[Prior to 10/21/98, see 347—Ch 150]

875—150.1(91C) Scope. This chapter implements Iowa Code chapter 91C. The rules in this chapter apply to all construction contractors, except for a person who earns less than \$2,000 annually or who performs work or has work performed on the person's own property.

875—150.2(91C) Definitions.

"Construction" means new work, additions, alterations, reconstruction, installations, repairs and demolitions. Construction activities are generally administered or managed from a relatively fixed place of business, but the actual construction work is performed at one or more different sites that may be dispersed geographically. Examples of construction activities, adopted by reference, are in rule 871—23.82(96) for purposes of the Iowa employment security law.

"Contractor" means a person who engages in the business of construction as the term is defined in rule 871—23.82(96), for purposes of the Iowa employment security law, including subcontractors and special trade contractors.

"Department" means the department of inspections, appeals, and licensing.

"Director" means the director of the department of inspections, appeals, and licensing or the director's designee.

"File" means deliver to the department.

"Out-of-state contractor" means a contractor whose principal place of business is in another state, and who contracts to perform construction in this state.

"Principal place of business" means the state in which a substantial part of the contractor's business is transacted and from which the centralized supervision is exercised. Factors to be reviewed include:

3. State where business transactions are performed.
4. State where officers, owners, or partners reside and work.

"Working days" means Mondays through Fridays but not Saturdays, Sundays or federal or state holidays. In computing 15 working days, the day of receipt of any notice is not to be included, and the last day of the 15 working days is included.

The notice shall set the time for a fact-finding interview.

150.11(3) Fact-finding interview. The purpose of the fact-finding interview is to ensure the contractor is not in compliance before the registration is revoked. The contractor may notify the fact finder of a telephone number to use at least 24 hours before the fact-finding interview is scheduled to begin. The director shall provide ten days for the filing of objections to the release of the bond. The director may deem any failure to respond to the notice within the time provided as an approval of the release.

150.13(2) Conditions for release. A bond shall not be released until the contractor has made payment of all taxes, including contributions due under the unemployment compensation insurance system, penalties, interest, and fees, that may accrue to the state of Iowa or its subdivisions on account of the execution and performance of the contract or approval for the release is obtained from the appropriate agencies.
