571—44.4(321G,321I,461A,462A,481A) Permit conditions. The department may impose permit conditions not specifically covered herein as deemed necessary to protect the resource or to ensure public safety. Such conditions shall be included in the permit issued by the department.

44.4(1) Use of concessionaire. If the state park or recreation area where a special event is being held has a concessionaire, the sale of food or drinks shall be governed pursuant to 571—subrule 14.5(3). If a concessionaire chooses not to provide services during the special event, the event sponsor may bring in other concession operations as approved by the department.

44.4(2) Special permit conditions for fishing tournaments. In addition to permit conditions deemed necessary by rule 571—44.4(321G,321I,461A,462A,481A), the department may include some or all of the following permit conditions for fishing tournaments:

- a. Release of live fish.
- b. Fish measured to length and released from boat.
- c. Multiple weigh-ins when water temperatures exceed 70°F.
- d. Aerated live wells.
- e. Designated release areas.
- f. Designated release persons.

44.4(3) Catfish fishing tournaments. The daily catch limit for a catch and release catfish fishing tournament permitted under this chapter is five catfish per boat regardless of the number of tournament participants on the boat.

571—44.5(321G,321I,461A,462A,481A) Application procedures. The following procedures shall be used to apply for a special event permit:

44.5(1) Applications are made and submitted through the department’s centralized special events application system.

44.5(2) Applications—when submitted.

a. Events for the current year. Applications may be submitted anytime during the calendar year in which the special event is to begin but no later than 30 days prior to the special event.

b. Events for the next year. Applications for a special event that will start in the next calendar year shall not be submitted until 7 p.m. on September 1 of the current year.

44.5(3) The number of special events to be held at any area on the same day may be restricted if deemed necessary to avoid congestion within the area or to protect the resource.

44.5(4) One application form may be submitted for all events of the same type being held at the same location within a nine-day period and will be processed as a single application. A distributed virtual fishing tournament may extend beyond the nine-day period and need not be at a single location.

571—44.6(321G,321I,462A) Alternate dates for snowmobile, boating, all-terrain vehicle, off-road utility vehicle, and off-road motorcycle special events. An applicant may submit and the department may approve both a primary date and an alternate date for snowmobile, boating, ATV, ORM, and ORV special events. However, if both a primary date and an alternate date are approved, the primary date shall be used unless circumstances beyond the control of the applicant prevent its use. If the alternate date must be used for the event, the applicant shall contact the department representative at least one week in advance of the event date to obtain final approval to use the alternate date. The department representative shall document this approval in writing. Upon approval of an alternate date, the applicant shall notify the local conservation officer, and the department representative will update the calendar of events.

DIVISION II

Permits for fireworks displays shall be issued only to qualified entities, such as political subdivisions of the state of Iowa, and to community or civic organizations. [ARC 9220C, IAB 5/14/25, effective 6/18/25]

571—44.16(461A) Permit conditions. 44.17(3) The number of fireworks displays or other special events at any one public land, water or ice location during a given day may be restricted if deemed necessary to avoid congestion with the public or competing events and to protect the resource.

44.17(4) The applicant shall certify in the application that the fireworks display shall be conducted by a competent operator. The location of the display shall be determined by the department representative in charge of the area.
