481—504.2(147,272C) Grounds for discipline. A board may impose any of the disciplinary sanctions provided in Iowa Code section 272C.3 when the board determines that the licensee is guilty of any of the following acts or offenses or those listed in Iowa Code section 147.55:

504.2(1) Fraud in procuring a license. Fraud in procuring a license includes but is not limited to an intentional perversion of the truth in making application for a license to practice in this state, which includes the following:

a. False representations of a material fact, whether by word or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed when making application for a license in this state; or

b. Attempting to file or filing with the board or the department of inspections, appeals, and licensing any false or forged diploma, certificate, affidavit, identification or qualification in making an application for a license in this state.

504.2(2) Professional incompetence. Professional incompetence includes but is not limited to:

a. A substantial lack of knowledge or ability to perform professional obligations within the scope of practice.

b. A substantial deviation from the standards of learning or skill ordinarily possessed and applied by other licensees in the state of Iowa acting in the same or similar circumstances.

c. A failure to exercise the degree of care that is ordinarily exercised by the average licensee acting in the same or similar circumstances.

d. Failure to conform to the minimal standard of acceptable and prevailing practice of a licensee in this state.

e. Mental or physical inability reasonably related to and adversely affecting the licensee’s ability to practice in a safe and competent manner.

f. Being adjudged mentally incompetent by a court of competent jurisdiction.

504.2(3) Practice outside the scope of the profession.

504.2(4) Habitual intoxication or addiction to the use of drugs, including:

a. The inability of a licensee to practice with reasonable skill and safety by reason of the excessive use of alcohol on a continuing basis.

b. The excessive use of drugs that may impair a licensee’s ability to practice with reasonable skill or safety.

504.2(5) Obtaining, possessing, attempting to obtain or possess, or administering controlled substances without lawful authority.

504.2(6) Falsification, alteration or destruction of client or patient records with the intent to deceive.

504.2(7) Acceptance of any fee by fraud or misrepresentation.

504.2(8) Negligence by the licensee in the practice of the profession, which includes a failure to exercise due care, including negligent delegation of duties or supervision of employees or other individuals, whether or not injury results; or any conduct, practice or conditions that impair the ability to safely and skillfully practice the profession.

504.2(9) Being convicted of an offense that directly relates to the duties and responsibilities of the profession. A conviction includes a guilty plea, including Alford and nolo contendere pleas, or a finding or

verdict of guilt, even if the adjudication of guilt is deferred, withheld, or not entered. A copy of the guilty plea or order of conviction constitutes conclusive evidence of conviction. An offense directly relates to the duties and responsibilities of the profession if the actions taken in furtherance of the offense are actions customarily performed within the scope of practice of the profession or the circumstances under which the offense was committed are circumstances customary to the profession.

504.2(10) Violation of a regulation, rule, or law of this state, another state, or the United States that relates to the practice of the profession.

504.2(11) Revocation, suspension, or other disciplinary action taken by a licensing authority of this state or another state, territory or country; or failure of the licensee to report such action within 30 days of the final action by such licensing authority. A stay by an appellate court shall not negate this requirement; however, if such disciplinary action is overturned or reversed by a court of last resort, such report shall be expunged from the records of the board.

504.2(12) Failure of a licensee or an applicant for licensure in this state to report any voluntary agreements restricting the individual's practice in another state, district, territory or country.

504.2(13) Failure to notify the board of a criminal conviction within 30 days of the action, regardless of the jurisdiction where it occurred.
