The chief executive officer, in the chief executive officer's sole discretion, may choose to pay an amount equal to the prize that would have been won on an invalid ticket if the lottery is able to determine the prize which would have been won by use of a symbol, number, color code, or other mechanism. The chief executive officer's decision as to whether to pay a player the sum equal to the prize on an invalid ticket is final.

If an invalid ticket is purchased by a player, the only responsibility or liability of the lottery shall be to replace the invalid ticket with an unplayed ticket from the same game or any other game or issue a refund of the sale price.
