481—962.2(154E,272C) Continuing education requirements.

962.2(1) Requirements for permanent licensees. The continuing education compliance period runs concurrently with each two-year renewal period beginning on July 1 of each odd-numbered year and ending on June 30 of the next odd-numbered year. Each person who is licensed to practice as a sign language interpreter or transliterator in this state will be required to complete a minimum of 40 hours of continuing education as specified in rule 481—962.3(154E,272C).

962.2(2) Exception for new permanent licensees. A person licensed for the first time will not be required to complete continuing education as a prerequisite for the first renewal of the license. Thereafter, the new licensee will complete the continuing education requirements as set forth in rule 481—962.3(154E,272C). The licensee may use continuing education hours acquired anytime from the initial licensing until the second license renewal to meet the requirements.

962.2(3) National Interpreters Certification (NIC) or Registry of Interpreters for the Deaf (RID) Certification. A licensee who provides proof of a current NIC or current RID Certification meets continuing education requirements for that biennium renewal cycle.

962.2(4) Requirements for temporary license holders. The continuing education compliance period runs concurrently with each two-year renewal period beginning on the date of initial licensure. Temporary license holders will be required to obtain 40 hours of continuing education as set forth in rule 481—962.3(154E,272C). The temporary license holder may use only continuing education hours acquired during the current renewal period. Proof of continuing education hours acquired will be submitted with a temporary license renewal application.

962.2(5) Hours of continuing education credit may be obtained by attending and participating in a continuing education activity.

962.2(6) Licensees who complete continuing education hours in excess of the requirements for renewal may apply up to 50 percent of the required hours to the following renewal period. Licensees may apply a maximum of 20 hours from the previous renewal period.

962.2(7) The licensee is responsible for the cost of continuing education.

481—962.3(154E,272C) Standards.

962.3(1) *General criteria.* A continuing education activity that meets all of the following criteria is appropriate for continuing education credit if the continuing education activity:

- a. Is an organized program of learning fundamental to the practice of the profession that contributes directly to the professional competency of the licensee;
- b. Is conducted by individuals who have specialized education and training in the subject matter of the program. At the time of audit, the board may request the qualifications of presenters;
- c. Fulfills stated program goals, objectives, or both; and
- d. Provides proof of attendance, including:
 - (1) Date, location, course title, and presenter(s);
 - (2) Number of program contact hours; and
 - (3) Certificate of completion or evidence of successful completion of the course provided by the course sponsor.

962.3(2) *Specific criteria.*

a. Continuing education will be obtained by attending programs relating to the practice of interpreting or transliterating for the deaf or hard of hearing and that are:

(1) Educational activities, including lectures, conferences, focused seminars, clinical and practical workshops, simultaneous live satellite broadcasts and teleconferences;

(2) Obtained in content areas that conform to the content areas specified in the RID Certification Maintenance Program Standards and Criteria for Approved Sponsors, revised edition, June 2004, with the exception of the number of continuing education units (CEUs) required, which is defined in paragraph 962.3(2)“b.” RID activity categories of independent study or teaching an academic class are not professional study categories that can be claimed for credit by temporary license holders.

b. Each renewal period, licensees will obtain 40 hours (4 CEUs) of continuing education, including no less than 30 hours (3 CEUs) of professional studies. The remaining 10 hours (1 CEU) may be in either professional or general studies. The board will accept proof of a current NIC or current RID Certification in lieu of proof of the 40 hours of continuing education.

c. Continuing education hours of credit equivalents for academic coursework per biennium are as follows:

1 academic semester hour = 15 continuing education hours

1 academic quarter hour = 10 continuing education hours

1 CEU = 10 continuing education hours
