[Prior to 9/18/24, see Professional Licensure Division[645] Ch 19]

Chapter rescission date pursuant to Iowa Code section 17A.7: 7/31/29

481—501.1(272C) Licensure by verification. Licensure by verification is available in accordance with the following:

501.1(1) Eligibility. A person may seek licensure by verification if the person is licensed in at least one other jurisdiction that has a scope of practice substantially similar to that of Iowa.

501.1(2) Board application. The applicant must submit the following:

a. A completed application.
b. Payment of the application fee.
c. Completed fingerprint cards and a signed waiver form to facilitate a national criminal history background check, if required for initial licensure by the board.

d. An attestation that the applicant's license in that jurisdiction complies with the requirements of Iowa Code section 272C.12.

e. A copy of the complete criminal record if the applicant has a criminal history.

f. A copy of the relevant disciplinary documents if another jurisdiction has taken disciplinary action against the applicant.

g. A written statement from the applicant detailing the scope of practice in the other state.

h. Copies of relevant laws setting forth the scope of practice in the other state.

501.1(3) Applicants with prior discipline. If another jurisdiction has taken disciplinary action against an applicant, the board will determine whether the cause for the disciplinary action has been corrected and the matter has been resolved. If the board determines the disciplinary matter has not been resolved, the board will neither issue a license nor deny the application for licensure until the matter is resolved. A person who has had a license revoked, or who has voluntarily surrendered a license, in another jurisdiction is ineligible for licensure by verification.

501.1(4) Applicants with pending licensing complaints or investigations. If an applicant is currently the subject of a complaint, allegation, or investigation relating to unprofessional conduct pending before any regulating entity in another jurisdiction, the board will neither issue a license nor deny the application for licensure until the complaint, allegation, or investigation is resolved.

501.1(5) Compact privileges. A person who has a privilege to practice in Iowa by virtue of an interstate licensure compact is ineligible for licensure by verification. Licenses issued pursuant to this rule do not grant privileges to practice in any other jurisdiction pursuant to any interstate licensure compact.

481—501.2(272C) Applicants with work experience in jurisdictions without licensure requirements.

501.2(1) Work experience. An applicant for initial licensure who has relocated to Iowa from another jurisdiction that did not require a professional license to practice in the profession may be considered to have met any educational and training requirements if the person has at least three years of work experience with a scope of practice substantially similar to that of the profession for which a license in Iowa is sought. The three years of work experience must be within the four years preceding the date of application for initial licensure. The applicant must satisfy all other requirements, including passing any required examinations, to receive a license.

501.2(2) Required documentation. An applicant who wishes to substitute work experience in lieu of satisfying applicable education or training requirements shall carry the burden of proving all of the following by submitting relevant documents as part of a completed license application:

a. Proof of Iowa residency.

b. Proof of three or more years of work experience within the four years preceding the application for licensure.

c. Proof that the work experience was in a practice with a scope of practice substantially similar to that for which the license is sought in Iowa.
