

CHAPTER 8  
WORKFORCE DEVELOPMENT FUND  
[Prior to 9/6/00, see 261—Ch 75]

**261—8.1(15,76GA,ch1180) Purpose.** The purpose of the workforce development fund is to provide revenue for programs which address the workforce development needs of the state. Moneys are appropriated to the fund from the workforce development fund account and are to be used for the following programs and purposes: training and retraining programs for targeted industries, projects under Iowa Code chapter 260F, apprenticeship programs under Iowa Code section 260C.44 (including new or statewide building trades apprenticeship programs) and innovative skill development activities.

**261—8.2(15,76GA,ch1180) Definitions.**

*“Agreement”* means an informal agreement between the department and a grantee that authorizes expenditure of a workforce development fund award.

*“Board”* means the Iowa department of economic development board.

*“Contract”* means a formal agreement executed by the department and a grantee for purposes of operating a program under the workforce development fund.

*“Department”* or *“IDED”* means the Iowa department of economic development.

*“Director”* means the director of the Iowa department of economic development.

*“Grantee”* means any entity receiving a workforce development fund award from the Iowa department of economic development.

**261—8.3(15,76GA,ch1180) Workforce development fund account.** A workforce development fund account is established in the office of the treasurer of state under control of the department. Upon payment in full of a certificate of participation or other obligation issued to fund a job training program under Iowa Code chapter 260E, including a certificate of participation repaid in whole or in part by the supplemental new jobs credit from withholding under Iowa Code section 15A.7, the community college providing the job training program shall notify the department of the amount paid by the employer or business to the community college to retire the certificate during the last 12 months of withholding collections. The department shall notify the department of revenue of that amount. The department of revenue shall then credit to the workforce development fund account, established in Iowa Code section 15.342A, 25 percent of that amount each quarter for a period of ten years. If the amount of withholding from the business or employer is insufficient, the department shall prorate the quarterly amount credited to the workforce development fund account. The maximum amount from all employers which shall be transferred to the workforce development fund account in any year is \$10,000,000. The legislature will make an annual appropriation from the workforce development fund account to the workforce development fund.

**261—8.4(15,76GA,ch1180) Workforce development fund allocation.** The director shall submit, not later than January 1 of each year, at a regular or special meeting, for approval by the IDED board, the proposed allocation of funds from the workforce development fund to be made for the next fiscal year for the programs and purposes intended. The director shall also submit a copy of the proposed allocation to the chairpersons of the joint economic development appropriations subcommittee of the general assembly. Notwithstanding Iowa Code section 8.39, the plan may provide for increased or decreased allocations if the demand for a program indicates that the need is greater or lesser than the allocation for that program. Workforce development funds are received quarterly. The sequence in which the funds are allocated to the various programs under the workforce development fund will be determined by the department based upon the demand for the respective programs.

**261—8.5(15,76GA,ch1180) Workforce development fund reporting.** The director shall report on a quarterly basis to the IDED board on the status of the funds and may present proposed revisions for approval by the IDED board in January and April of each year. The director shall also provide quarterly reports to the legislative services agency on the status of the funds. Unobligated and unencumbered

moneys remaining in the workforce development fund or any of its accounts on June 30 of each year shall be considered part of the fund for purposes of the next year's allocation.

**261—8.6(15,76GA,ch1180) Training and retraining programs for targeted industries.**

**8.6(1) *Program purpose and targeted industries.*** The purpose of this program is to provide training and retraining to develop the skills of employees employed in targeted businesses or industries or to address a workforce development need of a targeted industry. Eligibility may be established by an industry other than those listed if that industry can provide rationale regarding the industry's benefit to Iowa's economic base. Rationale that is provided will be reviewed by department staff to determine eligibility as a targeted industry. Items that will be considered in determining an industry's benefit to Iowa's economic base will include:

- a. The majority of the products or services produced by the industry are exported out of Iowa.
- b. The inputs for the products produced in the industry are raw materials available in Iowa or are provided by Iowa suppliers.
- c. The goods or services produced by this industry diversify Iowa's economy.
- d. The goods or services provided by the industry resulted in, or will result in, a decrease in the importation of foreign-made goods into the United States.
- e. The industry shows potential for future growth.
- f. The functions of the industry do not produce harmful effects for Iowa's natural environment.
- g. It is established that the average wages of the majority of the occupations in the industry are above the statewide average wage.

Businesses engaged in retail sales or the provision of health care or other professional services will not be considered targeted industries and are not eligible for this program.

**8.6(3) *Eligible applicants.*** Applicants must be an individual business, consortium of businesses, trade association or labor organization that represents one of the identified targeted industries in order to be eligible for funding.

**8.6(4) *Length of projects and maximum grant awards.*** The department will establish the desired project length and maximum grant awards based upon the amount of workforce development funds allocated to the program in a fiscal year and upon the training needs of the targeted industries. These limitations will be published in the application packet. Grantees may request extensions to the length of a project.

**8.6(5) *Allowable activities.*** Allowable activities include career and technical skill assessment testing; adult basic education; job-related training; cost of a company, college, or contracted trainer or training services; training-related materials, equipment, software and supplies; curriculum development; lease and rental of training facilities and equipment; training-related travel and meals; and contracted or professional services. Costs associated with the administration of the project (i.e., fiscal and reporting activities, project supervision and coordination) are allowable but are limited to 15 percent of the total program budget.

**8.6(6) *Application procedure.*** Application packets will be made available by the department. Application packets will outline eligibility criteria, the required application inclusions and points established for evaluation. Applications must address all information requested in the application packet to be considered for award. If all requested information is not provided, applications will not be considered for funding. Applicants who have been denied funding may reapply. Reapplications will be treated as new applications.

As a part of this review, staff will ascertain which community college district(s) the project corresponds to and notify the appropriate community college president from that district of the proposal for purposes of review and comment. Points will be assigned for each evaluation criteria by each of the respective staff and totaled. The two scores will then be averaged. Proposals receiving an average score of at least 70 out of a possible 100 points will be presented to the director for a final funding decision. The director will base a final funding decision upon available funding.

**8.6(9) *Award process.*** Upon approval by the director, the applicant will receive an award letter which will state the amount and conditions of the award. Awards will be made in the form of grants.

**8.6(10) *Contract.*** Following notification of award, a contract will be prepared for execution between the applicant and IDED. The final project application will become part of the contract.
