  - (3) Completing an American Physical Therapy Association-approved postprofessional clinical residency or fellowship. Clinical residency hours may not be used for credit if the licensee is also seeking credit hours earned for postprofessional academic coursework in the same renewal period.
  - (4) Directly supervising students for clinical education if the students being supervised are from an accredited physical therapist or physical therapist assistant program and are participating in a full-time clinical experience (defined as approximately 40 hours per week, ranging from 1 to 18 weeks). One hour will be awarded for every 160 contact hours of supervision. A maximum of 8 hours for a physical therapist and 4 hours for a physical therapist assistant may be awarded per biennium. The physical therapist or physical therapist assistant must have documentation from the accredited educational program indicating the number of hours spent supervising a student.

Verification of participation must be provided by the professional organization to document the continuing education credit.
- b.
