20.1(1) Insurers required to file rates or forms with the division shall submit required rate and form filings and any fees required for the filings electronically using the National Association of Insurance Commissioners' System for Electronic Rate and Form Filing (SERFF). Insurers must comply with the division's requirements for submissions, including both the Iowa general instructions and the specific submission requirements for the type of insurance for which the companies are submitting forms or rates, as set out on the SERFF website at serff.com.

20.1(2) No rate filing shall include any adjustment designed to recover underwriting or operating losses incurred out of state. Upon request by the commissioner, insurers doing business in Iowa shall segregate in their rate filings data from any state identified by the commissioner, and the filings shall include a certification that no portion of any rate increase is designed to recover underwriting or operating losses incurred in another state.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.2(505) Objection to form filing.

20.2(1) Any insured or established organization with one or more insureds among its members that has an objection to a form filing may submit to the insurance commissioner a written request for a hearing on the filing. A request for a hearing must be filed within 20 days after the filing has been received by the commissioner.

20.2(2) Within 20 days after receipt of the request for a hearing, the commissioner will hold a hearing to consider the objection to the filing. The commissioner will provide not less than ten days' written notice of the time and place of the hearing to the person or association filing the request, to the filing insurer or organization, and to any other person requesting notice. The commissioner may suspend or postpone the effective date of the filing pending the hearing. Upon consideration of the information received at the hearing, the commissioner may determine whether or not to approve the filing.

20.4(1) Each policy form, endorsement, application and agreement modifying the provisions of policies must bear an identification form number. This form number must be in the lower left-hand corner unless uniform or authentic forms are used.

20.4(2) Reserved.

20.4(3) A form filing that has not been previously approved, disapproved or questioned shall be deemed approved on or after 30 days from the date that all necessary requirements are submitted to SERFF.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.5(515A) Rate or manual rule filing.

20.5(1) Every insurer shall determine and file its final rates with the commissioner pursuant to provisions of Iowa Code chapter 515F, except for insurers of workers' compensation that are specifically excluded by Iowa Code section 515F.3(2) and residual market mechanisms.

a. Advisory organizations, defined in Iowa Code section 515F.2 and licensed pursuant to Iowa Code section 515F.8, may file on behalf of their member and subscriber companies prospective loss costs, supplementary rating information and supporting information as defined in Iowa Code section 515F.2. Advisory organization filings shall be filed and made effective in accordance with the provisions of Iowa Code sections 515F.4 through 515F.6 or 515F.23 through 515F.25 that apply to the filing and approval of rates and supplementary rating information.

b. An insurer may satisfy its obligation to make rate filings and supplementary rating information by becoming a participating insurer of a licensed advisory organization that makes reference filings of advisory prospective loss costs and by authorizing the commissioner to accept such filings on its behalf, subject to any modifications filed by the insurer. The insurer's rates shall be the prospective loss costs filed by the advisory organization that have been put into effect in accordance with paragraph 20.5(1) "a," combined with the loss cost adjustments that are filed in accordance with paragraph 20.5(1) "a."

c. If an insurer has previously filed forms modifying coverage provided by the applicable advisory organization forms, such fact should be noted in the rate filing.

20.5(2) Rate filings shall reflect that due consideration has been given to the factors enumerated in Iowa Code section 515F.4(1), and shall be accompanied by supporting statistical exhibits. In addition, each filing shall note the date of the last revision of rates affecting this coverage and briefly describe the nature of that revision. Such filings shall identify each page filed by placing their own name thereon.

20.5(3) If a company filing rates used the manuals of an advisory organization in its filings, any portion of the manuals of the advisory organization that will not be followed by the filing must be clearly shown as deleted or amended by use of an appropriately numbered exception page.

20.5(4) For residual market mechanisms, insurers making filings on their own behalf shall identify the submission as an independent filing or a deviation from the previously filed form, rate, or rule. A deviation filing is a submission that represents modification of a form or rate or rule previously filed by an authorized rating organization or advisory organization on behalf of its member and subscriber companies. An insurer shall note in its filing if it has previously filed forms modifying coverage provided by the applicable standard forms.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.6(515A) Exemption from rate filing requirement.

20.6(1) An insurer requesting, pursuant to Iowa Code section 515F.5(4), suspension or modification of the requirement of filing of a rate shall provide the commissioner with a full explanation for the proposed exemption from the filing requirement together with any actuarial data available and shall furnish the commissioner with any additional material the commissioner may desire.

20.6(2) If the commissioner finds that a proposed rate represents a classification for which credible and homogeneous statistical experience does not exist and cannot be analyzed using standard actuarial techniques to produce a statistically significant average rate for the individual risks within the classification, the commissioner may exempt the insurer from the filing requirement for that proposed rate.

20.6(3) An insurer shall maintain statistical records of the experience and expenses attendant upon the risks covered by any rate exempted by the commissioner from the filing requirement. The insurer may supplement statistical information filed with the commissioner with information by an advisory organization licensed pursuant to Iowa Code section 515F.8.

This rule is intended to implement Iowa Code section 515A.4(6).

20.49(2) An inspection need not be made if the governing committee determines that insurance can be provided for specified classes of risks on the basis of representations of the applicant or insurance producer.

20.49(3) The Plan may bind coverage. The Plan may wait until receipt of the inspection report or receipt of additional underwriting information before determining whether to bind coverage. Coverage will be bound by the Plan by acknowledgement to the producer.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.50(515,515F) Inspection procedure.

20.50(1) The inspection by the Plan shall be without cost to the applicant.

20.50(2) The manner and scope of the inspection shall be prescribed by the Plan with the approval of the commissioner.

20.50(3) An inspection report shall be made for each property inspected covering pertinent structural and occupancy features as well as the general condition of the building and surrounding structures. Representative photographs may be taken during the inspection to indicate the pertinent features of building, construction, maintenance, occupancy, and surrounding property.

20.50(4) After the inspection, a copy of the completed inspection report and any relevant photographs shall be kept on file by the Plan. The report shall include a description of any deficient physical condition changes proposed by the inspector. A copy of the inspection report shall be made available to the applicant or producer upon request.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.51(515,515F) Procedure after inspection and receipt of application.

20.51(1) After receipt of the application, the inspection report, and any additional underwriting information requested from the applicant, the Plan shall within five business days complete and send to the applicant an action report advising the applicant of one of the following:

- a.* That the risk is acceptable. If the inspection reveals substandard conditions, appropriate charges may be imposed, but the report shall specify the improvements necessary for removal of each such charge.
- b.* That the risk is declined unless reasonable improvements noted in the action report are made by the applicant and confirmed by reinspection.
- c.* That the risk is declined because the risk fails to meet reasonable underwriting standards as set forth in rule 191—20.52(515,515F). Reasonable underwriting standards as set forth in rule 191—20.52(515,515F) shall not include neighborhood or area location or any environment hazard beyond the control of the property owner.

20.51(2) If the risk is accepted, the action report shall advise the applicant of:

- a.* The amount of coverage the Plan agrees to write.
- b.* The amount of coverage the Plan agrees to write if specified improvements are made.
- c.* The amount of coverage the Plan agrees to write only if a large or special deductible is agreed to by the applicant.

20.51(3) If the risk is accepted, the Plan, upon receipt of the premium, shall deliver the policy to the applicant or to the licensed producer designated by the applicant for delivery to the applicant. The Plan shall remit the commissions to the licensed producer designated by the applicant.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.52(515,515F) Reasonable underwriting standards for property coverage.

20.52(1) The following characteristics may be used in determining whether a risk is acceptable for property coverage. Where there is more than one cause for declination, all causes shall be listed and complied with before the property may be accepted for insurance purposes.

- a.* Physical condition of property; however, the mere fact that a property does not satisfy all current building code specifications will not, of itself, suffice as a reason for declination.
- b.* The property's present use as extended vacancy or extended unoccupancy of the property for 60 consecutive days. Properties that are vacant or unoccupied for more than 60 days may be insured while rehabilitation or reconstruction work is actively in process, meaning that the insured or owner should make monthly progress in order to complete the rehabilitation or reconstruction within a one-year time frame.
- c.* Other specific characteristics of ownership, condition, occupancy or maintenance that violate the law and that result in substantial increased exposure to loss. Any circumstance considered under this paragraph must relate to the peril insured against.
- d.* Physical condition of buildings that results in an outstanding order to vacate, in an outstanding demolition order or in being declared unsafe in accordance with the applicable law.
- e.* One or more of the conditions for nonrenewal as listed in rule 191—20.54(515,515F) currently exist. The Plan shall upon notice that conditions at the buildings have changed consider a new application for coverage.
- f.* Previous loss history or matters of public record concerning the applicant or any person defined as an insured under the policy.
- g.* Any other guidelines that have been approved by the commissioner.

20.52(2) Reserved.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.53(515,515F) Reasonable underwriting standards for liability coverage.

20.53(1) The following characteristics may be used in determining whether a risk is acceptable for liability insurance on homeowner policies:

- a.* Broken, cracked, uneven or otherwise faulty steps, porches, decks, sidewalks, patios and similar areas.
- b.* Downspouts or drains that discharge onto sidewalks or driveways.
- c.* Unsafe conditions including inadequate lighting of stairways.

- d.* Animals known to be vicious or animals that have caused a liability claim.
- e.* Swimming pools or private ponds not fenced in accordance with local regulations.
- f.* Unsafe, or the absence of, handrails.
- g.* Junk cars, empty refrigerators, trampolines or other potentially dangerous objects in the yard that are an attraction to children.
- h.* Previous loss history or matters of public record concerning the applicant or any person defined as an insured under the policy.
- i.* Any other guidelines that have been approved by the commissioner.

20.53(2) Liability insurance shall only be provided as contained in the Iowa FAIR Plan homeowners policy.

20.53(3) Liability insurance shall not be provided for risks with any of the deficiencies set forth in paragraphs 20.53(1)“*a*” through “*g*,” as disclosed by the application or inspection, until the deficiencies have been corrected.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.54(515,515F) Cancellation; nonrenewal and limitations; review of eligibility.

20.54(1) The Plan shall not cancel or refuse to renew a policy issued by the Plan except for the following reasons:

- a.* Facts as confirmed by inspection or investigation that would have been grounds for nonacceptance of the risk by the Plan had they been known to the Plan at the time of acceptance.
- b.* Changes in the physical condition of the property or other changed conditions as confirmed by inspection or investigation that make the risk uninsurable pursuant to paragraph 20.54(1)“*i*.”
- c.* Nonpayment of premiums.
- d.* At least 65 percent of the rental units in the building are unoccupied, and the insured has not received prior approval from the Plan of a rehabilitation program that necessitates a high degree of unoccupancy.
- e.* Unrepaired damage exists and the insured has stated that repairs will not be made, or such time has elapsed as clearly indicates that the damage will not be repaired.
- f.* After a loss, permanent repairs have not been commenced within 60 days following payment of the claim, unless there are known to be extenuating circumstances. The 60-day period starts upon acceptance of payment of the claim.
- g.* There is good cause to believe, based on reliable information, that the building will be burned for the purpose of collecting the insurance on the property. The removal of damaged salvageable items, such as normally permanent fixtures, from the building shall be considered under this paragraph when the insured can provide no reasonable explanation for such removal.
- h.* A named insured or loss payee or other person having a financial interest in the property being convicted of the crime of arson or a crime involving a purpose to defraud an insurance company. The fact that an appeal has been entered shall not negate the use of this paragraph.
- i.* The property has been subject to more than two losses, each loss amounting to at least \$500 or 1 percent of the insurance in force, whichever is greater, in the immediately preceding 12-month period, or more than three such losses in the immediately preceding 24-month period, provided that the cause of such losses is due to the conditions that are the responsibility of the owner named insured or due to the actions of any person defined as an insured under the policy.
- j.* Material misrepresentation in any statement to the Plan.
- k.* On homeowners policies, excessive theft or liability losses.

20.54(2) The Plan shall terminate all insurance contracts in accordance with Iowa Code sections 515.125, 515.127, and 515.128.

20.54(3) At the completion of 36 months of coverage and prior to the completion of 48 months, each risk shall be reviewed for its eligibility for coverage in the voluntary market. The risk shall be submitted by the Plan to the producer of record, if any, for a search of the voluntary market. If the producer resubmits the risk to the Plan, the risk must be resubmitted with a new application and a written statement from the producer that a search of the voluntary market was performed.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.55(515,515F) Assessments.

20.55(1) Participation and assessments by and upon each insurer in the Plan for losses and expenses in connection with Plan business shall be levied and assessed by the governing committee of the Plan on the basis of participation factors determined annually, giving effect to the proportion that such insurer's weighted premiums written bears to the aggregate weighted premiums written by all insurers in the Plan.

20.55(2) De minimis assessments. Any assessment of less than \$100 shall not be billed to an insurer.

20.55(3) Late payment fee. Assessments shall be due and payable when billed. If any member fails to pay an assessment within 60 days after it is due, the insurer shall pay interest from the billing date at the rate of 1.5 percent per month. In the event that an insurer fails to pay any applicable late payment fee with an assessment, the amount of such unpaid late payment fee will be included in the amount of the insurer's next assessment.

20.55(4) Credits for voluntary writings. The Plan may develop a voluntary writing credit policy, subject to approval by the commissioner. Credits may be used as offsets to member company assessments made by the Plan.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.56(515,515F) Commission.

20.56(1) Commission to the licensed producer designated by the applicant shall be 10 percent of all policy premiums. The Plan shall not license or appoint producers.

20.56(2) In the event of cancellation of a policy, or if an endorsement is issued that requires the premium to be returned to the insured, the producer shall refund proportionally to the Plan commissions on the return premium at the same rate at which such commissions were originally paid.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.57(515,515F) Public education. In cooperation with the insurance commissioner, the Plan shall undertake a continuing education program with insurers, producers and consumers about the Plan's insurance program and its availability. All insurers and producers shall cooperate fully in the continuing education program. Such continuing education program will include the publication and distribution of literature:

1. Describing the Plan and its general operation;
2. Explaining the possible cost savings of obtaining insurance in the voluntary market; and
3. Advising of the availability of rate comparison charts.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.58(515,515F) Cooperation and authority of producers.

20.58(1) Each insurer shall require its licensed producers to cooperate fully in the accomplishment of the intents and purposes of the Plan.

20.58(2) Licensed insurance producers shall not act as agents for the Plan.

20.58(3) Licensed insurance producers shall not do any of the following:

- a. Bind coverage for the Plan.
- b. Alter or change policies issued by the Plan.
- c. Settle losses of the Plan.
- d. Act on behalf of the Plan or commit the Plan to any course of action.

20.58(4) Licensed insurance producers shall assist applicants who need to apply for coverage under the Plan, and shall submit applications that meet the requirements under rule 191—20.49(515,515F). Producers shall follow the rules and procedures of the Plan.

[ARC 7736C, IAB 3/20/24, effective 4/24/24]

191—20.60(515,515F) Indemnification. Each person serving on the governing committee or any of its subcommittees, each member of the Plan, and the manager and each officer and employee of the Plan shall be indemnified by the Plan against all cost, settlement, judgment, and expense actually and necessarily incurred by that person in connection with the defense of any action, suit, or proceeding in which that person is made a party by reason of that person's being or having been a member of the governing committee or a member or manager or officer or employee of the Plan, except in relation to matters as to which that person has been judged in an action, suit, or proceeding to be liable by reason of willful misconduct in the performance of that person's duties as a member of the governing committee or as a member, manager, officer or employee of the Plan. This indemnification shall not apply to any loss, cost or expense on insurance policy claims under the Plan. Indemnification under this rule shall not be exclusive of other rights to which the member, manager, officer, or employee may be entitled as a matter of law.
