provides treatment under the supervision of a behavior analyst licensed pursuant to Iowa Code chapter 154D. Claims for payment for such services must be submitted by the supervising licensed behavior analyst.

77.31(10) *Registered behavior technicians.*

a. A person is eligible to participate as a registered behavior technician when the person holds:

(1) A current certification from the behavior analyst certification board as a registered behavior technician; or

(2) A bachelor's degree.

b. A registered behavior technician must provide treatment under the supervision of a behavior analyst or assistant behavior analyst licensed pursuant to Iowa Code chapter 154D. Claims for payment for such services must be submitted by the supervising licensed behavior analyst.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.32(249A) Birth centers. Birth centers are eligible to participate in the Medicaid program if they are licensed or receive reimbursement from at least two third-party payors.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.33(249A) Area education agencies. An area education agency is eligible to participate in the Medicaid program when it has a plan for providing comprehensive special education programs and services approved by the Iowa department of education. Covered services shall be provided by personnel who are licensed, endorsed, or registered as provided in this rule and shall be within the scope of the applicable license, endorsement, or registration.

77.33(1) Personnel providing audiological or speech-language services shall be licensed by the board of speech pathology and audiology as a speech pathologist or audiologist pursuant to 481—Chapter 740.

77.33(2) Personnel providing physical therapy shall be licensed by the board of physical and occupational therapy as a physical therapist pursuant to 481—Chapter 800.

77.33(3) Personnel providing occupational therapy shall be licensed by the board of physical and occupational therapy as an occupational therapist pursuant to 481—Chapter 804.

77.33(4) Personnel providing psychological evaluations and counseling or psychotherapy services shall be:

a. Endorsed by the board of educational examiners as a school psychologist pursuant to 282—subrule 27.3(2);

b. Licensed by the board of psychology as a psychologist pursuant to 481—Chapter 880;

c. Licensed by the board of social work as a social worker pursuant to 481—Chapter 880;

d. Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654; or

e. Registered by the nursing board as an advanced registered nurse practitioner pursuant to 481—Chapter 621.

77.33(5) Personnel providing nursing services shall be licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620.

77.33(6) Personnel providing vision services shall be:

a. Licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620;

b. Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654; or

c. Licensed by the board of optometry as an optometrist pursuant to 481—Chapter 760.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.34(249A) Case management provider organizations. Case management provider organizations meeting the criteria in 441—Chapter 24 are eligible to participate.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.35(249A) HCBS health and disability waiver service providers. HCBS health and disability waiver services shall be rendered by an agency meeting the standards and qualifications pursuant to the HCBS Waiver Provider Manual as amended to July 1, 2026. The following providers shall be eligible to participate in the Medicaid HCBS health and disability waiver program if they meet the standards in subrule 77.35(18) and the integrated, community-based settings standards in subrule 77.30(5) and also meet the standards set forth below for the service to be provided and the HCBS provider manual as amended to July 1, 2026.

77.35(1) *Home maintenance providers.* Home maintenance providers shall be agencies that are:

a. Certified as a home health agency under Medicare, or

b. Authorized to provide similar services through a contract with the department for local public health services. The agency must provide a current local public health services contract number.

77.35(2) *Home health aide providers.* Home health aide providers shall be agencies that are certified to participate in the Medicare program.

77.35(3) *Adult day care providers.* Adult day care providers shall be agencies that are certified by the department of inspections, appeals, and licensing (DIAL) as being in compliance with the standards for adult day services programs in 481—Chapter 70.

77.35(4) *Nursing care providers.* Nursing care providers shall be agencies that are certified to participate in the Medicare program as home health agencies.

77.35(5) *Respite care providers.*

a. The following agencies may provide respite services:

(1) Home health agencies that are certified to participate in the Medicare program.

(2) Hospitals licensed pursuant to 481—Chapter 51.

(3) Nursing facilities, intermediate care facilities for individuals with intellectual disabilities, and hospitals enrolled as providers in the Iowa Medicaid program.

(4) Group living foster care facilities for children licensed by the department according to 441—Chapters 112 and 114 through 116 and child care centers licensed according to 441—Chapter 109.

(5) Camps certified by the American Camping Association.

(6) Home maintenance providers that meet the conditions of participation set forth in subrule 77.35(1).

(7) Adult day care providers that meet the conditions of participation set forth in subrule 77.35(3).

(8) Residential care facilities for individuals with intellectual disabilities licensed by DIAL.

(9) Assisted living programs certified by DIAL.

b. Respite providers shall meet the following conditions:

(1) Providers shall maintain the following information that shall be updated at least annually:

1. The member’s name, birth date, age, and address and the telephone number of each parent, guardian, or primary caregiver.

2. An emergency medical care release.

3. Emergency contact telephone numbers, such as the number of the member's physician and the parents, guardian, or primary caregiver.

4. The member's medical issues, including allergies.

5. The member's daily schedule that includes the member's preferences in activities or foods or any other special concerns.

(2) Procedures shall be developed for the dispensing, storage, authorization, and recording of all prescription and nonprescription medications administered. Home health agencies must follow Medicare regulations for medication dispensing.

All medications shall be stored in their original containers, with the accompanying physician's or pharmacist's directions and label intact. Medications shall be stored so they are inaccessible to members and the public. Nonprescription medications shall be labeled with the member's name.

In the case of medications that are administered on an ongoing, long-term basis, authorization shall be obtained for a period not to exceed the duration of the prescription.

(3) Policies shall be developed for:

1. Notifying the parent, guardian or primary caregiver of any injuries or illnesses that occur during respite provision. A parent's, guardian's or primary caregiver's signature is required to verify receipt of notification.

2. Requiring the parent, guardian or primary caregiver to notify the respite provider of any injuries or illnesses that occurred prior to respite provision.

3. Documenting activities and times of respite. This documentation shall be made available to the parent, guardian or primary caregiver upon request.

4. Ensuring the safety and privacy of the individual. Policies shall at a minimum address threat of fire, tornado, or flood and bomb threats.

c. A facility providing respite under this subrule shall not exceed the facility's licensed capacity, and services shall be provided in locations consistent with licensure.

d. Respite provided outside the member's home or the facility covered by the licensure, certification, accreditation, or contract must be approved by the parent, guardian or primary caregiver and the interdisciplinary team and must be consistent with the way the location is used by the general public. Respite in these locations shall not exceed 72 continuous hours.

77.35(6) *Counseling providers.* Counseling providers shall be:

a. Agencies that are certified under the community mental health center standards set forth in 441—Chapter 24.

b. Agencies that are licensed as meeting the hospice standards and requirements set forth in 481—Chapter 53 or that are certified to meet the standards under the Medicare program for hospice programs.

c. Agencies that are accredited under the mental health service provider standards set forth in 441—Chapter 24.

77.35(7) *Attendant care providers.* The following providers may provide attendant care service:

a. Agencies authorized to provide similar services through a contract with the department for local public health services. The agency must provide a current local public health services contract number.

b. Home health agencies that are certified to participate in the Medicare program.

c. Community action agencies as designated in Iowa Code section 216A.93.

d. Providers certified under an HCBS waiver for supported community living.

e. Assisted living programs that are certified by DIAL under 481—Chapter 69.

f. Adult day service providers that are certified by DIAL under 481—Chapter 70.

g. Community businesses that are engaged in the provision of attendant care services and that:

(1) Have all necessary licenses and permits to operate in conformity with federal, state, and local laws and regulations, and

(2) Submit verification of current liability and workers' compensation coverage.

77.35(8) *Interim medical monitoring and treatment providers.*

a. The following providers may provide interim medical monitoring and treatment services:

(1) Home health agencies certified to participate in the Medicare program.

(2) Supported community living providers certified according to subrule 77.40(2) or 77.42(12).

b. Staff requirements. Staff members providing interim medical monitoring and treatment services to members shall meet all of the following requirements:

(1) Be at least 18 years of age.

(2) Not be the spouse of the member or a parent or stepparent of the member if the member is aged 17 or under.

(3) Not be a usual caregiver of the member.

(4) Be qualified by training or experience to provide medical intervention or intervention in a medical emergency necessary to carry out the member's plan of care. The training or experience required must be determined by the member's usual caregivers and a licensed medical professional on the member's interdisciplinary team and must be documented in the member's service plan.

77.35(9) *Home and vehicle modification providers.* The following providers may provide home and vehicle modification:

a. Area agencies on aging as designated in 441—Chapter 226.

b. Community action agencies as designated in Iowa Code section 216A.93.

c. Community businesses that have all necessary licenses and permits to operate in conformity with federal, state, and local laws and regulations and that submit verification of current liability and workers' compensation coverage.

77.35(10) *Personal emergency response system providers.* Personal emergency response system providers shall be agencies that meet the following conditions:

a. The agency shall provide an electronic component to transmit a coded signal via digital equipment over telephone lines to a central monitoring station. The central monitoring station must operate receiving equipment and be fully staffed by trained attendants 24 hours per day, seven days per week. The attendants must process emergency calls and ensure the timely notification of appropriate emergency resources to be dispatched to the person in need.

b. The agency, parent agency, institution or corporation shall have the necessary legal authority to operate in conformity with federal, state and local laws and regulations.

c. There shall be a governing authority that is responsible for establishing policy and ensuring effective control of services and finances. The governing authority shall employ or contract for an agency administrator to whom authority and responsibility for overall agency administration are delegated.

d. The agency or institution shall be in compliance with all applicable laws and regulations relating to prohibition of discriminatory practices.

e. There shall be written policies and procedures established to explain how the service operates, agency responsibilities, client responsibilities and cost information.

77.35(11) *Home-delivered meals.* The following providers may provide home-delivered meals:

a. Area agencies on aging as designated in 441—Chapter 226. Home-delivered meals providers subcontracting with area agencies on aging or with letters of approval from the area agencies on aging stating the organization is qualified to provide home-delivered meals services may also provide home-delivered meals services.

b. Community action agencies as designated in Iowa Code section 216A.93.

c. Nursing facilities licensed pursuant to Iowa Code chapter 135C.

d. Restaurants licensed and inspected under Iowa Code chapter 137F.

e. Hospitals enrolled as Medicaid providers.

f. Home health aide providers meeting the standards set forth in subrule 77.35(2).

g. Medical equipment and supply dealers certified to participate in the Medicaid program.

h. Homemaker service providers meeting the standards set forth in subrule 77.35(1).

77.35(12) *Nutritional counseling.* The following providers may provide nutritional counseling by a dietitian licensed under 481—Chapter 921:

a. Hospitals enrolled as Medicaid providers.

b. Community action agencies as designated in Iowa Code section 216A.93.

c. Nursing facilities licensed pursuant to Iowa Code chapter 135C.

d. Home health agencies certified by Medicare.

e. Independent dietitians licensed pursuant to 481—Chapter 921.

77.35(13) *Financial management service.* Members who select the consumer choices option may work with a financial institution that meets the following qualifications:

a. The financial institution shall either:

(1) Be cooperative, nonprofit, member-owned and member-controlled, and federally insured through and chartered by either the National Credit Union Administration (NCUA) or the credit union division of the Iowa department of commerce; or

(2) Be chartered by the Office of the Comptroller of the Currency, a bureau of the U.S. Department of the Treasury, and insured by the Federal Deposit Insurance Corporation (FDIC).

b. The financial institution shall obtain an Internal Revenue Service federal employee identification number dedicated to the financial management service.

c. The financial institution shall enroll as a Medicaid provider.

77.35(14) *Independent support brokerage.* Members who select the consumer choices option shall work with an independent support broker who meets the following qualifications:

a. The broker must be at least 18 years of age.

b. The broker shall not be the member's guardian, conservator, attorney in fact under a durable power of attorney for health care, power of attorney for financial matters, trustee, or representative payee.

c. The broker shall not provide any other paid service to the member.

d. The broker shall not work for an individual or entity that is providing services to the member.

e. The broker must consent to a criminal background check and child and dependent adult abuse checks. The results shall be provided to the member.

f. The broker must complete independent support brokerage training approved by the department.

77.35(15) *Self-directed personal care.* Members who elect the consumer choices option may choose to purchase self-directed personal care services from an individual or business that meets the requirements outlined in the HCBS Manual as amended to July 1, 2026.

77.35(16) *Individual-directed goods and services.* Members who elect the consumer choices option may choose to purchase individual-directed goods and services from an individual or business that meets the requirements outlined in the HCBS Manual as amended to July 1, 2026.

77.35(17) *Self-directed community supports and employment.* Members who elect the consumer choices option may choose to purchase self-directed community supports and employment from an individual or business that meets the requirements outlined in the HCBS Manual as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.36(249A) Occupational therapists. Occupational therapists are eligible to participate if they are licensed and in private practice independent of the administrative and professional control of an employer, such as a physician, institution, or rehabilitation agency. Licensed occupational therapists in an independent group practice are eligible to enroll.

77.36(1) Occupational therapists in other states are eligible to participate if they are licensed in that state and meet the Medicare criteria for enrollment.

77.36(2) Occupational therapists who provide services to Medicaid members who are also Medicare beneficiaries must be enrolled in the Medicare program.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.37(249A) Hospice providers. Hospice providers that are licensed and meet the hospice standards and requirements set forth in 481—Chapter 53 or that are certified to meet the standards under the Medicare program for hospice programs are eligible to participate in the Medicaid program.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.38(249A) HCBS elderly waiver service providers. HCBS elderly waiver services shall be rendered by a person who meets the training and qualification specified in the HCBS Waiver Provider Manual as amended to July 1, 2026. The following providers are eligible to participate in the Medicaid HCBS elderly waiver program if they meet the standards in subrule 77.38(22) and the integrated,

community-based settings standards in subrule 77.30(5) and also meet the standards set forth below for the service to be provided.

77.38(1) *Adult day care providers.* Adult day care providers meeting the criteria outlined in subrule 77.35(3) are eligible to participate.

77.38(2) *Emergency response system providers.* Emergency response system providers must meet the following standards:

a. The agency shall provide an electronic component to transmit a coded signal via digital equipment over telephone lines to a central monitoring station. The central monitoring station must operate receiving equipment and be fully staffed by trained attendants 24 hours per day, seven days per week. The attendants must process emergency calls and ensure the timely notification of appropriate emergency resources to be dispatched to the person in need.

b. The agency, parent agency, institution or corporation shall have the necessary legal authority to operate in conformity with federal, state and local laws and regulations.

c. There shall be a governing authority that is responsible for establishing policy and ensuring effective control of services and finances. The governing authority shall employ or contract for an agency administrator to whom authority and responsibility for overall agency administration are delegated.

d. The agency or institution shall be in compliance with all applicable laws and regulations relating to prohibition of discriminatory practices.

e. There shall be written policies and procedures established to explain how the service operates, agency responsibilities, client responsibilities and cost information.

77.38(3) *Home health aide providers.* Home health aide providers meeting the criteria outlined in subrule 77.35(2) are eligible to participate.

77.38(4) *Homemaker service providers.* Homemaker service providers meeting the criteria in subrule 77.35(1) are eligible to participate.

77.38(5) *Nursing care.* Nursing care providers meeting the criteria in subrule 77.35(4) are eligible to participate.

77.38(6) *Respite care.* Respite care providers meeting the criteria in subrule 77.35(5) are eligible to participate.

77.38(7) *Home-delivered meals providers.* Home-delivered meals providers meeting the criteria outlined in subrule 77.35(11) are eligible to participate.

77.38(8) *Home and vehicle modification providers.* Home and vehicle modification providers meeting the criteria outlined in subrule 77.35(9) are eligible to participate.

77.38(9) *Mental health outreach providers.* Community mental health centers or other accredited behavioral health providers meeting the criteria outlined in rule 441—77.31(249A) may provide mental health outreach services.

77.38(10) *Transportation service providers.* The following providers may provide transportation services:

a. Area agencies on aging as designated in 441—Chapter 226. Transportation providers subcontracting with area agencies on aging or with letters of approval from the area agencies on aging stating the organization is qualified to provide transportation services may also provide transportation services.

b. Community action agencies as designated in Iowa Code section 216A.93.

c. Regional transit agencies as recognized by the department of transportation.

d. Supported community living providers certified pursuant to subrule 77.40(2) or 77.42(12).

e. Nursing facilities licensed pursuant to Iowa Code chapter 135C.

f. Transportation providers contracting with the nonemergency medical transportation broker.

77.38(11) *Nutritional counseling.* Providers meeting the criteria outlined in subrule 77.35(12) may provide nutritional counseling.

77.38(12) *Assistive device providers.* The following providers may provide assistive devices:

a. Medicaid-enrolled medical equipment and supply dealers.

b. Area agencies on aging as designated according to 441—Chapter 226.

c. Providers that were enrolled as assistive device providers as of June 30, 2010, based on a contract with or letter of approval from an area agency on aging.

d. Community businesses that are engaged in the provision of assistive devices and that:

(1) Have all necessary licenses and permits to operate in conformity with federal, state, and local laws and regulations, and

(2) Submit verification of current liability and workers' compensation coverage.

77.38(13) *Companion services.* Senior companion programs designated by the Corporation for National and Community Service may provide companion services.

77.38(14) *Attendant care providers.* Attendant care providers meeting the criteria outlined in subrule 77.35(7) are eligible to participate.

77.38(15) *Financial management service.* Members who select the consumer choices option may work with a financial institution that meets the qualifications in subrule 77.35(13).

77.38(16) *Independent support brokerage.* Members who select the consumer choices option shall work with an independent support broker who meets the criteria outlined in subrule 77.35(14).

77.38(17) *Self-directed personal care.* Members who elect the consumer choices option may choose to purchase self-directed personal care services from an individual or business that meets the requirements outlined in subrule 77.35(15).

77.38(18) *Individual-directed goods and services.* Members who elect the consumer choices option may choose to purchase individual-directed goods and services from an individual or business that meets the requirements outlined in subrule 77.35(16).

77.38(19) *Self-directed community supports and employment.* Members who elect the consumer choices option may choose to purchase self-directed community supports and employment from an individual or business that meets the requirements outlined in subrule 77.35(17).

77.38(20) *Case management providers.* A case management provider organization is eligible to participate in the Medicaid HCBS elderly waiver program if the organization meets the standards outlined in 441—Chapter 90.

77.38(21) *Incident management and reporting.* As a condition of participation in the medical assistance program, HCBS elderly waiver service providers must comply with the requirements of Iowa Code sections 232.69 and 235B.3 regarding the reporting of child abuse and dependent adult abuse and with the incident management and reporting requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026, except for providers of assistive devices, chore service, goods and services purchased under the consumer choices option, home and vehicle modification, home-delivered meals, personal emergency response, or transportation.

77.38(22) *Assisted living on-call service.* Assisted living on-call service providers shall be assisted living programs that are certified by DIAL under 481—Chapter 69.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.39(249A) HCBS AIDS/HIV waiver service providers. HCBS AIDS/HIV waiver services shall be rendered by a person who meets the training and qualification specified in the HCBS Waiver Provider Manual as amended to July 1, 2026. The following providers shall be eligible to participate in the Medicaid HCBS AIDS/HIV waiver program.

77.39(1) *Counseling providers.* Counseling providers that meet the criteria outlined in subrule 77.35(6).

77.39(2) *Home health aide providers.* Home health aide providers that meet the requirements outlined in subrule 77.35(2).

77.39(3) *Home maintenance providers.* Home maintenance providers that meet the requirements outlined in subrule 77.35(1).

77.39(4) *Nursing care providers.* Nursing care providers that meet the requirements outlined in subrule 77.35(4).

77.39(5) *Respite care providers.* Respite care providers that meet the criteria outlined in subrule 77.35(5).

77.39(6) *Home-delivered meal providers.* Home-delivered meal providers that meet the criteria outlined in subrule 77.35(11).

77.39(7) *Adult day care providers.* Adult day care providers that meet the criteria outlined in subrule 77.35(3).

77.39(8) *Attendant care providers.* Attendant care providers that meet the criteria outlined in subrule 77.35(7).

77.39(9) *Financial management service.* Members who select the consumer choices option may work with a financial institution that meets the qualifications outlined in subrule 77.35(13).

77.39(10) *Independent support brokerage.* Members who select the consumer choices option shall work with an independent support broker who meets the qualifications outlined in subrule 77.35(14).

77.39(11) *Self-directed personal care.* Members who select the consumer choices option may choose to purchase self-directed personal care services from an individual or business that meets the requirements outlined in subrule 77.35(15).

77.39(12) *Individual-directed goods and services.* Members who select the consumer choices option may choose to purchase individual-directed goods and services from an individual or business that meets the requirements outlined in subrule 77.35(16).

77.39(13) *Self-directed community supports and employment.* Members who select the consumer choices option may choose to purchase self-directed community supports and employment from an individual or business that meets the requirements outlined in subrule 77.35(17).

77.39(14) *Incident management and reporting.* As a condition of participation in the medical assistance program, HCBS AIDS/HIV waiver service providers, except for providers of goods and services purchased under the consumer choices option or home-delivered meals, must comply with the requirements of Iowa Code sections 232.69 and 235B.3 regarding the reporting of child abuse and dependent adult abuse and with the incident management and reporting requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.40(249A) HCBS intellectual disability waiver service providers. HCBS intellectual disability waiver services shall be rendered by providers meeting the standards and qualifications outlined in the HCBS Waiver Provider Manual as amended to July 1, 2026.

77.40(1) *Review of providers.* Reviews of compliance with standards as indicated in this chapter and the requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026, will be conducted by designated department team members.

77.40(2) *Supported community living (SCL) providers.*

a. The department will contract only with public or private agencies to provide the SCL service. The department does not recognize individuals as service providers under the SCL program.

b. Providers of services meeting the definition of foster care shall also be licensed according to applicable rules in 441—Chapters 108, 112, 114, 115, and 116.

c. Providers of SCL may employ or contract with individuals meeting the definition of foster family homes to provide supported community living services. These individuals shall be licensed according to applicable rules in 441—Chapters 112 and 113.

d. Agencies meeting the criteria under subrule 77.40(2) that seek designation as an intensive residential service provider shall meet the criteria pursuant to paragraph 77.30(8)*"b"* at initial application and annually thereafter.

e. All SCL providers shall meet the following requirements:

(1) The provider shall demonstrate the outcomes and processes in this rule for each of the members being served.

(2) Reserved.

77.40(3) *Respite care providers.* Respite care providers meeting the criteria in subrule 77.35(5) are eligible to participate.

77.40(4) *Supported employment providers.* Supported employment providers meeting the criteria outlined in subrule 77.25(9) are eligible to participate.

77.40(5) *Home and vehicle modification providers.* Home and vehicle modification providers meeting the criteria outlined in subrule 77.35(9) are eligible to participate.

77.40(6) *Personal emergency response system providers.* Personal emergency response system providers meeting the criteria outlined in subrule 77.35(10) are eligible to participate.

77.40(7) *Nursing providers.* Nursing providers shall be agencies that are certified to participate in the Medicare program as home health agencies.

77.40(8) *Home health aide providers.* Home health aide providers meeting the criteria outlined in subrule 77.35(2) are eligible to participate.

77.40(9) *Attendant care providers.* Attendant care providers meeting the criteria outlined in subrule 77.35(7) are eligible to participate.

77.40(10) *Interim medical monitoring and treatment providers.* Interim medical monitoring and treatment providers meeting the criteria outlined in subrule 77.35(8) are eligible to participate.

77.40(11) *Residential-based supported community living service providers.*

a. The department will only enroll public or private agencies to provide residential-based supported community living services.

b. Subject to the requirements of this rule, the following agencies may provide residential-based supported community living services:

(1) Agencies licensed as group living foster care facilities under 441—Chapter 114.

(2) Agencies licensed as residential facilities for children with an intellectual disability or brain injury under 441—Chapter 116.

(3) Agencies certified by the department to provide residential-based supported community living services. Residential-based supported community living service providers shall meet the following conditions:

1. The agency must provide orientation training on the agency's purpose, policies, and procedures within one month of hire or contracting for all employed and contracted treatment staff and must provide 24 hours of training during the first year of employment or contracting. The agency must also provide at least 12 hours of training per year after the first year of employment for all employed and contracted treatment staff. Annual training shall include, at a minimum, training on children's intellectual disabilities and developmental disabilities services and children's mental health issues. Identification and reporting of child abuse shall be covered in training at least every three years in accordance with Iowa Code section 232.69.

2. The agency must have standards for the rights and dignity of children that are age-appropriate. These standards shall include the following:

- Children, their families, and their legal representatives decide what personal information is shared and with whom.
- Children are a part of family and community life and perform varied social roles.
- Children have family connections, a social network, and varied relationships.
- Children develop and accomplish personal goals.
- Children are valued.
- Children live in positive environments.
- Children exercise their rights and responsibilities.
- Children make informed choices about how they spend their free time.
- Children choose their daily routine.

3. The agency must use methods of self-evaluation by which:

- Past performance is reviewed.
- Current functioning is evaluated.
- Plans are made for the future based on the review and evaluation.

4. The agency must have a governing body that receives and uses input from a wide range of local community interests and member representatives and provides oversight that ensures the provision of high-quality supports and services to children.

5. Children, their parents, and their legal representatives must have the right to appeal the service provider's application of policies or procedures or any staff person's action that affects the member. The service provider shall distribute the policies for member appeals and procedures to children, their parents, and their legal representatives.

c. As a condition of participation, all providers of residential-based supported community living services must have the following on file:

(1) Current accreditations, evaluations, inspections, and reviews by applicable regulatory and licensing agencies and associations.

(2) Documentation of the fiscal capacity of the provider to initiate and operate the specified programs on an ongoing basis.

(3) The provider's written agreement to work cooperatively with the department.

d. As a condition of participation, all providers of residential-based supported community living services must develop, review, and revise service plans for each child as follows:

(1) The service plan shall be developed in collaboration with the social worker or case manager, child, family, and, if applicable, the foster parents unless a treatment rationale for the lack of involvement of one of these parties is documented in the plan. The service provider shall document the dates and content of the collaboration on the service plan. The service provider shall provide a copy of the service plan to the family and the case manager unless otherwise ordered by a court of competent jurisdiction.

(2) Initial service plans shall be developed after services have been authorized and within 30 calendar days of initiating services.

(3) The service plan shall identify the following:

1. Strengths and needs of the child.
2. Goals to be achieved to meet the needs of the child.
3. Objectives for each goal that are specific, measurable, and time-limited and include indicators of progress toward each goal.
4. Specific service activities to be provided to achieve the objectives.
5. The persons responsible for providing the services. When daily living and social skills development is provided in a group care setting, designation may be by job title.
6. Date of service initiation and date of individual service plan development.
7. Service goals describing how the child will be reunited with the child's family and community.

(4) Individuals qualified to provide all services identified in the service plan shall review the services identified in the service plan to ensure that the services are necessary, appropriate, and consistent with the identified needs of the child as listed on the interRAI assessment tool as amended to July 1, 2026.

(5) The service worker or case manager shall review all service plans to determine progress toward goals and objectives 90 calendar days from the initiation of services and every 90 calendar days thereafter for the duration of the services.

At a minimum, the provider shall submit written reports to the service worker or case manager at six-month intervals and when changes to the service plan are needed.

(6) The individual service plan shall be revised when any of the following occur:

1. Service goals or objectives have been achieved.
2. Progress toward goals and objectives is not being made.
3. Changes have occurred in the identified service needs of the child as listed on the interRAI assessment tool as amended to July 1, 2026.
4. The service plan is not consistent with the identified service needs of the child, as listed in the service plan.

(7) The service plan shall be signed and dated by qualified staff of each reviewing provider after each review and revision.

(8) Any revisions of the service plan shall be made in collaboration with the child, family, case manager, and, if applicable, the foster parents and shall reflect the needs of the child. The service provider shall provide a copy of the revised service plan to the family and case manager unless otherwise ordered by a court of competent jurisdiction.

e. The residential-based supported community living service provider shall also furnish residential-based living units for all recipients of the residential-based supported community living services. Except as provided herein, living units provided may be of no more than four beds. Service providers who receive approval from the department may provide living units of up to eight beds. The department shall approve five- to eight-bed living units only if all of the following conditions are met:

(1) There is a need for the service to be provided in a five- to eight-person living unit instead of a smaller living unit, considering the location of the programs in an area.

(2) The provider supplies the department with a written plan acceptable to the department that addresses how the provider will reduce its living units to four-bed units within a two-year period of time. This written plan shall include the following:

1. How the transition will occur.
2. What physical change will need to take place in the living units.
3. How children and their families will be involved in the transitioning process.
4. How this transition will affect children's social and educational environment.

f. Certification process and review of service providers.

(1) The certification process for providers of residential-based supported community living services shall be pursuant to subrule 77.42(7).

(2) The initial certification of residential-based supported community living services shall be pursuant to subrule 77.42(8).

(3) Period and conditions of certification.

1. Initial certification. Providers eligible for initial certification by the department will be issued an initial certification for 270 calendar days, effective on the date identified on the certificate of approval, based on documentation provided.

2. Recertification. After the initial certification, annual recertification will be based on an on-site review and will be contingent upon demonstration of compliance with certification requirements.

The department will hold an exit conference with the provider to share preliminary findings of the recertification review. The department will write and send to the provider a review report within 30 calendar days unless the parties mutually agree to extend that time frame.

Recertification will be effective on the date identified on the certificate of approval and will terminate one year from the month of issuance.

Corrective actions may be required in connection with recertification and may be monitored through the assignment of follow-up monitoring by written report, a plan of corrective actions and improvements, an on-site review, or the provision of technical assistance.

3. Probational certification. Probational certification for 270 calendar days may be issued to a provider who cannot demonstrate compliance with all certification requirements on recertification review to give the provider time to establish and implement corrective actions and improvement activities.

- During the probational certification period, the department may require monitoring of the implementation of the corrective actions through on-site visits, written reports, or technical assistance.
- Probational certification shall not be renewed or extended and shall require a full on-site follow-up review to be completed. The provider must demonstrate compliance with all certification requirements at the time of the follow-up review in order to maintain certification.

4. Immediate jeopardy. If, during the course of any review, a department review team member encounters a situation that places a member in immediate jeopardy, the department review team member will immediately notify the provider and other department review team members. "Immediate jeopardy" refers to circumstances where the life, health, or safety of a member will be severely jeopardized if the circumstances are not immediately corrected. The provider shall correct the situation within 24 to 48 hours. If the situation is not corrected within the prescribed time frame, the provider will not be certified. The department will immediately discontinue funding for that provider's service. If this action is appealed and the member or legal guardian wants to maintain the provider's services, funding can be reinstated. At that time, the provider shall take appropriate action to ensure the life, health, and safety of the members deemed to be at risk.

5. Abuse reporting. As a mandatory reporter, each department review team member will follow appropriate procedure in all cases where a condition reportable to child and adult protective services is observed.

6. Extensions. The department will establish the length of extensions on a case-by-case basis. The department may grant an extension to the period of certification for the following reasons:

- A delay in the department's approval decision exists that is beyond the control of the provider or department.
- A request for an extension is received from a provider to permit the provider to prepare and obtain department approval of corrective actions.

7. Revocation. The department may revoke the provider's approval at any time for any of the following reasons:

- The findings of a site visit indicate that the provider has failed to implement the corrective actions submitted pursuant to subrule 70.40(1) and numbered paragraph 77.40(11)*"f"*(3)"4."
- The provider has failed to provide information requested pursuant to subrule 70.40(1) and numbered paragraph 77.40(11)*"f"*(3)"4."
- The provider refuses to allow the department to conduct a site visit pursuant to subrule 77.40(1) and subparagraph 77.40(11)*"f"*(3).
- There are instances of noncompliance with the standards that were not identified from information submitted on the application.

8. Notice of intent to withdraw. An approved provider shall immediately notify the department and other interested parties of a decision to withdraw as a provider of residential-based supported community living services.

9. Technical assistance. Following certification, any provider may request technical assistance from the department regarding compliance with program requirements. The department may require that technical assistance be provided to a provider to assist in the implementation of any corrective action plan.

10. Appeals. The provider can appeal any adverse action under 441—Chapter 2506.

(4) Providers of residential-based supported community living services will be subject to reviews of compliance with program requirements.

77.40(12) *Transportation service providers.* Transportation service providers meeting the criteria outlined in subrule 77.38(10) are eligible to participate.

77.40(13) *Adult day care providers.* Adult day care providers meeting the criteria outlined in subrule 77.35(3) are eligible to participate.

77.40(14) *Prevocational service providers.* Prevocational service providers meeting the criteria outlined in subrule 77.30(9) are eligible to participate.

77.40(15) *Day habilitation providers.* Day habilitation services may be provided by agencies meeting the qualifications outlined in subrule 77.30(7).

77.40(16) *Financial management service.* Members who select the consumer choices option may work with a financial institution that meets the qualifications outlined in subrule 77.35(13).

77.40(17) *Independent support brokerage.* Members who select the consumer choices option shall work with an independent support broker who meets the qualifications outlined in subrule 77.35(14).

77.40(18) *Self-directed personal care.* Members who select the consumer choices option may choose to purchase self-directed personal care services from an individual or business that meets the requirements outlined in subrule 77.35(15).

77.40(19) *Individual-directed goods and services.* Members who select the consumer choices option may choose to purchase individual-directed goods and services from an individual or business that meets the requirements outlined in subrule 77.35(16).

77.40(20) *Self-directed community supports and employment.* Members who select the consumer choices option may choose to purchase self-directed community supports and employment from an individual or business that meets the requirements outlined in subrule 77.35(17).

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.41(249A) Assertive community treatment. Services in the assertive community treatment (ACT) program shall be rendered by a multidisciplinary team composed of practitioners from the disciplines described in this rule. The team shall be under the clinical supervision of a psychiatrist. The program shall designate an individual team member who shall be responsible for administration of the program, including authority to sign documents and receive payment on behalf of the program.

77.41(1) *Minimum composition.* At a minimum, the team shall consist of a nurse, a mental health service provider, and a substance abuse treatment professional.

77.41(2) *Psychiatrists.* A psychiatrist on the team shall be a physician (MD or DO) who:

a. Is licensed under 481—Chapter 653;

b. Is certified as a psychiatrist by the American Board of Medical Specialties' Board of Psychiatry and Neurology or by the American Osteopathic Board of Neurology and Psychiatry; and

c. Has experience treating serious and persistent mental illness.

77.41(3) *Registered nurses.* A nurse on the team shall:

a. Be licensed as a registered nurse under 481—Chapter 617, and

b. Have experience treating persons with serious and persistent mental illness.

77.41(4) *Behavioral health service providers.* A mental health service provider on the team shall be:

a. A mental health counselor or marital and family therapist who:

(1) Is licensed under 481—Chapter 880, and

(2) Has experience treating persons with serious and persistent mental illness; or

b. A social worker who:

(1) Is licensed as a master-level or independent-level social worker under 481—Chapter 880, and

(2) Has experience treating persons with serious and persistent mental illness.

77.41(5) *Psychologists.* A psychologist on the team shall:

a. Be licensed under 481—Chapter 880, and

b. Have experience treating persons with serious and persistent mental illness.

77.41(6) *Substance abuse treatment professionals.* A substance abuse treatment professional on the team shall:

a. Be an appropriately credentialed counselor pursuant to 641—paragraph 155.21(8)*"b,"* and

b. Have at least three years of experience treating substance abuse.

77.41(7) *Peer specialists.* A peer specialist on the team shall be a person with serious and persistent mental illness who has met all requirements of a nationally standardized peer support training program, including at least 30 hours of training and satisfactory completion of an examination.

77.41(8) *Community support specialists.* A community support specialist on the team shall be a person who:

a. Has a bachelor's degree (BA or BS) in a human services field (sociology, social work, counseling, psychology, or human services), and

b. Has experience supporting persons with serious and persistent mental illness.

77.41(9) *Case managers.* A case manager on the team shall be a person who:

a. Has a bachelor's degree (BA or BS) in a human services field (sociology, social work, counseling, psychology, or human services),

b. Has experience managing care for persons with serious and persistent mental illness, and

c. Meets the qualifications of "qualified case managers and supervisors" in rule 441—24.1(225A).

77.41(10) *Advanced registered nurse practitioners.* An advanced registered nurse practitioner on the team shall:

a. Be licensed under 481—Chapter 621,

b. Have a mental health certification, and

c. Have experience treating serious and persistent mental illness.

77.41(11) *Physician associates.* A physician associate on the team shall:

a. Be licensed under 481—Chapter 780,

b. Have experience treating persons with serious and persistent mental illness, and

c. Practice under the supervision of a psychiatrist.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.42(249A) HCBS brain injury (BI) waiver service providers. HCBS BI waiver service providers shall meet the standards and qualifications outlined in the HCBS Waiver Provider Manual as amended to July 1, 2026. Providers initially enrolling to deliver BI waiver services and each of their staff members involved in direct member service must have completed the department's brain injury training modules within 60 days from the beginning date of service provision, with the exception of staff members

who are certified through the Academy of Certified Brain Injury Specialists (ACBIS) as a certified brain injury specialist (CBIS) or certified brain injury specialist trainer (CBIST), providers of home and vehicle modification, specialized medical equipment, transportation, personal emergency response, financial management, independent support brokerage, self-directed personal care, individual-directed goods and services, and self-directed community supports and employment. Services shall be rendered by a person who is at least 16 years old (except as otherwise provided in this rule) and is not the spouse of the member served or the parent or stepparent of a member aged 17 or under. People who are 16 or 17 years old must be employed and supervised by an enrolled HCBS provider unless they are employed to provide self-directed personal care services through the consumer choices option. A person hired for self-directed personal care services need not be supervised by an enrolled HCBS provider. A person hired through the consumer choices option for independent support brokerage, self-directed personal care, individual-directed goods and services, or self-directed community support and employment is not required to enroll as a Medicaid provider and is not subject to review under subrule 77.42(10). Attendant care and interim medical monitoring and treatment providers must be at least 18 years of age.

In addition, behavioral programming, supported community living, and supported employment providers shall meet the outcome-based standards set forth below in subrule 77.42(1) and be evaluated according to subrules 77.42(7) through 77.42(9) and meet the requirements of subrules 77.42(2) through 77.42(6). Respite providers shall also meet the standards outlined in subrule 77.42(1).

The integrated, community-based settings standards in subrule 77.30(5) apply to all HCBS BI waiver service providers.

77.42(1) *Outcome-based standards.* The provider shall have organizational and rights and dignity outcome-based standards pursuant to the HCBS Waiver Provider Manual as amended to July 1, 2026.

77.42(2) *The right to appeal.* Members and their legal representatives have the right to appeal the provider's application of policies or procedures or any staff or contractual person's action that affects the member. The provider shall distribute the policies for member appeals and procedures to members.

77.42(3) *Storage and provision of medication.* If the provider stores, handles, prescribes, dispenses or administers a prescription or an over-the-counter medication, the provider shall develop procedures for the storage, handling, prescribing, dispensing or administration of medication. For controlled substances, procedures shall be in accordance with rule 481—63.16(135C).

77.42(4) *Research.* If the provider conducts research involving members, the provider shall have written policies and procedures addressing the research. These policies and procedures shall ensure that members' rights are protected.

77.42(5) *Incident management and reporting.* As a condition of participation in the medical assistance program, HCBS BI waiver service providers, except for providers of goods and services purchased under the consumer choices option or providers of home and vehicle modification, personal emergency response, and transportation, must comply with the requirements of Iowa Code sections 232.69 and 235B.3 regarding the reporting of child abuse and dependent adult abuse and with the incident management and reporting requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

77.42(6) *Intake, admission, service coordination, discharge, and referral.*

a. The provider shall have written policies and procedures according to state and federal laws for intake, admission, service coordination, discharge and referral.

b. The provider shall ensure the rights of persons applying for services.

77.42(7) *Certification process.* The department will conduct reviews of compliance with standards for initial certification and recertification. Certification carries no assurance that the approved provider will receive funding.

The department may request any information from the prospective service provider that the department considers pertinent to arriving at a certification decision.

77.42(8) *Initial certification.* The department will review the application and accompanying information to see if the provider has the necessary framework to provide services in accordance with all applicable requirements and standards.

a. The department will make a determination regarding initial certification within 60 days of receipt of the application and notify the provider in writing of the decision unless extended by mutual consent of the parties involved.

b. The department's decision on the provider's initial certification will be based on all relevant information, including:

(1) The application for status as an approved provider according to requirements of rules.

(2) A determination of the financial position of the prospective provider in relation to its ability to meet the stated need.

c. Providers applying for initial certification will be offered technical assistance.

77.42(9) *Period of certification.* Provider certification will become effective on the date identified on the certificate of approval and will terminate in 270 calendar days, one year, or three calendar years from the month of issue. The renewal of certification will be contingent upon demonstration of continued compliance with certification requirements.

a. Initial certification. Providers eligible for initial certification by the department will be issued an initial certification for 270 calendar days based on documentation provided.

b. Recertification. After the initial certification, the level of certification will be based on an on-site review unless the provider has been accredited for similar services by TJC, CARF, the Council on Quality and Leadership (the Council), or COA. The on-site reviews for supported community living and supported employment use interviews with members and significant people in the member's life to determine whether or not the individual value-based outcomes set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026, and corresponding processes are present for the member. Respite services are required to meet certain outcome standards and participate in satisfaction surveys.

(1) Once the outcomes and processes have been determined for all the members in the sample, a department review team then determines which of the outcomes and processes are present for the provider. A specific outcome is present for the provider when the specific outcome is determined to be present for 75 percent or more of the members interviewed. A specific process is present for the provider when the process is determined to be present for 75 percent or more of the members interviewed. Since the processes are in the control of the provider and the outcomes are more in the control of the member, length of certification will be based more heavily on whether or not the processes are in place to help members obtain desired outcomes.

(2) An exit conference will be held with the organization to share preliminary findings of the certification review. The department will write and send a review report to the provider within 30 calendar days unless the parties mutually agree to extend that time frame.

(3) Provider certification will become effective on the date identified on the Certificate of Approval and will terminate in 270 calendar days, one year, or three calendar years from the month of issue. The renewal of certification will be contingent upon demonstration of continued compliance with certification requirements.

c. The department may issue four categories of recertification:

(1) Three-year certification with excellence. An organization is eligible for certification with excellence if the number of processes present is 18 or higher and the number of outcomes and corresponding processes present together is 12 or higher. Both criteria need to be met to receive three-year certification with excellence. Corrective actions may be required and may be monitored through the assignment of follow-up monitoring either by written report, a plan of corrective actions and improvements, an on-site review, or the provision of technical assistance.

(2) Three-year certification with follow-up monitoring. An organization is eligible for this type of certification if the number of processes present is 17 or higher and the number of outcomes and corresponding processes present together is 11 or higher. Both criteria need to be met to receive three-year certification. Corrective actions are required and may be monitored through the assignment of follow-up monitoring either by written report, a plan of corrective actions and improvements, an on-site review, or the provision of technical assistance.

(3) One-year certification. An organization is eligible for this type of certification when the number of processes present is 14 or higher and the number of outcomes and processes present together is 9 or

higher. Both criteria need to be met to receive one-year certification. One-year certification may also be given in lieu of longer certification when previously required corrective actions have not been implemented or completed. Corrective actions are required and may be monitored through the assignment of follow-up monitoring either by written report, a plan of corrective actions and improvements, an on-site review, or the provision of technical assistance.

(4) Probational certification. A probational certification may be issued to those providers who cannot meet requirements for a one-year certification. This time period will be granted to the provider to establish and implement corrective actions and improvement activities. During this time period, the department may require monitoring of the implementation of the corrective actions through on-site visits, written reports or technical assistance. Probational certification issued for 270 calendar days will not be renewed or extended and will require a full on-site follow-up review to be completed. The provider will be required to achieve at least a one-year certification status at the time of the follow-up review in order to maintain certification.

d. During the course of the review, if a department team member encounters a situation that places a member in immediate jeopardy, the department team member will immediately notify the provider and other team members. "Immediate jeopardy" refers to circumstances where the life, health, or safety of a member will be severely jeopardized if the circumstances are not immediately corrected.

(1) The provider shall correct the situation within 24 to 48 hours. If the situation is not corrected within the prescribed time frame, that portion of the provider's services that was the subject of the notification will not be certified. The department shall immediately discontinue funding for that provider's service.

(2) If this action is appealed and the member, legal guardian, or attorney-in-fact under a durable power of attorney for health care wants to maintain the provider's services, funding can be reinstated. At that time, the provider shall take appropriate action to ensure the life, health, and safety of the members deemed to be at risk as a result of the provider's inaction.

e. As a mandatory reporter, each department team member will be required to follow appropriate procedure in all cases where a condition reportable to child and adult protective services is observed.

f. The department may grant an extension to the period of approval for the following reasons:

(1) A delay in the department's approval decision that is beyond the control of the provider or department.

(2) A request for an extension from a provider to permit the provider to prepare and obtain department approval of corrective actions. The department will establish the length of extensions on a case-by-case basis.

g. The department may revoke the provider's approval at any time for any of the following reasons:

(1) Findings of a site visit indicate that the provider has failed to implement the corrective actions submitted pursuant to paragraph 77.42(10)*"d."*

(2) The provider has failed to provide information requested pursuant to paragraph 77.42(10)*"e."*

(3) The provider refuses to allow the department to conduct a site visit pursuant to paragraph 77.42(10)*"f."*

(4) There are instances of noncompliance with the standards that were not identified from information submitted on the application.

h. An approved provider shall immediately notify the department and other interested parties of a decision to withdraw from an HCBS BI waiver service.

i. Following certification, any provider may request technical assistance from the department to bring into conformity those areas found in noncompliance with HCBS requirements. If multiple deficiencies are noted during a review, the department may require that technical assistance be provided to a provider to assist in the implementation of the provider's corrective actions. Providers may be given technical assistance as needed.

j. Appeals. Any adverse action can be appealed by the provider under 441—Chapter 2506.

77.42(10) *Departmental reviews.* The department will conduct reviews of compliance with standards as indicated in this chapter. This review may include on-site case record audits, administrative procedures, clinical practices, and interviews with staff, members, and board of directors consistent with the confidentiality safeguards of state and federal laws.

a. Reviews will be conducted annually with additional reviews conducted at the department's discretion.

b. Following a departmental review, the department will submit a copy of the department's determined survey report to the service provider, noting service deficiencies and strengths.

c. The service provider shall develop a plan of corrective action identifying completion time frames for each survey deficiency.

d. The provider shall submit the corrective action plan to the department and include a statement dated and signed, if applicable, by the chief administrative officer and president or chairperson of the governing body that all information submitted to the department is accurate and complete.

e. The department may request the provider to supply subsequent reports on implementation of a corrective action plan submitted pursuant to paragraphs 77.42(10)*"c"* and *"d."*

f. The department may conduct a site visit to verify all or part of the information submitted.

77.42(11) *Case management service providers.* Case management service provider organizations are eligible to participate in the Medicaid HCBS BI waiver program provided the case management service provider organizations meet the standards in 441—Chapter 24 and the case management service provider organizations are the department, a county or consortium of counties, or a provider under subcontract to the department or a county or consortium of counties.

77.42(12) *Supported community living providers.*

a. The department will certify only public or private agencies to provide the supported community living service. The department does not recognize individuals as service providers under the supported community living program.

b. Providers of services meeting the definition of foster care shall also be licensed according to applicable rules in 441—Chapters 108, 112, and 114 through 116.

c. Providers of services may employ or contract with individuals meeting the definition of foster family homes to provide supported community living services. These individuals shall be licensed according to applicable 441—Chapters 112 and 113.

d. Providers of services may employ or contract individuals meeting the definition of host home to provide supported community living services. These individuals must meet the criteria in the HCBS Waiver Manual as amended to July 1, 2026. A host home is a community-based family home setting whose owner or renter provides HCBS SCL or HCBS home-based habilitation (HBH) services to no more than two unrelated individuals who reside with the owner or renter in their primary residence and whose owner or renter is approved to provide those services as an independent contractor of a community-based SCL or HBH service agency.

e. The department will approve living units designed to serve up to four persons, except as necessary to prevent an overconcentration of supported community living units in a geographic area.

f. The department will approve a living unit designed to serve five persons if both of the following conditions are met:

(1) Approval will not result in an overconcentration of supported community living units in a geographic area.

(2) The county in which the living unit is located provides to the department in writing that the approval is needed to address one or more of the following issues:

1. The quantity of services currently available in the county is insufficient to meet the need;
2. The quantity of affordable rental housing in the county is insufficient to meet the need; or
3. Approval will result in a reduction in the size or quantity of larger congregate settings.

77.42(13) *Respite care providers.* Respite care providers meeting the criteria outlined in subrule 77.35(5) are eligible to participate.

77.42(14) *Supported employment providers.* Supported employment providers meeting the criteria outlined in subrule 77.30(10) are eligible to participate.

77.42(15) *Home and vehicle modification providers.* Home and vehicle modification providers meeting the criteria outlined in subrule 77.35(9) are eligible to participate.

77.42(16) *Personal emergency response system providers.* Personal emergency response system providers meeting the criteria outlined in subrule 77.35(10) are eligible to participate.

77.42(17) *Transportation service providers.* Transportation service providers meeting the criteria outlined in subrule 77.38(10) are eligible to participate.

77.42(18) *Specialized medical equipment providers.* The following providers may provide specialized medical equipment:

a. Medical equipment and supply dealers participating as providers in the Medicaid program.

b. Retail and wholesale businesses participating as providers in the Medicaid program that provide specialized medical equipment as described in 441—subrule 78.43(8).

77.42(19) *Adult day care providers.* Adult day care providers shall be agencies that meet the criteria outlined in subrule 77.35(3).

77.42(20) *Family training providers.* Family training providers shall be one of the following:

a. Providers certified under the community mental health center standards set forth in 441—Chapter 24 and that employ staff to provide family training who meet the definition of "qualified brain injury professional" as set forth in rule 441—83.81(249A).

b. Providers licensed as meeting the hospice standards and requirements set forth in 481—Chapter 53 or certified to meet the standards under the Medicare program for hospice programs and that employ staff who meet the definition of "qualified brain injury professional" as set forth in rule 441—83.81(249A).

c. Providers accredited under the mental health service provider standards set forth in 441—Chapter 24 and that employ staff to provide family training who meet the definition of "qualified brain injury professional" as set forth in rule 441—83.81(249A).

d. Individuals who meet the definition of "qualified brain injury professional" as set forth in rule 441—83.81(249A).

e. Agencies certified as HCBS BI waiver service providers pursuant to rule 441—77.42(249A) that employ staff to provide family training who meet the definition of a "qualified brain injury professional" as set forth in rule 441—83.81(249A).

f. Agencies that are accredited by a department-approved, nationally recognized accreditation organization as specialty brain injury rehabilitation service providers.

77.42(21) *Prevocational habilitation.* Prevocational habilitation services providers meeting the criteria outlined in subrule 77.30(9) are eligible to participate.

77.42(22) *Positive behavioral support and consultation providers.* Positive behavioral support and consultation providers shall be required to have experience with or training regarding the special needs of persons with a brain injury. In addition, the positive behavioral support and consultation providers must meet the following requirements:

a. Behavior assessment and development of an appropriate intervention plan with periodic reassessment of the appropriate intervention plan and training of staff who shall implement the appropriate intervention plan must be done by a "qualified brain injury professional" as defined in rule 441—83.81(249A). Formal assessment of the members' intellectual and behavioral functioning must be done by a licensed psychologist or a psychiatrist who is certified by the American Board of Psychiatry.

b. Implementation of the plan and training and supervision of caregivers, including family members, must be done by behavioral aides who have been trained by a "qualified brain injury professional" as defined in rule 441—83.81(249A) and who are employees of one of the following:

(1) Agencies that are certified under the community mental health center standards set forth in 441—Chapter 24.

(2) Agencies that are licensed as meeting the hospice standards and requirements set forth in 481—Chapter 53 or that are certified to meet the standards under Medicare for hospice programs.

(3) Agencies that are accredited under the mental health service provider standards set forth in 441—Chapter 24.

(4) Home health aide providers meeting the standards outlined in subrule 77.35(2). Home health aide providers certified by Medicare shall be considered to have met these standards.

(5) HCBS BI waiver service providers certified pursuant to rule 441—77.42(249A).

(6) Agencies that are accredited by a department-approved, nationally recognized accreditation organization as specialty brain injury rehabilitation service providers.

(7) Individuals who meet the definition of "qualified brain injury professional" as defined in rule 441—83.81(249A).

77.42(23) *Attendant care providers.* Attendant care providers meeting the criteria outlined in subrule 77.35(7) are eligible to participate.

77.42(24) *Interim medical monitoring and treatment providers.* Interim medical monitoring and treatment providers meeting the criteria outlined in subrule 77.35(8) are eligible to participate.

77.42(25) *Financial management service.* Members who select the consumer choices option may work with a financial institution that meets the qualifications outlined in subrule 77.35(13).

77.42(26) *Independent support brokerage.* Members who select the consumer choices option shall work with an independent support broker who meets the qualifications outlined in subrule 77.35(14).

77.42(27) *Self-directed personal care.* Members who select the consumer choices option may choose to purchase self-directed personal care services from an individual or business that meets the requirements outlined in subrule 77.35(15).

77.42(28) *Individual-directed goods and services.* Members who select the consumer choices option may choose to purchase individual-directed goods and services from an individual or business that meets the requirements outlined in subrule 77.35(16).

77.42(29) *Self-directed community supports and employment.* Members who select the consumer choices option may choose to purchase self-directed community supports and employment from an individual or business that meets the requirements outlined in subrule 77.35(17).

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.43(249A) HCBS physical disability waiver service providers. HCBS physical disability waiver service providers shall meet the standards and qualifications outlined in the HCBS Waiver Provider Manual as amended to July 1, 2026. The integrated, community-based settings standards in subrule 77.30(5) apply to all HCBS physical disability waiver service providers.

77.43(1) *Enrollment process.* The department will conduct reviews of compliance with standards for initial enrollment. Enrollment carries no assurance that the approved provider will receive funding and may occur at any time. The department may request any information from the prospective service provider that is pertinent to arriving at an enrollment decision. This may include but is not limited to:

a. Current accreditations, evaluations, inspection reports, and reviews by regulatory and licensing agencies and associations.

b. Fiscal capacity of the prospective provider to initiate and operate the specified programs on an ongoing basis.

77.43(2) *Attendant care providers.* Attendant care providers meeting the criteria outlined in subrule 77.35(7) are eligible to participate.

77.43(3) *Home and vehicle modification providers.* Home and vehicle modification providers meeting the criteria outlined in subrule 77.35(9) are eligible to participate.

77.43(4) *Personal emergency response system providers.* Personal emergency response system providers meeting the criteria outlined in subrule 77.35(10) are eligible to participate.

77.43(5) *Specialized medical equipment providers.* Specialized medical equipment providers meeting the criteria outlined in subrule 77.42(18) are eligible to participate.

77.43(6) *Transportation service providers.* Transportation service providers meeting the criteria outlined in subrule 77.38(10) are eligible to participate.

77.43(7) *Financial management service.* Members who select the consumer choices option may work with a financial institution that meets the qualifications in subrule 77.35(13).

77.43(8) *Independent support brokerage.* Members who select the consumer choices option shall work with an independent support broker who meets the qualifications in subrule 77.35(14).

77.43(9) *Self-directed personal care.* Members who select the consumer choices option may choose to purchase self-directed personal care services from an individual or business that meets the requirements in subrule 77.35(15).

77.43(10) *Individual-directed goods and services.* Members who select the consumer choices option may choose to purchase individual-directed goods and services from an individual or business that meets the requirements in subrule 77.35(16).

77.43(11) *Self-directed community supports and employment.* Members who select the consumer choices option may choose to purchase self-directed community supports and employment from an individual or business that meets the subrule requirements in subrule 77.35(17).

77.43(12) *Incident management and reporting.* As a condition of participation in the medical assistance program, HCBS physical disability waiver service providers, except for providers of goods and services purchased under the consumer choices option or providers of home and vehicle modification, specialized medical equipment, personal emergency response, and transportation, must comply with the requirements of Iowa Code sections 232.69 and 235B.3 regarding the reporting of child abuse and dependent adult abuse and with the incident management and reporting requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.44(249A) Public health agencies. A public health agency is eligible to participate in the medical assistance program when the public health agency serves as a public health entity within a local board of health jurisdiction pursuant to rule 641—77.3(137).

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.45(249A) Infant and toddler program providers. An agency is eligible to participate in the medical assistance program as a provider of infant and toddler program services under rule 441—78.49(249A) if the agency:

1. Is in good standing under the infants and toddlers with disabilities program administered by the department of education, the department, and the Iowa child health specialty clinics pursuant to the interagency agreement between these agencies under Subchapter III of the federal Individuals with Disabilities Education Act (IDEA) as amended to July 1, 2026; and
2. Meets the following additional requirements.

77.45(1) *Licensure.* Covered services shall be provided by personnel who are licensed, endorsed, registered, recognized, or qualified as provided in this subrule and shall be within the scope of the applicable license, endorsement, registration, recognition, or qualification.

a. Personnel providing audiological or speech-language services shall be licensed by the board of speech pathology and audiology as a speech pathologist or audiologist pursuant to 481—Chapter 740.

b. Personnel providing physical therapy shall be licensed by the board of physical and occupational therapy as a physical therapist pursuant to 481—Chapter 800.

c. Personnel providing occupational therapy shall be licensed by the board of physical and occupational therapy as an occupational therapist pursuant to 481—Chapter 804.

d. Personnel providing psychological evaluations and counseling or psychotherapy services shall be:

(1) Licensed by the board of educational examiners as a mental health professional pursuant to rule 282—16.9(256);

(2) Licensed by the board of psychology as a psychologist pursuant to 481—Chapter 880;

(3) Licensed by the board of social work as a social worker pursuant to 481—Chapter 880;

(4) Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654; or

(5) Registered by the nursing board as an advanced registered nurse practitioner pursuant to 481—Chapter 621.

e. Personnel providing nursing services shall be licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapter 617 through 620.

f. Personnel providing vision services shall be:

(1) Licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620;

(2) Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654; or

(3) Licensed by the board of optometry as an optometrist pursuant to 481—Chapter 760.

g. Developmental services shall be provided by personnel who meet standards established pursuant to rule 281—120.31(34CFR303).

h. Medical transportation shall be provided by licensed drivers.

i. Other services shall be provided by staff who are:

(1) Recognized as a special education paraprofessional pursuant to rule 281—41.403(256B);

(2) Endorsed by the board of educational examiners as a school psychologist pursuant to 282—subrule 27.3(2);

(3) Endorsed by the board of educational examiners as a speech-language pathologist pursuant to 282—subrule 27.3(3);

(4) Endorsed by the board of educational examiners as an orientation and mobility specialist pursuant to rule 282—22.12(256);

(5) Endorsed by the board of educational examiners as a school occupational therapist pursuant to rule 282—16.5(256);

(6) Endorsed by the board of educational examiners as a school physical therapist pursuant to rule 282—16.6(256);

(7) Endorsed by the board of educational examiners as a school nurse pursuant to rule 282—16.4(256);

(8) Endorsed by the board of educational examiners as a school social worker pursuant to rule 282—16.7(256);

(9) Licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620; or

(10) Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654.

77.45(2) *Documentation requirements.* As a condition of participation, the provider shall be responsible for maintaining accurate and current documentation of services provided in the child's record. Documentation of all services performed is required and must include:

a. Date, time, location, and description of each service provided and identification of the individual rendering the service by name and professional or paraprofessional designation.

b. An assessment and response to interventions and services.

c. An individual family service plan (IFSP), including all changes and revisions, as developed by the service coordinator pursuant to rule 281—41.24(256B,34CFR300).

d. Documentation of progress toward achieving the child's or family's action steps and outcomes as identified in the IFSP.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.46(249A) Local education agency (LEA) services providers. School districts accredited by the department of education pursuant to 281—Chapter 12 and Iowa educational services for the blind and the Iowa school for the deaf, both of which are governed by the department of education pursuant to Iowa Code section 256.95, are eligible to participate in the medical assistance program as providers of LEA services under rule 441—78.50(249A) if the following conditions are met.

77.46(1) *Licensure.* Covered services shall be provided by personnel who are licensed, endorsed, registered, recognized, or qualified as provided in this subrule and shall be within the scope of the applicable license, endorsement, registration, recognition, or qualification.

a. Personnel providing audiological or speech-language services shall be licensed by the board of speech pathology and audiology as a speech pathologist or audiologist pursuant to 481—Chapter 740.

b. Personnel providing physical therapy shall be licensed by the board of physical and occupational therapy as a physical therapist pursuant to 481—Chapter 800.

c. Personnel providing occupational therapy shall be licensed by the board of physical and occupational therapy as an occupational therapist pursuant to 481—Chapter 804.

d. Personnel providing psychological evaluations and counseling or psychotherapy services shall be:

(1) Endorsed by the board of educational examiners as a school psychologist pursuant to 282—subrule 27.3(2);

(2) Licensed by the board of psychology as a psychologist pursuant to 481—Chapter 880;

(3) Licensed by the board of social work as a social worker pursuant to 481—Chapter 880;

(4) Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654; or

(5) Registered by the board of nursing as an advanced registered nurse practitioner pursuant to 481—Chapter 621.

e. Personnel providing nursing services shall be licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620.

f. Personnel providing vision services shall be:

(1) Licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620;

(2) Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654; or

(3) Licensed by the board of optometry as an optometrist pursuant to 481—Chapter 760.

g. Developmental services shall be provided by personnel who meet standards established pursuant to rule 281—120.13(34CFR303).

h. Medical transportation shall be provided by licensed drivers.

i. Other services shall be provided by staff who are:

(1) Recognized as a special education paraprofessional pursuant to rule 281—41.403(256B);

(2) Endorsed by the board of educational examiners as a school psychologist pursuant to 282—subrule 27.3(2);

(3) Endorsed by the board of educational examiners as a speech-language pathologist pursuant to 282—subrule 27.3(3);

(4) Endorsed by the board of educational examiners as an orientation and mobility specialist pursuant to rule 282—22.12(256);

(5) Endorsed by the board of educational examiners as a school occupational therapist pursuant to rule 282—16.5(256);

(6) Endorsed by the board of educational examiners as a school physical therapist pursuant to rule 282—16.6(256);

(7) Endorsed by the board of educational examiners as a school nurse pursuant to rule 282—16.4(256);

(8) Endorsed by the board of educational examiners as a school social worker pursuant to rule 282—16.7(256);

(9) Licensed by the nursing board as a registered or licensed practical nurse pursuant to 481—Chapters 617 through 620; or

(10) Licensed by the board of medicine as a physician pursuant to 481—Chapters 652 through 654.

77.46(2) *Documentation requirements.* As a condition of participation, the provider shall be responsible for maintaining accurate and current documentation in the child's record. Documentation of all services performed is required and must include:

a. Date, time, duration, location, and description of each service delivered and identification of the individual rendering the service by name and professional or paraprofessional designation.

b. An assessment and response to interventions and services.

c. Progress toward goals in the individual education plan (IEP) or individual health plan (IHP) pursuant to 281—Chapter 41, Division VIII.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.47(249A) Indian health facilities. A health care facility operated by the U.S. Indian Health Service or under the Indian Self-Determination and Education Assistance Act (P.L. 93-638 as amended to July 1, 2026) by an "Indian tribe," "tribal organization," or "Urban Indian organization," as those terms are defined in 25 U.S.C. 1603 as amended to July 1, 2026, is eligible to participate in the medical assistance program if the following conditions are met.

77.47(1) *Licensure.* Services must be rendered by practitioners who meet applicable professional licensure requirements.

77.47(2) *Documentation.* Medical records must be maintained at the same standards as are required for the applicable licensed medical practitioner.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.48(249A) HCBS children's mental health waiver service providers. HCBS children's mental health waiver services shall be rendered by provider agencies that meet the general provider standards in subrule 77.48(1) and the integrated, community-based settings standards in subrule 77.30(5) and also meet

the standards in subrules 77.48(2) through 77.48(5) that are specific to the waiver services provided. A provider that is approved for the same service under another HCBS Medicaid waiver shall be eligible to enroll for that service under the children's mental health waiver.

77.48(1) *General provider standards.* All providers of HCBS children's mental health waiver services shall meet the following standards.

a. Fiscal capacity. Providers must demonstrate the fiscal capacity to provide services on an ongoing basis.

b. Direct care staff.

(1) Direct care staff must be at least 18 years of age.

(2) Providers must complete child abuse, dependent adult abuse, and criminal background screenings pursuant to Iowa Code section 249A.29 before employment of a staff member who will provide direct care.

(3) Direct care staff may not be the spouse of the member or the parent or stepparent of the member.

c. Outcome-based standards and quality assurance.

(1) Providers shall implement the outcome-based standards for the rights and dignity of children with serious emotional disturbance as set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

(2) The department will conduct random quality assurance reviews to assess the degree to which the outcome-based standards have been implemented in service provision. Results of outcome-based quality assurance reviews shall be forwarded to the certifying or accrediting entity.

(3) A quality assurance review will include interviews with the member and the member's parents or legal guardian, with informed consent, and interviews with designated targeted case managers.

(4) A quality assurance review may include interviews with provider staff, review of case files, review of staff training records, review of compliance with the general provider standards in this subrule, and review of other organizational policies and procedures and documentation.

(5) Corrective action will be required if the quality assurance review demonstrates that service provision or provider policies and procedures do not reflect the outcome-based standards. Technical assistance for corrective action will be available from the department's quality assurance staff.

d. Incident management and reporting. As a condition of participation in the medical assistance program, HCBS children's mental health waiver service providers, except for providers of environmental modifications and adaptive devices, must comply with the requirements of Iowa Code sections 232.69 and 235B.3 regarding the reporting of child abuse and dependent adult abuse and must comply with incident management and reporting requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

77.48(2) *Environmental modifications, adaptive devices, and therapeutic resources providers.* The following agencies may provide environmental modifications, adaptive devices, and therapeutic resources under the children's mental health waiver:

a. A community business that:

(1) Possesses all necessary licenses and permits to operate in conformity with federal, state, and local statutes and regulations, including Iowa Code chapter 490; and

(2) Submits verification of current liability and workers' compensation insurance.

b. A retail or wholesale business that otherwise participates as a provider in the Medicaid program.

c. A home and vehicle modification provider enrolled under another HCBS Medicaid waiver.

d. A provider enrolled under the HCBS intellectual disability or BI waiver as a supported community living provider.

e. A provider enrolled under the HCBS children's mental health waiver as a family and community support services provider.

77.48(3) *Family and community support services providers.*

a. Qualified providers. The following agencies may provide family and community support services under the children's mental health waiver:

(1) Behavioral health intervention providers qualified under rule 441—77.13(249A).

(2) Community mental health centers accredited in good standing as providers of outpatient psychotherapy and counseling under 441—Chapter 24.

b. Staff training. As a condition of providing family and community support services under the children's mental health waiver, the agency shall meet the staff training requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

c. Support of crisis intervention plan. As a condition of providing services under the children's mental health waiver, a family and community support provider shall develop and implement policies and procedures for maintaining the integrity of the individualized "crisis intervention plan" as defined in rule 441—24.1(225A) that is developed by each member's interdisciplinary team as set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

d. Intake, admission, and discharge. As a condition of providing services under the children's mental health waiver, a family and community support provider shall have written policies and procedures for intake, admission, and discharge.

77.48(4) *In-home family therapy providers.*

a. Qualified providers. The following agencies may provide in-home family therapy under the children's mental health waiver:

(1) Community mental health centers accredited in good standing as providers of outpatient psychotherapy and counseling under 441—Chapter 24.

(2) Mental health professionals licensed pursuant to 481—Chapter 880 or possessing an equivalent license in another state.

b. Staff training. As a condition of providing in-home family therapy under the children's mental health waiver, the agency shall meet the training requirements set forth in the HCBS Waiver Provider Manual as amended to July 1, 2026.

c. Support of crisis intervention plan. As a condition of providing services under the children's mental health waiver, an in-home family therapy provider shall develop and implement policies and procedures for maintaining the integrity of the individualized "crisis intervention plan" as defined in rule 441—24.1(225A) that is developed by each member's interdisciplinary team.

d. Intake, admission, and discharge. As a condition of providing services under the children's mental health waiver, an in-home family therapy provider shall have written policies and procedures for intake, admission, and discharge.

77.48(5) *Respite care providers.* Respite care providers meeting the criteria outlined in subrule 77.35(5) are eligible to participate.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.49(249A) Ordering and referring providers. A provider who provides services, including orders and referrals, to a Medicaid member shall be enrolled as a Medicaid provider as a condition of payment eligibility for services rendered to that Medicaid member. A provider who does not individually bill for services rendered due to, for example, payment arrangements with a facility or supervising provider, shall also be required to enroll. Enrollment will be for the purpose of ordering or referring items and providing professional services to Medicaid members and will not affect the provider's payment arrangements with such facilities or supervising providers.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.50(249A) Child care medical services. Child care centers are eligible to participate in the medical assistance program when they comply with the standards of 441—Chapter 109. A child care center in another state is eligible to participate when duly licensed in that state. The provider of child care medical services implements a comprehensive protocol of care that is developed in conjunction with the parent or guardian and specifies the medical, nursing, psychosocial, developmental therapies and personal care required by the medically dependent or technologically dependent child served. Nursing services must be provided.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.51(249A) Community-based neurobehavioral rehabilitation services.

77.51(1) *Definitions.*

"Assessment" means the review of the current functioning of the member using the service in regard to the member's situation, needs, strengths, abilities, desires, and goals.

"Brain injury" means a diagnosis in accordance with rule 441—83.81(249A).

"Health care" means the services provided by trained and licensed health care professionals to restore or maintain the member's health.

"Intermittent community-based neurobehavioral rehabilitation services" means services provided to a Medicaid member on an as-needed basis to support the member and the member's family or caregivers to assist the member to increase adaptive behaviors, decrease maladaptive behaviors, and adapt and accommodate to challenging behaviors to support the member to remain in the member's own home and community.

"Member" means a person who has been determined to be eligible for Medicaid under 441—Chapter 75.

"Neurobehavioral rehabilitation" refers to a specialized category of neurorehabilitation provided by a multidisciplinary team that has been trained in, and delivers, services individually designed to address cognitive, medical, behavioral and psychosocial challenges, as well as the physical manifestations of acquired brain injury. Services concurrently work to optimize functioning at personal, family and community levels by supporting the increase of adaptive behaviors, decrease of maladaptive behaviors and adaptation and accommodation to challenging behaviors to support a member to maximize the member's independence in activities of daily living and ability to live in the member's home and community.

"Program" means a set of related resources and services directed to the accomplishment of a fixed set of goals for eligible members.

"Standardized assessment" means a valid, reliable, and comprehensive functional assessment tool(s) or process, or both, approved by the department for use in the assessment of a member's needs.

77.51(2) *Eligible providers.* The following agencies may provide community-based neurobehavioral rehabilitation residential and intermittent services:

a. An organization that is accredited by a department-approved, nationally recognized accreditation organization as a specialty brain injury rehabilitation service provider.

b. Agencies not accredited by a department-approved, nationally recognized accreditation organization as a specialty brain injury rehabilitation service provider that have applied for accreditation within the last 16 months to provide services may be enrolled. However, an organization that has not received accreditation within 16 months after application shall no longer be a qualified provider.

77.51(3) *Provider standards.* All community-based neurobehavioral rehabilitation service providers shall meet the following criteria:

a. The organization meets the outcome-based standards for community-based neurobehavioral rehabilitation service providers as follows:

(1) The organization shall provide high-quality supports and services to members.

(2) The organization shall have a defined mission commensurate with members' needs, desires, and abilities.

(3) The organization shall be fiscally sound and shall establish and maintain fiscal accountability.

(4) The program administrator shall be a CBIST through the ACBIS or a CBIS under the direct supervision of a CBIST or a qualified brain injury professional as defined in rule 441—83.81(249A) with additional certification as approved by the department. The administrator shall be present in the assigned location for 25 hours per week. In the event of an absence from the assigned location exceeding four weeks, the organization shall designate a qualified replacement to act as administrator for the duration of the assigned administrator's absence.

(5) A minimum of 75 percent of the organization's administrative and direct care personnel shall meet one of the following criteria:

1. Have a bachelor's degree in a human services-related field;

2. Have an associate's degree in human services with two years of experience working with individuals with brain injury;

3. Be an individual who is in the process of seeking a degree in the human services field with two years of experience working with individuals with brain injury; or

4. Be a CBIS certified through the ACBIS or have other nationally recognized brain injury certification as approved by the department.

(6) The organization shall have qualified personnel trained in the provision of direct care services to people with a brain injury. The training must be commensurate with the needs of the members served. Employees shall receive training and demonstrate competency in performing assigned duties and in all interactions with members.

b. The organization provides training and supports to its personnel. Training shall be provided before direct service provision and must be ongoing. At a minimum, the training includes the following:

(1) Completion of the department-approved brain injury training modules.

(2) Member rights.

(3) Confidentiality and privacy.

(4) Dependent adult and child abuse prevention and mandatory reporter training.

(5) Individualized rehabilitation treatment plans.

(6) Major mental health disorder basics.

c. Within 30 days of commencement of direct service provision, employees shall complete nationally recognized cardiopulmonary resuscitation (CPR) certification, a first-aid course, fire prevention and reaction training and universal precautions training. These training courses shall be completed no less than annually, with the exception of CPR certification, which must be renewed prior to expiration of the certification.

d. Within the first six months of commencement of direct service provision, employees shall complete training required by subparagraph 77.51(3)*"a"*(6).

e. Within 12 months of the commencement of direct service provision, employees shall complete a department-approved, nationally recognized certified brain injury specialist training. A majority of eligible employees within 12 months of the commencement of direct service provision shall be CBIS certified through ACBIS or have other nationally recognized brain injury certification as approved by the department.

f. The organization shall have in place an outcome management system that measures the efficiency and effectiveness of service provision, including members' preadmission location of service, length of stay, discharge location, reason for discharge, member and stakeholder satisfaction, and access to services.

g. The organization shall have in place a systematic, organization-wide, planned approach to designing, measuring, evaluating, and improving the level of its performance. The organization shall be required to:

(1) Measure and analyze organizational activities and services quarterly.

(2) Conduct satisfaction surveys with members, family members, employees and stakeholders, and share the information with the public.

(3) Conduct an internal review of member service records at regular intervals.

(4) Track major and minor incident data according to subrule 77.30(3) and unexpected occurrences involving death or serious physical or psychological injury, or the risk thereof, and analyze the data to identify trends annually to ensure the health and safety of members served by the organization.

(5) Continuously identify areas in need of improvement.

(6) Develop a plan to address the identified areas in need of improvement.

(7) Implement the plan, document the results, and report to the governing body annually.

h. The organization shall have in place written policies and procedures and a personnel training program for the identification and reporting of child and dependent adult abuse to the department pursuant to 441—Chapters 175 and 176.

i. The organization's governing body shall have an active role in the administration of the organization.

j. The organization's governing body shall receive and use input from local community stakeholders, members participating in services, and employees and shall provide oversight that ensures the provision of high-quality supports and services to members.

k. The organization shall implement outcome-based standards for rights and dignity.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.52(249A) Qualified Medicare beneficiary (QMB) providers. Any Medicare provider not enrolled as an Iowa Medicaid provider for the general Medicaid population may enroll to be a QMB provider. A QMB-eligible member must meet the criteria outlined in 441—paragraph 75.6(5)*"a"*.

77.52(1) *Reimbursement.* A QMB provider may only bill the department for the QMB-eligible member's Medicare cost-sharing obligations. Reimbursement is limited to coinsurance, copayments, and deductibles for Medicare-covered services.

77.52(2) *Definitions.*

"Coinsurance" means a percentage of costs of a covered health care service that has to be paid.

"Copayment" means a fixed amount a member pays for a covered health care service.

"Deductible" means the amount paid for covered health care services before the insurance plan will effect payment.

"Medicare cost sharing" means the Medicare member's responsibility for a Medicare-covered service. "Medicare cost sharing" includes coinsurance, copayments, and deductibles.

"Qualified Medicare beneficiary" or *"QMB"* means an individual who has been determined eligible for the QMB program pursuant to 441—paragraph 75.6(5)*"a."* Under the QMB program, Medicaid pays the individual's Medicare Part A and B premiums, coinsurance, copayment, and deductible (except for Part D).

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.53(249A) Health insurance premium payment (HIPP) providers. Any provider not enrolled as an Iowa Medicaid provider for the general Medicaid population may enroll to be a HIPP provider. A HIPP provider may bill the department for the HIPP-eligible member's out-of-pocket, cost-sharing obligations. Reimbursement is limited to in-network coinsurance, copayments, and deductibles of the HIPP-eligible member's health insurance paid for through the HIPP program. HIPP-eligible members must meet the criteria outlined in rule 441—75.21(249A).

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.54(249A) Crisis response services.

77.54(1) *Definitions.* The terms used in this rule shall have the same meaning as those set out in 441—Chapter 24.

77.54(2) *Eligible providers.* Agencies that are accredited under the mental health service provider standards set forth in 441—Chapter 24 are eligible to participate in the program by providing crisis response services, crisis stabilization community-based services, and crisis stabilization residential services.

77.54(3) *Provider standards.* All providers of crisis response services, crisis stabilization community-based services, and crisis stabilization residential services shall meet the standards criteria as set forth in 441—Chapter 24.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

441—77.55(249A) Subacute mental health services.

77.55(1) *Definitions.* The terms used in this rule shall have the same meaning as set out in Iowa Code section 135G.1.

77.55(2) *Subacute mental health services.* Subacute mental health services are intended to be short-term, intensive, recovery-oriented services designed to stabilize an individual who is experiencing a decreased level of functioning due to a mental health condition.

77.55(3) *Eligible provider.* Subacute mental health care facilities that are licensed by DIAL in accordance with 481—Chapter 71 are eligible to participate in the program by providing subacute mental health services.

77.55(4) *Provider standards.* All providers of subacute mental health services shall meet the standards criteria as set forth in 481—Chapter 71.

[**ARC 0314D**, IAB 5/27/26, effective 7/1/26]

These rules are intended to implement Iowa Code section 249A.4.

◊ Two or more ARCs

1 December 15, 2002, effective date of 77.37(14)*"e"*(2) and 77.39(13)*"e"* delayed 70 days by the Administrative Rules Review Committee at its meeting held December 10, 2002; at its meeting held February 21, 2003, the Committee delayed the effective date until adjournment of the 2003 Session of the General Assembly.

CHAPTER 78
AMOUNT, DURATION AND SCOPE OF MEDICAL AND REMEDIAL SERVICES
[Prior to 7/1/83, Social Services[770] Ch 78]
[Prior to 2/11/87, Human Services[498]]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/1/31

441—78.1(249A) Physicians' services. Payment will be approved for all medically necessary services and supplies provided by the physician, including services rendered in the physician's office or clinic, the home, in a hospital, nursing home or elsewhere.

Payment will be made for all services rendered by a doctor of medicine or osteopathy within the scope of this practice and the limitations of state law subject to the following limitations and exclusions:

78.1(1) Payment will not be made for:

a. Drugs dispensed by a physician or other legally qualified practitioner (dentist, podiatrist, optometrist, physician associate (PA), or advanced registered nurse practitioner (ARNP)) unless it is established that there is no licensed retail pharmacy in the community in which the legally qualified practitioner's office is maintained. Rate of payment shall be established as in subrule 78.2(2), but no professional fee shall be paid. Payment will not be made for biological supplies and drugs provided free of charge to practitioners by the department.

b. Treatment of certain foot conditions as specified in paragraphs 78.15(3)*"a"* and *"b."*

c. Acupuncture treatments.

d. Unproven or experimental medical and surgical procedures. The criteria in effect in the Medicare program will be utilized in determining when a given procedure is unproven or experimental in nature.

e. Charges for surgical procedures on the "Outpatient/Same Day Surgery List" produced by Iowa Medicaid or associated inpatient care charges when the procedure is performed in a hospital on an inpatient basis unless the physician has secured approval from the hospital's utilization review department prior to the patient's admission to the hospital. Approval will be granted only when inpatient care is deemed to be medically necessary based on the condition of the patient or when the surgical procedure is not performed as a routine, primary, independent procedure. The "Outpatient/Same Day Surgery List" will be published by the department in the provider manuals for hospitals and physicians as amended to July 1, 2026. The "Outpatient/Same Day Surgery List" will be developed by Iowa Medicaid and will include procedures that can safely and effectively be performed in a doctor's office or on an outpatient basis in a hospital. Iowa Medicaid may add, delete, or modify entries on the "Outpatient/Same Day Surgery List."

f. Elective, non-medically necessary cesarean section (C-section) deliveries.

78.1(2) Drugs and supplies may be covered when prescribed by a legally qualified practitioner as provided in this rule.

a. Drugs are covered as provided by rule 441—78.2(249A).

b. Medical supplies are payable when ordered by a legally qualified practitioner for a specific rather than incidental use, subject to the conditions specified in rule 441—78.10(249A). When a member is receiving care in a nursing facility or residential care facility, payment will be approved only for the following supplies when prescribed by a legally qualified practitioner:

(1) Colostomy and ileostomy appliances.
(2) Colostomy and ileostomy care dressings, liquid adhesive and adhesive tape.
(3) Disposable irrigation trays or sets.
(4) Disposable catheterization trays or sets.
(5) Indwelling Foley catheter.
(6) Disposable saline enemas.
(7) Diabetic supplies including needles and syringes, blood glucose test strips, and diabetic urine test supplies.

c. Prescription records are required for all drugs as specified in Iowa Code sections 124.308 and 155A.27. For the purposes of the medical assistance program, prescriptions for medical supplies are required and will be subject to the same provisions.

d. In order to be paid for the administration of a vaccine covered under the Vaccines for Children (VFC) Program, a physician must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

78.1(3) Payment will be approved for injections provided they are reasonable, necessary, and related to the diagnosis and treatment of an illness or injury. When billing for an injection, the legally qualified practitioner must specify the brand name of the drug and the manufacturer, the strength of the drug, the amount administered, and the charge of each injection. When the strength and dosage of the drug are not included, payment will be made based on the customary dosage. The following exclusions are applicable.

a. Payment will not be approved for injections when they are considered by standards of medical practice not to be specific or effective treatment for the particular condition for which they are administered.

b. Payment will not be approved for an injection when administered for a reason other than the treatment of a particular condition, illness, or injury.

c. Payment will not be approved when injection is not an indicated method of administration according to accepted standards of medical practice.

d. Allergenic extract materials provided the patient for self-administration shall not exceed a 90-day supply.

e. Payment will not be approved when an injection is determined to fall outside of what is medically reasonable or necessary based on basic standards of medical practice for the required level of care for a particular condition.

f. Payment for vaccines available through the VFC program will be approved only if the VFC program stock has been depleted.

g. Payment will not be approved for injections of "covered Part D drugs" as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) as amended to July 1, 2026, for any "Part D eligible individual" as defined in 42 U.S.C. Section 1395w-101(a)(3)(A) as amended to July 1, 2026, including an individual who is not enrolled in a Part D plan.

78.1(4) For the purposes of this program, cosmetic, reconstructive, or plastic surgery is surgery that can be expected primarily to improve physical appearance or that is performed primarily for psychological purposes or that restores form but that does not correct or materially improve the bodily functions. When a surgical procedure primarily restores bodily function, whether or not there is also a concomitant improvement in physical appearance, the surgical procedure does not fall within the provisions set forth in this subrule. Surgeries for the purpose of sex reassignment are not considered as restoring bodily function and are excluded from coverage.

a. Coverage under the program is generally not available for cosmetic, reconstructive, or plastic surgery. However, under certain limited circumstances payment for otherwise covered services and supplies may be provided in connection with cosmetic, reconstructive, or plastic surgery as follows:

(1) Correction of a congenital anomaly; or

(2) Restoration of body form following an accidental injury; or

(3) Revision of disfiguring and extensive scars resulting from neoplastic surgery.

(4) Generally, coverage is limited to those cosmetic, reconstructive, or plastic surgery procedures performed no later than 12 months subsequent to the related accidental injury or surgical trauma. However, special consideration for exception will be given to cases involving children who may require a growth period.

b. Cosmetic, reconstructive, or plastic surgery performed in connection with certain conditions is specifically excluded. These conditions are:

(1) Dental congenital anomalies, such as absent tooth buds, malocclusion, and similar conditions.

(2) Procedures related to transsexualism, hermaphroditism, gender identity disorders, or body dysmorphic disorders. This subparagraph is intended to implement Iowa Code section 249A.14.

(3) Cosmetic, reconstructive, or plastic surgery procedures performed primarily for psychological reasons or as a result of the aging process.

(4) Breast augmentation mammoplasty, surgical insertion of prosthetic testicles, penile implant procedures, and surgeries for the purpose of sex reassignment.

c. When it is determined that a cosmetic, reconstructive, or plastic surgery procedure does not qualify for coverage under the program, all related services and supplies, including any institutional costs, are also excluded.

d. Following is a partial list of cosmetic, reconstructive, or plastic surgery procedures that are not covered under the program. This list is for example purposes only and is not considered all-inclusive.

(1) Any procedure performed for personal reasons to improve the appearance of an obvious feature or part of the body that would be considered by an average observer to be normal and acceptable for the patient's age or ethnic or racial background.

(2) Cosmetic, reconstructive, or plastic surgical procedures that are justified primarily on the basis of a psychological or psychiatric need.

(3) Augmentation mammoplasties.

(4) Facelifts and other procedures related to the aging process.

(5) Reduction mammoplasties, unless there is medical documentation of intractable pain not amenable to other forms of treatment as the result of increasingly large pendulous breasts.

(6) Panniculectomy and body sculpture procedures.

(7) Repair of sagging eyelids unless there is demonstrated and medically documented significant impairment of vision.

(8) Rhinoplasties unless there is evidence of accidental injury occurring within the past six months that resulted in significant obstruction of breathing.

(9) Chemical peeling for facial wrinkles.

(10) Dermabrasion of the face.

(11) Revision of scars resulting from surgery or a disease process, except disfiguring and extensive scars resulting from neoplastic surgery.

(12) Removal of tattoos.

(13) Hair transplants.

(14) Electrolysis.

(15) Sex reassignment.

(16) Penile implant procedures.

(17) Insertion of prosthetic testicles.

e. Coverage is available for otherwise covered services and supplies required in the treatment of complications resulting from a noncovered incident or treatment, but only when the subsequent complications represent a separate medical condition such as systemic infection, cardiac arrest, acute drug reaction, or similar conditions. Coverage will not be extended for any subsequent care or procedure related to the complication that is essentially similar to the initial noncovered care. An example of a complication similar to the initial period of care would be repair of facial scarring resulting from dermabrasion for acne.

78.1(5) The legally qualified practitioner's prescription for medical equipment, appliances, or prosthetic devices shall include the patient's diagnosis and prognosis, the reason the item is required, and an estimate in months of the duration of the need. Payment will be made in accordance with rule 441—78.10(249A).

78.1(6) Payment will be approved for the examination to establish the need for orthopedic shoes in accordance with rule 441—78.15(249A).

78.1(7) No payment will be made for the services of a private duty nurse.

78.1(8) Payment for mileage will be the same as that in effect in part B of Medicare.

78.1(9) Payment will be approved for visits to patients in nursing facilities subject to the following conditions:

a. Payment will be approved for only one visit to the same patient in a calendar month. Payment for further visits will be made only when the need for the visits is adequately documented by the physician.

b. When only one patient is seen in a single visit, the allowance will be based on a follow-up home visit. When more than one patient is seen in a single visit, payment will be based on a follow-up office visit. In the absence of information on the claim, the carrier will assume that more than one patient was seen, and payment approved on that basis.

c. Payment will be approved for mileage in connection with nursing home visits when:

(1) It is necessary for the physician to travel outside the home community, and

(2) There are not physicians in the community in which the nursing home is located.

d. Payment will be approved for tasks related to a resident receiving nursing facility care that are performed by a nurse practitioner or PA as specified in 42 CFR 483.30(f) as amended to July 1, 2026. On-site supervision of the physician is not required for these services.

78.1(10) Payment will be approved in independent laboratory when it has been certified as eligible to participate in Medicare.

78.1(11) Reserved.

78.1(12) Payment will be made on the same basis as in Medicare for services associated with treatment of chronic renal disease including physician's services, hospital care, renal transplantation, and hemodialysis, whether performed on an inpatient or outpatient basis. Payment will be made for deductibles and coinsurance for those persons eligible for Medicare.

78.1(13) Payment will be made to the physician for services rendered by auxiliary personnel employed by the physician and working under the direct personal supervision of the physician, when such services are performed incident to the physician's professional service.

a. Auxiliary personnel are nurses, psychologists, social workers, audiologists, occupational therapists and physical therapists.

b. An auxiliary person is considered to be an employee of the physician if the physician:

(1) Is able to control the manner in which the work is performed, i.e., is able to control when, where and how the work is done. This control need not be actually exercised by the physician.

(2) Sets work standards.

(3) Establishes job description.

(4) Withholds taxes from the wages of the auxiliary personnel.

c. Direct personal supervision.

(1) Direct personal supervision in the office setting means the physician must be present in the same office suite, not necessarily the same room, and be available to provide immediate assistance and direction.

(2) Direct personal supervision outside the office setting, such as the member's home, hospital, emergency room, or nursing facility, means the physician must be present in the same room as the auxiliary person.

(3) ARNPs certified under board of nursing rules in 481—Chapter 621 performing services within their scope of practice are exempt from the direct personal supervision requirement for the purpose of reimbursement to the employing physicians. In these exempted circumstances, the employing physicians must still provide general supervision and be available to provide immediate needed assistance by telephone. ARNPs who prescribe drugs and medical devices are subject to the guidelines in effect for physicians as specified in rule 441—78.1(249A).

(4) A PA licensed under board of PAs' professional licensure rules in 481—Chapters 780 through 784 is exempt from the direct personal supervision requirement, except as expressly required by Iowa Code chapter 148C or 481—Chapters 780 through 784. A physician shall be accessible at all times for consultation with a PA unless the PA is providing emergency medical services pursuant to 481—subrule 781.1(3). PAs who prescribe drugs and medical devices are subject to the guidelines in effect for physicians as specified in rule 441—78.1(249A) or required by rules in 481—Chapters 780 through 784. PAs who prescribe drugs and medical devices are subject to the guidelines in effect for physicians as specified in rule 441—78.1(249A).

d. Services incident to the professional services of the physician means the service provided by the auxiliary person must be related to the physician's professional service to the member. If the physician has not or will not perform a personal professional service to the member, the clinical records must document that the physician assigned treatment of the member to the auxiliary person.

78.1(14) Payment will be made for persons aged 20 and under for nutritional counseling provided by a licensed dietitian employed by or under contract with a physician for a nutritional problem or condition of a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. For persons eligible for the Special Supplemental Nutrition Program

for Women, Infants, and Children (WIC), a WIC referral is required. Medical necessity for nutritional counseling services exceeding those available through WIC shall be documented.

78.1(15) The certification of inpatient hospital care will be the same as that in effect in part A of Medicare. The hospital admittance record is sufficient for the original certification.

78.1(16) No payment will be made for sterilization of an individual under the age of 21 or who is mentally incompetent or institutionalized. Payment will be made for sterilization performed on an individual who is aged 21 or older at the time the informed consent is obtained and who is mentally competent and not institutionalized when all the conditions in this subrule are met.

a. The following definitions are pertinent to this subrule:

(1) Sterilization means any medical procedure, treatment, or operation performed for the purpose of rendering an individual permanently incapable of reproducing and that is not a necessary part of the treatment of an existing illness or medically indicated as an accompaniment of an operation on the genital urinary tract. Mental illness is not considered an illness or injury.

(2) Hysterectomy means a medical procedure or operation to remove the uterus.

(3) Mentally incompetent individual means a person who has been declared mentally incompetent by a federal, state or local court of jurisdiction for any purpose unless the individual has been declared competent for purposes that include the ability to consent to sterilization.

(4) Institutionalized individual means an individual who is involuntarily confined or detained, under a civil or criminal statute, in a correctional or rehabilitative facility, including a mental hospital or other facility for the care and treatment of mental illness, or an individual who is confined under a voluntary commitment in a mental hospital or other facility for the care and treatment of mental illness.

b. The sterilization shall be performed as the result of a voluntary request for the services made by the person on whom the sterilization is performed. The person's consent for sterilization shall be documented on:

(1) A department consent form, or

(2) An official sterilization consent form from another state's Medicaid program that contains all information found on the department form and complies with all applicable federal regulations.

c. The person shall be advised prior to the receipt of consent that no benefits provided under the medical assistance program or other programs administered by the department may be withdrawn or withheld by reason of a decision not to be sterilized.

d. The person shall be informed that the consent can be withheld or withdrawn any time prior to the sterilization without prejudicing future care and without loss of other project or program benefits.

e. The person shall be given a complete explanation of the sterilization. The explanation shall include:

(1) A description of available alternative methods and the effect and impact of the proposed sterilization including the fact that it must be considered to be an irreversible procedure.

(2) A thorough description of the specific sterilization procedure to be performed and benefits expected.

(3) A description of the attendant discomforts and risks including the type and possible effects of any anesthetic to be used.

(4) An offer to answer any inquiries the person to be sterilized may have concerning the procedure to be performed. The individual shall be provided a copy of the informed consent form in addition to the oral presentation.

f. At least 30 days and not more than 180 days shall have elapsed following the signing of the informed consent, except in the case of premature delivery or emergency abdominal surgery that occurs not less than 72 hours after the informed consent was signed. The informed consent shall have been signed at least 30 days before the expected delivery date for premature deliveries.

g. The information in paragraphs 78.1(16)*"b"* through *"f"* shall be effectively presented to a blind, deaf, hard-of-hearing, or otherwise disabled individual and an interpreter shall be provided when the individual to be sterilized does not understand the language used on the consent form or used by the person obtaining consent. The individual to be sterilized may have a witness of the individual's choice present when consent is obtained.

h. The consent form described in paragraph 78.1(16)*"b"* shall be attached to the claim for payment and shall be signed by all parties required by the form.

i. Informed consent shall not be obtained while the individual to be sterilized is:

(1) In labor or childbirth,

(2) Seeking to obtain or obtaining an abortion, or

(3) Under the influence of alcohol or other substance that affects the individual's state of awareness.

j. Payment will be made for a medically necessary hysterectomy only when it is performed for a purpose other than sterilization and only when one or more of the following conditions is met:

(1) The individual or representative has signed an acknowledgment of having been informed orally and in writing from the person authorized to perform the hysterectomy that the hysterectomy will make the individual permanently incapable of reproducing,

(2) The individual was already sterile before the hysterectomy, the physician has certified in writing that the individual was already sterile at the time of the hysterectomy, and the physician has stated the cause of the sterility, or

(3) The hysterectomy was performed as a result of a life-threatening emergency situation in which the physician determined that prior acknowledgment was not possible and the physician includes a description of the nature of the emergency.

78.1(17) Abortions. Payment for an abortion or related service is made when a Certification Regarding Abortion form is completed for the applicable circumstances and is attached to each claim for services. Payment for an abortion is made under one of the following circumstances:

a. The physician certifies that the pregnant woman's life would be endangered if the fetus were carried to term.

b. The physician certifies that the fetus is physically deformed, mentally deficient or afflicted with a congenital illness and the physician states the medical indication for determining the fetal condition.

c. The pregnancy was the result of rape reported to a law enforcement agency or public or private health agency which may include a family physician within 45 days of the date of occurrence of the incident. The report shall include the name, address, and signature of the person making the report. The Certification Regarding Abortion form shall be signed by the person receiving the report of the rape.

d. The pregnancy was the result of incest reported to a law enforcement agency or public or private health agency including a family physician no later than 150 days after the date of occurrence. The report shall include the name, address, and signature of the person making the report. The Certification Regarding Abortion form shall be signed by the person receiving the report of incest.

78.1(18) Payment and procedure for obtaining eyeglasses, contact lenses, and visual aids shall be the same as described in rule 441—78.6(249A).

78.1(19) Preprocedure review by Iowa Medicaid will be required if payment under Medicaid is to be made for certain frequently performed surgical procedures that have a wide variation in the relative frequency the procedures are performed. Preprocedure surgical review applies to surgeries performed in hospitals (outpatient and inpatient) and ambulatory surgical centers. Approval by Iowa Medicaid will be granted only if the procedures are determined to be medically necessary based on the condition of the patient and the criteria established by Iowa Medicaid. If not so approved by Iowa Medicaid, payment will not be made under the program to the physician or to the facility in which the surgery is performed. The criteria are available from Iowa Medicaid.

78.1(20) Transplants.

a. Payment will be made only for the following organ and tissue transplant services:

(1) Kidney, cornea, skin, and bone transplants.

(2) Allogeneic stem cell transplants for the treatment of aplastic anemia, severe combined immunodeficiency disease (SCID), Wiskott-Aldrich syndrome, follicular lymphoma, Fanconi anemia, paroxysmal nocturnal hemoglobinuria, pure red cell aplasia, amegakaryocytosis/congenital thrombocytopenia, beta thalassemia major, sickle cell disease, Hurler's syndrome (mucopolysaccharidosis type 1 [MPS-1]), adrenoleukodystrophy, metachromatic leukodystrophy, refractory anemia, agnogenic myeloid metaplasia (myelofibrosis), familial erythrophagocytic lymphohistiocytosis and other histiocytic disorders, acute myelofibrosis, Diamond-Blackfan anemia, epidermolysis bullosa, or the following types of

leukemia: acute myelocytic leukemia, chronic myelogenous leukemia, juvenile myelomonocytic leukemia, chronic myelomonocytic leukemia, acute myelogenous leukemia, and acute lymphocytic leukemia.

(3) Autologous stem cell transplants for treatment of the following conditions: acute leukemia; chronic lymphocytic leukemia; plasma cell leukemia; non-Hodgkin's lymphomas; Hodgkin's lymphoma; relapsed Hodgkin's lymphoma; lymphomas presenting poor prognostic features; follicular lymphoma; neuroblastoma; medulloblastoma; advanced Hodgkin's disease; primitive neuroendocrine tumor (PNET); atypical/rhabdoid tumor (ATRT); Wilms' tumor; Ewing's sarcoma; metastatic germ cell tumor; or multiple myeloma.

(4) Liver transplants for persons with extrahepatic biliary atresia or any other form of end-stage liver disease, except that coverage is not provided for persons with a malignancy extending beyond the margins of the liver.

Liver transplants require preprocedure review by Iowa Medicaid. Covered liver transplants are payable only when performed in a facility that meets the requirements of subrule 78.3(10).

(5) Heart transplants for persons with inoperable congenital heart defects, heart failure, or related conditions. Artificial hearts and ventricular assist devices as a temporary life-support system until a human heart becomes available for transplants are covered. Artificial hearts and ventricular assist devices as a permanent replacement for a human heart are not covered. Heart-lung transplants are covered where bilateral or unilateral lung transplantation with repair of a congenital cardiac defect is contraindicated.

Heart transplants, heart-lung transplants, artificial hearts, and ventricular assist devices described above require preprocedure review by Iowa Medicaid. Covered heart transplants are payable only when performed in a facility that meets the requirements of subrule 78.3(10).

(6) Lung transplants. Lung transplants for persons having end-stage pulmonary disease. Lung transplants require preprocedure review by Iowa Medicaid. Covered transplants are payable only when performed in a facility that meets the requirements of subrule 78.3(10). Heart-lung transplants are covered consistent with criteria in subparagraph 78.1(2)*"a"*(5).

(7) Pancreas transplants for persons with type I diabetes mellitus, as follows:

1. Simultaneous pancreas-kidney transplants and pancreas after kidney transplants are covered.

2. Pancreas transplants alone are covered for persons exhibiting any of the following:

- A history of frequent, acute, and severe metabolic complications (e.g., hypoglycemia, hyperglycemia, or ketoacidosis) requiring medical attention.
- Clinical problems with exogenous insulin therapy that are so severe as to be incapacitating.
- Consistent failure of insulin-based management to prevent acute complications.

3. The pancreas transplants listed under this subparagraph require preprocedure review by Iowa Medicaid.

4. Covered transplants are payable only when performed in a facility that meets the requirements of subrule 78.3(10).

5. Transplantation of islet cells or partial pancreatic tissue is not covered.

b. Donor expenses incurred directly in connection with a covered transplant are payable. Expenses incurred for complications that arise with respect to the donor are covered only if they are directly and immediately attributed to surgery. Expenses of searching for a donor are not covered.

c. All transplants must be medically necessary and meet other general requirements of this chapter for physician and hospital services.

d. Payment will not be made for any transplant not specifically listed in paragraph 78.1(20)*"a."*

78.1(21) Utilization review. Utilization review will be conducted for Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, ARNPs, federally qualified health centers, other clinics, and emergency rooms. For the purposes of utilization review, the term "physician" does not include a psychiatrist.

78.1(22) Risk assessment. Risk assessment, using the Medicaid Prenatal Risk Assessment form, will be completed at the initial visit during a Medicaid member's pregnancy.

a. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

b. If the risk assessment reflects a high-risk pregnancy, referral will be made for enhanced services. Enhanced services include health education, social services, nutrition education, and a postpartum home visit. Additional reimbursement will be provided for obstetrical services related to a high-risk pregnancy. (See description of enhanced services at subrule 78.25(3).)

78.1(23) Reserved.

78.1(24) Topical fluoride varnish. Payment will be made for application of an FDA-approved topical fluoride varnish, as defined by the Code on Dental Procedures and Nomenclature (CDT) published by the American Dental Association as amended to July 1, 2026, for the purpose of preventing the worsening of early childhood caries in children aged 0 to 36 months of age, when rendered by physicians or other appropriately licensed practitioners under the supervision of or in collaboration with a physician and who are acting within the scope of their practice, licensure, and other applicable state law, subject to the following provisions and limitations:

a. Application of topical fluoride varnish must be provided in conjunction with an early and periodic screening, diagnosis, and treatment (EPSDT) examination which includes a limited oral screening.

b. Separate payment will be available only for application of topical fluoride varnish, which will be at the same rate of reimbursement paid to dentists for providing this service. Separate payment for the limited oral screening will not be available, as this service is already part of and paid under the EPSDT screening examination.

c. Parents, legal guardians, or other authorized caregivers of children receiving application of topical fluoride varnish as part of an EPSDT screening examination shall be informed by the physician or auxiliary staff employed by and under the physician's supervision that this application is not a substitute for comprehensive dental care.

d. Physicians rendering the services under this subrule shall make every reasonable effort to refer or facilitate referral of these children for comprehensive dental care rendered by a dental professional.

78.1(25) Prior authorization for medication-assisted treatment will be governed pursuant to subrule 78.28(2).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.2(249A) Prescribed outpatient drugs. Payment will be made for "covered outpatient drugs" as defined in 42 U.S.C. Section 1396r-8(k)(2)-(4) as amended to July 1, 2026, subject to the conditions and limitations specified in this rule.

78.2(1) *Qualified prescriber.* All drugs are covered only if prescribed or ordered by an Iowa Medicaid-enrolled practitioner licensed or registered to prescribe as specified in Iowa Code section 155A.3(39).

78.2(2) *Prescription required.* As a condition of payment for all drugs, including "nonprescription" or "over-the-counter" drugs that may otherwise be dispensed without a prescription or drug order, a prescription or drug order shall be transmitted as specified in Iowa Code sections 124.308, 155A.3 and 155A.27 by the practitioner to the pharmacy. All prescriptions or drug orders shall be available for audit by the department.

78.2(3) *Qualified source.* All drugs are covered only if marketed by manufacturers that have signed a Medicaid rebate agreement with the Secretary of Health and Human Services in accordance with Public Law 101-508 (Omnibus Budget Reconciliation Act of 1990 as amended to July 1, 2026).

78.2(4) *Prescription drugs.* Drugs that may be dispensed only upon a prescription are covered subject to the following limitations.

a. Prior authorization is required as specified in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A.

(1) For any drug requiring prior authorization, reimbursement will be made for a 72-hour or three-day supply dispensed in an emergency when a prior authorization request cannot be submitted.

(2) Unless the manufacturer or labeler of a mental health prescription drug that has a significant variation in therapeutic or side effect profile from other drugs in the same therapeutic class enters into a contract to provide the state with a supplemental rebate, the drug may be placed on the preferred drug list as nonpreferred, with prior authorization required.

(3) For mental health prescription drugs requiring prior authorization that have a significant variation in therapeutic or side effect profile from other drugs in the same therapeutic class, reimbursement will be made for up to a seven-day supply pending prior authorization. A request for prior authorization shall be deemed approved if the prescriber:

1. Has on file with the department current contact information, including a current fax number, and a signed department Fax Confidentiality Certificate, and

2. Does not receive a notice of approval or disapproval within 48 hours of a request for prior authorization.

(4) Prior authorization for medication-assisted treatment will be governed pursuant to subrule 78.28(2).

b. Payment is not made for:

(1) Drugs whose prescribed use is not for a medically accepted indication as defined by Section 1927(k)(6) of the Social Security Act as amended to July 1, 2026.

(2) Drugs used for anorexia, weight gain, or weight loss.

(3) Drugs used for cosmetic purposes or hair growth.

(4) Reserved.

(5) Otherwise covered outpatient drugs if the manufacturer seeks to require as a condition of sale that associated tests or monitoring services be purchased exclusively from the manufacturer or the manufacturer's designee.

(6) Drugs described in Section 107(c)(3) of the Drug Amendments of 1962 as amended to July 1, 2026, and identical, similar, or related drugs (within the meaning of Section 310.6(b)(1) of Title 21 of the Code of Federal Regulations as amended to July 1, 2026 (drugs identified through the Drug Efficacy Study Implementation (DESI) review)).

(7) "Covered Part D drugs" as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) as amended to July 1, 2026, for any "Part D eligible individual" as defined by 42 U.S.C. Section 1395w-101(a)(3)(A) as amended to July 1, 2026, including a member who is not enrolled in a Medicare Part D plan.

(8) Drugs prescribed for fertility purposes.

(9) Drugs used for the treatment of sexual or erectile dysfunction, except when used to treat a condition other than sexual or erectile dysfunction for which the drug has been approved by the U.S. Food and Drug Administration (FDA).

(10) Prescription drugs for which the prescription was executed in written (and nonelectronic) form unless the prescription was executed on a tamper-resistant pad, as required by Section 1903(i)(23) of the Social Security Act (42 U.S.C. Section 1396b(i)(23)).

(11) Drugs used for symptomatic relief of cough and colds, except for nonprescription drugs listed at subrule 78.2(5).

(12) Investigational drugs, including drugs that are the subject of an investigational new drug (IND) application allowed to proceed by the FDA but that do not meet the definition of a covered outpatient drug in 42 U.S.C. 1396r-8(k)(2)-(4) as amended to July 1, 2026.

78.2(5) *Nonprescription drugs.*

a. Nonprescription or over-the-counter (OTC) refers to a drug that may be lawfully sold without a prescription; however, Iowa Medicaid requires a prescription for covered OTC drugs. These drugs are subject to prior authorization requirements as specified in the preferred drug list (PDL) published by the department pursuant to Iowa Code section 249A.20A. The drugs are identified on the nonprescription (OTC) prescribed list by therapeutic category located on the PDL website (www.iowamedicaidpdl.com) under the PDL/PA tab.

b. Nonprescription drugs for use in a nursing facility, psychiatric medical institution for children (PMIC), or intermediate care facility for persons with an intellectual disability (ICF/ID) will be included in the per diem rate paid to the nursing facility, PMIC, or ICF/ID, with the exception of OTC insulin and pseudoephedrine.

78.2(6) *Quantity prescribed.*

a. Quantity prescribed. When it is not therapeutically contraindicated, the legally qualified practitioner shall prescribe not less than a one-month supply of covered prescription and nonprescription medication. Contraceptives may be prescribed in three-month quantities.

b. Prescription refills.

(1) Prescription refills shall be performed and recorded in a manner consistent with existent state and federal laws, rules and regulations.

(2) Automatic refills.

1. Automatic refills are allowed. Participation in an automatic refill program is voluntary and opt-in only, on a drug-by-drug basis.

2. The program must have:

- Easy-to-locate contact information through telephone, the program's website, or both;
- Easy-to-understand patient materials on how to select or unselect drug(s) for inclusion and how to disenroll;
- Confirmation that the member wants to continue in the automatic refill program at least annually;
- Confirmation of continued medical necessity provided by the Medicaid member or person acting as an authorized representative of the member, before the member receives the medication at the pharmacy or before the medication is mailed or delivered to the member, without which confirmation the drug(s) must be credited back to the Medicaid program; and
- Records of all consents, which must be in electronic or written format and must be available for review by auditors.

78.2(7) *Lowest cost item.* The pharmacist shall dispense the lowest cost item in stock that meets the requirements of the practitioner as shown on the prescription.

78.2(8) *Consultation.* In accordance with Public Law 101-508 (Omnibus Budget Reconciliation Act of 1990) as amended to July 1, 2026, a pharmacist shall offer to discuss information regarding the use of the medication with each Medicaid member or the caregiver of a member presenting a prescription. The consultation is not required if the person refuses the consultation. Standards for the content of the consultation can be found in rules of the Iowa board of pharmacy.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.3(249A) Inpatient hospital services. Payment for inpatient hospital admission is approved when it meets the criteria for inpatient hospital care as determined by Iowa Medicaid. All cases are subject to random retrospective review and may be subject to a more intensive retrospective review if abuse is suspected. In addition, transfers, outliers, and readmissions within 31 days are subject to random review. Selected admissions and procedures are subject to a 100 percent review before the services are rendered. Medicaid payment for inpatient hospital admissions and continued stays are approved when the admissions and continued stays are determined to meet the criteria for inpatient hospital care. The criteria are available from Iowa Medicaid or in local hospital utilization review offices. No payment will be made for waiver days.

See rule 441—78.31(249A) for policies regarding payment of hospital outpatient services.

If the recipient is eligible for inpatient or outpatient hospital care through the Medicare program, payment will be made for deductibles and coinsurance as set out in 441—subrule 79.1(22).

The DRG payment calculations include any special services required by the hospital, including a private room.

78.3(1) Payment for Medicaid-certified physical rehabilitation units will be approved for the day of admission but not the day of discharge or death.

78.3(2) No payment will be approved for private duty nursing.

78.3(3) Certification of inpatient hospital care shall be the same as that in effect in part A of Medicare. The hospital admittance records are sufficient for the original certification.

78.3(4) Services provided for intestinal or gastric bypass surgery for treatment of obesity require prior approval, which must be obtained by the attending physician before surgery is performed.

78.3(5) Payment will be approved for drugs provided to inpatients subject to the same provisions specified in subrule 78.2(1) and subparagraphs 78.2(4)*"b"*(1) through *"b"*(10), except for *"b"*(7). The basis of payment for drugs administered to inpatients is through the DRG reimbursement.

a. Payment will be approved for drugs and supplies provided to outpatients subject to the same provisions specified in subrules 78.2(1) through 78.2(4), except for subparagraph 78.2(4)*"b"*(7). The basis of payment for drugs provided to outpatients is through a combination of Medicaid-determined fee schedules and ambulatory payment classification, pursuant to 441—subrule 79.1(16).

b. In order to be paid for the administration of a vaccine covered under the VFC program, a hospital must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

78.3(6) Payment for nursing care provided by a hospital will be made to those hospitals certified by the department of inspections, appeals, and licensing as meeting the standards for a nursing facility.

78.3(7) Payment for inpatient hospital tests for purposes of diagnosis and treatment will be made only when the tests are specifically ordered for the diagnosis and treatment of a particular patient's condition by the attending physician or other licensed practitioner acting within the scope of practice as defined by law, who is responsible for that patient's diagnosis or treatment.

78.3(8) Payment will be made for medically necessary inpatient acute psychiatric intensive care services that meet the criteria in this subrule, pursuant to 441—paragraph 79.1(5)*"i."* This inpatient rate is only applicable to individuals 18 to 64 years of age. All inpatient acute psychiatric intensive care services require prior authorization.

a. "Acute psychiatric intensive care" is defined as care provided for a condition with rapid onset that is accompanied by severe symptoms and is generally of brief duration, requiring emergency treatment and critical care.

b. To meet the need for acute psychiatric intensive care, the patient must:

(1) Have a serious and persistent mental illness as defined in 441—subrule 77.25(1);

(2) Have a current, severe, imminent risk of serious harm to self or others; and

(3) Display additional complexity of need related to:

1. Complex comorbidities, including intellectual or developmental disability, autism spectrum disorder, substance use disorders, or traumatic brain injuries; or

2. A history of violence or current aggression that is secondary to mental illness; or

3. A request for patient transfer that has been rejected by inpatient level of care by one or more hospitals due to severity of symptoms; or

4. Lack of responsiveness to typical interventions or a condition that is treatment refractory; or

5. Disorganized psychotic state or manic thought process that impairs the ability to function or risks the safety of the patient or others; or

6. Behavior that causes disruption to the general milieu of the unit (i.e., instigating other patients in negative ways); or

7. High elopement risk; or

8. Any other atypical reason that the treating mental health provider feels that additional resources are needed to keep the patient and others around the patient safe.

c. The individual must have a documented need for acute intensive care requiring increased or specialized staffing, equipment, or facilities, based on two or more of the following:

(1) Fall precaution protocol in place;

(2) Restraints or seclusion room requirements;

(3) Requiring assistance with activities of daily living;

(4) Requirements for complex nursing care;

(5) Acutely impaired cognitive functioning from baseline;

(6) Documentation of interventions to address acute complex mental illness and comorbidities;

(7) Safety protocols in place to address the physical risk posed to staff, other patients, and infrastructure;

(8) Elopement risk precaution protocol in place.

78.3(9) Payment will be made for sterilizations in accordance with 78.1(16).

78.3(10) Payment will be approved for organ and tissue transplant services, as specified in subrule 78.1(20). Kidney, cornea, skin, bone, allogeneic bone marrow, autologous bone marrow, heart, liver, and lung transplants are covered as specified in subrule 78.1(20). Lung transplants are payable at Medicare-

designated lung transplant centers only. Heart and liver transplants are payable when performed at facilities that meet the following criteria:

a. Recipient selection and education.

(1) *Selection.* The transplant center must have written criteria based on medical need for transplantation for final facility selection of recipients. These criteria should include an equitable, consistent and practical protocol for selection of recipients. The criteria must be at least as strict as those specified by Medicare.

(2) *Education.* The transplant center will provide a written plan for recipient education. It shall include educational plans for recipient, family and significant others during all phases of the program. These phases shall include:

Intake.

Preparation and waiting period.

Preadmission.

Hospitalization.

Discharge planning.

Follow-up.

b. Staffing and resource commitment.

(1) *Transplant surgeon.* The transplant center must have on staff a qualified transplant surgeon.

The surgeon must have received at least one year of training at a transplant center approved by the American Society of Transplant Surgeons under the direction of an experienced transplant surgeon and must have had at least two years of experience in all facets of transplant surgery specific to the surgeon's specialty. This experience must include management of recipients' presurgical and postsurgical care and actual experience as a member of a transplant team at the institution. The transplant surgeon will have an understanding of the principles of and demonstrated expertise in the use of immunosuppressive therapy.

The transplant surgeon will be certified by the American Board of Thoracic Surgery or equivalent for heart transplants and the American Board of Surgery or equivalent for liver transplants.

The transplant surgeon will be the defined leader of a stable, established transplant team that has a strong commitment to the transplant program.

(2) *Transplant team.* The transplant team will be clearly defined with leadership and corresponding responsibilities of all team members identified. The team should consist of:

1. A surgeon director.
2. A board-certified internist or pediatrician with training and expertise in organ transplantation medicine and clinical use of immunosuppressive regimens.

The transplant center will assume responsibility for initial training and continuing education of the transplant team and ancillary personnel. The center will maintain records that demonstrate competency in achieving, maintaining and improving skills in the distinct areas of expertise of each of the team members.

(3) *Physicians.* The transplant center will have on staff or available for consultation physicians with the following areas of expertise:

1. Anesthesiology.
2. Cardiology.
3. Dialysis.
4. Gastroenterology.
5. Hepatology.
6. Immunology.
7. Infectious diseases.
8. Nephrology.
9. Neurology.
10. Pathology.
11. Pediatrics.
12. Psychiatry.
13. Pulmonary medicine.
14. Radiology.

15. Rehabilitation medicine.

Liaison with the recipient's permanent physician is established for the purpose of providing continuity and management of the recipient's long-term care.

(4) *Support personnel and resources.* The center must have a commitment of sufficient resources and planning for implementation and operation of the transplant program. Indicators of the commitment will include persons with expertise in the following areas available at the transplant center:

1. Anesthesiology.
2. Blood bank services.
3. Cardiology.
4. Cardiovascular surgery.
5. Dialysis.
6. Dietary services.
7. Gastroenterology.
8. Infection control.
9. Laboratory services (pathology, microbiology, immunology, tissue typing, and immunosuppressive drug monitoring).
10. Legal counsel familiar with transplantation laws and regulations.
11. Nursing service department with staff available who have expertise in the care of transplant recipients, especially in managing immunosuppressed patients and hemodynamic support.
12. Respiratory therapy.
13. Pharmaceutical services.
14. Physical therapy.
15. Psychiatry.
16. Psychosocial.

The center will have active cardiovascular, medical, and surgical programs with the ability and willingness to perform diagnostic and evaluative procedures appropriate to transplants on an emergency and ongoing basis.

The center will have designated an adequate number of intensive care and general service beds to support the transplant center.

(5) *Laboratory.* Each transplant center must have direct local 24-hour per day access to histocompatibility testing facilities. These facilities must meet the Standards for Histocompatibility Testing set forth by the Committee on Quality Assurance and Standards of the American Society for Histocompatibility and Immunogenetics (ASHI) as amended to July 1, 2026. As specified by ASHI, the director of the facility shall hold a doctoral degree in biological science, or be a physician, and subsequent to graduation shall have had four years' experience in immunology, two of which were devoted to formal training in human histocompatibility testing, documented to be professionally competent by external measures such as national proficiency testing, participation in national or international workshops or publications in peer-reviewed journals. The laboratory must successfully participate in a regional or national testing program.

c. Experience and survival rates.

(1) *Experience.* Centers will be given a minimum volume requirement of 12 heart or 12 liver transplants that should be met within one year. Due to special considerations such as patient case mix or donor availability, an additional one year conditional approval may be given if the minimum volume is not met the first year. For approval of an extrarenal organ transplant program it is highly desirable that the institution:

1. Has available a complete team of surgeons, physicians, and other specialists with specific experience in transplantation of that organ, or
2. Has an established approved renal transplant program at that institution and personnel with expertise in the extrarenal organ system itself.

(2) *Survival rates.* The transplant center will achieve a record of acceptable performance consistent with the performance and outcomes at other successful designated transplant centers. The center will collect and maintain recipient and graft survival and complication rates. A level of satisfactory success

and safety will be demonstrated with bases for substantial probability of continued performance at an acceptable level. To encourage a high level of performance, transplant programs must achieve and maintain a minimum one-year patient survival rate of 70 percent for heart transplants and 50 percent for liver transplants.

d. Organ procurement. The transplant center will participate in a nationwide organ procurement and typing network. Detailed plans must exist for organ procurement yielding viable transplantable organs in reasonable numbers, meeting established legal and ethical criteria. The transplant center must be a member of the National Organ Procurement and Transplant Network.

e. Maintenance of data, research, review and evaluation.

(1) *Maintenance of data.* The transplant center will collect and maintain data on the following:

1. Risk and benefit.
2. Morbidity and mortality.
3. Long-term survival.
4. Quality of life.
5. Recipient demographic information.

These data should be compiled and maintained at the transplant center monthly. The transplant center will submit the above data to the United Network for Organ Sharing yearly.

(2) *Research.* The transplant center will have a plan for and a commitment to research. Ongoing research regarding the transplanted organs is required. The transplant center will have a program in graduate medical education or have a formal agreement with a teaching institution for affiliation with a graduate medical education program.

(3) *Review and evaluation.* The transplant center will have a plan for ongoing evaluation of the transplantation program. The transplant center will have a detailed plan for review and evaluation of recipient selection, preoperative, operative, postoperative and long-term management of the recipient. The transplant center will conduct concurrent ongoing studies to ensure high quality services are provided in the transplantation program. The transplant center will provide information to members of the transplant team and ancillary staff regarding the findings of the quality assurance studies. This information will be utilized to provide education geared toward interventions to improve staff performance and reduce complications occurring in the transplant process. The transplant center will maintain records of all quality assurance and peer review activities concerning the transplantation program to document identification of problems or potential problems, intervention, education and follow-up.

f. Application procedure. A Medicare-designated heart, liver, or lung transplant facility needs only to submit evidence of this designation to Iowa Medicaid. The application procedure for other heart and liver facilities is as follows:

(1) An original and two copies of the application must be submitted on 8½-by-11-inch paper, signed by a person authorized to do so. The facility must be a participating hospital under Medicaid and must specify its provider number, and the name and telephone number of a contact person should there be questions regarding the application.

(2) Information and data must be clearly stated, well organized and appropriately indexed to aid in its review against the criteria specified in this rule. Each page must be numbered.

(3) To the extent possible, the application should be organized into five sections corresponding to each of the five major criteria and addressing, in order, each of the subcriteria identified.

(4) The application should be mailed to Iowa Medicaid.

g. Review and approval of facilities. An organized review committee will be established to evaluate performance and survival statistics and make recommendations regarding approval as a designated transplant center based on acceptable performance standards established by the review organization and approved by the Medicaid agency.

(1) There will be established protocol for the systematic evaluation of patient outcome including survival statistics.

(2) Once a facility applies for approval and is approved as a heart or liver transplant facility for Medicaid purposes, it is obliged to report immediately to the department any events or changes that would affect its approved status. Specifically, a facility must report any significant decrease in its experience level

or survival rates, the transplantation of patients who do not meet its patient selection criteria, the loss of key members of the transplant team, or any other major changes that could affect the performance of heart or liver transplants at the facility. Changes from the terms of approval may lead to withdrawal of approval for Medicaid coverage of heart or liver transplants performed at the facility.

78.3(11) Payment will be approved for inpatient hospital care rendered a patient in connection with dental treatment only when the mental, physical, or emotional condition of the patient prevents the dentist from providing this necessary care in the office.

78.3(12) Payment will be approved for an assessment fee as specified in 441—paragraphs 79.1(16)*"a"* and *"r"* to determine if a medical emergency exists. Medical emergency is defined as a sudden or unforeseen occurrence or combination of circumstances presenting a substantial risk to an individual's health unless immediate medical treatment is given. The determination of whether a medical emergency exists will be based on the patient's medical condition including presenting symptoms and medical history prior to treatment or evaluation.

78.3(13) Payment for patients in acute hospital beds who are determined by Iowa Medicaid to require the skilled nursing care level of care shall be made at an amount equal to the sum of the direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—paragraph 81.5(16)*"f"* plus the non-direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—paragraph 81.5(16)*"f,"* with the rate component limits being revised July 1, 2001, and every second year thereafter. This rate is effective:

a. As of the date of notice by Iowa Medicaid that the lower level of care is required, or

b. For the days Iowa Medicaid determines in an outlier review that the lower level of care was required.

78.3(14) Payment for patients in acute hospital beds who are determined by Iowa Medicaid to require nursing facility level of care shall be made at an amount equal to the sum of the direct care rate component limit for Medicaid nursing facilities pursuant to 441—paragraph 81.5(16)*"f"* plus the non-direct care rate component limit for Medicaid nursing facilities pursuant to 441—paragraph 81.5(16)*"f,"* with the rate component limits being revised July 1, 2001, and every second year thereafter. This rate is effective:

a. As of the date of notice by Iowa Medicaid that the lower level of care is required, or

b. For the days Iowa Medicaid determines in an outlier review that the lower level of care was required.

78.3(15) Payment for inpatient hospital charges associated with surgical procedures normally done and billed on an outpatient hospital basis is subject to review by Iowa Medicaid. Such reviews are based on random claim samples that are pulled on a monthly basis. If the information on a given inpatient claim included in that sample does not appear to support the appropriateness of inpatient level of care, that claim is sent to the Iowa Medicaid medical director for further review. If the medical director approves the inpatient level of care, the claim is paid. However, if the medical director determines that the care provided could have been rendered at a lower level of care, the hospital and attending physician are notified accordingly. If the hospital agrees with the finding that a lower level of care was appropriate, the hospital submits a new claim for the lower level of care. If the hospital disagrees with the lower level of care finding, the hospital can submit additional documentation for further review. The hospital or attending physician or both may appeal any final determination by Iowa Medicaid pursuant to 441—Chapter 2506.

78.3(16) Skilled nursing care in "swing beds."

a. Payment will be made for medically necessary skilled nursing care when provided by a hospital participating in the swing-bed program certified by the department of inspections, appeals, and licensing and approved by the U.S. Department of Health and Human Services. Payment shall be at an amount equal to the sum of the direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—paragraph 81.5(16)*"f"* and the non-direct care rate component limit for Medicare-certified hospital-based nursing facilities pursuant to 441—paragraph 81.5(16)*"f"* with the rate component limits being revised July 1, 2001, and every second year thereafter. Swing-bed placement is only intended to be short-term in nature.

b. Any payment for skilled nursing care provided in a hospital with a certified swing-bed program, for either initial admission or continued stay, will require prior authorization, subject to the following requirements:

(1) The hospital has fewer than 100 beds, excluding beds for newborns and intensive care.

(2) The hospital has an existing certification for a swing-bed program, pursuant to paragraph 78.3(16)*"a."*

(3) The member is being admitted for nursing facility or skilled level of care (if the member has Medicare and skilled coverage has been exhausted).

(4) As part of the discharge planning process for a member requiring ongoing skilled nursing care, the hospital must:

1. Complete a level of care (LOC) determination describing a member's LOC needs, using a department Swing Bed Certification form.

2. Contact skilled nursing facilities within a 30-mile radius of the hospital regarding available beds to meet the member's LOC needs.

3. Certify that no freestanding skilled nursing facility beds are available for the member within a 30-mile radius of the hospital, which will be able to appropriately meet the member's needs and that home-based care for the member is not available or appropriate.

(5) Swing-bed stays beyond 14 days will only be approved when there is no appropriate freestanding nursing facility bed available within a 30-mile radius and home-based care for the member is not available or appropriate, as documented by the hospital seeking the swing-bed admission. For the purpose of these criteria, an "appropriate" nursing facility bed is a bed in a Medicaid-participating freestanding nursing facility that provides the LOC required for the member's medical condition and corresponding LOC needs.

(6) A Medicaid member who has been in a swing bed beyond 14 days must be discharged to an appropriate nursing facility bed within a 30-mile radius of the swing-bed hospital or to appropriate home-based care within 72 hours of an appropriate nursing facility bed becoming available.

Preadmission screening and resident review (PASRR) rules still apply for members being transferred to a nursing facility.

78.3(17) Reserved.

78.3(18) Preprocedure review by Iowa Medicaid is required if hospitals are to be reimbursed for certain frequently performed surgical procedures as set forth under subrule 78.1(19). Preprocedure review is also required for other types of major surgical procedures, such as organ transplants. Criteria are available from Iowa Medicaid.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.4(249A) Dental services. Payment is authorized only for medically necessary dental and oral surgery services provided by a dentist to the extent these services are permitted to be performed under state law either by doctors of medicine, osteopathy, dental surgery or dental medicine and would be covered if furnished by doctors of medicine or osteopathy. Services must be reasonable, necessary, and cost-effective for the prevention, diagnosis, and treatment of dental disease or injuries or for oral devices necessary for a medical condition. Payment will also be made for the following dental procedures.

78.4(1) *Preventive services.* Payment will be made for the following preventive services:

a. Oral prophylaxis, including necessary scaling and polishing, once in a six-month period except for persons who, because of a physical or mental condition, need more frequent care. Documentation supporting the need for oral prophylaxis performed more than once in a six-month period must be maintained.

b. Topical application of fluoride, once every 90 days. (This does not include the use of fluoride prophylaxis paste as fluoride treatment.)

c. Pit and fissure sealants for placement on deciduous and permanent posterior teeth only. Reimbursement for sealants is restricted to work performed on members through 18 years of age and on members who have a physical or mental condition that impairs their ability to maintain adequate oral hygiene. Replacement sealants are covered when medically necessary, as documented in the patient record.

d. Space management services in mixed dentition when premature loss of teeth would permit existing teeth to shift and cause a handicapping malocclusion, or there is too little dental ridge to accommodate

either the number or the size of teeth and significant dental disease will result if the condition is not corrected.

78.4(2) *Diagnostic services.* Payment will be made for the following diagnostic services:

a. A comprehensive oral evaluation once per member per dental practice in a three-year period when the member has not been seen by a dentist in the dental practice during the three-year period.

b. A periodic oral examination once in a six-month period.

c. A full mouth radiograph survey, consisting of a minimum of 14 periapical films and bite-wing films, or a panoramic radiograph with bite-wings once in a five-year period, except when medically necessary to evaluate development and to detect anomalies, injuries and diseases. Full mouth radiograph surveys are not payable under the age of six except when medically necessary. A panographic-type radiography with bite-wings is considered the same as a full mouth radiograph survey.

d. Supplemental bite-wing films only once in a 12-month period.

e. Single periapical films when necessary.

f. Intraoral radiograph, occlusal.

g. Extraoral radiograph.

h. Posterior-anterior and lateral skull and facial bone radiograph, survey film.

i. Temporomandibular joint radiograph.

j. Cephalometric film.

k. Diagnostic casts only for orthodontic cases or dental implants or when requested by Iowa Medicaid.

l. Cone beam images when medically necessary for situations including but not limited to detection of tumors, positioning of severely impacted teeth, supernumerary teeth or dental implants.

78.4(3) *Restorative services.* Payment will be made for the following restorative services:

a. Treatment of dental caries in those areas that require immediate attention. Restoration of incipient or nonactive carious lesions are not payable. Carious activity may be considered incipient when there is no penetration of the dento-enamel junction as demonstrated in diagnostic radiographs.

b. Amalgam alloy and composite resin-type filling materials only once for the same restoration in a two-year period.

c. Crowns when there is at least a fair prognosis for maintaining the tooth as determined by Iowa Medicaid and when a more conservative procedure would not be serviceable.

(1) Stainless steel crowns are limited to primary and permanent posterior teeth and are covered when coronal loss of tooth structure does not allow restoration with an amalgam or composite restoration. Placement on permanent posterior teeth is allowed only for members who have a mental or physical condition that limits their ability to tolerate the procedure for placement of a different crown.

(2) Aesthetic coated stainless steel crowns and stainless steel crowns with a resin window are limited to primary anterior teeth.

(3) Laboratory-fabricated crowns, other than stainless steel, are limited to permanent teeth and require prior authorization. Approval will be granted when coronal loss of tooth structure does not allow restoration with an amalgam or composite restoration or when there is evidence of recurring decay surrounding a large existing restoration, a fracture, a broken cusp(s), or an endodontic treatment.

(4) Crowns with noble or high noble metals require prior authorization. Approval will be granted for members who meet the criteria for a laboratory-fabricated crown, other than stainless steel, and who have a documented allergy to all other restorative materials.

d. Cast post and core, post and composite or post and amalgam in addition to a crown when a tooth is functional and the integrity of the tooth would be jeopardized by no post support.

e. The following restoration procedures, as indicated:

(1) Amalgam or acrylic buildups, including any pins, are considered a core buildup.

(2) One, two, or more restorations on one surface of a tooth will be paid as a one-surface restoration (i.e., mesial occlusal pit and distal occlusal pit of a maxillary molar or mesial and distal occlusal pits of a lower bicuspid).

(3) Occlusal lingual groove of a maxillary molar that extends from the distal occlusal pit and down the distolingual groove will be paid as a two-surface restoration. This restoration and a mesial occlusal pit restoration on the same tooth will be paid as one, two-surface restoration.

(4) Two separate one-surface restorations are payable as a two-surface restoration (i.e., an occlusal pit restoration and a buccal pit restoration are a two-surface restoration).

(5) Tooth preparation, temporary restorations, cement bases, pulp capping, impressions, and local anesthesia are included in the restorative fee and may not be billed separately.

(6) Pin retention will be paid on a per-tooth basis and in addition to the final restoration.

(7) More than four surfaces on an amalgam restoration will be reimbursed as a "four-surface" amalgam.

(8) An amalgam or composite restoration is not payable following a sedative filling in the same tooth unless the sedative filling was placed more than 30 days previously.

78.4(4) *Periodontal services.* Payment may be made for the following periodontal services:

a. Full-mouth debridement to enable comprehensive periodontal evaluation and diagnosis once every 24 months. This procedure is not payable on the same date of service when other prophylaxis or periodontal services are performed.

b. Periodontal scaling and root planing once every 24 months when prior approval has been received. Prior approval will be granted per quadrant when radiographs demonstrate subgingival calculus or loss of crestal bone and when the periodontal probe chart shows evidence of pocket depths of 4 mm or greater.

c. Periodontal surgical procedures including gingivoplasty, osseous surgery, and osseous allograft when prior approval has been received. Payment for these surgical procedures will be approved after periodontal scaling and root planing has been provided, a reevaluation examination has been completed, and the member has demonstrated reasonable oral hygiene. Payment is also allowed for members who are unable to demonstrate reasonable oral hygiene due to a physical or mental condition, or who exhibit evidence of gingival hyperplasia, or who have a deep carious lesion that cannot be otherwise accessed for restoration.

d. Pedicle soft tissue graft, free soft tissue graft, and subepithelial connective tissue graft with prior approval. Authorization will be granted when the amount of tissue loss is causing problems such as continued bone loss, chronic root sensitivity, complete loss of attached tissue, or difficulty maintaining adequate oral hygiene.

e. Periodontal maintenance therapy, which requires prior authorization. Approval will be granted for members who have completed periodontal scaling and root planing at least three months prior to the initial periodontal maintenance therapy and the periodontal probe chart shows evidence of pocket depths of 4 mm or greater.

f. Tissue regeneration procedures, which require prior authorization. Approval will be granted when radiographs show evidence of recession in relation to the muco-gingival junction and the bone level indicates the tooth has a fair to good long-term prognosis.

g. Localized delivery of antimicrobial agents, which requires prior authorization. Approval will be granted when at least one year has elapsed since periodontal scaling and root planing was completed, the member has maintained regular periodontal maintenance, and pocket depths remain at a moderate to severe depth with bleeding on probing. Authorization is limited to once per site every 12 months.

78.4(5) *Endodontic services.* Payment will be made for the following endodontic services:

a. Root canal treatments on permanent anterior and posterior teeth when there is presence of extensive decay, infection, draining fistulas, severe pain upon chewing or applied pressure, prolonged sensitivity to temperatures, or a discolored tooth indicative of a nonvital tooth.

b. Vital pulpotomies. Cement bases, pulp capping, and insulating liners are considered part of the restoration and may not be billed separately.

c. Surgical endodontic treatment, including an apicoectomy, performed as a separate surgical procedure; an apicoectomy, performed in conjunction with endodontic procedure; an apical curettage; a root resection; or excision of hyperplastic tissue when nonsurgical treatment has been attempted and a reasonable time of approximately one year has elapsed after which failure has been demonstrated. Surgical endodontic procedures may be indicated when:

(1) Conventional root canal treatment cannot be successfully completed because canals cannot be negotiated, debrided or obturated due to calcifications, blockages, broken instruments, severe curvatures, and dilacerated roots.

(2) Correction of problems resulting from conventional treatment, including gross underfilling, perforations, and canal blockages with restorative materials.

d. Endodontic retreatment when prior authorization has been received. Authorization for retreatment of a tooth with previous endodontic treatment will be granted when the conventional treatment has been completed, a reasonable time has elapsed since the initial treatment, and failure has been demonstrated with a radiograph and narrative history. A reasonable period of time is approximately one year if the treating dentist is the same and may be less if the member must see a different dentist.

78.4(6) *Oral surgery—medically necessary.* Payment will be made for medically necessary oral surgery services furnished by dentists to the extent that these services may be performed under state law either by doctors of medicine, osteopathy, dental surgery or dental medicine and would be covered if furnished by doctors of medicine or osteopathy as defined in rule 441—78.1(249A). These services will be reimbursed in a manner consistent with the physician's reimbursement policy. The following surgical procedures are also payable when performed by a dentist:

a. Extractions, both surgical and nonsurgical.

b. Impaction (soft tissue impaction, upper or lower) that requires an incision of overlying soft tissue and the removal of the tooth.

c. Impaction (partial bony impaction, upper or lower) that requires incision of overlying soft tissue, elevation of a flap, removal of bone and removal of the tooth.

d. Impaction (complete bony impaction, upper or lower) that requires incision of overlying soft tissue, elevation of a flap, removal of bone and section of the tooth for removal.

e. Root recovery (surgical removal of residual root).

f. Oral antral fistula closure (or antral root recovery).

g. Surgical exposure of impacted or unerupted tooth for orthodontic reasons, including ligation when indicated.

h. Surgical exposure of impacted or unerupted tooth to aid eruption.

i. Postoperative care where need is shown to be beyond normal follow-up care or for postoperative care where the original service was performed by another dentist.

Routine postoperative care is considered part of the fee for surgical procedures and may not be billed separately.

78.4(7) *Prosthetic services.* Payment may be made for the following prosthetic services:

a. An immediate denture or a first-time complete denture. Six months' postdelivery care is included in the reimbursement for the denture.

b. A removable partial denture replacing anterior teeth when prior approval has been received. Approval will be granted when radiographs demonstrate adequate space for replacement of a missing anterior tooth. Six months' postdelivery care is included in the reimbursement for the denture.

c. A removable partial denture replacing posterior teeth including six months' postdelivery care when prior approval has been received. Approval will be granted when the member has fewer than eight posterior teeth in occlusion, excluding third molars, or the member has a full denture in one arch and a partial denture replacing posterior teeth is required in the opposing arch to balance occlusion. When one removable partial denture brings eight posterior teeth in occlusion, no additional removable partial denture will be approved. Six months' postdelivery care is included in the reimbursement for the denture.

d. A fixed partial denture (including an acid etch fixed partial denture) replacing anterior teeth when prior approval has been received. Approval will be granted for members who:

(1) Have a physical or mental condition that precludes the use of a removable partial denture, or

(2) Have an existing bridge that needs replacement due to breakage or extensive, recurrent decay.

High noble or noble metals will be approved only when the member is allergic to all other restorative materials.

e. A fixed partial denture replacing posterior teeth when prior approval has been received. Approval will be granted for members who meet the criteria for a removable partial denture and:

(1) Have a physical or mental condition that precludes the use of a removable partial denture, or

(2) Have a full denture in one arch and a partial fixed denture replacing posterior teeth is required in the opposing arch to balance occlusion.

High noble or noble metals will be approved only when the member is allergic to all other restorative materials.

f. Obturator for surgically excised palatal tissue or deficient velopharyngeal function of cleft palate patients.

g. Chairside relines and laboratory-processed relines only once per prosthesis every 12 months, beginning 6 months after placement of the denture.

h. Tissue conditioning twice per prosthesis in a 12-month period.

i. Two repairs per prosthesis in a 12-month period.

j. Adjustments to a complete or removable partial denture when medically necessary after six months' postdelivery care. An adjustment consists of removal of acrylic material or adjustment of teeth to eliminate a sore area or to make the denture fit better. Warming dentures and massaging them for better fit or placing them in a sonic device does not constitute an adjustment.

k. Dental implants and related services when prior authorization has been received. Prior authorization will be granted when the member is missing significant oral structures due to cancer, traumatic injuries, or developmental defects such as cleft palate and cannot use a conventional denture.

l. Replacement of complete or partial dentures in less than a five-year period, which requires prior authorization. Approval will be granted once per denture replacement per arch in a five-year period when the denture has been lost, stolen or broken beyond repair or cannot be adjusted for an adequate fit. Approval will also be granted for more than one denture replacement per arch within five years for members who have a medical condition that necessitates thorough mastication. Approval will not be granted in less than a five-year period when the reason for replacement is resorption.

m. A complete or partial denture rebase, which requires prior approval. Approval will be granted when the acrylic of the denture is cracked or has had numerous repairs and the teeth are in good condition.

n. An oral appliance for obstructive sleep apnea, which requires prior approval and must be custom-fabricated. Approval will be granted in accordance with Medicare criteria.

78.4(8) *Orthodontic procedures.* Payment may be made for the following orthodontic procedures:

a. Minor treatment to control harmful habits when prior approval has been received. Approval will be granted when it is cost-effective to lessen the severity of a malformation such that extensive treatment is not required.

b. Interceptive orthodontic treatment of the transitional dentition when prior approval has been received. Approval will be granted when it is cost-effective to lessen the severity of a malformation such that extensive treatment is not required.

c. Comprehensive orthodontic treatment when prior approval has been received. Approval is limited to members under 21 years of age and will be granted when the member has a severe handicapping malocclusion as defined by the department and when determined to be medically necessary.

78.4(9) *Adjunctive general services.* Payment may be made for the following:

a. Treatment in a hospital. Payment will be approved for dental treatment rendered to a hospitalized member only when the mental, physical, or emotional condition of the member prevents the dentist from providing necessary care in the office.

b. Treatment in a nursing facility. Payment will be approved for dental treatment provided in a nursing facility. When more than one patient is examined during the same nursing home visit, payment will be made by the Medicaid program for only one visit to the nursing home.

c. Office visit. Payment will be approved for an office visit for care of injuries or abnormal conditions of the teeth or supporting structure when treatment procedures or examinations are not billed for that visit.

d. Office calls after hours. Payment will be approved for office calls after office hours in emergency situations. The office call will be paid in addition to treatment procedures.

e. Drugs. Payment will be made for drugs dispensed by a dentist only if there is no licensed retail pharmacy in the community where the dentist's office is located. Payment will not be made for writing prescriptions.

f. Anesthesia. General anesthesia, intravenous sedation, and nonintravenous conscious sedation are payable services when the extensiveness of the procedure indicates it or there is a concomitant disease or impairment that warrants use of anesthesia. Inhalation of nitrous oxide is payable when the age or physical or mental condition of the member necessitates the use of minimal sedation for dental procedures.

g. Occlusal guard. A removable dental appliance to minimize the effects of bruxism and other occlusal factors requires prior approval. Approval will be granted when the documentation supports evidence of significant loss of tooth enamel, tooth chipping, headaches or jaw pain.

78.4(10) *Orthodontic services to members 21 years of age or older.* Orthodontic procedures are not covered for members 21 years of age or older.

78.4(11) *Emergency services.* Payment will be made for emergency services as defined in and pursuant to the requirements set forth in 42 CFR 438.114 as amended to July 1, 2026.

78.4(12) *Prior authorization.* Certain dental services require prior authorization as set forth in this rule. Covered dental service categories requiring prior approval are further defined and outlined in the Iowa Medicaid Dental Services Provider Manual as amended to July 1, 2026.

78.4(13) *Service setting.* When dental services cannot be safely performed in a dental office, they may be provided in a hospital or ambulatory surgical center and reimbursed in accordance with rule 441—78.26(249A).

78.4(14) *Compliance.* Payment requires compliance with Iowa Medicaid policies, clinical criteria, and documentation requirements as specified in the Iowa Medicaid Dental Services Provider Manual as amended to July 1, 2026.

78.4(15) *Annual benefit maximum.*

a. Members 21 years of age or older have an annual benefit maximum of $1,000 per state fiscal year for coverage of dental services set forth in this rule. Payment for services exceeding the $1,000 annual benefit maximum is the responsibility of the member.

b. The following services do not count toward the annual benefit maximum:

(1) Preventive services;

(2) Diagnostic services;

(3) Fabrication of removable dentures and related services;

(4) Anesthesia when provided in conjunction with oral surgery codes approved for payment; or

(5) Emergency services.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.5(249A) Podiatrists. Payment will be approved only for certain podiatric services.

78.5(1) Payment will be approved for the following orthotic appliances and treatment of nail pathologies:

a. Durable plantar foot orthotic.

b. Plaster impressions for foot orthotic.

c. Molded digital orthotic.

d. Shoe padding when appliances are not practical.

e. Custom molded space shoes for rheumatoid arthritis, congenital defects and deformities, neurotropic, diabetic and ischemic intractable ulcerations and deformities due to injuries.

f. Rams horn (hypertrophic) nails.

g. Onychomycosis (mycotic) nails.

78.5(2) Payment will be made for the same scope of podiatric services available through Part B of Title XVIII (Medicare) except as listed below:

a. Treatment of flatfoot. The term "flatfoot" is defined as a condition in which one or more arches have flattened out.

b. Treatment of subluxations of the foot are defined as partial dislocations or displacements of joint surfaces, tendons, ligaments, or muscles of the foot. Surgical or nonsurgical treatments undertaken for the sole purpose of correcting a subluxated structure in the foot as an isolated entity are not covered.

Reasonable and necessary diagnosis of symptomatic conditions that result from or are associated with partial displacement of foot structures is a covered service. Surgical correction in the subluxated foot structure that is an integral part of the treatment of a foot injury or is undertaken to improve the function of the foot or to alleviate an induced or associated symptomatic condition is a covered service.

c. Routine foot care. Routine foot care includes the cutting or removal of corns or calluses, the trimming of nails and other hygienic and preventive maintenance care in the realm of self-care such as cleaning and soaking the feet, the use of skin creams to maintain skin tone of both ambulatory and bedfast patients and any services performed in the absence of localized illness, injury, or symptoms involving the foot.

d. Orthopedic shoes. Payment will not be made for orthopedic shoes or for any device to be worn in or attached to orthopedic shoes or other types of shoes when provided by the podiatrist. Payment will be made to the podiatrist for the examination including tests to establish the need for orthopedic shoes.

78.5(3) Prescriptions are required for drugs and supplies as specified in paragraph 78.1(2)*"c."* Payment will be made for drugs dispensed by a podiatrist only if there is no licensed retail pharmacy in the community where the podiatrist's office is located. If eligible to dispense drugs, the podiatrist should request a copy of the Prescribed Drugs Provider Manual as amended to July 1, 2026, from Iowa Medicaid. Payment will not be made for writing prescriptions.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.6(249A) Optometrists. Payment will be approved for medically necessary services and supplies provided by the optometrist within the scope of practice of optometry and the limitations of state law, subject to the following limitations and exclusions. Covered optometric services include a professional component and materials.

78.6(1) *Payable professional services.* Payable professional services are:

a. Eye examinations. The coverage of eye examinations depends on the purpose of the examination. Services are covered if the examination is the result of a complaint or symptom of an eye disease or injury. Routine eye examinations are covered once in a 12-month period. These services are rendered in the optometrist's office or clinic, the home, a nursing facility, or other appropriate setting. Payment for mileage will be subject to the same approval and payment criteria as those in effect for Medicare Part B. The following levels of service are recognized for optometric examinations:

(1) Intermediate examination. A level of optometric or ophthalmological services pertaining to medical examination and evaluation, with initiation or continuation of a diagnostic and treatment program.

(2) Comprehensive examination. A level of optometric or ophthalmological services pertaining to medical examination and evaluation, with initiation or continuation of a diagnostic and treatment program, and a general evaluation of the complete visual system.

b. Medical services. Payment will be approved for medically necessary services and supplies within the scope of practice of the optometrist, including services rendered in the optometrist's office or clinic, the home, a nursing facility, or other appropriate setting. Payment for mileage will be subject to the same approval and payment criteria as those in effect for Medicare Part B.

c. Auxiliary procedures. The following auxiliary procedures and special tests are payable when performed by an optometrist. Auxiliary procedures and special tests are reimbursed as a separate procedure only when warranted by case history or diagnosis.

(1) Serial tonometry. Single tonometry is part of the intermediate and comprehensive exams and is not payable as a separate procedure as is serial tonometry.

(2) Gonioscopy.

(3) Extended ophthalmoscopy. Routine ophthalmoscopy is part of the intermediate and comprehensive examination and is not payable as a separate procedure. Generally, extended ophthalmoscopy is considered to be part of the comprehensive examination and, if performed in conjunction with that level of service, is not payable as a separate procedure.

(4) Visual fields. Gross visual field testing is part of general optometric services and is not reported separately.

(5) External photography.

(6) Fundus photography.

(7) Retinal integrity evaluation with a three-mirror lens.

d. Single vision and multifocal spectacle lens service, verification and subsequent service. When lenses are necessary, the following enumerated professional and technical optometric services are to be provided:

(1) When spectacle lenses are necessary, the following enumerated professional and technical optometric services are to be provided:

1. Ordering of corrective lenses.
2. Verification of lenses after fabrication.
3. Adjustment and alignment of completed lens order.

(2) New spectacle lenses are subject to the following limitations:

1. Up to three times for children up to one year of age.
2. Up to four times per year for children one through three years of age.
3. Once every 12 months for children four through seven years of age.
4. Once every 24 months after eight years of age when there is a change in the prescription.

(3) Spectacle lenses made from polycarbonate or equivalent material are allowed for:

1. Children through seven years of age.
2. Members with vision in only one eye.
3. Members with a diagnosis-related illness or disability where regular lenses would pose a safety risk.

e. Reserved.

f. Frame service.

(1) When a new frame is necessary, the following enumerated professional and technical optometric services are to be provided:

1. Selection and styling.
2. Sizing and measurements.
3. Fitting and adjustment.
4. Readjustment and servicing.

(2) New frames are subject to the following limitations:

1. One frame every six months is allowed for children through three years of age.
2. One frame every 12 months is allowed for children four through seven years of age.
3. When there is a covered lens change and the new lenses cannot be accommodated by the current frame.

(3) Safety frames are allowed for:

1. Children through seven years of age.
2. Members with a diagnosis-related disability or illness where regular frames would pose a safety risk or result in frequent breakage.

g. Reserved.

h. Repairs or replacement of frames, lenses or component parts. Payment will be made for service in addition to materials. The service fee shall not exceed the dispensing fee for a replacement frame. Payment will be made for replacement of glasses when the original glasses have been lost or damaged beyond repair. Replacement of lost or damaged glasses is limited to one pair of frames and two lenses once every 12 months for adults aged 21 and over, except for people with a mental or physical disability.

i. Contact lenses. Payment will be made for documented keratoconus, aphakia, high myopia, anisometropia, trauma, severe ocular surface disease, irregular astigmatism, for treatment of acute or chronic eye disease, or when the member's vision cannot be adequately corrected with spectacle lenses. Contact lenses are subject to the following limitations:

(1) Up to 16 gas permeable contact lenses are allowed for children up to one year of age.

(2) Up to eight gas permeable contact lenses are allowed every 12 months for children one through three years of age.

(3) Up to six gas permeable contact lenses are allowed every 12 months for children four through seven years of age.

(4) Two gas permeable contact lenses are allowed every 24 months for members eight years of age or older.

(5) Soft contact lenses and replacements are allowed when medically necessary.

78.6(2) *Ophthalmic materials.* Ophthalmic materials that are provided in connection with any of the foregoing professional optometric services shall provide adequate vision as determined by the optometrist and meet the following standards:

a. Corrected curve lenses, unless clinically contraindicated.

b. Standard plastic, plastic and metal combination, or metal frames.

c. Prescription standards according to the American National Standards Institute (ANSI) standards and tolerance as amended to July 1, 2026.

78.6(3) *Reimbursement.* The reimbursement for allowed ophthalmic material is subject to a fee schedule established by the department or to actual laboratory cost as evidenced by an attached invoice. Reimbursement for rose tint is included in the fee for the lenses.

a. Materials payable by fee schedule are:

(1) Spectacle lenses, single vision and multifocal.

(2) Frames.

(3) Case for glasses.

b. Materials payable at actual laboratory cost as evidenced by an attached invoice are:

(1) Contact lenses.

(2) Schroeder shield.

(3) Ptosis crutch.

(4) Safety frames.

(5) Subnormal visual aids.

(6) Photochromatic lenses.

78.6(4) *Prior authorization.* Prior authorization is required for the following:

a. A second lens correction within a 24-month period for members eight years of age and older. Approval will be given when the member's vision has at least a five-tenths diopter of change in sphere or cylinder or ten-degree change in axis in either eye.

b. Visual therapy may be authorized when warranted by case history or diagnosis for a period of time not greater than 90 days. Should continued therapy be warranted, the prior approval process will be reaccomplished, accompanied by a report showing satisfactory progress. Approved diagnoses are convergence insufficiency and amblyopia. Visual therapy is not covered when provided by opticians.

c. Subnormal visual aids where near visual acuity is at or better than 20/100 at 16 inches, 2M print. Prior authorization is not required if near visual acuity as described above is less than 20/100. Subnormal visual aids include but are not limited to hand magnifiers, loupes, telescopic spectacles, or reverse Galilean telescope systems. Payment will be actual laboratory cost as evidenced by an attached invoice.

d. Approval for photochromatic tint will be given when the member has a documented medical condition that causes photosensitivity and less costly alternatives are inadequate.

e. Approval for press-on prisms will be granted for members whose vision cannot be adequately corrected with other covered prisms.

78.6(5) *Noncovered services.* Noncovered services include but are not limited to the following services:

a. Glasses with cosmetic gradient tint lenses or other eyewear for cosmetic purposes.

b. Glasses for occupational eye safety.

c. A second pair of glasses or spare glasses.

d. Cosmetic surgery and experimental medical and surgical procedures.

e. Sunglasses.

f. Progressive bifocal or trifocal lenses.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.7(249A) Opticians. Payment will be approved only for certain services and supplies provided by opticians when prescribed by a physician (MD or DO) or an optometrist. Payment and procedure for obtaining services and supplies are the same as described in rule 441—78.6(249A).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.8(249A) Chiropractors. Payment will be made for the same chiropractic procedures payable under Title XVIII of the Social Security Act (Medicare).

78.8(1) *Covered services.* Chiropractic manipulative therapy (CMT) eligible for reimbursement is specifically limited by Medicaid to the manual manipulation (i.e., by use of the hands) of the spine for the purpose of correcting a subluxation demonstrated by X-ray. Subluxation means an incomplete dislocation, off-centering, misalignment, fixation, or abnormal spacing of the vertebrae.

78.8(2) *Indications and limitations of coverage.*

a. The subluxation must have resulted in a neuromusculoskeletal condition for which CMT is appropriate treatment. The symptoms must be directly related to the subluxation that has been diagnosed. The mere statement or diagnosis of "pain" is not sufficient to support the medical necessity of CMT. CMT must have a direct therapeutic relationship to the patient's condition. No other diagnostic or therapeutic service furnished by a chiropractor is covered under the Medicaid program.

b. The neuromusculoskeletal conditions listed on the department's website indicate whether the conditions require short-, moderate-, or long-term CMT. If the CMT utilization guidelines are exceeded, documentation supporting the medical necessity of additional CMT must be submitted with the Medicaid claim form or the claim will be denied for failure to provide information.

c. CMT is not a covered benefit when:

(1) The maximum therapeutic benefit has been achieved for a given condition.

(2) There is not a reasonable expectation that the continuation of CMT would result in improvement of the patient's condition.

(3) The CMT seeks to prevent disease, promote health and prolong and enhance the quality of life.

78.8(3) *Documenting X-ray.* An X-ray must document the primary regions of subluxation being treated by CMT.

a. The documenting X-ray must be taken at a time reasonably proximate to the initiation of CMT. An X-ray is considered to be reasonably proximate if it was taken no more than 12 months prior to or 3 months following the initiation of CMT. X-rays need not be repeated unless there is a new condition and no payment will be made for subsequent X-rays, absent a new condition, consistent with paragraph 78.8(3)*"c."* No X-ray is required for pregnant women and for children aged 18 and under.

b. The X-ray films shall be labeled with the patient's name and date the X-rays were taken and shall be marked right or left. The X-ray shall be made available to the department or its duly authorized representative when requested. A written and dated X-ray report, including interpretation and diagnosis, shall be present in the patient's clinical record.

c. Chiropractors will be reimbursed for documenting X-rays at the physician fee schedule rate. Payable X-rays will be limited to those Current Procedural Terminology (CPT) procedure codes that are appropriate to determine the presence of a subluxation of the spine. Consistent with CPT, chiropractors may bill the professional, technical, or professional and technical components for X-rays, as appropriate. Payment for documenting X-rays will be further limited to one per condition, consistent with the provisions of paragraph 78.8(3)*"a."* A claim for a documenting X-ray related to the onset of a new condition is only payable if the X-ray is reasonably proximate to the initiation of CMT for the new condition, as defined in paragraph 78.8(3)*"a."* A chiropractor is also authorized to order a documenting X-ray whether or not the chiropractor owns or possesses X-ray equipment in the chiropractor's office. Any X-rays so ordered will be payable to the X-ray provider, consistent with the provisions in this paragraph.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.9(249A) Home health agencies. Payment will be approved for medically necessary home health agency services prescribed by a physician, nurse practitioner, clinical nurse specialist, or PA in a plan of home health care provided by a Medicare-certified home health agency.

1. The number of hours of home health agency services shall be reasonable and appropriate to meet an established medical need of the member that cannot be met by a family member, significant other, friend, or neighbor. Services must be medically necessary in the individual case and be related to a diagnosed medical impairment or disability.

2. The member need not be homebound to be eligible for home health agency services; however, the services provided by a home health agency will only be covered when provided in the member's residence with the following exception. Private duty nursing and personal care services for persons aged 20 and under as described at paragraph 78.9(10)*"a"* may be provided in settings other than the member's residence when medically necessary.

3. Medicaid members of home health agency services need not first require skilled nursing care to be entitled to home health aide services.

4. Further limitations related to specific components of home health agency services are noted in subrules 78.9(3) through 78.9(10).

5. Payment will be made on an encounter basis. An encounter is defined as separately identifiable hours in which home health agency staff provide continuous service to a member.

6. Dressings, durable medical equipment, and other supplies shall be obtained from a durable medical equipment dealer or pharmacy.

7. Payment may be made for restorative and maintenance home health agency services.

8. Payment may be made for teaching, training, and counseling in the provision of health care services.

9. Treatment plans for these services shall additionally reflect: to whom the services are to be provided (patient, family member, etc.); prior teaching training, or counseling provided; medical necessity for the rendered service; identification of specific services and goals; date of onset of the teaching, training, or counseling; frequency of services; progress of member in response to treatment; and estimated length of time these services will be needed.

10. The following are not covered: services provided in the home health agency office, homemaker services, well child care and supervision, and medical equipment rental or purchase.

11. Services shall be authorized by a physician, nurse practitioner, clinical nurse specialist, or PA, evidenced by the physician's, nurse practitioner's, clinical nurse specialist's, or PA's signature and date on a plan of treatment.

78.9(1) *Treatment plan.* A plan of treatment shall be completed prior to the start of care and at a minimum reviewed every 60 days thereafter. There must be a face-to-face encounter between a physician, a nurse practitioner, a clinical nurse specialist, a certified nurse-midwife, or a PA and the Medicaid member no more than 90 days before or 30 days after the start of service. The plan of care shall support the medical necessity and intensity of services to be provided by reflecting the following information:

a. Place of service.
b. Type of service to be rendered and the treatment modalities being used.
c. Frequency of the services.
d. Assistance devices to be used.
e. Date home health services were initiated.
f. Progress of member in response to treatment.
g. Medical supplies to be furnished.
h. Member's medical condition as reflected by the following information, if applicable:
(1) Dates of prior hospitalization.
(2) Dates of prior surgery.
(3) Date last seen by a physician, nurse practitioner, clinical nurse specialist, or PA.
(4) Diagnoses and dates of onset of diagnoses for which treatment is being rendered.
(5) Prognosis.
(6) Functional limitations.
(7) Vital signs reading.
(8) Date of last episode of instability.
(9) Date of last episode of acute recurrence of illness or symptoms.
(10) Medications.
i. Discipline of the person providing the service.
j. Certification period (no more than 60 days).
k. Estimated date of discharge from the hospital or home health agency services, if applicable.

l. Physician's, nurse practitioner's, clinical nurse specialist's, or PA's signature and date. The plan of care must be signed and dated by the physician, nurse practitioner, clinical nurse specialist, or PA before the claim for service is submitted for reimbursement.

78.9(2) *Supervisory visits.* Payment will be made for supervisory visits two times a month when a registered nurse acting in a supervisory capacity provides supervisory visits of services provided by a home health aide under a home health agency plan of treatment or when services are provided by an in-home health care provider under the department's in-home health-related care program as set forth in 441—Chapter 177.

78.9(3) *Skilled nursing services.* Skilled nursing services are services that when performed by a home health agency require a licensed registered nurse or licensed practical nurse to perform. Situations when a service can be safely performed by the member or other nonskilled person who has received the proper training or instruction or when there is no one else to perform the service are not considered a "skilled nursing service." Skilled nursing services shall be available only on an intermittent basis. Intermittent services for skilled nursing services are defined as a medically predictable recurring need requiring a skilled nursing service at least once every 60 days, not to exceed five days per week (except as provided below), with an attempt to have a predictable end. Daily visits (six or seven days per week) that are reasonable and necessary and show an attempt to have a predictable end will be covered for up to three weeks. Coverage of additional daily visits beyond the initial anticipated time frame may be appropriate for a short period of time, based on the medical necessity of service. Medical documentation shall be submitted justifying the need for continued visits, including the physician's, nurse practitioner's, clinical nurse specialist's, or PA's estimate of the length of time that additional visits will be necessary. Daily skilled nursing visits or multiple daily visits for wound care or insulin injections will be covered when ordered by a physician, nurse practitioner, clinical nurse specialist, or a PA and included in the plan of care. Other daily skilled nursing visits that are ordered for an indefinite period of time and designated as daily skilled nursing care do not meet the intermittent definition and will be denied.

a. Skilled nursing services will be evaluated based on the complexity of the service and the condition of the patient.

b. Private duty nursing for persons aged 21 and over is not a covered service. See subrule 78.9(10) for guidelines for private duty nursing for persons aged 20 or under.

78.9(4) *Physical therapy services.* Payment will be made for physical therapy services when the services relate directly to an active written treatment plan, follow a treatment plan established by the physician, nurse practitioner, clinical nurse specialist, or PA after any needed consultation with the qualified physical therapist, are reasonable and necessary to the treatment of the patient's illness or injury, and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in paragraphs 78.19(1)*"a"* and *"b."*

For physical therapy services, the treatment plan shall additionally reflect goals, modalities of treatment, date of onset of conditions being treated, restorative potential, and progress notes.

78.9(5) *Occupational therapy services.* Payment will be made for occupational therapy services when the services relate directly to an active written treatment plan, follow a treatment plan established by the physician, nurse practitioner, clinical nurse specialist, or PA, are reasonable and necessary to the treatment of the patient's illness or injury, and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in paragraphs 78.19(1)*"a"* and *"c."*

For occupational therapy services, the treatment plan shall additionally reflect goals, modalities of treatment, date of onset of conditions being treated, restorative potential, and progress notes.

78.9(6) *Speech therapy services.* Payment will be made for speech therapy services when the services relate directly to an active written treatment plan, follow a treatment plan established by the physician, nurse practitioner, clinical nurse specialist, or PA, are reasonable and necessary to the treatment of the patient's illness or injury, and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in paragraphs 78.19(1)*"a"* and *"d."*

For speech therapy services, the treatment plan shall additionally reflect goals, modalities of treatment, date of onset of conditions being treated, restorative potential, and progress notes.

78.9(7) *Home health aide services.* Payment will be made for unskilled services provided by a home health aide if the following conditions are met:

a. The service as well as the frequency and duration are stated in a written plan of treatment established by a physician, nurse practitioner, clinical nurse specialist, or PA. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment.

b. The member requires personal care services as determined by a registered nurse or other appropriate therapist. The services shall be given under the supervision of a registered nurse, physical, speech, or occupational therapist and the registered nurse or therapist shall assign the aide who will provide the care.

c. Services shall be provided on an intermittent basis. "Intermittent basis" for home health agency services is defined as services that are usually two to three times a week for two to three hours at a time. Services provided for four to seven days per week, not to exceed 28 hours per week, when ordered by a physician, nurse practitioner, clinical nurse specialist, or PA and included in a plan of care will be allowed as intermittent services. Increased services provided when medically necessary due to unusual circumstances on a short-term basis of two to three weeks may also be allowed as intermittent services when the home health agency documents the need for the excessive time required for home health aide services.

(1) Home health aide daily care may be provided for persons employed or attending school whose disabling conditions require the persons to be assisted with morning and evening activities of daily living in order to support their independent living.

(2) Personal care services include the activities of daily living, e.g., helping the member to bathe, get in and out of bed, care for hair and teeth, exercise, and take medications specifically ordered by the physician, but ordinarily self-administered, and retraining the member in necessary self-help skills.

(3) Certain household services may be performed by the aide in order to prevent or postpone the member's institutionalization when the primary need of the member for home health aide services furnished is for personal care. If household services are incidental and do not substantially increase the time spent by the aide in the home, the entire visit is considered a covered service. Domestic or housekeeping services that are not related to patient care are not a covered service if personal care is not rendered during the visit.

(4) For home health aide services, the treatment plan shall additionally reflect the number of hours per visit and the living arrangement of the member, e.g., lives alone or with family.

78.9(8) Reserved.

78.9(9) *Home health agency care for maternity patients and children.* The intent of home health agency services for maternity patients and children is to provide services when the members are unable to receive the care outside of their home and require home health care due to a high-risk factor. Routine prenatal, postpartum, or child health care is a covered service in a physician's office or clinic and, therefore, is not covered by Medicaid when provided by a home health agency.

a. Treatment plans for maternity patients and children shall identify:

(1) The potential risk factors,

(2) The medical factor or symptom that verifies the child is at risk,

(3) The reason the member is unable to obtain care outside of the home,

(4) The medically related task of the home health agency,

(5) The member's diagnosis,

(6) Specific services and goals, and

(7) The medical necessity for the services to be rendered. A single high-risk factor does not provide sufficient documentation of the need for services.

b. The following list of potential high-risk factors may indicate a need for home health services to prenatal maternity patients:

(1) Aged 16 or under.

(2) First pregnancy for a woman aged 35 or over.

(3) Previous history of prenatal complications such as fetal death, eclampsia, C-section delivery, psychosis, or diabetes.

(4) Current prenatal problems such as hypertensive disorders of pregnancy, diabetes, cardiac disease, sickle cell anemia, low hemoglobin, mental illness, or drug or alcohol abuse.

(5) Sociocultural or ethnic problems such as language barriers, lack of family support, insufficient dietary practices, history of child abuse or neglect, or single mother.

(6) Preexisting disabilities such as sensory deficits, or mental or physical disabilities.

(7) Second pregnancy in 12 months.

(8) Death of a close family member or significant other within the previous year.

c. The following list of potential high-risk factors may indicate a need for home health services to postpartum maternity patients:

(1) Aged 16 or under.

(2) First pregnancy for a woman aged 35 or over.

(3) Major postpartum complications such as severe hemorrhage, eclampsia, or C-section delivery.

(4) Preexisting mental or physical disabilities such as deaf, hard of hearing, blind, hemiplegic, activity-limiting disease, sickle cell anemia, uncontrolled hypertension, uncontrolled diabetes, mental illness, or intellectual disability.

(5) Drug or alcohol abuse.

(6) Symptoms of postpartum psychosis.

(7) Special sociocultural or ethnic problems such as lack of job, family problems, single mother, lack of support system, or history of child abuse or neglect.

(8) Demonstrated disturbance in maternal and infant bonding.

(9) Discharge or release from hospital against medical advice before 36 hours postpartum.

(10) Insufficient antepartum care by history.

(11) Multiple births.

(12) Nonhospital delivery.

d. The following list of potential high-risk factors may indicate a need for home health services to infants:

(1) Birth weight of five pounds or under or over ten pounds.

(2) History of severe respiratory distress.

(3) Major congenital anomalies such as neonatal complications which necessitate planning for long-term follow-up such as postsurgical care, poor prognosis, home stimulation activities, or periodic development evaluation.

(4) Disabling birth injuries.

(5) Extended hospitalization and separation from other family members.

(6) Genetic disorders, such as Down syndrome, and phenylketonuria or other metabolic conditions that may lead to intellectual disability.

(7) Noted parental rejection or indifference toward baby such as never visiting or calling the hospital about the baby's condition during the infant's extended stay.

(8) Family sociocultural or ethnic problems such as low education level or lack of knowledge of child care.

(9) Discharge or release against medical advice before 36 hours of age.

(10) Nutrition or feeding problems.

e. The following list of potential high-risk factors may indicate a need for home health services to preschool or school-age children:

(1) Child or sibling victim of child abuse or neglect.

(2) Intellectual disability or other physical disabilities necessitating long-term follow-up or major readjustments in family lifestyle.

(3) Failure to complete the basic series of immunizations by 18 months, or boosters by 6 years.

(4) Chronic illness such as asthma, cardiac, respiratory or renal disease, diabetes, cystic fibrosis, or muscular dystrophy.

(5) Malignancies such as leukemia or carcinoma.

(6) Severe injuries necessitating treatment or rehabilitation.

(7) Disruption in family or peer relationships.

(8) Suspected developmental delay.

(9) Nutritional deficiencies.

78.9(10) *Private duty nursing or personal care services for persons aged 20 and under.* Payment for private duty nursing or personal care services for persons aged 20 and under will be approved if determined to be medically necessary. Payment will be made on an hourly unit of service.

a. Definitions.

(1) Private duty nursing services are those services that are provided by a registered nurse or a licensed practical nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, ICFs/ID, or hospitals.

1. Services shall be provided according to a written plan of care authorized by a licensed physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment. These services shall exceed intermittent guidelines as defined in subrule 78.9(3). Private duty nursing and personal care services shall be inclusive of all home health agency services personally provided to the member. Enhanced payment under the interim fee schedule will be made available for services to children who are technology dependent, i.e., ventilator dependent or whose medical condition is so unstable as to otherwise require intensive care in a hospital.

2. Private duty nursing or personal care services do not include:

- Respite care, which is a temporary intermission or period of rest for the caregiver.
- Nurse supervision services including chart review, case discussion or scheduling by a registered nurse.
- Services provided to other persons in the member's household.
- Services requiring prior authorization that are provided without regard to the prior authorization process.
- Transportation services.
- Homework assistance.

(2) Personal care services are those services provided by a home health aide or certified nurse's aide and which are delegated and supervised by a registered nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, ICFs/ID, or hospitals. Payment for personal care services for persons aged 20 and under that exceed intermittent guidelines may be approved if determined to be medically necessary as defined in subrule 78.9(7). These services shall be in accordance with the member's plan of care and authorized by a physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment.

Medical necessity means the service is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent the worsening of conditions that endanger life, cause pain, result in illness or infirmity, threaten to cause or aggravate a disability or chronic illness, and no other equally effective course of treatment is available or suitable for the member requesting a service.

b. Requirements.

(1) Private duty nursing or personal care services shall be ordered in writing by a physician as evidenced by the physician's signature on the plan of care.

(2) Private duty nursing or personal care services will be authorized by the department or the department's designated review agent prior to payment.

(3) Prior authorization shall be requested at the time of initial submission of the plan of care or at any time the plan of care is substantially amended and shall be renewed with the department or the department's designated review agent. Initial request for and request for renewal of prior authorization shall be submitted to the department's designated review agent. The provider of the service is responsible for requesting prior authorization and for obtaining renewal of prior authorization.

The request for prior authorization shall include a nursing assessment, the plan of care, and supporting documentation. The request for prior authorization shall include all items previously identified as required treatment plan information and shall further include: any planned surgical interventions and projected time frame; information regarding caregiver's desire to become involved in the member's care, to adhere to program objectives, to work toward treatment plan goals, and to work toward maximum independence; and identify the types and service delivery levels of all other services to the member whether or not the services are reimbursable by Medicaid. Providers shall indicate the expected number of private duty nursing RN hours, private duty nursing LPN hours, or home health aide hours per day, the number of days per week, and the number of weeks or months of service per discipline. If the member is currently hospitalized, the projected date of discharge shall be included.

Prior authorization approvals will not be granted for treatment plans that exceed 16 hours of home health agency services per day.

78.9(11) *Vaccines.* In order to be paid for the administration of a vaccine covered under the VFC program, a home health agency must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.10(249A) Durable medical equipment (DME), prosthetic devices and medical supplies.

78.10(1) *General payment requirements.* Payment will be made for items of DME, prosthetic devices and medical supplies, subject to the following general requirements and the requirements of subrule 78.10(2), 78.10(3), or 78.10(4), as applicable:

a. DME, prosthetic devices, and medical supplies must be required by the member because of the member's medical condition.

b. The item shall be necessary and reasonable either for the treatment of an illness or injury, or to improve the functioning of a malformed body part. Determination will be made by Iowa Medicaid.

(1) An item is necessary when it can be expected to make a meaningful contribution to the treatment of a specific illness or injury or to the improvement in function of a malformed body part.

(2) Although an item may be necessary, it must also be a reasonable expenditure for the Medicaid program. The following considerations enter into the determination of reasonableness: Whether the expense of the item to the program would be clearly disproportionate to the therapeutic benefits which could ordinarily be derived from use of the item; whether the item would be substantially more costly than a medically appropriate and realistically feasible alternative pattern of care; and whether the item serves essentially the same purpose as an item already available to the beneficiary.

c. A physician's (doctor of medicine, osteopathy, or podiatry), PA's, or ARNP's prescription is required to establish medical necessity. The prescription shall state the member's name, diagnosis, prognosis, item(s) to be dispensed, quantity, and length of time the item is to be required and shall include the signature of the prescriber and the date of signature.

For items requiring prior authorization, a request shall include a physician's, PA's, or ARNP's written order or prescription and sufficient medical documentation to permit an independent conclusion that the requirements for the equipment or device are met and the item is medically necessary and reasonable. A request for prior authorization is made using an Outpatient Prior Authorization Request form. See rule 441—78.28(249A) for prior authorization requirements.

d. Nonmedical items will not be covered. These include but are not limited to:

(1) Physical fitness equipment, e.g., an exercycle, weights.

(2) First-aid or precautionary-type equipment, e.g., preset portable oxygen units.

(3) Self-help devices, e.g., safety grab bars, raised toilet seats.

(4) Training equipment, e.g., speech teaching machines, braille training texts.

(5) Equipment used for environmental control or to enhance the environmental setting, e.g., room heaters, air conditioners, humidifiers, dehumidifiers, and electric air cleaners.

(6) Equipment that basically serves comfort or convenience functions or is primarily for the convenience of a person caring for the member, e.g., elevators, stairway elevators and posture chairs.

e. The amount payable is based on the least expensive item that meets the member's medical needs. Payment will not be approved for items that serve duplicate functions. EXCEPTION: A second ventilator, with approved medical necessity.

f. Consideration will be given to rental or purchase based on the price of the item and the length of time it would be required. The decision on rental or purchase will be made by Iowa Medicaid and be based on the most reasonable method to provide the equipment.

(1) The provider shall monitor rental payments up to 100 percent of the purchase price. At the point that total rent paid equals 100 percent of the purchase allowance, the member will be considered to own the item and no further rental payments will be made to the provider.

(2) Payment may be made for the purchase of an item even though rental payments may have been made for prior months. The rental of the equipment may be necessary for a period of time to establish that it will meet the identified need before the purchase of the equipment. When a decision is made to purchase after renting an item, all rental payments will be applied to the purchase allowance.

(3) EXCEPTION: Ventilators and oxygen systems shall be maintained on a rental basis for the duration of use.

(4) A deposit shall not be charged by a provider to a Medicaid member or any other person on behalf of a Medicaid member for rental of medical equipment.

g. Payment may be made for necessary repair, maintenance, and supplies for member-owned equipment. No payment may be made for repairs, maintenance, or supplies when the member is renting the item.

h. Replacement of member-owned equipment is covered in cases of loss or irreparable damage or when required because of a change in the member's condition.

i. No allowance will be made for delivery, freight, postage, or other provider operating expenses for DME, prosthetic devices or medical supplies.

j. Reimbursement over the established fee schedule amount is allowed when prior authorization has been obtained. See 78.10(5) for prior authorization requirements.

78.10(2) *Durable medical equipment.* DME is equipment that can withstand repeated use, is primarily and customarily used to serve a medical purpose, is generally not useful to a person in the absence of an illness or injury, and is appropriate for use in the home.

a. DME in a hospital, nursing facility, or ICF/ID is not separately payable.

EXCEPTIONS:

(1) Oxygen services in a nursing facility or an ICF/ID when all of the following requirements and conditions have been met:

1. Medical documentation or a reasonable facsimile is completed by a physician, PA, or ARNP and qualifies the member in accordance with Medicare criteria.
2. Additional documentation shows that the member requires oxygen for 12 hours or more per day for at least 30 days.
3. Oxygen logs must be maintained by the provider. The time between any reading shall not exceed more than 45 days. The documentation maintained in the provider record must contain the following:
   - The initial, periodic and ending reading on the time meter clock on each oxygen system, and
   - The dates of each initial, periodic and ending reading, and
   - Evidence of ongoing need for oxygen services.
4. The maximum Medicaid payment will be based on the least costly method of oxygen delivery.
5. Oxygen prescribed "PRN" or "as necessary" is not payable.
6. Medicaid payment will be made for the rental of equipment only. All accessories and disposable supplies related to the oxygen delivery system and costs for servicing and repair of equipment are included in the Medicaid payment and shall not be separately payable.
7. Payment is not allowed for oxygen services that are not documented according to the department of inspections, appeals, and licensing requirements in 481—Chapter 58.

(2) Speech generating devices with approved medical necessity.

(3) Wheelchairs for members in an ICF/ID.

b. The types of DME covered through the Medicaid program include but are not limited to:

Automated medication dispenser.
Bathtub/shower chair, bench. See subrule 78.10(5) for prior authorization requirements.
Commode, shower commode chair. See subrule 78.10(5) for prior authorization requirements.
Decubitus equipment.
Dialysis equipment.
Diaphragm (contraceptive device).
Enclosed bed. See subrule 78.10(5) for prior authorization requirements.
Enuresis alarm system (bed-wetting alarm device) for members five years of age or older.
Heat/cold application device.
Hospital bed and accessories.
Inhalation equipment. See subrule 78.10(5) for prior authorization requirements.
Insulin infusion pump. See subrule 78.10(5) for prior authorization requirements.
Lymphedema pump.
Mobility device and accessories. See subrule 78.10(5) for prior authorization requirements.
Neuromuscular stimulator.
Oximeter.
Oxygen, subject to the limitations in paragraphs 78.10(2)*"a"* and *"c."*
Patient lift. See subrule 78.10(5) for prior authorization requirements.
Phototherapy bilirubin light.
Protective helmet.
Seat lift chair.
Speech generating device. See subrule 78.10(5) for prior authorization requirements.
Traction equipment.
Ventilator.

c. Coverage of home oxygen equipment and oxygen will be considered reasonable and necessary for members in accordance with Medicare criteria and as shown by supporting medical documentation. The physician, PA, or ARNP shall document that other forms of treatment are contraindicated or have been tried and have not been successful and that oxygen therapy is required. EXCEPTION: Home oxygen equipment and oxygen are covered for children through three years of age when prescribed by a physician, PA, or ARNP. A pulse oximeter reading must be obtained yearly and documented in the provider and physician record.

(1) To identify the medical necessity for oxygen therapy, medical documentation, or a reasonable facsimile completed by a physician, PA, or ARNP shall qualify the member in accordance with Medicare criteria.

(2) If the member's condition or need for oxygen services changes, the attending physician, PA, or ARNP must adjust the documentation accordingly.

(3) A second oxygen system is not covered by Medicaid when used as a backup for oxygen concentrators or as a standby in case of emergency. Members may be provided with a portable oxygen system to complement a stationary oxygen system, or to be used by itself, with documentation from the physician, PA, or ARNP of the specific activities for which portable oxygen is medically necessary.

(4) Payment for oxygen systems will be made only on a rental basis for the duration of use.

(5) All accessories, disposable supplies, servicing, and repairing of oxygen systems are included in the monthly Medicaid payment for oxygen systems.

(6) Oxygen prescribed "PRN" or "as necessary" is not allowed.

d. Wheelchairs, wheelchair accessories, and wheelchair modifications are covered when they are medically necessary for mobility within the home, nursing facility, or intermediate care facility. Wheelchairs are defined as:

(1) Standard manual wheelchairs. Coverage of a standard manual wheelchair includes the following:

1. Complete set of tires/wheels and casters, any type;
2. Hand rims with or without projections;
3. Weight-specific components required by the patient-weight capacity of the wheelchair;
4. Elevating legrest, lower extension tube and upper hanger bracket;

5. Armrest (detachable, non-adjustable or adjustable) with or without arm pad;
6. Footrest (swingaway, detachable), including lower extension tube(s) and upper hanger bracket;
7. Standard size footplates;
8. Wheelchair bearings;
9. Caster fork, replacement only; and
10. All labor charges involved in the assembly of the wheelchair (including but not limited to front caster assembly, rear wheel assembly, ratchet assembly, wheel lock assembly, footrest assembly).

(2) Standard manual wheelchair accessories that are separately billable and require prior authorization include the following:

1. Headrest extensions;
2. One-arm drive attachments;
3. Positioning accessories;
4. Specialized skin protection seat and back cushions; and
5. Anti-rollback devices.

(3) Standard power wheelchair. Coverage of a standard power wheelchair requires prior authorization and includes the following:

1. Lap belt or safety belt;
2. Battery charger, single mode;
3. Complete set of tires/wheels and casters, any type;
4. Legrests (fixed, swingaway, or detachable non-elevation legrests with or without calf pad);
5. Footrests/foot platform (fixed, swingaway, detachable footrests or a foot platform without angle adjustment, single adjustable footplate);
6. Armrests (fixed, swingaway, detachable non-adjustable height armrests with arm pad provided);
7. Any weight-specific components (braces, bars, upholstery, brackets, motors, gears, etc.) as required by patient-weight capacity of the wheelchair;
8. Any seat width and depth. For power wheelchairs with a sling/solid seat/back, the following may be billed separately:
   - For standard duty, seat width and/or depth greater than 20 inches;
   - For heavy duty, seat width and/or depth greater than 22 inches;
   - For very heavy duty, seat width and/or depth greater than 24 inches;
   - EXCEPTION: For extra heavy duty, there is no separate billing;
9. Any back width. For power wheelchairs with a sling/solid seat/back, the following may be billed separately:
   - For standard duty, seat width and/or depth greater than 20 inches;
   - For heavy duty, seat width and/or depth greater than 22 inches;
   - For very heavy duty, seat width and/or depth greater than 24 inches;
   - EXCEPTION: For extra heavy duty, there is no separate billing;
10. Non-expandable controller or standard proportional joystick (integrated or remote); and
11. All labor charges involved in the assembly of the wheelchair (including but not limited to front caster assembly, rear wheel assembly, ratchet assembly, wheel lock assembly, footrest assembly).

(4) Standard power wheelchair accessories that are billed separately and require a prior authorization include the following:

1. Shoulder harness/straps or chest straps/vest;
2. Elevating legrest;
3. Angle adjustable footplates;
4. Adjustable height armrests; and
5. Expandable controller or nonstandard joystick (i.e., non-proportional or mini, compact or short throw proportional, or other alternative control device).

(5) Customized items are payable with a prior authorization, in accordance with 42 CFR 414.224 as amended to July 1, 2026.

78.10(3) *Prosthetic devices.* Prosthetic devices mean replacement, corrective, or supportive devices prescribed by a physician (doctor of medicine, osteopathy or podiatry), PA, or ARNP within the scope of

practice as defined by state law to artificially replace a missing portion of the body, prevent or correct a physical deformity or malfunction, or support a weak or deformed portion of the body. This does not require a determination that there is no possibility that the member's condition may improve sometime in the future.

a. Prosthetic devices are not covered when dispensed to a member prior to the time the member undergoes a procedure which will make necessary the use of the device.

b. The types of prosthetic devices covered through the Medicaid program include but are not limited to:

(1) Artificial eyes.

(2) Artificial limbs.

(3) Enteral delivery supplies and products. See subrule 78.10(5) for prior authorization requirements.

(4) Hearing aids. See rule 441—78.14(249A).

(5) Orthotic devices. See paragraph 78.10(3)*"c"* for limitations on coverage of cranial orthotic devices.

(6) Ostomy appliances.

(7) Parenteral delivery supplies and products. Daily parenteral nutrition therapy is considered necessary and reasonable for a member with severe pathology of the alimentary tract that does not allow absorption of sufficient nutrients to maintain weight and strength commensurate with the member's general condition.

(8) Prosthetic shoes, orthopedic shoes. See rule 441—78.15(249A).

(9) Tracheotomy tubes.

(10) Vibrotactile aids. Vibrotactile aids are payable only once in a four-year period unless the original aid is broken beyond repair or lost.

c. Cranial orthotic device. Payment will be approved for cranial orthotic devices when the device is medically necessary for the postsurgical treatment of synostotic plagiocephaly. Payment shall also be approved when there is documentation supporting moderate to severe nonsynostotic positional plagiocephaly and meets minimum medical necessity requirements.

78.10(4) *Medical supplies.* Medical supplies are nondurable items consumed in the process of giving medical care, for example, nebulizers, gauze, bandages, sterile pads, adhesive tape, and sterile absorbent cotton. Medical supplies are payable for a specific medicinal purpose. This does not include food or drugs. However, active pharmaceutical ingredients and excipients that are identified as preferred on the preferred drug list published by the department pursuant to Iowa Code section 249A.20A are covered. Medical supplies shall not be dispensed at any one time in quantities exceeding a 31-day supply for active pharmaceutical ingredients and excipients or a three-month supply for all other items. After the initial dispensing of medical supplies, the provider must document a refill request from the Medicaid member or the member's caregiver for each refill.

a. The types of medical supplies and supplies necessary for the effective use of a payable item covered through the Medicaid program include but are not limited to:

Active pharmaceutical ingredients and excipients identified as preferred on the preferred drug list published pursuant to Iowa Code section 249A.20A.

Catheter (indwelling Foley).

Colostomy and ileostomy appliances.

Colostomy and ileostomy care dressings, liquid adhesive, and adhesive tape.

Diabetic supplies (including but not limited to blood glucose test strips, lancing devices, lancets, needles, syringes, and diabetic urine test supplies). See subrule 78.10(5) for prior authorization requirements.

Dialysis supplies.

Disposable catheterization trays or sets (sterile).

Disposable irrigation trays or sets (sterile).

Disposable saline enemas (e.g., sodium phosphate type).

Dressings.

Elastic antiembolism support stocking.

Enema.
Hearing aid batteries.
Incontinence products (for members three years of age and older).
Oral nutritional products. See subrule 78.10(5) for prior authorization requirements.
Ostomy appliances and supplies.
Respirator supplies.
Shoes, diabetic.
Surgical supplies.
Urinary collection supplies.

b. Only the following types of medical supplies will be approved for payment for members receiving care in a nursing facility or an ICF/ID when prescribed by the physician, PA, or ARNP:

(1) Catheter (indwelling Foley).

(2) Diabetic supplies (including but not limited to lancing devices, lancets, needles and syringes, blood glucose test strips, and diabetic urine test supplies).

(3) Disposable catheterization trays or sets (sterile).

(4) Disposable irrigation trays or sets (sterile).

(5) Disposable saline enemas (e.g., sodium phosphate type).

(6) Ostomy appliances and supplies.

(7) Shoes, diabetic.

78.10(5) *Prior authorization requirements.* Prior authorization pursuant to rule 441—79.9(249A) is required for some medical equipment and supplies. Refer to the department's website for a list of items that require a prior authorization.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26; Editorial change: IAC Supplement 9/2/26]

441—78.11(249A) Ambulance service. Payment will be approved for ambulance service if it is required by the recipient's condition and the recipient is transported to the nearest hospital with appropriate facilities or to one in the same locality, from one hospital to another, to the patient's home, to a nursing facility, or to a mental health access center. Payment for ambulance service to the nearest hospital for outpatient service will be approved only for emergency treatment. Ambulance service must be medically necessary and not merely for the convenience of the patient.

78.11(1) Partial payment may be made when an individual is transported beyond the destinations specified, and is limited to the amount that would have been paid had the individual been transported to the nearest institution with appropriate facilities. When transportation is to the patient's home, partial payment is limited to the amount that would have been paid from the nearest institution with appropriate facilities. When a recipient who is a resident of a nursing care facility is hospitalized and later discharged from the hospital, payment will be made for the trip to the nursing care facility where the recipient resides even though it may not in fact be the nearest nursing care facility.

78.11(2) Iowa Medicaid will determine that the ambulance transportation was medically necessary and that the condition of the patient precluded any other method of transportation. Payment can be made without the physician's confirmation when:

a. The individual is admitted as a hospital inpatient or is in an emergency situation.

b. Previous information on file relating to the patient's condition clearly indicates ambulance service was necessary.

78.11(3) When a patient is transferred from one nursing home to another because of the closing of a facility or from a nursing home to a custodial home because the recipient no longer requires nursing care, the conditions of medical necessity and the distance requirements will not be applicable. Approval for transfer will be made by the department prior to the transfer. When such a transfer is made, the following rate schedule will apply:

One patient - normal allowance
Two patients - 3/4 normal allowance per patient
Three patients - 2/3 normal allowance per patient
Four patients - 5/8 normal allowance per patient

78.11(4) Transportation of hospital inpatients. When an ambulance service provides transport of a hospital inpatient to a provider and returns the recipient to the same hospital (the recipient continuing to be an inpatient of the hospital), the ambulance service shall bill the hospital for reimbursement as the hospital's DRG reimbursement system includes all costs associated with providing inpatient services as stated in 441—paragraph 79.1(5)*"j."*

78.11(5) In the event that more than one ambulance service is called to provide ground ambulance transport, payment will be made only to one ambulance company. When a paramedic from one ambulance service joins a ground ambulance company already in transport, coverage is not available for the services and supplies provided by the paramedic.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.12(249A) Behavioral health intervention. Payment will be made for behavioral health intervention services not otherwise covered under this chapter that are designed to minimize or, if possible, eliminate the symptoms or causes of a mental disorder, subject to the limitations in this rule.

78.12(1) *Definitions.*

"Behavioral health intervention" means skill-building services that focus on:

1. Addressing the mental and functional disabilities that negatively affect a member's integration and stability in the community and quality of life;
2. Improving a member's health and well-being related to the member's mental disorder by reducing or managing the symptoms or behaviors that prevent the member from functioning at the member's best possible functional level; and
3. Promoting a member's mental health recovery and resilience through increasing the member's ability to manage symptoms.

"Licensed practitioner of the healing arts" or *"LPHA,"* as used in this rule, means a practitioner such as a physician (M.D. or D.O.), a PA, an ARNP, a psychologist, a social worker (LMSW or LISW), a marital and family therapist (LMFT), or a mental health counselor (LMHC) who is licensed by the applicable state authority for that profession.

"Managed care organization" means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of "health maintenance organization" as defined in Iowa Code section 514B.1.

"Mental disorder" means a disorder, dysfunction, or dysphoria diagnosed pursuant to the Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association as amended to July 1, 2026, excluding intellectual disabilities, personality disorders, medication-induced movement disorders and other adverse effects of medication, and other conditions that may be a focus of clinical attention.

78.12(2) *Covered services.*

a. Service setting.

(1) Community-based behavioral health intervention is available to a member living in a community-based environment. Services have a primary goal of assisting the member and the member's family to learn age-appropriate skills to manage behavior and regain or retain self-control. Depending on the member's age and diagnosis, specific services offered may include:

1. Behavior intervention,
2. Crisis intervention,
3. Skill training and development, and
4. Family training.

(2) Residential behavioral health intervention is available to members eligible for foster group care payment pursuant to 441—subrule 156.20(1). Services have the primary goal of assisting the member to prepare to transition to the community through learning age-appropriate skills to manage behavior and regain or retain self-control. Specific services offered include:

1. Behavior intervention,
2. Crisis intervention, and
3. Family training.

(3) Behavioral health intervention is not covered for members who are in an acute care or psychiatric hospital, a long-term care facility, or a psychiatric medical institution for children.

b. Crisis intervention. Crisis intervention services shall provide a focused intervention and rapid stabilization of acute symptoms of mental illness or emotional distress. The intervention shall be designed to de-escalate situations in which a risk to self, others, or property exists.

(1) Services shall assist a member to regain self-control and reestablish effective management of behavioral symptoms associated with a psychological disorder in an age-appropriate manner.

(2) Crisis intervention is covered only for Medicaid members who are aged 20 or under and shall be provided as outlined in a written treatment plan.

(3) Crisis intervention services do not include control room or other restraint activities.

c. Behavior intervention. Behavior intervention includes services designed to modify the psychological, behavioral, emotional, cognitive, and social factors affecting a member's functioning.

(1) Interventions may address the following skills for effective functioning with family, peers, and community in an age-appropriate manner:

1. Cognitive flexibility skills,
2. Communication skills,
3. Conflict resolution skills,
4. Emotional regulation skills,
5. Executive skills,
6. Interpersonal relationship skills,
7. Problem-solving skills, and
8. Social skills.

(2) Behavior intervention shall be provided in a location appropriate for skill identification, teaching and development. Intervention may be provided in an individual, family, or group format as appropriate to meet the member's needs.

(3) Behavior intervention is covered only for Medicaid members aged 20 or under.

(4) Covered services include only direct teaching or development of skills and not general recreation, non-skill-based activities, mentoring, or interruption of school.

d. Family training. Family training is covered only for Medicaid members aged 20 or under.

(1) Family training services shall:

1. Enhance the family's ability to effectively interact with the child and support the child's functioning in the home and community, and
2. Teach parents to identify and implement strategies to reduce target behaviors and reinforce the appropriate skills.

(2) Training provided must:

1. Be for the direct benefit of the member, and
2. Be based on a curriculum with a training manual.

e. Skill training and development. Skill training and development services are covered for Medicaid members aged 18 or over.

(1) Skill training and development shall consist of interventions to:

1. Enhance a member's independent living, social, and communication skills;
2. Minimize or eliminate psychological barriers to a member's ability to effectively manage symptoms associated with a psychological disorder; and
3. Maximize a member's ability to live and participate in the community.

(2) Interventions may include training in the following skills for effective functioning with family, peers, and community:

1. Communication skills,
2. Conflict resolution skills,
3. Daily living skills,
4. Employment-related skills,
5. Interpersonal relationship skills,
6. Problem-solving skills, and

7. Social skills.

78.12(3) *Excluded services.*

a. Services that are habilitative in nature are not covered as behavioral health interventions. For purposes of this subrule, "habilitative services" means services that are designed to assist individuals in acquiring skills that they never had, as well as associated training to acquire self-help, socialization, and adaptive skills necessary to reside successfully in a home or community setting.

b. Respite, day care, education, and recreation services are not covered as behavioral health interventions.

78.12(4) *Coverage requirements.* Medicaid covers behavioral health intervention only when the following conditions are met:

a. A licensed practitioner of the healing arts acting within the practitioner's scope of practice under state law has diagnosed the member with a psychological disorder.

b. The licensed practitioner of the healing arts has recommended the behavioral health intervention as part of a plan of treatment designed to treat the member's psychological disorder. The plan of treatment shall be comprehensive in nature and shall detail all behavioral health services that the member may require, not only services included under behavioral health intervention.

(1) The member's need for services must meet specific individual goals that are focused to address:

1. Risk of harm to self or others,
2. Behavioral support in the community,
3. Specific skills impaired due to the member's mental illness, and
4. Needs of children at risk of out-of-home placement due to mental health needs or the transition back to the community or home following an out-of-home placement.

(2) Diagnosis and treatment plan development are covered services.

c. For a member under the age of 21, the licensed practitioner of the healing arts:

(1) Has, in cooperation with the managed care contractor, selected a standardized assessment instrument appropriate for baseline measurement of the member's current skill level in managing mental health needs;

(2) Has completed an initial formal assessment of the member using the instrument selected; and

(3) Completes a formal assessment every six months thereafter if continued services are ordered.

d. The behavioral health intervention provider has prepared a written services implementation plan that meets the requirements of subrule 78.12(5).

78.12(5) *Approval of plan.* The behavioral health intervention provider shall contact the member's managed care plan for authorization of the services.

a. Initial plan. The initial services implementation plan must meet all of the following criteria:

(1) The plan conforms to the medical necessity requirements in subrule 78.12(6);

(2) The plan is consistent with the written diagnosis and treatment recommendations made by the licensed practitioner of the healing arts;

(3) The plan is sufficient in amount, duration, and scope to reasonably achieve its purpose;

(4) The provider meets the requirements of rule 441—77.13(249A); and

(5) The plan does not exceed six months' duration.

b. Subsequent plans. The member's managed care plan may approve a subsequent services implementation plan according to the conditions in paragraph 78.12(5)*"a"* if the services are recommended by a licensed practitioner of the healing arts who has:

(1) Reexamined the member;

(2) Reviewed the original diagnosis and treatment plan; and

(3) Evaluated the member's progress, including a formal assessment as required by subparagraph 78.12(4)*"c"*(3).

78.12(6) *Medical necessity.* Nothing in this rule shall be deemed to exempt coverage of behavioral health intervention from the requirement that services be medically necessary. For purposes of behavioral health intervention, "medically necessary" means that the service is:

a. Consistent with the diagnosis and treatment of the member's condition and specific to a daily impairment caused by a mental disorder;

b. Required to meet the medical needs of the member and is needed for reasons other than the convenience of the member or the member's caregiver;

c. The least costly type of service that can reasonably meet the medical needs of the member; and

d. In accordance with the standards of evidence-based medical practice. The standards of practice for each field of medical and remedial care covered by the Iowa Medicaid program are those standards of practice identified by:

(1) Knowledgeable Iowa clinicians practicing or teaching in the field; and

(2) The professional literature regarding evidence-based practices in the field.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.13(249A) Nonemergency medical transportation. The department makes available nonemergency medical transportation through a transportation brokerage. Medicaid members who are eligible for full Medicaid benefits and need transportation services so they can receive Medicaid-covered services from providers enrolled with the Iowa Medicaid program may obtain transportation services consistent with this rule.

78.13(1) *Covered services.* Nonemergency medical transportation services available are limited to:

a. The most economical transportation appropriate to the needs of the member, provided to members eligible for nonemergency transportation when those members need transportation to providers enrolled in the Iowa Medicaid program for the receipt of goods or services covered by the Iowa Medicaid program. Consistent with the member's needs and subject to the limitations and restrictions set forth in this rule, subject to the advance approval of the broker, such transportation may include:

(1) Mileage reimbursement to the member, if the member is the driver.

(2) Mileage reimbursement to a volunteer or other responsible person, if the volunteer or other responsible person is the driver.

(3) Taxi service.

(4) Public transportation when public transportation is reasonably available and the member's condition does not preclude its use.

(5) Wheelchair and stretcher vans.

(6) Airfare costs when the most appropriate mode of transport is by air, based on the member's medical condition.

b. Reimbursement for costs of the member's meals necessary during periods of transportation and medical treatment.

c. Reimbursement of lodging expenses incurred by the member during periods of transportation and medical treatment.

d. Reimbursement of car rental costs incurred by the member during periods of transportation and medical treatment.

e. Reimbursement of a medically necessary escort's travel expenses when an escort is required because of the member's needs.

78.13(2) *Exclusions.* Nonemergency medical transportation is not available through the Iowa Medicaid program for:

a. Transportation to obtain services not covered by Iowa Medicaid;

b. Transportation to providers that are not enrolled in Iowa Medicaid;

c. Transportation for members residing in nursing facilities or ICF/ID facilities when such facilities provide the transportation (i.e., within 30 miles, one way, of the facility);

d. Transportation of family members to visit or participate in therapy when the member is hospitalized or institutionalized;

e. Transportation to DME providers when such providers offer a delivery service that can be accessed at no cost to the member, unless the equipment requires a fitting that cannot be provided without transporting the member;

f. Reimbursement to HCBS and Medicaid providers for transportation provided as part of other covered services, such as personal care, home health, and supported community living services;

g. Transportation to a pharmacy that provides a free delivery service, with the exception of new prescription fills that are otherwise not available to the patient in the absence of nonemergency medical transportation services; and

h. Emergency transportation.

78.13(3) *Conditions and limitations on covered services.* Nonemergency medical transportation services are subject to the following limitations and conditions:

a. Member request. When a member needs nonemergency transportation to receive medical care provided by the Iowa Medicaid program, the member must contact the broker with as much advance notice as possible, but not more than 30 days' advance notice.

(1) Generally, members who require a ride from a transportation provider scheduled by the broker must contact the broker at least two business days in advance of the member's appointment to schedule the transportation. For purposes of calculating the two-business-day notice obligation, the advance notice includes the day of the medical appointment but not the day of the telephone call.

(2) If the member's nonemergency transportation need for a ride from a transportation provider scheduled by the broker makes the provision of two business days' notice impossible because of the member's urgent transportation need, the member must provide as much advance notice as is possible before the transportation need so that the broker can appropriately schedule the most economical form of transportation for the member. Urgent transportation needs for a ride from a transportation provider scheduled by the broker are limited to unscheduled episodic situations in which there is no immediate threat to life or limb but which require that the broker schedule transportation with less than two business days' notice. Examples of urgent trips include but are not limited to:

1. Postsurgical or medical follow-up care specified by a health care provider;
2. Unexpected preoperative appointments;
3. Hospital discharges;
4. Appointments for new medical conditions or tests; and
5. Dialysis.

(3) The two-business-day advance notice obligation does not apply when the member requests only mileage reimbursement. To be eligible for mileage reimbursement:

1. The member must notify the broker no later than the day of the trip;
2. The transportation must be provided by a driver with a valid driver's license and insurance coverage on the vehicle at the time of the transport; and
3. The other requirements of rule 441—78.13(249A) must be met.

b. No free transportation alternatives available. Member transportation through the nonemergency medical transportation broker is not available to the member when the member is capable of securing the member's own transportation at no cost to the member (e.g., free-gas voucher programs).

c. No member transportation alternatives available. Members who have their own transportation available to them are required to use their own vehicle and seek mileage reimbursement. For purposes of determining whether or not the member has the member's own transportation that is available to the member, the broker shall take into consideration:

(1) Whether the member owns a vehicle;

(2) Whether a member-owned vehicle is in working mechanical order and is licensed;

(3) Whether the member has a valid driver's license and auto insurance;

(4) Whether the member is unable to drive because of age, physical condition, cognitive impairment, or developmental limitations; and

(5) Whether friends or family are available to transport the member to the member's medical appointment and receive mileage reimbursement.

d. Limitations on reimbursement for meals. Reimbursement for costs of members' meals necessary during periods of transportation and medical treatment is limited to situations in which:

(1) The transportation being provided spans the entire meal period;

(2) The one-way distance to or from the medical appointment is more than 50 miles;

(3) The meal is necessary to satisfy the needs of the member or medically necessary escort; and

(4) The meal reimbursement is limited to the subsistence allowance amounts applicable to state officers and state employees pursuant to rule 11—41.6(8A) and is supported by detailed receipts.

e. Limitations on reimbursement for lodging expenses. Reimbursement of lodging expenses incurred by members during periods of transportation and medical treatment is limited to reasonable reimbursement for expenses incurred by the member or the medically necessary escort, or both, during a nonemergency trip provided by the broker when the one-way distance to or from the medical appointment is more than 50 miles, supported by detailed receipts, and required for treatment.

f. Closest medical provider. Nonemergency medical transportation will only be provided to members to the closest qualified and enrolled Medicaid provider unless:

(1) The difference between the closest qualified and enrolled Medicaid provider and the enrolled provider requested by the member is less than 10 miles one way; or

(2) The additional cost of transportation to the enrolled provider requested by the member is medically justified based on:

1. The member's previous relationship with the requested provider; or
2. The member's prior experience with the requested provider; or
3. The requested provider's special expertise or experience; or
4. A referral requiring the member to be seen by the requested provider.

g. Member scheduling obligations. Members who require a ride will need to schedule medical appointments on days the transportation provider sends a shuttle to facilitate the provision of the most economical nonemergency medical transportation available, subject to reasonable medical exceptions.

h. Abusive behavior. Members who are abusive or inappropriate may be restricted by the department to only receiving mileage reimbursement. Such restricted members will be responsible for finding their own way to their medical appointments.

i. Member claim submission. Members must submit claims and supporting documentation to the broker within 120 days of the date of service. The broker shall deny member claims submitted more than 120 days from the date of service.

78.13(4) *Grievance procedure.* The broker shall establish an internal grievance procedure for members and transportation providers.

a. Members may appeal to the department pursuant to 441—Chapter 2506 as an "aggrieved person."

b. Transportation providers.

(1) Consent for state fair hearing.

1. Transportation providers that are contracted with the broker and are in good standing with the broker may request a state fair hearing only for disputes regarding payment of claims, specifically, disputes concerning the denial of a claim or reduction in payment, and only when acting on behalf of the member.

2. The transportation provider requesting such a state fair hearing must have the prior, express, signed written consent of the member or the member's lawfully appointed guardian in order to request such a hearing. Notwithstanding any contrary provision in 441—Chapter 2506, no state fair hearing will be granted unless the transportation provider submits a document providing such member approval with the request for a state fair hearing.

3. The document must specifically inform the member that protected health information (PHI) may be discussed at the hearing and may be made public in the course of the hearing and subsequent administrative and judicial proceedings. The document must contain language that indicates the knowledge of the potential for PHI to become public and that the member knowingly, voluntarily and intelligently consents to the network provider's bringing the state fair hearing on the member's behalf.

(2) For all transportation provider grievances not addressed by paragraph 78.13(4)*"b,"* the grievance process shall end with binding arbitration, with a designee of Iowa Medicaid as arbitrator.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.14(249A) Hearing aids. Payment will be approved for a hearing aid and examinations subject to the following conditions:

78.14(1) *Physician examination.* The member shall have an examination by a physician to determine that the member has no condition that would contraindicate the use of a hearing aid. This report shall be documented in the patient record. The requirement for a physician evaluation shall be waived for members

18 years of age or older when the member has signed an informed consent statement acknowledging that the member:

a. Has been advised that it may be in the member's best health interest to receive a medical evaluation from a licensed physician before purchase of a hearing aid.

b. Does not wish to receive a medical evaluation prior to purchase of a hearing aid.

78.14(2) *Audiological testings.* A physician or an audiologist shall perform audiological testing as a part of making a determination that a member could benefit from the use of a hearing aid. The department will cover vestibular testing performed by an audiologist only when prescribed by a physician.

78.14(3) *Hearing aid evaluation.* A physician or an audiologist shall perform a hearing aid evaluation to establish if a member could benefit from a hearing aid. When a hearing aid is recommended for a member, the physician or audiologist recommending the hearing aid shall see the member at least one time within 30 days after purchase of the hearing aid to determine that the aid is adequate.

78.14(4) *Hearing aid selection.* A physician or audiologist may recommend a specific brand or model appropriate to the member's condition. When a physician or an audiologist makes a general hearing aid recommendation, a hearing aid dispenser may perform the tests to determine the specific brand or model appropriate to the member's condition.

78.14(5) *Travel.* When a member is unable to travel to the physician or audiologist because of health reasons, the department will make payment for travel to the member's place of residence or other suitable location. The department will make payment to physicians as specified in 78.1(8) and payment to audiologists at the same rate it reimburses state employees for travel.

78.14(6) *Purchase of hearing aid.* The department will pay for the type of hearing aid recommended when purchased from an eligible licensed hearing aid dispenser pursuant to rule 441—77.14(249A). The department will pay for binaural amplification when:

a. A child needs the aid for speech development,

b. The aid is needed for educational or vocational purposes,

c. The aid is for a blind member,

d. The member's hearing loss has caused marked restriction of daily activities and constriction of interests resulting in seriously impaired ability to relate to other people, or

e. Lack of binaural amplification poses a hazard to a member's safety.

78.14(7) *Payment for hearing aids.*

a. Payment for hearing aids will be acquisition cost plus a dispensing fee covering the fitting and service for six months. The department will make payment for routine service after the first six months. Dispensing fees and payment for routine service shall not exceed the fee schedule appropriate to the place of service. Shipping and handling charges are not allowed.

b. Payment for ear mold and batteries will be at the current audiologist's fee schedule.

c. Payment for repairs will be made to the dealer for repairs made by the dealer. Payment for in-house repairs will be made at the current fee schedule. Payment will also be made to the dealer for repairs when the hearing aid is repaired by the manufacturer or manufacturer's depot. Payment for out-of-house repairs will be at the amount shown on the manufacturer's invoice. Payment will be allowed for a service or handling charge when it is necessary for repairs to be performed by the manufacturer or manufacturer's depot and this charge is made to the general public.

d. Prior approval. When prior approval is required, an Examiner Report of Need for a Hearing Aid form shall be submitted along with the forms required by 441—paragraph 79.8(1)*"a."*

(1) Payment for the replacement of a hearing aid less than four years old will require prior approval except when the member is under 21 years of age. The department will approve payment when the original hearing aid is lost or broken beyond repair or there is a significant change in the member's hearing that would require a different hearing aid.

(2) Payment for a hearing aid costing more than $650 will require prior approval. The department will approve payment for either of the following purposes:

1. Educational purposes when the member is participating in primary or secondary education or in a postsecondary academic program leading to a degree and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech

recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

2. Vocational purposes when documentation submitted indicates the necessity, such as varying amounts of background noise in the work environment and a need to converse in order to do the job, and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.15(249A) Orthopedic shoes. Payment will be approved only for depth or custom-molded orthopedic shoes, inserts, and modifications, subject to the following definitions and conditions.

78.15(1) *Definitions.*

"Custom-molded shoe" means a shoe that:

1. Has been constructed over a cast or model of the recipient's foot;
2. Is made of leather or another suitable material of equal quality;
3. Has inserts that can be removed, altered, or replaced according to the recipient's conditions and needs; and
4. Has some form of closure.

"Depth shoe" means a shoe that:

1. Has a full length, heel-to-toe filler that when removed provides a minimum of 3/16 inch of additional depth used to accommodate custom-molded or customized inserts;
2. Is made from leather or another suitable material of equal quality;
3. Has some form of closure; and
4. Is available in full and half sizes with a minimum of three widths, so that the sole is graded to the size and width of the upper portions of the shoe according to the American Standard last sizing schedule as amended to July 1, 2026, or its equivalent.

"Insert" means a foot mold or orthosis constructed of more than one layer of a material that:

1. Is soft enough and firm enough to take and hold an impression during use, and
2. Is molded to the recipient's foot or is made over a model of the foot.

78.15(2) *Prescription.* The recipient shall present to the provider a written prescription by a physician, a podiatrist, a PA, or an ARNP that includes all of the following:

a. The date.
b. The patient's diagnosis.
c. The reason orthopedic shoes are needed.
d. The probable duration of need.
e. A specific description of any required modification of the shoes.

78.15(3) *Diagnosis.* The recipient shall have a diagnosis of an orthopedic, neuromuscular, vascular, or insensate foot condition, supported by applicable codes from the International Classification of Diseases (ICD) as amended to July 1, 2026. A diagnosis of flat feet is not covered.

a. A recipient with diabetes must meet the Medicare criteria for therapeutic depth and custom-molded shoes.

b. Custom-molded shoes are covered only when the recipient has a foot deformity and the provider has documentation of all of the following:

(1) The reasons the recipient cannot be fitted with a depth shoe.
(2) Pain.
(3) Tissue breakdown or a high probability of tissue breakdown.
(4) Any limitation on walking.

78.15(4) *Frequency.* Only two pairs of orthopedic shoes are allowed per recipient in a 12-month period unless documentation of change in size or evidence of excessive wear is submitted. EXCEPTION: School-aged children under the age of 21 may obtain athletic shoes in addition to the two pairs of shoes in a 12-month period.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.16(249A) Community mental health centers. Payment will be approved for all reasonable and necessary services provided by a psychiatrist on the staff of a community mental health center. Payment will be approved for services provided by a clinical psychologist, social worker or psychiatric nurse on the staff of the center, subject to the following conditions:

78.16(1) Payment to a community mental health center will be approved for reasonable and necessary services provided to members by a psychiatrist, psychologist, social worker or psychiatric nurse on the staff of the center under the following conditions:

a. Services must be rendered under the supervision of a board-eligible or board-certified psychiatrist. All services must be performed under the supervision of a board-eligible or board-certified psychiatrist subject to the conditions set forth in 78.16(1)*"b"* with the following exceptions:

(1) Services by staff psychiatrists, or

(2) Services rendered by psychologists meeting the requirements of the National Register of Health Service Providers in Psychology as amended to July 1, 2026, or

(3) Services provided by a staff member listed in this subrule performing the preliminary diagnostic evaluation of a member for voluntary admission to one of the state mental health institutes.

b. Supervisory process.

(1) Each patient shall have an initial evaluation completed that shall include at least one personal evaluation interview with a mental health professional, as defined under Iowa Code section 228.1. If the evaluation interview results indicate a need for an interview with a board-eligible or board-certified psychiatrist, then such referral shall be made. This must be accomplished before submission of the first claim for services rendered to that patient.

(2) Ongoing review and assessment of patients' treatment needs, treatment plans, and the appropriateness of services rendered shall be assured through the peer review process in effect for community mental health centers, as directed by 2002 Iowa Acts, chapter 1120, section 13.

78.16(2) The treatment plans for and services rendered to patients of the center shall be evaluated and revised as necessary and appropriate, consistent with the standards of the peer review process described in subparagraph 78.16(1)*"b"*(1).

78.16(3) The peer review process and related activities, as described under subparagraph 78.16(1)*"b"* (1), are not payable as separate services under the Medicaid program. The center shall maintain the results of and information related to the peer review process, and these records shall be subject to audit by the department or its designees, as necessary and appropriate.

78.16(4) Clinical records of medical assistance patients shall be available to the carrier on request. All these records shall be held confidential.

78.16(5) At the time of application for participation in the program the center will be provided with a form on which to list its professional staff. The center shall report acquisitions or losses of professional staff to the carrier within ten days.

78.16(6) Payment to a community mental health center will be approved for day treatment services for persons aged 21 or over if the center is certified by the department for day treatment services, the services are provided on the premises of the community mental health center or satellite office of the community mental health center, and the services meet the standards outlined herein.

a. Community mental health centers providing day treatment services for persons aged 21 or over shall have available a written narrative providing the following day treatment information:

(1) Documented need for day treatment services for persons aged 21 and over in the area served by the program, including studies, needs assessments, and consultations with other health care professionals.

(2) Goals and objectives of the day treatment program for persons aged 21 and over that meet the day treatment program guidelines noted in 78.16(6)*"b."*

(3) Organization and staffing including how the day treatment program for persons aged 21 and over fits with the rest of the community mental health center, the number of staff, staff credentials, and the staff's relationship to the program, e.g., employee, contractual, or consultant.

(4) Policies and procedures for the program including admission criteria, patient assessment, treatment plan, discharge plan, postdischarge services, and the scope of services provided.

(5) Any accreditations or other types of approvals from national or state organizations.

(6) The physical facility and any equipment to be utilized.

b. Day treatment services for persons aged 21 and over shall be structured, long-term services designed to assist in restoring, maintaining or increasing levels of functioning, minimizing regression, and preventing hospitalization.

(1) Service components include training in independent functioning skills necessary for self-care, emotional stability and psychosocial interactions and training in medication management.

(2) Services are structured with an emphasis on program variation according to individual need.

(3) Services are provided for a period of three to five hours per day, three or four times per week.

c. Payment will be approved for day treatment services provided by or under the general supervision of a mental health professional. When services are provided by an employee or consultant of the community mental health center who is not a mental health professional, the employee or consultant shall be supervised by a mental health professional who gives professional direction and active guidance to the employee or consultant and who retains responsibility for member care. The supervision shall be timely, regular, and documented. The employee or consultant shall meet the following minimum requirements:

(1) Have a bachelor's degree in a human services related field from an accredited college or university; or

(2) Have an Iowa license to practice as a registered nurse with two years of experience in the delivery of nursing or human services.

d. Persons aged 18 through 20 with chronic mental illness as defined by rule 441—24.1(225A) can receive day treatment services under this subrule or subrule 78.16(7).

78.16(7) Payment to a community mental health center will be approved for day treatment services for persons aged 20 or under if the center is certified by the department for day treatment services and the services are provided on the premises of the community mental health center or satellite office of the community mental health center. Exception: Field trips away from the premises are a covered service when the trip is therapeutic and integrated into the day treatment program's description and milieu plan.

Day treatment coverage will be limited to a maximum of 15 hours per week. Day treatment services for persons aged 20 or under shall be outpatient services provided to persons who are not inpatients in a medical institution or residents of a group care facility licensed under 441—Chapter 114.

a. Program documentation. Community mental health centers providing day treatment services for persons aged 20 or under shall have available a written narrative that provides the following day treatment program information:

(1) Documented need for day treatment services for persons aged 20 or under in the area served by the program, including studies, needs assessments, and consultations with other health care professionals.

(2) Goals and objectives of the day treatment program for persons aged 20 or under that meet the guidelines noted in paragraphs *"c"* through *"h"* below.

(3) Organization and staffing including how the day treatment program for persons aged 20 or under fits with the rest of the community mental health center, the number of staff, staff credentials, and the staff's relationship to the program, e.g., employee, contractual, or consultant.

(4) Policies and procedures for the program including admission criteria, patient assessment, treatment plan, discharge plan, postdischarge services, and the scope of services provided.

(5) Any accreditations or other types of approvals from national or state organizations.

(6) The physical facility and any equipment to be utilized.

b. Program standards. Medicaid day treatment program services for persons aged 20 and under shall meet the following standards:

(1) Staffing shall:

1. Be sufficient to deliver program services and provide stable, consistent, and cohesive milieu with a staff-to-patient ratio of no less than one staff for each eight participants. Clinical, professional, and paraprofessional staff may be counted in determining the staff-to-patient ratio. Professional or clinical staff are those staff who are either mental health professionals as defined in rule 441—24.1(225A) or persons employed for the purpose of providing offered services under the supervision of a mental health professional. All other staff (administrative, adjunctive, support, nonclinical, clerical, and consulting staff or professional clinical staff) when engaged in administrative or clerical activities shall not be counted

in determining the staff-to-patient ratio or in defining program staffing patterns. Educational staff may be counted in the staff-to-patient ratio.

2. Reflect how program continuity will be provided.

3. Reflect an interdisciplinary team of professionals and paraprofessionals.

4. Include a designated director who is a mental health professional as defined in rule 441—24.1(225A). The director shall be responsible for direct supervision of the individual treatment plans for participants and the ongoing assessment of program effectiveness.

5. Be provided by or under the general supervision of a mental health professional. When services are provided by an employee or consultant of the community mental health center who is not a mental health professional, the employee or consultant shall be supervised by a mental health professional who gives direct professional direction and active guidance to the employee or consultant and who retains responsibility for member care. The supervision shall be timely, regular and documented. The employee or consultant shall have a bachelor's degree in a human services related field from an accredited college or university or have an Iowa license to practice as a registered nurse with two years of experience in the delivery of nursing or human services. Exception: Other certified or licensed staff, such as certified addiction counselors or certified occupational and recreational therapy assistants, are eligible to provide direct services under the general supervision of a mental health professional, but they shall not be included in the staff-to-patient ratio.

(2) There shall be written policies and procedures addressing the following: admission criteria; patient assessment; patient evaluation; treatment plan; discharge plan; community linkage with other psychiatric, mental health, and human service providers; a process to review the quality of care being provided with a quarterly review of the effectiveness of the clinical program; postdischarge services; and the scope of services provided.

(3) The program shall have hours of operation available for a minimum of three consecutive hours per day, three days or evenings per week.

(4) The length of stay in a day treatment program for persons aged 20 or under shall not exceed 180 treatment days per episode of care, unless the rationale for a longer stay is documented in the patient's case record and treatment plan every 30 calendar days after the first 180 treatment days.

(5) Programming shall meet the individual needs of the patient. A description of services provided for patients shall be documented along with a schedule of when service activities are available including the days and hours of program availability.

(6) There shall be a written plan for accessing emergency services 24 hours a day, seven days a week.

(7) The program shall maintain a community liaison with other psychiatric, mental health, and human service providers. Formal relationships shall exist with hospitals providing inpatient programs to facilitate referral, communication, and discharge planning. Relationships shall also exist with appropriate school districts and educational cooperatives. Relationships with other entities such as physicians, hospitals, private practitioners, halfway houses, the department, juvenile justice system, community support groups, and child advocacy groups are encouraged. The provider's program description will describe how community links will be established and maintained.

(8) Psychotherapeutic treatment services and psychosocial rehabilitation services shall be available. A description of the services shall accompany the application for certification.

(9) The program shall maintain a distinct clinical record for each patient admitted. Documentation, at a minimum, shall include: the specific services rendered, the date and actual time services were rendered, who rendered the services, the setting in which the services were rendered, the amount of time it took to deliver the services, the relationship of the services to the treatment regimen described in the plan of care, and updates describing the patient's progress.

c. Program services. Day treatment services for persons aged 20 or under shall be a time-limited, goal-oriented active treatment program that offers therapeutically intensive, coordinated, structured clinical services within a stable therapeutic milieu. Time-limited means that the patient is not expected to need services indefinitely or lifelong, and that the primary goal of the program is to improve the behavioral functioning or emotional adjustment of the patient in order that the service is no longer necessary. Day treatment services shall be provided within the least restrictive therapeutically appropriate context and shall

be community-based and family focused. The overall expected outcome is clinically adaptive behavior on the part of the patient and the family.

At a minimum, day treatment services will be expected to improve the patient's condition, restore the condition to the level of functioning prior to onset of illness, control symptoms, or establish and maintain a functional level to avoid further deterioration or hospitalization. Services are expected to be age-appropriate forms of psychosocial rehabilitation activities, psychotherapeutic services, social skills training, or training in basic care activities to establish, retain or encourage age-appropriate or developmentally appropriate psychosocial, educational, and emotional adjustment.

Day treatment programs shall use an integrated, comprehensive and complementary schedule of therapeutic activities and shall have the capacity to treat a wide array of clinical conditions.

The following services shall be available as components of the day treatment program. These services are not separately billable to Medicaid, as day treatment reimbursement includes reimbursement for all day treatment components.

(1) Psychotherapeutic treatment services, including individual, group, and family therapy.

(2) Psychosocial rehabilitation services. Active treatment examples include but are not limited to individual and group therapy, medication evaluation and management, expressive therapies, and theme groups such as communication skills, assertiveness training, other forms of community skills training, stress management, chemical dependency counseling, education, and prevention, symptom recognition and reduction, problem solving, relaxation techniques, and victimization (sexual, emotional, or physical abuse issues).

Other program components may be provided, such as personal hygiene, recreation, community awareness, arts and crafts, and social activities designed to improve interpersonal skills and family mental health. Although these other services may be provided, they are not the primary focus of treatment.

(3) Evaluation services to determine need for day treatment prior to program admission. For persons for whom clarification is needed to determine whether day treatment is an appropriate therapy approach, or for persons who do not clearly meet admission criteria, an evaluation service may be performed. Evaluation services shall be individual and family evaluation activities made available to courts, schools, other agencies, and individuals upon request, who assess, plan, and link individuals with appropriate services. This service must be completed by a mental health professional. An evaluation from another source performed within the previous 12 months or sooner if there has not been a change may be substituted. Medicaid will not make separate payment for these services under the day treatment program.

(4) Assessment services. All day treatment patients will receive a formal, comprehensive biopsychosocial assessment of day treatment needs including, if applicable, a diagnostic impression based on the Diagnostic and Statistical Manual of Mental Disorders as amended to July 1, 2026. An assessment from another source performed within the previous 12 months may be used if the symptomatology is the same as 12 months ago. If not, parts of the assessment that reflect current functioning may be used as an update. Using the assessment, a comprehensive summation will be produced, including the findings of all assessments performed. The summary will be used in forming a treatment plan including treatment goals. Indicators for discharge planning, including recommended follow-up goals and provision for future services, should also be considered, and consistently monitored.

(5) The day treatment program may include an educational component as an additional service. The patient's educational needs shall be served without conflict from the day treatment program. Hours in which the patient is involved in the educational component of the day treatment program are not included in the day treatment hours billable to Medicaid.

d. Admission criteria. Admission criteria for day treatment services for persons aged 20 or under shall reflect the following clinical indicators:

(1) The patient is at risk for exclusion from normative community activities or residence.

(2) The patient exhibits psychiatric symptoms, disturbances of conduct, decompensating conditions affecting mental health, severe developmental delays, psychological symptoms, or chemical dependency issues sufficiently severe to bring about significant or profound impairment in day-to-day educational, social, vocational, or interpersonal functioning.

(3) Documentation is provided that the traditional outpatient setting has been considered and has been determined not to be appropriate.

(4) The patient's principal caretaker (family, guardian, foster family or custodian) must be able and willing to provide the support and monitoring of the patient, to enable adequate control of the patient's behavior, and must be involved in the patient's treatment. Persons aged 20 or under who have reached the age of majority, either by age or emancipation, are exempt from family therapy involvement.

(5) The patient has the capacity to benefit from the interventions provided.

e. Individual treatment plan. Each patient receiving day treatment services shall have a treatment plan prepared. A preliminary treatment plan should be formulated within 3 days of participation after admission, and replaced within 30 calendar days by a comprehensive, formalized plan utilizing the comprehensive assessment. This individual treatment plan should reflect the patient's strengths and weaknesses and identify areas of therapeutic focus. The treatment goals that are general statements of member outcomes shall be related to identified strengths, weaknesses, and clinical needs with time-limited, measurable objectives. Objectives shall be related to the goal and have specific anticipated outcomes. Methods that will be used to pursue the objectives shall be stated. The plan should be reviewed and revised as needed, but shall be reviewed at least every 30 calendar days. The treatment plan shall be developed or approved by a board-eligible or board-certified psychiatrist, a staff psychiatrist, physician, or a psychologist registered on the "National Register of Health Service Providers in Psychology" as amended to July 1, 2026. Approval will be evidenced by a signature of the physician or health service provider.

f. Discharge criteria. Discharge criteria for the day treatment program for persons aged 20 or under shall incorporate at least the following indicators:

(1) In the case of patient improvement:

1. The patient's clinical condition has improved as shown by symptom relief, behavioral control, or indication of mastery of skills at the patient's developmental level. Reduced interference with and increased responsibility with social, vocational, interpersonal, or educational goals occurs sufficient to warrant a treatment program of less supervision, support, and therapeutic intervention.

2. Treatment goals in the individualized treatment plan have been achieved.

3. An aftercare plan has been developed that is appropriate to the patient's needs and agreed to by the patient and family, custodian, or guardian.

(2) If the patient does not improve:

1. The patient's clinical condition has deteriorated to the extent that the safety and security of inpatient or residential care is necessary.

2. Patient, family, or custodian noncompliance with treatment or with program rules exists.

g. Coordination of services. Programming services shall be provided in accordance with the individual treatment plan developed by appropriate day treatment staff, in collaboration with the patient and appropriate caretaker figure (parent, guardian, or principal caretaker), and under the supervision of the program director, coordinator, or supervisor.

(1) The program for each patient will be coordinated by primary care staff of the community mental health center. A coordinated, consistent array of scheduled therapeutic services and activities shall comprise the day treatment program. These may include counseling or psychotherapy, theme groups, social skills development, behavior management, and other adjunctive therapies. At least 50 percent of scheduled therapeutic program hours exclusive of educational hours for each patient shall consist of active treatment that specifically addresses the targeted problems of the population served. Active treatment shall be defined as treatment in which the program staff assume significant responsibility and often intervene.

(2) Family, guardian, or principal caretaker shall be involved with the program through family therapy sessions or scheduled family components of the program. They will be encouraged to adopt an active role in treatment. Medicaid will not make separate payment for family therapy services. Persons aged 20 or under who have reached the age of majority, either by age or emancipation, are exempt from family therapy involvement.

(3) Therapeutic activities will be scheduled according to the needs of the patients, both individually and as a group.

(4) Scheduled therapeutic activities, which may include other program components as described above, shall be provided at least 3 hours per week up to a maximum of 15 hours per week.

h. Stable milieu. The program shall formally seek to provide a stable, consistent, and cohesive therapeutic milieu. In part this will be encouraged by scheduling attendance such that a stable core of patients exists as much as possible. The milieu will consider the developmental and social stage of the participants such that no patient will be significantly involved with other patients who are likely to contribute to retardation or deterioration of the patient's social and emotional functioning. To help establish a sense of program identity, the array of therapeutic interventions shall be specifically identified as the day treatment program. Program planning meetings shall be held at least quarterly to evaluate the effectiveness of the clinical program. In the program description, the provider shall state how milieu stability will be provided.

i. Chronic mental illness. Persons aged 18 through 20 with chronic mental illness as defined by rule 441—24.1(225A) can receive day treatment services under this subrule or subrule 78.16(6).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.17(249A) Physical therapists. Payment will be approved when the services provided relate directly to an active written treatment plan; follow a treatment plan established by the physician, nurse practitioner, clinical nurse specialist, or PA after any needed consultation with the qualified physical therapist; are reasonable and necessary to the treatment of the patient's illness or injury; and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in paragraphs 78.19(1)*"a"* and *"b."*

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.18(249A) Screening centers. Payment will be approved for health screening as defined in rule 441—84.1(249A) for Medicaid members under 21 years of age.

78.18(1) In order to be paid for the administration of a vaccine covered under the VFC program, a screening center must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

78.18(2) Payment will be approved for necessary laboratory service related to an element of screening when performed by the screening center and billed as a separate item.

78.18(3) Periodicity schedules for health, hearing, vision, and dental screenings.

a. Payment will be approved for health, vision, and hearing screenings as follows:

(1) Seven screenings in the first year of life.

(2) Four screenings between the ages of 13 months and 30 months.

(3) One screening per year at ages three, four, five, and six.

(4) One screening per year at ages 7 through 21.

b. Payment for dental screenings will be approved in conjunction with the health screenings up to age 12 months. Screenings will be approved at ages 12 months and 24 months and thereafter at six-month intervals up to age 21.

c. Interperiodic screenings will be approved as medically necessary.

78.18(4) When it is established by the periodicity schedule in 78.18(3) that an individual is in need of screening, the individual will receive a notice that screening is due.

78.18(5) When an individual is screened, a member of the screening center shall complete a medical history. The medical history shall become part of the individual's medical record.

78.18(6) Reserved.

78.18(7) Payment will be made for persons aged 20 and under for nutritional counseling provided by a licensed dietitian employed by or under contract with a screening center for a nutritional problem or condition of a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. For persons eligible for the WIC program, a WIC referral is required. Medical necessity for nutritional counseling services exceeding those available through WIC shall be documented.

78.18(8) Payment will be made for dental services provided by a dental hygienist employed by or under contract with a screening center.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.19(249A) Rehabilitation agencies.

78.19(1) *Coverage of services.*

a. General provisions regarding coverage of services.

(1) Services are provided in the member's home or in a care facility (other than a hospital) by a speech therapist, physical therapist, or occupational therapist employed by or contracted by the agency. A nursing facility, an ICF/ID, or a hospital where services are provided is not considered a member's home.

1. Services provided to a member residing in a residential care facility licensed under Iowa Code section 135C.4 by the department of inspections, appeals, and licensing are payable when the residential care facility submits a signed statement that the residential care facility does not have these services available. The statement need only be submitted at the start of care unless the situation changes.

2. Under no circumstances will Iowa Medicaid or managed care organizations (MCOs) make payments to a rehabilitation agency for therapy provided to a member residing in a nursing facility or an ICF/ID. Physical, occupational, and speech therapy services for residents of the nursing facility, ICF/ID, or hospital are the responsibility of the nursing facility, ICF/ID, or hospital.

(2) All services must be determined to be medically necessary, reasonable, and meet a significant need of the recipient that cannot be met by a family member, friend, medical staff personnel, or other caregiver; must meet accepted standards of medical practice; and must be a specific and effective treatment for a patient's medical or disabling condition.

(3) In order for a service to be payable, a licensed therapist must complete a plan of treatment every 30 days and indicate the type of service required. The plan of treatment must contain the information noted in subrule 78.19(2).

(4) There is no specific limitation on the number of visits for which payment through the program will be made so long as that amount of service is medically necessary in the individual case, is related to a diagnosed medical impairment or disabling condition and meets the current standards of practice in each related field. Documentation must be submitted with each claim to support the need for the number of services being provided.

(5) Payments will be made both for restorative service and also for maintenance types of service. Essentially, maintenance services means services to a patient whose condition is stabilized and who requires observation by a therapist of conditions defined by the physician as indicating a possible deterioration of health status. This would include persons with long-term illnesses or a disabling condition whose status is stable rather than posthospital. Refer to subparagraphs 78.19(1)*"b"*(7) and *"b"*(8) for guidelines under restorative and maintenance therapy.

(6) Restorative or maintenance therapy sessions must meet the following criteria:

1. There must be face-to-face patient contact interaction.

2. Services must be provided primarily on an individual basis. Group therapy is covered, but total units of service in a month shall not exceed total units of individual therapy. Family members receiving therapy may be included as part of a group.

3. Treatment sessions may be no less than 15 minutes of service and no more than 60 minutes of service per date unless more than 60 minutes of service is required for a treatment session due to the patient's specific condition. If more than 60 minutes of service is required for a treatment session, additional documentation of the specific condition and the need for the longer treatment session shall be submitted with the claim. A unit of treatment shall be considered to be 15 minutes unless an untimed or encounter billing code is used.

4. Progress must be documented in measurable statistics in the progress notes in order for services to be reimbursed. Refer to subparagraphs 78.19(1)*"b"*(7) and *"b"*(8) for guidelines under restorative and maintenance therapy.

(7) Payment will be made for an appropriate period of diagnostic therapy or trial therapy (up to two months) to determine a patient's rehabilitation potential and establish appropriate short-term and long-term goals. Documentation must be submitted with each plan to support the need for diagnostic or trial therapy. Refer to subparagraph 78.19(1)*"b"*(16) for guidelines under diagnostic or trial therapy.

b. Physical therapy services.

(1) To be covered under rehabilitation agency services, physical therapy services must relate directly and specifically to an active written treatment plan, follow a treatment plan established by the licensed therapist after consultation with the physician, be reasonable and necessary to the treatment of the person's illness, injury, or disabling condition, be specific and effective treatment for the patient's medical or disabling condition, and be of such a level of complexity and sophistication, or the condition of the patient must be such that the services required can be safely and effectively performed only by a qualified physical therapist or under the supervision of the therapist.

(2) A qualified physical therapist assistant may provide any restorative services performed by a licensed physical therapist under supervision of the therapist.

(3) The initial physical therapy evaluation must be provided by a licensed physical therapist.

(4) There must be an expectation that there will be a significant, practical improvement in the patient's condition in a reasonable amount of time based on the patient's restorative potential assessed by the physician.

(5) It must be demonstrated there is a need to establish a safe and effective maintenance program related to a specific disease state, illness, injury, or disabling condition.

(6) The amount, frequency, and duration of the services must be reasonable.

(7) Restorative therapy must be reasonable and necessary to the treatment of the patient's injury or disabling condition. The expected restorative potential must be practical and in relation to the extent and duration of the treatment. There must be an expectation that the patient's medical or disabling condition will show functional improvement in a reasonable period of time. Functional improvement means that demonstrable measurable increases have occurred in the patient's level of independence outside the therapeutic environment.

(8) Generally, maintenance therapy means services to a patient whose condition is stabilized and who requires observation by a therapist of conditions defined by the physician as indicating a possible deterioration of health status. This includes persons with long-term illnesses or disabling conditions whose status is stable rather than posthospital. Maintenance therapy is also appropriate for individuals whose condition is such that a professionally established program of activities, exercises, or stimulation is medically necessary to prevent deterioration or maintain present functioning levels.

1. Where a maintenance program is appropriate, the initial evaluation and the instruction of the patient, family members, home health aides, facility personnel, or other caregivers to carry out the program are considered a covered physical therapy service. Payment shall be made for a maximum of three visits to establish a maintenance program and instruct the caregivers. Payment for supervisory visits to monitor the program is limited to two per month for a maximum period of 12 months. The plan of treatment must specify the anticipated monitoring activity of the supervisor.

2. Beyond evaluation, instruction, and monitoring, maintenance therapy is not reimbursable.

3. After 12 months of maintenance therapy, a reevaluation is a covered service, if medically necessary. A reevaluation will be considered medically necessary only if there is a significant change in residential or employment situation or the patient exhibits an increase or decrease in functional ability or motivation, clearing of confusion, or the remission of some other medical condition which previously contraindicated restorative therapy. A statement by the interdisciplinary team of a person with developmental disabilities recommending a reevaluation and stating the basis for medical necessity will be considered as supporting the necessity of a reevaluation and may expedite approval.

(Restorative and maintenance therapy definitions also apply to speech and occupational therapy.)

4. When a patient is under a restorative physical therapy program, the patient's condition is regularly reevaluated and the program adjusted by the physical therapist. It is expected that prior to discharge, a maintenance program has been designed by the physical therapist. Consequently, where a maintenance program is not established until after the restorative program has been completed, it would not be considered reasonable and necessary to the treatment of the patient's condition and would be excluded from coverage.

(9) Hot packs, hydrocollator, infrared treatments, paraffin baths, and whirlpool baths do not ordinarily require the skills of a qualified physical therapist. These are covered when the patient's condition is

complicated by other conditions such as a circulatory deficiency or open wounds or if the service is an integral part of a skilled physical therapy procedure.

(10) Gait training and gait evaluation and training constitute a covered service if the patient's ability to walk has been impaired by a neurological, muscular or skeletal condition or illness. The gait training must be expected to significantly improve the patient's ability to walk or level of independence.

Repetitious exercise to increase endurance of weak or unstable patients can be safely provided by supportive personnel, e.g., aides, nursing personnel. Therefore, it is not a covered physical therapy service.

(11) Ultrasound, shortwave, and microwave diathermy treatments are considered covered services.

(12) Range of motion tests must be performed by a qualified physical therapist. Range of motion exercises require the skills of a qualified physical therapist only when they are part of the active treatment of a specific disease or disabling condition which has resulted in a loss or restriction of mobility.

Documentation must reflect the degree of motion lost, the normal range of motion, and the degree to be restored.

Range of motion to unaffected joints only does not constitute a covered physical therapy service.

(13) Reconditioning programs after surgery or prolonged hospitalization are not covered as physical therapy.

(14) Therapeutic exercises would constitute a physical therapy service due either to the type of exercise employed or to the condition of the patient.

(15) Use of isokinetic or isotonic type equipment in physical therapy is covered when normal range of motion of a joint is affected due to bone, joint, ligament or tendon injury or postsurgical trauma. Billing can only be made for the time actually spent by the therapist in instructing the patient and assessing the patient's progress.

(16) When recipients do not meet restorative or maintenance therapy criteria, diagnostic or trial therapy may be utilized. When the initial evaluation is not sufficient to determine whether there are rehabilitative goals that should be addressed, diagnostic or trial therapy to establish goals will be considered appropriate. Diagnostic or trial therapy may be appropriate for recipients who need evaluation in multiple environments in order to adequately determine their rehabilitative potential. Diagnostic or trial therapy consideration may be appropriate when there is a need to assess the patient's response to treatment in the recipient's environment.

1. When during diagnostic or trial therapy a recipient has been sufficiently evaluated to determine potential for restorative or maintenance therapy, or lack of therapy potential, diagnostic or trial therapy ends. When as a result of diagnostic or trial therapy, restorative or maintenance therapy is found appropriate, claims shall be submitted noting restorative or maintenance therapy (instead of diagnostic or trial therapy).

2. At the end of diagnostic or trial therapy, the rehabilitation provider shall recommend continuance of services under restorative therapy, recommend continuance of services under maintenance therapy, or recommend discontinuance of services. Continuance of services under restorative or maintenance therapy will be reviewed based on the criteria in place for restorative or maintenance therapy.

3. Trial therapy shall not be granted more often than once per year for the same issue. If the recipient has a previous history of rehabilitative services, trial therapy for the same type of services generally would be payable only when a significant change has occurred since the last therapy. Requests for subsequent diagnostic or trial therapy for the same issue would require documentation reflecting a significant change. See numbered paragraph "4" below for guidelines under a significant change. Further diagnostic or trial therapy for the same issue would not be considered appropriate when progress was not achieved unless the reasons that blocked change previously are listed and the reasons the new diagnostic or trial therapy would not have these blocks are provided.

4. The number of diagnostic or trial therapy hours authorized in the initial treatment period shall not exceed 12 hours per month. Documentation of the medical necessity and the plan for services under diagnostic trial therapy are required as they will be reviewed in the determination of the medical necessity of the number of hours of service provided.

Diagnostic or trial therapy standards also apply to speech and occupational therapy.

The following criteria additionally must be met:

- There must be face-to-face interaction with a licensed therapist. (An aide's services will not be payable.)
- Services must be provided on an individual basis. (Group diagnostic or trial therapy will not be payable.)
- Documentation of the diagnostic therapy or trial therapy must reflect the provider's plan for therapy and the recipient's response.
- If the recipient has a previous history of rehabilitative services, trial therapy for the same type of services generally would be payable only when a significant change has occurred since the last therapy. A significant change would be considered as having occurred when any of the following exist: new onset, new problem, new need, new growth issue, a change in vocational or residential setting that requires a reevaluation of potential, or surgical intervention that may have caused new rehabilitative potentials.
- For persons who received previous rehabilitative treatment, consideration of trial therapy generally should occur only if the person has incorporated any regimen recommended during prior treatment into the person's daily life to the extent of the person's abilities.
- Documentation should include any previous attempts to resolve problems using nontherapy personnel (residential group home staff, family members, etc.) and whether follow-up programs from previous therapy have been carried out.
- Referrals from residential, vocational or other rehabilitation personnel that do not meet present evaluation, restorative or maintenance criteria shall be considered for trial therapy. Documentation of the proposed service, the medical necessity and the current medical or disabling condition, including any secondary rehabilitative diagnosis, will need to be submitted with the claim.
- Claims for diagnostic or trial therapy shall reflect the progress being made toward the initial diagnostic or trial therapy plan.

c. Occupational therapy services.

(1) To be covered under rehabilitation agency services, occupational therapy services must be included in a plan of treatment, improve or restore practical functions that have been impaired by illness, injury, or disabling condition, or enhance the person's ability to perform those tasks required for independent functioning, be prescribed by a physician under a plan of treatment, be performed by a qualified licensed occupational therapist or a qualified licensed occupational therapist assistant under the general supervision of a qualified licensed occupational therapist, and be reasonable and necessary for the treatment of the person's illness, injury, or disabling condition.

(2) Restorative therapy is covered when an expectation exists that the therapy will result in a significant practical improvement in the person's condition.

However, in these cases where there is a valid expectation of improvement met at the time the occupational therapy program is instituted, but the expectation goal is not realized, services would only be covered up to the time one would reasonably conclude the patient would not improve.

The guidelines under restorative therapy, maintenance therapy, and diagnostic or trial therapy for physical therapy in subparagraphs 78.19(1)*"b"*(7), *"b"*(8), and *"b"*(16) apply to occupational therapy.

(3) Maintenance therapy, or any activity or exercise program required to maintain a function at the restored level, is not a covered service. However, designing a maintenance program in accordance with the requirements of subparagraph 78.19(1)*"b"*(8) and monitoring the progress would be covered.

(4) The selection and teaching of tasks designed to restore physical function are covered.

(5) Planning and implementing therapeutic tasks, such as activities to restore sensory-integrative functions are covered. Other examples include providing motor and tactile activities to increase input and improve responses for a stroke patient.

(6) The teaching of activities of daily living and energy conservation to improve the level of independence of a patient that require the skill of a licensed therapist and meet the definition of restorative therapy is covered.

(7) The designing, fabricating, and fitting of orthotic and self-help devices are considered covered services if they relate to the patient's condition and require occupational therapy. A maximum of 13 visits is reimbursable.

(8) Vocational and prevocational assessment and training are not payable by Medicaid. These include services that are related solely to specific employment opportunities, work skills, or work settings.

d. Speech therapy services.

(1) To be covered by Medicaid as rehabilitation agency services, speech therapy services must be included in a plan of treatment established by the licensed, skilled therapist after consultation with the physician, relate to a specific medical diagnosis that will significantly improve a patient's practical, functional level in a reasonable and predictable time period, and require the skilled services of a speech therapist. Services provided by a speech aide are not reimbursable.

(2) Speech therapy activities that are considered covered services include: restorative therapy services to restore functions affected by illness, injury, or disabling condition resulting in a communication impairment or to develop functions where deficiencies currently exist. Communication impairments fall into the general categories of disorders of voice, fluency, articulation, language, and swallowing disorders resulting from any condition other than mental impairment. Treatment of these conditions is payable if restorative criteria are met.

(3) Aural rehabilitation, the instruction given by a qualified speech pathologist in speech reading or lip reading to patients who have suffered a hearing loss or become hard of hearing (input impairment), constitutes a covered service if reasonable and necessary to the patient's illness or injury. Group treatment is not covered. Audiological services related to the use of a hearing aid are not reimbursable.

(4) Teaching a patient to use sign language and to use an augmentative communication device is reimbursable. The patient must show significant progress outside the therapy sessions in order for these services to be reimbursable.

(5) Where a maintenance program is appropriate, the initial evaluation, the instruction of the patient and caregivers to carry out the program, and supervisory visits to monitor progress are covered services. Beyond evaluation, instruction, and monitoring, maintenance therapy is not reimbursable. However, designing a maintenance program in accordance with the requirements of maintenance therapy and monitoring the progress are covered.

(6) The guidelines and limits on restorative therapy, maintenance therapy, and diagnostic or trial therapy for physical therapy in subparagraphs 78.19(1)*"b"*(7), *"b"*(8), and *"b"*(16) apply to speech therapy. If the only goal of prior rehabilitative speech therapy was to learn the prerequisite speech components, then the fifth paragraph under subparagraph 78.19(1)*"b"*(16) will not apply to trial therapy.

78.19(2) *General guidelines for plans of treatment.*

a. The minimum information to be included on medical information forms and treatment plans includes:

(1) The patient's current medical condition and functional abilities, including any disabling condition.

(2) The physician's signature and date (within the certification period).

(3) Certification period.

(4) Patient's progress in measurable statistics. (Refer to subparagraph 78.19(1)*"b"*(16).)

(5) The place services are rendered.

(6) Dates of prior hospitalization (if applicable or known).

(7) Dates of prior surgery (if applicable or known).

(8) The date the patient was last seen by the physician (if available).

(9) A diagnosis relevant to the medical necessity for treatment.

(10) Dates of onset of any diagnoses for which treatment is being rendered (if applicable).

(11) A brief summary of the initial evaluation or baseline.

(12) The patient's prognosis.

(13) The services to be rendered.

(14) The frequency of the services and discipline of the person providing the service.

(15) The anticipated duration of the services and the estimated date of discharge (if applicable).

(16) Assistive devices to be used.

(17) Functional limitations.

(18) The patient's rehabilitative potential and the extent to which the patient has been able to apply the skills learned in the rehabilitation setting to everyday living outside the therapy sessions.

(19) The date of the last episode of instability or the date of the last episode of acute recurrence of illness or symptoms (if applicable).

(20) Quantitative, measurable, short-term and long-term functional goals.

(21) The period of time of a session.

(22) Prior treatment (history related to current diagnosis) if available or known.

b. The information to be included when developing plans for teaching, training, and counseling include:

(1) To whom the services were provided (patient, family member, etc.).

(2) Prior teaching, training, or counseling provided.

(3) The medical necessity of the rendered services.

(4) The identification of specific services and goals.

(5) The date of the start of the services.

(6) The frequency of the services.

(7) Progress in response to the services.

(8) The estimated length of time the services are needed.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.20(249A) Independent laboratories. Payment will be made for medically necessary laboratory services provided by laboratories that are independent of attending and consulting physicians' offices, hospitals, and critical access hospitals and that are certified to participate in the Medicare program.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.21(249A) Rural health clinics. Payment will be made to rural health clinics for the same services payable under the Medicare program. Payment will be made for sterilization in accordance with subrule 78.1(16).

78.21(1) *Utilization review.* Utilization review will be conducted for Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, ARNPs, federally qualified health centers, other clinics, and emergency rooms.

78.21(2) *Risk assessment.* Risk assessment, using a Medicaid Prenatal Risk Assessment form, shall be completed at the initial visit during a Medicaid member's pregnancy.

a. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

b. If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services described in subrule 78.25(3).

78.21(3) *Vaccines.* In order to be paid for the administration of a vaccine covered under the VFC program, a rural health center must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.22(249A) Family planning clinics. Payments will be made on a fee schedule basis for services provided by family planning clinics.

78.22(1) Payment will be made for sterilization in accordance with subrule 78.1(16).

78.22(2) In order to be paid for the administration of a vaccine covered under the VFC program, a family planning clinic must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.23(249A) Other clinic services. Payment will be made on a fee schedule basis to facilities not part of a hospital, funded publicly or by private contributions, that provide medically necessary treatment by or under the direct supervision of a physician or dentist to outpatients.

78.23(1) *Sterilization.* Payment will be made for sterilization in accordance with subrule 78.1(16).

78.23(2) *Utilization review.* Utilization review will be conducted for Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, ARNPs, federally qualified health centers, other clinics, and emergency rooms.

78.23(3) *Risk assessment.* Risk assessment, using a Medicaid Prenatal Risk Assessment form, shall be completed at the initial visit during a Medicaid member's pregnancy.

a. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

b. If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services described in subrule 78.25(3).

78.23(4) *Vaccines.* In order to be paid for the administration of a vaccine covered under the VFC program, a clinic must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.24(249A) Psychologists. Payment will be approved for services authorized by state law when they are provided by the psychologist in the psychologist's office, a hospital, nursing facility, or residential care facility.

78.24(1) Payment for covered services provided by the psychologist will be made on a fee for service basis.

a. Payment will be made only for time spent in face-to-face consultation with the client.

b. Time spent with clients shall be rounded to the quarter hour.

78.24(2) Payment will be approved for the following psychological procedures:

a. Individual outpatient psychotherapy or other psychological procedures not to exceed one hour per week or 40 hours in any 12-month period, or

b. Couple, marital, family, or group outpatient therapy not to exceed one and one-half hours per week or 60 hours in any 12-month period, or

c. A combination of individual and group therapy not to exceed the cost of 40 individual therapy hours in any 12-month period.

d. Psychological examinations and testing for purposes of evaluation, placement, psychotherapy, or assessment of therapeutic progress, not to exceed eight hours in any 12-month period.

e. Mileage at the same rate as in subrule 78.1(8) when the following conditions are met:

(1) It is necessary for the psychologist to travel outside of the home community, and

(2) There is no qualified mental health professional more immediately available in the community, and

(3) The member has a medical condition which prohibits travel.

f. Covered procedures necessary to maintain continuity of psychological treatment during periods of hospitalization or convalescence for physical illness.

g. Procedures provided within a licensed hospital, residential treatment facility, day hospital, or nursing home as part of an approved treatment plan and a psychologist is not employed by the facility.

78.24(3) Payment will not be approved for the following services:

a. Psychological examinations performed without relationship to evaluations or psychotherapy for a specific condition, symptom, or complaint.

b. Psychological examinations covered under Part B of Medicare, except for the Part B Medicare deductible and coinsurance.

c. Psychological examinations employing unusual or experimental instrumentation.

d. Individual and group psychotherapy without specification of condition, symptom, or complaint.

e. Sensitivity training, marriage enrichment, assertiveness training, growth groups or marathons, or psychotherapy for nonspecific conditions of distress such as job dissatisfaction or general unhappiness.

78.24(4) Reserved.

78.24(5) The following services shall require review by a consultant to the department.

a. Protracted therapy beyond 16 visits. These cases shall be reviewed following the sixteenth therapy session and periodically thereafter.

b. Any service that does not appear necessary or appears to fall outside the scope of what is professionally appropriate or necessary for a particular condition.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.25(249A) Maternal health centers. Payment will be made for prenatal and postpartum medical care, health education, and transportation to receive prenatal and postpartum services. Payment will be made for enhanced perinatal services for persons determined high risk. These services include additional health education services, nutrition counseling, social services, and one postpartum home visit. Maternal health centers shall provide trimester and postpartum reports to the referring physician. Risk assessment using a Medicaid Prenatal Risk Assessment form shall be completed at the initial visit during a Medicaid member's pregnancy. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy. If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services described in subrule 78.25(3).

78.25(1) *Provider qualifications.*

a. Prenatal and postpartum medical services shall be provided by a physician, a PA, or a nurse practitioner employed by or on contract with the center. Medical services performed by maternal health centers shall be performed under the supervision of a physician. Nurse practitioners and PAs performing under the supervision of a physician must do so within the scope of practice of that profession, as defined by Iowa Code chapters 152 and 148C, respectively.

b. Reserved.

c. Education services and postpartum home visits shall be provided by a registered nurse.

d. Nutrition services shall be provided by a licensed dietitian.

e. Psychosocial services shall be provided by a person with at least a bachelor's degree in social work, counseling, sociology, psychology, family and community services, health or human development, health education, or individual and family studies.

78.25(2) *Services covered for all pregnant women.* Services provided may include:

a. Prenatal and postpartum medical care.

b. Health education, which will include:

(1) Importance of continued prenatal care.

(2) Normal changes of pregnancy including both maternal changes and fetal changes.

(3) Self-care during pregnancy.

(4) Comfort measures during pregnancy.

(5) Danger signs during pregnancy.

(6) Labor and delivery including the normal process of labor, signs of labor, coping skills, danger signs, and management of labor.

(7) Preparation for baby including feeding, equipment, and clothing.

(8) Education on the use of over-the-counter drugs.

(9) Education about HIV protection.

c. Home visit.

d. Transportation to receive prenatal and postpartum services that is not payable under rule 441—78.11(249A) or 441—78.13(249A).

e. Dental hygiene services within the scope of practice as defined by the dental board in 481—Chapter 576.

78.25(3) *Enhanced services covered for women with high-risk pregnancies.* Enhanced perinatal services may be provided to a patient who has been determined to have a high-risk pregnancy as documented on the Medicaid Prenatal Risk Assessment form. An appropriately trained physician or ARNP must be involved in staffing the patients receiving enhanced services.

Enhanced services are as follows:

a. Reserved.

b. Education, which shall include as appropriate education about the following:

(1) High-risk medical conditions.

(2) High-risk sexual behavior.

(3) Smoking cessation.

(4) Alcohol usage education.

(5) Drug usage education.

(6) Environmental and occupational hazards.

c. Nutrition assessment and counseling, which shall include:

(1) Initial assessment of nutritional risk based on height, current and prepregnancy weight status, laboratory data, clinical data, and self-reported dietary information.

(2) Ongoing nutritional assessment.

(3) Development of an individualized nutritional care plan.

(4) Referral to food assistance programs if indicated.

(5) Nutritional intervention.

d. Psychosocial assessment and counseling, which shall include:

(1) A psychosocial assessment including: needs assessment, profile of client demographic factors, mental and physical health history and concerns, adjustment to pregnancy and future parenting, and environmental needs.

(2) A profile of the client's family composition, patterns of functioning and support systems.

(3) An assessment-based plan of care, risk tracking, counseling and anticipatory guidance as appropriate, and referral and follow-up services.

e. A postpartum home visit within two weeks of the child's discharge from the hospital, which shall include:

(1) Assessment of mother's health status.

(2) Physical and emotional changes postpartum.

(3) Family planning.

(4) Parenting skills.

(5) Assessment of infant health.

(6) Infant care.

(7) Grief support for unhealthy outcome.

(8) Parenting of a preterm infant.

(9) Identification of and referral to community resources as needed.

78.25(4) *Vaccines.* In order to be paid for the administration of a vaccine covered under the VFC program, a maternal health center must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.26(249A) Ambulatory surgical center services. Ambulatory surgical center services are those services furnished by an ambulatory surgical center in connection with a covered surgical procedure or a covered dental procedure. Covered procedures are listed in the fee schedule published on the department's website.

78.26(1) Covered surgical procedures will be those medically necessary procedures that are eligible for payment as physicians' services, under the circumstances specified in rule 441—78.1(249A) and performed on a Medicaid member, that can safely be performed in an outpatient setting as determined by the department.

78.26(2) Covered dental procedures are those medically necessary procedures that are eligible for payment as dentists' services, under the circumstances specified in rule 441—78.4(249A) and performed on a Medicaid member, that can safely be performed in an outpatient setting for Medicaid members whose mental, physical, or emotional condition necessitates deep sedation or general anesthesia.

78.26(3) The covered services provided by the ambulatory surgical center in connection with a Medicaid-covered surgical or dental procedure will be those nonsurgical and nondental services that:

a. Are medically necessary in connection with a Medicaid-covered surgical or dental procedure;

b. Are eligible for payment as physicians' services under the circumstances specified in rule 441—78.1(249A) or as dentists' services under the circumstances specified in rule 441—78.4(249A); and

c. Can safely and economically be performed in an outpatient setting, as determined by the department.

78.26(4) Limits on covered services.

a. Abortion procedures are covered only when criteria in subrule 78.1(17) are met.

b. Sterilization procedures are covered only when criteria in subrule 78.1(16) are met.

c. Preprocedure review by Iowa Medicaid is required if ambulatory surgical centers are to be reimbursed for certain frequently performed surgical procedures as set forth under subrule 78.1(19). Criteria are available from Iowa Medicaid.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.27(249A) Home- and community-based habilitation services. Payment for habilitation services will only be made to providers enrolled to provide habilitation through Iowa Medicaid. Payment will only be made for services provided to members in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.27(1) *Definitions.*

"Adult" means a person who is 18 years of age or older.

"Assessment" means the review of the current functioning of the member using the service in regard to the member's situation, needs, strengths, abilities, desires, and goals.

"Benefits education" means providing basic information to understand and access appropriate resources to pursue employment, and knowledge of work incentives and the Medicaid for employed persons with disabilities (MEPD) program. Benefits education may include gathering information needed to pursue work incentives and offering basic financial management information to members, families, guardians and legal representatives.

"Career exploration," also referred to as "career planning," means a person-centered, comprehensive employment planning and support service that provides assistance for waiver program participants to obtain, maintain or advance in competitive employment or self-employment. Career exploration is a focused, time-limited service engaging a participant in identifying a career direction and developing a plan for achieving competitive, integrated employment at or above the state's minimum wage. The outcome of this service is documentation of the participant's stated career objective and a career plan used to guide individual employment support.

"Career plan" means a written plan documenting the member's stated career objective and used to guide individual employment support services for achieving competitive, integrated employment at or above the state's minimum wage.

"Case management" means case management services accredited under 441—Chapter 24 and provided according to 441—Chapter 90.

"Certified employment specialist" or *"CES"* means a person who has demonstrated a sufficient level of knowledge and skill to provide integrated employment support services to a variety of client populations and has earned a CES certification through a nationally recognized accrediting body.

"Child and Adolescent Level of Care Utilization System" or *"CALOCUS"* means the comprehensive functional assessment tool utilized to determine eligibility for the habilitation program and service authorization for the home-based habilitation service and intensive residential habilitation services for individuals aged 16 to 18.

"Comprehensive service plan" means an individualized, person-centered, and goal-oriented plan of services written in language understandable by the member using the service and developed collaboratively by the member and the case manager.

"Customized employment" means an approach to supported employment that individualizes the employment relationship between employees and employers in ways that meet the needs of both. Customized employment is based on an individualized determination of the strengths, needs, and interests of the person with a disability and is also designed to meet the specific needs of the employer. Customized employment may include employment developed through job carving, self-employment or entrepreneurial initiatives, or other job development or restructuring strategies that result in job responsibilities being customized and individually negotiated to fit the needs of the individual with a disability. Customized employment assumes the provision of reasonable accommodations and supports necessary for the individual to perform the functions of a job that is individually negotiated and developed.

"Emergency" means a situation for which no approved individual program plan exists that, if not addressed, may result in injury or harm to the member or to other persons or in significant amounts of property damage.

"HCBS" means home- and community-based services.

"Individual employment" means employment in the general workforce where the member interacts with the general public to the same degree as nondisabled persons in the same job, and for which the member is paid at or above minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by persons without disabilities.

"Individual placement and support" or *"IPS"* means the evidence-based practice of supported employment that is guided by IPS practice principles outlined by the IPS Employment Center at Westat as amended to July 1, 2026, and as measured by its employment fidelity scale available online at ipsworks.org as amended to July 1, 2026.

"Integrated community employment" means work (including self-employment) for which an individual with a disability is paid at or above minimum wage and not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by employees who are not disabled, where the individual interacts with other persons who are not disabled to the same extent as others who are in comparable positions, and that presents opportunities for advancement that are similar to those for employees who are not disabled. In the case of an individual who is self-employed, the business results in an income that is comparable to the income received by others who are not disabled and are self-employed in similar occupations.

"Intensive residential service homes" or *"intensive residential services"* means intensive, community-based services provided 24 hours per day, 7 days per week, 365 days per year to individuals with a severe and persistent mental illness who have functional impairments and may also have multi-occurring conditions. Providers of intensive residential service homes are enrolled with Medicaid as providers of HCBS habilitation, home-based habilitation, or HCBS intellectual disability waiver supported community living and meet additional criteria specified in rule 441—77.30(249A) and the provider manual as amended to July 1, 2026.

"Interdisciplinary team" means a group of persons with varied professional backgrounds who meet with the member to develop a comprehensive service plan to address the member's need for services.

"IoWANS" means the department's Institutional and Waiver Authorization and Narrative System.

"Level of Care Utilization System" or *"LOCUS"* means the comprehensive functional assessment tool utilized to determine eligibility for the habilitation program and service authorization for the home-based habilitation and intensive residential services for individuals aged 19 and older.

"Managed care organization" or *"MCO"* means an entity that (1) is under contract with the department to provide services to Medicaid recipients and (2) meets the definition of "health maintenance organization" as defined in Iowa Code section 514B.1.

"Member" means a person who has been determined to be eligible for Medicaid under 441—Chapter 75.

"Program" means a set of related resources and services directed to the accomplishment of a fixed set of goals for qualifying members.

"Severe and persistent mental illness" or *"SPMI"* means a documented primary mental health disorder diagnosed by a mental health professional that causes symptoms and impairments in basic mental and behavioral processes that produce distress and major functional disability in adult role functioning inclusive of social, personal, family, educational, or vocational roles.

"Supported employment" means the ongoing supports to participants who, because of their disabilities, need intensive ongoing support to obtain and maintain an individual job in competitive or customized employment, or self-employment, in an integrated work setting in the general workforce at or above the state's minimum wage or at or above the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities. The outcome of this service is sustained paid employment at or above the minimum wage in an integrated setting in the general workforce in a job that meets personal and career goals. Supported employment services can be provided through many different service models.

"Supported self-employment" includes services and supports that assist the participant in achieving self-employment through the operation of a business; however, Medicaid funds may not be used to defray the expenses associated with starting up or operating a business. Assistance for self-employment may include aid to the individual in identifying potential business opportunities; assistance in the development of a business plan, including potential sources of business financing and other assistance in developing and launching a business; identification of the supports necessary for the individual to operate the business; and ongoing assistance, counseling and guidance once the business has been launched.

"Sustained employment" means an individual employment situation that the member maintains over time but not for less than 90 calendar days following the receipt of employment services and supports.

78.27(2) *Member eligibility.* To be eligible to receive home- and community-based habilitation services, a member shall meet the following criteria.

a. LOCUS/CALOCUS actual disposition. The member has a LOCUS/CALOCUS actual disposition of level one recovery maintenance and health management or higher on the most current LOCUS/CALOCUS assessment completed within the past 30 days.

b. Risk factors. The member meets at least one of the following risk-based criteria:

(1) The member has a history of inpatient, partial hospitalization, or emergency psychiatric treatment more than once in the member's life; or

(2) The member has a history of continuous professional psychiatric supportive care other than hospitalization; or

(3) The member has a history of involvement with the criminal justice system; or

(4) Services available in the member's community have not been able to meet the member's needs; or

(5) The member has a history of unemployment or employment in a sheltered setting or poor work history; or

(6) The member has a history of homelessness or is at risk of homelessness.

c. Need for assistance. The member has a need for assistance demonstrated by meeting at least two of the following criteria on a continuing or intermittent basis for at least 12 months:

(1) The member needs assistance to obtain or maintain employment.

(2) The member requires financial assistance to reside independently in the community.

(3) The member needs significant assistance to establish or maintain a personal social support system.

(4) The member needs assistance with at least one of the activities of daily living (ADLs) or instrumental activities of daily living (IADLs) to reside independently in the community.

(5) The member needs assistance with management and intervention of maladaptive or antisocial behaviors to ensure the safety of the individual or others.

d. Income. The countable income used in determining the member's Medicaid eligibility does not exceed 150 percent of the federal poverty level.

e. Needs assessment. The department-approved assessment tool has been completed, and Iowa Medicaid has determined that the member is in need of home- and community-based habilitation services.

f. Designated case manager. The designated case manager shall:

(1) Arrange for the completion of the needs-based assessment before services begin, and annually thereafter, and more frequently if significant observable changes occur in the member's situation, condition, or circumstances.

(2) Use the information submission tool and other supporting documentation as relevant to develop a comprehensive service plan as specified in subrule 78.27(4) and 441—paragraph 90.4(1)*"b"* before services begin and annually thereafter, and when there is a significant observable change in the member's situation, condition, or circumstances.

g. Plan for service. The department or the member's MCO has approved the member's comprehensive service plan for home- and community-based habilitation services. Home- and community-based habilitation services included in a comprehensive service plan or treatment plan that has been validated by Iowa Medicaid or the member's MCO will be considered approved by the department. Home- and community-based habilitation services provided before approval of a member's eligibility for the program cannot be reimbursed.

(1) The member's comprehensive service plan shall be completed annually according to the requirements of subrule 78.27(4) and 441—paragraph 90.4(1)*"b."* A service plan may change when requested by the member or the member's interdisciplinary team when there is a significant observable change in the member's situation, condition, or circumstances.

(2) For members receiving home-based habilitation, the service plan shall include the member's needs-based assessment, actual disposition, the composite score, and each individual domain score for each of the six assessed domains.

(3) The member's habilitation services shall not exceed the maximum number of units established for each service in 441—subrule 79.1(2).

(4) The cost of the habilitation services shall not exceed unit expense maximums established in 441—subrule 79.1(2).

78.27(3) *Application for services.* The member or case manager shall apply for habilitation services on behalf of a member by contacting Iowa Medicaid. The department will issue a notice of decision to the applicant in accordance with 441—Chapter 16 when financial eligibility and needs-based eligibility determinations have been completed.

78.27(4) *Comprehensive service plan.* Individualized, planned, and appropriate services shall be guided by a member-specific comprehensive service plan or treatment plan developed with the member in collaboration with an interdisciplinary team, as appropriate. Medically necessary services shall be planned for and provided at the locations where the member lives, learns, works, and socializes.

a. Development. A comprehensive service plan or treatment plan shall be developed for each member receiving home- and community-based habilitation services based on the member's current assessment and shall be reviewed on an annual basis. The comprehensive service plan will meet the criteria described in the HCBS habilitation manual.

b. Rights restrictions. Any rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

c. Emergency plan. The comprehensive service plan or treatment plan shall include a plan for emergencies and identification of the supports available to the member in an emergency. Emergency plans shall be developed as detailed in the HCBS habilitation manual.

d. Plan approval. Services shall be entered into IoWANS based on the comprehensive service plan. A comprehensive service plan or treatment plan that has been validated and authorized through IoWANS will be considered approved by the department. Services must be authorized in IoWANS as specified in paragraph 78.27(2)*"g."*

78.27(5) *Requirements for services.* Home- and community-based habilitation services shall be provided in accordance with the following requirements:

a. The services shall be based on the member's needs as identified in the member's comprehensive service plan.

b. The services shall be delivered in the least restrictive environment appropriate to the needs of the member.

c. The services shall include the applicable and necessary instruction, supervision, assistance, and support required by the member to achieve the member's life goals.

d. Service components that are the same or similar shall not be provided simultaneously.

e. Service costs are not reimbursable while the member is in a medical institution, including but not limited to a hospital or nursing facility.

f. Reimbursement is not available for room and board.

g. Services shall be billed in whole units.

h. Services shall be documented. Each unit billed must have corresponding financial and medical records as set forth in rule 441—79.3(249A).

78.27(6) *Case management.* Case management assists members in gaining access to needed medical, social, educational, housing, transportation, vocational, and other appropriate services in order to ensure the health, safety, and welfare of the member.

a. Scope. Case management services shall be provided as set forth in rules 441—90.4(249A) through 441—90.7(249A).

b. Exclusions. Payment will not be made for case management provided to a member who is eligible for targeted case management services under 441—Chapter 90.

78.27(7) *Home-based habilitation.* "Home-based habilitation" means individually tailored supports that assist with the acquisition, retention, or improvement of skills related to living, working, and recreating in the community.

a. Scope. Home-based habilitation services are individualized supportive services provided in the member's home and community that assist the member to reside in the most integrated setting appropriate to the member's needs. Services are intended to provide for the daily living needs of the member and shall be available as needed during any 24-hour period. The specific support needs for each member shall be determined necessary by the interdisciplinary team and shall be identified in the member's comprehensive service plan. Covered supports include:

(1) Adaptive skill development;

(2) Assistance with activities to address daily living needs;

(3) Assistance with symptom management and participation in mental health treatment;

(4) Assistance with accessing physical and mental health care treatment, communication, and implementation of health care recommendations and treatment;

(5) Assistance with accessing and participating in substance use disorder treatment and services;

(6) Assistance with medication administration and medication management;

(7) Assistance with understanding communication whether verbal or written;

(8) Community inclusion and active participation in the community;

(9) Transportation;

(10) Adult educational supports, which may include assistance and support with enrolling in educational opportunities and participation in education and training;

(11) Social and leisure skill development;

(12) Personal care; and

(13) Protective oversight and supervision.

b. Setting requirements. Home-based habilitation services shall occur in the member's home and community.

(1) A member may live in the member's own home, within the home of the member's family or legal representative, or in another community living arrangement that meets the criteria in 441—subrule 77.30(5).

(2) A member living with the member's family or legal representative is not subject to the criteria in 441—paragraphs 77.30(7)*"d"* and *"e."*

(3) A member may not reside in a licensed medical or health care facility or in a setting that is required to be licensed as a medical or health care facility.

c. Home-based habilitation level of service criteria. Home-based habilitation services shall be available to members based on the member's most current LOCUS/CALOCUS actual disposition score, according to the following criteria:

(1) Intensive IV residential habilitation services. Intensive IV services are provided 24 hours per day. To be eligible for intensive IV services, a member must meet the following criteria:

1. The member has a LOCUS/CALOCUS actual disposition of level six medically managed residential services, and

2. The member is in need of 24-hour supervised and monitored treatment to maintain or improve functioning and avoid relapse that would require a higher level of treatment;

(2) Intensive III services are provided 17 to 24 hours per day. To be eligible for intensive III services, the member must have a LOCUS/CALOCUS actual disposition of level five.

(3) Intensive II services are provided 13 to 16.75 hours per day. To be eligible for intensive II services, the member must have a LOCUS/CALOCUS actual disposition of level four.

(4) Intensive I services are provided 9 to 12.75 hours per day. To be eligible for intensive I services, the member must have a LOCUS/CALOCUS actual disposition of level three.

(5) Medium need services are provided 4.25 to 8.75 hours per day as needed. To be eligible for medium need services, the member must have a LOCUS/CALOCUS actual disposition of level two.

(6) Recovery transitional services are provided 2.25 to 4 hours per day as needed. To be eligible for recovery transitional services, the member must have a LOCUS/CALOCUS actual disposition of level one.

(7) High recovery services are provided 0.25 to 2 hours per day as needed. To be eligible for high recovery services, the member must have a LOCUS/CALOCUS actual disposition of level one.

d. Additional criteria for receiving home-based habilitation services for transition-age youth 16 to 18 years of age.

(1) Members residing in the family home may receive home-based habilitation services as needed, subject to the criteria set forth in this rule.

(2) Individuals 16 to 18 years of age shall receive 24-hour site supervision and support.

(3) Members residing outside of the family home may receive daily home-based habilitation in a provider-owned or controlled setting when the following criteria are met:

1. The proposed living environment must meet HCBS setting requirements in accordance with 441—subrule 77.30(5).

2. All providers of the service setting being requested must meet the following additional safety and service requirements for serving youth under the age of 18:

- Individuals under the age of 18 may not reside in settings with individuals over the age of 21.
- The comprehensive service plan shall specifically identify educational services and supports for individuals who have not obtained a high school diploma or equivalent.
- For individuals who have obtained a high school diploma or equivalent, the comprehensive service plan shall include supported employment, additional training, or educational supports.

(4) The member's parent or guardian has consented to home-based habilitation services.

(5) The member is able to pay room and board costs (funding sources may include but are not limited to supplemental security income, child support, adoptions subsidy, or private funds).

(6) Youth under the age of 16 needing daily home-based habilitation outside the family home must receive services in a licensed or certified residential-based supported community living setting.

e. Exclusions. Home-based habilitation payment will not be made for the following:

(1) Room and board and maintenance costs, including the cost of rent or mortgage, utilities, telephone, food, household supplies, and building maintenance, upkeep, or improvement.

(2) Service activities associated with vocational services, day care, medical services, or case management.

(3) Transportation to and from a day program.

(4) Services provided to a member who lives in a licensed residential care facility of more than 16 persons.

(5) Services provided to a member who lives in a facility that provides the same service as part of an inclusive or "bundled" service rate, such as a nursing facility or an ICF/ID.

(6) Personal care and protective oversight and supervision may be a component part of home-based habilitation services but may not comprise the entirety of the service.

78.27(8) *Day habilitation.* "Day habilitation" means services that provide opportunities and support for community inclusion and build interest in and develop skills for active participation in recreation, volunteerism and integrated community employment. Day habilitation provides assistance with acquisition, retention, or improvement of socialization, community participation, and daily living skills.

a. Scope. Day habilitation activities and environments are designed to foster the acquisition of skills, positive social behavior, greater independence, and personal choice. Services focus on supporting the member to participate in the community, develop social roles and relationships, and increase independence and the potential for employment. Services are designed to assist the member to attain or maintain the member's individual goals as identified in the member's comprehensive service plan. Services may also provide wraparound support secondary to community employment. Day habilitation activities may include:

(1) Identifying the member's interests, preferences, skills, strengths and contributions,

(2) Identifying the conditions and supports necessary for full community inclusion and the potential for competitive integrated employment,

(3) Planning and coordination of the member's individualized daily and weekly day habilitation schedule,

(4) Developing skills and competencies necessary to pursue competitive integrated employment,

(5) Participating in community activities related to hobbies, leisure, personal health, and wellness,

(6) Participating in community activities related to cultural, civic, and religious interests,

(7) Participating in adult learning opportunities,

(8) Participating in volunteer opportunities,

(9) Training and education in self-advocacy and self-determination to support the member's ability to make informed choices about where to live, work, and recreate,

(10) Assistance with behavior management and self-regulation,

(11) Use of transportation and other community resources,

(12) Assistance with developing and maintaining natural relationships in the community,

(13) Assistance with identifying and using natural supports,

(14) Assistance with accessing financial literacy and benefits education,

(15) Other activities deemed necessary to assist the member with full participation in the community, developing social roles and relationships, and increasing independence and the potential for employment.

b. Family training option. Day habilitation services may include training families in treatment and support methodologies or in the care and use of equipment. Family training may be provided in the member's home. The unit of service is 15 minutes. The units of services payable are limited to a maximum of 40 units per month.

c. Expected outcome of service. The expected outcome of day habilitation services is active participation in the community in which the member lives, works, and recreates. Members are expected to have opportunities to interact with individuals without disabilities in the community, other than those providing direct services, to the same extent as individuals without disabilities.

d. Setting. Day habilitation shall take place in community-based, nonresidential settings separate from the member's residence. Family training may be provided in the member's home.

e. Duration. Day habilitation services shall be furnished as specified in the member's comprehensive service plan. Meals provided as part of day habilitation shall not constitute a full nutritional regimen (three meals per day).

f. Unit of service. A unit of day habilitation is 15 minutes (up to 16 units per day) or a full day (4.25 to 8 hours).

g. Concurrent services. A member's comprehensive service plan may include two or more types of nonresidential habilitation services (e.g., day habilitation, individual supported employment, long-term job coaching, small-group supported employment, and prevocational services). However, more than one service may not be billed during the same period of time (e.g., the same hour).

h. Transportation. When transportation is provided to the day habilitation service location from the member's home and from the day habilitation service location to the member's home, the day habilitation provider may bill for the time spent transporting the member.

i. Exclusions. Day habilitation payment will not be made for the following:

(1) Services that are available to the individual under a program funded under Section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq. as amended to July 1, 2026). Documentation that funding is not available to the individual for the service under these programs shall be maintained in the service plan of each member receiving day habilitation services.

(2) Compensation to members for participating in day habilitation.

(3) Support for members volunteering in for-profit organizations and businesses.

(4) Support for members volunteering to benefit the day habilitation service provider.

78.27(9) *Prevocational service habilitation.* "Prevocational services" means services that provide career exploration, learning and work experiences, including volunteer opportunities, where the member can develop non-job-task-specific strengths and skills that lead to paid employment in individual community settings.

a. Scope. Prevocational services are provided to persons who are expected to be able to join the general workforce with the assistance of supported employment. Prevocational services are intended to develop and teach general employability skills relevant to successful participation in individual employment. These skills include but are not limited to the ability to communicate effectively with supervisors, coworkers and customers; an understanding of generally accepted community workplace conduct and dress; the ability to follow directions; the ability to attend to tasks; workplace problem-solving skills and strategies; general workplace safety and mobility training; the ability to navigate local transportation options; financial literacy skills; and skills related to obtaining employment.

Prevocational services include career exploration activities to facilitate successful transition to individual employment in the community. Participation in prevocational services is not a prerequisite for individual or small-group supported employment services.

(1) Career exploration. Career exploration activities are designed to develop an individual career plan and facilitate the member's experientially based informed choice regarding the goal of individual employment. Career exploration may be provided in small groups of no more than four members to participate in career exploration activities that include business tours, attending industry education events, benefit information, financial literacy classes, and attending career fairs. Career exploration may be authorized for up to 34 hours, to be completed over 90 days in the member's local community or nearby communities and may include but is not limited to the following activities:

1. Meeting with the member and the member's family, guardian or legal representative to introduce them to supported employment and explore the member's employment goals and experiences,
2. Business tours,
3. Informational interviews,
4. Job shadows,
5. Benefits education and financial literacy,
6. Assistive technology assessment, and
7. Job exploration events.

(2) Expected outcome of service.

1. The expected outcome of prevocational services is individual employment in the general workforce, or self-employment, in a setting typically found in the community, where the member interacts with individuals without disabilities, other than those providing services to the member or other individuals with disabilities, to the same extent that individuals without disabilities in comparable positions interact with other persons; and for which the member is compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities.

2. The expected outcome of the career exploration activity is a written career plan that will guide employment services that lead to community employment or self-employment for the member.

b. Setting. Prevocational services shall take place in community-based nonresidential settings.

c. Concurrent services. A member's individual service plan may include two or more types of nonresidential habilitation services (e.g., individual supported employment, long-term job coaching, small-group supported employment, prevocational services, and day habilitation); however, more than one service may not be billed during the same period of time (e.g., the same hour).

d. Exclusions. Prevocational services payment shall not be made for the following:

(1) Services that are available to the individual under a program funded under Section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq. as amended to July 1, 2026). Documentation that funding is not available to the individual for the service under these programs shall be maintained in the service plan of each member receiving prevocational services.

(2) Services available to the individual that duplicate or replace education or related services defined in the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq. as amended to July 1, 2026).

(3) Compensation to members for participating in prevocational services.

(4) Support for members volunteering in for-profit organizations and businesses other than for-profit organizations, or businesses that have formal volunteer programs in place (e.g., hospitals, nursing homes), and support for members volunteering to benefit the service provider.

(5) The provision of vocational services delivered in facility-based settings where individuals are supervised for the primary purpose of producing goods or performing services or where services are aimed at teaching skills for specific types of jobs rather than general skills.

(6) A prevocational service plan with the goal or purpose of the service documented as maintaining or supporting the individual in continuing prevocational services or any employment situation similar to sheltered employment.

e. Limitations.

(1) Time limitation for members starting prevocational services. For members starting prevocational services, participation in these services is limited to 24 calendar months. This time limit can be extended to continue beyond 24 months if one or more of the following conditions apply:

1. The member who is in prevocational services is also working in either individual or small-group community employment for at least the number of hours per week desired by the member, as identified in the member's current service plan; or

2. The member who is in prevocational services is also working in either individual or small-group community employment for less than the number of hours per week the member desires, as identified in the member's current service plan, but the member has services documented in the member's current service plan, or through another identifiable funding source (e.g., Iowa vocational rehabilitation services (IVRS)), to increase the number of hours the member is working in either individual or small-group community employment; or

3. The member is actively engaged in seeking individual or small-group community employment or individual self-employment, and services for this are included in the member's current service plan or services funded through another identifiable funding source (e.g., IVRS) are documented in the member's service plan; or

4. The member has requested supported employment services from Medicaid and IVRS in the past 24 months, and the member's request has been denied or the member has been placed on a waiting list by both Medicaid and IVRS; or

5. The member has been receiving individual supported employment services (or comparable services available through IVRS) for at least 18 months without obtaining individual or small-group community employment or individual self-employment; or

6. The member is participating in career exploration activities as described in subparagraph 78.27(9)*"a"*(1).

(2) Time limitation for members enrolled in prevocational services. For members enrolled in prevocational services, participation in these services is limited to 90 business days beyond the completion of the career exploration activity including the development of the career plan described in subparagraph 78.27(9)*"a"*(1). This time limit can be extended as stated in numbered paragraphs 78.27(9)*"e"*(1)"1" through "6." If the criteria in numbered paragraphs 78.27(9)*"e"*(1)"1" through "6" do not apply, the member will not be reauthorized to continue prevocational services.

78.27(10) *Supported employment services.*

a. Individual supported employment. Individual supported employment involves supports provided to, or on behalf of, the member that enable the member to obtain and maintain individual employment. Services are provided to members who need support because of their disabilities.

(1) Scope. Individual supported employment services are services provided to, or on behalf of, the member that enable the member to obtain and maintain an individual job in competitive employment, customized employment or self-employment in an integrated work setting in the general workforce.

(2) Expected outcome of service. The expected outcome of this service is sustained employment, or self-employment, paid at or above the minimum wage or the customary wage and level of benefits paid by an employer, in an integrated setting in the general workforce, in a job that meets personal and career goals. Successful transition to long-term job coaching, if needed, is also an expected outcome of this service.

An expected outcome of supported self-employment is that the member earns income that is equal to or exceeds the average income for the chosen business within a reasonable period of time.

(3) Setting. Individual supported employment services shall take place in integrated work settings. For self-employment, the member's home can be considered an integrated work setting. Employment in the service provider's organization (not including a sheltered workshop or similar type of work setting where members are paid for the production of goods or services) can be considered employment in an integrated work setting in the general workforce if the employment occurs in a work setting where interactions are predominantly with coworkers or business associates who do not have disabilities or with the general public.

(4) Individual employment strategies include but are not limited to customized employment, individual placement and support, and supported self-employment. Service activities are individualized and may include any combination of the following:

1. Benefits education.
2. Career exploration (e.g., tours, informational interviews, job shadows).
3. Employment assessment.
4. Assistive technology assessment.
5. Trial work experience.
6. Person-centered employment planning.
7. Development of visual/traditional résumés.
8. Job-seeking skills training and support.
9. Outreach to prospective employers on behalf of the member (e.g., job development; negotiation with prospective employers to customize, create or carve out a position for the member; employer needs analysis).
10. Job analysis (e.g., work site assessment or job accommodations evaluation).
11. Identifying and arranging transportation.
12. Career advancement services (e.g., assisting a member in making an upward career move or seeking promotion from an existing employer).
13. Reemployment services (if necessary due to job loss).
14. Financial literacy and asset development.
15. Other employment support services deemed necessary to enable the member to obtain employment.
16. Systematic instruction and support during initial on-the-job training including initial on-the-job training to stabilization.
17. Engagement of natural supports during initial period of employment.
18. Implementation of assistive technology solutions during initial period of employment.
19. Transportation of the member during service hours.
20. Initial on-the-job training to stabilization activity.

(5) Self-employment. Individual employment may also include support to establish a viable self-employment opportunity, including home-based self-employment. An expected outcome of supported self-employment is that the member earns income that is equal to or exceeds the average income for the chosen business within a reasonable period of time. In addition to the activities listed under subparagraph 78.27(10)*"a"*(4), assistance to establish self-employment may include:

1. Aid to the member in identifying potential business opportunities.
2. Assistance in the development of a business plan, including identifying potential sources of business financing and other assistance in developing and launching a business.
3. Identification of the long-term supports necessary for the individual to operate the business.

b. Long-term job coaching. Long-term job coaching is support provided to, or on behalf of, the member that enables the member to maintain an individual job in competitive employment, customized employment or self-employment in an integrated work setting in the general workforce.

(1) Scope. Long-term job coaching services are provided to or on behalf of members who need support because of their disabilities and who are unlikely to maintain and advance in individual

employment absent the provision of supports. Long-term job coaching services shall provide individualized and ongoing support contacts at intervals necessary to promote successful job retention and advancement.

(2) Expected outcome of service. The expected outcome of this service is sustained employment paid at or above the minimum wage in an integrated setting in the general workforce, in a job that meets the member's personal and career goals. An expected outcome of supported self-employment is that the member earns income that is equal to or exceeds the average income for the chosen business within a reasonable period of time.

(3) Setting. Long-term job coaching services shall take place in integrated work settings. For self-employment, the member's home can be considered an integrated work setting. Employment in the service provider's organization (not including a sheltered workshop or similar type of work setting) can be considered employment in an integrated work setting in the general workforce if the employment occurs in a work setting where interactions are predominantly with coworkers or business associates who do not have disabilities, or with the general public, and if the position would exist within the provider's organization were the provider not being paid to provide the job coaching to the member.

(4) Service activities. Long-term job coaching services are designed to assist the member with learning and retaining individual employment, resulting in workplace integration, which allows the reduction of long-term job coaching over time. Services are individualized, and service plans are adjusted as support needs change and may include any combination of the following activities with or on behalf of the member:

1. Job analysis.
2. Job training and systematic instruction.
3. Training and support for use of assistive technology/adaptive aids.
4. Engagement of natural supports.
5. Transportation coordination.
6. Job retention training and support.
7. Benefits education and ongoing support.
8. Supports for career advancement.
9. Financial literacy and asset development.
10. Employer consultation and support.
11. Negotiation with employer on behalf of the member (e.g., accommodations; employment conditions; access to natural supports; and wage and benefits).
12. Other workplace support services may include services not specifically related to job skill training that enable the waiver member to be successful in integrating into the job setting.
13. Transportation of the member during service hours.
14. Career exploration services leading to increased hours or career advancement.

(5) Self-employment long-term job coaching. Self-employment long-term job coaching may include support to maintain a self-employment opportunity, including home-based self-employment. In addition to the activities listed under subparagraph 78.27(10)*"b"*(4), assistance to maintain self-employment may include:

1. Ongoing identification of the supports necessary for the individual to operate the business;
2. Ongoing assistance, counseling and guidance to maintain and grow the business; and
3. Ongoing benefits education and support.

(6) The hours of support for long-term job coaching are based on the identified needs of the member as documented in the member's comprehensive service plan.

c. Small-group supported employment. Small-group supported employment services are training and support activities provided in regular business or industry settings for groups of two to eight workers with disabilities. The outcome of this service is sustained paid employment experience, skill development, career exploration and planning leading to referral for services to obtain individual integrated employment or self-employment for which an individual is compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities.

(1) Scope. Small-group supported employment services must be provided in a manner that promotes integration into the workplace and interaction between members and people without disabilities (e.g., customers, coworkers, natural supports) in those workplaces. Examples include but are not limited to mobile crews and other business-based workgroups employing small groups of workers with disabilities in employment in integrated business settings; and small-group activities focused on career exploration and development of strengths and skills that contribute to successful participation in individual community employment.

(2) Expected outcome of service. Small-group supported employment services are expected to enable the member to make reasonable and continued progress toward individual employment. Participation in small-group supported employment services is not a prerequisite for individual supported employment services. The expected outcome of the service is sustained paid employment and skill development that leads to individual employment in the community.

(3) Setting. Small-group supported employment services shall take place in integrated, community-based nonresidential settings separate from the member's residence.

(4) Service activities. Small-group supported employment services may include any combination of the following activities:

1. Employment assessment.
2. Person-centered employment planning.
3. Job placement (limited to service necessary to facilitate hire into individual employment paid at minimum wage or higher for a member in small-group supported employment who receives an otherwise unsolicited offer of a job from a business where the member has been working in a mobile crew or enclave).
4. Job analysis.
5. On-the-job training and systematic instruction.
6. Job coaching.
7. Transportation planning and training.
8. Benefits education.
9. Career exploration services leading to career advancement outcomes.
10. Other workplace support services may include services not specifically related to job skill training that enable the waiver member to be successful in integrating into the individual or community setting.
11. Transportation of the member during service hours.

d. Individual placement and support (IPS).

(1) IPS shall include the following activities, which shall be described and documented in the member's employment plan:

1. Development of the career profile, including previous work experience, goals, preferences, strengths, barriers, skills, disclosure preferences, career advancement, education and plan for graduation.
2. Integration of IPS team members and the behavioral health team, including routine staffing meetings regarding IPS clients.
3. Addressing barriers to employment, which may be actual or perceived. Support may include addressing justice system involvement, a lack of work history, limited housing, child care, and transportation.
4. Rapid job search and systematic job development. Community and employment supports (CESs) help members seek jobs directly and do not provide extensive preemployment assessment and training or intermediate work experiences. The job process begins within 30 days of starting IPS services. This rapid job search is supported by CESs developing relationships with employers through multiple face-to-face meetings. CESs take time to learn about the employers' needs and the work environment while gathering information about job opportunities that might be a good fit for individuals they are working with.
5. Disclosure counseling, to assist the member in making an informed decision on disclosure of a disability to a prospective or current employer.
6. Identification and implementation of job accommodations and assistive technology supports.

7. Ongoing benefits counseling. The member must receive information on available work incentive programs, or referral to professional benefits counselors for a personalized work incentives plan for any state or federal entitlement.

8. Time-unlimited follow-along supports. These supports are planned for early in the employment process, are personalized, and follow the member for as long as the member needs support. The focus is supporting the member in becoming as independent as possible and involving family members, co-workers, and other natural supports. These supports can be provided on or off the job site and focus on the continued acquisition and development of skills needed to maintain employment.

(2) Units of service. Reimbursement is made for each outcome achieved for the member participating in the IPS supported employment model. Outcomes are as follows:

1. Outcome #1: Completed employment plan.
2. Outcome #2: First day of successful job placement.
3. Outcome #3: 45 days successful job retention.
4. Outcome #4: 90 days successful job retention.

e. Service requirements for all supported employment services.

(1) Community transportation options (e.g., transportation provided by family, coworkers, carpools, volunteers, self or public transportation) shall be identified by the member's interdisciplinary team and utilized before the service provider provides the transportation to and from work for the member. If none of these options are available to a member, transportation between the member's place of residence and the employment or service location may be included as a component part of supported employment services.

(2) Personal care or personal assistance and protective oversight may be a component part of supported employment services, but may not comprise the entirety of the service.

(3) Activities performed on behalf of a member receiving long-term job coaching or individual or small-group supported employment shall not comprise the entirety of the service.

(4) Concurrent services. A member's individual service plan may include two or more types of nonresidential services (e.g., individual supported employment, long-term job coaching, small-group supported employment, prevocational services, and day habilitation); however, more than one service may not be billed during the same period of time (e.g., the same hour).

(5) Integration requirements. In the performance of job duties, the member shall have regular contact with other employees or members of the general public who do not have disabilities, unless the absence of regular contact with other employees or the general public is typical for the job as performed by persons without disabilities.

(6) Compensation. Members receiving these services are compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals without disabilities. For supported self-employment, the member earns income that is equal to or exceeds the average income for the chosen business within a reasonable period of time. For small-group supported employment, if the member is not compensated at or above minimum wage, the compensation to the member shall be in accordance with all applicable state and federal labor laws and regulations.

f. Limitations. Supported employment services are limited as follows:

(1) Total monthly costs of supported employment may not exceed the monthly cap on the cost of waiver services set for the individual waiver program.

(2) In absence of a monthly cap on the cost of waiver services, the total monthly cost of all supported employment services may not exceed the cost limitations published on the Iowa Medicaid fee schedule webpage.

(3) Individual supported employment is limited to 60 hourly units per calendar year.

(4) Long-term job coaching is limited in accordance with 441—subrule 79.1(2).

(5) Small-group supported employment is limited to 160 units per week.

g. Exclusions. Supported employment services payments will not be made for the following:

(1) Services that are available to the individual under a program funded under Section 110 of the Rehabilitation Act of 1973 or the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq. as amended to July 1, 2026). Documentation that the service is not available to the individual under

these programs shall be maintained in the service plan of each member receiving individual supported employment or long-term job coaching services.

(2) Incentive payments, not including payments for coworker supports, made to an employer to encourage or subsidize the employer's participation in a supported employment program.

(3) Subsidies or payments that are passed through to users of supported employment programs.

(4) Training that is not directly related to a member's supported employment program.

(5) Services involved in placing and stabilizing members in day activity programs, work activity programs, sheltered workshop programs or other similar types of vocational or prevocational services furnished in specialized facilities that are not a part of the general workplace.

(6) Supports for placement and stabilization in volunteer positions or unpaid internships. Such volunteer learning and unpaid training activities that prepare a person for entry into the general workforce are addressed through prevocational services and career exploration activities.

(7) Tuition for education or vocational training.

(8) Individual advocacy that is not related to integrated individual employment participation or is not member-specific.

(9) Medicaid funds may not be used to defray the expenses associated with starting up or operating a business.

78.27(11) *Adverse service actions.*

a. Denial. Services will be denied when the department determines that:

(1) The member is not eligible for or in need of home- and community-based habilitation services.

(2) The service is not identified in the member's comprehensive service plan or treatment plan.

(3) Needed services are not available or received from qualifying providers, or no qualifying providers are available.

(4) The member's service needs exceed the unit or reimbursement maximums for a service as set forth in 441—subrule 79.1(2).

(5) Completion or receipt of required documents for the program has not occurred.

b. Reduction. A particular home- and community-based habilitation service may be reduced when the department determines that continued provision of service at its current level is not necessary.

c. Termination. A particular home- and community-based habilitation service may be terminated when the department determines that:

(1) The member's income exceeds the allowable limit, or the member no longer meets other eligibility criteria for the program established by the department.

(2) The service is not identified in the member's comprehensive service plan.

(3) Needed services are not available or received from qualifying providers, or no qualifying providers are available.

(4) The member's service needs are not being met by the services provided.

(5) The member has received care in a medical institution for 120 consecutive days in any one stay. When a member has been an inpatient in a medical institution for 120 consecutive days, the department will issue a notice of decision pursuant to 441—Chapter 16 to inform the member of the service termination. If the member returns home before the effective date of the notice of decision and the member's condition has not substantially changed, the decision will be rescinded, and eligibility for home- and community-based habilitation services shall continue.

(6) The member's service needs exceed the unit or reimbursement maximums for a service as established by the department.

(7) Duplication of services provided during the same period has occurred.

(8) The member or the member's legal representative, through the interdisciplinary process, requests termination of the service.

(9) Completion or receipt of required documents for the program has not occurred, or the member refuses to allow documentation of eligibility as to need and income.

d. Appeal rights. The department shall give notice of any adverse action pursuant to 441—Chapter 16 and the right to appeal in accordance with 441—Chapter 2506. The member is entitled to have a review of the determination of needs-based eligibility or of the actual disposition score by sending

a letter requesting a review to Iowa Medicaid at the department's address. If dissatisfied with that decision, the member may file an appeal with the department.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.28(249A) List of medical services and equipment requiring prior authorization, preprocedure review or preadmission review.

78.28(1) Services, procedures, and medications prescribed by a physician, PA, or ARNP that are subject to prior authorization or preprocedure review are as follows or as specified in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A:

a. Drugs require prior authorization as specified in the preferred drug list published by the department pursuant to Iowa Code section 249A.20A. For drugs requiring prior authorization, reimbursement will be made for a 72-hour supply dispensed in an emergency when a prior authorization request cannot be submitted.

b. Reserved.

c. Enteral products and enteral delivery pumps and supplies. Payment will be approved pursuant to the criteria in subrule 78.10(5).

d. Reserved.

e. Speech generating device. Payment will be approved pursuant to the criteria in subrule 78.10(5).

f. Preprocedure review by Iowa Medicaid will be required if payment under Medicaid is to be made for certain frequently performed surgical procedures that have a wide variation in the relative frequency the procedures are performed. Preprocedure surgical review applies to surgeries performed in hospitals (outpatient and inpatient) and ambulatory surgical centers. Approval by Iowa Medicaid will be granted only if the procedures are determined to be medically necessary based on the condition of the patient and on the criteria established by the department. If not approved by Iowa Medicaid, payment will not be made under the program to the physician or to the facility in which the surgery is performed. The criteria are available from Iowa Medicaid.

g. Enclosed beds. Payment will be approved pursuant to the criteria in subrule 78.10(5).

h. Prior authorization is required for external insulin infusion pumps and is granted according to Medicare coverage criteria.

i. Oral nutritional products. Payment will be approved pursuant to the criteria in subrule 78.10(5).

j. Vest airway clearance system. Payment will be approved pursuant to the criteria in subrule 78.10(5).

k. DME rebate agreements. Payment will be approved pursuant to the criteria in subrule 78.10(5).

l. Reimbursement over the established Medicaid fee schedule amount. Payment will be approved pursuant to the criteria in subrule 78.10(5).

m. Bathtub/shower chair, bench. Payment will be approved pursuant to the criteria in subrule 78.10(5).

n. Patient lift, nonstandard. Payment will be approved pursuant to the criteria in subrule 78.10(5).

o. Power wheelchair attendant control. Payment will be approved pursuant to the criteria in subrule 78.10(5).

p. Shower commode chair. Payment will be approved pursuant to the criteria in subrule 78.10(5).

q. Ventilator, secondary. Payment will be approved pursuant to the Medicare coverage criteria.

r. Customized wheelchairs, subject to the requirements of paragraph 78.10(2)*"d."*

78.28(2) Notwithstanding the provisions of paragraph 78.28(1)*"a,"* under both Medicaid fee-for-service and managed care administration, at least one form of each of the following drugs for medication-assisted treatment as approved by the United States Food and Drug Administration for treatment of substance use disorder or overdose treatment will be available without prior authorization:

a. Buprenorphine,

b. Buprenorphine and naloxone combination,

c. Methadone,

d. Naltrexone, and

e. Naloxone.

For the purpose of this subrule, "medication-assisted treatment" means the medically monitored use of certain substance use disorder medications in combination with treatment services.

78.28(3) Dental services. Dental services requiring prior approval are outlined in the Iowa Medicaid Dental Provider Manual as amended to July 1, 2026.

78.28(4) Optometric services and ophthalmic materials that must be submitted for prior approval are as follows:

a. A second lens correction within a 24-month period for members eight years of age and older. Payment will be made when the member's vision has at least a five-tenths diopter of change in sphere or cylinder or ten-degree change in axis in either eye.

b. Visual therapy may be authorized when warranted by case history or diagnosis for a period of time not greater than 90 days. Should continued therapy be warranted, the prior approval process should be reaccomplished, accompanied by a report showing satisfactory progress. Approved diagnoses are convergence insufficiency and amblyopia. Visual therapy is not covered when provided by opticians.

c. Subnormal visual aids where near visual acuity is better than 20/100 at 16 inches, 2M print. Prior authorization is not required if near visual acuity as described above is less than 20/100. Subnormal aids include but are not limited to hand magnifiers, loupes, telescopic spectacles or reverse Galilean telescope systems.

d. Photochromatic tint. Approval will be given when the member has a documented medical condition that causes photosensitivity and less costly alternatives are inadequate.

e. Press-on prisms. Approval will be granted for members whose vision cannot be adequately corrected with other covered prisms.

For all of the above, the optometrist shall furnish sufficient information to clearly establish that these procedures are necessary in terms of the visual condition of the patient pursuant to rule 441—78.7(249A) and subrule 78.1(18).

78.28(5) Hearing aids that must be submitted for prior approval are:

a. Replacement of a hearing aid less than four years old (except when the member is under 21 years of age). The department will approve payment when the original hearing aid is lost or broken beyond repair or there is a significant change in the person's hearing that would require a different hearing aid.

b. A hearing aid costing more than $650. The department will approve payment for either of the following purposes:

(1) Educational purposes when the member is participating in primary or secondary education or in a postsecondary academic program leading to a degree and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

(2) Vocational purposes when documentation submitted indicates the necessity, such as varying amounts of background noise in the work environment and a need to converse in order to do the job and an in-office comparison of an analog aid and a digital aid matched (+/- 5dB) for gain and output shows a significant improvement in either speech recognition in quiet or speech recognition in noise or an in-office comparison of two aids, one of which is single channel, shows significantly improved audibility.

78.28(6) Hospital services requiring prior approval, preprocedure review or preadmission review are outlined in the Acute Hospitals Provider Manual as amended to July 1, 2026.

78.28(7) Ambulatory surgical centers are subject to prior approval and preprocedure review as set forth in the Ambulatory Surgical Centers Provider Manual as amended to July 1, 2026.

78.28(8) All assertive community treatment (ACT) services require prior approval. EXCEPTION: If ACT services are initiated before Medicaid eligibility is established, prior approval is required for ACT services beginning with the second month following notice of Medicaid eligibility.

a. Approval will be granted if ACT services are determined to be medically necessary. Approval will be limited to no more than 180 days.

b. A new prior approval must be obtained to continue ACT services after the expiration of a previous approval.

78.28(9) Nursing, psychosocial, developmental therapies and personal care services provided by a licensed child care center for members aged 20 or under require prior approval and will be approved if the services are determined to be medically necessary. The request for prior authorization shall include a nursing assessment, the plan of care, and supporting documentation and shall identify the types and service delivery levels of all other services provided to the member whether or not the services are reimbursable by Medicaid. Providers shall indicate the expected number of nursing, home health aide or behavior intervention hours per day, the number of days per week, and the number of weeks or months of service based on the plan of care using a combined hourly rate.

78.28(10) Private duty nursing or personal care services provided by a home health agency provider for persons aged 20 or under require prior approval and will be approved if determined to be medically necessary. Payment will be made on an hourly unit of service.

a. Definitions.

(1) Private duty nursing services are those services provided by a registered nurse or a licensed practical nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, ICFs/ID, or hospitals.

Services shall be provided according to a written plan of care authorized by a licensed physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment. These services shall exceed intermittent guidelines as defined in subrule 78.9(3). Private duty nursing and personal care services shall be inclusive of all home health agency services personally provided to the member.

Private duty nursing services do not include:

1. Respite care, which is a temporary intermission or period of rest for the caregiver.
2. Nurse supervision services including chart review, case discussion or scheduling by a registered nurse.
3. Services provided to other persons in the member's household.
4. Services requiring prior authorization that are provided without regard to the prior authorization process.

(2) Personal care services are those services provided by a home health aide or certified nurse's aide and that are delegated and supervised by a registered nurse under the direction of the member's physician to a member in the member's place of residence or outside the member's residence, when normal life activities take the member outside the place of residence. Place of residence does not include nursing facilities, ICFs/ID, or hospitals. Payment for personal care services for persons aged 20 and under that exceed intermittent guidelines may be approved if determined to be medically necessary as defined in subrule 78.9(7). These services shall be in accordance with the member's plan of care and authorized by a physician. The home health agency is encouraged to collaborate with the member, or in the case of a child with the child's caregiver, in the development and implementation of the plan of treatment.

Medical necessity means the service is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent the worsening of conditions that endanger life, cause pain, result in illness or infirmity, threaten to cause or aggravate a disability or chronic illness, and no other equally effective course of treatment is available or suitable for the member requesting a service.

b. Requirements.

(1) Private duty nursing or personal care services shall be ordered in writing by a physician as evidenced by the physician's signature on the plan of care.

(2) Private duty nursing or personal care services will be authorized by the department or the department's designated review agent prior to payment.

(3) Prior authorization shall be requested at the time of initial submission of the plan of care or at any time the plan of care is substantially amended and will be renewed with the department or the department's designated review agent. Initial request for and request for renewal of prior authorization shall be submitted to the department's designated review agent. The provider of the service is responsible for requesting prior authorization and for obtaining renewal of prior authorization.

The request for prior authorization shall include a nursing assessment, the plan of care, and supporting documentation. The request for prior authorization shall include all items previously identified as required treatment plan information and shall further include: any planned surgical interventions and projected time frame; information regarding caregiver's desire to become involved in the member's care, to adhere to program objectives, to work toward treatment plan goals, and to work toward maximum independence; and identify the types and service delivery levels of all other services to the member whether or not the services are reimbursable by Medicaid. Providers shall indicate the expected number of private duty nursing RN hours, private duty nursing LPN hours, or home health aide hours per day, the number of days per week, and the number of weeks or months of service per discipline. If the member is currently hospitalized, the projected date of discharge shall be included.

Prior authorization approvals will not be granted for treatment plans that exceed 16 hours of home health agency services per day.

78.28(11) Replacement of vibrotactile aids less than four years old will be approved when the original aid is broken beyond repair or lost.

78.28(12) High-technology radiology procedures.

a. Except as provided in paragraph 78.28(12)*"b,"* the following radiology procedures require prior approval:

(1) Magnetic resonance imaging (MRIs);

(2) Computed tomography (CTs), including combined abdomen and pelvis CT scans;

(3) Computed tomographic angiographs (CTAs);

(4) Positron emission tomography (PETs); and

(5) Magnetic resonance angiography (MRAs).

b. Notwithstanding paragraph 78.28(12)*"a,"* prior authorization is not required when any of the following applies:

(1) Radiology procedures are billed on a CMS 1500 claim for places of service "hospital inpatient" (POS 21) or "hospital emergency room" (POS 23), or on a UB04 claim with revenue code 45X;

(2) The member has Medicare coverage;

(3) A radiology procedure is ordered or requested by the department, a state district court, law enforcement, or other similar entity for the purposes of a child abuse/neglect investigation, as documented by the provider.

c. Prior approval will be granted if the procedure requested meets the requirements of 441—subrule 79.10(2), based on diagnosis, symptoms, history of illness, course of treatment, and treatment plan, as documented by the provider requesting prior approval.

d. Required requests for prior approval of radiology procedures must be submitted to the department.

e. When a member has received notice of retroactive Medicaid eligibility after receiving a radiology procedure for a date of service prior to the member's receipt of such notice and otherwise requiring prior approval pursuant to this rule, a retroactive authorization request must be submitted on an Outpatient Prior Authorization Request form and approved before any claim for payment is submitted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.29(249A) Behavioral health services. Payment will be made for medically necessary behavioral health services provided by a participating marital and family therapist, independent social worker, master social worker, mental health counselor, or certified alcohol and drug counselor within the practitioner's scope of practice pursuant to state law and subject to the limitations and exclusions set forth in this rule.

78.29(1) *Limitations.*

a. An assessment and a treatment plan are required.

b. Services provided by a licensed master social worker must be provided under the supervision of an independent social worker qualified to participate in the Medicaid program.

78.29(2) *Exclusions.* Payment will not be approved for the following services:

a. Services provided in a medical institution.

b. Services performed without relationship to a specific condition, risk factor, symptom, or complaint.

c. Services provided for nonspecific conditions of distress such as job dissatisfaction or general unhappiness.

d. Sensitivity training, marriage enrichment, assertiveness training, and growth groups or marathons.

78.29(3) *Payment.*

a. Payment will be made only for time spent in face-to-face consultation with the member.

b. A unit of service is 15 minutes. Time spent with members shall be rounded to the quarter hour, where applicable.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.30(249A) Birth centers. Payment will be made for prenatal, delivery, and postnatal services as outlined in the Birth Centers Provider Manual as amended to July 1, 2026.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.31(249A) Hospital outpatient services.

78.31(1) *Covered hospital outpatient services.* Payment will be approved only for the following outpatient hospital services and medical services when provided on the licensed premises of the hospital. Hospitals with alternate sites approved by the department of inspections, appeals, and licensing are acceptable sites. All outpatient services listed in paragraphs 78.31(1)*"g"* through *"m"* are subject to a random sample retrospective review for medical necessity by Iowa Medicaid. All services may also be subject to a more intensive retrospective review if abuse is suspected. Services in paragraphs 78.31(1)*"a"* through *"f"* shall be provided in hospitals on an outpatient basis and are subject to no further limitations except medical necessity of the service.

Services listed in paragraphs 78.31(1)*"g"* through *"m"* shall be provided by hospitals on an outpatient basis and must be certified by the department before payment may be made. Other limitations apply to these services.

a. Emergency service.
b. Outpatient surgery.
c. Laboratory, X-ray and other diagnostic services.
d. General or family medicine.
e. Follow-up or after-care specialty clinics.
f. Physical medicine and rehabilitation.
g. Substance use disorder.
h. Eating disorders.
i. Cardiac rehabilitation.
j. Mental health.
k. Pain management.
l. Diabetic education.
m. Pulmonary rehabilitation.
n. Nutritional counseling for persons aged 20 and under.

78.31(2) *Requirements for all outpatient services.*

a. Need for service. It must be clearly established that the service meets a documented need in the area served by the hospital. There must be documentation of studies completed, consultations with other health care facilities and health care professionals in the area, community leaders, and organizations to determine the need for the service and to tailor the service to meet that particular need.

b. Professional direction. All outpatient services must be provided by or at the direction and under the supervision of a medical doctor or osteopathic physician except for mental health services which may be provided by or at the direction and under the supervision of a medical doctor, osteopathic physician, or certified health service provider in psychology.

c. Goals and objectives. The goals and objectives of the program must be clearly stated. Paragraphs 78.31(2)*"d"* and *"f"* and the organization and administration of the program must clearly contribute to the fulfillment of the stated goals and objectives.

d. Treatment modalities used. The service must employ multiple treatment modalities and professional disciplines. The modalities and disciplines employed must be clearly related to the condition or disease being treated.

e. Criteria for selection and continuing treatment of patients. The condition or disease proposed to be treated must be clearly stated. Any indications for treatment or contraindications for treatment must be set forth together with criteria for determining the continued medical necessity of treatment.

f. Length of program. There must be established parameters that limit the program either in terms of its overall length or in terms of number of visits, etc.

g. Monitoring of services. The services provided by the program must be monitored and evaluated to determine the degree to which patients are receiving accurate assessments and effective treatment.

The monitoring of the services must be an ongoing plan and systematic process to identify problems in patient care or opportunities to improve patient care.

The monitoring and evaluation of the services are based on the use of clinical indicators that reflect those components of patient care important to quality.

h. Vaccines. In order to be paid for the outpatient administration of a vaccine covered under the VFC program, a hospital must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

78.31(3) *Application for certification.* Hospital outpatient programs listed in paragraphs 78.31(1)*"g"* through *"m"* must submit an application to Iowa Medicaid for certification before payment will be made. Iowa Medicaid will review the application against the requirements for the specific type of outpatient service and notify the provider whether certification has been approved.

Applications will consist of a narrative providing the following information:

a. Documented need for the program including studies, needs assessments, and consultations with other health care professionals.

b. Goals and objectives of the program.

c. Organization and staffing including how the program fits with the rest of the hospital, the number of staff, staff credentials, and the staff's relationship to the program, e.g., hospital employee, contractual consultant.

d. Policies and procedures including admission criteria, patient assessment, treatment plan, discharge plan and postdischarge services, and the scope of services provided, including treatment modalities.

e. Any accreditations or other types of approvals from national or state organizations.

f. The physical facility and any equipment to be utilized, and whether the facility is part of the hospital license.

78.31(4) *Requirements for specific types of service.*

a. Substance use disorder.

(1) Approval by joint commission. In addition to certification by the department, substance use disorder programs must also be approved by the joint commission.

(2) General characteristics. The services must be designed to identify and respond to the biological, psychological and social antecedents, influences and consequences associated with the recipient's dependence.

These needed services must be provided either directly by the facility or through referral, consultation or contractual arrangements or agreements.

Special treatment needs of recipients by reason of age, sex, sexual orientation, or ethnic origin are evaluated and services for children and adolescents (as well as adults, if applicable) address the special needs of these age groups including but not limited to learning problems in education, family involvement, developmental status, nutrition, and recreational and leisure activities.

(3) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience.

Professional disciplines that must be represented on the diagnostic and treatment staff, either through employment by the facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a licensed psychologist and a substance use counselor certified by the Iowa board of certification. Psychiatric

consultation must be available and the number of staff should be appropriate to the patient load of the facility.

(4) Initial assessment. A comprehensive assessment of the biological, psychological, social, and spiritual orientation of the patient must be conducted that shall include:

1. A history of the use of alcohol and other drugs including age of onset, duration, patterns, and consequences of use; use of alcohol and drugs by family members and types of and responses to previous treatment.
2. A comprehensive medical history and physical examination including the history of physical problems associated with dependence.
3. Appropriate laboratory screening tests based on findings of the history and physical examination and tests for communicable diseases when indicated.
4. Any history of physical abuse.
5. A systematic mental status examination with special emphasis on immediate recall and recent and remote memory.
6. A determination of current and past psychiatric and psychological abnormality.
7. A determination of any degree of danger to self or others.
8. The family's history of substance use disorders.
9. The patient's educational level, vocational status, and job performance history.
10. The patient's social support networks, including family and peer relationships.
11. The patient's perception of the patient's strengths, problem areas, and dependencies.
12. The patient's leisure, recreational, or vocational interests and hobbies.
13. The patient's ability to participate with peers and in programs and social activities.
14. Interviews of family members and significant others as available with the patient's written or verbal permission.
15. The patient's legal problems, if applicable.

(5) Admission criteria. Both of the first two criteria and one additional criterion from the following list must be present for a patient to be accepted for treatment.

1. Alcohol or drugs taken in greater amounts over a longer period than the person intended.
2. Two or more unsuccessful efforts to cut down or control use of alcohol or drugs.
3. Continued alcohol or drug use despite knowledge of having a persistent or recurrent family, social, occupational, psychological, or physical problem that is caused or exacerbated by the use of alcohol or drugs.
4. Marked tolerance: the need for markedly increased amounts of alcohol or drugs (i.e., at least a 50 percent increase) in order to achieve intoxication or desired effect or markedly diminished effect with continued use of same amount.
5. Characteristic withdrawal symptoms.
6. Alcohol or drugs taken often to relieve or avoid withdrawal symptoms.

(6) Plan of treatment. For each patient, there is a written comprehensive and individualized description of treatment to be undertaken. The treatment plan is based on the problems and needs identified in the assessment and specifies the regular times at which the plan will be reassessed to determine current clinical problems, needs, and responses to treatment. The plan shall include documentation of:

1. The patient's perception of needs and, when appropriate and available, the family's perception of the patient's needs.
2. The patient's participation in the development of the treatment plan.
3. Changes in treatment.

(7) Discharge plan. For each patient before discharge, a plan for discharge is designed to provide appropriate continuity of care that meets the following requirements:

1. The plan for continuing care must describe and facilitate the transfer of the patient and the responsibility for the patient's continuing care to another phase or modality of the program, other programs, agencies, persons or to the patient and the patient's personal support system.
2. The plan is in accordance with the patient's reassessed needs at the time of transfer.

3. The plan is developed in collaboration with the patient and, as appropriate and available, with the patient's written verbal permission with family members.

4. The plan is implemented in a manner acceptable to the patient and the need for confidentiality.

5. Implementation of the plan includes timely and direct communication with and transfer of information to the other programs, agencies, or persons who will be providing continuing care.

(8) Restrictions and limitations on payment. Medicaid will reimburse for a maximum of 28 treatment days. Payment beyond 28 days is made when documentation indicates that the patient has not reached an exit level. If an individual has completed all or part of the basic 28-day program, a repeat of the program will be reimbursed with justification. The program will include an aftercare component meeting weekly for at least one year without charge.

b. Eating disorders.

(1) General characteristics. Eating disorders are characterized by gross disturbances in eating behavior. Eating disorders include anorexia nervosa or bulimia nervosa. Compulsive overeaters are not approved for this program.

(2) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience.

Professional disciplines that must be represented on the diagnostic and treatment staff, either through employment by a facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a licensed psychologist, a counselor with a master's or bachelor's degree and experience, a dietitian with a bachelor's degree and registered dietitian's certificate, and a licensed occupational therapist. The number of staff should be appropriate to the patient load of the facility.

(3) Initial assessment. A comprehensive assessment of the biological, psychological, social, and family orientation of the patient must be conducted. The assessment must include a weight history and a history of the patient's eating and dieting behavior, including binge eating, onset, patterns, and consequences. The assessment shall include the following:

1. A family history as well as self-assessment regarding chronic dieting, obesity, anorexia, bulimia, drug abuse, alcohol problems, depression, hospitalization for psychiatric reasons, and threatened or attempted suicide.

2. A history of purging behavior including frequency and history of vomiting, use of laxatives, history and frequency of use of diuretics, history and frequency of use of diet pills, ipecac, or any other weight control measures, and frequency of eating normal meals without vomiting.

3. A history of exercise behavior, including type, frequency, and duration.

4. A complete history of current alcohol and other drug use.

5. Any suicidal thoughts or attempts.

6. Sexual history, including sexual preference and activity. Sexual interest currently as compared to prior to the eating disorder is needed.

7. History of experiencing physical or sexual (incest or rape) abuse.

8. History of other counseling experiences.

9. Appropriate psychological assessment, including psychological orientation to the above questions.

10. A medical history, including a physical examination, covering the information listed in subparagraph 78.31(4)*"b"*(4).

11. Appropriate laboratory screening tests based on findings of the history and physical examination and tests for communicable diseases when indicated.

12. The patient's social support networks, including family and peer relationships.

13. The patient's educational level, vocational status, and job or school performance history, as appropriate.

14. The patient's leisure, recreational, or vocational interests and hobbies.

15. The patient's ability to participate with peers and programs and social activities.

16. Interview of family members and significant others as available with the patient's written or verbal permission as appropriate.

17. Legal problems, if applicable.

(4) Admission criteria. In order to be accepted for treatment, the patient shall meet the diagnostic criteria for anorexia nervosa or bulimia nervosa as established by the DSM (Diagnostic and Statistical Manual of Mental Disorders as amended to July 1, 2026) published by the American Psychiatric Association. In addition to the diagnostic criteria, the need for treatment will be determined by a demonstrable loss of control of eating behaviors and the failure of the patient in recent attempts at voluntary self-control of the problem. Demonstrable impairment, dysfunction, disruption or harm of physical health, emotional health (e.g., significant depression withdrawal, isolation, suicidal ideas), vocational or educational functioning, or interpersonal functioning (e.g., loss of relationships, legal difficulties) shall have occurred. The need for treatment may be further substantiated by substance use, out-of-control spending, incidence of stealing to support habit, or compulsive gambling. The symptoms shall have been present for at least six months and three of the following criteria must be present:

1. Medical criteria including endocrine and metabolic factors (e.g., amenorrhea, menstrual irregularities, decreased reflexes, cold intolerance, hypercarotenemia, parotid gland enlargement, lower respiration rate, hair loss, abnormal cholesterol or triglyceride levels).
2. Other cardiovascular factors including hypotension, hypertension, arrhythmia, ipecac poisoning, fainting, or bradycardia.
3. Renal considerations including diuretic abuse, dehydration, elevated BUN, renal calculi, edema, or hypokalemia.
4. Gastrointestinal factors including sore throats, Mallory-Weiss tears, decreased gastric emptying, constipation, abnormal liver enzymes, rectal bleeding, laxative abuse, or esophagitis.
5. Hematologic considerations including anemia, leukopenia, or thrombocytopenia.
6. Ear, nose, and throat factors including headaches or dizziness.
7. Skin considerations including lanugo or dry skin.
8. Aspiration pneumonia, a pulmonary factor.

The presence of severe symptoms and complications as evaluated and documented by the medical director may require a period of hospitalization to establish physical or emotional stability.

(5) Plan of treatment. For each patient, there is a written comprehensive and individualized description of treatment to be undertaken. The treatment plan is based on problems and needs identified in the assessment and specifies the regular times at which the plan will be reassessed to determine current clinical problems, needs, and responses to treatment. The plan shall document:

1. The patient's perceptions of needs and, when appropriate and available, the family's perceptions of the patient's needs.
2. The patient's participation in the development of the treatment plans.
3. Changes in treatment.

(6) Discharge plan. Plans for discharge shall meet the requirements for discharge plans for alcohol and substance use patients in subparagraph 78.31(4)*"a"*(7).

(7) Restriction and limitations on payment. Medicaid will pay for a maximum of 30 days of a structured outpatient treatment program. Payment beyond 30 days is made when documentation indicates that the patient has not reached an exit level.

Eating disorder programs will include an aftercare component meeting weekly for at least one year without charge.

Family counseling groups held in conjunction with the eating disorders program will be part of the overall treatment charge.

c. Cardiac rehabilitation.

(1) General characteristics. Cardiac rehabilitation programs shall provide a supportive educational environment in which to facilitate behavior change with respect to the accepted cardiac risk factors, initiate prescribed exercise as a mode of facilitating the return of the patient to everyday activities by improving cardiovascular functional capacity and work performance, and promote a long-term commitment to lifestyle changes that could positively affect the course of the cardiovascular disease process.

(2) Treatment staff. Professional disciplines who must be represented on the treatment staff, either by employment by the facility (full-time or part-time), contract or referral, are as follows:

1. At least one physician, ARNP, or PA responsible for responding to emergencies must be physically present in the hospital when patients are receiving cardiac rehabilitation services. The physician, ARNP, or PA must be trained and certified at least to the level of basic life support.

2. A medical consultant shall oversee the policies and procedures of the outpatient cardiac rehabilitation area. The director shall meet with the cardiac rehabilitation staff on a regular basis to review exercise prescriptions and any concerns of the team.

3. A cardiac rehabilitation nurse shall carry out the exercise prescription after assessment of the patient. The nurse shall be able to interpret cardiac dysrhythmia and be able to initiate emergency action if necessary. The nurse shall assess and implement a plan of care for cardiac risk factor modification. The nurse shall have at least one year of experience in a coronary care unit.

4. A physical therapist shall offer expertise in unusual exercise prescriptions where a patient has an unusual exercise problem.

5. A dietitian shall assess the dietary needs of persons and appropriately instruct them on their prescribed diets.

6. A social worker shall provide counseling as appropriate and facilitate a spouse support group. A licensed occupational therapist shall be available as necessary.

(3) Admission criteria. Candidates for the program must be referred by the attending physician. The following conditions are eligible for the program:

1. Postmyocardial infarction (within three months postdischarge).
2. Postcardiac surgery (within three months postdischarge).
3. Poststreptokinase.
4. Postpercutaneous transluminal angioplasty (within three months postdischarge).
5. Patient with severe angina being treated medically because of client or doctor preference or inoperable cardiac disease.

(4) Physical environment and equipment. A cardiac rehabilitation unit must be an autonomous physical unit specifically equipped with the necessary telemetry monitoring equipment, exercise equipment, and appropriate equipment and supplies for cardiopulmonary resuscitation (CPR). The exercise equipment must have the capacity to measure the intensity, speed, and length of the exercises. The equipment must be periodically inspected and maintained in accordance with the hospital's preventive maintenance program.

(5) Medical records. Medical records for each cardiac rehabilitation patient shall consist of at least the following:

1. Referral form.
2. Physician's orders.
3. Laboratory reports.
4. Electrocardiogram reports.
5. History and physical examination.
6. Angiogram report, if applicable.
7. Operative report, if applicable.
8. Preadmission interview.
9. Exercise prescription.
10. Rehabilitation plan, including participant's goals.
11. Documentation for exercise sessions and progress notes.
12. Nurse's progress reports.
13. Discharge instructions.

(6) Discharge plan. The patient will be discharged from the program when the physician, staff, and patient agree that the work level is functional for them and little benefit could be derived from further continuation of the program, dysrhythmia disturbances are resolved, and appropriate cardiovascular response to exercise is accomplished.

(7) Monitoring of services. The program should be monitored by the hospital on a periodic basis using measuring criteria for evaluating cardiac rehabilitation services provided.

(8) Restrictions and limitations. Payment will be made for a maximum of three visits per week for a period of 12 weeks. Payment beyond 12 weeks is made when documentation indicates that the patient has not reached an exit level.

d. Mental health.

(1) General characteristics. To be covered, mental health services must be prescribed by a physician or certified health service provider in psychology, provided under an individualized treatment plan and reasonable and necessary for the diagnosis or treatment of the patient's condition. This means the services must be for the purpose of diagnostic study or the services must reasonably be expected to improve the patient's condition.

(2) Individualized treatment plan. The individualized written plan of treatment shall be established by a physician or certified health service provider in psychology after any needed consultation with appropriate staff members. The plan must state the type, amount, frequency and duration of the services to be furnished and indicate the diagnoses and anticipated goals. (A plan is not required if only a few brief services will be furnished.)

(3) Supervision and evaluation. Services must be supervised and periodically evaluated by a physician, certified health service provider in psychology, or both within the scopes of their respective practices if clinically indicated to determine the extent to which treatment goals are being realized. The evaluation must be based on periodic consultation and conference with therapists and staff. The physician or certified health service provider in psychology must also provide supervision and direction to any therapist involved in the patient's treatment and see the patient periodically to evaluate the course of treatment and to determine the extent to which treatment goals are being realized and whether changes in direction or services are required.

(4) Reasonable expectation of improvement. Services must be for the purpose of diagnostic study or reasonably be expected to improve the patient's condition. The treatment must at a minimum be designed to reduce or control the patient's psychiatric or psychological symptoms so as to prevent relapse or hospitalization and improve or maintain the patient's level of functioning.

It is not necessary that a course of therapy have as its goal restoration of the patient to the level of functioning exhibited prior to the onset of the illness although this may be appropriate for some patients. For many other patients, particularly those with long-term chronic conditions, control of symptoms and maintenance of a functional level to avoid further deterioration or hospitalization is an acceptable expectation of improvement. "Improvement" in this context is measured by comparing the effect of continuing versus discontinuing treatment. Where there is a reasonable expectation that if treatment services were withdrawn, the patient's condition would deteriorate, relapse further, or require hospitalization, this criterion would be met.

(5) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience. The number of the above staff employed by the facility must be appropriate to the facility's patient load. The staff may be employees of the hospital, on contract, or the service may be provided through referral. The diagnostic and treatment staff shall consist of a physician, a psychologist, social workers or counselors meeting the requirements for "mental health professionals" as set forth in rule 441—24.1(225A).

(6) Initial assessment. A comprehensive assessment of the biological, psychological, social, and spiritual orientation of the patient must be conducted, including:

1. A history of the mental health problem, including age of onset, duration, patterns of symptoms, consequences of symptoms, and responses to previous treatment.
2. A comprehensive clinical history, including the history of physical problems associated with the mental health problem. Appropriate referral for physical examination for determination of any communicable diseases.
3. Any history of physical abuse.
4. A systematic mental health examination, with special emphasis on any change in cognitive, social or emotional functioning.
5. A determination of current and past psychiatric and psychological abnormality.
6. A determination of any degree of danger to self or others.

7. The family's history of mental health problems.
8. The patient's educational level, vocational status, and job performance history.
9. The patient's social support network, including family and peer relationship.
10. The patient's perception of the patient's strengths, problem areas, and dependencies.
11. The patient's leisure, recreational or vocational interests and hobbies.
12. The patient's ability to participate with peers in programs and social activities.
13. Interview of family members and significant others, as available, with the patient's written or verbal permission.
14. Legal problems if applicable.

(7) Covered services. Services covered for the treatment of psychiatric conditions are:

1. Individual and group therapy with physicians, psychologists, social workers, counselors, or psychiatric nurses.

2. Occupational therapy services if the services require the skills of a qualified occupational therapist and must be performed by or under the supervision of a licensed occupational therapist or by an occupational therapy assistant.

3. Drugs and biologicals furnished to outpatients for therapeutic purposes only if they are of the type that cannot be self-administered and are not "covered Part D drugs" as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) as amended to July 1, 2026, for a "Part D eligible individual" as defined in 42 U.S.C. Section 1395w-101(a)(3)(A) as amended to July 1, 2026, including an individual who is not enrolled in a Part D plan.

4. Activity therapies that are individualized and essential for the treatment of the patient's condition. The treatment plan must clearly justify the need for each particular therapy utilized and explain how it fits into the patient's treatment.

5. Family counseling services are covered only if the primary purpose of the counseling is the treatment of the patient's condition.

6. Partial hospitalization and day treatment services to reduce or control a person's psychiatric or psychological symptoms so as to prevent relapse or hospitalization, improve or maintain the person's level of functioning and minimize regression. These services include all psychiatric services needed by the patient during the day.

- Partial hospitalization services means an active treatment program that provides intensive and structured support that assists persons during periods of acute psychiatric or psychological distress or during transition periods, generally following acute inpatient hospitalization episodes.
- Service components may include individual and group therapy, reality orientation, stress management and medication management.
- Services are provided for a period for four to eight hours per day.
- Day treatment services means structured, long-term services designed to assist in restoring, maintaining or increasing levels of functioning, minimizing regression and preventing hospitalization.
- Service components include training in independent functioning skills necessary for self-care, emotional stability and psychosocial interactions, and training in medication management.
- Services are structured with an emphasis on program variation according to individual need.
- Services are provided for a period of three to five hours per day, three or four times per week.

7. Partial hospitalization and day treatment for persons aged 20 or under. Payment to a hospital will be approved for day treatment services for persons aged 20 or under if the hospital is certified by the department for hospital outpatient mental health services. All conditions for the day treatment program for persons aged 20 or under as outlined in subrule 78.16(7) for community mental health centers shall apply to hospitals. All conditions of the day treatment program for persons aged 20 or under as outlined in subrule 78.16(7) for community mental health centers shall be applicable for the partial hospitalization program for persons aged 20 or under with the exception that the maximum hours shall be 25 hours per week.

(8) Restrictions and limitations on coverage. The following are generally not covered, except as indicated:

1. Activity therapies, group activities, or other services and programs that are primarily recreational or diversional in nature. Outpatient psychiatric day treatment programs that consist entirely of activity therapies are not covered.

2. Geriatric day-care programs, which provide social and recreational activities to older persons who need some supervision during the day while other family members are away from home. These programs are not covered because they are not considered reasonable and necessary for a diagnosed psychiatric disorder.

3. Vocational training. While occupational therapy may include vocational and prevocational assessment of training, when the services are related solely to specific employment opportunities, work skills, or work setting, they are not covered.

(9) Frequency and duration of services. There are no specific limits on the length of time that services may be covered. There are many factors that affect the outcome of treatment. Among them are the nature of the illness, prior history, the goals of treatment, and the patient's response. As long as the evidence shows that the patient continues to show improvement in accordance with the individualized treatment plan and the frequency of services is within acceptable norms of medical practice, coverage will be continued.

(10) Documentation requirements. The provider shall develop and maintain sufficient written documentation to support each medical or remedial therapy, service, activity, or session for which billing is made. All outpatient mental health services shall include:

1. The specific services rendered.
2. The date and actual time the services were rendered.
3. Who rendered the services.
4. The setting in which the services were rendered.
5. The amount of time it took to deliver the services.
6. The relationship of the services to the treatment regimen described in the plan of care.
7. Updates describing the patient's progress.

For services that are not specifically included in the patient's treatment plan, a detailed explanation of how the services being billed relate to the treatment regimen and objectives contained in the patient's plan of care and the reason for the departure from the plan shall be given.

e. Pain management.

(1) Approval by commission on accreditation of rehabilitation facilities. In addition to certification by the department, pain management programs must also be approved by the commission on accreditation of rehabilitation facilities (CARF).

(2) General characteristics. A chronic pain management program shall provide coordinated, goal-oriented, interdisciplinary team services to reduce pain, improve quality of life, and decrease dependence on the health care system for persons with pain which interferes with physical, psychosocial, and vocational functioning.

(3) Treatment staff. Each person who provides treatment services shall be determined to be competent to provide the services by reason of education, training, and experience. Professional disciplines which must be represented on the treatment staff, either through employment by the facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a registered nurse, a licensed physical therapist and a licensed clinical psychologist or psychiatrist. The number of staff should be appropriate to the patient load of the facility.

(4) Admission criteria. Candidates for the program shall meet the following guidelines:

1. The person must have had adequate medical evaluation and treatment in the months preceding admission to the program including an orthopedic or neurological consultation if the problem is back pain or a neurological evaluation if the underlying problem is headaches.
2. The person must be free of any underlying psychosis or severe neurosis.
3. The person cannot be toxic on any addictive drugs.
4. The person must be capable of self-care, including being able to get to meals and to perform activities of daily living.

(5) Plan of treatment. For each patient there is a written comprehensive and individualized description of treatment to be undertaken. The treatment plan is based on the problems and needs identified in the

assessment and specifies the times at which the plan will be reassessed to determine current clinical problems, needs, and responses to treatment. The plan shall document:

1. The patient's perception of needs and, when appropriate and available, the family's perception of the patient's needs.
2. The patient's participation in the development of the treatment plan.
3. Changes in treatment are documented.

(6) Discharge plan. For each patient before discharge, a plan for discharge is designed to provide appropriate continuity of care that meets the following requirements:

1. The plan for continuing care must describe and facilitate the transfer of the patient and the responsibility for the patient's continuing care to another phase or modality of the program, other programs, agencies, persons or to the patient and the patient's personal support system.
2. The plan is in accordance with the patient's reassessed needs at the time of transfer.
3. The plan is developed in collaboration with the patient and, as appropriate and available, with the patient's written verbal permission with the family members.
4. The plan is implemented in a manner acceptable to the patient and the need for confidentiality.

Implementation of the plan includes timely and direct communication with and transfer of information to the other programs, agencies, or persons who will be providing continuing care.

(7) Restrictions and limitations on payment. Medicaid will pay for a maximum of three weeks of a structured outpatient treatment program. When documentation indicates that the patient has not reached an exit level, coverage may be extended an extra week.

A repeat of the entire program for any patient will be covered only if a different disease process is causing the pain or a significant change in life situation can be demonstrated.

f. Diabetic education.

(1) General characteristics. An outpatient diabetes self-management education program shall provide instruction that will enable people with diabetes and their families to understand the diabetes disease process and the daily management of diabetes. People with diabetes must learn to balance their special diet and exercise requirements with drug therapy (insulin or oral agents). They must learn self-care techniques such as monitoring their own blood glucose. And often, they must learn to self-treat insulin reactions, protect feet that are numb and have seriously compromised circulation, and accommodate their regimen to changes in blood glucose because of stress or infections.

(2) Program staff. Each person who provides services shall be determined to be competent to provide the services by reason of education, training and experience. Professional disciplines which must be represented on the staff, either through employment by the facility (full-time or part-time), contract or referral, are a physician (M.D. or D.O.), a registered nurse, a registered dietitian and a licensed pharmacist. The number of staff should be appropriate to the patient load of the facility.

(3) Admission criteria. Candidates for the program shall meet the following guidelines:

1. The person must have Type I or Type II diabetes.
2. The person must be referred by the attending physician.
3. The person shall demonstrate an ability to follow through with self-management.

(4) Health assessment. An individualized and documented assessment of needs shall be developed with the patient's participation. Follow-up assessments, planning and identification of problems shall be provided.

(5) Restrictions and limitations on payment. Medicaid will pay for a diabetic self-management education program. Diabetic education programs will include follow-up assessments at 3 and 12 months without charge.

g. Pulmonary rehabilitation.

(1) General characteristics. Pulmonary rehabilitation is an individually tailored, multidisciplinary program through which accurate diagnosis, therapy, emotional support, and education stabilizes or reverses both the physio- and psychopathology of pulmonary diseases and attempts to return the patient to the highest possible functional capacity allowed by the pulmonary handicap and overall life situation.

(2) Diagnostic and treatment staff. Each person who provides diagnostic or treatment services shall be determined to be competent to provide the services by reason of education, training, and experience.

Professional disciplines that must be represented by the diagnostic and treatment staff, either through employment by the facility (full-time or part-time), contract, or referral, are a physician (doctor of medicine or osteopathy), a respiratory therapist, a licensed physical therapist, and a registered nurse.

(3) Initial assessment. A comprehensive assessment must occur initially, including:

1. A diagnostic workup that entails proper identification of the patient's specific respiratory ailment, appropriate pulmonary function studies, a chest radiograph, an electrocardiogram and, when indicated, arterial blood gas measurements at rest and during exercise, sputum analysis and blood theophylline measurements.

2. Behavioral considerations, including an emotional screening assessment and treatment or counseling when required, estimating the patient's learning skills and adjusting the program to the patient's ability, assessing family and social support, potential employment skills, employment opportunities, and community resources.

(4) Admission criteria. Criteria include a patient's being diagnosed and symptomatic of chronic obstructive pulmonary disease (COPD); having cardiac stability and social, family, and financial resources; having the ability to tolerate periods of sitting time; and being a nonsmoker for six months or, if a smoker, willingness to quit and having a physician's order to participate anyway. Factors that would make a person ineligible include acute or chronic illness that may interfere with rehabilitation, any illness or disease state that affects comprehension or retention of information, a strong history of medical noncompliance, unstable cardiac or cardiovascular problems, and orthopedic difficulties that would prohibit exercise.

(5) Plan of treatment. Individualized long- and short-term goals will be developed for each patient. The treatment goals will be based on the problems and needs identified in the assessment and specify the regular times at which the plan will be reassessed to determine current clinical problems, needs, and responses to treatment. The patients and their families need to help determine and fully understand the goals, so that they realistically approach the treatment phase. Changes in treatment must be documented. Components of pulmonary rehabilitation to be included are:

1. Physical therapy and relaxation techniques,
2. Exercise conditioning or physical conditioning for those with exercise limitations,
3. Respiratory therapy, education, an emphasis on the importance of smoking cessation, and
4. Nutritional information.

(6) Discharge plan. Ongoing care will generally be the responsibility of the primary care physician. Periodic reassessment will be conducted to evaluate progress and allow for educational reinforcement.

(7) Restrictions and limitations on payment. Medicaid will pay for a maximum of 25 treatment days. Payment beyond 25 days is made when documentation indicates that the patient has not reached an exit level.

h. Nutritional counseling. Payment will be made for persons aged 20 and under for nutritional counseling provided by a licensed dietitian employed by or under contract with a hospital for a nutritional problem or condition of a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. For persons eligible for the WIC program, a WIC referral is required. Medical necessity for nutritional counseling services exceeding those available through WIC shall be documented.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.32(249A) Area education agencies. Payment will be made for physical therapy, occupational therapy, psychological evaluations and counseling, psychotherapy, speech-language therapy, and audiological, nursing, and vision services provided by an area education agency (AEA). Services shall be provided directly by the AEA or through contractual arrangement with the AEA.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.33(249A) Case management services. Payment will be approved for targeted case management services that are provided pursuant to 441—Chapter 90 to:

1. Members who are 18 years of age or over and have a primary diagnosis of intellectual disability, developmental disabilities, or chronic mental illness as defined in rule 441—90.1(249A).

2. Members who are under 18 years of age and are eligible to receive services under the HCBS intellectual disability waiver or children's mental health waiver.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.34(249A) HCBS health and disability waiver services. Payment will be approved for the following services to members eligible for HCBS health and disability waiver services as established in 441—Chapter 83 and as identified in the member's service plan. Payment will only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS. For the purposes of this rule, "HCBS Provider Manual" means the department's manual that outlines provider-specific policies applicable to providers of HCBS services. The manual is available on the department's website. All references to the HCBS Provider Manual herein are as amended to July 1, 2026.

78.34(1) *Home maintenance support services.* Home maintenance support services encompass assistance required to maintain the participant's home as a clean, sanitary, and safe environment, provided when neither the participant nor any household person is capable of performing these tasks and no other relative, caregiver, or landlord is responsible for them. These services are particularly essential when the participant lives alone or when the usual caregiver needs support in performing these functions. "Usual caregiver" means an unpaid person who resides with the member and is available on a 24-hour per-day basis to assume responsibility for the care of the member.

a. These may involve tasks such as:

(1) Essential shopping, such as shopping for basic need items such as food, clothing or personal care items, or drugs.

(2) Limited housecleaning, such as maintenance cleaning such as vacuuming, dusting, scrubbing floors, defrosting refrigerators, cleaning stoves, cleaning medical equipment, washing and mending clothes, washing personal items used by the client, and washing dishes.

(3) Window and door maintenance, such as hanging screen windows and doors, replacing window panes, and washing windows.

(4) Minor repairs to walls, floors, stairs, railings, and handles.

(5) Heavy cleaning, such as cleaning attics or basements to remove fire hazards, moving heavy furniture, extensive wall washing, floor care or painting and trash removal.

(6) Mowing lawns and removing snow and ice from sidewalks and driveways.

(7) Tree or bush trimming when the tree or bush impairs safe navigation of the exterior of the home.

(8) Pest eradication and one-time cleaning following the pest eradication necessary for the person's health and safety.

b. Excluded services and costs. Services, activities, costs, and time that are not covered include but are not limited to:

(1) Tree trimming.

(2) Trash burning.

(3) Tree removal.

78.34(2) *Home health aide services.* Home health aide services are an extension of the state plan and are personal or direct care services provided to the member in the member's home that are not otherwise payable under Medicaid as set forth in rule 441—78.9(249A). A unit of service is a visit. A visit is defined as 15 minutes to 120 minutes.

a. Components of the service include but are not limited to:

(1) Observation and reporting of physical or emotional needs.

(2) Helping a member with bath, shampoo, or oral hygiene.

(3) Helping a member with toileting.

(4) Helping a member in and out of bed and with ambulation.

(5) Helping a member reestablish activities of daily living.

(6) Assisting with oral medications ordered by the physician that are ordinarily self-administered.

(7) Performing incidental household services that are essential to the member's health care at home and are necessary to prevent or postpone institutionalization in order to complete a full unit of service.

b. In some cases, a nurse may provide home health services if the health of the client is such that the agency is unable to place an aide in that situation due to limitations by state law or in the event that the agency's Medicare certification requirements prohibit the aide from providing the service. It is not permitted for the convenience of the provider.

c. Skilled nursing care is not covered.

78.34(3) *Adult day care services.*

a. Supports provided during day care are protective oversight, supervision, and support with activities of daily living (ADLs) and instrumental activities of daily living (IADLs). Included are personal care (i.e., ambulation, toileting, feeding, assisting with medications), behavioral support, or intermittent health-related cares not otherwise paid under other waiver or state plan programs.

b. A unit of service is 15 minutes (up to four units per day), a half day (1.25 to 4 hours per day), a full day (4.25 to 8 hours per day), or an extended day (8.25 to 12 hours per day).

78.34(4) *Nursing care services.* Nursing care services are services that are included in the plan of treatment approved by the physician and that are provided by licensed nurses to members in the home and community. The services shall be reasonable and necessary to the treatment of an illness or injury and include all nursing tasks recognized by the Iowa board of nursing. A unit of service is a visit.

78.34(5) *Respite care services.* Respite care services are services provided to the member that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that period. The purpose of respite care is to enable the member to remain in the member's current living situation.

a. Services provided outside the member's home shall not be reimbursable if the living unit where respite is provided is reserved for another person on a temporary leave of absence.

b. Member-to-staff ratios shall be appropriate to the individual needs of the member as determined by the member's interdisciplinary team.

c. A unit of service is 15 minutes.

d. Respite care is not to be provided to members during the hours in which the usual caregiver is employed except when the member is attending a 24-hour residential camp. Respite care shall not be used as a substitute for a child's day care. Respite cannot be provided to a member whose usual caregiver is an attendant care or supported community living provider for the member.

e. The interdisciplinary team shall determine if the member will receive basic individual respite, specialized respite, or group respite as defined in 441—Chapter 83.

f. A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.

g. Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.

h. Respite services shall not be provided simultaneously with other residential, nursing, or home health aide services provided through the medical assistance program.

78.34(6) *Counseling services.* Counseling services are face-to-face mental health and substance use disorder services provided to the member and caregiver by a mental health professional as defined in rule 441—24.1(225A) to facilitate home management of the member and prevent institutionalization. Counseling services are nonpsychiatric services necessary for the management of depression, assistance with the grief process, alleviation of psychosocial isolation and support in coping with a disability or illness, including terminal illness. Counseling services may be provided both for the purpose of training the member's family or other caregiver to provide care and for the purpose of helping the member and those caring for the member to adjust to the member's disability or terminal condition. Counseling services may be provided to the member's caregiver only when included in the case plan for the member.

Payment will be made for individual and group counseling. A unit of individual counseling for the waiver member or the waiver member and the member's caregiver is 15 minutes. A unit of group counseling is 15 minutes. Payment for group counseling is based on the group rate divided by six, or, if the

number of persons who comprise the group exceeds six, the actual number of persons who comprise the group.

78.34(7) *Attendant care service.* Attendant care services are service activities performed by a person to help a member with self-care tasks that the member would typically do independently if the member were otherwise able. Covered service activities are limited to the nonskilled activities listed in paragraph 78.34(7)*"f"* and the skilled activities listed in paragraph 78.34(7)*"g."* Covered service activities must be essential to the health, safety, and welfare of the member. Services may be provided in the absence of a parent or guardian if the parent or guardian has given advance direction for the service provision.

a. Service planning.

(1) The member, parent, guardian, or attorney in fact under a durable power of attorney for health care shall:

1. Select the individual or agency that will provide the components of the attendant care services.

2. Determine with the selected provider what components of attendant care services the provider shall perform, subject to confirmation by the service worker or case manager that those components are consistent with the assessment and are authorized covered services.

3. Complete, sign, and date an HCBS Attendant Care Agreement to indicate the frequency, scope, and duration of services (a description of each service component and the time agreed on for that component). The case manager or service worker and provider shall also sign the agreement.

4. Submit the completed agreement to the service worker or case manager. The agreement shall be part of the member's service plan and shall be kept in the member's records, in the provider's records, and in the service worker's or case manager's records. Any service component that is not listed in the agreement shall not be payable.

(2) Whenever a legal representative acts as a provider of attendant care as allowed by 441—paragraph 79.10(7)*"b,"* the following apply:

1. The payment rate for the legal representative must be based on the skill level of the legal representative and may not exceed the median statewide reimbursement rate for the service unless the higher rate receives prior approval from the department;

2. The legal representative may not be paid for more than 40 hours of service per week; and

3. A contingency plan must be established in the member's service plan to ensure service delivery in the event the legal representative is unable to provide services due to illness or other unexpected event.

b. Supervision of skilled services. Skilled attendant care services shall be provided under the supervision of the member's physician or a licensed nurse or licensed therapist working under the direction of the member's physician. The licensed nurse or therapist shall:

(1) Retain accountability for actions that are delegated.

(2) Ensure appropriate assessment, planning, implementation, and evaluation.

(3) Make on-site supervisory visits every two weeks with the service provider present.

c. Service documentation. The attendant care provider shall document evidence of compliance with the requirements of this chapter and rule 441—79.3(249A). The documentation or copies of the documentation must be maintained or be electronically accessible by the provider. Providers must use an electronic visit verification system that captures all documentation requirements of the Attendant Care Service Record or use a form prescribed by the department. Any service component that is not documented in accordance with rule 441—79.3(249A) will not be payable.

d. Role of guardian or attorney. If the member has a guardian or attorney in fact under a durable power of attorney for health care:

(1) The service worker's or case manager's service plan shall address how attendant care services will be monitored to ensure that the member's needs are being adequately met. If the guardian or attorney in fact is the service provider, the service plan shall address how the service worker or case manager shall oversee service provision.

(2) The guardian or attorney in fact shall sign the claim form in place of the member, indicating that the service has been provided as presented on the claim.

e. Service units and billing. A unit of service is 15 minutes provided by an agency. Each service shall be billed in whole units.

f. Nonskilled services. Covered nonskilled service activities are limited to help with the following activities:

(1) Dressing.

(2) Bathing, shampooing, hygiene, and grooming.

(3) Access to and from bed or a wheelchair, transferring, ambulation, and mobility in general.

(4) Toileting, including bowel, bladder, and catheter assistance (emptying the catheter bag, collecting a specimen, and cleaning the external area around the catheter).

(5) Meal preparation, cooking, and assistance with feeding, not including the cost of meals themselves. Meal preparation and cooking shall be provided only in the member's home.

(6) Housekeeping, laundry, and shopping essential to the member's health care at home.

(7) Taking medications ordinarily self-administered, including those ordered by a physician or other qualified health care provider.

(8) Minor wound care.

(9) Going to or returning from a place of employment and job-related tasks while the member is on the job site. Transportation for the member and assistance with understanding or performing the essential job functions are not included in services.

(10) Tasks, such as financial management and scheduling, that require cognitive or physical assistance.

(11) Communication essential to the health and welfare of the member, through interpreting and reading services and use of assistive devices for communication.

(12) Using transportation essential to the health and welfare of the member. The cost of the transportation is not included.

g. Skilled services. Covered skilled attendant care service activities are limited to help with the following activities:

(1) Tube feedings of members unable to eat solid foods.

(2) Intravenous therapy administered by a registered nurse.

(3) Parenteral injections required more than once a week.

(4) Catheterizations, continuing care of indwelling catheters with supervision of irrigations, and changing of Foley catheters when required.

(5) Respiratory care including inhalation therapy and tracheotomy care or tracheotomy care and ventilator.

(6) Care of decubiti and other ulcerated areas, noting and reporting to the nurse or therapist.

(7) Rehabilitation services including but not limited to bowel and bladder training, range of motion exercises, ambulation training, restorative nursing services, respiratory care and breathing programs, reality orientation, reminiscing therapy, remotivation, behavior modification, and reteaching of the activities of daily living.

(8) Colostomy care.

(9) Care of uncontrolled medical conditions, such as brittle diabetes, and comfort care of terminal conditions.

(10) Postsurgical nursing care.

(11) Monitoring medications requiring close supervision because of fluctuating physical or psychological conditions, e.g., antihypertensives, digitalis preparations, mood-altering or psychotropic drugs, or narcotics.

(12) Preparing and monitoring response to therapeutic diets.

(13) Recording and reporting of changes in vital signs to the nurse or therapist.

h. Excluded services and costs. Services, activities, costs and time that are not covered as attendant care include the following (not an exclusive list):

(1) Any activity related to supervising a member. Only direct services are billable.

(2) Any activity that the member is able to perform.

(3) Costs of food.

(4) Costs for the supervision of skilled services by the nurse or therapist. The supervising nurse or therapist may be paid from private insurance, Medicare, or other third-party payment sources, or may be paid as another Medicaid service, including early and periodic screening, diagnosis and treatment services.

(5) Exercise that does not require skilled services.

(6) Parenting or child care for or on behalf of the member.

(7) Reminders and cueing.

(8) Services provided simultaneously with any other similar service regardless of funding source, including other waiver services and state supplementary assistance in-home health-related care services.

(9) Transportation costs.

(10) Wait times for any activity.

78.34(8) *Interim medical monitoring and treatment services.* Interim medical monitoring and treatment (IMMT) services are monitoring and treatment of a medical nature requiring specially trained caregivers beyond what is normally available in a day care setting for medical needs that make alternative care unavailable, inadequate, or insufficient. IMMT services are not intended to provide day care but to supplement available resources. Services must be ordered by a physician.

a. Need for service. The member must be currently receiving home health agency services under rule 441—78.9(249A) and require medical assessment, medical monitoring, and regular medical intervention or intervention in a medical emergency during those services. The case manager must identify the need for IMMT services after evaluating the member's living environment, family and natural supports, ability to perform activities of daily living, and health care needs. The services must be needed:

(1) To allow the member's usual caregivers to be employed,

(2) During a search for employment by a usual caregiver,

(3) To allow for academic or vocational training of a usual caregiver,

(4) Due to the hospitalization of a usual caregiver for treatment for physical or mental illness, or

(5) Due to the death of a usual caregiver.

b. Service requirements. Interim medical monitoring and treatment services shall:

(1) Provide experiences for each member's social, emotional, intellectual, and physical development;

(2) Include comprehensive developmental care and any special services for a member with special needs; and

(3) Include medical assessment, medical monitoring, and medical intervention as needed on a regular or emergency basis. Medical intervention means the ability to assess the situation and contact the appropriate medical professional, not the direct application of medical care.

c. Interim medical monitoring and treatment services may include supervision while the member is being transported to and from school or work setting.

d. Limitations.

(1) A maximum of 12 hours of service is available per day.

(2) Covered services do not include a complete nutritional regimen.

(3) Interim medical monitoring and treatment services may not duplicate any regular Medicaid or waiver services provided under the state plan. Services under the state plan, including home health agency services under rule 441—78.9(249A), must be exhausted before IMMT services are accessed.

(4) Interim medical monitoring and treatment services shall be provided in the following settings that are approved by the department as integrated, community-based settings: the member's home; a registered child development home; a licensed child care center, residential care facility, or adult day care facility; or during the time when the member is being transported to and from school or work.

(5) The member-to-staff ratio shall not be more than six members to one staff person.

(6) The parent or guardian of the member shall be responsible for the usual and customary nonmedical cost of day care during the time in which the member is receiving IMMT services. Medical care necessary for monitoring and treatment is an allowable IMMT cost. If the cost of care goes above the usual and customary cost of day care services due to the member's medical condition, the costs above the usual and customary cost will be covered as IMMT services.

e. A unit of service is 15 minutes.

78.34(9) *Home and vehicle modification.* Covered home or vehicle modifications are physical modifications to the member's home or vehicle that directly address the member's medical or remedial need. Covered modifications must be necessary to provide for the health, welfare, or safety of the member and enable the member to function with greater independence in the home or vehicle.

a. Modifications that are necessary or desirable without regard to the member's medical or remedial need and that would be expected to increase the fair market value of the home or vehicle, such as furnaces, fencing, or adding square footage to the residence, are excluded except as specifically included below. Purchasing or leasing of a motorized vehicle is excluded. Home and vehicle repairs are also excluded.

b. Only the following modifications are covered:

(1) Kitchen counters, sink space, cabinets, special adaptations to refrigerators, stoves, and ovens.

(2) Bathtubs and toilets to accommodate transfer, special handles and hoses for shower heads, water faucet controls, and accessible showers and sink areas.

(3) Grab bars and handrails.

(4) Turnaround space adaptations.

(5) Ramps, lifts, and door, hall and window widening.

(6) Fire safety alarm equipment specific for disability.

(7) Voice-activated, sound-activated, light-activated, motion-activated, and electronic devices directly related to the member's disability.

(8) Vehicle lifts, driver-specific adaptations, remote-start systems, including such modifications already installed in a vehicle.

(9) Keyless entry systems.

(10) Automatic opening device for home or vehicle door.

(11) Special door and window locks.

(12) Specialized doorknobs and handles.

(13) Plexiglas replacement for glass windows.

(14) Modification of existing stairs to widen, lower, raise or enclose open stairs.

(15) Motion detectors.

(16) Low-pile carpeting or slip-resistant flooring.

(17) Telecommunications device for the deaf or hard of hearing.

(18) Exterior hard-surface pathways.

(19) New door opening.

(20) Pocket doors.

(21) Installation or relocation of controls, outlets, switches.

(22) Air conditioning and air filtering if medically necessary.

(23) Heightening of existing garage door opening to accommodate modified van.

(24) Bath chairs.

c. A unit of service is the completion of needed modifications or adaptations.

d. All modifications and adaptations shall be provided in accordance with applicable federal, state, and local building and vehicle codes.

e. Services shall be performed following prior department approval of the modification as specified in 441—subrule 79.1(17) and a binding contract between the provider and the member.

f. All contracts for home or vehicle modification shall be awarded through competitive bidding. The contract shall include the scope of work to be performed, the time involved, supplies needed, the cost, diagrams of the project whenever applicable, and an assurance that the provider has liability and workers' compensation coverage and the applicable permit and license.

g. Service payment will be made to the enrolled home or vehicle modification provider. If applicable, payment will be forwarded to the subcontracting agency by the enrolled home or vehicle modification provider following completion of the approved modifications.

h. Services shall be included in the member's service plan and shall exceed the Medicaid state plan services.

i. Payment for home and vehicle modifications are limited to the service limitations published on the Iowa Medicaid fee schedule webpage.

78.34(10) *Personal emergency response or portable locator system.*

a. A personal emergency response system is an electronic device that transmits a signal to a central monitoring station to summon assistance in the event of an emergency.

(1) The required components of the system are:

1. An in-home medical communications transceiver.
2. A remote, portable activator.
3. A central monitoring station with backup systems staffed by trained attendants at all times.
4. Current data files at the central monitoring station containing response protocols and personal, medical, and emergency information for each member.

(2) The service shall be identified in the member's service plan.

(3) A unit of service is a one-time installation fee or one month of service.

(4) Maximum units per state fiscal year will be the initial installation and 12 months of service.

b. A portable locator system is an electronic device that transmits a signal to a monitoring device. The system allows a member to access assistance in the event of an emergency and allows law enforcement or the monitoring system provider to locate a member who is unable to request help or to activate a system independently. The member must be unable to access assistance in an emergency situation due to the member's age or disability.

(1) The required components of the portable locator system are:

1. A portable communications transceiver or transmitter to be worn or carried by the member.
2. Monitoring by the provider at a central location with response protocols and personal, medical, and emergency information for each member as applicable.

(2) The service shall be identified in the member's service plan.

(3) Payable units of service are purchase of equipment, an installation or set-up fee, and monthly fees.

(4) Maximum units per state fiscal year will be one equipment purchase, one installation or set-up fee, and 12 months of service.

78.34(11) *Home-delivered meals.* Home-delivered meals are meals prepared elsewhere and delivered to a member at the member's residence.

a. Each meal shall ensure the member receives a minimum of one-third of the daily recommended dietary allowance as established by the Food and Nutrition Board of the National Research Council of the National Academies of Sciences, Engineering, and Medicine. The meal may also be a liquid supplement that meets the minimum one-third standard.

b. When a restaurant provides the home-delivered meal, the member is required to have a nutritional consultation. The nutritional consultation includes contact with the restaurant to explain the dietary needs of the member and what constitutes the minimum one-third daily dietary allowance.

c. A unit of service is a meal (morning, noon, evening, or liquid supplement). Any maximum combination of any two meals (morning, noon, evening, or liquid supplement) is allowed per day. Duplication of a meal in any one day is not allowed. The number of approved meals (morning, noon, evening, or liquid supplement) is contained in the member's service plan.

d. The number of meals delivered for any morning, noon, evening, or liquid supplement meal cannot exceed the number of calendar days in a calendar month; nor can the number of delivered meals exceed the number of authorized days in a month. Meals billed in excess of the calendar days in a calendar month and those billed in excess of the number of authorized days in a month are subject to recoupment or denial of payment.

78.34(12) *Nutritional counseling.* Nutritional counseling services may be provided for a nutritional problem or condition of such a degree of severity that nutritional counseling beyond that normally expected as part of the standard medical management is warranted. A unit of service is 15 minutes.

78.34(13) *Consumer choices option.* The consumer choices option (CCO) provides a member with a flexible monthly individual budget that is based on the member's service needs. With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. The CCO is available to any member receiving the AIDS/HIV, brain injury, elderly, health and disability, intellectual disability, or physical disability waiver programs who has the ability and desire to perform all budget authority tasks identified in paragraph 78.34(13)*"g"* and employer authority tasks identified in paragraph 78.34(13)*"h,"* or who delegates the budget or employer authority tasks identified in paragraph 78.34(13)*"i."* Components of this service are set forth below.

a. Agreement. As a condition of participating in the CCO, a member shall sign the HCBS Consumer Choices Informed Consent and Risk Agreement to document that the member has been informed of the responsibilities and risks of electing the CCO.

b. Individual budget amount. A monthly individual budget amount shall be established for each member based on the assessed needs of the member and based on the services and supports authorized in the member's service plan. The member shall be informed of the individual budget amount during the development of the service plan.

(1) Services that may be included in determining the individual budget amount for a member in the HCBS health and disability, elderly, AIDS/HIV, brain injury, and physical disability waivers are outlined in the HCBS Waiver Provider Manual as amended to July 1, 2026.

(2) The department will determine an average unit cost for each service outlined in the HCBS Provider Manual based on actual unit costs from the previous fiscal year plus a cost-of-living adjustment.

(3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department will apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department will compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor will be no lower than 60 percent.

(5) Individual budgets for respite services will be computed based on the average cost for services outlined in the HCBS Provider Manual. Respite services are not subject to the utilization adjustment factor in subparagraph 78.34(13)*"b"*(3).

(6) Anticipated costs for home and vehicle modification, assistive devices, and specialized medical equipment are not subject to the average cost in subparagraph 78.34(13)*"b"*(2) or the utilization adjustment factor in subparagraph 78.34(13)*"b"*(3). The anticipated costs may include the costs of the financial management services and the independent support broker when the home and vehicle modification, assistive device, or specialized medical equipment is the only service included in the CCO monthly budget and the total cost for the home and vehicle modification, assistive device, or specialized medical equipment, including the cost of the financial management services and the independent support broker, is approved by Iowa Medicaid or the MCO as the least costly option to meet the member's need. Costs for the home and vehicle modification, assistive device, or specialized medical equipment may be paid to the financial management services provider in a one-time payment. Before becoming part of the CCO monthly budget, all home and vehicle modifications, assistive device, and specialized medical equipment shall be identified in the member's service plan and authorized by the case manager or community-based case manager.

(7) The individual budget amount may be changed only at the first of the month and shall remain fixed for the entire month.

c. Required service components. To participate in the CCO, a member must choose to hire an independent support broker and must work with a financial management service that is enrolled as a Medicaid provider. Before hiring the independent support broker, the member shall receive the results of the background check conducted pursuant to 441—Chapter 119.

d. Optional service components. A member who elects the CCO may purchase the following goods, services and supports, which shall be provided in the member's home or at an integrated community setting:

(1) Self-directed personal care services. Self-directed personal care services are services that provide a range of assistance in activities of daily living and incidental activities of daily living that help the member remain in the home and community. These services must be identified in the member's service plan developed by the member's case manager or community-based case manager.

(2) Self-directed community supports and employment. Self-directed community supports and employment are services that support the member in developing and maintaining independence and

community integration. These services must be identified in the member's service plan developed by the member's case manager or community-based case manager.

(3) Individual-directed goods and services. Individual-directed goods and services are services, equipment, or supplies not otherwise provided through the Medicaid program that address an assessed need or goal identified in the member's service plan. The item or service shall meet the following requirements:

1. Promote opportunities for community living and inclusion.

2. Increase independence or substitute for human assistance, to the extent the expenditures would otherwise be made for that human assistance.

3. Be accommodated within the member's budget without compromising the member's health and safety.

4. Be provided to the member or directed exclusively toward the benefit of the member.

5. Be the least costly to meet the member's needs.

6. Not be available through another source.

e. Development of the individual budget. The independent support broker shall assist the member in developing and implementing the member's individual budget. The individual budget shall include:

(1) The costs of the financial management service.

(2) The costs of the independent support broker. The independent support broker may be compensated for up to 6 hours of service for assisting with the implementation of the initial individual budget. The independent support broker shall not be paid for more than 30 hours of service for an individual member during a 12-month period without prior approval by the department.

(3) The costs of any optional service component chosen by the member as described in paragraph 78.34(13)*"d."* At a minimum, the CCO monthly budget must include the purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services needed to meet the amount of service authorized for use in CCO identified in the member's service plan. After funds have been budgeted to meet the identified needs, remaining funds from the monthly budget amount may be used to purchase additional self-directed personal care, individual-directed goods and services, or self-directed community supports and services as allowed by the monthly budget. The additional self-directed personal care, individual-directed goods and services, or self-directed community supports and services may exceed the amount of service or supports authorized in the member's service plan. Items and services not covered by the individual budget are outlined in the HCBS Provider Manual.

(4) The costs of any approved home or vehicle modification, assistive device, or specialized medical equipment. When authorized, the budget may include an amount allocated for a home or vehicle modification, an assistive device, or specialized medical equipment. Before becoming part of the individual budget, all home and vehicle modifications, assistive devices, and specialized medical equipment shall be identified in the member's service plan and approved by Iowa Medicaid or the member's MCO. The authorized amount shall not be used for anything other than the specific modification, assistive device, or specialized medical equipment as outlined in the HCBS Provider Manual.

(5) Any amount set aside in a savings plan to reserve funds for the future purchase of self-directed personal care, individual-directed goods and services, or self-directed community supports and services as defined in paragraph 78.34(13)*"d."* The savings plan shall meet the requirements in paragraph 78.34(13)*"f."*

f. Savings plan. A member savings plan must be in writing and be approved before the start of the savings plan by the department for fee-for-service members or by the member's MCO for members in managed care. Budget amounts allocated to the savings plan must result from efficiencies in meeting the member's service needs identified in the member's service plan.

(1) The savings plan shall identify:

1. The specific goods, services, supports or supplies to be purchased through the savings plan.

2. The amount of the individual budget allocated each month to the savings plan.

3. The amount of the individual budget allocated each month to meet the member's identified service needs.

4. How the member's assessed needs will continue to be met through the individual budget when funds are placed in savings.

5. Specific time spans for accumulating the savings allocation, not to exceed the member's current service plan year end date.

(2) With the exception of funds allocated for respite care, the savings plan shall not include funds budgeted for direct services or supports that were not received. Funds from unused respite services may be allocated to the savings plan but shall not be used for anything other than future respite care.

(3) Funds allocated to a savings plan may be used to purchase additional self-directed personal care, individual-directed goods and services, or self-directed community supports and services. The additional self-directed personal care, individual-directed goods and services, or self-directed community supports and services included in the monthly budget may exceed the amount of service or supports authorized in the member's service plan. The self-directed personal care, individual-directed goods and services, or self-directed community supports and services purchased with funds from a savings plan must:

1. Be used to meet a member's identified need,
2. Be medically necessary, and
3. Be approved by the member's case manager or community-based case manager.

(4) All funds allocated to a savings plan to purchase additional self-directed personal care, individual-directed goods and services, or self-directed community supports and services must be used during the member's waiver year in which the saving occurred.

(5) The annual reassessment of a member's needs must take into account the purchases of goods and services that substitute for human assistance. Adjustments shall be made to the services used to determine the individual budget based on the reassessment.

g. Budget authority. The member shall have authority over the individual budget authorized by the department or MCO to perform the following tasks:

(1) Contract with entities to provide services and supports as described in this subrule.

(2) Determine the amount to be paid for services. Reimbursement rates for employees shall be consistent with employee reimbursement rates or the prevailing wages paid by others in the community for the same or substantially similar services. Reimbursement rates for the independent support broker and the financial management service are subject to the limits in 441—subrule 79.1(2).

(3) Schedule the provision of services. A contingency plan must be established in the member's service plan to ensure service delivery in the event the member's employee is unable to provide services due to illness or other unexpected event.

(4) Authorize payment for optional service components identified in the individual budget. When the member's guardian or legal representative is a paid employee, payment authorization for optional service components must be delegated to a representative pursuant to paragraph 78.34(13)*"i."*

(5) Reallocate funds among services included in the budget. Every purchase of a good or service must be identified and approved in the individual budget before the purchase is made.

h. Employer authority. The member shall have the authority to be the common-law employer of employees providing services and support under the CCO. A common-law employer has the right to direct and control the performance of the services. If the member is a child, the parent or the legal representative shall be responsible for completing all employer authority tasks. Adult members who do not have the ability to complete all employer authority tasks shall have a representative delegated to complete the employer authority tasks identified in this paragraph. Documentation of the person responsible for the employer authority tasks, whether the member or another entity, shall be included in the member's service plan. The member or the delegated employer authority may perform the following functions:

(1) Recruit and hire employees.
(2) Verify employee qualifications.
(3) Specify additional employee qualifications.
(4) Determine employee duties.
(5) Determine employee wages and benefits.
(6) Schedule employees.
(7) Train and supervise employees.

i. Delegation of budget and employer authority. The member may delegate responsibilities for the individual budget or employer authority functions to a representative. If the member is a child, the parent

or the legal representative shall be delegated all budget and employer authority tasks. Adult members aged 18 and older who do not have the ability to complete all budget or employer authority tasks shall have a representative delegated to complete the applicable budget authority tasks identified in paragraph 78.34(13)*"g"* and employer authority tasks identified in paragraph 78.34(13)*"h."* Documentation of the person responsible for the budget and employer authority tasks, whether the member or a representative, shall be included in the member's service plan.

(1) The representative must be at least 18 years old.

(2) The representative shall not be a current provider of service to the member.

(3) The member shall sign a consent form that designates who the member has chosen as a representative and the responsibilities of the representative.

(4) The representative shall not be paid for this service.

j. Employment agreement. Any person employed by the member to provide services under the CCO shall sign an employment agreement with the member that outlines the employee's and member's responsibilities.

k. Responsibilities of the independent support broker. The independent support broker shall perform the following services as directed by the member or the member's representative:

(1) Assist the member with developing the member's initial and subsequent individual budgets and with making any changes to the individual budget.

(2) Have monthly contact with the member for the first four months of implementation of the initial individual budget and have, at a minimum, quarterly contact thereafter.

(3) Complete the required employment packet with the financial management service.

(4) Assist with interviewing potential employees and entities providing services and supports if requested by the member.

(5) Assist the member with determining whether a potential employee meets the qualifications necessary to perform the job.

(6) Assist the member with obtaining a signed consent from a potential employee to conduct background checks if requested by the member.

(7) Assist the member with negotiating with entities providing services and supports if requested by the member.

(8) Assist the member with contracts and payment methods for services and supports if requested by the member.

(9) Assist the member with developing an emergency backup plan. The emergency backup plan shall address any health and safety concerns.

(10) Review expenditure reports from the financial management service to ensure that services and supports in the individual budget are being provided.

(11) Document in writing on the independent support broker timecard every contact the broker has with the member. Contact documentation shall include information on the extent to which the member's individual budget has addressed the member's needs and the satisfaction of the member.

l. Responsibilities of the financial management service. The financial management service shall perform all of the following services:

(1) Receive Medicaid funds in an electronic transfer.

(2) Process and pay invoices for approved goods and services included in the individual budget.

(3) Monitor and track the approved individual budget amount authorized each month and document all expenditures as they are paid.

(4) Provide real-time individual budget account balances for the member, the independent support broker, and the department, available at a minimum during normal business hours (9 a.m. to 5 p.m., Monday through Friday).

(5) Conduct criminal background checks on potential employees pursuant to 441—Chapter 119.

(6) Verify for the member an employee's citizenship or alien status.

(7) Assist the member with fiscal and payroll-related responsibilities including but not limited to:

1. Verifying that hourly wages comply with federal and state labor rules.
2. Collecting and processing timecards.

3. Withholding, filing, and paying federal, state and local income taxes, Medicare and Social Security (FICA) taxes, and federal (FUTA) and state (SUTA) unemployment and disability insurance taxes, as applicable.

4. Computing and processing other withholdings, as applicable.

5. Processing all judgments, garnishments, tax levies, or other withholding on an employee's pay as may be required by federal, state, or local laws.

6. Preparing and issuing employee payroll checks.

7. Preparing and disbursing IRS Forms W-2 and W-3 annually.

8. Processing federal advance earned income tax credit for eligible employees.

9. Refunding over-collected FICA, when appropriate.

10. Refunding over-collected FUTA, when appropriate.

(8) Assist the member in completing required federal, state, and local tax and insurance forms.

(9) Establish and manage documents and files for the member and the member's employees.

(10) Monitor timecards, receipts, and invoices to ensure that they are consistent with the individual budget. Keep records of all timecards and invoices for each member for a total of five years.

(11) Provide to the department, the independent support broker, and the member monthly and quarterly status reports that include a summary of expenditures paid and amount of budget unused.

(12) Establish an accessible customer service system and a method of communication for the member and the independent support broker that includes alternative communication formats.

(13) Establish a customer services complaint reporting system.

(14) Develop a policy and procedures manual that is current with state and federal regulations and update as necessary.

(15) Develop a business continuity plan in the case of emergencies and natural disasters.

(16) Provide to the department an annual independent audit of the financial management service.

(17) Assist in implementing the state's quality management strategy related to the financial management service.

(18) The department may request that the financial management service provider withhold payment to any member or member's employee to offset any overpayment or enforce any sanction placed on the service provider pursuant to rule 441—79.3(249A).

m. Responsibilities of the member and the employee. A member participating in the CCO and the member's employee(s) are responsible for the following:

(1) A member participating in the CCO shall be jointly and severally liable with any of the member's employees for any overpayment of medical assistance funds used through a CCO budget.

(2) A member may not employ any person who has been sanctioned, or who is affiliated with a person or an entity that has been sanctioned, under 441—Chapter 79. For purposes of this subparagraph, "sanction" also includes anyone who has been temporarily suspended for a credible allegation of fraud under 42 CFR Part 455 as amended to July 1, 2026. Any CCO funds paid to any employee who or which has been sanctioned is an overpayment that the department shall recoup under 441—Chapter 79.

(3) A member may not employ any person who has been excluded by the Office of the Inspector General of the Department of Health and Human Services under Sections 1128 or 1156 of the Social Security Act as amended to July 1, 2026, and is not eligible to receive federal funds.

(4) For personal care services, employees shall use an electronic visit verification system that captures all documentation requirements of the Consumer Choices Option Semi-Monthly Time Sheet or use a form prescribed by the department. All other employees shall complete, sign and date the Consumer Choices Option Semi-Monthly Time Sheet, for each date of service provided to a member. All employees shall maintain documentation that complies with rule 441—79.3(249A).

(5) Members shall sign, and certify under penalty of perjury, each employee timecard identified in subparagraph 78.34(13)*"m"*(4) prior to the timecard's submission to the financial management service provider for payment in order to verify that all information on the submitted timecard accurately describes the amount, duration, and scope of services provided. When timecard information is submitted to the financial management service provider in an electronic format, the member shall retain the signed employee timecard for five years from the date of service.

78.34(14) *General service standards.* All health and disability waiver services must be provided in accordance with the following standards:

a. Reimbursement will not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the following rounding process will apply:

(1) Add together the minutes spent on all billable activities during a calendar day for a daily total.

(2) For each day, divide the total minutes spent on billable activities by 15 to determine the number of full 15-minute units for that day.

(3) Round the remainder using these guidelines: Round 1 to 7 minutes down to zero units; round 8 to 14 minutes up to one unit.

(4) Add together the number of full units and the number of rounded units to determine the total number of units to bill for that day.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.35(249A) Occupational therapist services. Payment will be approved for the services provided by an occupational therapist that follow a treatment plan established by the physician, nurse practitioner, clinical nurse specialist, or PA; are reasonable and necessary to the treatment of the patient's illness or injury; and meet the guidelines defined for restorative, maintenance, or trial therapy as set forth in paragraphs 78.19(1)*"a"* and *"c."*

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.36(249A) Hospice services.

78.36(1) *General characteristics.* A hospice is a public agency or private organization or a subdivision of either that is primarily engaged in providing care to terminally ill individuals. A hospice provides palliative and supportive services to meet the physical, psychosocial, social and spiritual needs of a terminally ill individual and the individual's family or other persons caring for the individual regardless of where the individual resides. Hospice services are those services to control pain and provide support to individuals to continue life with as little disruption as possible.

a. Covered services. Covered services include, in accordance with Medicare guidelines, the following:

(1) Nursing care.

(2) Medical social services.

(3) Physician services.

(4) Counseling services provided to the terminally ill individual and the individual's family members or other persons caring for the individual at the individual's place of residence, including bereavement, dietary, and spiritual counseling.

(5) Short-term inpatient care provided in a participating hospice inpatient unit or a participating hospital or nursing facility that additionally meets the special hospice standards regarding staffing and patient areas for pain control, symptom management and respite purposes.

(6) Medical appliances and supplies, including drugs and biologicals, as needed for the palliation and management of the individual's terminal illness and related conditions, except for "covered Part D drugs" as defined by 42 U.S.C. Section 1395w-102(e)(1)-(2) as amended to July 1, 2026, for a "Part D eligible individual" as defined in 42 U.S.C. Section 1395w-101(a)(3)(A) as amended to July 1, 2026, including an individual who is not enrolled in a Part D plan.

(7) Home maintenance support and home health aide services.

(8) Physical therapy, occupational therapy and speech-language pathology unless this provision has been waived under the Medicare program for a specific provider.

(9) Other items or services specified in the resident's plan that would otherwise be paid under the Medicaid program.

Nursing care, medical social services, and counseling are core hospice services and must routinely be provided directly by hospice employees. The hospice may contract with other providers to provide the remaining services. Bereavement counseling, consisting of counseling services provided after the individual's death to the individual's family or other persons caring for the individual, is a required hospice service but is not reimbursable.

b. Noncovered services.

(1) Covered services not related to the terminal illness. In accordance with Medicare guidelines, all medical services related to the terminal illness are the responsibility of the hospice. Services unrelated to the terminal illness are to be billed separately by the respective provider.

(2) Administrative duties performed by the medical director, any hospice-employed physician, or any consulting physician are included in the normal hospice rates. Patient care provided by the medical director, hospice-employed physician, attending physician, or consulting physician is separately reimbursable. Payment to the attending or consulting physician includes other partners in practice.

(3) Hospice care provided by a hospice other than the hospice designated by the individual unless provided under arrangements made by the designated hospice.

(4) Curative antiviral drugs targeted at the human immunodeficiency virus for the treatment of AIDS.

78.36(2) *Categories of care.* Hospice care entails the following four categories of daily care. Guidelines for core and other services must be adhered to for all categories of care.

a. Routine home care is care provided in the place of residence that is not continuous.

b. Continuous home care is provided only during a period of crisis when an individual requires continuous care that is primarily nursing care to achieve palliation or management of acute medical symptoms. Nursing care must be provided by either a registered nurse or a licensed practical nurse and a nurse must be providing care for more than half of the period of care. A minimum of eight hours of care per day must be provided during a 24-hour day to qualify as continuous care. Home maintenance support and aide services may also be provided to supplement the nursing care.

c. Inpatient respite care is provided to the individual only when necessary to relieve the family members or other persons caring for the individual at home. Respite care may be provided only on an occasional basis and may not be reimbursed for more than five consecutive days at a time. Respite care may not be provided when the individual is a resident of a nursing facility.

d. General inpatient care is provided in periods of acute medical crisis when the individual is hospitalized or in a participating hospice inpatient unit or nursing facility for pain control or acute or chronic symptom management.

78.36(3) *Residence in a nursing facility.* For purposes of the Medicaid hospice benefit, a nursing facility can be considered the residence of a beneficiary. When the person does reside in a nursing facility, the requirement that the care of a resident of a nursing facility must be provided under the immediate direction of either the facility or the resident's personal physician does not apply if all of the following conditions are met:

a. The resident is terminally ill.

b. The resident has elected to receive hospice services under the Medicaid program from a Medicaid-enrolled hospice program.

c. The nursing facility and the Medicaid-enrolled hospice program have entered into a written agreement under which the hospice program takes full responsibility for the professional management of the resident's hospice care and the facility agrees to provide room and board to the resident.

78.36(4) *Approval for hospice benefits.* Payment will be approved for hospice services to individuals who are certified as terminally ill, that is, the individuals have a medical prognosis that their life expectancy is six months or less if the illness runs its normal course, and who elect hospice care rather than active treatment for the illness.

a. Physician certification process. The hospice must obtain certification that an individual is terminally ill in accordance with the following procedures:

(1) The hospice may obtain verbal orders to initiate hospice service from the medical director of the hospice or the physician member of the hospice interdisciplinary group and by the individual's attending physician (if the individual has an attending physician). The verbal order shall be noted in the patient's

record. The verbal order must be given within two days of the start of care and be followed up in writing no later than eight calendar days after hospice care is initiated. The certification must include the statement that the individual's medical prognosis is that the individual's life expectancy is six months or less if the illness runs its normal course.

(2) When verbal orders are not secured, the hospice must obtain, no later than two calendar days after hospice care is initiated, written certification signed by the medical director of the hospice or the physician member of the hospice interdisciplinary group and by the individual's attending physician (if the individual has an attending physician). The certification must include the statement that the individual's medical prognosis is that the individual's life expectancy is six months or less, if the illness runs its normal course.

(3) Hospice care benefit periods consist of up to two periods of 90 days each and an unlimited number of subsequent 60-day periods as elected by the individual. The medical director or a physician must recertify at the beginning of each benefit period that the individual is terminally ill.

b. Election procedures. Individuals who are dually eligible for Medicare and Medicaid must receive hospice coverage under Medicare.

(1) Election statement. An individual, or individual's representative, elects to receive the hospice benefit by filing an election statement, the Election of Medicaid Hospice Benefit form, or a Medicare election of hospice benefit form, with a particular hospice. The hospice may provide the individual with another election form to use provided the form includes the following information:

1. Identification of the hospice that will provide the care.
2. Acknowledgment that the recipient has been given a full understanding of hospice care.
3. Acknowledgment that the recipient waives the right to regular Medicaid benefits, except for payment to the regular physician and treatment for medical conditions unrelated to the terminal illness.
4. Acknowledgment that recipients are not responsible for copayment or other deductibles.
5. The recipient's Medicaid number.
6. The effective date of election.
7. The recipient's signature.

(2) Change of designation. An individual may change the designation of the particular hospice from which the individual elects to receive hospice care one time only.

(3) Effective date. An individual may designate an effective date for the hospice benefit that begins with the first day of the hospice care or any subsequent day of hospice care, but an individual may not designate an effective date that is earlier than the date that the election is made.

(4) Duration of election. The election to receive hospice care will be considered to continue until one of the following occurs:

1. The individual dies.
2. The individual or the individual's representative revokes the election.
3. The individual's situation changes so that the individual no longer qualifies for the hospice benefit.
4. The hospice elects to terminate the recipient's enrollment in accordance with the hospice's established discharge policy.

(5) Revocation. A Revocation of Medicaid Hospice Benefit form is completed when an individual or the individual's representative revokes the hospice benefit allowed under Medicaid. When an individual revokes the election of Medicaid coverage of hospice care, the individual resumes Medicaid coverage of the benefits waived when hospice care was elected.

441—78.37(249A) HCBS elderly waiver services. Payment will be approved for the following services to members eligible for the HCBS elderly waiver services as established in 441—Chapter 83 and as identified in the member's service plan. Payment will only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.37(1) *Adult day care services.* Adult day care services are activities provided pursuant to subrule 78.34(3).

78.37(2) *Personal emergency response or portable locator system.* A personal emergency response or portable locator system are services provided pursuant to subrule 78.34(10).

78.37(3) *Home health aide services.* Home health aide services are personal or direct care services provided to the client which are not payable under Medicaid as set forth in rule 441—78.9(249A). A unit of service is a visit. Components of the service include:

a. Observation and reporting of physical or emotional needs.

b. Helping a client with bath, shampoo, or oral hygiene.

c. Helping a client with toileting.

d. Helping a client in and out of bed and with ambulation.

e. Helping a client reestablish activities of daily living.

f. Assisting with oral medications ordinarily self-administered and ordered by a physician.

g. Performing incidental household services which are essential to the client's health care at home and are necessary to prevent or postpone institutionalization in order to complete a full unit of service.

78.37(4) *Home maintenance support services.* Home maintenance support services are activities provided pursuant to subrule 78.34(1).

78.37(5) *Nursing care services.* Nursing care services are an extension of the State Plan, are included in the plan of treatment approved by the physician, and are provided by licensed agency nurses to members in the home or community. The services are reasonable and necessary to the treatment of an illness or injury and include all nursing tasks recognized by the board of nursing. A unit of service is one visit. Nursing care service can pay for a maximum of eight nursing visits per month for intermediate level of care persons. There is no limit on the maximum visits for skilled level of care persons.

78.37(6) *Respite care services.* Respite care services are service activities provided pursuant to subrule 78.34(5).

78.37(7) *Home-delivered meals.* Home-delivered meals are meals provided pursuant to subrule 78.34(11).

78.37(8) *Home and vehicle modification.* Covered home or vehicle modifications are activities provided pursuant to subrule 78.34(9).

78.37(9) *Senior companion.* Senior companion services are nonmedical care supervision, oversight, and respite. Companions may assist with such tasks as meal preparation, laundry, shopping and light housekeeping tasks. This service cannot provide hands-on nursing or medical care. A unit of service is 15 minutes.

78.37(10) *Attendant care service.* Attendant care services are service activities performed pursuant to subrule 78.34(7).

78.37(11) *CCO.* The CCO is service activities provided pursuant to subrule 78.34(13).

78.37(12) *Case management services.* Case management services are services that assist Medicaid members who reside in a community setting or are transitioning to a community setting in gaining access to needed medical, social, educational, housing, transportation, vocational, and other appropriate services in order to ensure the health, safety, and welfare of the member. Case management is provided at the direction of the member and the interdisciplinary team established pursuant to 441—subrule 83.22(2).

a. Case management services shall be provided as set forth in rules 441—90.4(249A) through 441—90.7(249A).

b. Case management shall not include the provision of direct services by the case managers.

c. Payment for case management shall not be made until the member is enrolled in the waiver. Payment shall be made only for case management services performed on behalf of the member during a month when the member is enrolled.

78.37(13) *Assisted living service.* The assisted living service includes unanticipated and unscheduled personal care and supportive services that are furnished to waiver participants who reside in a homelike, noninstitutional setting. The service includes the 24-hour on-site response capability to meet unpredictable member needs as well as member safety and security through incidental supervision. Assisted living

service is not reimbursable if performed at the same time as any service included in an approved attendant care agreement.

a. A unit of service is one day.

b. A day of assisted living service is billable only if both the following requirements are met:

(1) The member was present in the facility during that day's bed census.

(2) The assisted living provider has documented at least one assisted living service encounter for that day, in accordance with rule 441—79.3(249A). The documentation must include the member's response to the service. The documented assisted living service cannot also be an authorized attendant care service.

78.37(14) *General service standards.* All elderly waiver services must be provided in accordance with the following standards:

a. Reimbursement shall not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the rounding process detailed in paragraph 78.31(14)*"e"* will apply.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.38(249A) HCBS AIDS/HIV waiver services. Payment will be approved for the following services to members eligible for the HCBS AIDS/HIV waiver services as established in 441—Chapter 83 and as identified in the member's service plan. Payment shall only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.38(1) *Counseling services.* Counseling services are face-to-face mental health services provided to the member and caregiver by a mental health professional as defined in rule 441—24.1(225A) to facilitate home management of the member and prevent institutionalization. Counseling services are nonpsychiatric services necessary for the management of depression, assistance with the grief process, alleviation of psychosocial isolation and support in coping with a disability or illness, including terminal illness. Counseling services may be provided both for the purpose of training the member's family or other caregiver to provide care, and for the purpose of helping the member and those caring for the member to adjust to the member's disability or terminal condition. Counseling services may be provided to the member's caregiver only when included in the case plan for the member.

Payment will be made for individual and group counseling. A unit of individual counseling for the waiver member or the waiver member and the member's caregiver is 15 minutes. A unit of group counseling is 15 minutes. Payment for group counseling is based on the group rate divided by six, or, if the number of persons who comprise the group exceeds six, the actual number of persons who comprise the group.

78.38(2) *Home health aide services.* Home health aide services are personal or direct care services provided to the client which are not payable under Medicaid as set forth in rule 441—78.9(249A). A unit of service is a visit. Components of the service are:

a. Observation and reporting of physical or emotional needs.

b. Helping a client with bath, shampoo, or oral hygiene.

c. Helping a client with toileting.

d. Helping a client in and out of bed and with ambulation.

e. Helping a client reestablish activities of daily living.

f. Assisting with oral medications ordinarily self-administered and ordered by a physician.

g. Performing incidental household services which are essential to the client's health care at home and are necessary to prevent or postpone institutionalization in order to complete a full unit of service.

78.38(3) *Home maintenance support services.* Home maintenance support services are service activities provided pursuant to subrule 78.34(1).

78.38(4) *Nursing care services.* Nursing care services are services provided by licensed agency nurses to clients in the home which are ordered by and included in the plan of treatment established by the physician. The services shall be reasonable and necessary to the treatment of an illness or injury and include: observation; evaluation; teaching; training; supervision; therapeutic exercise; bowel and bladder care; administration of medications; intravenous and enteral feedings; skin care; preparation of clinical and progress notes; coordination of services; and informing the physician and other personnel of changes in the patient's conditions and needs. A unit of service is a visit.

78.38(5) *Respite care services.* Respite care services are services provided pursuant to subrule 78.34(5).

78.38(6) *Home-delivered meals.* Home-delivered meals are meals provided pursuant to subrule 78.34(11).

78.38(7) *Adult day care services.* Adult day care services are activities provided pursuant to subrule 78.34(3).

78.38(8) *Attendant care service.* Attendant care services are service activities performed pursuant to subrule 78.34(7).

78.38(9) *CCO.* The CCO are service activities provided pursuant to subrule 78.34(13).

78.38(10) *General service standards.* All AIDS/HIV waiver services must be provided in accordance with the following standards:

a. Reimbursement will not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the rounding process outlined in paragraph 78.34(14)*"e"* will apply.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.39(249A) Federally qualified health centers. Payment will be made for services as defined in Section 1905(a)(2)(C) of the Social Security Act as amended to July 1, 2026.

78.39(1) *Utilization review.* Utilization review will be conducted for Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, ARNPs, federally qualified health centers, other clinics, and emergency rooms.

78.39(2) *Risk assessment.* Risk assessment, using a Medicaid Prenatal Risk Assessment form, shall be completed at the initial visit during a Medicaid member's pregnancy.

a. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

b. If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services described in subrule 78.25(3).

78.39(3) *Vaccines.* In order to be paid for the administration of a vaccine covered under the VFC program, a federally qualified health center must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.40(249A) ARNPs. Payment will be approved for services provided by ARNPs within their scope of practice and the limitations of state law, with the exception of services not payable to physicians under rule 441—78.1(249A) or otherwise not payable under any other applicable rule.

78.40(1) *Direct payment.* Payment will be made to ARNPs directly, without regard to whether the ARNP is employed by or associated with a physician, hospital, birth center, clinic, or other health care provider recognized under state law. An established protocol between a physician and the ARNP will not

cause an ARNP to be considered auxiliary personnel of a physician, or an employee of a hospital, birth center, or clinic.

78.40(2) *Location of service.* Payment will be approved for services rendered in any location in which the ARNP is legally authorized to provide services under state law. The nurse practitioner shall have promptly available the necessary equipment and personnel to handle emergencies.

78.40(3) *Utilization review.* Utilization review will be conducted for Medicaid members who access more than 24 outpatient visits in any 12-month period from physicians, ARNPs, other clinics, and emergency rooms.

78.40(4) *Vaccines.* In order to be paid for the administration of a vaccine covered under the VFC program, an ARNP must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

78.40(5) *Prenatal risk assessment.* Risk assessment, using a Medicaid Prenatal Risk Assessment, shall be completed at the initial visit during a Medicaid member's pregnancy.

a. If the risk assessment reflects a low-risk pregnancy, the assessment shall be completed again at approximately the twenty-eighth week of pregnancy.

b. If the risk assessment reflects a high-risk pregnancy, referral shall be made for enhanced services described in subrule 78.25(3).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.41(249A) HCBS intellectual disability waiver services. Payment will be approved for the following services to members eligible for the HCBS intellectual disability waiver as established in 441—Chapter 83 and as identified in the member's service plan. Payment will only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.41(1) *Supported community living services.* Supported community living services are provided by the provider within the member's home and community, according to the individualized member need as identified in the service plan.

a. Available components of the service are personal care services, home skills training services, individual advocacy services, community skills training services, personal environment support services, transportation, and treatment services.

(1) Personal and home skills training services are activities that assist a member to develop or maintain skills for self-care, self-directedness, and care of the immediate environment.

(2) Individual advocacy is the act or process of representing the member's rights and interests in order to realize the rights to which the member is entitled and to remove barriers to meeting the member's needs.

(3) Community skills training services are activities that assist a member to develop or maintain skills allowing better participation in the community. Services shall focus on the following areas as they apply to the member being served:

1. Personal management skills training services are activities that assist a member to maintain or develop skills necessary to sustain the member in the physical environment and are essential to the management of the member's personal business and property. This includes self-advocacy skills. Examples of personal management skills are the ability to maintain a household budget, plan and prepare nutritional meals, use community resources such as public transportation and libraries, and select foods at the grocery store.

2. Socialization skills training services are activities that assist a member to develop or maintain skills which include self-awareness and self-control, social responsiveness, community participation, social amenities, and interpersonal skills.

3. Communication skills training services are activities that assist a member to develop or maintain skills including expressive and receptive skills in verbal and nonverbal language and the functional application of acquired reading and writing skills.

(4) Personal and environmental support services are activities and expenditures provided to or on behalf of a member in the areas of personal needs in order to allow the member to function in the least restrictive environment.

(5) Transportation services are activities and expenditures designed to assist the member to travel from one place to another to obtain services or carry out life's activities. The services exclude transportation provided as nonemergency medical transportation pursuant to rule 441—78.13(249A).

(6) Treatment services are activities designed to assist the member to maintain or improve physiological, emotional and behavioral functioning and to prevent conditions that would present barriers to the member's functioning. Treatment services include physical or physiological treatment and psychotherapeutic treatment.

1. Physiological treatment includes medication regimens designed to prevent, halt, control, relieve, or reverse symptoms or conditions that interfere with the normal functioning of the human body. Physiological treatment shall be provided by or under the direct supervision of a certified or licensed health care professional.

2. Psychotherapeutic treatment means activities provided to assist a member in the identification or modification of beliefs, emotions, attitudes, or behaviors in order to maintain or improve the member's functioning in response to the physical, emotional, and social environment.

b. The supported community living services are intended to provide for the daily living needs of the member and shall be available as needed during any 24-hour period. Activities do not include those associated with vocational services, academics, day care, medical services, Medicaid case management or other case management. Services are individualized supportive services provided in a variety of community-based, integrated settings.

(1) Supported community living services shall be available at a daily rate to members for whom a provider has primary responsibility for supervision or structure during the month. This service will provide supervision or structure in identified periods when another resource is not available.

(2) Supported community living services shall be available at a 15-minute rate to members for whom a daily rate is not established.

(3) Intensive residential services are supported community living services provided 24 hours per day to members with a serious and persistent mental illness diagnosis residing in a designated intensive residential service home. To be eligible for supported community living intensive residential services, the member must meet the eligibility criteria in paragraph 78.27(7)*"c."*

(4) Supported community living services delivered through the remote supports modality must meet the requirements pursuant to the HCBS Waiver Provider Manual as amended to July 1, 2026.

(5) Supported community living services delivered in a host home by a subcontractor of the supported community living services agency must meet the requirements pursuant to HCBS Waiver Provider Manual as amended to July 1, 2026.

c. Services may be provided to a child or an adult. A maximum of four persons may reside in a living unit.

(1) A member may live within the home of the member's family or legal representative or in another typical community living arrangement.

(2) A member living with the member's family or legal representative is not subject to the maximum of four residents in a living unit.

(3) A member may not live in a licensed medical or health care facility or in a setting that is required to be licensed as a medical or health care facility.

d. A member aged 17 or under living in the home of the member's family, legal representative, or foster family shall receive services based on development of adaptive, behavior, or health skills. Duration of services shall be based on age-appropriateness and individual attention span.

e. Additional criteria for receiving supported community living services for transition-age youth 16 to 18 years of age.

(1) Members residing in the family home may receive supported community living services as needed, subject to the criteria set forth in this rule.

(2) Members residing outside of the family home may receive daily supported community living in a provider-owned or controlled setting when the following criteria are met:

1. The proposed living environment must meet HCBS setting requirements in accordance with 441—subrule 77.30(5).

2. All providers of the service setting being requested must meet the following additional safety and service requirements for serving youth under the age of 18:

- Members 16 to 18 years of age shall receive 24-hour site supervision and support.
- Members under the age of 18 may not reside in settings with individuals over the age of 21.
- The comprehensive service plan shall specifically identify educational services and supports for individuals who have not obtained a high school diploma or equivalent.
- For individuals who have obtained a high school diploma or equivalent, the comprehensive service plan shall include supported employment, additional training, or educational supports.

3. The member's parent or guardian has consented to supported community living services.

4. The member is able to pay room and board costs (funding sources may include but are not limited to supplemental security income, child support, adoptions subsidy, or private funds).

f. Youth under the age of 16 needing supported community living outside the family home must receive services in a licensed or certified residential-based supported community living setting.

g. Maintenance and room and board costs are not reimbursable.

h. Provider budgets shall reflect costs associated with members' specific support needs as determined necessary by the interdisciplinary team for each member. The specific support needs must be identified in the Medicaid case manager's service plan, and the provider must maintain records to support the expenditures.

i. A unit of service is:

(1) One full calendar day when a member receives on-site staff supervision for eight or more hours per day as an average over a calendar month and the member's service plan identifies and reflects the need for this amount of supervision.

(2) Fifteen minutes when subparagraph 78.41(1)*"i"*(1) does not apply.

j. The maximum number of units available per member is as follows:

(1) 365 daily units per state fiscal year, except a leap year, when 366 daily units are available.

(2) 20,440 15-minute units per state fiscal year, except a leap year, when 20,496 15-minute units are available.

k. The service shall be identified in the member's service plan.

l. Supported community living services will not be simultaneously reimbursed with other residential services or with respite, nursing, or home health aide services provided through Medicaid or the waiver.

78.41(2) *Respite care services.* Respite care services are services provided pursuant to subrule 78.34(5).

78.41(3) *Personal emergency response or portable locator system.* The personal emergency response or portable locator system are services provided pursuant to subrule 78.34(10).

78.41(4) *Home and vehicle modification.* Covered home or vehicle modifications are activities provided pursuant to subrule 78.34(9).

78.41(5) *Nursing services.* Nursing services are individualized in-home medical services provided by licensed nurses. Services shall exceed the Medicaid state plan services and be included in the member's individual comprehensive plan.

a. A unit of service is one hour.

b. A maximum of ten units are available per week.

78.41(6) *Home health aide services.* Home health aide services are personal or direct care services provided to the member that are not payable under Medicaid as set forth in rule 441—78.9(249A). Services shall include unskilled medical services and shall exceed those services provided under HCBS intellectual disability waiver supported community living. Instruction, supervision, support or assistance in personal hygiene, bathing, and daily living shall be provided under supported community living.

a. Services shall be included in the member's service plan.

b. A unit is one hour.

c. A maximum of 14 units are available per week.

78.41(7) *Supported employment services.* Supported employment services are service activities provided pursuant to subrule 78.27(10).

78.41(8) *Attendant care service.* Attendant care services are service activities performed pursuant to subrule 78.34(7).

78.41(9) *IMMT services.* IMMT services are activities performed pursuant to subrule 78.34(8).

78.41(10) *Residential-based supported community living services.* Residential-based supported community living services are medical or remedial services provided to children under the age of 18 while living outside their home in a certified residential-based supported community living environment furnished by the residential-based supported community living service provider. The services eliminate barriers to family reunification or assist in developing self-help skills for maximum independence.

a. Allowable service components are:

(1) Daily living skills development. These are services to develop the child's ability to function independently in the community on a daily basis, including training in food preparation, maintenance of living environment, time and money management, personal hygiene, and self-care.

(2) Social skills development. These are services to develop a child's communication and socialization skills, including interventions to develop a child's ability to solve problems, resolve conflicts, develop appropriate relationships with others, and develop techniques for controlling behavior.

(3) Family support development. These are services necessary to allow a child to return to the child's family or another less restrictive service environment. These services must include counseling and therapy sessions that involve both the child and the child's family at least 50 percent of the time and that focus on techniques for dealing with the special care needs of the child and interventions needed to alleviate behaviors that are disruptive to the family or other group living unit.

(4) Counseling and behavior intervention services. These are services to halt, control, or reverse stress and social, emotional, or behavioral problems that threaten or have negatively affected the child's stability. Activities under this service include counseling and behavior intervention with the child, including interventions to ameliorate problem behaviors.

b. Residential-based supported community living services must also address the ordinary daily-living needs of the child, excluding room and board, such as needs for safety and security, social functioning, and other medical care.

c. Residential-based supported community living services do not include services associated with vocational needs, academics, day care, Medicaid case management, other case management, or any other services that the child can otherwise obtain through Medicaid.

d. Room and board costs are not reimbursable as residential-based supported community living services.

e. The scope of service shall be identified in the child's service plan pursuant to 441—paragraph 77.40(11)*"d."*

f. Residential-based supported community living services will not be simultaneously reimbursed with other residential services provided under an HCBS waiver or otherwise provided under the Medicaid program.

g. A unit of service is a day. A day is 24 hours of supervision and support.

h. The maximum number of units of residential-based supported community living services available per child is 365 daily units per state fiscal year, except in a leap year when 366 daily units are available.

78.41(11) *Transportation.* Transportation services may be provided for members to conduct business errands and essential shopping, to travel to and from work or day programs, and to reduce social isolation. A unit of service is one mile of transportation or one one-way trip. Transportation may not be reimbursed when HCBS intellectual disability waiver daily supported community living service is authorized in a member's service plan.

78.41(12) *Adult day care services.* Adult day care services are activities provided pursuant to subrule 78.34(3).

78.41(13) *Prevocational services.* Prevocational services are service activities provided pursuant to subrule 78.27(9).

78.41(14) *Day habilitation.* Day habilitation services will be provided pursuant to subrule 78.27(8).

78.41(15) *CCO.* The CCO is service activities provided pursuant to subrule 78.34(13).

78.41(16) *General service standards.* All intellectual disability waiver services must be provided in accordance with the following standards:

a. Reimbursement will not be available under the waiver for any services the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the rounding process outlined in paragraph 78.34(14)*"e"* will apply.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.42(249A) Pharmacists providing covered vaccines. When the authorized pharmacist providing the vaccine meets all Iowa board of pharmacy expanded practice standards and Medicaid requirements, payment will be made for the following:

78.42(1) *Vaccines administered to children.* Payment will be made to an enrolled provider for an administration fee for vaccines available through the VFC program administered by the department if the provider is enrolled in the VFC program. Payment will be made for the vaccine cost only if the VFC program stock has been depleted.

78.42(2) *Vaccines administered to adults.* Payment will be made to an enrolled provider for an administration fee and vaccine cost.

78.42(3) *Verification and reporting.* Prior to the ordering and administration of an immunization pursuant to statewide protocol, the authorized pharmacist shall consult and review the Iowa Immunization Registry Information System (IRIS) or Iowa Health Information Network (IHIN). Within 30 calendar days following administration of any vaccine, the pharmacist shall report such administration to the patient's primary health care provider, primary physician, and IRIS or IHIN. If a patient does not have a primary health care provider, the pharmacist shall provide the patient with a written record of the vaccine administered to the patient and shall advise the patient to consult a physician.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.43(249A) HCBS brain injury waiver services. Payment will be approved for the following services to members eligible for the HCBS brain injury waiver services as established in 441—Chapter 83 and as identified in the member's service plan. Payment will only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.43(1) *Case management services.* Individual case management services means services that assist members who reside in a community setting or are transitioning to a community setting in gaining access to needed medical, social, educational, housing, transportation, vocational, and other appropriate services in order to ensure the health, safety, and welfare of the member.

a. Case management services shall be provided as set forth in rules 441—90.4(249A) through 441—90.7(249A).

b. The service shall be delivered in such a way as to enhance the capabilities of members and their families to exercise their rights and responsibilities as citizens in the community. The goal is to enhance the ability of the member to exercise choice, make decisions, take risks that are a typical part of life, and fully participate as members of the community.

c. The case manager must develop a relationship with the member so that the abilities, needs and desires of the member can be clearly identified and communicated and the case manager can help to ensure that the system and specific services are responsive to the needs of the individual members.

d. Members who are eligible for targeted case management are not eligible for case management as a waiver service.

78.43(2) *Supported community living services.* Supported community living services are provided by the provider within the member's home and community according to the individualized member need as identified in the service plan.

a. The basic components of the service may include but are not limited to personal and home skills training services, individual advocacy services, community skills training services, personal environment support services, transportation, and treatment services.

(1) Personal and home skills training services are activities that assist a member to develop or maintain skills for self-care, self-directedness, and care of the immediate environment.

(2) Individual advocacy is the act or process of representing the member's rights and interests in order to realize the rights to which the member is entitled and to remove barriers to meeting the member's needs.

(3) Community skills training services are activities that assist a member to develop or maintain skills allowing better participation in the community. Services shall focus on the following areas as they apply to the member being served:

1. Personal management skills training services are activities that assist a member to maintain or develop skills necessary to sustain the member in the physical environment and that are essential to the management of the member's personal business and property. This includes self-advocacy skills. Examples of personal management skills are the ability to maintain a household budget, plan and prepare nutritional meals, use community resources such as public transportation and libraries, and select foods at the grocery store.

2. Socialization skills training services are activities that assist a member to develop or maintain skills that include self-awareness and self-control, social responsiveness, community participation, social amenities, and interpersonal skills.

3. Communication skills training services are activities that assist a member to develop or maintain skills, including expressive and receptive skills in verbal and nonverbal language and the functional application of acquired reading and writing skills.

(4) Personal and environmental support services are those activities and expenditures provided to or on behalf of a member in the areas of personal needs in order to allow the member to function in the least restrictive environment.

(5) Transportation services are activities and expenditures designed to assist the member to travel from one place to another to obtain services or carry out life's activities. The services exclude transportation provided as nonemergency medical transportation pursuant to rule 441—78.13(249A).

(6) Treatment services are activities designed to assist the member to maintain or improve physiological, emotional and behavioral functioning and to prevent conditions that would present barriers to the member's functioning. Treatment services include physical or physiological treatment and psychotherapeutic treatment.

1. Physiological treatment includes medication regimens designed to prevent, halt, control, relieve, or reverse symptoms or conditions which interfere with the normal functioning of the human body. Physiological treatment shall be provided by or under the direct supervision of a certified or licensed health care professional.

2. Psychotherapeutic treatment means activities provided to assist a member in the identification or modification of beliefs, emotions, attitudes, or behaviors in order to maintain or improve the member's functioning in response to the physical, emotional, and social environment.

b. The supported community living services are intended to provide for the daily living needs of the member and shall be available as needed during any 24-hour period. Activities do not include those associated with vocational services, academics, day care, medical services, Medicaid case management or other case management. Services are individualized supportive services provided in a variety of community-based, integrated settings.

(1) Supported community living services shall be available at a daily rate to members living outside the home of their family, legal representative, or foster family and for whom a provider has primary

responsibility for supervision or structure during the month. This service shall provide supervision or structure in identified periods when another resource is not available.

(2) Supported community living services shall be available at a 15-minute rate to members for whom a daily rate is not established.

c. Services may be provided to a child or an adult. Children must first access all other services for which they are eligible and that are appropriate to meet their needs before accessing the HCBS brain injury waiver services. A maximum of four persons may reside in a living unit.

(1) A member may live in the home of the member's family or legal representative or in another typical community living arrangement.

(2) A member living with the member's family or legal representative is not subject to the maximum of four residents in a living unit.

(3) A member may not live in a licensed medical or health care facility or in a setting that is required to be licensed as a medical or health care facility.

d. A member aged 17 or under living in the home of the member's family, legal representative, or foster family shall receive services based on development of adaptive, behavior, or health skills. Duration of services shall be based on age-appropriateness and individual attention span.

e. Provider budgets shall reflect all staff-to-member ratios and shall reflect costs associated with members' specific support needs for travel and transportation, consulting, instruction, and environmental modifications and repairs, as determined necessary by the interdisciplinary team for each member. The specific support needs must be identified in the Medicaid case manager's service plan, the total costs shall not exceed $1,570 per member per year, and the provider must maintain records to support the expenditures. A unit of service is:

(1) One full calendar day when a member residing in the living unit receives on-site staff supervision for eight or more hours per day as an average over a calendar month and the member's service plan identifies and reflects the need for this amount of supervision.

(2) Fifteen minutes when subparagraph 78.43(2)*"e"*(1) does not apply.

f. The maximum number of units available per member is as follows:

(1) 365 daily units per state fiscal year except a leap year, when 366 daily units are available.

(2) 33,580 15-minute units per state fiscal year except a leap year, when 33,672 15-minute units are available.

g. The service shall be identified in the member's service plan.

h. Supported community living services shall not be simultaneously reimbursed with other residential services or with respite, transportation, personal assistance, nursing, or home health aide services provided through Medicaid or the HCBS brain injury waiver.

78.43(3) *Respite care services.* Respite care services are services provided to the member that give temporary relief to the usual caregiver and provide all the necessary care that the usual caregiver would provide during that period. The purpose of respite care is to enable the member to remain in the member's current living situation.

a. Services provided outside the member's home shall not be reimbursable if the living unit where respite is provided is reserved for another person on a temporary leave of absence.

b. Member-to-staff ratios shall be appropriate to the individual needs of the member as determined by the member's interdisciplinary team.

c. A unit of service is 15 minutes.

d. Respite care is not to be provided to members during the hours in which the usual caregiver is employed except when the member is attending a 24-hour residential camp. Respite care shall not be used as a substitute for a child's day care. Respite care cannot be provided to a member whose usual caregiver is an attendant care provider for the member.

e. The interdisciplinary team shall determine if the member will receive basic individual respite, specialized respite or group respite as defined in 441—Chapter 83.

f. A maximum of 14 consecutive days of 24-hour respite care may be reimbursed.

g. Respite services provided for a period exceeding 24 consecutive hours to three or more individuals who require nursing care because of a mental or physical condition must be provided by a health care facility licensed as described in Iowa Code chapter 135C.

h. Respite services shall not be provided simultaneously with other residential, supported community living services, nursing, or home health aide services provided through the medical assistance program.

78.43(4) *Supported employment services.* Supported employment services are service activities provided pursuant to subrule 78.27(10).

78.43(5) *Home and vehicle modification.* Covered home or vehicle modifications are activities provided pursuant to subrule 78.34(9).

78.43(6) *Personal emergency response or portable locator system.* A personal emergency response or portable locator system are services provided pursuant to subrule 78.34(10).

78.43(7) *Transportation.* Transportation services may be provided for members to conduct business errands and essential shopping, to travel to and from work or day programs, and to reduce social isolation. A unit of service is one mile of transportation or one one-way trip. Transportation may not be reimbursed simultaneously with HCBS brain injury waiver supported community living service when the transportation costs are included within the supported community living reimbursement rate.

78.43(8) *Specialized medical equipment.*

a. Specialized medical equipment includes medically necessary items that are for personal use by members with a brain injury and that:

(1) Provide for health and safety of the member,

(2) Are not ordinarily covered by Medicaid,

(3) Are not funded by educational or vocational rehabilitation programs, and

(4) Are not provided by voluntary means.

b. Coverage includes but is not limited to:

(1) Electronic aids and organizers.

(2) Medicine dispensing devices.

(3) Communication devices.

(4) Bath aids.

(5) Noncovered environmental control units.

(6) Repair and maintenance of items purchased through the waiver.

c. Payment may be made to enrolled specialized medical equipment providers upon satisfactory receipt of the service not to exceed the service limitations published on the Iowa Medicaid fee schedule webpage.

d. The need for specialized medical equipment shall be:

(1) Documented by a health care professional as necessary for the member's health and safety, and

(2) Identified in the member's service plan.

e. Payment for most items will be based on a fee schedule. The amount of the fee will be determined as directed in 441—subrule 79.1(17).

78.43(9) *Adult day care services.* Adult day care services are activities provided pursuant to subrule 78.34(3).

78.43(10) *Family counseling and training services.* Family counseling and training services are face-to-face mental health services provided to the member and the family with whom the member lives, or who routinely provide care to the member to increase the member's or family members' capabilities to maintain and care for the member in the community. Counseling may include helping the member or the member's family members with crisis, coping strategies, stress reduction, management of depression, alleviation of psychosocial isolation and support in coping with the effects of a brain injury. It may include the use of treatment regimens as specified in the individual treatment plan. Periodic training updates may be necessary to safely maintain the member in the community.

Family may include spouse, children, friends, or in-laws of the member. Family does not include individuals who are employed to care for the member.

78.43(11) *Prevocational services.* Prevocational services are service activities provided pursuant to subrule 78.27(9).

78.43(12) *Behavioral programming.* Behavioral programming consists of individually designed strategies to increase the member's appropriate behaviors and decrease the member's maladaptive behaviors which have interfered with the member's ability to remain in the community. Behavioral programming includes:

a. A complete assessment of both appropriate and maladaptive behaviors.

b. Development of a structured behavioral intervention plan which should be identified in the individual treatment plan.

78.43(13) *Attendant care service.* Attendant care services are service activities performed pursuant to subrule 78.34(7).

78.43(14) *IMMT services.* IMMT services are activities performed pursuant to subrule 78.34(8).

78.43(15) *CCO.* The CCO is service activities provided pursuant to subrule 78.34(13).

78.43(16) *General service standards.* All brain injury waiver services must be provided in accordance with the following standards:

a. Reimbursement will not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the rounding process outlined in paragraph 78.34(14)*"e"* will apply.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.44(249A) Lead inspection services. Payment will be approved for lead inspection services. This service shall be provided for children who have had two venous blood lead levels of 15 to 19 micrograms per deciliter or one venous level greater than or equal to 20 micrograms per deciliter. This service includes, but is not limited to, X-ray fluorescence analyzer (XRF) readings, visual examination of paint, preventive education of the resident and homeowner, health education about lead poisoning, and a written report to the family, homeowner, medical provider, and local childhood lead poisoning prevention program.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.45(249A) Assertive community treatment. Assertive community treatment (ACT) services are comprehensive, integrated, and intensive outpatient services provided by a multidisciplinary team under the supervision of a psychiatrist. ACT services are directed toward the rehabilitation of behavioral, social, or emotional deficits or the amelioration of symptoms of a mental disorder. Most services are delivered in the member's home or another community setting.

78.45(1) *Applicability.* ACT services may be provided only to a member who meets all of the following criteria:

a. The member is at least 17 years old.

b. The member has a severe and persistent mental illness or complex mental health symptomatology. A severe and persistent mental illness is a psychiatric disorder that causes symptoms and impairments in basic mental and behavioral processes that produce distress and major functional disability in adult role functioning (such as social, personal, family, educational or vocational roles). Specifically, the member has a degree of impairment arising from a psychiatric disorder such that:

(1) The member does not have the resources or skills necessary to maintain an adequate level of functioning in the home or community environment without assistance or support;

(2) The member's judgment, impulse control, or cognitive perceptual abilities are compromised; and

(3) The member exhibits significant impairment in social, interpersonal, or familial functioning.

c. The member has a validated principal mental health diagnosis consistent with a severe and persistent mental illness. For this purpose, a mental health diagnosis means a disorder, dysfunction, or dysphoria diagnosed pursuant to the DSM, excluding neurodevelopmental disorders, substance-related disorders, personality disorders, medication-induced movement disorders and other adverse effects of medication, and other conditions that may be a focus of clinical attention. Members with a primary

diagnosis of substance-related disorder, developmental disability, or organic disorder are not eligible for ACT services.

d. The member needs a consistent team of professionals and multiple mental health and support services to maintain the member in the community and reduce hospitalizations, as evidenced by:

(1) A pattern of repeated treatment failures with at least two hospitalizations within the previous 24 months, or

(2) A need for multiple or combined mental health and basic living supports to prevent the need for a more intrusive level of care.

e. The member presents a reasonable likelihood that ACT services will lead to specific, observable improvements in the member's functioning and assist the member in achieving or maintaining community tenure. Specifically, the member:

(1) Is medically stable;

(2) Does not require a level of care that includes more intensive medical monitoring;

(3) Presents a low risk to self, others, or property, with treatment and support; and

(4) Lives independently in the community or demonstrates a capacity to live independently and move from a dependent residential setting to independent living.

f. At the time of admission, the member has a comprehensive assessment that includes psychiatric history, medical history, work and educational history, substance use, problems with activities of daily living, social interests, and family relationships.

g. The member has a written treatment plan containing a work evaluation and the necessary psychiatric rehabilitation treatment and support services. The plan shall identify:

(1) Treatment objectives and outcomes,

(2) The expected frequency and duration of each service,

(3) The location where the services will be provided,

(4) A crisis plan, and

(5) The schedule for updates of the treatment plan.

78.45(2) *Services.* The ACT team shall participate in all mental health services provided to the member and shall provide 24-hour service for the psychiatric needs of the member. Available ACT services are:

a. Evaluation and medication management.

(1) The evaluation portion of ACT services consists of a comprehensive mental health evaluation and assessment of the member by a psychiatrist, ARNP, or PA.

(2) Medication management consists of the prescription and management of medication by a psychiatrist, ARNP, or PA to respond to the member's complaints and symptoms. A psychiatric registered nurse assists in this management by contact with the member regarding medications and their effect on the member's complaints and symptoms.

b. Integrated therapy and counseling for mental health and substance use. This service consists of direct counseling for treatment of mental health and substance use symptoms by a psychiatrist, licensed mental health professional, ARNP, PA, or substance use specialist. Individual counseling is provided by other team members under the supervision of a psychiatrist or licensed mental health practitioner.

c. Skill teaching. Skill teaching consists of side-by-side demonstration and observation of daily living activities by a registered nurse, licensed mental health professional, psychologist, substance use counselor, peer specialist, community support specialist, ARNP, or PA.

d. Community support. Community support is provided by a licensed mental health professional, psychologist, substance use counselor, peer specialist, community support specialist, ARNP, or PA. Community support consists of the following activities focused on recovery and rehabilitation:

(1) Personal and home skills training to assist the member to develop and maintain skills for self-direction and coping with the living situation.

(2) Community skills training to assist the member in maintaining a positive level of participation in the community through development of socialization skills and personal coping skills.

e. Medication monitoring. Medication monitoring services are provided by a psychiatric nurse and other team members under the supervision of a psychiatrist or psychiatric nurse and consist of:

(1) Monitoring the member's day-to-day functioning, medication compliance, and access to medications; and

(2) Ensuring that the member keeps appointments.

f. Case management for treatment and service plan coordination. Case management consists of the development by the ACT team of an individualized treatment and service plan, including personalized goals and outcomes, to address the member's medical symptoms and remedial functional impairments.

(1) Case management includes:

1. Assessments, referrals, follow-up, and monitoring.

2. Assisting the member in gaining access to necessary medical, social, educational, and other services.

3. Assessing the member to determine service needs by collecting relevant historical information through member records and other information from relevant professionals and natural supports.

(2) The team shall:

1. Develop a specific care plan based on the assessment of needs, including goals and actions to address the needed medical, social, educational, and other necessary services.

2. Make referrals to services and related activities to assist the member with the assessed needs.

3. Monitor and perform follow-up activities necessary to ensure that the plan is carried out and that the member has access to necessary services. Activities may include monitoring contacts with providers, family members, natural supports, and others.

4. Hold daily team meetings to facilitate ACT services and coordinate the member's care with other members of the team.

g. Crisis response. Crisis response consists of direct assessment and treatment of the member's urgent or crisis symptoms in the community by a registered nurse, licensed mental health professional, psychologist, substance use counselor, community support specialist, case manager, ARNP, or PA, as appropriate.

h. Work-related services. Work-related services may be provided by a registered nurse, licensed mental health professional, psychologist, substance use counselor, community support specialist, case manager, ARNP, or PA. Services consist of assisting the member in managing mental health symptoms as they relate to job performance. Services may include:

(1) Collaborating with the member to look for job situations that may cause symptoms to increase and creating strategies to manage these situations.

(2) Assisting the member to develop or enhance skills to obtain a work placement, such as individual work-related behavioral management.

(3) Providing supports to maintain employment, such as crisis intervention related to employment.

(4) Teaching communication, problem solving, and safety skills.

(5) Teaching personal skills such as time management and appropriate grooming for employment.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.46(249A) Physical disability waiver service. Payment will be approved for the following services to members eligible for the HCBS physical disability waiver as established in 441—Chapter 83 and as identified in the member's service plan. Payment will only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.46(1) *Attendant care service.* Attendant care services are service activities performed pursuant to subrule 78.34(7).

78.46(2) *Home and vehicle modification.* Covered home or vehicle modifications are activities provided pursuant to subrule 78.34(9).

78.46(3) *Personal emergency response or portable locator system.* A personal emergency response or portable locator are services provided pursuant to subrule 78.34(10).

78.46(4) *Specialized medical equipment.* Specialized medical equipment are provided pursuant to subrule 78.43(8).

78.46(5) *Transportation.* Transportation services may be provided for members to conduct business errands and essential shopping, to travel to and from work or day programs, and to reduce social isolation. A unit of service is one mile of transportation or one one-way trip.

78.46(6) *CCO.* The CCO is service activities provided pursuant to subrule 78.34(13).

78.46(7) *General service standards.* All physical disability waiver services must be provided in accordance with the following standards:

a. Reimbursement will not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the rounding process outlined in paragraph 78.34(14)*"e"* will apply.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.47(249A) Pharmaceutical case management services. Payment will be approved for pharmaceutical case management services provided by an eligible physician and pharmacist for Medicaid recipients determined to be at high risk for medication-related problems. These services are designed to identify, prevent, and resolve medication-related problems and improve drug therapy outcomes.

78.47(1) *Medicaid recipient eligibility.* Patients are eligible for pharmaceutical case management services if they have active prescriptions for four or more regularly scheduled nontopical medications, are ambulatory, do not reside in a nursing facility, and have at least one of the eligible disease states of congestive heart disease, ischemic heart disease, diabetes mellitus, hypertension, hyperlipidemia, asthma, depression, atrial fibrillation, osteoarthritis, gastroesophageal reflux, or chronic obstructive pulmonary disease.

78.47(2) *Provider eligibility.* Physicians and pharmacists shall meet the following criteria to provide pharmaceutical case management services.

a. Physicians and pharmacists must be enrolled in the Iowa Medicaid program, have an Iowa Medicaid provider number, and receive training under the direction of the department regarding the provision of pharmaceutical case management services under the Iowa Medicaid program.

A copy of pharmaceutical case management records, including documentation of services provided, shall be maintained on file in each provider's facility and be made available for audit by the department on request.

b. Physicians shall be licensed to practice medicine.

c. Pharmacists shall present to the department evidence of competency including state licensure, submit five acceptable patient care plans, and have successfully completed professional training on patient-oriented, medication-related problem prevention and resolution. Pharmacists shall also maintain problem-oriented patient records, provide a private patient consultation area, and submit a statement indicating that the submitted patient care plans are representative of the pharmacists' usual patient care plans.

Acceptable professional training programs are:

(1) A doctor of pharmacy degree program.

(2) The Iowa Center for Pharmaceutical Care (ICPC) training program, which is a cooperative training initiative of the University of Iowa College of Pharmacy, Drake University College of Pharmacy and Health Sciences, and the Iowa Pharmacy Foundation.

(3) Other programs containing similar coursework and supplemental practice site evaluation and reengineering, approved by the department with input from a peer review advisory committee.

78.47(3) *Services.* Eligible patients may choose whether to receive the services. If patients elect to receive the services, they must receive the services from any eligible physician and pharmacist acting as a pharmaceutical case management (PCM) team. Usually the eligible physician and pharmacist will be the patient's primary physician and pharmacist. Pharmaceutical case management services are to be value-added services complementary to the basic medical services provided by the primary physician and pharmacist.

The PCM team shall provide the following services:

a. Initial assessment. The initial assessment shall consist of:

(1) A patient evaluation by the pharmacist, including:

1. Medication history;
2. Assessment of indications, effectiveness, safety, and compliance of medication therapy;
3. Assessment for the presence of untreated illness; and
4. Identification of medication-related problems such as unnecessary medication therapy, suboptimal medication selection, inappropriate compliance, adverse drug reactions, and need for additional medication therapy.

(2) A written report and recommendation from the pharmacist to the physician.

(3) A patient care action plan developed by the PCM team with the patient's agreement and implemented by the PCM team. Specific components of the action plan will vary based on patient needs and conditions but may include changes in medication regimen, focused patient or caregiver education, periodic assessment for changes in the patient's condition, periodic monitoring of the effectiveness of medication therapy, self-management training, provision of patient-specific educational and informational materials, compliance enhancement, and reinforcement of healthy lifestyles. An action plan must be completed for each initial assessment.

b. New problem assessments. These assessments are initiated when a new medication-related problem is identified. The action plan is modified and new components are implemented to address the new problem. This assessment may occur in the interim between scheduled follow-up assessments.

c. Problem follow-up assessments. These assessments are based on patient need and a problem identified by a prior assessment. The patient's status is evaluated at an appropriate interval. The effectiveness of the implemented action plan is determined and modifications are made as needed.

d. Preventive follow-up assessments. These assessments occur approximately every six months when no current medication-related problems have been identified in prior assessments. The patient is reassessed for newly developed medication-related problems and the action plan is reviewed.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.48(249A) Public health agencies. Payments will be made to local public health agencies on a fee schedule basis for providing vaccine and vaccine administration and testing for communicable disease. In order to be paid for the administration of a vaccine covered under the VFC program, a public health agency must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.49(249A) Infant and toddler program services. Subject to the following subrules, payment will be made for medical services provided to Medicaid eligible children by infant and toddler program providers under the infants and toddlers with disabilities program administered by the department, Iowa child health specialty clinics, and the department of education.

78.49(1) *Covered services.* Covered services include but are not limited to audiology, psychological evaluation and counseling, health and nursing services, nutrition services, occupational therapy services, physical therapy services, developmental services, speech-language services, vision services, case management, and medical transportation.

78.49(2) *Case management services.* Payment will also be approved for infant and toddler case management services subject to the following requirements:

a. Definition. "Case management" means services that will assist eligible children in gaining access to needed medical, social, educational, and other services. Case management is intended to address the complexities of coordinated service delivery for children with medical needs. The case manager should be the focus for coordinating and overseeing the effectiveness of all providers and programs in responding to the assessed need. Case management does not include the direct delivery of an underlying medical, educational, social, or other service to which an eligible child has been referred or any activities that are an integral part or an extension of the direct services.

b. Choice of provider. Children who also are eligible to receive targeted case management services under 441—Chapter 90 must choose whether to receive case management through the infant and toddler program or through 441—Chapter 90. The chosen provider must meet the requirements of this subrule.

(1) When a child resides in a medical institution, the institution is responsible for case management. The child is not eligible for any other case management services. However, noninstitutional case management services may be provided during the last 14 days before the child's planned discharge if the child's stay in the institution has been less than 180 consecutive days. If the child has been in the institution 180 consecutive days or longer, the child may receive noninstitutional case management services during the last 60 days before the child's planned discharge.

(2) If the case management agency also provides direct services, the case management unit must be designed so that conflict of interest is addressed and does not result in self-referrals.

(3) If the costs of any part of case management services are reimbursable under another program, the costs must be allocated between those programs and Medicaid in accordance with OMB Circular No. A-87 as amended to July 1, 2026, or any related or successor guidance or regulations regarding allocation of costs.

(4) The case manager must complete a competency-based training program with content related to knowledge and understanding of eligible children, Early ACCESS rules, the nature and scope of services in Early ACCESS, and the system of payments for services, as well as case management responsibilities and strategies. The department of education or its designee will determine whether a person has successfully completed the training.

c. Assessment. The case manager shall conduct a comprehensive assessment and periodic reassessment of an eligible child to identify all of the child's service needs, including the need for any medical, educational, social, or other services. Assessment activities are defined to include the following:

(1) Taking the child's history;

(2) Identifying the needs of the child;

(3) Gathering information from other sources, such as family members, medical providers, social workers, and educators, if necessary, to form a complete assessment of the child;

(4) Completing documentation of the information gathered and the assessment results; and

(5) Repeating the assessment every six months to determine whether the child's needs or preferences have changed.

d. Plan of care. The case manager shall develop a plan of care based on the information collected through the assessment or reassessment. The plan of care shall:

(1) Include the child's strengths and preferences;

(2) Consider the child's physical and social environment;

(3) Specify goals of providing services to the child; and

(4) Specify actions to address the child's medical, social, educational, and other service needs. These actions may include activities such as ensuring the active participation of the child and working with the child or the child's authorized health care decision maker and others to develop goals and identify a course of action to respond to the assessed needs of the child.

e. Other service components. Case management must include the following components:

(1) Contacts with the child and family. The case manager shall have face-to-face contact with the child and family within the first 30 days of service and every three months thereafter. In months in which there is no face-to-face contact, a telephone contact between the service coordinator and the family is required.

(2) Referral and related activities to help a child obtain needed services. The case manager shall help to link the child with medical, social, or educational providers or other programs and services that are capable of providing needed services. Referral activities do not include provision of the direct services, program, or activity to which the child has been linked. Referral activities include:

1. Assisting the family in gaining access to the infant and toddler program services and other services identified in the child's plan of care.

2. Assisting the family in identifying available service providers and funding resources and documenting unmet needs and gaps in services.

3. Making referrals to providers for needed services.

4. Scheduling appointments for the child.
5. Facilitating the timely delivery of services.
6. Arranging payment for medical transportation.

(3) Monitoring and follow-up activities. Monitoring activities shall take place at least once annually for the duration of the child's eligibility, but may be conducted as frequently as necessary to ensure that the plan of care is effectively implemented and adequately addresses the needs of the child. Monitoring and follow-up activities may be with the child, family members, providers, or other entities. The purpose of these activities is to help determine:

1. Whether services are being furnished in accordance with the child's plan of care.
2. Whether the services in the plan of care are adequate to meet the needs of the child.
3. Whether there are changes in the needs or status of the child. If there are changes in the child's needs or status, follow-up activities shall include making necessary adjustments to the plan of care and to service arrangements with providers.

(4) Keeping records, including preparing reports, updating the plan of care, making notes about plan activities in the child's record, and preparing and responding to correspondence with the family and others.

f. Documentation of case management. For each child receiving case management, case records must document:

(1) The name of the child;
(2) The dates of case management services;
(3) The agency chosen by the family to provide the case management services;
(4) The nature, content, and units of case management services received;
(5) Whether the goals specified in the care plan have been achieved;
(6) Whether the family has declined services in the care plan;
(7) Time lines for providing services and reassessment; and
(8) The need for and occurrences of coordination with case managers of other programs.

78.49(3) *Child's eligibility.* Payable services must be provided to a child under the age of 36 months who is experiencing developmental delay or who has a condition that is known to have a high probability of resulting in developmental delay at a later date.

78.49(4) *Delivery of services.* Services must be delivered directly by the infant and toddler program provider or by a practitioner under contract with the infant and toddler program provider.

78.49(5) *Remission of nonfederal share of costs.* Payment for services shall be made only when the following conditions are met:

a. The infant and toddler program provider has executed an agreement to remit the nonfederal share of the cost to the department.

b. The infant and toddler program provider shall sign and return a Medicaid Billing Remittance form along with the funds remitted for the nonfederal share of the costs of the services specified on the form.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.50(249A) Local education agency services. Subject to the following subrules, payment will be made for medical services provided by local education agency services providers to Medicaid members under the age of 21.

78.50(1) *Covered services.* Covered services include but are not limited to audiology services, behavior services, consultation services, medical transportation, nursing services, nutrition services, occupational therapy services, personal assistance, physical therapy services, psychologist services, speech-language services, social work services, vision services, and school-based clinic visit services.

a. In order to be paid for the administration of a vaccine covered under the VFC program, a local education agency must enroll in the VFC program. Payment for the vaccine will be approved only if the VFC program stock has been depleted.

b. Payment for supplies will be approved when the supplies are incidental to the patient's care, e.g., syringes for injections, and do not exceed $25 per month. Durable medical equipment and other supplies are not covered as local education agency services.

c. To the extent that federal funding is not available under Title XIX of the Social Security Act as amended to July 1, 2026, payment for transportation between home and school is not a covered service.

78.50(2) *Delivery of services.* Services must be delivered directly by the local education agency services providers or by a practitioner under contract with the local education agency services provider.

78.50(3) *Remission of nonfederal share of costs.* Payment for services shall be made only when the following conditions are met:

a. The local education agency services provider has executed an agreement to remit the nonfederal share of the cost to the department.

b. The local education agency provider shall sign and return a Medicaid Billing Remittance form along with the funds remitted for the nonfederal share of the costs of the services as specified on the form.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.51(249A) Indian health service 638 facility services. Payment will be made for all medically necessary services and supplies provided by a licensed practitioner at an Indian health service 638 facility, as defined at rule 441—77.47(249A), within the practitioner's scope of practice and subject to the limitations and exclusions set forth in subrule 78.1(1).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.52(249A) HCBS children's mental health waiver services. Payment will be approved for the following services to members eligible for the HCBS children's mental health waiver as established in 441—Chapter 83 and as identified in the member's service plan. Payment will only be made for services provided in integrated, community-based settings that support full access of members receiving Medicaid HCBS to the greater community, including opportunities to seek employment and work in competitive integrated settings, engage in community life, control personal resources, and receive services in the community, to the same degree of access as individuals not receiving Medicaid HCBS.

78.52(1) *General service standards.* All children's mental health waiver services must be provided in accordance with the following standards:

a. Reimbursement will not be available under the waiver for any services that the member can obtain as other nonwaiver Medicaid services or through any other funding source.

b. All services provided under the waiver must be delivered in the least restrictive environment possible and in conformity with the member's service plan.

c. All rights restrictions must be implemented in accordance with 441—subrule 77.30(4).

d. Services must be billed in whole units.

e. For all services with a 15-minute unit of service, the rounding process outlined in paragraph 78.34(14)*"e"* will apply.

78.52(2) *Environmental modifications and adaptive devices.*

a. Environmental modifications and adaptive devices include medically necessary items installed or used within the member's home that are used by the member to address specific, documented health, mental health, or safety concerns. The following items are excluded under this service:

(1) Items ordinarily covered by Medicaid.

(2) Items funded by educational or vocational rehabilitation programs.

(3) Items provided by voluntary means.

(4) Repair and maintenance of items purchased through the waiver.

(5) Fencing.

b. A unit of service is one modification or device.

c. For each unit of service provided, the case manager shall maintain in the member's case file a signed statement from a mental health professional on the member's interdisciplinary team that the service has a direct relationship to the member's diagnosis of serious emotional disturbance.

d. Payment for most items will be based on a fee schedule. The amount of the fee will be determined as directed in 441—subrule 79.1(17).

78.52(3) *Family and community support services.* Family and community support services shall support the member and the member's family by the development and implementation of strategies and interventions that will result in the reduction of stress and depression and will increase the member's and the family's social and emotional strength.

a. Dependent on the needs of the member and the member's family members individually or collectively, family and community support services may be provided to the member, to the member's family members, or to the member and the family members as a family unit.

b. Family and community support services shall be provided under the recommendation and direction of a mental health professional who is a member of the member's interdisciplinary team pursuant to 441—Chapter 83.

c. Family and community support services shall incorporate recommended support interventions and activities, which may include the following:

(1) Developing and maintaining a crisis support network for the member and for the member's family.

(2) Modeling and coaching effective coping strategies for the member's family members.

(3) Building resilience to the stigma of serious emotional disturbance for the member and the family.

(4) Reducing the stigma of serious emotional disturbance by the development of relationships with peers and community members.

(5) Modeling and coaching the strategies and interventions identified in the member's crisis intervention plan as defined in 441—24.1(225A) for life situations with the member's family and in the community.

(6) Developing medication management skills.

(7) Developing personal hygiene and grooming skills that contribute to the member's positive self-image.

(8) Developing positive socialization and citizenship skills.

d. Family and community support services may include an amount not to exceed $1,500 per member per year for transportation within the community and purchase of therapeutic resources. Therapeutic resources may include books, training materials, and visual or audio media.

(1) The interdisciplinary team must have identified the transportation or therapeutic resource as a support need and included that need in the case manager's plan.

(2) The annual amount available for transportation and therapeutic resources must be listed in the member's service plan.

(3) The member's parent or legal guardian shall submit a signed statement that the transportation or therapeutic resource cannot be provided by the member or the member's family or legal guardian.

(4) The member's Medicaid case manager will maintain a signed statement that potential community resources are unavailable and will list the community resources contacted to fund the transportation or therapeutic resource.

(5) The transportation or therapeutic resource must not be otherwise eligible for Medicaid reimbursement.

e. The following components are specifically excluded from family and community support services:

(1) Vocational services.

(2) Prevocational services.

(3) Supported employment services.

(4) Room and board.

(5) Academic services.

(6) General supervision and care.

f. A unit of family and community support services is 15 minutes.

78.52(4) *In-home family therapy.* In-home family therapy provides skilled therapeutic services to the member and family that will increase their ability to cope with the effects of serious emotional disturbance on the family unit and the familial relationships. The service must support the family by the development of coping strategies that will enable the member to continue living within the family environment.

a. The goal of in-home family therapy is to maintain a cohesive family unit.

b. In-home family therapy is exclusive of and cannot serve as a substitute for individual therapy, family therapy, or other mental health therapy that may be obtained through Medicaid or other funding sources.

c. A unit of in-home family therapy service is 15 minutes.

78.52(5) *Respite care services.* Respite care services are services provided pursuant to subrule 78.34(5).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.53(249A) Speech-language pathology services. Payment will be approved for the same services provided by a speech-language pathologist that are payable under Title XVIII of the Social Security Act as amended to July 1, 2026 (Medicare).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.54(249A) Services rendered via telehealth. An in-person contact between a health care professional and a patient is not required as a prerequisite for payment for otherwise-covered services appropriately provided through telehealth in accordance with generally accepted health care practices and standards prevailing in the applicable professional community at the time the services are provided, as well as being in accordance with provisions under rule 481—655.9(147,148,272C). Health care services provided through in-person consultations or through telehealth shall be treated as equivalent services for the purposes of reimbursement.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.55(249A) Community-based neurobehavioral rehabilitation services. Payment will be made for community-based neurobehavioral rehabilitation services that do not duplicate other services covered in this chapter.

78.55(1) *Definitions.*

"Assessment" means the review of the current functioning of the member using the service in regard to the member's situation, needs, strengths, abilities, desires, and goals.

"Brain injury" means a diagnosis in accordance with rule 441—83.81(249A).

"Health care" means the services provided by trained and licensed health care professionals to restore or maintain the member's health.

"Intermittent community-based neurobehavioral rehabilitation services" are provided to a Medicaid member on an as-needed basis to support the member and the member's family or caregivers to assist the member to increase adaptive behaviors, decrease maladaptive behaviors, and adapt and accommodate to challenging behaviors to support the member to remain in the member's own home and community.

"Member" means a person who has been determined to be eligible for Medicaid under 441—Chapter 75.

"Neurobehavioral rehabilitation" refers to a specialized category of neurorehabilitation provided by a multidisciplinary team that has been trained in, and delivers, services individually designed to address cognitive, medical, behavioral and psychosocial challenges, as well as the physical manifestations of acquired brain injury. Services concurrently work to optimize functioning at personal, family and community levels, by supporting the increase of adaptive behaviors, decrease of maladaptive behaviors and adaptation and accommodation to challenging behaviors to support a member to maximize the member's independence in activities of daily living and ability to live in the member's home and community.

"Program" means a set of related resources and services directed to the accomplishment of a fixed set of goals for eligible members.

"Standardized assessment" means a valid, reliable, and comprehensive functional assessment tool(s) or process, or both, approved by the department for use in the assessment of a member's individual needs.

78.55(2) *Member eligibility.* To be eligible to receive community-based neurobehavioral rehabilitation services, a member shall meet the following criteria:

a. Brain injury diagnosis. To be eligible for community-based neurobehavioral rehabilitation services, the member must have a brain injury diagnosis as set forth in rule 441—83.81(249A).

b. Risk factors. The member has the following post-brain injury risk factors:

(1) The member is exhibiting neurobehavioral symptoms in such frequency or severity that the member has undergone or is currently undergoing treatment more intensive than outpatient care and is currently hospitalized, institutionalized, incarcerated or homeless or is at risk of hospitalization, institutionalization, incarceration or homelessness; or

(2) The member has a history of presenting with neurobehavioral or psychiatric symptoms resulting in at least one episode that required professional supportive care more intensive than outpatient care more than once in a lifetime (e.g., emergency services, alternative home care, partial hospitalization, or inpatient hospitalization).

c. Need for assistance. The member exhibits neurobehavioral symptoms in such frequency, severity or intensity that community-based neurobehavioral rehabilitation is required.

d. Needs assessment. The member shall have an assessment of need completed prior to admission. The member shall have the Mayo-Portland Adaptability Inventory (MPAI) assessment as amended to July 1, 2026, completed by a qualified trained assessor. The assessment of need shall document the member's need for community-based neurobehavioral rehabilitation, and Iowa Medicaid or the member's MCO has determined that the member is in need of specialty neurobehavioral rehabilitation services.

e. Standards for assessment. Each member will have had the MPAI assessment completed within the 90 days prior to admission. In addition to the functional assessment, the needs assessment will have been completed and will include the assessment of a member's individual physical, emotional, cognitive, medical and psychosocial residuals related to the member's brain injury and must include the following:

(1) Identification of the neurobehavioral needs that put the member at risk, including but not limited to verbal aggression, physical aggression, self-harm, unwanted sexual behavior, cognitive and or behavioral perseveration, wandering or elopement, lack of motivation, lack of initiation or other unwanted social behaviors not otherwise specified.

(2) Identification of triggers of unwanted behaviors and the member's ability to self-manage the member's symptoms.

(3) The member's rehabilitation and medical care history to include medication history and status.

(4) The member's employment history and the member's barriers to employment.

(5) The member's dietary and nutritional needs.

(6) The member's community accessibility and safety.

(7) The member's access to transportation.

(8) The member's history of substance use.

(9) The member's vulnerability to exploitation and history of risk of exploitation.

(10) The member's history and status of relationships, natural supports and socialization.

f. Emergency admission. In the event that emergency admission is required, the assessment shall be completed within ten calendar days of admission.

78.55(3) *Covered services.*

a. Service setting.

(1) Community-based neurobehavioral residential rehabilitation services are provided to a member living in a three-to-five-bed residential care facility with a specialized license designation issued by the department of inspections, appeals, and licensing; or

(2) Community-based neurobehavioral intermittent rehabilitation services are provided to a member living in the member's own residence in the community.

No payment shall be made for community-based neurobehavioral rehabilitation when provided in a medical institution such as an ICF/ID, nursing facility or skilled nursing facility.

b. Community-based neurobehavioral rehabilitation residential services identified in the treatment plan may include:

(1) Prescriptive programming to maintain and advance progress made in rehabilitation;

(2) Modifying or adapting the member's environment to improve overall functioning;

(3) Assistance in obtaining preventative, appropriate and timely medical and dental care;

(4) Compensatory strategies to assist in managing ADLs;

(5) Assistance with coordinating and obtaining physical, oral, or mental health care and any other professional services necessary to the member's health and well-being;

(6) Behavioral and cognitive programming and supports;

(7) Medication management and consultation with pharmacy;

(8) Health and wellness management including dietary and nutritional programming;

(9) Progressive physical strengthening, fitness and retraining;

(10) Assistance with obtaining and use of assistive technology;

(11) Sobriety support development;

(12) Assistance with the self-identification of antecedent triggers;

(13) Assistance with preparation for transition to less intensive services including accessing the community;

(14) Flexibility in programming to meet individual needs;

(15) Assistance with re-learning coping and compensatory strategies;

(16) Support and assistance in seeking substance use and co-occurring disorders services;

(17) Support and assistance with obtaining legal consultation and services;

(18) Assistance with community accessibility and safety;

(19) Assistance with re-learning household maintenance;

(20) Assistance with recreational and leisure skill development;

(21) Assistance with the development and application of self-advocacy skills to navigate the service system;

(22) Opportunities to learn about brain injury and individual needs following brain injury;

(23) Support for carrying out the member's individual goals in the rehabilitation treatment plan;

(24) Assistance with pursuit of education and employment goals;

(25) Protective oversight in the residential setting and community;

(26) Assistance and education to family, providers and other support system interests that are supporting the member receiving neurobehavioral rehabilitation services;

(27) Transitional support and training;

(28) Transportation essential to the attainment of the member's individual goals in the rehabilitation treatment plan;

(29) Promotion of a program structure and support for members served so they can relearn or regain skills for maximum independence, community access, and integration.

c. Community-based neurobehavioral rehabilitation intermittent services identified in the treatment plan may occur in the member's own home with or on behalf of the member and may include:

(1) Promotion of a program structure and support for members served so they can re-learn or regain skills for maximum community inclusion and access;

(2) Modifying or adapting the member's environment to improve overall functioning;

(3) Compensatory strategies to assist in managing ADLs;

(4) Behavioral supports;

(5) Assistance with obtaining and use of assistive technology;

(6) Assistance with the self-identification of antecedent triggers;

(7) Flexibility in programming to meet the member's individual needs;

(8) Assistance with re-learning coping and compensatory strategies;

(9) Assistance with the development and application of self-advocacy skills to navigate the service system;

(10) Support for carrying out the member's individual goals in the rehabilitation treatment plan;

(11) Assistance and education to family, providers and other support system interests that are supporting the member receiving community-based neurobehavioral rehabilitation services;

(12) Transitional support and training;

(13) Transportation essential to the attainment of the member's individual goals in the rehabilitation treatment plan.

d. Approval of treatment plan. The community-based neurobehavioral services provider shall submit the proposed plan of care, the results of the member's formal assessment, and medical documentation supporting a brain injury diagnosis to Iowa Medicaid for approval before providing the services.

e. Initial treatment plan. Within 30 days of admission, the provider shall submit the member's treatment plan to Iowa Medicaid.

(1) Iowa Medicaid will approve the provider's treatment plan if:

1. The treatment plan conforms to the medical necessity requirements in subrule 78.55(4);

2. The treatment plan is consistent with the written diagnosis and treatment recommendations made by a licensed medical professional that is a licensed neuropsychologist or neurologist, M.D., or D.O.;

3. The treatment plan is sufficient in amount, duration, and scope to reasonably achieve its purpose;

4. The provider can demonstrate that the provider possesses the skills and resources necessary to implement the plan; and

5. The treatment plan does not exceed 180 days in duration.

(2) A treatment summary detailing the member's response to treatment during the previous approval period must be submitted when approval for subsequent plans is requested.

f. Subsequent plans. Iowa Medicaid may approve a subsequent neurobehavioral rehabilitation treatment plan that conforms to the conditions of medical necessity pursuant to subrule 78.55(4) and to the conditions pursuant to subrule 78.55(3).

g. Quality review. Iowa Medicaid may perform the quality review to evaluate:

(1) The time elapsed from referral to rehabilitation treatment plan development;

(2) The continuity of treatment;

(3) The length of stay per member;

(4) The affiliation of the medical professional recommending services with the neurobehavioral rehabilitation services provider;

(5) Gaps in service;

(6) The results achieved;

(7) Member and stakeholder satisfaction;

(8) The provider's compliance with standards listed in rule 441—77.53(249A).

78.55(4) *Medical necessity.* Nothing in this rule will be deemed to exempt coverage of community-based neurobehavioral rehabilitation services from the requirement that services be medically necessary. "Medically necessary" means that the service is:

a. Consistent with the diagnosis and treatment of the member's condition;

b. Required to meet the medical needs of the member and is needed for reasons other than the convenience of the member or the member's caregiver;

c. The least costly type of service that can reasonably meet the medical needs of the member; and

d. In accordance with the standards of good medical practice. The standards of good practice for each field of medical and remedial care covered by the Iowa Medicaid program are those standards of good practice identified by:

(1) Knowledgeable Iowa clinicians practicing or teaching in the field; and

(2) The professional literature regarding best practices in the field.

78.55(5) *Documentation standards.* Community-based neurobehavioral rehabilitation service providers shall maintain service provision records, financial records, and clinical records in accordance with the provisions of rule 441—79.3(249A).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.56(249A) Child care medical services. Payments will be made to licensed child care centers that provide medical services in addition to child care. Medically necessary services are provided under a plan of care that is developed by licensed professionals within their scope of practice and authorized by the member's physician. The services include and implement a comprehensive protocol of care that is developed in conjunction with the parent or guardian and specifies the medical, nursing, personal care, psychosocial and developmental therapies required by the medically dependent or technologically dependent child served.

78.56(1) Nursing services are services that are provided by a registered nurse or a licensed practical nurse under the direction of the member's physician to a member in a licensed child care center. Nursing services shall be provided according to a written plan of care authorized by a physician. Payment for nursing services may be approved if the services are determined to be medically necessary as defined in subrule 78.56(5). Nursing services include activities that require the expertise of a nurse, such as physical assessment, tracheostomy care, medication administration, and tube feedings.

78.56(2) Personal care services are those services that are provided by an aide but are delegated and supervised by a registered nurse under the direction of the member's physician. Payment for personal care

services may be approved if the services are determined to be medically necessary as defined in subrule 78.56(5). Personal care services shall be in accordance with the member's plan of care and authorized by a physician. Personal care services include the activities of daily living, oral hygiene, grooming, toileting, feeding, range of motion and positioning, and training the member in necessary self-help skills, including teaching prosocial skills and reinforcing positive interactions.

78.56(3) Psychosocial services are those services that focus at decreasing or eliminating maladaptive behaviors. Payment for psychosocial services may be approved if the services are determined to be medically necessary as defined in subrule 78.56(5). Psychosocial services shall be in accordance with the member's plan of care and authorized by a physician. Psychosocial services include implementing a plan using clinically accepted techniques for decreasing or eliminating maladaptive behaviors. Psychosocial intervention plans must be developed and reviewed by licensed mental health providers.

78.56(4) Developmental therapies are those services that are provided by an aide but are delegated and supervised by a licensed therapist under the direction of the member's physician. Payment for developmental therapies may be approved if the services are determined to be medically necessary as defined in subrule 78.56(5). Developmental therapies shall be in accordance with the member's plan of care and authorized by a physician. Developmental therapies include activities based on the individual's needs such as fine motor, gross motor, and receptive expressive language.

78.56(5) "Medically necessary" means the service is reasonably calculated to prevent, diagnose, correct, cure, alleviate or prevent the worsening of conditions that endanger life, cause pain, result in illness or infirmity, or threaten to cause or aggravate a disability or chronic illness and is an effective course of treatment for the member requesting a service.

78.56(6) Requirements.

a. Nursing, psychosocial, developmental therapies and personal care services shall be ordered in writing.

b. Nursing, psychosocial, developmental therapies and personal care services shall be authorized by the department or the department's designated review agent prior to payment.

c. Prior authorization shall be requested at the time of initial submission of the plan of care or at any time the plan of care is substantially amended and shall be renewed with the department or the department's designated review agent. Initial request for and request for renewal of prior authorization shall be submitted to the department's designated review agent. The provider of the service is responsible for requesting prior authorization and for obtaining renewal of prior authorization. The request for prior authorization shall include a nursing assessment, the plan of care, and supporting documentation. A treatment plan shall be completed prior to the start of care and at a minimum reviewed every 180 days thereafter. The plan of care shall support the medical necessity and intensity of services to be provided by reflecting the following information:

(1) Place of service.
(2) Type of service to be rendered and the treatment modalities being used.
(3) Frequency of the services.
(4) Assistance devices to be used.
(5) Date on which services were initiated.
(6) Progress of member in response to treatment.
(7) Medical supplies to be furnished.
(8) Member's medical condition as reflected by the following information, if applicable:

1. Dates of prior hospitalization.
2. Dates of prior surgery.
3. Date last seen by a primary care provider.
4. Diagnoses and dates of onset of diagnoses for which treatment is being rendered.
5. Prognosis.
6. Functional limitations.
7. Vital signs reading.
8. Date of last episode of acute recurrence of illness or symptoms.
9. Medications.

(9) Discipline of the person providing the service.

(10) Certification period.

(11) Physician's signature and date. The treatment plan must be signed and dated by the physician before the claim for service is submitted for reimbursement.

(12) The appropriate department form is utilized during the prior authorization review.

78.56(7) Nursing, personal care, and psychosocial services do not include:

a. Services provided to members aged 21 and older.

b. Services that require prior authorizations that are provided without regard to the prior authorization process.

c. Nursing services provided simultaneously with other Medicaid services (e.g., home health aide, physical, occupational, or speech therapy services, etc.).

d. Services that exceed the services that are approvable under the private duty nursing and personal care program pursuant to subrule 78.9(10).

e. Transportation services.

f. Services provided to a member while the member is in institutional care.

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.57(249A) Qualified Medicare beneficiary (QMB) provider services.

78.57(1) *Payment.* Payment will be made to QMB providers for a QMB-eligible member's coinsurance, copayment, and deductible for Medicare-covered services. The eligible member may be responsible for copayments pursuant to 441—subrule 79.1(13).

78.57(2) *Definitions.*

"Coinsurance" means a percentage of costs of a covered health care service that has to be paid.

"Copayment" means a fixed amount a member pays for a covered health care service.

"Deductible" means the amount paid for covered health care services before the insurance plan will effect payment.

"Medicare cost sharing" means the Medicare member's responsibility for a Medicare-covered service. "Medicare cost sharing" includes coinsurance, copayments, and deductibles.

"Qualified Medicare beneficiary" or *"QMB"* means an individual who has been determined eligible for the QMB program pursuant to 441—paragraph 75.6(5)*"a."* Under the QMB program, Medicaid pays the individual's Medicare Part A and B premiums, coinsurance, copayment, and deductible (except for Part D).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.58(249A) Health insurance premium payment (HIPP) provider services.

78.58(1) *Reimbursement.* A HIPP provider may bill the department for the HIPP-eligible member's out-of-pocket cost-sharing obligations. Reimbursement of claims is limited to in-network coinsurance, copayments, and deductibles of the HIPP-eligible member's health insurance, paid for through the HIPP program. The HIPP-eligible member may be responsible for a copayment pursuant to 441—subrule 79.1(13).

78.58(2) *Definitions.*

"Coinsurance" means a percentage of costs of a covered health care service that has to be paid.

"Copayment" means a fixed amount a member pays for a covered health care service.

"Cost sharing" means the member's health insurance in-network responsibility for a covered service. "Cost sharing" includes coinsurance, copayments, and deductibles.

"Deductible" means the amount paid for covered health care services before the insurance plan will effect payment.

"Eligible member" means an individual eligible for Medicaid pursuant to rule 441—75.1(249A) et seq. and who qualifies for and is participating in the department's HIPP program prescribed under rule 441—75.21(249A).

"Health insurance premium payment program" or *"HIPP program"* has the same meaning as provided in rule 441—75.21(249A).

[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.59(249A) Crisis response services. Payment will be made to providers (eligible pursuant to rule 441—77.54(249A)) of crisis response services, crisis stabilization community-based services, and crisis stabilization residential services delivered as set forth in 441—Chapter 24.
[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

441—78.60(249A) Subacute mental health services. Payment will be made to providers (eligible pursuant to rule 441—77.55(249A)) for the provision of subacute mental health care facility services that meet the standards outlined in 481—Chapter 71.
[**ARC 0315D**, IAB 5/27/26, effective 7/1/26]

These rules are intended to implement Iowa Code chapter 249A.
