

CHAPTER 17
PROCEDURE FOR RULE MAKING

265—17.1(17A) Applicability. Except to the extent otherwise expressly provided by statute, all rules adopted by the authority are subject to the provisions of Iowa Code chapter 17A, the Iowa administrative procedure Act, and the provisions of this chapter.

265—17.2(17A) Advice on possible rules before notice of proposed rule adoption. In addition to seeking information by other methods, the authority may, before publication of a Notice of Intended Action under Iowa Code subsection 17A.4(1) “a,” solicit comments from the public on a subject matter of possible rule making by the authority by causing notice to be published in the Iowa Administrative Bulletin of the subject matter and indicating where, when, and how persons may comment.

265—17.3(17A) Public rule-making docket.

17.3(1) Docket maintained. The authority shall maintain a current public rule-making docket.

17.3(2) Anticipated rule making. The rule-making docket shall list each anticipated rule-making proceeding. A rule-making proceeding is deemed “anticipated” from the time a draft of proposed rules is distributed for internal discussion within the authority. For each anticipated rule-making proceeding the docket shall contain a listing of the precise subject matter which may be submitted for consideration by the authority for subsequent proposal under the provisions of Iowa Code section 17A.4(1) “a,” the name and address of authority personnel with whom persons may communicate with respect to the matter, and an indication of the present status within the authority of that possible rule. The authority may also include in the docket other subjects upon which public comment is desired.

17.3(3) Pending rule-making proceedings. The rule-making docket shall list each pending rule-making proceeding. A rule-making proceeding is pending from the time it is commenced, by publication in the Iowa Administrative Bulletin of a Notice of Intended Action pursuant to Iowa Code section 17A.4(1) “a,” to the time it is terminated, by publication of a Notice of Termination in the Iowa Administrative Bulletin or the rule becoming effective. For each rule-making proceeding, the docket shall indicate:

- a. The subject matter of the proposed rule;
- b. A citation to all published notices relating to the proceeding;
- c. Where written submissions on the proposed rule may be inspected;
- d. The time during which written submissions may be made;
- e. The names of persons who have made written requests for an opportunity to make oral presentations on the proposed rule, where those requests may be inspected, and where and when oral presentations may be made;
- f. Whether a written request for the issuance of a regulatory analysis, or a concise statement of reasons, has been filed, whether such an analysis or statement or a fiscal impact statement has been issued, and where any such written request, analysis, or statement may be inspected;
- g. The current status of the proposed rule and any authority determinations with respect thereto;
- h. Any known timetable for authority decisions or other action in the proceeding;
- i. The date of the rule’s adoption;
- j. The date of the rule’s filing, indexing, and publication;
- k. The date on which the rule will become effective; and
- l. Where the rule-making record may be inspected.

265—17.4(17A) Notice of proposed rule making.

17.4(1) Contents. At least 35 days before the adoption of a rule the authority shall cause Notice of Intended Action to be published in the Iowa Administrative Bulletin. The Notice of Intended Action shall include:

- a. A brief explanation of the purpose of the proposed rule;
- b. The specific legal authority for the proposed rule;

- c. Except to the extent impracticable, the text of the proposed rule;
- d. Where, when, and how persons may present their views on the proposed rule; and
- e. Where, when, and how persons may demand an oral proceeding on the proposed rule if the notice does not already provide for one.

Where inclusion of the complete text of a proposed rule in the Notice of Intended Action is impracticable, the authority shall include in the notice a statement fully describing the specific subject matter of the omitted portion of the text of the proposed rule, the specific issues to be addressed by that omitted text of the proposed rule, and the range of possible choices being considered by the authority for the resolution of each of those issues.

17.4(2) *Incorporation by reference.* A proposed rule may incorporate other materials by reference only if it complies with all of the requirements applicable to the incorporation by reference of other materials in an adopted rule that are contained in subrule 17.12(2) of this chapter.

17.4(3) *Copies of notices.* Persons desiring to receive copies of future Notices of Intended Action by subscription must file with the authority a written request indicating the name and address to which such notices should be sent. Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the authority shall mail or electronically transmit a copy of that notice to subscribers who have filed a written request for either mailing or electronic transmittal with the authority for Notices of Intended Action. The written request shall be accompanied by payment of the subscription price which may cover the full cost of the subscription service, including its administrative overhead and the cost of copying and mailing the Notices of Intended Action for a period of six months.

265—17.5(17A) Public participation.

17.5(1) *Written comments.* For at least 20 days after publication of the Notice of Intended Action, persons may submit argument, data, and views, in writing, on the proposed rule. Such written submissions should identify the proposed rule to which they relate and should be submitted to the Executive Director, Iowa Finance Authority, 2015 Grand Avenue, Des Moines, Iowa 50312, or the person designated in the Notice of Intended Action.

17.5(2) *Oral proceedings.* The authority may, at any time, schedule an oral proceeding on a proposed rule. The authority shall schedule an oral proceeding on a proposed rule if, within 20 days after the published Notice of Intended Action, a written request for an opportunity to make oral presentations is submitted to the authority by the administrative rules review committee, a governmental subdivision, an agency, an association having not less than 25 members, or at least 25 persons. That request must also contain the following additional information:

1. A request by one or more individual persons must be signed by each of them and include the address and telephone number of each of them.
2. A request by an association must be signed by an officer or designee of the association and must contain a statement that the association has at least 25 members and the address and telephone number of the person signing that request.
3. A request by an agency or governmental subdivision must be signed by an official having authority to act on behalf of the entity and must contain the address and telephone number of the person signing that request.

17.5(3) *Conduct of oral proceedings.*

a. *Applicability.* This subrule applies only to those oral rule-making proceedings in which an opportunity to make oral presentations is authorized or required by Iowa Code section 17A.4(1) “b” as amended by 1998 Iowa Acts, chapter 1202, section 8, or this chapter.

b. *Scheduling and notice.* An oral proceeding on a proposed rule may be held in one or more locations and shall not be held earlier than 20 days after notice of its location and time is published in the Iowa Administrative Bulletin. That notice shall also identify the proposed rule by ARC number and citation to the Iowa Administrative Bulletin.

c. *Presiding officer.* The authority, a member of the authority, or another person designated by the authority who will be familiar with the substance of the proposed rule, shall preside at the oral

proceeding on a proposed rule. If the authority does not preside, the presiding officer shall prepare a memorandum for consideration by the authority summarizing the contents of the presentations made at the oral proceeding unless the authority determines that such a memorandum is unnecessary because the authority will personally listen to or read the entire transcript of the oral proceeding.

d. Conduct of proceeding. At an oral proceeding on a proposed rule, persons may make oral statements and make documentary and physical submissions, which may include data, views, comments or arguments concerning the proposed rule. Persons wishing to make oral presentations at such a proceeding are encouraged to notify the authority at least one business day prior to the proceeding and indicate the general subject of their presentations. At the proceeding, those who participate shall indicate their names and addresses, identify any persons or organizations they may represent, and provide any other information relating to their participation deemed appropriate by the presiding officer. Oral proceedings shall be open to the public and shall be recorded by stenographic or electronic means.

(1) At the beginning of the oral proceeding, the presiding officer shall give a brief synopsis of the proposed rule, a statement of the statutory authority for the proposed rule, and the reasons for the authority decision to propose the rule. The presiding officer may place time limitations on individual oral presentations when necessary to ensure the orderly and expeditious conduct of the oral proceeding. To encourage joint oral presentations and to avoid repetition, additional time may be provided for persons whose presentations represent the views of other individuals as well as their own views.

(2) Persons making oral presentations are encouraged to avoid restating matters which have already been submitted in writing.

(3) To facilitate the exchange of information, the presiding officer may, where time permits, open the floor to questions or general discussion.

(4) The presiding officer shall have the authority to take any reasonable action necessary for the orderly conduct of the meeting.

(5) Physical and documentary submissions presented by participants in the oral proceeding shall be submitted to the presiding officer. Such submissions become the property of the authority.

(6) The oral proceeding may be continued by the presiding officer to a later time without notice other than by announcement at the hearing.

(7) Participants in an oral proceeding shall not be required to take an oath or to submit to cross-examination. However, the presiding officer in an oral proceeding may question participants and permit the questioning of participants by other participants about any matter relating to that rule-making proceeding, including any prior written submissions made by those participants in that proceeding; but no participant shall be required to answer any question.

(8) The presiding officer in an oral proceeding may permit rebuttal statements and request the filing of written statements subsequent to the adjournment of the oral presentations.

17.5(4) Additional information. In addition to receiving written comments and oral presentations on a proposed rule according to the provisions of this rule, the authority may obtain information concerning a proposed rule through any other lawful means deemed appropriate under the circumstances.

17.5(5) Accessibility. The authority shall schedule oral proceedings in rooms accessible to and functional for persons with physical disabilities. Persons who have special requirements should contact the Executive Director, Iowa Finance Authority, 2015 Grand Avenue, Des Moines, Iowa 50312, telephone number (515)725-4900, in advance to arrange access or other needed services.

265—17.6(17A) Regulatory analysis.

17.6(1) Definition of small business. A “small business” is defined in 1998 Iowa Acts, chapter 1202, section 10(7).

17.6(2) Mailing list. Small businesses or organizations of small businesses may be registered on the authority’s small business impact list by making a written application addressed to the Executive Director, Iowa Finance Authority, 2015 Grand Avenue, Des Moines, Iowa 50312. The application for registration shall state:

- a. The name of the small business or organization of small businesses;
- b. Its address;

- c. The name of a person authorized to transact business for the applicant;
- d. A description of the applicant's business or organization. An organization representing 25 or more persons who qualify as a small business shall indicate that fact.
- e. Whether the registrant desires copies of Notices of Intended Action at cost, or desires advance notice of the subject of all or some specific category of proposed rule making affecting small business.

The authority may at any time request additional information from the applicant to determine whether the applicant is qualified as a small business or as an organization of 25 or more small businesses. The authority may periodically send a letter to each registered small business or organization of small businesses asking whether that business or organization wishes to remain on the registration list. The name of a small business or organization of small businesses will be removed from the list if a negative response is received, or if no response is received within 30 days after the letter is sent.

17.6(3) *Time of mailing.* Within seven days after submission of a Notice of Intended Action to the administrative rules coordinator for publication in the Iowa Administrative Bulletin, the authority shall mail to all registered small businesses or organizations of small businesses, in accordance with their request, either a copy of the Notice of Intended Action or notice of the subject of that proposed rule making. In the case of a rule that may have an impact on small business adopted in reliance upon Iowa Code section 17A.4(2), the authority shall mail notice of the adopted rule to registered businesses or organizations prior to the time the adopted rule is published in the Iowa Administrative Bulletin.

17.6(4) *Qualified requesters for regulatory analysis—economic impact.* The authority shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2a), after a proper request from:

- a. The administrative rules coordinator;
- b. The administrative rules review committee.

17.6(5) *Qualified requesters for regulatory analysis—business impact.* The authority shall issue a regulatory analysis of a proposed rule that conforms to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2b), after a proper request from:

- a. The administrative rules review committee;
- b. The administrative rules coordinator;
- c. At least 25 or more persons who sign the request provided that each represents a different small business;
- d. An organization representing at least 25 small businesses. That organization shall list the name, address and telephone number of not less than 25 small businesses it represents.

17.6(6) *Time period for analysis.* Upon receipt of a timely request for a regulatory analysis the authority shall adhere to the time lines described in 1998 Iowa Acts, chapter 1202, section 10(4).

17.6(7) *Contents of request.* A request for a regulatory analysis is made when it is mailed or delivered to the authority. The request shall be in writing and satisfy the requirements of 1998 Iowa Acts, chapter 1202, section 10(1).

17.6(8) *Contents of concise summary.* The contents of the concise summary shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(4,5).

17.6(9) *Publication of a concise summary.* The authority shall make available, to the maximum extent feasible, copies of the published summary in conformance with 1998 Iowa Acts, chapter 1202, section 10(5).

17.6(10) *Regulatory analysis contents—rules review committee or rules coordinator.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, or the administrative rules coordinator, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2a), unless a written request expressly waives one or more of the items listed in the section.

17.6(11) *Regulatory analysis contents—substantial impact on small business.* When a regulatory analysis is issued in response to a written request from the administrative rules review committee, the administrative rules coordinator, at least 25 persons signing that request who each qualify as a small business or by an organization representing at least 25 small businesses, the regulatory analysis shall conform to the requirements of 1998 Iowa Acts, chapter 1202, section 10(2b).

265—17.7(17A,25B) Fiscal impact statement.

17.7(1) A proposed rule that mandates additional combined expenditures exceeding \$100,000 by all affected political subdivisions, or agencies and entities which contract with political subdivisions to provide services must be accompanied by a fiscal impact statement outlining the costs associated with the rule. A fiscal impact statement must satisfy the requirements of Iowa Code section 25B.6.

17.7(2) If the authority determines at the time it adopts a rule that the fiscal impact statement upon which the rule is based contains errors, the authority shall, at the same time, issue a corrected fiscal impact statement and publish the corrected fiscal impact statement in the Iowa Administrative Bulletin.

265—17.8(17A) Time and manner of rule adoption.

17.8(1) *Time of adoption.* The authority shall not adopt a rule until the period for making written submissions and oral presentations has expired. Within 180 days after the later of the publication of the Notice of Intended Action, or the end of oral proceedings thereon, the authority shall adopt a rule pursuant to the rule-making proceeding or terminate the proceeding by publication of a notice to that effect in the Iowa Administrative Bulletin.

17.8(2) *Consideration of public comment.* Before the adoption of a rule, the authority shall consider fully all of the written submissions and oral submissions received in that rule-making proceeding or any memorandum summarizing such oral submissions, and any regulatory analysis, or fiscal impact statement issued in that rule-making proceeding.

17.8(3) *Reliance on authority expertise.* Except as otherwise provided by law, the authority may use its own experience, technical competence, specialized knowledge, and judgment in the adoption of a rule.

265—17.9(17A) Variance between adopted rule and published notice of proposed rule adoption.

17.9(1) The authority shall not adopt a rule that differs from the rule proposed in the Notice of Intended Action on which the rule is based unless:

- a. The differences are within the scope of the subject matter announced in the Notice of Intended Action and are in character with the issues raised in that notice; and
- b. The differences are a logical outgrowth of the contents of that Notice of Intended Action and the comments submitted in response thereto; and
- c. The Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question.

17.9(2) In determining whether the Notice of Intended Action provided fair warning that the outcome of that rule-making proceeding could be the rule in question, the authority shall consider the following factors:

- a. The extent to which persons who will be affected by the rule should have understood that the rule-making proceeding on which it is based could affect their interests;
- b. The extent to which the subject matter of the rule or the issues determined by the rule are different from the subject matter or issues contained in the Notice of Intended Action; and
- c. The extent to which the effects of the rule differ from the effects of the proposed rule contained in the Notice of Intended Action.

17.9(3) The authority shall commence a rule-making proceeding within 60 days of its receipt of a petition for rule making seeking the amendment or repeal of a rule that differs from the proposed rule contained in the Notice of Intended Action upon which the rule is based, unless the authority finds that the differences between the adopted rule and the proposed rule are so insubstantial as to make such a rule-making proceeding wholly unnecessary. A copy of any such finding and the petition to which it responds shall be sent to petitioner, the administrative rules coordinator, and the administrative rules review committee, within 3 days of its issuance.

17.9(4) Concurrent rule-making proceedings. Nothing in this rule disturbs the discretion of the authority to initiate, concurrently, several different rule-making proceedings on the same subject with several different published Notices of Intended Action.

265—17.10(17A) Exemptions from public rule-making procedures.

17.10(1) *Omission of notice and comment.* To the extent the authority for good cause finds that public notice and participation are unnecessary, impracticable, or contrary to the public interest in the process of adopting a particular rule, the authority may adopt that rule without publishing advance Notice of Intended Action in the Iowa Administrative Bulletin and without providing for written or oral public submissions prior to its adoption. The authority shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

17.10(2) *Categories exempt.* The following narrowly tailored categories of rules are exempted from the usual public notice and participation requirements because those requirements are unnecessary, impracticable, or contrary to the public interest with respect to each and every member of the defined class:

- a. Emergency housing assistance in the event of a disaster.
- b. Conduit financing to aid victims of a disaster.

17.10(3) *Public proceedings on rules adopted without them.* The authority may, at any time, commence a standard rule-making proceeding for the adoption of a rule that is identical or similar to a rule it adopts in reliance upon subrule 17.10(1). Upon written petition by a governmental subdivision, the administrative rules review committee, the administrative rules coordinator, an association having not less than 25 members, or at least 25 persons, the authority shall commence a standard rule-making proceeding for any rule specified in the petition that was adopted in reliance upon subrule 17.10(1). Such a petition must be filed within one year of the publication of the specified rule in the Iowa Administrative Bulletin as an adopted rule. The rule-making proceeding on that rule must be commenced within 60 days of the receipt of such a petition. After a standard rule-making proceeding commenced pursuant to this subrule, the authority may either readopt the rule it adopted without benefit of all usual procedures on the basis of subrule 17.10(1), or may take any other lawful action, including the amendment or repeal of the rule in question, with whatever further proceedings are appropriate.

265—17.11(17A) Concise statement of reasons.

17.11(1) *General.* When requested by a person, either prior to the adoption of a rule or within 30 days after its publication in the Iowa Administrative Bulletin as an adopted rule, the authority shall issue a concise statement of reasons for the rule. Requests for such a statement must be in writing and be delivered to the Executive Director, Iowa Finance Authority, 2015 Grand Avenue, Des Moines, Iowa 50312. The request should indicate whether the statement is sought for all or only a specified part of the rule. Requests will be considered made on the date received.

17.11(2) *Contents.* The concise statement of reasons shall contain:

- a. The reasons for adopting the rule;
- b. An indication of any change between the text of the proposed rule contained in the published Notice of Intended Action and the text of the rule as finally adopted, with the reasons for any such change;
- c. The principal reasons urged in the rule-making proceeding for and against the rule, and the authority's reasons for overruling the arguments made against the rule.

17.11(3) *Time of issuance.* After a proper request, the authority shall issue a concise statement of reasons by the later of the time the rule is adopted or 35 days after receipt of the request.

265—17.12(17A) Contents, style, and form of rule.

17.12(1) *Contents.* Each rule adopted by the authority shall contain the text of the rule and, in addition:

- a. The date the authority adopted the rule;
- b. A brief explanation of the principal reasons for the rule-making action if such reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or if the authority in its discretion decides to include such reasons;
- c. A reference to all rules repealed, amended, or suspended by the rule;
- d. A reference to the specific statutory or other authority authorizing adoption of the rule;

e. Any findings required by any provision of law as a prerequisite to adoption or effectiveness of the rule;

f. A brief explanation of the principal reasons for the failure to provide for waivers to the rule if no waiver provision is included and a brief explanation of any waiver or special exceptions provided in the rule if such reasons are required by 1998 Iowa Acts, chapter 1202, section 8, or the authority in its discretion decides to include such reasons; and

g. The effective date of the rule.

17.12(2) *Incorporation by reference.* The authority may incorporate by reference in a proposed or adopted rule, and without causing publication of the incorporated matter in full, all or any part of a code, standard, rule, or other matter if the authority finds that the incorporation of its text in the authority proposed or adopted rule would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in the authority proposed or adopted rule shall fully and precisely identify the incorporated matter by location, title, citation, date, and edition, if any; shall briefly indicate the precise subject and the general contents of the incorporated matter; and shall state that the proposed or adopted rule does not include any later amendments or editions of the incorporated matter. The authority may incorporate such matter by reference in a proposed or adopted rule only if the authority makes copies of it readily available to the public. The rule shall state how and where copies of the incorporated matter may be obtained at cost from this authority, and how and where copies may be obtained from the agency of the United States, this state, another state, or the organization, association, or persons, originally issuing that matter. The authority shall retain permanently a copy of any materials incorporated by reference in a rule of the authority.

If the authority adopts standards by reference to another publication, it shall provide a copy of the publication containing the standards to the administrative rules coordinator for deposit in the state law library and may make the standards available electronically.

17.12(3) *References to materials not published in full.* When the administrative code editor decides to omit the full text of a proposed or adopted rule because publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient, the authority shall prepare and submit to the administrative code editor for inclusion in the Iowa Administrative Bulletin and Iowa Administrative Code a summary statement describing the specific subject matter of the omitted material. This summary statement shall include the title and a brief description sufficient to inform the public of the specific nature and subject matter of the proposed or adopted rules, and of significant issues involved in these rules. The summary statement shall also describe how a copy of the full text of the proposed or adopted rule, including any unpublished matter and any matter incorporated by reference, may be obtained from the authority. The authority will provide a copy of that full text at actual cost upon request and shall make copies of the full text available for review at the state law library and may make the standards available electronically.

At the request of the administrative code editor, the authority shall provide a proposed statement explaining why publication of the full text would be unduly cumbersome, expensive, or otherwise inexpedient.

17.12(4) *Style and form.* In preparing its rules, the authority shall follow the uniform numbering system, form, and style prescribed by the administrative rules coordinator.

265—17.13(17A) Authority rule-making record.

17.13(1) *Requirement.* The authority shall maintain an official rule-making record for each rule it proposes by publication in the Iowa Administrative Bulletin of a Notice of Intended Action, or adopts. The rule-making record and materials incorporated by reference must be available for public inspection.

17.13(2) *Contents.* The authority rule-making record shall contain:

a. Copies of all publications in the Iowa Administrative Bulletin with respect to the rule or the proceeding upon which the rule is based and any file-stamped copies of authority submissions to the administrative rules coordinator concerning that rule or the proceeding upon which it is based;

b. Copies of any portions of the authority's public rule-making docket containing entries relating to the rule or the proceeding upon which the rule is based;

c. All written petitions, requests, and submissions received by the authority, and all other written materials of a factual nature as distinguished from opinion that are relevant to the merits of the rule and that were created or compiled by the authority and considered by the authority, in connection with the formulation, proposal, or adoption of the rule or the proceeding upon which the rule is based, except to the extent the authority is authorized by law to keep them confidential; provided, however, that when any such materials are deleted because they are authorized by law to be kept confidential, the authority shall identify in the record the particular materials deleted and state the reasons for that deletion;

d. Any official transcript of oral presentations made in the proceeding upon which the rule is based or, if not transcribed, the stenographic record or electronic recording of those presentations, and any memorandum prepared by a presiding officer summarizing the contents of those presentations;

e. A copy of any regulatory analysis or fiscal impact statement prepared for the proceeding upon which the rule is based;

f. A copy of the rule and any concise statement of reasons prepared for that rule;

g. All petitions for amendment or repeal or suspension of the rule;

h. A copy of any objection to the issuance of that rule without public notice and participation that was filed pursuant to Iowa Code section 17A.4(2) by the administrative rules review committee, the governor, or the attorney general;

i. A copy of any objection to the rule filed by the administrative rules review committee, the governor, or the attorney general pursuant to Iowa Code section 17A.4(4), and any authority response to that objection;

j. A copy of any significant written criticism of the rule, including a summary of any petitions for waiver of the rule; and

k. A copy of any executive order concerning the rule.

17.13(3) *Effect of record.* Except as otherwise required by a provision of law, the authority rule-making record required by this rule need not constitute the exclusive basis for authority action on that rule.

17.13(4) *Maintenance of record.* The authority shall maintain the rule-making record for a period of not less than five years from the later of the date the rule to which it pertains became effective, the date of the Notice of Intended Action, or the date of any written criticism as described in 17.13(2) “g,” “h,” “i,” or “j.”

265—17.14(17A) *Filing of rules.* The authority shall file each rule it adopts in the office of the administrative rules coordinator. The filing must be executed as soon after adoption of the rule as is practicable. At the time of filing, each rule must have attached to it any fiscal impact statement and any concise statement of reasons that was issued with respect to that rule. If a fiscal impact statement or statement of reasons for that rule was not issued until a time subsequent to the filing of that rule, the note or statement must be attached to the filed rule within five working days after the note or statement is issued. In filing a rule, the authority shall use the standard form prescribed by the administrative rules coordinator.

265—17.15(17A) *Effectiveness of rules prior to publication.*

17.15(1) *Grounds.* The authority may make a rule effective after its filing at any stated time prior to 35 days after its indexing and publication in the Iowa Administrative Bulletin if it finds that a statute so provides, the rule confers a benefit or removes a restriction on some segment of the public, or that the effective date of the rule is necessary to avoid imminent peril to the public health, safety, or welfare. The authority shall incorporate the required finding and a brief statement of its supporting reasons in each rule adopted in reliance upon this subrule.

17.15(2) *Special notice.* When the authority makes a rule effective prior to its indexing and publication in reliance upon the provisions of Iowa Code section 17A.5(2) “b”(3), the authority shall employ all reasonable efforts to make its contents known to the persons who may be affected by that rule prior to the rule’s indexing and publication. The term “all reasonable efforts” requires the authority to employ the most effective and prompt means of notice rationally calculated to inform potentially

affected parties of the effectiveness of the rule that is justified and practical under the circumstances considering the various alternatives available for this purpose, the comparative costs to the authority of utilizing each of those alternatives, and the harm suffered by affected persons from any lack of notice concerning the contents of the rule prior to its indexing and publication. The means that may be used for providing notice of such rules prior to their indexing and publication include, but are not limited to, any one or more of the following means: radio, newspaper, television, signs, mail, telephone, personal notice or electronic means.

A rule made effective prior to its indexing and publication, in reliance upon the provisions of Iowa Code section 17A.5(2)“b”(3), shall include in that rule a statement describing the reasonable efforts that will be used to comply with the requirements of subrule 17.15(2).

265—17.16(17A) General statements of policy.

17.16(1) *Compilation, indexing, public inspection.* The authority shall maintain an official, current, and dated compilation that is indexed by subject, containing all of its general statements of policy within the scope of Iowa Code section 17A.2(10)“a,” “c,” “f,” “g,” “h,” “k.” Each addition to, change in, or deletion from the official compilation must also be dated, indexed, and a record thereof kept. Except for those portions containing rules governed by Iowa Code section 17A.2(10)“f,” or otherwise authorized by law to be kept confidential, the compilation must be made available for public inspection and copying.

17.16(2) *Enforcement of requirements.* A general statement of policy subject to the requirements of this subsection shall not be relied on by the authority to the detriment of any person who does not have actual, timely knowledge of the contents of the statement until the requirements of subrule 17.16(1) are satisfied. This provision is inapplicable to the extent necessary to avoid imminent peril to the public health, safety, or welfare.

265—17.17(17A) Review by authority of rules.

17.17(1) Any interested person, association, agency, or political subdivision may submit a written request to the administrative rules coordinator requesting the authority to conduct a formal review of a specified rule. Upon approval of that request by the administrative rules coordinator, the authority shall conduct a formal review of a specified rule to determine whether a new rule should be adopted instead or the rule should be amended or repealed. The authority may refuse to conduct a review if it has conducted such a review of the specified rule within five years prior to the filing of the written request.

17.17(2) In conducting the formal review, the authority shall prepare within a reasonable time a written report summarizing its findings, its supporting reasons, and any proposed course of action. The report must include a concise statement of the authority’s findings regarding the rule’s effectiveness in achieving its objectives, including a summary of any available supporting data.
