

CHAPTER 48
HISTORIC PRESERVATION AND CULTURAL AND
ENTERTAINMENT DISTRICT TAX CREDITS

223—48.1(303,404A) Purpose. A historic preservation and cultural and entertainment district tax credit (hereafter referred to as historic tax credit) for rehabilitation of eligible commercial property, residential property and barns located in this state is granted to approved projects, subject to availability of the credit, to apply against the income tax imposed under Iowa Code chapter 422, division II, III, or V, or Iowa Code chapter 432. Historic tax credits are restricted to rehabilitation projects for eligible properties in Iowa. Rehabilitation projects for eligible properties must be conducted in accordance with the federal Standards for Rehabilitation (36 CFR Part 67.7) as described in the U.S. Secretary of the Interior’s Standards for the Treatment of Historic Properties (hereafter referred to as Standards).

223—48.2(303,404A) Definitions. The definitions listed in Iowa Code section 17A.2 and rules 223—1.2(17A,303), 223—1.6(303), 223—13.2(303), 223—22.2(303), and 223—35.2(303) shall apply to terms as they are used throughout this chapter. In addition, the following definitions apply:

“*Applicant*” means the person, partnership, corporation, qualifying nonprofit organization, or public agency applying for the tax credit. In most cases, this will be the entity holding a fee-simple interest in the property or any other person or entity recognized by the Internal Revenue Code for purposes of the applicable tax benefits. If an application is made by someone other than the fee-simple owner, the application must be accompanied by a written statement signed by the fee-simple owner indicating the fee-simple owner does not object to the applicant claiming the tax credit.

“*Assessed value*” means the amount of the most current property tax assessment.

“*Barn*” means an agricultural building or structure, in whatever shape or design, which is used for the storage of farm products or feed or for the housing of farm animals, poultry, or farm equipment.

“*Commercial property*” means a building used for retail, office, or other uses not otherwise defined in this rule.

“*Disaster recovery project*” means an eligible property located in an area declared a disaster area by the governor of Iowa or by the president of the United States. The property must have been physically impacted as a result of the disaster.

“*Employment base*” means the number of jobs that exist at an eligible property on the date part one of the application is approved.

“*Historic tax credit(s)*” means the historic preservation and cultural and entertainment district tax credit established in Iowa Code chapter 404A.

“*Mixed-use property*” means an eligible property that includes three or more residential units and may also contain a commercial property component in the same building.

“*New permanent jobs*” means the number of new jobs that exist at an eligible property two years after the tax credit certificate is issued. New permanent jobs are calculated as those over and above the employment base.

“*Placed in service*” means the date on which a building receives a certificate of occupancy from the applicable city or county official or the date on which the building is placed in a condition or state of readiness and availability for a specifically assigned function, whether in a trade or business, in the production of income, in a tax-exempt activity, or in a personal activity.

“*Qualified rehabilitation costs*” means qualified rehabilitation expenditures under the federal rehabilitation credit in Section 47 of the Internal Revenue Code.

“*Qualifying nonprofit organization*” means an organization, other than governmental bodies, described in Section 501 of the Internal Revenue Code unless the exemption is denied under Section 501, 502, 503 or 504 of the Internal Revenue Code.

“*Reserved tax credit*” means the amount of tax credits set aside from the available tax credit fund for an approved project.

“*Residential property*” means a building with two or fewer residential units, with each unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation.

“*Standards*” means the Standards for Rehabilitation as described in the U.S. Secretary of the Interior’s Standards for the Treatment of Historic Properties.

“*Tax basis*” means the same as defined in department of revenue 701—subrule 42.15(3).

223—48.3(303,404A) Eligible properties. The following properties are eligible for the historic tax credit:

1. Property verified as listed on the National Register of Historic Places or determined eligible for such listing through the established procedures of the state historic preservation office (SHPO);
2. Property designated as a building contributing to the historic significance of a district listed on the National Register of Historic Places or contributing to the historic significance of a district determined eligible for such listing through the established procedures of the SHPO;
3. A property or district designated as a local landmark by a city or county ordinance; or
4. A barn constructed prior to 1937.

223—48.4(303,404A) Qualified and nonqualified rehabilitation costs.

48.4(1) Qualified rehabilitation costs are as defined in Section 47, rehabilitation credit, of the Internal Revenue Code.

48.4(2) Costs deducted as expenses in the tax year in which they are paid or incurred are nonqualified rehabilitation costs for determination of historic tax credits.

48.4(3) Architectural and engineering fees, site survey fees, legal fees, insurance premiums, development fees and other construction-related expenses are qualified rehabilitation costs for determination of historic tax credits to the extent they increase the tax basis of the eligible property.

48.4(4) Sidewalk, parking lot and landscaping expenses are nonqualified rehabilitation costs for determination of historic tax credits.

48.4(5) Only qualified rehabilitation costs incurred during the 24-month period immediately prior to the date the building was placed in service may be used for determination of historic tax credits, excluding any costs incurred prior to inception of this program.

a. Qualified rehabilitation costs incurred prior to approval by the SHPO of part two of the application (see rule 223—48.6(303,404A)) may be considered in the determination of historic tax credits.

b. Applicants who undertake rehabilitation projects without prior approval from the SHPO do so at their own risk.

48.4(6) Any submission of a part three of the application with qualified rehabilitation costs of more than \$500,000 shall include a certified statement by a certified public accountant verifying that the expenses statement includes only qualified rehabilitation costs incurred in the time period established in subrule 48.4(5).

[ARC 7943B, IAB 7/15/09, effective 6/16/09]

223—48.5(303,404A) Rehabilitation cost limits and amount of credit.

48.5(1) For commercial or mixed-use property, the amount of rehabilitation costs must equal at least 50 percent of the assessed value of the property, excluding the land, prior to rehabilitation.

48.5(2) For residential property or for barns, the amount of rehabilitation costs must equal at least \$25,000 or 25 percent of the assessed value of the property, excluding the land, prior to rehabilitation, whichever is less.

48.5(3) For residential or mixed-use property, the amount of rehabilitation costs shall not exceed \$100,000 per residential unit excluding any qualified rehabilitation costs for the public or commercial

space and excluding any qualified rehabilitation costs for the weather surfaces of the building envelope including exterior windows and doors.

48.5(4) The historic tax credit for a project shall equal 25 percent of the qualified rehabilitation costs.

48.5(5) Applicants may develop subsequent projects for qualified rehabilitation costs not previously included in a tax credit application for a building which had tax credits previously reserved or awarded. Each subsequent application shall meet eligibility requirements as stated in subrules 48.5(1) to 48.5(4) and shall be reviewed individually and independently.

a. Applicants who select to phase their work under the federal historic tax credit program may submit individual state applications for each phase of the federal project. Phased federal projects shall not apply for the small projects fund.

b. For applicants receiving credits through the small projects fund, the cumulative total for multiple applications for a single building shall not exceed \$500,000 in qualified rehabilitation costs. The SHPO will not accept an application for a building previously receiving credits through the small projects fund that causes the cumulative total to exceed \$500,000. The applicant may either:

(1) Apply for the cumulative total of qualified rehabilitation costs under any other fund for which the project is eligible. If the applicant receives a tax credit reservation from another fund, the applicant shall abandon the entirety of the applicant's tax credit reservation in the small projects fund in accordance with rule 223—48.12(303,404A); or

(2) Apply for only the qualified rehabilitation costs up to a cumulative total of \$500,000. If the applicant has already received and claimed a tax credit certificate on the applicant's annual tax return, the applicant shall select this option.

[ARC 7943B, IAB 7/15/09, effective 6/16/09]

223—48.6(303,404A) Application and review process.

48.6(1) All applications for historic tax credits shall be on the current state fiscal year's forms and in accordance with the current state fiscal year's instructions provided by the SHPO. All applications must be complete and include all required supporting documentation before being considered for review and before beginning the review periods outlined in subrule 48.6(3). Application forms are available from the Tax Incentives Program Manager, State Historic Preservation Office, Department of Cultural Affairs, 600 E. Locust Street, Des Moines, Iowa 50319-0290. Applications may also be downloaded from the department of cultural affairs—state historical society of Iowa Web site.

a. Part one of the application identifies the eligibility of the property for the historic tax credit. Part one of the application is accepted year-round. Part one of the application must include all requested information. SHPO staff shall notify the applicant if part one of the application is incomplete. Incomplete applications will not be processed.

b. Part two of the application provides a detailed description of the rehabilitation project. Part two of the application is accepted when tax credits are available for the fund specified by the applicant pursuant to subrule 48.7(6) or, if no tax credits are available, in accordance with rule 223—48.8(303,404A). Part two of the application must include all requested information. SHPO staff shall notify the applicant if part two of the application is incomplete. Incomplete applications will not be processed.

c. Part three of the application provides the information and documentation required to request certification of project completion and includes an economic impact questionnaire. Part three of the application shall be submitted within six months of the date on which the building is placed in service or, if the project is complete, part three of the application may be submitted simultaneously with part two of the application. Part three of the application must include all requested information including certification in accordance with subrule 48.4(6). SHPO staff shall notify the applicant if part three of the application is incomplete. Incomplete applications will not be processed. Incomplete applications may be subject to abandonment as outlined in rule 223—48.12(303,404A).

d. Amendments to applications. An applicant shall amend an approved part one of the application or an approved part two of the application if the property changes ownership or if the applicant's name or address changes. An applicant may amend an approved part two of the application to notify SHPO of, and to request review of, modifications to the original description of the rehabilitation project. Amendments

to part two of the application shall not include modification of the rehabilitation costs estimated in the originally approved part two of the application. Amendments to part two of the application shall not result in the reservation of additional tax credits for a project.

e. An application will not be accepted for a building placed in service more than five years before part two of the application is submitted.

48.6(2) SHPO staff trained by the National Park Service for reviewing rehabilitation projects to ensure compliance with Standards will review part two and part three of each submitted application.

48.6(3) SHPO staff shall review and respond to each part of a completed or amended application within 90 days of receipt when submitted pursuant to subrule 48.6(1). If an applicant submits more than one part of the application simultaneously, SHPO staff shall review each part sequentially and the 90-day review period for part two or three of the application will begin upon approval of the previous part.

48.6(4) A part two of an application that includes the same scope of work as a rehabilitation project which qualifies for the federal rehabilitation credit under Section 47 of the Internal Revenue Code shall automatically be approved when reviewed in accordance with subrule 48.6(7) and to the extent that all historic tax credits appropriated for the fiscal year have not already been reserved.

48.6(5) Response to application parts.

a. Review of part one of the application shall result in one of two responses:

- (1) The property is eligible for the historic tax credit; or
- (2) The property is not eligible for the historic tax credit.

b. Review of part two of the application shall result in one of three responses which may be provided to the department of revenue:

(1) The rehabilitation described in the application is consistent with the historic character of the property or the district in which it is located, and the project meets the Standards. The initial review of part two is a preliminary determination only. A formal certification of rehabilitation shall be issued only after rehabilitation work is completed;

(2) The rehabilitation or proposed rehabilitation described in part two of the application will meet the Standards if the stipulated conditions are met; or

(3) The rehabilitation described in part two of the application is not consistent with the historic character of the property or the district in which it is located, and the project does not meet the Standards. The application will not be approved and SHPO will not reserve tax credits for the project.

c. Review of part three of the application shall result in one of two responses which may be provided to the department of revenue:

(1) The completed rehabilitation meets the Standards and is consistent with the historic character of the property or the district in which it is located. Effective on the date of approval of part three of the application, the project shall be designated a “certified rehabilitation”; or

(2) The rehabilitation is not consistent with the historic character of the property or the district in which it is located, and the project does not meet the Standards. If the work cannot be corrected to meet the Standards, the SHPO shall recapture the tax credit reservation in accordance with the provisions of rule 223—48.12(303,404A).

d. Questions concerning specific tax consequences or interpretation of the state tax code must be addressed to the department of revenue.

48.6(6) Approval of part one of the application. Upon approval of part one of the application, an applicant may proceed to submission of part two of the application. If the applicant submitted part two of the application simultaneously, the SHPO shall complete review of part one of the application before reviewing part two of the application.

48.6(7) Approval of part two of the application.

a. Upon approval of part two of the application with no conditions, the SHPO shall reserve tax credits for the project in an amount equal to 25 percent of the estimated qualified rehabilitation costs for the earliest year in which tax credits are available in the appropriate fund, and the applicant may proceed to implement the project.

b. Upon approval of part two of the application with conditions, the SHPO shall reserve tax credits for the project in an amount equal to 25 percent of the estimated qualified rehabilitation costs for the

earliest year in which tax credits are available in the appropriate fund. The applicant may proceed to implement the project, and the applicant shall document compliance with the conditions.

c. An authorized representative of the SHPO, with due notice to the applicant, may inspect projects to determine if the work meets the Standards.

48.6(8) Approval of part three of the application. Upon approval of part three of the application, the SHPO shall issue a tax credit certificate to the applicant in an amount equal to 25 percent of the qualified rehabilitation costs as estimated in part two of the application for the tax credit year originally reserved for the project upon approval of part two of the application, unless the qualified rehabilitation costs in part three of the application differ from the estimated qualified rehabilitation costs in part two of the application.

a. If the qualified rehabilitation costs documented in part three of the application are less than the qualified rehabilitation costs estimated in part two of the application, the SHPO shall issue a certificate in an amount equal to 25 percent of the final qualified rehabilitation costs and return any unused tax credits to the tax credit fund from which they were reserved.

b. For projects with tax credits reserved from the small projects fund and final qualified rehabilitation costs of \$500,000 or less: If the final qualified rehabilitation costs documented in part three of the application are greater than the qualified rehabilitation costs estimated in part two of the application, the SHPO shall issue tax credit certificates totaling 25 percent of the final qualified rehabilitation costs, with the initial tax credit certificate issued in the amount originally reserved for the project and the remainder for the earliest year in which tax credits are available in the small projects fund or, if no tax credits are available, in accordance with rule 223—48.8(303,404A).

c. For projects with tax credits reserved from the small projects fund and final qualified rehabilitation costs over \$500,000: The SHPO shall notify the applicant that the applicant may either:

(1) Apply for the cumulative total of qualified rehabilitation costs under any other fund for which the project is eligible. If the applicant receives a tax credit reservation from another fund, the applicant shall abandon the entirety of the applicant's tax credit reservation in the small projects fund in accordance with rule 223—48.12(303,404A); or

(2) Claim only the final qualified rehabilitation costs up to \$500,000. If the applicant chooses this option, the SHPO shall issue tax credit certificates totaling no more than \$125,000 for the project, with the initial tax credit certificate issued in the amount originally reserved for the project and the remainder for the earliest year in which tax credits are available in the small projects fund or, if no tax credits are available, in accordance with rule 223—48.8(303,404A).

d. For projects with tax credits reserved from any other fund: If the final qualified rehabilitation costs documented in part three of the application are greater than the qualified rehabilitation costs estimated in part two of the application, the SHPO shall issue tax credit certificates totaling 25 percent of the final qualified rehabilitation costs in the same fund from which tax credits were initially awarded, with the initial tax credit certificate issued for the amount originally reserved for the project and the remainder for the earliest year in which tax credits are available in the appropriate fund or, if no tax credits are available, in accordance with rule 223—48.8(303,404A).

48.6(9) Disaster recovery projects. An applicant may apply for the disaster recovery fund as described in subrule 48.7(3) if the project meets the following requirements:

a. The initial submittal of part two of the application shall be made no later than the first filing window (see subrule 48.8(2)) that occurs after the five-year anniversary of the disaster declaration date. This time period may be waived in accordance with Iowa Code section 17A.9A. Petitions for waivers shall be directed to the Director, Department of Cultural Affairs, 600 E. Locust Street, Des Moines, Iowa 50319.

b. Disasters declared before January 1, 2008, will not be considered.

48.6(10) Projects creating new permanent jobs. An applicant may apply for the new permanent jobs fund as described in subrule 48.7(4) if the applicant meets the following requirements:

a. The applicant shall document the employment base for an eligible property on the date part one of the application is approved;

b. The applicant must provide information to SHPO documenting the creation of at least 500 new permanent jobs within two years of the date on which part three of the application is approved. This information shall be verified by the Iowa department of economic development using the process outlined in 261—Chapter 188, Iowa Administrative Code. If the Iowa department of economic development is unable to verify the number of new permanent jobs required, tax credits claimed by the applicant will be subject to repayment to the department of revenue and unclaimed credits shall be unavailable; and

c. The applicant (and any leaseholders or tenants, if applicable) must enter into a contract with the SHPO specifying the employment base, reporting mechanisms required to document 500 new permanent jobs, applicable dates for reporting, and the penalty incurred if reporting requirements are not met. If the contract is not executed before the building is placed in service, the SHPO shall recapture any tax credits reserved in accordance with rule 223—48.12(303,404A).

223—48.7(303,404A) Tax credit funds.

48.7(1) *The small projects fund.* The SHPO shall reserve 10 percent of the tax credit allocation for any tax credit year in a small projects fund for projects with final qualified rehabilitation costs totaling \$500,000 or less.

a. At the end of each state fiscal year, any credits in the small projects fund that have not been reserved for small projects shall be available for small projects in subsequent fiscal years.

b. If the small projects fund is fully reserved, any applications for small projects received after full reservation of the small projects fund may be eligible for the statewide fund.

48.7(2) *The cultural and entertainment district and great places fund.* The SHPO shall reserve 30 percent of the tax credit allocation for any tax credit year in a cultural and entertainment district and great places project (CED-GP) fund for projects located in cultural and entertainment districts certified in accordance with Iowa Code section 303.3B or for projects identified in Iowa great places agreements developed in accordance with Iowa Code section 303.3C.

48.7(3) *The disaster recovery fund.* The SHPO shall reserve 20 percent of the tax credit allocation for any tax credit year in a disaster recovery fund for projects located in an area declared a disaster area by the governor of Iowa or by the president of the United States. The eligible property must have been physically impacted as a result of the natural disaster as documented in accordance with the current state fiscal year's forms and instructions. The initial application for the project must be submitted within the time frame provided by subrule 48.6(9).

48.7(4) *The new permanent jobs fund.* The SHPO shall reserve 20 percent of the tax credit allocation for any tax credit year in a new permanent jobs fund for projects that involve the creation of more than 500 new permanent jobs within two years of the date on which part three of the application is approved.

48.7(5) *The statewide fund.* The SHPO shall reserve the remaining percentage of the tax credit allocation for any tax year in a statewide fund, which is to be used for eligible projects throughout the state of Iowa. If the statewide fund is fully reserved before the end of the state fiscal year, subsequent applications will be accepted utilizing the procedures in rule 223—48.8(303,404A).

48.7(6) *Fund selection.* Part two of the application shall clearly indicate the fund for which the applicant is applying. Only one fund may be selected. Any applications not indicating a specific fund shall be considered for the statewide fund. If an application is not eligible for the fund selected, it shall be considered for the statewide fund.

48.7(7) *Disposition of unreserved credits.* In reference to the new permanent jobs fund, CED-GP fund, and disaster recovery fund, at the end of the filing window in any fiscal year, any tax credits that have not been reserved will be reallocated in the same fiscal year as follows:

a. Unreserved CED-GP fund and new permanent jobs fund credits will be reallocated to the disaster recovery fund.

b. Unreserved disaster recovery fund credits will be reallocated to the statewide fund.

c. For purposes of this subrule, the phrase “in any fiscal year” refers to each of the three fiscal years for which credits may be reserved pursuant to Iowa Code section 404A.4(5) as amended by 2009 Iowa Acts, Senate File 481, section 3.
[ARC 7943B, IAB 7/15/09, effective 6/16/09]

223—48.8(303,404A) Sequencing of applications for review.

48.8(1) Order of review. The SHPO anticipates the receipt of a large number of applications for historic tax credits for projects with qualified rehabilitation costs in excess of \$500,000 at the beginning of each state fiscal year. At the start of each state fiscal year, the SHPO will utilize a project review sequencing and prioritization system to establish the order in which applications will be reviewed.

a. Applications for projects with qualified rehabilitation costs of \$500,000 or less applying for credits from the small projects fund will be accepted and reviewed throughout the calendar year until all available credits from that fund are reserved. When all available credits are reserved from the small projects fund, subsequent applications will be accepted utilizing the procedures in subrules 48.8(2) to 48.8(7).

b. If all available credits are reserved before review of all projects submitted within the filing window specified in subrule 48.8(2), applications not reviewed will be returned to the applicant.

48.8(2) Filing window. Part two applications for state historic tax credits received during the first ten working days of the state fiscal year shall be included in a project review sequencing system to determine the order in which they will be reviewed. The filing window for applications submitted in July 2009 will be extended to August 7, 2009.

48.8(3) Initial sequencing process. An initial sorting process based on the status of the project application at the start of the state fiscal year will be used to associate applications with the appropriate initial sequencing category. Following initial sorting into a category and subcategory, each application within the assigned category and subcategory will be sequenced in accordance with subrule 48.8(4).

a. Category A projects do not need to be resubmitted during the filing window and are comprised of two subcategories in the following order:

(1) Projects reviewed in the previous year’s sequencing and review process that did not receive a reservation for the full 25 percent of their qualified rehabilitation costs.

(2) Projects with final qualified rehabilitation costs documented in part three of the application in excess of the estimated rehabilitation costs in part two pursuant to paragraph 48.6(8) “b” and which could not be otherwise reserved from available credits in the appropriate fund.

b. Category B projects are comprised of projects for which part two of a state historic tax credit application was submitted during any previous year’s filing window, as verified by records maintained at the SHPO, and was included in that year’s sequencing system, and did not receive a tax credit reservation. Category B projects must be resubmitted during the current year’s filing window and must specify a fund pursuant to subrule 48.7(6). Category B projects will be divided into subcategories arranged in the following order:

(1) Projects will be included in a subcategory for the state fiscal year of original submission provided the project was included in each successive state fiscal year’s sequencing system and did not receive a tax credit reservation. These subcategories will be arranged chronologically beginning with the earliest state fiscal year.

(2) Any projects for which applications were not submitted in successive state fiscal years will be included in a subcategory after those defined in subparagraph 48.8(3) “b”(1).

c. Category C projects are comprised of an entirely new part two of a state historic tax credit application not meeting the requirements for any other category and having been received within the specified filing window. Projects may consist of parts one and two of the application, parts two and three of the application with a part one having already been submitted, or parts one, two and three of the application. Category C projects must be submitted during the current year’s filing window and must specify a fund pursuant to subrule 48.7(6).

48.8(4) Secondary sequencing process. Using a random number generator, SHPO staff will assign unique, random numbers to all applications that are eligible for inclusion in the review sequencing

system within each category and subcategory of the initial sequencing system. Applications within each category and subcategory shall then be placed in numeric order from lowest to highest. SHPO staff shall then create a master sequence list, with category A applications, arranged by subcategory, sequenced first; category B applications, arranged by subcategory, sequenced next; and category C applications sequenced last.

48.8(5) *Random number generator.* SHPO staff shall use a random number generator utility found in Microsoft Excel 2003 or the current version of Microsoft Excel generally used by the department of cultural affairs.

48.8(6) *Outside observer.* The initial sequencing process, the secondary sequencing process, and the development of the master sequence list will be observed and certified by an official state witness.

48.8(7) *Prioritization of review according to fund.* Once the master sequence list is set, the projects will be reviewed by fund in the sequential order in which they fall on the list.

a. Category A projects will be reviewed and reserved first. SHPO shall reserve the remaining credits for the project from the same tax credit fund selected by the applicant pursuant to subrule 48.7(6) if a selection was made. Otherwise, SHPO shall reserve the remaining credits for the project from the same tax credit fund from which the original reservation came or from another fund for which the project is eligible.

b. Following review of category A projects, tax credit funds will be reviewed in the following order:

- (1) Small projects fund, CED-GP fund, and new permanent jobs fund.
- (2) Disaster recovery fund.
- (3) Statewide fund.

c. Any tax credits that have not been reserved in a particular fund will be transferred, if applicable, to the appropriate fund as outlined in rule 223—48.7(303,404A). If a fund is exhausted before the completion of reviews for that fund, all remaining projects in that fund shall be eligible for the statewide fund and will be considered in the order shown on the master sequence list.

[ARC 7943B, IAB 7/15/09, effective 6/16/09]

223—48.9(303,404A) Reserved tax credits.

48.9(1) Upon written approval of part two of the project application, the SHPO shall reserve an estimated tax credit under the name of the applicant(s) in an amount equal to 25 percent of the estimated qualified rehabilitation costs for the earliest year in which tax credits are available.

48.9(2) If the amount of estimated qualified rehabilitation costs changes during the course of project implementation, the applicant may include those costs in part three of the application.

48.9(3) The SHPO shall not reserve tax credits for more than two state fiscal years beyond the current state fiscal year.

48.9(4) Of the amount of tax credits that may be reserved in state fiscal years 2010, 2011, and 2012:

a. For state fiscal year 2010, SHPO will not reserve more than \$20 million worth of tax credits that can be claimed on a tax return for a taxable year beginning on or after January 1, 2009. SHPO will not reserve more than \$30 million worth of tax credits that can be claimed on a tax return for a taxable year beginning on or after January 1, 2010.

b. For state fiscal year 2011, SHPO will not reserve more than \$20 million worth of tax credits that can be claimed on a tax return for a taxable year beginning on or after January 1, 2010. SHPO will not reserve more than \$30 million worth of tax credits that can be claimed on a tax return for a taxable year beginning on or after January 1, 2011.

c. For state fiscal year 2012, SHPO will not reserve more than \$20 million worth of tax credits that can be claimed on a tax return for a taxable year beginning on or after January 1, 2011. SHPO will not reserve more than \$30 million worth of tax credits that can be claimed on a tax return for a taxable year beginning on or after January 1, 2012.

[ARC 7943B, IAB 7/15/09, effective 6/16/09]

223—48.10(303,404A) Project commencement.

48.10(1) Once a tax credit reservation is made for a project, rehabilitation must begin before the end of the state fiscal year in which the SHPO approved part two of the application. The applicant shall submit to the SHPO a project commencement report and cover letter certifying the commencement date of rehabilitation and outlining expenditure of qualified rehabilitation costs. This report and cover letter are due within the first ten working days of the next state fiscal year.
