13.1(2) If approved by the board, a resident license shall allow the licensee to serve as a resident, intern, or graduate student dentist or dental hygienist, under the supervision of a practitioner who holds an active Iowa license or faculty permit, at the University of Iowa College of Dentistry or at an institution approved by the board.

13.1(3) If a resident licensee leaves the service of such institution during the tenure of residency, internship or graduate study, the license shall be considered null and void and the authority granted by the board to the licensee shall be automatically canceled. The director of the resident training program shall notify the board within 30 days of the licensee's terminating from the program.

13.1(4) The resident license shall be valid for one year and may be renewed annually during such period of time as the dental resident is continuously enrolled in a graduate dental education program. A resident license issued or renewed on or after January 1, 2006, shall expire on the expected date of completion of the resident training program as indicated on the licensure or renewal application.

13.1(5) A resident license may be extended past the original expected completion date of the training program at the discretion of the board. 13.1(6) The director of the resident training program shall report annually on July 1 the progress of residents under the director's supervision and whether any warnings have been issued, investigations conducted or disciplinary actions taken, whether by voluntary agreement or formal action. The board shall notify the program directors of the reporting requirement at least 30 days prior to the deadline.

13.1(7) A resident licensee who changes resident training programs shall apply for a new resident license and also include a statement from the director of the applicant's most recent residency program documenting the applicant's progress in the program.

13.1(8) No examination or continuing education shall be required for this license.

satisfactorily or receive effective supervision as determined by the board shall be grounds for revocation of the license after proper notice and hearing.

This rule is intended to implement Iowa Code section 153.22.

[ARC 9218B, IAB 11/3/10, effective 12/8/10; ARC 0265C, IAB 8/8/12, effective 9/12/12]

650—13.3(153) Temporary permit. The board may issue a temporary permit authorizing the permit holder to practice dentistry or dental hygiene on a short-term basis in Iowa at a specific location or locations to fulfill an urgent need, to serve an educational purpose, or to provide volunteer services. A temporary permit may be granted on a case-by-case basis.

13.3(1) General provisions.

a. The temporary permit is intended for dentists and dental hygienists with short-term assignments in Iowa that fulfill an urgent need, serve an educational purpose, or provide volunteer services, and clearly have no long-term implications for licensure. If the need changes or if the permit holder wishes to continue in short-term assignments in other Iowa locations, the permit holder is expected to seek permanent licensure. A temporary permit is not meant as a way to practice before a permanent license is granted or as a means to practice because the applicant does not fulfill the requirements for permanent licensure.

b. The board may issue a temporary permit authorizing the permit holder to practice at a specific location or locations in Iowa for a specified period up to three months.

c. Following expiration of the permit, a permit holder shall be required to obtain a new temporary permit or a permanent license in order to practice dentistry or dental hygiene in Iowa.

d. A person may be issued not more than three temporary permits to fulfill an urgent need or serve an educational purpose.

e. The board may cancel a temporary permit if the permit holder has practiced outside the scope of the permit or for any of the grounds for which licensure may be revoked or suspended as specified in Iowa Code chapters 147, 153, and 272C and 650—30.4(147,153,272C). When cancellation of a permit is proposed, the board shall promptly notify the permit holder by sending a statement of charges and notice of hearing by certified mail to the last-known address of the permit holder. The provisions of 650—Chapter 51 shall govern a contested case proceeding following notice of intent to cancel the permit.

f. A temporary permit shall be displayed in the primary location of practice.

g. A temporary permit holder shall notify the board by written correspondence or through the board’s online system of any change in name or mailing address within seven days of the change. A certified copy of a marriage license or a certified copy of court documents is required for proof of a name change.

13.3(2) Eligibility for a temporary permit to fulfill an urgent need or serve an educational purpose. An application for a temporary permit shall be filed on the form provided by the board and must be completely answered, including required credentials and documents. An applicant for a temporary permit may submit an application online or on a paper form. To be eligible for a temporary permit to fulfill an urgent need or serve an educational purpose, an applicant shall provide all of the following:

a. Satisfactory evidence of graduation with a DDS or DMD degree for applicants seeking a temporary permit to practice dentistry or satisfactory evidence of graduation from a dental hygiene school for applicants seeking a temporary permit to practice dental hygiene.

b. The nonrefundable application fee for a temporary permit to fulfill an urgent need or serve an educational purpose as specified in 650—Chapter 15.

c. A statement:

- (1) Confirming that the applicant possesses a valid certificate from a nationally recognized course in cardiopulmonary resuscitation (CPR) that included a “hands-on” clinical component;
- (2) Providing the expiration date of the CPR certificate; and
- (3) Acknowledging that the CPR certificate will be retained and made available to board office staff as part of routine auditing and monitoring.

d. A statement disclosing and explaining any disciplinary actions, investigations, complaints, malpractice claims, judgments, settlements, or criminal charges against the applicant.

e. Certification from the state board of dentistry, or equivalent authority, from a state in which the applicant has been licensed for at least three years immediately preceding the date of application and evidence of having engaged in the practice of dentistry in that state for three years immediately preceding the date of application or evidence of three years of practice satisfactory to the board. The applicant must also provide evidence that the applicant has not been the subject of final or pending disciplinary action.

f. Evidence from the appropriate examining board from each jurisdiction in which the applicant has ever held a license. At least one license must be issued on the basis of clinical examination.

g. A request for the temporary permit from those individuals or organizations seeking the applicant’s services that establishes, to the board’s satisfaction, the justification for the temporary permit, the dates the applicant’s services are needed, and the location or locations where those services will be delivered.

13.3(3) Eligibility for a temporary permit to provide volunteer services.

a. A temporary permit to provide volunteer services is intended for dentists and dental hygienists who will provide volunteer services at a free or nonprofit dental clinic and who will not receive compensation for dental services provided. A temporary permit issued under this subrule shall be valid only at the location specified on the permit, which shall be a free clinic or a dental clinic for a nonprofit organization, as described under Section 501(c)(3) of the Internal Revenue Code.

b. An application for a temporary permit shall be filed on the paper form provided by the board. The application form will collect the name, address, and telephone number of the applicant, the location of the free clinic or dental clinic for a nonprofit organization, and the dates on which the volunteer services will be provided. The application form must be accompanied by each of the following:

(1) A verification of license (or substantially similar document) from the appropriate licensing board of the applicant’s home jurisdiction.

(2) A statement:

1. Confirming that the applicant possesses a valid certificate from a nationally recognized course in cardiopulmonary resuscitation (CPR) that included a “hands-on” clinical component;
2. Providing the expiration date of the CPR certificate; and
3. Acknowledging that the CPR certificate will be retained and made available to board office staff as part of routine auditing and monitoring.

(3) A statement disclosing and explaining any pending disciplinary actions or criminal charges against the applicant.

(4) A statement from the applicant seeking the temporary permit that the applicant shall practice only in a free dental clinic or dental clinic for a nonprofit organization and that the applicant shall not receive compensation directly or indirectly for providing dental services.

13.3(4) Dental hygiene committee review. The dental hygiene committee shall make recommendations to the board regarding the issuance or denial of any temporary permit to practice dental hygiene. The board’s review of the dental hygiene committee’s recommendation is subject to 650—Chapter 1.

13.3(5) Denial of temporary permit. The board may deny a temporary permit in accordance with 650—11.9(147,153) or, at the sole discretion of the board, for failure to justify the need for a temporary permit. The procedure for appealing the denial of a permit is set forth in 650—11.10(147).

13.3(6) A temporary permit holder shall be subject to and follow all rules and state laws pertaining to the practice of dentistry and dental hygiene in this state.

This rule is intended to implement Iowa Code section 153.19.

650—13.4(153) Retired volunteer license. Upon application and qualification, the board may issue a retired volunteer license to a dentist or dental hygienist who has retired from the practice of dentistry or dental hygiene to enable the dentist or dental hygienist to provide volunteer dental or dental hygiene services without remuneration.

13.4(1) Applications for a retired volunteer license shall be made on forms provided by the board, which may include online applications, and must be complete. Incomplete applications will not be accepted.

13.4(2) Applications shall be filed with the board and must include:

- a. Satisfactory evidence that the applicant has retired from practice; and
- b. A statement disclosing and explaining any disciplinary actions or criminal charges, or both; and
- c. Satisfactory evidence demonstrating that:

(1) The applicant has held an active dental or dental hygiene license within the previous five years;

or

(2) The applicant possesses sufficient knowledge and skill to practice safely and competently if the applicant has not held an active dental or dental hygiene license within the previous five years.

13.4(3) A person holding a retired volunteer license shall not practice unless an Iowa-licensed dentist with an active license is present at the location of practice at all times. Screenings and educational programs may be performed without the presence of an Iowa-licensed dentist with an active license, provided that all other board rules governing the respective practice in regards to supervision requirements and permitted scope of practice are met.

13.4(4) A person holding a retired volunteer license shall not charge a fee or receive compensation or remuneration in any form from any person or third-party payer, including but not limited to an insurance company, health plan, or state or federal benefit program.

13.4(5) An applicant who has surrendered, resigned, converted, or allowed a license to lapse or expire as the result of or in lieu of disciplinary action shall not be eligible for a retired volunteer license.

13.4(6) A retired volunteer license shall not be considered to be an active license to practice dentistry or dental hygiene and cannot be converted to any regular license type with active or inactive status.

13.4(7) A person holding a retired volunteer license is prohibited from delegating duties to other licensees or registrants and is prohibited from providing any level of supervision to other licensees or registrants. Licensees and registrants assisting persons with a retired volunteer license do so only under the delegation and supervision of the Iowa-licensed dentist with an active license who is required to be present at all times.

13.4(8) A person holding a retired volunteer license is prohibited from prescribing, administering, or dispensing prescription drugs and all controlled substances.

13.4(9) A person holding a retired volunteer license is subject to all rules and regulations governing the practice of dentistry or dental hygiene except those related to the payment of fees, license renewal, and continuing education.

13.4(10) The board shall not charge an application or licensing fee for issuance of a retired volunteer license.

13.4(11) A retired volunteer license is valid for 12 months from the date of issuance, at which time it expires and becomes invalid. A retired volunteer license holder whose license has become invalid is prohibited from the practice of dentistry or dental hygiene until a new retired volunteer license is issued.

13.4(12) The board may cancel a retired volunteer license if the holder has practiced outside the scope of the license or for any of the grounds for which licensure may be revoked or suspended as specified in Iowa Code chapters 147, 153, and 272C and 650—30.4(147,153,272C). When cancellation of a retired volunteer license is proposed, the board shall promptly notify the license holder by sending a statement of charges and notice of hearing by certified mail to the last-known address of the license holder or by personal service. The provisions of 650—Chapter 51 shall govern a contested case proceeding following notice of intent to cancel the license.

13.4(13) A person holding a retired volunteer license shall notify the board by written correspondence or through the board's online system of any change in name or home address within

seven days of the change. A copy of a certified marriage license or copy of certified court documents is required for proof of a name change.

13.4(14) The dental hygiene committee shall make recommendations to the board regarding the issuance or denial of any retired volunteer license to practice dental hygiene. The board's review of the dental hygiene committee's recommendation is subject to 650—Chapter 1.

13.4(15) The board may deny a retired volunteer license in accordance with 650—11.9(147,153). The procedure for appealing the denial is set forth in 650—11.10(147).

13.4(16) A person holding an inactive Iowa dental or dental hygiene license may also hold a retired volunteer license.

This rule is intended to implement Iowa Code section 153.23.
