

CHAPTER 103  
MOBILE RADIO TRANSMITTERS

Chapter rescission date pursuant to Iowa Code section 17A.7: 1/1/28

**571—103.1(481A) Definitions.**

*“One-way mobile radio transmitters”* means radios capable of transmitting a radio signal only. The signal is tracked or located by radio telemetry or by location of an audible sound signal. The system is not capable of transmitting voice signals.

*“Two-way mobile radio transmitters”* means radios capable of transmitting and receiving voice messages. An example would be a CB radio or a cellular telephone.

**571—103.2(481A) Falconry.** Licensed falconers may use one-way mobile radio transmitters to recover free-flying birds of prey properly banded and covered on their falconry permit.

**571—103.3(481A) Hunting dogs.** Any person hunting with the aid of a dog may use, at any time, a one-way mobile transmitter designed to track or aid in the recovery of the dog.

These rules are intended to implement Iowa Code section 481A.24.
