2.11(2) *Complaints to public officials.* A letter from a subject of a confidential record to a public official which seeks the official's intervention on behalf of the subject in a matter that involved the agency may, to the extent permitted by law, be treated as an authorization to release sufficient information about the subject to the official to resolve the matter.

781—2.12(17A,22) Release to the subject.

2.12(1) The subject of a confidential record may file a written request to review confidential records about that person as provided in rule 2.6(17A,22). However, the agency need not release the following records to the subject:

a. The identity of a person providing information to the agency need not be disclosed directly or indirectly to the subject of the information when the information is authorized to be held confidential pursuant to Iowa Code section 22.7(18) or other provision of the law.

b. Records need not be disclosed to the subject when they are the work product of an attorney or are otherwise privileged.

c. Peace officers' investigative reports may be withheld from the subject, except as required by the Iowa Code. (See Iowa Code section 22.7(5))

(1) Enable law violators to avoid detection;

(3) Give a clearly improper advantage to persons who are in an adverse position to the agency. (See Iowa Code sections 17A.2 and 17A.3)

j. Records which constitute attorney work product, attorney-client communications, or which are otherwise privileged. Any person may request permission to inspect records withheld from inspection under a statute which authorizes limited or discretionary disclosure as provided in rule 2.4(17A,22). 4.3(6) Within a reasonable time, the treasurer will notify the lender whether the application has been approved or denied.

4.3(7) Funds will be deposited with the lender on the fifteenth day of the month. If the fifteenth day of the month falls on a weekend or holiday, funds will be transferred the following business day.

4.3(8) The lender must make all funds available to the borrower by the end of the business day following the day the lender receives the funds from the treasurer.

4.3(9) At the beginning of each month, the treasurer will determine the rate of interest for LIFT certificates of deposit that are new or are being renewed that month.

4.3(10) After approval of the application, the lender shall notify the treasurer, in writing, if the loan is paid off, if the loan is in default, if the business closes, or if the business is sold.

4.3(11) At any time it is determined that a borrower or business does not meet the requirements of participation in the LIFT program, the treasurer shall notify the lender and withdraw the certificate of deposit with no penalty. The lender shall have ten days from the date of notification to remit the outstanding balance and accrued interest to the treasurer.

4.3(12) As a requirement for renewal of the certificate of deposit, the lender shall verify that the borrower and business are still eligible for this program.

781—4.4(12) Qualifications on the certificate of deposit.

4.4(1) The minimum rate for the certificate of deposit shall be 1 percent. The term shall not exceed one year but may be renewed at the option of the treasurer.

4.4(2) Interest must be calculated for the actual number of days on a 365-day basis, except during leap year, when it must be calculated for the actual number of days on a 366-day basis. Interest must be paid to the treasurer upon maturity of the certificate of deposit.

4.4(3) The certificate of deposit and accrued interest must be secured either by federal deposit insurance or must be collateralized pursuant to Iowa Code chapter 12C.

4.4(4) If the borrower pays the loan in full prior to the maturity date of the certificate of deposit, the lender shall, within ten days of the payment in full, remit the principal balance of the certificate of deposit and the accrued interest thereon to the treasurer.

4.4(5) Funds shall be transferred according to instructions from the treasurer.

4.4(6) When a certificate of deposit is issued or renewed, it shall be held in safekeeping by the lender. 781—4.5(12) Qualifications on the loan.

4.5(1) The interest rate on the loan shall not exceed the rate of interest on the certificate of deposit by more than 4 percent. Points shall not supplement the loan rate, and a compensating balance shall not be required.

4.5(2) All other terms and conditions on the loan must be negotiated by the lender and the borrower. The lender is required by law to use usual and customary lending standards to determine the creditworthiness of the loan.

4.5(3) Neither the treasurer nor the state is liable for any payment of principal or interest on the loan or any late payments. The certificate of deposit is not collateral and shall not constitute security in any manner for the repayment of principal or any interest or charges thereon.

4.5(4) The amount and term of the loan may exceed the amount and term of the certificate of deposit. It is permitted for the interest rate on the loan to be variable based on adjustments in the rate of the certificate of deposit.

4.5(5) Loans are subject to the restrictions set forth in rule 781—4.6(12).

4.5(6) Loan proceeds shall not be used to refinance existing debt, including credit card debt. However, proceeds may be used to refinance a short-term bridge loan made in anticipation of the treasurer’s approval of an eligible LIFT participant.

4.5(7) The lender shall acquire sufficient information to verify that the applicant meets the requirements before the borrower or business may become eligible to participate in a LIFT program. The lender and borrower applying for a loan under this program shall verify on the LIFT Lender/Borrower Application (Form 655-0142) that the borrower, owner, and business qualify.

4.5(8) The lender must complete the LIFT Renewal Application (Form 655-0143) at the time of renewal and submit it to the treasurer to ensure that the borrower and business continue to be eligible to participate in the LIFT program.

781—4.6(12) LIFT—small business program.

4.6(1) New and existing small businesses are eligible for the LIFT small business program. An existing small business is defined as a business that has annual gross sales of \$2 million or less at the time of application.

4.6(3) All owners of the business or borrowers must not have a combined net worth exceeding \$975,000. Combined net worth, as defined by this program, shall equal assets less liabilities for each owner of the business and persons borrowing for the business combined. Married individuals may divide their total net worth and assign one half of the total to each individual. If both individuals are owners of the business or borrowers, then their combined net worth must be used to determine net worth requirements.

4.6(4) Proceeds of loans under this program shall be used for business expenses including land, improvements, fixtures, machinery, inventory, supplies, equipment, information technology, or licenses, or patent, trademark, or copyright fees and expenses.

4.6(5) The maximum amount that a borrower or business may borrow from this program is \$200,000. Once the borrower or business has received LIFT funds totaling \$200,000, the borrower or business is ineligible for additional LIFT proceeds.

4.6(6) Proceeds shall not be used to speculate in real estate or for real estate held for investment purposes. Proceeds shall not be used to buy real estate for the purposes of renting or leasing.

4.6(7) A home-based business qualifies as a LIFT small business only if the person whose home is used for operation of the small business qualifies for a tax deduction for that portion of a home used for business pursuant to regulations of the Internal Revenue Service. An applicant who wishes to borrow from the LIFT small business program, who otherwise qualifies, and who has a home-based business or wishes to begin a home-based business must establish to the satisfaction of the lender that the applicant qualifies for a tax deduction for that portion of the applicant’s home that the applicant uses or intends to use for the business pursuant to regulations of the Internal Revenue Service.

4.6(8) If the business holds a class “C” liquor license, sales of liquor, beer, and wine must not exceed 20 percent of annual sales.

CHAPTER 6
COORDINATION OF BONDING ACTIVITIES

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

781—6.1(12) Scope. Iowa Code chapter 12 grants authority to the treasurer of state to establish administrative procedures for the coordination of state bonding activities and selection of professional services for the issuance of obligations by an authority.

781—6.2(12) Definitions.

“*Authority*” means a department, agency, and public or quasi-public instrumentality of the state which has the power to issue obligations, except that “authority” does not include the state board of regents. “Authority” includes, but is not limited to, the authorities created under Iowa Code chapters 175 (Iowa Agriculture Development Authority), 175A (Economic Protective and Investment Authority), 220 (Iowa Finance Authority), 261A (Higher Education Loan Authority), 307B (Railway Finance Authority), 442A (Advance Funding Authority), and any other entity which has both of the following characteristics:

1. State officers or employees serve as members, officers, directors or employees of the entity or have the authority to appoint any of the above, and

2. The state has either a present or a future interest in any assets of the entity.

“*Marketing activities*” are those activities which are undertaken to promote the sale of obligations issued by an authority. These include, but are not limited to, presentation of oral or written information to sellers, buyers, underwriters, analysts, rating agencies, dealers and brokers.

“*Obligations*” means notes, bonds, including refunding bonds, and other evidences of indebtedness of an authority, including but not limited to private activity bonds as defined in section 141 of the Internal Revenue Code of 1986, notes and bonds issued by the authority pursuant to loan agreements with any other entity, and lease or installment purchase agreements between the authority and any entity other than the manufacturer of the property subject to the lease or installment purchase agreement.

“*Professional services*” are those services performed by persons other than employees of an authority which are undertaken in order to effectuate issuance of an obligation. These include, but are not limited to, the services of attorneys, accountants, financial advisors, banks, underwriters, and insurers.

“*Project sponsor*” is a person who enters into an agreement with an authority under which the authority issues obligations on behalf of the project sponsor but neither the authority nor the state assumes any liability for the repayment of the obligation.

“*Rating agencies*” are those entities which evaluate and rate obligations including, but not limited to, Moody’s Investors Service, Standard and Poors, and Fitch’s Investors Services.

“*Request for proposal (RFP)*” is a solicitation to vendors to submit proposals for providing professional services in connection with the proposed issuance.

“*Vendor*” means a person, firm, corporation, partnership, business, or other commercial entity offering to provide professional services.

781—6.3(12) Intention to issue obligations.

6.3(1) *Treasurer’s status with an authority.* The treasurer or the treasurer’s designee shall serve as an ex officio nonvoting member of each authority. The authority shall transmit to the treasurer all documents, notices, and materials which are distributed to any other member of the authority. The treasurer shall be permitted to attend all meetings, conferences or working sessions which any other member of the authority is permitted to attend.

6.3(2) *Notice to treasurer.* When members of an authority determine that the authority should prepare to issue obligations, the authority shall notify the treasurer of its intent to do so.

6.3(3) *Consultation with authority.* Upon determining that an authority intends to prepare to issue obligations, the treasurer or treasurer’s designee shall meet with the authority or its designee to discuss the following matters:

- a. Proposed amount, terms, and conditions of the issue;
- b. Documents, instruments, and other materials necessary to effectuate issuance and marketing;

- c. Professional services necessary to effectuate issuance;
- d. Proposed schedule for preparation, issuance, and marketing;
- e. Whether the issue will be sold on a negotiated, competitive, or other basis;
- f. Compensation for vendors of professional services;
- g. Projected costs to the authority of vendor selection.

781—6.4(12) Selection of vendors of professional services.

6.4(1) *Preparation of request for proposal.* After consulting with the authority, the treasurer shall prepare or approve requests for proposal for all appropriate professional services.

6.4(2) *List of vendors.* The treasurer shall maintain a list of vendors of professional services who have requested to be notified of RFPs.

6.4(3) *Review of proposals.* The treasurer shall review all proposals submitted in response to an RFP. In evaluating the proposals submitted, the treasurer may consider any factors relevant to the vendor's qualifications to render the services in question including, but not limited to, proposed compensation and expenses, vendor's experience with similar issues, vendor's ability to provide the services of individuals with specific knowledge in the relevant subject matter, length of the proposed engagement and scheduling needs of the authority. Regardless of the number of proposals submitted, the treasurer may eliminate from further consideration any vendor who is, in the treasurer's opinion, unable to render the services specified in the RFP.

6.4(4) *Selection of vendor.* The treasurer shall review all information submitted by vendors and shall select a vendor to perform the services of the type requested in the RFP. In making this selection, the treasurer may consult with the authority and the treasurer shall employ the criteria set out in subrule 6.4(3).

6.4(5) *Compensation of vendor selected.* The treasurer shall fix the compensation of the vendor selected. The treasurer shall promptly advise the authority in writing of the vendor selected and the terms and conditions under which the vendor shall be employed. Upon receipt of notice of selection by the treasurer, the authority shall promptly employ the vendor subject to the terms and conditions specified by the treasurer. The vendor shall account to the authority for all expenses incurred and services rendered. The authority shall make appropriate payments directly to the vendor.

781—6.5(12) Exceptions to vendor selection procedure.

6.5(1) *Waiver required by public interest.* The treasurer may waive the procedures set out in subrules 6.4(1) to 6.4(3) if the treasurer determines that it is in the public interest to do so. The treasurer shall waive the above procedures by filing written notice with the executive council stating why the waiver is in the public interest. In the event that the treasurer waives the above procedures, the treasurer shall determine the procedures to be followed in selecting vendors of professional services for an authority.

6.5(2) *Waiver for project sponsors.* The treasurer may waive the provisions set out in subrules 6.4(1) to 6.4(5) if the treasurer determines that all of the following conditions exist:

- a. The proposed obligation is being issued by the authority on behalf of a project sponsor;
- b. Purchasers of the proposed obligation will have no recourse, directly or indirectly, to the authority or the state in the event of a default on the obligation; and
- c. Vendors of professional services affected by the waiver will be employed and compensated by the project sponsor and not by the authority.

6.5(3) *Competitive sale of obligations.* In the event that obligations are to be issued by soliciting bids from several underwriters in a competitive sale, the treasurer shall supervise the bidding process in consultation with the authority. The treasurer shall prepare the necessary documents including, but not limited to:

- a. Official notice of sale;
- b. Advertising of official notice; and
- c. Official bid form.

The treasurer shall establish a time and location for opening bids and shall notify the authority and the successful bidder upon awarding the successful bid. Selection of all other vendors of professional services shall be made according to the procedures set out in rule 6.4(12).

781—6.6(12) Investment of proceeds. The treasurer shall direct the investment or deposit of the proceeds of all obligations issued on or after July 1, 1986, subject to the terms and conditions of the obligations, except that the authority shall direct the investment or deposit of proceeds necessary to fund its ongoing operations.

781—6.7(12) Information to be provided to treasurer. Each authority shall, upon request, provide the treasurer with any statistical or financial information in the possession of the authority which, in the treasurer's opinion, is needed to prepare, issue or market any obligations of the authority.

781—6.8(12) Costs of vendor selection. The treasurer may submit to the authority accounts for all costs incurred in the selection of vendors for the authority, including general administrative costs incurred by the treasurer. The authority shall disburse the amounts presented in the treasurer's accounts.

Consent in writing to a renewal of the time deposit at or about the time of renewal and signed by the owner, given by delivery of the original or a signed copy in a format reasonably acceptable to the division, or demonstrated by the existence of a memorandum or other record on file with the holder made at the time of renewal; or

b. The owner, within three years after the earlier of the maturity date or the date of the owner's last indication of interest in the deposit, has:

(1) Increased or decreased the amount or presented the passbook or other similar evidence of the deposit for the crediting of interest due;

(2) Communicated in writing with the financial organization concerning the time deposit, including requesting that the time deposit be redeemed;

(3) Otherwise demonstrated an indication of interest in the deposit as evidenced by a memorandum or other record on file prepared by an employee of the financial organization;

(4) Owned other property to which subparagraphs 9.10(1)“b”(1), (2), and (3) above apply and the financial organization communicates with the owner about the deposit that would otherwise be presumed abandoned under this subrule in writing at the address to which communications regarding the other property regularly are sent; or

9.10(2) Consent to renewal of a time deposit shall be presumed and the owner will be deemed to have demonstrated an indication of interest in a time deposit when the financial organization sends the owner notice of the renewal via first-class mail, address correction requested, and the notice is not returned to the financial organization by the post office for reason of nondelivery; provided, however, the financial organization must maintain a system for tracking and documenting return mail.

9.10(3) The date on which the owner has last demonstrated an indication of interest in and awareness of the owner’s time deposit, as defined in paragraph 9.10(1)“a” above, or the date of maturity if no conduct evidencing such interest is made, whichever is earlier, shall begin the three-year abandonment period. However, when a written communication mailed to an owner is returned marked “undeliverable” or “unclaimed,” the date of receipt by the financial organization of the returned mailing shall be deemed to begin the abandonment period. When periodic interest checks are issued on a time deposit, the abandonment period will commence on the date of an uncashed interest check, and the time deposit will be considered abandoned if all subsequent interest checks continue to remain uncashed through the entire statutory abandonment period, unless there is other conduct by the owner demonstrating an indication of interest in the time deposit as specified elsewhere in rule 781—9.10(556) and applicable statutory law.

a. The date a second item sent to the owner by first-class mail was returned as undeliverable by the United States Postal Service (USPS), unless a later mailing by first-class mail to the apparent owner was not returned as undeliverable or, for an apparent owner not receiving communications from the holder by first-class mail, the date of the last indication to the holder by the apparent owner of interest in the property; or

781—9.20(556) Owner notification and holder due diligence.

9.20(1) Holders shall exercise reasonable and necessary due diligence consistent with good business practice in attempting to reactivate dormant accounts and to locate owners of unclaimed property.

9.20(2) If a holder fails to perform due diligence as required by Iowa Code section 556.11(5), the treasurer may charge five dollars for each name and address account reported if 35 percent or more of the accounts are claimed within 24 months immediately following the filing of a holder report.

9.20(3) If a holder fails to perform due diligence as required by Iowa Code section 556.11, the holder will not have met the good-faith reporting standard of Iowa Code section 556.14 and the division will not be obligated to defend the holder against any claim of liability.

This rule is intended to implement Iowa Code section 556.11.

781—9.21(556) Reporting aggregate amounts to the division. Holders may report in the aggregate property with a value under \$50, but holders are discouraged from doing so since it impedes the ability of the division to expeditiously pay claims. For this reason, holders are encouraged not to aggregate, regardless of item value. If a holder chooses to report in the aggregate, the holder shall be responsible to provide information required to verify and validate a claim made to aggregated properties.

This rule is intended to implement Iowa Code section 556.11.

[ARC 8844C, IAB 1/22/25, effective 2/26/25]

781—9.22(556) Property held by a third party. A holder may contract with a third party to hold property, provide payment services and report unclaimed property; however, such arrangements shall not relieve the holder from complying with all requirements of this chapter and Iowa Code chapter 556. The holder remains at all times responsible for the complete, accurate and timely reporting and delivery of property presumed abandoned and other duties as provided for under this chapter and Iowa Code chapter 556.

This rule is intended to implement Iowa Code chapter 556.

9.23(1) Pursuant to Iowa Code section 556.11(10), agreements or contracts between locators and owners to pay compensation to recover or assist in the recovery of abandoned property are unenforceable if made within 24 months of the date the property was received by the division. Additionally, if a holder is in possession of property that has been deemed abandoned but has not yet been timely reported and delivered to the division, an agreement to pay compensation to recover or assist in the recovery of such property is unenforceable. In no case shall the locator fees or compensation exceed 15 percent of the amount of the property subject to claim.

9.23(2) A claim form signed by a locator shall not be reviewed by the division. The apparent owner or owner's legal representative shall make direct contact with the division and sign the claim form. All communication regarding the claim will be sent to the claimant. A signed, dated and notarized copy of any original agreement or contract between a locator and an owner shall be included with the filing of any claim. Handwritten agreements will not be accepted. To be valid, the agreement must disclose the nature and value of the property and the name and address of the person in possession.

9.23(3) The division shall not release to a locator information deemed confidential pursuant to Iowa Code section 22.7(59), even where a claimant has authorized such release.

9.23(4) Certain publicly releasable information about owners shall be reproduced at least annually in a format to be determined by the treasurer and shall be provided to anyone requesting the information. The treasurer may assess a fee of \$20 per copy. The fee shall be paid in the form of an official check or money order and made payable to the State of Iowa. All fees for owner information shall be received by the division before the owner information is made available.

This rule is intended to implement Iowa Code sections 22.7(59) and 556.11.

9.24(1) Except as stated in subrules 9.24(2) and 9.24(3), the contents of safe deposit boxes and other tangible property received by the division shall be held by the division for not less than one year, after which time the property may be sold, held, or destroyed.

a. No employee, person related to an employee of the Iowa treasurer of state living in the same household, or contractor that provided auction or appraisal services may directly or indirectly bid on safe deposit box contents or other tangible property offered for sale by the division.

b. For purposes of this subrule, “related to an employee” shall mean the employee’s spouse, child, stepchild, grandchild, parent, stepparent, sibling, stepsibling, or spouse of any of the foregoing persons.

9.24(2) Medals awarded for military service in the armed forces of the United States shall not be auctioned.

9.24(3) If the treasurer determines, after investigation and after an attempt to dispose of the unclaimed property in accordance with the Act, that the probable cost of sale exceeds the value of the property, the treasurer may destroy or otherwise dispose of the property at any time.

This rule is intended to implement Iowa Code section 556.17.

9.25(4) The treasurer may waive the filing of a claim form pursuant to Iowa Code section 556.19.

This rule is intended to implement Iowa Code section 556.19.

b. Where one or more joint owners are deceased, an official copy of the deceased joint owner's death certificate.

a. A copy of the letter of appointment;

b. Documentation identifying the guardian/custodian and the owner; and

c. If the owner is a minor, an official copy of the owner's birth certificate and a document verifying the owner's social security number. No power of attorney filed by a finder will be recognized by the division for the purpose of making a claim.

9.26(7) If the property subject to claim is a security, in addition to the documentation required by this rule, the claimant may be required to provide the original stock certificate(s), a surety bond that is acceptable to the division, or an affidavit of lost certificate.

9.26(8) If the owner of the property subject to claim is deceased, an Affidavit of Administration must be completed by the claimant.

a. If the property subject to claim is being claimed in the capacity of an executor or administrator, the claimant may be required to submit evidence as outlined in the Affidavit of Administration as provided by the treasurer of state. In this situation, the payment will be made to the estate of the rightful owner.

b. If the property subject to claim is being claimed by an heir (either under a valid will or under Iowa probate law), the claimant(s) may be required to submit evidence outlined in the Affidavit of Administration as provided by the division. Each heir will be paid separately. At the discretion of the division, one heir can accept payment for all heirs.

[ARC 2809C, IAB 11/9/16, effective 12/14/16]

781—9.30(556) Claims by holders for owner reimbursements. A holder may request payment from the division under the circumstances set forth below. Regardless of whether the holder is represented by a bona fide third party, the claim must be signed by an officer of the holder. A third party may not act on behalf of the holder to request payment from the division unless such third party provides evidence satisfactory to the division in its sole discretion that such third party is acting as the holder's bona fide representative through general power of attorney, court designation, or similar legal authority. The division may, in its sole discretion, establish a policy that allows a transfer agent or a reporting agent to sign a holder reimbursement subject to meeting all the requirements set forth by the division under that policy. The establishment of such a policy shall not be construed as creating any right or entitlement of transfer or of reporting agents to sign holder reimbursements, and any such policy may be rescinded or modified at any time at the sole discretion of the division.

9.30(1) The holder has made payment to the apparent owner and filed proof of payment with the division for such a reclaimed asset. As a condition precedent to receiving reimbursement from the division, the holder shall assume liability for the reclaimed assets and indemnify and hold harmless the division from all future claims related to the reclaimed assets.

9.30(2) The holder reported the asset in error. As a condition for receiving reimbursement from the division, the holder shall assume liability for the reclaimed asset and indemnify and hold harmless the division from all future claims related to the reclaimed asset.

(1) The agreement is made at least 24 months after the date payment or delivery is made under Iowa Code section 556.13;

(2) The agreement is in writing and signed by the apparent owner; and

(3) The agreement discloses the nature and value of the property and the name and address of the person in possession of the property.

9.33(3) For the purposes of the Act, a money or similar judgment against an apparent owner does not create an interest in the specific property held by the division on behalf of the apparent owner.

This rule is intended to implement Iowa Code section 556.19.

Claims with a cash value of greater than \$5,000 must undergo electronic authentication or undergo such other or additional approval process as may be determined by the division. The treasurer may enter into a contract with a suitable third party that provides identity authentication. Claims over a cash value of \$5,000 must receive an additional level of approval from a division manager.

9.34(1) Cash claims that pass electronic authentication will be considered approved. The treasurer may implement a dollar threshold which would require a review by a division staff person.

9.34(2) Cash claims not subject to the dollar limit threshold that do not pass electronic authentication will be subject to one level of approval by division staff authorized to approve claims at this level. If the claimant does not provide adequate documentation, division staff will communicate with the claimant explaining what documentation is missing. Level One approval shall then be applied only if all required documentation is subsequently submitted by the claimant.

9.34(3) Cash claims subject to the dollar limit threshold, claims involving the transfer of stock or mutual fund share, or claims involving the delivery of safe deposit box contents will be subject to two levels of approval by division staff authorized to approve claims. If the claimant does not provide adequate documentation, division staff will communicate with the claimant explaining what documentation is missing. Level One approval shall then be applied only if all required documentation is subsequently submitted by the claimant. Level Two approval shall be obtained from the division staff person(s) designated to approve claims at this level.

This rule is intended to implement Iowa Code section 556.19.

9.35(1) Claims shall be paid as follows:

a. In the case of cash claims, final approval shall cause the claim to become part of the settlement process. The settlement file will be submitted to the department of administrative services for payment. State warrants will be mailed or may be obtained from the treasurer's office. At the treasurer's discretion, the division may electronically deliver funds to a claimant's financial institution account. Fees associated with the electronic delivery of funds may be assessed to the claimant.

b. In the case of a claim requiring the transfer of securities, final approval shall result in the division's sending a notification to a third-party agent responsible for the transfer of ownership of the stocks/mutual funds, instructing the agent to have ownership of the appropriate number of shares of the property reregistered in the name of the claimant.

9.35(2) In the case of safe deposit box contents that have not been liquidated, the claimant may assume physical custody of the contents from the division. The claimant may also request that the contents be mailed to the claimant. Any contents mailed to claimants will be sent via the United States Postal Service (USPS) or other suitable delivery service. The division is not responsible for items lost, damaged, or not delivered by the delivery service.

The treasurer of state may require the claimant to furnish the treasurer with a surety bond containing terms and provisions acceptable to the treasurer and issued by a corporate surety. The claimant shall be responsible for all premiums, costs, fees or other expenses associated with any such surety bond.

9.39(3) The holder shall submit to the division a written request for an appeal along with all supporting documentation.

9.39(4) The division shall contact the holder and schedule an appeal meeting within 20 calendar days of receipt of the holder's appeal request.

The division shall then determine whether recusal of the contract auditor from the assignment is appropriate or necessary. If the contract auditor is recused from conducting the examination of a holder, another contract auditor may be assigned.

9.41(2) Contract auditors shall maintain strict confidentiality of any nonpublic records or documents gathered during the course of an examination in accordance with the auditors' contract.

9.41(3) Contract auditors shall properly document their review and make their working papers gathered during examinations available on demand for review by the treasurer and the attorney general's office.

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

781—10.1(85) Benefits of second injury fund. If an employee who has previously lost, or lost the use of, one hand, one arm, one foot, one leg, or one eye, becomes permanently disabled by a compensable injury which has resulted in the loss of, or loss of use of, another such member or organ, the employer shall be liable only for the degree of disability which would have resulted from the latter injury if there had been no preexisting disability. In addition to this compensation, and after the expiration of the full period provided by law for payments by the employer, the employee shall be paid out of the second injury fund the remainder of compensation payable for the degree of permanent disability involved after first deducting the compensable value of the previously lost member or organ. Any benefits received by the employee, or to which the employee may be entitled, by reason of increased disability from any state or federal fund or agency, to which the employee has not directly contributed, shall be regarded as a credit to any award made against the second injury fund.

10.1(1) Informal claims. Employees with second injuries as covered in Iowa Code sections 85.63 to 85.69 and rule 10.1(85) may file claims for informal settlements of controversies arising in connection with the second injury fund. An informal claim may be filed under these rules if the claimant has not previously filed a contested case with the industrial commissioner under Iowa Code section 86.14 and 343—4.1(1) and 4.1(2). An informal settlement of a pending contested case is governed by 343—6.1(85,86).

10.1(2) Tolling of claim. A claimant's filing of an informal claim under these rules shall not toll the applicable statute of limitations and filing for informal settlement is not a prerequisite to filing a contested case proceeding for second injury fund benefits with the industrial commissioner under Iowa Code section 86.13.

10.1(3) Filing an informal claim. The claimant shall initiate the procedure if an informal settlement is desired by filing a notarized claim for an informal determination with the treasurer within two years from the date of the occurrence of the injury for which benefits are claimed. The claim shall be filed on the second injury fund claim form which is available at the Office of the Treasurer, Capitol Building, Des Moines, Iowa 50319. This form must be complete and contain all exhibits as specified in subrule 10.1(4). The treasurer may require additional documentation. If the treasurer requests additional documentation, it must be provided within 60 days of the treasurer's request. The treasurer shall issue a written decision to the claimant within 90 days after the day that all necessary claim documentation is received by the treasurer.

If a claimant is not satisfied with the decision of the treasurer on an informal claim, the claimant may then file a contested case proceeding as per Iowa Code section 86.14, if the statute of limitations has not tolled for the filing under Iowa Code section 85.26.

10.1(4) Required claim documentation. Documents required to be filed with the second injury fund claim form shall include:

- a. All medical records and reports concerning the first injury;
- b. All medical records and reports concerning the second injury;
- c. All records reflecting any payment of social security benefits for the first or second injury;
- d. All employer's records concerning the second injury including, but not limited to, documents reflecting workers' compensation payments and weekly rates of compensation following the second injury;
- e. All records of workers' compensation insurance carriers which covered the second injury; and
- f. All employer's records concerning claimant's employment following the second injury.

10.1(5) Rescission of informal claim. A claimant may at any time rescind the informal claim and file a contested case proceeding as per Iowa Code section 86.14. Filing a contested case will automatically terminate consideration of an informal claim filing.

10.1(6) Payment on claim by treasurer. If the treasurer determines that the claim should be paid, the treasurer shall submit recommendation to the industrial commissioner for authorization and for a written order in accordance with Iowa Code section 85.67. This recommendation shall indicate the amount of the

weekly compensation to be paid, number of weeks to be paid, the date when payment shall begin, and the length of time payments shall be paid.

This rule is intended to implement Iowa Code section 17A.10.

The pledging bank shall take all steps necessary to ensure that the treasurer has a valid, perfected, enforceable, first priority security interest in any pledged collateral. This security interest shall be perfected by entering into a Pledge and Security Agreement with the treasurer and by transferring the eligible collateral to the treasurer's approved custodian. By accepting public funds for deposit, a pledging bank agrees to waive any defenses it may have with respect to any failure of the Pledge and Security Agreement to effect a viable, perfected, enforceable, first priority security interest.

13.4(6) A pledging bank shall promptly and in a timely manner remit to the treasurer's approved custodian payment for fees associated with the treasurer's approved custodian's services as safekeeping agent upon receipt of a statement from the treasurer's approved custodian.

13.6(3) An approved custodian shall permit the withdrawal, substitution, and addition of eligible pledged securities and other eligible pledged collateral upon receipt of the Certificate and Approval for Withdrawal, Substitution or Addition of Collateral form from the pledging bank. However, before the approved custodian may act upon the written request of the pledging bank, the approved custodian shall verify that the pledging bank has completed and signed the above form and that the calculation of its total collateral market value, after the current withdrawals, substitutions, or additions, is equal to or exceeds its current total excess public funds.

13.6(4) An approved custodian shall issue to the treasurer, by regular mail on the same day, a joint receipt specifically describing and identifying any substituted or additional securities or other collateral pledged to the treasurer.

13.6(5) An approved custodian shall establish a fee schedule for its services. Any and all such fees shall be the sole responsibility of, and be billed directly to, the respective pledging bank. Under no circumstances will the treasurer be responsible or liable for any fees, charges, or expenses of an approved custodian.

13.6(6) In the event that the treasurer notifies an approved custodian of the default of a pledging bank, the approved custodian shall thereafter act only upon the treasurer's instructions with regard to any pledged collateral, cash, and Letters of Credit.

13.6(7) An approved custodian shall, no later than the twentieth day following the end of a calendar quarter, provide a written report to the treasurer in a format approved by the treasurer. The following items shall be provided for each pledging bank for which it serves as approved custodian:

- c. The total par amount and the total market value of all pledged collateral as of the last day of the calendar quarter for each pledging bank.

13.6(8) The approved custodian shall also provide such additional information and reports to the treasurer and the superintendent as they or either of them shall request at any time.

781—13.7(12C) Withdrawals, substitutions, and additions of pledged collateral.

13.7(1) A pledging bank shall pledge and maintain eligible collateral with the treasurer's approved custodian, the market value of which at all times equals or exceeds the amount by which the public funds deposits in the pledging bank exceed the total capital of the pledging bank.

13.7(2) A pledging bank shall complete, sign, and submit to the approved custodian a Certificate and Approval for Withdrawal, Substitution or Addition of Collateral form for all withdrawals, substitutions or additions of eligible pledged collateral. Any withdrawals, substitutions or additions of eligible pledged collateral are conditional upon the pledging bank's correct calculation that its total collateral market value amount, after the current withdrawals, substitutions, or additions, is equal to or exceeds its current total excess public funds.

13.7(3) The approved custodian will issue its joint receipt of custody to the treasurer and to the pledging bank evidencing the substitution for or the addition of pledged collateral under the Master Custodial Agreement for the Deposit of Public Funds in Banks.

13.7(4) If a pledged security matures, then the principal amount of the cash shall be held in trust by the approved custodian for the treasurer until the pledging bank completes, signs, and submits a Certificate and Approval for Withdrawal, Substitution or Addition of Collateral form to the approved custodian to release the cash. Any withdrawal of cash is conditional upon the pledging bank's correct calculation that its total collateral market value amount, after the current withdrawal of cash, is equal to or exceeds its current total excess public funds.

13.7(5) Any request by a pledging bank to an approved custodian for the withdrawal or substitution of pledged collateral is conditional upon the approved custodian's receiving proper delivery instructions from the pledging bank for the pledged collateral being released. Furthermore, the release of pledged collateral in a transaction in which substituted collateral is to be pledged in lieu of pledged collateral which is being withdrawn is conditional upon the approved custodian's receiving the substituted collateral before releasing the pledged collateral.

13.7(6) Under no circumstance shall the treasurer be liable for any loss incurred to a pledging bank for failing to release pledged collateral. The treasurer is not liable for any loss incurred by a pledging bank as a result of the pledging bank's failure to substitute new collateral for any pledged collateral which matures.

781—13.8(12C) Eligible collateral provisions.

13.8(1) Pledged collateral shall be one or more of those securities or other items of collateral specified in 781—13.2(12C), definition of "eligible collateral," and shall be acceptable to the treasurer.

13.8(2) The acceptance of a security or other items as collateral by the approved custodian does not prevent the treasurer from requiring substitution of such security or other items at a later time as a result of statutory amendment or other changes or circumstances which affect the valuation, marketability, liquidity, ownership, or perfectibility.

781—13.9(12C) Suspension or termination of approved custodian designation.

13.9(1) An approved custodian may request in writing that the treasurer remove its designation as an approved custodian. Following such a written request, the Master Custodial Agreement for the Deposit of Public Funds in Banks shall terminate pursuant to the terms of those agreements provided; however, no such agreement shall terminate until the pledging bank(s) has secured the services of another approved custodian and all pledged collateral has been properly withdrawn and placed in safekeeping with the successor custodian.

13.9(2) If the treasurer determines that an approved custodian has violated any provisions of Iowa Code chapter 12C, or any other documents or agreements as prescribed by the treasurer, or has failed to fulfill its duties or otherwise committed a breach or default as set out in the Master Custodial Agreement for the Deposit of Public Funds in Banks, the treasurer may immediately suspend or terminate an approved custodian's designation as an approved custodian. The treasurer shall provide the suspended or terminated approved custodian with written notice of its suspension or termination. Upon suspension or termination, each pledging bank utilizing the services of the suspended or terminated approved custodian shall

immediately secure the services of another approved custodian, and all pledged collateral shall be immediately withdrawn and placed in safekeeping with the successor approved custodian.

781—13.10(12C) Sale or merger of an approved custodian. If a pledging bank acquires control, direct or indirect, or ownership of its approved custodian, or the approved custodian acquires control, direct or indirect, or ownership of a pledging bank for which it is holding pledged collateral, or if a holding company will become owner of both the approved custodian and the pledging bank, the approved custodian shall immediately notify the treasurer in writing. Each pledging bank that utilizes the services of the approved custodian over which it has acquired control or that is now controlled by the approved custodian shall immediately secure the services of another approved custodian, and all pledged collateral shall be immediately withdrawn and placed in safekeeping with the successor approved custodian.

781—13.11(12C) Suspension or termination.

13.11(1) If the treasurer determines that a pledging bank has violated any provisions of Iowa Code chapter 12C, or any other documents or agreements as prescribed by the treasurer, or has failed to fulfill its duties or otherwise committed a breach or default as set out in the Pledge and Security Agreement or the Securities Account Control Agreement, or applicable federal deposit insurance coverage is suspended or terminated, the treasurer may immediately suspend or terminate a pledging bank's ability to accept uninsured public funds. The treasurer shall provide the suspended or terminated bank and the superintendent with written notice of its suspension or termination. Upon suspension or termination, all uninsured public funds held by the suspended or terminated pledging bank in excess of federal deposit insurance coverage shall be immediately remitted, with interest, to the applicable public unit(s).

13.11(2) Public units having public funds on deposit at a terminated or suspended pledging bank shall be notified of the termination or suspension of a pledging bank by notices included in the monthly rate-setting notice posted on the treasurer's Web site.

781—13.12(12C) Sale or merger of a pledging bank.

13.12(1) The responsibility of a pledging bank to pledge collateral for the security of the uninsured public funds in banks shall not be altered by any merger, takeover, or acquisition, except to the extent that such duty is assumed by the successor entity. No assets shall be released to the successor entity until collateral of an equal value is substituted or all excess public funds are withdrawn from the successor entity.

13.12(2) A pledging bank shall notify the treasurer and the approved custodian, in writing, of its merger, takeover or acquisition by a successor entity prior to the effective date of such an event.

781—13.13(12C) Procedures upon default or closing of a bank.

13.13(1) The acceptance of public funds by a bank constitutes agreement by the bank to pledge collateral as required by Iowa Code section 12C.22, consent by the bank to the disposition of the collateral, consent by the bank to assessments by the treasurer, and agreement by the bank to provide accurate information and to otherwise comply with the requirements of Iowa Code chapter 12C and this chapter.

13.13(2) The treasurer may liquidate the eligible collateral pledged by a pledging bank, including, without limitation, drawing on any Letter of Credit pledged as collateral to the treasurer by a pledging bank, if the treasurer verifies that any of the following have occurred:

a. A public unit notifies the treasurer, or the treasurer determines that said pledging bank has failed to pay a check, draft or warrant drawn by a public officer.

b. A pledging bank has acted contrary to or otherwise breached a term or condition of any agreement which it has entered into with a public unit, the treasurer or an approved custodian.

c. The pledging bank has failed to pay an assessment ordered by the treasurer as required in Iowa Code chapter 12C, or has, as determined by the treasurer, otherwise violated these rules or Iowa Code chapter 12C.

13.13(3) In the event that a pledging bank is closed by any state or federal regulatory officials, the treasurer may proceed to liquidate the collateral pledged by the closed pledging bank, including drawing on any Letters of Credit pledged to the treasurer by the closed pledging bank, notwithstanding the purchase

and assumption of the closed pledging bank, and without the necessity of notice to the closed pledging bank, a successor receiver or an assuming entity. When a pledging bank accepts public funds, the pledging bank acknowledges and agrees that in the event of its closure or default, any eligible collateral is subject to unconditional sale or liquidation by the treasurer, with this condition and covenant inuring to and binding any receiver or successor in interest to the closed pledging bank.

13.13(4) In the event the deposits of a closed bank are not purchased and assumed by another bank, the public units with uninsured deposits in the pledging bank shall notify the treasurer of the amount of any claim within 30 days of the closing. The treasurer shall implement the following procedures:

a. The treasurer shall take such steps as are necessary to ensure that the approved custodian acts only upon the treasurer's instructions with regard to any pledged collateral.

b. The treasurer shall provide each public unit which has contacted the treasurer with a Statement of Accounts, a Public Depositor Claim Form, and a Release by Public Depositor. Included with these forms shall be instructions for completing and filing them and the estimated date when the treasurer will pay claims.

c. It shall be the duty and responsibility of each public unit with a potential claim to complete the above forms in cooperation with regulatory officials handling the closing of the pledging bank and to receive the signed confirmation of such officials as to the amount of the claim. The Statement of Accounts shall include the balances of all accounts on the date of closing, any amounts reimbursed by federal insurance coverage, and all interest accrued, at the applicable rate, on unreimbursed balances to the date of payment of claims and the amount of uninsured public funds on deposit. The Statement of Accounts and the Public Depositor Claim Form must be returned to the treasurer within 30 days of the date of the closing of the bank or from the date of receipt from the treasurer.

d. In cooperation with the responsible regulatory officials for the closed bank and the receipt of all Statements of Accounts and Public Depositor Claim Forms, the treasurer shall validate the amount of public funds deposit insurance coverage applicable to the public funds deposits of the closed bank. The treasurer may request that warrants be drawn on the state sinking fund for public funds deposits in banks to reimburse each public unit that has a verified claim.

e. Upon the specified date of payment of claims, warrants for the amounts of verified claims shall be delivered to the public units to the extent funds in the sinking fund are sufficient to cover public funds depositors' claims and expenses of the treasurer including, but not limited to, legal and administrative expenses. The public unit shall sign and deliver the Release by Public Depositor to the treasurer prior to receiving a warrant.

13.13(5) If the applicable deposit insurance, the liquidation of pledged collateral, or the funds received from drawing on any Letters of Credit, and the assets of the bank which are liquidated within 30 days of the closing of the bank are not sufficient to satisfy the loss to public units, then the treasurer shall obtain the additional amount needed to satisfy all remaining claims from the state sinking fund for public deposits in banks to the extent funds in the sinking fund are sufficient to cover public funds depositors' claims and expenses of the treasurer including, but not limited to, legal and administrative expenses.

13.13(6) If the funds in the sinking fund for public deposits in banks are inadequate to cover the remaining loss, the treasurer shall make assessments against all remaining banks whose public funds deposits exceed federal deposit insurance coverage to satisfy the remaining loss. The assessment against each bank shall be calculated pursuant to Iowa Code chapter 12C and shall be paid by each bank to the treasurer within three business days of the bank's receipt of the treasurer's written assessment notice. If a pledging bank refuses or fails to pay its assessment when due, the treasurer shall satisfy the assessment in whole or in part by liquidating the collateral pledged by any pledging bank or drawing on any Letters of Credit which were pledged as collateral by that pledging bank.

13.13(7) If a pledging bank refuses or fails to pay any assessment and the liquidation of collateral pledged by that pledging bank or the funds received from drawing upon any Letters of Credit pledged as collateral by the pledging bank are not sufficient to satisfy the assessment, the treasurer shall make additional assessments as necessary against other banks which hold uninsured public funds deposits to satisfy any unpaid assessment. Additional assessments shall be determined, collected and satisfied in the same manner as the first assessment.

781—13.14(12C) Fees of the treasurer. The treasurer shall be entitled to reimbursement of all of the treasurer's actual and necessary costs and expenses incurred in the administration of Iowa Code chapter 12C and these rules including, but not limited to, legal expenses and administrative expenses. Such costs and expenses shall be reimbursed by withdrawal from the state sinking fund for public deposits in banks wherein a balance, acceptable to the treasurer and sufficient to meet legal and administrative expenses, shall be maintained. In the event at any time funds in the state sinking fund for public deposits in banks are not sufficient to pay any such reimbursement, the treasurer may make an assessment in the manner provided by Iowa Code section 12C.23A, subsection (3d), provided that no such assessment shall exceed the anticipated costs and expenses in the administration of Iowa Code chapter 12C and these rules for a period greater than one year after the assessment is made.

These rules are intended to implement Iowa Code chapter 12C.

“Treasurer” as used in this chapter shall mean the treasurer of the state of Iowa.

“Uninsured public funds” or *“uninsured public deposits”* means the funds of a public unit deposited in a credit union which are not federally insured, together with any accrued interest thereon.

781—14.3(12C) Forms. Forms utilized by credit unions in connection with the operation of this chapter shall be approved by the treasurer.

781—14.4(12C) Uninsured public deposits in credit unions. Uninsured public deposits in a credit union shall be secured by a letter of credit and a deposit agreement between the public unit and the credit union. (The credit union will only be allowed to aggregate funds deposited by the same public unit. Prior to accepting an uninsured public deposit, a credit union must secure the deposit according to requirements contained in this chapter.)

781—14.5(12C) Securing uninsured public deposits in credit unions using a letter of credit.

14.5(1) A credit union shall secure the uninsured public time deposits of a public unit with a letter of credit as defined in these rules and Iowa Code section 12C.16.

14.5(2) The public unit shall have in its possession, prior to or simultaneously at the time of deposit of uninsured public deposits, a letter of credit issued by the U.S. Central Credit Union or by the Federal Home Loan Bank of Des Moines, Iowa, to the public unit in an amount that is not less than 110 percent of the amount of public funds deposits to be secured thereby. The letter of credit shall have an expiration date which is at least ten business days later than the maturity date of the time deposit.

14.5(3) The public unit shall keep the letter of credit in a vault or a safe-deposit box in a financial institution other than the credit union until such time as the letter of credit expires or is presented for payment to the U.S. Central Credit Union or to the Federal Home Loan Bank of Des Moines, Iowa.

14.5(4) In the event that the public unit decides to extend the maturity of its deposit after the issuance of the letter of credit, the public unit shall obtain a new letter of credit. The new letter of credit must be obtained by the public unit prior to the original maturity date of the deposit.

14.5(5) If the credit rating of the U.S. Central Credit Union or the Federal Home Loan Bank of Des Moines, Iowa is lowered to a rating not within the two highest classifications of prime as established by at least one of the standard rating services approved by the superintendent of banking by rule pursuant to Iowa Code chapter 17A, then the U.S. Central Credit Union or the Federal Home Loan Bank of Des Moines, Iowa, shall immediately notify each credit union which is securing uninsured public deposits by use of a letter of credit issued by the U.S. Central Credit Union or the Federal Home Loan Bank of Des Moines, Iowa, and the treasurer. Each credit union, upon notification of the U.S. Central Credit Union or the Federal Home Loan Bank of Des Moines, Iowa, downgrade, shall immediately return the deposits, with interest accrued to that date, to the public units which are secured by a letter of credit.

781—14.6(12C) Securing public funds in a credit union with a pledge of eligible collateral.

14.6(1) Prior to accepting an uninsured public deposit, a credit union shall secure the uninsured public deposit in accordance with Iowa Code chapter 12C and these rules. The credit union must:

a. Enter into a Security and Custodial Agreement for the Deposit of Public Funds in credit unions with the public unit and the approved custodian.

- b. Enter into a deposit agreement with the public unit.
- c. Deliver to the approved custodian eligible collateral with a market value of not less than 110 percent of the uninsured public deposits.

14.6(2) A credit union shall grant a security interest to the public unit in all pledged securities to secure the uninsured public funds of that public unit. The credit union shall take all steps necessary to ensure that the public unit has a valid, perfected, enforceable, first priority security interest in the pledged collateral. The credit union shall enter into a security agreement with the public unit and the approved custodian, and shall transfer pledged collateral to the approved custodian which shall hold the pledged collateral in safekeeping for the public unit.

14.6(3) The credit union shall maintain eligible collateral with the approved custodian with a total market value of not less than 110 percent of a public unit's total deposits which are not otherwise secured by a letter of credit.

14.6(4) A credit union shall promptly forward to the approved custodian payment for fees associated with the approved custodian's services as safekeeping agent for the public unit upon receipt of a statement from the approved custodian.

14.6(5) A credit union shall not attempt to withdraw pledged collateral from the approved custodian if such action will cause the total market value of pledged collateral to fall below 110 percent of a public unit's total uninsured deposits which are not otherwise secured by a letter of credit.

14.6(6) A credit union shall notify the public unit and the approved custodian in writing and 30 days prior to any change in its name or home office location.

14.6(7) A credit union shall receive written approval from the public unit for the withdrawal or substitution of any pledged collateral by completing the Certification and Approval Form for the Withdrawal, Substitution or Addition of Pledged Securities and delivering it to the public unit with the request for the public unit's written approval to withdraw or substitute pledged securities. The public unit, if it approves of the withdrawal or substitution of pledged securities, shall forward the completed form to the approved custodian.

14.6(8) Any request by a credit union to withdraw pledged securities or to substitute securities which will result in a total market value of less than 110 percent of the public unit's public deposits, which are not otherwise secured by a letter of credit, shall be denied by the public unit.

14.6(9) The approved custodian shall comply with a credit union's request for the withdrawal, substitution or addition of pledged collateral when it receives a completed Certification and Approval Form for the Withdrawal, Substitution or Addition of Pledged Securities containing the authorized signatures of the public unit and the credit union.

14.6(10) The approved custodian will issue a Joint Receipt of Custody to the public unit and to the credit union evidencing the pledge of any securities under the security agreement between the public unit and the credit union. In the event of substitution or exchange of securities, the approved custodian shall forward by mail to the public unit a Joint Receipt of Custody.

14.6(11) If a pledged security matures, then the principal amount of the cash must be held in trust by the approved custodian for the public unit until the public unit has determined that releasing the cash will not cause the total market value of all pledged securities by the credit union to fall below the 110 percent requirement.

14.6(12) The securities used to secure the uninsured public deposits in credit unions shall be acceptable to the public unit and the approved custodian and shall be one or more of those securities specified in rule 14.2(12C) of this chapter under the definition of "eligible collateral."

14.6(13) The public unit or the approved custodian has the right to refuse any security offered as collateral, notwithstanding its inclusion in Iowa Code section 12C.16(1)"b" or these rules, for reasons relating to difficulty of valuation, uncertainty as to the ability to sell a security in the event of default, questions as to ownership, or impossibility of creating a valid and perfected security interest in favor of the public unit.

14.6(14) The acceptance of a security as collateral by the approved custodian or the public unit does not prevent the public unit from requiring substitution of said security at a later time as a result of statutory

or regulatory amendment or other changes which affect the valuation, marketability, liquidity, ownership, or perfectibility of the security or the enforceability of the public unit's security interest.

14.6(15) Securities which are issued in certificated or definitive form are eligible collateral only if they are registered in the name of the public unit's approved custodian or are in otherwise negotiable form acceptable to the public unit.

14.6(16) No security which requires any additional endorsement, assignment or power of attorney for liquidation is eligible collateral.

781—14.7(12C) Duties of the approved custodian.

14.7(1) An approved custodian shall enter into a Security and Custodial Agreement for the Deposit of Public Funds in credit unions with the public unit and the credit union.

14.7(2) An approved custodian shall accept only collateral which is eligible to be pledged under these rules.

14.7(3) An approved custodian shall segregate all collateral, maintaining open, notorious, continuous, active and exclusive possession of the collateral for the benefit of the public unit.

14.7(4) An approved custodian shall permit the withdrawal or substitution or addition of pledged securities only upon receipt of a Certification and Approval Form for the Withdrawal, Substitution or Addition of Pledged Securities, which contains the signatures of authorized persons representing the credit union and the public unit. Receipt of the authorization by facsimile transmission shall be adequate documentation to allow the approved custodian to release or accept pledged securities. The approved custodian shall implement procedures for documenting signatures of authorized persons of a credit union and the public unit.

14.7(5) An approved custodian shall issue a Joint Receipt of Custody to the public unit and the credit union each time a credit union substitutes new securities for pledged securities or a credit union pledges additional pledged securities.

14.7(6) An approved custodian shall establish a fee schedule for its services. Any and all such fees shall be the responsibility of, and be paid by, the respective credit union.

14.7(7) In the event that the public unit notifies an approved custodian of the default of a credit union, it shall thereafter act only upon the public unit's instructions with regard to any pledged securities.

14.7(8) An approved custodian shall, no later than the twentieth day of each month, provide a written report to those public units for which it serves as approved custodian. The following items shall be provided in the report.

a. The name of the credit union which has pledged securities to secure the uninsured public funds of the public unit.

b. An inventory of all pledged securities as of the last day of the preceding month which provides a description of the pledged securities and the par amount, maturity date, and market value of each.

c. The total par value and market value of all pledged securities as of the last day of the preceding month.

14.7(9) An approved custodian shall determine the market values of pledged securities as of the last day of the month for purposes of reporting to the public unit.

781—14.8(12C) Termination of credit union's federal insurance. In the event that a credit union's applicable federal deposit insurance is suspended or terminated, the credit union must notify the public unit immediately and shall immediately return all deposits to the public unit with accrued interest.

781—14.9(12C) Sale or merger of a credit union. The responsibility of a credit union to secure public deposits by a letter of credit shall not be altered by any merger, takeover or acquisition, except to the extent that such duty is assumed by the successor entity. A credit union shall immediately notify the public unit, in writing, of its merger, takeover or acquisition by a successor entity.

781—14.10(12C) Procedure upon default.

14.10(1) The acceptance of public funds by a credit union constitutes consent by the credit union to assessments to cover losses of public funds in other credit unions by the treasurer in accordance with Iowa Code section 12C.23 and the rules contained in this chapter.

14.10(2) The treasurer, upon notification from a public unit that a public unit has not been completely repaid its principal and interest for a deposit and that funds are not available from a letter of credit securing such deposit, shall assess all credit unions in the state with public deposits as provided in Iowa Code section 12C.23.

14.10(3) A credit union and any security given for the public funds in its possession are liable for payment if the credit union fails to pay a check, draft, or warrant drawn by the public officer or to account for a check, draft, warrant, order or certificates of deposit, or any public funds entrusted to it if, in failing to pay, the credit union acts contrary to the terms of an agreement between the credit union and the public body treasurer or, if the credit union fails to pay an assessment by the treasurer of state, when due.

These rules are intended to implement Iowa Code chapter 12C.

CHAPTER 15
REQUIRED PUBLIC FUNDS CUSTODIAL AGREEMENT PROVISIONS

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

781—15.1(12B) Scope.

15.1(1) Iowa Code section 12B.10C requires the treasurer of state to adopt rules requiring the inclusion in public funds custodial agreements of any provisions necessary to prevent loss of public funds. As used in this chapter, “public funds custodial agreement” means any public funds custodial agreement as defined in Iowa Code section 12B.10C.

15.1(2) This chapter shall apply to any public unit, as defined in 781—Chapter 13, which uses a public funds custodial agreement for or relating to the investment of public funds. As used in this chapter, “public funds” means public funds as defined in Iowa Code section 12C.1(2).

15.1(3) A public unit may only enter into a public funds custodial agreement if the custodian is the trust or safekeeping department of a national or state bank located in the state of Iowa that lawfully possesses and exercises fiduciary powers under applicable federal laws or the laws of the state of Iowa. Notwithstanding the foregoing, the treasurer of state may exercise its discretion under Iowa Code section 12C.4 to enter into public funds custodial agreements with a custodian located outside the state of Iowa. Each public unit that enters into a public funds custodial agreement shall require the inclusion in the public funds custodial agreement those provisions contained in rule 781—15.2(12B) of this chapter or substantially equivalent provisions.

15.1(4) Public funds that are invested under the provisions of a resolution or indenture for the issuance of bonds, notes, certificates, warrants, or other evidences of indebtedness are not subject to this chapter.

15.1(5) This chapter does not apply to those entities described in Iowa Code section 12B.10C(4) or to any other entities that may otherwise be exempted by law. This chapter does not apply to public funds custodial agreements entered into by the treasurer of state when such agreements are on behalf of the aforementioned entities.

15.1(6) This chapter does not apply to custodial agreements between an open-end management investment company registered with the federal Securities and Exchange Commission under the federal Investment Company Act of 1940, 15 U.S.C. Sec. 80(a) and a custodian bank.

15.1(7) This chapter does not apply to any custodial agreements entered into by a public unit or the treasurer of state for the purposes of securing public funds deposits under Iowa Code chapter 12C.

15.1(8) This chapter does not apply to Treasury Direct accounts established by a public unit with a federal reserve bank for the purpose of making direct purchases of United States Treasury bills, notes or bonds.

[ARC 1464C, IAB 5/14/14, effective 6/18/14; see Delay note at end of chapter; ARC 1709C, IAB 10/29/14, effective 12/3/14]

781—15.2(12B) Required provisions for inclusion in public funds custodial agreements. All public funds custodial agreements shall be in writing and shall include the following provisions:

15.2(1) The custodian shall represent and warrant that it lawfully possesses and exercises fiduciary powers under applicable federal laws or the laws of the state of Iowa, unless such custodian is located out of state and is used by the treasurer of state for purposes permitted in Iowa Code section 12C.4, and that it has the resources and expertise to act as the custodian of public funds or any security or document of ownership or title evidencing public funds investments and to perform its responsibilities under the public funds custodial agreement.

15.2(2) The scope of duties and services to be performed by the custodian shall be described in detail satisfactory to the public unit and shall include, as applicable, custodial, settlement, collection of income and investment proceeds, reporting, and securities valuation services.

15.2(3) The custodian shall agree to provide the public unit with written confirmation of its custody, on behalf of the public unit, of all assets subject to the public funds custodial agreement.

15.2(4) The custodian shall agree to segregate the public fund's assets from the custodian's own assets and to maintain records adequate to describe the public unit's ownership of or beneficial interest in the assets held by the custodian.

15.2(5) The custodian shall agree to maintain adequate records regarding a description of the assets, all receipts, deliveries and locations of assets, together with a current inventory thereof, all purchases and sales, all receipts and disbursements of cash and all debits and credits pertaining to transactions relating to the assets, including but not limited to interest payments. The custodian shall agree to conduct periodic inspections in order to verify the accuracy of the inventory, including the securities, if any, held by a subcustodian.

15.2(6) The custodian shall agree that all records of investment transactions relating to the public funds custodial agreement and the services provided thereunder, regardless of who performs the services, shall be considered records of the public unit and open to inspection and examination by the public unit, its employees and its designees. To the extent records of investment transactions are maintained by affiliates of the custodian, the custodian shall agree to be responsible to obtain any such records that are in the possession of its affiliates upon reasonable request of the public unit. The custodian shall agree to make all records of investment transactions relating to the public funds custodial agreement and the services provided thereunder available upon reasonable request for inspection and audit by the public unit, its employees or designees, and to allow these records or excerpts of these records to be copied and removed to facilitate the audit or to comply with public records requirements.

15.2(7) If the custodian proposes to use an affiliated subcustodian or other affiliated agent to perform any services in connection with the public funds custodial agreement, the custodian shall agree that it shall be responsible for the acts and omissions of such affiliates as though the acts and omissions of the affiliates were the acts and omissions of the custodian.

15.2(8) The custodian shall agree that it will receive all assets purchased by or for the public unit from the persons through or from whom the same were purchased, and only upon receipt thereof (delivery versus payment basis) pay, out of the assets held on account of the public unit, the total amount payable for the purchase as set forth in the instructions received by the custodian. The custodian shall agree to secure possession of all investment instruments that are the subject of or are the underlying obligations for any repurchase agreement.

15.2(9) The custodian shall agree that it will transfer assets for sale pursuant to instructions delivered to the custodian only upon receipt of the total amount payable to the public unit in connection with the settlement of the transaction, provided that the same conforms to the total amount payable to the public unit as shown in the instructions with respect to such sale. No assets may be delivered out of the account of the public unit without full payment (no "free deliveries" of investment securities shall be permitted).

15.2(10) If a public unit has engaged an investment advisor or investment manager, the public funds custodial agreement must limit the authority of the investment manager or advisor to authorizing a sale or purchase of an investment on a delivery versus payment basis pursuant to an instruction procedure which is consistent with the requirements of the public funds custodial agreement and the internal control policies of the public unit. The public funds custodial agreement shall not permit an investment manager or investment advisor to deliver, transfer, or move cash or securities to another account, location or entity.

15.2(11) The delivery, transfer or movement of cash or securities held in custody for the public unit (except for trades on a delivery versus payment basis) shall only be made pursuant to instructions given to the custodian by the public unit, its employees or designees, consistent with the internal controls established by the public unit.

15.2(12) The public funds custodial agreement shall specify in satisfactory detail the procedures for instructions to be furnished to the custodian in connection with the sales or purchases of securities and the delivery, transfer or movement of cash or securities held in the custody account. The instruction provisions must be consistent with the internal control policies established by the public unit. These procedures must specify the individual or individuals authorized to issue instructions, the scope of their authority, require current specimen signatures of authorized individuals to be maintained by the custodian and require written instructions to be furnished to the custodian. If oral instructions are permitted, the procedures or protocol

for them must be specified in detail and must address verification and confirmation procedures and follow-up written instructions required by the custodian and the public unit.

15.2(13) The public funds custodial agreement shall require the custodian to furnish a monthly report describing in satisfactory detail the inventory of the account and transaction history during the preceding month and other reports at such times as may be adequate to satisfy the public unit's internal control procedures for reconciliation. In addition, the custodian shall, to the extent not prohibited by law, provide written notice to the public unit within 30 days of the custodian's receipt of an audit by an independent or internal auditor or regulatory authority which indicates that there is a material weakness in the custodian's internal control structure or receipt of a regulatory order or sanction which relates to the type of work performed under the public funds custodial agreement. The custodian shall include in the written notice a detailed description of the comment or sanction and any curative measures which the custodian proposes to take in response thereto.

15.2(14) The public funds custodial agreement shall not provide for the compensation of the custodian based on investment performance.

15.2(15) The custodian shall agree to comply with all applicable federal, state, and local laws and rules when performing within the scope of the public funds custodial agreement.

15.2(16) At a minimum, the custodian shall agree to exercise the standard of care expected of a professional custodian of public funds in holding, maintaining and servicing the public fund's assets and cash and in performing the custodian's duties and obligations under the public funds custodial agreement.

Such things include, but are not limited to: additional representations and warranties; agreements or covenants pertaining to insurance and fidelity bond of the custodian and its employees; permitted use of subcustodians; adequate description of fees and expenses and billing procedures; the requirement of additional reports, including advices of transactions; conditions to the effectiveness of the public funds custodial agreement regarding deliveries of related documents and certificates; a higher standard of care; the ability of the public unit to terminate the public funds custodial agreement on a short-term basis without cause; and indemnification and default provisions, including recovery of attorneys' fees.

3. Reasons for requesting intervention and disclosure of the intervenor's interest in the outcome.
4. A statement indicating whether the intervenor is currently a party to any proceeding involving the questions at issue and whether, to the intervenor's knowledge, those questions have been decided by, are pending determination by, or are under investigation by, any governmental entity.
5. The names and addresses of any additional persons, or a description of any additional class of persons, known by the intervenor to be affected by, or interested in, the questions presented.

The petition must be dated and signed by the intervenor or the intervenor's representative. It must also include the name, mailing address, and telephone number of the intervenor and intervenor's representative, and a statement indicating the person to whom communications should be directed.

781—17.4(17A) Briefs. The petitioner or any intervenor may file a brief in support of the position urged. The department of the treasurer of state may request a brief from the petitioner, any intervenor, or any other person concerning the questions raised.

781—17.5(17A) Inquiries. Inquiries concerning the status of a declaratory order proceeding may be made to the Department of the Treasurer of State, State Capitol Building, Des Moines, Iowa 50319.

781—17.6(17A) Service and filing of petitions and other papers.

17.6(1) When service required. Except where otherwise provided by law, every petition for declaratory order, petition for intervention, brief, or other paper filed in a proceeding for a declaratory order shall be served upon each of the parties of record to the proceeding, and on all other persons identified in the petition for declaratory order or petition for intervention as affected by or interested in the questions presented, simultaneously with their filing. The party filing a document is responsible for service on all parties and other affected or interested persons.

17.6(2) Filing—when required. All petitions for declaratory orders, petitions for intervention, briefs, or other papers in a proceeding for a declaratory order shall be filed with the department of the treasurer of state at Treasurer of State, State Capitol Building, Des Moines, Iowa 50319. All petitions, briefs, or other papers that are required to be served upon a party shall be filed simultaneously with the department of the treasurer of state.

17.6(3) Service—how made. Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery or by mailing a copy to the person's last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

17.6(4) Filing—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the department of the treasurer of state, delivered to an established courier service for immediate delivery to that office, or mailed by first-class mail or state interoffice mail to that office, so long as there is proof of mailing.

17.6(5) Proof of mailing. Proof of mailing includes either: a legible United States Postal Service postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the (agency office and address) and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

(Date)

(Signature)

781—17.7(17A) Consideration. Upon request by petitioner, the department of the treasurer of state must schedule a brief and informal meeting between the original petitioner, all intervenors, and the treasurer of state, or a member of the staff of the treasurer of state, to discuss the questions raised. The department of the treasurer of state may solicit comments from any person on the questions raised. Also, comments on the questions raised may be submitted to the department of the treasurer of state by any person.

781—17.8(17A) Action on petition.

17.8(1) Within the time allowed by 1998 Iowa Acts, chapter 1202, section 13(5), after receipt of a petition for a declaratory order, the treasurer of state or designee shall take action on the petition as required by 1998 Iowa Acts, chapter 1202, section 13(5).

17.8(2) The date of issuance of an order or of a refusal to issue an order means the date of mailing of a decision or order or date of delivery if service is by other means unless another date is specified in the order.

781—17.9(17A) Refusal to issue order.

17.9(1) The department of the treasurer of state shall not issue a declaratory order where prohibited by 1998 Iowa Acts, chapter 1202, section 13(1), and may refuse to issue a declaratory order on some or all questions raised for the following reasons:

1. The petition does not substantially comply with the required form.
2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the department of the treasurer of state to issue an order.
3. The department of the treasurer of state does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other agency or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge an agency decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
10. The petitioner requests the department of the treasurer of state to determine whether a statute is unconstitutional on its face.

17.9(2) A refusal to issue a declaratory order must indicate the specific grounds for the refusal and constitutes final agency action on the petition.

17.9(3) Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the refusal to issue an order.

781—17.10(17A) Contents of declaratory order—effective date. In addition to the order itself, a declaratory order must contain the date of its issuance, the name of petitioner and all intervenors, the specific statutes, rules, policies, decisions, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion.

A declaratory order is effective on the date of issuance.

781—17.11(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to the original petitioner and all intervenors.

781—17.12(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the department of the treasurer of state, the petitioner, and any intervenors (who consent to be bound) and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the department of the treasurer of state. The issuance of a declaratory order constitutes final agency action on the petition.

These rules are intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202.

CHAPTER 18
AGENCY PROCEDURE FOR RULE MAKING

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

781—18.1(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the agency are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

781—18.2(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the agency may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1)“a,” solicit comments from the public on a subject matter of possible rule making by the agency by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

781—18.3(17A) Public rule-making docket.

18.3(1) Docket maintained. The agency shall maintain a current public rule-making docket.

18.3(2) Anticipated rule making. The rule-making docket shall list each anticipated rule-making proceeding. A rule-making proceeding is deemed “anticipated” from the time a draft of proposed rules is distributed for internal discussion within the agency. For each anticipated rule-making proceeding the docket shall contain a listing of the precise subject matter which may be submitted for consideration by the department of the treasurer of state for subsequent proposal under the provisions of Iowa Code section 17A.4(1)“a,” the name and address of agency personnel with whom persons may communicate with respect to the matter, and an indication of the present status within the agency of that possible rule. The agency may also include in the docket other subjects upon which public comment is desired.

18.3(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1) “a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule becoming effective. For each rule-making proceeding, the docket shall indicate:

- a. The subject matter of the proposed rule;
- b. A citation to all published notices relating to the proceeding;
- c. Where written submissions on the proposed rule may be inspected;
- d. The time during which written submissions may be made;
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made;
- f. Whether a written request for the issuance of a regulatory analysis, or a concise statement of reasons, has been filed, whether such an analysis or statement or a fiscal impact statement has been issued, and where any such written request, analysis, or statement may be inspected;
- g. The current status of the proposed rule and any agency determinations with respect thereto;
- h. Any known timetable for agency decisions or other action in the proceeding;
- i. The date of the rule’s adoption;
- j. The date of the rule’s filing, indexing, and publication;
- k. The date on which the rule will become effective; and
- l. Where the rule-making record may be inspected.

781—18.4(17A) Notice of proposed rule making.

18.4(1) Contents. At least 35 days before the adoption of a rule the agency shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule;
- b. The specific legal authority for the proposed rule;

- c. Except to the extent impracticable, the text of the proposed rule;
- d. Where, when, and how persons may present their views on the proposed rule; and
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the agency shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the agency for the resolution of each of those issues.

18.4(2) *Incorporation by reference.* A proposed rule may incorporate other materials by reference only if it complies with all of the requirements applicable to the incorporation by reference of other materials in an adopted rule that are contained in subrule 18.12(2) of this chapter.

18.4(3) *Copies of notices.* Persons desiring to receive copies of future Notices of Intended Action by subscription must file with the agency a written request indicating the name and address to which such notices should be sent. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the agency shall mail or electronically transmit a copy of that notice to subscribers who have filed a written request for either mailing or electronic transmittal with the agency for Notices of Intended Action. The written request shall be accompanied by payment of the subscription price which may cover the full cost of the subscription service, including its administrative overhead and the cost of copying and mailing the Notices of Intended Action for a period of six months.

781—18.5(17A) Public participation.

18.5(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing, on the proposed rule. Such written submissions should identify the proposed rule to which they relate and should be submitted to the Department of the Treasurer of State, State Capitol Building, Des Moines, Iowa 50319, or the person designated in the Notice of Intended Action.

18.5(2) *Oral proceedings.* The agency may, at any time, schedule an oral proceeding on a proposed rule. The agency shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the agency by the administrative rules review committee, a governmental subdivision, an agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by an agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

18.5(3) *Conduct of oral proceedings.*

a. *Applicability.* This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1) "b" as amended by 1998 Iowa Acts, chapter 1202, section 8, or this chapter.

b. *Scheduling and notice.* An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. *Presiding officer.* The agency, a member of the agency, or another person designated by the agency who will be familiar with the substance of the proposed rule, shall preside at the oral proceeding on a proposed rule. If the agency does not preside, the presiding officer shall prepare a memorandum for

consideration by the agency summarizing the contents of the presentations made at the oral proceeding unless the agency determines that such a memorandum is unnecessary because the agency will personally listen to or read the entire transcript of the oral proceeding.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at such a proceeding are encouraged to notify the agency at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the agency decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Persons making oral presentations are encouraged to avoid restating matters which have already been submitted in writing.

(3) To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. Such submissions become the property of the agency.

(6) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(8) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

18.5(4) Additional information. In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the agency may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

18.5(5) Accessibility. The agency shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the treasurer of state at (515) 281-5368 in advance to arrange access or other needed services.

781—18.6(17A) Regulatory analysis.

18.6(1) Definition of small business. A “small business” is defined in 1998 Iowa Acts, chapter 1202, section 10(7).

18.6(2) Mailing list. Small businesses or organizations of small businesses may be registered on the agency’s small business impact list by making a written application addressed to Treasurer of State, State Capitol Building, Des Moines, Iowa 50319. The application for registration shall state:

- a.* The name of the small business or organization of small businesses;
- b.* Its address;
- c.* The name of a person authorized to transact business for the applicant;
- d.* A description of the applicant’s business or organization. An organization representing 25 or more persons who qualify as a small business shall indicate that fact.

e. Whether the registrant desires copies of Notices of Intended Action at cost, or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The agency may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The agency may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses will be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

18.6(3) *Time of mailing.* Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the agency shall mail to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the agency shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

18.6(4) *Qualified requesters for regulatory analysis—economic impact.* The agency shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2a), after a proper request from:

- a. The administrative rules coordinator;
- b. The administrative rules review committee.

18.6(5) *Qualified requesters for regulatory analysis—business impact.* The agency shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2b), after a proper request from:

- a. The administrative rules review committee;
- b. The administrative rules coordinator;
- c. At least 25 or more persons who sign the request provided that each represents a different small business;
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

18.6(6) *Time period for analysis.* Upon receipt of a timely request for a regulatory analysis the agency shall adhere to the time lines described in 1998 Iowa Acts, chapter 1202, section 10(4).

18.6(7) *Contents of request.* A request for a regulatory analysis is made when it is mailed or delivered to the agency. The request shall be in writing and satisfy the requirements of 1998 Iowa Acts, chapter 1202, section 10(1).

18.6(8) *Contents of concise summary.* The contents of the concise summary shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(4,5).

18.6(9) *Publication of a concise summary.* The agency shall make available, to the maximum extent feasible, copies of the published summary in conformance with 1998 Iowa Acts, chapter 1202, section 10(5).

18.6(10) *Regulatory analysis contents—rules review committee or rules coordinator.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, or the administrative rules coordinator, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2a), unless a written request expressly waives one or more of the items listed in the section.

18.6(11) *Regulatory analysis contents—substantial impact on small business.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2b).

781—18.7(17A,25B) Fiscal impact statement.

18.7(1) A proposed rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions or agencies and entities which contract with political subdivisions to provide

services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

18.7(2) If the agency determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the agency shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

781—18.8(17A) Time and manner of rule adoption.

18.8(1) *Time of adoption.* The agency shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the agency shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

18.8(2) *Consideration of public comment.* Before the adoption of a rule, the agency shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any memorandum summarizing such oral submissions, and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

18.8(3) *Reliance on agency expertise.* Except as otherwise provided by law, the agency may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

781—18.9(17A) Variance between adopted rule and published notice of proposed rule adoption.

18.9(1) The agency shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action and the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

18.9(2) In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the agency shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

18.9(3) The agency shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the agency finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

18.9(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the agency to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

781—18.10(17A) Exemptions from public rule-making procedures.

18.10(1) *Omission of notice and comment.* To the extent the agency for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the agency may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions

prior to its adoption. The agency shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

18.10(2) *Categories exempt.* The following narrowly tailored categories of rules are exempted from the usual public notice and participation requirements because those requirements are unnecessary, impracticable, or contrary to the public interest with respect to each and every member of the defined class.

18.10(3) *Public proceedings on rules adopted without them.* The agency may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 18.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, an agency, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the agency shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 18.10(1). Such a petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must be commenced within 60 days of the receipt of such a petition. After a standard rule-making proceeding commenced pursuant to this subrule, the agency may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 18.10(1), or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

781—18.11(17A) Concise statement of reasons.

18.11(1) *General.* When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the agency shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to Treasurer of State, State Capitol Building, Des Moines, Iowa 50319. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests will be considered made on the date received.

18.11(2) *Contents.* The concise statement of reasons shall contain:

- a. The reasons for adopting the rule;
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any such change;
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the agency's reasons for overruling the arguments made against the rule.

18.11(3) *Time of issuance.* After a proper request, the agency shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

781—18.12(17A) Contents, style, and form of rule.

18.12(1) *Contents.* Each rule adopted by the agency shall contain the text of the rule and, in addition:

- a. The date the agency adopted the rule;
- b. A brief explanation of the principal reasons for the rule-making action if such reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the agency in its discretion decides to include such reasons;
- c. A reference to all rules repealed, amended, or suspended by the rule;
- d. A reference to the specific statutory or other authority authorizing adoption of the rule;
- e. Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f. A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if such reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the agency in its discretion decides to include such reasons; and
- g. The effective date of the rule.

18.12(2) *Incorporation by reference.* The agency may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the agency finds that the incorporation of its text in the agency proposed or adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in the agency proposed or adopted rule shall fully and precisely identify the incorporated matter by location, title,

citation, date, and edition, if any; shall briefly indicate the precise subject and the general contents of the incorporated matter; and shall state that the proposed or adopted rule does not include any later amendments or editions of the incorporated matter. The agency may incorporate such matter by reference in a proposed or adopted rule only if the agency makes copies of it readily available to the public. The rule shall state how and where copies of the incorporated matter may be obtained at cost from this agency, and how and where copies may be obtained from the agency of the United States, this state, another state, or the organization, association, or persons, originally issuing that matter. The agency shall retain permanently a copy of any materials incorporated by reference in a rule of the agency.

If the agency adopts standards by reference to another publication, it shall provide a copy of the publication containing the standards to the administrative rules coordinator for deposit in the state law library and may make the standards available electronically.

18.12(3) *References to materials not published in full.* When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the agency shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules, and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the agency. The agency will provide a copy of that full text (at actual cost) upon request and shall make copies of the full text available for review at the state law library and may make the standards available electronically.

At the request of the administrative code editor, the agency shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

18.12(4) *Style and form.* In preparing its rules, the agency shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

781—18.13(17A) Agency rule-making record.

18.13(1) *Requirement.* The agency shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference must be available for public inspection.

18.13(2) *Contents.* The agency rule-making record shall contain:

a. Copies of all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of agency submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based;

b. Copies of any portions of the agency's public rule-making docket containing entries relating to the rule or the proceeding upon which the rule is based;

c. All written petitions, requests, and submissions received by the agency, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the agency and considered by the treasurer of state, in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the agency is authorized by law to keep them confidential; provided, however, that when any such materials are deleted because they are authorized by law to be kept confidential, the agency shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code section 17A.4(4), and any agency response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any petitions for waiver of the rule; and

k. A copy of any executive order concerning the rule.

18.13(3) *Effect of record.* Except as otherwise required by a provision of law, the agency rule-making record required by this rule need not constitute the exclusive basis for agency action on that rule.

18.13(4) *Maintenance of record.* The agency shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective, the date of the Notice of Intended Action, or the date of any written criticism as described in 18.13(2) “g,” “h,” “i,” or “j.”

(Alternatively, the agency can maintain the file indefinitely.)

(*NOTE: Alternatively to 18.13(2) “j” and the amendment to 18.13(4), an agency could keep a separate file of significant written criticisms to rules and maintain those for five years.)

781—18.14(17A) Filing of rules. The agency shall file each rule it adopts in the office of the administrative rules coordinator. The filing must be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule must have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the note or statement is issued. In filing a rule, the agency shall use the standard form prescribed by the administrative rules coordinator.

781—18.15(17A) Effectiveness of rules prior to publication.

18.15(1) *Grounds.* The agency may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The agency shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

18.15(2) *Special notice.* When the agency makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3), the agency shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule’s indexing and publication. The term “all reasonable efforts” requires the agency to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the agency of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 18.15(2).

781—18.16(17A) General statements of policy.

18.16(1) *Compilation, indexing, public inspection.* The agency shall maintain an official, current, and dated compilation that is indexed by subject, containing all of its general statements of policy within the scope of Iowa Code section 17A.2(10) “a,” “c,” “f,” “g,” “h,” “k.” Each addition to, change in, or

deletion from the official compilation must also be dated, indexed, and a record thereof kept. Except for those portions containing rules governed by Iowa Code section 17A.2(7) “f,” or otherwise authorized by law to be kept confidential, the compilation must be made available for public inspection and copying.

18.16(2) *Enforcement of requirements.* A general statement of policy subject to the requirements of this subsection shall not be relied on by the agency to the detriment of any person who does not have actual, timely knowledge of the contents of the statement until the requirements of subrule 18.16(1) are satisfied. This provision is inapplicable to the extent necessary to avoid imminent peril to the public health, safety, or welfare.

781—18.17(17A) Review by agency of rules.

18.17(1) Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator requesting the agency to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the agency shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The agency may refuse to conduct a review if it has conducted such a review of the specified rule within five years prior to the filing of the written request.

18.17(2) In conducting the formal review, the agency shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report must include a concise statement of the agency’s findings regarding the rule’s effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any petitions for waiver of the rule received by the agency or granted by the agency. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the agency’s report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report must also be available for public inspection.

These rules are intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202.

CHAPTER 19
WAIVER RULES

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

781—19.1(17A) Definition. For purposes of this chapter, a “waiver” means action by the agency which suspends in whole or in part the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person.

[ARC 5783C, IAB 7/14/21, effective 8/18/21]

781—19.2(17A) Scope of chapter. This chapter outlines generally applicable standards and a uniform process for the granting of individual waivers from rules adopted by the agency in situations where no other more specifically applicable law provides for waivers. To the extent another more specific provision of law governs the issuance of a waiver from a particular rule, the more specific provision shall supersede this chapter with respect to any waiver from that rule.

781—19.3(17A) Applicability. The agency may grant a waiver from a rule only if the agency has jurisdiction over the rule and the requested waiver is consistent with applicable statutes, constitutional provisions, or other provisions of law. The agency may not waive requirements created or duties imposed by statute.

781—19.4(17A) Criteria for waiver. In response to a petition completed pursuant to rule 781—19.6(17A), the agency may in its sole discretion issue an order waiving in whole or in part the requirements of a rule if the agency finds, based on clear and convincing evidence, all of the following:

1. The application of the rule would impose an undue hardship on the person for whom the waiver is requested;
2. The waiver from the requirements of the rule in the specific case would not prejudice the substantial legal rights of any person;
3. The provisions of the rule subject to the petition for a waiver are not specifically mandated by statute or another provision of law; and
4. Substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

[ARC 5783C, IAB 7/14/21, effective 8/18/21]

781—19.5(17A) Filing of petition. A petition for a waiver must be submitted in writing to the agency as follows:

19.5(1) License or authorization application. If the petition relates to a license or authorization application, the petition shall be made in accordance with the filing requirements for the license or authorization in question.

19.5(2) Contested cases. If the petition relates to a pending contested case, the petition shall be filed in the contested case proceeding, using the caption of the contested case.

19.5(3) Other. If the petition does not relate to a license application or a pending contested case, the petition shall be submitted in writing to the treasurer of state’s office.

781—19.6(17A) Content of petition. A petition for waiver shall include the following information where applicable and known to the requester:

1. The name, address, and telephone number of the entity or person for whom a waiver is being requested and the case number of any related contested case.
2. A description and citation of the specific rule from which a waiver is requested.
3. The specific waiver requested, including the precise scope and duration.
4. All relevant facts that the petitioner believes would justify a waiver under each of the four criteria described in rule 781—19.4(17A). This statement shall include a signed statement from the petitioner

attesting to the accuracy of the facts provided in the petition and a statement of reasons that the petitioner believes will justify a waiver.

5. A history of any prior contacts between the agency and the petitioner relating to the regulated activity, license, or authorization affected by the proposed waiver, including a description of each affected license or authorization held by the requester, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity or license within the last five years.

6. All information known to the requester regarding the agency's treatment of similar cases.

7. The name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question or which might be affected by the granting of a waiver.

8. The name, address, and telephone number of any entity or person who would be adversely affected by the granting of a petition.

9. The name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

10. Signed releases of information authorizing persons with knowledge regarding the request to furnish the agency with information relevant to the waiver.

781—19.7(17A) Additional information. Prior to issuing an order granting or denying a waiver, the agency may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the agency may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the treasurer of state, or their designees, a committee of the agency, or a quorum of the agency.

781—19.8(17A) Notice. The agency shall acknowledge a petition upon receipt. The agency shall ensure that, within 30 days of the receipt of the petition, notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law. In addition, the agency may give notice to other persons. To accomplish this notice provision, the agency may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the agency attesting that notice has been provided.

781—19.9(17A) Hearing procedures. The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply to any petition for a waiver filed within a contested case and shall otherwise apply to agency proceedings for a waiver only when the agency so provides by rule or order or is required to do so by statute.

781—19.10(17A) Ruling. An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

19.10(1) Agency discretion. The final decision on whether the circumstances justify the granting of a waiver shall be made at the sole discretion of the agency, upon consideration of all relevant factors. Each petition for a waiver shall be evaluated by the agency based on the unique, individual circumstances set out in the petition.

19.10(2) Burden of persuasion. The burden of persuasion rests with the petitioner to demonstrate by clear and convincing evidence that the agency should exercise its discretion to grant a waiver from an agency rule.

19.10(3) Narrowly tailored exception. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

19.10(4) Administrative deadlines. When the rule from which a waiver is sought establishes administrative deadlines, the agency shall balance the special individual circumstances of the petitioner with the overall goal of uniform treatment of all similarly situated persons.

19.10(5) Conditions. The agency may place any condition on a waiver that the agency finds desirable to protect the public health, safety, and welfare.

19.10(6) *Time period of waiver.* A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the agency, a waiver may be renewed if the agency finds that grounds for a waiver continue to exist.

19.10(7) *Time for ruling.* The agency shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the agency shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

19.10(8) *When deemed denied.* Failure of the agency to grant or deny a petition within the required time period shall be deemed a denial of that petition by the agency. However, the agency shall remain responsible for issuing an order denying a waiver.

19.10(9) *Service of order.* Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains and to any other person entitled to such notice by any provision of law.

781—19.11(17A) Public availability. All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Petitions for a waiver and orders granting or denying a waiver petition are public records under Iowa Code chapter 22. Some petitions or orders may contain information the agency is authorized or required to keep confidential. The agency may accordingly redact confidential information from petitions or orders prior to public inspection.

781—19.12(17A) Submission of waiver information. Within 60 days of granting or denying a waiver, the agency shall make a submission on the Internet site established pursuant to Iowa Code section 17A.9A for the submission of waiver information identifying the rules for which a waiver has been granted or denied, the number of times a waiver was granted or denied for each rule, a citation to the statutory provisions implemented by these rules, and a general summary of the reasons justifying the agency's actions on waiver requests. If practicable, the report shall detail the extent to which the granting of a waiver has established a precedent for additional waivers and the extent to which the granting of a waiver has affected the general applicability of the rule itself.

[ARC 5783C, IAB 7/14/21, effective 8/18/21]

781—19.13(17A) Cancellation of a waiver. A waiver issued by the agency pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the agency issues an order finding any of the following:

1. The petitioner or the person who was the subject of the waiver order withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or
2. The alternative means for ensuring that the public health, safety and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
3. The subject of the waiver order has failed to comply with all conditions contained in the order.

781—19.14(17A) Violations. Violation of a condition in a waiver order shall be treated as a violation of the particular rule for which the waiver was granted. As a result, the recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

781—19.15(17A) Defense. After the agency issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

781—19.16(17A) Judicial review. Judicial review of the agency's decision to grant or deny a waiver petition may be taken in accordance with Iowa Code chapter 17A.

These rules are intended to implement Iowa Code section 17A.9A.

The plan provides for the establishment of accounts under the plan by eligible individuals in order to provide a means to save for qualified disability expenses. The eligible individual is the account owner. The treasurer shall segregate moneys received by the plan into two funds: the program fund and the administrative fund. Contributions to the plan made on behalf of an eligible individual may only be made in the form of cash. [ARC 4464C, IAB 5/22/19, effective 6/26/19]

781—20.4(12I) Participation agreement and plan disclosure documents. The following material shall be used to administer the plan.

20.4(1) The plan shall have a form of participation agreement which must be used to establish an account. The participation agreement shall be signed and dated in accordance with the requirements of the plan disclosure documents by the account owner to verify that the account owner agrees to the terms and conditions of the plan.

20.4(2) The plan will have plan disclosure documents setting forth the terms of the plan and describing the investment options, procedures, fees and costs applicable to the plan. The plan disclosure documents shall also set forth the privacy policy adopted by the plan administrator for the plan. Persons

interested in the plan should consult the plan disclosure documents. The plan disclosure documents may be changed at any time by the plan administrator, and any such change may impact the rights of the account owner under the plan.

781—20.5(12I) Eligible individual. An account owner must be an eligible individual. This rule establishes the following other requirements for opening an account:

20.5(1) An account owner may be a resident of any state.

20.5(2) An account owner must be a U.S. citizen or resident alien.

20.5(3) An account owner must have a valid social security number or tax identification number.

20.5(4) An account owner must have a valid permanent U.S. street address.

20.5(5) No eligible individual may have more than one account in an ABLE plan in existence at the same time. A prior ABLE account that has been closed does not prohibit the subsequent creation of another ABLE account for the same account owner. As part of the enrollment process, the person establishing the account will be required to certify under penalties of perjury that the eligible individual for whom the account is being established has no other ABLE account (except in the case of a rollover from an account that will terminate with the completion of the rollover).

20.5(6) If an individual desires to open an account based on benefits eligibility, the individual must make the following certifications under penalties of perjury that:

a. The individual is entitled to benefits based on blindness or disability under Title II or XVI of the Social Security Act and has received a benefit verification letter from the Social Security Administration and agrees to retain and provide the letter (or a genuine copy of the letter or other evidence) to the plan, the plan administrator, the IRS, or the U.S. Department of the Treasury upon request; and

b. The individual's disability meets the qualifications set forth in Section 529A.

20.5(7) If an individual desires to open an account based on certification eligibility, the individual must certify under penalties of perjury that the individual:

a. Has a medically determinable physical or mental impairment which results in marked or severe functional limitations and which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months;

b. Is blind (within the meaning of the Social Security Act); or

c. Has a condition listed in the "List of Compassionate Allowances Conditions" maintained by the Social Security Administration.

The individual must also certify that the disability, blindness, or compassionate allowances condition meets the qualifications set forth in Section 529A, and that the individual has a copy of the individual's diagnosis relating to the relevant impairment(s), signed by a physician meeting the criteria of Social Security Act Section 1861(r)(1). The individual must also agree to retain and provide a copy of the diagnosis and related information to the plan upon request.

20.5(8) By maintaining an account, the account owner is making a continuing certification that the account owner is an eligible individual. It is the account owner's responsibility to notify the plan in writing if the account owner ceases to be an eligible individual. It is also the account owner's responsibility to notify the plan in writing if the account owner subsequently requalifies as an eligible individual.

[ARC 4464C, IAB 5/22/19, effective 6/26/19; ARC 7040C, IAB 6/28/23, effective 8/2/23]

781—20.6(12I) Authorized individual.

20.6(1) An eligible individual may establish an account. If an eligible individual (whether a minor or adult) is unable to establish the individual's own account, an account may be established on behalf of the eligible individual by the eligible individual's agent under a power of attorney or, if none, by a conservator or legal guardian, spouse, parent, sibling, grandparent of the eligible individual, or a representative payee appointed for the eligible individual by the Social Security Administration, in that order, or as otherwise provided in Section 529A.

20.6(2) The plan may accept a certification, made under penalties of perjury, from the person seeking to establish an account (1) as to the basis for the person's authority to establish the account, and (2) that there is no other person with a higher priority, set forth in Section 529A, to establish the account.

20.6(3) An authorized individual may make investment decisions for the account owner. An authorized individual may neither have nor acquire any beneficial interest in the account during the account owner's lifetime and must administer the account for the benefit of the account owner. Whenever an action is required to be taken by an account owner in connection with an account, the authorized individual may take such action on behalf of the account owner.

20.6(4) An adult account owner with legal capacity may appoint an individual as an authorized individual.

20.6(5) An authorized individual may be required to provide supporting documentation to the plan, including documentation of the authority of the individual to establish the account, in accordance with the plan disclosure documents. The plan may freeze an account until the plan receives the required documentation.

781—20.8(12I) Forms.

20.8(1) Appropriate forms must be completed on paper, online or via telephone (whichever is applicable for the requested actions) to perform the actions set forth in and in accordance with the plan disclosure documents. Current forms are available online at IABLE.gov. Among the actions which require the completion of an appropriate form are opening and closing an account, transferring ownership rights of an account to another person, changing investments, requesting a full or partial withdrawal, requesting a rollover, and assigning an authorized individual.

20.8(2) The plan administrator may from time to time provide additional forms for use by account owners in connection with actions involving the plan and will make those forms available online and in paper format and may authorize substitute forms for the plan or a process in lieu of forms except when not permitted by Iowa Code chapter 12I.

781—20.9(12I) Plan administrator rights and responsibilities.

20.9(1) The plan administrator reserves the right to:

a. Freeze an account, suspend account services or do both: (1) if the plan administrator receives notice of a dispute regarding account assets or account ownership, including notice of the death of an account owner (until appropriate documentation is received and the plan administrator reasonably believes that it is lawful to transfer account ownership); (2) if the plan administrator reasonably believes a fraudulent transaction may occur or has occurred; (3) in the event of a challenge to the authority of an individual to establish or act on an account; or (4) when a minor account owner reaches the age of majority (until appropriate documentation is received);

b. Close an account, without the account owner's permission, in cases of threatening conduct or suspicious, fraudulent or illegal activity;

c. Terminate or refuse to establish an account if the plan administrator determines that it is in the best interest of the plan or required by law;

d. Close an account if the plan administrator determines that the account owner provided false or misleading information to the plan in establishing or maintaining an account or that the account owner is restricted by law from participating in the plan; and

e. Reject a contribution for any reason, including contributions to the plan that the plan administrator believes are not in the best interests of the plan, an investment option or the account owners.

20.9(2) The risk of market loss, tax implications, penalties, and any other expenses as a result of the above will be solely the account owner's responsibility.

781—20.10(12I) Contributions. The participation agreement and plan disclosure documents will provide for limits on the annual and total contributions to an account. This rule provides for implementation of such provisions.

20.10(1) Section 529A mandates an annual contribution limit for qualified ABLE programs. The account limit is subject to adjustment as provided in Section 529A. The limit may change from time to time, and any change will be set forth in the plan disclosure documents.

20.10(2) Anyone is allowed to make a contribution at any time during the calendar year to an account provided that the total of all annual contributions may not exceed the annual contribution limit and that all contributions are in compliance with the other requirements set forth in the plan disclosure documents.

20.10(3) The plan administrator shall actuarially determine an account balance limit applicable to the account of an account owner. No additional contributions may be made to an account when the fair market value of the account exceeds the account balance limit listed in the plan addendum. Accounts that have reached the account balance limit may continue to accrue earnings, although future contributions may not be made to such accounts. If, however, the market value of an account falls below the account balance limit due to market fluctuations and not as a result of withdrawals from the account, additional contributions will be accepted.

781—20.11(12I) Substitution or change of beneficiary; balance transfer. Iowa Code section 12I.3(3) “a” provides that beneficiaries may be changed subject to the rules and regulations of the treasurer. This rule establishes the criteria for substituting one beneficiary for another. Beneficiary changes shall also be subject to the procedures set forth in the plan disclosure documents.

20.11(1) The beneficiary must be the account owner. At the time of the substitution, the substitute beneficiary must be an eligible beneficiary pursuant to rule 781—20.5(12I) and must be a member of the family of the beneficiary being replaced.

20.11(2) An account owner has the right to change the beneficiary of an account. An account owner may request that a beneficiary be substituted by submitting the appropriate form to the plan administrator.

20.11(3) All or a portion of an account owner’s account balance may be transferred to another account within the plan but only during the life of the account owner. At the time of the transfer, the transferee must be an eligible individual and a member of the family of the transferor-account owner.

20.12(1) An account owner may designate a successor account owner to succeed to the ownership of the account upon the death of the account owner provided that the successor account owner must be another eligible individual who is a member of the family of the account owner. To designate a successor account owner at death, the account owner shall complete the appropriate form and provide any requested documentation.

20.12(2) Upon the death of the account owner, the successor account owner must notify the plan by submitting a completed participant enrollment form and a certified copy of the death certificate. The change in ownership of the account will become effective for the successor participant once this paperwork has been received and processed. The amount to be transferred is subject to payment of certain expenses as set forth in the Internal Revenue Code.

781—20.13(12I) Qualified withdrawals. This rule establishes the procedures for the payment of qualified withdrawals. A qualified withdrawal is a withdrawal from an account that is used to pay for any qualified disability expenses of the account owner.

20.13(1) The account owner must initiate the withdrawal for qualified disability expenses. The account owner must file the appropriate form with the plan administrator.

20.13(2) Qualified withdrawals will be paid as provided in the plan disclosure documents.

20.13(3) Each qualified withdrawal will be comprised partly of contributions and partly of earnings, based upon the same proportion that contributions and earnings comprise the account owner's account at the time of the withdrawal.

20.13(4) Funds that are distributed to or for the benefit of an account owner shall be reported to the IRS on a 1099-Q in the tax year in which the withdrawal is made. The account owner will receive the 1099-Q for any withdrawals made to or as instructed by the account owner. The account owner receiving the 1099-Q must determine whether the withdrawal was made for a qualified disability expense or was a nonqualified withdrawal.

20.14(1) The earnings portion of a nonqualified withdrawal is subject to federal income taxation and the federal penalty tax except in certain limited circumstances.

20.14(2) An account owner may at any time make a nonqualified withdrawal of a portion of the amount in an account or cancel a participation agreement, without cause, by submitting the appropriate form to the plan administrator. A nonqualified withdrawal will be paid only to the account owner.

20.14(3) Upon cancellation of a participation agreement, an account owner shall be entitled to the return of the account owner's account balance. If the participation agreement is canceled, the account owner is entitled to the amount in the account, subject to any applicable fees and expenses. The balance shall be mailed or otherwise sent to the account owner after receipt of the appropriate form by the plan administrator.

20.14(4) Funds that are distributed to an account owner in a nonqualified withdrawal shall be reported to the IRS on a 1099-Q in the tax year in which the withdrawal is made. The account owner will receive the 1099-Q for any withdrawal. Nonqualified withdrawals may be subject to state and federal taxes and penalties. Withdrawals may be requested online or by calling the plan. In certain instances, additional documentation may be required before a withdrawal may be processed. Only the account owner may direct withdrawals from the account. Withdrawals will be sent as provided in the plan disclosure documents.
