17—15.5(231) Funding restrictions. The use of funding is restricted as follows:

1. A contractor shall determine that the client is not eligible to receive services under another funding source prior to authorizing the use of elder abuse prevention initiative funds and shall document this in the assessment.

2. Services funded shall reduce or eliminate abuse, neglect, self-neglect, exploitation, or risk of the same.

3. The funds shall be utilized for one-time expenditures but may be used for ongoing or monthly expenditures if no other funding source is available and the client would otherwise remain in an abusive situation.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.6(231) Reallocation of funds. The contractor shall report, in writing, any projected underexpenditure of funds prior to the completion of the contract. The department may reallocate such funds to other contractors for the same purpose or to the department's elder abuse prevention efforts.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.7(231) Eligibility. If funding is available, an older individual shall be eligible for assistance under the elder abuse prevention initiative if all of the following criteria are met:

15.7(1) If abuse, neglect, exploitation, or self-neglect exists, or there is risk of same. [ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.8(231) Assessment intake. A contractor shall accept all referrals for at-risk older individuals who may be experiencing abuse, neglect, self-neglect, or exploitation. The primary purpose of intake is to obtain available and pertinent information regarding an allegation of elder abuse to determine whether or not a referral becomes a case. When a referral is received, the contractor shall record all allegations and concerns on the intake portion of the assessment form to determine the priority level of the case as follows:

15.8(1) Priority 1. The at-risk older individual's health or safety is in immediate danger, and the individual requires immediate intervention. The contractor shall contact appropriate agencies such as the department of human services, emergency medical services, and law enforcement. A face-to-face visit with the at-risk older individual and completion of the assessment form shall occur after the life-threatening situation is resolved and within one business day.

15.8(2) Priority 2. The at-risk older individual's health or safety is not in immediate danger, but the risk is real and foreseeable in the future. A face-to-face visit with the at-risk older individual and completion of the assessment shall be made within four working days.

15.8(3) Priority 3. The at-risk older individual's health or safety is not in immediate danger, but there is potential risk for abuse, neglect, self-neglect, or exploitation. Contact with the at-risk older individual is required within ten working days.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.9(231) Release of information. A release of information form designated by the department shall be signed by the at-risk older individual or the individual's legal representative prior to the provision of services. In Priority 1 cases, if obtaining the at-risk older individual's signature will delay the process of immediate intervention or the protection of the at-risk older individual's safety, telephone approval

is acceptable and shall be documented in the assessment. In this circumstance, appropriate signatures shall be obtained as soon as the life-threatening situation is resolved and a face-to-face assessment is conducted. A release shall also be signed by a client or the client's legal representative if photographs, electronic images, or recordings are taken involving the client or the client's home.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.10(231) Assessment. A comprehensive assessment shall be completed on each client within the time frames specified in 17—15.8(231) to protect the client's safety and provide for services where necessary and desired by the client. The tasks associated with completion of the assessment are:

15.10(1) Interviewing the alleged victim. This shall include interviewing the at-risk older individual to identify the nature and scope of the abuse or risk; assessing the at-risk older individual's cognitive, emotional, and physical capabilities, home environment, relationships with others living in the residence, relationships with any service providers, and information on the alleged offender; and gathering any information related to prior incidences of similar abuse or risk. Interviews with the alleged victim shall occur without the alleged offender present.

15.10(2) Interviewing other sources. Attempts shall be made to conduct interviews with persons who have relevant information to share about allegations.

15.10(3) Evaluating the information. Evaluation of the information shall include an analysis that confirms whether or not the alleged victim meets the eligibility criteria for services.

15.10(4) Intervention plan. An intervention plan designed to address the victim's situation shall be developed for all clients who are found to be eligible for services and, at a minimum, shall include a service plan, desired outcomes, funding source, and dates to review progress. If the situation is perpetuated by an older individual's personal choices, the intervention plan shall note this.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.11(231) Monitoring and reassessment. A contractor shall monitor the provision of services identified in the intervention plan. A contractor shall conduct and document a face-to-face client reassessment every six months or whenever there is a significant change in the client's physical health, mental health, economic status, or risk status and shall update the intervention plan accordingly.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.12(231) Purchase of service. A contractor may subcontract with a service provider for the provision of services. Any service provided by a contractor or a subcontractor shall be documented on a purchase of service form designated by the department. A subcontractor shall send the purchase of service form to the coordinator for approval prior to the expenditure of funds. Notification of approval or denial shall be sent to the subcontractor via E-mail or fax and shall be retained in the client's case record. A service provider shall bill the contractor within 30 days of rendering a service. A copy of all invoices shall be kept in the client's case record.

15.13(1) A case record shall be maintained for each client and shall contain copies of the assessments and any related correspondence or information that pertains to the assessment of the client, intervention plan, medical records, updates, legal representation documents, and documentation of dates, times, travel, activities, and expenditures related to the client. The department shall have complete access to all client case records during regular business hours and upon request.

15.13(2) Case records shall be maintained for a minimum of five years from the date a case is closed in accordance with Iowa Code chapter 305. A case record that is closed shall contain completed assessments; signed release of information forms; purchase of service forms and invoices for services rendered; department of human services' dependent adult abuse report forms; photographs, electronic images, or recordings; and all case documentation, records, and notes.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.14(231) Refusal of assistance. A client has the right to refuse services at any time. However, if dependent adult abuse is suspected, the abuse shall be reported to law enforcement, the department of human services, and the county attorney pursuant to mandatory reporting requirements.
[ARC 8553B, IAB 2/24/10, effective 3/31/10]

3. The client moves into a nursing facility as defined in Iowa Code section 135C.1(13);
4. The client or the client's legal representative requests termination of services;
5. The client is unwilling or unable to meet the terms in the intervention plan;
6. The client's legal representative refuses to provide information needed for the development of an intervention plan; or
7. There is risk of harm to the contractor or service provider.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.16(231) Confidentiality and disclosure. Client identification numbers shall be used to maintain confidentiality. All case records shall be maintained by the department and the contractor as confidential records pursuant to Iowa Code section 22.7 and shall not be disclosed except with the written consent of the client or the client's legal representative.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

17—15.17(231) Legal representatives.

15.17(1) A legal representative shall provide appointment papers, a court order, or power of attorney documentation within 72 hours of being contacted by a contractor. The legal representative's signature shall be obtained on the assessment before the client receives services.

15.17(2) If there is suspicion of abuse, neglect, exploitation or self-neglect of an older individual and the legal representative will not permit access to the older individual, the contractor shall make oral and written reports to the department of human services and local law enforcement pursuant to Iowa Code section 235B.3. The contractor shall also notify the judge in probate for the county in which the guardianship or conservatorship was filed by certified letter within five days of the denial of access. The notification shall detail concerns and potential consequences of the guardian's or conservator's action or inaction that appears not to be in the best interest of the older individual.

[ARC 8553B, IAB 2/24/10, effective 3/31/10]

3. Impedes or adversely affects governmental efficiency or economy;
4. Engages in conduct that could adversely affect the confidence of the public in the integrity of the elder abuse prevention initiative;

6. Has a client that is related to the contractor, entity, or individual within the third degree of consanguinity.
