481—2050.2(17A,543E) Application for registration.

2050.2(1) An application for registration to operate an appraisal management company in Iowa shall be submitted to the administrator through the NMLS or as otherwise prescribed by the administrator. All information requested in the application shall be provided on or with the application form, including but not limited to any and all information required by Iowa Code section 543E.8(2). The administrator may consider an application withdrawn if the application does not contain all of the information required and the missing information is not submitted to the administrator within 30 days after the administrator requests the missing information.

2050.2(2) Appraiser panel. The application shall include a list of all certified and licensed appraisers who are independent contractors and are currently on the applicant’s appraiser panel and shall also include any additional certified and licensed appraisers who are independent contractors and who in the 12 months immediately preceding submission of the application have performed appraisals, for the applicant or for persons that have ordered appraisals through the applicant, for covered transactions or for secondary mortgage market participants in connection with covered transactions in which the dwelling is located in this state. The application shall include the name, the certification or license number, the date the appraiser joined the panel, and the date the appraiser left the panel, if applicable, for each appraiser included on the applicant’s appraiser panel. The applicant’s appraiser panel shall include all appraisers the applicant has engaged to perform one or more appraisals for or in connection with a covered transaction or for a secondary mortgage market participant in connection with a covered transaction in this state and all appraisers the applicant has accepted for future consideration for such appraisal assignments.

2050.2(3) All owners and controlling persons of the applicant must authorize a fingerprint background check, through the NMLS or as otherwise prescribed by the administrator, for the purpose of conducting a national criminal history background check through the Federal Bureau of Investigation. This requirement applies to all owners and controlling persons, regardless of whether the individual has previously applied as an owner or controlling person of an appraisal management company under Iowa Code chapter 543E.

2050.2(4) The applicant shall submit an application fee, initial registration fee, and background investigation fee in the amounts provided in subrule 2050.8(5), as well as the fee required for registration on the appraisal management company national registry maintained by the appraisal subcommittee as specified in subrule 2050.8(5). The applicant shall also pay any additional fees required by the NMLS, including but not limited to, the following: system processing fees and background check fees. The applicant will be refunded the initial registration fee and the appraisal management company national registry fee if the application is denied.

2050.2(5) If any information material to the application changes after the applicant files the initial application but before the administrator approves or denies the application, the applicant shall provide updated information to the administrator in writing within 10 calendar days of the change. The

administrator may deny the application when such a material change in information has occurred and the applicant has failed to provide updated information within the prescribed time frame.

2050.2(6) An applicant for registration to operate an appraisal management company in Iowa must file with the administrator a \$25,000 surety bond in compliance with the provisions of Iowa Code section 543E.19.

2050.2(7) A registration shall lapse on the next succeeding December 31 after it is issued, but a registration granted on or after November 1 and before December 31 shall not lapse until December 31 of the following year. For example, a registration granted on November 17, 2017, would not expire until December 31, 2018. An applicant whose registration is granted on or after November 1 and before December 31 may be required, as determined by the appraisal subcommittee, to pay the fee for registration on the appraisal management company national registry in full for both calendar years. For example, while a registration granted on November 17, 2017, would not lapse until December 31, 2018, the registrant may be required to pay the national registry fee in full for 2017 and 2018.

481—2050.3(17A,543E) Grounds for denial of a registration. The administrator may deny an application for registration to operate an appraisal management company, or issue a registration subject to restriction, for any of the reasons that follow.

2050.3(1) This state or another state or jurisdiction has canceled, revoked, denied, suspended, or refused to renew the applicant's registration to operate an appraisal management company or has denied, suspended, or refused to renew a similar registration under this state's or the other state's or jurisdiction's law. An agreement made between a person and this state or another state or jurisdiction not to operate as an appraisal management company may be considered a denial of that person's registration to operate an appraisal management company in this state or the other state or jurisdiction.

2050.3(2) An owner or controlling person of the applicant has been barred, removed, or prohibited from owning or serving as the controlling person of an appraisal management company, or from serving in any capacity in a financial institution by any state or federal regulatory agency, including but not limited to the Office of the Comptroller of the Currency, the Federal Deposit Insurance Corporation (FDIC), the Board of Governors of the Federal Reserve System, or the U.S. Department of Housing and Urban Development.

2050.3(3) An owner or controlling person of the applicant is or was the owner or controlling person of another appraisal management company in another state or jurisdiction, if such other state or jurisdiction has canceled, revoked, denied, suspended, or refused to renew the registration or application for registration of such other appraisal management company under this state's or the other state's or jurisdiction's law. An agreement made between a person and this state or another state or jurisdiction not to operate as the owner or controlling person of an appraisal management company may be considered a denial of that person's application to serve as the owner or controlling person of an appraisal management company in this state or the other state or jurisdiction.

2050.3(4) An owner or controlling person of the applicant has been convicted of forgery, embezzlement, obtaining money under false pretenses, theft, extortion, conspiracy to defraud, tax evasion, or another similar offense, in a court of competent jurisdiction in this state or in any other state, territory, or district of the United States or in any foreign jurisdiction. For the purposes of this subrule, "convicted of" includes a guilty plea, deferred judgment, deferred sentence, or other similar finding of guilt by a court of competent jurisdiction.

2050.3(5) The applicant, or an owner or controlling person of the applicant, has made a false submission of material fact on an application for registration or has been otherwise implicated in the submission of a false application.

2050.3(6) An owner or controlling person of the applicant has demonstrated a lack of moral character in a manner that the administrator reasonably believes will impair the ability of the owner or controlling person to operate an appraisal management company in full compliance with the public interest and state policies described in Iowa Code chapter 543E.

2050.3(7) For any reason listed in Iowa Code section 543E.17(1).

2050.3(8) The applicant has failed to include all of the information required in the application or has failed to pay any fee required under Iowa Code chapter 543E or this chapter.

481—2050.4(17A,543E) Renewal of registration.

2050.4(1) To remain registered to operate an appraisal management company in Iowa, a registrant must renew a registration before the date the registration lapses. A registrant who holds a lapsed registration shall not directly or indirectly engage in or attempt to engage in business as an appraisal management company or advertise or hold itself out as engaging in or conducting business as an appraisal management company in Iowa until the administrator has reinstated the lapsed registration or has approved a new registration.

2050.4(2) An application to renew a registration shall be submitted to the administrator, through the NMLS or as otherwise prescribed by the administrator, no earlier than November 1 and no later than December 1 of the year for which the registration is valid. For example, for a registration that will lapse on December 31, 2017, an application for renewal shall be submitted by December 1, 2017. All requested information, including any material change to information contained in the original application, shall be provided to the administrator as directed by the NMLS or as otherwise prescribed by the administrator. Applications for renewal of a registration must be accompanied by a fee as specified in subrule 2050.8(5). The administrator may also assess late fees as specified in subrule 2050.8(5) for applications submitted after December 1.

2050.4(3) The administrator shall grant an application to renew a registration if:

a. The administrator receives the application and the appropriate renewal fee by December 1, or the administrator receives the application after December 1 but before January 1 and it is accompanied by the appropriate renewal fee and the appropriate late fee;

b. The application is fully completed and includes all necessary information; and

c. The application does not reveal grounds that would be sufficient to deny initial registration, or issue a registration subject to restriction, pursuant to rule 481—2050.4(17A,543E).

[ARC 2869C, IAB 12/21/16, effective 1/1/17; Editorial change: IAC Supplement 1/22/25]

481—2050.5(17A,543E) Reinstatement of lapsed registration.

2050.5(1) The registration of an appraisal management company that has lapsed for failure to satisfy the minimum standards for renewal may be reinstated if the registrant meets the following requirements:

a. The application for reinstatement is submitted between January 1 and February 28 of the year immediately following the year the registration lapsed.

b. All minimum requirements for renewal of registration for the year in which the registration lapsed are satisfied prior to submission of the application for reinstatement. The registrant seeking to reinstate a registration must submit all information required to renew a registration pursuant to rule 481—2050.4(17A,543E).

c. The registrant pays a reinstatement fee as specified in subrule 2050.8(5), in addition to the renewal fee, and any late charges.

2050.5(2) An appraisal management company whose registration has lapsed and who fails to meet the requirements for reinstatement specified in this rule must apply for a new registration and meet the requirements in effect at that time for a new registration.

[ARC 2869C, IAB 12/21/16, effective 1/1/17; Editorial change: IAC Supplement 1/22/25]

481—2050.6(17A,543E) Changes in the registrant's name, location, or ownership.

2050.6(1) A registrant wishing to change the principal location of an appraisal management company shall notify the administrator through the NMLS, or as otherwise prescribed by the administrator, within 15 days of making the change. The notice shall include proof that the registrant has either obtained a new bond or amended the existing mandatory bond to reflect the new location. The registrant shall submit a fee as specified in subrule 2050.8(5) in association with the change.

2050.6(2) Registrants must notify the administrator no later than 15 days following a change in name and must submit to the administrator a fee as specified in subrule 2050.8(5).

2050.6(3) The prior written approval of the administrator is required whenever a change in ownership of a registrant is proposed. When a change in ownership of a registrant is proposed, the party that will assume ownership of the registrant shall give notice to the administrator through the NMLS, or as otherwise prescribed by the administrator, at least 30 days before the proposed change will take effect. The party that will assume ownership of the registrant shall furnish the administrator through the NMLS, or as otherwise prescribed by the administrator, with the same information required of initial applicants for registration, along with a fee as specified in subrule 2050.8(5). The administrator shall approve or deny the request in accordance with the provisions of rule 481—2050.3(17A,543E).

2050.6(4) The prior written approval of the administrator is required whenever a change of the designated controlling person of a registrant is proposed. When change of the designated controlling person of a registrant is proposed, the party that will become the designated controlling person of the registrant shall give notice to the administrator through the NMLS, or as otherwise prescribed by the administrator, at least 30 days before the proposed change will take effect. The party that will become the designated controlling person of the registrant shall furnish the administrator through the NMLS, or as otherwise prescribed by the administrator, with the same information required of initial applicants for designation as a controlling person, along with the appropriate fee. The administrator shall approve or deny the request in accordance with the provisions of rule 481—2050.3(17A,543E).

2050.6(5) Failure to notify the administrator within the prescribed time as required by this rule may subject the registrant to disciplinary action. However, in the event the death, incapacity, or unexpected resignation of a designated controlling person, or a similar circumstance, makes it impossible for a registrant to provide 30 days' advance notice, no disciplinary action shall be taken if the party that will become the designated controlling person of the registrant provides the notice described in subrule 2050.6(4) promptly and no later than 10 days after learning that a new controlling person must be designated.

2050.8(2) *Examination or investigation late fees.* A registrant shall pay the administrator the total charge for an examination or investigation within 30 days after the administrator has requested payment. 2050.8(3) *Late fees for failing to respond.* In the process of administering this chapter, the administrator may require a person to provide responses to formal orders, examinations, or complaint inquiries. - c. The obligation to maintain required records continues even after the registrant ceases business operations in Iowa and turns in or surrenders its registration. The owners and directors of the registrant are responsible for ensuring that this requirement is met for the period required under Iowa Code section 543E.13 and this chapter.

481—2050.13(17A,543E) Preregistration.

If the administrator approves the application, the applicant will receive a preliminary notice indicating that the administrator intends to approve the applicant for registration as an appraisal management company, based on the information submitted, as soon as the appraiser panel that the applicant oversees meets or exceeds the statutory size requirements. The administrator's preliminary intent to approve registration will remain subject to change in the event that the administrator receives additional information indicating that registration should be denied.

2050.13(2) An applicant seeking preregistration as an appraisal management company must follow the application procedures prescribed in rule 481—2050.2(17A,543E), including providing all required information. The applicant shall also submit a conversion fee, the initial registration fee, and the fee required by the appraisal management company national registry as specified in subrule 2050.8(5).

2050.13(4) The administrator shall approve the application for registration unless additional information submitted by the applicant, or otherwise received by the administrator, indicates that the applicant is ineligible for registration based on the criteria enumerated in rule 481—2050.3(17A,543E).
