[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.2(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the agency may, before publication of a Notice of Intended Action under Iowa Code section 17A.4(1) “a,” solicit comments from the public on a subject matter of possible rule making by the agency by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

185—2.3(17A) Public rule-making docket.

2.3(1) Docket maintained. The agency shall maintain a current public rule-making docket.

2.3(2) Anticipated rule making. The rule-making docket shall list each anticipated rule-making proceeding. A rule-making proceeding is deemed “anticipated” from the time a draft of proposed rules is distributed for internal discussion within the agency. For each anticipated rule-making proceeding the docket shall contain a listing of the precise subject matter which may be submitted for consideration by the administrator for subsequent proposal under the provisions of Iowa Code section 17A.4(1) “a,” the name and address of agency personnel with whom persons may communicate with respect to the matter, and an indication of the present status within the agency of that possible rule. The agency may also include in the docket other subjects upon which public comment is desired.

2.3(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1) “a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule becoming effective. For each rule-making proceeding, the docket shall indicate:

- g. The current status of the proposed rule and any agency determinations with respect thereto;
- h. Any known timetable for agency decisions or other action in the proceeding;
- i. The date of the rule’s adoption;

- k. The date on which the rule will become effective; and
- l. Where the rule-making record may be inspected.

185—2.4(17A) Notice of proposed rule making.

2.4(1) Contents. At least 35 days before the adoption of a rule the agency shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule;
- b. The specific legal authority for the proposed rule;
- c. Except to the extent impracticable, the text of the proposed rule;
- d. Where, when, and how persons may present their views on the proposed rule; and
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the agency shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the agency for the resolution of each of those issues.

2.4(2) *Incorporation by reference.* A proposed rule may incorporate other materials by reference only if it complies with all of the requirements applicable to the incorporation by reference of other materials in an adopted rule that are contained in subrule 2.12(2) of this chapter.

2.4(3) *Copies of notices.* Persons desiring to receive copies of future Notices of Intended Action by subscription shall file with the agency a written request indicating the name and address to which such notices should be sent. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the agency shall mail or electronically transmit a copy of that notice to subscribers who have filed a written request for either mailing or electronic transmittal with the agency for Notices of Intended Action. The written request shall be accompanied by payment of the subscription price, which may cover the full cost of the subscription service, including its administrative overhead and the cost of copying and mailing the Notices of Intended Action for a period of one year.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.5(17A) Public participation.

2.5(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing, on the proposed rule. Such written submissions should identify the proposed rule to which they relate and should be submitted to Administrator, Alcoholic Beverages Division, 1918 S.E. Hulsizer Road, Ankeny, Iowa 50021, or the person designated in the Notice of Intended Action.

2.5(2) *Oral proceedings.* The agency may, at any time, schedule an oral proceeding on a proposed rule. The agency shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the agency by the administrative rules review committee, a governmental subdivision, an agency, an association having not less than 25 members, or at least 25 persons. That request shall also contain the following additional information:

- a. A request by one or more individual persons shall be signed by each of them and include the address and telephone number of each of them.

b. *Scheduling and notice.* An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in

the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. Presiding officer. The agency, a member of the agency, or another person designated by the agency who is familiar with the substance of the proposed rule shall preside at the oral proceeding on a proposed rule. If the agency does not preside, the presiding officer shall prepare a memorandum for consideration by the agency summarizing the contents of the presentations made at the oral proceeding unless the agency determines that such a memorandum is unnecessary because the agency will personally listen to or read the entire transcript of the oral proceeding.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at such a proceeding are encouraged to notify the agency at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) Procedure. At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the agency decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Oral presentation. Persons making oral presentations are encouraged to avoid restating matters which have already been submitted in writing.

(3) Discussion. To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) Authority of presiding officer. The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Submissions. Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. Such submissions become the property of the agency.

(6) Continuance. The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Questions. Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(8) Rebuttal statements. The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

2.5(4) Additional information. In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the agency may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

2.5(5) Accessibility. The agency shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the alcoholic beverages division at (515)281-7400 or 1-866-469-2223 in advance to arrange access or other needed services.

- e. Whether the registrant desires copies of Notices of Intended Action at cost, or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The agency may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The agency may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses will be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

2.6(3) Time of mailing. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the agency shall mail to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the agency shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

2.6(4) Qualified requesters for regulatory analysis—economic impact. The agency shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(2) "a" after a proper request from:

- a. The administrative rules coordinator;
- b. The administrative rules review committee.

2.6(5) Qualified requesters for regulatory analysis—business impact. The agency shall issue a regulatory analysis of a proposed rule that conforms to the requirements of Iowa Code section 17A.4A(2) "b" after a proper request from:

- a. The administrative rules review committee;
- b. The administrative rules coordinator;
- c. At least 25 or more persons who sign the request provided that each represents a different small business;
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

2.6(6) Time period for analysis. Upon receipt of a timely request for a regulatory analysis, the agency shall adhere to the time lines described in Iowa Code section 17A.4A(4).

2.6(7) Contents of request. A request for a regulatory analysis is made when it is mailed or delivered to the agency. The request shall be in writing and satisfy the requirements of Iowa Code section 17A.4A(1).

2.6(8) Contents of concise summary. The contents of the concise summary shall conform to the requirements of Iowa Code section 17A.4A(4), (5), and (6).

2.6(9) Publication of a concise summary. The agency shall make available, to the maximum extent feasible, copies of the published summary in conformance with Iowa Code section 17A.4A(6).

2.6(10) Regulatory analysis contents—rules review committee or rules coordinator. When a regulatory analysis is issued in response to a written request from the administrative rules review committee, or the administrative rules coordinator, the regulatory analysis shall conform to the requirements of Iowa Code section 17A.4A(2) "a" unless a written request expressly waives one or more of the items listed in the section.

2.6(11) Regulatory analysis contents—substantial impact on small business. When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of Iowa Code section 17A.4A(2) “b.”

185—2.7(17A,25B) Fiscal impact statement.

2.7(1) Fiscal impact statement. A proposed rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions or agencies and entities which contract with political subdivisions to provide services shall be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement shall satisfy the requirements of Iowa Code section 25B.6.

2.7(2) Corrected fiscal impact statement. If the agency determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the agency shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.8(17A) Time and manner of rule adoption.

2.8(1) Time of adoption. The agency shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the agency shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

2.8(2) Consideration of public comment. Before the adoption of a rule, the agency shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any memorandum summarizing such oral submissions, and any regulatory analysis or fiscal impact statement issued in that rule-making proceeding.

2.8(3) Reliance on agency expertise. Except as otherwise provided by law, the agency may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

185—2.9(17A) Variance between adopted rule and published notice of proposed rule adoption.

2.9(1) Rule different from proposed Notice of Intended Action. The agency shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action and the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

2.9(2) Determining fair warning. In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the agency shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

2.9(3) Commencement of rule-making proceeding. The agency shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the

rule is based, unless the agency finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within three days of its issuance.

2.9(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the agency to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

185—2.10(17A) Exemptions from public rule-making procedures.

2.10(1) Omission of notice and comment. To the extent the agency for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the agency may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The agency shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

2.10(2) Public proceedings on rules adopted without them. The agency may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 2.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, an agency, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the agency shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 2.10(1). Such a petition shall be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule shall be commenced within 60 days of the receipt of such a petition. After a standard rule-making proceeding commenced pursuant to this subrule, the agency may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 2.10(1), or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.11(17A) Concise statement of reasons.

2.11(1) General. When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the agency shall issue a concise statement of reasons for the rule. Requests for such a statement shall be in writing and be delivered to the Alcoholic Beverages Division, 1918 S.E. Hulsizer Road, Ankeny, Iowa 50021. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests will be considered made on the date received.

2.11(2) Contents. The concise statement of reasons shall contain:

- a. The reasons for adopting the rule;
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any such change;
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the agency's reasons for overruling the arguments made against the rule.

2.11(3) Time of issuance. After a proper request, the agency shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.12(17A) Contents, style, and form of rule.

2.12(1) Contents. Each rule adopted by the agency shall contain the text of the rule and, in addition:

- a. The date the agency adopted the rule;
- b. A brief explanation of the principal reasons for the rule-making action if such reasons are required by Iowa Code section 17A.4A(1) "b" or the agency in its discretion decides to include such reasons;
- c. A reference to all rules repealed, amended, or suspended by the rule;

- d. A reference to the specific statutory or other authority authorizing adoption of the rule;
- e. Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;
- f. A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if such reasons are required by Iowa Code section 17A.4(2) or the agency in its discretion decides to include such reasons; and
- g. The effective date of the rule.

2.12(2) *Incorporation by reference.* The agency may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the agency finds that the incorporation of its text in the agency proposed or adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in the agency proposed or adopted rule shall fully and precisely identify the incorporated matter by location, title, citation, date, and edition, if any; shall briefly indicate the precise subject and the general contents of the incorporated matter; and shall state that the proposed or adopted rule does not include any later amendments or editions of the incorporated matter. The agency may incorporate such matter by reference in a proposed or adopted rule only if the agency makes copies of it readily available to the public. The rule shall state how and where copies of the incorporated matter may be obtained at cost from this agency, and how and where copies may be obtained from the agency of the United States, this state, another state, or the organization, association, or persons, originally issuing that matter. The agency shall retain permanently a copy of any materials incorporated by reference in a rule of the agency.

If the agency adopts standards by reference to another publication, it shall provide a copy of the publication containing the standards to the administrative rules coordinator for deposit in the state law library and may make the standards available electronically.

2.12(3) *References to materials not published in full.* When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the agency shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules, and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the agency. The agency will provide a copy of that full text at actual cost upon request and shall make copies of the full text available for review at the state law library and may make the standards available electronically.

At the request of the administrative code editor, the agency shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

2.12(4) *Style and form.* In preparing its rules, the agency shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.13(17A) Agency rule-making record.

2.13(1) *Requirement.* The agency shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference shall be available for public inspection.

2.13(2) *Contents.* The agency rule-making record shall contain:

b. Copies of any portions of the agency's public rule-making docket containing entries relating to the rule or the proceeding upon which the rule is based;

c. All written petitions, requests, and submissions received by the agency, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the agency and considered by the administrator, in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the agency is authorized by law to keep them confidential; provided, however, that when any such materials are deleted because they are authorized by law to be kept confidential, the agency shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(4) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code section 17A.4(6) "a," and any agency response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any petitions for waiver of the rule; and

k. A copy of any executive order concerning the rule.

2.13(3) *Effect of record.* Except as otherwise required by a provision of law, the agency rule-making record required by this rule need not constitute the exclusive basis for agency action on that rule.

2.13(4) *Maintenance of record.* The agency shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective, the date of the Notice of Intended Action, or the date of any written criticism as described in paragraph 2.13(2) "g," "h," "i," or "j."

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.14(17A) Filing of rules. The agency shall file each rule it adopts in the office of the administrative rules coordinator. The filing shall be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule shall have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement shall be attached to the filed rule within five working days after the note or statement is issued. In filing a rule, the agency shall use the standard form prescribed by the administrative rules coordinator.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.15(17A) Effectiveness of rules prior to publication.

2.15(1) *Grounds.* The agency may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The agency shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

2.15(2) *Special notice.* When the agency makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) "b"(3), the agency shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to

the rule's indexing and publication. The term "all reasonable efforts" requires the agency to employ the most effective and prompt means of notice rationally calculated to inform potentially affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the agency of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice or electronic means.

A rule made effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) "b"(3) shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 2.15(2).

185—2.16(17A) General statements of policy.

2.16(1) *Compilation, indexing, public inspection.* The agency shall maintain an official, current, and dated compilation that is indexed by subject, containing all of its general statements of policy within the scope of Iowa Code section 17A.2(11) "a," "c," "f," "g," "h," "k." Each addition to, change in, or deletion from the official compilation shall also be dated, indexed, and a record thereof kept. Except for those portions containing rules governed by Iowa Code section 17A.2(11) "f," or otherwise authorized by law to be kept confidential, the compilation shall be made available for public inspection and copying.

2.16(2) *Enforcement of requirements.* A general statement of policy subject to the requirements of this subsection shall not be relied on by the agency to the detriment of any person who does not have actual, timely knowledge of the contents of the statement until the requirements of subrule 2.16(1) are satisfied. This provision is inapplicable to the extent necessary to avoid imminent peril to the public health, safety, or welfare.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—2.17(17A) Review by agency of rules.

2.17(1) *Written request for review.* Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator requesting the agency to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the agency shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The agency may refuse to conduct a review if it has conducted such a review of the specified rule within five years prior to the filing of the written request.

2.17(2) *Formal review process.* In conducting the formal review, the agency shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report shall include a concise statement of the agency's findings regarding the rule's effectiveness in achieving its objectives, including a summary of any available supporting data. The report shall also concisely describe significant written criticisms of the rule received during the previous five years, including a summary of any petitions for waiver of the rule received by the agency or granted by the agency. The report shall describe alternative solutions to resolve the criticisms of the rule, the reasons any were rejected, and any changes made in the rule in response to the criticisms as well as the reasons for the changes. A copy of the agency's report shall be sent to the administrative rules review committee and the administrative rules coordinator. The report shall also be available for public inspection.

2. The petition does not contain facts sufficient to demonstrate that the petitioner will be aggrieved or adversely affected by the failure of the division to issue an order.
3. The division does not have jurisdiction over the questions presented in the petition.
4. The questions presented by the petition are also presented in a current rule making, contested case, or other agency or judicial proceeding, that may definitively resolve them.
5. The questions presented by the petition would more properly be resolved in a different type of proceeding or by another body with jurisdiction over the matter.
6. The facts or questions presented in the petition are unclear, overbroad, insufficient, or otherwise inappropriate as a basis upon which to issue an order.
7. There is no need to issue an order because the questions raised in the petition have been settled due to a change in circumstances.
8. The petition is not based upon facts calculated to aid in the planning of future conduct but is, instead, based solely upon prior conduct in an effort to establish the effect of that conduct or to challenge an agency decision already made.
9. The petition requests a declaratory order that would necessarily determine the legal rights, duties, or responsibilities of other persons who have not joined in the petition, intervened separately, or filed a similar petition and whose position on the questions presented may fairly be presumed to be adverse to that of petitioner.
10. The petitioner requests the division to determine whether a statute is unconstitutional on its face.

3.9(2) Grounds for refusal. A refusal to issue a declaratory order shall indicate the specific grounds for the refusal and constitutes final agency action on the petition.

3.9(3) Filing of new petition. Refusal to issue a declaratory order pursuant to this provision does not preclude the filing of a new petition that seeks to eliminate the grounds for the refusal to issue an order.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—3.10(17A) Contents of declaratory order—effective date. In addition to the order itself, a declaratory order shall contain the date of its issuance, the name of petitioner and all intervenors, the specific statutes, rules, policies, decisions, or orders involved, the particular facts upon which it is based, and the reasons for its conclusion.

A declaratory order is effective on the date of issuance.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—3.11(17A) Copies of orders. A copy of all orders issued in response to a petition for a declaratory order shall be mailed promptly to the original petitioner and all intervenors.

185—3.12(17A) Effect of a declaratory order. A declaratory order has the same status and binding effect as a final order issued in a contested case proceeding. It is binding on the division, the petitioner, and any intervenors who consent to be bound and is applicable only in circumstances where the relevant facts and the law involved are indistinguishable from those on which the order was based. As to all other persons, a declaratory order serves only as precedent and is not binding on the division. The issuance of a declaratory order constitutes final agency action on the petition.

These rules are intended to implement Iowa Code chapter 17A.

4.10(8) Violations. Failure to comply with the requirements and restrictions of this rule shall subject the licensee to the penalty provisions provided in Iowa Code chapter 123.

This rule is intended to implement Iowa Code sections 123.30, 123.43A, and 123.49.
[ARC 5221C, IAB 10/7/20, effective 10/1/20]

185—4.11(123) Filling and selling of wine and native wine in a container other than the original container. Class “C” liquor control licensees; class “B,” class “B” native, and class “C” native wine permittees; and the licensee’s or permittee’s employees may fill, refill, and sell wine or native wine in a container other than the original container, otherwise known as a growler, subject to the requirements and restrictions provided in Iowa Code sections 123.178, 123.178A, and 123.178B as amended by 2020 Iowa Acts, House File 2540, sections 4, 5, 6, 7, 8, and 9, and in this rule.

4.11(1) Definitions.

“Growler,” for the purposes of this rule, means any fillable and sealable glass, ceramic, plastic, aluminum, or stainless steel container designed to hold wine or native wine.

“Native wine,” for the purposes of this rule, means wine manufactured in Iowa by fermentation of fruit, vegetables, dandelions, clover, honey, or any combination of these ingredients by a class “A” wine permittee.

“Original container,” for the purposes of this rule, means a vessel containing wine or native wine that has been lawfully obtained and has been securely capped, sealed, or corked at the location of manufacture.

“Wine,” for the purposes of this rule, means “wine” as defined in Iowa Code section 123.3(54).

4.11(2) Filling and refilling requirements.

a. A growler shall have the capacity to hold no more than 72 ounces.

b. A growler shall be filled or refilled only by the licensee or permittee or the licensee’s or permittee’s employees who are 18 years of age or older.

c. A growler shall be filled or refilled only on demand by a consumer at the time of the sale.

d. A growler shall be filled or refilled only with wine or native wine from the original container procured from a class “A” wine permittee.

e. Class “B” native and class “C” native wine permittees shall fill a growler with only native wine.

f. A retailer may exchange a growler to be filled or refilled.

g. The filling or refilling of a growler shall at all times be conducted in compliance with applicable state and federal food safety statutes and regulations.

4.11(3) Sealing requirements. A filled or refilled growler shall be securely sealed at the time of the sale by the licensee or permittee or the licensee’s or permittee’s employees in the following manner:

a. A growler shall bear a cap, lid, stopper, or plug.

b. A plastic heat shrink wrap band, strip, or sleeve shall extend around the cap or lid or over the stopper or plug to form a seal that must be broken upon the opening of the growler. A lid permanently affixed with a can seamer shall not require a plastic heat shrink wrap band, strip, or sleeve.

c. The heat shrink wrap seal shall be so secure that it is visibly apparent when the seal on a growler has been tampered with or a sealed growler has otherwise been reopened.

d. A growler shall not be deemed an open container, subject to the requirements of Iowa Code sections 321.284 and 321.284A, provided the sealed growler is unopened and the seal has not been tampered with and the contents of the growler have not been partially removed.

4.11(4) Restrictions.

a. A growler shall not be filled in advance of a sale.

b. A growler filled pursuant to this rule shall not be delivered or direct-shipped to a consumer.

c. A growler filled pursuant to this rule shall not be sold or otherwise distributed to a retailer.

d. A licensee or permittee or a licensee's or permittee's employees shall not allow a consumer to fill or refill a growler.

e. The filling, refilling, and selling of a growler shall be limited to the hours in which alcoholic beverages may be legally sold.

f. A filled or refilled growler shall not be sold to any consumer who is under legal age, intoxicated, or simulating intoxication.

g. An original container shall only be opened on the premises of a class "B" or class "B" native wine permittee for the limited purposes of filling or refilling a growler as provided in this rule, or for a tasting in accordance with rule 185—16.7(123).

4.11(5) Violations. Failure to comply with the requirements and restrictions of this rule shall subject the licensee or permittee to the penalty provisions provided in Iowa Code chapter 123.

This rule is intended to implement Iowa Code sections 123.172, 123.178, 123.178A, and 123.178B. [ARC 5191C, IAB 9/23/20, effective 10/28/20]

185—4.12(123) Display of license, permit, or signs. All licenses, permits or signs issued by the division shall be prominently displayed in full view on the licensed premises.

This rule is intended to implement Iowa Code sections 123.4 and 123.30.

185—4.13(123) Outdoor service. Any licensee or permittee having an outdoor, contiguous, discernible area on the same property on which their licensed establishment is located may serve the type of alcoholic liquor or beer permitted by the license or permit in the outdoor area. After a licensee or permittee satisfies the requirements of this rule, they may serve and sell beer or liquor in both their indoor licensed establishment and in their outdoor area at the same time because an outdoor area is merely an extension of their licensed premise and is not a transfer of their license. A licensee or permittee, prior to serving in the outdoor area, must file with this division:

1. A new diagram showing the discernible outdoor area.
2. A letter from licensee or permittee telling what dates the outdoor area will be used.
3. A letter from local authority approving the outdoor area.
4. A letter from the insurance and bonding companies acknowledging that the outdoor area is covered by the dramshop insurance policy and the bond.

This rule is intended to implement Iowa Code sections 123.3(20), 123.4 and 123.38.

185—4.14(123) Revocation or suspension by local authority. When the local authority revokes or suspends a beer permit, wine permit, or liquor control license, they shall notify the division in written form stating the reasons for the revocation or suspension and in the case of a suspension, the length of time of the suspension.

This rule is intended to implement Iowa Code sections 123.4 and 123.39.

185—4.15(123) Suspension of liquor control license, wine permit, or beer permit. At the time of the suspension of any license, wine permit, or beer permit by the division, there shall be placed, in a conspicuous place in the front door or window of the licensed establishment, a placard furnished by the division showing that the license or permit of that establishment has been suspended by the division and such placard shall also show the number of days and reason for the suspension. No licensee or permittee shall remove, alter, obscure or destroy said placard without the express written approval of the division.

This rule is intended to implement Iowa Code sections 123.4 and 123.39.

185—4.16(123) Cancellation of beer permits—refunds. A beer permittee, or the executor or administrator, may voluntarily surrender such permit to the division or to the local authority. When so surrendered to the division, the division will notify the local authority; state whether there is a complaint on file in the division office; and inquire if there are any complaints filed locally charging such permittee with violation of the laws that would make the permittee ineligible for a refund. When the permit is surrendered to the local authority, the local authority shall notify the division and inquire if there is a complaint on file with the division that would make the permittee ineligible for a refund.

The local authority by itself, in the case of retail beer permits, shall make the refund on a quarterly use basis starting from the effective date of the permit. The local authority will complete, and send to the division, a cancellation certificate. The certificate is to be furnished by the division. The permit is to be attached to the cancellation certificate, if at all possible. The division must have all cancellations reported to them.

This rule is intended to implement Iowa Code sections 123.4 and 123.38.

185—4.17(123) Prohibited storage of alcoholic beverages and wine. No licensee shall permit alcoholic beverages and wine, purchased under authority of a retail license or retail permit, to be kept or stored upon any premises other than those licensed. However, under special circumstances, the administrator may authorize the storage of alcoholic beverages and wine on premises other than those covered by the license or permit. The administrator may allow class “D” liquor control licensees to store alcoholic liquor and wine in a bonded warehouse to be used for consumption in Iowa, under the authority of a class “D” liquor control license.

This rule is intended to implement Iowa Code sections 123.4 and 123.21(11).

185—4.18(123) Transfer of license or permit to another location. A licensee or permittee cannot transfer to anyone else the right to use the liquor license, wine permit, or beer permit of the licensee or permittee; the right of transfer is merely an opportunity for a licensee or permittee to use the licensee’s or permittee’s liquor license, wine permit, or beer permit at a different location. A liquor license, wine permit, or a beer permit may only be transferred within the boundaries of the local authority which approved the license or permit.

4.18(1) Permanent transfers. A person may obtain an application for a permanent transfer from the local authority or the division. The application must be approved by the local authority and sent to the division prior to the transfer. An endorsement from the insurance company holding the dramshop policy listing the new address must be sent to the division prior to the transfer. When the above requirements are met, the division shall issue an amended license or permit showing the new permanent address.

4.18(2) Temporary transfers. If the transfer of a license or permit is for the purpose of accommodating a special event or circumstance temporary in nature, the minimum time of transfer is hereby set at 24 hours and transfer time shall not exceed seven days. A letter from the local authority granting the temporary transfer must be sent to the division. The insurance company holding the dramshop policy must be notified of any change of address.

This rule is intended to implement Iowa Code sections 123.4 and 123.38.

185—4.19(123) Execution and levy on alcoholic liquor, wine, and beer. Judgments or orders requiring the payment of money or the delivery of the possession of property may be enforced against liquor control licensees and beer and wine permittees by execution pursuant to the provisions of Iowa Code chapter 626, entitled “Executions.”

4.19(1) A secured party as defined in Iowa Code section 554.9105(1) “m” may take possession of and dispose of a liquor control licensee’s or permittee’s alcoholic liquor, wine, and beer in which the secured party has a security interest in such collateral pursuant to the provisions of Iowa Code chapter 554. The secured party may operate under the liquor control license or permit of its debtor as defined in Iowa Code section 554.9105(1) “d” for the purpose of disposing of the alcoholic liquor, wine, and beer. However, if the debtor is a class “E” liquor control licensee, the secured party may not purchase alcoholic liquor from the division to continue to operate its debtor’s business. A secured party operating under the liquor control license or permit of its debtor shall dispose of the alcoholic liquor, wine, and beer by sale only to persons authorized under Iowa Code chapter 123 to purchase alcoholic liquor, wine, and beer from the debtor. When a secured party takes possession of a liquor control licensee’s or permittee’s alcoholic liquor, wine, and beer, the secured party shall notify the division in writing of such action. A secured party shall further inform the division of the manner in which it intends to dispose of the alcoholic liquor, wine, and beer and shall state the reasonable length of time in which it intends to operate under the liquor control license or permit of its debtor. The secured party shall notify the division in writing

when the disposition of its collateral has been completed, and the secured party shall cease operating under the liquor control license or permit of its debtor.

4.19(2) A sheriff or other officer acting pursuant to Iowa Code chapter 626 may take possession of a liquor control licensee's or permittee's alcoholic liquor, wine, and beer and may dispose of such inventory according to the provisions of Iowa Code chapter 626; however, the sheriff or other officer must sell the alcoholic liquor, wine and beer only to those persons authorized by Iowa Code chapter 123 to purchase alcoholic liquor, wine, and beer from the liquor control licensee whose inventory is subject to the execution and levy. The sheriff or other officer shall notify the division in writing at the time the sheriff or officer takes possession of a liquor control licensee's or permittee's alcoholic liquor, wine, and beer and shall further notify the division of the time and place of the sale of such property.

This rule is intended to implement Iowa Code sections 123.4, 123.21(3), and 123.38.

185—4.20(123) Liquor store checks accepted. The Iowa state liquor stores and the division may accept checks from holders of a retail liquor control license, including a class "E" licensee, under the following conditions:

1. The check must be either the personal check of the licensee or the business check of the licensee. The business check must be the named establishment on the license and cannot be a check on another business owned or operated by the licensee.

2. The check must be signed by the licensee. (For all holders of liquor control licenses this is interpreted as those persons whose authorized signatures are on file with the bank for the licensee's account). However, this does not preclude an agent of the licensee from presenting a check signed by the licensee in the normal transaction of buying liquor.

3. Traveler's checks and bank drafts, signed by the licensee, will be accepted.

4. Personal checks or traveler's checks may be accepted as payment for purchases in state liquor stores. Second party checks shall not be accepted as payment for purchases in state liquor stores. Vendors shall follow the policy established by the administrator of the division for accepting personal checks and traveler's checks for the purchase of alcoholic beverages.

4.20(1) If a licensee presents this division with a check which is subsequently dishonored by the licensee's bank, the administrator of this division shall cause a written notice of nonpayment and penalty to be served upon the licensee. If the licensee fails to satisfy the obligation within ten days after service of the notice, the administrator or designee shall hold a hearing as in other contested cases pursuant to Iowa Code chapter 17A to determine whether or not the licensee failed to satisfy the obligation within ten days after service of the notice of nonpayment and penalty. If the administrator determines that the licensee has failed to satisfy the obligation, after notice and an opportunity to be heard, the administrator shall suspend the licensee's liquor control license for a period of not less than 3 and not more than 30 days.

4.20(2) A retail liquor establishment which tenders the division one insufficient funds check for the purchase of alcoholic liquor will lose its check-writing privilege for 90 days from the date the establishment pays the division even though the division does not suspend the liquor license because the establishment paid the division within the 10-day demand period. A retail liquor establishment which tenders the division more than one insufficient funds check for the purchase of alcoholic liquor will lose its check-writing privilege for 180 days from the date the establishment pays the division even though the division does not suspend the liquor license because the establishment paid the division within the 10-day demand period.

During the period that a licensee may not tender checks to the state liquor stores or this division in payment for alcoholic liquor, state liquor stores and this division may accept from the licensee: cash, money order payable to the division for the amount of the purchase, bank cashier's check signed by a bank official and made payable to the division for the amount of the purchase, or the licensee's personal or business check made payable to the division for the amount of the purchase which has been certified by the bank on which the check is drawn.

4.20(3) The division may collect from the licensee a \$10 fee for each dishonored check tendered to the division by a licensee for the purchase of alcoholic beverages.

4.20(4) The division may accept from the general public for alcoholic beverages traveler's checks issued in a foreign country if payment is in U.S. dollars.

4.20(5) The division may require, at the discretion of the administrator, that a licensee submit a letter of credit in a reasonable amount to be determined by the administrator for future purchases of alcoholic liquor from the division, when a licensee tenders to the division a check which is subsequently dishonored by the bank on which the check is drawn if the licensee fails to satisfy the obligation within ten days after service of notice of nonpayment and penalty.

This rule is intended to implement Iowa Code sections 123.4 and 123.24.

185—4.21(123) Where retailers must purchase wine. Retail licensees and retail permittees must purchase their wine from either a wine wholesaler or a wine and beer wholesaler. Retail licensees and retail permittees cannot buy wine from other retailers.

This rule is intended to implement Iowa Code subsections 123.30(3) and 123.178(3).

185—4.22(123) Liquor on licensed premises. Holders of liquor control licenses must purchase their liquor supplies from state liquor stores.

4.22(1) Exception to the above requirement. "Bona fide conventions or meetings" may bring their own legal liquor onto licensed premises under the following conditions:

a. "Bona fide conventions or meetings" shall be construed to mean an identifiable body of persons gathered together in furtherance of a specific common purpose or cause, whether political, fraternal, or business, including but not limited to structured club meetings and conventions, professional association functions, employer-employee gatherings and political dinners. Neither the mere purchase nor consumption of liquor nor the purchase of an admission ticket shall be deemed to create a specific common purpose or cause.

b. Liquor may be brought onto the licensed premises at a bona fide convention or meeting by either the sponsoring entity or the individuals comprising that entity.

c. Consumption or dispensation of liquor brought onto the licensed premises by a bona fide convention or meeting must be confined to the meeting place or convention rooms within the licensed premises.

d. The liquor must be served to the delegates or guests without cost.

e. At the completion of the convention or meeting, all liquor brought onto the licensed premises by the members of the convention or meeting must be removed from the licensed premises by those members.

f. All other laws and rules governing the license shall apply to dispensing and consumption of liquor at bona fide conventions or meetings, including hours for consumption and Sunday sales.

4.22(2) Reserved.

This rule is intended to implement Iowa Code sections 123.30, 123.46, and 123.95.

185—4.23(123) Liquor on unlicensed places. Liquor may be kept and consumed but not sold on unlicensed places under the following conditions:

4.23(1) Liquor may be kept and consumed in a private home at any time.

4.23(2) Liquor may be kept and consumed, by the guests or residents, in the residential or sleeping quarters of a hotel or motel at any time. This is considered as an extension of the private home.

4.23(3) Liquor may be consumed at a private social gathering in a private place at any time.

4.23(4) A private place is a location which meets all of the following criteria:

a. One to which the general public does not have access at the time the liquor is kept, dispensed or consumed; one at which the attendees are limited to the bona fide social hosts and invited guests.

b. One which is not of a commercial nature at the time the liquor is consumed or dispensed at the location.

c. One where goods or services are neither sold nor purchased at the time the liquor is consumed or dispensed at the location.

d. One where the use of the location was obtained without charges or rent or any other thing of value was exchanged for its use.

e. One which is not a licensed premises.

f. One where no admission fees or other kinds of entrance fees, fare, ticket, donation or charges are made or are required of the invited guests to enter the location.

This rule is intended to implement Iowa Code section 123.95.

185—4.24(123) Alcoholic liquor and wine on beer permit premises. Rescinded ARC 3928C, IAB 8/1/18, effective 9/5/18.

185—4.25(123) Age requirements. Persons 21 years of age or older may hold a liquor license, wine permit, or beer permit; however, persons who are between the ages of 18 and 21 and hold a liquor license, wine permit, or beer permit before September 1, 1986, are not affected by or subject to this rule, and may hold such license or permit even though the licensee or permittee has not attained the age of 21. Persons 18 years of age and older may be bartenders, waiters, waitresses, and may handle alcoholic beverages, wine, and beer during the course of the person's employment for a licensee or permittee in establishments in which alcoholic beverages, wine, and beer are consumed. Persons 16 years of age and older may sell beer and wine in off-premises beer and wine establishments. Persons must be 18 years of age or older to work in a state liquor store.

This rule is intended to implement Iowa Code sections 123.30, 123.47A and 123.49.

185—4.26(123) Timely filed status.

4.26(1) In addition to the requirements which may be imposed by a local authority upon the holder of an alcoholic beverages license or permit to obtain timely filed status of a renewal application, the division may grant timely filed status if the applicant complies with the following conditions:

a. The applicant files a completed application with the local authority or the division as required by applicable law.

b. The applicant files a current dram shop liability certificate with the local authority or the division if proof of dram shop liability is required as a condition precedent to the issuance of the license or permit.

c. The applicant pays the appropriate license or permit fee in full to the local authority or the division as required by applicable law.

d. The applicant files a bond with the local authority or the division if a bond is required as a condition precedent to the issuance of the license or permit under applicable law.

4.26(2) Timely filed status allows the holder of the license or permit to continue to operate under a license or permit after its expiration and until the local authority and the division have finally determined whether the license or permit should be issued. If the application for the license or permit is denied, timely filed status continues until the last day for seeking judicial review of the division's action.

4.26(3) An applicant for a new alcoholic beverages license or permit may not sell alcoholic liquor, wine or beer in the proposed establishment until a license or permit has been granted by the division.

This rule is intended to implement Iowa Code sections 123.32, 123.35 and 17A.18.

185—4.27(123) Effect of suspension. Subject to the right to convey a suspended establishment under Iowa Code section 123.39, no beer, wine, or liquor can be sold or consumed in an establishment during a suspension period. An establishment may be open during a suspension period to conduct lawful business other than the sale of liquor, wine, and beer as long as no liquor, wine, or beer is sold or consumed during the suspension period.

This rule is intended to implement Iowa Code section 123.39.

185—4.28(123) Use of establishment during hours alcoholic liquor, wine, and beer cannot be consumed. No one, including licensee, permittee, and employees can consume beer, wine, or alcoholic beverages in their licensed establishment during hours which beer, wine, and alcoholic beverages cannot be sold. An establishment covered by a liquor license, wine permit, or beer permit can be used

as a restaurant or any other lawful purpose during hours which beer, wine, or alcoholic liquor cannot be sold as long as beer, wine, or alcoholic beverages are not consumed during these hours.

This rule is intended to implement Iowa Code section 123.49.

185—4.29 Rescinded, effective 7/1/85.

185—4.30(123) Persons producing fuel alcohol. Persons producing fuel alcohol for their own use or to be sold commercially do not have to obtain a license or permit from the division.

This rule is intended to implement Iowa Code sections 123.4 and 123.41.

185—4.31(123) Storage of beer. No retail liquor licensee or retail beer permittee shall store beer except on premises licensed for retail sale and then only to the extent that the beer is intended for sale to consumers from the individually licensed premises where stored. The adoption of this rule shall not preclude a retail liquor licensee or a retail beer permittee from picking up beer from class “A” and “F” beer permittees and directly transporting the beer to the retail establishment where the beer is intended to be sold at retail.

This rule is intended to implement Iowa Code section 123.21.

185—4.32(123) Delivery of alcoholic liquor. Individuals who do not work for this division may operate a delivery service in which they will charge licensees a fee for picking up their alcoholic liquor orders at this division’s liquor stores and delivering it to their establishments.

This rule is intended to implement Iowa Code sections 123.4 and 123.21(10).

185—4.33(123) Delivery of beer and wine. Licensees and permittees who hold a license or permit which allows them to sell bottled wine and bottled beer may deliver beer and wine to residences if the customers telephoned and requested that the beer and wine be delivered.

This rule is intended to implement Iowa Code subsection 123.21(10).

185—4.34(123) Determination of population. Decennial Censuses and Special Censuses done by the U.S. Census Bureau are recognized as being the official population of a town for the purpose of deciding the price of licenses and permits in that town, but estimates done by the U.S. Census Bureau cannot be viewed as being the official population when deciding the price of licenses and permits.

This rule is intended to implement Iowa Code subsection 123.21(11).

185—4.35(123) Minors in licensed establishments. Because Iowa law does not prohibit minors from being in licensed establishments, a minor can be in a licensed establishment if local authority does not have a local ordinance prohibiting minors from being in licensed establishments in its jurisdiction.

This rule is intended to implement Iowa Code subsection 123.21(5).

185—4.36(123) Sale of alcoholic liquor and wine stock when licensee or permittee sells business. When a licensee or permittee goes out of business, the licensee or permittee may sell the licensee’s or permittee’s stock of alcoholic liquor and wine to the person who is going to operate a licensed establishment in the same location.

This rule is intended to implement Iowa Code subsection 123.21(5).

185—4.37(123) Business as usual on election days. Licensees and permittees may sell alcoholic liquor, wine, or beer during regular hours on days local and national elections are held because present Iowa law does not restrict the sale of liquor, wine, and beer on election days.

This rule is intended to implement Iowa Code subsection 123.21(3).

185—4.38(123) Sunday sale of wine. A holder of a class “B” wine permit or combination retail wine license, excluding any liquor control licensee or beer permittee which does not qualify for Sunday sales under Iowa Code sections 123.36(6) and 123.134(5), respectively, may sell wine for consumption off

the premises between the hours of 10 a.m. and 12 midnight on Sundays. No fee shall be imposed for that privilege.

This rule is intended to implement Iowa Code subsection 123.49(2).

185—4.39(123) Intoxication notice. Rescinded IAB 8/18/93, effective 7/29/93.

185—4.40(123) Warehousing of beer and wine. A person holding a class “A” wine permit or a class “A” or “F” beer permit shall warehouse their wine or beer inventory within the state of Iowa. Persons issued a class “A” wine permit or class “A” or “F” beer permit prior to June 10, 1987, shall comply upon renewal or November 1, 1987, whichever date occurs first. A warehouse of a person holding a class “A” wine permit or a class “A” or “F” beer permit shall be considered a licensed premises.

This rule is intended to implement Iowa Code section 123.127.

185—4.41(123) Vending machines to dispense alcoholic beverages prohibited. A liquor control licensee or beer or wine permittee shall not install or permit the installation of vending machines on the licensed premises for the purpose of selling, dispensing or serving alcoholic beverages. A vending machine is defined as a slug, coin, currency or credit card operated mechanical device used for dispensing merchandise, including single cans of beer or other alcoholic beverages, and includes a mechanical device operated by remote control and used for dispensing single cans of beer or other alcoholic beverages. 8.2(3) *Bottle-label requirements and registration.* After the type of container and labels submitted are approved by the division for use on shipments into Iowa, no change may be made in the type of container or labels without the express approval of the division. All labels must conform to the regulations of the Bureau of Alcohol, Tobacco and Firearms.

Affix the label in the upper left hand corner of the designated end of the case and about ¼ inch away from the edges to prevent fringing. On such merchandise where serial numbers are not used, affix the standard case code label on the recognized end of said case. This will permit the warehouse to tier cases with the end with the standard case code label outward and the government or serial number side on the left as you stand facing the tier of cases.

8.2(5) *Notification—changes in age, proof, formula.* Whenever consent has been given by the division for a change in either age or proof, the supplier must notify the division at the time the first shipment goes forward, giving the new age or proof together with car number and initial, and date of shipment. Failure of the shipper to give this notification shall mean that the shipper shall assume all cost of necessary inconvenience suffered by the division as a result of the changes made. Letter covering this advice should be forwarded to the administrator of the division, State Office Building, 1918 S.E. Hulsizer, Ankeny, Iowa 50021.

8.2(12) Invoicing instructions. Shipping plant is to use its own regular invoice form as no special invoice form is supplied by the division. Purchase order number must be shown on the invoice and in the proper place. Car initial and number must be shown without fail and complete routing. Iowa code number must be shown on the same line with the particular brand and size and not placed at the foot of the invoice. The various items on the invoices must be listed in consecutive order of the code numbers, namely, the item carrying the lowest code number must be the first item appearing on the face of the invoice. The signed memorandum copy of the bill of lading is to be attached to the invoice when mailed to the division. Shipping plant will retain in its files the original bill of lading. After completing the invoice to the above extent, the shipping plant must show the following claimant's affidavit typewritten across the face of the original and duplicate of the invoice and to have same signed and dated:

[ARC 3994C, IAB 9/12/18, effective 10/17/18; ARC 5192C, IAB 9/23/20, effective 10/28/20]

185—9.2(123) Personal importation in excess of the amounts provided—waiver. The administrator may provide for the issuance of a waiver for an individual of legal age desiring to import alcoholic liquor, wine, or beer in excess of the amounts provided in Iowa Code section 123.22, 123.171, or 123.122. The decision on whether the circumstances justify the issuance of a waiver shall be made at the discretion of the administrator upon consideration of all the relevant factors.

9.2(1) Criteria. The division may, in response to a completed request, issue a waiver, as applied to the circumstances of a specific situation if the division finds each of the following:

- a. The requester is an individual of legal age;
- b. The requester is an individual who was domiciled outside the state within one year of the request;
- c. The alcoholic liquor, wine, or beer imported pursuant to the waiver shall be only for personal consumption in a private home or other private accommodation and only if it is not sold, exchanged, bartered, dispensed, or given in consideration of purchase for any property or services or in evasion of the requirements of Iowa Code chapter 123; and
- d. The alcoholic liquor, wine, or beer imported pursuant to the waiver shall be in unopened original containers.

9.2(2) Domicile. Domicile, for the purposes of establishing when an individual is “domiciled outside the state,” shall be determined in accordance with rule 701—38.17(422).

9.2(3) Request. All requests for a waiver to import alcoholic liquor, wine, or beer in excess of the amount provided in Iowa Code section 123.22, 123.171, or 123.122 shall be submitted in writing by completing a request for import authorization form and returning it to the division, as instructed.

9.2(4) Content of form. A request for import authorization form shall be prescribed by the division and shall include the following information: the name, date of birth, and personal contact information of the requester; full residential history of the requester for the past three years without gaps; a statement of reasons that the requester believes will justify import authorization; the destination address for the imported alcoholic beverages; the name, date of birth, and personal contact information of the recipient of the alcoholic beverages, if different from that of the requester; a detailed inventory of the alcoholic beverages for which the requester seeks import authorization; and any other information the administrator may require.

9.2(5) Burden of persuasion. When a request is filed for a waiver pursuant to this rule, the burden of persuasion shall be on the requester to demonstrate by clear and convincing evidence that the division should exercise its discretion in the granting of the waiver.

9.2(6) Notice. The division shall acknowledge a request for a waiver upon receipt of a completed request for import authorization form.

9.2(7) Additional information. Prior to granting or denying a request for a waiver, the division may request additional information from the requester relative to the request and surrounding circumstances.

9.2(8) Investigation. The division may conduct an investigation as the administrator deems necessary to determine that the requester meets the criteria in subrule 9.2(1) or to verify the accuracy of the information provided by the requester.

9.2(9) Ruling. A letter granting or denying a request for a waiver to import alcoholic liquor, wine, or beer in excess of the amount provided in Iowa Code section 123.22, 123.171, or 123.122 shall be in writing and shall contain a description of the precise scope and duration of the waiver if one is issued.

9.2(10) *Duration of waiver.* A waiver issued pursuant to this rule shall allow only for the importation of the inventory of alcoholic beverages detailed on the request for import authorization form. If a waiver is granted, there is no automatic right to renewal.

9.2(11) *Public availability.* The division shall maintain a record of all waivers granted or denied under this rule. All rulings in response to requests for waivers shall be indexed and available to members of the public at the Alcoholic Beverages Division, 1918 S.E. Hulsizer Road, Ankeny, Iowa 50021. Waivers containing information that the division is authorized or required to keep confidential shall be edited prior to public inspection.

9.2(12) *Cancellation.* A waiver issued by the division pursuant to this rule may be withdrawn, canceled, or modified if, after appropriate notice, the division finds any of the following:

a. The requester of the waiver withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or

b. The recipient of the waiver has failed to comply with any of the conditions contained in the waiver.

9.2(13) *Violations.* Violation of a condition in a waiver is equivalent to a violation of Iowa Code section 123.10, 123.22, 123.171, or 123.122, as applicable. The recipient of a waiver under this rule who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the applicable Iowa Code section.

9.2(14) *Defense.* After the division grants a waiver under this rule, the waiver is a defense within its terms and the specific facts indicated therein for the recipient of the waiver in any proceedings in which the waiver in question is sought to be invoked.

9.2(15) *Appeals.* Granting or denying a request for a waiver is final agency action under Iowa Code chapter 17A.

185—10.4(123,17A) Statute of limitations. Requests for a contested case proceeding alleging a violation of Iowa Code chapter 123 must be filed with the division or the local authority within one year from the date of the alleged violation or the date of conviction for the violation, whichever is later.

185—10.5(17A) Requests for contested case proceeding. Any person claiming an entitlement to a contested case proceeding shall file a written request within the time specified by the particular rules or statutes governing the subject matter or, in the absence of such law, the time specified in the agency action in question.

The request for a contested case proceeding should state the name and address of the requester, identify the specific agency action which is disputed and, where the requester is represented by a lawyer, identify the provisions of law or precedent requiring or authorizing the holding of a contested case proceeding in the particular circumstances involved, and include a short and plain statement of the issues of material fact in dispute.

185—10.8(17A) Waiver of procedures. Unless otherwise precluded by law, the parties in a contested case proceeding may waive any provision of this chapter. However, the agency in its discretion may refuse to give effect to such a waiver when it deems the waiver to be inconsistent with the public interest.

185—10.9(17A) Telephone proceedings. The presiding officer may resolve preliminary procedural motions by telephone conference in which all parties have an opportunity to participate. Other telephone proceedings may be held with the consent of all parties. The presiding officer will determine the location of the parties and witnesses for telephone hearings. The convenience of the witnesses or parties, as well as the nature of the case, will be considered when location is chosen.

185—10.10(17A) Disqualification.

10.10(1) *Withdrawal.* A presiding officer or other person shall withdraw from participation in the making of any proposed or final decision in a contested case if that person:

Factual information relevant to the merits of a contested case received by a person who later serves as presiding officer in that case shall be disclosed if required by Iowa Code section 17A.17 as amended by 1998 Iowa Acts, chapter 1202, section 19, and subrules 10.10(3) and 10.23(9).

10.10(3) *Statement of reasons for nonwithdrawal.* In a situation where a presiding officer or other person knows of information which might reasonably be deemed to be a basis for disqualification and decides voluntary withdrawal is unnecessary, that person shall submit the relevant information for the record by affidavit and shall provide for the record a statement of the reasons for the determination that withdrawal is unnecessary.

10.10(4) *Motion asserting disqualification.* If a party asserts disqualification on any appropriate ground, including those listed in subrule 10.10(1), the party shall file a motion supported by an affidavit pursuant to 1998 Iowa Acts, chapter 1202, section 19(7). The motion must be filed as soon as practicable after the reason alleged in the motion becomes known to the party.

If, during the course of the hearing, a party first becomes aware of evidence of bias or other grounds for disqualification, the party may move for disqualification but must establish the grounds by the introduction of evidence into the record.

If the presiding officer determines that disqualification is appropriate, the presiding officer or other person shall withdraw. If the presiding officer determines that withdrawal is not required, the presiding officer shall enter an order to that effect. A party asserting disqualification may seek an interlocutory appeal under rule 10.25(17A) and seek a stay under rule 10.29(17A).

185—10.11(17A) Consolidation—severance.

10.11(1) *Consolidation.* The presiding officer may consolidate any or all matters at issue in two or more contested case proceedings where: (a) the matters at issue involve common parties or common questions of fact or law; (b) consolidation would expedite and simplify consideration of the issues involved; and (c) consolidation would not adversely affect the rights of any of the parties to those proceedings.

10.11(2) *Severance.* The presiding officer may, for good cause shown, order any contested case proceedings or portions thereof severed.

185—10.12(17A) Pleadings.

10.12(3) *Answer.* An answer shall be filed within 20 days of service of the petition unless otherwise ordered. A party may move to dismiss or apply for a more definite and detailed statement when appropriate.

An answer shall show on whose behalf it is filed and specifically admit, deny, or otherwise answer all material allegations of the pleading to which it responds. It shall state any facts deemed to show an affirmative defense and contain as many additional defenses as the pleader may claim.

An answer shall state the name, address and telephone number of the person filing the answer, the person or entity on whose behalf it is filed, and the attorney representing that person, if any.

Any allegation in the petition not denied in the answer is considered admitted. The presiding officer may refuse to consider any defense not raised in the answer which could have been raised on the basis of facts known when the answer was filed if any party would be prejudiced.

10.12(4) Amendment. Any notice of hearing, petition, or other charging document may be amended before a responsive pleading has been filed. Amendments to pleadings after a responsive pleading has been filed and to an answer may be allowed with the consent of the other parties or in the discretion of the presiding officer who may impose terms or grant a continuance.

185—10.13(17A) Service and filing of pleadings and other papers.

10.13(1) When service required. Except where otherwise provided by law, every pleading, motion, document, or other paper filed in a contested case proceeding and every paper relating to discovery in such a proceeding shall be served upon each of the parties of record to the proceeding, including the person designated as advocate or prosecutor for the state or the agency, simultaneously with their filing. Except for the original notice of hearing and an application for rehearing as provided in Iowa Code section 17A.16(2), the party filing a document is responsible for service on all parties.

10.13(2) Service—how made. Service upon a party represented by an attorney shall be made upon the attorney unless otherwise ordered. Service is made by delivery or by mailing a copy to the person's last-known address. Service by mail is complete upon mailing, except where otherwise specifically provided by statute, rule, or order.

10.13(3) Filing—when required. After the notice of hearing, all pleadings, motions, documents or other papers in a contested case proceeding shall be filed with the Alcoholic Beverages Division, 1918 S.E. Hulsizer Road, Ankeny, Iowa 50021-3941. All pleadings, motions, documents or other papers that are required to be served upon a party shall be filed simultaneously with the division.

10.13(4) Filing—when made. Except where otherwise provided by law, a document is deemed filed at the time it is delivered to the division, delivered to an established courier service for immediate delivery to that office, or mailed by first-class mail or state interoffice mail to that office, so long as there is proof of mailing.

10.13(5) Proof of mailing. Proof of mailing includes either: a legible United States Postal Service postmark on the envelope, a certificate of service, a notarized affidavit, or a certification in substantially the following form:

I certify under penalty of perjury and pursuant to the laws of Iowa that, on (date of mailing), I mailed copies of (describe document) addressed to the Alcoholic Beverages Division, 1918 S.E. Hulsizer Road, Ankeny, Iowa 50021-3941, and to the names and addresses of the parties listed below by depositing the same in (a United States post office mailbox with correct postage properly affixed or state interoffice mail).

(Date)

(Signature)

10.13(6) Facsimile. In appropriate cases, a facsimile copy may be filed with approval of the division with subsequent mailing of the original.

185—10.14(17A) Discovery.

10.14(1) Discovery procedures. Discovery procedures applicable in civil actions are applicable in contested cases. Unless lengthened or shortened by these rules or by order of the presiding officer, time periods for compliance with discovery shall be as provided in the Iowa Rules of Civil Procedure.

10.14(2) Discovery motions. Any motion relating to discovery shall allege that the moving party has previously made a good-faith attempt to resolve the discovery issues involved with the opposing party. Motions in regard to discovery shall be ruled upon by the presiding officer. Opposing parties shall be afforded the opportunity to respond within ten days of the filing of the motion unless the time is shortened as provided in subrule 10.13(1). The presiding officer may rule on the basis of the written motion and any response, or may order argument on the motion.

10.14(3) Evidence. Evidence obtained in discovery may be used in the contested case proceeding if that evidence would otherwise be admissible in that proceeding.

185—10.15(17A) Subpoenas.

10.15(1) Issuance.

a. Agency subpoenas. An agency subpoena shall be issued to a party on request. Such a request must be in writing. In the absence of good cause for permitting later action, a request for a subpoena must be received at least three days before the scheduled hearing. The request shall include the name, address, and telephone number of the requesting party.

b. Service of subpoenas. Except to the extent otherwise provided by law, parties are responsible for service of their own subpoenas and payment of witness fees and mileage expenses.

10.15(2) Motion to quash or modify. The presiding officer may quash or modify a subpoena for any lawful reason upon motion in accordance with the Iowa Rules of Civil Procedure. A motion to quash or modify a subpoena shall be set for argument promptly.

185—10.16(17A) Motions.

10.16(1) Rehearing motions. No technical form for motions is required. However, prehearing motions must be in writing, state the grounds for relief, and state the relief sought.

10.16(2) Written responses. Any party may file a written response to a motion within ten days after the motion is served, unless the time period is extended or shortened by rules of the division or the presiding officer. The presiding officer may consider a failure to respond within the required time period in ruling on a motion.

10.16(3) Oral argument. The presiding officer may schedule oral argument on any motion.

10.16(4) Service. Motions pertaining to the hearing, except motions for summary judgment, must be filed and served at least ten days prior to the date of hearing unless there is good cause for permitting later action or the time for such action is lengthened or shortened by rule of the division or an order of the presiding officer.

10.16(5) Motions for summary judgment. Motions for summary judgment shall comply with the requirements of Iowa Rule of Civil Procedure 237 and shall be subject to disposition according to the requirements of that rule to the extent such requirements are not inconsistent with the provisions of this rule or any other provision of law governing the procedure in contested cases.

Motions for summary judgment must be filed and served at least 45 days prior to the scheduled hearing date, or other time period determined by the presiding officer. Any party resisting the motion shall file and serve a resistance within 15 days, unless otherwise ordered by the presiding officer, from the date a copy of the motion was served. The time fixed for hearing or nonoral submission shall be not less than 20 days after the filing of the motion, unless a shorter time is ordered by the presiding officer. A summary judgment order rendered on all issues in a contested case is subject to rehearing pursuant to rule 10.28(17A) and appeal pursuant to rule 10.27(17A).

185—10.17(17A) Continuances. Unless otherwise provided, applications for continuances shall be made to the presiding officer.

10.17(1) Application for continuance. A written application for a continuance shall:

a. Be made at the earliest possible time and no less than three days before the hearing except for a good cause showing;

b. State the specific reasons for the request; and

c. Be signed by the requesting party or the party's representative.

An oral application for a continuance may be made if the presiding officer waives the requirement for a written motion. However, a party making such an oral application for a continuance must confirm that request by written application within five days after the oral request unless that requirement is waived by the presiding officer. No application for continuance shall be made or granted without notice to all parties except in an emergency where notice is not feasible. The agency may waive notice of such requests for a particular case or an entire class of cases.

10.17(2) Issuing of continuance. In determining whether to grant a continuance, the presiding officer may consider:

a. Prior continuances;

b. The interests of all parties;

- c. The likelihood of informal settlement;
- d. The existence of an emergency;
- e. Any objection;
- f. Any applicable time requirements;
- g. The existence of a conflict in the schedules of counsel, parties, or witnesses;
- h. The timeliness of the request; and
- i. Other relevant factors.

The presiding officer may require documentation of any grounds for continuance. Notwithstanding the foregoing, each party shall be entitled to one continuance without the need of a good cause showing.

185—10.18(17A) Withdrawals. A party requesting a contested case proceeding may withdraw that request prior to the hearing without prejudice.

185—10.19(17A) Intervention.

10.19(1) Motion. A motion for leave to intervene in a contested case proceeding shall state the grounds for the proposed intervention, as well as the position and interest of the proposed intervenor. A proposed answer or petition in intervention shall be attached to the motion. Any party may file a response within 14 days of service of the motion to intervene unless the time period is extended or shortened by the presiding officer.

10.19(2) When filed. Motion for leave to intervene shall be filed as early in the proceeding as possible to avoid adverse impact on existing parties or the conduct of the proceeding. Unless otherwise ordered, a motion for leave to intervene shall be filed before the prehearing conference, if any, or at least 20 days before the date scheduled for hearing. Any later motion must contain a statement of good cause for the failure to file in a timely manner. Unless inequitable or unjust, an intervenor shall be bound by any agreement, arrangement, or other matter previously raised in the case. Requests by untimely intervenors for continuances which would delay the proceeding will ordinarily be denied.

10.19(3) Grounds for intervention. The movant shall demonstrate that: (a) intervention would not unduly prolong the proceedings or otherwise prejudice the rights of existing parties; (b) the movant is likely to be aggrieved or adversely affected by a final order in the proceeding; and (c) the interests of the movant are not adequately represented by existing parties.

10.19(4) Effect of intervention. If appropriate, the presiding officer may order consolidation of the petitions and briefs of different parties whose interests are aligned with each other and limit the number of representatives allowed to participate actively in the proceedings. A person granted leave to intervene is a party to the proceeding. The order granting intervention may restrict the issues that may be raised by the intervenor or otherwise condition the intervenor's participation in the proceeding.

185—10.20(17A) Hearing procedures.

10.20(1) Role of presiding officer. The presiding officer presides at the hearing, and may rule on motions, require briefs, issue a proposed decision, and issue such orders and rulings as will ensure the orderly conduct of the proceedings.

10.20(2) Objections. All objections shall be timely made and stated on the record.

10.20(3) Representative of parties. Parties have the right to participate or to be represented in all hearings related to their case. Partnerships, corporations, or associations may be represented by any member, officer, director, or duly authorized agent. Any party may be represented by an attorney or another person authorized by law.

10.20(4) Role of parties. Subject to terms and conditions prescribed by the presiding officer, parties have the right to introduce evidence on issues of material fact, cross-examine witnesses present at the hearing as necessary for a full and true disclosure of the facts, present evidence in rebuttal, and submit briefs and engage in oral argument.

10.20(5) Decorum of hearing. The presiding officer shall maintain the decorum of the hearing and may refuse to admit or may expel anyone whose conduct is disorderly.

10.20(6) Sequestering of witnesses. Witnesses may be sequestered during the hearing.

10.20(7) Conduct of hearing. The presiding officer shall conduct the hearing in the following manner:

- a. The presiding officer shall give an opening statement briefly describing the nature of the proceedings;
- b. The parties shall be given an opportunity to present opening statements;
- c. Parties shall present their cases in the sequence determined by the presiding officer;
- d. Each witness shall be sworn or affirmed by the presiding officer or the court reporter, and be subject to examination and cross-examination. The presiding officer may limit questioning in a manner consistent with law;
- e. When all parties and witnesses have been heard, parties may be given the opportunity to present final arguments.

185—10.21(17A) Evidence.

10.21(1) Admissibility. The presiding officer shall rule on admissibility of evidence and may, where appropriate, take official notice of facts in accordance with all applicable requirements of law.

10.21(2) Stipulation of facts. Stipulation of facts is encouraged. The presiding officer may make a decision based on stipulated facts.

10.21(3) Scope of evidence. Evidence in the proceeding shall be confined to the issues as to which the parties received notice prior to the hearing unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. If the presiding officer decides to admit evidence on issues outside the scope of the notice over the objection of a party who did not have actual notice of those issues, that party, upon timely request, shall receive a continuance sufficient to amend pleadings and to prepare on the additional issue.

10.21(4) Admission and examination. The party seeking admission of an exhibit must provide opposing parties with an opportunity to examine the exhibit prior to the ruling on its admissibility. Copies of documents should normally be provided to opposing parties.

All exhibits admitted into evidence shall be appropriately marked and be made part of the record.

10.21(5) Objection. Any party may object to specific evidence or may request limits on the scope of any examination or cross-examination. Such an objection shall be accompanied by a brief statement of the grounds upon which it is based. The objection, the ruling on the objection, and the reasons for the ruling shall be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve a ruling until the written decision.

10.21(6) Offer of service. Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony shall briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.

185—10.22(17A) Default.

10.22(1) Default. If a party fails to appear or participate in a contested case proceeding after proper service of notice, the presiding officer may, if no adjournment is granted, enter a default decision or proceed with the hearing and render a decision in the absence of the party.

10.22(2) Motion for default. Where appropriate and not contrary to law, any party may move for default against a party who has requested the contested case proceeding and has failed to file a required pleading or has failed to appear after proper service.

10.22(3) Motion to vacate. Default decisions or decisions rendered on the merits after a party has failed to appear or participate in a contested case proceeding become final agency action unless, within 15 days after the date of notification or mailing of the decision, a motion to vacate is filed and served on all parties or an appeal of a decision on the merits is timely initiated within the time provided by rule 10.27(17A). A motion to vacate must state all facts relied upon by the moving party which establish that good cause existed for that party's failure to appear or participate at the contested case proceeding. Each

fact so stated must be substantiated by at least one sworn affidavit of a person with personal knowledge of each such fact, which affidavit(s) must be attached to the motion.

10.22(4) Appeal. The time for further appeal of a decision for which a timely motion to vacate has been filed is stayed pending a decision on the motion to vacate.

10.22(5) Good cause showing. Properly substantiated and timely filed motions to vacate shall be granted only for good cause shown. The burden of proof as to good cause is on the moving party. Adverse parties shall have ten days to respond to a motion to vacate. Adverse parties shall be allowed to conduct discovery as to the issue of good cause and to present evidence on the issue prior to a decision on the motion, if a request to do so is included in that party's response.

10.22(6) Good cause defined. "Good cause" for purposes of this rule shall have the same meaning as "good cause" for setting aside a default judgment under Iowa Rule of Civil Procedure 236.

10.22(7) Interlocutory appeal. A decision denying a motion to vacate is subject to further appeal within the time limit allowed for further appeal of a decision on the merits in the contested case proceeding. A decision granting a motion to vacate is subject to interlocutory appeal by the adverse party pursuant to rule 10.25(17A).

10.22(8) Resumption of hearing. If a motion to vacate is granted and no timely interlocutory appeal has been taken, the presiding officer shall issue another notice of hearing and the contested case shall proceed accordingly.

10.22(9) Relief. A default decision may award any relief consistent with the request for relief made in the petition and embraced in its issues.

10.22(10) Effect of decision. A default decision may provide either that the default decision is to be stayed pending a timely motion to vacate or that the default decision is to take effect immediately, subject to a request for stay under rule 10.29(17A).

185—10.23(17A) Ex parte communication.

10.23(1) Prohibited communications. Unless required for the disposition of ex parte matters specifically authorized by statute, following issuance of the notice of hearing, there shall be no communication, directly or indirectly, between the presiding officer and any party or representative of any party or any other person with a direct or indirect interest in such case in connection with any issue of fact or law in the case except upon notice and opportunity for all parties to participate. This does not prohibit persons jointly assigned such tasks from communicating with each other. Nothing in this provision is intended to preclude the presiding officer from communicating with members of the division or seeking the advice or help of persons other than those with a personal interest in, or those engaged in personally investigating as defined in subrule 10.10(2), prosecuting, or advocating in, either the case under consideration or a pending factually related case involving the same parties as long as those persons do not directly or indirectly communicate to the presiding officer any ex parte communications they have received of a type that the presiding officer would be prohibited from receiving or that furnish, augment, diminish, or modify the evidence in the record.

10.23(2) Length of prohibitions. Prohibitions on ex parte communications commence with the issuance of the notice of hearing in a contested case and continue for as long as the case is pending.

10.23(3) Forms of ex parte communication. Written, oral or other forms of communication are "ex parte" if made without notice and opportunity for all parties to participate.

10.23(4) Notice. To avoid prohibited ex parte communications, notice must be given in a manner reasonably calculated to give all parties a fair opportunity to participate. Notice of written communications shall be provided in compliance with rule 10.13(17A) and may be supplemented by telephone, facsimile, electronic mail or other means of notification. Where permitted, oral communications may be initiated through conference telephone call including all parties or their representatives.

10.23(5) Communication between presiding officers. Persons who jointly act as presiding officer in a pending contested case may communicate with each other without notice or opportunity for parties to participate.

10.23(6) *Deliberations.* The administrator or other persons may be present in deliberations or otherwise advise the presiding officer without notice or opportunity for parties to participate as long as they are not disqualified from participating in the making of a proposed or final decision under any provision of law and they comply with subrule 10.23(1).

10.23(7) *Scheduling or procedural matters.* Communications with the presiding officer involving uncontested scheduling or procedural matters do not require notice or opportunity for parties to participate. Parties should notify other parties prior to initiating such contact with the presiding officer when feasible, and shall notify other parties when seeking to continue hearings or other deadlines pursuant to rule 10.17(17A).

10.23(8) *Disqualification of presiding officer.* A presiding officer who receives a prohibited ex parte communication during the pendency of a contested case must initially determine if the effect of the communication is so prejudicial that the presiding officer should be disqualified. If the presiding officer determines that disqualification is warranted, a copy of any prohibited written communication, all written responses to the communication, a written summary stating the substance of any prohibited oral or other communication not available in written form for disclosure, all responses made, and the identity of each person from whom the presiding officer received a prohibited ex parte communication shall be submitted for inclusion in the record under seal by protective order. If the presiding officer determines that disqualification is not warranted, such documents shall be submitted for inclusion in the record and served on all parties. Any party desiring to rebut the prohibited communication must be allowed the opportunity to do so upon written request filed within ten days after notice of the communication.

10.23(9) *Disclosure of prohibited communications.* Promptly after being assigned to serve as presiding officer at any stage in a contested case proceeding, a presiding officer shall disclose to all parties material factual information received through ex parte communication prior to such assignment unless the factual information has already been or shortly will be disclosed pursuant to Iowa Code section 17A.13(2) or through discovery. Factual information contained in an investigative report or similar document need not be separately disclosed by the presiding officer as long as such documents have been or will shortly be provided to the parties.

10.23(10) *Sanctions.* The presiding officer may render a proposed or final decision imposing appropriate sanctions for violations of this rule including default, a decision against the offending party, censure, or suspension or revocation of the privilege to practice before the division. Violation of ex parte communication prohibitions by division personnel shall be reported to the administrator or the administrator's designee for possible sanctions including censure, suspension, dismissal, or other disciplinary action.

185—10.24(17A) *Recording costs.* Upon request, the division shall provide a copy of the whole or any portion of the record at cost. The cost of preparing a copy of the record or of transcribing the hearing record shall be paid by the requesting party.

Parties who request that a hearing be recorded by certified shorthand reporters rather than by electronic means shall bear the cost of that recordation, unless otherwise provided by law.

185—10.25(17A) *Interlocutory appeals.* Upon written request of a party or on the administrator's own motion, the administrator may review an interlocutory order of the presiding officer. In determining whether to do so, the administrator shall weigh the extent to which its granting the interlocutory appeal would expedite final resolution of the case and the extent to which review of that interlocutory order by the agency at the time it reviews the proposed decision of the presiding officer would provide an adequate remedy. Any request for interlocutory review must be filed within 14 days of issuance of the challenged order, but no later than the time for compliance with the order or the date of hearing, whichever is first.

185—10.26(17A) *Final decision.*

10.26(1) *Administrator's final decision.* When the administrator presides over the reception of evidence at the hearing, the administrator's decision is a final decision.

10.26(2) Proposed decision. When the administrator does not preside at the reception of evidence, the presiding officer shall make a proposed decision. The proposed decision becomes the final decision of the agency without further proceedings unless there is an appeal to, or review on motion of, the administrator within the time provided in rule 10.27(17A).

185—10.27(17A) Appeals and review.

10.27(1) Appeal by party. Any adversely affected party may appeal a proposed decision to the administrator within 30 days after issuance of the proposed decision.

10.27(2) Review. The administrator may initiate review of a proposed decision on the administrator's own motion at any time within 30 days following the issuance of such a decision.

10.27(3) Notice of appeal. An appeal of a proposed decision is initiated by filing a timely notice of appeal with the division. The notice of appeal must be signed by the appealing party or a representative of that party and contain a certificate of service. The notice shall specify:

- a. The parties initiating the appeal;
- b. The proposed decision or order appealed from;
- c. The specific findings or conclusions to which exception is taken and any other exceptions to the decision or order;
- d. The relief sought;
- e. The grounds for relief.

10.27(4) Requests to present additional evidence. A party may request the taking of additional evidence only by establishing that the evidence is material, that good cause existed for the failure to present the evidence at the hearing, and that the party has not waived the right to present the evidence. A written request to present additional evidence must be filed with the notice of appeal or, by a nonappealing party, within 14 days of service of the notice of appeal. The administrator may remand a case to the presiding officer for further hearing or the administrator may preside at the taking of additional evidence.

10.27(5) Scheduling. The administrator shall issue a schedule for consideration of the appeal.

10.27(6) Briefs and arguments. Unless otherwise ordered, within 30 days of the notice of appeal or order for review, each appealing party may file exceptions and briefs. Within 30 days thereafter, any party may file a responsive brief. Briefs shall cite any applicable legal authority and specify relevant portions of the record in that proceeding. Written requests to present oral argument shall be filed with the briefs. The administrator may resolve the appeal on the briefs or provide an opportunity for oral argument. The administrator may shorten or extend the briefing period as appropriate.

185—10.28(17A) Applications for rehearing.

10.28(1) By whom filed. Any party to a contested case proceeding may file an application for rehearing from a final order.

10.28(2) Content of application. The application for rehearing shall state on whose behalf it is filed, the specific grounds for rehearing, and the relief sought. In addition, the application shall state whether the applicant desires reconsideration of all or part of the agency decision on the existing record and whether, on the basis of the grounds enumerated in subrule 10.27(4), the applicant requests an opportunity to submit additional evidence.

10.28(3) Time of filing. The application shall be filed with the division within 20 days after issuance of the final decision.

10.28(4) Notice to other parties. A copy of the application shall be timely mailed by the applicant to all parties of record not joining therein. If the application does not contain a certificate of service, the division shall serve copies on all parties.

10.28(5) Disposition. Any application for a rehearing shall be deemed denied unless the agency grants the application within 20 days after its filing.

185—10.29(17A) Stays of agency actions.

10.29(1) When available.

a. Agency appeal. Any party to a contested case proceeding may petition the division for a stay of an order issued in that proceeding or for other temporary remedies, pending review by the division. The petition shall be filed with the notice of appeal and shall state the reasons justifying a stay or other temporary remedy. The administrator may rule on the stay or authorize the presiding officer to do so.

b. Stay or temporary remedy. Any party to a contested case proceeding may petition the division for a stay or other temporary remedies pending judicial review of all or part of that proceeding. The petition shall state the reasons justifying a stay or other temporary remedy.

10.29(2) *When granted.* In determining whether to grant a stay, the administrator shall consider the factors listed in 1998 Iowa Acts, chapter 1202, section 23(5c).

10.29(3) *Vacation.* A stay may be vacated by the issuing authority upon application of the division or any other party.

185—10.30(17A) No factual dispute contested cases. If the parties agree that no dispute of material fact exists as to a matter that would be a contested case if such a dispute of fact existed, the parties may present all relevant admissible evidence either by stipulation or otherwise as agreed by the parties, without necessity of an evidentiary hearing. If such agreement is reached, a jointly submitted schedule detailing the method and timetable for submission of the record, briefs and oral argument should be submitted to the presiding officer for approval as soon as practicable. If the parties cannot agree, any party may file and serve a motion for summary judgment pursuant to the rules governing such motions.

185—10.31(17A) Emergency adjudicative proceedings.

10.31(1) *Necessary emergency action.* To the extent necessary to prevent or avoid immediate danger to the public health, safety, or welfare and, consistent with the Constitution and other provisions of law, the agency may issue a written order in compliance with Iowa Code section 17A.18 to suspend a license in whole or in part, order the cessation of any continuing activity, order affirmative action, or take other action within the jurisdiction of the agency by emergency adjudicative order. Before issuing an emergency adjudicative order the agency shall consider factors including, but not limited to, the following:

a. Whether there has been a sufficient factual investigation to ensure that the agency is proceeding on the basis of reliable information;

b. Whether the specific circumstances which pose immediate danger to the public health, safety or welfare have been identified and determined to be continuing;

c. Whether the person required to comply with the emergency adjudicative order may continue to engage in other activities without posing immediate danger to the public health, safety or welfare;

d. Whether imposition of monitoring requirements or other interim safeguards would be sufficient to protect the public health, safety or welfare; and

e. Whether the specific action contemplated by the division is necessary to avoid the immediate danger.

10.31(2) *Issuance of order.*

a. Contents. An emergency adjudicative order shall contain findings of fact, conclusions of law, and policy reasons to justify the determination of an immediate danger in the division's decision to take immediate action.

b. Service. The written emergency adjudicative order shall be immediately delivered to persons who are required to comply with the order by utilizing one or more of the following procedures:

(1) Personal delivery;

(2) Certified mail, return receipt requested, to the last address on file with the agency;

(3) Certified mail to the last address on file with the agency;

(4) First-class mail to the last address on file with the agency; or

(5) Fax. Fax may be used as the sole method of delivery if the person required to comply with the order has filed a written request that agency orders be sent by fax and has provided a fax number for that purpose.

c. Delivery. To the degree practicable, the agency shall select the procedure for providing written notice that best ensures prompt, reliable delivery.

10.31(3) Oral notice. Unless the written emergency adjudicative order is provided by personal delivery on the same day that the order issues, the agency shall make reasonable immediate efforts to contact by telephone the persons who are required to comply with the order.

10.31(4) Completion of proceedings. After the issuance of an emergency adjudicative order, the agency shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

These rules are intended to implement Iowa Code chapter 17A as amended by 1998 Iowa Acts, chapter 1202.

Records of bailment shipments may contain personally identifiable information on Class "E" liquor control licensees, and to the extent that such record contains information on purchases of liquor by individual Class "E" liquor control licensees, the record is confidential. These records are collected and maintained pursuant to Iowa Code section 123.30. Records of bailment shipments are stored in extant form and in automated data processing systems. 18.14(8) *Inspections and audits of licensees' books and records.* Inspections and audits of licensees' books and records contain personally identifiable information relating to the operation of licensed establishments and beer and wine wholesalers' operations. These records are collected and maintained pursuant to Iowa Code sections 123.33, 123.138, and 123.185. These records are stored in extant form, and the manner of storage does not permit comparison with automated data processing systems. The information is public information, except to the extent that the records concerning purchases of liquor made by Class "E" liquor control licensees from the agency are confidential. CHAPTER 19
WAIVERS FROM RULES

185—19.1(17A) Scope. This chapter outlines a uniform process for the granting of waivers or variances from rules adopted by the division. The intent of this chapter is to allow persons to seek exception to the application of rules adopted by the division.

19.1(1) Definition. For purposes of this chapter, a “waiver or variance” means an action by the division that suspends in whole or in part the requirements or provisions of a rule as applied to an identified person on the basis of the particular circumstances of that person. For simplicity, the term “waiver” shall include both a “waiver” and a “variance.”

19.1(2) Authority.

a. A waiver from rules adopted by the division may be granted in accordance with this chapter if:

- (1) The division has the authority to promulgate the rule from which the waiver is requested or has final decision-making authority over a contested case in which a waiver is requested; and

- (2) No statute or rule otherwise controls the granting of a waiver from the rule from which the waiver is requested.

b. No waiver may be granted from a requirement that is imposed by statute. All waivers must be consistent with statute.

185—19.2(17A) Division discretion. The decision on whether the circumstances justify the granting of a waiver shall be made at the discretion of the division upon consideration of all relevant factors. A waiver, if granted, shall provide the narrowest exception possible to the provisions of a rule.

19.2(1) Criteria. The division may, in response to a completed petition, grant a waiver from a rule, in whole or in part, as applied to the circumstances of a specific situation if the division finds each of the following:

a. Application of the rule would result in hardship or injustice to the person for whom the waiver is requested;

b. Waiver from the rule on the basis of the particular circumstances would not prejudice the substantial legal rights of any person;

c. Provisions of the rule subject to the request for a waiver are not specifically mandated by statute or another provision of law; and

d. Where applicable, substantially equal protection of public health, safety, and welfare will be afforded by a means other than that prescribed in the particular rule for which the waiver is requested.

19.2(2) Determination. In determining whether a waiver should be granted, the division shall consider whether the underlying intent of the rule is substantially equivalent to full compliance with the rule. When the rule from which a waiver is sought establishes administrative deadlines, the division shall balance the special individual circumstances of the requester with the overall goal of uniform treatment of all licensees and other petitioners.

185—19.3(17A) Requester’s responsibilities.

19.3(1) Application. All petitions for a waiver must be submitted in writing to the Alcoholic Beverages Division, 1918 SE Hulsizer Road, Ankeny, Iowa 50021. If the petition relates to a pending case, a copy of the petition shall also be filed in the contested case proceeding.

19.3(2) Content of petition. A petition for waiver shall include the following information where applicable and known to the requester:

a. Name, address, and telephone number of the entity or person for whom a waiver is being requested, and the case number of any related contested case.

b. Description and citation of the specific rule from which a waiver is requested.

c. Specific waiver requested, including the precise scope and duration.

d. Relevant facts that the petitioner believes would justify a waiver. This statement shall include a signed statement from the petitioner attesting to the accuracy of the facts provided in the petition, and a statement of reasons that the petitioner believes will justify a waiver.

e. History of any prior contacts between the division and the petitioner relating to the regulated activity or license affected by the proposed waiver, including a description of each affected license held by the requester, any notices of violation, contested case hearings, or investigative reports relating to the regulated activity or license within the last five years.

f. Information known to the requester regarding the division's treatment of similar cases.

g. Name, address, and telephone number of any public agency or political subdivision which also regulates the activity in question, or which might be affected by the granting of a waiver.

h. Name, address, and telephone number of any person or entity that would be adversely affected by the granting of a petition.

i. Name, address, and telephone number of any person with knowledge of the relevant facts relating to the proposed waiver.

j. Signed releases of information authorizing persons with knowledge regarding the request to furnish the division with information relevant to the waiver.

19.3(3) *Burden of persuasion.* When a petition is filed for a waiver from a division rule, the burden of persuasion shall be on the petitioner to demonstrate by clear and convincing evidence that the division should exercise its discretion in the granting of the waiver.

[ARC 0273C, IAB 8/8/12, effective 9/12/12]

185—19.4(17A) Notice. The division shall acknowledge a petition upon receipt. The division shall ensure that, within 30 days of the receipt of the petition, notice of the pendency of the petition and a concise summary of its contents have been provided to all persons to whom notice is required by any provision of law. In addition, the division may give notice to other persons. To accomplish this notice provision, the division may require the petitioner to serve the notice on all persons to whom notice is required by any provision of law and provide a written statement to the division attesting that notice has been provided.

185—19.5(17A) Division's responsibilities.

19.5(1) *Additional information.* Prior to issuing an order granting or denying a waiver, the division may request additional information from the petitioner relative to the petition and surrounding circumstances. If the petition was not filed in a contested case, the division may, on its own motion or at the petitioner's request, schedule a telephonic or in-person meeting between the petitioner and the division.

19.5(2) *Hearing procedures.* The provisions of Iowa Code sections 17A.10 to 17A.18A regarding contested case hearings shall apply in the following situations:

- a.* To any petition for a waiver filed within a contested case;
- b.* When the division so provides by rule or order; or
- c.* When a statute so requires.

19.5(3) *Ruling.* An order granting or denying a waiver shall be in writing and shall contain a reference to the particular person and rule or portion thereof to which the order pertains, a statement of the relevant facts and reasons upon which the action is based, and a description of the precise scope and duration of the waiver if one is issued.

19.5(4) *Conditions.* The division shall condition the granting of the waiver on such reasonable conditions as appropriate to achieve the objectives of the particular rule in question through alternative means.

19.5(5) *Duration of waiver.* A waiver shall not be permanent unless the petitioner can show that a temporary waiver would be impracticable. If a temporary waiver is granted, there is no automatic right to renewal. At the sole discretion of the division, a waiver may be renewed if the division finds that grounds for a waiver continue to exist.

19.5(6) *Time for ruling.* The division shall grant or deny a petition for a waiver as soon as practicable but, in any event, shall do so within 120 days of its receipt, unless the petitioner agrees to a later date. However, if a petition is filed in a contested case, the division shall grant or deny the petition no later than the time at which the final decision in that contested case is issued.

19.5(7) *When deemed denied.* Failure of the division to grant or deny a petition within the required time period shall be deemed a denial of that petition by the division.

19.5(8) *Service of order.* Within seven days of its issuance, any order issued under this chapter shall be transmitted to the petitioner or the person to whom the order pertains, and to any other person entitled to such notice by any provision of law.

185—19.6(17A) Public availability. Subject to the provisions of Iowa Code section 17A.3, the division shall maintain a record of all orders granting or denying waivers under this chapter. All final rulings in response to requests for waivers shall be indexed and available to members of the public at the Alcoholic Beverages Division, 1918 SE Hulsizer Road, Ankeny, Iowa 50021. All orders granting or denying a waiver petition shall be indexed, filed, and available for public inspection as provided in Iowa Code section 17A.3. Orders containing information that the division is authorized or required to keep confidential shall be edited prior to public inspection.

185—19.7(17A) Cancellation. A waiver issued by the division pursuant to this chapter may be withdrawn, canceled, or modified if, after appropriate notice and hearing, the division issues an order finding any of the following:

1. The petitioner or the person who was the subject of the waiver request withheld or misrepresented material facts relevant to the propriety or desirability of the waiver; or
2. The alternative means for ensuring that the public health, safety, and welfare will be adequately protected after issuance of the waiver order have been demonstrated to be insufficient; or
3. The subject of the waiver order has failed to comply with all conditions contained in the order.

185—19.8(17A) Violations. Violation of a condition in a waiver order is equivalent to a violation of the rule for which the waiver is granted. The recipient of a waiver under this chapter who violates a condition of the waiver may be subject to the same remedies or penalties as a person who violates the rule at issue.

185—19.9(17A) Defense. After the division issues an order granting a waiver, the order is a defense within its terms and the specific facts indicated therein for the person to whom the order pertains in any proceeding in which the rule in question is sought to be invoked.

185—19.10(17A) Appeals. Granting or denying a request for waiver is final agency action under Iowa Code chapter 17A.
