

CHAPTER 87
FAMILY PLANNING PROGRAM

PREAMBLE

This chapter defines and structures the family planning program administered by the department pursuant to Iowa Code section 217.41B. The purpose of this program is to provide family planning services to individuals who are not enrolled in medical assistance under 441—Chapter 74 or 441—Chapter 75. The department is not receiving federal financial participation for expenditures under the family planning program. The family planning program shall replicate the eligibility requirements and other provisions included in the Medicaid family planning network waiver, as approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services in effect on June 30, 2017, but shall provide for distribution of the family planning services program funds in accordance with this chapter.

Distribution of family planning program funds under this chapter shall be made in a manner that continues access to family planning services.

The amount deemed to the sponsored qualified noncitizen shall be the total countable income of the sponsor determined pursuant to paragraphs 87.2(3) “b” through “d.”

b. An indigent qualified noncitizen is exempt from the deeming of a sponsor’s income for 12 months after indigence is determined. A qualified noncitizen shall be considered indigent if:

b. Retention of residence. Residence is retained until abandoned. Temporary absence from Iowa, with subsequent returns to Iowa, or intent to return when the purposes of the absence have been accomplished does not interrupt continuity of residence.

87.2(7) *Investigation by quality control or the department of inspections and appeals.* As a condition of eligibility, an applicant or member shall cooperate with the department when the applicant's or member's case is selected by quality control or the department of inspections and appeals for verification of eligibility unless the investigation revolves solely around the circumstances of a person whose income does not affect family planning program eligibility. (More information can be found in department of inspections and appeals rules in 481—Chapter 72.) Failure to cooperate shall serve as a basis for denial of an application or cancellation of family planning program eligibility. Once a person's eligibility is denied or canceled for failure to cooperate, the person may reapply but shall not be determined eligible until cooperation occurs.

87.2(8) *Funding contingency.* Initial and continuing eligibility for family planning services under this program is subject to the availability of funding appropriated for this purpose.

441—87.7(217) Funding of family planning services program.

87.7(1) Distribution of funds. Distribution of family planning services program funds shall be made to eligible, approved, and participating family planning providers subject to rule 441—87.11(217). Eligible family planning providers shall not include any provider that performs abortions or that maintains or operates a facility where abortions are performed and must attest to this fact. Effective July 1, 2018, eligible family planning providers shall be interpreted to include a distinct location of a nonprofit health care delivery system, if the distinct location provides family planning services but does not perform abortions or maintain or operate as a facility where abortions are performed. For the purposes of this subrule, “nonprofit health care delivery system” means an Iowa nonprofit corporation that controls, directly or indirectly, a regional health care network consisting of hospital facilities and various ambulatory and clinic locations that provide a range of primary, secondary, and tertiary inpatient, outpatient, and physician services. For the purposes of this subrule, “abortion” does not include any of the following:

- a. The treatment of a woman for a physical disorder, physical injury, or physical illness, including a life-endangering physical condition caused by or arising from the pregnancy itself, that would, as certified by a physician, place the woman in danger of death.
- b. The treatment of a woman for a spontaneous abortion, commonly known as a miscarriage, when not all of the products of human conception are expelled.

87.7(2) Recovery. The department shall recover from a member all funds incorrectly expended to or on behalf of the member for family planning program services.

441—87.8(217) Availability of services. Family planning services are payable for an individual enrolled in this program only when care is received at or authorized by a participating family planning provider.

87.8(1) Sterilization is a covered service subject to the limitations in 441—Chapter 78.

87.8(2) Covered services shall not include abortion services.

441—87.9(217) Payment of covered services. Payment for family planning services covered under this chapter, including services authorized but not provided by a participating family planning provider, shall be made only to participating family planning providers on a fee schedule determined by the department. Family planning services program funds distributed in accordance with this rule shall not be used for direct or indirect costs, including but not limited to administrative costs or expenses, overhead, employee salaries, rent, and telephone and other utility costs, related to providing abortions as specified in subrule 87.7(1).

87.9(1) Fee schedule. The fee schedule shall include the amount of payment for each service and any limits on the service (e.g., a routine Pap smear is payable once annually).

87.9(2) Third-party payments. This program is the payer of last resort for services covered in this chapter. Any third-party payment received by the family planning agency or other provider of services plus any payments under this program cannot exceed the fee schedule allowance.

87.9(3) Supplementation. Payment made under this program shall be considered payment in full.

441—87.10(217) Submission of claims.

87.10(1) Family planning providers that participate in the program shall submit claims to Iowa Medicaid for services rendered no later than 45 days from the last day of the month in which services were provided.

87.10(2) Following a successful review of the claim, the Iowa Medicaid enterprise shall make payments to the family planning provider subject to the availability of funding and the allocation of available funds under subrule 87.7(1).

[ARC 3199C, IAB 7/19/17, effective 7/1/17; ARC 3389C, IAB 10/11/17, effective 11/15/17; ARC 6853C, IAB 2/8/23, effective 4/1/23]

441—87.11(217) Providers eligible to participate.

87.11(1) Providers must be enrolled with the Iowa Medicaid program, subject to 441—Chapter 79, and otherwise qualified to provide family planning services under Medicaid, subject to the limitations related to abortions, as specified above under subrule 87.7(1). Effective July 1, 2018, as a condition of eligibility as a provider under the family planning services program, each distinct location of a nonprofit health care delivery system shall enroll in the program as a separate provider, be assigned a distinct provider identification number, and complete an attestation that abortions are not performed at the distinct location. For the purposes of this subrule, “nonprofit health care delivery system” shall have the same meaning as provided under subrule 87.7(1).

87.11(2) Process for enrollment. Providers wishing to enroll under the state family planning program must complete the following steps:

a. Must complete enrollment with Iowa Medicaid.

b. Must complete Form 470-5484 regarding nonprovision of abortions, pursuant to requirements referenced above under subrule 87.7(1).

c. Forms referenced in this subrule must be sent to Iowa Medicaid, Provider Enrollment Unit, P.O. Box 36450, Des Moines, Iowa 50315.
