191—50.37(502) Cash solicitation.

50.37(1) Payment of a cash fee, directly or indirectly, by an investment adviser to a solicitor for solicitation activities shall constitute an act, practice, or course of conduct operating as a fraud or deceit upon a person, pursuant to Iowa Code section 502.502(2), if:

Prior to or upon entering into a written or oral investment advisory contract with a client, the investment adviser shall obtain a signed and dated acknowledgment of receipt by the client of the investment adviser's and solicitor's written disclosure statements. Additionally, the investment adviser shall make a bona fide effort to ascertain whether the solicitor has complied in all aspects with the written agreement, and shall have a reasonable basis for believing that the solicitor has complied.

c. The cash fee is paid to a solicitor:

50.37(4) For the purpose of this rule:

"Client" includes any prospective client.

"Impersonal advisory services" means investment advisory services provided solely through written materials or oral statements not purporting to meet the objectives or needs of the specific client, statistical information containing no expressions of opinion as to the investment merits of particular securities, or any combination of the foregoing.

However, an investment adviser registered in Iowa whose principal place of business is located outside Iowa shall not be subject to the record maintenance requirements of this subrule and the applicable provisions of paragraph 50.42(1) "o" if:

b. The investment adviser complies with the applicable books and records requirements of the state in which the investment adviser maintains the investment adviser's principal place of business; and

c. The provisions of this rule would require the investment adviser to maintain books or records in addition to those required by the laws of the state in which the investment adviser maintains the investment adviser's principal place of business.

This rule is intended to implement Iowa Code section 502.502(2).

191—50.38(502) Prohibited conduct in providing investment advice.

50.38(1) An investment adviser, an investment adviser representative, or a federal covered investment adviser is a fiduciary and has a duty to act primarily for the benefit of its clients. Rule 191—50.38(502) applies to federal covered investment advisers to the extent that the alleged conduct is fraudulent, deceptive, or as otherwise permitted by the NSMIA. b. Exercising any discretionary authority in placing an order for the purchase or sale of securities for a client without obtaining written discretionary authority from the client within ten business days after the date of the first transaction placed pursuant to discretionary authority, unless the discretionary authority relates solely to the price at which, or the time when, an order for a definite amount of a specified security shall be executed, or both;

g. Loaning money or securities to a client unless the investment adviser is a financial institution engaged in the business of loaning funds or the client is an affiliate of the investment adviser;

h. (1) Compensation arrangements connected with investment advisory services to clients which are in addition to compensation from such clients for such services; and

(1) The prohibitions of paragraph 50.38(1) “*l*” shall not apply to any transaction with a customer of a broker-dealer if the broker-dealer is not acting as an investment adviser in relation to the transaction.

(2) The prohibitions of paragraph 50.38(1) “*l*” shall not apply to any transaction with a customer of a broker-dealer if the broker-dealer acts solely as an investment adviser:

1. By means of publicly distributed written materials or publicly made oral statements;
2. By means of written materials or oral statements not purporting to meet the objectives or needs of specific individuals or accounts;
3. Through the issuance of statistical information containing no expressions of opinion as to the investment merits of a particular security; or

50.38(4) For the purposes of subrule 50.38(2), the term “advertisement” shall include any notice, circular, letter, or other written communication addressed to more than one person, or any notice or other announcement in any electronic or paper publication, by radio or television, or by any medium, that offers any one of the following:

191—50.39(502) Custody of client funds or securities by investment advisers.

50.39(1) Safekeeping required. It is unlawful and deemed to be a fraudulent, deceptive, or manipulative act, practice, or course of business for an investment adviser, registered or required to be registered, to have custody of client funds or securities unless the following conditions are met:

a. Notice to administrator. The investment adviser notifies the administrator promptly in writing that the investment adviser has or may have custody. Such notification is required to be given on Form ADV.

b. Qualified custodian. A qualified custodian maintains those funds and securities:

(1) In a separate account for each client under that client's name; or

(2) In accounts that contain only the investment adviser's clients' funds and securities, under the investment adviser's name as agent or trustee for the clients, or, in the case of a pooled investment vehicle that the investment adviser manages, in the name of the pooled investment vehicle.

c. Notice to clients. If an investment adviser opens an account with a qualified custodian on its client's behalf, under the client's name, under the name of the investment adviser as agent, or under the name of a pooled investment vehicle, the investment adviser must notify the client in writing of the qualified custodian's name and address and the manner in which the funds or securities are maintained, promptly when the account is opened and following any changes to this information. If the investment adviser sends account statements to a client to whom the investment adviser is required to provide this notice, the investment adviser must include in the notification provided to that client and in any subsequent account statement the investment adviser sends that client a statement urging the client to compare the account statements from the custodian with those from the investment adviser.

d. Account statements. The investment adviser has a reasonable basis, after due inquiry, for believing that the qualified custodian sends an account statement, at least quarterly, to each client for which the qualified custodian maintains funds or securities, identifying the amount of funds and of each security in the account at the end of the period and setting forth all transactions in the account during that period.

e. Special rule for limited partnerships and limited liability companies. If the investment adviser or a related person is a general partner of a limited partnership (or managing member of a limited liability company, or holds a comparable position for another type of pooled investment vehicle):

(1) The account statements required under paragraph 50.39(1) "d" must be sent to each limited partner (or member or other beneficial owner); and

(2) The investment adviser must:

1. Enter into a written agreement with an independent party who is obliged to act in the best interest of the limited partners, members, or other beneficial owners to review all fees, expenses and capital withdrawals from the pooled accounts; and

2. Send all invoices or receipts to the independent party, detailing the amount of the fee, expenses or capital withdrawal and the method of calculation such that the independent party can:

- Determine that the payment is in accordance with the pooled investment vehicle standards (generally the partnership agreement or membership agreement); and

- Forward, to the qualified custodian, approval for payment of the invoice with a copy to the investment adviser.

f. Independent verification. The client funds and securities of which the investment adviser has custody are verified by actual examination at least once during each calendar year, by an independent certified public accountant (CPA), pursuant to a written agreement between the investment adviser and the independent CPA, at a time that is chosen by the independent CPA without prior notice or announcement to the investment adviser and that is irregular from year to year. The written agreement must provide for the first examination to occur within six months of execution of the written agreement, except that, if the investment adviser maintains client funds or securities pursuant to rule 191—50.38(502) as a qualified custodian, the agreement must provide for the first examination to occur no later than six months after the

investment adviser obtains the internal control report. The written agreement must require the independent CPA to:

(1) File a certificate on Form ADV-E with the administrator within 120 days of the time chosen by the independent CPA in paragraph 50.39(1)“f,” stating that the independent CPA has examined the funds and securities and describing the nature and extent of the examination;

(2) Notify the administrator within one business day of the finding of any material discrepancies during the course of the examination, by means of a facsimile transmission or electronic mail, followed by first-class mail, directed to the attention of the administrator; and

(3) File within four business days of the resignation or dismissal from, or other termination of, the engagement, or removing itself or being removed from consideration for being reappointed, Form ADV-E accompanied by a statement that includes:

1. The date of such resignation, dismissal, removal, or other termination, and the name, address, and contact information of the independent CPA; and

2. An explanation of any problems relating to examination scope or procedure that contributed to such resignation, dismissal, removal, or other termination.

g. Investment advisers acting as qualified custodians. If the investment adviser maintains, or if the investment adviser has custody because a related person maintains, client funds or securities pursuant to rule 191—50.39(502) as a qualified custodian in connection with advisory services the investment adviser provides to clients:

(1) The independent CPA that the investment adviser retains to perform the independent verification required by paragraph 50.39(1)“f” must be registered with, and subject to regular inspection as of the commencement of the professional engagement period, and as of each calendar year-end, by, the Public Company Accounting Oversight Board in accordance with its rules; and

(2) The investment adviser must obtain, or receive from its related person, within six months of execution of the written agreement and thereafter no less frequently than once each calendar year a written internal control report prepared by an independent CPA.

1. The internal control report must include an opinion of an independent CPA as to whether controls have been placed in operation as of a specific date, and are suitably designed and are operating effectively to meet control objectives relating to custodial services, including the safeguarding of funds and securities held by either the investment adviser or a related person on behalf of the investment adviser’s clients, during the year;

2. The independent CPA must verify that the funds and securities are reconciled to a custodian other than the investment adviser or the investment adviser’s related person; and

3. The independent CPA must be registered with, and subject to regular inspection as of the commencement of the professional engagement period, and as of each calendar year-end, by, the Public Company Accounting Oversight Board in accordance with its rules.

h. Independent representatives. A client may designate an independent representative to receive, on the client’s behalf, notices and account statements as required under paragraphs 50.39(1)“c” and “d.”

50.39(2) Exceptions.

a. Shares of mutual funds. With respect to shares of an open-end company as defined in Section 5(a) (1) of the Investment Company Act of 1940 (“mutual fund”), the investment adviser may use the mutual fund transfer agent in lieu of a qualified custodian for purposes of complying with subrule 50.39(1).

b. Certain privately offered securities.

(1) The investment adviser is not required to comply with paragraph 50.39(1)“b” with respect to securities that are:

1. Acquired from the issuer in a transaction or chain of transactions not involving any public offering;

2. Uncertificated and ownership thereof is recorded only on the books of the issuer or its transfer agent in the name of the client; and

3. Transferable only with prior consent of the issuer or holders of the outstanding securities of the issuer.

(2) Notwithstanding subparagraph 50.39(2)“b”(1), the provisions of paragraph 50.39(2)“b” are available with respect to securities held for the account of a limited partnership (or limited liability

company, or other type of pooled investment vehicle) only if the limited partnership is audited, and the audited financial statements are distributed, as described in paragraph 50.39(2)“d,” and the investment adviser notifies the administrator in writing that the investment adviser intends to provide audited financial statements, as described in this subparagraph. Such notification is required to be provided on Form ADV.

c. Fee deduction. Notwithstanding paragraph 50.39(1)“f,” an investment adviser is not required to obtain an independent verification of client funds and securities maintained by a qualified custodian if all of the following conditions are met:

(1) The investment adviser has custody of the funds and securities solely as a consequence of its authority to make withdrawals from client accounts to pay its advisory fee;

(2) The investment adviser has written authorization from the client to deduct advisory fees from the account held with the qualified custodian;

(3) Each time a fee is directly deducted from a client account, the investment adviser concurrently:

1. Sends the independent party designated pursuant to subparagraph 50.39(1)“e”(2) an invoice or statement of the amount of the fee to be deducted from the client’s account; and

2. Sends the client an invoice or statement itemizing the fee. Itemization includes the formula used to calculate the fee, the amount of assets under management on which the fee is based, and the time period covered by the fee; and

(4) The investment adviser notifies the administrator in writing that the investment adviser intends to use the safeguards provided in paragraph 50.39(2)“c.” Such notification is required to be given on Form ADV.

d. Limited partnerships subject to annual audit. An investment adviser is not required to comply with paragraphs 50.39(1)“c” and “d” and shall be deemed to have complied with paragraph 50.39(1)“f” with respect to the account of a limited partnership (or limited liability company, or another type of pooled investment vehicle) if each of the following conditions is met:

(1) The adviser sends to all limited partners (or members or other beneficial owners), at least quarterly, a statement showing:

1. The total amount of all additions to and withdrawals from the fund as a whole as well as the opening and closing value of the fund at the end of the quarter based on the custodian’s records;

2. A listing of all long and short positions on the closing date of the statement in accordance with the Financial Accounting Standards Board, Rule ASC 946-210-50; and

3. The total amount of additions to and withdrawals from the fund by the investor as well as the total value of the investor’s interest in the fund at the end of the quarter;

(2) At least annually the fund is subject to an audit and distributes the fund’s audited financial statements prepared in accordance with generally accepted accounting principles to all limited partners (or members or other beneficial owners) and the administrator within 120 days of the end of the fund’s fiscal year;

(3) The audit is performed by an independent CPA that is registered with, and subject to regular inspection as of the commencement of the professional engagement period, and as of each calendar year-end, by, the Public Company Accounting Oversight Board in accordance with its rules;

(4) Upon liquidation, the adviser distributes the fund’s final audited financial statements prepared in accordance with generally accepted accounting principles to all limited partners (or members or other beneficial owners) and the administrator promptly after the completion of such audit;

(5) The written agreement with the independent CPA must require the independent CPA, upon resignation or dismissal from, or other termination of, the engagement, or upon removing itself or being removed from consideration for being reappointed, to notify the administrator within four business days accompanied by a statement that includes:

1. The date of such resignation, dismissal, removal, or other termination, and the name, address, and contact information of the independent CPA; and

2. An explanation of any problems relating to audit scope or procedure that contributed to such resignation, dismissal, removal, or other termination;

(6) The investment adviser must also notify the administrator in writing that the investment adviser intends to employ the use of the statement delivery and audit safeguards described in paragraph 50.39(2)“d.” Such notification is required to be given on Form ADV.

e. Registered investment companies. The investment adviser is not required to comply with rule 191—50.39(502) with respect to the account of an investment company registered under the Investment Company Act of 1940.

50.39(3) Delivery to related persons. Sending an account statement under paragraph 50.39(1)“e” or distributing audited financial statements under paragraph 50.39(2)“d” shall not satisfy the requirements of rule 191—50.39(502) if such account statements or financial statements are sent solely to limited partners (or members or other beneficial owners) that themselves are limited partnerships (or limited liability companies, or another type of pooled investment vehicle) and are related persons of the investment adviser.

50.39(4) Definitions. For the purposes of this rule:

a. “Control” means the power, directly or indirectly, to direct the management or policies of a person whether through ownership of securities, by contract, or otherwise. “Control” includes the following:

w. If an investment adviser obtains possession of securities that are acquired from the issuer in a transaction or chain of transactions not involving a public offering that comply with the exception from custody in paragraph 50.39(2) "b," the adviser shall keep:

(1) A record showing the issuer's or current transfer agent's name, address, telephone number, and other applicable contact information pertaining to the party responsible for recording the client's interests in the securities; and

(2) A copy of any legend, shareholder agreement, or other agreement providing that the securities are transferable only with prior consent of the issuer or holders of the outstanding securities of the issuer.

x. A copy of a written business continuity and succession plan as required by rule 191—50.47(502).

d. Copies of confirmations of all transactions effected by or for the account of any client;

e. A record for each security in which any client has a position showing, at a minimum, the name of each client having an interest in the security, the amount of interest of each client in the security, and the location of each security;

f. A copy of each client's quarterly account statements as generated and delivered by the qualified custodian. Additionally, if the investment adviser generates a statement that is delivered to the client, the investment adviser shall retain copies of those statements along with information indicating the dates on which the statements were provided to the client;

g. If applicable, a copy of the special examination report, financial statements, and letter verifying the completion of and describing the nature and extent of an examination by an independent certified public accountant and documentation describing the nature and extent of the examination and a record regarding any findings of any material discrepancies found during the examination; and

h. If applicable, evidence of the client's designation of an independent representative.

50.42(3) An investment adviser deemed to have custody of client securities or funds because the investment adviser advises a pooled investment vehicle shall, in addition to any other applicable record retention requirements, keep the following records:

a. True, accurate, and current account statements;

b. If utilizing the exception provided by paragraph 50.39(2) "c," the date(s) of the audit, a copy of the audited financial statements, and evidence of the mailing of the audited financial statements to all limited partners, members, or other beneficial owners within 120 days of the end of the fiscal year;

c. If subject to paragraph 50.39(1) "e," a copy of the written agreement with the independent party reviewing all fees and expenses and describing the responsibilities of the independent third party, and copies of all invoices and receipts showing approval by the independent third party for payment through the qualified custodian.

50.42(4) Each investment adviser subject to subrule 50.42(1) that renders investment supervisory or management services to any client shall, with respect to the portfolio being supervised or managed and to the extent that the information is reasonably available to or obtainable by the investment adviser, retain the following records:

a. For each client, detailed information regarding the securities purchased and sold including, but not limited to, the date of the purchase or sale, the total dollar amount of the purchase or sale, and the price at which the security was purchased or sold.

b. For each security in which any client has a current position, the name of each client and current amount or interest of the client.

50.42(5) Records required to be retained pursuant to rule 191—50.42(502) shall be kept as follows:

a. Except as provided in paragraphs 50.42(1) "k" and "p," all records required to be made under subrules 50.42(1) to 50.42(3) and paragraph 50.42(4) "a" shall be maintained and preserved in a readily accessible location for a period of not less than five years from the end of the fiscal year during which the last entry was made on record, with no less than the first two years being kept in the principal office of the investment adviser.

b. Partnership articles and any amendments, articles of incorporation, charters, minute books, and stock certificate books of the investment adviser and of any predecessor shall be maintained in the principal office of the investment adviser and preserved until at least three years after termination of the enterprise.

c. Books and records required to be retained pursuant to paragraphs 50.42(1) "k" and 50.42(1) "p" shall be maintained and preserved in a readily accessible location for a period of not less than five years from the end of the fiscal year during which the investment adviser last published or otherwise disseminated, directly or indirectly, the notice, circular, advertisement, newspaper article, investment letter, bulletin, or other communication including by electronic media, with no less than the first two years being kept in the principal office of the investment adviser.

d. Books and records required to be retained pursuant to paragraphs 50.42(1) "q" to "v" shall be maintained and preserved in a readily accessible location for a period of not less than five years from the end of the fiscal year during which the last entry was made on such record, with no less than the first two years being kept in the principal office of the investment adviser, or the time period during which the investment adviser is registered or required to be registered in this state, whichever is less.

e. Notwithstanding other record preservation requirements of rule 191—50.42(502), an investment adviser that has rendered or renders investment advisory services shall maintain at all times the following records at the investment adviser's business location from which the customer or client is being provided or has been provided investment advisory services during the applicable retention period:

(1) All records required to be preserved pursuant to paragraphs 50.42(1) "c," "g" to "j," "n," "o," and "q" to "s" and subrules 50.42(2) to 50.42(4); and

(2) All records required pursuant to paragraphs 50.42(1) "k" to "p" identifying the name of the investment adviser representative providing investment advice from that business location, or identifying the physical address, mailing address, electronic mailing address, or telephone number of the business location. The records will be maintained for the period described in paragraph 50.42(5) "a."

50.42(6) An investment adviser subject to subrule 50.42(1) that ceases to conduct or discontinues business as an investment adviser shall arrange for and be responsible for the retention of the records required to be retained pursuant to this rule for the applicable retention period. The investment adviser shall notify the administrator in writing prior to ceasing to conduct or discontinuing business as an investment adviser of the exact address where the books and records will be maintained during the retention period.

50.42(7) An investment adviser required to retain records pursuant to this rule may maintain the records in such manner that the identity of any client to whom the investment adviser renders investment supervisory services is indicated by numerical code, alphabetical code, or similar designation.

50.42(8) Record maintenance.

a. Pursuant to subrule 50.42(4), the records required to be maintained and preserved may be immediately produced or reproduced, and maintained and preserved for the required time, by an investment adviser in:

- (1) Paper or hard-copy form, as those records are kept in their original form; or
- (2) Micrographic media, including microfilm, microfiche, or any similar medium; or
- (3) Electronic storage media, including any digital storage medium or system, that meet the terms of this subrule.

b. *The investment adviser must:*

(1) Arrange and index the records in a way that permits easy location, access, and retrieval of any particular record;

(2) Provide promptly any of the following that the administrator may request:

1. A legible, true, and complete copy of the record in the medium and format in which it is stored;
2. A legible, true, and complete printout of the record; and
3. Means to access, view, and print the records; and

(3) Separately store, for the time required for preservation of the original record, a duplicate copy of the record in any medium allowed by this subrule.

c. In the case of records created or maintained in electronic storage media, the investment adviser must establish and maintain procedures:

(1) To maintain and preserve the records, so as to reasonably safeguard them from loss, alteration, or destruction;

(2) To limit access to the records to properly authorized personnel and the administrator; and

(3) To reasonably ensure that any reproduction of a nonelectronic original record in electronic storage media is complete, true, and legible when retrieved.

50.42(9) Compliance with any substantially similar record-keeping requirements of SEC Rules 17a-3 and 17a-4 (17 CFR 240.17a-3 and 17 CFR 240.17a-4) shall be deemed to be in compliance with this rule.

50.42(10) Every investment adviser that is registered or required to be registered in this state and that has its principal place of business in a state other than this state shall be exempt from the requirements of this rule, provided the investment adviser is properly registered in that state and is in compliance with that state's record-keeping requirements.

50.42(11) For purposes of this rule:

"*Advisory representative*" means any partner, officer or director of the investment adviser; any employee who participates in any way in the determination of which recommendations shall be made; any employee who, in connection with the employee's duties, obtains any information concerning which

securities are being recommended prior to the effective dissemination of the recommendations; and any of the following persons who obtain information concerning securities recommendations being made by the investment adviser prior to the effective dissemination of the recommendations:

1. Any person in a relationship of control with the investment adviser;
2. Any person affiliated with a controlling person; and
3. Any person affiliated with an affiliated person.

“Control” means the power to exercise a controlling influence over the management or policies of a company, unless that power results solely from an official position with the company. Any person who owns beneficially, either directly or through one or more controlled companies, more than 25 percent of the voting securities of a company shall be presumed to control the company.

An investment adviser shall not be deemed to be exercising a discretionary power as to the price at which or the time when a transaction is effected or is to be effected if, before the order is given by the investment adviser, the client has directed or approved the purchase or sale of a definite amount of the particular security.

“Investment adviser primarily engaged in a business or businesses other than advising investment advisory clients” means an investment adviser that for each of the most recent three fiscal years or for the period of time since organization, whichever is less, derives on an unconsolidated basis more than 50 percent of total sales and revenues and income (or loss) before income taxes and extraordinary items from business activities other than advising investment advisory clients.

“Investment supervisory services” means continuous advice regarding investment of funds provided to each client on the basis of the individual needs of the client.

“Solicitor” means any person or entity that for compensation acts as an agent of an investment adviser in referring potential clients.

This rule is intended to implement Iowa Code section 502.411(3).

191—50.43(502) Financial reporting requirements for investment advisers.

50.43(1) Every registered investment adviser that has custody of client funds or securities or requires payment of advisory fees six months or more in advance and in excess of \$500 per client shall file with the administrator an audited balance sheet as of the end of the investment adviser’s fiscal year. Each balance sheet filed pursuant to this rule must be:

- a. Examined in accordance with generally accepted auditing standards and prepared in conformity with generally accepted accounting principles;
- b. Audited by an independent certified public accountant; and
- c. Accompanied by an opinion of the accountant as to the report of financial position, and by a note stating the principles used to prepare the opinion, the basis of included securities, and any other explanations required for clarity.

50.43(2) Every registered investment adviser that has discretionary authority over, but not custody of, client funds or securities shall file with the administrator a balance sheet, which need not be audited, but which must be prepared in accordance with generally accepted accounting principles or such other basis of accounting acceptable to the administrator and represented by the investment adviser or the person who prepared the statement as true and accurate, as of the end of the investment adviser’s fiscal year.

50.43(3) The financial statements required by this rule shall be filed with the administrator within 90 days following the end of the investment adviser’s fiscal year.

50.43(4) Every investment adviser that has its principal place of business in a state other than this state shall file only such reports as required by the state in which the investment adviser maintains its principal place of business, provided the investment adviser is licensed in such state and is in compliance with such state’s financial reporting requirements.

This rule is intended to implement Iowa Code section 502.411(2).

191—50.44(502) Solely incidental services by certain professionals.

50.44(1) *General approach.*

a. Certain professionals may rely on an exclusion from the definition of “investment adviser” contained in Iowa Code section 502.102(15)“*b*” for lawyers, accountants, engineers or teachers whose performance of investment advice is solely incidental to the practice of the person’s profession. Whether the exclusion from the definition of “investment adviser” is available to a lawyer, accountant, engineer or teacher providing investment advisory services within the meaning of Iowa Code section 502.102(15)“*b*” depends upon the relevant facts and circumstances.

b. In general, the administrator will determine whether the investment advisory services provided and the fees charged are solely incidental to the total services provided to the individual client by comparing whether the aggregate of such fees and services is solely incidental to the aggregate of services provided to all clients. In addition, the administrator will take other relevant factors into consideration in determining the applicability of the exclusion including, but not limited to, whether the firm establishes a separate subsidiary, division, or other business entity to perform advisory services or maintains an investment adviser registration with the U.S. Securities and Exchange Commission under the Investment Advisers Act of 1940. In this context, the administrator would refer to U.S. Securities and Exchange Commission Release IA-1092 relating to the analogous exclusion in the Investment Advisers Act of 1940 which states that “. . . the exclusion . . . is not available . . . to a lawyer or accountant who holds himself out to the public as providing financial planning, pension consulting, or other financial advisory services. In such a case it would appear that the performance of investment advisory services by the person would not be solely incidental to his practice as a lawyer or accountant.”

50.44(2) *General versus specific advice.* A lawyer, accountant, engineer or teacher, whether or not holding oneself out to the public as providing financial planning or other financial advisory services, who does not render advice with respect to investing in specific securities, types of securities, or categories of securities need not register as an investment adviser. Registration is not required when the securities advice provided to clients in this state is limited to a general recommendation that the client should be more aggressive or more conservative in securities investments, a general recommendation as to the percentage of the client’s assets that should be in securities, or a general recommendation that the client pursue an income-producing or growth-oriented investment strategy, provided the recommendation does not identify specific securities, types of securities, or categories of securities. For the purpose of this subrule, the phrase “types of securities” means classes of securities in which the issuer is not specifically identified, such as common stock, preferred stock, options, warrants, bonds, and mutual funds, and the phrase “categories of securities” means general areas of securities investments where neither the issuer nor the types of securities are identified such as cyclical securities, automotive industry securities, international securities, and NYSE securities. Asset allocation recommendations, however, generally do include advice on types of securities.

EXAMPLE: An accountant provides clients accounting and financial planning services. No advice with respect to specific securities, types of securities, or categories of securities is provided. The accountant need not register as an investment adviser.

50.44(3) *Professional does not hold self out as a financial planner.* When the securities advice is provided by a lawyer, accountant, engineer, or teacher who does not hold oneself out to the public as providing financial planning or other financial advisory services, the availability of the exclusion from the definition of “investment adviser” contained in Iowa Code section 502.102(15)“*b*” for securities advice rendered solely incidental to the profession will depend on those factors set forth in paragraph 50.44(1)“*b*.”

EXAMPLE A: An accountant who does not hold oneself out to the public as providing financial planning or other financial advisory services provides the client both accounting and financial planning services. The services involve advice with respect to specific securities, types of securities, or categories of securities. Whether the accountant is excluded from the definition of investment adviser depends on those factors set forth in paragraph 50.44(1)“*b*,” including a comparison of the extent of the securities advisory services provided to any client as contrasted with the accounting services provided to that client. The comparison is measured by the compensation paid for each service.

EXAMPLE B: An accountant provides a client financial planning services only. The financial planning services involve advice with respect to specific securities, types of securities, or categories of securities. The accountant is not excluded from the definition of investment adviser and therefore must register as an investment adviser.

50.44(4) *Professional holds self out as a financial planner.*

a. If the investment advice provided by a lawyer, accountant, engineer, or teacher who holds oneself out to the public as providing financial planning or other financial advisory services is part of the financial plan being provided to a financial planning client, the professional cannot rely on the exclusion from the definition of “investment adviser” contained in Iowa Code section 502.102(15) “*b*” for investment advice rendered incidentally to the practice of the profession.

EXAMPLE: An accountant who holds oneself out to the public as providing financial planning or other financial advisory services provides the client both accounting and financial planning services. The financial planning services involve advice with respect to specific securities, types of securities, or categories of securities. The accountant is not excluded from the definition of investment adviser no matter how insignificantly the securities advice compares to the other financial planning advice or accounting services rendered.

b. When a lawyer, accountant, engineer, or teacher holding oneself out to the public as providing financial planning or other financial advisory services does not provide advice on specific securities, types of securities, or categories of securities as part of financial planning services but provides such advice in connection with the practice of the profession, in most instances the exclusion from the definition of investment adviser would be unavailable because the professional is holding oneself out as a financial planner or financial adviser. If, however, securities advice is not part of financial planning services and is both limited and isolated, the exclusion may still be available.

EXAMPLE: An accountant who holds oneself out to the public as providing financial planning or other financial advisory services provides clients both accounting and financial planning services. No securities advice is rendered as part of the financial planning services. Clients, on a few occasions, request the accountant’s advice on investing in certain limited partnerships. The fees charged to such a client for the advice total only a small percentage of the fees charged to that client for accounting services provided. The accountant is excluded from the definition of investment adviser. The example presented is intentionally narrow in order to illustrate that once the accountant holds oneself out as a financial planner or financial adviser, even if the only securities advice provided for compensation is not part of the financial planning or advisory activities, only limited and isolated securities advice may be provided without registration as an investment adviser.

This rule is intended to implement Iowa Code section 502.102(15) “*b*.”

191—50.45(502) Registration exemption for investment advisers to private funds.

50.45(1) *Definitions.* For purposes of this rule, the following definitions shall apply:

“*3(c)(1) fund*” means a qualifying private fund that is eligible for the exclusion from the definition of an investment company under the Investment Company Act of 1940 (15 U.S.C. Section 80a-3(c)(1)).

“*Private fund adviser*” means an investment adviser who provides advice solely to one or more qualifying private funds.

“*Qualifying private fund*” means a private fund that meets the definition of a qualifying private fund in SEC Rule 203(m)-1 (17 CFR 275.203(m)-1).

“*Value of primary residence*” means the fair market value of a person’s primary residence, less the amount of debt secured by the property up to its fair market value.

“*Venture capital fund*” means a private fund that meets the definition of a venture capital fund in SEC Rule 203(l)-1 (17 CFR 275.203(l)-1).

50.45(2) *Exemption for private fund advisers.* Subject to the additional requirements of subrule 50.45(3), a private fund adviser shall be exempt from the registration requirements of Iowa Code section 502.403 if the private fund adviser satisfies each of the following conditions:

a. Neither the private fund adviser nor any of its advisory affiliates are subject to a disqualification as described in SEC Rule 262 of Regulation A (17 CFR 230.262).

b. The private fund adviser files with the state each report and amendment thereto that an exempt reporting adviser is required to file with the SEC pursuant to SEC Rule 204-4 (17 CFR 275.204-4).

c. The private fund adviser pays any applicable fees.

50.45(3) *Additional requirements for private fund advisers to certain 3(c)(1) funds.* In order to qualify for the exemption described in subrule 50.45(2), a private fund adviser who advises at least one 3(c)(1)

fund that is not a venture capital fund shall, in addition to satisfying each of the conditions specified in paragraph 50.45(3) “b,” comply with the following requirements:

a. The private fund adviser shall advise only those 3(c)(1) funds (other than venture capital funds) whose outstanding securities (other than short-term paper) are beneficially owned entirely by persons who, after deducting the value of the primary residence from the person’s net worth, would each meet the definition of a qualified client in SEC Rule 205-3 (17 CFR 275.205-3) at the time the securities are purchased from the issuer.

b. At the time of purchase, the private fund adviser shall disclose the following in writing to each beneficial owner of a 3(c)(1) fund that is not a venture capital fund:

- (1) All services, if any, to be provided to individual beneficial owners;
- (2) All duties, if any, the private fund adviser owes to the beneficial owners; and
- (3) Any other material information affecting the rights or responsibilities of the beneficial owners.

c. The private fund adviser shall obtain on an annual basis audited financial statements of each 3(c)(1) fund that is not a venture capital fund and shall deliver a copy of such audited financial statements to each beneficial owner of the fund.

50.45(4) *Federal covered investment advisers.* If a private fund adviser is registered with the SEC, the adviser shall not be eligible for this exemption and shall comply with the state notice filing requirements applicable to federal covered investment advisers.

50.45(5) *Investment adviser representatives.* A person is exempt from the registration requirements if the person is employed by or associated with an investment adviser that is exempt from registration in this state pursuant to rule 191—50.45(502) and does not otherwise act as an investment adviser representative.

50.45(6) *Electronic filing.* The report filings described in paragraph 50.45(2) “b” shall be made electronically through the IARD. A report shall be deemed filed when the report and the fee required are filed and accepted by the IARD on the state’s behalf.

50.45(7) *Transition.* An investment adviser that becomes ineligible for the exemption provided by rule 191—50.45(502) must comply with all applicable laws and rules requiring registration or notice filing within 90 days from the date the investment adviser’s eligibility for this exemption ceases.

50.45(8) *Grandfathering for investment advisers to 3(c)(1) funds with nonqualified clients.* An investment adviser to a 3(c)(1) fund (other than a venture capital fund) that has one or more beneficial owners who are not qualified clients as described in paragraph 50.45(3) “a” is eligible for the exemption contained in subrule 50.45(2) if the following conditions are satisfied:

- a.* The subject fund existed prior to November 6, 2013;
- b.* As of November 6, 2013, the subject fund ceases to accept beneficial owners who are not qualified clients, as described in paragraph 50.45(3) “a”;
- c.* The investment adviser discloses in writing the information described in paragraph 50.45(3) “b” to all beneficial owners of the fund; and
- d.* As of November 6, 2013, the investment adviser delivers audited financial statements as required by paragraph 50.43(3) “c.”

This rule is intended to implement Iowa Code section 502.403.

191—50.46(502) Contents of investment advisory contract. The provisions of this rule shall apply to federal covered investment advisers to the extent that the conduct alleged is fraudulent, deceptive, or as otherwise permitted by the National Securities Markets Improvement Act of 1996.

50.46(1) It is unlawful for any investment adviser, investment adviser representative, or federal covered investment adviser to enter into, extend, or renew any investment advisory contract unless it provides in writing:

- a.* The services to be provided, the term of the contract, the investment advisory fee, the formula for computing the fee, the amount of prepaid fee to be returned in the event of termination or nonperformance of the contract, and any grant of discretionary power to the investment adviser, investment adviser representative, or federal covered investment adviser;

b. That no direct or indirect assignment or transfer of the contract may be made by the investment adviser, investment adviser representative, or federal covered investment adviser without the consent of the client or other party to the contract;

c. That the investment adviser, investment adviser representative, or federal covered investment adviser shall not be compensated on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds of the client;

d. That the investment adviser, investment adviser representative, or federal covered investment adviser, if a partnership, shall notify the client or other party to the investment contract of any change in the membership of the partnership within a reasonable time after the change.

50.46(2) It is unlawful for any investment adviser, investment adviser representative, or federal covered investment adviser to:

a. Include in an advisory contract any condition, stipulation, or provisions binding any person to waive compliance with any provision of this Act or of the Investment Advisers Act of 1940, or any other practice contrary to the provisions of Section 215 of the Investment Advisers Act of 1940; or

b. Enter into, extend or renew any advisory contract contrary to the provisions of Section 205 of the Investment Advisers Act of 1940. This provision shall apply to all advisers and investment adviser representatives registered or required to be registered under this Act, notwithstanding whether such adviser or representative would be exempt from federal registration pursuant to Section 203(b) of the Investment Advisers Act of 1940.

50.46(3) Notwithstanding paragraph 50.46(1)“*c*,” an investment adviser may enter into, extend or renew an investment advisory contract which provides for compensation to the investment adviser on the basis of a share of capital gains upon or capital appreciation of the funds, or any portion of the funds, of the client if the conditions in paragraphs 50.46(3)“*a*” to “*d*” are met.

a. The client entering into the contract must be:

(1) A natural person or a company that, immediately after entering into the contract, has at least \$750,000 under the management of the investment adviser; or

(2) A person that the investment adviser and its investment adviser representatives reasonably believe, immediately before entering into the contract, is a natural person or a company whose net worth, at the time the contract is entered into, exceeds \$1,500,000. The net worth of a natural person may include assets held jointly with that person’s spouse.

b. The compensation paid to the investment adviser with respect to the performance of any securities over a given period must be based on a formula with the following characteristics:

(1) In the case of securities for which market quotations are readily available within the meaning of Rule 2a-4(a)(1) under the Investment Company Act of 1940 (definition of “current net asset value” for use in computing periodically the current price of redeemable security), the formula must include the realized capital losses and unrealized capital depreciation of the securities over the period;

(2) In the case of securities for which market quotations are not readily available within the meaning of Rule 2a-4(a)(1) under the Investment Company Act of 1940, the formula must include:

1. The realized capital losses of securities over the period; and

2. If the unrealized capital appreciation of the securities over the period is included, the unrealized capital depreciation of the securities over the period; and

(3) The formula must provide that any compensation paid to the investment adviser under paragraph 50.46(3)“*b*” is based on the gains less the losses (computed in accordance with subparagraphs 50.46(3)“*b*”(1) and (2)) in the client’s account for a period of not less than one year.

c. Before entering into the advisory contract and in addition to the requirements of Form ADV, the investment adviser must disclose in writing to the client or the client’s independent agent all material information concerning the proposed advisory arrangement, including the following:

(1) That the fee arrangement may create an incentive for the investment adviser to make investments that are riskier or more speculative than would be the case in the absence of a performance fee;

(2) Where relevant, that the investment adviser may receive increased compensation with regard to unrealized appreciation as well as realized gains in the client’s account;

(3) The periods which will be used to measure investment performance throughout the contract and their significance in the computation of the fee;

(4) The nature of any index which will be used as a comparative measure of investment performance, the significance of the index, and the reason the investment adviser believes that the index is appropriate; and

(5) When the investment adviser's compensation is based in part on the unrealized appreciation of securities for which market quotations are not readily available within the meaning of Rule 2a-4(a)(1) under the Investment Company Act of 1940, how the securities will be valued and the extent to which the valuation will be independently determined.

d. The investment adviser (and any investment adviser representative) that enters into the contract must reasonably believe, immediately before entering into the contract, that the contract represents an arm's length arrangement between the parties and that the client (or in the case of a client which is a company as defined in paragraph 50.46(6) "d," the person representing the company), alone or together with the client's independent agent, understands the proposed method of compensation and its risks. The representative of a company may be a partner, director, officer or an employee of the company or of the trustee, where the company is a trust, or any other person designated by the company or trustee, but must satisfy the definition of client's independent agent set forth in paragraph 50.46(6) "c."

50.46(4) Any person entering into or performing an investment advisory contract under rule 191—50.46(502) is not relieved of any obligations under rule 191—50.38(502) or any other applicable provision of the Act or any rule or order thereunder.

50.46(5) Nothing in rule 191—50.46(502) shall relieve a client's independent agent from any obligation to the client under applicable law.

50.46(6) The following definitions apply for purposes of rule 191—50.46(502):

a. "Affiliate" shall have the same definition as in Section 2(a)(3) of the Investment Company Act of 1940.

b. 191—50.47(502) Business continuity and succession planning for investment advisers.

50.47(1) On and after July 1, 2017, every investment adviser registered in Iowa shall make and maintain records, pursuant to Iowa Code section 502.411(3) “a,” of the establishment, implementation and maintenance of a written business continuity and succession plan. The business continuity and succession plan shall be created and implemented in a manner consistent with the NASAA Guidance on Business Continuity and Succession Planning for State-Registered Investment Advisers, which is available on the Iowa insurance division’s website, iid.iowa.gov. In developing the procedures for the business continuity and succession plan, the investment adviser shall consider, among other things, the size of the firm, the types of services provided and the number of locations of the investment adviser. The business continuity and succession plan shall provide for, at a minimum, all of the following:

a. The protection, backup, and recovery of books and records;

b. Alternate means of communications with customers, key personnel, employees, vendors, service providers (including third-party custodians of securities) and regulators, that will allow the communication of certain events, including, but not limited to, providing notice of a significant business interruption or the death or unavailability of key personnel or other disruptions or cessation of business activities;

c. Office relocation in the event of temporary or permanent loss of a principal place of business;

d. Assignment of duties to qualified responsible persons in the event of the death or unavailability of key personnel; and

e. Other means of minimizing service disruptions and client harm that could result from a sudden significant business interruption.

50.47(2) Every investment adviser registered in Iowa shall annually review the investment adviser’s written business continuity and succession plan and, if it has been changed since it was submitted, or if it was not previously submitted, shall file it for examination by the administrator, pursuant to Iowa Code section 502.411(4). The administrator shall review an investment adviser’s written business continuity and succession plan to determine whether it is consistent with the NASAA Guidance on Business Continuity and Succession Planning for State-Registered Investment Advisers and whether it takes into account the considerations listed in subrule 50.47(1). The administrator may request the investment adviser to modify the filed business continuity and succession plan according to the administrator’s suggestions. After the initial filing, the investment adviser’s filing of any change shall identify any substantive amendment to the business continuity and succession plan with the registration renewal following the amendment. The administrator may request from the investment adviser at any time information regarding the business continuity and succession plan made since the last filing of the plan.

50.61(3) Disqualifications.

a. Unless the administrator determines that it is not necessary under the circumstances that the disqualification under this subrule be applied, application for registration referred to in subrule 50.61(2) shall be denied if the issuer, any of its officers, directors, stockholders who own 10 percent or greater of the issuer, promoters, or selling agents, or any officer, director or partner of any selling agent:

(3) Is currently subject to any state or provincial administrative enforcement order or judgment entered by that state's or province's securities administrator within five years prior to the filing of the registration statement;

(4) Is subject to any state or provincial administrative enforcement order or judgment in which fraud or deceit including, but not limited to, making untrue statements of material facts and omitting to state material facts, was found, and the order or judgment was entered within five years prior to the filing of the current application for registration;

(6) Is currently subject to any order, judgment, or decree of any court of competent jurisdiction that temporarily, preliminarily, or permanently restrains or enjoins such party from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security, or involving the making of any false filing with the state, entered within five years prior to the filing of the registration statement; or

(7) Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking or, within the past five years, has been the subject of an action of a securities regulator of a foreign jurisdiction denying, revoking or suspending the right to engage in the business of securities as a broker-dealer, agent or investment adviser or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a foreign jurisdiction suspending or expelling such person from membership in such exchange or self-regulatory organization.

b. The prohibitions of subparagraphs (1) to (3) and (5) of paragraph 50.61(3) "a" shall not apply if the person subject to the disqualification is duly registered or licensed to conduct securities-related business in the state or province in which the administrative order or judgment was entered against such person, or if the broker-dealer employing such person is registered or licensed in the state and the Form BD filed in the state discloses the order, conviction, judgment or decree relating to such person.

c. No person disqualified shall act in any capacity other than the capacity for which the person is registered or licensed.

d. Disqualification is automatically waived if the jurisdiction which created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that registration be denied.

- a.* The issuer must be a corporation organized under the laws of one of the states or possessions of the United States;

50.62(2) Registration pursuant to this rule is not available if:

- a.* The issuer is a blind pool or other offering for which the specific business or properties cannot now be described; or
- b.* The issuer, a principal officer or a principal shareholder thereof, or a broker-dealer offering or selling the securities:

50.62(3) The unavailability of streamlined registration pursuant to this rule as a result of the disqualification of a party pursuant to paragraph 50.62(2)“*b*” may be waived by the administrator if the order, conviction, judgment or decree relating to the party's disqualification was disclosed in writing to the administrator and the administrator determines, based upon good cause shown, that the public interest no longer requires the party to be disqualified.

50.62(4) The administrator shall review a filing made pursuant to this rule within ten business days of receipt. Registration shall be effective upon review, or earlier if the administrator permits a shorter time frame, or comments explaining noncompliance will be promptly sent to the applicant.

50.62(5) The administrator shall not deny the effectiveness of a registration made pursuant to this rule based on subrule 50.66(13) or 50.66(15), or based upon the financial condition of the issuer under Iowa Code section 502.306(1)“*h*.”

50.62(6) The following securities shall be the subject of a lockup with the managing underwriter for no less than 180 days, or a longer period if requested by the managing underwriter of the offering:

a. A security issued to a promoter within three years immediately preceding the offering or to be issued to a promoter for consideration substantially less than the offering price; or

A copy of the lockup agreement shall be filed with the administrator.

a. A person who, acting alone or in concert with one or more other persons, founds or organizes the business or enterprise of the issuer;

b. An officer or director owning securities of the issuer, or a person who owns, beneficially or of record, 10 percent or more of a class of securities of the issuer if the officer, director, or person acquires any of those securities in a non-arm’s-length transaction within the three years prior to the filing of the registration statement pursuant to this rule; or

c. A member of the immediate family of a person described in paragraph “a” or “b” of subrule 50.62(7) if the family member receives securities of the issuer from that person in a non-arm’s-length transaction within the three years prior to the filing of the registration statement pursuant to this rule.

The audit and opinion requirements may be waived by the administrator upon written application and for good cause shown.

50.64(2) The balance sheet, statement of cash flows, and statement of income provided for compliance with the four-month requirement of Iowa Code section 502.304(2)“q” need not be certified in accordance with subrule 50.64(1) if such certification was submitted for the last fiscal year prior to the application and the date of the financial statements subject to certification is not more than 12 months prior to the registration date.

a. Definitions. For purposes of this subrule, the following definitions apply.

“*Offering documents*” means documents that include, but are not limited to, the registration statement, prospectus, applicable agreements, charter, bylaws, opinion of counsel and other opinions, specimen, indenture, consent to service of process and associated resolution, sales materials, subscription agreement, and applicable exhibits.

“*Sales materials*” means materials that include only those materials to be used in connection with the solicitation of purchasers of the securities approved as sales literature or other related materials by the SEC, FINRA, and the states, as applicable.

b. Use of electronic offering documents and subscription agreements.

(1) An issuer of securities or agent acting on behalf of the issuer may deliver offering documents over the Internet or by other electronic means, or in machine-readable format, provided all of the following requirements are met:

1. Each offering document:

- Is prepared, updated, and delivered in a manner consistent and in compliance with state and federal securities laws;

- Satisfies the formatting requirements applicable to printed documents, such as font size and typeface, and is identical in content to the printed version (other than electronic instructions or procedures as may be displayed and nonsubstantive updates to daily net asset value which can be updated more efficiently in the electronic version);

- Is delivered as a single, integrated document or file; when delivering multiple offering documents, the documents must be delivered together as a single package or list;

- Where the offering documents include a hyperlink to external documents or content, provides notice to investors or prospective investors that the document or content being accessed by the hyperlink is provided by an external source; and

- Is delivered in an electronic format that intrinsically enables the recipient to store, retrieve, and print the documents;

2. The issuer or agent acting on behalf of the issuer:

- Obtains informed consent from the investor or prospective investor to receive offering documents electronically;

- Ensures that the investor or prospective investor receives timely, adequate, and direct notice when an electronic offering document has been delivered;

- Employs safeguards to ensure that delivery of offering documents occurred at or before the time required by law in relation to the time of sale; and

- Maintains evidence of delivery by keeping records of its electronic delivery of offering documents and makes those records available on demand by the securities administrator.

(2) Subscription agreements may be provided electronically by an issuer or agent acting on behalf of the issuer for the prospective investor to review and complete, provided the subscription process is

administered in a manner that is similar to the administration of subscription agreements in paper form, as follows:

1. Before completion of any subscription agreement, the issuer or agent acting on behalf of the issuer shall review with the prospective investor all appropriate documentation related to the prospective investment including documents and instructions on how to complete the subscription agreement;

2. Mechanisms shall be established to ensure a prospective investor reviews all required disclosures and scrolls through the document in its entirety prior to initialing or signing; and

3. Unless otherwise allowed by the securities administrator, a single subscription agreement shall be used to subscribe a prospective investor in no more than one offering.

(3) Security breach.

1. In the event of discovery of a security breach at any time in any jurisdiction, the issuer or its agents, as appropriate, shall take prompt action to do all of the following:

- Identify and locate the breach.
- Secure the affected information.
- Suspend the use of the particular device or technology that has been compromised until information security has been restored.

● Provide notice of the security breach to any investor whose confidential personal information has been improperly accessed in connection with the security breach and to the securities administrator of each state in which an affected investor resides.

2. Compliance with subparagraph 50.66(22)“b”(3) after the discovery of a security breach or any other breach of personal information shall not substitute or in any way affect other requirements or obligations, including notification, imposed on an issuer or its agents pursuant to applicable laws, regulations, or standards.

(4) Delivery requires that the offering documents be conveyed to and received by the investor or prospective investor, or that the storage media in which the offering documents are stored be physically delivered to the investor or prospective investor in accordance with numbered paragraph 50.66(22)“b”(1)“1.”

(5) Each electronic document shall be preceded by or presented concurrently with the following notice: **“Clarity of text in this document may be affected by the size of the screen on which it is displayed.”**

(6) Informed consent to receive offering documents electronically pursuant to the first bulleted paragraph of numbered paragraph 50.66(22)“b”(1)“2” may be obtained in connection with each new offering or globally, either by the issuer or by an agent acting on behalf of the issuer. The investor may revoke this consent at any time by informing the party to whom the consent was given, or, if such party is no longer available, the issuer. Generally, a consent is considered to be informed when an investor is apprised that the document to be provided will be available through a specific electronic medium or source, and that there may be costs associated with delivery. In addition, for a consent to be informed an investor must be apprised of the time and scope parameters of the consent.

(7) Investment opportunities shall not be conditioned on participation in the electronic offering documents and subscription agreements initiative.

(8) Investors or prospective investors who decline to participate in an electronic offering documents and subscription agreements initiative shall not be subjected to higher costs—other than the actual direct cost of printing, mailing, processing, and storing offering documents and subscription agreements—as a result of their lack of participation in the initiative, and no discount shall be given for participating in an electronic offering documents and subscription agreements initiative.

(9) Entities participating in an electronic initiative shall maintain, and shall require participating underwriters, dealer-managers, placement agents, broker-dealers, or other selling agents to maintain, written policies and procedures covering the use of electronic offering documents and subscription agreements.

(10) Entities and their contractors and agents having custody and possession of electronic offering documents, including electronic subscription agreements, shall store them in a nonrewriteable and nonerasable format.

(11) Subrule 50.66(22) does not change or waive any other requirement of law concerning registration or presale disclosure of securities offerings.

c. Use of electronic signatures.

(1) An issuer of securities or agent acting on behalf of the issuer may provide for the use of electronic signatures if all of the following are true:

1. The process by which electronic signatures are obtained:

- Shall be implemented in compliance with the Electronic Signatures in Global and National Commerce Act and the Uniform Electronic Transactions Act, and, where applicable, shall include required federal disclosures;

- Shall include an appropriate level of security and assurances of accuracy;

- Shall employ an authentication process to establish signer credentials;

- Shall employ security features that protect signed records from alteration; and

- Shall provide that either the issuer or agent acting on behalf of the issuer retain, in compliance with applicable laws and regulations, electronically signed documents;

2. An investor or prospective investor shall expressly opt in to the electronic signature initiative, and participation may be terminated at any time; and

3. Investment opportunities shall not be conditioned on participation in the electronic signature initiative.

(2) Entities that participate in an electronic signature initiative shall maintain, and shall require underwriters, dealer-managers, placement agents, broker-dealers, and other selling agents to maintain, written policies and procedures covering the use of electronic signatures.

(3) Documentation of an investor's election to participate in an electronic signature initiative by following the requirements of numbered paragraph 50.66(22) "b"(1)"2" may be obtained in connection with each new offering, or by an agent acting on behalf of the issuer. The investor may revoke this consent at any time by informing the party to whom the consent was given, or, if such party is no longer available, the issuer.

2. The issuer notifies the administrator in writing of the results of an annual audit or semiannual report no later than 14 days after receiving such audit results or semiannual report unless the results constitute a change in material fact subject to the provisions of paragraph "1."

This rule is intended to implement Iowa Code section 502.305(9).

50.69(6) A firm employing a sales agent who is offering securities on its behalf is responsible for ensuring that the name of the broker-dealer is displayed on the agent's business cards as prominently as the individual's name.

50.69(7) For the purpose of this rule, "advertisement" means any written or printed communication or any communication by means of recorded telephone messages or transmitted on radio, television, or other electronic communications media, published regarding the offer, sale, or purchase of a security.

This rule is intended to implement Iowa Code section 502.504.

An issuer offering a security that is a covered security pursuant to Section 18(b)(4)(F) of the Securities Act of 1933 shall submit no later than 15 days after the first sale of such federal covered security in Iowa an electronic filing and fees through www.efdnasaa.org, under "filers and issuers."

191—50.82(502) Notice filings for agricultural cooperative associations.

50.82(1) An agricultural cooperative association issuing notes or other evidence of indebtedness shall notify the administrator in writing 30 days before the security is initially sold. Notification shall include:

a. The name of the issuer, the date of organization of the issuer, and the name of a contact person.

b. A description of the class of persons to whom the offer of securities will be made. If the offering is being made to certain persons or within a specified area, a description of such offerees or area shall be included.

c. A description of the type of security to be offered which includes information regarding interest and interest payment schedules, default, redemption, reinvestment, and other facts regarding the rights of holders that the issuer deems material to the offering.

d. Financial statements of the agricultural cooperative association including a balance sheet as of the end of its most recent fiscal year, prepared under generally accepted accounting principles and accompanied by an independent auditor's report and any other audited financial statements of the association that are available. However, if the filing by the agricultural cooperative association is made

within 90 days of the end of its most recent fiscal year and current audited financial statements are not yet available, the filing may consist of an audited balance sheet and other available audited financial statements for the previous fiscal year, prepared under generally accepted accounting principles and accompanied by an independent auditor's report. The agricultural cooperative association shall file an audited balance sheet and any other available audited financial statements for the most recent fiscal year end as soon as they become available, but in no event later than 90 days after the end of its fiscal year.

50.82(2) If, after the anniversary date of its initial notice filing, an agricultural cooperative association continues to issue notes or other evidence of indebtedness under its initial notice filing in order to maintain the exemption, the agricultural cooperative association shall on an annual basis file with the administrator an audited balance sheet and any other audited financial statements within 30 days of the anniversary of its initial notice filing. An agricultural cooperative association making its initial filing based upon a previous year's audited financial statements because of the unavailability of current audited financial statements shall consider its anniversary date to be the date on which the cooperative filed the audited financial statements for the most recent fiscal year. An agricultural cooperative association not issuing notes or other evidence of indebtedness after an anniversary date of its initial filing is not required to make any further filing of financial information as a condition of qualifying for the exemption from registration.

191—50.83(502) Unsolicited order exemption.

50.83(1) Any unregistered broker-dealer effecting a transaction under an unsolicited order or offer to buy and claiming an exemption from registration based solely upon Iowa Code section 502.202(6) shall obtain acknowledgment from the customer on or before the settlement date of the transaction that the transaction is unsolicited.

50.83(2) The acknowledgment shall take one of the following forms:

a. A confirmation statement, as required pursuant to subrule 50.83(1), displaying in bold print on the face of the statement the words "Unsolicited Order, Notify Immediately if Otherwise"; or

b. A signed statement from the customer acknowledging that the order was unsolicited and containing the name of the customer, the name of the securities involved, the number of securities involved in the transaction, the purchase price of the securities, the transaction date, and the total dollar amount, including commissions paid, of the transaction.

50.83(3) The customer will be presumed to have acknowledged that the transaction was unsolicited if the customer does not indicate otherwise on or before the settlement date.

50.83(4) A broker-dealer shall notify the administrator in writing that it is executing unsolicited orders in a security when both of the following conditions are met:

a. More than six unsolicited orders or offers to buy such security are received during any three consecutive business days; and

b. The broker-dealer is relying solely upon the exemption provided by Iowa Code section 502.202(6).
This rule is intended to implement Iowa Code section 502.202(6).

191—50.84(502) Solicitation of interest exemption.

50.84(1) An offer, but not a sale, of a security made by or on behalf of an issuer for the sole purpose of soliciting an indication of interest in receiving a prospectus (or its equivalent) for such security is exempt from registration pursuant to Iowa Code section 502.301 if:

a. The issuer is or will be a business entity organized under the laws of one of the states or possessions of the United States or one of the provinces or territories of Canada, is engaged in or proposes to engage in a business other than petroleum exploration or production or mining or other extractive industries, and is not a blind pool offering or other offering for which the specific business or properties cannot now be described.

b. The offerer intends to register the security in Iowa and conduct its offering pursuant to either Regulation A or Rule 504 of Regulation D, as promulgated by the SEC.

c. The offerer files with the administrator a SOIF along with any other materials to be used to conduct solicitations of interest including, but not limited to, the script of any broadcast to be made and a copy of any notice to be published no less than ten business days prior to the initial solicitation of interest.

d. The issuer files with the administrator all amendments to any materials filed pursuant to paragraph “c” or additional materials it proposes to use in conducting solicitations of interest, except for materials provided to a particular investor solely pursuant to a request by that investor, no less than five business days prior to use.

e. The offerer does not use any SOIF, script, advertisement, or other material which the administrator has ordered or notified the offerer may not be used for the purpose of solicitations of interest.

f. Except for scripted broadcasts and except to the extent necessary to obtain information needed to provide a SOIF, the offerer does not orally communicate with any prospective investor about the contemplated offering unless the investor is provided with the most current SOIF at or before the time of the communication or within five days after the communication.

g. The offerer does not solicit or accept money or a commitment to purchase securities during the solicitation of interest period.

h. The offerer does not make a sale until at least seven days after delivery to the purchaser of a final prospectus or delivery of a preliminary prospectus as provided by Iowa Code section 502.202(17).

50.84(2) Unless the offerer does not know, and in the exercise of reasonable care could not know, the exemption under this rule is not available for securities of an offerer, if any of the issuer’s officers, directors, promoters, or 10 percent shareholders:

a. Have filed a registration statement which is the subject of a current effective registration stop order entered under any federal or state securities law within five years prior to filing the SOIF.

b. Have been convicted within five years prior to filing the SOIF of any felony or misdemeanor regarding the offer, purchase or sale of any security or any felony involving fraud or deceit including, but not limited to, forgery, embezzlement, obtaining money under false pretenses, larceny, or conspiracy to defraud.

c. Are currently subject to any federal or state administrative enforcement order or judgment entered by any state securities administrator or the SEC within five years prior to filing the SOIF in which fraud or deceit, including, but not limited to, the making of untrue statements of material facts and omitting to state material facts, was found.

d. Are subject to any federal or state administrative order or judgment prohibiting, denying, or revoking the use of any exemption from registration regarding the offer, purchase or sale of securities.

e. Are currently subject to any order, judgment, or decree of any court of competent jurisdiction entered within five years prior to filing the SOIF temporarily, preliminarily, or permanently restraining or enjoining the person or entity from engaging in or continuing any conduct or practice regarding the purchase or sale of any security or the making of any false filing with any state.

The disqualifications listed in this subrule shall not apply if the person or entity subject to the disqualification is licensed or registered to conduct securities-related business in the state in which the administrative order or judgment was entered against the person or entity, or if the broker-dealer employing the person or entity is licensed or registered in Iowa and the Form BD filed with the administrator discloses the order, conviction, judgment, or decree. No person disqualified under this subrule may act in a capacity other than that for which the person is licensed or registered. Any disqualification caused by this subrule is automatically waived if the agency creating the disqualification determines for good cause shown that the exemption should not be denied.

50.84(3) The failure to comply with a term, condition or requirement of this rule shall not result in the loss of the exemption from the requirements of Iowa Code section 502.301 for an offer to a particular individual or entity if the offerer establishes all of the following:

a. The failure to comply did not pertain to a term, condition or requirement directly intended to protect that particular individual or entity; and

b. The failure to comply was insignificant regarding the offering as a whole; and

c. A good-faith and reasonable attempt was made to comply with all applicable terms, conditions and requirements of this rule.

Where an exemption is established only through reliance upon subrule 50.84(2), the failure to comply is still actionable as a violation of the Act by the administrator under Iowa Code section 502.603 or 502.604.

50.84(4) The offerer shall comply with the following requirements:

a. Any published notice or script for broadcast and any printed material delivered apart from the SOIF, unless a SOIF containing the disclosures described below was previously delivered to the person, shall contain, at a minimum, the identity of the chief executive officer of the issuer, a brief and general description of the issuer's business and products, and the following disclosure printed in capital letters and boldface type at least as large as that used in the body of the printed materials:

- (1) NO MONEY OR OTHER CONSIDERATION IS BEING SOLICITED AND NONE WILL BE ACCEPTED.
- (2) NO SALES OF SECURITIES WILL BE MADE OR A COMMITMENT TO PURCHASE ACCEPTED UNTIL THE DELIVERY OF AN OFFERING CIRCULAR THAT INCLUDES COMPLETE INFORMATION ABOUT THE ISSUER AND THE OFFERING.
- (3) AN INDICATION OF INTEREST MADE BY A PROSPECTIVE INVESTOR INVOLVES NO OBLIGATION OR COMMITMENT OF ANY KIND.
- (4) THIS OFFER IS BEING MADE PURSUANT TO AN EXEMPTION UNDER FEDERAL AND STATE SECURITIES LAWS. NO SALE MAY BE MADE UNTIL THE OFFERING STATEMENT IS QUALIFIED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION AND IS REGISTERED IN IOWA.

b. All communications with prospective investors made in reliance upon this rule shall cease after a registration statement is filed with the administrator, and no sale may be made until at least 20 calendar days after the last communication made in reliance upon this rule.

c. A preliminary prospectus may be used with an offering for which indications of interest have been solicited under this rule only if the offering is conducted by a registered broker-dealer.

Failure to comply with the requirements of this subrule shall not result in losing the exemption from the requirements of Iowa Code section 502.301, but is a violation of the Act, is actionable by the administrator under Iowa Code section 502.603 or 502.604, and constitutes grounds for denying or revoking the exemption for specific transactions.

50.84(5) Upon written application by the offerer and for good cause shown, the administrator may waive any condition of the solicitation of interest exemption. Neither compliance nor attempted compliance with this rule, nor the absence of any objection or order by the administrator regarding an offer of securities made under this rule, constitutes a waiver of any condition of the rule or a confirmation by the administrator of the availability of the rule.

50.84(6) Offers made in reliance upon this rule shall not be integrated with subsequent offers or sales of securities registered in Iowa. Issuers on whose behalf indications of interest are solicited under this rule may not make offers or sales in reliance upon Iowa Code section 502.202(14) or rule 191—50.80(502) until at least 12 months after the last communication with a prospective investor made pursuant to this rule.

50.84(7) Nothing in this rule limits the application of Iowa Code section 502.401, 502.402, 502.501 or 502.509 to offers made in reliance upon this rule.

50.84(8) The administrator may review the materials filed under this rule. Materials filed, if reviewed, will be judged under antifraud principles. Any discussion in the offering documents of the potential rewards of the investment must be balanced by a discussion of the possible risks.

50.84(9) Any offer effected in violation of this rule may constitute an unlawful offer of an unregistered security for which civil liability attaches under Iowa Code section 502.501 et seq. Any misrepresentation or omission may also give rise to civil liability under the Act. A subsequent registration of the security does not cure the previous unlawful offer. Only a rescission offer made in compliance with the Act can effect a cure.

This rule is intended to implement Iowa Code section 502.202(17).

191—50.85(502) Internet offers exemption. Offers of securities made by, or on behalf of, issuers on or through the Internet are exempt from registration pursuant to Iowa Code sections 502.301 and 502.504 if:

1. The Internet offer states, directly or indirectly, that the securities are not being offered to state residents; and
2. The Internet offer is not specifically directed to any person in Iowa by, or on behalf of, the issuer of the securities; and

3. No sales of the issuer's securities are made in Iowa as a result of the Internet offering until such time as the securities being offered have been registered under Iowa Code sections 502.301 and 502.504, and a final prospectus or Form U-7 is delivered to Iowa investors prior to such sales, or the issuer qualifies for the exemption provided in Iowa Code section 502.202(13).

This rule is intended to implement Iowa Code section 502.203.

191—50.86(502) Denial, suspension, revocation, condition, or limitation of limited offering transaction exemption. The administrator shall view the following as reasons for entering an order under Iowa Code section 502.204 to deny or revoke an exemption provided under Iowa Code section 502.202(14):

1. A public advertisement is used to promote the sale of securities for which such exemption is claimed; or

2. The offering is part of a registered offering under the Securities Act of 1933.

This rule is intended to implement Iowa Code section 502.204.

191—50.87(502) Nonprofit securities exemption.

50.87(1) Church extension funds or similar organizations making continuous offerings shall be exempt pursuant to Iowa Code section 502.201(7) "b" provided the issuer:

a. Applies for the exemption;

b. Files an offering circular and otherwise substantially complies with the NASAA Statement of Policy Regarding Church Extension Funds as adopted by the NASAA membership on April 17, 1994, and amended by the NASAA membership on April 18, 2004, and published in CCH NASAA Reports at paragraph 1951;

c. Files all sales and advertising literature;

d. Files a consent to service of process;

e. Unless disallowed by the administrator within 15 days after the applicant has filed the items required by paragraphs 50.87(1) "a" to "d," is authorized beginning 15 days after the filing is received to sell pursuant to the exemption;

f. After authorization, may sell securities for a period of 12 months; and

g. Upon the expiration of the 12-month period in paragraph 50.87(1) "f," files a renewal application that complies with the requirements of this subrule.

50.87(2) Church bonds and other one-time offerings for a single specific project shall be exempt pursuant to Iowa Code section 502.201(7) "a" provided the issuer:

a. Files a notice specifying the material terms of the offering that comply with the NASAA Statement of Policy Regarding Church Bonds as adopted by the NASAA membership on April 14, 2002, and published in CCH NASAA Reports at paragraph 1001; and

b. Files a consent to service of process.

This rule is intended to implement Iowa Code section 502.201(7).

191—50.88(502) Transactions with specified investors. The administrator grants the exemption for transactions with specified investors to the following persons:

50.88(1) Any director, executive officer, or general partner of the issuer of the securities being offered or sold, or any director, executive officer, or general partner of a general partner of that issuer.

50.88(2) Any natural person whose individual net worth, or joint net worth with that person's spouse, at the time of the purchase exceeds \$1 million, excluding the value of the primary residence of the natural person.

50.88(4) Any venture or seed capital company. For purposes of this subrule, a venture or seed capital company is a corporation, partnership or association that has been in existence for five years or whose net assets exceed \$250,000 and whose primary business is investing in developmental stage companies or

“eligible small business companies” as that term is defined in the regulations of the Small Business Administration.

50.90(2) Exemption from registration.

a. Under the authority delegated to the administrator to promulgate rules in Iowa Code sections 502.203 and 502.605(1), a transaction is exempt from the registration provisions of the Act if all of the conditions in subparagraphs (1) to (4) are met:

(1) The issuer of the securities is at the time of any offers and sales a person that is a resident and doing business within the state of Iowa. The issuer shall be deemed to be a resident of the state of Iowa if it has its principal place of business in Iowa. 1. The issuer derived at least 80 percent of its consolidated gross revenues from the operation of a business or of real property located in or from the rendering of services within the state of Iowa.

2. The issuer had, at the end of its most recent semiannual fiscal year prior to an initial offer of securities in any offering or subsequent offering pursuant to this rule, at least 80 percent of its assets and those of its subsidiaries on a consolidated basis located in the state of Iowa.

(3) The sales have been made at or about the same time;

(4) The same type of consideration is received; and

(5) The sales are made for the same general purpose.

b. Offers and sales made in reliance on this rule shall not be integrated with offers and sales made more than six months before the start of the offering or more than six months after completion of an offering, so long as during those six-month periods there are no offers or sales of securities by or for the issuer that are of the same class or of a similar class as those offered or sold under these rules, other than those offers or sales of securities under an employee benefit plan.

50.90(4) Bad actor disqualification.

a. b. Paragraph 50.90(4) "a" shall not apply under either of the following circumstances:

(1) Upon a showing of good cause and without prejudice to any other action by the commissioner, if the commissioner determines that it is not necessary under the circumstances that the exemption be denied; or

(2) If the issuer establishes that it did not know and, in the exercise of reasonable care, could not have known that a disqualification existed under this subrule. An issuer will not be able to establish that it has exercised reasonable care unless it has made, in light of the circumstances, factual inquiry into whether any disqualifications exist. The nature and scope of the factual inquiry will vary based on the facts and circumstances concerning, among other things, the issuer and the other offering participants.

g. The escrow agreement must be signed by an officer of the issuer and an authorized representative of the escrow agent.

h. The escrow agent may not be affiliated with the issuer, any Iowa crowdfunding portal assisting with the offering, or any officers, director, managing member, or affiliate of the issuer or any intermediary assisting with the offering.

i. If the minimum offering amount is not received by the end of the offering period, the proceeds shall be returned to the purchasers within 30 days.

j. All purchasers shall have the right to withdraw their investments, without deduction of any kind, until such time as offering proceeds totaling at least the minimum offering amount are received.

50.90(8) *Disclosure requirements for issuers.*

a. Nothing in this exemption is intended to or should be in any way construed as relieving issuers or persons acting on behalf of issuers from providing disclosure to prospective investors adequate to satisfy the requirements of rule 191—50.90(502) and the antifraud provisions of Iowa Code chapter 502. The issuer is required to provide full and fair disclosure to investors of all material facts relating to the issuer

50.90(9) *Books and records.* An issuer that has filed under this rule must keep and maintain written or electronic records relating to offers and sales of securities made in reliance upon this rule for at least six years following termination of the offering. These records are subject to such reasonable audits or inspections by the administrator or a representative of the administrator as the administrator considers necessary or appropriate in the public interest and for the protection of investors. An audit or inspection may be made at any time and without prior notice. The administrator may copy, and remove for audit or inspection copies of, all records the administrator reasonably considers necessary or appropriate to conduct the audit or inspection.

a. *Maintenance of intermediary website.* An Iowa crowdfunding intermediary shall create and maintain the intermediary website and make information and services available on or through the intermediary website in compliance with this rule.

b. *Background and regulatory checks.* Prior to offering securities to residents of Iowa, the intermediary shall conduct a reasonable investigation of the background and history of each issuer whose securities are offered on the intermediary website and of each issuer's control persons. "Control persons" for the purpose of this subrule means the issuer's officers; directors; or other persons having the power, directly or indirectly, to direct the management or policies of the issuer, whether by contract or otherwise; and persons holding more than 20 percent of the outstanding equity of the issuer. The intermediary shall deny an issuer access to the intermediary website if there is a reasonable basis to believe that one or more of the following are true:

(1) The issuer or any of its control persons is subject to disqualification under subrule 50.90(3).

(2) The issuer has engaged in, the issuer is engaging in, or the offering involves any act, practice, or course of business that will, directly or indirectly, operate as a fraud or deceit upon any person.

(3) The intermediary cannot adequately or effectively assess the risk of fraud by the issuer or by the issuer's potential offering.

c. Purchaser screening. Before a security is sold through the intermediary, the intermediary shall ensure that the purchaser does all of the following:

(1) Reviews the information provided in the offering documents.

3. A description of the securities being offered and any outstanding securities of the company, the amount of the offering, and the percentage of ownership of the company represented by the offered securities.

e. Intermediary website forum. The intermediary shall maintain a forum on the intermediary website. The forum shall be available to all potential purchasers as well as to the administrator. The intermediary website shall contain a disclaimer that reflects that access to securities offered on the intermediary website is limited to Iowa residents and that sales of the securities appearing on the intermediary website are limited to persons that are Iowa residents. Potential purchasers may ask questions and receive answers concerning the terms and conditions of the offering and may obtain additional information which the crowdfunding issuer possesses or can acquire without unreasonable effort or expense necessary to verify the accuracy of or to clarify the information provided on the intermediary website. The intermediary may adopt reasonable rules and procedures for the website forum, including registration and authentication requirements.

f. Enforcement of limits. The intermediary shall take reasonable measures to ensure that no purchaser exceeds the limits set forth in Iowa Code section 502.202(24) "c" and "d."

g. Administrator access. The intermediary shall provide the administrator purchaser-level access at all times to the intermediary website, pursuant to Iowa Code section 502.202(24) "g"(8).

50.90(13) Commissions, fees or other remuneration. Commissions, fees or other remuneration for soliciting any prospective purchaser in connection with the offering shall only be paid to intermediaries or any other persons who are appropriately registered or licensed with the commissioner.

50.90(14) Advertising and communications.

a. Advertising. The crowdfunding issuer shall not advertise the specific details of the offering, except for notices which direct potential purchasers to the intermediary website. Notwithstanding the foregoing,

the issuer may distribute a notice that the issuer is conducting an offering of securities, the name of the intermediary through which the offering is being conducted, and a link directing the potential investor to the intermediary. The notice shall contain a disclaimer that the sale of the security is limited to persons who are Iowa residents.

b. Communications. All communications between the issuer and potential purchasers taking place pursuant to Iowa Code section 502.202(24) shall occur through the intermediary website of the intermediary. During the time the securities are being offered on the intermediary website, the intermediary shall, pursuant to paragraphs 50.90(11)“d” and “e,” provide channels through which potential purchasers can communicate with one another and with the issuer about the securities being offered. These communications shall be visible to all those with access to the intermediary website.

(1) An issuer shall respond within ten days to requests for information made by potential purchasers or by the administrator through the intermediary website.

(2) If such additional information is material and not previously included on the intermediary website, the crowdfunding issuer and the Iowa crowdfunding portal shall immediately amend the information contained on the intermediary website.

50.90(15) Offering price. The offering price of the securities offered and sold pursuant to this exemption shall be the same for all purchasers and shall not be increased during the offering period. The offering price may be lowered, but only if all previous purchasers in the particular offering are notified of the change and allowed to rescind their previous investment and participate at the lower offering price.

50.90(16) Resale of securities. On the document that is to serve as evidence of ownership, the issuer shall place a prominent notice which states that the securities have not been registered and which sets forth limitations on resale contained in SEC Rule 147A(e) (17 CFR 230.147A(e)), including that, for a period of six months from the date of last sale by the issuer of the securities in the offering, resale by any person shall be made only to Iowa residents.

This rule is intended to implement Iowa Code section 502.202.

DIVISION VII
FRAUD AND OTHER PROHIBITED CONDUCT

191—50.100(502) Fraudulent practices.

50.100(1) An issuer of securities registered under the Act, or any person who is an officer, director or controlling person of such issuer, is presumed to employ a “device, scheme or artifice to defraud” the purchasers of such securities under Iowa Code section 502.501(1) if such person applies, authorizes or causes to be applied any material part of the proceeds from the sale of such securities in any material way contrary to the purposes specified in the prospectus used in offering such securities and not reasonably related to the business of the issuer as described in the prospectus.

50.100(2) A broker-dealer or agent employing one or more of the following practices engages in an “act, practice, or course of business which operates or would operate as a fraud” under Iowa Code section 502.501(3):

a. Entering into any security transaction with a customer at an unreasonable price or at a price not reasonably related to the current market price of the security or receiving an unreasonable commission or profit.

b. Contradicting or negating the importance of any information contained in a prospectus or other offering materials with intent to deceive or mislead or using any advertising or sales presentation in a deceptive or misleading manner.

c. In connection with the offer, sale, or purchase of a security, falsely leading a customer to believe that the broker-dealer or agent possesses material, nonpublic information impacting the value of the security.

d. In connection with the solicitation of a sale or purchase of a security, engaging in a pattern or practice of making contradictory recommendations to different investors of similar investment objectives for some to sell and others to purchase the same security, at or about the same time, when the recommendation is not justified by the particular circumstances of each investor.

e. Failing to make a bona fide public offering of all the securities allotted to a broker-dealer for distribution by, among other things, (1) transferring securities to a customer, another broker-dealer or a fictitious account with the understanding that those securities will be returned to the broker-dealer or its nominees, or (2) parking or withholding securities.

f. Effecting any transaction in, or inducing the purchase or sale of, any security by means of any manipulative, deceptive or other fraudulent device or contrivance including, but not limited to, the use of “boiler-room” tactics such as repeated or harassing unsolicited telephone calls or the use of fictitious or nominee accounts.

50.100(3) Although nothing in this rule precludes applying the general antifraud provisions to any person who engages in practices similar to paragraphs “*a*” through “*h*” listed below, the listed practices apply only to soliciting a purchase or sale of OTC non-NASDAQ equity securities and excludes interests in direct participation programs and shares in open-end mutual funds:

a. Failing to disclose the entity’s present bid and ask price of a particular security at the time of solicitation.

b. Failing to advise the customer, both at the time of solicitation and on confirmation, of the total of all charges and fees related to a specific securities transaction.

c. In connection with a principal transaction, failing to disclose, both at the time of solicitation and upon confirmation, a short inventory position in the entity’s account of more than 5 percent of the issued and outstanding shares of that class of securities of the issuer, if the entity is a market maker at the time of solicitation.

d. Conducting sales contests in a particular security.

e. After a solicited purchase by a customer, failing or refusing, for a principal transaction, to promptly execute sell orders.

f. Refusing to sell existing securities held by the customer unless the customer executes a purchase transaction.

g. Soliciting a secondary market when there has not been a bona fide distribution in the primary market.

h. Engaging in a pattern of compensating an agent in different amounts for effecting sales and purchases in the same security.

This list is not intended to be all-inclusive. Engaging in other conduct including, but not limited to, forgery, embezzlement, conversion, nondisclosure, incomplete disclosure or misstatement of material facts may also be deemed fraudulent.

This rule is intended to implement Iowa Code section 502.501.

e. Sufficient information about the issuer and the security offered to permit the offeree to make an informed decision regarding acceptance of the rescission offer including, but not limited to, information about the issuer's organization and management, its operations and plan of business, and its financial condition as shown by a current financial statement prepared under generally accepted accounting principles.

f. A form by which the offeree may accept the offer and a statement explaining that the offeree may accept the offer by returning the form to the offerer at the provided address by first-class mail, or any other type of mail.

g. If the basis for relief under Iowa Code section 502.510 alleges a violation of Iowa Code section 502.509 which employed a device, scheme, or artifice to defraud, made an untrue statement of material fact necessary in order to make the statement made, in light of the circumstances under which it was made, not misleading, or engaged in an act, practice, or course of business that operated or would operate as a fraud or deceit on another person, in capital letters and boldface type at least as large as that used in the body of the printed materials, and placed immediately before the signature of the offerer, the following statement:

THIS IS A RESCISSION OFFER MADE PURSUANT TO Iowa Code section 502.510, A COPY OF WHICH IS ON FILE WITH THE IOWA SECURITIES AND REGULATED INDUSTRIES BUREAU. THE BUREAU MAKES NO RECOMMENDATION AS TO WHETHER THE OFFER SHOULD BE ACCEPTED OR REJECTED NOR HAS THE BUREAU PASSED UPON THE ADEQUACY OR ACCURACY OF THIS OFFER.

50.101(2) If the basis for relief under Iowa Code section 502.510 alleges a violation of Iowa Code section 502.509 which employed a device, scheme, or artifice to defraud, made an untrue statement of material fact necessary in order to make the statement made, in light of the circumstances under which it was made, not misleading, or engaged in an act, practice, or course of business that operated or would operate as a fraud or deceit on another person, prior to making a rescission offer pursuant to Iowa Code section 502.510, the offerer shall file with the administrator:

a. A copy of the rescission offer;

b. The names and addresses of all holders or sellers who are to receive the rescission offer; and

c. Financial statements proving that the offerer's assets are sufficient to meet its obligations should all offerees accept the rescission offer.

50.101(3) Rescission offers made pursuant to Iowa Code section 502.510 shall be tendered to all persons to whom liability exists or may exist pursuant to Iowa Code section 502.509.

50.101(4) A rescission offer may be accepted at any time during the period stated in the rescission offer even if an offeree previously rejected the offer.

50.101(5) Rescission offers are subject to the provisions of Iowa Code sections 502.501, 502.501A, 502.505, 502.506, and 502.506A.

50.101(6) The administrator may, in the administrator's discretion, require proof by the offerer of compliance with this rule and the terms of the rescission offer.

50.101(7) A proposal or the making of a rescission offer shall not limit the administrator's administrative or enforcement authority provided by the Act.

This rule is intended to implement Iowa Code sections 502.509 and 502.510.

191—50.102(502) Fraudulent, deceptive or manipulative act, practice, or course of business in providing investment advice.

50.102(1) It shall constitute a fraudulent, deceptive or manipulative act, practice, or course of business for an investment adviser or an investment adviser representative acting as principal for such person's own account, knowingly to sell any security to or purchase any security from a client or, acting as broker for a person other than such client, knowingly to effect any sale or purchase of any security for the account of such client, without disclosing to such client in writing before the completion of such

transaction the capacity in which the investment adviser is acting and obtaining the consent of the client to such transaction. The prohibitions of this subrule shall not apply to any transaction with a customer of a broker-dealer if such broker-dealer is not acting as an investment adviser in relation to such transaction.

50.102(2) It shall constitute a fraudulent, deceptive or manipulative act, practice, or course of business for an investment adviser or an investment adviser representative to fail to disclose to any client or prospective client all material facts regarding financial and disciplinary information as provided in 17 CFR Section 275.206(4)-4.

50.102(3) Pooled investment vehicles.

a. It shall constitute a fraudulent, deceptive, or manipulative act, practice, or course of business within the meaning of Iowa Code section 502.502(2) for any investment adviser to a pooled investment vehicle to:

(2) Otherwise engage in any act, practice, or course of business that is fraudulent, deceptive, or manipulative with respect to any investor or prospective investor in the pooled investment vehicle.

b. For purposes of this subrule, “pooled investment vehicle” means any investment company as defined in Section 3(a) of the Investment Company Act of 1940 (15 U.S.C. 80a-3(a)) or any company that would be an investment company under Section 3(a) of that Act but for the exclusion provided from that definition by either Section 3(c)(1) or Section 3(c)(7) of that Act (15 U.S.C. 80a-3(c)(1) or (7)).

This rule is intended to implement Iowa Code section 502.502(2).

191—50.103(502) Investment advisory contracts.

50.103(1) It is unlawful for any investment adviser to enter into, extend, or renew any investment advisory contract unless the contract provides in writing all of the following:

a. That the investment adviser shall not be compensated on the basis of a share of capital gains or capital appreciation of the funds or any portion of the funds of the client.

b. That no assignment of the contract may be made by the investment adviser without the consent of the other party to the contract.

191—50.111(502) Risk disclosure. Viatical settlement investment contract issuers and registered agents of issuers must provide specific, written disclosures of risk to Iowa investors at the time of the initial offer to sell a viatical settlement investment contract. These disclosures must be preceded by the following caption, which must be in bold, 16-point typeface:

IMPORTANT RISK DISCLOSURE INFORMATION—READ BEFORE SIGNING ANY
VIACIAL SETTLEMENT INVESTMENT CONTRACT.

The disclosure must include, at a minimum, the following information:

1. That the actual annual rate of return on any viatical settlement investment contract is dependent upon an accurate projection of the viator's life expectancy and the actual date of the viator's death and that an annual "guaranteed" rate of return is not possible;
2. Whether, after purchasing the viatical settlement investment contract, the investor will be responsible for payment of premiums on the contract if the viator lives longer than projected and if the investor will be responsible for such premiums, the amount of the premium payment and any resulting negative effect on the investor's return;
3. Whether any premium payments on the contract have been escrowed and, if so, the date upon which the escrowed funds will be depleted, who is responsible for payment of premiums after depletion of the funds, and, if applicable, the amount of the premiums;
4. Whether any premium payments on the contract have been waived, whether the investor will be responsible for payment of the premiums if the insurer who wrote the policy terminates the waiver after purchase, and, if applicable, the amount of the premiums;
5. Whether the investor is responsible for payment of premiums on the contract if the viator returns to health and, if applicable, the amount of the premiums;
6. Whether the investor is entitled to all or part of the investor's investment under the contract if the viator's underlying policy is later determined to be null and void;
7. Whether the insurance policy is a group policy and, if so, the special risks associated with group policies including, but not limited to, whether the investor is responsible for payment of additional premiums if the policies are sold or converted;
8. Whether the insurance policy is term insurance and, if so, the special risks associated with term insurance including, but not limited to, whether the investor is responsible for additional premium costs if the viator continues the term policy at the end of the current term;
9. Whether the investor will be the beneficiary or owner of the insurance policy and, if the investor is the beneficiary, the special risks associated with beneficiary status;
10. Whether the insurance policy is contestable and, if so, the special risks associated with contestability including, but not limited to, the risk that the investor will have no claim or only a partial claim to death benefits should the insurer cancel the policy within the contestability period;
11. Who is making the projection of the viator's life expectancy, the information upon which the projection is based, and the relationship of the projection maker to the issuer;
12. Who is monitoring the viator's condition, how often the monitoring is done, how the date of death is determined, and how and when this information will be transmitted to the investor;

13. Whether the insurer who wrote the viator's underlying policy has any additional rights which could negatively affect or extinguish the investor's rights under the viatical settlement investment contract, what these rights are, and under what conditions these rights are activated;

14. That a viatical settlement investment contract is not a liquid investment and that there is no established secondary market for resale of these products by the investor;

15. That the investor will receive no returns (i.e., dividends and interest) until the viator dies; and

16. That the investor may lose all benefits or receive substantially reduced benefits if the insurer goes out of business during the term of the viatical investment.

This rule is intended to implement Iowa Code sections 502.102, 502.201(9E) and 502.301.

191—50.112(502) Advertising of viatical settlement investment contracts.

50.112(1) The issuer and agent shall file all viatical settlement investment contract advertisements with the administrator at least ten business days prior to the date of use or a shorter period as the administrator may permit. The administrator shall mark the advertisements with allowance for use or expressly disapprove them during this time frame. The advertisement shall not be used in Iowa until a copy thereof, marked with allowance for use, has been received from the administrator.

50.112(2) Viatical settlement investment contract advertisements shall contain no more than the following:

- a. The name of the issuer;
- b. The address and telephone number of the issuer;
- c. A brief description of the security, including minimum purchase requirements and liquidity aspects;
- d. If a rate of return is advertised, it must be stated as the annual average rate of return, with a disclaimer that this is an annual average rate of return, that individual investor rates of return will vary based upon the viator's projected and actual date of death, and that an annual rate of return on a viatical settlement investment contract cannot be guaranteed;
- e. The name, address and telephone number of the agent of the issuer authorized to sell the viatical settlement investment contracts;
- f. A statement that the advertisement is neither an offer to sell nor a solicitation of an offer to purchase and that any offer or solicitation may only be made by providing a disclosure document; and
- g. How a copy of the disclosure document may be obtained.

50.112(3) Notwithstanding the provisions of rule 191—50.69(502), certain viatical settlement investment contract advertisements may be deemed false and misleading on their face by the administrator and are prohibited pursuant to Iowa Code sections 502.501 and 502.504. False and misleading viatical settlement investment contract advertisements include, but are not limited to, the following representations:

- a. "Fully secured," "100% secured," "fully insured," "secure," "safe," "backed by rated insurance company(ies)," "backed by federal law," "backed by state law," or similar representations;
- b. "No risk," "minimal risk," "low risk," "no speculation," "no fluctuation," or similar representations;
- c. "Qualified or approved for IRA, Roth IRA, 401K, SEP, 403B, Keogh plans, TSA, other retirement account rollovers," "tax deferred," or similar representations;
- d. "Guaranteed fixed return," "guaranteed annual return," "guaranteed principal," "guaranteed earnings," "guaranteed profits," "guaranteed investment," or similar representations;
- e. "No sales charges or fees" or similar representations;
- f. "High yield," "superior return," "excellent return," "high return," "quick profit," or similar representations;
- g. "Perfect investment," "proven investment," or similar representations;
- h. Purported favorable representations or testimonials about the benefits of viaticals as an investment, taken out of context from newspapers, trade papers, journals, radio or television programs, or any other form of print or electronic media.

50.112(4) For purposes of this rule, the term "advertisement" includes any written, electronic or printed communication or any communication by means of recorded telephone messages or transmitted on

radio, television, the Internet, or similar communications media, including filmstrips, motion pictures, and videos, published in connection with the offer or sale of a viatical settlement investment contract.

This rule is intended to implement Iowa Code sections 502.102, 502.301, and 502.504.

191—50.113(502) Duty to disclose. Issuers and agents equally share an affirmative duty to disclose all relevant and material information to prospective investors in viatical settlement investment contracts. The required disclosure is the registration statement required by Iowa Code section 502.304 which has been reviewed and made effective by the administrator.

This rule is intended to implement Iowa Code sections 502.102 and 502.201(9E).
